Citizen Sees Gold Harvest In Yacht Trade

ALSO AN AVENUE TO HELP
WELFARE SITUATION
IN CITY

Henry Vander Schel, member of the Harbor board, is much enthused about the yacht trade. He feels that we are neglecting some of the possibilities that would accrue to the welfare of the resorters, business men and welfare workers as well.

The Holland City News does believe that those in charge of welfare work here are elsewhere have a trying task cut out for them, but we also contend that wherever possible these laborers should be put to work on projects that will bring benefit to the city later.

The News has a few projects in mind but so far Mr. Henry Vander Schel, who sends in this contribution, has thought on these questions at least bring the matter in the foreground and undoubtedly many of these suggestions can be followed out to advantage and these thoughts may bring still more suggestions from others.

We believe that wherever possible some constructive building-up of some kind through labor which must be maintained anyway should be provided. These "grass cutting Holland Farm Times" who mow where there is little mowing, who carry the large sycamore but no hour glass, should be set to work on more profitable projects for the city, it would seem.

Of course it is easy to criticize the other fellow from the side lines and that is not intended. However, in some of the suggestions made there may be a few that might work out, thus alleviating a situation where real jobs can be supplied and which we are sure would be more pleasing to laborers who are called upon to do them.

Anyway the suggestions made by Mr. Vander Schel follow.

Black Lake and Its Many Possibilities

By Henry Vander Schel

A golden harvest of dollars is continually being turned away from Holland, because of the lack of proper docking facilities. Time and again our beautiful cruisers come to our very portals, but are turned back because we will not let these boats dock here. It is almost impossible to figure out the amount of money these people would leave with us if only given the opportunity. The requirements of a cruiser are many. Food must be bought; supplies such as gasoline, oil, ice, groceries, meats, bread and a number of other items are needed daily. These necessities are bought at different cities on the party's route. Can Holland afford to pass up this business? The only part required of Holland to obtain this extra revenue is the immediate construction of a dock, with proper signs inviting these people to visit us.

Kollen Park is the logical place for this dock. This dock could be constructed with Holland's welfare labor, and its immediate construction is an absolute necessity. A road could be opened to the dock, giving the merchants of Holland the opportunity to deliver their goods directly to the boat moored at dock. Holland welcomes the tourist coming by auto, but ignores completely the tourist coming by boat. Black Lake is Michigan's wonder-spot and Holland must realize that the wonderful opportunities Black Lake has for us cannot be ignored or postponed any longer.

With Holland's Welfare Labor available at this time, many improvements could be made.

One outstanding improvement which is very important could be had right now, and that is, the operation of a drag-line on the East end of Black Lake. Valuable property could be secured by dragging the mud out of Black Lake and depositing it on the shore. Thus swamps and other low lands could be filled in; a two-fold purpose accomplished, property improved and the lake will be cleaned out. The proper thing to do at this time is that Holland make a complete survey of its shore line and actually see and discover what golden opportunities Holland has passed up. The St. Lawrence Water Way is no longer a dream. When completed, will Holland be able to extend an invitation to the Shipping World to come to us with their ships and unload their freight? To be able to do this, Holland must immediately lay out a carefully prepared program as regards the improvements of Black Lake.

Editor's Note—We might add that Alderman Henry Prins also had this project in mind when he presented the docks project to members of the common council last evening.

DRENTHÉ S. S. TO HAVE A REAL PROGRAM

The annual Sunday School picnic of Drenthe Christian Reformed church will be held at Dozeman's Grove next Wednesday, August 24, in the afternoon and evening.

The program includes singing, a talk by George Schulling, president of the Ottawa County S. S. Association, a baseball game between Vriesland and Drenthe and a lecture on Palestine by Prof. M. J. Wijngraad of Calvin college.

A puppet show which the children feel will be really exciting with animals, Indians and cow-boys will be staged in the near future at Castle Park Duncan Forbes, 9, of Chicago, who is quite an amateur puppet-maker, is head of the preparations for the production. His assistants are Edward Page, Jimmy McLean and Dick Merrill.

BROTHER-IN-LAW OF R. P. DONNELLY HELPS RECEIVE CARDINAL VERDIER

The Chicago Tribune of Saturday contains a picture of Cardinal Verdier, Archbishop of Paris, who is visiting the United States. The picture portrays former governor of New York and once presidential nominee, Al Smith, conducting Cardinal Verdier to the top of the Empire State building in New York City, the highest building in the world. Prominent in the picture is Father Fenelon of Baltimore, who is acting as interpreter. Rev. Fenelon is the brother of Mrs. Bernard P. Donnelly and has made several visits to Holland and has made many friends here. He also spoke before the Rotary Club in Holland on one occasion. He stands high in the councils of the Catholic church.

FISHING IS STILL GOOD AT SAUGATUCK

While Arthur Sawdon and Harry Walker were fishing for white bass in Kalamazoo river at Saugatuck Monday morning Art hooked a catfish, and after playing him for 30 minutes pulled him in and was surprised at his size. He weighed 22 pounds and so far as known is the largest fish caught in the river this season. Apparently this is a "Tom Cat Fish."

MANY TO ATTEND STATE LEGION CONVENTION

The American Legion auxiliary desires to have a large number of representatives at the Legion parade Monday in Kalamazoo in connection with the state convention.

All members of the auxiliary who wish to go are requested to call Mrs. Jean Slooter, phone 9646, for more members go a bus will be furnished at lower cost, it was announced.

The auxiliary has asked members to wear Dutch costumes. Those who wish to rent costumes are asked to call Mrs. C. Van Tongeren, phone 2687.

TWO WRINGING DRY UMPIRES AT PICNIC

The Men's club of Hope church is to hold a picnic at Castle park next week, Wednesday, at 3 o'clock, according to the announcement sent out by Merrick Hanchett, the secretary.

The following can be expected: The sports will start at 3 o'clock promptly, and include golf, swimming, tennis, quoits, besides a "whang" of a baseball game with two wringing dry umpires—Nykerk and Olive. However, no sherriff or political speeches will be permitted.

By this time you will be ready to get on the outside of a genuine Southern style barbecue dinner with all the trimmings at 60c per plate. Remember, you are privileged to invite your friends, and for those desiring transportation, please communicate with Abe Cappon. It is also suggested you park your car at the rear of the Castle.

Let's all join this picnic of fun and incidentally take a final kick at "Old Man Depression." As it is very important to know how many will be present please fill in the reply card and mail not later than this coming Saturday.

BRANDT WILL BEGIN 26TH YEAR AS TREASURER OF FIRE DEPT.

Today, Friday, will mark the beginning of the twenty-sixth year of Mr. Marinus Brandt, of 265 Lincoln avenue, as treasurer of the Holland fire department. Mr. Brandt, who has been a member of the local fire department for 28 years, was elected to the position of treasurer in 1906.

Captains of the group, appointed by the board, are Bert Vandewater, Martin Vander Bie and Mr. Brandt. Other officers now are Lieut. Andrew Klomprens, Secretary Joe Grengvoed and Treasurer Mr. Brandt.

SECRETARY OF STATE AND CONGRESSMAN TO BE AT FISH DINNER

Tonight, Friday, Secretary of State Frank D. Fitzgerald and congressman Carl Mapes will be speakers at the Republican Fish Dinner. The dinner is fostered by the Women's Lincoln Republican club of Ottawa and Kent counties and will be held at Warm Friend Tavern. Mrs. Charles H. McBride, vice president of the organization, states that the program for tonight has practically been arranged.

More than 150 persons are expected to attend the dinner, which will open with the dinner at 6:30. The program will include a musical program. The country and district candidates present will not be asked to speak, however their names will be called and they will be introduced to the audience.

Congressman Carl E. Mapes, seeking renomination, and State Senator Ernest T. Conlon, the opposing candidate, will speak, as will others from Ottawa county, including State Senator Gordon Van Eenennaam.

The club will sponsor a meeting in Grand Haven at a later date.

Miss Marian Den Herder of We-Que-Naw-Bing attended the luncheon Friday given by Miss Ruth Dane for Mrs. Gerrit Nyweide of Long Island, New York, at Grand Rapids.

Hear of Tulip Time Way Over In India

MAYOR BOSCH RECEIVES LETTER FROM JOHN J. BANNINGA

The following letter was received by Mayor Bosch, indicating that our "Tulip Time" celebration has been heard of in the far East, half way around the globe. The letter is self-explanatory.

Rev. John J. Banninga, M.A., D.D., Principal

July 2, 1932

The Hon. Nicodemus Bosch, Mayor, Holland, Michigan, U.S.A.

Dear Friend:

It has given Mrs. Banninga and me much pleasure to read the account in the Holland City News of the preparations for and the observance of "Tulip Week." I believe that the city of Holland has finally come into a right appreciation of her origin and history. I can well remember the time when I was in College in Holland when many of its citizens were rather ashamed of the fact of the Dutch traditions of the town. Now, however, they all seem to appreciate the worth of those traditions. I believe you are rightly making those traditions into an asset, both for the economic and cultural good of the town.

I trust that next year when you again observe Tulip time in Holland you will send us a copy of your illustrated programme. I can assure that we are often with you in thought and we hope that some time we shall be able to be with you in person as well, when you celebrate this special week.

Sincerely yours,

J. J. Banninga.

OLD MAIL CARRIER OF 81 CAN WALK WITH THE REST OF 'EM

Gerrit J. A. Pessink, who has been living in Chicago, but who is moving to Milwaukee, many years ago was a rural mail carrier out of Holland. Gerrit is now in the city and called on the News Staff giving them an example of an "old fashioned" clog and did other things that shows he was as spry as 20 years ago. Gerrit is a great walker and can out-walk most younger men in Holland today despite his age.

Mr. Pessink was appointed Holland's rural mail carrier 31 years ago when there were only two routes and he served with Maurice Luideins now at Crisp.

This week Monday he covered a large section of the route assigned to him 31 years ago as guest of Gerrit Rutgers, present carrier. The routes at that time were much shorter, were covered by horse and wagon and the salary was \$500 per annum. Mr. Pessink left the service many years ago.

Mr. Pessink came to Holland from the Netherlands when a boy of 14 before Holland was incorporated as a city and before the first sidewalk was laid. He was Holland's first fire chief and also followed the bakery trade for years. For many years he and his brother John conducted a confectionery store in the Du Saan's Photo Shop on east 8th street.

BIG BALL AT OTTAWA BEACH IN PROGRESS

The Ottawa Beach garage this evening is the scene of a second annual party fostered by the younger set at the resort. Joe Sanders and his 18-piece orchestra of Chicago have been engaged for the evening. Extensive plans have been made for decorations. The garage resembles a night club and colored lights are used in the decorations. Last year the garage resembled a barn dance scene with cows and chickens and a barnyard complex.

MID-WEEK EXCURSION UNDER AUSPICES OF CHURCH SOCIETY

The Goodrich Transit Company is to give one of its popular mid-week excursions next week Wednesday afternoon on Lake Michigan. The large steamer "City of Saugatuck" will leave the Holland docks at 1:45, returning at 5 p. m. The Christian High School band will furnish the music for the afternoon.

This excursion is given under the auspices of the Eunice Aid society and the proceeds will go to the Christian Schools of Holland.

