Republican County Committee

PICTURES OF OTTAWA COUNTY JUDGES TO EM-BELLISH COURT ROOM

PICTURES OF SIX JUDGES TO BE MADE BY THE ORDER OF SUPERVISORS

Petitions to That Effect Will Be Presented at This Session of County Board

A petition will be presented to the board of supervisors at the present session asking for the pictures of the judges who have presided on the bench of the Ottawa county circuit court since the circuit was organized. There have been six judges on the Ottawa circuit including Judge Orien S. Cross, the present presiding jurist.

Only the older residents of this county remember the older judges who presided on the local bench but they were prominent in their day. Many recall Judge Hart and Judge Arnold who were among the earlier jurists here. Judge Stone who had the Allegan and Ottawa circuit at one time is now on the bench of the Michigan supreme court, and one of the ablest jurists in the state.

Judge Phil Padgham, who comes within the memory of the present generation, succeeded Judge Stone on the bench. Judge Padgham has retired to his farm near Allegan and local attorneys who admired him during his active service, sometimes have the pleasure of a visit with him. Judge Cross, the present presiding judge, has come rapidly forward in his profession since ascending to the bench. Few of his decisions have been reversed by the supreme court, and he has presided in many circuits besides his own.

The plan of perpetuating the memories of these able men who have served the county in their important capacities, is a good one and it is very likely that it will be accepted by the board when the petition is presented. It is probable that the portraits of the judges will be hung in the court room at the county building.

STUDENTS TO VOTE

ON REAL BALLOTS

The Holland City News is printing the official ballots for Ottawa Co. this year the arrangements have been made whereby copies of the instruction ballot will be furnished to the students of the High school and the Junior High school. These instruction ballots, are in every respect identical with the official ballots except that the word "official" does not appear on them and they are not numbered. The students of the local schools will use them on election day to hold an election of their own.

HOLLAND TO HAVE REPUBLICAN RALLY FRIDAY NIGHT

Holland is to have its first big republican political rally next Friday night, when Alexander Groesbeck republican candidate for governor, and Henry Rose, clerk of the United States Senate, will be here to whoop 'er up in the Knickerbocker Theater. The two men will make a flying trip through the county during the day, speaking at Berlin, Coopersville, Zeeland, during the day, and in Holland at night. The arrangements are being made by the Ottawa County Republican committee.

Mr. Groesbeck has appeared in Holland before, although not in the present campaign. A few years ago when he made the race for the nomination for governor he spoke here, and he also appeared as a speaker at a meeting of the Chamber of Commerce at one time.

And in addition to the rumblings of political thunder, there will be movies 'nd everything at the meeting next Friday night. Mr. Rose is a political speaker and movie manager all in one. He has a number of fine films depicting scenes in Washington and these will be shown for the benefit of those voters who do not care to give a whole night to oratory. This entertainment promises to be both interesting and instructive.

Nor will that be the only entertainment. The Hope College Republican club got busy as soon as its officers heard there was to be a rally in Holland. The club rounded up the "U" Glee Club, composed of eight co-eds who will furnish sprightly music. Also plans are being made to have a Hope College girl appear on the platform as one of the speakers.

Saturday is the last day to register. See large instruction adv. on Page 3 which also gives registration places in each ward on Saturday.

PASSAGE OF THE SCHOOL BILL WOULD COME HIGH

WOULD COST CITY SOME \$150,000 IN NEW BUILDINGS

Would Also Mean Some \$12,000.00 More Yearly in Teachers' Salaries

While the material fact of expense would have no bearing on the parochial school amendment if American democracy were really threatened by the non-public schools, the matter of dollars and cents will count a great deal with many people in making a decision because most people do not believe that there is any threat to American government and American institutions in these schools. If they were actually dangerous to American institutions and to the future of this country, no amount of increase in the tax burden by the reason of abolishing them could count, because if America is not able to educate its own children then the country would be in bad case indeed.

But this does not take away the fact that many people are figuring up what it would cost the state, the county and the city if the amendment should pass. Recently a statement was made by State Superintendent Johnson as to what it would mean in increased tax burden for the whole state. Superintendent Gresson of Grand Rapids a few days ago figured out what it would mean in the school bill for that city.

Although a comparatively small proportion of Holland's children are in the Christian schools, nevertheless for this city also the bill would be a considerable one. The Christian Schools are supported by the parents who are at the same time paying their share toward the school taxes for the public schools.

The Christian School property in Holland is estimated at a value of between \$150,000 and \$170,000. If the amendment should pass the city because of the already crowded conditions of the public schools would have to invest a considerable sum in new buildings to house the added 600 pupils.

Moreover it would mean some 12 additional instructors, the bill for which could not be less than \$12000 a year and would unquestionably be more.

STUDENTS TO DISCUSS LEAGUE OF NATIONS

THREE REPUBLICANS AND THREE DEMOCRATS TO ENTER DEBATE

There is a great deal of interest at Hope College this fall in the presidential election and the students are taking sides with a great deal of spirit. The republicans are greatly in the majority and they have things pretty much their own way so far as numbers go altho the Democrats seem to be gaining ground, and at least the faithful ones to the banner of the democratic party are holding up their end well.

