Campaign To Open October 1

Single Drive Supports
Work of Ten Local,
36 State Agencies

The Greater Holland United Fund, supporting the work of 10 local health and welfare agencies and 36 state and national agencies through the Michigan United Fund, has set a campaign goal of \$204,436 this year.

The goal, up nearly \$9,000 from last year's \$195,693, was announced Tuesday by James L. Jurries, campaign chairman.

James L. Jurries

The dates for the campaign are Oct. 1-Nov. 1.

Jurries said the funds represent a minimum need to continue the work of the agencies and urged the community to support the documented needs.

New this year is a \$1,702 grant to the Area Wide Comprehensive Health Planning Unit, an agency designed to plan for medical care and facilities in a nine-county area which includes Ottawa county.

Requests from the member agencies totaled \$230,436 but the amount was adjusted downward after meetings with United Fund board and representatives of the agencies.

Jurries, co-chairman of the campaign last year, is vice-president and commercial loan officer of First Michigan Bank & Trust Co. and lives with his wife, Virginia, and daughter Kristin at 1408 Seminole Dr.

He is being assisted this year by Donald Hann and Terry Hofmeyer.

Goals set by divisions this year included Industrial, \$123,956; Commercial, \$27,500; Public - Civic, \$20,515; Retail, \$12,480; Professional, \$7,840; Special Gifts, \$7,775 and Construction, \$4,370.

Requests for member agencies included YMCA, \$11,500; Higher Horizons, \$13,000; Boy Scouts, \$18,000; Child and Family Services of Michigan, \$22,500; Community Mental Health Services, \$8,000; Kandu Industries, \$14,000; Camp Fire Girls, \$12,000; Salvation Army, \$27,000, and Red Cross, \$30,000.

In addition there is a \$1,702 grant to Area Wide Comprehensive Health Planning Unit, \$21,191 for Michigan United Fund and \$25,543 for administration and campaign.

Members of the Greater Holland United Fund executive board include Roger MacLeod, president; Jurries, vice president; Raymond Helder, treasurer; Paul Van Kolken, secretary, and board members Chester Harmsen, James Hoffmann and William Hoffmeyer. Administrative officer is William Herbst.

Children's Aid Society Meets

The September meeting of the Michigan Children's Aid Auxiliary was held at the home of Mrs. Robert De Neff. Jackie Tolliver was guest for the evening.

Reports were given on summer activities and plans made for fall projects. Mrs. Jack Bergsma reported on the coming fashion show "Holiday Splendor" to be held Nov. 18, at Carousel Mountain Lodge. Mrs. Hardy Wilson will be in charge of posters; Mrs. Larry Barrett, programs and tickets; Mrs. Eskill Corneliusen and Mrs. Joe Ver Meulen, decorations, and Mrs. James Nelson and Mrs. Robert Schrottenboer, prizes.

The October meeting will be held at the office of Michigan Children's Aid Society, 680 Washington.

Those present in addition to the hostess and guest were Mrs. Bergsma, Mrs. Richard Arenas, Mrs. Barrett, Mrs. Corneliusen, Mrs. Ver Meulen, Mrs. Elmer Knoll, Mrs. Wilson, Mrs. Martin Van Staaldin and Miss Audrey Navis.

HOME DIVISION EXPANDING — This sketch of the Lear Siegler facility in Holland's southside industrial park shows where new additions totaling 100,000 square feet will be constructed. With the addition of enlarged quarters, out-

put is expected to double. Construction will start immediately and occupancy is expected in the spring. The present plant was completed in October of 1969.

West Ottawa Hires 5 New Teachers

Contracts were approved for five new teachers by the West Ottawa Board of Education at its monthly meeting Monday night.

The new teachers are Maura Reynolds and Dean Veilacher, high school, Jean Broan and Barbara Daniels, elementary, and Patricia Redell, speech therapist.

Coaching positions were approved for Dave Van Beek, assistant freshman football; Douglas Waldron, varsity wrestling; Joe Jauch, athletic trainer; Judy Cornelissen, girls basketball; Mary Krieger, girls bowling and softball, and Barbara Daniels, cheerleaders.

The board approved plans for four teaching positions under the Federal Emergency Employment Act, calling for a federal grant of approximately \$34,000 or 90 per cent of the total and West Ottawa furnishing \$4,185.

Supt. Lloyd Van Raalte presented a preliminary enrollment of 4,222, an increase from 4,097 a year ago. But even with an increase in enrollment, he said state aid will be less this year. In addition, approximately \$51,600 will be withheld until next March, and then possibly will not be paid.

The board approved a free lunch for school children unable to pay the full price. The policy has been revised to meet current state and federal requirements. All reduced price lunches have been eliminated and all applications for free lunches will go to Mrs. Roon for a decision with appeal to the superintendent available.

H. Dannenberg Dies at Age 88

Henry Dannenberg, 88, of 19 East 18th St., died early today in Holland Hospital following a short illness.

Born in Overisel, he retired years ago from the Essenberg Lumber Co. He was a member of Trinity Reformed Church.

Surviving are a brother, James Scholten of Hamilton; three sisters, Mrs. John (Mabel) De Witt of Holland, Mrs. Albert (Hazel) Broekhuis and Mrs. Stanley (Gladys) Broekhuis, both of Overisel and three sisters-in-law, Mrs. Justin Schipper of Overisel, Mrs. John Volkers and Mrs. Justin Scholten, both of Hamilton.

Funeral services will be held Thursday at 1:30 p.m. at the Trinity Reformed Church with the Rev. Gordon Van Oostenburg officiating. Burial will be in Overisel cemetery.

Relatives and friends may meet the family Wednesday from 7 to 9 p.m. at the Notter-Ver Lee-Langeland Chapel.

Douglas Avenue Nears Completion

Widening and surfacing of Douglas Ave. were expected to be completed this week as the final layer of asphalt was being put down.

Ottawa County Road Commission engineer-manager Ronald Bakker said work on installing the finishing course began Tuesday and was to be completed by the end of the week, weather permitting.

The project which started in the spring widened Douglas Ave. (Ottawa Beach Rd.) from two lanes to four lanes from River Ave. west toward Pine Creek bridge. Storm drains and curbing were installed in the \$301,000 project.

A township water main was installed along the road under a separate contract.

New LSI Addition To Double Output

Addition of 100,000 square feet to the Lear Siegler facility in the Industrial Park in Holland was announced Monday by Clarence J. Becker, president of the Home Division. Construction will start immediately and occupancy is expected in early spring.

Designed to double the output of the Holland plant, a major portion of the addition will be devoted to enlargement of receiving, processing, and warehousing functions and provisions for multiple shift operation.

Provision is also being made for enlarged engineering facilities covering research and development, testing and quality control. Commenting on the expansion of technical laboratories, Becker said:

"The growth of manufactured housing in both mobile and modular concepts calls for an increasing commitment of funds

and talent to the consistent development of sophisticated, efficient products. This, coupled with the desire of every home owner for better climate control in both winter and summer presents a challenge to every manufacturer to build the finest facilities and procure the best engineering talent available. Home will meet that challenge."

Completed in October of 1969, the present Home plant and office totals 180,000 square feet on the 22 acre site. While all manufacturing is done in Holland, the Home Division now has ten warehouses across the country and plans further additions to those in support of their expanding pattern of distribution. Home now manufactures a complete line of heating and cooling products for mobile, modular, and residential application under their Home, Miller, and Brentwood brand names.

Local Tents Substituted For Big Top

Three 16 by 16 tents of the park and cemetery department set up at Windmill Island Saturday forming a 16 by 48 serving area for Saturday's ox roast sponsored by the City of Holland and Hope College.

Arrangements had been made for a 40 by 60 foot tent from a Detroit supplier, but when the tent arrived early today, inspection revealed it was slashed and shredded.

A call to Detroit revealed what had happened. The tent had been used in a carnival which was hit by an uprising of some kind and the tent was slashed and all ropes cut. Inexperienced help instead of placing the tent in the repair section had put it into the regular storage area.

Park Supt. Jake De Graaf came to the rescue. His men earlier had placed 190 picnic tables on the island, coming from parks all over the city.

Backs Into Auto

Police said a car operated by Richard Len Marcinkus, 17, of 800 South Columbia Ave., backing from a driveway, struck a parked car registered to Anthony Ten Harmsel, 47, of 109 West 12th St. The mishap occurred Wednesday at 4:26 p.m. along Columbia Ave. 40 feet north of 33rd St.

Museum Seeks Materials Related To Holland Fire

In preparation for observing the 100th anniversary of the Holland fire of 1871, Netherlands Museum is asking for the loan of materials related to the fire for exhibits during the month of October.

The destructive fire which leveled nearly all of Holland on that memorable day Oct. 9, 1871, left few belongings in its wake and the century that has passed left dwindling mementoes.

George Cook of the museum staff said the museum has an organ, a chest, a Bible and a pewter pitcher on display, and would like more memorabilia for display in glass cases. Persons willing to loan such material may reach him at Netherlands Museum.

The museum also is grateful for gifts of any historical materials of the period.

Ninth Street Christian Reformed Church and Van Vleck Hall on Hope College campus are two main buildings spared in the fire.

Painting Class Offered

ALLENDALE — Donald A. Kerr, chairman of the art department of Grand Valley State College, will instruct a class in acrylic and oil painting at the Community Center starting Tuesday, September 28. The class, will meet Tuesday evenings from 6:30 to 9 p.m. for a ten-week period.

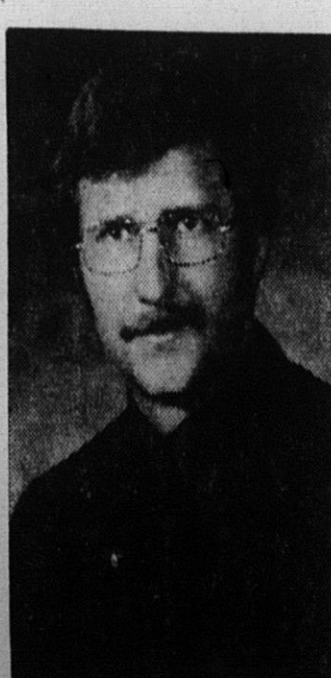

United Fund in Zeeland Sets Goal at \$27,279

ZEELAND—A goal of \$27,279 was set for the United Fund campaign this year, it was announced Tuesday by Robert Kalmink, president of the Zeeland United Fund board. It is up from the 1971 goal of \$24,740.

Kalmink said the goal is designed to meet the minimum needs of ten local agencies and 36 state and national health, welfare and medical research agencies of the Michigan United Fund.

The goal includes the following appropriations:

Boy Scouts, \$1,500; Girl Scouts, \$1,300; Kandu Industries, \$1,500; Salvation Army, \$3,000; Zeeland Community Hospital, \$6,000; Zeeland Youth Recreation, \$1,500; Family Service and Michigan Children's Aid Society, \$1,880; Community Mental Health of Ottawa County, \$1,500; Ottawa Association for Retarded Children, \$525; American Red Cross, Ottawa

Don Disselkoen

Gov. William G. Milliken will be in Holland for a fall fund raising reception Monday, Oct. 4 in the home of Mr. and Mrs. R. A. De Witt, 1034 West 32nd St., according to Anthony J. Garofalo, chairman of the Ottawa County Republican Executive Committee. Hours will be

Gov. William G. Milliken

5 to 8 p.m. with \$25 donation per couple.

Also attending the reception will be State Sen. Gary Byker, State Reps. Melvin De Stigter and James Farnsworth, and William McLaughlin, GOP state central chairman. Mrs. Gordon Storm of Grand Haven heads the arrangements committee.

Gov. Milliken will arrive at Tulip City Airport at 6 p.m. the day of the reception. William Clevenger, formerly of Zeeland, will pilot the plane.

Reservations may be made with Republican headquarters, 31 West Eighth St., Holland, June Storm in Grand Haven, Laurie Beukema in Jenison or Hannes Meyers in Zeeland.

Hamilton Woman Injured In Two-Vehicle Crash

HAMILTON — Mary Houle, 47, route 2, Hamilton, suffered possible fractured ribs in a two-car collision Sunday at 5:30 p.m. along M-40 at 48th St., Allegan county deputies said. She was treated at Holland Hospital and released.

Deputies said the Houle car and one operated by James Vander Kolk, 18, of route 2, Hamilton, were northbound along M-40 as the Houle car attempted to pass Vander Kolk who attempted a left turn at the same time.

Special Ed Budget Set For Ottawa

GRAND HAVEN — A special education budget totaling \$1,044,304 for the 1971-72 year was approved by the Ottawa Area Intermediate Board of Education following a public hearing Thursday.

Of this amount, approximately \$516,000 will be allotted local districts for operating special education programs. And \$261,578 is earmarked for part of the cost of the trainable center slated for completion in August, 1972.

Of the remaining \$266,726, approximately \$193,200 is for salaries, inservice activities, supplies and travel of personnel operating out of the intermediate office but working for local school districts. These include two homebound teachers, a speech correctionist, a consultant for the mentally handicapped, three psychologists, four social workers and a consultant for the physically handicapped.

A progress report on the trainable center on 96th Ave. about a mile south of M-45 revealed that brick work will be completed in October and the building would be enclosed by the middle of December.

A hearing was set Oct. 7 to consider requests for three transfers of property.

The shared - time program was reviewed in the area of vocational education. This project is funded by a \$70,000 grant from the state department. Preliminary figures indicate approximately 125 students

throughout the district could be taking one or more classes in vocational education in schools other than the home school. There are courses in house construction, auto mechanics, horticulture, agriculture, office management, machine shop.

A discussion followed on the Emergency Employment Act. Local school districts through the intermediate office have requested funds totaling \$216,000 for employment of personnel. Approval is expected soon.

