### MAYOR TURNS THE TABLES ON CITY ATTORNEY

STREET CAR RATE CASE SPOILS TWO VACATIONS

It's enough to make any man mad to be called from his summer vacation after trying to get a little rest and recreation after a year of hard work, but official business, especially when it is important waits for no man.

A week ago Mayor Stephan was on a little summer outing trip of a week, and he had just gotten a two days start, when City Attorney McBride wired him to come home immediately as there was going to be a hearing of the Telephone and Interurban rate raising cases at Lansing, Michigan.

What was the mayor to do but to jump on the first train and go to Lansing, which he did.

Charlie McBride, the city attorney on the other hand, started mandamus proceedings before he left on a vacation with an automobile party, traveling up the pike to the Michigan resorts.

The city attorney did not expect Judge Cross to give a hearing to the case before he had returned.

But lo and behold, the judge set Tuesday morning as the date of the hearing, two days after Charlie's end his friends were quietly rolling along in an automobile taking in the different resorts along Lake Michigan.

What could the mayor do but turn the table on City Attorney McBride and send a wire all along the line, insisting that Charlie be back in time for the hearing, and wouldn't it nearly make you swear to find out, when you got home, that the judge had set over the date of hearing for four days for the reason that another very important criminal case was in progress at that time?

The judge simply couldn't take cognizance of the city railway case nor of the city attorney's short vacation.

Charlie is now playing the game of "watchful waiting."

Michigan farmers through their wool pool are now the largest handlers of fleece wool and virgin wool blankets and fabrics in the state, says the State Farm Bureau. The state pool is now going into the third million pounds, and prospects are declared to be bright for a 4,000,000 pound pool before the summer is over. Six grading teams continue to handle wool at the rate of 360,000 pounds per week. The first consignment of farm bureau wool to the mills for overcoat fabric provided for nearly four miles of cloth 56 inches in width.

Friday and Saturday at the Strand Theater—don't miss it

## BE EARLY!

Entries are already coming in to the Secretary of the Fair in his Holland office on East Eighth street.

If you have any entries to make do it now and save yourself a great deal of waiting, which is the natural result when the rush comes. You can also aid the clerical force from being overworked on the last few days. This year entering exhibits in the Community Fair costs you nothing, but come early if you have something to enter.

### JOHN TINHOLT OF ZEELAND IS FOUND NOT GUILTY

WAS CHARGED WITH ATTEMPT AT MURDER ON STEP SON

Defense Was That Clyde Hecox Had Endeavored to Rob Tinholt

The case of John Tinholt, charged with murder, when it was alleged that he endeavored to kill his stepson, Clyde Hecox, near Waverly was ended yesterday after a trial of two days. Tinholt was pronounced "not guilty" by a jury of twelve men at midnight last night.

The case was given to the jury by Judge Cross at 9 o'clock, after the judge had given his charge, and three hours afterward the man was free.

The defense brought in allegations stating that young Hecox endeavored to rob John Tinholt, the man who was charged with the shooting.

Mr. Tinholt when he was put on the witness stand stated that he and his stepson were going on a hunting trip. That they went to West Olive for geese, and that the roads were so rough that they decided to turn back.

The defendant admitted that he had been drinking heavily, but that he was not so far under the influence of liquor that he did not know that the boy was endeavoring to rob him, and further said that the boy did rob him of his wallet containing \$94 in money and a \$50 check.

When the men reached a point one mile east of Huizenga's Tinholt claims that Hecox stated that the geese were to be found there.

He immediately stopped the auto and it was then alleged by the witness that Hecox came in the rear seat and the quarrel over the alleged taking of money was started and the half-drunken man endeavored to get his money back.

A wrestling match is said to have taken place there and then, each man grabbing the shot gun which was in the rear seat. In the scuffle the witness stated the gun was discharged and in that way the young man's arm was injured and the damage was done to the automobile. After quarrel the boy again resumed his seat in the car and drove it from Waverly to the Scholten bridge where he tried to make the sharp turn too quickly and in so doing struck the bridge.

Tinholt claims that they both got out of the car and both again began to wrestle for a second time, Tinholt trying to get his money back. Tinholt stated that the young man endeavored to strike him with the gun butt and then suddenly disappeared.

Thinking that the young man had fallen into the river, induced him to write the note "Died for his Mother's sake."

The witness then claimed that after he had done his best to find the boy he got back into the car, took another drink and fell into a stupor.

The automobile in question was in evidence, and the jury was shown the machine, and it is stated that their conclusions were in a measure drawn from the deductions presented by the defense who brought out that Hecox could not have been sitting in the front seat when the gun was discharged.

Attorney Miles who appeared for the people brought out the case in behalf of Mr. Hecox and the State of Michigan much along the line of the stories that have already been published when the shooting took place.

Two Holland men were on the jury, namely, Bert Beekman and John Kolean. The other jurors were: John Loek, Wm. Connelly, M. Ten Brink, H. Pellegrom, A. Whitsell, W. Anderson, E. Warner, J. W. Roberts, Charles Reeths, J. J. Stevens.

The attorneys for Mr. Tinholt were Thos. N. Robinson and Jay DenHerd-er of Holland and Attorney Mintner of Lake City.

The last twilight game of the season was played on the local diamond last evening which proved to be the most exciting contest of the season going eleven innings and when the game was called on account of darkness the score stood one and one.

Pitchers were Miller for Allegan and Steggerda for Holland; catchers Vander Molen of Allegan, and Spriggs of Holland.

Holland made its first score in the third. Allegan got nine hits off Steggerda while Holland only got 3 hits off Miller of Allegan.

### HOLLAND FAIR TO HAVE EDUCATIONAL BUILDING

ALL SCHOOLS IN OTTAWA AND ALLEGAN INVITED TO SEND EXHIBITS

Large Number of Cash Prizes are to Be Offered By the Fair Association

The Holland fair this year for the first time in its history can boast of an educational building. Before this the exhibits from the schools have been displayed in the Art Hall, but this year the schools will have a building to themselves. The old dining hall has been converted into a place for school exhibits.

The fair association invites any school in Ottawa or Allegan counties to send exhibits to this building. That means every school, public, parochial or private, and it includes all the grades from the kindergarten to the high school, both inclusive.

There will be a large number of cases and racks in the educational building for the exhibits from the schools. One big glass case eight feet high and 14 feet long, made entirely of glass, will be for needle work displays and fancy work. And there will be other cases for other exhibits from the schools.

A large number of cash prizes may be won by persons who send exhibits to this building. So many are there that it took sixteen pages in the fair book to tell about them all. Most of them are well worth striving for and it is expected that the exhibits will be the largest ever entered in this class at a Holland fair.

Demonstration work in reading, dramatization, music, penmanship, domestic art, domestic science, manual training, and physical education will be a feature of the exhibit. All entries must be made and all exhibits in place not later than 12 o'clock noon, September 14. Judging will begin on Tuesday afternoon of fair week.

Miss Lydia Rogers and Mrs. J. J. Riemersma will be superintendents of the school exhibits.

### HOLLAND WILL SEND BIG DELEGATION TO THE BASEBALL TOURNEY

MANAGER SPRIGGS WILLING TO WAGER TOWN WILL FURNISH MOST SPECTATORS SUNDAY

Holland baseball fans are put out over reports of the big crowds that will attend the state championship baseball tournament games in Grand Rapids next Sunday from Lowell and Grandville, while little mention is made of the Holland fans, altho Holland is on the double bill. Manager Spriggs says he is willing to wager a greater number of fans from Holland and vicinity will attend the game than from Lowell, Grandville and Jenison and Kalamazoo all put together.

In anticipation of a heavy traffic the Michigan Railway Co. is planning on having extra rolling stock in readiness to handle any overflow. Holland and Zeeland are expected to send at least 2,000 fans to the game.

The Holland team has beaten several teams which survived the first round of play in the tournament and at that time was not as strong as at the present time.

The following batting order is announced by Manager Spriggs for next Sunday's game: Shaw, ss.; Spriggs, c.; Woldring, cf.; Jappinga, lf.; V. Hoover, rf.; H. Bissonette, 2b.; G. Batema 3b.; DeYoung, Steggerda, Ingham, p.; M. Hoover, ut.—G. R. Herald.

### THIS MARKET WILL NOT NEED ANY ICE IN THE FUTURE

A new machine is being installed in the meat market of De Kraker & De Koster that will make it unnecessary for the ice man to call at that place in the future. The machine is a York Cooling plant, and it is in effect a private ice manufacturing concern. The machine is run by a motor and is connected by a system of pipes with the ice box. By running the motor the ice box is kept at the necessary low temperature without the use of a large supply of ice cakes. The machine, which is made in Chicago, is being installed by Smith & Combs of Benton Harbor. It will be ready for business by the end of this week.

### SERIOUS AUTO WRECK ON PARK ROAD

AUTOMOBILE TAKES COMPLETE SOMERSAULT

Three men from Benton Harbor are putting in an ice plant at a local butcher shop, are said to have gone on a "lark" intending to go to a dance at the park at 10:30 last night.

They got into a Dodge truck and started for the resorts at a high rate of speed. When they reached the Fisher farm they struck a deep rut, and the car took a complete header over into the ditch.

The men were all from Benton Harbor and their names are Jim Packard, who was taken to the City jail, A. M. Merril and Glenn Anderson, who are at a local hotel under the care of Dr. Kools.

It was found that Anderson had a rib broken and was otherwise injured.

It seems a miracle that the men were not killed instantly. The men were arrested by Deputy Sheriff Geo. Mooney and Deputy Sheriff George Hamberg of Park township on the charge of drunkenness.

They were taken before Justice Van Schelven and pleaded guilty to the charge.

Anderson was fined \$31.50; Murrell \$25.50 for being drunk while Packert was given the heavy fine of \$106.50 for driving an auto while intoxicated. All paid.

### WERE MARRIED AT HOME OF THE BRIDE

MISS NELLIE BRINKMAN IS WEDDED TO ALFRED L. HATCH

A pretty home wedding took place Wednesday evening at 8 o'clock at the home of Mr. and Mrs. A. H. Brinkman, when their daughter, Nellie E. was given away in marriage to Alfred L. Hatch, Rev. James Martin officiating.

