FARMERS' PICNIC COMMITTEES ARE APPOINTED

PRESIDENT A. H. LANDWEHR OF C. OF C. NAMES BODIES TO TAKE CHARGE AUG. 23

Interurban Will Furnish Car Service So All Can Sit Down Who Attend

Wednesday, August 23, there is to be a Red-letter day at Jenison Park. It is the day set apart for the 13th annual Farmer's Picnic. This event has grown in popularity with every repetition until now it is looked to as a gala day of the summer season at Macatawa Bay. Everyone is invited; everything is free, including the mammoth barbecue where the meat is roasted on spits out in the open, corn roasted and coffee boiled in almost endless quantity until all present are filled up. There will be band concerts, dancing, tugs of war, sack racing, ball games and every other conceivable sport to make the day one not soon to be forgotten. The Michigan Railway Company is making special arrangements to handle the crowd in a way it has never before been handled. They are figuring not only on enough cars for all, but seats for all, that the picnickers can play the full limit and know that they can rest on the way home.

It is doubtful if this city is to have a Farmers' Picnic this year as the big Fourth of July celebration was a feature and the fair, this year the biggest and best ever, is less than a month away.

A \$6,000 FREIGHT DEPOT FOR HOLLAND

PASSENGER DEPOT ALSO ASSURED WITHIN YEAR

Committee Now Working With the Road Officials To See What Kind.

For years the people of Holland have worked hard and did all in their power to secure a new passenger depot at the Pere Marquette railway. The company officials sometime ago said that Holland would get a new depot as soon as they were able to give it. It seems that at last Holland will get its new depot.

According to E. B. Rich, local agent for the road, the Pere Marquette officials have assured the citizens of Holland co-operating with the road officials in the interests of a new local depot, that Holland will soon get the new structure. Definite plans as to what sort of a building will be given this city for its passenger station have not yet been completed, but it is sure that something will be done soon. The matter of the new depot is now under consideration by railway officials and a Chamber of Commerce committee working with George Getz, who is taking an active interest in the matter.

One thing Holland will get immediately that is a new P. M. freight depot or rather a large addition to the freight depot. This matter, which has been under consideration for some time has finally been settled and work on the new building will be started in ten days.

The addition will be of wood, two stories and a basement. It will be built on the west end of the present building. The addition will include commodious offices, besides considerable room for freight. This building will be up-to-date in every particular and will cost \$6,000.

The freight business from this city over the Pere Marquette tracks has increased so much in the past few years as to make the new addition a necessity. Holland does nearly \$1,000,000 in freight business over the Pere Marquette line each year.

OBJECTED TO BIBLE STORIES.

Milton Platt Secured Decree From His Wife Because She Made His Read THE BIBLE

Because his wife insisted among other things, upon his reading Bible stories which he claimed did not appeal to him, Milton Platt of Coopersville, aged 65, applied for and was granted a decree of divorce from his wife, Ella Platt. The husband charged cruelty against the wife, claiming that she had once threatened him with a pair of shears. The defendant admitted having the shears, but claimed that she took with the intention of cutting her own throat. After hearing the testimony Judge Cross granted a decree this morning, allowing the wife \$150 and giving the decree to Platt.

The people of this city take a large part in the Jenison Park event, however, as President Landwehr of the Chamber of Commerce has appointed the committees to take charge of affairs. Jake Lokker, of course, is chairman of the sports committee. This is the thirteenth annual Farmers' Picnic and Mr. Lokker has been chairman of the sports committee thirteen times. Without his hand at the wheel, the sports would be lost. Other members of his committee are Wm. Viessers, A. Kloparsen, G. Cook, E. P. Davis, D. Jellema, John Rutgers, W. H. Orr, Bert Vander Poel, John Boone, Thos. N. Robinson, Roy Gilbert.

Entertainment Committee, in charge of matters in general is A. H. Landwehr, Fred Beuwkes, Frank Bolhuis, G. J. Diekmann, G. van Schelven, C. A. Floyd, H. Groenewoud, Nick Hofsteen, Ben Mulder, M. A. Sooy, Gerrit W. Kooyers, E. P. Stephan.

The Barbecue Committee, in charge of the feature of the picnic, the roasted ox, is Herman Van Tongeren, Bert Slagh, Dick Boter, John Vandersluis, G. Van Landegend, J. S. Dykstra, P. Notier, Ray Nies, P. Dulyea, E. Stone, Milo De Vries, J. E. Dekker, John Vander Veen, J. B. Mulder, Al Hidding.

Mr. and Mrs. Dornbos of 101 Straight avenue, N. W., Grand Rapids have returned after a two weeks' outing at Black Lake.

Mrs. Robert Irwin of 423 Terrace avenue, Grand Rapids, entertained Mrs. Joseph Brewer, Mrs. H. B. Stitt and Mrs. F. A. Wurzburg at Ottawa Beach for a few days.

Hamilton—C. A. Rose has sold his stock of general merchandise to Mr. Boerman, recently of Drenthe, who has taken possession.—Michigan Tradesman.

The annual picnic of the Grace Episcopal church will be held Thursday at Pleasure Beach. The boats left Bender's dock, foot of 8th street at 9:30 a. m. and 1:30 p. m. for the picnic grounds.

At the meeting of class Grand Rapids west of Christian Reformed churches, held in the La Grave avenue church, it was decided as unnecessary to build a church orphanage to care for orphan children this year. Families in the Christian Reformed churches have now agreed to accept the responsibility of looking after the same.

CITY WILL RE-PAVE CENTRAL AVENUE AFTER FRIDAY.

DRINKWATER OBJECTS TO DICTATION OF CENSOR BOARD; KAMMERAAD PRESIDES

More Friction Over Eighteenth Street Paving; Gerrit De Vries Now a "Movie" Censor.

A council meeting called last evening for 7 o'clock to enable those who so wished to attend the Chautauqua lengthened into a session of an hour and a half, adjourning at 8:40. Several important matters came up for lengthy discussions during the evening, the Central Avenue paving problem and the \$50,000 special bonus fund being among them.

At 7:10 Aldermen Prins, Ver Schure, Brive, Kammeraad, Brink, Dobben and Postma answered the roll call. The others, with the exception of Lawrence, entered twenty minutes later. At 8 o'clock Alderman Kammeraad took the chair as the mayor was needed at the Chautauqua tent. City Attorney McBride acted as clerk for the evening.

The property owners of W. 19th St. between Pine and Maple, petitioned for permission to construct a sidewalk on the south side of the street. It was granted.

Plaggenmars Bros. petitioned for permission to move a building from Columbia and Fourteenth to the north side of the same street. The request was granted.

Property owners on West Nineteenth street asked to have the paving of their street postponed for about two years, "till paving is past the experimental stage." The matter was referred to the Committee on Streets and Crosswalks.

The special bonus fund of \$50,000.00 decided upon at a public mass meeting to be submitted to the council for the vote of the people was brought up when an official report of the action of the meeting was read to the council. It was declared too late to be given to the voters for a decision in the election of this month, but could be put to a vote in November. Alderman Prins vehemently declared himself against a special election on this question, but Alderman Postma strongly stated himself in favor of a special vote on a question of this kind. It was decided by roll call unanimously to submit it to the voters.

