**That Headache
of Yours**

You may have tried a hundred re-
medies without relief, but have you
ever had your eyes examined.

A large majority of headaches are
caused by the eyes. And nothing
in the world will stop them but the
wearing of the right glasses.

That stops them almost at once,
and keeps them stopped.

We can tell you in five minutes
whether your headaches come from
your eyes or not.

**NEW POSTOFFICE WILL HAVE
PEEK HOLES**

Will Also Have Six Large Stone
Columns

The "NEWS" was shown the
plans for the new postoffice build-
ing yesterday and there is no doubt
but that it will be a beauty. The front
of the building will be on 10th
Street instead of River Avenue as
one would suppose. The front is
76 feet wide and the length facing
River Avenue is 86 feet long. Judg-
ing from the plans the building will
be the most beautiful in the city,
the front part being adorned with
six large granite columns. The build-
ing will be built of the best bed-
ford stone, and the interior is to be
finished in the most elegant man-
ner with tile floor in the lobby. The
plans for lighting are the best ob-
tainable. The building will be prac-
tically three stories high with the ex-
ception of a large work room in the
rear, where the mail is assimilated,
which is a very large square room
well lighted both day and night.

A unique feature in the plans
are long elevated runways called look
out. One runway goes the full
length of the work room. At inter-
vals there are peek-holes so that
anyone who happens to be in these
lookouts can have a supervision of
the whole office. There is also a
small lookout near the postmaster's
private room which also contains
peek holes. These lookouts are placed
in all new government buildings
and are so devised that a govern-
ment inspector can enter the build-
ing and can remain for several days
watching the employees doing their
work and the employees are not
aware of his coming or going. Ap-
parently the government thinks the
postmasters about the country are
bear watching, hence the lookout in
the postmasters room.

**TWENTY-THREE BALLOONS GO-
ING UP**

Farmers Watch Which Way The
Wind Blows And Look For
Balloons

**EACH BALLOON HAS A VALU-
ABLE GIFT ATTACHED**

As the saying goes "It is an ill
wind which blows no one any good." Watch the wind and the sky at nine o'clock Thursday morning of next week as this wind may bring you luck. Promptly at nine o'clock Farmers' Picnic morning twenty three toy balloons will be liberated on Central Ave. and 8th street and attached to each one of these balloons is a ticket which entitles the catcher of one of these balloons, that which is written on the ticket.

So Farmers when you come to the
land Thursday morning try and in-
tercept one or more of these floating
prizes and bring the ticket to the
plate of business mentioned on said
ticket and get the prize. The follow-
ing firms will have a balloon in this
balloon race, each designating on
the ticket attached to their balloon
what they will give to the person
bringing back the ticket.

**STEKETEE—CRAMER CASE
STARTS THIS MORNING**

The case of Henry Cramer vs
Cornelis Steketee was opened in
Circuit Court at Grand Haven this
morning. This case is a suit for
damages arising out of an arrest
made by Officer Steketee nearly two
years ago. Mr. Cramer was tried at
the time in Circuit court on a
charge of resisting an officer, and
acquitted. Subsequently he com-
menced his action against the of-
ficer, for damages incurred during
the making of the arrest. It is this
action that is being tried today.
Visscher and Robinson are attorneys
for Mr. Cramer and Mr. Steketee is
represented by attorneys Fred T.
Miles and Arthur Van Duren.

This Engine Will Be Given To Some Lucky Farmer

The above engine is a photograph of the one to be given away

**MAN FELL 1,800 FEET FROM
AIRO PLANE AND LIVED**

Once Gave Exhibitions in Holland
And Jenison Park

Edger McGurrian of Grand Rapids
who fell 1,800 feet from an airo
plane which he tried to leave with
a small parachute is recovering.
Nick Whelan while secretary of the
fair a few years ago hired McGurrian
for a week engagement at the Hol-
land Fair in a bicycle stunt in which
the daring young man went round
and round in the inside of a large
ball made of wire, which was consi-
dered at that time a very daring feat.
He also exhibited at Jenison Park
for a whole month about six years
ago.

McGurrian's latest thriller was to
ascend in an aeroplane with Roy
Francis, and when high in the air,
throw out his light silk parachute
and leap from the machine. The
ropes became tangled and he dropped
like a stone. Francis and other
aviators, it is said, made desperate
attempts to fly beneath the falling
man and break his fall, but were un-
successful.

McGurrian's career as a dare-devil
began when he left a boys' military
school at the age of 15 and joined a
circus. A year later he was looping
the loop on a bicycle with Forepaw
& Sell Bros. circus.

He later joined Barnum & Bal-
eys, and was one of the few men in
the country who dared to ride in
an automobile which turned turtle
in the air above another machine,
landing on an incline and coasting
to safety.

When the circus thrillers became
too tame, he entered the aviation
field, where he frightened even the
members of his profession by his
reckless feats of daring. At one time
in Kansas, after his parachute had
opened in a feat similar to the one
he was doing in Chicago, he climbed
up the threads of the parachute
until it was almost closed, dropped
like a plummet for almost a hundred
feet, and then let it open again. On
this occasion his ribs were fractur-
ed.

CAUGHT AS A SPY BY GERMANY

Is Brother Of Louis Conger Former-
ly of Holland

Seymour Beach Conger, of Grand
Rapids, Mich and brother of Louis
Conger formerly editor of the Sentin-
el of this city, the Berlin representa-
tive of the Associated Press, has
been a prisoner since last Saturday
in Gumbinnen, East Prussia. He
was arrested as a spy while making
for St. Petersburg and up to this
evening was still being held.

Ambassador Gerrard conferred
with officials of the ministry of
Foreign affairs, who promised to
make an investigation of the case at
once, but ambassador Gerrard was in-
formed that Conger would not be
allowed, under any circumstances,
to continue his journey in to Russia.
Spy in war time are severely dealt
with, generally they are shot.

About thirty members of the C. E.
society of the 3rd Reformed church
of which Peter Notter is superintend-
ent had a launch party last evening.
They went to Ottawa Beach where
Mr. Notter gave them a nice talk af-
ter which a marshmallow roast was
indulged in. But lo and behold when
it was time to go home the engine in
the launch, as is so often the case
would not work and one of the re-
sort steamers were chartered to
bring the picnickers home. The party
arrived in Holland at midnight.

**WATER RATES TO BE DISCUSSED
AT A JOINT MEETING—GIVE
LIST OF PEOPLE WHO
WILL BE COMPELLED
TO CONNECT WITH
SEWER**

Was it a lively and interesting
council meeting last evening?

Well I should say!
After a three weeks lay-off, the
council, met promptly at 7:30 and
no doubt there was a greater variety
of business performed, discussed
and gone over than at any meeting
during the year. From automobile
lights to cemetery lots, and from
alleged irregularities in connection
with one of the city departments to
sewer connections. From the inspec-
tion or non-inspection of dirty chim-
neys to swimming pools.

The question which created the
most interest and held the council
and the large body of spectators
most strongly was the investigation
of the City Attorney's office relative
to a settlement between Mr. Stone
a saloonkeeper and Mr. Kuite who
had leased the building and after-
wards when Mr. Stone asked to move
to a better location a cash settle-
ment was made with Mr. Van Duren
City attorney as attorney for Mr.
Kuite and Mr. Stone. This settle-
ment is the bone of contention
which is fully explained in the com-
mittee's report is as following:

(Official)

To the Mayor and Common Coun-
cil of the City of Holland.

Gentlemen:—
Your special committee appointed
at the Council Meeting held July 31
to investigate the matters contained
in the report of the license commit-
tee of that date, beg leave to report
as follows:

They find that before the report
of the license committee July 31,
two of the members of such commit-
tee, who are also members of this
committee, namely, Aldermen Van
der Ven and Kammeraad, called on
Jacob Kuite, Jr. and he stated to
them in reply to their inquiries re-
lative to his settlement with Enos
Stone, substantially as follows, after
being informed by them that they
as members of the license committee
had come to find out about his settle-
ment with Mr. Stone and whether
the same was satisfactory. After
Mr. Kuite had taken these gentle-
men into the back room of his build-
ing and after the following conver-
sation took place:

Q. Mr. Kuite, did you receive a
satisfactory settlement from Mr.
Stone? A. Yes sir.

Q. Did he pay you in full?
A. Yes sir.

Q. What did you charge him?
A. I had rented the building to Mr.
Stone for \$30.00 per month, and as
I can get only \$20.00 per month
from other parties, I consider my
loss to be \$10.00 per month.

Q. For how long a time was you
to rent the building to Mr. Stone?
A. For one year.

Q. So then you charged him
\$120.00, did you? A. No I let him
off for an even \$100.00.

Q. And you have received pay-
ment in full? A. Yes sir.

Q. So the deal is settled satis-
factorily to you? A. Yes.

Q. Are you willing to give a re-
ceipt for this in writing showing
that the settlement has been made in
full? A. Yes.

That in the afternoon of the same
day, July 17, Mr. Vander Ven called
at the business place of Mr. Kuite
and showed him a statement that he
had prepared and Mr. Kuite after
looking at the same signed it. This
statement is attached hereto and
made a part of this report and reads
as follows:

Holland, Mich., July 17th, 1914.
Received of Enos Stone the sum of
One Hundred Dollars (\$100.00).
The same being settlement in full
releasing him from an agreement
between us whereby he had leased
my store building located on 200
East 8th St. for the purpose of op-
erating a saloon.

