Peter Lievense Holland's New Chief of Police

SELECTED MONDAY AT SPECIAL MEET OF BOARD OF POLICE AND FIRE COMMISSIONERS; APPROVED BY THE COUNCIL

Monday the board of police and fire commissioners met in special session and elected Peter Lievense, aged 47, of this city as chief of police, succeeding Frank Van Ry, recently resigned. Lievense will take office October 1. During the

Our Peter is either looking at a criminal caught—or a net full of bad fish. Surely he can't feel glum about his appointment. Cheer up Peter!

remainder of VanRy's term, Henry Vander Schel has been acting chief, a duty he has performed. Peter Lievense's appointment was announced at Wednesday's meeting of the Common Council and was unanimously approved by the aldermen.

Mr. Lievense has been a resident of Holland during his entire lifetime and has served as a county deputy sheriff, has been game warden and is prominent in activities of the Holland Fish and Game Club. His swift thinking during the solving of crimes has contributed to his selection, according to members of the board. Lievense figured in the arrest of the Hudsonville bank bandits and was present during last week's arrest of Jack Lawrence, the Chicago gunman who came to Holland. His first notable arrest was when he gathered in two young burglars found entering the Kuite market. Peter caught them "red-handed" in the alley near the store. This work was done a few nights after his appointment to the force.

Mr. Lievense played an important part in ridding Black Lake of much of its noxious fish through netting and the proceeds were the "golden nuggets" that built our present fish pond. Pete and George Bender cleaned them out so well that the streak of "pay dirt" is gone.

Last year Sheriff Steketee named Mr. Lievense as special officer at Lakewood Farm and Mr. Getz was greatly pleased with his work. Before entering the official game Peter sold automobiles for a living.

He has a family of six including Mrs. and five children. Peter was born on July 18, 1886.

Chief-elect Lievense has announced that he plans no radical shifts within his force.

BERLIN FAIR WILL BE HELD NEXT WEEK

The 76th Berlin Fair will be held at Marne, Michigan, this month. Since Holland and Grand Rapids have decided to discontinue their fairs this year it is probable that the Berlin fair will see a record attendance this season. The program committee has booked several entertainments and for those interested in baseball promises to feature teams from Comstock Park, Nunica, Allendale, Coopersville and Marne. The dates of the fair are September 22, 23, 24 and 25.

POPULAR ZEELAND GIRL DIES SUDDENLY—BROTHER AND SISTER LIVE HERE

Miss Marian Meyard, aged 19, popular among Zeeland's younger set, died at Huizinga Memorial Hospital at Zeeland from pneumonia. She had been employed at the Zeeland Record Publishing Company for some time.

Miss Meyard had been ill since Sunday, September 6, due to septic fever, and her condition became alarming two days later when she was removed to the hospital. Although at times she seemed somewhat improved she grew gradually worse until she finally passed away. The funeral services will be held this Friday afternoon, private, at 1:30 at the home, 184 East Washington St., Zeeland, and at 2 o'clock at the North St. Church, Rev. H. E. Oostendorp officiating. Burial will take place in Zeeland cemetery.

She is survived by her parents, Mr. and Mrs. Dick Meyard, two brothers, John Meyard of Holland and Donald Meyard of Zeeland, and one sister, Mrs. Henry Kuylers, of Holland.

WILL SOON HOLD MEETING TO DECIDE ON RECEIVING OF BANK ROBBERY REWARD

Henry Winter, president of the Peoples State Bank and president of the Bankers' Association of group number 4, announces that he had written James J. Stuart of Grand Rapids, secretary, relative to the calling of an executive committee meeting to consider who will receive the reward of the Hudsonville bank robbery. C. Vander Meulen, cashier of the First State bank, is a member of the committee.

ONE DAUGHTER OF NIP-PON LAND AT HOPE

Hope college students come from all parts of the globe. There have been students from China, Japan, Arabia, Armenia and from other places in the Orient, but today Hope can boast of a Shiek from Arabia and a pretty kimono decked lassie from Japan. Last year Hope had five students from Mesopotamia. This year two more have been added.

Coming back to the Japanese girl, her name is Miss Ikuyo Tasse and she is the daughter of a wealthy silk manufacturer at Yokohama, Japan.

The young Shiek from the Arabian deserts goes by the voluminous name of Mansoor-Shiek-Kha-zaal. This young Shiek's father is the head of several desert tribes who have been very friendly with American missionaries and especially those of the Reformed church. Yes, Hope College is becoming quite a cosmopolitan school, judging from its student body. As far as America is concerned students come from more than half of the states in the union.

Local Legion Band is to go to Detroit

AL JOLDERSMA IS HOLLAND'S LEGION DELEGATE TO THE NATIONAL CONVENTION

Al Joldersma will go to Detroit early Saturday to attend the National American Legion convention. In all probability the local band will also take a part in the parade. The list is being circulated and has been liberally signed to defray the expense of sending the Legion Band to the "automobile city." The band has attended many Legion conventions before and has brought home several prizes. The most notable trip was through the "Southland" to New Orleans. It is expected that 100,000 Legionnaires will be at Detroit.

The big parade will be on Tuesday of next week. As the news goes to press it is stated that just about enough money has been secured to send the band, and at a meeting tonight it was definitely decided that the local organization will go and when they do the band boys, forty of them, will leave early Monday morning with a chartered Greyhound, returning late Wednesday night.

The Holland Furnace Co. has aided the band by giving them a headquarters at a branch office, 5760 Twelfth Street, Detroit.

A large delegation from Holland will accompany the band and take part in American Legion activities at Detroit.

At last night's meeting it was definitely decided that the Holland band would go to Detroit and besides the following delegation from Holland have registered to go to the National Legion Convention next week and will leave with the band Monday.

The names follow: Al Joldersma, George Manting, Louis B. Dalman, Henry Cook, Henry Geddes, Fred Meppelink, Anthony Dogger, Herman Van Ark, John DeVries, Al Van Lente, Chester Van Tongeren, Earnest Bedell, Marinus De Fouw, Charles Voss, Sam Althuis, Shud Althuis, Jack Bultman, John Althuis and John Reimink.

SPRUIT KILLS DOGS WITH BOTH ENDS OF GUN

Two dogs, which had been caught stealing chickens at the residence of Henry Van Ark, 751 Central Avenue, were killed Thursday morning on their third visit to the place. Patrolman James Spruit was called to the Van Ark residence to shoot the dogs. The officer entered the coop and fired at one of the canines at which the other dog, a large one, leaped at the patrolman.

Spruit was unable to fire again because of close quarters but killed the animal with the butt of the gun.

INJURED BOY GETS \$30 FROM BENEFIT GAME

The baseball game played at Zeeland as a benefit for Geo. Kleis, a lad who lost his arm in an auto accident, resulted in a purse of \$30.00. Because of the rain, the attendance was small, but the gifts were liberal. The teams playing were the Reformed church team and Ver Hage Hardware, resulting in a victory of 5-4 in favor of the Reformers of Zeeland.

SIXTEEN NEW STUDENTS ENROLL WITH OPENING OF WESTERN THEOLOGICAL SEMINARY

Sixteen new students were enrolled in the junior class in Western Theological seminary Wednesday. Indications are that the total enrollment will approximate forty, the same number as last year. Most of the new students are graduates of Hope and Central Colleges, and one is from the University of DuBuque.

Western seminary formally opened Thursday morning with an address by Rev. S. C. Nettinga, president. The only new member on the faculty is Rev. Winfield Burggraaf, who will take the chair of systematic theology.

The committee on reception and examination of new students consists of President Wynand Wichers of Hope College, Rev. Richard Vandenberg of Zeeland, Elder C. Dosker of Grand Rapids and the seminary faculty.

Mr. and Mrs. Cyrus VandeLuyt motored to Muskegon Wednesday evening.

Mayor Suggests Plans For Extra Winter Work

IN MESSAGE HE MAKES SEVERAL SUGGESTIONS TO TAKE CARE OF THE UNEMPLOYED

Wednesday night was a very important council night. The matter of Sunday theatres was amicably settled as will be seen elsewhere in this issue.

It will also be noticed in the official council that Mayor Brooks has issued a message suggesting ways and means to in a measure take care of the unemployed this winter. In some of these suggestions the local cemeteries and the fairgrounds also enters. Captain Austin Harrington also gave a report of his visit to Cleveland, Ohio on harbor business, he being a member of the Harbor Committee.

Alderman Wm. C. vandenbergh brought up the matter of new industries for Holland, while Charles Grose, secretary of the Holland Chamber of Commerce who was present at the meeting mentioned some that could be brought here by paying moving expenses.

These and a great many more items will be found fully given in the official council found below and compiled by City Clerk Peterson.

Holland, Mich., Sept. 16, 1931.

The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Brooks, Ald. Prins, Kleis, Wolman, Brieve, Vandenberg, Hyma, Steffens, Huyser, Thomson, Veltman, and the clerk.

Minutes considered read and are approved.

Devotions were led by Rev. Albertus Pieters.

Petitions and Accounts

Clerk presented communication from Ald. Jonkman thanking the council for flowers sent during his recent illness.

Accepted and filed.

Clerk presented petitions from Mike and Mary Vodka, 20 N. River Avenue, and Chas. and Fanny Bennett, 22 N. River Ave., to come under the C. S. C.

Grant to Vodka, and Bennett's referred to Sewer Committee.

Clerk presented Operating report of the Holland Gas Co. for July, 1931.

Accepted and referred to B. F. W. On motion of Ald. Kleis.

The B. F. W. was requested to have gas tested so as to determine the quality that is being furnished.

The following petitions and communications in opposition to the opening of the theatres on Sunday were presented:

Federation of Ladies Adult Bible Classes.

Ex. Com. of the Consistorial Union of the Ref. Churches.

Maple Ave. Christian Reformed Church.

Men's Adult Bible Class of First Reformed Church.

THEATRE HEADS HEED IN-JUNCTION ASKED FOR BY MAYOR BROOKS

No Shows Are Booked By Manager Carley for Next Sunday

As was stated in the Holland City News last week the Butterfield Theatre corporation, having large theatre interests throughout the state and recently acquired the three local theatres, had planned to make this a "seven day" instead of a "six day" theatre town. Matinee and night shows were advertised for last Sunday but the contemplated move brought a storm of protest from the local ministers and at a meeting a move was made to prevent the opening of movies through legal means. As was stated in the News, minister committees were appointed and Mayor Brooks was appealed to and with the assistance of City Attorney Charles H. Mc Bride, an injunction was asked for and granted by Circuit Judge Fred T. Miles and was served on Manager Henry Carley Saturday afternoon.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

Mr. and Mrs. Harmanus Boone were rejoiced because of the arrival of a fine daughter.

While in Zeeland recently we notice that Mr. Peter Kleis has opened a branch butcher shop in that village. Note: Mr. Kleis was one of Holland's pioneer meat market men. He was elected alderman repeatedly and was the father of Albert Kleis, the present alderman of the First Ward. We also see now where this "chain store" idea started, for Mr. Kleis had at least two links and possibly more in the sausage box.

An explosion in the gas-house of the Cutler House at Grand Haven tore the building to atoms and possibly fatally injured Charles Cutler, brother to the wealthy lumberman Dwight Cutler. Note: The hotel was the leading one in Western Michigan and was burned several years later and a new Cutler House not nearly as fine was built on the site.

Capt. Frank Brouwer of the tug Twilight has completed arrangements to have a steam yacht built to run on Black Lake between Holland and "the mouth." The craft is 60 ft. keel, 14 ft. beam, and 6 ft. depth. Note: It was one of the first resort pleasure crafts to really go into the business of pleasure riding by water on this bay.

TWENTY-FIVE YEARS AGO TODAY

Peter Timmer has sold his 10c delivery to Isaac Verschuere.

Henry S. Bosch and his force of men left Tuesday for Grand Haven where he will build the cement coal bins for the Sheriff's residence.

Register of Deeds, John J. Rutgers, has purchased the restaurant business of Paul Steketee and has taken possession. As soon as his term of office expires he will move back to Holland and take personal charge. Note: The restaurant was located a few doors east of the present Chamber of Commerce building.

Born to Mr. and Mrs. Frank Van Etta Monday—a daughter.

Nick Kamersaad expects to move into his new shoe store, corner 16th street and Central avenue this week. The store he vacated will be occupied by John Weering, dealer in real estate.

**Grand Haven High
School Attendance
Doubled in 11 Years**

Statistics compounded at Grand Haven High School show that the attendance at the institution has more than doubled during the past 11 years. In 1920, 309 students attended classes while Principal G. H. Olsen of the high school reports an attendance of 631 in the high school at present. Each year the attendance has shown an increase except in 1924 and 1929.

