## Tax Drive Cuts Debts Of City And County

**HOLLAND WILL BE MATERIALLY BENEFITED BY PAYMENT OF DELINQUENT TAXES**

County Treasurer Den Herder Says an Average of At Least \$7,000 a Day Has Been Coming In

One of the wisest moves the state of Michigan has made was the advertising that delinquent taxes could be paid without the usual penalty attached. The stressful period of the last five years pyramided the load of delinquent taxes tremendously and cities and counties everywhere had to cut to the bone to meet running expenses because taxes weren't paid, and were allowed to run year after year.

Governor Frank Fitzgerald and Auditor General John J. O'Hara signed advertisements in the Michigan newspapers, authorized through a bill passed shortly before adjournment. The bill allows the payment of delinquent taxes without a penalty if payment is made by Sept. 1, which is the deadline, so in reality Saturday of this week is the last day on which payment can be made without a penalty. Sept. 1 comes on Sunday and Monday, Labor Day, is a holiday, and whether an extension of a few days under the law will be allowed, is problematical.

But that is not all of the story. Since the newspapers of the state got back of this project, treasurers everywhere have been busy from early morning until late at night. Our neighbor, Allegan, reports a tremendous influx of delinquent tax money. Ottawa county is doing still better. In a phone call to John Den Herder, county treasurer at Grand Haven, he states that for the past few weeks the office has been swamped with taxpayers who lay down the cash to clear their property and save the tremendous penalty which the new state law has shaved off if payment is made in time.

Mr. Den Herder states that there have been days when at least \$5,000 have been taken in at the desk in a single day and almost that much money comes in daily by mail, and he stated that not a little comes from Holland and that Holland and Ottawa county are going to benefit materially because of the payment of these taxes. What is going on in Ottawa county is true in every county in Michigan and the following interview with the state treasurer, Mr. Fry, will indicate how well this campaign of publicity has been handled through the state press, and how gratifying the results have been.

The man closest to the nerve center of Michigan's governmental finances believes counties, cities and towns will soon be able to pay their overdue bills, reduce debts, slice future budgets and get out of the red.

The belief is that of Theodore I. Fry, state treasurer. It is based on the indication that the state's August drive to collect delinquent taxes is proving successful.

Latest reports from the Auditor General show that more than \$12,000,000 in back taxes have been returned to the paying column by property owners taking advantage of the plan whereby delinquencies for 1932 and prior years can be paid over a period of ten years.

Fry also expresses the belief that

the need for "counterbalancing accounts" and similar bookkeeping maneuvers will be eliminated by revenue realized from the campaign. He contends that officials and citizens will be able, for the first time in some years, to get a true picture of the actual financial situation of various governments.

"Collection of these overdue taxes," Fry points out, "means that debts for which delinquent taxes are pledged can be paid and wiped off the books. We estimate that about \$125,000,000 in debts could be cleaned up in this way. Since this debt carries an interest rate of more than 4 per cent, the saving would amount to about \$5,000,000 a year."

"Obviously, wiping out a debt of this magnitude, or slicing off a sizeable piece of it, will be the best thing that has happened to public finance since the depression. Top heavy items for debt service and debts for which delinquent taxes chopped down and the vital functions of government will receive the lion's share of the taxpayer's dollar."

**BUDGETS BALANCED**  
"With the dead horses of the past taken care of, it will be easier

## ELEPHANT FAMILY TRACE BACK 50,000,000 YEARS

Fifty million years of elephant family history was the impressive record shown before the meeting of the National Academy of Sciences by Dr. Henry Fairfield Osborn, president emeritus of the American Museum of Natural History in New York City, reports Science Service.

There used to be many more kinds of elephants than there are now. Twenty-eight distinct lines of descent were shown on Dr. Osborn's charts, each with its own conformity to basic principles of evolution outlined according to a system of Dr. Osborn's own devising, which he calls "aristogenesis."

## HOLLAND MAN IS AGAIN HONORED BY STATE AMERICAN LEGION

The American Legion, at their state convention held at Flint, honored Alfred C. Joldersma as financial officer for the state of Michigan in that organization. This closed a four-day session at Flint and it is the fifth time Al has been signally honored by the Legion of his state.

Mr. Joldersma has held practically every office in the Willard G. Leenhouts post, Holland, and he is well-known, not only in this state, but in other states because of his diligent Legion activity.

Arthur Clark of South Haven was elected vice commander from the second zone, which includes Holland, and David J. Aidy was elected department commander. The next convention is to be held in St. Joseph in 1936.

The women's auxiliary also held their convention at Flint, separate from the Legion convention, and they, too, have decided to go to St. Joseph and Benton Harbor in 1936. Mrs. Carl Schrupf of Niles was elected president of the state organization. Five delegates from Michigan were chosen for the St. Louis encampment, to be held this fall.

The Michigan Legion went on record as absolutely opposed to the United States entering any war unless attacked on land, sea or air. It was also resolved that this nation does not become entangled in the present world crisis having its inception in the Italian-Ethiopian possible combat.

The delegates from Holland attending the Flint convention were as follows: Legion delegates: Charles Miller, Albert Van Lente, Henry Cook, president; Dr. Gabriel Bos, past commander. Auxiliary delegates: Mrs. John Rozeboom and Mrs. Al Joldersma.

## SUNDAY SCHOOL FOLKS WILL GATHER

A rally of the Christian Reformed Sunday school teachers of Grand Rapids and vicinity will be held at Jamestown Spring Grove, located one-half mile north and three-fourth mile east of Jamestown Center, on Friday evening, Sept. 6, beginning at 7:30 o'clock.

The Jamestown teachers extend a special invitation to the Sunday school teachers of Zeeland classes. Rev. B. J. Danhof of Drenthe will discuss the Sunday school lesson, and Rev. A. Jabaay of Zeeland will deliver an address. Music will be furnished by the Jamestown orchestra and chorus. In case of inclement weather the meeting will be held at the Jamestown Christian Reformed church.

The division of the American Legion auxiliary under the leadership of Mrs. Frank Eby and Mrs. William Wagoner will meet at the home of Mrs. Chester Ver Meulen, 27 West Tenth street, today at 2 p. m.

to make receipts cover expenditures. Balanced budgets will again become the order of the day.

"Most important of all, these collections will be distributed all along the line. Impoverished cities, anemic school districts, distressed counties—they will all get their share. The practice of 'robbing Peter to pay Paul' will go into the discard."

"Many of the ticklish problems pressing for solution must await a clearing up of the tax situation."

"Reorganization of school districts, and the consolidation of governments and governmental functions can never be accomplished while hundreds of units are burdened with debt and mired in a morass of unsettled bills. The success of the state campaign to bring in these back taxes will go a long way to clear the way for an honest effort to simplify the processes of government."

Michigan's tax campaign is now in its final stage. County treasurers throughout the state are working nights to keep up with the rush but are finding it physically impossible to serve the thousands pressing to pay before the September 1 deadline.

## Three Held In Zeeland Safe Robbery Case

**MEN ARRESTED WHEN  
ZEELAND SAFE VANISHES**

Three Grand Rapids men are held in the county jail at Grand Haven awaiting charges to be placed upon them relative to a robbery of the Boes and Wiersma gas and oil station at Zeeland, where a 500-pound safe, a radio and five boxes of cigars were stolen Sunday night.

The men are Ray Ford, 20; James Chamberlain, 27, and John Jenkins, 20. The first two were taken to Grand Rapids by Sheriff T. R. W. Stolen Safe in Plaster Pit

The burglary at Zeeland has been cleared up at last. The three burglars, Ford, Chamberlain and Jenkins have all confessed to Sheriff Ben Rosema. The loot has been found in the confession the prisoners state that they took the safe, after having opened it, and dumped it in a plaster pit 60 feet deep near Jenison. The safe contained no money but private papers were kept therein.

Undoubtedly the three prisoners will be arraigned before Judge Miles in the very near future.

taken by Officers Edward Ryenga, undersheriff, and Fred Bosma, deputy at Zeeland, on Monday night when Jenkins was picked up later in Grand Rapids by Sheriff Ben Rosema.

A farmer living near Zeeland found a radio and five boxes of cigars apparently hidden in some bushes on his farm. He notified the officers and Ryenga and Bosma were planted there with the hope that the men would return for the loot.

At 3:30 a. m. a new Nash car with dealer's plate No. 282 drove up, according to the police, and two men got out. The officers attacked the two and handcuffed them. Ryenga and Chamberlain had a scuffle when Chamberlain threw away a gun he carried. It is claimed by the officers.

Jenkins was picked up in Grand Rapids by the sheriff and a Grand Rapids officer. He was found hidden in the basement of a house at 2053 Mulder avenue. His hands were cut and he bore other evidences of having been in some kind of a fight. He denied knowledge of the robbery.

One of the men, when arrested, had a gun which was stolen from a meat market near Grand Rapids last spring.

Chamberlain wore a badge from a Grand Rapids detective agency although he claimed he had not worked there for a year.

The safe, radio and cigars were taken out of a window of the garage and officers believe that the work could not have been done by less than three or four men.

Grand Rapids police indicated that the boys may be questioned to determine if they might have been involved in a series of safe jobs here in the past 18 months.

## MRS. VAN HEKKEN, CHARGED WITH ARSON, IS RELEASED

Judge Miles late this afternoon released Mrs. John Van Hekken of Holland township after severally lecturing her and admonishing her that no more acting up must occur. Any recurrence of her actions will mean sending her to a penal insane asylum.

Mrs. Van Hekken in May, was convicted of arson to which she pleaded guilty, but there was some doubt as to her sanity. Testimony of physicians at a sanity hearing showed that she had been painfully ill for ten years. She at that time stated that a man entered the house, tied her up and then set fire to the place. This was the culmination, as she put it, of several threatening notes all of which seem to have been conjured in the mind of the woman. Anyway the physicians who testified believed her mind was affected and Judge Miles sent her to Cutlerville, an institution for the insane, where she was under observation and treatment. It appears that she was discharged from there as cured.

She was again arraigned and Judge Miles this afternoon sent her home to be on call if ever the case came up again, but there were some very strict stipulations laid down by the judge. Mrs. Van Hekken was not discharged, according to Judge Miles.

## HOLLAND BUSINESS COL- LEGE TO OPEN TUESDAY

In this issue of the News an announcement appears telling of the opening of "The Business Institute" for the fall term on Tuesday after Labor day, Sept. 3, at 8:30 a. m.

Since July 1, 1934, 40 vacancies were filled with B. I. students and graduates.

Estelle De Vries is in charge of the secretarial division and Albert Hoeksema of the accounting. Holland has a first class business school in the "Business Institute."

M. L. Moore, project manager, from R. I. Nowell, regional director of the resettlement administration in Madison, Wis., has received word that \$420,000 has been allotted for the purchase of 35,000 acres of low-grade land in the Allegan submerginal project.

Mr. and Mrs. Abe Sysma and children and Mrs. Ade Wentenbrook spent Tuesday in Chicago visiting the Fields museum and other places. They also attended the double header between the White Sox and New York Yanks.

Miss Rose Vander Schel has returned from Port Sheldon where she visited at the cottage of Miss Helen McEwen.

Homer Lokker is visiting in New York.

## EDITORIAL

On Monday, Sept. 9, the taxpayers of Holland will be called upon to vote a bond issue of \$23,000. This amount will be the city's share to create three very important projects of which Holland is very much in need. These undertakings are so-called Works Relief projects.

The United States government has said that the paying of debt must end, that persons must be put to work to get away from this demoralizing situation, and for that reason Uncle Sam asks all cities to find projects of merit that are a present or a future need. The government stands the "lion's share" of the cost of these projects.

For instance the projects that Holland has filed are a new airport, the rejuvenation and rebuilding of our parks and cemeteries and the creation of a playground, so near to the hearts of all the youngsters of school age.

The cost of these projects altogether, will be \$20,550. By far the largest part will go into common labor of which the unemployed are largely comprised. The city's share will be \$23,000 while the government's share will be \$67,550. These tentative figures may vary a little but in the main these are the proportions.

If Holland votes favorably on these bonds, many things will be accomplished. For instance we will get a \$25,000 airport for \$8,000. Undoubtedly there are some who feel an airport is not very necessary. The fact is that with a good airport the best resort tourists will make a "happy landing" here. It will be connected up with fast mail and it will show on every map, that enterprising Holland is connected by airplane, and the business through an airport will grow tremendously if the port is only here.

