## DUCK SEASON OPENS THURSDAY CAN'T SHOOT BIRDS UNTIL SUNRISE

Deputy Game Warden Homkes is going to be on the job early Thursday where ducks are generally to be found and he is going to see that no hunters shoot duck before sunrise.

The duck season opens on Thursday when old Sol sticks his nose over the horizon east of Holland in the morning.

It won't be long before you hear a battery of guns shot off in the reaches of Black river and Pine Creek Bay.

The deputy wishes to call attention to another law which has been violated repeatedly.

Hunters are not authorized to train dogs with rabbit hunting before the season opens.

Any hunter caught doing this is subject to arrest.

## WOMAN'S MISSIONARY UNION TO MEET IN GRAND RAPIDS

The 22nd annual conference of the Woman's Missionary Union Classes of Grand River Holland and Michigan will be held Tuesday, Oct. 5th, 1920, in the Fifth Reformed church Grand Rapids. The program will begin at ten o'clock with a report of the young peoples' work and an address by Mrs. D. Dykstra. The afternoon speakers will be Miss Cobb of the foreign board and the Rev. Simms of our Indian mission. In the evening two addresses will be given by Rev. Eckerson on China and Mrs. Allen of the Home Board. Good music will be furnished by the church.

Wednesday of this week will be "Holland Day" at the Holland and Zeeland Community Fair. This was decided upon by the Holland Retail Merchants' Association at their regular meeting. On that day the business places in Holland will close at 12 o'clock noon, giving all merchants and their clerks an opportunity to attend the fair.

## IMPROVEMENTS AT OTTAWA BEACH RE- MINDS OF OLDEN DAYS

PLACE WAS FOUNDED AND HOTEL BUILT IN YEAR OF 1885

There are going to be doings at Hotel Ottawa in the building line next season.

Just what these new plans and new innovations are going to be have not yet been made public, but it is understood that the association has a definite course mapped out along these lines.

Hotel officials declared the resort has completed the most flourishing summer in the history of the company. Several big conventions, including the automotive engineers, bankers and dairymen, have met at the beach this summer, and from the opening late, which was late in June the big hotel has been filled—every day.

Preparations are being made for enlarging this resort before the next season opens. No definite announcement have been made as to what the improvements will be. At Jenison park the managers have completed arrangements for the construction of one of the biggest dance pavilions in the country. It will be in readiness next summer.

While Ottawa hotel is closed and practically all of the private summer residences present closed blinds, a few resorts remain in private cottages, and Macatawa hotel is still open. The season is fast waning though and in few more days Ottawa and Macatawa beaches will be desolate.

The new plans make one mark back to pioneer days in the resort business.

The pleasure resort known as Ottawa Beach was founded by the West Michigan Park Association in 1885. The following were the officers of the association: J. K. V. Agnew, president; George N. Davis, vice president; M. W. Rose, treasurer; W. Alden Smith, secretary and J. H. Carpenter manager. The directors of the association were Don J. Leathers, George N. Davis, J. K. V. Agnew, J. H. Carpenter, William A. Gavett, J. B. Mulliken, Detroit; Charles H. Nox, Chicago and M. W. Rose of Holland.

The association which was under the control of the Chicago & West Michigan, later the Pere Marquette railroad, purchased ten acres of land on the north side of Macatawa bay and erected a large hotel, a pavilion on the bathing beach of Lake Michigan and fitted up grounds for recreation purposes. A railroad was built to convey passengers from Waverly to the park and a large steamboat purchased for excursions on the big lake. The hotel was erected by John and James Rowson of Grand Rapids. Among the residents who purchased lots and erected summer homes at the park were George N. Davis, H. N. Moore, S. J. Osgood, M. L. Sweet, C. C. Underwood, W. H. Downs, E. Hoyt, Jr., E. A. Mosley, D. S. Hopkins, Mrs. George H. White, Charles B. Judd, F. S. Milne, F. S. Godfrey, C. L. Ives, H. D. Brown, L. G. Dunton, James Curtis, O. S. Waters, F. C. Miller, G. R. Mayhew, F. Loettger, Joseph Houseman, Harriet Ainsworth, W. P. Tracey, Charles Hoertz, Alexander Esler, Frank M. Williams, Mary Wykes, John Snitzler, C. R. Sligh, J. B. Moskins, Frank Coleman, W. A. Berkey, A. J. Bowne, C. F. Nason, William H. Powers, J. S. Long, J. B. Griswold, C. E. Blknapp, C. F. Hatch, J. H. Herrick, W. B. Loveland, J. H. Hurd, M. L. Fitch, George H. Long, S. M. Lemon, F. W. Stevens, L. B. Stanton, J. K. V. Agnew, R. A. Rogers, Sherwood Hall, C. E. Perkins, Robert Sproul, R. D. Bissell, Orin A. Ward, Jerome Miner, John Rowson, Charles Baxter, Mrs. Gregory, T. W. Strahan, A. A. Barer, Mrs. E. A. Hentig, Mrs. Hope Addis, E. H. Foote, S. A. Morman, Elias Matzer, C. W. Wright and Mrs. George W. Munson.

Furniture for the hotel was supplied by W. A. Berkey, Nelson Matter & Co. the Widdicombs, New England, Phoenix and Slight Furniture Co.s and the Grand Rapids Chair Co. The first manager of the hotel was Joseph H. Spies. A few years later Spies moved to Los Angeles, entered the real estate business, acquired \$1,000,000 and died.

The rates charged per room and board were \$2 per day per person, or \$10.50 per week.

