Doubt Destroys

If men waste their money and fail, it is not that prosperity and success are lacking in them, but because they doubted that such blessings were possible—as a result their time, effort and money were spent along these lines. Few men succeed if they do not know how to save part of their income.

Why This School Prospers

We render a peculiar service to young people whose parents can afford to give them only such education as must produce earning power in the shortest possible time and at the lowest possible cost.

By giving such young men and women practical, intensive business and stenography, courses and much helpful personal attention, we prepare them for useful places in the business world, where many of them achieve remarkable success.

We have a long list of students of this class who owe their present position to the training we gave them. Come and learn on Saturday between 3 and 5 or 7:30 and 9:30, what we have done for others and what we can do for you.

The Civil Service offers attractive openings for our graduates.

ZEELAND CLASSIS WILL EXAMINE NEW PREACHER

The Zeeland classis in the Christian Reformed Church in America will hold a special session Sept. 14 in the church at Drenthe for the purpose of examining candidate W. Hendriks, recent graduate of Calvin seminary at Grand Rapids, and pastor-elect of Third Christian Reform-

ed church at Zeeland.

The program will be featured with a sermon by Hendriks in the Drenthe church, to which the congregation will be invited. The examiners in the different courses will include Rev. H. J. Heymen of Beerdam, Rev. B. Rosenberg of Drenthe, Rev. J. Medendorp of Ruik, Rev. K. Bergman of Zutphen, Rev. James Putt of Jamestown, Rev. W. Kok and Rev. H. E. Oostendorp of Zeeland.

GRAND HAVEN HAS NEW WAY TO NUMBER HOUSES

Two College Students to Catalogue Streets: Will Receive Donations

Two youths from Peru, Ind., have hit upon a novel plan for working their way through school. Monday they called on Dr. Vriesman, secretary of the Chamber of Commerce of Grand Haven and outlined their plan. The idea was so good that Mr. Vriesman turned the youths over to City Manager Paul Taylor who gave them the plan. With these formalities over, the boys expect to begin work Monday morning.

The ambitious students are John Morse and Otis Dewart. They have a plan for numbering the curb in front of every business place and residence in the city, in order that the house number may be seen from the street by motorists, looking for addresses in the night.

The numbers will be white painted on a black background with waterproof paint. No charge is made for the work, and householders may donate something for the job if they wish.

LOCALS

Miss Dora Strowenjan of Holland is spending a few days with Miss Helen Bell at Grand Haven.

Mrs. George P. Humer of Holland gave a dinner recently to fifteen guests at Waukegan.

Assistant state attorney of Illinois, W. W. Smith, has been spending a few weeks resorting at Waukegan.

A group of boys and girls from Waukegan hiked to Saugatuck under the supervision of Mr. J. Chappel.

Carl Swift of Holland has opened general business offices in the new white brick block, directly north of the Holland City State Bank.

Mrs. Edith Boylan motored from Detroit to Holland and was the weekend guest of her mother Mrs. Mary De Graaf, West 15th street.

Mrs. John Arendshorst and son Bobby were entertained at the summer home at Virginia Park by Mrs. William De Young of Grand Rapids.

Mr. and Mrs. Ralph Van Lente will leave tomorrow on a motoring trip to Detroit where they will be the guests of Mr. and Mrs. Leon Boylan formerly of Holland.

The cricket's note is now heard at eventide and through the night. Soon the katydid will join and the autumn orchestra will be in full tune rivaling human performances. Its power to lull to sleep is not excelled by some more pretentious music.

Judge of Probate A. S. Butler of Allegan county performed his first marriage ceremony Wednesday when he united Edward Austin and Rosa N. Allen of Wayland. Judge Butler finds he has many kinds of chores to do in his official capacity as probate judge but thinks he likes holding Cupid's court best.

Waukegan is alive with sports these days. Tennis and horse shoe taking the lead. A tournament is now being held between boys and girls under 17 and a silver cup is to be the reward of the winner.

The Grand Haven Tribune in its column of 25 years ago gives the following: "Robert Smith was transferred from the Holland Coast Guard crew to South Haven. There were none left of the crew at Holland figuring in the breakwater tragedy of the autumn before."

Henry Serier of this city was arraigned before Judge O. S. Cross on Monday preceding the sentences and pleaded not guilty to a liquor violation charge brought by Holland officers. He was released on payment of his bond and will appear in the November term of court to fight the charge.

Leo Halley of Holland, the swimming director at Lakeside near Jenison Park, has a class that are fast becoming expert swimmers and laughing state they will soon emulate Gertrude Ederle. They are Mrs. Rose of Macatawa, Miss McIntyre of Lakeside, and Mrs. Osgood, Miss Richardson, Miss Thomas and George Anderson, all of Lakeside.

Mrs. Ruth Morley, county demonstration agent, C. P. Milham, county agricultural agent, and Miss Nell Lemmer, county nurse are in Holland attending the Holland Fair. Both Miss Lemmer and Mrs. Morley are superintending exhibits which are being put on by the country women. Mr. Milham is supervising the agricultural department.

Mr. B. J. Steketee of Grand Rapids gave a luncheon in honor of Miss Taylor of Chicago. A similar luncheon was given by her in her beautiful summer home at Virginia Park for Mrs. Paul Steketee of Grand Rapids and Mrs. Hallie also of Grand Rapids. Mrs. Paul Steketee in turn entertained at Virginia Park in honor of Mrs. Otto Galitz.

J. Fogelin, prominent business merchant of Grand Haven was in Lima, Ohio, last week where he witnessed a disastrous wreck on the B. & O. railway that cost three men their lives and consumed a freight train carrying many gas tanks. A passenger and freight train collided in one of the most spectacular wrecks possible and the flames lit the sky for miles around.

Do you know that the railway from Allegan to Montith was originally a branch of the old Grand Rapids and Indiana railway and was operated at first by the latter concern? It was, and trains were run between Allegan and Kalamazoo, run now to Grand Rapids, and they carried mail.

The stations Kellogg and Fisk were named in honor of Andrew J. Kellogg and Joseph Fisk who were the contractors who built the road.

A TRAVELING HOUSE ON WHEELS

Carrying a complete fair concession outfit a variable house on wheels rolled into Holland and is now at the Holland fair. It is complete in every detail and even has a screened in back porch.

The concessionists take their boarding house right with them from fair to fair. The house car is done in mahogany.

