Banker From Hudsonville Asks Fair Play

**CALLS HOLLAND POLICE
SPLENDID OFFICERS, WANTS
REWARD GIVEN TO OFFICER
ENTITLED**

Hon. Fred McEachron, Ottawa's representative in the Michigan Legislature and head of the Hudsonville bank robbed by Peters and Kral, confessed "stick-up" men, in a letter to the Holland City News, gives the Holland police unstinting praise and wants the reward of \$2,500.00 to be divided justly and to the persons really entitled to their share. The letter following explains all in detail:

Aug. 10, 1931.
Mr. Ben Mulder,
Editor Holland City News,
Holland, Mich.
Dear Ben:

Please allow me to congratulate you and the City of Holland on the splendid lot of Officers you have on the Police force.

It is my desire to personally thank each and every one of these men, and to compliment them on the splendid way they cleaned up the Hudsonville State Bank job.

There is not a City in this State that has a finer or more capable lot of officers than Holland City has, and there is no bunch of officers anywhere, that could do a better or slicker job than they did.

When a City has a Police force like you have, its Citizens can rest assured that their property and lives will be well protected at all times.

Several have been to me regarding the award that is to be paid by the Bankers in our group, to the ones who are directly responsible for the capture of these birds; and to each of them I have stated that I personally have nothing to do with determining that question.

The \$2,500.00 reward will be paid just as soon as it is definitely determined by the Board representing our group of Banks just who is entitled to it.

My only hope is that the ones who are entitled to it will receive their just share.

With kind personal regards, I am
Yours sincerely,
FRED F. McEACHRON,
Cashier.

BANDITS HOLD UP HOLLAND MISSIONARY

Rev. Albert H. Selles, missionary in China for the Christian Reformed Church in America was robbed of \$90 in American money by bandits while he was traveling the highway on a bicycle to Shanghai, according to reports received here.

Selles was accosted by a soldier and civilian who took his money but did not maltreat him.

Rev. Selles is a brother of Peter Selles, the local jeweler.

GRASSHOPPERS RUIN FIVE ACRES OF NEW CELERY IN OLIVE TOWNSHIP

Grasshoppers are damaging crops in certain areas in Ottawa County, according to agricultural agent Milham. On the farm of A. Hirdes and M. P. Elenbaas in Olive township these insects ruined five acres of newly set celery plants stripping leaves from the plants and consuming even the stems. Mr. Milham left 25 pounds of white arsenic with directions for use and many dead grasshoppers were found after the poison bran bait was applied.

A bait made with one bushel of bran or sawdust, one pound of white arsenic, one can of molasses, one ounce of banana oil, three-fourths cup salt and sufficient water to make a moist mass is recommended. Spread the bait in small handful piles around the field early in the morning, as grasshoppers feed in the daytime, and they soon will be reduced in numbers.

Farmers suffering damage from these insects may secure assistance from the agricultural agent. County farm agent Morely, of Allegan county is sending out a formula about the same, only he adds that it is an invariable rule, that the insects stop feeding once they get a little of the bait. Their power for harm ends with the taking of the bait, and they die after a few days.

This formula can be used for the Army Worm or the Cut Worm, but the salt must be left out.

The state highways in Allegan county are to be treated with chloride this week, beginning Tuesday. There are 77 miles in all. This will be the third and last treatment this year.

Those from Holland who attended the funeral services for the late Mrs. Marinus Van Doorne held from the First Reformed church, Grand Haven, were Mr. and Mrs. T. Laman, M. Van Doorne, Mr. and Mrs. L. White, H. Zoet and Mrs. De Geyer. The funeral of this well known woman, held Friday afternoon, was largely attended.

William Vredenburg died in Fletcher hospital, Kalamazoo, Saturday, at the age of 59 years, after an extended illness. Funeral services were held Tuesday afternoon. Miss Nellie Churchford officiating. His widow and a brother, Albert Vredenburg of Middleville, survive.

The Misses Janet Mulder and Metta Ross entertained Dr. and Mrs. J. E. Kuizenga and daughter, Mrs. of Princeton, N. J., at dinner in Allegan Wednesday evening.

Attorney Daniel Ten Cate and family entertained his sister, Mrs. O. W. Dean and Mrs. E. C. Knott of Benton Harbor at the Ten Cate summer home at Buchanan Beach.

"FIFTY YEARS AGO" COLUMN HELD OVER FOR ONE WEEK

Because of many large articles and last minute advertising the Holland City News is compelled to hold over the column of "Fifty Years Ago." However this interesting feature will appear without fail next week, as usual.

The pastor of this church is Rev. T. VanderArk. There will be no admission charge aside from a general collection for the organ fund which indeed is a very good cause.

TRAP-SHOOTING FRIDAY EVENING BETWEEN NEIGHBORS

Two Zeeland young men, members of the Holland Fish and Game Club, competed successfully in the trap-shooting on the club's private grounds last Friday evening.

Those participating in the event were, Dr. C. Miner of Muskegon Heights, Sam Althuis and Wm. Woldering of Holland, Mr. Fish of Bedford, Indiana, Gerrit Wyngarden and Garret F. Huizenga of Zeeland. Out of a possible score of 25, Mr. Miner was perfect, while the others ranked, Althuis 20, Huizenga 19, Fish 19, Wyngarden 12, Woldering 12. These scores are remarkable considering that the shooting was done alternately, right-handed and left-handed. Dr. Miner exhibited fine run of shoot-ings Friday night, breaking 68 targets before missing. Other shooting with 22-caliber rifles is also exhibited. The public is invited to these contests as guests of the club.

The grounds are beautifully located one mile west of Zeeland facing on both the old and newly located M-21, where also the fish rearing grounds are located.

Mrs. Delia Shaver, aged 83, widow of Samuel Shaver, died Wednesday at the Michigan Soldiers' home at Grand Rapids. She had been a resident of Saugatuck for 65 years. Ottawa Beach Oval Committee Goes to Lansing

**ARE MAKING SOME PRO-
GRESS ON ENLARGING
OVAL AT OTTAWA BEACH**

The council committee appointed by Mayor Brooks motored to Lansing yesterday to at least make a start toward getting the oval at the state park at Ottawa Beach enlarged and to have provisions made to park at least 500 more cars.

The Holland City News has given many details relative to what can be done. The state park extends at least 300 feet north, 200 feet east and at least 300 feet west of the oval giving plenty of room for permanent improvements that are necessary.

Any way the council committee first called upon State Park Superintendent P. J. Hoffmaster who already knew the urgent need of more room and better facilities at Holland's park. He pointed out however that for the sake of economy the state had cut the budget from \$415,000.00 to \$36,000.00, that brought retrenching all along the line.

Mr. Hoffmaster referred the committee to Mr. Dillman of the highway department, but Mr. Dillman had gone to Saginaw that morning. Then the committee was referred to Governor Brucker, but the governor was on his way to fill an appointment in another city, and the automobile was waiting.

He did offer to give the committee five or ten minutes but preferred to make a later appointment, so he could give over the oval needs more thoroughly.

