NUMBER THIRTY-FIVE

PRAKKEN-HUNTLEY WEDDING IS A SOCIAL EVENT

One of the social events of the season took place Friday morning at 10 o'clock when Miss Kathryn Praken, daughter of Mrs. Carrie Praken and Mr. Justus Robert Huntley, son of Mrs. Jennie Huntley, were wed. The ceremonies were performed by an uncle of the bride, Rev. J. G. Brouwer of Grand Rapids, in the Third Reformed church of this city.

The interior of the edifice was beautifully decorated in a color scheme of yellow and green.

Promptly at the stroke of ten the sweet strains of Mendelssohn's Wedding March softly floated from the organ loft, where Miss Susanne Hamelink ably presided at the large pipe organ.

With the first strains of music, the bridal procession, led by eight groomsmen and eight bridesmaids, wended their way up the aisle followed by the bride who was given away by her mother. The wedding marchers halted and took positions at the side of the altar that was enshrined by a mammoth arch of beauty done up in the color scheme prevailing in the church decorations throughout.

Here the groom awaited his bride, and here the young couple were joined in the holy bonds of matrimony, and here the honored divine spoke the final words "Whom God hath joined together, let no man put asunder."

The beautiful ring service played an important part in these nuptials, little Miss Carma Coster, daintily carrying the circle of gold which nestled in a tiny basket made especially for the occasion. The little tot as she toddled along, vividly depicted sunshine and showers.

The bride as she stood before the altar appeared beautiful in a white canton-crepe embroidered with white chenille and a veil of tulle daintily fastened with orange blossoms, was the creation that greeted those present. The bride also carried a beautiful bouquet of white bride's roses and swansonias. The groom was dressed in conventional black.

The best man was Mr. Otto Huntley, brother of the groom and the maid of honor was Miss Esther Praken, who was becomingly dressed in pink satin and carried roses. Mrs. Praken, mother of the bride, was elegantly gowned in gray silk.

The eight bride's maids who encircled the happy pair were dressed in pastel shades of organdy each carrying a large bouquet of asters, blending harmoniously with the colors of their respective costumes.

After the ceremony Miss Jeannette Praken sweetly sang "At Dawning," by Charles Wakefield Cadman, with pipe organ accompaniment.

The bride's maids were: Margaret Berkow, of Detroit; Gratia Hanley, of Marlette, Mich.; Rosella Smallen, Saginaw; Marion Mutchler, Paw Paw; Margaret Van Donselaar, Minnie Ray, Irene Van Alaburg and Beulah Du Saar of this city.

The groomsmen were: Peter Van Dommelen and Dyke Van Patten of Grand Rapids; Franklin Cappon, Leslie Risto, Harris Bertsch, Russell Huntley, Harold Golds, of this city and Gerard Steinke of Hastings, Michigan.

The flower girls were the Misses Ruth Dekker and Carolyn Hilarides.

After the ceremonies the bridal party was quickly whisked from the Third Reformed church to the home of the bride, 79 West 13th St. where an elaborate wedding breakfast was served to the participating parties, relatives and intimate friends.

Miss Gertrude Kramer had charge of the breakfast, being able assisted by the Misses Julia Dryden, Dorothy Dekker, Marion Laepple, Marcelle Galentine, Julia Huntley, Ruth Nibbelink and Lavina Nesbitt.

The young couple are both graduates of the local high school and are very popular in this community. Both are also graduates from the U. of M. where they studied together during the same years of their educational training. The marriage of this happy pair surely was the culmination of a school and college romance.

INTERURBAN RATE CASE FAR FROM SETTLED; HEARD MONDAY

Monday afternoon at 2 o'clock the Holland City, Holland township and Park township forces on one side, and the Michigan Railway officials with their attorneys on the other, were in circuit court at Grand Haven and had their first bout in the Macatawa Railroad fare case with Judge Cross acting as referee.

The case as our readers know started on August 16, a few days before the rates were raised from 15 to 35 cents on the Macatawa division of the Holland Interurban. Mayor E. P. Stephan and City Attorney Mc Bride finally appearing before the Michigan Public Utilities Commission after the commission had studied their briefs which had been prepared a few weeks before August 16.

On August 16 all parties concerned gathered in Lansing and the commission then told the Holland delegation that they could make no decision in the matter, claiming that they had no jurisdiction in this particular case, but were governed by the Glaspie law which gives to railroads and interurbans as well, a rate of 3 cents a mile regardless of franchises that might supercede it.

