## WITH A BUSINESS EDUCATION

the professional man, the farmer, the merchant, the man or woman in any vocation is immensely better fitted to obtain the greatest success. Our graduates over a period of thirty years have proved that beyond a doubt.

No owner of a business or director in a corporation is equipped for his job if he cannot analyze business statements of costs, profit and loss, and assets and liabilities, or if he cannot write a terse, clear, and effective business letter.

This school provides that sort of a training. Every young man should have it. Every young woman will be a better home manager if she has it, and a knowledge of bookkeeping and stenography enables her at all times to earn her living.

Properly trained young men and women have greater opportunities today than ever before. By beginning a course of study at this school on SEPT. 2nd, you will equip yourself for the same measure of business success achieved by so many of our graduates.

Our office is open every Saturday in August from 3 to 5 and from 7 to 8 p. m. to give information.

## POLICE FORCE WILL CLEAN UP STATE PARK

FIVE DRUNKS ARRESTED THERE  
SATURDAY NIGHT ARE FORE-  
RUNNERS OF OTHERS TO  
COME SOON

The Grand Haven city police are hot on the trail of drunks and disorderlies who have been frequenting the Highland Park dancing pavilion and the State Park of late. For some time respectable people have been complaining of the young men who visit the dancing pavilion and the park with a little too much booze in their possession and police, acting on the tip, have arranged a cleanup.

Two weeks ago, one man was arrested at the dancing pavilion with liquor in his breath and on Saturday of this week, five young men from Muskegon found themselves in custody of officers on charges of being drunk and disorderly. It is stated that liquor possession charges may be leveled against two of them.

Stephen Portenga, George Gravis, Henry Miller, Roddy Lemux and Herman Postma, all of Muskegon, were the young men arrested. The first three plead guilty to disorderly drunk charges before Justice Little Monday and got fines of \$15.85 apiece. The fines hadn't been paid up to noon and the men were still held.

Gravis and Postma plead guilty to drunk charges and are held at the county jail pending payment of fines. Police state the loud practices now indulged in at the park must cease and rowdiness will no longer be tolerated as the big beach playground is for respectable people only.

## AUTO POLO IS A DANGEROUS GAME

NINE WHEELS ARE BROKEN  
DAILY IN THE SPORT

The auto polo games that are to be staged at the fairgrounds Tuesday, Wednesday, Thursday and Friday is a dangerous game to say the least.

Ray Hickey, aged 19, of Franklin, Ind., will be out of the game at Holland and another player will be substituted.

Hickey played auto polo at the Ionia fair the past week, and in some manner was pinned in under the safety guard of his car in a collision Friday night, and had a leg broken. The injured man was taken to a Gr. Rapids hospital where the fractured member was set.

The accident happened in the last minute of play which was fast and furious. Hickey was a player of prominence on the University of Illinois basketball team and has figured in many national contests.

To show you how strenuous the auto polo playing is, is shown when on the average of nine auto wheels are broken daily. The team playing at the fair always keep a large consignment of wheels on hand to be quickly substituted when one breaks.

The management also keeps well stocked up on spare automobile parts such as gears, etc.

The personnel of the team are Ray Hickey, Jack Murray, Leon Davis, Frank Stevens, Hobart Thomas, and Pat Whiteside.

## DRIVER HELD BLAMELESS IN FATAL ALLEMAN CRASH

Coroner C. Clay Benson Monday completed his investigation in the death Sunday on the West Michigan pike near Ganges of Mrs. Frank Keeler, 63, of Ganges township. Her neck was broken when John Clemens of Chicago as she attempted to follow her granddaughter, Miss Zephia Keeler, across the road to her home after alighting from the automobile of a neighbor.

Clemens was exonerated from blame in the accident. Witnesses said he was driving less than 20 miles an hour.

## TWO FERRYMEN DROWNED WHEN BOAT IS STRUCK

CARFERRY GRAND HAVEN SAID  
TO HAVE HIT ROWBOAT  
DROWNING TWO

Two ferrymen of Milwaukee were drowned Sunday evening, according to a report received here today, when the Grand Trunk carferry Grand Haven ran into their rowboat in the Milwaukee river. Two firemen from the Construction Materials company's steamer, Hennepin were in the boat but escaped drowning by swimming to shore, the report said.

Some story of this kind was received Sunday night but had Grand Haven harbor as the scene of the tragedy and the two firemen as the ones drowned. This evidently started because of the Milwaukee river tragedy. No other details of the accident were received, the steamer Hennepin having brought the news to Grand Haven Monday morning.

## CHORUS SINGING WILL FEATURE S. S. CONVENTION

John Vandersluis of Holland was in Grand Haven Monday making arrangements for the music for the coming county Sunday school convention to be held in Grand Haven on October 1st. He has made arrangements with Bastian Van Woerkom and George Swart to get together a chorus of 75 or one hundred of the leading singers of Grand Haven to furnish the music at this convention. The sessions will be held in the high school auditorium and the chorus will be one of the big features of the convention.

The Holland City News comes out two days early in order to give the Holland Fair a parting boost. Remember the fair is now with us beginning today, Wednesday, Thursday and Friday.

## GRUBS ARE DESTROYING HOL- LAND LAWNS

PAILS FULL ARE GATHERED  
FROM UNDER SOD

Many Holland people are wondering why their lawns are so poor this year. With all the water that nature has brought, the supposition is that grass at least should do well. Ordinarily speaking, this is true, but investigation has shown that while rain has been beneficial to the lawn there are other causes that are very detrimental.

A thorough inspection shows that millions of white grubs or "grub worms" are coming up from the ground close to the surface, are eating the grass roots, and are burrowing up the entire lawn thus killing it.

One man on 16th street simply rolled up strips and strips of his lawn and picked up two pails full of these white grubs, and since this story has gone about others are making investigations and are finding thousands of them. Mr. Frank Gardie who takes care of the postoffice lawn, found more than a hundred in two feet of sod that he had rolled up. Mr. Gardie was proud of his lawn but with all the effort and work put on it, he failed to make the grass respond as in other years. He found that all the roots of the grass had been eaten and the sod had practically been detached from the earth, leaving nothing but stubbles and allowing the weeds to grow, for apparently the grubs are rather particular as to what they eat, weeds not being part of their diet.

Superintendent of Parks Van Braht has also had considerable trouble some of his plants being destroyed, and despite the water, the plants wilted and could not be revived. At the roots of the plants, hundreds of grubs were found, and the roots had practically been eaten away.

Gladiolus too have suffered tremendously. Many expensive imported bulbs failed to come up, and many of the plants wilted and upon investigation it was found that the grubs had practically eaten the bulbs and naturally no plants materialized, and others wilted.

The cold wet spring and summer have brought this scourge in Michigan. Ordinarily these grubs are several feet in the ground, but the cold, wet weather has brought them to the surface and consequently they have been feeding upon the roots of the grass, thus permanently killing the lawn.

The grubs are the offspring of pinching bugs who hibernate in the ground for two years and lay the eggs that become grubs, therefore besides swatting the fly, don't spare the pinching bug in the future.

Every pinching bug that you smash means the elimination of hundreds of grubs, so there you are.

This paper has secured from the U. S. Department of Agriculture a bulletin of 30 pages which tells about the grub in question, and while it gives in detail the habits of the grub, besides telling of the destruction that it brings to the produce of the farm, it also tells of the baneful results that materialize when the grub gets into the lawn.

Below will be found what the government has to say and what is to be done to overcome the grub that infests the lawns of Holland and vicinity.

### In the Lawn

Lawns destroyed by grubs should be reseeded or reseeded, the old sod being first removed and the grubs gathered by hand, altho if poultry, especially turkeys, are allowed the run of the ground as the old sod is being removed, they will do the work in a thorough manner. If the infestation is slight, liberal applications of a commercial fertilizer will assist the grass in overcoming the grub injury.

