## Republicans See Oldtime Vim In Party

COMSTOCK ADMITS DEFEAT  
IN DEMOCRATIC  
RANKS

Fitzgerald, Republican Nominee  
For Governor, Gets Congratulations  
from Groesbeck

Michigan had a real old-fashioned election in which Holland and Ottawa county took an important part. The latest returns indicate that Governor Comstock, Democrat, was defeated by Arthur J. LaSoy, by 9,225 votes with less than 100 precincts to hear from, and on January 21, the Democratic governor who has gone through one of the most stormy sessions of recent years, will retire from the helm of state in Michigan.

Frank Fitzgerald, one of the most popular gubernatorial candidates put up by the Republicans in recent years, who possibly knows state affairs better after 20 years' service than do most men in the state, was nominated by an overwhelming plurality of nearly 160,000 over his nearest opponent, Alex Groesbeck, who was three times governor. Mr. Groesbeck wired Mr. Fitzgerald as follows: "You made a good run, Frank. Best wishes."

Fitzgerald replied: "Your wire of good wishes is deeply appreciated, and your friendship is deeply cherished."

In Holland and Ottawa county there was a real election on, all of which is fully tabulated on page two of this section, giving the results, number of votes in each ward, precinct, township and city in the entire county. On the Republican ticket the following men were nominated in Ottawa county, Frank Fitzgerald for governor, Thomas Read for lieutenant governor, Carl Mapes for congress, Gordon Van Eenennaam for state senator, Edward Brouwer for state representative, John R. Dethmers for prosecutor, Benjamin Rosema for sheriff, John Den Herder for treasurer for the "tenth time, Frank Bette for the register of deeds, Jarrett N. Clark and Edward Soule for circuit court commissioners, Fred Van Wieren for drain commissioner, Gilbert Vande Water and Dr. W. B. Bloemendahl for coroners.

The successful candidates in the county on the Democratic ticket are William A. Comstock for governor, J. T. Bailey for lieutenant governor, F. A. Picard for United States senator, (Arthur Vandenberg's name did not appear on the ballot since he had no opposition, but is the Republican nominee), T. F. McAllister for congress, who, by the way, badly defeated Peter Danhof, a former Ottawa county man; G. Van Coeverden for representative, Charles E. Misner for prosecutor, William Lehman for sheriff, Lewis J. Vanden Burg for county clerk (William Wilds, Republican candidate, had no opposition and his name did not appear upon the ballot); H. Fisher for register of deeds; Peter Behm and H. Geerlings, Jr., circuit court commissioners; J. Walters, Jr., drain commissioner; C. E. Long and B. E. Elferink, surveyors.

(The name of Carl Brown, Republican candidate, did not appear on the ballot since he had no opposition, and he is, therefore, nominated.)

The vote was light, about three-fifths of the normal vote, but that was true in both parties. Many voters, it is known, stayed away because they did not wish to declare themselves either as Republicans or Democrats.

The total vote and the winning candidates as has been said before, will be found in a compilation in table form of all cities, precincts and wards in the entire county.

It would be well for those interested to clip these for future reference.

**HOLLAND TO FIGHT CUT IN  
GAS AND WEIGHT TAX**

School Board Calls Parley to  
Organize Voters.

The Holland board of education in preparing to organize voters in this county to defeat two proposed amendments to the state constitution, invitations have been sent to superintendents and boards of education in Grand Haven, Zeeland, Coopersville, Hudsonville, Spring Lake to attend a meeting Wednesday evening, September 19, in the Junior High school building in this city.

The gas and weight tax amendment will wipe out seven or eight million dollars of state revenue and increase in Michigan from paying taxes, it is contended by Supt. E. E. Fell. He also attacked the amendment from the constitutional angle, stating that it was his opinion that it is not the intent of the constitution to regulate such details by amendment.

A discussion of the proposed amendments and the mapping of a plan of attack will feature the meeting to be held in Holland.

In reviewing delinquent taxes, Trustee Henry Geerlings, secretary and treasurer, showed a marked increase each year since 1929. The report was as follows: 1929, \$494,045; 1930, \$509,900; 1931, \$414,035; 1932, \$25,137.57; 1933, \$33,721.73.

Mrs. Ernest Bos of Grand Rapids, Mrs. Dena Gebben and daughter of Holland and Mr. and Mrs. Martin Berkompas of West Olive spent Thursday at the home of Mr. and Mrs. Gerrit Gebben on East Main street—Zeeland.

Nicholas Hofstee and son, Dr. Leslie Hofstee, and Mrs. Leslie Hofstee are in Wisconsin where Dr. and Mrs. Hofstee expect to locate. The doctor and his wife came to Holland from El Centro, California, taking in the Cave of the Winds in Colorado Springs, Denver, Colorado; Pike's Peak, the canyons and points of interest in South Dakota. At Oage, Iowa, they visited Mrs. Hofstee's grand-

## HAVE YOU FRUIT CANS?

Benjamin Wiersma of the Holland welfare states there is an abundance of garden truck from the city gardens that can be canned for poor people but fruit cans are lacking. He would appreciate to have folks who have empty fruit cans to spare get in touch with him at the city hall.

## POLITICAL NOTES

There were but 8 Democratic votes cast in the First precinct of Park township and 16 in the Second district, William Comstock receiving all but 5.