Salaries for all personnel in the intermediate office will be held to the 1970-71 level except those contracts for psychologists who work year round and were paid at a new rate previous to Aug. 15. This procedure was verified by the board attorney and the State Department of Education.

3 Women Apprehended In Shoplifting

Two of three Muskegon Heights women apprehended by Holland police Friday in connection with alleged shoplifting in Holland stores were held today at the Ottawa county jail in lieu of bonds. The third was released.

Police said the trio was taken into custody after Paul's Jewelry reported a diamond wedding band missing and provided police with a description of three female subjects.

Police took two of the women into custody in a downtown department store and located the third in a 1969 convertible and brought all to the station. Officers said two bags containing an assortment of items was recovered from behind the front seat of the car. The items included a ring, four pair of shoes, three tapes, a pant suit and assorted children's clothing.

Officers said tags on the items indicated they were from about five stores in downtown Holland. The items were valued at about \$300.

Demanding examination to a charge of larceny from a building was Mildred Elaine Kindie, 23. She was held in lieu of \$2,500 bond.

Fanny Mae Williams, 20, demanded examination to a charge of concealing stolen property and was held in lieu of \$2,500.

A third woman, Ollie Mae Johnson, 25, was released after a court appearance.

Truck Hits Power Lines, 1 Injured

Theodore Lightfoot, 47, of Burlington, Wis., suffered burns and shock when a metal boom on a bulk feed truck he was operating struck power lines at the Tulip City Duck Farm along 144th Ave., ¼ mile north of Quincy St.

Lightfoot was treated at Holland Hospital and released.

Ottawa county deputies said Lightfoot swung the boom around and struck power lines carrying 4,800 volts of electricity. He was knocked to the ground from where he was standing operating the boom.

The mishap occurred this morning at 8:42 a.m.

Cancer Unit Elects New Officers

The annual meeting of the board of directors, Ottawa County Unit of the American Cancer Society was held at the North Side Peoples State Bank Monday.

Election of officers and nominations of new board members were conducted by the president, Lee Kleis. New members elected to the board are Kurt Wipperfurth and John Lepard of Grand Haven, Dr. Roger Gemmen, Zeeland physician residing in Holland, and Mrs. Jacob Vander Laan of Jenison.

Elected to office were Joe McCrea of Grand Haven, president; Mrs. Andrew Dalman of Holland, vice president; Henry Holthuis of Holland as treasurer; Mrs. Eleanor Brunzell, executive secretary of the Holland office, and Mrs. Catherine Clark, executive secretary of the Grand Haven office. Kleis retired after serving for three consecutive years as volunteer president of the local unit.

The board has made substantial increases in the unit's service policy to patients. Medication will be increased from \$120 to \$150 per year; nursing care to be increased from \$60 to \$80 per year; transportation to be increased from \$30 to \$45 per year and diagnostic X-ray (in place of medication) is increased from \$60 to \$75 per year.

Announcement was made of the purchase of four new public education films entitled "The Embattled Cell," "Cracking the Code of Life," "In a Medical Lab," and "Recovery After Mastectomy." These films will be available soon to any school or organization.

The Ottawa County Unit service report showed that there are currently 130 patients being serviced with 21 new patients registered within the last three months. Volunteers made a total of 430 dozen dressings and 206 incontinent pads, 180 dozen dressings and 181 incontinent pads were distributed.

Twenty-seven patients were issued a total of 1,700 stoma bags and eight patients received sick room equipment on loan basis. Seven patients received transportation aid and 16 volunteers provided rides for patients. Two were given nursing care and six women were serviced with the Reach to Recovery rehabilitation program. Twenty-nine patients were given medication assistance. There were 1,703 pieces of literature distributed, 31 posters placed and 3 exhibits.

The annual awards presentation for volunteers will be held on Nov. 8 in Grand Haven and eligible awardees will be notified by letter.

Attending the board meeting from Holland were Kleis, Jack Oosterbaan, Holthuis, Mrs. Brunzell, Dr. Arnold Dood, Mrs. Edward Herpolsheimer, Mrs. Albert Janssen, Miss Emma Sand and Dr. Roger Gemmen.

Chief's Car Struck

A police cruiser operated by Chief Charles L. Lindstrom

was struck by another car along Eighth St., 300 feet west of River Ave. at the police station Wednesday at 3 p.m. Lindstrom was emerging from the west drive of the station when a car operated by Raymond Harry Williams, 30, of 521 West 20th St., backed from a parking place into the side of the cruiser.

Police said the car was taken into custody after Paul's Jewelry reported a diamond wedding band missing and provided police with a description of three female subjects.

United Fund Sets Kickoff Dinner

Salvation Army Col. Sallie Chesham, a Detroit native and a third generation Salvationist, is scheduled to keynote the kickoff dinner 6:30 p.m. Thursday, Sept. 30 at the Holiday Inn of the Greater Holland United Fund campaign.

Col. Chesham, appointed to Special Services section in the Eastern Territory, completed three and one-half years of duty in Chicago where she directed the Old Hat inner city program.

The program included a drop in center for teenagers, children's and women's work, emergency aid to community families and Sunday school.

An author, Col. Chesham has written more than 300 feature articles, stories, booklets, brochures, plays and pageants.

Her most recent book, Walking with the Wind, won the Chicago Poetry Award in 1970. A book based on her Chicago work, Trouble Doesn't Happen Next Tuesday, is scheduled for publication next spring.

Col. Chesham is listed in Who's Who in Women of America and is an honorary member of the London Women's Press Club. Her writings have been published in several countries including Britain, Holland, Canada and Sweden.

More Plans Set for 125th Anniversary

Further plans for observing Holland's 125th anniversary in 1972 were discussed at a meeting of the anniversary committee Tuesday night in City Hall. Co-chairmen of the year-long celebration are Councilmen Al Kleis Jr. and John Bloemendaal.

There was considerable discussion on staging an art contest in the three high schools for a design which could be used on the cover of church bulletins Feb. 6, the date closest to the Feb. 9, 1847, date when Dr. A. C. Van Raalte and his scouting party arrived here. This design could be used as a logo for other anniversary events.

Dr. Bastian Kruijthof, chairman of the committee arranging the Feb. 6 afternoon service in Dimment Memorial Chapel said college musical organizations will provide choirs and organists.

There is a strong possibility the committee will arrange an all-dutch service at a later time including Dutch psalm singing. The Pillar Church, the first church erected in Holland, was suggested for this service.

Mrs. Roy Klompars presented a long list of possibilities for "Looking Ahead" with the year 1972 acting as a springboard for action on the cultural front. These included more historical markers in the area, an appropriate Dutch museum, establishment of a writers group to collect historical stories on Holland, a Spanish group to share their cultural heritage, a visit of Artrain in 1972, a performing arts bowl, a Dutch carillon tower, Dutch exchange students, preserving historical homes, guide service and hospitality center.

Willard C. Wichers of the Netherlands Information Service spoke again of international exposure to the city's anniversary, the interest shown by Dutch publications, offers of the Michigan Historical Society and the University of Michigan for Dutch displays, and a tie-in with such activities as horse shows.

Wichers envisions the 125th anniversary year as an "umbrella" covering activities throughout the year, tying them in with the historical background of Holland. This would have Tulip Time under an historical theme, a celebration in late summer, and many other activities.

Don Van Reken reported that the Hope College drama department has shown interest in producing an historical drama.

Co-chairman Al Kleis said he had met with the Zeeland committee arranging its 125th anniversary celebration and assured them there will be no conflict in dates. Zeeland is planning a week-long celebration the middle of July.

Hits Parked Car

A car operated by Victor U. Gutierrez, 17, of 492 College Ave., struck a car parked along 24th St. facing east 125 feet west of Prospect Ave. Wednesday at 9 p.m. Police said Gutierrez told them he swerved to avoid an oncoming vehicle. The parked car was registered to Fern Brinks, 898 Paw Paw Dr.

Col. Sallie Chesham

Col. Chesham's husband, Col. Howard Chesham, directs the Eastern Territory Finance Department. The couple has two children.

United Fund campaign workers and others interested in the United Fund are invited to attend the Dutch Treat dinner at 6:30 p.m. Reservations may be made at the United Fund office. The goal for the campaign is \$204,436 and the campaign opens Oct. 1.

Day-Keen Nuptial Vows Said in Calvary Church

Mrs. Roger L. Day

Wedding vows spoken Friday evening united Miss Janice Kay Keen and Roger Louis Day in Calvary Reformed Church. Larry Westrate was organist and Warren Plaggemars sang.

The Rev. Frank Shearer read the rites for the daughter of Mr. and Mrs. Harvey Keen, 815 Mayfield Ave., and Mr. and Mrs. Stanley Day of Port Huron.

The bride was attired in a floor-length gown of ivory miramist designed with long, bishop sleeves and empire waist. Venice lace accented the bodice front, cuffed the sleeves, edged the neckline and bordered the double mantilla veil. A colonial bouquet of ivory roses, yellow sweetheart roses and tinted baby's breath completed her bridal ensemble.

Virginia Day, maid of honor, wore a floor-length gold gown styled with empire waist and long sleeves. Lace flower trim accented the high collar and cuffs and she carried a basket of assorted fall flowers.

The bridesmaids, Karen Vork and Judy Reenders, were attired

in gowns similar in design to that of the honor attendant in shades of burnt orange and loden green respectively. Nancy De Graaf was flower girl.

The groom was attended by David De Gabriele as best man with William Dennison and Kerwin Stark as groomsmen. Larry Keen and Tom Bell seated the guests and Brian Bronkema carried the rings.

The couple greeted guests at the reception in the church parlor where Mr. and Mrs. Clarence Buitendorp presided. Miss Cindy Reenders attended the guest book, Mr. and Mrs. John Moore poured punch and Mr. and Mrs. Jim Hull and the Misses Carol and Maxine Reenders opened the gifts.

The newlyweds will make their home in Houghton where the groom is a senior at Michigan Technological University. The bride attended Muskegon Community College and is a licensed practical nurse.

The groom's parents entertained with a rehearsal dinner at the Eten House.

Miss Patricia Lengkeek Wed to David Overway

Miss Patricia Ann Lengkeek and David Gene Overway exchanged wedding vows in an evening ceremony Friday in Harderwyk Christian Reformed Church. The Rev. Robert Holwerda read the rites and appropriate music was by Mrs. Joan Van Den Bosch, organist, and Mrs. Dorothy Vostad of Voiga, S.D., sang.

Parents of the bride are Mr. and Mrs. Deane Lengkeek, 179 170th Ave., and the groom is the son of Mr. and Mrs. Eugene Overway, 516 Marcia Lane.

For their attendants the couple chose Miss Pamela Lengkeek, sister of the bride, maid of honor; Marcia Ploeg, Linda Overway and Patti Overway, bridesmaids; Mark Buter, best man; Gerald Lengkeek, Jon Ditmar and Michael Lengkeek, groomsmen; and Terry Brink and Keith Overway ushers.

Escorted by her father, the bride wore a floor-length gown of silk organza with Venice lace accenting the empire bodice,

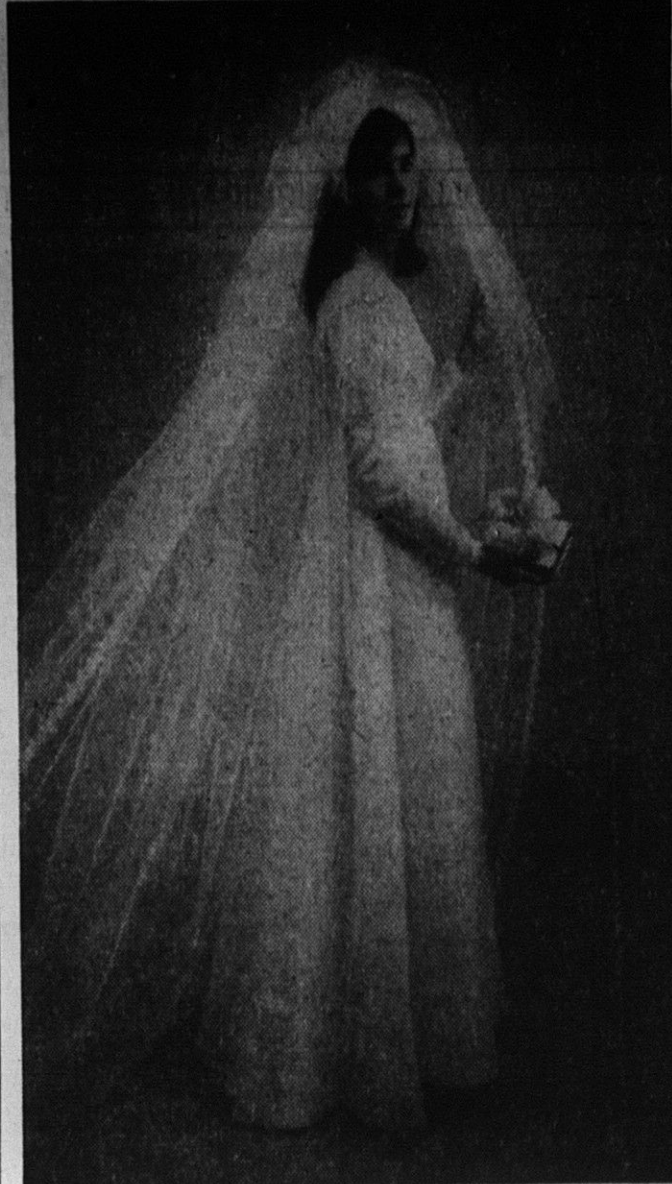

sleeves and A-line skirt and forming the train. Her illusion veil fell from a camelot headpiece trimmed in lace and she carried a white Bible, a gift from the groom's parents, with orchids and lily-of-the-valley.