The commission claimed that there was a question of law involved, and that they as a commission could only decide upon the facts.

They advised the city of Holland to go before the circuit court of Ottawa county for a decision on the law.

City Attorney Mc Bride the same night started mandamus proceedings before Judge Cross, and the judge made an order compelling the officials of the railway to appear in court and show cause why they should not go back to the old rate of fare, as provided in the franchise.

At the hearing held Monday afternoon the railway company came in with their attorneys and objected to the procedure, stating that the circuit court of Ottawa county under the law, had no jurisdiction over the matter, stating that this jurisdiction lay in the hands of the Michigan Public Utilities commission and that the commission had jurisdiction over both the law and the facts, and therefore it was the duty of the commission to decide the matter as per arguments made before the commission at Lansing.

After both sides of the case had been discussed Monday, Judge Cross permitted the city to put in its proofs and announced that he would make his decision later. It is more than likely that other judges may come together in this case.

It is understood that the petition in Wyoming township in Kent county circuit court, has not yet been heard.

This case is similar to the one involving Holland and vicinity.

Two other interurban roads in Michigan are having the same difficulty in counties in the southern part of the state, and it is understood that the same court proceedings are being followed there as are taking place in Ottawa county and Kent county, and it is the opinion of all parties concerned that the judges who have these different matters pending before them in their respective counties will hold a conference and jointly hand down the same opinion in all the cases.

At the hearing Monday the Michigan Railway was represented by the most enlightened and most able attorneys in Michigan. George W. Mechem of Detroit, and Justin R. Whiting of Jackson, argued the case. G. J. Diekema of Holland who is attorney for the Michigan Railway in this city was present, but took no active part in the proceedings.

The city was represented by Attorney Charles H. Mc Bride, Mayor E. P. Stephan, City Clerk Overweg, and Alderman Brieve.

Park township was represented by Luke Lugers and Holland township by John Y. Huizenga.

Fred G. Kleyn, brother of Supervisor Simon Kleyn of this city, has become popular in musical circles in Detroit. The Detroit Free Press prints a large cut of Mr. Kleyn in their Sunday addition showing where he took part in the great demonstration Sunday, when honoring the dead of the Red Arrows was one of the big features in that city.

Mr. Kleyn's name was repeatedly found on the musical program, and also as a second tenor in one of the best quartets to be found in the metropolis of Michigan.

One of Michigan's most noted poets, namely Edgar Guest was also present at these memorial services, accepting an invitation to prepare and read in person at the memorial services a memorial ode to the Red Arrow men who were left in France.

ENGAGEMENT OF LOCAL GIRL WAS AN- NOUNCED THURSDAY

At a beautiful social gathering on Thursday afternoon Mr. Nelle M. Pelgrim announced her engagement to Marvin Charles Lindemann. The unsuspecting guests were completely surprised when the mother of the prospective bride entered the room with a basket of favors, consisting of cupid cards and vanity bags. The unique feature was letting the cat out of the bag, as the contents of the little favor divulged the happy secret. After the round of enthusiastic congratulations, the remainder of the afternoon was spent in playing 500. The home was attractively decorated with summer flowers. Elaborate refreshments were served.

Miss Pelgrim is the daughter of Mr. and Mrs. Henry Pelgrim, and has a large number of friends. She is a successful teacher in the local High school, a graduate of Hope College, and prominent in educational, so-

cial and religious circles. Her father has long been considered one of Holland's leading and most successful business men.

Mr. Marvin Charles Lindemann, is connected with the Dunn Manufacturing Company of this city and is a veteran of the world war, having taken part in five major battles.

The out of town guests were: Miss Helen Lindemann of Lansing; Mrs. Anthony Van Westenburg of Newark, N. J.; Mrs. John Maulbauch of Enid, Okla.; Miss Florence Venne-ma of Passaic, N. J.; Miss Mary Bliss of Kalamazoo, Mich.; Mrs. J. C. Pelgrim of Frankfort, Ky.; Mrs. E. A. Eusden, of Laurence, Kas; and Miss Lois De Kruif, of Zeeland, Mich.

Gerald Baker of Wayland, Allegan county, paid \$12.95 in Justice Brady's court at Allegan last week for operating his automobile without a license.

The Allegan Independents defeated Grand Haven Thursday 12 to 4 in a loosely played game, the third Allegan has won from Grand Haven.