A plan has been worked out whereby the republican and democrats among the students can present their views on a basis of equality. A public debate is to be pulled off at the college on the day before election. The republicans will pick out a team composed of three of their best debaters, and the Democrats will do likewise. Then these two teams will go to it on the subject of the League of Nations. One unusual feature about the debate is that there will be no judges and no decision. The debate is for the purpose of impressing the students and winning for one side or another, thus making it as nearly as possible a political gathering in which there is also never a decision. And as in the case of political gatherings the decision will come the following day, when the students will hold a mock election.

G. J. DIEKEMA TO BANQUET THE REPUBLICAN SPEAKERS

Mr. and Mrs. G. J. Diekema will give a dinner at their home Friday evening in honor of Senator Townsend, Congressman Carl E. Mapes, Hon. Henry Rose of Washington, and Candidate for governor, Alex. Groesbeck.

Besides these speakers for the evening at the Knickerbocker, covers will laid also for the committee appointed by the Republican county committee who are in charge of the reception.

The committee consists of Hon. G. J. Diekema, Manager E. P. Stephan, Charles H. McBride, A. H. Landwehr, Thomas N. Robinson, J. B. Mulder, Arthur Van Duren, Ben Wiersema, Con De Pree, Henry Geerlings and B. A. Mulder.

SAUGATUCK ALSO PASSES A VEHICLE ORDINANCE

SPEED IS TEN MILES IN BUSINESS DISTRICT AND 15 ON RESIDENCE STREETS

The village of Saugatuck can't be behind in this day of fast driving autos and good roads improvement and when the beautiful highway is completed that took three years or more to finish Holland motorists will have occasion to make use of it so it will be well to know that the village council has also passed a traffic ordinance.

You can't go faster than ten miles an hour thru the business district and on the residence streets 15 miles is the speed limit.

You can stop your car at street intersections just long enough to take on or discharge a passenger.

You can't use your cutout at any time or make any unnecessary noise with your car. No not even with your motorcycle which is a blessing enjoyed by the otherwise quiet neighbor on the lake to the south of us.

It will be unlawful for persons to ride bicycles or motorcycles on the streets, highways, or public places, curving to and fro thereon, or to ride bicycles or motorcycles without having their hands on the handle bars. You can't ride your baby in a basket on the handle bars of your car for article 7 says: "No person or persons shall be carried upon the handle bars or on any other part of the vehicle in front of the driver of the motorcycle or bicycle, on any of the streets of the village. No person shall ride or drive any other vehicle along or upon any sidewalk, or any place designed or kept for the use of persons on foot only nor upon any curbing or any space between any curb and the sidewalk adjacent hereto."

The Saugatuck traffic ordinance takes up about two columns of space. It is not quite so voluminous as the Holland ordinance but covers many of the regulations set forth in the vehicle ordinance recently drafted in this city.

BIGGEST MEETING IN HISTORY OF THE POST IS HELD

ATTENDANCE LAST NIGHT BROKE ALL RECORDS FOR REGULAR SESSIONS

After This Local Post Will Meet But Twice in Each Month

The meeting of the Willard G. Leenhouts Post, American Legion, held in the city hall Wednesday night was the biggest regular meeting, in point of numbers in the history of the local Post. There was nothing of an unusual nature to draw the members to the gathering, only regular business being before the Post. But a total of 176 members came out to take part.

Mayor Stephan was present and gave a talk with a view of learning what he sentiments of the members of the Legion were in regard to the celebration of Armistice Day. As a result of the conference between the mayor and the legion members it has been decided to celebrate Armistice day with a series of functions. Mayor Stephan plans to proclaim the day a holiday in Holland. The celebration, according to the plans which are still in a more or less incomplete form, will begin in the morning and will wind up with a mass meeting in the evening. The proper observance of the day will be in the hands of a committee of which Dr. Leenhouts is chairman.

After this the Legion will meet every two weeks instead of every month. The business of the Legion has increased so rapidly that the monthly meetings have been found inadequate. So gathering will be held every second and fourth Wednesday evening of the month.

The local Post will this year help the American Red Cross put over its membership drive. Ward captains have been appointed and the teams will be selected to make the drive a success.

Commander Henry Geerds gave a full report of the national convention held in Cleveland to which he was a delegate from the Fifth District.

At each meeting the Legion holds a number drawing, the man drawing the lucky number receiving \$2, provided he is present, otherwise the \$2 is added to the amount for the next drawing. Last night the amount was \$4 and Lewis Lawrence was the lucky man. But he was not present, so he loses the money. Next time the amount will therefore be \$6.

Saturday is the last day to register. See large instruction adv. on Page 3 which also gives registration places in each ward on Saturday.

AMERICAN LEGION BAND TO GIVE CONCERT AT KNICKERBOCKER FRIDAY NIGHT

Besides the many other features, that are going to take place at the Republican rally Friday night at the Knickerbocker theater is a concert by the American Legion band who will play from 7:15 to 8:00 o'clock when the speechmaking begins.

PROSECUTOR FRED T. MILES EXPLAINS THE BALLOT

WOMEN GET AN INSIGHT INTO HOW TO VOTE CORRECTLY

Prosecutor Fred T. Miles was invited to a meeting of the Woman's auxiliary of the American Legion held at G. A. R. rooms last evening. The women requested Mr. Miles to talk on the ballot and explain how to cast the ballot.

Mr. Miles secured two instruction ballots from the Holland City News printery, one official presidential ballot and the other ballot containing the school amendment.

He went into details relative to these ballots in such a way that of the hundred women present there was not one that went home not knowing how to exercise their newly given prerogative, which enables them to help run the country.

