G. R. H. & L. M. railway company
the house at Land and Seventh
street.

Rev. H. J. Broekhuizen delivered a
stirring Pro-Boer address in Zeeland
last Monday night. One hundred and
twenty dollars was contributed for
the widows and orphans in South
Africa.

J. Zoer was killed last Tuesday
morning at the Zeeland Brick yards.
He was working in one of the pits
when a bank of clay fell upon him
and before his fellow workmen re-
sued him he received fatal injuries.
He was taken to Zeeland and died be-
fore a physician reached him. Mr
Zoer was 55 years of age and lived on a
farm between here and Zeeland.

The G. R. H. & L. M. electric rail-
way company is planning to lay the
last rail of the double track next
month and will then have the road in
condition to permit of the operation
of construction trains over the entire
line between here and Grand Rapids.
The grade is completed except across
Vriesland swamp and there remains
to lay but six miles of track.

The Holland Sugar company is
counting on a very successful cam-
paign this fall. The company has
over 2,000 acres of beets and reports
from the fields indicate that the
beets are in a fine condition, that the
yield will be heavy and that the per-
centage of sugar will be greater than
last year. The campaign will be
longer by 20 days than last year as
the company has 1,000 more acres of
beets to convert into sugar.

Arrangements have been made
whereby the mail service between
Holland and Chicago has been in-
creased daily except Sunday, by an
additional closed pouch on train No.
6, which leaves here for Chicago at
5:30 p. m. By this service all mail for
Chicago, (only), collected by the local
carriers on their first trip in the af-
ternoon and all mail deposited in the
postoffice before 5 p. m., will reach
Chicago in time for the first carriers'
delivery the following morning.

A disastrous fire, which at one
time threatened to wipe out the en-
tire town of Allegan, broke out in
that village early Saturday morning,
and despite the hard work of firemen
and citizens many heavy losses re-
sulted. Losses are as follows: E. P.
Born's three-story wagon and carriage
factory, \$20,000; S. D. Bitgood, \$100;
A. Weber, on building and tools, \$1-
000; James Court & Son of Allegan
and Marshall, down town office, about
\$50; building, \$300, owned by Daniel
Ellinger; Allegan Electric company,
loss on poles, wires and fixtures, \$500.
There will be several smaller losses,
making the total fire loss fully \$25-
000, with not over \$5,000 insurance.

Farmers who live along the lines of
rural free delivery mail routes are to
have the advantage of the United
States weather bureau's forecasts of
the weather. All they will have to do
will be to watch the mail cart go by.
Arrangements are being made by the
Postoffice Department and the
weather bureau to have the mail
carts equipped with signals which
will be displayed on the sides. They
will be as conspicuous as possible, so
that they can be read at a consider-
able distance from the highways.
Mail carriers will receive their
weather predictions for the day be-
fore they start on their routes in the
morning, and will put up the proper
signals on both sides of their carts.

will date the tickets and sign them
and unless tickets are dated and
signed they will not be honored. The
announcement of the vote for this
week and next week will appear in
next Friday's News.

Rev. John Van der Meulen, of
Grand Rapids, arrived in this city
Wednesday to visit friends and rela-
tives before leaving for Oklahoma,
engage in missionary work. At Grand
Rapids Tuesday night a farewell re-
ception was given by the members of
the first Reformed church. The re-
ception was entirely informal in char-
acter and lasted from 8 to 11 o'clock.
Throughout the evening the parlors
of the church were thronged with scores
of the friends of the popular young
pastor. A well filled purse of gold was
presented to the retiring pastor by
the young people and the ladies of
the church. Rev. Van der Meulen
spoke very briefly to the large assem-
blage expressing his pleasure in meet-
ing so many of his friends and invit-
ing them to come and pay him a visit
when within the borders of Oklahoma
Territory.

which is not on the program but which is never-the-less of great interest to every body
and which we are very desirous every one should know. We are again going to help
celebrate the day with a great

WALL PAPER SALE.

We will repeat what we have done last year, viz: any roll of Wall Paper in our store
for..... 10 cents.

What does that mean? It means that all papers that have been selling this year at
20c, 30c, 40c, 50c or 60c will be sold on that day for..... 10 cents a roll.

We had a big sale of Wall Paper last year, we will have a larger one this year. Our
lines of Wall Paper is the best in the land having exclusive sale of the famous Campbell
and Pittsburg lines. The colorings and styles are strictly up-to-date and our stock is
the largest in Ottawa or Allegan Counties.

We Will Also Offer on that Day

500 rolls of Wall Paper at 2 cents a roll with a nice 9 inch border at 1 cent a yard;
1,000 rolls of Wall Paper which will be sold at 3, 4, 5 and 6 cents a roll.

Remember this sale and these prices hold good only Farmers Picnic Day. Do not
come before that day, or do not come after that day and ask for these prices as we will
positively not sell them at these prices. We lose money on many of these papers and
simply do this to advertise our store. Our loss is your gain. Take advantage of the
opportunity to fix up your home at a small cost and go home happy singing loud the
praises of Farmers Picnic Day and of Brower's Wall Paper Sale.

Lake and Marine

The steamer State of Michigan, owned by the Barry line, has been practically sold to Cleveland parties. It is understood that she will be transferred to her new owners immediately upon the arrival of the newly purchased steamer Terry which will take her run across the lake. A salt water pilot will take the steamer Terry from New York to Montreal and a river pilot will take her from there to Lake Ontario where Capt. Joe Lamoreaux will assume command.

Isaac Van Weelden, of Grand Haven, has received an appointment as regular surfman in the life saving crew at Muskegon.

OUR NEIGHBORS.

Filmore

We had a very nice rain last Monday which gladdened the hearts of the farmer.

Rev. Jacob Brunel conducted the services at Ebenezer last Sunday.

Mr. and Mrs. John Grootenhuys visited relatives in Grand Rapids last Sunday.

Arie Prins left last Monday for Buffalo to attend the Pan American exposition.

Mrs. Johnson, of Grand Rapids, is visiting her mother, Mrs. Westing.

The Graafschap creamery paid 18 cents per pound for the butter received during the month of July.

Miss Janet Van den Belt was in Allegan last week attending the teachers examination.

Ottawa County

The annual convention of the W. C. T. U. of Ottawa county will be held in M. E. church at Allendale, Aug. 27-29. A splendid program has been prepared.

The forty-sixth annual fair of the Ottawa and West Kent Agricultural Society will be held at Berlin, Oct. 1, 2, 3 and 4.

Thirty-two applicants wrote at the teachers examination in Ottawa county last week.

Ventura

The men of this neighborhood gathered together last week for the purpose of a building bee on the shed of the M. E. church. Thirty-six were present in and before they proceeded with the work enough money was raised to pay for lumber, shingles and nails. Refreshments were furnished by the ladies. The new shed is 40 feet long and 20 feet wide and is a well built structure. This speaks well for the progressive people of this locality.

D. C. Huff is entertaining five guests from Chicago.

Mrs. Nysted's boarding house is doing a very good business. New arrivals are registered every day.

D. C. Huff went to West Olive Saturday night to assist the drum corps in wading up the town. On Sunday a party of men from West Olive and vicinity enjoyed a picnic at Port Sheldon.

West Olive

West Olive has not got her threshing done yet.

Sugar beets don't look very good around here because we are against them.

David Sansley was in Holland Friday.

J. B. Estelle received a carload of stone Thursday for the basement of his house.

H. Goodman shipped his first carload of rye to W. H. Beach, Friday and E. Maynard his first to Walsh-De Roo the same day.

Frank Robinson and wife, of Holland spent Sunday with Mr. and Mrs. L. Garnette.

We are sorry to learn that Chris Cook is not well at present but hope the pleasure of hearing that he will soon recover his health again.

Babeok Bros. had the misfortune of having 30 acres of pasture set on fire last Wednesday and a horse badly burned by falling into it.

The West Olive band was knocked out entirely Sunday afternoon by the rain down by the lake. This means that Sunday is the day of rest.

Lyman E. Carrier and Daisy D. L. Knisley were married Sunday, August 18, at our school house by Rev. Chilley. They are both church workers and the correspondent wishes them a happy journey through life.

