Assessment Rolls Okayed By Council

City Council approved assessment rolls for nine water main projects and six sanitary sewer projects following a 20-minute public hearing at a regular meeting Wednesday night.

Only one written communication and two verbal communications, mostly for information, were heard. No changes were made in the listed rates for assessment.

The resolution which Council adopted gives property owners to Oct. 15 to pay assessments without interest. Thereafter, the total is divided into five equal annual payments to be assessed with fall taxes, calling for a 5 per cent fee on the unpaid balance.

Water main special assessment rolls follow:

In Eighth St. from Cypress Ave. to 112th Ave. and in 112th Ave. from Eighth St. to 16th St.

In Timberwood Lane from Eighth St. to 240 feet north of Harvard Dr. and in Harvard Dr. from Timberwood Lane to 112th Ave.

In Eighth St. from 112th Ave. to Sunrise Dr. and in Sunrise Dr. from Eighth St. to the end and in Sunset Dr. from Eighth St. to Sunrise Dr.

In Elm Dr. from South Dr. to Beach Dr., in Beach Dr. from Elm Dr. 200 feet west and 124 feet east and in Lakeview Dr. from Elm Dr. 200 feet west.

In Ramona Dr. from South Shore Dr. 388 feet north.

In 24th St. from Graafschap Rd. to Plasman Ave.

In 36th St. from Washington Ave. west to the end.

In 34th St. from College Ave. to Columbia Ave.

In Columbia Ave. from 37th St. to 39th St. and in 38th and 39th Sts. west from Columbia Ave. to the end.

Sanitary sewer special assessment rolls follow:

In 39th St. from Columbia Ave. west to the end.

In 35th St. from Central Ave. to College Ave.

In 33rd St. from Central Ave. west to the end.

In 34th St. from Central Ave. to Pine Ave.

In Crescent Dr. from 395 Crescent Dr. to Thomas St.

In Thomas St. from Crescent Dr. to South Shore Dr.

General information was forthcoming from City Manager Herb Holt, BPW Supt. Guy E. Bell and Assistant Supt. Robert Riemersma.

Council granted two house moving permits, subject to the necessary deposits for Board of Public Works, Park department and police department. One was to move a house and garage from 202 West 32nd St. to 95 West 35th St. and the other for moving a house from 299 West 11th St. to 477 Plasman Ave.

A petition requesting paving, curb and gutter for 39th St. from Central to Pine Aves, was referred to the city manager for reports.

City Attorney Gordon Cunningham introduced Don Hann, a new associate in the law firm of Ten Cate, Townsend and Cunningham.

Council granted permission to the Board of Public Works to transfer certain funds to the improvement fund as required by the water revenue bond ordinance which governs finances of the water system.

A suggestion from Councilman Harold Volkema to study safety factors at 26th St. and Maple Ave. with a possible view to installing stop or yield signs was referred to the Traffic and Safety Commission.

Mayor Nelson Bosman presided at the meeting which lasted 35 minutes. All Councilmen were present. The invocation was given by the Rev. Douglas Gary of First Baptist Church of Zeeland.

Mayor Reviews History of Swimming Pool Issue

Mayor Nelson Bosman urged all local voters to go to the polls next Tuesday.

In a message at the conclusion of City Council meeting Wednesday, he reviewed the history of the swimming pool issue, an issue to be voted on Tuesday along with annexation of a portion of Federal district to the city of Holland.

Swimming pools for Holland, he said, have had a long and somewhat spotty history, coming up from time to time, advanced by various groups and civic leaders.

The current swimming pool program was suggested by Councilman Richard W. Smith in June, 1961, proposing that the mayor appoint a citizens committee of two qualified voters from each ward plus two at large to investigate community interest, the need, location, cost and financing of such a facility and then present the facts to Council for submission to the voters of the city.

On July 19, 1961, Mayor Bosman appointed the following committee: Russell Bouws, Richard Nykamp, William Beebe, Albert Schaafsma, Anthony Kemper, Kenneth Kleis, Ab Martin, Charles Armstrong, Norman Klingenburg, Gradus Geurink, Marvin Van Eck, Peter Mulder, Norman Japinga and Henry Vander Plow. The latter

later was named chairman.

On March 12, 1962, the committee recommended that a \$125,000 outdoor swimming pool be built in an existing park in Holland to be operated either by the park or recreational departments.

At that time, the committee made it clear that the needs and desires of the community cannot be met by a single indoor or a single outdoor pool. Ab Martin, a committee member, told Council at the time that the committee was unable to find a municipally operated indoor pool since all such existing pools were associated with some organization, usually schools or YMCA's which maintain all-day schedules. He added most indoor pools are not used in summertime.

Aside from the obvious differences in costs, the committee felt that a large outdoor pool would likely be used more during a three or four-month summer period than a smaller indoor pool would the remainder of the year.

Martin explained that the \$250,000 swimming pool bond issue which was defeated in connection with Holland High School, probably did not include lockers, showers, etc., which were in facilities nearby. This indicated that a municipally-operated indoor pool would involve higher capital outlay.

The committee study determined

that summer recreational swimming facilities are the responsibility of the community — not the schools — and should be provided independent of the school systems.

The general recommendation called for an outdoor pool of the following general description: main pool, 45 by 82 feet minimum; diving pool, 30 by 30 minimum; wading pool, 20 by 30 minimum; adequate shower and locker facilities for 400 to 500 swimmers; appropriate fencing, filtering, lighting, heating and spectator seats.

The following use fees also were recommended: family for season, \$20; adult for season, \$10; child for season, \$5; adult single, 50 cents; child single, 25 cents.

The committee report emphasized that there is need and desire for pool facilities, both from an instructional viewpoint and recreational activity. In the committee's judgment, the proximity of Lake Michigan beaches emphasizes rather than minimizes this need, particularly from an instructional angle.

The committee also said the needs and desires of the community cannot be met by a single indoor or a single outdoor pool, and that in determining a site for the first pool, the committee should bear in mind the probable location for a second pool.

The next step was to hire the services of Kammeraad and Strop, local architects, to make a further study and draft preliminary plans.

Last Feb. 20, the architects recommended Prospect Park on Columbia Ave. between 22nd and 24th Sts. as the most suitable site for the first outdoor pool, following much the same dimensions as listed in the initial recommendation. Maplewood playground was advanced as best site for a second pool. The site at Civic Center was considered too small. A plot plan of the pool appeared in The Sentinel March 2 listing estimated cost of \$125,000.

Last June 19, Councilman Smith made a motion authorizing a special election for an outdoor swimming pool to be financed from funds now existing in the capital improvement fund of the city. When the Sept. 24 date for the Federal annexation election was approved, Council decided to add the swimming pool issue which is in the nature of preferential ballot to guide City Council in the ultimate decision.

The proposition reads: "Shall the city of Holland construct an outdoor swimming pool and related facilities from monies currently on hand at a cost not to exceed \$125,000?" No site is designated.

ONE R'S ENOUGH — Everyone goes to school to learn the three R's, so it could be embarrassing to find one missing on this sign at the entrance to Hope College, a center of academic learning. Dr. Clarence DeGraaf, chairman of the English department, points out the fallibility of man, displayed on the sign before Van Raalte Hall. The sign is posted at the entrance to the driveway leading through the Hope College campus.

Ashland Defeats Hope in Opener

ASHLAND, Ohio — Hope College's football team dropped its season's opener here, Saturday night as Ashland College, capitalizing on Hope mistakes, scored a 24-0 win before 3,000 fans in the Ashland community stadium.

The Eagles scored a field goal late in the second quarter and led at half, 3-0. Ashland scored its first touchdown early in the third quarter and the final two touchdowns in the fourth period. A 17-yard field goal by Chawinski gave Ashland its first points. Only a kicker, Chawinski is a former soccer player.

Early in the third quarter, Ashland partially blocked a Hope punt and the ball was picked up by fullback Gary Moose who raced 37 yards to score. The extra point was made by Chawinski.

With about seven minutes remaining in the game, Wur of Ashland intercepted a Harlan Hyink pass and ran 55 yards to score. The conversion was good. The final touchdown came with 34 seconds left. Hope fumbled deep in their own territory and in a few plays Moose carried the final five yards. The extra point was made.

Hope coach Russ De Vette said "overall we were rather pleased with our defense." But the Flying Dutchmen failed to get an offense going and never threatened in the game. Hope crossed the 50-yard line only one time.

De Vette praised the defensive work of freshman Florida all-star "Menno" Systma at defensive tackle. He also was impressed with the work on defense of ends Joe Kusak, Tom Cousineau and Capt. Ken Quakkelaar and center Fred Van Tatenhove. Cousineau didn't play the second half because of a cut finger, received in the first half.

Hope gained only 41 yards rushing in the game and completed four of 13 passes for 27 yards. The Flying Dutchmen fumbled five times and lost the ball four times. Hope had one pass intercepted and the touchdown resulted. The losers lost 27 yards on one play when a fumble sent the ball rolling and before Hope recovered they had lost the yardage. This was Hope's lone fumble recovery.

The winners, using an effective ground attack, rolled up a total of 242 yards and 14 first downs. Right halfback French carried the ball 19 times and gained 104 yards.

Ashland tried seven passes and completed three for 31 yards. The Eagles held Hope to four first downs.

The game was the second played in the new Ashland community stadium. A high school game on Sept. 6 was the first game played on the field.

Ashland coach Fred Martinelli said the stadium is the result of a community effort. The Ashland board of education donated the property and the turf and the community raised the funds to construct the stadium.

The stadium spans from one 20-yard-line to the other and is 28 tiers high.

Hope plays at Findlay College next Saturday at 8 p.m. Findlay lost to Hillsdale, 21-6 Saturday. The Flying Dutchmen flew by airplane to Ashland but will take a bus to the Findlay contest. Hope's home opener is against Wheaton College, Sept. 28 at 7:30 p.m. in Riverview Park.

Hope Ends: Hultgren, Kusak, Cousineau, Holvick, Menning, Meulman, Quakkelaar, Wessling. Tackles: Jackson, Schipper, Meengs, Systma, Van Wyk. Guards: Bast, Van Dam, Oakley, Postma, Slikkers. Centers: Van Tatenhove, White. Backs: Schantz, Keur, Veurink. De Kuiper, Abel, Bekkering, Hyink, Johnson, Langeland, Poppink.

Women of the Moose are requested to meet at Dykstra Funeral Home Friday at 1:15 p.m. to attend funeral services for Jeanette Dwyer.

Pledges Now At \$114,000

HEDCOR officials said today that the campaign has reached a total of \$114,376 in cash and pledges in a drive to raise \$250,000 to encourage industrial development in the area.

Workers still hold some 500 cards in follow-up work, and decisions on approximately \$25,000 in pledges are expected to be made by the end of the week by various boards of directors.

Workers were urged at this morning's breakfast meeting to follow up on calls to persons already solicited, but no new solicitation would be initiated until after the United Fund campaign is over, for it is not the wish of HEDCOR to hurt the United Fund drive in any way.