HOLLAND FAIR SHOWS A PLOW 127 YEARS OLD

Also Shows One built in 1836 Exhibited at All International Fairs

The Michigan Agricultural department in its exhibition at the Holland fair has a feature that will attract everyone. It is a plow point made of stone in 1800 and used by the pioneers who came here when the Wolverine state was considered by the Government surveyors a rock of land full of swamps and lakes and was worthless. Anyway, the farmers started to farm with just that kind of an implement.

There is another crowd point made 25 years later in which an endeavor was made to weld pieces of iron together.

However, a rare piece of workmanship was completed in 1860 by prisoners of Jackson prison. It is a full rigged plow that has even anything made today best. The woodwork is hand carved, the handles are highly ornamental and the seal of the State of Michigan is carved in the wood directly above the plow points.

The first plow was gotten out by the Gage Manufacturing company of Albion and the plow on exhibition was sent to Philadelphia during the Centennial exhibition in 1876. It was sent to Paris exhibition in 1878 and held a prominent place in the agricultural building at the World's fair in Chicago in 1892. It looks as bright and nice as the day it was made and the plow will show that there have been no great radical changes in a plow-building from that day to this.

STATE HAS NINE MEN HERE TO PUT ON BIG EXHIBIT

Under the grandstand, nearly the full length of one of the most interesting exhibits ever put on at the Holland community fair. Not alone is it intensely interesting but it is of great educational value.

Secretary Arendshorst, after years of hard plugging, interested Hon. Herbert E. Powell of the state department of agriculture in the laws and Allegan county exhibition here and finally secured a promise that in 1927 the state exhibit would be shown here.

While the department has lived up to its promise and has sent Mr. Vandenberg here with nine men, the exhibit is all set and these men will explain everything to the patrons of the fair in detail.

There is an apary of bees, showing how bees work, bees' diseases, how honey is made, and also an old fashioned hive of oval shape.

J. Waring of Jenison is state inspector for Ottawa county and he is right on the job. Just now this county is having considerable trouble with its bees and bee keepers will be given some timely lessons in this exhibit.

There is also a T. B. department, showing what inroads are made by the disease on Michigan cattle and how the department has stepped up practically the entire state. Ottawa and Allegan county show a fine record. There are parts of diseased animals there in glass containers, showing the earlier stages and the advanced stages of the disease.

Then there is a drainage department, showing a farm in miniature drained by open ditches or by tile conduits. The covered tile is by far the best, state men say.

Then a replica of another farm is shown picturing two pastures, one clean and the other filled with litter. Farmers sometimes wonder what makes cattle sick and die.

Then there is a food inspection department, showing how Michigan's canned fruit is put up, the rigid inspection of all its soft drinks and its inspection of seed that goes to farmers. National inspectors state that the Michigan pack of fruit is the best in the world, because this is the best fruit state and because of the rigid inspection of that fruit.

growers, packers and canners must have their plants go thru before fruit can be put upon the market. Michigan folks do not have to buy fruit from abroad, they say. The best is right at their door.

Then there is a dairy department, showing how a dairy is inspected in one of the duties of Henry S. Bosch of Holland. All the methods of milk inspection are shown.

A large department in which the farmers are especially interested is the department treating the corn borer. Samples of the borer are shown going thru the stalk and the corn ear, maps are shown, what part of the state is the most affected and what progress is being made to eradicate this pest.

Orchard pests are also shown. Scale covered trees and other injurious parasites that fruit men have to contend with are explained and the remedy is also given.

There are a score or more exhibits embracing fruit, dairy products, cattle and those things having to do with the farm, and altogether it is an exhibition that is not alone beneficial to the farmer but cannot help but be of great interest to the city man.

William Orloski and Averil Fonger, both of Grand Rapids, were arrested by Deputy Sheriff Theodore Swartz of Dori, the former for operating his car while intoxicated and the latter for driving his car without a license. Justice Pious E. Fish of Allegan assessed Orloski \$50 fine and \$7.50 costs and Fonger \$10 fine and \$7.50 costs.

The weatherman predicts clear and cooler all day Wednesday which cannot help but please fair directors and patrons as well.

50 YEARS AGO TODAY

A terrible storm passed over Clifton, Ill., Tuesday evening, completely destroying a church, school house, mill and a number of dwellings and damaging the crops.

Dee has purchased a very fine lot located on 9th street, immediately west of the First Reformed church and intends to build on it. This is a bang-bang proof that the doctor is doing a good business and intends to stay with us.

On the occasion of the 50th birthday of the Rev. C. Vorst, at Grand Rapids, his congregation made him a present of several useful articles of household furniture. These are tokens of affection.

The University of Georgia has graduated six governors, 26 United States senators and Congressmen, 49 judges and 267 legislators.

Ex-Mayor Van Landegend's new building begins to acquire a finished appearance, and will be an ornament to the city, when completed.

Mr. E. J. Harrington has received an appointment as appraiser for the New York Mercantile Trust company. In this company loans money, and appoints somebody here as their appraiser, it seems but reasonable to suppose that they want to lend us some of their "idle capital."

Twenty-five Years Ago Today

Born to Mr. and Mrs. G. Mepyan, last Friday—a daughter.

M. J. Westrate of Olive has taken a position in A. H. Meyers' music store.

The marriage of Albertus G. Van Hoe and Hattie Vedders, nee Brusse, was solemnized at the former's beautiful farm home just south of the village limits on last Monday. The affair was of a quiet nature, only immediate relatives being present at the ceremony. Mr. Van Hoe is one of our most prosperous and well-to-do farmers.

COUNTY AGENT MILHAM ALARMED OVER BEE STATUS

Beekeepers Are Unaware of Exact Conditions in Ottawa

Because so many beekeepers are unaware of the exact condition in the bee business in Ottawa County, the county agent, Mr. J. Waring, believes it would be well to publish some of the facts with the hope that bee keepers will avail themselves of the opportunity of attending the beekeepers' schools.

American foul brood is responsible for more losses than any single factor for it not only destroys the bees but crops are reduced and equipment is lost. Its seriousness lies in the fact that the cause of the disease may live for many years in any infected material and may bring about a return of the disease at any time unless the material is thoroughly disinfected.

One township in this county is reported to have had an infection of 60 per cent. The average for the county will be between 50 and 60 per cent.

HOLLAND GIRL MARRIES SON OF N. J. MINISTER

LUCIE ELIZABETH HEEMSTRA BECOMES BRIDE OF RICHARD JOHN HAGER

Tuesday morning at 9 o'clock, before a beautiful setting of palms and garden flowers Miss Lucie Elizabeth Heemstra became the bride of Richard John Hager, son of Rev. and Mrs. Titus Hager of Paterson, N. J. The bride's father officiated at the ceremony which took place in the parsonage of the Fourth Reformed church.

