Funeral services for Mel Trotter, 70, crusading evangelist of international fame who died unexpectedly of a heart attack Wednesday morning at his summer home in Macatawa park, will be held Saturday at 2 p.m. from the Mel Trotter Rescue Mission in Grand Rapids formerly known as the City Rescue mission.

The services will be in charge of the Rev. Homer A. Hammon-tree, director of the music course at Moody Bible institute, Chicago, who for many years accompanied Mr. Trotter in evangelistic campaigns. Others who will offer brief remarks will be Arthur Blackmore, superintendent of the City mission at Erie, Pa.; the Rev. Henry Beets who will represent the Grand Rapids ministers; Walter Clark representing the board of trustees of the mission, and the Rev. Howard A. Hermanson of Chicago, an old friend of Mr. Trotter.

The body will lie in state in the mission from 10 a.m. Saturday to the time of the services. It now reposes in the Metcalf funeral home. Following the rites at the mission the body will be placed in the Graceland mausoleum.

Melvin (Mel) E. Trotter, 70, widely known throughout America and Great Britain as an outstanding evangelist, dropped dead unexpectedly at 9 a.m. Wednesday at his summer home in Macatawa park. Trotter, who has been superintendent of the City Rescue mission in Grand Rapids for the past 40 years, had been ill of heart trouble for several months. His condition had been critical earlier this year and he was confined in a sanitarium in North Carolina for several weeks.

Mel Trotter is a brother of George Trotter who has been serv-

Mel E. Trotter

ing as head of the Holland City mission since 1933. The former had always been in close touch with the work in the local mission which he helped organize many years ago.

Mr. Trotter was born in Orangeville, Ill., May 16, 1870, the son of William and Emily J. Trotter. He was educated in public schools and was ordained to the ministry in 1905 by the Presbyterian Church of the United States. He was awarded a doctor of divinity degree by the Bob Jones college of Cleveland, Tenn., in 1935.

Trotter was converted Jan. 19, 1897, at the Pacific Garden mission in Chicago after drink was ruining his life. At that time he got a job as a barber and spent evenings at the mission. He founded the Grand Rapids mission in 1900. Later that year his brother, George, became converted and assisted in the work. Since that time Mel founded 67 missions including those in Milwaukee, Saginaw, Chattanooga, South Bend, Muskegon, Kalumazoo, Los Angeles, St. Paul, Pittsburgh and Dayton.

Several years ago he attended the Dwight L. Moody centenary in Great Britain along with Dr. H. A. Ironside, pastor of the Moody Memorial church of Chicago. They were two of the American representatives invited to participate in the celebrations arranged by the London Centenary committee.

Mr. Trotter recently completed a book entitled "These Forty Years" in which he wrote of his experiences during the time he served as superintendent of the Grand Rapids mission. He wrote "Jimmy Moore of Bucktown" in 1910 and "The Double Cure" in 1920.

FIVE ARRESTED IN RAID ON FAIR FREED ON BOND

Group Is Bound to Circuit Court After Hearing Is Waived

One of Games Is Seized at Hudsonville and Brought Here

Arraigned Friday afternoon before Municipal Judge Raymond L. Smith on charges of operating gaming devices at the Hudsonville community fair, five concessionaires waived examinations and their cases were bound over to Ottawa circuit court.

The defendants, including two women, were Phyllis Comrie, 21, of Grand Rapids, Geneva Schuitema, 28, route 2, Zeeland, Grover C. Noffsinger, 55, Alberta, Mich., Millard Perry, 24, Wayland and Clinton Downs, 60, of Battle Creek. Each furnished \$500 for their release pending arraignments before Judge Fred T. Miles.

The charges against the concessionaires were filed Friday with Municipal Judge Smith by Prosecutor Elbert Parsons after he and Deputy Sheriff William Van Etta visited the fair Thursday night when, the prosecutor said, they found evidences of gambling.

With the issuance of the warrants, Deputy Van Etta, State Troopers Ellis Potter and Robinson of the Grand Haven post went to the fairgrounds Friday, arriving about 2:30 p.m., to arrest those named in the warrants.

The officers reported finding a large crowd on the fairgrounds and considerable time was required to locate the defendant concessionaires.

Those arrested had little comment. Deputy Van Etta said, except they couldn't understand why they were being arrested. One of the alleged gambling games was confiscated by the officers and brought here on a truck, it being the one in which balls were thrown at the figures of Hitler, Stalin and Mussolini.

Results of the primary election which were held last week to nominate 12 nominees for the six directorate posts on the board of the Holland Chamber of Commerce were announced today by Secretary-Manager E. P. Stephan following a tabulation of the votes.

The 12 members receiving the highest number of votes were declared nominees by the committee. TWO TRUCKS IN OTTAWA UPSET

Two accidents on county highways, involving trucks, were reported by Deputy Sheriff William Van Etta Tuesday. Drivers of the two trucks escaped injuries.

An Associated Truck Lines truck, driven by Martin Krikke, 23, 147 West 16th St., tipped over on its side into the heavy mud along side of M-21, two miles east of Hudsonville, about 11 a.m. Monday.

