HOLLAND GIRL IS WED IN GRAND RAPIDS

FURNITURE CITY PAPERS MAKE MUCH OF NUPTIALS

The Grand Rapids papers have pictured and written a great deal relating to the marriage of Miss Florence Mary Van Anrooy, daughter of Mr. and Mrs. William Van Anrooy, 248 West 18th street, who was wed to Franklin A. Callahan of Grand Rapids.

The Grand Rapids Herald of Sunday pictures Mrs. Van Anrooy-Callahan, dressed in a gorgeous wedding gown, carrying a magnificent bouquet of flowers.

Miss Mary Callahan, sister of the groom, is also featured elaborately dressed.

The Grand Rapids Press of Saturday also contains a photograph of the Holland bride together with the following writeup:

"Callahan—VanAnrooy"
 "A pretty wedding of early autumn was solemnized Wednesday morning at 10 o'clock at St. Andrew's cathedral when Miss Mary Florence VanAnrooy of Holland became the bride of Frank A. Callahan of this city. The service was read by Rev. D. E. Malone and selections were sung by the choir under the direction of Eugene Phillips, organist. The altar was decorated with palms, ferns and baskets of gladioli and lighted with tall candles.

The bride wore a gown of bridal lace over silk, fashioned with a long bodice and a veil of net caught in can style with a wreath of orange blossoms. She carried a bridal shower of roses and swainsons. Miss Mary Callahan, sister of the bridegroom, a maid of honor wore a gown of white georgette tied with a peach colored girdle. Her hat was fashioned of peach color taffeta, trimmed with turquoise blue ribbon and she carried an arm bouquet of Ophelia roses. Cyril Daniels was best man and the ushers were Anthony Daniels and Charles Dudley. After the ceremony a wedding breakfast was served to the immediate families and a few friends at the home of the bridegroom's parents on Lafayette-av., S. The rooms being decorated with noisettes of marigolds and asters. Mr. and Mrs. Callahan are spending their honeymoon in Chicago."

The 11 year old son of John Spencer, employee of the Federal Stamping Works fell out of a tree and dislocated his arm. Dr. Westrate took charge of the case.

Thursday, Sept. 29, at 10 o'clock on the farm of Geert Moeke, 1 1/2 miles north of Borculo.

Strand Theatre

Today William Fairbanks in "Hearts of the West." A story of the struggles of our early pioneers and gold seekers, when the law of the land was the six-shooter, when the survival of the fittest meant the quickest on the draw. Two comedies—Harold Lloyd in "Pinched" and special comedy "Big Game."

Wednesday, Sept. 14—William Farnum in "His Greatest Sacrifice." A great actor in one of the most powerful and dramatic stories of the year. Standard comedy, "Why Get Married?"

Thursday, Sept. 15—Mitchell Lewis in "Fools Gold." A story of romance and adventure, laid in the great Northwest, where the scenery is unusually beautiful. Christie Comedy, "His Better Half."

Friday and Saturday, Sept. 16 and 17, Priscilla Dean in "Reputation." By far the most powerful drama of woman against woman ever produced on the screen. She fanned the devil fires in men and laughed at hallowed women. She lived a lie and died a lie—yet not unforgiven. Comedy, Bud Duncan in "Hot Stuff."

Monday, September 19—Frank Mayo in "Tiger True." Imagine a rich man's son working as a bouncer in the toughest dive in the city. Imagine him marrying the slip of a girl who runs the place. If it suggests a thrill don't miss the picture. Two comedies, "The Dog Catcher," "The Pussy-foot."

Tuesday, Sept. 20—Alice Joyce in "The Vice of Fools." A story of love and romance, with a background of gorgeous scenes. Two comedies: Harold Lloyd in "Over the Fence" and Special comedy "Save Your Money."

Wednesday, Sept. 21—Maurice Tourneur presents Lew Cady in "The Broken Butterfly." A story of a great love and a great sacrifice, pictured in the tense dramatic portrayal of a master. Comedy, Billy Franey in "The Bull Fighter."

SCHOOL CHILDREN TO TAKE PART IN FAIR SPECIAL FEATURES

WILL GIVE UNIQUE DRILL ON PLATFORM IN FRONT OF GRAND STAND

Merchants Will Give Prizes in the School Children's Sport Contests

Tomorrow afternoon between racing heats the pupils of the Holland Public Schools will do some racing themselves in front of the grandstand.

Principal J. J. Riemersma and Miss Lida Rogers instructor in the high school have been arranging some unique races for the pupils of the city schools.

In the girls' race there will be a fifty yard dash, a three legged race, and a ball tossing contest.

In the boys' race there will be a 50 yard dash, a sack race, a three-legged race, a ball throw, and a bicycle race.

Merchants are donating several prizes for these respective contests and no doubt some handsome trophies will be pulled down.

Any child is eligible to enter these races, which are staged by the physical educational department, who thru these contests will demonstrate some of their work done at the school.

In these contests at least sixty pupils will be entered.

Another unique demonstration will be given by 12 sixth grade boys and 12 sixth grade girls.

This drill is to be given on the large platform opposite the grandstand. These drills are rather unique and are also a part of the school work. One drill is called the Swedish days' order, another folk-games and a third Ka-la-we-la Camp Fire Girls' Gymnastics on the march.

All these features show the excellent calisthenic work going on at our public schools, and all these features will take place in front of the big grandstand between races.

CHIEF VAN RY OFFERS A \$25.00 REWARD

Saturday night a car was stolen from College avenue near Eighth-st. and Chief Van Ry has issued postal cards and sent them to all police departments of the state which read as follows:

"\$25 Reward for recovery of Chevrolet touring 1917 model. Serial -19129. Motor 1226. Black body, yellow wooden wheels. Mohajd top. Goodyear Skid Tires."

Very few autos have been stolen from Holland since last year. Every man in the police department has been on his toes during the cleanup of the auto thieves which began nearly a year ago.

Rev. H. A. Vruwink performed the marriage ceremony for John Nymen of Grand Haven and Mabel Williams of Muskegon at the office of County Clerk Orrie J. Sluiter, Minister, license "everything right together," as it were.

Harold W. Coffin, charged with using indecent language before Kora Corrotta in Park township, pleaded guilty to the charge before Justice Van Schelven and was fined \$8.70.

Just before going to press the police department informs this paper that the Chevrolet car stolen from College avenue and 8th street was found in Grand Rapids where it was abandoned with two flat tires. The car belonged to Fred Artz, 46 E. 21st street.

Albert Hoeksema, principal of the Holland Business College states that he is starting a night school in the Peters block for all those who have no opportunity to study during the day time and can avail themselves of this privilege.

On Wednesday evening of each week Hollanders will be given the chance to learn to read, write and speak the English language.

A class of six are already enrolled in this department and many more are ready to enter this week.

On Monday and Thursday evenings book-keeping and shorthand and the elementary branches that these departments cover will be taught.

No doubt Holland's business college will have quite a night school during the coming long winter evenings.

INTERURBAN HAS MADE CHANGES IN THEIR SCHEDULE

MANY TRAINS HAVE BEEN TAKEN OFF BETWEEN HOLLAND AND GRAND RAPIDS

The Holland Interurban yesterday changed its schedule, or rather abolished several trains, both east and westbound.

For instance car No. 475 leaving Grand Rapids at 5:30 a. m., and reaching Holland at 6:45 a. m. has been taken off, it being replaced at the east limits of Holland, where the train is made up and reaches Macatawa at 7:05.

