New Alter Car Factory At Grand Haven

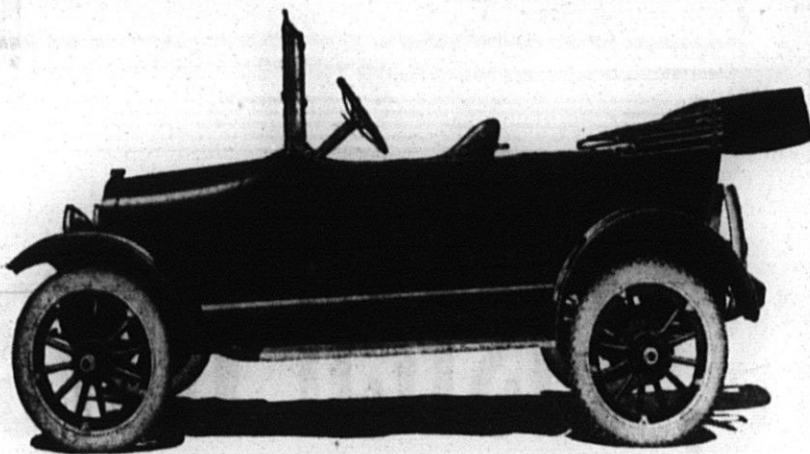

WESTERN MICHIGAN GETS AUTOMOBILE FACTORY— ALTER CAR PLANT NOW BUILDING AT GRAND HAVEN

Grand Haven, Mich., Aug. 17—Western Michigan enters the motor car manufacturing field with a popular price car. The Alter Motor Car Company is erecting a modern factory at Grand Haven. Grand Haven capitalists have entered the corporation and are enthusiastic over the prospects, in fact the original plans for the factory are now being enlarged on and additional capital is being taken into the business. West Michigan investors are now offered an opportunity to secure some of the stock before further increase in the capitalization takes place. Contracts with reliable dealers are being made for the 1917 output at surprising rate and there is every evidence of a good profit in the business for its stockholders.

THE MOTOR CAR INDUSTRY IS MAKING MILLIONS FOR INVESTORS. If you are interested in your own financial welfare and the industrial development of Western Michigan, write us for descriptive matter on the Alter Motor Car Company and the motor car industry in general.

Is Loyal Even in Defeat

To the voter of Holland:—

Words utterly fail me to express my appreciation of the splendid home endorsement which the people of Holland gave me at the polls Tuesday. It was, indeed, a home run. I never can repay your kindness and loyalty. While life lasts, however, my sense of obligation will continue and I will with all my might help to put and keep Holland on the map.

Gratefully yours,

G. J. DIEKEMA.

PATRIOTIC DEMOCRATS

The Grand Rapids Herald deplors the fact that at the primary Tuesday many Democrats voted the Republican ticket for the purpose of helping the opposition to nominate the weakest man. This may have been the case in several communities, while in other communities Republicans may have voted the Democratic ticket to help the weakest man of their opposition to be placed on the ticket. But in Holland and Ottawa county Tuesday this alleged defeat in the primary law worked differently. If weakness in the law it be, then for once this very defect tended to a good end. For scores and hundreds of Democrats laid aside party preferences and cast their votes for Mr. Diekema.

This was a high-minded and patriotic action of Ottawa county democrats. They were under no obligation to desert their own party lines for the sake of helping a man who would surely defeat their own head of the ticket in Michigan in November. They believed in Mr. Diekema as a man; as his neighbors and associates they knew that he would make a good record at Lansing and besides they believed in Holland as a city and it was shown by their vote that they were proud to have "Diek" represent this city at the state capitol. Therefore they decided to show the state of Michigan that in his home community Mr. Diekema is trusted and highly regarded.

That Ottawa County republicans should vote for Mr. Diekema almost to a man was to be expected. But neither the candidate himself nor his friends had a right to expect the Democrats of this community to vote for the opposition head of the ticket. That they did so by the hundred is all the more proof of what the people of Ottawa county thing of Mr. Diekema, and it further shows how far the present generation of voters has gotten away from blind political intolerance. There was a time not long ago when even under circumstances like those of Tuesday a democrat would not have felt free to vote for a republican or a republican for a democrat. What the local democrats did Tuesday is a credit to them because of its broad-mindedness and patriotism.

HUGHES TO TALK IN GRAND RAPIDS REPUBLICAN PRESIDENTIAL CANDIDATE PUTS MICHIGAN ON OCTOBER CIRCUIT

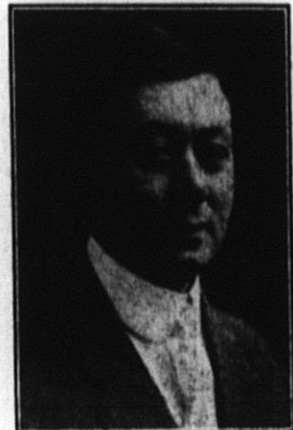

New York, Aug. 31—During the latter part of September and the fore part of October, the Republican national committee will send Governor Hughes into the middle west again. He will spend at least two days in Michigan, according to prospects now. National Committeeman Warren of Michigan, who is one of the powers on the steering committee, says that Grand Rapids will get one of the big night meetings.

DORNBOS WINS BY OVER A HUNDRED VOTES

HERMAN VANDEN BRINK AND
RYCENGA ARE TIE

Returns Have Been Very Slow and All
Are Not Yet In

Returns from several of the townships in Ottawa county are not yet in, but enough information has been received by telephone from these missing townships to get an estimate of the two county offices namely sheriff and Register of Deeds, in which there was a doubt as to who was nominated. County Clerk Glerum informs this paper this morning that Deputy Game Warden, Cornelius Dornbos, is elected by more than 100 votes. This is conceded by the other candidates.

Cornelius Dornbos

Tallmadge, Wright and Chester townships were the missing ones, but figures were received by phone that assures the nomination of the Holland man. Herman Vanden Brink, city treasurer, and candidate for Register of Deeds of this city, was not so fortunate. Although Herman is not out of the race altogether it appears that they will either be a recount or a straw pulling contest between Mr. Rycenga of Grand Haven and Mr. Vanden Brink.

Herman Vanden Brink

of Holland. Mr. Rycenga concedes this morning that the vote between him and Mr. Vanden Brink is a tie he having called up the missing townships by wire.

It appears also that Austin Harrington of Holland is again nominated for County Road Commissioner. However all the returns on this office could not be ascertained this morning.

A great deal of complaint is being heard on every side that the returns were slow in coming in. A reason for

Peter C. Rycenga

this can be attributed to the election commissioners in the outlying townships who, after getting thru with the wearing task of counting the large ballot, quickly seal the box after performing their irksome duties and take no time in getting out a special set of figures for the anxious candidates and the newspaper men, therefore these figures cannot be officially known until the sealed returns reach Grand Haven, which would be today.

COLORED ATHLETES TO MEET SHOES LABOR DAY

Holland fans will be able to see a fast game of baseball Saturday, the West Michigans and the Holland Shoes to meet on the College Campus at 2:30 P. M. to play the rubber of three games.

Earlier in the season the Shoes won over the West Michigans and at the outing of the Shoes at Jenison last Saturday the West Michigans were victorious. This game will be a hot affair for the decision between the two. Carl Shaw will umpire the game.

Labor Day will have a great offering in baseball in the game between the Holland Shoes and the Colored Athletes of Grand Rapids. This is a fight that must not be missed by any fans of Holland. The Colored Athletes have reputation for fast ball and the Holland Shoes expect to give them a hard run for their money.

This crossing of bats will take place on the College campus in the morning.

VERY INTERESTING LETTER FROM MEXICAN BORDER

CARL JOHNSON OF HOPE COLLEGE
GIVES HIS EXPERIENCE
AS A SOLDIER.

People Idolize Villa; Holland Man
Will Do Guard Duty Tomorrow;
On Mountain Top

A very interesting letter has been received by the editor from Carl Johnson of Hope College. Carl is well known in this city having been correspondent of the Grand Rapids News. The Mexican difficulty called him from his studies and like a true soldier he listened to the call. He has been promoted to the position of sergeant in the army while in the service on the border and his experiences in Greaser land will no doubt be of interest to our readers.

Camp Cotton, El Paso,
August 27, 1916

Dear Ben:—

This is Sunday afternoon, our day of rest, but my siesta was cut short today from the noise emanating from "the flat next door" where a group of soldiers have congregated and proceed to fill the air with a lot of weird noises. Singing is our favorite pastime when we are not asleep.

As a matter of fact this entire event is nothing but one great big vacation. You may have heard the wailings of some soldiers encamped here, but let me tell you that these comes from the weaklings, the sobbers, the misfits, those who don't fit in. There isn't a soldier in this entire outfit that has a license to kick on the way he is being fed or treated.

The life is ideal and full of sport and versatility. The weather has not been as warm as in Michigan and the we may have rain and wind storms here such as never occur in Michigan, they all happen so quickly that no matter what the damage we can do nothing but sit down when one is over and laugh at each other. The first one we had we thought it time to say good bye, but it was over as quickly as it came.

I thought at first that we would undoubtedly be down here until after Christmas, but now it means that we will stay here until after the conference between the United States and Mexico. The representatives of the U. S. will control the destinies of the army and I believe with over 100,000 soldiers stretched along the border line, we will get every concession out of Mexico. If we don't, then over the line we go, but if we do succeed, they home we go, home to Michigan and our vacation will be ended.

Will you believe me when I say that Pancho Villa is the most popular and well-liked and "hated" man in Mexico? You have heard many stories about his bloody deeds and the butchery tactics he employs, but if there should be an election in Mexico today that was conducted on the square and free from all fraud, Pancho Villa would be elected president. He is the champion of the peons, the lowly Mexicans. In gaining recruits he will go to a place where a number are assembled and after a short speech on the wrongs that the illiterate are subjected to by the higher caste in Mexico, he will point to the men and say, "V, Luis, V Francisco, y V, Jose venga don mi." The natives will follow him to help champion their cause.

In talking to a young Mexican one day, he told me that the trouble with Mexico was that its people were not sufficiently educated, and that they were not sufficient means for education among the poorer classes because the rich and the educated, tho in the minority in numbers, controlled the destinies of the country. The rich and the educated do not want the others educated. It is merely a case of selfishness, caste and lack of brotherly love. The remedy for the situation there is a one man rule where all would be treated equally or else the intervention of the United States and the establishment of a protectorate there.

Since the soldiers have been brought to the border there have been no border raids so we feel that our mission here has been to some avail. In addition to that, our sojourn on the desert fields of Texas is preparing over 100,000 men to become soldiers to be used in time of need. I cannot understand why those who have always advocated preparedness are complaining about the troops being here. Perhaps it is not the best method in which to prepare a large army, but Wilson has at least done something, which is more than others have done. We soldiers who have been preaching preparedness are willing to show our hand and come through with what is expected of us and more too. Some boys do not relish the change, but to most of us it is great sport.

