Glasses that do not fit perfectly hurt
the eyes in the long run, though they
may give temporary relief. Good
glasses are indeed friends in need.
They are a comfort, a consolation and
a necessity.

The reasons our glasses are good is
twofold: in the first place they are
made of the best material, and in the
second place they are always selected
to fit the eyes of the wearer.

startled by a lively runaway on Tues-
day morning. The horse of Wm. Van
der Veere, the butcher, became fright-
ened and dashed over street and side-
walk until he was stopped on College
avenue. The wagon was badly dam-
aged.

Dr. R. C. De Vries left Tuesday for
Valparaiso, Chili, after an extended
visit with his parents, Mr. and Mrs.
U. De Vries. The doctor contemplated
returning several weeks ago, but owing
to the breaking out of yellow fever on
the South American coast he de-
ferred his trip.

its members in the person of Albert
E. Witterdink. Although but 18
years of age he was a bright scholar
and a young man of good character.
He had been in poor health for some
time which developed into consump-
tion. He was a son of elder John A.
Witterdink of the First Ref. church,
from which place the funeral occurred
on Thursday afternoon, Rev. J. Van
Houte officiating. Dr. G. J. Kollen
spoke in behalf of the college.

picking during the Semi-Centennial,
had his examination before Justice
Kollen on Saturday. The evidence
was not sufficient to hold the respon-
dent and he was released from cus-
tody.

An alarm was sent in from box 21
shortly after noon on Sunday. Fire
had originated in the sidewalk in
front of the Central school building
and owing to the strong wind was
spreading rapidly. The blaze was
speedily extinguished and the services
of the hose companies were not needed.

Prof. P. A. Latta of this city as-
sumed the principalship of the Sau-
gatuck school on Monday. Prof. War-
nock was obliged to tender his resig-
nation owing to ill health and the
board immediately engaged Mr. Latta
as his successor. The latter's close
connection with school interests for a
long time of years has given him
every qualification assential to a suc-
cessful teacher.

Two strangers giving their names
as William Tuper and Henry Morris-
son were arrested by marshal Dyke on
Monday for drunk and disorderly.

The Methodist conference for the

A controversy has arisen over build-
ing privileges at Ottawa Beach be-
tween the Grand Rapids association
of Ottawa Beach cottage owners and
Charles M. Heald of the C. & W. M.
R'y. The trouble is assigned to the
fact that Mr. Heald is preparing to
build a number of cottages at Ottawa
Beach and the members of the asso-
ciation claim that their erection will
shut off the pleasant views which they
have heretofore enjoyed and will ren-
der things generally uncomfortable.
The road has already built a number
of these summer cottages and a se-
rious objection and vigorous protest is
being raised on the part of the cot-
tage owners for additional buildings.
They have retained Albert Crane as
their attorney who went to Allegan
on Tuesday to have a writ of injunc-
tion issued restraining Mr. Heald
from building any more cottages un-
til the case can be given a hearing in
court. There is just one little kink
in the otherwise plain case of the cot-
tage owners, and that is that the land
upon which the objectionable cottages
are to be built belongs to the C. & W.
M. exclusively.

A daughter was born to Mr. and
Mrs. M. Notier on Sunday.

Smith at the home of her parents Mr.
and Mrs. Hanson on Tuesday.

The pulpit of the Fourth Ref. church
next Sunday will be occupied by theo-
logical student Harm Dykhuizen.

The infant child of Mr. and Mrs.
W. Alderink died on Tuesday morn-
ing. The funeral took place Thurs-
day afternoon from the residence on
west Twelfth street.

The sun crossed the line on Thurs-
day and according to an old adage the
prevailing direction of the wind on
that day will be the prevailing direc-
tion during the winter season.

According to an opinion recently
handed down by the United States su-
preme court poultry running at large
is wild game and that the person upon
whom chickens may trespass has a legal
right to kill them.

A heavy frost visited this section on
Sunday night which badly nipped
vegetables. The roofs and sidewalks
presented a wintry appearance on
Monday morning. At Mackinaw City
slight flurries of snow had fallen.

