**HOLLAND TEAM TO
PLAY IN GR. HAVEN**CITY TITLE HOLDERS TO MEET
HOLLAND FEDERALS NEXT
SATURDAY

Grand Haven Tribune—Holland Federals found that they could not secure the use of their ball field for the proposed second game of the Ottawa county series in Holland next Saturday so that this crucial contest will have to be played at Fourth Ward Field the same as last week. The Grand Haven team, Kellers, who won the City League title, are out for blood and have decided that they must annex the second game in order to drive the series into a three game affair which will be divided on Labor Day.

Holland pounded the usually effective Engel very hard last week and slow fielding, very unlike Kellers, allowed the visitors to take home an 11 to 2 decision. This week they will be allowed no such privilege if it is possible to prevent it.

Just who will appear in the box for Grand Haven is unknown but unless Engel's much depended arm is in good shape, he may not start. The Keller hurler has been hurling regularly for three years now and very seldom has failed to go the entire route so that the breakdown is hardly to be wondered at.

**RUTH PRICE WILL LEAVE
SOON FOR WORK IN WEST**

Miss Ruth I. Price, daughter of Mr. and Mrs. James Price, Robinson rd., SE, Grand Rapids, will leave Saturday for Los Angeles, where she will begin her new work in the University of Southern California as instructor of dancing in the department of physical education for women. Miss Price occupied a similar position this summer at the University of Michigan. Miss Price is a Holland girl and for years lived with her parents on River Ave.

In the Grand Haven Tribune column of Twenty years ago the following item appears: "Margaret Bilz had been re-elected president of the Ottawa county W. C. T. U." Since Miss Bilz is still president she has served in that capacity more than a score of years.

Miller Furnace Co., building, Grand Rapids, was damaged Monday night by flames originating in a truck standing in the rear of the place. The short circuit supposedly caused the fire. Loss was about \$300.

Miss Dolores Wierenga, who has been employed at Oswald's Sweet shop, Grand Haven, this summer will take a position at the Western Union office there.

**ZEELAND BOYS
STEAL 75 PULLETS**BOYS ARE BOUND OVER TO CIR-
CUIT COURT BY JUSTICE
CLARK

Deputy sheriff Ed Ryenga captured two Zeeland boys charging them with chicken stealing.

They were young Philo Way and Ed Glatz, 17 and 15 years old respectively. Suspicion had pointed to them since they were seen riding about the countryside with a Ford car buying poultry.

While the Ver Lee family were at the Holland fair they found that upon their return 75 pullets were stolen. The officers traced a shipment of chickens to a Grand Rapids commission dealer and the hens corresponded with those taken from the Ver Lee farm near Berculo.

When examined before Justice Clark the young men were bound over to circuit court under \$100 bond. Deputy Sheriff Ed Ryenga brought the charge against the boys. It is said they also admitted to having taken a sackful of potatoes from the ground on a place just north of Zeeland.

**HOLLAND BUSINESS COL-
LEGE OPENS NEXT WEEK**

Holland's Business college will open its fall term on Tuesday morning of next week, in charge of A. Hoeksema and J. C. Dregman, secretary. Places have been found for practically every graduate from that institution thus far, and pupils from that college are in great demand.

A practical business training is given every student and the courses come under the head of business, stenography and secretarial courses. Final registration day is Saturday, Sept. 3, from 3 to 5 and 7:30 to 8:30 P. M.

**MUSKOGON PARSON TAKES
APPEAL IN LOVE SUIT**

Rev. George N. Harness, defendant in a recent alienation of affections suit in which James F. Kleeg, plaintiff, was awarded \$3,500 heart balm, has appealed the case to the supreme court.

The appeal was filed on the last day set in the court opinion.

Jamestown is to have a Labor Day celebration this year. Some of the features are a band concert by the Press News Boys band; the Wolverines Male Quartet; two aeroplane flights; address by Rev. J. Prins of Forest Grove; baseball game; quoits tournament and many other sports.

**DOROTHY M. TODD
BECOMES BRIDE OF
RONALD HOYT FELL**60 GUESTS FROM HOLLAND AT-
TEND NUPITALS IN GRAND
RAPIDSThe Marriage Was Performed By Dean
Charles E. Jackson

A marriage of unusual interest to Grand Rapids and Holland society was solemnized last evening, when Miss Dorothy Mae Todd, daughter of Stanton W. Todd, Morris ave., SE, became the bride of Ronald Hoyt Fell of Chicago, son of Mr. and Mrs. Robert E. Fell of Holland.

The vows were spoken at 8:30 o'clock in the Todd home on Morris Ave., Grand Rapids, before the fire-place, which had been adorned with palms, ferns and other greenery, interspersed with artistic groupings of flowers. The bride wore a gown of pink and white tulle, and the groom wore a tuxedo. The ceremony was performed by Dean Charles E. Jackson.

The bride, who was given in marriage by her father, wore a costume fashioned of sleeveless white tulle with a full skirt. The groom wore a tuxedo with a white shirt and a bow tie. The ceremony was performed by Dean Charles E. Jackson.

The maid of honor, Miss Gretchen Todd, sister of the bride, was attired in a charming frock of two shades of green, fashioned sleeveless, with tight bodice and full skirt.

The bridesmaids, Miss Betty Frank of Rochester, Miss Helen Boer, Miss Kathryn Coyne and Miss Audrey Annable, were frocked alike in light green and peach colored tulle, made similar to that of the honor maid.

Miss Frank and Miss Coyne wore peach colored tulle, while Miss Boer and Miss Annable wore green trimmed in peach colored material, with peach colored hose and satin slippers. They carried similar bouquets of Ophelia roses and swainsons.

Mr. and Mrs. Rufus Boer were master and mistress of ceremonies. Mr. Boer wore a model of rose georgette.

A program of wedding music was played by Miss Elsa Horck, harpist, and Mrs. Hazel Clarke-Kortz, violinist.

Mrs. Mabel Cummings wore French blue georgette elaborately embroidered in crystal beads.

Mrs. Fell, mother of the bridegroom, was attired in black and rose printed chiffon with black lace. Mrs. R. K. Anderson, Mr. and Mrs. Jacob Lokker, the bride, wore dark rose chiffon.

A reception at home followed the ceremony. Ferns and summer flowers were artistically arranged in the residence and the bride's table in the dining room was centered with a graceful arrangement of red, pink and white candy tuft and tall, pink tapers.

After the reception Mr. and Mrs. Fell left for a week's stay at Macatawa Park. They will then go on to Chicago, where they will make their home.

Miss Todd is well known and has many friends in Holland, having been athletic director for girls in the public school here for three years.

Out-of-town guests at the ceremony included Dr. J. B. Nykerk, Mrs. Martha Sherwood, Mrs. William J. Garrod, Mr. and Mrs. Henry Winter, Dr. and Mrs. W. G. Winter, Dr. and Mrs. Thomas W. Davidson, Mr. and Mrs. J. J. Riemersma, Dr. and Mrs. R. H. Nichols, Attorney and Mrs. Fred T. Miles, Mr. and Mrs. Chester Besch, Mr. and Mrs. P. V. Oosterhuis, daughter, Lucille; Miss Gladys Huizenga, Miss Jerine Koning, Miss Sara Lacey, Miss Myra Ten Cate, Miss Genevieve Vanden Brink, Dr. and Mrs. George W. Van Verst, Mr. and Mrs. Wynand Withers, Mr. and Mrs. Hub Boone, Mrs. George E. Koster, Mr. and Mrs. Henry Geerlings, Fred Beeuwkes and family, Mr. and Mrs. Charles M. McLean, Dr. and Mrs. B. J. De Vries, Mr. and Mrs. A. Visser, Mr. and Mrs. Wm. J. Olive, and Hon. and Mrs. G. M. G. J. Diekema, Mr. and Mrs. Geo. Mood, Mrs. Frances Browning, Mrs. W. H. Wing, Mr. and Mrs. Roland Maybee, Miss Bernice Berry, Miss Evelyn Beach and 20 athletic sisters of Holland high school.

Fred Beeuwkes of the Jas. A. Brouwer store is on a week's vacation.

Leonard Van Regenmortel will take charge of the Macatawa Resort company offices at the park during the absence of Mr. C. J. Crakes.

Weather prognosticators figure that September is to be the not summer month, since August was way below normal with two frosts. Surely the month starts out well.

Checks for \$15,422.552 were mailed by the different counties in Michigan today comprising regular apportionments of primary school money. Ottawa receives \$211,286, Allegan \$149,586, Muskegon \$270,299, Kent \$773,724.

Mr. John Minnema, Dean of the School of Music of Elmhurst college, will be the soloist at the Central Park Church next Sunday. The pastor, Rev. F. J. Van Dyk, has returned from his vacation and will preach a sermon appropriate to Labor Day Sunday on the subject, "The Second Great Commandment." In the evening Mr. Van Dyk will preach on "Men and Machinery." A cordial invitation is extended to all to come and worship at Central Park.

**BIG GAME
BOOKED FOR
NEXT SATURDAY**ZEELANDERS ANXIOUS FOR
REVENGE ON HOME
LOT

The second game of the series between Zeeland and the reformed Holland Independents, will be played at Zeeland Saturday. Zeeland's defeat last Saturday here was a bitter pill to swallow for the Zeelanders and Saturday they will be out to help reap revenge. The Zeeland fans provided last week that they are a blood thirsty gang and it is said the Holland team will be escorted to Zeeland by a good sized body guard. Zeeland's batting order will be shaken up considerably and those who know will not let out the name of the pitcher.

Holland can depend upon a red hot battle for no music will sound sweeter to the Zeeland fans than a song of victory. The Hollanders will step to the plate in about the same order says manager Spriggs, with Fyma and Tubergen slated to set the heavy artillery down in order. Years back Holland and Zeeland fans were bitter rivals and many games ended with more than shouting. A defeat of 10-1 is quite a set-back and only a good trouncing for Holland will put the Zeelanders in good humor.

Playing at home will aid the Zeeland nine and Spriggs will have to keep his men stepping fast to stay on top. The set to is set for 3 o'clock and the umpires are not announced.

"Holland lawyers," he said, declare that it certainly is an economic way to provide the lawyers of 2427 with the business of determining among whom a nest-egg should be scrambled, and how.

"But Milwaukee investors want information."

"How much will that buck amount to, say at 3 per cent interest compounded semi-annually," they ask.

"How many heirs will there be? Say he has three grown children, and allowing for the increase in the rate of interest, what would be the nest-egg?"

"Each raising another family of the average of three, and so on, how many heirs will there probably be in 500 years?"

"What are the mathematical probabilities of all the heirs being located? Proving their rights to the money."

"Mr. Stella has stipulated that heirs living in Michigan are to receive 75 per cent of the fortune and those in other states 25 per cent."

"Assuming that in 500 years that the same bank or its successor is in existence, what would be the nest-egg?"

"The bank in clerical labor and stationery in handling that \$1 account."

"And the East Water street wizards of banking mathematics refuse to wear out pencils, comptometers or slide rules in answering the question."

"Assuming that the monetary system of the nation has not been changed in 500 years, two mathematical Milwaukee wizards computed \$1 at 3 per cent interest, compounded semi-annually, for 500 years, to be roughly \$2,900,000."

"Then he quit."

"Edward J. Rechlicz, of the savings department at the First Wisconsin National Bank, used pencil and paper, while E. G. Fassel, assistant actuary at the Northwestern Mutual Life Insurance company, combined a very intricate calculating machine with hand made figures, and both arrived at the approximate \$2,900,000."

"Other Milwaukee business men 'never heard of such a thing' and could see no reason for wasting valuable time figuring out the 'absurdity'."

"Milwaukee bankers say that the Stella heirs won't get anything. They explain that after a reasonable length of time, that the nominal cost of handling a dead account is charged against it. This offset interest and in time eats up principal, it was explained."

C. J. Crakes manager of the Macatawa Resort company this summer, and for eight years manager of hotel Macatawa, left for his home in Moline, Ill., but expects to be back early in the spring.

**COUNTY FARM
AGENT TELLS OF
FAIR WINNERS**GIVES BOYS AND GIRLS PRIZE
WINNERS IN THE DIFFERENT
FARM CLUBS IN COUNTY

Winners Are Quite Widely Scattered
Coming From All Parts
of the County

County Farm Agent C. P. Milham has sent in a compilation of the different girl and boy winners in the different poultry, calf and other clubs in the county and also shows winners in different farm clubs in different localities who made exhibits at the fair.

Boys and girls club exhibits at the Holland Community Fair again demonstrated that Ottawa County boys and girls can produce real quality livestock, poultry and agricultural products. Winners in the various classes in charge of agricultural agent Milham are: Poultry clubs, White Leghorns, Edward Caball, Zeeland, Dorothy Koehnke, Spring Lake; Helen Rainey, Hudsonville; Donna and James Lovell, Jensen; Barred Rocks, Joel Jannenga, Spring Lake; Jacob Jacobson, West Olive; Elmon Rymer, Spring Lake; Phillip Mackee, Spring Lake; Rhode Island Reds, Joe Gills, Spring Lake, and Wm. Brady, Holland.

In the potato club classes, all prizes were awarded to Conklin boys, on White Rural, Ervin Peters, Ervin Miller and Lavern Peters and on Irish Cobbiers, Elwin Doane and Ervin Merrick.

Mildred Wierenga from Jensen had a lone exhibit of corn.

In the calf club classes Esther Andre won first and also won first in the open class against Ole Jensen, Elmon Rymer, Robert Andre, Jensen, Maxine Hubbel and Willard Antionide of Allendale won ribbons. In the Holstein club class, Howard Schroeder of Jamestown won first, also placed second in the open class. George Benton, Jensen, Hattie and Ila Mae Helms of West Olive, and Chas Hubbard of Jensen placed. Mabel Schroeder of Jamestown won first in the junior division.

Mr. Milham is planning on organizing more clubs next year. Club members are planning quite extensive displays at the Berlin fair.

Every farmer that produces good quality mature corn in Ottawa County this year should save surplus seed states Mr. Milham, agricultural agent. There will be need for plenty of seed next year. The best method of securing seed to secure it in the field from the growing stalk, husking and drying as quickly as possible and before frost injures the germ.

The Forest Grove Farmers' Club were awarded first prize at the Holland fair. The club members, who are: Mrs. F. Vos, Coopersville, and Spring Lake next in line. The club members of Prosperity Farm, who are: Mrs. F. Vos, Coopersville, and Spring Lake next in line. The club members of Prosperity Farm, who are: Mrs. F. Vos, Coopersville, and Spring Lake next in line.

The Zeeland High School Agricultural club secured second prize in their display showing two fairs, one on which legumes and alfalfa were growing making a prosperous farm and the other a bankrupt farm caused by growing timothy hay.

The Allendale Farmers club won first prize on their varied display of farm garden and orchard produce. The most interesting part of their exhibit was the soil map of the county and samples of soil taken from each soil type in Allendale township.

The exercises of the afternoon were of a more popular character. A demonstration was given by the L. T. L. of Ferrisburg, under the leadership of Mrs. F. Vos, Coopersville had seven young people in an exercise and Mrs. Boskma made a demonstration with some members of the National Guards, children of the grade schools she has organized to this number of a thousand. This educational work with young people is most promising for the future of prohibition.

One pleasing feature was the play, "Dr. Scattergood's Clinic," given by junior members under direction of Mrs. Daugherty. It represented ten rules of health, one phase of W. C. T. U. interest.

One mother presented her four weeks old child for membership in an impressive ceremony. Of a more serious nature was the review of Professor Fieldman's book on the economic and industrial effect of prohibition. The Lamont union presented the picture of the new union and gave an invitation to meet with them next year.

The following resolutions were adopted by the convention:

"The Ottawa county W. C. T. U., in its forty-eighth annual convention, humbly and gratefully acknowledges the power of our God and pledges ourselves to more diligent service to Him, to our beloved country, and to humanity."

"We call special attention to law enforcement. Let us be faithful in preaching and in teaching loyalty to our flag, to our country, and to keep the law and order, to respect the advice of parents and teachers for their own welfare and for the betterment of the community in which they live."

"Realizing the influence of agitation and education in the past, we resolve to continue this method of procedure through the various departments as outlined by our national union."

"The cigarette habit, increased since the World war, we view with alarm and pledge ourselves anew to use all reasonable means to keep children of this land from forming this harmful habit."

"We thank the people of Holland, and especially our sisters of the W. C. T. U. for so charmingly entertaining our convention."

"We thank the speakers who have appeared upon our platform, the musicians who have so ably assisted with sweet music and with songs, and the editors of our newspapers, who have so willingly published our aims as outlined in the convention program; and to each and every one who have, in any way, helped to make this convention a success."

The lecture of Judge Burton S. Shaw, of Pentwater, in the evening fully met expectations. He related some of his experiences in juvenile court and had brought a boy and girl along for an illustration. He stressed the law of heredity and the training in the home. He thought church influence, the religious instruction of the youth, of great importance, and that parents should

**BIG BAND TO
COME TO HOLLAND
AND THE PARK**IS TO GIVE A CONCERT ON SUN-
DAY IN FRONT OF
HOTEL

The large Calumet Baking Powder Co., band of Chicago is to come to Holland Saturday and it is said will give a parade and concert on Sunday afternoon and evening in the band stand in front of hotel Macatawa.

The band comes from the celebrated Rainbow Gardens and is a large musical organization.

The new management at Macatawa has put on several interesting entertainments but the change of management was made too late in the season to do all that was planned.

The officials will get ready this fall, not only to map out an elaborate program for next season, but to start building on all projects published before, such as a new dance hall, parking area, rebuilding of road and reconstruction of the hotel with a new dining room and coffee shop.

The cleaning out of fire rubbish and the beautifying of the Black Lake frontage will also begin this fall.

**Car Demolished
In Collision**

A Ford car driven by E. Hornsby, Hope student, was tested by a Ford sedan driven by Frank Ciescher of Holland, when the two cars collided at Central Ave., and 12th St. Wednesday. Hornsby's car jumped the curb and landed in a heap of junk while Ciescher's little was able to go on after a tire had been repaired. Neither driver was injured but Hornsby was thrown on the lawn of A. H. Meyer.

After the noon luncheon the visitors were taken for a ride through Grand Haven, the Oval and Spring Lake assembling to hear reports of the morning's meetings.

Last evening, Dr. C. Bouman of Calvin college, Grand Rapids, made the principal address, speaking on "The Place of the Public School in the Modern State." He stated that the school is the pleasure of this meeting. A large crowd of Ottawa people are attending these meetings.

On Thursday the main business of the convention will be transacted and proposed expansions voted upon. Some of the speakers were department of correspondence courses, the adoption of school readers, histories and literatures that have been especially prepared for these parochial schools.

The weather is beautiful for the visitors, many of whom have never been to this section before, and the pleasantness of the weather is proving to be one of the most delightful of the meetings ever held, said one of the delegates, and Grand Haven will long be remembered for its hospitality.

The program follows: Wednesday morning, opening of convention by Chairman A. S. De Jong; inspirational address, Rev. J. K. Van Baalen; at 10:30 a. m. addresses by Rev. G. Hoeksema, A. S. De Jong, and Mr. H. Koese. These addresses had to do with department of school boards.

At 10:30 the teachers' department took up the attention of the convention, with G. Van Waspe presiding. Addresses were made by A. S. De Jong and N. Hendrickse and Mr. J. De Haan, instructor in Grand Rapids Christian high school.

The subject of Mr. De Haan was "Administrative Regulations of the Christian Schools." He stated that the needs of regulations for the Christian schools, the purpose of the principal and the teachers to the school.

The second day's convention at the Grand Haven Christian school began at 9 a. m. and was opened by the chairman, Mr. De Jong. There was a roll call of delegates and appointment of a reporter, an assistant secretary, and a budget committee.

The budget for next year will be introduced this afternoon by treasurer Meeter.

The election of members of the union board will also be taken up this afternoon and a decision made where the next convention will be held.

The terms of following members of the union board expire this afternoon or others are named in their place. Messrs G. Dorobos, H. Kuiper, H. Rosema, J. Weeker and a new board member must be chosen in place of Mr. C. M. Schoelland who is leaving for the West.

Although Holland Christian schools are not directly affiliated with this organization, a large number from this city attended the conference, among them Rev. J. De Haan, Charles De Haan, James Heesters, of the Christian school, H. Vork and the Misses Ann, Wilma and Hattie Beukema.

B. L. Ruisson, resident of Douglas, died at Bronson hospital in Kalamazoo, Wednesday. He had been in ill health several months and went for an operation.

Mr. Ruisson was 66 years of age and leaves a widow and one daughter, Rev. Beesie Ruisson, of the Saugatuck M. E. church.

**ZEELAND PICKS
UP A DRUNK**

James Mooney of Grand Rapids was arrested in Zeeland by Deputy Sheriff Ed Ryenga on the charge of being drunk last Thursday. He was arraigned before Justice Clark, where he pleaded guilty, and was sentenced to pay a fine of \$20.00 and costs of \$5.26, and to be confined in the county jail for thirty days.

Th last day of August was the hottest in what goes into history as an unusually cold month. The thermometer yesterday registered 83 degrees.

take their task seriously. He emphasized the value of good homes. Ottawa's prosecuting attorney, Mr. Clarence Lokker, was presented to the evening audience. He responded by saying he would strive for all last enforcement, requesting the aid of all by detesting and reporting violations. The musical numbers furnished by Holland artists added much to the pleasure of the day.

Lake Michigan Lindbergh Arrives In Holland Harbor After Lone Trip From Racine In 17 Foot Boat

Crossing Lake Michigan, a distance of 90 miles, in the dead of night in a 17-foot, out-board motor boat, alone—that was the stunt successfully accomplished by Henry F. Trinke, of Racine, Wis., who arrived in Holland harbor at 8:41 this morning, having left Racine at 8:26 last night.

Trinke had never been outside the harbor at Racine in a motor boat until two weeks ago, and he had never seen a marine compass until four days ago. He made the lonesome journey in a little boat named the "Raboo III", with an out-board motor. It was a reliability trip put on by the Racine Boat Works.

Trinke had no trouble except that he was put off his course a few miles by a strong northeast wind. He met some fishing boats a few miles off the shore north of Saugatuck and asked the way to Holland. They directed him and he made the harbor here without any further trouble, except that a five-gallon gasoline tank burst, flooding the bottom of his boat.

"It was certainly a lonesome trip," Trinke told the Sentinel, "and it got pretty dark during the night. I had never seen a marine compass until four days ago and so I was a little nervous about using it. I did not depend on the compass alone. A large part of the time I steered by the stars, shifting from star to star as occasion demanded and using the compass to check myself up. In this way I had no trouble finding Holland harbor, which was my objective."

When Trinke left Racine harbor last night a crowd of more than a thousand people were on the dock to see him off. He waved the crowd a good-bye as he took his seat in the tiny motor boat and set the engine to humming on its 90 mile lonesome trip. The people cheered.

But Trinke did not worry about danger. He has always sought the thrilling and unusual. He took his honeymoon in an airplane over Racine and left a wife and eight months old child to await the successful accomplishment of his latest feat.