Thirty of 88 students who graduated from the local high school last June have entered colleges and other institutions. Muskegon Junior College claims the largest group to go to one school, nine having left for that place. Five have entered Western State Teachers College; four entered Calvin College; one to both Alma College and University of Michigan nurses' training school and two each to Michigan State Normal, Hope College, University of Wisconsin, University of Michigan and Hackley Hospital training school.

High School enrollment for the months ending Sept. 30 for the following years:

1920	309
1921	360
1922	365
1923	384
1924	360
1925	411
1926	442
1927	457
1928	525
1929	506
1930	559

35,000 ON GRAND HAVEN PLAYGROUNDS

All previous attendance marks at Grand Haven city playgrounds were shattered during the past summer, according to the annual report presented to the city council by Playground Director Richard Spiess recently. The total attendance this year was 35,283, or nearly 1,000 more than the number which visited the parks in 1930.

JURY DISAGREE IN PETER BRAAMSE CASE

The case of the People vs. Peter Braamse, charged with driving while intoxicated on M-21 near Zeeland on July 23, 1931, was finished Tuesday. The witnesses were heard and the prosecutor and defense counsel made their pleas to the jury just prior to noon Tuesday.

Witnesses for the state claimed that Braamse was driving on M-21 west toward Zeeland on July 23 and that he was driving from one side of the road to the other. Among the witnesses was Chief of Police Ed Ryngaert of Zeeland.

The jury, after remaining in dead lock for more than three hours, told Judge Miles they could not agree and he dismissed them. It is up to Prosecutor Dethmers to retry the case if he sees fit. Attorney Carl Hoffman appeared for Braamse.

FIFTEEN YEARS AGO TODAY

Two well known Holland boys, Dan Krundenier, eldest son of Holland's missionaries in Egypt, and Henry Boeve, son of Mr. and Mrs. G. H. Boeve, living southeast of this city, joined the Canadian army and are to be sent to England to take a part in the World War. They will be in the big British drive to be started against the German lines in France. Their present camp is at Quebec where 30,000 men are in training. Note: It appears that these boys were anxious to do "their bit" for this was a year before the United States entered the conflict.

Geo. Getz contributed liberally to the Holland Fair, showing all his animals and flowers. The proceeds from the Getz building went entirely to the Fair Association, while Mr. Getz paid for the bringing of the exhibition. Surely a liberal gift to an association needing the money.

The Pere Marquette railroad has started the building of a new bridge over Rabbit River at Hamilton. The structure will be 400 feet long and will cost \$8,500.00. Adam McNabb of Holland will build it.

Otto P. Kramer, cashier of the Holland City State Bank, was elected a member of the executive committee of group four of the Michigan Bankers' Association at the state convention held at Muskegon.

Contractor Frank Dyke and Letter Carrier Jacob Geerlings each had a birthday anniversary Sunday. They were born in Holland on the same day, in the same year, were seatmates at school and have lived here for 46 years. The men exchange congratulations annually. Note: Little change in situation. **Fiery Ball, Falling
Into Lake, Excites
People On Lake Shore**

A peculiar phenomenon was noticed in the western horizon on Thursday night by Grand Haven people, which is believed to have been neither a meteor nor a falling star. Miss Edith Johnston and Miss Julia Schaafsma, "Briars," several miles down the beach, distinctly saw the ball of light about two feet in diameter, which fell between two clouds, sending a peculiar light over the horizon.

Hope College Starts With Big Freshman Class

DR. POTTER SAYS EDUCATED MEN ARE THOSE WHO HAVE JOBS TODAY

The sixty-ninth annual convocation of Hope College took place on Wednesday morning at nine o'clock in the Dimment Memorial Chapel with a large crowd of students and townspeople attending to hear the address given by Dr. F. M. Potter, treasurer and associate secretary of the Board of Foreign Missions of the Reformed Church of America. Dr. Potter received the degree of L.H.D. from Hope College in 1927.

The college enrollment will top 500 students this year, according to the registrar's office. Exactly 148 freshmen are enrolled with more to follow. Students have come to Holland from every part of the country and several foreign nations. The new people were warmly welcomed by the new college president, Dr. Wynand Wichers, who assured the freshmen that he, too, was in a "first year."

Prayer and scripture were offered by Dr. S. Nettinga, president of the Western Theological Seminary. He read from Proverbs 8 for the morning's scripture.

Dr. Potter discussed in his address the topic of "The College Man."

"Real scholarship is the soundest basis for life," he said, explaining to the freshmen that studies are not to be taken as mere steps to graduation, but as the purpose of their coming here. "The so-called 'too studious' student is the type of men that invariably gains fame and success in his line," asserted the speaker. "The current depression is proof of this, for the man who is master of his job is still employed, while the uncertain mind is out of work."

The main message of Dr. Potter emphasized the desirability of a college education with its attendant culture, tolerance and an eventual "international mindedness" which he declared to be the hope of the world in its effort to end wars.

"No college course is successful that does not engender within the student a burning desire to pursue further, alone, the field under discussion. That is the only way true culture and knowledge are attained, for most of us can gorge facts and tumble them out during a recitation period, only to forget them immediately. Desire for culture stays with us when our appetite has been skillfully awakened."

Dr. Potter spoke briefly in defense of the classical type of curriculum, such as liberal arts colleges offer. "The apostles of the newer education will have to look more to the old things of the past if they are to succeed in their imparting of knowledge to present generations. A study of foreign languages and classical subjects imparts a tolerance and understanding to the student."

"The college man is not always easily led astray by the clever claptrap phrases of political demagogues," said Dr. Potter. "The mob cannot see through the trickery of leaders, while a trained mind weighs and balances."

"A true culture does not always blind itself to the new, and constantly repeat the old. We must be awake to the findings of younger men who rise to suggest new practices. We must learn to hear the other man's opinion, and to be critical of ourselves."

The chapel choir under Prof. W. Curtis Snow sang a response and a selection, "Sing to the Lord," by Ledoux-Dickson, with Jennette Hornman of Holland singing the solo part, accompanied by Ethel Leestman of Grand Rapids. Miss Evelyn Beach of Holland played a trumpet solo, "Du bist die Ruh" by Schubert, accompanied by Prof. Snow. The Misses Cornelia and Margaret Stryker of Muskegon played a violin and piano number, "Legende" by Bohm. The convocation service opened with the singing of the traditional first-of-the-year number, "Come Thou Almighty King," and closed with "Faith of Our Fathers."

Wednesday afternoon a tea for the new girls was held at Voorhees Hall at three o'clock. Thursday and Friday mornings the freshmen met in the chapel for orientation lectures and placement exams.

New faculty members introduced were: Prof. Tennis Vergee, Ph. D., of the University of Michigan, who will assist Prof. Oscar E. Thompson in the biology department; Miss Shirley Payne, A. M., of the University of Michigan, who will be in the English department; Milton Hinga, A. M., of Columbia University, who will teach freshman history and coach football and basketball; and Dr. E. D. Dimment, former president, who will head the department of business administration.

The new president, Dr. Wynand Wichers, will be inaugurated on Thursday evening, October 12, at ceremonies at Memorial chapel.

MAN FALLS, NOW IN HOLLAND HOSPITAL

Clyde Repp, of Fennville, age 30, is reported in serious condition at Holland hospital as the result of a fall while at work in the cider mill Tuesday. He dropped a distance of about twelve feet, striking on his back on the cement floor. He was taken to the hospital, where it was found he had been badly hurt internally, making an operation necessary.

A cent dated 1835 was found while tearing down a house in Ganges township owned by Mrs. Lucy Kigebury, and which was built by the Civil War.

Glenn H. Olsen, principal and G. V. Cohrs, athletic director, attended the Southwestern Conference meeting at Holland last evening as official representatives for Grand Haven High School.—Grand Haven Tribune.

HOLLAND AMERICAN LEGION TO DO WELFARE WORK

At the annual meeting of the Willard G. Leenhouts Post, American Legion, the local post went on record first that it would back up all the Community Chest committee in all its efforts to bring relief to the needy.

Second, that like last year, they would put on a welfare drive of their own, collect clothing and shoes and other wearing apparel, secure a vacant building, have the donations thoroughly fumigated and distribute it to the needy. The Legion states that it will have better regulation than last year, cooperating with the City Poor department and its officials as well as with Miss Nellie Churchford who are acquainted with the deserving needy.

The Legion Ladies Auxiliary will also help making a vegetable and canned fruit drive for this purpose.

The dates for these drives when arranged will be fully published in this paper and the News will give every assistance to make these drives a success.

The committee in charge of this work is Henry Geerts, John Roseboom, Shud Althuis, Jack Knoll, and Bernard Kammeraad.

SWEDISH SHIP TO LAND CARGO IN GRAND HAVEN

The latter part of November a steamship coming direct from Sweden via the Welland canal, will dock at Grand Haven to discharge a cargo of 2,000 tons of pulpwood. This amount might possibly be doubled if an outlet can be found for it. The pulpwood in question, coming from Scandinavian forests, is destined for a Grand Rapids firm although John Vyn, manager of the Vyn company who will do the hauling, has not disclosed the name of the consignee. Deliveries will be made monthly from December to May, 1932, when another shipload of pulpwood will be due. Unloading will take place at N. Robbins dock.

**NARROW ROADS
DANGEROUS**

Communities should pay more
attention to the width of their new
roads.

It is generally conceded that
building one-lane highways men-
aces the safety of those who travel
and constitutes economic waste.
Two "half highways" built at dif-
ferent times cost a good deal more
than a "whole highway" built at
one time.

Nowadays modern low-cost,
waterproof, bituminous surfaces,
laid over local materials, can be se-
cured for a nominal figure to serve
rural districts with year-round sec-
ondary roads. Such roads pay for
themselves again and again in a
multitude of ways — in allowing
farmers to go to market at favor-
able times, in giving farm children
better opportunities to attend dis-
trict schools, in limiting the hazard
of fire in isolated homes. And while
we are building them, we should
build for the traffic of the future
that will demand twenty-foot sur-
faces if the maximum of efficiency
and safety is to be achieved.

**ONE OF THE CHEAPEST
AND BEST FOODS**

Campaigns to encourage the con-
sumption of milk will, of course,
benefit the dairy farmers of the na-
tion — but a far greater bene-
fit will come to the public as a
whole, and particularly to growing
children.

The value of milk as food can
hardly be over-estimated. It has no
effective substitute. It contains ele-
ments vital to sustain and nourish
the system and provides them in
easily assimilated form. Dr. Percy
Hove, lecturer of Harvard Medical
and Dental School, says a quart of
milk a day will help prevent decay
of teeth by furnishing necessary
lime.

It may be said that the nation
has never had a better or safer
milk supply than at present. In
most states rigid codes of stand-
ards are in force, and organizations
among dairymen themselves are
working in the interests of safe
and wholesome milk. It is one of
the cheapest foods — and likewise
one of the most necessary.

E. E. Fell, superintendent of the
Holland public schools, has received
an invitation to attend the conven-
tion of the Michigan conference of
city school superintendents, to be
held September 25 and 26 at the
Park Place hotel in Traverse City.
The principal topic of discussion
will be economies in school finance.

trary to the state law and contrary
to the spirit of the people of Hol-
land.

"It would tend to disturb the cus-
tomary quiet and orderly observ-
ance of the Sabbath as it now ob-
served in Holland."

"It would tend to take away from
the city its cherished reputation of
being lawabiding and religiously
inclined."

"It would tend to create a spirit
of dissatisfaction with the orderly
way in which Holland has been op-
erated since its founding."

"It is contrary to the distinct re-
ligious beliefs of a denomination
having at least six churches with a
large membership in our city, not
to omit the opposition of all of our
churches."

"It is contrary to the distinctly
expressed wishes of a large number
of our civic, educational and reli-
gious believers of this community
of various denominations."

"It is contrary to the expressed
wishes of each individual member
of our common council and of a
large number of others who have
been placed in positions of author-
ity by the voters of Holland."

The Holland Police Board just
before Saturday held a special
meeting to make preparations to
take the necessary legal step to
prevent the opening, governed of
course by the state law, but their
services were not necessary since
the injunction was heeded by a pro-
test. It was the sense of the Police
Board that the theatres should not
be open on Sunday since such a
move was diametrically counter to
public opinion in Holland which
they felt was overwhelmingly
against Sunday opening and as
some of the members stated it was
contrary to the traditions of our
forefathers who settled this com-
munity and nurtured it on reli-
gious principles.