The committee going from Holland were Ald. Wm. C. Vandenberg, Ald. Henry Prins, Ald. Fritz Jonkman and Dick Boter, president of the Chamber of Commerce.

They took with them Representative Fred McEachron of Hudsonville and they happened to meet State Senator Gordon F. Van Eenam at the Capitol and the group went to see these men.

A definite date is being arranged for sometime in the very near future.

ZEELAND PUBLIC SCHOOLS WILL OPEN ON SEPT. 8

The vacation period of the Zeeland public schools this summer will be a week longer than usual, as determined by the board Tuesday evening, because school will open on Tuesday morning following Labor Day, which falls on September 8, the latest possible date for school to open on that ruling. The matter of opening one week earlier was discussed but the board finally determined to open after Labor Day and to close again for the year next June 16 by reducing the spring vacation period. Commencement next year will be held on Wednesday, June fifteen.

MANY BIDS TO BUILD A SCHOOL

There was lively competition among bidders for construction of the new Otsego school building. The bids were upon separate units of the work and numbered about 250 while 150 of the bidders were present at the opening, some coming from many places in the state and some from outside. This well illustrates how difficult it is now-a-days to get any sort of business. No decision will be reached until the bids can be examined by the architects.

Big Corn Stalk

They're growing 'em bigger and bigger all the time. The other day the Herald told of a cornstalk seven feet, four inches tall, but a few days ago Clyde Brooks brought to the Herald office one that measured exactly ten feet from tip to tip—that is from the roots to the end of the flower. Anyone doubting this can see the stalk at the Herald office. It was grown on the Clarence Brooks farm east of Fennville.—Fennville Herald.

Rev. and Mrs. Anthony Karremans of Lansing, Ill. and daughters, Jean, Pearl and Margaret, are at Central Park for a month, stopping in the VanKuijen cottage.

Miss Doris Grant returned from a visit to her father and brother in Dallas, Tex., Tuesday evening. She will teach again this year in Holland schools.—Fennville Herald.

Misses Gladys Moeke, Marian Katte and Mildred Flagel, of Zeeland, have returned from a very enjoyable trip to Europe. They visited England, France, Germany, Belgium and the Netherlands.

Mr. Cornelius Dornbos, of De Vries and Dornbos, was in Grand Rapids on business for the firm.

Mrs. John Stenberg, of Holland, submitted to an operation for appendicitis at Huizenga Memorial hospital at Zeeland.

Mr. and Mrs. Wm. Westveer are today entertaining a score of guests at a family party. A pot luck supper was given. Rev. and Mrs. L. Hekhuis and family of Wichita, Kas., were among those present at the party. The Westveers also entertained the hospital committee of the Woman's Literary Club of Holland earlier at their Buchanan Beach summer home.

Members of the Manhattan club gathered at Ottawa Beach Monday evening enjoying swimming and a wiener roast. Jerry Houting and Harold Hoffman were in charge of arrangements. The club is planning an anniversary party September 1 when the organization will be one year old. Harold Hoffman, social chairman of the club, is in charge.

"PUSSYFOOT" JOHNSON, NA- TIONAL PROHIBITION SPEAKERS AT ZEELAND

One week from tomorrow evening Wm. E. "Pussyfoot" Johnson, national superintendent of the Anti-Saloon League, and Lt. Colonel F. B. Ebbert of Los Angeles will be here in the Second Ref. Church to speak on the prohibition question.

Mr. Johnson, who is known internationally as a temperance advocate, will speak on "Babylon and Way Stations," and Mr. Ebbert will talk on "The Unfinished Battle."

They will both speak at the Second Reformed Church on Friday evening, August 21, at 8:00 o'clock, and everybody is invited.

The evening before, they will speak in Coopersville, and on Friday morning they will be at Pine Lodge, where they will again be guests for the night.

With its yacht races, night carnivals, art exhibits, and various other activities, Saugatuck is fast taking the lead among Michigan lake shore resorts. One good reason for this is the attractive surrounding rural region. Another is the fine chances for pleasure afforded by both the Kalamazoo river and lake Michigan.

Grand Haven's Mayor Tried for Fish Violation

**MAURICE KUIITE, OF HOL-
LAND, CONSERVATION
OFFICER, MADE ARREST
—JURY DISAGREES**

Fisherman Admits There Were
Small Fish. Prosecutor Will
Try Case Again

About six weeks ago, Conservation officer Maurice Kuite of Holland caused rather a sensation at Grand Haven by arresting the Mayor, charging him with illegal commercial fishing. The case was delayed because Mr. William Ver Duin, the defendant, took sick and later other matters came up in the prosecutor's office that brought further delay, but finally the case came to trial which was held in the supervisor's room in the court house at Grand Haven with Justice Burr as judge. Attorney Charles Misner appeared for the Mayor of Grand Haven and Prosecutor John Dethmers for the People.

The jury in the case disagreed after an afternoon of lawing over the evidence that Ver Duin had undersized fish in his possession, when his boat load of fish entered Grand Haven harbor. Therefore the case was dismissed by Justice C. E. Burr at 6:00 p. m. Monday night, following the disagreement which was reported to have been five for conviction and one for acquittal.

The jury was out one and a half hours, during which time, it was reported that about six ballots were taken, with very little chance of reaching a decision. Information as to a point of law was asked for by the jury during their deliberations which the court readily gave.

John R. Dethmers, prosecuting attorney, stated that the case would not be dropped but would be tried again. He did not say where nor when.

William Ver Duin was the only witness for the defense. He did not deny the fact that 241 pounds of undersized fish were in his possession on July 6, the day of the arrest, but defended his action as due to rough weather; the seaickness of three of the crew, who were inexperienced fishermen; and the difficulty in landing the unusually large catch which prevented him from being able to sort the sizes.

He explained the manner of catching fish from pound nets and stressed the point that the catch in one net was so unusually large and such a surprise to all on board that it was all he and his partner, John Ver Duin of Grand Haven, could do to handle the fish in the heavy swells which were running, following a storm of the night before. His two sons, and a friend were with him and being unused to fishing became seasick and were of little use that day, he stated.

He told the jury he threw over at least 300 pounds of whitefish which he detected as he scooped the fish into the boat. He admitted having brought in 1,390 pounds of fish or between 600 and 700 fish. He admitted having been convicted of violation before.

He explained that some of the fish were dead in the nets, and others were injured, so they died and he did not want to throw dead fish back into the lake.

Evidence was admitted to show that he had assisted the conservation department at various times to maintain order on the lake and he had assisted in planting many trout in the state hatcheries.

Maurice Kuite, deputy game warden of Holland, was the chief witness for the people. He told of the arrest at the dock July 6, the number of fish and the size. It is also understood that Kuite took some of the undersized fish as evidence.

George Sewers of Saugatuck, fishing out of Grand Haven harbor that day, as a rebuttal witness refuted the statements of the defense that the day was not rough but "bloopy," in the terms of the fishermen, and that he and his two partners had little difficulty lifting the nets, and separating the undersized fish from the others.