We get up at 5 o'clock ever morning after having slept from ten o'clock the previous evening in fine, fresh, open air. After washing and eating, at 7:30 we start out for a three or four mile hike to a large sand flat which is nothing more than a desert. There, from 8:30 to 10:30 we figure out problems of combat and consort with rattlesnakes, horned toads, centipedes and cactus bushes. In advancing on the skirmish line it is necessary to lay low and often for block we crawl on our bellies in the hot sand mingled with sand burrs.

We imagine the enemy is in the distance and after sending out ground scouts we are given information as to their exact number and position. We

SLEEPER GETS PLURALITY OF 10,000 VOTES

DICKINSON'S VICTORY IS NOW
SHOWN BY THE LATE
RETURNS.

Lieutenant Governor Renominated By
Good Margin—Townsend in 64
Counties Has Lead of More
Than 50,000 Votes.

DETROIT, Aug. 31—Albert E. Sleeper, of Bad Axe, received the Republican nomination for governor at Tuesday's primary election, according to returns compiled Wednesday night from more than 90 per cent of the voting precincts in the state. Returns from 75 out of 83 counties in Michigan, 10 of them complete and including almost complete figures from Wayne, (Detroit), and Kent, (Grand Rapids), gave Sleeper a plurality over Frank B. Leland, his closest rival of 6,835. Sleeper's supporters claimed his nomination by upwards of 10,000 plurality. Figures from the 75 counties, 10 of which were complete, and including 280 precincts, out 321 in Wayne county were, Sleeper 76,927, Leland 70,092, Diekema 29,334 and Gardner 26,359. While it was considered virtually certain that Luren D. Dickinson, incumbent, received the Republican nomination for lieutenant-governor, returns late last night from 60 counties 10 of them complete and including 280 Wayne precincts, show David E. Heineman making a good increase over his earlier figures. The figures were Dickinson 44,541, Heineman 38,186, and Wm. D. Gordon of Bay City, 22,615, giving Dickinson a plurality over Heineman of 5,355.

United States Senator Townsend of Jackson, in 64 counties, 10 complete, and including 280 Wayne precincts, had rolled up a majority of nearly 50,000 votes over Wm. H. Hill, of Detroit, for the Republican senatorial nomination. The returns gave Townsend 102,815, Hill 53,511. Townsend carried nearly every county.

The 10 counties mentioned as complete in the foregoing are Bay, Branch, Eaton, Gratiot, Jackson, Lenawee, Luce, Menominee, Osceola and Schoolcraft.

On the Democratic state ticket C. H. Bender of Grand Rapids, who was opposed by the element of the party which favored the insertion of Henry Ford's name through the set of stickers, won by about 4 to 1. The Democratic vote was unusually light.

The defeat of Geo. A. Loud of the Tenth district was virtually conceded as congressman last night. Incomplete returns from the counties gave Gilbert Currie of Midland, 4,695, Roy O. Woolf-ruff of Bay City, 2,68, and Loud 2,334. Louis C. Crampton was more than 6,000 votes ahead of Spears in the Seventh district. Returns from 110 precincts in six counties gave Cramton 9,474 and Spears 3,267. In the Eighth district Joseph W. Fordnes was more than 4,000 votes ahead of Cone.

A close fight was being waged in the Fourth district, where Hamilton and Ketcham were running neck and neck on returns from 30 precincts in four counties which gave Hamilton 1,910 and Ketcham 1,941. In the other congressional districts the renomination of all of Michigan's present congressmen was almost a certainty.

Hugh Shepherd seemed a winner in the race for the Republican nomination for congress in the First district.

ELECTION NOTES

Grand Haven gave Gerrit J. Diekema 571 votes for the nomination of governor of the state of Michigan. Although no great campaign activity had been evident in that city, the appeal to support the home candidate appealed to many Grand Haven voters. The vote given the Ottawa county man was an excellent expression for the home candidate. The vote on the governorship in Grand Haven was as follows: Diekema, 571; Gardner, 96; Sleeper, 119; Leland, 94; Wesselius, 96.

For County Clerk: Orrie J. Sluiter of Grand Haven, over Jacob Glerum of Grand Haven with a probable majority of about 400 votes. There were no others in the clerk's race.

Complete City Primary returns will be found on page four of this issue.

It is said that one candidate for office went to a fortune teller in Grand Rapids to find out what his chances were for election. The lady of the palm, said he would be elected, that is after the hand had been crossed with a piece of silver. The candidate was hopelessly defeated.

For Drain Commissioner: Barand Kammeraad of Robinson over Wm. Foster and Henry Siersema by unknown plurality. Bulk of county vote estimated.

For county road commissioner, Austin Harrington of Holland over Edward C. Smith of Grand Haven by small estimated plurality in Holland with reports not received. (It is admitted that Smith may yet beat out Harrington, because of the possible split in the lower end between Dykema, Kraai and Timmer.) This result is also to be held in question until official count.

Jacob Kuite, sr., pioneer butcher, suffered a stroke of paralysis at his home, 105 West Tenth street. His condition is critical.

Mr. and Mrs. Benj. A. Mulder and daughters Lucile and Ruth are on an auto trip of a week in Northern Michigan. Miss Alice Danhof of Grand Haven is a guest on the trip.

OTSEGO IS FACING PECULIAR SITUATION

IF VOTERS TURN DOWN BONDING ISSUE COUNCIL MUST SUPPLY PURE WATER TO CITY

The city of Otsego is confronting a very peculiar situation. The State Health department has informed the officials of that city that they must have a better, purer water supply. Sewage is getting into the wells and the state officers have ruled that the water is not safe for drinking purposes.

A special election will be held Friday September 8, when the question of bonding the village in a sum not to exceed \$35,000 for the purpose of getting pure water, will be submitted to the people. The question is this. If the people turn down this issue election day the common council will be compelled by the state to supply pure water. If this is done the tax will all come in one year, which will be a great burden to the tax payers.

TED AND ED'S WIN GAME SATURDAY

REPRESENTATION OF ZEELAND INDEPENDENTS BEATEN 5 TO 4 IN 10-INNING GAME

With Lefty Vande Bante in the box and with the aid of a few players of the Zeeland Independents, the Ted & Ed team defeated a representation of the Zeeland Independents Saturday afternoon at the Colonial Avenue grounds.

The game which proved to be a ten inning affair, resulted in a score of 5-4. The feature of the game was the hitting of Bob Miles who made five hits out of as many times to the plate. The fact that the Bangor team was not able to play was a disappointment to the crowd. Early Saturday the manager of the Bangor team called up and said his team was unable to play as several of the players were on the sick list. So a game was made with the Ted & Ed team.

STOLEN BICYCLE FOUND BY POLICE

SIXTEEN-YEAR-OLD LAD STEALS WHEEL AND REPAIRS IT BUT IS CAUGHT.

A bicycle owned by John De Goede, stolen about a week ago from a room in the tannery, was recovered Monday by the police. The wheel was stolen by a 16-year-old lad. The boy painted the wheel black but the bright red original color still showed in places. When he took the bicycle to a local shop for repairs the dealer recognized the wheel and notified the police.

The lad admitted the theft but complaint was not made against him by Chief of Police on account of his youthfulness and family circumstances.

Will Sloan's Liniment Relieve Pain?

Try it and see—one application will prove more than a column of claims. James S. Ferguson, Phila., Pa., writes: "I have had wonderful relief since I used Sloan's Liniment on my knees. ATHLETIC MEET FOR THE CITY BOYS ON FRIDAY

BIGGEST EVENT FOR YOUNGSTERS IN ATHLETICS IN YEARS—CHICKEN SUPPER PRIZE

Medals Won During Chautauqua To Be Awarded If Here; Names of Winners Given

Field day for the boys of Holland of Grammar School age. That is the plan of the city playground department, Gordon Oltmans supervisor, for Friday afternoon of this week, beginning at 2 o'clock. It is to be the biggest athletic event for boys of this city staged in years. And the prize—a chicken dinner for the first five point winners, the highest to get the wishbone.

The age limit placed on entrants is 15. Shortly after one o'clock Friday afternoon boys of 15 or under are to gather at the Hope College campus, where Oltmans will be in charge and will direct the boys in their preparations. Places will be provided for the changing of clothes to track suits, if the boys have them.

Four places will be awarded in each event, with the points as follows: 1st, 5 points; 2nd, 3 points; 3rd, 2 points; 4th, 1 point. At the close of the meet the number of points will be added up and the five boys leading in totals will be treated to a chicken supper to be given right after the events of the day, at 5:30, at the home of Gordon Oltmans, 95 East 9th street.

The list of events to be run is as follows: 50, 100, 220 yard dashes; half mile run, mile run, two mile run, running high jump, running broad jump, standing broad jump, standing high jump, pole vault, shot put (8 pounds), 8-man mile relay.

On Friday afternoon also, apart from the meet, the medals won by twelve boys of Holland at the Youths' Chautauqua will be awarded if they have arrived from New York. They are expected to be here. These twelve lads qualified as all around athletes by different tests conducted during Chautauqua week, and for this are to be presented with different medals, according to their standing.

The names of the medal winners are: Class 2 (silver) John Kole, Samuel Kole, Claude Lappinga, Elmore Lordahl, Berlin Van Dyke, George Schreur; Class 1, (bronze) Arthur Broekstra; Harold Klaasen, Raymond Windeknecht, Harold Kraai, John Schreur, Overweg.

SCOUTS COULDN'T GET PLUCKY GUARD TO RUN

YOUNGEST GUARD AT DARK POST ONLY ONE WITH PERFECT RECORD FIRST NIGHT

The Scout camp at Pine Creek, proving the greatest success so far in scout activities here, will break up Saturday morning to return for the necessary bother of boyhood—school. But the scout camp will be remembered and talked of thru the whole school year, until the next one.

Some fine tests of nerve and determined spirit have arisen, and the boys as a whole have shown their make-up in praiseworthy lights. For instance, the first night at camp was an awfully dark one and young "Chicken" Steven son was stationed at the darkest post in the camp as guard. He was given a bow and arrow to defend his position, as the canteen was out in the woods some place and the "fellers" knew it and were going to try to run the guard.

As "Chicken" was the youngest guard and in the worst place, his knees were none too firm and every sound was a threat to him. But several boys, trying to sneak thru his beat, were caught and that night he was the only guard that kept a perfect record and received a blue ribbon in the morning. On the return from the canteen during that black night some of the boys imitated the noise of animals in the brush, and tho' the hair on the young guard's head stood at attention, he stuck to his post.

Steward Boyd has qualified in the life-saving tests for swimming the required distances and demonstrating resuscitation. He is the only successful one this season.

OPENS BATTERY SHOP

Ben Lievens Now Has Equipment Installed and Ready for Service

The Holland Battery Shop opened Tuesday at its stand 130 East Eighth street, with Proprietor Ben Lievens ready to take charge of all battery repair or recharge work and with a line of Willard Storage batteries on sale.

This station is the first of its kind in the city and is a great convenience to the auto owners of the city who before this have been forced to go to Grand Rapids with their battery work. Free inspection is given at the local shop.

