## Local Banker Discusses The Constitution

GROUND LAW OF NATION LIKE  
A LARGE DRYDOCK RISING  
AND SETTING WITH TIDE

The Holland Exchange Club held its usual bi-weekly meeting last Wednesday noon at the Warm Friend Tavern. There was a very large attendance, more than 70 being present. President Paul E. Hinkamp presided and introduced Wynand Wichers as the speaker who gave one of his usual interesting and instructive addresses, this time on the American Constitution. As all the Exchange Clubs in our country had been asked to observe National Constitution Day Sept. 17, the Holland Club gladly joined in and the Program Committee immediately thought of securing Mr. Wichers as the speaker. As it was on a Wednesday 143 years ago that our Constitution was ratified, this topic and speaker were specially happy and fitting.

Mr. Wichers discussed his subject under the headings of the origin, genius, and challenge of the Constitution. It was framed in a time when the feeling was high as to slavery, with the southern states opposing restriction of slave trade and the northern favoring it, when there was the dread on the part of the small states of being subjected to or swallowed up by the larger, and where there was the bitter hatred of all autocratic and monarchial governments. He showed how splendidly these framers of our Constitution compromised on these matters so that our system of government has become a model for the world. While in many other countries one constitution after the other has been changed or entirely overthrown, ours remains unchanged except for the 19 amendments. These latter do not fundamentally change the Constitution but are readjustments in response to popular will. The speaker said he also considered the Constitution not as a Gibraltar fixed and unalterable but rather as a large drydock rising and settling with the tide, always resting on the surface.

The genius of our Constitution he continued, lay in its fine balance of power between large and small states in the two houses of Congress, in the three separate and independent departments of our government, and in its careful and wise blending together of the best features of both monarchy and democracy. The 55 men who took part in the deliberations were great patriots and men of intellect and character and the final document, though a compromise, was so excellent that under it we have achieved marvelous growth and, except for one Civil War, have kept internally at peace. So, its challenge comes to us, as Mr. Wichers concluded, to pledge it now and better and then try to live up to its great principles.

Hon. G. J. Diekema was present as the guest of the Club and will address the Club at its next meeting. This opportunity to hear him is greatly appreciated and a banner attendance is expected. Mr. Diekema spoke a few words to the Clubs in happy appreciation of the greeting given him.

The secretary, Prof. A. E. Lamont, told about the very delightful Speedway Tour given to all Exchange Clubs at the recent National Convention in Indianapolis, at which the president and secretary were delegates. This tour was a 33 mile trip through the city and around the 2 1/2-mile speedway where the automobile testing and speed races are held on Memorial Day each year. More brief reports on other excellent features of this Convention will be made at future meetings.

## NEW TALKIE AT THE COLO- NIAL THEATRE

Manager Carley of the local theaters has just installed an RCA photophone in the Colonial theater. This innovation was tried out last night and the difference was immediately apparent between the old arrangement and the new one. The tone quality, the shading, the music and everything that makes up the qualities for an excellent talkie is brought out. An RCA machine was installed in the Holland some time ago but not in the Colonial. In the latter theater the new talkie will be officially complete tonight, Friday, with Robert Montgomery in "Love in the Rough."

## BOVEN FAMILY REUNION IS INTERESTING EVENT

The Boven family held their first annual reunion last Thursday afternoon and evening at the old Graafschap homestead so well known through the entire country. The home is at present occupied by the Misses Renn and Johanna Boven and proved to be an ideal place for a gathering of this kind. More than 150 relatives were seated at the festive board placed in the midst of the beautiful garden surrounded by trees, an ideal nature spot. The long tables were filled with good things to eat and altogether it was a most enjoyable reunion.

Included in the day's doings was a short program and during the evening hours games were played and prizes were awarded. As the evening shades began to creep over the landscape, clusters of Chinese lanterns began to gleam out from the lathery places. During the program Dutch Psalms were sung in which all joined and a closing prayer was said by Mr. A. Ver Lee and at a very late hour the gathering was adjourned and a tired but happy set of folks wended their way homeward after a wonderful day spent. Tunnel Park was chosen as the next place of meeting.

The officers elected were as follows: President, A. Ver Lee; Vice President, William Mulder; Secretary, Mrs. Fred Stoltz; Treasurer, Peter Boven.

## ASKS FOR OTTAWA COUNTY BALLOT BOXES

County Clerk Wm. Wilds telephoned to Holland at 7 o'clock tonight asking for all ballot boxes in Ottawa county including the Holland vote. The telegram below explains all fully.

Ottawa County Clerk:  
Kindly inform all township and city clerks in your county as custodian of ballot boxes to deliver same with poll books personally to John L. Boer, Boys Vocational School, Field House, Lansing, at 1 o'clock p.m. Friday, September 19. Yourself and all clerks must be present during counting of ballots from your county.

Signed  
John S. Haggerty  
Chairman State Board  
of Canvassers

## HOLLAND VOTE WILL NOT BE QUESTIONED

If Alex Groesbeck lives up to what he says, the Holland vote for Governor will remain unquestioned. The candidate states that he is not looking to win on technicalities and there is no question as to the honesty of the vote cast for Governor in the city of Holland.

## Old Zeeland Founder is at Last Honored

BENEFACTOR OF ZEELAND  
COLONY APPRECIATED AFTER  
PERIOD OF OVER 80 YEARS

Last April, the Holland City News in a detailed article gave a resume of the life's history of the late Johannes Vande Luyster of Zeeland and pointed out how a city had overlooked the accomplishment, the generosity and the sacrifice of a real worthy pioneer and founder. It now appears that the city of Zeeland has in a measure recognized and given credit to Mr. Vande Luyster for the large part he took in the early days in building a settlement known as "hot dorp van Zeeland" on a site that offered nothing more than unbroken forests criss-crossed by Indian trails.

Anyway Zeeland's Common Council has now named a park after this pioneer and relative to this signal honor just conferred the Zeeland Record prints the following:

"In order to honor one of our original pioneer settlers and to perpetuate his name, the common council at its meeting last Monday evening, designated the section of the city park on Church street, on which the monument is located, as Jannes Vande Luyster Park.

Jannes Vande Luyster came to America in 1847 as a leader among a group of Dutch emigrants, who left their native country, The Netherlands, because of religious persecutions by the State Church and settled here in a wilderness to carve out a future of religious liberty and social freedom.

"He was a man of considerable means and paid the cost of transportation of many a companion, and after settling here purchased a tract of land which he distributed among his children and many others who had only an 'I O U' for payment. He settled in section seventeen of Zeeland township in which his children each received an eighty-acre farm, and where his grandson, John Van Luyster, still lives at the northwest corner of this section.

"Included in the lands he bought were four one-half acre parcels which he donated to the village of Zeeland for specific purposes. These are the four corners abutting the intersection of Church St. and Central Ave. The four lots were donated for the purpose of establishing the village center. One lot was to be used for the purpose of erecting a church, and the lot now houses the magnificent First Reformed Church. The southeast corner was to house the public schools, and a school was located there for about thirty years until the present old grade school building was erected fifty years ago. The two lots on the north side of Central Ave. were designated as the 'Market Place' which many of our older people still remember. That the lots have not been maintained for their original designation is due to two causes. One is that the fire of 1873 destroyed all legal evidence that they were compelled to be used for that only and that the need for such use disappeared. The type of market for lack of support and the school requirements soon outgrew the room.

"The designation of Jannes Van Luyster Park in his honor is a very worthy move. It is only appropriate that some monument or public marker be placed so that all who pass may see. He was a benefactor of his community to an extent never appreciated by anyone here, and this mark of honor is a contribution that will in a small measure recognize but in no way pay for any part of it."

