Woltman Pleads Guilty Today In Circuit Court

HOLDS UP NIGHT MAN AT
WARM FRIEND TAVERN
TAKES \$115

Harold Woltman, aged 23, who took a bribe just four weeks ago, pleaded guilty late this afternoon before Judge Fred T. Miles, he being accused of holding up the lobby of Warm Friend Tavern at 4:30 in the morning last Monday. Woltman was a likeable fellow, but desparately hard-up for money it was said. It appears that he covered his face with a towel, and knowing that the lobby was deserted in the early morning, he walked in with his face masked, holding a thirty-two caliber revolver in his hand. George Pardee was at the desk and Calvin Vander Werf, 18 Cherry St., one time editor of the Hope College Anchor, was also near the desk, Calvin being night man at the elevator during the summer. The bandit stepped quickly toward the desk and in rather a crude manner, denoting that he was an amateur, announced that this was a hold-up. He was not even convincing to Vander Werf or Pardee, who first thought it was a hoax, but became aware that the stick-up man was in earnest. Both Pardee and Vander Werf recognized Woltman's voice, since Woltman had been employed at the hotel for some time, part of the time in the "Bier Stube" in the basement and part of the time "checker" in the dining room in the Tavern. Woltman went behind the desk, lifted \$115 from the drawer, which he pocketed. He then directed the two men to proceed down below as far as the door of the "Stube" which he could not enter, suddenly he bolted through a rear exit and disappeared. The police were called immediately and officer Neal Plagenhoef was detailed on the job and landlord Howard Lillard, the manager was also awakened. The two men told of their suspicions and the officers went to the home of Harold Woltman whom they found in bed in his residence at 84 E. 16th Street. The result was the finding of the money in the lavatory and the immediate arrest of young Woltman.

The old style pistol, single shot, which was also found, indicated that Woltman did not intend to hurt anyone through this weapon, since it was not loaded, however, his grand bluff was successful nevertheless. To make the hold-up more convincing he did pull the trigger once but there was no report.

Woltman was arraigned before Justice John Galien and was bound over to Circuit Court for trial, since he could not make a plea in a Justice Court because of the gruesomeness of the offense. After waiting examination he was committed to the Ottawa County jail without bonds.

Woltman is musically inclined and has played in several bands in the city as well as in orchestras and was the leader of Heine's German Band. This is the second robbery at the Tavern within three months. In the early morning of May 25, \$108.45 was stolen and is still an "unsolved mystery." It was expected that Judge Miles would sentence Woltman immediately but the Judge only accepted his plea of guilty and remanded him to the county jail until sentence later. Young Woltman, before his marriage, lived on W. 15th St., however, his mother passed away recently and his father, a Spanish War Veteran, has been in a government hospital for the last four years.

Rev. J. Lansing, pastor of Immanuel church in the armory will give his farewell message on Sunday leaving next week for his new field of labor in La Salle, Ill.

The Rev. Eugene Flipse of Douglaston, N. Y. will give a stereoscopic lecture on his trip to the Netherlands this evening at 8 o'clock in the Union Chapel, at Central Park.

Mr. and Mrs. George Schuiling returned to Holland from a week's trip. They toured in Canada, New York state, Pennsylvania and Ohio. They were accompanied by their daughter and grandson, Mrs. Kenneth R. Sandy and Kenneth, Jr., of Flint. They covered more than 1,100 miles.

Seventh Reformed church will hold its annual congregational and Sunday school picnic, Saturday afternoon, in the Zealand City park. Trucks and cars will leave the church on West 14th St. at 1:30 p.m. and all those who have no transportation of their own are asked to be at the church at that time. A basket supper will be served and coffee will be furnished.

Members of the Welcome Corner Sunday school class of the First Methodist church and their families will hold a hamburger fry and wieners roast this evening at the south end of the oval at Ottawa Beach. Families were to bring their own cars. Cars will leave the church at 6:30 o'clock.

Mrs. C. M. McLean and Mrs. J. D. French left Thursday on a ten day trip to Quebec, Canada. They expect to drive to Kingston, Ontario and make the remainder of the trip by boat.

Lakewood Republican Women will have an "on-to-victory" meeting at the home of Mrs. John H. Meyerling this afternoon at 2:30. Mrs. Jackson of Jackson will be the speaker.

The Hart and Cooley company will picnic, Saturday, beginning at 9:30 o'clock at Tunnel Park. Sid Jarvis is general chairman.

Council Notes

Mayor Geerlings opened the meeting with prayer with a full number of aldermen present. Mr. Geerlings has just returned from an eastern trip with his family.

Vandenberg Bros. Oil Company intends to move the large windmill station on the Saugatuck road to the new highway at the entrance of the city, in other words, U.S. 31A. The oil station is to be located in the triangle where Michigan Avenue and Washington Blvd. meet. Alderman Prins made a motion to pass the permit, however it will be left to the ordinance committee and the zoning committee to see what alterations will have to be made in the building to comply with fire regulations in the commercial zone.

Tony Dozema together with his grocery has a fine gas service station on Michigan Avenue which has a flood light at night. Since the new Saugatuck highway connects up with that street, Tony would like to have a sign put up so all incoming travel will know where his place of business is. The sign is to be lighted at night, but a fine clump of trees prevented Tony from placing the sign where it would be visible. He now wishes to place it high above the curb and thus save the trees. On a motion of Alderman Vandenberg supported by Alderman Drinkwater the matter was left to the street committee who will bring a report back to the common council.

A petition was sent in signed by twenty property owners who have property on River Avenue between 12th and 17th Street, asking that this part of the street be placed in the commercial zone. Some time ago part of Michigan Avenue, which connects up with River Avenue was placed in the commercial district also, for the reason that the new Saugatuck highway enters into the city at that point and several requests for oil stations were made, some are already built. This section was between 28th and 32nd Street. Alderman De Cook stated that if we rezoned from 12th to 17th Street we should make a thorough job and rezoned the full length of the street and fill the gap between 17th and 28th. The whole matter was left to the Appeal Board and the common council who will meet in joint session. The section that Mr. De Cook wishes to include has some fine residential property and whether many of these would approve a commercial zone is problematical. Mr. De Cook held that there is a great deal of vacant property on that street which would be more saleable were this section placed in a commercial zone, anyway, all property owners will be given a chance to be heard after the hearing is legally published and the property owners notified.

Alderman Steffens of the Ways and Means Committee stated that the request of the ex-soldiers of the Spanish American War could not be complied with. The soldiers ask that the taxes on their homes be exempted, which comes under the state law. It seems the request was made after the taxes had been spread and the books placed in the hands of the state, and if such a request were complied with, the taxes would have to be paid out of the city treasury and the charter does not provide for such an expenditure nor has any provision been made in the city budget for such an amount. Undoubtedly next year this matter will be taken care of earlier. The total amount of taxes on the twelve homes in question is somewhat over \$500.

Alderman Oudemool made a request that a new door be placed in Engine House No. 1 and that the door be made wider to allow the trucks to go in and out with less danger of "mental hazard". The door will be almost square, 11 x 11 feet. The door will cost, for building and installation, \$139.50.

Alderman Damson who was given the task of removing high shrubbery in the curbs at intersections, obscuring vision and consequently the coming of cars or pedestrians stated that he had taken the matter up with the park board and that this board had seen to it that such high shrubbery was either removed or pruned.

Alderman Drinkwater stated that he had received bids for the painting of the voting booth in the fifth Ward and that the bid of Pippel and Zweering whose bid was \$19 be given the contract which was allowed. Voters in the 5th Ward September 15 will enter a picnic and span voting booth when they cast their ballots.

There were several citizens present who were again to make a protest against the Rooks Transfer Company who have large garages on 15th Street where belated trucks are housed. The night noises have been disturbing the residential district and the matter has come to the common council from time to time for the past two years. The property owners did not protest last evening for the reason that Alderman Prins and Alderman Oudemool who have investigated this matter asked that the common council give City Attorney Parsons authority to bring action against the Rooks Transfer Company to stop these noises. It appears that the matter will wind up in court to find out who has the legal right.

John Rooks denied charges that the trucks were creating a disturbance "all night long" and that machinery was being used in the garage for extensive repair work.

