..THE..

Empress Skirt.

WE have been given the exclusive agency for this very popular and servicable garment and have placed in our show window a few samples that have already attracted many purchasers. No garment ever brought out equal or approach in any way these

PATENTED ...PETTICOATS.

The spiral wire with which the skirt is corded gives the graceful, flaring effect so much sought after; adjusts itself to any position of the wearer, and never breaks or gets out of shape. It is light as a feather, and in taffeta silk weighs only one and one-half pounds. Extra skirts and all stiffening and lining in dress skirts are done away with when it is worn, being unnecessary. In short it is an ideal upper-skirt for any and all occasions, and is highly appreciated by good dressers. It is made in Silesias, Percales, Silkettes, Taffeta Silks, Novelty and Plaid Silks.

CITY AND VICINITY.

Rev. M. Van Vessen of Overfel, has declined the call to the Christian Reformed church of Midland Park, N. J.

Mrs. P. F. Boone entertained a number of her friends Tuesday with a picnic at Alpena Beach. All report an enjoyable time.

The steamer Mabel Bradshaw brought a large crowd of excursionists from White Lake to see the yacht races of the M. B. Y. C. last Saturday.

The electric railway although running cars to a point 3 1/2 miles from town, is said to be earning the company a profit of \$25 a day.—Douglas Record.

Harry Patuuis, son of Mr. and Mrs. John Patuuis died at the home of his parents last Saturday morning of spinal meningitis. The funeral took place 2 o'clock Monday afternoon. Rev. K. Van Goor officiating.

Ex-Gov. Luce will arrive in Holland Tuesday, the day before the Farmers Picnic, and will deliver the address to the farmers Wednesday forenoon at 10 o'clock, as he intends to leave town on the noon train. So come early if you wish to hear the speaker of the day.

Miss Kate Post gave a marshmallow roast to a party of her young friends from Holland and the Park at Macatawa last Monday, in honor of her twelfth birthday. Those present from Holland were the Misses Hazel Wing, Margaret Diekema, and Grace Brown, and Masters Nicholas Dosker and Henry Dutton.

The Allegan county Sunday school rally at Macatawa Park was a very enjoyable affair. People began arriving from all parts of the county early Wednesday forenoon and before dinner the Park was thronged with pleasure seekers. It was a representative crowd of the best citizens of the several communities and argued well for the standing of Allegan county. Nothing occurred to mar the enjoyment of the occasion and when the tired crowd departed for home all declared that the rally was a success from every point of view.

Miss Gertrude Postma and Prof. Williams D. Zoethout were married last Friday night at the residence of Mrs. H. Van Dyke, Nineteenth street, mother of the bride. Rev. K. Van Goor officiating. The ceremony was performed in the presence of the relatives and intimate friends who joined the happy couple in a wedding supper after the marriage. The bride was attended by Miss Jessie Zoethout and F. Mansens acted as best man. Prof. and Mrs. Zoethout will reside in Englewood, Ill. The professor occupies a chair in the Harvey Medical school at Chicago. Those present from out of the city were: Mr. and Mrs. Louis Zoethout and Roseland Zoethout, of Roseland, Ill.; Miss Florence Lewis of Grand Rapids, and Miss Anna Smith of Englewood, Ill.

Henry Oiert, has opened his new store on the corner of Fourteenth St. and Van Ralte avenue.

Lieut. Edward H. Andres has closed the recruiting station at Grand Haven. Not an applicant applied. Lieut. Andres has opened a station in Muskegon.

Klaas Jalving, one of the old settlers of this vicinity, died at his home on the north lake shore last Thursday at the age of 71 years. The funeral services were held Saturday afternoon at the Harderwyk church.

It is the desire of the executive committee of Farmers Picnic that every public spirited citizen of Holland shall act upon the reception committee and see that all of the guests of the city are well taken care of upon their arrival and during the dinner hour in Centennial Park.

The ice cream social and concert given by the West Michigan band last Wednesday evening at the residence of J. Thole, was a decided success. A large number of tickets were sold and all present were well pleased with the music and entertainment furnished by the boys.

Mr. Boone's favorite trotter McKinley won first place and \$300 at the Jackson races last Friday. The time was remarkably fast and the work done by the Holland horse proves that McKinley may be depended upon to distance the best of them, and will capture many good purses before the season closes. H. Boone, Jr., drove McKinley.

The Thursday excursion over the C. & W. M. from Grand Rapids to Ottawa Beach was, when all of the excursionists from all points are counted, the biggest week-day excursion to the resorts ever run over the road. Fully a thousand pleasure seekers left Grand Rapids alone, while the crowd was added to at every station along the line from that city to Holland.

The yacht Gadabout owned by Henry Luss of Grand Haven parted her tow-line Saturday night while being towed to Grand Haven by the Ellen Hall and drifted away in the darkness. No one was aboard at the time as the sea was rather high and her crew was on the steam launch. No trace of the missing boat has been found but as she was not ballasted enough to sink, the chances are that she is beached somewhere on the east shore.

If the efforts of Eugene Hunt are a criterion Holland and its industries will be well written up and advertised in next week's Graphic. Mr. Hunt has spared neither time nor expense in collecting material and obtaining data regarding the enterprise and progressiveness of this city. He expects to deliver 5,000 copies in this immediate neighborhood and as the circulation of the magazine is 15,000, Holland and its people will be brought to the attention of a large number of intelligent readers.

The children, grand children and near relatives of Mr. and Mrs. J. W. Bosman held a family reunion last Tuesday. All enjoyed a trolley ride to Saugatuck and a picnic in the woods near the lake shore at that place. Those present were: Mr. and Mrs. J. W. Bosman, Mr. and Mrs. J. Brockmeyer and children, of Freeport, Ill.; Dr. and Mrs. J. W. Bosman, of Kalamazoo; Mrs. T. Bosman and daughter, of Grand Rapids; Mrs. De Gelky, Milwaukee, Wis.; Roy Toot, of Grand Rapids; Ira Nies, Patterson, N. J.; A. B. Bosman and family, H. Hyma and family, H. D. Werkman and family, and Benjamin Bosman.

Mrs. John Scholten, living three miles south of the city, committed suicide last Tuesday morning, by taking paris green. She arose at six o'clock in the morning and soon after left the house and did not return. Her husband became alarmed at her long absence and instituted a search for his missing wife. About ten o'clock she was found lying near a stump in the field. Close beside her was a pail of paris green. Drs. Van den Berg and Brekers, of Graafschap, were summoned, but it was too late to render medical assistance as death had occurred some time previous to their arrival. An inquest was held Monday, and the jury consisting of Henry Strabbing, Gerardus Schuring, Henry Wiegman, Olfert Den Bleyker and Abraham Van Zanten, rendered a verdict to the effect that "deceased came to her death from the effects of poison administered by her own hand." The funeral services were held at 2:30 o'clock Wednesday afternoon in the Christian Reformed church of Graafschap, Rev. A. Kelzer officiating. Deceased leaves a husband and 13 children.

Born, to Mrs. and Mr. John Van Lente, Thursday, a son.

List of advertised letters at the Holland postoffice for the week ending Aug. 11: Louis Cohn, Simon Corson, H. J. Leonard, B. C. Martin.

Grand Haven people feel considerable interest in the relief expedition now starting north after Walter Wellman. Dr. Hofma, who is one of the pole seekers with Wellman, is a former resident of that city.

A rumor is in circulation to the effect that an unauthorized person intends to solicit subscriptions for the West Michigan band. The public will please take notice that the band boys have not empowered any one to collect money for them for any purpose.

Dr. G. J. Kollen celebrated his 56th birthday anniversary Wednesday. The faculty of Hope College reinforced by many Holland friends, decided to take advantage of the opportunity presented and arranged to surprise the Dr. and his estimable wife in the evening. So the merry crowd collected in the gathering twilight and took the house by storm. The Dr. proved equal to the occasion and as a result an enjoyable evening was passed under his hospitable roof.

Mr. Dryer, one of the members of the firm that has the contract for the erection of the Holland sugar factory, says that the plant will be ready for business Oct. 15, the specified time, and probably by Oct. 1st. The contractors have charge of the running of the factory the first year. They will bring about 15 skilled laborers to Holland and obtain the rest of their employees from this city. This is a good plan as it will give the laborers of Holland an opportunity to learn the business well enough to perform the expert mechanical work the following years, and thus command good salaries.

Mrs. G. J. Diekema gave a picnic at Alpena Beach last Friday in honor of visitors to Holland from other cities. The day was spent on the shore of Lake Michigan in typical outing style. Those present were: Rev. A. Vennema and family of Passaic, N. J.; George Birkhoff and family, of Chicago; Mrs. D. Kruidenier, Pelee, Iowa. Miss Sherwood of Allegan, the families of Dr. G. J. Kollen, William Garrod, Geo. P. Hummer, Dr. Beardslee, Prof. Dosker, Prof. Boers, Geo. E. Kollen, G. Van Scheiven, Prof. Kleinheksel, Dr. Yates, Dr. Schouten and Misses Hattie Ten Cate, Lena De Pree, Mrs. Gilmore and Profs. Nykerk and Vegte.