A well dressed young man whom some people called a detective was around here this week begging for something good to eat. He was detected by the railroad men and thrown from a freight train. Is that the way to send a detective after us?

Mrs. Eli Brown, of Gobleville, Van Buren, Co., is here this week on business, connected with her farm, the Austin estate.

Mrs. St. Clair and three children arrived last week from Clinton, Co., to reside with the rest of the family on the farm west from here.

Now just one word for Port Sheldon: It seems to be getting more popular every year as a summer resort. Come and see.

To Save Her Child.

From frightful disfigurement, Mrs. Nannie Gallagher, of La Grange, Ga., applied Bucklen's Arnica Salve to great sores on her hand and face, and writes her quick cure exceeded all her hopes: It works wonders in sores, bruises, skin eruptions, cuts, burns, scalds and piles. 25 cents. Cure guaranteed by Heber Walsh, druggist.

SCORES ARE LOST AT SEA

The Steamer Islander Strikes an Iceberg Off the Pacific Coast and Goes Down.

AN EXPLOSION ADDS TO THE HORROR.

At Least Seventy Persons Lose Their Lives—Bollers of the Ship Let Go as She Sinks, Killing Many Who Might Have Escaped—Forty Survivors Picked Up.

Victoria, B. C., Aug. 19.—As a result of a collision with an iceberg early last Thursday morning the steamer Islander, crack boat of the Canadian Pacific Navigation company, sank and carried down 70 of its passengers and crew.

The steamer hit the floating mass of ice just before dawn. A heavy fog hung over the sea, and to this is attributed the fact that Capt. Foote, who was on the bridge, failed to observe his danger.

The force of the collision was such that an immense hole was torn in the bow of the vessel. The water poured into the ship in such volumes that it was impossible to close the water-tight compartment doors, and the flood soon reached the engine-rooms.

Just as the boats were lowered a terrific explosion occurred, and scores of people who otherwise might have been saved were killed.

Tells a Graphic Story.

Steward Simpson, who lost ten of his men, tells a graphic story of the wreck. He forced his way on deck and reached there just as the lifeboats were being lowered.

The moment after the collision the chief engineer started the pumps, but the inrush of water was too rapid to be checked.

Heroism of the Crew.

The captain headed a party of officers and seamen, who, armed with axes, broke in the doors of the state-rooms and rescued as many of the imprisoned passengers as they could.

Soon the water drove them to the upper deck.

By this time the boats were filled, and while the officers were getting out the last life raft the explosion came. The captain leaped into the sea and was picked up by a lifeboat. Just as he was pulled on board the boat was overturned and its occupants lost.

The story of the wreck was first learned at Treadwell, Alaska, when a party of the survivors, headed by the chief engineer, staggered into that little town. They had walked 25 miles up the beach, and were nearly dead from exhaustion and hunger.

Two steamers were at once sent to the scene of the wreck to search for possible survivors.

Forty Survivors Picked Up.

At noon one of them, the Flossie, returned with its flag at half-mast. On board were six dead bodies and two score passengers who were picked up while drifting around in open boats without oars or sails.

Loss \$275,000 in Gold.

There was \$275,000 in gold on the steamer, \$100,000 of which was carried by passengers. H. H. Hart, who has spent 16 years in the Klondike, lost \$35,000 in dust.

Some of the Victims.

Among the passengers lost were: J. L. Blithen, Vancouver; Dr. John Duncan, of Victoria, body recovered; Doll and two children, bodies recovered; J. V. Douglas, Vancouver; Mr. Fall, Victoria; Mrs. J. C. Henderson, Victoria; W. H. Keating and two sons, Los Angeles, Cal.; F. Mills, Victoria; Mrs. Nicholson, wife of Capt. Nicholson; W. G. Preston, of Seattle; Mrs. W. G. Preston; Mrs. Phillips and child, Seattle; Mrs. Ross, wife of the governor of the Yukon territory, her child and niece; Mrs. J. W. Smith, Vancouver; Mrs. J. L. Wilson, Seattle.

The members of the crew lost are:

George Allen, third engineer; Joe Bard, second, pantryman; ————, Burly; Oiler; Mr. Folk, waiter; Capt. Foote; Buck Hoodler; Oiler; M. P. Jock, coal passer; ————, Kendall, night saloon watchman; N. Law, coal passer; G. Miller, barber; ————, Moran, coal passer; S. J. Pitts, cook; Hugh Porter, coal passer; Horace Smith, second steward; two waiters, two Chinese and two firemen.

Says Sixty-Eight Drowned.

Seattle, Wash., Aug. 21.—According to L. S. Robe, a survivor of the ill-fated Islander wrecked by an iceberg off Douglas island, 68 persons were drowned. He says there were 181 persons on board.

Broke World's Record.

New York, Aug. 19.—The grand circuit races were brought to a brilliant close at Brighton Beach Saturday, when Anaconda, in the second heat of the free-for-all pace, in 2:01 1/4, beat the world's record for the second heat in a pacing race. His time was 0:30, 1:00, 1:30, 2:01 1/4. It lowered the grand pacer's own record from 2:02 1/4.

IS YOUR HAIR TURNING GRAY?

What does your mirror say? Does it tell you of some little streaks of gray? Are you pleased? Do your friends of the same age show this loss of power also? Just remember that gray hair never becomes darker without help, while dark hair rapidly becomes gray when once the change begins.

Ayer's Hair Vigor

will bring back to your hair the color of youth. It never falls. It is just as sure as that heat melts snow, or that water quenches fire. It cleanses the scalp also and prevents the formation of dandruff. It feeds and nourishes the bulbs of the hair making them produce a luxuriant growth. It stops the hair from falling out and gives a fine soft finish to the hair as well.

We have a book on the Hair and Scalp which you may obtain free upon request. If you do not obtain all the benefits you expect from the use of the Vigor, write the Doctor about it. Address, DR. J. C. AYER, Lowell, Mass.

What a Tale It Tells.

If that mirror of yours shows a wretched, sallow complexion, a jaundiced look, moth patches and blotches on the skin, its liver trouble; but Dr. King's New Life Pills regulate the liver, purify the blood, give clear skin, rosy cheeks, rich complexion. Only 25 cents at Heber Walsh, druggist.

Western Rates Reduced.

Greatly reduced one-way rates will be in effect from Chicago, Milwaukee and Manitowish via Wisconsin Central Railway to points in Minnesota, N. Dakota, Montana, Idaho, Oregon, Washington and British Columbia, each Tuesday, commencing February 12th and continuing until April 30th. Astounded The Editor.

Editor S. A. Brown, of Bennettsville S. C., was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure. Only 50 cents at Heber Walsh.

Isn't it Worth 25c. To Be Cured of Constipation

People who suffer from habitual constipation with all its attendant ills, clogged stomach and bowels, sluggish liver, heartburn, indigestion, and thin and impure blood, are too apt to believe that the only remedy is violent purgatives. The contrary is the case. Such cathartics, even if they do move the bowels, are irritating and griping, leave the stomach inflamed and enfeebled and the constipated condition recurs with greater difficulty of cure and the sufferer constantly growing worse. There is a laxative that moves the bowels without pain or griping, cleanses the stomach, sharpens the appetite, stimulates the liver, strengthens the nerves, and purifies the blood, while its marvellous tonic properties tone up the entire system and keep it healthy.

Laxakola Does It

Its remarkable tonic properties reach every organ—the liver, kidneys and stomach, nerve, heart and brain—and removes the cause of your debilitated condition. This is the only way to secure an absolute and permanent cure.

Laxakola is the only medicine for babies, is purely vegetable and its action is gentle, speedy and effective. For coated tongue, simple fevers, colds, chills and languid feeling it is the ideal medicine.

It tastes good. Children like it and ask for it.

Laxakola, the great tonic laxative, is not only the most efficient of family remedies, but the most economical, because it combines two medicines, viz: laxative and tonic, and at one price. No other remedy gives so much for the money. At druggists, 25c. and 50c., or send for free sample to LAXAKOLA CO., 122 Nassau Street, N. Y., or 358 Dearborn Street, Chicago.