ZEELAND BRICK CO. GETS \$931 VERDICT

Judge O. S. Cross has decided that the Fidelity Deposit company of Maryland should pay the Zeeland Brick Co. \$931.58 together with costs and charges for material furnished during the erection of the Holland city hall. The company was paid the remainder of the amount due for material by the contractor. The Deposit company was surety for the contractor.

PICTURES TAKEN OF THE PIKE AND FARMS HERE

MOVIE MEN VISIT HOLLAND BUT DO NOT TAKE PICTURES IN CITY.

Local People Will Have Chance To Appear On Screen Later This Summer.

The photographing party under the auspices of the Chicago Herald Land Bureau, assisted by the Pere Marquette and Grand Rapids Indiana Railway companies has visited Holland. Here they secured a couple of hundred feet of film, taking motion pictures of Lake wood farm, beauty spots along the West Michigan Pike and orchards and farm lands near here. No pictures were taken in the city as the films are to be used purely for advertising the agricultural resources of this part of the state.

The party visiting Holland consisted of Major Ray C. Vander Cook, publicity manager of the Pere Marquette; H. B. Hartman, publicity and industrial agent of the G. R. & I.; John I. Gibson, secretary of the Western Michigan Development bureau and C. M. David, motion picture operator.

A. H. Landwehr, president of the Chamber of Commerce, and several members of the publicity committee accompanied the movie party on their trip through the country near Holland. Already about 1,600 feet of film advertising Western Michigan have been secured by this party. These pictures will be shown in theaters all over the United States next winter. It is hoped to draw many people here through this form of advertising.

Although this motion picture company made a detour of Holland when working their camera local people will get a chance to appear in the movies before the summer is over. A motion picture firm in Omaha, Neb., is negotiating with local officials to come to Holland and take pictures of the city. It has been decided to allow this company to come here. They will take pictures all through the city and many people will get a chance to see themselves in action on the screen.

Cure for Cholera Morbus "When our little boy, now seven years old, was a baby he was cured of cholera morbus by Chamberlain's Colic Cholera and Diarrhoea Remedy," writes Mrs. Sidney Simmons, Fair Haven, N. Y. "Since then other members of my family have used this valuable medicine for colic and bowel troubles with good satisfaction and I gladly endorse it as a remedy of exceptional merit." Obtainable everywhere.—Adv.

RESORTS NEARLY CERTAIN OF GAS SERVICE

300 SIGNERS FOR 5-YEAR LEASE WITH \$11.25 A YEAR MINIMUM CHARGE MUST BE SECURED

Committee of Ten Meeting With Great Success So Far,—Resorters Crowd Auditorium Saturday Night

That Macatawa, Ottawa Beach and Jensen Park and all other summer resorts between Holland and Lake Michigan will have gas service for light and heat by next summer is almost a certainty. A committee of seven men and three women resorters is now canvassing the population of the shores of Macatawa Bay and in a few days will report to the Holland Gas Company of this city, who will lay the main if the proposition goes through.

A cost of \$30,000 for installation of the main and meters with Ottawa Beach getting its supply through a pipe laid under Black Lake from Jensen Park was part of the information given to the large crowd of resorters Saturday night in the Macatawa auditorium. An enthusiastic crowd it was, too, receiving the provisions of the project with favor and assuring the officials of the company that the mains will be forthcoming.

J. Newton Nind of Ottawa Beach, president of the Periodical Publishing Company of Grand Rapids, presided over the meeting. H. W. La Sage Ten Broek of Macatawa, also of 15 Union Avenue, N. E., Grand Rapids, acted as secretary. E. P. Davis, manager of the gas company, unfolded the proposition to the assembly, giving the benefits and demands of the company. Of the \$30,000 cost of installation, the cottagers are to pay \$12,000 of it, about \$40.00 apiece. This will pay for the pipes leading from the main and for the meters.

Then a 5-year service agreement must be signed, paying for the gas at the rate of \$1.50 per thousand feet, with a season's minimum of \$11.25. Three hundred signers must be secured to make certain the improvement. The committee of seven is busily engaged in getting the signatures and are meeting with success.

About forty at Ottawa, a hundred at Macatawa and another hundred in and around Jensen Park were assured the company at Saturday night's meeting. The one great objection most of these loathe to sign have is the minimum charge of \$11.25 a season. As their cottages are on the average open about a month a year, they must pay \$11.25. So far most of them consider the gas service worth that price and are anxious to see it through.

The committee will report to the company in a day or two, as soon as they can canvas the lake's shore and write to the owners of some of the cottages who are now far away, and if the report is favorable, work will be started at once, so that by early next spring the cottagers will find the gas in their homes and ready for use.

The housewives appreciate this improvement more than any other individual as it means no more fussing with a leaky gasoline stove, the past bug-bear of resorters. Kerosene lamps will also go out of style.

BABY IS HUNG BY A STRAP IN HOBBY HORSE

CHILD OF MR. AND MRS. JACOB GEERLINGS, ZEELAND, MET TRAGIC DEATH

Mothers Straps Child In Hobby Horse While Washing; Returns and Finds It Dead

One of the most peculiar and pathetic tragedies reported here for some time happened Monday morning when the 1-year-old baby of Mr. and Mrs. Jacob Geerlings, living two miles north of Zeeland, hung itself by the strap holding it into a hobby horse.

Mrs. Geerlings was busy and she placed her infant child in its little hobby horse in another room. She then placed a strap around the baby's waist to keep it from falling out. This was shortly after ten o'clock Monday morning.

As Mrs. Geerlings did not hear any noise from the other room she thought her baby was quietly enjoying itself and so she hurried through with her washing.

When she returned to the room she found her baby hanging from the seat of the hobby horse choked to death by the strap that had been around its waist. The infant had slid down from the seat and the strap caught around its neck.

The father was at work in the fields when the fearful tragedy was discovered. He was quickly summoned and a doctor was called but the child was beyond all medical aid.

NEWMAN BOUND OVER TO CIRCUIT COURT

O'CONNOR BRINGS ALLEGED WIFE DESERTER FROM CALIFORNIA ARRIVING SUNDAY

Newman Does Not Give Up Hope of Release Until After Train Crosses Arizona Line

Dave O'Connor of the Holland police force arrived in Holland early Sunday morning with his prisoner Ivan Newman, whom he brought from Los Angeles, Calif., to answer to a charge of deserting his wife and three children in this city. Newman was arraigned before Justice Robinson Monday morning and he was bound over to circuit court for trial. Unable to furnish bail the prisoner was taken to the county jail to await trial.

Although Newman's trial would not ordinarily be held before the November term of court he will attempt to have his case brought before Judge Gross immediately. It is understood that he intends to make a settlement.

Mr. Newman is charged by his wife with having deserted her February 17. About a month ago he was located in California and arrested for the local officers. Officer O'Connor was sent from here with extradition papers from Governor Ferris to get the man.

Before Officer O'Connor arrived in California Newman attempted to obtain his release on a writ of habeas corpus.

When the local officer presented his extradition papers signed by Governor Ferris at the California State Capitol in Sacramento he could not get them signed because of an error in the date of the complaint against Newman, due to the fact that Mrs. Newman did not know the exact date her husband left here. Because of this new papers had to be sent from this city.

The fight on the habeas corpus proceedings continued in court, being adjourned several times, until finally extradition papers were properly secured.

Officer O'Connor learned that the Attorneys for Newman were preparing to get out another writ of habeas corpus. With tickets bought in advance Officer O'Connor hustled his prisoner from the court house, into an automobile and caught an interurban out of Los Angeles three minutes after Newman had been turned over to him. After getting his prisoner out of Los Angeles, he was forced to wait three hours in a nearby city. He kept his prisoner under an assumed name and after getting him on a train he made Newman take a sleeper so he would not be seen by anyone passing through the coach. It was not until the train crossed into Arizona that Newman gave up all hope of foiling the Holland authorities.

STEGEMAN MARRIES CALIFORNIA GIRL

THE STEGEMAN FIVE IS NOW A SEXTETTE

The marriage of Miss Dorothea Washburne of San Francisco and Herman J. Stegeman, graduate of Hope College, took place at 6 o'clock Monday evening at Fairview Farm, the Stegeman homestead, three miles east of this city.

Mr. Stegeman is well known in this city being one of the five boys of that family who are athletically inclined, in fact five of them constituted a basketball team that took honors everywhere. Last year Mr. Stegeman was athletic director at Beloit College in Wisconsin. This year he will act in the same capacity at the Monmouth University, Monmouth, Ill.

Miss Washburne is a very accomplished young lady and a graduate of the Chicago University. Mr. Stegeman is also a graduate from this college, in fact the romance was started at this institution of learning where the two young people were thrown very much in each other's company.

The young couple left Monday evening for a camping trip in the northern part of the state and will be at home to their friends after September 15 at Monmouth, Ill.

Monday night Rev. B. Hoffman of Zeeland performed the ceremony. Only immediate relatives and intimate friends have been invited.

ANNOUNCE ENGAGEMENT AT ONE O'CLOCK LUNCH

MR. AND MRS. W. H. WING ANNOUNCE ENGAGEMENT OF DAUGHTER, MISS HAZEL

Miss Hazel Wing, daughter of Mr. and Mrs. W. H. Wing, 88 West Thirtieth street, Saturday afternoon entertained twenty-eight of her friends at a 1 o'clock luncheon, when her engagement to Leslie Edward Guild of Topeka, Kansas, was announced.

The rooms were prettily decorated in pink and white, sweet peas being found in profusion. The out-of-town guests included the Misses Sara and Nell Kouns of Topeka, Kansas; Mrs. Bosh of West Hoboken, N. J.; Miss Caroline Taylor of New York; Miss Elizabeth Webb, Louisville, Ky., and Miss Bess Coleman, Minneapolis, Minn.

COFFEY TO FIGHT SERIOUS CHARGE

William Coffey of this city, a Seventh street resident, was taken from the county jail Friday noon and arraigned before Justice Robinson of this city on the charge of open and gross lewd and lascivious behavior. He waived examination and was bound over to Circuit Court.

Coffey has retained Att. Charles E. Misner of Grand Haven, who will demand an immediate trial in Circuit Court. Coffey was arrested after his actions at home had aroused the anger of the neighbors and an officer had been summoned.

CHILDREN UNDER AGE WORK IN LOCAL SHOPS

CHILD LABOR LAW VIOLATED HERE SAYS STATE FACTORY INSPECTOR

Mistake in Permits Issued By School Authorities Seems to Be Cause; Children Dismissed

Richard M. O'Neil, state inspector of factories, workshops hotels and stores, who commenced an inspection of Holland factories and all places where labor is hired Thursday, says that he has discovered a condition of child labor during the little time he was here that surpasses any of the other cities where he made inspections. So far Mr. O'Neil has only inspected small places where labor is hired and he has not yet touched the larger factories. In 11 places he inspected, which all together hired very few men, he found four children, three boys and one girl under the age of 15 engaged in work. These children were all ordered dismissed immediately by the inspector and his wish was carried out.