Surely the American Legion women will be out in force on election day, confident in the fact that they are able without assistance to cast their first presidential ballot.

Saturday is the last day to register. See large instruction adv. on Page 3 which also gives registration places in each ward on Saturday.

The offense was committed in the big bay on the north side. They appeared before Justice Van Schelven who fined them ten dollars each and costs of \$4.70.

JOINT MEETING OF BIBLE CLASSES HELD

The first joint quarterly meeting of the Men's and Women's Adult Bible classes of the First Reformed church was held Monday evening and the meeting was a most interesting one. The attendance was large, about 150 men and women being present.

The principal speaker was Prof. Wynand Wichers of Hope College, the subject of whose address was "Is the Church Doing Its Duty Toward Its Children?" Prof. Wichers held that the churches of Holland should get together for the purpose of erecting a Y. M. C. A. building and that a paid Y secretary should be maintained. Another speaker was Rev. Eckerson, missionary to China, who also gave a stirring address. Refreshments were served.

SERIOUS AUTO WRECK ON EIGHTH STREET

At 5 o'clock Saturday evening H. J. Fisher, drove his sedan on Central avenue and became flustered when he saw one of the large interurban cars approaching on the street intersection of Eighth street.

Apparently he lost all control of how to steer his machine as he ran directly into the outgoing Interurban coach.

The accident is most peculiar from the fact that the wheels, fenders and lower part of the sedan are demolished entirely but the body and enclosure of the machine are intact. Not even a window was broken.

The broken car was hauled near the Hotel Holland on Central ave. and for a time the street was blocked with curious onlookers.

The damage to the machine is estimated at \$300.

LOCAL MAN SPEAKS AT LARGE GATHERING IN PETOSKEY

Petoskey had a regular holiday Tuesday. The resort city was celebrating Columbus Day in true style, even places of business being closed.

The superintendent of the schools at Petoskey has been co-operating with the Knights of Columbus, and the Grand Knights of the State of Michigan together with the school authorities made this celebration possible. They had secured Thos. N. Robinson of Holland to deliver the oration of the day and his subject was "America for Americans."

The eventful day in 1492 when Christopher Columbus discovered America and landed at San Salvador an island in the West Indies was depicted in pantomime by the students of the public schools.

Truly Petoskey made Columbus Day a big event, in honor of the great man who made possible for all of us to live in this glorious country.

Rev. Otto Braskamp of Shaughai, China, addressed the student body of Hope College Friday morning. Rev. Braskamp is working among the Chinese in the province of Shantung under the direction of the Presbyterian Board of Foreign Missions, and is a graduate of Grinnell College and Princeton.

Born to Mr. and Mrs. A. R. Clark, 669 Michigan avenue—a boy.