The bride's attendants were attired in floor-length crepe gowns styled with flowered skirts and pale blue bodices. Each carried a semi-colonial bouquet of blue carnations and lilac tinted sweetheart roses and each wore matching roses in her hair.

Mr. and Mrs. Stewart Harrington presided at the reception in the church parlor where Miss Luane Klies and Rich Vostad poured punch, Miss Ann Houtman and Craig Overway registered the guests and Miss Lynn Elliott and Mark Klunge opened the gifts.

The couple will be at home at 2473 Division St. following a northern honeymoon.

The bride is employed at Eberhard's and the groom works for Modern Partitions.

Nuptial Vows Exchanged In Double-Ring Ceremony

United in marriage Thursday at 7:30 p.m. in the Calvary Reformed Church were Miss Judy Kay Arens and David Lee Beukema. The Rev. Howard Maatman performed the double-ring ceremony and the music was provided by Mrs. Edward Ervin, organist, and Norman Vredevel, soloist.

Mr. and Mrs. Henry Arens, 127 Spruce Ave., are the bride's parents and the groom is the son of Albert Beukema, 8674 Riley, Zeeland, and the late Mrs. Beukema.

The bride, escorted to the altar by her father, was attired in a floor-length gown of sata peau featuring an empire bodice with scalloped Venice lace around the moderately scooped neckline and cuffs of the Victorian sleeves. Her mantilla edged in the Venice lace fell from a face framer headpiece and she carried a white Bible with red roses.

Miss Audrey Helen Arens was chosen by her sister as maid of honor. She wore a yellow nylon sheer gown over taffeta with empire bodice and short puffed sleeves accented with hand-sewn daisies on the bodice and sleeves and also running from the hemline on the front and back. Matching ribbon accented her white picture hat with matching bow. She carried a matching pompon. Wearing similar gowns and accessories were the brides-

maids, with Mrs. Gary Ten Harmsel and Miss Debbie Pelon, also sisters of the bride, in turquoise and pink respectively.

The groom was attended by Terry Bekius as best man, Marvin Vander Kooi and Jerry Mead, brother of the bride, as groomsmen. The ushers were Gary Ten Harmsel and Marvin Vander Kooi.

The Tulip Room of the Hotel Warm Friend was the setting for the reception which was presided over by Mr. and Mrs. Roger Prince. Other attendants were Mr. and Mrs. Lyle Arens at the punch bowl, Tamela Arens at the guest book, and Mr. and Mrs. Ronald Bakker and Mr. and Mrs. Roger Behrens in the gift room.

The newlyweds will reside at 8674 Riley, Zeeland, following a northern wedding trip. The bride is employed as a cashier at Meijer Thrifty Acres and the groom, who served in the Armed Forces, is employed at Ottawa Building Components.

The rehearsal dinner was given at Jay's Restaurant by the groom's father. Hostesses at pre-nuptial showers were Mrs. Harold Beukema, Nance Beukema, Mrs. Richard Pelon, Debbie Pelon, Mrs. Gary Ten Harmsel, Mrs. John Ten Harmsel and Audrey Arens, Mrs. David Moore Jr., and Tressa Moore.

Baumann-Vander Kamp Vows Recited Thursday

Mrs. Theodore A. Baumann

(Eisenberg photo)

Wedding vows of Miss Barbara Lynn Vander Kamp and Theodore A. Baumann were solemnized Thursday evening in Maranatha Christian Reformed Church before the Rev. Warren Bovenkirk, brother-in-law of the groom. Providing the music for the ceremony were Miss Shirley Gritter, organist; Herm Kolk, soloist, and Herschal Kuipers, trumpeter.

Mr. and Mrs. Glenn Vander Kamp, 76 West 38th St., are parents of the bride and the groom is the son of Mrs. Egbert Baumann, route 4, and the late Mr. Baumann.

The bride wore a floor-length gown of sata-peau featuring an empire bodice with bishop sleeves trimmed with chantillace. The A-line skirt with motifs on the front panel had hem ruffling of the fabric and lace. Her train mantilla was chapel-length edged with chantillace and scattered medallions. She carried a bride's Bible given to her by her sisters.

For her maid of honor the bride chose her sister, Miss Sherry Vander Kamp. She was attired in a multi-colored gathered floor-length skirt with matching sash, a gold sheer blouse with bishop sleeves and high neckline and a gold picture hat with bow of skirt coloring. She carried a wicker basket with gold flowers.

The gown of the bridesmaid, Mrs. Delvin Vander Poppen, was styled similarly to the maid of honor with an olive green blouse and picture hat.

A burnt orange blouse and picture hat complemented the attire of the junior bridesmaid, Miss Debbie Vander Kamp. They both carried wicker baskets with orange-tinted flowers.

The groom's brother, John Baumann, attended him as best man and the groomsmen were Joe Benston and Delvin Vander Poppen. The guests were seated by Dave Baumann and Ken Vander Kolk.

The newlyweds greeted guests at a reception in the church. Master and mistress of ceremonies were Mr. and Mrs. Richard Kappenga and the punch bowl attendants were Mr. and Mrs. Kendall Vander Kamp. Joey Benston and Mike Vander Kamp registered the guests while the gifts were opened by Jacki Fredericks, Dave Vander Kamp, Betty Vander Kolk and Steve Hires. Mrs. Cal Breuker was the bride's personal attendant.

The couple planned a wedding trip to southern United States.

The bride is employed as a nurse by Holland City Hospital and the groom is employed by General Electric.

Couple Living in Holland After New York Rites

Mrs. Roger Lee Jones

Mr. and Mrs. Roger Lee Jones have returned from a wedding trip through the Adirondack Mountains in New York and are residing at 293½ Lincoln Ave. The couple was married Aug. 28, in the United Third Methodist Church in Sodus, N. Y. by Dr. Floyd Gules. Mrs. Fred Scurrah was organist and Miss Florence Gallagher, soloist.

The bride is the former Miss Elizabeth Everson, daughter of Mr. and Mrs. Edward A. Everson, Sodus, N. Y. Parents of the groom are Mr. and Mrs. Don Jones, 275 West 30th St. For her wedding the bride chose an empire gown of white cotton eyelet with bishop sleeves. Her fingertip-length veil of silk illusion fell from a headpiece which matched her gown. The bride carried a bouquet of white roses and baby's breath on a white Bible which her mother carried in her wedding.

The maid of honor, Miss Phoebe Lynn Everson wore a floor-length gown of green and white print with puffed sleeves, white satin sash and pearl choker. The bridesmaids, Deborah Clinton, Mrs. Gregg Harter and Norma Pittman wore similar sleeveless gowns. They carried long-stemmed white roses and baby's breath.

Donald Viel attended the groom as best man and the groomsmen were Tom Jones, Gregg Harter and Jack Eggen-schweiler. The ushers were John Everson and Larry Levey.

A reception was held in the church parlors with a wedding buffet supper following at the home of the bride.

The bride was graduated from Hope College where she majored in English and French, and is presently employed by Dr. William Rucker in Holland. The groom is completing his senior year at Hope, majoring in sociology.

Mrs. Terry Lee Van Eyck

Vows Are Exchanged In Big Rapids Church

Miss Sandra Kay Wiggins, daughter of Mr. and Mrs. Virgil Wiggins of Paris, and Terry Lee Van Eyck, son of Mr. and Mrs. Thomas Van Eyck, 824 West 25th St., were married Saturday evening in the United Church of Christ, Big Rapids, by the Rev. Burton Erickson in a double-ring ceremony.

Given in marriage by her father, the bride wore a floor-length gown of white chiffon over satin with full sheer chiffon, long sleeves. The bodice was pleated and centered with tiny covered buttons. Her train, trimmed with embroidered lace, was attached at the empire waist. She carried a cascade of white carnations with lavender miniature carnations.

Mrs. Michael Wilkinson of Paris, matron of honor, and Miss Jacqueline Bourgoyne of Pontiac, cousin of the bride and bridesmaid, wore gowns with

shaded lavender daisies embroidered on lavender organza over lavender taffeta featuring high rise bodice accented in the back with satin bows and streamers. They wore small lavender bows in their hair.

The groom was attended by Kenneth Voss of Lowell as best man and his brother, Randy Van Eyck, as groomsman. The guests were seated by Jerry Rodgers of Peck and Terry Klomparsens of Holland.

The newlyweds greeted guests at a reception at Lincoln Hall in Reed City before leaving on a wedding trip to Mackinac Island. They will make their new home in Big Rapids.

The bride, a graduate of Ferris State College, is employed by the Mecosta County Park Commission, and the groom is presently a student at Ferris State College.

The rehearsal dinner was held at the Country House.

Mark 45th Anniversary

Mr. and Mrs. Elmer Schipper

Mr. and Mrs. Elmer Schipper of 268 West 16th St. are observing their 45th wedding anniversary today.

Their children are Warren, Donald, Jerry and Mrs. Dave (Carol) Brink of Holland, Rev. Howard Schipper of Grand Rapids, Rev. Earl Schipper of Middleville and Mrs. Carl (Judy) Borgman of Stockton, Calif. There are 15 grandchildren.

Miss Brenda Yff Is Wed To Thomas Branderhorst

Mrs. Thomas E. Branderhorst

Wedding vows were exchanged Saturday by Miss Brenda Sue Yff and Thomas E. Branderhorst in Park Christian Reformed Church. Appropriate music was provided by Mrs. Harriet Vander Bye, organist, and Irvin Smith, soloist.

The Rev. John Houseward officiated at the 5:30 p.m. ceremony which united the daughter of Mr. and Mrs. Henry Yff, 1516 South Shore Dr., and Mr. and Mrs. Harold Branderhorst, 486 West Lakewood Blvd.

Attending the couple were the bride's sister, Miss Sandra Ruth Yff, and the groom's brother, Timothy Branderhorst, William Niekerk and Jay De Boer served as ushers.

The bride's floor-length brocade gown featured an empire waist, scoop neckline, fitted bodice, gathered skirt and triple puffed sleeves with the sleeves and waist trimmed with alencon

lace. She wore a small arrangement of white and blue flowers and ribbons in back of her hair and carried a white satin Bible with white and ice blue ribbons and white stephanotis.

Her attendant wore a floor-length gown of pale yellow brocade with empire waist, peter pan collar and long puffed sleeves, and carried a small colonial arrangement.

Both the bride's and maid of honor's dresses were designed and made by their grandmother, Mrs. Richard Molenhouse of Evergreen Park, Ill.

Carusel Mountain was the setting for the reception, after which the couple left on a wedding trip to northern Wisconsin. They will make their home at 257 East 32nd St.

The bride is employed by Baker Book House and the groom by Lakewood Construction Co.

Dutch Trip West Ottawa

Quarterback Steve Bonnette passed for two touchdowns and ran in both extra points to lead Holland's reserve football team to a 16-6 victory over West Ottawa Friday afternoon.

Carl Kramer was on the receiving end of Bonnette's first TD pass in the second quarter by running 60 yards for the score.

West Ottawa tallied on an eight-yard counter-play run in the third period by Gary Gaskill but the run for the PAT failed, as Holland led, 8-6.

The Dutch scored with only one second to play in the game on a 40-yard pass-run combination from Bonnette to Clark Kuiper.

Holland's offense never got inside the Panthers 30 on the ground as tackle Dan Brand was "just terrific" according to West Ottawa Coach Doug Waldron.

Bruce Kruihof gained more than 100 yards for the Panthers on the ground from his quarterback spot.

Son of 'Dolly' Wins Title Role In Movie 'Jory'

Robby Benson, 15-year-old son of Ann (Dolly) Benson and her writer husband, Jerry Segal, has just landed the title role of "Jory" in a movie to be made in Durango, Mexico over a period of approximately 14 weeks. The movie is from the book by the same name.

Young Benson, who is currently appearing on Broadway

Robby Benson

in "The Rothschilds" as Solomon, the youngest, is also in the television soap opera "Search for Tomorrow."

Familiar to Red Barn Theatre audiences as "Oliver" in the musical and also in "The King and I," Benson will get in two weeks of horseback riding and gun practice before filming starts on Nov. 17.

His mother, Ann Benson, says it is such a terrific opportunity for him because the director is Howard Minsky, who produced "Love Story."

An announcement in Daily Variety, the Theatre paper announced Benson's selection for the role from among 30 who applied. He and his family were here in Saugatuck for his mother's performance as Dolly in "Hello Dolly" in August.

WASHINGTON AND LINCOLN
By quite common consent, two of our most honored presidents in our history as a nation are George Washington and Abraham Lincoln. Washington played a great part in the adoption of the Constitution. Lincoln's reverence for the Constitution is well illustrated in this excerpt from one of his speeches.

"Let every American, every lover of liberty, every well-wisher to his posterity swear by the blood of the Revolution never to violate in the least particular the laws of the country, and never to tolerate their violation by others. As the patriots of '76 did to the support of the Declaration of Independence, so to the support of the Constitution and laws let every American pledge his life, his property, and his sacred honor.

"Let every man remember that to violate the law is to trample on the blood of his father, and to tear the charter of his own and his children's liberty. . . Let it be taught in schools, in seminaries, and in colleges, let it be written in primers, in spelling books and in almanacs, let it be preached from the pulpit, proclaimed in legislative halls, and enforced in courts of justice.

"And, in short, let it become the political religion of the nation, and, in particular, a reverence for the Constitution." Small wonder that it has been said: "The Constitution is the civil bible of Americans."

God Gives Meaning to Life
Psalm 73: 1-3, 16-17, 21-26;
Ephesians 1: 9-10
By C. P. Dame

Today many young people are searching for a meaningful life. The way some adults live does not appeal to them and, hence, they are looking around. It is timely to tell them that Christianity gives real meaning to life.