The bride, beautiful in a French gown of blue, was attended by her sister as bridesmaid, Mrs. Jeannette Knooihuizen, while Mr. Ray Knooihuizen acted as best man.

Only the immediate relatives witnessed the ceremony after which refreshments and music were enjoyed.

On account of the opening of Mr. Hatch's business, the wedding trip will be deferred until December when Mr. and Mrs. Hatch will leave for New York and other eastern cities. They will be at home after Sept. 15th at 195 W. 13th St.

### YOUNG MINISTER WEDS LOCAL TEACHER

MISS EVELYN DE VRIES AND REV. HENRY O. HOSPERS MARRIED WEDNESDAY NOON

A very beautiful wedding took place Wednesday noon at the home of Dr. and Mrs. B. J. De Vries when their daughter Evelyn Grace became the bride of Rev. Henry Overkamp Hospers. The ceremony was performed by Dr. Henry Hospers, father of the groom. The bride was attended by Mrs. John Vanden Broek as matron of honor and Miss Florence Venema as maid of honor; the groom by his brother, Rudolph Hospers.

Miss Evelyn Keppel sang "O Perfect Love," and the wedding march was played by Mrs. R. A. Eudsen, of Lawrence, Kansas. Mr. and Mrs. Arthur A. Visscher acted as master and mistress of ceremonies.

Miss De Vries is a graduate of Hope College, and she taught for several years in the Holland public schools. She was one of the soloists of the Hope church choir. Mr. Hospers is a graduate of Hope college and the Western Theological Seminary, and he has just completed a year of post-graduate work at Princeton. He has accepted a call to the Reformed church at Utica, N. Y.

### ALLEGAN GAS RATE HEARING ON AUG 30

The hearing of Allegans gas rate controversy will be held at Lansing, Aug. 30. Mayor Fairchild and City Clerk Berry will represent the city. The present gas rate is \$2.10 per thousand cubic feet while the gas company wishes to increase this to \$2.65.

The towns of Martin, Shelbyville, Wayland, Honkins and possibly Bradley all in Allegan county are to have electricity soon. All necessary arrangements have been made. The power will be purchased from the Consumers Power Co. and transmitted from Monticelli.

## PRAISES OTTAWA FOR CARE OF WAR DISABLED MEN

Grand Haven Tribune—C. L. Austin, welfare agent of the American Legion for the western district of Michigan, was in Grand Haven making preparation for the visit of the clean-up squad which will be in Grand Rapids shortly. While in Grand Haven he conferred with Mrs. D. McNett, home secretary of the Red Cross, who has been most active in behalf of disabled soldiers and sailors. Before leaving the city Mr. Austin stated enthusiastically that Ottawa county ranked among the very best counties in the state in the care and attention of disabled service men. This statement is a real compliment to Ottawa's two social service secretaries Mrs. McNett at Grand Haven and Mrs. L. M. Thurber at Holland, both of whom certainly deserve the compliment and appreciation.

## CAME IN AUTOMOBILE TO WATERMELON PATCH

Last Sunday night two boys from North Holland were caught in the melon patch of George Brower. The boys, John Bosman and John Bosch, had left their auto on the road in which three young ladies were eagerly waiting for a treat.

Instead of that it was Mr. Brower coming to the auto who offered to give the girls a ride to his home to find out their names, but the girls jumped out so he is not certain as to who they were. Arrests are expected to follow.

## HOLLAND IS CHAMPION OVER GRAND HAVEN

Holland is easily the champion ball team of Ottawa county, having won four games from Grand Haven, tied them in one game and lost but only one game with the county-seaters this summer.

Most of the games were played on Grand Haven's own grounds, with hundreds of Grand Haven rooters boosting for their own team. Holland of course was well represented, but the boosting odds naturally went to the county seat fans.

In spite of the bad ground conditions upon which Grand Haven has been accustomed to play the Holland Independents have consistently won upon Grand Haven's baseball lot.

In Thursday's game which was the clincher, Holland won by a score of 10 to 4.

## AGED CONKLIN MAN IS FOUND DEAD IN BARN

William McWilliam, aged 76, a farmer who has lived alone on his farm near Conklin for many years, was found hanging in his barn on Thursday afternoon by neighbors.

Coroner H. J. Boer of Grand Haven was notified of the gruesome discovery and started for there at about 8 o'clock in the afternoon. After an investigation and examination of witnesses, he released the body for burial, without inquest.

The aged man who lived alone on the place had not been seen around by neighbors who became worried that something might have happened to him. Upon entering the barn, the body of their neighbor was discovered. Medical attendance was secured but the aged man had been dead for some time. It is believed that he had become despondent.

## WESTING BROS. TO BUILD 7½ MILES OF CON- CRETE AT NEW ERA

A party of Fillmore and Holland people motored to New Era and one of them described on his return the letting of an unusually large federal and state concrete road contract to former Fillmore men. The job calls for the construction of seven and a quarter miles of concrete road and the contract price is \$218,000. The contract was let to John and Peter Westing, formerly of Fillmore, now residents of New Era. The Westing Bros. own their own gravel pit in which they have installed a gravel washer and screener. They are also equipped with two large cement mixers, eight trucks, and a variety of other machinery.

The Westing Bros. left Fillmore about 20 years ago with little or no capital and today they are the most important business men in their section of the state. They began business with a general store, later acquired a flourishing cannery factory and branched out into other lines of business so that now they are financially interested in most of the business concerns of New Era, employing in all about 150 men.

Mr. and Mrs. Fred Beeuwkes and daughter Delia, and Mr. and Mrs. L. Beeuwkes motored to Rockford Friday.

## BOYRANS DROVE INTO THE H. F. ZWEMER GARAGE

Sometime between Saturday night and Sunday morning burglars entered the place of business of Henry F. Zwemer, coal dealer and garage located on E. 8th street. They entered the place by jimmying a rear window, and they made their exit by breaking open a heavy wooden door.

They entered the office and rifled the cash register and damaging it. They opened the safe and took out \$50 in cash, \$48 of which belonged to another man who asked Mr. Zwemer to put it in his safe over Sunday, for the reason that he didn't want to carry so much money with him.

From the garage several large Firestone tires, possibly a dozen in number were taken. Mr. Zwemer states that he has made some "Sherlock Holmes" deductions. He stated that there must have been two burglars who placed their machine at the extreme east end of the coal yard. The front wheels were smooth tread and the back wheels had a Firestone and a ribbed tire. One man wore a large shoe with rubber heels, while the other man wore a long narrow shoe.

This Mr. Zwemer says was plainly evident from the impressions made in the loose sand in the vicinity where the car was parked.

That the men were drinking was also evident from the large nearly empty bottle of moonshine that they had left in the service station.

Mr. Zwemer did not know of the burglary until 9 o'clock Sunday morning when he entered the place. He immediately called Chief VanRy who quickly gathered all the evidence possible, and the department is now busily working on some clues that may lead to the arrest of the guilty parties.

No one in the neighborhood heard any undue commotion in that neighborhood, but Mr. Zwemer states that this is not unusual, for the reason that there is a constant string of automobiles going forth and back during the night, and this is especially true on Saturday night when the thousands of resorters come to spend the week end at the local resorts.

Mr. Zwemer states that he estimates his loss at something like \$300 although it may be found much higher after the inventory is taken.

## COMPANY D MEN RETURN HOME FROM GRAYLING, MICH.

Sixty-five happy but tired boys, members of Company D came into Holland Sunday evening on a special train, after having spent two weeks at Grayling. Though Holland seemed pretty good to the men who had been away in camp, most of them would have liked to stay longer and receive still more training. They were enthusiastic over their experiences and pronounced the camp a great success in spite of the fact that rain often interfered with drill work.

The Holland company was in charge of Capt. Henry Geerds, who joined the camp during the last week. On the special train were the men from Grand Haven, Muskegon, South Haven and Holland, the combined forces of which towns made up about 300 men. There were sixteen coaches on the train, several of the coaches being needed for the horses and equipment.

The Holland men while in camp received their camp pay and also their drill pay for the period since they were mustered in several months ago. The total amount of money that was handed out to the 65 Holland men in camp came to the neat sum of \$4,700.

Company D made an exceptionally good record on the range, and the Holland company was among the first in kitchen inspection after the first two days in camp. The highest mark received by Co. D for this was 97 out of a possible 100.

Company D was one of the youngest companies at the camp but it gave such a good account of itself that it won the approval of the higher officers. The boys have been drilled hard since they were organized some months ago, and the results of that drill showed in their work in the camp.

Former Mayor Henry Geerlings was in Grand Rapids on business Friday.

## FORTY BOYS ON "BIG HIKE" VISITED HOLLAND SUNDAY

An unusual sight was witnessed at the First Reformed church Sunday forenoon when a company of forty Sunday school boys from Rock Island, Ill., visited the local Sunday School. The Rock Island boys constitute a "Sunday School on wheels."

They go out every summer on tours, using two large trucks and a trailer. They pitch camp wherever they happen to be at night. These tours are in lieu of going to a permanent summer camp, and the boys seem to enjoy it more. Last summer they traveled 1,500 miles in this way.

The boys are accompanied by a drum corps, and they have all the excitement of camp life while at the same time they travel all over the country. On Sundays they visit one of the Sunday Schools in the city where they happen to be.

This summer outing was planned thirteen years ago by Attorney John H. Hauberg of Rock Island, and he has taken boys out on summer trips every year since. It is called by the boys the "big hike", and each summer it lasts twelve days, the total expense for each person on the trip being about ten dollars.

This summer the first stop was made at the Illinois State Park, and after that the following places were on the schedule: the dunes of northern Indiana, Holland, South Haven, across Lake Michigan to Chicago, Lake Front Park at South Chicago, the Stockyards, Board of Trade, the Field Museum, Great Lakes Training Camp, Lake Geneva, Rockford, and Camp Grant.

The boys are all over 12 years old. The Sunday school that Mr. Hauberg conducts at Rockford has a number of other similar entertainment features, but the "big hike" is what all the boys strive for. Forty boys can be accommodated and there is great rivalry to be included.