Car No. 413, leaving Grand Rapids at 10 a'clock a. m. for Holland and the resorts has been abolished entirely as has been car No. 429 leaving Grand Rapids at 10:15 p. m., and reaching Holland at 11:21 p. m. and Macatawa at 11:44.

The eastbound car leaving Holland at 5 o'clock a. m. and reaching Grand Rapids at 6:15 has been eliminated as well as the car leaving Macatawa Park at 8:05 and Holland at 8:30 arriving in Grand Rapids at 9:45 a. m.

The car leaving Macatawa at 8 p. m. eastbound arriving at Holland at 8:25 p. m. and arriving at Grand Rapids at 9:40 has also been taken off entirely.

No change is made in the running time of any of the cars, only the above named trains have been pulled off.

No cars have been taken off the Saugatuck division up to this time. Here the running time also remains same.

HOLLAND MAN ARRESTED FOR PILFERING AT C-B TANNERY

PLEADED GUILTY TO CHARGE BEFORE JUSTICE DEN

A Winstrom who is building a chicken farm at Zeeland was arrested on a charge of pilfering made by the Cappon-Bertsch Leather Co. where he was employed. It seems that the company had been missing things recently and an investigation showed that ten large pieces of cloth were taken besides some rolls of paper with which Winstrom was fixing his chicken farm at Zeeland. When taken before Justice Den Herder he was fined \$4.80 and was also given thirty days in the county jail.

Sometime between midnight Saturday night and Sunday morning, thieves entered the Interurban station at Macatawa Park. The office there is being rented for the season by N. J. Long, who besides being the ticket agent for the Michigan Railway Co., also sells candies, cigars, cigarettes, etc.

Mr. Long locked his place of business at the usual time Saturday night and upon his arrival Sunday morning found that the place had been entered by thieves, who had taken all his cigars, cigarettes, candies, and other things lying loose to the amount of \$50.

Besides this merchandise, about \$20 worth of interurban tickets were stolen.

The thieves entered by cutting a window, and then opening the door from the inside, the door having a Yale lock.

Mr. Long immediately called Deputy Sheriff Oscar Johnson, who is now investigating the case. Mr. Long offers a reward of \$25 to any person giving information leading to the arrest and conviction of the thief or thieves.

This is the second time that this stand has been burglarized this year. Some weeks ago \$15 in goods were stolen. The thieves on Saturday night overlooked the cash drawer

AMERICAN LEGION TO HAVE BOOTHS UNDER THE GRANDSTAND

WILL ALSO HAVE PRIVILEGES OF SALE IN GRAND STAND

The Willard Leenhouts Post, American Legion are going to be prominent at the fair for the next four days. Through the courtesy of Secretary Arendshorst they have secured the two booths under the Grand Stand to the West of the big entry way.

Everything generally sold at a fair will be sold here and the "dough-boys" will pass through the audience in the grandstand during race meets, with crackerjack, peanuts and popcorn followed with something to wash it down.

One department will be utilized as a parcel checking room, where for a "dime, ten cents," fair visitors may get rid of their bundles and enjoy the exhibit unhampered.

M. E. HOME MISSIONARY SOCIETY RESUMES WORK

After a vacation of two months the members of the Home Missionary society of the Methodist church have resumed their regular meetings. The first meeting was held at the home of Mrs. H. W. Smith, W. 17th st. After the interesting business session the following program was rendered: piano solos by Miss Eva Clark; an exercise was given by several ladies entitled "The Workman and his tools;" reading "A child of the slums," Miss Ada Whitman; "From there (China) to here (America)," Mrs. H. Te Roller; items from advance reports entitled "Before and After," given by many of the members, Miss Ada Whitman rendered two vocal selections accompanied by Miss Eva Clark. Mrs. J. E. Lewis was in charge of the Enigmase. The pastor Rev. G. B. Flemming gave some very encouraging remarks and also conducted the devotionals. The very enjoyable evening was concluded with the serving of cream by the hostess and her assistant to the large number present.

OLD TIMER GIVES HAMILTON A PIANO FOR COMMUNITY HALL

Mr. C. R. Brownell of Morgan City, La., has been spending several days with old-time friends in Hamilton. Although it has been a good many years since he lived in Allegan county he has always been interested in the progress of the town, and during his visit at this time he presented the people of Hamilton with a fine piano for the community hall which was purchased last spring for returned soldiers.

Mr. Brownell is well known in Holland having done a great deal of lumbering in this vicinity. He is now doing some lumbering in the south where he has been for more than 20 years. The old gentleman is one of the oldest subscribers on the list of the Holland City News having taken the paper for fifty years, receiving his first issue with volume one number one, which was on the 23rd day of February, 1872. He is still taking it at Morgan City, La.

Con De Pree and son Harold, G. J. Diekema and son Willis, have just returned from an auto trip to the Northwestern Michigan resorts taking in Traverse City, Old Mission Mission and North Ojibwa.

Fine band concert in Centennial Park Thursday evening.

Sheriff Hare was called to Saugatuck last Saturday night because of the theft of two automobile tires which had been put on a Paige car. His investigations extended further than the tires and revealed that the large automobile had been brought from Chicago by Arthur Straley and Aaron Etherton. The boys were arrested and brought to the county jail charged with stealing the tires.

Piles Sufferers Find a Correction

Health Talk No. 24

By JOHN DE JONGE, D. C.

Piles or hemorrhoids are a form of rectal tumor primarily due to lack of tone in the muscles of the parts affected, and secondarily to straining. The straining may be from costiveness, or from muscular exertion.

Some forms of piles are quickly responsive but the fibrous or connective tissue piles are slow. Chiropractic spinal adjustments will remove the primary cause of piles, which is lack of tone in the parts affected. Pressure on spinal nerves in the lumbar region causes this lack of tone and when the pressure is removed the piles gradually disappear.

Suffered 20 Years Before Health Came

"I suffered twenty years from chronic stomach trouble and piles, I tried all kinds of drugs, patent medicines, and several doctors without permanent relief. In June 1919 I started chiropractic. I was relieved of my stomach trouble and the piles showed a gradual improvement until well. I have done more work in the past few months than in any similar period in six years."—J. S. Lumley, Chiropractic Research Bureau Statement No. 12661.

HOUSES CAN BE PRICED BUT HOW ABOUT HOMES?

The value of a real home can hardly be expressed in money. Old associations destroyed are not put together or replaced for a sum of gold.

It is a keen satisfaction that we find in our part of Turning Houses Into Homes -- of contributing Coziness.

That is not all that earns praise for the Holland Furnace from its 150,000 users. The letters that we are constantly receiving show that the following points are appreciated just as much:

1. Clean, circulated air to breathe.
2. Uniform warmth in the home.
3. Economy in the use of coal.

WILL OF EX-MAYOR HARRINGTON TO BE CONTESTED

The will of Edward J. Harrington of Holland, one of the early pioneers of this city, is being contested in probate court. Attorneys Wilkes of Allegan, Thomas N. Robinson and Jay Den Herder of Holland are appearing for the estate; and Attorneys Smedley, Lindsey and Shirely, are appearing for Harry H. Eagle, grandson and contestant. The estate involves some \$50,000.