Because of the absence of members of the immediate families, the ceremony was a quiet one. Mr. and Mrs. Titus Hager of Grand Rapids, brother and sister-in-law of the groom, were the only attendants.

The bride wore a charming ensemble of dark green transparent velvet, with shoes and hose of beige, and carried a bouquet of roses and wild sweet peas.

After the wedding party had partaken of a wedding breakfast at the Browning hotel in Grand Rapids, Mr. and Mrs. Hager left for a honeymoon trip in the East. They will return to Holland for a brief time before going to reside in Ann Arbor, where Mr. Hager expects to complete his senior year in the dental college of the University.

Mr. and Mrs. Hager are both graduates of Hope College, their marriage being the culmination of a college romance. Mrs. Hager has been teaching in the East Grand Rapids high school while Mr. Hager has been studying at Ann Arbor.

William Orloski and Averil Fonger, both of Grand Rapids, were arrested by Deputy Sheriff Theodore Swartz of Dori, the former for operating his car while intoxicated and the latter for driving his car without a license. TROUT FISHING IS OVER AFTER SEPT. 1

Only a few days left for trout fishing. If you're fishing to make good any of last winter's boasts, now is your last chance. And the pleasing thing about it is that the closing day of August usually provides as fine a time for fishing as there is at any time during the season. Waters have been low for several weeks, but rain should bring them up to fishing levels. Upstream casting is generally favored regardless of water level. Aside from the fact that the fish can't see the angler approaching from downstream, it also seems true that during late summer the trout prefer their flies floating high and dry on the water.

Incidentally, don't forget that you may fish on Sept. 1. This season runs from May 1 to Sept. 1, inclusive, and does not end August 31, as many fishermen assume.

The Holland fire department was called to Waukasoo Saturday noon when fire was discovered in the Edward P. Rich cottage. The cottage was burned to the ground. The fire threatened the Hopkins and Hall cottages next door, and also Waukasoo Inn, 200 feet from the fire.

The Holland fire department arrived quickly, had plenty of water at the Waukasoo dock and soon had the fire under control. The Rich cottage is owned by Edward P. Rich of Chicago.

Mrs. Albertus Klings, 119 West 13th street, died Friday afternoon at the age of 59 years. She leaves her husband and the following children: Mr. Gerrit Klings of Borculo, John, Henry, Joe, Herman, and Mrs. J. Remelt of Holland, and Anthony, Arle, Anna, Effie, Jennie, Albert, at home; also eighteen grandchildren and a brother, Mr. Evert Thelert of Germany.

Burial took place on Monday at 1:30 at the home and at 2:00 o'clock at the Central Avenue Christian Reformed church. Rev. L. Veltkamp officiating. Interment took place in Piquette Home cemetery.

The work of pouring concrete on the block on River avenue between sixth and seventh street was finished Friday night by Contractor K. B. Olson's men. According to state specifications the concrete has to set for two weeks. By that time, Mr. Olson announces, all the brick work will be completed and everything else will be done so the street can be opened to traffic.

The Hopkins Hollins camp meeting opened at Hopkins Thursday and will continue until August 28. This is the 16th annual session of West Michigan Hollins association. The conference grounds contain 15 acres of woods, spacious hotels, a comfortable tabernacle overlooking a lake.

One of the leaders in this association is Mrs. Fred De Weerd, whose husband was a Holland product. He died a few years ago, after a long period of service as a missionary in Africa. The workers in the conference are:

Rev. J. N. Toole, of Alliance, Ohio, an evangelist of wide reputation and effectiveness, known especially as an uncompromising "Bible Preacher." Rev. G. Arnold Hodgins, President of the Pilgrim Bible college, Pasadena, Calif., is regarded as unusually effective in his ministry because of a well trained mind.

Dr. J. G. Harrison will have charge of the missionary service on the second Thursday of the camp. Prof. Kenneth Wells, of Indianapolis, Ind., a leader of song known and used in large camps all over this country, will have charge of the music.

Mr. Butler, D. D., President Cleveland Bible Institute, who is famed for his clear theological conception of the Scriptures and his mature judgment.

Mrs. Fred De Weerd's successful work with the young people at Hopkins is already a matter of history. Miss Lillian Scott, one of the younger people, will sing. Many other preachers, evangelists, missionaries and lay-workers attend the camp and assist in the service.

present. His age will be 79 in October. The prize for being the oldest woman went to Mrs. Albert Dainine, of Cutlerville, aged 77. The prize for the youngest member of the family present went to the baby of Mr. and Mrs. Edward Helder of Ebenezer. All the old officers were re-elected and in addition Henry K. Boer was elected vice president.

One of Holland's oldest business concerns changed hands Wednesday, when Mr. B. H. Williams took over the long established firm of W. R. Stevenson, who has conducted his jewelry and optical business here for more than forty years at 24 East Eighth street. Mr. Williams has been with the Stevenson store for nine years, working in the retail jewelry department.

Mr. Stevenson has made numerous friends and formed many business contacts during his proprietorship that will prove valuable to the new firm in the future. The name Stevenson has become a synonym here for honesty and fair dealing.

Starting in business here in 1905 with the firm of Hardie Jeweler Co., Mr. Williams took a course in watch-making and engraving in Chicago and after graduating was employed in different cities, including Jackson, Mississippi, and Cedar Rapids, Iowa, where he was store manager.

Mr. Williams served two years in the army, attaining the rank of second lieutenant. He has been actively connected with the local American Legion during his residence in Holland. His management of the business will not change the optical or silversmith departments, which will be carried on by Mr. Stevenson.

A meeting of descendants of the early Dutch settlers in New Amsterdam was held in Odd Fellows hall in Holland Wednesday evening, coming here from various places. About 60 were present. The meeting was addressed by Dr. F. A. Emmert of Michigan and Elder W. J. Smith of Port Huron. G. A. Seymour of Detroit was chairman of the meeting.

A temporary organization was formed, eleven officers being elected and installed. The guests arrived in Holland early in the day and were taken to Cedar Springs Park and other points of interest. They enjoyed the hospitality of Mrs. Horning at whose home they stayed until their return this morning to their own homes.

A spectacular and successful fight was staged Wednesday by the farmers of Fillmore and the surrounding community against fire that threatened to destroy the farm buildings of H. H. Boeve. A spark from the Allegan train set fire to the dry grass and this spread quickly toward the large Boeve barn.