I. Some problems stay. Psalm 73 is familiar to Bible readers. The writer had a problem. He was God-fearing and believed in piety and the practice of God's laws and the external observances of worship. The wicked prospered and this made him envious. They got away with everything and became popular regardless of their violence, corruption and bragging. Job was troubled too because the robbers prospered and Jeremiah could not understand why the wicked prospered and no doubt many others were also puzzled. Today the same problem persists and the questions of the godly of another age are still with us.

Some employes work hard and are honest, but others who know how to play the game win promotions. In business, in the professional world, in politics, in the church world too at times, those who step aside a bit seem to go places. Does it pay to be honest? Why not get all you can while the getting is good?

II. Problems affect our attitudes to life. Some become bitter when problems pile up and they ask why? "But when I thought how to understand this—the task was wearisome and some find it that way now. Some turn to alcohol, pleasure, work, sex or something else, but the psalmist went to church. Why there—that stuffy place? There he got a better view of life. The wicked prospered for a short time. Instability and in security marked their lives. After looking at the wicked, he took a better view of himself, confessed his folly and realized that he was ever present with the Lord and so he left God's house a new person. Many others have had a similar experience. In some old church buildings great things have happened.

III. Christ is the answer to life's problems. A few verses from Ephesians 1 are a part of the lesson text: "For He has made known to us in all wisdom and insight the mystery of His will, according to His purpose which He set forth in Christ."

The word "mystery" in Paul's writings refers to a truth hidden but finally revealed—the fact that God chose Gentiles to salvation. This was due to God's sovereign grace. God has a plan and He is carrying it out. Those who believe in God find life meaningful. Have you found it that way?

LSI Stresses Control Of Air Pollution

Special attention will be given in the field of pollution controls in the new addition announced Monday for Home division of the Lear Siegler facility in Holland's southside park.

Home Division President Clarence Becker said considerable space will be devoted in the new 100,000 square foot addition to a laboratory for testing and research in climate control in both summer and winter.

Dan McVickar who heads engineering explained the testing and research is geared to deliver comfort in the home in temperature, humidity and air purification. Providing furnaces and cooling devices in oil, gas and electrical products for mobile homes presents a special challenge in that the product usually ends up hundreds and thousands of miles from home base, McVickar said. An acoustics laboratory also is included.

The new addition is designed to double the output of Home division which produces furnaces and cooling devices for mobile homes, modular homes and residences.

Becker said Home Furnace is 56 years old. The present plant in the industrial park was completed in October of 1969 and employs some 450 persons, 300 of them production workers. With the use of continuing automated machinery, Becker said it was not determined how many new jobs the addition would create. The new addition has been 12 months in the planning, he said.

Becker thanked the Chamber of Commerce, the Holland Economic Development Corp., the city of Holland for cooperation in the new venture. The announcement was made at a luncheon at Point West with company officials, representatives of the city and Chamber of Commerce, plant officials and news media.

UMMM, GOOD! — Here are some of the people attending Holland's sixth annual community ox roast, looking east on Windmill Island to the imported Dutch carousel, a new attraction this year. Succulent roast beef sandwiches featured a picnic menu. Serving lines for beverages are shown just beyond the white picket fence. Features of the day

were a Hope College football game in nearby Riverview Park, visits to the 200-year-old Windmill De Zwaan, viewing the Windmill Island film in the post house, visits to Little Netherlands, and for the young — rides on the carousel.

3,800 Attend Ox Roast Here

An overcast but otherwise "dry" day set the stage for a successful community ox roast Saturday which attracted some 3,800 persons to Windmill Island.

The annual event, sponsored jointly by the city of Holland and Hope College, was the sixth such picnic staged here and the fourth on Windmill Island. An added attraction this year was admittance to the opening Hope College football game of the season, bringing an added 3,300 fans to nearby Riverview Park, making it the largest opening attendance for a Hope game.

A Time-Life photographer was on hand to photograph ox roast activities to include in an updated documentary film on Windmill Island which is shown to Windmill Island visitors in a small theatre in the post-house.

Young visitors had free rides on the 60-year-old imported Dutch carousel, a new attraction this year on Windmill Island.

A German band, elements of Henry Vander Linde's American Legion band, provided music.

City officials, members of boards and commissions and Hope College administrative

personnel volunteered on serving lines.

Hope College food service arranged for the food and Dick Machiele, now retired as agricultural agent of Ottawa county, supervised the roasting of a young steer, raised by a 4-H student. Additional rounds of prime beef were needed to serve the large crowd.

Windmill Island was colorful with a profusion of fall flowers. While the day was overcast, there was no rain during the ox roast serving hours. A few sprinkles fell around 7 p.m., keeping Holland's rain record for ox roasts intact. There has been rain at all six ox roasts.

City Manager William L. Bopf who coordinated arrangements, said the cooperation on all fronts was tremendous. Local businessmen, donors of

fresh produce and other services.

Nine Students From Area Are National Merit Semifinalists

Approximately 15,000 of the nation's intellectually talented high school seniors have been named semifinalists in the 1971-72 National Merit Scholarship competition. They will compete for about 3,000 Merit Scholarships to be awarded in the spring of 1972.

The semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMQT), which was given last February to more than 655,000 students in about 16,000 schools nationwide. They constitute less than one per cent of the graduating secondary seniors in the United States.

The semifinalists are representative of the country's most intellectually able young people, according to Edward C. Smith, president of the National Merit Scholarship Corporation (NMSC). "From this group will come many future leaders in business, industry and the professions," he said.

Semifinalists must advance to finalist standing to be considered for the Merit Scholarships to be awarded next spring. Semifinalists become finalists by receiving the endorsement of their schools, substantiating their high NMQT performance on a second examination and providing information about their achievements and interests.

About 96 per cent of the semifinalists are expected to become finalists, and each will be considered for one of the 1,000 National Merit \$1,000 Scholarships which are allocated by state. Many will also be considered for the renewable four-year Merit Scholarships provided by some 500 corporations, foundations, colleges, unions, trusts, professional associations, other organizations and individuals. Each finalist will receive a Certificate of Merit in recognition of his outstanding performance in the program.

Winners of the four-year Merit Scholarships may receive up to \$1,500 a year for four college years, depending on their individual need. Winners of the National Merit \$1,000 Scholarships will receive their non-renewable one-time awards upon enrollment as full-time students in accredited U. S. colleges and universities.

High school grades, accomplishments, leadership qualities and extracurricular activities of the finalists are evaluated, along with test scores, in selecting Merit Scholarship winners.

NMSC identifies the semifinalists to all regionally accredited colleges and universities and to certain scholarship-granting agencies and other sources of financial aid. Studies in former years have shown that about half of the semifinalists received financial aid

from sources other than the Merit Program.

Names of the winners in the 1971-72 Merit Scholarship Program will be announced next spring. Some 28,000 students have received Merit Scholarships in the 16 annual programs to date. About \$181 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the Merit Program.

Nine students from the Holland area have been named semifinalists this year and will have the opportunity to achieve finalist status.

Named from Holland High School were David W. Chamness, Judith E. Kammeraad, Cheryl J. Peterman and Mary E. Townsend.

Chamness, 17, is the son of Dr. and Mrs. James K. Chamness, 609 Graafschap Rd., and is a member of First United Methodist Church. He is an alderman on the HHS Student Council and also participates in orchestra and choir. His hobbies include acting and raising Guinea pigs. Chamness plans to attend a small college to major in one of the social sciences after which he hopes to do research into the how and why of human character and to develop curriculums to help children make the most of their potential.

Miss Kammeraad, 17, is the daughter of Mr. and Mrs. Howard Kammeraad, 90 East 38th St. Among her school activities are National Honor Society, band and Girls' Athletic Association. She is interested in swimming and skiing and hopes to attend the University of Michigan. Miss Kammeraad attends Christ Memorial Reformed Church.

Miss Peterman is 17 years old and is the daughter of Dr. and Mrs. Glen O. Peterman, 99 West 11th St. She is as yet undecided as to which college she will attend. Miss Peterman is active in orchestra and choir at school and is a member of the RCYF of Hope Reformed Church where she is an assistant Sunday School teacher. During the past summer, she attended Interlochen National Music Camp.

Miss Townsend is the 17-year-old daughter of Mr. and Mrs. James Townsend, 15 West 25th St. She is a member of National Honor Society and is business manager of the Holland High School Herald. Interested in politics, Miss Townsend hopes to attend the Liberal Arts College of the University of Michigan.

Semifinalists named from Holland Christian High School were Rick L. Homkes, Craig A. Lemmen and Cindy L. Van Slooten.

Homkes, 17, is the son of Mr. and Mrs. Russel Homkes, 500 West 32nd St., and has

won varsity letters in cross country, wrestling and track. He plans to study biology at Northern Michigan University.

Lemmen, 16-year-old son of Mr. and Mrs. Marvin Lemmen, 48 East 33rd St., has been a member of his school's golf team for three years. He is undecided as to a college but would like to study medicine.

Miss Van Slooten, 17, is the daughter of Mr. and Mrs. Ronald Van Slooten, 652 Washington Ave. She is a member of concert and pep bands, National Honor Society and choir and is a Pinkie at Holland Hospital. She is president of Prospect Park Christian Reformed Church's Young People's Society and is a member of the TIME Team.

Miss Elaine J. Gelder and Miss Susan K. Nanninga were named semifinalists from Unity Christian High School, Hudsonville.

Miss Gelder, 17, is the daughter of Mr. and Mrs. Bernard Gelder, 6215 Chicago Dr., Zeeland. She is a member of her school's Ski Club and Future Nurses Association and works as a Pinkie at Zeeland Hospital. An officer in the Beaverdam Christian Reformed Church Young People's Society, Miss Gelder says she'll probably attend Calvin College to work toward a BS degree in nursing.

Miss Nanninga is 17 years old and is the daughter of Mr. and Mrs. Norman Nanninga, route 1, Coopersville. She is vice president of Lamont Christian Reformed Young People's Society, is a member of the Madrigals, chairman of the Student Council Charity Committee and is chairman of the Movie Committee. She plans to attend Calvin College.

Couple Exchanges Vows In Grand Rapids Church

Mrs. Robert Zwiers Jr. and Mr. Robert Zwiers Jr. are making their home in Big Rapids following their marriage on Sept. 11 in the Eastminster Presbyterian Church in Grand Rapids.

The bride is the former Jane Lee Dommer, daughter of Mr. and Mrs. Ward A. Dommer of Grand Rapids, formerly of Holland, and the groom is the son of Mr. and Mrs. Robert G. Zwiers of 1009 Bluebell Dr.

The candlelight service at 7:30 p.m. was performed by the Rev. Edward Brigham.

The bride, given in marriage by her father, wore a white organza skimmer gown with high rise bodice and peau d'ange lace, centered with buttons extending down the front from the high neckline to the hemline. The lace also trimmed the cuffs of the bishop

sleeves as well as the detachable cathedral train. She wore a matching camelot of lace which secured the bouffant bridal illusion veil. Her bouquet included an orchid, surrounded by stephanotis. Assisting as her honor attendant was Kathy Faught of Livonia while Debra Evenson of Troy, Diane Zoerhoff and Linda Zwiers, both of Holland, were bridesmaids.

Attending the groom as best man was Dave Zwiers and seating the guests were Richard Dommer, Philip Dommer and Charles Lemson.

Following a reception in the church the newlyweds left on a northern wedding trip. The groom is a student at Ferris State College and the bride is employed as a nurse in the hospital in Big Rapids.

No Date Set For Parking System

By Linda Klungle

No date has been set yet for the city's conversion to a validated parking system, according to Terry Hofmeyer, assistant to the city manager.

The program has been okayed by City Council, he said, but completion of conversion procedures dictates the time of the plan's implementation.

The program, which is completely under the control of the city government, had been suggested in the past by both the city and downtown merchants and, as a result, it is difficult to say exactly where the idea originated.

The validated parking system would involve an attendant controlled lot in which motorists would receive time tickets on entry and would pay for time elapsed upon return to their vehicles. Two main advantages of this system, Hofmeyer said, are that there would be no meter expense and there would be no need for a police officer to patrol the area to ticket overtime parking.

Validated parking would also stimulate downtown business, Hofmeyer said, by enabling merchants to offer a kind of "free parking." In conjunction with the program, he said, many merchants will adopt a policy of giving tokens or stickers to help pay for parking for individuals who patronize their stores. Depending on store policy, merchants have spoken of giving tokens for meters or stickers for validated lots in return for a given amount of purchases. For example, a store may establish a policy by which it gives any customer purchasing at least \$2 worth of goods a token worth 5 cents in a meter or 5 cents off the cost of parking in a validated lot. Stickers would be attached to the ticket from the lot and tokens would be good any time.

The new plan will result in an increase in the total number of parking spaces near the downtown business district through construction of additional validated lots and storage lots, Hofmeyer pointed out, adding that the total number of new lots is unknown because the city has not attempted to purchase land for them. However, he said, conversion to validated parking could begin soon in the lot on Seventh St., east of River Ave., because that lot is owned totally by the city. The other presently proposed lot on Seventh St. at College Ave. will have to be negotiated because, although the city owns a portion, most of the lot is leased from the owner.

Among recommendations submitted by City Manager William L. Bopf for the parking

plan is authorization to expend up to \$750 from the Parking Meter Fund to purchase parking meter tokens which would, in turn, be sold to merchant's who would distribute them to customers. Present meters can be converted to accept tokens as well as coins, Hofmeyer said.

Bopf also recommended the purchase of a storage-type lot on Seventh St., east of College Ave. Such a lot, skirting the central business district, would provide all-day parking at a flat fee for persons employed in the city or other persons who need a place to park for an entire day.

Various revisions in metered parking are in the offing as a part of the new program, Hofmeyer said, and include increasing parking meter charges to 5 cents for one-half hour and 10 cents per hour. In attended lots the charge would be 10 cents for each of the first two hours and 20 cents for each additional hour, and in storage lots a charge of 50 cents would cover all-day parking from 7 a.m. to 10 p.m.

