MOTHERS! HAVE YOUR CHILDREN WORMS?

Are they feverish, restless, nervous, irritable, dizzy or constipated? Do they continually pick their nose or grind their teeth? Have they cramping pains, irregular and ravenous appetite? These are all signs of worms. Worms not only cause your child suffering, but stunt his mind and growth. Give "Kickapoo Worm Killer" at once. It kills and removes the worms, improves your child's appetite, regulates stomach, liver and bowels. The symptoms disappear and your child is made happy and healthy, as nature intended. POLICE AND FIRE COMMISSIONERS AND TWO SUPERVISORS ELECTED

No Gas Report Submitted—Part Of The Committee Sparring For More Time

Although a warm council meeting was expected last night and many people were on hand to witness the fireworks everything went off peacefully and their were no discussions. The report of the committee appointed to meet with the gas company was not submitted but will be brought up at another meeting.

Gas Company Petition Council
The Holland City Gas Company submitted a petition to the council to extend their mains in the East End of the city. The petition reads as follows:

Holland Mich., August 6, 1913.
The Honorable, Mayor and Common Council, of the City of Holland, Michigan:

Gentlemen:—
Complying with Section 3 of an Ordinance, No. 213, Granting to Bascom Parker of Niles Michigan and his assigns the right to construct, maintain and operate Gas Works in the City of Holland, Michigan, we hereby make application to lay the following Gas Mains and Service pipes,

GAS MAINS:—Commencing at a point 235 feet East of Lincoln Ave., on East Eleventh Street to Fairbanks Ave., Thence North on Fairbanks Ave. to Sixth Street.

Commencing at a point 600 Feet East of Lincoln Ave. on East Ninth Street to, and connecting into, the main on Fairbanks Ave.

Commencing at Fairbanks Ave and Sixth Street and extending 100 feet West on Sixth Street.

Service Pipes:—At No. 166 Fairbanks Ave.

Service Pipes:—At No. 244 Fairbanks Ave.

Service Pipes:—At No. 288 Fairbanks Ave.

Service Pipes:—At No. 284 Fairbanks Ave.

Service Pipes:—At No. 152 Fairbanks Ave.

Service Pipes:—At No. 138 Fairbanks Ave.

Service Pipes:—At No. 134 Fairbanks Ave.

Service Pipes:—At No. Cor. E. 8th and Fairbanks Ave.

Service Pipes:—At No. 203 East Eleventh St.

Service Pipes:—At No. 298 East Eleventh St.

Service Pipes:—At No. 280 East Eleventh St.

Service Pipes:—At No. 285 East Ninth St.

Service Pipes:—At No. 289 East Ninth St.

Service Pipes:—At No. 307 East Sixth St.

Service Pipes:—At No. 305 East Sixth St.

Note:—
Aside from taking care of the above fifteen applications for gas, which we have on file at our office, we find it necessary to re-enforce the mains on East Ninth Street and East Eleventh Street in order to supply proper pressure to our present consumers as these mains are very small and both run to a dead end.

In addition to improving our service in the East end of the City, it is also our intention, at some future time, to supply the City of Zeeland with gas and will, to some extent, benefit the Holland Gas Company, financially which in turn will help us to give to our consumers in Holland the best of service.

Respectfully Submitted, Holland City Gas Co.

E. P. Davis, Manager

Ald. King moved that the petition be referred to the committee on streets and crossings for a report at the next meeting and the motion was adopted without discussion.

Petition For Sewers And Water

A petition from residents on East Fifth Street for sewer connections was referred to the city engineer to get plans and specifications of the work.

A petition from the residents of West Eighteenth street for sewer connections and water was referred to the Board of Public Works.

Interesting Items

Mr. Van Drezer as chairman of the committee on Streets and crossings made several interesting reports. He claims that he was informed by Mr. Rich, P. M. station agent that the planking had arrived to fix up the streets near the P. M. tracks and that the work would be done very soon. The paving going on at present is progressing rapidly. All the concrete work on the Twelfth street paving is complete and nearly finished on Eighth street. The curb and gutter on both streets have been completed and the paving will be commenced soon. City Engineer Naberhuis has rented a tandem roller and it will be here in a few days.

Aldermen's View On Action Of Gas Company

Alderman Van Drezer as chairman of the committee on streets and crossings in a report to the council gave a full account of the trouble with the Gas Co., officials when they started laying pipe in the East End

of the city. The report is as follows:

Holland, Mich., August 6, 1913.

To the Honorable the Mayor and Common Council of the City of Holland,

Gentlemen:

Your committee on streets and crosswalks, beg leave to report that through its Chairman, Ald. Van Drezer, on Wednesday of last week the Holland City Gas Company was stopped from laying any mains in East 11th St., for the reason that no permission had been granted therefore by the Common Council, and that an injunction was obtained by the City Attorney, preventing the Company from digging or opening any streets or laying any pipes in any streets without such permission first had and obtained.

Your committee was of the opinion and is satisfied that the opinion was correct, that the sole object of the Company was to get a line of pipes in the street for Zeeland extension, and we are firm in our stand that no such action shall be taken or permitted unless some provision is first made to take care of that large part of the city of Holland, where no gas is now supplied.

We would therefore recommend that the action be concurred in, and that it is the sense of the Common Council that no permit for piping shall be granted until such time as the Company and the City can get together and agree upon extensions to be made within the city, so that our own people shall be taken care of and supplied from the present source before permitting the company to take the supply manufactured here outside. We believe that Holland should have first consideration both at the hands of the Council and of the Gas Company.

Respectfully submitted,

L. E. Van Drezer

Committee on Streets and crosswalks.

Alderman Harrington moved the report be adopted and the motion passed unanimously. Alderman Van Drezer was praised for his prompt action on the work and is given the whole credit by the other members of the committee for the work done.

No Raise For Janitor

Ald. Dyke as chairman of the committee on streets and crossings reported that the committee had the matter of raising the salary of the city hall janitor under consideration but did not think it could be done at present. Owing to the closeness of the money market and the idea of retrenching in city expenses as much as possible, it was decided this spring when the salaries were gone over that no raise would be made and they deemed this also advisable in the case of the City Hall janitor.

Will Inspect Cemetery

The council members last night accepted an invitation from the Board of Cemetery and Park Commissioners to meet with them at 1:30 Monday afternoon and examine the new addition to the cemetery to decide on a price for lots and do other work.

Mulder And Jackson New Board Members

Benjamin Mulder and Fred Jackson were appointed last night by the council to serve on the Board of Police and Fire Commissioners as provision was made in the new charter for two new members. Fred Jackson was elected for the four year term by a vote of 7 to 3 on the first ballot. B. Keppel was the other same brought up. On the first ballot Mr. Mulder was elected for the five year term by a 9 to 1 vote. B. Keppel was again mentioned for the position.

Stephan and Brusse Supervisors

E. P. Stephan and Henry Brusse were appointed by the council to fill the vacancy in the Board of Supervisors caused by provision in the new charter to have five supervisors instead of three.

They will serve until the next election.

Both men won the vote on the third ballot by a 7 to 3 vote.

Simon Kleyn gave both men a rub for the position.

Cannot Locate Wells

When alderman Dyke asked if the water committee was doing anything it was reported that in the past two weeks many tests had been made, the last well being driven about fifty feet deep, but the result was very unsatisfactory. King then asked the question that many local people are asking, "Why was Zalsman and Zuidema's offer not taken up?" Ald. Harrington explained that these men had drawn up a contract and that the city had accepted it but before it went into effect, Zalsman and Zuidema drew up another contract altogether different and this the city would not accept. A motion was then passed to have the City Engineer, Mr. Naberhuis, get figures on the cost of an emergency pump to be used if a well should be discovered by the committee.

Have People Near Well Connect With Sewer

A proposition was brought before the council last night to have all the people near the Nineteenth street pumping station make sewer connections so as not to contaminate the water in the well. It was explained that many of the people

near there could not connect with the Nineteenth Street sewer and so the city Engineer proposed putting a sewer in on Michigan Avenue. Ald. Harrington moved that the council adopt the Engineers suggestion and get plans and specifications for the work.

His motion carried.

Nauta Resigns Position

In view of the trouble in arranging the affair of street commissioner under the new charter Street Commissioner T. Nauta has resigned his position which he has held for the past sixteen years. Although his resignation was not handed in to the council he had told some of the aldermen and Mayor Bosch that he would hand it in as soon as possible.

Ald. Van Drezer in a joking way reminded the council that the bicycle used by Mr. Nauta was city property and that it was up to the council to dispose of it. After many had expressed a desire to take the wheel City Engineer Naberhuis explained that the city would not have any further use for it and said that after sixteen years of service the council ought to make Nauta a present of it. Ald. Drinkwater moved that Mr. Nauta be presented with the wheel and was promptly seconded by Ald. Van Drezer.

The motion passed unanimously, the new police commissioners, the new supervisors and the City attorney all joining in the vote.

Gas Averages 600 B. T. U.

Out of fifty gas tests taken the past three weeks, 31 were below 600. The lowest test taken was 556 and the highest test was 630.

Will Have Another Cleanup Day

Ald. Prins requested the council to set aside another day for cleanup day so the people could build fires in their yards. The day set aside for this formerly brought on rain and so the people are still asking for a day when the law against building fires within the city shall be lifted. Ald. Drinkwater moved that it be left to the Committee on Streets and Crossings and the motion carried.