Jacob Kuite, Jr.
That before making the report of
July 31, the license committee secured
the affidavits of Mr. Stone and
Mr. Cummings, which are also hereto
attached and made a part of this
report, showing substantially the
facts set forth in the report of the
license committee, and are as fol-
lows:

Affidavit of Stone and Cummings
State of Michigan

County of Ottawa
Enos Stone and Roy Cummings,
being each for himself duly sworn,
depose and say that after the allow-
ance by the city Council of the

NEW HOLLAND

A Wagoner and daughter Anna of Grand Rapids and Mr. and Mrs. John Wagoner of Three Rivers called on their friends here last week.

Mrs. John Boer and daughter, Mrs. Baker of Grand Rapids called on friends here last week.

Ed. and Mrs. Vanden Berg attended the funeral of Dr. H. Kremers in Holland last week Saturday.

Farmers are all very busy with their crops. Some had to leave cutting hay to cut the wheat. The wheat, hay and oat crops are the largest we have had for years in this locality. The beet and corn crops do not look so well.

Mrs. Isaac Houting spent a day at the home of Mrs. John Bos of Pine Creek.

Ben Vinkemulder is harvesting his crop of raspberries, which is very promising.

At our last annual school meeting 43 voters were present. K. Weener was elected in place of H. Siersema resigned, and Jacob Van Dyk was re-elected as a trustee. A committee was appointed to see that our school was properly heated next winter.

Arie Hoffman, one of our most prosperous farmers, reports that he has harvested about 51 tons of hay and of the very best quality. His beet, wheat and oat crops are looking fine. He says the only way to farm is the right way.

Johannes Stengen is the owner of a new Overland automobile, which he bought a few days ago from Jackson of Holland. He is now busy building a garage for the same.

Mrs. Wm Voss went to Holland last Wednesday.

Miss Hannah Essenberg was numbered with the sick last Saturday.

Mr. Fred Breuker is improving his farm by building a granary. He must have some place to store his grain.

Mr. Joe Aalderink was quite a sick boy last Saturday. At times he was so bad that his father was called from the field to his bed side.

Comstock's folks visited their old farm home last Thursday.

Pickle season is started. Many farmers are busy themselves to pick their pickles.

HAMILTON

Hamilton has undertaken something which perhaps no village of its size has undertaken before, namely, the holding of a six-day chautauqua, Aug. 8 to 13 inclusive, every afternoon and evening, and which bids fair to rival the chautauquas held in much larger towns. In order to make it a success, extraordinary work is being done by the business men of Hamilton, and several of the most prominent ladies have interested themselves to make the chautauqua a success, as they aim to sell not less than 200 season tickets, which is a large amount for a town of its size. Much encouragement is met with, however, and almost everybody is buying one or more tickets, which are sold for only \$1.25 for the full 12 entertainments or a little more than 10c for each. Tickets sold through the Hamilton committee, however, before the chautauqua opens are sold for only \$1, which is so cheap that no one would ever regret buying one.

VRIESLAND

Mrs. Arend Van Zoeren of Vriesland is dead at her home in Vriesland. She had been confined to her home for three weeks. After a few days of suffering she died Monday at her home. She is survived by a husband and two sons, Gerrit of home and William a veterinary of Vriesland; also by an aged mother, Mrs. Wm. Maurits, who has been making her home with Mrs. Van Zoeren for some time past. The funeral was held this noon at 12:30 o'clock at the home and at 1:30 o'clock at the Vriesland church. Interment was at the Vriesland cemetery.

OVERISEL

Born to Mr. and Mrs. Fred Fokkert, a daughter.

The army worm has made its appearance in this vicinity. Thus far it has not done much damage.

Rev. A. Vandenbergh of Grand Rapids has been spending his vacation in Hamilton with his old-time friends and relatives.

Rev. Vander Mel and family of Fishkill, New York, visited with Mrs. Vander Mel's father and sisters in this place a few days last week.

Rev. A. J. Hekhuis of this place occupied the Holland pulpit in Allegan last Sunday.

JAMESTOWN

The old settlers of Jamestown and surrounding country have again called their annual picnic which will be held at Spring Grove near that village on Saturday, August 8, beginning at 10:30 o'clock.

The speaker of the day will be the Rev. J. Van Westenberg of Grand Rapids, and there will be short after dinner speeches.

This will be the twelfth annual old settlers picnic held at Jamestown and it never fails to bring out the hundreds of people from the surrounding country and young and old look forward to the big event every summer.

Farmers' Take Notice!

We will insure your grain in the shock, stack or granary, against loss by fire or lightning for \$1 per hundred for one year, and less for a shorter period.

Protect your year's crop—insure today.

TAG DAY COMMITTEES ARE APPOINTED AND WORKERS ARE ENGAGED

Place Is Assigned for Headquarters and Work Is Proceeding Satisfactorily

Arrangements for the Tag day benefit for the Michigan Children's Home Society are proceeding very satisfactorily.

The committee on arrangements consists of Mrs. G. W. Browning; Mrs. L. M. Thurber, Mrs. George E. Kollen. The financial committee is composed of Messrs I. Marsilje, H. Geelings, Otto Kramer, Henry Winter, A. H. Landwehr.

Headquarters will be at No. 23 East Eighth street in the vacant store next door to the Vandersluis store and ladies' will be there during the day to give any information desired regarding the work. The Home Finder, 'the little magazine published by the society will be at Headquarters for distribution and the ladies are hoping for a very successful day.

Appeals were made in a number of churches last Sunday for liberal gifts on Tag day and for workers to help the committees to sell the tags. These workers are now being pressed into service and on Saturday morning bright and early there will be a small army of them on the streets of Holland with bunches of tags and with money boxes in which to drop the nickels, dimes, quarters and dollars that are paid by the citizens for tags.

Holland has usually contributed in the neighborhood of \$400 to the support of the Michigan Children's Home society and it is believed that some such amount will again be collected on next Saturday.

BREED OF TURTLES GOT MIXED

FINDS TURTLE THAT IS MIXTURE OF ALL KNOWN VARIETIES

John Arendsman and two or three others while fishing got possession of a turtle which they declare is a mixture of all the kinds of turtle they have ever seen. The bottom shell of this wonderful specimen is that of a mud-turtle while the top shell is rounded and is not that of the mud-turtle variety. The legs also are of the mud-turtle type, but the body is unmistakably that of the snapping-turtle. Moreover the neck and throat are of a bright yellow, something that the men who caught the turtle have never seen in any variety. The tail is that of a snapper and the neck looks like the neck of a leather-back. However, the head gives the lie to the guess that it is a leather-back since it is too blunt for that species.

First Day of Official Court Business Sees Naturalization of Eight Applicants

Seven men swore allegiance to the United States yesterday in the Ottawa county circuit court. In the performance they also severed all connections of allegiance and servitude with their mother countries. The names of the new voters of Ottawa county, Mich., are William A. N. Sikkel, Sr., and Willem A. N. Sikkel, Jr., Netherlands of Holland, Mich.; Nicholas Stielstra, a Netherlander, of Holland, Mich.; Aart De Kock, Netherlander of Zeeland, Mich.; Walter Adema, Netherlander of Holland, Mich.; Harry Blystra, Netherlander of Holland, and Antone Boet, Netherlander of Grand Haven.

The times of their different arrivals date from 1851 until barely within the limits fixed by the naturalization laws.

Some of those enrolled could have been called upon to fight in their different countries now in blood conflict. But they are now citizens of the United States and under the protection of the stars and stripes.

CHICAGO WOMAN PAYS A FIVE DOLLAR FINE FOR SPEEDING

The first woman victim of the Holland city speed laws was brought before Justice Sooy today. She was Mrs. Kate Linden Lee Sculley of Chicago who is resorting at Waukegan. She let out her automobile on Eighth street and was speeding at the rate considerable more than the law allows. The auto cop politely told her that she would have to appear before a justice.

Mr. Sooy assessed her \$5 which she promptly paid, although she declared that speeding in Holland was more expensive than it was in Chicago.

FORD COMPANY WILL DISTRIBUTE MILLIONS AMONG PURCHASERS OF FORDS

Local Distributor of Fords to Have Charge of the Cash in Holland.

Henry Ford of Detroit, originator of the Ford Profit Sharing Plan, today announced that he would extend this plan as to include not only the employees of his automobile works in Detroit, but the buyers of Ford machines throughout the United States. In Holland Mr. Jackson distributor of the Ford here, announced Saturday that the buyers of Fords in this city would be given part in the new profit-sharing.

The plan is to sell during the period beginning last Saturday and extending to Aug. 1, 1915, 300,000 Ford automobiles. If this number is reached the Ford Co., will distribute among the people who have bought Fords during that period between \$12,000,000 and \$18,000,000. In Holland the money will be distributed by Mr. Jackson. If the 300,000 are sold the company guarantees at least \$40 to each buyer and probably as much as \$60 depending on the profits of the company.