J. A. Dogger applied for a junk dealers' license, naming Henry Brusse and Chris Nibbelink as his sureties. It was granted.

A fight is on for the paving of 19th street between Central and College avenues. Two petitions were presented to the Council, one for the paving and the other against, the former having twelve signatures and the latter thirteen. The committee on streets and crosswalks was instructed to investigate.

Quite a sensation developed from the discussion of the permission to be given A. Molengraf to move his house from Fourteenth street, next to the Fourteenth street Christian Reformed church, to 20th street near the old site of the St. Francis church. The Aldermen of the Sixth ward were opposed to the removal, stating that not enough signatures of property owners were on the petition, and that they wished to know more about the matter before voting on it. Ald. Congleton then bewailed the fact that the Aldermen did not take enough interest in this matter, when it had been tabled for investigation at the last meeting, and then, unfurled, came to the meeting and vote against the question. After the permission had been granted by the majority vote the two Aldermen in question still discussed and protested the question, till called to order finally by the gavel.

The Poor Committee spent \$83.50 in the past two weeks. Ald. Congleton said that he had been informed by some of the residents near Columbia and 19th street that a light had been ordered in there last year, but was still missing. The Light Committee was instructed to look into the matter.

The Central Avenue pavement question was brought up and elicited a warm discussion. A signed agreement from Contractor Vander Veen of Grand Rapids that has been expected for at least three weeks had not yet arrived. "Going thru the typewriter now," was the answer received by the city attorney over the phone yesterday when he questioned the contractor's attorney, Wessellus. Sarcastic remarks were heard from the Aldermen as to the condition or speed of the typewriter.

"Trying to stave us off," said Ald. Congleton. He moved that the City Engineer be instructed to proceed at once with preparations to pave Central ave. Ald. Drinkwater forecasted a damage suit for the city in near future because of the present condition of the street that would result in a greater loss than the cost of paving the street. When asked if the instructions to the City Engineer would not be offering a loop hole for the contractor, City Attorney McBride declared it would not.

The mayor's question as to why these instructions had not been given before, was answered by the attorney that Contractor Vander Veen had the materials on hand and could provide them cheaper. City Engineer Bowen said that the last time he ordered asphalt, it took about six weeks to get here. Ald. Wiersema branded the action of having Vander Veen supply the asphalt as a joke, another opportunity for that in-

HOLLAND FAIR WILL GET \$449 FROM STATE

FAIRS TO RECEIVE MONEY FROM THE STATE

\$8,000 Will Be Paid Exhibitors at Grand Rapids Under Odell Law

Under the terms of the Odell bill, passed by the state legislature to provide state aid for agricultural fairs, Holland, Detroit, Grand Rapids, Saginaw, Bay City, Jackson and Adrian will be the principal beneficiaries.

The Grand Rapids State fair, to be held at Grand Rapids, will receive, \$8,000 while the agricultural societies at Jackson, Saginaw and Bay City will receive \$1,000 each. The money can only be used for premiums. Some stringent rules have been adopted by the commission for the conduct of the fairs receiving state aid. The commission positively prohibits any gambling devices on the fair grounds, and no intoxicating liquors are allowed to be sold on the grounds. All of the entertainments must be refined and clean. The ban is placed on oriental dancers and amusements of this nature.

The agricultural fairs in the western part of the state will receive the following amounts: Hart, \$364; Freesoil, \$100; White Cloud, \$100; Mt. Pleasant, \$190; Holland, \$449; Traverse City, \$500; Greenville, \$392; Charlotte, \$449; Potoskey, \$250; Hastings, \$577; Bellaire, \$173; Ludington, \$126; Kalamazoo \$500; Cass City, \$189.

dividual to hold back the proceedings. The mayor, when asked for a view on the subject, said that the street must be repaired but that the city's position must not be jeopardized by any action of theirs, meaning future disability to collect from Vander Veen.

Ald. Congleton suggested as an amendment to the motion, which was accepted, that "if the city received no agreement by Friday noon," giving that typewriter a chance, the instructions would be given the Engineer. A unanimous vote passed it.

The report of the Committee on Claims and Accounts was accepted, paying all claims but that of Kotts, of the Van Eyck-Waerding Milling Co. for storage of the trucks, and the claim of the Board of Public Works for water, as it is suspected that there is a leakage present, the amount being a 50 per cent raise over the last time.

The plans and specifications for the paving of East Eighteenth street were filed and the petition tabled, as the improvement was rejected recently at a meeting of the property owners, living on 18th between Columbia and the Pere Marquette tracks.

The drinking fountain ordered installed at Lage's Drug store was reported as being prepared, the contractor being H. De Kraker. The drinking troughs for the horses, ordered at the same time, will possibly hang over till next summer, as the three of them are to be built by day labor and of concrete, the building being impossible at present.

The various bills of the boards were allowed rapidly.

To fill the vacancy caused by the resignation of Mrs. G. W. Van Vurst on the Board of Movie Censors, Gerrit De Vries was suggested as a candidate and accepted by the council, not without a dissenting vote on the part of Ald. Drinkwater, however, who said that the manner of the Censors in trying to tell the council who to put in a vacancy was distasteful. The oath of office of J. A. Mahbs as one of the censors was filed.

The deed was ordered drawn for the property on East Eighth street, just outside the city, where the vacant lots secured by the city in payment of a bill for power are to be used by the Holland Ladder Company. A new building for the lots will be paid by the company later, but if they fail, the city still owns the property and whatever building may be on it.

The polling places for the different wards were named, and the following inspectors: 1st, M. A. Sooy; 2nd, John Klein; 3rd, Gerrit DeVries; 4th, Simon Klein; 5th, John Luidens; 6th, Klaas Baerman.

The Building Committee was instructed to investigate the cost of coal for the city hall, the possibility of securing it thru the Board of Public Works at a lower rate being suggested.

The City engineer was requested to draw up plans and estimate for the paving of East 24th street, between College and Lincoln avenues. It is needed badly as a civic improvement, and the property owners are very desirous of its being paved.

The sprinkling of West Tenth street between Maple and First Avenue, petitioned by the property owners there, was ordered started at once.

The Committee on Streets and Crosswalks was given permission to purchase enough asphalt for a block of the new pavement on Eighteenth street.

The meeting then adjourned till next Wednesday, where the hearing for the surfacing of 18th street is on the calendar.

Mr. and Mrs. William Doornink and family of Kalamazoo are the guests of Dr. and Mrs. H. E. Dosker at Central Park.

ZEELAND CHILDREN GREET CHAUTAUQUA

At one o'clock Thursday a group of several hundred kiddies of the town paraded the streets of Zeeland to boost the Chautauqua. Decorated with flags and banners the boys went up and down the streets in automobiles, on bicycles and on foot. They then went to the depot to meet the Chautauqua speakers.

REAL BOOM IS EXPERIENCED IN ZEELAND

FACTORIES ARE ENLARGING THE PLANTS AND INCREASING THEIR BUSINESS.

The city of Zeeland is experiencing a real boom. The industries of that city are humming with business and the merchants are increasingly busy. This summer has witnessed a big building boom. A large number of residents have completed new homes. Some have commenced building new residences, while others are either planning to build new houses or are remodeling old ones. Several of the merchants are erecting new stores and business places. All of the contractors are busy and are said to be figuring on new jobs. The work is hampered by a scarcity of carpenters, and other skilled laborers.

