**Young Holland
Sailor Winner
In Yacht Races****HOLLAND LAD OF 12 YEARS
WINS FROM ALL COMERS
IN WESTERN MICHIGAN**

This is indeed an honor and will stimulate yachting in Lake Macatawa.

A youthful Holland sailor brings home the first sailing honors of the year to Lake Macatawa. "Bill" Lowry, Jr., 12 years old, carried off first honors in the three-day Regatta held over the week end at White Lake under the auspices of the West Michigan Yachting Association. This was the Crescent Class that has proven so popular with the younger sailors within the past few years.

The best sailors in six West Michigan Clubs were entered in the White Lake event. The entrants from Holland in the Crescent Class were Bill Lowry, Jr., Lois Jesiek, and Harold Van Tongeren. Young Lowry won the championship by taking two firsts and a third in the three races of the Regatta. He is now the proud possessor of a beautiful gold cup as a testimony of an extraordinary rapid advancement in sailing. Bill was given the boat for a Christmas present last December. He launched and christened his boat, the "Blue Bill," about the first of June and became a champion in sixty days. He is the son of Mr. and Mrs. O. W. Lowry and their home is on the north side of Lake Macatawa, near Pine Lodge.

"Bill" got his ground work in sailing under his father's tutelage. The father is an ardent sailor and is skipper of the LaRita, a 38-foot sloop.

Commodore Alvin Jacobsen of the West Michigan Yachting Association, stated on presenting the cup that it was a remarkable achievement for a first-year skipper in competition with more experienced ones, and congratulated him very highly.

The runner-up in this contest was Bobby Bennett of Grand Rapids Yacht Club, who had walked off with the first honors at the West Michigan Skippers Regatta held at Spring Lake the previous week. Third place went to White Lake. Fourth position was taken by Lois Jesiek of Macatawa who had a second in the first-day's race and a fourth in the second and third day's races. Her work was very creditable as she led the entire field up to the last buoy in the third race and was only beaten out by seconds, Harold Van Tongeren of Holland, also a neophyte, was sixth.

The advancement of these young sailors is putting a firm foundation under the efforts to build a Greater Macatawa Bay Yachting Club. The movement under way for securing commodious headquarters is gaining momentum through the combined efforts of the present Macatawa Yacht Club and the Chamber of Commerce Committee, headed by O. W. Lowry and Charles R. Sligh. Several prospective club house sites have been viewed and it is expected that definite action will be taken in the very near future with the hope of raising funds and getting the work underway before the end of the summer. It is the plan of the club to interest boys and girls in the sport through enrollment in the Sailing School to be sponsored by the club and conducted by the older and more experienced sailors.

The club house will also provide a much needed gathering place on Lake Macatawa for both social and sailing events and to give visiting yachtsmen from other ports a hospitable welcome. With two boat plants and an active yacht club here, Macatawa should return to its rightful position as the center of yachting activities on the Great Lakes.

**VAN DIS FAMILY
HAS REUNION**

The first reunion of the Van Dis family was held Friday, August 5, at the farm home of Mr. and Mrs. Bert Van Dis in East Saugatuck. Long tables were set on the spacious lawn of the home for the basket supper. Places were laid for 55. Later in the evening a social time with games and music was enjoyed indoors.

Guests were present from Port Sheldon, Kalamazoo, South Haven, Holland and vicinity. At the organization meeting the host, Bert Van Dis, was named president; Mrs. H. S. Penney was elected secretary, and John Van Wieren, treasurer.

It was decided to hold another reunion next year, on the first Wednesday in August.

**HOOK ON POST TEARS
RUNNING BOARD OFF CAR**

Saturday, William Eaton of Brimley, Cal., and Tom Kluck of Fenwick were on the way to the oil wells at Diamond Springs when they came up to a load of grain. Pulling out to pass it and going only about 15 miles per hour, Mr. Eaton encountered an iron post buried in the grass in the haystack with a hook attached to it which had been used to hold a wire cable. This hook viciously grabbed hold of the running board of the car and tore it off.

**FORMER ZEELAND PASTOR
RESIGNS PULPIT**

Rev. and Mrs. H. Harmeling of Chicago spent a few days this past week visiting relatives in Zeeland. Rev. Harmeling served as pastor of the First Reformed Church six years ago. He has completed 47 years of service as a minister of the Reformed church and has just announced his retirement from active service. He will preach his farewell at Archer Avenue Reformed Church, Chicago, on next Sunday, August 14. They plan to remain residents of Chicago, however, where their daughter Margaret is a nurse.

A son was born yesterday to Mr. and Mrs. Gerrit Klingenberg of Hamilton.

**Holland Lad of 12 Wins Western Michigan
Yachting Cup**

The above picture is that of "Bill" Lowry, Jr., who won signal honors in the Western Michigan Yachting races. It is certainly unusual that a lad so young has proven so adept at the tiller. His yacht is a sloop in the Crescent class, so-called, and the cup was attained in three days of racing at the White Lake Regatta, young Lowry winning two firsts and one third during the three days. He is the son of Mr. and Mrs. O. W. Lowry, who live on the north side on Lake Macatawa. The father, like the son, is a great yachtsman, and the achievement of the lad is an honor for Holland as well as for himself. The father is identified with the Charles R. Sligh Furniture Co.

**TAVERN MAN SHOOT
AT BURGLARS**

This morning, at 4 o'clock, Turk's Tavern near Nunica was entered. The burglary was noticed by the proprietor, Mr. Turk, who got out a shotgun just as two figures were racing for a car. He blazed away at the man in the rear. The man stumbled and fell and crawled into the car. Turk was so close that he let fly the other barrel of the shotgun, and he was positive that many of the shots struck the interior of the car.

The automobile raced away, however, and Sheriff Frank Van Etta and some deputies have been scouring the neighborhood, and the doctors' offices in the hope that if one of the men was badly wounded he would have to get help from a physician. He is asking that any physician so approached please notify the Sheriff's department.

**TWO BROTHERS MEET AFTER
SEPARATION OF 57 YEARS**

Surprise, hesitation, and doubt crossed and recrossed the face of Edo A. Musk of Muskegon Saturday noon when an apparent stranger greeted him at his door.

"Don't you—don't you know your brother?" asked the visitor.

Edo's mind slowly travelled back a half century and seven years. Yes, away back in The Netherlands he had a brother, but he had never heard of him for all those years.

The "stranger" persisted and finally recognition burst upon the face of both. They were brothers, reunited after 57 years of complete separation.

Born the sons of Albert Musk in Ennum, Holland, the two brothers, Edo and Cornelius, were separated in Chicago, were separated shortly after their mother's death when the father apprenticed Cornelius to nearby wealthy farmers, because he could not buy sufficient food and clothing for both. Several years later, in 1881, the father and Edo crossed the ocean, leaving Cornelius behind.

Eight years passed, and in 1889 Edo moved from Grandville, where he first lived in America, to Muskegon, and established himself as a celery farmer. At first attempts were made at letter writing but no word came from the distant dike country. Years dimmed the reality of brotherhood.

Meantime, near Rotterdam, Holland, Cornelius too was growing into young manhood. He married and raised a family, a large family of eight children. America, across the ocean, appealed and called him. In 1910, he with his family and wife made the trip. For a few years they lived in New Jersey where Cornelius made his living by construction work. About four years later friends in Chicago wrote that there was a job open and with his family the immigrants moved once more.

Last Tuesday was a day of great excitement in the house of Cornelius Musk at Chicago. From a friend whom they had met at a funeral, word was received of relatives in Michigan. The name and initials were those of his brother—a letter was immediately dispatched.

In Muskegon, Mrs. Edo Musk opened the letter. With plans for a complete surprise for her husband, she wrote the lost relatives in Chicago to come at once—they most certainly would be welcome! Saturday brother met brother—now Cornelius is 73 and Edo is 67, not since the two were 16 and 10 had they talked together as now!

Following a two-weeks' trip through the Upper Peninsula, the Rev. and Mrs. L. Van Laar have returned to the city.

Mrs. Chris W. Nibbelink, West 12th St., is confined to Blodgett hospital, East Grand Rapids, where she recently submitted to a thyroid operation.

**MORE CHICKENS KILLED
BY DOGS**

A few weeks ago dogs killed 25 pullets belonging to Frank Kooyers, E. 32nd St. It now appears that when the family was gone, dogs again entered the henhouse and killed 17 more.

Across the way the Van Appledorns were also away from home, and the canines played havoc in the hen house.

**PROGRAM AT RESTLAWN
CEMETERY SUNDAY**

The public is invited to Restlawn Cemetery at 3:30 p. m. next Sunday, and a special program will be given. Mrs. Fred Kolenbrander will sing over the microphone, and Mrs. Frank Hoek will be her accompanist at the organ.

They will give several numbers of an inspiring nature. The chimes in the music tower will be heard, and one of the numbers will be "The Lost Chord." Other numbers will be: "In a Monastery Garden," and "The Dove and the Little Star." Many of these selections are heard over the national network, played by Jesse Crawford, nationally known pipe-organist.

Restlawn Memorial Park, as will be remembered, is located on the Zeeland Road. The time is next Sunday, at 3:30 P. M.

**MICHIGAN GLADIOLUS SOCIETY
WILL STAGE SECOND
ANNUAL SHOW AT GRAND
HAVEN**

The Michigan Gladiolus society will stage the 1938 exhibition of gladioli in this city on August 19-21 at the Robbins building, the second consecutive year that this state-wide flower show has been given at Grand Haven.

The state show has been brought there for two years by the Grand Haven Garden Club and the Chamber of Commerce, the society deciding upon the "county seat" last winter in the face of many offers from other cities in Michigan.

To promote this fine exhibition Nathaniel Robbins is donating the use of his building for the three days. It is ideally situated on the river bank where the cool lake breezes temper the heat and help to preserve the flowers that last year filled the large building.

The present season with unusual rains has been marvelous for Grand Haven gardens. Many growers already have some gorgeous blooms. K. T. Vanden Bosch, well known grower, has exhibited some marvelous flowers at the city hall, where he is employed.

All entries in the state show must be made not later than Friday noon on Aug. 19. The evening of the annual banquet will be held at the Hotel Wm. M. Ferry, including the annual business meeting and election of officers.

Paul R. Krone, Michigan State college, will demonstrate the arrangements of flowers on Saturday at 3:30 p. m. All those who saw and heard Mr. Krone last year will undoubtedly want to hear him again as he is considered an authority and his lecture is one of the interesting features of the show.

Following a two-weeks' trip through the Upper Peninsula, the Rev. and Mrs. L. Van Laar have returned to the city.

Mrs. Chris W. Nibbelink, West 12th St., is confined to Blodgett hospital, East Grand Rapids, where she recently submitted to a thyroid operation.

Holland City News Sixty, Fifty, Forty,
Thirty, Twenty and Ten Years
Ago Today****SIXTY YEARS AGO TODAY**

The two-masted schooner Spray entered port from Racine with a threshing machine. The newly invented farm convenience to take the wheat from the chaff attracted considerable attention when unloaded at the dock. The schooner Four Brothers cleared port here with 1,800 hemlock ties and 16 cords of wood for Chicago. Seven sailing vessels made this port and 9 cleared for Milwaukee, Racine and Chicago. Some of the freight consisted of barrels of whiskey, mowing machines, brick, lumber, staves, hemlock logs, etc.

Mr. Fillmore Bird, while fishing in Black Lake, caught a muskellunge weighing forty-five pounds. This, we think, is the largest ever caught in these waters. Note:—We have never heard of a larger one caught since.

Columbia Fire Co., No. 2, turned out on Tuesday evening in full uniform to try out their hand engine. Three streams were thrown twenty feet higher than the city hotel on the corner of Main and Market streets. They got their water from a street well on Market Street. Note:—The fire engine built in 1872, six months after the fire of '71. Columbia Hose Co. is now the first station in the 1st ward. The hand engine had long handles on both sides manned by 15 volunteers on a side, working in relays. It was a man-killing job and often at fires men refused to pump and were jailed for refusing.

There were many street wells deep enough to reach the water level. Under these wells the engine's suction hose was lowered. The Warm Friend Tavern is now on the site of the City Hotel.

Work on E. Vander Veen's building, one of the first brick structures in Holland, is progressing rapidly. It is expected to be finished by New Year's, when the local hardware, tin and locksmith can occupy it. Note:—This is the building which, now 60 years later, is being remodeled throughout and will be occupied by the J. C. Penney Company. At least \$38,000 is being spent by the Boy Brothers to make this block in the heart of the city a very attractive one.

Blackberries are being picked everywhere in the woods about the city. The wild variety is plentiful this year and are selling for 6c per quart. Beware of rattlesnakes who berry pickers; there are plenty of them!

Holland's streets were filled with farmers' wagons during the past week and we have taken the trouble to find out the reason. The fact that much wheat has been purchased by local mills and grain elevators, and cash was paid for it. The number of bushels brought in locally were as follows: Pluggers Mill, 935; City Mills, 919; Heber Walsh (5 days), 4,500; Beach Bros. (W. B. Beach, one of the brothers), 2,683; James E. Higgins, 1,300 bushels, or a total of 10,337 bushels. The News' file of Aug. 10, 1878 show wheat at 95c per bushel. So, farmers were cashed with a big \$10,000 in cash which meant a good week of business with local merchants.