BLACKSTONE TIRES

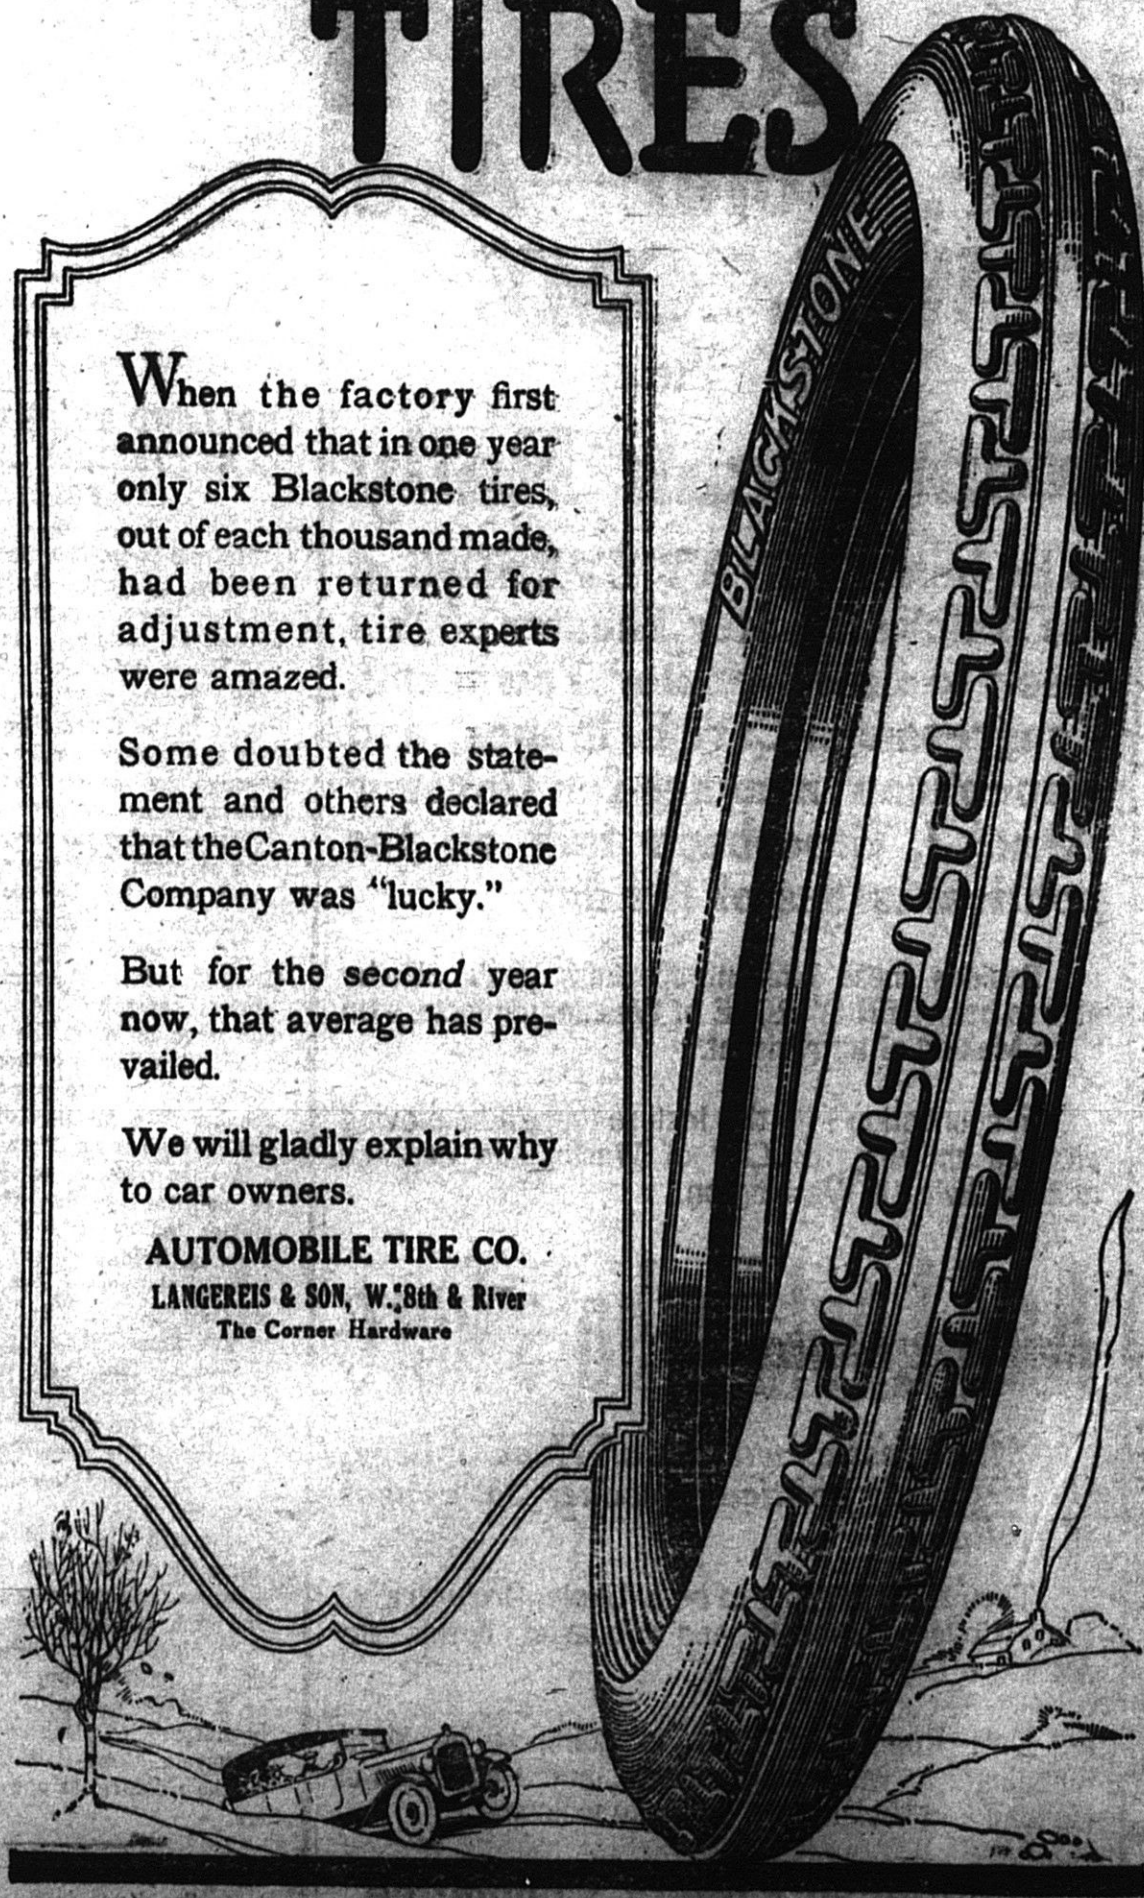

When the factory first announced that in one year only six Blackstone tires, out of each thousand made, had been returned for adjustment, tire experts were amazed.

Some doubted the statement and others declared that the Canton-Blackstone Company was "lucky."

But for the second year now, that average has prevailed.

We will gladly explain why to car owners.

LIBERAL ALLOWANCE FOR OLD TIRES REGARDLESS OF CONDITION

JURY IS DRAWN IN THE SIEGERS INQUEST

New developments have come to light in the case of Albert Siegers who was killed in a collision when his motorcycle ran into a rig upon the Zeeland road.

Deputy Sheriff Homkes was put on the case and discovered that Jake Kuiper and Alvin Hoffman of Borculo were the parties in the rig. Kuiper and Hoffman were leaving Holland for their home remaining on the right side of the road. All at once a motorcycle or something that they could not make out, as it carried no light, they state, struck the front part of the rig. In the rebound the object struck the rear hub of the same rig and when the two occupants alighted they found the young man on the pavement. They tried to lift him up but failed. The man could not stand altho apparently he was conscious.