The Colonial Manufacturing Co., which recently increased its capital stock from \$100,000 to \$150,000, completed their two-story addition this summer. This company manufactures 90 per cent of all the hall clocks made in the United States. Mr. Herman Miller, is the head of the company. For many years Mr. Miller was superintendent of the Royal Furniture company of Grand Rapids. He organized the Colonial Co. The addition to this factory was built to the west end of the main building, two stories. It is 60x64 feet and is being utilized for office and shipping department purposes.

A new postoffice building for Zeeland,

which was very much agitated during the past year, will soon be a reality. Postmaster Kamps recently made a trip to Washington, D. C., where he was successful in reopening the matter of a new postoffice building. Bids for the site and building have been placed in the postoffice and it is expected that a fine federal building will be erected.

The Methodists of this city are now building a new church on the corner of State and McKinley street. This building is a costly structure and is the first Methodist church to be built in Zeeland. Work was commenced early this summer and it will be completed before long.

William P. La Mar, who has been conducting the Zeeland City Garage on

the corner of State and Washington streets the past several years, is erecting a garage. Having exchanged his property for a new site on the corner of Main and State streets, Mr. La Mar is putting up a garage with the very latest equipment. A large turn table, the only one in Ottawa county is being installed.

Work is under way on the large new business block for the Isaac Van Dyke Co. on Church street. Here the firm which sells farm machinery, implements and buggies, will conduct their ever growing business, now for many years conducted in the H. De Kruijff building on Main street.

The Friedrich Music House of Grand Rapids has just purchased from Smits &

Grinwis their entire line of pianos, talking machines and other musical instruments. The new owners will augment the stock on hand and continue business here.

Several fine new residences are being erected. A large residence, which is one of the latest types in residence architecture is being built by C. J. Den Herder. John Wichers is also erecting a costly residence on Central Avenue. The Boosters' club of Zeeland is trying to land a good manufacturing plant, employing a goodly number of men. The citizens will soon vote on the street pavement issue. The Boulevard lights will be installed as soon as the matter of paving Main street is definitely decided.

Your Support will be Appreciated

PRIMARIES August 29th, 1916.

THANKING you for past favors and assuring you that your support will be highly appreciated for REGISTER OF DEEDS at the Republican Primaries Aug. 29, 1916, I am

Yours very truly,

John F. VanAnrooy

-A Letter to the Voters-

To the Voters of Ottawa County:—

All during the campaign for sheriff of Ottawa county at the coming primary on August 29th next, I have refrained from advertising and have limited myself to personally interviewing my numerous friends in the county.

My duties of State Deputy Game Warden, however, have taken all my time, and as the campaign draws to a close, I take this method of speaking to my many friends whom I have been unable to see personally and asking them for their earnest support at the coming primary.

I feel that I am well qualified to serve the county of Ottawa as Sheriff. For eight years I served the county as deputy sheriff under Sheriff Woodbury and Sheriff Andred and for four years I have served the State of Michigan as Deputy Game Warden. For twelve years my business has been the apprehending of criminals and bringing them to justice, and my friends all over the county know my record as an officer.

Experience is the best teacher and I personally believe the Sheriff's office should be on a salary basis. Upon that record I place myself before the people of Ottawa county and ask for their support for Sheriff of Ottawa county.

I decry no one. I make no charge against anyone. I place myself before you entirely upon my record, believing that I will be able, with my experience as an officer, to serve the county best and that I am the best qualified for the office.

Very truly yours,

FRANK B. SALISBURY,

PLANS FOR 32ND ANNUAL FAIR COMPLETE

HOLLAND FAIR BOOK ISSUED; GOOD FREE ATTRACTIONS, DAY AND NIGHT.

Plans for Holland's thirty-second annual fair to be held Sept. 12, 13, 14 and 15 are nearing completion. The fair book has been issued, containing a list of attractions for fair week, announcements and list of exhibits. The book this year is especially attractive containing many interesting photographs dealing with fairs. The cover shows a pretty girl with a thoroughbred horse.

This year, for the first time Holland will have a night fair. This is a new departure for the fair officials and every effort is being made to make it highly successful and popular. The Martin's Fireworks Company has been engaged to give their spectacular display on Wednesday, Thursday and Friday evenings. In addition to great quantities of rockets, shells, mines, splines, batteries, tourbillions and illuminations the following magnificent features will be shown by this company: German Glider, Golden Trident, Silver Birch tree, Flight of Tourbillions, huge Transformation Star, Forest Fire, massive Revolving Wheel, Happy Hooligan and as a grand finale, the European war. The night fairs will close at 10 o'clock.

There has been engaged for free attractions a Japanese Troupe, the world's most versatile entertainers, famous for their adroitness and artistry; also the Blackstone Male Quartette, rag-time singing and talking negro comedians known as "The Natural Born Entertainers." These attractions will be given both afternoon and evening. Fischer's orchestra of Kalamazoo will furnish music during the fair.

Speed will be a big attraction. Some of the best horses in the state are expected to be entered in the various races. Purses amounting to \$2,700 will be given away.

There has been a number of changes in the premium list. The superintendents have carefully revised their respective departments. Many new classes have been added, and in the horse and cattle departments a third premium is also offered this year.

The Lakewood farm building will contain many new exhibits and George Getz will again stock the building with products of Lakewood farm.

During the past few years the fair has shown a large increase in attendance and popularity. In this time the following new buildings have been added: A large Art Hall; a building each for horses and cattle; and a special building for the display of Lakewood farm products. The race track has also been greatly improved.

Now a barn for race horses, size 4x196, containing 32 stalls is being erected. This was an absolute necessity on account of the large number of race horses now coming to the Holland fair.

No objectionable concessions will be allowed on the grounds and rowdiness will not be tolerated. Everyone must leave the grounds when the night fair close at 10 o'clock.

COUNTY SCHOOL EXAM. DRAWS LESS EACH TIME

Few Over Twenty Write in County Test for This Month; Growing Less Each Year.

According to statements of County School Commissioner N. R. Stanton of this city, numbers of entrants in the regular county teachers' examinations are gradually decreasing. The August examination was held Thursday in the Central school at Grand Haven with hardly more than twenty enrolled. Mr. Stanton gives as his reasons for this falling off of candidates to the teaching field, an increase toward other professions. Last year the August examination held many more than that of this week, and past years have held up the rule that such examinations have continually failed to draw standard numbers.

Following are those writing in examinations in Central school:

Eva Van Sloten, Jenison, Mich.; Louise Wierenga, Zeeland; Henry Van Noord, Jamestown; Myrtle Knutson, of Holland; Nellie Geerling, Spring Lake; Maggie Hugger, West Olive; Anna Van Houw, Holland; Gertrude Zahn, Coopersville; Mabel Bullis, Conklin; Fred Halfelmeyer, Ravenna; John M. De Haan, Zeeland; Hilda Braampse, Coopersville; John D. Mohr, Hudsonville; Abraham Rymbrandt, Hudsonville; Nella Ver Hage, Zeeland; Lillian Arnold, Hudsonville; Jennie Harowe, Hudsonville; Nellie Scott, Allendale.