Krikke who was driving west reported to the officer that the right front tire blew out, causing him to lose control of the truck. The vehicle first struck a guard post before overturning.

It was necessary to block M-21 for approximately three hours and to route traffic over another road while the truck was removed from the ditch and hauled onto the road.

An oil transport truck with a four-wheel trailer which was owned by the Old Dutch Refinery of Muskegon overturned on the south end of the sharp curve of US-31 at West Olive at 5 a.m. today.

Name of the driver was not learned. Deputy Van Etta reported that the truck was loaded with about 6,000 gallons of oil but the tank did not break open and only about 20 barrels of oil were lost.

Conservation Officer Forrest Lavoie went to the scene of the crash with Van Etta to see whether any of the oil drained into a nearby creek but none of the oil reached there.

A milk truck driven by Harold A. Jenkins of Allendale and a car driven by Harold A. London of Detroit were involved in a crash on M-21 in Hudsonville about 9 a.m. Monday.

London was driving east while Jenkins who was driving west on the highway attempted to make a left turn into the creamery yard. Deputy Sheriff John De Vree of Hudsonville, who investigated, reported the drivers suffered minor bruises.

Mr. and Mrs. L. H. Kolb of Hazelbank announce the birth of a son, Larry Roberto, Tuesday in Butterworth hospital, Grand Rapids.

With a few scattered precincts still missing, Republican voters of Ottawa and Muskegon counties had apparently nominated John Dykstra of Muskegon in Tuesday's election as its nominee to oppose Ernest C. Brooks of Holland, the Democratic nominee, in the fall election.

Brooks who served one term as state senator from the 23rd district but was defeated for reelection in the election two years ago was unopposed in Tuesday's primary.

Three other candidates sought the Republican nomination for state senator but Cyrus M. Poppin of Muskegon appeared to be the runnerup. The other candidates were Vincent A. Martin of Grand Haven and Leon D. Nobes of Muskegon.

The vote for state senators follows:

Jonkman will oppose Dr. Garrett Heyns, former Holland Christian school superintendent and former state reformatory warden, who was the unopposed Democratic nominee Tuesday.

Jonkman carried majorities in 29 of the 31 precincts in this county. The vote for congressman follows:

REPUBLICAN	Ottawa	Kent

MANY JOIN IN PEACE PRAYER

Hope Chapel Is Filled to Capacity for Special Services

A capacity crowd, estimated at between 1,500 and 2,000, attended the special Prayer for Peace services in Hope Memorial chapel Sunday afternoon. The service was under the auspices of Holland Ministerial association of which the Rev. W. G. Flowerday of First Methodist church is president.

Rev. Flowerday presided and offered the invocation. Dr. John R. Mulder of Western Theological seminary read the scripture and commented briefly on the need to turn to God in prayer in such times as these. His talk emphasized peace rather than victory and he also spoke of the necessity of repentance in connection with the nation's failures.

A special prayer was given by Dr. Clarence Bouma of Calvin seminary, Grand Rapids. After a period of silent prayer and meditation, Dr. H. D. Terkeurst gave the benediction. Mrs. W. C. Snow provided organ music.

JAILED FOR THEFT

Allegan, Sept. 12 (Special)—Earl Walters, 45, and Wilbur Walters, 29, pleaded guilty before Justice Volney W. Ferris Monday to a charge of illegal use and possession of firearms.

He also was assessed a fine of \$25 and costs of approximately \$11 which he paid. When arraigned Aug. 12 before the court, Cannedy pleaded not guilty and his trial had been set for Tuesday.

The charge resulted from a shooting which occurred early in the morning of Aug. 12 at Castle park in which Harry Cowans, 23, also colored, was shot in the left side and suffered a flesh wound. Cowans contended the shooting was accidental.

Zeeland Man Arraigned on Local Theft Charges

Grand Haven, Sept. 12 (Special)—Ary De Geus, 35, of Zeeland, charged with breaking into the automobile of William Meengs of Holland Sept. 3, appeared before Judge Fred T. Miles in Ottawa circuit court this forenoon to change a previous not guilty plea to one of guilty.

De Geus advised the court he conferred with two attorneys and each advised him that he had "no case." Due to the fact that he was alone and has no proof as to how the stolen articles got into his car since he was intoxicated, De Geus said he wanted to plead guilty.

He asked that "mercy of the court be with me." After questioning the defendant, Judge Miles accepted the guilty plea.

De Geus was released from Michigan state prison last June and is now on parole. A supplemental information, charging him as a second offender, was to be filed against him in circuit court today.

Clarence Ryder, 40, Grand Haven, pleaded not guilty to a charge of indecent liberties and date for trial will be set later.