Within one year after the opening of the resort 20 cottages were erected. The Macatawa Park association located on the south side of the channel that connects Lake Michigan and Black Lake, purchased a tract of land lying between Lakemichigan Park and Lake Michigan.

If their purpose was to hamper the development of the new resort, it failed. Only a very small number of the individuals whose names are mentioned above are now living and the cottages almost without an exception passed into other hands during the lives of the builders.

## FRED WADE OF SAUGATUCK WINS BY 25 VOTES IN ALLEGAN COUNTY

WINS ON BOTH REPUBLICAN AND DEMOCRATIC TICKETS

Wouldn't Put His Name On the Ball So He Runs On Slips

Fred Wade who years ago was on the force of the Holland City News, but who has made his home in Saugatuck for the past thirty years has gone thru a peculiar election in Allegan county.

Fred wanted to go to the State Legislature and his many friends in Allegan county got out petitions for but thru some misunderstanding of the law and a mix-up between the adopted and standard time, Fred arrived in Allegan about an hour late with his petitions and the county clerk refused to file them and also refused to put his name on the republican ticket.

Mr. Wade was to have run against Lewis R. Heasley also of the second district of Allegan county but in default of not filing his list of names in time it looked as Heasley was to have easy sailing running with out any opposition.

Fred felt that he owed it to his friends to at least make some effort in some way so that his name might appear upon the ballot. Wade immediately had several thousand stickers printed bearing his name for the office he desired and soon his friends got busy all over the district instructing voters how to place them on the primary ballot. Winning by the slip method has proven to be next to impossible even though a popular candidate with stickers runs against a candidate not nearly so well liked but whose name is printed on the regular ballot. Voters simply will not take the time to use stickers.

But in Fred Wade's case it seems that the gentleman from Saugatuck was unusually popular for when the votes were counted it was found that he had beaten his opponent by 25 votes by the sticker route. Not alone that but many of the slips were pasted on the democratic ballots by democratic voters and that proved also to nominate him on that ticket.

Mr. Wade has been mayor of Saugatuck so often that he simply had to refuse to take the position again. For years he has served the village of Saugatuck as postmaster.

The Dutch population of New Jersey, which is centered largely in Paterson and Passaic, has been celebrating the victory of their compatriot, Peter Woesskops, who defeated the American champion, Frank S. Kramer in a bicycle race at the Newark Velodrome. Later Kramer defeated the Holland champion.

Rev. J. A. Roggen of Monroe, S. D. has declined a call from the Reformed church at North Holland.

plied by W. A. Berkey, Nelson Matter & Co. the Widdicombs, New England, Phoenix and Slight Furniture Co.s and the Grand Rapids Chair Co. The first manager of the hotel was Joseph H. Spies. ## YOUNG HOLLAND GIRL MARRIES IN UTAH

MISS "BEE" DU SAAR ACTS AS  
MAID OF HONOR AT  
WEDDING

A popular young Holland girl, Miss Gladys Smith, who went out West a little over a year ago as a teacher was married at Price, Utah, on September 4, to Mr. Jack Vignette, a banker of the city of Helper, in the same state.

The wedding ceremony was performed by Rev. Ralph Jones an eminent pastor of that community.

Miss Beulah Du Saar, daughter of Mr. and Mrs. D. J. Du Saar, 85 West 9th street, who is a dear friend of Miss Smith, made this extended trip to the West for the purpose of seeing her "hired married" and consequently she was selected as the maid of honor at the ceremonies.

Miss Smith was very popular in high school circles and also at Ferris, Big Rapids, from which institution she also graduated, and with a teacher's certificate in her pocket, she started out in life teaching at Helper, Utah where she was instructor in music and art in the public schools there, and judg'd from later developments Cupid also got busy and a pretty romance was the result.

Mr. and Mrs. Vignette are now on an extended honeymoon with Yellowstone National Park in their traveling itinerary.

Miss Du Saar has just returned from the West and in her travels also stopped off at Denver, Colo., where she saw Carroll Van Ark, son of Mr. and Mrs. Henry Van Ark who is a lieutenant in the U. S. Army stationed in that vicinity.

Mr. Van Ark who was formerly one of the Scintinel force was surprised beyond measure to have a friend from Holland drop in unexpectedly, and he devoted an entire day in showing Miss Du Saar a great many places of interest in and about Denver.

## CENTRAL AVENUE FILLED MANY MILK BOTTLES

Lew Garvelink, the milkman on Route 5, was mixed up in a runaway Monday when his team became frightened and ran from 26th to 19th street on Central avenue, leaving a trail of milk bottles, 75 in number along the route.

Many of them were smashed, but as the milk man had practically finished his route only two pints and one quart remaining were thrown in the street. The milk wagon was quite badly damaged.

## TWO FENNVILLE LADS BREAK JAIL

ARE HELD FOR ENTERING  
STORES IN FENNVILLE

Two 17-year-old lads, Ralph Bides and Thomas Woodford, held in the Allegan jail for breaking into a Fennville store a few days ago, enjoyed an hour of freedom recently. Wm. Marsall of Otsego, in jail for stealing a bicycle, succeeded in releasing a lever which unlocks the doors of the "bull pen" on the first floor of the cell block, and with this instrument which is nearly four feet long, made a hole in the north wall under a window over the side entrance to the jail. The three boys were alone in the corridor where prisoners are permitted to stay during the daytime, and about half past one o'clock Bides and Woodford crawled through the hole up on the roof of the porch. Mrs. Hillman, the sheriff's wife was in the yard and saw them. She gave the alarm and Mr. Hillman immediately gave chase but was no match with young men in a foot race. The boys ran up Trowbridge street to Cedar street in Allegan and proceeded north until they reached the river. They then followed the bank down to the Maentz slaughter house where they took Frank De Beck's boat going down the river to Higinbotham bend. Here they left the boat on the north bank of the river and proceeded toward Babylon, keeping near the river.