FIFTY YEARS AGO TODAY

Recently a new manufacturing plant was started in this city by Heine Te Roller under the name of Te Roller Manufacturing Co., and specializes in the manufacture of furniture and specialties for the home. Eight cabinet workers and wood carvers have been employed. The second-story of the Phoenix Planing Mill has been leased for this new departure. Note:—The mill in reality, was the first furniture factory in Holland. Soon after, R. E. Workman, who owned the Phoenix, Mr. Te Roller and Mr. Brink, from Graafschap, organized the Ottawa Furniture Co., which has always been considered as the first furniture factory. The Phoenix Mill, a large red structure, occupied the post office site for years until sold to the U. S. Government 20 years ago.

Holland is suffering from a heat wave the like of which the oldest residents cannot remember. One man in North Holland, Levi Caww, staggered into the house after cultivating a corn field. When he entered the house he fell dead.

The new street lamps were lighted for the first time last night and we must say they very much improved over the old type of oil lamp.

Our brewery man, Anton Seif, is keeping his brewery going night and day in order to supply Holland with kegs of beer during these hot days. Mr. Seif is wondering whether the weather has liquidated the total abstinence judging from the hundreds of kegs that his wagon takes to different houses in town these hot days. Note:—The popular size keg in the olden days was 1/8 for \$1.00, cash on delivery. There was no local bottle beer 50 years ago. A \$1.00 keg included a small cake of ice.

Mr. and Mrs. George Dalman were the happy recipients of an heir on Sunday, July 1, 1888. Note:—The lady's name was Mrs. Jacob Zuidema, West 15th St. The city engineer can now survey with satisfaction the 50th anniversary of his estimable wife. The Zuidema's have reared a fine and talented family. George Dalman, for many years, was alderman of the 3rd ward. We understand another anniversary will be observed today, August 12, which will be the Sil-

ver Wedding anniversary of the happy couple.

Four farmers from Drenthe carried away a small goat belonging to Mayor Van Landegend, from his home yard on Cedar and Tenth Streets. Marshal Ed Vaupeul found the goat stealers who pleaded guilty and were fined \$35.00. Note:—The large home in question, built by Mr. Van Landegend, was later owned by Dr. B. B. Godfrey on 10th St. and College Ave. The large house was torn down about 10 years ago.

Although few men were killed in gun battle in the Spanish-American War, one volunteer living only 16 miles from Holland, namely, Ferdinand Seabright, a promising young man, was killed in the battle at Santiago, Cuba, Friday. More Americans died because of illness than otherwise.

A. M. Todd had 1,265 acres of mint at Campanian farm. Last week he had sixteen horse weeder at work each traveling 18 miles a day, making 288 miles of mint, or 240 acres in a day.

Kanters Bros. hardware, has arranged a dozen hitching posts back of their store for the convenience of farmers who come to town to shop with their horses and buggies. It is believed there will be less run-aways, where equines are less subject to be scared. Note:—The Kanters' Block is now the Knoll Plumbing Co. remodeled. Yes, the hitching posts have disappeared years ago.

Forty years ago today Otto P. Kramer of the Holland City State Bank went to Grand Rapids to lay in a supply of revenue stamps for checks and other documents under the new law. Note:—It will be remembered that this was a Spanish-American War measure. We were at war with Spain after the blowing up of the battleship Maine.

Principal F. D. Haddock of Holland public schools has gone to Cornell university at Ithica, N. Y. for the summer.

Nurses Josie Kleyn, Anna Dehn, Anna De Vries and Maria Damson, local teachers, have gone to study at the State Normal school at Ypsilanti where they will take a six-weeks' course. Note:—Miss Kleyn is now Mrs. Ed Westveer, wife of the former postmaster. Miss De Vries has passed away. Miss Damson is the Mrs. John Bannings and has been a missionary to India with her husband for more than 30 years. Miss Anna Dehn is still deaconess of all our public schools. She has been in these schools more than two score years.

The Michigan Bell Telephone Co. has put the first telephone into Castle Park. The subscribers are J. H. Beach, Thomas A. Hall and W. H. Harr of the Castle.

Atty. Hoyt G. Post was in Grand Rapids transacting law business. Note:—His father, John C. Post, was an able and brilliant attorney.

A night blooming cereus belonging to Mrs. Henry Kremers blossomed Sunday night and the entire neighborhood came to see this rare flower that blooms only one night.

Note:—She was the wife of Dr. Henry Kremers, at one time mayor of Holland. Their home was the old hospital, still on Twelfth St. and Central Ave. It was a beautiful place, kept up better than the "Knicker's" keep it. The flower conservatory is still there and Mrs. Kremers had it filled with beautiful blooms and was liberal in giving them to sick folk. Those were the days of neighborhood association and of helping one another. There was something happy and wholesome in those old time Holland days when everyone had a flower and vegetable garden and neighbors exchanged lettuce for radishes over the back fence. Contentment reigned then—but today.

**Unusual Twist
In Our Michigan
Game Laws Shown****CATCHING LIMIT OF FISH
DOES NOT APPLY ON EACH
SPECIES; FOR INSTANCE, 6
SPECIES ALLOW ONLY 25
OF ALL**

Many Holland fishermen may not be aware that the limit on fish does not in all cases apply on individual species but on different species collectively and it would be a little to read the "sports rule book" a little more carefully.

A case in point has to do with some fishermen from Indiana who came to Michigan to fish. When they returned a "Hoosier" publication printed their boasted catch and it appears they fished illegally. What applies to them by the same token applies to us—so here is the story:

Inquiry received by the state department of conservation regarding an unusually large catch of fish from Hamilton lake near Ludington by outstate anglers calls attention to differences in regulations which permit a limit take of certain different species in some cases but not in others.

Five South Bend fishermen were reported in a South Bend newspaper to have caught 275 bass, bluegills and crappies on a trip to Hamilton lake in this state.

Under the law, a fisherman may take in one day the limit of five bass, for instance, and also take the limit of five pike, 15 trout, 5 salmon, and so on. But in the case of six species—rock bass, crappies, perch, bluegills, sunfish and warmouth—the limit of 25 applies to the aggregate catch of all of these species. That is, it is illegal to take in any one day 25 bluegills and 25 sunfish because the total of the six species combined must not exceed 25.

Under these regulations, the South Bend fishermen exceeded their limit by either 125 or 150 fish. The limit for each was five black bass, plus 25 of the panfish; or only 25 fish each if the bass they caught were rock bass.

Although it would be possible, legally, for a fisherman to take 70 or more fish in one day, if the total limit on 17 different species of game fish is figured, the conservation department's fish culturists and researchers point out that it would scarcely be good sportsmanship or good conservation.

**REPUBLICANS WILL HOLD
RALLY ON TUESDAY**

A Republican rally will be held in the Zeeland city hall next week Tuesday evening, August 16th, at which Prosecuting Attorney John R. Dethmers will be the principal speaker. The public, young and old, is cordially invited to attend.

**PAYS FINE FOR SECOND
SPEEDING OFFENSE**

Jay Vander Kolk, 19, of Zeeland R. R. No. 3, was arrested for his second offense for speeding by the Zeeland police, and arraigned before Justice George Caball, Saturday, who assessed him a fine of \$15.00 and costs, and revoked his driver's license for 30 days.

SEIF BREAKS LEG

Joseph Seif is home from northern Wisconsin where he was at work. He sustained a broken leg and is now recovering at the home of his father, Carl Seif, 304 West 12th St. Note:—Joe is a graduate of Holland high school but has been away from Holland for some time.

truck and pitched their tent at night alongside of the truck on the roadside. They intend to go to Mackinac Islands that way. Note: Trailers fully equipped were not even dreamed of 20 years ago, it appears.

Chief Van Ry and Prosecutor Louis Oosterhouse were kept busy until ten o'clock last night getting drafted boys from Holland and Ottawa County, who had forgotten their identification cards, released. They were out of luck when officers were looking for slackers who evaded the World War draft. Twenty-seven from Holland, 32 in all, were in the drag net at Ringling Bros. circus held at Grand Rapids last night.

Note:—The circus for our boys was not at the show grounds but at the Kent County jail until the Chiefs sent in their O. K. Note:—That was war and no one escaped.

Mr. and Mrs. Chris Becker are on a trip to Europe. They expect to be away for two months. Note:—Today Mr. Becker is head of the Home Furnace Co. of Holland.

Dr. A. J. Brouwer of Holland visited Palestine, Egypt and Turkey and also went into King Tut's tomb. Note:—The doctor is now on a trip to Iceland and another trip to Europe. His traveling partner is Mr. P. Ver Planke of Zeeland.

The merchants of Holland decided that a half holiday be held every Thursday afternoon during July and August.

Holland's windmill float is a winner in the Benton Harbor Blossom Parade. The float cost Holland \$250. The News pictures the band and float with Miss "Kay" Vos, Misses Aneta and Selma Cherven, Roy Klompans and Johnny Van Tatenhove. The committee arranging the float that brought Holland the loving cup were John Van Tatenhove, Andrew Klompans and J. A. Johnson. Members of the Exchange Club, marched with wooden shoes and blouses with large buttons. Holland high school band headed the local division with "Fran" Van Hartesveldt as drum major.

**Lightning Strikes Tree; Dog
Chain Melts; Dog
Safe**

During a severe lightning storm and heavy rain, Claus Reenders' home and garage on U.S.-31, north of Agnew, was struck by lightning. The strike smashed a tree, carried along a wire to which a dog was attached by a chain and split the wire in 8-inch pieces. It melted the chain but left the dog unharmed.

The bolt damaged some of the siding of the house and blew a light bulb in the kitchen out of its socket.

July was one of the wettest months on record in weather annals in Ottawa county; 4.14 inches were recorded by the weather observer.

MARRIED AT PARSONAGE

(Grand Haven Tribune)

Miss Doris Christina Larsen, daughter of Mr. and Mrs. A. M. Larsen of St. James, became the bride of Raymond T. Souter, son of Mr. and Mrs. Dell Souter of Holland, on Saturday at the parsonage of the First Methodist church. The Rev. John Clemens officiated.

The couple was attended by Mrs. Harriet Vanden Berg of this city and Chris Kammeraad of Holland. They will make their home in Holland.

**WPA PROJECT STARTS AT
DRAIN OFFICE BY FRED
VAN WIEREN**

A WPA project for employment of clerical help was started this morning at the drain commission's office to index all of the drains in the county and to make maps showing the exact locations.

Two men from Holland were assigned to the job with Fred Van Wieren, drain commissioner, in charge. The cost of the project is \$1,065.50.

**SON GIVES OF HIS BLOOD BUT
MOTHER PASSES**

The funeral services for Mrs. John Owens, sister of Judge Fred T. Miles, will be held today, Friday, at 2 o'clock from the Dykstra Funeral Chapel on East 9th Street with Rev. C. M. Beerthuis, pastor of Immanuel Church where the deceased was a member, officiating.

Mrs. Owens passed away at 5:30 Wednesday morning at Zeeland hospital where she was taken from her home at 11 North River Ave. She had been ill for some time and this illness became so serious that she was taken to the Huisenga Memorial hospital hurriedly; however she died several hours after being admitted. An endeavor was made by physicians to save her life through blood transfusions that her son, Clarence Owens, gave shortly before her passing but it was of no avail.

Mrs. Owens was the daughter of the late Mr. and Mrs. Charles Miles of Port Sheldon. It is interesting to note she was one of twins, the sister Maria, the other twin, dying in 1881.

Surviving are the husband; a daughter, Shirley; two sons, Frank and Clarence; six grandchildren; two sisters, Mrs. Almira Peck of Spring Lake and Mrs. Mary Dake of Jackson; and three brothers, the Rev. Lester Miles of Grand Rapids, Judge Fred T. Miles of Holland, and Warren Miles of Robinson township. Two other children died in infancy, and two sisters also preceded her in death, Mrs. Ethel Van Dam, who died in August, 1911, and Maria Miles, who died in 1882.

Interment will take place in Park township cemetery. Mrs. Owens was 55 years old.

**REUNION HELD IN SCHOOL 83
YEARS OLD; IT WAS ONCE
THE HUYSER CENTER**

The annual Huyser School reunion is to be held next Beaverdam this week Saturday afternoon; and our own alderman, Peter Huyser, will be there to give a few words of wisdom in a talk to the old members of a school that bears his name. The local "city father" can lay just claim to this since three of his forebears lived in that locality, owned land there, and when the school was built in 1855-83 years ago—they called it the Huyser School. What is more, Peter Huyser taught school there for 13 years. That was in the day when thin switches were still the method of punishment to wayward pupils—and let us say, they were sometimes wayward.

Anyway, the reunion is to be held at 1:00 o'clock and among the speakers will be Dr. Cornelius Blonend, Zeeland; John Huisenga of Blonend; while Adolph Siekman, the president, will preside. Mrs. Gertrude van der Meer, wife of the commissioner of schools of Holland, is also on the program for a talk. There will be several musical numbers.

There will be a basket picnic at the supper hour when coffee and lemonade will be furnished free by the district. Those old school boys and girls and their families are urged to bring their own plates, cups, forks, spoons, knives and napkins.

The afternoon and evening will be an enjoyable affair in the well-shaded Huyser School grounds. All those connected with the school in the earlier years are especially urged to be present. Andrew Schut is on the program committee. Mrs. Gerald Huyser is secretary.