The members of the family were all away from home attending a family reunion in Jamestown, but neighbors saw the danger and quickly organized a volunteer fire fighting crew. The telephone was pressed into service and a large number of persons were called up, even a number from the "Five Corners" near the city. Many were absent attending the reunion but a large enough crew was secured to battle successfully against the fire.

About 15 acres of meadow, new seeded land and pasture was burned over, and 37 fence posts were consumed. But the fire turned away from the farm buildings.

Oct. 11 and 12 are the dates set for the fourth annual Chicago synodical conference to be held in Winant chapel at Hope college.

Kalamazoo Co., Robert Cole, 30, of Battle Creek and Jack Rockford, 20, of Eureka Springs, Ark., were locked in the county jail at Kalamazoo.

The two men, who met only a week ago in a Kalamazoo park, walked into Mr. Miller's home early Thursday afternoon on a pretense of seeking employment, officers say, and suddenly seized the old man, and threw him to the floor. They then bound his hands tightly with wire and threatened to burn his feet if he did not tell them where his money was. Mr. Wilson refused to give them any information, although paper was actually lighted, and the two left in the Miller roadster after getting only \$4 in money and two suits of clothes. It is charged.

Night life fades away early at the State Park since the order closing at the Oval at Grand Haven at midnight has been in effect. Especially during the present chilly spell campers retire early, it seems, and pleasure seekers and picnickers do not tarry long. At eleven o'clock the big parking space is usually quiet, and as peaceful as a village churchyard.

The new closing order, while perhaps not in accordance with the city's original idea of giving the public access to the lake shore twenty-four hours a day, is said to have been made necessary by parties who abused the privileges afforded by the park.

The U. S. Coast Guard station at Grand Haven has asked for a new power life boat to replace the heavy craft which is now in use at that station. The life boat is said to be fast becoming unserviceable and liable to become unfit at any time.

The big power life boat now in service at that station was completely rebuilt several years ago when the motor was installed, and the craft was decked over. The work was done at the Grand Haven station by ship carpenters engaged by the department.

The boat had been in service at the G. H. station for many years before it was rebuilt, and was dependent upon the cars and strong backs of the crew, or calls for motive power. Because of her great weight and size she was used only in the heaviest weather. She was one of the first of the larger boats on the Coast Guard service to be equipped with motors.

The Coast Guard stations at almost all ports are now equipped with large power life boats, modeled in some degree after the old boat rebuilt there. The condition of the G. H. craft, however, has made it necessary to replace her with one of the newer boats.

A capacity audience filled the theater at Cedar Springs Thursday for the free movie presented by courtesy of the Consumers Power company.

The film includes pictures showing how electricity is produced and how it lightens the labor of man, and many other views of reforestation in Michigan. The work of restocking the Michigan waters with fish was also portrayed.

The scenes lie along the Au Sable, the Manistee and the Muskegon rivers. Forest fires, lumbering operations and the life of western Michigan in the open are shown. The films go to Sand Lake, Croton, Grandville, Hudsonville, Hudsonville, Douglas, Big Rapids and Zeeland.

Miss Susanna Dees, 17 years old, died Thursday evening at her home, 332 First Avenue, after a long-protracted illness. Miss Dees was a high school student when she was taken ill. She would have graduated with the class of 1927 if illness had not interfered with her work. A complication of diseases attacked her and she suffered a long time.

She is survived by her parents, Mr. and Mrs. Kryn Dees, one brother, Neil of Chicago, and one sister Sarah at home. The funeral was held Monday at 1:30 at the home and at two o'clock at the Seventh Reformed church. Rev. Paul Van Berden officiating. Interment was in the Pilgrim Home cemetery.

educational convention will be an address by Dr. C. Bouma in which he will discuss the vital and important question: "The Place of the Public School in Our National Life." This number of the educational convention will be given in the Second Christian Reformed church, corner Fifth and Columbus streets, Grand Haven.

On September 1, the day after the educational convention, the business meeting will be held. The place of meeting is again the Grand Haven Christian school, the meeting to begin at 9 A. M. Some very important matters will be considered. The public is cordially invited also to attend this meeting.

The Fennville Fruit Exchange has finished its new cold storage warehouse, built according to recommendations of Michigan State College, with an air ventilating system.

The building is three floors, 70x80 feet and of fireproof construction, the upper floor being of hard maple. The building was opened with a house warming. A free dance was held for exchange members and their friends. About 300 persons attended. This new building will enable the exchange to carry a large part of its pack in some varieties for later shipment and will make the storage space of the exchange one of the most up-to-date in the midwest, particularly in the western Michigan fruit belt.

J. Adlen Barron has been manager of the exchange for the last ten years.

A marriage took place in Grand Haven Wednesday evening at the home of John J. Boer when their daughter, Miss Cornelia Boer, was wedded to Whelan Spencer Bickford of New Orleans.

The Rev. Mr. Hoopers of Utica, New York, performed the ceremony in the presence of immediate friends.

The wedding reception was attended by at least 100 guests and the beautiful home was decorated in silver and white. Many flowers added to the final touch of beauty.

Those from Holland who attended were Mr. and Mrs. Ray Hoek, Miss Boer and her parents are well known in Holland as are Rev. and Mrs. Hoopers of Utica.

B. B. Leer of South Bend tells a thrilling tale of his battle to land the 21 pound muskellunge which he hooked off Ottawa Beach yesterday afternoon. Mr. Leer saw Mr. Cappone catch his muskie the previous afternoon and immediately decided to try his luck. He had out over 300 feet of heavy throw-line when the big fish struck the spoon which he was using. Foot by foot Leer drew the prize muskie, only to find that he had left his gaff in his automobile. So seizing a wrench, he tried to hit the fish in the head, but each time the big fish seemed to sense the impending blow, dove and swam under the boat and Mr. Leer had to work his line around the end of the boat in order to get in another blow. After about 20 minutes of this the fish was so tired and stunned that he could resist no longer and was then safely hauled into the boat.

On the way to shore Mr. Muskie, he started to recuperate and when the men started to lift him out of the boat he put up such a struggle that he all but escaped again.

Mr. Leer, who is at present visiting his uncle John Bosman, says that it was worth \$50 to have landed such a prize, but even he is willing to concede that it may have been a case of beginner's luck, as he had never done any fishing for muskies before.

The fish was on display at Van Tongeren's Sport shop last evening from 6 until 8:30 o'clock.