Officials expressed confidence that the \$250,000 goal would be reached when all firms make final decisions on pledges.

Classis to Meet Here Thursday

Classis Holland of the Christian Reformed Church will be in session Thursday from 9 a.m. in the Sixteenth Street Christian Reformed Church.

Classis meets in three sessions each year, January, May and September. At this meeting the Rev. Garret Stoutmeyer, pastor of the Calvin Christian Reformed Church, will preside and the Rev. Harry Blystra will act as stated clerk.

Candidate Wesley Timmer, pastor-elect of the Calvary Christian Reformed Church, will be examined in various subjects of theology and will also preach a part of a sermon from an assigned text. Delegates from three other Classis, Zeeland, Grandville and Grand Rapids South, have been requested to be present.

Two delegates from each of the 23 churches in Classis Holland will conduct and listen to the examination and upon satisfactory completion, Candidate Timmer will be ordained into the ministry of the Christian Reformed Church at a special service in Calvary church. Date of the meeting will be announced later.

Delegates also will hear reports from various committees of Classis as well as delegates to denominational boards.

The public is invited to attend Thursday's session at any time during the day or evening.

Saugatuck Ready for Bond Vote

SAUGATUCK — District voters will go to the polls Oct. 1 to consider a proposed bond issue of \$300,000 to finance a nine room addition to the Douglas Elementary School and remodeling of the Saugatuck School for high school use. If approved, money realized from the sale of the bonds, when added to some \$71,000 presently available to the Board of Education, will enable the district to carry out the major recommendations of the Michigan State University survey team which studied local school facilities and curriculum in May.

In their report to the Board of Education, MSU consultants recommended that the Saugatuck School be remodeled for use as a high school and that additional rooms be added to the Douglas School, making it the elementary school for the district. In their evaluation of the Saugatuck School, consultants stated that the building is greatly overcrowded and that as a result certain areas now being used by the high school are unacceptable as effective educational housing.

It was their belief that if needed improvements are to be made in the high school instructional program, areas now being used for science, music, foreign language, homemaking, commerce and English must be expanded or moved. Remodeling of the Saugatuck School for high school use would make this possible.

In regard to the elementary school, consultants stated that the elementary program of the two schools, Saugatuck and Douglas, should be combined in order to present an effective elementary instructional program and, further, that the elementary program should be housed in one building. This, as recommended, can be accomplished by building an addition to the Douglas Elementary School which will be large enough to handle the total predicted elementary enrollments. The facilities that will then be released from elementary use in the Saugatuck School should be remodeled to house the improvements in the secondary instructional program.

Plans prepared by the Board, based on the major recommendations of the consultants, call for the expenditure of approximately \$371,000 — if bids are taken during January or February of 1964. Architects have estimated that delaying construction until spring, or later, would add a minimum of \$20,000 to the project. If approval is given by the voters on Oct. 1, it is anticipated that the Board will be able to open bids by Feb. 15th, with construction starting shortly thereafter.

Estimated cost of construction work, equipment, furnishings and site development needed to provide the facilities recommended by the consultants is \$371,000.

This lists \$295,025 for the new elementary school, \$43,575 for furnishings and equipment, \$11,400 for site and playground, \$3,500 for remodeling in present Douglas school, and \$17,500 for remodeling and furnishings for the high school.

If approved Oct. 1, the \$300,000 bond issue will not change the present millage structure, but will replace the present 3 mills for building and site.

Total millage would be 13.16 on equalized valuation, listing 8.66 for operations, 1.50 special voted 3 for building and site.

The Saugatuck millage is the lowest of Allegan County districts which range up to 21 for Plainwell. Other totals list Otsego, 19.66; Allegan, 18.66; Hopkins, 17.66; Martin, 17.64; Hamilton, 15.36; Wayland, 14; Fennville 13.91; Saugatuck, 13.16.

Boy Scout Troop 41 Enjoys Canoe Trip

Sixteen members of Boy Scout Troop 41 took a canoe trip down the Pere Marquette River near Baldwin last Saturday. This is the 10th such trip taken by members of the troop during the last three years.

Dutch Lose 13-12 Game To Tigers

A touchdown with 28 seconds left to play pulled Holland High's football team within one point but Benton Harbor held to take a 13-12 victory in an LMAC season's opener before 4,000 fans Friday night in Riverview Park.

The touchdown climaxed Holland's second-half comeback which saw the Dutch play much improved football over the first half. But one lapse early in the third quarter let Benton Harbor get what proved to be its winning touchdown and that was the game.

After that touchdown the rest of the game belonged to Holland. Following a pattern of second-half comebacks noted in several games last year, the Dutch, trailing 13-0, scored first with 1:59 left in the third quarter.

An eight-yard screen pass from quarterback Vern Plagenhoef to Jim De Neff resulted in the touchdown. This same combination, only for 20 yards, gave Holland its final touchdown with 28 seconds left.

After the first touchdown, a high pass from center prevented Darrel Schuurman from attempting the extra point. After the second tally, De Neff ran the ball and was stopped on the one-yard line.

Holland's second touchdown was set up with 56 remaining when tackle Rich Sawicky recovered a Benton Harbor fumble on the Benton Harbor 43. The recovery came two plays after De Neff had been stopped inches short of a first down on the Tigers 36 with 2:10 remaining.

De Neff completed a 23-yard aerial to Schuurman to the 20 and on the next play was Plagenhoef's target on the screen pass.

On the first touchdown in the third quarter, De Neff ran most of the eight yards behind a perfect screen of teammates. Two plays previously he had set up the touchdown with a 13-yard completion from Plagenhoef. Holland had obtained the ball on a pass interception by De Neff on the Benton Harbor 48.

Mitch Pruiett scored the winning touchdown with 9:13 left in the third quarter. After Holland punted to the 25, Pruiett took a hand-off on a quick-opener off guard and raced 75 yards to score. He then converted.

Benton Harbor's other touchdown came with 7:35 left in the first quarter on a 15-yard pass play from quarterback Tony Ruiz to halfback Dave Mack. Pruiett's kick was wide. Nantz set up the first touchdown when he recovered De Neff's fumble on the Dutch 23.

The defending LMAC champions drove to the Holland four late in the first half but Mike Coney recovered a fumble to squelch the threat. The Tigers ended on the Dutch 12 at the half.

Holland, with De Neff, Walt Van Oosterhout, Rich Arenas and Junior Ruiz, doing the balloting, marched to the Benton Harbor nine early in the final period.

But two penalties and two losses put Holland back on the 35. Holland displayed good defense with Ruiz and Paul Wassenaar on the next series and the Tigers punted with 3:56 left. But this time the Dutch failed to make a first down.

Besides the 75-yard run, Holland held the Tigers to 21 yards in the second half. The Tigers failed to make a first down. Holland had been held to 44 yards in the first half while the Tigers had 123. The Dutch made 167 yards in the second half, 89 rushing and 67 passing six of 12 aerials.

In losing the LMAC contest, coaches Jim Jebb and Tom Carey said the Dutch "left much to be desired." Van Oosterhout's running and Ruiz' defensive play was singled out by the coaches.

Holland plays its second straight LMAC game next Friday at Muskegon Heights. The Tigers lost the season's opener, 19-6 Friday against Grand Rapids Union.

Car Completely Burns

A 1959 convertible was completely destroyed by fire about 11:30 Friday night, according to Holland firemen. The car, which belonged to Bob Breedwell, of Fennville, was parked in the Scotts, Inc. parking lot at 611 Ottawa Ave., when it caught fire. Firemen were unable to determine how the fire started.

OFF TO RACES — Jim De Neff (44) flanked by Walt Van Oosterhout (36), races towards Holland's first touchdown Friday night against Benton Harbor in Riverview Park. De Neff caught a screen pass from quarterback Vern Plagenhoef and ran eight yards to score. Holland dropped the LMAC game to the Tigers, 13-12. (Sentinel photo)

Little Dutch Lose Opener

Holland High's reserve football team dropped a 9-0 decision to the Benton Harbor reserves Friday afternoon in the season's opener in Riverview Park.

The Tigers capitalized on a Holland fumble in the first quarter to record a safety. After the Dutch fumbled on the one-yard line, the ball rolled into the end zone where it was downed by a Holland player.

Benton Harbor's touchdown came in the second quarter after a short drive. The extra point was run to conclude the scoring. Holland could never get an offensive drive going in the game. Coach Carl Selover called Holland's performance "lackluster" and planned to work this week to get punch into the offense.

The Dutch had trouble hanging on to the ball and fumbled six times including the fumble that set up the safety. Holland also fumbled and lost the ball on the opening kickoff.

Holland plays at Muskegon Heights next Friday at 4 p.m.

Bands Perform During Halftime

Holland and Benton Harbor High School bands both presented halftime shows Friday night with the Dutch saluting the opening of school while the Tigers presented a series of dance routines.

The Holland band opened with an "Hi" while facing the Benton Harbor routing section. This was followed by the formation of a schoolhouse and the playing of "School Days."

A football was then formed and the band played "Football Hero" and concluded the show in an "H" playing "Hey, Look Me Over" and "Go Holland High." The band is directed by William Kisinger.

The Benton Harbor band made a duck formation and played "Summer Time" and this was followed by a formation of interlocking block squares and the playing of "Everything's Comin' Up Roses."

MSU Offers Two Courses In Holland

School teachers and administrators, graduate and undergraduates students and other qualified persons can continue their education this fall through two extension courses offered in Holland by Michigan State University.

"Principles of Curriculum Improvement" is a course that will be developed through the critical analysis of practices found in public schools. This course is offered on Mondays, and will begin Sept. 30 from 7-10 p.m. Dale Olsen, assistant principal in the Grand Rapids Public School system, will instruct the course. Both classes are held at the Holland Junior High School. "Special Methods and Materials of Teaching — Social Studies — Elementary Grades" will help to develop an understanding of the basic principles and techniques of effective instruction in the various subject-matter areas, such as social studies. This course will be taught by Dr. James D. Hoffman, Assistant Professor at Michigan State University, and Coordinator of the Student Teacher Educational Program (STEP) in Grand Rapids. The class meets Wednesday from 7-10 p.m., beginning Oct. 2.

Registrations are being taken now at the Grand Rapids Regional Center, 148 Ransom N.E., Grand Rapids, and students may also register at the first class meeting. Additional information on these and other courses may be obtained by contacting the regional center.

Both Drivers Ticketed

Two drivers involved in an accident at 1100 South Shore Dr. at 7:08 a.m. today were issued tickets by Holland police. Raymond E. Busscher, 33, of 351 East 27th St., was issued a ticket for failure to give a turn signal, and James A. Topp, 18, of 344 West 21st St., for failure to maintain an assured clear distance.

'Y Family Night' Is Considered As Fall Activity

A "Y Family Night" program may be offered this fall as an extension program involving the entire family in activities of recreation, physical education and adult education.

Such a program would include art courses, bridge classes, adult courses in industrial management and typing, crafts and movies for the children and physical education classes for all.