WEAKNESS
OF MEN AND WOMEN

Could we read the hearts of every man we meet, what a load of sorrow and despair would be disclosed. Indigestion and Blood Diseases have caused more physical and mental wrecks than all other causes combined. They strike at the foundation of manhood; they sap the vital forces; they undermine the system, and not only do they often disrupt the family circle, but they may even extend their poisonous fangs into the next generation. If you have been a victim of early sinful habits, remember the seed is sown, and sooner or later you will reap a harvest. If your blood has been diseased from any cause do not risk a return later on. Our New Method Treatment will positively cure you and you need never fear any return of the disease. We will give you a guarantee bond to that effect. We would warn you sincerely against the promiscuous use of mercury, which does not cure blood poisons but simply suppresses the symptoms.

WE CURE OR NO PAY.

Don't Let your Life be Drained Away, which weakens the intellect as well as the body. There is no room in this world for mental, physical or sexual dwarfs. Our New Method Treatment will Stop all Unnatural Losses, Purify the Blood, Strengthen the Nerves, Restore Vitality, and make a man of you. If you are in trouble, call and consult us. Consultation is Free. We treat and cure Drains, Blood Diseases, Venereal Diseases, Stricture, Urinary Discharges, Gleet, Kidney and Bladder Diseases. No cutting or operations. No detention from business. Everything confidential. Consultation Free. Books Free. Question Blank Free for Home Treatment.

A LONG DEATH LIST.

Seventeen Perished by Capsizing of the Golconda.

THE NAMES OF THE KNOWN VICTIMS.

Only One of the Women on Board is Saved—Pilot Says the Engineer Abandoned His Post—Some Narrow Escapes.

Paducah, Ky., Aug. 21.—The horror of the City of Golconda disaster at Cottonwood Bar, four miles above Paducah, Monday night, is just beginning to be fully comprehended by the people of Paducah, as body after body is brought into the city and taken to the undertakers. The boat's register has not yet been recovered, but it is certain the death list will number 17 and perhaps 22. An official investigation will be made, as it seems certain that the most culpable carelessness caused the catastrophe.

The Victims.

The list of known dead is as follows: Miss Lucy Graham, of Grahamville; Miss Lucy Barnett, of Smithland; Miss Tricie Grimes, of Grahamville; Mrs. W. A. Hogan and three children—Mrs. W. A. Hogan, aged eight, and Lucille, aged six, of Paducah; Mr. Watts Davis, of Livingston county; Clarence Slayden, of Iowa; Wallace Bennett, of Tolu, Ky.; D. Jackson (colored), of Paducah; Will

STILL BURNING.

Firemen Continue to Fight Flames in Oil Works at Philadelphia—Loss Will Reach \$500,000.

Philadelphia, Aug. 21.—The fire which began Monday afternoon at the works of the Atlantic Refining company, at Point Breeze, in the southwestern section of the city, is still burning fiercely and is eating up oil at the rate of \$100,000 a day, according to the estimate of President Lloyd, of the Atlantic Refining company. Firemen and officials are powerless. The fire must literally burn itself out. The cooperage shop has been swept away and in its destruction 40 men narrowly escaped death. The tanks of benzine are going. Earthworks have been thrown up to keep the Schuylkill river from becoming flooded with blazing oil. The firemen say they are working in the dark. There is danger all around them, they say, and they do not know where the danger spots are. The loss will not be less than \$500,000. It is believed that the five lives lost in the explosion of the big gasoline tank Monday night completes the list of fatalities.

HIGH-WATER MARK.

More Names on the Pension Rolls Now Than Ever Before and Payments Are Large.

Washington, Aug. 19.—There are more names on the pension rolls now than ever before, and more money has been paid to pensioners during the McKinley administration than by any preceding administration of the government. This will be shown by the annual report of Commissioner Evans, when it is made public in a few days.

The losses of the fiscal year were 33,153 by death, 853 by remarriage, 1,582 by minors reaching the age of 18, 1,538 by failures to claim, 1,460 from other causes, making a total loss of 43,586, but leaving the roll with 997,735 names, or a net increase of 4,206 over the number at the close of the fiscal year ending June 30, 1900.

The roll of the year just closed is high-water mark in the history of the pension bureau, the next highest having been reached in the year 1898. The gains to the roll during the year were in the following classes: War of the rebellion, 1,944; war with Spain, 3,849. Total, 5,793. The losses to the roll were as follows: War of the revolution, 2; war of 1812, 215; war with Mexico, 826; Indian wars (1832-1842), 544. Total, 1,587. Net gain for year, 4,206.

A FATAL WRECK.

Trolley Car Crashes Into a Passenger Train in Chicago and Four Persons Are Killed.

Chicago, Aug. 19.—Four persons instantly killed and 43 injured, some of them fatally, was the result of a street car wreck at the Forty-seventh street crossing of the Pittsburg, Fort Wayne & Chicago railroad at 7:45 o'clock Saturday night. A west-bound trolley car, running wild, broke through the guard gates at the crossing and ran directly into the Pittsburg flyer, striking the passenger train between the first and second coaches. The impact was terrific. The train was driving ahead at the rate of 25 miles an hour, and the electric car was thrown clear of the rails and smashed to splinters.

The dead are Frederick O. Edwards, aged 37; Harriet Sutcliffe, aged 50; Mrs. Kate Holton, aged 45; Ida B. Osler, aged 29.

THREE MEN KILLED.

Ten Tons of Molten Metal Explode in a Blast Furnace at Youngstown, O.

Youngstown, O., Aug. 19.—An explosion of ten tons of molten metal in the blast furnace department at the Ohio plant of the National Steel company Sunday resulted in the death of three workmen and in the injury of 11 others. The dead are: Richard Richards, Joseph Bugos and John Crinkshank. Two of the injured are in a dying condition and at least six others are not expected to survive. The accident was the result of machinery which controlled the ladle containing the molten mass breaking and letting the metal drop into a vat containing water.

New L. A. W. Officers.

Buffalo, N. Y., Aug. 16.—The League of American Wheelmen have elected the following officers for the ensuing year: M. M. Belding, of New York, president; C. H. Van Hoon, Chicago, vice president; Abbot Bassett, Boston, secretary and treasurer.

Two Men Saved.

Cleveland, O., Aug. 20.—Two men supposed to have perished in the crib fire last Wednesday, in which nine lives were lost, were rescued from the water works tunnel yesterday, where they had been five and a half days without food or water.

Fatal Error.

Marion, Ind., Aug. 17.—As the result of an alleged wrong solution being administered to two inmates of the National Soldiers' Home hospital here Thursday night through mistake, Daniel Carruthers, aged 65, a paralytic, and Thomas Pinkerton, aged 91, died Friday.

Wealthy Iowan Dead.

Des Moines, Ia., Aug. 17.—Edwin Manning, the wealthiest man in the state of Iowa, died at his home in Keosauqua at six o'clock Friday morning at the advanced age of 86 years. His estate is valued at \$3,000,000.

Falling Rock Kills Miners.

Calumet, Mich., Aug. 17.—The hanging rock in the twenty-eighth level of shaft No. 2, of the Tamarack mine, fell at night, killing three men and injuring two, neither of whom may live.

Work of Lightning.

Philadelphia, Aug. 20.—Lightning struck a benzine tank in this city, exploding it, and six persons were killed and 23 were missing.

A. A. Peck, the pilot, claims the engineer deserted his post, and that he could not manage the boat with the engines helpless. The engineer denies this and claims that he remained at the throttle until the water was waist-deep.

Frank Enders, one of the passengers, corroborated by several others, declares that the effort to land brought the boat's side around so that the wind struck it full force. There had been almost a gale blowing for ten minutes, and one man, who could not swim, went to the pilot-house and begged the pilot to land. When he did finally consent to land, the hurricane, visible as a huge black streak sweeping across the river, struck the boat as it swung around in a position least able to resist it.

Early Tuesday morning the work of searching for the remains began, the party being led by Charles Graham, county clerk, and Luther Graham, his brother, whose sister was among the dead. Three bodies were recovered in the forenoon, those of Miss Tricie Grimes, Miss Lucy Barnett and Mrs. David Adams. Miss Barnett's face was badly lacerated. In the afternoon the bodies of Miss Graham and Mrs. W. A. Hogan and Lucille, her six-year-old daughter, were recovered. The position of the limbs and the expression on the faces, as well as scratches and bruises, indicated a fierce struggle when the prisoners were caught in the little cabin like rats.

