## Supervisors Try to Cut 1970 Costs

GRAND HAVEN — Members of the Ottawa county board of supervisors took action Wednesday, at their final meeting of the June session, to "set the pattern" for reducing costs in 1970 in operation of the county government.

Franklin Schmidt of Coopersville, of the ways and means committee, told the board Monday that cuts in services will have to be enforced in 1970 as the surplus fund will be depleted by the end of 1969 and anticipated receipts will fall about \$388,000 short of the proposed 1970 budget of \$3,050,000.

Warnings of trouble at the budget session of the board in October have been aired all through the June session and Supervisor Robert Visscher of Holland Wednesday boldly proposed some drastic cuts that would hurt the 21 members of the board in their own pocket-books.

"We face a crisis," he said, at the start of Wednesday's meeting, "and we are going to have to make some drastic cuts next year. I have mulled this over in my mind many times in the last few days and I suggest that we might limit ourselves in our committee work."

He moved that the members limit their committee work so that each member will be limited to \$50 per month for committee work during the rest of the year. He also suggested that the per diem be cut to \$10 for a half day and \$20 for a full day. "If we do this," he said, "we will be in a better position to make more cuts in October."

Supervisor William Kieft of Grand Haven proposed a "flat cut" of the members' annual salary, \$2,500. One member questioned whether the members have authority to change their salaries but the board voted 11 to 9 to approve Visscher's proposal. The question of the authority to cut salaries came up again and the matter was referred to the prosecutor, who could not be located. The board then voted to refer the question to the ways and means committee.

Other departments of the county also reported money trouble. Gerald Van Wyke of Holland, presiding judge of the district courts in Ottawa, reported bills submitted by the courts to the board have not been honored. Schipper explained that there is now a deficit in the operating budget of the four courts of the county, amounting to \$1,079. There is a surplus in the salary budget, he said, and the board voted to transfer \$12,500 to the operating budget. The courts have already turned over \$39,000 in court costs to the county since Jan. 1, Van Wyke said.

The board's salary budget also has a deficit, it was reported. There is a \$13,291.30 deficit and the general fund surplus, which now has \$283,656, was tapped for \$43,000 to meet the board members' salaries for the rest of 1969.

The board passed a resolution authorizing payroll deductions of county employees, outside the road commission, who wish to join the North Ottawa Credit Union.

Lawrence Wade of the buildings and grounds committee reported that the Gordon Laughhead property at Fifth and Franklin streets, across from the county parking lot, is available for \$45,000. The property is occupied by two buildings and if cleared and paved for parking would cost a total of \$60,000. There is room for 36 cars.

Edward Kinkema, Grand Haven, a new member of the Grand Haven board of education, was named to succeed Peter Manting, Grand Haven, on the elections board of the county and Mrs. Eugene Prieb of Grand Haven was named to succeed Mrs. Barbara Giangrande, Spring Lake, on the county library board. Both Mr. Manting and Mrs. Giangrande have resigned.

## Holland Has .53 Inch Rain

Holland escaped damage as a brief thunderstorm accompanied by high, gusty winds whipped through the area at 9:30 p.m. Wednesday. Official, recorded, overnight rainfall was .53 inch. Logs at Holland Police Department and Ottawa County Sheriff's Branch Office bore no reports of storm damage.

Holland Coast Guardsmen said the winds blew steadily around 10 knots during the night, but there were other higher isolated gusts.

A few tents were blown down at Holland State Park, according to Donald Ike, park manager; however, there was no other damage.

City power flickered out for about one minute when lightning struck the Fifth Street substation at 9:30 p.m.

## Crash Injures 3 Deputies

SPRING LAKE — Three deputies from the Ottawa County Sheriff's Department were injured at 11:46 p.m. Saturday when a car they were chasing came to a dead stop, causing the trailing cruiser to go out of control and hit a tree.

Deputy Bruno Olechnowicz, 32, Grand Haven, was driving the cruiser in pursuit of a car driven by Delores Gardner, 22, of Spring Lake. The chase started when the car left a grocery store parking lot at the east end of Savidge St. here.