Pure Blood Is Foe of Rheumatism

Health Talk No. 22

By JOHN DE JONGE, D. C.

Where the blood is pure there is no rheumatism. Rheumatism is due to faulty elimination of poisons from the body. It is principally due to weakness of the kidneys.

In acute inflammatory rheumatism the joints, usually the wrists, ankles, elbows and knees, are the seat of inflammation. Movement of joints affected causes great pain. To minimize pain the muscles will remain contracted. The bones may become deformed and the joints stiff.

When the spinal nerves to the kidneys and bowels and lungs are free, every eliminative process of the body is active, and the blood is pure. Chiropractic spinal adjustments freeing spinal nerves to these organs will remove the cause of rheumatism.

Began Suffering at 13

"I was 13 when I first suffered an attack of inflammatory rheumatism. Last winter for three weeks I was unable to move a muscle, except my tongue. I was fed with a spoon. In April I started chiropractic. Today I feel better than for many, many years. I make this voluntary statement that others may know what chiropractic has done for me in this terrible malady."—H. H. Knock, Chiropractic Research Bureau, Statement No. 1276H.

BOB KUIITE AGAIN PUT-
TING UP HIS "DUKES"

Bob Kuite who conducts a sort of pawn shop or secondhand store has again been heard of in police court after years of peaceful life.

According to Officer Bontekoe, who made the arrest, a Saugatuck boy left a perfectly good coat in Bob's store in order to get a dollar to go back home with.

It is said that the boy appeared on Saturday with the necessary dollar and the interest in order to claim his coat. The young man contends that Bob refused to return the coat. But the boy made very little argument in the matter but had the police light turned on and Officer Bontekoe appeared on the scene.

The young man told the officer the circumstances in the case, and both went down to the secondhand store, where the patrolman instructed Mr. Kuite to return the coat if the necessary loan had been returned.

Bontekoe contends that Kuite began to use abusive language and unexpectedly struck the officer.

Peter made short work of Bob and kept him in the local "cooler" over Sunday.

Monday morning before Justice Den Herder Kuite pleaded not guilty to the charge and the Justice set Thursday morning at 9 o'clock as the time for hearing.

It has been a long time ago since Bob Kuite has been in any trouble, but this little "flareup" reminds the writer of the day when young "Bob", faultlessly dressed, was the bruiser of the town.

Those were in the early days when Holland had only one marshal to govern the city and to handle a man like Bob was more than a single town marshal bargained for. The farmers on market day gave Bob a wide berth, and the strong men of Zeeland and Drenthe generally bit the dust in large numbers when Bob made his annual visit backed by his admirers.

Yes, Bob was some scrapper 35 years ago, "But Father Time" has made terrible inroads upon his scrapping ability.

GASOLINE HAS TAKEN
A TREMENDOUS
DROP IN A YEAR

A very marked reduction in the price of gasoline in Holland is evident since a year ago.

At that time the price per gallon was ranging around the 30 cent mark. Vandenberg Bros today are selling gas to the majority of local garages and other filling stations are selling gas at the tank wagon for 19 and 7-10c and a majority of the retailers are selling it for 20 and 7-10c.

In telephoning the Standard Oil company station here, Mr. VanHuis, the local manager stated that the same price prevailed at the tank wagons and at the service station on Central avenue, namely 19 and 7-10c and 20 and 7-10c.

William Vandenberg of the Vandenberg Bros. stated that this marked reduction during the year could not help but stimulate the automobile trade, as gasoline plays a remarkable part in the upkeep and maintenance of either a commercial or a pleasure car.

The local boys it is said have built up a remarkable business in the sale of the different kinds of oils that they are handling, and all along the line they have found a remarkable decrease in prices since they entered business two years ago.

Mr. Vandenberg stated further that everything in his line was nearly at a normal stage and that the decrease of 33 1/4% in gasoline has proven a boon to car owners and farmers who use gasoline engines and tractors.

HOLLAND MAN
RETURNS FROM THE
NETHERLANDS

Harm De Vries, living on East 14th street, has just returned home from the Netherlands where he has spent nearly three months visiting relatives and seeing the country. Mr. DeVries who is 78 years old, states he was so pleased with his trip that he would be willing to return immediately and enjoy another one. Not including the time when he crossed the ocean to make his home in America, Mr. De Vries has made two other trips after several years' absence from the country of his birth.

Mr. DeVries stated that altho coal was high, that didn't bother the Hollanders much, as the common people burned peat, and there was enough for centuries to come.