John Den Herder and Ben Wiersma received tie vote for treasurer in the First precinct of Park, both men getting 47 votes each.

Marinus Kole and Paul Fredericks of the Second precinct, Park, will represent the Democrats at the county convention as delegates.

Henry Geerlings, Jr., is running for circuit court commissioner in this county, left the field open for the Henry we know, for he is not a Democrat, and there is no junior in his family.

John Den Herder and Ben Wiersma were tied in one precinct in Park as has already been stated. They did the same thing in Holland township, both receiving 99 votes.

Attorney Charles E. Misner, who had withdrawn as the Democratic candidate for prosecuting attorney in this county, left the field open for Attorney Louis J. Stempley, who recently "hung out a shingle" in Holland. Mr. Stempley received a fine complimentary vote in spite of his short acquaintance here. Mr. Misner, however, won the nomination since his name could not be withdrawn from the printed ballot. Undoubtedly the Democratic county committee will have to fill in the name and it is likely that Stempley will be the nominee anyway.

Senator Arthur Vanden Berg's name did not appear on the ballot at the primaries Tuesday for the reason that he had no opposition in the Republican ranks.

William Wilds, Ottawa county clerk, also had no opposition and for that reason his name also did not appear on the ballot.

Gordon F. Van Eenennaam, present state senator, won the Republican nomination for that office yesterday in the twenty-third district over Henry L. Wierenga, also of Muskegon. Mr. Van Eenennaam carried both Muskegon and Ottawa counties, although his opponent made a good run, especially in Muskegon county. Mr. Van Eenennaam will be opposed in the election by John Delfin, Jr., prominent young Democrat, who was without opposition. In the senatorial race Mr. Van Eenennaam had 3,928 votes in 41 of the 42 Muskegon county precincts, and Mr. Wierenga had 2,690 votes in Muskegon county (Muskegon Chronicle).

Charles E. Misner of Grand Haven, chairman of the tax court, announced his withdrawal from the contest for the Democratic nomination for county prosecutor at the primary Tuesday. He says: "Because of my office with the HOLC it becomes necessary for me to withdraw as a candidate for the office of prosecutor on the Democratic ticket."

The three precincts that were missing in the Ottawa county returns are found complete on the next page alongside of the tabulated figures on the entire county. A pencil and paper and a little figuring will give you complete figures by adding these returns to the amounts in the table of figures given the results of the candidates. It would be well to cut these out for future reference.

## Reformed Young Men Convene at Holland Sept. 19

HOLLAND LEAGUE HAS PRE-  
CONVENTION PEP  
MEETING

Members of the Holland League of Young Men's Societies have been busy for the past several months so that all may be in readiness for the fourteenth annual convention of the American Federation of Reformed Young Men's societies to be held next week, Wednesday and Thursday, Sept. 19, and 20, in the Prospect Park Christian Reformed church in Holland. The Holland League on Monday evening of this week gathered at Fourteenth Street Christian Reformed church for a "pre-convention pep" meeting, at which time several speakers addressed the young men following community singing led by Marvin Bos of the Christian High school faculty.

The first speaker on Monday evening's program was Dr. Garrett Heyns, superintendent of the local Christian schools, who gave a short talk on the subject "What the young man should get out of the coming convention. Mr. Heyns pointed out that it was up to the individuals to interest themselves in the various subjects to be discussed at the convention if they would derive benefit from the meetings, that by so doing these conventions would be successful for individuals and also for the promoting of Christian fellowship.

Following Mr. Heyns' talk a quartet composed of Harris Stegenga, Donald Schipper, Adrian Jacobus and Silas Huizinga, sang two numbers. John A. Swets, principal of the Holland Christian High school, and former president of the Holland League, then spoke of "Our Coming Society Year," discussing the general program which each society should foster. He stated that the young men's societies should be keenly interested in the political conditions of our country today, striving for practical Christianity in the light of the Word of God, also doing their part as good citizens.

Mr. Clarence De Graaf, president of Young Men's Societies, next gave a short talk on the coming convention, urging co-operation so that the convention may prove successful in every way.

Reports from various committees were also given at the meeting on Monday. The committee chairmen are as follows:

Banquet, Donald Westing; housing, Adrian Westhof; publicity and inspirational, meeting, Gerald Klansen; building committee, Gerald Bulthuis; registration and reception, James Hespink.

At the convention to be held next week, Wednesday and Thursday, the theme, "Present Day Issues Which Challenge the Young Men Today," will be discussed by several prominent speakers as Sen. Garrett E. Roeloff of Iowa, who will speak on the subject, "The World Is Headed for War, Should the Christian Resign Himself to the Necessity of War?" on Wednesday, Sept. 19, at 10 a. m.

**"Socialism" on Program**

On Wednesday afternoon Dr. H. J. Ryskamp, head of the economics department of Calvin college, will address the general assembly on the subject, "The Socialism of Mr. Norman Thomas and the Christian."

A big inspirational meeting will be held Wednesday evening, Sept. 19, at 7:45 p. m., in the Central Avenue church. Dr. H. H. Meeter of Calvin college will give the principal address on "Calvinism and Asceticism." A program has been arranged by the Holland League. This will be a public meeting, as are all the convention sessions. But to the inspirational meeting all the young people within driving distance are especially invited. Societies from Muskegon and other outlying points have already promised to come in a body. A large attendance is expected. This inspirational meeting is for young women and young people's societies as well as for young men.