That will mean that a touring car which sells for \$490 may cost the buyer only \$330.

The profit sharing with the buyers of the concern is entirely new and is being pushed by the concern in its selling campaign.

REV. HOFFMAN GAVE GRAND RAPIDS MAN BAD BUMP WITH AUTO

Zeeland Minister Reaches Settlement With Grand Rapids Man And Case Is Withdrawn From Court.

By way of complete surprise to the court and all attaches assembled Tuesday afternoon in Grand Haven to try the case of Vincent J. Aleszkiewicz vs. Benjamin Hoffman the case was withdrawn from going through process of law and Judge O. S. Cross informed by the bare attested statement from the parties that a settlement had been reached. No explanation is given in the stipulation of settlement.

The case is that of the Rev. Benjamin Hoffman of Zeeland who was alleged by Aleszkiewicz of Grand Rapids to have caused the defendant permanent injuries to the extent of \$10,000, when driving on the left side of a Grand Rapids street about a year ago.

As a result to a sudden change in the afternoon program the jurors called for the Hoffman case were given a rest in the afternoon.

PROMINENT GRAND HAVEN ATTORNEY PASSES

GEORGE A. FARR DEAD AT AGE OF 72 YEARS

George A. Farr, 72 years old, a prominent attorney of western Michigan and former collector of customs at Grand Haven, died Tuesday at his home in Grand Haven, following a long illness. Mr. Farr was a veteran of the Civil war, serving in the First Michigan infantry and as sergeant.

He attended the Michigan Agricultural college in 1870 and began the practice of law in Ottawa county in 1873; served from 1879 to 1882 in the state senate and was regent of the University of Michigan for six years. Mr. Farr was vice president of the Grand Haven State bank. A widow and seven children survive.

It was 25 years ago yesterday that L. E. Van Drezer landed in this city to launch forth on the restaurant career in which he has been eminently successful. Mr. Van Drezer started out in business on N. River St. He began in a small way. Holland was then a good deal smaller than it is today and there was not as much restaurant business as there is now. But Van Drezer was successful from the start and after about three years in the River street place he moved to more commodious quarters on Eighth Street.

This was the stand where the John Hoffman restaurant is now located and here is where Mr. Van Drezer operated Holland's best known restaurant for eighteen years selling out to John Hoffman.

L. E. VAN DREZER STARTED IN BUSINESS QUARTER OF A CENTURY AGO.

Local Italians who have not become citizens of the U. S. must either return to assist the mother country in the present war crisis or pay a heavy penalty. Many of the Italians in the state have already received their orders to return home or send \$200.

It is almost necessary to send the money, because the relatives of the man in America are liable for the amount with a penalty added if it is not paid frankly. It is impossible to force the Italians to return.

AMERICAN ITALIANS ARE COMMANDED TO ASSIST MOTHER COUNTRY IN WAR CRISIS

The same rule applies to the Austrians. In that country the relatives can be imprisoned if the men in this country don't return to fight, or pay their penalty.

BEAR LIFTS SCALP OF ANIMAL CIRCUS AUDITOR

While showing in Muskegon, Al Wolf, auditor for the Barnes circus was attacked and severely injured by a Russian cinnamon bear at the show grounds Friday afternoon. His scalp was torn from his head and he was slashed about the shoulders by the animal's claws. Wolf was passing where the bear was staked out when the animal sprang and struck him a glancing blow across the head and shoulders. Wolf was taken to the Hachley hospital.

Lame Every Morning

A Bad Back is Generally Worse in the Morning. Holland People are Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all. You can't get rid of kidney back ache, until you reach the cause—the kidneys. Doan's Kidney Pills are especially prepared for weakened or disordered kidneys—have been gratefully recommended by thousands.

Testimony of Holland people proves the merit of Doan's.

"I was all crippled up with my back," says Mrs. Sarah Kelley, of 27 W. Sixth street, Holland. "For a week or two I was unable to get about and I often thought my back would break. Mornings, when I got up, I could hardly stoop to tie my shoes. I had heard so many people speak favorably about Doan's Kidney Pills that I got a box and it was not long before they brought me relief. I have had no further need of a kidney medicine."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kelley had. Foster-McBurn Co., Props., Buffalo, N. Y.

Minutes Mean Dollars

IN TREATING ANIMALS

Don't lose the time and money in treating animals. You also realize that wrongly applied remedies are often worse than no treatment at all. In other words, not to diagnose disease accurately may prove fatal. Every owner should be able to recognize an ailment and give correct treatment at the first symptoms. Prompt action is the great secret of treating horses.

Minutes mean dollars. Of course proper treatment is always necessary. That is just how Humphrey's 500 page Veterinary Manual will prove so valuable to you. It is by F. Humphrey, M.D., V.M., and teaches how to diagnose and give proper treatment.

This book will save you hundreds of dollars and cost you nothing. It will be sent absolutely free on request to any farmer in order to introduce Humphrey's Veterinary Remedies. Remember, it is absolutely free. You do not have to order any remedies to secure the book. Address, Humphrey's Homeopathic Medicine Company, 150 William Street, New York City. This is a splendid opportunity to obtain a veterinary treatise that you should have in your library. As a reference work you will find it invaluable. To have it in the time of need will be worth many dollars, whereas it will cost you but a post card by writing for it now.

BOARD OF PUBLIC WORKS NAMES COMMITTEE TO LOOK INTO MUNICIPAL PLUMBING.

Will Discuss the Matter With the Common Council Committee Before Taking Steps.

The Board of Public Works at their meeting Monday night discussed municipal plumbing recommended some weeks ago by Mayor Bosch in a message to the common council. The message of the mayor was at that time referred to the board of public works with the recommendation that that board carry out the provisions contained in it.

In accordance with these instructions the board Monday took the first steps. They appointed a committee to give the question careful attention and to make certain investigations that will be necessary to secure facts in regard to opening a department of municipal plumbing. This committee will meet with the mayor and with a committee of the common council to talk the matter over and to make further definite plans.

Moreover this committee will attempt to learn more definite facts about the difficulties in the way of such a step. It is declared by some that it will be hard for the city to establish such a system because of the difficulty to get material from the supply houses at low rates.

All the difficulties will be gone into carefully by the committee and presented to the council for consideration before any definite steps are taken. The report will not be made at the council meeting tomorrow night since the committee will not be able to make all the necessary investigation before that time.

BLACK LIST MAKE DRINKING MEN CAREFUL

BUT MEN MUST TOE THE MARK OR THEY WILL GO BACK ON AGAIN.

At the meeting of the Board of Police and Fire Commissioners Monday night three names were taken off the black list. The men were present at the meeting and made the request in person. Some time ago the board made the rule that a person put on the list was to stay on for a year at least, but that applied to those who were put on after the date when the new rule was passed and hence it did not apply to the three whose names were removed last evening. However they were given to understand that the rule would apply to them in so far that if they did not live up to the mark they would automatically go on again and then they would be on for a year at least.

The Black list consumed the greater part of the board's time last evening. The session was a long one and much of the discussion was about Black List matters.

Rev. and Mrs. Edward Vander Vries Entertain Relatives

A social gathering in the nature of a family reunion was the plan taken by the Rev. and Mrs. Edward Vander Vries, in Grand Rapids, formerly of Holland for the celebration of their fortieth wedding anniversary which occurred Thursday.

All members of the family were present. The guests included Mr. and Mrs. C. E. Vander Vries of Kalamazoo; Dr. and Mrs. John N. Vander Vries of Lawrence, Kansas; Mr. and Mrs. Frank Vis and daughter, Marguerite, of Jenison, Mich.; Mr. and Mrs. Clinton Lincoln of Holland; Edward Vander Vries of Paola, Kansas; Mr. and Mrs. A. A. Spoelstra and sons, Raymond and Lloyd, Mr. and Mrs. Fred VanderVries and Clarence Den Herder of Grand Rapids.

WITHIN A SHORT TIME PEOPLE CAN AGAIN USE LAWN SPRINKLERS.

As Soon as Reports of Chemical Analysis Comes Water Will Be Turned Into Mains.

It is expected that within a week or perhaps less the people of Holland will again be allowed to use their lawn sprinklers. Supt. Champion, was given permission by the Board of Public Works at their meeting Monday to issue the statement allowing the use of the sprinklers as soon as it is found that the chemical analysis of the water from the new station proves satisfactory. The station on 28th street is completed and the water is available for use. Samples have been sent to the state chemist and his report is all that Superintendent Champion is waiting for. As soon as that arrives provided it proves satisfactory, the water will be turned into the mains and then Holland will have the largest supply of pure, clear water it has had in years.

To Superintendent Champion belongs the credit for the rapid progress made in the construction of the plant. When the board decided to build a new water station on 28th street, Mr. Champion said that it could be completed by August 1. And right on the dot on Aug. 1, the new plant was completed and ready for use. It would be in operation now if it was not for the delay in receiving the results of the analysis. The plant was built in 45 days. It includes fifteen "points" or wells, 28 feet deep, mains, pipes, etc.