All the bodies were brought here and prepared for burial. The reason the work of recovery is so slow is because the furniture is piled up on the bodies. The boat is being dismantled, as she lay in 18 feet of water, in order that the dead may now be reached. A sickening odor already emanates from the wreck and hundreds of people are on the scene as spectators and volunteer assistants. The crowd is so thick that the wrecking crew has great difficulty in wrecking. Groups of sad-visaged people dotted the wharf here all day awaiting tidings from the rescuers, while the parlors of the Richmond hotel were filled with weeping women.

Mrs. Charles Hayden, of Metropolis, Ill., the only woman saved, is badly bruised. When she went down she clung to her child, and both were finally saved by rowers. She was sitting on the lower guards, so she could be near her husband, the engineer, when the boat turned over.

The whereabouts of Mr. Hogan, husband of one of the women and the three children drowned, are unknown. He travels for the Clark Grocery company, of St. Louis.

Vicuna, minister from Chili to the United States, which occurred at Buffalo, Tuesday morning. Senor Vicuna was one of the best-known South American statesmen.

Senor Vicuna came to Washington about three years ago, succeeding Minister Gana, who was transferred to London. The Vicunas have been prominent in South American affairs, and the minister soon endeared himself to the officials and diplomatists in Washington by his charming personality and his ability. He was accompanied by his wife and family who have been an interesting acquisition to the diplomatic circle. Of late the legation in Washington has been closed, the minister and family and the entire official establishment being removed to Buffalo, where Chili had taken the lead of South American republics in the magnitude of its exhibit. Soon after the receipt of the dispatch announcing the minister's death, Secretary Hay sent a message of condolence to the bereaved relatives and friends.

Li Protested.

Peking, Aug. 21.—The omission from the peace settlement protocol of a provision for the destruction of the Chinese forts was due chiefly to Li Hung Chang's protests. He represented that it would be a great disgrace to himself, who had built the forts, to sign an agreement for their destruction. Moreover, he might be punished therefor. The omission in nowise affects their destruction, which will be carried out on the ground of military necessity. The clerical work of preparing copies of the protocol is likely to delay the signing for a few days.

The Iowa Sails.

Washington, Aug. 21.—The navy department has been informed of the sailing of the battleship Iowa for Panama. She will stop at Acapulco for coal. The distance from San Francisco to Panama is 3,274 miles and the trip will occupy about 12 days.

To Open the Campaign.

Columbus, O., Aug. 21.—The republican executive committee met here Tuesday afternoon and fixed the date of the campaign opening for September 21 at Delaware. Senators Hanna and Foraker and Gov. Nash will speak.

Well-Known Woman Dead.

Marshalltown, Ia., Aug. 21.—Mrs. Nettie Sanford Chapin, a widely known Washington newspaper correspondent, and for many years prominent in Iowa W. R. C. and W. C. T. U. circles, is dead, aged 76 years.

Destroyed by Fire.

Santa Rosa, Cal., Aug. 21.—The winery of W. H. Hotchkiss & Co. was destroyed by fire Tuesday, entailing a loss of \$150,000.

Advantages of Hope College Course

The formal announcement of the opening of Hope college suggests many thoughts regarding that institution. It suggests among other things that the young men and women of Western Michigan are fortunate in having at their very doors one of the best colleges in the land and that it is not necessary for those living within a reasonable distance to think of going elsewhere. For here, at Hope college, with its efficient corps of instructors, with its complete course of study, with its excellent social and moral atmosphere, students are offered advantages that are denied them in many of the larger educational centers. They are always in close touch with the members of the faculty. They have the advantage of individual attention and instruction, the value of which can scarcely be estimated.

A glance at the list of those graduated from Hope, showing their excellent records in the strife with the great world and the success that has ever attended them conveys the impression that the training gained at Hope is the best, and that the young people of this locality should not fail to take advantage of the great opportunities offered.

States McCoy Not Guilty

The jury in the case of States McCoy, charged with the murder of Humphrey Jackman, returned a verdict of "not guilty," last Monday evening after scarcely two hours deliberation.

Attorney Lillie for the defendant took up the entire forenoon in his closing argument, reviewing the case in all its details and scoring heavily against Bert Tibbetts, who was convicted of the murder of Jackman and is now serving a life sentence at Jackson, and who in his testimony implicated McCoy in the deed. The bad reputation of Tibbetts for truth and reliability, shown in the trial, proved very damaging to the case of the state and doubtless carried great weight with the jury in arriving at its verdict.

Prosecuting Attorney George A. Farr closed the argument for the state at 3:15 Monday afternoon and the jury was immediately charged by the judge, retiring from the court room at 3:45. After deliberating about two hours an agreement was announced and at 6:05 in the evening a verdict of not guilty was rendered.

McCoy showed plainly the relief that the verdict gave him and appeared exceedingly happy over the result. His wife and half-sister were with him, and the court room was crowded with spectators. The verdict did not cause great surprise, although there were some who thought a disagreement would be the outcome of the trial. Tibbetts was returned to the Jackson prison on Saturday.

Responsibility for Collapse of Walls of Rinck Building Settled by Arbitration

A board of arbitrators, consisting of Evert Takken, Tiemen Slagh, F. N. Jonkman, John Oosting, of Holland and Architect J. H. Daverman, of Grand Rapids, was chosen by the architect and contractors to fix the responsibility and award the damages for the collapse of the front and west walls of the three story brick building of A. C. Rinck which fell while in process of erection three weeks ago.

The findings of the board follow: "We, Evert Takken, J. H. Daverman, Tiemen Slagh, F. N. Jonkman and John Oosting, the arbitrators in the matter of difference and dispute in regard to the cause of the collapse of a part of the wall of the building being constructed for Rinck and Vander Werp on the south-west corner of Eighth street and College avenue in the city of Holland, Mich., find as follows:

"First, that the plans and specifications of the architect were defective. "Second, that the carpenter contractors have, on a whole furnished very poor workmanship. "Third, that the stone masonry is not constructed in a workmanlike manner and the mortar used therefor is of an inferior quality. "Fourth, that the brick masonry is a fair job. "Fifth, in our opinion the responsibility for the collapse as aforesaid lies with the architect, the carpenter contractors and the stone masons. "Sixth, that the architect and his employers, to wit, the owners, should pay 40 per cent of the amount of the loss; that the carpenter contractors should pay 40 per cent of the loss; and that the masons should pay 20 per cent of the loss. "Witness our hands at the city of Holland, Ottawa county, Michigan, this twentieth day of August, A. D. 1901."

Jealousy Between Towns and Cities

Mr. Editor: Having sojourned in Grand Rapids, Mich., for the last three months I have learned that there is a spirit in that city which will be well for our citizens of Holland and more especially those who are strenuously working for Holland's material welfare, to keep in mind while shaping plans for her future growth. You will remember that the project for the Holland-Grand Rapids interurban road hung fire for a while, and that was not on account of lack of capital, but to a mature deliberation to find out (if possible) whether they could draw the trade from Holland or whether it would build Holland up. The "pushers" of Grand Rapids don't want to build Holland up but want to draw the trade from there. They are jealous of Holland's growth and that this is a fact you can ascertain very readily by conversing with disinterested merchants and those who are naturally considered to be in fore front of the battle for the growth and importance of Grand Rapids. Their arguments and deductions are radically different, and why? The above written hint is sufficient answer.

It behooves our men to look sharp to see what will build Holland the fastest and most permanent. Diversity in farming has proved healthy, nearly the world over; also around Holland, and so will also the diversity of manufacturing interests. The old cry that "everything is cheaper in Grand Rapids" than here is a fraud. Clothing, all eatables, lumber, furniture, etc., are decidedly cheaper in Holland than in Grand Rapids. Grand Rapids is jealous of Holland and will try her level best to thwart us.

Look at the newspapers for instance. Not one of them does the "square thing" with Holland from the standpoint of a publisher. They will pick up every small item from all around their vicinity and from the state at large, except Holland. Of course their newspapers are in the ring that pushes and feels all one way. They dare not do any other way.

