### FORMER HOLLAND FAMILY HAVE OUT-ING IN CALIFORNIA

#### HOLD BIG REUNION AT LONG BEACH IN THAT STATE

Bixby Park proved to be a delightful meeting place on Admission Day for over thirty members of the Van Zwahlenburg family, gathered from all parts of Southern California and more remote places and representing four generations. After the group had done ample justice to a bountiful dinner, spread under the big trees, Dr. C. Van Zwahlenburg of Riverside, acting as toastmaster recounted some amusing incidents of especial interest to those present.

J. Van Zwahlenburg of Long Beach, and the oldest living member of the family added an interesting sketch of its early history, the struggles after settling in the wilds of Michigan in the early 50s and also something of the origin of the old Dutch family name.

The rest of the afternoon was spent in renewing old acquaintances and forming new ones with excursions to the beach near by. The day was so thoroughly enjoyed that it was unanimously decided to make the event an annual one.

Those present were Dr. and Mrs. C. Van Zwahlenburg, of Riverside, California; Mr. and Mrs. R. H. Van Zwahlenburg and their little daughter Mary of Los Mochis, Sinaloa, Mexico where Mr. Van Zwahlenburg is entomologist with the United Sugar Cos., S. A.; Dr. and Mrs. R. A. Kocher of San Diego and their two daughters Frances and Esther; Mr. and Mrs. Thomas Gore and son Arthur Lee of Redlands; Dr. and Mrs. E. D. Kremers and sons, Marshall and Henry of Lafanda Park, Pasadena, where Dr. Kremers has recently become a member of the staff of the Las Encinas Sanitarium; Mrs. Alice Kremers of Niagara Falls, N. Y.; Mrs. I. Yates of Lamanda Park, Pasadena; Miss Alice Winters, who will be a senior this year of Park College, Mo.; Mr. and Mrs. S. M. Wildes and son George of National City, Calif.; Dr. and Mrs. James W. Carson and little daughter Elizabeth Jean of Los Angeles; Mr. and Mrs. G. E. Missinger, Mrs. J. M. Wells, Miss Elizabeth Wells, Mr. and Mrs. J. Van Zwahlenburg and Miss Minnie Van Zwahlenburg all of Long Beach, Calif.

### PRUIM MUSIC HOUSE HAS BEEN ENLARGED

#### NOW OCCUPIES WHOLE OF P. R. COSTER BUILDING; GETS FIVE YEAR LEASE

The Pruium Music House, 18 East Eighth street, has just secured a five year lease from Paul R. Coster for the entire store at that number.

The store was formerly divided between the music store and the Coster Supply Co. Later Mr. Coster sold out his business to Mr. Du Saar, who occupied a great part of the building during the time that the new Holland Photo Shop was being built across the street.

Mr. Du Saar now having vacated the Pruium Music House has been given the entire building and for the past week or more the interior has been remodeled to suit the needs of an up-to-date music store.

Mr. Pruium has also purchased the Brunswick phonograph department of the Browner store of this city and has added this to his other line of phonographs.

Associated with Mr. Pruium are Herman Cook Jr., Bert Grinwis, Egbert Boer, and Gerrit Vanden Berg, who assist in managing and operating the Pruium Music stores in Holland, Zeeland, Grand Rapids and Grand Haven.

### HOLLAND AND GRAND HAVEN VANDER VEENS HOLD A REUNION

Dr. A. Vander Veen of Grand Haven was guest of honor at a very delightful dinner party Tuesday evening, given by Mrs. Vander Veen on the occasion of the doctor's birthday anniversary. Graceful disposals of brilliant salvia adorned the dining room and centered the board, while two birthday cakes, each one lighted with numerous tapers added brilliancy to the effect. Vari-colored garden flowers were used in attractive arrangement in rooms throughout the home. Seated around the charmingly appointed table were Dr. and Mrs. Vander Veen, Mr. and Mrs. Jacob Vander Veen, Mr. and Mrs. Burt Vander Veen of Grand Rapids; Mr. and Mrs. Dick Vander Veen and daughter Miss Marian of Holland and California; Mr. and Mrs. J. A. Vander Veen and daughter, Katherine, Mrs. Van Zanten and daughter Irene of Holland; Mrs. Kelly of Brazil, S. A.; Mr. and Mrs. William Dubee of Beloit, Wis.; Arend Dunbee of Grand Rapids. Dr. Vander Veen was the recipient of many beautiful gifts from his many friends which showed in a measure the respect and devotion which they feel toward him for his long years of living among them and for his service to them.—G. H. Tribune.

### OFFICIAL BALLOTS CAST BY OTTAWA COUNTY ARE COUNTED

#### BOARD OF COUNTY CANVASSERS MAKE OFFICIAL STATEMENT OF ENTIRE PRIMARY VOTE

Below is Exact Standing of the Vote of Each Candidate in Ottawa County

The official statement of the vote cast in Ottawa county by all parties has been compiled from the report of the board of county canvassers who have completed their official survey and adjourned. The vote in Ottawa was light, in spite of the contests which were waged for several of the nominations. This was especially true in the country precincts. The greatest vote was, of course, cast in the Republican contests, due to the fact that he county has a large normal republican majority.

The complete party tickets showing the vote cast for each candidate is shown in the report, the candidate receiving the highest number of votes being the nominee of his party at the November elections. The total vote is as follows:

### COUNCIL SELLS BONDS BONDS TO BOARD OF PUBLIC WORKS

#### COMMITTEE REPORT IS ADOPTED; METHOD SAVES CITY MONEY

The common council is following the policy of having the city of Holland loan money to itself and thus save interest charges. The board of public works at times has funds to spare, and when the city needs money for other purposes it is sometimes possible to borrow from that board instead of going outside. Thus the interest charged goes to the board, but the board being one of the city departments it is in effect a way of the city paying interest to itself.

Wednesday night the committee on ways and means recommended that the River Avenue and 17th St. improvement bonds be sold to the Board of Public Works and regular bonds be issued therefor at 6 per cent and that the fire truck bonds be sold to the board of public works, and certificates of indebtedness, payable to the board of public works, be issued by the city of Holland payable in the sum of \$2,000 annually beginning 1924.

The certificates of indebtedness to bear interest at the rate of two per cent per annum. The interest now being received by the city on daily balances shall remain the same for the balance of the fiscal year.

The report was unanimously adopted by a vote of the council.

### GOOD-NATURED ALDERMEN STAND BY COMMITTEE'S IRREGULAR MOVE

The late T. R. had a habit of doing things first and then letting congress find legislation to cover what he had done, and the committee on streets and crosswalks took a hint from Roosevelt. The chairman, Alderman Kammeraad reported Wednesday night that a request for the installation of a certain gasoline tank, which had been referred to the committee for investigation, had been fully taken under consideration.

At this point a smile passed over his face and he continued: "The committee recommends that the request be granted. I wish to explain that the pump has already been put in, the committee having allowed the owner to do that so that he could get some revenue during the fair." The report raised a laugh and the aldermen were good natured about it, voting to grant the owner the right to put in a pump that was already there.

### DELINQUENT TAXES REPORTED BY THE CITY TREASURER

City treasurer Bowmaster Wednesday night made a report to the common council of delinquent taxes. The total sum collected up to Aug. 15 according to the report, was \$278,432.74. Since August 15 the sum of \$3,326.35 was collected, together with the four per cent collection fee, which amounted to \$133.02. The amount in delinquent taxes left uncollected is \$3220.13. This has been spread on the December roll and will be collected then, together with a penalty of eight per cent.

### CITY GETS CHECK FOR FIGHTING RESORT FIRE

The Macatawa Resort Company has paid the city of Holland one hundred dollars for the aid given by the Holland fire department during the disastrous fire last summer. The cottage owners' association some time ago sent the city \$50 and a letter of thanks, but the resort association has not taken any action of this kind. Whereupon Mayor Stephan instructed the city clerk to send that company a bill for \$100 which was paid the past week.

Rev. Clarence Dame, pastor of Trinity church, started another series of sermons beginning Sunday evening. The main topic is Personal Questions and the subjects will be arranged as follows, one every Sunday evening. "What Is Your Name?" "How Old Are You?" "How much are you worth?" "What is your business?" "Are you happy?" "Are you a church member?" "Are you a christian?" "Are you a disciple?" "Are you a witness?" "Are you a worker?"

Mr. and Mrs. C. De Keyzer and daughter Hilda Marie, are attending the fair at Grand Rapids today.

Frank Dierkhoff, manager of the J. C. Penny Co. of Holland, left for St. Paul, Minn., to attend the convention of the company. John Kobes will be in charge during his absence.

### SPRING LAKE WOMAN FOUND GUILTY OF ASSAULT AND BATTERY

Mrs. Pop Schippers of Spring Lake was found guilty of assault and battery on charges made by Mrs. Vander Molen in justice court Tuesday. Mrs. Schippers had demanded an examination and trial was set for Monday. A petit jury of Grand Haven business men found Mrs. Schippers guilty and she was sentenced to pay \$10 fine and about \$7 costs. Mrs. Vander Molen is a neighbor of Mrs. Schipper and it is said that the quarrel which resulted in the assault and battery originated over the children.

### HIGHER PRICE FOR HOPE LECTURE COURSE THIS SEASON

#### BUT—MORE NUMBERS, EXTRA NUMBERS, HIGH CLASS

It's Going To Be Best Course in Twenty Years

Dr. Nykerk of Hope College who is due every consideration for having put over a lecture course at Hope College year after year for the past thirty years is going to stage one this year that will surpass anything yet attempted.

The price is going to be higher but the lecture course loving public is going to be "given the goods". The Carnegie "Gym" comfortably seats 1,000 patrons. It has been decided that 200 of the choice seats will be sold at \$4 each, and 800 at \$3 each.

Mr. Nykerk states that this course is going to be far superior to anything yet attempted but for that reason the course too will be more expensive.

Holland doesn't want a mediocre exhibition. Nothing but the best goes and the patrons are willing to pay the price.

The first number includes a large concert company with the most talented artists from the city of Chicago. More details will be published later relative to this number.

Another one of the five numbers is a scientific lecture to be given by Professor Hilton Ira Jones, one of the most popular lecturers on the American platform today.

He will bring with him all the instruments and materials necessary in his demonstration work in which the latest scientific discoveries will be revealed to his audience.

A patriotic lecture by either William Jennings Bryan or by Dr. Frederick F. Shannon, celebrated preacher, from Central church, Chicago, and the illustrious successor to the late Dr. Gonsaulus will be heard at Carnegie Hall.

In the way of lighter diversion an amusing entertainment is to be given by Laurant and Company, consisting of Mr. Laurant, famous magician and his four assistants who will astound the audience with their leg-erdmain work and sleight-of-hand tricks that will compare with the performance of Herman or Keller.

The last number of the lecture course will be one selected by the Redpath Lyceum Bureau, and will either be "Friendly Enemies" or "Cappy Ricks."

These numbers were on exhibition during the summer chautauqua and Dr. Nykerk and committee went to Muskegon to witness the performance and found that both the play and players were unusually high class and the productions were refined throughout, in fact the Redpath Company bears the enviable reputation of staging productions of the best and highest moral type.

In speaking with Mr. Nykerk, he stated that he is going to restore Hope's lecture course to its former high position prevailing before the war.

The war played havoc because of disrupted companies everywhere and poor patronage generally speaking. But this is all changed and Dr. Nykerk should be given the aid of every public-spirited citizen in Holland and vicinity.

During all these years when the funds were low he paid the deficit—when there were funds to spare he forgot the shortage of other years—he gave to piano funds, Y. M. C. A. funds, college equipment etc., receiving no recompense for the arduous work.

His efforts of many years must not be lightly considered, and he must receive the support of his fellow townsmen.

Seats are now on sale at the Huizenga Jewelry store. These can later be exchanged on October 2 and 3 for reserved seat tickets without extra charge.

When you think of Hope College lecture course do not think alone of the treat that you are going to receive, but hold in mind the many treats you have already had because of the faithful, untiring efforts of Dr. Nykerk, and he is deserving of every consideration.