**SLOOTERS MOTOR TO
COLORADO SPRINGS**

Mr. and Mrs. Ed Sooter and son, Jack, are on a vacation. They motored to Colorado Springs for a week. Ed is commander of the Willard G. Leenhouts Post American Legion and is identified with the Harrington Coal Co. Mrs. Sooter has been an official in the Legion Auxiliary on different occasions.

Recent guests of Mr. and Mrs. Leo Leent of this city who are vacationing at Beaver Lake were Mr. and Mrs. Emmet McCall and Muriel Colhurst.

Week end guests at the home of Mr. and Mrs. N. Oudemool, 47 W. 15th St., were the Rev. and Mrs. David Louwenaar of Falmouth, Mrs. Louwenaar is a daughter of Mr. and Mrs. Oudemool.

**Pastor Paints
Pictures On
Bible Subjects****PICTURE OF MOUNT CALVARY
MAY BECOME PROPERTY
OF LOCAL SEMINARY**

It came to light yesterday at the reunion of the Russcher School at Fillmore that a pastor, who formerly had a charge at North Holland, namely, Rev. Arthur Maatman, had been spending more than a year painting a picture of Biblical nature. The subject matter is the "Return from Mount Calvary." All the highlights of this Bible story are vividly reproduced in oil. Those who have seen it state that the shading of the picture is so realistic that one is deeply impressed with the scene depicting the period just after the crucifixion of Christ. Mount Calvary way in the distance is created with three crosses. The Bible story is well-known—

Help Uncle Sam

Bad handwriting and poorly addressed envelopes cost Uncle Sam's postal service \$1,500,000 for the last fiscal year. This fact was announced on the 163rd anniversary of the establishment of the service.

Postal authorities say the main troublemakers are the "character handwriters," those folk who try to make their writing on envelopes reveal their personalities and succeed only in distorting the writing beyond the point of legibility.

Others are those who address mail to "Cleveland" and forget to mention the state. There are twenty-seven "Clevelands" in as many states. And, authorities add, 100,000 of us folks mailed perfectly blank envelopes last year—no addresses on 'em at all.

Postal officials ask you to write clearly, and spell out state names if doubtful about the abbreviations. Here is a chance for economy-minded persons to help cut down the overbalanced federal budget.

Give This Some Thought

The national debt of the United States at present is about forty billion dollars.

A good many persons are worried over the size of this debt and its tendency constantly to increase.

But are they equally worried over the fact that crime takes out of the pockets of America every year a sum equivalent to more than a third of the national debt that has been accumulated over a period of many years and for which the American people have at least received some benefit?

The law enforcement committee of the American Bar Association accepts \$15,000,000 as a fair estimate of the annual cost of crime in the United States.

And that estimate doesn't take into account the loss of life through unlawful homicide or the disease and misery bred of crime and vice, which go hand in hand.

The United States today has more persons in prison in proportion to its total population than any other country in the world, without yet having caught up with enough of its criminals to check the steady increase in its crime bill.

A nation potentially as rich as ours can survive a large national debt, although paying off that debt is going to be hard.

The history of the world provides no instance of a nation surviving the unchecked spread of crime, which saps its morale, undermines its morality and eventually engulfs it in blood and debauchery.

Apple Cider Now Under Regulation

Apple cider and its manufacture attracted the attention of the Department of Agriculture officials during the past week and two revised orders having been promulgated with requests from manufacturers in nearby states indicating that there is to be a demand for Michigan's cider apples. The first signed order classifies apple cider as a soft drink and as such makes its manufacture subject to \$25.00 license fee while the second order prohibits the use of dried peels, cores, apple waste, apple chaps or apples found to be diseased, decomposed, putrid, infected, tainted or rotten.

Attention is called to the action of the 1937 legislature in amending the soft drink laws, to make inclusive apple cider, which formerly was exempted. The new law exempts only the manufacture and sale at retail of apple cider or fruit juices by the grower of the fruit from which such cider or juices are made. The order governing the manufacture of cider remains unchanged except for the fee clause.

Mr. and Mrs. Ed Van Tatenhove, 183 W. 19th St., announce the birth of a son Saturday at Holland hospital; Mr. and Mrs. Don Grevenroed, 113 East 23rd St., announce the birth of a daughter on Monday at Holland hospital.

Among those from Holland attending the Saladin Temple dance at the Spring Lake Country club Friday evening were Mr. and Mrs. Jake W. Hobeck, Mr. and Mrs. Leslie Harrett, and Mr. and Mrs. M. Everett Dick.

HART AND COOLEY HOLD PICNIC AT TUNNEL PARK

The annual picnic of the Hart and Cooley Mfg. Co. was held Saturday at Tunnel Park, with about 700 attending. Prizes were awarded for various contests. Bernie Vande Vusse, Peter Ver Schure, Gerrit Bouwman, John Bouwman, Simon Meuwesen, and Lee Smithers were in charge of picnic arrangements.

Beginning at 1 p. m. this afternoon, Friday, the Charles R. Sligh Co. will hold its picnic at the park. Concession and bath house tickets will be furnished to those attending. Sports will be run off in the afternoon, followed by a supper furnished by the plant, at 5:30 p. m. John Sybesma, Charles Klungie, William Huying, and George Tubergan are committee chairmen for the affair.

Starting at 9 a. m. tomorrow, Holland Furnace Co. employees and their families will picnic at Tunnel Park. Approximately 2,000 are expected to attend. Henry Boersma is general chairman of the picnic. Concession tickets will be furnished by the company. At noon a basket dinner will be provided, followed by a program of sports, contests, and variety numbers.

SITE FOR NEW MACATAWA BAY YACHT CLUB TO BE DISCUSSED

A report on proposed sites for a permanent home for the Macatawa Bay Yacht club will be made at a meeting of the club members and other interested persons, to be held Saturday afternoon at the Jesiek Brothers' offices at Macatawa Park. Harold Ver Meulen of Kalamazoo, commodore of the club, will preside at the meeting, at which the discussion will be led by O. W. Lowry, chairman of the club's building committee. Other members of the committee are Henry S. Maerz of Holland; John Knell of Maerz, Ill.; Irving Orr, Grand Rapids; and Bob Hermann, Macatawa.

FLORIDA FOLK ANNOUNCE ENGAGEMENT OF THEIR DAUGHTER

Announcement was made at a family gathering at Macatawa Park Monday evening by Dr. and Mrs. J. C. Pelgrim of Coral Gables, Fla., of the engagement of their daughter, Miss Marie Kollen Pelgrim to Robert G. Gillander of New Orleans and Pittsburgh. The Pelgrims and Mr. Gillander are spending some time at the home of George Pelgrim, West 11th St. The bride is the granddaughter of Mr. and Mrs. Henry Pelgrim, West 12th St. Both Miss Pelgrim and her fiancé are graduates of Duke University.

We might add that Mrs. Pelgrim, before her marriage was Miss Estelle Kollen, daughter of the late Dr. and Mrs. G. J. Kollen. Mr. Kollen was president of Hope College for a number of years, and Mrs. Kollen was the daughter of Dr. A. C. Van Raalte, the founder of Holland.

BOAT FISHING OFF HOLLAND HARBOR HAD CALOR CALL

"The Fisherman," a gas boat owned by Claude Ver Duin of Grand Haven which is used in commercial fishing, was threatened by fire about 10 o'clock Friday night when gas and oil floating on top of the water in the hold caught fire as Mr. Ver Duin was pumping water out of the bilge.

He applied the pumps in the dark for several minutes and then got out his flashlight to see his progress. The flashlight was not in working order and he struck a match. The match flared off and hit gas and oil that floated on top of the water and within a split second the hold of the boat near the engine was ablaze.

The call of "fire" by the owner brought the play of the spotlight and some of the flames shot up to be pumped to the stern of the boat and escaped any injury. Had the boat itself caught fire it might have been serious as the "Mary G." owned by Caleb Ver Duin, Claude Ver Duin's father, had just come in from Holland in the afternoon and was docked so close that it could not have escaped had the fire spread.

Caleb Ver Duin has been fishing off Holland for several months. He will continue fishing off that port for the remainder of the season.

ZEELAND WOMAN KILLED BY CONCRETE MIXER

Mrs. Emmett Southworth, 30, Zeeland resident, was killed Saturday when the car in which she was riding collided with a concrete mixer, near Burns. Joseph M. Van Dyke was the driver of the moving machine with which the car of Mrs. Ella Vandenberg, 35, also of Zeeland, collided. Mrs. Southworth was riding with Mrs. Vandenberg.

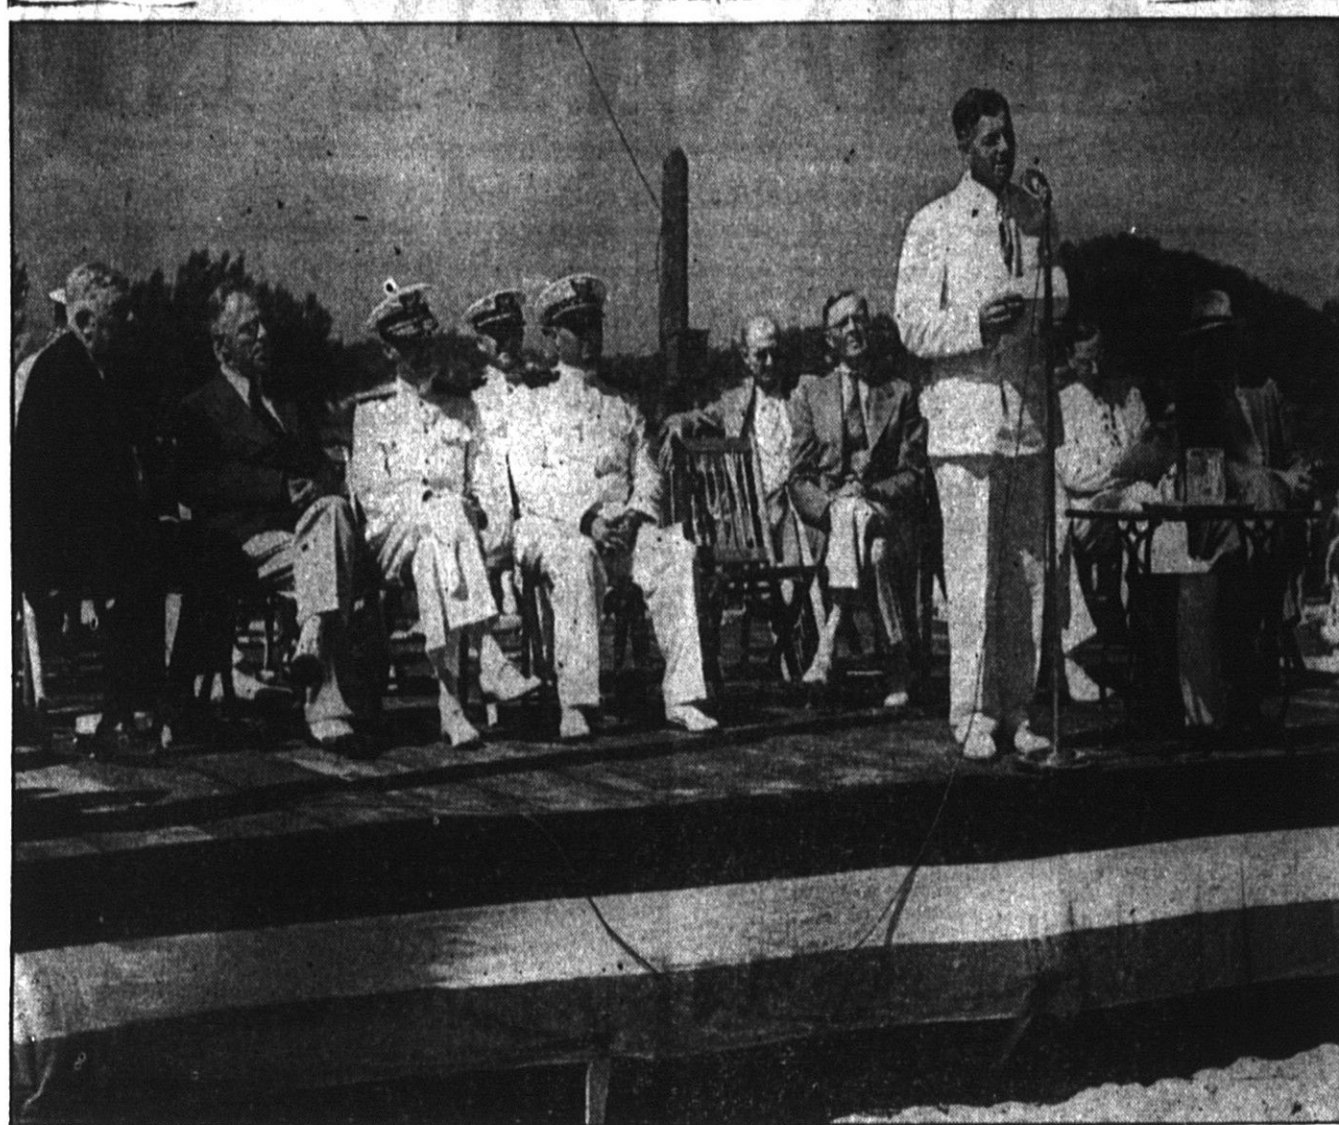

Skidding of the Vandenberg car when the brakes were applied in an effort to bring it to a stop, was blamed as the cause of the accident. Van Dyke was bruised and Mrs. Vandenberg, suffering from painful injuries, was taken to Zeeland hospital.