No Report From Gas Committee

Ald. Harrington asked Mayor Bosch if he was ready to report on the meeting with the gas company saying that he thought it was coming off last night but the Mayor said he was not ready to make a report and would not do so until after they had another meeting with the Gas Company, although this was new to the majority of the committee as both reports had already been made out to submit to the council and one was only awaiting the signature of Dr. Leenhouts, who was on an automobile trip to Kalamazoo. A few of the aldermen tried to arrange for a special meeting of the council the first part of next week to consider this report but Ald. King had a motion to adjourn in order and this motion was put to vote.

Shortly after this motion was asked for, Mr. Congleton jumped to his feet and asked Mayor Bosch if the attorney's bill of Mr. Masters of Grand Rapids had been received. Mr. Masters has been one of the attorneys hired by the city to handle the gas suit. On the face of the Mayor's quick action in the matter it would appear that his honor did not wish this bill to come before the Council at this time. It is stated on authority that the bill is more than One Thousand Dollars, showing that the expense of but one attorney so far, comes high. This no doubt, is but a beginning of the gas litigation in which Holland finds itself involved. Thereupon Mayor Bosch declared him out of order and the meeting was adjourned.

Council Notes

What to do with Nauta's wheel: Hansen—"Give it to the dog catcher."

King—"Give it to the Ottawa County Road Commissioners to run in connection with their auto."

Vander Hill—"No use of that, they don't need it."

Harrington—"Oh, I don't know. We have two new supervisors, that ought to help some."

Down came the gravel, "Gentlemen," said Mayor Bosch, sternly, "Go ahead with the regular order of business."

Alderman King does not wish to be contaminated by city water. We would suggest for him, grape, juice, water melons or peroxide of hydrogen.

"Alderman King always likes breeze, gentlemen," said Ald. Hansen, "That's why he is so interested in Zuidewind's (south winds) water supply proposition. Birds of a feather and areoplane."

Mayor Bosch called up the News this morning, stating that he wanted another conference with the Holland Gas Company, and is now notifying the committee.

CONVICTION IN FIRST CASE

Tom VandenBosch of Olive township was convicted by the jury in circuit court Tuesday evening of the charge of attempting to obtain property on false pretenses. The allegation against Vanden Bosch was that he had attended an auction sale given by Reko Weigmink who lives over the line in Allegan county. At the sale it was claimed that Vanden Bosch bought two-cows and a pig, giving notes for them. When he was questioned by clerk as to his reliability, it was claimed that Vanden Bosch stated that he had a farm in Olive township which was unencumbered.

It is alleged by the people, that when the holder of the note made efforts to collect it, he could not get what was due him, and he discovered that Vanden Bosch's property was mortgaged. A complaint was made to the authorities in this county and a charge of false pretenses was made against Vanden Bosch.

The case came on trial Tuesday with M. A. Sooy as the defendant's attorney. Practically all of Tuesday afternoon was taken up in putting in the testimony and Tuesday night at about 7:30 the verdict was rendered. The Vanden Bosch case was the only one on the criminal calendar to be tried at present, the civil jury calendar being taken up yesterday morning.

WALSH—BROOKS

Oldest Daughter of Walter C. Walsh Married to Mr. Ernest C. Brooks of Chicago

Last night at 8:00, one of the prettiest weddings of the season occurred when Miss Margaret Ingraham Walsh, oldest daughter of Walter C. Walsh, one of Holland's leading business men, was married to Ernest C. Brooks of Chicago, principal of the Waukegan Wisconsin High School, at the Walsh home in 42 East Ninth Street, by Dr. Jess Brooks, father of the groom, and Rev. J. W. Warnshuis, close friend of both bride and groom. The house was beautifully decorated throughout with gladioli sweet peas, Japanese lilies, smilax and ferns.

The bride's gown was of brocade charmeuse, trimmed in lace-Venice. She wore a veil and trail and carried bride's roses and swansonla. Miss Ruth Latta Walsh, as maid of honor, was in Gobelin blue silk voile. She carried pink rosebuds. The bride's maids were the Misses Mary Loker, Anna Warnshuis, Gerarda Broek, Della Casewarde and Louis Brooks.

Before the ceremony, Mrs. A. Latt of Minneapolis, aunt of the bride, sang "Lovers in the Lane" by Liza Lermann, Miss Della Baker of Grand Haven played the wedding march. One hundred fifty guests sat down to an elaborate refreshments served by some of the young friends of the bride. The honeymoon will be spent in Thousand Islands. After which they will go to their home in Waukegan.

HOLLAND EAGLES BOOST CHATAUQA

It is reported that eleven graduates of the 8th grade at New Groningen school will continue their studies next year at the Zeeland High school. This is a large percentage of the graduates from that district and shows that the interest in High school courses in that section is increasing rapidly. A great deal of credit is due to the principal, John Edderbeck for so many pupils continuing their studies.

Bert Tieckema and Herman Geerts of Zeeland was arrested Friday by Deputy Sheriff H. Harrington at Jenison Park on a disorderly charge. When arraigned Saturday before Justice Miles they each pleaded guilty and paid a \$5 fine. They are charged with having followed two girls much against the girls' wishes and so were picked up by the Deputy who had been watching the performance.

SAUGATUCK

It will be a few years before Baldhead at Saugatuck will be into the river but unless something is done to stop the sand from coming over, this time will surely come. Years ago the village board took the matter in hand and built wire fences along the side of the hill to keep people from climbing up and down its sides. This helped for a time until the climbers dug under and cut thru and the sand kept on coming over and the fences were soon covered, only to be built up again and again. Later an attempt was made to get various kinds of grasses started on the summit of the hill but the grass either died or blew out roots and all.

Now the problem is up to the people of Saugatuck again. The fences are all buried and every person who climbs the north or east side of the hill brings down tons of sand, and it seems as though more had come down this season than ever before, for one can see in many places the green tops of bushes which have been almost buried since they leaved out in the spring.

The proposed stairway would keep people from climbing the steep hillside.

WEST OLIVE

Miss Florence Lendblad of Chicago is spending a few weeks at Chelans cottage Port Sheldon.

Mr. Harry Miner, of Chicago P. M. K. K. clerk, took in the sights of West Olive and Port Sheldon Thursday.

H. J. Heinz pickle factory opened up last week. Pickles are already coming in.

George Marble one of the West Olive lads now an engineer on the Grand Trunk, was married in Detroit Tuesday.

LESTER CURRIE RECEIVED SEVERE SHOCK BUT WAS RESCUED BY HIS PARTNER

Lester Currie, superintendent of the overhead work for the Holland Interurban Co., narrowly escaped death Sunday night near Grandville when a telegraph wire he was repairing became entangled in the trolley wire sending the current thru his body. Mr. Oaklan, his foreman, who was working with him, rushed to his assistance and succeeded in getting him off the wires after receiving a frightful shock himself. Mr. Currie was in contact with the wire but half a minute but was unconscious when rescued and the hand holding the wire was burned to the bone. He was treated in Holland and has fully recovered from the effects of the shock.

DO IT NOW

Holland People Should Not Wait Until It Is Too Late

The appalling death-rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferers may slip gradually into some serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home.

Mrs. W. Lawrence, 268 Van Raalte avenue, Holland, Mich., says "I was troubled greatly by dull pains through my kidneys and an almost constant backache. Doan's Kidney Pills removed these troubles strengthening my kidneys and toning up my system. I am glad to again testify in praise of Doan's Kidney Pills."

"If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Lawrence had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y."

PROSECUTING ATTORNEY OSTER HOUSE ORDERS ARREST OF DETECTIVES

Warrants Charge Them With Kidnapping Chas. Scharthenberg at Macatawa Park.

Warrants were authorized Friday by Prosecuting Attorney I. H. Osterhaus against James Carlin and Thom Flannigan, two Chicago detectives, who are alleged to have forcibly taken Charles Scharthenberg, a member of the staff of the Chicago Tribune back to Chicago on the steamer "City of Grand Rapids" July 28. The charges made against Carlin and Flannigan in the complaint made before Justice Wachs of Grand Haven kidnapping and taking out of the state by force, and conspiracy to falsely imprison.

Scharthenberg as a member of the staff of the Chicago Tribune is said to have been attempting to get a picture of a raided gambling den, when one, Alexander Barthold, was shot. No warrant was issued against Scharthenberg, but he was wanted as a witness by the grand jury in Cook county while the case was being investigated. In the meantime Scharthenberg with his wife and baby and a nurse had come across the lake and were staying at Macatawa. Carlin and Flannigan city detectives of Chicago were sent across the lake to get him to testify before the Grand Jury in Chicago.

Arriving in Holland, the allegation is, that the two detectives went to Deputy Sheriff Hub Harrington and represented that Scharthenberg was a fugitive from justice and was wanted in Chicago. Deputy Sheriff Harrington upon the story of the detectives secured a warrant for Scharthenberg's arrest and went out to Macatawa to get him, accompanied by the detectives. Arriving at Scharthenberg's place of abode the Chicago detectives took him and his wife and baby into custody, it is alleged, and when the steamer left for Chicago they locked them up in a state room and stood guard to prevent any egress or ingress to the room. Upon arrival in Chicago, Scharthenberg is said to have been released going voluntarily before the grand jury and giving his testimony. He then returned to Macatawa and instituted proceedings against the detectives for their treatment of him. Another complaint was made because of their taking Mrs. Scharthenberg to Chicago forcibly, while in a state of ill health.