FOUND UNCONSCIOUS WITH FRACTURED RIBS

John Elferdink, aged 82 years, was discovered unconscious on the floor of his home 100 West 10th street early Tuesday morning with two ribs fractured and a bad cut in his head. Other people in the house had not heard him get up and he is unable to explain how the accident happened. Mr. Elferdink has been troubled with fainting spells and it is thought he received his injuries when he fell in a faint, striking against some furniture or when he struck the floor.

No serious results are expected from the injury. Although Mr. Elferdink is well advanced in years it is expected that the broken bones will heal alright.

Liver Trouble

"I am bothered with liver trouble about twice a year," writes Joe Dingman, Webster City Iowa. "I have pains in my side and back and an awful soreness in my stomach. WOMAN THROWN ON HEAD TO PAVEMENT

MRS. HERMAN HULSMAN OF OV. ERSEL VICTIM OF RUNAWAY ACCIDENT TODAY

Mrs. Herman Hulsmann of Overisel, while driving in her buggy down west Twelfth street Friday afternoon, became the victim of an accident that almost cost her her life. The horse suddenly stumbled and fell throwing Mrs. Hulsmann onto the pavement on her head.

Striking the horse's back first saved her life. Her fall was broken, but she hit the hard road with considerable force, rendering her unconscious. The horse struggled up and started to run. Dragging the rig up the curb till it struck a tree and smashed the fastenings, the animal plunged on alone.

Curving thru the yards of residents on 12th street between River and Pine, the frightened horse galloped over the lawns and fell over a back fence, making way to the next street, 13th. The course then was made for College Avenue where he was stopped. Quite badly bruised, the animal was taken to the Fred Boone Livery stable.

Mrs. Hulsmann was picked up in an unconscious condition and in an auto was taken to the home of her sister, Mrs. Marinus Mulder. Medical aid was summoned and an examination showed that the injured woman had not been seriously harmed. She is now resting easily and her recovery is assured.

The buggy is a wreck, the thills and front of the rig being smashed. It was firmly lodged against a tree on the curb near the home of M. Notter.

Mr. Hulsmann, who was ignorant of the tragedy till called up by a representative of the News is a member of the firm of Hulsmann & Schippers, of Overisel.

JOURNEYS FROM IOWA WITH BROKEN LEG

Mrs. L. Fris had her visit with her sister, Mrs. D. Ten Kley in Sioux Center, Ia, end abruptly, when she fell down stairs, breaking her leg. She then returned to her home in this city. She had not seen her sister since leaving the Netherlands many years ago. The accident happened the second week of her visit.

Acting on the advice of a Sioux Center physician, Mrs. Fris made the long journey to her home here before having the broken bone set.

The leg is broken just below the knee.

ROAD CAVES IN; LEG FRACTURED

O. Den Bleyker, one of the workmen on the new stone road being made on the den south of 32nd street on First Ave., suffered a fractured leg Thursday while working on a culvert there. One of the small tunnels passing under the road needed repairing, and as he was engaged in the work a part of the road caved in, pinning his leg to the ground.

When extricated, it was found that the member was broken. Dr. Winter was summoned and the injured man removed to his home on rural route number five.

Allegan is now in the fourth class, and an effort is being made, due to improved conditions, to have the city placed in the third class. Mayor Weldon Smith has been doing all in his power to secure better rates. Due to very poor electric wiring, and other hazardous conditions and the constant work of fire-bugs about 17 years ago, Allegan was given a high rate of insurance and it has remained right there, despite improved conditions.—Allegan News.

G. J. Diekema, local popular candidate for the Republican nomination for governor, had to abandon his flying speaking tour last Thursday when he sprained his ankle lifting an automobile out of the mud in Washtenaw county. He returned to his home in Holland to recuperate but was able to resume his tour Wednesday night in Genesee county. Mr. Diekema has received a grand ovation wherever he spoke. A prominent newspaper man of Detroit picked Diekema to run second in Wayne county. Considering Diekema's standing thru the rest of the state this makes things look very favorable for the Holland man.

The Board of Police and Fire Commissioners drew a line on black lists Monday evening by taking off a man put on from Zeeland. The man had an attorney present who showed the board that the man did not drink and did not get drunk. But the point the board wished to bring out was that in the future they will not black list outsiders. The local situation can be handled nicely but should Zeeland, Fennville, Holland Township, Saugatuck, the resorts and a dozen other towns bring in black lists the list would become so unwieldy that it would lose its effect and could not be handled with any degree of efficiency. Monday night the Marshal from Zeeland brought in a large list from Zeeland to start with so the line was quickly drawn.

There have been hundreds of supervisors, township clerks, township treasurers, village clerks, village treasurers, village presidents, city mayor, treasurers, city clerks, in the past fifty years. Would any one say that the holding of these offices would fit a man for probate judge, circuit judge, superintendent of a public school, principal of a school, teacher, or minister of the gospel? For the past fifty years none but attorneys have been probate judges of Ottawa county. The office is an important one. Any one holding that position could not know too much law on account of the many law matters involved, the technicalities and the importance of the vast number of estate to be handled; juvenile matters, drain proceedings, condemnation suits. Attorney James J. Danhof has practiced in the probate and circuit courts of Michigan for the past 23 years, has a thorough knowledge of accounts, is a man with a clean record, experienced, qualified and considerate. He kindly asks for your support.—Adv.

Men are now at work getting ready to do the grading and when this is completed the township will get busy and build the road themselves saving the township considerable money.

COLLEGE ADV. IN VERY UNIQUE MANNER

STUMPING IN THE INTERESTS OF REFORMED CHURCH COLLEGES

At the last meeting of General Synod, held in Holland in June it was decided to add the Central College at Pella, Iowa, which was a gift as an educational institution in the interests of the Reformed church of America.

This college with Hope, Western Theological Seminary and Classical academies at Orange City, Iowa and Cedar Grove, Wis., comprise the institutions of learning, preparatory and finishing schools, so to speak, of the Reformed church.

Dr. Bailey, president of Central College, for the past few weeks has been holding conferences in different cities in Iowa and Illinois. In these conferences he enlisted the services of Prof. John E. Kuizenga, of this city, who has expounded the advantages, opportunities and needs of this group of schools. The conferences were not held in the interests of any particular school in the group but were taken as a whole and no particular locality was favored.

These meetings were held by order of Particular Synod of Chicago, intended for all educational work of the church. Mr. Kuizenga made twelve addresses at the following places: Orange City, Sioux Center, Hospers and Pella, Ia., Fulton and German Valley, Illinois. Besides Mr. Kuizenga, Mr. Bailey and local talent from each town, where meetings were held, made up the programs.

This is only a beginning of a series of meetings that will be held thru the middle west and it is done to encourage students to the institutions of learning comprised in the Reformed church group. No doubt these heart to heart talks will do a great deal to swell the student body at the different institutions and no doubt Hope and the Western Theological seminary will receive its share by virtue of this campaign.

BIG MAP MAKING TASK IS UNDERTAKEN

MAKING A NEW INSURANCE MAP FOR HOLLAND.

The Sandborn Map Co. of Chicago is making a new insurance map for Holland and be it known that the making of this kind of a map or maps is no small job. M. J. Genn is the representative of the company who is doing the preliminary drawing and is getting data to make a complete map in every detail.

The last map made for this purpose was in 1908 and covered 29 large pages and bound up in the form of an atlas. However so many changes have been made and so many new structures have been added that a new map was an absolute necessity.