Dr. C. Van Gelderen of the Free University of Amsterdam, Holland, will speak in all the Christian Reformed churches of this city next Sunday. Dr. Van Gelderen is in this country for the purpose of attending the meeting of the Pan-Protestant Alliance which will be held in Pittsburgh, Sept. 16.

## STORM DOES CON- SIDERABLE DAMAGE TO THE TREES

It is doubtful if Holland citizens ever saw a blacker and more threatening looking storm than the one that came out of the northwest at 7:30 Friday night. A long rolling mass stretching across the horizon swept swiftly into the city and for a few minutes a veritable hurricane passed over Holland.

The wind storm was of short duration, however, but the trees of Holland suffered considerably thereby.

A large tree near the Holland hospital was blown over onto the Citizens Telephone cable doing some damage.

Nearly a half tree was twisted off at Central Avenue Church, and the trees in Centennial park sustained considerable damage as large limbs were twisted from the sturdy maples. A beautiful tree at the W. H. Beach homestead, was uprooted and destroyed.

A fine maple on Tenth street in front of the Zwemer property near Pine avenue was struck by lightning and the tree will have to be cut down.

On 15th street near the Christian School a large tree was also blown down.

In nearly every street in the city large branches and parts of trees may be found scattered here and there by the storm.

The manager of the Bell Telephone states that no trouble had been experienced.

W. H. Orr, manager of the Citizens Telephone company states that the Citizens was hard hit, and considerable trouble calls have been made in, but all were taken care of as soon as they were reported. Mr. Orr also states that several complaints came in at 11 o'clock Friday night and some phone users became very sassy because the damage was not repaired immediately.

No one can control the elements and such demands are unreasonable.

Grand Haven Tribune—Anthony Kooiman of Daisy Farm, Ferry St., left at the Tribune office an ear of sweet evergreen corn grown at his farm. The ear weighs 26 ounces and is splendidly proportioned. Mr. Kooiman has two acres of this corn just ripening and the field is worth going far to see. The stalks measure ten and 11 feet in height. Mr. Kooiman is as enthusiastic and hard-working a farmer as he was a merchant and goes in for quality more than quantity.

Pure Blood Is  
Foe of Rheumatism

Health Talk No. 22

By JOHN DE JONGE, D. C.

Where the blood is pure there is no rheumatism. Rheumatism is due to faulty elimination of poisons from the body. It is principally due to weakness of the kidneys.

In acute inflammatory rheumatism the joints, usually the wrists, ankles, elbows and knees, are the seat of inflammation. Movement of joints affected causes great pain. To minimize pain the muscles will remain contracted. The bones may become deformed and the joints stiff.

When the spinal nerves to the kidneys and bowels and lungs are free, every eliminative process of the body is active, and the blood is pure. Chiropractic spinal adjustments freeing spinal nerves to these organs will remove the cause of rheumatism.

UNCLE BEN SAYS:

"Rheum is the best medicine for the shocks of life."

Began Suffering at 13

"I was 13 when I first suffered an attack of inflammatory rheumatism. Last winter for three weeks I was unable to move a muscle, except my tongue. I was fed with a spoon. In April I started chiropractic. Today I feel better than for many, many years. I make this voluntary statement that others may know what chiropractic has done for me in this terrible malady."—H. H. ### SOLDIER WAS BURIED ON MON- DAY AFTERNOON

The funeral of Clarence G. Jeffers, the young soldier whose body arrived recently in Holland from France, was held on Monday afternoon at 2:30 o'clock at the city hall. The services were under the auspices of the Willard G. Leenhouts Post, American Legion.

Private Clarence George Jeffers is the son of Mr. and Mrs. David Jeffers. He was born in Joliet, Ill., Feb. 2, 1896, and came to Holland with his parents some years later. He entered Camp Custer Nov. 26, 1917, as a private in Company L 337. He was later sent to North Carolina in Co. E, 39th Infantry, and from there he went across to France.

He was killed in action in the Argonne Forest battle on October 13, 1918. He is survived by his parents and three brothers, Irwin, William and David, all of Kalamazoo.

### ENTERTAINS FRIENDS ON HER NINTH BIRTHDAY

Marie Leona Vegter entertained her many friends Thursday on her 9th birthday anniversary. She was the recipient of many beautiful and useful gifts. The party started at 3 o'clock and all enjoyed themselves on the lawn with games. A bountiful supper served where 14 youngsters sat around the table which was decorated for the occasion. The following children participated.

Kathryn and Merriel DeVries, Adelia Beeuwkes, Lucile Buter, Lois Geerds, Walter Van Ry, Elizabeth Van Ry, Fay Kalmink, Caroline Ghysels, Lois Mae Knooihuizen, Alvin Vegter, Helen Kathryn Dornbos of Grand Haven, Robert Oelen.

### MARRIED THURSDAY NIGHT AT THEIR NEW HOME

A beautiful wedding took place Thursday evening at 8 o'clock when Henry Cook, son of Mr. and Mrs. G. Cook, and Miss Minnie Gallien, daughter of Mr. and Mrs. S. Gallien, were united in marriage at their new home on West 18th street. The ceremony was performed by the Rev. J. M. Vander Kieft, pastor of the 14th street Christian Reformed church in the presence of the immediate relatives of the bride and groom. The bride and groom were attended by Fred Gallien and Katherine De Kraker, and Miss Katherine Van Uyl played Lohengrin's Wedding March. The bride wore a beautiful gown of white satin and Georgette and a bridal veil. She carried a bouquet of sweet peas and roses. The young pair were the recipients of many beautiful gifts. They have left on a short wedding trip by automobile.

### CAUGHT FOOT IN SIDE- WALK WATER PIPE

The two and a half year old daughter of Mr. and Mrs. Gus Bostis of the Quality Candy Kitchen attracted almost as much attention to herself Thursday evening in front of her father's store as a three-ring circus and a dog fight combined.

The tot while playing in front of the store caught her foot in some way in an open water pipe in the sidewalk. The foot was caught in such a way and so tightly that it was impossible to release the child without smashing the pipe.

But to get at it a section of cement sidewalk had to be chopped away. The little girl did not seem to mind the experience but laughed gleefully when a big coat was put around her to protect her against the flying chips of cement. An immense crowd gathered to watch the rescue. The pipe was split open and the child was released without being any the worse for the experience.

### HAMILTON GIRL TO WED IOWA MAN

Invitations were received in Holland Thursday to the marriage of Miss Bertha Brower, daughter of Mr. and Mrs. Herman Brower of Hamilton and Mr. Gerrit Van Zyl of Hospers, Iowa, and instructor at the University of Michigan. The wedding will take place on August 31st in the American Reformed church at Hamilton. Mr. Van Zyl is a graduate of Hope College of the class of 1919 and Miss Brower graduated from the Preparatory Department of Hope in 1917.

Sheriff Fortney of Grand Haven, Thursday night snooped into a Buick car owned by E. J. Slocum a resorter from Detroit and seized a case said to contain 12 quarts of liquor. The liquor was seized and the owner of the car held by the sheriff until he gave bonds for his release. The owner disclaimed all knowledge of the liquor, declaring that he had attended a picnic in Muskegon the day before and the wet goods must have been placed there without his knowledge and perhaps put in the wrong car by mistake.

### PROFESSOR'S DAUGH- TER BECOMES BRIDE OF YOUNG DOCTOR

One of the most beautiful events of the summer season took place on Thursday evening in the presence of about 75 guests when Miss Alice Edith Raap and Dr. Matthew Jay Flipse of Cincinnati, O., were united in marriage at home of the bride's parents, Prof. and Mrs. Albert Raap, 307 College avenue.

The ceremony was performed by Rev. John Van Peursem of Kalamazoo before an altar of palms and ferns, set off by bouquets of white astors and by candles. The bride's party entered after Miss Helene Van Raalte sweetly sang "A Song of Thanksgiving" and "O Promise Me," accompanied by Mrs. A. Van Westenburg of Newark, N. J., and Miss Johanna Boersma played the wedding march.

The bridesmaids were Miss Angie Luidens, who wore a dainty gown of blue organdie; Miss Esther Mulder, whose frock was of green organdie, gracefully draped and caught with ribbon, and Miss Marie Boersma, gowned in pale pink organdie. Miss Harriet Baker of Grand Haven, the maid of honor, wore an attractive gown of pale lavender georgette, trimmed with beads. She carried Maryland roses and swansonia and the bridesmaids' bouquets were of garden flowers and roses. Little Beatrice Mae Geerlings carried the ring in a petty basket of roses and sweet peas.

The bride, who was given away by her father, was beautiful in her gown of charmeuse, covered with beautiful chintilly lace, and her veil was becomingly draped and caught up with orange blossoms. Her bouquet was of roses and swansonia, tied with chiffon.

Dr. Gerard Raap, of Cincinnati, O., brother of the bride, attended the groom; John Dalenberg and Teunis Prins of New Brunswick, N. J., acted as ushers.

The bride's mother wore a becoming dress of black charmeuse, trimmed with iridescent beads. Her corsage was of roses and swansonia. Mrs. Flipse's traveling costume was of blue velvet, with hat to match.

Mr. and Mrs. Max Reese of Reading, Pa., acted as master and mistress of ceremonies. The waitresses were the Misses Helene Dubbink, Christine Cappon, Fern White, Vera Keppel, Florence Dalenberg and Kathryn Mc Bride. An elaborate wedding supper was served, after the guests had showered Dr. and Mrs. Flipse with congratulations. The bride was the recipient of many beautiful presents.

The marriage is the culmination of a happy romance of Hope College days, from which institution both are graduates. Dr. Flipse is a son of the Rev. Martin Flipse of Seattle, Wash. for seven years pastor of Third Reformed church in this city, and Mrs. Flipse is a daughter of Prof. A. Raap, educational secretary and head of the department of Dutch language and literature at Hope college.

Dr. Flipse is a graduate of the Medical University of Cincinnati, U., which institution has honored him with the Peter Kilgour prize for the highest honors in scholarship and character in a class of 68 and he also was elected to the A. O. A. Honorary Fraternity awarded to eight members of a class of 68.