George Smith, 33, route 5, Grand Rapids, entered a plea of guilty to a charge of larceny of 23 oil well pump weights, valued at \$110 and belonging to the Twin Drilling Co., on May 18 in Tallmadge township. MANY FROSH TO BEGIN STUDY AT HOPE THIS YEAR

Two War Refugees to Be Among New Students at College

Prospects of a good year are in evidence as plans go forward for the opening of Hope college next week. Approximately 165 freshmen students, including 65 from Holland high school are expected to register, with some new students also registering in upper classes. More students were enrolled at the college last year than at any time in its history, but due to national events, no particular increase in the enrollment is expected this year, Dr. Wynand Wichers, president of the college, stated today.

Interest is being shown in the reorganized music department of the college which includes several new members. The department will be under the direct supervision of the college, and will be distinguished by the inauguration of a public school music division. This step has been taken to fill out the curriculum for students who are going into elementary school teaching, Dr. Wichers stated.

Voice, piano, organ, theory, band and orchestra will be offered by the department, in addition to the public school music courses.

Members of the music faculty will include Robert William Cavanaugh of Milwaukee, who will teach voice and direct the choral groups; J. T. Mearns of Lorraine, O., public school music, theory, band and orchestra; Mrs. W. C. Snow of Holland, who will teach piano, organ and history of music; Charles Vogan of Grand Rapids, organ; and Mrs. Harold Karsten of Holland, piano.

Mr. Cavanaugh received his A. B. from University of Wisconsin and his Master of Music degree from the American conservatory. Mr. Mearns, who took his A. B. from Oberlin in 1936, received his Bachelor of Music from the same school this year.

Mr. Vogan, the other new member of the staff, received his Master of Music degree from Oberlin, and has studied with Arthur Polster of that school during the summer. He is organist and choir director in Central Reformed church, Grand Rapids, and will teach in Holland one day a week, it is expected.

Carrying on the custom of past seasons, Handel's Messiah will be presented here in December, with Mr. Cavanaugh conducting the performance.

Activities in the drive for funds for the new science building at the college are being continued. It was said, and the committee is well satisfied with the progress made during the first year of solicitation. An active drive in churches throughout the east will begin this month, and all alumni chapters will be contacted this fall.

Convocation will be held at 9 a.m. on Sept. 18 in Hope Memorial chapel, with Cong. Everett M. Dirksen of Illinois, as the speaker.

Among Hope students this year will be two German refugees who are being enrolled as freshmen although they have studied a year at the University of Vienna. Hope contacted them through the Rev. John Mullenberg of the class of 1933, assistant to the board of national missions of the Presbyterian church and son of the Rev. T. W. Mullenberg of Holland.

One of the boys, Paul S. Fried is from Leipzig and the other, Paul Gottwald, is from Vienna.

BOEVE IS GOP'S SHERIFF CHOICE; FANT IS VICTOR

Bottje Wins GOP Choice as Register; to Face John Volkers

Number of Unopposed Are Matched for Contest in November

Exceptionally close races for Republican nominations for sheriff and prosecuting attorney featured Tuesday's biennial election in Ottawa county, unofficial returns from the 31 precincts indicated here today.

By a margin of only 40 votes, William Boeve of Holland township won over Sheriff Frank Van Etta, incumbent, and will oppose Walter Lehman, the Democratic nominee, in the November election.

In defeating Van Etta, Boeve kept Ottawa's two term tradition intact. Had Van Etta bested his primary foe and won in November he would have been the first sheriff in Ottawa county history to have served three terms.

In a surprise upset victory, Howard W. Fant of Grand Haven won the Republican nomination for prosecutor and will oppose Louis J. Stemphy of Holland in the fall election. Stemphy was unopposed on the Democratic ticket Tuesday.

Eight candidates sought the nomination of sheriff on the Republican ticket. The other candidates, besides Boeve and Van Etta, were Nelson Baldus, Marvin F. Den Herder, Hans Dykhuus, Tony Groeneveld, Edward Ryoenga and Jack Spangler.

Boeve carried Holland city by a slight margin and displayed considerable strength in the county. Reports from Holland township's election board were that many voters cast ballots Tuesday, marking only the name of Boeve on the ballot. Grand Haven city voters favored Spangler although the vote was somewhat divided.

Boeve won majorities over his opponents in 10 of the 31 precincts. Van Etta placed first in 8 of the precincts. On the Democratic ticket, Lehman carried only 10 of 29 precincts but those he won were carried by large margins.

The county vote for sheriff follows:

Republican (*)	Boeve	Van Etta
	1,938	1,898
	1,311	1,311
	1,345	1,345
	1,110	1,110
	968	968
	481	481
	282	282

Boeve's plurality was 40. (\*)—31 precincts. Democratic (\*\*) 800

Frank Wierda ..... 568 Lehman's majority was 286. (\*\*)—29 precincts.

Although Parsons carried Holland city by a comfortable margin, Fant won majorities in 20 of 31 precincts. It was reported that 75 blank ballots were cast in the prosecutor's race in Holland township. The vote for the 31 county precincts follows:

Republican	Fant	Parsons
	4,415	4,390

Fant's majority was 146. Frank Bottje, incumbent, experienced little difficulty in defeating Rufus Cramer of Holland for the Republican nomination of register of deeds. In the November election, Bottje will be opposed by John L. Volkers of Zeeland, the Democratic nominee who was unopposed in the primary. On the Republican ticket, Bottje won majorities in 28 of 29, the second ward, Holland city, being the only precinct which he lost.

