PHONE CALL FIRE ALARMS MAY NOT BE RECOGNIZED

FALSE ALARMS HAVE GOTTEN FIRE CHIEF BLOM'S GOAT

Withing the last week two false alarms have been turned in to the water station by telephone.

One was during the severe storm on Friday and the other was on Monday.

The one on Monday was particularly annoying from the fact that a certain box number was mentioned and no fire was anywhere in the neighborhood.

A short time afterwards another location in the city was telephoned as being the place, and both trucks were chased to this new locality.

The firemen were running around in circles trying to find a fire, and wasting their energies in doing so, but no fire of any kind showed up, nor did any person in these neighborhoods volunteer information.

Chief Blom will take this matter up with the board of police and fire commissioners to find out whether it would be advisable to eliminate telephone fire calls in the future.

The city is well covered with fire alarm boxes, the citizens in the neighborhood of a box know the location of their respective boxes and it is an easy matter to break the glass and pull the alarm.

It is not thought that miscreants are sending in these alarms, but rather that some "rattlehead" really had a little fire, quickly went to the phone gave the alarm, then proceeded to put the fire out, and after the danger was over, forgot all about his alarm, or was ashamed to inform the firemen, fearing that he might be called for having sent the "laddies" on a "wild goose chase."

Anyway the matter will be gone over at the next meeting of the board.

J. Nelson Pyle, who was admitted to the bar at Lansing a few days ago, taking the oath before Judge Ira Jayne writes that he is now connected with a large law firm in Detroit with fifteen other attorneys, and that he expects to do well in the automobile city.

The Western Social Conference will meet on Monday, Oct. 17, 1921 at 10:30 a. m. in the Reformed church at Grandville. The following papers will be read: "The Pastor in His Study," by Rev. G. Heneveld; "Papacy in the last Fifty Years," by Prof. Wynand Wichers.

The conference will be the guest of the Church of Grandville. A good attendance is expected at this first meeting of the season.

VETERAN MINISTER AND EDUCATOR PASSES AWAY

DR. JAMES F. ZWEMER SUC. CUMBS WEDNESDAY NIGHT TO CRITICAL ILLNESS

Spent His Life in the Service of the Church and School

Holland lost one of its prominent men and the educational institutions located here one of their best friends and workers when death came to Dr. James F. Zwemer Wednesday night at his home at 64 West 14th street. Dr. Zwemer's condition had been critical for the past week or two.

Dr. Zwemer's life has been a busy one and his career a notable one. He was born in Rochester, N. Y. in 1850, the oldest son of the late Rev. and Mrs. A. Zwemer. He came from a family of ministers, his father having been one of the prominent pastors of the Reformed church, and four out of the five sons, including himself, also following that vocation.

He graduated from the Hope Preparatory school and college, taking his A. B. Degree in 1870. Three years later he graduated from the Western Theological Seminary. His first charge was the "Fynaart Church" at East Saugatuck. After that he held charges at Spring Lake, Alto, Wis., and Alton, Ia. Then he became financial agent for Hope College, and in 1890 he accepted the position of principal of the new Northwestern Classical Academy at Orange City, Ia. For four years after assuming this position he built the present building of the Academy, and he remained in the position for eight years. During his work in Orange City, his health broke down.

His next charge was the Seventh Reformed church of Grand Rapids, which he served for two years, when he became financial agent for the Western Theological Seminary, a position that he held until 1907. In that year he was elected Professor of Practical Theological at the Seminary, a position that he held until 1916 when Dr. J. E. Kuizenga became his successor in that chair. After that until the time of his death he has been doing financial agent work for the seminary. Since 1917, when the late Dr. J. W. Beardslee retired, Dr. Zwemer has held the position of President of the Seminary.

Dr. Zwemer held the office of President of the Synod of the Reformed church of America in 1914, the year when the Synod met in Grand Rapids. He has been member of the Hope College Council for many years and has always been prominent in the religious and educational work of the Reformed church.

On September 28, 1874 he was married to Miss Cornelia A. Nyland of Holland.

MRS. VAN DREZER SELLS RESTAURANT PROPERTY

IS PURCHASED BY DAVIS & PANOS, SHOE SHINERS

Mrs. L. E. Van Drezer, has disposed of her property on West 8th St. where her late husband conducted the most popular restaurant in the city for 25 years.

The building was purchased by William Davis and Stephen Panos, who for the past three years have been conducting a hat cleaning and shoe shining parlor in it.

Years ago this old building was Holland's post office when William Ver Beek was the postmaster.

Later when political fortunes threw Mr. Ver Beek out of his position because a democratic president was elected, the postoffice was moved out, and the ex-postmaster started a furniture store.

Thirty years ago Ed Van Drezer purchased the building and moved his restaurant into it from River Ave. where he had started an eating house three years before, moving here from Grand Haven.

COST OF NEW TRUNK LINE IS GIVEN

THE PRELIMINARY WORK WILL AMOUNT TO SUM OF \$13,533.80

Plans and specifications and estimates of cost for the preliminary work for paving River avenue from 12th to 17th, and 17th street from River to Ottawa, have been prepared by the city engineer, and a report was made Wednesday evening to the council. The work to be done includes everything except the actual grading and paving of the street. It includes such work as the building of curb and gutter, the putting in of manholes, piping, etc.

The total cost for the job will be \$13,533.80, which will make it \$1.13 per running foot, including the interest if the payments are made on the five year plan. If the job is paid cash the cost will be 96 cents per running foot. A hearing of the property owners will be held on the evening of November 2.

He is survived by his wife, three daughters, Mrs. S. C. Nettinga, of Holland, Mrs. W. A. Worthington of Annville, Ky., and Miss Marie Zwemer of Holland; one brother, Dr. S. M. Zwemer of Cairo, Egypt; six sisters, Miss Maude and Miss Henrietta of Holland; Miss Nellie of China, Mrs. B. Neerken of Zeeland, Mrs. A. H. Strabbing of Ebenezer, and Mrs. S. Joldersma of Grand Rapids.

The funeral will be held Monday afternoon at 1:30 from the home and at 2 o'clock from the Third Reformed church.

NEW MAYOR TURNS TABLES ON ALDERMEN

HE BREAKS A TIE IN AN UNEXPECTED WAY WEDNESDAY NIGHT

The unusually dignified members of the common council felt a little, at last night's council meeting, like school boys when the teacher is away. Mayor Stephan was not present at the meeting and mayor pro tem Frank Brieve presided with dignity and dispatch. But partly to kid the "cookie king" partly out of pure boyishness, some of the aldermen did so much talking without having the floor that the mayor was compelled to make liberal use of the gavel.

Then towards the end of the meeting, before all the routine business had been finished, one of the men, as a joke, made a motion to adjourn. There was loud protest, but he demanded a vote declaring that a motion to adjourn was always in order and was not debatable. No one believed that it would pass, but keeping up the joke, five men voted for it and five against, thus putting the decision up to Mayor Brieve. But he unexpectedly turned tables on the jokers by voting in favor of adjournment and the meeting was over.

All through the meeting the new mayor showed that he could handle the job in fine style.

LOCAL GIRL WEDS FLINT BUSINESS MAN

MISS RUTH Mc CLELLAN AND HENRY ZWEERING MARRIED TUESDAY

Miss Ruth Mc Clellan of this city and Mr. Henry Zweering of Flint were quietly married at the Methodist church parsonage at Burton Heights, Grand Rapids, by the Rev. J. F. Bowerman, Tuesday afternoon at 4 o'clock.

After a short wedding trip to St. Louis, Mo., Belleville, Ill., and other places they will go to Flint where the groom is employed by the Holland Furnace Co., and will be at home to their friends after Nov. 1.

Both Mr. and Mrs. Zweering were graduates of the Holland high school. Mr. Zweering is a world-war veteran having seen service in France. After qualifying for a business life, he accepted a position which he still retains with the Holland Furnace Co. at Flint, Mich.

Mrs. Zweering is a graduate of Ypsilanti State Normal and has been a teacher in the Lincoln school of Holland, the past four years.

Mrs. John E. Kuizenga passed the operation at Mayo Bros. Hospital very successfully and from last reports is doing very nicely.

A Section of Semi-Centennial Parade nearly 25 years ago

Employees of the Cappon-Bertsch Leather Company in Semi-Centennial Parade Line-up.

Holland will be 75 years old in August 1922. This paper has already taken up the matter of a celebration and has pointed out to its readers that this is not an ordinary demonstration.

The staging of a celebration of three days such as Holland had nearly 25 years ago is a matter of great import, and an affair of this kind takes patience, time, knowledge and money. Getting up a Fourth of July or kindred day celebrations are easy matters compared to a semi-centennial celebration as was staged more than a score of years ago.

No one can tell you this better than the venerable G. Van Schelven, who knows more about Holland and its surroundings than any man now living.

Mr. Van Schelven, who was secretary of this tremendous demonstration, will tell you that preparations

were made for the event 25 years ago, more than a year before hand, and Mr. Van Schelven was at that time surrounded with men who had lived the pioneer life, who were imbued with the spirit of pioneer days, and knew just what historic facts and data would be appropriate in a celebration of this kind.

Most of these men have passed to their reward, and those that are living are so far advanced in years that they could not possibly assume responsibilities of such magnitude.

The younger generation, if Holland's 75th anniversary is to be recognized and properly celebrated, will have to take this matter up. But nothing should be attempted that would prove inferior to the affair of 25 years ago.

If we are to have a duplication and the style of celebration given the last

time during the semi-centennial, then some progress should be made along these lines immediately.

The cost of the last celebration was something like \$8,000 or \$10,000. Besides thousands of dollars were spent by individuals, having historical and industrial features in the parade.

For instance the Cappon-Bertsch Leather Co. had seven floats in the lineup, showing leather making in Holland when the power was a white horse driven around in a circle, which turned the wheels of the establishment, its further development, and the rudiments of leather making right up-to-date. All other Holland industries were also represented.

Then consider that the parade extended for three miles, that there were seven large bands, and you have some idea of the magnitude of only

one feature.

If Holland isn't going to celebrate that way, which would be rather regrettable, a very appropriate and lasting way to observe this occasion properly, would be to spend the money, otherwise going to parades, fireworks, floats, bands and kindred features, for a monument of Dr. A. C. Van Ralte, the founder of Holland, and set aside a day when the unveiling of such a monument placed in a very conspicuous position on one of our streets or parks, would take place.

This is only a suggestion and may not meet with the approval of many.

The main object of this article is to bring this matter before the people and inform them that the time is short and something should be started along these lines immediately.

TO DECIDE ON NEW JUNIOR HIGH SCHOOL PROJECT

Next Monday evening the board of education of the city of Holland will hold one of the most important meetings it has held for some time. At that meeting it is expected that a definite decision will be arrived at in regard to the erection of a new Junior high school at an approximate cost not to exceed \$225,000.00.