### FORMER HOLLAND GIRL HONORED BY CHURCH

Miss May Bender of the West Grand Boulevard church of Detroit, has the honor of having the best church records of that district, and the district superintendent has requested her to go to conference and explain about keeping church records and also to conduct a round table conference answering questions on bookkeeping and church secretary work. Miss Bender is a graduate of Holland High school and Holland Business College, also of Chicago Evangelistic School.

Failure of several Grand Haven celery growers to spray their crops about three weeks ago has resulted in bad infections of blight. Some will not harvest their crop.

Western Michigan championship game between Holland and Allegan at Water Works park Saturday. It's the last game of the season.

No frost last night, altho a heavy dew prevailed. The thermometer at the waterworks registered 45 degrees.

ZEELAND

Henry Kouw met with an accident, while driving his Dodge car, on the corner of Main and State streets. Mr. Kouw was driving west on Main St. while another party who failed to tell his name, was driving east on Main street and suddenly turned, cutting the corner, north onto State street, directly in front of Mr. Kouw's machine. A collision was inevitable. The offender's car was damaged the most.

The school for Christian Instruction opened the school year with a total of 238 pupils enrolled. They are graded as follows: Kindergarten, 40; first grade, 28; second grade, 24; third grade, 28; fourth grade, 27; fifth grade, 21; sixth grade, 26; seventh grade, 27; eighth grade, 17.

Emerson Bouwens left here Friday for Detroit University where he is taking a course in commercial advertising, decorative and sign painting. Mr. Bouwens has already proven his adaptability for the artist brush and great things are expected of him in this line.

The total contributions of the Ladies Aid for the School for Christian Instruction the past year was \$814, of which \$800 was donated toward the school building.

Mrs. Henry Van Dyke residing 3 miles northwest of the city submitted to a serious operation at the Butterworth hospital at Grand Rapids Monday morning. She is reported as doing fine.

Mr. and Mrs. R. LaHuis and Chester spent the week-end with their son-in-law and daughter, Mr. and Mrs. H. S. Coth, at Cincinnati, O.

Raymond Drukker son of Rev. D. R. Drukker, left Monday for Pittsburgh, Pa., where he will take up a theological course in the United Presbyterian Seminary in that city.

Born to Mr. and Mrs. Kryn Vereske, a son; to Mr. and Mrs. Gerrit Bosch, a daughter; to Mr. and Mrs. Dan Bekius, a son; to Mr. and Mrs. Ben Poest, Jr., a son.

Hon. C. Van Loo, D. Van Loo and Mr. and Mrs. B. C. Van Loo attended the old soldiers' reunion at Ionia on Monday.

Mr. and Mrs. George Van Peursem of Maurice, Ia. are visiting with their son Rev. J. Van Peursem and family in this city. Both the dominie's parents are eighty years of age. They expect to spend a month here.

The 1922 eighth grade graduates of the Forest Grove school recently went to Zeeland to have a class photo taken together with Mr. Henry Bos their teacher. The class included Rosamond VanderWall, Julia Van Dam, Elizabeth Brummel, Mary Timmer, Clifford Kole, Bernard Ensing, and Joe Bradeveg.

Five local boys, Eugene Brouwer, Wm. Dalman, Henry Dalman, Chester Fox and John Bdes returned on Saturday from a trip to the Soo and other Northern Michigan territory. They started out on September first and during their ten days outing covered about 1200 miles by automobile. Besides the Soo they visited Rudyard in the Upper Peninsula the former home town of the Dalmans.

John R. De Haan of Zeeland and Miss Ella Van Puten, daughter of Mr. and Mrs. Rennie Van Putten of Holland, were united in marriage on Friday evening at the parsonage of the First Reformed church by Rev. James Wayer. Mr. De Haan is a student at the University of Michigan and the couple will soon leave for Ann Arbor.

Mr. De Haan is a graduate of Hope College, class of 1922, and is to enter the post-graduate school of the University of Michigan where he will continue his studies.

The bride is a graduate of Holland High school, and for the past four years has held an important secretarial position with the Holland Furniture Co.

The happy couple will be at home to their friends after September 25 in Ann Arbor, Michigan.

RETURNS FROM TRIP THROUGH THE WEST

Prof. A. Raap returned this week from a trip thru Iowa, Nebraska and South Dakota in the interests of Hope College.

As a result of his efforts several students from these states will enter Hope this fall.

By their liberal donations notwithstanding the fact that the farmers are not able to market their products and receive low prices, the people showed in every way Hope College is appreciated because of the great work it is carrying on for the church and country.

The last band concert of the season will be held Thursday evening in Centennial Park.

Mrs. Charles H. Mc Bride was in Grand Rapids visitor Monday.

Contractor Frank Dyke was in Grand Rapids on business Monday.

Dr. L. N. Tuttle was in Grand Rapids Monday.

COAST GUARD CAPTAIN SENDS OUT S. O. S. FOR THREE MEN

Three husky men are needed at the U. S. Coast Guard station at Macatawa. and Captain Jacob Van Weelden Thursday sent out the S. O. S. call for the right kind of material. Two of his men who have served during the summer as temporary men will leave at the opening of Hope College to resume their studies. They are Henry Hidding and James C. Ottigby. A third member of the crew, Fred Wendel, left a few weeks ago. As a result there are three vacancies at a time of the year when a full crew is most urgently needed.

Capt. Van Weelden is able to secure recruits for the service, but so far they have not been the right kind. A good many immature boys apply for the job but what is wanted is mature men who can put in some good hard work. Application can be made to Captain Van Weelden.

Captain Van Weelden will have served the government as a life saver for 30 years next March and he hopes to retire at that time. Whether or not his application will be successful is not certain. Sometimes captains are required to serve a year or two after their thirty-year period expires when it is impossible to secure men to fill their places.

Mr. Van Weelden began his career at Grand Haven where he served for eleven years. Then he was at South Manitou Island for three years, and he has been at Macatawa for 17 years.

He has established a very good record during his long period of service. His family will come to Holland this week to make their home here, but Captain Van Weelden will remain in the service at least until next March and perhaps longer.

The timeworn Grand Haven habit—and for that matter the habit of residents of any lake port—of sauntering out along the government piers on Sunday afternoons and holidays, winter and summer, has been given added interest this year. Not only is the government building new cement piers jutting out into the big lake, but a building program of considerable proportions is being carried on at the coast guard station across the channel at the harbor mouth; and there always is a romantic interest about any activity of the coast guard.

Operations are being conducted under the direct supervision of the new coast guard captain, Wm. E. Preston, who came to Grand Haven following the retirement of the veteran Captain Wm. Walker. Preston registers as rating with the finest is himself an oldtimer in the life type of sturdy, red-blooded lake man. He has been in Grand Haven seven weeks, coming from the Michigan City station. At one time he was at the Louisville, Ky., coast guard station.

Alterations and improvements at the Grand Haven station are being made in keeping with the establishment of that point as an "all-year around service. Formerly the station was closed during the winter months but with car ferries and Goodrich ice breaking steamers in service through the cold season, Grand Haven has become one of the coast guard's most important stations on the Great Lakes. To meet this importance a new dwelling house where the captain and members of the crew will "put up" is now nearing completion. When it is finished the old station will be raised and another boat run added, providing accommodations for three boats, one the big motored surf boat and probably two smaller life-saving craft.

OLD RESIDENT CELEBRATES HER 91ST BIRTHDAY

Monday Mrs. Henrietta Laman celebrated her 91st birthday at the home of her daughter Mrs. Marinus Van Doorne, 514 Monroe street Gr. Haven. About 55 relatives were present coming from Muskegon and Holland and other points in Michigan.

Mrs. Laman is a pioneer resident having come during the early days. She has five sons, all living and has two daughters. The daughters are: Mrs. M. Van Doorne of Grand Haven; Mrs. Bronsma of Grand Haven; the sons are Klaas Laman of Grand Haven; Thomas and Louis Laman of Holland; John Laman of McBane; and Peter Laman of of Muskegon. All were present at their mother's birthday.

TO HOLD COUNTY S. S. CONVENTION IN SPRING LAKE

Announcement was made Thursday that the Ottawa County Sunday School Association will hold its annual convention this year on October 5. The meeting will be held in Spring Lake in the Presbyterian church and the program will be one of the strongest ever arranged.

The speakers will be Rev. Jeffrey Macomb, D. D., of Lansing, one of the speakers at the state Sunday School convention at Muskegon two years ago; Rev. Henry Beets, D. D., of Grand Rapids; Rev. King Beach, D. D., of Grand Rapids; Rev. C. P. Dame, of Holland; Rev. Amos Bobart of Marne, E. K. Mohr and Mrs. L. E. Morrison, the last two state Sunday School workers.

A chorus of fifty voices under the direction of John Vandersluis will furnish the music.

Mr. and Mrs. Frank Oosting who have been summering near Decatur, Mich., spent Sunday at their home, West Eighth street.

TO BUILD LARGER FACTORY STARTING ON NEXT MONDAY

Some more building activities are going on in Holland and a new fifteen thousand dollar factory will be erected within sixty days by Contractor Abe Postma, who has the contract.

The Holland Chair Co. has been growing so rapidly that a great deal more room was necessary and the new building has been planned for some time and operations will begin Monday on a three story structure.

The building will be three stories high 50x65 feet. The structure will be erected to the north of the present building on North River avenue, on what was formerly the old Lake-side Furniture Co.

The new building will be the cause of adding thirty more men to the company's pay roll and the force will then total 60 in all and it is expected that the added room and the larger force of employees will increase the output more than double.

The firm is now turning out sixty chairs daily and the orders are coming in so thick and fast that more must be turned out to meet the demands. The firm expects to be able to deliver more than double this number before snow flies.

The new building will be equipped with the latest in the way of a new sprinkling system and the present building will also be equipped in the same way. While the old structure is of wood the new one will be erected entirely of brick with all the modern protections against a possibility of fire.

The firm builds chairs exclusively but it turns out a large number of these. The management of the Holland Chair Co. is in the hands of George Vander Reit and Henry Tuls is superintendent while Arthur Meyer is the bookkeeper.

ZEELAND TO HOLD TWO DAY CELEBRATION

Thursday, October 5th, will be a day devoted to celebrating the 75th anniversary of the settlement of Zeeland by the pioneers from the Netherlands. On this day there will be many attractions, such as speaking by prominent men from among the original settlers or their descendants, or which there are many very capable men; a display of relics of the pioneer days, and many other features including a parade representing the pioneer life. Baseball games and many other sports will be featured.

The next day will be devoted to celebrating in the shape of a farmers' fall festival or street fair, when produce and livestock will be exhibited and prizes awarded the best shown. On this day there will be a parade and other features of the first day. Many free attractions have already been secured as well as some concessions which will add to making the two days' funs a grand success.

DID NOT LIKE THE LONG SKIRTS OF YORE

Things were different 47 years ago. For one thing, though women's ideals were perhaps as high as they are today, their skirts certainly were not. Millions of males grew to manhood without ever a peep at a girl's shoe top even. And they didn't like it, either, as may be inferred from the following editorial in The Commercial of Oct. 15, 1875:

"If a man should wear his pantaloons so long that when he appeared on the streets he should be obliged to reach around behind and hold them up, wouldn't the ladies laugh? And yet half the ladies you meet do just about the same thing with their dresses. And it doesn't look pretty either."—Saugtuck Commercial-Record.

RESUMES WORK AFTER SUMMER VACATION

After a vacation of two months, the Home Missionary society of the M. T. church has resumed its regular monthly meetings. The September meeting was held in the Byrns Parlor of the church. The meeting was enthusiastic, and there was a good attendance. The standing committees for the year presented quite extensive plans for the work.

Financial assistance will be given following: Kent Home at Greenboro, North Carolina; The Lucy Webb Hayes' training school at Washington, D. C., and the Indian Missions, at Greenville, Cal., and the Emerson at Washington.

The fruit committee invited the members to a canning bee to be held at the home of Mrs. N. Hulling, 240 E. 8th St. to can fruit for the Deaconess and Esther Home in Grand Rapids. Several dozen empty cans have been received.