A subcommittee of the Y's program committee has been studying such a program for one month. Vernon Schipper, program vice-president of the Holland-Zeeland YMCA announced recently.

"It is the desire of the committee to make this program attractive to the entire family," Schipper said.

Members of the subcommittee besides Schipper are Mrs. Larry Green, Mrs. Norman Janninga, Al Dyk, Jack Leenhouts, Mrs. Jack Miller, Mrs. Robert Visscher and Richard Hofferbert.

In a meeting at the home of Al Dyk, the committee reviewed the progress to date on securing facilities and instructors for the classes and determining fees for the program.

Dick Hofferbert, Y executive director, reported that a communication was sent to the Holland Public School Board of Education requesting the use of the high school field house, the west class room unit and the new art center to house the program.

In considering fees, the committee noted that the rate structure would include a basic enrollment charge plus a fee for each activity as direct expenses of rentals, publicity and instructors fees would have to be covered.

Following a report by Mrs. Robert Visscher, art director of Holland High School, the committee decided to offer four art courses in the program: water colors, pottery, print making and jewelry making (or silver smithing).

Other adult classes discussed were bridge, religious survey, knitting, industrial management, investments, Holland today, training for leadership, square dancing, interior decorating, typing, bowling and sewing.

The physical education portion of the program including classes for adults and children will offer informal volleyball, basketball and other popular sports. A course in Judo is being considered if a highly trained instructor can be obtained.

The children's programs will include gym classes, movies, baton twirling, simple crafts, a game period and ballroom dancing.

The program would be divided into two units enabling most family members to sign up for two activities. The first unit would run from 6:30 p.m. to 8 p.m. and the second from 8 to 9:30 p.m. art classes would run the entire three hour period.

If arrangements for facilities can be completed, the committee hopes to offer the program starting early in October. Final plans for the program will be made at a committee meeting on Monday, Sept. 16.

Zeeland Takes 20-12 Win Over Coopersville

COOPERSVILLE — Zeeland High's football team, showing a well functioning offense, scored touchdowns in the first three quarters here Friday night to defeat Coopersville, 20-12 at the Coopersville field.

Duane (Doc) Vanden Bosch opened Zeeland's scoring in the first quarter with a 12-yard plunge but Coopersville matched the touchdown with a 12-yard run by Dick Holman to knot the score 6-6 at the period.

Zeeland went ahead in the second quarter on a 15-yard run by Scott Van Hoven and co-captain Steve Overweg kicked the extra point to put the Chix in front, 12-6 at half.

Don Kroodsmas caught a five-yard pass from quarterback and co-captain Bruce Vander Meulen in the third quarter for Zeeland's

first tally. Overweg converted.

With five minutes to go in the game, Coopersville scored on a nine-yard pass play from John Holman to Bill Bush.

Zeeland picked up a total of 268 yards on 192 yards rushing and 75 yards passing. The Broncos made 77 yards rushing and 45 passing.

The Chix had 12 first-downs and Coopersville made nine. Zeeland fumbled three times and lost the ball once while Coopersville bobbled six times and lost it four times.

Zeeland was penalized 150 yards while Coopersville was assessed 15 yards. The Chix punted four times for 183 yards and the Broncos, three for 121.

Zeeland begins Grand Valley League action next Friday night at East Grand Rapids.

Panthers Top J.A. Gabriel On Safety

West Ottawa's football team took advantage of a break and won a thriller over Lansing John A. Gabriel, 2-0, here Friday night before about 1,500 fans.

With only nine seconds on the clock at the end of the first half, Lansing was forced to punt from their own 22-yard line. The pass from center went clear over the punter's head.

The punter, Dave Fellows, and several hard charging Panther linemen chased the ball toward the end zone with the end result being that the ball went out of the end zone and the Panthers were awarded a safety. With one second remaining in the half, Lynn Bakker received the kickoff and returned it 31 yards as he nearly got away.

The game was a rugged, defensive battle. Both teams had big lines and powerful backs. After the first set of downs it appeared that the team that made the fewest number of errors would eventually be the winner. This proved true as West Ottawa did not fumble at all and only had one five yard penalty assessed against them. It was a clean battle with good sportsmanship being shown by each side.

The Panthers nearly scored in the second quarter. West Ottawa moved the ball from their own 45 down to Lansing's eight yard line before the attack bogged down and Dale Cramer just missed an 18 yard field goal attempt.

The Panthers had moved for four first downs, mostly on the ground. Fullback Jim Corwin made the most of the yards with his bull-like rushes, but halfbacks Dave Farabee and Ron Breuker ran often enough to keep the visitors guessing.

The Shamrocks were not able to get out of their own territory the entire first half with the ball in their possession. They did, however, provide many thrills in the second half as they forced West Ottawa to just hold on to their lead.

The visitors opened up their passing attack in the third quarter and three straight completions brought them to West Ottawa's 28-yard line with a first down. They were then penalized five yards, made only one yard on a running play, fumbled a handoff in the backfield and just missed on a long fourth down pass that Bakker deflected just at the last moment.

The Panthers later moved to the losers' 13-yard line after Dave Vizithum intercepted a pass, but lost the ball again when Vizithum's pass was intercepted.

The Shamrocks made one last thrilling drive in the last quarter that carried them from their own 25 yard line with five straight first downs to the winners' 14. A clipping penalty moved them back 15 yards to the 29 and the Panther defense stiffened and held with less than one minute remaining. The Shamrock's fullback Fellows carried the brunt of their running attack as he carried the ball 19 times for a total of 83 yards. Corwin made 53 yards in 12 tries for the Panthers' leading performance.

Coaches Ron Wetherbee and Doug Waldron were very pleased with the performance of all the boys, especially the defense. They didn't feel that they could pick out a single player who stood out, but thought the group worked well together.

This was the first time that the Panthers have won an opening ball game and they will lay their record on the line next week against Grandville in their first Grand Valley League test at Grandville. Statistics:

PLAQUE DISPLAYED — Jack West, staff pharmacist at Holland Hospital who won a \$500 prize earlier this summer for a money-saving time-saving idea on outdated drugs, shows the plaque which goes to Holland Hospital as part of the award. The plaque now hangs in the hospital lobby next to one won by three nurses in 1958 for developing a program of nursing care in which ambulatory and convalescing patients are segregated from the more seriously ill patients. The nurses shared a \$500 prize. Holland Hospital is the only one in its size category to win two such plaques since the contest opened in 1958. (Penna-Sas photo)

State Regent Addresses Opening DAR Meeting

State DAR Regent, Mrs. Clare E. Wiedlea, spoke to members of the Elizabeth Schuyler Hamilton Chapter, DAR, at their opening luncheon meeting Thursday at Jack's Banquet Hall.

Mrs. Wiedlea's topic was "Why the DAR?" She said the DAR was chartered in 1890 by an act of the U. S. Congress. The DAR is a patriotic organization which attempts to give American citizens a better understanding of the historical past and to promote education on laws and principals for a better future.

The DAR is also a service organization. In 1963 the primary concern was the American Indian. The National Chapter gave more than \$100,000 to Indian schools and Indian students in the U.S. More than 9 million citizenship manuals have been distributed to prospective citizens, high school civics classes and labor unions.

Michigan chapters last year gave more than \$11,000 to worthy students in the form of loans and scholarships.

Mrs. Clarence Becker, regent, conducted the business meeting. Reports were given by officers. The chapter voted to send the DAR magazine to the libraries of Hope College, Holland, West Ottawa and Zeeland High Schools and Herrick Public Library.

The Regional Conference will be held Sept. 24 at Ionia, with all members invited to attend.

GRAND HAVEN — Mrs. Joseph Wiewiora, 67, of 12157 152nd Ave. Grand Haven, died early Saturday morning in Municipal Hospital shortly after admittance. She was a member of St. Anthony's Church in Robinson Township and a member of the Altar and Rosary Society.

Besides her husband, she is survived by four sons, Frank and Stephen of Grand Haven, Walter of Spring Lake and Stanley of Jackson; five daughters, Mrs. Herman Mergener, Miss Anna Wiewiora and Mrs. Tom Streng all of Grand Haven, Mrs. Victor Wisniewski of Grand Rapids and Mrs. Julia Gaadini of Chicago; two sisters and one brother in Poland; 19 grandchildren and four great grandchildren.

Mulder-Vice Rites Performed

Mrs. Robert James Mulder and Robert James Mulder were united in marriage on Saturday, Aug. 17, with Capt. Eric Britcher performing the double ring ceremony in the Salvation Army Citadel before an altar banked with greens and bouquets of pink and white gladioli.

Mrs. Britcher accompanied her husband, Capt. Britcher, who sang "O Perfect Love."

The bride, wearing a gown of white lace with matching jacket and elbow-length veil held in place by a pearl crown, was given in marriage by her great uncle, Elmer Allen of Grandville.

Mr. and Mrs. James MacKechie attended the couple and ushers were Louis Mulder and James Katowich.

Following the ceremony a reception for about 50 guests was held in the citadel. Mr. and Mrs. Don Berkompas served punch and Miss Ruth Smith poured coffee. Gifts were opened by the newlyweds assisted by Mr. and Mrs. MacKechie.

The couple resides in Holland. Mr. Mulder is employed by the Diamond Bakery.

Borr's Sold To New Owner

Borr's Bootery which has operated at 21 West Eighth St. since 1936 has been sold to Thomas M. Muller who operates several shoe stores in Grand Rapids.

The business started back in 1923 when James Borr opened a "Home of Holland Shoes" at 31 West Eighth St. upstairs. This store was the outlet for men's and boys' shoes manufactured by the Holland Shoe Co. The waiting room for the Holland Interurban was located downstairs. After the Interurban went out of business, the firm moved downstairs and added a complete line of women's shoes.

In 1929, Borr was joined by his brother, Matt, as partner and the business was established as Borr's Bootery. Both had worked at the Holland Shoe Co. for several years. It operated in the Westrate building at 13 West Eighth St. for several years. The brothers also operated the Bargain Shoe Store at 72 East Eighth St. for several years in the 1930's.

Through the years, the Borr's have served many Holland residents, and many of their customers today are in the third and fourth generations of their original customers, something that has been a great source of satisfaction to the operators.

Jim and Matt Borr are now retired, but their employees will continue working at the store under the new management. The store will continue much the same lines as the Borr's have handled plus possibly some more lines.

The new owner will continue to make his home in Grand Rapids and he has retained Wink Bletsch of Muskegon as his new manager. Bletsch and his wife and three daughters have moved to Holland and are making their home at 1130 Graafschap Rd.

The name Borr's Bootery will continue to be used.

De Kam-Hoedema Vows Repeated

Miss Kathleen Joy Hoedema became the bride of Willis De Kam on Saturday, Aug. 31 in an early fall ceremony performed by the Rev. Gordon Van Oostenberg in Trinity Reformed Church.

The bride, daughter of Mr. and Mrs. Arthur Hoedema of 94 West 17th St., and the groom, son of Mr. and Mrs. Andrew De Kam of 372 West 21st St., repeated the double ring marriage vows at 2 p.m. in a setting of palms, bouquets of fall colored bronze and yellow chrysanthemums offset by branch side candelabra. To accent her fall wedding, the bride chose a brass trellis which was decorated with chrysanthemums.