The Mr. Eagle mentioned is the only son of the oldest daughter of the former mayor of this city, whose name before her marriage was Frances Harrington and who married a man by the name of Eagle some 45 years ago. Mrs. Harrington-Eagle died nearly forty years ago under the most peculiar circumstances. She was getting some dentist work done at the office of the late Dr. Gee. She asked to have an anesthetic given. Dr. Morris administered a light dose of chloform, but owing to heart affection the lady never rallied but died in the dentist chair.

It is the son of this lady who is contesting the will, he, it is said, having been cut off, receiving only ten dollars. The Eagles years ago lived at the corner of 9th street and Columbia avenue. The site is now occupied by a home erected later by Mrs. Hopkins.

The Beechwood P-T club resumed its season's activities when on Friday night it held its first meeting. The following program was given in which the school children were the chief participants. Community song service in charge of Prof. R. Evans; recitation by Addie Psyche, Leonard Eilander, Clifford Plakke and Gerald Emmineck; Victrola selection; recitation by John Schuiling; piano solo by Barbara Evans; recitation, Anna Stool. As is customary for the society at its first fall meeting new officers were elected for the year. Mrs. Rooks, who has been a former president, was again chosen to fill that office. The other newly elected officers are: 1st Vice President, J. F. Schuiling; 2nd vice president, Arthur White; secretary, Miss Dorothy Dick; treasurer, Miss Irene Van Alsburg. Following the business a short social hour was held and refreshments were served.

HOLLAND BAND TO EXCHANGE CONCERTS WITH ZEELAND

The American Legion band believes in filling its contract with the city for the ten concerts which were exacted from them by the city fathers and for which they were paid a stipulated sum.

The revival meeting early in the spring in Nellie Churchford's tent prevented the giving of one concert at the request of those who had the revival in charge.

But the boys are going to make it up by giving two concerts next week, one on Thursday night which is the big day at the fair and no doubt Centennial Park will be crowded to capacity.

Another concert will be given on Friday night unless an exchange is made with the Zeeland Band. In that case the band from our neighboring city will play in Holland and the Holland musicians will give a concert in Zeeland on that night.

This exchange of courtesies is a fine spirit and Holland will be as glad to hear the Zeeland boys play, as Zeeland will be to listen to the Holland players.

Next Thursday night a sort of a vaudevillian stunt will be pulled off in connection with the concert.

The Pedermore Bros. of Holland, who live on east 16th street have gathered together two strange instruments namely an acarinas, commonly called a "sweet potato" which is a sort of a shell formed instrument. A mouth organ also plays an important part in the performance.

These two brothers give duets on these instruments which are really creditable renditions, and the performers make a hit wherever they perform.

Anyway several of these numbers are to be on the program interspersing the many band selections.

The last concert of the year is to be held on Thursday, Sept. 22. At that time the Excelsior quartet will be added attractions.

The Red Cross has sent out most urgent appeals for women to assist in making garments for infants in the stricken districts of Europe and Asia. No call has ever been any more imperative than this one as the need is tremendous and as these babies must have warm bodies if the food and medicine they are receiving are to be of any avail. The committee in charge here in Holland is anxious to make two hundred and fifty outfits for babies and have them on the way within a month. The garments are very simple and if each woman in Holland gives only a few hours to this work, it can easily be accomplished.

TO SAVE MONEY ON PAVING 9TH STREET BY PAYING CASH

The property owners along Ninth Street will have an opportunity to save considerable money in interest charges if they wish to pay cash for the Ninth street paving instead of settling the bill in ten annual installments. It will cost the owner of a 50 foot lot approximately \$85 less if he pays cash than if he takes the installment plan.

The person who pays cash will have to pay \$4.30 per running foot for the paving along his lot, while the person who takes advantage of the ten year installment plan, in the end pays \$6 per foot. This means a saving of \$1.70 per foot, and it is expected that a number of property owners will take advantage of the plan. The difference means the amount of interest that the property owner will be paying on the amount he will owe for the improvement.

This year for the first time the council has provided the opportunity to the property owners to pay cash.

In the case of other paving jobs, the ten year installment plan has been followed as a matter of course, but in the case of Ninth street the suggestion was made that some persons might want to pay cash and thus save the interest, so it was decided to give them a chance.

The offer will be open until October 5, when the final hearing on the roll will be held. After that the bonds will be printed, and when that date has passed there will be no further opportunity to pay cash. It is further to be remembered that interest will be charged from July first up to the date of payment, but this will in each case be only a nominal sum.

All residents along Ninth street who wish to pay cash for the paving or who wish for further information about the new plan are asked to get into touch with the city clerk before October 5th.

REPORT IS MADE OF AMOUNT OF DELINQUENT TAXES

City Treasurer Geerds has made his final report of delinquent taxes, and the amount still uncollected will be spread upon the December tax roll. The amount that remained uncollected when the report was made was \$3,920.77. This compares quite favorably with last year. Although the amount is a little more than in 1920, the amount to be collected was also considerably more, so that proportionately the amount of delinquent taxes is not more. Last year the amount left uncollected was about \$3,300.

In view of the fact that nearly \$295,000 had to be collected by the city treasurer, the amount left uncollected is considered comparatively small.

What the winter tax rate for Holland will be has not yet been determined, and it cannot be stated positively until October when the board holds a meeting for the purpose of determining the rate. It seems safe to expect however that the rate this year will not be less than last year, and probably it will be a little more. This statement is based on the fact that Auditor General O. B. Fuller announced a few days ago that the rate of state tax this winter would be \$4.08 per \$1,000 valuation, which is somewhat higher than last year. Even if the county and good roads taxes are not higher than last year, the total rate would thus be increased a little. No statement can at this time be made in regard to county and good roads taxes, but it seems safe to expect that they will not be less than a year ago.

State taxes are always higher in a legislative year. The people have to foot the bill of sending their representatives to Lansing, and this year there were several sessions. Moreover the bonus bill also added considerable state expense which is reflected in the higher rate in state taxes.

The consistory and Sunday school teachers of the Third Reformed church Friday night entertained the teachers of the public schools. A most enjoyable evening was spent and the following program was given: singing led by John Vanderluis; prayer, Rev. J. M. Martin; remarks, W. J. Westveer; piano duet, Adelaide Borgman and Wilma Meyer; vocal duet, Mrs. Peter Van Ark and Willard Bloemendahl; reading W. E. Vander Hart; violin solo, Gerrit De Weerd; remarks, Rev. James M. Martin; singing; refreshments.

Clarence Goodheart of Kalamazoo is the third man to be arrested on a charge of having picked Marie Stewart's pocket while the girl was out last Friday evening with Clifford Wilson of Chicago on a stroll along the sidewalks. Wilson pleaded guilty and was sentenced to 12 days in the county jail. He, however, named John McCarty of Kalamazoo and McCarty after being brought to Allegan implicated Goodheart as a third member of the gang. McCarty and Goodheart are in custody awaiting hearings.

BIG DEMONSTRATION FOR DISARMAMENT IS HELD HERE

An audience of about 200 gathered Friday afternoon in Centennial Park to listen to the disarmament addresses. After community singing led by John Vandersluis, prayer by Dr. E. J. Blekkink, a brief introductory talk by Mrs. G. E. Kollen, and an address of welcome by G. J. Diekema, the first speaker, Mrs. W. W. Whittemore was introduced by Mrs. Kollen. Mrs. Whittemore declared that never before had there been a greater victory for public opinion than when President Harding was induced by the pressure of the nation's wishes to call the disarmament meeting. A year ago, she said, such a meeting was unthinkable, and as late as last February, an effort of the New York Sun to get the subject adequately discussed, ended in failure. But Senator Borah kept up the agitation, and the women of the nation backed him up and that finally won. She said her party and other women like those in the party were not pacifists, not even idealists, but hardheaded women who are working for a realizable ideal.