John J. Cappone of Holland and Michigan is rapidly getting the reputation of being the champion hooker of big fish in Black Lake. On Aug. 5th he caught a fourteen and a half pound muskellunge which up to that time was the largest fish caught in local waters this season that was officially weighed.

But he was not satisfied with this feat and since then he has been out in his boat frequently in the big bayou, on the lookout for a still larger fish. Wednesday afternoon his opportunity came. He suddenly felt a strike that gave every indication of being a real fish. Cappone is an expert at landing the big ones and he skillfully played his fish until he had him safely in the boat.

Prof. Leander S. Kuyser is one of the noted men whom the Pine Lodge Bible Conference has brought to Holland. Dr. Kuyser is now professor of systematic theology in the Hamma Dichtyn School, Wittenburg College. He is the author of about a dozen books.

One of these, "A System of Christian Evidences," is now in its fourth edition and is in general use as a text book in many colleges and theological seminaries. Another book is now in its third edition. His most recent book, "The Problem of Origins," is making a great place for itself in the scholarly world.

Dr. Kuyser is also a great preacher as well as a great scholar. He is very simple, using simple language and expressing great truths in a way that is very easy to understand and also very attractive. His preaching is Biblical and expository and doctrinal. It is a great treat to hear him. His sermons are inspiring and helpful.

The pastor of Trinity Church, Rev. C. P. Dame, will preach Sunday evening on the subject, "A Self-Confessed Old Testament Fool."

Herman Bos, Central Ave., has gone to Lake Harbor for a week to attend a Paul Rader boys' camp on Lake Michigan.

Friday night Jacob Herbert of Hollywood, California, was in the city with his wonder dog, "Peter the Great," seen in many of the big films. Manager Carley made arrangements with Mr. Herbert to put on a screen production the latter part of August as Strand theatre and the dog will appear "in person." Mr. Herbert had the dog go thru several stunts on the street near the theatre and soon a crowd of several hundred watched the marvelous performance of "Peter the Great."

More than 300 former Allegan county supervisors, county officers and the present courthouse force with their families, attended the picnic given in the county park Friday by the present board of supervisors. Supervisor James Hoard of Casco, assisted by Mrs. Hoard, was in charge of the arrangements.

In the outstanding sport of the day, a baseball game between the county board and the courthouse force, the former walloped the latter, two to one, the score standing 31 to 16 when the game finished. Emanuel Hanna of Leighton, a chairman of the board, made a home run record for the supervisors, while Harry Pell, prosecutor, was classed "king of errors" for the officials.

Judge Orion S. Cross, as pinch-hitter for the courthouse nine, saved them from utter annihilation. In an informal vote it was decided to make this picnic an annual event.

Flight has been assayed by individuals, already, in this state, such as have cared to take that mode of up-to-date travel, to attend conventions. But it remains for the Michigan Property Owner, official organ of the property-owning interests of Michigan, to attempt what is up to the present probably the most ambitious thing yet undertaken in this line.

It is the idea of John A. Doolie, executive secretary of the Michigan Real Estate association, that a goodly number of the realtors of the state can be induced to land in Jackson, on the 21st of September, in a flock.

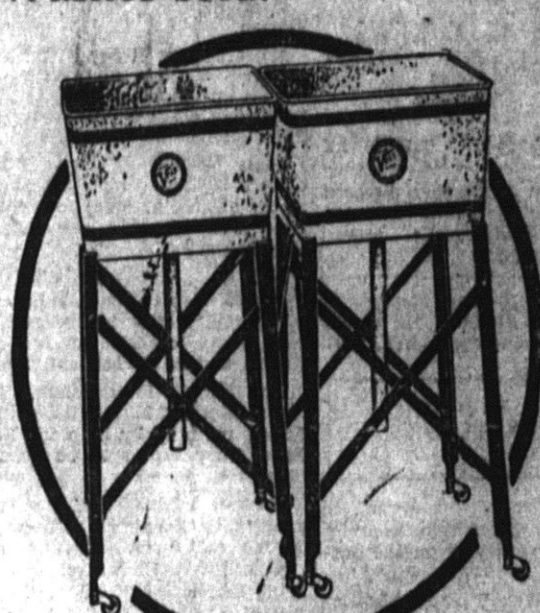

Jackson denizens may hereby take warning; if they see the heavens darkened that morning, not to get out the old shotgun, thinking it is a flock of enthusiastic blackbirds getting ready to fly south.

George Getz, eminently successful business man, heads a group of about 300 other business men of Chicago who take an active interest in promoting civic improvements, to the end that Chicago as a whole may be a more prosperous city and a better city in which to live.

"That is very commendable of Mr. Getz and his associates. They are, of course, doing no more than their duty as citizens in actively advancing the interests of their community; of the city which just as surely helped make them prosperous at they helped the city. Every man and every woman owes the same duty to the wealth and business influence in community in which he lives. Men of every city owe that duty just as much as do Mr. Getz and his associates."

Fortunately for Detroit there are such men here who not only realize this theoretically, but who do put their shoulders to the wheel. "That same duty is owed by those who have not achieved the material success of men like Mr. Getz. They should give serious thought to the major problems of government--and at least vote."

A shower was given Friday afternoon at the home of Mrs. B. Maastman, East 13th street, in honor of Miss Anne Van Berden who is to become a bride Sept. 14. First Miss Van Berden received several fun packages, then a doll made of kitchen articles, and finally an electric iron. A two-course luncheon was served. Those

present were: Mrs. Paul Van Berden, Miss Minnie Ver Houwe, Mrs. J. Ver Houwe, Mrs. B. Maastman, Mrs. W. Bronkhorst, Mrs. Wm Van Regenmortel, and Miss Anne Van Berden.

Grand Rapids police were notified by Kalamazoo authorities to be on the lookout for two highwaymen who held up a driver in that city, took \$70 from his person and escaped in the victim's machine, which contained a suitcase full of clothes. Both bandits were described as being about 29 years old, about five and a half feet tall and one light complexioned and the other dark. The auto bandits also were given.

The guests played buncos, and refreshments were served during the evening. Those present were: Mr. and Mrs. Henry K. Troost, Mr. and Mrs. Charles Troost, Mr. and Mrs. Ben Molenaar of Holland, Mr. and Mrs. John H. Den Herder, Fred Den Herder, James Den Herder, Miss May Boyink and Mr. and Mrs. Edward Roberts of Grand Haven—Grand Haven Tribune.