Experiments in Europe with a European white grub have demonstrated that carbon disulphid injected into the soil at a depth not exceeding 6 inches, at the rate of 1 to 1½ ounces in six or eight holes per square yard, will considerably diminish the number of grubs. It appears very probable that this method would prove satisfactory for our white grubs when they appear in lawns. In fact, the experience of the department indicates that carbon disulphid can be used with profitable results. Care should be taken not to water the treated ground for 24 hours after application, since a saturated soil prevents the disulphid from evaporating, thus making it less effective and rendering the grass roots liable to injury. In using carbon disulphid care should be exercised never to permit a spark of fire to come near it, for it is extremely inflammable, and its vapor mixed with air in certain proportions is explosive. Holes in which the carbon disulphid is injected should be closed with a plug of soil or sod immediately after the injection, to prevent the escape of the fumes.

Kerosene emulsion has been recommended repeatedly as effective grub insecticide. The department's tests indicate that it is satisfactory against grubs if thoroughly applied when the grubs are near the surface and the emulsion then washed well into the soil by copious sprinkling. Watering washes the emulsion from the grass and prevents burning and at the same time permits the insecticide to penetrate more thoroughly into the soil.

For small areas an ordinary sprinkling can may be used in applying the emulsion, but for larger areas the use of a force pump will save time and labor, a wide sprinkling can type of nozzle or "rose" being used, so that the lawn can be uniformly drenched in the shortest possible time.

Kerosene emulsion is prepared as follows: One-half pound of hard soap or 1 quart of soft soap, preferably fish-oil, rosin-soda, or rosin-potash soap is dissolved in 1 gallon of boiling water, and while hot two gallons of kerosene are added and the mixture thoroughly emulsified. This may be done most easily and thoroughly by churning for about ten minutes with a spray pump, the nozzle being turned back into the liquid. When thoroughly emulsified the preparation will have the consistency of thick cream, and the oil will not separate. Danger of injuring plants is great if the mixture is not well and thoroughly made. For a 7½ per cent emulsion add 25 gal-

## MORE RACE HORSES AT FAIR THAN EVER BEFORE

CHAIRMAN OF SPEED COMMIT-  
TEE SAYS 66 HAVE BEEN  
ENTERED

If weather favors the Holland fair, then patrons will be privileged to see the biggest race card that has ever been pulled off at any similar exhibition in this city.

Speed chairman Seth Nibbelink states that thus far 66 horses have been entered, and still they are coming. In the 2:30 pace alone for Wednesday afternoon, 14 horses have been entered and the speed committee will find some difficulty in getting that number properly started from under the wire.

Those who love horse racing will find all that is to be desired in the program that has been arranged.

The horses in the list of 66 entries do not include the large number of saddle and fancy horses to be shown during the fair. A special ring has been provided for these across from the grandstand.

Many advance reservations have been made for grandstand and box seats, some patrons engaging these for the entire week.

## LARGEST PIECE OF COAL EVER SEEN IN HOLLAND

A unique feature that will be seen in the Harrington Coal company booth in the art hall will be the largest single piece of coal ever brought to this city.

The chunk weighs more than two tons, but how much more Harry Harrington won't say, for that's what the fair patrons have to find out.

The single piece of coal required special mining and special shipping on board cars, but the Harrington Coal Co. wanted this in time for the Community fair, and the mining company complied with their request.

The coal is Kentucky lump and in this case it surely complies with the name.

## WILL COMMEMOR- ATE ANNIVERSARY OF MISSIONARYSHIP

DR. A. C. VAN RAALE AIDED IN  
LAYING THE KEEL IN  
'84

Selections by the choir of 7th Reformed church of Grand Rapids, an organization of about 40 voices will be a feature of the Reformed church mission fest at Franklin park, Aug. 28. The fest this year marks the sixtieth anniversary of the pioneer mission fest in western Michigan.

Older Reformed church folk at this year's fest will commemorate an event of their early childhood when when all western Michigan was enthusiastic over the proposed deep sea mission ship, a project which, while it never reached completion, enlivened the mission spirit.

The ceremonies at the laying of the keel of this ship were held on the shores of Black Lake, June 24, 1864. Among the speakers were, Rev. A. C. Van Raaile, pioneer leader of the Holland settlers at Black Lake, chairman of the day; Rev. Philip Peltz; Rev. J. V. N. Talmadge, missionary to China; Rev. P. J. Ozzel, Rev. S. Bolks, Rev. John Vander Muelen, Rev. Philip Phelps, William B. Gilmore, and Rev. A. Zwemer, secretary of day.

## HOLLAND AND GRAND HAVEN PETER- SONS CELEBRATE

Grand Haven Tribune.—A family gathering at which several of their children were present, to help celebrate their father's seventy-fifth birthday anniversary was held Friday evening at the home of Mr. and Mrs. O. Peterson, 18 Despelder Street.

A very pleasant evening was enjoyed, the members of the family coming home for the occasion being Mr. and Mrs. Fred Peterson and family, Mr. and Mrs. A. Van Lere and family, Mr. and Mrs. John De Witt and Miss Kate Peterson all of Holland; Mr. and Mrs. Richard Peterson of Grand Rapids, Mr. and Mrs. Jake Peterson of Detroit; Mr. and Mrs. Andrew Peterson of Spring Lake and Barrie Peterson.

Dr. J. B. Nykerk of Hope College and Prof. C. J. Dregman of Holland Business College motored to Bear Lake on a fishing trip.

Ivan Ulen of Grand Haven suffered some loss when his Studebaker touring car which was parked on Penoyer avenue near Wallace street at ten o'clock Sunday night, was run into by a Ford roadster driven by William Roberts, residing near Pottawatomie. Roberts car was badly damaged and Mr. Roberts received a gash in the forehead. The accident was

ions of water to the above stock solution and mix thoroughly. It is desirable to use soft water both for the stock and for diluting, but where this is not obtainable the water should be softened by adding lye or sal-soda. A much better emulsion, apparently more effective and more easily made, is prepared by the use of fuel oil. It is prepared by dissolving 3½ pounds of fish-oil soap in enough water to make a gallon adding 1 quart of fuel oil and then two gallons of kerosene. when this is churned thoroughly and emulsified, add 25 gallons of water, to make approximately a 7½ per cent emulsion.

It might be mentioned here that carbon disulphid may be injected with excellent results into the holes of the grub of the southern green June beetle, which is frequently quite injurious to lawns and golf greens in the Southern states. Kerosene emulsion likewise has given excellent results against this grub.

## A UNIQUE SERVICE

### Nothing Like It in the Building Industry

THE Bolhuis plan is absolutely unique in its field. It's something new—something original. We are the first to combine a complete home-building service into one organization, "from plans to finished building".

We are *Pioneers* in this plan. A few years ago it was an experiment. Today it has saved builders so much, and has satisfied them so well, that it is an established success.

#### BRIEFLY, HERE IT IS:—

We plan your home for you, if you want to take advantage of that service (no extra charge). We buy materials in carload lots direct from the manufacturers, (no middleman's profit). We cut the lumber in our own mills to fit your building (practically no sawing necessary on the job).

#### We construct the building with our own men.

The whole job is under the supervision of competent builders who know what they need to get satisfactory results; who have the facilities for getting what they need, and for getting it on time to avoid expensive and aggravating delays.

That's the Bolhuis way of building! It will save you money.

## WEDNESDAY IS HOLLAND DAY AT THE FAIR

A real community spirit is shown when Zeeland and Holland will join hands on Wednesday and celebrate Community Day.

The day has generally been Holland day but the Zeeland merchants have also decided to close that day and join this city in taking in the fair in which Zeeland is interested fully as much as Holland.

All the attractions will be in full pulled off on Wednesday and all the swing on Wednesday. One of the best race cards of the entire show will be special attractions across from the grandstand, and there are many, will be staged. Practically every manufacturing establishment will close on Holland day afternoon, and all places of business will close at noon.