The charge made against the detectives is a serious one and both of the counts call for long prison terms or heavy fines if conviction is secured. It will however, be necessary to secure extradition permission from the governor of Illinois and the governor of Michigan before they can be brought back to answer to the charges made against them in this county.

FIRE IS LITERALLY DESTROYING SOIL NEAR DOUGLAS

Fire which started in the muck land of Perry Weed's farm gradually spread eastward and has now burned over some 60 acres of dry muck land on the Perry Weed place and what are known as the Sailor and Goodeve places south of Douglas.

Emil Heinze's low land is also in great danger but he has been doing a good deal of work at his ditches to keep it from spreading as it is almost impossible to stop the smoldering fire without a large amount of water or stopping its spreading by digging a ditch to the subsoil.

It is supposed that the trouble started by a man emptying his pipe while working in the hay field on the Weed place. Marsh fires are so slow in starting that it was not noticed until it had gotten well under way. Water is not available but the land owners are doing all in their power to check the smoldering fire, and have employed help from town, but little can be done by either men or teams.

WELL EQUIPPED MEN HAVE BEEN ENGAGED TO FILL VACANCIES IN THE TEACHING FORCE.

Milton J. Hoffman to Teach Latin; Dr. Charles Delano, French and German; Randolph Feries Latin and English

The faculty of Hope college will be stronger the coming year than ever before. Men of broad and thorough scholarship, of excellent Christian character and of successful experience, have been secured to fill the vacancies.

As previously stated, Mr. Milton J. Hoffman, who has just completed three years of study at Oxford University, Eng., has been secured for the chair of Latin, taking the place of Prof. John W. Beardslee, Jr., who will be connected with the Seminary.

For the chair of French and German, taking the place of Dr. Henry R. Brush, who has accepted the headship of the Department of Modern Languages in the University of North Dakota, Dr. Charles C. Delano of Marian, Mass., has been chosen. Professor Delano received his A. B., and A. M., degrees from Boston University in 1898 and 1899 respectively, and his Ph. D. from New York university in 1908, and has spent one year in study and travel abroad. He speaks French and German fluently. He has taught these languages in Dr. Chapin's School in New York City, in the Berentown Military Academy in New Jersey in Antioch college, Ohio and in Emory College, Virginia, from which institution he comes to Hope. He has also considerable experience in platform work.

As instructor in Latin and English in the Preparatory school, taking the place of Prof. Wichers, who has been promoted to the Chair of History, Mr. Rudolph Feries of Philadelphia has been employed. Mr. Feries is a graduate of Chestnut Hill Academy, Philadelphia, and received his A. B. degree from the University of Pennsylvania. He has specialized in Latin, English and Greek, and has taught in the Neigh schools of Wilmington, Delaware and Saltsburg, Pa.

KLAAS BURMA AND E. MULLER DRIVE WELL TO GET AWAY FROM CITY WATER.

The recent reports of the unsafe condition of the city water caused Klaas Burma and E. Muller to go out on a hunt for pure water on their own account. They believe they have found what they were looking for on a lot on West Sixteenth street and First avenue. There the men drove a well some twenty-five feet deep and they declare they have found water that is cold and clear and which they greatly prefer to the city water. They have invited people who live in that part of the city to make free use of the well which offer many are taking advantage of. The water from the new well has of course not been given a bacteriological test, which might reveal that it is not as safe as it looks but the men who drove the well are willing to take chances in view of the poor reports on the city water.

THOS. A. DE LOOF PAYS FIVE DOLLARS IN COURT TUESDAY

Thos. A. De Loof appeared in Justice Robinson's court Tuesday to answer the charge of selling milk to his customers in Holland in violation of the milk ordinance. De Loof was charged with selling milk that was secured from cows that had not been tested for tuberculosis. He was sentenced to pay a fine of \$5.

The health board took this action after it had thoroughly considered the situation. It was done with a view of enforcing the milk ordinance.

HE SOLD MILK FROM COWS THAT HAD NOT BEEN TESTED.

Similar Action May Be Taken

Against Other Local Dealers

Saturday the license of one of Holland's milkmen was annulled because of the charge that he took his supply of milk from a farmer whose cows he knew had not been tested for tuberculosis. The name of the milkman has not been made public and is withheld pending action of the board of health.

Repeated warning has been given that according to the rules of Holland's milk ordinance no milkman can sell milk secured from cows that have not been tested for tuberculosis. Most of the milkmen have observed this rule. The health department however means that this provision of the milk ordinance shall be taken literally and shall be obeyed scrupulously since the health of the community is at stake. It is said that there are other milkmen in the city who are liable to the same

charge and that the same action may be taken against them. The clerk Saturday morning was ordered to take the license away from the milk man in question and he will not be able to supply his customers until such a time as his license shall be restored to him.

At the next meeting of the board of health it is possible that his case may be brought up and that further action may be taken against him. Arrest can follow for an offense of this kind. Recently a similar case was tried out in Grand Rapids when a milkman was arrested for selling milk under similar circumstances. He was found guilty and fined \$100.

All local milkmen who are selling milk secured from cows which have not been tested are liable to arrest and the health department means to enforce the ordinance.

PEOPLE WHO TOOK MUCH MONEY TO PARK YESTERDAY NATURALLY LOST IT.

A number of pickpocket cases have been reported showing that that kind of criminal was not idle Friday in the crowds that went to the parks to see the Venetian night displays. The pickpockets were very busy at the P. M. station. Some one snatched a handkerchief from the pocket of Mr. Rich of the P. M. company, but the man who did the trick was clever enough to disappear although Mr. Rich discovered the loss immediately. Some women lost pocketbooks which have not yet been recovered.

Dan Meeuwssen of Zeeland was relieved of \$15 on the car from Jenison Park to Zeeland.

LOCAL NEWS

Born to Mr. and Mrs. Andrew Klompars—a ten pound boy.

The steamer Anna C. Wilson of Saugatuck carried many people from Saugatuck to Jenison Park Friday to witness the display of fireworks.

The Rev. George Korteling of Creston, Ia., who is visiting relatives in Holland, conducted the services in the Trinity Reformed church in Grand Rapids Saturday.

Gus Scholtz and William Phell of Grand Haven motored to Macatawa Friday in their fifty foot launch. They were the guests of the Misses Helen and Louise Utter while in this city.

Deputy Game Warden Dornbos of Holland was in Grand Haven as a witness in the Vanden Bosch case.

Mr. and Mrs. Lee Cummings and Mr. and Mrs. Raymond Poppe went to Grand Rapids Sunday in Mr. Cummings' car. With the exception of being stuck in the deep sand near Zeeland for 45 minutes the trip was very successful.

Mrs. Peter Schipper of the North Side recently submitted to an operation at Edgewater. The operation was successful and Mrs. Schipper is rapidly recovering.

Both fire departments were called out Monday for a fire that started on a vacant lot West 16th street when some dead grass took fire. The blaze was approaching the home of Mrs. Ellis who thereupon turned in the alarm. No damage was done.

Glen Woldring of this city accepted a position running the launch, Red Wing for Mr. Clark at Macatawa Park.

John Stirring returned yesterday to his work at the Lokker-Rutgers Clothing Co., after a two week's vacation.

Clarence Zwemer has accepted a position on the G. and M. steamer Furitan.

There will be a regular meeting of the Star of Bethlehem, Chapter No. 40 O. E. S. this evening, August 7, at 8 o'clock.

Miss Georgiana Lugers, bookkeeper and stenographer at the Lokker-Rutgers Clothing Co., who is enjoying a month's vacation is visiting in Battle Creek.

Miss Katherine Oosting, stenographer and bookkeeper at the firm of Miles & Van Eyck, returned to her work Monday morning after a two week's vacation.

Venhuizen and Kooyers received a car load of Studebaker automobiles this week but Tuesday they were sold and delivered. They have more orders for cars but cannot get them from the factory.

The fire department was called out yesterday morning to the home of Fred Wright, 22 E. Ninth St., but the fire was extinguished before the department arrived. An oil stove caused the blaze but the fire was extinguished by throwing a carpet on the flames and wetting it.

According to announcement of Secretary Dixon of the state board of health, a sanitary convention will be held here this fall.

The Royal Neighbors of America will hold their annual picnic at Jenison Park today August 7. All members are requested to take the 1 o'clock car. All should come supplied with baskets and be prepared to take part in all the games. A fine program has been prepared.

Mall Carrier Jake Geerlings yesterday began his annual vacation.

Tuesday in circuit court in Grand Haven the Holland City State Bank was given a judgment of \$2500.83 against the C. L. King & Co. and others. Attorney Arthur Van Duren appeared for the bank.

The U. S. dredging steamer General Meade went to Grand Haven Saturday after completing a dredging job at Saugatuck. The steamer is bound from there to Arcadia, where another project awaits her. The government craft has been working steadily all spring keeping the east shore harbors in good condition, and her value to the government and the shipping of this coast of the lake is way beyond any possible estimate.

The Ford Motor company has issued its notice of a reduction in the price of Ford cars for 1914. The price is \$550 for 5 passenger touring cars, fully equipped and \$500 for the runabouts. The new prices went into effect August 1.

Two new cars each way have been put on the run between Saugatuck and Holland: They leave Saugatuck at 7:35 a. m. and 5:25 p. m. Additional cars leave Holland for Saugatuck at 6:35 a. m. and 4:25 p. m. The time of the other cars has not been changed.