**Thursday Program**

Thursday at 10 a. m. Dr. George Goris, pastor of the Fuller Avenue Christian Reformed church, will speak on the subject, "Wholesome and Unwholesome Repression in the Life of the Christian Young Man."

Starting at 2:30 p. m. Thursday the subject, "Our Society Meetings," will be discussed. The Rev. H. Keestra, editor of De Wachter, a Christian Reformed Holland weekly publication, will speak on the subject, "Methods of Bible Study."

At 3:30 p. m. Prof. Harry G. Dekker, head of the chemistry department at Calvin college, will discuss the subject of "After Recess Activity in Our Societies."

**Banquet Final Event**

At 6 p. m. Thursday the closing banquet will be held at the Holland Christian High School building. Prof. Clarence DeGraaf, president of the Holland League of Young Men's societies, will preside and Attorney Gelmer Kuiper, Chicago, will act as toastmaster.

Leagues of Young Men's societies from as far east as New Jersey and west as far as Denver have sent in reservations.

Many Grand Rapids men are represented on the federation board, including President Richard Postema, principal of the Grandville Christian school; Vice President Dr. William H. Jellema, professor of philosophy at Calvin college; Secretary-Treasurer John Daling; Prof. L. Berkhof, president of Calvin seminary; E. R. Post, principal of Grand Rapids Christian High school, and Rev. H. Keestra of Allendale.

Van Duren of Indianapolis, Indiana, is also a guest at the home of Mrs. Van Duren. Mrs. Cox is a daughter and Mr. Van Duren, a son of Mrs. G. J. Van Duren.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

Last Wednesday, Sept. 10, Mr. Rokus A. Kanters of this city was married at Grand Haven to Miss Lizzie G. Oggel of that city. The newly married couple immediately left for Chicago from where they will go to Buffalo, Niagara Falls and the East, returning after an absence of two weeks, and will take up their residence in Holland. Here is hoping that you and your wife will live long and prosper, Rokus, and your many friends and acquaintances in this vicinity join with us in our toast. Note: The wish of "long live" has been fully fulfilled. Mr. and Mrs. Kanters are still living, now at Kalamazoo, and a golden wedding anniversary is due. Rokus, only one of two of the large pioneer Kanters family, still living. Marius, his brother, who must be far in the eighties, is living in California. He built the first pretentious later day home in Holland, afterward owned by Dr. A. Leenhouts, now by Mrs. B. P. Donnelly, at Maple Ave. and 12th St. "Lane" Kanters was chief of the fire department here for years and was popular with everyone. Miss Jennie Kanters was head of our public library and a much beloved woman who did much for the city. "John D.", the local printer, passed on about two years ago; the late Gerrard Kanters was at the head of the Racine Chamber of Commerce and many years ago all the brothers were interested in the Kanters Brothers Hardware store in the building now occupied by Jack Knolls, plumber, the two telegraph companies and style shops. The father, Rokus Kanters, was mayor of Holland, repeatedly was publisher of De Hope, and became wealthy building harbors with brush as they did in the Netherlands. Among the harbors so built was Holland, Lincoln Park, Chicago, Buffalo, New York, and Galveston, Texas. The balcony building just east of Holland theatre was the Kanters homestead, the mecca of early Holland society, and the large tenement house back in the lot to the east was at one time the Kanters stables and carriage barn. Yes, they had everything, money could buy and the old gentleman was liberal to everyone when this was possible. You will notice that newlyweds went to Niagara Falls even 50 years ago. Miss Oggel was a member of the very prominent Oggel family who were pioneers in this vicinity. John Oggel, East Twelfth street, Holland, is one of this family.

Sybrant Wessels, well known in this city as a student at Kent College, was admitted to the Kent county bar Tuesday with ringing compliments from his examining judges. Note: This attorney was undoubtedly the biggest man in point of stature in Grand Rapids, or Michigan. In size he was again as large as an ordinary man. He was an outstanding political figure and in Republican conventions he stood head and shoulders above even the tallest delegate present. His voice was in keeping with his tremendous figure—"Stentorian" is putting it mild. He married Miss Effie Bangs, a daughter of a one-time superintendent of schools here, who, by the way, was your editor's teacher at one time. Under Gov. Hazen S. Pingree, he was appointed railroad commissioner and was a candidate for congress repeatedly, but was defeated always. He was the stormy petrel in the Republican ranks and "could he storm" Mayor Bosch at one time studied law in the office of "Wess." We are wondering if it is there were Nick got his smattering of law which stands him in good stead now and besides absorbed a dose of that "obstreperousness"—with apology to Webster.

**TWENTY-FIVE YEARS AGO TODAY**

Word has been received from Plainfield, N. J., telling of the death of Mrs. Gertrude Scott Van Pelt.

Miss Margaret Doughman and Mr. Cecil Roberts, both of Springfield, Ohio, were united in marriage Thursday, August 30, at the parsonage of the Methodist Episcopal church, Holland, Michigan.

The Rev. T. Brownlow performing the ceremony. Mr. and Mrs. R. Voris and their daughter, Dorothy Voris, also of Springfield, were the attending witnesses. They formerly lived in Zeeland and are now resorting at Ottawa Beach.