It will be a splendid outing for the entire family and the trip is very reasonable. Adults, 50 cents; children under 12, 25 cents; and what is more the revenues are devoted to a worthy cause. No doubt folks from Holland and vicinity will take advantage of this mid-week excursion in large numbers, as those who took the three-hour boat ride last year enjoyed themselves to the fullest extent. Tickets can be procured at the Goodrich car offices on West 8th street. Don't forget the date—Wednesday, August 24, at 1:45 p. m.

TWO WILL OPPOSE LELAND OF PENNIVILLE

Announcement has already been made that A. Dubison of South Haven at the last moment became a candidate for state senator against the incumbent, George Leland of Penniville. Since then we learn that Charles E. Willets of Paw Paw is in the race. He is a minister and was active in the abortive efforts to make a "progressive" ticket for county and other officers in Van Buren county.

An unidentified man shot and killed himself on the steamer Illinois Friday when the ship was about two and a half hours out of Milwaukee en route to Grand Haven. As he did not apply for a berth he was not registered on the ship. The man was sitting on the railing when he took a gun out of his pocket and blew his head off. The coroner here was notified.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

A few of our young ladies spent a quiet day at Macatawa Park last Wednesday. It was called the "Old Maid's Picnic." The bachelors present kept at a distance and of course gazed with admiration at the joyous maidens, many not having reached the spinster age.

William DePree's residence at Zeeland is nearing completion. It is a fine home for William and an excellent addition to Zeeland's residential district.

The new postal stage route bill just passed by congress provides a route from Holland to Saugatuck and Douglas by way of Graafschap and Gibson. There will be two mail daily.

Mr. James Koning, Sr., recently superintendent of Fixters' State Factory on River street, and James Koning, Jr., a clerk in G. Van Putten's Sons grocery and dry goods store, are now employed in the store of E. J. Harrington, who is really fortunate in securing such valuable clerks. Note: The G. Van Putten's store are still on River avenue. Joe Fixters' State mill was located where the Scott-Lugers Co. is now located and E. J. Harrington's general store was in the building now occupied by Laughlin's restaurant on East 8th street.

TWENTY-FIVE YEARS AGO TODAY

City Inspector John Ver Schure today served notice on 60 Holland property owners ordering them to replace broken wooden walks with concrete, slabs. Six ranges of men have work ahead until snow flies since upward of five miles of bad wooden walks will be replaced by cement. Eighty cement crossings will also be ordered constructed by the city. Note: It was Holland's change from the old wooden walk to concrete and today there is not a board walk left in the city.

Local milk dealers are talking of advancing the price of milk to 6 cents per quart during the fall and winter owing to the boost in prices of hay and grain. The practice in giving an extra pint with every 50 cents worth of tickets has been cut out.

Dick TeRoller has sold five lots in TeRoller's addition, two to M. Tromp, two to Reuben Tromp and one to Gerrit Klassen.

ANOTHER SCOW EXCURSION REMEMBERED OF FORMER DAYS

Tonight, Friday, the American Legion will give one of those old fashioned flat scow excursions to members of the order and friends. Austin Harrington has donated the use of his scow and tug Togo and the twin craft will be taken for a trip down the lake to the resorts for the evening. The excursion will start from Harrington's Dock at 7 o'clock sharp. Years ago church picnics were held in that way instead of a scow a sailing vessel was used with a tug fastened alongside. It was a slow, but enjoyable trip to "The Mouth."

LEGION BAND CONCERT AT SAUGATUCK

The American Legion band of Holland is giving a concert in the Saugatuck Public Park on Thursday, August 18, between 7:00 and 8:00 p. m., at the invitation of the Saugatuck Post. They have been tendered the privileges of the pavilion for the evening by Manager Weed.

The Eastern Star "Black Box" cast and program for next Tuesday night are on the next page of this issue.

she was seized and demand was made as to where Mr. Winter had placed the church money. The young lady stated that Mr. Winter had deposited it, but the burglar stated that he knew better and just at that juncture a pal called "Lay off her. She knows nothing about it." Then the two pinned her to the floor and chloroformed her.

Shortly after Donald did arrive and found Miss Cunningham on the floor with a towel containing chloroform fastened across her face. He hurriedly gave the alarm and called his uncle, Dr. W. G. Winter, who lives only a few doors away, and he succeeded in reviving Miss Cunningham.

It was discovered that the prowler had entered the home by climbing onto the rear porch and slipping open the screen door. It also was learned that Mr. Winter had neglected to deposit the collection money in a local bank on Monday as is his custom, since he had to go to Jamestown early, but the money was found to be intact. Nothing else in the home had been disturbed.

Neighbors state that they did see prowlers around the Winter home on Monday and one neighbor heard the cry of the young son when the chloroformed girl was found lying on the floor.

Miss Cunningham stated that she lost consciousness soon after the chloroform was applied and knew nothing further until she saw the doctor and the police in the room. Miss Cunningham's home is in Annville, Ky., near the Tennessee line. She was graduated from Hope college in June, 1931.

Miss Cunningham graduated with honors from the local college and was a painstaking and popular student.

Zeeland Editor Travels 13,000 Miles Thru West

HAVE BECOME CONFIRMED MOUNTAIN CLIMBERS. RETURN AFTER LONG VISIT

Editor A. Van Koeveering of the Zeeland Record has just returned from a three months trip through the entire west.

The trip included a seven-weeks stay in Southern California where the editor's two brothers live, Joe, residing at Bialto, and Martin at Glendale. The trip of the editor and his family also included all of the Pacific Coast country west of the Sierra Nevada mountains with its fifty or more cities from Mexico to Canada. They also traveled through the states of Indiana, Illinois, Iowa, Nebraska, Colorado, New Mexico, Arizona, California, Oregon, Washington, Idaho, Montana, Wyoming, South Dakota, Minnesota, Wisconsin, touching many state capitals and principal cities.

Their trips covered a distance of more than 13,000 miles, sufficient to circle half way around the globe, meanwhile escaping all misfortunes of any great consequence.

Although the Lake States received an abundance of rain, the Van Koeveerings saw no rain from the time they left Zeeland on the fourteenth day of May until the writing of this paragraph on the eighteenth day of August having narrowly missed the torrential storms that flooded the Missouri River valley last week.

During their trip both Mr. and Mrs. Van Koeveering have become confirmed mountain lovers as well as mountain climbers, having done most of their traveling among them. The West has, also, many other attractions for them, but they insist Zeeland is still a good place to live.

Besides Mr. and Mrs. Van Koeveering there were in the party their daughters Miss Janice and Miss Marjorie. Miss Janice, by the way, had spent a year in California.

HOLLAND FANS TO SEE CHICAGO CUBS PLAY

A crowd of fans motored to Chicago early this morning to see the Cubs-Boston game, hoping to witness another 19-inning affair such as the one of Wednesday with Chicago winning, 3 to 2. Those from this city now at Chicago are Aldermen Heine Prins, Andrew Klomprens and son, Herman; Sam Plaggenhoef, Neal Plaggenhoef, Marinus Brandt, Dick Brandt, Bert Vande Water, Mart Vande Water and Nelson Plaggenhoef.

COMMUNITY HORSE SHOW

Another horse show is to be held Sunday afternoon, August 21, at 2:30 o'clock at the Boone farms, a short distance north of the Holland Airport on U.S.-31. The Boone Riding Academy is fostering this exhibition and John Boone, riding master, states that this will be a real worthwhile exhibit of horse flesh.

John has a miniature race course on his farm that is in constant use by pupils, old and young, who take riding lessons at this rural academy.

The admission is free and the public is invited and a special invitation is sent to lovers of horses.

CONVENTION OF SCHOOLS FOR CHRISTIAN INSTRUCTION IS HELD HERE

The thirteenth annual educational convention sponsored by the National Union of Christian schools, began its sessions last evening in the Prospect Park Christian Reformed church. A. S. DeJong of Chicago, president of the union, presided. Cornelius Dornbos of Holland was in charge of the song service and the special music, which included a vocal duet by Miss Henrietta Lam and Mrs. K. Bulthuis.

Rev. L. Van Laar, pastor of the Prospect Park church, welcomed the delegates and introduced A. S. DeJong, Chicago, president of the organization. Mr. DeJong called attention to the theme of the convention, "Our Faith in the Christian School Put to the Test." He introduced Rev. Bouma.

The feature of the first session of the convention was an address by Dr. Clarence Bouma of Calvin seminary on the subject, "Our Christian School Fault in the Crucible of the Depression."

Dr. Bouma said in part: "People worry about the finances of our school, but what is being listed in the crucible is not our pocket book, but our faith in the movement. Money is merely the thermometer that registers a man's loyalty to a cause. The depression is the heat under the crucible. Back of our movement is the conviction that our children should be given a God-centered education."

"Money did not build our schools, nor can the lack of money destroy them."

On Thursday afternoon at 1:00 o'clock the session was resumed. Dr. Van Til of Westminster seminary in Philadelphia was the speaker on the subject, "The Antithesis in Education." At this session Rev. W. Hendriksen of Muskegon spoke on "Maintaining Our Distinctiveness in Our Christian Schools."

This Thursday evening Dr. Henry Meeter of Calvin college will speak on "Calvinism as a Vital Force."

Holland entertained the convention in 1930. Last year's meetings were held in Hull, Ia. Approximately 90 schools, with 422 teachers and 13,710 pupils, are affiliated in the union.

HOLLAND TAKES PART IN SAUGATUCK SWIMMING RACES

Plans are being made for the first annual Saugatuck swimming marathon to be staged this week Saturday. The course will be approximately two miles, beginning at the Pavilion dock and finishing there.

Three cups will be awarded. Entries have already been received from Lansing, Chicago, Battle Creek, Holland and Grand Rapids.

"FLY-BY-NIGHT" ORDINANCE PASSES COMMON COUNCIL

For a good many years the merchants of Holland have been hoping to have an ordinance on the statute books that would prevent "Fly-By-Night" firms to come into the city, generally just before Christmas, skim the cream and then "light out" before the tax collector comes.

At last an ordinance was unanimously passed in substance along the lines of a similar ordinance passed in other cities, a copy of which was given by the Holland City News to each merchant some six months ago. There was considerable revision made in this ordinance and the new transient law has been corrected in fully six or seven places, section one, of this issue.

Anyone interested can secure a copy from the city clerk or at the News office.

COMMON COUNCIL NOTES

Inspector Henry Bosch is to get a new Ford car. The old one has been running for 5 years now and the city was given a real bargain in the deal.

The council, through City Inspector Bosch will call in a state inspector to investigate the objectionable odors from the Crystal Creamery Co. This matter has come up repeatedly and neighbors have objected to the butter milk smell.

Heavy truck travel will not go over Seventh street and Pine avenue in the future for the reason that Holland's main sewers are under that street. Heavy traffic will be diverted by the police over River avenue instead. The brick can stand the pressure.

Alderman Prins asked for a light at Columbia avenue and Fourth street near the River front. This is a very dark district. The light will be placed.

The welfare money paid out totals: temporary aid, \$1,024.77; regular, \$1,587.19; total, \$2,611.96, covering a period of two weeks.