Dr. Albertus Pieters, of the Wes-
tern Theological Seminary, who is
chairman of the Holland Ministers
Committee, stated at some length
that the announcement of the open-
ing of the theatres on Sunday was a
declaration of war upon the Chris-
tian forces of Holland. He praised
Mayor Brooks, City Attorney Mc
Bride and the police board for their
prompt action and stated that the
basis of the demand for Sunday
closing lies in the religious faith of
a vast majority of Holland citizens
and points out that members of
twenty Protestant churches look up-
on the Bible as the Word of God
where it is plainly stated that man
should not toil without intermis-
sion but should have one day each
week for rest and worship.

Mr. Pieters stated further that
the opening of the movie picture
theatre on Sunday was against the
moral and religious convictions of
a large majority of the citizens of
Holland. He stated that Sunday
opening would mean the employ-
ment of considerable labor com-
pelled to work on that day and
who have a right to their rest on
the Sabbath; Sunday movies, too,
he said, would hinder right think-
ing parents who believe in the Bible
in bringing up their children hav-
ing a tendency to break down parental
authority. He stated that it would
handicap church work and Sunday
was a day set aside for the church,
and a day when the greatest good
is done for religious uplift and
nothing should hinder or handicap
the progress of this work.

Mr. Pieters felt that Hope Col-
lege would be injured should the
open Sunday theatre prevail for like
the parents, it would have a ten-
dency to break down the discipline
in the schools and what is more,
the majority of the students from
abroad are sent here by their par-
ents feeling that Sunday is being
religiously observed, that their
children are constantly under reli-
gious influences and environ-
ment in which they hope their chil-
dren will constantly be in touch
with.

The committees in charge of the
movement against the opening of
Sunday theatres are the following:
Dr. Albertus Pieters, Seminary
chairman; Dr. Wynand Wichers,
president of Hope College; Rev. H.
D. TerKeurst, pastor of Trinity
Reformed church; Rev. Lambertus
Veltkamp, pastor of Central Avenue
Christian Reformed church; Rev.
Lambertus Van Laar, pastor of
Prospect Park Christian Reformed
church; Rev. C. W. Meredith, pas-
tor of the Wesleyan Methodist
church; and Rev. John Lanting,
pastor of the Immanuel church.

The initial meeting was called by
Rev. TerKeurst, Rev. Van Laar and
Dr. Pieters.

**TWO DOCTORS ARE
WED IN FILLMORE—ONE
GRADUATE OF HOPE**

Rather an interesting marriage
took place in Overisel Saturday
when Dr. Gladys J. Kleinschmidt,
daughter of Mr. and Mrs. D. Klein-
schmidt, became the bride of
Dr. Earl E. Kleinschmidt, son
of Mr. and Mrs. Edwin Klein-
schmidt of Ann Arbor. The mar-
riage was performed by Rev. Wm.
Pyle of Overisel Reformed church
at the home of the bride's parents.

The couple were attended by
Miss Cordelia Kleinschmidt, sister
of the bride, and Jerrold Kleinsch-
midt, a brother of the bride, was
groomsman. The wedding march
from Lohengrin was played by Miss
Dorothy Schipper, a cousin of the
bride.

Mrs. Kleinschmidt is well known
in Holland, having been a student
here for a number of years and
graduated from Hope College. She
is also a graduate of the Univer-
sity of Michigan Medical School
and is affiliated with the Alpha Ep-
silon Iota medical sorority. At
present she is an interne in the De-
partment of Pediatrics in the Univer-
sity Hospital in Ann Arbor.
Dr. Kleinschmidt received his B.
S. and M. S. degree at the Univer-
sity of Michigan and is a graduate
of the University of Michigan Med-
ical School. He is affiliated with
the Kappa Delta Rho fraternity and
is now a resident physician in the
Department of Internal medicine in
the University Hospital at Ann Ar-
bor. They have left for a short
honeymoon trip and after October
1st, Dr. and Mrs. Kleinschmidt will
be at home at 119 W. Thayer street,
in Ann Arbor.
The meeting of the two doctors
at Ann Arbor as students budded
into a romance that culminated in
their marriage last Saturday.

**STOCK, BARN BURNED IN
FIRE NEAR ALLENDALE**

Fire destroyed two barns near
Allendale yesterday on the farm
belonging to H. H. Stevens. Three
head of cattle and two horses were
lost in the flames. Some farm ma-
chinery was also destroyed.

The fire was discovered in the
morning, soon after milking time.
Efforts to save the stock were in
vain. It is understood that the
loss was partially covered by in-
surance, but the extent of the loss
to the owner had not been deter-
mined.

**LAST RITES FOR MRS. VAN
DUREN HELD SATURDAY**

Mrs. Emma Van Duren, 46 years
old, wife of Alfred VanDuren,
died last week Thursday at Hol-
land hospital after an illness of
more than two years.

Mrs. Van Duren was active in
church and social work in this city.
She was a matron of Holland chap-
ter (No. 429, Order of Eastern Star.
Although born in Belvidere, Mich-
igan, Mrs. Van Duren has spent
most of her life in Holland.

Mrs. Van Duren is survived by
her husband and one brother, Guy
L. Bennett of Boston, Mass.

Funeral services were held Sat-
urday afternoon at Nibbelink-No-
tier Mortuary Chapel. Dr. Thom-
as W. Davidson, pastor of Hope
Church of which Mrs. Van Duren
was a member officiated. Burial
took place in Pilgrim Home cem-
tery.

**FUNERAL SERVICES FOR MRS.
VAN VOORST HELD TUESDAY**

Mrs. Elizabeth Van Voorst, aged
53 years, died Friday evening at
her home at 271 East Sixteenth St.
following an illness of more than a
year.

Mrs. Van Voorst has been a resi-
dent of Holland for more than 25
years. She was an active church
worker and was a member of Sixth
Reformed church.

Mrs. Van Voorst is survived by
her husband, Fred Van Voorst, and
six children, John Van Voorst of
Holland Route five, Miss Frances
Van Voorst, Miss Rolene Van
Voorst, Miss Cornelia Van Voorst,
Ralph Van Voorst, and Frederick
Van Voorst, Jr., all at home. Three
sisters, Mrs. John R. Van Voorst,
Mrs. Charles York and Mrs. John
Johnson of Holland, one brother,
Martin Van Plank of Zeeland, and
one grandchild also survive.

Funeral services were held Tues-
day afternoon at 1:30 o'clock from
the home and at 2 o'clock from the
Sixth Reformed church, Rev. John
Vanderbeek, pastor of Sixth Re-
formed church, Rev. J. P. DeJonge
and Rev. J. H. Bruggers of Coop-
ersville, officiated. Interment took
place in Holland Township cem-
tery.

ZEELAND

Miss Sarah Dekker of Zeeland
died Sunday morning of apoplexy at
the age of 79 years. Miss Dekker
came to America from the village
of Goes, The Netherlands, together
with the family of her parents, the
late Mr. and Mrs. Cornelius Dekker
and settled in a house on North
State St. just south of the Pere
Marquette Railroad where they
lived for a few months while Mr.
Dekker erected the home and jewel-
ry store on Main street, where the
remaining members of the family
have lived all the years since. Miss
Dekker, who was a member of a
family of seven children, had al-
ways enjoyed good health until the
day she was stricken. Besides the
parents, there were Mattie, Wil-
helmina, Sarah, Dingena, Marinus,
Derk and Johannes, all of whom re-
mained single at the parental home
except the last two named, and all
have passed away except one aged
sister, who is still enjoying good
health in spite of her four score
and six years. The funeral services
were held yesterday at the Lange-
land Funeral Home, the Rev. J. P.

De Jong of Holland officiating. Bur-
ial was made in Zeeland Cemetery.
The surviving are Miss Mattie Dek-
ker, who has attained 86 years, be-
sides ten nieces and nephews, chil-
dren of the late Johannes Dekker of
Grand Rapids and Derk Dekker of
Zeeland. These are J. Dekker, Mrs.
G. Hovard, and Mrs. H. Dine of
Grand Rapids; C. Dekker of Man-
chester, N. H.; Mrs. N. Smith of
Grand Rapids; Mrs. G. TenBroeke,
Borculo; Mrs. J. T. W. Stuart, Ten-
nessee; Miss Mattie Dekker, Holland;
Henry Dekker of Zeeland and Mar-
ion C. Dekker of Grand Rapids.

Rev. John Ossewaarde has re-
turned to his home at Zeeland after
having spent two weeks in Fal-
mouth and Moddersville where he
served the Reformed church the
past two Sundays while their pas-
tor was away on his vacation.

Mr. and Mrs. Peter Ver Burg and
children, Edward and Earl of Grand
Rapids, Mr. and Mrs. C. VanNull of
Holland, were dinner guests, and
Miss Gladys Ensing of Hudson-
ville and Lester Volkens and
Claude Tenckinck of Zeeland city
were supper guests at the home of
Mrs. H. Ensing Sunday.

Mrs. Lawrence LaHuis, who has
been confined to her home on West
Main street, Zeeland, with illness
for several weeks, is improving
slowly.

A large number of Zeeland citi-
zens attended the opening exercises
of Hope College last Wednesday
morning. The new president, Dr.
Wynand Wichers, presided over the
meeting.

Mr. and Mrs. John Johnson and
Mr. and Mrs. James Goosen of Mar-
ion, New Jersey, visited here at the
home of Rev. and Mrs. J. Osse-
waarde. Rev. Ossewaarde was pas-
tor of the Second Reformed church
of Marion for six years.

James Schuitema, after being de-
tained by Officer Bosma last Satur-
day evening on a charge of a traf-
fic violation, proceeded to engage
the officer with abusive language.
He was promptly taken before Jus-
tice Henry Huxtable on a disorderly
conduct count. Found guilty of the
charge, he was assessed a fine and
costs of \$21.75.

Born to Mr. and Mrs. Andy Lok-
ers, at the Zeeland hospital, on
Wednesday, Sept. 9, a daughter,
Lorraine Fay; to Mr. and Mrs. Earl
Bement, Rusak, a son; to Mr. and
Mrs. Martin Glas, Blendon, a son.
A public sale of household goods
will be held at the home of G. W. H.
Meens, 10 Lincoln St., Zeeland, on
Saturday, September 26, at 1:00
o'clock P. M. sharp.

Mr. and Mrs. Lambert Brower,
in company with their son, Harry
Brower, Zeeland, and Miss Frens of
Holland, Michigan, left this week
for Chicago, Illinois, where they
will spend a few days.

Misses Arlos Van Peursem and
Lois DePree have returned home
from Harbor Point, where they
have been spending the summer
months. They have resumed their
studies at Hope College.

Rev. and Mrs. John J. Burggraaf
of Lodi, New Jersey, and their son,
Nicholas, and Mrs. B. O. Muffet of
Binghamton, New York, were vis-
itors here with Mr. and Mrs. John H.
Boesch on E. Central Avenue, Ze-
land.

Mr. and Mrs. James Kossen, who
recently purchased the residence of
Miss Anna Huizenga, Zeeland, this
week moved into their new home
from the residence of R. Timmer-
man on Wall street, and Mr. R.
Muller has moved his family from
the Pieper residence into the house
vacated by the Kossens.

Mr. and Mrs. Gradus Schroten-
boer moved their family, Wednes-
day, from the residence of Mrs. A.
Moes on Michigan Street, Zeeland,
into the second floor rooms of the
residence of Henry Baron on South
State street. Mrs. A. Moes will
again occupy her own residence.

Nellie Tanis of Zeeland is filling
the position as instructor in the
high school at Manistique, Mich.

Miss Louise Weersing of Lan-
caster, California, who has been
visiting with the families of Rich-
ard Nies and Martin Weersing in
Zeeland for several days, is now vi-
siting relatives in Grand Rapids.

Next Sunday evening, Rev. G. D.
Van Peursem, missionary from
Arabia, will preach at the First Re-
formed Church. At the morning
service, Rev. J. Van Peursem will
consider the theme: "Harvest
Time."

Miss Jean Van Hoven, who has
been spending the summer season
at Charlevoix has returned home
here last Thursday and will take
a course in nurse training at the Un-
iversity of Michigan hospital.