During the construction of the plant nothing has been left undone to expedite the work. The board has held frequent meetings and efforts has been made to secure an adequate water supply at the earliest possible moment.

There has been no serious shortage in water during the summer and it was not necessary to let the water

from the well that has been discontinued back into the mains. As a result the water has been clear and the inconvenience to the public has been slight.

PLANS ARE BEING MADE FOR A BIG CELEBRATION IN ZEELAND IN THE FALL

Sometime in the fall Zeeland is to celebrate a Home-Coming. In addition to the old settlers and their descendants there will be thousands of the present day inhabitants of the surrounding country for miles around, if present plans carry, to spend a genuine, old-fashioned good time in Zeeland. It is almost certain that a big four days' Home-coming will be pulled off and if successfully carried out, it is estimated that thousands will be present at the big festival.

In the near future the business men and other boosters expect to hold a meeting to complete arrangements for welcoming the visitors at the approaching Home Coming.

The Rev. and Mrs. J. Smittler left Wednesday on a vacation trip of a couple of weeks which will be spent in the east. From here they will visit the Niagara Falls and thence on to points in the east. Next Sunday the pulpit of the North Street church will be occupied by Candidate Pikaart of Grand Rapids, while the following Sabbath, Rev. J. Weersing of Grand Rapids will preach there. Mr. Weersing will visit relatives in Zeeland and vicinity for several days.

COMMITTEES MAKE FURTHER ARRANGEMENTS FOR FARMERS' PICNIC

Gas Engine to Be Awarded to the Farmer Bringing in Largest Number on Single Wagon

The committees in charge of the Farmers' Picnic plans in Holland on Aug. 13 held a meeting Monday morning and made further plans for this event. The committee made arrangements for three hundred dollars worth of prizes to be distributed among the winners of the various contests on that day.

The new Holland Gas Engine Co. has put up one of the finest prizes of all. It is a one and a half horse power engine to be presented to the farmer bringing into the city in a single wagon. Any number of horses may be used to draw the wagon, and it is expected that some very large crowds will be seen trailing along the country roads on single wagons.

The parade of the day will be an elaborate one and it will pass along the main streets of the city. Arrangements are being made for several bands to furnish the music of the day. Dinner will be served in Lincoln park. The visitors are expected to furnish their own lunches, but coffee and lemonade will be free.

In the afternoon there will be the following contests: toboggan slide, greased pig, tug of war, sack races, pie eating contests, pole climbing, potato race, and a number of others. The tug of war will be between the various townships represented. A captain will be chosen from each township and a liberal prize will be provided for the winner. Late in the afternoon there will be a balloon ascension, and in the evening there will be band concerts in both Lincoln and Centennial Parks.

Coffee and Lemonade served free in Lincoln Park on Farmers' Picnic Day Thursday August 13.

ALL HOUSES IN ZEELAND TO BE NUMBERED

In Another Indication Of Growth Of That City

The common council of Zeeland has passed a house numbering ordinance—another sign of the growth of that thriving little city. During the past year the city has been making rapid strides toward installing up-to-date city conveniences. The numbering plan will be made in accordance with the following clause in the ordinance:

"That the city for numbering purposes be and is hereby divided into two districts, making Main street a dividing line and numbering north and south from that street; and the streets running east and west commence from State street, and number both ways; that a number be assigned to every twenty feet frontage on all streets, both those running north and south and east and west, and that the odd numbers be given to the north and east sides of the streets and the even numbers to the south and west sides of the streets, allowing 100 numbers for each block."

BORROWS A DOLLAR TO ODROWN HIS SORROW: LANDS IN THE COURT

Albert Schaefer of Chicago, an employee on the steamer City of Grand Rapids, appeared before Justice Sooy today charged with drunkenness. He had on his person a certificate showing that he was on his way to a marine hospital. He claimed that he had been robbed of \$8.50 and that he had borrowed a dollar. Probably with a view of drowning his sorrows he bought something to drink with this borrowed dollar and that is how he landed in the hands of the police. He said he was on his way to Benton Harbor and Justice Sooy told him to go there as soon as a train could take him. He suspended sentence and Schaefer took his departure immediately.

change of location as to the saloon license applied for by said Stone from the so-called Kuite building on East Eighth Street to the so-called Miller building, which Council Meeting was held on or about the 15th day of July 1914, subject to a satisfactory settlement being made between Mr. Stone and Mr. Kuite, and the question of said settlement had been referred to the license committee of said Council, the same evening Mr. Van Duren, the city attorney approached Mr. Stone and asked him if he would like to have him—Mr. Van Duren, arrange the settlement between Mr. Kuite and himself, and said if so, that said Stone was to come to his office the following morning about eleven o'clock and this the said Stone assented to;

That the following morning at the time agreed upon, said deponents both went to the office of the city attorney, where they were informed by said city attorney that Mr. Kuite demanded for a settlement the sum of one hundred eighty dollars; that Mr. Stone protested against the payment of so large a sum and suggested that the city attorney go to see Mr. Kuite, which was done, and after being gone a very few minutes he returned and stated that Mr. Kuite would not accept less than one hundred sixty dollars, which must be paid in cash; that said Stone did not have the amount with him, and said he would go away and get one hundred dollars, and Mr. Van Duren agreed to go good to Mr. Kuite for the balance of the one hundred sixty dollars;

That deponents returned after dinner the same day with the one hundred dollars, and then Mr. Van Duren asked what Mr. Stone thought his services were worth in this matter: Mr. Stone told him that he was willing to pay whatever the other boys paid for such services, and Mr. Van Duren informed him that they usually paid twenty-five dollars, and Mr. Stone told him that that was satisfactory to him; and Mr. Van Duren further stated that he would cut his charges down to only fifteen dollars; so as to make the entire balance over and above the \$100.00 already paid only seventy-five dollars; and for this Mr. Stone was to give a note payable in three months, which note said Stone gave; it being understood and agreed that Mr. Van Duren was thus receiving only \$15.00 for his services, and was to further act as attorney for Mr. Stone in any other little matters that might come up during the year.

That later on the 29th day of July 1914, said Stone further paid Van Duren the sum of Fifty dollars in cash, and Van Duren turned over to him the note which was by said Stone destroyed, Van Duren stating that he would enter a charge upon his book against said Stone for the balance, namely \$25.00; and that said Stone understands at the present time that there is such a charge on Van Duren's book against him.

Deponents further say that said Van Duren gave said Stone a receipt for the \$150.00 so paid, which receipt is dated July 29, 1914, and is made in full of all claims of J. Kuite, Jr.
And further deponents, say not.
Enos Stone
Roy Cummings.
Subscribed and sworn to before me this 31st day of July, A. D. 1914.
Kathryn Oosting,
Notary Public, Ottawa Co., Michigan.
My commission expires Oct. 9, 1915.
That on the 4th day of August, your committee met and took the statements under oath of all of the parties interested and concerned, namely, Enos Stone, Roy Cummings, Jacob Kuite, Jr. and Arthur Van Duren, our city attorney.
That at the time of the settlement at Mr. Van Duren's office, Mr. Stone received from Mr. Van Duren a receipt in full for \$100.00, which receipt is hereto attached and made a part of this report, and reads as follows:

RECEIPT

Holland, Mich., July 16, 1914
\$100.00
Received of Enos Stone
One Hundred Dollars.
In full payment of difference between Stone vs J. Kuite, Jr. on lease of building No. 200 E. 8th St.
Arthur Van Duren.

That at the same time Mr. Stone was informed that Mr. Kuite was to receive \$60.00 more, which, he, Mr. Van Duren would include in a note for \$75.00, due in six months without interest if paid at maturity, payable to Mr. Van Duren. This note was offered in evidence but is now in the possession of Mr. Van Duren. The remaining \$15.00 of the \$75.00 note was to go to Mr. Van Duren as payment for services part of which were to be rendered during the coming year, as required by Mr. Stone.

That on July 29, Mr. Stone paid Mr. Van Duren \$50.00 in cash and received another receipt in full, which is hereto attached and made a part of this report, and reads as follows:

RECEIPT

Holland, Mich., July 29, 1914
\$150.00
Received of Enos Stone
One Hundred fifty Dollars.
In full payment of all claims of J. Kuite, Jr. on building 200 E. 8th St.
\$100.00 heretofore received for.

ARTHUR VAN DUREN.
That the testimony of Mr. Stone and Mr. Cummings hereto attached and made a part of this report are admitted by the city attorney to be substantially correct so far as they relate to the settlement with Mr. Kuite.

That on the examination before your Committee on August 4, Mr. Kuite gave a far different statement, than that given by him to the two members of the license committee when they called on him on July 17, and contradicted the statement signed by him although admitting the execution of the statement referred to above. His testimony is hereto attached and is substantially to the effect that he asked in the beginning \$180.00, claiming that he could rent the building to other parties for only \$15.00 a month, and that he should have the difference of \$15.00 a month for one year; but that he authorized a settlement through Mr. Van Duren for \$150.00, and that he received \$100.00 at the time the same was paid by Mr. Stone and received \$50.00 more later, last Friday, July 30, and also that he had not read the statement signed by him, and supposed that it was only a receipt for \$100.00.