This project has been in the hands of a special committee for some time and it has been given hard study by members of that body. It has been seen for some time past by the entire board of education that the logic of events led directly to the erection of a new building. While the decision to ask the people of Holland for \$225,000 is not an easy one, necessity will force the hand of the board and there is practically no doubt of the passage of the project by the board. Unless a new building is provided, thus relieving the pressure all around, Holland's school children will, within a year or two, have to be lodged in rented rooms, vacant stores or other buildings wherever available. The school population is growing rapidly, and the present capacity of the buildings is almost taxed to the limit.

The special committee in charge of this matter is composed of Dr. A. Leenhouts, chairman, Henry Geerlings, James A. Brouwer, George Mooi, and Henry Winter. The architect for the proposed building has not yet been chosen, but it is likely that definite plans and specifications will be ready before a vote of the people is taken so that the people may vote on something definite.

At Monday night's meeting the board of education will probably decide on a date on which the people of Holland will be given an opportunity to vote on the question.

JUDGE CROSS' COTTAGE STRUCK BY LIGHTNING

During the severe storm a few days ago, the "Ben Hur" cottage at Highland Park, Grand Haven was struck by lightning. The bolt did terrible executions in the interior, several of the rooms being badly wrecked.

Fortunately no one was in the cottage at the time. Judge Cross was at the Grand Haven court house trying cases, during the storm, and Mrs. Cross was on a shopping tour when the storm broke and was unable to get back to the lake front.

Their absence probably saved them from serious injury and perhaps death.

Notwithstanding the fact that their cottage is a little the worse for wear, Mr. and Mrs. Cross are extremely thankful that other duties took them elsewhere during the severe storm.

OTTAWA COUNTY FARMERS MAKE DAIRY TRAIN RECORD

Ottawa county farmers eclipsed all others in the way they attended the Dairy Train in Conklin. Official records credit Conklin with an attendance of 950. In only one other county, Montcalm, were more sires traded in or disposed of in one place. The total attendance on the East Side of the state was 4,407 and the average 192. The west side co-operated to the tune of a total attendance of 9,495 with an average of 395. The results of the dairy train will take a greater interest in better tain that every one in attendance will take a greater interest in better breeding and proper feeding of the dairy cattle. At winter meetings the subject of feeding balanced rations will be a popular one.

MUSIC WEEK TO BE APPROPRIATELY OBSERVED HERE

Holland is once more going to defend its right to the title of being one of the most musical cities in the state. National Music Week will be celebrated appropriately here and no one in the city will be able to pass through the week of October 16 to 22 without knowing that an attempt is being made that week, in the language of the national promoters, "to give music back to the people where it belongs."

During the whole week the emphasis will be placed on music. Although no one has been officially appointed to organize the work in Holland, John Vandersluis has interested himself in the matter and has suggested to various organizations to do their share. Mr. Vandersluis, himself, has arranged to have the concert of the big State C. E. convention chorus given during that week. This will be in the 3rd Reformed church on Tuesday night, October 18.

Another false alarm was turned in at 11 o'clock this morning from box 32 River avenue and Tenth street, but no fire was seen in that locality.

You Do well To Will--

NO one will make your gifts as you would make them, after you are gone. In the first place they would lack authority. No kin may be left to do it. And if they were, they may find good reason to question the need of parting with the property in compliance with your mere verbally expressed wish.

The written Will is your enforced wish. It relieves your Executors of the embarrassment of making a decision. It can be made explicit. It can, by naming a CORPORATE Executor, relieve the entire family of the difficulty of "agreeing" upon an Administrator.

Another big concert, independently arranged for by Dr. J. B. Nykerk, will be the first number of the Hope College lecture course in Carnegie Hall, which will also come during Music Week.

The music department of the public schools will observe Music Week appropriately. While the complete arrangements have not yet been made, the plan is to have some musical features daily under the auspices of the music department.

The Woman's Literary Club is also expected to make some arrangements for observing the week. What form this will take has not yet been determined. The question was scheduled to be taken up at the first meeting Tuesday afternoon.

It is further expected that the various choirs of the churches in the city will also make some arrangements to make Music Week a real event in Holland.

While no plans have been made for community singing, it is likely that at some of the concerts opportunity for this will be given.

CENTURY CLUB OPENS YEAR WITH A FINE PROGRAM

The Century Club held its first meeting of the year Monday night at the home of the president, Dr. G. W. Van Verst.

A very interesting as well as cordial address of welcome was given by Dr. Van Verst, in which he paid particular tribute to the ladies and their achievements, not only in the club, but in the affairs of the nation as well.

Mrs. G. E. Kollen, in her usual charming manner, gave a humorous reading, "Suppressed Desires," by Susan Glaspel. This deals with psycho-analysis and illustrates unlooked for and rather serious results when psycho-analysis is brought into the family circle, and how perplexed

a husband becomes when his wife attempts to locate his complex. Mrs. Kollen responded to an encore with "Pa's Instructions," by Edgar Guest.

The music of the evening was a piano solo by Mrs. Martha C. Kobins, whose playing showed splendid results of her summer's study with Gadowsky. Her selections were Deuxieme Impromptu, (Chopin) and Mazurka, from Rette Suite (Ole Olsen).

Mrs. Telling and Mr. Page sang two duets "A Lover's Duet," by Florida and "Love's Truth," (Bulard), accompanied by Mrs. Page. Mrs. Telling gave two solos, "Were I a Star," by Hawley and "Love and Springtime," by Metcalf—Mrs. Robins at the piano.

The business of the evening was a proposal by the executive committee to amend Article 4 of the constitution, raising the dues from \$1.50 to \$2.50 a year. Amendment is to be voted on at the next regular meeting of the club. Major Willis Diekema and Mr. and Mrs. Arnold Mulder were invited to join the membership of the club.

ROTARY CLUB ENABLES HOLLAND TO HEAR WONDERFUL ORATOR

The Holland Rotary club has secured one of the best speakers in the country on home relations and health topics for next Monday, Oct. 10th. And while the club is going to pay all of the cost, it is inviting practically the entire city to take advantage of a really great opportunity.

The motto of the International Association of Rotary Clubs—"He Profits Most Who Serves Best"—is evidently being carried out to the fullest extent by the local Rotary club, judging by this rare treat that is being provided for us.

Dr. Barker is himself a Rotarian, and while his home is in Grand Rapids, he has become famous the country over.

Wm. E. Kier, president of the Chicago Rotary club wrote as follows after Dr. Barker's day with them: "We have had many good things in the past, as have all Rotary Clubs, and do not want to seem to wax over-enthusiastic about any one of our meetings, but cannot refrain from telling you (the International President) that Dr. Barker's day goes down in history of the Chicago Rotary Club as being the best from every standpoint that we have ever had."

The Rotary clubs of many large cities from the Atlantic to the Pacific agree with the Chicago club, and since these clubs have the where-with-all to provide any speakers they desire, the only conclusion that can be reached is that Dr. Barker has fully earned his enviable reputation.

Dr. Nichols, president of Holland's Rotary, has heard Dr. Barker's addresses, and in speaking modestly of Rotary's efforts to serve Holland, he has made the statement that Dr. Barker's subjects are difficult ones, but that he handles them in a wonderful way.

In the forenoon, on Monday, Dr. Barker will speak at the High school auditorium to the boys and girls on "How to Make the Most Out of Life". In the afternoon, he will speak at the Woman's Literary club to mothers and daughters on the subject "A Mother's Relation to Her Daughter." In the evening, at an auditorium to be announced later, he will talk on "A Father's Responsibility to His Son."

Further mention of these splendid addresses will be made in the local press, but they will not be advertised in the usual way.

As has been said before, the whole opportunity is a gift to the city of Holland by Holland's Rotary club.

TO DISCUSS PLANS FOR A NEW CHRISTIAN HIGH SCHOOL

The plans for the new Christian High school that is to be built in the course of the coming year have been completed and they are now ready for final consideration on the part of the society for Christian Instruction. The architect of the proposed new building is Benj. Hertel of Grand Rapids. The plans will be submitted to the society Thursday evening of this week at a special meeting to be held in the 14th Street Christian Reformed church.

The proposed new high school will be built at a total cost of approximately \$40,000. Bonds for nearly half this amount have been sold or subscribed for, and it is likely that the other half of the necessary amount will be secured by loan backed by a mortgage on the new building. This plan has not been definitely decided on but it will probably be discussed at the meeting this evening. The meeting is scheduled for 7:30 o'clock.

OTTAWA WOMEN ATTEND NATIONAL R. C. CONVENTION

Mrs. L. M. Thumber, secretary of the Home Service Department of the Red Cross for Southern Ottawa, and Mrs. E. G. McNett, secretary for the northern Ottawa, left Tuesday morning for Columbus, Ohio, as delegates from Ottawa county to the national convention of the American Red Cross. The convention opened on Tuesday afternoon at 3 o'clock with a roll call of the delegates at the Ohio State Fair grounds.

Among the invited guests to the convention are Pres. Harding, Gen. Pershing, Secretaries Denby, Hoover and Weeks, as well as some others of the most famous men and women in the country. The convention will be in a measure a preparation for the annual Red Cross Roll Call.

Stomach Health is Reason for Joy

Health Talk No. 26

By JOHN DE JONGE, D. C.

The ability to eat without being reminded of the fact by stomach pains or other discomfort is one of the joys of life. This does not imply that a man must live to eat. It simply means that the man or woman with a good stomach is fortunate. Food can be enjoyed and forgotten, while other activities of life are carried forward.

There are many forms of stomach trouble, some of which are not due to stomach weakness, but to the weakness of other organs in the alimentary tract, which includes the liver and other intestinal organs. When any of the alimentary organs are out of order, it may effect the stomach.

Chronic Nervous Dyspepsia is no Longer Present

BIG COUNTRY CLUB DEAL HAS AT LAST BEEN CLOSED

The large golf club which will be named the "Holland Country Club" is now an assured fact. Saturday morning the last options on the much desired property were secured and the price paid for the 126 acres to be used for club purposes was \$18,000.00.

The farms purchased number three. One was the Dick Boonstra farm, the second was the "Little Boone" farm, and the third was the old Hazenkamp farm, now belonging to Mr. Molwyk. This piece of ground is one of the most beautiful sites that could possibly be secured.

The land extends to the brow of the hill, sloping towards Scholten's bridge, and extends east beyond the brick house, taking in the old pioneer stone located along the roadside which at one time was the market place where the first Hollanders did their bartering. To the south the ground extends to the bend in the river and goes beyond, while to the north the Zeeland road constitutes the limits.

A beautiful club house with all the modern conveniences incident to a building of this kind and with a spacious drive leading to it will be built on the brow of the hill on the west boundary line. The large verandas will be built to the east and the beautiful landscape visible from that point of vantage is not obstructed in the least. The club house will be erected at a cost of \$25,000. The golf course will be standard size, namely 6,500 feet, or considerable over three miles. No doubt the actual walking for beginners on a course of that kind will mean a hike of at least six miles. It will be an 18-hole course, and it is stated that the topography of the land is naturally suitable for an ideal golf course.