Heads of two manufacturing plants are already talking private planes so they can get some of their manufactured goods to distant points, quickly, thus creating a service that will mean better and bigger business for these plants, which means more labor and more business directly and indirectly in and around the city. Today, Holland can get an airport from the "bargain counter." Five years from now, when an airport will be imperative in order to keep pace with our neighbors, we will have to pay for it entirely. One who cannot see the rapid growth of air transportation is short sighted, indeed.

The Holland City News, a half century ago, put in the first phone and everybody laughed. We were one of thirty others in the City of Holland and today more than 3,000 patrons are served from this exchange. The growth of air service will become a necessity much along these lines.

The next project is a playground built on city property. This project will cost \$32,700 and the city's share is to be \$5,000. Business counciler tells us that this is a real bargain and this is not a future need, but an imperative. We sincerely believe that a playground is near and dear to the hearts of the school pupils of this city, and as we have said before, what is dear to the heart of the child, generally finds favor in the eyes of the parents. Holland has been athletic minded for many years and although the facilities were entirely inadequate, what has been accomplished is reflected in the health and stamina of our school children. We can give no better thought relative to the needs of a playground than to quote from our editorial of the issue of August 1:

"Holland's playground facilities fall far short of the needs of a growing city and children today are looking from the outside in, where a few of the privileged are at play. But we would like to see that all, regardless of school or station, be privileged to enjoy a part of these advantages. Such recreational features create a healthy

body, a healthy mind and a healthy citizenship."

The last project is the rejuvenation of our parks and cemeteries. The total of this project as given by the committee and the park board is \$32,815, the city's share being \$10,000. A great deal of unskilled labor will be necessary here, and of course, that's the paramount thought of these projects. But it means more. It means that Kollen park will be put in the finest shape, with steel sheet-piling and 800 feet will be available for dogage. The dirty, rat-filled dump will disappear and the entire park will be beautified. The direct benefits to the city and to the merchants in permitting cruises and small boats to dock, will leave more money in the city coming from the outside than what the whole bond issue will amount to.

If there is one thing more than another that should be given attention, it is the condition of our cemeteries. There is scarcely a family in the city but has a loved one buried in our local churchyards. With no reflection upon our local board whose financial facilities have been pared to the bone, nevertheless, our cemeteries lack much that we should desire. The trees are beautiful but there is a great deal that can be done on the grounds to beautify, and rejuvenate the place held sacred by so many of our homelike. A list of what can be accomplished in our parks and cemeteries would be like an inventory sheet, but Holland can have all this by matching \$10,000 to \$22,000.

Included in this park and cemetery rejuvenation is the preservation of Prospect park, a remnant of the forests of yesteryear, and remember this undertaking is not to destroy but to preserve the forest. Remember that trees constitute a park, mainly, and this project is not only to preserve the trees, but in short, in a resume of these projects, the way the News looks at it, three things are accomplished. The outstanding one is to give labor to those who are still unemployed, and we believe a large proportion want to work rather than be idle. The second thought is that with these projects in progress, Holland as a city, will not be compelled to pay large sums to the idle. Taxpayers will not forget the council proceedings of two and a half years ago when the monthly outgo for relief from the city treasurer was often \$10,000 and more a month. Of course, Holland's industrial situation is more reassuring today than at that time and that indeed is gratifying. But nevertheless there are still several who should be working, otherwise Holland will have to sustain them if the United States government abides by its decision of "no more able."

Third, the projects that Holland is entertaining are those we need now or will need in the very near future. Today we become the owners of those projects at one-third the cost of what we would have to pay for them a few years hence. Holland's direct bonded indebtedness is only \$285,000 and its bonds are selling at a premium. Its financial set-up and its credit are as high as the best in the state, and this small bond issue payable over a long period of time, at an extremely low rate of interest, should not disturb the taxpayer, for the direct and indirect returns of the proposed projects will be so large that if these were correlated, they would pay the bonds and interest over and over again by the time these become due.

Holland's mood could not be spent to better advantage. These projects would help the needy, would create enterprise, would give our children advantages that are highly needed for growing youth, would beautify our city, putting it in a still more favorable light to the tourist public, and would make more presentable a place we hold in deep reverence.

## Vandenberg Home For Short Rest

Senator Arthur H. Vandenberg has returned to Grand Rapids to join his family, following adjournment of congress. He will take a much-needed rest here until the middle of September when, accompanied by Mrs. Vandenberg, he will

go to Europe for a holiday and study of political and economic conditions. Returning, he will remain in Grand Rapids until the opening of the next session of congress in January.

Senator Vandenberg had no comment to make on national affairs. "As always, I am glad to be home among my neighbors and friends. I am happiest when I am in Grand Rapids. Congress has adjourned and I believe it is a source of relief to the entire country. Let us let the matter rest there for the present. Perhaps later I shall have something to say."

Mr. Vandenberg, with his family, will spend part of his time at Lakewood Farm, in one of the cottages there.

Rev. and Mrs. Henry Bast and daughter, Joan, of Grand Rapids are spending their vacation at the M. J. Bast farm at Fennville.

All members of the U.S.W.V. auxiliary are to meet at 2 p. m. today at the city hall and from there will attend a party at the home of Mrs. Minnie Robinson on Northshore drive.

Mrs. L. T. Schadelee is visiting her daughter, Mrs. L. Olsen, in Chicago.

St. is dead. Another daughter, Miss Minnie, died less than a week ago after a long illness. Strange to say, death had entered this home repeatedly and in close succession until now all are gone. Note: There were two violent deaths in this family, one boy, Andy, was drowned and a son, Peter, was killed at the C. L. King basket factory, located on the Kollen Park site. A pyramid of logs rolled over him. The father, John Verschure, died some years ago and the aged mother passed away last year.

## FIFTEEN YEARS AGO TODAY

Game Warden Dick Homkes, Attorney Thomas N. Robinson and Ben Mulder loaded their respective machines with coops of "Golden Pheasants" from the state conservation farm at Mason and let them out in suitable places with plenty of undergrowth where they are liable to receive care. There were at least 100 of them and wherever these were planted farmers in the neighborhood promised to feed them in the winter when foraging was not so good. It surely was a beautiful sight to see these birds in fine plumage fly in pairs from the cages in which they were sent. Note: The committee in charge of this work was given the promise by the justices in this vicinity that anyone caught shooting these birds would be given the limit of the law. This committee planted two flocks of pheasants and those now shot here are the offspring of those liberated.

A mouse can stop an automobile. Such is the experience of Mrs. J. Mead, living south of Holland. While driving to town her car stopped suddenly and nothing she might do seemed to help the matter. A garage man was then called and when he opened the carburetor he found there a mouse. When the "cheese eater" was taken out the machine went along as fine as ever.

The milk dealers in Holland, after a meeting, decided to raise the price of milk from 12 cents to 13 cents per quart. No reason is given.

A very pretty wedding took place at the home of Mr. and Mrs. B. Van de Water when Louis B. Dalman and Miss Jennie Van de Water were united in marriage by Rev. Manus Stegeman of Overisel, Miss Margaret Dalman, sister of the groom, acted as bridesmaid and Mr. Henry Barkema was best man. The wedding march was played by Miss Florence Dalman, also a sister of the groom. Miss Vandewater was employed as stenographer at the Holland Furnace Co. and Mr. Dalman represented the Home Furnace Co., at Benton Harbor. The happy couple will make their future home in Benton Harbor. Note: Louis B. has since moved back to Holland and is now assistant city engineer, was commander of the American Legion, is a good singer, as well as being a good judge of fine foods, they say.

## DETOUR TO HAMILTON LABOR DAY WILL BE MADE EASY

Hamilton is to celebrate Labor Day in the good old way as will be seen elsewhere in this issue. As everyone knows, the new M-40 is being laid beginning from the Hamilton end, and folk from Holland and vicinity do not have to be alarmed. Good detours plainly marked will make getting to Hamilton an easy matter.

The Hamilton committee has appointed traffic cops at both ends of the detour who will help to regulate traffic in and out of Hamilton. Do not let the building of the new road prevent you from attending the celebration of a very good neighbor to the southeast of us.

## NEW STRETCH OF M-40 TO OPEN THIS FALL

The new M-40 20-foot concrete highway between Holland and Hamilton will be open for traffic by the middle of October under favorable weather conditions, according to indications made by the Grace Construction Co., contractors. A force of 80 men is employed on the job, which was started at the Bee line road southeast of Holland.

## HOLLAND FOLK GO TO METROPOLITAN MEET

The state Metropolitan convention, an organization embracing policemen, postal service men and others in that type of work, was held at Bay City and Mr. and Mrs. Richard Van Kollen, Mr. and Mrs. Simon De Boer, Mr. and Mrs. Sam Plaggenhoef and Glandus Meeboer attended this convention where 500 had assembled. They report a wonderful time. There was some business transacted, interspersed with recreational features prepared by the local committee.

The next convention is to be held at Kalamazoo.

A man by the name of A. C. Genshaw, Route 4, taken for forgery here in Holland and elsewhere was sentenced by Judge Miles today to from 10 to 20 years in Jackson prison.

## Barrel Machine New Invention of Ottawa Man

**WM. ANDERSON HOPES TO  
REVOLUTIONIZE COOPER-  
AGE BUSINESS WITH  
DEVICE.**

A machine that will manufacture a perfectly formed tight barrel in a minute and a quarter is rapidly being made ready for production by William Anderson in the Grand Haven Cooperaage company plant formerly the Challenge Refrigerator company factory.

Mr. Anderson who has been in the cooperaage industry a number of years believes his invention will revolutionize the industry in slightly more than a minute by his machine, he says, take three men using 13 different pieces of machinery, 20 minutes.

The huge machine, weighing 21,000 pounds, resembles a punch press. It has 13 steel "fingers" that press each barrel stave into uniform proportions. When the complete round is made, hoops are automatically forced into place under tremendous pressure. Later the hoops are pulled automatically to allow insertion of the barrel heads and then the hoop drivers close again to turn out the finished barrel. Necessary cutting of the wood is included in the operation of making the drum.

Mr. Anderson's machine has been turned out drums in tests for some time and the inventor is rushing work to install the devices to put the heads in place. The machine is fully patented.

Waste of material and labor, clumsiness and general inefficiency of time-honored cooperaage methods whereby each stave is bent separately and secured with does before the barrel is assembled by hand, induced Mr. Anderson to quit barrel manufacture several years ago and devote himself to developing a machine to perform all operations.

Mr. Anderson has been working on his invention the past three years and exhibits encouraging letters from the brewing industry regarding need for his machine. Millions of dollars worth of barrels are produced monthly for more than 13,000 manufacturers.

The brewing industry, Mr. Anderson says, is a labor user and is rapidly turning back to wooden kegs for its product. According to Mr. Anderson, a barrel may only be used for whiskey once if best results are to be obtained.

The Grand Haven Cooperaage company plant is rapidly being made ready for production with a long steaming tunnel leading to the barrel machine already complete and a machine for cutting wood for staves about ready for operation.

Within a short time, Mr. Anderson says he will be ready to match his production methods against the speediest of former methods and is confident his machine with a single operator will outstrip by a wide margin many men using machines of older type.

## GRAND HAVEN ENTERTAINS ZEELAND LEGION

The Zeeland post of the American Legion will be entertained by the local post on Friday with a ball game and fish fry. The ball game will be played at 6:30 p. m. which will be followed by the supper served in the Legion club rooms in the Oakes building. The party was originally arranged for Thursday night and members are requested to note the change of date. —Grand Haven Tribune.

## Hoffman To Be Headliner At Hamilton Meet

**OUR NEIGHBORS TO PUT  
ON GREAT LABOR DAY  
CELEBRATION**

Plans have been completed and all arrangements have been made for the annual Labor Day celebration at the Sal grove next Monday. The festivities will begin in the morning at 9:30 when the fast local Independents will meet the Virginia Parks at the community park. The main part of the program will be given in the afternoon with a concert by the Grand Haven band. A Negro male quartet from Chicago, headliners in the radio world, will sing several selections.

Senator Clare Hoffman of Washington, just back from the hardest session in history, and Prosecuting Attorney John Dethmers of Ottawa county, will speak. At 4 o'clock a program of sports will be staged and it is to be an elaborate affair with many prizes.

The evening program beginning at 7 o'clock will feature band concert, selections by the colored quartet; an amateur contest with prizes for the winners of the first three places. More than a dozen have already entered this contest which will consist of instrumental and vo-

cal numbers, readings and humorous stunts. The program closes with the distribution of numerous prizes which has proved so popular.