Never in the history of the fair has there been such an array of exhibits. So many cattle have come in that some of them will have to be placed in tents. Three groups of exhibitions at least come from blooded stock farms from exhibitors who have never before shown in Holland.

The old relics departments is sure to be a success as there seems to be no end to the entries that are being made. All we need as the weather, for Secy Arendshorst and the heads of the Holland fair, together with the heads of the different departments all have surely brought us an exceptional exhibition at the fair this year.

### BUSY FARMERS KEPT AT HOME FROM PICNIC

Too much urgent farm work due to the lateness of the season and the recent wet weather, farmers were not able to turn out in great numbers for the annual farm bureau picnic at the Boynton grove, Georgetown Wednesday. However, the picnic was fairly well attended and everybody had a big day of it. The feature of the program was a talk by President Noon of the State Farm Bureau.

### BOUQUETS TO BE PASSED OUT AT BAND CONCERT

The Holland American Legion band has given eight of the ten summer concerts to be given in the park and will give the ninth and banner one next week. At that time there will be in store for all music lovers, especially the women, a treat which will not soon be forgotten. The band has had fine crowds at the concerts thus far and to show the people of Holland that the band boys appreciate their patronage the American Legion band and the Weller nurseries of this city have agreed to give each lady present at this concert a large bouquet of flowers from the Weller Nurseries. So all who are fond of flowers and who enjoy band music should be present.

The Holland band will be at the Holland fair on Wednesday and Thursday of next week and on the following week will be at Muskegon for the state convention of the American Legion on Sept. 1, 2 and 3. The band plans to go to St. Paul on Sept. 15 to 19 for the National convention of the American Legion in that city. The band has attended two former convention, one at Kansas City, Mo., and the other at New Orleans, and made a hit at both places.

The band now numbers 35 members and is a real live organization and is worthy of the support from the citizens of Holland and vicinity.

The sports committee consisted of Peter Lievense, W. Deur, Jas. Nykerk, Jack Knoll, H. Kraker and H. Ven-hulzen.

The Hurons surely have some pitcher. He is the tallest individual that has ever pitched on the local diamond, being 6 ft. 6 in. He is so large that there are no baseball shoes in stock to fit him, therefore he substitutes tennis shoes which handicaps the long-legged colored man around the bases. But talk about steam, the black man surely has some speed.

Johnny (Lefty) Dobbs, formerly with Holland Independents, who was signed last week by the Chicago White Sox, did his first work in a major league championship game when he replaced Lyons in the sixth inning of the first game with Boston Wednesday. Although the Chicago team was beaten 6 to 0, Dobbs hurled three innings without a run being scored off of him.

Judging from this figure, Mr. Townsend was not a rich man as wealth is figured these days.

So numerous and emphatic have become the complaints regarding the conditions of Central avenue, which lies just out of the village limits of Grandville, that the township board at its meeting Tuesday night authorized Highway Comm'r G. J. De Witt to employ a force of men, tear up the street and rebuild it. During the day-time the traffic over this street, which is used as a detour caused by State street pavement improvement, is so heavy that it would be impossible for a gang of men to work on it, so Com. De Witt will repair the road at night.

The summer home of J. Wesley Lee was burned at Spring Lake Thursday night. Mr. Lee, who is a manufacturer in Grand Haven, jumped in his auto to give the alarm. Meantime Mrs. Lee and the three children escaped the building and were standing watching outside their comfortable abode of the past few weeks burning to the ground. Chief Pippel of Grand Haven made the trip with the fire truck and the apparatus got as far as Ferrysburg where it was seen that nothing could be done inasmuch as the vehicle is not a pumper.

The house is a total loss and most of the furniture, etc owned by the Frazers were destroyed. The Lees had about \$400 loss. Some of the household effects and personal property was saved by volunteers' aid.

The announcement is made by the manager of the Masonic Temple that Kryl's famous band of Chicago has been secured for two performances at the Masonic Temple on Wednesday, Sept. 3.

Holland was well represented at the Grand Haven range Thursday night when the Holland Gun club and those interested in shooting went to saw off a tie with the Grand Haven club.

Grand Haven had strengthened its team, however, so had Holland with the two De Waard boys since the first game was played which resulted in a tie. In the final score Holland came out a big winner, the Holland shots bringing down 195 out of 125 pigeons thrown while the Grand Haven team secured one 76.

In the preliminary show with ten men on a side, Holland won again by a score of 200 to 183.

The real contest however was between the five best men in which Neal De Waard scored the highest bringing down 24 out of 25 birds. The score between the two teams follows: Holland—Neal De Waard, 24; Koops 23; Wm. Woldring 22; Van Dort 20; A. Rigerink 16—total 105.

Grand Haven—Kingsley 17; Ben Rema 17; Rice 16; Crowe 14; Klungle 12.

The largest representation ever present at a family reunion of the Huyser family gathered in the C. Huyser grove in Beaverdam Wednesday. One hundred and forty members of the different branches of the family were present, while the highest number at any previous reunion was 120.

During the business meeting of the family organization the following officers were elected: president, Cornelius Huyser, Beaverdam; secretary, W. Van Eenennaam, Zeeland; treasurer, B. J. Berghorst, Zeeland; historian, Peter Huyser, Holland. The next family to be honored by the presidency will be the family of Mrs. F. De Vries of Zeeland.

An interesting program of music, sports and addresses was carried out. There were members of the family present from several states.

Albert Stoel in circuit court brought suit for \$2,000, claiming that Henry Van Kampen, son of Klaus H. Van Kampen, living a mile north of Pine Creek school, on Dec. 1, 1923, ran over the plaintiff while driving his father's car just as Stoel entered onto the West Michigan Pike from Dunton's Addition where Stoel lives. The plaintiff claimed that thru excessive speed and negligence in operation of the Van Kampen car he was knocked unconscious on the pavement and was not only badly lacerated and bruised but was incapacitated for doing his work in the Lambert company, where he is employed, for six weeks and that he was permanently injured also.

Defendant did not deny that the plaintiff was knocked down by his car and injured, but claimed that defendant was negligent himself in the manner in which he came upon the highway and that he didn't pay attention to the traffic then on the highway. The jury, after deliberating two and one-half hours, agreed with the contentions of the defendant and brought in a verdict of no cause of action. This was the first civil case tried at the present term of court.

Robinson & Parsons represented the plaintiff and Daniel Ten Cate, of Diekema, Kollen & Ten Cate, the defendant.

Charles B. Blair, referee in bankruptcy, has called a meeting of the creditors of Morton & Jones, who for a time leased the Holland theater and then went broke. The meeting is called for August 22 in the Michigan Trust Building, Grand Rapids.

According to the appraisal made on the property in which Morton & Jones were interested the following figures were shown: projecting machines at \$600; window curtains, \$22.50; grand drapery at \$200; light bulbs and shades in Marquise at \$21; Electric sign at \$250; 84 yards of carpet at \$63; flower trimmings at \$100; total, \$1256.50.

Mr. G. Buils also submits an offer of \$535 to cover certain assets shown in the inventory.

While Morton & Jones had nothing whatever to do with the building, they were the lessees of the theater, renting from G. Buils. Mr. Buils is in no way involved in the bankruptcy any further than being a creditor together with a score of others from Holland and Grand Rapids.

A cut of Earl Kardux, formerly of Holland, was run in the Chicago Tribune Tuesday in connection with his radio work. Mr. Kardux is making a reputation by singing over the radio from the Drake Hotel and local friends of the young man have been tuning in on WGN (formerly WDAP). In a story about a recent program on which Mr. Kardux appeared the Tribune said:

"Earl Kardux, a romantic tenor of the finer timber, on the same program and not heard before, revealed a voice that is a joy to hear. His encore number, 'He Met Her on the Stairs,' by Levy, was a gem."

Mr. Kardux is going to sing two sacred songs Sunday on a program that will be given from five to six o'clock in the afternoon. One of them will be "Ave Maria," by Luigi Luzzi.