I have seen similar cases of jealousy in my day. At one time there was a terrible rivalry between St. Louis, Mo., and Chicago. But Chicago has outgrown her so much, that strife has virtually ended.

At present there is another one going on, and on a very large scale. It is interesting to watch it and read the beautiful encomiums (?) they heap on one another. That is, New York against Chicago. It began when Chicago snatched the World's Fair from the hands of all competitors. The New Yorkers have nicknamed her the "Windy City" ever since, and sooner than be outstripped numerically they began the agitation for a "Greater New York." They predicted that the World's Fair would swamp Chicago, but instead of that it kept on growing until she is now of 2,000,000 inhabitants, and dumped \$38,000,000 in a drainage canal to have clean drinking water which in itself is a marvel to the engineering world and which is so large and deep that it will be used in some future day as an arm to the inter-oceanic waterway from the five great inland lakes to the Gulf of Mexico. When that day dawns that the great heart of this country where nearly all the grain and provisions are raised, can ship direct to Europe and the outer world, without paying "toll" in New York, then New York will begin to realize that their great customer (the west) is its own broker.

So with our town, give us a first-class harbor and no town in Michigan will be able to mar, let alone stop Holland's growth.

Watch out sharp!

AN OLD PRINTER.

Common Council

At Tuesday night's meeting of the common council the contract for the Eighth street lateral sewer was awarded to C. T. Bartlett of Evanston, Ill., at \$4,330.27, and the contract for the Ninth and River street lateral to Harry Van der Veen, of Grand Rapids at \$2913.50.

Health Officer Godfrey was requested to attend the Sanitary State convention at Ludington Sept. 5 and 6, at an expense not to exceed \$10.

The clerk reported that at a meeting of the board of public works held Aug. 19, 1901, \$1250.87 had been ordered certified to the common council for payment to Contractor Van der Veen for sewer work.

Allowed and warrants ordered issued.

Resolutions were passed instructing the board of assessors to make special assessment rolls of the Eighth street, Land street and Ninth street special sewer assessment districts to defray that part of the cost and expense of constructing lateral sewers in those districts that devolves upon those districts.

Death of Mrs. Ruigh

Mrs. Jennie Ruigh nee De Vries departed this life Friday evening last at her home in Wortendyke, N. J., in which place her husband the Rev. D. C. Ruigh has a charge in the Reformed church.

A pathetic interest attaches to her in that she leaves besides her husband a little girl-baby, born a few hours before she died. Fitz Green Halleck's words have truth in them:

"Come to the bridal-chamber-death;
Come to the mother when she feels
For the first time her first-born's breath,
And those are terrible!"

Deceased was well known in this city. Her parents live on Tenth street. Her father, P. De Vries, has lived on that spot for over 40 years. Mrs. Ruigh was born there the year after the great fire, graduated at the High school of this city with the class of '90 and was for several years thereafter engaged as teacher in the Maple street school. She was married Dec. 29, 1899. She led a beautiful, self-denying, christian life. She was of a retiring nature but ever ready to serve others. The husband loses a faithful wife, the home a loving mother, the church a praying saint.

The funeral services were held from the Third Reformed church Wednesday afternoon. Rev. Dobbink, for a number of years the pastor of the deceased, spoke a few words of comfort from the very appropriate bible passage 1 Thes. 4:13-5:11. At the church Rev. Dobbink preached the funeral sermon in his own inimitable way of imparting deep scriptural comfort from 2 Cor. 5:6-9. Dr. Karsten followed with some remarks in the Holland language.

The remains, remarkably well preserved, were then viewed by the many friends present at the service, and the pallbearers, all first cousins of the deceased, bore the dead to her last resting place.

At the grave five of Mrs. Ruigh's former class mates threw flowers on the coffin. Rev. J. Van de Erve, a close friend of the family, spoke a few words, Mr. Gust offered prayer and another chapter closed in the great Book of Life.

Public Meeting Tonight

Business men interested in the success of the band tournament and Farmers Picnic are requested to meet at De Grondwet hall this evening to take part in the final arrangements for the celebration.

The executive committee and all of the other committees will be present and plans will be discussed to make the celebration one of the grandest ever witnessed in Holland. Do not fail to attend.

Mrs. I. H. Lamoreaux has a copy of a paper published one hundred years ago. It is the Ulster County Gazette and was given her by Mrs. Nichols, of this city, in whose family it has been since it was printed, being handed down from generation to generation. Among the advertisements is that of E. E. Hewett, dealer in groceries, field and garden seeds, Rockford, Mich. In another column a "stout, healthy, active, negro wench" is offered for sale. The most interesting part of the paper is the account of the burial of Gen. George Washington, from which the News takes the following paragraphs: "On Wednesday last, the mortal part of WASHINGTON the Great—the Father of his Country and the Friend of man, was consigned to the tomb, with solemn honors and funeral pomp. A multitude of persons assembled, from many miles around, at Mount Vernon, the choice abode and last residence of the illustrious chief. In the long and lofty Portico, where oft the Hero walked in all his glory, now lay the shrouded corpse. The countenance still composed and serene, seemed to depress the dignity of the spirit, which lately dwelt in that lifeless form! There those who paid the last sad honors to the benefactor of his country took an impressive—a farewell view. The son was now setting. Alas! the SON OF GLORY was set forever. No—the name of WASHINGTON—the American President and General—will triumph over DEATH! The unclouded brightness of his Glory will illuminate the future ages."

Opening of Hope College

The fall term will open on Sept. 18, at 9 a. m. Those who wish to be admitted on certificate or examination to the preparatory department will meet the Faculty on Tuesday, Sept. 17, at 9 a. m. in Graves Hall. Those who wish to enter the College are expected to meet the Faculty at the same time, and present their diplomas, or submit to an examination.

Those who desire to take a full classical course will please bear in mind that the study of Latin is begun in the lowest class, the "D" year, in the preparatory department, and Greek in the "B" class, which is the third year. Other courses, which require only Latin, or no ancient languages at all, can now be taken.

Hope college offers a liberal education equal to that of other colleges, at a very moderate expense. We trust that it is not necessary to state that it is always the aim of this institution to surround its students with wholesome and Christian influences.

We shall be pleased to send catalogue and circular to any who desire further information, or, if convenient, we shall be glad to have a personal conference with such.

VENETIAN EVENING TO NIGHT

The Venetian Evening celebration on Macatawa Bay has been postponed until tonight. Do not fail to go to the park and see the brilliant illumination and fireworks.

The G. R. H. & L. M. Ry will sell round trip tickets from Holland to Macatawa Park for ten cents. Tickets must be purchased at the street car office in this city.

H. DeKruif, the hustling implement dealer, of Holland and Zeeland, is so busy these days that he scarcely has time to change his ad. However he will do so next week and will have something to say about the celebrated McSherry drill. This drill is a wonderful machine and means goodbye to the old styles. Call at his store and examine it.

The transport Thomas on which Prof. O. S. Reimold sailed for Manila touched at Honolulu, Thursday, Aug. 1. While there the "Biny Budget," a paper published on board, was mailed to the friends of the teachers in the United States. It is a newsy paper and contains a great many breezy items. Most of them point towards matrimonial alliances and it will be strange if the majority of the teachers are not engaged to wed before the end of the voyage. The log tells the following of a Michigan man: Tuesday—Mr. Michigan meets Miss Alabama. Wednesday—Mr. M. and Miss A. engaged. Thursday—Capt. Couling indignantly refuses to marry Miss A. and Mr. M. advises them to wait until arrival at Honolulu.

As the result of such swift courting, according to a letter received in Carbondale, Ill., sixty of the 400 teachers were married in Honolulu; but as there were no Michigan people in the list it is likely that the engagement between Mr. M. and Miss A. was broken by seasickness.

Jas. A. Brouwer is going to help make things interesting on Farmers Picnic day, by having one of his stupendous wall paper sales again on that day. Last year he made himself famous by offering any roll of wall paper in his store at ten cents a roll, this year he is going to repeat that. His stock is much larger and the choice and assortment much greater and it certainly will be one of the great events of the day again, to be able to buy 30, 40 and 50 cents wall paper at 10 cents a roll. He positively limits the sale to the one day, Farmers Picnic day, and if you are going to do any papering in the near future it will be dollars and cents in your pockets to take advantage of this sale.