That Holland employers of labor are violating the child labor law seems to be due to a mistake in the issuing of permits from the office of Superintendent of schools. All the children under school and working age had permits from school authorities but the permits are wrong being of old date.

These vacation employment permits given out in Holland are granted to children over 14 years years old and under 16. These permits are issued under section 10, No. 285 Public Acts of 1909, as amended by Act 220 Public Acts 1911. Mr. O'Neil says that these permits are obsolete as this law had been amended again in 1913 making the minimum age limit for work in a factory 15 years instead of over 14 years. Because of the use of these old time application blanks by the local school authorities there are a number of children under 15 years of age at work in various places in Holland. Mr. O'Neil does not blame the Board of Education only that they must have been ignorant of the changed law, and knowing this they will now apply for new blanks embodying the change.

According to the present law children over 14 years old on request of the parents are allowed to work in canning factories and any place handling perishable goods.

Mr. O'Neil said he did not expect to find this condition existing in the larger factories but certainly many more than four discovered in the first day of investigation are working in the city when permission is given them to work. All under fifteen at work will be dismissed, according to Mr. O'Neil.

Children, even though they are over 15 years of age must be physically fit to stand the work they tackle. If any are found in the factories or workshops who do not seem able to do the work they are dismissed. These cases happen rarely according to Mr. O'Neil but they do happen.

In his inspection of factories in regard to safety appliances, sanitary conditions, etc. Mr. O'Neil says that Holland has as good an average as most of the other cities. He says that the employers and manufacturers here always co-operate with the state inspectors and are glad to be shown any defects in their machinery or in their plant.

LABORERS STRIKE AT TWO NEW FACTORIES

DEMAND RAISE OF TWO CENTS; WALKOUT; NEW MEN HIRED WITH RAISE

Monday morning at 7 o'clock the mason laborers at the Dye factory on the north side effected a walkout, striking for a wage of thirty cents an hour instead of 28, as they were getting.

At the time for work to start this morning, Foreman Sam Habing, at work at one end of the long building, noticed that they were lounging about. According to Habing, the masons sent a delegate to him, asking for the 30 cent wage and delivering the demand as an ultimatum. Instead of dealing with the delegate, he says, he told him to have the workers come over and talk with him. On the contrary they picked up their coats and dinner pails and left.

New laborers were at once secured and the work went on without delay. The new men are receiving the 30-cent wage, as the others would have, declares Habing, had they talked to him about it.

Simultaneous with the strike at the Dye Works the laborers at work on the new Furnace factory building went on a strike. The same increase in wages was asked for. This is not expected to have any serious results.

Before laborers could be secured the masons were thrown out of work because they had no helpers. Practically all work on these new buildings was suspended for a short time.

BIBLE CLASS HOLDS BUSINESS MEETING

ANNUAL EVENT TAKES PLACE AT HOME OF MRS. P. OOSTING; PASTOR TEACHER

The Woman's Adult Bible Class of the Third Reformed church met Thursday afternoon at the home of Mrs. Peter Oosting, Graafschap road, for the annual business assembly. Rev. M. E. Flipse, pastor of the church, was elected to fill the vacancy caused by J. P. Hynzer's recent resignation as teacher of the class.

Other officers were elected as follows: President, Mrs. J. Irmann; vice-president, Mrs. J. Van Kersen; Sec'y, Mrs. S. De Boer; Treas., Mrs. John Du Mez. Other matters were discussed, at the conclusion of which refreshments were served by the hostess.

CITY MAY SEIZE PROPERTY FOR PUBLIC USE

COUNCIL DECIDES TO APPROPRIATE PROPERTY OF MR. AND MRS. COR. VANDEN ENDE

City Attorney Directed to Take Necessary Steps; To Investigate Similar Cases

The Council Friday night took the first steps in the action to appropriate the property of Mr. and Mrs. Cornelius Vanden Ende for the purpose of laying out and opening Twenty-first street between Maple avenue (if extended) and First avenue, and Maple avenue between Twentieth and Twenty-first streets. The special committee of which Mr. Congleton is chairman, which was appointed to investigate this matter reported in favor of appropriating the land and three separate reports and resolutions submitted by this committee were adopted unanimously by the council.

It is understood that Mr. Vanden Ende will fight the city's attempt to appropriate his land and he has hired Attorney A. Ellis of Grand Rapids to defend his claims.

The question of opening these streets arose some time ago when it was wished to put drains and sewers through there. The council has made futile attempts to purchase the lands for opening up these streets but it is impossible for the council to agree with Mr. and Mrs. Vanden Ende as to the purchase price.

The final resolution of the council on this matter was to the effect that City Attorney McBride was directed to institute proceedings in such a case in behalf of the city before Thos. N. Robinson, Justice of the Peace, to take the described property of Mr. and Mrs. Vanden Ende for public use.

In Cleveland Avenue and other streets near there not opened yet the city is having trouble similar to the Vanden Ende case. So far committees have been unable to come to terms with these property owners but the council has decided to try again. Mayor Vandersluijs appointed a special committee consisting of Aldermen Lawrence, Wiersema and Brive to investigate these cases and report at the next meeting.

ASK POOLE TO MAKE BAD CURVE SAFE

DEATH OF GIRL AT "DEAD MAN'S CURVE" AROUSES COUNCIL AS WELL AS CITIZENS

"Dead Man's Curve," was brought up for discussion at the council meeting Friday night when Mayor Vandersluijs asked if the council could do anything toward having this curve made safe. The death of six-year-old Bernice Bultman, daughter of Mr. and Mrs. J. Bultman of Fennville, caused by an automobile accident at this curve Wednesday has aroused the aldermen and people of Holland.

It is easy for a local person familiar with this curve to slow down and get safely by, but strangers are in great danger of accident and because of their unfamiliarity with the road they endanger the lives of other motorists.

It was decided to address a communication from the council to Mr. Poole, who owns this property to have the trees on this curve cut down, so as to make the road safe to the public.

Not much is expected from this as Mr. Poole has received such requests from different sources nearly every year, generally after an accident. He has always ignored these requests.

Most of the city dads expressed themselves as willing to joining a woodmen's expedition to this curve some night and cut down these trees.

7,000 VISIT FIRST STATE BANK HOME

PUBLIC OPENING FRIDAY GREAT SUCCESS; BUILDING CROWDED EVERY MINUTE

The formal opening of the new First State Bank building Friday afternoon from 3 to 9 afforded many people of Holland an opportunity to inspect the fine place of business. The rest rooms and furniture found in the bank were highly complimented by the crowds and the bank officials congratulated on their success.

Fully 7,000 visitors were entertained at the bank and souvenirs hands out. Immediately after the closing of the doors last night Att. George E. Kollen, one of the directors, informed the Sentinel that at five minutes after the bank opened for inspection a crowd filled the lobby and passed thru the entire building, this being kept up till 9 o'clock. "This shows the value of advertising very plainly. The local press alone informed the public," said Mr. Kollen.

Many complimentary remarks were made concerning the page advertisement found recently in the Holland papers.

Mr. and Mrs. J. J. Armstrong at Waukazoo Pleased With Daughter's Daughter

A daughter was born to Mr. and Mrs. James F. Carukin at Chicago. Mrs. Carukin was formerly Miss Marjorie Armstrong and she is now at Waukazoo with her parents, Mr. and Mrs. J. J. Armstrong of Chicago, who have been spending the summer here for many years. They are overjoyed at the honor of being grandparents and their many friends at Waukazoo and Holland take delight in asking them about it by telephone and personal visits.

TWO VERDICTS GIVEN BY CIRCUIT COURT JURY

Judgments Rendered by Jurors for the Plaintiffs in Circuit Court Since Jury Cases Have Been Taken Up

In circuit court Wednesday the jury returned a judgment for \$605 including interest in the case of Jacob Aman against Rollin Pelton, the amount of Aman's claim against the defendant. This case arose from a dispute as to the amount due Aman, in return for a deal with the defendant to cut some timber which was owned by Pelton.

The defendant in the present case is dead and this fact complicated matters considerably in the settlement of the terms of the agreement. Aman, however, owned the sawmill which was employed in the cutting of the timber, and he claimed in his case that he did not receive all that was due him.

In the case of Henry Konw against Peter Zylstra the jury awarded a judgment of \$100 and interest to the plaintiff. This was the first installment of a bond for \$400 which Zylstra had given some time ago for the support of an illegitimate child, in settlement of a damage suit. The baby did not live, however, and the defendant maintained that he was thereby released from his bond and failed to pay the first installment.

PAVING MATERIAL ORDERED FOR CENTRAL

STREET COMMITTEE PURCHASES 15,000 GALLONS OF ASPHALT FOR THE WORK

The city is determined to push the work of repaving Central Avenue just as rapidly as possible. Vandersluijs asked what progress was being made, at the council meeting Friday night. He was informed by Ald. Congleton that the city had ordered 15,000 gallons of asphalt for this work and that it will be here in about two weeks. All the other material needed for this work has been ordered. The council approved of the action taken by the street committee.

SOCIAL SERVICE WORKERS AID FAMILY

MRS. P. POPPEMA, MOTHER OF 8 SMALL CHILDREN, VICTIM OF PNEUMONIA

Mrs. P. Poppema, aged 43 years, died Friday night of pneumonia. She leaves a husband and eight children, the youngest of which is but three weeks old.

Funeral services were held Monday afternoon at 2 o'clock from the home 214 East 17th street. The Rev. Mr. Einink officiated.

Neighbors Friday reported that the Poppema family were in straitened circumstances. Ladies of the Social Service society responded immediately, secured a nurse for the sick woman and did all they could for the children.

CLASS HAD REUNION

The class of '15 of the Holland High school, 25 strong, piled onto a hayrack Friday afternoon and rode to Castle Park after six o'clock. Supper was served on the beach around a campfire, and the singing of songs old, songs new and songs still to appear amused the crowd, most of whom were roasting marshmallows.

The return ride was made in the wee hours, when the members of the reunited class slowly separated from the pile of straw and sought the downy. Miss Bernice Masten of the High school faculty and Alfred Serrine chaperoned the party.

A newspaper is in no sense a child of charity. It earns twice over every dollar it receives, and it is second to no enterprise in contributing to the upbuilding of a community. Its patrons reap far more benefits from its pages than its publishers, and in calling for the support of the community in which it is published, it asks for no more than in all fairness belongs to it, though generally it receives less.—Ex.

MILES WINNER IN RACE FOR PROSECUTOR

DEFEATS ROBINSON BY LARGE MAJORITY IN THE COUNTY FOR NOMINATION.

Attorney F. T. Miles was nominated prosecuting attorney of Ottawa county on the Republican ticket at primary election Tuesday. He defeated his opponent, Thos. N. Robinson, also of this city, by a large majority, winning out in nearly every section of the county.

A close contest was predicted in this race but the vote at the polls upset all hope. Sentiment and general activity seemed to favor Robinson as a strong contender but a big silent vote for Miles fairly swamped Robinson. Mr. Miles carried every ward in the city with the exception of the second.