Lake Lindbergh and Mattland, the dare-devils he so admires, he carried scant rations and a lot of hope. "I have always been lucky," he says.

He carried 20 gallons of gasoline, 10 in the main tank of his boat and 10 reserve tanks in his outboard life saving equipment. The boat was thrown into the small craft.

The boat, especially designed for him by W. H. Rohan of the Racine Boat Corporation, has a maximum speed of 10 miles an hour.

When Trinke approached Mr. Rohan with his stunt in hopes of finding a suitable boat, the manufacturer told him it was hazardous to attempt such a feat, with his scant knowledge of navigation.

But Trinke who is a fireman was confident of his ability as a navigator.

Mr. Rohan agreed to design him a new boat which will soon be placed under the market by his concern as a safe, family motorboat.

The fireman had supreme confidence in himself and his ability to cross the lake in the open, family motorboat.

If his compass had gone wrong, "Well I will search the heavens for a star. I have heard about that in over Holland." If the motor had stalled—"I knew it wouldn't stall, but if it had—I had a dandy pair of oars and one of the best set of arms in the fire department."

He carried a cork life belt which would keep him afloat for hours if the boat should founder in a huge wave and tip over. About 1,000 pounds made the boat's load.

He has been studying the compass and navigation. His short jaunts in boats about the Racine harbor made Trinke sure he would accomplish the difficult feat.

Trinke was the first to cross the lake in a small motorboat, alone and unaccompanied. Others have crossed the lake in small crafts but not alone.

The boat that had been designed and constructed for the cruise, which Mr. Rohan described as a reliability test and not a speed stunt, is 17 feet long and has a 54-inch beam.

It is equipped with a four horse power super Eto motor provided by the Eto Motor company of Milwaukee. "It is not a trick boat but a safe family motorboat," says its designer.

The outboard motor has a maximum speed of about 10 miles an hour and is supposed to accommodate four passengers although eight coast guards rode in it on tests.

Known as the "Raboo III" is a combination of letters selected from the name of its manufacturer the Racine Boat Corporation, the motorboat is equipped with an electric pump to feed the tank on the motor with gas from a main tank carrying about 10 gallons.

By pressing a button, Trinke was able to fill the tank of his motor. Without the electric pump he would have experienced great difficulty in replenishing the supply of gas in the motor tank, which can only carry a limited supply enough for an hour's cruising.

The main tank of gas is situated in the forepart of the boat and free from cross pieces so that Trinke could fill it from the 10 gallon reserve he carried—a 100 per cent reserve.

When he left the coast guard station at Racine Mr. Rohan telephoned Holland Coast guards his exact leaving time and clocks in the station across the lake were set.

The boat was fully equipped with government life saving equipment. The fireman carried a life belt, fire extinguisher, pilot rules. The boat had a foghorn to warn or signal approaching ships.

A pocket padded with kapoc, a sort of cotton material, protected the adventurer from cold winds. A pair of oars were always within reach of Trinke.

On the outside of the boat is painted "Reliability cruise, 80 miles across Lake Michigan from Racine, Wisconsin, to Holland, Michigan, Super Eto." "The Raboo III," Racine Boat Corporation.

Trinke says his wife doesn't worry. "You know, she would just as soon see me stay at home, but she isn't worrying and the boy" (his eight-months old son) "he isn't worried a bit."

The fireman wanted to turn around as soon as he reached Holland and retrace the cruise to Racine in the motorboat. But Mr. Rohan wouldn't approve and insisted on him boarding a lake steamer for the return. He will leave on a translake vessel from Grand Haven tonight.

Trinke is a great hunter and enjoys a trip to northern Wisconsin every year for a deer hunt with Chippewa Indians. He has snapshots of himself in Indian garb.

Holston hospital drive was augmented at Grand Haven by nearly \$2,000 subscribed to the fund by members of the Eagle Ottawa Leathery company.

GOVERNMENT ENGINEER TO MEET HARBOR COMMITTEE

Thursday L. W. Godard, U. S. engineer from Grand Rapids, will be in Grand Haven to attend a meeting of the harbor commission when representatives from the Goodrich Transit company, Construction Materials company, fishing interests, Grand Trunk car ferry system and others interested in the establishing of a harbor line will meet with the commission. This is one of the first activities of this new commission, which plans to make wide improvements in width, depth and length of the harbor.

RAID IS MADE BY THE POLICE TUESDAY NIGHT

There was considerable excitement in West street when Officers Stoket, O'Connor, and Cramer searched the home of Mrs. Fanny Hoekert, 106 W. 9th street, and found 22 gallons of mash, 15 pints of beer, seven gallons of wine, many empty bottles, a stopper machine and some hose.

Chief Van Ry states that many complaints have been coming from this house and he detailed officers to watch it. The raid was the result.

When the raid was made a few men and women present were also taken to headquarters but were released after their names had been secured. The police made a charge against Mrs. Hoekert of running a public place dispensing liquor and having liquor in her possession. Mrs. Hoekert demanded an examination when arraigned before Justice Charles K. Van Duren and this was for next week Tuesday at the city hall.

Mrs. Hoekert claims she is innocent of any wrong doing and will endeavor to make a showing at the hearing set for that time.

CRITICALLY ILL AT SON'S HOME

Mr. G. H. Masselink, father of Dr. Wm. Masselink, pastor of the 14th street Christian Reformed church, is in a critical condition at the parsonage. He is not expected to live and the relatives have come to Holland.

Mr. Masselink came to Holland some months ago to be with his son at the time of his critical illness last winter. He was taken ill about three months ago with heart trouble and on that account did not return to his home in Edgerton, Minn., where he has been an elder in the Christian Reformed church for 41 years.

CLUB ENJOYS THREE PICNICS

Three enjoyable outings were held this season by the Ladies Athletic club. On June 28 Mr. and Mrs. V. Cherven opened their cottage at Tennessee Beach to the club members, and on July 26 a fine picnic was enjoyed at the cottage of Mr. and Mrs. F. Dyke, also at Tennessee Beach.

On August 30 Mr. and Mrs. C. Doornbos opened their hospitality by giving the members, including their husbands, a royal welcome at their cottage at Idewood.

Excellent pot-luck suppers were served at each picnic and all the committees deserve credit for their willingness and excellent service, given whenever they were called upon, and all the club members appreciate the kindness of those who gave their home and grounds for these picnics.

The club will resume its meetings on Sept. 13. All members are requested to be present and new members will be welcome. Mrs. E. Turney, who has been a very pleasing and successful instructor, will again be with the class the coming season.

'PIED PIPER' HERE TO RID CITY OF RATS

Into the city this morning came a "Pied Piper"—F. P. Beavers, of Dayton, Ohio.

What the original Pied Piper of legend did Brother Beavers says he's going to do in Holland—only better!

After a conference with Health Officer Cook, Beavers announced that he has a plan to rid the city of its large population of rats.

Mr. Beavers explained that he has a poison that rats take to as cat takes to thick cream. Twenty or 30 hours later Mr. Rat—and the rest of the family—wake up in rat heaven, no longer a pest, scourge and enemy of mankind.

"The poison used by Mr. Beavers is approved by the government as one of the best rat exterminators. It is an odorless, tasteless mineral poison that may be fed to rats in quantities too small to be harmful to domestic animals or human beings. It acts as a corrosive on the lining of the rat's stomach, producing death in from 4 to 30 hours. This gives the rats a chance to leave the building in which they ate the poison and die in the open.

Government statistics show that there is more than one rat to every person in the country. Mr. Beavers states that each rat destroys \$1.22 worth of property every year. A greater reason for the ridding of the community of this pest is that the rat carries disease.

Mr. Beavers will call upon the various business men and make arrangements with those who desire to have their places of business cleared of rats. He will also take care of the work at residences.

Mr. Beavers says that a rat is the trickiest and smartest animal in the world with the exception of a fox. He uses three kinds of poison, one so as to deceive the rat when he looks over the feast. "A rat is too smart to nibble freely of just one kind of food," says Mr. Beavers. "But with three different kinds he thinks he can get by. That's where I get in with my deadly work."

A delightful beach party was given for a number of summer guests including the Lee family, the Tankersley family, Miss Marian Kaan, Miss Louis Darragh, and Ted Darragh, and Edwin Schmidt of Webster Grove, St. Louis. The same party drove to the Getz farm this week. This farm holds the private menagerie of George F. Getz, Chicago millionaire, who has the largest menagerie of its kind in this country. He throws it open to the public free and is unique in that this is his gift to the people.—Grand Haven Tribune.

THE PINE LODGE ASSEMBLY PLANS FORWARD STEPS

The annual meeting of the Pine Lodge Assembly was held at Pine Lodge, with a dinner at the hotel, attended by a large number of the members who showed a spirit of optimism in regard to the future of the project. The Pine Lodge conference just closed has been a successful one this is the time to take a new forward step and the meeting did not attain to any new objectives for the future had been discussed.

Reports were made by the various department heads and all of them showed that the Pine Lodge Assembly is distinctly successful. Walter Bergers, the hotel manager, reported a profit of \$500 up to date from the dining room alone. The hotel and cottages have been well patronized during the summer.

The treasurer, Wynand Wichers, reported receipts so far of more than \$5000 and a reduction in the indebtedness on the property of \$2,000. There is still a debt of \$20,000 against the property and the question of the total value was brought up. One person well acquainted with resort values in this section placed it at \$50,000.

Chief James M. Martin made a report on the conferences of the summer, three of which were held, all of them much more successful than in previous years. There was a conference of boys, one of girls, and the general Bible conference just closed. The girls' conference showed an increase of 100 per cent and the general conference was much more successful in numbers and quality than anticipated. The attendance at the morning sessions was seldom below 100 and the evening meetings between 200 and 300. The conference cost \$750 and the collections very nearly amounted to that sum, so that the conferences were practically self-supporting.

The management feels that the success of the Bible conference was largely due to the excellent programs. The management calls special attention to Prof. Leander S. Keyser, D. D., and Rev. N. G. Kyle, D. D., as men who won the hearts of all with their messages of power. Requests were numerous that these men be brought back to next year's conference.

One project for the coming year that was discussed was the erection of a much needed auditorium, the big tent having become inadequate to accommodate the crowds. Another project discussed was wiping out the debt of \$20,000. Rev. C. Muller of Grand Rapids made a proposal that several secure new memberships. He agreed to secure five himself. This challenge was accepted by three others, each of whom agreed to secure five new members.

Manhattan Takes Notice of Holland

Mrs. F. Zeel, 144 East 18th street, received two clippings from two different New York papers on the same day, sent her by a relative living in New York, both of them referring to Holland, showing that Holland is very much on the map in Manhattan.

One of the clippings, taken from the New York Sun, of course told the story of the Stellas bank deposit, which no New York paper or any other paper seems to have overlooked.

The other was from the New York Herald-Tribune. It told how a sign from the Warm Friend Tavern at Holland, reading: "Notice: Professional gamblers are operating the resort hotels. If you are accosted and asked to play, please confer us a favor by asking them what room they have. If they have none notify the management at once. They never have a room." The "conductor of the column in which this appears adds the comment: "Who can blame them, then, for willing away the hours at cards?"

REFORMED CHURCH HONORS HOLLAND MISSION WORKER

Miss Henrietta Zwemer of Holland has been honored with a life membership in the woman's board of foreign missions of the Reformed Church in America by the Reformed church of Holland of which she is a member.

Miss Zwemer is a daughter of the late Rev. A. Zwemer, one of the pioneer ministers of the Holland colony, who retired after 40 years of service in the pulpit. Her sister, Miss Nellie Zwemer, has been a missionary in China for 36 years, two other brothers entered the ministry and one became a foreign missionary. Miss Zwemer numbers among her relatives a dozen or more who are engaged in religious work at home and abroad.

WEDDED HERE ON TUESDAY

Herman Windemuller and Miss Ethel Van Nul were united in marriage Tuesday afternoon at the home of the bride's mother, Mrs. John Van Nul, 240 East 15th street. The ceremony was performed in the presence of the immediate families by Dr. William Masselink, pastor of the Fourteenth Street Christian Reformed church, at two o'clock. The young couple left on a wedding trip to Niagara Falls. They will make their home in this city on West 17th street.

Mr. Windemuller is employed in the office of the Vaco-A-Trip company. Bride and groom are popular in the younger circles and have a large number of friends.

ENTERTAIN AT THEIR LAKE SIDE COTTAGE

Mr. and Mrs. Charles Demorest entertained Miss Marjory Selby and Miss Florence Tucker of Battle Creek, Mr. Garrett De Haan and Mr. George Dok at their cottage last evening at Buchanan Beach.

Miss Selby has arranged to study theatre organ at the Chicago musical college with Mr. Demorest, who is at the head of this department.

She has studied organ for the past two years with George Dok.

Sanford Hunt brought into the Ottawa county jail by deputy Edward Bussies for driving an automobile while intoxicated and wanted by the probation officers in Muskegon will be held in this court to answer to the charge of possession of liquor. He will fight this charge in the November term of circuit court and later will be dealt with by the probation officer.

BLAKESLEE NEW HEAD OF SPRING LAKE CLUB

C. M. Blakeslee was elected president of the Spring Lake Country club at a meeting of the board of directors. James H. Johnston was made vice president; John H. Reichardt, treasurer, and A. E. Gale, secretary.

Mr. Blakeslee has been acting president for the past six months, succeeding Nathaniel Robbins, who has been the leader of the club for a number of years and resigned last winter to spend a major portion of his time in California.

HOME WORK'S FAIR EXHIBIT IS EXCELLENT

The home demonstration department of the county has been receiving much attention recently through the fine showing made at the Holland fair and Mrs. Ruth Morley, who has had charge of the work is well satisfied with the showing but hopes in the future to see a much greater number of exhibitors and more attractive backgrounds in which to display the articles.

The prizes in the clothing projects were taken by group 1 from Zeeland, with a fitting demonstration; group 2 with an exhibit of collars for different types. In household management the first prize went to a group from Forest Grove, on color arrangement; second to Baucou with floor coverings and third to Coopersville on working heights in a kitchen.

The whole point of these exhibits is to acquaint people with the educational value of the work but the money gained from these prizes is not to be belittled. The girl clubs of the county took \$20 in prize money.

This same exhibit will be displayed at the Berlin Fair to be held Sept. 13, 14, 15, 16 and which will attract many from the north end of the county. Mrs. Morley is urging a greater number to participate as it is a great stimulation and the money derived a source of satisfaction.

JUDGE CROSS GIVES ALLEGAN MAN SENTENCE

A record in quick justice was made by the sheriff's office and the Allegan County courts with the sentencing yesterday by Judge Orien S. Cross of Charles Cooley, charged with transportation of liquor.

Cooley was arrested by deputy Wood of Pullman, Saturday evening, while apparently peddling celeri along the road in Lee township. Search of his load revealed a quantity of liquor. Monday he was arraigned in justice court before Fildus E. Fish and bound over to circuit court and today he was sentenced to six months in Ionia, and fined \$100.

Cyrus Kline was fined \$100 and given a 6 months' sentence in Ionia on a liquor charge, and Nellie Wright, arrested when Kline's place near South Haven was raided, was fined \$50.

On a liquor law violation charge, Manford Roberts was also booked for six months jail sentence. Additional sentences of six months were recommended for the men if fines were not paid.

ROUND TABLE OF SCHOOL MEN WILL BE STAGED SOON

The West Michigan round table of superintendents and principals will meet at Spring Lake for their fall meeting on Sept. 10. This organization is composed of men from the schools in nine counties bounded by Ionia on the east, Big Rapids on the north and Plainwell on the south.

The group meeting which will attract at least 75 men will be entertained with a formal business meeting in the morning, a noon luncheon at the country club at which Nathaniel Robbins, Grand Haven capitalist, will play host. Through Mr. Robbins' generosity, the group will be entertained at a luncheon and it is expected that a man of state and national reputation will be one of the speakers.

In the afternoon the members will be entertained with tennis, golf and social pleasure completing a day filled with activity and pleasure. The purpose of these meetings is to establish neighborly relations with various schools, discuss problems touching the activities of schools. These meetings a year are held, one in the fall, one in January which is always held in Grand Rapids and one in the spring.

Last year one of the important actions taken was a protest against the many outside activities among the colleges and universities of the state distracting students from routine. The contests in all sorts of activities from athletics to the arts are yearly becoming more of a nuisance than a special good.

E. H. Babcock, Grand Haven superintendent, has been president of the organization several years and is active in its work. He is this year responsible for the entertainment and has secured the Spring Lake country club as the big feature of the meeting.

E. P. Holden, superintendent of the Greenville schools, is the president and has not yet announced the complete program.

WILL OBSERVE WEDDING DATE

Mr. and Mrs. Lambert Beeuwkes are planning to celebrate the fifty-fifth anniversary of their marriage next Saturday at their home on 73 Fourteenth-st., E.

They were born in the Netherlands. Mr. Beeuwkes came to America in 1887 and Mrs. Beeuwkes in 1886. Both located in Holland about 60 years ago. They were married by Rev. Roelof Pieters.

Mr. Beeuwkes is a descendant of three generations of tanners. He followed his trade as tinsmith for 52 years, before he retired. He first worked for the late E. Vandervend, Holland's pioneer cooper.

Mr. Beeuwkes has been connected with church work for more than half a century, serving Ninth Street Christian Reformed church 16 years as deacon and 16 years as elder.

Mr. and Mrs. Beeuwkes are respectively 79 and 76 years of age. They have two children, Fred of Holland and Mrs. Lena Hardy of Rockford.

HAMILTON PLANS BIG CELEBRATION ON LABOR DAY

Plans for the annual Labor day celebration in Hamilton are nearly complete. For several years the event has attracted very large crowds, but business men of the community have made plans for the best and greatest celebration of all this year.

The Dykstra grove, in the eastern part of town, has again been secured for the day. Being a community affair, all labor and prizes are donated and no admission will be charged, in exception of to the ball game, which a small admission will be charged to defray necessary expenses. Usually, it will be a day and night celebration.

In the morning a ball game will be staged between Sipe's Tigers of Hamilton and the Holland Ford team. Both teams are fast and evenly matched. During the summer they have crossed bats several times and the game was close and exciting.

Tigers have played 29 games this season of which they won 24. The game will start at 10:00 A. M. and will be played on the diamond south of the schoolhouse. The American Legion band of Hamilton will furnish the music for the day. Hamilton is very fortunate in securing the services of this band, as it is one of the best bands in the state, having played not only about the state but also in various parts of our country. Recently they were called upon to furnish the music at the national meeting of the

Legion at St. Louis, Mo.

A very fine program has been arranged for the afternoon. A concert by the Legion band will begin at 1:00 o'clock. A. H. Vandenberg, editor of the Grand Rapids Herald and candidate for the U. S. senate, will deliver an address. Hon. G. J. Diekema of Holland has also promised to appear on the program. The Trinity male quartet of Holland will render several selections during the program.

Following the afternoon program, sports of all kinds will be staged when a large number of valuable prizes will be given the winners. The evening program will be more of an entertaining nature. This will be opened by another concert by the band. Some first class comedians have been secured, who although taking part throughout the day, will fill the major part of the evening. The male quartet will appear for several selections. The program will close with a two-reel comedy motion picture.

After the evening program, the Hamilton business men will give away prizes to the amount of \$300. A large number of stands and games will be on the grounds for the entertainment of the crowd. A new feature of the celebration, which is being emphasized, is the horse-shoe contest. This contest has proven to be very popular at fairs and other celebrations throughout the country. The final meeting was held last week and all arrangements have been made to take care of a large crowd.

WEEKLY HALF HOLIDAYS COME TO A CLOSE

Last Thursday was the last weekly half-holiday of the merchants and clerks in the River avenue and Eighth street stores. Last spring they decided to hold half-holidays during July and August. This week Thursday will be the first day of September and so the stores will be open as usual.

HOLLAND WILL HONOR GEO. GETZ WITH A BANQUET

EVENT WILL BE STAGED NEXT
WEEK THURSDAY
NIGHT

The chamber of commerce is planning to honor George F. Getz of Lakewood Farm. Mr. Getz has been such a staunch friend to Holland and vicinity and is "the man with the biggest heart" to be found anywhere, as Mr. Diekema said in a recent speech, that many requests have come in to the chamber of commerce, not alone from this city but from elsewhere, requesting that Holland fetter Mr. Getz in some way, thus showing our appreciation.

Mr. and Mrs. Fred Vander Weide of Sioux Center, Ia., were guests at the home of Mr. and Mrs. Charles Brooks at Montello Park. They will also visit their father and brother in Zeeland. Since the members of this family have not seen each other for ten years, a family reunion will be held at the home of Ben Vander Weide in Zeeland this evening. A large number of the members of the family were to be present.

Saugatuck public schools will open Sept. 6 with Supt. L. H. Waugh at the head.

There will be no congestion this year as the new \$65,000 school building is finished and equipped.

Charles Bender, president of the Grand Rapids National bank, and Charles Greenway, manager of the Grand Rapids Press, and their wives, were the guests of Mr. and Mrs. Wm. Alden Smith at Lakewood over the weekend.

Public schools at Saugatuck will open Sept. 6 with Supt. L. H. Waugh in charge for his third year. The new schoolhouse is completed and equipped and the older buildings have undergone renovation and redecoration. The new gymnasium makes a good athletic program possible.

Dancing masters from all over the world will hold their convention at the new Huntinghouse academy on Sheridan-rd., Chicago, commencing Sunday and continuing one week. B. G. Huntinghouse, who has a summer estate at Saugatuck, has left to act as host to this convention.

Leon Parker and Bob Post, both 17 years of age living at Allegan, left Thursday on a hiking trip to Niagara Falls. Each carried a pack weighing about 25 pounds. They expected to make the round trip in time to attend high school opening Sept. 6.

Rev. Henry Hospers, D. D., of the Western Theological seminary, conducted services in the Central Reformed church at Grand Rapids. Prof.

Thos. E. Welmers officiated at the Third Reformed church of that city and Prof. P. E. Hinkamp occupied the pulpit at Home Acres Reformed church at Grand Rapids.

Mr. and Mrs. Arthur Drinkwater and family of Holland were in Muskegon Friday attending the funeral services for the late Robert D. Harvey, a well known Grand Haven man. Burial was in Muskegon cemetery. Mr. Harvey graduated in the class of 1909 from the Grand Haven high school.

Later he moved to Muskegon where he became a prominent business man well known socially and in lodge circles.

The Bolhuis Lumber & Manufacturing company has appealed its suit against the Frank Essenburg Lumber company to the state supreme court through their attorney, Fred T. Miles. The Essenburg company recently sued the Bolhuis company for \$88,000 damages. The case in Ottawa county circuit court took up about a week.

Thomas Storey, aged 50, Wayland township farmer whose home is in Zeeland, was taken to the hospital last Saturday by Ben Lugten, Sheriff of Allegan County, had his examination before Justice John Word of Wayland Thursday and was bound over to circuit court for trial. Bond was placed for \$1,000, which was furnished.

Misses Marion Kurz and Gene Cook left Friday night for a ten days' trip to Genoa, Wis., where they will visit relatives. They also plan to see the Dells.