James Wilson, professional golf expert at the Kent county club, and a pupil of Prof. Ross, greatest golf ground architect in the United States and who was here a few days ago to look over the grounds, states that it is the most suitable one he has ever seen, and when the course is completed, Holland will be able to boast of the best golf grounds in Western Michigan.

The grounds will be an especially "sporty" one from the fact that the river winds through it here and there and this makes playing rather interesting when one must drive across the stream and especially difficult for golf beginners. There is also an island in the river upon which a hole is to be located. These little obstacles are especially desired on a golf course, and all these little advantages, or disadvantages, as the case may be, make for an ideal grounds, according to golf experts.

Golf, however, will not be the only feature of the Holland Country club. There is to be a large play grounds for children with all the apparatus for fun making and recreation usually found on them. There will be several fine tennis courts, places for quoit pitching and places for volley and indoor baseball, in fact all sorts of outdoor recreation, enough to go around.

The club now has 110 members from Holland, and several more are being added daily. Zeeland has a list of 6 or 7, some Grand Rapids Golf fans have taken memberships, two have signed up from Maosatawa, and one from Grand Haven. The initial cost to the members is \$250 most of which has already been paid in.

It is understood that a meeting will be held the latter part of this week, when the organization will be effected.

The incorporation papers will arrive within a few days and it is expected that before early next summer the club house will be built and the landscape artist will be through with the shaping of the grounds into an "up-to-the-minute" golf course.

HIGH SCHOOL NOTES

The Kappa Delta Literary society held its regular meeting on Thursday night. The new patroness, Miss Van Dreezer, was welcomed by the members. Miss Van Dreezer was the first president of Kappa Delta, and in taking Miss Kolyn's place in H. H. S. has become patroness of the same society. The following program was rendered: talk, Miss Van Dreezer; a piano duet, Mae and Evelyn Hadden; report on Caruso, Clarissa Poppen.

Those interested in High school affairs should note the fact that Fred Yonkman, a graduate of the class of 1921, is now the newly elected president of the Freshman class at Hope.

The Duane-High Literary society held its regular meeting Wednesday evening. An interesting and entertaining program was given.

The orchestra held its weekly meeting Monday evening. New selections were tried out, also the Girls' and Boys' Glee club held their regular rehearsals.

Hi-Y also held its regular meeting Thursday evening. Mr. Henry Geerlings spoke to the members.

Cash prizes won by High school students at the Holland fair were given out during chapel hour on last Friday. The amount distributed was \$91.55 and it was distributed among the Art, Domestic Science, Domestic Art, and Manual Training students. A "pop" meeting was held afterwards preparatory to the Holland-South football games in Grand Rapids on Saturday.

MR. AND MRS. SLAGH CELEBRATE THEIR SILVER WEDDING

Friday evening was a happy occasion for Mr. and Mrs. Bert Slagh, 349 College avenue, when they celebrated their 25th wedding anniversary. Beautiful invitations done up in silver were sent out to relatives and friends some two weeks ago, and 85 guests from home and abroad responded.

Twenty-five years ago Mr. Bert Slagh married Miss Anna Jonghoff at Grand Rapids, and the union has been a happy one. There was no set program for the evening, however Rev. James A. Weyer, pastor of the First Reformed church opened the festivities with prayer. Musical numbers were given by Gerald and Edner Slagh and Jack Vander Meulen, whose numbers were enthusiastically received. Readings by Mrs. R. Muller and Miss Dorothy Slagh were especially appropriate.

A clever stunt by Mr. and Mrs. Muller who in a clever dressup appeared as dwarfs made the guests present go into paroxysms of laughter. The little skit carries with it a Dutch song "Ik ben de helft te klein" (I am one half too small).

The home was beautifully lighted with an additional electric light effect and the veranda was especially well illuminated. The interior of the home was also appropriately decorated with autumn leaves and carnations.

Mr. Jonghoff was master of ceremony while the Misses Mildred Slagh received the guests at the door. Miss Dorothy Slagh and Miss Mabel Sprik presided at the punch bowl.

Mr. and Mrs. Slagh received the hearty congratulations of the many guests present and were the recipients of some very beautiful and costly gifts in silver, appropriate on an occasion of this kind.

After the informal program an elaborate wedding supper was served.

The out-of-town guests were Mr. and Mrs. Jolin Slagh and family of North Holland, Mr. and Mrs. C. Slagh and family of Zeeland, Mr. and Mrs. R. Mulder of Grandville, Mr. and Mrs. J. D. Telder and family, Mr. and Mrs. R. Jonghoff and family, Mr. and Mrs. H. A. Sprik and family, and Mr. Peter DeBree of Grand Rapids.

HOLD QUARTERLY MEETING AT PRESIDENT'S HOME

The quarterly social meeting of the Men's Bible Class of Hope church was held at the home of the president, W. J. Olive, Friday evening and about sixty men gathered there for an evening of inspirational enjoyment. A very fine program was given, opening with a solo by Martin Dykema, accompanied by Harry Meyer. Hon. G. J. Diekema delivered with his usual eloquence an address on "Happiness" in which he pointed out that happiness is the fruit of expending one's life in the service of others. This address was followed by an address by W. J. Olive on the subject, "Enthusiasm." Mr. Olive declared that interest in life is dependent on enthusiasm and that if men would put as much enthusiasm into their church work as they did into their business they would be more deeply interested in church work and would accomplish much more. Dr. J. B. Nykerk led in the singing of "America".

Refreshments were served by Mrs. Olive, assisted by Mrs. G. J. Diekema, Mrs. P. P. Cheff, Mrs. A. H. Heuer, and Mrs. J. E. Telling, after which a social hour was enjoyed.

Allegan Independents held the Central League All Stars to a 2 to 2 tie in a ten inning game Friday. A two base hit by Catcher White with two on saved the All Stars from being beaten. Rathburn started the game for Allegan and De Young of Holland Independent finished the game not being scored on once.

The Young Men's bible class of First Reformed church some 60 in number, went out on a fall outing at Tennessee Beach Friday evening. Headquarters was made at the Dick Boter cottage and a real peppy time was had. It is stated that this is the largest young men's bible class in the state. The past summer an indoor baseball team was organized, although the boys played with all comers, including Muskegon, Zeeland, Saugatuck, Hudsonville and other Holland teams, the Y. M. B. was not defeated during the entire season. At the picnic Friday evening refreshments were served and not a few refreshed themselves by taking a dip in Lake Michigan.

A meeting of the federation of Woman's Adult Bible classes of the churches of the city was held Friday evening in the First Reformed church. There was a large audience present and the following program was given: talk, "Music of Bible Times," Dr. J. B. Nykerk; vocal solo, Miss Barkema; vocal solo, Mr. Ter Beek; reading, "The Akto's Inspiration," Mrs. George E. Kollen. After the program the audience adjourned to the church parlors where refreshments were served and a social hour was enjoyed.

French Club met on Tuesday evening and was entertained with a Hindu futuristic stunt by Kathryn Kennel and Maurine Lacaff. New members were also chosen for the society.

FILLMORE FARMERS MUST PAY HIGHER PHONE RATE

Apparently the letter sent to John Y. Huizenga of Holland township relating to the telephone rates to the farmers in Fillmore township was incorrect, as Friday a letter came to Mr. Huizenga from J. J. Norman, chief telephone inspector of the Michigan Public Utilities commission in which he states that an error had been made in the copying of the rates and that Mr. Huizenga had received the letter in which the errors appear.

This bears out the interview of Mr. Tarte of the Citizens Telephone company as it appeared in Thursday's paper as being correct.

It also decides conclusively that instead of the rate remaining the same the Utilities Commission considered that the Citizens Telephone Co. was entitled to the 25 cent a month raise, and consequently granted the advance in telephone rates.

No doubt sending the letter containing errors is very unfortunate and the subscribers at the mass meeting had considered that everything was settled and that the rates would remain the same, and the meeting was adjourned with that understanding.

This new condition of things will no doubt complicate matters still more as far as the subscribers of Fillmore are concerned.

The letter to Mr. Huizenga from Mr. Norman telling of the error made, follows below:

"Referring to your letter of Sept. 26, and my letter to you of Sept. 27 relative to the rates of the Citizens Telephone Co., at Holland.

On Aug. 10, 1921 an order was issued by this Commission allowing the Citizens Telephone Co. to increase their rates at a number of their exchanges. On that day a copy of this order was delivered to my office, but a few days later it was discovered that there had been an error made in copying these rates. The commission had the corrections made on the original copy of the order, but not on the copy in my office; therefore, the correct rates at Holland are as follows:

Business telephones, 1 party, unlimited, per month, \$3; business telephones, 4 party, unlimited, per month, \$2.50; residence telephones, 1 party, unlimited, per month, \$2; residence 2 party, unlimited, \$1.75; residence telephones, 4 party, unlimited, per month, \$1.50; business farm telephone within 6 miles of Central office, \$2.25; residence telephones within 6 miles of Central office \$1.75; business farm telephone, more than six miles of Central office, \$2.45; residence farm telephone more than six miles of Central office \$2.00; business extension telephone not more than 640 feet from main telephone, per month, \$1; residence extension telephone not more than 640 feet from main telephone, per month, 50c; Service stations (switching) for roadway companies or associations owning their own telephones and lines, per station, per month, 67c; (minimum charge \$5.36 per line per month).

In an item from the Grand Haven Tribune of 20 years ago "Grand Haven, with a team composed of Dickerson, Pete Tibald and Noblett of Grand Rapids, Fairfield of Allegan, White, Kreuger and Murphy of Muskegon and Vander Veen, O'Connell and Scott of this city, defeated Holland 12 to 10." Holland must have improved in the 20 years. The county-seaters can't do it now.

A birthday surprise was held in honor of Katharine Jane Kosten at her home at 189 E. 18th st. Games were played and delightful refreshments were served. About fourteen friends were present.

Next Friday evening Mr. and Mrs. William J. Olive will entertain the Men's Bible class of Hope church at their home 90 West 11th Street. G. J. Diekema will address the gathering. The class will begin its work for the winter on Sunday morning, Oct. 2nd.

Mass Meeting

The first mass meeting of the year opened with a boom Wednesday night. Hair-raising yells and the roar of the crowd show promise of an exciting year. With Dick Blocker holding down the platform, some athletic business was transacted first. Adrian Daane was elected Prep. representative on the athletic board and Wells Thoms was made yell leader with Peeps Whelan as his assistant. Frances Mills, Dyke and Schipper gave some peppy athletic talks.

Then the fun began. Mr. Burggraaf, president of Student Council, as master of ceremonies, ably assisted by Mr. DeVries, presented the new Freshman rules. Tho the green caps proved to be a bone of contention, and there was much free-for-all discussion, the rules were finally passed intact, and no casualties have been reported.

