LEGIONNAIRES ALL ARE BACK FROM KALAMAZOO

BAND MAKES A HIT IN THE CELERY CITY

The delegates to the State Legion convention sent there by the Willard Leenhouts Post have returned together with the local band.

The band not only made a hit in the parade but all over the city. The boys gave a concert at the Tuberculosis hospital, at Convention Headquarters, and at the banquet, and at every place they were given an ovation.

They failed however, to pull down a prize for the reason that Battle Creek had a drum and bugle corps in line, having three more men than the Holland American Legion band had.

It appears that the judges awarded prizes on quantity and not quality. Had the local boys put in a few dummies with a horn in hand they would have "brought home the bacon."

The Holland aggregation was the best uniformed and did the best playing.

Among the representatives in behalf of the Holland Legion were Dr. Wm. Westrate, Al Van Lente, Jack Knoll, Ernest Brooks, Marshall Irving, Gerrit Vruwink and Benj. Lievense. Dr. Westrate was elected a delegate to the National convention and Marshall Irving came with an ace of being named the state financial secretary. But Wayne county was hogged as she usually is at conventions, and took the plum.

Besides the Holland band at the convention there was also an American Legion band from Kalamazoo and a Boy Scout band.

Henry Schaap of Fillmore, charged with being drunk on September 17, while driving a gravel team paid \$10 fine in Van Schelven's court. Schaap was laying down in the bottom of the wagon box, with his head hanging over the dash board squinting at his horses who apparently knew the road to the proper destination better than did the driver.

Henry Zwemer has a great big sand scoop working in the basement of the new Masonic Temple. This scoop works so fast that it takes six men to load it and it is difficult for this number to keep the new device filled to capacity. Two hundred loads of sand is being excavated from this basement.

The last band concert of the season will take place tonight when the Legion band will have fulfilled its contract with the city. The boys have been giving some wonderful programs and the taxpayers are satisfied.

F. C. Hall, formerly of this city, now of Grand Rapids visited in Holland for a few days. On August 31st Mr. and Mrs. Hall quietly celebrated their golden wedding anniversary. Mr. and Mrs. Hall have a host of friends living in this city who congratulate them upon this event. Mr. Hall for years was connected with the Waverly Stone Co. and later with the Holland-St. Louis Sugar Co.

RECOMMENDS BETTER DISCIPLINE IN POLICE DEPARTMENT

SPECIAL COMMITTEE MAKES VARIOUS SUGGESTIONS TO BETTER THE SERVICE

Discharge of Officer Wagner Was Justified, Report Declares

That Chief of Police Van Ry was justified in discharging Patrolman Jack Wagner from the police force, that the police board members have not been giving the attention to their office that the people have a right to expect, that the whole department needs tightening up, that discipline needs to be increased, that better cooperation between the board and the force on the one hand and between the chief and the patrolmen on the other is needed—these are the outstanding features of a report made to the common council Wednesday night by a special committee appointed two weeks ago to investigate police matters. The report in full, which was unanimously accepted by the council, follows:

To the Honorable, the Mayor and the Common Council of the City of Holland: Gentlemen—

Your committee to whom was referred the communication and petition of John Wagner, beg leave to report:—

We find that the chief of police dismissed Mr. Wagner for the following reasons: violating the rules of the department, in that he was disloyal and insubordinate. Your committee has carefully investigated these charges and is convinced that the chief was fully within his rights in his action and your committee recommends that the petition of Mr. Wagner be filed.

It became very apparent however, to your committee in its investigations, that there was something fundamentally wrong in the whole department.

We find that the Board, as a whole does not exhibit sufficient interest in the affairs of the department. That very seldom is the entire board present at its scheduled meetings and frequently the lack of a quorum makes it necessary to "hunt up" an additional member to insure legal confirmation of the payroll. This disinterestedness on the part of individual members of the board tends to reduce the efficiency of the whole board, and decisions on important matters are frequently postponed with great possibilities of finally being entirely neglected.

We recommend, in a friendly spirit, that the members of the board first of all make a more earnest effort to attend the meetings of the board regularly. That they should so arrange their business and pleasures as to make it possible to do so, and realize that the people have a right to demand, and expect that officials chosen by them to fill the public offices, give their best attention and energy in the discharge of their duties, which they have accepted and promised to do under a solemn oath. Less than this is treason, and if any man finds that he cannot do this, he should make room for one who can and will.

We further recommend that the chief of police be fully and forcibly impressed with his duties, responsibilities and powers. That he, and he only, will be held accountable for the conduct and efficiency of the department. That he must be active and alert, and inform, educate and drill his men in every way, so that the city receives such service from the department as it expects, and has a right to demand. He must be assured of the united support and confidence of the board and then held strictly responsible for the activity or inactivity of the police force.

His authority should not be questioned by any of his men, nor curtailed by the board. If he cannot instill in the department order, efficiency, co-operation, loyalty and discipline, the board should not hesitate to remove him, and appoint some other man who can, and will do this.

Furthermore, we find there is a lack of harmony and co-operation among the patrolmen which is detrimental to the efficient operation of the department. Lack of discipline is mainly responsible for this condition.

Every patrolman should give to the chief complete obedience and respect his judgment in all matters pertaining to the department. They should refrain from discussing the affairs of the department with anyone not connected with the same. They should recognize the chief's responsibility for their actions and it is not within their province to ques-

HOLLAND BOY JUMPS TWO BOARD BILLS GOES TO COUNTY JAIL FOR 30 DAYS

Henry Vander Schraaf has proven to be a board bill jumper. He was arrested twice in one day for taking "French leave" and forgetting to settle the score.

First he was arrested on a charge of forgetting to pay at Hotel Bristol where he had been stopping and he pleaded guilty in Justice Brusse's court who fined him \$11.75 and costs.

The same morning he was brought into the court of Justice DenHerder on the charge of jumping a board bill at the boarding house of Mrs. Hopp, West 8th street.

Each justice sentenced the man to thirty days in the county jail from date if the fines were not paid.

Vander Schraaf did not pay the fine and was taken to Grand Haven to serve his sentences.

One peculiar feature of the whole affair is that the two justices sentenced the man on the same day for the same length of time with the jail penalty starting immediately.

If Vander Schraaf was to serve the full amount of time doled out in the two sentences he would have to serve sixty days.

But as the two court orders cover the same period, Vander Schraaf will be serving both sentences at one time, or in other words Vander Schraaf will be serving two days each day.

Both justices were in ignorance of the fact that the same man had appeared before them on the same kind of a charge, although they were two separate offenses.

A case of this kind has never before occurred in just the same way in a local justice court.

CHRISTIAN SCHOOL PUPILS STUDY ONLY PART TIME

SCHOOL BUILDING CROWDED TO OVERFLOWING CAPACITY

The Christian Schools of this city have been growing tremendously from figures given by the superintendent, Mr. Vander Ark.

The primary school three years ago had a student body of a little over 300. Today this same school has better than 600 pupils. The high school too is more than crowded, the student body being even so much heavier than in other years.

The result has been that part of the primary school pupils study and recite in the high school in the morning, from 8 to 12, which bars the high school pupils. The high school pupils in turn do not recite in the morning but do so in the afternoon from 12:30 to 5:15.

It is understood that this condition will soon be alleviated by the building of a high school on State street, for which the site has already been secured, and the issuing of six per cent bonds to be used in the erecting of the edifice will be placed on sale. It is expected that this bond issue will be put upon the market by October 1st.

It is also stated that a large share of these bonds have been spoken for.

The teaching staff of the primary school, which consists of 14 teachers, follows below: The Misses Wilhelmina Bolier, Jeanette Veltman, Sena Grevengood, Clarice Sietsma, Matilda Veldman, Cora Kuiper, Ella Olert, Anna Visser, Helene De Goede, Bertha Nienhuis, Elizabeth Keegstra, Nettie De Groot, Minnie Rinck and Anna Holkeboer, with Mr. J. Vander Ark as principal.

Autumn begins tomorrow morning at 9:20 o'clock. Watch from which angle the wind blows. The weather man says this will be the prevailing wind until the seasons change again. Let's hope it comes from the south.

tion his decisions. They should at all times take up with the chief all matters of which they have not a complete understanding and all disputes which may arise should be submitted to him for settlement. If any police officer has a grievance and after submitting same to the chief for adjustment is not satisfied with the result, he has the right to appeal to the board and should appear before them only at one of their regular meetings.

The entire department should recognize the necessity of conducting its affairs in a businesslike and efficient manner, and if everyone connected with the department would give their best efforts to accomplish this, we will have reason to believe that the police department of this city will function properly and hold its own with any department of its class in the country.

Respectfully submitted, Ben Wiersma, Peter G. Damstra, Nick Kammeraad.

KOLYN-ELFERDINK WEDDING TAKES PLACE WEDNESDAY

NEWLY WEDS WILL MAKE THEIR HOME IN GRAND RAPIDS

A wedding of unusual interest took place Wednesday afternoon at half after four o'clock at the home of Mrs. Matthew Kolyn, 66 West 13th street, when her daughter, Adriana Sara, was married to Mr. Theodore Henry Elferdink of Grand Rapids.

The house was decorated in lavender and yellow, the room in which the ceremony took place being banked with chrysanthemums and marigolds. At promptly 4:30 o'clock, Miss Evelyn Keppel sang "Beloved It Is Morn," (Florence Aylward) followed by a violin solo by Miss Ruth Keppel, "The Swan" C. Saint-Saens.