Henry C. Vanden Bosch, the six-year-old son of Peter Vanden Bosch of Kalamazoo, died Thursday afternoon at the North Side Hospital. He had made his home since the death of his mother at the home of his aunt, Mrs. Joe Karel, 247 Lincoln avenue. The funeral was held Saturday afternoon from her Karel residence at two o'clock.

John Klenz of Grand Haven, steward of the U. S. dredge Gen. Meade, was drowned at about ten o'clock Wednesday night while trying to swim across the mouth of the harbor. The body was soon afterward recovered. He was understood to be a good swimmer and so it is presumed that cramp or some other unusual physical trouble caused the accident. He was forty-five years old and left a wife and two children.

The members of the Ottawa county Medical society and their wives had a picnic at the Spring Lake Country Club yesterday August 6. The afternoon was spent at the grounds of the Country club and in the evening the entire party returned, to Grand Haven by boat and took dinner at the Gildner and after dinner listened to a short program of papers.

The people of Holland and vicinity that attended the aeroplane automobile and motorcycle meet at the fairgrounds Saturday and did not get their money's worth are not the only ones to suffer. The aviator and several others that took part in the meet are still in the city. The aeroplane is still at the fairgrounds while Weeks is in Chicago trying to raise money to ship it there.

Gull lake in Berry county is said to contain hundreds of walnut logs. Years ago a walnut grove stood where now stands many feet of water. Old residents in that vicinity remember when they used to be cut in front of the Allendale resort. To facilitate navigation the walnut grove was cut down and the logs hauled out into the lake and sunk. They lie water-logged on the bottom somewhere. It is said the lake is 360 feet deep in some places. Once in a while these valuable logs are seen floating about in the lake.

According to reports just compiled by W. R. Oates, game warden, Michigan has 60,000 deer running wild within its boundaries. In 1913 there were 72,000 but hunters killed 12,000 during the last winter. Deer were found in 40 counties and were also found to have disappeared completely in 20 counties. As a result of the report, there may be legislation limiting the number of deer that a hunter may kill to one. Here before each licensed hunter could kill two, but the animals are disappearing so rapidly that an effort will probably be made to further protect them.

ANTHONY ROSBACH IS A DELEGATE TO CONVENTION

Michigan Rural Mail Men Held A Three Day Session There

August 5 to 7. Anthony Rosbach of this city went to Grand Rapids Aug. 5, 7, as the delegate of the local organization to the convention of the Michigan Rural Letter Carriers' association held there this week. This was the eleventh annual meeting. Although Mr. Rosbach is the only delegate most of the local carriers attended the convention at least part of the time. B. Vande Heide is the delegate from Zeeland who attended the convention.

Holland is interested in this convention this year because the Holland force wants to see John Brinkman of Route 11 sent as the delegate of the Michigan association to the national convention to be held in Evansville, Indiana.

In addition to the election of officers, the election of delegates and the selection of a future place of the meeting, a number of addresses were delivered and a banquet was held. Following are the addresses and toasts that were scheduled. Address of Welcome by Mayor Ellis; Address by a Postal Inspector; "The Rural Service from a Carrier's Standpoint," C. T. Barnes; Address by Otto Hatzembuehler of Detroit; Reading, Postmaster Hughes of Marshall. At the banquet W. Millard Palmer of Grand Rapids was the toastmaster and after dinner speeches were delivered by L. H. Bierce, W. D. Brown, editor of "R. F. D. News" of Washington, Postmaster Ketchum of Hastings. Postmaster Hughes of Marshall gave a reading at the banquet.

ANNIE WALKOTTEN AND JOHN VAN DYKE, HUDSONVILLE, IN RUNAWAY MATCH

HUDSONVILLE, — While her father was preaching in a local church and the family was attending services, Sunday night, Annie Walkotten, the pretty 18-year-old daughter of Rev. and Mrs. H. Walkotten, packed a suitcase and eloped with John Van Dyke, an estimable young farmer living near here. The first intimation of the elopement was had when young Van Dyke's parents found a note from the boy saying that the horse and buggy, which he took, would be found in a Grand Rapids livery stable.

Both young people are popular here and will probably return to Hudsonville to make their home. For some time Miss Walkotten has been a bookkeeper in the Hudsonville State bank. It is the supposition that the couple went to Chicago from Grand Rapids and were married there, and that they will continue to Kansas, where Van Dyke has relatives.

WILL INSTRUCT SWIMMING AT WILSON BEACH, SOUTH CHICAGO DURING SUMMER OF 1914.

Prof. C. T. Taylor, the swimming instructor at Ottawa Beach, has announced that this will be his last summer around here as he has signed a contract with the Wilson Beach association of South Chicago to give instructions there during the summer of 1914. His work will commence the first of July and last until about September 5. His salary, he claimed, has been set at \$2000 for the season. This, he claims, is not so much, considering the fact that he must be in the water every day practically all the time from 8:30 in the morning until 5 in the afternoon.

Mr. Taylor has been instructing in swimming now for the past nine years. In the summers he has had many pupils at Macatawa park and during the winter months he has conducted a swimming school in Florida. He says he has had a very successful season this year at Macatawa Park, but of course cannot make as much money as at Wilson Beach.

MAGNATES INSPECT HOLLAND INTERURBAN

W. M. Eaton, of New York, Frank Silliman of Philadelphia, W. A. Foote, George L. Erwin and T. C. Collins of Jackson, identified with the Commonwealth Power company Friday made a trip of inspection over the property of the Holland Interurban company in company with Benjamin S. Hanchett and Charles A. Floyd.

Plans of doubling of the power on the Holland line to better care for the increasing traffic is under consideration.

Saturday the same officials made a trip of inspection on the new line from Grand Rapids to Kalamazoo. Twenty miles of the new line will be covered in a gasoline car and the remainder of the construction work will be seen by automobile.

MOTION OF SUPERVISORS TO HAVE IT DISMISSED MONDAY AFTERNOON

Prosecuting Attorney Westerhous and Atty. Smedley Looking Out for Interests of Supervisors

A week ago Monday the board of supervisors opened their session in Grand Haven and Monday the injunction that was served on the board restraining them from putting this question to a vote of the people came up for consideration in circuit court before Judge Cross. The supervisors last week appointed Prosecuting Attorney Louis H. Osterhouse to take care of the interests of the board in the hearing of the injunction and Attorney Smedley of Grand Rapids was retained to assist him.

When the supervisors adjourned they decided to meet again immediately after the injunction matter had been disposed of, at least if the injunction was dissolved. This special meeting will be a very short one; all that is necessary is to take a vote on the question of whether the county roads system shall be referred to a vote of the people or not. Since on that question the supervisors have made up their minds pretty well, there is little need for debate and not much of a discussion is anticipated. It is freely predicted that if the supervisors meet again the vote will again be 13 to 11 in favor of submitting the matter to the people of the county.

The other matter to be disposed of is merely a formality. It is the setting of the date of the special election. This will doubtless again be the first Monday in November, as agreed upon last week.

Pleaded Guilty to Making Indecent Remarks To Ladies

Fred Verch of Albany, N. Y., who has been stopping at Hotel Holland was arrested Friday charged with making indecent remarks to women. He was arraigned before Justice Miles and he pleaded guilty to the charge. He paid a \$5 fine and costs and was released.

Mr. Verch is charged with sitting in front of Hotel Holland making remarks to women who passed. One of the officers in plain clothes came and sat along side of him and when he made another remark, nabbed him quick.

IS ELECTED MONDAY ULIGHT AS PRESIDENT AT A REGULAR SESSION

Former Mayor E. P. Stephan was Monday elected president of the Board of Public Works by a unanimous vote of the members present, with the exception of his own vote, of course, which was cast for another member. The board organized Monday night for the year's work. It has been lacking a member for some time. Recently J. B. Mulder was appointed to fill a vacancy and when he qualified the membership of the board was again full. Those present last night were Messrs. Pifer, Mulder, A. B. Bosman and Stephan. The new president of the board of public works was appointed about a year ago and he has done much active work.

FENNIVILLE IS TO TRY A NEW STUNT ON AUGUST SIXTEEN.

Saturday, August 16, the merchants of Fennville are going to give the people of Western Allegan county the biggest chance to buy merchandise that they have ever had and at the same time provide some entertainment features. One feature that is bound to appeal to all is the public auction, which will occur from 10 to 12 in the morning and from 1 to 3 in the afternoon. The services of Martin De Wright, the well-known auctioneer of Allegan, has been secured for this feature. The merchants as well as the people will offer many staple articles at the auction sale and any one can bring articles in for the sale and the selling of them will not cost a cent.

TICKET COMMITTEE NOW HAS TWENTY-FIVE MEMBERS OF

SIX HUNDRED AS ITS FIRST GOAL.

If This Is Reached Proceeds for Y. M. C. A. Fund Will Be Doubled.

The ticket committee of the Holland Business Men's association is now almost on the home stretch in its campaign for the sale of six hundred season tickets. The members of the committee declare that they are going to sell this total of six hundred or know the reason why. They want to sell a great many more than that but they want to make sure of six hundred very soon since that limit will assure them of 25 per cent more of the gate receipts than if they sell any number below six hundred.

When the committee met Monday afternoon and the figures of the different members were totaled it was found that 415 season tickets had been sold up to date. The terms of the contract are such that the local association will receive only 25 per cent of the returns if the total number of tickets sold is below six hundred and 50 per cent if above six hundred. For that reason 600 has been set as the first goal in the campaign and no stones will be left unturned to reach that number.