A farmers institute lasting one day will be held on the 22nd day of August at the farm of A. G. Van Hese of Zeeland. In the forenoon a discussion on sugar beets will take place and the afternoon will be devoted to the discussion of dairy topics. This will be a social and informal meeting and all are invited to come and bring well filled lunch baskets. The following speakers will address the gathering: Prof. C. D. Smith, of the Michigan Agricultural college, C. C. Lillie, of Coopersville and Prof. McLean superintendent of the Holland Sugar factory. A new plow belonging to H. De Vries will be tested on the premises that day.

A large force of workmen are busily engaged in extending the Saugatuck and Douglas electric road. Every hour brings the road nearer the twin villages, and by this time next week it will be possible to go direct to Saugatuck without transferring to the bus line. This means a great deal to the residents of that community. It means that the weary wait for a railway is over, that they are face to face with the outside world, and are ready to welcome closer business and social relations with this city and vicinity. They are going to celebrate the completion of the road in grand style, Saturday, August 19, and have extended a hearty invitation to Holland. Plans for the Farmers Picnic are fully perfected and there is no doubt that it will be one of Holland's best days. The people of Saugatuck will be here in large numbers and now is the time to make arrangements to reciprocate by joining hands with our neighbors in celebrating the completion of the road August 19.

Born, to Mr. and Mrs. Will Porters of Howell, Mich., Aug. 2—a daughter.

Mrs. Geo. P. Hummer entertained a party of friends yesterday at her cottage at Macatawa Park.

Mrs. Anna Jane Earl died at Macatawa Park Wednesday night of typhoid fever, at the age of 48 years. The remains will be taken to Indianapolis for burial to-morrow morning.

A special meeting of Castle Lodge No. 193 Knights of Pythias will be held to-night at their Castle Hall. Members are urgently requested to be present.

J. B. HADDEN, C. C.

The yacht Genevieve of Chicago, was struck by lightning during last night's electrical storm. The lightning passed down the mast and into the cabin striking a young lady who was aboard ship at the time. She was badly stunned by the shock but not seriously injured.

The Ladies Guild of the Episcopal church will give a lawn social at the residence of Mrs. H. Boone, Ninth street, this evening. Ice cream and cake will be served and a good time is assured. The lawn will be trimmed and lighted with Japanese lanterns. All are invited.

The mother of Mr. Geo. Shaw, of this city, died at her home in Monterey, Mich., last evening from the effects of an injury received by falling some time ago. Mr. and Mrs. Geo. Shaw went to Monterey this morning and will remain there until after the funeral.

The soldiers and sailors of Michigan of both wars, will hold a grand reunion at Big Rapids, Mich., Sept. 11 to 16. Interesting camp fires will be held each night. Suitable places will be provided for reunions, which will be held by State. In this way the members of each regiment can get together and have a side reunion of their own. Speakers of the highest national reputation have promised to be present. Big Rapids has a reputation to sustain in entertaining her visitors, and each day will be interspersed with amusements, entertainments, sports and games of all kinds. It's going to be a grand week of glory all around. Families and friends are cordially invited to come with comrades. Special rates are being arranged for on all roads, and all roads will lead to Big Rapids that week.

Colonel Gardner's regiment, the Thirtieth United States volunteers, which has been recruiting at Fort Sheridan, Ill., has now enlisted men sufficient to bring the regiment up to a war standard. Colonel Gardner wired his recruiting officers in Wisconsin and Michigan to close their books and report for duty at the fort, but afterward he received a dispatch from Washington to allow his officers to remain and recruit for the other provisional regiments until men enough have been secured. An interesting fact in connection with this announcement is that this regiment, the first so far to send notification of its readiness, is the one recruiting from Michigan, Illinois and Wisconsin. Its success being an important witness that this part of the country is still ready to support the war department in its service in the Spanish war. A Cuban named Jose Cisneros applied for enlistment in the regiment. He was a small, dark man, well dressed, and gentlemanly in appearance and manners. He said he had served with General Garcia, and desired to go with the regiment to the Philippines. The officers seemed to think that he was more likely to turn out a Filipino than a Cuban, and refused to enroll him. He returned to Chicago. The opinion was freely expressed that he was a spy sent out by the Filipino junta.

Lake Excursion

The elegant side-wheel steamer "City of Milwaukee," of the Graham & Morton Line, will arrive at Ottawa Beach next Sunday, August 13, with an excursion from St. Joseph, and will give an excursion to our people of one hour and a half on the lake, leaving Ottawa Beach at 1 o'clock p. m. Fare for the trip 25 cents. This will be a fine chance to see this popular steamer and take an afternoon's outing.

Ayer's Hair Vigor

What does it do?

It causes the oil glands in the skin to become more active, making the hair soft and glossy, precisely as nature intended.

It cleanses the scalp from dandruff and thus removes one of the great causes of baldness.

It makes a better circulation in the scalp and stops the hair from coming out.

It Prevents and It Cures Baldness

Ayer's Hair Vigor will surely make hair grow on bald heads, provided only there is any life remaining in the hair bulbs.

It restores color to gray or white hair. It does not do this in a moment, as will a hair dye; but in a short time the gray color of age gradually disappears and the darker color of youth takes its place.

Would you like a copy of our book on the Hair and Scalp? It is free.

If you do not obtain all the benefits you expect from the use of the Vigor write the Doctor about it.

FRIDAY, Aug. 11

Lake and Marine.

The passenger steamer City of Grand Rapids, with 200 passengers on board, narrowly escaped foundering in mid-lake Saturday night. The steamer was bound from South Haven to Milwaukee and was 35 miles out when a large amount of water was discovered in the hold. The water was pouring in from many leaks and the engineer was unable to start the pump. When the water was within two inches of the fires the steamer was turned around and headed for South Haven. The passengers were awakened and a wild scramble for life-saving appliances followed. Just before the fires were put out by the incoming water, the engineer succeeded in starting one of the pumps, which held the water in check until port was reached again at 6 o'clock Sunday morning. Two inches more of water would have shut off the supply of steam from the boiler and the steamer must have sunk in mid-lake, probably with great loss of life. It is thought the leaks were due to defective caulking.

Treasury Department, U. S. Life-Saving Service Washington, D. C. July 31, 1899.—Sealed proposals for the construction of a life-saving station at Charlevoix, Michigan, will be received at this office until 2:00 o'clock p. m., of Wednesday, August 16, 1899 and then publicly opened. Plans and specifications, forms of proposal and full information can be obtained upon application to the Deputy Collector of Customs, Cheboygan, Michigan; the Superintendent 11th Life-Saving District, Grand Haven, Michigan; the Superintendents of Construction, Life-Saving Stations, 17 State street, New York City, or to this office. S. I. Kimball, General Superintendent.

A special from Duluth says: At a meeting of the Lake Carrier's association, controlling the wages of 90 per cent of the large shipping interests on the great lakes, it was agreed to advance wages on lake vessels 40 per cent, the advance taking effect August 13. This the greatest advance in pay ever made by lake carriers and does not come in any response to threats of any strike, but simply because men are scarce.

Plum Island life savers have answered more calls during the season, it is said, than any other half a dozen stations combined. This station will soon be equipped with a new and modern life boat and a new set of appliances.

While at Marinette the other day, taking on a cargo, the mate of the steamer Cuba agreed to pay a number of boys 20 cents an hour for carrying a quantity of wrapping paper aboard. It is said that it took the lads two hours to complete the work, and while they were waiting to be paid the propeller pulled away from the dock. The boys began to cry out for their money

and the mate threw them 20 cents in change. They commenced a bombardment with stones and hurled them with deadly accuracy, and they succeeded in keeping the crew dodging and in doing considerable damage before the boat could get out of reach. Following is what the Marinette Eagle says of the rather humorous episode: "Cervera and his men at Santiago bay had a hard time of it, and so did the captain of the Cuba and his crew. They crouched below the rails to dodge the well-aimed projectiles. Smash, bang! went the cabin windows and crash! went the big rocks through the cabin doors. It will cost him considerable more to repair the damage to the craft than it would have had the boys been paid off properly."

It is estimated that the new life saving station Charlevoix at will cost about \$8,000. The plans provide for a frame structure with an extensive boat shed under the same roof. The station is expected to be completed during the present season.

The treasury department answers a query as to the lights to be carried by small boats, as follows: There is found no law which excepts cat-boats, yachts and sail boats, excepting fishing and pilot boats and vessels of less than ten gross tons under way during heavy weather, from the operation of article 5 of the act of June 7, 1897. The courts would probably hold that this article required such boats, with the exceptions mentioned, when under way in harbors, rivers and inland waters, to carry colored lights as specified in article 2 of the act referred to—that is, green to starboard and red to port, the lights being hung so as to be visible for ten points of the compass and for a distance of two or more miles.

Maj. Symons will visit Toledo to look further into the arrangement for placing \$275,000 light at that port. It is stated that the light when completed will be one of the finest on the lakes.

OUR NEIGHBORS.

Graafschap.

Holland invites Graafschap to attend the Farmers Picnic August 16. A. Bulshop living one mile west of Graafschap died Sunday morning aged 81 years. The funeral services were held at the home Wednesday afternoon at 1 o'clock Rev. Keizer officiating.