The wedding march was played by Lloyd Kollen as the Rev. Paul P. Cheff and the Rev. A. Van Westenberg, followed by the groom attended by his brother Mr. Willard Elferdink, took their places. The bride entered on the arm of her brother, Mr. A. Judson Kolyn, preceded by the ring bearer, Paul Dean Kolyn, nephew of the bride; Mrs. Herbert Colth, matron of honor and cousin of the bride; and little Christine Helen Colth, who carried a basket of flowers which she strewed after her.

The bride was gowned in chintilly lace over white metallic cloth and her veil was fastened in a unique manner to a coronet of lace. She carried a bouquet of Ophelia roses, and wore a diamond pin, which was a gift from the groom. Her traveling suit was brown velveteen trimmed with fox.

The matron of honor wore a lavender silk taffeta gown trimmed with silver and carried a bouquet of roses. The mother of the bride wore a hand-embroidered gown of grey crepe meteor.

Mr. and Mrs. Jay Den Herder acted as master and mistress of ceremonies, while Miss Martha Blom was in charge of the bridal party and the decorations.

Both Mr. and Mrs. Elferdink are graduates of Hope College, the latter having been instructor of French in the local high school for a number of years where her sympathetic understanding and ready helpfulness made her beloved by both students and faculty.

Mr. Elferdink is a graduate of the Law School of the University of Michigan and is now practicing law in the city of Grand Rapids, where they will reside.

The out-of-town guests were Mr. and Mrs. A. Judson Kolyn of Orange City Iowa; Mr. and Mrs. M. Kolyn of Philadelphia, Pa.; Mrs. Herbert Colth and daughter Christine Helen of River Forest, Ill.; Mr. and Mrs. C. Dosker, Miss Jo and Della Van Dyke, Mr. Cyrus Luidens, all of Grand Rapids; Mr. and Mrs. A. Lahuis, Mr. and Mrs. C. J. Den Herder and son Edward, Mr. and Mrs. George Den Herder, Miss Nella Den Herder, Miss Julia Den Herder, Mrs. H. DeKruif, Mrs. W. Vandenberg, Mr. and Mrs. S. Stabbeler, all of Zeeland; Mrs. Nancy Stabbeler of Muskegon.

BOOT-LEGGERS STRIP AN ABANDONED CAR NEAR VRIESLAND

A peculiar sight greeted the eyes of passersby on the Grand Rapids road yesterday near Vriesland. A large car, a little the worse for wear was found with no wheels and with a big hole in the gasoline tank.

Near the car was found several baskets of broken bottles with straw covers that had contained champagne of high grade.

These are now on exhibition at the local police headquarters.

Deputy Sheriff Oscar Johnson immediately went to the scene, and figured out that a mishap put the car out of commission and as it was loaded with booze another bootlegger was substituted and the liquor was transferred to the other car.

Everything saleable on the abandoned car was taken off. The wheels, the tires, the spare tire, lamps, tools, cushions were reloaded into the other car upon its arrival.

Neighbors in that vicinity saw the reloading go on but thought nothing of the incident as they claim this is often done in that neighborhood.

Miss K. M. Doesburg has returned to her home in Holland on East 10th street after spending three months in Detroit, Chicago and several cities in Wisconsin. She will open her class in music the latter part of this week.

PASSES AWAY AFTER LINGERING ILLNESS

After an illness of about 5 months which took an acute turn some three weeks ago, Miss Mabelle Lewis died Sunday afternoon at 2:45 at her home at 19 West 8th street. Ill health caused Miss Lewis to give up her work in Grand Rapids some months ago, but she failed to rally as had been expected.

Miss Lewis was born in Chicago, and came to Holland as a little girl. She was educated in the local schools and later graduated from the McLaughlin Business College in Grand Rapids. For ten or eleven years she held a responsible position in the office of the Ottawa Furniture Co. and for some time past she held an important place in the auditing department of the Michigan Trust Co.

The deceased is survived by her mother and step-father, Mr. and Mrs. C. Blom, and by her brother, Niel Blom. The funeral will be held on Wednesday afternoon at two o'clock from the home, Rev. P. P. Cheff officiating.

"DICK" SAYS "WATCH THAT GR. HAVEN FOOT BALL TEAM"

Says Dickerson in the Grand Rapids Herald: "Watch that Grand Haven high school foot ball team this fall. It is going to be strongly in for state championship honors and it should not be surprising if a lot more teams meet defeat at the hands of the Grand Haven team even more ingloriously than South met it Sunday. It has the weight, speed and foot-ball courage and it remains to be seen in hard games to come whether it has the dash determination to live up to its early promise. Do not be surprised if the Gr. Haven team goes through the season without a defeat. The tacklers are about as sweet looking as any high school players ever seen in action here."

"Dick" has no doubt given the warning to Holland high. We have been in a position to crow for a long time. The end of the football season will show if we still have a crow coming.

LOCAL HORTICULTUR- ALIST AGAIN MAKES DIS- PLAY OF HIS PRODUCTS

The month of September has again rolled around and with it comes the time for harvesting of crops and picking of fruits.

Mr. Bohl, the horticulturalist always has a little fair of his own, and while his products may not be found in the building where the fruit is kept at the fair, it is very conspicuously shown in the show window of Vaupell's drug store on 8th street and Central avenue.

Fruit is a mania with Mr. Bohl, in fact he loves to create things horticultural. Among the varieties found in this miniature exhibit are the following: Snows, Wealthy, Golden Russets, Tallow Pippins, Fallowater, Hubbardston and Tompkin's King apples. He also has on display 15 small tallow Pippins from blossoms that appeared in the latter part of June and two sprigs of 26 Snow apples showing how they grow on the tree.

Mr. Bohl's farm on the North Shore Drive is called the Highland Park Villa orchard and visitors are always welcome to give his farm a thorough inspection.

TREE SIX FEET THROUGH STRUCK BY LIGHTNING

"Oh, Woodman spare that tree!" should have been drafted into the laws of Michigan fifty years ago and our great state would still abound with forests. But few of these original monarchs of the woods are still standing and those are now are being cut down slowly but surely. A case in point relates to a large tree in Allegan county six feet thru, that had to be leveled and cut up by the woodsman's ax.

The majestic elm which formerly stood like a sentinel of the forest with its spreading top far above the surrounding trees in the wood on the Orson Vahue farm, in Allegan county, has met the fate of its less imposing companions, and is on its way to the mill where it will be sawed into lumber. Some time ago the timber in this wood, consisting almost entirely of virgin forest, was cut off, but because of its immense size this noble specimen was left standing alone. It was two yards in diameter at the base, some forty feet to the crotch, and was considered too big for economical commercial use. Lightning struck the tree and stripped it of more than a wagon load of small limbs. Then the wind, as if to show how helpless even a giant may become, leveled it to the ground. That was more than a year ago. This summer the tree was cut up by the wood chopper, its trunk making three logs each eleven feet in length, the largest of which measured five feet in diameter, and the first cuts from each of the large limbs made good sized logs, all of which have been consigned to a mill in Big Rapids.

The American Legion band played two concerts in Centennial park last week namely Thursday and Friday, which were greatly enjoyed by many of the fair patrons from the outside.

The American Legion band went to Salamanca in a body together with the Holland delegates to attend the Legion convention Monday, Tuesday and Wednesday of next week.

FOOT INJURED BY CORN HARVESTER

Simon Harkema of Jenison Park suffered a severe and painful injury when his right foot was caught in a corn harvester that was being operated on his farm near that resort. Mr. Harkema thought the machine would clear him while he was at work but it slashed his foot so that several stitches had to be taken by Dr. Fisher, who attended him, to close the wound.

Mr. Harkema was formerly county agent of Newaygo county, and he was at one time connected with the local Co-operative association as president.

Immediately after the injury he was rushed to his home where medical attention was given. Mr. Harkema's condition Friday was reported as favorable.

HAS LONG SERVICE TO HIS CREDIT

More than 30 years as an official of the Holland fair association without a break—that is the record of Henry Kooiker of Ovesiel. No other person has such a long record to his credit. There are others who have been connected with the fair association off and on for that length of time, but none who has been an officer without a break. It was impossible to learn exactly how long Mr. Kooiker has been with the association, since he is reticent about his connection with the fair, but his associates have figured out that it is considerably over thirty years, and probably near 35.

Mr. Kooiker is a present honorary director. He served the association for two years as president, and for many years as vice president. He has been director during all the years of his connection with the fair.

GROWS PEACHES AS LARGE AS ORANGES; WEIGH ONE-HALF POUND EACH

William Deur, 14 West 18th St. believes that he has a prize peach tree in his yard. He is not making any big claims for it because not being very familiar with peaches he thinks it possible there may be other peaches grown in this city that are larger. But personally he is very well satisfied with his tree.

It grew up from a stone accidentally. This year the tree has peaches that are about as big as a good sized orange. Today Mr. Deur weighed ten of them of average size and found them to weigh five pounds.

MANY WOMEN REFUSED TO REGISTER AT REST ROOM

Those in charge of the rest room at the Holland fair have tabulated their statistics of that venture and the figures show that the innovation was a success and highly appreciated. Mrs. G. J. Van Duren and Mrs. N. Hofsteen were in charge of the rest room and welcomed the mothers and their babies to the tent.

On Wednesday 63 ladies called at the tent for a rest, and the number of babies cared for that day was 26. On Thursday sixty women registered and 32 infants were cared for. These are merely the statistics of those who registered. A large number of others were accommodated who refused to register.

The innate caution of many rural women was illustrated at the rest room. A considerable number of women resolutely refused to sign their names on the register. It was explained to them in their own language that registration was a mere formality and that it was only for the purpose of learning who had called at the tent. They refused very pleasantly but very firmly too, and no argument could budge them. Some of them explained that they followed a fixed policy of never signing their names to any document. From time to time farm people have been made the victims of unscrupulous agents who induced them to sign a paper that looked innocent enough, but later proved to be a contract. It appears that the lesson drilled into the ears of farm families by farm papers never to sign a document they do not know the contents of has been so well learned in these parts that many women refuse to register even at the fair rest rooms.