Freshman Regulations
Rule I—A—The members of the

Freshman class shall grant precedence to all upper class-men, the girls to the girls and the boys to the boys, in all public gatherings.

B—No Freshman boy shall take out or have dates with upper-class girls.

C—No Freshman shall be on the streets of Holland, Michigan, after eleven (11) o'clock P. M.

D—1—No Freshman shall wear any cap other than the cap prescribed by the Student Council, and approved by the Student Body.

2—No Freshman girl shall appear in public without a green ribbon about her forehead.

E—Every Freshman shall tip his hat to all upper-classmen.

Rule II—The enforcement of, and penalties for violation of, the various section of Rule I shall be provided for by members of the Sophomore class, under direction of a committee from the Senior Class.

Rule III—The following reservations shall be taken as modifications or interpretations of Rules I and II:

(a) No rules shall be in effect except during the period beginning at 12:01 A. M. on the second Friday following the opening of school, and terminating at 11:59 P. M. on the day before Thanksgiving.

(b) Upper-classmen shall be interpreted as meaning Juniors and Seniors.

(c) 1.—No Freshman rule shall be in effect on Sundays. 2. Section C, Rule I, shall not be in effect on Society night, or on any evening when college social functions extend beyond the prescribed hour.

D—1—Section A, Rule I, shall not apply to members of the Freshman Class holding reserved seats for which extra admission fees have been paid. 2. Section A, Rule I, shall not apply in morning chapel exercises.

E 1.—Any penalties prescribed under Rule II shall be in keeping with a due regard for the personal safety of the violators. 2. Sophomores shall recognize all circumstantial exigencies which may entitle a violator to freedom from punishment.

F—Neither of the two lower classes shall take any action which may tend toward interclass trouble.

COMFORTABLE HOMES

Nearest the heart of every father and mother lies the vision of a home. It is a modest dwelling perhaps, but comfortable and quiet in a plot of green lawn. There the children may play and grow strong in the sunlight and fresh air.

In home building many essential things enter. Durability is not the least of these.

Just as no Chain is Stronger than its Weakest Link, so no Building is Better than the Lumber from which it is Built.

We pride ourselves in the fact that the material used in our

method of building is none but the best and consequently the most durable.

Our method is the best, the quickest, and the cheapest. Let us explain it to you.

Bernard D. Hakken of Grand Rapids, John Ter Borg of Muskegon and Bernie Mulder of Holland, members of the senior class in Western Theological seminary were appraised on Monday of their appointments by the board of Foreign Missions in the Reformed denomination as missionaries to the Orient. The appointments however, are tentative as the medical examinations will determine the final test. Hakken is slated for Arabia and Ter Borg and Mulder for Japan. The men expect to complete their course in theology next May and plan to leave for their respective fields a few months after graduation. The board will make provisions for each of the men to take their prospective brides with them. Mulder became a benedict a few months ago.

The Grand Rapids Herald Tuesday morning printed a cut of "Cappy" Cappon with the following paragraph under it: "Cappon, who was one of the greatest backs in the state when playing with the Holland High school is making good this year as tackle for Yost's Michigan eleven. Cappon has played almost every position since his high school days. Last year he played an end, but shifted to tackle this year due to a dearth of men to fill that position at the U. of M."

A request for the publication of the following is cheerfully complied with: "Forges Post No. 196, of the American Legion of Chicago, a classy heavyweight, traveling team, wants to schedule basketball games for Saturday nights, or special occasions. We have the pick of 500 fighters every man on the team an experienced player of the rushing, speedy type, and we have a good record to back us up. Write at once, for choice dates, giving details to Frank R. Drella, 3031 Fullerton Ave., Chicago, Ill."

Dr. and Mrs. J. E. Kuizenga are in Rochester, Minn., where Mrs. Kuizenga is to undergo a necessary operation. It is expected that Mr. Kuizenga will be absent from the city for at least two weeks, and Mrs. Kuizenga will remain for at least a month.

The "Jolly Bunch" class of the Methodist Sunday school entertained in honor of their teacher Miss Ruth C. McClellan at the home of Miss Henrietta Knutson, W. 10th St. The evening was passed in a very happy and delightful manner, and elaborate refreshments were served. Miss McClellan was remembered with some beautiful glassware.

That Allegan is threatened with a milk famine became evident at Allegan when several producers who furnish that city's supply declared their intentions to quit if forced to comply with the enforcement of the state board of health in making expenditures on their premises for sanitary improvements. They claim the profit they make will not warrant such action.

The state supreme court, in a decision handed down Tuesday, states employers not under the workmen's compensation law are not liable for compensation unless injury to their employee can be shown due to "wilful negligence on the employer's part."

Managers Hanna and Moran of the Strand Theater have put up a beautiful electric sign, three by six feet. In the center the name of the playhouse is illuminated in large letters and around it myriads of smaller lights scintillate and the whole is topped by an electric waterfall or fountain effect. It surely is an attraction and more of these would make Holland appear to be putting on regular large city airs. The sign was placed for the Strand by Stekette Bros. Electric Shop, who are artists in electric sign work.

Ben Wolters has sold his fruit and poultry farm, comprising 10 acres, located one-half mile south of Holland to Henry Van Dort. The consideration was \$5,000.

The Detroit News of Sunday in its magazine edition has a page of Geo. Getz on his wonderful Lakewood farm. The Detroit paper devotes considerable space in describing the farm, and Mr. Getz as a man who does things for his fellowmen. Incidentally Holland also gets considerable favorable advertising.

Grand Haven will go back to slow time Saturday, October 8, at midnight. Grand Rapids is now on the regular time, having changed back last Saturday. Grand Haven took the step a week earlier than originally intended because Holland and Grand Rapids have already made the change and this was rather inconvenient for our sister city.

Daniel Den Uyl left Monday for M. A. C. to resume his studies there. Maybe Fatty Arbuckle will invite those women who insisted upon shaking hands with him to his next party. Miss Dena Derks, employed at the Heinz Co., was a Grand Rapids visitor Monday.

Vander Kieft of Holland. Between 200 and 300 delegates are expected to attend.

Fire destroyed a large barn of J. Drinkker, a mile southeast of Zeeland. The storm broke at 8 o'clock and lightning set fire to the contents of the large barn. There was ample time to save the stock however, but all the summer crops are destroyed. The Zeeland Fire department ran its fire truck to the place of fire and the firemen did excellent work in saving the home and the large henry, that were located near the barn. The loss is estimated at \$4,000.

A beautiful display of the aurora was seen Wednesday night by many Grand Haven people who stopped to admire the magnificent display. The aurora hung arched over the western sky for an hour or more. The hues changed from a bright light to a beautiful green. H. Tullison, meteorologist in charge of the U. S. Weather Bureau in Ottawa County made a careful observation of the aurora and stated that while the phenomenon was probably due to atmospheric conditions, it was not considered as having any serious connections with weather conditions.

Among those who attended the Hartford fair were John Van Tatenhove, Dick Boter, Andrew Klomparens, Tony Nienhuis, Joe Ten Brink, Dick Van Tatenhove, Sam Miller, John Arendshorst and Mr. and Mrs. Walter Morris.

An alarm of fire turned in during the severe storm at six o'clock on Thursday evening was false. A man who thought he saw a fire turned in the alarm but when the fire department arrived no fire was visible; apparently the lightning at that time must have played some pranks.

The Citizens Telephone Co. was hard hit by the severe storm that broke about 6 o'clock Thursday evening; although not a great amount of wire trouble was experienced a large number of fuses were burned out and telephones put out of commission.

Joseph H. Brewer of Grand Rapids, owner of the Holland Gas Co. is rebuilding his barn recently destroyed by fire. It will be 40x120 ft., 90 ft. one store and the balance two stories. A. L. Closterhouse has the contract.

For several days the water in late Michigan has been warm enough for bathing. Several days this week the temperature is said to have registered over 70 degrees, and those who were aware of the fact had some late season bathing. Last season the bathing in Lake Michigan continued good early in October.

Hubert Pelgrim is in Grand Haven on business Thursday.

Henry Pelgrim of the Bay View Furniture Co. was in Grand Rapids on business Thursday.

William Veneberg of Zeeland sustained two fractured ribs and serious bruises in a fall from the hayloft to the barn floor.

The Hollander's Lesson in Thrift was Taught Early.

It may be news to the citizens of Holland to know that a great banking institution of The Netherlands was the first to undertake what is today the principal function of all banks—the keeping of depositors' money safe and accessible.

The ability of a bank to perform this function—keeping depositors' money safe and accessible at the same time—represents its value to the people of the community which it serves.

Money deposited with the First State Bank is safe, and yet it is at all times accessible. It is where you can secure it at any time it may be needed, and where you are assured of its being in safe hands until you want it returned to you.

Grand Haven has scarlet fever. Five cases have been quarantined by the city health department. The disease is said to be light in all cases thus far. No new cases were reported today and the department does not fear an epidemic although every precautionary measure is being taken.

The Woman's Christian Temperance Union will meet Friday afternoon at 3 o'clock at the home of Mrs. Dick Boter, 17 E. 24th Street. Reports of the national convention San Francisco will be given. Mrs. E. J. Blekkink will be in charge of the program, and the devotions will be conducted by Mrs. A. Walvoord. The parliamentary law class will be given at 2:30.

Rev. A. Keizer, pastor of the Christian Reformed church at Harderwyk, on the Alpena Beach Road, has the unique distinction of serving nine churches in the denomination within a radius of 40 miles since his ordination in 1886. The pastorates in their order include Grand Haven, Muskegon, E. Saugatuck, Drenthe, Graafschap, Holland, Beaverdam, Overisel, and Harderwyk. Since 1891 he has been pastor of three churches in Allegan and four churches in Ottawa county, all within a radius of 15 miles. During his ministerial career of 35 years he was honored with the presidency of the general synod of his denomination seven times.

On account of the absence of Gatra Brown, who is touring in Europe, Sawntina De Jongh has been elected president of Sbylline society for this term.

William Ossewaarde of Zeeland suffered the loss of two toes while husking corn with a corn cutter made of a "toad" and an old cross-cut saw.

Mr. and Mrs. Wm. Orr have returned from a motoring trip through Indiana, Ohio and Kentucky.

Rev. and Mrs. A. Van Westenberg who have been visiting Mrs. Van Westenberg's parents, Mr. and Mrs. A. C. Van Raalte, the past month, have returned to their home in Newark, N. J.

Mr. and Mrs. Ralph Hayden spent Sunday in Hamilton with relatives.

Mr. and Mrs. Carl Shaw motored to Kalamazoo Saturday and spent the week end with Mr. and Mrs. Fred Stratton, Mr. Shaw's sister.