The usual stands and games will again be on hand.

This year because of the paving of M-40 and Main street a large traffic committee has been appointed and the visitors will be directed to and from the grounds with little difficulty.

As usual the celebration will be held in a community spirit. All proceeds from all stands will go for community purposes.

The program follows:  
Chairman of the Day, Mr. Geo. Schutmaat.  
9:30 a. m., ball game, Hamilton vs. Virginia Park; 1 p. m., colored quartet; 1:30 p. m., band concert, Brandt's German band from Grand Haven; 2 p. m., address, Hon. Clare E. Hoffman; 3 p. m., address, (Continued on Page 2)

## HOLLAND AND OTTAWA COUNTY SCOUTS ON EASTERN TRIP

The Scouts from this vicinity, including Holland, are having a grand old time going through the East, headed for New York. There are several carloads and the first stop was Niagara Falls, with an extended trip on the Canadian side.

Point where generals are born, and also the naval academy, arriving at the biggest city on earth the next night. From all appearances the boys are having a great time.

Morris Tardiff sent this story in to the News and incidentally says that Glen Van Volkenburgh of Zeeland almost dropped into a swollen creek at Wilkins Glen, a flooded district, and his camera, too, almost went by the board. Apparently they have one dumb cluck, Don Badkins, who hasn't said five words on the trip; maybe he talks in his sleep. Anyway Don is a good scout and the boys are kidding him. One boy, it appears, is a heartbreaker, attracting every waitress in every cafe. But Spangler threw his hat in the St. Clair river, looking for waterproof goods, but a fish swam off with it. Seymour Padnos solicited bottles of pop and Wrigleys, but the pop was too popular and "Paddy" was not very successful.

FORMER HOLLAND BOY  
TAKES BRIDE

Mr. Leon Arthur Bosch, form-  
erly of Holland and now of Evanston,  
Illinois, became a benedict on Sat-  
urday when he was married to  
Miss Virginia French, daughter of  
Mr. and Mrs. F. W. French of  
Grandville. The impressive cere-  
monies took place at the home of  
the bride's parents, the vows be-  
ing said before an improvised altar  
of white gladioli, white snapdrag-  
ons, palms and ferns. Rev. W. P.  
Jerrett, pastor of St. Paul's Meth-  
odist church of Grand Rapids, read  
the services.

Music prior to the ceremony  
consisted of a vocal solo appropri-  
ate for the occasion, by Miss Car-  
oline French, and the wedding  
march from Lohengrin by Mrs.  
Charlotte Smith of Toronto, Can-  
ada, aunt of the bride, the bridal  
party entering while the march  
was being played.

The bride, entering on the arm  
of her father, looked lovely in a  
Grecian gown of white krusino  
transparent velvet, molded at the  
waistline and made with long  
sleeves which fell in folds. Flat  
sprays of calla lilies and pearls  
were used at the waistline, shoul-  
der and in her hair. She carried  
a beautiful bride's bouquet of Jo-  
anna Hill roses, tied with white  
satin.

Miss Marjorie Guest, maid-of-  
honor, was gowned in rust fon-  
tana crepe, simply fashioned with  
fitted bodice with long full sleeves  
pleated into the shoulder. Her  
flowers were Talisman roses and  
swainsown in an arm bouquet.

Miss Edith Leggett of Chicago,  
bridesmaid, and Miss Alyce  
Fischer of Grandville, junior  
bridesmaid, wore similar gowns  
fashioned with the flattering high  
neckline, low back, with dolman  
sleeves held in a yoke. Miss Leg-  
gett wore green chise crepe and  
Miss Fischer hyacinth blue rough  
crepe. Both carried arm bouquets  
of Briarcliff roses.

The groom was attended by  
Paul Nettinga of Chicago, former  
college classmate of Mr. Bosch and  
son of Dr. and Mrs. S. C. Nettinga  
of Holland. Henry Steffens of Hol-  
land and Eugene Jensen of Grand-  
ville were ushers.

Mrs. French, mother of the bride,  
wore a moulton rouge sawdust crepe  
made with flaring skirt and shir-  
red waistline. Mrs. Bosch, mother  
of the groom, was gowned in black  
rough crepe with white and silver  
trim. Both wore gardenias. Mrs.  
W. O. French, grandmother of the  
bride, was attired in black triple  
sheer with black lace trim and  
wore a shoulder corsage of white  
roses.

Mr. and Mrs. Floyd C. Fisher  
were master and mistress of cere-  
monies. Mrs. Fisher wearing a  
rough crepe dress of hyacinth blue.  
Miss Pauline Bosch, sister of the  
groom, assisted at the reception  
which followed the ceremonies.  
Miss Bosch's gown of rough crepe  
was of brown.

Mr. and Mrs. Bosch are on an  
eastern motor trip, the bride trav-  
eling in a two-piece brown wool  
swagger suite with lapin trim and  
brown accessories. They will be  
at home after October 1 at 2217  
Ridge avenue in Evanston, Ill.

Mr. Bosch, a son of Mr. and Mrs.  
J. S. Bosch of 47 East Twentieth  
street, Holland, is a graduate of  
the local Christian schools and of  
Hope college. He also attended  
Northwestern university, where he  
is now professor of economics.

Attending the wedding from this  
city were Mr. and Mrs. J. S. Bosch  
and daughter, Pauline. Other out-  
of-town guests included Mr. and  
Mrs. Samuel Bosch and son, Don-  
ald Bosch, of Chicago, and Mr.  
and Mrs. Alvin J. Cook of Grand  
Haven, and Mr. Nellis Tanis of  
Zeeland.

GETS HER BACHELOR'S  
DEGREE

Among those receiving their  
bachelor's degrees from the Uni-  
versity of Chicago is Miss Anna  
Boot of this city.

Miss Boot has been a teacher in  
the local public schools for some  
years and a daughter of the late  
Mr. and Mrs. Peter Boot who lived  
at 18 East Thirteenth street where  
the daughter now resides. The fa-  
ther was a Holland pioneer mer-  
chant for many years.

CHARGED WITH CHILD  
BEATING; DOES NOT  
COME TO COURT

Orion Troff of Allegan, whose  
trial on an assault and battery  
charge was scheduled for August  
27, did not appear in court. His  
attorney, Ira Montague, asked for  
a continuance, which was granted.  
The new date set for trial being  
September 10. Troff pleaded not  
guilty last week to the charge of  
beating his 14-year-old niece, who  
makes her home with him and his  
wife. He furnished bail of \$100.

OVER 700 ON H. J. HEINZ  
PAYROLL

The Heinz plant is now running  
24 hours a day with 700 persons on  
its payroll, which is about 50 per  
cent more than at the same time  
last year. Statistics show that all  
local labor is used and women are  
employed at a 60-40 ratio to men.  
In May, Mr. J. A. Hoover, man-  
ager, made the prediction that 600  
to 700 persons would be employed,  
which turned out to be true.  
The H. J. Heinz Co., is not only  
a substantial firm for Holland, but  
it brings a cash market to the far-  
mers for a diversified crop. These  
700 employes put to work possibly  
700 more on farms, in stores on  
other manufacturing necessary for  
the plant and in scores of other  
ways directly and indirectly.

ALLEGAN COUNTY

John Driesenga, 78, died Tuesday  
at his home in East Saugatuck.  
Surviving are the widow; four  
daughters, Mrs. Jacob Huizenga of  
Holland, Mrs. Thomas Mokma of  
East Holland, and Mrs. H. Boer-  
man of Overland, and Mrs. H. Boer-  
man of Holland, a son, Henry, at  
home, and eight stepchildren, John  
Dykman, Mrs. A. D. Marlink, Wil-  
liam, Gerrit and Sarah Dykman,  
John Donia of Zeeland, Mrs. John  
Brouwer and Mrs. Bert De Haan  
and 20 grandchildren. Funeral  
services were held Thursday at 1  
p. m. at the home and at 1:45 p. m.  
at the East Saugatuck Christian  
Reformed church with Rev. S. P.  
Meirns officiating. Burial was  
in Overisel cemetery.

OTTAWA COUNTY FARM  
NOTES

By L. R. Arnold  
Farm Agent

A meeting of about 100 peach  
growers from Kent, Muskegon and  
Ottawa counties was held on the  
Ed Umor farm near Comkin on  
August 21. Mr. Catton, Michigan  
State college, discussed various  
peach diseases, particularly three  
virus diseases which have caused  
considerable loss to Michigan grow-  
ers. A field trip was made after  
the talk at which time he pointed  
out diseased trees and showed how  
to identify the different diseases.

In his discussion, Mr. Catton told  
how such virus diseases were scat-  
tered by hoppers which are found  
on plum trees. Recent work had  
demonstrated that. He advocates  
spraying plum trees with nicotine  
sulphate between June 1 and June  
10 in order to kill off hoppers.  
Plum trees scattered about the  
farm in fence rows and in out-  
of-the-way places should be destroyed.

Brown rot is causing consid-  
erable loss in the peach crop this  
year. It has made inroads in the  
crop in Berrien county. If wet,  
hot and muggy weather prevails  
during the next three weeks there  
will undoubtedly be a heavy loss  
of fruit. County Agent L. R. Ar-  
nold urges that peach growers fol-  
low instructions found in the 1935  
spray calendar in regard to control  
of brown rot. Peaches coming to  
the large Benton Harbor market  
from Illinois show many infected  
with worms. Because of this, Mich-  
igan growers are anticipating a  
better peach deal providing brown  
rot does not make too great an  
inroad on this crop.

L. R. Arnold, county agricultural  
agent, has received word from  
Michigan State college, club de-  
partment, as to placings made dur-  
ing the recent judging contests  
held at the college. About 40 low-  
er peninsula counties were repre-  
sented in this contest. Ottawa  
county sent a crops judging team  
and a handicraft demonstration  
team. Returns from the college  
are very pleasing.

Three Ottawa boys, Ben Westrate  
and Reinhard Roman of Coopers-  
ville and Merton Henry, Marne,  
were selected as an Ottawa team  
to make the trip to Detroit fair to  
compete with other boys from all  
parts of Michigan in crops judg-  
ing. The fine work done in judg-  
ing by these boys placed the Ot-  
tawa team at the head of the list  
of all counties who had boys judg-  
ing at Lansing. Club leaders trust  
they will do equally as well at De-  
troit when they compete for the  
trip to Chicago to enter national  
competition. Mr. Arnold and club  
leaders are optimistic this year.

However, competition is keen in  
this work and the very best of judg-  
ing is required to win honors. The  
boys have received free tickets to  
the Detroit fair, also free meal  
tickets for the day of judging. They  
will make the trip with a local  
leader.

The county will also be repre-  
sented at the state fair with a han-  
dycraft demonstration team. The  
two boys who made good at Lan-  
sing are Howard Irish and Nick  
Van Wingerden, Coopersville. They  
placed high at the college as a  
handicraft demonstration team.  
They also received a free ticket to  
the Detroit fair with meal expense  
provided, and will compete against  
all the selected teams from the  
other counties.

These boys are outstanding  
handicraft members, having car-  
ried on seven years of such work  
under the instructions of the vet-  
eran leader, William Van Allsburg.  
In the demonstration the boys dis-  
cuss and show how to finish an  
article. This is of utmost impor-  
tance. It is difficult work and re-  
quires considerable knowledge and  
ability. All club leaders in the  
county are wishing these boys the  
best of luck in their coming contest  
at Detroit.

Club leaders are sending a fine  
handicraft exhibit to the state fair.  
A truck has been secured for trans-  
portation of these articles, which  
were on display at the county-wide  
achievement day held in May. Due  
to the excellent workmanship Ot-  
tawa club leaders feel that they  
will make a fine showing in De-  
troit.

OTTAWA BOYS GO TO STATE  
FAIR

Three Ottawa boys, Ben West-  
rate and Reinhard Roman, Coop-  
ersville, and Merton Henry, of  
Marne, were selected as an Ottawa  
team to make the trip to Detroit  
fair to compete with other boys  
from all parts of Michigan in crops  
judging. The fine work done in  
judging by these boys placed the  
Ottawa team at the head of the  
list of all counties who had boys  
judging at Lansing.