But the rest room was popular with these women as well as with all others and they had nothing but praise for the accommodation. A room three times as large could have been filled. Some mothers came with as many as six children, and a large number of babies were being cared for all the time.

Mr. and Mrs. Theodore Ish from Fremont motored here to be the guests of Mr. and Mrs. A. J. Drago for the week end at 236 Columbia Avenue.

Sheriff Fortney was in Holland on Friday to attend the fair.

HOPE IS TO HAVE SEV- ERAL NEW INSTRUCTORS

Hope College opens on Wednesday September 21, but it is not expected that work will be under way up to any extent until the next week.

Several new faculty members will be found on the platform when President Dimment opens Chapel exercises next week Wednesday.

Prof. Bruno Miencke who has been on a year's leave of absence studying at the U. of M. will be back on the job as head of the department of Latin. He takes the place of Prof. Ozanne who took charge of this department during Mr. Miencke's absence.

Miss Clara B. Yntema, of Holland, also a Hope graduate will be instructor in English in the preparatory school. Mr. Clarence Kleis, former principal of Saugatuck High school, and a graduate of Hope College in 1918 will take the place of Prof. Ten Haaken as instructor in mathematics in the preparatory school.

Mrs. A. Boyd of the University of Oklahoma will be instructor in French and German, taking the place of Mrs. Pope.

It is said that the enrollment at Hope College will be large this year both in the preparatory school and in the higher classes.

Hope College is becoming known as an institution where the members of the faculty take special interest in the individual student. This is a wonderful help to a pupil but up to this time has been lacking in the big colleges of the country because of the large number of pupils to be taught.

Miss Angie Luidens who has had a serious operation performed by Dr. Caldwell of Cincinnati for drop wrist has returned home.

Mrs. Hans Dykhuis of Grand Haven attended the Holland fair Wednesday.

Luke Lugers left Thursday for Pittsburgh, where he attended the Pan-Presbyterian alliance being held there from Sept. 16 to Sept. 25. Mr. Lugers will represent the Reformed church of America, having been appointed by the synod of that denomination as its delegate.

The meeting will be attended by about 300 representatives of denominations of six different continents. The alliance comprises Reformed churches throughout the world adhering to the Presbyterian form of government. Churches in the alliance have about 35,000 members. At the council, papers on various phases of church life and on the great problems of today will be read. The alliance was organized in 1875 and has held general conferences ever since.

One of the free attractions at the fair Wednesday that secured a good deal of attention was the exhibition put on by the school girls and boys under the direction of Miss Commers of the physical training department.

The exhibit consisted of folk games by the girls of the sixth grade; the second of Swedish games and gymnastics by the sixth grade boys; and the last gymnastics in the march. This was given before the grand stand. Other features that had been planned could not be given for lack of time.

Piles Sufferers Find a Correction

Health Talk No. 24

By JOHN DE JONGE, D. C.

Piles or hemorrhoids are a form of rectal tumor primarily due to lack of tone in the muscles of the parts affected, and secondarily to straining. The straining may be from costiveness, or from muscular exertion.

Some forms of piles are quickly responsive but the fibrous or connective tissue piles are slow. Chiropractic spinal adjustments will remove the primary cause of piles, which is lack of tone in the parts affected. Pressure on spinal nerves in the lumbar region causes this lack of tone and when the pressure is removed the piles gradually disappear.

UNCLE BEN SAYS
I've often been sorry I wasn't wealthy, but I've never regretted my poverty about being healthy.

Suffered 20 Years Before Health Came

"I suffered twenty years from chronic stomach trouble and piles. I tried all kinds of drugs, patent medicines, and several doctors without permanent relief. In June 1919 I started chiropractic. I was relieved of my stomach trouble and the piles showed a gradual improvement until well. I have done more work in the past few months than in any similar period in six years."—J. S. HOLLAND TEAM EITHER GETS \$500.00 OR \$1,000.00

During the State Championship game at Ramona Park Sunday when the Holland Independent team won from Reed City, Emerson Dickerson, sport writer for the Herald, stated that 8,500 fans had paid their money at the box office to see the game, and that they were going to get full value. It is estimated that in this vast audience there were at least 700 Holland baseball enthusiasts. A Holland Interurban carried a large crowd on their special excursion during the morning the bus lines ran a special at 11 o'clock and scores of automobiles were loaded for Grand Rapids Sunday morning.

The Holland team has won three straight games now and is entitled to the \$500. Should the locals win from Pope & Heyboers next Sunday then \$1,000 will be theirs including a gold watch to each player with their respective names engraved on each timepiece.

Saturday's game with Allegan was lost thru the inability to hit and some bad judgment.

Bissonette pitched a good game for Holland and was opposed by Miller who has beaten Holland before. The score was 3 to 1. Allegan now has the series. A large crowd attended. The score by innings:

A VERY INTERESTING OTTAWA COUNTY PIONEER STORY

The death of Mrs. Sarah Savidge widow of the late Hunter Savidge, pioneer lumberman of Ottawa county whose funeral took place Sunday at Spring Lake brings to light some interesting history.

Mrs. Savidge, whose maiden name was Sarah Patten, was born in West Winfield, Herkimer county, N. Y., in 1832. When she was a young girl, she came with her family to Grand Rapids, then a small frontier hamlet on the edge of the great pine forests of Michigan. The trip was made overland in a prairie schooner and when the travelers over the forest trails and corduroy roads through the swamps, finally reached Grand Rapids, the journey had consumed many weary days. That was in 1845.

In her girlhood, Mrs. Savidge became a teacher in the Grand Rapids public schools and had classes in the high school under the direction of Jeanette Hollister, who afterwards became the wife of Col. Wm. Montague Ferry.

One of the interesting pioneer experiences of the young woman who had come to live her life in the new country was a trip from Grand Rapids to Rockford, Ill., which Mrs. Savidge, then Miss Patten, made in early '50s. She traveled from Grand Rapids down the Grand by steamer to Grand Haven, embarking on a sailboat at this port for Chicago. When she landed on the west shore of Lake Michigan she saw her first railroad train.

It was while at Rockford, Ill., that she met Hunter Savidge, to whom she was married February 12, 1857 at Grand Rapids. The bridal trip to Grand Haven was made by stage down the old river road.

Mr. Savidge was then engaged in lumbering which was the chief industry of this region. The firm, Young, Savidge & Montague were operating a mill at Mill point, now Spring Lake, and the young couple decided to make their home there. Mrs. Savidge loved to recall the bridal trip by stage road down the river road in the dead of winter.

They arrived in Grand Haven on the night of February 22, 1857, and went to the old Washington House, the pioneer tavern, where a great party was in progress in celebration of Washington's birthday. In spite of their fatigue from their journey, they joined and there some of their dearest friendship began.

For a time they made their home in Grand Haven, but later moved to Spring Lake. There, more than fifty years ago they began building the beautiful home where Mrs. Savidge has lived continuously ever since.

Mr. Savidge died in 1881. In these later years Mrs. Savidge has been compelled to bear more than the usual measure of grief. All the members of her immediate family preceded her in death, her sons, William Savidge, at one time state senator from Ottawa county and George P. Savidge and her daughter, Mrs. Nathaniel Robbins. She has lived alone in the home of her youth, bearing her sorrows and keeping active and cheerful with the courage of the real pioneer.

Mrs. Savidge was also the grandmother of Nathaniel Robbins, jr., 191 W. 11th street, Holland.

BURGLARS BRING BACK LOOT

While the manager of the Holland Cooperative Association, located in the Van Eyck-Weirdund Mills and his men were attending the fair on Holland day, some amateur thief jimmied with his jim thru a side window and entering the office stole 50 pennies and ransacked the drawers, and threw paper and stationery on the floor in his anxiety to find some valuables.

Falling in this he carried off five dozen eggs and several bottles of horse medicine.

Manager Ratering thinks that the thief or thieves are local talent for the reason that while the eggs were not returned the bottles of horse medicine were found neatly piled on the office porch Friday morning.

No doubt one drink gave the burglars the "blind staggers," and they considered the safest place for it in the future to be with the original owner.

INJURED CARPENTER DIES SUNDAY

William Mulder, a local carpenter living at 171 West 19th street died early Sunday morning as the result of an accident that happened more than a week ago. Mr. Mulder was working on a house which is being built on College avenue and 9th st., falling from a second story porch.

His fall so severely injured his spine that he became paralyzed. He has been lingering between life and death for the past week and the grim reaper took him at 3:15 Sunday morning.

Mr. Mulder was a devout member of Trinity church and the funeral took place on Wednesday afternoon at 1 o'clock from the home and at 1:30 from Trinity with the pastor, Rev. C. P. Dame officiating.

Mr. Mulder is survived by a wife, his parents living at Drenthe, besides ten brothers and sisters, most of them living in Holland.

It is stated that this is the first death to occur in this large family.

COMMON COUNCIL

Holland, Mich., Sept. 7, 1921. The common council met in regular session and was called to order by the Mayor. Present—Mayor Stephan, Alds. Blue, Prins, Vanden Brink, Brieve, Laeppe, Kammeraad, Brinkman, Lawrence, Damstra, Dykstra, Wiersma and Vander Hill and the clerk.

The minutes of the last two meetings were read and approved.

Petitions and Accounts
The Holland Gas Company submitted reports of its earnings and operating expenses for the months of June and July 1921. Filed.