**FIFTEEN YEARS AGO TODAY**

Zeeland strikes a sugar famine and one reason was that a large number of Holland folks who failed to get their allotment of sugar in Holland quietly sneaked to Zeeland with their autos and purchased one or two groceries, among these a large order of sugar. The Zeelanders thought it strange that so many strangers were trading but then one "tumbled" to what it all meant, and phoned other grocers who had had similar experiences. When an inventory was taken Zeeland found that it had been cleaned out of sugar and they immediately put the lid on the sugar barrel tight. Note: Will we ever forget the war rations folks were forced to do up with during and shortly after the World War. Sugar was one of these commodities short (?) Movies and stage performers made much sport of the sugar shortage at that time—one joke was fastening a lump to a thread and coffee drinkers were supposed to receive one or two dips instead of that many lumps.

Holland has a population of 12,522, Grand Haven, 6,678.

The News devotes at least a column to the death of Henry G. Pelgrim, who was born in North Holland March 25, 1881. Before his death he was assistant manager of the Bay View Furniture Co.

Simon Verwey has resigned his position as letter carrier at the Holland post office. He had served 15 years, taking the place of Frank Doesburg, one of four mail carriers selected when free delivery service was inaugurated in 1897. He is now living in Detroit and was the only son of Isaac Verwey, editor of De Grondwet, printed in Holland by Leendert Mulder, when this newspaper was at the peak of its success.

### widow of Rev. Daniel Van Pelt,

pastor of Hope Church in 1879 to 1882, who was a daughter of Dr. Charles Scott, former president of Hope College. Note: We might add that a brother, Ed Scott, of the north side is still living in Holland.

Ray Knoll, driver for Eagle Hose Company, No. 1, entertained the members of the department, together with the chief and his assistant. The guests presented Mr. and Mrs. Knoll, who were recently married, with two handsome rockers. Mrs. Knoll formerly was Miss Mae Streeter.

When John Van Taten Hove opened the P. S. Borer store he was surprised to find that burglars had entered during the night. After an investigation it was found that six fine suits of clothing were missing, besides several gold cuff buttons, these alone totaling in value \$150. The cash drawers were pried open but contained only a little change. In a hurried "get away" the burglars left a suitcase, also of the firm, standing on the floor filled with socks, neckties, collars and small stuff taken from boxes and show cases. Note: John at that time was head salesman at "Dick's" store and a close friendship existed between these two for more than a quarter of a century. John has conducted the French Cloak store for fifteen years at least.

It has been learned that 10,000 new Lincoln pennies are on route to the First State Bank. Note: These pennies never arrived for train robbers held up the train and stole the Lincoln pennies, together with a lot of other money while in transit from Pennsylvania. The government sent the bank 10,000 pennies more with the information that one of the robbers had been caught, confessing that he thought the shiny coppers were five dollar gold pieces. Imagine his disappointment. In his anxiety to get the "gold" under cover he was caught.

**SCHOOL ATTENDANCE  
SMALLER IN ZEELAND**

The total registered attendance at Zeeland public schools for the school years 1934-1935 is 33 less than one year ago. This reduction is primarily resulting from the reduced enrollment in the kindergarten which compares as 28 for this year with 65 one year ago. The enrollments are in both cases exceptions from the general average of about 35. Because of the light enrollment this fall the board of education is making an exception from its general ruling on the age limit of beginners, to which it has adhered for several years. The rule has been to admit beginning pupils in the kindergarten whose first birthday occurred before the first of February of the school year. The variation from this rule this year is made to admit all pupils whose fifth birthday anniversary occurs during the months of February and March of the present school year. It is hoped to raise the attendance by seven or eight pupils and make the present kindergarten attendance measure up to the average attendance of several years.

**MANY ZEELAND PEOPLE  
ARE TEACHING**

The following Zeeland young people have resumed teaching duties recently: Mabel De Jonge, Allegan; Myrtle De Vries, St. Louis, Mo.; Ruth Glurum, Rapid River, Mich.; Naomi Van Loo, Woodland; Esther Glurum, Three Oaks; Nellis Tanis, Manistiquie; Cecilia Ver Hage, Constantine; Mary Van Eenennaam, Detroit; Florence Kossen, Noordloot; Edna Brandt and Delia Ooswaarde, Grand Rapids; Catherine Janssen, Gitchell; Ruth Hietje and Harriet Baron, Byron Center; Julia Van Dam, Constantine; Arloa Van Peursem and Lois De Pree, Kelloggsville, Michigan; Harriet Boschma, Forest Grove, and Sena Bos, Drenthe.

**SUCCESSFUL YEAR BY  
VIRGINIA PARK CLUB**

The Virginia Park Community club held its annual business meeting Monday evening with approximately 40 members being present. Reports of the officers and various committees showed that the club had a most successful year, providing some fine recreation and entertainment and also keeping ahead financially.

Officers re-elected for the ensuing year are: William Winstrom, re-elected president; Peter Van Houw, vice president; Edward Munson, secretary; Albert Brinkman, treasurer, and John Klomprens, corresponding secretary.

**FELL STARTS 25TH  
SEASON IN HOLLAND**

E. E. Fell, veteran educator, will begin his twenty-fifth consecutive year as superintendent of Holland's public school system with the opening of school next Monday.

Mr. Fell began his career as an educator in 1901. Before coming to Holland he was connected with schools successively at Riverdale, East Tawas and Caro.