While they were investigating Henry Cook, R. Niekamp and Harvey Faber ran alongside and the Borculo party requested them to take the injured man to the Holland hospital as quickly as possible with their auto. Albert Becker also came by with his Nash car and assisted materially in aiding the injured man. He was first taken to his home and later to Holland hospital.

What might have been a double tragedy, if all reports are true, would have been the killing of Miss Alderink who accompanied him on the trip to Grand Rapids.

Mr. Siegers taking the precaution not to ride tandem in the dark, it is said requested her to go home on the interurban and he would then meet her at the station and take her home, and the one was to remain in wait for the other should they not arrive simultaneously. Of course Mr. Siegers never arrived owing to the unlooked for accident.

Acting Coroner Jay Den Herder has called an inquest for Saturday morning at the city hall, when the untimely death of the young man will be further investigated. The jurors drawn are Geisbert Blom, D. Boter, Nick Dykema, Nick Sprietsma, Fred Beeuwkes and Henry Van Ark.

The funeral of Albert Siegers was held Wednesday afternoon at two o'clock from the home 39 E. 17th-st., Rev. C. P. Dame officiating.

Officer Bontekoe Thursday picked up Gerrit Luger in Holland for the officials of the State Hospital at Kalamazoo. Luger broke away from the institution the day before and seems to have wandered away and finally landed in the community in which he used to live. Believing that he would return to this section, the officials of the institution notified the local officers who were on the lookout for him. Officer Bontekoe located him near the corner of 16th street and Central avenue.

Mr. Luger was sent to Kalamazoo from Fillmore township about 15 years ago. Kalamazoo officials came to Holland Friday to take him back to that institution.

FORMER HOLLAND MAN SAVES FRIEND FROM DROWNING

Dean Bergen, son of Dr. J. Talmadge Bergen, figured in a sensational rescue from drowning in Chicago according to a story in the Chicago Tribune. Scores of witnesses watched the struggle that Bergen made to save a friend from death. The victim of the water accident was W. H. Mikkelsen, manager of the Chicago Insulating Co. He and Bergen were going duck hunting, and Mikkelsen was wearing hunting clothes and heavy hip boots that interfered with his movements when he fell into the water. He was attempting to launch an 18 foot dory when a heavy sea caught him and a strong undercurrent carried him swiftly away.

Bergen was stringing decoys a short distance away, kicked off his hunting boots when he saw his friend's peril and went after him in a boat. The boat was a heavy one and hard to operate, and when about half way to the man in the water Bergen saw that his friend was failing and left the boat and swam after him.

Those on shore saw the rescuer reach the drowning man and then a battle began. Mikkelsen, half unconscious, clutched at Bergen and hampered his efforts, necessitating a blow in the face that knocked him out completely and made it possible for Bergen to handle him. When they finally reached shore some one produced a flask of brandy and Mr. Mikkelsen was revived.

Bergen is well known in Holland. He was a student at Hope College at the time when Dr. Bergen was pastor of Hope Church. He has for some years been a real estate dealer in Chicago and has been very successful in that business. He is a brother of C. Bergen of the DePree Company.

THREE LOCAL TELEPHONE MEN JOIN STRIKE

The telephone strike came to Holland Friday morning. Three employees of the Citizens Telephone Company did not appear for work Friday and the office is being operated by the girl employees and one man who was not a member of the Electrical Workers' Union of Grand Rapids.

The three union men who went on strike at the local plant Friday were Joseph Borgman, Nicholas Prins and Walter De Neff. The fourth man of the crew, Charles Ash, reported for work as usual and will continue on the job. The three men received a wire from Union Headquarters on Thursday night ordering them to go out on strike and Friday morning the order was put into effect.

There is said to be no ill-feeling between the officials of the local company and the men on strike. They are said to be striking purely as a sympathy walk-out. The men have been valued employees of the company for years, some of them for more than ten years. The feeling between them and the company is the most friendly. They are said to have admitted to the officials that they have no personal grievances and that it is not a personal matter with them at all. The relations between the men and the local company have always been the most friendly. But they declare that as members of the union they are forced to walk out.

There has been no suggestion of any cut in wages locally. In fact all three men on strike have been advanced twice the past year; they have each had a week's vacation with pay; have Saturday afternoons off; and they are not in any way dissatisfied with working conditions here. Nothing of that sort is given as basis for the walk-out.

Manager Wm. Orr said Friday that for the present at least the local service would not be seriously affected. At a meeting of the girl employees of the company, all declared that they would remain on the job and do all they could to minimize the effect of the walk-out. The out-of-town service may be interfered with, but in the city it is not believed that the strike will cause much of a tie-up in business.

TWO ZEELAND GIRLS WED TWO HOLLAND MEN

Two Zeeland young ladies became fall brides, when Miss Caroline S. Meengs became Mrs. Albert E. Van Lente and Miss Jessie Brummel became Mrs. Cornelius Wiersema.

Mr. and Mrs. Van Lente were married at the parsonage of the 1st Reformed church in Zeeland, where Rev. Harmelink performed the ceremony. At the same time Mr. and Mrs. Wiersema were being pronounced man and wife by Rev. B. Hoffman at the Second Reformed church parsonage.

The young ladies have been intimate friends for many years as also have Mr. Van Lente and Mr. Wiersema for a long time, and their marriages were planned to occur simultaneously.