Among other revisions are the elimination of all penny meters with the exception of those in front of the Post Office and the increase of parking fines to \$1 from 50 cents.

Effective next July 1 the operation and maintenance of all non-revenue bearing parking lots will be removed from the Parking Meter Fund and placed in individual funds. For example, parking lots at the Civic Center and Herrick Public Library will not be metered but their maintenance costs will be taken from funds set aside for the facilities they serve.

No decision has been made on the subject of presently non-metered streets, Hofmeyer said, but they will probably be metered eventually.

Better city control of parking lots is only one positive aspect of the new program, according to Hofmeyer, who pointed out that if and when Holland develops a downtown mall, there will be no parking on Eighth St. from River to College avenues, making additional parking in the surrounding area imperative. Another, not only positive but practical, aspect is the good public relations opportunities the program will afford both the city and the merchants, he concluded.

In some criminal proceedings where specialized knowledge of a certain kind is needed to deal with a specific case, a "special jury" is impaneled from persons who possess the requisite knowledge.

CITY HALL BRIEFING—Thirty members of a Senior Seminar in Foreign Policy for the Department of State gathered in the mayor's office in City Hall Thursday afternoon to study functions of a smaller city in relation to city government.

State Department Group Visits City

Functions of government operations in a smaller city and how it relates to local, state, national and international events provided the basis for a two-day visit of a Senior Seminar in Foreign Policy for the Department of State, ending today.

Most of the visitors were from the Department of State ready for foreign assignment. Others came from such other agencies as Agriculture, Treasury, Commerce, CIA and the armed forces. Willard De Pree of the Department of State, formerly of Zeeland, served as deputy coordinator.

The brief two-day session opened with an assembly Thursday afternoon in the mayor's office in City Hall with Mayor L. W. Lamb Jr., City Manager William L. Bopi, Police Chief Charles Lindstrom and Willard C. Wichers of the Netherlands Information Service as resource persons. Then the group spent an hour in The Sentinel newsroom, followed by a picnic at Holland State Park.

Friday's events included a drive around Windmill Island en route to the Big Dutchman in Zeeland for a session with Jack De Witt, chairman of the board, and a visit to Hope College for a session with Dr. John Hollenbach, Department of English, followed by a meeting with Frank Sepeda and Yolanda Alvarado, spokesmen for the Spanish speaking community.

Local events closed with a no-host (Dutch Treat) lunch at Holland Country Club with civic leaders of Holland.

Some of the visitors accompanied local police on night patrols Thursday night.

Hamilton

The annual fishing rodeo, sponsored by the Hamilton Rod and Gun Club, was held Sept. 11 at the Hamilton Dam. Larry Lubbers won a rod and reel for first place with his catch of a northern pike. Second place prize was a spin cast rod, won by Mart Waldering. The third place award of \$5 was won by Scott Brown. Area merchants donated many of the prizes. Following the rodeo, watermelon was served to the "young" fishermen.

All members with their wives are invited to the Rod and Gun Club meeting to be held on Sept. 28. Club members are asked to bring items for the flea auction. Hunter supper tickets will be available at this meeting.

Harry Elshuis has been in Zeeland Hospital for treatment. Mrs. George Antoon has returned home from Holland Hospital and is recuperating at home.

An inspirational meeting for the entire congregation of the Hamilton Christian Reformed Church will be held Thursday at 7:45 p.m. Mrs. Dalman, chalk artist, and Mr. Dalman and their daughter will furnish musical numbers.

The evening service last Sunday in the Hamilton Reformed Church was held with an emphasis on the beginning of the fall youth program. Four young people shared in the worship service. Hymns were announced by Roger Koops; Tom Lampen led in the responsive reading; Scripture was read by Daryl Boeriger, and the offertory prayer was given by Karen Hulsman. The sermon "What Young People Want" was given by the Rev. John Nieuwma. The Junior Girls' League met Monday evening with the Golden Agers invited as guests. Fred Kleinheksel of Overisel, was the speaker.

The Double Ring Club of the Hamilton Reformed Church will meet Thursday for a program, "The Bible Has the Answer," conducted by the pastor.

Mrs. Ralph Haverdink was hospitalized last week.

A family gathering was held last Friday evening at the home of Mr. and Mrs. Allen Dangremont of Allegan in honor of Dr. and Mrs. Chester Dangremont of California. Attending were Mr. and Mrs. Harold Dangremont of Hamilton; Mr. and Mrs. Ray Dangremont, Mr. and

Mrs. Don Slichter and Mr. and Mrs. Milton Dangremont of Holland; Mr. and Mrs. Gordon Dangremont, Scott and Dan, of Allegan; Mr. and Mrs. Merton Dangremont of Pine Lake, and Mrs. Ernie Kronberg and Linda of Sturgis.

Guest minister in Haven Reformed Church last Sunday was the Rev. Henry Van Dyk of Grand Rapids.

Dennis Kempfers returned home last Saturday following surgery last Wednesday in Zeeland Hospital.

The baptismal membership of Mrs. James (Muriel Klok) Van Bronkhorst has been transferred from Haven Reformed Church to the Faith Reformed Church of Zeeland.

At a congregational meeting last week in Haven Reformed Church a call was extended to the Rev. Jack Van Heest of the Fellowship Reformed Church of Hudsonville. Rev. Van Heest will have charge of the morning service at Haven next Sunday morning.

The Stuart Noordyk Ensemble will have charge of the evening service next Sunday in Haven Reformed Church. The group is well known in Western Michigan and will present the program, "A Night of Music and Meditation."

The following were elected to serve as class officers of the ninth grade class at Hamilton High School for the coming year: President, Bob Boeve; vice president, Steve Lubbers; secretary, Beth Wolters; treasurer, Sandy Geurink.

GRAND VALLEY STATE COLLEGE FINE ARTS CENTER

New Fine Arts Center At GVSC Opens Soon

ALLEDALE — Musical and theatre events, art exhibitions, classes and lectures will soon fill Grand Valley State College's Fine Arts Center, due for completion this month.

The new hub of GVSC's art, music and theatre departments features exterior brick facading with porcelain enamel facing and tinted glass. Terrazo flooring and paneling highlight the interior.

Facilities of the Center offer students and faculty three large art studios especially designed for such projects as sculpture, painting and printmaking; a small studio theatre for play and dance rehearsals; two large vocal and instrumental rehearsal rooms and individual music practice rooms; theatre costume, practice, and make-up rooms and offices.

A full schedule of events for all residents of the west Michigan area has already taken shape within the Center's beautifully-appointed Louis Armstrong Theatre. Accommodating 490 in plush red upholstered seats, side walls of the theatre are red oak paneling part-way, topped by acoustic reflecting panels behind black adjustable acoustic curtains.

Aisles and back wall are carpeted, while a gold velvet curtain closes on the stage. Partial stage flooring removal will allow facilities for an orchestra pit, or extra seating.

Tarapata, Mac Mahon and Paulson Associates of Bloomfield Hills are the designers of the structure.

West Ottawa Middle School Under Construction

New Site Not Seen From Road

Cluster Concept Designed for 1,300; Occupancy in 1972

Construction is progressing on West Ottawa school district's new Middle School which is being erected on school-owned property about a quarter mile north and west of the present junior-senior high school at Riley St. and 136th Ave.

The new school is in a wooded area not easily seen from any nearby roads, leading people to ask when construction will begin.

Construction started last spring, and the schedule calls for occupancy in September, 1972.

The school is designed with four academic sections around a center core of library, administrative offices and related activities. On one side of this cluster will be a gymnasium and music rooms and on the other side shop, home economics and art departments. Space for a future planetarium lies between the center core and shop buildings.

The new Middle School, designed for 1,300 pupils, will house the sixth, seventh and eighth grades. Junior High Principal Ed Roberts will be the principal. Each academic cluster will serve 325 students. Sixth, seventh and eighth graders will be in all sections.

The Middle School site, previously landlocked, is reached by a new north-south road from Quincy St. a little over a half-mile west of 136th Ave. The right of way was provided by Charles Large.

Placing sixth graders in the new facility will relieve crowded conditions in elementary schools next year.

Contract price of construction is \$3,228,223.

The new school is financed by a bond issue approved by West Ottawa district in 1969. Other improvements include an addition to Glerum Elementary School and remodeling Pine Creek School. Also under the bond issue will be future remodeling and renovating of Beechwood School.

CLUSTER CONCEPT — This air view shows construction progress at the new West Ottawa Middle School which lies about a quarter mile north and west of the present West Ottawa Junior-

Senior High School. Four square academic units are connected to a center core which houses the library, administrative offices and related activities area. To the left is the gymnasium and to

the right is a building for shop, home economics and art departments. The school is designed for 1,300 students, each academic section housing 325. (Joel's Studio photo)

NEW ROAD BUILT — The new West Ottawa Middle School, now under construction, is reached by a new road running south from Quincy St. at a point just over a half mile west of 136th Ave. This air photo shows the present West Ottawa Junior-Senior High School at upper left, the ath-

letic field at top right, and the construction site just below. The white square nearby is a drain field. The new site is not easily seen from traveled roads and can be glimpsed briefly across the athletic field from Riley St. (Joel's Studio photo)

Windmill Island Has \$10,000 Profit

Holland's nationally famous Windmill Island Municipal Park had a net profit of more than \$10,000 in the fiscal year ending June 30, it was announced today.

According to the financial review prepared by John Fonger, city auditor, park receipts for the fiscal year were \$181,723.71, against which there were total expenses of \$171,671.16, leaving a net profit of \$10,052.55.

Fonger's figures showed revenues of \$160,815.07 in gate admissions, at the rate of \$1.50 for adults and 75 cents for

children, and from the sale of merchandise.

An additional \$20,908.64 in revenue was realized as the park's share of commissions on refreshments and souvenirs sold in the concession building under the operation of Alvin D. Bos Vending Co. of Holland.

Expenses came to \$171,671.16. Of this \$108,581.60 was paid in operating costs such as salaries and wages, maintenance, tulip bulbs and other plantings, acquisition of the carousel from the Netherlands, payment of interest to the city on an advance from the capital improvement fund, and various materials, supplies and services.

The balance of \$63,089.56 in expenses was disbursed in keeping Windmill Island's financial obligation payments on schedule. These payments included \$20,000 on revenue bond principal, \$16,025.10 in bond interest, \$64.46 in paying agent fees, and payment of \$27,000 into the reserve requirement.

The reserve requirement fund now totals \$55,000, Fonger reported. The payment plan is set up so that the required total of \$105,000 will be accumulated by 1974. Thereafter, revenues that have been set aside for this fund can be used to continue the development of Windmill Island according to long range plans.

Attendance at Windmill Island this season is expected to reach the 120,000 mark. More than 107,000 paid admissions were recorded in the period from May 1 through Labor Day. Park Director Jaap deBleecourt predicts an additional 10,000 to 15,000 persons will visit the park before it closes for the season at the end of October.

The park opened its gates in 1965. Since then, more than 900,000 visitors from virtually every state have paid their way in to see the reconstructed 200-year-old Dutch windmill "DeZwaan" and the many other attractions in the authentic recreation of a Dutch countryside. At this rate the total attendance will reach the million mark shortly after the park opens next spring, deBleecourt says.

Grand Haven Named in Suit

GRAND HAVEN — The Wharf Marina, located at 500 North Second St. on Grand River, across the south channel of the river from the steam generating plant of the Grand Haven Board of Light and Power, started a suit in Ottawa Circuit Court Friday, claiming a nuisance.

City of Grand Haven was named defendant in the suit and the marina owners claim the electrical power plant operated by the city pollutes, impairs and destroys the surrounding air, water and natural resources.

The plaintiffs cited in particular an open pile or reservoir of loose coal near the plant and claim that coal and dust particles become airborne and are washed into the water surrounding the plant. These are deposited on the marina property, it is charged. Smoke stacks at the power plant discharge steam and impurities into the air, it is claimed.

The owners claim that business has suffered damage of reduced trade, extraordinary maintenance costs and decline of business reputation as an attractive marina.

A judgement of \$25,000 plus interest and costs are sought and a permanent injunction is asked, restraining the city from engaging in any activity which pollutes the environment and causes a nuisance.

As an alternative, the marina asks that the city be forced to stop the pollution without unreasonable interference with the production of electrical power at the city's plant.

Hawks Crushed By Zeeland In Opener, 36-8

ZEELAND — Star tailback Kurt Bennett scored four touchdowns as Zeeland opened its 1971 football season by crushing Hamilton, 36-8 here Friday evening.

Bennett tallied two touchdowns from three yards out in the first half and added a TD on a beautiful 90-yard pass interception return.

Bennett's last score came from 29 yards out in the third period to put Zeeland way out in front at 36-0.

Hard running back Bob Johnson scooted 27 yards for Zeeland's first TD in the first stanza and Rick Brinks added the PAT on a run.

Jack Schrotenboer tallied Hamilton's only TD on a 30-yard pass play from quarterback Ted Yoak. Randy Haver-

dink added the conversion on a run.

The fast moving Bennett picked up 180 yards in 21 carries to pace the offense while defensive tackle Keith Kraai and linebacker Doug Mast made 10 and eight unassisted tackles for the Chix.

Hamilton will host Byron Center next Friday while Zeeland will play at Jenison.

Hope's Voss Breaks Own Rushing Mark

Hope College's football team did everything but win its opening contest Saturday afternoon at Riverview Park before 3,330 fans on Community Day.

The Flying Dutchmen, with sensational sophomore tailback Greg Voss leading the way, out-gained Franklin College by 136 total yards, 469 to 333 but fell to the visitors, 35-25 in an exciting afternoon of football.