Among the cottagers remaining at
Macatawa Park are Rev. and Mrs. W.
A. Westervelt of South Bend, Ind.
They are 83 and 79 years old respec-
tively and have made Macatawa their

John Zwemer relates an instance in
tomato culture. He received from 24
hills on his farm, ten bushels of ripe
and ten bushels of green tomatoes. At
the usual estimate of 1800 hills to the

would be realized.

Rev. W. A. Beardslee of Saranac
Lake, N. Y., was brought to this city
last Saturday and will receive treat-
ment at the home of his parents Rev.
Dr. and Mrs. J. W. Beardslee. The
young clergyman's health has been im-
paired for some time and the chances
for recovery are not considered favor-
able.

Work was commenced on Monday at
filling in the open road on Thirteenth
street as ordered by the city fathers.
The street was left by the projectors
of the new electric railway in a con-
dition unfit for travel several weeks
ago and although no ties were laid the
proper course was pursued at the ex-
pense of the company.

The standpipe in course of con-
struction near the water works station
is progressing nicely. Workmen are
busy with the fourteenth course, each
being five feet high. The number of
courses is twenty-six, making a
height when completed of 130 feet.
This standpipe is considered to be as
high as in many larger cities and will
hold a gorgeous supply of water.

A collision occurred on Eighth street
on Saturday afternoon in which Mrs.
Samuel Smith, residing on the Grand
Haven road, was badly injured. The

where relief was administered. Her
buggy was not damaged. The reck-
less driver proceeded on his way and
took no notice of his unfortunate vic-
tim.

from Chicago Thursday morning
where he has rented a store for his son
Jacob who will open an undertaking
establishment on the corner of 63rd
and Morgan streets. Mr. and Mrs.
Alberti, Jr., expect to leave for their
new home next Tuesday. The rumor
that Mr. Alberti, Sr., was to move to
Chicago is untrue as he simply made
arrangements for starting his son in
business in that city.

Next Sunday, September 26, will be
the Jewish New Year, which by ortho-
dox Jews is believed to be the 5,555th
anniversary of the creation of the
world. It is celebrated by the feast
of Roshashanah and in the religious
ceremonies the ram's horn and the
story of Isaac's sacrifice play conspi-
cuous parts.

Since Sheriff Van Ry has held the
office of sheriff, he has had a turnkey
constantly at the jail. This is an ac-
tion never taken before, but was a
wise one, when the several attempts
at jail breaking this summer are con-

ence of a turnkey saved Ottawa coun-
ty hundreds of dollars of expense in
hunting up escaped criminals.—Trib-

FOR A BETTER STATE.
Civic-Philanthropic Conference to Be Held at Battle Creek.
Battle Creek, Sept. 20.—The programme prepared for the civic-philanthropic conference, to be held here October 12-17, contains the names of many of the best-known leaders in western philanthropy. A wide range of subjects will be discussed, and the papers read cannot fail to be of value to all interested in the betterment of civic conditions. Among those who will be present are Dr. S. G. Smith, professor of sociology in the University of Minnesota; Prof. Rustin O'Malley, of Notre Dame university; Dr. C. R. Henderson, of the University of Chicago, and Henry Wade Rogers, of Northwestern university. Gov. Pingree, Prof. C. H. Cooley, Michigan state university; Hon. S. M. Jones, mayor of Toledo; Mrs. J. M. Flower, Chicago; Mrs. T. J. Stanwood, Evanston, Ill.; Rev. W. L. Barth, Coldwater, Mich.; Rt. Rev. Bishop Gillespie, Grand Rapids, Mich.; Hon. Arthur L. Holmes, Detroit, and others have promised to be present and participate in the discussion.

SHAM ENTRIES.
Disclosed by Examination of a Dead Cashier's Books.
Shepherd, Mich., Sept. 22.—Some startling disclosures were brought out in the evidence Tuesday at the Struble inquest. It was shown from the bank records that the dead cashier had at different times made sham entries of deposits in his books amounting to nearly \$24,000 and that but for these fictitious deposits the books would have shown a deficit in the bank. During most of the time when these figures were on the books Struble's funds at the bank were very low, seldom over \$50 and sometimes nothing. Prosecuting Attorney McNamara testified that all of Struble's private papers were missing. The preponderance of evidence decidedly favors the suicide theory, although the attorneys for the dead man's relatives still promise some conclusive evidence in support of murder. The general opinion now seems to be that the jury will disagree.