W. J. Olive was in Grand Rapids Wednesday on business.

Wednesday, the first day of the Harvest Sale opened up with a clear sky and balmy weather. The weather man could not make the weather more ideal with just enough pep in the air to make shopping a comfort, rather than a burden.

The merchants, generally speaking, are pleased with the opening of the sale, and altho the crowds do not flock in such large numbers, as has often been the case on one day Dollar Day sales, the merchants state that they have all they can do, and at the same time give the patrons of this sale the attention that they deserve.

The merchants think that this is by far the better way for the reason that the buying is spread over three days and the congestion would naturally not be as great as when only a few hours are given for a sale.

A large number of purchasers are following the advice given in the columns of this paper by listing the needy purchases before they come to shop.

HOPE LECTURE COURSE TO OPEN THURSDAY, OCT. 20

The Hope College Lecture Course this year will surpass the courses offered the past few years. During the war the entire system of the College Lecture Course was broken down. The past few years Prof. Nykerk has worked hard to build up the former organization, and expects that with the proper support from the public this year will find it where it ought to be. Consequently he has booked for this year some of the best artists obtainable. Those scheduled to appear this season are as follows:

On Thursday, October 20, The Baker Company will give a concert in Carnegie Gymnasium. She has been secured by the Redpath Bureau for a transcontinental tour, and we deem ourselves fortunate to have her stop at Hope College to entertain us for an evening. Miss Elsie Baker has made several Victrola records, and is recognized as one of the foremost singers in the country. With her comes William Durieux, a cellist. Mr. Durieux is of Holland descent, and has an international reputation as a cellist soloist. He has appeared with the largest orchestra in Paris, and is very efficient as an ensemble player.

Henry Lawrence Southwick, President of the Emerson College of Oratory, will appear here on January 19, giving a lecture, and also reading some Shakespearean plays. He has toured the colleges and Universities of forty states, and comes highly recommended as a lecturer to students. At present he is one of the most noted interpreters of Shakespeare in America.

Mr. Edward A. Ott is not a new figure on our platform. He appeared here some ten or fifteen years ago, and spoke before very large audiences. The management has secured him to deliver his lecture on "Sour Grapes". This is a popular lecture on heredity, has been delivered over 4,000 times, and has been heard by over a million people. Mr. Ott was a pioneer in popularizing biological ethics, and has a wealth of information which no student can afford to miss. The date of Mr. Ott's appearance will be on the evening of Dec. 29.

The last number on the course is The Fine Arts Quartet, rendering light opera in costume. The favorable comments made upon the Montague Singers last year, has caused the management to secure a similar company. All members of this company have done much concert work, and are well known, especially to the music lovers in Chicago where they have worked for some time. They will specialize in the rendition of Irish and Spanish music. The quartet will be in Holland on Feb. 8.

This short rehearsal of the different numbers on the Lecture Course is sufficient to enable each and every person to assure himself of the invaluable profit to be gained by attending these concerts and lectures. The Lecture Course offers an opportunity for the broadening of vision, and the deepening of sympathies, and is not merely amusement offered to while away a few spare hours.

Tickets can be reserved at the G. H. Huizenga jewelry store on Friday, Oct. 14 and thereafter.

JOINT RECEPTION OF STUDENT BODY HELD

Almost the entire student body and faculty of Hope college turned out Tuesday night to attend the annual joint reception of the Y. M. C. A. and Y. W. C. A., when the two associations acted as host and hostess to the new students. A delightful evening was in store for all the members, and after spending some time in making and renewing acquaintances a very pleasing program was rendered. The presidents of the two organizations addressed the students, followed by several musical selections by a girls' ukelele orchestra and quartet. Gerrit De Weerd again ruled the bow and fiddle for the students. Other numbers on the program included impersonations of campus characters by the students, selections by the Y quartette, and a stunt in charge of Baker.

With the conclusion of the program, the entertainment committee kept the students busy and amused with contests and games.

Light refreshments were served and after the singing of the college songs, the gathering adjourned. Over four hundred attended. Both organizations are in a flourishing condition and hope to make this the biggest year they have ever had.

Agnes Allen, the first Allegan county woman under 19 years to be convicted of a violation of the liquor laws, is awaiting sentence after having pleading guilty to having liquor in her possession. Her companions Ford Smith and Walter Bump, are awaiting sentences on similar charges.

HOLLAND TO MEET CENTRAL HIGH ON SATURDAY

Holland high will play its first home game Saturday afternoon when the local eleven will meet the strong Central high school team of Grand Rapids. Central high has played two games this season, defeating both Plainwell and South Haven by scores of more than 100. Central has a strong team heavier than Holland, and it stands a good chance of being a contender for the state championship.

Holland however will be Central's strongest opponent so far and the Grand Rapids players are looking for a stiff battle Saturday. The Reserves of both schools will play the preliminary at 1:30.

Mr. Riemersma and Mr. Sirrine, with a gang of helpers, are getting the Waterworks Park into shape for the game Saturday, and it is expected that Holland will have as fine a gridiron as any high school in the state. Bleachers will be put up before Saturday so that there will be seats for all.

The game will be the first of five straight games at home, for which season tickets are now on sale at the following places: H. Van Tongeren, Superior Cigar Store, Fris' Book store, Lage's Drug store, De Pree Co. and Sprietsma Shoe store.

FARM BUREAU MEM- BERS URGE FARMERS TO GO TO G. HAVEN PARK

The attractions of the new Grand Haven State Park were called to the attention of the executive committee of the Ottawa County Farm Bureau Monday, when W. H. Loutit of the Park commission went before the bureau and extended an invitation to the Ottawa Farm Bureau to hold its annual picnic at the Grand Haven park next summer.

Mr. Loutit informed the committee that the state park was established for just such purposes as the big farm bureau picnic and every convenience possible will be made available for picnickers. The bureau picnic last summer was a big success at Miles beach. The grounds were pleasant, but the roads reaching it were not of the best, and only the fact that heavy rains had hardened the sand roads made passage possible for some cars.

The Grand Haven State Park is easily reached by motorists from any place in the county or surrounding counties. A concrete road all the way from Holland makes the run easy from the southern part of the county. Improved roads into the city in every direction bring the state park within easy distance.

The city of Grand Haven and the state of Michigan have combined in their effort to bring pleasure to the public along the lake shore. At the new state park the concrete roadway leads down directly to the beach and within a few feet of the oval.

Withing a few days, the installation of the additional parking track on the oval will be completed. Only a short space remains to be finished now. This expansion will double the capacity of the oval. This space with the extension along Harbor Ave. will make it possible to park more than 1000 cars on the beach next summer.

New equipment will be added, and there will be no better picnicking place along the whole shore than the Grand Haven State Park. Concrete walks now connect the oval with Highland Park just south and the whole beach is open to the public as a playground. The beach is the best along the shore and life lines, life boats and life preservers are supplied for the protection of bathers at all times.—Grand Haven Tribune.

Well, the farmers in this vicinity need not worry about parks to enjoy themselves in. We have our Jenison, Macatawa, Benders Beach, Kardeau Beach, Boone's Woods, near Ottawa Beach and a dozen more with good roads and easy of access.

The rain up till Saturday morning, the weather man of Ottawa county says, establishes a high record, but is not a record-breaker.

The rain from Saturday to Tuesday however is not in his calculation and no doubt if that had been figured in some records no doubt would have been smashed.

A total of 2.43 inches fell in during approximately 11 hours. This amount has been exceeded a number of times. On August 3-4, 1908 a total of 3.71 inches fell in eight hours. Again on August 2, 1915 a total of 4.19 inches fell in 10 hours.

Friday night's rain brought up the average of the month of September and the excess since January for the present year. During the month of September according to the U. S. Weather Bureau figures at Grand Haven, there has been a rainfall of 4.07 inches. This is .90 inches above the September normal and makes an excess since January 1 of the year of 1.10 inches.

The warmest day during the recent month of September, according to the figures of Meteorologist Tullsen, was the first with a mark of 83° and the coldest was the 26th with a mark of 44°. The rainfall for the month was 4.07 inches, which is considerably above the average of past Septembers. There were 11 clear, 11 partly cloudy days and 8 cloud days in September. Eight thunderstorms were reported.

SELLS 82 FORDS IN ONE MONTH

Ottawa County folks still keep faith in "Lizzie." This is evident from the number of Ford sales by the Holleman-De Weerd Auto company at their three establishments in Holland, Zeeland and Byron Center.

During September 82 new cars were sold and 25 second hand Fords, which surely is a record breaker.

Last Saturday the 1st day of October five machines were sold in one day. When local manager, Albert De Weerd of Holland was asked what the average would figure over the entire year, he stated, "better than six hundred cars."

COLLEGE ELEVEN TO PLAY HILLSDALE COLLEGE SATURDAY

Coach Schouten is dishing out to the Hope gridders the most strenuous week of practice that the men have ever had in preparation for Saturday's game, when the Orange and Blue will meet Hillsdale there in the initial grid tilt of the season. With six letter men back on the team and with an available amount of new timber, the Hope mentor will put out the strongest gridiron combination that Hope has ever had. De Jonge, Van-Putten and Japenga will be on the field again to bolster up the backfield while three other veterans will add materially to the line. A number of new men are doing excellent work, and although Jack is still scrambling his men into form for the Hillsdale game, he will have a number of proteges at his disposal.

PECULIAR INSURANCE CASE HAS BEEN DECIDED AT LAST

Fishing in the water of the great lakes is an occupation under control of the states and not a maritime occupation controlled by the federal government, according to the Michigan department of labor and industry, expressed in an opinion handed down Saturday in which full compensation is awarded the widow of Arthur H. Foppen of Grand Haven for his death while fishing 15 miles off Grand Haven last March.

The opinion for the first time directly places the thousands of Michigan fishermen directly under the state compensation law and permits them to receive compensation for injuries and their dependents compensation for death while engaged in the occupation of fishing.

The case was the outgrowth of the mysterious death of Arle Foppen. He disappeared from a fishing boat last March while in the employ of Peter J. Fase & Co. of Grand Haven. The supposition was that a wave washed him overboard and he drowned. No one saw the accident and the body never was recovered.

In granting the widow compensation the board has gone back to the ancient common law of England and scattering decisions of supreme courts of states covering the ownership of the water in the great lakes. The department holds that the ancient law affecting tidewater applies to the great lakes and that the state bordering on the great lakes owns the land under such waters, the water itself and the fish in it, subject to the paramount right of congress to regulate navigation to the center of the lakes.

So far as the state board could find there has never been a case just like Foppen's in states bordering on the great lakes. Commercial fishermen heretofore have contended that their employees were engaged in maritime work and came under federal and not state control.

"We do not think that the fact that the deceased was working upon a boat is of much importance in this instance," reads the opinion. "His occupation and not his place of employment is the controlling factor."

Miss Mary Landman visited with friends in Grand Rapids over the week-end.

Mrs. N. Hofsteen and children Dorothy spent the week-end in Grand Rapids.