The second speaker was Mrs. W. A. Atchinson of Detroit. She called attention to the fact that 93 per cent of the American dollar is spent for war and the preparations for war. She called upon the people present to watch the records and the acts of all persons named on the disarmament committee, to keep in touch with Congressman Mapes on the subject, and to make their influence felt to make the conference a success. She declared that a woman like Jane Addams was as competent to sit on the conference committee as any man alive. "They promised us that the world war would be a war to end war," she said, "and if this is not lived up to we shall sue them for

breach of promise." She declared that strong forces were working for the continuance of armaments and she made a plea that all people get informed on the issues of the situation.

The last speaker, Mrs. Alvah Fulcher, Detroit, made an eloquent appeal. Whereas the other two addresses were for the most part informative, Mrs. Fulcher's talk was largely inspirational, and she deeply stirred her audience. She came out with the flat statement that she believed war could be abolished and said that the real cost of war was not measured in dollars and cents but in the human values of blood and suffering.

Mrs. Kollen, as chairman, gave a few moments to Rev. Jasphe Hughes of Jenison Park, who at his own request spoke briefly in regard to a plan which he said he had suggested to Secretary Hughes that President Harding declare Armistice day this year the National Thanksgiving day. He suggested that on Armistice day all schools be closed, all churches opened, that courts be closed and all business suspended, and that a big demonstration for world disarmament be made with the ringing of bells, making of speeches, and so on. The audience, at the request of the chairman, took a vote on this matter and unanimously decided that Armistice Day in Holland should be a day of popular demonstration.

A resolution was then passed urging that women be included in the American delegation at the conference. The resolution also urged that the conference proceed on a system of "open covenants, openly arrived at;" that the persons who represent the United States all believe disarmament possible; and that the primary purpose of the conference be not lost in a discussion of the far eastern question and other issues.

Among the teachers found in the list of the Allegan school is Miss Elda Van Putten who is instructor in French and English and Amelia Sywassink, teacher in Latin.

Mr. and Mrs. Albert Oelen and children Adelaide and Emerson, and Mr. and Mrs. E. J. Belt and daughter Vivian have returned from a visit with Dr. and Mrs. J. E. Hartgerink of Oak Park, Ill.

Miss Norma Kardux was operated on at Holland Hospital for acute appendicitis, Drs. Winter, Kools and Thomas performing the operation. Her condition is favorable.

Hope's football schedule has been announced by Coach Schouten. The opening game will be staged in Holland. The schedule is: Oct. 8, Hillsdale, here; Oct. 15, Alma there; Oct. 22, Junior college at Grand Rapids; Oct. 29, Ferris institute, here; Nov. 5, Kalamazoo Normals, there; Nov. 12, Mt. Pleasant, there; Nov. 19, open.

MEETING OF W. C. U.

RESUMED ON FRIDAY
V. C. T. U. resumed their meetings Friday afternoon at the home of Mrs. Lettinga. The devotions were in charge of Mrs. Welmers while Miss Cornelia Nettinga sang very sweetly "Cloud Shadows" by Kathryn Pyle. Rev. Nettinga in a masterly manner handled the subject "Our School's Mold our Future, for Weal or Woe." The Union in a body attended the disarmament meeting after which tea and cake were served by Mesdames Zwemer, Zuidewind, Hofsteen, Van Eyck and Vande Woude. Sept. 23, the Union will meet at the home of Mrs. Pessink, subject, "Patriotism in Action."

CARPENTER IS SERIOUSLY HURT; STEPS FROM ROOF

William Mulder, a local carpenter in the employ of Contractor Abel smenge, stepped from the top of a porch into space, falling a distance of 12 feet to the ground below.

The man landed on his back and it is said that his spine is severely injured if not fractured. He also suffered some scalp wounds which may prove dangerous.

Mulder was working on a house that is being erected on the corner of College avenue and 9th street and as he was walking along a second story porch, he in some way misjudged the width of it and walked off falling below.

Several physicians in the city were called and gave the man a thorough examination. The man was taken to his home where Dr. Winter made another examination and found Mulder still in a critical condition.

LOCAL POLICE GATHER IN ALLEGED AUTO THIEVES

Officers Bontekoe and Barnes picked up two young fellows Thursday named Carl J. Hinks and John Hinkma, who were in Holland with a large Chandler car. What directed the suspicion of the officers was the fact that the two men were attempting to tamper with the gasoline tank of another car, as they had no gas left in the machine which they were driving. The young chaps were "seedy looking" and could hardly be expected to run a car of that sort, and furthermore they could not give a good account of themselves.

They only had 40 cents between them and when questioned told the officers that they had purchased the car in Muskegon and were on their way to Denver, Colo.

Saturday morning they changed their story when quizzed by Chief Van Ry and stated that they had bought the car in Grand Rapids. They could not however give the name of the man they purchased it from or his address, nor could they show any papers indicating that they had purchased the car.

Chief Van Ry immediately looked up the state guide book where licenses are recorded and found that the car originally belonged to E. T. Buchanan, 26 Ann street, Grand Rapids. He immediately phoned Chief Carroll of that city who reported that the Buchanan car was reported stolen on Friday evening.

Two Kent county sheriff's officers are coming to Holland and the two young men will be taken back to Grand Rapids to answer the charge of auto stealing.

The two men were first noticed in Holland at Sam Miller's restaurant where they attempted to beg 15c. The arrest of last night was the first arrest in which the new patrolman, Mr. Barnes, took part.

Prof. and Mrs. Paul Visscher are spending a week or two with Mr. Visscher's parents, Mr. and Mrs. J. W. Visscher.

Mrs. Howard Tuttle of Holland and daughter Edna spent the weekend with Mr. and Mrs. Snyder of Allendale.

NEW

PRICES

These latest prices simply emphasize Oldsmobile's fixed policy to keep prices well in advance of present markets.

That these values have already been appreciated as exceptional is proven by Oldsmobile's standing among the first half dozen producers of the year.

Now through public demand

for Oldsmobile products, and a further retrenchment of manufacturing costs, we are enabled to offer these amazingly low prices.

We have based these prices not so much on present costs as on the firm conviction that increased demand will more than justify this step as sound, farsighted business policy.

The Great Community Fair

For OTTAWA and ALLEGAN COUNTIES

HELD AT

HOLLAND, MICH., SEPT. 13, 14, 15, 16

Is attracting widespread attention. In the first place there will be more entries this year than ever before, for the reason that no entry fee will be charged and in many instances the premiums on winning entries have been raised considerably.

In the second place the race horse program is going to be a winner this year and these always please the crowd. A race program every day. There will be free attractions until you can't rest. Here you have a partial list of these marvelous attractions, the best obtainable:

Fishers' Famous Orchestra of nine pieces.

Breakaway Barlows Acrobats and funny men.

Bobker Ben Ali Arabs, six stalwart sons from the great desert of Sahara.

James E. Hardy world's famous aerial artist.

Lil Kerslake, "The Farmer and His Pigs", the best exhibit ever staged at the Holland Fair.