In the meantime the sheriff had organized a posse, a part of which went in the direction of Hugin's bridge and others going toward Babylon. Deputy Sheriff Hare and his assistants finally drove the fugitives out of the wood, and they went north in the road past the Babylon school house, across the Pere Marquette railway. Chas. Webster and J. B. Stuck with two other men driving an automobile in pursuit saw the boys and soon overtook them. They had left the road and tried to hide in some bushes but when spoken to they came out without resistance.

The damage to the jail was slight and has been repaired. The hole was examined by many after the escape and one would scarcely think it possible for even a small boy to squeeze through. Bides lived with his parents in Fennville and became acquainted with Woodford whose home is in Montana, while sailing on the lakes.—Allegan Gazette

The board of the First M. E. church has increased the salary of the pastor, Rev. G. B. Fleming former pastor of the Burton Heights M. E. church, Grand Rapids to \$2300. The Centenary fund of the church has mounted to \$3700 and the church is now self-supporting.

## HOLLAND'S WATER IS AGAIN SENT TO ANN ARBOR

THIS TIME SAMPLE IS TAKEN  
FROM THE LARGE  
RESERVOIR

Altho Politics Is Dragged Through Basin, Water Is Found Allright

Our neighbor Zeeland, is constantly crowding about its superior water supply. The editor of the Record there is constantly making comparisons.

We understand that they have found a Ponce de Leon who has discovered a new spring called "the Fountain of Youth". No wonder people get to be old in Zeeland.

Anyway we're glad that Zeeland has fine water and we hope that they will continue to have.

The paper discussion however has sent another sample of Holland's water flying to Ann Arbor, for another thorough analysis, and the report has come back that the water is of the best and is o. k. in every particular.

But the public will be more pleased to know that the sample was taken from the very much politically heralded reservoir, built by the Board of Public Works some years ago, for which the board was at that time condemned for the reason that a small corner in the basin had cracked.

Holland is especially pleased to know that the board of public works at that time used wise judgment in having this reservoir built. It gives Holland a reserve force of 2,000,000 gallons of water, "pure and unadulterated."

The members of the board at that time were frightened enough to know that if Holland was visited by a terrific conflagration, and if the immediate water supply would be exhausted, it could fall back on this 2,000,000 gallon reserve force.

Without this extra water supply the large mains connecting up with Black River, (Holland's sewer outlet), would have to be opened up and this filthy, slimy silt would be pumped into our mains because of such an emergency and Holland's drinking water supply would be contaminated for a long time to come.

Engineers have stated some time ago that the reservoir here was o. k. and the water that was put into it kept from the outside light, air and dust would remain pure. Their version of the matter was found to be correct, as the analysis show.

The reservoir has been filled for some time with pure well water and notwithstanding the fact that the basin has been dragged through the mire of politics, its contents have been found pure by the state chemist, for which the citizens of Holland are duly thankful.

## COMMUNITY FAIR TO OPEN WITH MANY ENTRIES

With the biggest list of entries in the history of the association, with every prospect of a large attendance if the weather is favorable, with a list of free attractions that has seldom been surpassed, and with a race program that will be more than worth seeing, the Community Fair of Holland and Zeeland will open its thirty-sixth exhibit Tuesday morning of this week. Everything is in readiness for the fair and no pains been spared by the association to make the exhibit a worth while one.

The making of entries will close this evening. This work has been in progress for the past few days. As usual persons who expected to make entries were asked to do so early so that the office force could take care of it, but also as usual comparatively few heeded the request. The bulk of them came in Saturday afternoon and evening, so that the office force of the secretary was put to it to take care of the applicants and the stenographers and assistants were compelled to work until late at night.

Monday the making of entries continued in full blast and the total number will exceed the total of any previous year. The entries are being made at the office of the secretary. Tuesday the office moved to the fairgrounds and all business with the secretary will have to be transacted there.

As usual, the first day of the fair is expected to be a quiet one. Exhibitors will continue to deliver their goods at the grounds on Tuesday and it will not be until Wednesday that the fair will be in full blast. But Wednesday is Holland day and it is expected that that will be one of the biggest days of the week.

Ward Phillips left Saturday for Grand Forks, N. D. to visit his mother.

### HOLLAND GIRL BECOMES BRIDE OF NEWARK MINISTER

At an altar of clematis, ferns, and cathedral candles, Miss Christine Van Raalte was given in marriage by her father, Mr. A. C. Van Raalte, to the Reverend Anthony Van Westenberg, of Newark, N. J., Thursday evening at the beautiful home of Mrs. J. G. Van Putten, 18 E. 12th st. Rev. John Meengs of Schenectady, New York, and Rev. Martin Flipse, officiated.

The bride was beautiful in a gown of Duchess satin and crystal beads and a veil of Brussels net, trimmed with orange blossoms. Her shower bouquet was of bride's roses and swansonia, tied with ribbon lace. She wore a platinum bar pin, the gift of the groom.

The bride was attended by her sister, Miss Helene Van Raalte, who wore a gown of sunset pussy-willow taffeta, and carried a shower bouquet of Ophelia roses and swansonia. Miss Pearl Van Westenberg of Grand Rapids, Miss Clara Yntema and Miss Anne Visscher, the bridesmaids, were dressed in green satin and carried shower bouquets of Maryland roses and sweet peas. Helene Anna Vasscher and G. Anna Ashford, of Detroit, who acted as ribbon bearers, were in white and carried baskets of pink and white flowers. Mrs. Van Raalte, the bride's mother, wore a dress of black crepe mator and georgette crepe.