The vote in 29 of the 31 precincts follows:

Bottje	Cramer
5,997	2,311

Bottje's majority was 3,686. There were various other county offices in which there was no opposition on either the Republican or Democratic ticket.

William Wilds, Republican incumbent, will be opposed in the race for county clerk by Raymond J. Kronmeyer, Democratic nominee.

Fréd H. Den Herder, Republican incumbent, and Nicholas Sprietsma, Democratic nominee and former county treasurer, were unopposed in the primary and will engage in a race for election as county treasurer.

Arthur Teunis Democratic nominee, and Frank Van Wieren, Republican incumbent, will oppose each other in the race for county drain commissioner.

Republican nominees for coroner were unopposed, they being Dr. Willard B. Bloemendal of Grand Haven and Gilbert Van Water of Holland. They will be opposed in the fall election by Nelson H. Clark of Holland, unopposed Democratic nominee Tuesday's primary.

## RECORDS SET IN LOCAL BUILDING SINCE JANUARY

Eight-Month Total Above Entire Past Year; Home Figure High

Two construction records in Holland were broken during August, a compilation of the building permit applications filed with City Clerk Oscar Peterson revealed today.

The first new mark was set by the aggregate value of the building permits for the first eight months of the current year. Their value, at \$348,117, now exceeds the mark established for all 1939 which was \$331,984.

With four months remaining of 1940, it is possible that this year's activities will break the 1938 mark of \$362,010 or the 1937 record of \$341,809.

The second record established concerned new home construction in Holland as 18 applications for permits to build new residences in Holland were filed during the month with the city clerk.

This is the largest number of applications to be filed for any one month of the current year and brings the total number of new homes in Holland for 1940 to 68. This is an increase of 20 over last year's mark as only 48 applications had been filed during the first eight months of the year.

Total estimated cost of the 18 homes is \$58,500. Nine of the applications also call for construction of garages at a cost of \$1,500.

In addition to these 18 applications for permits to build new homes, one application for a two-family house was rejected by a committee of council and a second application calling for the remodeling of a home into a two-family dwelling is being considered by the appeal board. An application for construction of a storage building also is being considered by the appeal board.

Forty-five applications for building permits were filed during August. Thirty-four applications were filed in August, 1939.

Their aggregate total came to \$60,860 and represents an increase of \$48,020 over last August's value of \$12,840. It also is a boost of \$39,704 over the August, 1938, figure of \$29,156.

The large August figure sent the value of 1940 building activities far ahead of the eight month total for 1939 and 1938. With the past month's \$60,860 added to the first seven months of the year, the aggregate value is \$348,117 which is \$119,394 above the 1939 figure for the same number of months which was \$228,723. It also is an increase of \$117,015 over the 1938 figure of \$231,102 for eight months.

On the county Republican ticket, Holland city voters rejected Van Etta's bid for a third term and favored Boeve's candidacy by giving him a plurality of 101 votes over the second-place candidate, Van Etta.

## INTRODUCE OFFICERS AT MEETING OF CLUB

New officers of the Professional Men's club were introduced Wednesday night at a dinner meeting in the Marine room of the Warm Friend tavern.

The officers for the year are Dr. Bruce M. Raymond, president; Dr. Titus Van Halstama, vice-president; Bernard W. Arendshorst, secretary; and Dr. J. H. Kleinheksel, treasurer.

The program included a paper by Mr. Arendshorst on "Economic Planning vs. Free Trade," followed by a discussion on the paper. Mr. Arendshorst stressed the two dominant opinions of economic management and control by government or some other social agency with executive and judicial powers and the opposite principle of price function as the control element in a free and individualistic economics of production.

He traced the present trends toward government control from the World war and its aftermath in debt adjustments through the Dawes plan, tariffs, monetary manipulation and experiment on the part of the Washington administration and the various commissions and bureaus set up for agricultural and industrial control, such as NRA, AAA, RCA, HOLC, FHA and a host of others.

The influence of international tendencies and policies upon American developments was traced as a very powerful force in shaping actions at Washington. The general conclusions were that under present conditions, the only conclusions that can be reached with a degree of certainty is that, if business is to come back with the necessary and the possible progress over the years before the war, it must not be hampered by outside forces, that initiative and direction must be left to production itself and that price, as a function in economic life, will give all the control and direction required for American prosperity and the welfare of all without re-nounced prices to some of 1935.

## STUDENT COUNT RELEASED HERE

Study Period Plan Being Tested at Christian High School

The official count of students in Holland Christian schools announced by Supt. John Swets Friday, shows an enrollment of 730, one more than last year.

Four children are expected from Orange City, Ia., this week and the enrollment may yet have an increase of about six students. In senior high alone, 29 have enrolled from surrounding areas.

A senior class of 66 students will this year be the largest ever graduated from Christian high. Last year 50 were graduated.