Dr. and Mrs. Flipse will make their home in Cincinnati, where he is an interne in the General Hospital. Since her graduation from Hope, Mrs. Flipse has been a teacher in the schools of Cincinnati.

Among the out-of-town guests was Mrs. J. R. Boersma of Chicago, the 80 years old grandmother of the bride.

### PHONE RATE STORY IS CONFIRMED BY OFFICIAL REPORT

As predicted by the City News Thursday on unofficial information, the Citizens' Telephone rates will not be raised in Holland. The unofficial report was confirmed Friday by an official report from Lansing in which the new rates in a number of cities of the state are announced. In Holland the rate will continue to be \$3 a month for business phones and \$2 a month for residence phones. The people of Zeeland were not quite so lucky. In that city the price of business phones was raised from \$2 to \$2.30, and the price of residence phones was raised from \$1.50 to \$1.75. A raise was also ordered by the commission for the city of Allegan.

### HOLLAND WOMAN INSTANTLY KILLED BY INTERURBAN

Saturday afternoon the news was brought to Holland that Mrs. Garrett Hesselink of Holland Township was killed and her sister Mrs. Henry Veldman of Elmbrook Park was seriously injured near noon on Saturday at the Elmbrook Park crossing about five miles southwest of the Grand Rapids limits by a west bound limited Holland Interurban.

Mrs. Hesselink, aged 65 years, had been visiting her sister at Elmbrook. The two women had gone to the station, Mrs. Hesselink intending to take a local car. While they were standing on the station platform, they heard a car approaching from the east. Mrs. Hesselink believing that it was the local, started toward the tracks to signal the motorman.

Her sister, noticing the speed of the train, and being told by waiting passengers that it was a limited and would not stop at that station, ran to her sister and attempted to pull her from the westbound track when the train struck them.

The motorman of the train was Bert Golds of Holland, and Jay De Young, conductor, of Holland.

The motorman, seeing Mrs. Hesselink on the track, had reduced his speed of the train before the women were struck. Then applied his emergency brakes, he stopped the train within 30 feet.

Mrs. Hesselink received the full force of the train while standing facing it.

Mrs. Veldman was run down while she still had hold of her sister. She was thrown to her side. Her arm and shoulder were injured, but she is not dangerously hurt.

Those who witnessed the tragedy went to the assistance of the two women. Mrs. Hesselink was taken to the north side of the tracks, where she died a few minutes later. Her sister was taken to St. Mary's hospital and the news of her sister's death kept from her. On the way Mrs. Veldman kept insisting that her sister be given surgical attention first.

Among those who were on the platform of the station waiting for the train and who witnessed the fatality were: O. J. Olsen of Elmbrook; Jos. O'Rourke, 710 Leitellier st., Grand Rapids; Otto Ley, 461 Pleasant st., S. E. Grand Rapids, and Roy Clemenshaw of Grandville.

"I was waiting for my train, when Mrs. Hesselink and her sister came to the station," said Clemenshaw. "I did not see her when she started to signal the train. I turned around from talking to other passengers and saw her standing on the tracks just before she was struck. Had I turned sooner I could have run and saved her."

Otto Ley said that Mrs. Hesselink's sister tugged at her to prevent her going onto the track, telling her that it was a limited and would not stop. He said Mrs. Hesselink refused to be detained and that she continued until being run down.

"The motorman made a very quick stop," said Olsen. "When he applied his emergency brake sparks flew over the tracks. The train stopped within 30 feet from where Mrs. Hesselink was struck."

O'Rourke said that the train crew was not to blame for the fatality, as Mrs. Hesselink in continuing toward the track, seemed undecided and wavered in her walk. The waiting passengers, he said, believed that she was out of harm's way. He said that this explained why none of the men who witnessed the tragedy attempted to prevent Mrs. Hesselink from going so far onto the right of way.

Neighbors procured a sheet and placed it over the body of Mrs. Hesselink and the coroner was notified immediately. He ordered the body taken to a morgue.

The tragedy is the first that ever happened at Elmbrook Park.

The body of Mrs. Hesselink was taken from Grand Rapids Tuesday to Holland and the funeral was held on Wednesday afternoon at 2 o'clock from the home which is located one mile East on 24th-st. Rev. J. H. Ghysels pastor of the Ninth-st. Christian Reformed church officiated. Here are three sons, who survive, Gerrit of Washington; Henry of Rudyard, Mich., and John who lived with his mother at home.

Rev. M. Verne Oggel was the speaker Thursday noon at the meeting of the Rotary club. His subject was the relations of capital and labor.

Marion Bazan is spending the week-end in Muskegon with Mr. and Mrs. B. Huntley.

### WORK STARTED ON NEW \$21,000.00 CHURCH BUILDING

Work was begun Saturday on the erection of a new \$21,000 church on Lincoln Avenue. The building is that of the Sixth Reformed church, and it is scheduled to be completed by December 15. The basement of the church was built some years ago and the superstructure will now be added. The contract price for the present building is \$12,000. But when the equipment has been added the price will come to \$15,000, and this, together with the \$6,000 that was expended on the basement will bring the price of the completed church to \$21,000.

The architects are J. & H. Daverman of Grand Rapids, and the contractor is M. Oudemolen, the same contractor who built the basement. The exterior will be of Kellastone and the interior will be decorated. The seating capacity will be over 400. There are four large rooms in the basement. The auditorium will be equipped with a roomy gallery as well as with a large organ loft with plenty of room for a large organ to be purchased later.

Rev. J. H. Bruggers, pastor of the church, is chairman of the building committee, and the other members are: S. Verburg, Wm. Prince, Wm. Douma, Peter Berghuis, R. Vaupell, R. Van Voorst, B. Vander Ploer, H. Vande Water, Wm. Eding, John Kleives, Peter Moes, R. Ryzenga.

This new church is the result of several years of devoted effort of a new congregation. Sixth Reformed church was organized a few years ago with a comparatively small membership. It has been growing rapidly, and a larger building became an absolute necessity. But during the war it was not advisable to build, so the congregation made the experiment of erecting a basement and putting a roof over it, using it as a church. This proved highly successful, and now the superstructure is to be added, completing the original plans.

### HOLLAND GOOSE EGGED GRAND RAPIDS TEAM SATURDAY

Our Holland boys did some thoro cleaning at Ramona Park Saturday afternoon when they met with the West Siders' of Grand Rapids and beat them out by a score of 9 to 6.

This is the first game that Holland has thus far played in the Michigan State Base Ball Tournament and if the home team keeps up this gait there is no doubt as to what the final results will be.

A clean single over short by Center Fielder Hoag of the West Side Merchants was all that stood between a no-run, no hit game for Pitcher Marvin Steggerda of our home team played wonderful ball and was backed up with practically errorless ball by the rest of the team.

There were at least 400 Holland rooters present and altho outnumbered by the Grand Rapids crowd in their home town Holland fans were heard from in good shape. M. Merchants.....0 0 0 0 0 0 0 0—0 Holland.....1 6 0 0 2 0 0 0—9 Batteries—Holland, Steggerda and Spriggs; Mich. Merchants, Falk, Schonwald and Braun. Umpires—Ross and Wenger.

### HOPE CHURCH INTRODUCES NEW HYMNARY SUNDAY

Last Sunday Hope church introduced the new Church Hymnary, which has been specially bound into a handsome format. Both the hymns and tunes make this collection perhaps the very best in Christian worship. The combined committees of the Reformed Church in America and the Reformed Church in the U. S. have labored since 1912 to perfect the anthology and the musical settings, and have finally brought their work to a successful fruition in 1920. Among the membership of the Committee for the R. C. A. you will find the familiar names of Drs. Bruce, Vennema and Kolyn.

One of the features of this book that specially recommends the volume is the fact that as many as 40 hymns in it are devoted to brotherhood and social service. Another is, that none of the "good old hymns" are missing in this volume. There are also as many as twenty-one hymns that are distinctly evangelistic.

Attorney Thos. N. Robinson and a brother the Rev. William Dennis Robinson of New York and his father Capt. William Robinson of South Haven, motored to Montague and White Lake Friday.

Zeeland has honored one of its ex-service men being placed on the State Rifle team. Lieut. Henry Holstge is the lucky man.

Rev. J. L. Heeres of Reeman, has declined the call recently extended him by the Chr. Ref. church of Borculo.

Con De Pree who is resorting at Manff, a popular watering place in the Canadian Rockies, writes that it is beautiful, cool and quiet up there and that he is improving in health.

Even outsiders are finding Kardeau Beach. Members of North Street Chr. Ref. church of Zeeland, several hundred strong picnicked there Thursday.

Airplanes have become so common that they even cease to be a fair attraction. Wednesday and Thursday two hydroplanes flew over the city and Friday a large white airplane circled around up above. In 1930 Holland no doubt will have a speed airplane cop, if this thing continues.

B. Huizenga celebrated his 71st anniversary Friday evening. Altho the weather was very bad, the children came to see him. There were children, grandchildren and great grandchildren present. The evening was spent in music and old time chats, after which light refreshments were served.

Abe Peters, the 5 and 10 cent store man can't leave Holland. He tried out living in Grand Rapids for a year, but decided to move back into his old homestead on State street. Several of Mr. Peter's children were studying at Calvin College and he made the temporary move in order to be near them.

The Staals are leaving Zeeland. Miss Anna J. Staal, long connected with the Zeeland State Bank has severed her connections there and will enter for training as nurse at Hackley Hospital, Muskegon. Wm. J. Staal has accepted a position to teach in the school for Christian Instruction at Peoria, Ia., and expects to leave for that place in ten days.

The scaffolding has been put up in the Methodist church for decorating the interior. A carload of lumber was required for this. The interior of the church will be given five coats of encaustic paint, a new kind of material that has not been used in any other large building in Holland. It is said to be guaranteed to last for a couple of centuries.

Four Holland men buy the most expensive automobiles yet purchased here. John Telling, August Heur, and John Whelan of the Holland Shoe Co. and A. H. Landwehr of the Holland Furnace Co. each have purchased a luxurious Lincoln car. It is said that these machines are mechanically perfect and have an individuality and style that is especially noticeable. They should be, for they cost in the neighborhood of \$7,000 a piece.