The groom was attended by Mr. E. Luidens of Grand Rapids. Messrs John Dalenberg, Tennis Prins, and Theodore Elferdink served as ushers. Mr. and Mrs. Arthur A. Visscher acted as Master and Mistress of Ceremonies.

A color scheme of pink and green was carried out in the decorations, astors and smilax being used in profusion. Miss Anne Visscher was in charge of the decorations and Miss Ruth Blekkink of the serving.

Mrs. Van Westenberg wore a brown traveling suit trimmed with beaver and a hat to match.

Mr. Tennis Prins sang a solo "Song of Thanksgiving" accompanied by Miss Nella Meyer. Miss Meyer also played the wedding march.

The out-of-town guests were Dr. J. A. Ashford and family, of Detroit; Miss Anna Pfanstiel of Battle Creek and the Misses Kate and Bess Pfanstiel, Mr. and Mrs. M. Van Westenberg and family, Mr. and Mrs. C. VanderWiere, and Mr. and Mrs. Wm. Fenton of Grand Rapids and Mr. and Mrs. Frank Kleinheksel of Muskegon.

### RETIRED BUSINESS MAN PASSES AWAY

John Kruisenga, for many years a prominent Holland business man, died Thursday morning at his home at the age of 75 years. Mr. Kruisenga was born in the Netherlands on Sept. 5, 1845. He came to America with his parents shortly after the Van Raalte colonists settled this community. The family resided on the North Side, but later moved to Singapore, the little lumbering town near Saugatuck, long since buried under sands of Lake Michigan. In those days Singapore was at the height of its boom.

Mr. Kruisenga was united in marriage to Miss Anna C. Anneslev of Saugatuck on July 2, 1872, and the couple permanently settled in Holland, taking over the grocery business of his father, which Mr. Kruisenga conducted for over 41 years.

The deceased is survived by his wife, three children, Anna and Florence of Holland and Edward A. Kruisenga of the National Grocer Co. of Grand Rapids; also by two sisters, Mrs. C. A. Zwemer of Grand Rapids, and Mrs. Fox of Florida.

The funeral was held from the residence at 2 o'clock Saturday afternoon, Rev. Mr. Tate officiating.

### FIVE BRIDES HONORED BY THE ROYAL NEIGHBORS

A very pleasant reception was given by the Royal Neighbors in the lodge rooms Thursday evening in honor of five recent brides who are all members of the order. A dainty lunch was served. The rooms were beautifully decorated for the occasion. After the luncheon Mrs. Norland, on behalf of the order, presented each of the five brides with a meat fork and gravy ladle. The five brides thus honored by the Royal Neighbors were: Mrs. Ethel Lake, formerly Miss Ethel Martin; Mrs. Mildred Batema, formerly Miss Mildred Smith; Mrs. Lefa McWilliams, formerly Mrs. Lefa Johns; Mrs. Leonard Daily, formerly Miss Gretchen Ming; and Mrs. aura Borst.

### NURSE TO SERVE IN AMOY, CHINA, HOSPITAL

Miss Jean Nienhuis, daughter of Peter Nienhuis of North Holland, will leave on Saturday morning, September 25, on her long journey to China, where she will serve as missionary nurse in a hospital in Amoy, China. She is being sent out by the Reformed church of America and will serve for a term of seven years. Leaving San Francisco September 25 on the steamship "Nanking" she expects to arrive at her post sometime in October.

Miss Nienhuis attended the public school in Crisp. Later she attended Hope College, graduating from the Preparatory Department. Her professional training was received in the Blodgett Memorial Hospital in Grand Rapids. Miss Tena Holkeboer will leave Holland at the same time.

Dr. J. A. Ashford and family of Detroit are spending a week as the guests of Mr. and Mrs. Albert Diekema. They also came to attend the wedding of Miss Christine C. Van Raalte and Rev. Anthony Van Westenberg.

### MISS HOLKEBOER GETS MORE GOLD

The congregation of the 9th-st. Christian Reformed church were practically all gathered together in the church edifice Thursday night where another farewell reception was held in honor of Miss Tena Holkeboer, of Holland, who is a graduate of Hope College and is to sail for China on September 25, on the steamer Nanking.

The church was crowded to capacity which means that more than 1500 people gathered, to wish the young lady Godspeed on her long journey to the Orient.

An appropriate program had been arranged for, but some things happened that were not exactly according to schedule.

For instance Rev. J. W. Ghysels surprised Miss Holkeboer when he arose and with a very appropriate speech handed the young lady ten \$20 gold pieces. The minister announced further that before the services a man, who would not have his name divulged, stated that he had read in the paper of the reception to be held Thursday night, and he wished to give his mite to the gritty young lady who is soon to leave Holland.

Friday morning he handed Rev. Ghysels a check for \$100 made payable to Miss Tena Holkeboer.

After these announcements were made by the president of the evening, the following program was carried out: Organ Voluntary, J. Van Appledorn; singing by the congregation; opening remarks and prayer, pastor; male quartette, selection recitation by Agnes Dogger; address, Mr. M. De Boer; Ladies quartet, selection; address, Rev. Henry Beets, Grand Rapids; address Wm. S. Pontier, Passaic, N. J.; presentation speech, Rev. J. W. Ghysels; reply Miss Holkeboer; address, Miss J. Nienhuis; address Mrs. E. O. Holkeboer.

After the program a social hour was held when Miss Holkeboer bade good-bye and shook hands with all those present.