Alderman Kalkman presented an invitation extended by Dutch Vander Schel who wants to take "De

YOUTHS CHARGED WITH
STEALING POTATOES AND
CHICKENS IN TOWNSHIP

Howard Hunt, Grand Haven, age 27, was arraigned before Justice Peter Verduin, Grand Haven charged with entering without breaking and stealing 10 chickens from the farm of Clarence Reenders, Grand Haven township. He waived examination and was bound over to circuit court on \$500 bail, which was not furnished. He was remanded to the county jail.

Duwin Sherwood, age 24, Ferrysburg, charged with the larceny of six bushels of potatoes from the farm of Fred Beekman was arraigned at the same time and pleaded guilty. He was fined \$500 and costs of \$6.30 which he paid and was released.

The arrest of the two men was made by Sheriff Ben Rosema yesterday when complaint was made by Fred Beekman, William Beekman a son of the complainant discovered Duwin Sherwood digging potatoes on his father's farm. When asked what he was doing he said he had been hired by an unknown man in Grand Haven to dig potatoes at \$1.00 a day.

When Sheriff Ben Rosema arrived to investigate he found there apparently had been two men digging the potatoes while the Beekman family was in Ionia attending a county fair. There were tracks of a pair of shoes and a pair of rubbers. Potatoes forks and pails found were the means of tracing the equipment as belonging to the arrest of Hunt who had been employed on the Reenders farm.

Sherwood admitted to the officers that he and Hunt had laid plans to steal the potatoes at some time when the Beekman family was away and that they were to sell the potatoes valued at \$9.00 in Grand Haven or Holland Sheriff Rosema stated.

The man will appear before Judge Fred T. Miles in Circuit court when-ever directed by the judge.

BUSINESS INSTITUTE BRINGS RESULTS

Elsewhere in this issue will be found an announcement which shows the graduates of the Business Institute that have been able to get positions with very reliable Holland and Zealand firms. The names of the firms and the young ladies and men who have received positions with them are listed in this announcement of the Holland Business Institute in the Peter's block on 8th Street and Central Avenue.

Mrs. E. De Vries is in charge of the secretarial department of the institution and Albert Hoeksema, long identified with business college work is in charge of the accounting. Many of these graduates are well known in the city and the firms are leading enterprises.

The Michigan Gas and Electric company here will hold an annual picnic outing at Allegan county park, Friday afternoon. About 60 are expected for the program of ball games and sport contests which will begin at noon.

Rev. C. J. Tarvestad of the Bible Witness Hall of Zealand will speak at the open air services in Hamilton on Saturday night on the subject, "The Unpardonable Sin, Who Can Commit It?"

Burgmaster and "De Stadt Raad" for a boat ride in the large and palatial yacht next Tuesday evening at 7 o'clock. The city fathers unanimously accepted the "bid" "with pleasure", and after that they will disembark at Kollens dock and listen to the Band Concert in the park. Quite an evenings' program.

License committee through Alderman Huyser presented the form of the ballot that will be submitted to the voters on the liquor question at the primary election September 15. The ballot will have in substance, as follows: "Do you favor action by the Common Council of the City of Holland to prohibit the sale of intoxicating liquor (including beer) for consumption on the premises in the city of Holland on Sunday?"

() Yes.
() No.

The Michigan Gas & Electric Company filed its usually good report with the Common Council and it was referred to the Board of Public Works.

On a motion of Alderman Steffens, supported by Alderman Damson, the following election inspectors were named to handle the September 15 primary, 1st Ward, Dick Brandt; 2nd Ward, John Woltman; 3rd Ward, Peter Brusse; 4th Ward, Wm. Lawrence; 5th Ward, 1st Prec., Geo. W. Deur; 2nd Prec., Jac. Vander Ploeg; 6th Ward, Herman Steggerda.

Isaac Kouw, local real estate dealer made an application for a permit to erect a gasoline filling station on the southwest corner of River Avenue and 10th Street directly north of the Colonial Theatre. The Board of Appeals in its report said they had given careful consideration to the request of Mr. Kouw, and stated, that because this new station would be located where large crowds pass, augmented by a throng of people coming at one time from the theatre at intervals that this would create a traffic hazard at that particular corner, and would impair the public safety, and for this and other legitimate reasons they stated that the recommendation was not approved.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

The "Red Cedar Craze" has come to a standstill. The Macatawa Park authorities have forbidden the removal of any timber from the grounds. The "craze" was so bad that green trees were destroyed to obtain even a semblance of the wood. Note: There was considerable "red cedar" in the dense forest in the Macatawa district as far south as Castle Park only Castle Park was not in existence then. There were also Indian trails to Kelley's and Goshorn lakes and the legend has it that Kelley's lake had no bottom and that there was a subterranean passage from it to Lake Michigan. Castle Park was always steeped in Legends—Indian and otherwise.

But we are digressing, for we are talking of "red cedar." Well, this rare wood was used much by the Indians here. They made ornaments from it. The later offenders, however, were Holland and Grand Rapids folks who raided the woods to get the rare wood from which they fashioned red cedar canes. The writer at one time had a cedar cane and these canes were highly prized a half century ago. The wood is soft—fine for carving—and has a reddish, cloudy glow. Anywhere there was so great a demand for red cedar that the park association shut down on the cutting of any more trees or shrubs growing on their possessions. Mr. Dutton, grandfather of Charles Karr of this city, was the custodian of the park at that time.

Rev. Albert Oltmans of Grand Rapids, a graduate from Hope college and seminary, who is soon to depart as a missionary of the Reformed Church to Japan, will speak on missions on Tuesday evening, Aug. 17, at 7:30 P. M., 1886, in Third Reformed church. All are cordially invited to attend and listen to the fine young man who is to preach and teach the gospel in that far away and strange country. Note: Dr. Oltmans is still in Japan carrying on this fine work—beyond a half century ago. His efforts have been augmented largely by the work of his family circle. They have been brave men and women and Dr. Oltmans who, on his furlough, spends much of his time in Holland and vicinity, can be congratulated on the "golden anniversary" of his missionary career.

Surf bathing has been largely indulged in, in the past week at Macatawa beach on Lake Michigan. As high as 200 were counted at one time. Note: How our parks and beaches have grown since that time. Fifty years ago "The Park" or "The Mouth," as the only recreational spot was called, was the only available bathing beach in this vicinity. Today more than a million folks bathe and recreate at Ottawa beach alone, only one of a score of beaches in this vicinity. Macatawa will always be popular but when it comes to bathing beaches today these extend beyond Castle Park to the south and Port Sheldon to the north, a distance of 13 miles—enough water to bathe the nation. And what a beach!

TWENTY-FIVE YEARS AGO TODAY

Judge Edward P. Kirby, Judge of Probate, rescued Miss Ruth Carpenter of Grand Haven, who he noticed was being taken out by an undertow. She was bathing in the heavy surf with a launch cushion as support. Miss Carpenter was soon aware that she was going beyond her depth and screamed for aid. Mr. Kirby noticed her plight from his Indian village cottage and jumped into the surf with difficulty. He got to Miss Carpenter, told her to remain on the life preserver cushion but to take hold of the stern of the craft. Thus he soon hauled her to shore and to safety. Two men in a canoe attempted a rescue but the breakers upset the small boat almost instantly.

The pavement on Central Ave. is nearly completed, giving Holland another fine hard surface road. Note: Today, 25 years later, Holland is nearly 100 per cent paved.

Herbert Clark conducted the grand band of 1500 musicians in a concert in the University stadium.

The Shriners came home through Montana and Glacier National Park. "There are so many abandoned homesteads in Montana that it seems almost tragic," said Damson.

MISS SOLOSTH WILL
WED MR. VANPUTTEN
OF NIAGARA FALLS

Mr. and Mrs. Lars A. Solosth, Francis Ave., S.E., announced the engagement and approaching marriage of their daughter, Thelma, to Robert W. VanPutten of Niagara Falls, N. Y., at a luncheon Saturday afternoon in Holland Country club. The wedding will be an event of October.

Pictures of the two young people on small hearts at each guest's place carried the news of the betrothal. The hearts were attached to small airplanes connected by long streamers to a silver airplane which hung above the table.