Mrs. William Zonnebelt, organist, accompanied Lester Lanser, cousin of the groom, who sang "The Wedding Prayer" and, as the couple knelt, "The Lord's Prayer."

The bride, given in marriage by her father, selected a floor length bell shaped gown of crystal tulle which featured a moderately scooped neckline edged in chantilly lace. A plastron of the lace extended down the front panel and a similar medallion was centered on the fan shaped chapel train.

Her bouffant elbow length triple tiered veil of French illusion fell from a cap of ruching trimmed with pearls and sequins. The bride carried a cascade arrangement of lily of the valley, yellow sweet-heart roses and an orchid in the center. She carried her bouquet atop a white Bible.

The bride chose Miss Lois Van Hoff to be her maid of honor. She wore a bell shaped floor length gown of frosted mint satin with a wateau train slash of deeper green. Her matching headpiece was of sequins and pearls with a nosegay veil. She carried an arm bouquet of orange and bronze snapdragons, gladioli and yellow mums. The bouquet was accented with sheaves of fall colored wheat.

Bridesmaids were Miss Cheryl Wabeke, cousin of the bride and Miss Marilyn De Kam, sister of the groom. Both were dressed in similar attires to the maid of honor.

The groom selected his brother, Peter De Kam to be his best man. Ushers were Henry Boehm, brother-in-law of the groom and David Hoedema, brother of the bride.

Miss Kathleen Joy Hoedema became the bride of Willis De Kam on Saturday, Aug. 31 in an early fall ceremony performed by the Rev. Gordon Van Oostenberg in Trinity Reformed Church.

The bride, daughter of Mr. and Mrs. Arthur Hoedema of 94 West 17th St., and the groom, son of Mr. and Mrs. Andrew De Kam of 372 West 21st St., repeated the double ring marriage vows at 2 p.m. in a setting of palms, bouquets of fall colored bronze and yellow chrysanthemums offset by branch side candelabra. To accent her fall wedding, the bride chose a brass trellis which was decorated with chrysanthemums.

Mrs. William Zonnebelt, organist, accompanied Lester Lanser, cousin of the groom, who sang "The Wedding Prayer" and, as the couple knelt, "The Lord's Prayer."

The bride, given in marriage by her father, selected a floor length bell shaped gown of crystal tulle which featured a moderately scooped neckline edged in chantilly lace. A plastron of the lace extended down the front panel and a similar medallion was centered on the fan shaped chapel train.

Her bouffant elbow length triple tiered veil of French illusion fell from a cap of ruching trimmed with pearls and sequins. The bride carried a cascade arrangement of lily of the valley, yellow sweet-heart roses and an orchid in the center. She carried her bouquet atop a white Bible.

The bride chose Miss Lois Van Hoff to be her maid of honor. She wore a bell shaped floor length gown of frosted mint satin with a wateau train slash of deeper green. Her matching headpiece was of sequins and pearls with a nosegay veil. She carried an arm bouquet of orange and bronze snapdragons, gladioli and yellow mums. The bouquet was accented with sheaves of fall colored wheat.

Bridesmaids were Miss Cheryl Wabeke, cousin of the bride and Miss Marilyn De Kam, sister of the groom. Both were dressed in similar attires to the maid of honor.

The groom selected his brother, Peter De Kam to be his best man. Ushers were Henry Boehm, brother-in-law of the groom and David Hoedema, brother of the bride.

Married in Grace Church

Patricia Eileen Haynes and Robert Charles Eakley exchanged marriage vows in Grace Episcopal Church on Aug. 31. The Rev. William C. Warner performed the double ring ceremony for the daughter of Mr. and Mrs. Kenneth Haynes, 1240 Janice St., and the son of Mrs. Dorothy Eakley, 40 South River Ave.

Bouquets of white gladioli and large white chrysanthemums were used on the altar. Mrs. Larrie Clark, organist, played traditional wedding marches and accompanied her husband, Larrie Clark, when he sang "Ave Maria," "Benediction" by Lutkin, "King of Love" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a floor-length bell-shaped gown of pea de soie featuring a portrait neckline, short sleeves and a fitted bodice. The skirt had a re-embroidered Alencon plastron on the front panel with a free flowing chapel train topped by a tailored bow. Her veil of illusion fell from a pea de soie cabbage rose. The bride carried a single long-stemmed white rose.

Miss Janice Haynes served as her sister's maid of honor. She wore a street-length dress of cinnamon brown silk organza accented by a cabbage rose at the waist and a cabbage rose headpiece. She carried bronze and gold baby mums.

Mrs. Edwin Jordan, bridesmaid, and Miss Christina Eggertson of Cedar Springs, junior bridesmaid, wore identical gowns in shades of Jordan.

The bride is a graduate of Holland High School and is employed as a stenographer in the Board of Public Works office. The groom is also a Holland High School graduate and is with the H. E. Morse Co. They are at home at 724 1/2 Lincoln Ave.

Mrs. Eakley, the groom's mother, entertained the wedding party at a rehearsal dinner at the Eten House. Showers were given for the bride by Mrs. Wainwright and Mrs. Jordan.

KIDS' CARS

If you know any families with teenagers, you know that the choice of the family car is affected by what the kids like. There are sedate middle-aged matrons driving twin-stack jobs only because some teenager has exerted his influence. The teenager, in other words, is affecting the car market, and automobile producers are beginning to consider the tastes of the younger set.

Not that car sales to teenagers are a considerable part of the market. But teenagers have a way of growing up, and when they do, they tend to buy the kind of car with which they have had satisfactory experiences. So the kind of car that Pop has now, if it is a good one, is likely to be the kind the youngster will buy when he grows up and becomes financially independent.

And there will be a lot of these grown-up teenagers in a very short time. In the 1970's the post-war babies will be getting to the age when they can buy their own cars. In fact, by 1965 almost four million youths a year will be old enough to drive, and by 1970 there will be over 12 million additional potential car buyers between the ages of 15 and 24. All of these of course do not buy new cars, but they buy used ones, and used ones must at some time be new. So automobile styling and engineering are beginning to cater to the teenage taste.

Catering to this emerging clientele is no doubt sound business. We only hope that the automobile makers remember that as post-war babies become teenagers, so teenagers become mature and middle-aged people with their own tastes and preferences. We hope they remember that Pop is in the market too.

It is much too late to change models for 1964. The artists and designers should try out their products for comfort both in getting in and out as well as driving and riding. Many women today continue to complain about our products. Automobiles come in for their share of kicks.

God in History

Genesis 50:15-24

By C. P. Dame

Some people read history and never see the hand of God in any of the great events of life or of nations. Others read history and note how God directed and controlled things.

Joseph saw God at work in his life and in the lives of his brothers. God is at work in our world — this we all ought to remember.

I. A guilty conscience gives a lot of trouble. Jacob lived 17 years in Egypt and then died and was buried in Canaan in "the cure of the field of Machpelah, to the east of Mamre, which Abraham bought." After the death of Jacob, the brothers of Joseph feared that he would pay them back for all the evil they had done to him.

Although Joseph had told them about the providence of God they did not believe much in this truth. The brothers sent a message to Joseph which they said their father had given them. This message said that Joseph should forgive the sin of the brothers. He had done this long before but they did not believe it.

They put Joseph in their class. They knew that Joseph had a high regard for his father and so they hoped that this message would make an impression upon Joseph. These brothers were plagued by a guilty conscience. They had no reason for fearing that Joseph would seek revenge.

II. Belief in God's providence is a blessing.

The message hurt Joseph and it made him weep. Joseph sent for his brothers who again fell down before him and said, "Behold, we are thy servants." Once again Joseph's dream was fulfilled. His words, "But as for you, ye thought evil against me, but God meant it unto good, to bring to pass, as it is this day, to save much people alive," reveal his faith.

God used the evil deeds of these brothers and made good to come from them. Joseph's faith kept him from showing a revengeful spirit and prompted him to promise that he would provide for them and their families. He took fear out of their hearts and planted assurance there.

III. God rewards believers. Joseph lived 93 years in Egypt. During the last 80 he was a ruler. Joseph became a great-grandfather.

When Joseph felt death was near he spoke to his brethren about the future and made them promise that when God would lead them back to Canaan they would take his bones along.

After living an eventful life Joseph died at the age of 110 years and "they embalmed him, and he was put in a coffin in Egypt." When Israel left Egypt, Moses took the bones of Joseph with him (Exodus 13:19) and Joshua buried his bones in Shechem (Joshua 24:32). When Moses took the bones of Joseph out of Egypt he showed that he had the faith of Joseph.

The best way to honor our past leaders is to continue their work and manifest their spirit.

Sunday School Staff Honors Miss Diana Noe

Teachers and staff of the Sunday School Department of First Presbyterian Church honored Miss Diana Noe with a miscellaneous shower Monday night at the home of Mrs. Richard L. Raymond, 566 Lawndale Ct.

Holland Hospital Has Third X-Ray Room in Operation

A third x-ray room containing a new \$35,000 General Electric x-ray machine, is now in operation in Holland Hospital.

The new machine has a higher kilovolt of 150, compared with the other machines of 95 and can operate in a lower time level of 1/120 second, compared with 1/20 second for the old machines.

For fluoroscopy, the machine is equipped with an image intensifier which electronically amplifies the visible fluorescent image 3,000 times within the tube producing an image 60 per cent brighter. This permits more adequate fluoroscopic examination of stomach x-rays, particularly for heavy people, and brightens the image resulting in far more detail which in turn aids diagnosis.

The intensified picture also decreases the amount of x-ray dosage to the patient 50 to 80 per cent depending on work to be done.

The overhead tube can be swung to almost any position, permitting x-rays to be taken for a patient in a bed or on a stretcher, usually a fracture victim or one seriously injured who should not be moved.

THESE ARE DANGEROUS! — Any parents finding youngsters playing with syringes like these are asked to dispose of them immediately. A quantity of used disposable hypodermic needles with plastic parts in a variety of colors was found in the city dump by a

group of northside youngsters who thereafter used them as squirt guns. The first two have plastic covers on the needle. The needle on the third has plastic cover removed. The possibility of infectious germs makes these things extremely dangerous. (Sentinel photo)

Hypodermic Playthings? Please Get Rid of Them

Sheriff's officers and the Holland Department of Environmental Health today issued a plea to northside youngsters to dispose of any hypodermic needles they have found in the city dump and are using as playthings.

Dangerous possibilities were unearthed Friday when Detective John Hemple of the Ottawa County sheriff's department was called to a northside school to investigate how more than 30 hypodermic needles had come into the possession of some boys.

He found out that six northside boys about a week ago had crossed Black River in a boat to scrounge around in the city dump. They found that old disposable hypodermic needles and their syringes made excellent squirt guns, and their sallies about the school (sometimes with ink) brought a reprimand from the teacher and a call to the sheriff's office.