The beautiful Johnson property, directly north of Lakewood farm has been purchased by Hekman Bros., of biscuit fame, through the agency of Isaac Kouw & Co. This property embraces 280 feet of Lake Michigan front and also contains some cottages and a large woods. The Hekmans will develop it for resort purposes. They see a great future in the Holland resorts. Here apparently Holland let another chance to buy lake front property go glimmering. Johnson's property has been spoken of several times as being for sale, but apparently no concerted effort was made to get an option and of course this chance went by the boards.

At the residence of Mr. and Mrs. G. D. Vanderwerp, in Muskegon, an attractively appointed wedding took place, when their daughter, Miss Jeanette Vanderwerp, was united in marriage to the Rev. Harry Hager, of Jamestown, Mich., the Rev. John Dolfin, pastor of Bethany church, officiating. The bride who was attended by her sister, Miss Josie, was attired in a beautiful wedding gown of satin crepe, with veil and her flowers were Ophelia roses arranged in a shower bouquet. Her maid of honor wore powder blue canton crepe and carried pink roses. The Rev. D. H. Heselink of Hudsonville attended the groom. Preceding the service, Mrs. John Dolfin sang, "O Perfect Love," by Burleigh.

The bride, who is a graduate of Muskegon High and Hackley Manual Training schools and Hope College, was engaged in home missionary work among the Indians in New Mexico, and during the past year, was a member of the faculty at Hope College Preparatory School. The groom is a former Muskegon boy, a graduate of Hope College and the Western Theological Seminary and at present, pastor of the Jamestown Reformed church.

Following a wedding trip, the Rev. and Mrs. Hager will be at home, after September first at Forest Grove, Mich.

On Thursday, a family reunion was held at the old homestead of the late Hendrick Looman in Olive township near Crisp. Mrs. H. Looman at the age of almost 91, surrounded by a large circle of children, grandchildren and great-grandchildren, enjoyed to the full this day that even nature smiled upon with its beautiful sunshine. Ninety nine out of one hundred and twenty-two had come out to enjoy the festivities of the day. The tables were spread in the orchard. Invocation was pronounced by Mr. J. Looman, followed by singing of the Doxology, after which a most appetizing picnic dinner was enjoyed by all. A fine program of sports had been prepared. A ball game and reminiscences of pioneer days were enjoyed by all.

The second annual reunion of the Franz Kammeraad family was held Wednesday at Jensen Park and about 135 members of the different branches of the family were present. Franz Kammeraad was the grandfather of Nick Kammeraad, the mayor of Holland, and the family was organized into an association last year when officers were appointed. The association was formed for the purpose of keeping a history of the family, a special record book being kept in which all the names are entered, giving dates of birth and death and also dates of important events in the lives of each. Frank Bolhuis was elected president for the coming year, Abel Postma, treasurer, and Mrs. Lena Karsten, secretary. Talks were given by Benj. Kammeraad, Henry Kammeraad, and Mayor Nick Kammeraad of Holland, Frank Kammeraad of Philadelphia, Frank Bolhuis of Holland, Henry J. Kammeraad of Grand Haven, and a reading was given by Mrs. Kate Kardux of the North Side.

The day was spent in sports and games and a basket lunch was enjoyed, with coffee and lemonade served by the association. The out-of-town guests were: Frank Kammeraad of Philadelphia, John Bolhuis of Elkhart, Ind., Jack Bolhuis of Jackson, Albert Bolhuis of Charlevoix, Arthur B. Kammeraad, Henry J. Kammeraad, Jacob Muller, Peter Kammeraad, Mrs. Cornelia Kammeraad, Arthur L. Kammeraad, and Mr. and Mrs. Baumgard of Gr. Haven, Stuart Bolhuis and D. Bolhuis of Grand Rapids, and Miss Bernice Kammeraad of Muskegon.

Playing in a muddy field, the locals defeated the Port Huron Athletics 3 to 0. Holland secured their first runs in the first inning when Batema singled, stole second and advanced to third by Jappinga's single, scored on an overthrow. Jappinga came home on a squeeze play. Neither team was able to score again until 6th when Dick Jappinga again came over the plate. Ashley featured with his spectacular catches, having to jump into the air several times for balls that would have been safe hits. "Beans" Riemersma played a stellar game at first, his ability showing up well. Pryor, the long 6 ft. 6 in. colored boy had the locals at his mercy after the sixth when he burnt them across the plate. Hoover, one of the mainstays of the locals' swat list, was unable to hit the dusky lad. De Young hurled wonderful ball for the locals, securing 4 strikeouts, while Pryor secured 8. Both teams played major league ball in a sea of mud.

Mr. and Mrs. Joseph Oom of Berkeley-av. have returned to Grand Rapids after a brief stay with friends at Macatawa Park.

## HOLLAND ALMOST SHUTS OUT NEGROES FOR SECOND TIME

The Holland Independents simply slaughtered the Port Huron Colored Athletics Saturday afternoon, nearly shutting them out, the score being 20 to 1. The visitors seemed to be out of pitching material, for the manager pitched the tall Goliath who was on the mound the day before again on Saturday, until he was so tired out that another would-be pitcher had to be substituted, and then the slaughter began, with a continuous rally around the bases until eleven tallies were made in one inning. This was too much for the colored men, and big Rastus (Pryor) was substituted again to stem the flood of runs being made by the Holland team.

The game was not really a baseball game, for Holland could have shut out the visitors easily for a second time, as the colored men simply could not bat. Vande Bunte struck out man after man and had the team completely at his mercy. Everyone on the Holland team batted for it was simply one grand swat fest from beginning to end as the score of 20 to 1 would indicate.

Dickie Jappinga did some exceptional playing at short, assisting in putting out 9 men during the game. Batema brothers also featured in batting and fielding.

It would hardly do for the local management to play a team of this kind often. The Hurons are not in a class with the local team and while the game afforded a lot of fun for an afternoon, there is no great amount of honor in beating a team of that caliber. The Hurons haven't got the stuff that either the Illinois Giants or Chicago All-Stars have. Of course, the local management has no way of sizing up a team beforehand, and the Hurons in reality were the first easy marks that the locals bumped up against.

The Illinois Giants, considered the best colored team in the middle west, will play in Holland again this week Saturday, while Allegan comes to Holland for a twilight game tomorrow.

A special free act has been engaged by Secretary Arendshorst in addition to the wonderful list already secured. The act is listed as the Wonder Horse. The horse is not guided by human hand. He will race around the track prompted by an automobile. The horse is called Vera Direct and holds the world's record as the fastest horse on the 1/4-mile track, time being 2.08 1/2.

The horse is a Michigan animal owned and trained by T. D. Sheridon of Detroit, Mich.

## WOMAN FROM GANGES KILLED ON THE PIKE

Another serious accident occurred Sunday afternoon on M-11 south of Saugatuck near Ganges, when Mrs. Frank Keeler, aged 63, of Ganges township, was run down by a car driven by John Clemens of Chicago.

The old lady was coming home from church having been given a lift in a car belonging to a neighbor, which stopped in front of her home. She was accompanied by her granddaughter, Miss Zephia Keeler, who had just walked around the rear of the car which brought them home to safety, and was being followed by Mrs. Keeler when the Clemens car whizzed by, knocking the woman down on to the cement pavement. When medical aid was hurried to the scene it was found that Mrs. Keeler had her neck broken and must have died almost instantly.

Clemens claims that he drove his car not faster than 15 miles an hour and had his machine under full control within 25 feet of where the fatal accident occurred. Coroner Clay Benson and undersheriff George W. Hare are making a thorough investigation, but Clemens was not held.

This accident is almost similar to one that occurred on the 5th of August, 1922, when Mrs. Julia M. Apple was struck down not over a half mile from where Mrs. Keeler was killed. It will be remembered that Mrs. Apple was getting her mail from the rural mail box when an Indiana car driven by Warren H. Johnson of Kenedville struck her down and her skull was crushed.

Altho the case was in Allegan county, Chief Van Ry and his men ferreted out the details and the examination of the Indiana man was held in Holland.