The new "fly-by-night" ordinance just passed will be found in full on page 3, this section.

The city will wait a year longer to weather strip the city hall, thus directly saving \$675.

The following primary election inspectors have been named: First, Sam Miller; second, Art Drinkwater; third, Ray Knoohtsen; fourth, William Lawrence; fifth, Abe Postma; sixth, Herman Stegenga.

AN OLD FASHIONED GARDEN

Ten cotton plants are busy blossoming in Mr. and Mrs. John H. Holleman's flower garden on Central Ave., Zeeland. The Hollemans raised them from seed planted this past spring.

The bushes grew to a height of about three feet, carry luxuriant foliage and produce a beautiful cream colored blossom that resembles the hollyhock in appearance, but whose petals have the texture of a lily. Each blossom is open but one day, and at night closes up like a hollyhock. In the process of closing the flower turns pink at the outer edge, and when it is completely closed the entire flower has turned to a deep rose shade.

There have been about twenty-five blossoms so far and the Hollemans expect there will have been about a hundred before the plant ceases to flower. Only three or four blossoms are open each day.

HOPE CLASS OF 1884 - TWO IS STILL INTACT

Hope college class of 1884 is the only one of the institution's first 25 classes still intact. The class consisted of two members and with one exception was the smallest class ever to be graduated from the college. The exception was the class of 1872, which had only one member, Arend Vischer.

The two members of the class of 1884 are Rev. Simon Hogenboom of Sodus, N.Y., and Rev. Gerrit H. Hoppers of Ontario Center, N.Y., who also were graduated from Western Theological seminary in 1887 and have completed 45 years in the gospel ministry.

HOLLAND MAN CELEBRATES HIS 90TH BIRTHDAY ANNIVERSARY

William Kite, 290 West Twentieth st., recently celebrated his 90th birthday. The man was active and well up to a few weeks ago when he was taken suddenly ill and is now confined to his bed.

It was 52 years ago when Mr. Kite brought his family to America from The Netherlands, residing in Grand Rapids for one year, then moving to Grand Haven where they resided for 8 years, after which they returned to Grand Rapids. After the death of his wife, 10 years ago, he spent most of his time with Rev. and Mrs. J. M. Lumkes at Boydan, Iowa. However, for the last 4 years he has been living with Mrs. J. M. Lumkes, 290 West Twentieth st., who is the wife of the late Rev. J. M. Lumkes, former pastor of Fourth Reformed church.

Mr. Kite was a barber by profession and has four daughters, namely, Mrs. J. M. Lumkes, Holland; Mrs. D. Visker, Salem, Ohio; Mrs. A. Hoven, Pringhar, Iowa; and Mrs. M. P. Nienhuis, Route 8, Holland, Mich.

He has been active in religious work in the different cities in which he was located from time to time.

Mrs. Edward Vaupeal, Mrs. Frank Pifer and Mrs. Frank LeRoy entertained Friday evening at the Pifer cottage honoring Mr. and Mrs. Harold Yalke, of Los Angeles, Calif. Twelve guests were present.

New Dock At Kollen Park May Be Built

GAS COMPANY AND COUNCIL COMMITTEE TO CONFER ON TENTH STREET PLANTING

Actual Work Done by Welfare Labor to Be Paid in Cash.

There was considerable doing at the common council last evening and one matter, which has not yet been fully decided, was to pay all actual work done by the unemployed in cash and not in scrip. This has nothing in common with the money paid out for welfare aid. The aldermen have been rather divided upon the best methods but undoubtedly cash payment for actual labor will be the final result. On a subsequent motion by Alderman Steffens, the matter will come up again three weeks from now.

The matter of a conference between the local gas company and the City of Holland regarding the placing of trees on Tenth street, alleged to have been destroyed by gas, will be gone into through a council committee and officials of the company.

Alderman Kleis suggested, supported by Alderman Prins, that the mayor appoint city officials and a committee of citizens living on that street to confer with Manager Berg. The committee appointed by the mayor is as follows: Alderman Kleis, chairman; Alderman Prins, City Attorney Lokker, City Engineer Jack Zuidema, Park Superintendent John Van Braght, S. L. Henkle, Dr. M. J. Cook, A. C. Koppel and Ernest Fairbanks. The mayor is ex-officio member.

Another very important matter came up that resulted in a tie vote. Alderman Prins, chairman of the ways and means committee, proposed that a dock for cruisers and small craft be built at Kollen Park. He stated that piling and timber to build the dock could be secured at a very reasonable rate just now and that welfare workers, under the supervision of Mr. Prins, City Engineer Zuidema and Henry Vander Schel of the harbor board would enable the city to build this dock at a very reasonable figure, thus accommodating the cruisers which enter this port to buy supplies.

It is a well known fact that one large cruiser during a single season purchased more than \$5,000 worth of supplies in Holland.

With the building of this dock Alderman Prins pointed out that the welfare workers would then be doing some real construction work adding property to the city and bringing trade to the city. Some of the aldermen felt, however, that the season was too far advanced and such a project could be started early in the spring.

When a vote was taken it proved to be a tie, 6 and 6. Mayor Bosch decided against Alderman Prins only in so far as to delay the matter to give the aldermen more time to consider and dispose of the dock matter at the next meeting of the council.

Alderman Prins, in opposition to the proposal now before the council, proposed that the dock be built at Kollen Park. For the building were Alderman Kleis, Prins, Henkle, Steffens, Veltman and Van Lente.

Time for Michigan to Act

One of the distressing phases of Michigan's automobile accident situation is the financial irresponsibility of a surprising number of motorists involved. As many as 20 states have enacted legislation which tends to establish responsibility of all drivers involved in destructive accidents on state highways. Four Canadian provinces have pushed forward in protecting their citizens' lives and property by the creation of such laws. Michigan has been desultory in facing the issue and correcting it.

According to a tabulation made by one of the leading insurance companies, only about a quarter of the 22 million passengers automobiles in the United States were insured in 1930 and the company estimates that the number of insured cars this year will show a sharp decrease. Michigan's record in the year the tabulation was made was not as good as the average for the country, our proportion of insured vehicles representing only 18 per cent of the total registrations.

The report is disturbing because it means that the automobile driver is taking a chance with three out of every four cars he meets on the road. It means that he has but one chance in four of obtaining a satisfactory settlement in case of an accident for which someone else is to blame. It is logical to suppose the number of insured cars has decreased this year since so many people disregard the importance of insurance at a time when their own financial background is weakened and when their normal incomes are impaired.

With the curve of automobile accidents consistently rising, it is apparent that every effort must be made to reduce both the frequency and severity of accidents. It is to be hoped that laws compelling an automobile owner to show proof of his financial responsibility will find their way into the statute books of Michigan.

SAUGATUCK PLANS FOR BIG WEEK-END

Large crowds are looked for at Saugatuck this week-end. Saturday will see the first annual swimming marathon on Lake Kalamazoo. Entries have been received from Chicago, Lansing, Battle Creek, Grand Rapids and Holland. Sunday will bring the model yacht races when at least 20 class A models and 15 of the smaller Marbled class will compete. Officer of the day will be Eugene L. Cheney.

A sedan with a horse as passenger passed through Holland on Wednesday. The animal had been coaxed into the machine through one of the side doors; both doors were clamped and the trick worked. The horse was crowded, but the driver experienced no inconvenience.—Grand Rapids Press.

Judge Danhof Announces**IS APPRECIATIVE**

Although it is generally known throughout the county that I am to be a candidate for re-nomination on the Republican ticket for Probate Judge of Ottawa county, I take this occasion to make a formal announcement, asking you for your kind consideration of my candidacy at the primaries in September.

Judges of probate everywhere have been retained in office for many years. In some counties, Kent for instance, Judge Higby has held that position for a score of years. Judge Smith of Keweenaw and Judge Hollander of Kalamazoo county are old experienced judges. One reason for this is that the judge in office is thoroughly acquainted, not only with all the details of an estate, and there are hundreds and hundreds of these, but he knows the legal technicalities surrounding those cases, being thoroughly acquainted with these facts, with little or no chance that injustice will be done the proper and legal heirs to these many estates. A new judge not familiar with these details, is at considerable disadvantage in breaking in new into these technical and legal affairs.

Another phase that needs considerable study and has to do with the probate office is the widows' pension. A judge already in office knows the conditions of such a family and their requirements, and is able to treat them justly, while at the same time safeguarding the taxpayers' money. This at best is a difficult position where much injustice can be done, either to the recipient of a pension, or to taxpayers. My endeavor has been to handle these many cases as justly and equitably as I know how with the information I have.

Another matter in which a judge must act diplomatically, wisely and at the same time justly, is with our delinquent boys and girls. We must punish them to save them, but such punishment should be accompanied with the fullest measure of mercy as this is justifiable according to the case at hand.

There are a great many delicate situations arising in which young boys and girls become involved that are trying even for an experienced judge. Undoubtedly it is for these fundamental reasons, together with a great many others, which arise almost constantly, that probate judges are retained in Michigan and other states for an indefinite period.

It is a position that one must grow into, so to speak, and the legal technicalities are so varied and so many that one must really know the law thoroughly to judge wisely and justly, making decisions upon which there can possibly be no aftermath that might bring legal troubles to those who have interests in estates.

The office of Judge of probate deals largely with matters pertaining to widows and orphans, and if there is one class whose interests should be thoroughly safeguarded and who should be guided aright, it is these.

I take this opportunity to thank the citizens of Ottawa county for their kind cooperation during my tenure in office. If you feel that I have conducted this office as it should be conducted, then I ask you to give my candidacy your earnest consideration.

I thank you.

JAMES J. DANHOF,

Judge of Probate,

Ottawa County.

PROMINENT PLAYERS COME TO HOLLAND NEXT TUESDAY

The celebrated Black Box Players, who have made such a hit at Saugatuck during the entire summer season and have made side trips to nearly every city in this neighborhood, are coming to Holland next Tuesday night and will give an outstanding comedy or rather a group of comedies with dramatic embellishments. The company is out of the ordinary, in fact the cast is so good that WOOD, Grand Rapids, has put them on in broadcasts as a headline feature.

The two Eastern Star auxiliaries of the Masonic Order of Holland are "sponsoring" their appearance in this city next Tuesday night at the Masonic Temple and this unusual cast deserves loyal support. The program follows:

Canaries should be given a little window garden of green. A bit of bird or mustard seed, scattered in a pot or can will sprout in a few days and grow into little plants. Daily, if possible, remove the bottom of the cage and set it over the pot of green. Other things birds love are nasturtium blossoms, cuttle bone and cayenne pepper pods.

BORCULO BAND TO TAKE OUTING

The members of the Borculo band and their families will spend Thursday evening of this week at Port Sheldon. A ball game and swimming will be followed by a wiener roast.

Organized three years ago, the band has been very active. It played nearly every day during the winter, took part in the parade at Holland on Decoration Day, furnished music at Overisel July 4, played several concerts during the summer, including those at the Mission festivals at Hudsonville, Pine Lodge and Prospect park. They have at least three more concerts to play this summer and also expect to play at one of the celebrations near Holland Labor Day. The members have always been very interested in the organization and consequently attendance at rehearsals has always been good. Despite the fact that the farmers are very busy at this time of year Monday night is band night.