Mrs. Wm. Borst was most pleas-
antly surprised on last Thursday
evening when her Sunday-school
class of young ladies carried her off
to Tennessee Beach for a beach
party, when a delicious pot-luck
supper was served in the B. Moeke
cottage. The young ladies compris-
ing the party were the Misses El-
enor Faber, Ruth Goosen, Julia
Den Herder, Eileen Bridges, Estella

Karsten, Helen Van Eenennaam, El-
len Cook, Helen Clark, Ruth Van
Dyke and Mrs. Jay VanDorpel, all
of Zeeland, and Mrs. P. Sinks of
Holland. A very enjoyable time was
spent by all those present.

Four Zeeland girls have gone in
training in Gr. Rapids hospitals:
they are Helen Lage and Edna Os-
sewaarde have begun their work in
Butterworth; Joanna DeVries and
Grace Bouwens are registered at
Blodgett.

Alice Katta and Bernice Daniel-
son, Zeeland graduates, are going
to study at Western State Teach-
ers' College in Kalamazoo. The fol-
lowing graduates have gone to a
Grand Rapids Business college:
Genevieve Bouwens, Caroline Hen-
dricks, James Johnson, Alyda Kap-
er and Helen Ossewaarde.

Gordon Elkinga of Rockford was
sentenced to serve 25 days in the
county jail by Justice H. Huxtable
of Zeeland, for failure to appear in
justice court on a charge of speed-
ing. Elkinga was arrested May 14.
His license was suspended by the
secretary of state but the Rock-
ford man failed to appear after re-
peated warnings. He was appre-
hended at Rockford. Elkinga was
given the privilege of paying a fine
of \$31 or spending his time in jail.
He chose the latter. Henry Block
of Grand Rapids also failed to ap-
pear on the original summons and
the officers returned him from
Grand Rapids to Justice H. Hux-
table's court where he was fined
\$23.25 for failing to appear. Block
also was arrested for speeding.

Zeeland officers are trying to give
all the persons arrested for speed-
ing a fair deal. They are arraigned
before Justice Huxtable, who will
grant time for payment if the per-
son appears and does not have the
money. But those who fail to an-
swer summons will be dealt with
very harshly in the justice courts.

Dick Vander Creek, aged 24, one
of the five persons injured Labor
day afternoon when the car of
Ernest Overzet crashed at Shoem-
akers corner, died at the home of
H. Van Dam of Forest Grove on
Thursday afternoon. The accident
which occurred about eight miles
east of Zeeland on the intersection
of the Zeeland and Hudsonville
roads, placed five under the care
of doctors. Ernest Mengerink, 20,
R. F. D. No. 10, Grand Rapids, with
cuts about the face, head acera-
tions, chest injuries and body
bruises is reported as resting easily.
Mengerink was driving a lighter
car than the one driven by Overzet
in which VanderCreek was riding.
Ernest's mother, Mrs. Henry Men-
gerink, who was cut about the head
is recovering, and Miss Kath-
erine Warners, R. F. D. No. 6,
of Grand Rapids, a friend of Menger-
ink, who was cut about the body and
who suffered chest injuries, also is
reported as improving. Overzet
escaped the crash with a few min-
or bruises. VanderCreek was em-
ployed by H. Van Dam as a farm
laborer. He is survived by his parents,
brothers and three sisters. Funeral
services were held at the home of
Van Dam Friday and the body was
sent to McBain for services and

burial.
Corner Gilbert Vande Water and
Prosecuting Attorney John R.
Dethmers Friday afternoon deemed

unnecessary an inquest into the
death of Dick VandeCrik of Forest
Grove, who was fatally injured in
an automobile accident eight miles

east of Zeeland Monday afternoon.
Witnesses were examined by the
officials, but no blame was placed
for the accident.

To The Teachers:

This bank is genuinely glad to extend a
beginning-of-the-school-year welcome to
the teachers, old and new, of all the
schools of Holland and vicinity, who are
to carry on their vitally important work
in this locality during the coming fall,
winter and spring.

We likewise extend a hearty welcome to
the faculty members of our local colleges
who will play an important part in de-
veloping higher education here.

Many of these instructors have been
customers of this bank in other years—
and we cordially invite the others to
make this their banking headquarters as
well.

COURT ORDER DISMISSED AGAINST HOLLAND CELERY PLANTER FIRM

Circuit Judge Glenn E. Warner of Paw Paw, has ordered dismissal of a bill of complaint brought by the Hamilton Manufacturing Co. against the Holland Celery Planter Co., in which action was sought to enjoin the local concern from manufacturing and selling an automatic steering device for its machines. The case originated before Circuit Judge F. T. Miles of the Ottawa-Allegan circuit court in which Lewis Poll and others were enjoined from making and selling the device.

The state supreme court reversed the decision. Judge Warner rules the court had no jurisdiction covering infringements of patents. The law firm of Diekema, Cross & Ten Cate represented the Holland Celery Company and Attorneys Chaplin and Earl of Kalamazoo represented the Hamilton Manufacturing company.

The matter has been in the courts for the past two years.

THE DEVIL'S DARNING NEEDLES

Dragon fly nymphs are now emerging from their pupa stage and climbing from weed stalks in the creek bottoms. They are not unlike miniature prehistoric monsters, but shortly will develop into full-winged flies commonly called Devil's Darning Needles. They are perfectly harmless and live to a great extent upon mosquitoes. No children, they don't sew up the mouths of bad little boys and girls who tell lies, as some of us were led to believe once upon a time.

BEECHWOOD

The enrollment at Beechwood school for this year has been increased by 14 over last year's enrollment. Raymond Lamb, principal, reports that 181 pupils have already listed, this year while last year the number was 167.

PORT SHELDON

Mrs. Mary Shippeck, aged 79 years, died Friday night at the home of her brother, Abraham Anya, in Port Sheldon, after an extended illness. Mrs. Shippeck, who was born in Paterson, N.J., has been making her home with her brother for twenty years. The deceased is survived by one daughter, Mrs. Nellie Dabe of Tucson, Arizona; one son, Charles Shippeck of Elmhurst, Illinois; and four brothers, William Anya of Pentwater, Charles Anya of Petoskey and Abraham Anya and Martin Anya of Port Sheldon. Funeral services were held Tuesday afternoon at 2 o'clock from the home in Port Sheldon, Dr. J. C. Willis officiating. Burial took place in Park cemetery.

NEW GRONINGEN

Mr. and Mrs. Jake Meuwesen who have resided with their aunt, Mrs. John Derks since early spring have moved back to their home in Zeeland. Mrs. Derks accompanied them and will make her home with them.

Bert Riemersma entertained the Riemersma family at his home on Labor Day afternoon and evening. Relatives came from Coopersville, Caledonia, Berlin, Grand Rapids, Zeeland, Holland, and vicinity.

The families of Ben Johnson and John Deters, accompanied by John Deters, sr., of Zeeland, motored to Lakewood Farm on Labor day, and then went to Tower Park where they enjoyed a basket dinner. After dinner they all motored to Ottawa Beach where pictures were taken and the children enjoyed themselves at the playground there.

The New Groningen school has undergone a thorough cleaning and remodeling. School was started on Tuesday, September 8th with Mr. Kramer, of Holland, teacher of the grammar room and Miss Mary Kosken, teacher of the primary grades.

HAMILTON

Ruth Mudge, Thos Duthmar and L. Bates of Wyoming Park were guests of Mrs. Edna Archambult Sunday.

The annual school trek is again on. Among the teachers who left for their work are: Stanley Bolke, Purdue University, Marvin Folkert and family, Whitehall; Jarvis H. Tanis, Pine Creek, Holland; Genevieve Koiker, Laketown; Edith Weaver, Frankfort, while others are teaching school in this vicinity. A large number of youngsters are attending Holland High, Hope High and Hope College, while the local school have another enrollment of approximately 150. The local teachers this year are Prof. T. Gorder, Grace Brink, Mrs. Harley Schutmaat and Fanny Bultman. Mr. Callahan and family were in Decatur Sunday.

Mr. and Mrs. John Tanis were entertained at the home of Mr. and Mrs. C. A. Lucasee at Fennville on Sunday evening.

Mr. and Mrs. Charles Ash and children, Mr. and Mrs. Eed Mason visited the Warren Ash family at Otego Sunday.

Visitors at the home of Mrs. P. H. Fisher last week were Mr. and Mrs. Merrit Palmer of Kalamazoo. Mrs. I. Fisher and daughter Francis of Holland, Wm. Slotman, Sr., Mrs. Wm. Slotman, Jr., returned to their home in Chicago after visiting relatives in Hamilton and Overisel for several days.

Bible Classes will again meet at the First Reformed church. Last year there was an enrollment of 246. Classes meet every Saturday morning from 9 to 12 o'clock.

Andrew G. Slotman, John Joostberns, Dick Smith, Ed Tellman, Sander Wolters, John Poppen and W. B. Monroe accompanied by Prof. J. A. Hanna of Mich. State College were in Chicago last week Friday in the interest of the poultry industry. Every year at this time the poultry men have had trouble as a result of the eggs not standing up so that a large percentage of even the first class eggs were rejected. The men, therefore, went to the Chicago headquarters to investigate the matter and obtain information as to ways to improve the quality of eggs. It is supposed that the cause lies in the feed and care of the hens. If this difficulty can be overcome it will be of great benefit to the folks of this vicinity inasmuch as location and many other conditions are almost ideal for the

poultry raisers. As it is eggs coming from the western coast to Chicago stand up better and obtain a much better price than those shipped in from this state. Manager Lohman expressed himself as greatly pleased with the trip to the city and is confident that it will result in definite improvements.

Mrs. Edna Archambult entertained the Sunday school class from Wyoming Park at home last week Tuesday evening. About 15 ladies were present and the class enjoyed a very pleasant evening. Mrs. Archambult very recently came to Hamilton from the Park and is now taking care of the Central Telephone office.

Miss Nellie Zwemer, missionary from China spoke to the ladies at the American Reformed church last Thursday afternoon. The ladies of the First Reformed church also joined in the meeting. Her address was interesting and inspiring. Eunice Hagelskamp played a piano solo and a duet was sung by Aileen Dangremond and Eunice Hagelskamp. A social hour followed the program. Lunch was served at 4 o'clock.

RICES being equal, sales opportunity being equal, isn't it logical to suppose that the company which builds the most tires does so because it builds the best tires? Well, Goodyear builds the most tires—by millions! It has built the most tires every year for 16 years. No need then to say that it builds the best tires; the public has decided that. Wouldn't this be a good time for you to do a little deciding, too—as, for example, that in future it will pay you to say: "I will buy only THE leading make of tire!"

Hope college students have reopened their homes with the opening of the institution for the new year. Homes located within a block or two of the campus are maintained by four societies—Fraternal, Knickerbocker, Cosmopolitan and Emersonian. Fraternal is the oldest society at Hope. It was founded in 1884 and was transferred in 1893 from Union college to Hope college by the actions of Dr. Philip Phelps, Hope's first president. Sorority, the first girls' society on Hope's campus, was founded in 1905. The society hopes to establish a sorority house in the future. Now there are five organized coed literary societies at Hope. The men have six.

Only the timely arrival and quick action of the ice man, Henry Zwagerman, Monday afternoon saved the life of Bert DeCator, farmer, living on the edge of the village of Hudsonville. Tuesday DeCator was slowly recovering from the effects of carbon monoxide poisoning. Monday DeCator had driven his wife to his daughter's. Returning home, he had driven into the barn, lifted up the floor board and was listening for some engine trouble. It was there Zwagerman found him unconscious. Some time later when the ice man went to investigate a running motor in a closed barn. A physician was called and DeCator revived.

Local Officers Do Quick Work Getting Gunman

A man who has lived and worked in Holland since April turned out to be a Chicago gunman Sunday morning when police officers from Chicago and Holland seized him as a holdup suspect. Jack Lawrence, aged 33, believed to be mixed with others in a murder of an officer in Cicero, Illinois, alighted from the 5:45 train from Chicago, Ill., Sunday morning and was identified by Deputy Sheriff William Van Etta who was waiting for him with his father, Frank Van Etta, Peter Lievens and Detective Sergeant S. S. Ficht of Cicero and Mack Casey of the district attorney's office of Cook County, Ill.

As Lawrence stepped from the train, William Van Etta pointed him out to the other officers present. Seeing the officers advancing, Lawrence made a break for freedom. Frank Van Etta, night sergeant of the Holland force, lunged for the criminal and caught him by his coat tails, swinging him with his coat against a parked taxi cab, causing him to fall to the ground, when Lawrence was overpowered and searched, a .39 revolver slipped from his portfolio during the scuffle and another was taken from him as he reached for it. In his wallet was found \$600.00.

Lawrence was taken to the Holland jail and later transferred to Grand Haven. Detective Fitch grilling him in an attempt to connect him with several serious crimes in Chicago.