Donald Bruschat, son of Abe Bruschat living southeast of the city, was arraigned before G. Van Schelven Monday morning on a serious charge alleged to have been committed against a 14 year old girl.

Bruschat was represented by Clarence Lokker of Lokker-DenHerder and when arraigned he asked for an examination through his attorney which was set for Saturday, September 6, at the city hall.

Chief Van Ry was notified of the seriousness of the case, made a thorough investigation and from the evidence dug up grounds enough for complaint upon which the young man of 19 was arrested.

Mr. Van Schelven placed the bond at \$2,000.00, which the young man could not furnish and was taken to the county jail awaiting his examination in September.

In 1900 there were 73 per cent of the voters of the United States who used the ballot for the presidential election. Each year since that time the percentage has been less and in 1920, only 56 per cent used the ballot. This is a descending curve of American citizenship and presents a challenge to us all. This fact is a reflection upon us as individual citizens of the greatest and most influential country on the earth. For it is the country to which the universal eye of the oppressed looks because of its superabundance of opportunity. The time is close at hand when we must make our choice of the man who is to be our leader.

Do we appreciate the privilege which we enjoy because of our American citizenship? If so, let us show that appreciation by going solidly to the polls, men and women, together, to vote in the September primaries and the November election. Holland shows her civic pride on every side. Let's show it on this occasion of the coming presidential election. Let's add to our slogan of "Holland the City of Homes," the phrase "Holland, the City where 100 per cent citizens live!" Whenever a call to duty comes, no matter what it is, Holland and Ottawa county answer. This time let's all work together to make our answer to this challenge to citizenship heard all over the state.

Remember, if you live in Holland you must register. Be sure you are registered in your own ward or precinct in case you have moved or you cannot vote. This week, under the direction of the Citizenship committee of the Woman's Club, someone will call you by phone to remind you that Saturday, August 23, is the last day of registration. When that day rolls around don't be found waiting. Help swell the grand total.

On September 6 and 7 the Elks Daisy Lodge of Grand Rapids, about 200 in number will take a cruise up Lake Michigan to Mackinac Island. Invitations have been sent to the orders in Muskegon, Grand Haven and Holland, and quite a few are figuring on a vacation trip leaving this city for Grand Haven Friday afternoon Sept. 5, taking an evening boat to the Islands.

Several hours will be spent in sight seeing and a daylight trip will be made upon their return, the excursionists arriving in Grand Haven again early Sunday evening. Some are planning to take an auto load from Holland to Grand Haven, leave the car at a garage in the county seat, until the boat returns from Mackinac Island.

Routing of the cruise arranges that the party will leave Grand Haven at 8 o'clock Friday night, arriving at Mackinac Island Saturday afternoon at 2 o'clock. The return will be begun at 5 P. M. Saturday, the first stop being made at Cheboygan at 7 o'clock Saturday night, where the boat will remain for two hours, going from there to Manistee, where the party will arrive at 10 o'clock Sunday morning, and leave at noon. Another stop at Ludington for two hours in the afternoon will be the last resting place before the steamship finally docks in Grand Haven at 9 o'clock Sunday night.

Henry J. Kuiper, aged 54 years, died Thursday at Holland hospital after a lingering illness of many months. Mr. Kuiper has lived in this city most of his life and has been an employee of the Capron-Bertsch Leather Co. for about 35 years. About eight or nine years ago he lost an arm when his hand was caught in a machine.

He is survived by one son, George, one daughter, Jennie, and two brothers in Germany. The funeral was held Monday at 1:30 at the home, 409 Pine avenue, and at two o'clock at the 16th street Christian Reformed church, Rev. Mr. Keegstra officiating.

Al. De Weerd, John Holleman and Ben Laarman of the Holleman-De Weerd Auto Co., were in Detroit, Friday, and each drove in a Ford coupe, Holland.

Mrs. Edith Boyland of Detroit and Mrs. Martin Van Alsbury of Decatur, Ind., are the guests of their mother, Mrs. Mary De Graaf, 77 West 15th-st.

## FIFTH DISTRICT LEGION FAVORS DEFENSE DAY

Resolutions pledging full support to Defense day program in Kent and Ottawa counties were passed at a meeting of the Fifth district of the American Legion in the Hotel Pantlind on Friday night. The meeting was called by District Committeeman Earnest C. Brooks of Holland to make arrangements for the state convention in Muskegon Sept. 1 to 3, and for the national convention in St. Paul, Minn., Sept. 16 to 20.

It is expected there will be a representation of 150 legionnaires of the 5th district at the St. Paul meeting. A communication from the state legion headquarters in Detroit outlining the raising of subscriptions for a memorial tablet to be placed in the American Legion hospital at Battle Creek in honor of its former superintendent, the late Edward J. Welsh of Grand Rapids, will receive the united support of every post of the fifth district. Out-of-town members at last night's meeting were from Holland, Sparta, Zeeland, Grand Haven, Cedar Springs, Lowell and Rockford.

Vulture local No. 553, La Societe 40 Hommes et T Chevaux, held an initiation following the district meeting at which four new members were inducted into the organization.

Millard Harrington of Jackson, formerly of Holland, will be a visitor at the Holland fair for the first time in many years due to the fact that the fair and his birthday coincide more nearly this year than is usually the case. Harrington celebrated his 52nd birthday on August 11, coming here to observe the day with his relatives and friends, and since it was so near Holland fair time he was persuaded to stay for that event.

Mr. Harrington was one of the men who originated the Holland fair. He was a young man then and was well known throughout Ottawa and Allegan county. He came into contact with many persons and was equipped in a special way to help launch the movement that resulted in the fair because he was bilingual and could urge the desirability of a fair to the Dutch farmers whose support was needed to make it a success.

The people of Holland and the surrounding country at that time were committed to the idea of a Market Day, having brought the idea with them from the Netherlands. Mr. Harrington and others persuaded them that an American fair had much greater possibilities than the old fashioned Market Day and that hence they should support the fair. They were successful in this and the fair was launched.

Mr. Harrington comes to Holland once a year and he usually comes to celebrate his birthday which is on the same day as that of his nephew, Austin Harrington. Though 52 years old Mr. Harrington is still well and vigorous and takes a great interest in the progress of Holland. He is living at the Odd Fellows Home at Jackson, having been one of the originators of the Odd Fellows lodge of Holland. He is enthusiastic about the home and about the management of the large farm connected with the home.

Henry Workman was arraigned before Justice Den Herder Friday on a charge of non-support. It is charged he failed to work for his two small children.

Workman was unable to furnish the \$200 bail demanded and was taken to the county jail to await trial at the next term of circuit court. The man was found in Muskegon by Holland police.

The report of the Allegan county road patrol for the week ending Aug. 10 shows officers Jackson with 15 arrests with an expense of \$75 and fines of \$48. Most of the time as usual was spent in the eastern part of the county where there are few violations of the law, but for the time actually given to patrol M-11, Mr. Jackson has nearly as many arrests as Sheriff Hare, showing that the difference in the total number of arrests by the two is due more to the fact that the sheriff is usually on M11 rather than to the fact that he uses a car. There is occasional patrolling of M-11 by a state policeman on a motorcycle.

One fine of \$1 was given a man for driving with a speedometer not working. No arrests were made Aug. 11, 3 on Aug. 12, and 11 on Aug. 13, 5 by Jackson and 6 by Hare. Apparently word has gone forth that the sheriff was without a car.

With Mrs. Luke Van Dam Boer, 87, years old, of Grand Haven, and the only surviving member of the original Van Dam family, presiding, the annual reunion of the Van Dam family held at Macatawa park last Thursday, descendants of the family from all parts of the country attending and swelling the attendance to more than 150 persons.

Swimming, boating and games entertained the gathering during the afternoon. At evening the group gathered around a picnic table.

Members of the family came from as far away as San Francisco, New York and several were here from Detroit.