It is expected to begin the study of a book at the October meeting. Mrs. J. Wise was in charge of the program and gave "The Story of a Little Engine," by Mrs. E. W. Mathews. "Stewardship in the Light of the Cross" by G. S. Cox, was given by Mrs. E. Markham. "Evangeline Brod Down to Date" by Dr. W. T. Ward was given by Miss Georgia Atwood. Devotionals were conducted by Mrs. G. Elferdink, singing being led by Mrs. Maurice, with Mrs. Gross at the piano. Hostesses were Mesdames G. Moody, Whitman and C. D. Wise. The next meeting will be in connection with the annual picnic.

NURSE IN HOSPITAL WHEN CLASS GRADUATES

A party of local people motored to Muskegon Friday night to attend the graduating exercises of the school for nursing of Hackley Hospital one of the graduates being Miss Ella

Frances Slag, daughter of Mr. and Mrs. Peter Slag. The curious part of the affair was that Miss Slag could not be present but was sick in bed in the hospital while her class graduated. Those who went from here were: Mr. and Mrs. Nick Kammeraad, Mr. and Mrs. Russell McFall, Mr. and Mrs. Jack Vander Hill, Miss Martha Evenhuis, Mr. and Mrs. Peter Slag and son, Adrian, Mr. and Mrs. John Vaupell, and Mr. and Mrs. Fred Slag.

### REV. G. B. FLEMING TO REMAIN IN HOLLAND

Rev. G. B. Fleming, for the past three years pastor of the Methodist church in Holland, has been appointed for another year. This was made known Monday night when the Western Michigan Conference of the Methodist church closed its sessions at Albion. The changes in the various churches were announced, but no change was made in Holland. Mr.

Fleming and his congregation here have been making good progress the past year, and there was general satisfaction not only among the members of his church but among many friends in the city at large that Mr. Fleming will continue his labors here. This will be the beginning of his fourth year in Holland.

In addition to serving as pastor of the church in Holland, Mr. Fleming has again been appointed to take charge of the Methodist church in West Olive also.

Other Ottawa county appointments were: Rev. C. S. Jenkins, Coopersville, and Rev. H. D. Skinner, Grand Haven.

Rev. J. W. Bowerman, formerly of Holland, will continue in his charge in Grand Rapids.

### NOW 36 VICTORIES TO HOLLAND'S CREDIT

Holland registered their 36th victory by defeating the fast Grandville-Jenisons Saturday afternoon by the score of 5 to 3. Altho the locals were outthit 11 to 9 they were lucky enough to bunch four hits in the 3rd inning for four runs.

In this frame with 1 down Spriggs hit to right center for two bases. Hick Hoover took a walk and Woldring singled filling the sacks. Spriggs scored on a pass ball and successive doubles by Jappinga and B. Batema forced across three more runs. This is the only inning that Vander Bunte's delivery was found with any consistency. The big south paw showed good speed and a fast breaking curve.

Big Jim Poppen who opposed Vander Bunte on the mound although touched up for eleven safeties, tightened up in the pinches and kept the hits pretty well scattered. Poppen pitched a good game, showed lots of speed, striking out eight of the opposition. The Overisel lad who came to us early in the year just as green as a spring pasture has shown some wonderful improvement and next summer should be one of Holland's reliable slabsters. A number of errors were made on both sides, but considering the cold wind sweeping across the diamond no better ball could be expected. A fair crowd braved the weather and shivered thru the game but went away satisfied that the series had been taken from the neighboring rivals.

The score by innings:

R. H. E.  
G. & J's.....000 010 011—3 11 2  
Holland.....004 010 00x—5 9 3  
Bateries—G. and J's VanderBunte and Coykendall; Holland, Poppen and Spriggs.

Next Saturday will be the last home game of the season and no doubt the best with our bitter rivals Allegan, the attraction. This game is for blood or the deciding game for the Western Michigan State title and will draw fans from miles around. Preparations are being made to handle the largest crowd of the season.

Benny Batema having the best batting average, won the sixteen pound ham offered by the Lincoln market.

### HOLLAND HIGH TO HAVE STRONG TEAM

Prospects for another winning football team at Holland high school took a very sudden leap when five of last year's veterans returned to school and reported to Coach Martin.

A large squad has been out for the past two weeks working hard under the coaching of Mr. Martin.

The following letter men are out: Capt. Lordahl, Damstra, Van Raalte, Hill, Van Zanden, Fell, Vander Woude and Vanden Brink. With a dozen likely candidates from last year's reserve team, a strong team will represent Holland high this year.

The 1921 football team and Coach Martin are represented in the current Spaulding Football Guide with a picture and a record of the team. The 1922 football schedule follows:

Sept. 30—Holland at Kalamazoo.  
Oct. 7—So. Haven at Holland.  
Oct. 14—Holland at G. R. Central.  
Oct. 21—Muskegon Heights, here.  
Oct. 28—South at Holland.  
Nov. 4—Holland at Allegan.  
Nov. 11—Gr. Haven at Holland.  
Nov. 18—Holland at St. Joseph.  
Nov. 25—Holland at Union.

### HOLLAND TOWNSHIP ELECTS DELEGATES TO THE COUNTY CONVENTION

The following delegates were elected to the Republican county convention from Holland township: Paul Schilleman, G. J. Deur, John Y. Hui-zenga, Charles Ellander, H. Van Liere H. Sierma, John P. Kleis, Philip Heyboer, Henry Plagermars, Jacob VanDyke.

### ZEELAND HIGH TO HAVE STRONG TEAM

There is every reason to believe the Zeeland high school will produce a winning team in football this year. Twenty-two high school lads have come out for the sport. The line averages 158 pounds and the back field averages 150 pounds. Several good practices have already been put in and the team seems to be whipping into shape very quickly. Games are being arranged with such high school teams as Sparta, Rockford, Lowell, Hope Preparatory and Grand

ville. The boys are working hard and hope for the hearty and enthusiastic support of the public.

### WEDDED IN CHURCH THURSDAY NIGHT

Miss Cornelia Kaashoek, daughter of Mr. and Mrs. Adrian Kaashoek, 115 East 17th street, was married Thursday night to Mr. William Pott, son of Mrs. K. Pott, at the Central avenue Christian Reformed church, the ceremony being performed by Rev. B. H. Einink. The bride was attended by Gertrude Pott, sister of the groom, and Mr. Pott was attended by Peter Kaashoek a brother of the bride.

Fred Olet played the wedding march, and the double ring ceremony was used. The bride wore a gown of white canton crepe and she carried ophelia roses. The bridesmaid was gowned in blue crepe de chine.

A reception was held at the bride's home and a wedding supper was served there, plates being laid for about 90 guests.

The groom is an agent for the Metropolitan Life Insurance Co. in Grand Rapids, and the couple will be at home to their friends at 744 Delaware street, Grand Rapids, after Oct. 1st.

### KENT COUNTY CIRCUIT JUDGE DISMISSES DAMAGE SUIT THERE

Judge M. L. Dunham,\* of the Kent county circuit court was in Grand Haven Thursday hearing the case of William Naeregang vs. the Atlantic & Pacific Tea company. The affair was a suit for damages resulting in some injuries received by Naeregang who was in the employ of the company as manager of their store there. He was suing the company for \$5000. Judge Dunham took the case away from the jury and dismissed it as no cause for action.

### FORMER GRAND HAVEN WOMAN ESCAPES TURKISH RAID

Proof that the world is not so big after all was given in a Friday night report from the scene of Turkish-Greek fighting in Smyrna where Miss S. Mills head of the American Collegiate Institute and formerly a teacher in the Grand Haven high school, narrowly escaped the general looting and incendiarism that marked the occupation of the town by the advancing Turkish troops.

Miss Mills was quoted in the press report of the occupation as saying that shortly before the flames broke out in the city, a Turkish officer was seen entering the building which she was in. He carried a can of kerosene according to her story which it is said was told to American authorities.

The Turkish quarter of Smyrna was untouched by the flames and the blaze broke out near the American Collegiate Institute. Racial hatred is blamed for the burning in which many Christians were slain.

According to reports the situation is getting to an acute stage and American forces are all but participating in the actual fighting. Military men believe that America will eventually be forced to intervene in the squabble and that troops may be sent to Siberia.

Miss Mills was a teacher in the Grand Haven high school prior to '96 when she left for Smyrna with a Congressional mission. She has been there ever since and is quite prominent in missionary circles as is evidenced by her position. She was very well known and many of the Grand Haven high graduates of over a quarter of a century ago can remember her.

Possibly the most unique trade display at the fair was one put up by A. Harrington and his force in the southwest corner of the art hall. It represented a replica in miniature of the Harrington coal plant on the south side with all its railroad tracks steam shovels and large coal shed, office buildings, etc., and also the north side plant.

An electric train of cars was constantly running first from the coal mines to the two plants in Holland. The display certainly attracted attention.

### FORMER BALL PLAYER HAS A GREAT PEACH ORCHARD NOW

Frank Kitson of Allegan county, who in the earlier days was one of the star baseball players in the American league but who has long since retired with the "has beens", only occasionally pitching a game, has turned out to be a fruit farmer.

Frank has a peach orchard that is a blinger. Full of trees that contain peaches that would pass for undersized pumpkins—and it is fortunate for him that they run so few to the bushel. He lives on a trunk road—one black with hurrying cars. Last Sunday he was swamped with cars from all parts of the United States, the inmates (a good word, redolent of the asylum) frantically waving bills and demanding peaches. Frank worked from dewy morn to sweaty eve, picking and selling thirty bushels, single handed, besides what the customers picked (and ate) themselves. A busy day with more peaches to follow.

### CHICKEN TUBERCULOSIS NOW RAGING THROUGH MICHIGAN

That tuberculosis in fowls has spread in Michigan to a dangerous degree is a warning issued by H. J. Stafseth of the bacteriology department at Michigan Agricultural College. He declares that definite steps must be taken soon to check its increase and if possible to start well-planned eradication campaigns.

Avian tuberculosis, while not a direct menace to human beings, is undesirable because it causes tremendous losses to poultry breeders through lowering of flock efficiency, and because it is easily transmissible to swine.

Due to the insidious and chronic nature of the disease fowls may harbor the infection for a long time without external manifestations. Affected birds are apt to show emaciation, leg weakness or lameness, pale comb and wattles, lustreless and ruffled feathers and finally droopiness. Usually the appetite is not deranged, and in fact fowls have been noticed to exhibit a ravenous appetite until shortly before death.

Prevention may be and, according to Mr. Stafseth by the use of sanitary chicken houses and runways, laid out in such a way that direct sunlight has access to the floors and grounds. Cleaning and thorough disinfection of chicken houses and feeding utensils once a week is recommended. Yards or runways from which chickens have been removed should be covered with lime and then turned over by plowing before chickens are allowed to return. The practice of keeping old birds from the young stock is also recommended.

The most efficient way of eradicating tuberculosis from a flock, it is held, is to dispose of the entire flock and make a thorough cleaning of all chicken houses and runways by careful disinfection.

The Allegan high school football squad will number 30, most of them new men as only three of last year's team will be back. The schedule for the season is: Allegan at Paw Paw, Sept. 23; Allegan at Hastings, Sept. 30; Allegan at Grand Rapids Catholic, Oct. 7; Grand Haven at Allegan, Oct. 21; Allegan at Plainwell, Oct. 28; Holland at Allegan, Nov. 4; Allegan at South Haven, Nov. 11; Otsego at Allegan, Nov. 18; Allegan at Kalamazoo Normal high, Nov. 25.

## LOCALS

Chas. Vander Hulle of Grand Rapids, formerly of Macatawa, who has been associated in the building business with Mc Nab & Son, arrived in Palm Beach, Fla., to take up the building of several large jobs. He expects to be gone several months.

The board of county canvassers is now canvassing the entire primary vote. Most of the votes not counted in a hurry in the different precincts are thus far found absolutely correct. In other cases slight errors have crept in. A recount is to be exacted by Connelly it is said who was defeated by a few votes covering Ottawa and Muskegon counties. The county canvass is now going on in the office of the county clerk assisted by the county clerk, Orrie Sluter.