With the exception of new members the personnel of the organization is nearly the same as it was when first organized. Bert Brandt, the director, is well pleased with the work done by the band and expects to make it the best band in Western Michigan considering the size of their community.

ZEELAND ORGANIZES DEMOCRATIC CLUB

The newly-organized "Roosevelt-for-President" club opened its campaign in Zeeland at Zeeland city hall Tuesday evening with some forty interested Democrats present. Of the voters attending this opener, almost the entire number enrolled as members of the club and formulated plans for a campaign in this vicinity.

Following a few preliminaries, George Caball was elected permanent chairman of the assembly. Gilbert Van Hoven, secretary, and Marine Barense as treasurer. Attention was drawn to the questions at issue in the coming elections, especially in the Ottawa county primaries a month hence, by William Wentzel, Democratic candidate for Ottawa county circuit court commissioner. Some discussion followed with regard to an effective campaign in Ottawa county. A regular meeting place was offered by D. F. Boonstra which is to be from now on located in the building formerly occupied by the Bettie Furniture company and at the present time vacant.

In addition to the members of the permanent committee, several subsidiary committees were appointed to act in the following weeks. The personnel of the publicity committee is William Wentzel, chairman; Martin Weersing and George Caball, and the membership committee, Dick Boonstra, chairman; Marine Barense and Gilbert Van Hoven. Another committee was appointed from members of the ladies auxiliary with the object of organizing the Democratic women of the community. Chairman of this committee is Mrs. D. Van Bree and the other members are Mrs. M. Barense, Mrs. J. C. Bouwens and Mrs. G. J. Van Hoven. Another meeting will be held Friday evening at the new headquarters. At this and other meetings to follow prominent Democratic candidates will address the gathering in behalf of their party.

AN ORDINANCE

No. 376

Chapter No. 61

To License and Regulate the Sale of Goods, Wares and Merchandise by Transient Merchants.

THE CITY OF HOLLAND ORDINANCES:

(490) Section 1. No person, firm or corporation shall engage in business as a transient merchant, either as principal or agent, within the City of Holland, without first having obtained a license therefor in the manner hereinafter provided.

The term "transient merchant" as used in this ordinance, shall mean any person, firm or corporation engaging temporarily in a retail sale of goods, wares or merchandise and who, for the purpose of conducting such business, occupies any lot, building, room or structure of any kind, including railroad cars; provided, that this ordinance shall not be applied so as to require merchants having regularly established places of business within the city to obtain licenses for incidental or temporary sales or deliveries direct from railroad cars.

No person, firm or corporation, continuing in the same business, shall be required to obtain a second license, providing the stock of goods and merchandise has been assessed for taxation, and the tax has been paid.

WRITTEN APPLICATION REQUIRED

(491) Section 2. Each person, firm or corporation desiring to obtain a license to engage in business as a transient merchant shall make written application therefor to the City Clerk on a form furnished by said clerk.

APPLICATIONS AND SPECIFICATIONS

(492) Section 3. The application for license required herein shall contain the following items together with such additional information as the City Clerk may require:

(a) The full name, permanent residence and local address, if other than the foregoing, of the applicant.

(b) The name of the firm or corporation represented, if any, together with the address of the central or district office of such firm or corporation.

(c) The address of location of the place within the city at which the applicant proposes to engage in business.

(d) A list of general description of the goods, wares or merchandise to be sold or offered for sale.

(e) The length of time for which the license is desired.

(f) Whether the applicant is a licensed transient merchant under the provisions of the laws of the State of Michigan.

(g) Whether the applicant has held a transient merchant's license from the city or has applied for such license previous to the present application, together with the years in which such previous licenses were held or applications were made.

(h) The affidavit of the applicant of the truth of the statements contained in the application, signed by the applicant.

If the business of the applicant shall require the use of weighing or measuring devices, the application shall be accompanied by a certificate from the scales of weights and measures stating that said devices have been examined and approved.

FEE SCHEDULE

(493) Section 4. For each license issued under the provisions of this Ordinance, the applicant shall pay the appropriate fee, according to the following schedule:

(a) Transient merchants having a stock of goods, wares or merchandise valued at \$500 or less:

Per Day \$ 2.00
Per Week 5.00
Per Month 10.00
For 3 Months 30.00
For 6 Months 50.00
For 1 Year 75.00

(b) Transient merchants having a stock of goods, wares or merchandise valued at more than \$500 and not to exceed \$1,000:

Per Day \$ 3.00
Per Week 7.00
Per Month 15.00
For 3 Months 40.00
For 6 Months 65.00
For 1 Year 90.00

(c) Transient merchants having a stock of goods, wares or merchandise valued at more than One Thousand Dollars (\$1,000.00):

Per Day \$ 5.00
Per Week 9.00
Per Month 20.00
For 3 Months 50.00
For 6 Months 75.00
For 1 Year 100.00

The valuation of the stock of an applicant for a license to engage in business as a transient merchant shall be determined by a sworn statement submitted by the applicant at the time of filing application for license. Said sworn statement of value of the stock of the applicant may be subjected, in the discretion of the city clerk, to verification by a valuation of said stock by the city assessor. If the value of said stock of goods, wares or merchandise shall exceed the limits of the schedule class for which fee was paid, at any time during the period for which the license was issued, the license shall be revoked, and the licensee shall be required to obtain a new license, paying the appropriate fee therefor according to the revised value of said stock for the remainder of the period.

FEES, COLLECTION; DISPOSITION

(494) Section 5. The City Clerk shall collect the appropriate fee as provided herein before issuing the license.

(Said fees, deposited by the Clerk, shall be credited by the City Treasurer to the contingent fund of the said city.)

(495) Section 6. Upon receipt of the application, and the appropriate fee, and being satisfied that the applicant is of good moral character, the City Clerk shall issue a license, to such applicant in the form hereinafter provided.

Except as herein provided, no license shall be refused except for a specific reason and for the protection of the public health, safety, morals or general welfare.

No license shall be granted to a minor.

No applicant to whom a license has been refused or who has had a license which has been revoked shall make further application until a period of at least six months has elapsed.

shall have elapsed since the last previous rejection or revocation, unless he can show, to the satisfaction of the City Clerk, that the reason for such rejection or revocation no longer exists.

LICENSE; SPECIFICATIONS

(496) Section 7. The license issued under the provisions of this Ordinance shall be in such form as to contain on its face the full name of the person, firm or corporation licensed, the permanent address, local address, if other than the foregoing, of such licensee, the name and address of the person, firm or corporation, if any, which the licensee represents as agent, and the address or location of the place within the city at which the licensee is authorized to conduct his business. The license shall also specify the class of license issued, the article or articles to be sold, and the dates of issue and expiration. Each license shall bear a serial number.

Each license shall be sealed with the seal of the city signed by the City Clerk.

LICENSE AND APPLICATION RECORDS

(497) Section 8. Upon the receipt of the application for license, the City Clerk shall endorse thereon the date the application is filed. In case the license is granted, the Clerk shall endorse on the application the number and class of the license granted, the amount of the fee collected therefor, and the date of expiration. If the application for license is refused, the Clerk shall endorse the fact upon the application, together with a statement of the reasons for such refusal to license.

Each license issued shall be made in duplicate, carrying the number of the license. The duplicates of licenses, provided in this section, shall be filed in the office of the Clerk.

The City Clerk shall notify the Chief of Police of all licenses issued under the terms of this Ordinance, giving in each case the name and local address of the licensee, the address or location of the place where said licensee is authorized to conduct his business, the number and class of license issued, and the dates of issue and expiration.

LICENSE ACCEPTANCE REGULATIONS

(498) Section 9. Each licensee, upon receipt of said license, and in the presence of the City Clerk, shall affix his signature thereon accepting the license and all the conditions of its use as stated in this or other Ordinances now in force or which may hereafter be enacted by the Council of the City of Holland, respecting the use of said license, and agreeing to the suspension and revocation of said license should any of said conditions be violated.

The following conditions and regulations shall apply to the exercise of privileges granted by licenses issued under the provisions of this Ordinance, in addition to those set forth in other parts of this Ordinance, or in the general ordinances of the City of Holland:

(a) No licensee shall use any weighing or measuring device in the conduct of his business, or have in his possession any weighing or measuring device, unless said device shall have been examined and approved by the scales of weights and measures.

(b) No licensee shall sell or offer for sale any article or commodity purporting to be in quantities of standard weight or measure, whether in original or other packages or not, unless the same shall be actually of the weight or measure purporting.

(c) No licensee shall sell or offer for sale any unsound or unripe or unwholesome food, or defective, faulty, incomplete or deteriorated article or merchandise, unless the goods so represented to prospective customers.

(d) No licensee shall use any noise-making device or employ any runners, solicitors, or decoys to call attention to his wares.

(e) Each licensee shall post the license issued under the terms of this ordinance in a conspicuous location in the place where his business is conducted, where it shall remain in plain sight during the entire time during which said business is carried on.

(f) No licensee shall advertise or hold out that any sale is an insurance, assignee's, executor's, administrator's, mortgagee's, receiver's, or closing-out sale, or a sale of mortgaged goods, or of goods, wares and merchandise damaged by fire, smoke, water, or otherwise, or that the samples which he is advertising or exposing for sale are samples of any goods described heretofore, either as to their condition or the method of conducting the sale, unless he shall, at the time of applying for his license, make and file with the City Clerk an affidavit showing all the facts in regard to the sale which he proposes to conduct, including a true statement of the names of the persons from whom the goods to be sold were obtained, the date of delivery of the same to the licensee, the place from which the same were brought, and all the details necessary to fully identify the goods.

LICENSES, ALTERATIONS, DEFEACEMENTS, ETC.

(499) Section 10. No licensee shall alter, remove or obliterate any entry made on his license, or deface such license in any way, or permit the same to be done.

Each license shall be personal and shall not be transferred or assigned, or used by any other person, firm or corporation.

The violation of the provisions of this section shall be deemed grounds for the summary suspension and revocation of the license in addition to the criminal penalties hereinafter provided.

ADDITIONAL COPIES OF LICENSES

(502) Section 13. Any police officer shall have power to suspend and take up the license issued to any licensee found violating any of the express conditions and regulations under which said license was granted and accepted, and any ordinance of the city. Such suspension shall be reported at once to the Chief of Police and by him to the Clerk and Mayor of the City.

The Mayor of the City shall have power to suspend any license issued under the provisions of this Ordinance whenever in his judgment it is for the best interests of the community to do so, having in mind the welfare, safety and health of the City.

The Mayor of the City may revoke any license for the same causes as above specified, after giving the licensee reasonable notice and an opportunity to be heard.

Violation of the express conditions and regulations under which said license was granted shall be sufficient cause for the suspension and revocation of said license.

In case the license is revoked for violation of the express conditions and regulations under which it was granted, the full amount of the fee paid therefor shall be forfeited to the City and no licensee shall have a right to a refund of any part of said fee.

In case the license is revoked in the exercise of the general power of the Mayor or Council, there shall be refunded to the licensee the amount of the fee paid deducting the amount of the fee earned. The amount of the fee earned shall be determined by applying the appropriate fee in the schedule for the number of days, weeks or months, as the case may be, that the license has been in force.