Doe Deer Has Triplets—  
Often Twins

Eleven fawns in five years!  
That's the record of a doe deer in  
the tourist park at Newberry. The  
achievement of this doe is begin-  
ning to attract the attention of  
wildlife students of the state. It  
became a resident of the park little  
more than five years ago and when  
two years old produced its first  
fawns, a set of twins, in 1931.  
This was regarded as extraordinary  
for a two-year-old doe. One of the  
twins was a male and the other a  
female.

Since 1931 the Newberry doe has  
had 11 healthy fawns, eight of  
them males and three of them  
females. It has given birth to  
twins fawns every year except 1933  
when triplet fawns were produced,  
all males. In 1932 the doe brought  
forth male and female fawns; two  
male fawns in 1934 and now is  
rearing the fourth set of twin  
fawns, a male and female. A wild  
doe with triplet fawns was report-  
ed seen by Archie Beauchamp, con-  
servator officer of Iron River, who  
was patrolling at the time in the  
vicinity of Minnie lake in Iron  
county.

STEALING BRINGS DAMAGES  
ALLEGAN COUNTY FARMER

Wesley Bowser, 20, Otsego,  
pleaded guilty to larceny charges  
brought against him when he was  
arraigned before Justice Volney  
Ferris Saturday. He was fined  
\$10, assessed \$7.25 costs, and must  
serve 25 days in the county jail.  
If fine and costs are not paid he  
will serve 50 additional days.

Oliver Koyl, 17, of Kalamazoo, al-  
so arraigned Saturday before Jus-  
tice Ferris on the same charge as  
Bowser, also pleaded guilty, receiv-  
ing the same fine and costs, a 20-  
day jail sentence, with an addition-  
al 30 days for nonpayment of fine  
and costs.

The two young men were charged  
with stealing from Mahon O'Dell  
of Trowbridge a canvas which cov-  
ered a wheat stack. O'Dell claims  
the loss of half the wheat when it  
was soaked with rain after the can-  
vas was stolen.

TOURISTS POINTING  
HOMEWARD

A sudden drop in the tempera-  
ture of some 35 degrees within a  
few hours cancelled several swim-  
ming parties at the resorts. It is  
the first time in the air that would  
indicate fall is in the offing. Not  
a few resorters packed up and  
pointed their cars homeward. It  
is hoped that the extension of a  
week in the opening of school in  
some parts of the country, includ-  
ing Holland, will prolong our re-  
sort season. Those who have chil-  
dren who must go to school are  
preparing to get out by Saturday.  
Some of them will remain until af-  
ter Labor Day Monday.

COMMON COUNCIL

Holland, Mich.  
August 21, 1935.

The Common Council met in reg-  
ular session and was called to order  
by the Mayor.

Present: Mayor Bosch, Alds.  
Vande Lune, Drinkwater, Kalkman,  
Van Zoeren, De Cook, Damsen,  
Huyser, Bultman, Van Lente,  
Huyzelang and the Clerk.

Devotions by Ald. Damsen who  
led in the Lord's Prayer.

Minutes of last regular and  
special meetings read and approv-  
ed.

Petitions and Accounts  
Clerk presented several applica-  
tions for building permits.

Granted, subject to approval of  
City Engineer and Building In-  
spector.

Clerk presented application of  
Henry Knoll, 174 East 4th street,  
for permission to come under the  
C. S. ordinance.

Granted.  
Clerk presented communication  
from American Legion band re-  
questing the Council to give ear-  
nest consideration to the erection of  
a music shell as a WPA project.

No definite action taken. Ald. De  
Cook expressed the opinion that  
such shell could be constructed  
more advantageously by private  
contract than by WPA.

Clerk presented communication  
from H. Vander Werf requesting  
Council not to remove any more  
trees from Prospect Park.

Accepted and filed.  
Reports of Standing Committees  
Claims and Accounts committee  
reported having examined claims  
in sum of \$13,759.06.

Allowed.  
Sewer committee reported recom-

mending that 12 homes on Fair-  
banks avenue be served with a  
notice to connect with the sanitary  
sewer. These range from Nos. 132  
to 176.

Adopted, all voting Aye.

Sewer committee further report-  
ed that the homes at 185 East 26th  
street and 179 East 27th street,  
also the Bay View Furniture Co.,  
owners of which have previously  
been served with notice to connect,  
have not as yet complied. After a  
brief discussion, the City Inspector  
was instructed to contact the City  
Attorney and see that the neces-  
sary steps are taken to have these  
properties either connected with  
the sewer or discontinue their use.

Adopted.  
The matter was also brought up  
by the Sewer committee relative to  
homes on River avenue between  
2nd and 3rd streets, the owners of  
which have been served with  
notice to connect with the sani-  
tary sewer, but have no suitable  
sewer connections available to their  
properties.

In discussing the matter, the  
City Engineer reported that it  
would require about 200 feet of 8-  
inch pipe at an estimated cost of  
\$300 in order to give these homes  
access to the sanitary sewer.

City Engineer instructed to lay  
the necessary sewer pipe and, if  
possible, to have this done in con-  
nection with other WPA projects.

Adopted.  
Communications from Boards and  
City Officers

The claims approved by the  
Library Board in the sum of  
\$166.23; Park and Cemetery Board,  
\$1,705.26; Police and Fire Board,  
\$2,532.10; B. P. W., \$9,502.42 were  
ordered certified to the Council for  
payment. (Said claims on file in  
Clerk's office for public inspection.)

Allowed.  
Board of Public Works reported  
the collection of \$21,386.93; City  
Treasurer, \$5,046.66 for miscel-  
laneous collections; City Treasurer,  
\$45,831.73 city taxes.

Accepted.  
Clerk reported Bonds and Inter-  
est coupons due in amount of  
\$5,992.24.

Ordered paid.  
Clerk presented communication  
from Board of Public Works ex-  
pressing disappointment over Coun-

cil's action in not approving of the  
recommendation of the Board to  
negotiate for the purchase of the  
Kleyn property for a warehouse  
site.

Tabled for two weeks.

Mayor Bosch questioned the ad-  
visability of building a warehouse  
under PWA. It was his contention  
that it would be more costly to the  
city than if the matter were hand-  
led by private contract. The Mayor  
stated he based his conclusions  
from interviews he had had with  
W. P. A. officials.

He then called upon the City  
Engineer to inform the Council in  
regard to the views of the W. P. A.  
officials. Mr. Zuidema stated that  
these men had expressed an opin-  
ion that due to the higher rate of  
wages required under PWA, espe-  
cially where this construction re-  
quires a considerable amount of  
skilled labor, that the advantages  
gained from a grant would be more  
than offset by this high labor cost.

Ald. Bultman also supported the  
statements of the City Engineer  
from interviews he had had with  
W. P. A. officials. City Attorney  
also stated that during a recent  
meeting of City Attorneys from  
various cities throughout the state  
the impression seemed to prevail  
that in a good many cases of build-  
ing construction these structures  
could be built more advantageously  
under private contract than  
under a PWA project and grant.

It was Ald. Van Lente's conten-  
tion, however, that the B. P. W.  
should be given every considera-  
tion in its request and that the  
matter should not summarily be  
dismissed but should be held over  
until the next meeting. Mayor  
Bosch instructed the Aldermen in  
the meantime to get as much in-  
formation as possible on the sub-  
ject.

OSCAR PETERSON,  
City Clerk.

Story & Clark Enjoys  
Large Business Gain

(Grand Haven Tribune)

An increase of over 600 per cent  
in the July business at the Story  
and Clark Piano company of Grand  
Haven has been reported by the  
vice-president, L. D. Bull. The  
month of August is expected to  
show another very substantial gain  
over last year when the figures are  
totaled.

The Story and Clark Piano com-  
pany, for years one of the largest  
and most substantial industries in  
the city, was practically closed  
down a year ago last July and for  
the first two weeks in August of  
last year.

The plant has been running  
steadily for some time on a basis  
of 40 hours per week and orders  
on hand now practically insure  
continued operation on full time  
for the balance of the year, stated  
the official.

In the last three weeks, Mr. Bull  
says, the plant has increased the  
men employed by approximately  
50 per cent and, he continued, the  
present number employed should be  
at least maintained for the next  
four months with no interruptions.  
The piano business has had a  
series of ups and downs due to  
general financial conditions and  
the development of the radio and  
other musical reproducing machi-  
nes. For the past year indica-  
tions have shown that there is a  
return to piano buying in this  
country and abroad and the vast  
increase of business this summer  
over a year ago is the reflection  
of this change in the trend of the  
purchasing public.

A large force of men is employed  
at the plant that at one time, dur-  
ing the war, employed as high as  
600 men. Continued prosperity  
throughout the country insures  
that this well known company of sales  
that are expected again to make  
it one of the leading manufactur-  
ing institutions of the city.

Oldest Fish License  
Holder 105 Years

The distinction of being the oldest  
person to apply for a resident  
fishing license in Michigan goes to  
Thomas Gordon, 449 Myrtle street,  
Grand Rapids. Gordon gave his  
age as 105 when he purchased his  
license on the fifth of July.

## REPAIR ALLEGAN ROAD

The Allegan county road com-  
mission is making repairs to the  
road on the New Richmond hill, 4  
miles north of here, necessitated  
by the heavy rains of last week-  
end. Much of the hill was washed  
down.

## OVERISEL

An enormous amount of traffic  
has been passing through this vil-  
lage lately since our county high-  
way has been made the temporary  
"bee line" for detourists who other-  
wise would have taken M-40. The  
latter highway is undergoing a  
complete transformation from  
gravel to cement. What a relief  
it will be in future years, not to  
have to take our rubber boots along  
when we motor to De Stadt in the spring!

This week, Friday evening, the  
young people of the Reformed and  
Christian Reformed churches are  
intending to hold a joint outing at  
Tunnel park. Each person or couple  
may bring anything they like  
in the line of food, to contribute to  
the pot-luck supper. Be sure to  
take along your own eating uten-  
sils. A program of games has  
been arranged by the social com-  
mittee. The time has been set for  
six o'clock, or as soon thereafter  
as is possible. We urge all of the  
young folks of the two local  
churches to come, and also to bring  
their friends. Come early enough  
to enjoy a swim before supper,  
which will probably take place at  
about 7 o'clock.

A week ago Saturday the fol-  
lowing motored to Detroit to wit-  
ness a baseball game there: the  
Messrs. Benjamin and Earl Albers,  
John Gras, Harvey Immink, Alfred,  
Harry and Stanley Lampen, J.

## Koolker, and Mr. Ter Avest.

Mr. and Mrs. Glenn Nykerk  
have returned to their home in  
Ewen, which is located in the  
northwestern part of Michigan's  
upper peninsula. Mr. Nykerk is  
superintendent of Ewen's public  
school system.

Mrs. H. Jeurink is back at her  
home in Prairie View, Kansas, af-  
ter having spent a short time visit-  
ing friends and relatives in this  
vicinity.

Dr. James Poppen of Boston,  
Mass., is expected to drop in about  
at this time at the home of his  
parents, Mr. and Mrs. John Poppen  
of this village.

Mrs. Bovenkerk spoke last Wed-  
nesday afternoon at the joint meet-  
ing of the Mission Circle, the Wom-  
an's Missionary society, and the  
Girls' League for Service. This  
took place in the chapel of the Re-  
formed church.

## The pulpit of the Reformed

church was occupied last Sunday  
by the Rev. Wolvius in the morn-  
ing service, and by Candidate J.  
Bartel in the evening.

## LOCAL NEWS

Mrs. Martha Knoll has received word that her brother, Isaac Van Kersen, 74, died of heart failure in De Ridder, La. Surviving are the wife and four children, Mrs. Will Christianson of Muskegon; George Van Kersen of Texas and Dorothy Lee and Margaret at home; a sister, Mrs. Martha Knoll.

On Sept. 9 when voting on the proposed bond issue to raise Holland's share of WPA projects will be held, taxpayers in the first precinct of the Fifth ward will cast their ballots at a new election place. Instead of voting at the usual place on Twenty-first street at Central avenue and Michigan avenue, the voting will take place on a city-owned lot at Nineteenth street and College avenue.

A fire drill was held Wednesday evening on Central avenue between Fifth and Sixth streets in front of De Pree Co. Sixty seconds from the time that Alderman James A. Drinkwater of the Second ward sounded the alarm from box 22 at Central and Sixth, the fire engines had sped through the business district from both houses to the factory. Thirty men took part under the direction of Chief C. Blom, Jr.

