"A WINONA AT OUR VERY DOORS" SAYS MARTIN

TWO WEEKS CONFERENCE STARTS AT PINE LODGE, SUNDAY, AUG. 16TH

Beginning Sunday, August 16th, the first great conference at Pine Lodge, the Winona of Michigan will begin, and as Rev. Martin puts it, here is Holland's opportunity for local citizens, who go 150 miles to Winona, Indiana, while they have a Winona right at their very doors.

A wonderful list of speakers have been gotten together for this conference for two weeks, and the program has been sent broadcast throughout the country, and this fact has brought many inquiries not only, but also many bookings for guests at the hotel at Pine Lodge, from persons who will stay during the conference. The Western States are especially represented, and from that standpoint, the officials at Pine Lodge feel much elated, and hope that Holland too will show an interest in the coming conference.

Mr. Martin states that Pine Lodge has done remarkably well for the first year, and he sees great hopes for the future.

While those in charge have been feeling their way, starting out with a modest program, the interest has exceeded all expectations and more extensive plans are being formulated for next year.

Mr. Martin has compiled the following notes, relating to the coming conference which can be taken as sort of a program covering all the events.

The speakers and at what sessions they will appear and all information is plainly given.

Three Sundays to the conference—16, 23, and 30. Preachers are: Rev. Eugene Filipe, East Douglaston, N. Y., Rev. Anthony Karreman, Muskegon, Mich., and Rev. John Bannink, Catskill, N. Y.

Three periods in the morning, beginning at 9, 10 and 11. First period is a Bible hour. The first week of the conference, Prof. Paul Hinkamp will give expositions on the book of Job. Second week by Rev. G. Hekhuis on studies in the book of Ephesians.

Second period, at 10. Missionary hour. Speakers, Rev. John Kemper, newly appointed missionary to our new work in Chapas, Mexico. Rev. Willis Hoekje, Rev. J. C. Van Wyck, Rev. John Van Ess, Mrs. John Van Ess, Rev. L. Hekhuis, Dr. Holleman, Miss Holkeboer, Miss Nienhuis and Dr. Banning.

Third period at 11. Lecture hour. Dr. Henry Dosker will give three lectures. Subjects: "What Do You Think of the Word of God?" "Can a Life of Christ Be Written?" "What Do You Think of the City of Christ?" Dr. A. Pieters will give three lectures. Subjects: "Old Testament Apocrypha"; "New Testament Apocrypha"; "Circumstantial Evidence for the Virgin Birth of Christ." Prof. Patterson will lecture on "Science and Religion." Rev. John Bovenkerk on "The Place of Christian Ethics in Our Sunday School Curriculum." Rev. John Van Ess will lecture, subject not yet received.

At 4 P. M. will be given lectures on Sunday School work—five, the first week by Rev. Thomas Welmers on "The Psychology of the Child"; five the second week, by Prof. Wynand Wichers, on "Pedagogy." At 7:30, a popular evening service musical part under care of John Vandersluis and Dr. A. C. V. R. Gilmore. Speakers are Mr. Cornelius Vander Meulen, "The Trial of Jesus from a Lawyer's Standpoint." Rev. Verne Oggie on "Christianity and Patriotism." Prof. A. E. Lampen, "Science and the First Chapter of Genesis." Rev. John Bovenkerk, "Russellism or Millennial Darwinism." Rev. A. Karreman, "Christian Service." Rev. N. Boer, illustrated lecture on "Travels in Palestine and Egypt." Rev. John Van Ess, Rev. J. A. Dykstra. Rev. John Bannink, also, but subjects not yet received.

All services held under the tent. No registration charge for admission to the conference. Silver offering will be welcome.

Conference will last two weeks only, from Sunday 16th to Sunday 30th. There will be no exercises on Saturday.

Arrangements with taxi companies to take passengers to Pine Lodge, one way trip, at special reduced price of 75 cents for the car—one passenger paying that price and five paying no more. Parties of three cost 25 cents each, parties of five, 15 cents each. White's taxi leaves Warm Friend Tavern and the Yellow taxi at Kraker hotel. Both taxis will leave Holland on the following schedule, 8:30 A. M., 3:30 P. M., and 7 P. M.

UNCONSCIOUS WOMAN TAKEN FROM STEAMER

LADY WHO TALKED SUICIDE ON BOAT FOUND UNCONSCIOUS IN THE MORNING

Deputy Sheriff Salisbury of the sheriff's department of Ottawa county, was called to the Peninsula and Northern steamship Arizona to remove a woman who was found in an unconscious condition in her stateroom Wednesday morning. The woman had boarded the steamer at Milwaukee and had given her husband's name as Dr. Powell of Madison, Wis. The address Broadway 1681, 203 Blackstone apartments, was also given by the woman who appeared to be of wandering intellect at the time. She was given a stateroom by the purser, Tony Sadon, and the cabin crew were instructed to watch her.

Before retiring she talked constantly of an attempt at suicide by jumping overboard so after she had retired a cabin maid locked the door of the stateroom to prevent any such attempt. Wednesday morning, as the boat pulled into Grand Haven, the woman was found unconscious and apparently unresponsive. An ambulance was called by Deputy Sheriff Salisbury and a physician also took charge of the case, the woman being taken from the boat to the Hattson hospital.

The woman was still unconscious at early noon and the hospital authorities were still unable to establish her identity. The sheriff's office wired the "Dr. Powell" at the Madison address but received no reply, all efforts to find relatives being unsuccessful. Police will probably be asked to assist.

At the Grand Haven hospital, the physician taking the case stated that the woman had been in convulsions during the night and that further diagnosis of the case would be available this afternoon. The woman was apparently 55 or 60 years of age, was about five feet tall and outer clothing consisted of a plain white dress.

LOCAL PASTOR TO SPEAK ON "BRYAN THE CHRISTIAN STATESMAN"

After an absence of four Sundays from his pulpit Rev. C. P. Dame of Trinity church will preach again next Sunday. In the evening the pastor will preach on the subject, "William Jennings Bryan, the Christian Statesman." The American Legion Quartet which has made a splendid reputation because of its excellent singing will sing two numbers. The congregation will sing Mr. Bryan's favorite hymns. The public is invited.

Mr. Dame is an ardent admirer of Mr. Bryan and was instrumental in getting Mr. Bryan to speak here last May. A little before his death asking him to come again informed the pastor that Mr. Bryan planned to discontinue his lecture work and therefore could not come. In the letter mention was made of Mr. Bryan's favorable impression of Holland and of the good time he had here last May.

SCHOUTEN DRILLS PITCHERS FOR CRUCIAL GAMES

LEAGUE ALL STARS PRACTICE HARD FOR THE SERIES

Holland's All-star aggregation under the direction of Coach Schouten is getting in some fine practice sessions in preparation for the title series. Give the leaguers good pitching and they will undoubtedly make the Independents step some.

The college coach is drilling his pitchers hard and hopes to have them in shape for the big test. Hyma, Wierda and Boerman heave the ball from the right side while Van Zanten and Scharf are port-siders.

One of these five should be able to turn the Independents back, although they are a clouting bunch. The infield of the leaguers is a classy one. De Groot at shortstop is one sweet player and has had one year's coaching under the college mentor. VanLente, with four years of college baseball should be able to hold down the first base job in fine style. Louis Elenbaas is another comer and he smacks the ball hard. Kools who will play third base is seasoned a very capable.

The outfield will be strong as far as fielding is concerned but hitting will be a matter of supposition until the men show their worth. Japinga will no doubt do the receiving and while he is steady and a good hitter it is expected that the Independents will take some chances on the paths.

The All-stars are showing good spirit in their work-outs and are anxiously awaiting the first game August 22nd.

HONORED WITH PARTY AT HARDEWIJK

A birthday party in honor of Mrs. A. Witteveen was held Monday evening at the home of Bert De Weerd at Hardewijk where Mrs. R. De Weerd is making her home at present. Those present were: Mr. and Mrs. George De Weerd and Catherine, Miss Jennie De Weerd, Mr. Bert De Weerd and children, Margie Ruben, Helena and Sadie, Mr. and Mrs. Author Witteveen and children, Hazel, Henrietta, Martharena, Jennie, Janet and Richard, Mr. and Mrs. Frank Van Dyke and children, Heester and Franklin. Dainty refreshments were served and all reported a good time.

BOOSTERS ARE DEFEATED SIX TO ONE

The Cappon-Bertach baseball team which was recently reorganized, defeated the Van Ins Boosters Wednesday night 6 to 1. Chrispel for the winners, pitched a no-hit game, the run being made on an error. Batteries: Cappon-Bertach, Chrispell and Driscoll, Van Ins Boosters, Van Ewarden and Slaght. Umpire, Smith.

ALLENDALE YOUTH HELD UP RECENTLY

ARMED BANDIT ORDERS ALBERT ALDRINK TO STOP AND TRANSPORT HIM TO GRAND RAPIDS

Albert Aldrink reports the presence of an armed bandit near that part of Ottawa county, although the affair was not reported to Sheriff Kamferbeek until many days afterwards. As Aldrink was returning from Coopersville with a truck-load of feed, he saw a man in the act of taking a woman's dress which apparently was the disguise to cover his identity.

When the truck approached, the man drew a revolver and ordered Aldrink to halt. After the Allendale man had complied, the bandit ordered Aldrink to take him to Grand Rapids and to lose no time. The youth was frightened but had the presence of mind enough to drop a wallet back of the seat, starting for Grand Haven with the man in a hurry. When he reached Sand Creek, he stopped the car and feigned an accident to the engine. The man told him to look at the gas and as another car came over the hill, the bandit jumped to the running board and ordered the driver of the big car to take him to Grand Rapids.

Aldrink was frightened to such an extent that he forgot to take the number of the touring car that bore his erstwhile companion away. The bandit took some small change from the boy's wallet before he left but did not find the wallet which contained much money. No further report has been heard from the man and no description of him was available.

Ottawa county officers upon hearing the story immediately conjectured that the bandit companion of young Aldrink might have been William Melneschuck who is wanted in Chicago for the Drake Hotel robbery and murder. Rewards to the amount of \$7,000 are offered for the man. Officers are to investigate the boy's story.

HOLLAND MASTER PAINTERS OUT PULL ALL OPPONENTS

Despite the rain of yesterday the Master Painters of Holland, Grand Haven and Grand Rapids gathered at Jensen Park for their annual picnic. The usual picnic sports, with the accompanying prizes, were a feature, however the big fun maker, was the tug-of-war between the Holland painters and the visitors from Grand Haven.

After Holland was successful in the first pull, they were pitted against a fresh team from Grand Rapids, but the furniture city men were no match for the Hollanders, and were pulled over the line.

A baseball game between the Master painters and the material men, resulted in a 27 to 30 score, favoring the painters.

There was plenty of coffee, lemonade and ice cream, furnished by the Holland organization, and Rena Offerenga of Grand Rapids, and H. Hoebake of Grand Haven thanked the local painters for their liberal hospitality. There were nearly 200 present at the picnic.

TWO MAKE PERFECT RECORD IN TUESDAY'S SHOOT

Dick Van Tatenhove and Wm. Woldring each turned in perfect scores in the shoot held Tuesday night at the fair grounds. Both scored 25 out of 25. Woldring stopped shooting after the first round but the local hardware merchant continued to shoot for three rounds making a score of 68 out of a possible 75.

Dick De Waard scored 40 out of 50 while Shud Althuis and Sam Althuis each got 38 out of 50. There will be no shoot during fair week but the regular meet will again be pulled off the Tuesday following.

BOUQUETS HANDED OUT TO MUSKEGON HOTEL

Praise for the Occidental hotel, at Muskegon, was contained in letters from the Michigan Pharmaceutical association and the association of Probate Judges of Michigan in letters received today. Both bodies held their conventions in the hotel a few days ago.

Louis V. Middleton, Grand Rapids, secretary of the druggist, wrote: "A hotel can make or break a convention. The Occidental made possible the success of the druggists' gathering."

ANOTHER HIGHWAY ROBBERY IN HOLLAND NEXT WEEK

The papers are filled with stories of robberies and holdups, but none of them are staged in advance, so the public will know it.

Here's one to be pulled off in the sight of thousands, and Chief Van Ry and his men and Sheriff Kamferbeek and his deputies will stand by helplessly, and will not raise a hand to prevent it.

This robbery is to be an old-fashioned stage coach holdup, and harks back to pioneer days, a century before the advent of the automobile.

The robbery is to be pulled off by the Duffield Fireworks Co., which will put on a fireworks program every night of the fair.

The stage coach robbery is to be a set-piece, placed on the open field in front of the grandstand at the Holland fair, and the coach, the robbers and the victims will all be pictured in fire. There will be horses struggling through rough mountain passes, then the outlaw bandits will appear and the fight will be on. The barking of rifles and guns will be heard, as the shots fly to and fro, between drivers, passengers and highway men.

It will be a real Western thriller, with a bit-bang finish, and is only one of the several set pieces that are to be given during the night days at the Holland exhibition.

CITY STOOD NOBLY BY SUNNYCREST

Never in the history of Holland has a drive gone over so successfully, aside from possibly war work, as the "Blue Bird" tag sale Saturday in behalf of Sunnycrest School for Girls.

To be exact, just \$320.30 was collected for this purpose and phone calls Monday morning indicated that there are still many donors who state that they will send checks today and by tonight it is expected that the sum will reach well over the \$1,000 mark.