Holland officers say that Lawrence and his wife have been living on Lincoln avenue near 28th St. for four months. He conducted a wholesale business in soft drinks, it is stated.

Officer David O'Connor, Deputy Sheriff Rufus Cramer and Sheriff C. Steketee took to the Lawrence home where they found a total of thirty dresses, several bearing Chicago shop tags. These are held at suspected loot from recent holdups. Mrs. Lawrence, who was at the house, was released after questioning. Lawrence is suspected of serving as a "fence" for crooks stealing clothing, besides being a holdup man himself.

Lawrence was held at Grand Haven early this week on a concealed weapon charge. When extradition papers have gone through Illinois and Michigan state offices, Lawrence may be taken to Illinois where his crimes are alleged to have been committed.

The mother of the criminal arrived from her home in Grand Rapids Monday and engaged legal talent for her boy, because, she said, "he is innocent."

Judge Fred T. Miles has extended the time for Lawrence's hearing until the forepart of next week. It appears that Illinois officers are much alive on the job since the Holland police captured their man. Assistant State Attorney of Illinois, Walter Butler and his assistant, Robert Donigan, were in Holland Tuesday. They returned to Illinois with Detectives S. S. Fitch and M. D. Casey of Cicero, who with local police nabbed Lawrence at Holland.

Joseph F. Leydin of the Sinclair Refining company of Chicago accompanied the officials to Holland. The refining company was robbed of \$1,000 in cash and 19 coupon books. Police said when Lawrence was captured at Holland six coupon books were found in a bag he was carrying. Leydin was said to have identified the suspect as the robber.

Thad Taft of the Rose Cloak Co. of Holland has been examining the dresses reported by police to have been discovered in a raid at the residence of Lawrence and his wife on Lincoln and 28th street. During the raid thirty dresses and considerable lingerie were found in the home, police said. The Rose Cloak company was robbed several months ago and 150 dresses were taken, however none of the garments in the Lawrence home belonged to the Rose Cloak lot of stolen property.

Following the arrest Sunday Sheriff Steketee searched the house in Holland in which Lawrence had lived and found \$350 worth of women's wearing apparel. G. W. Greenbaum, Michigan representative of the Terner Stores Co., of New York, arrived here and took the goods to New York.

Lawrence has retained as Attorney Mr. McDonald of Chicago and the man held claims he is not the man wanted.

In addition to the above mentioned communications and petitions, the following men spoke in opposition to Sunday Theatres:—Tyde Warner, president of Men's Fed. of Bible Classes, Rev. Albertus Fietiers of Western Theological Seminary, Rev. Martin of Third Ref. Church.

Mayor Brooks then briefly stated what action had been taken by the city to enjoin them from opening last Sunday and called upon City Atty. McBride for a report.

Mr. McBride stated that it was now definite that there would be no Sunday shows, and informed the council and those present that the attorney for Mr. Butterfield, owner of the playhouses, had been in to see him, and he, (Mr. McBride) was assured that no further attempt would be made by Mr. Butterfield to open the theatres in Holland on Sundays.

On motion of Ald. Kleis, 2nd by Brieve,
The several petitions and communications were filed for future reference.

On motion of Ald. Kleis,
WHEREAS, the prompt action of the Mayor, City Attorney, Board of Police and Fire Comms. prevented the opening of the local theatres on last Sunday, Sept. 13, 1931.

THEREFORE, BE IT RESOLVED, that we wish to commend the aforesaid City officials for their prompt action and efficient method for the results obtained.

Carried unanimously.
Clerk presented communication from Mr. J. J. Riemersma, Principal of the Holland High School, requesting that toilet facilities be installed at Riverview Park for the convenience of their patrons.

Referred to the Recreation Commission and Bldg. Com. with power to act, providing this work can be put in at nominal cost.

Reports of Standing Committees
Committee on Claims and Accounts reported having examined claims in the sum of \$6146.86 and recommended payment thereof. (Said claims on file in the Clerk's office.)

Allowed.
Welfare Committee reported poor orders in the amount of \$756.50 for regular aid and \$334.39 for temporary aid, total of \$1090.89. Accepted and filed.

Committee on Ordinances reported progress on the ordinance regulating the storage of gasoline products.

Reports of Special Committees
Capt. A. Harrington who was appointed a delegate to attend the Convention of the Great Lakes Harbors Ass'n recently held at Cleveland, Ohio, reported having attended this convention which is held annually for the primary purpose of preventing the so-called "Chicago Water Steal." Mr. Harrington further reported that about 100 cities with harbors on the Great Lakes were represented at this convention with a total delegation of approximately 300. Mr. Harrington further reported that in his opinion this association is doing a worthwhile service for the harbors on the Great Lakes and felt that it is for the interest of Holland to be represented at this convention since the needs of the harbor could be discussed with those in authority and much good accomplished. He further recommended that the Common Council go on record requesting the installation of a light on the North Breakwater.

On motion of Ald. Vandenberg. The report was accepted and the recommendation relative to a light on the breakwater adopted.

On motion of Ald. Vandenberg, Capt. Harrington was given a vote of thanks by the council for his efforts and services rendered to the City of Holland as a delegate to this convention.

Messages from the Mayor
Mayor Brooks presented to the members of the Council his views on several projects that might be undertaken during the coming winter to relieve the unemployment situation. Among the projects mentioned by the Mayor was the grading of a road across the swamp from 6th street to M-21, a short distance east of the City Limits. He also mentioned that an immense amount of work might be done in the swamp north of the city. He further reported that a certain amount of preliminary survey work on this swamp project had already been done by one of Mr. Seekley's air pilots. Mr. Brooks stated that it was reported that a complete survey would cost approximately \$3,000 and he did not consider this advisable at this time. He did, report, however, he felt that some work might be done in the swamp area. Another possibility that was mentioned was work at the Pilgrim Home cemetery where several of the gravel walks might be taken out and then filled in with black dirt and seeded as is done in some other cemeteries.

The Mayor also mentioned the fact that sometime ago the proposition to purchase the old Fairgrounds for cemetery purposes was under consideration, and if this matter could be worked out and accomplished at this time, an immense amount of labor could be employed in removing buildings and grading the ground to get them in shape for the laying out of a new cemetery.

The Mayor also mentioned the general improvement of the City as a whole wherever some work of cleaning up and beautifying the city might be accomplished. Also that in his opinion the unemployment situation was in about the same status as last year when about 500 made application for work and this list was cut down to about 300 of those that were most worthy of help. Further, that more people had been in to see him recently relative to getting work than had called relative to closing of Sunday theatres. Further, that he gave this information for the consideration of the council, and if they so desired they could bring the matter up for discussion later in the evening.

Communications from Boards and City Officers
The claims approved by the Library Board in the sum of \$419.87. Park and Cem. Board, \$876.39; Police and Fire Board, \$2723.98. Board of Public Works, \$15,177.34, were ordered certified to the Common Council for payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.
B. P. W. reported the collection of \$9764.84, City Treas., \$2449.32. Accepted and Treasurer charged with amounts.

Clerk presented interest coupons due in the amount of \$90.00. Adopted.

Clerk presented the following communication from the Board of Police and Fire Comms.:—
"We would advise you that at our regular meeting held Monday, September 14, 1931, we appointed the Chief of Police of the City of Holland, pursuant to the second paragraph of Sec. 6, Title 9, of the Charter of the City of Holland, which provides that such appointment shall hold during the pleasure of the Board, and provided further, that such appointment is made subject to the confirmation of your Honorable Body, such appointment, having gone to Officer Peter Lievens."

(Signed)
Board of Police and Fire Commissioners.
By: Wm. Deur, President.

On motion of Ald. Vandenberg, seconded by Kleis,
Ald. Brieve remarked that he felt as though the Police Board was not fair with the Council since no

opportunity was given them to consider their appointee.
Notices and Introduction of Bills.
Ald. Hyma, Chr. of the Ordinance committee, gave notice of the introduction of a new ordinance governing the licensing of theatres and move houses.

Motion and Resolutions
On motion of Ald. Vandenberg, seconded by Ald. Kleis,
Resolved, that in accordance with the recommendations contained in the Mayor's message, a committee be appointed to look into the matter of acquiring the Fairgrounds as this would be the means of employing a considerable amount of labor in getting these grounds in shape for cemetery purposes.

Carried. Mayor delegated the appointment of such committee to Ald. Kleis, Chairman of the Ways and Means committee. The following committee was appointed: Alds. Vandenberg, (Chr.), Huyser and Kleis.

Ald. Vandenberg reported having attended several meetings of the Industrial Committee of the Chamber of Commerce together with the Bonus Committee. He stated that at these meetings the matter of bringing new industries to Holland was gone into at considerable length and it was only for lack of funds that little could be accomplished. It was brought out in the discussion that followed that at the present time there were several good prospects, among them being a motor boat factory, a flat iron factory, a soap factory, a specialty factory, a foundry, Mr. Gross of the Chamber of Commerce, being in the audience mentioned the fact that he considered this soap factory a worthwhile enterprise to bring to Holland and all they required was their moving expense which would amount to approximately \$2,000. The council, however, took the position that they could not divert City funds for such purposes and other means of securing of necessary money must be provided for.

It was mentioned that a bond issue of \$50,000.00 to be used as a Bonus Fund to bring new industries to Holland might be advisable, and.

On motion of Ald. Kleis, 2nd by Prins,
Resolved, that a special committee be appointed to investigate the desirability of such a bond issue, and the matter of calling a special election which would be necessary if they deem public sentiment warrants the calling of such an election. Mayor appointed as such committee: Alds. Veltman, Hyma, and Prins.

On motion of Ald. Kleis, 2nd by Prins,
Resolved, that the Mayor appoint a special committee to be known as the "Unemployment Committee" to handle the matter of furnishing employment to the needy during the winter months.

Carried.
Mayor Brooks appointed as such committee: Alds. Vandenberg, Kleis and Prins, this being the same committee that functioned in this matter during the past winter of 1930-1931.

It was understood that this committee—

Aren't You Paying Too Much?

That old gas stove of yours—antiquated and unsightly as it is—may still operate after a fashion. But can you afford to keep it? Aren't you paying too much in inconvenience, in unnecessary labor, in excessive gas bills, more than you should.

Particularly at this season of the year, with fruits and vegetables at their low prices, you should be doing your winter's canning on a modern range.

Honor Comes to Ottawa County History Man

ASKED TO SECURE WATER TO BE USED IN STEAMSHIP LINER CHRISTENING AND TO PLAN THE CEREMONY

Leo C. Lillie, because of the recognition he has received through his volume, "Historic Grand Haven and Ottawa County," has been requested to secure a container filled with Michigan water, which will be used in the christening of a liner to be launched at Camden, N. J., late this year.

The honor came as the result of a letter sent by the United States Lines of New York to Governor Wilbur M. Brucker, which was referred to the Michigan Historical Commission where G. N. Fuller suggested Mr. Lillie as one particularly qualified to obtain water symbolic of this state.

The United States Lines are building two of the largest commercial vessels ever constructed in this country. As yet these liners are unnamed. They are designed by Americans, American labor is be-

ing employed, and the materials, both raw and fabricated used in their construction come from 43 of the 48 states in the Union.

It is the ship company's desire to christen the ships with water representative of every state in the nation. In connection with the request made of Mr. Lillie is the suggestion that appropriate ceremonies be arranged by him at the time the container is filled. This water will be co-mingled with the water of the other states.

Mr. Lillie is making plans for this ceremony, and may link them with some activity in the local schools which would lend historical importance to the affair of an educational nature. He has not yet decided where the water will be obtained. It was suggested that the water come from within Michigan, but it may be taken from Lake Michigan. Mr. Lillie is considering Grand River and Spring Lake the. In any event the water will be drawn from this locality, where historical associations with navigation have been so clearly brought out in Mr. Lillie's book.

A representative of the State Historical society will probably attend the ceremony, perhaps someone from Grand Rapids.

Mr. Fuller praises Mr. Lillie as a man of historical interest and public spirit, and regards the request of the boat line as one of significance.

PROGRAM IS OUTLINED FOR FALL CONFERENCE OF REFORMED SYNOD

The annual synodical conference of the Reformed churches in the Chicago synod will be held in October. The principal speaker will be Dr. Henry Chapman Swearingen of St. Paul, Minn., former chairman of the Presbyterian assembly.