Old Settlers Dead.
Jackson, Sept. 20.—Dr. A. H. Baird, who had practiced medicine in this city for 27 years, died Saturday night, aged 67 years. Mrs. Harriet Pulver, a resident for 60 years of Dundee, died Saturday night, aged 91. She was one of the oldest settlers of the state. Orson K. Van Amberg died Sunday at his home in Pleasant Valley, aged 96. He was one of the pioneers of Livingston county. Clarke White, proprietor of the Southern Moss company and a member of the Jackson Sleigh company, died Sunday morning, aged 40 years.

Proved a Success.
Saginaw, Sept. 17.—The flax industry at this place has every indication of success. The crop planted in this county this spring has yielded far beyond the expectations of those who instigated the movement throughout the valley. Machinery for a flax fiber factory is in course of construction. There is also some talk of Minneapolis parties starting a thread factory at this place, if there is an assurance that flax will become a permanent product in the county.

Well-Known Physician Dead.
Sturgis, Sept. 20.—Dr. Nelson I. Packard, a prominent citizen of Sturgis, died at four o'clock Sunday afternoon after being sick for four months with typhoid fever. Dr. Packard was president of the Citizens' State bank and vice president of the National bank of Sturgis. He was a prominent mason and was a distinguished surgeon during the civil war.

Need Teachers.
Royal Oak, Sept. 18.—There seems to be a great scarcity of school teachers in this locality this year, which is something unusual. There have been only one or two applicants for schools in several cases; where good salaries are paid; and in some instances the officers have been unable to secure a teacher at all.

Alone and Paralyzed.
Manistee, Sept. 20.—H. N. Dustin, a prominent insurance man of this city, lay on the ground on the Old Free Soil road for 36 hours in the wind and cold Thursday afternoon. He started to drive home and was stricken with paralysis in the woods. A farmer found him and brought him to his home. He has been unconscious since.

To Remove to Grand Rapids.
Grand Rapids, Sept. 20.—Negotiations are in progress looking to the removal of an eastern furniture manufacturing company's plant to Grand Rapids, and it is probable that before long the second city's list of industries will be increased by this one, which will afford employment for nearly 300 men.

Paroled.
Charlotte, Sept. 17.—It is learned here that Joseph Wasson has been paroled from Jackson prison by Gov. Pingree. Wasson was convicted of arson in 1892, and sentenced to Jackson by Judge Hooker for eight years. It is not learned on what grounds Wasson was released.

Died on the Trail.
Muskegon, Sept. 18.—Word has been received from Snohomish, Wash., announcing the death of Alva Van Buren, a Muskegon furniture dealer, who had started for the Klondike. He dropped dead on the trail, 40 miles from Skagway, Alaska, about September 6.

Booming a New Railroad.
Albion, Sept. 20.—The proposed railroad between this city and Charlotte by way of Duck lake is being boomed. Brooklyn citizens will probably raise \$5,000, and the same amount is expected in Albion. The road will be 24 miles long and cost \$160,000.

Killed in a Runaway.
Niles, Sept. 21.—George Davey, aged 37, a pioneer of Michigan, was killed at Bangor in a runaway.

Annual Appropriation Bill.

The common council has passed the municipal budget, termed the annual appropriation bill, giving the amount to be raised by tax this year for the several purposes and funds. The total of city and school taxes is \$38,937, being \$2,358 less than in 1896. The various amounts as compared with last year are as follows:

FUND.	1897.	1896.
General	\$6,279	\$9,807
Fire Dept.	1,500	700
Poor	2,000	2,000
Library		200

Light	5,500	1,500
Int. & Sinking	3,128	2,610
City tax	20,307	19,817
School tax	18,630	21,573
	38,937	41,390

The special taxes to be raised this year are: First avenue \$287.09, East Twelfth street \$74.43, West Eleventh street \$163.52, Sixth and Fish streets \$848.76, East Eleventh street \$121, West Tenth street, \$306.65, Fifteenth street \$213.92, East Eleventh street (extension) \$225.

The Pickle Season Ended.