It is planned to pass that number some time before the chautauqua week begins, so that it may serve as a good foundation for the seats to be sold afterwards. The experience has been in other places that a very large percentage of the tickets sold were disposed of the day the chautauqua opens and during the first half of the week. The fact that even on the third and fourth days of the week it will be cheaper to buy a season ticket at a dollar and a half than to buy single admission tickets always causes many to buy the season tickets after they have learned the real high character of the entertainments. In Hastings where a chautauqua week ended recently 809 tickets were sold in eight minutes on the day the chautauqua opened, according to reports from that town. That town is much smaller than Holland and the committee here hopes to pass the thousand mark before the week is ended.

RICHARD ROEST AND JOHN WHELAN TO WORK WAY THRU SCHOOL IN THAT MANNER.

Plan Is a New One Here and the Youngsters Think They Can Make Good.

Richard Roest and John Whelan, two local high school boys, have hit upon a plan to work their way thru high school and save money, such as has never yet been tried. They will open a Haberdashery and Tailoring shop at 254 River avenue, about the first of September and while they are going to school in this city they will conduct their business as up to date merchants.

They will handle suits from the Fred Getzoff Co., of Chicago and take orders on suits, overcoats and raincoats for any style and reasonable prices. The store will be stocked up with an up to date line of shirts, collars, neckties and socks. They will also take in dry cleaning and pressing. They will make a specialty of wearing apparel for students and at different times during the year they will introduce new novelties in caps and ties.

Mr. Roest has been agent for the line of suits they will carry for the past two years and has had many orders from local people.

The idea of running a store as a means of putting them through school is entirely original with these boys and although it has never been tried before around here the boys are very enthusiastic and are going in to win. They have many new and snappy methods of advertising which they will spring on the public and before long they believe their store is destined to be one of the best known in Holland.

FIVE HOBOES PICKED UP AT WAVERLY THURSDAY NIGHT DEPUTY H. BEEKMAN

Deputy Sheriff Herman Beekman picked up five hoboes in the box cars at Waverly Thursday night and lodged them in the city jail. When arraigned before Justice Miles in the morning they gave the following names: George Wilson, Mike Sullivan, Tim McDonnell, Hugh Parent, and Frank McClay.

McClay and Parent said they were hunting for work and asked to be let off and so were ordered out of town. Sullivan said he did not care what they did with him. He said the world owed him a living and that he would not work. He was given 15 days in the county jail. Wilson and McDonnell also claimed the world owed them a living and so were given free board at the county jail for ten days.

THE ZEELAND PICNIC PARTY THROWN INTO WATER.

All Are Brought Safely to Land; Accident Cause of Considerable Excitement.

An accident that came near resulting fatally happened at Saugatuck Tuesday when the members of the First Reformed church of Zeeland were at that resort enjoying their annual outing. About twenty-five members of the party, many of them women, were thrown into the water when the dock on the river collapsed. There was wild confusion for a short time. Most of those who had suddenly been thrown into the deep water were unable to swim. Some of them went down more than once but eventually through the aid of the others of the party and of resorters who happened to be near all were brought safely to land.

The party was ready to take a trip in a launch on the Kalamazoo river, and as many as possible were crowding on to the little dock at which the launch makes its landing. The weight was too much for the supports and suddenly the comparatively frail structure gave away throwing those standing on it into the deep water. Some of the women fainted and the scene that came near ending in fatality was a lively one for a short time.

As soon as all had been brought safely to shore the cottagers came to the rescue. They offered their cottages for the use of the unfortunate who had received a ducking and enough dry clothes were secured to supply all. Some of the women lost purses and handbags in the water, but outside of that the accident had no serious result.

Two children of Mrs. Egbert Boone, 3 and 6 years old, were snatched from the water by Henry Middlehook, as they came up for the second time. Marvin Smith, 7 years old, was rescued by G. Lahuis after going down for the second time, and the Misses Hattie and Jimmie Boone had narrow escapes.

The excursion was abandoned. It is said that the pier has been condemned for some time.

DELAY HAS BEEN UNAVOIDABLE THERE ARE SEVERAL REASONS WHY HIGH SCHOOL WILL NOT BE FINISHED SEPT. 1.

Circumstances Over Which the Contractors Had No Control Caused Delay.

Persons who have not kept in close touch with the progress of the building of the high school frequently ask the question why that building will not be completed by September 1. That is the date when it will be needed for the opening of the schools, but it is very likely that it will not be ready for occupancy then. It is very seldom that a house is completed at the time specified, often due to circumstances over which the builder has no control. But in a large hundred thousand dollar building there is much more chance for delay.

One reason for the delay in the building of the high school is that the steel was three months late in arriving. This was something that no one could have anticipated and it was galling to the contractors as much as to those who are anxious to have the building completed.

Moreover during the year the work was delayed a little for a short time by a labor strike. This also was something for which no provision could be made in advance. Although it caused a delay of only a few days, yet taken in connection with other little circumstances that caused delay, it is easy to understand why the job cannot be finished on time. The contractors have been doing everything in their power to hasten the work.

When the high school is finally completed the beauty of the building will fully compensate for the extra time that is required in building it. Many persons visit the school and they have nothing but praise for the workmanship.

E. O. WEEKS TO DRIVE HIS BIPLANE TO SAUGATUCK TODAY

Tuesday local people will have another opportunity to see an aeroplane fight if the plans of Aviator E. O. Weeks do not go wrong. Mr. Weeks is the one who made the flights at the fair grounds Friday and Saturday. Since then the machine has been at the fair grounds and today Weeks expects to travel in it to Saugatuck and from there to Grand Haven. The trip will be made today. Mr. Weeks will have L. F. O'Connor as passenger.

How can our greenback folks get reconciled to the fact that they are not allowed a fair representation at their County Convention? For instance Grand Haven city is allowed nine, and such large townships as, Wright and Polktown only three. Especially, if as asserted, Polktown contains more greenbacks than the whole of Grand Haven. Come! Greenbacks, wake up, Demand your rights first, as well as last.

THIRTY YEARS AGO

The following is an extract from a letter recently written by Colonel Ingersoll from Long Beach to a personal friend who had suffered a bereavement in the death of his mother.

"After all, there is something tenderly appropriate in the serene death of the very old. Nothing is more touching than the death of the young, the strong. But when the duties of life have all been nobly done—when the sun touches the horizon—when the purple twilight falls upon the present, the past and the future,—when memory with dim eyes can scarcely spell the records of the panish days—then, surrounded by kindred and by friends, death comes like a strain of music. The day has been long, the road weary and we gladly stop at the inn.

"Life is a shadowy, strange and winding road, on which we travel, for a little while—a few short steps just from the cradle with its lullaby of love to the low and quiet wayside inn, where all at last must sleep and where the only salutation is "good night."

"Nearly forty-eight years ago, under the snow in the little town of Cazenovia, my mother was buried. I was but one year old, yet I remember her as she looked in death. That sweet, cold face has kept my heart warm throughout all the years."

OFFICERS FRIDAY ARRESTED SIX MEN ON SUSPICION

They Plead Guilty to Charge of Disorderly Conduct and Are Given Heavy Fines

Merely a bluff without having any charge against the prisoners city and county officers Friday night did a good piece of work by arresting six men who gave their names as Geo. Combs, James Andrews, Harry Parks, Frank Noonan, Edward Stevens and James Whin. The officers both of the city and of the county deserve a good deal of credit for the way they handled the situation Friday. As usual some people who were foolish enough to carry much money with them were robbed and there is little chance in most cases to recover, but the officers believe that they did a good job in arresting the six men named, although they had to do it on a bluff.

The men were well dressed and seemed to be well supplied with money when they appeared in court Saturday morning. The charge lodged against them was that of disorderly conduct. They were seen a few times rushing on crowded cars and crowding. Of course, everybody was crowding Friday, but these particular men seemed to make a business of crowding and were seen several times, never appearing to get to the park. They were arrested on general principals.

This is the first time that much has been done in the line of arrests after a day like Friday because the officers were usually afraid of arresting merely on suspicion, in view of the disastrous consequences that resulted in one such case. But Friday they took the men on suspicion and Saturday morning all pleaded guilty.

Combs and Andrews were arraigned before Justice Robinson and they were given their choice of paying \$25 and costs each or spend sixty days in jail. They promptly paid the \$25 and seemed to be well supplied with money. Parks and Noonan appeared before Justice Sooy and they were given the same dose. They also paid promptly. Stevens and Whin were lucky. They were brought up before Justice Miles. Mr. Miles did not know the circumstances under which the arrests were made and since the charge was merely that of disorderly conduct he gave them the usual fine in cases of that kind, namely, \$5 apiece and costs. The men eagerly paid, but later the justice was sorry he had not made the fine a stiffer one.

Att. Van Duren represented the men. John Burgess of the North Side appeared in court when the men were arraigned and claimed that the men had crowded him on a car. He claimed that he had been robbed of \$35, but the evidence he had was too weak to make the charge against the men stick that they were the ones who had robbed Burgess.

The Grand Rapids officers were here Saturday and attempted to have measurements made of the prisoners since they believed they could use them in certain cases they were looking up. But the men were too wise for that kind of thing. They stood by their rights and refused to be taken to Grand Rapids for this purpose. However photographs were taken and these will be kept in Holland and Grand Rapids.