Dr. and Mrs. Wynand Wichers of Holland passed through Zeeland on Tuesday on their return trip to Europe. They left Holland June 25 for Quebec where they set sail for England on the Empress of Britain, June 30. They toured England, Holland, Belgium, France, Germany, Italy and Switzerland. They witnessed the 1934 presentation of the Passion Play at Oberammergau, Germany. They embarked from Cherbourg, France, on September 4 on the Bremen—Zeeland Record.

Mrs. E. G. Baker and son of Chicago were the guests of Mr. and Mrs. L. N. Tyner, 334 River avenue.

## Enrollment At Local Schools Shows Increase

ELEMENTARY SCHOOL REGISTRATION LOWER THAN 1933; HIGH SCHOOL AND JUNIOR HIGH MUCH HIGHER

Vacation is over and school bells are again pealing out their call to students each morning and noon. A total of 3,881 pupils are enrolled in the local schools of which 2,997 are attending Holland's public schools, 759 the local Christian schools, as already given in last week's paper, and 125 in the St. Francis de Sales Catholic school. This total figure is augmented by those of high school age attending Hope High school.

Supt. E. T. Fell states that the enrollment in Holland's public schools totals 2,986 as compared with 2,930 in 1933, with a decrease in the elementary-school registration but an increase of 73 in Junior High and 22 in Holland Senior High school.

The enrollment in the several schools as reported by Supt. Fell follows:

Holland Senior High, 680 this year as compared with 658 in 1933. Junior High, 752 this year, 679 in 1933.

Froebel school, 229 this year, 215 in 1933; Washington, 444 this year, 433 in 1933; Longfellow, 325 this year, 330 in 1933; Van Raalte 328 this year, 337 in 1933; Lincoln 239 this year, 252 in 1933.

Principal J. J. Riemersma of the Senior High and Principal Minnie K. Smith of Junior High state that the respective schools are overcrowded, the high school assembly hall being so filled that some of the students have been placed in the balcony.

No doubt this condition is due to the fact that many parents realize that a certain amount of education will fit their children better for the present strenuous life ahead and also in many cases where work is not available, many students are applying themselves to advanced education while they have the time to do so.

**FORMER JUDGE ORRIS  
S. CROSS HONORED AT  
JUDGES' CONVENTION**

The Michigan Judges' Association and the Michigan Bar Association jointly held their convention at Mackinaw Island last Saturday. Many of Holland's "legal lights" attended.

Former Judge Orris S. Cross was specially honored at the convention, being re-elected as secretary and treasurer of the Michigan Judges' association, and also elected a member of the board of directors of the Michigan Bar association.

**FUNERAL OF FORMER  
HOLLAND GIRL WHO DIED  
IN AUTO CRASH MONDAY**

The funeral of Mrs. John E. Winter, who met an untimely death while returning from a visit to Holland to her home in Morgantown, West Virginia, took place Monday afternoon from the Nibbelink-Noter mortuary where the remains had been taken after the accident.

It was a pathetic occasion for the family group had been visiting relatives here as well as in this vicinity and had also visited the World's Fair at Chicago, and were slowly motoring home when the terrible accident occurred a few miles from Toledo.

As near as can be ascertained, Professor and Mrs. Winter and son Lawrence of 13, with Mr. Winter driving, were in the car and struck some very rough roads and in some unaccountable manner the steering gear locked, the automobile turned about and collided with a tree on the roadside. Mrs. Winter sustained a crushed skull, the son also had a skull fracture, and his right arm was broken. Dr. Winter was badly cut about the head and fractured a knee cap.

It appears that Mrs. Winter was killed instantly and the son is still in critical condition at Toledo hospital, Toledo, Ohio, where Prof. Winter is also confined.

The body of Mrs. Winter was taken to Holland and funeral services were conducted by Rev. Lester French of Cairo, who has been associated with the Winter family as university pastor in Morgantown for a decade, and who is now pastor in Cairo, Michigan. Rev. E. J. Blekkink, former pastor of the deceased when she lived in Holland, assisted in the funeral services. Interment took place in Fairlawn cemetery.

A pathetic part of the funeral was the fact that the other injured members of the family could not be present. Mrs. J. J. Deltas, family, escaped the wreck, having planned to remain in Chicago, coming home a day late in a second car.

Mrs. Winter was born in Grafschap in 1880, and was the daughter of the late Mr. and Mrs. Germ W. Mokma, her maiden name being Lema Mokma. The father was cashier of the First State bank shortly after it was organized and continued to be for many years afterwards.

Mrs. Winter was prominent in university and social circles, having been director of Phi Chi Delta, Presbyterian sorority. She recently attended the marriage of Miss Margaret French, daughter of Rev. French, to Steven Clink of Muskegon in Cairo.

Besides her husband and son, Lawrence, she leaves another son, James E. Winter of Fairmont, W. Va., who is an electrical engineer with the West Penn Power company, and a sister, Mrs. A. J. De Vries, of Holland; the son, James Winter and Mrs. Winter, Mrs. Lohhart and daughter, Gladys of Wheeling, W. Va., and Mr. and Mrs. De Haan of Grand Rapids were among those from out of town who attended the funeral.

Mr. Winter is head of the philosophy department of West Virginia university at Morgantown.