Fred T. Miles

There Mr. Robinson received a majority of 8 votes. Mr. Miles also carried nearly every township in the county and he carried Grand Haven by a majority of eight. The total vote on prosecutor as far as has been received in the county: Miles 2928; Robinson 2016. The total vote on prosecutor in the city is Miles 1121; Robinson 705. In Grand Haven the vote on prosecutor was Miles 469; Robinson 461.

The total vote in the city was 1826. This shows that both candidates were out working hard and getting out just as many voters as was possible. Both men fought hard for the place and not a stone was left unturned to further their candidacy.

The result of this contest was a foregone conclusion Tuesday night when it was learned that Mr. Miles received a majority of 416 in Holland city and was running strong in the northern part of the county where even Mr. Miles figured Mr. Robinson would get his greatest support.

Mr. Miles is greatly pleased with the result of the contest and this morning he extended his thanks and appreciation to the voters who backed him in the campaign.

KOOYERS HAS SAFE LEAD OVER SOOY CARRIES HOLLAND BY 559 MAJORITY; SOOY WINS IN GRAND HAVEN BY 40 VOTES

MORE THAN 600 AT
TEND SHOE'S PICNIC

RAIN AND THREATENING
WEATHER DOES NOT KEEP EM-
EMPLOYEES FROM PARK

Sports, Contests Cause Much Fun and
Amusement; West Michigan Beat
Shoes in Ball Game.

The second annual picnic of the Holland Shoe company employees, held last Saturday at Jenison Park, was a great success in spite of the rainy, threatening weather in the morning. While it was raining in the morning very few people went to the park but after the rain had ceased the special cars were crowded and by 11 o'clock fully 600 had gathered on the grounds.

As the Limberts refused to play the ball game that had been scheduled the West Michigan team, formerly in the factory league was secured. This team defeated the Shoes 5 to 1. Carl Shaw umpired.

This sports program was carried off as scheduled and the various contests created a great deal of fun and amusement. The contests and winners are as follows: Peanut scramble for girls under 12—Helen Kienstra, Brownie Kodak; Cracker race for boys under 12—John Stelman, catcher's glove; Pipe lighting contest for male employees—John Koning, briar pipe; potato race for ladies, Jovena Steggerda, hair hatpins; sack race for boys under 60—Fred Bocks, fishing reel; wheelbarrow race for boys over 3, John Beltman and John Vande Wege, pocket knives; ball throwing contest for ladies, Etta De Ward, bar pin; Three-legged race for boys all ages, Pete Ver Schure and Fred Bocks, minnow buckets; Shoes and stockings race for boys under ten, Reuhart Hiphagen, football; Twenty-five yard dash for ladies, Nettie Sullivan, waist set; Centipede race, six man team—John Ter Beek, John Beltman, John VanderWege, Dick Thomas, Marvin Steggarda and James Willschot, box of cigars; nail-driving contest for ladies, Mrs. Fred Bocks, silver thimble; potato peeling contest, for married ladies, Mrs. P. Ver Schure, aluminum kettle.

Frederick Tilt was starter of the contests and the judges were August Heuer, Edward Moore and Floyd Teeple.

PLANS UNDER WAY
FOR STATE MEET

MICHIGAN SUNDAY SCHOOL CON-
VENTION IN HOLLAND TO BE
GREAT EVENT.

A meeting of the executive committee on arrangements for the State Sunday school convention was held in the Trinity church Monday night. All members of the various committees were appointed and plans were made to begin active work to prepare for the largest Sunday School convention ever held in the state.

An excellent program is being prepared and the music will also be a great feature. The parade promises to be the best ever seen on Holland's streets and that the streets will be appropriately decorated for the occasion is being looked after by the proper committee.

It was decided Monday night to have a social in the near future at which all the teachers and various officers of the Sunday Schools of the city will be present. The committee is very anxious to have all the churches in the city take an active interest in this convention which is to be one of the greatest events of the year for Holland.

CONTRIBUTION

HELP MICHIGAN GET INTO LINE;
YOU CAN DO IT BY VOTING
RIGHT.

The voters of the state of Michigan will face a great issue at the general election in November, which they will have to decide by their vote. It is state wide prohibition, which ought to carry by a good majority. It ought to carry and you should vote for it because:—

1. By that step Michigan will be joining the procession of true progress. True progress is that which contributes to the great social, economic, and moral welfare of society. Many states of our Union have become convinced that the abolition of the liquor traffic through state-wide prohibition is a long step in the direction of better things, and have joined the "dry" ranks. More than 80 per cent of the area of the United States is no-license territory, and more than 60,000,000 or 65 per cent of the population of the United States live under prohibition laws. The United States prohibits the liquor traffic among the Indians, in portions of the territories, in military forts, and reservations, in the navy, in the national capital, in the soldiers' homes and other specified areas under federal control. Nineteen states have passed state-wide prohibition amendments. They are Maine, Kansas, Oklahoma, North Dakota, Nebraska, Alabama, Georgia, Mississippi, Tennessee, Alabama, West Virginia, Virginia, Washington, Oregon, Colorado, Arizona, Iowa, Arkansas, Idaho and South Carolina. These states voted "dry" not because they were stamped into it by a lot of fanatics, but because they faced the facts and sound reasoning led them to this inevitable decision. And if that governs the voters of Michigan this coming fall our beloved state will join the procession. State-wide prohibition should carry

2. Because wherever it has carried it has been the forerunner of better economic and moral conditions. A fair consideration of statistics proves that beyond the shadow of a doubt. One hardly knows where to begin adducing evidence. This, however, must be granted: that evidence from states and communities that joined the prohibition ranks only a few months ago and have not become fully adjusted to the new order of things should be especially convincing. Look at only a few of such times, and then remember that they could be multiplied a hundred-fold.

Spokane and Seattle are thriving cities of the great state of Washington, which became a prohibition state only a few months ago. One of the dailies of the city of Spokane reports the following increase in the banking business since the State became dry. One bank reported an increase of 471 in the number of its accounts during the first six months of 1916 over against the same period in 1915. The year 1915 showed an increase of only 17 compared with the same period in 1914. Another bank reports an increase of 100 per cent in accounts.

Local grocers in the city of Seattle all favor prohibition. It has paid them. They find it so much easier to collect bills. Businessmen say that customers now pay bills promptly enabling merchants to have money in the bank to draw upon. This has been a revelation to many people. They have discovered that the expected business loss under prohibition has been a mighty gain.

Many communities derive considerable income from the tourists who visit their many summer resorts. The testimony of the State of Oregon with reference to the effect of prohibition on tourist travel is therefore especially interesting. Tourist travel has not been affected unfavorably. The Raymond and Whitby Tours Co. booked twice as many people to prohibition Oregon as to wet California.

The city of Denver furnishes several conclusive facts. Denver had prohibition imposed upon it from without, something which we have sometimes thought might have happened to Holland and Ottawa county before their names appear in the dry column, although their vote at the coming election will prove this impression to be a mistaken one. It is now generally conceded that if an effort were made to repeal the prohibition amendment the city of Denver would give an overwhelming first majority. Since the first of January, Denver's volume doubled in volume. The number of mortgages lifted has increased by 262 over last year. Crime has decreased since the abolition of the saloon. The County Jail used to house daily from 200 to 250 persons. Now it houses about one-third that number. The City Jail harbored about one hundred per night, but harbors about one-tenth of that number at present. Accidents have also decreased. Mining proprietors throughout the state will fight against the beer amendment which the liquor forces are proposing for a vote at the fall election. Mining accidents have been reduced from one-third to one-half with twice as many miners employed as a year ago.

We shall have to close or we will be taking too much space. Many other facts that are just as convincing could be adduced. Fact talk. They are hard to down. Had we not better yield to their logic and vote VOTE DRY!

W. J. VAN KERSEN.

GIRL DIED SUNDAY

Miss Anna Rozeboom Survived By Par-
ents and Seven Brothers and Sisters

Miss Anna Rozeboom, aged 16 years and ten months, died Sunday afternoon at the home of her parents, Mr. and Mrs. C. J. Rozeboom, 64 East 18th Street. She leaves besides her parents, seven brothers and sisters, Joe, John, Jeanette, Fred, Clarence, Marinus and Cornelia.

The funeral was held last Wednesday afternoon at 1:30 from the home and at 2 o'clock from the Ninth Street Christian Reformed church. The Rev. Mr. Tuuk officiated.

OTTAWA HOTEL IS
FIRST TO LOCK DOORS

THREATENED RAILROAD STRIKE
FORCES ANXIOUS RESORTERS
TO HURRY HOME

Macatawa, Waukazoo and Saugatuck
Soon to Follow Suit; Season
One of Very Best.

The resort season sounded its closing knell, the first of a long ring, Tuesday morning when the Ottawa Beach hotel locked its doors immediately after breakfast. About seventy-five guests were present for breakfast.

The Macatawa Hotel will close shortly before the 15th of September, being about the last one to close of the Black Lake resorts. Waukazoo will remain open till shortly after Labor Day, depending on the weather, and will then lock up for the winter. Castle Park has had its share of the unusual influx of summer boarders. One of the largest crowds that ever inhabited this quiet spot enjoyed the summer there.

Saugatuck's hotel, Tourists' Home, will remain open in its hotel proper till cold weather forces it to close, when the annex will alone be open for the winter. As many as forty guests are still staying at Tourists' Home.

The dancing pavilion at Saugatuck, the largest in Western Michigan, will continue to entertain the crowds till Labor Day, when in the evening a last big celebration will wind up an eventful season. This floor, capable of holding 1200 without crowding the dancers has had many an opportunity to tax its capacity during this past summer. Reporters from Macatawa and Ottawa Beach and people from Holland formed several parties during the warm evenings that visited this place of amusement.

The summer season now closing has been one of the best in many years. Last year's poor resort season is in sad contrast to the very busy one this year. Hotels on Macatawa Bay were put to the test of their capacity, many times being forced to turn inquirers away. Ottawa Beach, always drawing the largest crowd, broke its past records over several week-ends and on the Fourth.

During the past week a steady decline in the number of summer residents at the hotels was noticeable. The cold wave made some forsake their cottages and the hotels, but most of them, who are living at a considerable distance from here were anxious to get home before the threatened railroad strike. In view of this Ottawa closed a few days earlier than has been the custom when the first of September marked the end of the summer.

FARMER FELLED BY
BLOW FROM WAGON

TONGUE STRIKES HIM IN BACK
OF HEAD; CONCUSSION OF
BRAIN FEARED.

While drawing a wagon out of his barn Monday morning at 7 o'clock, Peter Williams, living four miles south of the city, suffered a most peculiar accident that almost cost him his life outright. After releasing the wagon and turning to close the barn door, the front wheels turned around and swung the wagon tongue against the back of his head with such force that he was knocked unconscious.

When found some time later, still unconscious, Dr. De Vries of Overisel, was summoned and an examination made. It was seen that his skull had been badly injured and concussion of the brain is feared. The victim was unconscious till noon. At first he could tell nothing of the accident, as he had been struck down suddenly without knowing that he had been hit. His condition is critical, the exact effects of the blow not yet being known.