Band Tournament and Farmers Picnic Next Wednesday.

It is expected that Holland will welcome ten thousand strangers within its gates next Wednesday when the Farmers Picnic and band tournament will take place. It will be a grand celebration and though one of the first of the kind held here will be on an extensive scale. The following bands will take part: Allegan, Grand Haven, Otsego, Monterey, Hopkins station, Burns Corners, Graafschap, Bauer, East Holland, Plainwell, Zeeland and Holland. Ganges band will be here with an excursion party and will take part in the band concert. During the day the Virginia colored Quartette will sing plantation melodies making the occasion a grand succession of music and song.

The bands of the first division will contest for prizes in forenoon beginning at 9:30. A grand street parade will be given at one o'clock to be followed by the contest of the second division bands. At the completion of this tournament a band concert will be given at the base ball park. This will be followed by a base ball game between Holland and one of the best teams in Western Michigan. The game will be a fast one and will attract thousands of people. The program will be concluded by a band concert at Centennial park in the evening.

No expense has been spared to make the occasion a success. The committees have been thorough in their work and the celebration will be one of the greatest ever witnessed in Holland.

Next week you can buy a Gent's unlaundershirt for 29c. each at John Vanderluis. New stock of flannel shirts waists received.

Something About Bread.

Bread is the food of civilization, wherever learning and intelligence spread bread goes hand-in-hand with them. Where you find one you find the other. While a few quacks have arisen occasionally to decry bread, the brains and learning of the medical world have ridiculed their claims. America, it is true, is a land of dyspeptics; but that is not caused by the use of bread. It is due to the fact that we take our food and drinks extremely hot or extremely cold, and bolt our meals without properly chewing and masticating them.

Germany and some of the other European countries where it is claimed, dyspepsia is unknown, are bread eating nations. They are careful, however, not to take their food or drinks too hot or too cold, and to properly masticate their food. The London Lancet, which stands at the head of medical journals of the world, claims that bread and biscuits no matter if hot are thoroughly digestible and healthy if properly chewed and masticated; but declares that the trouble with the hot food is that it is so easily swallowed that people do not usually so thoroughly masticate it as they do cold, dry bread. In this connection it is not amiss to state that the "Walsh-DeRoo" brand of flour "Sunlight," "Daisy," and "Hyperion" make the best bread, biscuits and pastry.

MACARTHUR HOME AGAIN

The Former Commander in Philippines Arrives in San Francisco from Manila.

HAS BEEN ABSENT OVER THREE YEARS.

Says War Has Hurt the Islands, But the Insurrection Is Ended and the Country Is Rapidly Returning to Peaceful Conditions—Little Resistance to Civil Rule.

San Francisco, Aug. 19.—After an absence of three years and two months Maj. Gen. MacArthur, recently governor general of the Philippine islands, returned to the United States yesterday on the transport Sheridan. Gen. MacArthur was the first to walk down the gang plank.

Beyond a slight loss in flesh, Gen. MacArthur looks the same as when he left this city three years ago. He had practically no illness during his stay in the Philippines and boasts of having been able to perform his regular duties every day during that time.

Talks of the Philippines. In an interview Gen. MacArthur said:

"War has wrecked the Philippines and laid waste whole districts. The people in many districts have relapsed into barbarism. The best conditions prevail in northern Luzon. You may say that the whole territory is pacified but not tranquilized, but it will not be many months before law and order are observed everywhere."

"While the conditions are not perfect, they are gratifying. A few groups of armed insurgents are still at large, but they will soon surrender, as their power is broken and they are not being aided by the natives. These natives have come to see that surrender does not mean death, and they are coming in every week with their rifles."

Criminals Cause Trouble.

"Throughout northern Luzon the insurrection has been dead for some time and there is freedom of movement. Still a large criminal class there commits depredations on Americans and natives, though the latter suffer the most severely. The natives are eagerly seeking the establishment of civil government that they may root out these bands of criminals. There is every reason to believe that the whole country will soon be perfectly safe for travelers."

The Worst Place.

"At present there is some trouble in Samar, but Gen. Hughes, with a large and effective force, has gone after them and will soon bring the insurgents to their senses. That is the worst place, but it is not interfering with the coast business. In Cebu and Bohol and occasionally in southern Luzon there is a slight outbreak, but it is caused by the criminal element."

"The civil commission was about to put in force some excellent ideas for the municipal government of the city of Manila when I left. The city is in excellent condition, especially in its sanitary departments, and its growth in business has been enormous."

Yield to Civil Rule.

Manila, Aug. 19.—Both the civil and military officials are gratified at the progress now being made by the Philippine commission. Everywhere throughout the northern islands the commissioners find conditions ready for civil government. Gen. Chaffee has received none but satisfactory news from Batangas and Mindoro, advice from those districts telling uniformly of captures or surrenders. Many rifles have recently been obtained and large quantities of supplies secured. Malvar and his principal officers are being closely pressed.

FLOOD IN THE ORIENT.

Details of the Disaster in the Yangtze-Kiang Valley in Which 20,000 Lives Were Lost.

Tacoma, Wash., Aug. 19.—Oriental advices give further details of terrible floods in the Yangtze-Kiang valley during July. It is estimated that not less than 20,000 people were drowned in the provinces of Kiangsi, Hupeh, Hunan and Anhui, while tens of thousands have been rendered homeless. The provinces of Kiangsi and Hunan suffered most severely, fully 15,000 persons having perished in Kiangsi alone. Rains fell continuously for 40 days.

Four Lives Lost.

New York, Aug. 19.—A collision between the steamship Alene of the Hamburg-American line and the pilot boat James Gordon Bennett Saturday afternoon resulted in the sinking of the Bennett and the drowning of four men who were aboard. The accident occurred about three o'clock near the Scotland lightship, which is stationed six miles off Sandy Hook. All that is known is that Alene struck the Bennett amidships, cutting the pilot boat in two.

Killed by the Cars.

Chillicothe, O., Aug. 20.—Robert Rutter and Jefferson Rutter, two farmers, were instantly killed at Vigo by a Baltimore & Ohio-Southwestern train Monday afternoon. The men were eating lunch in their wagon as they crossed the track and did not observe the moving train. The wagon was torn to pieces.

Held on a Serious Charge.

Chicago, Aug. 21.—John W. Brown, of Auburn, Ind., is a prisoner in the county jail at Crown Point, Ind., and is suspected by the officers of the law of having been implicated in the hold-up of the Baltimore & Ohio express train near Miller's Station, Ind., on July 31.

Sisters Drowned.

Maquoketa, Ia., Aug. 21.—Bessie and Hazel, aged 21 and 16 years, respectively, daughters of William Reeve, were drowned in the river here.

A Farmer's Crime.

Charles City, Ia., Aug. 20.—Julius Schuknecht, a farmer near here, fatally wounded his wife and himself with a knife while insane.

A REIGN OF TERROR.

Established by Infuriated Whites in a Missouri Town.

NEGROES DRIVEN FROM THEIR HOMES.

Their Residences Fired, and One Black Man Is Cremated—The Occurrence Follows Lynching of Two Blacks at Pierce City.

Pierce City, Mo., Aug. 21.—For nearly 15 hours, ending about noon Tuesday, this town of 3,000 people was in the hands of a mob of armed whites, determined to drive every negro from its precincts. In addition to the lynching Monday night of Will Godley, accused of the wanton murder of Miss Gazelle Wild, and the shooting to death of his grandfather, French Godley, the mob on Tuesday cremated Pete Hampton, an aged negro, in his home, set the torch to the houses of five blacks, and, with the aid of state militia rifles, stolen from the local company's arsenal, drove dozens of negroes from town. After noon the excitement died down, the mob gradually dispersing, more from lack of negroes upon which to wreak their hatred than for any other cause. Many of the negroes who fled the city are hiding in the surrounding woods, while others have gone greater distances in seeking safety.

Every negro has left the town except a few railway porters known to be respectable, but who must also leave. The citizens of Pierce City say that as negroes have committed several such crimes in the last ten years, none shall live there in the future, the same feeling already existing at Monette, four miles east of Pierce City, and the end of the 'Frisco passenger division. It may be necessary for the road to change all porters in Springfield hereafter.