After serving 25 years as a rural mail carrier from the postoffice at Orion, Mich., John T. Stewart will retire on September 1. Stewart began his duties September 1, 1902.

At first a route of 18 miles was served with a horse and buggy. This was nearly an all-day task. Now the route is 30 miles, but with the automobile and good roads the carrier is able to deliver mail to all his patrons earlier in the day.

With Stewart's retirement the route has been divided among the other two carriers, giving each a route of about 40 miles.

The Holland Independents loaded down with talent from the city league and headed by Hyma, waylaid Zeeland's nine, Saturday afternoon by a 10-1 count. Strengthened by Dick Japenga and Ashley who cast their lot with the Zeelanders after Holland's organization had fizzled, the visitors appeared formidable, but Hyma proved too good, only three safe bingers being registered against him.

Never once was the local hurler in trouble and he breezed eight. Ruse was off color and Holland jumped on him quickly sending three runs across in the initial frame. Spriggs, Albers, Woldring, Slighter and Van Lente each singled and an error by J. Wyngarden aided in the scoring.

Again in the fifth, Ruse got trounced, De Cook crashing out a safety with the socks populated. Not satisfied with seven runs, Holland annexed a trio of runs in the eighth. Babe Woldring connecting for a double with Batema and Spriggs on the paths.

Zeeland's score came in the fourth, VanDorp crossing the plate after being hit by a pitched ball. Snappy playing kept the fans on edge and there was plenty of fighting spirit. This is the first of a three game series the next set to be scheduled for Saturday, Sept. 3rd.

The Chicago Tribune and the other Chicago papers devote a great deal of space to the Armour funeral services, and also picture Mr. Steffens, the pastor in church, and show where the gathering at church was dismissed and the services were held on the outside in order that everyone might be privileged to hear the words of tribute spoken in behalf of the prominent packer and tanner who was an international figure.

During the funeral Tuesday the tanneries in Holland, of which he was the head until recently, closed in respect for Mr. Armour.

Rev. Cornelius Steffens, D. D., son of the late Dr. N. M. Steffens of the local seminary, had charge of the funeral services at the Fourth Presbyterian church, Chicago. Dr. Cornelius Steffens, formerly president of the Duquesne University, is the assistant pastor of Dr. Timothy Stone of the Fourth Presbyterian church.

The Rev. Mr. Steffens is a graduate of Hope college and the Western Seminary.

The Rev. Mr. Steffens is a graduate of Hope college and the Western Seminary.

The Chicago Tribune and the other Chicago papers devote a great deal of space to the Armour funeral services, and also picture Mr. Steffens, the pastor in church, and show where the gathering at church was dismissed and the services were held on the outside in order that everyone might be privileged to hear the words of tribute spoken in behalf of the prominent packer and tanner who was an international figure.

During the funeral Tuesday the tanneries in Holland, of which he was the head until recently, closed in respect for Mr. Armour.

CONCRETE ROAD TO VRIESLAND OPEN TO PUBLIC

During the past week the Zealand road to Vriesland was opened to the public after having been closed the greater part of the summer for the purpose of laying a concrete roadway.

For several years it has been the aim of Zealand people as well as people at Vriesland, Forest Grove, Jamestown and Byron Center, to have a paved road leading from Holland city to Lansing by way of the towns mentioned, and there was one time talk of routing M-51 that way. It was found this did not jibe with the idea of the state highway department nor with the people at Grand Rapids, who routed the road along the Pere Marquette Railway and cut off several miles from the distance between Zealand and Grand Rapids, now one of the most-traveled highways in the state.

Since the construction of the new road and the abandonment of the old M-51 route, the urge on the Vriesland road has somewhat subsided as far as this end is concerned but the east end of this county is still hungry for a hard-surfaced road.

Since the old route was once designated a county road the county commissioners have put in as much investment on this line as was available, and the opening of this second road brings the concrete to the Beaverdam crossings, within one mile of Vriesland village. Eventually it is hoped the road will reach out to the Kent county line.

The Zealand section is also ripe for a direct north and south concrete highway to connect up with M-41 and M-50 between Zealand and a point near Rusk, probably by way of the Fairview road. This would give an added good road, and would not destroy the now excellent gravel road connecting these highways by way of Borculo.

Among the Grand Haven visitors to the Holland county fair on Wednesday were Judge and Mrs. James J. Danhof, Miss Hanna Worsfold, Miss Olive Duffield, Arrie Koolman, Marion Sherwood, Bernath P. Sherwood, Jr., Dr. John Mieras, Mrs. M. H. Boyce, Mr. and Mrs. John Bryes, Mr. and Mrs. Louis H. Osterhaus and Marvin Den Herder.

Both fire departments were called Monday morning to extinguish a large grass fire near the new hospital. The firemen worked on blaze for at least an hour.

BOOZE FOUND IN LOAD OF CELERY

The popularity of the celery peddled by Charles Cooley of Kalamazoo, led Allegan county sheriff's officers to look the load over Sunday night. As Cooley was proceeding along a road in Lee township, toward Pennville, underneath the celery, Deputy Edward Wood of Pullman found a gallon of liquor and several "empties," which he took, along with Cooley, to the Allegan county jail.

MEN OF VISION ARE REBUILDING MACATAWA PARK

In an editorial in Friday's issue the Grand Rapids Herald under the head of "Rebuilding Macatawa," says as follows:

"The effort to reorganize Macatawa Park on a large and stable scale and to rejuvenate it into its former resort prominence—indeed, to surpass its former prestige—is a project of substantial Western Michigan importance. The Playground of a Nation distinctly needs this development at the convergence of Black Lake and Lake Michigan. In fact, the summer loss which we have sustained at this point is a real liability. The time was when Macatawa was one of the biggest and finest resorts on the State's west shore and when the hotel at Ottawa Beach was altogether the finest rendezvous of its sort within a hundred miles. But one fire after another has reduced most of this charm and equipment to ashes and, as a result, all but stopped the large activity which centered in this incredibly beautiful and happy focus. Nature's bounty, however, still remains, and it but requires men of vision and the courage of their convictions to cure the tragedy and restore the 'playground.' This effort at Macatawa, seems to be seriously in the making. Ambitious plans have been developed—including ample, permanent fire protection—which, in their fruition, would once more make Black Lake, at its channel with Lake Michigan, the busy and delightful center of another great summer colony. It is a prospectus of very great importance to Western Michigan. We commend the plans and wish them all success."

George R. Karsten of Holland and Fred M. Plasman of Grand Rapids left Monday morning on a trip through Canada to Niagara Falls and other points of interest.

Mr. James E. Rankin and Mr. and Mrs. James E. Rankin, Jr. of Henderson, Ky., and Mrs. W. J. Carter of Chicago are guests at Lakewood Farm.

WHO SECURED THE RADIO STATION FOR THIS CITY?

Who was responsible for getting a broadcasting station in Holland? This question is often asked the local announcer and management.

The person who really brought station WHBM to Holland was Mr. Henry Carley, manager of the Holland and Strand theatres. Sometime ago Carley had an idea in his head that a radio broadcasting station in the city of Holland would be a big boost for the city on Lake Michigan. His idea has proven correct. Holland is better known now throughout the middle west than it has ever been before in its eighty years of life.

After the station was located in Holland the matter of finance came up. The Holland Furnace Co. showed its open-hearted spirit towards the city of Holland. It was one of the first to step in line with the funds to keep the station on the air. The Bus Machine Works, another strong booster for Holland and civic improvement then fell into line. With a little campaigning, the present sponsors soon fell into step with the other boosters of Holland.

The local station is stepping out and reaching into the middle and eastern parts of the United States as well as across the Mississippi into the state of Kansas, and other parts of the west. WHBM has received telegrams, letters and calls from the middle west daily in regard to the various programs. Kentucky has been heard from as well as Moline, Wis. The local station is delivering the goods in regard to distance. Taking in consideration the weather and atmospheric conditions for this time of the year Holland's own radio station is standing in line with all the other big stations in the United States.

WHBM has a program every evening from 8 o'clock to 10 o'clock or later. Artists of ability are working on the staff every evening. The local people have responded wonderfully in helping arrange many of the programs. More varied programs could not be gotten from any of the larger stations in the middle west. WHBM has its own jazz orchestra to furnish dance music. The children have an hour for stories and children's entertainment. Sport fans have their daily sport talk. The latest baseball scores and dope are given every night at 5:30 thru the courtesy of the sporting department of the Holland Sentinel. Saturday night will be inaugurated as old time's night, when the old young fellows will get out their mouth-organs, guitars and various other old time instruments and play the old fashioned waltzes, hornpipes and jigs.

Wednesday night is Lions' night when all the members of the King of Beasts tribe will be out. Thursday night is WHBM's own popular artist night when various members of the staff contribute to their fans' entertainment. Monday and Friday nights are open to any sort of entertainment that the local station desires to put over the air.

Holland's station will be here until the local citizens say they do not want WHBM any more.

WILLIAM ALDEN SMITH OFFERS \$100 PRIZE IN ELK RAPIDS REGATTA

Elk Rapids' fourth annual regatta gets under way on Elk lake Friday. Listed among the many entries are the boats owned by R. J. Williams of Detroit; the Maybee, owned by Gilbert L. Daane of Grand Rapids, and a Dodge water car, owned by J. M. Baker, Jr. of Traverse City.

Probably the event around which the greatest interest is centered is the former Senator William Alden Smith race for a prize of \$100. Gold. This race is sponsored by former Senator Smith of Grand Rapids, and is for Class C outboard motorboats.

Former Senator Smith has always been a loyal supporter of each annual regatta at Elk Rapids and the fact that he is offering a prize for this race makes it doubly attractive. A large number of entries have already been received.

ZEELAND TEACHING LIST IS COMPLETE

Junior High: Elizabeth Bowman, Judith De Jong, Mm. Van de Water, Nella Verhaeg, Isla Prulm.

High school: Herman Andrews, Homer Arnett, Mildred Davis, Marie De Cook, Lynn DePre, Gladys Moeke, Ralph Freshaw, Ruth Van Kersen, Marian Van Vessum, Malcolm Rogers and Chris A. De Jonge.

It has been decided that general synod of the Christian Reformed church in America will convene in Holland on September 25. The denomination represents 255 congregations and nearly 50,000 communicant members.

Part of the wall of silos. Ordinarily, only the corn ears are saved grain. Silos save the entire plant, both stalks and ears (without waste), in the form of silage, as preserved greens for winter feeding.

The infested and the threatened areas. The area covering 10,000 square miles shown in black, is now infested. The corn borer moving west are now on the very edge of the heart of the Corn Belt.

Like the human criminal, the borer has its make-ups and disguises. It passes the winter for protection from the cold, in the form of a nearly grown worm or larva, which shelters mainly in the stalk or stems of plants. It is then about an inch long and one-eighth of an inch wide. It has a brown head, a grayish to pinkish body with two brown spots on the back of each of the body segments or joints, and an indistinct stripe down the middle of the back. Upon becoming full grown, the worm changes to the pupal stage, with a wing expanse of a little more than an inch. The moths emerge from their hiding places during the latter part of June and the first of July. They remain quiet during the day, flying around at dusk or evening and depositing their eggs mainly on the undersides of the leaves of corn or other food plants. The worms hatch from these eggs in about two weeks and at once seek shelter in the stems or larger leaf veins of the corn. They continue to feed chiefly in the interior of the plants the rest of the summer, reaching full growth in September.

The hiding instincts of the borer make him immune from the usual combative methods employed in insect control. He is omnivorous and is not satisfied with eating the grains of the ears, but burrows right into the cob, eats out the tassels and even goes down into the roots. They are so inconspicuous that frequently a farmer, satisfied with the prospects of a good crop, finds on looking over the field that half the stalks are broken off and much of the corn dying. Later comes wet weather, a wind, and the destruction is complete.

Wind has proven the most important factor in spreading the infestation during June, when the insect reaches the moth stage. It takes to the air and with the aid of the wind, wings its way to new fields. It can light on the water like a hydroplane, and after a rest, again take off for another flight, stopping at neither hills, mountains or forests. In this way, the pest traveled westward last year about 75 or 80 miles. The infestation appears to be amphibious, for experiments have been made in which the borers were kept under water for 80 days and came out alive, kicking and as strong as ever. Attempts have been made to use parasitic wasps to battle the corn borer in his lair and it is planned to breed in large quantities and rush them as re-enforcements to infested areas. Some entomologists believe that at least a 25% control of the corn pest can be established by this method. The wasps swoop down on the corn borers and sting them to death. There are two species—habrobracon and existeris. The mother wasp settles on a cornstalk and waits until she sees a slight motion. Then she strikes the borer with her long sword-like ovipositor. She humps her back and shoves the deadly stinger into the borer, at the same time depositing her eggs. Twentyfour hours later these eggs are hatched, and the little wasps feed on the borer. As they eat, they spin a web about the remains.

The federal government has appropriated \$10,000,000 for special corn borer control work which is being carried on under the supervision of the U. S. Department of Agriculture. State legislatures in interested states are being urged to appropriate matching sums. Farmers in the affected areas are being employed by the Department to do the actual clean-up work on a per acre basis.

Mr. and Mrs. Walter Lane of Holland entertained a number at a party attending the fair and later at dinner. The guests from Grand Haven were Mr. and Mrs. Charles Stanley, Mr. and Mrs. H. A. Munn, Mr. and Mrs. Charles Stanley, Jr., Mrs. Martin Bos, Mr. and Mrs. John Reichardt, Mrs. Jack LePage, Mrs. Paul DeMauriac—Grand Haven Tribune.

The Allegan high school has added two new courses to the curriculum, a course in journalism for juniors and seniors and a course in junior business training has been added for freshmen. The school paper will be issued bi-monthly and will not carry advertisements.

ALLEGAN'S NEW DAM SITE GOES OVER ESTIMATE

Construction of a dam and power plant in Manlius township on the Kalamazoo river, the new site proposed for Allegan's municipal power project, will cost the city \$964,000, twice as much as the Calkins bridge site, according to a report of engineering firm of Ayers, Lewis, Norris & May of Ann Arbor just submitted to Mayor Mosler.

Production of double the amount of power is possible at the new site, which is 14 miles downstream from Allegan. The engineer's estimates show a possible output of 16,200,000 kilowatt hours delivered at the city limits of which 40 per cent will be continuous or prime power, the total estimated cost per kilowatt hour of power being .452 cents or 1.13 cents for prime power.

A distribution system for retail of power will cost the city \$70,000 in the estimates made, making the total cost for production and distribution of power from this site \$1,034,000. Sale of one-third excess power available will make possible a rate to consumers on par with the present rate charged by the Consumers Power company for light and power and all over the amount will be net income on the development to be used in lowering the rate.

A pond of 6,200 acres is available at this site, which is adequate for times of unusually low flow. A flow of 502 cubic feet per second is provided which will produce 905 kilowatt hours of power at the switchboard. About 5,700 acres of siltage land will be required, which is four times the acreage needed at the Calkins site.

An outlay of \$285,000 for this land is planned in the estimated cost. In the new plans, practically the same type of power plant is recommended as at previous plans for a plant at the Calkins site. These plans call for a plant of three generating units 1,700 k. v. a. with transmission lines of 14 miles instead of six. Automatic equipment is specified, which will require service of only one man for operating the plant.

Allegan city uses only 1,000,000 kilowatt hours of power at present, which is about 16 per cent of the prime power, or five per cent of the average total output which can be developed at the Manlius site.

At a special election in July the city voted \$185,000 bonds to secure a power site and to develop a lighting system, and empowered the council to issue mortgage bonds to cover additional construction costs. Since

then the federal water power commission reported the proposed site at Calkins bridge inadequate and asked that specifications and plans for a new site be submitted for approval. The Ann Arbor engineering firm were immediately employed to draft the new plans at the site in Manlius township.

Mayor Mosler is confident the new site will more than meet the department's demands and feels certain that the city can successfully undertake the proposition.

Bids for construction work on the new Elks temple building at Grand Haven have been opened. It is expected the figures accepted will exceed the tentative cost of \$40,000 already set as the plans call for a very elaborate structure in the Italian style of architecture.

Failure of a shipment of government timber to arrive from the west coast has caused a suspension of operations on the new arrowhead breakwater at the entrance to the Muskegon lake channel. The Love Construction and Engineering company, contractors, announced today that work would not be restarted until next April. Much of the material for the construction of the first 1,513 feet is now on hand.

The Roen Steamship service's boat, Fred. W. Green, recently tied up today by Deputy U. S. Marshal Andrew Dowd of Grand Rapids, on a bill of \$801 on a book account, alleged to be owned by the Turner Hardware company in that city.

Contract for the paving of Lincoln avenue, at Muskegon, from Peck street to Merriam avenue over which US-31 is to be re-routed, will be let at a special meeting of the council Monday evening.

State engineers will be present at this meeting to look after the interests of the state highway department while city officials will represent property owners on Lincoln avenue in the awarding of this work.

As the state is paving the center 20 feet, the city is accepting bids at the same time for a 10 foot strip on each side of the middle stretch, making the entire street 40 feet wide. Although separate bids must be submitted on the state and city's share, it is hoped that the entire contract can be given one concern.

Purchasers of this right-of-way by the city resulted from the state highway department program of eliminating bad curves on trunk lines. Lincoln avenue, swinging like a giant S from Peck street to Merriam avenue, will eliminate two bad curves on Peck street and Summit avenue and the other at Summit and Merriam avenues.

The city's and property owners' share is estimated by the state at \$3,434. Both city and state officials hope to have this road open to traffic by the latter part of September.

The Grand Haven city council has increased the scope of the harbor commission to include airport facilities and has instructed the commission to seek bids on available sites for such a port, to be established in the near future.

The city realizes the importance of a proper airport and will do all possible to promote the air interests as well as water port and highway transportation.

The Grand Haven city council in a special meeting adopted resolutions presented by Alderman John Lowe, instructing the city attorney to drop condemnation proceedings against the trustees of the Kealey Hall property, which the city had thought necessary for public use.

It is considered the property is more valuable to the city for taxation purposes. A committee will be appointed to seek other property as a site for city hall and other civic buildings.

Benton Harbor's second annual fruit festival will be held this year Sept. 22-24. R. B. Collis, general chairman, announced today following a conference of business men and prominent growers. The dates were selected to make it possible to have the finest exhibits.

A number of cash awards will be offered for the best exhibits. Other members of the general committee are D. B. Sutherland and George Friday. The other committees are: Display, George Friday, S. J. Lukins; Flowers, L. M. McKee, D. J. Koester; subscriptions, F. J. Cutler, A. L. S. Knipechild; treasurer, D. B. Sutherland; entertainment, F. L. Granger; concessions, R. B. Collis; publicity, M. H. Willis.

Joseph Sheridan, thru an invention of his own, has made it possible to take jaunts on lake or sea bottoms. The invention is a hat consisting of a heavy iron box with windows admitting light and firmly resting on the shoulders.

A 25 foot piece of strong garden hose is connected with the so-called hat and an automatic pump furnishes a fresh supply of air four times each minute.

Sheridan is a graduate of the Lewis Institute of Chicago where he graduated with high honors and where he became mathematics instructor. A few days ago he harnessed himself in his outfit, went into Kalamazoo river from one side and walked across in three fathoms of water, coming out on the other side. He stated he touched bottom all the time while taking his stroll across.

Sheridan said that should anything happen or go wrong with the fastenings he would have to do is throw off the hat and swim to the surface. In order to overcome the heavy pressure of the water, the box must be made strong and Sheridan must enclose himself with a belt loaded down with several heavy weights. The load is easy to carry under water, Mr. Sheridan states. He said that in his recent trip he had no difficulty in breathing, that there was much difficulty in walking because of the deep muddy bottom of the river.

Mr. and Mrs. Walter Lane of Holland entertained a number at a party attending the fair and later at dinner. The guests from Grand Haven were Mr. and Mrs. Charles Stanley, Mr. and Mrs. H. A. \$745 With Higher Quality at Lower Prices!

When introduced some twenty months ago, the Pontiac Six scored a sensational success because it offered quality and value undreamed-of in the field of low-priced sixes. Yet the Pontiac Six of today is surpassing even that historic success, because it is an even finer and more luxurious car selling at lower prices! ... Consistent engineering improvement has kept Pontiac Six design continually ahead of its field ... So today with another advance in quality—strikingly beautiful new Duco colors—and with another reduction in price on all body types ... today's Pontiac Six is scoring again and winning new buyers merely by a ride and a feature-by-feature comparison! ... Come in! Look at the cars—look at the prices! See what everyone says is the greatest value ever offered in a low-priced six!

New lower prices on all passenger car body types (Effective July 15th): Coupe, \$749; Sport Roadster, \$745; Sport Sedan, \$725; Sedan, \$699; De Luxe Sedan, \$825; Delivery Chassis, \$589; De Luxe Screen Delivery, \$760; De Luxe Panel Delivery, \$770; Oakland All-American Six, \$1045 to \$1265. ROTTERDAM IN STATE OF SIEGE TO HALT SACCO RIOTS

A dispatch from Rotterdam today said the mayor of that city had proclaimed a "civil state of siege" in connection with Sacco-Venzetti disturbances.

J. Boyd Pantland, Jr., has returned from camp and will be with his parents, Mr. and Mrs. Fred Pantland, at their cottage at Ottawa Beach for the remainder of the season.

"Chinese Wall" of Silos to Check Corn Borer Sentinels of Farm to Curb Cornfield Assassin

Corn borer larvae feeding in an ear of matured corn.

LAYING down a barrage of a quarter of a million more silos—the building of a veritable "Chinese Wall" of these "Watch Towers of Farm Progress" around the Corn Belt is urged by the Blue Valley Creamery Institute of Chicago as one of the chief weapons to be used in the battle to check the corn borer, which now threatens the nation's food supply.

Like sentinels these silos will guard the corn belt against this increasing menace, which not only is eating away at the principal food supply of the country, but boring its head on the doors of the business interests of the entire nation.

This assassin of the cornfield already has infested an area of 3,000,000 acres, covering 10,000 square miles, extending from New England, through Ohio, New York, Pennsylvania, West Virginia, Michigan and Indiana to Illinois, on the very edge of the heart of the corn belt.

The cutting of the corn low and running it through the shredder into the silo probably will kill all live corn borers and make the field clean up a simple matter. Even if the shredding process does not kill all the borers, this pest will be unable to exist in the gases and acids developed in the fermentation that takes place in the silo.

What the Silo Does.

The 230,280 silos now on the 1,267,787 corn-belt farms could be doubled or tripled to the profit of the farmers, in addition to their value in helping to exterminate this assassin of the cornfield, because:

Silos save the entire corn plant, both stalks and ears, without waste. Ordinarily only the ears are saved. A fifty-bushel corn crop will make from 8 to 10 tons of silage per acre. Silage is "earned pasture"—preserved greens for winter feeding. No other plant which grows on corn-belt farms, with the single exception of alfalfa, equals the feed value produced by an acre of corn—namely 2,251 pounds of digestible nutrients. Alfalfa makes 2,250 pounds and clover hay only 1,300 pounds.