Funeral services for the accident victim were held at 2 p. m. Monday at the home of her parents, Mr. and Mrs. Harry Harpster of Muskegon, and at 2:30 p. m. from the Nazarine church. Survivors are the husband; a son, Bobby Gene; a brother, Harry Harpster, Jr.; and two sisters, Helen Wohlgaumouth and Mrs. W. S. Smith, both of Lima, Ohio.

About ten new books, fiction and non-fiction, have been recently added to the library of the Woman's club at Fennville. In spite of its being the usual dull season, much interest has been shown at the library hours, Wednesday evenings from 7:30 to 9, and Friday afternoons from 2:30 to 5.

Dr. Bruce M. Raymond, who has been teaching at Central State Teachers' College at Mt. Pleasant this summer, has returned to Holland to spend the remainder of his vacation.

The speakers' platform of the Grand Haven State Park addition dedication, opening function of the Second Annual Grand Haven Coast Guard Water Fete held a few days ago. Carl T. Bowen, formerly of

Holland, chairman, is at the microphone. Seated from left to right, front row, are William H. Loutit, Cornelius Vander Meulen of Holland, who made the dedication address, Rear Admiral R. R.

Waesche, Lieut. Commander R. J. Mauerman, Mayor Richard L. Cook, Sen. Earnest C. Brooks of Holland (hidden from view by Mr. Brown), Harry Whitely of Dowagiac and P. J. Hoffmaster, state conservation

director. In the second row are District Commander Ward W. Bennett and Walter Kingscott, state director of parks. Holland Coast Guards participated in the water fete.

QUARTET FROM HOLLAND FIGURES IN GRAND RAPIDS CHURCH MUSIC

Special music at the evening service of the Church of the Open Door at Grand Rapids last Sunday was provided by the Berean male quartet of this city. Members of the quartet, which has appeared recently in various churches in Holland and vicinity, Muskegon, and Grand Rapids, are the Messrs: Gerrit Jansen, Manley Beyer, and Peter and Willard Veltman, all of Holland. Mrs. Manley Beyer is accompanist for the group.

The Church of the Open Door Sunday welcomed its new pastor, the Rev. Tunis Mouw of Chicago. Miss Marian Waalkes of this city is in charge of music and choir work at the church.

Applications for marriage licenses have been filed at the county clerk's office by William A. Lamer, 24, Grand Rapids, and Myrtle Vandenberg, 20, Zeeland.

ZEELAND

BODY OF ZEELAND BOY IS FOUND; FUNERAL SERVICES WERE HELD AT ZEELAND SATURDAY

Searchers about 10 a. m. Friday recovered the body of Junior De Koster, 18, son of Mr. and Mrs. Jacob De Koster, 256 Wall St., Zeeland, who drowned late Wednesday in Lake Macatawa, off Chippewa Point. Directly responsible for the recovery of the body was Herman Held of Grand Rapids, who works with his brother-in-law, John Baker, at the latter's boat livery at Ottawa Beach. Assisting Held were his two sons, Donald and Harold.

Verdict of accidental death by drowning was returned by Coroner Gilbert Vande Water, following his investigation of the drowning and viewing of the body at the Martin Vander Bie boat livery.

The body of the ill-fated youth was found in about 10 feet of water, following dragging operations which had been going on by members of the Holland coast guard crew and of the county sheriff's department, since immediately following the tragedy. De Koster had been engaged in sailing activities with two companions, Albert and Donald Kampes, sons of Mr. and Mrs. Jacob Kampes of North Church St., Zeeland, when the waters claimed him. Boats for the rescue were contributed by Mr. Vander Bie, who took an active part in the search.

Funeral services for De Koster were held Saturday afternoon at 1:30 o'clock from the home, and at 2 p. m. from the North St. Christian Reformed church, the Rev. A. J. Baker, pastor of Third Christian Reformed church, Zeeland, officiating. Burial took place in Zeeland cemetery.

Born to Mr. and Mrs. James Hulst, North Holland, at the Zeeland hospital, a son, Ronald, Wednesday; to Mr. and Mrs. Lubbert Van Der Zwaag, Borculo, a daughter; to Mr. and Mrs. Peter Elenbaas of Borculo, at Zeeland hospital, a daughter, Annette Caroline, Mrs. Elenbaas before her marriage, was Miss Mary Essenburg of Borculo.

A collision Saturday between a car and a motorized concrete mixer driven by a Grand Rapids man brought instant death to Mrs. Emmett Southworth, 30, of Zeeland, who was riding with Mrs. Ella Vandenberg, 35, also of Zeeland, who is in Zeeland hospital suffering from shock and painful cuts. Driver and owner of the mixer was Joseph M. Van Dyke of 27 Celia St. S. E., Grand Rapids, who told officers Mrs. Vandenberg applied her brakes and skidded into his truck. He said he attempted to turn into the ditch to avoid the car.

Cornelius Roosenraad, 81, dean of Ottawa County's board of supervisors, died from the effects of a lingering illness Wednesday at 1:30 p. m. at the Thomas G. Huizinga Memorial hospital here. Mr. Roosenraad retired from active service on the board this spring. He had served on the board for 24 years.

Bruin De Haas, 85, died Sunday evening at the home of his daughter, Mrs. John Berkompas, at West Olive. Funeral services were conducted Wednesday at 1:30 p. m. from the Berkompas home, and at

1:45 p.m. from the Harlem Reformed church, with the Rev. Gradus Aalberts officiating. Interment took place in Zeeland cemetery.

Five other daughters survive besides Mrs. Berkompas. They are Mrs. Teunis Vellenga of Ravenna, Mrs. Simon Elhardt of this city, Mrs. Ben Boersma and Mrs. Anthony Van Dyk, both of Grand Rapids, and Mrs. Dan Ebel of North Holland. Other survivors include two sons, Peter of Grand Rapids and Gerrit of Fremont; 30 grandchildren, and four great-grandchildren.

ALLEGAN COUNTY

Funeral services for Henry J. Slenk, 81, who died Friday night at his home in East Saugatuck, were held Monday at 1:30 p. m. from the home, and at 2 p. m. in East Saugatuck Christian Reformed church, the Rev. S. P. Miersma officiating. Burial took place in East Saugatuck cemetery. Survivors are four daughters, Miss Johanna Slenk of Holland, and Mrs. Harry Vork, Mrs. Fred Heerspink, and Mrs. G. Tubergan, all of Holland and John and Bert of East Saugatuck.

Lentz and Miller of Muskegon Saturday afternoon brought in the James H. Scholten No. 1 on the farm of James H. Scholten in Overisel township. The initial flow of the well, 110 barrels per hour, was later reduced to 88 barrels per hour. With the success of the first attempt on this location, the Black Rock Oil Co., of which Paul Scholten of Holland is organizer, is contemplating the digging of two other wells, north of the present location. The Scholten No. 1 was drilled at 1,461 feet.

A quiet wedding ceremony was conducted Friday night at the home of the Rev. H. E. Maycroft at Saugatuck when vows were spoken by Miss Winnifred Bushce, daughter of Mr. and Mrs. Archie Bushce of Fennville, and Hyo Fred Bos, son of Mr. and Mrs. Jacob Bos of Holland. Roger Nicol and Miss Janet Kool attended the couple. The groom is an employee of the Holland Furniture Co. at Holland. The couple is residing at the home of Mr. and Mrs. Charles Gretsinger at Fennville.

OTTAWA COUNTY

The first reunion of Highpoint or Butler school at Fennville will be held on the school grounds Saturday afternoon and evening, August 13. Former and present teachers, students and families of those affiliated with the school are asked to bring a basket lunch, which will be one of the features of the celebration.

Funeral services for Gerrit Ten Have, 76, former North Holland resident who died Sunday at Allegan hospital, were held Wednesday at 2 p. m. from the Ten Brink funeral home at Hamilton, followed by burial in North Holland cemetery. The widow; a brother, Ralph Ten Have of Holland; and two sisters, Mrs. Kate Van Eyck of North Holland and Mrs. Neil Rosenberg of Virginia Park, survive.

Edward Van Harn, who has been principal of Montello Park school for the past six years, has accepted a teaching position at Sturgis for the coming year. Julius Bontekoe has replaced Mr. Van Harn as Montello Park school principal. The latter has recently received his A. B. degree at Western State Teachers' college, Kalamazoo. Mrs. Van Harn, the former Joan Visser, daughter of Mr. and Mrs. R. Visser of Holland, will accompany Mr. Van Harn to his new home at Sturgis.

AGNEW

Mr. and Mrs. Ernest Behm are vacationing in Wisconsin stopping at the Wisconsin Dells and scenic places enroute. Donald Edmiston, their nephew, is returning home with them, after spending the summer here.

Mr. and Mrs. Henry Zwemer of Holland visited Mr. and Mrs. Thomas Rosendahl on Thursday. Mr. and Mrs. Bernard Rosendahl and son, Junior, and daughter, Beatrice, and Mr. and Mrs. A. C. Joldersma of Holland visited Mr. and Mrs. Thomas Rosendahl on Tuesday.

GEORGE MOOI HAVING MOVED FROM CITY RESIGNS FROM SCHOOL BOARD

With all members of the board present, George Mooi, for many years a member of the Holland board of education, announced at the board meeting Monday evening that, since he has moved from the school district, and is now residing in Eagle Crest Park, he felt his resignation to be imperative. Despite his resignation, Mr. Mooi stated, he will continue to be with the board "in spirit."

Mr. Mooi served one term on the board from 1920 to 1931, and again took office July 14, 1936. George Buewies, president of the board, accepted Mr. Mooi's resignation, adding, "It is the only thing to be done under the circumstances, but it is done with regret." No successor has as yet been chosen to take Mr. Mooi's place, and, if the office is not filled by appointment, a new member will be chosen at the board election next July.

In an effort to improve the acoustics in the music room of Holland Junior high school, the board voted to have fibre board placed on the ceiling of the room by the acoustical Specialties Contracting Co. of Detroit for a total of \$32. Trustee Mooi reported on the matter and recommended the bid of the Detroit concern over an offer by the Johns-Manville Co. to install the necessary board at a cost of \$700.

In keeping with a motion passed by the board recently, not to allow public meetings in public school buildings, a request by Ald. Cornelius Kalkman to use a room in one of the buildings for a Town-ship meeting was rejected.

Supt. E. E. Fell reported marked progress in the work of painting Junior and Senior high school buildings. The board approved the report of Trustee John Olet to purchase a piano for the Van Raalte School building for \$225, less rent of \$45, thus totaling \$180. Approval was also given the proposal to install a drinking fountain at the Washington School playground. Trustee Mooi's report that Damstra Bros. are installing a boiler at Van Raalte School, at a cost of \$824.75 was placed on file.

WESTVELD FAMILY REUNION

A family reunion was held Sunday in the home of Mr. and Mrs. John Westveld, near Fennville. Those present included Mr. and Mrs. H. H. Ross of Chicago, Mr. and Mrs. Clarence Morphy and daughter, Patty, of Gary, Mr. and Mrs. Jay Mendell and Kenneth, and Mr. and Mrs. Vernon Goodnecht of Kankakee, Ill.; Mr. and Mrs. George Glupker and family of Holland, Mr. and Mrs. John East and Ellen of Fennville, and Mr. and Mrs. Alva Hoover and family of Ganges.

The summer homes of Mrs. F. J. Wadell of Jacksonville, Fla., and W. H. Ross of Detroit at Castle Park, are being remodeled and enlarged.

Size in Business

(Detroit Free Press)

The Brookings Institution, a non-political and non-profit-making research organization, takes issue with those who argue that bigness in business is a curse.

Any informed person will readily agree with this view. Size is in itself neither good nor bad.

What is good or bad in business is the way in which it meets the needs of the time and place in which it functions.

We are living in an age in which great aggregations of capital are necessary in certain lines of business to give the public the benefits of large-scale production, with progressively lower prices, and to meet abroad the competition of vast foreign trusts and cartels.

When big business, and small business, too, for that matter, assumes an attitude or indulges in practices injurious to the public it should be sharply reminded of its obligations to society.

AT LEAST 1,000 PEOPLE LISTEN TO CONGRESSMAN HOFFMAN AT ALLENDALE

DALE MEET; HOLLAND DIRECTOR LEADS BAND

One of the largest Republican meetings held in some time was staged at Allendale Township Hall grounds recently, when a large gathering of people was held for North Ottawa County. Representative Clare Hoffman of Allegan was the headliner, and he was introduced by Charles Lowing, chairman of the Ottawa County Board of Supervisors, who was the presiding officer.

At least 15 Republican candidates for nomination of the different offices were present, and a few words from each were asked, and they made their declarations over a loud speaker system.

The meeting was sponsored by the Northeast Ottawa Republican Club and was one of the most enthusiastic political gatherings for some time. The different County candidates were introduced by William Wilds, Ottawa County's popular Clerk, who has no opposition in the Republican Primaries.

The grove back of the Allendale Town Hall proved to be an ideal setting for the rally, and the decoration committee and others in charge of arrangements for the program, did a fine job. There were colored lights, and a huge American flag formed an impressive background.