He admitted having been convicted of violation of the fish law during his 18 year's experience.

Upon cross examination by Charles E. Misner, attorney for the defense, Sewers admitted that Maurice Kuite was lenient in his prosecutions of the state game law, and unless the misdemeanor was flagrant was reasonable.

Upon this point Mr. Misner based much of his plea.

"Why should William Ver Duin be picked upon," he asked, "when other fishermen have been dealt with leniently, according to witness testimony?"

He stated that the intent of the law was the basis of a decision and cited court statement to verify his claim that the conservation law was one which could not be interpreted too literally.

The only other witness was Gertrude DeGraaf, employed by H. J. Dornbos Bros., Grand Haven wholesale fish concern, who testified that the catch was brought to the plant and it was dressed and placed in storage. He has been an employee for 29 years, he said.

The jury included W. L. Polhamus, Harry Vander Kolk and Gerard Johnson, Fennville; William Connolly, Spring Lake; Richard Streng and Art Kammeraad of this city. The trial was held in the supervisors room and was crowded with listeners. The jury was picked in the morning which delayed the trial until the afternoon. Testimony and pleas of the lawyers lasted from 1:30 p. m. until 4:30 p. m.

Ben Mulder and daughter Miss Lucile Mulder motored to Grand Rapids, Friday.

THINK OF A CAR THAT HAS RUN NEARLY HALF A MILLION MILES

An unusual sight was seen on the streets Monday when E. W. Feary drove into town in a Talbot automobile, which had been made in Suresnes, France. It was a 1920 model and had four-wheel brakes, which we believe were not used on American-made cars for some two or three years later than that date. Mr. Feary stated that he bought the car new in Cape Town, South Africa, eleven years ago. He said that he had driven it 430,000 miles or more, and it certainly looked it. He also said that he had driven it nine times across the United States.

He stated that it weighed 1,420 pounds when it came from the factory and was guaranteed to go forty miles on a gallon of gasoline; that it would develop nine horsepower and travel fifty miles per hour when it was new, but he admitted that it is now. When asked where his home was he said in the car. It had but one license that being a 1931 Mississippi plate. He also stated that there were eleven states which furnish but one plate.

The burglar encountered some difficulty at the home of Gerrit Van Dragt. Mrs. Van Dragt was awakened seeing a light in the next room, and was able to see the figure of a man through the flash-light carried in the hands of the burglar. Thinking the night prowler carried a gun, Mrs. Van Dragt closed the door with a bang and called her husband. This unexpected action so frightened the burglar that he escaped hastily, running into the clothesline in the back yard as he went.

In most instances entrance to home was gained where the doors were not locked, and picking the hooks of the screen doors was an easy matter. The intruder would then make his way to the bedrooms where he would take the men's trousers, lug them to the garden, and lost them, leaving them behind if these were not good enough to suit the burglar's taste. In a few instances, the thief or thieves stopped long enough to pick up other valuables.

Police believe that the marauders are composed of local talent, because they seemed to know the "lay of the land" thoroughly.

Mr. and Mrs. A. Ralph Van Raalte, Holland R. R. 4 are on a motoring trip to Cleveland. They expect to return next week.

Mrs. B. Stegeman and daughter Miss Hilda Stegeman, of Holland are visiting Mrs. Stegeman's son, Rev. M. Stegeman, in Hoppers, Iowa.

It is often in print that here or there catches of fish in the great lakes is disappointingly small but they are not always so. Daily catches of 5,000 to 8,000 pounds are not unusual; but a net fisherman at East Tawas one day last week took 17,000 pounds of whitefish worth \$1,360. Taking of such fish has much increased since the state began breeding fish and returning them to the lakes.

The board of Fennville M. E. church voted unanimously Tuesday night for the return of its pastor, Rev. William E. Beckett, the coming year. Mr. Beckett is completing his second year on this charge at Fennville.

INFANTILE PARALYSIS A DANGEROUS SICKNESS

Infantile paralysis is one of the acute communicable diseases. It injures the nervous system causing paralysis, characteristic of the disease. The cause of the disease is a germ which is present in the nose and throat. The disease is so mild in many cases that it is unrecognized and becomes a serious factor in the control of the disease.

The first symptoms of infantile paralysis are very indefinite. There is usually some fever, and considerable perspiration, irritability and drowsiness. There may be stiffness of the neck and unusual sensitiveness to touch. Many of the complaints are quite ordinary, causing parents to fail to suspect anything seriously wrong. The onset may be so light that paralysis may appear as the first complaint.

The foot is most often first to be effected causing a foot drop. About one-third of the patients recover without paralysis. Early recognition of the disease will lessen the chance of paralysis, so a physician should be called in case of illness.

Regarding methods of control of infantile paralysis, all cases need to be reported and quarantined for a period of at least twenty-one days. All discharges of the nose, throat and bowels should be disinfected during period of quarantine. The sick room should be thoroughly cleaned following release from quarantine. Exposed persons living in the house with the patient need to be quarantined for at least twenty-one days. There should be no contact with groups of children for at least seven days after release from quarantine for all those who have been quarantined.

Infantile paralysis, although not in this community, is prevalent in neighboring communities so it is necessary for us to be on our guard to prevent its spread.—Dr. R. Ten Have, Ottawa County Health Commissioner.

Zeeland Given Cleaning by Slick Burglars

**SEVEN HOMES WERE ENTER-
ED OVER THE WEEK-END.
VERY LITTLE LOOT
TAKEN**

For a week, at least, "stick-up" men have held off holding up more banks, possibly because the gang is behind bolts and bars, but it seems now the "porch climbers" are getting busy and have made a start at Zeeland.

Zeeland police have been advised of seven burglaries supposed to have been committed early Sunday morning.

The places robbed were the residences of Frank De Young, Colonial Ave., where a pair of trousers, an Elgin watch and a stick pin were missing; Doeke Bos, 247 Colonial Ave., who lost a pocketbook with \$12 in cash, some keys and a pair of shoes (there the thief was considered enough to return a pair of glasses to the porch after he had found them in a pocket); Martin Elenbaas, 224 Colonial, robbed of a pair of trousers and \$3.50 in cash; Andrew Riemersma, 235 Colonial, loser by 60c; Cornelius Postma, W. Washington St., missing white sapphire ring and a ring with a pearl set.

The burglar encountered some difficulty at the home of Gerrit Van Dragt. Mrs. Van Dragt was awakened seeing a light in the next room, and was able to see the figure of a man through the flash-light carried in the hands of the burglar. WIND USED TO INDICATE THE WEATHER

Winds are good weather indicators for the duck hunter. When the wind is in the west the weather is likely to be fair, with perhaps a freeze at night in October and November.

Northwest winds, though they also presage fair weather, usually bring a greater drop in temperature than winds from the west. Heavy storms frequently develop from the northwest in the fall, sometimes with snow.

South and east winds are often followed by foul weather. Rain and east winds are synonymous. When the wind gets in the north-east a severe storm is likely to occur. The northeast is known as a "snow corner." The gales from this quarter seldom exceed three days.