In the corn borer danger zones the Institute's experts recommend the planting of alfalfa because it practically equals corn's feed value per acre and is immune from the corn borer, as nature has arranged the alfalfa plant so that a borer cannot attack it, and because it fits into either a short or long crop rotation system.

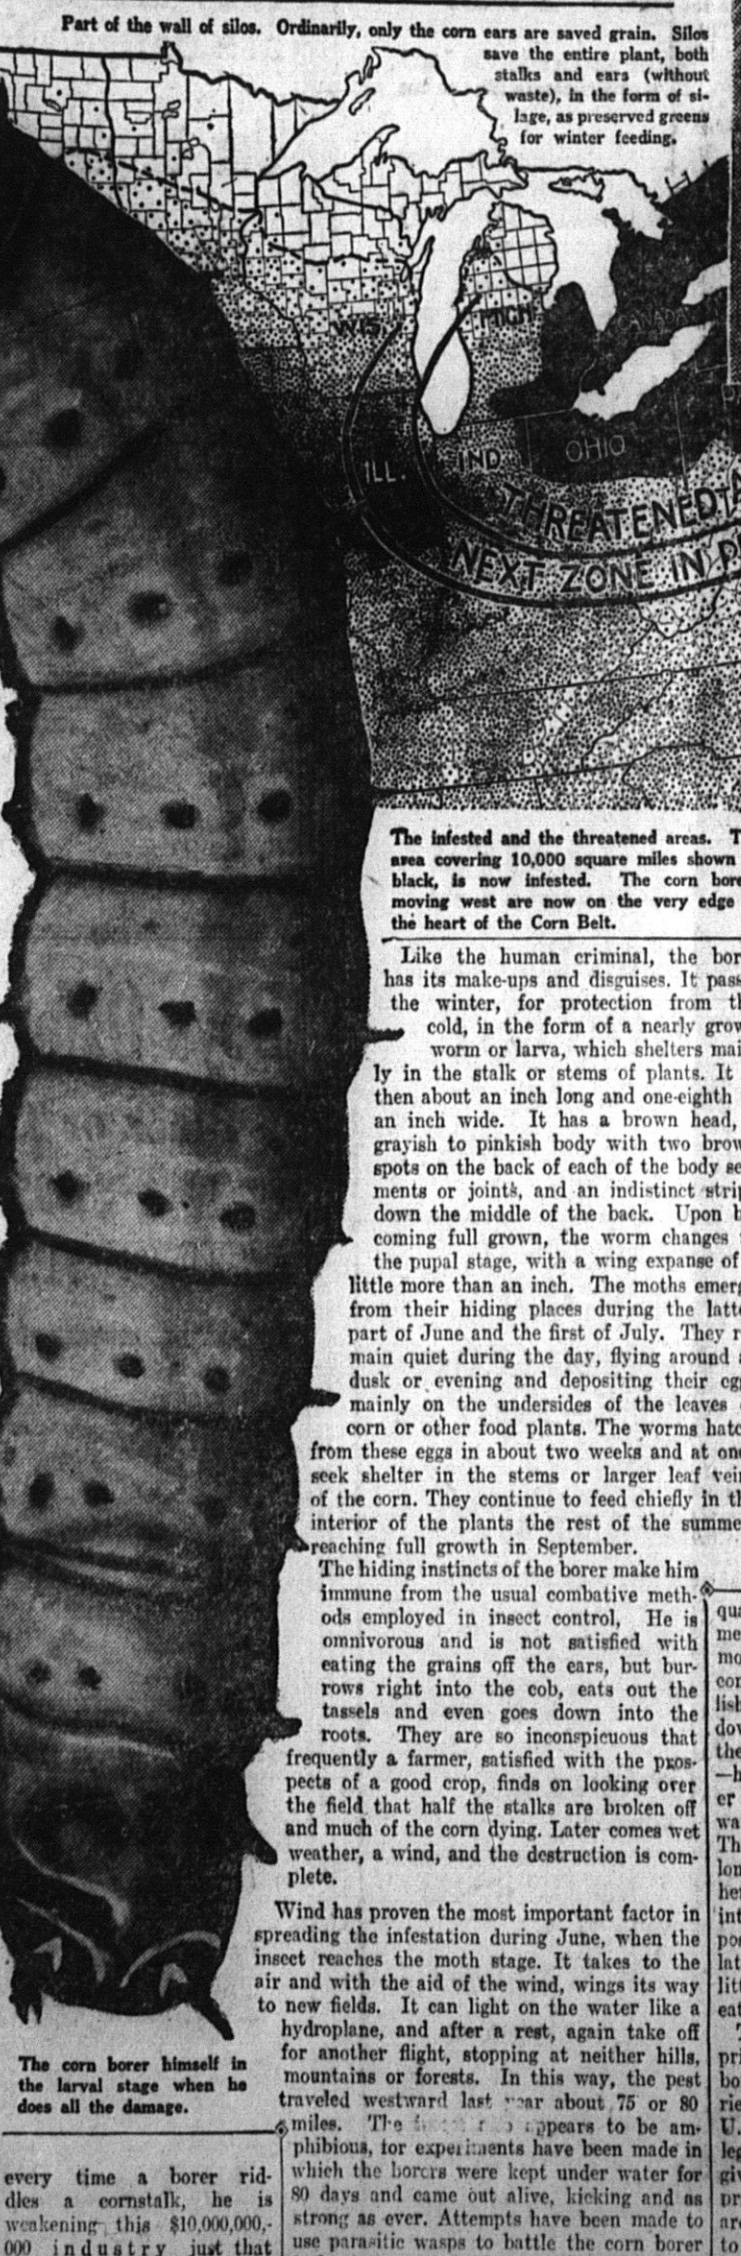

scatter the hog belt, dislocate the cattle feeding area, and increase the production costs of all animal products, say the Institute's experts. In the threatened areas progressive farmers will turn toward greater diversification of crops and animal products. Farmers who now depend on hog feeding and beef cattle fattening as their chief source of cash income will turn to the growing of alfalfa and soybeans and the more evenly balanced production of milk, cream, eggs, dressed poultry, pork, beef, vegetables, small fruits and cereals.

An idea of the increasing menace of this assassin of the cornfield may be gained from the following outline of its start and growth:

Came Here From Canada.

After wiping out the cornfields of Canada, this ravaging insect crossed over the international border into the United States in 1921, and each year has been spreading its operations of destruction. It took this corn enemy just six years to complete the destruction of the Canadian cornfields. Then, it began its inroads upon the United States, Ohio and Michigan being the first states infested, where the losses mounted as high as thirty per cent of the normal crop. From there the pest spread its infestation in all directions, covering a large part of New York, Pennsylvania as far south as Pittsburgh, a corner of West Virginia, the northern half of Ohio, the northeastern corner of Indiana, and Michigan as far west as Kalamazoo. The most western and most recent point reached by this borer army is Momence, Illinois, in Kankakee County, which is considered the very edge of America's famous Corn Belt.

The corn borer is the most dangerous cornfield insect in the world. Its potential menace lies in the fact that in striking at corn it is hitting at the corner stone of the dairy, pork, poultry and other farm industries. Eighty-nine per cent of the corn is fed to live stock and sold in the form of meat, milk and poultry, and not corn. What devastation this tiny pest, not more than an inch long, can do may be estimated by considering the enormous amount of money involved. The corn crop alone in the United States averaged 2,760,196,000 bushels from 1922 to 1928. Forty per cent of the corn is fed to hogs and 15 per cent to cattle. These hogs last year were worth \$1,060,000,000 and the cattle \$1,165,000,000. The poultry crop was estimated at \$600,000,000 and dairy products \$1,515,000,000. Corn alone last year was worth \$225,000,000. The grand total of animal and field crops was nearly \$10,000,000,000. Corn is the basis of them all, and

The corn borer himself in the larval stage when he does all the damage.

LOCAL

One of the unusual features at the Holland Fair Thursday was the Grand Cavalcade of Cattle. The parade was headed by the Holland sea scouts, who received an ovation as they passed the grand stand. The Michigan boys and girls club entries were all to be found in this parade, staged on the race course.

Grand Haven Tribune—Grand Haven and Spring Lake were well represented at the Kent County Garden Club exhibition held in Grand Rapids on Tuesday, when Mrs. Claude C. Hopkins and Barton Elliott took prizes and were given considerable attention by the unusual flower exhibitions sent in by them.

Mrs. Hopkins took the first prize for artistic table setting, demonstrating that art is within the reach of all, be he rich or poor, when it was

realized that the entire setting including table covering and dishes cost \$11.90. The design on the china was carried out in the centerpieces of mixed garden flowers arranged in a large glass, globe which served as a quaint vase.

Barton Elliott of this city who is a backyard garden fan, took second prize with his gladioli and special mention was made of the dahlias exhibit, one of the blossoms being the largest flower ever seen in Grand Rapids.

Mr. Elliott has some very exceptional blooms and recently had some wonderful specimens in Reicharts window which many people discounted as being real.

Mrs. Hopkins also took first prize for the most beautiful stock of gladioli and established this section as one of the prominent ones in flower production.

The Warnshuis family are having a family reunion at the U-Stick cottage at Macatawa park during the month of August.

Those present are: Mrs. A. C. Warn-

shuis, Miss Henrietta Warnshuis, Mr. George Warnshuis, Rev. and Mrs. John H. Warnshuis and two daughters, Joan and Lois, of Staten Island, New York, Dr. and Mrs. M. V. Oggeford, Ind., Dr. and Mrs. Henry Pyle and children, Donald and Louise of Muskegon, Dr. and Mrs. A. L. Warnshuis of N. Y. and Mr. and Mrs. Henry Warnshuis and son Paul Roger of Grand Rapids were guests for a short time.

Real estate continues to move in Spring Lake and William Connolly reports that the sale of lots in his newest addition, the Babcock property to be known as West Spring Lake, is moving rapidly. He has sold ten lots in the last ten days.

One of the records for building is being made by Hans Carlson, who has bought property in three of Mr. Connolly's subdivisions. On Tuesday he bought the lot at 2 p. m., was excavating by 6 p. m. and part of the foundation was completed by 8:30 a. m. the next day. It is expected smoke will be coming from the chimney by 8 p. m. and the rate of the present rate of speed is kept up.

Property in that section of Spring Lake is becoming very desirable with electric lights and prospects for gas very good. It has heretofore been known as the Babcock property and many thought it belonged to Ferryburg. It is in Spring Lake and will be known as West Spring Lake as it becomes more fully developed.

Former Supt. of Public Instruction Wilford L. Coffey of Lansing has been in consultation with the Muskegon board of education for the directorship of the Muskegon Junior college. It was announced today. It is understood that the board favors Mr. Coffey, but that there is a difference in the salary to be paid has held up any definite action.

Mr. Coffey, who was an instructor at the University of Michigan this summer asked \$6,000 per year, while S. S. Brooks, director last year, received \$3,600. A special meeting may be called next week to consider the applicants for the position.

Two men giving their names as Charles Hopkins and John O'Brien were locked in the Allegan county jail for vagrancy Thursday afternoon. The pair were brought in by Deputy John VanArckle. The complaining was made to the sheriff by Mayor Joseph Mosier and other residents that the two men were begging in the business and residential section of Allegan Wednesday and Thursday morning. The men could give no real home address and were without funds. Hopkins gave his birthplace as Providence, R. I., and O'Brien said he was a native of Buffalo, N. Y. They were young, able-bodied men, and fairly well-dressed. Allegan has been regularly free from tramps this summer according to the authorities and the pair are the first in several weeks to be housed in the jail.

A library fund has been started in Saugatuck and any one desiring to help this idea may do so by leaving their contribution at the Saugatuck library to be placed in the fund of the library account. Many have promised to contribute books and all those wishing to do so may leave books at the Commercial Record office until a building can be secured.

Impressive simplicity marked the service at which Marion Edna Van Drezer, youngest daughter of the late Luman Edward and Mrs. Van Drezer, and Christian A. De Jonge spoke their marriage vows, at the home of the bride Friday, Dr. Benjamin Bush of Detroit, brother-in-law of the bride, read the marriage service in the presence of about twenty guests, the immediate families of the bride and groom.

Precisely at twelve o'clock noon, Marguerite Enid Bush, young niece of the bride, played the Bridal Chorus from Lohengrin. Her dress was a girlish frock of rust georgette combined with a contrasting shade of velvet. Miss Maude Van Drezer attended her sister as bridesmaid, and wore a frock of marine blue satin canton simply fashioned, the only ornament being a rhinestone buckle and a pretty shoulder flower. Ophelia roses, blue lace and swansonia, encircled with lace and tied with blue ribbons, formed her colonial bouquet. Mr. Irwin J. Lubbers acted as groom's man. Mrs. Luman Edward Van Drezer gave her daughter in marriage. Her gown was a lovely model of king blue georgette, effectively draped, and held with a silver and brilliant pin.

Miss Van Drezer was a picture of loveliness in her simple frock of white georgette crepe, draped at one side and with ornamented with a cluster of pearls. She wore a long strand of pearls about her neck. Filmy tulle and Duchess lace, imported, formed her bridal veil, which was caught at each side with a dainty cluster of orange blossoms. Chiffon hose and white clippers completed her costume. The bride's roses, delicate pink sweet peas and swansonia, made an shower and held with lovely lace, made a charming complement to her ensemble.

A wedding breakfast followed the ceremony, and the bridal table was most attractive, centered with Premier roses, pink sweet peas and blue larkspur in a silver bowl, and pink tapers in silver holders added their soft glow. A beautiful wedding cake made by an intimate friend of the bride, containing appropriate silver emblems added merriment, when cut by the bride.

Mr. and Mrs. De Jonge left in the afternoon for a short honeymoon. Mrs. De Jonge's going-away gown was a modish two-piece navy satin canton, trimmed with a rhinestone buckle and a rose velvet shoulder flower. A rose velvet hat added color to her traveling coat of brown and tan, finished with a collar of cross fox. She wore slippers of rosebush kid with alligator trim, and hose to match.

Several parties have been given in Mrs. De Jonge's honor previous to her marriage. Mrs. William Wentzel entertained with a dinner party and kitchen shower at her home in Zeeland. An evening bridge party, followed by a surprise miscellaneous shower, was given by the Misses De lae, and Mrs. Benjamin De lae, at their home in Zeeland at which she received many lovely gifts. A charmingly appointed luncheon-bridge at which she was the honor guest was given by Mrs. D. B. K. Van Raalte, Jr., at her attractive home. The bride's sister, Mrs. Benjamin De lae, of Detroit, gave a trousseau tea in her honor at the home of her mother.

Mrs. De Jonge is a popular member of Holland's younger set, and was instructor of French at Hope college for the past three years. Mr. De Jonge is superintendent of schools in Zeeland and has just returned from attending Columbia University summer school in New York city. Mr. De Jonge was principal of Hope high school in India for several years before returning to educational work in this country.

Announcements set November first as the date on which Mr. and Mrs. De Jonge will be at home at 45 Church street, Zeeland, Mich.

The barbecue stand belonging to George Benne, corner of Grand and Perry streets, Grand Haven, was entered on Thursday night at 11:00, when the owner locked up and a seven pound beef roast, some cigarettes and candy stolen. The city police investigated and found some finger prints on a glass that they are sending to Lansing in hopes they may locate the robbers.

On a charge of passing worthless checks in Plainwell about two weeks ago Mr. and Mrs. F. C. Rudolph of Wadon, Tex., were bound over to circuit court under bond of \$300 each, by Justice Fides E. Fish today.

The couple were arrested at the Tonia county fair last Wednesday by deputy John VanArckle and Turnkey John Nichols, J. Homer Topf, Mrs. M. H. Chandler, Basil Fothergill and Miss Olla Kent in Plainwell are the complainants in Plainwell.

London has a horse that sits down in the roadway when a bobby puts up his hand to stop the traffic. The horse belongs to a firm of coal merchants and draws a load of coal every day. When the cart happens to be stopped by a traffic cop the horse sits down on its haunches. As soon as the traffic is released it gets up again and goes on. The owners say he's a very intelligent animal.

Mrs. Thomas Halstead, age 44, of Allegan township died Thursday at John Robinson hospital following an operation. Surviving are the husband and two sons, her father, Wesley Jackson, of Allegan, and four sisters and four brothers. Funeral services will be held Monday at 2 p. m. at the M. E. church in Allegan.

Frank Porter, age 36, died Thursday at the home of his parents, Mr. and Mrs. Charles Porter of Allegan, after a long illness. Surviving are two brothers and two sisters, all of Allegan. Funeral was held at 2 p. m. Saturday at Allegan.

Carlos Fuller, age 76, who died at Alma a week ago, was buried under auspices of Hermione lodge, Knights of Pythias, in Oakwood cemetery Friday at Allegan. Mr. Fuller was a former Allegan resident.

The primary fund for school purposes will be ready for distribution to townships in Allegan County about Sept. 1, according to Miss Vida Congdon, treasurer. The amount available for Allegan township this year is \$149,486.65 in comparison with \$156,204.25 for 1926-1927. A decrease of forty cents has been made in the per capita rate this year making it \$12.85 per pupil instead of \$13.25 as last year. The total school population of the county is 16,546 pupils.

Allegan in township including the city of Allegan will receive the highest amount, \$16,308.80; Otsego township embracing Otsego city is second with an apportionment of \$14,988.10; and Gunplains township embracing the village of Plainwell third with a total of \$12,040.45.

Amounts to be distributed to the remaining townships are: Manlius \$7,285.95; Martin, \$5,371.30; Montevideo, \$3,585.15; Overisel, \$5,706.40; Edinburg, \$6,425.00; Saugatuck, \$4,921.55; Friesland, \$3,212.12; Valley, \$1,413.60; Watson, \$3,213.60; Waynesburg, \$7,710; Carco, \$6,499.80; Chestnut, \$4,677.40; Clyde, \$2,338.70; Dorris, \$2,406.20; Fillmore, \$8,056.45; Ganges, \$5,414.30; Heath, \$4,009.20; Hopkins, \$6,759.10; Laketown, \$2,942.65; Lee, \$4,330.45; Leighton, \$4,148.55.

The marriage of Miss Edna Elizabeth Quikell, daughter of Mr. and Mrs. Oscar H. Quikell, of 614 West North street, Decatur, Ill., and Virginia Park, and Mr. O. L. Hammond, Jr., son of Mrs. O. L. Hammond, of Urbana, Ill., and Macatawa Park, was solemnized at ten o'clock Tuesday morning, Aug. 23, at Grace Episcopal church in this city, with the pastor, Father D. D. Douglas, officiating. After the wedding ceremony the nuptial mass was celebrated, followed by a wedding breakfast at the Warm Friend Tavern. About 100 guests were present.

The matron of honor was Mrs. Lucile Quikell White, sister of the bride, and the bridesmaids were Miss Dorothy Hammond and Miss Catherine Hammond, sisters of the groom. Miss Gertrude Quikell, niece of the bride, was flower girl. The groom was attended by Mr. Joe S. Geiger, and the ushers were George M. Ackerman III and Mr. Irving E. Poehler.

The bride's gown was of white silk chantilly lace, embroidered in pearls, iridescent sequins and silver beads over heavy white satin, made princess style, under a long, blue tulle and white coronet shape, trimmed with pearl beads, and had a long veil. Her bouquet was of white Prima Donna roses and swansonia, Queen Anne lace and ferns, made en shower.

The matron of honor, Mrs. Lucile Quikell White, wore a white tulle and white coronet shape, trimmed with pearl beads, and had a long veil. Her bouquet was of white Prima Donna roses and swansonia, Queen Anne lace and ferns, made en shower.

The church was beautifully decorated with candles, palms, ferns, Easter lilies and cut flowers. After the service a reception was given in the Mendelssohn's Wedding March. Mr. Phillips Brooks sang "At Dawning," by Cadman. The dining room at the Tavern was decorated with palms, ferns, cut flowers and candles.

Mr. and Mrs. Hammond have left on a wedding trip by automobile to Toronto, Rochester, New York, Atlantic City and other eastern points. They will be at home after September 20th, at Champaign, Ill.

The bride is a graduate of St. Mary of the Woods, Penn. Hall, Chambersburg, Pa. The groom is a senior at the University of Illinois. He will finish his course as ceramics engineer.

The out of town guests were: W. D. Westervelt of Honolulu, Hawaii, Mr. and Mrs. H. E. Westervelt, Miss Elizabeth Nelson, and Mr. and Mrs. David Vaughn, and daughter of O. Westervelt and mother of Benton Harbor. Mrs. A. F. Shannon, Mrs. C. Cooke, Mrs. John L. Archibald of La Porte, Ind., Mrs. T. L. Knotts and daughter of Urbana, Ill., Mrs. L. N. Lindset, Mrs. N. G. The Stelmert deposit story has reached as far as New York. A friend of the Holland man sent him a clipping from the New York Times of Tuesday which reads as follows:

"Banks a Dollar Until 2437 Holland, Mich., Aug. 23 (U. P.)—William Stelmert, fruit dealer, has invested one dollar in a local bank with the provision that it is to accumulate at compound interest until 2437 and then be distributed among his living male descendants. The total amount after five hundred years is calculated to run into eleven figures.

The county road running from Hamilton to East Saugatuck was completed this week when the mile-and-three-quarter strip of 16-foot gravel road between Hamilton and East Saugatuck was finished by Smith & Esley, contractors. A two-mile stretch of stone-foot gravel road was also finished between US-131 and Saugatuck by Armintrout Construction company. The work of building these roads was done in

Gerrit Van Haften, 88, dropped dead this morning at his home on East 9th street. Mr. Van Haften had been suffering with heart trouble and a heart attack was the cause of his sudden death.

Mr. Van Haften has been prominent for many years in local ward politics. For a great many years he has served as a constable being returned to that office at every election almost automatically. He also served as a fireman and held many other positions of that kind.

He was survived by his wife, one son Clarence at home, two daughters, Janet at home and Mrs. Arthur Carpenter, Chicago; also by one grand-daughter and one sister, Mrs. Arie Wierenga of Zeeland.

A wider Grandville road is practically assured, the work to be undertaken during the coming year.

The state highway department's plans call for a forty-foot concrete roadway from the Grand Rapids city limits to the intersection of the new Wyoming Park road.

Along with this announcement comes the statement by the Kent county road commissioner's office to the effect that the U. S. road may be extended over the Laraway road to the village of Grandville over the Beals road, which leads into M-21 at Higgins Avenue.

This road would be designated as the Grand Rapids cut off, deflecting through tourists from Lansing to Holland.

Kent county has taken over this road and is meeting with very favorable response in getting the necessary right of way.

This will according to plans also become a forty-foot roadway and the state may take it over and construct the highway during 1928 if the county has first provided the right of way and improved same to some extent.

The Christian Reformed congregations of Bauer, Eastmanville, Ruden, Jensen, Lamont, and Wymond Park will hold their annual mission feast on Labor Day. The feast will be held at Boynton's Woods, just north of Jensen. The morning program will begin at 10 a. m. and the afternoon program at 2 p. m. Pastors: Rev. J. J. Steigenga, Rev. J. P. Batterson, Missionary E. A. Dykstra, and Missionary J. Van de Water will be the speakers for the day. Refreshments will be served in an up-to-date canteen.