Hemple recovered approximately 30 syringes in a variety of colors from the boys who said they used the things mostly as squirt guns, but in playing with them would prick each other once in a while.

They had visited the dump on several occasions and searching for syringes had become a hobby.

Since it was not known what the syringes contained, health authorities pointed out they could be highly dangerous or infectious, particularly in view of the fact that they had been exposed to countless foreign substances in the dump. The danger of tetanus is of prime concern.

It was determined the used disposable syringes came from Holland Hospital, but this material was ordinarily dumped in a section of the dump which was burned immediately. No burning had been done the past week because the wind remained in the wrong direction. Hospital Director Fred Burd immediately made new arrangements for disposing of used syringes.

Sam Stephenson, head of the local Department of Environmental Health, said any youngsters having syringes in their possession should dispose of them immediately. The needles should be removed first. The syringes are about five inches long with a two-inch needle and has plastic parts, not readily consumed by fire.

A check with local physicians revealed that most needles used in their offices were dismantled before being disposed of.

Ben De Boer, 56, of 164 West 17th St., died Sunday evening at Holland Hospital following a lingering illness. He was a lay evangelist at the Christian Reformed Chapel in West Olive.

Mr. De Boer had been supported in missionary work by the Classis Holland, Christian Reformed Church, for 21 years. He began his ministry to the Navahos in 1937 after which he served the Calvary chapel in Holland as well as the West Olive chapel. He then went to Bellflower, Calif., to do missionary work for three years. He returned to this area in 1958 and worked at Calvary for five years and the last two years at West Olive.

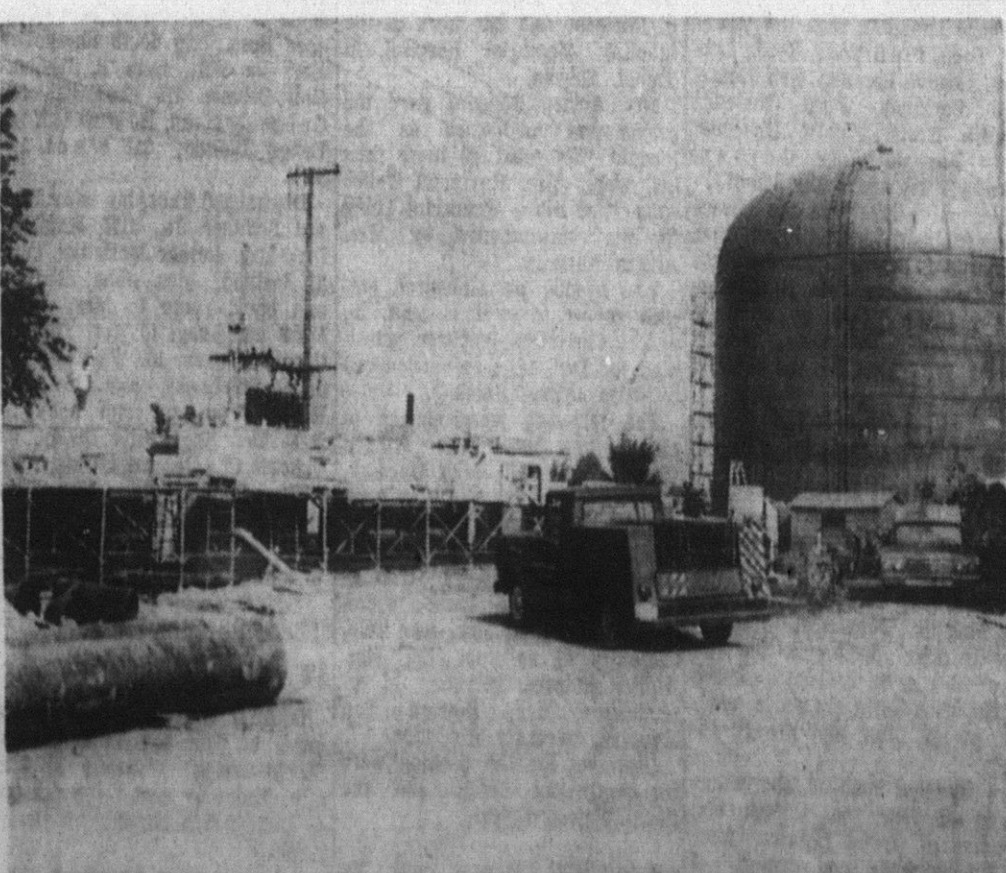

Ben De Boer

He served as president of the Greater Christian Reformed Church Evangelism Committee for six years and was recently retired. He was a member of Reformed Bible Institute Board of Grand Rapids.

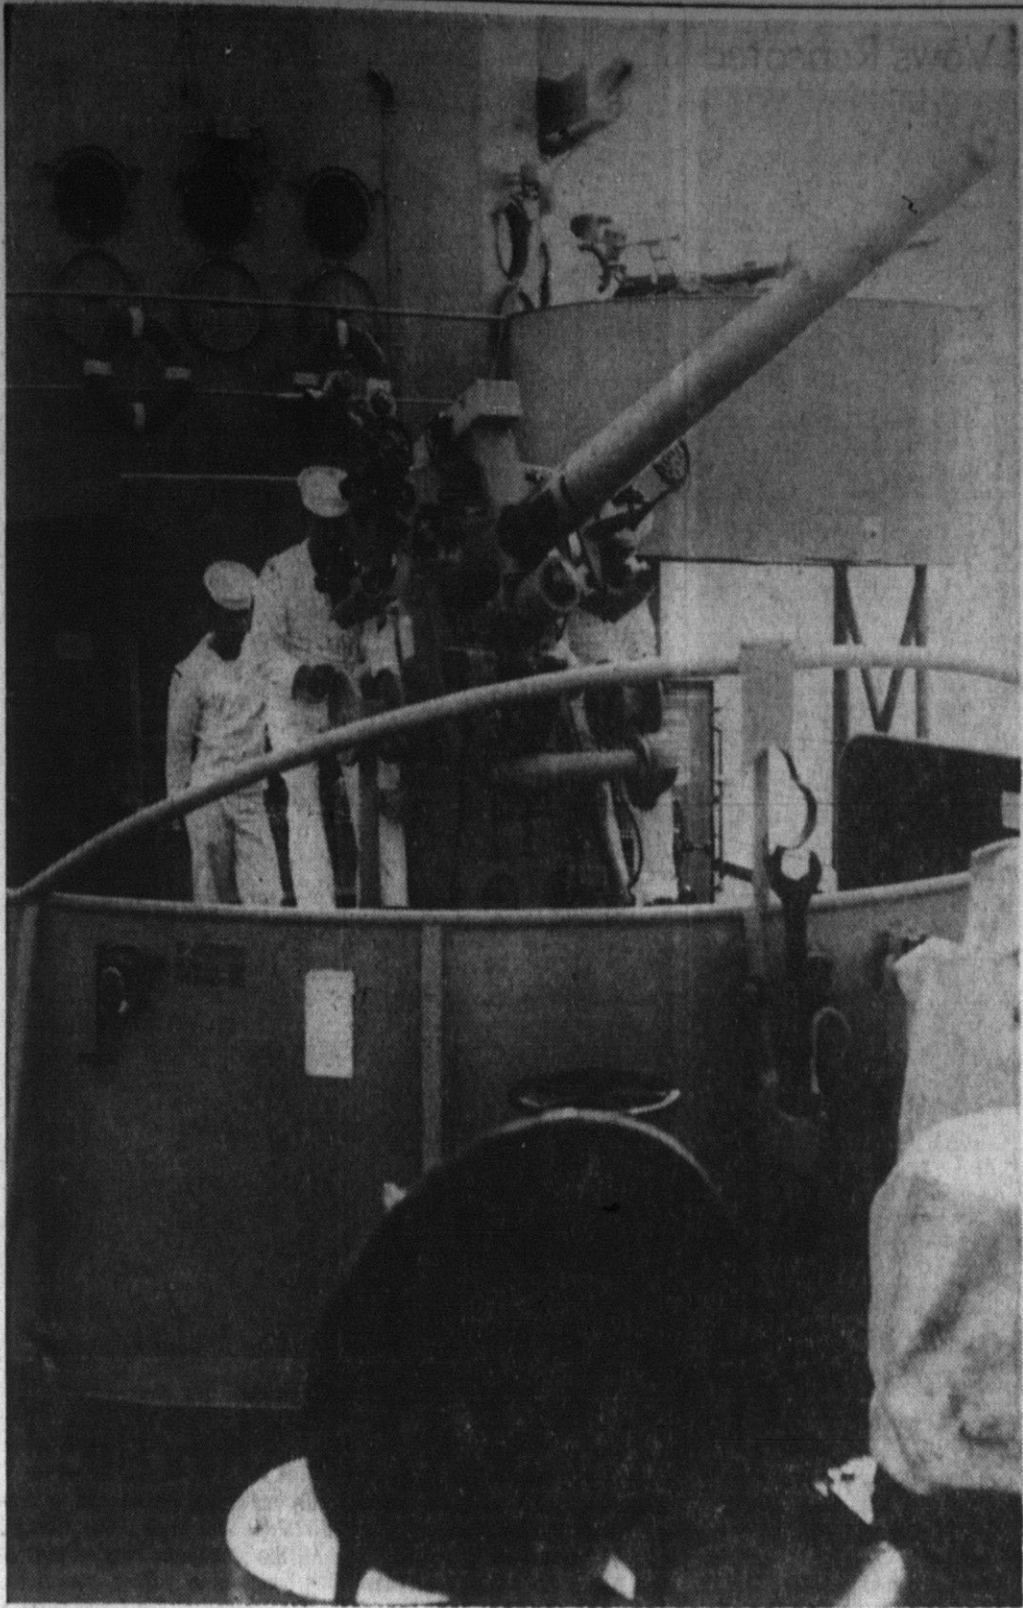

Surviving are the wife Anna; three sons, John De Boer of Nashville, Tenn., George De Boer of Bellflower, Calif., and Robert De Boer at home; two daughters, Mrs. Russell (Jennie) Vander Woude of Zeeland and Bette Ann De Boer at home; seven grandchildren; his mother, Mrs. Jennie De Boer of Holland.

Referred to Probate
Steve Jacobusse, 14, of 50 East 15th St., was referred to Probate Court Friday by Holland police for driving a car without a driver's license. Jacobusse was issued a ticket for careless driving after the car he was driving hit a parked car at 105 West 26th St. owned by Donald A. Mitchell of 216 Columbia Ave.