**CLARE HOFFMAN NOMINATED  
CONGRESSMAN**

Attorney Clare Hoffman, well known in Holland, received the nomination for congress on the Republican ticket. The Allegan man received 9,791 votes. Barnard, the former congressman, received 8,237 and Burham 7,097, giving Hoffman a 1,454 plurality. Mr. Hoffman received the congratulations of his opponents and will be opposed by the present Democratic congressman, Foulkes, who has been having quite an argument with fellow Democrats over Allegan county post offices which called for an investigation by Uncle Sam.

Mrs. School of Chicago, mother of Mrs. Henry Garley, is a guest at the Carley home at 337 River avenue.

## When Mc Brides Experienced A Boat Disaster

MRS. THOMAS HORGAN IS  
SPEAKER AT LUNCHEON

Mrs. Thomas Horgan, better known to Holland folks under her maiden and pen name of Maxine McBride, opened the meetings for the new year in the Holland Exchange club by giving a very graphic account of the ship wreck experience by her mother and herself a few years ago off the coast of Bermuda. Because of the very recent and terrible disaster in the burning and sinking of the ship Morro Castle, her talk was unusually interesting as it helped the members present to picture somewhat more clearly the confusion, anxiety and suffering experienced through such a catastrophe.

Leaving Boston, she said, on one of the fast regular liners, the Prince David, Bermuda, the captain had ordered the ship to make full speed ahead at 23 knots per hour so as to arrive ahead of an impending storm.

It was this very high speed which when the boat grounded on a reef near the Bermuda, prevented a heavy loss of life as the boat was held tight for a sufficient period to allow all to be taken off and put in the rescue boats and then placed safely on the steamer coming to the S. O. S. call.

McBride said she was unusually impressed by the calmness and good spirits prevailing among the shipwrecked people. No one tried to crowd others out of line, but all seemed orderly and did their share in keeping up the morale and courage of the group. But what she criticized was the confusion and inexperience shown by the crew in getting the life boats down and manned and filled by the people on board the sinking ship. In her opinion, more thorough and frequent drills should be held by the crews on passenger liners in launching life boats down to the water level so that this rescue work will go smoothly and efficiently in time of great need.

Her mother got on the first boat and this had no oars, while she was on the second and this drifted around minus a rudder. So it took two hours of drifting before the three miles to the rescuing steamer, Lady Somers, were negotiated

With the approach of the opening of the institution set for Sept. 19, Hope college fraternities are preparing to open their fraternity homes, located in close proximity to the campus. The Fraternal society, the oldest of the group, will begin the second century of its organization. Others are Knickerbocker, occupying Holland's former city hospital; Cosmopolitan and Emersonian, their homes bordering three corners on Centennial park.

Gerrit Neerken, resident of Holland and vicinity since 1863, the

year he was born, is one of few persons whom people need not ask his vocation. A glance at his hair, eyebrows, mustache and hands will suffice. The purple tint acquired through employment in a dye factory furnishes the unmistakable clue. Neerken has been employed in the local dye works 15 years and the purple color clings to him. In winter when snow covers the ground Neerken's purple tracks can be easily traced. Neerken is one of three brothers born on the same day of the month, but in different years. The date is March 16. He is the only survivor. He was employed on farms near Graafschap, served his township as justice 12 years and formerly was manager and secretary of Graafschap creamery before locating in Holland in 1914.

Miss Gladys Meeboer of Zeeland, and Mr. H. Smallegan of Holland spent Sunday in Grand Haven, the guests of Mrs. H. Van Zantwick and Maud Cook.

The presentation was made by Mayor J. H. DePree.

## Legion Notes

Our next meeting will be held on the 26th.

And it will be a big one. The meeting will be held at Meyerhausen's Tavern, at the corner of US-31 and M-50, at 8 p. m. Those driving are asked to stop at the city hall between 7:15 and 7:30, where everyone will meet. The last car will leave not later than 7:30 p. m.

The four posts of the county will be there for the installation of officers. Grand Haven arranged for the place and part of the lunch; Coopersville got the installing officer and the program; Holland and Zeeland are to prepare the rest of the lunch. Everyone will be given a chance to buy 5 tickets for 25 cents, which will be good for a sandwich or cup of coffee. So the evening should not cost more than 25 or 30 cents.

The call of the convention is being heard, and quite a number are heeding it. Comrade Joldersma and his frau, together with the auxiliary delegates, Mrs. Ver Meulen and Mrs. Slooter, left Thursday

morning. Comrades De Fouw and G. D. Bos, with their better halves, leave Thursday night; Al Van Lente, Louie Dalman and Heinie Cook leave Friday night. Others that will go are Spike Manting, Doc Westrate, Chet Van Tongeren, M. Kole and Heinie Geerds.

The department headquarters is not putting on a band contest this year, hence our band will not be in the parade. They'll miss that band, and some of the other bands, too.

Don't forget, Wednesday, the 26th; meet at the City Hall and wear your cap.

OWNER OF INN ASLEEP  
BUT WOULD BE THIEVES  
LOSE NERVE AND LEAVE

Bungalow Inn, located between the bridges on US-31, was broken into but the robbers evidently were deterred from their job when they found the proprietor asleep there armed with several bad looking guns. The breaking and entering was reported to the Grand Haven police by a delivery boy who discovered the broken window and the owner still asleep. A city officer went to the Inn, awoke the proprietor and told him the story. As there have been several breakings the owner decided to sleep there and catch the bandits in the act. At least he succeeded in scaring them away.