A friend in Holland of F. C. Hall, formerly a resident here but for some years now a resident of Grand Rapids, has received word that he has been discharged from Blodgett hospital where he was confined as the result of a serious and painful automobile accident that happened on July 6th. Mr. and Mrs. Hall, riding with Mr. and Mrs. Gresselman of Grand Rapids, were injured when the Gresselman's car ran off the Byron Center road. The car was demolished.

Mr. Hall suffered fractures of two bones and received other painful injuries. Mrs. Hall was severely bruised but her injuries were not as serious as those suffered by her husband. Mr. Hall was confined to the hospital for several weeks. He is at present able to walk in his home for an hour or two a day and can take his meals at table again. He suffered much pain and until recently was unable to sleep at night except for short periods, because of the pain. Mr. and Mrs. Hall now live at 16 Lafayette St., SE, Grand Rapids. On August 15th Mr. Hall celebrated his 78th birthday anniversary.

Sunday afternoon at 4 o'clock Rev. C. P. Dame of Trinity Reformed church conducted a service at Ottawa Beach. He spoke on the theme, "How To Be Happy." In his discourse the local preacher brought out the fact that although people have all kinds of worldly goods and pleasures uncountable, they will never be happy unless they find God. A quartet composed of male voices furnished the music. There were about 60 people present. Rev. Mr. Dame will continue this type of work until the summer season closes.

Mr. Frank Duhrkopf, manager of the J. C. Penney Co., store in Holland, has returned from a three weeks' automobile trip covering a distance of 3,500 miles. With Mr. Duhrkopf were Mrs. Duhrkopf and two daughters, the Misses Grace and Thelma.

Their destination at first was Washington, D. C., and all the points of interest in the neighborhood, including Mt. Vernon, Washington's home and tomb. They saw most of the show places at the national capital, then visited Gettysburg. They traveled on to Wheeling, West Virginia, then turned about and came back to Holland. They were home for a half day to be re-outfitted, then started for a ten days' trip thru Indiana, Illinois, Iowa and Wisconsin.

Their idea of going to Iowa was to visit the home folks in Oelwein, Iowa, where Mr. Duhrkopf's mother, Mrs. Reka Duhrkopf, who is 83 years old, is living and where the parents of Mrs. Duhrkopf also reside.

During their presence in Oelwein the annual home coming was celebrated, an event that was established more than a half century ago and nothing interferes with this fest day. On that occasion the city is overpopulated with home folks from far and near. The citizens bet with one another to see how many generations from other places they can bring back to the old fireside.

Upon looking at his speedometer when he returned to Holland Saturday, Mr. Duhrkopf found that it read 3,521 miles, which covers the trip thru the east and the west during the three weeks.

The Holland Penney company stock is now listed on the New York exchange, which indicates that it is one of this nation's great business institutions.

STORES TO CLOSE TWO AFTERNOONS

Wednesday of fair week has for many years been Holland day and it will be such again this year. Which means that the Holland merchants will close their places of business on Wednesday afternoon. Since the stores are closed for the weekly half holiday on Thursday afternoon and the public does not expect to go shopping then, the members of the Merchants association have decided to close that afternoon also as usual. There is almost no business on a Thursday afternoon and the merchants feel there will be no object in breaking their Thursday afternoon closing rule. Hence there will be two afternoon half holidays for the merchants and clerks this week. This will also tend to help the fair along.

There will be numerous concessions at the Community fair this week selling things to eat. But perhaps the one best representing our community will be that of the American Legion Auxiliary. Once more this patriotic organization has offered to take the stands underneath the grandstand where they will sell hamburgers, hot dogs, fresh pies and coffee, in order to add more money to the fund for a memorial of some kind in our city.

This location may be a little obscured by other attractions so an American flag will indicate the stand where one may receive patriotic service and make a patriotic purchase out of an otherwise purely selfish one.

The local national guard company, Co. D, 126th Inf., returned from its annual tour of field duty at Camp Grayling, Mich., on Saturday night. Its members are considerably tanned up and full of energy ready to go back to their civilian pursuits.

The local organization has been for several years considered one of the best in the state, but not until this year did they receive the signal honor of being officially announced the best outfit present at Camp Grayling.

Not only did one of their number, Sgt. Fazakerley, capture the Steward Memorial Medal for highest efficiency, but the organization as a whole was recommended by General Lightner, commanding officer of the Sixth Corp Area, on its efficiency and spirit.

In honor of the occasion a regimental review was tendered to Capt. Henry A. Geerds, the local commander.

One Vinke and Attorney and Mrs. M. Den Herder of Grand Rapids motored to Holland and spent a few days at the Den Herder cottage at Central Park. Mr. Vinke some years ago lived on East 7th street. He started his career as mail clerk in the postoffice here with Postmaster Wm. Verbeek 53 years ago. He was mail clerk on the railroads running out of Holland for 51 years and was retired on a pension 4 years ago.

FACTS FOR WHEAT FARMERS

30 BUSHEL
IN SPITE OF ICE

Vassar, Mich.,
August 16, 1926.

The American Agricultural
Chemical Company,
Detroit, Mich.

Sirs:
I fertilized my wheat with 200 pounds per acre of "AA QUALITY" Fertilizer (Horseshoe Brand, 2-12-2) and obtained 30 bushels to the acre. This is a very good yield, because weather conditions were most unsatisfactory. A large amount of my wheat was killed by ice. Notwithstanding this, I secured 30 bushels per acre.

"AA QUALITY" Fertilizers should surely receive a good share of the credit for this satisfactory crop. "AA QUALITY" Fertilizers always give me the best results.

Yours very truly,

(Signed) CLARENCE BOUGHNER

Such results as the above are not due to luck. Neither are they unusual. They were obtained on a farm very much like your own.

"AA QUALITY" Fertilizers assure a higher grade of wheat with the same seed, the same acreage, the same labor. Result, lower production cost for every bushel and a greater margin of profit for you. "AA QUALITY" Fertilizers pay you several times their cost in increased yield and quality.

IS THE "RACE
PROGRAM KING"
OF THIS SECTION

Ray Poppe, formerly of Holland and now a citizen of Charlotte, is fast becoming known as the "race program king" of this section of the state. Mr. Poppe, who is a linotype operator, makes the publication of race programs for county fairs a sideline.

This year he is publishing elaborate race programs for three county fairs—at Charlotte, Marshall and Holland. The one he is issuing for Holland is more elaborate than has ever been issued here before. It contains 20 pages and cover. A large number of the Holland and Zeeland merchants are advertising in it. The book is changed each day, the names of the horses of each day being given.