Prior to the introduction of the candidates, the Hudsonville band, under the direction of Bert Brandt of Holland, gave a 45-minute concert of excellent music, and the musicians as well as the leader received liberal applause. Justin Zylstra of Allendale called the meeting to order and asked Supervisor Lowing to preside.

Congressman Hoffman gave one of his peppy orations and the large crowd that gathered was interested to the fullest extent, and his entire discourse lasted more than an hour. With the dry humor of a "Will Rogers" he kept his audience, first in an attitude of profound thinking, which was followed often by gales of laughter in reviewing the shortcomings of state and national affairs.

Mr. Hoffman condemned the fact that during this nation-wide depression which brought woe, suffering and despair to millions class prejudice should be inculcated and hatred should be instilled, while charging those of their own class with greed, selfishness, and lack of patriotism. A promise was made to those who had little "for a more abundant life."

The men who really set the wheels of industry going were dubbed as "economic royalists"—the privileged class, profiteers, and exploiters of men and of women who had controlled the affairs of the previous administration. It was promised that this would all be changed, and the "money changers would be driven from the temple"—meaning that the affairs of the nation would be in the interest, and for the benefit of the people as a whole.

Cong. Hoffman stated it is extremely doubtful whether the administration in these 5 years of almost absolute control of the government, has done more than to substitute one group of "Princes," or special privilege group, for another.

Mr. Hoffman went into detail on "pump-priming" showing where the Democratic administration first condemned a government deficit of five billion dollars as ruinous, now, within a period of six years, has spent nearly four times that much and unemployment has surely not decreased at the moment. He pointed out that the budget should be balanced in order to show where the government is at. The balancing of the budget is the first principle of every well-regulated business, and the government should be the first to follow those business principles.

In closing he stated it would be well to carry out some of the promises of the administration—among them being the reduction of government expenses; reduction of Federal employees, bureaus and agencies; the maintaining of a sound currency; that we make some effort to balance the budget and stop ruinous spending; that we enforce the laws of the land and give to each man, who desires to work, the protection guaranteed to him by the constitution.

Mr. Hoffman as follows:

"Northeast Ottawa was indeed fortunate in having Mr. Hoffman as its guest, and it may be possible that he will again be in the district before the close of the campaign.

"The rally certainly gave new impetus to Republicanism in this part of the county, and the county candidates clearly set forth the idea of the rally in stating that it was not their idea to promote their own candidacy but that of the party."

REPORT 642 BUSHELS OF RAG-WEED DESTROYED IN GRAND HAVEN THIS WEEK

There were 642 bushels of rag-weed pulled this week by children and others in Grand Haven and today the first money for this collection is being paid out at the city hall. The rate is 5 cents per bushel, the same as was paid in other years when a campaign to rid that section of ragweed was undertaken.

The park board is in charge of the project with \$200 given to the committee by the city council with which to pay the collectors. A station has been established at Penoyer and Ferry streets, where a city employee is stationed to weigh in all the ragweed collected.

The board is urging the cooperation of citizens to clear their yards and curbs of this noxious weed which is known to be the cause of a large percentage of hay fever.

FLOOD LIGHTING AT ZEELAND PARK

On August 18, a special program will be presented at Lawrence St. city park. The program, which will feature a picture show directed by Walter Van Halstema of that city and a ball game, will be presented in the interests of procuring a flood-lighting system for the park, which is a popular place for outings of various kinds. The Zeeland Playground association, assisted by the city council and the park commission, is supporting the lighting project. Besides the August 18 program, several benefit ball games are being planned for the future, including one by two girls' teams and another by "the oldtimers."

ZEELAND TO SELL 5-YEAR STREET PAVING BONDS

The Zeeland city council Monday evening tabled the offer of the Zeeland State bank to purchase sewer bonds of the city. It approved a new ordinance providing payment for paving of six streets by the sale of street bonds on a five-year plan. The bonds will bear 4 per cent interest and payments will begin on Jan. 1, 1939, and will be made every year on this date.

Ald. Peter Karsten moved that an appropriation of \$100 be granted the Zeeland Business Men's association for staging a farmers' picnic August 24.

The council approved claims against the city for \$4,945.29, which included general, electric and power and water.

"4-H" AND THE ALLEGAN FAIR

Headlined by the dedicatory ceremony for the new 4-H club building, children's day at the eightieth annual Allegan County fair next fall promises to be the greatest opening day ever scheduled at the fair grounds. All children of the county will want to keep in mind Tuesday, September 20, which will be a banner day.

For competitive interest, Leon Kolvoord, chairman of arrangements for Children's day, this week announced the bicycle and pony races will be staged Tuesday afternoon on the race track. These races annually attract a large number of contestants and hundreds of spectators, and each child entering the races obtains some type of prize.

Children interested in competing should contact Mr. Kolvoord some time before the events take place by writing an entry card to him. The bicycle races will carry merchandise prizes, while the pony races will carry prizes as in past years. Mr. Kolvoord stated, "All school children of Allegan and adjoining counties will be admitted to the fair grounds free of charge for the events of Children's day, and special prizes will prevail throughout the day for their benefit. Saturday, September 24, is known as Scout day, when all uniformed Boy Scouts and Girl Scouts are admitted free."

Included in the program of events for Scout day will be an impressive review by the Scout groups and the Veterans, who are also admitted free on this day. Several bands will also be present to add glamour to the ceremonies, although these have not yet been selected.

Of course, the event of greatest interest to children and their parents at the 1938 county fair will be the dedication of the new 4-H club building on Tuesday, to which is added dignitaries in agricultural work throughout the state will be invited.

OLIVE CENTER

Miss Esther Mae Nienhuis, daughter of Mr. and Mrs. Abel E. Nienhuis and Gerald Van der Zwaag, son of Mr. and Mrs. John Vander Zwaag, were united in marriage at the home of Rev. P. D. Van Vliet Thursday evening. After the wedding a reception was held at the home of the bride's parents. The newlyweds left Monday on a wedding trip to the Niagara Falls after which they will make their home in Holland. Congratulations!

Miss Caroline Smeyers spent a few days in Holland visiting relatives last week.

Many local folk attended the Mission Fest of the Christian Reformed churches held at Prospect Park in Holland, Wednesday afternoon and evening.

James Alvin Zwiers, son of Mr. and Mrs. Willard Zwiers, and Hazel Anne Weener, daughter of Mr. and Mrs. Harry Weener, received the sacrament of Holy Baptism on Sunday.

Mrs. George Smeyers and son, Herman, spent Saturday evening at the home of Mr. and Mrs. Albert Timmer.

VERHEY-ONK NUPTIALS AT TRINITY CHURCH

MRS. ALBERT ONK

Miss Ruth Verhey, daughter of Mr. and Mrs. Jacob Verhey, 7 West 17th st., and Albert G. Onk, son of Mr. and Mrs. John Onk, Sr., 77 East 23rd st., were united in marriage Saturday at a ceremony conducted at Trinity Reformed church at 4 p. m. The Rev. Stanley J. Verhey of Long Island, N. Y., brother of the bride, officiated, using the double-ring ceremony.

Mrs. Jack T. Marcus of Holland, organist; Stuart McGrath of Grand Rapids, vocal soloist; and Arie Weller, violinist, provided appropriate wedding music.

The bride, given in marriage by her father, entered the church on the arm of her brother, Anthony Verhey. She was attired in embroidered white organza, equipped with a long train. She carried a bouquet of baby's breath and Maid of Orleans gladioli.

The Misses Ruth Van Oss and Syna Westra, both of Holland, served as bridesmaids, while Mrs. Arie Weller, sister of the bride, attended her as matron of honor and Edith Lou Bos, daughter of Mr. and Mrs. Eldert Bos, niece

of the groom, was flower girl. James Zwemer of St. Louis attended the groom. Ushers were Jack Shoups of Lansing and Bob Freeman of Flint.

A wedding dinner was served in the church parlors to about 180 guests, following the ceremony. Serving were the Misses Marian Koetsier, Viola Baldwin, and Ethel Onk, all of Holland; and the Misses Louise Vande Bunte, Muriel Smallegan, Mary Jane Kiehl, Annette Vande Bunte, Harriet Vander Vliet, Ruth Serum, Genevieve Schut, Sarella Van Oss, and Lorraine Brouwer, all of Hudsonville.

Following a wedding trip through Northern Michigan, the couple will be at home at 714 Central ave. after August 15. Mr. Onk is a substitute postal clerk at the local post office, while Mrs. Onk is employed in the Holland Furnace Co. office. The bride and groom, both natives of this city, attended Hope college as classmates. Mrs. Onk, it will be remembered, attained oratorical honors in the contest at Hope a few years ago.

Everybody with picnic baskets, lots of fun and lots of entertainment for the children, and also a balloon ascension with a parachute jump. The V.F.W. also dedicated our new Michigan home No. 3 for the widows and orphans. Our National V.F.W. widows and Orphans Home is at Eaton Rapids, Mich., and visitors are always welcome.

Don't forget that a good way to spend these warm evenings is at the V.F.W. Hall every Friday evening at 8 P. M. Public invited.

All aboard for our V.F.W. picnic. This means all of you, comrades and families. Fun for all.

THE SUNDAY SCHOOL LESSON

August 14, 1938.

The Relation of Temperance to Character—Proverbs 4:10-23; I Thessalonians 5:6-8.

Henry Geerlings

A wise father talks to his son about the two paths that are before him. The one path has been emphasized as the right one to follow, both by his words and his example. It is the path of the righteous. It has all the great characteristics suggested by light—truth, purity, joy and life. In Scripture the favorite emblem of heaven and the heavenly, of God and the godly, is light. It is symbolic of enlightenment of the understanding, the purity of holiness and true happiness. Light means wisdom and holiness. To walk in the light gives expansion to all our capacities. There is no moral or mental faculty of human nature which is not improved and perfected by walking in the path of light. This father reminds his son that there

is only one safe purpose concerning sound advice regarding all personal matters and that is to decide to accept it and follow it. He asks to have his words preserved in the heart of his son. The heart is the center of life. It is the central organ of the human frame and the health of the body depends upon its soundness and its proper action. Only when this action is healthy and true will the whole body be full of power, energy and beauty. This organ is the mainspring, the determining factor in the life of the body. To start with the heart is the best assurance of keeping the feet on the right path in the matter of vital moral decisions. In temperance we have enough education to keep us straight but we do not always use common sense in applying it to life situations. The challenge for heroic standing by a purpose comes to all of us. These days it takes much of the heroic to be true to conviction in opposing the intriguing offers to walk in the path of the wicked.

The other path is the path of darkness. This is the way of the wicked. It presents the picture of a man on a dangerous mountain track. He has determined upon going this way. He has despised the advice and entreaties of the guides, although aware that his track is beset with dangers. He was told before he started of the deep ravines and yawning precipices. At times, while trying to find his way, he feels the peril that he has exposed himself to in venturing upon a path so dangerous, a path with which he is totally unacquainted. Now the darkness is coming on; but he still hopes to find his way. Presently the darkness has completely hidden the path, and made it doubly perilous. To stand still is to perish in the night; and yet he cannot hope to find his way now, but wanders on in the darkness. He does not know where he is, and where he is going. The man is lost in the dark. He goes stumbling on till suddenly he stumbles upon his fate and is lost in night.

The horrible features of Vanity Fair are carefully concealed from the young man or woman setting out in life. Satan appears then as an angel of light, with promises of boundless pleasure and enjoyment. The unhappy victim soon begins to realize the deceitfulness of the tempter and the bitterness of sin. But he rushes on with the crowd of pleasure-seekers into the haunts and circles of evil men. He becomes absorbed in their follies and impositions. Opportunities of improvement are neglected. By degrees the mind and spirit become the mere vassals of animal passion or selfish gratification, and the day of life passes without any preparation for a blessed future. Amid the whirl and excitement of pleasure-seeking or money-hunting, there soon come hours of gloom and sadness. The fruits of sin are like the fabled apples of Sodom, and to outside view but poisonous within. Many who frequent gay and festive scenes carry into them sad and heavy hearts, many of them cherish memories of days when innocence and truth gave brightness to their souls. As life creeps on, the pursuit of sin becomes more irksome, the burden of the wounded conscience becomes more rankling; and unless by a heartfelt repentance, and an acceptance of mercy through Christ, the transgressor returns to the Father's house, the end comes in darkness.

The sinner has no prospect of light beyond. There is no Bahlah heights for him at the farther end of the gloomy valley. His night of sin will be followed by no dawn of blessed light. He presses on to deeper and yet deeper darkness. If he will not return there is nothing before him but the darkness of death. The one way of escape is backwards—to retrace his steps in humble penitence.

COMMON COUNCIL

Holland, Mich., Aug. 3, 1938.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Geerlings, Alds. Kleis, Drinkwater, Kalkman, Brouwer, Steffens, Wetel, Huyser, Menken, Smith and the Clerk.

Devotions by Mayor Henry Geerlings.

Minutes of the last regular meeting considered read and are approved.

Petitions and Accounts

Clerk presented several applications for Building permits.

Granted, subject to the approval of the City Engineer and Fire Chief C. Blom.

Accepted and filed.

Clerk presented application and bond of John Israels for license to construct sidewalks.

Bond approved and license granted.

Clerk Peterson presented request from the Federal Government for one year's lease of space on the third floor of the City Hall for the sewing project.

Approved.