A pig on the set isn't always a pig in the pot, as Henry King's "The Sign of the Cross" company discovered during the filming of the circus sequence of the new Ronald Colman-Vilma Bank picture which comes to the Holland theatre next Tuesday, Wednesday and Thursday.

King ordered the pig, supposed to be of the suckling variety, for a pet for Miss Bank. At signs of such tenderness are not rentable, the prop men were forced to buy him. The first difficulty developed when both prop boys because of religious objections refused to feed and care for the porcine quadruped. That was taken care of by Robert Florey, the assistant director, who placed piggy under his personal protection. It was Florey's idea to feed and develop the animal and when the picture was finished to hold a banquet for the stars and technical crew with the pig at the place of resistance. Unfortunately for his hopes, however, the pig, anticipating his intentions, made friends with the entire company and when the picture was finished no one had the heart to kill him.

Miss Katherine Doan, age 60, prominent in church and mission work in many parts of the United States, died at Blodgett hospital, Grand Rapids, early Saturday, following several years of poor health. Miss Doan, who was well known to Grand Rapids people as the representative of Grand Rapids Presbyterian churches to the mountains of Virginia and who spent many years as a teacher among the illiterate people of that section, had devoted practically all of her life to mission and welfare work. Miss Doan was born in Allegan county.

One of the largest crowds in the history of Friesland attended the annual home-coming Saturday. The baseball game between Pullman and Pearl resulted in a victory for Pullman by the score of 15 to 19. The second game was won by New Richmond over Fennville with a 12 to 19 score. The Clyde township soft-ball team won from both Manlius and Saugatuck.

The speakers of the day were Dr. F. C. Jarvis, of Grand Rapids, a former resident of Fennville, and Congressman J. C. Ketcham. Music was furnished by the American Legion band of Holland.

Harm De Vries, aged 83 years, died Monday A. M. at 10:45 at his home at 52 East 14th street after an illness of some duration. Mr. De Vries had lived in the same home for about 45 years. He was born in the Netherlands and came to this country many years ago, living in other places first and later coming to Holland, where he has lived for the greater part of half a century.

He is survived by four children: Mrs. I. B. De Kraker, Milo and Gertrude of Holland, and Tom of Salem, Mass. The funeral will be held Thursday afternoon at two o'clock at the home of Mr. and Mrs. I. B. De Kraker, 883 College avenue, Rev. L. Veltkamp, pastor of the Central Avenue Christian Reformed church, officiating. Interment will be in the Pilgrim Home cemetery.

reported to be between \$800 and \$400.

A valve turned the wrong way allowed an unusual flow of gasoline to become ignited and worked havoc in a short time. The wagon is again in commission.

The fourth Friesian field day will be held at the fairgrounds Labor day, Sept. 5th. The Friesian national game Keaton, will be played between Ut and Fries of Chicago. Fries of Grand Rapids will lead to Holland for the All roads will lead to Holland for the Friesian people on that day. There will be many more Friesian games played and a fine program at the I. O. O. F. hall in the evening.

John Den Uyl, who was taken to Cutterville about two weeks ago for treatment, died there this morning as a result of an attack of diphtheria. He is survived by his wife and nine children. Because of the character of the disease there will be services at the cemetery only. These services were held Tuesday afternoon at three o'clock at the Graafschap cemetery.

After having been without a pastor for nearly two years the Reformed church, Overisel, has secured the services of Rev. Wm. Pyle, pastor of the Reformed church of Hollanddale, Minn. Mr. Pyle has announced his acceptance of the call extended to him by the Overisel church.

The church became vacant two years ago the last Sunday in September when Rev. M. A. Stegeman left the congregation to serve a church in Hesperia, Ia. Since then several calls have been extended but all of them were unsuccessful until the Minnesota pastor was secured.

Rev. Mr. Pyle is a comparatively recent graduate of the Western Theological seminary. The Overisel church will be his second charge. He has not announced when he will arrive here but it will be in the near future.

Western Michigan has had a good or poor summer resort season depending largely upon the temperment of business men and merchants asked for their opinion of the year, according to H. E. Hastings, treasurer of the Michigan Tourist and Resort association.

Mr. Hastings made this statement following a trip down US-31.

"Owners of ore roadside stand or gasoline station report that they have enjoyed an excellent business this summer while other similar and just attractive stations a short distance down the road report just the opposite conditions," said Mr. Hastings.

The same in the case with the hotels, restaurants and places with rooms for tourists. Indications throughout Michigan resort territory are that those places which have offered services and catered to the tourist business have had a good season.

Allegan Gazette—The catching recently of three large muskellunge in Macatawa bay causes correspondents to remark that these great fishes are plentiful in that water which then was called Black lake. "Macatawa bay" was adopted when Holland and the park began to "put on style." All this reminds that fifty years ago or thereabouts three muskellunge of Allegan camped annually there. They were Messrs. and Mrs. James M. Ryan, W. W. Vosburgh, and Edward Motley. They frequently sent to their Allegan friends whole or parts of the many muskellunge which they caught. This was long before anybody thought of Macatawa park, and the discharge from Black lake was by a small stream issuing far to the south from the present channel.

Henry L. Green, for nine years clerk of Allegan township during the time when Allegan was a village, is dead. During his long incumbency as clerk Mr. Green determined to have the Allegan township a real library and secured a yearly levy of half a mill tax on both township and village for this purpose. This money was used wisely and from that time the library grew in popularity and value until it was housed in the present Carnegie building. Mr. Green was also a member of the village council and in both offices left a record for faithfulness and industry.

He was born in Burr Oak, Branch county, Michigan, Dec. 26, 1841, and enlisted from there in company B, first Michigan infantry, serving four years with that fidelity to duty that distinguished him in all activities of life. He was married to Mary J. McClellan, Feb. 9, 1868, and came to Allegan in 1868. Here his integrity and sterling worth won many friends. His wife and four children—Ernest, Edna, Henry and Olla—survive him.

The commerce department at Washington, D. C. Thursday reported a new kind of prosperity—church prosperity.

The first important report in the census bureau's compilation, the Christian Reformed church, listed more than twice as many members and three times as much in property as 10 years ago.

Its churches numbered 245 compared with 226 in 1916; property valued at \$4,544,850 compared with \$2,535,000 in 1916. Expenditures last year were \$1,743,060 compared with \$715,193.

The main strength of the church is in Grand Rapids and Michigan, where it has 100 congregations, and Iowa, which has 40.

The Catholic Apostolic church, first to report, with 11 churches and \$407,600 in property, decreased by two churches but increased in money. The census being taken now is required by law and about 200 denominations with large and small representations in this country will be canvassed.

T. L. Hudstift and wife, arrested on a charge of passing two worthless checks of \$20 each on two Plainwell business firms, have been bound over to Allegan circuit court for trial at the October term by Justice Fides E. Fish. Bonds were fixed at \$300 each, in default of which they were remanded to jail.

THE HEART of the HOME

If home is to have that gripping influence that holds us secure in life's most treacherous storms, it must be cozy. Some folks live in homes—others in houses. And it is not difficult to tell to which class a person does belong, is it?

The person whose life is strengthened by a happy, cozy home is one that we all admire.

He is one that can smile in the face of any struggle. He is a person who fills the rest of us with confidence. That is the kind of character that we all want to have. So let's strengthen our home influence all we can. Let's start with the HEART OF THE HOME.

WHEAT FARMERS: HERE IS NEWS—49 BUSHELS Where 38 Grew Before

Denver, Indiana October 29, 1926

The American Agricultural Chemical Company, Detroit, Mich.

Sirs:

My wheat crop this year surpassed all others in my community. I used 250 lbs. of "AA QUALITY" Fertilizer per acre. It yielded 49 bushels per acre testing 63 lbs. per bushel.

I have used many brands of fertilizer in past years. "AA QUALITY" Fertilizer is in a better mechanical condition, sows more evenly and produces a far better yield.

Yours very truly,

(Signed) LEE LONG

An exception? Not at all. 1739 such cases have been reported to us. In this instance, the increased yield meant an added profit of \$11.86 per acre. To say nothing of higher quality and consequent better price for the entire crop. Proof that it pays to select fertilizer on its crop-producing record.

"AA QUALITY" Fertilizers assure a higher grade of wheat with the same seed, the same acreage, the same labor. Result, lower production cost for every bushel and a greater margin of profit for you. "AA QUALITY" Fertilizers pay you several times their cost in increased yield and quality.

THE AMERICAN AGRICULTURAL CHEMICAL COMPANY Sales Office and Works P. O. Box 814, Detroit

Look for the "AA QUALITY" seal on every bag of fertilizer. It stands for 60 years of manufacturing experience.

This seal guarantees more than correct chemical analysis—it assures you of proven crop-producing value.

Miss Anne Elenbaas of Zeeland left Thursday for Winnebago, Nebraska, where she will resume her duties as teacher at the mission on September 6th. Enroute she is stopping off to visit her brother Arthur and family in South Dakota.

Nathaniel Robbins and B. P. Sherwood are early morning horseback riders, who are among the most enthusiastic horse men at Grand Haven. The exercise from this form of pastime is especially exhilarating in these beautiful near fall mornings they say—Grand Haven Tribune.

Bathing at Lake Michigan is particularly good right now with a temperature today of 70 degrees. This pastime has not been as good as usual as the lake has been very cold all summer. This high mark is not unusual at this season of the year although most people had given up looking for a change from the frigid temperatures of the past summer.

Fish have been pretty active during the past week at Black Lake. H. W. Te nBroek, veteran sportsman, reports that the white bass are running. Others tell of big catches of perch, which would indicate that several schools of that delicious species are "hanging around" the pier.

Rev. and Mrs. Isaac J. Van Westenburg and daughters, Marjorie and Victoria left yesterday for their home in Fulton, Ill., after being the guests of Mr. and Mrs. Ben Kamferbeek, at Graves Place for a month.

Mesdames Geo. Dutcher and Ernest Shumaker gave a miscellaneous shower at the home of the former at Fennville, on Monday afternoon for Miss Neva Green, who will marry on Sept. 2nd. Mr. Roy Kimber, of Holland. About twenty guests were present and many beautiful gifts were left as tokens of friendship and wishes for a long and happy wedded life to be the lot of the prospective bride—Fennville Herald.

A. J. Pauels of Grand Rapids has returned from an independent trip around the world, having been away one year. He was accompanied on his venture by A. DeHeus of Milwaukee. Mr. Pauels was a former Holland resident and is the brother of Otto Pauels of Holland.

Gov. Fred W. Green, whose recent announcement that he "chooses" to become a candidate for re-election in 1928 has aroused interest in next year's political situation, and Arthur H. Vanderberg will be speaker at the annual Republican barbecue at Ramona park, Grand Rapids, Thursday afternoon. Former Cong. Gerrit J. Diekema of Holland will preside.

LOW POTATO YIELD DUE TO DROUGHT

FARMERS MUST DIG DEEP FOR THEIR 1927 SPUD HARVEST

The wet spring, followed by a six weeks drought, has caused potatoes to set chain-line in the hills on farms in Western Michigan. As a result farmers will have to set their diggers deep next fall if they expect to unearth the entire crop.

The first potatoes set near the surface early in the season when there was plenty of moisture in the soil, but as the drought set in and moisture evaporated, the plants extended their roots downward in search of water, causing the potatoes to form chain-like on the roots. Normally, potatoes form in a cluster with only an inch or so of soil covering them.

The potato crop has suffered severely from the drought, and indications are the yield will fall below normal.

Rains during the next 30 days would prove beneficial, but farmers also fear they would cause hollow heart. Hollow heart results when growth is so rapid that the heart becomes hollow.

The drought hastened the maturity of the bean crop and the harvest was started this week in a number of fields.

P. O. CLERKS WILL MEET IN MEMPHIS, TENN.

CONVENTION TO BE HELD THERE SEPTEMBER 5 TO 9

Senator T. H. Garaway of Arkansas, and Congressman Hubert Fisher of Tennessee, will address the Twenty-eighth Annual Convention of Post Office Clerks at Memphis. The convention, which is to be held at the Hotel Peabody, will open on Monday, September 5th, and continue thru Friday morning, September 9th. The general convention program committee, composed of R. G. Schultz, Frank Neal, W. C. Yates, George Hall, John Younger, Herbert Netherly, and Edward O'Haver Finley, honorary, is in charge of arrangements.

Approximately 1000 clerks from all parts of the United States are expected at the convention. A special program of entertainment for women visitors is being arranged by Miss Irene V. Moore, including inspection of the recently opened Sears and Roebuck store, a shopping tour of the city, and tea at the Hotel Peabody. Mayor Rowlett Paine, of Memphis, will open the convention. Monday morning with an address of welcome. Leo Cunningham of Brooklyn, N. Y., will respond. Business sessions will take up the mornings of the convention, while on Tuesday night a get acquainted meeting will be held.

Typically southern entertainment will be provided for the convention visitors. A Cotton States tour and old-time barbeque will round out Monday's activity. A visit to the colored Palace theatre on Beale street, "home of the Blues," a boat ride on the Mississippi are planned. A reception and dance will bring entertainment features to a close the night of Tuesday.

GOV. GREEN FLIES TO CATCH TROUT

Governor Fred W. Green took off in a plane for Traverse City shortly after the parade of the Spanish-American war veterans, in which he participated yesterday afternoon.

The governor stated that "no self-respecting state executive would permit the last day of the trout season to vanish without trying to catch a few." He will spend today in casting in the streams near Beulah and Traverse City.

The plane was piloted by Lieut. variation squadron, Michigan National Guard, of the 107th Observation, and took off from the squadron's field at Rouge park.

INVENTOR WHO BOOSTED FORD'S FORTUNE BY \$36,000,000 DEAD

James Everett Smith, who saved Henry Ford \$36,000,000 in four years according to Mr. Ford's autobiographical volume, "My Life and Work," is dead.

Smith came here from Boston in 1910. His father, William H. Smith, was a member of the Ford engineering staff, and after his graduation from the Detroit University School, the son also joined the Ford organization.

About five years ago his discovery of a new method of hardening steel, furnaces, and it was this discovery using electric furnaces instead of gas that saved Mr. Ford \$36,000,000 in four years.

NORTH HOLLAND

Mrs. J. Brouwer died at her home at this place on last week Tuesday morning at 2:30 o'clock, after a lingering illness of several months. Funeral services were held on last week Friday, August 26th at 12:30 at her home and one o'clock service time at the Crisp Christian Reformed church, Rev. Van Vliet and Rev. Maatman officiating. Interment was made in the North Holland cemetery.

Mrs. Bert De Vries and children, spent Tuesday at the home of Ben Ter Haar.

Rev. and Mrs. Arthur Maatman motored to Chicago over the week end, where the reverend conducted church services on last Sunday, as this is the last week of his vacation, he will again occupy the pulpit of our local church next Sunday.

The missionary play entitled "Robert and Mary" was repeated for the third time at New Era. Five cars motored from this place last week Monday evening, when the play was given at the school house at that place, which was filled to its capacity. The play not only proved to be a great success, but was a great enjoyment to all. After the play, there was a surprise in store for the different characters who took part and some friends who joined them on their trip. When they were invited to the church basement, where a delicious supper had been prepared for them by some of the women, which was very welcome to all, after having had a sixty mile ride. After the supper New Era men gave some interesting talks also stating the subject of the play. After the singing of "Blest Be the Tie that Binds," and a warm hand shake, the North Holland folks returned to their homes at a rather early hour in the morning.

Mrs. Cornelia Brouwer, who has been ill for some time, remains about the same.

Mrs. W. Brouwer from this place celebrated her birthday anniversary on last week Wednesday, by entertaining her children at her home.

Mr. and Mrs. Ben Ter Haar and Genevieve and Mrs. Henry Ter Haar and Dona Joyce from Holland, motored to Muskegon on last Sunday, calling on relatives there, also attending church services at that place.

Miss Hazel Westrate from Holland is visiting with relatives and friends in this vicinity.

Our local school building has undergone some good changes. A new roof has been laid and the interior has been redecorated, so on next week Tuesday morning the pupils and their teachers will be ready for a brand new year's work.

NEW RICHMOND

The association called "The Old New Richmond" was formed Saturday, August 26th, when about one hundred and fifty people, most of whom are at present or have been at some former period residents of New Richmond, ate pot luck dinner together at the County Park and decided to meet annually for a renewal of friendships. The following officers were chosen: President, Mrs. Elmer Schaeffer, Fennville; secretary, Mrs. Ida Sherman, of Pullman; treasurer, Mrs. Willard, of New Richmond. A day long to be remembered was enjoyed.

DOUGLAS

Mr. and Mrs. James Wark returned home last Friday from Canada where they visited relatives the past few weeks.

School opens next Tuesday, Sept. 6 for the fall term. The same teachers who taught last year will teach again this year.

Mrs. L. A. Phelps of Ann Arbor, visited friends here Saturday.

Mr. Miller aged 85 years, passed away last Thursday at the home of his sister, Mrs. Zelma Buck with her mother, Mrs. Z. Buckley and helping care for her uncle, Mr. Miller.

Mrs. Louis Walz spent last Friday in Muskegon with her sister, Mrs. Harry Whitman and family.

Mr. and Mrs. Swartz of Chicago, were guests in the Daniel Falcover home last Wednesday.

Mr. Edward Wark, son of Samuel Wark had his shoulder badly hurt last week when the gravel bank at the Thomas Gray gravel pit caved in. Mr. Wark was very fortunate to escape serious injuries.

Mr. Ward Lighthart of Grand Rapids spent the week end with his parents and attended the funeral of Mr. Miller.

A great many of our resorters are leaving for their homes this week.

Mr. Howard Perry and family came home Saturday. Mr. Perry returned to his work Monday. Mrs. Perry and daughter Florence will remain at home.

Mr. Summers of Chicago spent the week end at his home in Ravian Rest.

Mrs. Lizette Ash went to Holland Sunday for a few days visit with her daughter, Mrs. William Zuber and family.

Mrs. Claude McDonald, son Robert with Mr. Albert Lindholm, of Zeeland, spent the week with the families of Chas. Hutchins of Glenn and Roy McDonald of Douglas.

HAMILTON

Mr. and Mrs. Harry Lampen departed for northern Michigan on a fishing trip. They expect to stay until they are able to return with enough fish to treat their friends. We suppose that they have the good wishes of the community.

Mr. and Mrs. Marvin Brower and family returned home from Chicago after a visit with relatives. They made the trip back on the boat and Marvin reports that the boat "acted up" something scandalous.

The Ford's from Holland finally defeated the local knight. They have motored to this village several times with the purpose to humble the Tigers, but each time they were sent home defeated. Callahan was wild and was unable to locate the plate. It seemed much easier for him to locate the players and several of the opponents found out that Gally throws a speedy ball. The whole team was off form however. Well, a team cannot win all games and since these teams will meet again on Labor Day at the celebration, no doubt this defeat will make the Ford's Day more interesting. Furthermore these players from Holland are one of the finest and cleanest bunch of players that came to Hamilton this summer.

The John Bos family of Monroe, S. D., stopped in Hamilton last Monday after a visit in Grand Rapids. They are returning to their home after an extended visit in Michigan.

Miss M. Fikes of Portage is visiting at Mrs. H. Tanis's home for a few days.

The church of Overisel has been informed the Rev. Fyle of Hollandale, Minn., has accepted the call to this church.

Rev. H. Potter and family have returned from their vacation. They have visited various points in Illinois and report a very fine trip.

A large number of people motored to Holland last week Thursday to attend the Holland Community Fair. A boy arrived at the home of Mr. and Mrs. Wm. Vander Ploeg last week. Congratulations.

A large number of Hamilton folks are taking advantage of the bargains in furniture at the local factory. It is reported that the firm will be re-organized and no doubt the community will back up the proposition, since there is no reason why it cannot be made good if we stand back of it.

Arrangements for the big Labor Day celebration are complete. The Dykstra grove has been rented and all plans have been made to handle the big crowd. All attractions will be free with exception of the ball game where a small admission is to be charged. There will be a large number of stands and games on the grounds to keep the crowd busy for the day and evening. The morning program includes a ball game between the two rival teams, the Holland Fords and the Tigers of Hamilton. In the afternoon the American Legion band will open the program with a concert.

Dr. H. H. Vandenberg and G. J. Diekema will give address. A male quartet will sing after this program. Sports of all kinds will be staged and valuable prizes will be given to the winners. The evening program will be of an entertaining nature. Some first class comedians will entertain. The American Legion band will again give a concert and a two-reel motion picture will close the evening's program. Following the evening program, the local business men will give away prizes amounting to \$300.00.

A unique feature of the labor day celebration at Hamilton will be a horse-shoe contest. A wash machine will be given to the winner by Harry Lampen and \$5.00 will be given by the local bank to the second man.

(Too Late for Last Week)

Sipes Tigers are continuing to increase their string of victories. The Wolverine Stars of Holland were beaten into camp more, score 4 to 1. This is the 25th victory for the Tigers in 29 games. Wentzel pitched at very fine game for the locals.

A prayer service was held Sunday night at the First Reformed. E. very large crowd attended the meeting.

When Rev. J. A. Roggen and family returned from their vacation last week Thursday evening they found their church members waiting in the auditorium to give them a hearty welcome. It was in the form of a surprise and the unsuspecting family was led into the building by the large crowd, before the lights were turned on. It is needless to say that a good time was enjoyed. About 300 were present.

Mr. and Mrs. John Bos and son Adrian of Monroe, So. Dak., and Miss Anna Lint of Orange City, Iowa are visiting the Roggen family, intending also to visit relatives in Grand Rapids.

Rev. Benes of Demotte, Ind., visited at the First Reformed church parsonage last week Wednesday after noon.

Several people from this community are attending the conference of the Reformed at Pine Lodge.

Mr. and Mrs. R. Haakman have enjoyed an auto trip around Lake Michigan, visiting various places in the northern peninsula and Wisconsin.

Mr. and Mrs. Marvin Brower, our banker, with his family have left for several days' visit in Chicago.

ZEELAND

Mrs. Dena Zuiverink and daughter Gertrude of Grand Rapids, spent Thursday as visitors of her brother, Mr. Herman Krommendyk and family of Zeeland.

Mr. Alvin Raak of Zeeland is visiting his aunt Mrs. A. Biesbe of Grand Rapids for one week.

Mrs. Charlie Groeneveld of Allendale, Mich., spent Friday as a visitor of Mrs. Herman Krommendyk of Zeeland.

Mr. Herman Krommendyk of Zeeland spent Wednesday at Byron Center, Michigan, visiting relatives.

Mr. Sherman Quick, spent Sunday at the home of his parents at Rusk. Miss Elsie Slekmann and friend from Chicago are spending some days with relatives and friends in this vicinity. Miss Slekmann holds a position as telephone operator in that city.

Miss Erma Laeppe of Muskegon has been the guest of Donna Irvine, Zeeland.

Rev. J. Van Peursem, formerly of Holland, submitted to an operation for the removal of his tonsils at Grand Rapids.