In the junior class there are 50, the sophomore class has 65 and in the freshman class has 71.

Other figures show that in grades nine through 12 there are 252 students enrolled as compared with 246 of last year, that in grades seven and eight there are 111 enrolled as compared with 105 of last year and that in the first six grades there are 367 enrolled as compared with 378 of last year. Junior and senior highs total a gain of 12 while the primary grades total a loss of 11.

A new idea which is the outgrowth of discussions in faculty meetings is being tried at Christian high this year and was first used Thursday.

According to the new plan, the first hour after lunch, 1 p.m. to 2 p.m., is set aside as a supervised study period for every student in the high school. Band, choir, forensic activities, assembly programs, meetings, conferences and all other events which usually took place after school, in the evening or during school time will now be held during this hour.

To provide this extra hour in the day's program, the school day has not been lengthened but the schedule has been concentrated. Students who have no activities during this hour will study in small groups. This studying will take place in the room where they have a class following the study period and will be under the supervision of the teacher of that class.

On May 20 Vyn was awarded a judgment of \$17,000 against both defendants.

## Missionary Talks to First Church Group

There were about 60 present at the regular meeting of the women's missionary society of First Reformed church which was held last Thursday at 22:30 p.m. in the church parlors. Mrs. N. Goselink presided, and Mrs. Edith Walvoord had charge of devotions. An Indian girl from New Mexico sang a solo entitled "There Will Be No Dark Valley," in the Indian language, accompanied by Mrs. Ellen Ruusard.

Mrs. Goselink gave the current events from Arabia, and also read a letter from Mrs. D. Dykstra from Arabia. Miss Marie Van Vuren, missionary from Dulce, New Mexico, was the speaker of the afternoon. She spoke about a next door neighbor, the Indian.

In 1914, the government cut down timber and gave them sheep to raise, and in 1915, missionaries started to teach them the gospel, she said. In 1914, 95 per cent of the Indians had tuberculosis. Now, in 1940, five per cent have tuberculosis. The government has taken over the children and placed them in dormitories, and allows missionaries to go in and hold Bible classes. They are going to have a community hall for clean recreation and they also use a church trailer to reach the people out in the ranches, the speaker stated.

After this interesting talk, Mrs. Goselink closed with prayer.

Those on the serving committee were Mesdames A. Nienhuis, J. S. Van Dyke, J. Kronemeyer and H. Young.

## Returns to View City Where He Worked Shortly After 1871 Fire

J. Lorenzo Maus of Hastings, who at 84 feels as young as the day he came to Holland to work two months after the great fire of 1871, returned to the "old town" Sept. 5 to "see what things look like now."

Mr. Maus, with a sparkle in his eye, said he hadn't been in Holland in 10 years. The last time he was here he and his wife, now dead, came to look over a prison ship that was docked for public inspection.

Holland, he found of course, showed no trace of the desolation which greeted him when as a boy of 15 he came here to work for \$1.25 a day as brakeman on the former Chicago and West Michigan railroad between Holland and Grand Rapids.

"I was only 15, but I was as big as I am now," he said. "People took me for a man—wanted me to vote."

Hollanders in klompen, he related, cut wood at points along the track for the wood-burner train. The small crew made regular stops to take on fuel.

He spent February and March of 1872 in Holland, living in a

baracks-like hotel across from the depot here. "We all slept in one big room. There were 30 or 40 beds," he said.

Holland presented a miserable sight then. Many—in the dead of winter—lived in tents and shacks as the residents began tackling the vast task of rehabilitation, he said.

After the two months here, Mr. Maus "like a kid" moved on. He went to Rockford on a railroad grade. He was injured there and returned to Hastings, his birthplace, to help his father turn out hand-made shoes. The work was slow and a shoemaker did well to earn \$1.25 a day. Women's choice calfskin shoes sold for \$3, he said.

When he was 21 he began work in a Hastings wooden-pump company and after 30 years there he entered the pump business on his own.

He is the oldest former supervisor in Barry county and the oldest former bandsman and fireman in Hastings. His wife died last February.

"You're as old as you think you are," Mr. Maus said cheerfully. "It's all in the mind. Just think you're well and you are well."

## DRILLS AT HOPE ARE PUSHED AS OPENER NEARS

Twenty-Six Now in Squad and Others are Due to Report

With only 11 days remaining before the opening grid contest, Milton (Bud) Hinga, Hope college football coach, "turned on the gas" Monday to speed up his plans to place his varsity squad in tip-top condition.

The 1940 squad now totals 26 players but Coach Hinga expects additional members to report between now and the opening day of school Sept. 18. No call for freshman players will be issued until after school has opened.

Hope's first game will be played Friday night, Sept. 20, under the floodlights of Riverview park and considerable work remains to be carried out by the coach for this contest.

Practice sessions are being held daily from 9 to 11 a.m. and from 4 to 6 p.m.