Speeds approached 70 miles an hour, officers said, when the driver slammed on the brakes. In an attempt to avoid striking the Gardner car, Deputy Olechnowicz applied the cruiser brakes, causing it to go out of control. Deputies reported the cruiser went about 160 feet down the street and hit a large tree which was 12 feet off the left side of the road.

According to deputies, the impact demolished the front end of the cruiser.

Riding with Deputy Olechnowicz were Deputies Alfred Zimmerman, 35, of Grand Haven, and Michael Zalsman, 21, of 105 West 10th St., Holland. All received multiple bruises and were released after treatment from North Ottawa Community Hospital, Grand Haven.

Miss Gardner who was not injured fled the scene to a nearby house. According to Spring Lake Village Police, she was apprehended and charged with reckless driving and eluding police officers.

## Struck From Behind

Scott Richard Bruursema, 18, of 12730 Felch St., was cited by Ottawa county sheriff's deputies for failure to maintain an assured clear distance after the pickup truck he was driving struck the rear end of a van driven by Richard Le Arendsen, 20, of route 1, Zeeland, on Eighth St. at US-31 bypass at 10 a.m. Tuesday.

She and her husband Frank moved to Ottawa county in 1952. Mrs. Wright worked for the Grand Haven Tribune from 1959 until she started with Red Cross. At the time she left the Tribune, she was women's page editor. They moved to Holland in 1964.

## United Fund Hires New Executive

A decision to offer William F. Herbst, currently with the Michigan United Fund, a contract to serve as executive director of the Greater Holland United Fund was unanimously adopted at a special meeting of the local United Fund board Thursday in the northside office of People's State Bank.

Ivan Bonsall who has served in this position for several years is not available the coming year.

The group also discussed the problem of delinquent pledges from the 1969 fund campaign and is sending reminders to these individuals.

There was considerable discussion on Ottawa County Mental Health services and the county's role as successor to the West Shore Mental Health Clinic. The board feels that because of state supplemental support and the county-wide nature of services, the local portion of revenue now obtained from United Funds should come from county tax sources. The board voted to continue its support in this worthwhile program for the 1970 calendar year with a gradual phase-out in succeeding years.

Roger MacLeod of Klaasen Realty Co. was appointed to the board to replace Charles Kupsky.

Attending the 2½-hour meeting were President William Hoffmeyer, C. J. Westbroek, Dale Van Lente, Mrs. Ruth Athey, R. C. Hafer, Rev. Russell Vande Bunte, Herb Holt, Donald Irtman, Carl Marcus, Jerry Hop, Raymond Helder, Roger Rietberg, George E. Steggerda, Mrs. R. Dalman, Mrs. Charlotte Horner and Walter J. Lang.

The afternoon schedule included a panel discussion with Ray Staats of the Automobile Club of Michigan serving as moderator and the discussion of possible formation of a safety officers organization.

Holland Safety Officer Marty Hardenberg is general chairman.

## Supervisors To Revive Survey

GRAND HAVEN — A county-wide survey of police services in Ottawa county, prepared by a Chicago firm of consultants for the old board of supervisors in 1967, will be revived by the present board, it was decided at the second meeting of the June session of the board Tuesday.

The Public Administration Service of Chicago submitted a report to the old board at the October session in 1967. Supervisor J. Nyhof Poel of Grand Haven reported. Karl Ball, supervisor from Spring Lake, reviewed the history of the report and recalled that in January of 1968 the old board received a report from a special committee that studied the survey but nothing has been done with the recommendations.

Muskegon county has followed some of the recommendations included in the report, Poel said. He urged that members of the present board obtain copies of the report, study them, and that the board meet later as a committee "in private" to go over recommendations with officials from the Chicago firm.

The report recommended that a new relationship and division of labor between state police, the sheriff's office and local departments be established. A long list of inadequacies in police operations in the county was included in the survey. There is much to be desired in the general level of police field service, it said. Several recommendations were also made to improve radio communications.

Supervisor Bert Schuitema of Holland, chairman of the sheriff's committee, made a report on comparative costs of the Ottawa department and departments of comparable counties in Michigan. The survey was made after the Rev. George Timberlake of Grand Haven submitted a letter pointing to the high cost of the Ottawa department in recent years.