WATER FOR ZEELAND — Zeeland's new 1.25 million gallon water tank undergoes the first of two red lead coatings this week. When finished, the tank will be blue. Still under construction is the pumper station next to it, which will contain pumps to pump the water from Holland. Both the pumper station and the tower should be ready for use in about a month, according to City Utilities Manager Martin Hietje. Water

from Holland, meanwhile, is already being pumped to Zeeland where it is stored in an underground reservoir. Water will go to the pumper station, but pipes have been laid so that the water may bypass the station as it is at the present, or in the future if any trouble develops in the pumper station or water tank. Hietje said. (Sentinel photo)

READY FOR ACTION — USS Ely crewmen demonstrate how the boat's weapons can be readied for action at a moment's notice. The boat is fully commissioned for battle at all times, should the need arise. Three to six men are needed to operate the three-inch 50 calibre

weapon. On an upper deck is one of two rapid firing 20 millimeter mounts which can be manipulated by one man. The Ely also has a 40 millimeter mount and a weapon which can shoot anti-submarine rockets, or hedgehogs. (Sentinel photo)

Naval Vessel Has Weekend in Holland

The USS Ely left Holland Monday night after a day of taking about 75 members of the Holland-Zeeland Ministerial Association and their wives on a cruise and holding open house for the general public.

About 75 ministers and their wives went on deck the Ely Monday morning for a short cruise out into Lake Michigan where they were given demonstrations of life jackets, the anti-submarine warfare rocket and of fire fighting equipment.

Open house was held from 2 to 5 p.m.

The Ely was to return to its home port Monday in Sheboygan, Wis., with its crew of 34 men and four officers. It will next go to Chicago where it will pick up Coast Guardsmen for reserve training.

The USS Ely came to Holland Sunday upon the request of the Rev. William Burd, who wrote to the commandant of the Ninth Naval District requesting a tour of the Ely for the Ministerial Association.

The USS Ely is one of six such ships which is stationed in the Great Lakes area to train men in the Navy active and reserve units and Coast Guardsmen. From April to September of each year, there are a minimum of 45 men on board in two weeks of Navy summer training, according to Lt. Jack Moore, commander of the USS Ely. This is in addition to the regular crew of 34 men. The Ely is used the rest of the year for weekend active reserve training.

The USS Ely, a 184.5 foot, 850 ton boat, is commissioned for combat at all times, according to Moore. The Ely was built in Portland, Oreg., in the late stages of World War II. The Ely is named for the cities of Ely in Minnesota and Nevada.

The Ely is especially equipped for anti-submarine warfare training. She has modern surface, underwater and air attack detection devices. Her armament includes the dual purpose three-inch 50 calibre gun, a 40-millimeter mount and rapid firing 20-millimeter mounts. Following World War II, the Ely was reactivated in 1948, and made its last visit to Holland in 1959.

Music for the program will be presented by Miss Barbara Lampen.

In the United States the tomato was once thought to be poisonous, a mistaken idea that probably arose because the plant belongs to the nightshade family, which includes deadly species.

Grand Haven To Continue Free Parking

GRAND HAVEN — After a trial period of three months during the summer resort season, the Grand Haven City Council Monday night unanimously voted to continue free parking on all six municipal parking lots in the downtown area and the Seventh St. lot in the center town shopping district. There are 292 parking spaces in the seven lots.

John Van Scheiven of the Downtown Unlimited Merchants Organization appeared before City Council Monday night along with several other merchants and urged that the summer experiment started last June 1 be continued for at least another year.

In a letter to the council the merchants said "Downtown Unlimited would like to commend City Council and express appreciation for having made possible free parking during the summer. We are unanimous in our opinion that the plan has become popular with the shopping public and has had a very favorable influence on the success of our business."

In order to make this free off-street parking available to shoppers our group will pay any difference up to \$1,000 between the 1963 and 1964 parking meter fund budget."

Economics Study Group Holds Monthly Meeting

Woman's Literary Club Plans Unusual Programs

Highlights of the program for the Woman's Literary Club were discussed Friday afternoon at a dessert-coffee at the home of Mrs. Jerome E. Counihan, chairman of the program committee and first vice president of the club.

For the opening program on Oct. 1, Muriel Wolfson, a popular performer will make a return engagement with "Mothers of the Great." Miss Wolfson was here in 1959 with an unforgettable portrayal of Helen Keller.

On Oct. 15 a luncheon to honor new members promises to be something delightful with all members being urged to get "physically fit." Mrs. J. A. Lubbers will be chairman.

The Nov. 5 program will be on mental health, stimulating, informative and keyed to the layman.

An evening guest meeting is scheduled for Nov. 19 at 8 p.m. when members bring husbands and guests. Dr. James Hart, Dean of the College of Commerce of DePaul University, Chicago, will speak on "The Challenge of the Common Market."

"Eternal Madonna" Christian art through the centuries will be featured at the Christmas meeting and tea on Dec. 3. Harold Geyer will give the illustrated color slide lecture.

Dr. Millard G. Roberts, president of Parsons College, Fairfield, Iowa, will speak on education at the Jan. 7 meeting, the first in 1964.

Anne Perillo, concert soprano, and Richard Knoll, operatic tenor, the NBC Duo, will be costumed for their program on Jan. 21. The operatic afternoon will include "La Boheme" selections.

Feb. 4 will be the clubhouse birthday and tea. The Junior Welfare League will present the program "What's Cooking?" Dr. Rowland Myers has selected "The Romance of Words" for his program on Feb. 18.

For the first time in Holland, the Western Michigan University string quartet, well-known throughout the state, will present a musical afternoon on March 3. Julius Stulberg is the director.

What club woman will be able to resist the program "Women of Holland Today?" This look at the accomplishments of clubwomen, past, present and possibilities for future service will represent all women's clubs. Music and costumes of the past will be used in the presentation on March 17.

Mrs. Mary Jo Borreson, children's author, actress and housewife will give a light-hearted lecture on literary life, "I Can't Help Writing."

Attending the dessert meeting besides the committee were Mrs. Kenneth Kooiker, club president; Mrs. Walter Kuipers, second vice president and Mrs. William H. Vande Water, publicity chairman.

Mrs. Counihan's committee includes Mrs. Lubbers, Mrs. Harold Boles, Mrs. Robert Mills, Mrs. Bryan Athey and Mrs. Paul Felker.

Rose Show Honor Won by Huitsing

Peter Huitsing of 349 West 32nd St., won four firsts, three seconds and two third places in the Great Lakes District of the American Rose Society competition Saturday in Grand Rapids.

Huitsing entered 11 divisions and won nine awards. He took firsts in the full blown hybrid tea class with Show Girl and Tropicana varieties. Huitsing won first with a Garden Party variety in the regular hybrid tea class and took seconds with New York and Show Girl.

His Garden Party was second in the three blooms competition displaying a full blown, half to three-quarter open and bud. He won first with a Pinocchio in the floribunda class and third with Montezuma and Fairy in the grandiflora and old fashioned class.

Ebenezer Church Scene of Rites

Mr. and Mrs. Robert Keith Schrotenboer

Ebenezer Reformed Church was decorated with spiral candelabra, palms, kissing candles, white gladoli and yellow mums for the Aug. 23 marriage of Elisabeth Ann South and Robert Keith Schrotenboer.

The Rev. Henry Jager read the evening double ring rites for the daughter of Mr. and Mrs. Clarence South of route 3, Holland and the son of Mr. and Mrs. Evert Schrotenboer of 57 West McKinley St., Zeeland.

Mrs. Alfred Brown, organist, accompanied the Rev. John Hains when he sang "O Perfect Love" and "The Lord's Prayer."

The bride was escorted to the altar by her father Pew bows marked the way for her as she wore a pearl lustered gown of pale ivory Italian silk. Pearls and iridescent paillettes frosted the Alencon lace which formed a rose pattern. The brief sleeves were shirred in folds just above the elbows. A wide insertion of lace encircled the skirt from a pointed waistline and drifted to a court train.

Her veil of illusion fell to a fingertip length. She carried a white Bible topped with white gladioli, greens and streamers.

Mrs. Edwin D. South was matron of honor and was dressed in a ballerina length gown of peppermint de luna peau. The bell shaped skirt ended with asymmetrical bows at

the top of the back fullness. She wore a headpiece of mint flowers and carried a bouquet of white and yellow carnations with a touch of greens.

The bridesmaid, Shirley Van Dam, was dressed in similar attire.

The groom asked his brother, Evert Schrotenboer Jr. to be his best man. Also attending the groom were Delwin South, brother of the bride, Calvin Meeuwse and Gordon Styf.

For her daughter's wedding, the bride's mother wore a cotton green leaf print dress with white accessories. The groom's mother selected a dacton taupe print dress with matching accessories. Both mothers wore corsages of yellow roses and white carnations.

The couple greeted 100 guests at a reception following the ceremony in the church basement. Elaine South presided at the guest book while Joan Elferdink and Jane Boeve were in the giftroom. Pouring punch were Diane Hubbert and Jim Brower.

For a wedding trip to northern Michigan, the bride changed to a green knit sheath dress with black accessories and gold jewelry. The bride is employed at Holland Hospital as a practical nurse and the groom is a junior at Hope College.

The couple reside at 371 Central Ave.

Erutha Rebekahs Meet Following Summer Recess

The Erutha Rebekah Lodge met Friday evening after a summer recess with Mrs. W. S. Roberts conducting the business meeting. The memorial staff draped the charter in respect to Mrs. Jennie Keller of Zeeland.

Mrs. Ted Dykema read the report on hobo breakfasts and Mrs. Cameron Cranmer reported on the activity on wheel chairs and hospital beds.

An invitation was read from the Fennville Lodge for members to attend the visitation meeting to be

held there Thursday and will honor treasurers and junior past noble grand. Travel arrangements were made.

Mrs. Alice Rowan read questions and answers from the Lodge Journal pertinent to conduction of lodge business.

Mrs. William Orr presided at the refreshment tables and Mrs. Cranmer received the mystery package.

Miles-Shashaguay Vows Spoken

Mrs. George Allan Miles

(Joel's photo)

Bouquets of white gladioli, ferns and candelabra formed the background setting for the marriage of Miss JoAnn Shashaguay and George Allan Miles on Aug. 31 in the First Methodist Church.

The double ring rites were read at 3 p.m. by the Rev. Harold Derks for the daughter of Mr. and Mrs. John Shashaguay of 1139 Legion Park Dr., and the son of Mr. and Mrs. Lloyd G. Miles of 582 Howard Ave.

Mrs. Rudolph Mattson played the wedding music and also accompanied Miss Sally Bushouse when she sang "I Love Thee" and "The Lord's Prayer."

Wedding attendants were Miss Diane Shashaguay, sister of the bride, maid of honor; Miss Lynn Shashaguay and Miss Judie Van Liere, bridesmaids; Garth Knutson, best man; Jon Shashaguay and Bill Saul, ushers.

The bride, given in marriage by her father, wore a gown of silk organza with iridescent sequins and seed pearls adorning the neckline and front panel. A crown of pearls and sequins released a veil of illusion and she carried a cascade bouquet consisting of a large white orchid and white carnations.

The attendants' gowns were fashioned of blue peau, street-length, with softly draped bodices, scoop necklines and bell shaped skirts. They wore matching headpieces.

The bride's mother wore a light blue lace taffeta and the groom's mother selected a carnation pink sheath dress with matching jacket embroidered with Sautache braid.