TEN PERCENT PAID BY DEFUNCT ALLEGAN BANK

J. Garver Bly, receiver for the failed First National bank of Allegan, Monday received the checks from the comptroller of the currency at Washington to pay the first dividend of 10 per cent to depositors. The amount of the 1,441 checks to be paid out is \$51,142.17.

The county of Allegan is one of the largest creditors and County Treasurer Vida Congdon states her office will receive about \$4,900 on approximately \$40,000 due the county.

Receiver Bly said Tuesday another dividend may be paid before Jan. 1, 1928, providing collections can be made to warrant it.

E. H. GOLD'S SON INJURED IN CHICAGO

Monday night's Chicago Herald-Examiner contained a story telling of injuries suffered, in Chicago by Samuel D. Gold, son of E. H. Gold of Marquette Lodge. The Examiner said: "Called to the apartment of Mr. and Mrs. Alexander McGee, Jr., at 931 Forest av., in the heart of Evanston's fashionable residential district, firemen and police rescued two persons from the flaming building.

"A cigarette butt had set fire to an overstuffed davenport. Mr. Jerome McGee, 40, and a young woman, Mrs. McGee, 35, were sitting on the davenport, which he clung until a ladder was raised. He collapsed while descending it and was given emergency first aid treatment.

Sleeping in another room was S. D. Gold, son of E. H. Gold of the Vapor Car Heat Company, living at 1201 Sheridan road, Evanston. He was carried out by firemen, but was burned about the head and shoulders.

"Mrs. McGee, niece of Vice President Dawes, and a young woman, Mrs. McGee, 35, were sitting on the davenport, which he clung until a ladder was raised. He collapsed while descending it and was given emergency first aid treatment.

"An ambulance conveyed the four to the St. Francis Hospital, Evanston. All were able to leave except Mr.

Goodrich Steamer To Wait for Fight Fans

The Goodrich Line is making many reservations for Dempsey-Tunney fight. Quite a number of seats in each section have been set aside for Goodrich Transit Co., in Chicago. Quite a number of American legion members have been suggested to the Goodrich steamer will not leave Chicago until after the fight on that night, giving everyone plenty time to greet the champion and still make the boat.

'THE OTTAWA LOOP' NEW SUGGESTION FOR PARK NAME

A prominent woman citizen of Holland who did not wish her name used has added one more to the list of names that have been suggested for the new state park at Ottawa Beach. The name she would like to see adopted is "The Ottawa Loop." The word "loop," she thinks, will easily catch on because the public is familiar with it in connection with the Chicago downtown district. It is easy to remember and is just as appropriate as "oval," by which the Grand Haven park is known. The concrete parking space at the park will in fact be a loop, she points out. The word "Ottawa," she suggests, will be appropriate because the park is located in Ottawa county, because it is of Indian origin, and because the site of the park has been known for years as "Ottawa Beach."

Labor Day Regatta Will Be Put On By Spring Lake Club

The second motor boat racing regatta for this season will be held Labor Day by the Spring Lake Yacht club.

Nine events will be participated in by local sail boats and speed crafts and clubs from White Lake, Muskegon and Holland.

A sailing event in the morning and handicap cruiser race will open the day. At 3:00 p. m. the other events will be put on; two for out board motors, Class B and S. scratch; two express runabout handicap; and scratch race; a handicap cruiser race, and a bang and go back event.

A beautiful gold cup worth \$200 has been donated by Dan Campbell, of Campbell Wyant and Cannon, Muskegon, and this will be made the chief trophy at this race and all racing events of the summer of 1928.

All races won on Labor Day will stack up for the trophies at the end of the 1928 season. First winner will be counted 25 points; second, 10 points; and third, five points. Pennants will be given to the winners. Trophies for all classes will be competed for on Labor Day.

Spring Lake now has the reputation for having more speed boats than any lake in Western Michigan, and this summer have done much to promote this interest. Almost every property owner now boasts a classy speed boat.

There have been five new ones sold recently which, together with the older fleets, makes a large showing of speedy craft.

C. D. R. Mulder of Muskegon and James Spencer, Spring Lake, will handle the timing and judging of the races. Carl Trautman, of Grand Rapids, commodore of the Spring Lake Yacht club, will be out with his beautiful new boat capable of making 45 and 50 miles an hour and several others will be out for records on that day.

Mrs. Harry Knipe is confined to her home with a fractured ankle.

SEA SCOUTS FIND MANY THRILLS ON MUSEUM JOURNEY

The eight Chicago sea scouts who, as deck crew of John Gordon's famous auxiliary schooner, the "Northern Light," sailed on the Borden-Field museum expedition, Bering Sea, are having a glorious experience, according to letters which have been received at the national office of the Boy Scouts of America in New York. Already the expedition has obtained a number of specimens of arctic fauna, including the Kodiah bear and walrus. In a letter Thomas J. Keane, national sea scout director, Boy Scouts of America, Steve Ram, one of the sea scouts, tells something of their experiences in the arctic.

The boat, after a trip through the ice fields, passed through the Kotzebue Sound, then at Juneau, and thence, after a trip across the Gulf of Alaska, through seas boisterous and rough, sailed on to Canoe Bay in the Shumagin Islands.

The stay in Canoe Bay covered a month in which we got a pretty bad weather, the velocity of the wind in some instances being eighty miles an hour. The object of the month's stay was bear hunting of which about 28 were killed," reads Ram's letter.

Stops for fishing and bird-hunting followed. At East Anchor cove a school of killer whales was sighted but, while a whale boat was oared the party was unsuccessful "and did not fasten." The sea scouts played baseball with the crew of the cutter "Haida" at the arctic naval base on Unimak Island, Dutch Harbor. They lost but were happy in winning a wrestling match with the Haida's champion. Too rough a sea prevented a landing at the active volcano on Bogoslof Island. At Harbor Cove, St. Paul's Island, the Friobots, the radio station crew were opponents of the sea scouts at another baseball game. Independence Day was spent watching the seals on the Priobots rocks.

"On July 6th," continues Ram's letter, "the Charles Bower, a three-masted schooner, sent out an S. O. S., stating that she had struck a reef on St. Lawrence Island, and torn her keel and was leaking badly. We headed for her with all possible speed. By the time we arrived she had slid off the reef and said she was all right."

The Northern Light ran in to Nome on July 11 and found the Bower anchored there for repairs.

"On the 13th," adds the mariner, "we had some hard weather. The boat was tossed in the water, the double reefed. The boltrope of the leech broke so we put in another reef and hove to; the leeward engine at half speed.

"Next day we arrived at Siberia," the narrative goes forward. "Natives are not allowed to trade. However, we made them presents of tobacco, sugar and tea."

"On the 16th some walrus were killed, among which was a very fine one, which the Field museum will get. At night while in the ice, the ship just drifted along, with the sun up all the time. We are trying to get to Wangell Island or Herald Island, but the ice is so thick that we only got within sight of the latter."

"A heavy sou-wester was coming up so we laid a course for Point Hope. The boat was tossed in the water, the double reefed. The boltrope of the leech broke so we put in another reef and hove to; the leeward engine at half speed.

"The average age of the scout crew of the 'Northern Light' is nineteen years. They were carefully selected by Mr. Borden from a large group of Chicago sea scouts because of their proficiency in seamanship and also because of their general scout training. Since Steve Ram's letter was written cable dispatches have told of a later visit of the 'Northern Light' to Wrangell Island now occupied by Russians, but where there were formerly American and British colonies.

GRAND HAVEN GETS CHRISTIAN SCHOOL CONVENTION

Grand Haven will entertain the convention of the National Union of Christian Schools Wednesday and Thursday. Delegates will be here from New York to South Dakota.

The central theme of the convention will be "Christian Schools and Their Organization." Speakers will include Rev. J. K. Van Baalen of Pease, Minn.; Rev. G. Hoeksema of Chicago; Prof. Clarence Bouma, Calvin college, Grand Rapids, who will speak at the evening session the first day. A. S. DeJong will preside. Provisions are being made for 60 delegates. The Grand Haven committee is J. Van Buerker, G. L. Dorbosh and A. Bulthuis.

WILL HAVE 17 NEW TEACHERS

There will be 17 new teachers in the Holland public schools when school opens Tuesday. They are: Dr. Vander Poel, Phyllis Judd, Martha Weingarth, Mary Dean, Glenyce Daubenspeck, Violet Wasson, Edith Fox, Frances Cornwell, Edith Rockwell, Verda Hawkins, Gertrude Flaitz, Olga Geiger, Edna Gillett, Frieda Kutschinski, Rhea Jackson, Irene Ver Hulse, who was a teacher in the Holland schools 1912-13, and will be back this year. Mildred Mollhagen was a substitute teacher the first semester last year. She will be a regular member of the staff.

CAVEIN SERIOUS FOR GRAVEL WORKER

While Edward Wark was loading gravel in the Gray farm gravel pit near Saugatuck, he escaped death when a cavein caused several yards of gravel to fall on him. He received many bruises, a broken collarbone and a badly wrenched shoulder.

TOO MUCH MOON MEANS TROUBLE FOR THIS PAIR

Edward Bussies of Coopersville, deputy sheriff in that section, brought in two miscreants on Sunday after a merry chase of one and a little gun play thrown in.

Farmers seeing a car in the ditch called Bussies to about two miles north of Coopersville. Bussies arrived and found Ray Hosmer in the wreck unhurt but in a dazed condition due to too much "moon." His wife and child were there also, but she owned the car, Sanford Hunter, of Muskegon, had flown. Bussies took the first party to the Coopersville jail and then returned to look for the other man. He had seen the deputy coming and had presence of mind enough to hide in some tall corn. Thinking the danger over he came out, climbed into a nearby car and was prepared to "sleep it off."

The second visit of the deputy was therefore a surprise to him and before he knew it he was bundled into the officer's car. Hunter on parole by Muskegon officers, was used to getting out of a tight place and jumped while the car was moving right along. Bussies called to him and then fired three shots before he convinced his prisoner that he might better take his medicine.

He was brought to the Ottawa Co. jail and will probably be turned over to the Muskegon probation officer. His term of probation would have been up Thursday and to fall into the talons of the law at this date was most unfortunate. At least Bussies was disturbed this morning placing up and down his cell in desperation as he was out on a charge that was more or less serious. His companion was fined \$5.00 and costs \$5.85 for being intoxicated. He was not driving the car and although he tried to say he was the owner it was later proved the car had been sold to Hunter.

FIVE BAD CURVES ELIMINATED IN FERRYSBURG

The concrete pouring for the grade separation at Ferrysburg has been completed and the road is ripening for later use. To all appearances this will be ready in a short time but motorists will be doomed to disappointment when the concrete is laid. The road will be a straight line and the five bad curves will be eliminated.

This project, under way for many months, will be in readiness it is thought, about the last of September and will be first grade separation in Ottawa county. It has been completed at considerable expense but will more than pay for itself by convenience and safety by cutting out several bad curves a bad railway crossing and some little distance, going thru the village of Ferrysburg. Only extreme caution is necessary to avoid an accident, undoubtedly, in the years it has been used by the thousands passing this point. It joins US 31 a little north of Ferrysburg coming out on the Otway highway a little north of Ferrysburg. It was necessary to build one large viaduct to cover the Pere Marquette railroad track in order to straighten out the part of the pike.

OTTAWA COUNTY HOLDS SHORTEST COURT TERM

Judge O. S. Cross went back to his home in Allegan, Tuesday and will return in Grand Haven at some future date to hear one or two matters that were not completed in the August term of court.

This has been the shortest term of court to be held in Ottawa County in August, with only four criminal cases and very few civil and chancery matters to decide.

The case of George A. Hume against the village of Fruitport for the recovery of taxes paid to them, may be heard at present. This may come up some time before the next term of court but at present there is no date set.

This case promises much interest for local citizens as the tax return concerns property which lies in Otway county but is claimed by the village of Fruitport which is incorporated in Muskegon county.

The village claims they have the right to tax all property within their limits which is quite beyond the ordinary limits of a village with the prospects of Fruitport.

JERSEY COW BREEDERS HOLD COUNTY MEETING

Ottawa County Jersey breeders at a meeting held at Ted Mohr's farm in Coopersville elected Say Rymer of Spring Lake president, Ted Mohr of Coopersville vice president, and Joseph Antonides of Jenison secretary-treasurer. A board of directors' meeting will be held at the Antonides home, Friday, August 26th, to organize a campaign for membership and to secure a large exhibit of Jerseys for the county Jersey show to be held at the Berlin fair, Sept. 13th to 16th.

RICKARD LIKES CHICAGO ARENA FOR BIG FIGHT

Jack Dempsey's effort to regain his world's heavyweight championship from Gene Tunney in Chicago on the night of September 22 will be waged in one of the greatest sport arenas in the world, in the estimation of Promoter Tex Rickard. Soldier Field was selected by Rickard for the forthcoming battle because of the promoter's conviction, the plan is the most appropriately adapted to boxing of any of the conveniently located arenas he had under consideration, not even excepting Philadelphia's Sesquiennial stadium or the Yankee stadium of that city.

The plan is horseshoe-shaped, is of concrete and steel, modern in every respect. It has a permanent capacity of 125,000 for ring fights, 15,000 in excess of the capacity crowd of 110,000 the arena held for the Army-Navy football game last fall. The increase is made possible through placing the customary ring-side seats on the field, utilizing space which is occupied by the playing field for football matches.

By closing the mouth of the horseshoe and placing temporary stands on a graded section of ground, Promoter Rickard has estimated that he can accommodate 165,000 fight fans for the title fight, and it is his intention of doing just this. Tickets to the number of 125,000 were shipped to Chicago to launch the actual distribution. Pales panachees, and as soon as Rickard decides on the question of closing the mouth of the horseshoe the remainder of the tickets are to be printed and shipped.

Even without the temporary seats on the graded ground which marks the opening of the arena, the forthcoming fight promises to blast pugilistic history as to attendance and receipts records. The best record heretofore was that created by the crowd of 118,360 persons who paid \$1,763,484 in receipts to see Tunney lift the title from Dempsey last year in Philadelphia. On the basis of an attendance of 125,000 Rickard's Chicago show is calculated to draw in excess of \$2,000,000 and if the promoter sells tickets up to a capacity of 165,000 the receipts are expected to approach \$3,000,000.

FENNVILLE SCHOOLS TO HAVE MORE BIBLE STUDY

The course in Bible study which has been a part of the Fennville high school curriculum for the past two years, is to be extended to include the seventh and eighth grades with the opening of the school year. During these two years nearly a half of the high school students have taken this course of study, which is given one recitation period a week.

E. J. Cross, who has served as the instructor in the past, will have charge of the enlarged program this year. There will now be six classes in this department.

FISHERMEN GET REWARD FOR THE LARGEST CATCH

Prizes were awarded Friday night by the Lake Michigan league of Allegan for the largest fish and best catches made during their fishing contest which closed yesterday.

John Harold Damoth captured first prize for the largest perch, measuring 15 1/2 inches and weighing one pound and 15 ounces. Herbert Baker caught two muskies, one weighing first prize for the largest pickerel weighing 4 1/2 pounds, and Lee Decker of Hopkins was first in the bass contest, bringing in a five-pound two-ounce trophy. Awards for the best catches of perch and bluegills both went to Wilfred Berry and John Harold Damoth entered the best walleye pike.

Only fish taken from Allegan county waters were eligible to be entered in the contest and all prize entries were displayed in the Maentz market windows during the contest. Allegan business men provided the prizes.

ALLEGAN COUNTY TEACHERS MEET

A general meeting of all rural teachers of Allegan county for 1927-28 will be held in Allegan high school Saturday, Sept. 3, under the direction of G. V. Fales, school commissioner. Most of the 200 rural schools will open Monday, Sept. 5.

An exhibit of 1926-27 rural school work including art, handicraft and penmanship is being prepared for display during the fair here Aug. 30-Sept. 2, by G. V. Fales.

FENNVILLE CLAMMERS SHIPPING AT \$70 A TON

The shipment of a large quantity of clams from the bottom factories at Muskegon, has created considerable interest at Fennville. These shells, which are dragged from the mouth of the Kalamazoo river are said to be among the best found anywhere in the United States, but one stream produces better shells, Fox river in Illinois. Seventy dollars a ton is being paid for the shells.

FENNVILLE HOMECOMING GETS MORE ATTRACTIONS

Some additional features have been added to the program for the Fennville homecoming to be held Saturday and Sunday. The new attractions in Saturday events are a balloon ascension and a double parachute drop, free ice cream cones and tennis matches.

The speaker at the Sunday afternoon service, which will be held in the Baptist church, will be Rev. A. E. Wynne, a former pastor of the Methodist church.

TWO YOUNG MEN FROM NORTH HURT IN SMASH

Two young men from Midland escaped with cuts and bruises when the automobile in which they were riding collided with another machine Monday on U. S. 31, a few miles north of Holland.

The men were returning on a "hike and hook" trip from the straits. They had been given a ride from Traverse City to Muskegon and had "hooked" another ride to Holland. The drivers of the machines suffered bruises. The Midland men were treated by a local physician and then followed the road to Grand Rapids.

WILL IMITATE TABERNACLE OF OLD TESTAMENT

A wonderful imitation of the Old Testament tabernacle with all the pieces of furniture built to the dimension given in the scripture, will be displayed in the large Arena at Lake Harbor, during the last conference of the season, which is the "Feast of Tabernacles." The dates of this closing conference are Aug. 31st to Sept. 5, Labor day.

A special musical attraction will be the great antiphonal choir consisting of 150 voices. The first appearance will be made of the new brass quintette called the "Rader Carriers"; also the regular musical staff of the Chicago Gospel Tabernacle, heard over WFT after Sunday, will be present.

The speakers for the conference will be Dr. Max Wertheimer, Ado, O. former Jewish rabbi who is versed in the Old Testament tabernacle and Jewish prophecy. He will bring with him 4 charts. Mr. Luke Rader will also speak during this conference. Paul Rader will come on the closing day, Labor day.

A fine cafeteria is located on the lake front which can accommodate all the visitors. Meetings will be held 10:30 in the morning and 7:30 evenings.

GRAND RAPIDS PRESS BAND MAKES HIT AT LOCAL FAIR

The Grand Rapids Press band of 46 pieces gave an excellent program under the direction of Mr. Davis, the leader. Ted Booth, of the Press, was in Holland personally and took charge of the band. The band played this paper every night to Grand Rapids homes.

The band is composed entirely of newboys and boasts of the smallest drummer possibly in the United States. The little fellow, who is only six years old, is always accompanied by his mother. The drum is almost as big as he is, but how he can wallop that caskin!

The members of the Newsboys band were the guests of the Holland Rotary club and the Holland fair directors. They were at the Holland fair Thursday noon. Mr. G. E. Drew, who was on the music committee, claims credit for bringing this band to the hotel. They were given dinner in the evening at the Tavern and were unparading with their musical program in the lobby.

They paraded the principal streets of Holland at noon and again in the evening. They gave almost a continuous program of music at the race track across from the grandstand during the day and evening.

The band came in two large Greyhound trucks to the Holland fair at 9:15 Thursday evening, but the "newies" were having such a good time at the Holland fair that Mr. Booth held the buses until after eleven.

Grand Rapids Press has had a newboys band upwards of thirty years. Many of the young chaps of yesterday who peddled papers and played in the band are citizens of prominence in state and national affairs, and not a few have made music their profession. It is a musical organization that has exceptional merit and the band is always in great demand.

MRS JACKS AND MRS. DIEKEMA ENTERTAIN AT LAKEWOOD

Mrs. Harry Jacks and Mrs. G. J. Diekema, who are spending the summer at Lakewood Farm, were joint hostesses at a lovely buffet supper Wednesday evening in the clubhouse at the farm, honoring Gov. and Mrs. Fred W. Green and Mr. and Mrs. Edward Swir of Detroit, who are the guests for a few weeks of George Getz. The guest list numbered 22.

MR., MRS STAIR, DETROIT, ENTERTAIN AT SUPPER

Mr. and Mrs. Edward Stair of Detroit, who are spending a few weeks at Lakewood Farm, entertained the summer guests at the farm at a charming buffet supper last evening in the clubhouse. Twenty-five guests were present. Mr. Stair is owner of the Detroit Free Press.

SHERIFFS NAME FRANZ HEAD; PICK MT. CLEMENS FOR 1928 CONVENTION

Mt. Clemens was picked as the meeting place in 1928 by the Michigan Sheriffs' association on the second day of its three-day convention Thursday afternoon.

Fred Franz of Niles, ex-sheriff of Berrien county, was re-elected president of the association; Sheriff Percy Moore, Mt. Clemens, vice president; Sheriff Jerome D. Borden, Kalamazoo, re-elected secretary, and ex-Sheriff Warren C. Stoddard, Jackson, treasurer.

Mr. and Mrs. Ed Moore and son Jack, 78 East 12th St., are making a western tour, including Colorado Springs.

Mr. and Mrs. W. J. Olive are making a tour of the west. A card says they have arrived at Colorado Springs.

THOUSANDS SEE
THE FIRST DAY'S
RACING PROGRAM

The grandstand was well filled on Wednesday with spectators who came to witness the racing program of the afternoon. Although a large number of horses were entered in at least two of the races, no accidents occurred, and a large bunch of starters.

Jack Winnings of Elkhart, Indiana, was again on the job as starter for the first successive year, and as usual the things went in hand. Comments were heard on "very bad" in regard to the "smoking of results". The fair association has installed several amplifiers and, because of these, the patrons had no difficulty in hearing the announcer plainly after each race.

The first race on Wednesday's racing program was the 2:18 pace, with a purse of \$600. Although nine horses were in the running no mishaps occurred, with the exception of "Tommy G." owned by Grafton Gawn, throwing a tire in the second heat of the race. As a result Tommy G. came in in 8th place in this heat. He however, brought in a first in the first and third heats and therefore, won the race carrying with it the Holland Farm's O. Stakes. Cindy Ha took the second heat of the 2:18. Roderick Mae received third money, pulling down second money, with three and a second in the third heat. While David Seymour brought his owner fourth money with a second, sixth and fourth place.

The results of the first race of the 2:18 pace is shown below:

Horse	Owner	Time
Tommy G.	Grafton Gawn	2:18 1/4
Cindy Ha	John A. Hall	2:18 3/4
Roderick Mae	Vernon McKinney	2:19 1/4
David Seymour	John A. Hall	2:19 3/4
John G.	John A. Hall	2:20 1/4
John G.	John A. Hall	2:20 3/4
John G.	John A. Hall	2:21 1/4
John G.	John A. Hall	2:21 3/4
John G.	John A. Hall	2:22 1/4
John G.	John A. Hall	2:22 3/4

In the second race of the afternoon, the 3-year-old trot, only three horses were entered. Gail Ormsby from the H. T. Birney Stables, Ionia, easily won first money coming in first place three successive heats. The purse was for \$500. The results of the race are as follows:

Horse	Owner	Time
Gail Ormsby	Lord Dewey	2:23 1/4
Gail Ormsby	Lord Dewey	2:23 3/4
Gail Ormsby	Lord Dewey	2:24 1/4

The results are as follows:

Horse	Owner	Time
Gail Ormsby	Lord Dewey	2:23 1/4

THE FIFTH HORSE
EXHIBIT AT FAIR
AGREAT SUCCESS

The fifth annual horse show at the Holland Community fair was a big success. Horses in goodly numbers were entered in each class, trophies and prizes being won by the several winners.