Such a survey, Schuitema said, is difficult to make but statistics he obtained from Monroe, Bay and St. Clair counties, each with a little more than 100,000 residents, show that Ottawa's expenditures in 1967 were not out of line.

Ottawa, with 61,000 rural population, spent \$331,000, he said, while Monroe with a rural area population of 71,000, spent \$405,000, Bay county, with 50,000 rural residents, spent \$219,000, and St. Clair, with 56,000 rural residents, spent \$313,000.

Some figures mean little, the Holland man said, as Ottawa pays its deputies a good living wage, \$6,000 for starting deputies, while some counties pay much less. One county pays its deputies \$4,300, he said, and has a poor department, while Ottawa has one of the best in the state.

Thirty-six home owners in an area near Tunnel Park near Holland complained of noise and use of private property by persons using the park, and a request for a fence along the south side of the Park, located on Lake Michigan, was referred to the road commission.

MARNE — Ottawa county recorded its 20th traffic fatality of the year when a young Conklin man died in a single-car accident at 7:05 p.m. Saturday on Eighth Ave. a half mile south of Taft Rd. in Wright township.

Richard Williams, 19, of 17883 Juniper Dr., Conklin, was pronounced dead on arrival at Butterworth Hospital in Grand Rapids. Ottawa county sheriff's deputies reported Williams had suffered multiple injuries.

Deputies said Williams apparently lost control of the car while driving south on Eighth Ave. The car rolled over three times, coming to rest in a field 495 feet from the point where the first skid marks were made and on the east side of the road, officers said.

Williams was thrown out of the vehicle on impact, deputies reported.

He is survived by his parents, Mr. and Mrs. Gordon Williams of Conklin; one brother, Larry of Conklin; his grandparents, Mr. and Mrs. Stanley Williams of Pinellas Park, Fla.; several aunts and uncles.

## 1970 Tulip Festival Set May 13-16

The 1970 Tulip Time Festival will be held May 13-16 as decided by Tulip Time board of directors who held their monthly meeting Tuesday in the office of Mayor Nelson Bosman in City Hall.

Directors also set May 12-15 as date for the 1971 festival, according to Manager William H. Vande Water.

Attending Tuesday's session were Bosman, Lou Hallacy, W. A. Butler, Jacob De Graaf, Dale Fris, Charles Conrad, R. F. Giles, Mrs. Betty Dick, Mrs. Virginia Working and Vande Water.

John Mc Clasky, chairman of the Square Dance program, was advised to seek a nationally-known caller well in advance of the festival because of the competition and demands made for good callers to attend programs at other area festivals on the same evenings.

Vande Water said the financial report on the past festival was incomplete due to bills that have not been received to date. There were also some returns still outstanding; however, indications from preliminary returns show the festival was the greatest in the 40-year history of operation.

It was pointed out the festival weather competition of other events staged within a 100-mile radius at the same time.

A team of Dutch Dancers from West Ottawa School is slated to participate in the Centennial-Blueberry Festival on July 4 at South Haven.

## Windmill Island Shows Increase In Tourists

Add Windmill Island to the lists of signs that point to a record-breaking year of tourism for West Michigan.

Through May, which included Tulip Time, Holland's nationally known municipal park has attracted 58,345 visitors so far this year. This is a slight but definite bulge over 1968 which counted 56,504 through the gate for the like period.

Totals as of May 31 in previous years were 54,223 in 1967; 50,194 in 1966, and 46,497 in 1965, the first year of operation for Windmill Island.

Receipts at the food and souvenir concessions, operated under lease by the Alvin D. Bos Co., of Holland, have jumped approximately 75 per cent this year over 1968. Typical is the increase in sales of whole wheat flour which is ground by the 200-year-old giant windmill "De Zwaan." In May, Bos reports, visitors bought slightly more than 3,000 two-pound bags of flour, a 100 per cent - plus increase over the 1,310 sold in May 1968.

Windmill Island will remain open daily throughout the summer and early fall.