The Rev. and Mrs. James E. Hoffman had as guests at Cardeau Beach on Wednesday Mrs. John Hoffman, Jeanette Hoffman, Mr. and Mrs. Henry Hoffman, Mr. and Mrs. Judson Hoffman, Marjorie Zuidema, Cordelia Knoll, and Howard and Maynard Hoffman. A hamburger fry was enjoyed by the group. Jeanette Westreuer, aunt of Mrs. Hoffman, spent several days at the Hoffman cottage last week.

New wheat contracts will be available for Allegan county farmers shortly after Sept. 1, County Agricultural Agent A. D. Morley said Thursday. Meetings will be scheduled for all districts as soon as the new papers are ready.

The Holland board of education has placed contracts with 114 teachers, representing all but two

of the entire corps for the school year. Ten are new, five replacing married women. Schools will open Sept. 9, with E. E. Fell beginning his twenty-six year as superintendent.

On Monday evening a supper was served by the Rev. and Mrs. Hoffman at Cardeau Beach in honor of Jean Hoffman and Mrs. A. J. Westreuer of Holland who celebrated their birthdays on that day. The guests included the Rev. and Mrs. G. J. Hekhuis, Mr. and Mrs. A. J. Westveer and Ruth, James and Jeannette Westveer.

The Fillmore district No. 3 school has received thorough painting, both inside and out, and a rejuvenated building awaits the pupils after the long vacation.

Mr. and Mrs. James Kleinhessel of Fillmore are home again after a tour through the middle west states. They visited relatives in Iowa on their trip.

Those who were guests at Warm Friend Tavern on Monday evening to see the industrial picture, and attend the banquet, besides the Holland guests were J. M. Harris, salesman; Peter Lipka, district supervisor; L. G. Braybrooks, salesman; Jack Kniffen, specialty salesman; C. R. Culp, promotion supervisor, all of the Toledo district of the Gulf Refining Co., L. Secory of Muskegon, Clayton Blue of Wayland, and Heine Borst of Zeeland. Those from Holland were William C. Vandenberg, Jr., H. W. Vanden Brink, Ed Plaggenmeyer, Arie Diepenhorst, Herman Kragt, Bernard Veneklaasen. There were also many other dealers and service station men, too numerous to mention.

Monday, Labor Day afternoon, the Huizer school will hold a reunion at the schoolhouse, and all former teachers and pupils are invited to attend. The school is located three miles north of Zeeland at Beaverdam. Alderman Huizer of Holland was not only a pupil but also a teacher. In fact, he was reared in the shadow of this old landmark, so to speak. He sure is going to be present.

This Friday evening the young people of the Reformed and Christian Reformed churches of Overisel will hold an outing at Tunnel park at 6 p. m. Each person must contribute to the pot luck and take their own silver.

The South Olive Christian Reformed church of Crisp, celebrated its fiftieth anniversary Thursday with meetings at 1:30 p. m. and at 7:30 p. m. The church was organized in 1885 and all former ministers spoke. A musical program was also presented, after which refreshments were served. Rev. P. D. Van Vliet is the pastor and at present the church membership is 90 families.

A Cradle Roll party was held on Wednesday in the Sunday school room of the Trinity Reformed church, sponsored by the department. Prizes were awarded to the mother having the largest family, the oldest mother present, the youngest baby girl and youngest baby boy. Mrs. Frank Van Dyke, superintendent of the work, was in charge of arrangements.

Miss Eleanor Woltman, daughter of Mr. and Mrs. A. Woltman of 208 West Thirtieth street, and John D. Cotts, son of Mr. and Mrs. E. C. Cotts of West Thirty-second street, were united in marriage Tuesday evening at 8 p. m. at the home of Mr. and Mrs. Louis C. Cotts, 201 West Williams street, Michigan City, Ind., with Rev. A. E. Bogby officiating. The bride is a graduate of Blodgett Memorial hospital in Grand Rapids and the groom has accepted the pastorate of the First Presbyterian church in Fordyce, Ark. He will occupy the pulpit there beginning June, 1936, after his graduation from Columbia Theological seminary at Decatur, Ga. He is a graduate of Hope college.

Dr. and Mrs. J. J. Banninga, missionaries to India, who are leaving soon for their field of work, were honored at a reception Wednesday evening in the Hope church parlors. Dr. T. W. Davidson, pastor, presided at the meeting and a miscellaneous program was presented. Dr. Banninga showed moving pictures of their work in India. Refreshments were served from two long tables. Mrs. G. E. Kollen and Mrs. C. J. Dregman poured.

The board of the Women's Missionary society of which Mrs. Jay Den Herder is president, had charge of arrangements. Mrs. Donald Steinfort, who before her marriage August 15 was Marian Stoner, was honored at a miscellaneous shower last night at the home of Mrs. William Bauder at 328 West Seventeenth street. Mrs. H. Steinfort and Mrs. Bauder were hostesses. The evening was spent in playing games, and prizes were awarded to Miss Mildred Walberg and Mrs. Ben Poest. Refreshments were served by the hostesses. Guests included Mrs. John Fairbanks, Mrs. Henry Van Oort, Miss Frances Van Voorst, Mrs. C. L. Marcus, Mrs. R. Kuyers, Mrs. Paul Kuyers, Mrs. Matt Bor, Mrs. Al. Fred Van Duine, Mrs. Frank Fairbanks, Mrs. Harry Steinfort, Mrs. E. Walberg, Miss Mildred Walberg, Miss Marion Severance, Miss Ila Harris, Mrs. Helen Harris, Mrs. Mary Crook, Mrs. Tony Steinfort, Mrs. Sena Smeenge, Mrs. Marguerite Steinfort, Mrs. R. Van Til, Mrs. John Alderink, Mrs. James Rotman, Mrs. Ben Poest and Miss Marilyn Bauder.

Mike Serman, operator of a restaurant at 205 River avenue, was given an examination Wednesday by Justice Raymond T. Smith on a charge of selling beer to minors. Rev. and Mrs. H. W. Pyle and family have arrived home, after spending a few days of their vacation at the Bible conference at Wilona, Indiana. Mr. and Mrs. Henry Brink and Rev. and Mrs. Richard Elzinga, accompanied them on their journey as far as Peoria, Illinois. The latter, a recently-wedded couple, have by this time moved into the parsonage of the First Reformed church of Peoria.

**GOES TO INDIA**  
Rev. C. A. De Bruin came to bid farewell to Mr. and Mrs. B. Bor, of Washington street, Zeeland, on his return to his former field in India. He left here in 1925 and returned to this country in the fall of 1931. Circumstances made him accept a conditional call to the church at Westfield, S. Dak., in 1933 and in 1934 he received an appointment from the foreign mission board to go to India. Rev. De Bruin and family sail the past part of this week to their former home in India. Rev. De Bruin is a graduate of Western seminary of the class of 1924.

Larry Kolb was in Chicago on Wednesday.

## Tribute to Weeklies Was One of Will Rogers' Best

Some of the late Will Rogers' philosophic and humorous paragraphs will go down in literary history as masterpieces. And perhaps one of the finest of these is his tribute to the "home weekly town paper," one of his last writings.

"Take away my ham, take away my eggs, even chili," said Will, "but leave me my newspaper. Even if it has such purely local news as 'Jim Jones came home last night unexpectedly, and bloodshed ensued' or 'Jesse Bushyhead, our local M. D., is having one of the best years of his career, practically speaking'—but they just won't pay him when they get well," the county seat was packed yesterday with prominent people from out of town, attempting to renew their notes and "election snuff" far off and everybody is up for office that can sign an application blank."

"Now all that don't seem much news to you. But it is news to you, especially when you know the people and they are your own folks. So no matter how punk you may think your local newspaper is getting, why just take it away from you and see how you feel. The old newspaper, I think, is just about our biggest blessing."

"So let's all read and be merry, for tomorrow the paper may not have enough ads to come out."

## BOY GETS HIS SKIFF OUT OF MARSH BEFORE COAST GUARDS ARRIVE

Grand Haven coast guards, under Boatswain William E. Preston responded to a call for aid last evening, but found they made an unnecessary trip when a small boy reported grounded on the marsh near the Niering clock dock succeeded in freeing himself. The boy, in a small skiff, was reported unable to leave his craft because of the marshy ground and unable to float the skiff, in a phone call received at the station. The party placing the call told Boatswain Preston the boy had freed himself while he went to call assistance.

## TWO-THIRDS OF VOTE NEEDED TO O.K. BOND ISSUE

City Atty. Elbern Parsons ruled today that a two-thirds majority is needed to approve the \$23,000 bond issue which is the city's share for WPA projects to provide work instead of dole to indigents.

The charter provides for only a simple majority, but the state home rule act specifies a two-thirds majority. Parsons' opinion, he stated is upheld by decisions handed down on that question to bonding companies.

Meanwhile, Mayor Nicodemus Bosch announced he is preparing a message to the citizens of Holland urging them to vote for the bond issue. He expressed himself as "anxious to see the program go through."

Mr. and Mrs. Henry Top, and Mr. and Mrs. Martin Nienhuis attended the Sherbourne school reunion in Blendon township last week.

Marriage license applications have been received from Herman VanderBeek of Holland, and Laura Muzzall of Oak Harbor, Washington, and from Robert K. Mason and Mary P. VanTobel, both of Holland.

## ALLEGAN COUNTY NEWS

Members of the Young People's Fellowship clubs of New Richmond, Saugatuck and Ma's Landing held a beach party Monday evening at Douglas Beach. Rev. Richard A. Elve, pastor of the Open Bible church, spoke on the subject "Walking With God." Those attending from Holland were: Rev. Elve, Miss Inez Von Ins, Miss Betty Wagenveld, Peter Nienhuis, Harold Ver Hoef and Allen Heringa.

A group of young people were entertained at an ice cream social given by Mr. and Mrs. Ralph Vos on Tuesday evening at their home near Overisel. Guests were: Misses Wilma Vos, Jean Hussink, Gertrude Dykstra, Bertha Vander Bie, Albert Vos, Alfred Hussink, Gerrit Vander Riet and Harold Beckstorf.

The annual Pennville Fruit and Flower Show, sponsored by the local chapter of the Future Farmers of America, will be held at the high school on October 23, 24 and 25. It was announced this week by E. H. Bjornsteh, head of the agricultural department. The other officers to aid are: President, Joe Skinner; vice president, Ken Blenc; secretary, Charles Stask; treasurer, Crawford DuVall; reporter, Albert Hespel. Mrs. A. N. Larsen will have charge of the flower exhibits.

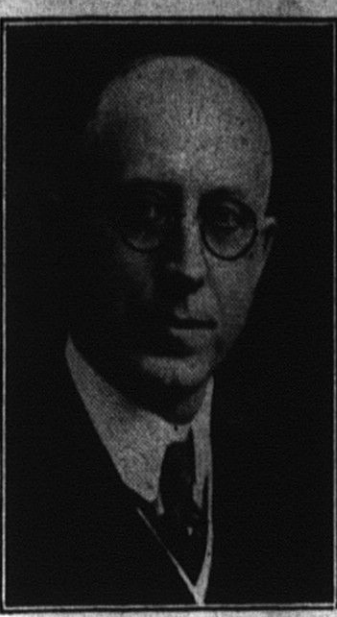

Dick Ter Haar, 42, of Drenthe, was taken to Zeeland hospital and reported in a serious condition as the result of a farm accident Friday in which he was "harpooned" by a hay fork. His condition was slightly improved Saturday.

The Zoet Fuels defeated Graafschap for the sixth straight time last night 9 to 3. Keith Conklin made his second pitching appearance and allowed only five hits. The Zoets slammed Gerry and Wiersma for ten hits, Fox, Borgman and Conklin had two apiece for the winners and F. Rutgers led the losers with three.

Mrs. William Heathcote was badly burned Sunday when a gasoline stove exploded as she was preparing dinner at her home on a farm near Pearl. Her clothing caught fire and in her efforts to extinguish the flames was severely burned about the arms and legs. She was taken to Douglas hospital and is reported to be doing as well as can be expected.

The closing exhibit of the Saugatuck Art gallery will start Saturday and continue over Labor Day. Among those exhibiting will be Carl and Christine Hoerman, Edgar Rupprecht, Nina Griffin, Frederick and Lucille Furman, Cora Elias Taylor and Albert Krehbiel. This new exhibit will be in oils.

Funeral services for Herman Knoblock, 35, of Monterey township, who died at the University hospital at Ann Arbor, were held Monday at the Gorden funeral home. Burial was in Poplar Hill cemetery. He is survived by his mother, Mrs. Julia Knoblock; three sisters and two brothers.