MERCHANTS TO GET SOME MONEY BACK

The Merchants association of Holland met at the city hall some 20 putting in their appearance. The report from the committee who had in charge the publicity end of the big harvest sale submitted their report and those present were shown that not one of the plans had miscarried, that everything had been thoroughly circularized, that the local press had taken hold of the matter with a will giving the sale considerable publicity, that all the neighborhood paper with the exception of one had also made fine mention through their columns, telling about the sale.

The committee also sprang a surprise, stating that there was still some money left in the treasury, relating to this sale, and those merchants that advertised will get their proportion of this money, returned to them at the next regular meeting of the Merchants Association which will be held a month from now.

There is one proviso; however, and that is that these merchants must attend the meeting in order to get it.

The refund it is said will be in the neighborhood of \$2 each and no doubt the merchants can bank upon a healthy sized meeting on the date when it is called by Secretary Fred Beeuwkes.

The committee who had charge of the publicity of the Harvest Sale, were A. Peter, Benjamin Du Mez, and Al Joldersma.

BIG CONVENTION IN HOLLAND THURSDAY

A large number of women from Western Michigan will meet in Holland Thursday. The occasion is the convention of the Missionary Union of the Reformed church classis.

The meeting will be held in the First Reformed church and Holland bids the ladies of the Reformed denomination participating as delegates a hearty welcome.

Three sessions will be held. The devotions will be conducted by Mrs. S. Vander Werf of Holland, Mrs. J. A. Dykstra of Grand Rapids and the Rev. James Weyer, pastor of the entertaining church. Miss Nellie Zwemer will bring greetings from China, where she has been a missionary for 30 years. Greetings also will be brought from the representatives of the Women's boards.

The speakers for the afternoon meeting will be Rev. F. De Jong of McKee, Ky.; Miss Nellie Zwemer of China, and Miss Jeannette Westveer of Holland. At the evening session addresses will be delivered by Mrs. Taber of Warwick, N. Y., and Mrs. De Witt Knox of New York city, president of the woman's board of foreign missions.

Mrs. C. V. R. Gilmore, only survivor of the family of the late Dr. A. C. Van Raalte, founder of the Holland colony, has been president of the union since its organization in 1898. Other officers are: Vice presidents, Mrs. John A. Dykstra, Grand Rapids, Mrs. H. Joffe of Coopersville and Mrs. M. A. Stegeman of Overisel; secretary, Mrs. E. J. Blekkink of Holland; treasurer, Mrs. John N. Trompen, of Grand Rapids.

HOPE DRAMATIC CLUB RESUMES ITS WORK

The Hope College Dramatic Club this year has started its activities as early as possible. A meeting of the club is to be held next week to lay out definite plans for the coming year.

At a meeting of the club held on Monday the following officers were elected: president, Morris Steggerda; vice-president, Teunis Baker; secretary, Maxine Mc Bride; treasurer, Richard Blocker.

The club expects to take in from eight to twelve new members this fall and is hopeful to start work in the near future.

MAKES PLEA FOR FRIENDSHIP BETWEEN FRANCE AND U. S.

The activities of the Woman's Literary club for the current year were inaugurated by a most successful luncheon Tuesday noon. The fascinating speaker, excellent menu, and beautifully decorated rooms made the affair one which will not soon be forgotten by the large number of members present.

The club was most fortunate in being able to secure Mrs. Clay H. Hollister, who has spent much time in France and has just returned from there, to speak concerning that country.

Mrs. Hollister gave an enlightening account of the progress of reconstruction in its various phases and much insight into the life and character of the French people. She emphasized the fact that, tho France has succeeded in making herself independent once more in the production of food stuffs, yet it is of the utmost importance for the good of the two nations that America shall maintain a fair, friendly spirit of co-operation toward her. Mrs. Hollister pleaded that we might not lose the new character which we developed through the lessons of war, by failure to use it now.

Miss Ruth Keppel delighted the audience with two violin solos, "A Spanish Dance," Sarasate, and "Indian Lament," Dvorak.

Mrs. C. M. Mc Bride and her committee who were in charge of the meeting, achieved a most artistic decoration of the rooms with colorful fall leaves and flowers as well as a very delightful luncheon.

Following was the menu: fruit cocktail, creamed chicken in timbals, special baked potato, perfection salad, biscuit, olives, maple nut ice cream, assorted cake, cafe nou.

Last week several rules were drafted by the Student Council of Hope College concerning the conduct of Freshmen students upon the campus. The Sophomores are the ones appointed to enforce the rules and a committee of Senior students to inflict penalties for all violations of rules imposed upon the first year men. Whether these rules are valid and whether they can be enforced, was settled Tuesday afternoon when four Freshmen were brought to trial upon a charge of violating one of the said rules. The defendants, upon complaint of the Sophomore class, were examined before members of the Senior class, upon a contention that they had been on the streets of Holland after 11 p. m.

Charges against two of the defendants were dropped upon the evidence of their own testimony. The other two however were held and convicted by the judges, after a brief deliberation. The penalty inflicted by the examining committee imposes upon them the scrubbing of the chapel steps, Thursday morning between 7:45 and 8:00 o'clock, under the jurisdiction of the committee and enforced by three members of the Sophomore class, appointed by the committee.

ENTERTAIN IN HONOR OF
MISS RUTH MCCLELLAN

Mr. and Mrs. William Winstrom, assisted by Miss Lucy Moody, entertained at the Winstrom home a company of thirty-five officers and teachers of the Methodist Sunday school in honor of Miss Ruth McClellan, who has been a teacher and a worker there for several years.

The home was uniquely decorated and a jolly evening was spent with games, music, and delicious refreshments.

As a token of esteem and appreciation, and with the sincerest good wishes, Miss McClellan was presented with a handsome electric coffee urn, the gift of the Sunday School board.

FORMER GRAND HAVEN SCHOOL HEAD CLEARED OF SERIOUS CHARGE

Charles De Boer, formerly of Grand Haven and connected with the public schools there and who is now an instructor in the Chicago Parochial school, has been completely exonerated of all blame in connection with the death of Orville Vardeman, a pupil of the school. When a boy died following a whipping administered by several of the other boys of the school, some of the boys made the statement that Mr. De Boer had told them to go to it and beat Orville.

With Fred S. Smith, superintendent of the school, Mr. De Boer was held under bonds on charges based upon the statement of the boys. The case was immediately dismissed after the testimony had been submitted.

In a letter to relatives in Ottawa County, where Mr. De Boer is much thought of, Mr. De Boer states that he is cleared of the terrible charge together with Mr. Smith his superior. The prosecution had no witnesses and moved to drop the case. The attorney for the defense however asked that the defense witnesses be sworn and upon the testimony that refuted the charges brought by the prosecution, the defendants were discharged from the custody of the court.

The following story of the dismissal of the case was published recently in a Chicago paper:

Fred S. Smith and Charles De Boer, superintendent and instructor respectively at the Chicago parochial school, were discharged on charges of being accessories to murder following the death of Orville Vardeman by Judge John A. Bugee in the Shakespeare Ave. court today. The boys on whose testimony the charges were based testified that the stories were false and that they had been forced to tell them through fear of threats of a former farm hand at the school who had been discharged by Smith.

David Donohue, the man named by the boys was said by Assistant State's Attorney Joseph Smejkal to have been disappeared supposedly into Canada.

When the case was called Eugene L. McGarry, attorney for Alfred Vardeman, father of Orville, stated that he had learned that the statements made by three inmates of the school in the office of the state's attorney on which warrants for the arrest of Smith and De Boer were ordered by Judge Robert E. Gentzel had been repudiated.

Stephen A. Malato, attorney for the defendants requested and open hearing instead of non-prossing the case, so that his clients might be fully exonerated.

The boys, William Esping, 5531 South LaSalle street; Robert Gavin, 426 E. 42nd street; and Julius Pisen, 1848 West 14th street, then acknowledged that their former stories were false.

They said that Orville Vardeman was not struck by either of the defendants.

Gavin and Pisen both named Donohue as the source of the stories. They said he threatened that if they would not accuse Smith and De Boer he would himself accuse them of striking the Vardeman boy and causing his death.

Superintendent Smith testified that Donohue was discharged about a week before the warrants were obtained for his arrest and that of Mr. De Boer. Donohue was dismissed because of a serious charge against him made by a woman on a neighboring farm, Mr. Smith testified.

PROMINENT ZEELAND WOMAN PASSES AWAY

Mrs. George Den Herder, one of the most prominent women of Zeeland, died Thursday evening shortly after 8 o'clock as the result of an operation for appendicitis to which she submitted at her home in Zeeland last Monday. Mrs. Den Herder was taken ill with appendicitis Saturday and since it was an acute case an early operation was necessary.

Mrs. Den Herder, whose maiden name was Miss Sarepta Coburn, was a sister of Mrs. N. R. Stanton of Holland. She was born in Beaverdam and spent her childhood there. For several years before her marriage she served as a teacher in the schools of Zeeland. She was a member of the second Reformed church of Zeeland and was also connected with the Ladies Literary club of that city.

The deceased is survived by her husband and three children, two daughters and one son. The funeral was held Monday afternoon at 1:30, Standard time, at the home in Zeeland.

At the Ministers' Conference held last Monday afternoon in the First Reformed church, Rev. C. P. Dame of Trinity Reformed church read a paper and Mr. Luke Lugers gave a report of the meetings of Pan-Presbyterian Alliance. This conference is for all the ministers of all denominations of Holland, Zeeland and vicinity. At the meeting Monday the new officers assumed their duties. The new officers are: Rev. James Ghysels, president, and Rev. J. H. Brugers, secretary and treasurer. The retiring officers are: Rev. James Wayer, president and Rev. James Ghysels, secretary and treasurer.

GRAND HAVEN DESIGNATED AS AUTO LICENSE STATION

Assignment of automobile license plates for 1922 to the office of the secretary of state and 72 branch offices from which licenses will be issued has now been completed by Charles J. De Land, the secretary of state. The plates, numbering from 1 to 485,000, are now being made at the Michigan State prison at Jackson, and will be sent to the distributing offices as soon as ready.

The office of the secretary of state at Lansing, receives the first 47,000 for distribution; the next 3,000 go to Mason, Mich. Detroit will receive 150,000 plates to be distributed from the branch office of the secretary of state, 3136 Cass Ave., and such other local offices as may be later announced.

Grand Haven has been designated as the auto license station for Ottawa county; Treasurer Den Herder will shortly receive 4,500 pair of license plates, the numbers running from 301-501 to 306-000. No doubt Treasurer Den Herder will designate Holland as a sub-station and will advise motorists in time at what place in this city licenses can be secured. Last year the Wolverine garage was chosen for this purpose.