He stated that if anything, the crops this year at least, were better in the old country than here.

Mr. De Vries took in most of the places of interest in the Netherlands, also visiting the cities of Amsterdam and Rotterdam, and not missing the Capitol where Queen Wilhelmina lives.

He was especially taken up with the service on the Holland-American line. He states that his every little want was taken care of and his trip on the ocean was the most pleasant he has ever had. Before leaving, Mr. DeVries had made arrangements for his transportation with J. B. Mulder of De Grondwet who is local representative of the Holland-American line. Accompanying Mr. De Vries was George De Vries, a cousin of the Holland man.

CORNER STONE FOR
NEW CHURCH EDI-
FICE IS LAID

The members of the Prospect Park Christian Reformed church and a number of others gathered at that church Saturday afternoon to witness the laying of the cornerstone of the new church edifice being erected by the congregation. There was a large audience and much interest was shown in the impressive ceremony. Rev. J. C. Schaap, pastor of the church, delivered an address on the subject, "The Chief Cornerstone," and Rev. J. Robbert, pastor emeritus of the church, spoke on the theme, "The Firm Foundation Standeth."

Both speakers called attention to the spiritual meaning of the ceremony.

Although the cornerstone of the new building was laid Saturday afternoon, the work of putting up the church has advanced much farther than is usually the case when a cornerstone is laid. The building is so far advanced that the carpenters are already busy putting on the roof, and the exterior is expected to be completed long before bad weather sets in in the autumn.

The plans are that the building will be ready for occupancy not later than Christmas time. It will be a beautiful building of brick veneer and will cost between \$25,000 and \$26,000. The Prospect Park congregation.

The Bulletin of the State Department of Health, issued Monday, contains an article on condition of the water of Michigan lakes and streams, especially those near which summer resorts are located. Holland, as an important summer resort center, is given a special sub-head in the article, and the following rather unfavorable report is printed under this head: "Pearce, Greeley and Hansen, Consulting Engineers, have been making some investigations at Holland, assisted by Mr. Madger. City and industrial wastes, including those from dye works, tanneries and canneries, have created serious nuisances in the vicinity. The work is not yet complete."

A reunion of the Van Duren family was held Tuesday at the "Old Macomb" cottage at Macatawa, the summer home of Mr. and Mrs. W. R. Cox of Cincinnati. The reunion was in honor of Mr. and Mrs. George Van Duren and family of Indianapolis, and it was the first time the whole Van Duren family has been gathered in one place since George Van Duren returned to America from France after his period of service there in the war.

Those present at the reunion were Mrs. G. J. Van Duren, Mr. and Mrs. Arthur Van Duren and family of Holland; Mr. and Mrs. Cornelius Van Duren and family of Holland; Mr. and Mrs. Alfred Van Duren of Holland; Mr. and Mrs. W. R. Cox of Cincinnati and Mr. and Mrs. George Van Duren and son Allan of Indianapolis.

FORMER HOLLAND MAN
INJURED IN ACCIDENT

John Brand, formerly of Holland, now a citizen of Oakland, Allegan county, proved the adage that misfortunes seldom come singly. Late last week Mr. Brand was riding on a truck driven by C. Van Dam, his brother-in-law, when another car trying to pass the truck forced it into the ditch, overturning it. Brand was catapulted through the windshield and suffered serious injuries, his nose being nearly cut off and his head and body badly cut. Twenty stitches were required to close up a hole in his leg alone. He was rushed to the Allegan hospital where he was given medical attention, the accident having taken place a few miles on this side of Allega. Mr. Van Dam was unhurt.

On Sunday Mr. Brand's 18 months' old son Leslie, while playing in the yard at Oakland fell down a well and was drowned. The funeral for the child was held Tuesday forenoon at 11 o'clock at Oakland and at 3.30 in Holland at the home of Mr. and Mrs. Wm. Strong, 216 E. 13th St., Rev. J. H. Bruggers officiating.

WAS PRESIDENT OF
CARRIERS 17 YEARS

After serving for 17 years as president of the Ottawa County Rural Carriers' association, Anthony Rosbach, by himself nominating another, served notice to the association that he was ready to retire. He nominated Gerrit Rutgers of Holland for the position, and Rutgers was elected. Other officers elected were: vice-president, C. Vander Heide of Zeeland; secretary-treasurer, John Brinkman; members of the executive board, W. G. Bennett, Coopersville; Wm. Tibbitts, Hudsonville; and Chas. Bond, Nunica. The convention was held at the home of John Woldring. Reports of delegates to the state convention were given and routine business transacted.