## Planning Commission Sets Hearing Date

At a meeting of the Holland Planning Commission at 4 p.m. Wednesday, July 23 was set as the date for an informal hearing on rezoning at 40th St. and Washington Ave.

The commission is also making recommendation to city council to rezone a small parcel of land in the industrial park from agricultural to industrial.

Finally, the commission heard Gerrit Jongsma explain his ideas for a second bridge over Black River in the vicinity of Pine Ave. This suggestion will be considered by the commission along with other future projects.

The people of the community felt that she had so completely oriented herself to the ways and customs of their life, that she deserved the honor of being considered a member of the community. The adoption resolution read in part "It is hereby resolved, that Miss Mary Lou Koeman, 820 61st St., Holland, Mich., USA, be adopted as daughter of the municipality of Pinamalanay, Province of Oriental Mindoro, Republic of the Philippines."

Miss Koeman left for the Peace Corps training in July of 1967. She was assigned to the Juan Morente Senior Elementary School in Pinamalanay. It is a pilot school for all of Oriental Mindoro. Her duties consisted of training the teachers of the school to teach science and to train the people of the barrio and surrounding areas. She also was responsible for giving seminars throughout the island of Oriental Mindoro.

## Sethre-Fisher Vows Exchanged in Seattle

Mrs. Robert T. Sethre

Lake Burien Presbyterian Church, Seattle, Wash., was the scene of the 8 p.m. wedding rites Thursday which united Miss Diana Fisher and Robert Thomas Sethre. Dr. Richard Redfield performed the ceremonies and Miss Penny Bourdon sang in a setting of large bouquets with a single red rose and candles on the altar.

Mr. and Mrs. Walter A. Fisher, 163 Oak Park Dr., and Mr. and Mrs. Robert Arthur Sethre of Seattle are parents of the couple.

The bride made her gown of satin trimmed in lace and featuring an empire waist, long cuffed sleeves and scooped neckline. The back fell into a train. Her veil was floor-length with a floral headpiece and she carried pink and white flowers centered with a red rose.

## Hope Church Guild Holds Luncheon

Mrs. William Hillegonds addressed the Guild for Christian Service of Hope Church at a luncheon Wednesday in the church parlors. She familiarized them with the aims and accomplishments of the "Higher Horizons" organization, a group of Hope College students dedicated to service among children in the community who can profit from a big - brother, big-sister relationship.

The movement was started in 1963 by 40 students who desired to relate themselves in a person-to-person manner to youngsters, who for some reason or other, had missed out on the influence of wholesome communication and meaningful associations in some areas of life. This group now numbers 200 young men and women. Their activities are under the supervision of a board of directors with Mrs. Hillegonds in the role of secretary. This effort has been so well received in the city, that the program was deemed worthy of a share in the community United Fund.

These young students volunteer to help at the individual point of need, and seek to establish a relationship of friendship, love, response, security and acceptance in the lives of their proteges. They seek to instill a spirit of self - confidence and courage in these children to help them to become an integrated part, both of the community and of life in general, as well - adjusted individuals.

Mrs. Vernon Boersma presided over the meeting. The devotions were presented by Mrs. Martin De Wolfe. Circle One, under the co - chairmanship of Mrs. James Ward and Mrs. Wilma Reed provided a spring luncheon served at tables decorated with June roses.

## League of Women Voters Addresses Holland Rotary

The scope and objectives of the Holland unit of the League of Women Voters were reviewed for Holland Rotary Club members Thursday noon.

A delegation of eight women from the league, headed by Mrs. Calvin Vander Werf, president, lunched with Rotary members and later spoke briefly on the various phases of their program.

Mrs. Vander Werf spoke principally on the league history. Founded in 1919 when woman suffrage became law, the League of Women Voters now has a national membership of 150,000. The Holland unit, established as a provisional organization earlier this spring, has 70 members.

Two guidelines direct league activities, Mrs. Vander Werf said. First, the league is concerned with issues, not candidates or political parties. Second, study of the issues must precede any action adopted by the league.

National and state programs of the league were discussed by Mrs. John Stewart, vice president. Current projects include study of foreign policy, human resources, education and taxation. As a provisional unit, she pointed out, the Holland group is limited by the parent organization to a "Know Your Town" project.