There will be three good bands, a "Midway" and all the attractions that generally exhibit at these fairs. This year THE COMMUNITY FAIR will excell in all departments. Every one seems to be taking a decided interest in the exhibition this year and even at this early date hundreds of entries are being sent in to the Secretary. Boost for Holland's, Zeeland's, Saugatuck's, Hamilton's, Grand Haven's Fair. It is the Fair that belongs to the people of Allegan and Ottawa Counties. It is your Fair—boost your own game.

Just A Few of the Special Free Attractions

The Famous Fisher's Orchestra has again been engaged to furnish us with Music at the Fair.

Lil Kerslake -- "The Farmer and his Pigs"

One of the many free Acts which we will have at the Fair this year. An endless number of Stage Tricks by "Common Barnyard Pigs." This attraction is worth the price of admission. Do not fail to see him perform.

LOCALS

Mr. and Mrs. George W. Hoffman, of Crescent avenue, Buffalo, N. Y., announce the engagement of their daughter, Dorothy Elynore to Louis A. La Belle of Kensington avenue.—Buffalo Express.

Miss Dorothy Hoffman is a niece of Mr. and Mrs. Jas. W. Himebaugh, former managers of the Strand theater, now living on W. Twelfth street, and has spent several summers here as their guest. Miss Hoffman has many friends here to whom this comes as a pleasant surprise.

Jacob Vander Wagon, Carl Lindgren and Charles Schroeder have organized the Natural Ice Co. at Grand Haven and will engage in supplying Grand Haven and Spring Lake next season. The new ice house will be located at Ferrysburg and will be 70x126 feet and will hold 6000 tons of ice.

Horace A. Fenner of Kalamazoo spent Monday night with his parents Mr. and Mrs. T. Fenner of Allegan. He left for St. Louis Tuesday to join the Chicago White Sox baseball team, who have purchased him from the Kalamazoo Central league team for \$3,500. Mr. Fenner had the highest average of this season's Central league players.—Allegan Gazette.

On petition of the sugar companies of the state, including the Holland and St. Louis Co., the Michigan Public Utilities Commission has set a hearing on Oct. 7, when the question of steam and electric railway rates on sugar beets will be discussed. The sugar companies in their petition, assert that present rates are unreasonable, unjustly discriminating, exorbitant and illegal.

The first meeting of the Forward Movement Club was held Friday evening at the home of H. VanderWarf and the following officers were elected: president, H. Vander Warf; vice president, J. Oosterbaan; sec'y, J. S. Browner; treasurer, Ray Light-hart. The next regular meeting will be held Sept. 23 at the home of H. Kammeraad, 322 W. 12th street.

It's all right. You can go ahead and make all the wine you need for family use up to 200 gallons a year. The treasury department has so ruled, and what is more important, Collector of Internal Revenue John A. Grogan has given the ruling his o. k. All that a person has to do is to fill out a written form informing the collector that he is about to make some wine, and guaranteeing that he will not exceed the quantity limit, and to have this filed five days before commencing operations.

It cost the city of Allegan \$75 to have all the hose couplings and fire hydrants recut to conform with the standard adopted by the Michigan inspection bureau. It is the intention to eventually have all firefighting equipment in the United States standardized. Holland's fire fighting equipment has long ago been placed upon a standardization basis.

The east side of the city was thrown into darkness at 8 o'clock Sunday evening for the reason that the mechanism had burned out of a street lamp located on 22nd street and Central avenue. The wires are so connected that when this lamp was put out of commission the other lamps in one half of the city went dark.

Pof. John C. Hoekje of Holland, registrar of Western State Normal college, has been tendered the position of inspector of Michigan's private and parochial schools by T. E. Johnson state superintendent of public instruction. The matter has been taken under advisement by Professor Hoekje.

E. J. Everett of Grand Rapids passed through Holland a few days ago after having finished his summer duties as a policeman at South Haven. For 17 years Everett has filled that position at the summer resort there and in the fall he returns to the Michigan Soldiers' home where he remains until the next resort season.

The convention held at Manistee of the Michigan State Conference of Masons, Bricklayers and Plasters closed after picking Holland as the next meeting place. Robert Wade of Detroit was elected president and Ray Irwin of Grand Rapids secretary-treasurer.

Mr. and Mrs. Bert Habing motored to Toledo, Ohio, Saturday. They were accompanied by Miss Gertrude Habing and Miss Audery Hoover who will teach there this year. The Habings will be gone for a week.

F. J. Comstock jr., died at Hackley hospital in Muskegon Saturday night. Comstock was a student of civil engineering at M. A. C. of the class of 1923. He was the eldest son of Mrs. Gertrude Comstock of Coopersville.

A Detroit bonding company this week bought about \$118,000 worth of Allegan county road bonds, the money to be used on highway between the townships of Laketown and Fillmore and in Hopkins township on the road extending westward from Wayland village.

Mrs. F. L. LaCaff and daughters returned Friday after spending three months in Colorado. Mr. LaCaff is spending his vacation with his parents in Missouri.

Four "Weary Willies" got into a fight at Waverly Friday night and one of them was set upon by three other men who beat him up with an iron coupling pin. The man sustained three broken fingers, a sprained wrist. Dr. Thomas was called upon to take care of the injured man. It is said that some of the party were drinking heavily.

Mr. and Mrs. Bernie Mulder returned Friday evening from Lakeview, S. D., where Mr. Mulder filed a summer charge in the Reformed church.

There will be no meeting of the Exchange club Wednesday, Sept. 14, on account of its being fair week. The meeting will be postponed until Sept. 21.

The ball game between the Hamilton boys and the "Warm Friends" of Holland resulted in a victory for Hamilton, the score being 3 to 2.—Allegan Gazette.

The grape crop in Michigan is proving a profitable crop, selling at \$110 a ton. Ottawa county's grape district is around Grand Haven and Spring Lake.

A flood of bonus checks have been coming into Grand Haven the last few days and it is estimated that the amount paid over the counters at the Grand Haven banks on presentation of state checks, amounted to more than \$25,000.00 up to last Friday night.

William Sakkers and John Israels have arrived at Yellowstone National Park where they will visit for some time.

George Gort of Drenthe fell off a wagon on Labor day and fractured his forearm.

Several families at Diamond Springs, Allegan county, have made application to Classis Zeeland of the Christian Reformed church that they be permitted to enter this classis as a church. The application was granted and the organization will be completed in a week or two.

Although it is already September 13, bathing in Lake Michigan is going on about the same as it did in July. Bathing parties for evening bathing start out earlier for the reason that the evenings are getting shorter, than the one hour chopped off because of the change in time, leaves little daylight remaining after the supper hour.

Trials never come single handed. George Huntley was suddenly taken with appendicitis Thursday night and he was quickly conveyed to Holland hospital where Drs. Winter and Tappan performed the operation. Mrs. P. F. Boone a sister, was taken to Battle Creek sanitarium for a needed rest after giving a daughter, Miss Frieda Boone, who was also operated on for appendicitis, weeks of attention.

A most pleasant surprise party was pulled off by a nos' of friends of Mr. and Mrs. James Schuurman. The event was in honor of Mrs. Schuurman's birthday, which was also her wedding anniversary. The evening was spent in playing games. A dainty three course lunch was served. The guests departed at a late hour leaving Mrs. Schuurman a beautiful remembrance of the occasion.