Silver engraved thistle cards, brought from Edinburgh by Miss Solosth on her trip abroad this summer, marked places for the Misses Thelma O'Neal, Karen Solosth, Marian DeJonge, Virginia Elenbaas, Margaret Snyder, Helen Actor and the Mesdames John Van Putten, Austin Van Ostendorf, Raymond Scully, Alfred Collier, Russell Van Putten and Ivan Whan.

Following the luncheon the guests were entertained at the Solosth cottage on Lake Michigan, where tea was served. Mrs. Solosth and her daughters have recently returned from a trip to Europe. This is the second voyage across the Atlantic recently. Mrs. Solosth, formerly Miss Kate Kuite of Holland, was at one time one of the Holland City News staff.

Mayor Breaks Tie At Common Council Meet

KATHERINE SERMAS SPEAKS
BEFORE CITY FATHERS
GETS LIQUOR LICENSE
BACK

Mrs. Katherine Sermas made a modest telling little speech in her own behalf before the Common Council last evening. It appears that someone in charge had hired a girl waitress a trifle under age, and arrest was made by state authorities and the caretaker of the place was fined by the authorities the sum of \$45. The common council hearing of this fact revoked the license of Mrs. Sermas. The case has been in committee for some time and a special meeting was also held, but no agreement could be reached. Mrs. Sermas claimed that at the time this arrest was made she was not the proprietor of the place and that the license was not in her name but in the name of the late A. I. Bickford, who had died a year before.

Mrs. Sermas said in part, "I feel that you honorable gentlemen have done me an injustice. I have been found guilty of misdemeanor and paid a fine, it was stated, but this was far from the truth. The offense occurred in February and I did not take over the Vogue Coffee Shop until May. At the time the charge was made, my husband was operating the place for the late A. I. Bickford. At the time of the hearing the official in charge did not hold me responsible for the alleged misdemeanor. I feel that a grave injustice has been done me in revoking my license and I kindly ask you that you reconsider your action of a previous meeting and return my beer license for the Vogue Coffee Shop."

Mr. Geerlings then asked the Aldermen as to what course they wished to proceed and the motion was made to vote on the resolution that was under discussion at the previous special meeting, which would indicate that the aldermen had not taken any action and were not fully cognizant of the facts. The resolution which carried by an 8 to 4 vote follows:

"Whereas at a regular meeting of the common council of the city of Holland a resolution was adopted requesting the liquor control commission to revoke the beer license of one Katherine Sermas, doing business at No. 205 River Ave. in said city under the name of Vogue Coffee shop, and,

"Whereas, the common council is now advised that said resolution was passed under misapprehension of the facts in said case, and without correct information, now, therefore,

"Be it resolved, that the common council hereby rescinds its action as embodied in said resolution above mentioned, wherein and whereby said liquor control commission was requested to revoke the said beer license of said Katherine Sermas, and,

"Be it further resolved, said liquor control commission is hereby requested to rescind its action revoking said license, or to take such other action to restore the same as may be in accordance with the rules and regulations of said commission, and,

"Be it further resolved, that the city clerk forthwith notify the liquor control commission of passage of this resolution by forwarding to the office of said commission a certified copy thereof."

The vote on this resolution was as follows: Yes—Aldermen Prins, Drinkwater, Steffens, Damson, Huyser, Bultman, Vogelzang, Smith; No—Vander Lune, Kalkman, Oudemool, De Cook.

The Vogue Shop already has its license back and is already selling beer as approved by the Council, Wednesday.

Another matter that took up considerable time and of which the Mayor broke a tie vote, was the stipulation under which the Associated Truck Lines will build their new depot and warehouse on the site of the old one burned two years ago at the foot of Pine Avenue. Paul Scholten, representing the Company asked that walls be eight inches wide instead of twelve inches according to the ordinance, the building being in the fire zone. Mr. Scholten stated that an eight inch wall was ample since the supports to the roof would be constructed of twelve inch pilasters, and the building would be strengthened by steel beams. He said the walls could be considered more as a partition wall since it is not intended to support weight. There was plenty of opposition to this proposal and City Atty. Parsons was called upon for his opinion.

He stated that the wording of the ordinance made it so it wouldn't "hold water", in fact, his opinion was ambiguous and to make sure that he was right, he consulted Prosecuting Atty. DeHemmers and Atty. Clarence Lokker, who after reading the law, got the same reaction. Mr. Parsons contended that he did not feel as if he wanted to go into court with a law so vague, and he suggested that the Ordinance Committee redraft certain paragraphs in the ordinance that were plain and conclusive. Mr. Parsons stated the Building Inspector Blom and City Engineer Zuidema had interpreted the ordinance to mean that any building in the fire district regardless whether it would be one or more stories were governed by the ordinance, which is twelve inches.

Alderman De Cook when informed that the ordinance had been interpreted as requiring a twelve inch wall for the building, stated that the Council should follow the rule that it followed before and not allow one to have the privilege, and enforce the ordinance on another. Alderman Drinkwater agreed with Mr. De Cook and asked City Eng. Zuidema to give his version. Mr. Zuidema, being in doubt, was referred to the Mayor.

The council also approved in part an agreement in settlement of rent claims on and repair of the Knickerbocker fraternity property. Under the terms of the agreement as presented by Vernon Ten Cate, the city will receive \$200 in "full settlement of all rent claims," and will use the money in painting and decorating the interior of the old hospital building. The city will also repair the tunnel and insulate it to cut heat loss and effect other repairs to lower the heating expense. The fraternity will continue to pay \$40 a month rental, with the provision that a 60-day notice be given for a change of terms. It is also agreed that the city do such repairing as is deemed wise for the outside, but not to be paid for out of the \$200 rent settlement.

The city would not agree to a provision whereby it was to furnish a fireman and also coal at the cost price to the city.

The proposal, with this exception, was accepted upon vote of a motion by Alderman Prins, seconded by Alderman Bultman.

The Hope College Knickerbocker Club also heats the Childs' Clinic to the south of it. The building at one time was the beautiful home of the late Dr. and Mrs. Henry Kremers.

LET HOLLAND STOP THIS CUTOUT NOISE

(Grand Haven Tribune)

Annoyance from motorcycleists operating cycles with cutouts open was checked yesterday when Chief Lawrence DeWitt arrested three young men from Muskegon Heights.

Herbert Hislop, 21, was arraigned before Peter Verduin, charged with the above offense and rather than pay the fine of \$5.00 and costs took a jail sentence of five days. The other two have not appeared.

Chief DeWitt says he is determined to impress motorcycleists that undue noise from these machines will not be tolerated in this city.

REV. MEREDITH REMAINS IN HOLLAND

The name of the Rev. C. W. Meredith, pastor of the Holland Wesleyan Methodist church, was included in the list of appointments made at the annual state conference of the Wesleyan Methodist church at Hastings Saturday.

In addition to the appointment of Rev. Meredith here, other appointments included: Rev. Sander Kleis, Allegan; Rev. D. J. Backa, Berlin; and Rev. F. E. Denmore, Tallmadge.

BRUCKER WAS UNABLE TO SPEAK IN HOLLAND

Former Governor Wilbur Brucker was unable to speak Wednesday noon on the steps of the Masonic Temple, since just before he was to appear, a driving rain started and naturally it was impossible to give the talk he intended to. No one thought of making provisions for a hall, since rain has been so uncommon that a down-pour was not even thought of.

Brucker, however, held a reception at Warm Friend Tavern and many of the leading Republicans sat down and had lunch with him. He also visited Senator Vandenberg, who is at Lakewood Farm. Late in the afternoon he motored to Hart, Michigan for a night speech and will speak in Allegan Saturday.

He is running for the U. S. Senate against Senator Cousins.

DR. SAM ZWEMER WRITES ANOTHER BOOK

Dr. Sam Zwemer is in Holland, arriving from Princeton University. He will occupy the pulpit of Third Reformed Church in this city Sunday, and his subject in the morning will be "The Changeless Christ", and in the evening, "Realism in Foreign Missions."