MORE CUTTING IN CONSERVA- TION DEPT. DOUGLAS MAN TAKES MORE TERRITORY

Announcement that Frank Denner, formerly of Douglas, will be continued as district supervisor for the department of conservation, and that his district, the ninth, will include 13 counties instead of six, has just been received.

This report came simultaneously with the announcement of further reductions in the field personnel of the state conservation department by Geo. Hogarth, director.

Denner originally had in his district Kalamazoo, Eaton, Barry, Hillsdale, Branch and Calhoun counties. The announcement states that seven other counties, Allegan, Ingham, Van Buren, Jackson, Berrien, Cass and St. Joseph have been added to his district and will be under direct supervision of Denner.

If Mosquitoes Fight Hard It Means Harmony

If you dislike mosquitoes with the violence of a tortured soul, and yet if they continue to attack you with the viciousness of devils in spite of all the loudly smelling mixture you can smear on yourself—then yours may be another case of "perfect harmony."

The perfection of this "harmony" is mainly in favor of the mosquitoes. Specialists of the United States Department of Agriculture, in experimenting with mosquito repellents, have found that different kinds of mosquitoes react differently to the same repellents and that some persons are more attractive to mosquitoes than others.

So yours may be that felicitous occasion when the family of mosquitoes which doesn't mind your brand of repellents finds exactly the type of person it prefers. In that case the specialists recommend rubbing moistened toilet soap on the bites.

The specialists listed oil of pennyroyal as the most widely proved and used anathema to these insects. It may be rubbed on pure or mixed, one part to five, with petroleum or any other heavy oil, including the castor variety. The investigators discovered that any kind of oil is in itself somewhat of a repellent to fastidious pecturers. Although experiments have not proceeded far enough to reveal the type of person mosquitoes fall hardest for and upon, this is believed to depend on the amount of natural oil in the skin.

Plenty of rains Friday afternoon broke the drouth on the lake shore but did not extend very far inland. In the latter region there have been scattered and slight showers but not enough to give much needed moisture to corn and potatoes which are suffering greatly. Saturday brought some relief.

AN ERROR IN TURKISH TOWELS

In the large announcement in this issue of Montgomery Ward in which the firm tells of the starting Saturday of Ward's Golden Arrow special, a small part of the issue was printed with Turkish towels selling at 41 cents. This is an error, and should read four (4) Towels for 41 cents, size 24x36. The bargain is much larger than is stated through error in a small part of this issue of the Holland City News. The five-cent announcement is on the last page of this issue.

FOURTEEN SCOUTS FROM THIS VICINITY GO TO BEAVER ISLAND

A group of 14 Allegan-Ottawa area boy scouts under Scout Executive P. H. Norg left Tuesday morning for Beaver Island on an excursion. The group, consisting of Scouts from Allegan, Spring Lake, Fennville, Holland, Grand Haven and Allegan, were represented in the group.

The scouts drove as far as Charlevoix and then took the U. S. Mail boat to the island. Requirements for the trip were that a scout must have spent at least two periods at camp and must be at least a first class scout. Several eagle and star scouts are among the group.

Those in the group from Holland are Peter H. Norg, Eagle Scout and Scout Executive, Dr. A. C. Glennie, Life Scout and Scoutmaster of Troop 10, Holland; Bob Wisniewski, Star Scout Troop 9, Leon Hopkins, Life Scout of Troop 9, and Arthur Horning, Life Scout of Troop 10, Holland; Allan Barron, Life Scout of Troop 19, Fennville.

An extensive program has been arranged for the period on the island. A portion of a day will be spent on Garden Island where an Indian cemetery will be visited. A hike will be taken to a large sand hill from the top of which can be seen all the lakes of the island.

The boys will have an opportunity to catch fish with an overnight journey to one of the lakes at the end of the island. Pine needles and boughs will be used for beds at the temporary camp.

Equipment will be taken on the trip for the study of reptiles, trees, insects and flowers. Plaster of paris casts will be made of animal tracks.

On the return, a visit will be made to Cross Village, inhabited only by Indians, according to plans. The group will arrive in this locality August 19th.

ALLEGAN FARM AGENT SAYS THE SOIL IS STILL VERY DRY

The Allegan County Agricultural Agent Morley noticed a good many plowed fields in the past few days and a word of instructions may help some of our farmers. There is very little moisture in the soil and by cultipacking or dragging each half day is helping to hold what we already have in the soil and will prepare the land to hold any rainfall that may come. Do not leave plowed land until the whole field is plowed before working it down as the winds will take out nearly every drop of moisture it contains.

Following are the winners in the 4-H Calf Club exhibit at the Allegan county fair are:

Jersey Calf Class—

1st—Donald Johnson, Fennville club; 2nd—John Hooker, Wayland club; 3rd—Leon Remick, Fennville club.

CITY TEAMS PLAY ANNUAL FIVE GAME SERIES

Holland Championship Base Ball Card Starts Saturday at River View Park

By "WADDIE"

Two of Holland's most colorful baseball teams are lined up for the city championship series which will open at Riverview Park Saturday afternoon. The series is an annual five game affair between the winners of the two halves in the city league.

The Holland Boosters, a team of the younger ball players in the city, will defend the championship it won last year over the Hart & Coyleys.

The opponents of the youngsters will be the Mosser Leathers, a hard-hitting, well-coached nine.

The first game of the series will be played Saturday starting at 3 o'clock. The second and third contests will be offered to the fans on Wednesday, August 19 and Saturday, August 22. The last two games, if needed, will come on successive Saturday afternoons.

The Boosters and Mossers are coached by two of the city's best known baseball men, Benny Batema and Babe Woldring, both of whom were stars in their day. Batema has been at the helm of the Boosters for three seasons and has developed the bunch of kids that he started with into a wide-awake team. Although the tanners have an edge in the batting, the Booster nine has an enviable record in the field.

The Mosser Leathers won the second half of the season after the Boosters had taken the first. The Northside factory employs nearly all of its players and shows a lively interest in the team. The Leathers are the leading batters in the league and have been hitting especially hard during the past three weeks.

Pitching selections have not been made for the first game, although Babe Woldring will probably use Larry Hyma, former Mississippi Valley leaguer, in the contest. The Boosters will undoubtedly pitch Ed Wolters, one of the best in the league, who has beaten the Mossers three times this season.

As the league has been drawing crowds of more than 300 at its regularly scheduled games, President Burke Taylor is making arrangements to take care of crowds in the vicinity of five and six hundred.

The lineups and batting orders for the first game will be: Boosters—Joe McCarthy, ss.; L. Japinga, cf.; Slighter, 2b; Norlin, rf; West-erhof, c; Uenema, 3b; Spoelstra, 1b; Mark McCarthy, lf; Wolters or Vandenberg, p. Mossers—Van Dorpe, 1b; Hulst, ss.; D. Japinga, 2b; Bouwman, lf; Prins, cf.; Cramer, 3b; Bekhuis, cf.; Fogerty, c; Hyma, Tubergan, Zoerhof or Lockers, p.