This was explained in greater detail by Mrs. Ralph Saveland. Information on Holland's government, services, parks, public protection and other facilities is being gathered for publication. It is planned to distribute the resulting brochure to newcomers and other interested citizens and to make it available for study in the schools.

Mrs. Paul de Kruif spoke of a recently completed project, a Visitor's Guide, which lists voting qualifications, elected officials on various levels, and other information. It is printed in both Spanish and English and has been widely distributed.

Mrs. L. W. Lamb Jr. voiced the league's support of the federal program on equality of opportunity for education, housing and employment. She complimented Holland on its housing ordinance and the support given by Rotary and other groups to HAZAH, the Holland and Zeeland Area Non-Profit Housing Corporation.

The league's plans for a drive in September to obtain local financial support were announced by Mrs. John F. Donnelly, who said such support will help the Holland group step up from its provisional status to a more effective level.

Other speakers included Mrs. William Winter Jr., who explained the league's concern for protection of water resources, and Mrs. Edward Krumm, publications chairman. Mrs. Jerome Connihan, publicity chairman, was also introduced.

#### TAXES AND MORE TAXES

We here in the city seem to be a little behind with our work. There will be a delay in mailing the tax bills and they'll probably be a month late. According to the city charter, the deadline for paying summer taxes is Aug. 15, and city officials hope bills will be mailed a couple of weeks before that.

The hangup rests with the Michigan State Tax Commission after about 15 units appealed action of the Allegan Board of Supervisors on equalization. The fact that the board since has rescinded the action makes no difference. Allegan's action affects only that part of Holland city which lies in Allegan county, but tax figures must be balanced out before bills can be mailed.

Local taxpayers are concerned they may be penalized if bills are not mailed before date for payment. We sympathize with them.

The Pontiac Press carried this editorial on the tax bite June 20.

## Sunday School Lesson

Sunday, June 29  
God's Continuing Encounter  
with the Social Order  
Luke 4:16-18, 21  
By C. P. Dame

The lesson text is taken from the New Testament and from the Old Testament. The truth this lesson teaches is that the Bible is not for one time but it is for all time and for all people from every bracket of life. The more people live by the teaching of the Bible the more they will get out of life.

I. Jesus had a message for all manner of needy people. After being in Judea for a year (John 1-4) He returned to Galilee where He began His ministry preaching in the synagogue in His home town Nazareth. Jesus opened the Old Testament and read from the prophet Isaiah (chapter 61). Most likely the friends and relatives of Jesus were all present. "And when He had opened the book, He found the place where it was written." The passage from Isaiah stated the purpose of the Lord's mission.

"The Spirit of the Lord is upon Me" — what a claim! Jesus often made claims regarding Himself. He made the assertion that He was preaching guided by the Spirit. He claimed divine authority. Take note of the fact that Jesus put first in His program preaching the gospel to the poor. The word "preaching" observe for we live in a time when many do not think preaching is important — action is. Jesus reveals His concern for not only the poor but also for the brokenhearted, the captives, the blind and the bruised. All were needy. And the needs were caused by sin. Even in our affluent society we have people in need of food, shelter and the bare necessities of life.

Some church leaders think that it is the task of the church to first minister to the physical needs of the people while others think that the spiritual note should first be stressed. The Bible teaches that it's church should preach the gospel which ministers to man's whole needs—the material and the spiritual. Man's basic needs are spiritual.

II. The Bible proclaims God's judgment upon man's evils. Too little is said today about God's judgment. Isaiah preached about a holy God. Since God is holy He must punish sin. God punished Israel because of its faithlessness and wickedness.

In our lesson text the word "woe" appears several times. People then were bound to their sins as tightly as the oxen were bound to the wagons which they pulled. Sin enslaves people. It was common to call evil good and good evil in the days of Isaiah. We do it today. Gone is the day of absolutes, so we are told. What is right for some, may be wrong for others; what a past generation denounced this generation may praise. There is much pride and striving for social status among us. The people in Isaiah's day were like that too.