COAST GUARD TOWS  
AMPHIBIAN TO SAFETY

A Pennsylvania Airlines amphibian, carrying three employees of the company, was forced down on Lake Michigan about 25 miles off Grand Haven where they were forced to remain until picked up by the coast guard crew under command of Boatswain William E. Preston.

Hunter S. Robbins, with Harold Smith, in the Robbins speed boat, arrived at about the same time as the coast guard crew and assisted by bringing W. J. Davis, station manager at Grand Rapids, to Grand Haven. Besides Mr. Davis there were two pilots, Samuel Carson, Milwaukee, and A. W. Leighton, Grand Rapids. The last two remained with the plane while it was being towed into port by the coast guard crew.

Lake Was Calm.

There was no sea and the occupants were comfortable awaiting aid. A connecting rod in the engine had broken, it was stated. After being 10 minutes overdue at Milwaukee a plane was sent out over the course. The pilot picked up the amphibian on the water and circled over it to guide those coming to the aid of it.

The airlines company followed the usual rule of checking every overdue plane and they had no trouble in finding the ship which had drifted somewhat out of the course.

Mr. Robbins was cruising down the river when he learned that an amphibian was down. He shot out of the harbor and it took him just 45 minutes to make the run. Those aboard the plane saw the spray for many miles and Mr. Davis welcomed the prospect of a quick return to shore, he stated. On the way back Robbins met the Escanaba, inadvertently getting into the swells, and took one of the big waves overboard which soaked the party, a far wetter experience for Mr. Davis than any on the plane.

The coast guard towed the ship into port and the pilots remained to repair the engine.

Strike at Fennville  
Cannery Is Ended;  
Strikers Parade

End of a strike that had crippled operations at the canning plant of the Fennville Fruit exchange was announced Saturday by Frank Luplow, president of the co-operative exchange operated by fruit growers.

Luplow said 40 men and women employees had returned to work and that 35 others would not be taken back. The strikers sought an hourly wage increase of from 15 to 25 cents.

Approximately 100 men and women walked out from their jobs at the Fennville Fruit exchange packing plant here today in a dispute over wages. The strikers made their protest vocal during a parade in the vicinity of the plant; there were no real disturbances.

The fruit exchange is a co-operative organization operated by the growers in this orchard area. The plant at this time has on hand quite a large supply of pears, plums and apples. Following the strike an effort was being made to operate with a curtailed force.

"Our help had no just grounds for quitting," said Mr. Payne, the manager. "This is a growers' organization and is not operated under the NRA. We have been paying the workers all we could, considering the price we are getting for our products. We want to be fair and know that some satisfactory adjustment can be made."

Mr. Payne said not more than 60 workers walked out.

**RURAL AGRICULTURAL STATE AID TOTALS \$229,563**

Eighty-eight rural agricultural school districts and seven township school districts will receive \$229,563 this week from the state of Michigan. This aid is used for maintenance and transportation costs.

The 95 school districts participating are located in 47 counties, of which 13 schools are in the upper peninsula and 34 in the lower peninsula. The combined area of the districts participating in this fund is more than one-tenth of the area of the state. Within this area 15,000 children are transported daily to school in 487 busses. The average length of each bus route is 7.5 miles.

Valuations  
of County  
Are ReducedREDUCTION OF \$300,000 MADE  
BY STATE BOARD OF  
EQUALIZATION

A reduction of \$300,000 in the valuations of Ottawa county has been made by the state board of equalization following a conference with Ottawa county representatives and the state tax commission. This information was received yesterday by Peter Ryenga, city assessor, who is one of the committee that went to Lansing on Aug. 20.

The value of property in this county as assessed by the board of supervisors for 1934 was \$43,964,784. The amount added by the state board of equalization was \$2,221,216 or \$300,000 less than the equalization figures fixed before the county committee contacted the state board.

The aggregation of valuation as equalized by the state board in 1934 is now \$46,186,000, which places the percentage of state tax at .00829954.

The committee appointed from the board of supervisors included George Heneveld, chairman; Peter Ryenga, city assessor; Peter Van Ark, Holland; Cornelius Rosenraad, Zeeland, and Albert Hyma, Holland township.

THIRD OF OTTAWA'S  
JOBLESS HELD UNFIT

The Ottawa county survey of families on relief rolls showed that more than one-third of the male heads of families are unemployed. Of the 1,558 cases on the county rolls in July, it was shown that 553 of the number are not fit for jobs; they were they to be found. The largest number are regarded as unfit for work because of advanced age.

The percentage of women able to work is still smaller. Of the 1,380 women on welfare rolls as of Aug. 1, only 505 are classed as employable. The survey was completed recently by investigators of the county welfare administration. A survey of the Michigan rural rehabilitation corporation is now being conducted.

The Jason Lee "covered wagon" drew into Portland, Oregon, September 6 on a cross-country trek from Boston in celebration of the centenary of the arrival in Oregon of Mr. Lee, the Methodist missionary. The trip of the "covered wagon," which is powered by a gasoline engine rather than by horse, was arranged by the Methodist board of home missions and church extension. The tour started last April 16, and was timed to permit arrival in Salem next Saturday, the exact anniversary of the date Jason Lee reached Salem 100 years ago.

ON US-31 AND DIED OF  
INJURIES

Albert Steel, age 52, living on Holland Route 6, died Saturday morning at Holland hospital several hours after he had been struck down by an automobile driven by Mark Taylor of Chicago, just north of Lakewood Boulevard on US-31. Harold Westrate rushed the unfortunate man to Holland hospital, where death finally ensued.