LEGION BAND TO GIVE REQUEST PROGRAM TUESDAY EVENING

The American Legion Band gave its weekly concert in Centennial Park Tuesday evening, with the number who came to listen being the largest of the season. The band played several of the numbers which "Herr Louis and His Hungry Five" broadcast over the radio together with many other popular tunes, and so enthusiastic was the reception of the selections that the band was forced to extend its program until after 9:15 o'clock.

The boys gave a special concert Thursday evening in the amphitheatre at Castle Park

when residents of the surrounding resorts came out in large numbers. The concert is an annual affair and much appreciated by resort folks.

Since request numbers usually come in frequently the band decided to give a request program next Tuesday, August 25. Persons having request numbers are asked to get in touch with the band secretary, Raymond Knoelhuizen at the First State bank.

A winner roast at Ottawa Beach was enjoyed Monday evening by the Manhattan Club. The club made plans for an anniversary party to be held September 1.

Saugatuck, Douglas, Fennville and Vicinity

Herbert (Red) Robinson, 24, and Milton Hoey, 25, both of Saugatuck, arrested Friday by Deputy Sheriff Harry Jackson of Saugatuck on a charge of selling liquor, were arraigned Saturday afternoon before Justice H. H. Cook of Allegan. They demanded examination, which was set for Aug. 17. Bond of \$2,000 each was not furnished.

Mrs. Kenneth Jackson, Mrs. Lydia Frye, and Miss Irene Minges arrived home at Fennville Sunday evening from an automobile trip of nearly 9,000 miles which included the Pacific Coast from Mexico to British Columbia and returning through the Canadian Rockies and Winnipeg. They were gone about eight weeks and made good time, visiting many friends en route.

Mr. and Mrs. Glenn Richards and son Rutherford arrived Monday evening from their Tampa, Florida home, making the trip to Fennville in three days.

The superior quality and high prices for Fennville celery last year has led to an increase in the acreage in this vicinity. At present about 100 acres of muck land show a fine stand and there is an abundance of good land for this sort of crop should prices warrant a further increase.

Mrs. Allie Goodrich Eaton and daughter Georgiana are at Fennville, from Brawley, California, to visit the former's mother, Mrs. Annah Goodrich, as well as many old-time friends. Mr. Eaton is the Southern Pacific agent at Brawley, which is one of the leading cities in the Imperial Valley. That valley produced more head lettuce and cantaloupes than any other spot in the world and this season has been very disastrous to the shippers, most of whom have been financially ruined by the low markets. They shipped 22,000 cars of cantaloupes and about that number of cars of lettuce, many of which did not pay the freight. Only a few of the largest firms will be able to continue in business. Well, that still leaves dear old Michigan on top.

Saugatuck Woman's club activities are being shown in a series of bridge parties which different groups are sponsoring for the benefit of the new club house fund. Tuesday's party was held at the Grace hotel and on Friday afternoon Mrs. Celia Gamble House will entertain tourist and Saugatuck ladies on her spacious porch and lawn.

Members of the Columbine Garden club of Saugatuck visited the numerous rock gardens in this vicinity this week. The members met at the home of the president, J. B. Zwemer.

Mrs. Lemuel Brady, Mrs. Frank Comstock, Mrs. W. J. Wilson, Mrs. John Barron, Mrs. Jay Force and Miss Koning composed the reception committee at the fourth art exhibit at the village hall Saturday afternoon.

Rev. Egbert Winter of Holland was in charge of the service at the Douglas Congregational church as usual Sunday.

The annual swimming and diving contest will be held in the Big Pool at Saugatuck on Saturday, Aug. 15.

Only amateurs will be permitted to compete.

Postmaster Charles E. Bassett of Fennville was "on the air" Wednesday giving radio listeners something about the "fruit belt" and telling about the fruit crop, from station WMAQ. Mr. Bassett gave a radio talk last summer that was greatly appreciated, and his radio broadcast this week again was very interesting. Bassett was a member of the bureau of markets of the United States department of agriculture for five years.

Miss Eleanor Hutchinson of Fennville won the title of "Miss Transportation" at the Allegan county fair last week, and was presented with a silver loving cup and \$50 in gold. Miss Sue Ward of Dunningville and Chicago won second place. Miss Dorothy Brown of Allegan third and Miss Doris Frost fourth. Miss Ward received \$25. Miss Hutchinson was named winner by the votes of audiences which attended the fair during the week. There were 17 participants who appeared each evening in style shows. They were judged on beauty, poise and harmony of costume with car.

Don't forget the JERSEY PICNIC at the Allegan County Park which will be held on Saturday, August 15th. There is a good time in store for all those who attend.

The date for the Home Economics Extension Picnic has been set for Friday, August 28th. Miss Edna V. Smith will be at the picnic as one of the principal speakers. Every woman in the county is invited to attend this picnic and you are urged to bring along your friends as a real treat is in store for them. It will be held at the Allegan County Park. DON'T FORGET THE DATE—FRIDAY, AUG. 28th.

Saugatuck has enjoyed a fine tourist trade this year. The Chamber of Commerce reports a larger registration than last year at this time and all the lake shore cottages are taken from Camp Gray to Pier Cove. The beaches are thronged every day.

Mrs. Delos Sherman, 56, of Fennville, died Friday morning in Wash hospital at Lafayette, Ind., where she had gone for an internal gaiter operation. She was a sister of former State Representative Lyman C. Root of Allegan county. The husband survives. Funeral services were held at 3 p.m. Sunday, at Fennville.

The prolonged drought was broken in the vicinity of Fennville Saturday by a heavy downpour of rain, that was welcomed by the farmers, and relieved their anxiety for their crops, especially the beans. Lawns have been kept from drying up only by persistent sprinkling, and this, combined with shortage of the canner water supply has kept Bert McCann, who is water superintendent as well as village marshal and street commissioner busy keeping the pumps operating night and day to keep the tank filled and protect the city in case of fires.

All county roads in Allegan county have been marked with black and white metal signs mounted on steel posts. These markers indicate the number given each road as designated on maps now available. County road commission announces. Roads leading to other counties are numbered the same as the road they link up with.

Postmaster Charles E. Bassett of Fennville has been notified from Washington the Pearl postoffice will be discontinued Aug. 15. This office is four miles south of Fennville. Former patrons of the office will be served by Fennville rural route service. This mail will be delivered by the carrier on route three, Fennville, and all but one of the Pearl patrons will have their mail delivered at their doors. Each family will be required to erect a mail box. This new service will add less than three-quarters of a mile to route three. A petition was circulated to have the mail supply come from Bravo but that office has such a poor railroad mail service and it would be necessary to add more mileage to the Bravo route, so that such a plan would be neither economical or as efficient.

John Whitbeck, 23, returning from a receiving station of Michigan Fruit Canners, Inc., reached for a paper in his roadster and lost control of it one mile north of Fennville. The car went through a ditch and struck an abutment. The car was badly damaged. Whitbeck escaped with minor injuries.