## ROB RESTAURANT AT GRAND HAVEN; GET FOUR "BUCKS"

The restaurant of Harry Ewing, Grand Haven, was entered some time during Sunday night, about \$400 taken. A quantity of cigarettes, too, came within range of the thief and perhaps some of the good things of the Ewing pantry were taken. The proprietor was not certain today just what had disappeared. Entrance was made by jimmying a window on the side. The restaurant is usually kept open until late so the robbery evidently took place in the wee morning hours.

## William Kooyers Loses Grand Larceny Case

OLIVE MAN CONVICTED BY  
JURY IN CIRCUIT COURT  
AT GRAND HAVEN

William Kooyers of Olive Township, charged with grand larceny, was found guilty by a jury after an all day trial Monday in the Ottawa County Circuit Court before Judge Fred T. Miles.

There was little developed at the trial that he had not already come to light through the series of trials, and court procedures in connection with the alleged land dispute between the aged farmer and a Coopersville bank.

Carl A. Hoffman of Holland defended the respondent. Clarence Lokker had the people's case. At the time of the hearing the bank officials offered to allow Kooyers to keep the grain which he had planted and harvested on the land claimed by the bank, if he would drop the matter and allow them to take possible possession of the farm in question.

The farmer, clinging tenaciously to the idea that he was the owner of the property, stuck to his guns and is now facing a sentence for a severe crime. The case attracted some attention and the court room was well filled. The sentence of the court in this instance will be watched with interest. Kooyers met all attempts to take the farm with a shot gun display but never shot anyone, at last officers had to use "tear gas" to subdue the farmer from Olive.

The bonds of \$500 given by George E. Letts of Rockford, Mich., for the appearance of his brother, Cornelius Letts of Grand Rapids, charged with felonious assault, were estranged Monday morning in circuit court. Lett appeared later in the day claiming his car broke down and it was impossible to get to Grand Haven on time.

He was taken to the county jail and will remain there until Judge Miles sets the date for his trial.

The Mortgage Contract Co. was granted a summary judgment of \$852 against Leonard H. Semyon by Judge Fred T. Miles.

## New Curricula at Hope Provide Business Course

Besides providing new curricula which will make it possible for Hope College to grant the M.A. degree, the authorities have also decided to enlarge the scope of education in the undergraduate field.

This year for the first time in its history Hope College is offering courses of a so-called "vocational type." These courses are combined in the new department of "Business Administration." This work is an addition to the existing curricula. It is not intended that it shall in any way curtail or supplant the existing cultural education.

The new department is made possible through a memorial to Arent Visscher made by Mrs. Anna Visscher, Miss Anne G. Visscher, Oswald Visscher, Arthur Visscher, and Mr. and Mrs. Raymond Visscher.

Arent Visscher was a member of the board of trustees of Hope for about 25 years and was treasurer for most of that time. He was Hope's only graduate in 1872. Because of this unique distinction, he was familiarly known as "the class of '72." His entire life was spent in the city of Holland as a lawyer, banker, and business man.

Despite his business career, Mr. Visscher never lost sight of the literary and cultural side of life and he was always keenly interested in pursuits along these lines. The liberal donations which he made to the college library both in books and money are a living proof of this fact. The College owes a great debt of gratitude to the Visscher family for this splendid memorial.

The new department is most essential to accommodate the constantly increasing number of Hopeites who are planning to enter business as a profession. Included in the new courses are classes in advanced discussions in industrial and commercial production with wholesaling, jobbing, and retail distribution, by means of chains and branches. A course in the psychology of economics and government and ethical relations of the industrial processes will also be included in the new department.

It is expected that one or more new instructors will be engaged for the new department. They will be announced very shortly.

## A. LAHUIS CO. AT ZEELAND CHANGES NAME

Extensive changes have been taking place at the firm, until now known as the A. La Huis Company of Zeeland within the past two years, which have made that place the up-to-date retail store it now is.

The firm today is headed by David De Bruyn, who has been connected with that store for the past thirty-five years, beginning as an errand boy at the age of fourteen years.

Associated with him are his son, Robert De Bruyn; his brother, Frank De Bruyn; Nicholas Tanis and Miss Agnes Mulder. These parties in July, 1929, purchased the interests of the A. La Huis family and in August, 1930, determined to change the firm name to the De Bruyn Co., Inc. Until now it has still been operating under the old firm name, but from now on it will be known by its new name. The store has just been remodeled throughout.

The change of name brings to mind that nearly three years ago the founder of the store, Mr. Albert La Huis, and his wife, met a tragic death when their automobile hurtled over a cliff in California and their bodies were found several weeks later.

### FIFTY YEARS AGO TODAY

Charles Odell has sold his schooner Tempest to Albert Van Borkum recently from California who will make Holland his home.

Forty-six sheep were run down and muzzled by a Flint-Pere Marquette passenger train.

Peaches are rotting in the orchards of Saginaw—growers feeling that it would be better to lose them in the orchards than in the Chicago market where prices were so low and commission men steal you blind.

J. Blok, Zeeland's oldest druggist showed us a pear tree which he planted last spring bearing five fine pears.

### TWENTY-FIVE YEARS AGO TODAY

Wm. Jennings Bryan was instrumental in getting for Hope College the sum of \$500. In a letter to President Kollen he says: "I beg to inform you that I have selected Hope College as one of the colleges to participate in the fund left to me as trustee by the late Philo Sherman Bennett of New Haven, Conn., for the aid of poor and deserving boys in obtaining an education. I enclose \$500 for this purpose.

Signed: W. J. Bryan."

Note: The "Great Commoner" always thought a great deal of Hope College. He generally reserved an opera date for a lecture number in Dr. Nykerk's lecture course and visited Holland on different occasions. His last visit was three years ago when he spoke on evolution. Dr. Joseph Sizoo, a Hope College graduate, delivered the funeral address over the remains of Mr. Bryan two years ago at Washington, D. C. Mr. Bryan's first visit to Holland was during the Free Silver campaign when he was nominated on the Democratic ticket for the presidency.

Jake Lokker tendered his resignation as fireman of hose company No. 2. He has served faithfully

### DEMPEY IN HOLLAND NOV. 7

Jack Dempsey, one-time world's heavyweight champion, is expected to referee a boxing show at Holland, November 7. This is the information given out by the Holland American Legion and Mr. George Getz. Mr. Getz wishes to attend the World Series in baseball. This and the late hot weather are factors why the date has been changed from October 1 to November. Mr. Dempsey also has a western date late in September.

### FIRST GAME FOR HOLLAND HIGH GRIDDERS SATURDAY

Holland High school will open the 1930 grid season against St. Augustine of Kalamazoo next Saturday at Riverpark Park. The schedule for the season lists nine contests, four with Grand Rapids squads. ### SPORTSMEN OF HOLLAND TO PLANT FINGERLINGS

The Holland Fish and Game club is sponsoring plans for the annual transfer of the bass fry from the rearing ponds at Conservation park on US31 to Black lake and local streams.

The fingerlings have developed to good size and President Joseph C. Rheas stated the transfer would be made before the end of the month.

Since the rearing ponds were constructed hundreds of thousands of bass and blue gill fry have been planted in local streams with splendid results, large numbers of bass have been caught in Black lake this season and with constant restocking better fishing will be assured.

### FURNACE COMPANY TO BUILD OFFICES—TO BE BUILT BY CONTRACTOR DYKE

Holland city is fortunate in the construction of a new office building for the Holland Furnace Company, work on which was started by Contractor Frank Dyke of that city Monday.