The books for Charlotte and Marshall are still larger. Mr. Poppe has been doing this kind of work for a number of years and he is meeting with unusual success in his venture. A well printed race program adds greatly to the pleasure of those who watch the race and Mr. Poppe has become an expert in this line of work.

TO STAGE BALLOON
DANCE AT MACATAWA

There will be a balloon dance at Hotel Macatawa on Wednesday evening, with confetti and serpentine. A special orchestra will furnish the music. There will be several new dance pieces: "Doll Dance," "No Wonder I'm Happy," "Wistful, I'm Blue" and "A Night in June."

Last night a very successful minstrel dance was staged at the hotel in which many took part. The latter part of the week there will be a special dance for sailors from the "Wilmette," which is to enter the harbor the latter part of the week.

Grand Haven was rather stirred to find an airplane landing in their city. However, it was there to undergo repairs at the hands of Harold Kenyon. Quite a large crowd gathered but they were disappointed when the plane did not go up, but was simply being tested for motor repairs.

RIDES ON TRUCK AND
THROWN THRU WINDSHIELD

James Rhoades, a young 4 year old boy of Detroit who was visiting his grandparents, Mr. and Mrs. James Cantwell of Grand Haven, in Hutton hospital badly cut about the head. Young James was riding on his grandfather's truck when a tourist's car smashed into it and the little fellow was thrown thru the windshield and badly injured. Mrs. Rhoades, the mother, was formerly Miss Verna Cantwell, who is well known in Holland, especially among the young folks.

SMASHES ALL THE
PREVIOUS RECORDS

The Holland Rifle club, which will hold shoots every Friday evening until the change of time, held a very interesting one last Friday evening and the crack of the Springfield rifles could be heard far and wide, especially when Elwood Parsons, who has all previous records hitting a 6 inch bull's eye 15 times out of 20 shots at 200 yards, a score seldom equaled in the big American shooting contests held in camp during the war. The scores of Holland's best marksmen are: Parsons 95, Henry Koop 92, Wm. Wiedring 92, Sam Althuis 91, John Yonke 90. Many others with a little more practice will soon be top notches.

Myron and Marie Kollen of Overland are visiting relatives in Holland for a few days.

Holleman and Dewards defeated Hamilton at Hamilton last night 7 to 4. The game was exciting from start to finish. Hamilton got a run off of B. Mass in the second inning without any down, when Vern Fogarty went in and held Hamilton hitless the rest of the game. One run was made in the last of the ninth on a walk and two errors. The H. & D's were able to bunch their hits when they needed them, collecting 9 off of Calahan. Labor day the H. & D's play Hamilton as part of the big celebration, which promises to be the best ever held in Hamilton.

PROPOSED IMPROVEMENT AND
PAVING OF EAST THIRTEENTH

Notice is hereby given that at a meeting of the Common Council of the city of Holland held Wednesday August 17, 1927, the following resolutions were adopted:

RESOLVED, That Thirteenth St. from the east line of Lincoln Avenue to the west line of Fairbanks Avenue be paved with sheet asphalt on a six-inch water bound macadam or 4 inch black base and that such improvement shall include the grading, draining, construction of the necessary curbing, gutters, manholes, catch basins, and approaches in said street, said improvement being considered a necessary public improvement; that such cost and expense of construction and such pavement and improvements with the necessary grading, draining, curbing, gutters, manholes, catch basins and approaches as aforesaid be paid partly from the General Street Fund of the city and partly by special assessment upon the lands, lots and premises abutting upon that part of 13th street from the east line of Lincoln Avenue to the west line of Fair-

banks Avenue as follows:
Total estimated cost of pavement with sheet asphalt on a six-inch water bound macadam or 4 inch black base and otherwise improving, including cost of surveys, plans, assessment and cost of construction, \$18,475.00. That the entire amount of \$18,475.00 be levied by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of East 13th street, according to the city charter, provided, however, that the cost of improving the street intersections where said part of East 13th street intersects other streets be paid from the General Street Fund of the city, that the lands, lots and premises upon which said special assessment shall be levied shall include all lands, lots and premises abutting on said part of said street in the city of Holland; all of which lots, lands and premises as herein set forth to be designated and declared to constitute a special assessment district to defray that part of the cost of paving part of East Thirteenth street in the manner hereinbefore set forth, said district to be known and designated as the East Thirteenth Street Paving Special Assessment District in the City of Holland.

RESOLVED, That the profile, diagram, plans, and estimate of cost of the proposed paving and otherwise improving of East Thirteenth St. from the east line of Lincoln Avenue to the west line of Fairbanks Avenue be deposited in the office of the clerk for public examination and that the clerk be instructed to give notice thereof of the proposed improvement and of the district to be assessed therefore by publishing notice of the same for two weeks and that Wednesday, the 7th day of September A. D. 1927, at 10 o'clock P. M. be and is hereby determined as the time when the Council will meet at the council rooms to consider any suggestions or objections that may be made to said assessment district, improvement, diagram, profile and estimate of cost.

This Is Not a Mistake

Maybe you never saw a picture upside down in a newspaper before.

But this wonderful stove will burn as well in this unusual position as in any other.

A picture upside down is interesting.

But a stove burning upside down is more interesting. Come in and see it. Other reasons why it is so popular are: It is hotter than gas, cheaper than oil, safer than coal.

COMMUNITY FAIR

The prosperity of a city and vicinity is in a measure reflected in what is seen and the patronage that is given a Community Fair. This is the 43rd anniversary of Holland's Community Fair.

This week is a gala week when friends and neighbors meet, and the First State Bank joins the fair directors in extending a hearty welcome to our neighbors in this vicinity to Holland during the days of the Fair.

The exhibits and races are well worth while and Holland is the place where one can renew old acquaintances.

ARCHAEOLOGIST OF WIDE FAME TO GIVE ADDRESSES

Dr. M. G. Kyle is again coming to Holland and will be here under the auspices of the Pine Lodge Conference. He will speak twice each day for five successive days, beginning tomorrow morning.

His morning Bible expositions at 9:30, are as follows: Wednesday, "The Temptation and the Fall"; Thursday, "What God Did About Sin"; Friday, "Revelation Thru Providence"; Saturday, "The Plagues in Egypt."

His evening lectures will be illustrated by stereopticon slides and the subjects are as follows: Wednesday, "Palestine in April Glory"; Thursday, "The Story of Ancient Babylon in the Light of Modern Science"; Friday, "The Doctrine of the Resurrection which Israel Broke out of Egypt and What Became of It"; Saturday, "Bound About Galilee in the Footsteps of our Lord."