L. Y. Cady, 87, Civil war veteran and resident of Allegan all his life was the oldest man in attendance at the second day of the Allegan county fair, last week. The oldest woman was Mrs. Wilhelmina Beyer, 93, of Allegan, until recently a resident of Hopkins. Mr. and Mrs. Cady won the prize for the oldest married couple and brought with them their marriage license they received 61 years ago. Mr. Cady recited a poem before the grandstand audience on modern parking problems.

Paul Holton of Fennville won the greased pig-catching contest at the Allegan Fair. Arthur Root of Otsego won the porker derby. The pig contests have proven to be wide attractions.

BORCULO

James, Donald and Gordon Kiek-enveldt of Holland have been spending several days at the home of their grandparents, Mr. and Mrs. D. Ten Broeke of Borculo.

The G. Schroteboer family held a winner roast last Friday evening at Port Sheldon. Those present were: Mrs. G. Schroteboer, Mr. and Mrs. Henry Koop and family, Mr. and Mrs. Joe Elenbaas and family from this place and Mr. and Mrs. Henry Grissen and family, Mr. and Mrs. Gerrit Schroteboer and family of Holland and Mr. and Mrs. Gradus Schroteboer and family from Zeeland.

Miss Theresa Wesseldyke returned to Grand Rapids last week after spending a three weeks' vacation. She will accompany her employers to Ottawa Beach where they will spend the remainder of the summer.

Mr. and Mrs. Ralph Bowman, sr.,

and Hermina and Mrs. N. Van Dyke and son of Holland spent Wednesday evening with Mr. and Mrs. John Bowman and family at Borculo.

Rev. and Mrs. H. W. Pyle and family of Overisel, attended the Pyle family reunion at Ottawa Beach last Thursday evening.

Bean picking is in full swing on the John Lankeet farm, and many children from this village go out to pick each day. The beans are much better and heavier than last summer.

Mrs. J. Schipper and daughter, Stella, from Holland, have been visiting relatives in Overisel. Picnics by Overisel folks are becoming quite the common thing in this vicinity and there seems to be one nearly every night in the week. The Senior and Junior Choirs enjoyed their picnic at Ottawa Beach the past week. The seniors on Thursday evening and the juniors on Friday evening. Several Sunday school classes are planning leaving their picnics until some time later in August.

Many relatives from Overisel and Fillmore attended the Kronmeyer family reunion which was held in the Jamestown grove last week. A picnic dinner was served at noon and the afternoon was pleasantly spent in baseball, horseshoe pitching and other games. Officers for the ensuing year were also elected.

NORTH HOLLAND

Mr. and Mrs. Jake Nieboer and children attended church services here Sunday. They have moved from Hamilton and are now living on the farm purchased from John Knoll, sr.

Mrs. Lester Sas has as her guest her sister, Miss Francis Selle of Chicago.

Several people from here attended the services on Sunday evening at First Reformed church at Grand Haven. The services were conducted by Rev. J. Klaaren of Roseland, Ill., who is a former pastor of this place. Rev. and Mrs. Klaaren and children are occupying a cottage at Central Park during their vacation.

Camping Period At Ottawa Beach Is Very Short

MOST PARKS NOW LIMIT
CAMPING PERMITS TO 15
DAYS. HOLLAND 7 DAYS

The Michigan state parks rules and regulations for 1931, as approved by Governor Wilbur M. Brucker, will remain the same as during the past season.

Superintendent of State Parks P. J. Hoffmaster has asked the public to give particular attention to certain of the rules to insure the safety of other visitors at the parks.

A reduced speed limit for motor vehicles on park roads of not more than 20 miles an hour is absolutely necessary and Ottawa Beach park superintendents have been charged with rigidly enforcing this rule, Mr. Hoffmaster said. Park officers have full police powers.

He asked that park visitors riding horseback or driving automobiles, pay particular attention to signs forbidding horses or automobiles in certain areas of the parks.

These areas include picnic grounds, playgrounds and bathing beaches, where people congregate and where horses and automobiles would be a menace to safety.

Caution with fire is necessary. Building or starting fires in the open or in any place except where proper provisions have been made

HOLLAND FAIR REPLACED BY FARMERS' INSTITUTE

The complaint was made by the sheriff's department and the specific instance of the violation of the state game laws cited as of July 28 and divers other occasions in July. The open season is from Sept. 16 to Dec. 31.

or to leave fires while burning is prohibited.

In all parks, except those in six counties, a 15-day limit is established on camping permits. In single park sites in Oakland, Livingston, Macomb, St. Clair, Ottawa and Bay counties, permits to make camp are good for but seven days. These permits may be renewed if facilities are available. This holds camping privileges at the Ottawa Beach Oval to a time limit of only one week.

"London, July 4, 1931.

"Dear Mother and Maude: "This doesn't sound much like the 4th of July—all's quiet on the British front! The American Ambassador is receiving this afternoon and we were invited but we plan to go to Cambridge instead.

I wish I could tell you what wonderful days these are. Everyone is filled to overflowing with inspiration, sightseeing and fun. I must tell you about Thursday. In the morning our guide took us to the British Museum. She is a charming young woman and really knows London. You will be interested in knowing she is the great granddaughter of Charles Dickens. She paid special attention to the Parthenon frieze and some primitive sculpture which suited Ben and me perfectly. We also spent a little time at Westminster.

"But the afternoon reception at Lord and Lady Astor's will be of interest to you I am sure. We met at their town house in St. James Square about three and entered a reception room. This led into a large room where we ascended the staircase to the drawing room. It was an enormous room—the walls covered with a soft gold colored damask. At either end hung two magnificent pieces of tapestry. Below these tapestries were great masses of delphinium and Canterbury bells. In the other rooms great quantities of roses, sweet peas, etc., were used. Lady Astor greeted us here. She is a typical Southern girl, vivacious and charming and altogether irresistible; a perfect dynamo of energy. She asked if we were all "terrible Yankees." Later I told her of our life and sojourn in Kentucky and we talked together about the Blue Grass and her kin there, the Keene Dangerfields. Lord Astor is my idea of a prince. He is a tall, handsome man and very interesting and generous. The Astors are known for their fine hospitality and certainly our afternoon there was altogether delightful.

We heard three famous men that afternoon; first the very well known Dr. Gooch, England's official historian. He made a remarkable summary of European affairs. After this we adjourned for tea or what was really a buffet lunch. A long table extended the length of the dining room and several servants passed tea, lemonade or orangeade. Of course, there was a great array of sandwiches, fancy breads, scones, then cakes and strawberry ice. While having tea, George Bernard Shaw came in. He is a striking looking man, much more commanding and virile than I expected him to be. He insisted, Lady Astor wanted him there not so much to speak as for her guests "to see the animal." He spoke to us in true G.B.S. fashion. Later we heard the famous Dr. Temple introduced as "His Grace, the Archbishop of York." He was terribly dull and dry but was interesting to hear as he will some day be Archbishop of Canterbury.

These weeks have been packed so full of glorious events that I am dizzy. I sometimes think I am in a dream. Write us!

Lovingly,
Mae.