The building which is to cost about \$250,000 will be built in the shape of an "F" and it will be located on Columbia avenue between Twentieth and Twenty-first streets. The building will be two hundred feet long and forty feet wide, three stories high. It will be a modern building in every respect and when completed will be housed by the Holland Furnace Company offices department of which E. H. Solkers is the manager.

George Schuiling, Anthony Nienhouse and J. C. Lehman, representing the Ottawa County Sunday School association, visited 20 Sunday Schools in the vicinity of Coopersville belonging to this association. They found some of the schools in a flourishing condition and several which were not doing as well as the association hopes for later.—Grand Haven Tribune.

Gerrit J. Diekema, minister to The Netherlands, spoke at the Thursday noon meeting of the Grand Rapids Rotary club at the Hotel Pantlind this week.

### ALLEGAN COUNTY CIRCUIT JUDGES FOR 20 YEARS AND ALWAYS WAS A GOOD FIRE FIGHTER.

Allegan county circuit judges from this vicinity are Fred Ter Haar, Overisel; Simon Harkema, Laketown; Henry Weaver, Fillmore.

McKinley the Holland horse, won third money in the "free for all" at Hartford, Conn. Sweet Marie came in first.

A head-on collision on the Pere Marquette at Zeeland took the life of Peter Meeuwse, a fireman of Holland. Although Meeuwse was not the collision was inevitable he stuck to his post to shut off the air in the hope that his train might slacken speed before the crash. It proved too late to save his own life. The two engines came together and Meeuwse was caught in the gangway as he was about to jump from the engine. His body was crushed between the tender and locomotive. He was killed instantly.

### FIFTEEN YEARS AGO TODAY

Born to Mr. and Mrs. Frank De Boer Drenth—a boy; Mr. and Mrs. Peter Diepenhorst—a son; to Mr. and Mrs. Cornelius Van Slooten—a son.

The steamer Holland owned by the Graham & Morton Co., was struck by lightning in mid-lake. The bolt struck the top mast, shattered it, and frightened the 100 passengers aboard. The bolt caused the ship to roll heavily and passengers asleep soon were running about in their night clothes.

John Shoemaker miraculously escaped instant death when riding his motorcycle at about 40 miles an hour when he struck an oncoming auto. The impact sent the young man over the handle bars for about 40 feet and in front of another car driven by Dick Van Lente of Holland who succeeded in stopping his car in time to avoid running over the inert figure. Shoemaker was taken into the home of Dan Berch on the Park road where Dr. Boot was called in.

## Spalink To Speak at Sunday School Meet

BIG GATHERING TO BE HELD  
AT ZEELAND OCTOBER 1

Extensive preparations are being made for the Ottawa County Sunday School Convention to be held in Zeeland Wednesday, October 1, according to President Schuiling.

Among the prominent speakers will be Rev. Henry J. Veldman of Muskegon, at one time pastor of the First Reformed church of Holland and a member of Hope College Council. Mr. Veldman is a man with a Sunday School vision. He organized the first Adult Bible Class in Holland and has seen the progress of this humble beginning develop to such proportions so that today every Sunday School in Holland can boast of a Bible class of that character. He not only is an organizer but a teacher as well and for that reason he is well able to speak on the assigned subject, "The Teacher's Task."

Rev. B. H. Spalink, pastor of the East Leonard Christian Reformed Church, is also to deliver an address in the morning. Rev. Spalink is a very able speaker, one of the foremost of the young ministers in the Christian Reformed church. Under his able leadership the east end church has grown from a few families to the present number of sixty. This congregation recently dedicated a beautiful new church.

Rev. Spalink is a very forceful speaker, a man with an inspirational message.

Not only is he an able speaker, but the author of a worthy book entitled, "The Lucense of Prayer." Commenting on this volume one man has this to say about this book, "This book is a clear and concise aid to the individual's problem of prayer—intensely practical—stirring the soul to a better understanding of the means of prayer. Every Sunday School teacher should have Rev. Spalink speak on the subject, 'The Teacher's Life.'"

All morning and afternoon meetings are to be held in the First Reformed church at Zeeland. Meals are to be served in the Second Reformed church and the large evening meeting is scheduled in both churches enabling all who wish, to attend this meeting. The participants in the evening program will go from one church to the other.

### ALLEGAN COMPLETES CANVASS OF BALLOTS

The Allegan county board of canvassers comprising Frank Alberts of Cheshire, Albert Arehart of Osage and N. L. Bond of Salem completed its work Saturday, the tabulated vote showing Wilber M. Brucker received 4,513 votes, Alex J. Groesbeck 1,616 and Jeffries 525. The vote for county officials showed Miss Agnes Robinson for register of deeds received 3,681 votes and a majority of 1,633; Guy Teed for sheriff received 3,523, a majority of 242; William G. Tisdale received 2,665 and a plurality of 90 in the three-cornered contest for county clerk; J. Roy Tanner received 3,374 votes for county treasurer, a majority of 853.

During the Saturday morning storm lightning struck the home of Martin Kammerda on 23rd st. A bolt also destroyed the electric system in the Wm. L. Bauder home, 328 West 17th st.

## Bank Employees Begin Group Study Class

EMPLOYEES OF THE BANKS  
OF HOLLAND AND VICINITY  
INCLUDED IN THIS NEW  
INNOVATION

Banking has become an important factor in every community, in fact banking is the hub around which the business of a city and its environs revolve. Just to what extent these banking institutions are to be useful depends largely upon the service that they render.

The Holland banks have always been known for service but the employees and officials of the local institutions are endeavoring to improve on these services and for that reason school methods have been adopted or in other words a class in banking. This new departure has been placed under the head of the Holland Group Study Class and the course is taken with the American Institution of Banking, an Auxiliary of the American Banking Association. This new development in banking efficiency and the methods of study brought into play to gain this end is highly approved by all leading bankers of the nation. The group study course gives instructions to bank employees, details that play an important part in his or her every day duties. All phases of banking are worked out and explained. Shorter methods, accuracy, promptness, efficiency and by all means courtesy is taught.

It goes without saying that the lessons learned through the curricula of this new school of banking will indeed be of great benefit to the customer. A study of the banking law, negotiable instruments, banking credits, economics, accounting interpretations, the making out of financial statements, the placing of loans, the scrutinizing of investments, whether good, bad or indifferent, the functioning of a trust company, the administration of a bank generally and kindred subjects as these relative to the workings of a bank are studied by the employees of the three Holland institutions who have associated with them the banks of Zeeland and Saugatuck.

The organization of this school of banking has already taken place. For the ensuing year M. Abers has been made president. Al Joldersma, vice-president, G. J. Nevenzel, secretary and treasurer. These, together with the cashiers of the three banks, constitute the Advisory Board.

The course is open for bank employees only and an instructor, one with real ability, will soon be chosen to do the work in this institute.

The Holland, Zeeland and Saugatuck banks are well known the state over for their efficiency and for their able, safe and conservative management.

The class thus far enrolled are the following:

Ed. Den Herder, Zeeland State Bank; John Walters and Arie Van Dyke, State Commercial and Savings Bank, Zeeland; Harold Calbetor and Henry W. Till, Fruit Growers State Bank, Saugatuck; Russell Burton and George Damson, Peoples State Bank; Ray Knooihuizen, Gerrit J. Nevenzel, Henry Vander Zwaag, Marvin Albers, and Alberto Hoeksema, First State Bank; Al Joldersma, Wilmer Henry Hoop, Gerald Kramer, and Henry Geerds, Holland City State Bank.