Monday's workout consisted of the first "rough stuff." The blocking tackle was brought out for the first time in which the players became acquainted with the tackling dummy. Then at Monday afternoon's practice, the players were put through a series of setting up exercises after which they were drilled in blocking. "Live dummies" also were used in blocking tactics.

A number of new varsity players have reported to the grid mentor to begin for the 1940 season. They include Ray Meyer of Grand Rapids, left halfback; Warren Hendricks of Benton Harbor, quarterback; Art Timmer of Grandville, halfback; Don De Fouw of Grand Rapids, halfback; Jack and Bob Whelan, twins of Holland, ends. Equipment was given the new players Monday.

Among those on the varsity squad who have not reported are Martie Bekken of Holland, Carl Krompich of Grand Haven and Ward Toner of Shelby.

Coach Hinga announced one change in Hope's 1940 football schedule. The game between Hope and Albion originally scheduled for Friday night, Nov. 1, has been shifted to Nov. 2 as a homecoming contest.

This change was made necessary due to the cancellation of the game with Olivet college here Oct. 19 which had been set as the homecoming contest. Coach Hinga has been unable to fill the Oct. 19 open date as other teams already have filled their 1940 schedules.

On the night of Nov. 1, Holland high school will play Kalamazoo Central in a night contest at Riverview park, the change having been made to enable Hope to play its homecoming game as a day contest.

Here is Hope college's 1940 football schedule as announced by Coach Milton (Bud) Hinga:

Sept. 20—Ferris, here (night game).

Sept. 28—Adrian, there.

Oct. 4—Alma, here (night game).

Oct. 12—Kalamazoo college, there.

Oct. 26—Hillsdale, there.

Nov. 2—Albion, here (homecoming).

Nov. 8—Grand Rapids Junior college, here (night game).

## SUNDAY DINNER Suggestions

SMOKED ham is an exceptionally good buy this week and any number of main course dishes can be worked out with this meat. Lamb chops are slightly lower and duckling, which is still plentiful, is most attractively priced. Small broilers and fryers are also in the column of very good buys.

In the realm of fish and other seafood it is good news that ample supplies of both lobster and salmon are expected from the Boston market with the result prices will be moderate. Although Gulf shrimp are rather small the supply is plentiful and the price correspondingly attractive. Flounders and mackerel are attractive buys but the supply of swordfish is rather limited and the price somewhat higher.

Particularly good buys in fruits are fresh prunes, peaches, Isle of Pines grapefruit, Tokay grapes, Greening and Macintosh apples. The first of the Jonathan apples are on the market and New York and Delaware blue grapes are coming in. With the clear weather the quality of vegetables is much improved and green beans, beets, celery, carrots, peppers, potatoes, squash and tomatoes are all abundant and very low priced.

Miss Cora Anthony of the Kitchens has assembled the following menus for three different budgets for Sunday dinner:

**Low Cost Dinner**  
Honeydew Melon  
Vegetable Plate with Cauliflower in Cheese Sauce, Shredded String Beans, Baked Tomatoes  
Corn Sticks  
Apple Dumplings with Hard Sauce  
Tea or Coffee

**Medium Cost Dinner**  
Ham Loaf  
Macaroni Baked with Fresh Tomatoes  
Squash  
Sliced Oranges and Bananas with Coconut  
Tea or Coffee

**Very Special Dinner**  
Fresh Tomatoes Stuffed with Minced Cabbage  
Roast Beef with Yorkshire Pudding  
Fresh String Beans  
Bread and Butter  
Fresh Peach Pie  
Tea or Coffee

## Junior Red Cross to Renew Work

The Junior Red Cross Book Exchange

Junior Red Cross activities in Holland opened Tuesday, Sept. 3, with the renewal of the JRC book exchange in Holland high school, Miss Beth Marcus, county JRC chairman, announced here.

The exchange, operated the past three years by the JRC, is open for about two weeks at the beginning of each semester. By charging 10 per cent of each second-hand text book sold for a student, the JRC has made enough money to send one representative to each of the national Red Cross conventions of the past three years.

The exchange staff is being headed by Miss Doris Marcus, assisted by other members of the JRC city council which is composed of four representatives from each city school. The council meets each Saturday at 9 a.m. in the city hall to carry out Red Cross projects.

The year's project for all county schools will be interna-

tional school correspondence in which each school will compile an album of student classwork. At the end of the school year the albums will be collected and shipped so that the following year the schools may receive foreign albums.

JRC roll call will take place in city and country schools the week of Oct. 7-11, with enrollment of all 134 schools in the county as the goal. Last year 93 schools were enrolled and about \$100 was obtained.

The Holland JRC council last year made and sent to the veterans' administration in Battle Creek and Dearborn, 2,000 decorated napkins, 2,000 tally cards, 1,000 nut cups and 150 Christmas cards. In addition, 50 serving baskets, 500 cardboard "klompers" filled with candy, 75 covers for braille story books and 65 arm bands for roll call work were made. The 500 cardboard "klompers" were distributed at the Washington, D.C., convention.

August was Holland's wettest month in 34 years, Bert Smith, local weather observer, revealed last week.