Gerrit W. Kooyers who has been renomination as the Republican candidate for the state legislature from the First district of Ottawa county, desires to know if there is any special legislation in which the people of Grand Haven and vicinity may be interested. Mr. Kooyers says: "Personally it seems that we have almost laws enough but I will be pleased to give my support to any measure that will be of benefit to the state of Michigan and the first district in particular."

A grocery shower was given in honor of Miss Alice Lappinga, by Miss Sophia Klomprens, at the home of the latter. Games were played and refreshments served. Prizes were won by Miss Johanna Piers and Miss Emma Van Welt. Those present were Alice Lappinga, Fannie Breuker, Johanna Piers, Anna Visers, Emma Van Welt, Jane Dykman, Anna Vliem, Jennie and Nella Mouw, Sena Steggink, Marie Van Vuren, Minnie Windemulder, Reka Brandsma, Mr. and Mrs. Paul Jordan and Nella Jordan. Mr. Benjamin Steggink, Mr. Richard Klomprens, Russell aVnde Water and Mr. and Mrs. J. Klomprens.

Van's gas display at the fair was rather biblical to say the least. The Vandenberg Bros. had a continually flowing oil well going night and day during the four days of the fair. But the oil receptacle like the proverbial jug spoken of in Elijah's time never emptied but the flow continued unabated during the four days. Of course everyone knows it was done through a siphon system of which little was known in bible times. The display at the art hall was unusually interesting.

Johanna Siegers was sent by Judge Danhof to the state industrial school for girls for breaking faith with the court. The judge had given her a chance to be good but instead she turned out to be worse than ever and it is stated that several young men are to be looked after for contributing to her delinquency.

Mrs. Henry Kampers, aged 59, died Saturday morning at her home at 233 Lincoln avenue. She is survived by her husband, one son Gerrit, one brother, Gerrit K. De Wit of Fillmore, two sisters, Mrs. George Verwey of Muskegon and Mrs. Peter Van Tak of Holland. The funeral was held Tuesday afternoon at 2 o'clock at the home Rev. James Ghyssels and Rev. A. Keizer officiating.

On Tuesday evening Miss Geneva Van Lente entertained a number of friends in honor of Miss Ella Van Putten. The event proved to be a miscellaneous shower, the honor guest receiving many beautiful gifts. Geneva Wolman was pleasantly surprised by eight of her friends in honor of her 18th birthday at her home 274 Van Raalte Ave. Those present were Tillie Masselink, Mabel Fairbanks, Cornelia Bolte, Cina Bazan, Yvonne Peterson, Julia Van der Hill, Irene Overbeek and Geneva Wolman. Prizes were won by Mabel Fairbanks and Julia Van der Hill.

Miss Leon M. Laude, who has had charge of the county nurse work in the eastern part of Allegan county for the past year has moved to Allegan from Fennville where she will have entire charge of this work in that county. Miss McNeilly, who has had charge of the county work left to take a position as school nurse for the board of education at Onedia, N. Y. Miss Laude will have an assistant who will work out of Allegan in the future instead of Fennville, as has been the situation. Judge O. S. Cross of Allegan-Ottawa Circuit court was in Grand Rapids Monday to preside at the trial of the mandamus case of Bishop E. D. Kelley to compel the village of East Grand Rapids to issue a permit for the erection of a Catholic church on Wealthy street property.

Rev. and Mrs. John Kuite of Gano, Ill. who have been visiting relative in Holland for the past week, have left for their home, thereby completing their honeymoon trip to Vermont and other parts since the 23rd of August. Rev. Kuite is a graduate of Hope College and Western Theological Seminary.

Dr. Thomas J. Balhatchett, aged 56, died Saturday noon at his summer home "Seldom Inn" at Macatawa as a result of cerebral apoplexy. Dr. Balhatchett has been coming to Macatawa the past four or five summers. He is survived by his wife, two sons and one daughter. The body was taken to Chicago Saturday night for burial.

Word has been received of the birth of a son at Blodgett hospital, Grand Rapids, to Mr. and Mrs. Howard Dykema of Holland.

Traffic on the main line of the Pere Marquette railroad was blocked for several hours on Thursday afternoon on account of a freight wreck near N. Richmond, south of Holland. Ten freight cars were derailed, five of which were ditched. No one was injured.

The fire horses have been sold to John Boone of Holland for the sum of \$200. We are glad to say that the faithful Dobbins have gone into good hands and will be under the supervision of a man who knows as much about horses as any horseman in Western Michigan.

Quite a coincidence occurred in the 5th ward. When the republican votes were counted it was found that the name of Fred Kamferbeek had been written on five ballots in the vacant space left for an extra name under the heading of sheriff.

A disastrous home fire occurred on Tuesday afternoon at 3:30 when an alarm of fire was turned in from box 54. The fire was at a home at 87 E. 25th street. All three trucks responded and two lines of hose were soon laid. The damage to the home is estimated at \$500.

Mr. and Mrs. Henry Naberhuis, who left Holland a few days ago on their way back to Miami, Fla., making the trip by auto, write that they have arrived in Washington, D. C., making the trip from Holland to the capital in four days.

Rev. S. Vander Werf of the Reformed Church House is on an extended Western trip to get cash for the church building fund. He has been away the greater part of a week and will be gone some time longer.

Mrs. Francis E. Oakes, aged 71, died Sunday afternoon at her home at 311 W. 22nd street. The funeral was held Wednesday forenoon at ten o'clock at the home, Rev. G. B. Fleming officiating. Interment was in Pilgrim Home cemetery.

A giant oak tree, one of the fine old monarchs of the forest which grew when Allegan county was a wilderness, was felled recently on the Sherwood Bros. farm, near Otsego. The three logs taken from it scaled 1716, 1247 and 940 feet.

Born to Mr. and Mrs. John Rotman, a son, Vernon.

Wm. Merritt was arrested at the fair grounds by Holland police for stealing a rug off a Lincoln avenue porch to use in his booth. He paid a fine of \$8.70 before Justice Van Schelven. Andrew Spyk was arrested on a drunk charge at the fair grounds and paid \$13.70 before Justice Brusse. Mike Hogan, also on a drunk charge, paid \$7.70 before Justice Brusse.

Rev. John Van Zomerem of Grand Rapids was elected president of the Michigan Classis of the Reformed church at the annual fall session. Rev. Henry A. Vruwink of Grand Haven was elected vice president, and Rev. Eldred Kuzenga of Grand Rapids temporary clerk. Rev. C. H. Spaan of Grand Rapids continues as stated clerk. The classis by a unanimous vote approved the plan of re-grouping the churches in the three classes so that churches in the same city will be connected with the same classis. Oct. 22 was set aside as a day of prayer for the ministerial pension fund.

An auto accident occurred on Central avenue and 15th street when a yellow cab containing passengers for the fair grounds collided with the car of Ben Mulder of the News and Sentinel. Mr. Mulder was turning on Central avenue for the reason that River avenue and 15th street is being paved and had nearly made the turn when the Yellow Cab gave the Mulder car a broadside, sliding it along for a dozen feet. The Yellow cab sustained a bent fender, while the Mulder car was dented about the doors, running board, and fenders. One of the officers happened to be on the corner and saw the complete details of the accident. How Mr. Mulder got out of the accident without a scratch is a miracle as the impact was centered on the driver's seat.

Harold Vanderhill, a former Holland boy, now holds a position with the health department in the city of Shanghai, China. Vanderhill served four years in the U. S. Navy and during that time traveled extensively through France, Siberia, Philippines and the China coast. Until recently he was connected with the British Steamship Co. in Shanghai, China.

Undersheriff Spangler of Grand Haven was called to Bowers' corners in Georgetown to investigate a burglary at the Grocery store of John Behrens.

Complete returns from Allegan county give Townsend 1366, Baker 662, Kelley 431, Emery 409, Groesbeck 1,849, Fletcher 426, Joslin 263. The race for county clerk was very close, Wm. Stickle incumbent, winning over Glen Gordon by 43 votes. The city inspector reported Tuesday on the groceries inspected during the month of August. Thirty-two inspections were made. On a scale of 100, the highest is rated as 99. The lowest was 70, and this was instructed to clean up within four days. The average was 87, a substantial gain since the last inspection.

Although it is unlikely that special services will be held to commemorate the event, First Reformed church this month will celebrate the 75th anniversary of its organization. The church was organized by Rev. A. C. Van Raalte, who discovered Black Lake for Dutch colonists and led the first party from the Netherlands into western Michigan. It is significant to state that Thursday, Sept. 14, marked the 75th anniversary of the date when the Van Raalte party left Rotterdam on the American brig South-amer for America. The Southerner reached New York on Nov. 4, 1846, and the party finally reached Black Lake on Feb. 12, 1837. The church is one of the largest in the Reformed denomination in the west. Recent statistics show 282 families, 733 communicants, 469 baptized non-communicants and a Sunday School enrollment of 962.

The daily boat service on the G. & M. line between Holland and Chicago will continue indefinitely, except that there will be no boat on Saturday. Last year the daily service was discontinued on September 10, but this year conditions are such that the company felt free to give the daily service much longer. This will be a great convenience to local shippers.

Mr. and Mrs. Harry Parlow of Lansing and Mr. and Mrs. John Parlow of Grand Ledge, have returned to their home after spending a few days with Mr. and Mrs. Wm. Bronkhorst.

The Holland High school students probably will be given a chance to study the printing trade during the present school year. Tentative plans will be made for equipping the school with a printing outfit so that students not only may learn the art of printing but also will be given the opportunity to issue their own posters and cards for athletics contests and also a high school journal and furnish all other supplies.

O. I. Gregg who has been county farm bureau agent for Wayne county for several years arrived in Allegan Monday to take up his new duties as farm bureau agent for Allegan county. Mr. Gregg enjoys a reputation for accomplishing excellent work in Wayne county. Here he will have 24 townships to work in and the possibilities for enlarging the activities of the county farm bureau are very encouraging. There are hundreds of farmers in Allegan county who never have been identified with the farm bureau and it is hoped that Mr. Gregg may prove a successful organizer in a field where the interests of the farmer are as diversified as those in Allegan county.

Announcement is made of the marriage on September 2nd of Magdaline Brower a stenographer at The DePre Co. and Tobias P. Eirich of Battle Creek. The ceremony took place in Sparta, Michigan, Rev. G. Maxwell officiating. They will make their home in Battle Creek in the near future.

There will be a meeting of the fair directors and the board of auditors Friday who will audit the bills and go over the financial statement. All those who have bills against the fair association should see to it that these are filed with Mr. Arendshorst, secretary of the fair.

Candidate John Zeeuw was ordained as pastor of the Nordeloos Chr. Reformed church this noon. Rev. J. Bruinooze and Rev. D. Drukker are among those who took part in the ordination.

An orchard in full bloom at this season of the year is a novelty. Yet Erland Sundin, a fruit grower living near Gibson, has an orchard of 20 young apple trees which are in full bloom. One tree has upward of 500 blossoms. The reason for this unique display is attributed to the fact that Mrs. Sundin was burning worms out of the trees with a gerse torch. Some of the flaming oil set fire to the grass which spread through the orchard and it is believed the heated bark caused the blossoms to appear.

Mr. Crusen of Holland has opened a restaurant in the Martin building, where the "Dairy Lunch" room used to be located. This will be found a very handy addition to our different lines of business and is deserving of good support.—Fennville Herald.

Rev. John Klaaren, pastor of the Reformed church at North Holland, has received a call as missionary among the Indians at Winnebago, Neb. Mr. Klaaren has been in the ministry one year. He graduated from the Western seminary in 1921. Rev. H. B. Mollema has declined call to the Ref'd church at Edgerton Minn. and the Presbyterian church at Pollock, S. D.

Thirty missionaries in one family is surely a record to be proud of. This number has been produced from the famous Scudder family who are working in behalf of the Reformed denomination. Most of these missionaries have gone into the Orient to do this noble work. The Scudder missionary enterprise began in 1879 when Rev. and Mrs. John Scudder located in India. Nine children became missionaries. Of their grandchildren eight became missionaries. In 1919 three great grandchildren sailed for India. 31 of the Scudder descendants have worked in India and seven others are or have been missionaries in other countries.