That at the time of the investigation Mr. Van Duren was allowed to state his position and make a full explanation, which explanation was similar to that made by Mr. Kuite. This statement is also hereto attached.

That Mr. Stone's testimony would indicate that the city attorney is retained by all or at least by some of the saloon keepers of this city. His testimony on this point is as follows:

Q. How much of the balance if any, represented the bargain between you and Mr. Van Duren for service? A. It was supposed to be \$15.00, that is the way I understood it.

Q. You say that Mr. Van Duren told you that the other boys paid \$25.00 for such services? A. Yes sir, for services for one year.

Q. What other boys did he mention? A. The other saloon men.

Q. Did he say the other saloon men? A. Yes sir.

Q. Did he name any of the other saloon men that he was retained by for \$25.00 a year? A. No sir.

Q. But he told you that the other saloon men paid him \$25.00 a year, that is right? A. Yes sir.

Q. This \$15.00 that you were to pay Mr. Van Duren did that include any other services besides what he had done for you in settling this Kuite matter? A. Yes sir.

Q. What other services if any, did that include? A. Making out a lease for me, City and State applications, and any other little thing that had to be done for the year or that might come up, he said that would cover all of it.

Q. What was he to do that year for you? A. Any little thing that might come up.

Q. Any little troubles that came up in your line during the next year was to be taken care of by him for the \$15.00? A. Yes sir.

This is denied by the city attorney although he admits being retained by Mr. Stone.

Your committee therefore finds that the report of the license committee made July 31 was based on good and substantial grounds.

That the receipt of Arthur Van Duren to Enos Stone, dated July 16, for \$100.00, and the statement made to the members of the license committee by Jacob Kuite, and which statement was afterwards put in writing, correspond with each other, and shows substantially the same state of facts.

Your committee has made a full and complete investigation and we believe a full, complete and honest report of our findings, and respectfully request the Council to take such action on our report as the same shall seem to them to justify. In fairness to the city of Holland and to the parties involved.

Dated this 5th day of August 1914.

Special Committee.

The report that created all the stir in the city attorney's office is the following, reported out by the committee last Friday.

(Official)

To The Honorable, The Mayor and Common Council of the City of Holland.

Gentlemen:—
At a meeting of the Common Council held on the 2nd day of July 1914, an application was made by Enos Stone for a license to conduct a saloon to be located in the so-called Kuite Building at Number 200 East Eighth Street, and which license was granted.

At the next Council Meeting held July 15, Mr. Stone made a new application for change of location as to his license from the Kuite Building to the so-called Miller building, also located on East Eighth Street, which change of location was allowed Mr. Stone, subject to his making satisfactory settlement with Mr. Kuite, and the matter involving such settlement was at that meeting referred to your Committee on licenses, and relative to this settlement your committee begs leave to report as follows:

We find that a settlement has been effected between Mr. Kuite and Mr. Stone, but that the fairness of this settlement has however, been questioned.

We find upon investigation the facts to be as follows:

Mr. Van Duren, our city attorney undertook a settlement between the parties, Mr. Stone and Mr. Kuite, and solicited such business; that he represented to Mr. Stone that Mr. Kuite must have \$160.00 in cash and also arranged with Mr. Stone for an additional attorney fee; that Mr. Stone has paid the city attorney \$150.00 for Mr. Kuite; and that there is still a charge against Mr. Stone of \$25.00;

That your Committee called upon Mr. Kuite relative to the settlement and Mr. Kuite stated that he had

asked only \$120.00, and had finally consented to accept \$100.00 in settlement and that all he received from Mr. Stone was \$100.00.

INASMUCH, therefore, as every act by every department of our City Government should be entirely above suspicion to the end that no injustice may be done anybody, Your Committee would therefore recommend:

(1) That the change of location as applied for by Mr. Stone be granted;

(2) That the Mayor appoint a committee to investigate the facts concerning the settlement between Mr. Kuite and Mr. Stone, and especially the part taken in this settlement by our City Attorney.

Respectfully Submitted,

Wm Vander Ven

License Committee.

After the Committee had reported the Mayor came in with a message covering the subject which follows:

August 5th, 1914.

To the Honorable, the Common Council of the City of Holland,

Gentlemen:—

In view of the fact that the license committee brought in a report to this council on the evening of July 31st, in which, in implication at least, grave reflections were cast upon the city attorney, and in view of the fact that at your request I appointed this committee to make investigations into the matter; further, in view of the fact that this committee has submitted a supplementary report, a few words from me at this time, by way of setting forth the salient facts of the whole matter as clearly and briefly as possible, may not be out of place.

In the first place then, it is my opinion that the license committee has acted entirely in good faith. When they brought in their report last Friday night they did so on the ground of evidence which seemed strong and which appeared to warrant entirely the action which they took. Their action was supported by affidavit and by written and verbal statement. And I wish to state publicly that I wholly approve of what they did. It was not their fault that Mr. Kuite repudiated absolutely his verbal statement as well as a statement over his own signature.

Mr. Kuite told the committee on the 17th, of last month, or there about, that he had demanded \$120.00 in full payment for his claim and that later he had agreed to take \$100 in full payment.

He backed this up by giving the committee a written statement showing that he had received \$100.00 from Mr. Stone in full settlement of all claims. When brought before the committee yesterday Mr. Kuite denied that he had made the verbal statement and he repudiated the receipt in full that appeared over his signature. On which of the two occasions he spoke the truth, or whether he spoke the truth in either case, is not for me to determine.

It seems that the word of the committee members that he did make the statement is enough, especially in view of the fact that the written statement backed up the verbal statement.

All I wish to point out here is that the committee was fully justified in acting as it did on the testimony it had on hand at the time when their first report was made.

City Attorney Van Duren assumed the duties and privileges that belonged to the license committee when he undertook to arbitrate the differences between Mr. Stone and Mr. Kuite, and in so far, in my opinion, he is culpable. Moreover, it seems unbusinesslike for him to give Mr. Stone a receipt for \$100.00 and to mark it as full payment of Mr. Kuite's claim when as a matter of fact the full amount was \$150.00. But these facts, seems to me, are of comparatively minor consideration. I wish to emphasize the point once more that Mr. Kuite's testimony is vital in the whole controversy, and that his testimony is vitiated by the fact that first he made a verbal statement to the committee and then denied having made the statement; that he signed a receipt for \$100.00 in full payment and denied that the receipt covered the full amount.

If that is all the reliance that can be placed on his word or his signature, what are we to think of the trustworthiness of the original statement he made to the license committee?

On this statement and on the receipt the committee based its report, having no means of knowing they would be repudiated by Mr. Kuite. I have reviewed these facts to clear the atmosphere, if possible, of the misconceptions that result from street talk and unsupported rumors. As I see it, the committee has only what was its duty to do, in the capacity of mayor I believe it right and proper that I should at this time, call the attention of the council, and through it the attention of the public, to the fact that the representatives of this council have not been at fault in the matter, but that the blame for the situation rests with Mr. Kuite whose testimony affected the vital point in the investigation and whose signature according to his own statements was worthless.

I make these remarks with no other purpose in view than to make clear the facts in the case exactly as I understand them.

Respectfully submitted,

Nicomemus Bosch.

Mayor.

A long silence prevailed after the reading of the report and of the mayor's message. It took as if none of the aldermen wished to start any thing and as the committee did not report what action should be taken in the matter the whole council was

at sea.

At last the mayor expressed his desire that the report be filed, this was unsatisfactory to Aldermen Steketee, Vander Hill, Prins and Kammeraad who seem to desire to have some action taken in the matter.

Alderman Congleton thereupon asked the city attorney this direct question:

"Is it a fact that you are representing the liquor dealers in this City and also holding the office of City Attorney?"

Mr. Van Duren answered, "I have never represented them any am not now retained by any of them."

Congleton—Why was it that you represented Stone?

Van Duren—Because he was a stranger in the City and did not know the restrictions of the City ordinance, upon which the other local saloon keepers are well informed.

I did not charge him for this information.

Then several of the Aldermen asked for a recess in order to discuss privately about the matter. This was granted by the Mayor.

Some of the members gathered in an adjoining room and ask the committee to state specifically what action they would recommend. The committee although reluctant, then recommended that Mr. Van Duren resign.

This did not please a majority of the Council members and brought on considerable discussion.

Mr. Slagh asked the council to give Mr. Van Duren a full hearing. Mr. Congleton asked for more time to consider the matter and the Mayor said he saw no harm in giving a fellow a fair show and that all City transactions went on record anyway.

Harrington said it would be very unfair not to grant a delay.

A vote was then taken and those Aldermen who voted to grant a delay of one week for further investigation were Aldermen: Prins, Slagh, King, Drinkwater, Congleton, Harrington, and Vander Hill.

Those who wanted Van Duren's resignation were Aldermen: Kammeraad, Vander Ven and Steketee.

A very important meeting is to be held to clear up the water rates situation in the City. A message from Mayor Bosch explains the object of the meeting:

(Official)

Holland, Mich., August 5, 1914.
To the Honorable the Common Council of the City of Holland,

Gentlemen:—
There seems to be a great deal of misunderstanding among the people of the City of Holland, as to just what the result and meaning is of the new schedule of water rates as proposed by the Board of Public Works to the Common Council, and adopted by the Council at the same meeting at which the report was received.