Mr. Smith, in reporting on the August weather conditions in Holland, said the precipitation for the month totaled 11.27 inches. He said this is the greatest amount of precipitation in any one month since the start of the weather records in Holland in 1906.

The closest record to this new mark was in April, 1909, when 10.8 inches of precipitation fell here. Mr. Smith's records show that the greatest amount of rain in any August occurred in 1935 with 5.64 inches. The least amount in any month of August was .39 of an inch in 1913.

The rain last month fell on 16 different days. Mr. Smith reported there were 12 clear days, 13 partly cloudy days and six cloudy days during August.

Precipitation for August of past years totaled 3.31 inches in 1939, 3.5 inches in 1938, 5.01 inches in 1937 and 5.25 inches in 1936. The precipitation fell on 10 days in 1939, nine days in 1938, eight days in 1937 and 12 days in 1936.

During August, 1939, there were 23 clear five partly cloudy and three cloudy days; 1938, 22 clear, four partly cloudy and five cloudy days; 1937, 22 clear, seven partly cloudy and two cloudy days; 1936, 18 clear, 10 partly cloudy and three cloudy days.

Maximum temperature last month was 94 degrees, recorded Aug. 13 and compares with past years as follows: 1939—89 on Aug. 15; 1938—92 on Aug. 3; 1937—91 on Aug. 29—1936—96 on Aug. 22.

The average maximum temperature for the month was 79.5 and compares with past years of 81.9 in 1939, 83.1 in 1938, 83.6 in 1937 and 82.4 in 1936.

Average minimum temperature was 60.76 and for past years was 61.3 in 1939, 64 in 1938, 61 in 1937 and 61.5 in 1936.

These temperatures produced an average temperature for August of 70. In past years, the average was 71.6 in 1939, 73.6 in 1938, 72.3 in 1937 and 72 in 1936.

## MISSING SLOOP IS DISCOVERED

### Hunt Following Departure From Local Harbor Is Ended

Grand Haven, Sept. 12—Capt. William Fisher, officer in charge of the coast guard station at St. Joseph, advised the Grand Haven coast guard station at 2:30 a.m. Friday the 23-foot sloop "Bird in Hand" missing from Holland harbor since Tuesday had been located and that its four crew members were in no danger.

Captain Fisher did not give the location of the boat in Lake Michigan nor did he obtain the names of those aboard the sloop. It was believed the sloop is en route to Winnetka, Ill., its home port.

Search for the missing craft was launched by coast guardsmen Thursday when the boat failed to reach port. It is presumed the boat became becalmed in the lake. The sloop is equipped with a cabin but has no auxiliary power.

The "Bird in Hand" left Holland harbor Sept. 3 at 1:25 p.m., Capt. Charles Bontekoe, officer in charge of the Holland coast guard station, reported today.

A crew from the local coast guard station, including Captain Bontekoe, Edwin O. Feddick and Roy N. Wood, in a picket boat, covered approximately 100 miles on Lake Michigan from 5:50 to 11:50 p.m. Thursday in search for the missing sloop.

The membership of this committee will be made up of two persons from each ward. In addition to these 12 persons, a woman member from each ward is to be selected by Mrs. Charles H. McBride, president of the Women's Republican club.

First ward—William Arendshorst, Dr. J. M. Republicans at the caucus meeting also agreed upon a tentative list of delegates to the county convention and their names will be printed on slips and distributed to the polls Tuesday. ## COMMON COUNCIL

Holland, Mich., Sept. 4, 1940. The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Geerlings, Aids. Kleis, Arendshorst, Drinkwater, Kalkman, Vandenberg, Faassen, Steffens, Ketel, Menken, Raymond, Smith, Mool, and the Clerk.

Devotions led by Mayor Geerlings.

Minutes read and approved.

Petitions and Accounts Clerk presented several applications for building permits.

Granted, subject to approval of City Engineer and Fire Chief with the exception of application No. 414 of William Modders for a temporary storage building in a residential district, and No. 420 of Edward Donovan to remodel an old residence at 65 West 15th St. into a two-family apartment. The location of this residence being in "A" Residential district.

Ald. Raymond moved that the Donovan application be granted. Mr. Raymond called attention to the fact that Mr. Donovan owns the vacant lot immediately on the west of this one and that if he would consider this a part of the new property he has purchased, he would have sufficient number of square feet for two apartments. It was also reported that Mr. Donovan had received the approval from all the neighbors to this proposed improvement. It was brought out in the discussion that Mr. Donovan proposes to remodel what is now more or less of an eye sore and also to move it back in line with the other buildings which would be a decided improvement.

Ald. Vandenberg, however, felt that the Council should not go over the head of the Appeal Board and that this matter should be referred to them, and on motion of Ald. Vandenberg.

The application of Mr. Donovan was referred to the Appeal Board with power to act.

The matter was also brought up relative to the application of William Modders to construct a temporary storage building to store pipe and other plumbing material in a residential district, and on motion of Ald. Vandenberg, seconded by Smith.

This too was referred to the Appeal Board with power to act.