A project is on foot to have the "Free Delivery News," the official newspaper of the national organization become the property of the carriers. The present owner is ready to sell and stock is being disposed of to the carriers. Quite a large block of stock has been purchased by Ottawa carriers.

During 30 years many a savings account has stood as a rock between the depositor and a sea of want.

Everybody has times of depression and discouragements.

If there were no "UP-HILLS" there could be no "DOWN-HILLS."

It is the "SOMETHING AHEAD" "MONEY IN THE BANK," that enables a man to smile and appear composed in the face of adversity.

Cigar Clearing House
Is Still Clearing

SELLS MORE THAN 4,000 CGARS SATURDAY AT SALE

The Model Drug store is selling the cigars that makes you think. We thought that fish food was the only article that brought brain development, but it seems that Gil Haan of the Cigar Clearing house of Holland does the trick through the small spiral curling rings of smoke issuing from a Powhatan. A cigar by that name ought to be a good one, as the Indians are the earliest tobacco raisers on this globe, and it was not until Sir Walter Raleigh got sick on the weed, that the white men began to use it, and goodness knows they have not stopped yet, for Gil Haan's Saturday's sales range from 4,000 to 12,000 smokes and the cash in the drawer runs from \$200 to \$600 every Saturday.

The Model is selling a big 10 cent cigar at 5 for 25c, and there are 15,000 of these Powhatans jobbed off to Holland's clearing house by Berden and Co. of Toledo, Ohio, straight 10 cent goods that are going 5 for 25c Saturday. Can you beat it?

Look at the show window of the Model and see what 15,000 cigars piled up looks like. We say, its some smudge.

Educational Publicity.

Saturday, 5 Powhatan 10c cigars for 25c at the Model Drug Store.

AUTO ACCIDENT RESULTS IN DEATH AT HOSPITAL

An automobile accident that happened August 15th resulted in a death Thursday afternoon when Mr. Klaas Prins passed away at Holland hospital after having been confined there for about ten days in a precarious condition. On August 15, Mr. Mr. Prins was struck by an automobile driven by J. Tulsma. The accident is said to have been unavoidable, Mr. Prins having become confused and having walked in front of the advancing car. He suffered a broken arm and a fracture of the skull.

There was no hope for his recovery from the very beginning. The case was immediately pronounced hopeless and in fact it was expected at first that Mr. Prins would not live longer than a day or so. But he made a hard fight for life, and in spite of his advanced age, he survived for ten days after the accident.

Mr. Prins was born in the Netherlands and he came to America as a boy, having lived in this country for sixty-nine years. He followed the vocation of a sailor until he was 36 years old, when he left the water and settled on a farm. He continued in this work until he was seventy when he moved into Holland and lived a retired life here.

While still on the farm and afterwards while a resident of this city he was very active in church work.

He is survived by the following children: Herman and Arie, living on a farm near Holland; Mrs. E. Pilon, Mrs. Cornelius Brandt, Mrs. William Ver Lier, Mrs. S. Pool, and Miss Jennie and Cora at home.

The funeral was held last Monday afternoon at 1:30 from the home on West 19th street and at 2 o'clock from the Central Av. Christian Reformed church. Mr. Prins was 76 years old.

CHICAGO TRIBUNE TOOTS ITS OWN HORN

Occasionally a newspaper has to toot its own horn, for altogether too often encouragement comes, oh, so slow, and the kicks, oh, so often and oh, so magnified.

The Chicago Tribune, of Tuesday, August 2, is patting itself on the back and wishes to show that advertising in that paper pays. In a large display ad covering a half a page it has the following in large display type, in which they use the publicity of a Holland firm as an example to demonstrate the truth of their statement.

The contents of the ad follows:

1921 Is Rewarding Fighters

The Holland Furnace Company began an advertising campaign in The Tribune in September, 1920. It was decided to run a full page every month. That schedule has been adhered to in the face of general depression and many adverse conditions. The result is summed up by C. D. Karr, advertising manager:

"As you would naturally suppose, our business in the Spring of 1920 was by far the best that we had ever had up to that time. You will be interested to know, however, that our sales during the past three months have been 25% better than our sales for the corresponding months of last year. Our Chicago Tribune advertising deserves much of the credit for this splendid result."