Mr. and Mrs. Kloester of Forest Grove were the guests of Rev. and Mrs. A. Keizer the first of the week. They left Wednesday for Petoskey, where they will live with their children.

Born to Mr. and Mrs. John Lamberts, a son.

Sugar beets are doing well in this vicinity.

Gerrit Scurman and Jeanette Koe-man were married yesterday at their new residence in Graafschap. Rev. A. Keizer officiating. The young couple are well known and have many friends in this vicinity.

John Van Zanten has finished painting the new consistory.

Threshing is progressing but owing to the small wheat crop a small amount of work is done.

Between harvesting and taking care of the pickle crop the farmers are very busy.

Overisel.

Many of the Overisel people contemplate attending the Farmers Picnic at Holland.

Miss Gertrude Donia died at her home last week Monday. Interment took place on Thursday from the Reformed church. She was 18 years of age and was employed as assistant P. M. at Hamilton. A large circle of friends and relatives mourn her departure.

Prof. G. Masselink of the Ferris Industrial Normal School Sundayed at home. He will stay at Big Rapids for another year as mathematical instructor.

J. L. Felton a former principal of our schools who has been employed as principal of the Dorris schools for the past year called on friends here last week.

The following is the list of Overisel teachers for the ensuing year as reported:

- No. 1. B. M. Sprague, principal; Henrietta Pollakker, assistant.
- No. 2. J. Masselink, principal; Viola Heasley, assistant.
- No. 3. J. A. Wiggers.
- No. 4. H. A. Rigtierink, principal; Minnie Teravest, assistant.
- No. 5. H. Masselink.
- No. 6. Alice Rigtierink, principal; Jennie Rigtierink, assistant.

Ottawa Station.

Richard Roberts and his sister Mary are visiting their parents, Mr. and Mrs. Wm. Roberts, of this place. Both of the young people are from Chicago.

Eugene D. Fellows has just finished painting our school house, which was built by him in 1867.

Sugar beets in this section are looking fine. The farmers have taken hold of the beet industry in real earnest and they will not regret it.

Miss Josey Foster of Bass River is at present visiting the family of F. W. Heady.

Mr. A. Whiteman is painting the house of B. W. Welton.

R. J. Coulter and wife have moved into Mr. Bush's house for the season.

Mr. Wm. Tuttle and wife of Hastings, visited relatives here last week Friday and Saturday.

Ray Merrett is at present employed by E. L. Rhodes.

The bridge built here a year or so ago by John Vinkemulder, will have to be entirely overhauled, as the structure is a flimsy affair and not safe.

Grain was threshed for the first time

in 19 years on the old Gilman place. About 40 grain has been raised on the farm the entire time. Jess Fletcher now has the place.

Frank Headley no longer carries the mail to Robinson on his wheel, as that machine after throwing his brother Arthur in the big ditch just north of here while taking the mail to its destination, is disabled with a torn tire. The mail is now carried by rig.

Allegan County.

The second annual reunion of the Carpenter family will take place at the home of Byron Carpenter, one mile east of Plainwell, Saturday, August 12. At last year's gathering one hundred and fifty relatives were present and this year it is expected that the number will be increased to two hundred. The Carpenter family also held a reunion each year at Athens.

Two smooth talking men, who claimed to be doctors, have been swindling the people of Otsego. They had a cure for ever, thin, and succeeded in carrying several hundred dollars from the place. They had a wonderful rheumatism cure which the runner will be increased to two hundred. The Carpenter family also held a reunion each year at Athens.

John Evans is building a large addition to his hotel near the Lake Shore depot in Allegan. The building will be 3x60 feet, and when completed will be supplied with all the modern fixtures for the convenience of his guests.

A pamphlet has been published setting forth the advantages of the water power just below Plainwell controlled by J. E. Botsford of the Michigan Paper company. It has been investigated by Engineer W. H. Coats of Grand Rapids, who pronounces it a valuable and easily convertible power.

The Allegan firemen are preparing for a hose tournament to be held there Thursday and Friday, August 17 and 18. Hose teams are expected from Hastings, Niles, Plainwell, Otsego, and other places to compete for the prizes offered. All the events are open to the world, and reduced rates on the railways will be given. The total sum of the prizes to be distributed is \$325.

The harvesting of the great pepper-mint oil crop in southwestern Michigan will begin soon. This product is mostly confined to Kalamazoo, St. Joseph, Cass, Van Buren and Allegan counties. The crop is valued at hundreds of thousands of dollars.

Governor Pingree has appointed Dr. W. H. Bills, of Allegan, as a delegate to represent the state of Michigan in the congress of the National Prison Association which will meet in Hartford Conn. Sept. 23-27.

Mrs. A. H. Foster has received her commission as postmistress of Maplewood postoffice in North Allegan.

The losses of the Allegan & Ottawa Farmers Fire Ins. Co., amounted to \$18,000 the past year.

Clyde Stafford and Percy Roberts, Otsego lads giving their ages as 9 years, were arrested at Kalamazoo Monday charged with having stolen a team and carriage of Mrs. Simpkins of Otsego. The boys thought that a ride was the proper thing, unhitched the horse, and started south. They were traced to Plainwell and there they were lost. But the Otsego marshal thought they would head for Kalamazoo and so he called up the sheriff. As the officers were taking down the message, Albert Dodge, a trusty at the jail, sang out, "There go your boys, over on Main street." Deputy Clark hurried over and stopped the team, which proved to be the one they wanted.

Before Judge Jewell left Grand Rapids on his vacation trip to New York he made an order, vesting Judge Williams of Allegan with power to do any urgent work in the probate court in his absence. There were two insane cases to be heard and Judge Williams went to Grand Rapids Monday for the hearing.

Ottawa County.

The president of the National Vegetarian society of America is Henry S. Chubb, a former resident of Grand Haven. Mr. Chubb now resides in Philadelphia and has an interesting career. Born in England, he came to America when a young man, became a journalist in New York City. He afterwards came west and established the Grand Haven Clarion. During the war Mr. Chubb was on General Grant's staff. He was wounded and the fact that the force of the bullet was stopped by a leather pocketbook he carried was the only thing that saved his life. The pocketbook can now be seen in the war museum in the state capital at Lansing. After the war Mr. Chubb established the Grand Haven Herald, became a member of the first city council, and established the state fair organization at Grand Rapids. He served in the state senate in the 70's and was the leading Republican in western Michigan.

Anna V., the former little Grand Haven pacer, made a good record for herself last Friday by winning the 2:19 pace at Jackson. It took five heats to win the race, L. C. K. coming in first two times. Anna V's best time was 2:17.

The pacer "Perhaps" is at present the fastest horse owned in Ottawa County, and the best since the departure of Geo. St. Clair from Thos. Savidge's stables. Robt. H. Dobm of Conklin owns Perhaps and he is an animal to be proud of. Not only did he win the 2:23 pace at Grand Rapids, but he lowered his record to 2:13:2. Ottawa county is getting to be a blue grass region when it comes to producing fast trotters and pacers and we are all proud of Perhaps.—Grand Haven Tribune.

It is said that Aart Van der Meiden may become a candidate for sheriff next year.—Grand Haven Press.

Henry P. Koenigsberg of Grand Haven, has taken a position with the Metropolitan Insurance Company in Allegan and will move to that city.

There is a low lived scoundrel in this town who ought to have a

Of the private prescriptions of Dr. A. W. Chase, none have had such a wide influence on the medical profession as his last great discovery, Dr. Chase's Nerve and Blood Pills.

For many years Dr. Chase's Ointment and Dr. Chase's Kidney-Liver Pills have been standard remedies, known and used in nearly every home. Dr. Chase's Nerve and Blood Pills have had greater attention from physicians because they have to a large extent revolutionized the method of treating diseases of the nerves and blood.

The old method of tearing down disease by the use of strong, poisonous drugs has failed to cure. Purgatives and sarsaparillas weaken instead of strengthen the body. Dr. Chase's Nerve and Blood Pills cure by making the blood rich and pure, and creating new nerve tissue. As a spring restorative this great food cure has no rival known to medical science.

As a restorative for pale, weak, nervous men and women at any season of the year, Dr. Chase's Nerve and Blood Pills have scored a triumph. 50 cents a box, at all dealers, or by mail on receipt of price by the Dr. A. W. Chase Medicine Co., Buffalo, N. Y. On every box of the genuine will be found portrait and fac-simile signature of Dr. A. W. Chase.

charge of buckshot or something worse. One night this week while a Washington avenue family was retiring for the night, this reprobate, whoever he is, shoved his hand through the open window of the bedroom and grabbed a young lady. The girl was too frightened to scream but the fellow ran away. The family had been away during the evening and the fellow had taken the screen from the window, and had probably lain in wait. The fact that the screen had been taken away was not noticed until after the incident. It is said that a mysterious prowler has been around other houses lately, and if some one gets shot, a favor will be extended the community.—Grand Haven Tribune.

The assessed valuation of real estate in Coopersville this year is \$137,495, personal property, \$32,810, making a total of \$170,305. This is nearly \$25,000 less than before the big fire, and our citizens are now reaping the benefit of voting down a system of waterworks a few years ago. Taxes are high, and everybody is kicking. Fire engines are nice and good in their way, but they are an expensive luxury and bring in no revenue. The only ideal fire protection for any village or town is a good system of water works, which soon becomes self sustaining, and returns one hundred cents on every dollar invested every day in the year. It's not too late to mend our ways yet.—Coopersville Observer.