Clerk presented communication from Michigan Municipal League, acknowledging receipt of and thanking the Common Council for recent check in payment of Annual membership dues. The communication further calls attention to the services that the league is able and desirous to furnish all City Officials who may request information concerning municipal problems.

Accepted and filed.

Clerk presented communication from Michigan Liquor Control Commission, requesting the cooperation of City Officials in enforcing regulations and seeing that all licensed places are conducted under the best possible conditions.

Accepted and filed.

Clerk presented application to sell soft drinks at 369 River Ave., signed by B. D. Bouman.

Granted.

Reports of Standing Committees

Street Committee, to whom had been referred the complaint in regard to the condition of the pavement on West 18th and West 19th Streets, reported that the City Engineer was making some temporary repairs and that the matter of a more permanent improvement would be considered later.

Adopted.

Committee on Claims and Accounts reported Claims in the amount of \$13,980.18 and recommended payment thereof.

Adopted.

Ald. Kalkman reported on behalf of the Building Committee, to the effect that they had received a proposal from Henry Kameraad, who is now painting the City Hall and Engine House, to point up the bricks in No. 2 Engine House at a cost of \$95.00, together with an additional cost of \$20.00 for removing the red bricks in the diamond above the front doors and replacing them with new bricks. It was further reported that Mr. Kameraad carries compensation and liability insurance to protect the City in case of accident.

Adopted and contract for doing this work awarded to Mr. Henry Kameraad.

Ald. Smith further reported on behalf of the Building Committee, that they had met with the boys from the Knickerbocker Society in regard to their back rent. Mr. Smith stated that the boys could not give them any definite information as to when they would be in a position to pay up this rent and wished an expression from the Council as to their wishes in regards to terminating the lease. After a brief discussion,

Referred back to the Public Buildings Committee, together with the Ways and Means Committee with power to act.

Committee on Public Lighting reported having received a request from Mr. Hoover of the Heinz Company to erect a street light on West 16th St., near the entrance to their new building, a short distance west of Ottawa Ave. It was the recommendation of the Committee that this light be erected.

Reports of Special Committees

Ald. Kalkman reported having received another communication from the Armour Leather Company, in which they agree to sell to the City of Holland the so-called Lannery Property on West 8th St. Their proposition is to sell the piece between 8th and 9th Sts. for \$13,000.00 and the piece north of 8th St. for \$3,000.00—or a total of \$16,000.00, plus 1938 taxes.

Ald. Kalkman stated that he felt the City should purchase this property and moved to have the matter of purchasing it, submitted to a vote in the September Primary election.

Ald. Kleis stated that he felt that the matter should be given further consideration before it is submitted to a vote.

After some discussion on the matter, a substitute motion that the matter be deferred until the next regular Council Meeting prevailed.

Adopted.

Ald. Steffens reported on behalf of the Special Committee that was appointed some time ago to work with the Netherlands Historical and Pioneer Foundation relative to the erection of a combined Library and Museum Building. It was stated that the committee had held several meetings and had also secured preliminary sketches from different architects in regard to a suitable structure that could be used to house a Dutch Museum and a Library. It was further reported that after going over these several plans, the committee had decided upon those proposed by Edwin Val-

entine, an architect from Muskegon. The estimated cost of the structure such as he proposes would be \$150,000.00 and of this amount it is quite certain that the PWA would pay 45 per cent, which would leave an amount of \$85,000 to be raised by the City of Holland as their share in financing this structure.

The Committee further reported that it was their belief that this was the opportune time to erect such a building. They gave the following reasons for doing so at this time.

First, that so far, the City has acquired nothing in the way of an outstanding structure from Federal Funds, and inasmuch as the time for filing applications would expire on September 20th they should act immediately.

The Committee gave as a further reason that building such a structure would make a considerable amount of work for skilled and unskilled workers in the City of Holland, and further that they believed that the City could sell bonds at this time to finance their share of expense at an interest rate as low as 2 1/2 per cent.

The Committee gave as a further reason that the present Library was handicapped by lack of space and this space that they now use could be used to good advantage by the Board of Public Works.

In commenting upon this proposition, Dr. Wynand Wichers, President of Hope College, Mr. A. Leenhouts and Mr. C. Vander Meulen supported the Committee and endorsed the proposition.

Ald. Smith raised the question as to the amount suggested, namely \$85,000.00. It was Ald. Smith's contention that this Bond Issue should be at least \$100,000.00 in order to take care of furnishing and equipping this building after it was erected. Mr. Willard Wichers and Miss Dora Schermer were called upon to explain why nothing was provided for equipping the building and they felt that their present equipment would be sufficient without providing any further funds at this time.

Ald. Brouwer took the position that if the City were to expand an amount such as suggested, that it would be better to spend it in the erection of a Civic Auditorium and Youth Center. Mr. Brouwer stated that he had contacted many people in the City of Holland in regard to this proposed Dutch Museum and Library Building and he found that the large majority of people in the City at this time for such a structure since they felt that the greatest need in the City at the present time was a structure such as he had suggested; viz, something in the order of a Civic Auditorium and Youth Center that would accommodate a large number of people.

Mr. Brouwer further stated that at the present time there was no place in the City of Holland large enough to accommodate the crowds who wished to take advantage of the basketball games and other large gatherings.

In answer to Mr. Brouwer's statements, Mayor Geerlings contended that a considerable amount has been done for the Youth of the City. The Mayor stated that various gymnasiums were available for their use. He also stated that the City had built Tennis Courts, Shuffle Boards and other playgrounds for their benefit and the Mayor felt that a Dutch Museum and Library Building such as proposed, would be a real asset to the City of Holland and should be built at this time, while Federal Funds are available to help finance the project.

After some further discussion on the proposition, motion by Steffens, supported by Kalkman, that the Common Council submit the proposition of bonding for \$85,000.00 to the voters at the next Primary Election on September 13, 1938. Adopted by ayes and nays as follows:

Ayes: Kleis, Drinkwater, Kalkman, Steffens, Ketel, Huyser, Menken, Smith—8.

Nays: Brouwer—1.

Dr. Wynand Wichers then recommended that a committee consisting of the City Clerk, City Engineer and the City Attorney be appointed to work with Mr. Willard Wichers to prepare the necessary application for the PWA.

It was so ordered.

Communications from Boards and City Officers

The claims approved by the Hospital Board in the sum of \$3,583.89; the Library Board, \$237.76; the Park and Cemetery Board, \$1,641.66; the Police and Fire Board, \$3,430.71 and the Board of Public Works, \$13,423.87, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported collection of \$13,754.67; City Treasurer: Miscellaneous, \$4,015.16, and 1938 Taxes, \$38,507.37.

Accepted and filed.

Clerk reported bonds and interest coupons due and presented for payment in the amount of \$33,035. Ordered paid.

Clerk presented report from City Inspector Wiersema giving a resume of his activities during the month of July, 1938.

Accepted and filed.

Clerk presented communication from the Board of Health, recommending the construction of a Sanitary Sewer to service the Superior Ice Co.

Referred to the Sewer Committee.

Communication from the Park Board, together with a proposal from the Globe Construction Co., relative to the desirability of paving the driveway through Kollen Park at this time. The cost being 70 cents per square yard for a 2-inch Bituminous Concrete Pavement, to be laid upon the present roadbed. If a roadway is built at a width of 14 feet from the entrance at 10th St. to the Exit on top of the hill at 12th St., there

will be approximately 2700 square yards, or a total cost of \$1,890.00. Referred to Street Committee, together with Ways and Means Committee and Park Board.

Clerk presented report from the City Engineer showing amount due the Globe Construction Co. on paving contracts as follows:

West 20th St. No. 4 Paving—\$2,234.92.

West 21st St. No. 1 Paving—\$2,400.12.

The report states further that these amounts cover the final and total amounts due on the

EDITORIAL

HOLLAND'S DRIVE FOR JOBS BRINGS RESPONSE ELSEWHERE

The "live wires" of Holland through organized efforts or individually have started a great movement in behalf of the unemployed. The campaign of "SALES MEAN JOBS" has started off very auspiciously as will be noticed in a two-column story on page one, section two, of this issue of the News.

We are pleased to relate that Holland's efforts have borne fruit in our neighboring city, Grand Haven, also. In an editorial the editor of the Grand Haven Tribune gives the meat of this whole campaign so clearly that we cannot refrain from republishing what editor McCall has to say.

Holland cannot do this job alone and we only hope that the seed sown in this community will be reflected in all the communities in Ottawa County and beyond. The campaign must be nation-wide in scope to be of real lasting benefit.

The contribution from the Grand Haven Tribune should start something at the "county seat" in the way of "Sales Mean Jobs."

SALES MEAN JOBS

(Grand Haven Tribune)
One thousand Holland citizens enjoyed a koffee kletz at the armory recently. Coffee and doughnuts were important but incidental to the speaking program in which out-of-town orators assisted in launching Holland's version of the National Salesmen's crusade—with the slogan, SALES MEAN JOBS.

To us this was one of the most significant meetings ever held in Western Michigan. It carried some of the enthusiasm expressed during liberty loan drives at the time of the World War—but it was not inspired by a war against men, it was a sincere drive for better times.

The Rev. George Soerheide, former Olive Center resident, will speak Sunday at the Maranatha Bible conference Friday, Saturday and Sunday, at Lake Harbor, Rev. Soerheide is superintendent of a Cleveland, O., mission.

Carter Brown, co-owner of the Castle, has announced that a class for locally-owned horses will be reserved at the annual Castle Park horse show to be held August 25. A pullet owned by Gerald Kleinhelk of Fillmore Center, rural route No. 5, has set a "world record" by laying a six ounce, three and a-half-inch egg.

About a hundred members of Christian Endeavor societies of Holland and vicinity held a beach party last evening at Laketown public park. Peg Van Kampen, recreational chairman of the Holland C. E. union, was in charge of the affair. A sports program was followed by a winner roast. Group singing was led by John Swieringa, music chairman, who also played several accordion solos. Societies represented at the outing were First, Third, Fourth, Trinity, Sixth, Bethel, North Holland, Ebenezer and Central Park. Berlin Bosman, North Holland, is president of the Holland union.

CHICAGO SOX OFFER

CONTRACT TO DE NEFF

Evert De Neff, Flying Dutchman third baseman, has been offered a contract by the Chicago White Sox to go to the training camp at Longview, Tex. Manager Russ Vander Poo has received a wire that Doug Miner, Sox scout, will be here soon to look over the Holland players, of whom three are now offered contracts. Don Van Lente and George Amthor, pitcher, will display their wares.

CAN BE TOO CRITICAL WE BELIEVE

An anonymous critic has written the Chamber of Commerce, according to William M. Connelly, Manager, calling attention to the omission of the two dots over the third letter in the word "cooperating," which appears on the Sales Crusade advertising signs throughout the city. We usually ignore anonymous communications but in this instance the author seems to be in good faith, hence our reply. For the information of our critic and any others who might be interested, the unlaute (two dots juxtaposed horizontally over a vowel) is of German origin and is gradually falling into disuse amongst American publishers. It is still used in dictionaries for the purpose of defining pronunciation. The style code of many of our publishing houses ban it completely.

The real justification for the omission of the unlaute symbol by the designers of the signs for the Sales Crusade, lies in the technique of the advertising profession. It is a common and an accepted practice of advertising to use "ad libitum" which means, as one wishes or pleases. This is usually resorted to for the sake of brevity but is not permissible if there is a shade of doubt as to whether the results might be misunderstood by the reader. The "We Are Cooperating" signs are being used in nearly 500 cities in this National Sales Crusade and we doubt if there is one person who will miss the purport because of the omission of the diacritical symbol in question.

feel that there was no possible hope for steady employment in private industry.

No doubt this country had to pass through such a period but its constructive forces have been brought into action by the experience. SALES MEAN JOBS. A Holland newspaper item points out that "the manufacture of a \$54.24 vacuum cleaner requires 47 1/2 work hours." BUY NOW! the item urges.

Do you have a good vacuum cleaner? What is the condition of your furniture? Does your house need painting? Could you stand a new set of tires? What about new shoes for the kiddies? Is your vacuum equipment up-to-date?

Of course many of us have felt that we could not afford some of the items that we really want and need. It hardly would be prudent to mortgage our future without thought of whether we could keep up payments. But a conservative release of savings by those who would start the cycle. We have repeated assurances in the stock market that business is preparing to do its share.

A country in rags may remain in rags if it has no natural resources. Yet that is not the case in the United States. WE HAVE RESOURCES. SALES MEAN JOBS. AND JOBS MEAN SALES! The formula is simple. Positive action will do what legislation and negative action can never do. The city of Holland is on the right track and every community that creates buying confidence is hastening the return of prosperous times.

Let us forget the politicians and formulas—forget the hatreds and bid the administration to forget its hatreds. This was a good enough country to fight for during war and it is a good country to live in during peacetime—if we make it that way.

SALES MEAN JOBS! JOBS MEAN BUYING POWER! BUYING POWER MEANS NEW SALES! The answer is obvious.

Salesmen of the Seagrave Co., fire equipment manufacturers of Cleveland, O., paid the Holland Fire department a visit Tuesday and showed some of their wares, which included a 2-cylinder V-type truck, which can throw 1,800 gallons of water per minute.