Mr. and Mrs. Tysson of Warm Friend Tavern had headquarters well arranged and everything went off without a hitch. Efficient committees were at every bank, and early in the day it was apparent that Holland was responding nobly to the cause of Sunnycrest.

The boy scouts, under the direction of Francis Deto, collected \$175. The campfire girls and the rest of the committee all worked diligently, and it was because of these untiring efforts, and the cause at stake that brought such gratifying results.

Among the prize winners the following names are listed: Edgar Landwehr, Frank Dykema, Randall Hamlin, Erving Waltman, John Nysstrom, Ward Hamlin, W. M. Buys, Francis Van Hartesveldt, Charles Tild and Earl Metzger. The young lady prize winners are the following: Marion De Pree, Virginia Mc Bride, Esther Hill, Lucile Mulder, Margaret Vander Woude, Cecil Crpenter, Alice Kraker, Theresa Breen and Dorothy Kammerling.

The committee in charge of the "Blue Bird" tag sale was: Nick Kammeraad, mayor, honorary chairman; acting committee—Mrs. Carl E. Gschwind, Mrs. G. J. Diekema, Mrs. M. L. Tysson, Mrs. Con De Pree, Mrs. Louis Farr, Miss Mable Anthony, Mrs. E. P. Davis and Miss Helene Dyke.

Leaders of tag day squads as follows: Mrs. Guy Moody, the Misses Marion De Pree, Ethelyn Dykstra, Jean Zwemer, Emma Witvliet, Virginia McBride, Lucile Mulder, Alice Kraker.

The officers of Sunnycrest are indeed gratified because of the showing made and Mrs. Mary Frances Beam and Mrs. Mary Langdon Clark, sold secretaries, as well as the trustees of Sunnycrest wish to thank the citizens of Holland for their ready response, stating that the amount received exceeds all expectations.

The trustees of this Holland institution for girls consist of the following well known men and women: Helen Clark, president and general manager; board of trustees—Mrs. A. H. Landwehr, Holland; Mrs. W. S. Butterfield, Detroit; Helen Clark, Holland; Con De Pree, Holland; Carl Gschwind, Holland; Mrs. S. C. Rowles, Grand Rapids; Henry P. Zwemer, Holland.

EACH CHARGES

THE OTHER WITH ASSAULT

Clyde Hotrum of Allegan, is glad his wife has a cool head and a good grip. These may pull him through the legal net in Justice Fish's court. It appears that last year Mr. Hotrum had a boat on Emerson lake which he kept on the Odell farm which is farmed on shares by George James. He claims that he had a dispute with James about rent money for the boat which James collected, and this year intended to move the boat to another farm, but actually fastened it to a post on another part of the same farm. James cast it and another boat adrift. So far they both agree fairly well, except that James denies any irregularities in the collection of boat rent. Now the stories vary. Hotrum and his family went to the lake July 30 to go fishing, and behold the boat was gone. James stated parties had been building fires to the danger of the muck land and cutting fences and he had determined not to have any boats about. The conversation became fervid and he charged Hotrum struck him, he warned off the blow, and Hotrum started to get out of the car. Hotrum claims James shook his fist in his face and that he knocked the fist one side and then started to get out of the car to thrash James. Both agree that right here Mrs. Hotrum got a grip on Hotrum's coat and effectually stopped proceedings. Hotrum was arrested for assault, pleaded not guilty, and the case was adjourned to August 11th for further investigation.

Local People

Attend the Funeral Of W. J. Bryan

Mr. and Mrs. P. F. Boone, daughters Maxine and Freda, William Winter, Mr. and Mrs. Seth Nibbelink and their guests, J. M. Gates, Mrs. W. K. Higginbotham and daughter Christina of Florida, have returned from a delightful motoring trip thru the east taking in Niagara Falls, Buffalo, Cleveland, Washington, Gettysburg, and several other points of interest. While in Washington they had the opportunity of attending the funeral of William Jennings Bryan at Arlington cemetery.

Miss Anne E. Miller, daughter of Mr. and Mrs. Herman Miller, of Zeeland, was united in marriage at the home of her parents, to Dr. Herbert C. Kling, of Niles. The rooms were beautifully decorated in large baskets of gladioli and ferns, the same flowers forming an arch under which the bride was given away by her father. Rev. Louis Kling, of Three Oaks, father of the groom, performed the ceremony. Dr. and Mrs. J. Koriekowski, Ann Arbor, attended the bridal couple, Mrs. Stella Miller-Gezon was mistress of ceremonies, little Miss Betty De Pree acted as flower girl and Master Bobbie Gezon was ring bearer. Wedding music was furnished by Miss Vivian Gezon.

Dr. and Mrs. Kling are honeymooning in northern Michigan and will reside in Niles, Mich.

Cows in the Netherlands are kept in the pasture by ditches of water instead of fences.

WARM FRIEND TAV-ERN TO FURNISH DUTCH DRINK

Fred Bertsch, who has an ideal farm just west of the city on Lakeshore drive, has named it the Old Dutch Farm, and all his stationery, advertising matter, and even the sign posts along the highway at the farm are treated with a Dutch smack.

As a trade mark, Mr. Bertsch who is an artist of rare ability, has brought out the little Dutch maiden decked in cap and wooden shoes, and the tourist is immediately attracted because of the uniqueness of the trade mark.

Mr. Bertsch raises all his own fruit, from the old established farm, started 50 years ago by his father the late Mr. Dan Bertsch, and just recently Mr. Fred Bertsch has added to his farm equipment a small manufacturing plant where he turns out different ciders and palatable temperance drinks.

One drink that is going over especially big is cherry cider and the manufactured product is recognizable because of the Dutch trademark that adorns every container.

Warm Friend Tavern, which has many unique Dutch features, immediately annexed old Dutch cherry cider, and this delightful beverage is to be a standard table drink for any patron who desires it.

It will be a standard on the printed bill of fare and for the next few days landlady Tyson will serve Old Dutch Cherry free with his compliments.

Mr. Bertsch is also making arrangements to have these drinks served at different soda fountains in the city.

The old Dutch beverage plant, at the Old Dutch Farm, will turn out many other brands of fruit juices, besides cherry, but Mr. Bertsch is starting out with cherry as a head liner, with others soon to follow. Mr. Bertsch states that the new plant which cost in the neighborhood of \$10,000, is only an infant industry, but he sees a remarkable future for its development.

HEAVY HITTING CONTEST GOES TO HOLLAND, 8-3

Holland Independents won over Greenville rather easily Saturday afternoon the final score showing an 8-3 verdict. Extra base hits were common during the game two home runs, a triple and 4 doubles being listed in the scoring column. Each team got 11 hits but Greenville came at inopportune times while local players banged the ball with the bases populated.

The game started out like a real pitchers battle, not a man reaching first base until the 4th inning. Then Holland tallied 4 times. Japings was safe on an error by Harris and Woldring singled. Riemersma's double counted two and the first sacker scored on Ashley's bunt. Albers then connected for his second two-bagger and Ashley scored. Greenville came back with two in the fifth. Outman and Barbour doing the hitting. The big catcher for the visitors cracked the ball out of the lot in the ninth while Woldring lifted one over the fence in the seventh. Outside of the second inning when Vande Bunte struck out three in a row neither pitcher showed anything that would baffle a batter.

Lineup and summary:

	AM	B	H	E
Harris 9	4	0	1	2
Barbour 3	5	0	2	0

The Grand Rapids Herald in its column of 25 years ago reprints two railroad items that favorably effected Holland's transportation facilities at that time and since one has to do with the building of the Holland Interurban and the other tells of when the old Chicago and West Michigan, and Detroit, Lansing and Northern were swallowed up by the Pere Marquette system says the Herald:

"Resignation of his post as general counsel for the Chicago and West Michigan R. R. and the Grand Rapids, Detroit and Western R. R. was tendered by then Ex-Congressman William Alden Smith upon the consolidation of those roads into the Pere Marquette system. The general offices of the company were to be moved to Detroit, and Congressman Smith declined to take up his residence there, in which he was strongly abetted by his constituents in western Michigan, who were loath to lose his services."

"Two interurban railroad projects had been granted charters by the city, and were far enough under way so that the city could feel certain of having, within a year, easy, cheap, and certain transportation to the shores of the lake. One line was to be to Holland, thence southward to Saugatuck, and eventually to St. Joseph. The other was to make Grand Haven and Muskegon better neighbors."

DIES AT THE AGE OF SEVENTY-THREE

Matthew Shoemaker, aged 73, died Sunday at the home of his daughter, Mrs. Frank Kuite, 311 West 12th-st. He is survived by his wife, his daughter Mrs. Kuite and one son, Mont Shoemaker of Grand Rapids. The funeral was held Tuesday morning at 9:30 o'clock at the St. Francis church.

AUTO THIEVES ARRESTED BY LOCAL POLICE

Officers Zweeringa and Bontekoe arrested two young men early Monday morning who proved to be auto thieves wanted in Traverse City. The local officers were making their rounds when their suspicions were aroused by the actions of the young men who had parked their car near the Pere Marquette freight depot. As the officers left their car to watch the prowlers they suddenly returned and drove to the west end of the city. Here the officers found them trying to steal gasoline from a Ford truck. They were immediately locked up and Monday morning admitted that they had stolen the Chevrolet in Traverse City. They were scared away from one place as they endeavored to steal gasoline because the owner spied them and gave the alarm.

It is thought that they might have tried other stations had not the officers apprehended them. Finger prints were taken Monday morning and sent to the state department. The officers at Traverse City have been notified and will come and take the thieves back to the northern city where they stole the car Saturday night. There were three men in the car and although one man was not with the two when arrested it is expected he will be taken soon.

HOLLAND NOW HAS A UNITED STATES ROAD

Holland is now on a United States road with many other cities in the state. Eight Michigan motor routes are included in a nation-wide system of roads to be known as the United States highways, designated Wednesday by the joint board on interstate highways meeting at Washington.

Every federal aid highway in the United States is included in the system, which provides for no through routes but embraces every state capital and most points of national and sectional interest. When the routings of the highways is completed they will be numbered so that tourists traveling on any road may know from its number the territory through which he is passing and where he is going. The routes also will be posted with uniform signs informing the traveler of curves, railroad crossings and other conditions of the road.

Michigan routes designated are: One from Detroit to Ludington by way of Pontiac, Flint, Saginaw, Clare and Baldwin. Another from Detroit to Grand Haven by way of Howell, Lansing and Grand Rapids. One from Detroit to Benton Harbor by way of Ann Arbor, Jackson, Marshall, Kalamazoo and Paw Paw. Another from Detroit to Toledo by way of Trenton and Monroe. One from Detroit to Centerville by way of Wayne, Brooklyn and Jonesville.

One from Saginaw around the rim of the state on the shores of Lakes Huron and Michigan to Chicago by Lincoln, Alpena, Rogers, Cheboygan, Charlevoix, Bellaire, Beulah, Ludington, Muskegon, Holland, Hartford, Benton Harbor and New Carlisle.

Another from Toledo to Cheboygan by way of Jackson, Lansing, Ithaca, Mt. Pleasant, Gaylord and Petoskey.

One goes from Centerville to Rapid City by way of Kalamazoo, Grand Rapids, Big Rapids and Cadillac.

The markers for the routes will be the shield of the United States, bearing the number of the road, the state in which the sign is posted and the letters "U. S."

No new road construction is involved in the system other than roads now planned under the federal aid program.

The Correll management announced today that John Sullivan, celebrated Irish tenor, who has been singing lately from station K. D. K. A., Pittsburg, will be in Holland Friday with the radio stars.

Holland radio fans who have heard Sullivan over the air will vouch for his ability and will also be glad to hear him when he appears in person at the Masonic temple Friday evening.

Tim O'Hara, bass, and Don Tranga, saxophone artist, are two other radio stars whom local people have heard from nearby stations. Miller and Rainey are comedians who will appear here also. Esther Joy, Michigan's sweetheart who sings from station W. C. X., will perform here one of three nights.

The committee rounding up Holland's musical talent has at this time given out only a few names of those who are sure to appear. Mrs. Telling will sing from station W. I. B. J. Friday night and Miss Nella Meyer, prominent pianist, will most probably also appear on Friday night's program. Another treat is a duet by Earl Kardux and Willis Diekema, the date of this not having been given out.

No one in Holland can afford to miss seeing this station in action and hearing the program given by this long list of stars. Remember the dates Thursday, Friday and Saturday nights of this week.

All proceeds will go to the American Legion which is promoting the affair.

Rev. J. J. Hiemenga, who resigned as president of Calvin college at the end of the last semester and who now is touring Europe, spoke in one of the large churches in Leeuwarden, province of Friesland, The Netherlands, on July 19. The church was unable to accommodate all those who desired to hear Mr. Hiemenga, according to a letter from Herman Rykstra of Muskegon, who is visiting in The Netherlands.

A horse, wagon and milk bottles are alleged to have been a total loss to Gustaf Johnson when they collided with an automobile driven by Felix Oslenk on Lake Shore dr., Muskegon, in a suit started in circuit court for \$1,000 damages Saturday. Johnson charges he had to shoot the horse and that the accident was caused through negligence by Oslenk.

Gerrett Grisen of Holland lost his Ford car Saturday night in Grand Rapids. The car was stolen while it was parked on one of the city streets.

SHERIFF IS CALLED ON IN AUTO SMASH

Sheriff Kamferbeek was called on Friday morning to investigate the case of J. Brouwer of Grand Rapids, a reporter who was apparently dazed by a heavy blow on the head and who believed himself the victim of a "holdup." The incident proved to have been the outgrowth of a near serious auto accident on the swing bridge leading from Grand Haven to Ferrysburg Friday night.