Twelve lots in the Weeks addition to the city of Allegan have been purchased by W. E. Schmitz for the Allegan Casket Co. and work will be begun at once for the erection of a new casket factory on this site. The company was organized last fall has filed articles of incorporation at Lansing with a capital of \$25000 of which \$10,000 is to be paid in on preferred stock and \$15000 on common.

Richard Van Kolken of the Holland postoffice, who is attending the annual national convention of post-office clerks held at Charleston, W. Va., was elected a member of the advisory board of the association. As this organization is nationwide the Holland man has surely received signal honors at the hands of the delegates of that convention. The next convention is to be held at Buffalo, N. Y.

Direct steamboat service between Chicago and Saugatuck next season is among the possibilities if a suitable boat can be secured at a reasonable price. The project is backed by very prominent steamboat men.

Mr. and Mrs. Floyd Flanders are receiving congratulations on their marriage which was solemnized at Biggar, Ark. Five years ago Flanders discovered the name of Miss Zella B. Hatley on a strawberry box and the name looked so good to him that he wooed her by mail. They were married a few days ago at Biggers and now are spending their honeymoon at Fennville.

Charles Marsh of Lansing spent the week end with Mr. and Mrs. F. Dyke, 78 West 15th st. Mrs. Marsh and son have been visiting here the past week.

Mrs. Frank Pagle left for Big Rapids Friday after spending six weeks with Mr. and Mrs. Wm. Zietlow.

Misses Hattie and Ruth Lanning were Grand Rapids visitors Saturday.

Kirslake and his pigs have arrived at the Holland fair and believe us they are some pigs. They can do almost everything but talk.

Mr. and Mrs. A. M. Galentine and family spent Sunday near Greenville with their parents, Mr. and Mrs. Wm. Sanders.

The banks of Holland will be closed on Wednesday at 12 o'clock for the balance of the day on account of Holland day at the fair.

Mr. and Mrs. Lawrence Lemmen and Junior, are spending their vacation at the home of their parents, Mr. and Mrs. Benj. J. Lemmen.

REAL "SKY-PILOTING" IS ADVOCATED BY REV. S. M. ZWEMER

It is the ideal of Rev. Samuel M. Zwemer of Holland and Cairo, Egypt that missionaries should be equipped with airplanes and in that way to some extent do some real sky-piloting. Mr. Zwemer thinks that the field could be more easily and more rapidly covered with a plane. Bad roads could in that way be avoided and districts practically isolated could be reached more easily.

Says Mr. Zwemer: "With an airplane the missions of the near east could be so closely related in case of any emergency that united action would be possible and the carrying of important dispatches and relief funds for isolated workers would be an every day possibility. The natives already are familiar with the flight of airplanes and are no longer afraid or timid before these messengers from the vault of heaven. The war in this respect also revolutionized their ideas."

YOUNG LAD OF SIX RUN OVER BY AUTO TRUCK

At 11:30 Monday morning a serious accident took place on the corner of Central avenue and 16th St. Clarence Bouwman, six year old son of Mr. and Mrs. Frank Bouwman, 54 W. 29th street, was struck by the pavement by a truck driven by Peter Weller, of the Weller Nursery.

The little lad who is a pupil at the Christian School, had just been drinking at the fountain on the corner and was walking diagonally across the street going south, when the truck came from the north and suddenly turned west on 16th street. The boy apparently did not notice the truck approaching and the machine struck the little fellow to the pavement.

The little chap was hurriedly taken to Holland hospital where Drs. Fisher and Westrate gave him a thorough examination and it is feared that the skull is crushed at the base of the brain.

Witnesses state that Mr. Weller was running his truck at a very moderate rate of speed.

BOAT AND TRAIN CHANGES ANNOUNCED BY CARRIERS

Tri-weekly boats between Holland and Chicago will be operated by the Graham and Morton Co. beginning Monday, Sept. 12. The other sailing days will be Tuesday and Thursday of each week. Returning the boats will leave Chicago Monday, Wednesday and Friday. A special boat train will run on the Michigan railway, leaving Grand Rapids Tuesday at 8 p. m. city time.

The Michigan Railway company announces it will discontinue 5:30 and 10 a. m. local trains. A suburban train to Jenison will substitute for the 7 p. m. limited.—G. R. Herald.

PUBLIC PLEASED WITH METHODS OF WILLITE COMPANY

The Ninth street paving job is nearing completion and the indications now are that the work will be completed on or before the date specified by the local manager some time ago, namely September 15. The stretch west of River avenue is far advanced and the street is already almost as good as completed.

There is of course a stretch east of Lincoln avenue, but that was not included in the original contract. In fact the contract for that was not let to the Willite people until Wednesday evening of last week. But that job also is not expected to take long, and then Ninth street will be one of the best paved streets in the city, so far at least as appearance go.

The paving of Ninth street has aroused more than the usual attention by reason of the fact that Willite is an experiment here. But more than that, the company's representatives have shown a high degree of intelligence in dealing with the city government not only but in dealing with the general public, and this has caused a very favorable reaction in the public. The company's representatives have taken pains to satisfy the very natural curiosity of citizens in regard to the methods of the work, and they have taken unusual pains to do all that could possibly be done to make the job provide labor for local laboring men and business for local business men. Another factor that has created a favorable impression is that each block was thrown open to the public as it was completed, so that thousands of autos passed over one block while the one right next to it was being surfaced.

The city is now waiting to see how Willite will wear. If it wears as well as it looks, the chances are that many more streets will in the future be paved with that material.

Getting The Depositors' Goat

"Goat Getting" is the way some of the Grand Rapids newspapers call the long delay surrounding the partial payment making to depositors of moneys entrusted to some private banking institutions, whose affairs are being wound up.

During our thirty years of banking which had its periods of good, medium and bad times, not a customer has ever been made the goat at this bank.

This institution is under the supervision of the State government and its affairs are subject to daily or hourly inspection. These regulations do not apply to private banks.

The First State Bank however is responsible to the State of Michigan for any discrepancy and we are proud to state that in these thirty years it has not been called upon to rectify a single one of its business transactions.

BIG MONSTER IS SEEN ON THE ROAD BY MOTORISTS

A strange-mystery monster is beginning to terrorize the district south of Grand Haven along the West Michigan Pike. The strange animal or reptile or insect or whatever it may be is reported to have been seen by several parties and always about in the same location near the West Michigan Pike. Hunters are becoming interested in the persistent story and are wondering if the mystery monster which it is declared, really exists, had settled itself down for a permanent stay in a lair along the pike. If the thing is seen many more times it is not unlikely that some of the local sportsmen may go gunning for it. In that case it may be well to advertise the fact in order that farmers in that vicinity may get their horses and cows and dogs out of the way before the expedition.

Among those who are reported to have seen the monster are Mrs. Potifer and her son Henry, who were driving along the pike Sunday and caught sight of the strange object, near the school house just beyond the southern limits of Grand Haven. The Potifers are Chicago people who have recently moved from that city and are occupying the place formerly owned by August Albrecht in Grand Haven. They were driving on the road when the monster suddenly came into view according to the story.

According to all reports the animal resembled a large alligator. It was about six feet long with a long snout and ran along on four legs covering the distance along the ground rapidly. There is no explanation for the presence of a tropical reptile like an alligator in this part of the United States.

The thing may have escaped from a zoo or a circus and taken up its abode in that neighborhood, where there is considerable low land and a number of ditches. The hot summer made this seem like the tropics, and the reptile may have been able to live. At present, however, the monster is a mystery and may remain as such.