Mr. Zwemer is the guest of his sister, Miss Nellie Zwemer, who for years was a missionary in the Orient. He has now written his 20th book. His latest production is just off the press and is entitled, "The Origin of Religion."

In connection with this book he might say that this volume is being used as a text book in several Seminaries in this nation and that the British edition has also been issued.

Mr. Zwemer has for years been a missionary in Egypt and editor of the "Moslem World" in Cairo. He is today on the faculty of Princeton, teaching History of Religion and Missions.

Alfred C. Joldersma, was succeeded by Lisle H. Alexander, of Northville, as state finance officer of the American Legion at the closing session of the state legion convention in Lansing, Tuesday. Mr. Joldersma did not enter his name for re-election, having served for five years.

lucant in making a decision on what seemed to be a conflicting ruling in the city ordinance. Alderman Prins then asked City Atty. Parsons if the ordinance would "hold water". Mr. Parsons stated that he did not think it would.

When the motion was put to a vote, Alderman Prins, Steffens, Damson, Huyser, Bultman and Vogelzang voted yes, while Alderman Vanderveen, Drinkwater, De Cook, Oudemool and Smith voted no, causing a tie. Mayor Henry Geerlings cast the deciding vote, with the remark, "The motion prevails."

The Associated Truck Lines have already started to build a brick structure at the foot of Pine Avenue in the large open space. It will be a one story building with a solid concrete foundation and will cost between six and seven thousand dollars.

The council also approved in part an agreement in settlement of rent claims on and repair of the Knickerbocker fraternity property. Under the terms of the agreement as presented by Vernon Ten Cate, the city will receive \$200 in "full settlement of all rent claims," and will use the money in painting and decorating the interior of the old hospital building. The city will also repair the tunnel and insulate it to cut heat loss and effect other repairs to lower the heating expense. The fraternity will continue to pay \$40 a month rental, with the provision that a 60-day notice be given for a change of terms. It is also agreed that the city do such repairing as is deemed wise for the outside, but not to be paid for out of the \$200 rent settlement.

The city would not agree to a provision whereby it was to furnish a fireman and also coal at the cost price to the city.

The proposal, with this exception, was accepted upon vote of a motion by Alderman Prins, seconded by Alderman Bultman.

The Hope College Knickerbocker Club also heats the Childs' Clinic to the south of it. The building at one time was the beautiful home of the late Dr. and Mrs. Henry Kremers.

Fire Burns Up Old Building At City Limits

UNDOUBTEDLY THE TER-
MITES IN THAT OLD BUILD-
ING WERE ALSO BURNED

Shortly after the noon hour Monday, fire broke out in the old Superior Ice House at the west limits of the city at the bend in the road on 16th Street. The fire department responded quickly but the cork-dry lumber in the building was like a tinder box, and within a short time it was like a fiery caldron. Rumors had gone over town that the pickle factory was ablaze, followed by another rumor that the large warehouse and docks of the North and South American were afire. This was far from the truth but, nevertheless, it soon brought a crowd of at least a thousand people, who saw the old ice house go up in smoke in a very short time, not even the foundation remained.

This old building some six years ago was a cause of considerable stir in Holland when it was found that termites were eating up the building. The matter was taken up with the common council and the city clerk was instructed to write to Lansing to find how to cope with this pest, which information was soon forthcoming. Termites are a terrible thing to have in a building and whenever these appear the wood is treated with certain chemicals that kill off the insect, which looks very much like a tremendous white ant. Anyway, if there were any termites left in this old rookery they are pretty well toasted and will do no further harm, however, despite the termites the building was still a solid structure.

There were in reality two ice houses, the first one was built some forty years ago, and was later purchased by Prins brothers. Thirty-one years ago the late Ed Birtch built another ice house to the East and these were connected. This was done after he had purchased the interests of the Prins brothers in the ice business. At that time practically all of Holland's ice was of the natural variety from Black Lake, and during January and February this ice harvesting put several hundred men to work sawing, hauling and packing into the ice house. The cakes of ice were hoisted up a chute generally by horse power and later by wind-lift. The ice houses were nearly eight feet high and were nearly square, eighty-eight by eighty-nine feet to be exact. The building was only partially insured. Since the advent of artificial ice making, Black Lake ice has not been harvested in large quantities. It is still being used however, for certain cooling purposes.

Mr. Naberhuis, of the Superior Ice Company states that the building was remodeled and partially rebuilt fourteen years ago, that originally the structure cost about \$4,000. Today, figuring the depreciation the book value was \$2100, that the insurance amounted to \$700. He stated that because of the rebuilding, the ice houses were still substantial, since the weakened part of the structure stood nearly two score years, which had been strengthened and remade. The Holland fire department was summoned quickly when the alarm was sounded, but at that the blaze had gotten beyond control and the firemen drenched the entire neighborhood to prevent the blaze from spreading, since everything was dried out and combustible because of the weeks of drought.

Rather a coincidence that during the fire of the ice houses Monday, there was another fire at Holland Hospital where a small gas engine started a blaze which was quickly extinguished by chemicals. Fireman Joe Ten Brink immediately answered the first call from Holland Hospital and no sooner had he "rung off" when a call came in from Montello Park advising him of the ice house fire. He quickly got instructions from Chief Blom, who told him to hurry to Holland Hospital. The Chief personally called up the water works asking them to pull box number forty-four. Columbia Company No. 2 with Sam Plamenhoef driving, took the equipment to Montello Park. The latter fire took approximately 1,000 feet of hose to reach the buildings. A strong wind from Lake Macatawa fanned the flames and soon dense smoke arose from the burning building, which was beyond saving. Chief Blom stated that more than 30,000 gallons of water was sent into the blaze by the "pumpers". Trees in the neighborhood

IN BACK TAXES

Second Payments Under Ten-Year Plan Now Due; Total to Set New Record

With the campaign on in every county in Michigan to collect the second installment of taxes due under the ten-year plan, State Treasurer Theodore I. Fry predicted today that the payments will aggregate \$16,000,000.

A sizeable army of taxpayers already has begun marching on the various county treasurers, demanding a "paid" stamp on their bills. Early collection reports all have been good.

"On the basis of our experience a year ago, when the ten-year plan was inaugurated, I have no hesitancy about saying that this year's drive will be a big success," Treasurer Fry said. "I look for collections to top last year's total of \$15,000,000 and to reach possibly \$16,000,000."

"Business conditions are better generally, some individuals have kept their bonus money to pay the tax installment, and an investment in real estate is well worth protecting at this time. I am sure that practically everybody who paid his first installment on back taxes will realize the necessity for keeping up the payments."

"One of the purposes of the campaign is to acquaint those who failed to pay the first installment with the fact that they may still do so, with only a slight extra charge. A third group, who are now financially able to do so, will pay the whole thing up, in this way saving large amounts of interest and clearing the title to their property."

The rush of the public to pay in advance of the September 1 deadline recalls last year's jam at the treasurers' offices. All indications are that again this eleven-hour visitors will have to wait in line and take their turn. Officials point out that those who pay now, not only gain the comfort of knowing that their property is protected, but save themselves this trouble of waiting.

The onslaught of the taxpayers gives visible proof of a thriving public realization that the State of Michigan is offering a bargain. Under the plan, taxes for 1932 and prior years—for state, counties, villages, townships, and all cities except Detroit, which has its own seven-year plan—are lumped and then divided into ten annual payments. All the heavy interest on these old taxes has been cancelled. The next interest amounts to only four per cent per year on each installment, figured from September 1, 1935, when the plan went into effect.

Those who are just starting in and making the two payments, put themselves on an equal footing with the rest, getting another eight years to meet the balance owing.

The ten-year plan, embodied in the Moore-Holbeck Act, was the happy solution of an extremely serious tax problem. Many, many millions of dollars in taxes lay uncollected, and apparently uncollectable on tax rolls. Accumulated for years, the taxes in their net amount were so huge that the property owners, despairing of ever paying the total, refused to pay any one year's delinquent tax. Interest and penalty on the older unpaid taxes ran as

high as 50 and 60 per cent of the original amount, a fact which further discouraged payment.