LETTER NO. 3

Toynbee Hall, London,
July 10, 1931

Dear Ones:— We are waiting in the writing room of Toynbee Hall expecting to start on a sight seeing expedition almost any minute. I shall begin a letter knowing how difficult it is to find time for correspondence.

In the afternoon we visited Windsor. We took the bus from London and motored to Eton College. It was interesting seeing the boys on their athletic grounds. You know someone has said the battles of England have all been won on the playgrounds of Eton, meaning, of course, it was there English leaders first learned good sportsmanship, physical endurance, etc. You would have been interested in seeing the boys. They all wore high silk hats and the older boys cut-aways. The younger boys wore the traditional Eton jacket. I wonder how Bob would enjoy going to school in a silk hat? I believe Jay might enjoy it!

On Wednesday we visited Dickens' house. It was especially interesting as Miss Winnie, Dickens' great granddaughter, took us through. She made many worthwhile contributions. She is an altogether charming girl. She told us Dickens was so temperamental no one could live with him.

Later we visited the British Museum, especially to see the manuscripts. The one of greatest interest to us was the Codex or oldest manuscript of the Bible. I should say one of them, for there are two others, one in Russia, one in Rome. They date from the middle of the 5th century. The autographed manuscripts of celebrated authors and musicians were of unusual interest to me. Surely the Museum is a treasure house and one could spend one's life studying all the splendid and beautiful things there. Love to all.

MAE.
FOURTH LETTER
Berlin, July 19th.

Dear Mother:— I will begin a letter to you and try to finish it during the day. We have a crowded day, starting at 9:30 and going until 1:00, then we

HOUSE BURNS WHILE FOLKS ARE AWAY

The home occupied by L. F. Allen and family was the scene of a damaging fire late Saturday night. The fire of an unknown origin had quite a start before the alarm was turned in and the firemen fought the greater part of an hour before the flames were subdued. The police department had men present keeping back the crowd. The house belongs to Albert Wiegierink, Rfd. 1, Holland. The damage caused by fire and smoke is hard to estimate, but will be covered by \$1200 insurance. Mr. and Mrs. Allen and family were on a vacation trip but have now returned to bring order out of the confusion. The home is located on 21st street and Central Avenue.

go from 4:00 P.M. until 10:00 P.M., in fact the program is too full. Some pick and choose, but Mae and I have taken it all in so far. We did not get to Oxford, because I had to go to Holland (I flew from London over the English Channel).

Fortunately we had no hot weather such as you did, in fact it is cold in Berlin. Then, too, it rains most of the time. It usually rains a great deal in London, but the weather was ideal while we were there. Remarkable! I guess, they have much cold weather here and it is often cloudy. In the winter it gets dark at 3:30 P.M. It is like Holland, wet and dark. No wonder there is a sombre cast to the German and Dutch nature.

This morning we are going to the Kaiser's church. It is huge and ugly as are most of the things he produced. But they have fine music and we will try to enjoy that. The church is large and cathedral-like. There is no choir, just congregational singing, like the Christian Reformed Churches in Holland.

We also visited the Museum and saw the part which contains the recent excavations from Pergamum. What was more, there were thousands of people in the Museum and Art Gallery. The German people love Art and Music as children love play.

As you know, the situation financially, and so nationally, is very critical. If German credit is not taken in the Moskau Leather company team of Holland, it to 8. They came from behind to win, scoring five runs in the fifth inning after the score was 5 to 1 against them.

The game, though marred by only one misplay, was a free-hitting contest, the Oils collecting 17 hits and the Leathers 13. Neal Robinson poked out two circuit drives for the winners, sharing batting honors with Bond, the Giants' shortstop, who made two singles and a triple. Hyma had the victors well in hand for the first three innings, but when Bond came through with his triple in the fourth inning, leading to the Giants' first run, he softened and was beaten easily. Bond made some sensational stops in the field.

REFORM PROMISE SAVES ZEELAND MAN FROM JAIL

Douwie Wyngarden of Zeeland was fined \$114 and sentenced to 30 days in the county jail by Justice C. De Keyser on a charge of driving his automobile while intoxicated. Wyngarden was arrested by police after his car had collided with the cars of Frank Brown of Chicago and Fred Wright of Piqua, O., finally halting at the front porch of a house on the street.

Sentence was suspended when Wyngarden promised not to touch liquor for a year. Breaking the pledge will mean 60 days in jail for the Zeeland man.

OTTAWA BEACH CELEBRITIES DANCE WITH THE "COWS AND CHICKENS"

Ottawa Beach is in the height of the resort season with parties, sports, bathing and dances, but the latest for the week is the barn dance with the "cows and chickens."

Novel entertainment and decorations made the dance given Friday night at the Ottawa Beach garage on Black lake, one of the most enjoyable events here this season. The garage was transformed into a night club—a night club that looked like a barn. The barn motif was carried out in every detail—that is almost every detail, for the horses and buggies of bygone days were missing and in their stead were shiny automobiles. A chemical preparation was used on the floor which made dancing pleasant.

Otto, the Ottawa cop, fulfilled the capacity of doorman and also proved his worth as a "bouncer." The tennis tournament trophies were awarded at the dance. Refreshments were sold on the dance floor and music was furnished by the eight-piece Sunnybrook orchestra. Owing to the huge success of this event, the resorters prepare to make this an annual occurrence.

Several delightful dinners preceded the dance, and many were arranged especially for this occasion. Miss Katherine Pantlin entertained with a dinner preceding the dance Friday night, her guests included Inez Hushour, George Whinery and Edward Dean.

Mr. and Mrs. Park Johnston entertained at dinner Friday, following the dance, and many were arranged especially for this occasion. Tom Thoits had a small dinner for his Ottawa Beach friends, preceding the dance Friday.

FINEIS OILS NEGRO BALL TEAM CAPTURES NINTH STRAIGHT BALL GAME

The Fines Oil Colored Giants won their ninth consecutive game at Holland Saturday, when they took in the Moskau Leather company team of Holland, 11 to 8. They came from behind to win, scoring five runs in the fifth inning after the score was 5 to 1 against them.

The game, though marred by only one misplay, was a free-hitting contest, the Oils collecting 17 hits and the Leathers 13. Knoll Waives Examination At Holland

DETHMERS SAYS MOVE CAME
AS SURPRISE TO HIM; HAD
HIS WITNESSES READY

Leonard Knoll, Holland grocer and meat dealer, Friday waived the examination which he demanded when arraigned a week ago on a charge of aid in robbery in connection with the Hudsonville State bank robbery, July 28.

Knoll, with his attorney, Carl Hoffman, appeared before John Gallen, justice of the peace, at 10 o'clock at the city hall, and posted bond of \$5000 in cash. He was bound over to the September term of court, when his plea will be heard.

A large crowd gathered in the courtroom awaiting the expected examination, but were noticeably disappointed.

Fros. Atty. John R. Dethmers said the move to waive the examination came as a surprise to him and that he had his witnesses ready, when the change was announced.

Knoll is charged with having furnished the automobile in which Henry Kraai and John Peters drove to Hudsonville and later escaped with \$4150 from the Hudsonville bank. In alleged confessions by Kraai, Knoll was said to have been paid \$500 for his part in the affair, which Knoll denies.