### SECRET OF YOUNG COUPLE NOT KEPT

John Baar of Zeeland and Miss Nella Exo of this city tried hard Thursday night to steal a march on their relatives and friends by getting married quietly and slipping away without the knowledge of any one. But their plans went awry and when the newly married couple arrived at the Chicago boat dock a large number of relatives and friends were there ahead of them to see them off. A key had moreover been secured to their stateroom, and the room had been appropriately decorated.

Mr. Baar and Miss Exo were married at the parsonage of the Methodist church at 8 o'clock, the ceremony being performed by Rev. J. B. Fleming. The bride is a daughter of Mr. and Mrs. William Exo, 22 West Sixth-st. After a brief wedding trip to Chicago the couple will make their home in Lansing.

While Philip Rookus and William Vanden Bosch of Zeeland were returning from Holland on Labor day evening, riding a motorcycle they met with an accident that nearly resulted fatally for Rookus. As they approached the Main and State-st crossing in Zeeland they were suddenly obstructed in their course which caused them to stop very suddenly.

Vanden Bosch and Rookus were driving east on Main street and Geo Kamps came with his auto from North State street turning east into Main street. The two machines both reached the corner simultaneously and in trying to avoid one another they sideswiped throwing Rookus onto the automobile radiator. Rookus was considerably bruised in the accident but was out again the next day nursing the injured parts. Little damage was done to either machine. No one else was injured.

Anyone who has bills against the Boy Scout organization in connection with the recent Boy Scout camp is asked to present them without delay. The final date on which the bills should be presented has been placed as September 15, but they should be handed in before that time if possible. The bills are to be sent to Dr. M. J. Cook.

On September 15, Dr. Cook wishes to draw up a complete statement of moneys received and of the expenses of the camp. A complete report is to be made to the public, and for that reason all bills are wanted without delay.

### WELL KNOWN VRIESLAND MAN PASSES AWAY

Henry Van Zoeren, one of Vriesland's highly respected citizens, died at his farm home in that place after a short illness at the age of 65 years. Mr. Van Zoeren was a son of one of the pioneer settlers who located in this colony in 1847. He was born in 1855 at Vriesland and has made that his home ever since, having for many years conducted the farm there. He leaves five children: Mrs. Jennie Faber, of Zeeland; Ed Van Zoeren of Grand Rapids; John Van Zoeren of Holland; and Minnie and Ray Van Zoeren, who were living with their father. Funeral services were held on Thursday afternoon at one o'clock from the home and at one-thirty from the Vriesland Refd. church. Interment in Vriesland cemetery.

### FORMER THEATER MAN MEETS OLD FRIENDS HERE

E. F. Kirkpatrick, better known in Holland as "Kirk," spent several hours in the city Friday shaking hands with old friends. Mr. Kirkpatrick formerly operated the Apollo theater on East Eighth street. About two years ago he left Holland and went East in search of better health for Mrs. Kirkpatrick who was in critical condition at the time they left here. Mrs. Kirkpatrick has since recovered her health.

The Kirkpatricks now live in Chicago, where Mr. Kirkpatrick is connected with the C. A. Chapman Co. Industrial Engineers, at 28 Jackson Boulevard, serving that firm as secretary. He came to Holland on a brief business visit and took the opportunity to renew many old acquaintances.

### HAS NOT BEEN HOME SINCE 1917

Jacob Mulder, son of Mr. and Mrs. John Mulder of Zeeland, informed his parents that he had just recently returned from London, England, and is now in port in New Jersey. Mr. Mulder has not been home since he enlisted for service in the World War early in 1917. He was one of the first to volunteer his service as a marine and made such excellent record in training that he was upon completing training, selected as an instructor instead of being sent to the front as marksman. During the past several months he has been employed as a seaman by one of the large transportation companies plying the Atlantic.

### ZEELANDERS QUICK TO GO UP IN THE AIR

Zeeland was treated to some excitement Saturday afternoon when three men from Grand Rapids came here via the air route and set up in business, giving excursions in their plane at the rate of \$15 a throw. From the evidence there must be several millionaires or near millionaires in this burg because they were kept busy and returned at dusk with pockets well filled. We were not among the unfortunates because we didn't have the fifteen.—Zeeland Record.

Report was made in the Sentinel of the airplane accident near Holland. The names of the men were Lieut. J. B. Maehle, jr., and another army flyer. Both narrowly escaped death when the plane was wrecked in the Van Anrooy field near Graafschap Thursday. The machine landed bottom side up and was a total wreck. One of the men was cut and bruised about the head, but Maehle unbuckled his belt and jumped just as the machine struck the ground and escaped injury.

A kitchen shower was given Friday evening in honor of Miss Cora Schaftener, West Sixteenth-st. The bride to be received many beautiful and useful presents. Games were played and Mrs. A. Karsten, Miss Corlyn Van Etta and Mrs. H. Kramer won prizes which were in turn presented to the bride to be. Those present were: Mrs. F. Kamferbeek, Mrs. G. Schaftener, Mrs. F. ### WAS NOT SHARP ENOUGH TO CONNECT WITH HIS MONEY

Although the Willard G. Leenhouts Post of the American Legion always turns out in large numbers at Post meetings, the officials of the Post have doped out a scheme to secure as nearly a 100 per cent attendance as possible that is working extremely well. In addition to helping along this object it is providing a good deal of amusement at the meetings.

At the close of the meeting numbers are drawn from a hat, each member being represented by a number, and the person who has a certain number is paid \$2 out of the post treasury—provided he is present to draw out the number himself. If he is absent the two dollars is kept until the next meeting and added to the prize of that gathering making it four dollars. In case the winner of the four dollars is absent the prize the following meeting becomes six dollars, and so on.