Mr. and Mrs. Oscar Welsh and daughter motored to Holland from Detroit simply to look over the old town. Mr. Welsh left Holland eleven years ago, and it will be remembered that for several years he was ticket agent for the Holland Interurban in the Waverly building, while Jack Busby was still the superintendent. He said, "Gee, Holland looks good to me. When I left my house was at the edge of the city. Now the edge of the city is a great deal further out. New things that I noticed are two new bank buildings, a new city hall, a new postoffice, lots of factories, and many enlarged ones. The sky line of 8th street and River avenue has also changed a great deal. The old wooden buildings when I was here have been replaced by fine stone ones. Holland surely looks good to me."

The little daughter of Mr. and Mrs. Jones of Waverly Saturday fractured her right wrist when she fell from the ladder of the water tower. Dr. Westrate reduced the fracture.

Holland has a great pitcher in De Young, who won two and lost one game last season for the Grand Rapids Central League team. President Morrissey tried to sign him to a 1921 contract but he refused because of a prosperous business at Burnips. If De Young is beaten in tournament play this year it will take a real ball team to turn the trick. —G. R. Herald.

Born to Mr. and Mrs. John Serier, a boy.

Austin Harrington of Holland, the chairman of the Ottawa county good roads commission, will attend the 13th annual convention of Good Roads men to be held in Flint on August 30, 31 and September 1.

A large number of members of the Holland H. O. H. will leave this city by special interurban for Grand Rapids Thursday to hold a joint picnic with the Kalamazoo and Grand Rapids aid societies, who will picnic at Long Lake. It will be the annual 40th outdoor session of the order and the anniversary will be observed by pledges to more intimately associate with the Kalamazoo body. This is expected to be an initial step in a program for closer affiliation all Holland-American fraternal societies of Western Michigan. Thursday the public is invited and about 1,500 are expected to attend. Special trains will leave the Grand Rapids Union station at 7 a. m. The railroads have provided an excursion rate.

When Mr. and Mrs. R. W. Herrick to Jackson were about to return to their home there after spending a week at the home of Mr. Herrick's mother, Mrs. Ben Herrick, 277 West 12th street, their little nine year old daughter, Catherine Ruth, was suddenly taken ill with appendicitis, so that an operation was necessary. She was operated upon Saturday in Holland Hospital, the operation being performed by Dr. F. Warnshuis of Grand Rapids and Dr. Wm. Tappen Holland. It was very successful and the girl is improving rapidly. The Herricks will stay in Holland for another week before returning to Jackson.

Farewell services are being planned by Holland churches for Mrs. Albertus Pieters and her daughter Miss Gertrude, who expect to leave Holland for Japan on Labor day and sail from San Francisco on Sept. 14. Mrs. Pieters has been a missionary in Japan for about 30 years, while Miss Pieters, who graduated from Hope College in June, has received her credentials as missionary from the board of foreign missions of the Reformed church. Mr. Pieters is now in Japan as a newspaperman missionary.

Secretary Arendshorst will have no airplanes at the Holland fair, altho he's getting scores of letters from airplane companies who want to fly free as long as they're allowed to pick up fares at \$10 a passenger. Mr. Arendshorst says there is a great deal of danger with airplanes where there is a compact crowd. Just recently one plane came down on 15 parked automobiles burning the machines and killing seven people who were occupying them and who were quietly and without a suspicion of danger watching some race horses perform. Mr. Arendshorst stated that two years ago when the planes were here these flew so low over the bleachers near the old grandstand that scores of people tumbled off for fear that the machine was going to strike them. The Holland fair man is not going to take any chances.

Waverly is again filled with hoboes. As high as fifteen of them were seen gathered around the soup kettle at Rattlesnake point.

Charles Rozema of DeVries and Dornbos, has started a vacation with Mrs. Rozema and is taking an auto tour about the state.

Ed McLean, a "Weary Willie" from Waverly became drunk on Holland's public streets Monday and was gathered in by Officer Bontekoe. A "jamacia ginger jag" was the charge, brought by Chief Van Ry. Justice Brusse sent him to the county jail for ten days.

The automobile stolen from Detroit last August and found abandoned along the Saugatuck road has been claimed by a citizen of Jackson, who called upon Chief Van Ry for his property Tuesday. He was profuse in his thanks to the local police for finding his car.

A number of friends and relatives of Mr. and Mrs. L. Knoll motored to their home in Laketown Friday evening in honor of Mrs. G. Borgman and daughter Anna, who are visiting with them from Grand Ledge. Supper was served and a good time was enjoyed by all.

Sunday many motorists going west from Grand Rapids for a time were endeavoring to keep up with an airplane going from Grand Rapids to Macatawa Park. The flyer soon outdistanced everything in sight making the time from Grand Rapids to this city in twenty minutes.

Handbills are being circulated about town with the following reading matter: "Fly Hydro-Aeroplane. Flights over Saugatuck \$10 per passenger. Special flights may be arranged upon request. Who wants to go up in the air without getting 'brain storm'? Here's your chance."

Mr. and Mrs. Dick Van Tatenhove are spending a week in Flint, Detroit and other Michigan cities.

The funeral of Charles G. Jegers killed in the Argonne forest Oct. 3, 1918, was held Monday afternoon, in the city hall under the auspices of the local post of the American Legion. Burial was in Pilgrim Home cemetery with military honors. The Holland unit of the M. N. G. just returned from Grayling, attended in a body.

A surprise party was given Monday evening in honor of Mrs. Frank Essenberg at her home, the occasion being her birthday anniversary. Mrs. Essenberg was presented with a beautiful gift by the guests. The evening was spent playing games, and refreshments were served. The company departed at a late hour, wishing Mrs. Essenberg many happy returns of the day.

The Story & Clark Piano Co. at Grand Haven is planning to put in a large power plant. The power plant will be erected on the ground occupied by the present building. The improvement will double the size and power of the present equipment, and will furnish enough steam power so that the entire shop may be operated by steam if so desired.

Holland ministers and missionaries will be well represented as speakers at a big mission fest to be held at a big mission fest to be held at Labor day. The speakers booked are Rev. Samuel M. Zwemer: Miss Nellie Zwemer; Rev. James E. Moedy and Rev. J. Kuizenga. Rev. and Mrs. S. M. Zwemer are booked for addresses at a mission fest to be held at Orange City, Ia.

Edner H. Slagh, the son of Mr. and Mrs. Bert Slagh, is enjoying an unusual outing. Young Slagh Monday joined the forty Sunday School boys from Rock Island, Ill., who spent a day or two in Holland while on an auto tour. Att. John H. Hauberg, in charge of the boys, seemed to take a shine to young Slagh when he met him at Tennessee Beach where Slagh was conducting a stand. The boy was invited to join the group and he eagerly consented. He left Monday night with the boys for Chicago and he will stay with them for the rest of the trip. This is the first time, Mr. Hauberg stated, during the thirteen years that these trips have been taken that a boy was picked up while on tour and asked to go along.

WANTED—SALESMAN WITH CAR—Call on dealers with guaranteed tires. Salary and expenses; also extra commission. Crescent Tire & Rubber Co., Plymouth, Indiana.

## AT LEAST 300 MEET AT THE FAIR GROUNDS

Although two hundred Zeeland and Holland folks were figured on to disport at the fairgrounds, when the two busy mens' clubs gathered, a third more came than were expected.

Caterer Wentzel of Zeeland was equal to the occasion, however, and a hundred more or less did not stop him.

The large dining room under the new grandstand contained two long tables the full length, appropriately decorated for the occasion.

But still they came, and another long table from the art hall, 50 feet in length was carried by a couple of dozen men to the door of the grand stand, and nearly half of the participants had refreshments out of doors in the bright moon light.

The whole affair was handled cafeteria style which eliminated all the waiters and waiting.

After the spread had been disposed of and a "pipe of peace" had been passed around, former mayor Isaac Van Dyke acted as toastmaster.

He called on Evert Pruim who spoke on the community spirit that existed between Holland and Zeeland today, so much different than was prevalent some years ago.

Jacob Lokker spoke on the fair and how best to support it.

Charles Drew spoke on cooperation and jokingly stated in the finale that Zeeland men must surely trust their wives for if the crowd was to be judged as a criterion, there were not many men left in Zeeland that night.

Andrew Klompars gave a few words of advice and Mr. Smith brot the question of having a county picnic at Bass river on September 7, which was agreed upon by everyone present.

Mike Hirdes and son Corrie of Zeeland made a hit with their Dutch skits and songs. Mr. Paige of Zeeland led in the community singing while a pick up quartet consisting of the Ter Beek Bros. and Henry Top and Mr. Paige of Zeeland made a hit with their popular songs.

In the base ball game Zeeland walloped the daylighters out of Holland by a score of 10 to 4.

Everyone present voted that Alderman Frank Brieve was the best umpire that never was. He capped the climax when he called a foul ball over the back stop, a fair ball and made it stick and decided two outs on a double safe play for the base runners.

The "cookie king" surely knows all about the game.

## SAUGATUCK PAVILION MANAGEMENT NAMES PRIZES AWARDED

The gold prizes put up by Manager Weed of the Saugatuck Pavilion Co. in all amounting to \$100, have been awarded.

These prizes are given annually for the most unique costume at the Farm and Barn party so popular at this pavilion.

## POULTRY ASSO- CIATIONS UNITE FOR COMMUNITY FAIR

It is doubtful if the big fairs of Grand Rapids or Detroit will have so large an exhibit of poultry as the one to be on exhibition at the Holland fair this year.

Michigan is the biggest chicken state in the Union literally speaking, and Holland, Zeeland, Vriesland, Forest Grove and Jamestown is the very heart of the chancier industry.

All these associations have gotten together in order to put up one of the biggest exhibitions in poultry and other pets ever staged in Western Michigan.

One locality is trying to outshine the other and you can bank on the fact that the additional room will surely be needed.