President Edward D. Dimment, of Hope College, has been booked as one of the speakers in the league lecture course for the young people's societies in the Christian Reformed denomination to be held in Central high school, Grand Rapids. The course consists of eight numbers. Dr. Dimment will lecture on "The Witch of Endor" on Jan. 11.

The W. C. T. U. will meet Friday afternoon at the home of Mrs. J. P. Huyser, 228 West 9th street. The subject of the meeting will be, "America's Opportunity as a Leader in World Peace", and the address on this subject will be given by Prof. Wynand Wichers. "Our Part as Local Members" will be the subject of Mrs. Etta Whitman, and devotions will be conducted by Mrs. George H. Huizenga. The music will be in charge of Mrs. S. C. Nettinga, and refreshments will be served by Mrs. C. St. Clair and committee.

Mr. and Mrs. E. J. Fairbanks and son Earl have returned from a two weeks auto trip through the state of Wisconsin, having stopped at most of the cities of size in the state. It was a business trip with a little pleasure thrown in. Roads were mostly good and the cities are alive with building operations.

Within a few days two gangs of men will be at work putting in a big steel and concrete turntable upon the site of the old one near the Grand Trunk roundhouse at Grand Haven. It will be operated by electricity and will be of the latest construction, being able to take care of the huge freight engines which are necessary now in order that the great trainloads of goods may be transported in a quick and efficient manner.

The estimated cost of the new turntable will be in the neighborhood of \$20,000. A vast amount of material will be put into it and it will have a much larger circle than the other turn table.

The new turntable is to have a 75 foot diameter as against a 60 ft. diameter on the old one.

Carl E. Mapes, as usual, was an easy winner for the Republican nomination for congress in the Fifth Congressional District, composed of Ottawa and Kent Counties. Mr. Mapes has never been seriously threatened since he was elected for the first time about ten years ago. Again and again other Republicans have tried to pry him loose from his seat on one pretext or another, but no one has ever succeeded.

This year it was Alvah Brown of Grand Rapids who tried to turn the trick, but he found the task as impossible as others have found it. Mr. Mapes is not much of an orator and he does not indulge in the usual election heroics. But he has impressed himself upon the imaginations of the voters as a substantial man who does his duty at Washington quietly and without flourish, and the voters have stood by him through everything.

The city of Holland gave Carl E. Mapes the usual large vote on Tuesday. While the rest of the district was piling up a renomination for Mapes, Holland by wards was giving him the following vote:

	Mapes	Brown
1st Ward	265	63
2nd Ward	59	23
3rd Ward	289	51
4th Ward	315	63
5th Ward	303	81
6th Ward	170	39
	1401	320

Fred T. Miles was re-nominated on the Republican ticket for the fourth time in Tuesday's primary. Mr. Miles was strong in the city of Holland and in this part of the county. Jay Den Herder ran second in Holland while Hugh Lillie hardly had a look in this city, but his strength lay in Grand Haven his home town.

There were six offices on the Republican ticket for which there was no contest Tuesday. Orrie J. Sluiter was renominated for county clerk without opposition, and the same thing was true of Peter J. Ryenga for register of deeds. There was only one candidate for circuit court commissioner also two are to be nominated. Daniel F. Pagelsen was the single candidate for this office, and if voters wanted to name a second they were required to write in a name.

The office of coroner was also uncontested. Two men are nominated for this office on each ticket and the two candidates on the Republican ticket were Gerard A. Ringold and Henry J. Boer. There also was no opposition to Carl T. Bowen as candidate for county surveyor.

Sheriff Delbert Fortney had little difficulty in winning a renomination on the republican ticket for sheriff. Fortney ran way ahead of his two opponents, Oscar Johnson of Holland and Hans Dykhuis of Grand Haven. In Holland the popularity of the present sheriff was shown by the fact that he ran away with everything even though Johnson is a Holland man and Dykhuis was a former

Holland man, while Fortney is a Grand Haven man.

## CANDIDATES NAME OTTAWA COUNTY RE-PUBLICAN COMMITTEE

The Republican County Convention Thursday will be relieved of one job, namely the naming of a county committee which because of a recent law has been left to the candidates nominated at the primaries, to select.

Heretofore a chairman was named and the office of secretary and treasurer was combined. Now they are separated and three men are selected to head the organization.

The candidates met in the Ottawa County court house Tuesday afternoon and named William Bilz of Spring Lake as chairman. John F. Van Anrooy of Grand Haven is secretary and Capt. Olsen of Grand Haven is treasurer.

Heretofore the number of committeemen from each ward, precinct or township numbered one. Under the new law, two men must be selected. The selection is made entirely by the candidates elect, and the party leaders have no voice in the matter.

The Holland committeemen selected follow below:

Holland, 1st Ward—J. B. Mulder, Wm. Stephan.	
Holland 2nd Ward—Frank Brieve	
James A. Drinkwater.	
Holland 3rd Ward—Arthur Van Duren, B. A. Mulder.	
Holland 4th Ward—Wm. Lawrence, Jay Den Herder.	
Holland 5th Ward—Henry Vander Warf, Thos. N. Robinson.	
Holland 6th Ward—Arie Van der Hill, Jake Sprang.	

From Grand Haven

1st Ward—Jack Swartz, Frank Katz.	
2nd Ward—Hugh Lillie, Claude Vander Veen.	
3rd Ward—Richard Huizenga, Orrie Sluiter.	
4th Ward—Ed Rycenga, Gerrit Boynton.	
5th Ward—Wm. Slotel, R. A. Smith.	
Jamestown—Albert Bosch, Gerrit Yntema.	

Olive—1st Pct. Maurice Luidens, Tom Sheehan.

Polkton—Leon J. Ives, Millard Durham.

Park Township—Luke Lugers, George Heneveld.

Robinson—A. J. Knight, Richard Burg.

Spring Lake—Samuel Falls, David M. Klein.

Talmadge—John Gunstra, Willem Riemersma.

Allendale—L. J. Wolbering, Ranza T. Post.

Blondin—Wm. T. Flipsie, Albert Snowyink.

Chester—Charles L. Bean.

Crockery—Andrew Peterson, Ed Brown.

Georgetown—Cornelius Andre, A. W. Sherwood.

Grand Haven—Mike Donehue, George Bork.

Holland Town—G. J. Deur, John Y. Huizenga.

Wright—Ralph Burrows, Wm. Zacharias.

Zeeland Township—Gradus Lubbers, G. J. Van Zoeren.

Zeeland City—Isaac Van Dyke, Angus De Kruij.

## RECOUNT GIVES CONNELLY VICTORY IN 23RD DISTRICT

Announcement was made Saturday night by Orrie Sluiter, county clerk, and members of the canvassing board that William M. Connelly of Spring Lake, candidate for the Republican nomination for state senator from the 23rd district, in a recount has won the nomination over his opponent, Vincent L. Martin of Fruitport, by 11 votes.

Martin's lead over Connelly on the first count was five votes and Connelly then asked for a recount.

According to members of the election board, the entire vote of Grand Haven township was thrown out because ballots were not initialed. In the Third ward, Grand Haven, it was found figures in the total vote for Connelly had been reversed. They read 134 instead of 143.

The 23rd district is composed of Muskegon and Ottawa counties.

Both Mr. Martin and Mr. Connelly were represented by attorneys. Mr. Martin had Attorney Raymond Vischer of Holland as his advisor while Attorney J. Riley of Muskegon appeared for Mr. Connelly.

The board of canvassers who made the recount at the court house at Grand Haven is composed of E. J. Pruim of Zeeland, Phil Reister of Conklin and John Arendshorst of Holland.

## CANDIDATES OF OT-TAWA COUNTY SUBMIT LIST OF EXPENSES

In compliance with the state law regarding election returns, four of the candidates from Ottawa county in the recent election filed on the 18th of September their reports of expenditures in connection with the campaign. Others have not yet done so. The four who have filed their reports are: Fred McEachron, Gerrit W. Kooyers, Hans Dykhuis and Fred T. Miles.

These men spent sums ranging from \$2.75 to \$173.99. The expenditure listings were for such widely different articles as gasoline, tires, and tubes, newspaper advertising campaign cards, stationery and clerk hire.

Five per cent of the remuneration expected from the office for which the candidate is running is allowed for campaign expenses. In some cases this amounts to a considerable figure while in others it is not large. The reason for this law is very plainly apparent, it is designed to do away with unfairness which may creep in from the fact that one candidate is supported by more capital than another. Campaign expenses may mount in some cases until it is wondered where the remuneration is coming from when the man is in office. This usually casts a suspicion.

In the recent primaries the candidates expenditures in a list which has been submitted to date are as follows: Fred McEachron candidate for nominat on to the state house of representatives from the second district \$99.10. Gerrit W. Kooyers, candidate for the state house of representatives from the first district of Ottawa county, \$23.75. Fred T. Miles candidate for nomination on the republican ticket for prosecutor of Ottawa county, \$173.99. Hans Dykhuis candidate for Republican nomination for sheriff of Ottawa county \$51.75. The other candidates have not sent in their lists as yet but a list will be published as soon as this is done.

## AMERICAN LEGION BAND TO HAVE AN UN-USUAL PROGRAM

The American Legion Band is all set for Thursday night's band concert in Centennial Park, which will be the last of the season and will be a booster for band funds in order that the boys may go to New Orleans on October 18.

An unusual program replete with extra numbers will be given.

Arthur Smith, one of Holland's leading tenors, is down for two solos while Bert Brand will again give a few numbers on the xylophone.

Herbert Steinway, the best trombonist in Ottawa county, is going to slide out some times that will make music lovers sit up and take notice.

Mr. VanVyen has very carefully selected some of the best numbers for this program, including several extras, and by request some of the selections played before will be rendered again.

The band is unusually grateful to all citizens who have attended these concerts and by their presence there have registered their appreciation of what the band has been accomplishing during the season.

Let us Holland citizens also show our appreciation by coming again Thursday night prepared to show that we really appreciate a good band.

Thursday night money talks, for mere words won't send the boys to New Orleans. Be sure to come prepared.

## POOL TOURNAMENT TO BEGIN THURSDAY NIGHT

Starting Thursday night at Post's Billiard Academy Ottilie Bredeweg meets Earl Johnson in the first game of what promises to be the best series of games ever played in the city, as players like Johnson, Bredeweg, Cunningham, Colton and Sullivan are sure to give as good exhibition at any time. This is for the city championship and is open to anyone in the city. Some good games are sure to be played; also Mr. Post has offered some very fine prizes for the winners, the total in prizes running up to a hundred dollars.

Everyone is welcome. Come early and get a good seat. The game begins at 7:30 sharp.

## GRAND HAVEN-MUSKEGON INTERURBAN MAY ENTER MICH. RAILWAY STATION

The passenger terminal of the G. R. G. H. & M. R'y may be changed to the Michigan Railway station at the foot of Lyon-st., Grand Rapids, as the result of negotiations now under way, according to a statement made by Richard Schadellee of the former company.

The approval of the franchise of the Grand Rapids railway gives the interurban company new rights in the city, he maintains. A new contract with the city lines will be sought for the handling of traffic to and from the depot to the city lines.

Mr. and Mrs. Marinus De Fouw celebrated their 50th wedding anniversary Tuesday night at their home on State street in the presence of the following children and grandchildren: Mr. and Mrs. H. DeFouw and family, Mr. Harry Van Spyker, Mr. and Mrs. J. Hamelink, Mr. and Mrs. Cornelius De Fouw and family, Mr. and Mrs. John Van Wyck and family, Mr. and Mrs. H. Smeenge, Mr. and Mrs. G. Jaarda and son Julius, Mr. and Mrs. Gerrit DeFouw and family, Mr. and Mrs. DeFouw and son Donald, Mr. and Mrs. Al Athof and the Misses Margaret and Gertrude De Fouw, Bessie and Marguerite De Fouw, Marie Hamelink, Hermine Spyker. In all there were fifty-two people in attendance.