The judges at the horse show were W. L. Eaton of Chicago and George Caball of Forest Grove, with Miss Edythe Osterle, W. Eaton, Carter P. Brown, F. S. Peterson, G. Caball, and John Boone making up the personnel of the committee in charge.

Trophies for the classes were offered by Wm. Eaton of Waukazo, John Boone of Holland, Ottawa Beach, J. S. Rutgers Co., Holland, John A. Jendrich, Holland, Pickwick Stables, Waukazo, C. P. Brown, Castle Park, A. H. Landwehr, Holland, Vanderburg Bros., Holland, Pantlind Hotel, Grand Rapids, Mrs. Nystrom, Holland, Huizenga Jewelry Co., Holland, and the Holland Fair Association.

In the three-gaited class 152 and over, Governor, owned by Elythe L. Osterle, Ottawa Beach, won the Wm. Eaton trophy. White Sox, owned by John G. Eaton of Waukazo, took second place, with Smokey, owned by Robert Macfarland of Grand Rapids, taking third.

The John Boone trophy was awarded to Sonia, owned by Mary Jane Gail of Waukazo. Horses were entered under class "three-gaited, 152 and under." Other winners were: Bobby Ann, owned by J. S. Peterson of Waukazo, second place; Kentucky, owned by Elythe L. Osterle of Ottawa Beach, third place; Bird, owned by Robert Macfarland of Grand Rapids, fourth place.

Class No. 3 called for ponies under 12.1 to be ridden by children under 10 years of age. Trophies for first and second places were put up by Ottawa Beach and were won by Mithers, owned by Tom Young of Fenville, and Lory, owned by F. Randell, Cedar Springs, (Holland), respectively. Third place was given to Bobby, owned by Elythe L. Osterle, and Stopper, owned by J. S. Peterson of Waukazo, took fourth place.

The J. S. Rutgers trophy put up for ponies up to 14.1, to be ridden by children 10 to 14 years, was won by King, owned by Jerome Spitzer of Fenville. Lord Dillon, owned by W. W. Sterwood of Waukazo, carried off second honor. Bessie, owned by Elythe L. Osterle, ran away with third prize, while fourth place was awarded to Brennin, owned by Fred V. Robinson of Allegan.

Class No. 5 for ponies 14.1 and under, open to all, carried with it the John A. Jendrich trophy. This was won by King, owned by Jerome Spitzer of Fenville. Lord Dillon, owned by W. W. Sterwood of Waukazo, again took second place, with third honor going to Brennin, owned by George E. and Fred Robinson, Bessie, owned by Elythe L. Osterle, was given fourth place, with Helen G., also owned by George E. and Fred V. Robinson, getting fifth place.

In the five-gaited class for ladies Jack McDonald, owned by Helen R. Eaton of Waukazo, took home the trophy put up by Pickwick Stables of Waukazo. White Sox, owned John G. Eaton and Betty Lee, owner Katherine Pantlind, won second and third honors respectively.

The Carter P. Brown trophy for "five-gaited open to all" was awarded to White Sox. Betty Lee took second place, while Jack McDonald was given third place.

Class No. 8 called for pairs of saddle horses, judging to be of style of going and marked conformation. The A. H. Landwehr trophy put up in this instance was won by Sonia, owned by Mary Jane Gail of Waukazo, and Elita, owned by J. S. Peterson, also of Waukazo. Bobby Ann, owner J. S. Peterson, and Kentucky Belle, owner Robert Macfarland, paired off for second place, while White Sox, owner John G. Eaton, and Jack McDonald, owned by Helen R. Eaton, both of Waukazo, trotted off with third honors.

Class No. 9 called for light weight. Hunters carrying up to 165 pounds, judging for conformation 50 per cent, performance 50 per cent. The Van denburg Bros. trophy was won by Dan, owned by Charles McPherson of Grand Rapids. Chester, owned by A. Vanol of Plainfield, N. J., was awarded second place, and Duchess, owned by J. S. Peterson of Waukazo, was given third place.

The Pantlind Hotel trophy put up for heavyweight hunters carrying up to 210 pounds was won by Dan, owner McPherson; Glencoe, owner Mrs. Charles Kirchen of Holland, took second place, with third honors going to Chester, owner Vanol of Plainfield, N. J.

In the Roadster class, Danath Lass, owned by George E. and Fred V. Robinson of Allegan, took home the trophy offered by Mrs. Nystrom. Bobby Ann, owner Peterson, ran off with second prize, while third honors were won by Riplet, owned by Mrs. Chas Taylor of Coopersville.

The Huizenga Jewelry Co. trophy put up in the colt class was won by Bean, owned by Elythe L. Osterle. Queen, with Cleve Colt, owned by A. E. Bonner of Coopersville, was awarded second place. Entry from the Galax Stables of Castle Park was given third place, while Tamarlane, owned by Elythe L. Osterle, came in for fourth honors.

Class No. 13 called for championship with a trophy put up by the Holland Fair Association. White Sox was judged as the winner in this class. Jack McDonald was given second honors. Dan received third place, and Governor was awarded fourth honors.

ANOTHER TRACK
RECORD BROKEN
IN FRIDAY RACES

Although the grandstand was far from being filled Friday afternoon, those who were present witnessed some good racing. Everything ran off smoothly, no accidents of any kind occurring on the track.

During Thursday's racing the former track record of 2:11 1/4 (made during exhibition race against time) was beaten by a full second. Since that time was again made Friday when the former record was again broken, the time made in the first heat of the free-for-all being 2:10 1/4. The winner in this race was Hazel McGregor owned by J. T. Amies of Lansing, Michigan. The first event on that afternoon's racing program was the 2:20 trot, with a \$600.00 stake put up by the Warm Friend Tavern. St. Ruby, owned by Wm. Lavey of Howell, took first money, with two seconds and a fifth, took second money. Lady Oscar Moko, with a fifth, a third, and a second, was given third, while fourth money was won by Detroit, who came in with two thirds and a seventh.

The results of the first race are:

TWO STEAMERS TO TAKE
CARE OF HOLIDAY CROWD

To take care of the Holland and Saugatuck resorters returning to Chicago Labor Day, the Goodrich Transit Co. will have two steamers leaving Holland Monday night, Sept. 5th. The steamers are the "Indian" and "Tillamook".

The "Tillamook" is Holland's winter steamer, which runs between Chicago, Milwaukee and Manitowish. This is a fast steamer and the local management is elated over the fact that it will be possible to have this steamer here that day.

MANY CUPS AND
PRIZES AWARDED
TO POULTRYMEN

A compilation was made by Ed Brouwer, secretary of the Holland poultry association and in charge of the poultry hall at the Holland fair, showing cup and trophy winners at last week's exhibition. The list shows that the Grandview Poultry farm of Zeeland won the silver trophy offered to the exhibitor winning best display in production class, hatcherymen only competing. The winning was made with White Leghorns.

Lake View Poultry farm, Holland, won the silver cup for best display in exhibition class, all varieties competing. Winning was made with Barred Rocks.

John G. Eaton of Waukazo and Holland won the silver trophy in production class, no hatcherymen competing, winning made with Barred Rocks.

Blatchford poultry feed booth, in charge of Ted Elhart, arranged a nice display and gave much poultry information to all who made their wishes known. Ted was kind enough to let Ed Brouwer, secretary of the show, do his clerical work in the booth.

Wayne Feed Co. of Fort Wayne, Ind., in charge of Mr. C. J. (Casey), De Koster of Zeeland, made a very prominent display in a beautifully decorated booth.

Yredeveld Bros. of Zeeland displayed Sure-Flo, newly patented mash feeder. Many poultrymen stamped their O. K. on this new product.

Eikenhout and Sons, of Grand Rapids, displayed a newly patented chick brooder which used charcoal as fuel. Pigeons of the new brooder are a new stove, economy in fuel and a more uniform temperature.

Valley Farms Rabbitry of Lansing, owned by Mr. Calvin, entered the largest string of rabbits and cavies ever on exhibition here. The quality and condition of these animals was outstanding and the variety complete.

Mr. Calvin shows at Ann Arbor and Detroit state fair each year. His entire display is arranged in specially built coops requiring a 2 ton truck to transport them from fair to fair.

Mr. John S. Eaton of Waukazo won first and second displays with pigeons. Several of Mr. Eaton's New York winners were in the exhibit.

The best local display of rabbits was made by Dewey Jansma and John Morley, both of Holland.

The business in all departments of this building was very brisk. Many baby chicks, pullets and breeding stock were sold, as well as doves, pigeons and rabbits.

The judges urged several of the exhibitors to enter their stock for competition at the state fair, pronouncing the local stock entered as outstanding. The judges in the different departments were Prof. Hannah of Michigan State College and Mr. E. C. Foreman and Jim Links.

ALLEGAN COUNTY ROADS
DONE IN RECORD TIME

Part of the art hall at the fair this morning was always, in the past, the Department J. with household dairy, etc., presided over by Mrs. P. A. Root and Mrs. Lawyer of Holland.

This department is filled with canned fruit and jellies, all sorts of breads, fast food, different kinds of cakes and pies are stacked high and every imaginable fruit in cans is pyramided and made attractive to the eye.

Another attraction is Department K, women's work, in which Mrs. A. Harris holds sway. The department is filled with household dairy, etc., presided over by Mrs. P. A. Root and Mrs. Lawyer of Holland.

CAR THIEF IS
SOON CAPTURED

Within ten hours after a Ford sedan had been stolen from a Zeeland man who had parked it near Lakewood Farm, the sheriff's office had the car in their position and the thief on the way to the county jail. The car, a 1925 model, which was almost as good as new, was the property of Martin Sterken of Zeeland. It was stolen Tuesday afternoon about three o'clock. The sheriff was notified about six o'clock and he got the telephone busy.

Very early the next morning the Kalamazoo officers had the thief and the car and they notified Sheriff Kamferbeck, who, with a deputy, went after the man and brought him to the county jail in Grand Haven. He is a navy deserter and will be turned over to the naval authorities. The car was unharmed except that the spare tire had been sold for gasoline.

SAY MAN CONFESSES
HE MADE BAD MONEY

Muskegon police detectives, with the assistance of Albin G. Straight, former state public safety department commissioner, and now an operative of the federal department of justice, this morning obtained a confession from William Crisler, 39, charged with making counterfeit half-dollars. Apparatus for making the bad money has been found.

Two men said to be accomplices Myron Benedict and Lee Todd, were arrested last week and demanded examination.

Congressman Carl F. Mapes and Postmaster Robert G. Hill, of Grand Rapids were in the city calling on friends—Grand Haven Tribune.

Mrs. A. M. Galentine was called to Greenville Sunday owing to the sudden illness of her mother, Mrs. W. D. Sanders.

Charles Rozema of Holland paid \$10 in Grand Rapids traffic court for going 40 miles an hour.

GOVERNOR GETS
OVIATION AT THE
HOLLAND FAIR

G. J. Diekema introduced three other prominent men to fair patrons attending Wednesday's show. Mr. Diekema, former Senator Wm. Alden Smith, George F. Getz of Lakewood and Governor Fred Green were conducted to the platform by the president of the fair, Austin Harrington, and the loud speaker conveyed their respective messages to an audience that crowded the grandstand.

Mr. Diekema introduced Mr. Smith as the father of Holland harbor, and Mr. Smith in a sentence acknowledged the introduction and stated he always liked to mingle with the Holland folks. Mr. Smith was greeted with a prolonged round of applause.

Mr. Diekema next introduced Mr. George F. Getz as the biggest-hearted man in Holland and the crowd immediately responded with a hurrah for the Lakewood Farm owner. He in turn stated that his speech would be shorter than Mr. Smith's and with a hearty thank you he retired.

Mr. Diekema introduced Governor Fred W. Green with the words, "I like to see big things at big fairs, but I like to see big men at big fairs better. You have before you one of these big men, Governor Fred Green." When Mr. Green stepped forward the entire audience arose and gave him an ovation. With a twinkle in his eye he said he wasn't there to make a political speech or to stop the pleasure of the day but simply to tell them a story. Then he told one to fit the occasion and it brought laughter from his listeners.

Other illustrious guests whom Mr. Diekema introduced from the box in the grandstand were E. D. Stair, owner of the Detroit Free Press, Tom Bigler, head of the Michigan state boxing commission, Fred Chapman, mayor of Ionia, and Judge Oren S. Cross, who really didn't need an introduction.

WILL HOLLAND
HAVE A FREE
FAIR IN 1928?

The directors of the fair and Secretary John A. Jendrich were in session Thursday morning after the first day of the fair when reports of the directors in stating that hundreds of men, women and children stole their entrance into the fair. One guard stated that at least 50 passed him and he was unable to cope with the situation. Dykhouse, another fence guard, stated that scores of them got by him. Some he caught and took into the box office to pay. However, one of the worst leaks is on the cemetery side, where rows of cars are parked. How many supposedly honest folks walk thru the cemetery and climb over or crawl under the fence, shielded by automobiles, is difficult to conjecture, although there were a lot of them, according to car owners who saw them sneak from behind the cars.

An unusually bad spot is on Wm. Por's farm joining the racing stables. Mr. Por could not begin to cope with those who trespass on his farm, trample down his produce in the mad rush to climb over the fence to steal admission, and the directors say that the names of a few who went to that extreme to witness an exhibition that is for the public good and is fostered by many citizens who put in their entire time without pay. It is a deliberate steal from a public institution in which the greater part of two counties are interested.

Secretary A. Jendrich stated Thursday morning that Holland might as well have a free fair, save the expense of policing, avoid the annoyance, and prevent the feeling of distrust, such a condition causes. He stated that the cash receipts at the fair the first day were less than last year, although the grandstand returns were higher and the crowd appeared larger. He says the cause for this seems evident.

In at least two instances entire families were caught red-handed sneaking thru a hole under the fence. The woman came first, then a few children and the head of the house last.

Another thing that disgusted Secretary A. Jendrich Thursday was the fact that several farmers allowed automobiles to park on their farms adjoining the fair grounds, charging a small admission. At least part of the fireworks can be seen that way but the long program in front of the grandstand is not visible. Mr. A. Jendrich stated that, all the same, it does not show a public spirit on the part of those who use this means to see the show nor on the part of those who admit them to the fair by charging a small admission price.

Mr. A. Jendrich sarcastically stated that he soon expects an influx of conscience money and he hopes it will be large enough to at least pay the damages done on Mr. Wm. Por's farm.

BURGLARS FLEE
UNDER FIRE

An attempted safe robbery in the office of the Fennville Lumber Co. at Fennville was frustrated Wednesday night when two youths were observed operating upon the safe and then escaped in a fusillade of shots in a running gun battle.

The night watchman, Frank Shann, seeing the young fellows at work, called for help and narrowly escaped being hit when the burglars fired at him in return. Shann enlisted the assistance of Kenneth Johnson, taxi driver, and the two pursued the burglars finally got away from both motorists, none evidently striking its objective.

Burglar tools were discovered beside the safe Thursday morning. Nothing was taken by the burglars, however, according to James Micken, lumber company proprietor.

Mr. and Mrs. George Walcotten and Mr. and Mrs. Bob Moore of Kalamazoo were guests of Mr. and Mrs. Milton L. Hinga, 356 Central Ave., Sunday.

F.A.R. OFFICIALS
ARE PLEASED WITH
GATE RECEIPTS

The Holland fair directors are unusually elated over the liberal patronage that the Community fair has been receiving. Although no definite figures can be given at this time, Secretary A. Jendrich states that Thursday's gate receipts passed all previous records and grandstand and bleachers were also packed afternoon and evening.

There never was a day in local fair history when so many gathered on the grounds as Thursday. Wednesday's receipts were a trifle less than last year but this deficit was more than made up on Thursday.

The officials of the fair claim that had there not been so many fence jumpers who stole their way in Wednesday, the receipts would have been even larger than last year, for the crowd was not lacking.

The weather was all that could be asked. The weather man has been very good to Holland; not a drop of rain fell while the exhibition was in progress, and with the exception of a few clouds in the evening, Thursday afternoon, the skies have been clear for the three days of the fair and the temperature ideal.

After the fair is over the treasurer, Mr. Benjamin Brouwer, will compile a comparative statement as he has done each year showing the exact attendance and the receipts at the gate and grandstand.

Every available foot of room was taken up in the grounds by parked automobiles and several hundred had to be left outside of the gate on the street.

The Holland Community fair of 1927 has been a success from every angle, financially as well as otherwise.

SOLOMON'S WISE CHOICE

LESSON TEXT—1 Kings 3:1-15.
OLDEN TEXT—Happy is the
man that catcheth understanding.
PRIMARY TOPIC—Solomon's Wise
Choice.
UNIOR TOPIC—A Young Man's
Choice.
INTERMEDIATE AND SENIOR
TOPIC—Choosing Things Worth
Life.
YOUNG PEOPLE AND ADULT
TOPIC—The Best Things in Life.

Following the death of David,
Solomon was crowned king (1 Kings
1:30). David had failed to show
people who should be king after
him (1 Kings 1:6). Though an old man,
he stirred into action by the
shamed appeals of Bathsheba and
her son. He immediately sent for
three—Zadok, Nathan
Beniah, and commanded them
to anoint Solomon king.

God's Gracious Offer (vv. 4, 5).
Solomon made a lavish sacrifice
to the Lord. The magnitude of the
sacrifice shows that he had strong
impulses toward God and that he
was unwilling to hold anything
back from God. Following the sacri-
fice, the Lord made to him this
gracious offer. This offer was not
on the basis that the Lord cared
for the number of animals, but the
attitude of the man's heart toward
Him. "Ask what I shall give thee,"
placed very wide possibilities be-
fore the king. God, as it were,
signed blank checks and turned
them over to Solomon to fill in any
amount that his heart desired.
This was not a reckless act on the
part of God, for He foreknew what
was in Solomon's heart to ask.
This offer to Solomon is no excep-
tional one, for opportunities equal-
ly limitless are placed before us.
God is saying to every one of His
children, "Ask and it shall be given
you." The matter with its limita-
tions is placed before us in John
15:7. "If ye abide in Me and My
words abide in you, ye shall ask
what ye will, and it shall be done
unto you." These unlimited offers
are open to those who abide in
Christ and let His words abide in
them.

II. Solomon's Wise Choice (vv.
6-9).
The Lord's gracious offer brought
the king face to face with the
responsibility of making a choice.
There was no middle course open
to him. God deals with all His
children in such a way that a
choice must be made by them. So-
lomon was keenly aware of the dif-
ficulty and responsibility of his po-
sition. David was a great king. For
a young man to take up the work
of an illustrious father and push
it to completion is a most difficult
task. Comparatively few ever suc-
ceed. Besides this, he had to deal
with the disturbing elements which
had been set in motion by the
usurper, Adonijah. Being made to
shoulder so great a responsibility
so suddenly, brought him to keenly
feel his insufficiency. In his reply
to God he pleaded that his being
king was not of his own choice
but an act of God's loving kindness.
He argued that, since God had
made him king, he was bound to
qualify him to fill the place. All
who have been called to God to fill
positions of honor and trust can
surely exercise that same boldness
of faith. When called to positions
of honor and trust we should hum-
bly present ourselves before God
for help. To feel ourselves un-
worthy and unfit for great and
responsible work and to cast our-
selves upon God for help is not
warding, but a good sign that we
all not fail at the critical mo-
ment. Solomon's object in asking
for wisdom was not for display but
for the good of others.

III. God's Unstinted Gift (vv.
10-15).
Solomon's speech pleased the
Lord. God gave him more than he
asked. Because he put wisdom
first, God said that he could be
trusted with material good also.
First saw the same thing when
he said, "Seek ye first the kingdom
of God, and His righteousness; and
these things shall be added unto
you" (Matt. 6:33). He who puts
God and spiritual things first in
his life and importance can be trusted
with temporal things. That which
he had promised him above what he
asked was riches, honor and length
of days. All who feel the lack
of wisdom can go to God with con-
fidence (Jas. 1:5). God blessed
Solomon with a singularly compre-
hensive mind (1 Kings 5:23-34).
He was a botanist, zoologist, archi-
tect, poet and moral philosopher.

IV. Engagement Is
Announced At
Long Is. Home

A copy of the New York Herald
brought recent date has been re-
ceived in Holland containing a dou-
column cut on the society page of
Gerardine Sorensen and with it
announcement of her engage-
ment to Mr. Gerald J. Bosch, son
of Mr. Mayor and Mrs. N. Bosch, West
H street. The engagement, accord-
ing to the New York paper, was
announced at an engagement party
at the Long Island estate of
Mrs. Sorensen's mother, Mrs. Char-
les E. Sorensen, Douglas Manor,
Long Island. Miss Sorensen, pres-
ent, and general manager of the C.
Sorensen Company, manufacturer
of hospital equipment and sur-
vival supplies. The New York paper
says of Miss Sorensen as promi-
nent in social circles there. She is a
graduate of Hope college and will con-
tinue her studies here and will re-
turn for the wedding has not been
set.

Mr. Bosch has for a number of years
been secretary of the Western Ma-
chine Tool Works. He is one of Hol-
land's prominent young business
men.

THE ANSWER TO AN
ANCIENT QUESTION

GEORGE GETZ TO LEAVE SOON ON AFRICAN HUNT

Holland will see no more of George
Getz of Lakewood Farm, until next
spring. Holland's friend, who is now
promoting the Tunney-Dempsey
fight for Chicago, with his party,
will leave soon for New York and
Europe, then for Africa where they
will hunt game in the jungles.
Mr. Getz has been planning this
trip for a good many years. He will
take with him a movie man and
secure some pictures and practically
everyone in the party will carry a
still camera.

Mr. Getz stated that he is not go-
ing for slaughter but he intends to
trap most of the animals and take a
great many of them back to his Zoo
in Holland.
"Like everything else that Getz does,
this African hunt is organized on a
large scale. In fact it is said that it
will be the biggest expedition that
ever has invaded East Africa. The
"safari"—which is the group name for
an expedition of this sort—will con-
sist not only of his six principals but
also of the safari manager, a white
guide for each of the principals, two
gun bearers and a personal boy for
each, a moving picture camera man
with 15,000 feet of film, and 200
native porters. The usual number of
porters for an expedition of this size
which intends to cover such wide
territory would be 600; but the Getz
expedition has been able to cut this
total by the use of motor cars and
trucks.

The principals in the party, besides
Mr. Getz will be his son, Geo. F.
Getz, Jr.; Dr. Arthur Metz, Chi-
cago surgeon; Harry Vissering, a Chi-
cago capitalist; Rowland Hazard, a
New York capitalist; and Clifford D.
Caldwell, president of the By-Products
Coke corporation of Chicago. The
manager of the safari will be Chris-
toph Schults, who has lived in Tan-
ganyika territory, or old German East
Africa, for thirty years. He has been
Hagenbeck's African agent for twenty
years and holds the only "capturing
license" in Tanganyika.