Dr. John B. Nykerk, head of the English department, speech and forensics at Hope college, will begin his fifty-first year as member of the faculty.

## AMERICAN LEGION

## NEWS

Bear in mind that the next post meeting will be held Wednesday evening, Sept. 11, unless you are otherwise notified.

We really should have the installation of officers before that date, but somehow or other, no one has arranged for it.

Another department convention is history. We will hear all about the business meetings from our delegates at the regular meeting. The parade was a huge success and the weather for marching was ideal.

Among those who went from here and left their wives at home were Comrades Van Lente, H. Cook, M. Kote, Doc Bos, Louis B. Dalman, Charles Vos, Tony Den Uyl, and even Sam and John Althuis. Those who took their wives and deserted them there were Al Joldersma and Charlie Miller. And those who were unfortunate and had their wives with them were Ray Smith and Ed Slooter. Mrs. John Roozeboom succeeded in getting to the convention without Chippy.

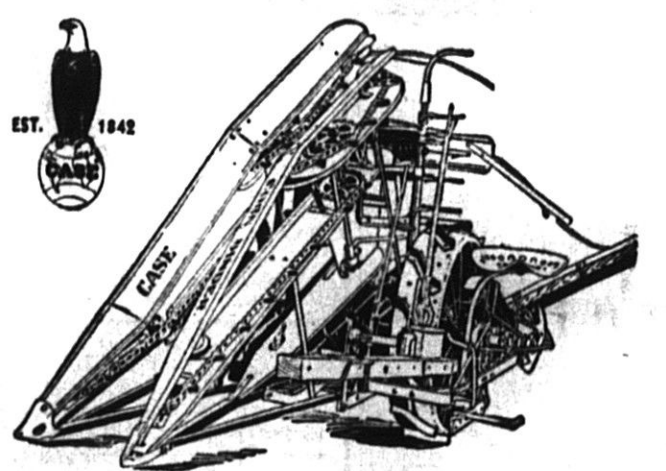

Comrade Ray Smith is the man to go on a trip; he is so resourceful. Just about the time you get hungry and reach around for some candy or peanuts, he comes out with a length of bologna and a bottle of olives.

## CHRISTIAN LABOR FOLK WILL PICNIC

The fourth annual field day of the Michigan division of Christian Labor association will be held at Richmond park, Grand Rapids, on Labor Day afternoon and evening, Monday, September 2, starting at 2 o'clock.

There will be a program, including speaking, music, singing, a baseball game between teams made up of members from Zeeland and Holland against a team from Grand Rapids members, a juggling exhibition by a member, and in the evening there will be a motion picture shown. The general public is invited to attend as well as all the members of the association. Refreshments will be sold on the grounds.

## This light draft binder KNOWS ITS BUSINESS

**BECAUSE the Case Corn Binder is so perfectly balanced, so smooth-running and light pulling, it makes easier work for both man and team.**

The first time down the row shows you that it knows its business. Long, wide dividers gather all corn—tall or short, standing or down. Sickle and adjustable side knives, supported on rigid angle steel frame, cut every stalk, fast and clean.

Three efficient packers, on forged steel crank-shaft, pack stalks firmly together through-

out their full length. Third packer, placed low, saves the ears—extra long stroke draws stalks back from butt chain. Binding mechanism must tie at least 50 bundles successively before release from factory.

Both bull wheel and grain wheel—Case suspension type—are in line and of same height. This insures straight pulling; lessens side draft. All working parts are accurately aligned; simple adjustments to take up wear.

Come in and give it the "once over"—we know you'll like it.

The binder is so perfectly balanced on the carrying wheels that a tongue truck would be a detriment rather than an advantage. Furthermore, it would add to the cost \$17 or \$18, and no buyer of a corn binder would pay this amount for a tongue truck.

## Restlawn Memorial Park PERPETUAL CARE

### None Neglected

To insure the future maintenance and care of RESTLAWN a Perpetual Care Fund is being established with one of the leading financial institutions of Holland. Fifteen cents for every square foot of ground goes into this fund, which will total \$100,000, and this amount

remains an inviolate Trust Fund. The interest on this fund, together with receipts from interments, etc., will furnish ample means to provide perpetual care for every lot and for every portion of the grounds. This feature is also safeguarded by State Supervision.

## BIG CORN IN NAZARETH

No, this isn't the Nazareth in Palestine, but in Michigan, near Gull lake not far from Allegan. Fred Dyer, son-in-law of Fred Woodruff of this city, came to Holland with a stalk 15 feet, 9 inches and it is on display in the Holland City News office. That is the tallest corn we have thus far heard of in Michigan, although a drive in the country will show that the over abundance of rain has brought fields of the tallest corn as long as one can remember. Mr. Dyer is a former Holland man, being janitor of the Holland hospital for seven years.

Mr. Dyer states that he has 17 acres of corn and when he gets a ways into it he gets lost, so Mrs. Dyer has to ring the dinner bell so he can find his way out, judging from the direction of the sound. Earl Dyer, also a former Holland man, is employed upon this farm.

## CONDITION OF GIRL IN CRASH IMPROVED

Miss Norma Witcop, 16-year-old Coopersville girl, has increasing chances of recovery from injuries received when a motorcycle on which she was a passenger, crashed into an automobile near Nunica 10 days ago. The operator of the motorcycle, Robert Kraai, of Coopersville, was instantly killed. Miss Witcop suffered a broken leg, skull fracture and received broken arms. The fractures were set last week and Hatton hospital attendants today reported her condition much improved.

Miss Greta Evenblij, who has been the guest of Dr. and Mrs. R. J. Danhof, was honored at a farewell supper party Monday evening at Tunnel park by the young people of the Fourteenth Street Christian Reformed church. Miss Evenblij will leave Holland Friday and will sail on the steamer "Staten-dam," September 3, for her home in Koog-Zaandijk, The Netherlands, near Amsterdam.

Mrs. William Hoving and Mrs. P. Achterhof entertained with a shower Friday evening in honor of Miss Cora Last at the home of Mrs. Hoving at Central Park. Those present were Miss Harriet Johnson, Mrs. Louis Mannes, Miss Helene Mannes, Mrs. A. Mannes, Mrs. P. Lamar, Mrs. A. Johnson, Mrs. W. Johnson, Mrs. F. Reus, Miss Helen Johnson, and the honored guest.

New wheat contracts will be available to farmers of Allegan county shortly after Sept. 1, 1935. The maximum allowed per wheat grower under the 1936 contract will be 95 per cent of his base acreage. The base acreage is the average of the wheat harvested during the years 1930, 1931 and 1932. Meetings will be scheduled for all districts of Allegan county some time around September 1, when the new contracts are ready. Remember the fly free date for this area is September 18.

## 2 Persons are Killed, 3 Hurt in Auto Crash

INJURED IN SERIOUS CONDITION, SOME FROM ZEE-LAND AND HAMILTON

Two prominent Byron Center residents were killed and three other persons were severely injured in an automobile collision at the intersection of the North Dor and Zeeland roads two miles west of Byron Center shortly before 8 o'clock last night.

The dead: Martin Daining, 62. Mrs. Jessie Daining, 50, wife of Martin Daining. The injured: Harm Boerman, 46, of Hamilton, route 2. Clyde Boerman, 20, his son. Gerrit J. VerBeek, 40, of Zeeland, route 3.

At St. Mary's hospital, where the injured were taken, condition of the Boermans was considered critical early today. The elder Boerman was suffering from a fracture of the hip, and his son received a possible skull fracture. Verbeek, brother-in-law of Harm Boerman, suffered bruises and lacerations of the scalp.

The Dainings, well known in Byron Center for many years, were returning from their farm several miles west of the village with provisions for the week-end when the accident occurred, according to Special Deputy B. H. Abbott. The other machine, driven by Clyde Boerman, was bound for Grand Rapids. Abbott said, There were no witnesses, it was believed.

## Instantly Killed

Daining was instantly killed; his wife survived him by several minutes. Both died of fractured skulls. Dr. Harmon C. Wolfe, coroner, announced.

The Boermans and VerBeek were en route from the Boerman farm to Grand Rapids, where they were planning to purchase a machine last night.

A native of Drenthe, Mich., Daining came to Byron Center at an early age. He was the owner of considerable farm land near the village, but had not been active for the past few years. He formerly operated with his son, Arthur, a general store, known as Daining & Son. The store is now operated by the younger Daining.

Mrs. Gerrit Van Tuin of Byron Center was the widow of the late Gerrit Van Tuin, who was a member of the Byron Center Christian Reformed church, and was prominent in community affairs.

Surviving besides the son and Mrs. Daining's parents are three grand children. The bodies were taken to the Klinefelter funeral home.

## SAUGATUCK FLOWER SHOW PRIZES LISTED

The eighth annual flower show was held here this afternoon, by Columbian Garden club, in the village hall Saugatuck.

Prizes were awarded as follows: Gladioli and asters, Mrs. J. J. Stream; dahlias, Mrs. Josephine Stough; marigolds and cosmos, Mrs. Herman Hirner; roses Richard Newnam; zinnias, Mrs. Frank Comstock; penins, Miss Hattie Hirner; wild flowers, Mrs. August Pfaff; vase of flowers, Mrs. J. J. Walker; basket of flowers, Mrs. Herman Hirner; novelties, Lee Le-lan.

Gertrude Mabel Hanson, daughter of Mr. and Mrs. Samuel Hanson of Freehold, N. J., and Dr. George Fell, son of Supt. and Mrs. E. E. Fell of Holland, were united in marriage Tuesday afternoon at the parsonage of the Ninth Street Christian Reformed church with Rev. N. J. Monsma officiating. The bride wore a gown of flowered chiffon and carried a bouquet of white roses and sweet peas. She was attended by Miss Vivian Es-senbagger, who wore a gown of blue silk crepe with corsage of Joanna Hill roses and sweet peas. Gerald Prins was best man. Immediately following the ceremony a reception was held at the home of the bride's parents. The couple will reside at 84 East Eighth street, apartment No. 7. The groom is employed at the Molenaar and De Good market.

The Pickle Street school reunion, district No. 5, Monterey, will be held Monday, September 2 (Labor Day), at the Allegan fair grounds. All former pupils and teachers are invited to attend.

Miss Minnie Lenters, daughter of Mr. and Mrs. George Lenters, and Glenn Folkert, son of G. J. Folkert, were united in marriage Thursday at the home of the bride's parents in East Saugatuck with Rev. E. P. Mierma officiating at the double-ring ceremony. The vows were taken before an improvised altar of ferns, palms and flowers in a room decorated in white and yellow. Before the ceremony Mrs. Minnie Folkert sang "I Love You Truly," accompanied by Mrs. Martin Sale, who later played Lohengrin's wedding march as the bride party took their places. The bride was attired in a gown of white satin trimmed with silk lace. She also wore a strand of pearls, a gift of the groom, and carried a mixed bride bouquet of pink and white roses and sweet peas. She was attended by her sister, Miss Joan Lenters, who wore a semiformal gown of maize organdie with matching accessories. She carried a mixed bouquet of delphinium, roses, swains-on and other flowers. Leonard Folkert, brother of the groom, was best man. Mr. and Mrs. John Elzings were master and mistress of ceremonies. Lois Sale, dressed in maize triple sheer crepe, was flower girl and strewn rose petals. Baby's breath and other flowers in the path of the bride. Master Paul Folkert acted as ringbearer. Immediately following the ceremony a reception was held. The newlyweds left on a honeymoon trip to Niagara Falls. The bride wore blue crepe with white accessories when traveling. The couple will make their home in Hamilton where the groom is employed.

The engagement of Miss Laura Muzzall, daughter of Mr. and Mrs. Lyle Muzzall of Oak Harbor, Washington, to Herman Loers Vanderbeek, son of the Rev. and Mrs. John Vanderbeek of 281 Lincoln avenue, has been announced. The marriage will take place in the near future. The painters and decorators of Holland held their first annual picnic Saturday at Tunnel park. William Mokma was in charge of the free lemonade and ice cream. Gerrit Rooks and J. Slaght were in charge of arrangements and sports.

The Bouman family held their annual reunion Saturday afternoon at Tunnel park. Sports and games were enjoyed.