The pickle season was brought to an abrupt close on Monday owing to the heavy frost which visited this section the previous night and the salting-house of the H. J. Heinz Co. commenced inventory. Upwards of 27,000 bushels of pickles were delivered by the contractors and farmers generally are well pleased with their initial experiment in this new venture. Contracts for next year's acreage are coming in freely and no effort need be instituted to secure the additional one hundred acres required for next season's business. On Monday several loads of the vegetable were brought to the factory, but were not received as they had been badly nipped by the frost.

According to the reports from several farmers the number of bushels of pickles yielded per acre was from 150 to 250, which for their first experiment is considered a very satisfactory crop. The second half of the first installment will be paid in the course of a few days and the latter payment will be made in January. The new industry, just in its infancy, will spread an amount of about \$8,000 upon the market in ready cash and the effects of this addition to the annual revenue is apparent.

A new departure will be added next spring. The products of two hundred acres of tomatoes has nearly been pledged and a vinegar plant will undoubtedly be constructed which will take charge of an enormous crop of apples and which will greatly enhance the products of the farm. From present indications the necessary \$800 for this extension will be subscribed and the industry will prove a mutual benefit to both merchants and agricultural classes.

Holland has again demonstrated that it is the banner city. No industry essential to its growth is allowed to escape and the spirit of unanimity which has characterized its citizens on previous occasions has again manifested itself in embracing the opportunity offered by the Heinz company. In thus promoting the interests of the farmers the mutual relations have been greatly strengthened.

Property in Chicago.

The Pottawattomie tribe of Indians has made the happy discovery that it holds the title to 130 acres of land almost in the heart of Chicago. The land became the possession of the Indians in 1833 by a treaty executed between Leopold Pokagon and the government, Leopold being the father of Simon Pokagon, now chief of the tribe. It formed part of an immense territory, which the Indians afterward sold and a confusion of boundaries led to the abandonment of the 130 acres of valuable land, which the Indians have now undertaken to recover, and which is estimated to be worth \$1,000,000.

The property is mostly owned by W. H. Cox, a heavy Chicago capitalist. The Pottawattomie title was not discovered until Mr. Cox attempted to secure an abstract. When chief Simon Pokagon was at the world's fair Mayor Harrison informed him of the matter. Pokagon investigated and last Saturday at Hartford made his discoveries public to seventy-five members of his tribe. He said that Mr. Cox was disposed to deal fairly.

Chief Pokagon and lawyer Ingalls of Hartford proceeded to Chicago on Tuesday to interview Mr. Cox.

On Their Way Home.

Last Friday B. Van Zwaluwenburg received a letter from his son-in-law, Rev. Jacob Poppen, of Yokohama, Japan, to the effect that he and his family were making arrangements to take passage on a steamer en route for this country. They will cross the Pacific ocean via Washington, from where

THE LATE LEENDERT MULDER.

they will proceed direct to Holland.

Mr. Poppen and family left here for Japan on March 4, 1896, he having accepted a position as professor of Hebrew and Bible study at the college there, tendered him by the Reformed church. He had an eye for study and exerted himself to no small degree in acquiring and mastering the Japanese language. His health became impaired and he was advised by his physician to abandon the field as the climate of Japan was a serious impediment to his ultimate recovery.

He reluctantly consented and resigned his position at the college. He was well pleased with the surroundings and his new sphere of work, preferring the position of professor to that of clergyman. A salary of \$1400 was connected with the position. He possessed all the qualifications essential to a successful teacher and was making good progress in his work.

Mr. Poppen completed a course in theology in the Princeton, N. J., seminary a few years ago and afterwards finished a post graduate course in that institution. He also served the Reformed church at Jamestown as pastor for two years. In his resignation the Ref. Church loses a valuable and zealous worker in the missionary field.

Mr. Poppen and family are expected to arrive in Holland on or about Oct. 15th. He will for the present take a much needed rest.

Death of C. J. Cook.

Sunday morning the news was heralded about the city that C. J. Cook had been found dead in his chair at Port Sheldon. This was corroborated by a telegram received by his brother-in-law Wm. Bourton of this city. It was an unexpected surprise to his Holland friends as he had enjoyed fairly good health and was seen on our streets a few days previous. Mr. Cook had been a resident of Port Sheldon for a period of sixteen years and up to the time of his death served the village as postmaster and justice. Lincoln, England, was his birthplace and he came to this country in 1854. He was 68 years of age.