### MR. C. KOLE OF HOLLAND AND ZEELAND SERIOUSLY ILL

Cornelius Kole, who, together with Peter Holleman, recently purchased the Ford Garage at Byron Center, was very suddenly struck with infantile paralysis at his home in Holland Monday, and is now in a serious condition, his lower limbs being badly affected.

He had been to Detroit in the interests of his company and became ill soon after his return. Although his recovery is hoped for, it will be several weeks before he can resume an active part in his business. He is a brother of John H. Kole, owner of the Zeeland Ford Garage on South Church street.

### RAYMOND SCHIPPER IS DISCHARGED FROM IONIA

Raymond Schipper, sent from the Ottawa County circuit court to Ionia for a sentence of six months to two years, was released this week and returned to the home of his parents, Rev. and Mrs. Henry Schipper of Grand Haven. Mr. Schipper was discharged rather than paroled, due to his excellent behavior, which is an unusual privilege.

Rev. and Mrs. Schipper, Mr. and Mrs. Raymond Schipper and their little son, Donald, left for Decker, Mich., to visit Mrs. Schipper's parents for the week-end. It will be remembered that Schippers was convicted of "black mailing" a local boy and was sentenced by Judge Miles to Ionia.

### LOCAL SEMINARY STARTS WITH 38 STUDENTS

Western Theological seminary formally opened the new year Thursday morning with an address by Rev. Henry Bospers, professor of Hebrew since 1917.

Enrollment has reached 38, of whom 12 are juniors, 14 middlers, and 12 seniors. Mrs. Sara Winter Zwemer, graduate of Hope college, and connected with foreign mission work in India since 1923, has enrolled as part-time student.

Rev. S. C. Nettinga, professor of historical theology since 1918 succeeds Rev. John E. Kuizenga as president. The vacancy caused by Dr. Kuizenga's acceptance of a chair in Princeton seminary has not been filled, but the work will be assumed by Dr. Nettinga and Dr. E. J. Diekema, who became emeritus professor two years ago.

## RECORDS SHOW THAT HOL- LAND POLICE SHOULD BE COMMENDED RATHER THAN CENSURED

At the Common Council meeting Tuesday evening Officer Bontekoe was "panned," supposedly for insubordination, not following the instructions of his chief, supposedly looking for a Negro driving a stolen car.

The Holland City News saw the records at police headquarters showing the instructions given by Chief Van Ry to Officers Bontekoe, O'Connor and Van Hoff. The reports returned by these officers show that they did watch for the car where they watched for the car and to what extent. The reports were written out long before the complaint came up before the Common Council. But, what is more, it was the telephone call of Chief Van Ry to the South Haven police that brought about the capture of the negro with the stolen car which belonged to Mr. Johnson of the Mead-Johnson Co. of Zeeland. It appears that the negro stole Johnson's car at Petoskey. Johnson followed the car with another car and kept telephoning ahead to intercept the negro. It appears that Johnson was always a little over an hour behind the "coon" with the stolen car.

It develops now that the negro had just passed through Holland when Chief Van Ry received the call and naturally the three patrolmen saw no "colored gentleman" with the car in question, but in spite of this Chief Van Ry telephoned to Saugatuck and South Haven long before Johnson arrived in Holland and it was Chief Van Ry's call to the South Haven police that brought about the capture of the man who is now in prison.

It would seem that the police should receive a credit mark rather than a black mark in this particular case. Anyway Chief Van Ry stated that there was no insubordination on the part of any of the officers.

The relations between the police board, the chief and his men has been most amicable for some time.

The committee of aldermen, who drafted the resolution asking for a report on Officer Bontekoe relative to charges of insubordination wishes it is not to cast reflection upon the Police Board or the Department, but since there were rumors of a specific charge they asked for a report having to do with the truth or untruth of that charge. Furthermore no criticism is intended. The aldermen in question are Prins, Jonkman, Kleis and Brieve.

## Frosh Are Dumb But-Says Vander Meulen

DIEKEMA ALSO SPEAKS AT  
HOPE CONVOCATION

At 10 o'clock yesterday Hope College opened its sixty-fourth anniversary with a student enrollment of more than 500. A large audience besides the student body was present to listen to the program. The principal speakers were President Dr. E. D. Dimment, Minister G. J. Diekema, and Dr. John Vander Meulen of Louisville, Ky.

Mr. Diekema gave the address in which he conducted the affairs of Hope College and pointed out that the crowning glory was the building of the new Memorial Chapel that will live as a monument to him. In speaking further of Mr. Dimment, Mr. Diekema repeated the words of tribute spoken many years ago by the late Dr. Kollen, who once said, "Ed Dimment knows more about more things than any man in the world I have ever met."

Mr. Diekema also stated that besides giving his services so unstintingly, he also gave financially to the school he loved so much.

Dr. Vander Meulen, in his quaint way of expression, spoke more directly to the Freshmen since they were beginners at the institution. He pointed out that the aim of a college education was not merely to receive a social polish but to develop a real worth-while personality.

To the Freshmen he said, "You Frosh are as green as green can be, but you will ripen and benefit by the fruits of your labor. You are also as dumb as dumb can be but you will become smarter in this institution of learning and ignorance will disappear if you apply yourself to the lessons taught here. Spiritually you are only little children but in this, too, you will develop and through the grace of God will become real useful citizens and Christian men and women."

Dr. E. D. Dimment stated that during school days there would be morning exercises in the chapel each day, not alone for the students but for the public as well and that anyone might come in for silent worship.

Mr. Diekema was in charge of the exercises. Prof. W. Curtis Snow presided at the organ for a musical program. Dr. Nettinga, president of the Western Theological Seminary, opened the exercises with prayer.

Stanley De Pree, baritone, formerly of Hope college, rendered the selection, "Pilgrim's Song."

Scripture was read by Dr. S. C. Nettinga. The vocal duet, "Love Divine," was sung by Miss Jean Herman of Holland and Harry Friessma of Detroit, representing the Hope college school of music.

Professor Paul Hinkamp closed the convocation with a short prayer.

Mrs. John Vaupell and daughters, Mary Jane and Margie of Holland, and Mrs. Elizabeth Van Toll of Grand Haven spent Saturday with Mr. and Mrs. Herman Vaupell.—Allegan News.

## ROADS AND POPULATION

Good roads are so necessary to modern life that people will change their place of abode to get them. The new census figures for four southern states show that the only one of them to do any extensive road building in the past decade increased her population 24 per cent. The others gained only about three per cent.

An adequate mileage of paved highways is as necessary to progress as railroad or electric service. Congestion on main highways has become a big problem in many states.

New roads render invaluable service to the people. This is especially true in rural localities. We cannot have farm prosperity until farms are connected with markets and the outside world by surfaced, year-round roads. Motorization of agriculture is as essential as motorization of industry.

It is safe to say that the states which are now undertaking extensive road developments will be the prosperous, progressive and growing sections of the future, providing their road building expenditures are made along scientific and business-like lines.

## Local News

Rev. and Mrs. Edward H. Tanis left Tuesday for Grand Rapids. Rev. Tanis, former pastor of Bethel Reformed, will be the pastor of the Immanuel Reformed church of Grand Rapids.

Miss Grace Yonker entertained at a two o'clock luncheon at Warm Friend Tavern Saturday afternoon in honor of Miss Dora Vander Poel, who will become the bride of Henry Tyse this fall. After the luncheon the group went to the home of Miss Yonker on East Thirtieth street where bridge was enjoyed. Miss Harriet Vanden Bos and Miss Reta Pas were the prize winners. The bride-to-be received many beautiful gifts. Those at the party were Mrs. J. Vander Poel, Mrs. N. J. Yonker, Miss Harriet Vanden Bos, Mrs. Joe Yonker, Miss Nelle Wassenaar, Miss Kay Wassenaar, Miss Reta Pas, Miss Dora Vander Poel and Miss Grace Yonker.