Kraai and Peters, who pleaded guilty to charges of armed robbery, are awaiting sentence.

Knoll was held in the Ottawa county jail for four days following his arrest, during which time the officers reported him to have been a model prisoner. Peters and Kraai, who pleaded guilty to the charge of armed banditry, are confined in the jail, as is Willis Gillette, the fourth of the quartette, who has pleaded not guilty.

Fair Fennville Girl Marries at Fair

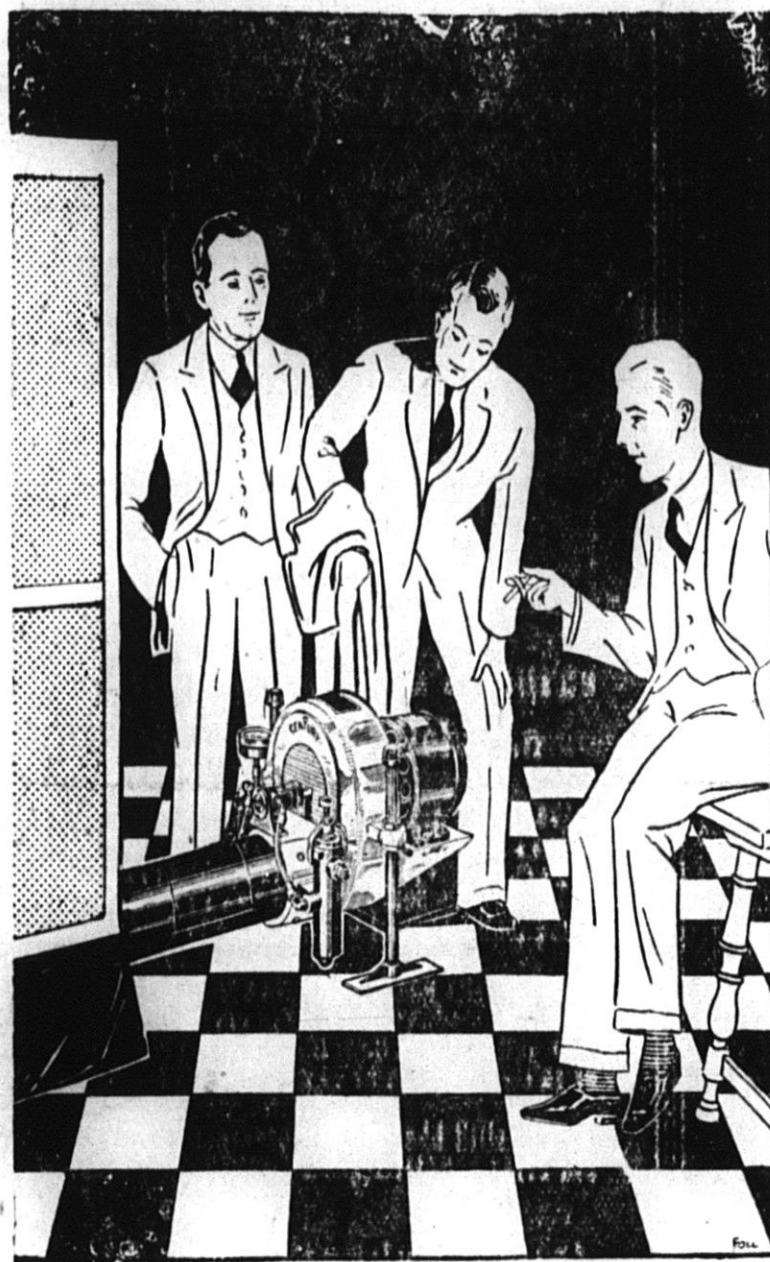

The Allegan County Fair grounds was the scene of a very pretty wedding Wednesday evening, when Miss Ruth Robinson, daughter of Mr. and Mrs. Samuel Robinson of Fennville, became the bride of Mr. Louis Folk of Otsego, in the presence of a very large number of people from all parts of Allegan and adjacent counties.

The bride party took their place on the big stage facing the grandstand while the band played the Lohengrin and Mendelssohn Wedding Marches. Miss Robinson, in bridal white, was attended by Miss Lucille Lamoreaux, in pale green, as maid of honor, and members of the Taylor Style Show group, attired in dainty pastel shades, acted as bridesmaids. Orville Bohnstengel was best man. Rev. W. E. Beckett of Fennville performed the ceremony, following which the newlyweds left for a motor trip to Indiana. The best wishes of Fennville are extended to Mr. and Mrs. Folk for all possible joy and happiness in their journey together through life.

Another feature of the fair in which Fennville people take more than usual interest is the automobile style show, in which Miss Eleanor Hutchinson of Fennville represents "Miss Chrysler," and a fine cup in which \$50 in gold was deposited was given her, she being the winner. They called her "Miss Transportation."

Fennville has still more honor coming to her from the Allegan Fair for Paul Holton of the village won the "greased pig" contest. Paul knows his pigs, grease notwithstanding.

Mr. and Mrs. Jacob De Teyter, Cherry street, and Mr. and Mrs. James Dill of Dallas, Texas motored to Flint for a few days.

An Announcement

The following banks announce that beginning Sept. 1, 1931, a change will be made in the rate of interest on Savings Accounts and Certificates of Deposit:

Interest at the rate of 3½%, payable semi-annually on all Savings Accounts, to be computed on a basis of the largest amount continually on deposit for the preceding six calendar months. This rate is figured when deposit has been left for a period of one year. All amounts on deposit for over three months and less than one year will be computed on a rate of 3 per cent.

Certificates of Deposit will draw interest at the rate of 3½% per annum, if left continuously on deposit for the period of one year. Interest at 3 per cent if left six months.

This action of the reduction of interest on time deposits is in accordance with the resolution unanimously passed by the Michigan State Bankers Association at its last annual meeting held in June, 1931.

It is generally known that because of changed economic conditions since 1929, the yield from good marketable investments has been gradually declining until at present it is the lowest for many years with no sound indication of substantial advance in the near future. As it has been the policy of conservative banks to invest their reserves and a substantial part of their deposits in this type of securities, it naturally necessitates a reduction in interest rates on deposits, which action most of the leading banks of the state and country have already taken.

The undersigned banks have built up their business on Conservative Policies, and our action in reducing interest rates paid on time deposits is in line with the practice of all well established Banking Institutions.

The State Banking Commissioner endorsed the above action in the following words:

"We feel that the change which you have determined to make is based upon good judgment and sound banking principles, as the condition of the security market at the present time and for some time in the past has been such as to render reduction in interest rate most essential. The action which you are taking is unquestionably in accord with safe and sound banking."

Sincerely yours,

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! Harmless as the recipe on the wrapper, mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as the need is. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

The following officers were elected: President, Bert H. Brouwer, Zeeland; vice-president, Dick Brouwer, Oakland; secretary, Miss Tena Lubbers, Zeeland. The reunion will be held every two years hereafter.