Assisting at a reception held in the church parlors for 100 guests were Miss Beverly Poll, Miss Janice Kalkman and Miss Sue Anne Modders in the gift room; Misses Mary Jo and Sally Shashaguay, who presided at the guest book; Mrs. Bernard Shashaguay and Mrs. Wendall Miles who served coffee and the Misses Jane Ann Shashaguay and Lorraine Miles who were at the punch bowl.

For a wedding trip to northern Michigan the bride changed to a navy blue sheath complemented by the orchid corsage from her bridal bouquet. The couple now resides at 593 Bay Ave. The bride attended Ferris State College and the groom, a graduate of Ferris, is a draftsman at De Witt's in Zeeland.

The groom's parents entertained at a rehearsal dinner at the Wooden Shoe Restaurant.

Mr. and Mrs. Kenneth W. Terpstra

(Joel's photo)

Wed in Immanuel Church

A wedding solemnized on Sept. 7 at 3 p.m. in Immanuel Baptist Church united in marriage Miss Bonnie Lou Mokma, daughter of Mr. and Mrs. Lawrence R. Mokma of route 2 and Kenneth W. Terpstra, son of Mr. and Mrs. Henry L. Terpstra of 135 West 17th St.

Bouquets of pink gladioli and white mums offset with palms, ferns and candelabra decorated the altar for the double ring rites performed by the groom's brother, the Rev. Robert Terpstra.

Appropriate wedding music was played by Miss Hazel Ann Oelen who also accompanied Karl Goosen, soloist.

Wedding attendants were Miss Joyce Grassmink as maid of honor; Mrs. Rosemary Reidsma and Miss Elaine Terpstra, sister of the groom, as bridesmaids; Kim Mokma, as flower girl; Vincent Reidsma, a best man; Dick Mokma, brother of the bride, and Jack Wogzazer, ushers.

The bride who was given in marriage by her father wore a floor-length gown of silk organza over tissue taffeta featuring a portrait collar edged in re-embroidered Alencon lace, coming to a point at the back which had a tailored bow and streamers. Medallions of the Alencon lace decorated the side back which fell in a chapel train. The elbow-length bouffant veil of imported illusion was held by a demi-crown of pearls with a front cluster of orange blossoms. Her bouquet was a cascade of white roses around a white orchid center.

Her attendants wore identical

street-length sheaths of organza over taffeta with asymmetrical overskirts, side draped. Their dresses were shell pink, carnation and azalea, respectively, and their bouquets included pink gladioli and white mums.

For her daughter's wedding Mrs. Mokma chose a blue pleated jersey dress with white accessories while Mrs. Terpstra, the groom's mother wore a white and pink flowered jersey with white accessories. Each had a corsage of roses.

A reception for 100 guests was held in the American Legion Memorial Park Club house with Mr. and Mrs. Foster Wilt serving as master and mistress of ceremonies; Miss Ethel Mokma in charge of the guest book and Mr. and Mrs. Ray Mokma arranging the gift table. Lunch bowl attendants were Mr. and Mrs. Don Mokma. Pouring coffee were Mrs. Don Hoek and Mrs. Robert Terpstra and waitresses were Miss Barbara Goselaar and Miss Marikay Kamphuis.

The new Mrs. Terpstra donned a soft pink sheath dress and jacket with white and gold accessories for a wedding trip to Minnesota.

A graduate of West Ottawa High School, the bride is a dental assistant for Dr. Jay Tinhoft. The groom, a graduate of Holland High School and Valparaiso Technical Institute, is employed by IBM of Lansing. After Oct. 30 the couple will reside in Lansing.

The groom's parents entertained at a rehearsal dinner in Jack's Garden room.

Lampen-Ter Haar Vows Repeated

Mr. and Mrs. Donald Charles Lampen

(de Vries photo)

A double ring ceremony in the Drenthe Christian Reformed Church on Sept. 5 united in marriage Miss Gloria Ter Haar and Donald Charles Lampen.

Parents of the couple are Mr. and Mrs. Harvey Ter Haar of route 3, Zeeland, and Mr. and Mrs. Herbert Lampen of route 1, Hamilton.

The Rev. John J. Kenbeek officiated at the evening rites before an arch covered with white fuji mums and pompons, flanked with tree candelabra and Oregon ferns and bouquets of white mums and pompons.

Mrs. John De Weerd played appropriate wedding music and accompanied Marvin Paddling, soloist, when he sang "Because" and "The Wedding Prayer."

The bride was attired in a floor-length gown of delustered satin. The dress was styled with a fitted bodice with pearl trimmed Alencon lace applique forming the scoop neckline which was complemented by three-quarter length sleeves. Alencon lace in spray motif applied the softly pleated dome skirt with removable square train. The elbow-length veil of imported illusion fell from a crown with seed pearls. She carried a white Bible covered with an orchid.

Mrs. Jarvis Ter Haar, sister-in-law of the bride, was matron of honor. She wore a street-length gown of gold with a matching overskirt featuring a bow in the front. She also wore a matching headpiece which held a circular veil. She carried an arrangement

of bronze and gold fuji mums and pompons.

The bridesmaids, Mrs. Donald Martine and Miss Jane Lampen, sister of the groom, were attired in identical gowns of brown-gold and brown. They carried similar floral arrangements.

The flower girl, Miss Debbie Ter Haar, niece of the bride, dropped rose petals in front of the bride, he groom chose Weldon Clawson to be his best man. Groomsman were Jarvis Ter Haar and Donald Martine. James Lampen and Larry Ter Avest served as ushers.

he bride's mother wore a brown dress with dark brown accessories. The mother of the groom also was dressed in brown and wore dark brown accessories. Both wore corsages of carnations and yellow roses.

At the reception in the church basement for 120 guests, Mr. and Mrs. Harold Lampen served as master and mistress of ceremonies. Gift room attendants were Mr. and Mrs. Ronald Boersma. At the punch bowl were Miss Elzevier Diekema and Howard Vugteveen. Mrs. Rodger Brinks gave a reading and Mr. and Mrs. Lynn Hollar sang.

For the wedding trip the bride chose a two-piece toast brown suit with dark brown accessories and a white orchid.

The bride is a graduate of Zeeland High School and the groom is a graduate of Allegan High School.

They are making their home at 230 Cambridge.

Mrs. Patrick J. Nowak

Nowak-Mouw Rites Read

The bride's parents are Mr. and Mrs. Harold J. Mouw, 240 East 27th St. while the groom is the son of Mr. and Mrs. Walter Nowak, 903 Glen Ave. Mt. Pleasant.

Two bouquets of white gladioli on the altar decorated the church for the nuptial mass performed by the Rev. John Phalen. Organist was Mr. Mayworn and the soloist Dick Miller.

For the double ring ceremony, the bride, given in marriage by her father, chose a gown of French peau de soie, with a floor-length full-skirt and long pointed sleeves. Embroidered white satin lilies extended from the front neckline to the hem of the gown. An Austrian crystal crown held a fingertip veil. The bride wore a small diamond pendant; a gift of the groom, and carried a bouquet of white carnations and yellow roses.

Mrs. Gary Mullet, sister of the groom, served as matron of honor. She wore a street-length dress of moss green taffeta, and carried a bouquet of yellow carnations. A nose-gay veil matched the dress. The three bridesmaids, dressed in autumn shades, were Mrs. David Vander Wege, Mrs. Richard

with matching jacket and a cor-Kirchoff and Miss Janet Gabier. All the attendants carried matching bouquets of yellow carnations.

The mother of the bride wore a light blue Jacquard brocade dress sage of red and white carnations. The groom's mother chose an orchid ribbon-knit dress with a corsage of yellow roses for the occasion.

Michael Druanceau served as best man. Ushers were William Nowak, brother of the groom, Gary Mullet and Robert Strong.

Immediately following the ceremony a reception for 150 guests was held in the Clarkston Senior High School Cafeteria.

Pouring coffee was Mrs. Russell Colton, cutting cake were Mrs. Dennis Colwell and Miss Beverly Cortis, pouring punch was Mrs. Larry Thibault and in the gift room were Mr. and Mrs. Artemis Pappas. John Mouw, brother of the bride, passed the guest book. Mr. and Mrs. Richard Mouw, the bride's aunt and uncle, were master and mistress of ceremonies.

The bride is a graduate of Western Michigan University and teaches French at Clarkston Senior High School.

The groom, a graduate of Central Michigan University, teaches math at Clarkston Senior High. The couple is at home at 80 North Holcomb in Clarkston.

Overcome by Smoke While Fighting Fire

Cal Strong, of 437 138th Ave., Holland Township fireman, was overcome by smoke while helping Holland Township firemen fight a fire at the home of James Baker on 144th Ave. near Port Sheldon Sunday afternoon.

Officials said the fire started from a short in electrical wiring near a water pump and slight damage was done to the kitchen. Strong was treated for smoke inhalation at Holland Hospital.

Zeeland

At the morning worship service in Second Reformed Church, the Rev. Raymond Beckering, pastor used for his sermon topic "When Religion Becomes Joy." The choir sang "The Old Hundredth Psalm Tune" and "God Is the Light of the World" — Morgan. His evening topic was "The Must of Sacrifice" and the anthem was "Holy Art Thou" — Handel.

The sacrament of Baptism was administered to Kevin, son of Mr. and Mrs. Ray G. Wagner.

Last week Tuesday the Adult Fellowship group met in Second Church with Robert Brouwer as guest speaker. He presented an informative and stimulating program entitled "America On Parade."

Dr. George Mennenga will occupy the pulpit in Second Reformed church next Sunday, Sept. 22, while the Rev. R. Beckering is in Florida. Rev. Beckering is in receipt of a call issued by the Classis in Muskegon to establish a new church in the Fort Lauderdale area.

"Bulwarks of the Church" was the sermon topic of Rev. Adrian Newhouse, pastor of First Reformed Church, at the morning worship service.

Dan M. Gilbert from the Fourth Reformed Church, Holland, sang "Follow Me" — Staphill and "Overshadowed" — Schuler. The Rev. Newhouse's evening topic was "Fundamentals of Faith" and Mr. Clarence Luth from Trinity Reformed Church, Holland, sang, "Why" — J. Moore and "There'll Be One Song" — H. Brown.

Open House will be held in First Reformed Church during Zeeland Progress Days' Oct. 3 and 4. A committee of the church will supervise a historical display in the church parlors as related to Our Christian Heritage.

Ron Beyer was guest speaker at both services in Faith Reformed Church while the pastor, the Rev. John Hains, is conducting a series of meetings in the Reformed churches in Sheldon, Iowa, from Sunday through Wednesday. The Rev. Douglas Gray, pastor of the First Baptist Church, used for his Sunday morning sermon topic: "A Significant Silence." His evening topic was, "A Great and Awful Time."

"The Necessity of Good Worship" and "Remember God In Youth" were the sermon topics of the Rev. Harry Arnold, pastor of First Christian Reformed Church.

The Rev. Raymond Graves, pastor of Bethel Christian Reformed Church, chose for his Sunday to-

pics: "The Law and Our Misery" and "The First Picture Shown of John."