Government units needed the money which these taxes represented. A tax title sale would have raised funds, but thousands of families would have lost their homes and life savings. Pledging the delinquencies for a good-sized loan was also considered and rejected, because paying back the interest and principal on the loan would just have added that much more of a burden on the already-overburdened property owner.

Then the part-payment idea was evolved.

The state went right to its own property owners for assistance, and made the paying of taxes popular. Of the \$15,000,000 collected last year, about ten per cent went to the state treasury, while the other ninety per cent went into local treasuries.

The \$15,000,000 was actual cash. Through payment of it, \$55,000,000 in taxes was "revived and shifted from dead to active rolls, with collection of the whole amount merely a matter of time."

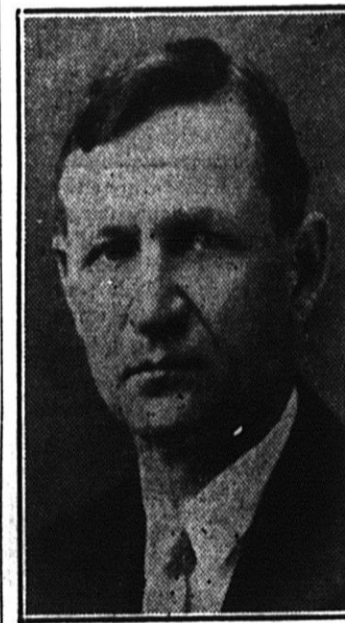

So successful has been Michigan's new method of collecting delinquent taxes that it has commanded nationwide interest.

All county treasurers have the machinery of their offices geared to provide a maximum of service, knowing that the tide of taxpayers will be a rising one right up to the last minute.

The campaign, for which \$27,000 has been appropriated this year, is again being handled by Milton M. Alexander of Detroit.

ALLEGAN COUNTY NEWS

High praise for the army maneuvers as a means of defensive training was expressed by Col. Scott W. Lucas who holds the position of judge advocate with National Guard of Illinois and is attached to 33rd division headquarters at Pearl. Col. Lucas viewed with great satisfaction the work of his division as they went about the tasks of "breaking camp" to go into concealed bivouac preparatory to the advance on Camp Custer. "The training is invaluable," he declared, "and its results are bound to be reflected in increased efficiency of our national guard units. The training the men are receiving is as warlike in character as can possibly be achieved without actual warfare." Col. Lucas also is member of congress from Illinois. "One pleasurable feature of the maneuvers for me personally," he continued, "is the opportunity to visit my colleague, Clare Hoffman. As a Democrat I understand to say that if a Republican is to represent this district it would be difficult to find anyone who would more thoroughly and conscientiously represent his constituents. I have a very high

CLARE E. HOFFMAN

regard for Mr. Hoffman. He is one of the outstanding new members in the house on the Republican side; and while we are on opposite sides of the fence politically, nevertheless I consider him as a man with high qualifications and convictions. No one on either side has ever been in doubt as to his position on legislation and no member ever questioned his sincerity." Col. Lucas emphasized the appreciation of the headquarters staff for the willingness of Allegan county people to co-operate with the visiting troops in making the maneuvers a success. "We have found the country in Michigan to be most interesting and the people extremely friendly and courteous," he commented.

Summer art schools have for several years been busy in Saugatuck and vicinity. There are four of them now. The first was started thirty years ago. The great lake, the dunes, quaint old buildings, the village itself, and the Kalamazoo

river afford subjects in plenty. One of the schools is sponsored by Chicago Art Institute. A gallery is maintained for exhibit of the pictures, many of which also are shown in various cities. Artists are there now from all over the country and there are many able instructors.

Dr. C. C. Corkill of Fennville has sold his profession to a young doctor from Monroe, effective Sept. 1. Dr. Corkill, who has built up a large profession and circle of friends, plans to go to school and specialize in surgery. Mrs. Corkill who is a patient at Pincrest sanitarium, is able to take a few steps each day. The new doctor will occupy the house now occupied by Dr. Corkill.

Funeral services for Mrs. Evaline Hungerford, 75, who died at her home in Saugatuck Saturday, were held Monday morning in Saugatuck and burial was in Spring Lake cemetery. The Rev. Albert Schrock of the All Saints Episcopal church of Saugatuck officiated. Mrs. Hungerford is survived by the husband, Henry Hungerford, a son Wallace, and two grandsons of Saugatuck.

The first reunion of the Pershing school of Overseis, district No. 6, will be held Saturday, Aug. 22, at the Overseis Community grove. A complete program of sports and entertainment has been arranged.

A grass fire Saturday between Greenwoods and Balgoys at Dunningville destroyed some stump fencing and quite a lot of standing hay for Mr. Balgoys before the neighbors with the help of the soldiers could put it out. Monday a second fire in almost the same place was brought under control before much damage was done.

Principal Assistant Chief Engineer Clifford Paine, who is working on the Golden Gate bridge at San Francisco, has joined his family at Fennville to remain a month. Mr. Paine says the project will probably be completed by April.

Mr. and Mrs. John Crane of Fennville are enjoying a visit from their daughter, Mrs. Oscar Pearson of San Pedro, Calif.

Former teachers and pupils of the Overseis school, District No. 6, Allegan county, will hold a reunion Saturday, August 22, beginning at 10 A. M., at the Overseis Community Grove. Free coffee will be furnished for the picnic dinner to be served at noon. A program including sports and baseball has been arranged for the afternoon.

Mrs. Marie Rasmussen, of Fennville, died suddenly at her home, last Friday morning, of a heart attack. She was born in Denmark in July, 1875, and came here 31 years ago. Funeral services were held Sunday from the J. E. Burch funeral home and burial was in Fennville cemetery. Surviving are four children: Chriss of Fennville, Mrs. John Welch of Pullman, Carlo at home and Leonard, a patient at Pine Creek Sanitarium. Two grandchildren and two sisters also survive.

Alma Naberhus, 12, of Holland rural route No. 5, who was seriously injured when she fell on a pitchfork July 24, is said to be improving according to hospital he was handling ignited.

The bullet proof windshield was ordered with the understanding that the same type of glass shall be secured for the other squad later on. Commissioner Fred Kamferbeek, an ardent agitator for the protective glass supported the motion authorizing the purchase. Upon Commissioner Donnelly's recommendation, Jay Dalman was extended the appointment for work as driver for the police squad car while cruising at night. He is to work seven hours per night, seven nights a week. The favorable physical report of Dr. William Weststrate who examined Roland Westway, newly appointed fireman was

The Men's Adult Bible Class led the prayer meeting in the Reformed church on Sunday evening. The meeting was also a Thanksgiving for the much needed rain. Mr. James Koopman acted as chairman. A paper was read by Mr. Henry Rietterink, and the pastor, Rev. H. W. Pyle, gave a short talk. Special music was rendered by a male quartet. The singers were Marinus Mulder, Harry Lampen, Will Slotman and Julius Nyhuia. Mr. and Mrs. George Koopman and family attended the Ionia Fair Wednesday afternoon.

The first reunion of the Overisel District No. 1 school was held on August 11th at the Overisel grove. A basket picnic was enjoyed at noon and coffee was provided at the canteen, where ice cream, candy and cold drinks were also sold. Many old friendships were renewed and reminiscences enjoyed. The program of the afternoon opened with a group of people singing old-time school songs. Prayer and remarks were given by Rev. Pyle, who acted as chairman. The welcome song was sung by seven little girls adorned with rainbow-colored ribbons, and spelling out the word "welcome." Charles Veldhuis.

LOCAL NEWS

Always, when we have a protracted drouth, some scientist (or near such) declares our climate is gradually growing warmer; but such averments are never heard when we have such a winter as the latest one. Of course such a radical change possibly could occur, for it is an established fact that the earth's poles once were warm. It is a queer fact, speaking of the poles, that there is no animal life on land at the south pole but plenty of it at the northern one.

Mr. and Mrs. Gerrit Vander Hill of Holland were Dunningville visitors last week viewing the camps of the soldiers covering most of Dunningville, south of Bear creek. —Allegan Gazette.