The clerk presented communication from John Weersing relative to the deplorable condition of the sidewalks on the East side of College Ave. between 12th and 15th Sts. Referred to the Committee on Sidewalks with power to act.

The clerk presented application of Adrian Kulte for license to engage in the business of dealer in secondhand goods at No. 200 East Eighth street and bond as required with Jacob Kulte and Albert P. Kleis as sureties.

On motion of Ald. Damstra.
Resolved, That the bond be and hereby approved and license granted. Carried.
V. Mieser petitioned to come under the compulsory sewer ordinance being Ordinance No. 308, and presented agreement waiving service of notice and everything else necessary to come under said ordinance, and here his premises described as Lot 4, Except W. 14 1/2 feet of Block 69, connected with the sanitary sewer.

Accepted and granted.
The clerk presented communication from Mrs. J. C. Post and others calling attention to the council to the dangerous condition in which Thirteenth street between River and Pine avenues has been left since the Michigan R'y Company renewed its ties. (Referred to the Committee on Streets and Crosswalks.)

The following communication was presented:
To the Honorable the Mayor and the Common Council of the City of Holland:—Gentlemen—

Your petitioner John Wagner of No. 134 W. 16th street, Holland, Michigan, respectfully begs leave to present the following:

I have been a member of the police force of the city of Holland, serving as patrolman for a period of nearly 12 years, during which time I have conscientiously tried to do my duty to the best of my ability and to the best of my understanding of my duties as an officer. In this I feel that I have succeeded inasmuch as during all of that period my record has been excellent and there has not been one single mark against it.

On August 22, 1921, I was dismissed from service by the Chief of Police with no reason given for such dismissal nor do I know of any reason, valid or otherwise, why that action was then taken. At the meeting of the Board of Police and Fire Commissioners held last evening in the city hall the action of the Chief of Police so taken was ratified by a vote of the commissioners with no charges presented or proved against me with the exception only of a complaint that I had missed two calls from the patrol box.

I feel sure that your honorable body will agree that such a charge is wholly inadequate to warrant the

drastic action taken against me in view of my past record, and it is in this belief, with a feeling that I have not had a fair deal, and in the hope that through investigation and action by your body justice may be done me that I file this petition. I am certain that the intercession of this honorable body with Board of Police and Fire Commissioners which I am now requesting as a last resort will be the means of gaining justice for me, which is all I ask.

John Wagner.

Dated Holland, Michigan, September 7th, 1921.

On motion of Ald. Blue.

The communication was referred to a special Committee of three to be appointed by the Mayor, by Ayes and Nays as follows: Ayes—Alds. Blue, Vanden Brink, Brieve, Brinkman, Damstra, Dykstra, Vander Hill, 7. Nays, Alds. Prins, Lawrence Laeppe, Kammeraad, Wiersma 5.

The Mayor appointed as such committee Ald. Wiersma, Damstra and Kammeraad.

Report of Standing Committee

The committee on Streets and Crosswalks to whom was referred the question of material with which River Avenue from Thirteenth to Seventeenth street and Seventeenth street from River Avenue west is to be paved, reported that they have unanimously agreed that the streets should be paved with a six inch water bound macadam base and a two inch asphalt wearing course preferably sheet asphalt or its equal.

Adopted.

The committee on streets and crosswalks reported having received bids for 1200 feet of eight inch sewer pipe and that the bid of the Bolhuis-Lumber & Mfg. Co. at \$1.25 per foot with a discount of two per cent ten days was the best bid and most advantageous to the city, and recommended that the contract be awarded to the said Bolhuis-Lumber & Mfg. Co. as per their bid.

Adopted.

LOCALS

On September 2nd a six o'clock dinner was served to Miss Margaret Voland and Mrs. W. A. Haight, Miss Irene Cramer and Mr. Herman Vandenberg by Mrs. Aussicker and Mrs. S. A. Haight at the home of Mrs. Aussicker. Immediately after the dinner was served the four young people wended their way to the parsonage where Mr. Haight and Miss Voland and Mr. W. A. Haight, Miss cause of the absence of Rev. Guy Fleming, who was away on his vacation the ceremony was performed by Rev. James Wayer of the First Reformed church. Mr. and Mrs. Haight left immediately for Lake Odessa, Sebewa and Lansing on their wedding trip. They returned September 9th and are at home to their friends at 305 E. 6th street.

R. Van Haitsma of Zeeland was seriously injured when his rig collided with a motorcycle driven by Bert H. Brower of Holland near Drenthe creamery. Mrs. Van Haitsma, an occupant of the buggy, and Brower escaped with minor bruises. Van Haitsma's collarbone was fractured, his scalp was badly cut, two ribs were broken and he suffered severe bruises and possibly internal injuries.

The fair association again played Santa Claus Thursday giving away a dinner set which went to L. T. Schadelee. Albert Prins, 248 Pine Avenue, was presented with a beautiful Hoozier kitchen cabinet. Mrs. Frank Barkema 111 East 18th St. can sew to her heart's content, she being the recipient of a beautiful New Home Sewing machine. Mrs. John H. East, R. F. D. No. 3 Zeeland doesn't have to use the old fashioned washboard any more. A Thor Electric Washers, costing more than a hundred dollars was her gift.

The truck of J. Smallegan of Forest Grove, driven by Arthur Smallegan run down Ella Hubbard, the five-year-old daughter of Mr. and Mrs. W. W. Hubbard Jr., in Grand Rapids, when the girl with another companion was skipping along to school between the sidewalk and curb. The wheels of the truck passed over the child's abdomen. She died while being placed on the operating table at the hospital. According to witnesses the driver of the truck was not responsible for the accident and that he had stopped his car quickly and suddenly. The Smallegans are well known in Holland and have many relatives living here.

The De Kraker & De De Koster meat market on River avenue has completed its ice plant and the new refrigeration system is now in working order. The local meat dealers will no longer have to fuss around with the large cakes of ice nor will they have to fear any future ice famine. The new system was put in by a Benton Harbor firm.

The Arctic Ice Cream Co. has installed a large truck entirely covered keeping the cream free from dirt. The truck is built with several compartments each serving a purpose. One compartment is for salt, another for cracked ice two large ones, one or tubs that are filled, and another for empties. It's a large yellow truck and naturally very conspicuous on the street.

About \$18,000 in Allegan county road bonds were sold last week. It is said that the proceeds are to be used on the town line road between Laketown and Fillmore and in Hopkins township on road extending west from Wayland village, the latter a portion of the improvement contemplated on the cross country road on the south line of the northern tier of townships.

Another hero soldier was buried at Grand Haven Saturday with military honors, namely Lee Rycenga, a brother of register of deeds Rycenga. The body arrived from Fort Wayne, and a delegation of legionnaires escorted the flag-covered casket to the Rycenga family home. The services were in charge of Rev. Groen of the First Christian Reformed church at Grand Haven.

A miscellaneous surprise shower in honor of Miss Cora Vander Werf was given at the home of Misses Marie and Jennie Kalkman. The rooms were beautifully decorated with hearts. Many beautiful and useful gifts were received by the bride-to-be. Games were played and a two-course luncheon was served.

The Allegan papers are boasting the fact that not an arrest had been made at the Allegan fair. Chief Van Ry and Sheriff Fortney states that there was no occasion to arrest anyone at the Holland fair. Even the horse play by young chaps with an overdose of energy, was not evident this year.

Koene P. VandenBosch on Sept. 1 was united in marriage to Mrs. Rozema of Holland. Mr. Vanden Bosch was a widower for the space of two weeks.—Zeeland Record.

Miss Struik, a graduate of Hope college and formerly a teacher in Fremont, has been added to the faculty to teach science and English in South high school, Grand Rapids.

One of the balloon peddlers at the fair had hard luck. His large consignment of gas balloons slipped through his fingers and went sailing over the race course, and was soon out of sight, going in the direction of Allegan.

The megaphone used at the fair grounds by Starter Ellis which has a telephone transmission comes from the Holland high school. The announcing of the results of the races was never so thoroughly and plainly done as this year owing to this device.

Fred Meyers and family, who motored to Oklahoma last July, have returned to Holland.

Gerrit A. Diekema, president of the First State Bank of Holland, was elected chairman of group four of the Michigan Bankers' association at its eighth annual convention, Friday at the Hotel Pantlind. He succeeds Eugene Richards, assistant cashier of the Old National bank of Grand Rapids.

Charged with adultery Roy Eckas and Robert DuShane, were arraigned in circuit court before Judge O. S. Cross Thursday. They entered pleas of guilty and their cases will be disposed of later by the court.

One of the dreams of Ottawa county good roads advocates has been realized. There is now a concrete road way all the way between Holland and Grand Haven over the West Michigan pike route. The last link in the paving program on this project has been finished and the last bit of concrete was run this week on the contract for four miles of paving at Harlem which was held by the Webber Construction company of Ionia.

A few days ago 36 pairs of silver-black fox were received by the Allegan County Silver Black Fox farm located just at the limit of Allegan on the William bridge road. The fox were received from the ranch of the Gordon Silver Black Fox Co. who are pioneer projectors of this work in Michigan. By the introduction of new blood in the pack each year a strain of fox with fur of specially fine texture has been developed. The Gordons raised fur animals in Alaska for years.

Clarence Bowman, six year old son of Mr. and Mrs. Frank Bowman, 54 West 29th street, who was struck to the pavement on Central avenue by the Weller Nursery truck died at Holland hospital Tuesday night at 7:50 o'clock. Funeral services were held from the home at two o'clock last Friday afternoon. The truck struck him down.