The weekly news budget from that thrifty burg was contributed by him regularly for a number of years and the News loses in him one of its most active correspondents.

Saturday evening he perused his daily paper when the other members of the family retired for the night. On Sunday morning he failed to put in his appearance and upon entering his room he was found dead in his chair with the paper at his side. The cause of his sudden demise is attributed to heart failure.

Mr. Cook leaves one son, Christian B., his wife having preceded him about three-years ago. He was a respected citizen and a frequent visitor to our city.

The funeral occurred Tuesday afternoon at Ventura and was largely attended, the neighbors for miles around following his remains to the cemetery. Rev. H. G. Birchby of Hope church delivered the funeral address.

Their Silver Wedding.

One of the principal events in the social world during the past week was the celebration of the silver wedding of Rev. and Mrs. K. Van Goor on Friday evening. The paragon was beautifully decorated with floral designs and the two hundred guests who responded were welcomed by the host and hostess amid the cheerful tones of the organ at which Miss Hannah Te Roffer presided. Five tables were arranged upon which were spread luscious viands, which were served by an army of waiters consisting of the lady teachers of the Sunday school. A number of toasts were responded to by J. A. Peyster, L. Sprietsma, Rev. H. Van Hoogen, B. Kruidenier and I. Marsille.

The presents included many costly and beautiful pieces of silverware from Holland, Zealand and Grand Rapids friends, while a handsome purse of \$112.25 was presented to Rev. and Mrs. Van Goor by the members of his congregation.

The evening was spent in a true sociable manner and pleasant incidents will long linger in the memories of those who attended.

Rev. and Mrs. Van Goor were married at Kampen, Netherlands on Sept. 17, 1872. Shortly after the nuptials, Mr. Van Goor entered the ministry, Oct. 20th of that year being the date of his ordination. From this union resulted nine children, six of whom are living.

Rev. Van Goor and family arrived here from the Netherlands in June, 1893, when he accepted the call to the church of which he is the present pastor. He is a gifted, talented and powerful preacher, under whose pastorate the church is steadily increasing in membership.

Their Fortieth Anniversary.

The home of Mr. and Mrs. J. Zimmerman on west Eleventh street was the scene of a pleasant event on Wednesday evening when they celebrated the fortieth anniversary of their marriage in the presence of about fifty friends. They being members of the German Lutheran church, the pastor Jacob Graber delivered an address of welcome and read a poem prepared for the occasion. A recitation was given by J. Hiskens and the affair was pronounced to be the event in German society. The presents received were beautiful and included many articles of silverware. A sumptuous feast was served. Mr. and Mrs. Zimmerman were born in Germany and are 67 and 60 years old respectively. At the early age of 9 years he came to New York and 22 years ago they became residents of Holland. Their children are married and reside elsewhere. They make their home with their grandchild Miss Nellie Kent.

The Boggs-Cooley Nuptials.

The marriage of William H. Boggs and Miss Mary I. Cooley was solemnized on Tuesday evening at the home of Mr. and Mrs. T. J. Boggs on Tenth street. The rooms were beautifully decorated and the guests as they entered were received by Miss Nella Pfanstiehl and Arthur Roost. The ceremony was performed under a canopy of palms and smilax by Rev. H. G. Birchby, while the contracting parties stood upon a white rug, decorated with ferns.

After the ceremony congratulations were showered upon them. A sumptuous lap supper consisting of several courses was served by the Misses Martha Blom, Beatrice Kimpton, Minnie Kramer and Nellie Koning.

The presents were beautiful, costly and ornamental, including many fine articles of silverware. A pyramid bride's cake was presented by the bride's brother, Simon Cooley, of Sturgis, who together with her mother and Nellie and Alma Adams, also of Sturgis, were present.

Mr. and Mrs. Boggs repaired to their new home on the corner of 26th street and Central avenue at 10:30, where the groom operates a poultry farm. The bride has for a term of five years occupied a position as stenographer at the West Michigan furniture factory and is one of Holland's estimable young ladies. As an expression of the appreciation of her services Mr. Geo. P. Hummer presented her with an elegant \$40 bedroom suite and a \$50 check.