Resignations of Clare E. Hoffman and Miss Lelia Boyce from their positions as chairman and secretary respectively of the county Republican committee were received Tuesday by Miss Esther Warner, treasurer of the committee. Mr. Hoffman has served as county chairman since 1916 and Miss Boyce as secretary for the last twelve years. Their passing from these positions in which they have given such faithful and efficient service will be regretted sincerely by their party; but they may be compelled to serve further.—Allegan Gazette.

Trolling for trout on the waters of Lake Michigan behind yachts is a popular pastime among owners of pleasure craft moored on Macatawa bay. Al Beal, owner of the Mohawk, and Bert Gilerest, hauled in a 12-pound beauty while trolling Monday.

Besides being a haven for pleasure craft, Macatawa bay is the home port for two boats used to provide a livelihood for the owners. The two boats are commercial fishing tugs. The tugs are moored at the old Interurban docks, located a short distance east of Jesiek ship yards at Macatawa Park. Harry L. Orr of Holland is operator of one of the two tugs and John and George Verduin of Grand Haven do their fishing from the Mary G. Mr. Orr has had his boat out every other day except Sundays during the sailing season of the past two years. The Verduins have operated out of Holland harbor for the past two months. Fishing from the tugs is done about two miles south and west of the piers on Lake Michigan. Catches are largely chucks, trout and whitefish.

It took an average of 30 tons of ice a day to keep the food that supplies the second army camp area, according to the Superior Ice Com-

pany report made in Holland. The ice company purchased two new trucks for the purpose of supplying the army with the 300-pound cakes used for general refrigeration.

The Holland Rotary club at their meeting in the Warm Friend Tavern, Thursday noon, had as their speaker Leon C. Benedict, assistant managing director of the State Board of Tax Administration, who spoke on the proposed amendment to exempt the food industries from the Michigan sales tax. He pointed out that if this amendment were adopted every other type of merchant could rightly gain exemption from sales tax, charging class legislation. He is of the opinion that the loss of the sales tax to Michigan would put the state back in the red instead of in the black as it is today. Our sales tax on food nets the state from 11 to 12 million dollars every year, Mr. Benedict said. He also pointed out that the sales tax brings more than 1½ million taxpayers who ordinarily would pay no taxes to the state. He enumerated several uses for the tax revenue, including state hospitals, prisons and schools and said all schools in Michigan would be forced to close at least part time if the sales tax were withdrawn. Vaudie Vanderberg, president of the club, introduced Mr. Benedict.

Pony Entrant

Little Walter Rix, 7, of 1143 West Six Mile Rd., Detroit, is the first to enter a pet in the Michigan State Fair pet show. He brought his pony, Ginger, to the Fair Grounds and said he would enter his pet if Ginger were given grazing privileges on the Fair Grounds. The request was granted. Ginger is here shown taking a lump of sugar from Miss Virginia Lyon. The Fair will be held this year Sept. 4 to 13 inclusive.

ALLEGAN COUNTY NEWS

Funeral services were held for Cornelius Bush, 74, of Gibson, at the Gibson church, Monday afternoon, with Mr. Boles officiating. Mr. Bush died, Saturday morning, in Holland hospital. He is survived by the following sons and daughters, Mrs. George Vander Bie of Holland, Neil Bush of Grand Rapids, Mrs. Ben Dalman of Holland, Carl of Onaway, Mrs. Adrian Cauwe and Mrs. Bert Oosterbaan of Holland, William of Fennville, Mrs. Mamie Bolles and Ruben Docking of Lansing; two sisters, Mrs. William Tubergan and Mrs. A. Driy; 27 grandchildren and three great grandchildren.

Ellen Jean Bast, of Fennville, has as guests this week her cousins Alma and Mary Glupker of Holland. Douglas reports that its hotels and private persons have had to turn away tourist applicants for rooms and board. All cottages in that vicinity are rented for the full season.

L. W. Lamb of Fennville got the contract for the new bridge at Douglas for \$206,066.84. He will proceed at once with construction.

Fennville regrets that it will soon lose the Michen family as Mr. Michen has purchased a service station in Gobles and will move his family as soon as he can find a house.

At a meeting of the Douglas village board, James Goshorn, Village treasurer, resigned and Roy A. McDonald was appointed in his place. The Standard Oil station at Fennville has been moved to a vacant lot east of the present site where it will service its patrons temporarily until the new show room which is being built is completed. It will then be moved to the east end of town where Mr. Teed will remodel it into a modern dwelling.

The Gospel for All Men
Acts 11:5-18
Henry Geerlings

How unfortunate and even sinful are race prejudice and race exclusiveness. They connote the feeling that we are better than other people. Therefore we shall have no dealings with them. It is true that there are some people in some senses better than others. There are differences brought about by peoples by reason of cultural advantages and sometimes by geographical locations. Some people know more than others. It is claimed that some people are more civilized than others. The white race may have a better training and racial experience than the black race, or the brown race, or the yellow race, but one wonders how all these things are any justification for race hatred and race prejudice. We would rather be Gentiles than Jews, white people than black people, but we need not hate these people and cultivate to the inch degree our prejudices respecting them.

But race hatred and race prejudice are two phenomena of racial attitudes that are not always easy to understand. There are not satisfactory proofs that one race is inherently superior to another race, nor are there any final and convincing evidences that the white race is on the top of the racial pile by reason of inherent merit and power. The end of the world is not yet. The history of racial growth has not been finally written. Where races can go as to the development of mind power and character values we do not begin to know. Give some of our so-called backward races ten thousand more years and see them then. See what time will do for China and Japan and India and Africa. At any rate, hatred of other peoples is bad any way you look at it. It makes the haters weaker and it arouses in the hated

consuming antagonisms which defeat the normal growth of human personalities. Peoples cannot afford to hate other peoples for the very simple reason that hatred costs more than it gains.

Peter was a Jew and he was a narrow one at that. He thought that the best things were intended for the Jews. If they were the chosen people of God why should not they have the best of everything? Certainly Jesus and his religion were not for the Gentiles. So thought Peter. They were not good enough for these blessings and the high privileges they bring with them. It therefore required a great deal of plain and emphatic and unmistakable testimony to prove to Peter that the gospel of Jesus is intended for all people. He had the doors against the Gentiles, so far as his mind and heart were concerned, and God had to batter them down. It was a unique way God had of getting a great idea in the prejudiced mind of Peter. He felt about the Gentiles much like the majority of Gentiles feel today about the Jew. It is a very strange reversal of human attitudes. Once the Jew kept the Gentile out. The Jew was sure that the Gentile did not belong. Now the Gentile is sure that the Jew does not belong. Now the Gentile is sure that he is going to continue to rule the world. But the Jew is sure that some day he is going to rule the world in several ways. He is getting ready for it. But the Gentiles do not love him any more for that. The Jew at one time hated the power of the

Gentile. Today it looks as if the Gentiles hate the money power of the Jew.

One wonders if we well ever come to feel better toward the races as we come to understand them better. It looks as if it would be the wisest thing to seek to understand the races of men, seeing that we are coming to live so close together. We cannot say with any degree of safety that we hate China or Japan. For our own safety and welfare we must learn to love China and Japan and India. There are some people becoming mightily conscious of themselves. They are making themselves felt in the great game of world relationships. They are practicing the doctrine of self-determination and they are demanding that they be given consideration according to what they merit. The preachers in our churches and the professors in our schools and colleges and universities must seek more and more to cultivate in hearers and students a world understanding and a world sympathy and a world interest in people. The day is past or is rapidly passing when any one race or any one nation can stand up before the Almighty and unciously thank him that it is better than the others. The time is here when the situation is demanding that peoples and nations give reason for the claim of the merit within them. We cannot any longer say that we do not like you. There certainly is a plain path for Christians to pursue. The path Jesus and the apostles trod is ours. That path is offered to all.

Taxpayers Attention!

1932 AND PRIOR UNPAID TAXES

It is most important for you to know the provisions of the "TEN YEAR INSTALLMENT PLAN" (Moore-Holbeck Bill with amendments), which provides for the grouping of 1932 and prior taxes under one total, and this total to be divided into ten equal installments.

SECOND INSTALLMENT--NOW DUE

Should be paid before SEPTEMBER 1, 1936. INTEREST of 1-3 of 1% PER MONTH from SEPTEMBER 1, 1935 is added on the amount of the SECOND INSTALLMENT if paid during AUGUST 1936. ADDITIONAL INTEREST of 3-4 of 1% PER MONTH is added after SEPTEMBER 1, 1936.