Nelson R. Stanton has received instructions from the state asking him to take change of the Teachers' County Institute to be held in Grand Haven, Oct. 18 and 19, to which all teachers in Ottawa county are earnestly invited. Some renowned educational speakers will be on hand among them being Dr. F. H. Green of Pennington, N. J. Prof. Harper Maybee, of Kalamazoo, Mich., and Prof. Webster Pearce of Mt. Pleasant.

The steamer North America came into the Saugatuck harbor with very little trouble Tuesday morning, but the South American, which followed in the late afternoon did not fare so well. She grounded near the outer end of the south pier at Saugatuck and Wednesday morning a tug was summoned from Milwaukee. Before the tug could be gotten under way, an accommodating breeze from the northwest sprang up, raising the water sufficiently to permit the boat to enter the harbor under her own power. It is said that when the South American arrived the water was 18 inches lower than its recent level and had fallen 4 inches in the few hours since her sister ship made port. The two large steamers lay up for the winter in Saugatuck.

The Allegan Pickle Co. reports the largest season in its history having put into vats about 18,000 bushels of cucumbers which represents 25 car loads. The farmers have been paid \$25,000.

Hunting season opened Saturday at sunrise. Deputy Game Warden Oscar Johnson states that licenses can be secured at Van Tongeren's Cigar store, City Clerk Overweg, Corner Hardware and Zoerman's Hardware on 16th street.

Bert Slaght, our enterprising wall paper merchant believes that the fair should have more general support and a larger membership in the association. He doesn't believe that people should stand along the sidelines and kick at the exhibition and never dig down in their "jeans" to help the fair along. Unbeknown to the directors he went out Wednesday and secured 20 five dollar memberships.

The Warm Friends band furnished the music at the fair Wednesday. There were 18 men in line dressed in overalls with a headgear of Indian feathers. On the back of each man was the following sign in cloth, "Holland Furnaces Make Warm Friends." The furnace company band gave an excellent program of music.

Little John Vander Ploeg 235 East 14th St. had a grin on his face that reached from ear to ear, when it was announced that the young chap was given the \$100 table and chairs Wednesday—No. 184389. The fair association was also kind enough to give Mrs. A. Kuypers of Castle Park a fine Hoover Sweeper, No. 076569. Mrs. George Everhart was the recipient of the Colonial Hall clock. It's a beauty, costing at least \$100—No. 119888.

J. B. Mulder was in Benton Harbor Thursday attending the dedication of the large high school in that city. The school is said to be worth a half million dollars and is more than three times as large as Holland high school. It has many unique features. One especially interesting is an invention whereby the superintendent or the principal can connect a dictaphone up with any room in the building and listen to what is going on in the room with which he has made the connection. Miss Esther Mulder of Holland is an instructor in this school.

Mr. T. H. Tate, son of Rev. M. L. Tate left Monday to take up the study of law in the Law School of Harvard University.

Mr. and Mrs. Peter Elhart, West 17th street, who have been visiting in the state of Iowa for the past four months, have returned. Mr. Elhart was formerly Holland's truant officer.

Mr. and Mrs. Phil Zalsman and daughter Elsie and Mr. Lyle Milks have returned to their home in Grayling after a week's visit here with relatives and friends. Miss Elsie and Mr. Milks sprang a surprise on their friends and were married Tuesday afternoon. Mrs. B. Herrick and Mrs. Fred Zalsman entertained the wedding party at a six o'clock dinner at the home of the latter.

Rev. James F. Zwemer, president of the faculty of Western Seminary, was not present at the opening exercises of the school on Wednesday morning. He has suffered a paralytic stroke of throat and vocal chords, rendering him speechless. His condition since has slightly improved. Mr. Zwemer is one of the veteran ministers in the Reformed denomination and recently celebrated his 48th anniversary of his ordination.

Every milk dealer supplying patrons in Allegan city has received a notice from the state board of health requiring him to comply with in a given time with the regulations of the state board. The order was sent out following a rigid inspection of sanitary conditions in Allegan as a step towards preventing the spread of the Otsego typhoid fever epidemic to Allegan city. Stables, bottling plants, sewers, and slaughter houses were inspected by Dr. Martin Usher, Jr. of the state board and a number of city officials.

Albert Ten Hoor, for a number of years manager of the Holland Printing Co. has sold his interest in that concern and has taken a position as manager of the mechanical department of the Zeeland Record.

Rev. Clarence Dame announced to his congregation Sunday that he had received a call from the Calvary Reformed church of Cleveland, Ohio. Mr. Dame has not yet made a decision in this call.

The will of the late E. J. Harrington that was being contested by Harry H. Eagle, a grandson, was admitted to probate by Judge James Danhof as originally made. This will cut Mr. Eagle off with an allowance of \$10. The estate is said to inventory at least \$50,000.

Allegan jurors selected for the Allegan circuit court opening Oct. 1, from this vicinity are C. J. Verbeek, Overisel; Cornelius Zoerman of Fillmore; John DeJongh of Dor, John H. Bouws of Laketown; Gerrit Dietrich of Manlius; Waterman G. Phelps of Saugatuck.

Born to Mr. and Mrs. Harry Weaver, 49 W. 9th street, Saturday afternoon—a boy.

Gus Karose is quite a patriotic "dough boy". He has on exhibition in his place of business a bronze soldier just going over the top. The statuette shows the trenches, the wire entanglements with the soldier with gun and bayonet in one hand and a hand grenade in the other making a leap for the enemy. Nothing is missing in the soldier's outfit. Sack and canteen, helmet and gas mask are all found in the image. The pedestal contains this engraving, "Spirit of the American doughboy."

Two sermons at one service is an innovation which will be introduced by Rev. James M. Martin, pastor of 3rd Reformed church, next Sunday. The first sermon, from six to eight minutes long, will be delivered to the children and this will be followed by the regular sermon.

Born to Mr. and Mrs. Marinus J. Kole and 8½ pound boy, Paul James.

Mr. Simon Den Uyl of Kansas City, Mo., is visiting friends and relatives in the city and Lewis Den Uyl of Detroit is also visiting in this city. Both men are prominently connected with the Fliesman Yeast Co. where they have worked their way up to responsible positions starting in a small way in Holland.

Officer Bontekoe left for Detroit on Wednesday for the police department. Mrs. J. Bontekoe, mother of Patrolman Peter Bontekoe, is seriously ill at a hospital in Kenosha, Wis. Mrs. Joe White has returned from there, and states that her mother is dangerously ill. Officer Bontekoe expects to make the trip in a few days.

George Hemeke, employed at the North Side Tannery, was pulled up with a round turn at this establishment for using profane language. He paid a fine and costs of \$6.10 before Justice Van Schelven.

City Nurse Miss Koertge, Mrs. G. Van Hess and Miss Mary Steffens, have moved to a new location on E. 14th street, but their telephone number will remain 1322. Miss Koertge can be reached by that number as before.

Mr. and Mrs. A. H. Sywassink have returned from an extended trip thru the West. They visited Yellowstone Park, Denver, Colorado Springs, Pike's Peak, and Muscatine, Ia. They will be at home to their friends after October 1 at 630 Oak street, Kalamazoo.

Mrs. A. M. Galentine spent Saturday in Grand Rapids.

The funeral of Clarence Bouwman, who lost his life as the result of an auto accident was held Friday afternoon at 2 o'clock from the home of his parents, Mr. and Mrs. Frank Bouwman, 54 W. 29th St.

Anna Esseberg, aged 28 years, died Tuesday at the home of her mother, Mrs. W. Essenberg, 410 W. 21st street. The deceased is survived by her mother, two brothers and two sisters. The funeral will be held Friday afternoon at 1:30 from the home.

Members of the Ottawa and Allegan County Road Commission attended a joint meeting Tuesday south of Zeeland to consider what steps shall be taken in regard to the construction of a road between the villages of Zeeland in this county and Overisel in Allegan county. This stretch of highway is one much used by farmers in taking their products to the Ottawa town. If it is decided to build the road, it will be constructed under the Covert act, will be of gravel, 16 feet wide. Its length will be about six miles, two of which will be in Ottawa county.

A very delightful evening was spent in games and frolic, when about thirty-five friends of Mrs. Edna Bertsch opened her front door and took possession of her home on the North Shore Drive. It was Mrs. Bertsch's birthday anniversary and the coming of so many of her friends to celebrate with her the glad occasion made the surprise most enjoyable and complete. The party remembered Mrs. Bertsch by presenting her with a beautiful set of cut glasses, Mrs. Jennie Lacey making the presentation by reading a very appropriate piece of poetry applying it to the love and esteem in which all hold Mrs. Bertsch, to which Mrs. Bertsch responded very feelingly.

A cut of 20 cents a barrel has been made in the price of cement. This reduces the price to \$2.80 a barrel. The price a year ago when prices were at the top was \$4.30. The latest reduction restores the price to the level of the spring of 1919. In 1914 the price was around \$1.80. At that time a trade war was in progress and freight rates were low.—G. R. Press.

According to the Detroit News, "Cappy" Cappon is getting some heavy working out on Ferry Field, Ann Arbor. Coach Yost is putting the boys through the sprouts and weighs them in when they enter the field for work. Saturday "Cappy" went in at 184 and when he left the field he weighed 179½, losing 4½ pounds.

Mrs. G. Schaftenar has left for Stevens Point, Wis., to visit her son George.

The Woman's Christian Temperance Union will meet Friday afternoon at 3 o'clock at the home of Mrs. J. Pessink, 209 West 12th St. "Patriotism in Action" will be the subject of the meeting, and the slogan will be, "Respect for Law is the bedrock of patriotism." Mrs. F. T. Miles will be in charge of the program, and the devotions will be in charge of Mrs. H. W. Smith. The parliamentary class will meet at 2:30 and Book II, pages 4 to 9, will be discussed.