The people should be well informed on such questions, and they have a right to the fullest information on the subject, both from the Board and the Council.

That the matter may be understood, and clearly put before the water consumers, I would recommend that the Council refer to the question of water rates to a joint meeting of the Board of Public Works and the Common Council, to be held in the near future, for a full discussion and understanding of the matter, and that the entire plan be placed in such form that all may readily understand the entire subject.

Respectfully submitted,

Nicomemus Bosch

Mayor.

Relative to this communication the Council and the Board will hold a joint meeting on August 12, in the Council Rooms at 7:30 o'clock.

The Mayor also proclaimed the following in a message relative to compulsory sewer connections and the payment of such connections:

(Official)

Holland, Mich., August 3, 1914
To the Honorable the Common Council of the City of Holland,

Gentlemen:—
At the last regular meeting of the Common Council I advised and requested that you take certain action relative to compulsory sewer connections in the City, and how the same should be carried out. At that time you agreed with me in my views on the subject and passed a resolution seeking to have the recommendations enacted as a public necessity.

In taking the action that was taken at that time, I think that the Council took step in the right direction for the health and safety of the public.

In this connection I have one other recommendation to make, and which I present for your consideration at this time, and that is the question of deferred payments for the cost and expense in making such connections and installations as were contemplated by the former action. Under section 4, of Title X of the Charter, the Board of Health may have such work done, and charged as a special assessment. Section 17, of Title XXVII provides for dividing special assessments into installments. A careful study of the Charter provisions will reveal the fact that all special assessments are covered by certain general rules and regulations as there laid down, and I feel that the same can also be applied to the sewer connections that are ordered and constructed as contemplated. If I am correct in my conclusions, then it will become possible to permit the payment for such work in any number of installments, up to ten. While in most cases this will not be necessary, yet where it is necessary, the privilege should be extended. I believe that in this way in a very short time, every objectionable place will be connected, and

perhaps a serious epidemic be averted.

While the Board of Public Works is working out the detail of the constructive part of the work that we have proposed, it will become the duty of the Council to work out the details of the financial part of the system, and that there may be no delays. I call this matter to your attention at this time, and recommend that the Committee on Ways and Means be ordered and directed to devise the means necessary for giving practical effect to the action of the Council as taken at the last meeting. This committee can go over the charter provisions, and with the assistance of the other City Officers devise a workable plan, which can be adopted by the council and adapted to each individual case as it arises, with little or no difficulty.

I want to thank the aldermen who agreed with me on the former message, and sincerely trust that all will give their assistance to placing the matter in a workable form without any delay.

Respectfully submitted;

Nicomemus Bosch.

Mayor.

To show that the Board of Health is indeed in earnest relative to sewer connections and that the council is backing them up is shown by the following resolution passed by the board and ordered executed by the council. The names of those who will be compelled to make sewer connections and the Board of Health's resolution follows:

At a meeting of the Board of Health held August 3, 1914, the following resolutions were adopted:

(Official)

Resolved, that the maintenance of privy vaults, cesspools on the premises hereinafter described, in the City of Holland be declared nuisances, and a menace to the health of the inhabitants of the City, and further,

Resolved, That the C. C. be and hereby is requested to conceed in this action, and requested to declare the same nuisances and a menace to the inhabitants of the City of Holland, and that the owners of such premises be requested to connect their respective premises with the sanitary sewer within 60 days after services of notice upon them, and that in default of making such connection that the same be done by and under the direction of the C. C. and the cost thereof certified to the Bd. of Ass. for assessment against the premises so connected, further,

Resolved, that this recommendation be reported to the C. C. at its next regular meeting.

The Mayor was very out spoken relative to sewer connections. He said it was one of the most trying questions the City had to deal with. All those who should connect make excuses on one pretext or another. But I am bound that these connections be made and I don't care if I never get another vote in the City if it would be on account of that. To which we say amen.

City Engineer Naberhuis said that Mr. Van Putten, A. B. Bosman and a Mr. Wright were repeatedly requested to clean up their vaults and make connections but they are not paying attention to these requests.

The Council gave them 30 days to do so otherwise the City will put in the work for them and charge the cost to the property.

Aldermen Steketee and Vander Hill were not satisfied with the way Chief Blom inspects his chimneys, claiming that all he did was to set on his wagon and look wise at the chimney, mark it in his little book as inspected and if not doing that he was found sitting in front of the engine houses.

Alderman King took exception to these statements and said that the best way to find out if the chief is doing his duty is to introduce an index system so that it could be seen at a glance what had been done and what remained undone.

Mayor Bosch defended Mr. Blom stating that at the last meeting of the Police Board it was stated that Mr. Blom had inspected 1900 chimneys, looked after several furnaces and did a great deal of other inspecting.

A full report from Mr. Blom will be made public within a few days.

PUMP SEWAGE FROM TANNERY CREEK DISTRICT TO MAIN SEWER

There is a plan on foot to pump the sewage from the Tannery Creek district to the Central Avenue sewer system. Instead of having it enter at the head of Black lake, the sewage will be pumped into the main sewer and emptied into Black river as does the rest of the sewage from this city. A detailed report of the cost follows:

KING TANNERY CREEK

Estimated cost of taking care of Tannery Creek sewage district.
Main from 5th to 7th Sts. \$330.00
Force main from Pine to Central Ave. 1000.00
Pit and pump house 300.00
Pump and motor 250.00
Incidentals 150.00

Total \$2030.00

Cost of installation \$2030.00

Maintenance

Current \$8.50 per month
Attendance 5.00 per month

\$13.50 per month

The above estimate is based upon the following:
Present flow of sanitary sewage 10000 gallons
Possible increase 20000 gallons
Discharge from laundry 3375 gallons
Tannery sewage 1-5 of their discharge 7500 gallons

Total of sewage 40875 gallons

in gallons per day

H. A. Naberhuis,

City Engineer.

WILL VOTE ON A \$5,500 BATHING POOL.

For some time a bathing pool for the boys has been discussed but nothing has come of it. The waters in Black lake were either polluted or there were too many holes so that the boys were in danger of being drowned.

At last the committee has worked out a plan to construct a swimming pool at the head of Eighth street in Jonker's creek, the cost of building this pool will be about \$5,500.

At last night's meeting it was unanimously decided to leave it to a vote of the people to see if this expenditure could be made. It will therefore be voted on at the time of the state primaries in August.

A specific report of the cost and dimensions of the pool follows:

ESTIMATE FOR PROPOSED SWIMMING POND EAST OF CITY LIMITS AND NORTH OF EIGHTH STREET

Size of pond, 140 ft. on 8th St.
264 ft. length.
230 ft. wide on north end.
Cost of ground \$1000.00
7000 yds. of excavation at 30 cents 2100.00
Rear wall 500.00
Two side walls 800.00
Front wall 200.00
3500 sq. ft. of floor for bath houses at 8 cents 280.00
50 bath rooms at \$10.00 500.00
Incidentals 200.00
Total \$5580.00

Council Notes

Saugatuck wants to buy a water wagon and has asked Holland to sell them the sprinkler used for spreading oil. A committee was given power to sell the sprinkler at the best price obtainable.

The poor received temporary aid to the amount of \$168.64.

Complaints have been coming in from citizens living in the vicinity of the West Michigan Laundry and the Cappon Bertsch tannery stating that cinders from these stacks are troubling them. The matter was referred to the committee on Streets and Crosswalks.

The gas test were as follows during the month of July. Tests made 63, highest 636 lowest 535 average 599. Below 600 there were 28 tests out of 53.

Holland will have drinking fountains for man and beast. One fountain will be put in for the former and two troughs for the latter. A committee has been appointed to find suitable locations for them and report at the next meeting of the council.

CONTRACT FOR ART HALL AT FAIR GROUNDS LET

BOOMERS & SMEENGE TO ERECT BUILDING IN THIRTY DAYS.

Monday morning actual work was begun on the new art hall that is to be erected on the fair grounds at a cost of about six thousand dollars. Boomers & Smeenge have secured the contract for this building and they have begun with the work. In view of the fact that the building must be completed within thirty days the contractors will have a large force of men on the job and every effort will be made to expedite the work. Failure to live up to the contract will mean a forfeiture of a certain amount and hence it is expected there will be no delay.

DESERVING MEN GET MORE PAY THREE OF THEM NOW GET \$1200 A YEAR.

Rural letter carriers Gerrit, Rutgers, John Brinkman and Henry Dekker are the lucky three out of Holland's 13 carriers to receive the maximum compensation of \$1,200 under the new salary schedule for rural carriers which went into effect Aug. 1. Albert Kleis and John Peeks will receive no increases in their salaries and the other carriers will receive only proportionate increases, three of them coming within \$10 of the maximum pay.

The routes covered by Rutgers, Brinkman and Dekker pass through well patronized resort territory.

They left for Chicago in "Lot's wife" fashion Sunday afternoon. Believe me, Fairview is an ideal summer resort.