## AMPHITHEATRE IS BEING BUILT AT CASTLE PARK

The people of Castle Park are erecting an amphitheatre on the hillside at that resort which is expected to be a source of great enjoyment to residents there in coming years. A slope of ground not far from the Castle which seemed to have been designed by nature for amphitheatre purposes is being made use of and terraced seats are being built. It has been found that practically no excavation is necessary and the spot is considered ideal for this purpose.

The amphitheatre had been designed by and is being erected under the personal supervision of J. Wellington Reynolds of Chicago, an artist of nationwide fame who has taken an interest in the movement because his summer home is at Castle Park and he loves that resort. He has been giving a great deal of his time to the work, looking upon it as a labor of love. Mr. Reynolds some months ago was one of the judges in the famous Chicago Tribune beauty contest.

The amphitheatre is being built as a memorial to Mrs. J. H. Parr, who with her husband, founded Castle Park many years ago. Mrs. Parr did a great deal during her life time to make Castle Park an ideal place for summer residence, and the families who have been coming to that quiet spot for many years are now giving an expression of their appreciation by engaging in this movement.

It will seat about 300 persons and will be erected at a cost of approximately \$2,000. The amphitheatre will be used for vespers services and for theatricals. It is planned to bring some of the finest talent to Castle Park. Among others, the Ben Greit Players will give some Shakespeare performances, and other companies of equal fame will be secured. The amphitheatre will look somewhat like the famous amphitheatre at Berkeley, California. It is now so far advanced that it is hoped to dedicate it on Labor Day.

A rummage sale is to be held at Castle Park Saturday of this week to raise money for the project.

## HOLLAND END OF WEST MICHIGAN PIKE FINISHED

Saturday saw the completion of work at the Holland end of the West-Michigan Pike, leading from this city to Grand Haven. With the exception of about one mile still to be constructed north from the Harlem road the entire stretch of concrete between the two cities is now laid. Oosting & Hofsteen, contractors of this city handled the work at the Holland end of the job and have laid an exceedingly good piece of pavement. Their work began at the south side of the Harlem road and extended to within a short distance of Holland city limits, possibly about a block north of the Alpena road. Road Commissioner Harrington states that this small end linking Holland with the pike over these 2 blocks will be taken care of early in the spring or possibly this fall.

The Webber Road company which is doing the work between West Olive and Harlem are pushing their undertaking as rapidly as possible and with a little less than a mile still to do, expect to have the work entirely completed, barring bad weather and accidents, within three weeks at the most. Their work has been hindered more or less by the difficulty of securing sufficient water supply with which to mix the concrete and operations were held up a greater part of last week because of this obstacle. Now however pressure sufficient for all purposes is again available and the work is being pushed with vigor.

A new stretch of concrete about a mile and a half in length was opened to traffic on the pike about the middle of last week and motorists now enjoy pavement about three miles south of West Olive right into Grand Haven. The entire distance from Holland to Grand Haven will be opened to traffic by October 1 at the latest it is expected.

Capt. Cline of the Red Cross life saving service, will be in Holland August 29-30-31, to demonstrate the government methods of life saving and resuscitation. Capt. Cline hopes to meet a large number especially young, active men in the city hall on the evening of Aug. 29, where he will talk to them about life saving methods. On August 30 and 31 he will give practical demonstrations in the water at the George E. Kollen beach.

## LOCALS

Mrs. Rogger who is a resident of Grand Rapids, but who has been spending a year with her sister, Mrs. Reinder Niemeyer at St. Paul, has arrived in Holland.

Mr. and Mrs. John Bode of Kelsey, Iowa were here to attend the funeral of Mrs. Hesselink. They are making their stay at the home of Mr. and Nicholas Essebagers of the upholstery and auto trim shop and his wife left Wednesday morning for Ann Arbor where their son Roland will undergo an operation.

Mr. and Mrs. Joe Deto of Chicago are visiting their parents Mr. and Mrs. Oliver Deto on West Tenth-st. Mr. Deto is employed at one of the big water stations in the city of Chicago.

Reinder Niemeyer of St. Paul, Minn., is making a visit of a few days in this city, the guest of Mr. and Mrs. J. M. Stephan. Mr. Niemeyer made the trip by auto from St. Paul.

Mrs. G. Rose of the Rose Cloak store returned Wednesday morning from Chicago with a wonderful line of ladies' apparel. Some of the styles are duplicates of those receiving prizes at the style showing of the Pageant of Progress.

Ladies of Holland who are attending the W. C. T. U. convention at Spring Lake are Mrs. H. VanArk, president; Mrs. S. M. Zwemer, Mrs. J. Charles Gross, Mrs. Henry Johns, Mrs. Wm. Van Dyke, Mrs. Earl Markham, Mr. and Mrs. R. M. De Merell.

Jacob De Haan and family of La Porte, Indiana, are the guests at the home of Mr. and Mrs. G. W. Kooyers, 548 College avenue. Mr. De Haan is head tuner at the Hobart M. Cable Piano Co. He left Holland about nine years ago. Before that time he was employed at the Bush & Lane Piano company.

The woods are filled with candidates for the job of Collector of Internal Revenues. Representative Geo. W. Welsh of Grand Rapids has his lightning rod up. He is only one of three from the Furniture City, who are in the field. Holland has a candidate in the person of Attorney Arthur Van Duren and Grand Haven wants Joe O'Brien.

When Register of Deeds Peter Ryenga of Grand Haven attempted to avoid collision with a speeding motorcycle on the West Michigan Pike between Grand Haven and Muskegon a few days ago, he collided with a buggy which he was attempting to pass. The driver was thrown out, but not seriously injured. Claims were settled by the U. S. Mutual Insurance Co.

Absence of a strong canning demand causes peaches to ease about 50 cents on a bushel on the Grand Rapids city market Wednesday. The market has a range of \$3 to \$3.50 a bushel for tree run peaches with \$4 bid for fancy table stock. Offerings were quite large of Elbertas and New Prolifics and the quality was very good. Peaches this year, taking the crop as a whole, are averaging better size due to the light load on the trees.—G. R. Press.

Beginning next week, J. J. Riemersma, the principal, will be at the High school every morning, where he may be found in his office for consultation. He will be ready to meet any new students who wish to enter Holland High. All graduates of the local school who wish to enter other universities can get the necessary blanks for admission at the office of the principal.

Mr. A. Waltman, conductor on the Holland Interurban receives the thanks of a resort at Macatawa for returning to her a lost Masonic pin worth considerable money. The pin also has considerable sentiment connected with it for the reason that the lady who lost it on the car had received it from her father as a keepsake just before he died. The lady did not know the conductor's name but this paper through inquiry learned that Mr. Waltman was the man.

The funeral took place this afternoon of Al Koechling of Grand Rapids, burial taking place at Pilgrim Home Cemetery. Mr. Koechling was well known in Holland, having served as baggageman at the local Pere Marquette station for a long time, until about 15 years ago when he went to Grand Rapids to engage in the insurance business.

Mr. and Mrs. Bert Van Lente returned Tuesday from a seven weeks' trip to the West. They visited Seattle, Whitty Island, Tacoma, Lynden, and other coast towns. They also stopped off at Denver and other intermediate points.

T. J. Mosher has returned to his home in Chicago after spending the week-end at "The Pines" as the guest of Mrs. H. W. Perry.

Mr. and Mrs. A. E. McClellan announce the engagement of their daughter, Miss Ruth Cordelia, to Mr. Henry Zwerling of Flint.

Miss Clara McClellan was the guest of Miss Iva Fleming at Scottville, for the past week, returning to her home in Holland on Monday.

A pretty home wedding took place Tuesday at 6 p. m. at the home of Mr. and Mrs. J. H. Den Herder, at Grand Haven, when their daughter Julia was united in marriage to Harold Sywassink of Holland. The officiating clergyman was Rev. Henry Schippers, Grand Haven, assisted by the Rev. Henry Mollema of Spring Lake.

The bride wore a gown of white canton crepe trimmed with iridescent beads and embroidery. Her veil was held in place by a wreath of orange blossoms and she carried a shower bouquet of bridal roses, sweet peas, and swansonias. The maid of honor Miss Dorothy Den Herder, a sister of the bride, wore a gown of orchid organdy and carried a corsage bouquet of roses and swansonias. The groom was attended by John Ter Borg of Holland.

Just before the ceremony Miss Cora Vander Werf sang "Until," accompanied by Miss Amelia Sywassink, sister of the bridegroom, who also played the Lohengrin Wedding March while the wedding party took their places before an altar of ferns and palms. The ceremony was followed by a three course wedding supper.

The bride, who was a former Holland girl, has for the past three years held the position of Deputy County treasurer. The groom is a well known Holland man, and a former member of the faculty of Holland high school.

Mr. and Mrs. Sywassink left the same night for an extended tour of the West. They will visit Yellowstone National Park, Salt Lake City, Denver and the former home of Mr. Sywassink at Muscatine, Ia.

Among the guests were the Misses Della and Johanna Sywassink, Mr. and Mrs. J. A. Te Strake, the Misses Annette and Edna Te Strake, and Master Frank Te Strake of Muscatine, Ia.

## YOUR FRIENDS ARE RESPONSIBLE TO YOU.

Friendship is largely built on the fact that friends are directly responsible to one another for almost everything of importance that affects them mutually. There can be no intermediaries in the events that help build true friendship.

Good watch-dogs are good friends. They are directly responsible to their masters. A stranger, even with a tempting peace of meat, cannot induce a good dog to neglect his duty. A dog would be worthless as a guard if he were to endeavor to watch a homestead for his master during the day, and for the hired man during the night. The two men might have different ideas regarding the duties of the dog with the result that there would be a lack of interest among all three. How important and how satisfying it is to be really responsible to some one person all the time.

It is our pleasure to make ourself directly responsible to the user of the Holland Furnace for the installation as well as for the product. There is no chance for a person of doubtful integrity, experience or backing, to enter the transaction between our customer and ourselves.

# RECOUNTS HISTORY OF FOUNDING OF FOREST GROVE FAMILY

An interesting family reunion was held on the lawn of the Forest Grove church and in the Y. M. C. A. building of that place when the descendants of Derk De Kleine, the founder of the Forest Grove De Kleine family in America, gathered to do honor to his memory. Practically all the descendants of Derk De Kleine were present, as well as a number of others related by marriage, making a company of about 200.