The maps when complete will have everything so minutely shown that even the sky light on your building will be found in the correct position. The porches and bay windows will all be shown in miniature floor plans of your home as the houses are drawn by Mr. Genn, street by street. If your home or store is brick veneer it will be shown in colors on the map. Should you have slate shingles on the roof instead of wooden ones, the map will show it.

The plans also show in printed words what kind of business is carried on in the building drawn.

The factories are all shown by a floor plan of the building and these plans give the position of the sprinkling systems in the different buildings.

The streets are all plainly marked with house plans of every house as they follow in their relative position on the street. It also shows the store and factory buildings in the city and what they are built of. The streets show where the hydrants, fire alarm boxes and police patrol boxes are located, right to a fraction.

The size of the water mains on each street is also shown, besides the position of the fire departments and what each house contains. Places where gasoline is kept are also plainly shown. The map like Joseph's gown is replete with variegated colors as all these colors must be used to designate districts and a key in the index shows what color gives the information of a certain district on the map.

The map is so accurate that from it the insurance agent can tell how far one dwelling house or building is removed from another. This fact is very important to establish a rate. The insurance agent does not have to go to the different buildings to measure up the amount of feet but simply refers to his map and applies the scale and rules laid down. So accurate is this scale that allowance is even made for shrinkage in the paper which occurs after the map is printed and bound.

The Sandborn Map Co. makes these maps for the different insurance companies for a consideration and their offices are especially equipped for this work.

It will take M. J. Genn, who is living with Mrs. Genn at Macatawa during their stay, between three and four months to do the preliminary work of drawing and getting data and when this has been obtained he will take his information to the company's printing house and the information will be put into shape and the maps made and printed.

Every insurance agent in the city will have one of these maps in his office as doing business without them would be impossible.

BASEBALL GAME MAY HAVE FATAL RESULTS

Arthur Vanden Berg, 264 West 16th street, catching for the Holland Shoe company team in the Factory league, burst a blood vessel in his lung while playing baseball Saturday. Since then he has suffered ten hemorrhages and his condition is considered critical.

The strain of the game is the cause of the injury. Mr. Vanden Berg did not consider his injury seriously at first. There was little change in his condition today.

Mr. Vanden Berg is the father of small children.

TEAMSTERS PICNIC WAS BIG SUCCESS

The annual picnic of the teamsters, draymen and blacksmiths held Thursday at Pleasure Beach was by far the most successful ever held. There was a very large crowd of men, women and children present and all took an active part in the sport events and other amusements. A general good time with plenty of smokes, thanks to the donations of the VanTongerren and Superior Cigar stores, was the unanimous opinion of all present.

Prizes were won by the following people:—Sam Plagenhoef, Marie Boves, Josie Mokma, Herman Damson, jr., Mrs. M. Verhoef, John Oonk, Geo. Damson, Dena Karl, Herman Longeveld, Marie Damson, J. Helder, John Lenters, E. Van Dyke, John Kengle, Carl Damson, Gerrit Hink, Mr. Osterbaan, John Zwiers, Mrs. R. Ryzenga, R. Ryzenga, Clarence Van Haften, John Ver Hoef, Jeanette Van Haften, Miss M. Boves, Charlotte Karl, Alice Ryzenga, Alvion Bergema, Mrs. J. VerHoef, Samuel Kole, Gertrude Mokma, M. Rietema, Henrietta Prince, Harold BooneBoone, L. Tinkin, Henry Vander Schel, Mrs. H. Damson, Mrs. H. Langeveld, J. Helder, Rufus Kremer, John Lenters, W. Ver Hoef, Mrs. J. VerHoef, Sam Plagenhoef, Joe Brink, Ed Van Dyk, R. Ryzenga, Mrs. G. Terpstra, W. Ver Hoef, Mrs. E. Van Dyk, Mrs. L. Tinkle and Gerrit Van Haften.

Prizes were donated by Holland merchants.

After dinner was served Mr. Van Haften, president of the teamsters' association introduced Jacob Osterbaan as the speaker of the day. Very good order was maintained on the grounds, as a thorough police system was maintained. C. Dornbos was the first to fall into the hands of the minions of the law. He was convicted and paid a fine. Many others spent some time in the "jug."

My name..... Address.....

WHEN TO MAKE APPLICATION TO CITY CLERK FOR BALLOT.

Application for ballots on the form provided by the City Clerk can be made at any time WITHIN THIRTY DAYS prior to the date of election, provided it reaches the City Clerk in time for mailing out the ballots.

Upon receipt of the blank application form, the voter must fill it out fully and completely and mail the same to the City Clerk at the address given, below, or deliver in person to said clerk.

CITY CLERK TO MAIL INITIALED BALLOT TO APPLICANT

As soon as the ballots are printed, and at least ten days before the election, the City Clerk will mail to said applicant the ballot to be voted by said applicant at said Primary Election, provided the applicant is duly registered or will be a qualified elector at said Election and has stated in the application the particular political party ballot wanted.

HOW VOTER SHOULD PREPARE BALLOT

Upon receipt of the ballots, the elector should proceed to mark the ballots in accordance with his choice, FOLLOWING THE INSTRUCTIONS GIVEN, after which he will fold them so that the corner bearing the initials of the City Clerk may be seen without unfolding the ballot, which he will place in an envelope sent him for the purpose and, securely, seal same. Upon the back of this envelope will be found a blank affidavit, which the voter must fill out and swear to before a notary public or other person authorized to administer oaths. DUTY OF INSPECTORS UPON RECEIVING ABSENT VOTER'S BALLOT

Upon receipt of the ballot by the Board of Election Inspectors, they shall proceed to verify the legality of such vote and when the said board shall have satisfied themselves that such vote is legal, that the affidavit is sufficient, that the signatures correspond, and that such voter has not voted in person in the precinct wherein he resides, they shall proceed to open the absent voter's envelope and take out the ballot or ballots therein contained and, Without Unfolding the same or PERMITTING THE SAME TO BE OPENED OR EXAMINED, they, or one of them, shall detach the perforated numbered corner and having satisfied themselves that the initials thereon are the initials of the City Clerk, they shall deposit the ballot in the regular ballot box to be counted with the other ballots.

DOES NOT APPLY TO MICHIGAN NATIONAL GUARD UNDER PRESENT CONDITIONS

It is certainly greatly to be regretted that the Absent Voter's Law is not comprehensive enough to permit the members of the Michigan National Guard to vote under its provisions, as will be noted by the following opinion of Hon. Grant Fellows, Attorney General of Michigan, given to Howard L. Campbell, prosecuting attorney of Manistee County:—

Dear Sir:—We are in receipt of yours of the 7th inst. requesting our opinion as to whether members of the Michigan National Guard, who are now mobilized, will be entitled to vote if absent from their respective places of residence by virtue of the provisions of Act 270 of the Public Acts of 1915.

In reply, Section 1 of said Act defines "absent voter" to be "any elector in the actual military service of the United States or of this State, or in the army or navy thereof, in time of war, insurrection or rebellion *****"

Section 1 of Article III of the Constitution of the State of Michigan, as amended, provides in part, "that no qualified elector in the actual military service of the United States or of this State, or in the army or navy thereof, in time of war, insurrection or rebellion ***** shall be deprived of his vote by reason of his absence from the Township, aWrd or State in which he resides."