## BABY RUN OVER BY CAR NOT HURT SERIOUSLY

X-ray examinations failed to disclose any serious injuries to Marion Near, two and a half year old Hart township boy who was run over by an automobile here Thursday, and the youth was discharged from the hospital. Witnesses to the accident absolved the driver, Agnes Varenhorst, 16-year-old Hart girl, of any responsibility as the boy had heedlessly run in front of her machine.

## HAY FORK PIERCES FARMER'S ABDOMEN

Dick Ter Haar, 42, of Drenthe, is in serious condition in Huizenga Memorial hospital where he was taken this afternoon after a hay-fork slipped from his hand and pierced his abdomen. He was unloading hay at the time.

## SPRAYING BY AIRPLANE

To get rid of pests they have to spray celery now as much as they do fruit trees and they are beginning to do it by airplane which method is likely to be adopted as to fruit. This was tried near Decatur last week with satisfactory results and at slight cost, about \$1 per acre plus cost of spray material. The plane flew within a few feet of the ground and sowed the dust evenly and thoroughly. The spray is basic copper sulphate. A local paper states that about 100 acres of celery among the vast amount grown there have been abandoned. The early plants had been prepared for bleaching but could not dry out from the excessive rain, and the following heat rotted it. There is like complaint from some sections in Allegan county.

Miss Ada Buursma, daughter of Mr. and Mrs. John Buursma, and Adrian Van Putten, were united in marriage Tuesday afternoon at the parsonage of the Ninth Street Christian Reformed church with Rev. N. J. Monsma officiating. The bride wore a gown of flowered chiffon and carried a bouquet of white roses and sweet peas. She was attended by Miss Vivian Es-senbagger, who wore a gown of blue silk crepe with corsage of Joanna Hill roses and sweet peas. Gerald Prins was best man. ## Moving Picture Magnates Visit Saugatuck

(Saugatuck Commercial Record)

During the last week-end Barney Balaban and John Balaban, with their wives and children, anchored their power yacht, "Judith R." in Lake Kalamazoo at the Hotel Butler dock and visited Saugatuck, Douglas and surrounding country during Friday, Saturday and Sunday.

Barney and John Balaban are the executive heads of the Balaban & Katz Corporation, which operates in Chicago's loop district the Chicago Theatre, the Roosevelt Theatre, the Oriental Theatre, the United Artists Theatre, the Garlick Theatre and the Apollo Theatre.

Theatres operated by this organization, outside of the loop district, among others are the Tivoli on Cottage Grove avenue; the Union and Sheridan Road; the North Shore Theatre; Riviera on Broadway; the Grand on Howard street; the Marbaro on West Madison street.

They are heads of the largest moving picture operation in Chicago. Mr. Barney Balaban, Mrs. Balaban and his party attended the performance at the Pavilion on Saturday night and at that time, in an interview with Mrs. Heath of the Saugatuck Chamber of Commerce, he said:

"The village of Saugatuck is to be congratulated upon its wonderful harbor. Lake Kalamazoo is one of the finest anchorages on the Great Lakes and the scenery coming up the river from Lake Michigan is as beautiful as any harbor on the Great Lakes, and I have been in every one of them on both the east and west sides of Lake Michigan. In fact, I don't know of any which are comparable in scenery to that to be found on the Kalamazoo River.

"I was also greatly impressed by the pool, the tennis courts, the shuffleboards and in general by the cleanliness of the village.

"Douglas also attracted my eye. The golf course in Douglas is one of the finest public fee courses I have ever seen. The beach in Douglas is beautiful and Lake Shore Drive from Shorewood south for four or five miles is very picturesque.

"The Big Pavilion is a tribute to the daring and resourcefulness of its operators. It is amazing to think that in a village of not more than 600 permanent population a building of this size and immense cost should be constructed. The dance floor is as good as any that Mrs. Balaban or I ever danced on. The orchestra is superb. In fact, in all of its appointments, it is the finest summer resort amusement place that I was ever in. "The class of people attending it is not to be excelled anywhere, and the orderliness of the people is remarkable. It is 20 years since I last visited Saugatuck and we shall all be glad to visit it again."

Miss Gladys Gunderman, employed at the Holland Candy Co., is improving at a Lansing hospital. She was involved in an auto wreck in which her nephew of 10 years, named Ward Simper of Otsego, was killed. The accident occurred Sunday, the death car being driven by Glen Simper, the father of the boy. The car collided with one driven by Miss Jane Hewitt of East Lansing. Besides the dead boy, four others were taken to the hospital.

George W. Stroebbe, son of Col. George G. Stroebbe, who heads a staff of engineers combating flood conditions in China, is visiting relatives in this part of Michigan. Col. Stroebbe, a native of Ferrysburg, built the Changkung dike, an important unit in the Kinshu reclamation project, which saved the lives of thousands in the recent floods in that land. ## Recreation For Zeeland People Is Now Planned

ZEELAND OFFICERS PLANNING ON THREE PROJECTS FOR LOCAL WELFARE EMPLOYMENT

(Zeeland Record)

Prospects for WPA projects in Zeeland that will run well up to twenty thousand dollars are in the making and the indications are that they will be recommended and approved by the Works Progress Administration within the next week.

Of this sum Zeeland city will be expected to bear about twenty per cent of the cost while the federal grant will cover the remaining eighty per cent of the cost. The projects are proposed to provide employment for about twenty-five men for one year, or its equivalent when men are staggered in their employment.

The projects include three distinct works, all of which require a large amount of man labor hours as compared with the total sum involved.

The first in importance is the placing of 15,072 feet of curb and gutters on Main street, Lincoln street, McKinley street, Elm street, Wall street and North Church street; also the grading and graveling of these streets where necessary in preparation for black surfacing later.

This work will involve the expenditure of nearly \$11,000.00, 25 per cent of which cost is to be carried by Zeeland City.

The second project is the improvements contemplated in the Lawrence Street City Park, where it is proposed, among other improvements, to construct a natural amphitheater with a seating capacity of about one thousand and a "shell" for speakers and bands and other personnel in presenting concerts and entertainments. In order to accomplish this it will be necessary to move a considerable amount of dirt. The amphitheater will be located on the east end of the present park, and the gully which now contains the small spring will be utilized for the purpose. One section, about one-third of the semi-circle used for the seating will be filled, the remainder will require only arranging of the ground for seating spaces.

The third project will be the establishment of a recreational park where a baseball field and swimming pool will be among the principal features. This will be located on the old Elhart gravel pit situated southeast of Zeeland Cemetery. There are several acres in this tract and the ground is so situated that it will provide ample room and amphitheater for a large nautical or other public feature of similar character, including seating for several hundred at baseball or football games.

If these projects are carried out, they will provide work for several hands throughout the fall and winter months. It appears that it will be necessary to prevent the appropriation of a large sum for welfare maintenance direct by taxation.

## Spring Lake Adopts Bond Issue for Hall

Voters of Spring Lake approved a \$10,000 bond issue for a new city hall and community building here. The vote was 224 for and 30 against the proposition. A WPA grant of \$25,000 is made available for the new building through approval of the bond issue.

The bonds, city officials said, are to be retired in 10 installments of \$1,000 each. Rental of the museum and other services of the building are expected to take care of bond retirement. No increase in taxes is anticipated.

The building will be one story, 96 by 66 feet in area. Plans have been drawn for the new building by Henry W. Turner, Grand Rapids architect. The present city hall, condemned last spring by the state fire marshal, will be torn down and the new structure put up on its site.

Lee Geerlings of Holland, who plans to take a course in electrical engineering in the university, accompanied them.

Dr. and Mrs. Jacob Geerlings and children, Carol and Paul, who have been visiting in Holland, returned Monday to their home in Salt Lake City, Utah, where Dr. Geerlings teaches in the classical department in the University of Utah. Lee Geerlings of Holland, who plans to take a course in electrical engineering in the university, accompanied them.

Mr. and Mrs. John Vogelzang and sons, Nick and Billy, are traveling in the East.

Sheriff Fred Miller took Joseph Kasiba, 21, of Elgin, Ill., to Ionia State reformatory Tuesday to commence serving a one- to two-year sentence imposed by Judge Fred T. Miles Saturday in Circuit court. Kasiba pleaded guilty to stealing an automobile in Saugatuck several weeks ago.

At Castle Park an interesting film was shown the resorters in the amphitheater. A horse picture, "Black Beauty" was the main feature. The great "Horse Show" is being held today. Another closing feature of the season is a hay rack party when many castles will put on their old "ratty bonnets" and with "dobbins" and some hay on a rack will traverse the countryside after the ride on old-fashioned barn dance will be the closing of the day's farm activities. Archery has also become a popular game at Castle Park and elsewhere at the resorts. The range at The Castle is always filled with young folks trying conclusions with bow and arrow emulating the Indians of these parts before this season was settled by D. V. Van Raalte.

## COOKING SUMMER MEALS

## Is a Snap With an Electric Range

In nearly 400 Holland homes the happy discovery has been made that cooking summer meals is actually — and figuratively — a snap with an Electric Range. They simply place the food for a meal in the oven — snap on the switch — and promptly forget it until time to serve. What adds so much to this pleasure is the fact that the food really tastes better, is more appetizing, more healthful, and costs less.

## Do Your Cooking Electrically in a COOL KITCHEN

What a relief it is on these hot summer days to do the cooking in a Cool Kitchen! Having an Electric Range means that your kitchen stays as cool as the outdoor porch — and as clean and fresh as any other room in the home. There is no flame to give off soot, nor to foul the kitchen air. No wilting with perspiration, no more kitchen headaches. My, how you would enjoy this new way of cooking! It costs so little that you should look into the matter right away.

## NO WASTED HEAT

With an Electric Range you cook with concentrated electric energy — none of the heat is wasted. That's why you have a Cool Kitchen — and why it costs so little to do your cooking. Now is an ideal time to investigate.

## Sunday School Lesson

September 1, 1935

PAUL  
(Acts 20:33-35; Philippians 4:4-13)

Henry Geerlings

Paul, bidding farewell to the Ephesian elders who had come to see him off on his way to Jerusalem, vindicates his own ministry. As a minister he did not permit wealth or luxury to influence his preaching. He kept himself independent. He did not cripple his message through becoming in any way dependent upon their money. He reminded the Ephesian elders how, when he was among them, he worked with his hands. From before dawn until noon, when he was free from teaching and preaching, he worked at his trade of tent making. Not only did he thus preserve his freedom of speech and action, but he provided the means for helping the poor. He was not ashamed of his calloused hands. They helped him to witness more bravely, to serve more effectively. All labor, however menial, if done for love, is noble. If any task is degrading, it is because we make it so. Life consists of what we put into it.

His letter to the Philippians is written while he was in prison. The outcome of his trial is uncertain. For himself it matters little. For the sake of those who need him, he wants to live; but the chief note in this letter is joy. Religion has done that for him. Working in harmony with God's purpose, he knows that all will be well. If he gets what he wants—a few more working days—good; if not, then it will be because God has other plans for him.

It seems almost unbelievable in the case of the Philippians. They were having such a hard time. But in spite of it all they were told to rejoice. This is made possible by the thought that Christ is always beside them and he will see them through. This friendship with Christ, however, must be maintained by contacts. We may discuss everything with him. We may spread out all our fears, hopes, plans, aspirations before him. We are to look at him in the light of his presence. The way to be anxious about nothing is to be prayerful.

ful about everything. Thus one gains that peace of mind that surpasses all dreams.

But with one's praying one must use the faculties and powers which God has given. We can and must control our thoughts. Victory or defeat lies in what we do with our first thought of evil. We are to think of good and lovely things. As we think so we become. In thinking of others we must dwell on their good points, rather than on their bad ones. It is probable that here Paul is urging the Philippians to recognize the moral excellence of their pagan neighbors. A warm hearted appreciation of the good which is in people who may hold different views from our own, or whose general moral tone is lower than ours, makes for our own peace of mind and certainly for a great influence upon them.

The Philippians were the kind of church people from whom it is safe for a minister to receive gifts. To Paul, then in prison, he is emphasizing his independence. This apparently unusual emphasis is evidently in defense of some earlier statement which had been misconstrued. He insists that he is grateful. He insists that he is self-sufficient. With great delicacy, but also firmly, he makes clear that the preacher must be free to speak and act as God guides him. This brave soldier of Christ, through many hardships, old before his time, is deeply touched by this remembrance from his friends. The friends who continue to remember, even when we meet adversity and our star has gone down, are doubly precious. The Philippians had dedicated their means to God. This was not the first time they had remembered Paul.