TRANSIENT MERCHANTS; EVIDENCE

(503) Section 14. A transaction of business as defined in Section one (1) of this Ordinance by any person for a period of less than six (6) months consecutively shall be prima facie evidence that such person was a transient merchant within the intent and meaning hereof.

(504) Section 15. PENALTIES. Any person, firm or corporation who engages in business as a transient merchant, without a license or who shall violate any of the provisions of this Ordinance, shall be deemed guilty of a misdemeanor, and upon conviction thereof by any court of competent jurisdiction, shall be punished by a fine of not less than Ten Dollars (\$10.00), nor more than One

FATHER TAKES SON TO JAIL

An unusual instance occurred in northern Ottawa when the father of Roland Thomas, who was wanted by the sheriff's department for robbing a gas station near Agnew, brought him to jail, delivering him to Sheriff Stoketee. It appears that Thomas of Hudsonville was caught attempting to rob the station in question together with a companion, Jerome Hoek, of Jenison. Officers contend that the two boys were discovered attempting to take a pane of glass out of the oil station by the owner, John Slosiarik and his brother, Joe, who were sleeping there as the station has been robbed several times this year. They chased the boys and John Slosiarik was knocked down when Thomas hit him on the head with a tool, cutting a deep gash over his eye. Joe, who had a gun, shot which only hastened the steps of the fleeing lad. He ran into a wire fence and left a good share of his clothes there and a hat. This was identified by Hoek today, who told the officers the name of his companion.

Hoek was caught by Joe Slosiarik after a chase and brought back to the station where he was put in charge of the father of the Slosiarik brothers, but he got away from the older man and was at large until caught by the officers. "State officers went to the place and then called upon Lieut. Baugh to call out the entire force and the sheriff's department to hunt for the runaways. Cars on the highway were stopped and searched and the woods and river lands beaten. The officers were still hunting for Thomas when his father personally brought him in.

Hoek confessed to the officers that they had a pull and were attempting to get into the station to steal gas. This is the third attempt to rob this oil station this season. Other stations at this location have also been broken into. It apparently is a favorite place for youthful crime as without exception the breaks have been made by boys under 20 years of age. Jerome Hoek, Hudsonville, 18 years old, was bound over to circuit court on charges of breaking and entering following an examination before Circuit Court Commissioner D. P. Pagelen. Monday afternoon, Bonds were placed at \$1,500, which were furnished. Hoek is charged with an attempt to break into the Slosiarik gas and oil station Aug. 10. His companion, a juvenile, will be arraigned in probate court.

Mrs. Henry Prins is in Lansing, the guest of her sister, Mrs. R. Thacher. She took her children, Roger and Elaine, with her.

SMALL FIRE CAUSES BURNS TO ZEELAND FIREMAN

One of the quietest fires on record occurred Monday morning at the home of Mrs. J. D. De Pree at 311 East Lincoln Street, Zeeland, three firemen coming out with the truck to extinguish the blaze without having been summoned by the fire alarm.

The incident happened at about 10:30 o'clock when Mrs. De Pree found her electric range aflame from a pan of lard in the oven. Apparently the wrong switch had been turned on and the oven became so hot that the lard caught fire and Mrs. De Pree, thinking that the fire needed attention from the fire department but not wanting to summon the entire force, sent in a fire alarm for a few firemen and the chemical truck. Chief Clark with two assistants arrived promptly to find the lard still burning. However, when Lester De Pree, one of the two assisting volunteers, applied the chemical agent to the fire, the lard splattered, throwing the blazing grease over his neck and shoulders and inflicting mild but painful burns. His burns were treated at once, the fire extinguished and the firemen returned home.

On Monday afternoon the barn on the farm of Gerrit Blauwkamp, located one mile north and one mile east of Boreulo was destroyed by a fire of unknown origin. All the hay, straw, more than nine hundred bushels of grain and the garage were destroyed. The home was found ablaze also, but the Boreulo fire department saved it from any serious damage. The household goods had all been removed by neighbors, who were quick to aid. Three sons of Mr. and Mrs. Luke Luurtsema suffered burns on hands and arms in assisting at the fire.

Friday afternoon the Boreulo fire department was called to the farm of John Vanden Bosch located one and a half miles south and one mile west of Boreulo when the barn and contents, together with two stacks of oats, were destroyed by fire. The cattle had just been brought in for the evening milking and two cows and two heifers unable to free themselves were burned, while another cow which had escaped was so badly burned that it had to be killed. Help from three threshing crews in the neighborhood assisted in saving the granary and henhouse. Origin of the fire is unknown.

FIFTY-PRIZE SPECIAL

IS STILL GOING ON
A special contest put on by the Kroger stores, including those in Holland, is going merrily on. As has been announced repeatedly, there are 50 prizes, including one automobile, and the prize merchandise upon which will be the regular price can be found in their food announcement this week. Any of the four Holland stores can give full information.

FIRE AT FOREST GROVE FARM CONSUMES SEVEN BUILDINGS

Fire Friday destroyed the barn and six smaller outbuildings on the farm of John Cotta of Forest Grove just as his threshing crew had finished the afternoon's work. The flames were discovered in the newly threshed straw stack but before they could be extinguished the fire had spread to the barn and from there to the smaller buildings. Attention was immediately directed toward saving the threshing equipment, the property of Steven Nederveld, which was still in the barn and very prompt work made this possible, only a few of the ropes on the separator being burned. Other machinery for the most part was lost. The Forest Grove and Jamestown fire departments had been summoned but arrived too late to save the barn and the other buildings and the combined efforts of these departments saved the house from being razed.

How the fire originated is unknown although it is thought in some way to have started in the blower of the separator since the straw stack was the first object discovered to be afire. The loss, however, is covered for a large part by insurance and Cotta expects to rebuild his property as soon as possible. Since his occupation of the farm this is the third fire there, his barn having been destroyed four years ago and the house ten years ago.

GOSPEL MEETINGS AT GOSPEL TENT AT ZEELAND

Gospel meetings are being held in the Gospel Tent on Washington street near State street, Zeeland, this week.

Rev. P. Dekker of Belgium is the speaker and has chosen for his topic tonight, "The Thing Every Man Must Do." On Friday night he will speak in the Holland language on the theme, "How a Seeking Soul Found Peace."

Everybody is welcome. Special music, good song service and a stirring, timely message.

NOTES OF SPORTS FOR THE PAST WEEK

City League Standings

Team	Won	Lost	Pct.
Holland Boosters	8	2	.800
Mosser Leathers	8	2	.800
Pure Oils	8	2	.800
Phillips "66"	3	6	.333
Gulf Gas	2	8	.200
Dutch Boys	1	10	.091

Three of the city ball clubs are tied for first place in the league, because the game between the Mosser Leathers and the Pure Oils was called in the eighth inning last week, Thursday, with the score standing 4 and 4.

Each taking seven hits, the Boosters nosed out the Phillips "66", 3 and 2.

The Gulf nine broke away for five runs in the sixth inning to defeat the Dutch Boys, 9 and 3.

Two errors in the eighth inning on the part of the Boosters, who were battling the Mosser Leathers, turned a possible victory into a defeat, 7 and 8.

The Pure Oils shut out the Dutch Boys to take a 6-to-0 victory.

An early lead by the Phillips was soon evened by the Gulf Gas and the game stood 4 and 4 when darkness ended the contest.

Games Scheduled for the Coming Week:

Friday, Aug. 19, Mosser Leathers vs. Gulf Gas.

Saturday (prelim at 1 o'clock)—Dutch Boys vs. Phillips.

Monday, Aug. 22—Mosser Leathers vs. Phillips.

Tuesday, Aug. 23—Boosters vs. Dutch Boys.

Wednesday, Aug. 24—Pure Oils vs. Gulf Gas.

Thursday, Aug. 25—Dutch Boys and Mosser Leathers.

Sunday afternoon, Aug. 20, the House of David will appear again in Holland to play the Mosser Leathers.

Bob Hagen, former pitcher for the Michigan-Ontario league and Kalamazoo college, will be hurling for the Bearded nine. Eddie Deal will take the receiving end of the battery. Deal has caught for the Long Hairs for five years.

Among the other stars of the club are Tommie Dewhirst, I. I. manager, and known as the Babe Ruth of the House of David; David Harrison, 3b, with a batting average of over .400 during fifteen years' membership at the House; Bob Dewhirst, rf., leader of the House of David ladies' orchestra, and Chuck Faucett, captain of the Michigan State ball club.

Larry Hyma, who pitched against the Philadelphia National Leaguers last Monday in Grand Rapids, will be twirling for the Leathers. Roan, formerly with the Muskegon Reds, will catch.

The big feature starts at 3:15 o'clock.

The International Olympics are over, but Zeeland is planning a field day that will rival the California fete in interest to local enthusiasts. Athletes from the vicinity will come together for the contests Wednesday, Aug. 24.

George Cabal, general chairman, announces that contests will be open to boys and girls, young and old, in the resident and non-resident classes. Races, high jumping, broad jumping, horseshoe pitching and many other events will feature the day, besides a grand tug-of-war.

Clubs from Jamestown, North Holland, Vriesland, Zutphen and Forest Grove have entered the baseball tournament.

The program will open at 1:30, preceded by a parade by the "kiddies" displaying their best dressed dolls and dogs with prizes at stake.

In the evening there will be a free band concert and an open-air "movie."

This is the third annual affair. The field day is backed by the Zeeland Chamber of Commerce and the local merchants are furnishing prizes in merchandise for first and second places in the contests. More than 200 entries, including boys and girls, are expected.

ALLEY RATS DIVIDE WEEK'S GAMES

The Alley Rats split even in two games last week, defeating Allen Radios of Holland 3-0 in which the visitors got only three hits off of Boschma's delivery.

The Forbes Stampers showed a better brand of ball and walked off with a 5-1 decision. The batteries were: Forbes-Peterson and Meyers; Alley Rats—Boschma and De Weerd.

The next contest for the locals is a game at North Holland Friday.—Zeeland Record.

A Business Education is a Lifetime Investment

Only a few of the hundreds of our graduates are now out of a job. The vast majority have kept right on earning through this depression period. They are daily drawing dividends on their investment in business training, and will continue to do so through life.

All past experience shows that in the business cycle good times have always followed bad times.

Alert and ambitious young men and women will recognize that now is the time to prepare themselves for the opportunities which will be afforded by a business revival. Definite signs of this business upturn are reported by the press daily.

Complete Business, Secretarial and Accountancy Courses—Teachers with Business Experience—Placement Service. Lower rates in effect for the school year opening Sept. 6.

Call at the office to see our placement lists and for complete information on Saturdays from 2 to 4 and 7 to 8 p. m.

Cabbages By The Car

Over 10 acres of cabbages are being raised on the Todd Campana farm near Pennville and 30 acres of the early cabbage are being marketed, carloads being shipped to New Orleans, New York City and Wheeling, West Virginia. Tomatoes are raising many acres of pepper and eggplant as well as celery and other vegetables. With the exception of the hay all crops are raised on shares on the Todd farm.