Brouwer and Marie Ver Plank of Spring Lake were driving north in Brouwer's Stutz roadster when they made a quick stop on the approach to the bridge. The reason for the stop is unknown but a Chevrolet touring car owned and driven by Herman Roossien of Gr. Haven and containing Mrs. Roossien and two young children and Delbert Smith of Grand Haven who was in the front seat with Mr. Roossien, crashed into the rear of the Stutz, throwing Mrs. Roossien and a four months old infant from the car.

The infant was thought dead at first but when Mrs. Roossien picked the child up, it commenced to cry and was apparently unhurt. The car was badly damaged while the roadster was but little smashed. Mrs. Roossien was also unhurt. The four men jumped from their cars and an argument apparently ensued with Roossien claiming that Brouwer had stopped suddenly without giving the usual signal.

During the argument, according to officers, Roossien became incensed at something Brouwer had said and struck him in the face. Brouwer became dazed and was unable to recollect any of the happenings. He was still in that condition Friday noon and was being cared for by friends. He told the sheriff a confused story of a "holdup" but investigation proved the facts of the accident. No action has been taken in the case yet.

LOCAL SOLON WILL SUPPORT HUDSONVILLE MAN

Gerrit W. Kooyers, who is representing the First district of Ottawa county in the state legislature for his sixth consecutive term, stated Thursday that he would support Fred F. McEachron as Ottawa's sole state representative in case the new law recently adopted by the legislature limiting Ottawa to one representative is not contested in the state supreme court.

Kooyers and McEachron are the best of friends and were roommates during the last session of the legislature at the state capital. Recently friends of McEachron started a boom for him to fill the place now occupied by both men, but he refused to announce his candidacy, expressing his willingness to support Kooyers. Since Kooyers is not seeking the place the field has been left open to McEachron.

Kooyers started his legislative career in 1915 and McEachron in 1922. Kooyers was born in Fillmore, Allegan county, and McEachron in Jamestown. Both have been residents of western Michigan for nearly 50 years.—Grand Rapids Press.

ZEELAND HATCHERY MAKES BUSINESS CHANGES

Zeeland poultry business seems to be reorganizing for within the past two weeks two big changes have been made. The most recent occurred a few days ago when one of the larger chick hatchery institutions merged into a state corporation with considerable increased capital enabling much needed expansion. The corporation to form was the Superior Poultry Farms Inc., comprising the real estate and all tangible property formerly belonging to the late Superior Poultry Farms and Hatchery as well as all the list and intangible property belonging to that co-partnership.

Of the two original owners, C. J. De Koster and Gus D. Romeyn, only Mr. De Koster remains actively connected with the new corporation, while Mr. Romeyn will enter more actively into the insurance business.

The new corporation was organized with an authorized capital stock of \$35,000, and has a paid-in capital of about \$25,000. This will probably be increased to \$30,000 paid in before the next hatching season begins.

The officers of the new corporation are: President, A. Van Koeveering; vice-president, John J. Nienhuis; secretary-treasurer, John A. Donia; manager, C. J. De Koster.

Already the new corporation is preparing plans for a next season's business. Greatly increased hatching capacity will be one of the next moves which together with the high grade flock of 1500 laying pullets on their new modern equipped farm will enable it to greatly extend into the high quality products so much in demand. Beside the men named there are several other men interested which assures the affairs will remain in control of Zeeland people.

REV. AND MRS. J. DYKE VAN PUTTEN TO SAIL FOR CHINA

Rev. and Mrs. J. Dyke Van Putten will leave Saturday for Vancouver where they sail on the steamer "Empress of Russia."

The young couple intend to be at the Language school at Hankins, China, for the next year. Their work will be in the Hangchow College at Hangchow, China, after that and in all they will be away from this country seven years.

Both are graduates of Hope college and Mr. Van Putten finished his seminary training last year, graduating from the Louisville school. They were married only recently at Cooperville, at the home of Mrs. VanPutten whose maiden name was Frieda Gunneman.

Hudsonville and vicinity was nearly depopulated Saturday on account of the 23rd annual picnic of the old settlers of Jamestown.

Mr. and Mrs. Joe Borgman and family motored to Muskegon spending the week end as guests of Mr. and Mrs. John Van Landegend.

FENNVILLE

FARMER INVENTS
NEW SPRAY

Leading manufacturers of insecticides are seeking to negotiate with Chanucey Reynolds of Fennville for the purchase of his formula which extension pomologists from the Michigan State College have found will effectively control pear psylla, an insect that has effected growers and scientists of the world for years.

Companies producing spray materials always send their field representatives on the horticultural tour and after the results of the college's tests with Reynolds' formula in Milo Vesper's orchard were made public on Wednesday the agents hurried to the nearest telephone to report the discovery to their offices.

Scientists at all agricultural colleges have been searching for a more effective spray to combat pear psylla and Reynolds' formula is said to be just what they have been looking for. Prof. H. A. Carlinell, extension pomologist at Michigan State college, believes the chemists of some of the large insecticide houses probably can improve the spray and by producing it in large quantities reduce the cost to growers.

Psylla has been very troublesome in the east and west for years, but it was only recently that it has proved much of a factor in Michigan. It did not invade the orchards in the Grand Traverse region until last summer. Downstate orchards have had light infections for some time.

ABOUT ENTRIES TO THE
HOLLAND COMMUNITY FAIR
AUGUST 18, 19, 20 AND 21

Entries must be made in advance of the fair at the office of the Secretary, or by letter addressed to the Secretary. As soon as you know what you will exhibit, make out your list of articles on one entry blank, taking care to fill out correctly, and send to the Secretary. By so doing, your entry tags will be sent to you or be ready when you come; thus avoid the rush and not be delayed.

All entries must be made before 12 o'clock (noon) Tuesday, the first day of the fair. This rule will be strictly enforced.

Exhibitors must have their articles or animals in place on the grounds before 4 P. M., Tuesday, the first day of the fair, or be excluded from the exhibition.

PATTERSON IS
FOUND GUILTY
BY THE JURY

John Patterson, resident of Chicago who was accused of robbing the office of Doctors Van Veer and Weststrate was found guilty Monday at Grand Haven by a jury before Judge Cross. According to the officers at Michigan City, Patterson confessed that he had pulled the job and told the officials he would do all in his power to square matters.

Richard Kruz, chief of police and two officers testified with the local police officers that Patterson had repeatedly confessed to pulling the job. Patterson pleaded that he was under the influence of dope and did not know what he was doing. According to him he worked here in conjunction with a dope peddler called "Little Joe" but all officers doubt this as they claim these sneak thieves work alone.

The prisoner is in bad shape and most probably if sentenced to prison will spend most of his time in the hospital.

James De Young of the Home Furnace Co. is on a business trip to Chicago.

200 CITIZENS

OF SAUGATUCK
ISSUE PETITION

A petition signed by almost 200 taxpayers of the village of Saugatuck was presented at the meeting of the Saugatuck common council. The petitioners asked that body to abandon the condemnation proceedings started to acquire property for a small public park on Lake Michigan. The official records of the council meeting do not disclose that any attention whatever was given the petition, other than a blanket order that "all petitions presented be laid on the table for thirty days", which was adopted by a unanimous vote on roll call.

The original park proposition was for the villages of Douglas and Saugatuck each to acquire a strip two rods in width on their respective sides of the boundary line. Later the Douglas village board voted to abandon the proceedings. Then the strip sought on the Saugatuck side was scaled down several feet on account of a building projecting into the space, but the board voted to go ahead with the condemnation proceedings. The petition presented was in the nature of a protest against this decision.

While the contemplated improvement embraced the original four rod strip there was no open questioning of the council's declaration that it was necessary to the public welfare. But when this is reduced to a width barely sufficient to enable the crowds to reach the beach in single file there is at least a difference in opinion as to the advisability of continuing a fight which can only be won by expensive litigation and at a huge cost in cash and the good will of lake shore property owners. And the character and standing of those who circulated and who signed the petition would seem to warrant a careful consideration of their point of view.—Saugatuck Commercial-Record.

STATE DEPARTMENT
MIGHT SEND THESE
FISH TO HOLLAND

Dr. Jan Metzlaar, the Dutch state's fish expert, reports that the Tomahawk Lakes in Montmorency County are filled with large-mouthed black bass fry; in fact many more than the lakes can properly handle. That's good news, for it has been years since Michigan fishermen have ever heard of an inland lake "teeming" with fish and found it true. If there are so many small-mouthed bass in the Tomahawks, why not seine a few out, plant them in Black Lake where anglers spend several hours sometimes trying to catch a few blue gills? The Tomahawk tale sounds too good to be true in these days of over-fishing.

SPECIAL RATES
MADE BY CABS
TO PINE LODGE

The management of Pine Lodge has made arrangements with the Yellow Cab and the White Taxi companies for a special rate to and from Pine Lodge during the conference that will start next Sunday and continue for two weeks. The rate is seventy-five cents one way for as many passengers as a taxi accommodates. If one person makes the trip it will be 75 cents; if five it will be the same price. This will be any week day during the conference.

The Yellow cabs will start from the Kraker Hotel at 8:30 A. M., 3:30 P. M., and 7 in the evening, and the White cabs will leave Warm Friend Tavern on the same time. Parties can also make arrangements by phone for trips.

KAMMERAAD

FAMILY HOLDS
REUNION

The descendants of Mr. and Mrs. Frans Kammeraad, who came to this city in 1864, and were the grandparents of the long line of descendants of the Kammeraad of this city, Grand Haven and elsewhere, held a reunion at Idlewood beach, south of Lakewood Farm.

There were 125 Kammeraad present, and a program had been provided in advance for this occasion.

Frank Bolhuis of Holland, was the master of ceremonies, and he called upon Frank Kammeraad of Philadelphia, Ben Kammeraad of West Olive and Mayor Nick Kammeraad of Holland, for timely talks.

Historic resume of the Kammeraad family was indeed interesting, as well as were the plans given for the future.

These reunions are annual events and at this election Mrs. Nellie Slagh of Holland, was made chairman for the ensuing year, Mrs. Virginia Bolhuis of Grand Rapids, Secretary, and Abel Postma of Holland, Treasurer.

The Kammeraad grandparents lived on a farm, three miles north of Holland, from 1864 up to the time of their death. It goes without saying that a sumptuous supper and picnic sports were features.

HOLLAND FAIR WILL
HAVE AN ARMY
MAN AS JUDGE

Cole Sherburn, United States Army, has been named judge of the horse show to be staged Friday, Aug. 21, the closing day of Holland's community fair. The show promises to be one of the biggest and best ever exhibited at any county fair in the state and it is expected that between 50 and 75 horses will be entered in the 12 classes.

Cups will be donated by the Castle, Nibbelink-Notter Co., Vandenberg Bros. Oil Co., John Boone, Rotary club, Holland Furnace Co., Holleman-DeWeerd Auto Co., Kraker hotel, George H. Hulzenga & Co., and the Holland Fair association. Besides the wards of ribbons and cups, \$300 will be awarded in cash prizes.

The first application for entry was made by Charles McPherson of Grand Rapids. Horses will be entered from the Monte Show stables, Battle Creek, Pontiac, Niles, Detroit, Allegan, Muskegon, Waukazoo and Ottawa Beach, and the Kent Saddle club of Grand Rapids.

Family of 100
Holds Picnic
And Reunion

The annual picnic and reunion of the descendants of Mr. and Mrs. Harm Plaggemars, pioneer settlers of this community, was held Saturday at Jellema's Beach. The attendance was larger than at any previous reunion, over one hundred being present. A basket dinner was enjoyed at noon. A program of sports and contests of various kinds and a business meeting occupied the afternoon hours.

The officers elected for the ensuing year are: Harm Plaggemars, president; Harm E. Nienhuis, vice-president; Mrs. A. Kapenga, secretary and Wm. Witterdink, treasurer.

James Daly, 62, of Cleveland, who was arrested for stealing fish, pleaded guilty when arraigned before Justice Lillie at Grand Haven Friday. Trial will be held this week.

FENNVILLE IS GREAT
APPLE CENTER

Fennville, with 292 cars, led all other shipping points in Michigan for the amount of apples consigned to market during the 1924-25 season, according to summaries compiled by R. H. Shoemaker, federal and state market reporter, who maintains offices in Grand Rapids during the fall and winter months. The figures are published and made public

through the United States Department of Agriculture.

Traverse City, with 196 cars by rail and the equivalent of seven cars by boat, was next with Shelby, third, having forwarded 163 cars.

Allegan county stood first with 333 cars of apples; Berrien second, 332 cars; Oceana, third, 306 cars; and Van Buren which the year before was ahead of all other counties was fourth with 271 cars.

Total Michigan shipments were 3,418 cars of which the equivalent of 612 cars were forwarded by boat

to Chicago and are not credited to any particular shipping point. The year before there were 3,259 cars and in 1922-23, 6,076 cars.

In the grape deal, Paw Paw with 718 cars holds the record for the 1924 crop season. Lawton with 656 cars and Mattawan with 552 coming next. St. Joseph shipped 434 cars. Season's shipments from Michigan were 4,681 car compared to 4,202 in 1923 and 6,020 in 1922.

Michigan pear shipments, the report shows, were 394 last year, 543 in 1923 and 1,860 cars in 1922.