Miss Jeanne Gertrude Stroeve daughter of Mrs. H. R. Stroeve of Montello Park, and Frank M. Leffler of Laingsburg, Mich., were united in marriage Monday, September 15. They will be at home to their friends after October 1 at 753 Princeton street, Lansing, Mich.

The congregation of Bethel Reformed church held a farewell reception for Rev. and Mrs. Tanis Monday evening in the church parlors. William Mokma opened the meeting with prayer and Scripture reading. The farewell address was given by George Veldman and Rev. Tanis responded. Refreshments were served and music furnished by a male quartet and the Light-bearers.

Frazee W. Headley, 84, passed away Saturday afternoon at the home of his daughter, Mrs. M. De Vries, 14 West Sixteenth street. He has been a resident of Olive Center for 55 years. The deceased is survived by three sons and three daughters: Frank Headley of Holland, A. L. Headley of Olive Center, Gilbert Headley of Sparta, Mrs. M. De Vries of Holland, Mrs. Albert Bennett of Rusk and Mrs. W. Fieldstead of Yakmo, Washington. Twenty grandchildren also survive. Funeral services were held Tuesday afternoon at 2 o'clock from the home of Mr. and Mrs. M. De Vries, 14 West Sixteenth street. Rev. J. C. Willis officiated. Interment took place in Pilgrim Home cemetery.

The following were arrested for speeding during the week of September 8th: A. W. Goodman, James G. Bryant, Dorman DeWitt, Albert Serne, Henry De Ridder, H. Timmer, Lawrence Kinland and A. Bloemers.

## This Week

by ARTHUR BRISBANE  
**Hormones and Youth**  
**More Argentine Trouble**  
**How Heavy Is the Earth?**  
**Peggy Duncan's Feat**

Scientists gathered in Cincinnati are told that new methods of rejuvenation, better than the Voronoff "glad grafting," have been discovered. Compounds made of mysterious "hormones" will do the work, some "hormones" being taken from glands that could never be transplanted.

The old may be made to live a little longer, but science will never discover anything better than friendly death, which removes men worn out, and makes room for new energy.

The learned Voronoff, who, by the use of monkey glands, extends the lives of old men, says: "All Americans are dead at fifty." He does not mean that they actually die, but that they are worn out at fifty, and might as well be dead.

There is no doubt that men in America wear out early. Their eyes grow dim, hair white, step slow and knees stiff, too early.

But they get things done, which is more important than remaining young.

In the Argentine, few killed, many wounded and new fighting threatened. Airplanes guard important points, and Irigoyen, late President, is locked up, inaccessible. The cable is censored, lack of employment puts many in the streets that would otherwise be at work. A serious situation may develop.

Irigoyen, who used to denounce the Monroe Doctrine, may be changing his mind.

If there were no Monroe Doctrine this would be an excellent time for some European or Asiatic power to arrive, saying: "With your kind permission, we shall take charge."

That won't be done with Uncle Sam's Monroe warning posted up.

Doctor Heyl, deep and genuine scientist of the bureau of standards, is constructing a device to "make the fourth dimension visible to the eye of the average man." He will not succeed, because he himself cannot imagine the fourth dimension except as a mathematical theory. His contrivance thus far looks "like a ball of popcorn."

The fourth, fifth, sixth and other dimensions that are suggested seem to the ordinary man more like a ball of "poppy-cock."

Doctor Heyl has done something more interesting than making men try to imagine what they cannot imagine. He has actually weighed the earth on which we stand.

If you want to know how heavy it is, write down the figures 6,302, followed by eighteen zeros.

The earth is about as heavy as though made of solid steel, and it is interesting to reflect that that appalling weight, on which we live, floats always in time around the sun, through the ether, if the ether really exists, which is an unsettled question.

Peggy Duncan, a powerful nineteen-year-old girl from South Africa, has conquered the English channel, making the swim in sixteen hours fifty minutes, but failing to beat Gertrude Ederle's record.

Miss Ederle can tell the young girl from South Africa that swimming the channel does not pay. You lose your hearing in the cold water, and the world soon loses its recollection of you.

Richard Whitney, president of the New York Stock exchange, says the country is getting back on a firm business basis, and that the stock exchange was in no way responsible for the slump, unemployment, etc.

The latter statement is sound. The stock exchange and the ticker reflect, but do not create, conditions. The wave of stock gambling, wasting the time of able men and scattering the money of fools, caused trouble, but that is not the fault of the exchange.

Frank Kiernan, in New York, has distributed 1,500 little buttons, carrying in white letters: "Business is good."

Mr. Kiernan, an advertising man, believes that if you say a thing often enough people will believe it. They will, if it is true.

Marconi believes that radio waves will travel of millions of miles through space.

If the sun can send rays of light through 93,000,000 miles of space there is no reason why radio waves shouldn't go as far in the other direction.

This ought to mean that we shall talk to the other planets soon, if they have any inhabitants able to talk.

In welcoming the French flyers enthusiastically President Hoover mentioned "Byrd, Rickenbacker and the rest."

It is refreshing to hear Rickenbacker mentioned, proving that men who flew in the war are not entirely forgotten.

Their flying was unlike modern peace flying, as different as the performance of a hawk from that of a carrier pigeon.

## Muskkrats Are on the Move —Are Youngsters

DROUTH NOT THE ONLY REASON FOR CURRENT MIGRATION OF THESE "RATS"

Movements of muskrats and other animals that spend much of their time in the water, now being reported to the Department of Conservation, are not caused entirely because their swamp and creek homes are drying up, according to the Game Division.

According to the reports muskrats are being seen in considerable numbers, especially in the southern third of the state, moving from one place to another, and on the highways. The assumption is that they are leaving their swamp and creek homes because the drouth has taken away the water.

While the drouth may have caused many of these animals to migrate, the Game Division says, there is normally a considerable movement of muskrats about this time of the year. Many of this year's young have grown up so that the total number of muskrats is greater than at other seasons of the year. The young which are out shifting for themselves are inexperienced and more often crushed by cars at night than older "rats." Both young and old are now beginning to build their quarters for the winter.

## INTERESTING HOLLAND CHAMBER OF COMMERCE NOTES

The last edition of the Chamber of Commerce News Letter, dated September 15, used as its leading thought, "Four Breaks for Holland," in which were mentioned: First, Holland Furnace Company \$250,000 office building project; second, the Black River Bridge Project—on U.S.-31; third, employment survey of the local factories by the Chamber; fourth, Holland-Zeeland road project for which bids are now being called for.

This bulletin number has the atmosphere of optimism.

Arrangements are being made for first general membership meeting of the Chamber of Commerce to be held the later part of September. The speaker, in all probability, will be Mr. M. C. Wendel Muench of Chicago who will talk on the subject "The Greatest Sale in History." Further announcements concerning the date and place of meeting will be given later.

The Chamber of Commerce has the assurance of the R. L. Polk & Company, directory publishers, that the rural route directory edition will be ready within a very short time. The data for this directory was compiled through the local Chamber of Commerce on request of its members because the latest City Directory did not contain a rural directory.

The Chamber of Commerce has arranged to have Referendum No. 56 on Commodity Exchange Trading, be presented to the entire membership. This is a new venture in this respect and is done in order to give the members of the Chamber of Commerce a closer contact with the National Chamber at Washington.