The children presented them with a chest of silverware, and the grandchildren remembered them with a basket of ferns. The celebration was observed with a family reunion and a happy time was spent.

All the children, except one, are still living. Mrs. Harry Spyker, one of the children dying last year. There are 29 grandchildren and two great grandchildren.

The opening exercises of Hope College were held in Winants Chapel Wednesday morning at 9 o'clock. A large number of citizens and undergraduate students new and old, attended.

President E. D. Dimment delivered the address of welcome to the returned students, extending them kindly words of advice and welcome.

After the reading of the scriptures President Dimment introduced Rev. John Van Peursem, pastor of the 1st Reformed church of Zeeland. Rev. Van Peursem is an alumnus of the institution, graduating in 1902. He

# BE HAPPY EVERY SINGLE DAY!

In the beginning of Fall weather, everybody ought to be just as happy as can be. Thoughts of the coming Winter ought to bring nothing but contentment--the realization of entire security from storm and cold.

Don't stop enjoying life when Winter begins. Why not make your home cozy and cheerful with a Holland Furnace? Winter is the season for more activity, better health and added joy. Bears satisfy themselves by hibernating, but bears don't know very much. If they did they'd keep warm with furnaces instead of with fur.

stated that an education is essential and that religion plays an important part in life, especially in college life. The aim of Hope College is to give the students a Christian education, and education minus religion generally results disastrously.

"The triumph comes to him who spends a part of the time before school in communion with his Maker, and the one who reads his Bible daily. The victory for him is a certainty," said Rev. Van Peursem.

The new members of the faculty are: Dr. Frank Vander Veen, who will be professor of Latin, taking the place of Prof. Bruno Meinecke; Miss Freda Heitland, a member of the class of 1922 of Hope College

## STOLEN AUTOMOBILE IS RECOVERED AT GRAND RAPIDS

The automobile stolen from the fair grounds Thursday was received by the Grand Rapids police on the streets of that city. The car belonged to Harry Bliss and when he discovered Thursday night that it had disappeared he got into touch with the officers who followed the usual course of asking the police of surrounding cities to be on the lookout for it.

The car was parked at the side of a street in Grand Rapids and was in good condition. The Grand Rapids police believe that it was a case of boys joyriding in it. Both the city police and the sheriff's force were working on the job. Mr. Bliss, the owner, went to Grand Rapids Monday to claim his car.

The Nineteenth street paving job was completed on Saturday by the Willite Construction Company and the River street job will be complete on Tuesday, Mr. Olsen, of that company, announced Monday. The 17th street job will take another eight or nine days, but it will now be rushed to completion because all the material has arrived and the work will no longer be delayed on that account. This morning four carloads of asphalt arrived in Holland at the same time. Some of these cars had been due for some time the company having arranged things in such a way that a car of asphalt would arrive at intervals. But railroad conditions threw these arrangements out of gear, and the quartet of cars came in one shipment instead. If the weather is reasonably favorable the entire Michigan pike, through the city can be completed in less than ten days.

It is planned by the Willite Co. to begin work on the seventh street job on next Monday. The city has already begun the preliminary work on that street and this will be far enough advanced by the end of the week so that the Willite gang can be turned into the street to dig it up for the laying of the pavement. It is estimated by Mr. Olsen that the street will be completed by December first.

If this job is finished this fall as it is likely to be, Holland will have ended one of its busiest paving years in the city's history. It is seldom that so much footage of pavement is laid in a single season, but if present plans materialize then next season will match this one. It is hoped to be able next summer to pave at least one of the long avenues, either Columbia or College, and one of the cross streets, perhaps 16th. Besides that there will probably be little odds and ends to pave which will bring the footage up to a respectable figure.

Joseph Warner, Holland's veteran landscape painter, will be 92 years old the 5th of October, but in spite of his advanced age he is still working almost every day at his art. He is still doing landscape, and occasionally a portrait, and the mere mechanical act of painting at this advanced age, regardless of the merit of the work, is a remarkable feat, probably not matched anywhere else in this country. Mr. Warner is however not only painting pictures but they are very creditable pictures, giving a faithful representation of scenery around Holland that his practiced artist's eye discovers as fit subjects for his art.

It is believed that Mr. Warner is the oldest practicing artist in America. He is still selling from time to time the paintings that he is producing, altho he declares that he is no longer painting primarily for money but for the joy of the work.

The veteran painter's eyes lighted up with a quizzical expression when asked about his work and then he quoted Rudyard Kipling to the effect that some day "no one shall work for money and no one shall work for fame, but for the joy of the work." That day has come for him, Mr. Warner declared, although of course even now a little extra money for his work is always welcome. But it is not the money that keeps him working at his canvases but the artist's delight in wielding the brush.

Mr. Warner is an ardent spiritualist and one of his recreations, in addition to painting, is to discuss this subject with persons who are willing to listen sympathetically. He is a subscriber to a number of spiritualist publications and has quite a collection of books on spiritualism. He took a deep interest in Conan Doyle's tour in America and in spite of his age he keeps well posted on developments in spiritualism.

## CHARGED WITH SELLING MOONSHINE AT THE FAIR.

Harry Shafer, of Muskegon, and Marie Donnelly, of Dallas, Tex., were arraigned before Justice Brusse Thursday forenoon on the charge of keeping a place where liquor was stored and selling and having in their possession for sale moonshine liquor. They demanded examination which was set for Saturday.

The couple were conducting a stand at the fairgrounds where they were selling spark plugs. The news leaked out that liquor was to be had there so Sheriff Fortney went to the stand and according to his charge, asked for a pint. He was taken into the back of the tent, he reported, and was sold a pint of moonshine for which he paid. He also declares he saw 22 other pints of moonshine in the place. He took the couple in charge then and the session in court Thursday forenoon was the result.

Dr. W. G. Heasley of Zeeland is confined to his home with blood poisoning in his foot caused by stepping in a rusty nail.

## MAY LET NEW JUNIOR SCHOOL JOB IN NOVEMBER

The students in the Junior high school will have to get along another year at least with the present accommodations, as the new building that was authorized by a vote of the people some months ago cannot be completed before that time at the very earliest. The school authorities were put to it this fall to house all the students of the Junior high, but the problem has been solved temporarily at least.

It was at first planned to rent a portable school for the overflow from Junior high but there were many arguments against that arrangement. It would have created a number of other problems in the line of heating and so on, and even then the result would have been far from satisfactory.

So it was decided to find room for the overflow from the Junior high in the high school building. Some rooms have been equipped in the basement of the building where those who cannot be accommodated in the Junior high building are being given their lessons. It is a makeshift and would not serve as a permanent arrangement but it will serve for the present and will take care of the situation for the present year at least.

The job for the new Junior high school will probably be let in November. It is planned by the board of education to take the matter up definitely at the November meeting of the board and to advertise for bids soon after that. Bids were advertised for some months ago but at that time it was found that the lowest bid was higher than the sum stated in the bond issue, and so all bids were rejected. By eliminating some features it is believed that the price can be kept within the limits of the bond issue. At least that will be tried out when the job is again advertised.

Sunday marked the second month that the Salvation lassies with their gowns and sunbonnet hoods battled with the devil's forces at the county seat.

During that time 32 Grand Haven folks have been converted and have knelt down in the street in supplication.

Among this number are several inmates from the county jail. It is stated that at least five conversions have been made among those who are behind bars in the jail located upon the Ottawa county court house grounds.

One case in point which has been cited was brought to the attention of the officers where a young man was given 90 days for non-support. He left his wife and two children without sustenance.

He stayed there sixty days when he was converted by the Salvation Army having been drawn into the influence through the Sunday afternoon meetings in the jail. Captain Glassbrook in connection with Sheriff Fortney arranged to have the man released on bail after a conference with Prosecutor Miles. Capt. Glassbrook furnished bond, arranged for the man's family to move, rented a house and got the man a job. He is now said to be a devout Christian and a hard worker merely another example of the many others that then nation-wide organization could cite.

The Salvation Army is kept alive by virtue of the assistance received, and thus far \$400 has been contributed by business men of Grand Haven alone.

Grand Haven Tribune—A chimney cleaner traveling out of Detroit and making all of the small communities was in the city, cleaning smoke pipes and doing stunts that made many weak hearts turn away with blanched faces. Balancing on the edge of a building and standing on a narrow ledge with his hands were only a few of his many hair raisers. The performer's name is Ralph Norton. He is traveling with an assistant, Sidney Signs. They are going by train from one town to another and announce business to be punk. Holland is the next stop where Norton announces he will run opposition to the wild west show there. "Cleaning" the towns as they go along is the men's real business but the cleaning is done to chimneys and not to wallets. According to Norton business is fair but he says he wants to eat all the time when engaged in his occupation.

At least 200 delegates will come to Holland representing 227 churches in the particular synod of Chicago of the Reformed Church of America to be held in this city on Sept. 26 and 27 with the Third church as the meeting place.

Rev. John Lamar of Chicago has been elected general chairman.

The speakers will include Rev. G. J. Dekhuijs, Waupun, Wis.; Rev. H. J. Veldman, Detroit; Rev. J. C. Bovenkirk, Roseland; Rev. S. Van der Werf, Holland; C. Dosker, Grand Rapids; Rev. L. Dykstra, Danforth, Ill.; Rev. R. Bloemendaal, North Blendon. Rev. E. Kuizenga, Western seminary; Rev. A. Klerk, Grand Rapids; Rev. C. Kuyper, Cedar Grove, Wis.; Rev. John Lamar, Chicago; Rev. M. C. Ruissard, Gibberville, Wis.; W. J. Van Kersen and Rev. J. M. Martin of Holland; John N. Trompet, Grand Rapids; Rev. T. W. Muidenburg, South Holland, Ill.; and Rev. A. Johnson, Rev. J. Sibley and Rev. James G. K. McClure of Chicago.

Topics will cover all phases of religious work—evangelization, consecration and inspiration in church, missions and education.

H. J. Himebaugh has sold his home on 12th street to Dr. M. J. Cook. Miss Bessie Bolhuis is spending the week-end with Mrs. W. G. Green at Douglas.

## KOMFORTER KOTTON GO. TO PUT UP A \$20,000 PLANT

Three large building projects are now assured for Holland.

One is the building of the new Chair company which will cost between \$15000 and \$20000, a second is the building of large beautiful offices for the Holland Furnace Co. to be built some time next spring after the full details have been arranged. Enough has been known of the plans to say that the new offices will be as fine as anything in Western Michigan and the accommodations will be adequate to take care of a clerical force of 150.

To make room for this office building the Komforter Kotton Company had to move and Attorney Arthur Van Duren president of the company states ground has been purchased on the corner of 19th street and Columbia avenue in order that building may begin some time next week.

The building will be one story 60x120 feet and will be made absolutely fireproof costing at least \$20000. The capacity of the plant will be increased by the move at least 30% and new machinery has already been ordered to augment the production. The company has been doing a very fine business and the demand for Komforter Kotton goods is increasing monthly.

It is expected that building will be ready for occupancy not later than January 1st. The building will be entirely of brick with composition roof and will be modern in every particular and so arranged that the wares made at the plant can be turned out in the most economical way.

The officers of the company are Attorney Arthur Van Duren president and Alfred Van Duren secretary and treasurer. Neil Van Duren of Chicago has also taken an interest in the plant and between the three Van Durens the Komforter Kotton Company surely ought to be a success which thus far has been the case.

Relative to the new offices of the Holland Furnace company more details will be stated later when the plans have been fully worked out by A. H. Landwehr the manager, and those interested. These plans at this time are not nearly completed and consequently not ready for publication.

## SHOW WINDOW CONTAINS SEASONAL UNIQUE GUN DISPLAY

Saturday morning was the opening of the hunting season and this fact brought a seasonal window display at the Corner Hardware which is unique as well as interesting to say the least.

Evolution in fire arms can be plainly seen here for the blunderbuss of Revolutionary times stands side by side with the latest Winchester with all its power and rapidity.