A September Wedding.

Wednesday evening Nick Kammeraad and Miss Anna Dykema were united in connubial bonds at the home of the bride's parents, Mr. and Mrs.

K. Dykema on west Twelfth street. The ceremony was performed by Rev. J. Van Hoogen in the presence of about 150 guests. The bride was dressed in a changeable green silk trimmed with lace and pearls, while the groom was attired in the conventional black. Promptly at 8 o'clock the bridal party entered in response to the wedding march played by Miss Ellen Winter. Miss Anna Kammeraad, sister of the groom, and Nick Dykema, brother of the bride, acted as bridesmaid and groomsmen.

After the ceremony an elaborate wedding supper was served by the Misses Cora Dalman, Minnie Viissers, Mary Slabbekoorn, Alice Westerhof, Hannah Slabbekoorn, Gertrude Klompars, Anna Van der Schel and Maggie Bennink. The dining room presented a cheerful appearance, being profusely decorated with flowers and potted plants.

The presents were beautiful, useful and in great variety. A reception was tendered to the young people on Thursday evening and a host of friends resounded.

Among those present from abroad were Miss Maggie Bennink of Muskegon; Kate Van der Werp, Marie Van der Werp and Fannie Sherphorn of Grand Rapids, and K. Bouwman of Grand Haven.

Mr. and Mrs. Kammeraad will reside at their new home on Eighteenth street, between River street and Central avenue.

The Concert.

The Frances Hughes Concert Company furnished a most pleasing entertainment, last Monday evening, in Winants Chapel. The musicians were cordially received by an appreciative audience, and every member was greeted with such hearty applause, that the program was nearly doubled by encore. Miss Hughes has greatly improved in the manipulation of her beautiful harp, and her exquisite grace and finish makes it "a thing of beauty and joy forever." Miss Appy received an ovation. Her cello work is wonderful for a girl of eighteen. She draws a heavy bow, and plays with perfect technique and deep musically feeling. The vocalists, Mr. Wade and Mr. Lester, and the pianist, Miss Van Frank performed their parts admirably, and were heartily encored. This musical introduction a course of the lectures that are far ahead of anything ever heard in Holland. Very expensive orators have been engaged by the college, whose names will be announced in a few days.

Captured in Petoskey.

Thursday morning Sheriff Van Ry went to Petoskey to apprehend Charles E. George, who escaped from the city jail last summer while waiting to be taken to the Detroit House of Correction for a period of 75 days for conviction in Justice Van Schelven's court on a charge of purloining a watch belonging to Dr. Collins H. Johnson of Grand Rapids from a bath-house at Ottawa Beach.

The prisoner is the one-armed crook, who created quite a sensation in the court room by defending his own case. The jury convicted him after a few minutes deliberations and after sentence was pronounced he was placed in the city jail and was permitted the use of the corridor. He neatly planned and effected his escape in the afternoon. Descriptions of the prisoner were sent by Sheriff Van Ry and Marshal Dyke to all the summer resorts and this led to his re-capture by the Petoskey officers.

Pifer Captured the Honors.

As was generally conceded by our local wheelmen, Frank Pifer captured the mile championship race at Grand Haven on Tuesday. Late in the afternoon a dispatch was sent to L. E. Van Drezer which announced that Frank Pifer had won the cycle championship of Ottawa county and the local wheelmen were in no measure surprised as they had placed the greatest faith in their representative. Holland's delegation to Grand Haven consisted of Frank Pifer, John Essenberg, Harry Nies, Homer Van Landegend, Gerrit Meeboer, Cornelius Karssen, Ben Van Raalte, Jr., Frank De Vries, Leo De Vries, Arthur Baumgartel, Fred Pfanstiehl, Fred Beuwkes and George Hyma.