"You will be interested to know too, that when you came out with your slogan '1921 Will Reward Fighters', we began at once, and since have not stopped doing everything in our power to make that thought an uppermost ideal in the heart of every one of our salesmen. Judging from the present outlook the demand for Holland Furnaces this year is again going to be greater than we can supply."

The advertising columns of The Tribune form a directory of the firms who are fighting aggressively for business and thereby building the foundation of a new prosperity for every one. They are using the Tribune because as a force for stimulating sales there is no question that—The Tribune is First in Chicago.—Chicago Tribune.

BOULEVARD LIGHTING BUSINESS IS TEMPORARILY HELD UP

There has been considerable excitement in the first ward on East 8th street for the past few days when the company who was allowed the contract to put in the new boulevard lighting system of River Ave. and 8th street started work.

V. J. Liberty of the Gray Electric company had started a machine going that broke the cement between the sidewalk and the curb in order to make a groove sufficiently large in which to lay the cable.

The machine broke up the sidewalk badly in some places. This is especially true of the older sidewalks which were apparently not so well laid as the present regulations require.

Anyway a protest came from the property owners, and especially the women were up in arms when they saw their walks damaged more than they thought was necessary.

Friday the members of the Board of Public Works and the mayor inspected the work done by the Gray Co. and the work was stopped immediately.

A special meeting of the board was immediately called for Friday night, and the men representing the Gray Electric Co. had a conference with the board.

These men promised the board of public works that they would replace the sidewalks in as good a condition, in fact in better shape than they were before.

Already more than a block of the edge of these sidewalks has been chipped away, but no more will be touched until the Gray Co. demonstrates that they can put the walks in as good a condition as these were before.

The Gray Electric company have promised to lay the cable in the groove already completed and will repair these sidewalks after the cable is laid.

Until this is done and until the company proves that they can make a good job of it further chipping of the sidewalks will be halted. In other words the company must show the Board of Public Works.

The Holland people have been sticking closely to the bible text, namely "The Lord Loveth a Cheerful Giver." When the cry came from far away China, that the children and grownups alike, were starving for lack of food, the citizens were not slow in giving of their possessions in order that the "invisible guest" at Christmas tide might also have a crust. This country again sent millions to this famine stricken China and the American hand again extended across the sea to a people that has always loved, respected and trusted us.

Hon. G. J. Diekema in a final report has the following upon this much needed fund collected in Holland and in other Michigan cities:

"A statement has just been made by the American committee showing receipts of amounts contributed for the Chinese Relief Fund in different cities of the state, and certainly Holland has every reason to feel proud of its record when it is compared with other cities in the vicinity of a like size in the state of Michigan, or instance, Allegan contributed \$367.70; Grand Haven \$98.99; Albion \$719.63; Benton Harbor \$15; Big Rapids, \$195.15; Charlevoix \$5; Cheboygan \$24.50; Coldwater \$691.73; Hastings \$257.00; Kalamazoo \$1,481.97; Ludington \$294.51; Manistee \$2.00; Muskegon \$246.09; Port Huron \$97.30; Niles \$12; Saginaw \$1,440.93; South Haven \$161; Spring Lake \$10; St. Johns \$375; Ypsilanti \$147.93; Holland \$1,966.45.

"This certainly is a splendid record for our city and shows that our people are strictly up to date in public spirit and in Christian charity. It is an evidence of the unselfish spirit which animates this community and shows that we are living up to the high ideal of human fraternity rather than the low spirit of selfish commercialism."

Mr. and Mrs. Charles Edward Russell, who have been spending the summer at their cottage at Waukazo, returned this week to Washington, D. C., where they will spend the winter. They had expected to spend a longer time at the beautiful Black Lake resort, but an unexpected call from Washington caused them to change their plans.

Of rather more than passing interest in connection with their stay at Waukazo this summer is the fact that Mr. Russell has been busy there on a new book that he is to bring out somewhat later. He spent six months in the Philippines and in China and the results of that trip will appear in book form.

VIOLATING DOG LAW HELPS THE LIBRARY FUND IN ALLEGAN COUNTY

The fines in Allegan county were considerably augmented because of the wholesale arrests made by the officers of violators who did not pay dog tax in time.

Townships in this vicinity received money as follows for which new books can be purchased: Filmore \$238.74; Overisel, \$152.84; Laketown, \$153.87; Manlius, \$164.22.