Among those who were present were Mr. and Mrs. J. R. Van Dam and son, Emerson of Grand Rapids; Mr. and Mrs. T. I. Peacock and daughter, Marjorie of Wyoming Park; and Mrs. Van Dam, Jr., and sons, Halbert and Ronald, Mr. and Mrs. D. Van Dam, Mr. and Mrs. H. Jurgens, Mr. and Mrs. Gerrit Boeve, Roy and Ruth Jurgens, Mr. and Mrs. Simon Kluttenberg and daughter, Margarita all of Grand Rapids.

From Grand Rapids also were Mr. and Mrs. Ralph Van Dam and family, Mr. and Mrs. Richard Hunderman and family, Dr. E. D. Hunderman, Mr. and Mrs. Johannes Riddenig and daughter, Mrs. Lucille Billings, Mr. and Mrs. G. Riddenig and family, Mr. and Mrs. G. Riddenig and son, Mrs. George Ritz and family and Mrs. James Riddenig and daughter.

Rev. James Wayer, pastor of the First Reformed church, conducted services at Calvary Reformed church of Grand Rapids Sunday.

Miss Ruth Mulder is in Muskegon, the guest of Mr. and Mrs. John Van Landegend.

Mrs. John A. Pieters is the guest of her brother, John Boone, for an extended visit.

Henry Visser of Holland was an interested visitor this week at Radio Station WLS, Chicago, located in the tower of the Sears-Roebuck plant.

Mrs. Marie Phillips returned to Grand Forks, N. D., after spending the summer with her daughter, Mrs. Frank Bertsch and son Mr. Ward Phillips, both of Holland.

## ROTARY CLUB IS HOST TO NOTED GUESTS

That the resorts bring many prominent people to Holland and vicinity is evident from the guests who were entertained at a luncheon of the Rotary club Thursday noon. Vice President James De Pree presided in the absence of the president, Charles Kirchen, who was called away on business. In addition to the luncheon an entertaining program had been arranged, the eleven guests present being called upon for five minute talks. The subjects were many and not a few original puns were sprung by the visitors.

Among the prominent men present was Charles Newton, who is one of the five organizers who established the first Rotary club in the city of Chicago nineteen years ago. He is at this time president of the club that he helped launch.

Other Rotarians of note who were present were L. V. Busche of Lexington, Ky.; Charles Busche, of Cleveland; Rev. J. H. Rice, of Emporia, Kas.; Rev. R. E. Eusden of Lawrence, Kas.; Charles Newton of Chicago; C. R. Boak, Chicago; Harry B. Marsh, Evanston, O.; W. T. Ter Stegge, of Louisville, Ky.; George Van Eyck, of Highland Park, Detroit; Nathaniel Robbins, sr. and Vernath Sherwood, both of Grand Haven.

The Rotary club is international in its scope and has played a very important part not alone in national and state affairs, but also in civic affairs. The members give a great deal of their time to service, and the motto would indicate how unselfishly this service is rendered. Their slogan is: "He profits most who serves best."

## Tourists Are Even Coming In On Bikes

Tourists are arriving in this city by many modes of travel.

Saturday Earl Thompson of Chicago passed through this city on a "bike" tour to Central Lake, Michigan. He left Chicago at 1 o'clock Tuesday. He experienced some difficulties in Indiana which lengthened his time. He carries a complete tenting outfit with him, besides his toilet articles.

Mr. Thompson is traveling on a New Ranger bike, which is electrically equipped. He states that this is his way of spending vacations.

Members of the Holland W. C. T. U. will make a prominent part in the 45th annual convention of the Ottawa county Women's Christian Temperance Union to be held in Coopersville, August 21st. Holland has an organization with 300 members and many of them are expected to go to Coopersville to attend the convention.

The programs will include the following: Greeting, Miss Margaret J. Bilz, county president, and Mrs. Harriet E. Housler, local president; "Footprints of Time," Mrs. Dora Robinson; "Making History," Mrs. Iantha DeMerrell; "Our Treasure Chest," Mrs. Julia Lillie; local presidents' symposium, "The Union at Work," memorial services for the late Mrs. A. S. Benjamin; noon-tide hour of prayer in charge of Mrs. Margaret Markham, Holland; table discussion, "Behind the Bars," Mrs. Deremo of Spring Lake and Mrs. Dykhuis of Grand Haven; "The Union Signal," Mrs. Marian Lyttle; "The Value of Our Official Papers, Jubilee Conventions," Mrs. DeMerrell; "Holding the Line and Fighting on to a Complete Victory," Fred T. Miles; discussion of national constitutional prohibition, with the Holland Union leading the discussion; addresses by Mrs. Lenora H. Holcomb, general secretary of the Michigan L. T. L., Miss Bertha Wellington, Ottawa Home Demonstrator, and Dr. Estella G. Norman of Battle Creek; Junior High Winners in contest, "The Eighteenth Amendment," by Lois Marsille, and "The Christ of the Andes," by Loretta Schulling; address by Dr. Estella G. Norman, illustrated by new and original slides and movie films.

In addition to the addresses and the other features on the three programs there will be music, election of officers and other business features. The officers of the Ottawa County Union are: President, Miss Margaret J. Bilz, vice president at large, Mrs. Olla K. Marshall of Coopersville, corresponding secretary, Mrs. Iantha DeMerrell of Holland; recording secretary, Miss Dora Robinson of Lamont; and treasurer, Mrs. Julia Lillie of Coopersville.

J. F. Dryden, West 13th St. has gone to Peru, Indiana, where he will visit his sister. Mr. Dryden will also visit Columbus, O., and other Eastern cities while spending a well-earned vacation out of the city.

## TO WHOM IT MAY CONCERN

The Zeeland Record of August 14, 1924 contains an article written by Bertus Lloyd Boone and Amy Boone, sole heirs of Egbertus Boone, deceased, attempting to justify an over-charge of \$148.41 made by Cornelius Roosenraad of Zeeland, as administrator of said estate. As this communication affects the decision of this court we deem it necessary to make answer.

In the first place we do not think that the children of Egbertus Boone intend to be unfair to the court. We will supply that which we think necessary to a full understanding of said matter. Then let the public decide.

Egbertus Boone died in Colorado, September 4, 1916. His will probated there, Jennie Boone, widow, was appointed executrix.

His will was probated in this court as a foreign will. At her request Lambertus Scholten was appointed administrator with the will annexed and qualified April 9, 1919, and acted as such administrator until August 10, 1921, when said Jennie Boone qualified as executrix of said estate, and acted as executrix to the day of her death, January 8, 1924. Lambertus Scholten proved to be an efficient administrator and completed the administration and turned the money and property over to Mrs. Jennie Boone who was entitled to the income of the estate as long as she lived. Mr. Scholten was entitled to a statutory fee of \$210 for services, but refused to take it and charged but \$95. Mr. Scholten desired to be relieved and requested that Mrs. Boone be appointed. This was done. On the 25th day of January, 1924, Mr. Isaac Van Dyke, former mayor of the City of Zeeland, petitioned the probate court for and on behalf of said heirs, who were minors, that Mr. Cornelius Roosenraad be appointed administrator with the will annexed. On February 7, 1924, Mr. Roosenraad qualified as such administrator and filed his supplemental final account on March 31, 1924. During this time his account shows that

He collected the sum of \$46.00; that he filed an inventory, and a petition for setting up the estate, that he attended the hearing on said final account. For this work he charged the sum of \$188.41. We then told him that it was an unlawful charge and that all that he could charge was what his services were worth for the couple of days and let us know that he later fixed the amount at \$40 which was allowed. At this time Mr. Roosenraad did not claim that he had an agreement with the minors, that he should have the statutory fee, nor did he claim that the guardian Isaac Van Dyke had consented to such a charge. Neither did Mr. Roosenraad appeal from the decision of the court provided by statute. Nor that he was entitled to special services, nor did he petition for extra pay under the statute.