The report of the engineer who has been looking over the line of the proposed Central Michigan and Michigan & Ohio Belt Line railroad is most favorable, and if it has its proper influence upon the capitalists whom it is desired to interests in the enterprise, the road will be built. The road as projected will have Napoleon, Ohio, as its eastern terminus and will extend northwest through Branch, Calhoun and Barry counties to Grand Rapids, and thence to Grand Haven. The road if built would traverse a rich agricultural region and would be an important feeder to Grand Rapids trade enterprise and industry, but Grand Haven, the terminal of the line, would reap the greatest benefit.

None of the old log school buildings that one used to come across occasionally in the country districts are now standing in this county. Ottawa county has as fine a lot of school buildings as are to be found in any county in Michigan.—Grand Haven Tribune.

General Items.

Negotiations are now in progress looking toward the purchase by Illinois men of the car works plant at Muskegon, and if the deal goes through an agricultural implement factory will be started there, which will give employment to about 100 men.

A beer wagon from Coldwater makes weekly excursions into Tekonsha, to the great scandal of the place; as the town is under local option and no saloon is tolerated.

Three more Michigan villages will have fruit evaporators in operation before many weeks, Fenton, Vassar and Dexter. Such plants give employment to a number of persons for several months in the year and also furnish the farmers of the neighborhood in which they are located a good market for their fruit.

The Lenawee county pioneer picnic at the fair grounds at Adrian Friday was not such a success as anticipated on account of unfavorable weather. One of the features of the affair was the pioneer drum corps, composed of Darius Crop, aged 85; George Parker, aged 77, and George W. Lane, aged 74.

Two miles north of Emmet is an ancient wooden building that will be torn down to make room for a modern brick residence. It is on the farm of James Kennedy and one of Emmet's old land marks. It was occupied in 1845 by Patrick Kennedy, now deceased, and was a stopping place for all who came to look for land, and it was largely Mr. Kennedy's efforts as a land agent that made this the fine agricultural region that it is. The old frame building is where Emmet held his first election, and in the same building was established the first postoffice, named "Tara's Hall." Mr. Kennedy was Emmet's first supervisor, and named the township after Robert Emmet the Irish patriot.

EX-GOV. ATKINSON DEAD.

Georgia Democratic Leader Passes Away at Newnan—His Political Career.

Newnan, Ga., Aug. 9.—Former Gov. W. Y. Atkinson died at his residence at 8:52 o'clock in the morning. He had been ill for ten days, and his physicians gave up hope for his recovery several days ago.

Gov. Atkinson was one of the leaders of the democratic party in this state. He was elected governor in 1894 at the age of 39, after having served six years in the house of representatives, being speaker of that body for several sessions. In his first gubernatorial race he defeated Gen. Clement A. Evans, a noted confederate, and in this cam-

paign he broke down the prestige confederate veterans previously had for obtaining public favor.

His second race was against Seaborn Wright, a combination populist and prohibition candidate. During the Spanish-American war Gov. Atkinson took great interest in the organization of the volunteer regiments for service and obtained many concessions from Washington for the Georgia soldiers. Since the expiration of his last term as governor he has been engaged in the practice of law in this country.

LETTER FROM DEWEY.

Writes to Mayor Van Wyck Concerning the Reception to Be Given Him in New York City.

New York, Aug. 7.—The following letter from Admiral Dewey, dated at Trieste, Austria, July 24, was received by Mayor Van Wyck Saturday morning:

"I have the honor to acknowledge the receipt of your letter of June 30, tendering me on behalf of the city of New York a public reception upon my arrival, and extending to me the hospitalities and courtesies of the city.

"In accepting this invitation, I desire to express my deep sense of gratitude to the citizens of New York and their representatives for so signally honoring me.

"It is impossible at this time to fix the exact date of the Olympia's arrival at New York, but I shall endeavor to inform you definitely by cable from Gibraltar.

"I am, sir, Very truly yours,
"GEORGE DEWEY."

SAVES THE CORN CROP.

Badly Needed Rains Fall in Some Sections of Illinois and Iowa.

Pana, Ill., Aug. 5.—After months' drought and an excessively torrid period of over one week, during which the mercury has ranged from 100 to 110 degrees, this section of central Illinois was visited by soaking rain, in some sections resembling a cloudburst, Friday afternoon. The rain will prove the salvation of the corn crop, which for several days has been burning from the sun's torrid rays.

Des Moines, Ia., Aug. 5.—A most seasonable rain fell throughout nearly all Iowa Friday, half an inch of water falling in this section. Corn, which needed it, is practically assured an immense crop by this soaking.

Grape Crop Destroyed.

Ashtabula, O., Aug. 8.—Prof. J. S. Lowe, of Ashtabula, T. S. Clymonts, of Cleveland, and S. F. Higley, of Geneva, members of the Northeastern Ohio Grape association, have just completed their inspection of a large number of vineyards in the lake shore grape belt. They find that grapes in this section are almost totally destroyed by dry rot, entailing a loss of \$1,000,000.

Deed of an Insane Father.

Susquehanna, Pa., Aug. 5.—Charles Yager, aged 40 years, of Brandt, a small manufacturing village four miles south of here, murdered his three small children early in the morning by cutting their throats and then committed suicide by the same means. There seems to be no doubt that the father had gone insane during the night.

Jumped Into Niagara River.

Niagara Falls, N. Y., Aug. 8.—Robert O. Shea, 45 years old, a porter in the Union hotel, committed suicide Monday night while drunk, by jumping in to the Niagara river from the cantilever bridge which spans the gorge. O'Shea came from Mount Clemens, Mich.

Gen. Toral Liberated.

Madrid, Aug. 9.—Gen. Toral, who was recently acquitted by the supreme council of war on the charge of having surrendered Santiago de Cuba to the United States without having exhausted all means of defense, was liberated Tuesday.

LAURIER IS ANGRY.

The Canadian Premier Declares the Recently Printed Interview Was Not Accurate.

Ottawa, Ont., Aug. 7.—Sir Wilfrid Laurier, when interviewed Saturday, was not in the best of humor. He said: "It is simply scandalous how we are misrepresented by interviewers who publish in the United States press their so-called conversations with myself and other Canadian public men. I have not so far received a formal invitation to visit Chicago. Only an informal one was offered me, and how could I refuse to accept or reject that which I was not authoritatively asked to accept? When the time arrives for me to send my reply to a formal invitation to visit Chicago I will not hesitate to answer either in the affirmative or negative. To say that I would refuse to accept the invitation to Chicago were it formally offered to me because I feared insults by any of the people in Chicago or anywhere else in the United States is to say that which I can only say is a preposterous invention. "I think better of our American friends and am satisfied that if I were to visit the great city of Chicago I would receive as cordial treatment as will be extended to any of the other invited guests whose pleasure and privilege it may be to accept the invitation. The United States and Canada can have their disputes and can carry them on without it being necessary for the press or people of either country to so far forget themselves as to insult or blackguard the representatives on the one side or the other of the border line. I will not, however, at the present be interviewed as to whether I will or will not go to Chicago, but when I am called upon to formally reply to an invitation to go there and should I refuse to accept the invitation my refusal will not be the result of any fear of insult by the American people."

SECURES HIS OLD HOME.

President McKinley Buys the Cottage in Canton Where He and His Wife Began Housekeeping.

Canton, O., Aug. 7.—President McKinley has purchased the famous "McKinley cottage" at the corner of North Market street and Louis avenue. The deal was closed Saturday. The consideration was \$14,500. The property was not in the market. It was endeared to President and Mrs. McKinley as their first home, where they began housekeeping, and by tender memories of sorrows there. The lot is 100 feet front on Market street by 244 on Louis avenue. The front veranda shows the most wear from the historic campaign of 1896, when the noted home was the political mecca for nearly a million people.

Aged Sisters Found Dead.

Philadelphia, Aug. 9.—Two sisters, Annie and Mary Crozier, aged respectively fifty-five and fifty-eight years, were found dead in their home Tuesday. An investigation by the coroner is said to have proved that the elder sister's death was due to natural causes and that Mary committed suicide by inhaling illuminating gas, grief doubtless prompting the act. The house had been closed since last Friday.

Population of Kansas.

Topeka, Kan., Aug. 7.—Official figures show Kansas is making a steady, healthy advance in population. The enumerating made by assessors for March, 1899, compiled by the state board of agriculture, gives a total of 1,425,112 inhabitants, which is a net increase over 1898 of 34,143, or 2.5 per cent.

Militia All Gone.

Cleveland, O., Aug. 9.—The last company of militia has left this city, the authorities saying there is little probability of any further trouble in connection with the street car strike.

The Secret of Health

The health of the whole body depends upon the blood and nerves. Therefore the medicine that expels impurities from the blood and supplies the necessary materials for rapidly rebuilding wasted nerve tissues, reaches the root of many serious diseases. It is these virtues that have given

Dr. Williams' Pink Pills for Pale People

their wonderful power to conquer disease, and caused the miraculous cures that have startled the scientific world. Thousands of cases have demonstrated that this remedy is an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of the grip, palpitation of the heart, pale and sallow complexions, all forms of weakness either in male or female.