Thanking them for their kindness, he tells them that he has learned the secret of contentment. He has learned to sit lightly by things. Having committed all that he has to no more worries about material needs. True, he has been in want many times, many times he has had abundance. One who is Christ-like is never too poor to help another. He has the wealth of a loving heart. He is never spoiled by riches. He knows how to use them for the good of his fellows.

Rev. and Mrs. Cornelius Lepeltak of Spring Lake held open house Friday for Rev. and Mrs. Cornie A. De Bruin, who are planning to return to India, where they have served the Reformed Church in America as missionaries since 1926. The DeBruins had completed their first furlough when the board's finances prevented their return to the orient. DeBruin meanwhile served the church at Westfield, N. D.

The calendar for the September term of Ottawa circuit court opening at Grand Haven Sept. 3 for arrangement of the calendar and Sept. 10 for the jury, contains 17 jury and 15 non-jury cases. It was announced by the county clerk to-day. There are 20 contested chancery cases, seven default chancery and 32 cases in which no progress has been made for more than a year. No cases of a sensational nature or of outstanding importance are listed.

Born to Mr. and Mrs. Ben Blaauwkamp, Vriesland, a son, Joel; to Mr. and Mrs. Clarence Van Haisma, South Wall street, Zeeland, a daughter; to Mr. and Mrs. Harry G. Geerts, Blendon, a son.

Miss Ruth Holleboom, daughter of Mr. and Mrs. Herman Holleboom of Forest Grove and James Hardenberg, son of Mrs. Hardenberg of West Main street of Zeeland, were united in marriage Friday evening at the parsonage of the Third Christian Reformed church in Zeeland, with Rev. A. J. Jabay officiating. The couple was attended by Miss Mildred Schrotenboer and Franklin Grinwis. Immediately following the ceremony a reception was held at the couple's home, 31 West Main street. The groom is employed at the Mead Johnson factory of Zeeland.

Mrs. A. Van Hoven and Mrs. P. P. Hardenberg entertained with a kitchen shower Thursday night in honor of Miss Ruth Holleboom. Those present were: Mrs. Hall, Mrs. G. Wyssink, Mrs. B. Poest, Mrs. G. Jansma of Zeeland and Mrs. M. Hardenberg, Mrs. Pierson, Mrs. B. Hann and daughter, Dorothy, and Mrs. Cummings of Holland; Mrs. H. Holleboom and Miss Ruth De Kleine of Byron Center.

Miss Holleboom was guest of honor at a shower Wednesday evening given by Mrs. Harry Young and Mrs. H. Holleboom at the home of her aunt, Mrs. A. Arendsen, at Byron Center. Guests were: Mrs. G. Huizinga and daughter, Emma, and Miss Ruth De Kleine of Byron Center; Miss Mildred Schrotenboer of Zeeland; Mrs. Cook and daughter, Lillian, and Mrs. L. Cook of Eastmanville; Mrs. J. Van Noord and daughter, Evelyn of Jamestown and Mrs. J. Shoemaker of Forest Grove.

Dick Ter Haar, 43, of Drenthe, died Sunday noon at Zeeland hospital where he had been taken as a result of injuries received when his abdomen was pierced by a hay fork. Ter Haar was injured in an accident at the home of his brother-in-law, William Tadding, one mile north of Drenthe. Surviving are the widow, a son, Hudson, and a daughter, Anna Mae, three brothers, Albert of Zeeland, Fred of Vriesland and Ed of Drenthe, and a sister, Mrs. Ben Stuij of Byron Center. Funeral services were held Wednesday at 1:15 p. m. at the home and at 2 p. m. at the Drenthe Christian Reformed church.

Rev. B. J. Danhof, pastor of the church, officiated and was assisted by two cousins of the deceased, the Rev. N. Boer and the Rev. E. Tanis, both of Grand Rapids. Burial was in Drenthe cemetery.

Henry Ten Have, 78, died Saturday at Eastmanville. He was born in Holland, attended Hope college and the North Holland district school. In later years he was disabled by a fractured leg from which he never fully recovered. Surviving are four sons, John of Zeeland, William of East Saugatuck and Ed and Frank of Holland; two brothers, Gerrit of Allegan and Ralph of Holland, and two sisters, Mrs. John Van Eyck of North Holland and Mrs. C. Rozenberg of Virginia Park. Funeral services were held Tuesday at 2 p. m. at the Dykstra funeral home.

The DeKleine reunion was held in the Nynhuis woods near Drenthe. Officers elected: President, Dick H. De Kleine; vice president, Henry Hamink; secretary-treasurer, Marinus DeKleine. The reunion will not be held yearly.

O. I. Gregg, landscape specialist at Michigan State college, will present motion pictures on tree planting and park beautification the second day of the annual garden club flower show in the Zeeland city hall Sept. 4 and 5. A special feature for the first day will be exhibited by professional growers of flowers. The show is expected to be one of the largest in the history of the organization.

Sheriff's officers Monday were investigating the report of a breaking and entering case at a Zeeland gasoline station Sunday night in which a 500-pound safe, containing no money, was reported removed through a window, along with a six-tube radio and five boxes of cigars. Bloodstains were left on the sill.

### HAMILTON

The George Chalmers Paving Co. of Grand Rapids is making rapid progress in the working preparatory to the paving of M-40 through the city and to the south of the city. The placing of drains will be finished this week. The south one-half mile road, now graded and is almost ready for the laying of cement. The old bridge in the north road has been taken out and a new and larger one is being placed. Three large cranes with a large force of men and trucks have completely changed the appearance of the street and road.

Mr. Chalmers and his men have already won the good will of all the folks. Everything is being done by them to make the work as little inconvenience as possible for tourists as well as the residents, and in many instances at extra labor and expense for themselves. Local help and materials are used wherever and whenever possible. Local folks also appreciate their interest and help in community projects.

It is, therefore, not surprising to notice that local folks are seeking to help the work in every way possible. Well, they most certainly deserve it. They are as fine a bunch of men as can be found anywhere. Let's give them a hand.

Mr. and Mrs. Ed Dangremond, and W. H. Bennink visited at J. K. Dangremond's home Sunday.

Mr. and Mrs. Leon Stillwell of Greenville are the guests of Mrs. P. H. Fisher for a few days.

Earl Mosier, formerly principal of the local school, and his sister, Myrtle of Ganges, spent Sunday with Mr. and Mrs. Emory Mosier.

Jacob Eding, Tommy Zeepir and William Mooney returned Saturday from a sight seeing trip in northern Michigan and Canada.

Mr. and Mrs. Ralph Bell of Grand Rapids were entertained at the home of John Kalvoord, Jr., Sunday.

Mabel Lugten, Juella Brower, Mrs. Allan Callahan, Aileen Dangremond and Mrs. Richard Brower enjoyed a beach party at Douglas beach last week, Friday evening.

Mr. and Mrs. Martin Timmerman of Grand Haven spent the week-end with their parents, Mr. and Mrs. George Timmerman.

Harm Boerman and his son, Clyde, are in the St. Mary's hospital of Grand Rapids as the result of an automobile accident which took place early Saturday evening two miles west of Byron Center. Both are in serious condition. Mr. Boerman suffered a dislocated hip besides other body bruises. His son has a fractured skull and chest injuries. Later reports, however, are encouraging. The Boerman car is a complete loss. Hamilton is experiencing an epidemic of accidents and it appears that this epidemic is general throughout the state and country. We wonder if it would not be a good time and worthwhile to get together and do something about it.

Mrs. William Oldenbecken of Jamestown is staying with her children, Mr. and Mrs. George Timmerman, for a few weeks.

Hamilton almost succeeded in compelling a family to reside here. Mr. Ben Mulder, the editor of the Holland City News, and his family drove into town Monday morning and found all exits had been blocked by excavations. Mr. Mulder, however, was one of the main men who brought about the paving of M-40 and a way was opened for the Mulders to continue their homeward journey.

Mr. and Mrs. Gerald Hagelskamp and daughter were in Bloomingdale during the past week-end visiting at the home of Mr. and Mrs. Hollis Peabody.

Mr. and Mrs. Johannes De Haan of Holland visited the Roggens last week, Friday.

Mr. and Mrs. Ray Maatman and family spent Sunday with relatives in Grand Rapids.

Mr. and Mrs. Edward Lampen returned home last week, Friday, from a fishing trip in the upper peninsula.

The John Nyhoff family of Rock Valley, Iowa, are visiting relatives in this vicinity for a few days. The King's Daughter's society of the First Reformed church met at the parsonage last week, Thursday evening.

Rev. Harvey Hoffman and Iola Butler were entertained at the home of Mr. and Mrs. Ben Koolker last week, Thursday evening.

Mr. and Mrs. Richard Haakma, of Hamilton; Mr. and Mrs. Henry Kouw and family of Holland were supper guests of Mr. and Mrs. John Haakma Sunday.

Clarice Brink, Mildred Strabbing, Dorothy Strabbing, Margaret and Marian Roggenbald were entertained at the Kaper cottage of Central Park last week, Friday afternoon.

The Independents went 50-50 in their games this week. They donated a game to the Virginia Park team last week, Thursday evening, by the score of 6 to 2. Friday evening they defeated Forest Grove at the local diamond, 5 to 3.

## SUNDAY DINNER Suggestions

By ANN PAGE

THE Labor Day weekend demands a careful meal plan and marketing. There will be many outings and weekend camping trips; but the stay-at-homes will probably have a roast for Sunday and enjoy the leftovers in a picnic type dinner on Monday.

Beef is a little less expensive, lamb and poultry continue to be moderate. If there is to be a large family gathering, Roast Lamb is a reasonable holiday choice. Corn, beans, tomatoes, eggplant and squash are low in price. Potatoes remain cheap. Seedless grapes, oranges, melons, and pears are inexpensive and will keep well for the entire weekend.

Following are two Sunday dinner menus and a menu for Labor Day, using reasonable foods:

**Low Cost Dinner**  
Roast Shoulder of Lamb  
Browned Potatoes  
Glazed Carrots  
Bread and Butter  
Cantaloupe  
Tea or Coffee  
Milk

**Medium Cost Dinner**  
Chuck Roast of Beef  
Cauliflower  
Baked Potatoes  
Tomato and Lettuce Salad  
Rolls and Butter  
Apple Pie  
Hot or Iced Tea or Coffee  
Milk

**Labor Day Menu**  
Tomato Juice Cocktail  
Assorted Cold Meats and Cheese  
Potato Salad  
Stuffed Eggs  
Pickles  
Bread and Butter  
Sandwiches  
Frosted Devil's Food Cake  
Ginger Ale  
Coffee  
Milk

### SEED GERMINATES AFTER MANY YEARS

(Allegan Gazette)

No doubt many persons have noticed that on the space bared by Mr. Albert Brand when he removed sod from his lawn the place has become filled by thousands of "pig-weeds." No weed of any kind was permitted to grow in that lawn during many years nor near it. Likely enough, too, these persons have wondered how this could happen. Seeds for the weeds must have slumbered under the grass until its removal permitted growth. Some seeds have excessive longevity and grow when they get a chance. Wheat found in Egyptian mummies thousands of years old has been known to grow when taken out. So when pine forests are cut oaks spring up in vast numbers. In such forests there were some oak trees which scattered their acorns about but they could not grow under the pines; but they sprang up when they were given a chance.

William Stielstra of Lakewood boulevard, spent a week visiting in Bay City.

### ALLEGAN MAN PLEADS GUILTY OF FORGERY CHARGE

(Allegan Gazette)

Albert C. Ganschow, formerly of Holland and lately resident of Fillmore township in Allegan county, pleaded guilty in Ottawa county circuit court, Judge Miles, to forgery, second offense. Ganschow, 29 years old, was accused of forging a check of \$28.50 in Holland. The check was drawn on the Hackley Union National Bank of Muskegon. Local officers report Ganschow to have been convicted of forgery in St. Joseph county, Indiana, and sentenced to two to four years in the Indiana state prison.

Miss Cora Last was guest of honor at a shower on Thursday evening, given by Mrs. E. Nieboer and Mrs. Joanna Last. Others present were Mrs. W. Nyboer, Mrs. Lampen, Miss Deane Bareman, Miss Albertha De Weerd, the Misses Sena and Tena Bontekoe, the Misses Henrietta and Anna Berenschot, Miss Pearl Ten Harmel, Miss Margie DeVries and Miss Winnie Kamphuis.