George Moreland, a colored gentleman, who travelled with the Barnum's circus, appeared before Justice Sooy Friday charged with raising a disturbance. It appears that Mr. Moreland had some trouble with the circus people. He told the justice he was sick of the show business and was anxious to get to Grand Rapids where he knew of a job at which he would have to do some real work. Mr. Sooy suspended sentence and told him to hike. Moreland took 15 minutes to get on a car.

Residents in East Eleventh Street were given an attack of chills Friday afternoon when a man walking M tracks on the main line of the P. M. disregarded the shrieks of the engine of a southbound freight. The stranger kept walking the ties until the engine was within a few feet of him. He reeled about suddenly and the cowcatcher missed him by a few inches. When the train had passed the man again took the track and unloaded curses upon the train crew for interfering with his course.

Obituary

Geo. W. Brnadmore an early settler of this city was called to his final rest July 20th 1914. He was born at Redding Ohio, Sept. 25th 1851. At the age of 8 his parents moved to Holland where he lived until 1871, the year of the fire. After which he went to Grand Lodge. LOCAL HOLLANDERS ARE CALLED TO WAR

Hollanders in this city who are still subjects of Queen Wilhelmina are these days finding out that there is war in Europe and that their native land is being involved in the struggle that is rending Europe. During the past 24 hours orders have come to Hollanders here who are still subject to military service in the Netherlands to come home and take up their part of the burden by defending the country. Some seven or eight cablegrams have been delivered to Hollanders here and more are expected. Orders from the Netherlands government are the effect that the Hollanders must report in person to the mayors of their respective home towns in the Netherlands for military service. Several cablegrams were received Sunday Monday, and Tuesday, the following Hollanders in this city received the notices: F. Diekema, Jan Van Houte, Sabe Van der Ploeg, Jr., J. Van des Ploeg and Peter Van der Woude. The cablegrams were in the Dutch language and were signed by the burgermasters of the different towns from which the men hailed.

Summer Constipation Dangerous
Constipation in Summer-time is more dangerous than in the fall, winter or spring. The food you eat is often contaminated and is more likely to ferment in your stomach. Then you are apt to drink much cold water during the hot weather, thus injuring your stomach. Colic, Fever, Headache, Poisoning and other ills are natural results. Po-Do-Lax will keep you well, as it increases the bile, the natural laxative, which rides the bowels of the congested poisonous waste. Po-Do-Lax will make you feel better. Pleasant and effective. Costly Treatment

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by All Dealers.—Adv.

Good Reason For His Enthusiasm

When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is natural that he should be enthusiastic in his praise of the remedy, and especially is this the case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by All Dealers.—Adv.

Remarkable Cure of Dysentery

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief," writes B. W. Hill of Snow Hill, N. C. For sale by All Dealers.—Adv.

Infection and Insect Bites Dangerous

Mosquitoes, flies and other insects which breed quickly in garbage pails, ponds of stagnant water, barns, musty places, etc., are carriers of disease. Every time they bite you, they inject poison into your system from which some dread disease may result. Get a bottle of Sloan's Liniment. It is antiseptic and a few drops will neutralize the infection caused by insect bites or rusty nails. Sloan's Liniment disinfects cuts, bruises and sores. You cannot afford to be without it in your home. Money back if not satisfied. Only 25c at your Druggist. For sale by Geo. Lage, Walsh Drug Co., and H. Doesburg.—Adv.

WHAT YOU SAW IN THIS PAPER THIRTY FIVE YEARS AGO

Among the social events of the week was the wedding of Mr. Jacob Vander Veen to Miss Wilhelmina Sienk, at the residence of the bride's parents, on Thursday evening last. A large party of friends of the families witnessed the ceremony at 5 P. M. and a reception was given at 6:30 o'clock. Gee's brass band serenaded the party in the evening. The bride looked handsome in their wedding garments, and have the best wishes of the community. We hope they will ever rejoice and never regret the important step taken.

THIRTY YEARS AGO

Jacob Kulte, one of our butchers, shipped one hundred and thirty-two calves to Chicago this week.

Mr. Albert Lahuis, of Zeeland, was elected as a member of the county Board of Examiners at a meeting held last Tuesday.

Many favorable remarks have been made by our citizens as to the beautiful colored paint that adorns the residence of Mr. I. Cappon and we desire, in view of this fact, to call attention to it briefly. The body of the residence is painted a beautiful maroon while the cornice and window sills are of dark olive and the blending of the two colors is strikingly beautiful. The painting work was done by J. Grootenhius and the paints are the celebrated Sherwin & Williams prepared paints for which Messrs. Kremers and Bangs are the sole agents for this city.

TWENTY FIVE YEARS AGO

Herman Rosin will shortly open a commission house in the building opposite Meyer, Brouwer & Co's store, for the purchase of apples, potatoes and poultry.

Married—at Grand Haven Thursday evening, at 7:30 o'clock in the Second Christian Reformed Church, Rev. Jeremias Kruidenier, of this city to Miss Henrietta Pool, of Grand Haven. The ceremony was performed by Rev. G. De Jong. We extend our hearty congratulations to the happy pair.

TWENTY YEARS AGO

The steamer Sport was brought here from Grand Haven by Capt. P. Phanstiel last week, and she ran between the resorts for a few days.

There was nothing insignificant in the part played by the Ottawa county delegation at the Grand Rapids state convention. The speech of Geo. A. Farr, nominating Gov. Rich, was the theme of universal commendation; while the defense of the report by the committee by Mr. Diekema is said to have been masterly and convincing.

FIFTEEN YEARS AGO

Mr. and Mrs. John Rutgers pleasantly entertained a party of friends last Friday evening at Central Park, where Mr. Rutgers is resorting. Refreshments were served and a delightful musical program was furnished by the young men. Those present were Mr. and Mrs. Zaalmink, Mr. and Mrs. Jones, Mrs. Beekman, the Misses Blanche Jones, Anna Zaalmink, and Messrs. Dena Ten Cate, Arthur Ward, George Heunveld, Henry Winter, Fred Beeukes, Isaac Vander Belt, Herman Vaupell and Peter Notler.

Cornelius De Young, of Grand Rapids, the father of ex-mayor De Young of this city, died at his home 517 Ottawa street last Sunday morning, at the age of 71 years and 9 months, after a two week's illness.

T. H. Carr will move his brokerage office from the 1st State Bank building to the offices over John Bosman's tailor shop. The rapid growth of his business makes the move imperative.

Fennville got revenge on the Holland Juniors for the defeat administered to them here a couple of weeks ago by trouncing the Juniors at Fennville Saturday by a score of 10 to 5. The Juniors did not put up as good a game as usual and errors at critical times were largely responsible for their defeat. Batteries for Fennville, C. LIBRARY ISSUES TWO NEW BOOKS

NICOLAY AND HAY'S "LINCOLN" IS PUT INTO CIRCULATION

One of the most valuable sets of books placed in the Holland City library for some time past is Nicolay and Hay's "Abraham Lincoln. A History," in ten volumes. This work is now ready for circulation and it is believed that students of civil war times will find it very helpful. The set is the most authoritative work on Lincoln published.

There are many people in this city who read the Holland language who do not know that the city library has a splendid collection of books in that language. Authorities on Dutch literature have commended it very highly, and new volumes are constantly being added. The library authorities are anxious that the Hollanders shall make the fullest possible use of the library and all are welcome to come for reading matter there.

FARMER THOUGHT THE CHAUTAUQUA QUEEREST CIRCUS HE HAD EVER SEEN

When the Barnes circus was in town a farmer, his wife and two children came to Holland to take in the show. They came in the afternoon and followed the crowd to the big tent. They paid their admission at the gate and proceeded to make themselves comfortable. They sat there for a short time listening. A band got up on the stage and started to play.

"Hannah," said the farmer to his better half, "this be the queerest dad-blamed circus I ever seen. There ain't no animals so far as I can make out and the posters said as it was an animal show."

Hannah agreed with him and the two children were most sorely disappointed. They had come to see the lions and the elephants, and all they saw was a band playing music they couldn't make head or tail to.

It was about 15 minutes before the family finally "tumbled." They had by mistake walked into the chautauqua tent!

The farmer summoned up courage to explain the situation to the door man and his money was cheerfully refunded. The quartet then, happily proceeded on their way to the real circus.

HAVEY DELLUS IS BOUND OVER TO CIRCUIT COURT FOR CARRYING CONCEALED WEAPONS

Patrolman Dave O'Connor picked up a suspicious character at the P. M. station Friday night about 2 o'clock and on frisking him found a 38-calibre revolver on his person. He also was carrying a fish pole and a fishing outfit.

Saturday morning, after a thorough quizzing by Chief of Police Van Ry the suspect said that his name was Harvey Dellus and that he was a cast off of the Barnes' show. He admitted that earlier in the evening he had broken into a refrigerator on the back porch of a residence in the second ward and had abstracted therefrom a hearty supper. The fish rig was on the refrigerator and he took it with the idea of catching his breakfast in the morning, no doubt. The Chief investigated and discovered that the fishing outfit belonged to Albert Keppel. The jimmy with which Dellus broke into the ice box was found in Mr. Keppel's yard.