"Many Members — One Body" was the morning sermon topic of the Rev. Vincent Vander Werp, pastor of Haven Christian Reformed Church. His evening topic was "The Christian's Comfort."

The Rev. Fred Hildenbrand, pastor of the Free Methodist Church used for his morning sermon topic: "Forgiving From The Heart."

The fall meeting of the Women's Missionary Union of the Christian Reformed Church, Classis, Zeeland, will be held Oct. 10 at the First Christian Reformed Church in Zeeland. Meetings will be held at 1:30 and 7:30 p.m.

Devotions for the afternoon meeting will be conducted by Mrs. J. Moes of North Blendon. The Rev. V. Vander Werp will lead the evening devotions.

The children's meetings will be held Oct. 19 at 2 p.m. in the Hudsonville Immanuel Church. Jason Vander Plaats, of 159 West Main Ave., was installed as the new Commander of Zeeland's Gilbert D. Karsten Post of the American Legion last week Monday night. Vander Plaats succeeds Leon Veldhuis whose term of office expired this week.

Other new Legion officers installed were first vice commander Bill Taylor; second vice commander, Robert De Werd; Adjutant, Irwin Smith; finance officer, E. J. Boss; post service officer, Justin Elhart; historian, Larry Dickman; sergeant at arms, Alvin Bos; chaplain, John Beyer. Also named to the board of directors were Leon Veldhuis, Len Looker and Simon Elhart.

One of the first projects for the Legion under Vander Plaats's command, will be the organization of the big Zeeland Progress Days parade set for October 5.

The Legion will be in charge of organizing and conducting the parade. Zeeland Utilities Manager Martin Hietje and Mrs. Hietje attended the Michigan Municipal Utilities Association Conference in Milwaukee last weekend.

A count of students one week after school opened shows that there are 66 more students attending Zeeland public schools this fall than there were in the last school year.

The total this week was 1499 and the figures for last year totaled 1433.

A comparison of totals in the elementary, junior high and senior high school enrollments show a decrease in the high school enrollment and increases in the two lower class groups.

Mulder-Dyk Vows Spoken

Mr. and Mrs. James Lee Mulder

Marriage vows between Miss Janice Dyk and James Lee Mulder were solemnized in a double ring ceremony in Hillcrest Christian Reformed Church in Hudsonville on Sept. 6. The Rev. Lubertus Oostendorp performed the ceremony amidst a background of white gladioli and bronze chrysanthemums with yellow daisies and palms.

Parents of the couple are Mr. and Mrs. John Dyk of 5686 36th Ave., Hudsonville, and Mr. and Mrs. L. J. Mulder of 1462 Waukazoo Dr., Holland.

Miss Ruth Teerman played traditional wedding music as the bride approached the altar escorted by her father, Marv Heyboer Jr., sang "Together" and "The Wedding Prayer."

The bride wore a floor-length dome shaped gown of organza over taffeta featuring a reemboined and jeweled plastron of Alencon lace on the bodice and trailing down the front panel of the skirt. A detachable chapel-length train fell from under a tailored bow. A pearl and lace pillow crown held her veil in place. She carried white gladioli and stephanotis on a white Bible.

Matron of honor was Mrs. Robert Looman who wore a gold antique crystalite sheath with a bell-shaped overskirt and a matching rose petal headpiece. Brides-

maids were Mrs. Ron Witteveen and Mrs. Bern Potgeler. They wore green dresses identical to that of the matron of honor and all carried a single long bronze chrysanthemum with fall leaves. Dick Casey acted as best man and ushers were Dave and Rodney Mulder. Johnny Dyk, brother of the bride, was the candlelighter.

Immediately following the ceremony, a reception for 200 guests was held in the Hudsonville Christian School all purpose room. Mr. and Mrs. Mel Ver Wys were master and mistress of ceremonies. Mr. and Mrs. Chet Dreyer and Mr. and Mrs. Len Reinink helped in the gift room and Michael Potgeler passed the guest book.

For a wedding trip to New York and Niagara Falls, the bride changed to a three-piece olive green suit with patent accessories. She wore a corsage of white gladioli with stephanotis and tear orange roses.

The bride is a graduate of Unity Christian High School and is a beautician. The groom was graduated from Holland High School and is stationed at K. I. Sawyer Air Force Base in Marquette, Mich.

After Sept. 17, the couple will be at home at 325 East Arch, Marquette.

Group Extends 'Flies' Fishing

"Flies only" fishing on the north branch of the Au Sable River will be continued for the next three years it was unanimously approved today at the meeting of the Michigan Conservation Commission in the Hotel Warm Friend.

Following the recommendation of director Gerald E. Eddy, the commission voted that the experimental order on the north branch of the Au Sable be extended for three years and that the fish division be directed to conduct research not only on overwinter losses but on the attitudes of fishermen or both the special and normal regulation sections of the stream.

Also included in the recommendation was a special regulation order covering the main and south branches of the Au Sable calling for a one-month extension of the open season in 1964. This was recommended to test the public desires to further utilize increased fall trout populations and to harvest some fish expected to die over the winter.

The recommendation, approved by the group, further called for the experimental program on the little south branch of the Pere Marquette to expire.

The commission also voted to let "flies only" regulations expire on three-quarters of a mile of the east branch of the Au Gres River. The "flies only" question had been a battle between Eddy and A. B. Cook, head of the Conservation Department's fish division, which had recommended doing away with the regulations.

At Thursday's hearing on the "flies only" regulations, representatives from several sportsman's groups had favored the continuation of "flies only" regulations while the fishing division had asked for the termination of the program.

Migratory game bird regulations were approved along with all of the items on the September agenda pertaining to Conservation Department activities.

The commission suggested to the fish division and directed Eddy to supply information at next month's meeting on a map showing the classification of streams in Michigan.

The commission authorized the conservation department to work out an agreement with a private party concerning concessions at the Swan Creek Wildlife Station near Fennville.

Commissioner E. M. Laitala of

Hancock was named chairman of the fish and game committee and Harold Hooker of Houghton was named chairman of the geology and forestry committees. Dr. Stanley A. Cain of Ann Arbor presided at the meeting.

The commission will meet Oct. 10-11 at the Higgins Lake Training School. Following the meeting, the Commissioners visited Holland State Park as guests of Rep. Riemer Van Til.

J. F. Donnelly Named Head Of Chamber

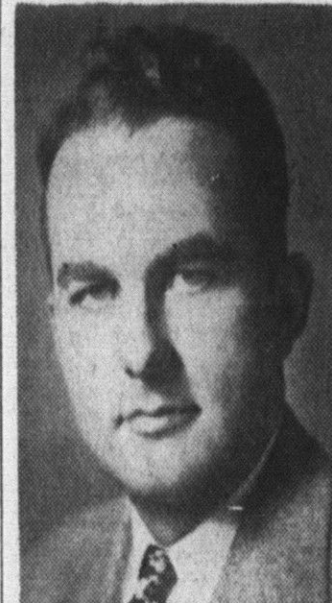

John F. Donnelly was elected president of the Holland Chamber of Commerce at its annual reorganization meeting of the board of directors Monday night in Hotel Warm Friend.

Other new officers are L. C. Dalman, first vice president; Kenneth Zuverink, second vice president, and John Van Dyke Jr., treasurer.

Added to the board were Donnelly, Henry S. Maentz Sr. and Carl Marcus.

Retiring President Stuart Padnos expressed appreciation to the board, committee chairmen and chamber staff for cooperation and assistance in making his term pleasant. He reported the Chamber recently had inaugurated a policy of holding welcome luncheons for owners of new firms in the community, a practice which has proved invaluable to both the newcomers and Chamber officials in getting acquainted.

The new president praised Padnos for two significant accomplishments the past year, the HEDCOR program already inau-

gurated and doubling the administrative staff to accomplish this program to provide more jobs in community development.

Sounding the keynote of area development, Donnelly said, "We expect to have the framework of our next year's program ready for presentation next month. It will stress community unity and we must choose the right words so that our intent will be clear. We recognize, but we must let it be known, that we are interested in the whole area that is bound together by economic and cultural ties. Political boundaries are not a fence for the Chamber. The entire area and all its people come within the scope of our program."

Fourth Graders to Begin Swimming Lessons Monday

A program of beginning survival swimming will begin Monday at the West Ottawa pool for fourth graders of the West Ottawa district.

Under the direction of Mrs. Jack Bonham, swimming instructor, each group will have 10 lessons of an hour's duration. They will be taken to and from the pool by bus. It was pointed out that money for this program comes out of the pool rental receipts.

Schools participating in the program this semester for the first session include Beechwood, Waukazo and West Olive fourth graders. About 150 students will participate with approximately 30 in each class.

Next semester pupils from North Holland, Pine Creek, Rose Park Christian and Lakewood schools will participate.

Citizens Group Is Organized

GRAND HAVEN—A group of 20 business and professional persons in Grand Haven Thursday organized a steering committee to form the "Citizens for a Progressive Grand Haven" organization.

The group is being formed to urge voters in the city to vote at the coming Oct. 1 election on the controversial liquor-dance ordinance.

Robert Whitesides is chairman of the committee. "It is organized as a group of foresighted citizens," he said. "It includes labor leaders, business and industry leaders, professional men and women and men from fraternal, civic and veterans groups interested in promoting the welfare of the community."

The group has three aims, to promote freedom of choice, to encourage the adoption of a sound ordinance to regular dancing in taverns, and to impress upon the citizens that City Council is elected and should and must decide policy in matters of city government.

Mrs. Mortensen Hosts Bride-Elect at Shower

Mrs. Agnes Mortensen of 153 Reed Ave. was hostess at a bridal shower for Sandy Howard Saturday evening.

The rooms were decorated with yellow and white crepe paper and white bells and yellow bouquets of gladioli and mums.

Those attending were the Mesdames L. Tooker, D. Howard, L. Geiger, R. Nead, P. Everitt, J. Long, O. Lemon, C. Meppink and the guest of honor. Games were played and duplicate prizes were awarded. A two course luncheon was served.

Those unable to attend were the Mesdames M. Wilholt, H. Nowak, R. Fram, and L. Seely from Grand Rapids, also the Mesdames J. B. Welch, J. Baldwin, Leona Heaton, and C. Schregardus. Mrs. O. W. Lemon assisted the hostess. Miss Howard will become the bride of Ken Mortensen Sept. 21.

Post Office Man Retires

Arnold Hofmeyer, 65, of 623 Lagers Rd., punched the timeclock for the last time at the Holland Post Office building Friday. He will take a four-week annual leave and then retire Oct. 12 after 45 years of service for the U.S. Postal Department.

"I've been here from the horse and buggy days to the ZIP code," Hofmeyer tells his friends. "I don't plan sticking around until automation comes."

Hofmeyer says he has made no definite plans for the future except that he and his wife, Gertrude, may go to Florida this winter. He will also "do some work around the house which I have been putting off for the last five years" and catch up on his reading.

Hofmeyer has worked as foreman of the Holland Post Office for the last six years. He carried mail for 24 years and has worked in almost every section of the Post Office—clerking, financing, prior to that.