Frank Tucker, a prominent farmer, of Versailles, Indiana, his daughter, Lucy, is now fifteen years old; three years ago she began ailing. The rosy color in her cheeks gave way to a pale, and she became rapidly thin. As she grew weaker she became the victim of nervous prostration. Most of the time she was confined to the bed and was almost on the verge of going into St. Vitus' dance. "Finally the doctor told us to give her Dr. Williams' Pink Pills for Pale People. Said he, 'Give her a similar case with them and they were curing the patient. We began giving the pills at once, and the next day we could see a change for the better in her. The doctor told us to keep giving her the medicine. We gave her one pill after each meal until she was well. We began giving her the medicine last August, and she took the last dose in October, having used eight boxes. She is now entirely well and has not been sick a day since. We think the cure almost miraculous.'"

Subscribed and sworn to before me this 28th day of April, 1897.
HUGH J. JOHNSON, Justice of the Peace.
Versailles, Indiana, April 28th, 1897.—From the Republican, Versailles, Ind.

Dr. Williams' Pink Pills for Pale People are sold by all druggists or sent, postpaid, by the Dr. Williams Medicine Co., Schenectady, N. Y., on receipt of price, 50 cents per box, 6 boxes, \$2.50.

Holland City News.
FRIDAY, Aug. 11, 1899.
N. J. WHELAN, Editor.
Come To Holland August 16.

"Now come and welcome, the more the merrier," so said the men having the arrangements for Farmers Picnic in charge last Wednesday evening. They have been so successful in the preliminary preparations that they place no limitations on the number, but in the name of the people of Holland extend a cordial invitation to all from far and near to come and join in the great celebration in honor of the sturdy tillers of the soil.

The people of this city recognize the fact that the men who sow and reap constitute the backbone of the republic, they appreciate the fact that the farmers are indispensable in promoting the city's industrial development, for every city of note in the land must have a prosperous farming country back of it.

Realizing that they are under great obligations to their friends the citizens of Holland have set apart August 16 as a day of recreation. On that day they will improve the opportunity of renewing old friendships and forming new acquaintances, and they will say in greeting, come early, stay late and take possession of the city while here.

Yacht Races of the M. B. Y. C.

Though the wind and weather interfered with the sport and rendered it impossible to carry out the regular program, the annual regatta of the M. B. Y. C. was filled with interesting events. So keen was the rivalry between the Chicago and Grand Rapids yachtsmen that protests were entered after each race, but like true sportsmen all accepted the decision of the judges without a murmur. The race for the Foster-Stevens cup was postponed until Saturday on account of lack of wind. The launch race was also postponed until to-morrow, thus insuring another day of excitement.

The open race for Class D, C and B was sailed last Friday afternoon and gave the sailors an opportunity of "getting a line" on the Raven, the "dark horse" entered from Minnesota and owned by Commodore Scates of Chicago. The Raven sailed in Class C against such boats as the Ariel, Squab, Alpha, Undine, and Nomad, and distanced them all, beating the Ariel by 3 minutes and 24 seconds, but the time allowance given the Ariel according to the log measurement of the committee was 4 minutes and 9 seconds. This allowance would give the Ariel the race, but as the exact distance of the course is a matter of doubt and discussion, the winner will not be known until the time allowance is figured out on the distance as shown by a government log from the hydrographic office in Chicago. The matter will be settled before to-morrow night.

Another argument arose in the open race for Class B, C, and D, sailed last Saturday afternoon. The trouble started when the Raven and Squab were rounding the last buoy on the home tack, and was a question of right of way. As the Raven was bearing down on the starboard tack to pass the buoy, the Squab on the port tack came in stays directly in front of the Raven to round the stake. The owners of the Squab contended that they came about and were on the starboard tack when they were struck on the stern by the Raven; but the crew of the other craft said that they, being on the starboard tack, were entitled to the right of way and the Squab in an endeavor to change tacks and round the stake, wrongfully got in their way and fouled them. They said that the Squab was struck on the starboard stern quarter instead of on the stern. The judges decided that the race should be awarded to the Raven as no overlap had been established and the Squab had no right to obstruct the course.

The settlement of this question occasioned a discussion that brought up for comment nearly every rule of navigation applicable to right-of-way.

The finest race of the meeting took place on Lake Michigan at 4 o'clock Saturday afternoon, between the America and Genevieve of Class A. The America led on the first turn around the triangular course, but she stood out in the lake too far as the yachts were getting ready to round the northward buoy, and the Genevieve worked to windward and passed her competitor in an exciting escape from a blanketing that created intense excitement. The crew of the America lost heart when they were beaten at their own game and squared away for home without turning the stake, thus forfeiting the race. Until the America drew out the race was a contest worth going miles to see.

Owing to the spirited arguments indulged in by yachtsmen the past week and the fact that the Foster-Stevens cup race and the launch race will be decided to-morrow afternoon, considerable interest is manifested and an afternoon of rare sport may be expected.

Circuit Court in Session.

The August term of circuit court was opened at Grand Haven last Monday, by Judge Padgham. The day was entirely taken up by the different motions relative to the cases, criminal and civil, that were on the calendar, and the order of trial was appointed for the different cases.

In several of the criminal cases from this city the respondents pleaded guilty and time for sentence was appointed to-day.

H. E. Harrington, who was charged with two violations of the liquor law, pleaded guilty and will receive his sentence to-day.

Dr. Thomas Butterfield, charged with criminal operation, was ordered to appear before the court in the November term. A letter was read from his physician in Iowa, where Butterfield is staying for his health, stating that the respondent was in too critical a condition to appear in court.

C. Blom, Sr., who was charged with selling liquor to a minor, pleaded guilty and was ordered to appear for sentence to-day.

The case against Elias Becker for criminal assault was dismissed and the respondent was freed.

Alfred M. Barden, the ex-night-watchman of Grand Haven, charged with taking liberties with a young girl, will not be tried this term. His attorneys H. T. Root and Frank Cook have had the case put over term.

Young Jacob Van den Bosch, charged with criminal assault, has pleaded guilty to simple assault and battery.

In the assault case of Conrad P. Becker, a nolle pros has been entered. Drewes Gerber failed to appear in court last term when ordered, but was there Monday. The Judge gave him a severe reprimand and discharged him.

The three young lads of Grand Haven, Kieft and Van Raalte brothers, let off on suspended sentence for burglary, were discharged and their bondsmen relieved.

Wm. Jamison, a young man of Allendale, was tried on the charge of bastardy, preferred by a young girl named Clara Jenkins. The jury Wednesday noon through its foreman, Peter Klaver, rendered a verdict declaring that said Wm. Jamison was guilty and that he was the father of the child of Carrie Jenkins. Young Jamison lives in Allendale, his father being a well to do farmer.

In the case of Geo. M. Miller vs Clinton Croft, judgement has been rendered against Croft.

In the case of Miller vs. Averill & Peck, a judgement of \$215.44 was rendered.

The jurors at this term of court are James P. Armstead, Grand Haven; Geo. Barton, Spring Lake; F. L. Chamberlin, Georgetown; Chas. T. Collar, Wright; W. M. Davidson, Wright; M. De Gloor, Grand Haven; Rudolph Draght, Allendale; Aart Groenewoud, Olive; Henry Haverman, Allendale; Baldwin Hery, Grand Haven; Marinus Jansen, Holland; Henry Kloosterhouse, Polkton; Peter Klaver, Grand Haven; Peter Leenbouts, Zeeland; J. R. Nynhuis, Jamestown; Lincoln G. Parady, Blendon; Ed. D. Skeels, Crocker; Gerrit Van Zanten, Holland; Paul Van Dyk, Chester; A. Van Vulpem, Holland; Essel Van den Berg, Grand Haven; Gerrit J. Veldman, Blendon; Geo. Winks, Robinson; J. Wolfert, Holland.

Ex-Governor Luce Will Deliver the Address of Welcome August 16.

The program for Farmer's Picnic August 16 has been arranged with the idea of making every moment of the day enjoyable. The fun will begin early in the morning and will consist largely of music. The Ganges band and the Holland band will fill the air with martial strains. They will be reinforced by the log cabin quartette from the sunny south. This quartette will sing all of the latest songs in characteristic minstrel style.

At 10 o'clock Ex-Governor Luce will deliver an address in Centennial Park. It will indeed be a rare treat to listen to the sound practical talk of the former-statesman of Michigan.

Then will occur the picnic dinner in Centennial Park to which all are invited. Come and bring your lunch baskets the committee on entertainment will furnish coffee and lemonade.

The public wedding will take place at 1:30 p. m. A couple has been obtained who will be united by one of the ministers of the city to the great delight of the on-lookers and the substantial profit of the contracting parties, for a bedroom suit and a sewing machine will be presented to them as a testimonial to the public spirit that prompted them to get married in order that their weak hearted friends might take courage and go and do likewise.

The races and athletic contests will begin at 2 o'clock in the afternoon and the day of sport will close with a band concert in Centennial Park at 7 o'clock and a magnificent display of fireworks at 8:30 in the evening.