ROAD BETWEEN HOLLAND AND MACATAWA IS PRACTICALLY IMPASSABLE

The road between Holland and Macatawa Park is practically impassable, as many an automobile owner discovered Friday when the attempted to go to the Venetian night celebration in their machines. Some twenty automobiles got stuck in the sand on the park road Friday, and there was a liberal discharge of profanity on the part of those who had to get out and push.

The road is in poorer shape than it has been for years, and many an automobile owner who has got wise to the situation is making a detour and is using the road that leads around near Graafschap in order to reach Macatawa.

Mr. Ver Lee, an employee of the Citizens-Telephone company in Zeeland Friday was very much disturbed when he discovered that he had lost \$45. He had been out collecting for the company and late at night discovered that the money was gone. Ver Lee passed a sleepless night but in the morning the Zeeland manager of the company picked up the money directly in front of his own home.

JUDGE CROSS HEARS ARGUMENTS IN GOOD ROADS CASE.

Both Sides Present Their Cases On the Motion to Dismiss the Injunction.

From shortly before 4 o'clock Monday afternoon till quarter after 6 the motion of the board of supervisors that the injunction served on them restraining them from resubmitting the county road issue to the people be dismissed was heard before Judge Cross in the circuit court in Grand Haven. The regular business of the court was disposed of in the early part of the afternoon and about 4 o'clock the injunction case in which the interest of the opening of court chiefly centered was heard.

Judge Cross did not come to a decision Monday afternoon but after the attorneys for both sides had had their say he took the matter under advisement and said that he would give his decision later.

Attorney Walter L. Lillie of Grand Haven, who represents the county road commissioners opened the debate by presenting the case for the people who are in favor of continuing the present state of affairs and who do not wish to have the question resubmitted to the people for a vote in November. Mr. Lillie gave an earnest talk. He held that the supervisors had taken an unwarranted position in voting to resubmit a question to the people that had been duly passed by the people of the county, and that this was all the more so because of the fact that many of the supervisors had themselves secured signatures to the petitions that were handed in from the various villages and cities asking that the question be reconsidered.

Louis H. Osterhous was the first speaker for the board of supervisors. Mr. Osterhous gave a general survey of the situation and went over much of the recent history of the county that had led up to the present movement to reconsider the county road system. His talk was followed by Attorney Smedley of Grand Rapids, who had been retained by the supervisors to assist the prosecuting attorney. Mr. Smedley cited numerous court cases, among them supreme court decisions, in an attempt to establish the fact that the supervisors were not only morally bound to consider the petitions submitted and to put the question to a vote of the people, but that from a legal standpoint they had no choice, that they must submit the question if the necessary number of petitions were submitted.

Mr. Lillie closed the debate and soon after six o'clock the case was disposed of and the court adjourned.

As soon as Judge Cross gives his decision a meeting of the board of supervisors will be called. This meeting will be called on the petition of the number of members required by law. But it is very sure that the supervisors will not delay action very many days after the court has handed down the decision.

BOARD TO BUILD A HOME FOR LITTLE ANIMALS IN CENTENNIAL PARK.

It is the plan of the park board to make the parks in this city a habitation for squirrels. At a meeting of the board Monday afternoon it was decided to build a large cage for these cunning little animals in Centennial Park. This cage is to be divided into a number of apartments in which the squirrels can be comfortably taken care of during the coming winter. Next spring it is planned to turn them loose and to let them shift for themselves.

The cage to be built in Centennial park will be about twenty feet long and it is to be constructed of netwire.

The board has started out with one squirrel which was donated by School Commissioner N. R. Stanton. But the members of the board are anxious to secure a number more. Anyone who has squirrels or who knows where they can be found is requested to get into touch with the board.

Those who have ever been in Ann Arbor or who have lived there will remember the squirrels in that city. The city in fact is known for its squirrels and seldom or never does any harm befall the little animals. They confidently pick at a peanut from the hand of anyone who cares to offer one and they are a source of much innocent amusement on the part of the youngsters. The Holland park board plans to make the squirrels at home in Centennial Park in the same way.

WAS COMPELLED TO FIGHT FOR HIS COUNTRY.

Former Holland Kitchen Man Has a Tough Time in Native Land.

Peter Spero, a former proprietor of the Holland Candy kitchen and well known in this city, has had an interesting line of experiences since he sold out his business here three years ago.

Pete had been in this country for about ten years but had not forgotten a little girl back in Greece. During the six years he had been running the Candy Kitchen in Holland he had made a small fortune and so started back to Greece to claim his childhood sweetheart. He was delayed in this country and reached Greece just before the outbreak of the war with Turkey. Instead of being married as he expected he was nabbed as soon as he got there and placed with a gun on his shoulder in the ranks of the Grecian army.

He came through the Balkan war successfully but was not released from the army and was soon fighting the Bulgarians. A short time ago he was shot through the leg and is now in an army hospital. He is now hoping the war will be over when he gets better and ways he will be married in spite of the Turks and Bulgarians.

WALTER HAYDEN IS PLANNING TO ENGAGE IN BUSINESS HERE.

Walter Hayden, who during the past year has been engaged in the work of draughting as an architect in the office of De Weerd & Hayden, is contemplating opening a separate architect's office in Holland. Mr. Hayden recently left the firm of which he has been a member since the first of the year and Mr. De Weerd will continue to conduct the office in the old place as formerly.

Mr. Hayden will either open an architect's office in Holland or accept one of two or three positions that have been offered him in Grand Rapids. He believes that there is room for a new architect in this city and to this end has been consulting with a number of local contractors. If the necessary arrangements can be made for a venture of this kind he will stay in this city and add another to Holland's business places.

SOME HOLLAND PEOPLE DO NOT UNDERSTAND WHAT MOVE MEANT IS

They Mistrust It And Do Not Realize Its Real Character.

It seems incredible that there should be people in Holland who do not know what a chautauqua is. But that such is the case has been frequently discovered by those who have been making their house to house canvass selling tickets for these entertainments that will start in Holland two weeks from Monday. The many ticket sellers have been making their house to house canvass selling tickets for these entertainments that will start in Holland two weeks from Monday. Repeatedly the ticket sellers have been told that there is the same objection to a chautauqua that there is against a theatre. In fact some people seem to have the idea that the shautauqua entertainments are identical with theatrical entertainments and for that reason they have religious scruples about going to them.

It is hard to understand this attitude of mind at this time when the chautauqua entertainments have become so well known all over the country that there is hardly an excuse for anyone not knowing what they are and what the general aim is. The chautauqua company that is coming to Holland is as high class as any in the country. It is an educational institution and stands for enlightenment along all lines.

Sometimes objections are made against the theater because it is said that the people who take part in the theatricals are not of a high moral character. Whether or not this accusation is just as regards the theatre is beside the point. Even if it is just, it does not apply to the chautauqua entertainments, as many in Holland seem to think. The people who take part in the chautauqua entertainments are almost universally of a high moral character. Mr. Bryan is a well known chautauqua lecturer, although he does not happen to be on the program in the local series, of entertainments, and never has anything been said against his moral character. And it is men of this stamp that deliver addresses on the chautauqua platform. The same thing is true of the musicians and other entertainers. Their work is high class artistically not only, but it is high class morally.

It seems almost absurd to make an explanation of this kind, but the fact is that it must be made in order to set a number of people in Holland right who have formed a wrong conception of what a chautauqua is.

In this connection it might be well to remember that the chautauqua movement was originated a couple of decades ago by Bishop Vincent, a clergyman and one of the saintliest men in America, the father of Dr. George E. Vincent, the president of the University of Minnesota. Bishop Vincent began the movement with the very best of motives and the success of the chautauqua movement in America has been largely due to the fact that it has never deteriorated morally but has always kept on a high plane.

Moreover it is to be constantly remembered that the proceeds from Holland's chautauqua are to be devoted to the Y. M. C. A. fund, a project that many local people are interested in and for which they are willing to do a great deal.

GAS INJUNCTION MAY BE HEARD IN COURT AT THAT TIME

Not until the November term of court will the injunction that was gotten out against the Holland City Gas company by the city of Holland restraining the company from digging on the Holland streets come up for consideration in the Ottawa County Circuit court. The injunction is a temporary one, but it will take to bring the matter to a head, before the necessary steps can be taken to bring the matter to a head.

The company has entered its appearance and the city will now have to serve a copy of its bill of complaint. Other legal steps may be taken before the matter can finally be settled, and before it can be decided whether the injunction shall be dismissed or made permanent. As in the other cases in the United States court and now in the United States Supreme court between the city and the Holland gas company, City Attorney Arthur Van Duren will handle the city's interests in the matter.

DEFEATED THEM IN FAST GAME ON 19TH STREET GROUNDS SATURDAY.

The Boter's ball team avenged their defeat of one week ago when they defeated the Unknowns Saturday afternoon 7 to 6 on the 19th St. diamond. The game was hard-fought from the start to the finish but at no time did the Unknowns threaten the Boter's lead. Brant, the star pitcher for the Boters was in fine form and scored eleven strikeouts. Frank Van Ry on short also starred in fielding and at bat. The batteries for the Unknowns were De Maat, Flander and Bacon. Brant and Meyers formed the batteries for the Boter's.

Another game will be played later between these teams and the winner will claim the city championship. The Boters players are as follows: A. Van Huis, N. Brant, S. Batema, J. Meyers, S. Bosch, F. Van Ry, J. Hooker, J. Nieuwsma and Louis Steketee.