After the ceremony the two couples left on their honeymoon trip in an auto, offering no information as to their destination.

Mrs. Wiersema is a daughter of Mr. and Mrs. D. Bos of Colonial Avenue and Mr. Wiersema is also of Holland City.

The newlyweds will all reside in Holland where they will be at home to their friends after November 1.

NEW MACHINE DOES A LO- CAL JOB IN A HURRY

H. P. Zwemer & Son Thursday completed an excavating job that is believed to set a record for work of this kind in Holland. The excavating was done by the use of an electrical bakery of Ald. Brieve. The work was done by the use of an electrical conveyor of dirt, the only one of its kind in the city. It is worked by an electric motor, carries the dirt 24 feet and drops it into dump wagons.

By this new machine 230 tons of sand were removed from under the Brieve building in 14 hours.

CITY LEARNS THAT GAS VOTE WAS NOT LEGAL

City Attorney C. H. McBride has received a letter from the Attorney General's department at Lansing stating that the vote on bonding the city of Holland for \$150,000 for the purchase or erection of a gas plant taken last spring, is not strictly legal. According to the letter, the bond issue vote did not comply with one of the provisions of the Home Rule Law.

At the instance of the common council, City Attorney McBride wrote to the Attorney General's department to ascertain whether the bond issue vote was legal or not. The council wanted to make certain and hence the city attorney got into communication with the state's legal department. Friday he received the following answer:

"We refer to yours of the 24th ultimo.

"You are advised that we are of the opinion that the proposition for bonding your city to the amount of \$150,000, as submitted, does not comply with the provision of the Home Rule Law for cities.

"The provisions of the general law should be followed. Your charter in its terms, provides for a sinking fund to retire all obligations of your city. Under the terms of the Home Rule Law each public utility owned by the city must provide a sinking fund from its own receipts to pay its own obligations. This, in your case, has not been done, and therefore the existing law not complied with.

"Other matters need not be referred to, as the existing law will undoubtedly be complied with in any further issue.

"Respectfully yours,

"A. B. Dougherty.

PRETTY WEDDING TAKES PLACE ON THURSDAY NIGHT

Thursday evening at 8 o'clock the marriage took place of Miss Cora Schaftener daughter of Mrs. H. Schaftener on West 16th street to Mr. William Sloat. To the strains of Mendelssohn's Wedding March, played by Miss Coralyn Van Etta, the wedding ceremony was ushered in. Miss Bertha Sloat, sister of the groom, acted as bridesmaid. Dick Schaftener, brother of the bride was best man, and Master Richard Schaftener was ring-bearer. Rev. Herman Hoeksema, of Grand Rapids officiated. Only immediate relatives attended.

The bride wore white satin, trimmed with silk moline, and carried a shower bouquet of roses. The marriage took place under an arch of ferns and roses and the rooms were beautifully decorated with chrysanthemums.

Refreshments were elaborate and the serving was done by the Misses Bertha Rutgers, Helene Nykamp, Dora Schermer and Lizzie Wentzel.

The bride was for a number of years employed in the offices of the De Pree Company of this city, and had a host of friends. The groom is proprietor of an electric shoe hospital at Muskegon. The happy couple will make Muskegon their home.

CONTRACTOR'S DAUGHTER IS WED

A quiet and simple wedding took place at the home of Mr. and Mrs. Frank Dyk, 78 W. 15th street at six o'clock Friday evening, when their daughter, Frances, was married to Mr. Charles Marsh, son of Mr. and Mrs. Frank Marsh of Lansing. Rev. D. R. Drukker of Zeeland performed the ceremony, after which an elaborate wedding dinner was served.

The bride and groom soon afterward started on a wedding tour to Detroit, Cleveland and Niagara Falls. They will be away for the greater part of a month after which Mr. and Mrs. Marsh will be at home to their friends in Lansing, Michigan.

Mrs. Marsh is well known and popular in this city, having graduated from the local high school and later from the Normal school at Ypsilanti. For some time she has been an instructor in the high school at Jackson, Mich.

Mr. Marsh is also a graduate of Holland high and only recently left the city for Lansing, Mich.

HIDES DOWN AGAIN; LOWEST LEVEL IN YEARS IS QUOTED

The latest downward step in the gradual recession of the hide market places quotations at the lowest level attained in several years. The buyers declared a reduction Saturday of 2 cents per pound in the paying price of hides in all grades, and three cents per pound on calf skins. Princes now range from 10 to 13c per pound for hides and from 12 1/2 to 17c for calf skins.

Throughout the country a general condition of demoralization exists. Only 50 per cent of tanneries are operating and these but half time. Shoe manufacturers are not buying, and with little export trade, the volume of surplus grows constantly. Indications are of further decline unless conditions improve rapidly.

MAN HANGS HIM- SELF IN A BARN

The body of Klaas Zeldenrust, old resident of Grand Haven was found by his wife Saturday morning hanging in the barn in the rear of the family home, 709 Fulton street. Mr. Zeldenrust, who has been despondent for some time arose at about 4 o'clock Saturday morning and went out of the house. His wife found the body at about six o'clock. The aged man left a note explaining his act. Mr. Zeldenrust was 78 years of age and was born in the Netherlands. He had been a resident of Grand Haven for many years and had been an employee of the Story & Clark Piano Co.