Plint locked pistols of 1776 which might have at one time adorned the sash of a pirate flying the Jolly Roger are to be seen in the window. A fowl piece such as Robinson Crusoe might have used on his isolated island pictured in De Foe's story is a part of the display.

Civil war cavalry guns the first Winchester ever made, and last but not least old Zullo, not from the Isle of the Igorrotes, but a veritable cannon gun made in 1850 and used extensively in the civil war by sharpshooters. The gun weighs 12 pounds and ten ounces, and no doubt has a kick like a mule, but in its day was a death dealing weapon of destruction.

The Corner Hardware surely has a gun display of interest that is well worth while.

The window was neatly arranged by Arthur Smith and the fact that the display is so timely with the opening of the hunting season makes it of special interest to every one.

One minute after midnight Saturday hunters and their hounds had the privilege of roaming the brakes fens and marshes with express permission to "draw a bead" on any mailard, coots, rails, gallinules, ducks, geese brant, jacksnipe, wilson, plover and other shore birds. The season on Woodcock is not open, nor will it be until 1924, when the state lawmakers figure that there will be no danger of extermination.

Old guns are being dragged down from the rack and oiled and cleaned and new ones are being bought which form a strange contrast to some of the old timers seen.

Hunting clothes are also ranged on the shelves of the shops as never before and seemingly every nimrod will be outfitted in the correct attire. The season closes on the 31st of December which will give plenty of time for sportsmen to indulge in what is claimed as the best sport ever. According to opinion it looks like a good season would be had with plenty of excellent shooting.

A Buick sedan driven by John Sidak, of Muskegon, capsized near Agnew on the West Michigan pike Sunday evening, pinning the occupants under it and seriously injuring a little girl. The child was first believed to have been killed and she was rushed to the Hatton hospital in Grand Haven. But there she regained consciousness and her injuries were found not to be fatal. She was taken to her home in Muskegon later on. Those from Holland who passed by the spot where the wrecked car lay believed that the little girl had been killed, and her condition is reported to be serious but she is expected to recover. The car however is badly wrecked and was left by the side of the road. All the other occupants of the car were injured but not seriously.

State Highway Commissioner F. H. Rogers was a visitor in Holland and at the fair Friday.

Miss Lalla E. McKay has returned from a visit to friends in Jackson.

## HOLLAND DAILY SENTINEL STOCK CHANGES HANDS

It is with great pleasure that we announce that a transfer has been made of the majority of the stock in the Holland Sentinel Publishing Co. to several of Holland's most substantial and progressive business men; that the company will at once be reorganized by the election of new officers and plans will soon be outlined for publication of a strictly up-to-date local daily with many interesting new features added such as the readers desire and is now made possible by the strong financial backing. Among those who have purchased the Sentinel stock are the following:

August Landwehr,  
Charles M. McLean  
Con De Pree  
E. P. Stephan,  
G. J. Diekema.

We congratulate the people of Holland upon this good news. These men did not enter upon this new enterprise primarily for financial gain, but because they felt that the Sentinel should be owned and controlled by local people whose first thought and effort would always be the continued prosperity and growth of Holland and the promotion of all that is best in harmonious community life. This has long been the aim of the Sentinel and its continuance under more substantial auspices is now assured. Outside parties have from time to time made large and tempting offers for the control of the Sentinel, but the former owners realizing what a local daily means to the city and to its people refused to sell to such persons.

With these new stockholders who will at all times have as their slogan "Holland First," we believe that the problem has been settled and another mile-stone in the progress of the city has been reached.

The other local stockholders who still retain their stock are Charles H. Mc Bride, A. M. Galentine, Arnold Mulder, Fred Boone, F. Slag, Ed

Edward Leeuw, of the firm of Brink & Leeuw, operating a garage on Ninth street, has bought out the interest of his partner and will operate the business alone after this. Mr. Brink will go into some other line of work but he has not yet announced what this will be.

Brink & Leeuw started in business only comparatively recently but they have made a success of it here. Since January of this year they sold 46 Hudson and Essex cars. They built a new garage and have worked up a stable business.

M. Bohl of the North Side has added to his private fruit exhibit in the window of the Vaupel Drug store two branches that contain mature apples, apple buds and apple blossoms at the same time. The leaves of the branches show traces of Bordeaux Spray that Mr. Bohl used against the black rot. Mr. Bohl sprayed his trees seven times this summer in order to combat the various fruit diseases.

In the list of apples and pears given a few days ago as being represented in the Vaupel window should have appeared Fallwater and Tallowippins. One of the apples of the last named variety is eleven and a half ounces.

Under the auspices of the Michigan Agricultural College, the Michigan Chick Hatcher's Association will hold the first tour ever attempted by them on the 29th, making three days in all. It is hoped to make the affair an annual one. The tour will cover southwestern Michigan, visiting the different hatcheries and farms where some special feature of poultry raising is to be demonstrated.

The slogan will be "Buy Michigan Chicks". In the past years, chick raisers have bought their little flocks in Indiana and other outside places where it was thought that better stock could be purchased but following the tour things are planned differently for Michigan.

It is planned to have certified chicks and on Saturday morning, September 30 at the Zeeland city hall, Prof. Foreman of M. A. C. will hold a culling demonstration at which all hatchery men and chick owners are urged to be present. They will be shown exactly how to cull the stock and later, M. A. C. experts will visit the hatcheries and farms to certify the stock closely on hand. This will mark the beginning of certified poultry for Michigan and every raiser of chicks should be present in order that the proposition may go over in a big manner.

The sentiment for certified stock in Ottawa county is strong and 32 out of the 41 hatcheries in this part of the state that are members of the Michigan Poultry Association, are in Ottawa county as a poultry raising county.

The Ottawa County Chick Hatcher's Association will entertain the tourists at the Lakewood Farm on the final day of the tour when a wind up is made. At this time a meeting of the Michigan Chick Hatcher's Association will be held also.

Boosting the baby chick industry in Michigan is the object of the trip and of the subsequent campaign which is but one of the many designed to promote progress.

## LETTER FROM G. H. PATROLMAN GIVES "TIP"

The Ottawa County Road Commissioners are in receipt of a letter written by one of their workers who is familiar with conditions along the roads. It gives an excellent tip for motorists and incidentally explains the attributing of many accidents to loose gravel.

A vein of humor is also present in the letter which puts the affair in just about the same light as motor-

ists see it, in a subconscious way.

The letter follows and was written by one of the road commission patrolmen:

Ottawa County Road Commission, Grand Haven, Michigan

Gentlemen—"Having watched the papers for a spell about loose gravel on Trunk Line 51 on the so-called Ensing Hill where there have been several accidents this summer, I would like to tell you the way it looks to me.

"As a matter of fact it is not because there is loose or screened gravel brot on this hill for a year. Only two yards of bank gravel were drawn to fill the poor spots in the road last March. Speed is what causes the trouble, where I watched it close. Coming down the big hill

on high speed they lose control of their machine and loose gravel is the cause of the accident even if there is no loose gravel there. The road is the cause but not the driver. I have asked a good many people from Hudsonville that come past this place almost every day, sometimes two or three times a day the year around, often late at night and some are fast drivers and they never had any trouble yet.

"The way it looks to me, the people want iron railings on the side of the road so they can't get off and perhaps the iron railings would be too hard because they would break their radiator so maybe we would better put up rubber railings.

"Yours very truly,  
Ottawa County Road Patrolman,  
(Signed)

## COMPARE THIS (NERVE) WITH THE ONE ABOVE AND THE ONE BELOW

## From Kidney Trouble to Dropsy is next Step

Health Talk No. 39

By JOHN DE JONGE, D. C.

Dropsy is listed as among the incurable diseases, but in most such cases, chiropractic is successful, particularly in this true when the case is taken before the condition becomes too far advanced. In dropsy there is under elimination of the fluid wastes of the body, and though other organs may be involved the principle cause always is kidney weakness.

The cause of this under elimination of fluid wastes, of course, is weakened mental impulses over spinal nerve lines, due to displacement of spinal bones. Where there is displacement of spinal joints there is narrowing of the spinal nerve opening. The spinal nerves emitting through this opening are pinched, and the normal flow of mental impulses over these nerve lines is impeded. When the organs affected are the liver and kidneys there is under elimination, and a gradual poisoning of the system results. Chiropractic spinal adjustments are necessary to restore the perfect mechanical condition of the spine, and thus remove the cause of disease.

## Dropsical Condition Goes After Adjustments

"This is to certify that for two years I suffered from chronic appendicitis and kidney trouble until I was in a dropsical condition. I then turned to chiropractic and during a course of twenty adjustments I lost fourteen pounds. The adjustments were continued and I day I am feeling better in every way. The appendicitis has not troubled me since the first adjustment. I cannot recommend chiropractic to highly to those who may be sufferers such as I was."—C. N. Welch, Chiropractic Research Bureau Statement No. 1241W.

## FAIR ATTENDANCE IS A TRIFLE UNDER LAST YEAR

The Community Fair of 1922 has come and gone and from the standpoint of finance it appears that this year's fair is the banner year in the history of this organization.

Altho Secretary Arendshorst and Treasurer Benjamin Brower have not gone into details fully enough is known to say that the exhibition was not alone a slight seeing success, but a financial success as well.

There is no doubt but if the weather man had been more considerate of the Holland fair, more folks from the outside would have attended for it goes without saying that financially successful fairs depend largely on the weather, in fact almost entirely so.

Wednesday started off with a rainy spell, in fact a shower was in progress shortly after one o'clock when patrons started to go. No doubt a number remained home on this account.

Between Wednesday and Thursday night a steady downpour of rain for at least ten hours made the highways veritable quagmires and it was not until late on Thursday that the skies began to break and clear up.

Although there were not quite as many concessions this year as in other years, the rate charged was a third higher per foot, and the sum of money derived from this source was considerably more than was ever received before.

Fair patrons on a whole were thoroughly satisfied with the exhibition and the special attractions were unusually interesting, in fact the best that has ever been staged at a fair before.

Some of the prizes awarded follow below.

Miss Ethel Warber of Grand Haven was awarded first place and a prize of \$20 in the boys' and girls' stock judging contest. Charles Peters of Grand Haven was awarded second place and a prize of \$15, and Fred Bierman of Grand Haven was given third place and a prize of \$10.

The Forest Grove Farmers' club was awarded first prize for the best exhibit of fruits, vegetables and grains.

The fair this year was a great success financially despite the threatening weather. The total attendance exceeded 20,000. Concession men already have made their bookings for next year.

Petitions were signed by farmers asking state test for tuberculosis among cattle.

Below will be found a table embracing the years 1918, 1919, 1920, and 1921. Take a pencil and paper and figure it out:

Wednesday proved a real Holland day at the fair and all Holland was present to look over the exhibits and to see the races and special features.

The grandstand was packed to capacity as were the improvised bleachers put up to the east of the main building and the overflow stood on the side lines a quarter way down the track on both sides.

In the first event which was a 2:30 trot, Elita won first money winning three straight heats. Silver Bell second money coming in second on three straight heats.

In the second event which was a 2:15 pace Roanwood won first, D. B. M. B. second, and Barbara third. It took five heats to finish this race. In this race John Gilhooly was not entered being withdrawn before the race began.

The second event was quite eventful; the driver Godfrey of Midnight Jennings had his nose broken and fell on top of the man who might have been killed had it not been for his agility.

Henry Mulder from Holland, driver of Alice Gordon had the wheels of his cart locked with another driver with the result that his cart tipped over and he was out of the race after that.

The starter is the same old Russ Ellis who has started here many times. The judges are John Murray and Clyde Hollis; the timekeepers, John Kleis, Casper Belt and Walter Kuite; speed secretary, Seth Nibbelink; official scorers, Ed Brouwer and Albert Schreuer.

A record-breaking crowd witnessed the two events at the race course at the Holland Fairgrounds Thursday the big day at the fair.

The first event was the 2:30 pace for \$300 purse. This event started off to be well filled with horses, but just before the event five of them were withdrawn and did not enter for a single heat. They were Ruby Gratten, Manitou J., Barron Medium, Axliady, and Babe Afton.