Dr. Kyle is president of Zenia Theological seminary, St. Louis, Mo. He is the author of many books which take first rank in their kind and some are used as text books in schools and colleges. He is chiefly known as an archaeologist and is acknowledged to be without a peer throughout the whole world in that department. He has done original work in Egypt and Palestine and in the region where the Israelites crossed the Red Sea.

Dr. Kyle is in great demand on conference platforms and Pine Lodge

is happy to have secured him and is glad to give to Holland people the opportunity of hearing him. As a speaker he is very simple, presenting his messages in a non-technical way so that every one can get it. He is spiritual and biblical and is known as a sturdy defender of the old faith. In these days of controversy and denial the old positions have a great champion in Dr. Kyle.

One of North Holland's oldest pioneers passed away last night when death came to Mrs. John R. Brower at the age of 79. Mrs. Brower had lived in that community for 71 years, coming to this country with her parents at the age of eight and settling in North Holland where she has lived ever since.

She is survived by five children: K. Weener, Hermann Weener, Mrs. J. Shash, Mrs. J. Westrate of North Holland and Mrs. Simon Daggert of Holland; also by two brothers and one sister. The funeral will be held Friday afternoon at 1:30, first time at the home and two o'clock at the Crisp Christian Reformed church. Rev. Mr. Van Vliet officiating. Interment will be in the North Holland cemetery. Friends are requested to omit flowers.

Alonso Wieringa and Miss Zera Vrieling were united in marriage Monday afternoon at the parsonage of the 14th street Christian Reformed church, the ceremony being performed by Dr. Wm. Masselink. The groom was attended by Mr. Wieringa, his brother, and the bride by Mrs. Andrew Klomparsa. The singing ceremony was used.

Mr. Wieringa is a graduate of Hope college and he has accepted a position as teacher of mathematics in the South Haven, Mich. high school. The bride has been a teacher in the Christian school in Holland. After a wedding trip, Mr. and Mrs. Wieringa will make their home in South Haven.

Principal J. J. Riemersma has returned from Ann Arbor where he spent the summer taking a post-graduate course. He will be in his office at the high school every forenoon from now on until school opens to meet such pupils as wish to consult him about their work. He will be in the office from eight to twelve.

QUARREL OVER AUTO- MOBILE WRECK BRINGS SLAPPING MATCH

Quite a crowd was attracted on east 8th street when Mrs. Irene Blue and Mrs. Florence Jappings got into an altercation about who's who in an auto wreck.

When words failed a slapping match ensued. Chief Van Ry made complaint against the two women for disturbing the "peace and dignity of the city of Holland" and when brought before Justice Van Duren, Mrs. Jappings took all the blame for the cutting. She paid a fine of \$8.70 and Mrs. Blue was discharged.

Mrs. William Buwalda, Sr., died at the home of her daughter, Mrs. C. Beukema, 220 Sherman street, Grand Haven, on Monday, August 22, at 7:30 a. m. after several months of illness. Funeral will be held Wednesday afternoon. She is survived by the following children: Mrs. Fred Beekman, Grand Haven township; William Buwalda, Jr., Grand Haven; Claus Buwalda, Chicago, Ill.; Lawrence Buwalda, Milwaukee; Mrs. Irene Christy, Chicago; Jacob Buwalda and Mrs. Claude Beukema, Grand Haven.

Dr. and Mrs. Ben J. Bush entertained at their summer home at Macatawa for the week end Mr. and Mrs. Charles Turck and children, Viola and Emmy Lou. They were en route from New York to Danville, Ky., where Mr. Turck will take up his duties as the new president of Centre college. It will be remembered that the football team of this comparatively small college beat the big Harvard team.

Mr. and Mrs. A. M. Galentine and daughter, Miss Marcelle, and son "Bud" Galentine have been making a motoring trip around Lake Erie visiting all the points of interest on the Canadian route and also visiting Niagara Falls.

After having lived in the shadow of the electric chair for seven years, Nicolas Sacco and Bartholomew Vanzetti were electrocuted early Tuesday morning in the Charlestown state prison of Massachusetts. Celestino Maderia, proceeded then to death

by a few minutes. He died at 12:50. Ten minutes later Vanzetti was dead and Vanzetti died at 12:26.

The two internationally famous radicals, whose fight for life was followed by millions in all parts of the world, continued to assert to the last that they were innocent of the crimes of which they were convicted by a Massachusetts jury seven years ago.

Rev. Clarence Laman, a graduate of Hope college and recently graduated from the Western Theological seminary, has accepted a call to the Mispah Reformed church of Schoenectady, New York, which is a young organization in a newly settled part of that city. He will begin his labors there the first of September.

M. Laman is the youngest son of

Mr. and Mrs. T. Laman of this city and the third son is graduate from the local institutions and enter the ministry. Rev. A. T. Laman is pastor of the Reformed church in Oostburg, Wisconsin. Rev. B. Laman is pastor of Bethany Reformed church in Kalamazoo, Mich.

The young minister suffered a severe blow in the loss of his wife nearly a year ago.

DOG TO COME TO HOLLAND WHO UNDERSTANDS THE ENGLISH LANGUAGE

Holland is to see a wonder dog called Fellows. It is owned by Jacob Herbert of Hollywood, Calif., who is coming to the Strand theatre Wednesday, August 31 and Thursday, September 1, appearing in the picture "King of the Pack", to be presented on those two days. This of course is aside from the point.

Herbert was here a few days ago to make arrangements for this picture and present Fellows, the star dog in the roll in person.

While he was here he had the dog go thru many special performances, spoke to him in a low tone, and without hesitancy the dog did whatever his master said and also what members in the crowd suggested to the master and in turn the master informed the dog and he followed the bidding.

The dog was told to pick out women from men and then pick out children and hastily complied. He was told to love the ladies and he went to a lady present and laid his head in the hands of the woman. He was then told to do acrobatic stunts like a clown and he immediately proceeded on a form of laughable pranks.

When the picture is introduced at a theatre, Fellows is introduced after the picture is shown, and then a half hour is devoted in showing that this dog really understands the English language.

"I haven't taught him any tricks or to perform by rote," declared Herbert. "He's neither an acrobat nor a clown. I've simply taught him to understand the English language and to obey. I trained him as I would my child, and he knows what I say to him and he does what I tell him. That's all there is to it."

In explaining Fellows' knowledge of what is said to him, Herbert ex-