Clerk presented application and bond of Van Dyke and Volkers for license to construct sidewalks, etc. Bond approved and license granted.

Clerk presented applications from Clifton Spyker, 2 North River Ave., also Walter Pelon, 44 River Ave., for licenses to sell soft drinks.

Clerk presented petition from residents and property owners in the vicinity of Washington Ave., 21st and 22nd Sts., protesting against the use now being made of Lot 51, Mc Bride's Add. on West 21st St. just West of Washington Ave. This lot is now being used as a commercial proposition by the storage of pipe and other plumbing materials. The protest is also against the erection of an unsightly structure for housing said pipe and other plumbing materials.

Referred to Appeal Board with power to act.

Reports of Standing Committees Committee on Ways and Means reported having received a substantial bid for the vacant property that the City owns on the West side of Lincoln Ave. between 7th and 8th Sts., and recommended that the City offer this for sale by receiving sealed bids to be opened at the next Council meeting.

Adopted and Clerk instructed to advertise this fact in the Holland City News.

Claims and Accounts Committee reported having examined claims in the sum of \$6,295.88, and recommended payment thereof.

Allowed.

Welfare Committee to whom had been referred together with the Public Buildings Committee the matter of proper office space for the Department of Social Aid and Social Welfare, reported having held a meeting. At this meeting the joint committees were present together with City Assessor Van Ark and Mr. James Van Volkenburgh, Social Welfare Director, also Mr. Arthur Van Duren, former City Attorney. At this meeting that matter was discussed in regard to the so-called G. A. R. room on the first floor. The purpose of this discussion was to determine who had control over this room.

## Ald. Menken then called upon Peter Van Ark, City Assessor, to report on this matter. Mr. Van Ark gave quite a complete history of what had transpired since last spring when they first considered changing the office from Holland to Grand Haven. Mr. Van Ark further reported that a Mr. Blackburn from the State Department had called on him a few days ago and after looking over the situation had reported that he was going to recommend to Dr. Callahan that the offices remain as they are at present. However, if his recommendation was not accepted, he would then present to them the matter of using the G. A. R. room providing the Council should decide that this room would be available for this use.

Mr. Van Ark also reported having investigated the records in the Journal of the Council proceedings at the time the City Hall was built and the only record that he could find shows that the room had been turned over to the G. A. R. by resolution of the Council.

Mr. Van Ark then called upon former city attorney A. Van Duren and Mr. Van Duren went into considerable detail in explaining what had transpired at the time the plans were being prepared for the City Hall. He stated that he together with a committee had gone to other cities to see what was being done and at that time the committee decided that it would be nice to so draw up the plans for the City Hall that a room could be made available for the veterans of the G. A. R. Mr. Van Duren further stated that in considering this matter at that time, the committee felt later on this same room would be suitable for other city purposes, and so far as he knew, the room had never been really dedicated for patriotic purposes. This raised quite a discussion among the representatives from the W. R. C. and Spanish War Veterans. Different people contended that they had been informed that the room had been dedicated for patriotic purposes.

Mr. Van Duren, however, stated that it was his recollection that when the G. A. R. passed out of existence, the Auxiliary would naturally also pass out of existence, and that this room would then become available for city use and be under the control of the Common Council the same as any other city property.

Mr. Van Duren also contended that no resolution can bind a future council and if anything more permanent than a resolution is desired, that it should be done by ordinance or charter amendment.

Quite a discussion ensued between representatives of the W. R. C. and others in regard to the use of this room.

Ald. Menken suggested that a record of the list of articles that were placed in the corner stone should be made available for the information of the Council, if such record can be obtained. The representatives of the W. R. C. present stated that they would make a determined effort during the next two weeks to get as much information as they possibly can along this line.

Ald. Vandenberg and others contended that they did not want to quarrel with any organization but the matter should be determined as to who has control of City property and whether or not this room actually has been dedicated for all time to be used for patriotic purposes.

It was moved by Ald. Menken, seconded by Faassen,

That the matter be held in abeyance until the next meeting when more definite information would be available.

Mayor Geerlings was of the opinion that the women could continue using this room even though the other organization were permitted to use it also. Mr. Van Ark stated, however, that if the Council decided to turn it over to the Bureau of Social Aid that it would not be available for other use since they would have to set up their files and perhaps erect partitions so that it could hardly be used for both purposes.

Sidewalk Committee again brought up the matter relative to the construction of the sidewalk on the south side of West 24th St. adjacent to the hospital property; and on motion of Ald. Raymond.

The matter was referred to the City Engineer with instructions that he receive bids from different contractors on the construction of this walk.

Reports of Special Committees The special committee appointed at the last meeting to meet with the Appeal Board in regard to the application of William C. De Roo for a two-family dwelling on the Northeast corner of Central Ave. and 24th St., reported having met and considered this matter. The committee further reported that at this meeting Mr. De Roo together with interested property owners were present, and inasmuch as there was a rather unanimous opposition from the property owners to the erection of this two-family dwelling, the committee decided to deny the petition.

Adopted