TO ENFORCE LAW
AGAINST SMOKING

WARNING SIGNS PLACED IN ALL
GARAGES BY FIRE CHIEF
BLOM MONDAY.

Bright red warning signs headed, "Smoking Strictly Prohibited," were posted in all garages Monday by Fire Chief C. Blom. The law against smoking in garages reads, "The carrying or using of matches or smoking in any part or section of a garage is extremely dangerous and a decided menace to life as well as property and is hereby prohibited in all garages in Michigan and in all rooms or parts of buildings which contain inflammable liquids in open or closed containers or in which vapors from inflammable liquids are present, or in which inflammable liquids are used in any manufacturing process."

This law applies to every person, owners, employees and patrons. Penalty for violations is a fine of not less than \$50 and not more than \$100 or imprisonment not to exceed 90 days or both fine and imprisonment.

HOPE GRAD GETS
PROMINENT CALL

REV. B. J. BUSH TO GO TO LEXING-
TON, KY.; MRS. BUSH NEE MAE
VAN DREZER

The New Paltz Times of New Paltz, New York, contains a notice of news that is of interest to Holland people. Rev. B. J. Bush has accepted a call from the Second Presbyterian church of Lexington, Ky. Rev. B. J. Bush is well known in Holland, being a graduate of Hope College. Mrs. Bush was formerly Miss Mae Van Drezer of this city, who has been visiting her parents here for the past few weeks.

Rev. Bush will leave his recent charge in West Hoboken, N. J., early in September to take his new place. Before that time he will visit friends in Holland, being expected here in a day or two.

OLD HOLLAND INTER-
URBAN HEAD IS DEAD

MR. S. HENDRIE, ILL. TWO YEARS,
DIES AT RESIDENCE.

Was Born in Detroit Forty-Nine Years
Ago; Always Prominent in
Business Life

Etrathrean Hendrie, prominent Detroit business and club man and son of the late George Hendrie, pioneer builder of Detroit's street railway system, died at his home at Grosse Pointe Farm Friday morning, at the age of 49 years. Death was due to a gradual decline following an operation performed last October.

Mr. Hendrie's illness extended over a period of two years, during which time he underwent two operations. For a short time after the second operation, his health seemed to improve, but about four months ago his condition became such that he withdrew from active participation in the many interests that he was connected with.

Mr. Hendrie was well known in this city as for ten years he was general manager of the Holland Interurban and came to this city at least once each week.

Mr. Hendrie was a scotchman and was well liked by all the employees of the road. Jack Busby the old superintendent who retired with Mr. Hendrie three years ago was a close friend of his. Mr. Busby having been identified with the Hendrie railroad interests for at least 40 years. The funeral of Mr. Hendrie took place Monday.

JUDGE CROSS GIVES GOOD
ADVICE FOR DIVORCEES

BIBLE READING HAS NOTHING TO
DO WITH GRANTING OF DI-
VORCE IN PLATT CASE.

Erroneously stated in the local press and in many state papers is the item that was headed, "Milton Platt secures decree from his wife because she made him read the bible." Judge Cross has another version of the matter and we hasten to publish the judge's findings which also carries with it a lesson. The letter from Mr. Cross follows:

Holland City News,
Holland, Michigan.

Gentlemen:—
In a recent issue of your paper I noticed the following heading to an item "Milton Platt secured Decree from his wife because she made him read the Bible." This is very misleading. The party was granted a divorce because of the extreme cruelty of the wife, and not because she made her husband read the bible. The wife was commended for requiring her husband to read the bible, and if more people read the bible and followed its teachings there would be less divorce cases in our courts. I am sure the heading to the item was simply a mistake by the one who gave you the news item.

Very truly yours,
ORIEN S. CROSS.

TO INAUGURATE PRES.
OF ALMA YEAR LATE

DR. AME VENNEMA OF THIS CITY
HAS RECEIVED INVITATION TO
ATTEND CEREMONY.

President Ame Vennema of Hope College has received an invitation from Alma to be the guest of Alma College the latter part of October.

Oct. 31 and Nov. 1 promise to be two of the biggest days in the history of Alma college. The board of trustees has set these two days for the formal inauguration of President Harry Means Crooks, the new head of the college, who has been so busy during the past year that he could not find time to be inaugurated, and now the trustees are asking that he take time, and are planning to make the inaugural a big affair.

All of the Michigan college presidents and Gov. Ferris have been invited to be present as have many other college and university presidents from around the country. Among those who have already replied favorably are President White of Wooster university, President Gage of Huron college, President Nolan of Lake Forest college and President McAlpine of New York, head of the Presbyterian college board of America.

On the first day the college presidents will hold an educational conference, at which time six of the well known college educators of the United States will make addresses. On Wednesday the formal inaugural of President Crooks will take place in the morning, followed in the afternoon by another college conference of presidents.

REV. MR. DAY TAKES
CHARGE CHURCH HERE

APPOINTED PASTOR OF WESLEY-
AN METHODIST AT CONFER-
ENCE AT HASTINGS

At the Wesleyan Methodist conference at Hastings just closed, Rev. H. A. Day, of Grand Rapids, was made pastor of the Holland church, and the ex-pastor was made evangelist at large.

The Wesleyan Methodist church stands for high, clean cut, bible principles and largely for this reason the church has grown slowly, yet, under the very able leadership of Rev. Day, greater success and more advance is expected.

Rev. Day has the expository method of preaching, and being a very thorough bible student and long experienced speaker, his addresses are convincing and enjoyable.

Every one is very welcome at all services. Class meeting 9:30 a. m. Preaching 10:30 a. m. Sunday school 12:45 and evening services 7:30. Cor. 17th St. and Pine avenue.

ARRESTED AS SPEEDER
CLAIMS NUMBER WRONG

MARTIN OF BOYNE CITY WRITES
JUSTICE HIS CAR NEVER
SAW OTTAWA COUNTY

Some complications have arisen in the summons to court of a few of the Sunday speeders "pinched" by Sheriff H. Dykhuis between Holland and Macatawa. Wm. Martin of Boyne City, told to appear before Justice Sooy on the charge of speeding, answered the justice by mail Friday morning.

"Number 67863 is the one on my car alright and Laketon, I take it, is in Ottawa Co., but my number and Laketon have never met. Neither I or anyone else driving my car have ever been near Ottawa county. Some mistake has been made in getting the number, I'm sure."

Cotter of Grand Rapids was similarly notified of his arrest and the answer he sent to Justice Sooy informs him that the car was sold some time ago to M. C. Mattison. A new warrant will have to be made out before this owner can be arraigned.

Bauer of Grand Rapids paid a fine and costs on the same charge. No real inclinations to fight the arrests made by Sheriff Dykhuis have been shown so far.

PICNIC WAS ONE
MOST SUCCESSFUL

REBECCAS AND ODD FELLOWS
FROLIC AT JENISON PARK
THURSDAY.

About 125 Rebecca and Odd Fellows of this city enjoyed a picnic at Jenison Park Thursday. The affair was a complete success from every point of view. There was plenty of eats and plenty of fun for all and the picnickers are unanimous that this was one of the best picnics ever held by the local orders.

Dinner was served at noon with Mrs. Hahing as chief cook and all the ladies "doing their bit." After enjoying the good things to eat short talks were heard from several prominent lodge members. Mrs. Allen Harris acted as toastmistress. The table was nicely and artistically decorated in pink and white, the emblematic colors of the order.

In the afternoon a fine program of sports and interesting contests was carried out. Mrs. Brightwall won the water melon eating contest but she says, "Never again." Mrs. Bell easily became the prize pickle eater.

Supper was served on the picnic grounds and after that the picnickers enjoyed the beauties of the Park.

GIVEN FAREWELL PARTY

Party in Honor of Miss Grace Johnson
Of Fremont Thursday Night

A farewell party was given Thursday night at the home of Mr. and Mrs. Geo. Brucker, 404 Columbia avenue in honor of Miss Grace Johnson of Fremont, who will return to her home after spending the summer here. Games and music took up the evening after which refreshments were served. Those present were the Misses Hattie and Grace Laarman, Jennie Strutker, Anna—Duits, Flora and Josephine Cramer, Mabel Kline and Myrtle Vanden Bosch.

An indoor baseball league will be formed among the factory teams who have composed the factory league of outdoor baseball during the summer. Arrangements have been made, according to the managers, to have the high school gym. one night a week for this purpose.

Because of failure to continue the outdoor baseball league the indoor league among the factories will be the stronger. No ill-feeling is present at all, but instead they will endeavor to show their desire to further baseball in the city by this winter attraction, and next spring will convert the indoor league into an organization similar to the one just dissolved.

YOUNG MAN MAKES
STATEMENT

Gives history of curious disease
De Jonge's spinal adjustment
strongly endorsed

To whom it may concern:—I have not been well since birth and was affected with a trouble which it seemed none could diagnose. Since birth I had a trouble which affected me only while asleep. When lying on my left side I could get no breath and felt as if I were dying. When lying upon my right side I would get a nightmare but would stay in bed throwing my left arm back and forth and making a hissing noise with my mouth. If strangers would see me in this condition they would say he is insane. As soon as I awoke I would be alright. The older I was getting the more trouble would have. At about my eighteenth year I got a dull aching headache which I was afraid would cause insanity.

Have tried some of the best physicians in Europe and the U. S. but with no results whatever. They told my parents it was a habit and I would never get it over, unless I would lie on my left side all night. I tried this but it was impossible for me.

February, 1915 when twenty years of age a friend of mine was talking about De Jonge, the Chiropractor, something I had never heard about before. After talking it over at home I made up my mind to try De Jonge, Chiropractor, as a last resort. On my first visit to De Jonge, he found the cause of my trouble within five minutes time. He gave me a course of forty two adjustments of my spine which allowed nature to restore the abnormal to normal and have been healthy and relieved of all my troubles which I have had for twenty years or since birth.

I was so well pleased with the results that De Jonge had in my case that I went to Iowa and am now studying the best, safest, and quickest way to health—Chiropractic.

If spinal adjustments will restore old chronic cases like mine was in so short a time and that all other methods have failed, it will surely work wonders in acute cases if given a trial.

Words fail me, I cannot express my great gratitude towards John De Jonge D. C. God bless him in his great work for suffering humanity.

WANT PROPOSED HOSPITAL ON CITY HALL LOT

PRESENT THE PROPOSITION TO THE COMMON COUNCIL FRIDAY EVENING

Hospital Could Be Heated By The City Hall Boilers; Money Could Be Raised by Popular Subscription

The committee appointed by the Chamber of Commerce to go into the feasibility of building a hospital for the city and devising ways and means and plans for such an institution have completed their work and Friday evening laid their plans before the Common Council in the form of a communication. The document gives in detail what these plans are and the committee consisting of Nicodemus Bosch, chairman, A. Leenhouts, Henry Winter, Henry Geerlings and George E. Kollen, have left the working out of their suggestions to the city fathers to wrestle with and to finally decide upon the advisability of the following plans recommended.