A complaint was made out on the charge of carrying concealed weapons and after a hearing before Justice Robinson Dellus was bound over to the circuit court for trial.

FERRY BOAT PERRY PARTIALLY DESTROYED BY FIRE

Cause Is Unknown; Firemen Battle With the Flames Till Help Comes.

The passenger steamer D. P. Perry, owned by the Macatawa Resort Co., was damaged to the extent of \$700 by fire at 5 o'clock Saturday morning while lying at her dock in this city. No insurance was carried.

The fireman who slept aboard the boat retired about 2 o'clock, and just before five was awakened by the crackling of flames. He turned on the water and fought the fire until the arrival of the fire department, which was quick to respond and in a short time had the flames under control. The fire started under the canopy top among the life belts and might have been caused by a spark or by a lighted cigar or cigarette which may have been thrown earlier in the night.

Most of the damage was confined to the upper deck forward from the gangway. On the main deck the rails and stanchions were scorched.

The Perry will be repaired at once and until it is again ready the steamer "Bird" of Saugatuck will take its place, having been chartered for that purpose Saturday morning.

SEATING CAPACITY OF FIRST CHURCH BIBLE CLASS TO BE INCREASED.

The quarterly meeting of the Mens Adult Bible class of the First Reformed church was held Monday night at the home of Henry Kooyers Jr., a mile south of the city. The members went to the home of Mr. Kooyers in automobiles. During the business part of the meeting it was decided to enlarge the class room so as to be able to increase the seating capacity by forty. This has become necessary because of the increase in attendance.

Refreshments were served. A male quartet furnished music and the following gave short talks: the Rev. A. Muyskens, of Detroit, J. W. Witterdink, Henry Oosting, Jacob Lokker, Dick Boter, and the Rev. H. J. Veldman.

VETERINARY SPECIALTY CHANGES HANDS

THOMAS OLINGER OF LANSING TO SUCCEED DR. L. L. CONKEY.

Thomas Olinger who has been the secretary-treasurer and general manager of the Factory Supply company of Lansing, Mich., for six years has resigned to take charge of the Veterinary Specialty Manufacturing company of Holland. Mr. Olinger has purchased the latter business of Dr. L. L. Conkey, who established the Grand Rapids Veterinary college and through Dr. Conkey's experience in the profession, the doctor has been able to invent many very valuable veterinary instruments and hospital supplies.

Mr. Olinger takes up the active work of the manufacture and sale of these valuable patents, and the doctor, not being in very good health, retires to private life, having purchased a residence in Lawrence, Michigan, near his childhood home.

ZEELAND

Mr. and Mrs. Isaac Doornbos went to Zeeland on Monday to be present at the celebration of Mrs. Doornbos' father, John Meeuwse's 75th birthday anniversary, which took place Tuesday.—Grand Haven Tribune.

JUDGE EVERITTS GIVES THE BOY SCOUTS A CAMP SITE AT WAUKAZOO

Manager Newman of Apollo Again Will Help the Boys to Make Money.

Through the generosity of Judge Everitts, proprietor of Waukazoo Inn the Holland Boy Scouts will have a splendid place to camp during the last three weeks in August when the local boys will go into camp headquarters. J. Van Putten and Con De Free went to see Judge Everitts on behalf of the Holland boys and he promised them an ideal spot for a camp site as well as freedom of the woods. Everitts is deeply interested in the Boy Scouts of Chicago. He knows the habits of the youngsters who compose this order and he knows they will not commit any depredations.

The camp will be known as Camp

Stony Point. The costs for the boys who attend the encampment will be \$2.75 in cash or in trade. The people of Holland, or such of them as have tents, can help the project along by giving the boys the loan of tents. The management vouches for the fact that the tents will be returned in good condition. Some four or five large tents are still needed. The local Boy Scouts have sixteen tents of their own.

The boys made some money at the chautauqua and Mr. Newman, manager of the Apollo theater, has again come forward with a plan to help the boys make some more money for their encampment. He will give part of the proceeds from Friday's performances at the Apollo to the Scouts.

J. VanPutten and Principal R. L. Gilbert will be in charge of the camp at Waukazoo.

INSPECTION OF GRAND HAVEN THROWS SCALES IN RIVER

Makes Clean-Up in Grand Rapids Market Friday; Would Fine Trespassers of Law If Caught Again

FLURRY IN HUCKSTER MARKET

Inspector W. J. Mickle of Grand Haven state food and dairy dept. inspector caused a pronounced flutter among the hucksters on the Grand Rapids market Friday morning. He called for a show down on the spring scales such as the hucksters used to weigh out their stuff when selling. Very few of the states examined would come anywhere near standing the test for accuracy. He took away as many of the poorest as he could carry, put the blue label on many others and gave a general warning against the use of that style of scale which he said no matter how carefully adjusted will get out of order with the jolting of the wagon, and is often to the detriment of the seller as to the buyer. To close his morning work Inspector Mickle advised the commission men of the law which requires all who receive farm products to sell on consignment must take out the state license of \$25 or be liable to the penalties.

The report goes on the state that aside from the Mickle incident the market was uneventful. What confiscated scales the inspector could not carry were dumped in Grand River. In all, 27 sets of scales were taken out of operation.

DON'T LIKE HOLLAND

But Grand Haven Can Have Him

John Mulder served the last of his fifteen day jail sentence Thursday morning and left the Ottawa county bastille to look for a job in Grand Haven with the words that he did not like Holland as well as this city. Mulder was sent to jail from a Holland justice court for conviction upon a charge of assault and battery. He is past sixty years of age and got the better of the altercation for which he has served his time.—Grand Haven Tribune.

Constipation Causes Sickness

Don't permit yourself to become constipated, as your system immediately begins to absorb poison from the backed up waste matter. Use Dr. King's New Life Pills and keep well. There is no better safeguard against illness. Just take one dose tonight. 25c at your Druggist. For sale by Geo. Lage, Walsh Drug Co., and H. Doesburg.—Adv.

E. J. Harrington Files Bill of Complaint With County Clerk

A bill of complaint in chancery was filed Monday with County Clerk Jacob Glerum in which E. J. Harrington of this city charges Eric Frodin and Antonette Frodin of Holland township and others who live in the vicinity of Virginia Park with trespassing on the land of Mr. Harrington, breaking down fences, cutting rye, etc. In the bill Mr. Harrington asks for an injunction restraining the parties named from continuing such trespassing.

TEAMSTERS, DRAYMEN AND THE BLACKSMITHS OUT FOR A DAY'S FUN YESTERDAY

Loaded on eight wagons, the teamsters, draymen and blacksmiths, with their wives and children, left yesterday for Waukazoo to spend the day there in recreation. The procession

was headed by a band and the line of march was accompanied by two clowns, one dressed in the circus clown way and the other appearing as a minstrel funny man.

ZEELAND MAN ARRESTED AND BOUND OVER TO CIRCUIT COURT.

Officer Hietje of Zeeland arrested Dick Kooman for wife desertion. About five months ago Dick

Kooman and Mrs. P. Krol were married. After being married only six weeks, Mr. Kooman departed without leaving an address it is charged. A search was made for him, but he could not be found. Officer Hietje received word from friends in Grand Rapids that Mr. Kooman was there visiting friends. Mr. Hietje went to Grand Rapids, arrested Kooman and brought him to Zeeland. Mr. Kooman was taken to Grand Haven to await trial at the August term of court.

FREDERICK C. MARTINDALE

As promised in our last, here is a summary of reasons given by over 150 of Michigan's leading citizens from the various walks of life for supporting Mr. Martindale for Governor. All gave several reasons. Some of the reasons were given by nearly everyone of the 150. The opinion quoted is in the language of some one person, it being differently phrased by other.

1. "Because he stands for all that is good in public and private life."
2. "Because from his record in positions of trust we would be assured of an honest, straight-forward, economical, business administration."
3. "He neither stampees nor effervesces, but is always right."
4. "He is a man of deeds rather than words; he keeps every promise. With him there are no empty or broken promises or mere platitudes."
5. "I consider him a square-toed, honest man and one who will give everyone a square deal."
6. "Because with him for Governor every man, woman and child, and every interest and industry would be guaranteed a square deal. All men, rich or poor, with or without political influence, look alike to him and receive the same treatment at his hands."
7. "Because he is a vote-getter and his nomination would mean a united party and guarantee a Republican victory, not only for the entire State ticket, but for the Congressional, Legislative and County tickets as well."
8. "He is progressive and yet conservative; progressive, insofar that he advocates and works for every measure that is for the good of the common people; conservative, insofar that he believes in protection to every human and property right."
9. "Having been associated with him in the Legislature, I know him to be right on public issues and well qualified for the position of Governor."
10. "His record is one of service and he has proven faithful to every trust and thereby endeared himself to the common people."
11. "Of all the candidates, Mr. Martindale is best fitted by experience, training and temperament to be Governor of a great State like ours."

In the election of 1910 Mr. Martindale, running on the same ticket, had 45,000 plurality more than Osborn, and in 1912, 55,000 more than Musselman and 10,000 more than our popular Lieutenant-Governor Ross.