HOLLAND PLAYERS MAKING A RECORD

The Sporting News in an article in regard to Niel Ball, former Holland baseball star, declares that that veteran is still on top in spite of the fact that he is one of the oldest players in the game. After 19 years of service on the diamond, according to the article, Niel Ball's batting eye is still undimmed and he leads all his teammates on the New Haven team in the Eastern League during the past season. He hit around the 300 mark this season and his fielding has been practically faultless. Recently in a game with Waterbury, Ball secured the only hit off Kahn, after two men were down in the ninth inning.

John Laven, another former Holland star, is also making a record this season with the St. Louis Cardinals. The Cardinals have won 20 out of the last 23 games played and have jumped from seventh to third place, threatening the lead of New York and Pittsburgh. And Laven has done his full share to help bring about this result. In Tuesday's double header with Chicago he contributed the winning run in the first game and helped to bring in another run in the second game by timely hitting.

Band Concert Thursday night at Centennial park.

ORGAN GRINDER AND MONK AGAIN VISIT IN HOLLAND

It has been some time since Holland has seen the Italian grind organ man and his educated monkey. People thought possibly that the monkey together with the dancing bear, had long been discarded as amusement makers for the children, and money makers for the "Wops." Thursday the hand organ man and an unusually smart monkey did stunts on the back streets and judging from the number of pennies that the "ring tail" Mr. Italian was well loaded with change by night time. The little animal from the jungles was made to smoke a pipe, catch a ball, stand on its head, catch pennies in the air and do numerous other stunts that were really interesting. Holland has not seen a hand organ man and a monk for at least ten years.

The classis of Michigan of the Reformed church will meet this year in the Bethel Reformed church of Grand Rapids. The address of the meeting will be delivered by Rev. J. M. Martin, pastor of the Third Reformed church of this city, his subject being, "The Precious Blood of Christ."

HOPE STUDENT WINS SWIMMING MEDALS

Feng Chang Wu of Amoy, China, who is studying at Hope College, is swimming champion of the annual Chinese Student Alliance conference held at the University of Indiana, September 1 to 8.

Mr. Wu arrived Friday morning from Lafayette, Ind., with a collection of gold and silver medals. He won three firsts in the swimming events, being awarded gold medals for the 100 yards free style, 20 yard back stroke, and half mile free style swims. With a total of fifteen points, he was awarded the swimming championship of the meet.

In the track events Mr. Wu captured two seconds in the 880 yard run, and the mile grind. Besides these, he won third in the pole vault. Several hundred Chinese students were entered, among them several celebrated swimmers from Honolulu, Hawaii.

Born to Mr. and Mrs. W. J. Stronks of 17 W 14th St., a boy.

TELLS ROTARIANS OF TRIP TO EUROPE

Rev. Benj. J. Bush, of Lexington, Ky., was the speaker at the regular meeting of the Rotary Club Thursday noon. Rev. Bush has just returned from Europe where he attended the World Rotary convention at Edinburgh, Scotland, as the delegate of the state of Kentucky. He also spent a month or two traveling in Europe, and he told the Rotarians about that trip.

He expressed the desire that the North and the South of the United States might be knit more closely together through the Rotary Club organizations and he pointed out that some of the greatest men America has produced were either southerners or of southern descent. As examples

of such men he instanced Washington, Hamilton, Jefferson, Lincoln, Roosevelt, Wilson and Lee.

GRAHAM & MORTON CO. PULLS OFF ONE OF ITS STEAMBOATS

Last week ended Holland's daily boat service to Chicago. The "City of Benton Harbor" entered this port Saturday morning for the last time this season, and Sunday morning it sailed for St. Joe where it will be laid up.

Mr. Johnson, local agent, states that this railroad squabble over the rates has given the boat line freight rates a black eye, and he stated that but for this fact the daily service between here and Chicago would have been kept up for a considerable time yet.

Said Mr. Johnson, "All of our freight from Grand Rapids and the east is now delayed 24 hours. On Tuesday night eight cars were held over for the reason that these cars now arrive at 8 o'clock when the boat leaves, instead of 5 o'clock as formerly, and while there is no time to unload this amount of freight, the consequence is, that this freight must lay over and wait on the docks until the next boat leaves on the following night. Wednesday and Thursday night about the same amount of freight was left on the docks and the service is not what this company is used to and what it wishes to give. For that reason we have decided to take off one of the boats, leaving the "City of Grand Rapids" to make the tri-weekly trips until the season closes. We are all sorry that this disagreement between the city of

Holland and the Interurban has taken place, and hope that all differences may be amicably settled."

Mr. Johnson stated further that the city of Grand Rapids for the balance of the season would leave Holland on Sundays, Tuesdays and on Thursday nights at the time namely 8 o'clock p. m. returning to Holland from Chicago on Monday's, Wednesday's and Fridays.

The stipulations provided in the franchise being enforced by order of the mayor and common council, are that no freight cars can be run over Holland's streets between the hours of 7 in the morning and 8 o'clock at night. Of course this does not include express or baggage cars, or cars carrying perishable goods and package freight. This class of freight may be pulled through the city at any time of the day or night.

WAS LAST CHARTER MEMBER OF THE ZEELAND CHURCH

Mrs. Talligje Scholten of Zeeland widow of the late Jan. Scholten, died at the home of her son, Tamme Scholten, at the age of 85 years. Funeral services were held from the home and from the First Chr. Ref. church of Zeeland. Mrs. Scholten was one of the early pioneer settlers of Zeeland and came to America from the Netherlands in 1848, coming directly to Zeeland. She was a daughter of the original settler Tamme Vanden Bosch.

Before the death of Mr. Scholten about ten years ago, Mr. and Mrs. Scholten were the only surviving charter members of the First Chr. Ref. church of Zeeland and this death has now taken the last.

Mrs. Scholten was the mother of a very large family and leaves about 132 direct descendants. She is survived by 11 children, 55 grandchildren and 67 great-grandchildren.

FORD

THE UNIVERSAL CAR

September 2, 1921

ANNOUNCEMENT

Mr. Edsel B. Ford, President of the Ford Motor Company, makes the following announcement:

"We are making another reduction in prices of Ford Cars and the Ford Truck. The new prices average \$70 under former prices, and are the lowest at which Ford Cars and Trucks have ever been sold. New prices, F. O. B. Holland, Zeeland, Byron Center, are now as follows:

| | New Price | Old Price | | New Price | Old Price |
|-------------|-----------|-----------|-------|-----------|-----------|
| Chassis | \$433.08 | \$485.25 | Truck | \$483.00 | \$534.35 |
| Runabout | 464.33 | 511.28 | Coupe | 646.54 | 750.78 |
| Touring Car | 495.56 | 558.14 | Sedan | 714.23 | 818.45 |

"This is the third price cut during the past twelve months. On September 22, 1920, the price of the Ford Touring Car was reduced from \$575 to \$440; June 7 to \$415, and now to \$355, making total reductions in this type of \$220, or 38 per cent. The same proportionate reductions have been made in all other types. One year ago the price of the Ford Sedan was \$975; to-day it lists at \$660 with the same equipment.

"We are taking advantage of every known economy in the manufacture of our products in order that we may give them to the public at the lowest possible price, and by doing that we feel that we are doing the one big thing that will help this country into more prosperous times. People are interested in prices, and are buying when prices are right.