SOCIABLE HELD FOR TEACHERS AND STUDENTS

The Senior C. E. of the First Reformed church entertained the teachers and students of Holland Wednesday evening with a sociable in the church parlors. A very unique program was rendered, the whole depicting a college year beginning with enrollment and closing with commencement. The president of the society, Mr. Clarence Lamer, acted as president of the college. The crowd was divided into four groups, each forming a college class and many contests were staged between the classes, including a tug of war and football game. The program was as follows: devotion by the president, an interesting talk by the pastor, Rev. Jas. A. Waver; a piano solo, Nella Tavis, reading, Geneva Van Lente; vocal solo, Martha Barkema; and a few remarks by Supt. E. E. Fell and Prin. J. J. Riemersma.

AID PRESENTS PASTOR AND WIFE WITH ROCKER

The Ladies Aid society of Trinity Reformed church staged a surprise for Rev. and Mrs. C. P. Dame on Wednesday afternoon when they sent a message to the pastor and his wife asking them to come to the regular meeting of the Aid. When Rev. and Mrs. Dame had arrived at the meeting, Mrs. G. Van Dyke, the president, called upon Mrs. M. Ossewaarde to address the meeting. Mrs. Ossewaarde, on behalf of the Aid, thereupon presented Rev. and Mrs. Dame with a beautiful leather rocker. The pastor and his wife were completely taken by surprise, but both responded to the presentation speech of Mrs. Ossewaarde and heartily thanked the Aid for the gift.

NOONDAY LUNCHEON TO MARK BEGINNING OF CLUB YEAR

After a summer recess since May the Woman's Literary Club resumed its meetings on Tuesday afternoon of this week, and the first gatherings of the year assumed the double nature of a get-together luncheon and a regular program. The luncheon at the beginning of the year has become a regular feature of the club's activities.

A luncheon was scheduled Tuesday for one o'clock in the afternoon, while the regular literary program began about 2:30. The luncheon was given in the dining room of the club house while the program was given in the auditorium.

Hon. G. J. Diekema had been scheduled to give the opening address of the year, but he was compelled to be out of the city, so that the program committee took special pains to find a good speaker as a substitute in the person of Mrs. Clay H. Hollister of Grand Rapids. Mrs. Hollister was to have appeared on the program later in the year. Her date was advanced while Mr. Diekema will appear later. Mrs. Hollister will speak on the subject "France Today," which is of special interest in view of the fact that she has just returned from France. A violin solo was given by Miss Ruth Keppel and a vocal solo by Mrs. J. E. Telling.

The president of the club this year is Mrs. R. M. De Pree, and the membership is said to be one of the largest in the club's history. One interesting feature of the club's work is the Kate Garrod Post scholarship fund by means of which four girls are being helped this year to secure a college education. One girl was given assistance in summer school the past summer. The girls thus assisted pay back the money after graduation so that more girls can be helped.

Holland has a slight touch of scarlet fever and diphtheria. City Inspector John Vandenberg states he has tackled up four diphtheria signs and six scarlet fever signs since the schools opened. None of them are severe cases, but the local health officer and the different physicians are using every precaution against the malady.

HOLLAND MEN HAVE QUITE AN EXPERIENCE IN A STORM

Al Baker, Hub Boone, "Doc" Boone, John Boone, John Kleis and Andrew Steketee have found out what a real storm is, and had an experience Thursday that they will not soon forget.

The men all left early in Al Baker's car for the Hartford fair. After an enjoyable time, the "end of a perfect day" was not so perfect as might have been supposed.

About 8 o'clock Thursday night the travelers struck the clay roads near East Saugatuck just as another spasm of the severe storm was raging.

The highway was a quagmire of slippery clay and the Baker car did skating stunts which are not expected of an automobile.

Anyway the water-soaked car was soon put out of commission after it had run into the ditch because of the soapy roads. The weary travelers all got out in the rain heading for a lone light apparently from a farm house quite a distance away.

They found that the place was that of Henry De Pree and they persuaded Henry to loan them his Dort car. The Holland men all piled in, happy to find that apparently they were out of their predicament. But the old Dort was't tickled about being taken out of a nice warm garage into a withering storm and had gone only a few rods when Mr. Dort began to put up a terrible kick. Like an old mule it laid down on the job and wouldn't budge.

Disheartened, the men scarcely knew what to do, until Steketee thought of a telephone.

One was found in the immediate neighborhood and Leonard Steketee of the Steketee Tire company was routed out of bed, and he raced his machine to the isolated Hollanders, bringing his father and the other men in the party safely home when the light began to streak the eastern horizon.

HOPE GIRLS MAKE VIRTUE OF NECESSITY

With only automobile headlights to illuminate the building, the Hope College girls had a rather spooky time of it Thursday night at Macatawa when the regular annual Y. W. C. A. reception was held there for the new girls. The reception was held in the Macatawa Park Garage, and since the electric plant at the resort is not working, the only lights were from auto headlights.

The girls went to the park about 225 strong, but they had hardly arrived when the terrific rain storm came up, spoiling the plans of a beach party. They temporarily took refuge on the porch of the Macatawa Park hotel and managed to keep dry after a fashion. But it was not until the large garage was placed at their disposal that the girls began to have the time of their lives.

Transforming their troubles into merriment in the true spirit of youth, they made a virtue out of necessity and held a party such as the Hope College girls have seldom enjoyed. The eats at first were delayed by the storm, but they also arrived finally, and all was well that ended well.

DIES AT HOME OF DAUGHTER IN WISCONSIN

The funeral of Mrs. J. Bontekoe, who died Thursday at the home of her daughter in Kenosha, Wisconsin, was held on Saturday at the home of her son, Harry Bontekoe, 60 W 15th street, at two o'clock in the afternoon. Rev. Mr. De Young of Kenosha, and Rev. Mr. Einink of this city officiated.

Mrs. Bontekoe was 63 years old. She had been making her home with her daughter, Mrs. John Kammeraad in Kenosha for the past year or two, and her death followed an operation to which she submitted a short time ago and which at first was apparently successful. She had been ill for about six weeks. The body arrived in Holland Thursday night. The deceased is survived by three sons and two daughters, Harry, Peter and Cornelius of Holland, Mrs. Joe White of Holland and Mrs. John Kammeraad of Kenosha. Mrs. Bontekoe was an active church worker both in Holland and in Kenosha Wis.

HOLLAND GIRL BECOMES ZEELAND MAN'S BRIDE

The wedding of Miss Bernice Dalman, daughter of Mr. and Mrs. B. Dalman, 121 W. 18th street, and Mr. Herman Cook of Zeeland took place Thursday afternoon at five o'clock at the home of the bride's parents. The ceremony was performed by Rev. C. P. Dame, pastor of Trinity Reformed church, in the presence of relatives. The double ring ceremony was used and the bride and groom were unattended. Miss Florence Dalman, sister of the bride, played the Wedding March. After the ceremony a wedding supper was served. Mr. and Mrs. Cook will make their home in Zeeland.

Dr. and Mrs. P. Moerdyke will leave Oct. 4 for South Bend, Ind. to visit a daughter, and on Oct. 19 will leave Chicago for their winter home, 1299 Demer St., Pasadena, California. If both are well in May, 1922, Dr. Moerdyke and his grandson Donnell S. Duncan of Toronto University, Canada, will go to Europe to spend a half year in travel in various countries.

GRANDVILLE-JENISON SNOWED UNDER BY INDEPENDENTS

In the final game of the season on Saturday afternoon the locals snowed under the fast Grandville-Jenison team by the score of 12 to 5.

It was the deciding game of a series of five whereby Holland wiped out their two defeats by this team earlier in the season.

VanderBunte who had the local batters eating out of his hand in the other games he has pitched was given a severe drubbing Saturday and gave way to Ohler in the sixth inning. His delivery was pounded for 15 hits. B. Batema, Spriggs, Woldring, Hoover, Jappings and Ingham being the chief aggressors. Holland presented a rather patched lineup, but played snappy and errorless ball the change seeming to add new life to the entire outfit. Shaw unexpectedly stayed away without sending any notification, but luckily nine players were out. Jappings was called in from the outfield to play short, while Ingham covered the second sack and both filled the positions in pleasing style. Jappings fielded the fast grounders in big league style and shot the ball across the diamond via Johnny Lavan's style. Ingham pulled down line drives which held down the visitors score and played a good all around game. B. Batema at third showed the best form of the season having a 100% fielding average.

Steggarda pitched a nice game and improved as the game advanced. In the early stages he was touched up rather lively but as the game progressed his delivery became harder to solve.

A good crowd attended in spite of the fact that the majority of the factories were working. A number of fans from Grandville were present.

The locals finished with victory the most successful season from every standpoint winning 30 out of 47 games and playing to good sized crowds every game.

Harry Smith of Otsego pleaded guilty to a statutory charge before Judge Cross and was sentenced to serve from 3 to 10 years at Ionia.

PROPOSED IMPROVEMENT OF WEST NINETEENTH STREET

Notice is hereby given that at a meeting of the Common Council of the City of Holland held Wednesday September 21, 1921, the following resolutions were adopted:
Resolved, That 19th street from the center line of First Avenue to the West line of Columbia Avenue, be graded, drained, and otherwise improved together with the construction of a combined curb and gutter, and a six inch waterbound macadam base, and that such improvement shall include the construction of the necessary manholes, catch basins, and approaches in said portion of said street, said improvement being considered a necessary public improvement, that such improving be done in accordance with the plans, diagrams and profile of the work prepared by the City Engineer and now on file in the office of the City Clerk; that the cost and expense of such improvement with the necessary curbing, gutters, crosswalks, manholes, catch basins and approaches as aforesaid be paid partly from the General Street Fund of the city and partly by special assessment upon the lots, lots and premises abutting upon that part of 19th street from the center line of First Avenue to the west line of Columbia Avenue as follows:

Total estimated cost of improvement, including cost of surveys, plans, assessment and cost of construction, \$32,866.34; and that the entire amount of \$32,866.34 be defrayed by special assessment upon the lots and lands or parts of lots and lands abutting upon said part of 19th street according to the provisions of the city charter; provided however, that the cost of improving the street intersections where said part of 19th street intersects other streets be paid from the General Street Fund of the city; that the lands, lots and premises upon which said special assessment shall be levied, shall include all the lands, lots and premises abutting on said part of said street in the city of Holland; also the street intersections where said part of 19th street intersects other streets; all of which lots, lands and premises shall be set forth in the assessment and declared to constitute a special assessment district to defray that part of the cost of improving part of 19th street in the manner hereinbefore set forth, said district to be known and designated as the "Nineteenth Street Special Street Assessment District No. 2 in the City of Holland."

Resolved that the profile, diagram, plans and estimate of cost of the proposed improvement of 19th street from the center line of First Avenue to the west line of Columbia Avenue, be deposited in the office of the City Clerk for public examination; and that the clerk be instructed to give notice thereof at the proposed improvement and at the district to be assessed therefor, by which notice of the same for two weeks and on Wednesday the 10th day of October A. D. 1921 at 7:30 o'clock P. M. be and is hereby given; and that the council rooms to consider suggestions or objections that may be made to said assessment district, improvement, diagram, plans and estimate of cost.