Time Tried

Cyclone
Tested

The photographer who recorded this phenomenon says: "I noticed a very peculiar condition in the clouds. There was no wind blowing. The weather was hot. Clouds were moving from several directions to a common center where the cloud mass grew constantly darker and more threatening. There appeared to be no rain coming from the storm. Hanging downward from a low line of clouds, three whirling, funnel-shaped projections appeared, the two outside being soon drawn into the one in the center, which almost instantly started downward and soon was whirling along on the earth. The tornado was about ten miles from the camera."

In from two to five seconds the above twister could tear down all you can build up in a lifetime. If you haven't the money how are you going to rebuild your home, store or factory? You will either have to borrow the money or go without. Let the Old Reliable State Mutual Cyclone Insurance Company give you the money to rebuild with. It won't cost but a little to have a policy in our strong and rapidly growing company. We have a large surplus of cash in the banks to pay your losses promptly. The U. S. weather department at Washington D. C. said in the Jan. 29, 1925 report, that cyclones are on the increase. Therefore, the thing to do is get a policy in the State Mutual Cyclone Insurance Company and be on the safe side. Do it now.

Very sincerely,

JAS. A. BROUWER CO.

212-216 River Ave.

HOLLAND, MICH.

LOCAL

Local police yesterday thought they surely had captured Robert C. Mackie, wanted for forging checks all over the country. The car formerly driven by Mackie was spotted on River Ave. by a Saugatuck merchant who had lost money on Mackie's worthless check. Officer Kramer put the car in pound and waited for the owner to claim it. When the man called at police headquarters he explained that Mackie had already been arrested in Minneapolis and that he was driving the car there where it would be held by police. The car, a Buick roadster, had been abandoned in Baldwin and it cost the man a considerable sum to put it in shape to make the long run.

On Saturday, August 15, Mr. and Mrs. Herman M. Veldman will celebrate in commemoration of 50 years of married life and at the same time Mr. Veldman will observe his seventy-fifth birthday anniversary. The elderly couple has lived on a farm near Georgetown for 32 years and were residents of Grand Rapids for 18 years before that. Mr. Veldman was born in Ebergen, Gelderland, The Netherlands, in 1850 and Mrs. Veldman was born in Neede, Gelderland, in 1859. She came to America when she was 12 years old, while her husband was 22 at the time of his arrival.

Hudsonville boomers Thursday will form in procession, headed by the Hudsonville band, and start on their first booming trip into adjacent territory. Business men and others in that territory will join in the procession.

The proposed itinerary will take in Grandville, Grand Rapids, Sparta and Muskegon, where lunch baskets will be raided. Then from Muskegon the course will be to Spring Lake, Grand Haven, Holland, Zeeland and home. This route will take in about 100 miles entirely on roads built of concrete.

The Chrysler garage, located on Central avenue and formerly operated by John Westrate, has been purchased by John Boeve and Maurice Kuite. Both these young men have had experience in the garage business having been employed for years by the Peoples Garage of this city. They have been residents of Holland all their lives and are graduates of the local schools. Mr. Boeve, who will have charge of the office, has also had a special business training. The sales force will be in charge of Mr. Kuite and several salesmen will be employed. The garage is now undergoing extensive repairs and a fine new service and stock room department is being installed so that prompt service can be given at all times.

Besides the Chrysler car the Chandler and Cleveland will be handled and a complete line of these cars will be on the floor for demonstration at all times. The new proprietors announce that the garage will be open every night until 9 p. m. but will be closed Sundays. Approximately \$15,000 was involved in the deal.

Mr. Earl Kardux, formerly of this city and now of Chicago, has accepted a position as instructor in voice at Washburn College, Topeka, Kansas. Mr. Kardux was chosen from several applicants to fill this position, it being one of the finest in the middle west. He will also do concert and recital work in that part of the country, his manager having booked him for several appearances even at this early date.

Mr. Kardux is a former pupil of Grace Dudley Fenton, now instructor in voice at Hope College School of Music, and for the past three years has been under the guidance of Chas. Dalmores, world famous tenor. Mr. Kardux made his debut on March 5, 1925, under the Jessie B. Hall management, receiving brilliant notices from all the papers.

Mr. Kardux will be at home visiting his parents, Mr. and Mrs. Joseph Kardux, Sr., until the first part of September, when he will go to Topeka to assume his new duties.

The marriage of Miss Janet Gertrude Pieters to Dr. Maurice B. Visser of Holland and Minneapolis took place Wednesday morning at the home of the bride's parents, Dr. and Mrs. A. Pieters.

Ferns, palms and baskets of garden flowers were used to decorate the rooms and veranda, blue and white predominating in the color scheme. The ceremony was performed before an arch of palms and ivy, flanked by baskets of snapdragons and larkspur.

Just before the ceremony Mrs. John Dalenberg of Chicago sang "Perfect Love" by Louise Jacobus Wood accompanied by Miss Nellie Meyer, who also played the wedding march from Mendelssohn, as the bride and her maid of honor, Miss Elizabeth Pieters, joined the groom and the best man, Dr. Paul Vischer of Cleveland, at the altar. The bride's father, Dr. A. Pieters, performed the ceremony using the double ring service, and Rev. James M. Martin officiated.

The bride wore white imported embroidered organdie, made bouffant style over an underdress of ivory tulle. Her long white tulle veil was fastened with orange blossoms and strands of Japanese pearls, and she carried a shower bouquet of white roses, swansonia and maidenhair ferns. The maid of honor, Miss Elizabeth Pieters, was gowned in maize georgette trimmed with bands of matching lace, and her bouquet was composed of Jacqueminot roses and larkspur. The bride's mother was gowned in black Canton Crepe with beige georgette, and wore a colonial corsage bouquet. Mrs. J. W. Vischer, mother of the groom, wore black and grey flat crepe combined with black net and a similar corsage lace.

Directly after the ceremony a wedding breakfast was served to nearly one hundred guests, and the bride and groom left for New York, whence they expect to sail for London, England, where Dr. Vischer will study on a fellowship at the University of London during the next year.

Among the out-of-town guests were Dr. and Mrs. A. J. Pieters of Washington, D. C., Mr. and Mrs. Frank Kleinbeckel of Flint, Mr. and Mrs. Wallace Vischer of Detroit, Dr. and Mrs. Paul Vischer of Cleveland, O., Mr. and Mrs. S. G. Jenks, Miss Elms J. Walker and Mr. John R. Pieters of Kalamazoo, and Mrs. John Dalenberg, Miss Toneta Teninga, and the Misses Lina and Florence Dalenberg of Chicago.

That the Holland fair next week will have a large string of trotters and pacers is evident from the long list of entries that secretary Seth Nibbelink of the speed committee already has registered.

Unless bad weather should set in, the track, it is stated, will be in excellent condition. All races will be mile heats with best 3 in 5, race to end with fifth heat.

The events as scheduled follow: Wednesday, Aug. 19, 1925:—2:30 Trot, purse \$250.00; 2:30 Pace, purse \$250.00; 2:15 Pace, Purse \$300.00. Thursday, Aug. 20, 1925:—2:15 Pace, purse \$300.00; 2:15 Trot, purse \$300.00; 2:22 Pace purse \$300.00. Friday, Aug. 21, 1925:—Free for all pace, purse \$300.00; 2:22 Trot, purse \$300.00.

Miss Seane Tinhoit and Miss Jeanette Poest gave a shower Tuesday evening at 107 West Main street, Zeeland, in honor of Miss Marie Hietje of this city. A delightful evening was spent and Miss Hietje, who is soon to be a bride, received many beautiful gifts. Those present were: Marie Hietje, Coral Bremer, Gertrude Jonker, Anna Van Putten, Jeannette De Koster, Lillian Hansen, Martha Tors, Geneva Van Lente, Lyda Glupker, Jeanette Smaligan, Charlotte Konings, Frances De Weerd, Jeanette Poest, Margaret Slaghuys, Seane Tinhoit, Mildred Slaghuys.

Mr. Ben Lieveens, commander of the local American Legion, gave out the list of entertainers this morning who will perform at the Masonic temple one of the three nights that station W. I. B. J. will broadcast. Never before has such an array of local talent been corralled for programs in this city, and the entertainers will be listed so that the program given each night, will be varied and well worth hearing. The legion men are working hard to give Holland the best performance ever staged here and according to the way, the schedule is arranged now every night will be star night at the temple.

Following is the list of local people who will be heard from the station, the night having not yet been decided:

Boys orchestra (5 piece) age 14 years; Essenberg sisters, vocal duets; John and Gerrit Ter Beek, vocal duets; Van Duren's orchestra; American Legion Band; American Legion Quartette; two Banjos and one Mandolin, (Am. Legion); Cornet Duet, (Am. Legion); Mrs. Geo. Peilgrim, vocal; Mrs. J. E. Telling, vocal; Willis Diekema and Earl Kardux (duet), vocal; Miss Lucille Mulder (singing), vocal; Miss Nellie Meyer (piano); Miss Ruth Keppel, (violin); Mrs. Arthur Cloetingh (Keppel), vocal; Barkeema sisters, vocal duets.

The names of the members of the Correll company who will appear here are as follows:

John Sullivan, Irish tenor; Florance Fry, Soprano; Tim O'Hara, bass soloist; Oliver-Orange, Piano-violin; Franger, Georgette, piano duets; Noble Watson, operator and vocal artist; Miller, Rainey, comedians; Esther Joy, Soprano.

The programs starts Thursday night at 7:30 when local talent will broadcast. Two big hours of entertainment.

On Saturday of this week a swimming instructor and first aid in drowning cases expert will come to Holland and Macatawa and Alpena Beach to give demonstrations. His name is Moreau and he will be sent here by the National Red Cross at its own expense.

He will be taken in charge by Francis Deto, who is in charge of the first aid operations here for the Red Cross. During the forenoon he will give demonstrations in first aid at Macatawa and during the afternoon at Alpena Beach. On Saturday night he will be in Holland and on Monday he will go to Grand Haven to give similar demonstrations there.

Work will start the latter part of this week wrecking the parsonage of the Central Avenue Christian Reformed church. The building has been sold to Fred Lemmon and Herman Breuker and they will have their crew of men on the job within a few days to begin the work of tearing the house down. The job will take several weeks and immediately on its conclusion the erection of a new parsonage on the same site will be begun.

A house of modern design will be erected at a cost of about \$10,000. Rev. L. Veltkamp and family will occupy a rented home for several months while the old house is being torn down and the new one erected.

Michael Bohl, well known north side orchardist, died this morning at his home on the north side at the age of 75 years. Mr. Bohl had an unusually large number of friends and acquaintances in Holland and vicinity and he has for years been delivering choice fruit to many here. A year or two ago he sold his fruit farm and retired, building a new home across the road from where he had lived many years. But he still kept up his interest in fruits and flowers and he was developing a miniature fruit and flower farm on the new place.

Mr. Bohl came here many years ago from Highland Park, Ill., where he had been in business for a long time. He was something of an authority on fruit and he probably knew more about insects that destroy fruit and how to combat them than almost any other fruit man in this section. He was constantly on the lookout for more information and he kept in touch with the Michigan State College authorities and also with the authorities of the United States department of agriculture in regard to discoveries he made from time to time about insects that destroy fruit. Even though his orchard was small, he took great pride in it and in past years he frequently exhibited not only at the Holland fair but also in show windows of local stores. He frequently had displays in the window of Vaupell's Drug store and many citizens were privileged to see some fine specimens of fruit grown by the north side man.

Misfortune came to Mr. Bohl soon after he retired from active work when his wife became afflicted with an incurable mental disease which made it necessary to confine her to the state institution at Kalamazoo. Last winter Mr. Bohl spent at the home of his step-daughter in Lima Center, Wis., and he expected to go there again the coming winter. The step-daughter, Mrs. Fred Persons, and Mrs. Bohl survive. The funeral will be held Friday afternoon at two o'clock at the home and interment will be in Pilgrim Home cemetery.

The twenty players from this city league, who will endeavor to wrest the championship crown from the local Independents, have been selected. Manager and officials of the league got together last night and after much dickering the players were finally chosen. The cards handed in by fans were all taken into consideration and the players for the most part are the most popular according to the votes cast. Three catchers, five pitchers, seven infielders and five outfielders were put on the list. They are as follows: catchers, D. Fogarty, R. Japinga and R. Meyers; pitchers, Jake Van Zanten, Jake Boerman, Simon Wierda, Lawrence Hyma, and Lefty Schraf; infielders, Kenneth Van Lente, first base; Lewis Elenbaas, 2nd base, Oppie De Groot, shortstop, Bill Koel, third base; utility fielders are Theodore Vanden Brink, Leon Kleis and James Overweg; outfielders Clarence O'Connor, Laverne Vander Hill and Dutch Forsten; utility outfielders are Lefty Bouwman and Leonard Overbeek. These twenty men will practice Saturday afternoon at 12:30 on the Riverview Park diamond. The men are asked to report in their uniforms and bring their favorite baseball bats.

Jack Schouten, Hope coach, will have charge of the outfit and they will be drilled hard until the first game August 22nd. On account of all the events in Holland the first title series game had to be scheduled for Tuesday, August 22nd. This will also give the City Leaguers ample time to get in firstclass shape.

At least six hundred participants took part in the Reformed church mission fest, held at Pine Lodge on Black Lake, Thursday afternoon and evening.

There was an excellent program carried out, practically as published before, however the revenues from the different sources at the fest have not yet been fully complied, but are said to be considerable.