WANTED—Hand and Spindle Carvers at Union Furniture Company, Batesville Ind.

The most important deal which the Michigan fish commission has made in several years was brought to a head last Wednesday evening when a contract was signed by which the United States government assumes control of the commercial fish hatching in Michigan waters, and in exchange gives to this state quite as much of a return as the state used to get by the expenditure of thousands of dollars. President Horace W. Davis of the state commission considers the matter of the greatest importance to Michigan, and of equal importance to the government and he is especially pleased at the outcome. The matter has been in the hands of Commissioner F. B. Dickerson of Detroit, and it was he who closed the negotiations. The government now assumes control of the whitefish catching in Detroit river and in all Michigan waters for the propagation of the fish. It is given the use of the state hatchery at Detroit and some other concessions. In return the state will receive 150,000,000 of whitefish fry planted by the government in Michigan waters, and also 50,000,000 of wall eyed pike eggs for planting in the inland lakes and streams. The state does not surrender absolute control of the Detroit hatchery, but has the right to its use for the hatching of pike eggs.

THE REPORTORIAL SCOOP.

How It Was Worked on a St. Louis Scribe by a Conscienceless Contemporary.

A reporter named Jones on a daily in St. Louis was detailed to interview the governor of another state, who had slipped into the city on a secret political mission, says the San Francisco Argonaut. He learned to his disgust that Jackson, the star reporter of a rival sheet, also proposed to call in an hour. Acting on inspiration, he sent up a card bearing Jackson's name and was promptly admitted. When he had learned all he wanted he asked, with gross intentional impudence, whether the information was really true.

The governor turned purple. "Dy' question my word?" he asked. "Oh, don't get gay!" replied Jones airily; "common governors cut no ice with my office."

The old man foamed at the mouth. "You insolent scoundrel," he roared, "get out of my room!" That was exactly what Jones wanted and he went.

Presently Jackson showed up. "Here, boy," he said, pompously, "take my card to the governor." When the old man looked at the pasteboard he nearly expired. "The blankety-blanked infamous villain!" he spluttered. "I never heard of such blankety-blanked effrontery in my life! Tell that miscreant if he or anybody else from his infernal paper comes up here I'll kill 'em!" The word was carried to Jackson, who went away raving. Next day the paper intimated the governor was in town on a bender. Jones' paper had a capital interview and a big "scoop."

FIRE SERVICE IN ENGLAND.

The Force Employed in London is Only Half as Large as That of Paris.

The British towns seem to have the smallest number of paid firemen of any cities in Europe and America, says Municipal Affairs. The London fire brigade has about 800 men, about the same number as Berlin, which has only a fourth of the population, and less than one-half the size of the Paris corps. Glasgow has but 100 men to 500,000 population; Leeds but 33 to 400,000 people, and Sheffield 22 men to a population of 350,000. Liverpool, Bristol, Cardiff, Norwich, Bromley and other towns have no separately organized fire department, the work of suppressing fires being performed by the regular police force. The expenditures for fire protection are on a similarly unimportant scale. Thus Leeds spends less than \$5,000 a year, and Sheffield less than \$10,000 a year; Preston, with a population of 113,000, reports only \$1,500 spent for its fire brigade, and Norwich, with 100,000 population, only \$750 a year. A few towns, however, show a somewhat larger range of expenditures. Glasgow and Liverpool each annually expend in the neighborhood of \$75,000—about ten cents per capita—and proportionate amounts are expended by Edinburgh, Dublin, Belfast and Salford. The London brigade costs about \$950,000, or 20 cents per capita. But even these exceptional instances are below the per capita expenditures for fire protection in other European cities of the same size.

A Faithful Dog.

The Paris Figaro relates a touching souvenir of the poet de Musset, as mentioned by the poet's governess, Mme. Adele Colin Martellet, who has just published her memoirs. The poet had a small dog named Marzo. After the poet died, the dog, supposing him absent, continued to await his return at the same hour every evening for a period of seven years, when it also died. Mme. Martellet's husband took the dog to Autueil to be buried, and found some workmen engaged in digging out a new street. The faithful dog was buried by the men, and the street in which the animal's remains were laid is called the Rue de Musset.

The public wedding on August 16 will be tinged with romance as the prospective groom is a Spanish-American war veteran and the son of a civil war veteran, and the bride is a daughter of a civil war veteran. The lucky couple will be presented with a handsome bedroom suit by the West Michigan Furniture Co., and a sewing machine by H. Meyer & Son.

The Ottawa County Teachers Institute holds its daily sessions in the Grand Haven High school from 9 o'clock in the forenoon until 4 o'clock in the afternoon. Prof. Falls of Albion college, assisted by County Commissioner Ernst, Miss MacTavish of Saginaw and Prof. Osborn of Grand Haven, are conducting it, and the attendance is about the same as last year. The teachers all speak highly of the institute work of this season.

The Lyceum Opera House will be opened for the season of 1899-1900 Saturday August 12. On that date a thoroughly first class attraction will be presented. It is Hal Reid's latest and most beautiful play, "Hearts of the Blue Ridge," with dainty Dorothy Lewis, the charming comedienne in the stellar role. Miss Lewis has achieved great popularity during her three years starring career, and in this, her latest success has been eagerly sought by metropolitan managers. Conservative critics have declared her to be the only legitimate successor to the lamented Annie Pixley and local amusement patrons can anticipate an enjoyable production. The company supporting Miss Lewis is of guaranteed excellence.

All Detroit and a great portion of Michigan are interested just now in the Industrial exposition and street carnival to be given by Detroit Lodge No. 34. Benevolent Protective Order of Elks, commencing on Monday, August 21, and lasting until Saturday September 2. Special arrangements have been made to take care of out-of-town visitors and reduced rates secured from the railroads for large parties. The beautiful D. A. C. park, on Woodward avenue, within ten minutes ride of the center of the city, has been secured by the managers for headquarters. A large force of men is now being employed there preparing for what will undoubtedly be the largest and finest affair of the kind ever given in the west. A number of local Elks will attend.

The program of sports for Farmers Picnic will begin with a three block bicycle race around Centennial Park, at 2 o'clock in the afternoon. This will be followed by the tug-of-war on Eighth street. This contest will be between farmers representing Ottawa and Allegan counties, each county to furnish a team of six or ten men to pull for a trophy representing the championship of this part of Michigan. After the tug-of-war the following contests excepting the bicycle races, will take place on Eighth street: Potato race by farmers. Climbing greased pole, free for all. Farmers' tug-of-war. Prize, silver cup. Bicycle race, 3 blocks, for farmers only. Bicycle race, 3 blocks, free for all. Sack race, free for all. Fat men's race, free for all. Foot race for farmer boys under 14. Foot race for farmer girls under 14. Wheelbarrow race, blindfolded, free for all. Pie eating contest, farmers only. The committee on sports are authorized to add other events to this program if time permits.

"Mid-day dreams in the Mississippi Valley," is the title of a book written by Rev. Sipko Rederus, pastor of the Reformed church of Tyre, N. Y., and received by the News this week. It consists of prose and poetical selections and testifies eloquently to the high literary ability of the writer. Regarding his selections the Christian Intelligencer says, "Both in his prose and poetry is plainly reflected a warm, transparent, sympathetic nature, in which the muse is not permitted to slumber. The prose articles are the products of a vivid imagination and the verses have in them the true poetic ring." The book, in elegant cloth binding, gold embossed with portrait of the author, is for sale at Martin & Huizinga. Price 60 cents.

The official crop report for August, issued by Secretary of State Stearns Wednesday says that this year's crop of wheat will easily prove to be the poorest in many years. The estimated average yield per acre in the southern and central counties is seven bushels, in the northern counties ten bushels, and for the state eight bushels. Present prospects are that the crop of corn will not be injured this year by the drought that has been so common late years. As compared with that of average years the condition of corn for the entire state is 91. Conditions have been favorable for oats and a good crop has been harvested. The estimated average yield per acre is 35 bushels for the state. The apple crop has materially decreased during the past month. The dropping that usually occurs in June has continued in

many sections, and many varieties are affected with scab, due probably to the wet weather early in July. Very few counties in Michigan will produce any peaches this year. In a few favored varieties there will be a partial crop.

Death of Will Lamoreaux.

Grief touched the hearts of many of the people of this city, when the news was circulated this forenoon that Will Lamoreaux died of consumption this morning at 9 o'clock, for Will was well known to nearly every resident of Holland and enjoyed the esteem and confidence of a large circle of friends. The illness that occasioned his death was caused by a serious attack of the grip about two years ago. Since that time his health failed steadily until last spring when his relatives and friends persuaded him to go South in search of health. For a time news came from Alabama that he was improving, but this was followed by letters to the effect that the change for the better was temporary and death was liable to occur ere long. So he wearily turned homeward and breathed his last at the home of his mother in this city surrounded by sorrowing relatives.

Mr. Lamoreaux was born in Manlius, Mich., 32 years ago. At the age of three years with his parents he moved to Otsego and remained there 16 years. He came to Holland 13 years ago and resided here ever since. He was proprietor of the Hotel Holland barber shop the past three years and until about six months ago was able to attend to business. Those who survive him are: his wife and two children Ruth and Carl, his mother Mrs. I. H. Lamoreaux and his sister Mrs. Frank Hadden. The funeral services will be held at the house 2 o'clock Sunday afternoon. Rev. Adam Clarke officiating.