Hamilton Labor Day Celebration Committees — 1938

Hamilton always celebrates Labor Day, and this year will be no exception. Hamilton also believes in putting the responsibility on many shoulders; therefore, committee members have been appointed for a great many things that need looking after in order to make this day a success. Labor Day has always been a big day of the year in Hamilton. It is still several weeks off, however, the large committee, which is found below, is already working for another successful Labor Day celebration.

NEW YORK BANK SEEKS RELATIVES OF SCHOOLCRAFT, OR MYERS

Someone in Allegan may be heir to nearly eighty thousand dollars. The startling discovery was made this week with the announcement of a banking house in New York state disclosing unclaimed money on deposit in the name of Ray C. Schoolcraft, who gave his address as Allegan. The list of unclaimed Allegan county accounts of ten or more totaling \$79,372.26 was made public a few days ago by the bank, who appealed to friends or relatives of Schoolcraft to communicate with them regarding the matter. No deposit or withdrawal for at least fifteen years is shown on the account.

Private investigation thus far showed Schoolcraft's real name as Myers, he later taking the name of his grandfather, James Schoolcraft, with whom he lived most of his earlier life, after his parents died. A marriage license was issued him, under the name Schoolcraft, in 1910 when he was twenty-one years old. He is said to have been a paper maker in Plainville, Allegan county, for a number of years, and his last address known by Allegan relatives was Detroit.

He and his wife were separated several years ago, and their two children, a boy and a girl, are reported to have died in Lansing some time ago. Several relatives are said to be living in Allegan, including an aunt, a Mrs. Simmington, who at one time lived with him and his grandfather.

Under the banking laws of the state of New York, all accounts falling into the "unclaimed" category, eventually pass into the custody of the state if they are not claimed by the rightful owners. An effort will be made to discover whether Ray Schoolcraft is living or dead, and if dead, who his heirs may be, relatives said this week.

SUMMER'S HEAT HIGH IS
SHATTERED AT LAST—MERCURY HITS 90

The top record for heat in Ottawa County was reached for this year Monday when the thermometer reached 90 degrees, according to an official weather observer.

A heavy rain totaling .63 inches fell during the afternoon which brought the thermometer down 20 degrees within a short time. The rain came down in sheets sending hundreds of people on the beach to cover.

The high rate of humidity together with the high temperature caused the most distressing day of the season, but the thunder heads, which later produced rain, again cooled the air and made the balance of the day delightful.

The unusual rains of the summer have made ideal growing conditions in many parts of Ottawa county, stated L. R. Arnold, county agent today.

Corn is making tremendous growth he said, in most places allowing it to catch up where the cool, wet weather of the early summer had halted growth.

He said for a time he feared that so much rain would sprout grain, but he has received reports from several sections that show the grain is still unharmed. Some of the oats are too wet, but in the main the crops of the county look fine. Sam Rymer, Spring Lake, has corn that is about 10 feet high and is expected to produce a record crop.

Mr. Arnold believes the potato crop in this county will be excellent especially on high ground. Growth on new seedlings is excellent. Lawns and gardens in this vicinity are unusually fine.

The chief complainant in this city would possibly be the water department as lawns and gardens have been watered almost daily by rainfall. Not many sprinklers are used these days for sprinkling purposes.

PLAYGROUNDS FOR HOLLAND
ALREADY IN TO WPA

City Engineer Jacob Zuidema early this week made application to WPA Engineer H. G. Rose at Muskegon for a WPA grant for the construction of proposed playgrounds, one between 22nd and 24th Sts., between Washington and Maple Aves., and the other at the corner of Maple Ave. and 11th St. Total cost of the projects has been estimated at \$8,899.40, of which the city will provide \$1,224.40.

The projects include grading and improving at both places; curbs and fencing at 11th St.; and two baseball diamonds and a quarter-mile track at the other site.

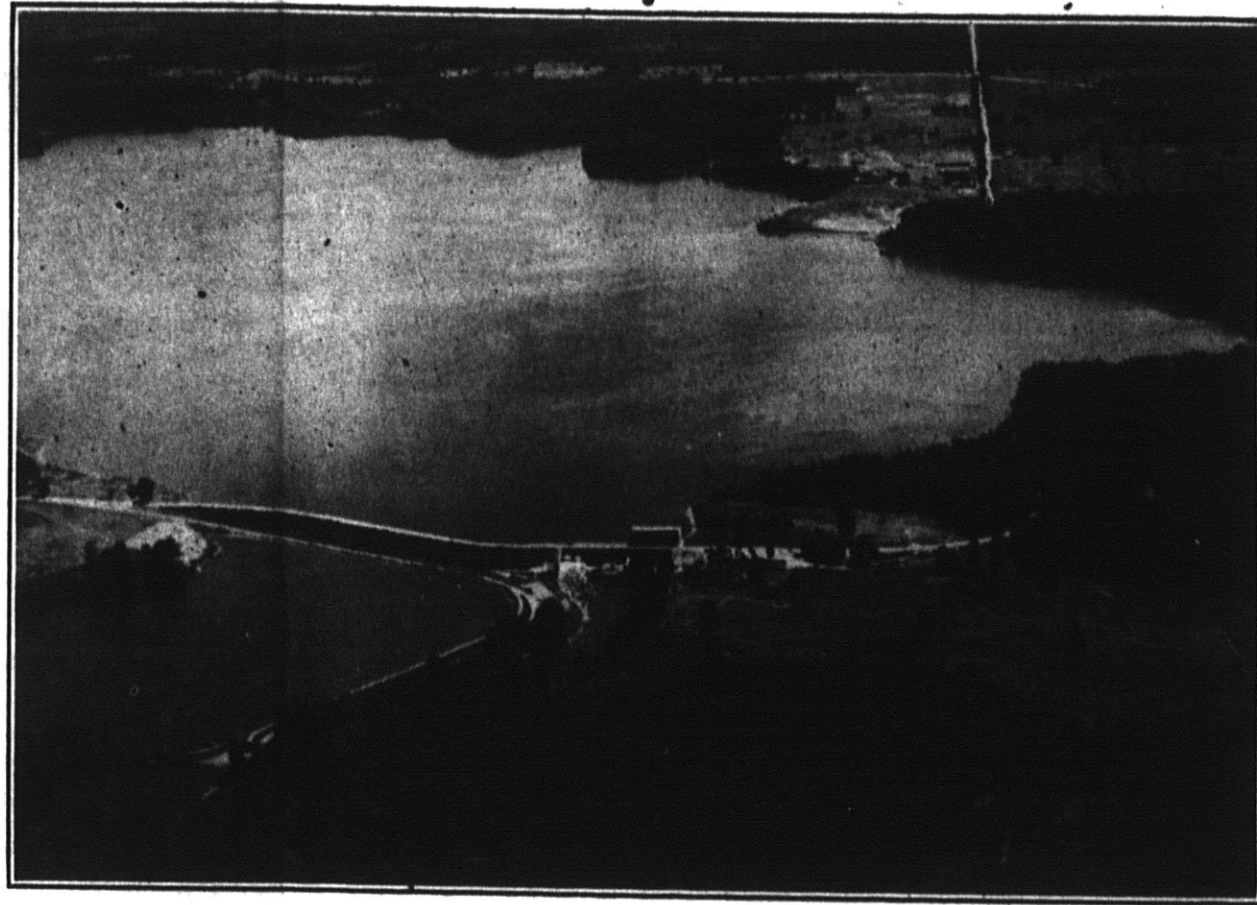

THREE NEGRO GIRL SINGERS
AT IMMANUEL CHURCH
SUNDAY

Special music will be furnished at the evening service of Immanuel Church on Sunday, August 14, by three negro girls, consisting of three years of age: Geraldine, fifteen years of age; Lois, ten years old, and Katie Mae, seven years old. These little orphans were taken into the home of a Christian woman in Kalamazoo six years ago and given a Christian training by her. They sing Gospel songs and negro spirituals and usually give eight or ten selections. They have been heard from time to time over radio station WKZO, Kalamazoo.

Rev. John Douglas, of Hudsonville, Mich., will preach at this service of Immanuel Church. Mr. Douglas was born in Belfast, Ireland, and since January 1st has been the pastor of the Hudsonville Community Church, the church of which C. M. Beuthuis, pastor of Immanuel Church, formerly served. Mr. Beuthuis will be preaching in Hudsonville this coming Sunday.

Mr. and Mrs. Fred Sandy, West 32nd St., have returned from an extended trip visiting relatives in the East.

What Allegan's New-Made Lake Looks Like From The Air

We are indebted to the Allegan News for this remarkable aerial view of Allegan's Municipal Dam and a part of the newly-made lake, also called Allegan. The clarity of detail, which shows most of the lower part of the lake and outlines M-89 and other roads in the background, make this a most interesting picture to folk from Ottawa and Allegan Counties who know this territory.

It is evident that the lake is new for the lack of cottages and

such things that make for a good resort. That is, by all means, not the entire lake, and as for building up a resort—that will come fast enough. It is well for Allegan to avoid the mistakes made by the earlier resorts in the building of cottages and summer homes. Some of the resorts around Holland were built without any regard for building lines, spaces between cottages, and the material used in them. This proved mighty disastrous not only to the property owner when fire swept through them, but it

destroyed the best asset a resort has, namely, the shade. Houses can be rebuilt quickly, but it takes a lifetime to grow a tree.

When Allegan built its dam it did more than build a power plant to serve its city and environs with electric power and light. It built itself a lake about six miles long and the width can be seen in the picture. Rather a shallow stream was dammed up and made this possible. Surely, by the looks of the picture, Allegan can lay claim to a resort district as well as can

Saugatuck, Holland, Port Sheldon, and other places in this vicinity.

There are other things near Allegan Lake that are of interest, namely, the conservation of wildlife, the Allegan Dam site, the forest towers from which woods fires are detected, and other features of interest.

The photograph at least gives a partial view of this new body of water, created not over three years ago. Undoubtedly future airplane views will show the shores dotted with beautiful summer homes.

All Camping and
Trailer Travel Is
On Increase

RAIN EARLY IN SEASON CURTAILED NOMADS BUT NOW THE SEASON IS MAKING UP

A survey of the Holland oval any night and especially week-ends will give some idea of the popularity of the "home on wheels," namely the trailer. The long stretches of concrete, the water front on the site of old Hotel Ottawa and other little convenient nooks have been filled with parked trailers while further under trees small tents house those who want to go even more primitive. The increasing popularity of camping, among visitors to Michigan's state parks, is shown in attendance figures thus far tabulated this season.

Although total attendance has been running slightly behind that of last year, during which approximately nine million persons visited the parks, the number of camps established at the parks has increased. Rainy periods during the first part of the season held total attendance down until the fourth of July week-end when good weather brought a record-breaking turnout for three days. Approximately a thousand more camping permits have been issued at Michigan state parks this year than at the same time in 1937. Complete figures tabulated through the week ending July 9 this year show a total of 13,458 permits compared to 12,415 permits issued up to July 9 in 1937. Since then the ratio has continued about the same.

Total attendance up to the same date this month was 3,164,000 compared to 3,636,000 up to the same date a year ago. State park heads expect that last year's total of 49,000 camp permits will be exceeded this season. And judging by the heavy patronage which has attended good weather they also believe that if the rest of the season offers reasonably favorable weather, especially on the week-ends, the total attendance will at least equal last year's.

FINANCIAL HELP FOR HEALTH
MAY COME TO COUNTY

A county committee Monday went to Lansing and there was informed by Don W. Gudakunst, State Health Commissioner, that the Ottawa County Health Department will receive additional support, financial and otherwise, despite a \$5,120 cut in its budget last May.

The extent to which financial aid will be forthcoming will depend upon the financial status of the state health department. An extra nurse has been promised the county, however. Members of the county delegation which made the trip to Lansing are City Attorney Elbert Parsons, Holland; Hunter Hering of Crookery township; George Heneveld of Park township; and Lester Martin of Wright township, all members of the county board of supervisors' health committee; Mudge Bresnahan, nurse; and Dr. Ralph Ten Have, county health director.

SHERIFF'S OFFICIALS
DESTROY MARIJUANA

Four bushels of marijuana plants, found growing wild in the rear of the Kinkema market, downtown, by city police, were destroyed today by Sheriff Frank Van Etta. The marijuana was found by Tom McMahon, volunteer United States weather observer, whose home is at the rear of the market. The officers attracted considerable attention as they tore up the weed by its roots and took it to the sheriff's office.

Peter Wierda, West 18th St., is vacationing in Scranton, Pa., and Elmira, N. Y. At the latter city, he is visiting Mr. and Mrs. Al Wierda.

MAYOR'S DAUGHTER WILL
CHRISTEN NEW RACING BOAT

The Batavia, newly designed racer of the Campbell Boat Co. on Lake Macatawa, will be christened with elaborate ceremonies at the company docks, Saturday at 10 a. m., by Miss Ruth Geerlings, daughter of Mayor Henry Geerlings. Other local persons to appear on the program will be Mayor Geerlings and William M. Connelly, manager of the Holland Chamber of Commerce.

The Batavia was designed by Henry B. Babson of Chicago, executed by Philip Rhodes, and is the property of J. C. Peterson of Chicago. The contract for the construction of the ship was awarded the local boat concern by the C. M. Burback Co. of Grand Rapids and Chicago.

Edward Brown is in charge of construction of the boat. Launching ceremonies tomorrow will be in charge of Kenneth Campbell, owner of the Campbell Boat Co., assisted by Mr. Peterson. A detailed description of the new ship was given in a previous issue of the Holland City News.