Records show that there have been 177 direct descendants of Mr. De Kleine, 129 of whom are living. Nearly all of those were at the reunion.

Derk De Kleine was born in the Netherlands and came to America in 1848 with his wife and seven children, the oldest of whom was 23 and the youngest 3. With this little company he founded the De Kleine family in Forest Grove, purchasing 80 acres of land from the government at \$1.25 an acre. The land was located on the township line between Jamestown and Zeeland townships, and Mr. De Kleine built on it a substantial log house of squared logs, the only one of its kind in the colony at that time. Five years later, in 1852, his wife died. The seven children were Derk, Jan, Lucas, Grietje, Jacobje, Hendrik, and Hilbert and their families have played a leading part in the community life of Jamestown and Forest Grove ever since.

An interesting anecdote was told at the reunion in which the family name was accounted for. According to the best records available, Derk De Kleine's father was the first one to bear the name. Before that people of that class were not known by surnames in the Netherlands. This particular ancestor of the present

# "Pigs is Pigs", But Then, Some Pigs Are Different.

An attraction at the Holland Fair on September 13-14-15 and 16 is one that Holland got by accident, but it alone is worth the price of admission. The exhibition consists of Lil Kerslake "The Farmer and his Pigs."

For years Mr. Arendshorst has been trying to get this free attraction but could never land it. The exhibit was so popular that fairs had booked the pig act in many instances five years ahead.

Kerslake had been playing Iowa, a state that has more fairs than any other state in the union, and at a Detroit bureau where special attractions are booked the manager said:

De Kleine family was known as little one, and the other as Derk, de Derk, son of Derk. But there was a cousin who was also known as Derk, son of Derk. When the government issued an edict calling for a registration, the two Derks, sons of Derk, presented themselves together with others. The ancestor of the De Kleine's was a short man and the other Derk was a tall man. Hence the government designated the former as Derk, de kleine, meaning the

"I understand that you would like to have Kerslake's pigs at your fair. I have just received a letter stating that the man wants to exhibit in Michigan instead of Iowa this year, and if you want this act you had better snap it up quick, for we can get bookings on the man for all the fairs in Michigan, if we desire."

It was simply luck that Mr. Arendshorst happened to be there when the letter came, and it did not take him long to snap up the bargain, and the pigs, ten in number, that can do everything but talk, are going to be found at the Holland fair every day as a free attraction.

# HOLLAND MAN GETS LARGE ROAD CON- TRACTS AT FENNVILLE

Fred Boone of Holland and Albert Meyer, Jamestown, who are working together on road building have been given the contract for four miles of good road in Clyde and Ganges townships.

These roads are connecting links with other long stretches of road already built.

One road of two and a fourth miles will start from what is called Bozy Corner and will extend around Hutchins Lake to the Ganges township line.

Another stretch of two miles starts at Bravo and also extends west to the Granges township line. The total amount of the contracts is a trifle over \$30,000. These two pieces of road are to be constructed under the supervision of a state highway engineer. The top dressing is to be of wash gravel shipped here from gravel pits and also inspected by the state. Work is to start just soon as tools and machinery can be brought there, and that means only a few days. Both jobs are to be completed by Jan. 1, 1922.

Glen A. Smith, an undertaker of Allegan and Miss Ethel Marguerite Hoyt were married in the Methodist Episcopal church at Gaylord.

Edward Van Landegend was a Grand Rapids visitor Friday. Mr. Van Landegend is instructor in mathematics in one of the high schools of St. Louis, Mo.

the family name is.

At the reunion Dr. William De Kleine of Flint, read an interesting history of the family in America. Other numbers on the program were—solo, by Alice Holleman; recital by Marinus De Kleine of Drenthe; reading by Henry Hannic of Grand Rapids; music by a chorus of children and grandchildren of Lucas De Kleine; budget by Mrs. Dick Smallegam. Dick DeKleine was chairman of the day.

# The Great Community Fair

## For OTTAWA and ALLEGAN COUNTIES

### HELD AT

# HOLLAND, MICH., SEPT. 13, 14, 15, 16

Is attracting widespread attention. In the first place there will be more entries this year than ever before, for the reason that no entry fee will be charged and in many instances the premiums on winning entries have been raised considerably.

In the second place the race horse program is going to be a winner this year and these always please the crowd. A race program every day.

There will be free attractions until you cant rest. Here you have a partial list of these marvelous attractions, the best obtainable:

Fishers' Famous Orchestra of nine pieces.

Breakaway Barlows Acrobats and funny men.

Bobker Ben Ali Arabs, six stalwart sons from the great desert of Sahara.

James E. Hardy world's famous aerial artist.

Lil Kerslake, "The Farmer and His Pigs", the best exhibit ever staged at the Holland Fair.

There will be three good bands, a "Midway" and all the attractions that generally exhibit at these fairs. This year THE COMMUNITY FAIR will excell in all departments. Every one seems to be taking a desided interest in the exhibition this year and even at this early date hundreds of entries are being sent in to the Secretary. Boost for Holland's, Zeeland's, Saugatuck's, Hamilton's, Grand Haven's Fair. It is the Fair that belongs to the people of Allegan and Ottawa Counties. It is your Fair--boost your own game.

## Just A Few of the Special Free Attractions

Bobker Ben Ali Arabs

Six stalwart Sons of the Desert

They give an amazing exhibition of strength and are as flexible as the reeds that grow along their Native Nile. This is only one of the many FREE ATTRACTIONS which will entertain you at the Fair.

James E. Hardy

The WORLD'S Famous Aerial Artist

One of the many Free Acts which we have engaged to entertain you this year. If you fail to witness this Highly Artistic and Unique Performance you miss the Sight of a Life-time.

Breakaway Barlows

Dainty Young Women—Irrepressible Clown. Unique, Talkative, Revolving Ladder Gymnasts. Using a fine apparatus, original in it's construction, the dainty young woman and the chattering Clown perform a routine of feats which you will enjoy. Be sure to see them perform daily at the Fair.

Grand Haven is becoming interested in trap shooting. Several clubs are pulling off matches and having a great time. Twenty-five years ago Holland had a wonderful trap shoot club, called the Holland Gun Club. It had such members as C. J. DeRoos, Peter Dulyea, Charles Harmon, the Van Eyck Brothers, "Dad" Karsten, some of whom are still living. It might be well to revive this great sport and work in conjunction with the Holland Rifle Club. Shooting at clay pigeons is very interesting and Holland has enough available places to stage such a shoot.

## COMMON COUNCIL

Holland, Mich., Aug. 17, 1921. The Common Council met in regular session and was called to order by the Mayor. Present—Mayor Stephan, Ald. Brinkman, Lawrence, Damstra, Dykstra, Wiersma, and Vander Hill and the clerk.

The minutes of the last meeting were read and approved.

**Petitions and Accounts**

G. Alderink and others petitioned for paving of that part of 20th street between Central and College avenues.

Referred to the committee on Streets and crosswalks.

A. Bouwman and others remonstrated against the paving of that part of 20th St. between Central and College Avenues for the reason that it was not a necessity at present and because the extra taxes to defray the expense would cause them a serious hardship.

Referred to the Committee on Streets and crosswalks.

The Holland Salvage Company petitioned for license to engage in the business of second-hand goods and junk dealer, and presented bond as required with John H. Boone and H. Boone as sureties.

Bond approved and license granted.

C. Kalkman submitted a list of signatures of persons declaring that they were satisfied with the cement work he had done for them.

## Strand Theatre

Today—Tom Mix in "A Ridin' Romeo" Mr. Mix wrote this story himself and has put into it a heap of things he did, and saw and heard about when he was out on the plains as a cowboy. Two comedies, Harold Lloyd in "Rainbow Island," Mutt and Jeff in "Training Woodpeckers."

Friday and Saturday, Aug. 26-27—Norma Talmadge in "Yes or No," Big Norma Talmadge Special founded on one of the most momentous questions that has perplexed woman since the foundation of society. Soonerville Trolley comedy, "Meeting All Trains"

Monday, Aug. 29—Gladys Walton in "Rich Girl, Poor Girl." A short and crooked street divided the palaces of extreme wealth from the hovels of sordid poverty. Judged by distance Nora and Beatrice were neighbors—in reality, they inhabited opposite sides of the globe. Two comedies "No Children" and "Fresh from the Farm."

Tuesday, Aug. 30—Earl Williams in "Diamonds Adrift." A strange dramatic story chock full of excitement, love, and adventure. Two comedies, "By the Sad Sea Waves" and "Wry and Rye."

Wednesday, Aug. 31—Blanche Sweet in "Her Unwilling Husband." What woman wants an unwilling husband? Are you the husband your wife wants, An intensely interesting drama that will please the most critical.

## LOCALS

Rev. Philip Jonker pastor of the Reformed church of Peeskill, N. Y. visited friends in Holland Wednesday.

Mr. and Mrs. John J. Boer, Miss Cornelia Boer of this city and Mrs. E. J. Hoek and Mrs. Edward Nyland of Detroit who have been guests of the Boer family left this morning for Holland to attend the wedding of Miss Evelyn De Vries and Rev. Hospers. This wedding has been long anticipated by Holland society and will be largely attended. The bride to be is a daughter of Dr. and Mrs. B. J. De Vries of Holland.—G. H. Tribune.

A reduction of 1 cent a gallon on gasoline has been announced by the Standard Oil Co. of Indiana. The price will be 19 cents at service stations and 17 cents from tank wagons. George W. Laug, of Coopersville, has accepted a position as instructor in a mission school in Japan for a three-year term. Laug was graduated from Hope College last June. He will sail from San Francisco this month.

The city of Holland is bound to have its sidewalks placed in proper shape by winter. Contractors are busy along River avenue and 8th St. putting in new blocks of cement wherever they find one sunken below the sidewalk level. No more puddles nor footpaths will be allowed on the principal streets of Holland in the future.

John E. Telling of the Holland Shoe Co. is building a beautiful new home on what was formerly known as the Kuite property, bordering Black Lake and west of Montello Park. The new home will cost upward of \$40,000 and will be the last word in house building. Contractor Abel Smeenge is doing the work.