David and Stuart Boyd and Harold De Pree have gone to Ann Arbor to resume their studies at the U. of M.

Paul Coster and son Clyde, and Mr. and Mrs. P. A. Lievens returned from a trip to Sault Ste Marie in Mr. Coster's new Nash car. They traveled over the Mackinaw Trail, crossed the Straits and motored to the Soo, returning through Potoskey and Traverse City. On the trip in the upper peninsula they sighted three deer. A distance of 726 miles was covered in the journey.

Frank Holmes was fined \$33.05 in Justice Brady's court at Allegan for taking the liberty of striking his father with a tea cup, cutting an ugly gash in the man's forehead.

William Sackers and John Is els, enroute home from Yellowstone National Park, arrived at Denver, Col., last week Friday. They are expected home the latter part of this week.

An alarm of fire was turned in from box No. 26 at 6:30 Monday night. Officer Stokette seeing a dense smoke issuing from the Sentinel office basement window, gave the alarm. Men had been welding a section of the heating plant which caused a heavy black smoke. The officer had no way of knowing this and naturally thought a big smudge was burning below. Both fire departments responded promptly.

Declan E. Whelan, formerly of this city and now a newspaper man in Eau Claire, Wisconsin, was united in marriage Tuesday in that city to Miss Gladys H. Willis of Eau Claire. Mr. Whelan a few years ago was a reporter on the staff of the Holland Sentinel, which position he left to take up work at the University of Michigan.

Last Saturday afternoon a family reunion was held at the home of R. DeVries, the occasion being Mr. DeVries' 79th birthday anniversary. He is remarkably well preserved at his advanced age and is the oldest survivor of the original DeVries family. He was left an orphan at the age of seven years and at the age of 19 enlisted in the army where he served nearly four years taking an active part in several battles. After Mr. DeVries was mustered out, he followed the blacksmith trade and was in business for 45 years from which he retired nine years ago. He is a father of eight children, all of whom are living and all being present with their families. Dr. I. R. DeVries of Overisel; Mrs. A. J. Brower, Mrs. J. J. Roelofs, Messrs D. DeVries, George Wm., Theodore of South Bend, Ind., and the Misses Anna of Chicago and Margaret J., at home. A table was spread for 25 including children and grandchildren, all enjoying a real home welcome. Mr. DeVries received a numerous amount of flowers and other gifts.

The daughters and sons of Hiram Andre present were Mrs. Cassie Bouma, Mrs. Jennie Boersma and Cornelius Andre, Ralph Andre and John Andre. One daughter, Mrs. Mary Gezon, was unable to be present on account of illness.

FOUR OF SAUGATUCK DRIFT FOR A DAY IN BOAT MINUS SAIL

Four persons of Saugatuck, including a year old baby, were rescued from a sail boat by men of the Chicago Coast Guard at the mouth of the Chicago river late last night after the boat had drifted about most of the day, due to the wrecking of its sails by high winds. Occupants of the boat called "Nite" of Saugatuck, were Mr. and Mrs. S. L. Howse and baby and C. E. Norrey.

They set sail for home yesterday morning from the foot of Belmont ave. When ten miles south of Kenosha, Wis., the sail of the boat was blown away. Without other means of propulsion the occupants of the boat watched their bark retrace its course past its point of starting and on toward Chicago river.

They were unable to get any recognition of their signs of distress until residents along the north shore noticed them and informed the Evanston coast guard.

Because of the wind the guards were unable to extend any effective aid, but they called on Acting Capt. Carl Howell, coast guard, who directed the rescue. Occupants of the boat were taken to Evanston, where the have friends, and the boat was towed back to Belmont avenue.

HOLLAND PLANT LONG

IDLE TO START UP

The Western Foundry, formerly the Superior Foundry, located on E. 8th street is to resume work. This plant has been idle for several months with nothing but a watchman and care taker keeping an eye on the plant.

The officers of the company are in Chicago and the plant here is understood to be an auxiliary to another casting plant. The end of the war and the stagnation in business put a crimp in the activities of nearly all iron working plants, and no doubt the Western Foundry was hit with the rest.

At the time when the Superior Foundry was purchased there was considerable negotiation with the common council for the closing of streets and opening of alleys incident to the building of a larger iron plant here.

A great deal of ground was purchased at that time, which is now owned by the Chicago concern and if dispatches are true the Western Foundry will soon resume operations and will erect several new buildings in accordance with the original plans made when the Superior Foundry was purchased.

A representative of this paper endeavored to get in touch with officers of the plant but no one could be located who could speak authoritatively on the matter. It is hoped however that these reports will prove to be a fact.

NO ARBUCKLE PICTURES TO BE SHOWN HERE

Holland is not to see another "Fatty" Arbuckle picture at least for some time to come and in case the fat comedian should be convicted on the charge of first degree murder the motion picture fans of this city will probably never see another of his comedies.

Arbuckle was one of the great favorites with local theatergoers before he came in for his present notoriety and the announcement that a picture by him was to be shown was always followed by a packed house. Some months ago the Colonial Theater booked two of his latest pictures to be shown here in October, but they were immediately cancelled when the disclosures involving Arbuckle in the Virginia Rappe case were made. This action is in line with a similar stand taken all over the state not only but throughout the United States.

HOPE COLLEGE BEGINS SIXTIETH YEAR WEDNESDAY

Hope College began its sixtieth year Wednesday morning with opening exercises in Winants Chapel. The auditorium was filled with graduates, new and older students, and many townspeople.

President E. D. Dimment addressed the students briefly, and Dr. J. E. Kuizenga, of the Western Theological Seminary, pronounced the invocation. Dr. Dimment then introduced Dr. S. M. Zwemer to the new students as a "Son of Hope," and the one who would deliver the address of the morning.

Seven little Indians will invade Hope college campus Wednesday at the opening of school. They will attend the 60th annual convocation of Hope college which begins its scholastic year Sept. 21. There will be a large assortment of foreign students as well as the seven Sioux Indians, including F. C. Wu of Amoy, China, and Miss L. Wong of Canton; two native Egyptians and Wells Thoms of Bursrah, Mesopotamia. Dr. Samuel M. Zwemer of Cairo, Egypt will deliver the convocation address.

DRENTHE

Misses Elizabeth and Anna Baker of Grand Rapids spent Sunday at the home of C. Ver Hulst.

Mr. and Mrs. Peter Arendsen of Byron Center called on Mrs. Mary Paddling last Sunday.

Born to Mr. and Mrs. George Van Rhee—a daughter last Friday.

Rev. Wm. Vander Werp is in receipt of a call from the Christian Reformed church of Spring Lake. One year ago he received a call from the same congregation.

George Post of Burnips was operated on for acute appendicitis by Dr. A. J. Brower assisted by Drs. J. De Pree and B. Lanting.

Mr. and Mrs. R. Van Haisma while on the way home from Vriesland with horse and wagon collided with a motorcycle driven by Bert H. Brower on the Drenthe road. All occupants were thrown out. Mrs. Van Haisma and Brower escaping with external bruises while Mr. Van Haisma did not fare as well. He was found in an unconscious condition and had sustained a scalp wound, fractured collar bone and some broken ribs. He was taken home and if no complications set in will recover.

Francis J. Le Roy, of Holland, aged 26 years, principal of the Grandville public school, was badly burned about his face and arms, Monday afternoon, when an explosion occurred when he was performing an experiment in chemistry.

His face was said to have been nearly covered with the burning acid. Pupils watching the experiment were not hurt. Le Roy was taken to his apartment and later to the St. Mary's hospital at Grand Rapids.

KAMFERBEEK RESIG- NATION ACCEPTED BY COUNCIL

The resignation of Fred Kamferbeek as a member of the board of police and fire commissioners, handed to the council two weeks ago, was accepted Wednesday by the aldermen. When the motion for accepting the resignation had been made, Ald. Dykstra made an amendment that it be accepted with regret. He declared that Kamferbeek has served the city for a long time and had served it well. The amendment was accepted and the motion was passed in that form.

STOLEN AUTO IS
SO BADLY USED IT IS
UNRECOGNIZABLE

When John Walsma and Sheriff Fortney arrived in Parma, Michigan, to identify Walsma's car which was stolen August 28, they found the machine so badly damaged that it could hardly be recognized. The machine had been stripped of its spare wheel and tire, and the battery had been taken out and carried away. The top had been damaged by collision with some low structure and the motor pounded so badly that immediate repairs were necessary before it could be run at all.

The owner and sheriff started for home as soon as the car was put in shape to run. All the way home they experienced difficulty with the car, which will have to have a complete overhauling.

Upon their arrival at Parma, the officers found that the car had been in Parma for about a week. It was discovered lying abandoned at the side of the road just outside of town, and taken in charge by a deputy sheriff who runs a blacksmith shop there. He notified the sheriff at Jackson, giving him the number of the license.

DRIVING AUTO
WHILE DRUNK BRINGS
JAIL SENTENCE

Howard Haines and Joseph Smith and two girls all from Grand Rapids came to Holland and were full before they got here.

The first place they struck was Van Asselt's restaurant at the head of 8th street, and started a disturbance.

The proprietor quickly sent somebody out to call the police, but the four drunks who had been drinking moonshine got wise to the fact and jumping into their automobile they made a hasty exit from the town back to Grand Rapids.

Officer Stoketee who was on hand quickly jumped into another car, and followed the inebriates on the Zeeland road. At the top of the hill near Scholten's bridge they saw the car below zigzagging in every direction. The officer soon caught up with it and arrested the two men.

They were taken to Holland and Haines was charged with driving an auto while intoxicated. Smith was charged with plain drunk. Both men pleaded guilty before Justice Den Herder Saturday morning and Haines was given thirty days straight in the county jail and Smith was fined \$10 and \$3.85 costs or \$13.85 in all.