IN SPITE OF POOR TRACK LOCAL MOTOR CYCLE RIDERS MAINTAINED GOOD SPEED.

Although the local young men who entered the motorcycle races Saturday afternoon were not even offered a prize for the winner they gave a good exhibition of speed considering the condition of the track. On the turns the track was torn up and this cut down a great deal on the speed of the machines.

In three mile race Peter Hieminga with an "Indian" took first; Wm. Sloot with a "Harley Davidson," second; Louts with an "Indian" finished third and Zwiers with an "Excelsior" finished last. The time was 5-4. All these machines were single cylinders.

In the three mile race with twin cylinder machines, Vereeke won with an Excelsior. Hieminga took second with an "Indian" single and Peterson, finished last. The time was 4-1.

In the two mile race with time Louts with an "Indian" covered the distance in 2-46.

This was the only attraction at the Fairgrounds Saturday besides the aeroplane flight.

Valentine Gardner, Scribe; Nicholas Moreth, Jr., Banker; Charles A. Finley, Magician; Arthur W. Nelson, Chamberlain; Earnest Moller, watchman; John C. Hanley, Trustee.

Flood of Applications are Filed in Ottawa Court.

Twenty-eight petitions for naturalizations will be heard by Circuit Judge Orien S. Cross, when the actual business of the August session of court begins.

As usual, the Hollanders predominate with more natives of the Netherlands seeking rights of citizenship than all other nations combined. There are 19 natives of the land of windmills and dikes, four Germans, three Swedes, one Austrian and one from Hungary.

This is the largest class to be heard since the existing law went into effect in 1906, due it is believed, to a steady stream of Dutch emigrants who have been arriving all winter and during the spring.

IN SPITE OF THE WEATHER NOTICE OF LETTING OF DRAIN

MANY ATTENDED FESTIVAL
Several Hundred From Holland At-
tended Festival In Jamestown

Although during part of the day there was rain and the weather was threatening the Mission Feast in Jamestown Thursday was quite successful. Usually the weather has been favorable when these annual picnics were held during the past five years, but this year the picnickers were not as fortunate as formerly.

There was however no lack of interest in the big picnic among the people of Holland who are interested in the cause of missions. Tickets were sold at Van Ark's Furniture store and at the Du Mez store. At those two places two hundred tickets were sold and then the supply was exhausted so that those who wanted more were compelled to secure them at the station.

The Rev. A. Vanden Berg of Grand Rapids, was chairman of the day. He opened the program about ten o'clock in the forenoon. After the singing of a psalm the Rev. J. Van Westenberg read a passage of Scripture. The invocation was pronounced by the Rev. A. Karremans of Grand Rapids. The chairman of the day made an address of welcome. Other addresses were given as follows: "The Relation of the College and the Seminary to the Missionary Problem," Dr. A. Vennema; "The Future of the Reformed Church in the Far West," the Rev. P. Braak; "Where Should the Emphasis be Placed?" the Rev. P. P. Cheff of Zeeland; The Rev. T. Meulenbergh closed the morning session with prayer.

The afternoon session was opened with prayer by the Rev. G. Tyssse of North Holland. The Rev. J. Warnshuis of this city who is to go to India in the autumn as a missionary spoke on, "My Life for India; Why?"

The whole program was given as scheduled with the exception of two addresses in the afternoon, which could not be given because of the rain. One was to have been delivered by the Rev. A. Walvoord on "One Thing Needed in Japan: How the Reformed Church Can Supply This." The other address omitted was by the Rev. G. Hekhuis on "Stewardship and the Kingdom."

The attendance at the Mission Feast was not as large as it would have been if the weather had been more favorable. But even in spite of the weather there were about 1000 present at the gathering. The collection amounted to about \$160.

There was plenty of amusement during the day and but for the threatening weather the big annual Mission Feast was a big success. From Zeeland, Grand Rapids, Muskegon, Kalamazoo and other places in Western Michigan where there are Reformed churches and where the people are interested in missions many came to attend the big event.

EUGENE TAYLOR AND SIEGEL
GUNN TO BE SENTENCED
TOMORROW

The opening of circuit court Monday in Grand Haven brought the usual number of attorneys from all parts of the county to the county seat. The greater part of the afternoon was taken up with arranging the calendar and placing the cases for trial. Eugene Taylor of Holland pleaded guilty to the charge of violation of the pure food act. On both of these sentences will be pronounced Friday of this week. Tom Vanden Bosch, against whom there was a charge of false pretenses, will stand trial, and his will be one of the first cases to be heard at this term of court.

FREIGHT HOUSE AND PASSENGER
STATION ARE BROKEN
INTO.

Thieves were busy in Zeeland during Friday although they secured very little for their trouble. They broke into the Pere Marquette Depot and into the freight house. In the passenger station they broke open the gum machine and found only a few pennies. How much was secured in the freight house has not yet been determined, since all the boxes that were opened were left the way they were found until the company's detectives could make an investigation. Every box in the place had been pried open by the thieves and the floor was covered with scattered freight and pieces of boards broken from the boxes.

The robbers gained entrance to both places by prying open the windows.

CONTRACT

Notice is Hereby Given, That I, Henry Siersema County Drain Commissioner of the County of Ottawa and State of Michigan, will, on the 11th day of August, A. D. 1913, at the Outlet of the Visser Drain in the Township of Olive, in said County of Ottawa at nine o'clock in the fore noon of that day, proceed to receive bids for the construction of a certain Drain known and designated as "Visser Drain," located and established in the Township of Olive in said County of Ottawa and described as follows, to-wit:

The Visser Drain is a recorded drain recorded in Book No. 11 of Drain records in the office of the County Drain Commissioner in the City of Grand Haven Ottawa County. Said job will be let by sections. The section at the outlet of the said Drain will be let first, and the remaining sections in their order up stream, in accordance with the diagram now on file with the papers pertaining to said Drain, in the office of the County Drain Commissioner of the said County of Ottawa, to which reference may be had by all parties interested, and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work, in a sum then and there to be fixed by me, reserving to myself the right to reject any and all bids. The date for the completion of such contract, and the terms of payment therefor, shall and will be announced at the time and place of letting.

Notice is Further Hereby Given, That at the time and place of said letting, or at such other time and place thereafter, to which I, the County Drain Commissioner aforesaid, may adjourn the same, the assessments for benefits and the lands comprised within the "Visser Drain Special Assessment District," and the apportionment thereof will be announced by me and will be subject to review for one day, from nine o'clock in the forenoon until five o'clock in the afternoon.

ACCUSE CITIZENS UNJUSTLY

Zeeland Record.—The envy which Holland has been known to bear towards Zeeland for many, many years again cropped out Wednesday and Thursday of last week when "the powers that be" in our neighboring town incidentally took a chance to punish their enemy, the Holland Gas Company.

The gas company was busily engaged Wednesday digging up a street near the east city limits to put in a large main, beginning the work on laying the pipe line to Zeeland. Alderman Van Drezer, chairman of the committee on streets, noticed this activity in spite of the fact that Mayor Bosch and others of the council had given their word that the gas company would not be allowed to furnish Zeeland gas until the service in Holland was improved and covered the entire city. He at once discovered that permission had not been given the gas company to tear up the street according to a certain ordinance and proposed to put a stop to the work. The alderman and city attorney took the matter in hand with a view of getting out an injunction.

The work of the gas company's crew however was progressing rapidly and it looked as though the city limits would be reached before the injunction could be made out. Hence the aid of the chief of police was called in to stop the violation of the city ordinance. The chief went down accompanied by Alderman Van Drezer and City Attorney Van Duren, but the foreman of the company's crew ordered his men to go ahead with the work. Since the three men would have been powerless to cope with the whole gang, the fire department was called out and in a very few minutes lined up armed with the hose and they were ready to let go at the workmen in the trench if they attempted to keep on digging. The work was stopped.

The men had progressed far enough with the trench to get within about a hundred and fifty feet from the city limits. Once there it would have been out of the jurisdiction of the city officials.

Three men were stationed on the job armed with the fire hose and the first time a spade is put into the ground in the trench the water will be turned on.

Yesterday saw another "scrap" when the Holland township gas franchise came up for a vote at special election. The result of the election is known too late for this issue, but it is known that certain of those in Holland City who opposed giving Zeeland gas from the Holland plant had been about the township trying to induce electors to down the franchise. Those strongly favoring the proposition from this city and Holland put in some hard licks yesterday by bringing voters to the polls in automobiles, and it is believed at this writing that the matter carried in good shape.—Zeeland Record.

Editor Zeeland Record, you criticize unjustly. The Gas Co., dug up the city street without a permit which is against the law. It was not done through envy as you state. Do you condone law violation? Then again Holland people's influence must have been very damaging to the cause, the vote in favor of gas being 139 for and 11 against, almost unanimous. Your criticism creates envy.

CARPENTERS AND CONTRACTORS ENJOY THEMSELVES

YESTERDAY AT CASTLE PARK

Big Program of Sports Piled Off And Many Fine Prizes Awarded

Carpenters and Contractors seven annual picnic was for a while threatened with rain, but it proved to be a very enjoyable affair yesterday at Castle Park picnic grounds. Each one of the various committee had done good work in the preparation for the different parts assigned to them and continued to give their services during the day as occasion demanded. The refreshment committee had an especially strenuous day in providing goods for the inner man of about two hundred people.