The Michigan National Guard has been mobilized and has been sworn into the service of the United States, and a portion of the Guard is now without the borders of the State of Michigan. I am of the opinion that the terms of the Act in question would not, at the present time, apply so as to permit the members of the Michigan National Guard or Michigan Volunteers to participate in elections as absent voters for the reason that the absent electors, although in the actual Military service of the United States are not in such service "in time of war, insurrection or rebellion", inasmuch as none of these conditions obtain at the present time. It may be very possible, of course, that this condition will change before an election is held in this State and if at that time a state of war exists the absent electors who are in the service of the United States or this State, either in the army or navy thereof, will be entitled to cast their ballots under the provisions of this act.

Very respectfully yours,
(Signed) GRANT FELLOWS, Attorney General.

Dated the 31st day of July A. D. 1916.

RICHARD OVERWEG, Clerk of said City of Holland, Mich.

My office is located at City Hall, River Ave. and Eleventh Street, in said city.

BREAKING OF VEHICLE ORDINANCE COMPLAINT

ETTERBEEK CHARGED WITH OUT- TING IN ON SILENT KOP; FRE- QUENT CRIME

A complaint has been entered against John Etterbeek, a farmer living north of the city, by Chief of Police Frank Van Ry. Etterbeek, it is charged, drove his auto inside the Silent Kop on 8th street and River Avenue when turning from River to Eighth street. A collision was narrowly averted, it is charged, and the practice of cutting in on the Kop is becoming too frequent.

It seems strange that so many drivers living in the city or in the vicinity, passing thru the city's streets occasionally, do not realize that their driving rules, and that "keep to the right," is the fundamental rule of all traffic. After paying a stiff fine they may be able to remember it.

MISS. SOCIETY TAKES BOAT RIDE TO BEACH

About thirty members of the Young Woman's Missionary Society of the 3rd Reformed church embarked at 6:30 Friday evening on the "May Bee", Bender's boat, for a ride on the bay. On the way to Lake Michigan supper was spread out on laps.

At Ottawa Beach they left the boat and staged games on the sandy shore. At 10 o'clock the crowd listed towards the boat and the return trip was made.

PLAN GOLF CLUB FOR LAKE SHORE

For the past few years the summer visitors along the Lake Shore have wanted a golf links and now it looks as though they would have it.

Their plan is to organize a club of at least fifty members who will each pay a membership fee of \$200 and borrow the balance or about \$10,000 to put up the buildings and lay out the grounds. So far twenty-eight persons have consented to become members and about forty have approved the plan.

The plan is to build a clubhouse for summer use only and probably enough land will be bought for a nine hole course.

HABING HIT BY BRICK AFTER 20-FOOT FALL

Sam Habing, a mason employed at the building of the Holland Aniline Co. on the North Side, living at 244 West Twelfth street, was seriously injured this morning when a brick fell about twenty feet and struck him on the head. Habing was at work twenty feet below the scaffold from which the brick dropped, and was struck to the ground. He was at once taken to his home and Dr. Winter dressed the deep gash in his scalp. He will recover.

STOPPED BY CONSTABLE, CITY ENGINEER BOWEN PROMISES TO LEAVE ZEELAND

City Engineer Carl T. Bowen is not a bad man. Everyone who knows him can vouch for that. Yet the city constable at Zeeland was not so sure. He was a very persistent constable and in spite of Mr. Bowen's protestations that he was innocent of all wrong-doing he was reluctant to let him go.

The constable evidently thought that Bowen would make a good summer boarder at the Zeeland lock-up but when the city engineer promised to get out of Zeeland just as quickly as he could the constable allowed him to depart. Mr. Bowen returned to Holland just as fast as his Ford would carry him, still excited and nervous over his narrow escape from the grim jaws of jail, yet very thankful to the kind providence that interceded for him.

This is what it was all about. Mr. Bowen drives a Ford roadster, donated to the city engineer by the city. He has the name "City Engineer" printed boldly on the sides but license numbers on the car are conspicuous for their absence.

Mr. Bowen is rather shy of getting mixed up with the law so when driving through Zeeland he went very slowly, being in dread fear of motorcycle cops. When hailed by the village constable he thought he was going to be arrested for traveling too slowly.

The officer glared at him and said, "Where is your license number?"

In answer Mr. Bowen showed the sign on the door of his car.

This did not satisfy the constable. He was firm in the belief that every automobile should have a license number no matter who owned it. Still the constable was not quite sure of the law so he did not want to take a chance of making an arrest.

When Mr. Bowen returned to Holland he consulted Chief of Police Van Ry and was informed that he had been in the right in the argument. Any motor-driven vehicles owned by municipalities are immune from buying licenses.

Den Uyl, Fleischman Yeast Man, Goes To Factory in Cincinnati to Study

Simon Den Uyl, well known young man of this city who for some time has been driving the Fleischman Yeast wagon, being the local agent, has been promoted and is now in Cincinnati getting the finer points of the work. From there he will be sent to some larger agency or out on the advertising end of the work.

Henry Den Uyl, brother of the former agent, is now taking care of the company's interests in this city.

Mr. and Mrs. Dr. D. G. Huizenga and children motored from Grand Rapids to visit his father and mother Mr. and Mrs. T. G. Huizenga, 36 West 12th street.

COMPANY PAYS TRIBUTE TO FAITHFUL EMPLOYEE

WEST MICHIGAN FACTORY CLOS- ES WHILE EMPLOYEES ATTEND HACKLANDER FUNERAL

Tribute was paid to the honesty, integrity and faithfulness of Cornelius Hacklander, who was instantly killed Monday night when struck by a bolt of lightning while sitting in his lawn swing with his wife and son, when the West Michigan Furniture Co. shut down its machinery and closed its doors Thursday afternoon and over 70 of the employees marched in the funeral procession.

The deceased was an employee of the West Michigan for the past twenty five years and he distinguished himself as a faithful, conscientious employee.

Funeral services of Mr. Hacklander were held for the family at 12:15 at the home. The Furniture factory employees met the funeral procession at about one o'clock and conducted it to the First Reformed church, where public services were held, the Rev. H. J. Veldman officiating.

The West Michigan employees were led by general manager George P. Hummer.

FORD SMASHES CAR STEPS AND WHEEL

Thursday evening in the rain storm, the Ford car owned by Att. Fred T. Miles of this city met ruin. So did several steps on two interurban cars. Mr. Miles, with L. Lugers, was driving on Franklin street, near Zeeland, where a house hid the approach of the interurban. At Lugers' command to stop, Mr. Miles "killed" the engine with the front part of the car just within reach of the interurban steps.

A startling shock followed and they saw the car speed on its way with two pairs of steps dangling. The Ford this time was also put out of commission with a broken front wheel.

CONTRIBUTION

THE VOTER AND PERSONAL LIB- ERTY.

To the Holland City News:—
In November next it will be up to all those who are voters in Michigan to say whether alcoholic liquors shall continue to be manufactured and sold in the state or not. It will be a yes or a no vote. The man who stays at home and deliberately fails to vote is unworthy of his citizenship and ought to be disfranchised.

Much has been made in the past by those who favor the saloon of the "personal liberty" cry. They have said: "We do not want to give up our personal liberty to drink when we feel like it. We want to be free." It means that they desire the open saloon or drinking place so that they may be able to use it when they want it.