May Have Been Innocent.

It is now believed that the man Will Godley, lynched, was not the real culprit. A negro named Starks, under arrest at Tulsa, I. T., across the border from here, tallies exactly with the description of the murderer. He is held there awaiting identification. Unless the man is brought back here it is believed there will be no further trouble. If returned here he will surely be lynched. Another suspect, Joe Lark, is under arrest in Springfield, Mo.

Eugene Barrett, also known as Carter, in a confession while a rope was around his neck, accused Joe Lark, a 'Frisco railroad porter, of being implicated in the crime, and Lark was arrested Tuesday at Springfield. Lark gave a detailed statement as to his whereabouts Sunday, and he is not believed to be guilty. It is not likely that either suspect will be taken to Pierce City while the excitement runs high. Some here think that Barrett told the story in order to save his life.

The funeral of Miss Wild took place Tuesday, and was witnessed by several thousand people. Pierce City is near the junction of four railroads and trains from all directions brought in large numbers of armed men Tuesday, bent on bloodshed if necessary. When the mob went to the section of the city occupied by the negroes, someone in the cabins opened fire, but no one was hit. The mob then destroyed the five houses, but the financial loss is small. Reckless firing broke several plate glass windows and a train was fired into. None of the passengers was hurt. The rifles taken from the Pierce City military company, it is expected, will all be returned. Members of the company themselves were out hunting for the escaping negroes with rifles and this suggested the idea of taking all the guns. The local hardware stores sold out their arms early but several applications from negroes were refused. The mob was composed of a thousand or more, and no masks were used and thirty negro families were driven from their houses.

Murder of Miss Wild.

New elements in the murder on Sunday afternoon of Miss Wild developed Tuesday. It appears she started home from church alone, her brother lingering behind. About one mile from town the brother found her with her throat cut, lying lifeless near a culvert under which her assailant had attempted to drag her. Evidence of a terrible struggle was shown. A copper colored negro was seen sitting on the bridge a short time before the tragedy occurred.

It is supposed that the negro sprang upon her when she was passing and attempted to force her beneath the bridge. She fought with such desperation that he could not accomplish his purpose and cut his throat in the struggle. Her body was not violated.

BURNED AT THE STAKE.

Terrible Fate of a Negro Murderer at the Hands of a Mob in Texas.

Dallas, Tex., Aug. 21.—A dispatch received here from Whitesboro, Tex., says the negro, Alf Wilder, charged with the murder of Mrs. Caldwell, the wife of a Grayson county farmer, at her home on Saturday last, was captured by a mob and burned at Nelson's ranch, 2½ miles east of Red Ranch. The burning occurred early Tuesday night. The mob was composed of 300 men. The negro was taken to a tree and swung up in the air. Wood and fodder were piled beneath his body and a hot fire made. Then it was suggested that the man ought not to die too quickly, and he was let down to the ground, while a party went to Dexter, about two miles distant, to procure coal oil. This was thrown on the flames and the work completed.

WILL STAY CLOSED.

Notice Given That the Bay View Mills Will Not Open Again—Progress of the Strike.

Milwaukee, Aug. 20.—The Illinois Steel company Monday posted a notice at the Bay View plant reading as follows:

"Owing to deliberate action of the Amalgamated association in violating their contract, these mills will be closed indefinitely. Employees are invited to call at the office and receive the wages due them."

Pittsburg, Pa., Aug. 20.—The United States Steel corporation made a series of gains Monday in the restoration of properties crippled by the strike of the Amalgamated association and its sympathizers. The steel mills at Monessen, after a long period of inactivity, were partly put in motion by strike breakers gathered in some of the southern states. Two more mills in the Painter plant were also started up, and another large mill at the Clark property was also operated for the first time.

Pittsburg, Pa., Aug. 21.—Following the rapid moves of the great steel strike there was a lull yesterday and neither side took decisive action that showed upon the surface. It has been a running fight so far, with small victories and minor defeats for both sides, but it now seems to be settling down into a hard, determined struggle, in which neither side will acknowledge defeat while there is hope left.

Chicago, Aug. 21.—South Chicago steel workers who are opposed to a strike issued a statement to the public, explaining their action in refusing to go out.

WELL PREPARED.

The United States Is Ample Able to Protect Our Interests in Panama If Occasion Requires.

Washington, Aug. 19.—Secretary Hay is not at all alarmed by the reports from Berlin that Germany is sending warships to the Atlantic side of the isthmus and that the cruiser Geier is to go to Panama as soon as she can be spared from the China station. It is not expected that any occasion will arise which would justify German intervention, and it is not believed that the German government would intervene without justification. However this may be, the United States will have warships on both sides of the isthmus before the arrival of the German ships and will be in a position to take whatever action may be necessary.

Washington, Aug. 21.—The navy department has been informed of the sailing of the battleship Iowa for Panama. She will stop at Acapulco for coal. The distance from San Francisco to Panama is 3,274 miles and the trip will occupy about 12 days.

THE BOER WAR.

Kitchener Says Wearing-Down Process Is Slow, Requiring Presence of a Large Force.

London, Aug. 21.—In a dispatch dated July 8 and detailing the condition of affairs at the front at that time, Lord Kitchener says: "There are no more than 13,500 Boers under arms. Although they are not able longer to undertake extensive operations, their apparently inexhaustible supplies of food enable them to maintain an obstinate resistance without retaining anything or defending the smallest portion of this vast country. The wearing-down process is necessarily slow, rendering the employment of a large number of troops still necessary. Great patience is still required to see the inevitable end of an insensate resistance, while it cannot affect the result, has become unjustifiable in prolonging the war and the sufferings of women and children." Since this dispatch was written the losses of the Boers have brought their forces down to about 11,000.

TRAINS COLLIDE.

Two and Possibly More Deaths Due to a Disaster on the Altan Road at Prentice, Ill.

Jacksonville, Ill., Aug. 21.—The "Hummer," the Altan fast Kansas City train, ran into a freight that had failed to clear the siding at Prentice, a station eight miles north of here, shortly after midnight. So far as known there were but two killed, Engineer Sheehan and Fireman Adams, of the passenger train, although several were badly injured. A special train from this city took physicians to the wreck. The passenger engine and baggage car were wrecked and the other coaches were derailed.

Breaks Another Record.

New York, Aug. 16.—There were fully 20,000 persons present at Brighton Beach race track Thursday when Cresceus and The Abbot started in the first heat. Cresceus won the first and second heats, and in the first heat broke the world's record for a mile made in competition. Time, 2:03½. Time of second heat, 2:06½. Accompanied by a runner, Cresceus trotted a third heat, going the mile in 2:05.

Killed by the Cars.

Peoria, Ill., Aug. 17.—Horace Easton, one of the wealthiest distillers in Peoria, was struck by an out-going passenger train on the Rock Island & Peoria road and instantly killed Friday evening. His wife and daughter live at 1958 North Halsted street, Chicago.

Soldiers Killed.

Junction City, Kan., Aug. 20.—Two soldiers were killed and seven seriously injured by an exploding shell at Fort Riley, near here.

A Reputation

HOW IT WAS MADE AND RETAINED IN HOLLAND

A good reputation is not easily earned, and it was only by hard, consistent work among our citizens that Doan's Kidney Pills won their way to the proud distinction attained in this locality. The public endorsement of scores of Holland residents has rendered invaluable service to the community. Read what this citizen says:

"Mrs. John Klooster, two miles of Zeeland, says: 'For ten or twelve years I looked in vain for some medicine to free me from distressing kidney complaint. I suffered at intervals during that period with aching pains through the loins, twinges up and down the muscles of my back, irregular and unnatural condition of the kidney secretions and frequent attacks of dizziness. My son, John Kloosterman, a tailor, 133 East Eighth street, Holland, noticed Doan's Kidney Pills advertised in the Holland papers and highly recommended by people who had used them. Thinking they might help me be procured a supply at J. O. Doesburg's drug store and sent them out to me. I noticed shortly after I commenced the treatment that it was doing me good and as I continued my condition improved. In my estimation Doan's Kidney Pills are by far the best remedy on the market.'

For sale by all Dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name, Doan's, and take no substitute.

HOW GERMS MAY BE KILLED.