The minors say: "For all the work he did for the estate during our mother's life time he never received one cent, and before his supplemental account was filed the matter of fees was taken up with us and for all the work he had done prior to his appointment we had the regular statutory fees was none at all, and fully consented to the charge; (altho not in writing) as we were fully informed about the matters as regards this estate. . . . We have however satisfactorily settled with Mr. Roosenraad so far as our father's estate is concerned."

Our answer to this is that Mr. Roosenraad as administrator could not make such a contract with a minor, or such a contract is absolutely void. Under the law minors are incompetent and incompetent to make such arrangement. If Mr. Roosenraad desired to make a contract for payment of his fee, he should have taken it up with the guardian, Mr. Isaac Van Dyke, and then only lawful fees could be considered. The records here show that Mr. Van Dyke did not consent in writing to what fees should be allowed Mr. Roosenraad and the minors never informed the court except thru the Zeeland Record what they had done in the matter.

Mrs. Jennie Boone had employed Mr. Scholten as administrator, and was being advised by Mr. Isaac Marsille and Mr. Scholten. Mrs. Boone in her life filed an account on November 25, 1922, but no mention is made in the disbursements of owing to Mr. Roosenraad.

Neither does Mr. Scholten's account show that the estate was owing Mr. Roosenraad. If he had a claim he could have presented the same in court. No such claim was filed.

We have conscientiously tried to safeguard and protect estates in every way, believing that a public office is a public trust.

JAMES J. DANHOFF, Judge of Probate. Dated August 16, 1924. —Pol Adv

Zeeland, Mich., Aug. 13, 1923. To whom it may concern:

In a recent issue of the several papers of the county, Judge J. Danhoff, has published an article concerning the fees charged in our father's estate by Cornelius Roosenraad, a candidate for the nomination of Judge of Probate. As we have been asked about this item, we believe that many people have gotten the wrong idea about the charges, and in justice to Mr. Roosenraad, we feel that a statement from us should be published.

Our mother was appointed administratrix, and she asked the aid and assistance of Mr. Roosenraad in settling up the estate, and he assumed the responsibility, and did all the work connected with the estate while she was Administratrix, and after her mother's death, we asked that he be appointed administrator to make final settlement of the estate, which he did.

For all the work he did for the estate during our mother's life time he never received one cent, and before his supplemental account was filed the matter of fees was taken up with us, for all the work he had done prior to his appointment. We thought the regular statutory fees was none too much, and finally fully consented to the charge; (altho not in writing);

## \$350,000 TO BE SPENT AT OTTAWA BEACH

A project that means a great deal to Holland has been launched by the final decision of business men of Grand Rapids, Chicago and Holland to beautify Ottawa beach. The north side of the bay has always been a beautiful spot but since the burning of large Hotel Ottawa the place, with its barren background, looks like a wreck and has given the local resorts some very unfavorable advertising. Ottawa Beach at night with its myriads of lights was a beautiful sight, but this year it looked dark and uninviting.

All this is to be changed. A score of men have laid plans for rebuilding Ottawa Beach on a much larger scale than ever before, and next year will find it a beauty spot again, and the ruins of the old hotel will be covered by a large club house costing more than \$300,000.

This club house will include some sleeping quarters, lounging rooms, verandas, grill rooms big dining hall, and an unusually large dance hall. This is what is to be called the first unit, and is already backed up with a club membership of 100 men. The club house will have at least forty rooms and will be erected on the old hotel site.

The second unit contemplated is the erection of fifty cottages which will be furnished thruout and in charge of maids and rented out for the season to parties who come highly recommended. A hundred members have pledged the erection of these fifty cottages, which is to be followed by 100 cottages more, pledged by another membership of 150.

Not only will the golf course be enlarged and the grounds beautified but the bathing beach will also be improved, the lawns made over, and bridge paths created through the woods and along the hillsides. The entire improvement will cost approximately \$350,000 to begin with and more money will be spent from year to year.

A fine new lighting arrangement is to be added to the improvement and by next year Ottawa Beach will be its old self again and will be the mecca of a tourist public who now find nothing but ruins of what was once a beauty spot.

Men interested in the project and who are also found on the membership committee are the following:

George Getz, chairman; Fred Z. Pantlind, Albert Stickney, Ferry K. Heath, C. R. Slight, W. A. Smith, W. M. Bertles, Robt. W. Irwin, and B. S. Hanchett of Grand Rapids; G. J. Diekema, A. H. Landwehr and Chas. Kirchen of Holland; L. L. Hay of St. Louis; E. S. Richardson of Lansing; Charles Fox and E. H. Gold of Chicago; A. D. McBurney, Jackson; Fred W. Green, Ionia; Nat Robbins, Grand Haven, and L. J. Montgomery, Battle Creek.

## WILL MAKE OUT BONUS BLANKS AT THE FAIR

Service men from the rural districts who have not yet made out their bonus blanks will be given a fine opportunity to do so at the Holland fair. Some of the rural service men have been so busy that they have had no opportunity to come to Holland to have the blank made out. But nearly all of them will take a day off to visit the fair and so Mrs. G. J. Van Duren of the Red Cross has made arrangements to make out applications at the rest room tent. Mrs. Van Duren herself will be on hand Wednesday and Thursday and Friday of the fair to meet the service men and to help them make out their bonus blanks. On Saturday of this week Mrs. Van Duren will again be in her office in the city hall all day to meet service men who wish to have their blanks made out. So far 202 bonus blanks have been made out at the Red Cross office.

Mrs. E. J. Hanes left Saturday for a two weeks' visit with friends in Evanston, Illinois.

## JUDGE DANHOF GETS ENDORSEMENT OF COUNTY BAR

FEEL THAT A GOOD JUDGE AND FAITHFUL SERVANT SHOULD BE RETAINED

The probate judgeship is not an office that should be passed around too frequently. It takes years to become thoroughly acquainted with the office. Not alone that, there are constantly many cases and questions that involve the welfare of widows and orphans and that have to do with matters that a probate judge who has served for a period of time alone is acquainted with.

It is difficult for a stranger to the office to handle such cases as a judge would that has served in that capacity for years, and no one knows this better than do the attorneys where such a judge presides.

This is again shown in Ottawa county where practically all the leading attorneys have endorsed the present incumbent, Judge Danhof.

In their endorsement they say:

We, the undersigned, practicing attorneys of the county of Ottawa, do hereby endorse Hon. James J. Danhof for the office of Probate Judge for the county of Ottawa, believing as we do that it is for the best interests of the people of Ottawa county and for the best management of the probate office that a practicing and duly licensed attorney be elected thereto: Dan F. ## COSTLY CUPS TO BE GIVEN AT THE FAIR

Carter P. Brown, who is to take charge of the horse show at the Holland fair, is meeting with considerable success, as many fine saddle and fancy horses have already been entered. Entries are to close Wednesday, Aug. 29, and judging from the number already entered, this part of the Holland fair is to be a big feature rather than a side issue.

Merchants and manufacturers as well as the fair association itself, have offered many cups and ribbons for horses in their respective classes. A graduate of Grand Rapids Business College. Township Clerk for 8 years. Justice of the Peace for 8 years. Occupation: Farmer.

For the past 25 years the farmers of Ottawa County have largely been ignored under the Primary system. Now, if ever, they desire recognition and are entitled to some share in the administration of our County. You can show your good will towards the Farmers by giving me your support at the September Primary Election; I have all of the qualifications you want your County Treasurer to have.

I will never ask for more than 4 years in the Treasurer's Office. THANKS!

## Judge Danhof Candidate for Renomination

James J. Danhof will be in Race for Probate Judge Nomination

James J. Danhof, judge of probate of Ottawa County informed us that he will be a candidate for renomination at the summer primaries this year. Judge Danhof has not only served the people of Ottawa during a time when the duties of this department of the county affairs have been increasing very steadily. This experience has thoroughly qualified him for the faithful performance of the duties for the office of the probate judge giving good efficient service during his term of office, but has besides the regular probate matters which now go through the probate court, practically all of the juvenile court matters and the details connected with the so-called mothers' pension act are handled by the probate judge. The court is constantly on its guard to safe-guard the taxpayers' money.