The legislative committee, Judge Miles, Chairman, has compiled a Constitution and By-Laws for the Holland Chamber of Commerce, same to be adopted at the general meeting of the Chamber members.

The Arco Electric Corporation, an industrial organization from Chicago, who were slated to locate in Holland, changed their plans of location because Niles, Michigan, offered them a building free of charge if they pay for the next five years will total \$300,000. This organization employs one hundred people.

The Chamber of Commerce is working on another industrial location prospect and is doing everything within its power to interest worth while industries to this city.

John L. Lovett, of the Manufacturing Association of Detroit, is expected to be in Holland during the month of October. A special program for his visit is being worked out through the local Chamber of Commerce office.

In the latest employment survey, made through the Chamber office, it was learned that out of twenty-eight factories employing thirty to four hundred twenty employees, twenty-three are working thirty-five hours or more and that sixteen of the twenty-eight factories are working full time, that is fifty to eighty-eight hours a week.

Someone has said that a factory a year is a good average for any Chamber of Commerce to strive for. Holland Chamber of Commerce is ahead of its schedule. It was instrumental in locating the Chas. Karr Co., manufacturers of Air Spring Mattresses, and the Cordonic Manufacturing Corp., manufacturers of radio loud speakers, besides having assisted two other local manufacturing organizations in their program of activity.

The membership canvass that was carried on by the membership committee during the week of August 25th to September 1st and which will be continued until October, showed very good results. Twenty-two new members were enrolled through this canvass, besides a large number of renewals. The Holland Furniture Co. increased its membership holdings during this canvass.

During the past month, with funds deriving from membership dues, which is the only income of the Chamber of Commerce, there has been paid out \$1,131.52 for advertising, \$1,002.00 for the promotion of May Time & Tulip Time in Holland, \$326.10 for Convention activities, \$693.23 for Tourist and Resort, and a like amount for administration and other activities from which every citizen, business and professional men and industrial organizations have benefited from directly or indirectly.

## GRAND HAVEN TANNERY LOSES ITS APPEAL ON LOWER HIDE RATES

By a decision of the interstate commerce commission, just handed down there will be no change in freight rates on hide from Cleveland, and Bryan, O., to Grand Haven and Whitehall, Mich.

Existing rates, the commission ruled, are reasonable. But the commission found that the Eagle-Ottawa Leather company, which operates tanneries at Grand Haven and Whitehall, had been overcharged for shipments, and it ordered the railroads, headed by the Cleveland, Cincinnati, Chicago & St. Louis, to make prompt refunds. The case had been pending nearly three years.

The Grand Haven leather company asserted that it was not given the benefit of a short distance haul, which is permitted to Muskegon, where it has competitors. Over certain routes Muskegon competitors are allowed a freight rate as low as 25 cents per hundred pounds, while the Grand Haven company asserts it was forced to pay 62 cents.

While refusing to disturb the existing rates, the commission ruled the railroads must allow the Grand Haven company the advantage of the short haul as Muskegon is allowed it.

The first annual Brink's family reunion was held at Tunnel Park Saturday. During the business session the following officers were elected: George E. Brink, president; Mrs. Ada Strong, secretary; Harry Beckvoort, vice-president; Herman H. Brink, treasurer. Members of the sports committee are John Brink, Harry Brink, and John Brink. Henry J. Beckvoort acted as chairman of the day. More than 125 persons were present.

The women's boards of foreign and domestic missions in the Reformed Church in America have arranged a series of meetings for churches in several states to stimulate increased enthusiasm in both fields of missionary activity. Speakers include Mrs. James Weyer, Holland; Mrs. J. E. Graham, Upper Merion, Pa.; Dr. Margaret Rottschaefer of Arabia, Miss Mary Giegh of India, Miss Marie De Keyser of Colony, Okla.; Rev. Gus A. Watermuller of the Winnebago mission in Nebraska and Rev. W. J. vanKersen of Holland. The schedule of meetings follows: Sept. 16, Fulton, Ill.; Sept. 17, Raritan, Ill.; Sept. 18, Chicago; Sept. 19, Cedar Grove, Wis.; Sept. 24, Corsica, S. D.; Sept. 26, Maurice, Ia.; Sept. 30, Leighton, Ia.; Oct. 2, Kalamazoo; Oct. 3, Coopersville.

Among those from out of town who have arrived in Holland to attend Hope College are Orrin Enseld of Fennville, Jackie Pfeiffer of Zeeland, Harold De Wendt, Ray De Wendt, Harry Ver Strate and Lester Ellerbrook of Grand Rapids; Bob Freeman of Benihem, Harry Friesema of Detroit, Jack Just of Fulton, Ill.; George Painter of Pennsylvania, John Mullenburg of South Holland, Ill.; Coert Rylaarsdam of Minnesota, Gordon Alexander and Howard Schade of New Jersey, William Kuiper of Cedar Grove, Wis.; Myron Leenhouts, Everett Poppink, Gerald Heunink, James Moran, Kenneth Hicks, William Austin, Miss Greta McLeod and Miss Lillian Sabo, all of New York.

## NEW GRONINGEN

John Deters and family called on relatives in Grand Rapids, Sunday. The school board has gone to considerable effort to improve the grounds and buildings this year. A new pressure water system has been installed and a heating and ventilating system is in the process of installation, which promises to be a great improvement over the old system. Bert Veneklasen is director of the school.

Chris Van Liere is teaching the Waverly school. He is substituting for Miss J. Shoemaker for the first term.

Mr. and Mrs. Meindertsma have moved from Holland into the home of Marvin Smith.

School opened September 8 with an enrollment of 75 pupils; 49 in the primary room and 26 in the grammar room. Mr. M. Meindertsma is the principal and Mrs. Meindertsma has charge of the primary department. She is acting as substitute for Miss Kossen for the first term.

Mr. and Mrs. H. Boersma and baby of Grand Rapids, who are spending a week at the home of John Deters, motored to Olive Center on Sunday. They called at the

home of Mr. John Johnson. Mrs. Boersma is a niece of both Mr. Johnson and Mrs. Deters. Mr. and Mrs. Clifford Cheadle of Grand Rapids spent a few days at the home of Mr. and Mrs. Nick De Boer.

Mr. and Mrs. Richard Buurma have returned to their home in Grand Rapids after spending a few weeks here at the home of Mr. and Mrs. Bert Schuitema.

## SAUGATUCK-DOUGLAS

Maurice J. VanOs, 6, son of Mr. and Mrs. George VanOs, formerly residents of Grand Rapids, dropped from the rear of a truck Friday and ran in front of a car driven by Wesley Rothelmer of East Gary, Ind. Maurice was caught by the bumper, cut under the arms and bruised on the head. Rothelmer took him to a doctor's office and then returned to his home. He was believed to be not seriously injured.

Schools show a larger enrollment than in many years. The high school consists of a 65 per cent foreign enrollment, mostly from the adjacent eighth grade rural schools.

The Western Allegan County Telephone Co. has been sold to the Tri-County Co., which is making extensive improvements on this section of the line. Mr. and Mrs. H. Schultz, who for the past year have given most efficient service at the central here, have returned to Douglas to have charge there while Miss Watson and several helpers of South Haven are in charge at the local office.

Tuesday morning the following Saugatuck gentlemen went to Pontaluna Hills golf course, at Muskegon for a day of golf: James Konig, Chas. Parrish, Frank Flint, Joseph Devine, James Taylor, Harry Jackson, Frank Wicks, Harry Walker and Joseph Zwemer. No one said anything about the scores made but the boys had a fine day's sport.