Deputy Ed. Ryecenga started a vigorous war on speeders in Spring Lake Saturday evening, arresting three who it is alleged were exceeding the speed of thirty-five miles per hour in the village. The following paid \$6.50 to Justice Primm, Roy Rider of Grand Rapids, Dr. H. E. Reihner of Akron, Ohio, and Donald Murphy of Grand Haven.

Two persons were injured Thursday afternoon when their auto overturned on the Saugatuck road. Mr. and Mrs. W. C. Ellington, colored of 3315 Rhodes Ave., Chicago, in company with their son and Mrs. Shreve, also of Chicago, were the occupants of the car and according to Mrs. Shrieve, the Apperson Eight, in which they were riding, skidded and turned completely over.

Mrs. Shrieve was thrown clear of the wreck and escaped uninjured. Mr. Ellington, however, was badly injured, suffering a dislocated hip and other serious injuries to his stomach. His condition was reported as very critical last night. Mrs. Ellington was hurt about the breast and also broke bones in her right foot. The bus removed the injured parties to the Holland hospital from where Dykstra's ambulance hurried them to the Blodgett Hospital at Grand Rapids.

Mr. Ellington is chief engineer in one of the large fire companies of Chicago. The entire party were enroute to Grand Rapids.

The funeral services of Mr. P. A. Kleis, Holland pioneer who died Wednesday, will be held Saturday afternoon at 2 o'clock from the home at 169 East 9th street. Rev. H. J. Veldman of Detroit will officiate. An opportunity to view the remains will be given friends between the hours of 9 and 12 Saturday morning. Through an error yesterday the names of three survivors of Mr. Kleis were omitted. They are Mrs. Jane Zuidon, Holland, Mrs. Sena Kraneberg of Kalamazoo and Mrs. Alice Gooren of Rochester, N. Y.

Gerrit Dyke, volunteers the information that there are now 21 Quality Service Stores in Holland, all serving via the same methods, and giving the same price.

These stores are buying jointly, which gives an exceptional advantage in price, to be reflected, Mr. Dyke states, in the selling price to the consumer.

Any way 21 of these stores located in different parts of Holland, are now painted the same color, namely orange, and Mr. Dyke states that a Quality Service store, can be easily recognized because of this color, which stands out differently, and conspicuously from other colors commonly used.

The painting of these 21 stores was completed Thursday, and this combination of merchants are using the Dutch orange as their trade mark.

Mrs. G. J. Van Duren has received a letter from Mrs. F. J. Douglas of Montague asking her to meet a little girl at the Holland station on Friday afternoon. The child is being shipped back to the United Charities of Chicago which sent her to Mrs. Douglas for the summer. Last spring Mrs. Van Duren met the girl at the local station and put her on the right train for Montague and now she will do the same thing for the little one on her return trip.

The girl, whose name is Mary Goryl, will be ticketed like an express package and in this way she will be sent from Montague to Chicago.

BONUS MAN COMING

AUGUST 15
R. S. Dear Chief of the Bonus Division of Michigan, has informed Ben Lieveens, commander of the American Legion Post, that he will be in Holland about the 15th of August, for the purpose of holding interview on contested Michigan Soldiers Bonus claims.

For that reason the local post is hereby notifying all Service men in this community who are in any way dissatisfied with their State Bonus, to file their names and addresses with the Willard G. Leenhouts Post of Holland. Please bear in mind this pertains only to the Michigan Soldiers Bonus and has nothing to do with the World War compensation, which is in the form of insurance. Mrs. G. J. Van Duren of the local Red Cross has also been notified.

PUPILS MUST BE VACCINATED SAYS BOARD

Believing that prevention is the best means of fighting contagious disease, the board of health of Holland today issued an order through Health Officer Cook that all pupils who are about to enter school and who have not yet been vaccinated must be vaccinated before they can be admitted. The board of education is co-operating with the health board in its efforts to stamp out contagious diseases in Holland.

School is to open in about three weeks and there is no time to be lost by those who wish to have their children enter the first day, the health board points out. There are quite a few children who have reached the minimum age limit and who can be admitted to classes but who have so far not yet been vaccinated. It is the object of the board of health to see to it each fall that those who begin school shall not become a menace to others and thus keep the population of the city as nearly as possible completely in the vaccinated column, eliminating small pox from the city.

The board of health is asking the parents of prospective pupils in the schools to go to their own family physician to have the vaccinating done but it is urged that no time should be lost so that the pupil may be in good condition when school opens.

At present Holland is about as healthy as it has ever been so far as contagious disease cases go. There is only one case in the city at present, one family being quarantined for scarlet fever. It is the hope of the board of health to keep this state of affairs as nearly as possible, and hence every effort is made to take such precautionary measures as are necessary to prevent contagious disease of any kind.

MISSION FEST NETS \$1,000 FOR CHURCHES

The annual mission festival of the Christian Reformed churches of this locality was held Thursday in the grove at Prospect Park and it was very successful in spite of the fact that the weather was threatening in the morning. In spite of that there was an audience of 1,000 present during the afternoon when addresses were given by Rev. L. Veltkamp of the Central Ave. church, Miss Tena Holkeboer, a missionary of the Reformed church who recently returned from China, and Missionary J. C. De Korne, also a missionary to China.

In the evening between 2,000 and 3,000 were present and an address was given by Dr. C. Bouma of the Grand Rapids Theological Seminary. Rev. J. C. De Korne gave an illustrated lecture on China.

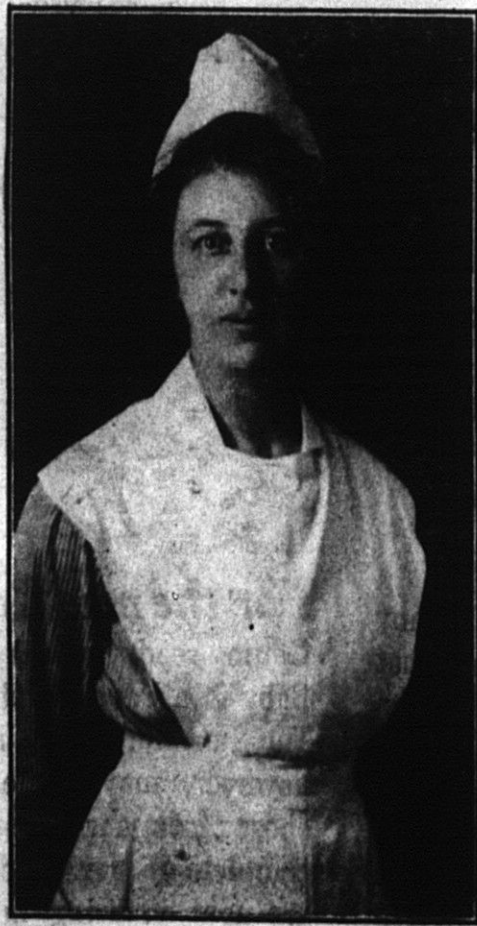

Financially the festival was also very successful. The collections amounted to \$702. Tags were sold amounting to \$90. These sums, together with the proceeds of the can- teen to which several of the local societies and Sunday schools had contributed, will bring the total for the day up to \$1,000 which will be used for the cause of missions.

Dr. J. B. Nykerk has been in Battle Creek, for a week.

There is absolutely no chance for a water famine in Holland this summer.

Mr. and Mrs. A. I. Thompson of Oakland, California, are visiting at the home of Mr. and Mrs. Frank Oost- ing and other relatives.

MISSIONARY FROM CHINA GIVEN RECEPTION AT CHURCH

Miss Jean Nienhuis who with Miss Tena Holkeboer, has just returned from the mission field in China was given a reception Thursday evening, at the Fourth Reformed church, with 350 friends and relatives being present.

Miss Nienhuis, who in the course of the evening was called upon, to give some idea of her work during the past five years in China, very modestly told of conditions there, the tremendous undertakings, and difficulties that a missionary must go thru and the slow progress made in that benighted country of the Orient. A sad feature was that upon the eve of their leaving a hard working missionary and friend who was also coming on a furlough passed away, a martyr to the Missionary cause.

There were two programs, one in the church proper, and another in the parlors of the church.

The former is as follows: organ prelude, Ma. P. Zigterman; hymn,

U. OF NEBRASKA TEACHER TO TEACH AT HOPE

Dr. E. D. Dimment, president of Hope college announced Friday that Mr. Bruce M. Raymond of the University of Nebraska had been engaged to take the chair of history vacated by Prof. Wynand Wichers. Mr. Raymond was chosen out of a field of at least fifty candidates who applied for the position, applications coming from all parts of the country.

After graduating from the Nebraska University, Raymond received his masters degree, majoring in American History and Politics. He has been instructor in history for the past two years at the Nebraska school and before that time had taught in the largest high school in the state of Oklahoma, that being located at Tulsa. According to word received from Mr. Raymond's Alma Mater he is highly recommended by all.

The head of the history department holds him high in scholarship and ability as a teacher. The professor of statistics states that he considers Mr. Raymond an excellent young man and in class room methods the best in his long experience. The new instructor has also studied at the University of Chicago and is working now for his higher degree.

The University of Nebraska ranks very high in scholarship and Hope is fortunate in being able to obtain the services of such a capable man. Mr. Raymond is a comparatively young man and is married.

Another new face on the faculty will be that of Miss Ann Eikenhout of Grand Rapids who will teach French and English. Miss Eikenhout is a graduate of Junior college at Grand Rapids and has taken three years work in the State university of Ohio graduating in 1924. She has proven a most valuable assistant in the French Department at the university.

Besides her work in languages Miss Eikenhout is a wonderful musician being a pianist of rare ability. For a number of years she has been a pleasing entertainer in Grand Rapids, having appeared on many programs given by the musical clubs in the Saint Cella building. Miss Eikenhout will take the place of Miss Van Drezer who will take the position formerly held by Miss Nella Meyer.

Despite the rain in the morning the children of the City Mission, 350 of them, including their parents, had a delightful time at the annual picnic at Jensen Park.

There were plenty of automobiles showing that Holland was ready to give these little folks an enjoyable outing.

During the rain the old folks gathered under the large roof, built at Jensen for that purpose and the children were given a continuous ride on the merry-go-round.

The sun peeped out towards noon, and the rest of the day was ideal for picnic sports. Dinner was served on the long tables under the beech trees at 2 o'clock, after which Wm. Modders led in short devotional exercises.

Miss Nellie Churchford as usual, was the busiest person on the grounds. She especially wishes to thank the Holland people who kindly donated their automobiles, stating that there were enough and to spare.

Harry Doesburg, the local druggist, kindly donated 200 boxes of crackerjack, and Mr. Stelma, of the Holland Fruit and Product Market, sent the largest bunch of bananas in the store, to the picnic grounds.

Miss Churchford states that she wishes to thank these men, and also the local papers "for their never failing support."

BD. OF PUBLIC WORKS TO HAVE 200 FT STACK

When the Board of Public Works of Holland, plans big improvements, the tax payers are never worried, for the money is never spread upon the tax roll, but the expenditures are paid out of the profits that the water, light, and power plants make possible.

Not alone are the tax payers benefited, since these many improvements are being made, "with a closed pocketbook," but the consumers of power, water and light, are enjoying a rate for these services, far below that of any city in the State of Michigan.

The Board of Public Works has been following a building program planned way back in 1916. This program would involve an expenditure of more than a quarter million dollars.

A few years ago another turbine was installed, and other extensive improvements made, however just now the bulk of these new improvements are to become a fact.

Contracts have just been let, for two large new 500 horsepower boilers, in order to increase the capacity of the plant. The contract was given to Babcock & Wilcox of New York for \$26,045.

In connection with these boilers the latest automatic stackers are to be used, and this contract was given to the American Engineering company of Philadelphia, and will cost \$6,390.

Then there must be a large stack to accommodate all the boilers. This mammoth brick chimney, will go skyward 200 feet, will have a foundation of 20 feet underground, and will be constructed of Radial brick.

This stack which is 25 feet higher than its brother at the Sugar factory, will cost \$10,650, and the contract for building was let to the Rust Engineering company of Pittsburgh.

Then a building is to be built to the north, to house the boilers, and part of the present plant must be reconstructed. This building will cost \$26,000 and was let to A. E. Townsend Corporation. This company also takes care of the erection of the structural steel that goes in the building, which is being furnished by the Grand Rapids Steel and Supply Co. at the cost of \$5,194.

Next Monday at a special meeting of the Board of Public Works, a contract will be let to the lowest bidder for a 2,500 K. W. steam turbo-generator, and also a 4,000 square foot surface condenser, which will cost approximately \$60,000.

The rapid growth of the city and the fact that the Board of Public Works is extending its lines to Beachwood, Montello Park and Central Park make these expenditures imperative.

When the plant is completed, it will be one of the finest in the State of Michigan, and one of the best compliments that can be given the Board of Public Works, Mr. R. B. Champion and his efficient staff is the fact that these extensive improvements are being made without the aid of the tax payer, and without the raising in the price of service to the consumer.

The earnings of the plant makes possible the footing of the bill, with still a comfortable margin to spare.

Rev. H. Wm. Pyle of Hollandale, Minnesota, who left Zealand as a graduate from the Western Theological Seminary about one year ago, has a call from the Reformed church at Ierton Iowa. Mr. Pyle is a Zealand man and has many friends there.