"We unto them that are mighty to drink wine and men of strength to mingle strong drink" — so wrote Isaiah. Last year 55,000 Americans died as a result of automobile accidents and almost four and one-half million were injured. More than half of the accidents and deaths were caused by drivers who had been drinking liquor. Alcohol and gasoline do not mix.

### 3 Persons Hurt In 3-Car Crash

## University Women Attend National AAUW Convention

Six members of the Holland Branch of the American Association of University Women have returned from attending the National Convention of the Association, held this week at the Conrad-Hilton in Chicago. More than 2,000 women, representing 660 Branches in all 50 states, convened for policy-making and other business.

Among the speakers were President of Barnard College, Martha Peterson, who keynoted the opening session by asserting that while the older generation of college women deplore the quality of life today, they feel little conviction that they can effect change. It is the present generation of coeds who are personally committed to correct society's defects, she said.

On Tuesday, Mrs. Coretta Scott King accepted the more than \$152,000 contributed by the AAUW, to be awarded in her name to women students who will pursue studies which continue the ideals and goals of her late husband, Dr. Martin Luther King.

In a speech devoted to American foreign policy in Asia, the former Ambassador to Japan, Edwin O. Reischauer, predicted "that our disengagement in Vietnam will be based on withdrawal rather than a negotiated settlement." Labeling our containment policy of China as misguided, he stated that "China is too weak to exploit its neighbors." He suggested the U. S. work for approachment with China by accepting its admission to the United Na-

tions and ceasing our trade embargo of the country. Later, the delegation debated a strongly worded resolution which called for measures leading ultimately to diplomatic relations with the Chinese.

Reischauer also presented concerns of disastrous upheaval in Japan next year unless an Okinawa settlement is reached.

In other convention business, delegates voted to "support medical research, sociological study and action programs designed to make available information and facilities for population control."

Sitting for three hours of intensive debate on Thursday, delegates amended and approved a proposed legislative program that will guide its legislative activities in the next two years. The program covers measures in the areas of protection of rights of the individual as well as educational, social and foreign policy.

Delegates amended the social policy section to include the promotion of income tax reform and added a new section that calls for the "development of sound policies with respect to population growth." The foreign policy section was amended to include a strong statement in support of world peace.

Attending from Holland were Mrs. Steven Van Grouw, president of the local Branch, and Mrs. William Rocker, program chairman. Others were Mrs. William Hillegonds, Mrs. Fred Leaske, Mrs. Stuart Padnos, and Mrs. Sam Williams.

## Scout Camp Dedication Honors Roger B. Chaffee

BARRYTON — Dedication ceremonies for the new Grand Valley Boy Scout Reservation and its first camp, Camp Roger B. Chaffee, were held Saturday afternoon on the reservation near Barryton.

The camp is named in honor of Roger B. Chaffee, an Eagle scout and Scout Camp Shawondese camp staff, before becoming an astronaut. On Jan. 27, 1967 Commander Chaffee, a native of Grand Rapids, died at Cape Kennedy, Fla., as a result of the Apollo 1 tragedy.

During the dedication program Dr. J. Raymond Christy Jr. of Holland, chairman of the camp development committee, read excerpts from congratulatory letters by President Nixon, Vice President Agnew, aerospace program head James Webb, Col. John Glenn, Congressmen Gerald Ford and Guy Vander Jagt, astronaut James Mc Divit, and Commander Chaffee's wife.

Dr. Christy gave a resume of the work done in the preparation of the camp, the first of four to be built on the reservation. The letter from Mc Divit stated that the naming of the camp was a tribute to the life of Roger Chaffee, who had a life-long interest in scouting. According to Mc Divit, Chaffee valued his early scout training and expressed that fact while in training as an astronaut and placed great meaning on the opening words of the scout oath, "On my honor I will do my best."

Regional chairman Milton H.

Gray emphasized the growth in the scouting program as he related his early scout days at the Chicago scout camps near Whitehall and as a visitor to the Grand Valley Camp on Duck Lake. According to Gray, the scouting program will undergo change but that the basic principals upon which scouting is built will not change. The National Council is now composed of more than six million scouts, one million of which compose region seven of which Grand Valley is a part.