At the meeting Friday night the winner was Louis Padnos. Although Padnos is usually a pretty shrewd customer, he was not shrewd enough to be on hand to claim his prize, hence the prize for the next drawing will be four dollars. The scheme is adding a great deal of fun to the meetings of the Legion.

All the delegates to the state convention at Saginaw made full reports on Friday night, and the members asked a great many questions about the state meeting. The session of the Post was a most interesting one and did not come to an end until about ten o'clock.

Plans were made for the formation of a county federation of American Legion Posts. A committee has been appointed to make arrangements for an appropriate celebration of Armistice Day. The details of this plan have not yet been worked out. At the next meeting of the Post it will be decided whether the meetings of the Post will be held twice a month or not. The press of Legion activities seems to make the latter course necessary.

### BEAUTIFUL HUMPHREY HOME IS SOLD

Richard Hoodeman, formerly of Holland but lately of Indianapolis, Indiana, has purchased the Humphrey home on the Park road and intends to make it another beauty spot on that road.

Mr. Hoodema is general superintendent of 15 factories making phonographs for A. T. Emerson Inc. of New York, and as five of these factories are in this vicinity he wants to make Holland his home.

"You will have to look some to find as nice a place to live as Holland," said Mr. Hoodema, commenting on the deal.

### LEGION BAND TO END SERIES ON WEDNESDAY NIGHT

The American Legion Band will close its season of free concerts in Centennial Park on Wednesday night of this week. This concert was not on the regular schedule but is in the nature of a complimentary entertainment. The band's contract with the city called for a series of ten concerts, and those ten have been furnished. But for good measure the band will give another one on Wednesday evening.

### JUDGE DECIDES IN FAVOR OF P. C. PHERNAMBUCQ

Peter C. Phernambucq was the winner in a divorce contest that occupied circuit court a whole day the latter part of last week. Without reserving any time to consider the case after the proofs and arguments had ended, Judge Cross immediately gave his decision in favor of Mr. Phernambucq.

The case originated Dec. 1, 1919, when Mr. Phernambucq filed a bill for divorce against Gertrude Phernambucq, after a property settlement had been effected between them, at which settlement Att. C. C. Coburn represented Mrs. Phernambucq and Atts. Diekema, Kollen & Ten Cate Mr. Phernambucq.

At the hearing on the bill for divorce, Mrs. Phernambucq allowed the matter to go by default and the divorce was granted to Mr. Phernambucq. Later Mrs. Phernambucq claimed fraud had been used in the settlement and through her attorney Chas. E. Misner, she asked that the decree of divorce granted Mr. Phernambucq be set aside, that she be allowed to defend his suit, and she also asked that she be given the divorce. Judge Cross allowed her to file her answer and cross bill and he set aside the decree. But when the case was heard in court Judge Cross confirmed the original agreement as to the property division and the divorce obtained by Mr. Phernambucq was also affirmed. He was represented by Diekema, Kollen & Ten Cate.

### BIG DEAL MEANS NEW INDUSTRY IN HOLLAND

A deal was closed Monday in Holland that will give this city what will practically amount to a new factory. By the terms of the deal the DePree Company becomes the owner of the James Kole property in the block between 5th and 6th streets. The property includes the big double store on the corner of Sixth and River formerly occupied by the James Kole Implement business, two houses east of that building, and the property between the Kole store and the present De Pree property on River avenue. In adding this real estate to its property the DePree Co. becomes owner of about four-fifths of the block.

The printing plant of the DePree Co., now one of the largest printing plants in the city and doing all the work for that concern, will be moved into the Kole building immediately and in addition to that the new paper box factory will be located there. This factory will mean the equivalent of a new industry for Holland. Con De Pree announced Monday that it is expected to be doing business within sixty or ninety days and that it will employ from 25 to 30 men as a beginning, with more to be employed later.

The equipment of the paper box factory is for the most part already on hand. It was purchased some time ago for installation in the main building, but the business has grown so rapidly that before the machinery could be installed more room was needed. What is now on hand will be installed in the Kole building in a short time and other equipment already bought but not yet here, will follow as soon as it arrives.

This will be Holland's first paper box factory and it will make all the paper boxes and cartons, used by the De Pree Co. Mr. De Pree estimates that it will be doing a \$200,000 business almost from the start.

The Winstrom Electric Company is going to give away a Hoover Vacuum Cleaner at the fair grounds at their space in the Art Hall.

### AT POWERS THEATER, "Chu Chin Chow"

What promises to be one of the notable events in the history of the Grand Rapids theatricals, will take place at Powers theater on Monday night, Sept. 20, when F. Ray Comstock and Morris Gest will present the American production of the Oscar Asche spectacle, "Chu Chin Chow."

Coming to Grand Rapids with a record of two runs in New York City, the first which was of a year's duration "Chu Chin Chow" promoted with its original cast headed by Marjorie Wood and Lionel Braham, and with a company that numbers 300, will be given here in its Century theater form and with the addition of several new musical gems that have been recently added by Mr. Asche, who has the honor of creating a character that has appeared for over four years at His Majesty's theater, London.

"Chu Chin Chow" is a tale of ancient Bagdad. Woven about the Arabian Nights story of Alhaha is this drama of music, song, spectacle and extravaganza. In actual richness, as well as in extreme beauty of color and design, the costumes Norton and the ballets staged by Mme. Grida require 60 girls in their zing rainbow like effects ever seen on any stage.

"The Phonograph with a Soul"

There's a way of spending money that spreads incomes over bigger "sandwiches."