SAMUEL ZWEMER OF HOLLAND, MICH., WITH BOER AT SO. AFRICA

(The fact that Dr. Samuel M. Zwemer is at present visiting South Africa makes the following article interesting. It is taken from The British Weekly of April 9th, a part of a letter written by Rev. Donald Fraser, D. D., describing a missionary campaign in which he was engaged. He traveled over a large territory, and discovered some conditions not hitherto appreciated. In particular he comments on "problems of race and color," which he declares "are pressing very hard on South Africa." He discovered evidences of co-operation between different races, and found that "the deepest application has been to the brotherhood of Dutch and English." He then proceeds in the following words to give his estimate of the Dutch Reformed churches.)

The most picturesque and striking scenes have been within the Dutch Reformed churches. People at home are scarcely aware that today the Dutch Reformed church, especially in the Cape Colony, is becoming one of the greatest missionary churches in Christendom, with a vast interior work for natives, and a rapidly extending work in more distant parts of the continent. Unfortunately the Anglo Boer War left a horrible bitterness behind it. What war has ever solved a national or racial problem? Foolish acts and more foolish attitudes raised a barrier between English and Dutch, and Dutch became the only language of the Dutch Reformed churches. Now a great enthusiasm for the national language, Afrikaans, has been created. It is being used in the services of the church, the Bible is being translated into it, and a large literature is growing. But this admirable loyalty to the spoken language of their own race accentuated racial disorders, and English ceased to be used in the Dutch churches of the Orange Free State and Transvaal. Yet it has been our honor to be received as welcome guests into all the great Dutch churches which stand as the most conspicuous buildings in each town. Sometimes our addresses have been translated into Afrikaans, but chiefly we have spoken through the medium of English only, and all our great meetings have been held in these churches.

On Sundays you will see horses, Cape-carts, mule wagons and motor-cars which have brought worshippers from far outlying farms standing outside in the square which surrounds the church. Within, the simple dignity of the Dutch services greatly impresses me. It is a surprise to the stranger to find how rigorous is the etiquette of the dress of the elders and ministers. All the elders

START WILL BE MADE ON NEW DEPOT SEPT. 1

General Managers of the Pere Marquette road, Mr. Alfred, is making good his promise to Holland for a new depot.

Chief Engineer Tuttle of Detroit, has been in Holland within the last few days, getting his blue prints for the new depot arranged, and conferred with length with the local agent, E. B. Rich who has been a persistent and a constant plunger for a new Pere Marquette station for the city of Holland.

Any way the station is assured and will cost between \$50,000 and \$60,000 and will contain all the modern conveniences that a well regular depot affords.

Mr. Tuttle states that the contract for the new structure will be let within the next two weeks, and it is expected that the new building will be started not later than September 1st, enabling the contractor to get the building finished before snow flies.

Sam Miller who for years has done a splendid business, was compelled practically to discontinue his restaurant service, for the reason that the new depot, will occupy the ground, that is to be part of the site of the proposed building.

The new depot is to be built further north, and will include, the site now occupied by the American Railway Express Office, as well as Miller's restaurant, and even then some ground will have to be filled in, in order to get enough space.

The moving over of the depot is an excellent idea, for that will do away with passenger trains blocking East Eighth street, a section in the city where street traffic is unusually heavy.

The Chamber of Commerce of Holland, and the Manufacturers as well, are due considerable credit, for securing this depot.

The Holland Merchants Association and the other civic clubs, also gave the project their moral support constantly, and we feel that the local papers are also entitled to a share of credit, having hammered away at this old depot, for at least ten years back.

The present depot was brought to Holland some twenty-five years ago, from Oakdale Park, Grand Rapids, and the moving was done on flat cars, which was considered at that time, and would be today, as a wonderful feat.

Aside from that fact Holland was never very much impressed with the station, and for years the depot project was a thorn in the side of Holland folks.

However Mr. Alfred came along, and he felt the justice of Holland's request, and has made possible that which Holland has been longing for these many years.

We take our hats off to Mr. Alfred, he has many friends in this city, who have learned to know him, and knowing him one cannot help but love and respect him.

W. C. Ellington of Chicago who was injured Thursday on the Saugatuck road and rushed to Blodgett Hospital, died Friday evening. Ellington plinned under the wreckage was crushed terribly and although his son offered to give blood to save his father, the elder Ellington died on the operating table. According to the son, the accelerator stuck while the car was going at a moderate rate of speed, and although the driver tried hard to keep the car in the road it overturned twice after skidding into the ditch.

Don't You Feel the Same Way

¶The HOLLAND FURNACE CO. is enjoying the condition of business today. We are pleased that you, like everyone else, are determined now to GET AT LEAST ONE HUNDRED CENTS WORTH IN EVERY DOLLAR you use.

¶That is the spirit that is leading people, more and more, toward the desirability of HEATING THE HOME with the DEPENDABLE HOLLAND System.

¶It has grown very distasteful to most of us to be told to take what we are offered or nothing.

¶There is hardly a soul who is not happy with the thought that he can again use his head in buying, and get the most in SERVICE.

¶The lasting economy in buying a HOLLAND FURNACE IS APPRECIATED more today than ever before.

¶Holland Furnaces are sold either for cash or on the time-payment plan.

HOPE IS NOT REMEMBERED IN BRYAN WILL

William Jennings Bryan and Holland have been rather closely related, as was shown after the death of the "Great Commoner" when stories of a reminiscent nature began bobbing up.

Beside the incidents told by Dr. Nykerk relative to Bryan and the Hope lecture course, the meeting of Mr. Bryan and Louis Vanden Berg of Holland at the New York convention, the recent appearance in Holland when Mr. Bryan spoke on the subject "In the Beginning" dealing with evolution and finally the preaching of the funeral service by a former Hope student, Rev. Joe Sizoo, D.D., there are at least two more stories that possibly are worthy of mention. One is only incidental, namely that at least two Holland men still living heard Mr. Bryan make his famous "Cross of Gold and Crown of Thorns" speech in 1896. These two Hollanders are two republicans, J. B. Mulder and the writer. It happened that the two were in Chicago at the time and visited in the vicinity of the convention hall with no hope of ever getting in. However, unexpectedly the late George P. Hunner came along and saw the Holland men, no doubt looking rather anxiously. Mr. Hunner smilingly called out, "What do two of you black leg Republicans want with a democratic convention anyway?" and then laughingly he handed the two Mulders tickets of admission. What followed in the convention hall is well known history and the climax was all and more than was told in '96.

The publishing of the will of Mr. Bryan reveals still another story. While Hope College was not remembered and this was not expected, Mr. Bryan did remember the local institution many years ago. This, according to the information at hand, was when Dr. Kollen was still in his prime as president of the institution. To the surprise of Dr. Kollen he found in his morning mail check for \$500 pinned to a letter wishing the local college well and predicting for it a prosperous future.

Mr. Bryan's will is rather a unique document. It was filed late Saturday afternoon at Miami, Florida, and was appraised, it is stated, at \$560,000.

Bryan's fight against "unbelievers" will be carried on through a provision the Commoner made in his will. The fundamentalist leader, who died after a vigorous defense of the Bible on the scene of the Scopes evolution trial in Dayton, Tenn., left \$100,000 to various institutions for promotion of "Christian education."

Though Bryan was reputed to have made vast sums in Florida real estate, he was worth actually only \$600,000, his will revealed. The will is a long document written on both sides of several sheets of legal paper, in Bryan's own hand. In spite of his care in designating beneficiaries, he failed to name an executor, but the probate court ordered the widow to serve in this capacity.

The outstanding feature of the will is its religious trend. He declared that religion is the most important thing in life, that it overshadows politics and that it should be placed before material education. The opening sentence reflects that spirit of the document.

"Trusting to my salvation in the blood of Jesus Christ, my Lord and Redeemer, and relying on his promises for my hope and resurrection, I consign my body to the dust and commend my spirit to the God who gave it. I, William Jennings Bryan, a citizen of Dade county, Florida, being of sound mind and memory, but conscious of the uncertainty of life and desiring to make a just disposition of the worldly goods with which an indulgent Heavenly Father has seen fit to bless me, I do make, publish, and declare this my last will and testament, thereby revoking and annulling all former wills by me made."

The first provision of the will provides that Bryan's funeral expenses and the cost of a fitting monument on his grave shall be taken from the estate.

SMOOTH CASE OF ROBBERY AT ALLEGAN

Sometime between Saturday and Sunday the Allegan postoffice was robbed of \$800 in cash and from all appearances it was a very smooth job done by experts.

Entrance was effected through a basement window and two inside doors were jimmied before the main floor of the building was reached. The combination was knocked off the larger of the two safes and the combination levers picked or broken to effect entrance. Several hundred dollars worth of stamps in the same compartment with the cash taken were left. The combination on the smaller safe, containing valuable papers, also was destroyed but the safe was not opened. Both safes bear sledge hammer marks. A 45-calibre revolver is listed among the loot.

Electric lights in the city were turned off after Saturday midnight to enable the power company employees to make repairs and it is believed the burglary was effected during the ensuing darkness. The fact that the arc light located in front of the postoffice was out and that a futile attempt was made to jimmy the front entrance strengthened the theory the burglars were able to work while darkness covered the city.

TO HAVE COUNTY GARAGE NEAR HOLLAND

After considering the proposition of building a county garage near Holland for the storage and servicing of maintenance and snow removal equipment in the south end of the county, Carl T. Bowen, county engineer, was authorized Friday by the Ottawa Co. Road Commission to go ahead and make arrangements for the construction of such garage on Trunk Line 11 at a point near Holland. The building of this garage will greatly increase the efficiency of the road maintenance and snow removal work in the southern part of the county and is a step that has been under consideration for some time. It is expected that the building will be built directly north of the Grand Haven bridge near Beechwood.

FARM BUREAU NEWS BOOST HOLLAND FAIR

Present indications point to the fact that the Holland Fair this year will be the greatest in its history. The agricultural hall has been turned over to the poultrymen and plans are being made to make the exhibit the largest ever held in this country.

It is expected that entries will total five thousand birds. To date there are over one hundred fifty heads of cattle entered, so this department will be greater than ever. The horse show will draw many more entrants. Two Farmers Clubs are preparing exhibits. These along with the county agent exhibit, the Michigan State college exhibit horticultural and crops exhibits will be in the poultry hall. A fair can be a great educational exposition and the community fair will be no exception.—Farm Bureau News.

mented his wife upon the assistance she had given him through all his work.

After the bequest to her, one-fourth of the remainder of the Bryan estate goes to each of his three children, Mrs. R. H. Bryan Owen, William Jennings Bryan, Jr., and Grace Bryan Hargreaves. The last fourth of the remainder less \$50,000 which is calculated as the value of the home in Fairview, Neb., is to go to the establishment of an academy for boys where religious and material education can be combined.

The Bryan home at Fairview is given to Bryan's sister, Mrs. Francis Bryan Baird.

The commoner made his will, July 5, 1925. Just before he went to Dayton, Tenn., for the Scopes evolution trial. It was drawn at Cocoonut Grove.

VILLAGE HAS QUOTA OF OLD PRINTERS

The Saugatuck Commercial-Record has the following:

"In an article broadcast in the state press Holland boasts of three printers whose total time devoted to that vocation amounts to 155 years. The trio comprises Al and Ben Kamferbeek and Albert Klooster. Klooster has worked on De Grondwet nearly fifty years. Benjamin Kamferbeek worked forty years in De Hope office and since in the News office. But Albert Kamferbeek is the rolling stone of the trio. In his 57 years at the trade, the article boasts, he has worked in every newspaper plant in Holland! None of the three, it is stated, has ever operated a linotype, having always set type by hand.

"While the persistent wasting of a long life at the printing trade seems rather a dubious honor, Saugatuck wants whatever is coming to it in that line. We have only four 'disciples of Gutenberg' here, and Mr. Inderbitzen probably would kick on being classed as an old man, while Fred Wade long since deserted the printshop for legislative halls. But W. T. Kimsey probably wouldn't deny that in the matter of more years he is getting along some. He has been editor of one or more country papers before the civil war, and has never been entirely happy for any length of time away from a print shop. He probably began his printing office career fully 70 years ago. And today he considers it merely light exercise to set up and run off 5,000 hand bills on a foot power press. And the editor of the Commercial Record, tho accustomed to think of himself as still little more than a mere youth, is jarred by the remembrance that he set type as far back as 1871—more than fifty-three years ago. He has worked as a compositor all over the west and south, learning to operate the machine when it came into use in the cities. For a quarter of a century he was linotype operator on the Chicago Tribune, and last year installed in The Commercial Record office the only linotype in the county west of Allegan, which he operates in producing the newspaper and commercial work.

"Before the old age pension system was adopted in many newspaper shops in the big cities there were numerous instances of men who had worked for more than 50 years on a single job."

BROTHER REED RUNS THE HOLLAND DAWES STORY

Allegan Gazette—What about the pomp and circumstances of high office? Vice-president and Mrs. Dawes drove to Holland from the home of a friend where they had been and found they had time for lunch before the train arrived. They seated themselves on stools at the lunch counter like any other hungry American, and disposed of a square meal, including home-made pie which Mrs. Dawes specially praised. In all probability she asked for the recipe while Mr. Dawes lighted his pipe and shook hands with the proprietor, who waited on them personally. Then they boarded the train like any other citizens, and went on their way. Of such are the real safe-guards of the republic.

ONE AND ONE HALF FARE ON P. M.

Secretary John Arendshorst of the Community Fair, with the assistance of Sam Miller, has made a ten-strike for fair week next week. The passenger department of the Pere Marquette railroad has made a one and one-half fare rate the round trip, over part of the line. This rate is good on the Muskegon division north as far as Pentwater, and from Allegan to Holland, and intermediate points. Also on the main line from Grand Rapids north and from St. Joseph south. This one and one-half fare the round trip is good from Monday morning until late Saturday night, all next week, from the above named places, and intermediate points to Holland.