First Installment

Was due SEPTEMBER 1, 1935, and INTEREST is added on the amount of the installment at the rate of 1-12 pct. PER MONTH from SEPTEMBER 1, 1935 to date of payment, provided it is paid before property is offered for sale.

Balance of Installments

May be paid at any time with INTEREST added at the rate of 1-3 of 1 pct. PER MONTH from SEPTEMBER 1, 1935 to date of payment, provided the RESPECTIVE installments are paid before they become due SEPTEMBER 1st of each year.

Sincerely Yours,

John H. Den Herder,
Ottawa County Treasurer.

Frank J. Ver Meulen 65, of Kalamazoo died Saturday at Bronson hospital following an operation for appendicitis. Mrs. Ver Meulen was Delia Spitsbergen of this city before marriage. Mr. Meulen was widely known as a retail furniture man. He is survived by the widow and five children, Harold of Zeeland, Leslie Henry and Mrs. A. Wolcott of Kalamazoo, Franklin of Jackson and Mrs. G. Moore of Vicksburg. Funeral services were held on Monday. The Rev. Van Peursen of Zeeland, a former pastor of the Kalamazoo church, assisted in the service. Relatives from Zeeland who attended the funeral were Mr. and Mrs. Ernest Ossewaarde, Mrs. George Ossewaarde and Miss Helen Ossewaarde.

STILL MORE FORDS GO "BUY" Dearborn, Mich., Aug. 12—For the fourth consecutive month, domestic sales of Ford V-8 cars and trucks totalled more than 100,000 units, it was reported today at the home offices of the Ford Motor Company. This continuation of high volume sales into mid-season represents a surprising reversal of the trend in former years.

The demand for Ford V-8 units has been so well maintained into the late summer, it was explained, as to make necessary the abandonment of plans for a general vacation shut down of the Rouge plant during the current week. The plant will be partially closed during next week, it was said. Production of current models will be continued when the plant resumes full operations on August 17.

The unusual volume of July business can be partly attributed to the recent announcement of new Ford V-8 passenger car interiors and the addition of de luxe equipment for Ford V-8 trucks, it was said.

Ford production in July in the United States and Canada totalled 115,137 units.

was the City in a position to tell the people just what use they would make of this property. After considerable discussion, a substitute motion was offered by Ald. Huyser, 2nd by Bultman that the matter be left in the hands of the Committee for further investigation.

The Board of Public Works Committee to whom had been referred the request of Capt. John Bremer of the National Guards for a refund on a light bill which they had paid as sponsors for a recent Carnival, reported having met with the Board of Public Works and discussed the matter with them.

Committee reported that it was the sentiment of the Board that they should not change their rates for any individual or organization since it would be a bad precedent to establish. Committee further reported that in view of the position taken by the Board of Public Works they recommended that the request of Capt. Bremer be denied.

Adopted.

MOTIONS AND RESOLUTIONS

On motion of Ald. Bultman, 2nd by Steffens.

A Resolution was adopted instructing the City Clerk to request the State Highway Department for a permit to close US-31-A during the dedication ceremonies on August 11th, the Highway to be closed from 6 to 8 P. M.

Clerk presented a Resolution to amend the City Charter so as to provide that the Mayor and City Attorney will become members of the Board of Supervisors of Ottawa County by virtue of their office, and that instead of electing 4 supervisors as at present, there will be 2 supervisors elected from the City at large who will serve with the Mayor, City Attorney and City Assessor of the Board of Supervisors of Ottawa County.

The Amendment further provides that the Board of Review for the City of Holland will then consist of the 2 supervisors, City Assessor, Mayor, City Attorney, City Engineer and Chairman of the Committee on Ways and Means. By this arrangement, the City Engineer and the Chairman of the Committee on Ways and Means will take the place of the 2 supervisors who were previously elected.

On motion of Ald. Steffens, 2nd by Bultman.

The matter was referred to the Ways and Means Committee together with the City Attorney.

On motion of Ald. Steffens, 2nd by Damson.

It was moved that the matter of painting the voting booth on the corner of College Ave. and 19th St. be referred to the Committee on Public Bldgs. with power to act.

Clerk reported that a request had been received from J. K. Mosser Leather Co. for the Council to pass a Resolution offering them the same fire protection at their plant on the north side of the Lake as is furnished to property owners in the City of Holland.

Referred to Ways and Means Committee.

On motion of Ald. Damson.

Clerk was instructed to send a letter of condolence to the widow of the late Jacob Geerlings.

A Mrs. Albert Van Kampen and others appeared before the Council registering a complaint in regard to the low wages that they have been paid by the Security Sportswear Co. of this City. Mrs. Van Kampen stated that the wage was 12½¢ per hr. or \$1.00 for 8 hours work. She complained bitterly about the amount of work they were obliged to do at this low wage they were being paid, and wanted to know if there is not something the City can do to remedy this condition. After Mrs. Van Kampen and one of the other ladies present had spoken, the Mayor ordered the matter referred to the Committee of the Chamber of Commerce for investigation.

Adjourned.

Oscar Peterson, City Clerk.

MARRIAGE OF MISS WIERDA AND JOHN HAROLD VANDE WATER TAKES PLACE

Miss Eleanor June Wierda, daughter of Mr. and Mrs. Gerrit Wierda and John Harold Vande Water, son of Mr. and Mrs. Bert Vande Water were united in marriage last Thursday evening at 8 o'clock at the Vande Water home at 246 East 13th St. The Rev. James Ottipoby, brother-in-law of the groom, and pastor of the Methodist church at Anadarko, Okla., performed the service using the single ring ceremony, in the presence of approximately 70 relatives and friends. Preceding the ceremony Miss Hazlette Bremer sang, "I Love You Truly," accompanied by Mrs. Ray Bremer, aunt of the bride. Miss Teerman also played the Lohengrin's wedding march as the bridal party assembled. The bride was attired in a floor-length gown of white mousseline de soie with insertions of lace in the sleeves, a lace-trimmed collar and white sash. She carried a bouquet of roses, swainsonia, baby's breath and snapdragons tied with a white ribbon.

Miss Harriet Bremer, close friend of the bride, as bridesmaid, wore blue lace, ankle length, with a low back and jacket. Her bouquet was of mixed flowers tied with a pink ribbon. Little Billy Helder, the bride's nephew, was ring bearer. He wore a white satin suit and carried the ring on a satin pillow. Melvin Vande Water attended his brother as best man. Mr. and Mrs. Clifton Dalmann were master and mistress of ceremonies.

Following the ceremony a reception was held and a two-course lunch was served by Mrs. Daniel Boone of Zeeland, Misses Elaine and Evelyn Wierda of Beechwood, Pa. Miss Henryetta Van Lier and Mrs. John Sargers assisted in the kitchen. Out-of-town guests were Rev. and Mrs. Ottipoby and son, Collins, of Oklahoma, and Leon Winstrom and Miss Kaltenbaugh of Pittsburgh. Mr. and Mrs. Vande Water left on a trip to Chicago and will be at home to their friends at 340 Lincoln ave., upstairs, after August 24. Mr. Vande Water is employed at the Hart and Coolery company.

Building New Village Meant Passing of Old

the school which consisted of a huge hearth in which large logs were burned.

This first building as well as the one immediately following it, which was located near Rabbers' mill in New Groningen, burned to the ground and the teacher, A. J. Hillebrands, moved to Wisconsin.

On May 23, 1853, a meeting was called by the school inspectors of Holland township, at the request of the voters of New Groningen to organize a school district. The meeting was held at Rabbers' saw mill. Andries Steketee was chairman of the meeting and the first officers elected were A. Steketee, moderator, J. H. Stegink, assessor, and H. Van Eyk, director. School district No. 2 which later became district No. 3 was organized.