Miss Pearl Stawoiak, 16-year-old daughter of Mr. and Mrs. William Stawoiak of Saugatuck township, died Friday evening, September 5th, at her home after a three-year siege of tuberculosis. The girl is survived by her parents and one brother and one sister. Funeral services were conducted at 8 o'clock Monday morning from the home. Interment was in the Saugatuck cemetery.

An open competitive examination under the rules of the U. S. Civil Service Commission is announced for the position of Clerk in the postoffice at Saugatuck, Michigan. Receipts of applications will close Oct. 2, 1930. Applications for this examination must be made on the prescribed form, which, with necessary instructions, may be obtained from the commission's local representative, Mr. William E. Taylor, at the Saugatuck, Michigan, postoffice, or from the undersigned.

Albert Rumpf and Cornelius Bostator of Pullman accompanied the former's brother Ed to the Holland hospital Tuesday night where the latter had an operation for appendicitis.

Mrs. Elsie Robbins and Mrs. A. M. Bostator and daughter Flossie went to Holland Wednesday to visit the former's brother Ed in the hospital there.

ANNIVERSARY BRINGS OUT HISTORY OF PORT SHELTON

"Old Grandma" Goodin Will Endeavor to Live to 100

By M. A. Taylor

At a gathering of the children and friends of Rosanna Goodin at the "Original Port Sheldon," it was decided to hold a reunion of the Goodin family in her honor at her place on September 14, 1930.

"Grandma Goodin," as everyone calls her, will be 95 years old February 2, 1931. As she has remarked, "I have five more years to live before I shall be 100." Accordingly, in the early morning of September 14, autos began driving on the grounds and continued to do so until in all twenty-five autos were counted, and old friends and relatives, 120 in number, were greeting one another with "Old Grandma" the center of attraction. Tables 45 feet long were amply shaded by two immense maples, planted 115 years ago. Back of the house a large orchard was planted 55 years ago, from which thousands of bushels of fruit have been gathered. One house was destroyed by fire. The second still remains, in a fair state of preservation. On the south porch is a well of the purest and coldest water, evidenced by those who drank from refilled glasses again and again. This unique spot was chosen by the Port Sheldon Lumber Co. for operations in the early days and a town of considerable importance was built along the head waters of the beautiful Pigeon Lake.

Stores, restaurants, lumber yards and shingle mills were built, as well as a large hotel.

Lots 4 by 8 rods readily sold at \$125 each at that time. This site is still one of nature's beauty spots and had not vice crept in, and superstition with vice, Port Sheldon might have ranked today with the most populous Michigan towns bordering on Lake Michigan. Whiskey and beer, the curse of any town, were sold at a mere nominal price and were directly responsible for the death of two young men who were shot down in cold blood. About this time pigeons were so numerous as to almost exclude the light of day when they flew over, and this, with the closing of the harbor with sand, was an omen they believed for their crime, and Port Sheldon went down faster than it was built, and the mammoth hotel was at last sold for less than the shingles were worth that covered it. Since the passing of the early pioneers of Port Sheldon the adjacent lands have largely been in the possession of the Goodin families and the annual reunion will be held on the first Sunday in July each year hereafter at the home of Rosanna Goodin. Her children number six, five girls, and one boy. They are Mrs. Mary Young, Grand Rapids; Mrs. Jennie Emory, West Olive route 1, Mr. John Goodin, West Olive route 1, Mrs. A. C. Taylor, 317 Lincoln Ave., Zeeland, Mich.; Mrs. A. Kline, West Olive route 1, Mr. Ray Rittenhuis, 323 North Lafayette Ave., Grand Rapids, Mich. The grandchildren and great-grandchildren include nearly 100 or more.

**Motions and Resolutions**

On motion of Ald. Kleis, 2nd by Hyma, RESOLVED, That the City of Holland set the clocks back one hour at midnight on Saturday, September 27th, 1930, and adopt Central Standard Time until the Spring of 1931.

Adopted.

Ald. Prins raised a complaint about the conduct of Officer Bonte-

koe of the Police Force and cited a specific instance of insubordination on the part of said Officer, namely, that a telephone call was received at Police Headquarters by Chief VanRy requesting the Police Dept. to stop a car with colored people; and that upon receiving said call Chief VanRy ordered Officer Bontekoe to go out and stop said car. However, Officer Bontekoe stepped outside for just a few minutes, and then returned and did not heed said orders from his Chief. Therefore, Be it Resolved, that the City Clerk be instructed to communicate with the Board of Police & Fire Comms. setting forth the above facts in the case and request of said Police Board that this matter be reported back to the Common Council at its next regular meeting.

Adopted.

On motion of Ald. Hyma, 2nd by Prins, RESOLVED, That the Charter of the City of Holland be so amended as to give the Chief of Police more authority over the Police Officers in order to put the Dept. on a more efficient basis.

Adopted.

OSCAR PETERSON, City Clerk.

Gebben of Holland, and two sisters, Mrs. Frances Blood of Joliet, Illinois, and Mrs. Lillian House of Schenectady, New York. Funeral services were held Monday afternoon at 2 o'clock from the Quackenbush home, 304 West Fourteenth street. Rev. James M. Martin, pastor of Third Reformed church, officiated. Interment took place at Pilgrim Home cemetery.

Vacation Spent In Performing Mission Work

Few Hopeites spent their vacation rendering such unselfish service to their Alma Mater as did the "Missionary Four." These four young men: Howard Schade from New Jersey, Richard Niesink from Kalamazoo, Rudolph Nichols from Holland, and Abram Antar from Arabia; traveled through the entire western section of the Dutch Reformed Church in the interest of Arabian missions and Hope College. They set out June 20, immediately after graduation, and returned during the latter part of August.

The trip was made in a modest Ford. This humble creature was treated in the best hospitals along the route and underwent many major operations. The boys were unable to visit every church in the western section, but did succeed in reaching several in each of the mid-western states.

The group gave a musical and missionary program. Mr. Schade was able to thrill the audiences as a vocal soloist. Mr. Nichols acted as pianist. Mr. Antar, an Arabian at Hope, who also attended the school of the Reformed church in Arabia, told of missions in his homeland. All proceeds above expenses were devoted to the missionary work in that country.

Many of Old Gridders Back On Hope's Team

Ten days from today Hope will place its varsity football team on the field for the opening game. On September 27 the Orange and Blue clad gridders are scheduled to take on the Ohio State Normal college at Bowling Green, Ohio, in the initial tilt. Hope has six other games during the remainder of the season, five of them in the M.I.A.A. conference. Alma, Olivet and Kalamazoo will play conference games here.

Coach Jack Schouten has had a number of his charges out for practice since September 10. Invitations were extended this fall to about two dozen candidates to report for the early drills held at the college field. About half of the number were present at the first practices with the others joining the squad later. Numerous other candidates are expected to report this afternoon.

Chances for a successful year on the gridiron are favorable on Hope's campus. Nine lettermen are among the candidates trying for positions on the 1930 eleven. Hope had a freshman team last fall that was unbeaten in three starts and generally acclaimed as frosh champions of the M.I.A.A. Some of the outstanding men on this team have failed to return to school, however.

Leading the Hope squad is Allen Brunson, who is captain of the team. Brunson will be shifted from tackle to center this fall, in order to strengthen the center of the line. Last fall the captain was chosen on the M.I.A.A. second team.

Besides Brunson, there is Fred Wynyarden, tackle; Tom Beaver, tackle; Ron Fox, Jack Juist, and Mike Leenhouts, guards. The backfield veterans include Howard Dalman, halfback; Lewis Scudder, halfback; and Oosting, utility. Clarence Becker, who will lead Hope in basketball this year, is also out for a ball-toting position.