FROGS MUST BE SORTED

ALL ACCORDING TO SIZE

In keeping live frogs for purposes of study it is necessary to sort them according to size and to see to it that those put in one receptacle are all of about the same size. If this is not done the smaller frogs are likely to disappear because of the cannibalistic tendencies of the larger ones.

Holland Man Interested In Musical Device

NEW DEPARTURE BRINGS
VOLUME TO FIDDLE
STRINGS—ATTRACTING
MUSICAL WORLD

Chester L. Beach of Holland who has been associated with music and musical instruments most of his life, has now become identified with a new departure in the musical world that will do much to enhance the instrumental, artistic effect, especially as this relates to instruments in the violin class.

The new invention, which, of course, is a secret, is an electrical device which enlarges the tone of string instruments, in fact amplifies them without detracting from the pleasing sound so appealing on an instrument of the violin class.

As everyone knows there is only one kind of violin playing and that is good. There is no mediocre performance for the instrument is so sensitive in tone that anything less than good is poor. Be that as it may the instrument in question enriches as well as amplifies the tone of violins, violas and cellos.

Mr. Beach is associated with Celest Noel and Harry Yelder of Grand Rapids and at their invitation nearly 100 music lovers of Holland gathered at Warm Friend tavern to listen to a musical program played by the Kleynenberg quartet of Grand Rapids. The program was indeed pleasing, surprising and delightful to the Holland audience.

No details of the construction and operation of the electrical device, on which patents are pending, have been released. Mr. Beach said, however, the principle of the apparatus centers about a small electrical receiver in proximity with the strings of violins, violas and cellos which transmits the vibrations of the strings directly to a special loud speaker, resulting in deep, mellow musical tones.

Mr. Yelder, radio engineer who has had a long musical career, has been active as a technician in bringing the device to its present development. Mr. Beach explained the same principle was being applied to the piano and organ.

Although others have made experiments along other lines in an attempt to gain the end perfected here, the local device is the first to be finished successfully, Mr. Beach stated.

"In a magazine issue of 1931 appeared a statement by one of the world known directors of symphony orchestras to the effect that electrical instruments offer the real scientific method of musical production and with greater possibilities," it was pointed out. This director stated he was looking forward to having an orchestra made up entirely of artists playing electrical instruments.

"There has been no field that has shown a greater conservatism in development than has the music industry. There has been no outstanding improvement in staple musical instruments for a long period, measuring back centuries in some instances. Improvements have been made in the refinement of the physical media by which music has heretofore been entirely produced.

"The achievement shown in production of violin music by the Kleynenberg quartet indicates the advent of a new era. The instruments have been heard and played by many outstanding artists and have been pronounced not only musically acceptable, but desirable on account of the wealth of volume and richness of tone quality they offer.

"There is no sweeter music than that of the violin, but the violin has been more and more handicapped, owing to its limited carrying power, by the great volume of brass instruments. The new violins are not designed to replace the old, but are planned rather to afford facilities beyond the limitations that have heretofore existed.

"In fact so notable is the contribution by the new instruments that new scores can now be written by composers, recognizing and utilizing the potency of this addition to the music field," Mr. Beach declared.

An hour's concert was offered by Bert and George Long Smith, violinists, and George Long Smith, violonist, and Peter Kleynenberg, cellist.

**RED AND WHITE DEER
IN STATE**

Merle Anderson has reported that there is a buck deer, half white and half red, roaming the woods near Newberry, Mich. Although an albino deer is seen occasionally in Northern Peninsula woods, this is the first time so far as known, that a deer answering this description has been observed.

According to Mr. Anderson he was motoring with friends about two miles south of the Two Heart life saving station when they came upon the red and white deer. They stopped and watched it for about 10 minutes, he said, and it paid little attention to them, apparently not minding their presence at all. He described the buck as having red back legs, upper neck and head but otherwise being white.

Coopersville is to have a "homecoming" August 24 with horse races, good music, picnic sports and George Welsh, candidate for governor, as the "head liner" of the day.

Mr. and Mrs. John Van Landegem of Muskegon motored to Holland and were the week-end guests of Mr. and Mrs. James DeYoung, West 11th street.

Mr. and Mrs. Leon Boylan of Detroit spent a fortnight with Mrs. Boylan's mother, Mrs. Mary DeGraaf, West 15th street.

Holland Boys Go 175 Miles in Canoes

Holland boys, together with the head of the Ottawa-Allegan Scout Council, Peter Nord, also of Holland, had rather an eventful trip from Big Rapids to Muskegon. They made the trip by canoe, floating downstream. It is evident that the mileage on a river with its endless bends and turns is much longer than a similar trip by rail or highway. The distance from Big Rapids by rail is only 61 miles; however, the Muskegon river trip negotiated by the boys was 175 miles. The trip was made without a mishap, except for a few repairs had to be made where snags and rocks had made contact with the canoe.

The cooking for the party was done by members of the group under the supervision of Isaac De Kraker, Scoutmaster of Troop 7 of Holland.

On the second day out, rain was encountered, but it failed to retard progress of the crew. At Hardy dam the members of the party experienced the hardest portage. Below the dam a number of the boys enjoyed fishing. Fishing throughout the trip was unusually good and catches of bluegills, sunfish, bass and wall-eyed pike were made.

Wednesday was spent fishing and exploring the Little Muskegon river. Thursday the trip continued on the Muskegon to Newaygo. The outskirts of Muskegon were reached in safety.

Members of the canoe crew were Hugh De Pree, Ben Grose, Neil Addison, Robert Swartz, Morrie White and Lesdera Kenneth Gross, Isaac De Kraker, Chester La Shagway and Peter H. Norg.

WINTER APPLES BRING GOOD PRICE

From all reports only one-half as many Michigan apples will be produced this season as were last year. This is the off-bearing year for Baldwins, Spys, and some other varieties. A light set and plenty of moisture will cause the fruit to be larger, and better control methods should result in fewer worms. A fair crop of early varieties—Transpans, Astrans, Sweet Boughs and Duchess of Olden—are now moving to market, mostly by truck, and are bringing from 65c to 75c per bushel.

Missionary Society Dis- bands After Half a Century

The Women's Missionary Society of the First Reformed church of Zeeland has just celebrated its fiftieth anniversary. The society was organized May 19, 1881, under the pastorate of Rev. N. M. Steffens, who was in charge of that church from 1878 to 1882, and who later came to Holland, organized the First Reformed church after the secession and became head of the Western Theological seminary.

The first meeting of the society was held at the home of Mrs. F. Benjamins and the society's first officers were: Mrs. N. M. Steffens, president; Mrs. A. Van Bree, vice president; Mrs. P. Benjamins, treasurer.

There were thirty-two charter members of the society, all of whom have died. The society gathered \$156.42 the first year. It has recently disbanded and the remaining members have joined with the Ladies' Mission Circle, which is a strong organization working with the same purpose in view, advancing the cause of missions. Mrs. J. Schipper was the last secretary.

PIGS DO ENJOY A FEAST OF TROUT

Humans are not the only ones who enjoy a good trout dinner. Recently Charlie Corbin and a friend were at Charlie's place on the Little Manistee. Charlie is no mean angler and neither is the friend in question. They fished hard and managed to get four or five nice fish, one of them being a rainbow over 20 inches.

Under the cabin they had a big cake of ice. On top of the ice they placed the fish and covered fish and ice with bags. Then they went back into the barn where they were, but thought nothing of it for a time and then investigated to see the last of the fish being consumed by one of the porkers. More than that, they had eaten a cake of soap as a relish.

MARRIED AT PARSONAGE

Grand Haven Tribune—Miss Wilhelmina Hiler, a daughter of Mr. and Mrs. Roland Hiler, was married to Arthur Clink of this city in a simple wedding service which was read by Rev. Fr. Hyland at St. Patrick's parsonage. The couple was accompanied by Miss Genevieve Cook and Harold Bloom of Holland. The couple departed for a wedding trip to Chicago and Batavia. They will return to make their home for a time at the home of Mr. and Mrs. Hiler. Mrs. Clink graduated from the local high school last June. She was one of the charming entrants in the 1932 contest at the Grand for the title of Miss Grand Haven.

CHIEF LIEVENSE WILL ATTEND STATE CONVENTION

At the meeting of the board of police and fire commissioners Monday evening it was decided to have Chief Peter A. Lievens attend the annual convention of police chiefs of Michigan in Traverse City Aug. 29, 30 and 31.

Fire Chief C. Blom, Jr., reported the new small-sized hose purchased recently had been used with success in drills.

A permit was issued to Bernard Sternberg for the erection of a house and separate garage at 164 West Twenty-seventh street at a cost of \$3,200.

Days We'll Never Forget

EAST SAUGATUCK GIRL SHOT BY BROTHER; DIES

An unexpected tragedy occurred south of East Saugatuck at the home of Mr. and Mrs. Gerrit Ortmann Sunday when John, a son of 13 years, shot and killed his older sister, Alice, aged 17, with a shot gun, which he did not even dream was loaded since it had not been used for years.

The boy had taken an old shot gun from the wall and pointed it at his sister "for fun," it is stated. John Keen, 14, a neighbor boy, was a witness and verified the shooting. The gun had hung on the wall of the kitchen five years unused. A week ago, Mr. Ortmann said, he had taken the gun down and loaded it to shoot crows that were bothering and killing his chickens. He did not fire it, however, and replaced it on the wall still loaded.

The way the story is told Miss Ortmann was standing near the doorway between the living room and the dining room when the charge from the gun struck her, the shot entering her right shoulder and tearing away part of her face and neck. The boy was standing in the doorway between the kitchen and the dining room, the two being about a dozen feet apart.

The girl when shot staggered in the direction of her brother, who was stunned and nearly crazed to see what he had done, unknowingly of course. He was so frightened by the terrible accident that he ran to the barn where he was found, but not until he and John Keen had run across the way to a neighbor. Herman Ortmann, uncle of the girl, gave the alarm.

Coroner C. K. Benson and Sheriff Guy Teed investigated the case and pronounced the death accidental.

Funeral services for Miss Ortmann were held yesterday from the home and at 1:45 o'clock from the East Saugatuck Christian Reformed church. Rev. H. M. Van Der Ploeg officiated.

The survivors are her parents and brother, and a grandmother, Mrs. T. Brink of East Saugatuck, an uncle and aunt, Mr. and Mrs. John De Boer, West Eighteenth street, Holland.

He Shoots at "Hawk"; An Eagle Falls Dead

Farm Boy, Near Lowell, Trying to Protect Father's Chickens, and Succeeds

Marvin Briggs, 14-year-old farm boy living near Lowell, Mich., shot at what he believed to be a large hawk the other day and brought down an eagle with a wing spread of six feet.

Marvin told Evers Wolf, state conservation officer for Kent Co., that his father had been missing chickens from time to time and that he had suspected a hawk to be the culprit.

Accordingly when he saw a large bird dive from the sky just before noon, pick up a three-quarters grown goose, carry it a short distance and alight again to feed upon its prey, he thought it was the hawk, ran for his shot gun and killed the bird. He said he didn't even know what the bird was after he had killed it until William Van Vorst, a local nature student, identified it as an eagle.