RAIN MAKES FAILURE OF THE OTTAWA COUNTY FARMERS' PICNIC

Wednesday proved a very poor one for the Ottawa County Farm Bureau picnic which was scheduled to take place at the State Park at that time. A few of the Farm Bureau members from the southern part of the county arrived but even though the weather did clear off, the picnic would hardly be a success in view of attendance.

C. P. Milham, Ottawa county farm agent, stated that the picnic would probably be called off and postponed to a later date when conditions were favorable. It was expected that quite a large number of Farm Bureau members would be there had the weather proved favorable.

LAKETOWN

One hundred thirty-eight team workers attended the school of instruction in Allegan, August 3, in an all-day session. Everyone was there for business even though they left alfalfa and oats in the field ready for attention. These people knew the program given would more than pay for all their trouble. These same people are part of the 250 workers who will solicit their neighbors the coming week. They will visit every farmer in the county, spreading the good news of farm bureau accomplishments and asking them to join with the idea of staying joined. Under the leadership

of Claude Hanby and Clark L. Brody, secretary-manager of the State Farm Bureau, every minute of the day was to the point with no unnecessary words. Those from Fillmore and Laketown follow below:

PRINTS PAPER TO ANNOUNCE HIS WEDDING

Carroll Van Ark of this city has just announced to his parents and friends that he was married an hour after he graduated from Columbia University in June. Mr. Van Ark employed an unusual method of making the announcement. He had a tiny newspaper printed about six by six inches in size, making it look like the front page of the Holland Sentinel in miniature, head, dateline, volume number and everything. The front page of this newspaper had a streamer headline and the story told the facts of the wedding. Copies of this tiny newspaper the groom passed out to his family and friends, the first intimation they had of the event.

The story as printed in the miniature Sentinel reads as follows: (Special to the Sentinel)

New York City—Officially declared a bachelor at noon and a benedict at one o'clock—that was the recent kaleidoscopic experience of Carroll Van Ark.

When President Nicholas Murray Butler of Columbia University called upon the class of 1925, School of Journalism, to rise, and in a solemn ceremony declared them Bachelors of Literature, one of the graduates seemed to sense humor in the title. For he had plans, and being a bachelor had no part in them.

Within an hour, he was kneeling at the altar in The Little Church Around the Corner, with Miss Frances Becker, daughter of Mrs. Murray Becker of this city. The second solemn ceremony of the day began, the black-robed minister of that romantic church declared them husband and wife, and the Bachelor was a benedict.

The wedding, witnessed only by a girl chum of the bride, ended a romance of college days, and was to be kept a secret until this Fall. The groom had just taken a publicity po-

sition with the International Telephone and Telegraph Corporation. Miss Becker was acting as a private secretary, and is to continue in this position until Oct. 1, when it was planned to announce the marriage. But a reporter on the New York World, changed their plans. He stumbled upon the story at the license bureau. Friends of the bride's family saw the World the next morning and telephoned their immediate congratulations, to the surprise of the family. The young couple was confronted with the evidence, and, being a true journalist, the groom recited, "If you see it in the paper, it must be so." That settled it.

The secret, however, was still a secret in Michigan, the groom's home. He was planning to visit his parents in a few weeks, so he decided that instead of writing his family and friends a letter, or sending a mere announcement, he would bring the news in person. The bride was unable to leave New York the week the groom was given his vacation, so she is planning to visit Michigan next summer.

In addition to their city home, on 5th Street around the corner from Fifth Avenue, where the young couple will live until next Spring, Mrs. VanArk's family have an estate at Oyster Bay and is building a winter home at Coral Gables, Miami, Florida.

CY, LOCAL CHAMPION STRONGMAN IS EXTRA ATTRACTION AT FAIR

CY, "Cy" Lifting 170 Lbs. In the Wrestler's Bridge Lift
Cut Used by Permission of "Health and Life" Pub. Company, Chicago

Mr. J. Arendshorst the progressive manager of the Community Fair which is to be held in Holland, August 18, 19, 20, 21 is out with the announcement that Grappler Cy, local wrestling champion and heavy weight lifter will be an extra free attraction at the fair. The grappler whose real name is Cy Vande Luyster, of Zeeland will give an exhibition of strength every day on the platform in front of the grandstand. His feats include an act on the Roman chair that requires stupendous strength of stomach and thigh muscles. Another one of Cy's favorite stunts is to stage a tug of war in which he resists the strength of eight men. For a man weighing as he does a bit over 154 pounds his feats are sensational and are sure to draw a great crowd of admirers whenever they are given. In comparing the exhibition given by the local man and the one displayed by the champion middle weight lifter of Grand Rapids it was found that the Zeeland grappler has the edge as he does many stunts which are not carded on the furniture city man's list.

Vande Luyster is a prime favorite here and has established a great record on the mat, losing but one out of twenty matches that he has engaged in, in various cities around the state.

Although the grappler will not do any wrestling at the fair his strong man stunts will be well worth seeing.

ing. He has received much personal instruction from Prof. A. P. Hedlund, noted Swedish lifter. Don't fail to see this exhibition when you attend the fair.

CHOY LING FOO TROUPE TO BE AT HOLLAND FAIR

What promises to be one of the greatest thrills at the Holland Fair this year is the performance of Choy Ling Foo who makes a slide for life down a three hundred foot cable, hanging only by his hair. This is really a hazardous task as the speed attained by the Chinaman in his downward flight makes it very difficult for him to come to a stop at the proper time. In order to perform this risk the entire weight of the body must be evenly distributed and each hair has to have equal tension.

Even to the uninitiated, it is readily apparent that if strain was not evenly

divided a few hairs would have to bear the entire weight which would cause severe lacerations to the scalp and loss of hair. The Choy Ling Foo troupe constitutes one of the "big time" acts engaged as an extraordinary feature of the 1925 exposition. Critics have pronounced it the best Chinese act that has ever appeared in this country. This original troupe will give exhibitions every afternoon and evening in front of the Grandstand. The Chinese performers are quick, agile and fearless in their acts and are bound to cause favorable comment because of their stunts.

THERE WILL BE 5,000 CHICKENS AT THE FAIR

There is already considerable activity at the Community Fair grounds at Holland, although the exhibition is still a month away. Carpenters are at work building additional stalls for the cattle, for they have already been received that there is no more room to house them, even with contemplated addition.

The Fair Association is only catering farm stock from Ottawa and Allegan counties, which covers the territory for which the fair is intended. Outside stock will be given place if there is room, however the home product must be taken care of first.

Secretary Arendshorst has received letters from stock breeders in Grand Rapids, Hillsdale, Davidson and other places in Michigan, but was compelled to turn these breeders down at least temporarily.

The Michigan State Poultry Improvement Association is backing a project to bring 5,000 birds to the community fair. It is already evident

that this number will be shown, and for that reason the large Horticultural building has been turned into a poultry building, and is being remodeled for this purpose.

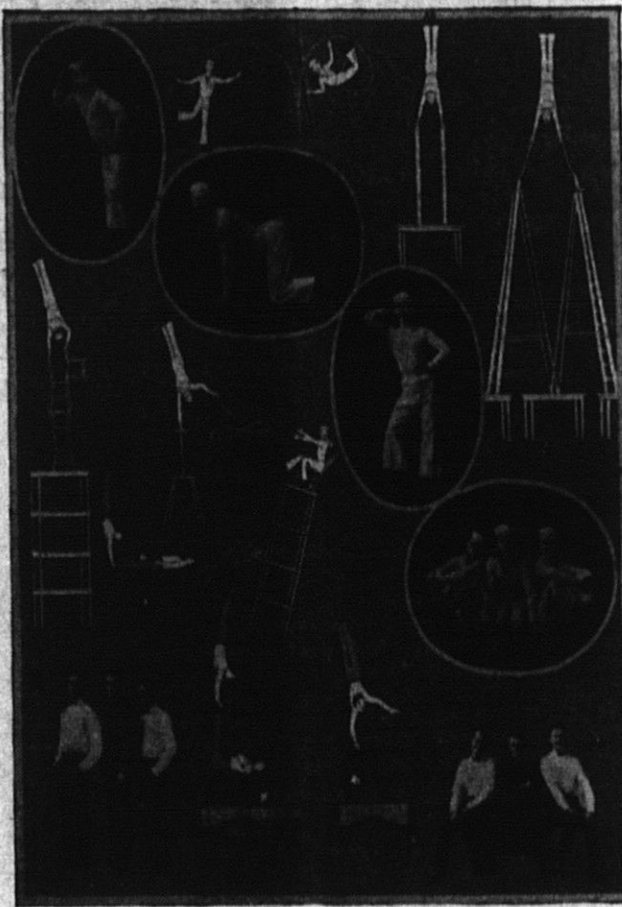

On the other hand the Horticultural department will be transferred to the poultry building and alterations are also being made there, to accommodate this exhibit.

Other changes that are being made and one that is very necessary was the lowering of the free act stand across the track in front of the grandstand. The height of the stand prevented those paying for grandstand seats, to see considerable of the fireworks, this is especially true, of the set pieces, the principal feature pyrotechnical display.

The Michigan State College has prepared a special exhibit for the Holland Community Fair consisting of an alfalfa exhibit, an exhibit of a model Michigan type poultry house, and another showing development of crops and dairy work in Michigan.

The agricultural agent will be on hand part of the time fair week with a soil testing outfit and urges farmers to bring samples of soil in for testing. It is also very likely that an exhibit showing the progress of the campaign to eliminate Tuberculosis in the county will be exhibited. This is their touch with Ben Lieveson between the second exhibit promised by the State now and the opening date of the lo-

JORDON-LORENZO - MORRIS THE THREE COMEDY SAILORS

Jordon-Lorenzo and Morris are the names of these three comedy sailors who will appear every afternoon and evening at the Community Fair, Aug. 18-19-20-21. They are clever artists who unlike others of this particular character in their performance, in which the sensational is combined with the gymnastic skill executed with precision and introducing a thrilling table balance and fall from a height of several feet, violating all laws of gravitation. Something different is included in their performance, with the extraordinary feats of acrobatic balancing, actually juggling human beings, unparalleled in strength, demonstration and agility. They are indeed a clever troupe of comedians, in fact Comedy Acrobatic Act, combining many novel accomplishments, especially the equilibristic exploits on lofty tables. Their line of talk while doing their stunts is said to be extremely funny and pleasing. Don't miss seeing these boys at the fair.

THIS IS THE WILHAT TROUPE, THE FUN MAKERS

Generally people flock to the fair grounds to see new machinery, fine stock, horse races, etc. All these things will appear at the local fair to be held August 18, 19, 20, 21, but the Wilhat troupe will be an added attraction. These fun makers, international champions of skill and laughter are to give two performances every day and from all indications they will be one of the most talked of features at the fair. This troupe has some cycling experts who use odd and freakish wheels in doing their stunts.

Expertness in the manipulation of cycles, unicycles, and freak wheels of all sizes, shapes and descriptions are displayed and some of the most difficult stunts known to cyclists, among

others being single and double giroffs wheels, are accomplished. The young lady in the act is pretty and shapely and wears the most beautiful costumes ever worn in any act of this kind. Different costumes for every day. She is an expert fancy rider and is especially clever on the high and low unicycles, doing revolving and one foot stand stunts, which require one to be a master of skill and balance.

The act is fast, funny, clean and full of excitement. The acme of untrials and tribulations of the modern automobilist.

restrained merriment is reached when the "Klasy Kar" is introduced, for it is a screaming travesty on the

LOCAL TALENT TO BROADCAST OVER RADIO

Holland's musical artists and any other local entertainers that wish to, will have a chance to go on the air, August 13, 14 and 15 when the radio station, W. I. B. J. will be erected in the Masonic temple. The American Legion has brought the Correl outfit here from Chicago and this company brings ten well known radio performers to Holland for these three days.

They say that opportunity only knocks once at the door but in Holland there will be 3 days of opportunity given to all who have not only wished for the privilege of seeing the inside working of a broadcasting station, but also have had the desire to do some broadcasting.

The Doors will be wide open for any and all who want to put their voice "On the Air" three days beginning August 13, 14 and 15 at the Masonic temple. Whether you want your friends in distant cities to hear your piano or vocal selections or whether there may be some message you want to start on its way across the country, either program will be acceptable in the big broadcasting concert which will be open for all.

To assure yourself of this rare experience it is suggested that you get in touch with Ben Lieveson between the second exhibit promised by the State now and the opening date of the lo-

cal broadcasting event, in order that you will be assured of the opportunity to appear on the local program.

It will be very interesting to witness the art of broadcasting in conjunction with the pleasure which will attend the concert of the Radio Artists who will be at the Masonic temple on the dates named. These stars will appear in person in the season's most remarkable musical and singing entertainment during the regular performance hours.

The show consists of entertainment furnished by such well known stars as Paul Earl, comedian of the air and official announcer of the station whose authorized call letters are W. I. B. J. John Sullivan, Irish Tenor and Business Manager of the station. Victor Oliver, Musical Director. Esther Joy, "The Dainty Song Bird", Edna Salomon, the original "How do you do Girl of Radio." Billy Rainey, comedian and instrumentalist. Margaret Grangle, Dancing Violinist. Teresa Miller, Comedienne. Tim O'Hara, the jovial Basso Buffo.