Information About Disinfectants or Various Kinds and How They Are Used.

Scientific men say that the disinfectants most useful as germ killers are moist heat, such as is used in steam disinfectors, and certain chemical substances found by experiments to be germicides, says the Scotsman.

Steam at 212 degrees Fahrenheit will kill germs of high resistance in five minutes. Dry, hot air at 284 degrees, on the other hand, took four hours to effect the same end. It may be said that if articles of infected clothing are exposed to steam at 270 degrees for 15 minutes all germs are destroyed. These means, of course, apply to public disinfectors which municipalities possess for the disinfection of clothing, bedding and the like.

The chemical disinfectants which are the most powerful are bichloride of mercury (a poison), which in the proportion of one part to 1,000 of water kills all germs. Half an ounce to three gallons of water with a little aniline blue added (to color the solution and prevent mistakes) and one ounce of hydrochloric acid to assist the action of the mercury makes the best disinfectant known. Only the public cannot be trusted to use a solution which is poisonous. Carbolic acid is not a powerful disinfectant. Used in the proportion of five to 100 of water it will not kill all germs, and water will not take up more of the acid. Izal is not poisonous and is a good disinfectant. It is used in the proportion of one to 200 of water. Chloride of zinc (a corrosive poison) is a disinfectant often used for disinfecting typhoid excretions.

NEWSPAPER MAN'S MISTAKE.

He Sent Vice President Hobart's Card to a Senator Instead of His Own.

A Baltimore newspaper man once came over to Washington to do some interviewing of public men, says a Washington correspondent of the Philadelphia North American. It was when Garret A. Hobart was vice president, and he called upon that distinguished New Jerseyan first. Then, with fear and trembling, he went to the residence of a senator who was noted for frigidly toward representatives of the press. He sent up his card and expected to be sent a curt refusal to be seen. What was his astonishment when the lackey came downstairs, bowed profoundly and said that Senator So-and-So would be down in just a minute, and would be so good as to make himself at home meanwhile. In less than that time the statesman came down the staircase at a pace that made the reporter fear for the safety of his limbs.

"Ah! Mr. Hobart, delighted to see you," he said, as he entered, with his hand outstretched, and before his eyes had become accustomed to the darkened parlor. Then, of a sudden, he drew himself up stiffly, fumbled in his waistcoat, pulled out the card that had been sent to him, and demanded: "What do you mean by this imposition, sir?" Like lightning it flashed on the newspaper man what had happened. He had, while in the vice president's room, inadvertently picked up one of Mr. Hobart's cards and had used it by mistake for one of his own. His apologies were ample, but the senator could not be induced to forgive that thrilling dash down the slippery staircase simply to accommodate a mere scribbler.

Holland Wins in a Fast Game

In one of the fastest games ever seen on the diamond the Holland club defeated the Blue Labels of Grand Rapids Tuesday by a score of 4 to 1. It was a battle of brothers as Kangaroo Ver Stay was in the box for the visitors and the invincible Jimmie was in the box for the locals. When the fans saw that the Kangaroo was in the box they thought another defeat was in store for Holland but they changed their mind after the first inning. Grand Rapids got a goose egg. For Holland Ben Van den Berg was the first man to face the Kangaroo. He hit safely. Then Jim DeFree struck out. Ben was busy stealing things and aided by Van Cedar's hit scored. The Blue Labels got their only run in the third on a costly error by Rob De Free. Both sides drew blanks in the fourth. In the fifth something terrific happened. Jim DeFree knocked the ball over the north fence for a home run and the fans made a balloon ascension. Jim has two home runs to his credit, the only ones made on the Holland diamond. Blanks in the sixth for both. Rob DeFree scored in the seventh on a safe hit and some daring steals. The rest of the game no scores were made.

The Holland club played winning ball the entire game, the work of Ben Van den Berg at third, and Kramer and Jappinga in the field being especially good. Jimmy Ver Stay pitched the game of his life, striking out three men in the second inning and striking out twelve in all.

Fennville Did It. Score 7 to 5.

At Fennville last Saturday afternoon the Holland club was defeated by the Fennvilles by a score of 7 to 5. It was a great contest and the Fennville boys earned the victory by fast fielding and heavy batting. Holland made two tallies in the second inning but all the others were goose eggs until the ninth when Ver Schure, who was in the box for Fennville, weakened a trifle and the Holland boys found him for three runs. Fennville earned its runs by hits that reached to the cornfields and the orchards.

In the seventh inning the Holland team was crippled by an accident. "Vaude" Van den Berg was trying to make second on an outfield hit when his ankle turned throwing him to the ground. His ankle was badly sprained and in a short time was swollen to twice its normal size. He is now at his home in this city and it will be some weeks before he will be able to play. At Saturday's game a young man from Osego took his place and finished the game. In the future his place at short will be taken by Van Cedar. "Vaude" has the sympathy of all of the fans in his misfortune and they hope that he will soon be fully recovered from the effects of the injury.

Holland and Fennville each has a game to its credit. They will meet at Holland for the "rubber" in a few weeks and the game will be worth long miles to see. Dr. Knoothuizen umpired Saturday in a very satisfactory manner.

Sporting News

The painters and decorators made life a burden to the saloon keepers on the local diamond Wednesday, defeating them by a score of 25 to 5. The game was too one sided to be interesting as the presence of such swift men as Ben Van den Berg, Hoek and Thole in the painters line up made it possible to outclass the saloonkeepers. The latter, however, made a good-up-all fight and did not give up until the last man was out in the ninth inning.

The Holland base ball club will be up against the swiftest proposition of its history next Wednesday afternoon on the local diamond. It will be pitted against the Garlands, of Grand Rapids, the nine with the star amateur record of the Valley City. The Garlands have a string of victories to their credit, the most notable being the victory over the fast Harvard team. Harvard had Rathbun in the box. Rathbun, it will be remembered, held the Big Rapids team down to

one hit but he could do nothing with Harvard. The Garlands, however, did the trick in decisive manner. Should Holland win against them it will be the most brilliant event of its history.

Big Rapids defeated Zeeland at Grand Rapids Saturday by a score of 4 to 3. Luther pitched for Zeeland.

Holland will be pitted against one of the fastest amateur clubs in Grand Rapids this afternoon when it will meet the Y. M. C. A. club, of Grand Rapids on the association grounds.

Jim De Free, Holland's first baseman was presented with the following for making his last home run: From Con. De Free—a new hat; from J. B. Mulder—tie, collar and cuffs; Dr. Knoothuizen—pair of patent leather shoes.

Another Victory

Today's game between Holland and Grand Rapids Y. M. C. A. resulted in a victory for Holland. The score stands 5 to 3. All the scores on the home team side were made in the first inning. Pitcher Verstay struck out 13 men.

Eczema for Forty Years.

The Unqualified Statement of a Well Known Attorney, St. Ignace, Mich.

Some of the cures made by Dr. A. W. Chase's Ointment of stubborn and long continued eczema and skin diseases are causing much comment.

People are beginning to realize that this Ointment is a wonder worker with all kinds of skin trouble. Attorney Jas. J. Brown, St. Ignace, Michigan, writes as follows: Dr. A. W. Chase Med. Co., Buffalo, N. Y.—Gents:—I cannot refrain from expressing my acknowledgment for the relief I have felt from Dr. Chase's Ointment. For 40 years I was afflicted with a skin disease which was located in one spot—on my leg. I have spent at a rough estimate five hundred dollars trying to effect a cure, and not until I applied this ointment did I get relief. You are strangers to me and this letter is prompted directly because I want to say and I feel as though I ought to say it. That Chase's Ointment has effected a complete cure of my affliction. Three boxes did the work on my leg. I was also suffering from itching piles and applied the ointment which gave the best of satisfaction by affording me rest at night and rapidly causing the disease to disappear. I have received such relief and comfort from the ointment that I cannot withhold expressing my gratitude. I was so long afflicted with the tortures of eczema, I feel now that I am cured, a word of recommendation is due from me.

Yours truly,
JAS. J. BROWN.

Astounded The Editor.

Editor S. A. Brown, of Bennettville S. C., was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For Indigestion, Loss of Appetite, Stomach and Liver troubles it's a positive, guaranteed cure.