The eagle is protected by Federal law but Wolf said he did not think the boy should be prosecuted since he was certain he did not know he was shooting an eagle and, moreover, he was shooting in defense of property.

HOLLAND FOLKS TO BE PROMINENT AT LEGION CONVENTION AT KAZOO

Some 10,000 delegates and visitors are expected to crowd Kalamazoo hotels and other lodging places during the annual convention of the Michigan department of the American Legion and women's auxiliary Aug. 21, 22 and 23.

Holland will send its delegation from the Willard G. Leenhouts post and officers from this city who stand high in the councils of the state will also be present early.

The American Legion band of this city will be present on the day of the parade and in the band contest.

Prominent at the convention from Holland will be Al Joldersma, who is now state financial officer of the Legion, and will undoubtedly hold that place for another term.

Former Mayor Earnest C. Brooks who is candidate for congress on the Democratic ticket, is also one of the delegates from the city of Holland.

Mr. Joldersma has also been mentioned as one of eight others in the state for vice commander of the Michigan Legion. He is a delegate to his candidacy was being advanced without his knowledge.

Zeeland also has prominent folks at the convention. George Meengs has been named alternate committeeman at the Fifth district meeting, and Mrs. Johanna Banhoff of Zeeland is a candidate with three others for state treasurer in the women's auxiliary.

The delegates from Holland to the convention sent by the Willard G. Leenhouts post are Commander Jacob Bultman, Albert Van Lente, Marinus De Fouw, Earnest C. Brooks and Al Joldersma.

The delegates for the women's auxiliary to the convention at Kalamazoo are Mrs. Nellie Stanaway; committee-women from district No. 5, Mrs. Peter Slagh, president of the Holland auxiliary, and Mrs. Ben Roos.

Registrations for both legion and auxiliary visitors will open Saturday, Aug. 20. The Twenty-Eight society and the Eight-and-Forty society will have their annual meetings, initiations and social sessions Sunday.

The auxiliary will open its state convention Monday, Aug. 22, and the legion will convene for its first session at 1:30 p. m. Monday. The annual convention parade will be at 10:30 o'clock Monday.

Governor Brucker and Senators Vandenberg and Couzens will be guests of the legion at the convention.

ZEELAND COWS MAKE GOOD SHOWING

According to the report of R. G. Wyant, tester of the Ottawa Dairy Association, three Holstein cows owned by Keppel Bros., Zeeland, top the high record for the month of June, both in milk and butterfat production, though not in percentage of butterfat. The first produced 2460 pounds of milk and 73.8 of butterfat; the second, 1770 pounds of milk and 70.8 of butterfat, and the third 1983 pounds of milk and 67.4 of butterfat.

The Keppels are also the owners of the medium high herd with a record of an average of 54.4 pounds of butterfat.

Mrs. L. Mulder, Mrs. Cornelius Hulsenga and B. A. Mulder motored to Grand Rapids to call on Mrs. Henry Geertlings, who is confined at Blodgett hospital after a serious operation.

Judge Miles Sends Boys to Jail and Study

YOUNG BURGLARS MUST READ
JOHN RUSKIN AND WRITE
ESSAY AS PART OF
SENTENCE

Dale Charter of Grand Rapids and David Char of Ada stood before Judge Fred T. Miles on "sentencing day," to receive sentences for breaking and entering in the night time a gas and oil station at the junction of US-31 and M-50, near Agnew, July 21, which they confessed attempting to rob shortly after the offense.

Both boys are 19 years old and this is the first time they have been in trouble. Attending high school, they were out camping on the Oval for a summer vacation when they fell into mischief which terminated when they appeared before the judge charged with a serious crime.

Judge Miles spoke seriously to the boys before sentencing them to 15 days each in the county jail with a probation period of two years and the payment of \$36 damages to the owners and court costs and probation costs of \$3 per month.

During the time the boys are in jail they are to read a series of orations that Judge Miles has provided, and then write a 500-word review of one of them telling why it was chosen and which of the several were liked best. Also a quotation from John Ruskin, on the meaning of education is required to be written out and sent to the judge. He cautioned the boys against asking any help from teachers or older people in finding the selection. He evidently believes they will have to read considerable of Ruskin before they find the message.

He advised the boys to keep on with the high school and then continue going to school where the parents directed without a demerit. If they failed to comply with the parents wishes the boys will be brought back to court and sentenced. They must report each month to Jack Spangler, probation officer and will appear in court twice a year to tell how they are behaving.

Judge Miles said he believed they were above the usual type that gets into such scrapes and therefore he was giving the boys an opportunity of going straight. He called attention to the worry and heartache they caused their parents and said they could not understand this fully until they themselves were fathers.

FISH DELIVERED TO MARKET BY AIRPLANE

Lake trout and other desirable commercial species caught along the north shore of Lake Michigan are now being sold in the Detroit markets the same day through an airplane service inaugurated last week.

Freshly caught fish are being transported by airplane three times a week this summer from Rexton to Detroit. The air trip between the two points required but three hours and fish taken from nets in the morning at Epoufette and other fishing villages along the Lake Michigan shore in the upper peninsula may now be served on Detroit supper tables the same evening.

The fish-transport, piloted by R. Johnson of Muskegon, is a Stinson Senior and approximately 1,000 pounds of fish are being carried to a load.

HOLLAND MISSIONARIES WILL BE FETED AUG. 8

Third Reformed church is planning a farewell service Sunday evening, August 21, for Rev. and Mrs. Harry P. Boot and Rev. and Mrs. Gerrit D. Van Peursen, Reformed missionaries, who have spent the larger part of their furlough in Holland.

Mr. and Mrs. Boot expect to return next month to the Amoy mission in China, where they have served for 29 and 24 years respectively, and Mr. and Mrs. Van Peursen will return to their field in Arabia, where they have been stationed since 1910.

MARKET BANNED FIRST AUTO AFTER IT "SCARED" HORSES

The automobile once was classed as a public nuisance and barred from the Grand Rapids municipal market because it scared the horses. Frank Baldwin, Kent County orchardist, recalled the incident, as he was the owner of the automobile which was officially barred from the market in 1912 by a special resolution adopted by the old common council. The order was carried out for one day only, as Baldwin pleaded the automobile's case before the council and won its consent to drive the car on the market provided he made no deliveries of fruit with the vehicle.

It took a lot of arguing, the orchardist explained, to induce the council to rescind its prohibitory resolution and instruct the market master to permit an automobile to enter. The market master was said to be "set" against the order because the chugging, puffing motor car among 500 horse drawn vehicles caused horses to rear up, back wagons over the sidewalk or run away.

The superintendent's stand on motor cars was popular among the farmer-patrons and hucksters, who agreed that automobiles were a public nuisance.

Permits for garages were issued to Henry Kleis at 251 East Thirtieth street; C. Weatherbee at 283 East Eleventh street, and Cornelius Van Harn at 120 West Twenty-seventh street. Peter F. How the Gas Refrigerator Pays for Itself

By making possible a saving each day in the cost of foods, the GAS REFRIGERATOR soon pays for itself. This is not a mere catch phrase, but an actual fact proved by comparison with other makes of refrigeration.

Formerly, where meats, fruits and vegetables could keep fresh for only a day or two at best, they remain perfectly preserved in the Gas Refrigerator for days on end. Left-overs may be used with no loss of flavor. All perishable foods can be purchased in larger quantities (at a lower price), and stored in the roomy food compartment.

The operating cost of the GAS REFRIGERATOR is not only lower than other automatic refrigerators, but less than any refrigerator. You owe it to yourself to get the facts on GAS REFRIGERATION.

ART KASSEL AND HIS "KASSELS IN THE AIR" TO BE AT SAUGATUCK

Art Kassel, popular Music Corporation of American maestro, who brings his famous radio and recording orchestra to Big Pavilion, Saugatuck, starting Monday, Aug. 22, recently wrote a popular song that has been adopted as one of the official numbers of the 1933 Century of Progress, which will be held in Chicago.

The song called "Where Will You Be in 1933," was first sung and played during a broadcast over WGN, the Chicago Tribune station, a few weeks ago and became a hit almost overnight. Shortly after the number was first introduced on the air, officials of the Century of Progress conferred with Mr. Kassel and announced that the song would be officially adopted by the fair.

Aside from being a composer, Kassel is a talented musician, orchestra leader and arranger. His own arrangements of many popular numbers, including "St. Louis Blues," have attracted a great deal of attention.

OTTAWA COUNTY FARM NOTES

By C. P. Milham

County Agricultural Agent

The following 4-H Dairy Calf club boys will represent Ottawa county in the dairy judging contest at the state college Aug. 22-23: James Kelly, Howard Irish, Jr., Floyd Heckel and George Vander Veld from Coopersville; Victor Johnson and Edgar Antvelink from Tallmadge; Bernard Van Huizen from Allendale, and Harvey Davern from Conklin.

The above boys have studied dairy judging and placed highest in contests arranged by Agricultural Agent Milham. In addition two handicraft boys and ten crop club members, who will be selected this week, will represent the county. Winners in Lansing are entitled to enter the contests at the state fair.

What is wheat worth when fed to live stock? How much will live stock pay for each bushel of wheat consumed?

Results of feeding experiments conducted in Kansas, Ohio, South Dakota and Wisconsin show that it requires an average of 463 pounds of wheat to make 100 pounds gain of pork. If this is true when hogs are selling at six cents a pound they will pay the farmer 78 cents a bushel for the wheat consumed. Wheat marketed through poultry, dairy cattle or hogs will bring much more money to the wheat growers than selling in the grain market.

A bulletin on feeding wheat to live stock is available from the agricultural agent's office free to anyone who wishes it.

State police Sunday arrested Jay Emmenga, 26, of Grand Haven, charged with leaving the scene of an automobile accident. It is said his automobile struck Eugene Dreefe, 17, of Ferrysburg, Saturday night. Dreefe, who was walking on U.S. 16, west of Spring Lake, sustained cuts on the face and back and an injured leg.

Matthew Flynn, an Allegan barber, is exhibiting a land turtle on which he carved his initials in large letters 81 years ago. On the back lightly scratched were his initials and those of his brother. The latter are very faint, but the letters on the under shell are very plain and have grown with the turtle. Flynn states the turtle must have liked his surroundings as it was found near the place where he first found him.

Resorters in the early days of Macatawa have seen a scene somewhat similar to the one which confronted the present vacationers at Macatawa Park Wednesday afternoon when a group of women entertained by Mrs. James Whitney Hall donned old-time costumes. Among the interesting costumes was an old-fashioned black bathing suit with a collar, high neck and skirt of considerable length to conceal the legs. Another was a white gown of the early nineties.

NORTH HOLLAND

Rev. Herman Maassen, pastor of the Christian Reformed church of North Holland, reports that outings by the various church organizations have recently been a very common occurrence. The Women's Missionary society, the Loyal Workers and the League for Service have had their supper parties at the lake, the Christian Endeavor and Sunday school are making plans for their picnic gatherings, and several family groups have managed to sandwich their reunions in between. The young people of the church very successfully carried out a surprise on the pastor and family. After teachers' meeting a large group took possession of the chapel. The boys had charge of an interesting program, and the girls served the refreshments—pie a la mode. As a token of appreciation Rev. and Mrs. Maassen received a beautiful ornamental electric lamp. The church has recently been favored by several guest speakers, among them Miss Engelsman, Miss Vinkemulder, Miss Reverts, Mrs. Veensoeten and the group from Brewton. Their messages on the missionary work at home and abroad were much appreciated.