After dinner various Races and Contests were undertaken and pulled off beginning with small boys Foot race in which Dickie Rottschaff won the prize of a small pocket knife donated by De Pree Hardware Co.

2. Small girls foot-race, prize of a small red handled pocket-knife, was won by Josie Bomers.

3. Boys foot-race, prize consisting of jack knife contributed by Nies Hardware, was won by Dick Dieters.

4. Girls foot-race was won by Tillie Hamburg, prize consisting of trimming scissors by De Pree Co.

5. Young men's foot-race was awarded to Simon Holkerboer, prize being a 65 cents jack knife donated by Nies Hardware.

6. Young Ladies foot race was rewarded with a fine hair brush, donated by Du Mez Bros, and was captured by Miss Hattie Hamburg.

7. Fat men's foot-race, prize a Ratchet screw driver, contributed by J. A. Vander Veen was fairly won by Peter Breen.

8. Fat Woman's Foot Race was conceded to Mrs. Bartels, the prize being a picture with frame, contributed by James A. Brouwer.

9. The tied foot race for men was rewarded with one pair of pliers as the first prize, captured by John Etterbeek; the second prize going to S. Holkeboer.

10. The ladies' spike driving contest was awarded to Mrs. J. Brinks, the prize being medium sized shears contributed by De Pree Co.

A pipe lighting contest was indulged in by 12 of the men in which W. Rottschaeffer came out the winner and was rewarded with a prize of a Ratchet screw driver, donated by J. A. Vanderveen.

12. An apple eating contest furnished much amusement for a short time, as a half a dozen girls nibbled at many apples suspended by the cords from a line. A beautiful hand bag donated by A. Steketee, was the prize which was fairly won by Miss Dieters.

13. A married ladie's potato race was rewarded by a pair of silk hose donated by John Vandersluis, the winner being Mrs. George Zuwerink.

14. The high jump and kicking contest was rewarded with a three-bladed Jack Knife, contributed by J. Nies' Sons Hdw. Co., and was won by J. Etterbeek.

15. The Wood Chuck Pull contest was conceded to Bert Gebben, who was awarded a prize of a Ratchet Screw driver, by De Pree Co.

16. A Tug-O-War was engaged in by the Contractors vs. Carpenters, the contractors winning out. A dispute arose as to the numbers of pullers on the side of the contractors, but it was amicably settled by dividing the prize, a box of Knickerbockers donated by H. Van Tongeren.

To further cement harmony and good feeling before the great ball battle of the day ensued, a box of Superior's donated by Superior Cigar Co., also went the rounds.

Van Dyke and Spriestma having offered three prizes on the American base ball game, Wm. Ideters captured the first prize, a saw; A. Van Duren, 2nd prize, steel square; A. Smeenge 3rd prize, Bellface Hammer; F. Jonkman, booby prize, carpenter's apron.

Hope Church pulpit will be occupied Sunday morning by Rev. Horace Cady Wilson, pastor of the First Presbyterian Church of Lansing Michigan in the evening, Rev. Harry Kremers pastor of the First Presbyterian Church of Cedar Rapids, Iowa, will preach.

Mr. Ale Zuidema of the faculty of the Detroit Conservatory of Music will preside at the organ both morning and evening.

Fine music will be furnished at both services by the choir, assisted by out-of-town talent. Dr. Bruske, pastor of Hope Church is enjoying a months rest in northern Michigan.

DIRECTORS HELD MEETING

The directors of the Ottawa County Fair Association held a meeting last night in the office of the secretary, A. B. Bosman. Most of the directors were in attendance and hearty enthusiasm was shown by all in their plans for the Fair to be held this fall.

The buildings will be improved, and a long building for the horses will be built with both stables and box stalls. The plan is for 32 feet in width and 160 feet in length. The valuable horses for racing or exhibition will get the best of care here.

An extension of the tracks is in view, also, and the directors are endeavoring to get as many fine, free attractions as possible, among other things, Aviator Weeks, who made such a fine showing Saturday with his aeroplane.

FARMERS PICNIC AUGUST 20th

The annual Farmers Picnic and Barbecue will be held as usual at Jenison Park on Wednesday, August 20th. This is an event that is looked forward to for weeks, as the past years have proved the ability of the Jenison Park people to make the visitors very happy.

There will be Band concerts, Balloon Ascensions as well as the big barbecue at noon and at 5 P. M. More details will be announced later, this announcement is made now so that people throughout the country can commence preparation for the great day.

MACHINE RUNS INTO BUGGY FROM BEHIND

A bad motorcycle smashup occurred Thursday night at about 9:30 o'clock when Jim Wilscoff crashed into a buggy south of the city at the end of First avenue. Wilscoff and Arie Vos were out on motorcycles, Vos having a passenger in the person of Cleal Wilmot. Wilscoff was ahead and was going at a pretty good clip. He did not see the rig in time and crashed into it from behind. Vos could not stop in time so that he ran into Wilscoff's machine.

Wilscoff was thrown some distance and sustained a broken collar bone and possible internal injuries. He was stunned when picked up. Vos was practically uninjured, except for a few bruises. Miss Wilmot was thrown about twenty feet and was uninjured.

Clarence Lokker came along in an automobile and took the people who figured in the accident home. It was not discovered to whom the rig belonged as the man in it got in immediately and drove off. A call was sent in to Bishop and Raffenaud, where the machines were purchased and they went to the scene and brought the broken machines to the city for repairs.

A. E. ROSBACH OF THIS CITY ONE OF MEMBERS OF CREDENTIALS COMMITTEE

Keen interest is being manifested by the many delegates in attendance at the annual convention of the Michigan Rural Letter Carriers' association which is being held in Grand Rapids. Following the enthusiastic opening of the convention Tuesday these committee members were appointed to transact business of the business session yesterday: Resolutions, S. P. Foster of Washenaw, H. R. Culver of Calhoun, A. T. Whitney of Saginaw, F. McDonald of Ingham and Mrs. S. L. McMillen of Ionia; location of 1914 meeting C. L. McLean of Iosco, A. Stiff of Oakland and H. Penninga of Kent; credentials, Dobbin Robbins of Montcalm, A. E. Rosbach of Holland, and J. P. Prien of Wayne.

The roll call revealed the presence of all the officers of the association: President, G. W. Cannons, Pontiac; vice president, A. F. Kordeck, Saginaw; secretary, J. R. Smith, Marshall; treasurer, C. A. Eaton, Williamsburg; executive committee, F. Stevens, Moscow; R. T. Walker, Plymouth and B. G. Foreman, Plainwell.

There is one woman delegate in attendance. She is Mrs. S. L. McMillen of Greenville who has been in the postal service for ten years. In rain or shine she carries the mails to 156 boxes on her route. Each morning Mrs. McMillen traverses the 27 miles and she has a wide acquaintance, besides the warm friendship of all the patrons on her route. She likes the work and is looking forward to using an automobile instead of horses next year. She says the route can be covered in an automobile in half the time now required. She now spends seven hours a day on the road.

BOONE FAMILY REUNION

A happy re-union of the J. H. Boone family took place Friday when the entire company took a trip to Macatawa Park to enjoy a picnic.

Mr. and Mrs. Boone, aged 76 and 74 years respectively, are enjoying remarkable good health and were present, as well as their seven surviving children and their families and a few other relatives. Their children are: Mrs. Bert Scholten of Graafschap, Egbertus Boone of Colorado Springs, Colo., Mrs. Steven Lukas of Dor, Mich., Thomas and John Boone of Grand Rapids, Mrs. M. Coburn of Zeeland and Gerrit Boone of Grand Rapids.

The entire gathering was photographed. The pictures will serve as a reminder of the event, which retrospection will be a most enjoyable one.

Visiting Specialists from Cleveland Institute of Medicine and Surgery

ONE DAY ONLY

8 A. M. To 5 P. M.

This institution composed of a group of regularly graduated Physicians, licensed and legally registered under the laws of the State, visit our city for the first time in order to introduce the latest methods and discoveries in medicine, and give to those who call, consultation, examination and advice absolutely free. These specialists will diagnose your case and give you the benefit of their expert skill, and medical knowledge free of charge. There is no experiment or guess work at your expense, you will be told whether you can be cured or not. If your case is curable you will be put under treatment immediately. If incurable, they will give you such advice as may prolong your life. The treatment, if given, brings quick relief and ultimately cures. Being prepared to cope with each individual case, the System is thoroughly prepared for the treatment in a direct and natural manner, and improvement is noticed at once. The worst

cases are treated without inconvenience to the patients or interference with their daily occupation. Only those not treated by local Physicians are invited. All old methods and remedies used for ages by the medical world have been discarded by these specialists. Testimonials will be shown you, upon request of thousands cured in sixteen different States of the Union. No matter how complicated, or what the nature of your sickness may be, it makes no difference, of how long standing, or what you may have been told. Do not get discouraged, but go and see these gentlemen. REMEMBER there will be no charge, either for consultation or examination. We will tell you exactly where your difficulty lies. If your suspect kidney or bladder trouble bring a two-ounce bottle of your urine for chemical and microscopic examination. Only diseases of long standing such as Nervous Heart, Stomach and Lung trouble, Catarrh, disease of the Kidneys. Deafness due to Catarrh treated by an entirely new method and hearing in many cases is restored at once. Don't forget the date and call for Dr. Sickles.

Hours:—8:00 a. m. to 5:00 p. m. Tuesday August 19.