JOHN BORGMAN, OLD LAKE CAPTAIN PASSES AWAY

Captain John Borgman who for 35 years has sailed the Great Lakes, and at one time owned the three-master schooner, "Wollen," died at his home at the age of 87 years.

Had he lived until December 12, he and Mrs. Borgman would have been able to celebrate their 60th wedding anniversary.

Although Mr. Borgman had been ailing for some time a fall he sustained about two months ago hastened the end. Captain Borgman was known in every port on the Great Lakes in the days of sailing vessels.

His staunch ship that hailed from Holland, was a conspicuous object, when anchored in mid-lake over the winter where the ship was laid up until the ice went out in the spring.

Many citizens who were young lads 35 years ago will remember the genial captain who built a fire in the cabin stove of his ice bound ship in order that the skaters might get warm at intervals during their pleasure on the ice.

Mr. Borgman is survived by a widow and seven children: Mrs. Sena Kuite, Miss Anna Borgman, Mrs. Jerry Leapple of Holland, and Mrs. William Kremers of Niagara Falls. Also Ralph Borgman of Kenosha, Wis., John of Detroit and Joseph of Holland.

The funeral was held at No. 126 West Tenth street on Tuesday afternoon at 2 o'clock when Rev. Flipse officiated.

Interment took place at the Pilgrim Home cemetery.

GETS LITTLE CREDIT IN PAPERS, BUT MAKES GOOD

Judging from some of the Grand Rapids papers in their description of the U. of M. Case College football game Saturday, the reporter only saw one man on the team through Grand Rapids' glasses, and that was Steketee. The Detroit papers however give a man from Holland a little credit, namely Cappy Cappon, and while Mr. Steketee is a wonderful player, and is in a position to show himself with credit in the game from the inside proves that "Cappy" Cappon did wonderful work in breaking up the opponents' interference. Time after time Cappon prevented Case College from making gains by bringing down his man, and altho not quite as spectacular a player as Steketee, because his position demands team work, instead of individual playing it is just those teamwork tactics that win the football games.

The fact that Coach Yost kept only four out of eleven men in the game, and Cappy Cappon was one of that four, shows conclusively that Yost knew when he had a crack up-to-the-minute player, and unless something unforeseen occurs, Cappy Cappon will be found in the other games scheduled for this fall.

HOLLAND HIGH SLAUGHTERS G. R. CENTRAL HIGH IN FOOTBALL

Last Saturday afternoon at Ramona Park Holland High school's football team triumphed over Central High from Grand Rapids by defeating them 21 to six. It was the first time in the history of the local school that such a victory was accomplished. It came like a surprise to Coach Upton's men who seemed very "cocky" before the game and who were determined to defeat the Holland boys by an overwhelming score. The Central team outweighed the Holland team by approximately fifteen pounds to a man but lacked the fight and speed which Sweeney's men had. Never did a Holland team play with more determination, with more spirit and fight than did the local boys Saturday. In every department of the game were the Uptonites outclassed.

The Social Progress club held its first meeting of the year Tuesday evening at the home of its president, Arthur A. Visscher. Mr. Visscher read a paper on "A Program for Reforestation," in which he declared that while private endeavor is necessary to make an adequate forestry policy successful, it is mainly the government that must take the matter up if it is to be worth while.

The government must adopt an adequate program and this must be followed through generations. In other words reforestation must be a permanent, not a temporary and haphazard, policy.

ZEELAND VETERINARIAN MOVES TO HOLLAND

Zeeland is to lose its only veterinary doctor during the coming week. Dr. Henry Nienhuis has decided to move to Holland because of home scarcity in Zeeland. It became necessary for him to move because the property which he occupied had been sold to Cornelius Bouwens of Grand Rapids, who takes possession next week. Mr. Nienhuis could find no suitable location in Zeeland and has consequently decided on this move. He will locate on the main road, near the Holland town hall and he expects to serve his patronage from there just as he did from his old stand.

EMORY P. DAVIS KNOWS HOW TO RUN A GAS PLANT

It has never been a question in the minds of the citizens of Holland as to the ability of Emory P. Davis in the running of a gas plant. However Mr. Davis has been more or less in the limelight because of the continued friction between the city of Holland and the local gas company. Through it all Mr. Davis has held the highest respect of the different mayors and different aldermen who have had this vexing question to contend with during their regimes in office.

Citizens too, generally speaking who know of the difficulties that constantly confronted the local manager have given his work here the full meed of credit it deserves. This paper however has received a letter that is unusually flattering coming as it does from Fred R. Harris, Chief Engineer of the State of Michigan.

Mr. Harris is appointed by the Michigan State Public Utilities Commission, and has been going into the details of all gas plants where there is difficulty between the gas company and the city in which it is located. Mr. Harris was the engineer employed by the state to go over the Holland city gas plant and make an exhaustive report to the public utilities commission and upon that report the rates allowed by the state have been established.

Mr. Harris' letter is addressed to the Hon. Sherman T. Handy, Commissioner, Michigan Public Utilities Commission and follows below:

Oct. 6, 1920

This office is in receipt of reports of operation of the Holland Gas Works for the months of July and August, 1920.

These reports have been carefully gone over by this office and we find nothing to criticize. It is the opinion of your engineer that the Holland Gas Works is being extremely well operated and that if more gas companies in the State of Michigan were operated as well and as economically as the Holland gas works, our work would be greatly simplified.