The girls quickly disappeared from the scene taking an interurban car for Grand Rapids at a country cross road.

DIES AT THE AGE
OF SIXTY-NINE YEARS

Mrs. John S. Vander Ploeg, aged 69 years, passed away Friday evening at 7:20 o'clock at her home on E. 7th street. For more than a year she had been ailing and the last month her strength and vitality rapidly left her.

Mr. and Mrs. Vander Ploeg came over from Ferwert, Vriesland, The Netherlands, on the steamer "Scholten" in 1881, arriving in this city in the early spring. The deceased was always closely associated with the Christian Reformed church of this city, first with the Central avenue congregation. She is survived by her husband and five children: Seids, Bert, Harry and Andrew Vander Ploeg and Mrs. Wilbert Van Apple-dorn, and sixteen grandchildren, all of whom live in Holland.

The funeral services were held at the home of Seids Vander Ploeg, 172 Fairbanks avenue, Tuesday afternoon at 2 o'clock, Rev. Einink officiated.

ANOTHER MEMBER OF
CO. I PASSES AWAY

The death of Mr. U. Devries Saturday at the age of 76 years removes another member of the rapidly dwindling number of those who enlisted in Co. I of the 25th Michigan Infantry. There are in this community only about nine or ten members of that company left.

Mr. Devries was born in the Netherlands and came to America as a child of four, settling in this vicinity. During the civil war he enlisted in Co. I and after about a year he received and honorable discharge for ability, but he was not satisfied to remain out of the conflict and so re-enlisted in another regiment, serving honorably until the close of the war.

He married Miss Margaret Kan-ters, daughter of the late ex-mayor R. Kanfers, and he was engaged in business in Holland until 1897.

He is survived by one brother, R. Devries of Drenthe, and four children, Mrs. F. H. Pifer, D. De Vries, Dr. R. C. Devries and Dr. U. F. Devries. The funeral was held on Thursday, Sept. 22, at 2 o'clock in the afternoon from the home of Dr. U. F. De Vries, 101 W. 15th-st. Interment was in Pilgrim Home cemetery.

Ralph Woldring who has been appointed deputy clerk by County Clerk Orrie Sluiter, has hunting licenses at the following places: Nies Hardware store, the Corner Hardware store and at Jack Blue's confectionery store; and Babe always has them with him and at his home any time, 172 E. 4th street.

EXAMINED AT THE
BABY CLINIC

That the babies in Holland are pretty healthy specimens was demonstrated by the baby clinic conducted at the Holland fair last week by the Civic Health committee of the Woman's Literary Club. Altho the clinic was held as much for farm babies as for city children, the latter predominated. In fact, practically all the babies that were brought to the clinic were city children, and all but three or four of them were found to be normal babies.

On Wednesday 12 babies were examined by the doctors, on Thursday 25, and on Friday six. On Wednesday Dr. A. Leenhouts was the examining physician, on Thursday Dr. Tappan and on Friday Dr. Thomas. These doctors were busy most of the time, but they cared for all the babies that were brought to the clinic, and the venture was a success in every respect. The equipment was very limited in the tent and it was impossible to give the service that could have been given if there had been better accommodations. Next year it is hoped to repeat the clinic and to have larger quarters not only but to have a more complete equipment. At that time it is also hoped to interest a larger number of farm mothers to bring their babies to the clinic.

Older children were also taken care of, Miss Schure, county demonstration agent, being in charge of this work. She weighed in the neighborhood of 500 children. Miss Koertge city nurse, was in charge of the work for the baby clinic.

Several members of the civic health committee of the Woman's Literary club were also on hand and helped to make the venture a success.

HOLLAND TO HAVE
BOULEVARD LIGHTS
WITHIN SIX WEEKS

The Gray Electric company of Detroit has started in earnest to build Holland's new illuminating system.

V. J. Liberty, the engineer of the company states that if everything runs smoothly from now on, Holland will be lighted under the new system within six weeks.

The company has had some difficulty on the east end between Lincoln and Columbia avenues owing to the fact that the sidewalk was being broken up more than the property owners thought was necessary.

The crusher generally used for that purpose did do considerable damage to long-laid brittle cement walks but the company is used to these things and makes good on any damage that may be done.

Mr. Liberty states however, that the company has started to lay the cables from 12th street north on River avenue and that instead of using the crusher which has been sent back in the future a four inch groove in the walk is now being chiseled by hand and the men have gotten as far north as the post office.

The laying of cables started Wednesday. Each cable is 2700 feet long and there are eight of these.

The lamps will be 85 feet apart opposite each other, on both sides of the street and consequently the cables are cut in lengths of 90 feet giving a surplus of five feet to be worked up into the standard.

The cables have already been laid in the groove made by the crusher between Lincoln and Columbia Aves. where the damage to the walk was done, and Thursday Mr. Liberty will have an expert cement man fix up these walks even better than they were before.

The beautiful standards called "The Holland" will be placed on a cement foundation, 20x24 inches, with a 36 inch depth. his cube of cement will be so fixed that the standards can be bolted to them.

A sort of sleeve in the cement block is so arranged that the cable can be shoved through it into the standard.

The new system to be installed here is the last word in boulevard lighting, in fact Holland is the first city to purchase this new design of standard, and for that reason this design has been called "The Holland."

The Literary Digest of a few months ago in going into the merits of boulevard lighting systems mentioned this Holland Standard and the beauty of it, and the installation of this system in parkways, in Eastern cities, such as Boston, Philadelphia, and New York.

The Gray Electric company is a concern of a high business standard and Holland can bank on the fact that when Mr. Liberty is through, River avenue and 8th street will have an illuminating system second to none.

Holland high school football schedule is announced as follows: Sept. 24, open; Oct. 1, South High at Grand Rapids; Oct. 8, Grand Rapids Central here; Oct. 15, open; Oct. 22, Grand Rapids Union, here; Oct. 29, Kalamazoo Central here; Nov. 5, St. Joseph here; Nov. 12, Holland at Grand Haven; Nov. 19, Holland at South Haven. The team comprises six veterans and about 40 candidates for positions.

FAIR AT ENDANCE
IS A TRIFLE UNDER
LAST YEAR

The Community Fair of 1921 has come and gone and from the standpoint of finance, this year is the banner year in the fair's history.

The money taken in from the new grand stand and from the concession-ists of which there were at least a third more than last year, will far exceed the amount of money disbursed in 1920.

The attendance this year however was not quite up to the 1920 attendance altho it is much greater than the attendance of any year previous.

The 1920 fair however cannot be held up as a criterion for last year the weatherman had made the weather to order as there was not a cloud in the skies for the three days of the fair

in fact it proved to be the most ideal fair week Holland has ever had. This year Wednesday morning started out with a drenching rain and lowering clouds hung heavy over Holland and vicinity during the entire day keeping many away.

Thursday started off beautifully and this fact was reflected in the crowd that came in the morning, over 10,000 of them. Directly after the dinner hour rain came down for an hour at least and the fair directors consider that this fact cut down the attendance on Thursday at least a thousand.

Friday was rainy in both the morning and in the afternoon and this fact was again reflected in the gate receipts, the attendance falling off about a thousand.

A large delegation of business men from Grand Rapids had planned to come to the Fair on Friday to take in the final races, but these plans were called off because of bad weather conditions. There is no doubt that if the weather had been as ideal as last year the attendance would have broken all records even far exceeding 1920 which stands as the banner year to this time. In 1920 too, work was plentiful and folks had "oodles" of money to spend. This year there is a different story to tell and while Holland has not been hit as hard as some other cities, such as Muskegon and Flint, this city has had its idle men and a streak of economy no doubt sort of grips us all a little.

The new grandstand attendance, however has made up for most of the shortage in attendance at the gate. These receipts are far greater than ever before and it goes to show that President Harrington, Secretary Arendshorst and the directors of the association made a wise move when they ordered this new building erected. In order to get a line on the attendance of the Community fair this paper has made a compilation taken from the records covering four fairs.

Below will be found a table embracing the years 1918-1919, 1920, and 1921. Take a pencil and paper and figure it out:

A PYRAMID OF STRENGTH

The Egyptians in the days of the Pharaohs built mighty and strong. The pyramids of Egypt are an example of those towers of strength, both figuratively and literally speaking. These big heaps of stone have withstood the ages, and time has made no impression upon them. In the FIRST STATE BANK Holland also has a pyramid of strength in a financial way. The figures below tell the story.

SAYS CULL HENS COSTS THE FARMERS ENORMOUS SUM

With the completion of eleven poultry culling demonstrations conducted at the Holland fair last week County Agent Milham of Ottawa Co. has about finished the work for the coming year along that line. In the past few weeks Mr. Milham has conducted 53 culling demonstrations, before 636 people, approximately one-seventh of the agricultural population of the county. About 5,500 hens were examined in all, and of this number about 25 per cent were found to be culls.

It is estimated by Mr. Milham that there are in the county at the present time about 100,000 cull hens, every one of which is a drain upon the finances of its owner. Mr. Milham figures that it costs about \$150,000 a year to feed these 100,000 chickens and that they in return are producing only about 75,000 eggs a year and are causing their owners a loss of approximately \$100,000 every year. Each cull hen in other words creates a deficit of one dollar per year.

Mr. Milham will conduct demonstrations at the Berlin fair next week and will also hold four or five other demonstrations in different parts of the county in response to a great demand for them. He is making a determined effort to rid Ottawa farms of all non-productive and detrimental poultry.