The party is leaving America on
Sept. 27th with Arusha in Tangan-
yika as its point of rendezvous the
first week in November. It is planned
to spend ten days or two weeks in
the foot-hills around Kilimanjaro
to Ngorongoro crater. From there
and Mt. Meru, and then go by motor
back via Longido to Nairobi and on
to the so-called "lion country." The
"lion country" is located west of the
Serengeti plain and east of Speke gulf
in the south of Lake Victoria. So far
as can be ascertained, the only pass-
able motor route to the "lion country"
is from Nairobi. If any route for
motor cars can be found from Ngoron-
goro northwest across the Serengeti
plain, it will save a detour of about
400 miles.

Ngorongoro is an extinct volcano
located about 100 miles west of Arusha.
This crater is approximately 1,200
miles long by seven miles wide and
is said to contain more than 100,000
head of game of different kinds, the
largest number of any particular
species being the wildebeest. In that
general section they expect to find
the best specimens of the African
buffalo. After leaving Ngoron-
goro they will go to Longido, where
there are many kinds of antelope, in-
cluding the gerenuk. From Longido
they will go to the lion country made
famous by Stewart Edward White,
in his book, "Lions in the Path." In that
section which is located west of the
Serengeti plain and east of the
southern part of Lake Victoria they
expect to do their principal lion hunt-
ing.

The party will return via Nairobi
and Mombassa in January and ex-
pects to be back in New York the
first week in February. It will be one
of the most important expeditions
of this sort that has entered old
German East Africa in many years.

THIEVES ROB GR. HAVEN STORE

Selfert Brothers suffered a loss of
\$25 or \$30 Wednesday night when
their place of business on Washing-
ton street, Grand Haven, was enter-
ed by thieves and eight full boxes
of cigars and \$190 in change stol-
en. The thieves entered through the
rear window and made their get-
away some time after closing. Mr.
Selfert has no clue to the robber but
is convinced it is someone familiar
with the place and surroundings.
The clerk, Edward part of
the store, had no night
light, and making a clean
getaway. Officers were not
there to be obtained.

SON HELPS SORT MAIL FOR CRIPPLED FATHER

Anson A. Paris, Holland rural let-
ter carrier for 23 years, has returned
from the Pacific coast a cripple. Paris
suffered a sprained ankle in a fall
from an apricot tree in the west and
the automobile in which he and his
family made the trip was driven
home by his son.

Despite his injury Paris reported
for duty Thursday on his route. He
made his route as usual with his son
driving the car, while he distributed
the mail.

Paris left two months ago for the
west when informed of the discovery
of oil wells on both sides of his land,
but no tangible results have devel-
oped.

G. H. MAN'S CAR TURNS TURTLE NEAR HOLLAND

Mr. and Mrs. Fred Keller of Grand
Haven had a narrow escape from very
serious injuries when their car turned
turtel on US-31 about 6 miles
from Holland on Wednesday morning
about 7:00 a. m., as they were on
their way to Chicago.

Mr. Keller was driving a roadster
at a fair rate of speed when he not-
iced a car coming in at a right angle
road. The Ford driver, with no stop,
came into the path of the Keller car
and in order to avoid hitting it head
on, Mr. Keller swerved to the right,
getting off the pavement into loose
gravel and rolling into the ditch
which happened to be wide and deep
at this place. The other driver went
either intentionally leaving the scene
of the accident, or deaf beyond be-
lief, as the severe crash brought
farmers from blocks around to assist
the injured people.

Mrs. Keller was the most seriously
injured suffering a broken right arm
just above the wrist. Mr. Keller was
bruised and scratched and both have
been suffering more or less from
shock.

The car was hauled into a local
garage and Mrs. Keller taken to a
Grand Haven. She was later able to
go to her home.

The damage to the car is consid-
erable as it struck on the side and top.
There was grave danger of the car
catching fire and the occupants were
for a time endangered by fire as well
as other injuries. They crawled out
through a small space caused by the
right wing breaking.

Mr. and Mrs. Keller were starting
on a combined business and pleasure
trip which will be deferred for some
time. The menagerie of incoming drivers
on the main highway is again demon-
strated and shows there could easily
be a vigorous campaign started to
impress the rural driver as well as
the city man the necessity of a com-
plete stop before entering a through
street or highway.

NEW SCHEDULE OF URBAN LINE EFFECTIVE SEPT. 1

The new schedule of the Grand
Rapids, Grand Haven & Muskegon
railway, made necessary by the adop-
tion of motor coaches for auxiliary
service, will be effective Sept. 1, ac-
cording to L. A. Goodrich, traffic
manager. Nineteen interurban trains
and motor coaches will leave Grand
Rapids daily, practically an hourly
service being maintained.

DAUGHTER, 5 SONS, 45 GRANDCHILDREN MOURN MUSKEGON WOMAN, 85

Mrs. John Werkman, age 85, died
Saturday night at her home, 627 Oak
st., Muskegon after a short illness.
She had lived in Muskegon the last
46 years. She was a member of the
Fifth Christian Reformed church.
Surviving are a daughter and five
sons, 30 grand children and 15 great-
grandchildren.

H. O. H. To Resume Meetings Friday

Friday evening, Sept. 2, the H. O. H.
will resume their regular meetings af-
ter four months of vacation. Mem-
bers are requested to attend as the
winter's program will be mapped out
at this time and there will also be
election of officers. The meeting will
be held at the Woman's Literary club.

DATE FOR THE BIG ZONING CONTEST SEPTEMBER 7TH

September seventh has been set by
the common council as the date when
the final battle will take place in re-
gard to the change of classification
in the zoning district east of Maple
avenue between ninth and tenth
streets. This was decided on Tuesday
night by a unanimous vote at a
special meeting of the council called
for this purpose. That meeting last
night was attended by seven alder-
men, just enough to transact busi-
ness.

The meeting was hardly more than
a formality and lasted less than five
minutes, perhaps the shortest coun-
cil session of the year. The alderman
Laeppe moved that the action at the
last regular council meeting in re-
gard to the reclassification matter be
rescinded and that the report of the
special committee that investigated
this matter be adopted. This was
passed by a unanimous vote and
then the council voted to set Sept.
7th as the date of public hearing in
the matter.

At the council meeting last week
the motion to set a hearing was lost.
By the action of the council at the
special meeting last night the stage
is set for the big battle which, all
agree, is in prospect on this question.
That it will be a contest worth
watching seems to be certain. The
parties who want the classification of
that district changed have back of
them a favorable decision from both
the council and the zoning appeal
board. Armed with this they will en-
ter the battle in the hope of finally
securing a favorable verdict after a
contest that has been dragging along
for eight months.

Citizens in that section of the city,
however, are just as determined that
the classification of the district shall
not be changed. They have with them
the two aldermen from the fourth
ward, one of whom was chairman of
the special committee to investigate
it, who brought in a minority report
against it.

HOLLAND GIRL MARRIES SON OF N. J. MINISTER

Tuesday morning at 9 o'clock, be-
fore a beautiful setting of palms and
garden flowers Miss Lucille Elizabeth
Heemstra became the bride of Richard
John Hager, son of Rev. and Mrs. Titus
Hager of Paterson, N. J. The bride's
father officiated at the ceremony
which took place in the parsonage of
the Fourth Reformed church.

Because of the absence of members
of the immediate families, the cere-
mony was a quiet one. Mr. and Mrs.
Titus Hager of Grand Rapids, brother
and sister-in-law of the groom, were
the only attendants.

The bride wore a charming ensem-
ble of dark green transparent velvet,
with shoes, and hose of beige, and
carried a bouquet of roses and wild
sweet peas.

After the wedding party had par-
taken of a wedding breakfast at the
Browning hotel in Grand Rapids, Mr.
and Mrs. Hager left for a honeymoon
trip in the East. They will return to
Holland for a brief time before going to
reside in Ann Arbor, where Mr. Hager
expects to complete his senior year
in the dental college of the University.

Mr. and Mrs. Hager are both grad-
uates of Hope College, their marriage
being the culmination of a college ro-
mance. Mrs. Hager has been teaching
in the East Grand Rapids high school
while Mr. Hager has been studying at
Ann Arbor.

ENTERTAINS AT EAGLE CREST

Mrs. L. L. Kelley, whose cottage
L'Aligon was among the first built in
Eagle Crest Park, has been entertain-
ing friends there these last few weeks.
Dr. and Mrs. E. L. Quinn of Chi-
cago, who are motoring around the
lakes stopped off for a short visit last
week and expressed the opinion that
Eagle Crest Park "was one of the
happiest spots of West Michigan's resort
country."

Dr. J. L. Foley has returned to Chi-
cago after a delightful few weeks,
taking with him his mother and
daughter Mary Frances. However,
Miss Catherine Foley and Masters
James, Leo and Billy Foley, with their
cousin Miss Marie Baggett of St. Louis,
are remaining to enjoy the summer
sports, while they last.

TAKES POSITION IN RELIGIOUS WORK

Miss Claribel Wright, a deaconess
of the Methodist Episcopal church
and a Bible teacher in the Iowa Na-
tional Bible Training School at Des
Moines, Iowa, is spending her vaca-
tion with Miss May Bender at Wau-
kegan. Miss Bernice Wright, who for
the past year has been secretary to
Dr. Clapp at the Drew Theological
Seminary at Madison, N. J., has left
to take the position as secretary in
Grace Methodist church at Des
Moines, Iowa. The Misses Wright are
daughters of Fred Wright of Hol-
land.

HEN GIVES UP JOB, BABY OSTRICH DIES

The baby ostrich, at the municipal
zoo at Grand Rapids hatched
through the united efforts of a goose
and a hen, died when the hen refused
longer to mother the chick. It has
been sent to the museum for mount-
ing.

TEST BRAKES MORE THAN TWO THOUSAND VEHICLES

The brake test conducted by Lieut.
Arm of the Michigan State Police
in and about Grand Haven resulted
in a grand total of 2,975 cars being
tested of which 1,926 were passenger
cars and 206 were commercial vehi-
cles.

Of this number 763 cars were re-
jected as being unfit for the covered
O. K. and 80 commercial cars were
sent to garages to be looked over and
put in shape. Many Holland cars
have the county O. K.

Fennville had a thrill for a few
minutes Monday when the team of F.
W. Robinson, a former living one mile
east of there, broke loose and ran
through the business district, string-
ing the wagon behind. The tongue
broke loose on one side at the post-
office corner and the wagon narrow-
ly missed two cars in making the
next block. Robinson hung on to
the lines and Evelyn Lockman, 9, who
was on the wagon with him, was not
hurt.

FOREST GROVE COW GIVES BIRTH TO TWIN BULLS

James Keizer of Forest Grove
is the owner of twin bull calves
born to one of the Holstein
cows in his dairy herd. The
calves are as large as other
calves of their age and are
growing nicely.

FENNVILLE MAN HELD ON DRUNK DRIVING CHARGE

Lloyd Kizer of Fennville was ar-
rested during homecoming last night
by Deputy Virgil Rhode and is being
held at the Allegan jail on a drunk-
en driving charge.

FRED GORDON OF CROCKERY PASSES AWAY

Fred O. Gordon of Crockery town-
ship died at Nunica Thursday morn-
ing at 5:30 o'clock while visiting his
daughter, Mrs. George Knight. He
suffered a stroke while eating break-
fast Wednesday and never regained
consciousness.

Mr. Gordon was 62 years old and
had lived at the homestead in Crock-
ery since coming there as a young
boy. He has been one of the most
prominent men in the county, hav-
ing served as a supervisor for the
past 20 years, and four years as Ot-
tawa county treasurer. He was a
member of the roads committee and
did much valuable work when US-16
was being made first into a state and
then into a federal highway.

Surviving are his widow and 12
children: Mrs. George Knight of Nun-
ica; Everett, Howard and Alvin Gor-
don of Grand Rapids; Mildred, Robert,
Carol and Richard Gordon of Nunica;
Mrs. Norman Iverson of Chicago;
Mrs. Cecil Baldness of Muske-
gon Heights; Mrs. Archie Eckhoff of
Spring Lake, and Mrs. Elmer Valen-
tine of Northboro, Mass. All the chil-
dren will attend the funeral with the
exception of Mrs. Valentine who
was here making her parents a vis-
it a short time ago.

The funeral was held from the
family home in Crockery, on Satur-
day at 2 p. m., with Rev. A. Meengs
of Spring Lake officiating. Burial was
in the Nunica cemetery.

Miss Isabel Wright, daughter of Mr.
and Mrs. Walton J. Wright, Webster
Groves, Mo., became the bride of
Herold C. Hunt, son of Mr. and Mrs.
George E. Hunt, formerly of Holland,
now of Calvin st., SE., Grand Rapids,
at a pretty ceremony Wednesday af-
ternoon in the Webster Groves Epis-
copal church.

The bride was lovely in a gown of
white satin, her tulle veil caught
with pearls and orange blossoms,
hanging the full length of her train.
She carried an arm bouquet of white
roses and lilies-of-the-valley.
Mrs. E. L. Shrader of St. Louis, as
matron-of-honor, was gowned in

orchid crepe with a hat to match.
Miss Elizabeth Wright, bridesmaid,
wore green crepe and carried brides-
maid's roses. Little Betty Smith of St.
Louis, the flower girl, was pretty in a
frock of pink crepe.
D. E. L. Shrader acted as best man
and Maurice Wright, Jr., and John
Cushing, both of St. Louis, were

ushers.
Out-of-town guests who attended
the ceremony included Mr. and Mrs.
Geo. Hunt of Grand Rapids and Mrs.
Thad Landon and son of Kansas City.
Following the service, a reception
was held at the home of the bride's
parents. The couple will be at home

in St. Louis after Sept. 15.
Herold C. Hunt is a graduate of
Holland high and he was the presi-
dent of his class, was oratorical hon-
ors here and was Holland high school
mayor at one time.
The Hunt family lived for many
years on East 14th Street.

Come and Buy at YOUR OWN PRICES

The gratifying feature of my "buy-at-y o u r-own-price
sale is the number of my friends and customers who have
taken advantage of it. In the crowds who have been visit-
ing the store daily, I recognize several men and women
who have been patrons of mine for ten, twenty and thirty
years. And, of course, many faces were new. It makes me
almost as happy to make new friends as to see old ones.

You'll find this sale mighty interesting. It's in the nature
of an auction sale—you bid as much or as little as you
like for any article you choose. This gives you an oppor-

REMODELING NEW ZEELAND HOSPITAL IS NOW GOING ON

Work on the new hospital for Zeeland is progressing nicely. There has been much study necessary to get the most out of the proposition and the committee now feels they have the situation pretty well in hand, and work on the necessary remodeling will begin at once.

A meeting held this week it was decided to build a new elevator shaft on the outside at the rear of the building running from the basement floor up to the third floor at the top, connecting the four floors by an electrically driven elevator. It was found by the committee doing the planning that the expense of installing the elevator inside of the building would be very great and it would unnecessarily cut up several rooms so badly that it would be unprofitable. By placing the elevator in a new addition it would work out ideally and there would remain very little remodeling to be done.

The Van Zytzmas are still living in their home and will remain for the time being because their occupancy does not interfere with the alterations that are to be made, and their new home has not yet been completed, but they will vacate at any time it becomes necessary.

From now on operations will move rapidly. The elevator is expected to arrive in Zeeland in ten days to two weeks and the installation will be completed before October first. By the time this is done the work of making the other alterations will also have been completed, so that the hospital may be opened on or about October first or soon after. No definite date can now be set, but will be announced later when a public opening day will be held and a program of some kind staged, speeches to be made by prominent hospital men from other cities.

SEA SCOUTS

MAKE A HIT

Some 25 sea scouts in full uniform commanded by Skipper Hyma and Mates Ash and Vos, motored to Fenwick Saturday to participate in the home coming program for that day. Headed by the American Legion band, they were the star attraction during the festivities and came home telling of the royal welcome they received.

The young men put on their several drills and the citizens of Fenwick and visitors were unstinting in their praise of the work done by the Holland boys.

DOE GRAZING WITH COWS CAUSES AUTO JAM ON HIGHWAY

Several autos stopped Sunday to watch a doe calmly grazing with a herd of cattle on US-31 about 10 miles north of Muskegon, creating a small traffic jam. Two workmen coming from their homes in Whitehall to Muskegon were first to report the doe, the foremost south any deer has been reported this year.

A few weeks ago a motorist reported he had run over a doe north of Shelby.

HOLLAND CLASSIS

HOLDS MEETING

The classis of Holland of the Christian Reformed church met in the Ninth Street church on Tuesday and held an all-day session. The question of the advisability of the classis calling a missionary was discussed at length and it was finally decided to defer action until the next meeting of the classis. The sessions were well attended, many visitors being present, among them, seven ministers from outside of the classis. Rev. R. Posthumus of Pine Creek was named president and Rev. Samuel Poppa secretary.

STAGE SURPRISE

FOR COUPLE HERE

Mr. and Mrs. Harm Johnson were successfully surprised at their home at No. 1 East 19th street on Wednesday evening by a large number of relatives. They were in honor of their recent marriage. Mrs. Johnson before her marriage was Mrs. Sena Bos.

A delicious three course supper was served and a very good time was enjoyed by all. Arrangements were made for the annual B. Johnson family reunion to be held next summer, of which Mr. Albert Johnson of Zeeland is president and Miss Maggie Johnson as secretary-treasurer.

Those present on this happy occasion, besides Mr. and Mrs. Harm Johnson, were: Mr. and Mrs. John Haze-kamp and Mr. and Mrs. Henry Johnson of Hamilton, Mr. and Mrs. Charles H. Kerkhof of Allegan, Mrs. Jennie Rice and Mr. and Mrs. Ben Elnde of Holland, and Mr. and Mrs. Albert Johnson of Zeeland.

WILL HOLD AN

ANNUAL MEET

The association called "The Old New Richmond" was formed when about one hundred and fifty people, most of whom are at present or have been at some former period residents of New Richmond, ate pot luck dinner together at the county park and decided to meet annually for a renewal of friendships. The following officers were chosen: President, Mrs. Elmer Schaefer, Fenwick; Secretary, Mrs. Ida Sherman, of Pullman; Treasurer, Mrs. Willard of New Richmond. A day long to be remembered was enjoyed.

COUNTY S. S.

TO MEET HERE

The Ottawa County Sunday School association will hold its annual convention in Holland, Oct. 4. Day sessions will be held in First Reformed church and the evening session in Carnegie hall will be featured with an address by Dr. Rice of Detroit and a program directed by Miss Henrietta Warshawski of Holland. Speakers will include Rev. John E. Kuizenga, president of Western Theological Seminary; Rev. William Masselink of Holland; Rev. J. C. Willits, former president of the Michigan State Sunday School association, and department conference.

BOLHUIS COMPANY GETS CONTRACT FOR SCHOOL

The Bolhuis Lumber & Manufacturing Co. was given the contract for the new \$25,000 school to be erected at Virginia Park. White Bros. received the contract for the electric lighting. Aid. Wm. Thompson was awarded the plumbing contract. The school board will re-advertise for the heating job. J. Vanden Borgert of Grand Rapids is the architect.

Rural Boy Kills

Five Rattlesnakes

Gerrit Hoving, living near Lakewood Farm, killed his fifth rattlesnake of the year Saturday morning. He was walking in the fields back of the barn when he nearly stepped on the coiled reptile. He stunned it with a fish pole he was carrying and then ran to the barn and got an ax with which he chopped off the rattler's head. The snake had six rattles. Young Hoving has a total of five snakes killed this year. The others he killed with a shotgun.

KNITTING MILLS

STORE MANAGER

GOES TO TOLEDO

Clifford A. Storrs, who for the past six months has successfully conducted the Knitting Mills store in the Walsh Block on East 8th street, will leave Wednesday for Toledo, Ohio, where the company is opening a new place of business, the first in that state.

Mr. Storrs has made a great many friends in Holland during his stay

CLIFFORD A. STORRS

here and states that he regrets to leave as he considers this city one of the most beautiful and best located towns he has been in.

He says, however, that a good opportunity has opened up in Toledo with a large new store, and for that reason he has seriously considered the question for some time.

Mr. James Taylor comes from Bay City where the Knitting Mills have their factory and he is already in charge of the Holland establishment. The manufacturers of knit goods have 25 stores in Michigan. Those nearest Holland are at Grand Rapids and South Haven. Mr. Thompson opened the first store here 14 months ago and then was promoted to a larger store in the city of Grand Rapids.

COMMON COUNCIL

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Kammeraad, Aids. Drinkwater, Laepple, Hyma, McLean, Thompson, Van Zanten and Visser, and the Clerk.

Devotions were conducted by Rev. D. Zwiers.

The minutes of the last meeting were read and approved.

Petitions and Accounts

Louis Padnos petitioned for license to engage in the business of junk dealer at 190 E. 8th St., and presented bond as required with Otto P. Kramer and R. W. Tardiff as sureties.

Granted.

B. H. Lieveens petitioned for license to conduct a bowling alley at 215 Central Ave., and presented bond as required with Bernard Keefe and G. A. Stegeman as sureties.

Referred to the License Committee.

Chris Korose petitioned for license to engage in the business of conducting a bowling alley at 11 W. 8th St., and presented bond as required with the Hartford Accident & Indemnity Co. as surety.

Referred to the License Committee.

Billboards and fences, as well as the barns and other structures are blazing forth a message that will be most welcome to the circus-goers throughout this section. The message is that Gentry Bros. shows, famed throughout the world as a leader in tented amusements, will visit Holland on Friday, Sept. 9 at the Holland fair grounds.

Friday bright and early a score of men arrived in the city and the newly painted circus advertising car and before many hours had passed "he approaching visit of the circus had been widely heraded. Since that time the word has been passed around thru the medium of "word mouth" advertising and it's a safe bet to say that this topic is the all absorbing one of the day with the kiddies as well as with the grownups of the city.

Gentry Bros. Shows this season will add thousands of new honors to its already long list as it is presenting a performance said to be unparalleled in circus history. With the big show are the most wonderful aerialists of the age, the nation's foremost gymnasts, and the most remarkable host of athletes, equestrians, and clowns ever carried by Gentry Bros. during their 39 years in the circus world.

This marvel super-show has three rings, two elevated stages, 500 people, 300 horses, 30 clowns, 60 riders, 60 acrobats and is transported on its own special train of double length cars. It

also has the greatest collection of the earth's rarest animals. At 11 a. m. a picturesque street parade will be given. The doors to the immense menagerie opens at 1 and 7 p. m. and the big show performance starts at 2 and 8 p. m.

Gentry Brothers' motto has always been "Quality, Honesty and Clean-

ness" and this season's production is no exception to the time-tested rule. A supreme effort has been made to present an unequalled circus performance. And this effort has met with startling success.

Although space forbids printing the long list of stars with the Gentry Bros. Shows the following well known artists might be mentioned: Cottrell, Powell troupe, World-famed equestrians; McQuine Trio, sensational gymnasts; Trebbore family, daring Mexican equilibrist; Six Nevares, unrivaled acrobats; the Perles Poters, amazing riders; and the Zenar, or, intrepid aerialists from the Royal Circus, Budapest.