To the Hon. Mayor and Common Council of the City of Holland,

Gentlemen:—We, the undersigned, appointed by the Chamber of Commerce as a committee to investigate as to the needs and the practicability of building a hospital in this city, desire to send this communication to you.

1. After a thorough investigation, we have come to the conclusion, unanimously, that there is a real need in our city for an up-to-date, well-equipped, hospital. Our city is growing, new labor-embodying institutions are locating here, and the population most in need of hospital services are on the increase, and the community owes a duty to those who may become unfortunate by sickness or accident.

2. After we came to this conclusion, we began to consider the ways and means of constructing and operating such a hospital, and at the suggestion of some of the physicians and leading citizens, we believe a hospital can be built sufficiently large enough to take care of the present and immediate needs and for some years to come, and that it can be maintained properly and in good shape in the following way:

The City of Holland owns a lot directly west of the City Hall, which it puts to little or no use. This, in our opinion, would be an ideal place for a hospital, on a quiet street, near enough to the street car line to afford easy approach to it, and right near a beautiful park. If the City would lease this lot to the Hospital Association, hereafter formed, for a term of years without any rental charge, and would heat this hospital from the city hall boilers and would furnish the hospital with janitor services, heat, light, and water without charge, we believe a hospital could take care of all its charity patients, and still be self-supporting, or at least nearly so. The plans in detail have been worked out quite carefully, and the cost to the city would be nominal, whereas the benefit to the community would be hard to estimate. A nice brick building could be put up on this lot which would not be objectionable architecturally, and would not reflect upon the street or on the city hall. Unless the city can see its way clear to do this, it hardly seems within the possibilities that a hospital can be built by public subscription and thereafter maintained. The burden would be too large to carry, and we therefore, petition your Honorable Body in behalf of the Community for this concession, and if it is granted, we will undertake to solicit funds for this institution. If its leading manufacturers and public-spirited citizens feel that the city is willing to do something towards the maintenance of the hospital, the subscriptions would come very much easier. We respectfully solicit your cooperation, and the granting of this request.

Hospital Committee,
NICODEMUS BOSCH,
Chairman.
A. LEENHOUTS,
HENRY WINTER,
HENRY GEERLINGS,
GEORGE E. KOLLEN.

The committee also attached a resolution upon which the Common Council could pass favorably if they liked the plans. A copy of the resolution follows:—

Resolution

Whereas a communication has been handed to us by the Hospital Committee, appointed by the Chamber of Commerce of this city, in which the needs and the feasibility of constructing a hospital in this city are set out quite fully, and whereas we, as a Common Council, believe that there is a real need and necessity for the establishment of such an institution within our midst, and whereas we believe that the city should do something towards encouraging this worthy enterprise and should help to support and maintain it, at least in some small measure, therefore, be it resolved that the prayer of the petition be granted, and that we as a Common Council, agree that if the necessary funds can be raised by public subscription for the construction of an up-to-date, well-equipped hospital, sufficiently large to meet the requirements of the public, that the city will lease to the Hospital Association, hereafter formed, the lot of West Eleventh street lying west of the City Hall, for a nominal rental of \$1 per annum, and that they furnish heat, water, and light to such hospital without charge, together with janitor services.

The communication submitted to the Council by the hospital committee was read by the city clerk. Alderman Wiersema then moved that the matter be referred to the committee on Ways and Means. He was supported by Drinkwater.

The question was opened for remarks and several aldermen spoke to the effect that the proposition was sprung upon them Friday night as more or less of a surprise and that the council should be given time to consider it before taking action.

Ex-Mayor Bosch, chairman of the

hospital committee was present at the meeting and he was called upon for remarks. He took his place in the council chamber, still a familiar figure to many of the aldermen and city officials. In discussing the matter he said, "I firmly believe in this cause and I believe that all of you do. I am fighting and working for a hospital and with others am doing all I can to secure a hospital for Holland because this city needs one. However I do not believe in rushing things through the council and I think the motion before the house to be alright. Still we wish to get to work on this proposition as soon as possible and do not wish any unnecessary delay."

"When I was first appointed chairman of this committee I was somewhat skeptical. But since the committee has evolved the plan stated in the communication just read I and the other members of the committee believe that now something really can be done and we are all very enthusiastic about this proposition. We feel now that we have a proposition well worth the consideration of the common council and we believe that the people of Holland will all favor this plan unanimously."

"When a hospital project was launched sometime ago it went quite successfully for awhile but it finally fell through. The reason for this was that the project did not have an anchor. Now if the city will take an active interest in the matter by furnishing a lot and aiding in the upkeep this will act as an anchor and the committee after public subscriptions will have a good argument to advance. They will have something to start with. We figure to raise enough money by private subscriptions to pay for the building and equipment. After that we leave it to the charity inclined of the city and various societies to keep up active hospital work and see that the hospital here is never in want."

Mr. Bosch then volunteered to answer any questions asked to the best of his knowledge.

In this way these points were brot out by Mr. Bosch in answer to questions. He has only encountered one doctor opposed to the plan and he believes that man's opposition to be due to selfish motives. "No well-thinking doctor could stand in the way of such a proposition," he said, "I think they will all put their shoulders to the wheel and back it."

It is estimated that the building and equipping of the hospital proposed will cost about \$15,000. The expense of upkeep will depend on the amount of business.

The boilers in the city hall have a large enough capacity to furnish heat to both buildings. Extra janitor service will be necessary but the cost as a whole to the city will be very small.

Many doctors have said that they will give days for free examinations and treatment to poor people and considerable good will be done along this line.

Mr. Bosch declared that the location was ideal, the lot 35x132 feet is plenty large enough for years to come. The driveway around the city hall makes the hospital easily accessible and the street car is very convenient.

Because the council does not meet again until a week from Wednesday Mr. Wiersema changed his motion. The motion finally passed by the council was to the effect that the question be referred to the committee on Ways and Means and that committee call a special meeting of the council as soon as they are ready to report.

BUYERS IN NORTHWEST LIKE THE ALTER MOTOR CAR

F. M. Woodward, Sales Manager of the Alter Motor Car Company of Grand Haven Contracts 1400 as Preliminary Order

Grand Haven Tribune—Buyers of automobiles in the great northwest have been taken by the appearance of the new Alter car which will soon be made in Grand Haven. F. M. Woodward, the sales manager, arrived in Grand Haven from a trip to Minneapolis with an order for the delivery with all possible dispatch of 1400 of the new model Alter cars.

The big preliminary order came from the Great Western Automobile company at Minneapolis, which will handle the Alter car exclusively. The control of company is in the hands of the Brice family in Minneapolis, who have been identified with the auto sales business for many years and who are known as among the biggest dealers in the entire northwest. In the company are A. L. Brice, Milton Brice and Robert A. Brice who is the sales company manager.

The sales agency has all the territory in Minnesota, North and South Dakota, Montana and the western half of Wisconsin. Just at present the prospects for the auto business in the northwest are gilt-edged. People appear to have the money to spend for cars and hundreds are being sold. In interesting the Brice interests in the Alter as a sales product, Mr. Woodward is sure he has established a great market for the Grand Haven car, which is making a hit everywhere in the smaller car field.

The increasing demand for cars makes the company particularly anxious to get located in the new Grand Haven factory. When the concern was first brought to the city, the plans were to increase the output gradually until a maximum capacity of ten cars a day became the output. Under the circumstances which have since arisen, it is likely that it will be necessary to start in at a rate of ten cars a day.

BOY LEFT HOSPITAL SATURDAY

Frank Barkema, son of Mr. and Mrs. John Barkema, who was injured in a fall down an elevator shaft some time ago, was removed from the Edgewater hospital to his home 331 Columbia Ave., Saturday. Altho recovery is slow it is expected that he will suffer no permanent ill-effects from the injuries sustained in his fall.

GIRL VICTIM IN AUTO CRASH DIED THURSDAY

BERNICE BULTMAN, 6, UNCONSCIOUS 26 HOURS BEFORE HER DEATH; BRAIN CONCUSSION

Three Doctors and Trained Nurse Valiantly Try to Save Life; Midnight Operation Fruitless.

Bernice Bultman, six-year-old daughter of Mr. and Mrs. Jacob Bultman of New Richmond, died Thursday night at 6:30 as the result of the auto accident Wednesday afternoon at Dead Man's Curve on the park road. She was unconscious for more than 24 hours before her death, caused by concussion of the brain.

Three doctors and a trained nurse attended her and everything was done by the frenzied parents to save the life of their little daughter, but all in vain. From 4 o'clock Wednesday afternoon, about three hours after the accident till 6:30 Thursday night she was in an unconscious condition as result of a severe blow on the head, and in spite of the efforts of Dr. Rowe of Grand Rapids, Drs. Walker of Saugatuck and Bush of Fennville, the girl succumbed.

At midnight Wednesday, after a consultation, the doctors decided to operate upon her skull to relieve the pressure on the brain. This was done, a piece of the bone being removed. Soon after the operation it was seen that it had been in vain, as the victim was slowly sinking away.

Mr. and Mrs. Jacob Bultman and their family of three children were touring to Jenison Park Wednesday noon on their way to the Farmers' Picnic when Bultman lost control of the car at the spot about half-way, known as "Dead Man's Curve." The car skidded in the loose sand and crashed head on into a telephone pole at the head of the curve. The younger daughter, Bernice, was the only one suffering serious injury in the smash, she being thrown against the coat rail on the front seat.

At the time it was that she simply was the victim of a severe nose-bleed. The family was at once taken to their home by Peter Lievensen of the Peoples' Garage. They arrived just a few minutes before the girl became unconscious.

The car in which they were riding when the accident occurred was a fine new Reo, purchased the first part of June. It is now in the Peoples' Garage with the left side torn off, new fenders, running board and side shield being necessary, and the top mended.

This is the second death that is the direct result of striking that particular telephone pole at "Dead Man's Curve" within a year. Louis Van Slooten, a West Olive Center farmer, was killed when his machine struck that pole upon failure of the steering apparatus to work while rounding the curve.

The funeral of Bernice Bultman was held at ten o'clock Monday at the home of the parents.

FAMILY REUNION HELD AT JENISON

MR. AND MRS. J. H. TULS AND ALL CHILDREN AND GRANDCHILDREN GATHER FROM TWO STATES.

The family of Mr. and Mrs. J. H. Tuls 120 West 16th street, held a family reunion Thursday in the form of a picnic at Jenison Park. This couple now aged 66 and 63 respectively have eight children and they were all present at the reunion, which was the first one ever held. Besides the children with their wives and husbands there were nineteen grandchildren present.

The family met at the home of Mr. and Mrs. Tuls and from there they went to Jenison Park in automobiles. A group picture was taken. The children with their wives and husbands present at the reunion were Mr. and Mrs. J. Tuls, of Munster, Ind.; Mr. and Mrs. Geo. J. Deur of Highland, Ind.; Mr. and Mrs. Daniel Deur of Fremont, Mich.; Mr. and Mrs. Jacob Ruster of Grand Rapids; the Rev. and Mrs. H. Tuls of Supten, Mich.; Mr. and Mrs. Henry Tuls and Mr. and Mrs. Harry Prins and Miss Helene Tuls of this city.