Other speakers are Rev. Jacob Vandermeulen of Western Theological seminary; Rep. A. D. Dykstra and George Veldman of Grand Rapids; Rev. R. D. Meengs of Detroit; Rev. H. Harneburg of Chicago, James Stegeman of Muskegon, Prof. Paul Wezeman, Rev. Jacob Prins of Grand Rapids, Rev. A. J. Paske of Kalamazoo, Rev. C. P. Dame, Rev. B. DeJonge, J. D. Vander Werp of Muskegon, Rev. E. Hulbrege of Byron Center and J. Ter Hurst of Coopersville.

A Hope college woman's league, made up of wives of the ministers at the synod, will hold an annual business meeting on Oct. 15, in connection with the meeting of the synod.

LINDBERGS REFUSED TO DRINK VODKA

When the Lindbergs appeared at a banquet in their honor at Petrovsk, the newspaper story told how they raised the brimming glasses of vodka to their lips, in courtesy of their hosts and then replaced them on the table untouched, for as the story said vividly and simply, the Lindbergs are teetotalers. That is a lesson in temperance that needs bringing up no arguments about prohibition. And it is a bright and shining example for our young people who lightly regard "Slim" Lindberg as the apotheosis of right living. He lives up to their estimate. His private life is on a par with his life in public; there is no sham nor play to the galleries.—Allegan Gazette.

John F. Van Anrooy, of Grand Haven, city assessor, and Miss Cornelia Van Anrooy, are visiting Mr. Van Anrooy's son, Peter in Lincoln, Neb. They left Monday and intended to visit relatives in Iowa also.

This is the time of high living in this blessed region of southwestern Michigan. The city markets this week had on sale ten kinds of fruit and eighteen sorts of vegetables, most of them of home production.

May Widen Holland Road This Season

WOULD ELIMINATE DANGEROUS NARROW PAVEMENT ON US-31 TO M-50 JUNCTION

Grand Haven Tribune—Widening U S-31 from Grand Haven to M-50 junction this fall from 16 feet to 20 feet seems assured, providing the county road commission concurs with the state's request that the county furnish the funds up until April, when state funds will be available.

The state is willing to widen only the 16-foot stretches as it is not practical to extend the 18-foot widths either two or four feet. If this project is put into effect this fall it will provide considerable employment for local men.

The stretch is 5.3 miles and estimated cost is \$25,000. Already Carl Bowen, engineer, has gone over the stretch with recommendations to be made to the county and state.

This move is but the beginning of an improvement which is to be made between Grand Haven and Holland. The north stretch was chosen as the large number of accidents between this city and M-50 junction make it more urgent that this strip be improved first.

One man is dead and several others have suffered from accidents on the road this summer, to say nothing of the long list of accidents that have occurred in the several years M-50 has been completed. Coming off the broad pavement of M-50, the change to the narrow 16-foot highway is very hard on most motorists. The shoulders in that section are soft and running off the side has been the direct cause of several bad accidents.

There are only a few 18-foot stretches. It is not practical to add but two feet to an 18-foot width from a mechanical standpoint and to increase the road to 22 feet makes it too wide for two lane traffic and not wide enough for three-way travel. The 18-foot roads are not bad and the state believes the widening of the 16-foot sections will make the highway a safe one.

While the county board has not passed upon the matter it is understood that the board will probably meet the state requirements and get the job under way this fall.

PEACH MARKET AT FENN-VILLE WAY DOWN

The weakness of the peach market is shown by the fact that quotations on the highest grade of Elbertas at 70c per bushel find very little response from the trade in the report from Fennville. It would seem that the truckers are the only ones that can save the day for the growers. Wealthy apples are now moving slowly and the cider mill is getting enough drops at 15c per hundred weight to keep it going. One grower has been fortunate enough to contract his entire peach crop at 60c per bushel in second-hand baskets. When it costs about \$140 as freight and icing charges on 334 bushels of plums to Chicago, we fall to see where the railroad is now entitled to an increase in freight rates. It only costs 20c per bushel to truck fruit to Chicago and with more prompt delivery.

Ervin Brown, 16 years old, Don French, 19 years old, Raymond Richardson and Clarence Sheffield, 16 years old, all of Fennsburg, were badly cut, bruised, and shaken up last evening when Brown's car in which they were riding on the west Spring Lake road, left the highway. Brown told state police that he hit some object in the road, causing the car to swerve into a ditch after hitting a telephone pole.

Mayor Brooks Honored Twice Within a Week

Ernest C. Brooks, mayor of Holland, was elected president of the Michigan Municipal League in its closing session at Port Huron. This is the second Holland mayor so honored within the last 15 years. Ex-mayor E. P. Stephan also held that state position. At that time the

convention was held in Holland. It may be possible to select Holland again next year as a convention city.

A child welfare advisory council and executive committee was named by Gov. Brucker at Lansing a few days ago to correlate state agencies in accordance with the recommendations of the national "White House conference" of 1930. The state conference will be held Nov. 9.

The governors appointed Mayor Ernest Brooks as a member of the advisory committee.

OTTAWA SUNDAY SCHOOL BODY WILL MEET OCT. 7

The Ottawa County Sunday School Association will hold its annual convention Wednesday, Oct. 7, in the Reformed church at Coopersville.

Speakers will include Rev. Hasen G. Werner of Detroit, Rev. John R. Mulder of Holland, Prof. Henry Schultze of Grand Rapids and Rev. Charles Bowler of Grand Haven. Department conferences during the afternoon will be in charge of the following leaders: Children, Rev. John R. Mulder; young people, Harold Chambers of Kent county; adult and administration, Prof. Egbert Winter of Hope College; missionary, Miss Henrietta Warnhuis of Holland.

Approximately ninety schools are affiliated with the county association. Music will be rendered by a chorus directed by John Vander-sluis of Holland.

George Schulling and Anthony A. Nienhuis, members of the Holland postoffice force, have served as president and secretary-treasurer, respectively, eight years.

Some bold, bad sneak thief had the audacity to invade the private laundry grounds at the Frye boarding house at Fennville the other night before 8:30 and walked off with enough "longevity" to cause a panic among the fair school-teaching school in cotton socks! Evidently the thieves stampeded when the wind expanded a pair of Keith's beach pajamas.

Herbert Van Oort of the Holland coast guard station and Dick Van Kollen of Holland, visited Sheriff Stokette. They were here in the interests of the Metropolitan club, an organization composed of police officers and federal employees.

Lad Leaps Out of Boat Into River, Drowns

FLOYD TIEMAN, 6, COMES TO TRAGIC END; JUMPS, THINKING HE CAN SWIM; BODY RECOVERED BY THE SHERIFF

One of the saddest tragedies of the season occurred at Grand Haven in Grand River at the foot of Columbus St., when little Floyd C. Webb Tieman, six-year-old son of Mr. and Mrs. Fred Tieman, 1526 Franklin St., jumped from a boat in which he was playing and was drowned. He was playing with Buddy Smaltzer, four years old, and his last words were "See, Buddy, I can swim," and he dove off the end of the boat into deep water.

The Smaltzer child, terrified when his little friend did not come up, ran to the parents with the story. State, city, county officers and the coast guard crew responded quickly but it was not until the next day that the body was recovered by Sheriff Cornelius Stokette. Coroner Van Zantwijk pronounced death due to accidental drowning.

The parents were not aware the child was gone as up to 4:45 p. m. he had been playing in the yard. According to the Smaltzer boy's story little Floyd pushed the boat from shore while he stood on the edge of the bank. It is said the Tieman boy had a great love for the water and had declared many times that he knew he could swim. With childish confidence he rushed into the deep waters and probably never came up.

The child was born in Grand Haven Jan. 5, 1925, and started his first year of school this year at the Ferry school.

Funeral services were held Monday and burial was in Lake Forest cemetery.

Allegan Wants the Beeline

Allegan Gazette—In the discussion going on in Holland about a new road leading from that city across Fillmore township and connecting with M31 at the Saugatuck-Laketown line it appears that in other road plans under consideration is one for paving the Beeline road between Holland and Allegan. Sentiment in this city would be unanimous in favor of such an improvement.

Mr. and Mrs. James De Young and Mr. and Mrs. Ben Mulder motored to Muskegon over the week-end, the guests of Mr. and Mrs. John Van Landegend.

Prof. John R. Mulder of Western Theological Seminary conducted services at Bethel Reformed Church in Grand Rapids, Sunday. Rev. Harry Brewer of Zeeland preached at Ninth Church of that city.

Robert Workman, 9, son of Mr. and Mrs. Lyle Workman of Muskegon, was restored to his parents Thursday by Holland police. The boy was detained here following a request for a free ride home on the afternoon Pere Marquette train. He gave as his reason for running away from home an aversion for attending school.

The Allegan city council has voted \$60 per month for maintenance of the Griswold auditorium and agreed to furnish coal for heating it and the adjoining public library. This hall was the late gift of Mrs. Griswold of Allegan. Attorney Orien S. Cross of Holland was in charge of the funds to build it and Contractor Frank Dyke of this city built it, and is usual, made a fine job of it.

JIM HARRINGTON FACES A DRUNK DRIVING CHARGE AS SIX ARE INJURED

Jim Harrington, age 35 years, of Muskegon, is in the Ottawa county jail facing a charge of drunk driving following an accident near Agnew on US-31 in which Harrington and five others were injured.

Harrington's car is said to have swerved from the highway, striking two trees. State police were called and placed Harrington under arrest. He was treated for scalp wounds and badly gashed legs, several stitches being necessary, and then removed to the Ottawa county jail.

With Harrington was six others, mostly ladies and a child of nine years. All were seriously cut and bruised and were removed to Hatton Hospital, Grand Haven.

William A. Ver Deim, 45 years old, of Grand Haven, was at tempting to direct traffic while a wrecker was working on the Harrington car, was struck in the foot and his ankle broken. He was taken to Hatton Hospital.

Later—Court was held in a cell in the Ottawa county jail Saturday. James Harrington, 45 years old of Muskegon, arrested for a drunk driving charge by State Police, following an accident on US31 pleaded guilty and Justice Burr imposed a fine of \$100 and costs of \$5.05 and 30 days in jail.

The jail sentence was imposed because of the seriousness of the accident, the justice said. Harrington had not raised the amount of the fine and costs today and if he does not do so, there will be an extra 60 days in the county jail.

Muskegon Chronicle—The annual Blue Bird Tag day for the Sunnycrest School for Girls at Holland was held in Muskegon Saturday. A large Muskegon committee was in charge.

Sunnycrest is a home and school of opportunity for orphan and homeless girls in Michigan. It is located at Holland. The aim is to provide such a home as will give to each child a happy childhood, an ample opportunity for self-expression, recognizing the importance of early self-government, and to develop the arts of home making and management, while giving regular academic work.

Sunnycrest admits girls from five to 14 years of age from all parts of Michigan. There are several girls from Muskegon, city and county, at the school. The work is statewide, non-sectarian and supported by voluntary gifts.

Helen Clarke is president and general manager of the school. The board of trustees is composed of Mrs. A. H. Landwehr, Holland; Mrs. W. Butterfield, Detroit; Mrs. Lillian Beannon, Grand Rapids; Helen Clarke, Holland; Miss Margaret Mitta, Saginaw; Con De Pree, Holland; and J. A. Klise, Grand Rapids. On the advisory board are W. S. Butterfield, Detroit; Con De Pree, Holland, and Edgar H. Landwehr, Holland.

FOUL TIP BREAKS JAW OF G. H. PLAYER IN FREAK ACCIDENT

Ed Norris, well known pitcher for the Grand Haven Independents and the Eagle Ottawa League Co. nine of the city league, is suffering from a broken jawbone suffered on Saturday. Norris was at bat when a "freak" accident occurred. The ball hit his bat, and traveled up the handle a way, and then hit Norris in the face. He was forced to stop pitching and was in great pain over the week-end. When the hurt got no better, he went to a doctor who found the bone broken.

HOG CHOLERA IN ALLEGAN COUNTY

A great many cases of hog cholera have been discovered in Allegan county. The state department at Lansing were immediately notified and Dr. Keppel was sent over to make an investigation. About 30 hogs are dead and as many more are down with this disease at the present time. Dr. Keppel posted several farms.