Your respectfully,
Fred R. Harris,
Chief Engineer.

LOCAL MAN IS ACQUITTED BY JURY

In Justice Roosenraad's court in Zeeland a whole day was consumed in the trial of the case of the people vs. John Oudemolen of this city on the charge of disorderly conduct. The jury was out 15 minutes and brought in a verdict of not guilty. Oudemolen was represented by Att. D. Ten Cate, of Diekema, Kolten and Ten Cate, and the People's case was handled by Prosecuting Attorney F. T. Miles.

The case grew out of a circuit court case in which Oudemolen and Nellie Beukema of Zeeland were charged with lewd and lascivious cohabitation. The examination for this case was held Sept. 15 before Justice Roosenraad, and at that time Att. Ten Cate also represented the respondents. As a result of that examination both respondents were dismissed, whereupon Mr. Miles secured a warrant against Oudemolen on the charge of disorderly conduct, a justice court offense. There were five witnesses for the people and three for the defense. The case attracted a great deal of attention in Zeeland.

HORSE TAKES FRIGHT; WOMAN IS INJURED

Mrs. John Osterhaven suffered rather serious injuries Thursday when a horse she was driving took fright and bolted. She appears to have been dragged for some distance and received several injuries about the head. An interurban crew picked her up and rushed her to Holland where she was given medical attention by Dr. Winter and Dr. Nichols.

Mrs. Osterhaven is from Vriesland. She was alone in the buggy when the accident happened, and when picked up was too much shaken up to tell exactly how it happened. She will recover.

Mr. and Mrs. Benj. Van Loo of Zeeland left Tuesday evening for a trip to Atlantic City, where the former will attend a two-days' session of the Furniture Manufacturers' National Convention. While in the east they will visit with relatives in Jersey City and Paterson, N. J.

Pool Bros. petitioned for permission to connect the roof drain of their new building on Van Raalte Avenue between 13th and 14th Streets with the surface drain.

Referred to the Committee on Sewers, Drains and Water Courses.

The Committee on Sewers, Drains and Water Courses to whom was referred the petition of Pool Bros. for permission to connect their roof drain with the surface drain, recommended that such permission be granted, provided that a suitable overflow be provided in the pipe line between the building and the storm sewer to protect the said Pool Bros. in case of a stoppage in the main.

Adopted.

Ald. Vander Brink and Dykstra here appeared and took their seats.

The Committee on Streets and Crosswalks reported as follows:

At a meeting of the Common Council held July 21, 1920, the Committee on Streets and Crosswalks was authorized to purchase a motor driven street sprinkler and flusher, subject to 30 days' trial, at a cost not to exceed \$7,500.00.

Your Committee accordingly, together with the Mayor and City Clerk, entered into an agreement with the Tiffin Wagon Works, the contract as signed was carefully looked over by the City Attorney before said contract was signed.

According to this agreement the Tiffin Wagon Co. of Tiffin, Ohio, was to deliver a motor driven sprinkler and flusher to the City of Holland, said outfit to be built according to specifications included in the contract.

The truck was delivered a little later than expected due to the difficulty encountered in

securing the axles for same. It arrived on Labor Day in very good condition, having been driven from Tiffin, Ohio.

Your Committee has looked the truck over very carefully and have watched with interest the work that it does, and are very well satisfied with the results obtained.

We are satisfied that it has been built according to the specifications made a part of the contract, and are satisfied that it will do the work required of it.

Your Committee therefore recommends that the contract as originally drawn be continued, and that the City of Holland make payments to the Tiffin Wagon Company as stipulated in said contract.

On motion of Ald. Kammeraad, the report of the Committee was adopted by ayes and nays as follows:

Ayes—Ald. Blue, Brieve, Kammeraad, Lawrence, Brinkman, Damstra, Vander List and Wiersma—8.

Nays—Ald. Prins, Laepple—2.

REGISTRATION TOTAL NOW IS 3,337

LISTS WILL CLOSE ON SATURDAY NIGHT, THIS WEEK

The registration figures in the city clerk's office continue to climb, and all the indications are that the registration this year in Holland will be the largest in the city's history. Up to Wednesday night the total number of names placed on the poll lists of Holland was 3,337. Of this number 2,120 were men and 1,217 women.

Including today, there are three days in which to register. A large number of additional names are expected before Friday night, and on Saturday a general registration will be held throughout the city. On that day the voters can go to their own polling places and place their names on the list.

CONVENTION REPORTS DRAW CROWDS TO MEETING

A large and enthusiastic audience filled the Red Cross rooms last night as members of the Auxiliary

gathered to hear the reports of the delegates to the National convention at Cleveland. Mrs. G. Pelgrim who together with Mrs. Leenhouts, represented the Auxiliary of the Willard G. Leenhouts Post, gave very interesting notes and spot lights on the splendid meetings held at Cleveland. She brought into the meeting some of the spirit of the convention and the aim that in 1921 the Auxiliaries may have a National convention.

Attorney F. T. Miles gave the women some much needed and clear instructions on voting. He reminded the women that the country was looking to them to help create cleaner politics. Miss Martha Barkema gave a vocal solo "When you come home" and as an encore "An Evening Song". Mrs. G. J. Van Duren gave the Auxiliary a very pleasant surprise when she presented them with a beautiful handmade centerpiece. This was accepted amid much applause and will be placed in some downtown window, and tickets will be for sale soon.