County Farm Agent, Mr. Milham, who has been teaching poultry men how to cull their stock visited the following places in Holland township: T. Bloemers, G. J. VandenBerg, and Raymond Knooihuizen. In Zeeland and Park township, Ben Van Lente, Al Huyser, Marinus Brandt and Gerrit Timmer. In Olive township yesterday the farms of John Heemstra, Thomas Kraal and John J. Slagh were visited. Today the county agent will visit the farms of Harvey Harrington, G. Pommerening, Frank Fent and Peter Bouman.

John M. Cook, a merchant of Grand Haven, has imported a carload of chocolates and cocoas from the Dutch Indies and another car load is on the way. Mr. Cook has become a distributor of chocolates in this vicinity.

A select quartet is to go to the county infirmary at Eastmanville on Sunday where they will sing to the unfortunates who find a home there. The quartet is composed of Henry Top, Clarence Jelving, Henry Etebeek and Henry Holkeboer. Henry R. Brink, the local book man will give an interesting talk, and the doings Sunday afternoon will be under the auspices of 9th St. Chr. Reformed church.

Because of the attempted murder case involving John Tinkholt, Zeeland, Judge Cross was compelled to postpone the railroad rate case, started by City Attorney McBride until a later date, possibly Friday.

Superintendent of the Board of Public Works R. B. Champion and City Electrician A. Nauta represented Holland at the State Electrical convention now being held at Ottawa Beach.

Entries to the fair are coming in fast and much earlier than any other year before this. We urge upon every prospective exhibitor, advising them to bring in their exhibits early, and thus avoid the tiresome rush later. You can also aid the clerical force by coming in early for by coming late you are putting extra burdens upon these young ladies. A great many errors can also be avoided when time is given to do this work. There is no charge for entries this year.

Dr. J. De Jonge, local Chiropractor of Zeeland and Holland is in Davenport, Ia. attending the lectures on that form of treatment given at the Palmer school. His father, who is conducting a similar method in Grand Rapids is taking charge of the Holland and Zeeland patients during the absence of his son who will return the forepart of next week.

## CATTLE BARN AT THE FAIR GROUNDS WERE HIT BY LIGHTNING

It has just become known that the long cattle barn at the Holland fair ground was struck by lightning during one of the recent electric storms the latter part of last week.

When one of the directors entered the barn he found one of the long pillars leading from the roof to the floor, and dividing the stalls, all smashed to splinters.

The nails for a radius of several yards were blackened and raised out of the wood.

Some of the shingles and sidings had to be replaced.

The damage has been repaired, however and the fair association is fully covered by insurance.

## TO HOLD BARN DANCE AT JENISON PARK TUESDAY NIGHT

## BIGGEST FESTIVAL OF THE SEASON IS PLANNED BY RESORTS THAT EVENING

Jenison Park is to be the scene of a big barn dance, the biggest, it is promised, that was ever pulled off there. Moreover, the dance acquires added significance by reason of the fact that it will be the last public event to take place in the Jenison Park dance hall. This hall has served that resort ever since it was established but it will be torn down soon after the dance season closes, and the barn dance will be a farewell to the old hall.

The dance is to take place next Tuesday evening, Aug. 30. It is to be put on by Ottawa Beach, Macatawa Park and Jenison Park. The hall will be appropriately decorated with plows, drags, and other reminders of the farm, and a five piece orchestra is to furnish the music. It will be called the Prize Farm Dance, and it is expected that it will be by all odds the biggest festival pulled off at Jenison Park this year.

Nick Hoffman's car was jammed twice yesterday while parked in front of "The Boston." In the morning some one jabbed it in front and in the afternoon Nick Nick Hofstein's truck bumped Nick Hoffmans touring car. The damages were only slight.

Mrs. May Ingham and daughter Marion returned Tuesday after a weeks' visit with relatives in Lansing.

## G. & M. LINE WILL HAVE AN EXCURSION ON LABOR DAY

The Graham & Morton Co. of this city is working along the right lines to create business for itself, and if other transportation companies would do likewise then empty cars would be busy instead of standing idle to rust, and the public would be receiving some benefits. On the 4th of July the Graham & Morton Transportation Co. advertised a large excursion for Benton Harbor. More than 700 Holland folks availed themselves of the cheap rate and had an enjoyable time at the Twin Cities.

On the same day the boat that came back from Chicago was loaded with more than 1200 excursionists.

The result was that a large number of people who cannot afford to go on an outing of this kind, unless it is cheap, had a fine time, and the Graham and Morton Co. between trips to Chicago and without interfering with their regular schedule, took in a substantial sum that cannot help but look well on the right side of the ledger.

Because the excursion proved so successful, the local company is to have another one on Labor Day, details of which will be found in the local Press next week.

## AUTO GOING FROM HOLLAND TO FLINT IS WRECKED NUMBER THIRTY-FOUR

The automobile in which Mr. and Mrs. Frank Stalker were returning to Flint after spending their vacation at Jenison Park and with friends here went into the ditch two miles east of Ovid. Mr. Stalker, who was driving, was blinded by the lights of a car coming around a curve a short distance ahead. The machine striking a culvert, was badly damaged. Mrs. Stalker the only member of the party who was injured, was given medical attention and later removed in an ambulance to the Owosso hospital. She was taken to her home in Flint and her injuries are not considered serious.

## TELLS FACTS ABOUT ROADS OF HOLLAND AND GRAND HAVEN

Misinformed Citizens Have Opinion That County Seat Is Getting the Best of It

Agitation has been rife in different localities for the last month or two amongst citizens of Holland and vicinity in which they point out that Grand Haven has been getting more improvements in the way of good roads and parks than does Holland.

In an interview with Austin Harrington, chairman of the county road commission, this paper, in order to get down to the facts received the following detailed statement from our local county road builder:

"Recently there has been some discussion, and some publicity, on the subject of street and road improvements in, and adjacent to Holland and Grand Haven.

"Some misinformed, but probably well meaning citizens of Holland are of the opinion that Grand Haven has gotten more than her share. The public is entitled to the exact facts in the matter.

A survey shows that within a radius of five miles of the city limits of Grand Haven, there is thirteen and one-quarter (13 1/4) miles of paving. Within the same radius of the city of Holland, there is sixteen (16) miles of paving. Grand Haven has done a great deal of paving within its city limits, and its limits extend much beyond the populated section in each direction.

"The county has not paid for any of Grand Haven's paving. Of the 13 1/4 miles built near Grand Haven one mile was built through Ferryburg under the Covert Act and was largely paid for by the district thru which the road passed, by the township and by the state reward. The two and one-half (2 1/2) miles of the Fruitport road was financed in the same manner. One mile through Spring Lake village was paid for by the late Mrs. Nathaniel Robbins as a memorial to her brother, Wm. Savidge. This cuts down the mileage financed directly by the county to nine (9) miles.

"Of the sixteen miles adjacent to Holland, all of it was financed by the county except two miles paid for by Park township, which gives Holland five miles more paving than Grand Haven, financed directly by the county. These figures, of course, include the new paving just being completed on the Trunk Line 11 north of the city.

"There seems to be an impression that the county has aided in building the road to Grand Haven State Park, which is not true. A portion of this road is designated as county road, but was paid for by the city, and the city collected the state reward in precisely the same manner in the case of Lincoln street in the city of Holland.

"The County Road Commission has endeavored to carry on an equitable program of road improvements throughout the county, giving due consideration to the heavily populated sections, and the Board of Supervisors each year have practically unanimously endorsed the annual program.

"The ultimate plan of the Road Commission is to pave the entire Trunk Line system as speedily as possible from Holland to Jenison joining the Kent County paving at the county line, and from Grand Haven to the Kent County line through Coopersville and Marne. The paving between Holland and Grand Haven with the exception of one-half mile, adjacent to the Black river bridge, will be completed and open for traffic about the first of October.

"There have been some persons venturing the opinion that the county is spending its money on the State Park at Grand Haven, which is a foolish idea, as neither the County Road commission nor the State Highway departments has anything to do with the financing of this Park. The city of Grand Haven purchased the site and presented it to the State Park Commission, and the State Park Commission has financed the paving of the parking space and other improvements.

"The Park is a great asset to the county and it is unfortunate that Holland did not have the foresight to make a similar move as it had the same opportunity in this respect as did the city of Grand Haven."

## ENTERTAIN FOR PIONEER WHO VISITS HERE

Mrs. J. J. Van Zanten and Mrs. Jane Boyd entertained with a luncheon for their aunt, Mrs. Arend Vanderveen, of Grand Haven, formerly Kate Howard of this city. Many of her old friends were present and all enjoyed the happy event. The decorations were beautiful. A four-course luncheon was served by the Misses Marina and Kathryn Vander Veen. Many of the guests were the children of the pioneer days of this colony and could relate little incidents that happened when they were young, which caused a great deal of mirth.

## TO BUILD NEW ADDITION TO THE 14TH ST. CHURCH

At a congregational meeting of the 14th Street Christian Reformed church it was decided to build an addition to the church at a cost of approximately \$16,000. The alternative was the erection of a new church but this project was rejected by the congregation in favor of enlarging the church by adding a section to the building. A new church large enough to accommodate the congregation would have meant an outlay of about \$40,000.00.

The addition will consist of thirty feet built on to the west of the church increasing the seating capacity by 170. The present church building seats 480 persons, but for a long

time the church has been too small for the congregation, and each Sunday many found it impossible to find seats. The crowded condition of the auditorium on Sundays so increased the fire hazard that it became imperative to build a new addition to the church.

Not only will the auditorium be enlarged, but more Sunday School rooms will be added in the basement, and a new heating plant will be installed, the vapor system being used. The main entrance will be changed from 14th street to Central avenue and all the entrances will be of the new inside type. There will also be a new and larger entrance on 14th street and the church will be made completely safe as to fire hazards. The building committee is composed of the following: J. Steggerda, T. Warner, J. Harmsen, E. S. Holkeboer, G. Wanrooy, L. Dykema, and J. Boomers.