The cause of hog cholera is known to "us" only as a filterable virus, or in other words it may be referred to as an organism so small that it will pass thru the finest filters made and cannot be grown under artificial conditions. In addition to this virus an accessory cause of cholera is anything that will lower the vitality of an animal. This would include unsanitary conditions of pens and hog houses and poor feed. However hogs become infected with cholera in some of the herds where there can be no criticism of the sanitary conditions, feed or care. When hogs show such symptoms as weakness of limbs, loss of appetite, high fever, dullness, inflammation of the eyes, rough coat, red or purple discoloration of the skin on the ears, belly, nose and between the thighs, call your local veterinarian at once for these are the most common symptoms of hog cholera. Remember that this is a highly infectious disease and may be easily carried from place to place unless proper precautions are taken. The excreta from sick animals will produce the disease very rapidly and should not be scattered over any premises carelessly. Dog, birds, and any farm animal can carry the disease from infected premises to uninfected herds. Persons carrying for sick animals may carry cholera on their clothing or shoes.

A BAD CASE OF APPLES

H. W. Stevenson of Chicago, has a fine farm near Paw Paw and this year had a fine lot of Yellow Transparent apples. To try the market Mr. Stevenson had a truck load sent to Kalamazoo and the load sold at 10 cents per bushel. Another load was sent to Benton Harbor and they brought 50 cents, while a third load was sent to Chicago and after paying the transportation charges the return was but 22 cents per bushel, which when the cost of the package was deducted, left the owner but 8 cents for the fruit, picking, spraying several times, to say nothing of the interest on the investment.

PORT SHELTON MAN DROPS DEAD IN HIS HOME; FUNERAL HELD SUNDAY

Eli Sankey, aged 64, dropped dead in his home in Port Sheldon township. Death was caused thru heart failure. He was born March 6, 1869, in Pennsylvania and for the past 50 years has lived in Port Sheldon township. He is survived by his son, William J. Sankey, of Port Sheldon township, one daughter, Mrs. Rex S. Reese, Wayne, Mich., seven grandchildren, one sister, Mrs. Viola Barry of Coleman, Michigan, and several nephews and nieces. Mrs. Leroy Spears and Mrs. Ben Krause of Grand Rapids, Aris Barry of Coleman, Michigan, Harry Marble of Marican, Michigan, Mrs. Edna Rue of Marican, Mich., and A. E. Stewart of Detroit.

Funeral rites were conducted Sunday afternoon at West Olive M. E. church. Burial was in West Olive cemetery. Mr. Sankey lived for several years in Fruitport. He was a member of the Methodist Episcopal church of West Olive and at the time of his death was a trustee.

MONTH'S HEAT RECORD AGAIN IS BROKEN

The heat record for this month according to the Ottawa County weather bureau at Grand Haven, was again broken when the mercury rose to 82 degrees Thursday at 5:30 p. m. Wednesday, the high was 81. The temperature ranged 80 or above all Friday. The low was 71 at 5 a. m. The wind remained fresh from the southwest at 10 to 15 miles velocity all day. Some rain was recorded at noon.

The temperatures today according to Fred Baughman at the weather bureau, were 68 at 5 a. m. and 74 at 8 a. m. with every indication that the high would exceed yesterday. Mr. Baughman reported warmer weather to the west and thought the heat would remain with this section over the week-end.

OVERISEL TEACHER GOES TO NORTHERN MICHIGAN

Although in many places the school bell will not be heard until September 8th, some localities have opened their schools on the 31st of August this year. Among those who have left Overisel to take up their teaching duties for this year is Glenn Nykerk who will act as principal of the high school at Ewen, Michigan. Besides these duties he will teach Latin and English.

Mr. Nykerk made the trip by automobile, going by way of the Straits. Ewen, Mich. is approximately 150 miles west of Marquette and the total distance by this route is about 600 miles.

Mr. Nykerk is a graduate of Hope College in 1931. Previous to this he had secured his life certificate from Western State Teachers' College in 1926, after which he spent three years teaching in a rural school near East Saugatuck.

Mr. Harvey Kollen will return to Blissfield as teacher of chemistry and physics for his third year in the high school there. Mr. Kollen returned from summer school at the University of Michigan at Ann Arbor a week ago, where he did work in physics and mathematics in the graduate school.

Several of the Overisel teachers attended the annual rural teachers' meeting held at the Allegan High School Auditorium last Friday. Among them were Mrs. Ruth De Roos, Dora Beltman, Dena Beltman, Florence Nykerk, and Dorothy Schipper. At this meeting instructions were given relative to the coming year and necessary materials were distributed. Many acquaintances were greeted.

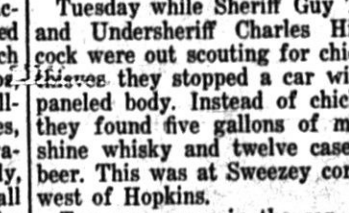

SEIZE CAR, LIQUOR AND TWO MEN IN ALLEGAN

Tuesday while Sheriff Guy Teed and Undersheriff Charles Hitchcock were out scouting for chicken thieves they stopped a car with a paneled body. Instead of chickens they found five gallons of moonshine whiskey and twelve cases of beer. This was at Sweeney corners west of Hopkins.

Two men were in the car, William Shaver, 32, and John Kawloski, 38, of Grand Rapids. They were taken to the county jail along with the car and its contents.

Authorities are looking into the men's record before an arraignment is made.

Yield of winter wheat (average) of Allegan county this season is 24 bushels per acre. The crop of spring wheat, however, is smaller than usual so that the total is somewhat smaller than in some other years. The yield of rye in the county is 14 bushels and the total has not been equalled since 1914. The condition of corn, Aug. 1, was 78 per cent, of average, oats 70, potatoes 67, beans 62.

When BABIES are Upset

BABY ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea. How would you meet this emergency—tonight? Have you a bottle of Castoria ready?

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. It's gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.

FORMER WELLKNOWN NEWSBOY NOW SELLING CHRISTMAS BOOKS

Claus Volkema is now selling pamphlets and books for the Bible Institute Colportage Association, Chicago, Illinois. This work had its beginning in Mr. D. L. Moody's conviction and understanding of the vital need for low-priced books carrying the gospel message to all classes. It was after he had tried in vain to secure books for inquirers at a local book store in a Wisconsin town, that he set about to establish a Colportage Dept. in connection with his Chicago school for training Christian Workers.

Mr. Volkema has secured permission to sell these books on the corner of River avenue and 8th street by the Corner Hardware, Saturday nights. He also is to canvass the city as he has no other work.

ZEELAND'S 1931 FOOTBALL PROGRAM IS ANNOUNCED

About 35 men from Zeeland reported to Coaches Dewey and Vandewater for the first football practice held Wednesday.

The 1931 team for Zeeland, will be built around H. Borz, Lloyd Plewes and Edward Caball the only veterans. Plasman and Doerner will compete for backfield positions this year. VanDyk, Dekker and Kooiman may find berths in the varsity.

The entire squad will not average 135 pounds with backfield candidates at 130 pounds. Zeeland will open with Hudsonville there on Sept. 25; Oct. 2, Martin at Zeeland; Oct. 10, Fremont at Zeeland; Oct. 17, East Grand Rapids at Zeeland; Oct. 24, Coopersville at Zeeland; Nov. 6, Grandville at Grandville; Nov. 14, Lee at Grand Rapids.

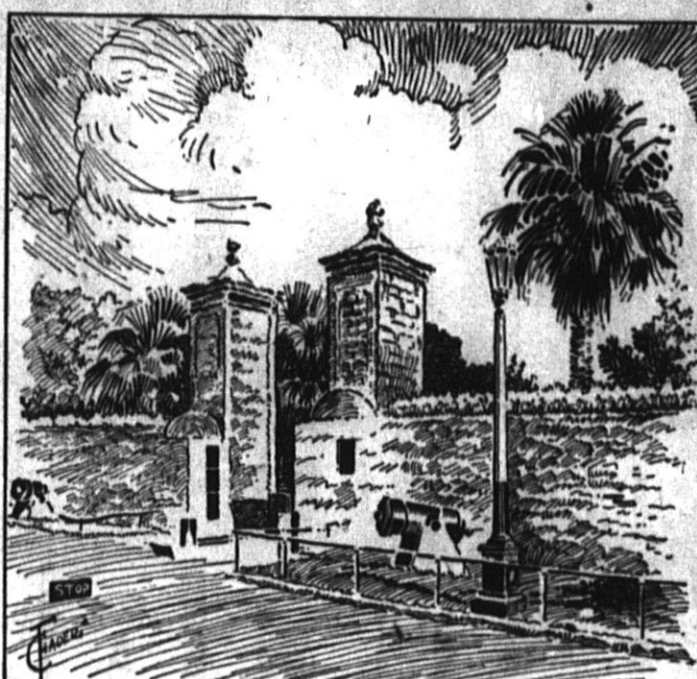

UNIFORM MOTOR LAWS ARE PROPOSED FOR 14 STATES

Officials of fourteen states have accepted the invitation of Secretary of State Frank D. Fitzgerald of Michigan to attend a conference on reciprocal motor vehicle law enforcement, to be held in Detroit on September 18.

The Secretary of State is directed by a resolution of the last legislature "to confer with the jurisdictional bodies of neighboring states toward a fair plan of reciprocity in the enforcement of motor vehicle laws of the various states in respect to their application to the owners and operators of motor vehicles going from one state to another; and, to lend every effort to

The first conference was held in French Lick, Ind., and the subject of truck license legislation was discussed. The Detroit meeting will consider the question of uniform weight tax fees. New York and Pennsylvania, which did not attend the first meeting, have accepted invitations.

RATS GET TWO GAMES DURING WEEK

Zeeland Record.—Last week Friday the North End Alley Rats indoor baseball team, defeated the Bos Tobaccos of Holland by a 6-0 score. The Tobaccos featured Schurman and Van Hecken and the Rats Boschma and De Weerd. Labor Day morning, playing at Legion Field, the Rats downed the Knoll Markets 4-0. This was the last of a three-game series between the two teams. Batteries for the Markets were Mulder and Lampen, and for the Rats, Boschma and De Weerd. During the run of this season the Rats have lost five games to twenty-one victories. The next game will be played at the Rat Hole, between the Peoples State Banks, the present Holland champions, and the Alley Rats, on Friday evening.

Man Beats Shark in Race

While a number of would-be rescuers who were powerless to help him looked on, Ben Boone, a former deep sea diver, staged a race for his life with a shark off the Florida coast the other day. Boone won the race by a final burst of speed that landed him on the beach exhausted, but it was a close call.

The diver had been enjoying a leisurely swim in the ocean when he sighted the big fish about a quarter of a mile off shore. He lost no time in making for land, but the shark gained on him rapidly and did not give up the race until it found itself floundering in shoal water as Boone dragged himself upon the beach to safety.

WHEN FOOD SOURS

ABOUT two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips' Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for correcting excess acidity. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

How to train BABY'S BOWELS

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels.

That is one sure way to train tiny bowels to be regular. To avoid the fretfulness, vomiting, crying, failure to gain, and other ills of constipated babies.

Dr. Caldwell's Syrup Pepsin is good for any baby. For this you have the word of a famous doctor. Forty-seven years of practice taught him just what babies need to keep their little bowels active, regular; keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3500 births without loss of one mother or baby.

FOUR "H" CLUBS IN OTTAWA COUNTY WILL HAVE MANY EXHIBITS BERLIN FAIR

Four H club exhibits of corn, potatoes, calves, rabbits, handicraft, poultry, and garden clubs are expected to be the largest ever held at the Berlin Fair next week. There is no question that the club exhibit building at the fair will be crowded with exhibits. If all the boys in club work during the past year exhibit, Mr. Milham states there will be 147 handicraft, 58 calves, 35 potatoes, 25 rabbit, 24 garden, 15 corn, 6 beef, 3 poultry and 3 pig club exhibits, a total of 316 boys enrolled. This is the largest number of enrollments of any year since club work started. Club members since 1922 enrolled each year are 1923, eleven, 1924, none, 1925, thirty-eight, 1926, twenty-six, 1927, fifty-two, 1928, one hundred seven, 1929, one hundred fifty-five, 1930, two hundred sixty-one.

P. G. undin from the College Club department will judge all exhibits but the livestock.

Wheat may be safely sown after Sept. 18th to avoid the Hessian fly. This year there has been much smut in wheat so treating with formaldehyde or with one of the mercury dusts on the market is advisable, says agr'l agent Milham.

Fertilizers will not be used as heavily this fall as usual due to low prices of grain. However fertilizer is advised because of the better quality of grain and straw produced and because costs over bushel are lowered. A 2-12-5 fertilizer is recommended for sandy soil and a 4-16-4 for clay soils.