Taylor explained to the police that he failed to notice the narrowing of the pavement towards the so-called Getz road and struck loose gravel which prevented proper steering and consequently his car struck Steel, resulting in his death.

The sheriff's department had several deputies on the job since this was a county case. Among them were Joe Wiersma and Peter Wiersma and Tony Gronewald, deputy from south Ottawa county. Steel was returning from a roadside stand when the accident occurred.

Physicians at Holland hospital said that the unfortunate man sustained a fractured skull, concussion of the brain, and possibly internal injuries. He was in great pain it appeared, but did not regain consciousness.

A coroner's jury was immediately called by Coroner Vande Water and brought in a verdict of accidental death and also demanded that the proper danger signals calling attention to loose gravel be placed at that point on the highway. Prosecutor John Dethmers appeared for the people.

The coroner's jury was composed of the following men: Abel Postma, James Vander Hill, J. A. Van Putten, Henry Van de Linde, Cornelius Klansen and August Kasten.

The remains of Mr. Steel were taken to the Nibbelink-Notier mortuary and funeral services were held on Tuesday at 1:30 from the home and at 2:00 from the Ninth Street Christian Reformed church. Reverend N. J. Monsma, the pastor, officiating. Burial took place in Fairlawn cemetery, formerly known as Holland Township cemetery.

On motion of Ald. Huyser, seconded by Drinkwater, Resolved, that it be the sense of the Council that stokers be installed and that the committee proceed to receive the necessary bids and present them to the council at the next meeting.

Carried. Ald. Drinkwater again brought up the matter relative to the necessary gas-burning equipment for the Sewage Disposal Plant. The Mayor informed Mr. Drinkwater that he was very much in favor of going ahead with this work but he did not know where the money would come from at this time and felt that it would be impossible to do anything until the next appropriation bill is passed in 1935 before this money would be available. Ald. Thomson, Chairman of the Sewer Committee, reported having received a bill from Mrs. Susan Vander Veen for repairs to her sewer line. This work was put in by F. & P. Bouwman, who billed Mrs. Vander Veen in the amount of \$44.00 as her share of relaying the sewer. It was further explained that this is a party sewer line and Mrs. Vander Veen felt that the city should assist in standing at least some of this expense, if not all of it.

Referred to Committee on Ways and Means.

Communications from Boards and City Officers. The claims approved by the Hospital Board in the sum of \$3,220.65; Library Board, \$215.68; Park and Cemetery Board, \$1,158.44; Police and Fire Board, \$1,176.42; B.P.W., \$10,411.40, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed. B.P.W. reported collection of \$20,658.85; City Treasurer, \$64,548.45; City Treasurer, taxes, \$64,544.34 (collected from Aug. 13 to Sept. 1, 1934).

Accepted. Clerk reported interest coupons due in amount of \$597.50.

Ordered paid. Clerk presented communication from B.P.W. recommending purchase of carload of crossarms from Graybar Electric Co., at cost of \$781.10.

Approved. Clerk presented communication from Board of Health recommending that the city ordinance covering the wholesaling of fresh meats be referred to the Ordinance Committee for amendment in order to give the city added protection in preventing the sale of unwholesome meats.

Referred to Ordinance Committee. Clerk presented communication from Police and Fire Board, recommending to the Council that Harvey Weemhoff be paid \$250.00 for his services as architect in connection with the construction of the new Police Station.

There was a difference of opinion among the Aldermen in regard to the amount that should be paid. Mayor Bosch opposed any such payment as recommended, stating that the services rendered did not warrant such an amount. After some discussion, and on motion of Ald. Kleis, seconded by Bultman, it was moved that he be paid \$150.00 in full settlement of his bill. Carried 11 to 1.

Board of Assessors submitted Special Assessment Rolls of lots and lands comprising the several street improvements, sanitary sewers and compulsory sewer special assessment districts for payment of principal and interest on installments due Feb. 1st and Aug. 1st, 1935.

Confirmed, all voting aye. Adjourned.

Oscar Peterson, City Clerk.

## SUNDAY DINNER SUGGESTIONS

By ANN PAGE

A DECIDED drop in the price of butter is good news for food shoppers. Eggs are no more expensive but even the cheapest egg is good, thanks to cooler weather. Cheese stays cheap and cheese is one of the best foods we have. Meats continue high or higher.

Potatoes are remarkably fine in quality and even cheaper than they were a year ago. People afraid of excess weight have made many other people forget what a delicious and healthful food potatoes really are. The trouble with potatoes is the number of extra bits of butter that are eaten with them or the fat they are fried in.

Fruits are plentiful and low or moderately priced, including several varieties of grapes, melons, apples and pears. New crop grapefruit are juicy and well flavored. Fresh prunes, crabapples and quinces will help fill the preserving closet.

From our market information the following menus are made up:

Low Cost Dinner

## When Banker and Depositor know each other

This is a machine age in industry and the influence of machines will be still greater in the next decade.

Banking, however, is constantly becoming more personal. We are entering a period of better feeling and better understanding between banks and their depositors. Relations will be steadily closer, franker, and more confidential in character.

Because of its close connection with individual and community welfare, banking can never become mechanical in its service. It is more than ever important that the banker and the depositor know each other.