Mr. and Mrs. J. H. Tuls came to this city from the Netherlands in 1883. For twenty-six years Mr. Tuls was an employee of the Cappon-Bertsch Leather company here. For the past seven years he has been in the retail grocery business.

\$1000 FIRE WRECKS HOME DURING NIGHT

FLAMES CREEP BETWEEN WALLS UNTIL SLEEPERS ARE AWAKENED; GREAT DAMAGE.

Fire at the home of Mr. and Mrs. Fred Wright, 22 E. 9th street, at 1 o'clock Monday morning did about \$1000 damage. In the dead of the night one of the occupants of the house was awakened by the roar of the flames in the walls, out of sight. Thinking that the chimney was burning out, the alarm was given.

When the firemen arrived they found their work cut out for them. The flames reached from the first floor to the roof, inside the partitions. The plaster in all the rooms was either damaged by the fire or soaked by the stream of water. Some of the furniture was ruined. After an hour's fight the flames were under control. It is thought to have started from the fireplace.

HERBERT VAN BALGOOYEN,
if living, or if dead, his heirs or devisees.

In this cause it appearing that plaintiffs have not been able to learn and determine whether the said Herbert Van Balgooyen is living or dead, or if dead, where his heirs or devisees are, or their place of residence.

THEREFORE, on motion of Diekema, Kollen & Ten Cate, attorneys for plaintiffs, it is ordered that the defendant, Herbert Van Balgooyen, if living, or if dead, his unknown heirs or devisees, enter their several appearances in this cause on or before three months from the date of this order and that within twenty days the plaintiffs cause this order to be published in the Holland City News, said publication to be continued once in each week, for six weeks in succession. The sole and only purpose of this suit is to clear the record title and remove a cloud which is against the record title to the following parcel of land:

All that part of the west fractional half of Section Twenty-eight (28) Township six (6), north of Range sixteen (16) west, which is bounded on the north by a line fifty-one (51) chains, and seventy (70) minutes east from the north line of said section; bounded on the south by the south line of said section; bounded on east by the north and south quarter line of said section, and bounded on the west by Lake Michigan, and containing thirty-three and six (33 1/2) acres of land, more or less.

LOCALS

Miss Theresa Huyser is a Grand Rapids visitor today.

Kris Karose returned yesterday from a short visit in Chicago.

The Rev. H. J. Veldman was in Grand Rapids today.

Mrs. G. Lemmon is visiting relatives in Cleveland, Ohio.

Att. Thomas N. Robinson left last night for Pentwater, Mich., to join his wife and two children in a visit at the home of his parents there.

Miss Earnestine Windkecht of Chicago is visiting at the home of her parents in this city.

Joe Rozeboom of Granada, Col., is in the city visiting friends and relatives.

Henry Pyle and Miss Nan Warnshuis left on the Steamer Puritan this morning for Chicago where they will visit friends.

The secretary of the Holland Fair will be located at 14 West 8th St. next door to P. S. Borer & Co., where you can enter your articles and receive any information required about the fair.

Mrs. John Steketee and daughter Cornelia have returned from a visit at Stanwood, Mich., where they spent a week at the home of Mr. and Mrs. Charles Weld. Mr. Weld formerly was employed at the Heinz factory as bookkeeper.

The Holland Scarleteers under the leadership of Mr. Roy H. Gilbert will render another band concert Friday evening, September first, in Centennial park at eight o'clock sharp. The band has played on former occasions and has seemed to please everyone and it is for this reason that they need no introduction. The band has been practicing faithfully since the last concert and has planned a lively concert. A lot of new and up-to-date music has been received so every one come out and enjoy an hour or more of real enjoyment. You will not be able to hear very many more concerts before cold weather, so come while the weather permits.

START FOOTBALL ON THE FIRST DAY OF SCHOOL

EIGHT OF LAST YEAR'S ELEVEN STILL IN LINEUP FOR HOLLAND HIGH

Grand Rapids Central First Game Sept. 30 Here; Union and Grand Haven Also on Schedule.

Football will start with a rush at Holland High on the very first day of school. A call for candidates is already out and will be announced Tuesday morning in school and in the afternoon the old practice grounds at 15th and River Avenue will be the scene of kicking, plunging and tackling and the careful moulding into form by Coach C. E. Drew started.

The material this year is extraordinarily encouraging. Eight of last year's first team men will still be with the eleven this year. They are Cappon, Irving, Van Dommelen, Boyd, TenCate, Wander Meulen and Kuite. Hoek, Chervinsky and Wall of the second team give promise of good material for vacancies.

The schedule this year is being arranged with several dates already definitely made. The first, instead of being Allegan high as has become the custom, will be Grand Rapids Central, playing here on September 30. This will also serve as a Boosters' Day game and the crowd is now assured. Grand Rapids Central never fails, be the day ever so rainy and cold, to draw a crowd that equals the Grand Haven day turnout.

Grand Haven is down for two games, one here and the other a return, the dates not yet decided upon. The extent of the rivalry between the two schools will have to be felt out before the matches will be played, it is that, to insure a clean game with no riot at the close. The close of the basketball game at Grand Haven last winter is not to be repeated if it can be helped.

Hart will play the second game of the season, also here, and Grand Rapids Union is booked for a match. Wm. Vanden Berg is acting as football manager this year.

HOUSEKEEPER FOR CHILDREN NEEDED

WOMEN ARE ASKED TO VOLUNTEER; FIVE WEEK'S OLD BABE PLACED WITH GRAND RAPIDS FAMILY.

A short time ago Mrs. Peter Poppema, Lincoln Avenue, died, leaving Mr. Poppema with seven small children, the oldest of which is sixteen, to care for. The family has been in destitute circumstances for some time. During the illness and death of Mrs. Poppema they were aided by the Social Service society of which Mrs. Gilmore is president.

Now the Social Service workers have placed Mr. Poppema's five-week-old child with a wealthy Grand Rapids family. The child will be adopted by this family.

Mr. Poppema is having difficulty taking care of his family and attending to his work. He is a poor man and cannot afford to hire a housekeeper so some woman or group of women are asked to volunteer their services in looking after this family. A housekeeper is needed badly. Will any volunteer?

Mr. Poppema is very grateful to the Social Service worker who aided him with funds and assistance wherever they could and he extends his thanks to all.

"GEEF MIJ EEN TICKET"

That the people of Holland, Diekema's home town, felt that there was no man quite like "Diek" for the governor's chair was demonstrated by more than one incident at the polls Tuesday when Democrats threw aside party restrictions and cast their vote for the Republican candidate.

One of these incidents told Tuesday night in the office of the City Clerk, where a circle of anxious Diekema fighters were impatiently awaiting the returns from over the state until early in the morning, created a sympathetic smile and a comfortable feeling that good old "Diek" was "solid" where he was known, anyway.

Into one of the polls strode a determined Hollander and asked for a Democratic ballot.

"A Democrat, ate you?" he was asked.

"Yah."

"Aren't you going to vote for Diekema?" asked another.

"Shure."

"Then you want a Republican ballot, mister," he was told.

"No, no. I seratz 'em thru and write 'Diek's' name. I vote for Geert Jan, you bet! Geef mij een ticket."

DEPUTY HAS RECEIVED SUPPLY OF LICENSES

Deputy Game Warden Cornelius Dornbos has just received a large supply of hunter's licenses, and with the hunting season coming on it is expected that many will apply. He is now ready to meet any prospective gunmen with licenses and will suitly meet those without licenses before long if they are not cautious and even then will not stop but will mete out to them a stiff punishment indirectly, letting the justice in on it. Yet, better get one.

(Continued from Page One)

then deploy platoons on a line of skirmishers and begin our advance toward the enemy. We must keep out of sight and crawl on the sand from one bush to behind another. Imaginary fire with our rifles is all we are given, but it makes the problem serious at that.

One hot morning as we lay on our bellies imagining we were pumping lead into the greasers, the shot occurred to me what a terrible thing actual warfare must be. The thought uppermost in the minds of every man was that he wanted to kill somebody. Our advances brought us nearer to the enemy and every man seemed to glory in the thought that we were getting nearer to our prey. It is blood, blood, blood of the greaser that every man wants to see on his bayonet as we are ordered to fix bayonets on the end of our rifles and charge the enemy. An uncanny shout fills the air and a cry of triumph flows from the lips of every man. Its terrible to think about and if you ever have anyone tell you that military training breeds militarism and creates a desire for war, tell them for me they don't know what they are talking about. Above all, it is a soldier who does not want war, for he knows, or at least has an idea of what it is like.

The Michigan camp is only a mile or so from the city of El Paso. Just across the Rio Grande, which by the way, is the muddiest stream I have ever laid my eyes on, it is the city of Jurez. Just now it is Carranzista, and safe for Americans to visit, but a soldier knows enough to stay away from it. Expanding the river is the famous international bridge over which the negro fighters at Carriza were brought back to the United States. The Mexican district of El Paso is in this neighborhood and is indeed very interesting.

Next Wednesday the Michigan brigade goes on border duty. We will be strung along the border for a distance of 90 miles. We will have to guard the line closely and often the guard posts are situated on the tops of high mountains. In passing these mountains it is barely possible to see the guards seated on the ridge, like a lump on a log, and more often it requires the use of strong field glasses. We expect to stay on this duty for fifteen days, either on the mountains or on the desert, where for miles, as far as we can see, there stretches nothing but cactus bushes.

The poor misguided folks at home think this life down here is hell. Well, maybe it is for the boy who would rather be home sitting on his mother's knee. Every college student has the privilege of leaving the service so he may continue on with his education. When this offer came to the Massachusetts troops, who are located across the canal from us, the Harvard boys there turned it down. They called it discrimination, and each one decided to stay until ordered home by Uncle Sam. The married men are fastly being discharged so they may go home to take care of their families. There is no reason for sobbing around here. There is no sympathy extended those who bemoan their fate unless it comes from another in the same frame of mind. Its a life of the survival of the fittest, minus the selfishness, for the man who is selfish is the man who stays in the lowest rank and never gets along.

My warmest personal regards to Carroll and "Dogs" and our mutual friends in Holland. Time affords an opportunity to think of the past here, and I think of the days I spent in Holland. Indeed, I shall never forget them, and whether we come home soon, or long after the holidays, I am looking forward to a visit with you, for there are many things to discuss.

I have the pleasure to know Mr. H. H. Fris, formerly of Holland. He is circulation manager of the El Paso Herald, a most ideal newspaper of the west. We find a great deal in common in discussing Holland. He is an ardent booster of this locality and its possibilities, and if I listen to him much more, I believe he will have me wanting to locate here when this little trouble is over. El Paso is a busy bustling metropolis, the passage, as its name implies, between Mexico and the United States.

Lastly, let me say I am glad I am here. I would not feel satisfied had I stayed at home. We all feel the same way about it, and send our hopes that the collycockles who stayed at home who had no domestic responsibilities, are still enjoying their manieures and pink teas.

With warmest personal regards to you, Ben.