Judge Danhof has made a careful study of all of the work of the probate and juvenile court and his friends have assured him of their support in the coming primaries, for renomination.

## Announcement

FRED T. MILES, Prosecuting Attorney of Ottawa County, wishes to state that he is a candidate for renomination on the Republican ticket. ## THREE PLEAD GUILTY IN CIR- CUIT COURT

Three alleged criminals pleaded guilty to charges preferred against them when arraigned before Judge O. S. Cross. One automobile suit was tried and a second one was scheduled to follow, and a third was also scheduled. One who is held on a criminal charge pleaded not guilty and trial will be held in the near future. Those pleading guilty will be sentenced later.

La Verne Williams of Holland pleaded guilty to a charge of burglary, charges being preferred by the Holland police for various thefts from stores in Holland. Harold Dry also of Holland entered a plea of guilty to burglary in connection with same offenses. Albert Wyn of Muskegon pleaded guilty to larceny in the daytime having been arrested at Grand Haven last week for taking articles from stores. Leslie Wyn, her husband and alleged by officers to be a co-worker, pleaded not guilty to the same charge and will be tried later.

Friday the suit of Elmer Kamphuisen of Holland against Albert Westrate of Holland in an automobile damage suit, was tried. Another similar suit is pending. This will clean up last week's docket.

The week promises to see several interesting cases which should fill the court room to capacity. Among these on call are the cases of Maggie Hoen for criminal slander, the People vs. Benjamin of Holland, liquor law violation, and Einink vs. Steketee and Bareman, all of Holland, for false imprisonment.

## Author and Lawyer Visits His Parent In Holland

Attorney Nicholas Dosker of Louisville, Ky., arrived in Holland Saturday morning via the G. & M. line. Mr. Dosker is the oldest son of Dr. H. E. Dosker, who owns a cottage at Central Park.

Mr. Dosker is one of the prominent attorneys of Kentucky, being author of two books on labor laws, which are considered authoritative. He is also vice president of one of the large banks of Louisville. Mr. Dosker came to Chicago on legal business and then crossed the lake to call on his father and sister for a day.

## FAMILY DEVOTES FUNDS TO THE MISSION CAUSE

The Stegeman annual family reunion was held at the home of Peter Stegeman at South Blenden. The number present was eighty-five. Among those who had come from far were Rev. Henry V. E. Stegeman of Japan, and Rev. and Mrs. William Stegeman and family, who had motored in from Prairie View, Kansas. At noon the happy company sat down to a sumptuous dinner on the lawn. After dinner an interesting program was rendered. Rev. James Stegeman read an historical paper on the original Stegemans, Mannes and his wife Cornelia, who came from the Netherlands and established a homestead at New Groningen in the later '40s. Timely addresses were delivered by Rev. William and Henry V. E. Stegeman. A budget was read by Miss Cornelia Stegeman of Prairie View, Kansas, and a quartet rendered several musical selections.

During the business hour it was decided to devote a larger amount annually toward the establishment of a family syndicate fund, whose purpose is to serve as a memorial to the grandfather and grandmother Stegeman, and to provide annual missionary scholarships at home and abroad. Each year part of the subscriptions is devoted directly to missionary work. One year an organ was purchased for Sturges Seminary in Shimoneo, Japan. During the past year Hope church of Detroit and the Southern Industrial Institute of Brewton, Ala., were remembered with contributions. The family expect to hold their next meeting in June, 1925.

The members of the Prospect Park Christian Reformed church enjoyed their annual picnic at Weurding beach Saturday.

## Wildcat Money of 1873 Shows Up for Payment

Allegan News—Basil Barker, cashier of the First National bank redeemed a three and one dollar bill issued by the Bank of Allegan in 1837. The order to pay was received from a bank in Falls River, Mass.

The bills were signed by A. L. Ely, president and H. K. Clarke, cashier. While under no obligation to redeem this money Barker did redeem it as he desired to keep the bills to display. The Bank of Allegan was one of the celebrated wildcat banks. It issued its paper in 1837 promising to pay near the close of that year. It never did.

## TWO SEDANS FIGURE IN A COLLISION

A sedan owned by Henry Garvelink, R. R. No. 5, and driven by his son John Garvelink, figured in a collision with a sedan owned and driven by John Harvey of Chicago who is staying at Macatawa Park. The collision occurred about 11 o'clock Friday night on the Park road near Central Park, and though both cars were rather seriously damaged so that both had to be towed in no one was hurt. There were six persons in the Garvelink car and four in the Harvey car.

The Garvelink car had a wheel nearly wrenched off, a splintered running board and a badly smashed fender, and the Harvey car had a twisted fender and a twisted steering rod. Both cars were going at a very moderate rate of speed and it is supposed to be due to this fact that no one was injured.

## MORE TO GO TO BOY SCOUT CAMP

There are 26 boy scouts in camp at Boone & Baker beach this week, the first week of the camp there. It is expected that quite a few more will leave for camp next Monday to join their comrades for the rest of the stay. None of the boys now in camp intend to leave, so much do they enjoy it, and when their comrades come on Monday there will be a full house. However, accommodations will be made by all those who desire to come.

Scoutmaster Deto came to town Friday and announced that all those who expect to leave for camp Monday should meet on the corner of 8th St. and River avenue between 9 and 9:15 o'clock.

## ALLEGAN LEGHORNS BID FOR STATE LAYING HONORS

While W. C. Eckard of Paw Paw retains the leadership in the year's egg-laying contest conducted by the Michigan Agricultural college, with a pen of White Leghorns, L. F. Heasley of Dorr, formerly of Holland, has now crept into second place with the same variety of hens.

With nine months of the contest completed the three leading pens have laid eggs at the average rate of about 200 a month for each pen. Five pens of White Leghorns occupy the first five places.

## State's Oldest Printer Visits House of David

BENTON HARBOR, Mich., Aug. 14.—The House of David was honored Wednesday by a visit from the oldest working printer in the state. This printer is Albert Kamferbeek, of Holland, who with his wife, paid a visit to the House of David and inspected the many curiosities to be seen there. Mr. Kamferbeek began work as a printer while a young lad, away back in 1868, on a newspaper in his home city called "De Hollander."

## Kills Pesky Bed-Bugs P.D.Q.

Just think, a 35c box of P. D. Q. (Pesky Devil's Quinine), makes a quart, enough to kill a million bedbugs, roaches, fleas or mites and stops future generations by killing the eggs and does not injure the clothing.

Liquid fire to the bedbugs is what P. D. Q. is like, bedbugs stand as good a chance as a snowball in a justly famed heat-resistant spot free in every package of P. D. To the Voters of Ottawa County  
Having extensive experience in probate matters, I announce myself a candidate for nomination on the republican ticket, for the office of Judge of Probate for Ottawa county. I believe that money can be saved to estates which are probated, and that widows and orphans should receive the benefit of the court along that line.

For that reason I wish to present Section Three, of Chapter Three of Act 314 of the Public Acts of Michigan, for the year 1915 which reads as follows:

"The Judges now elected, or hereafter elected, shall each receive an annual salary..... and such salary shall be in full compensation for all services performed by them as such judges, except as is or may be otherwise provided by law."

Sec. 17 of the same Chapter and Act, reads as follows:  
"No Probate register, probate clerk, or official stenographer shall receive any fees or compensation for drawing any petition, application or other paper whatever, or for any service performed by him in any matter or proceeding in said probate court, except the probate judge or the probate register shall make attested copies and exemplifications of any record, paper or proceeding in such probate court, furnish the same on request to any person..... then it gives the fixed fees."

My platform is Section 3 of Chapter 3, above referred to.  
If you are satisfied with this platform, then help the cause along with your vote at the primaries September 9, 1924, and vote for the man that represents that cause.