The program consisted of many interesting events, although the greatest interest was centered in the county championship races. Mr. Pifer was victorious in the mile contest, but in order to retain the cup must win it a second time and the date for the next contest is fixed for Oct. 12. In speaking of the contests we quote the following from the Tribune:

The mile race brought out a number of riders, including Frank Pifer, the Holland crack, and Ford Dake, holder of the cup, and speedy Ray Lockie. Harry Haines and Will Maubius officiated as pacemakers. A violent head wind had to be contended with on the back stretch and the time was slow. Pifer came in ahead with Dake only a fraction of a second behind. The race for the half mile cup went to Ray Lockie who finished about six seconds ahead of Ford Dake, who came in

second. Wellman and Fullington paced, and Lockie, by securing an advantageous position behind their tandem, won easily. This race caused some dissatisfaction, as the defeated contestants claim that the pacemakers acted partially and unfairly. To a man up a tree it seems as though the next races, for the championship especially, should be run without a pace. Let a time limit be set, and let the contestants fight out their own battle and use their own heads. In races where a pacemaker is used there is liable to be jockeying and unfair play, and every semblance of it should be eliminated.

Another pretty race yesterday was the mile open. Fullington, the Cedar Springs boy, beat Wellman out with but a quarter of a second to spare.

The Holland visitors were all pleased with the way the races were conducted and made many friends while here. Frank Pifer is a quiet, gentlemanly fellow, and if he wins the cup it can be said that they go to a good square rider. Come again, Holland.

The different events and the winners were as follows:

One-half mile novice—C. Banfield, Grand Rapids, 1st; J. Essenberg, Holland, 2nd; time 1:21 1/2.

Boy's race, 13 to 17 years—Ed. Judd, Grand Haven, 1st; Fred Pfanstiehl, Holland, 2nd; time 1:30 1/5.

Mile championship—Frank Pifer, 1st; Ford Dake, 2nd; time 2:39 2/5.

One mile amateur—Herbert Fullington, Cedar Springs, 1st; E. Wellman, Grand Rapids, 2nd; time 2:28 1/5.

One-half mile, under 13 years—Elmer Bryce, 1st; George Osterhouse, 2nd; time 1:33.

One-half mile championship—Ray Lockie, 1st; Ford Dake, 2nd; time 1:12.

Bicycle Races.

The Holland Cycle Club has been given charge of the bicycle races at the Fair next week. The L. A. W. has been applied to for a sanction. Four gold-lined silver cups have been ordered as the prizes for four championship races, to be held on Thursday and Friday afternoons. Entries close Tuesday noon and must be made with secretary Arthur Baumgartel.

There will be two classes of amateur events, A and B. Class B is open to those who have not won a place in any open event. Class A is open to all amateurs.

The conditions upon which the cups are put up are as follows: The races for the mile and half-mile cups representing the Holland Cycle Club Amateur Class A championship of Ottawa & Allegan counties, are open to any member of the Holland Cycle Club who has resided in said counties for six months or more.

The races for the mile and half-mile cups, representing the Holland Cycle Club Amateur Class B championship of Holland City and Township are open to any member of the Holland

Cycle Club who has resided in said city or township for six months or more.

All races must be run on the track of the S. O. & W. A. Fair Ass'n, and under the auspices of the Holland Cycle Club.

All races shall be best two out of three heats.

Entries close two days before races are to be held, and must be made with the secretary of the Cycle Club.

Cups will remain the property of the Cycle Club until won three times by the same person. Winners may obtain possession of same, but cups must be returned one week before next races.

Winners must be given two weeks notice of next contest for cups.

Anyone not personally known to members of the Holland Cycle Club, winning any of the cups, must furnish security for the safe return of same.

Cups shall be open to challenge by any individual, but the Cycle Club reserves the right to make the races an open event.

All races, whether open events or challenge races, shall be held at such times as the Cycle Club shall direct.

The first races for the mile, Class A, and the half-mile, Class B, will be held on Thursday afternoon. The other races on Friday afternoon.

No entry fee is to be charged contestants in above races.

Card of Thanks.

We desire to express our heartfelt thanks for the valuable assistance rendered by neighbors and friends during the sickness and death of our beloved husband and father.

RIDICULOUS.

The directions on the High Price cans are the same as on Calumet cans, viz: "Two teaspoonsfuls to a quart of flour," but they say, one can of High Price will go three times as far as any other. Can any claim be more ridiculous?

Another claim made in favor of High Price baking powder is still more ridiculous, viz: that any baking powder sold at a less price than theirs must be dangerously adulterated.