They might say the same of the houses of ill-fame and prostitution. On the "personal liberty" plea they ought to be maintained. The same argument may be used against prisons, police force, courts of justice, because some say they may interfere with the "personal liberty" of the man who desires to do the wrong. The fact is that if this argument for "personal liberty" were applied, as the liquor people do, it would make government impossible and turn civilization into barbarism.

The fact is that absolute personal liberty is an impossibility. A man is born in a society and that means that there are relations by which he is bound and limited. To begin with he has no choice as to parents, nationality or social surroundings. He is born in a helpless condition, and if he had been left to his "personal liberty" he would have perished.

As life advances and man comes to the age of responsibility, his duties and obligations increase. He can do less and less as he pleases. Things we tolerate in a child can not be tolerated in the man, because he is a member of society and as such is limited by the rights of others. The higher the state of civilization the clearer these relations are apprehended. As a man grows in intelligence, wealth and the ability to be helpful to others he insists less and less on his "personal liberties," and more on his obligation to others.

The only personal liberty any man has is to do the right. Is it right to vote for the saloon and the liquor traffic? Is it right to make drunkards out of your neighbors' boys, if you have none of your own? Is it right to tempt men to drink by making it convenient for them to get it? Is it right to deprive innocent and helpless children of food and clothing, and to cause them to be born and reared in a drunkard's home? Is it right to turn a good husband into a sot, and have a pure woman who has pled night and day for deliverance from the saloon and the drink curse, plead in vain? Is it right to burden the community with taxes because we want "our personal liberty"? Is it right to be a partner in any way in such an evil business? Is it right to vote wrong when we know the right? Is it right for a man to plead "personal liberty" for a thing that is wrong?

This question of personal liberty goes far back into history. More than three thousand years ago a man might have said: "I will build my house as I please. I am not going to be limited by my 'personal liberty.'" But the law said: "When thou buildest a new house then thou shalt make a bottle for the roof, that thou bring not blood upon thine house, if a man fall from thence."

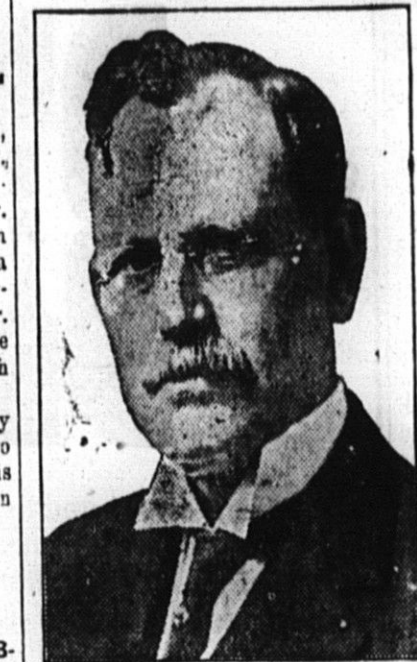

In that age and country the roof of the house was flat and people spent much time on it. For the sake of preventing anyone from going beyond it and falling over the owner was obliged to surround it with a substantial breast-work. If he failed to comply with the ordinance, he was held guilty for the loss of life and accordingly punished.

The same fact of negligence is the fundamental principle on which claims for damages in the modern courts are based when one is injured on the premises of another against which it was his plain

and humane duty to provide. The plea of personal liberty does not avail. If his negligence is proved, he is found guilty and must pay the penalty. It is the same in the higher spheres of life. There are perhaps more men in the community than we think, who are given to strong drink, and for whose condition we are responsible, because we have stood for the saloon and justified ourselves on the ground of "personal liberty." As the blood of negligence or even of contributory negligence is on the man, who failed to protect his fellow man when he could, so the blood will be on the man who knows the evil to which he exposes his fellow men by voting for the manufacture and sale of intoxicating liquors when he had the opportunity to vote against them but failed to do so. His plea of "personal liberty" will increase his quiet and the severity of his condemnation.

E. J. BLEKKINK.

THE OFFICE, THE PARTY, AND THE MAN

WILLIAM H. HILL
Candidate for the Republican Nomination for United States Senator August 29th.

William H. Hill is a Republican and it is as a thorough-going, uncompromising Republican that he offers himself at the Primaries August 29 for the Republican nomination for United States Senator.

But there are certain characteristics of Mr. Hill's Republicanism that he wishes thoroughly understood. He is neither a radical, nor a conservative; least of all is he a reactionary.

By radicalism Mr. Hill understands action not based on good judgment and common sense; by conservatism, a lack of action that amounts to timidity, failure to grasp new conditions; by reactionism, no action at all—stagnation.

Mr. Hill is progressive in his practice and application of Republican theory and doctrine.

By that he means that he recognizes new facts, new conditions, when they arise and believes that theory and principles of government should be adapted to fit these new facts and conditions.

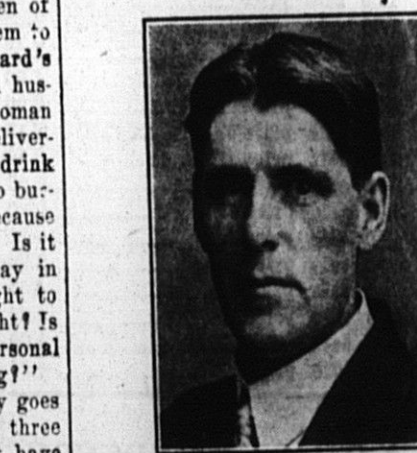

There should always be progress. One cannot stand still. One should advance with the times—molding and adapting principles to the new problems that arise, but never altering the fundamentals. It is this sort of Republicanism that Mr. Hill practices and will practice.

That he has the courage of his convictions was proved in 1912 when, believing that the conditions of that hour demanded it, he followed Colonel Roosevelt. He ran for Congressman-at-large and polled the largest vote, next to Roosevelt, running ahead of his ticket 20,000, and exceeding the vote of the Republican nominee for governor by 5,000.

Mr. Hill remains unshaken in his belief in the soundness of the progressive Republican theories. Those who believe in progressivism as a necessary element in all political theory and who supported Mr. Hill so generously in 1912 may rest assured that the same ideals of government for which he stood at that time will actuate his conduct if he is nominated for United States Senator and elected on the Republican ticket.

Support him as you did four years ago and it will mean that the advocates of progress and humanity will have a friend in court. The Primaries are August 29th. Get out and place an X before the name of Wm. H. Hill.

FOR SHERIFF

for Sheriff Jacob Zuidewind of Holland. Republican candidate and a representative of that great element, the laboring men.

Will greatly appreciate your support at the Primary, Aug. 29.

Mr. Zuidewind was in Grand Haven Saturday in his first campaigning visit over the county. He says he has received a great deal of encouragement and is confident of a good big vote at the primaries.—Grand Haven Tribune.

Holland—The Lokker-Rutgers Co. has opened a large rest room, furnished with couches, easy chairs, cushions, writing tables and magazines for the convenience of its customers. It is located on the second floor of its store building and has several large windows overlooking the main street.—Michigan Tradesman.