Those returning to school from the frosh team are not known. Norlin and Zwemer were the only candidates to report. This pair made a name for itself in high school football, and they will attempt to keep their record clean at Hope. Norlin and Zwemer weigh but 156 pounds apiece, yet have drive and power of men twice their size. The Weigerink brothers, Gerrit and Jim, will be out for ends. Big George Painter, Clark Poling, and Herb Marsilje are also to be with the team.

Raymond, "Bob," McGilvra, who was to have been a Senior at Hope this fall, has not returned to school. He is attending Iowa "U." Mr. McGilvra was president of the Y.M.C.A. This vacancy will be filled by Clarence Becker.

DRENTH

The barn of John Dozeman, R.F.D. No. 3, Zeeland, was destroyed by fire Saturday morning after it was struck by lightning. The entire contents of the building were burned, including tools, seven cows and three horses. The estimated loss is \$5,000, partly covered by insurance. The Drenthe village fire pump, manned by volunteers, saved the Dozeman home and other farm buildings.

MANY LOCAL VISITORS TO CAMP McLEAN

Total of 188 Scouts Attend During the Four Weeks of Camp

The 1930 Boy Scout Camp was in every way one of the most successful camps in the history of Scouting in the Ottawa-Allegan area. It took two weeks to move all the equipment and set up temporary buildings and shelters, but the results were well worth the effort. Scouts are already planning to come back next year for a longer stay.

The opportunities for adventure, fun and study were many and varied. The quiet waters of the Bayou were ideal for canoeing, fishing and swimming. More boys learned to swim and more tests were passed in the water than ever before. Fishing trips, boat and canoe trips were made each period under adult supervision. McLean's Bayou is connected with Grand River and Spring Lake can also be reached by boat, trips by water were made in almost every direction.

The great abundance of vegetation along the marshes and water's edge made nature lore in camp a favorite activity. The campers especially favored by visits of a species of White Heron that made the vicinity of camp his favored hunting grounds.

The leadership in camp was up to its usual high standard. Besides the Executive and Camp Director, P. H. Norg, who was in camp most of the time, the staff was made up as follows:

- Wm. Vande Water — Activities Director.
- F. Rouch — Swimming Director.
- Dr. A. C. Glennie — Museum and Nature Lore Director.
- J. Parks (Medical Student) — First Aid Instructor.
- A. Witherell — Camp Cook.
- Harry Kirk — Pioneering Instructor.
- Walter Fisher — Camp Clerk.
- Elmer Reenders — Handicraft.
- Ike De Kraker — Leathercraft.
- Julius Wagenaar — Truck Driver.
- Gerald Witherell — Cook's Helper.
- Chester LaShagway.

The average attendance in camp for the four weeks was 47 boys and leaders. The total number of Scout weeks was 157 or a total of 188 including leaders. Several hundred visitors coming from every part of the area came to see the boys in camp during the season.

The health of the boys was very good except for a few bumps, scratches and cuts which are usually in evidence when a large group of young Americans are having a real time.

That all was not play is evidenced by the results of the Court of Honor meetings held in camp. There were four such meetings held. Eight boys completed all of their Second Class, 6 First Class, and 81 Merit Badges were completed; 8 boys completed the Star Rank, 3 campers became Life

Scouts and 1, LaVerne Scheerhorn, completed his Eagle badge, the highest rank in Scouting. Three completed their Junior Life Saving award.

Part of the council camp was set aside for a troop camp site and was used by three troops. Two troops this year camped by themselves in a different locality.

Troop 22 went north with their Scoutmaster, Chas. De Boer, and Troop 33 went to Barlow Lake with Scoutmaster Rev. A. B. Lucas in charge.

## Lesson for September 21

## JONAH: THE NARROW NATION—ALIST REBUKED

LESSON TEXT—Jonah 1:1-10; 4:1-11.  
GOLDEN TEXT—And Peter opened his mouth, and said, "Of a truth I perceive that God is no respecter of persons: but in every nation he that feareth him, and worketh righteousness, is acceptable to him."

PRIMARY TOPIC—God's Love for All the World.  
JUNIOR TOPIC—God's Love for All the World.

INTERMEDIATE AND SENIOR TOPIC—What is True Patriotism?  
YOUNG PEOPLE AND ADULT TOPIC—Patriotism and World Brotherhood.

In teaching this lesson it will be necessary to sweep into view the entire Book of Jonah.

I. Jonah's Call and Commission (Jonah 1, 1, 2).  
Jonah, a Jew, was called to go and preach repentance to the Gentile city (Gen. 12:1, 2). The story of Jonah graphically portrays the history of Israel as a nation. God separated Israel to be the channel through which his mercy and salvation are to be carried to all nations. They, like Jonah, have been recreant to duty. Because of this, God has caused them to be swallowed up by the nations which will one day spew them upon dry ground—Palestine. After severe chastisement, they will discharge their obligation, and the nations through the ministry will repent and turn to God.

II. Jonah's Flight From Duty (Jonah 1:3).  
He turned his back upon God and attempted to flee from his presence. He did not believe in foreign missions. In the same way Israel has become an apostate people.

III. Jonah's Correction (Jonah 1:4-10).  
1. Overtaken by storm (v. 4).  
"Trouble soon came upon the disobedient servant of God. So with the Jews, misfortune after misfortune have overtaken them because they turned from God. They are now being tossed about by the surging of the nations."

2. Cast overboard (v. 15).  
In their perplexity the sailors cast lots, and the lot fell upon Jonah. According to his direction they cast him overboard. God had prepared a great fish which swallowed him.

3. Jonah's deliverance (Ch. 2).  
Jonah in his affliction turned to God and prayed (James 5:13). God miraculously preserved him while in the belly of the fish, and he has miraculously preserved Israel in the heart of the nations. Neither can the nation digest Jonah, neither can the nations digest Israel. Jonah repented while in the fish. So Israel will repent as they go into the great tribulation. God made the fish to vomit out Jonah. So he will at the proper time cause the nations to cast out Israel.

IV. Jonah's Commission Renewed (Ch. 3).  
His experience made him willing to do God's bidding.

1. His field (v. 3).  
It was to go to Nineveh, a large city, the people of which were most cruel. Israel's field is the Gentile nations.

2. His message (v. 4).  
He was instructed to "preach the preaching" commanded by God. Forty days were given to the people in which to repent. God's supreme desire is that all should repent (II Peter 3:9). This message represents the heart of God in dealing with sinners.

3. Repentance of the Ninevites (vv. 5-8).  
They believed that God was speaking to them through Jonah about their sins, and was announcing impending judgment.

(2) They proclaimed a fast (vv. 5-8).  
The king and people joined sincerely in this movement. They were called to turn from their sins. They put on sackcloth, the sign of penitence.

(3) They reasoned that God would repent (v. 9).  
The sending to them of a prophet encouraged them to believe that God would show mercy unto them if they repented.

V. Jonah's Behavior (Jonah 4:1-11).  
He now makes known the real reason for his flight from duty. He knew that the gracious God would spare the people who repented. The treatment of the Israelites at the hand of the Ninevites was such that Jonah did not want God to forgive them. We have here a case of a preacher of repentance mortified when the people repent and are pardoned.

2. God reproves Jonah (vv. 4-11).  
By means of the gourd God showed him his error. This closing scene affords a striking example of the patience and pity of God in contrast with the hard-heartedness of man.

NOTICE OF SPECIAL ASSESSMENT