Voss broke his own single rushing mark for Hope by picking his way for 257 yards on 40 carries for a fine per yard average carry of 6.4. Voss set the school's previous mark against Olivet College last year at 247 yards.

Last year Franklin drubbed the Dutchmen, 60-6 behind the outstanding passing of Phil Powell and Coach Ray Smith's gridders were determined to get revenge this year and almost did.

"We played a heck of a game and sure I would have loved to get the win but our kids played real well against a strong Franklin team," said Smith.

Powell blitzed the Dutchmen defense for three touchdowns passes but was held to only 200 total yards passing compared to 338 yards last year.

"I thought we did a pretty fair job of containing him," continued Smith. "As everyone could see, it's hard to stop a man like him at all."

The Grizzlies' veteran Coach Stewart "Red" Faught stated, "Hope sure was a much improved club from last year and we knew we were in a game today."

Franklin sure was in a fight for its life and if the Dutchmen wouldn't have committed four costly fumbles, it might have been a different story.

Voss, who lost the ball only once all last season on fumbles had three of them pop out of the grasp of his strong hands. Franklin's hard hitting defense was the main reason for that.

The first of Powell's three TD passes covered 30 yards to split end Bill Bollier with 2:36 to go in the first period gave Franklin a 6-0 advantage. Tom Hauswald's kick was sure to increase the count by one.

Halfback Dan Wagner stepped in front of Hope's Jim Lamer on the 26 yard line to intercept a Jon Constant pass and rumble in for the score untouched with only :55 to play in the first quarter.

Although the Dutchmen were moving the ball quite regularly on the ground and in the air, the Grizzlies defense was equal to the test as they held Hope at bay.

Franklin marched 57 yards in four plays for its third TD to make the score 20-0. Fullback Ron Doyle dashed 27 yards for the TD.

A long Keith Fielder punt put the Dutchmen in the hole at their own 19 but Constant directed Hope to its first score of the year, as Voss completed the 81-yard drive in nine plays by bursting into the end zone from four yards out to cut the lead to 20-6 with 5:13 to play in the first half.

J. Lamer put the Dutchmen even closer shortly later by hauling in Constant's 11-yard pass for a TD. Mike Hinga's kick once again failed as the Dutchmen cut the margin to 20-12 at the intermission.

The rugged Hope defense led by middle guard Ted Rycenga, end Ted Albrecht and tackle Dave Gosselar held the Grizzlies scoreless in the third stanza.

However, the Dutchmen failed to score against Franklin's defense also and when Bollier grabbed Powell's second TD pass from three yards out and Hauswald added the PAT, the Grizzlies now led by a 26-12 score early in the final period.

Fullback Chuck Brooks showed his power by running over several defenders to notch

Hope's third TD of the afternoon from 17 yards out at 9:45 to play. Once again the extra point attempt failed.

It looked like Franklin put the game out of the reach with 1:47 to play when Duane Duracz took in Powell's pass from the five for another tally. Powell tossed to Fielder for the two points.

With freshman quarterback Bob Carlson of Muskegon directing signals, the Dutchmen marched 60 yards in seven plays to close out the scoring on a 15-yard TD pass from Carlson to Albrecht. Hinga's kick was good to cut the final deficit to 35-25.

There were only nine seconds left in the game when Albrecht scored, but once again Hope showed area fans when they will never give up regardless of the score or amount of time left in a game.

Hope's Bob Lamer of Zeeland came up with two fine interceptions from his defensive halfback spot to kill any chances the Grizzlies may have had of scoring.

Center Chris Hahn, guards Pete Semeyn and Jeff Winne and tackles Bob Kibbey and Bob Tiggelman opened big holes throughout the entire game for Voss, Brooks and sub Ed Sanders to run through.

The Flying Dutchmen seek to get that first win under their belt when they host Wabash College Saturday at Riverview Park.

R. Kuipers Paces Dutch To 14-6 Win

Randy Kuipers showed Holland area fans why he is one of the finest ball carriers in the state Friday night, as he paced Holland to a slim 14-6 victory over an inspired West Ottawa eleven in the season opening football game at Riverview Park before 4,000 fans.

The hard driving Kuipers dashed 21 yards around left end to the Panthers' seven-yard line with 1:23 to play in the game to set up Holland's winning TD.

West Ottawa was charged with a penalty for piling on with the ball moved to the three on the play.

A Dutch illegal procedure penalty moved the ball back to the eight, where quarterback Larry Horn scooted eight yards for the winning TD on a keeper play.

Horn passed to Ron Israels for the two-point conversion to close out the scoring at 14-6 with 1:01 to play in the game.

Kuipers picked up 91 yards in 16 carries for a 5.6 average while tailback Doug Vork, who was just outstanding for the Panthers led his team with 40 yards in 11 attempts.

Vork, who was a demon at his middle guard post on defense was forced to go both ways because of injuries to backs Bruce Visser and Joe Gaskill.

The Panthers out-gained the Dutch in total yards by 24, as Pat Allen was threading the needle with his fine passing to counteract for the fine running of Kuipers.

West Ottawa had 212 total yards compared to 188 for the Dutch. Holland had 157 yards rushing and West Ottawa 81 but the Panthers had 131 yards passing to only 31 for Holland.

"We deserved to win tonight," said Coach Ron Wetherbee of West Ottawa. "Those fumbles just killed us."

The Panthers fumbled four times and lost the ball twice while Holland didn't fumble or have any passes intercepted.

The fired up Panthers battled the Dutch to a scoreless tie in the first half before the Dutch came to life in the third quarter to put the first points on the scoreboard for the 1971 season.

A 15-yard pass from Horn to end Jim Lorence to the West Ottawa 11 helped set up the game's first score.

On a fourth and one situation on the three, halfback Terry Martink busted through a big hole on the right side of the line to score Holland's first TD.

Jeff Haltenhof knocked down Horn's attempted extra point pass to Kuipers in the end zone.

Allen, who is West Ottawa's finest passing quarterback since Les Zomermaand stood in the pocket like a pro quarterback to hit speedy end Bill Vanden Berge for 53-yard pass-run combination to put the ball on Holland's 24.

West Ottawa's signal caller hit flanker Tom De Vree on a fourth and seven situation for the Panther's TD when De Vree made an unbelievable over the head grab to race in for the score.

Steve Kruithof's run for the conversion failed, as he was met head on by big Steve Hibma and company.

The Panthers were driving in for the go ahead score when Lorence recovered Allen's fumble on the Dutch 20.

"If we had put that one in, I think we would have had them," stated assistant coach Clair De Mull.

Coach Dave Kempker of Holland was pleased to get the victory and said, "I been saying all week that this game won't be easy and maybe now someone will believe me."

Both teams looked outstanding on defense in the well played game that didn't have any penalties as most openers.

West Ottawa's band under the directorship of Tom Updegraff and Gary Lucas and Holland's band under the leadership of Carl Dephouse performed at half time.

Holland has 95 members on this year's band which is the second largest in the school's history. Only the 97 in 1953-54 tops the total.

The Dutch will host Niles next Friday while West Ottawa will visit O-K Red Division foe East Grand Rapids.

Two Autos Collide

Cars operated by Kerry Dennis Louks, 18, of Ft. Hood, Texas, and George Botis, 43, of 683 Sunrise Dr., collided Sunday at 12:24 p.m. while both were northbound along River Ave. 75 feet north of Pine Ave. Police said the Louks vehicle, in the inside lane, changed lanes and collided with the Botis vehicle in the outside lane.

Fennville Opens With 24-13 Victory

GOBLES — Rich Martinez intercepted three passes as Fennville opened its football season on a high note by tripping Gobles, 24-13 here Friday night.

Quarterback Rod Mellon passed for two touchdowns and ran two extra points for the Black Hawks while halfback Bill Brooks scored Fennville's first TD on a 42-yard run in the first period.

Mellon threw a 52-yard TD pass to Martinez for the second Fennville score while Jim Sexton tallied the last Hawks tally with no time left on the scoreboard at the half by hauling in a 47-yard bomb from Mellon.

Gobles scored touchdowns in the first and second quarters. The second TD came with only 28 seconds to play in the half.

"Mellon, Brooks, linebacker Dan Nally and Martinez were outstanding for us tonight," said Coach Gus Charles.

Fennville will play at Hopkins next Friday.

The 73-foot ocean-going yacht will have three double cabins with complete baths and salons.

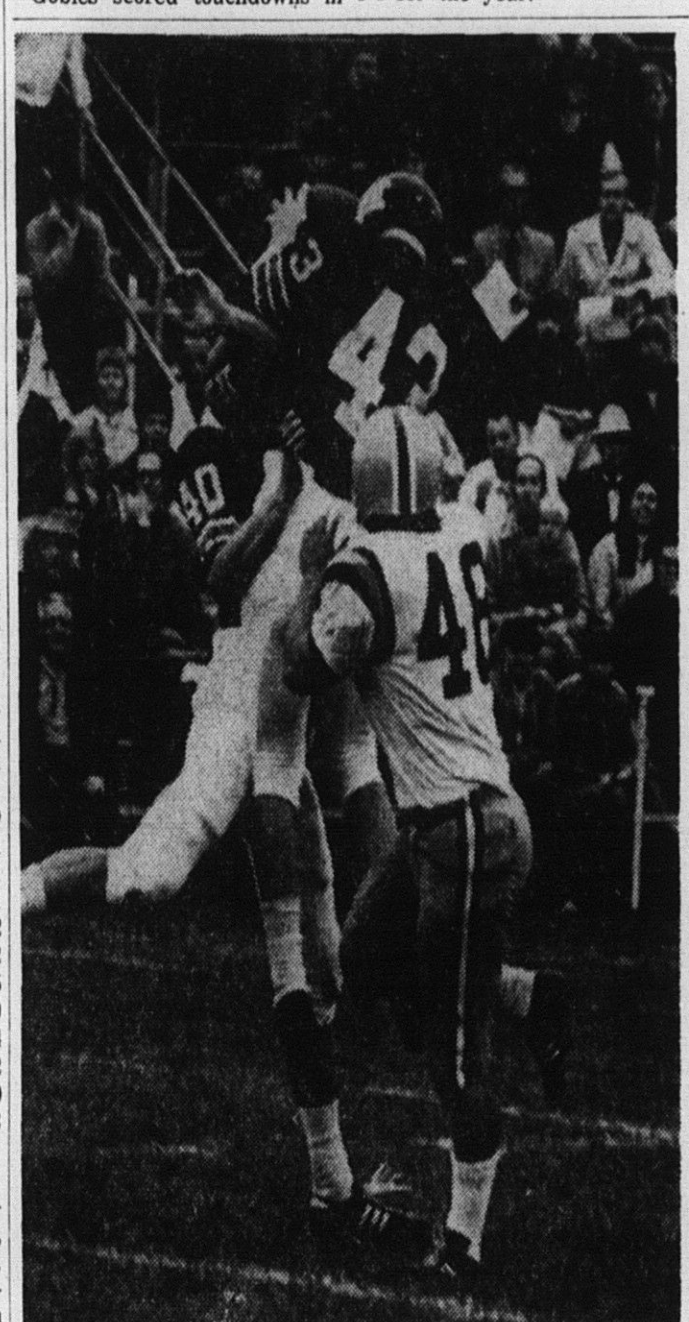

Fredricks said Roamer also was adding 65-foot and 60-foot aluminum yachts to its line. Previously the largest yacht built at Roamer was a 58-foot model.

Over the past ten years, Derektor has developed an impressive record for the design and construction of some of the world's best-known ocean racing sailing yachts. He was a pioneer in the use of aluminum to achieve high strength-to-weight ratios in those yachts, some of which have gone on to post impressive records of racing victories.

Among those are: Sally Tiger for Wally Frank of Darien, Connecticut and Jack Powell, Madeira Beach, Fla.; Vamoose for Ted Turner, Atlanta; and Figaro IV and V for William T. Smith, New York.

Well known also for his ocean racing ability, Derektor has designed and built, such as the Exact for J. Burr Bartram, Greenwich, Conn., former Commodore of the New York Yacht Club; and Pieces of Eight and Jack Hawkins for Avard Fuller, West Hartford, Conn., have won Derektor much critical acclaim.

West Ottawa's record now stands at 1-4 while Zeeland is 3-4 for the year.

FINE INTERCEPTION — Hope College's defensive back Bob Lamer (43) of Zeeland pulls in the first of his two pass interceptions Saturday afternoon in Hope's contest with Franklin. Also shown on the play are Doug Smith (40) of Hope and Duane Duracz (48) of the Grizzlies.

Roamer To Build Giant Yacht Line

The first of a series of 73-foot ocean-going aluminum yachts, the largest ever built by Chris-Craft Corp., is underway at Roamer Yachts, 222 Lakewood Blvd. Plans call for the yacht to be completed in April with trials held on Lake Macatawa.

Addition of the 73-footer to the Chris-Craft line was announced by the firm's Pompano Beach, Fla., headquarters. The yacht was designed by Robert E. Derektor, one of the nation's most successful designer-builders and a leading exponent of light-weight aluminum boats, power and sail, Chris-Craft officials said.

Roamer plant manager Russel Fredricks said work on the 73-footer began about two weeks ago and it is scheduled for completion in April.

The first vessel will be powered by diesel engines although future plans call for a turbine engine as optional.

The 73-foot ocean-going yacht will have three double cabins with complete baths and salons.

Fredricks said Roamer also was adding 65-foot and 60-foot aluminum yachts to its line. Previously the largest yacht built at Roamer was a 58-foot model.

Shooting Mishap At Outdoor Club Injures Girl, 14

MARNE — A girl, 14, injured in a mishap Sunday at the Marne Conservation Club, was in "very critical" condition Monday in the intensive care unit of Butterworth Hospital with a bullet wound of the head.