OTTAWA COUNTY YOUNGSTERS FROM RURAL DISTRICTS HEARD FROM AT STATE FAIR

High honors were won by Ottawa 4 H club boys at the state fair exhibit last week when they made nearly a clean sweep in the corn and potato exhibits. Honors were awarded as follows: Irish Cobbler potatoes, 1st, Leonard Westrate, 2nd honors, Wm. Westrate, 3rd and 4th, Bennie Westrate all from the Hanchette School club. Bernard Colligan of Nunica placed second on his exhibit of early potatoes from the same club. The county exhibit placed fourth. In corn Ottawa boys won first county exhibit with the following exhibits: 1st, Leonard Westrate, 2nd, Wm. Westrate, 5th, Ed Wasolski from Tallmadge, 6th, John Veenman and 9th Raymond Veenman from the Hanchette Club. Wm. Westrate placed second in the grain judging contest and won a trip to Chicago in December to the National Club Congress where he will judge in the National contest.

In handicraft work county exhibits placed fifth in second year work and fourth in third year work. Agricultural Agent Milham, whose work is organizing and supervising these clubs in the county, was highly elated over the showing made by the boys. He states that the boys exhibits of corn and potatoes were superior to those exhibited by older growers.

Three 4 H club champions from Ottawa county was accompanied by Esther C. Lott, home demonstration agent, to the State Fair in Detroit on Friday and Saturday. Mabel and Ada Schroder from Jenison who competed at Michigan State College in August on a demonstration team were selected as eligible to repeat the demonstration at the State fair competing with sixteen demonstration teams from other counties. "Adulteration of Tax-tiles" was the demonstration. The winning team will attend the national 4 H club congress in Chicago in December.

In the girls 4 H style revue Mary Louise Muller of Coopersville will compete with nine other champions for the honor of being Michigan's 4 H style revue champion at the National contest this fall there competing for a sight seeing trip in the summer of 1932 over United States. Mary Louise, aged 13, wore a green woolen travel outfit costing \$4.50 which she made during the past year in club work.

STEKETEE TIRE SHOP CHANGES LOCATION

Leonard Stetekee, proprietor of the Stetekee Tire Shop, located on East Eighth street, has sent out the following announcement to his customers:

"We wish thru this announcement to state that the Stetekee Tire Shop, established 13 years ago, has moved its place of business from East Eighth Street to a new centralized location at 210 Central Avenue; between Eighth and Ninth Streets, Holland. We have established at this location a complete drive-in-service, so called, and we wish to take this occasion to thank our many loyal customers who have so kindly given us consideration in the past. We extend to Holland and vicinity a cordial welcome to our new place of business."

OLIVE CENTER

School opened last week Tuesday with Willard Nienhuis in charge. There were two new beginners, Gilbert Wedeven, and Gerald Vanden Bosch. Martha Redder is also attending school again after an absence of four years on account of illness.

William Rose, son of John Rose of Coleman, formerly of this place and a friend, visited his uncle, Jacob De Jongh last week.

Mrs. C. W. Dornbos, Mrs. Clara Meeuwse, and Carol Meeuwse of Holland visited at the home of Henry Boers, Monday.

Mr. and Mrs. John Wesels, and Mr. John Hillebrink of Grand Rapids visited John Knoll Friday.

J. DeJongh motored to Hamilton Monday on business.

This has been a great year for muskmelons. The markets have been and still are full of them. The warm weather put more than the usual amount of sweetness into them so the quality has been high. Many more of these are now consumed each year than are watermelons. Both are valuable as food as well as delicacies.

Tells More Of The Jerusalem Of Present Day

DR. BROWER WRITES ON THE CITY THAT FELL WITH THE TRUMPET BLAST—ALSO OF THE RIVER JORDAN OF TODAY

By DR. A. J. BROWER

(Jericho—Dead Sea and the Jordan)

ARTICLE No. IV

The actual distance from Jerusalem to the Dead Sea, Jericho and the Jordan is only about 25 miles. The road, soon after leaving Jerusalem, passes through Bethany, a squalid little place, where a halt was made to see the ruins of Martha's and Mary's house, and the tomb of Lazarus. John 11, verse 18, "Now Bethany was nigh unto Jerusalem, about 15 furlongs off." The ruins of the home of Martha and Mary suggest that it was a two roomed house, or rather a cave in the rock. It is a wonderful feeling to stand there and meditate on what has transpired here. Lazarus's tomb is only a short distance away. One enters by descending many steps and carries a candle for it is very dark in there. John 11, verse 17, "Then when Jesus came, he found that he had lain in the grave four days already."

Raising dead Lazarus to life surely was miraculous. We do not know whether his body was embalmed or not. We know in our age that when a modern undertaker lays out a body, that body will stay dead.

We read in St. John 11, verse 39, "Lord by this time he stinketh: for he hath been dead four days!" Long before this time the custom of embalming was in vogue for we read in Gen. 50, verse 26: "So Joseph died, being a hundred and ten years old; and they embalmed him and he was put in a coffin in Egypt." Embalmed bodies keep for a long time. I saw the body of King Tutankhamen, and also of his Mother of 1500 years before Christ, and both were in good state of preservation. Dried up like sole leather, however.

They had coffins then, made of gold and precious stones. The sarcophagus of King Tut is most elaborate. They bury their dead like we do today. Mausoleums of today are only copied after the Catacombs of Rome, or the Sepulchers of Jerusalem.

As I talked with Palestinians and Egyptians, I asked why such expensive and elaborate tombs for the dead, and on the contrary living in caves, dug-outs, shacks and tumbled-down homes. The answer of Moslem or Jew was alike, "We know we will not always stay on earth. We all will die. The soul and body shall join once more after death. Therefore we wish to keep the body in as good a condition as possible. Many were sacrificing the necessities and comforts of life for the burial of the dead."

Tradition tells us about two ruined towers, part of the house of Simon the leper. Mark 14, verse 3, "And being in Bethany in the house of Simon the leper." Now it is hard to say if these locations are exact, but we know they all stood upon this hillside.

In Bethany the young lads were bound to sell us slings, the same kind that David used to kill Goliath. Shepherds make those slings while they guard the sheep. They pull a handful of wool out of the neck of a sheep, and then weave a sling. It's amazing to note how accurate these boys can sling a stone. David undoubtedly had a lot of practice before he selected the five stones and set out to battle the giant of the Philistines.

1 Samuel 17, verse 40, "And he took his staff in his hand, and chose five smooth stones out of the brook, and put them in a shepherd's bag which he had, even in a scrip, and his sling was in his hand, and he drew near to the Philistine." Now David was surely a good marksman, that he killed his foe, with the first stone of the five. 1 Samuel 17, verse 49, "And David put his hand in his bag, and took thence a stone and slung it, and smote the Philistine in his forehead, that the stone sunk into his forehead, and he fell upon his face to the earth."

This reminds me of a story about this incident. "One lad made the remark that Goliath was greatly surprised that little David, a mere boy could hit him at the first crack. The other lad said well, why was the giant surprised? "Cause a thing had never entered his head before."

It was very interesting to notice how the little Hebrew and Moslem lads did their best to sell David's slings to tourists. When I listened to Dr. Shannon the famous preacher of Chicago, deliver his sermon to the graduating class of Hope College in 1930, I heard him mention the five stones of David, that the latter set out to battle the Giant Goliath with. We know the first stone sunk into Goliath's forehead, and probably was lost; but what became the lot of the remaining four? I told the boys I would buy a sling providing you get me one of the stones David carried. So in a hurry they had a stone for me. Rev. Wilbur Glen Voliva, of Zion, Ill., who was with me at the time got another, so see, three are accounted for. How the tourists are tricked into buying antiques. Of course we knew this was all a fake.

In Paris we went through an antique factory where various articles were manufactured, and then sold in different parts of the world as genuine antiques. Perhaps the slings we bought were made in Paris. Therefore the souvenirs I carried home with me are real, because I only wanted such as water of the Jordan, Dead Sea, Galilee Sea. And also rocks of various places. They could not fool me on that very well.

From Bethany the road plunges into a barren countryside as one may find anywhere. It drops into desolate valleys, and climbs and winds around and around stony hills. It twists and zigzags, and from each successive rise of ground nothing is seen in the distance except more hills, jagged, scorched and bleak with here and there a flock of sheep and goats with shepherds. A few miles out from Bethany we come to the reputed inn of the Good Samaritan.

At this inn, called the Good Samaritan, all tourists stop for awhile. The parable as recorded in Luke 10, verses 30 to 36 states as follows: "And Jesus answering said, 'A certain rich man went down from Jerusalem to Jericho and fell among

thieves, which stripped him of his clothing and wounded him, and departed, leaving him half dead."

What was before is now. Again, nothing new today. Robbers then, and robbers now. Also the methods are identical. Verse 31: "And by chance there came down a certain priest that way; and when he saw him, he passed by on the other side." This also happens today. Verse 32: "And likewise a Levite, when he was at the place, came and looked on him, and passed by on the other side." Possibly he became frightened at the sight of a helpless being, as is often the case in this age. Verse 33: "But a certain Samaritan as he journeyed, came where he was; and when he saw him, he had compassion on him." Verse 34: "And he went to him, and bound up his wounds, pouring in oil and wine, and set him on his beast, and brought him into an inn, and took care of him." Verse 35: "And on the morrow when he departed, he took out two pence and gave them to the host, and said unto him: 'Take care of him, and whatsoever thou spendest more, when I come again, I will repay you.'" Verse 36: "Which now of these three thinkest thou, was neighbor unto him that fell among

thieves."

By the way let us remember that the Samaritans were a sympathetic people, and they are today. It might have been possible that this wounded man was a Jew. Jews were Samaritan haters. There was a repugnance on the part of the Jews to social and religious associations with the Samaritans and this feeling grew worse as the years wore on. Is it any wonder that the Samaritan woman at Jacob's well was very much surprised that Jesus spoke to her, seeing he was a Jew? In Ezra 4 we read that the offer of the Samaritans to assist the Jews in rebuilding the temple was rejected. Verse 2: "Then they came to Zerubbabel and to the chief of the fathers and said unto him, 'Let us build with you; for we seek your God as ye do.' But they were told: 'Ye have nothing to do with us to build a house unto our God.'"

SAUGATUCK, DOUGLAS, FENNILLE AND VICINITY

Senator Geo. Leland, Sheriff Guy Teed, Floyd Harter and Geo. Hoffman of Allegan, and Rep. Fred Wade of Saugatuck were in Lansing last week in furtherance of building a new dam at Smith's mill pond, 8 miles west of Allegan on M89. The dam would mean the forming of a large pond that would add not only to the scenery along the highway but again become a good place for pickerel and other fishing as well as duck hunting. The delegation received fine encouragement for the project from conservation and state highway officials.

Our schools began the new year Tuesday with about the same number enrolled, including 92 non-residents, three less than last year. Of the 140 in the high school 85 are taking the agricultural course, showing the interest that work commands. The nonresident tuition brings in over \$7,000 per year.

The Fennville ball team defeated

a Chicago nine 15 to 6 and then walloped a "House of David" team 10 to 0 Monday afternoon. In olden times there was a man named David who won quite a reputation as a thrower, but these long-haired Davidites could neither throw, bat, nor run. The House of David seems to have as many ball nines as there are suckers to patronize them. Sunday afternoon Fennville started to play Pearle and had made four runs by the fourth inning. When the two umpires did not agree on a ball that was foul by two feet Fennville refused to allow four runs and the game ended there.

A recent visit to the beautiful "bowl" at Interlochen near Traverse City reminded us that the county park in Ganges could have just as pretty if not as large an amphitheatre at an expense of about a thousand dollars. A rustic stage and seats around the basin west of the lunch room would give us the needed attraction for concerts and speeches.

Mr. J. C. Kremer, specialist in apiculture, will be in Allegan county September 23 for a bee meeting. The first meeting will be held at ten o'clock A. M., last time

at Richard Barden's farm west of Leisure corners, Casco, and the afternoon meeting will be held at 1:30 P. M. at the farm of Jacob Hildenbrand, one half mile south and 1 1/2 miles west of Burnips. Mr. Kremer states that in the majority of cases the colonies are very short of stores this year and that considerable feeding will be necessary, so all beekeepers should be present to learn how to correct these conditions if they desire to have their colonies in proper order for winter. Try to attend one of these meetings.

Mrs. Rose Edgar of Fennville suffered a stroke while at work at the canning factory one day last week. She is slowly recovering in the home of her sister, Mrs. Barbara Truax.

Dr. Menold reports that the outbreak of hog cholera which appeared near Pearle, Allegan county, has abated. A large number of animals have been inoculated and a little better care in feeding will prevent a recurrence of the dread disease. All swill should be cooked to destroy the germs and the stock turned upon ground that has not been occupied by hogs.