LOCAL GIRL WEDS NEW YORK MAN

A pretty home wedding took place Monday evening at 5 o'clock at Welcome Cottage, Central Park, when Miss Clara E. Miller, daughter of Mrs. E. Miller of Holland, was united in marriage to Walter Zust of New York, Rev. C. P. Dame performing the ceremony under an arch of ferns, asters, and wild flowers. Lohengrin's Wedding March was played by Miss Susanna Harmelink.

The bride wore a gown of white satin, with a tulle veil, trimmed with orange blossoms and pearls, and carried a shower bouquet of white roses and swansons. She was given away by her mother and was attended by Miss Emily C. Zust, sister of the groom, who wore a gown of pale pink tulle, trimmed with opal blue and carried a bouquet of Ophelia roses.

The groom was attended by Bruno O. Miller, brother of the bride. The bride's mother was dressed in a gown of gray satin, covered with lace, while the groom's mother, Mrs. John Zust, wore a gown of black tulle. The groom's gift to the bride was a diamond dinner ring.

The bride is a graduate of Holland High school and she has since attended the U. of M. The groom is the Western representative of a Philadelphia tapestry and drapery concern and served in the navy during the war. The couple have left on a wedding trip through the Middle West. They will live in Chicago. The out-of-town guests were: Mrs. John and Miss Emily C. Zust, New York, and Mrs. G. F. Ouedman, aunt of the bride, St. Joseph, Mo.

Franklin Cappon of Holland may be added to Michigan's list of backfield candidates.

Cappon was an allstate fullback when he played on Holland High school before he entered the university. Last fall, his first season on the varsity, Coach Yost needed ends. He tried Cappon there and the young man did so well at the new position that Walter Eckersall placed him on his second all-western eleven.

This season, however, Michigan has plenty of flankers and Cappon will probably be given the chance he wants in the backfield. Even with the great gang of ball toters that is present on Ferry field this fall the Holland star will be a welcome addition for he has the line smashing ability which will be needed to back up the end running and passing of the lighter men. Usher is the only veteran back who can hit the line with any success.

Cappon is a brother-in-law of John Maubetsch, now coaching a southern college formerly an all-American halfback at Michigan. Maubetsch, hopes that Cappon will get a chance behind the line.

"Cappon is a natural fullback," said Maubetsch when in Ann Arbor several weeks ago. "He never was completely at home at end. He made good there, but if he ever gets a chance to show behind the line he will be where he belongs."—G. R. Press.

The annual Conference of the Woman's Missionary societies of Michigan, meets on Thursday, Oct. 6th at the First Reformed church, Holland, corner of Central avenue and Ninth street.

At the morning session, beginning at 10 o'clock, Miss Nellie Zwemer, a Missionary to China, will speak very briefly in the Holland language. She will speak again in the afternoon and Rev. Fred De Jonge will present the Kentucky work. The Young Women's work for the year will also be heard from.

Mrs. Sabar Knox of the Home Board and Mrs. De Witt Knox of the Foreign Board will be the evening speakers. Music by the church choir and others will add to the pleasure of the meetings.

The Michigan conference that will meet here was the first of a group of conference organized in the Reformed church of America. This one was formed 23 years ago and since then seven other conferences have been organized, the latest one at Fulton, Ill. All these conferences are holding conventions during September and October.

PROSECUTOR MILES TO MAKE A CLEANUP ON DOG OWNERS

Their patience exhausted and every other resource having failed Ottawa County officials are today beginning strenuous action against dog owners who have to date failed to pay licenses on their pets. Warnings issued repeatedly. Through the press and by means of individual notice declares Prosecuting Attorney Miles, the citizens of Ottawa, who possess dogs have been warned that the tax on their canine was overdue, but in many cases no results have been obtained. Now more stringent action is promised.

Mr. Miles declared that beginning Tuesday a clean up on delinquent matters would be made in every township, and the campaign is to be instituted in Grand Haven township first. Officers from the sheriff's department are now rounding up dog owners in Grand Haven township who have as yet failed to pay their dog tax and are hailing them before local justices to have their cases heard.

The campaign will not stop with Grand Haven township, declared Mr. Miles. After a cleanup in the county surrounding Grand Haven the officers will move into other townships until every offender has been apprehended.

Ottawa Co. is not the only county which has experienced difficulty in enforcing this state law. In Grand Rapids and Kent county in particular did the guardians of the law and preservers of the peace find the public reluctant in paying their taxes and a problem not easy of solution on their hands as a result of that reluctance.

The law which is now about to be enforced in Ottawa county requires the payment of dog taxes on or before January 10th each year. A further time allowance before prosecution is begun is given dog owners however, this lease continuing until June 15 of each year. At this time the county treasurer turns over the last of all dog owners who have not paid their licenses to the prosecutor, who according to the terms of the law issues complaints to the sheriff who proceeds against the offenders.

This procedure is now being followed out in Holland and elsewhere and dog fanciers who have not yet paid their 1921 license are apt to find themselves in trouble any day now.

Prosecutor Miles has surely been lenient in this matter and this drastic method taken up by him is fully justifiable. This shirking a just tax should not be tolerated longer.

HOPE COLLEGE TO HAVE A \$1,000.00 LECTURE COURSE

The dates for the Hope College Lecture Course entertainments have been decided upon, and the first number of a thousand dollar course will be given on the evening of October 20 in Carnegie Hall. At that time the expensive Baker Company will appear here. The head of this famous musical organization is Miss Elsie Baker, well known to opera goers and equally well known to the users of Victor records. Miss Baker will give a combination classical and popular program. The popular numbers will include such old favorites as "Annie Laurie," "Ben Bolt," "Long, Long Ago," "Love's Old Sweet Song," "Old Kentucky Home," and others equally well known. The classical part of the program will consist of selections from oratorios and operas.

With her on the program will appear the world's greatest cellist, William Durieux, a Hollander by birth and one who received much of his training in the Netherlands. That little country has produced the greatest cellists of the world, and Durieux is at the head of them all. A well known pianist, Aime Dupont, will complete the company.

The second number of the four number course will be given at the same place on the evening of January 19, when Edward Amherst Ott will deliver his famous lecture "Sour Grapes."

The third number will be given on the evening of February 8, when the Fine Arts Quartette will give a program from familiar operas. The members of this company will give their numbers in costume.

The date the final number of the course has not yet been definitely determined.

John Van Anrooy has returned from a two weeks' visit with his son and daughter-in-law, Mr. and Mrs. P. Van Anrooy and daughter Miss Cornelia Van Anrooy.—G. H. Tribune.

GOES ON LONG TRAMP DURING SUMMER VACATION

Peter H. De Vries, member of the Senior class of Hope College and editor of the "Anchor", will not be on hand this week when that institution opens for the year's work. Mr. De Vries last spring left on a long tramp, and word has just been received from him in London, England. It is expected that he will return to school this year but it may take some time for him to get back to his classes.

A card from London was the first intimation that some of his friends here had that he was not passing this summer in the orthodox way of running a pickle station. Mr. De Vries wrote that last spring when school closed he left for Mexico and that later he crossed the ocean to England. He did not go into details, but it is supposed by his friends that he is "working his way." He wrote that London was extremely fascinating, and when the card was written he was about to make a trip to Oxford.

Dr. J. B. Nykerk a day or two ago received notice from the Stratford Publishing Co., of Boston, that Mr. De Vries' poem entitled "To-night" has been accepted by that company for publication in the "College Anthology." This is the annual publication to which undergraduates of all colleges and universities in America are invited to contribute. The best contributions received are selected for publication, and to be included in the publication is considered an unusual honor. The young poet away on his tramping trip does not yet know that his work has been selected by the judges, but this news will await him on his return to America.

Mr. De Vries' home is in Archbold, Ohio. He has been studying at Hope for a number of years and seems to have yielded to wanderlust last spring by going off on a long tramp.

LOSES SECOND BARN IN FIFTEEN YEARS

The big barn on the Klass Brouwer homestead near North Holland was struck by lightning on last Monday evening and burned to the ground with its entire contents. All the hay, straw, grain, in fact a whole season's crop went up in flames. The cattle fortunately were not confined in the barn and no animals lost their lives.

Fifteen years ago lightning struck the barn on the same location and burned it to the ground. At that time a son of the family was in the barn and was killed by the bolt. A new barn was immediately erected but this now has also gone up in the flames.

Att. D. Ten Cate returned Wednesday night from Ottawa, Ohio, where he went on business.

Mr. and Mrs. John Vander Mark of Grand Haven were Fair visitors Wednesday.

Judge and Mrs. Orrien S. Cross of Allegan occupied a box in the Grand stand at the fair Wednesday.

Attorney and Mrs. A. Van Duren are very lonesome people these days. Their three children have all gone away to school. Charles K., is taking up law at U. of M., Arthur R., is in his second year in the literary department, while Miss Kathryn has gone to Fairfax Hall, Basic, Va., an exclusive school for girls.

Frank Stansbury, John Owen and J. O. Fletcher have completed a tour of the West Michigan Pike to Mackinac City and back by way of Mackinac Trail, stopping at the tourist camps and other points of interest enroute. They made the trip in Stansbury's Oakland touring car and averaged exactly twenty miles per gallon of gas for the entire trip.

Mr. and Mrs. Jesse Smith and Mr. and Mrs. A. J. Reed left Sunday night for their home in Stratton, Nebr. Mr. Smith and Mrs. Reed are brother and sister of Mrs. Cora Wyatt of Holland. The two brothers and sisters had not met in 45 years until they had a reunion in this city. They also met a brother Mr. Hebur Smith of Muskegon.

C. W. Blocker, who has a responsible position for the government on an experimental farm near South Bend, Ind. is in the city visiting his family. At present Mr. Blocker is experimenting with fertilizer on muck soil on which various vegetables are grown.