FILIPINO ARMY DEFEATED SCORES OF LIVES LOST.

Gen. MacArthur's Troops Engage in a Fierce Battle Five Miles Beyond San Fernando.

THE INSURGENT FORCES ARE ROUTED. PASSENGERS ARE CRUSHED TO DEATH.

They Retreat, Leaving Many Dead and Wounded on the Field—Americans Lose Twenty Killed and Injured—Rebel Plotters Arrested—Aguinaldo Issues an Appeal.

Manila, Aug. 9.—Gen. MacArthur's force, consisting of 4,000 men, advanced five miles beyond San Fernando to-day and encountered and defeated a Filipino force of 6,000 men. The enemy retreated, leaving many dead and wounded. The American loss in killed and wounded was 20.

Rebel Plotters Arrested.
Manila, Aug. 10.—Forty-three rebel conspirators, including several officers from Aguinaldo's army, were arrested here and lodged in prison. It is believed that these arrests have foiled a plot to start an uprising in the city, with incendiary fires and riots and murder of American and European residents, after the style intended at the time of the former great fire here.

Seeks Recognition.
Manila, Aug. 9.—Aguinaldo has appealed to the powers for recognition of "Filipino independence," in a document dated from Tarlac, July 27, and signed by Buencamino. It has been received by all the foreign consuls in Manila with the request that they forward it to their respective governments.

The Filipinos use their old argument that they had conquered the sovereignty of these islands from Spain before the signing of the treaty of Paris, and therefore Spain was in no position to cede them to the United States. They argue that the possession of 7,000 Spanish prisoners, captured with their arms, fighting against the Filipinos, "is eloquent proof of the nullity of Spanish sovereignty, as when they surrendered Spain's hold was irrevocably lost."

Finally, the Filipinos appeal to the powers to influence Washington to bring to a termination "the unjust war which is devastating the country."

DEWEY WELL PLEASED.

Expresses Gratitude at His Flattering Reception in the European Cities Visited.

London, Aug. 7.—The Naples correspondent of the Daily Mail telegraphs the substance of an interview he has had with Admiral Dewey, who is represented as having said:

"I was given to understand that the American victory over Spain had excited ill-feeling against us in Europe, but so far as I am concerned, the reception given me could not have been more flattering. It will give me pleasure to say this when I return to America, and I shall be happy to do what I can to dissipate any American prejudices against Europe excited by criticisms on American civilization."

Admiral Dewey, according to the Daily Mail correspondent, declined to talk regarding the Philippines, but the correspondent asserts he has the best reason to know that "Admiral Dewey does not share the pessimistic views of some Americans about the possibility of subjugating the insurgents."

Fire Losses.
New York, Aug. 9.—The Journal of Commerce announces that the fire loss of the United States and Canada for the month of July, as compiled from its daily records, aggregates \$11,426,000. The paper's aggregate of losses for the first seven months of 1897, 1898 and 1899 are respectively \$64,566,750, \$67,166,850 and \$77,126,150. During July there were 204 fires of a greater destructiveness than \$10,000 each.

A Busy Day.
Plattsburg, N. Y., Aug. 8.—The president had a busy day Monday. He witnessed the yacht races in the afternoon on board the yacht Elfrida in company with Vice-President Hobart and Mrs. Hobart and party. Later he took a short drive with Vice-President Hobart. In the evening he held a long conference with Secretary of War Root, who arrived on the 7:15 train. Mrs. McKinley continues to improve slowly.

Italy is Indignant.
Washington, Aug. 9.—The state department has received from the Italian authorities a copy of the report made by Marquis Romano, secretary of the Italian embassy, on his investigation of the lynching of five Italians in Louisiana. The report presents the affair in a serious light and shows that the Italian authorities view the occurrence as one of unusual atrocity.

Lynched.
Alexandria, Va., Aug. 9.—Ben Thompson, colored, twenty years of age, was lynched here at 11:30 Tuesday night for attempting an assault upon Lillian Clarke, the 8-year-old daughter of Edward Clarke, residing on Patrick street.

Five Persons Drowned.
Baltimore, Md., Aug. 7.—By the capsizing of a rowboat on the Patapsco river near this city, Andrew Deems, William J. Lyman, James Walsh, Edward Garry and Mrs. Hoover were drowned.

Record Smashed.
Philadelphia, Aug. 5.—Burns Pierce, of Boston, broke the bicycle record for two, three, four and five miles. The time was 1:34 for first mile, 3:09 for second, 4:46 for third, 6:23 for fourth and 8:02 for fifth.

A Successful Trip.
New York, Aug. 7.—Elwood Haynes and E. L. Apperson arrived in this city, having made a trip from Kokomo, Ind., on an automobile in 20 days. The distance is 1,050 miles.

STRUCK BY A TRAIN.
Wagon Demolished at a Crossing in Iowa and Three Unknown Men Killed.

Humboldt, Ia., Aug. 5.—A Northwestern passenger train ran into a wagon and team east of this city Friday, instantly killing two men who were in the wagon and injuring the third one so that he died in a short time. There was nothing on their persons or in the wagon to indicate who the men were or where they came from. From the outfit in the wagon it is inferred they were on a hunting trip. They were all young men, none of them appearing to be over 25 years of age, and the youngest about 17.

Under Control.
Newport News, Va., Aug. 7.—There were no deaths or new cases of yellow fever at the soldiers' home Sunday, and the authorities feel certain that they have succeeded in effectually checking the disease. No other cases of yellow fever have been reported at Phoebus. It is thought now that quarantine restrictions will be modified this week and that they will soon be removed altogether.

Storm in Ohio.
Toledo, O., Aug. 5.—A Commercial special from Hicksville, O., says: A storm of cyclonic proportions raged all Thursday night at Hicksville, and re-

ports show there was great destruction of property. Dozens of cattle and horses were killed and two fine barns were destroyed. Reports are coming in slowly, as wires are down, but no loss of life has been heard of as yet.

Heavy Rainfall.
Aberdeen, S. D., Aug. 8.—One of the heaviest rains of the season visited this section of the state Monday afternoon. Two and a half inches of water fell, thoroughly soaking the ground. It will do some damage to heading grain in shocks, but immense benefit to the corn, potato, flax and grass crops. Excessive lightning prevailed, striking several buildings in the city.

From Extreme Nervousness.

Dr. Miles' System of Restorative Remedies consists of seven distinctively different preparations, each for its own purpose.

Mrs. L. C. Bramley, of Henry St., St. Catharines, Ontario, writes: "For years I suffered from extreme nervousness and annoying constipation, developing into palpitation and weakness of the heart. I was unable to sleep, suffered much from headache, pain in my left side, palpitation and a constant feeling of weakness and prostration. I began using Dr. Miles' Nerve, Heart Cure and Nerve and Liver Pills and the Anti-Pain Pills to relieve sudden paroxysms of pain and headache. I soon felt much improved and the pains and aches and weariness left me. I then took Dr. Miles' Restorative Tonic and am now restored to my former good health."

Mortgage Sale.
DEFAULT HAVING BEEN MADE IN the conditions of a certain mortgage made by Gerrit Ten Brink and Dina Ten Brink his wife of the City of Holland, County of Ottawa and State of Michigan, to Jan Ten Brink of the same place, dated the 5th day of November, A. D. 1892, and recorded in the office of the Register of Deeds for the County of Ottawa and State of Michigan, on the 10th day of November, A. D. 1892, in Liber 50 of Mortgages on page 55, on which mortgage there is claimed to be due at the time of this notice the sum of (\$975.94) nine hundred seventy-five dollars and ninety-four cents, and an attorney's fee of (\$85.00) twenty-five dollars, provided for by law and in said mortgage, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage or by part thereof.

Now therefore, by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, notice is hereby given that on the twenty-fifth (25th) day of Sept. A. D. 1899, at ten o'clock in the forenoon I shall sell at public auction to the highest bidder, at the north outer door of the Ottawa County Court House in the City of Grand Haven, Ottawa County, Michigan (That being the place where the Circuit Court for the County of Ottawa is holden), the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due on said mortgage with seven per cent interest and all legal costs together with an attorney's fee of \$25.00, as covenanted therein and as provided by statute; the said premises being described in said mortgage as "all that certain piece or parcel of land situated in the City of Holland, County of Ottawa and State of Michigan, viz: Lot numbered (14) fourteen in Block (8) eight in the South West Addition to the City of Holland, according to the recorded map thereof, on record in the office of the Register of Deeds for said County of Ottawa."

Dated Holland, June 28, A. D. 1899.

BAR-BEN
THE GREAT RESTORATIVE.
It's not a "patent" medicine, but is prepared direct from the formula of Dr. E. Barton, M. D., Cleveland's most eminent specialist, by Hjalmer O. Benson, Ph.D., B.S. BAR-BEN is the greatest known restorative and invigorator for men and women. It creates solid flesh, muscle and strength, clears the brain, makes the blood pure and rich and causes a general feeling of health, strength and renewed vitality, while the generative organs are helped to regain their normal powers and the sufferer is quickly made conscious of direct benefit. One box will work wonders, six should perfect a cure. Prepared in small sugar coated tablets easy to swallow. The days of calumny compounds, nervines, cathartics and vile blood tonics are over. BAR-BEN is for sale at all drug stores, a 60-dose box for 50 cents, or we will mail it securely sealed on receipt of price. DR. E. BARTON AND HJALMER O. BENSON, Bar-Ben Block, Cleveland, O.