According to the program as it is now arranged the local talent will go on the air for an hour each evening.

After they are finished broadcasting the artists will furnish the entertainment. Each evening a brand new program is put on by the artists and only the local talent's offerings will be broadcasted.

Admission will be 50c and the proceeds will go to the American Legion.

Community Fair Aug. 17, 18, 19, 20, 21 HOLLAND, - MICHIGAN Our Midway

THIS attraction this year will be furnished by the ZEIDMAN & POLLIE SHOWS, traveling in their own special train of thirty-five cars.

They are two experienced showmen who have created a vast amusement organization, absolutely devoid of any and all objectionable features.

It is the managements proud boast that all their attractions have been arranged with special appeal to women and children.

Among the feature shows, attractions and riding devices that will be found on our Midway are the following:

SUPERBA

Original Scenic and Electrical Revue by Etta Louise Blake and a Company of real Artists. Living Models, Famous Paintings. Dr. Hilliar Chrystal Gazer and Mystic. Answers all questions FREE.

LUCKY BOY MINSTRELS

Lovers of real old time minstrelsy have a treat in store for them. 25 colored comedians, singers and dancers as well as a New Orleans Jazz Band present an entertainment of pep and life.

CLIFF DWELLERS

Exact reproduction of ancient rites and customs of the HOPI INDIANS of Arizona. H. W. Billingsby custodian of the free, blooded Hopi's squaws and papooses will be here. Most Educational.

ROCKY ROAD TO DUBLIN

Another big laugh feast. Twenty trained donkeys draw the quaint little carts thro the tortuous tunnels and bumpy bumpy roads towards the city of Dublin. Passengers drive their own.

ALPINE

Florida's Prize Fat Girl. Everybody loves a fat woman and they go wild over Alpine who weighs over 600 pounds and has a waist measurement of nine feet. She is pretty and she is entertaining. You must see her.

DORES WATER CIRCUS

ETHEL DORE, famous New York hippodrome of disappearing ballet fame, has a bevy of charming diving girls and aquatic stars, produce in a huge tank a water phantasy of great beauty. Funny clowns

DAKOTA MAX'S WILD WEST

Pioneer in the field, years with late Buffalo Bill. Very best array of real cowboys, cowgirls, steer throwers, rope spinners, lariat twirlers, dare devil riders, sharp shooters. The Wild and Wooley West as it was!

TONY, THE ALLIGATOR BOY

Most intensely interesting human curiosity ever exhibited. Instead of ordinary skin Tony is completely covered with the hide of an alligator. He is well educated and entertaining.

"MILE A MINUTE" IRENE DARE

The big thriller, the autodrome wherein Joe Dobish and Reckless Reed have raced around a perpendicular track on their motorcycles. Frail Irene Dare drives her big auto straight up the side of the wall.

ETTA LOUISE BLAKES AWAKENING

Latest production by this well known star midst gorgeous Egyptian settings. A beautiful mystical love story of ancient Egypt is unfolded. Chaste dancing numbers, Miracles of lighting, bewildering illusive effects produce this masterpiece.

TRAINED WILD ANIMAL CIRCUS

REAL, just the kind that delights the children. Lions, Bears, Goats, Acrobats, Clowns and the only mixed group of Lions and Goats presented by Capt. Warner. Ramsey family of acrobats also appear.

NATURAL HISTORY MUSEUM

Wherein will be found living specimens of all kinds of reptiles and strange animals.

MUSIC. Capt. Fingerhut

comes with 3 bands to supply the music for the midway.

MONKEY HIPPODROME

The big laugh feast of the entire Midway. Trained monkeys drive their own cars around the track. Just when Dempsey is winning to see Mrs. Murphy reach over and grab the Champ, is a scream.

WHIZ BANG

For those who wish to forget the trials and tribulations of this life, a tour of the Whiz Bang is heartily recommended.

RIDING DEVICE

\$20.00 Merry Go Round, Caterpillar, Ferris Wheel, Mammoth Sea Planes, Whip and the Merry Mix Up.

BARRELS OF FUN

WHERE king laughter reigns supreme. Draw up your belts to keep from bustin.

Besides the shows and rides there will be the usual stands with old time Taffy, Hamburgs, Hot dogs—Criers of all kinds.

The Midway opens Monday evening, Aug. 17-- No admission to grounds Monday or Tuesday.

Wednesday morning the exhibition buildings will be opened and fair program proceed.

Entertainments of all kinds, spectacular fireworks, wonderful horse racing. All kinds of sports and concessions. Bands and high class musicians, clowns, acrobatic stunts, wonderful Chinese actors. If you want a good time do not fail to come and come often. Remember the dates

COMMUNITY FAIR

DAY August 18, 19, 20, 21 NIGHT

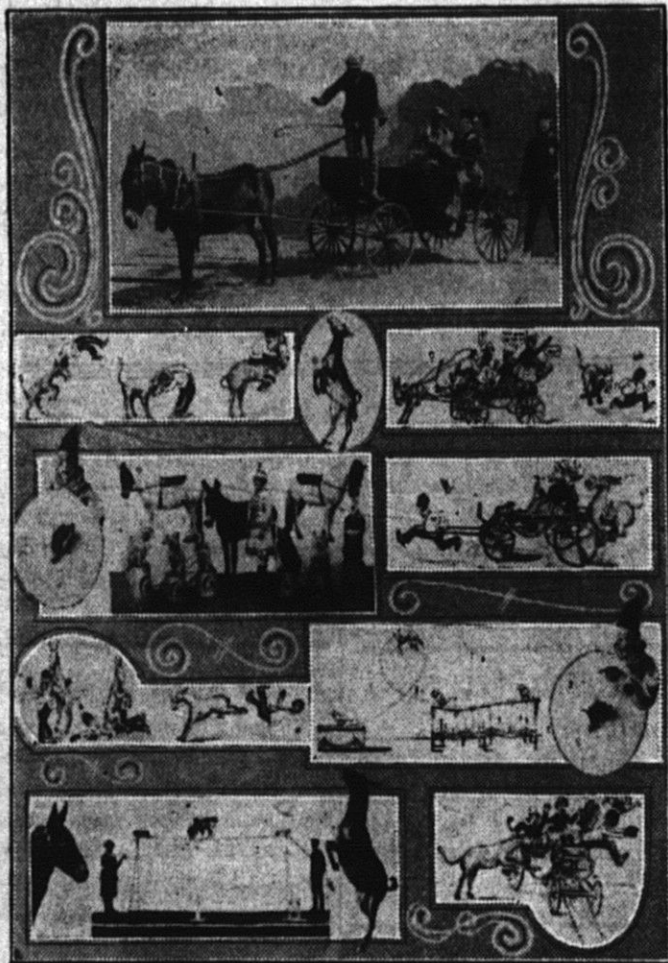

Holland, Michigan

THIS is the 41st Anniversary of the Holland Fair, and has a proud record of past accomplishments. It has the confidence, affection and esteem of the citizenship of our community. During the last few years our fair has forged to the front until today it stands pre eminantly as one of the largest, one of the cleanest, and one of the most educational fairs in the State.

Your liberal patronage and co-operation made possible this enviable record. You have been a booster in its interest. You are deserving of a lot of credit for the successful growth of the Community Fair.

Wonderful Free Attractions, both Afternoon and Evenings.

DENNY CURTIS' ANIMAL CIRCUS

Denny Curtis is his name and animal training his profession. And when patrons of the Community Fair witness his screamingly funny Taximeter number, and also his trained dogs and ponies, they will give Curtis a rising vote of thanks and also declare that he is most successful in his chosen occupation. Curtis has the dog-gone estomach that has ever been in captivity and in the Taximeter act, the stubborn, kicking, biting qualities of this Missouri product is brought to the fore. The act is a riot from start to finish. Eddie Polo, one of the two dogs in the world that do a back double somersault is a feature of the animal act. The whole act is a scream. You will want to see this every day—will perform afternoon and evening in front of the Grand Stand and race track.

TWO BIG NIGHTS of FIREWORKS

Two big day of fireworks at this year's fair. Wednesday and Thursday nights the fireworks will be shown.

The fireworks last year was a great success but the Fair has arranged for an even more elaborate display of fireworks than has been offered heretofore, with set pieces, bombs, rockets, shells, Roman candles, and a number of other features of the pyrotechnicians art. Many set pieces and aerial conceptions which have hereto been confined to larger state fairs will be shown here, among many features being the "Star of the East," "Radio Wheels," "The Pyro Car," nival, "The Enchanted Messenger," "Eccentric Wheels," "Devil Wheels," "Niagara Falls," "The Stage Coach Robbery," "The Fighting Roosters," "Speeder and the Cop," "Star of the East," a gorgeous big set-piece which represents in golden fire the famous six-pointed heavenly body, will be one of the many surprises in store for visitors to the nightly fireworks display at the Fair, and many other places too numerous to mention.

PROMINENT LIFE SAVER COMING TO HOLLAND

One of the most popular of the country's Life Saving Instructors is Alfred S. Moreau, who for the past ten years has been associated with the American Red Cross in the capacity of Life Saving Instructor and special Field Representative, will be in Holland on Saturday, August 15 and will be taken in charge by Francis Deto of the Boy Scouts and Miss Ethyl Dykstra head of the Holland Camp Fire Girls.

Mr. Moreau is well fitted to handle this important subject as he has been active in the athletic field for the past twelve years and apart from this Red Cross connection has served in this capacity with the Bell Telephone system, the Burroughs Adding Machine company and various other organizations. He was one of a group, who, when Life Saving first came into prominence, organized in Detroit, Michigan, one of the first Life Saving Corps in the United States.

Realizing the menace of the swimming season to those who are not prepared to handle themselves efficiently in the water, the American Red Cross is sending its Life Saving Representatives over the country to teach standard swimming and life saving technique. Holland and its resorts are especially favored and there is need for a day of instruction here.

There are five causes of drownings, according to Mr. Moreau. These are: carelessness; lack of sufficient knowledge in methods of saving lives—first your own and next someone else's; poor swimming; going into the water too soon after eating; staying in the water too long.

"Most drownings are preventable," said Mr. Moreau in a recent interview, "and it is up to every swimmer to know how to take care of himself in the water."

Mrs. G. J. Van Duren, secretary of the Holland Red Cross, has been working diligently to receive the services of Mr. Moreau and her efforts have been crowned with success.

Mr. Moreau will leave Ludington, where he also has a class, the night of August 14th and will arrive here early Saturday the 15th. Just where the demonstrations are to be held has not yet been decided, however, full information will be given in time. Both the Camp Fire Girls and the Boy Scouts will be present while this class of instruction in life saving is held.

A drive to compel trucks and buses to comply with the new state law requiring three green lights in front and the same number in the rear in addition to the regular head and tail light equipment was authorized in a conference between Gov. Groesbeck, C. J. Deland, secretary of state, and Allen G. Straight, commissioner of public safety. The law demands that commercial vehicles display the extra lights when operating outside of cities.

According to department of state officials, many vehicles are not equipped although the law has been in effect some time. State police will patrol the roads. Warnings probably will be issued the first time violators are apprehended. Thereafter they will be prosecuted if they are caught.

The dog population in Zeeland and vicinity is becoming too dense and is already giving evidences of the bolshevistic spirit usually accompanying such conditions. Consequently, this week two of the most radically inclined "reds" entered the poultry run of John P. De Jonge and deliberately slew 35 of his choicest Rhode Island Red pullets in cold blood. We would like in the truth if we said that Mr. De Jonge was encouraging an increase in the dog census. It is too bad people care to pay taxes on many worthless curs kept for no apparent reason but the annoyance of the public. Only last spring a cur entered the premises of the Superior Poultry Farms and destroyed nearly 50 young pullets—Zeeland Record.

Announcement was made Friday by the Michigan Sunday School council that Clarence N. Wright, who has been with the council since February, 1922, has been named as acting executive secretary to succeed J. H. Engle, who died recently. Mr. Wright has been serving as specialist in the young people's division and superintendent of education. Before coming to Michigan he was for a time acting general secretary of the Colorado Sunday school association.

Two modest Boy Scout heroes are the two Ladd brothers, Harry 13, and Charles "Chuck" 15, who on the same day rescued two children from drowning in the channel at White Lake. Which was the greater hero was a controversy among witnesses of the respective feats.

Neither youth whispered a word of the achievements to members of their family, who learned about the two feats from others a day later.

Harry, whose heroism may be recognized with a Boy Scout medal for life saving through recommendation of Probation Officer Ben Petersen, risked his life in saving Lois Hansen, seven, daughter of Police Chief Peter Hansen of Muskegon.

The child had swum into the channel water and then sank. Her cries for help were answered by the youth, who swam to her assistance as older bathers stood ashore momentarily dazed.

The child caught her rescuer with a drowning grip and both sank. Witnesses feared both would drown. But Harry remembered the life-saving tricks as taught to the boy scouts. As he sank downward with the girl clinging to his head, he broke her hold, then swam to the surface with the drowning girl.

Probation Officer Petersen, who witnessed the feat has written to the national council of Boy Scouts, asking that the lad be awarded the medal for life-saving.

On the same afternoon when boating at the channel entrance to White Lake, Charles also proved a master of circumstances when he rescued the three-year-old son of Capt. Patrick Barnart of the White Lake coast guards.

The child fell overboard and sank in the water. Charles immediately dove down and a moment later appeared at the surface with the gasping child in his arms. Only a few children witnessed the rescue, but adults who heard of it contend it ranked in meritorious courage with one of Harry.