Big business calls it financing.

Government calls it budget-making.

We call it the *Budget Plan*.

Would you like to own a New Edison?

Our Budget Plan will show you how to "swing" the purchase, without cutting in on your present necessary expenditures.

Now is a good time to buy. The New Edison has advanced in price less than 15% since 1914; this includes War Tax. Mr. Edison has kept prices down by absorbing increased costs out of his own pocket.

—and the World's Most  
Important Truck Hauled Commodity

A GREATER tonnage of milk than of any other farm product is hauled by motor truck. For this important work, in which speed and dependability are absolutely essential, the Oldsmobile Motor Truck has long been a leader. On many farms this truck of unlimited usefulness pays its way on milk hauling alone; everything else it does is surplus profit.

Let us demonstrate its adaptability to your work

### PATROLMAN GETS MONEY ON WEDDING ANNIVERSARY

By looking at Patrolman Cornelius Stokette Thursday night one could not ascertain that he had just been defeated for sheriff of Ottawa county, in fact he took his defeat like a good sport, but as the saying goes, "There are always better days coming," and Thursday was one of these better days, when Mr. and Mrs. Cornelius Stokette celebrated their 25th wedding anniversary, when more than a hundred relatives and friends gathered at their home at 146 West 18th-st. and the happy couple 25 years married, received the congratulations of the many guests present.

While Mr. and Mrs. Stokette received many gifts of a very useful nature, one unique gift came from the brothers and sisters of the couple.

A puzzle box was neatly constructed and the workings of a combination was necessary to be known before the contents could be reached.

The patrolman who is rather shrewd on thief catching is also an adept it seems at unravelling the intricacies of mysterious combinations and mystery boxes.

He soon had the secret revealed and twenty-five silver dollars, each one representing a milestone in their married life, were brought to view.

Certainly Thursday evening was one of those better days for Patrolman Stokette and his family.

### HOLLAND MAN DIES AT AGE OF 81 YEARS

Andries Sterken for the last 11 years a resident of Holland, died Thursday noon at his home at the age of 81 years. Mr. Sterken was born in the Netherlands on April 7, 1839. He came to America with his parents in 1856. He was united in marriage to Miss Willemina Van Eerde of Overisel on December 14, 1868, and the couple settled on a farm at New Groningen until 1909, when they came to this city. The deceased is survived by his wife, seven children: Mrs. F. Johnson, Henry, Libbie and Arie Sterken of Holland, John Sterken of West Olive, Gerrit Sterken of New Groningen, Willie Sterken of Battle Creek; also by a brother in the Netherlands. The funeral services were held from the residence at 2 o'clock Saturday afternoon. Rev. Jas. Wayer officiated.

### GEORGE RIEMERSMA IS FREED OF CHARGE

The case of George Riemersma, charged with burglarizing the A. Bekker store, was dismissed Saturday morning in Justice Van Schelven's court on the ground of lack of evidence to bind him over to circuit court. Riemersma was arrested on this charge some time ago and his trial was set for Friday morning. Prosecuting Attorney F. T. Miles appeared for the people and Att. D. Ten Cate of the firm of Diekema, Kollen & TenCate appeared. Riemersma recently was granted a degree of divorce against his wife Jeannette Blom-Riemersma in circuit court in Grand Rapids in which case he was also represented by Diekema, Kollen & Ten Cate. The divorce suit was brought by Mrs. Riemersma but Riemersma filed a cross bill and on this the decree was granted.

### FISH RETURN AFTER THE RESORTERS HAVE LEFT

It is beginning to look as if the fish in Black Lake and Lake Michigan have it in for the resorters who frequent the Black Lake resorts during the summer months. Again this summer as was the case a year ago fishing has been very poor. Last spring fishing was pretty good, and many of the finny tribe were hooked by people from Holland and other places. But the fishing petered out to a great extent during later June, July and August, the months when the resorters are here.

But now that the resort season is over fishing is getting better again, and a good many perch are being caught on the breakwaters. The anglers very soon learned about it, and a good many have been going to the park the past week or two to try their luck at fishing. Most of the resorters are gone and hence the fishermen are mostly people from the city. If conditions are the same as last year, the fishing will improve as the fall advances. Last year the finest perch were caught in the very late fall.

The resorts are already practically deserted, although it is only a week after Labor day. The big exodus of the resorters began this year long before Labor day, and by that time most of them had departed. The big hotels were boarded up on Labor Day this year, which is unusual.

A few of the resorters are continuing to occupy their cottages at the resort, and it is these people who are getting the benefit of the improved fishing. The duck season will also open soon, and that will add another sport to the list. The late resorters are just now experiencing weather fully as warm as it was during a large part of the summer.

### GETS FLATTERING OFFER FROM CALIFORNIA

Holland is in danger of losing one of its most public-spirited citizens in the person of Dr. A. Leenhouts who is very seriously contemplating leaving this city and locating in California. Dr. Leenhouts has been given a very flattering offer of a long established practice in his specialty in Los Angeles, Calif., and altho he has not yet finally decided to go, some of his intimate friends with whom he has been discussing it seem to be under the impression that there is great danger of his leaving Holland. The practice offered him is that of Dr. E. A. Bryant, eye, ear, nose and throat specialist, whose home is in Claremont, a Los Angeles suburb and whose office is in the city itself. Dr. Bryant will retire from active work.

There is something of a colony of former Holland people in and about Los Angeles and they are all pulling hard to have Dr. Leenhouts accept the offer, while of course his friends in Holland are pulling just as hard to have him stay here. Dr. Leenhouts' community service work done free of charge outside of his practice has made him one of Holland's most valued citizens, and his departure would be a real loss to Holland.