DREGMAN-PRICE MARRIAGE
TAKES PLACE SATURDAY
AFTERNOON

The wedding of Miss Margaret Dregman, daughter of Mr. and Mrs. C. J. Dregman, 71 West 14th St., and Sherwood R. Price, son of Mr. and Mrs. Frank Price, 260 West 15th St., will take place at the bride's home, Saturday at 4:30 p. m. Mr. Price is a member of the faculty of Lawrence Technical high school, Detroit. Both are graduates of Holland high school and Hope College, and both have taken their M. A. degrees at the University of Michigan. The bride-to-be has recently been feted at showers by Miss Esther Hinkamp and Miss Josephine Ayers, both of Holland.

BUS TRANSPORTATION FOR
SCHOOL TO BE DISCUSSED

A meeting has been called for Monday, August 15, at 8 p. m., at the Sandwood school, Fillmore district No. 2, Allegan County, at which time a discussion will be held in an effort to decide whether bus transportation will be provided for the school's 150 pupils in the fall. School director, Gerrit J. Schurman, rural route No. 6, stated this week that some children are required to walk as much as two and a half miles to school.

PLAN ANNUAL CHICKEN DIN-
NER OF 1,000 HENS ON
AUGUST 14

Preparations to serve at least 1,000 chicken dinners at the annual Watson chicken dinner in the Watson parish hall at Allegan Sunday, August 14, were under way this week, the Rev. James A. Callahan announced. The dinner, held each year under the auspices of the Allegan and Watson Catholic churches, is expected to draw more persons than ever in the past. Mass at Watson on that day will be celebrated at 11 a. m.

FORMER HOLLAND MAN
SELLS SANDWICH SHOP

Mr. and Mrs. Sol Cutshaw, recently of Douglas, have purchased the Sandwich Shop in Pennville from Russell Westfeldt, formerly of Holland, and took possession Monday. They are having the interior of the restaurant redecorated.

Guests at the Idlewood cottage of the Rev. and Mrs. J. E. Hoffman last week were Dr. and Mrs. G. J. Tekhuis, Miss Jeanette Westveer, and Mrs. J. Hoffman and Miss Jeanette Hoffman, all of Holland; and Miss Helen Leslie of Sherwood.

A daughter was born Tuesday evening at Holland hospital to Mr. and Mrs. Jacob Van Dyke, 43 Columbia Ave.

Eagles Draw
Large Crowd
at Muskegon

NEST PROVES A LURE FOR TOURISTS—IS IN AN ISOLATED WOODS ON FARM

At least 25,000 persons have had an opportunity during the last few months to observe the homelife of a family of American eagles, whose aerie is located in Laketon township, Muskegon county, just outside of Muskegon city and adjoining the Muskegon State Park. Daily hundreds have visited the eagles' nest and on Sundays people have come from all sections of Western Michigan. Tourists and resorters from all sections of the country also have been attracted by the eagles.

The nest was discovered by Harry Hendryx, who lived in that section, a short time after it was built in the spring. An effort was made at first to keep the location of the nest a secret, but more and more people learned of it, and visited the scene. The crowds which gathered seem not to annoy the parent eagles, and the mother bird hatched the eggs and today the two baby eagles are almost full grown. The parent eagles carry fish and other food to them and the birds eat as the spectators look on.

The nest is located just off a main traveled highway to the state park and is in the crotch of an old tree which can be seen for some distance. Such large crowds have been attracted that Robert Sullivan, 11 years old, of Muskegon, opened a soft drink stand and has done a good business.

There were two eagles in this section a year ago but I could not locate the nests," Mr. Hendryx said. "I believe the eagles which built their nest out there this year are the young from the pair I saw a year ago."

Mr. Hendryx regrets one thing now. He wishes he had leased the 10 acres where the eagles' nest is located. "With the thousands attracted to the nest I could have made some money," Hendryx says.

"OLD SASSAFRAS" ARRIVES
HOME

"Old Sassafras," the bald eagle who yearly comes to his summer location at Roaring Brook, near Harbor Springs, Mich., has now made his appearance for the season, and taken his abode among the pine stubs of that resort.

Daily the large bird is seen to spread out his broad wings in a glide over the jungle that shelters his private sanctuary, and then settles down like an aviator into his resting place. For a number of years the old bird has been coming to the same spot like a cottager to his own summer home. The resorters look for him each year, and his arrival is chronicled as one of the important events of the season.

VANDE WATER HOLD REUN-
ION; 125 ATTEND

About 125 attended the Vande Water family reunion at Tunnel Park Tuesday afternoon and evening. The event was the family's first reunion in 16 years. A sports program was held under the direction of John De Ridder, Herman Bekker, Louis Dalman, and Ed Scheerhorn. A basket supper was provided. Winners at contests participated in during the day were: Ruby Vande Water, Buster De Haan, Bernie Vande Water, Alvin Van Asselt, Mrs. J. Burton, Mrs. Bernard Vande Water, Bernard Dokter, Russell Vande Water, Judge Cora Vande Water, Jack and Joyce Palmer, Arlene De Ridder, Maxine Palmer, Rodger Dalman, Randall Vande Water, Dale Bekker and Joan Lappinga. Honors for being the oldest and youngest persons present went to William H. Vande Water, 89, and Shirley Ann De Ridder, two-and-a-half weeks' old daughter of Mr. and Mrs. Gordon De Ridder, respectively.

Officers elected for the ensuing year are: president, the Rev. John Vande Water, superintendent of a Grand Rapids mission; vice president, Louis B. Dalman of Holland; secretary, Probate Judge Cora Vande Water, Grand Haven; and treasurer, Coroner Gilbert Vande Water of Holland.

Mrs. C. L. Kennedy of Oak Park, Ill., Mr. and Mrs. William Votruba and children, and Mrs. Clarence Samuelson, all of Traverse City, were guests at the A. C. Keppel cottage at Tennessee Beach last week-end.

The Rev. William Wolvius of this city left this morning for Boyden, Ia., where he will be one of the speakers at the 50th anniversary program of the Boyden Reformed church. Rev. Wolvius was pastor of the Boyden church 40 years ago. He will preach at Hull, Ia. on August 14.

CHRISTIAN SCIENCE LECTURE AT HOLLAND THE-ATRE LARGELY ATTENDED

Elizabeth McArthur Thomson of St. Louis, Mo., member of the board of lecturers of the mother church, The First Church of Christ Scientist, at Boston, Sunday afternoon appeared in the Holland theatre as lecturer, under the auspices of the Holland Christian Science society.

"To know the truth concerning anything," she stated, "involves the giving up of the lie. To know about everything—the absolute fact concerning God, man, and the universe, must demand a recognition of one God and Father, one healing Christ, one real man whose substance must be wholly good, or true thinking—with never a sense of lack. With the coming of good in thought, purpose, and plan, the erroneous must go. Let the message of truth, as revealed in Christian Science, be your guide and protection in everything you do."

The lecturer started off with an introduction on the 23rd Psalm and a brief summary of the work of Mary Baker Eddy, prominent proponent of the Christian Science movement.

An outing was held at Tunnel Park last Saturday evening in honor of Mr. and Mrs. A. Bowens and son and Mr. and Mrs. E. Bowens and daughter, all of Nebraska, who are visiting here. LOCAL NEWS

Rev. Harry Van't Kerkhof of the First Reformed church of Hamilton will occupy the pulpit of Third Reformed church next Sunday evening.

Rev. Theodore Tritenbach of Schenectady, New York will occupy the pulpit of Third Reformed church next Sunday morning and on that occasion will baptize his nephew, the little son of Mr. and Mrs. Clarence Klaasen of Holland.

Carter Brown, co-owner of the hotel at Castle Park, and Jay Van Hoven and Jerry Breen, directors of sports at the hotel, led a number of boys on a four-day canoeing trip up the Muskegon River last week. Those taking the trip were Roy Zwemer, Mike Keeler, Jim McLean, Pierce Erb, Marshall Miller, Bill Costen, Austin Brown, Dick Steketee, Dick Needham, Garneau Weld, Hugh Dickinson, and Paul Stuhlfreyer.

Henry Kuylers, operator of the Big Bay boat livery on Lake Macatawa, caught two muskellunge recently in the Big Bayou. The first fish, 40 inches in length, was caught Saturday about 8:30 a.m., and the second, about 39 inches in length, was caught 12 hours later.

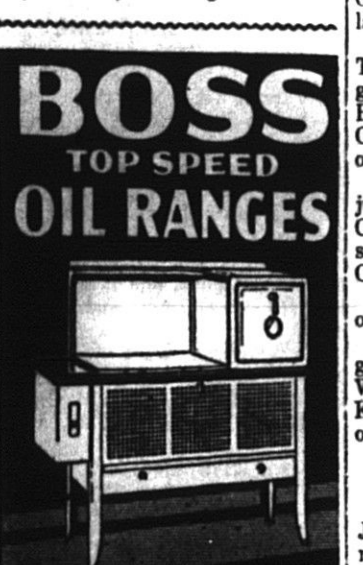

A new cottage will be constructed soon at Castle Park by Dr. and Mrs. James B. Costen, who are building the park for several years.

FORMER STAGE MAN WILL SPEAK AT BEREAN CHURCH

The Rev. Martin Charles, converted atheist leader and former vaudeville magician, will speak on Monday evening, August 5, at 7:30 o'clock at the Berean church, corner of 19th St. and Maple Ave. Rev. Charles is a co-worker with the Rev. Ralph Underwood who

spoke at the church some time ago. Special music will be provided at the service. Rev. Charles, one of the speakers at the Maranatha Bible Conference Grounds at Lake Harbor during the current season, spoke last Tuesday evening at the City Mission, East Eighth St.

SUNDAY DINNER Suggestions

By CORA ANTHONY
Director of A&P Kitchen

BUY sparingly so long as the weather is abnormally hot to avoid waste and spoilage. In normal weather perishable foods may be bought for several days at a time, but it is not to be recommended with the thermometer at ninety or above. Even automatic refrigerators balk at too heavy a load at such temperatures.

The fruit and vegetable markets continue to be well supplied with inexpensive and appetizing produce. Meat and poultry prices are a trifle off, fish is plentiful and cheap, butter prices unchanged and eggs a little higher.

Three seasonable dinner menus follow:

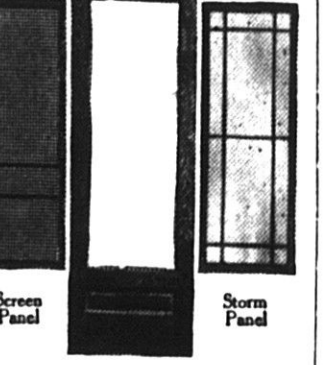

Low Cost Dinner
Cream of Potato and Onion Soup
Cold Corned Beef
Cabbage, Carrot and Bean Salad
Sliced Tomatoes
Bread and Butter
Apple Betty
Tea or Coffee Milk

Medium Cost Dinner
Cold Chicken Mixed Vegetable Salad
Tomatoes and Cucumbers
Hot Biscuits and Butter
Snow Pudding with Custard Sauce
Tea or Coffee Milk

Very Special Dinner
Roast Lamb with Minted Pineapple
Gravy
Boiled Rice
Avocado Salad
Hot Rolls Butter
Coffee Ice Cream with Chocolate Sauce
Coffee

The regular issue of the Woman's Day, a monthly publication sponsored by the Atlantic & Pacific Tea Co., is now available and copies can be secured at 2c each at any Holland, Ottawa, or Allegan county A&P food stores. Ask for your copy.

The Christian Reformed church picnic will be held at Tunnel Park on Tuesday, Aug. 16.

The Tucker reunion was held on Tuesday at the Zeeland Park. Several of the Overisel folk attended. Garrett H. Vande Riet returned Wednesday from the western tour with the Calvin College Quartet.

Mrs. M. Dalman, Mrs. L. Altena and children, Louis and Dale, from Holland, and Laurence H. Dalman from Brooklyn, N. Y., spent Tuesday afternoon at the home of Mr. and Mrs. M. Nienhuis. Mr. Dalman is spending his vacation here while his wife is touring Europe.

POST'S NEW JEWELRY STORE NOW OPEN

The Post's Jewelry and Gift Shop, for some time located in the Vander Veen building, is now fully opened at their new location, 10 West 8th Street, Holland. This is the building formerly occupied by Ollie's Sport Shop. Carpenters, decorators and electricians have spent fifteen days and nights putting the store building into shape, and it surely turned out to be a beauty. Many of the fixtures are ornamental and rich in design, and all the merchandise, jewelry and otherwise, are well displayed, making it easy for inspection. The show windows, too, are a work of art, and the lighting arrangement shows the jewelry off to advantage. It is a very commodious emporium of that nature.

BETTER THAN A SALE

EVERY DAY, EVERY PRICE A LOW PRICE

"Special sales," you know what they are — usually they bring reduced prices for a few days only on a few items. But the prices in our markets make "special sales" look pale. We price everything — not just a few things — down to such low levels that even bargain hunters gaze in amazement. And we

keep our prices low every day in the week. You'll say "It's better than a sale" when you see our every day low prices. All this is possible because our many friends reward themselves. This lowers our expenses, we lower our prices, and everybody lowers their food bills. Come today! Our prices are always low.