A census in 1853 showed only 76 children of school age in the large district. Jan Boer was teacher. He taught for three months at a salary of \$12 a month. In 1852 or 1853 a triangular strip of land opposite the present school was purchased and a school house 20 by 30 feet erected. The cost to build the school was \$100.00 of which \$52.00 was for labor and \$48 for lumber. Casper Lahuis and M. Stegeman were the builders. In this Holland Township school the pupils between the ages of four and eighteen numbered fifty-four. There were forty-seven in attendance during the first term. The teachers of the early times were Thomas Kenworthy, 1854; C. Doesburg, 1855 who was later on the faculty of Hope College. He was the father of Miss Kittie Doesburg, now living on East 10th St.; and Thomas Kenworthy, 1856. A. J. Hillebrands returned in 1857 and continued teaching until 1870. In 1867 a select school was started which continued until 1870 when A. J. Hillebrands succeeded in forming a union of the two schools. Since that time the school had two departments and later a graded school was substituted. Graduates of this school hold important positions of honor in many places.

New Groningen School History

The first school building was built on a three-cornered lot opposite the present site. The size of this building was 30 ft. by 20 ft. and cost \$100, of which \$52.00 was for labor and \$48.00 for lumber etc. Kasper Lahuis and M. Stegeman were the builders.

The second year the school terms were six months and John Boer was again engaged as teacher. The school board members were J. Rabbers, Moderator, Jan Geerts, Assessor and Hend. VanEyck, Director.

The books used in 1854 were Webster's Elementary Spelling, Sanders 1st, 2nd, and 3rd Readers, Davis Arithmetic and Mitchell's Geography.

In 1854 Thos. C. Kenworthy was engaged as teacher for a term of four months.

In 1855 the census roll was 84, in 1856, 105 and in 1857 it was 115. In 1862 a contract was let for \$80.00 to enlarge the school building. In 1867 a wing was added at a cost of \$300.00.

In 1881 it was decided to build a new building of brick on the present site; contract price \$1,230.00.

From 1867 to 1870 there were two schools in New Groningen; there also being a "select" school, but in 1870 Mr. Hillebrands succeeded in uniting the two into one.

The name was selected because so many of the first settlers came from Groningen in the Netherlands.

In the list of teachers and school board members we find that A. J. Hillebrands taught for 12 years in the public school (and several yrs. in the private schools) and Miss M. Grottrupp for 14 years. Of the school board members, Hendrick Van Eyck served 22 years, John P. Hartgerink for 22 years, Egbert Boone for 21 years.

The list of teachers who served the New Groningen schools at different stages from the very beginning are the following:

John Boer, Thos. C. Kenworthy, Cor. Doesburg, A. J. Hillebrands, (12 yrs.), James Brandt, R. A. Hyma, N. W. Bacon, H. R. Boynton, Benj. Neerken, Albert Huizinga, Abel Huizinga, Miss A. GEERS-SCHUTTEMA MARRIAGE RITES SAID

Before an improvised altar banked with palms, ferns and flowers, Miss Albertha Geers, daughter of Mr. and Mrs. H. Geers, and Arie Schutteema of Grandville spoke their marriage vows at the home of the bride's parents, Saturday afternoon. The Rev. L. Veltkamp pastor of the Central Avenue Christian Reformed church officiated using the double ring ceremony. The bride was beautiful in an ankle-length gown of fine white lace. She carried a bouquet of white and pink roses. Mrs. Henry Bos was matron of honor and wore a formal gown of pink trim with blue velvet. Her bouquet consisted of roses and sweet peas. Henry Bos, a friend of the groom, was best man. Before the ceremony Miss Hazlette Bremer, accompanied by Miss Harriet Bremer, sang "I Love You Truly," by Carrie Jacob Bond. The bridal party entered to the strains of Lohengrin's wedding march played by Miss Bremer.

Following the ceremony a lunch was served to about 30 guests. Waitresses were Miss Albertha Geers of Grandville and Miss Harmina Bredeweg of Byron Center, cousins of the bride. Mrs. C. Lamp, was caterer. Mr. and Mrs. Andrew Vander Vliet were master and mistress of ceremonies.

In Graafschap, later was on the First State Bank of Holland staff and became cashier of the Commercial State Bank of Zeeland when it was organized. Paul R. Coster later became mail carrier and a photographer in this city; Miss G. Schaap is now the wife of "Cubby" Drew, for many years principal of Holland High School, and today in the insurance business in Holland.

Among the lady teachers many may recall:

Kate Boss later Mrs. Bert Veneklasen, F. Westveer, later Mrs. Rev. Hekhuis, Minnie Markham later Mrs. Chas. Osborn, Sadie Clark later Mrs. Richard Van Lente, Hattie Boone later Mrs. John A. Hartgerink, Frances Bosch, later Mrs. Richard Wagner, Minnie Vander Ploeg later Mrs. P. Marsilje, Nettie Schaap later Mrs. Charles Drew, Miss M. Grottrupp who taught for 14 years in Holland.

The celebration of the above event in which a resume of the history of the Groningen schools is so vividly given, was the occasion for a celebration in Lawrence Street City Park at Zeeland. It was a very eventful day last Thursday afternoon and evening when this reunion took place.

The present and former pupils and teachers of the school, with their families and friends, were present.

A program was presented in the afternoon in charge of Mrs. Hein Derks, president, which was opened with a song service, followed by the welcome speech by Gordon Oudemolen.

The following program was carried out: guitar duet by Miss J. Meeuwse and Miss G. Wynagarden; welcome address by Peter De Vries; solo, Irene Geerts; history of the New Groningen school by John Hartgerink; kitchen orchestra; reading by Eleanor Pyle; psalm; collection; remarks by Mrs. K. Veneklasen; guitar duet by Misses J. Meeuwse and G. Wynagarden; Reading by H. Cooling; address by Fred Jansen of Chicago.

SUNDAY DINNER Suggestions

By ANN PAGE

HOME-GROWN fruits and vegetables plus the outstanding values of the week. Corn, tomatoes, squash, eggplant, green and lima beans are plentiful and moderate in price. Both white and sweet potatoes are now inexpensive.

Cheese is higher at retail but slight slumps in the wholesale butter and egg market mean temporarily steady retail prices for these products. Beef continues to be the best meat value though chunks of lamb are lower. Fresh and smoked pork and veal continue high. Fish is somewhat more plentiful.

Oranges are lower. Apples, Bartlett pears, plums and peaches are moderate in price. Cantaloupes are cheap and watermelons lower.

Here are three menus planned for different budget levels.

Low Cost Dinner
Ground Beef Loaf
Creamed Potatoes
Buttered Onions
Bread and Butter
New Apple Pie
Tea or Coffee

Medium Cost Dinner
Roast Beef
Green Beans
Bread and Butter
Banana Cream Pie
Tea or Coffee

Very Special Dinner
Fruit Cup
Fried Chicken
Candied Sweet Potatoes
Lima Beans
Combination Salad
Bread and Butter
Spanish Cream
Coffee

FINE YOUNG CAREER CUT SHORT BY DEATH

Funeral services were held Wednesday for Arnold Van Faasen, 24, son of Mr. and Mrs. B. J. Van Faasen, 179 West 17th St., who died Saturday at St. Lawrence hospital in Lansing after an illness of less than two weeks. Two weeks ago today he had submitted to an appendectomy. Mr. Van Faasen was graduated from the Christian High school in 1931 and completed his studies at Michigan State College July 28, where he majored in physical education. He was well known throughout the state as a star basketball player at Michigan State College and with two outstanding professional teams. He was employed as an officer at the Lansing Vocational school. The local boy is survived by his parents; one sister, Beryl; and three brothers, James of Menard, Ill., and Jay and Ivan at home. Funeral services were conducted at the home and at Prospect Park Christian Reformed church. The Rev. L. Van Laar officiated and burial was in Pilgrim Home cemetery.

STOP and GO
driving needs CONCRETE

Traffic on busy streets is measured in millions of car-miles annually—and millions of car stops. Can you make these stops swiftly, surely, with least possible skidding? You can if your streets are concrete. Concrete's gritty surface grips and holds tires, offers maximum traction in any weather. Its uniform riding surface gives you driving confidence—a further safety aid. And at night, concrete's light-gray, highly visible color makes your streets safer for motorist and pedestrian alike.

For economy, for good appearance—and for safety—inist on concrete.