Go over these prices. See how little it cost to become the owner of a Ford Car or a Ford Truck. Can you really afford to do without one any longer?

Let us tell you more about it, and advise you regarding the delivery of the particular type of car in which you are interested.

MACATAWA COAST GUARD HAS HAD BUSY SUMMER

In harmony with the government's policy of retrenchment, many of the coast guard crews along the lake shore have been reduced in size, and in some places, like Pentwater for instance, the coast guard station has been abandoned. The Macatawa crew has been reduced from eight men and the keeper to seven men and the keeper. Macatawa now has a full crew. The station has been maintained for some time with some members of the crew short, due to the war and other conditions, but the crew is now complete, with seven enlisted men, besides Captain Van Weelden.

While the coast guard has been very busy this season there have been so serious accidents. The only drowning in the natural territory of the Macatawa coast guard was that of a sailor off the U. S. Gunboat "Hawk" early in the season. The crew has been called to Saugatuck and Holland several times during the season in drowning cases, and help has been given in a number of accidents of a minor nature.

The new power boat that was brought from South Baltimore all the way by water to Macatawa has fully proved its worth many times when launches became stalled out in the lake, and in each case it did very good service. The coast guard crew is able to get to the scene of an accident quickly and in this way serious results are often averted.

There has been little or no trouble with sand bars either out in the lake or in the channel this summer. There have been no heavy blows, which invariably pile up the sand. The broken pier has given navigation no trouble. A buoy has been placed in the channel to show where shallow water begins, but there is plenty of room for vessels to pass. Some repairs have been made on the south breakwater and it is expected that the north pier will be repaired next spring.

BONUS BRINGS HUSBANDS "TO LIFE" FOR DESERTED WIVES

The Michigan state bonus plan is the means of "bringing to life" a number of service men who have been erroneously reported as killed. Until they heard of the possibility of getting compensation for their army service, these men had not taken the trouble to correct the impression that they were dead according to American Legion officers. A number of such men who had wives seeking them have asked that they remain technically among the departed after payment of the bonus, it is said. One man, sought by his wife and who had been working in the Canadian woods since being reported killed, called at the welfare branch of the American Legion and asked that he be placed on the bonus list, but that his wife be kept in ignorance of his visit.

Wives, unable to locate missing husbands through other channels, have chosen the bonus contingency and the legion welfare branch as avenues of relief. Women in considerable numbers are calling at the welfare office in the hope that, in connection with the bonus claims, their husbands will come to the surface. The women have been informed that they can't attach any portion of a missing husband's bonus and that the adjutant general's office has no authority in desertion cases. In consequence, the women are content with information, wherever possible, concerning the whereabouts of lost husbands, and have expressed their intention to place the information with civil authorities for action on grounds of desertion.

The Holland classis in the Christian Reformed denomination has elected as its officers: Stated Clerk, Rev. Bruinooga of South Olive; treasurer, John G. Rutgers of Holland; representative emeritus fund, Rev. J. C. Schaap of Holland; member of Tohatchi mission committee, Rev. B. H. Einink of Holland; church visitation, Rev. A. Keizer of Harderwyk, Rev. H. Keegstra of Holland.

Mr. and Mrs. F. B. Dalman announce the engagement of their daughter Bernice to Mr. Henry Cook of Zeeland. The marriage will take place the latter part of the month.

Mr. and Mrs. George E. Hunt and daughter Mary of Ann Arbor are resorting at the Lakeside Inn.

City attorney McBride has filed with the Michigan Public Utilities Company a demand for a lower gas rate. In his brief the city attorney contends that the price paid for labor, the price paid for coal and other materials that enter into the making of gas have materially increased since the Holland rate was established by the commission a year ago, and for that reason he asks the state body to readjust the rates on the basis of present prices of the commodities that have to do with gas making.

Fine New Church Is Being Erected On Lincoln Avenue

This fine new church building is being erected now on Lincoln Avenue. It is the edifice of the Sixth Reformed church, which is expected to be completed by December 15th. It is being erected at a cost of \$21,000.

The small cut shows the building in which the congregation has been worshipping for the past two years. It is on the foundation of the old building that the new structure is being erected.

LOCALS

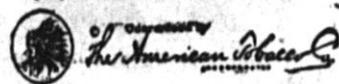

The Woman's Relief Corps will hold their regular meeting Wednesday afternoon. All members are requested to be present.
Miss Stasia Wehren and Miss Gladys Orr of Grand Rapids spent the week end with Mr. and Mrs. W. H. Orr.

Do you know you can roll 50 good cigarettes for 10cts from one bag of

GENUINE BULL DURHAM TOBACCO

"We want you to have the best paper for 'BULL.' So now you can receive with each package a book of 24 leaves of BULL—the very finest cigarette paper in the world."

The city hall will be closed at noon tomorrow, Holland Day, in order that the officials may enjoy the fair, the same as other citizens.

The Holland City News comes out on Tuesday instead of Thursday in order that a last boost may be given the county fair in which two counties are interested.

A majority of the business places in Holland, including the banks will be closed tomorrow because of Holland day at the fair.

John J. Cappon and Attorney Daniel en Cate left for Ottawa, Ohio, where they are attending a directors' meeting of the Ohio Sugar Co.

There will be no American Legion meeting this week because of the fair and the date regularly set for the meeting was given over for a district delegates meeting at Grand Rapids.

BABY CLINIC AND CHILD DEMONSTRATION TO BE BIG FEATURE

A baby clinic and children's demonstration tent will be one of the most important features of the Holland fair this year, and the attention of the mothers is especially invited to this matter. While the clinic and demonstration is for all mothers, those of the city as well as those from the country, the Civic Health Committee of the W. L. C. in charge of this work, is especially anxious to get the message to the farm mothers. Such mothers are asked to bring their babies to the tent, where they will be given a careful exam-

ination free of charge by a competent physician. Older children up to 12 years of age are also welcomed. These will be weighed on an official scale, with a view of determining if they are as fat as children of their age have a right to be. If not, advice will be given in regard to their treatment. Underweight is often due to some unsuspected ailment, and this is the place to find out.

The clinic will be conducted in connection with the rest room, and Miss Kaartge, city nurse, will be in charge of the work. She will be assisted each afternoon by a local physician. Three doctors, Dr. Tappan and Drs. Thomas and Leenhouts have already volunteered their services, and others are expected to do so. The nurse and physician will be at the tent each afternoon from one o'clock on, on Wednesday, Thursday and Friday afternoons.

Mrs. A. Leenhouts is chairman of the Civic Health committee of the Woman's Literary club, and it is this committee that organized the clinic and will have general charge. Some of the members of the committee will also be on hand each day of the fair to help take care of the children that are brought to the tent and to keep the clinic in smooth order.

CLOAKS and SUITS

For FALL and WINTER.

Our new beautiful line, now on display, introducing the newest ideas for the coming season in a number of beautiful new materials and latest colors including the splendid Printzess garments.

If you were an expert tailor and making a garment for yourself you could not give closer attention to the fit, more watchfulness to the stitching, more care in designing than the makers of our coats and suits do. Every operation from the first inspection of the workers to the packing and shipping of the finished garment is watched over by keen eyed inspectors, than wait, turn, take up the burden of seeing that you are satisfied.

Certainly, garments so carefully watched, so patiently inspected are worthy of your consideration, especially when their prices are as low as the ordinary. Come any time and have a try-on, to prove the fit, style and quality.