Mrs. Christina J. Bosman, 64, died Sunday morning at her home in North Holland, following a lingering illness. She was the wife of the late Arend J. Bosman. She was an active member in the North Holland church and also served as president of the Ladies' Aid society.

Surviving are two sons, John and Bernard A., both at home; a daughter, Mrs. John W. Overbeek of Holland; two brothers, John Brower of Beaverdam and Rev. Jacob G. Brower of Orange City, Ia., and two sisters, Mrs. Clinton Carpenter of Muskegon, and Mrs. Frank Brower of California.

Funeral services were held Wednesday afternoon at 1:30 o'clock at the home and at 2 o'clock at North Holland Reformed church. Rev. H. Maassen officiated.

Burial took place in North Holland cemetery.

The Ninth Street Christian Reformed church was the scene of a beautiful wedding Tuesday evening when Miss Anne De Groot, daughter of Mr. and Mrs. Simon De Groot, 125 Central avenue, became the bride of Renze O. De Groot, son of Mr. and Mrs. Fred De Groot of Volga, S. Dak. Preceding the ceremony Miss Grace Holkeboer sang "God Touched the Rose." She was accompanied by Miss Susanna Jacobus, who also played the wedding march. The double ring ceremony was performed at 8 o'clock by Rev. N. J. Monema before an arch decorated with bouquets and ferns. The bride was given away in marriage by her father. She looked very charming in a beautiful gown of white lace over satin, with a long flowing

veil and carried a bouquet of roses and gypsophylls. Miss Agnes Deger, bridesmaid, wore a pink crepe gown and carried a bouquet of pink roses and sweet peas. Flower girls were Ruth Mae Dunlap of Muskegon and Zwan Jean Hogewind of Grand Rapids, who wore lavender organdy. The bridegroom was attended by James LaGrand of Grand Rapids. Leonard De Groot, brother of the bride, was usher. Master and mistress of ceremonies were Mr. and Mrs. Warren Fredericks of Muskegon, cousins of the bride. Following the ceremony a reception was held for 75 guests. The couple left on a short wedding trip and will be at home to their friends after September 1 at 262 West Ninth street. The bride is employed as bookkeeper at Kresge store. The bridegroom, who is studying for the ministry, will enter his last year at Calvin seminary, Grand Rapids, this fall.

Allegan County News

H. Kirk Burd, about 35, former cashier of a bank in Osego, and now a resident on the shore of Lake Michigan, about 10 miles from Fennville, was severely injured on Saturday night when his motor car crashed with an egg truck at Tubbs corners, two miles south, and a mile east of Ganges. Ike Murawick, 42, of South Haven, driver of the truck, also was hurt badly. Cause of the accident was not immediately determined as the intersection is clear on both roads at the intersection. Burd was given first aid treatment at Ganges and then transferred to Douglas Community hospital. He has a jaw fracture, a left arm fracture and body bruises. His condition Sunday was reported as good and it is expected he will recover. He formerly was employed in a local bank.

Mr. and Mrs. Henry Lighthart and children of Maywood, Ill., visited in the home of his parents, Mr. and Mrs. Frank Lighthart, at Douglas, on Sunday. Mr. and Mrs. Roland Cook and some friends of Marshall and Mr. and Mrs. Ray Lighthart and family of Holland were also in Douglas.

Another fine buck deer has been secured by Sheriff Teed, for the deer park, and he is quite a scrappy fellow—the deer, not Guy. These deer will make quite a number that are grazing along the valley of the Kalamazoo river. People living in their vicinity report having recently seen two coyotes or wolves that might cause these deer much trouble. When hunters begin to go through the woods with their dogs those deer may get such a chasing that Allegan county will see them no more.

Mr. and Mrs. Jake Lighthart of Clinton, Wis., called at the home of his grandparents, Mr. and Mrs. Frank Lighthart at Douglas, Sunday evening on their way to Holland to visit their parents, Mr. and Mrs. Ray Lighthart.

The Misses Ruth and Lois Krone-meyer were the guests recently of Mr. and Mrs. Justin Schippers of Fillmore.

Mrs. Fred Herbert, 73, charter member of Douglas O.E.S., died Thursday in the farm home in which she had resided the past 35 years. She had lived in Michigan about 65 years and was married to Mr. Herbert 52 years ago. The husband and one son, Joseph of Chicago, survive. Funeral services, in charge of the O.E.S., were held at the home at 2 p. m. Sunday with interment in Douglas cemetery.

Mrs. Ben Rutgers and son, Norman of Holland, were entertained in the home of Mr. and Mrs. Will Wicks at Douglas Sunday.

The fruit exchange at Fennville started on Oldenberg apples Tuesday and from now on there will be quite a rush. The exchange is planning on trying a new container for very fancy apples such as Chenango. It is a corrugated paper box with fillers like an egg crate. This has been used in various eastern sections with varying results, the trade being slow to accept a new package, but extra-fancy fruit may find this container valuable. Clapp Favorite pears and Fennville apple orchards were being sold at about \$1 per bushel. Dukes of Oldenberg apples are low—from 40c to 50c per bushel.

H. J. Kleinhekel of Fillmore is making extensive improvements to his garage.

Mr. and Mrs. Jacob Geerlings are guests of friends in Ebenzer. Their home is in Salt Lake City, Utah, the headquarters of the Mormon church. Mr. Geerlings is an instructor in that city. They are accompanied by their children, Paul, Carol and Ruth.

Miss Vera Plakke of Holland had as her guest recently Miss Ethel Oonk of Fillmore.

The Pearl Tigers took on a Saugatuck team last Sunday and up to the eighth inning it was a close contest, Pearl making the one run. After that the mint boys ran riot and when the end came eight runs had been chalked up for Pearl to the lone score of the Pavilion town boys.

Mrs. G. G. Burleigh of Fennville was called to Chicago by the death of her brother, Michael Lillis, whose body was found at the corner of Crawford and 12th streets in that city, after having been missed several days. It was known that he had considerable money with him and the place where he was found was prominent, so that his body must have been taken there. However, there was no signs of violence on his body and the cause of death is a mystery. He was to have been married next month. There was no money found on the body.

Mr. Stanley Johnston, from the South Haven experiment station, will be in Allegan county on August 19th to look over some of the soil in our huckleberry swamps. Several people are planning on cultivating the same low and high bush berry that has been developed at South Haven.

Mrs. George Lampen and sons, Gillis Vander Kamp and Mrs. Glenn and Dalwyn, visited Mrs. Dick Vander Kamp, Fillmore, and family Friday afternoon.

Possession of a spotlight and a rifle in woods frequented by deer was the evidence used by conservation officers in convicting Jason French and Chester Cole, both of

Ludington, of violating the game laws. They paid fines and costs of \$56.85 each and in addition were sentenced to 10 days each in jail.

Allegan County 4-H clubs will exhibit at the fair this year. Mr. S. M. Sequist, manager of the 1932 fair, has reserved plenty of space and directs that all correspondence relative to 4-H club exhibits be addressed to A. D. Morley, County Agricultural Agent. All club exhibits are to be placed on August 29th.

The Henry Heyers family of Gibson entertained Mr. and Mrs. Ed Lobbers and Mr. and Mrs. Henry Lobbers and children, Earl Harvey and Angeline Gertrude, of Ebenzer.

Miss Gladys Roewe has returned from a week-end visit spent in Kalamazoo at the home of Mr. and Mrs. Harry Helder.

LOCAL RESIDENT DIES FOLLOWING LONG ILLNESS

Mrs. James A. Dittmar, aged 60 years, died Tuesday afternoon at her home, 323 East Eleventh street. She had been ill with cancer for more than a year.

Mrs. Dittmar was born in The Netherlands on March 24, 1872, and was a member of the Fourteenth Street Christian Reformed church.

Surviving are the husband, three sons, Arnold, William and Henry, all of Holland; Miss Alida Dittmar of Dutton, Michigan; and Mrs. B. Bouman of Holland; one brother, H. A. Van Battenberg of Amsterdam, The Netherlands; one sister, Mrs. J. Datema of East Saugatuck, and four grandchildren.

Funeral services will be held today, Friday, at 2 o'clock at the home and at 2:30 o'clock at Fourteenth Street Christian Reformed church. Burial will be in Pilgrim Home cemetery.

(South Haven Tribune)

Alfred D. Dubuison, ex-mayor of South Haven, announced late on Monday that he had decided to become a candidate for the Republican nomination for state senator, an office now held by George Le-huis of Fennville, who is a candidate for re-election. This decision followed months of urging on the part of his friends and associates in this city and elsewhere in the district.

For ten years Mr. Dubuison has been a resident of South Haven. He came here in 1922 from Chicago, where he was born in 1892 and attended the public schools.

Dr. Dubuison has been active in politics for the past eight years. In 1924 he was elected mayor of South Haven and served one year. In 1930 his name again became associated with the mayoralty and his party again placed him in office. A re-election followed. Mr. Dubuison having recently completed his second consecutive year of service as mayor of this city.

During the past two years he has also been a member of the good roads committee of the Chamber of Commerce, and figured prominently in the construction and opening of the new US-31.

TIME LIMIT IS DRAWING NEAR

August 24th is the last day to register. There is an exception whereby the time may be extended to Sept. 3 in townships of less than 35,000 population and this city undoubtedly will take advantage of the extension in time. All the party candidates are striving to make personal contacts and rouse every citizen to re-register. In some counties the women's organizations are making a special campaign by telephone, using systematic lists.

Earliest Pins

When pins were invented, in the Fourteenth century, the maker was allowed to sell them only on the first two days in January. Upon those days women flocked to buy them. The pins were so expensive that it was the custom to give as a present a sum of money to be used as pin-money. Hence the term.

POSTMASTERS TOLD NOT TO PAD BUSINESS IN SMALLER OFFICES

Fourth class postmasters, whose compensation on cancellation of stamps threatens to fall below the \$120 for a quarter of the year were warned today not to attempt to swell their pay checks by mailing parcels in their own names and at their own expense. For the first \$75 worth of stamps cancelled a fourth class postmaster gets 160 per cent or \$120 as compensation. Thus it was found that some postmasters, whose business was falling below \$75 were making up the difference by buying stamps, paying for them and mailing out packages of kindling wood or anything else of little value. The abuse occurs very little beyond the \$75 limit because after that only 85 per cent of the postage value is paid as a compensation and thus the postmaster would lose on such a deal.

MOTHER JAILED FOR KILLING BIRD TO FEED HER FAMILY

For killing a filker, a species of woodpecker, she cooked to feed her large family, Mrs. Anna Chess, Uniontown, Pa., is serving a twenty day sentence in jail. She is charged with violating the state game laws.

Go Carefully—Use Good Judgment

HERE is no question now but that the backbone of the depression is broken. We have entered an era that will lead to prosperity. It will come as all other prosperous times have come heretofore, but now while it is just turning the corner is the time to be careful, use good judgment, and plan wisely.