The third event for a 2:20 pace for a purse of \$300 was not pulled off because of the heavy track caused by the rain of the night before. Men worked diligently on the track after the rain had stopped and did a great deal to place it in better condition. It was not until 4:30 instead of 1:30 that the course was put in any kind of shape for racing.

This event was pulled off Friday afternoon however as an extra.

In the first event Nettie P. an Allegan horse won first money. The horse is owned by Kenney Gates who also won in one of the events on Tuesday.

The winner of first money in the second event was Willow Brooks owned by Mr. Godfrey of Benton Harbor.

Because of the heavy track the time made was unusually slow.

The track was rather sticky because of the rains early in the week, but the racing was well up to time, and some spectacular finishes were the result.

One of these finishes was when John A. Boone pulled Banjo, the Herpolsheimer horse under wire in the third heat by a nose. It was so cleverly done that the crowd in the grandstand went wild because of this exciting heat.

## THE \$15 IN GOLD HAS BEEN AWARDED

The Holland fair association offered \$15 in gold to the husbands and wives who brought the three largest families to the fair.

The largest family would get \$7.50 in gold, the second largest \$5 in gold and the third largest a \$2.50 gold piece.

The prizes awarded and families are as follows: first prize, Mr. and Mrs. Albert Klingler 119 W. 13th St., Holland. They brought 12 children, the oldest 32 and the youngest 13. Incidentally we might say that the husband is one of the "Warm Friends" family.

Mr. and Mrs. Bert Riemersma of R. R. 4, Holland, brought the second largest family of 11 children, the oldest 23, the youngest 3.

Mr. and Mrs. M. Poppema, 214 E. 17th street brought the third largest family of ten children, the oldest being 19 years, and the youngest 16 months.

The happy families left the fair grounds with their admissions for all the members of the family refunded and with gold in their pockets.

## ART HALL AND VICINITY AGAIN WAS FILLED WITH BUSINESS DISPLAYS

Many merchants have taken space in the art hall again this year and all had very interesting displays and some have unique offerings.

Alfred Sirrine and Clyde Geerlings of the Radio Mfg. Co. did stunts with a radio system, getting base ball scores, market reports, and giving concerts.

Other business men who displayed their goods are the Holland Furnace Company, De Pree Hardware, Singer Sewing Machine, Lokker Rutgers company, Peoples Garage, John Rutgers Clothing Co., Van Ark Furniture Co., Pruim Music House, Wolverine Garage, Huizenga Jewelry, De Fouw Electric Co., De Vries-Dornbos, Jas. A. Brouwer Furniture Co., Meyers Music House, Beach Milling Co., Lievens Battery Co., Holland Magnet Products Co. This is the firm that makes pebbled brick, tile, flower pots and the like.

Van's Oil is also represented, as well as the Wolverine advertising Company.

Boumaster Implement shop, Holland Lumber & Supply Co., Holland Auto & Specialty Co., and Holleman De Weerd Auto Co. are represented on the outside in conveniently arranged tents.

## "HEALTH TENT" AT THE FAIR DID MUCH WORK WEDNESDAY

The "Health Tent" at the Holland fair, established under the auspices of the civic health committee of the Woman's Literary club is again doing a rushing business this year. On Wednesday the "Health Tent" was a very busy place all day, and the two women in charge of the work, Miss Alma Koertge, city nurse, and Miss Eva K. Schuur Home Economics agent, had their hands full most of the time.

More than 150 children were weighed and measured. First aid was given to two persons who had become ill on the fair grounds. Two lost children were found and restored to their families through the aid of the health service. In addition to that a great deal of miscellaneous work was done along the line of making the stay of mothers and children at the fair pleasant.

Dr. A. Leenhouts was the speaker of the afternoon. He gave a talk to a group of mothers on the care of the children and he was listened to with considerable interest.

The Red Cross tent was another place that was very busy during the day. The tent is in charge of Mrs. G. J. Van Duren and it is primarily for the convenience of mothers who come to the fair with their babies. The children can be left at the tent in charge of the attendants there while the mothers go around to see the exhibits. This service is appreciated as was shown Wednesday when large numbers of mothers took advantage of it.

Many also used the tent as a kind of private dining room where they and their children can eat the lunches they have taken to the fair. It is also a rest room and many women, tired out with sight-seeing, came to the tent to rest.

## CHANGE FROM YELLOW AND GREEN TO GRAY

The biggest painting job ever done in Holland was completed last week by Bert Slaght & Son when they finished work on the H. J. Heinz Co. plant, changing it from a bright yellow and green to a subdued gray. The job has been in progress for eleven weeks, and the area covered with paint was a very large one, so large that it took seven barrels of paint.

The plant in Holland is the only one of the Heinz Co. plants to be changed from yellow and green to gray. The change is made here because part of the plant is built of concrete blocks, and the color of the frame buildings was made gray to conform as nearly as possible to the color of the stone buildings. It is possible that the concrete buildings will also be painted. It is not customary in this section of the country to paint concrete, but it is frequently done in the East where the main plant of the Heinz Co. is located.

Mrs. Mannes Albers and son Marion who have been visiting relatives and friends in this city, have left for Grand Rapids, Detroit and Lansing. From these city they will go to their home in Des Moines, Iowa.

## HOLLAND BELL RING- ERS MAY BE ON NEXT CHAUTAUQUA PROGRAM

In view of the fact that Holland is on the Mutual Chautauqua circuit, local audiences next summer may have an opportunity to hear a concert by the "Six Royal Holland Bell Ringers." This company of musicians is composed of Mr. and Mrs. P. H. Brouwer and four children, formerly of Zeeland, who for several years have been on the chautauqua platform.

In a letter from Kansas City, Mr. Brouwer, who at one time was the Zeeland correspondent for the Sentinel, has the following to say about his plans:

"Our second successful chautauqua season with the White & Meyers Chautauqua System is finished and now we have signed up for 1923 with the Mutual-Ewall Company of Chicago, and hope that our route with that company includes Holland. We will do our best to get Holland on our list because we have a desire to give one of the best programs Holland has ever had before, that is what the people claim. Do our best wishes to all who know us and hope to see them all in 1923."

"Best wishes from us all,

Royal Holland Bell Ringers,  
P. H. Brouwer Mgr.  
Address: White & Meyers Chautauqua System, 725 Railway Exchange Building, Kansas City, Mo.

Mr. and Mrs. N. Hoffman and daughter Janette and Mr. and Mrs. L. Kardux and niece Dorothy Dick returned home Friday night from a thousand mile auto trip. They went on the West Michigan pike to Mackinaw City, across the Straits, up to the Soo, then down through Wisconsin and home via Chicago. They spent the nights at camping grounds along the way, staying the last night with Mr. and Mrs. Ben Hoffman at Milwaukee.

The majority of roads were in good condition and the party had the privilege of traveling over the Green Bay-St. Louis cement highway on the formal opening day. The weather was fine so they had an enjoyable trip.

Ray Nykamp attended the fair today in Grand Rapids.

Watch the wind and the weather indicator Saturday afternoon for it will be the time for the autumnal Equinox, as autumn begins, September 23, 3rd hour, 10 minutes of the afternoon, standard time.

Miss K. M. Doesburg will return from her vacation the last of this week, and will open her class in music next week. Miss Doesburg has been away the greater part of two months, visiting Detroit, Chicago and several cities in Wisconsin.

The Holland Photo Shop conducted by D. J. Du Saar has moved from the temporary quarters in the Coster building to the very commodious quarters in one of the beautiful stores recently erected by Walter C. Walsh on East 8th street. The Holland Photo Shop occupies two floors, the work shop being partially in the rear and also occupying the floor above. The beautiful art store filled with works of art daintily arranged is to be found in the front, and the Holland Photo Shop now has an emporium that cannot help but be a mecca to art lovers.

Ald. Brieve, chairman of the committee on poor, reported Wednesday night that the sum of \$81 had been expended for temporary aid the past two weeks.

The board of public works after this will pay one third of the salary of the city treasurer's for the treasurer's services to that board.

The 19th street paving job was formally accepted by a vote of the council Wednesday night.

City Clerk Richard Overweg was in Grand Rapids on business today.

Bill Murphy of Ottawa Beach is attending the Grand Rapids fair today.

Miss Deane Beltman is a Grand Rapids fair visitor today.

Henry J. De Rider, aged 19, died Wednesday noon at his home at 125 West 29th street. He is survived by his parents, three brothers, and four sisters. The funeral will be held Friday afternoon at 2 o'clock at the home, Rev. C. P. Dame officiating. Interment will be at the Graafschap cemetery.

Mr. and Mrs. Wm. H. Orr have returned from a 2,000 auto trip thru Michigan, Indiana, Ohio, Kentucky, Tennessee, Georgia and Alabama.

Tennis Prins, the youngest son of Ald. Prins, submitted to an operation for a serious case of appendicitis at Holland hospital Wednesday noon. His condition was reported today as quite favorable.

### MAYOR APPOINTS MEN TO PASS HAT AT BAND CONCERT

This Thursday night is the last band concert of the season. The city contracts for ten concerts each summer and that this is appreciated by the general public is clearly demonstrated by the thousands that attend these concerts every week. This year the band gave one extra concert free of charge and the attendance was so large that the band was requested by the mayor to give another one this week Thursday. The city, however, cannot pay for any more concerts, as there was only \$500 appropriated for this purpose in this year's budget, and it was therefore up to the band to give another concert free of charge. This the band boys all cheerfully agreed to do. In appreciation of this splendid spirit shown by the band as a whole, in their willingness to comply with popular desire and request, without remuneration, the Mayor has authorized the passing of the hat through the crowd that attend these concerts, for the purpose of showing the band that we have thoroughly enjoyed their music during the summer and that we fully appreciate the valuable asset they are to our city.

The band is going to make a trip to New Orleans in October to attend the National convention of the American Legion. They are surely going to give a good account of themselves and the thousands of delegates that attend these conventions from every state in this country will know that there is a city in the state of Michigan, in the county of Ottawa with the name of Holland. This city could not get as much publicity if it spent \$25000 for advertising purposes as our band will give us on their trip. There is nothing that advertises a city so favorably and well as a good band. And we have a good one and we are proud of it. Now then, you good fellows, let us give expression to our sentiment by a good liberal collection on Thursday night. Let the merchants and manufacturers and professional men of the city who can not attend the concert see to it that their donation is either sent there that night by some one else or else send their checks to the Mayor or the leader of the band, John Van Wyven before that time. Do it at once so that you won't forget it. The band is deserving of your support. It is going to cost the band about \$1,500 to make this trip, and Holland is going to reap the benefit of same in a great measure.

We should raise at least \$500. Let's go. The mayor has appointed the following men to pass the hat on Thursday night: John Vandersluis, Charles H. Mc Bride, Ben Wiersma, Ben Lievense, Andrew Klomparsense, Dick Boter, John Van Tatenhoven, A. H. Landwehr, Con De Pree, Fred Beeuwkes, John Bosman, H. Geerlings, James DePree, Cornell Vander Meulen, Milo De Vries, John Kelly, John S. Dykstra, Henry A. Geerds, Otto P. Kramer, Jacob Lokker, Henry Winter.

These men are requested to meet at 7:45 in front of the postoffice for the purpose of organizing. The mayor will draft G. J. Diekema to give a good rousing speech.

### WHAT YOU SAW IN THIS PAPER FIFTY YEARS AGO

The whole number enrolled in our public schools is 515; average daily attendance 408; number of pupils tardy 64; number of pupils not absent nor tardy 110. The instructor's force: High school, L. C. The village of Zeeland is creating a fire department and have let the job of digging eight fire wells. Note—In the early days Holland also had a fire well system. Deep wells were dug near the corner of certain streets where protection would be the most beneficial and an iron suction pipe was placed at the street intersections leading to the bottom of these deep wells. In case of fire the old hand pump suction hose was attached to these hydrants and if there was water in the well, well and good, water was forthcoming if two dozen volunteers could be found to pump the pumping machine. At best it was a small sickly looking stream and the pumping was a strenuous operation. The hand pump was pulled to the fire by man power and the pump was also operated in that way. Relays of men being necessary every ten minutes.