Commander Chaffee's parents, Mr. and Mrs. Donald Chaffee, presented a picture of their son to Grand Valley Council president, James Townsend and expressed their appreciation for the naming of the camp in their son's honor.

Dr. Christy and Townsend were presented with bronze plaques on walnut base, for their work in the fulfillment of the camp project. In presidential remarks, Townsend read the letter that was placed in the "time capsule" addressed to the council president of 1994, who will be president on the silver anniversary of the reservation. In this letter he spoke of the demands of life, today's projections and current events that may interest the scouts of 1994.

The main address of dedication was delivered by Judge John Letts, a circuit court judge and a member of the executive board of the Grand Valley Council. "We are stockholders in the greatest corporation of the world — The United

States of America" said Letts. He felt that it was not enough to memorize the national songs but that each person has the responsibility to become a "true American" through love. The theme of love was woven through his message as he told of the events in the life of astronaut Chaffee.

"Men must pass on love and patience. Never let go of flexibility or hope and spirit," said the judge. He looked at scouting as a tree of hope which provides youth who climb it with a novel encounter with life.

In addition to the 13 troop sites on the camp, each named for a constellation, which will accommodate 200 boys each week throughout the summer, the camp site includes a ranger's house, health lodge, camp office, service building, archery area and a rifle range. An astronaut is scheduled to visit the camp this summer, sometime after its July 1 opening.

## Land of Fantasy Prevails at Castle

Such delicacies as Carter green beans (green beans) and Munchkins (brownies) were served at the Castle Club, Castle Park, this weekend for the Wizard of Oz Club Convention which took place there Friday through Sunday.

The organization was founded in 1958 by Justin Schiller, a 15-year-old boy at the time, who exchanged Oz books with his friends. The original membership was 15. About the same time a few librarians were attempting to take copies of the Oz books off the shelves because they felt that children preferred science fiction and space novels over books of fantasy. This membership grew with the members holding annual meetings to keep alive the interest and philosophy of the works by L. Frank Baum, author of the "Wizard of Oz" and 18 other Land of Oz books.

Today, the international organization covers about 12 countries, including Japan, Germany and England, and has more than 600 members, the majority of which are men. A total of 40 persons are attending the convention this weekend. The club holds an annual convention with three smaller, regional meetings during the summer. This summer these are in Swarthmore, Pa., New Orleans, La., and Santa Barbara, Calif., with the main convention being held here at the Castle.

A reception and dinner were held Friday night. Saturday an auction was held where newly discovered works of literature and pictures by Baum are brought by the members.

Mrs. Frank (Brenda) Turner, wife of the late Harry Neal Baum, son of L. Frank Baum, said that a first edition Baum book, which would date back to about 1900, that was in good condition was worth \$1,500.

Members of the club range from high school up with the youngest member reportedly 13-years-old. They include artists, writers, philosophers, book lovers and college professors, with people such as Dr. Hans Kolbe of Schoolcraft College, Livonia and Dr. Jeremiah Tobias of Oklahoma University in attendance this weekend.

Mrs. Turner said many people felt that the Oz books were

## Bike Adventure Becomes Long, 6-Hour Journey

A Huckleberry Finn bicycle adventure took on the description of a long, hard, 6-hour trek for two Grand Rapids area boys who visited their grandmother in Holland on Friday.

The boys, Stevin Schumaker, 13, and his brother Mark, 12, loaded their bikes and waved good-bye to their parents, Mr. and Mrs. Alfred Schumaker of 60th St., Grand Rapids, near Dutton at 9 a.m. Friday.

Their destination was Grandmother's house — Mrs. Hazel Race of 332 West 32nd St., Holland.

All went well until the boys neared Drenthe where Mark's bike broke beyond repair. The two loaded their food and other supplies onto one bike and rode double along their 100th St. route, a road which they had often travelled by car without realizing just how many inclines the road had. At least to the boys, the road seemed to take on some new hills!

Six hours later, the boys arrived at Mrs. Race's home at 3:55 p.m., complete with the appetites of two men who had put in a hard day's work.

The boys spent the weekend with Grandmother Race and, needless to say, were grateful for the return trip by car provided by their parents Sunday morning.