### ENROLLMENT LARGE AT CHRISTIAN SCHOOL THIS YEAR

Both the high school and the primary school of the School for Christian Instruction, experienced considerable growth as shown by the enrollment figures. The schools opened Tuesday of last week and the enrollment figures are now practically complete, altho a few scattering ones may be added to the student body later.

The enrollment in the high school this year is 61, an increase of 30 over last year. The enrollment in the primary grades is about 600, an increase of 50 over last year. The primary school now has a teaching force of 12 and a principal, Mr. John Vander Ark of Roseland, Ill., while the high school has a teaching force of three and the principal, Mr. H. G. Dekker, also of Chicago.

The high school and primary school are now under separate management. Until this year the same principal served for both institutions, but now each school has a principal. Mr. Dekker, the principal of the high school, was engaged but a short time ago. He is a graduate of a technical school in Chicago having received the degree of Bachelor of Science. He taught for several years in one of the Chicago high schools. Mr. Vander Ark who was engaged by the board of the local school last spring when Mr. Bennink resigned is a graduate of Calvin College and has had several years of experience as teacher and principal in a number of Christian schools.

There are a number of new instructors in the School for Christian Instruction this year, replacing some who left for other places or left teaching as a profession. But all the grades are supplied and work has been in full progress the past week.

At a congregational meeting of the First Reformed church at Grand Haven Thursday night it was voted to increase the salary of the pastor Rev. Henry Schipper, a graduate of Hope College and Western seminary from \$1700 to \$2,000 per annum. In appreciation of the pastor's efforts in the church, the congregation voted the increase to be effective since last April.

### HOLLAND GAS QUESTION TO COME UP TO A VOTE

At a special meeting of the Common Council held Friday night for the purpose of going a step further in cleaning up the most vexing question that Holland has ever had to contend with, namely the gas situation, the council decided that municipal gas again be put up to a vote of the people this fall.

All the aldermen were present except Ald. Blue and Prins of the first ward and it was the sense of the ten men present backed by Mayor Stephan that the city of Holland buy the Holland Gas Works, subject to the approval of the voters along the lines and on the basis of the report of the gas committee consisting of E. P. Stephan, C. H. McBride, Peter J. Damstra, Paul VanderLiest, James DeYoung, Wm. Lawrence, B. P. Donnelly, and Con De Pres.

The next step to be taken to bring the matter to a head is to find out how best to finance a proposition of this kind. It will be absolutely necessary that a bond issue will come before the voters the amount of which cannot be ascertained at this time. It is expected that the amount will be not less than \$325,000. It was finally decided, however, that the mayor appoint a committee of five who will look after the financing of the gas proposition and report their findings back to the common council.

Some of the aldermen present felt that a bond issue of \$200,000.00, would be adequate, and the balance could be borrowed with the purchased property as collateral.

This did not seem to meet with the approval of all, most of the aldermen favoring bonding for enough money to complete the plant and be done with the matter.

Some of the aldermen also wished to know if the \$150,000 quoted last spring for a municipal plant was available and could apply on the present proposition. The city attorney was questioned upon this point and while he could not give an off-hand statement without looking up the matter, he felt that this amount could not be legally applied on this new proposition. Anyway the committee appointed by the mayor will not only try to find out the legality of last spring's election on this same matter, but they will also be called upon to investigate how best to finance a municipal gas plant in Holland, should the citizens decide in favor of such a plant at a special election to be held this fall.

Mayor Stephan promised that if he was elected, that he would settle the gas question one way or another, once and for all, and apparently he has kept his promise.

In this he has been backed up by the majority of the aldermen, and slow but substantial progress has been made.

After the committee on ways and means has reported, their findings will be thoroughly published, the whole gas matter will be laid before the people, and a thorough campaign of education will be given the voters so that everyone interested may know every phase of it.

The mayor and aldermen are not going to electioneer in favor or against the project, only in so far as it concerns them as private citizens.

The whole gas matter will be shorn of politics, for the reason that the matter will come up alone with out any other questions at issue or without any candidates running for office, who might avail themselves of the popularity or unpopularity of the question as the case may be.

Mayor Stephan has appointed the following committee to devise the ways and means: Chas. S. Dykstra, Jerry Apple, Nick Kammeraad, E. P. Stephan, and Chas. H. McBride.

**WILL CONTESTED IS  
SETTLED IN COURT**

A contest among heirs of the late Johanna Baas, who died in the spring of 1917, was decided by Judge Cross Monday when he gave his findings in the matter, disposing of a long continued contest. In the will of Mrs. Baas the greater portion of the property was left to her only unmarried son, Nick Baas. Some of the other children were left entirely out of the will and as a result Mrs. Katie Zinke, Cora Plum and Maggie Yska, daughters of the deceased together with James Wilschot, a grandson, through their attorneys, Diekema, Kollen & Ten Cate, contested the will. But before the matter was heard the parties came together with another son, Lucas Baas and his wife, and came to a settlement. This settlement was made in March, 1917.

During March of 1920, Nick Baas, Lucas Baas and Mrs. Lucas Baas, through their attorney, Chas. E. Miner of Grand Haven, filed suit in circuit court, charging that misrepresentation and fraud had been used in the settlement on the part of the other heirs and contestants in the will, and asked that the various deeds, mortgages and other instruments executed in the settlement be cancelled. The case took up a whole day in court and in his findings given Wednesday Judge Cross dismissed the bill of complaint of Nick Baas and Mr. and Mrs. Lucas Baas and ordered that the settlement should stand as made.