Jacob Glerum fell from the barn loft on the farm of his son, William, between Holland and Zeeland Thursday afternoon, while assisting in unloading a load of oats, and badly sprained his left wrist. The injury is not serious, but was quite painful for several days. The man isn't Jake Glerum, county clerk, as he hasn't time to be in a hay-bleat this time.

C. B. Kelsey and his daughter, Miss Ann Kelsey, of Grand Rapids, have taken a cottage at Ottawa Beach for August, where they will entertain at a number of house parties. Allegan county republicans have special interest in the canvass for their party's nomination for governor because of the candidacy of Hon. G. J. Diekema of Holland, whom they so well know and esteem that they regard him almost as a citizen of their own community. All other candidates have been given notice that it was useless for them to enter Allegan county with their propaganda for the vote would be cast practically solid for Mr. Diekema.—Allegan Gazette.

Four years ago when James J. Danhof was a candidate against Judge Kirby for the office of Judge of Probate the vote was almost a tie. Mr. Danhof did not make a contest, nor run on a third ticket, nor on slips. He has never held any county office and has been one of the active workers of the party for years. For a long time he was the law partner of the late George Hefferman. Later city attorney of Grand Haven for four years. While city attorney his advice and counsel was to keep out of law suits, but such suits as the city had were won by him. Mr. Danhof does not believe in litigation if it can be avoided. He has the confidence of the people of Ottawa county. He kindly asks for your support.—Adv.

NEW CHRISTIAN SCHOOL WORK DELAYED

MARTIN FEIKEMA, U. OF M. GRADUATE, TO BE PRINCIPAL OF HIGH SCHOOL

Members of School Board Re-Elected At Annual Meeting; Teaching Force to Be Same.

Contractors Ten Broek & Sterenberg will be unable to have the new Christian School high school building completed by September 1, as their contract calls for on account of being unable to get materials. However the work on the new \$11,500 building being erected facing on 15th street near Central avenue, will be pushed as rapidly as possible and it is hoped to have it completed in September.

The delay in completing the new building will not hold up the school work. School will commence Sept. 5 in the present Christian School building.

This will be the first year that High school work has been taught in the Christian School. It is certain that a class of ninth grade pupils will be enrolled and it is hoped to have a class in tenth grade work also.

Martin Feikema of Oak Harbor, Washington, has been engaged to act as principal of the high school and he will have direct charge of all high school work. Mr. Feikema is a graduate of the University of Michigan, having received his A. B. degree there.

Definite plans for the work in the high school grades have not been formed as yet outside of those mentioned.

Last Monday night the annual meeting of the school officials and those interested in the school was held in the Fourteenth Street Christian Reformed church. Over 500 people were present and a pleasant evening was spent while considerable business was gone over.

A splendid address was given by the Rev. Mr. Hoeksema. Music was furnished by the Central Avenue church orchestra. Refreshment were served.

The annual election of school board members resulted in the re-election of Peter De Goede, H. Haveman, P. Dykstra and A. Eisen. The school board consists of twelve men. Each year four are elected for a term of three years. Dick Jellema, vice-president of the board, is now acting president as A. C. Rinck, who was president, has left the city. A new member to take the place of Mr. Rinck on the board will be elected at the time officers of the board are chosen.

An itemized financial statement was given by treasurer J. Heeringa. The receipts and disbursements for the year 1916 were \$9,473.96 each.

Superintendent B. J. Bennink submitted report of the work done during the past year which showed very favorable conditions existing in the school among the teachers and scholars and showed that the accomplishments are all that can be expected and more.

OLD LAND MARK IS BEING REMOVED

OLD OGDEL HOMESTEAD TO BE USED AS AUTOMOBILE GARAGE AND REPAIR SHOP

The old Ogdel homestead, corner of 14th street and Columbia Avenue is being moved by G. Buis to his home 139 East 14th street where he will use it as a garage and automobile repair shop. This old dwelling was a landmark in Columbia Ave., being a familiar sight to the old residents. The building stood there when the property around it was vacant and practically worthless in proportion to its present value. This old homestead was a familiar landmark for upward of fifty years.

Edward Heeringa has purchased the property site on which this building stood and he expects to build a home there in the near future.

Mr. Huis has bought out the old Holland Mattress company and will continue this work in the old Ogdel building along with his automobile business.

ASKS CONGRESS TO CHANGE POINT'S NAME

MAPES INTRODUCES BILL TO CHANGE POINT SUPERIOR TO MARIGOLD POINT.

According to a Washington dispatch Congressman Carl E. Mapes has introduced a bill in the house to change the name of Point Superior on Black lake to Marigold Point.

Mr. E. H. Golds has his beautiful "Marigold Lodge" cottage on this point and so is desirous of naming the point to conform with the rest of his beautiful grounds. Many of the residents of Holland and resorters around black lake also wish to have the name of the point changed as there are several other Point Superiors about the Great Lakes and the duplication of the names sometimes leads to confusion.

However before the change of names can be officially made consent of congress must be gained.

ELOPEMENT CAUSES SURPRISED FRIENDS

MISS MILDRED ZALSMAN AND RAY GREEN, MOTORMAN, ARE MARRIED IN WHITE CLOUD

A surprise to the many friends of the couple is the announcement of Mr. and Mrs. Fred Zalsman, 19 West 8th street, of the marriage of their daughter, Miss Mildred, to Mr. Ray Green of Newaygo, Michigan. Mr. Green is employed as motorman on the Michigan Railway, Holland division.

The marriage came as a surprise even to the parents of the bride. On August 10th the young couple made a trip to Newaygo to visit the groom's parents, and while there secured a license and sought a minister to tie the knot. Then their trouble began. All the reverends of Newaygo and White Cloud, the second town they tried, were assembled in some convention. Rev. Morris of Jackson, who happened to be visiting in White Cloud, was appended to, and the ceremony was performed.

At present Mr. and Mrs. Ray Green are making their home at the Park hotel, corner of Tenth street and Central avenue.

Pilgrim Home cemetery holds a monument for a Holland woman who is very much alive. The inscription includes the name and place of her birth preceded by the words, "Here rests," but a space has been left blank for the date of her death. The monument serves a double purpose, bearing inscriptions for both husband and wife.

Before he died Gerardus Posthumus, a marble dealer, designed the monument and it was placed on the family lot soon after his death. Mrs. Posthumus since has remarried and again is a widow.

X-RAY SHOWS BARKEMA O. K.

LAD INJURED IN FALL WILL RECOVER IN TIME; NO PERMANENT RESULTS

Frank Barkema, injured sometime ago in a fall of twenty feet down the elevator shaft of the De Pree Chemical Co., Tuesday was taken to Butterworth hospital, Grand Rapids, for an X-ray examination. Since the day of the accident Barkema has been unable to use his legs. To see whether an operation would be necessary to restore their use or if they would ever recover was the object of the X-ray pictures.

His spine was quite badly bruised, it was seen that no permanent injury had been suffered. The doctors in charge, Dr. R. H. Nichols of this city and Dr. Huls of Grand Rapids, agreed that the lad would recover in time and that no operation is necessary.

The Holland Eagles will hold their annual picnic at Pleasure Beach on Labor Day, Sept. 4. Boats will leave Bender's dock at 9 o'clock a. m. and a dinner will be given at 12 o'clock on large tables built for that purpose. Games, sports and other amusements will be on the program. At least 500 guests are expected to be present at the Ninth Annual Picnic.