Ottawa county sheriff's deputies said the girl, Beverly Bergman, daughter of Mr. and Mrs. Robert Bergman, Johnson St., Marne, and her brothers, Marvin, 22, and Ronald, 8, went to the club grounds Sunday at 6:19 p.m. after members were believed finished with a turkey shoot to look for clay pigeons.

But Norman Morrow, 41, of Grand Rapids, a member of the club, was trying out a new .22-caliber automatic pistol and put up a target and shot five times.

At the same time Beverly was coming through the back of the firing range and was struck in the right side of the head. Her brothers were not reported injured. Deputies continued their investigation.

Panthers' Frosh Trip Dutch, 14-8

West Ottawa's freshmen football team defeated Holland, 14-8 Friday in the season opener for both clubs.

Jack Murdoch passed nine yards to Kelly Solis for the first West Ottawa score in the first period and defensive end Ken Hamstra rumbled 20 yards with a fumble recovery for the winning TD in the third period.

After West Ottawa's first TD, back Juan Rameriz scooted 85 yards with a kickoff return for Holland's only touchdown. Joe Serrano added the PAT on a run to close out the scoring.

Over 200,000 Attend Annual Allegan Fair

ALLEGAN — With the help of a cooperative weatherman, the 119th annual Allegan County Fair broke the "200,000 barrier" last week with total attendance estimated by President - Manager Weldon Rumery at 205,332 persons.

Despite a drizzling rain that began around 7 p.m., Saturday's crowd was the largest for any single day in the fair's history. Rumery put attendance at 42,113 for the fair's closing day, more than double the 20,000 estimate for its first Saturday.

Fair officials emphasized that attendance figures are at best an "educated guess." Saturday, opening day, was children's day and all school-age youngsters were admitted free. Sunday was virtually a free day, with admission charged at the rate of \$1 a car. The gate on these two days was estimated at 20,000 for Saturday and 24,000 for Sunday.

Figures for the balance of the week were Monday, 25,723; Tuesday, 19,416; Wednesday, 17,804; Thursday, 26,312; Friday, 30,014; Saturday, 42,113.

The fair's previous record was set in 1969, when an official estimate for Sunday was first included in the totals, and attendance was rounded off at 154,000. Before that the record gate was in 1967 when the fair opened on Monday for six days and attracted 134,000.

County Patrol Car, Private Auto Crash

MARNE — An Ottawa county sheriff's patrol car and a private vehicle collided at Hayes St. and 16th Ave. at 6:12 p.m. Saturday and five persons, including a deputy sheriff, were injured.

Deputies said the cruiser was operated by Larry Beld and headed east on Hayes. The private vehicle was driven south on 16th by Donald Edward Chittenden, 30, Grand Haven.

Injured were Chittenden, who sought his own treatment, and passengers, his wife, Joann, 27, treated at Butterworth Hospital in Grand Rapids for bumps and bruises; James Cook, 30, of Grand Haven, treated at Butterworth Hospital for a fractured collarbone, and Keith Chittenden, 51, Grand Haven, examined at the hospital.

Deputy Beld was examined at North Ottawa Community Hospital for soreness and released. Investigating officers said the Chittenden car drove into the path of the patrol car and was struck broadside.

MISSIONARY BROADCASTER — Gordon Bell, a newsman with Far East Broadcasting Co. and a missionary in the Far East since 1948, offers some interesting insights into the lives and thoughts of the people of both Nationalist and Communist China. Bell, who has just completed a four-year assignment in Hong Kong where he was director in charge of broadcasting Christian

content material into Mainland China, spoke Tuesday evening in Immanuel Baptist Church. Until his next assignment, Bell and his family will make their home in Racine, Wis., where he is missionary-minister to Calvary Memorial Church. While in Holland, he was a guest of Mr. and Mrs. John Lawrence, 678 Cleveland Ave.

Missionary-Newsman Sees Reunification of Two Chinas

By Linda Klungie

The Chinese-American ping pong matches brought out a racial unity between the people of Nationalist China and those of Communist China and presented the opportunity for the Chinese to say collectively, regardless of ideology, "Our kids beat the American kids."

Gordon Bell, a newsman with Far East Broadcasting Co., and a missionary in the Far East since 1948, feels this sense of unity was one of the most interesting aspects of the matches.

Bell is presently on furlough following completion of a four-year assignment in the British Crown Colony of Hong Kong where he was director in charge of broadcasting Christian content material into Mainland China. He spoke in Immanuel Baptist Church Tuesday evening and was a house guest of Mr. and Mrs. John Lawrence, 678 Cleveland Ave.

Far East Broadcasting is interdenominational and is the fourth largest of any broadcasting company in the world, according to Bell. The international staff of about 300 provides blanket coverage of the world on a 24-hour basis in most areas and attempts to provide freedom of the air for the Christian minority in any country. Although Christian oriented, the broadcasts also include public services and information on news and happenings in other parts of the world as well as discussions of such topics as politics and economics.

Bell remarked that in broadcasting into mainland China, the system does have some difficulty from time to time with jamming by the Chinese government; however, with the use of more sophisticated equipment and techniques, this has become less of a problem. In spite of the lessened attack through jamming, though, the people in Communist China are subject to penalties for listening to foreign radio broadcasts and are liable to even greater penalties if they repeat what they've heard. Nevertheless, many of them listen under clandestine conditions.

Obviously, the broadcasting system cannot survey the exact type and needs of its listeners, but it is able to develop rough profiles through talking to evacuees and relatives who visit in the mainland and through the few letters listeners are able to get out of the country. Studies by various groups also help in determining attitudes and feelings inside Communist China.

The main finding of these sources, Bell pointed out, is that there is an increasing spirit of discontent among members of the younger generation of Mainland China. He remarked that with work aimed primarily toward a national goal, the young Chinese have no opportunity to feel a sense of personal worth and purpose; and the Cultural Revolution from 1966 to 1968 was evidence of a search to fulfill this need. The government, however, demands basic conformity and, although many people may inwardly think for themselves, it is much safer to follow government thought outwardly.

The Chinese are an infinitely patient people, Bell observed, and they are willing to try for small changes over a number of years in order to bring about improvements in their state. When one goal is reached, they are prepared to take numerous small steps to achieve the next goal, Bell said.

Non-party literature has been forbidden in Communist China, Bell said, with many books destroyed during the Cultural Revolution, but a resurgence of popular literature is presently taking place in Mainland China. The Mao Tse-Tung government realizes it has an essen-

tially uneducated generation in these young people who were born and have lived their entire lives under the direction of Mao; and, in the belief that the regime has come of age and that the ideology has sufficient hold on the minds of the people, the government is again allowing circulation of popular literature. Communist leaders feel that Maoism is strongly enough ingrained in the people for them to take it from its basic axioms to applications of its tenets in broader terms. However, Bell pointed out, if the new literature should become critical of the government, it would quickly be muzzled.

There is a general acceptance of the leftist socialist line in Mainland China with only limited acceptance of hard-core Communism, Bell said, pointing out that although there is a tremendous distrust of western capitalism, especially in the form of the United States, the Chinese Communists become capitalist when they set up businesses in Hong Kong. Articles such as jade carvings, crafts and paintings which are never found in Mainland Chinese homes are offered for sale to capitalists. The items are obviously export articles and the Chinese Communists handle them because they know they will sell in Hong Kong.

Bell feels that President Nixon's proposed trip to Communist China is "welcome" and sees the invitation from the Chinese as one more indication that the Maoists feel their people are ready for intercourse with the rest of the world. They believe, Bell feels, that their ideology's quality will carry itself into other nations. Refusal of the invitation would have indicated American weakness, Bell said, but acceptance will lead to a people-to-people movement with an improved mutual understanding the end result.

Newsman visiting Mainland China by invitation in the recent past have encountered a genuine friendliness on the part of the common people and a willingness to answer questions. Reporters have been granted open itineraries on these treks and Bell is certain that numerous newsmen will receive invitations to Communist China as a result of the proposed Nixon visit. Ultimately, Bell feels, the desire of the Chinese people for a meeting between East and West is genuine if a bit hard-nosed, with the Communists expecting to make appreciable gains for their government's image.

Such peaceful methods are indicative of Communist China's realization that no popular image can be gained by subversion and that in many instances subversion meets with passive resistance from the common people. Bell also feels that the Communist Chinese are willing to let their ideas win followers on their own merit and are not interested in a "hot" war.

The Chinese portion of Far East Broadcasting's system is now autonomous, Bell said, and has been placed in national hands. Content of the broadcasts arises in the Chinese Christian church and the company feels this is the best policy.

Bell termed Nationalist China a "benevolent dictatorship" under President Chiang Kai-shek and foresees a rapprochement between the two Chinas leading to reunification by the end of the century.

Although there is individual freedom on Taiwan in that people may choose their jobs, education, etc., there is tight control of the lives and objectives of the residents. Chiang's main goal for his people is return to the Mainland, Bell said, but he is having difficulty keeping the thought alive in the minds

of the young. Members of the younger generation did not flee Mainland China and desire to live there is waning among them.

Maintenance of Nationalist China as a "free" state is a "convenient concern" for the U. S., Bell feels, stating that this government's primary interest in the country is as a frontline of defense. A return to Chinese unity would mean the loss of American time, effort and money expended in the country.

Bell foresees the beginning of reunification of the two Chinas with the passing of Chiang and Mao as leaders. He feels, however, that unity will have to wait for the reputations of the two leaders to dim in the minds of the Chinese.

Chiang is one of the last of the "charismatic leaders," according to Bell who compared him with Nehru, Churchill and Roosevelt, but Chiang's grip on the minds of his people will be easier to loosen than will that of Chairman Mao whose politics have all the connotations of a religion. The Communist Chinese have a kind of bible in the thoughts of Mao, images in his pictures which are displayed prominently throughout the country, and worship in their study of his concepts and ideas.

The eventual result of a reunification will lead to the Chinese seeking a return to the center of world civilization, Bell pointed out, adding that the Chinese are proud of their civilization which predates that of the western world by many years. Bell also feels that the move toward merger will strengthen the desire to avoid a nuclear war.

From 1948 to 1955 Bell served as a missionary on the Nepal border and in India and Tibet under the sponsorship of the Plymouth Brethren churches in Britain, and joined the broadcasting system on a part-time basis in 1955. He became a full-time employee in 1962 and he, his wife and their five children have travelled throughout the world.

Mrs. Bell teaches in the Hong Kong International School and Bell believes the effect of the family's life on the children has been positive. He explained that, as a result of their exposure to so many different ways of life, the children have a very real Christian faith and have acquired healthy, broad educations. They have also developed philosophies which put purpose over affluence in life.

Bell is missionary-minister to Calvary Memorial Church in Racine, Wis., and he and his family will be there until he is reassigned. Since the proposed presidential trip to Mainland China, there has been a marked increase in interest in China and Bell has speaking engagements before both secular and religious groups on the subject.

Even without a permanent assignment, Gordon Bell is doing much in his own way to promote understanding. He is an engaging, articulate man and, through his vivid firsthand accounts of the two Chinas, he is helping to eliminate or to clarify the many stereotyped images of China present in the minds of his western listeners.

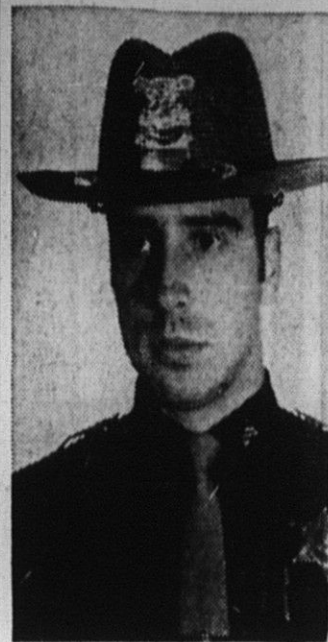

Dinner Opens Guild Year at Calvary Church

The Calvary Reformed Church Guild for Christian Service began its fall meetings with a dinner in the Fellowship Room on Tuesday. Mrs. B. Marlink, president, opened with prayer.

A short business meeting followed with introduction of new members and group singing led by Tim Maatman and his guitar.

Mrs. Bastian Kruitthof reviewed the book "Marching Orders" by Olio Hartman. Mrs. Jan Ver Helst gave the closing moments.

2 Deputies Given New Positions

Cpl. Ross Moser

Cpl. Vernon Meeuwse

GRAND HAVEN — The transfer of one deputy sheriff to Jenison and the promotion of another were announced today by Sheriff Bernard Grysen.

Cpl. Vernon Meeuwse of the North Ottawa area was transferred to the Jenison office replacing Cpl. Delwin South who resigned to become Hudsonville police chief. Deputy Ross Moser was promoted to rank of Corporal to succeed Meeuwse in North Ottawa county.

A five-year veteran of the sheriff's department, Cpl. Meeuwse is a 1955 graduate of Zeeland high school and attended Davenport college. He has completed advanced training in police supervision, civil disturbance and traffic law enforcement.

Cpl. Moser, previously assigned to the Marine and Patrol divisions, joined the department 2½ years ago after serving with the Army where he was a company commander.

Cpl. Moser is a graduate of Spring Lake high school and attended Muskegon Community college and Leeward Community college. His promotion was based on written and oral examinations.

A REAL FAN — 96-year-old Carl Allen, of Allegan doffs his hat to acknowledge the applause of a packed grandstand Wednesday afternoon at the Allegan County Fair after being introduced to the crowd. Allen, a retired carpenter, was attending his 85th Allegan fair. He has missed only three fairs since attending his first at the age of 8 in 1883. This was when he was employed in Colorado. Wednesday was "senior citizen day" at the fair and there was little doubt that Allen — who holds an honorary membership in the Allegan County Agricultural Society — sponsors of the fair — was its "most senior citizen."