Mrs. F. Andree, of 243 West Twelfth street, who says: "For a year or more I had a constant aching through my loins, in the side and also a soreness of the stomach. I could hardly stoop to lift anything without suffering severely. I did not rest comfortably at night and became so lame and sore from lying in one position that in the morning I arose feeling tired and unrefreshed. I was bothered a good deal with headaches, spells of dizziness, and the kidney secretions became affected, were irregular, too frequent and unnatural. I doctored a good deal and took many kinds of medicines, but without getting better. I believe I would still be suffering if I had not heard about Doan's Kidney Pills and procured them from J. O. MORE VIGOROUS WARFARE
The Campaign in the Philippines to Be Prosecuted in a Manner Looking to a Speedy End.
SECRETARY ROOT IS VERY EMPHATIC.
Says All the Men, Arms and Supplies Necessary to Close the Struggle Will Be Promptly Furnished—Fully Agrees with the Policy of President McKinley.

Plattsburg, N. Y., Aug. 9.—The war in the Philippines is to be prosecuted with a vigor that ought to result in speedy cessation of hostilities there. Secretary of War Root was seen Tuesday night in the office of the Hotel Champlain, just after he had said good-by to the president and was preparing to take the 9:45 train for Washington. The secretary referred to his visit to Plattsburg barracks Tuesday afternoon, where he witnessed a regimental drill of the Twenty-sixth regiment under command of Col. Rice. This regiment has been recruited and organized in a little over three weeks and they drilled like old veterans.
"The progress which the officers and men of the Twenty-sixth regiment have made in drilling in so short a time is simply marvelous," said Mr. Root. "It shows the wonderful power of the United States when ten regiments of volunteer soldiers can be recruited, organized, drilled and equipped for active service in the field in so short a time."
War to Go On Vigorously.
"Will the war in the Philippines be prosecuted vigorously from now on?" asked the interviewer.
Mr. Root turned on his heel and replied, quick as a flash: "Yes, sir; the war in the Philippines from now on will be prosecuted with all possible energy. All the men, all the arms and all the supplies necessary to end the trouble in the islands will be furnished at the earliest possible moment."
"How large a force will be at the disposal of the commanding general there?" was asked.
"There will be 50,000 men there ready for active service at the close of the rainy season, about the last of October, and more will be sent there if necessary."
Is Very Emphatic.
It would be impossible for anyone to be more emphatic or determined than Secretary Root is in his avowed policy of ending the trouble in the Philippines. He seldom talks for publication, and the fact that he had just come from a two days' conference with President McKinley adds interest to his words.
They Agree.
As to the rumor published in some of the papers that President McKinley and he were not agreeable upon the policy to be pursued in the Philippines, Mr. Root said: "Of course that is all nonsense."
When asked whether Gen. Otis would be relieved of the command of the American forces in the Philippines, Mr. Root replied that he had nothing to say on that point at this time.

New Two Dollar Note.
Washington, Aug. 9.—The bureau of engraving and printing is now engaged in printing a new two-dollar silver certificate, which will be ready for issue in a few days, to take the place of the present certificate of that denomination. The greatest care has been taken by the officials of the treasury department to produce a note which would be not only artistic, but would present as many difficulties as possible to counterfeiters.
The Jury Obedient.
Pulaski, Va., Aug. 9.—Noah Finley, the negro who robbed and attempted to kill Maj. Darst at Dublin a few days ago, was sentenced Tuesday to be hanged September 14. It was reported that the jury could not reach an agreement. A party of citizens notified them if a verdict was not rendered by 10 o'clock a. m. the negro would be lynched. The verdict was brought in at the specified time.
Not Guilty.
Madrid, Aug. 7.—The supreme court-martial before which Gens. Toral and Pareja have been on trial, charged with surrendering Santiago de Cuba to the United States forces without having exhausted all means of defense, has acquitted both officers on the ground that they acted upon the orders of their superiors, and only surrendered when it was impossible to do otherwise.
Not Guilty.
Barbourville, Ky., Aug. 8.—The jury in the case against James Baker for the murder of Wilson Howard returned a verdict of not guilty on the first ballot. There was a general handshaking when the verdict was announced. The Bakers will not return to Clay county, and they say the feud is over on their part.
Serious Disturbances.
Madrid, Aug. 8.—Serious disturbances have occurred at Castellon. Opposing bands of Catholics and Free Thinkers fought in front of a church Sunday and several persons, including a priest, were injured.

Sugar Beet vs. Wheat.

Mr. D. C. Corbin, owner of the beet sugar factory at Waverly, Wash., in a recent interview with a representative of the Spokane Review, at Spokane, expressed his ideas as to the relative values of the beet and wheat crops, from the standpoint of the farmer. Mr. Corbin said in part:

"We now have more than 2,000 acres set out in beets and are employing about 300 laborers, 100 of whom are Japs. Some difficulty has been experienced in getting steady white hands to work. The trouble with most of the white laborers, we have found, is that they are badly afflicted with the 'road disease.' They will work well enough for a few days, then draw their pay and 'hit' the road in search of more flowery fields. The Jap laborers, on the other hand, are steady and reliable, and in most cases may be counted on to stay the season out.

"As everyone knows who is at all familiar with the sugar beet industry, the growing of beets is by far a more profitable venture than the growing of wheat or other grains, and I have no doubt that before many more seasons have passed over the broad, rich agricultural lands of Washington, beet-growing will have supplanted to a considerable extent grain growing on some of our larger farms. Let me illustrate:

"You sow 100 acres of good farm land in wheat, and if the crop is a little better than the average it will yield, say, 20 bushels to the acre, or a total crop yield of 2,000 bushels of grain. You cannot count on getting more than 50 cents a bushel, so that your crop will bring you, gross, \$1,000. Now, it costs 30 cents a bushel to raise this wheat, which leaves you a net profit of only \$400 as a result of sowing your 100 acres in wheat.

"Let us see what beets will yield: "Take this same 100 acres and plant sugar beets. If the crop yields a fair average, you can count on gathering 15 tons of beets to the acre, or 1,500 tons for a full crop. Beets readily bring \$4 a ton in the sugar market, so that you have \$6,000 as the gross proceeds of the crop. Provided you own your own land, it will cost you from \$20 to \$25 an acre to raise the beets; \$30 if your land is rented. Well, take it at a cost of \$30 an acre; that is \$3,000 it will cost to raise the crop, which, at a moderate price, you sell for \$6,000.

"The result is apparent; you clean up \$3,000 from the season's crop of beets, as against \$400 from the season's crop of wheat. That seems plain enough, doesn't it?

"Of course I am supposing, in this bit of figuring, that the beet farmer has watched his beets and tended them as carefully as a good wheat farmer would care for his grain. And I may suggest that farming land that is made to produce from \$25 to \$30 an acre clear profit per season is land that will rapidly increase in market value.

The Boston Store

HOLLAND.

"In beet growing it is best to rotate the crops. The first year I should plant beets, the second year wheat, the third year barley, and the fourth year beets again. This will save the land from impoverishment and keep it in good condition."

Public Sale of Horses.

We will sell to the highest bidders at C. & W. M. stock yards at Holland, Mich., on Tuesday, August 15, '00 one car load of select geldings and mares, consisting of stock weighing from 1,000 to 1,300 lbs, ages from 1 to six years, reared on the Kentucky stock farm, Meade County, Kansas, by S. A. Bruce manager. While these horses were reared in one of our Western States, there is not one drop of pony blood flowing through their veins. They are a cross between the Kentucky mares and French Canadian stallions; also Tennessee stallions for saddlers and drivers. Some of our stock is thoroughly broken for both double and single harness, some for double teams only, while others are merely halter-broken. During intermissions of sale you will be favored with a free exhibition of "Antonio Gouterrezz's" trick riding and lasso throwing, dressed in full cowboy costume, and who is honored with the championship of the world. We will commence selling promptly at 2 p. m. regardless of weather. Terms—Six months, with bankable paper, 7 per cent interest from date, 1 per cent off for cash. KING BROS.

A lazy liver makes a lazy man, Burdock Blood Bitters is the natural, never failing remedy for a lazy liver.

Dr. J. W. Bates

Of Corfu, N. Y., writes as follows: "As soon as I saw the formula of Dr. A. W. Chase's Nerve and Blood Pills, I concluded that it would be an excellent specific for weak, watery blood and an exhausted nervous system. During the past year I have prescribed them frequently and am more than pleased with the results. For pale weak women and girls merging into womanhood I consider them far superior to any other preparation. Dr. A. W. Chase's Nerve and Blood Pills contain the very elements required to create pure, rich blood and nerve force, and I can most heartily endorse their use."

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on Heber Walsh, Holland, and Van Bree and Son Zeeland and get a trial bottle 10 cents. Regular size 50 cents and \$1. Every bottle guaranteed, or price refunded.