TALE OF A NOTE—Another piece in the puzzle about a note found in a bottle and dated March 8, 1909 fell into place Thursday when Morris Buhrer, 572 Van Raalte Ave., told The Sentinel he knew the identity of the writer, Michael F. Jacks of near Custer, east of Ludington. Shown here are pieces of the puzzle. At the left is the note and at right, the bottle it was found in, at

least most of the pieces which The Sentinel staff tried to piece together. Jewell Westendorp, who found the note is shown in the original picture which appeared in The Sentinel on Aug. 10, 1971 and at the left of the picture is the letter Jewell wrote, returned and marked "unknown." Personnel at the Custer Post Office told Buhrer, Jacks died about four years ago. (Sentinel photo)

O.N. Wells Dies at 91

O. N. Wells, 91, formerly of 20 East 26th St., died Saturday evening at a local rest home where he had been a patient for the past nine months.

Before his retirement he was employed by the C & O Railroad as agent in Zeeland and later in Fennville for many years. He was a member of the Christian Church of Kalamazoo. He was a life member of the Montague Masonic Lodge No. 198.

Surviving are three daughters, Mrs. Russell (Orletta) Hayes of Grand Rapids, Mrs. Richard (Hilda) Hayes of Kalamazoo and Mrs. Ernest F. (Nona) Penna of Holland; one son, Walton P. Wells of Aurora, Ill.; 14 grandchildren and 24 great-grandchildren.

Seek Public Aid In Boating Mishap

GRAND HAVEN — Public support was sought today in locating the operator of a yacht involved in upsetting a 12-foot boat at the mouth of the Grand Haven channel Saturday, spilling an Illinois couple into the water.

The couple, Martin Miller, 63, and his wife, Regia, 56, of Frankfort, Ill., were taken to North Ottawa Community hospital where they were treated for shock and exposure and released.

Deputies said the Millers' boat capsized in the wake of a larger passing yacht at 3:15 p.m. Saturday and the Millers were rescued by other boaters in the area.

Deputies asked the help of others who might have witnessed the mishap near the Grand Haven lighthouse.

Note in Bottle Tale Uncovers New Angle

By Lorraine Hohli

It really IS a small world! On Aug. 5 a nine-year-old girl found a bottle floating near the shore of Lake Michigan north of Tunnel Park and found a note in it dated March 8, 1909.

Jewell Westendorp, daughter of Dr. and Mrs. Floyd Westendorp brought the note to The Sentinel and had her picture taken with it. It appeared in the paper on Aug. 10 on the front page.

In their excitement, Jewell and her friend broke the bottle to get the note out, but when they found out that it might have been important, they went back to the spot and picked up as many pieces of the bottle as

they could. It was a dark brown patent medicine or whiskey bottle in the half pint size and a part of a label in it said "Use Sozodont for the . . ." Sentinel personnel tried to put the pieces together to judge the type and size.

After the story appeared in The Sentinel, Mrs. Westendorp received a telephone call from someone who said they knew a man who might be able to identify the writer of the note, a Michael F. Jacks, Ludington, Mich., gen. del.

Finally on Thursday, Sentinel staffers located the man with the information. He was Morris Buhrer of 572 Van Raalte Ave., a contract mail carrier for the Post Office department from Grand Rapids to Northern Michigan. His route took him to Custer, Mich., just east of Ludington, where post office personnel told him they knew Jacks who had a farm on the Pine River near Custer.

According to Buhrer, the men told him that Jacks had thrown the bottle into the Pine River which was about 400 feet back of his barn with the note in it and had told them about it. According to the Custer post office men, Jacks died about four years ago.

Amazing as it is coincidental, Friday marked the last day Buhrer makes his mail run to Custer after 22 years. It was surprising to him that the bottle had withstood all the elements for 62 years.

All of the pupils in Jewell's class at Maplewood Christian School were most interested in her "find." It made quite a "show and tell" story.

Progress Set On Zeeland Celebration

ZEELAND — Plans for the 125th anniversary celebration July 16 - 22 are progressing, it was reported Thursday at a meeting of the steering committee in council chambers.

A memorial booklet depicting the history of Zeeland has been started and industry was being contacted about displaying products during the celebration.

Holland council Al Kleis, co-chairman of Holland's 125th anniversary committee, said events planned in February, May and late summer or early fall in Holland would not conflict with the Zeeland celebration.

Zeeland Golden Agers are to help in gathering old materials for use in the observance.

Herbert Wybenga Jr. has accepted appointment as head of Youth Day July 18. He will be assisted by the Rev. David Smith.

A chairman is being sought for Historical Day events, July 19. Bill Gruppen is to contact groups interested in having floats during the celebration.

Reports were heard from Dick Machiele, chairman of Agricultural Day, and Jim Hoffman, chairman of the final day of activities on Saturday.

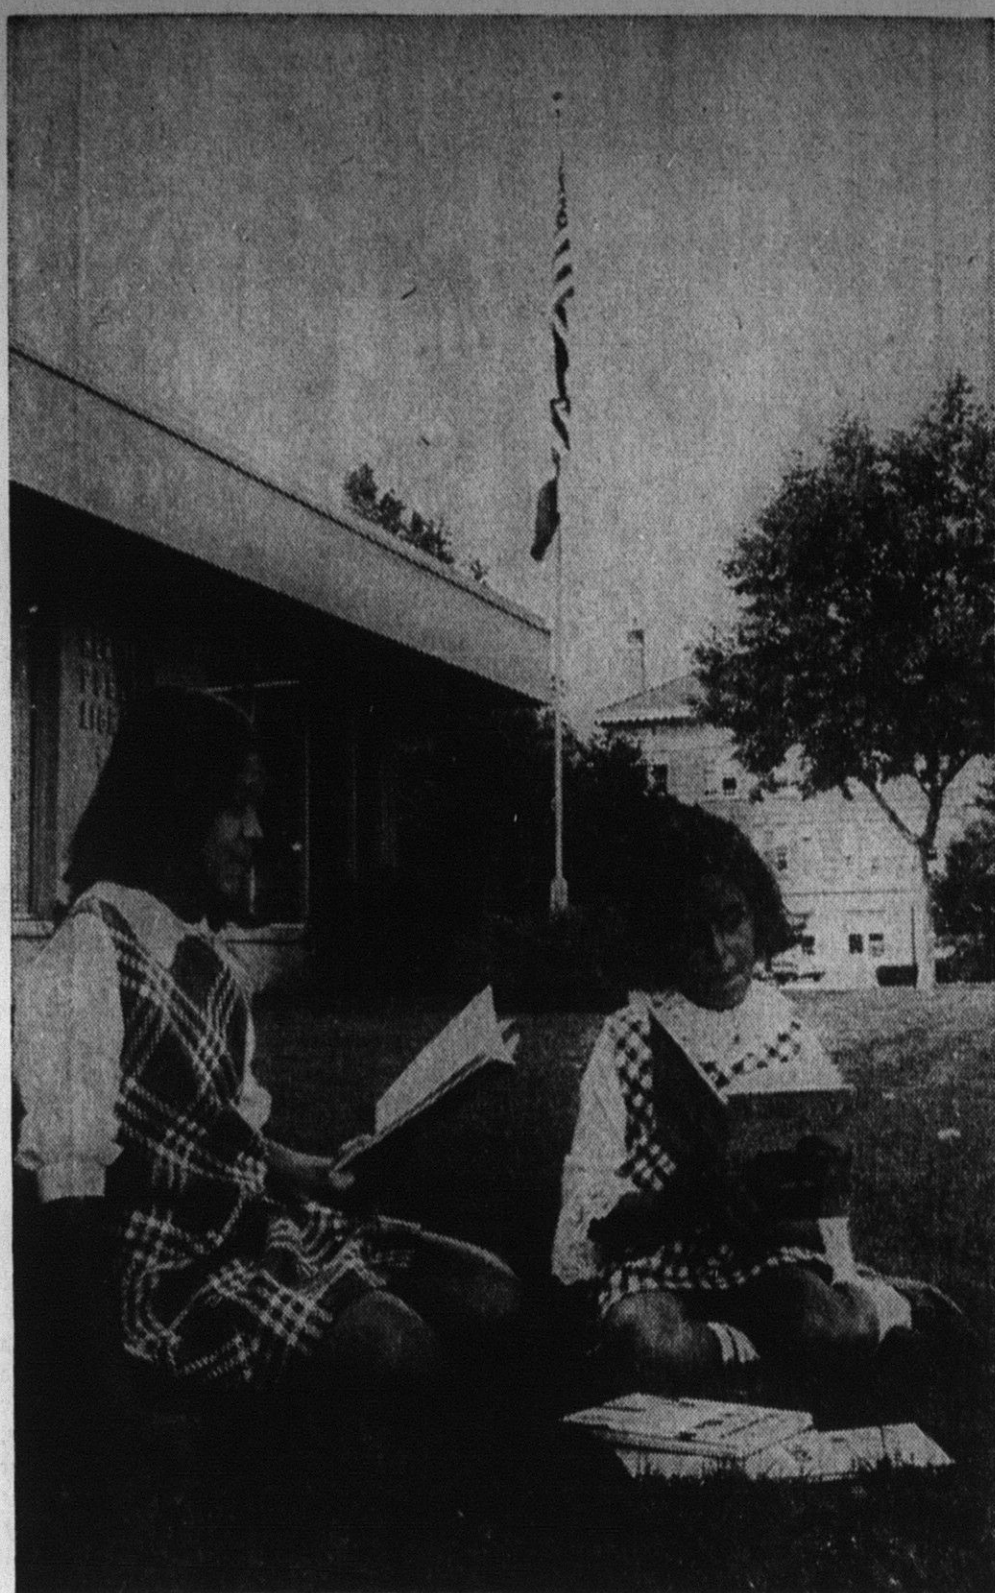

The W. G. Wade shows has been contacted for the observance and organizations are being sought to operate concession stands.

The next meeting of the committee is planned Oct. 7 and groups interested in the concessions are asked to attend the meeting or contact Dick Timmer.

MEXICAN INDEPENDENCE DAY — Becky Arzamendi (left) and her sister Gabby are shown on the lawn of Herrick Public Library on the 161st anniversary of Mexico's Inde-

pendence Day Thursday. The Mexican flag was flown under the American flag for the day and displays of Spanish books inside the library called attention to the anniversary. (Sentinel photo)

Mexican Anniversary Observed at Library

The 161st anniversary of Mexico's Independence Day was marked in Holland Thursday by calling attention to a display in Herrick Public Library of new books in the Spanish language for the Spanish-speaking people in the community. The Mexican flag was flown with the American flag from the library flag pole.

New books include a car repair manual, a child care manual for mothers; handicrafts book on leather in the making of gloves, purses and belts; a book on how to make useful items out of useless items such as toys, party favors, lamp shades, etc.; a biography on Yapata by Roberto Blanco Moreno; a Spanish translation of Arthur Hailey's "Airport;" an encyclopedic volume on "man

in Space," also on birds, geography and aviation; and a Spanish translation of Norman Mailer's "Space Flight to the Moon," based on the Apollo project.

Recent purchases at the library include records of popular songs from the 1950s sung by original groups, Latin American poetry read in Spanish by the poets with early translations of the texts.

The library is interested in starting subscriptions of Spanish magazines and newspapers, and any suggestions of possible titles would be appreciated by the library.

"El Mestizo," a bilingual newsletter containing local news and listing job and school opportunities in the area, is now available at Herrick Library.

Helen Van Tempera Wins Award for Oil Painting

Helen Van Tempera with painting of Gloucester, Mass. Helen Van Tempera, Morton Grove, Ill., daughter of Mr. and Mrs. Arthur Van Dyke, 479 East 21st St., Holland, recently returned with her family from an extended painting trip in Rockport, Mass., and the New England Area where she received an award for an oil painting from the nationally known Rockport Art Association.

This painting depicts the famous Motif No. 1 landmark in Rockport and was awarded the New Member prize for outstanding work by a new artist member accepted into the association in 1970 and 1971.

The Rockport Art Association is a year around gallery in Cape Ann, Mass. in the historical Boston - Gloucester area. The association boasts artists of professional standing from the East Coast, but the Midwest and other areas are also represented.

Mrs. Van Tempera was accepted as an artist member by a jury of professional artists in 1970 and her work was again juried for this particular exhibit and then singled out for the award.

Mrs. Van Tempera and her family were present at the opening of the exhibit. She has won numerous awards in the Chicago Area Municipal Art League, Illinois State Fair etc., and her work is in many private collections in the midwest and east coast. She is also repre-

sented at the National Show in the Ogunquit Art Center in Maine. Working in many medias but primarily oil and acrylic, the artist seeks to show a mood of feeling in each painting, therefore she uses many approaches. She has taught art at the Clyde Lyons Elementary School in Glenview and demonstrated her painting techniques for many local art groups, such as Des Plaines, Northbrook, Niles, Park Ridge, Regent Art League etc.

Currently she is scheduled to give a painting demonstration for the Glenview Art League on Oct. 5. She also teaches an adult class in acrylic painting for the Maine - West evening school.

Her large studio is at her home at 9511 North Oliphant, Morton Grove and allows a private

Workman Injured As Boom Falls

A crane operator was injured Monday morning when a pulley flew back after the boom collapsed at an apartment construction site at 40th St. west of Washington Ave.

Meyer Construction Co. of Hudsonville said a cotter pin had been removed from the crane and others had been straightened out, allowing the boom to crash to the ground.

Crane operator Arthur Allen, 53, of Nunica, was treated at Holland Hospital for abrasions, x-rayed and released.

Other workmen on the ground narrowly missed being hit by the falling boom. Damage to the equipment was estimated at \$2,000.

Police were told the boom collapsed as the crane was being moved at the construction site.