GRAND HAVEN HOTEL PURCHASED BY A CHICAGO MAN

Final steps were taken Monday in the negotiations for the purchase of the Highland Park hotel from Mrs. Sarah Sweetland by E. M. Langrell of Chicago. The deal has been pending for several days and the new owner was shown over the property some time ago. He was most favorably impressed with it and negotiations began immediately.

The new owner took immediate possession of the property and remodeling of the hotel building in accordance with Mr. Langrell's ideas will be started within a short time, it is expected. More room will be added, although no addition to the building is contemplated during the first season.

Mr. Langrell intends to feature the hotel dining room and restaurant very strongly and some changes will be made in the interior arrangements of that portion of the hotel, which will make possible the handling of the summer automobile tourist business on a large scale.

Mr. Langrell was for 15 years the purchasing agent and chief steward of the Goodrich Transit company, and during his service there he built up a fine reputation as an efficient manager. He severed his connection with the steamship company to take charge of the operation of the cafe in a large club in Hartford, Conn. Later he took over the restaurant in the Elk's club at Brooklyn, N. Y. He will dispose of his eastern interests however, to devote his entire time to the Highland Park hotel.

SERIOUS AUTO

WRECK NEAR GRAND HAVEN ON THE PIKE

Tony Pascale, Sebastian Jeske and Anthony Sweak were brought to the Elizabeth Hatton Memorial Hospital at Grand Haven Thursday night in a big moving van. The big machine picked up the three men near Harlem on the West Michigan Pike, a few miles north of Holland, where their Ford was lying wrecked in the ditch.

Tony Pascale, driver of the car, escaped with few injuries. He stated that a passing car had flashed a light in his face and in an instant his car was beyond his control and in the ditch Sebastian Jeske was badly bruised and cut up somewhat in the smash. He was attended by Dr. Cherry. Pascale and Jeske started for South Haven in a hired machine.

Anthony Sweak when taken to the hospital appeared to be somewhat under the influence of liquor, it is alleged and a call for the officers was sent in when it was found that the man was not badly injured. Friday he was arraigned before Justice Wachs, charged with being drunk. He was fined \$14.25 including costs and committed to jail until the fine is paid, not to exceed a period of 30 days.

NATHANIEL ROBBINS EN- TERTAINS IN HONOR OF BIRTHDAY ANNIVERSARY

Beautiful in its appointments was the dinner which Nathaniel Robbins gave Thursday evening at his home on Fifth street in compliment to a number of his friends on the occasion of his birthday anniversary. A charming arrangement of graceful ferns and large leaved plants in the shades of red and green through which the light from innumerable tapers shone made an effective border around the wainscoting in the dining room while the table was centered with a tall silver vase of American beauty roses and greenery. Large pots of spreading palms and ferns adorned the stately hall and the mantle in the living room was banked with ferns and lovely plants. The guests were Senator William Alden Smith, Perry Heath, Claude Hamilton, Willard Keeney, Grand Rapids, Hon. G. J. Diekema, Nathaniel Robbins, Holland, Claude Hofkins, Chicago, Hunter S. Robbins, Spring Lake, William H. Loutit, B. P. Sherwood, William Hatton, Grand Haven.—G. H. Tribune.

REPRESENTED IN MICHIGAN HISTORY

The Michigan History Magazine, in the issue that was published Friday, prints a brief biographical note in regard to Dr. Ame Vennema, former president of Hope College. The note which is given by reason of the fact that Dr. Vennema during 1920 contributed to the magazine a paper on "The Rise and Progress of Hope College," reads:

"Ame Vennema, D. D. Mahwah N. Jersey.—Graduated from Hope College, Holland, Mich., 1879; and from New Brunswick Theological Seminary, 1882; degree of D. D. conferred by Hope College 1904, and by Rutgers College, 1916; minister to various Reformed churches in New York, Michigan and New Jersey, 1882-1911; president of Hope College, 1911-1918; president emeritus Hope College, 1918; minister Reformed church, Mahwah, N. J., 1918; holder of numerous high positions of trust in the Reformed church of America and contributor to the leading periodicals of that denomination."

Perhaps in no previous year has as much pavement been laid in Grand Haven as during the past summer. Work on the city streets was begun early in the spring and will not be completed until well into October. At the end of that time about two miles of 24 foot pavement will have been put down within the municipal limits.

COUNTY "Y" MEN MAKE BUDGET FOR COMING YEAR

Ottawa county is to continue its County Y. M. C. A. plan. This was decided at an enthusiastic meeting held Thursday evening in Grand Haven, at which eight Holland delegates were present. It was decided to set a budget for Ottawa of \$5000, and the work of raising this money will be begun immediately. C. E. Fleming of the state office of the Y. M. C. A. has been in Holland the past few days and in Ottawa county until last Tuesday to help the campaign along.

A group of fifteen Holland Y men met Friday forenoon in Holland and made plans for the campaign here. It was decided to raise \$2,000 in Holland for the work, which will include Holland's share in the county budget as well as a surplus for special local work in Holland the coming year. Committees were appointed and the canvassing teams were chosen at the meeting Friday morning, and the work of canvassing the city will be started immediately.

The meeting at Grand Haven on Thursday night, which was attended by some thirty persons, was an enthusiastic one, and it marked the close of the two year period of Y. M. A. C. work in Ottawa county. Secretary Smith called upon Harold Laug of Coopersville, a leader of the Boys group. Russel Damstra of Holland, leader of the Hi-Y group, Jay Wabeke, leader of the Boys' Camp, and Joe Kooiker of Holland and Wessell Shears, leaders in the Busy Men's Groups, to give talks telling of their experiences in their particular lines of work.

These men gave glowing pictures of the work of the Y and the enthusiasm for continuing the service was great. Reports of the secretary and treasurer were made, and election of the members of the county committee was held. The Holland delegates chosen on the county committee are: Alex Van Zanten, Dick Botter, Wm. Vanden Berg and David Damstra. The county committee thereupon met and chose the following county officers: E. J. Pruim of Zeeland, President; Peter Van Zyl of Grand Haven, first vice-president; Wessell Shears of Coopersville, secretary; and Alex Van Zanten of Holland, treasurer.

GIVES FACTS AND FIGURES OF THE CO. "Y." WORK

Secretary Henry W. Smith, of the Ottawa County Y. M. C. A., Thursday night made a formal secretary's report of the work done by the Y during its two year period of existence in Ottawa. The report, which was passed around to the delegates in printed form, touched on the high spots of the work, but it gives many facts and figures that will be of interest to the supporters of the Y. It is therefore herewith reprinted:

WAS LOST IN WILDS NEAR VILLAGE OF SAUGATUCK

It may be news even to our home people that within a mile of Saugatuck are jungles in which a man who has lived all his life in the immediate neighborhood can become hopelessly lost. Yet that is just what happened one night this week. The victim's lusty shouts carried to house where telephone calls were sent to neighbors and a rescue party organized. Supposing himself perfectly familiar with the surroundings it seems the man had taken a short cut through the woods. Darkness falling, the tangled underbrush had confused his sense of direction and he had passed an hour actually lost in the jungle wilds, before the welcome lanterns appeared.—Saugatuck Commercial record.

HOLLISTER GIVES SOME LIGHT ON WORLD CONDITIONS

The members of the Exchange Club enjoyed a real treat at their noon-day meeting Wednesday. Willis Diekema, a guest of the club, officiated at the piano and brot out all the dormant pep in the crowd causing their voices to be raised high in song. After the song service, he delightfully entertained the club with two most appropriate solos. Although not booked for a solo, the club members knew they were in him and would not let him go without hearing them.

After the song service, the president of club introduced Clay H. Hollister, of Grand Rapids. Mr. Hollister, with his impressive personality, spoke to the club on his impressions of the International Chamber of Commerce meeting in London which was a meeting at which sixteen countries were represented with a delegation of about six hundred.

The speaker explained briefly the workings of the chamber how different groups were appointed to take up questions, such as finance, production, transportation, arbitration, etc. which groups would present their resolutions to the general resolution committee where same were passed upon.

Mr. Hollister acted with the finance group and spoke briefly upon a few of the questions which confronted his group.

The question of foreign exchange was taken up by the finance group and sought to be rearranged so as to remedy the frightful condition of exchange. Reasons for this condition the speaker gave as being the fact that the several countries have been spending more money than they were taking in by way of taxation, and further that countries were given to the bad practice of inflation. The resolution by the committee was that there should be a decrease in outstanding currency, a decrease of armament and military expenses, an example of which saving was shown by the fact that Germany, after being prohibited from manufacturing armament, had greatly improved her exchange.

The question of double taxation was also taken up at this meeting and steps taken to remedy the condition existing by which property is subjected to a tax in the country in which it is located and the additional tax upon the owner of such property in the country where he resides and it also resolved that there be but one tax to be assessed in the place where the earnings originated or where the owner resided.

The speaker showed how the railroads in the United States have agreed upon a uniform bill of lading, but stated that there had never been a uniform bill of lading by the big steamship companies engaged in import, which gave rise to tremendous losses in shipping merchandise. At the International meeting, it was resolved to ask the ship owners themselves to meet and agree upon some uniform bill of lading, which the speaker showed could not be accomplished by legislation without an endless delay.

One of the most interesting questions was the formulation of the plan by which an individual in one country owning property and desiring to use same as credit in purchasing merchandise in another country could use said property as collateral security in obtaining the necessary credit. Mr. Hollister paid great tribute to the Netherlands, stating that the Netherlands had some of the keenest bankers in the world, that a certain Hollander by the name of Ter Meulen formulated a plan which was adopted by the Chamber which it is believed will solve this problem and which is to be known as the Ter Meulen system, under which the individual is to give a guarantee from his own country in the form of a government bond known as the Ter Meulen bond, his country securing itself by the individual's property, thus enabling the importer, by his own credit backed by his government, to purchase merchandise. The exporter receiving said bond can then get his cash money by selling the importer's government bond.

The speaker briefly touched upon the conditions abroad and showed how close as a country really we are to the entire world and how dependent we are upon each other. Mr. Hollister, though a life-long Republican, stated that we as a country cannot be isolated from the world politically and that we must work together for the salvation of the world and expressed himself as favoring the League of Nations.

John McCarthy of Allegan, was arraigned on a charge of stealing a pocketbook belonging to Marie Stewart while he was out with her for an evening stroll, pleaded guilty. Given an alternative of paying a heavy fine or going to Iowa reformatory for six months he paid the penal assessment and costs amounting to \$183.45. He obtained \$24.74 from the stolen purse.

HOLLAND HIGH TRIMS GRAND RAPIDS SOUTH HIGH

Holland High school opened the football season last Saturday in Grand Rapids by defeating South High school 19 to 0. The heavy south team outweighed the local team almost 15 pounds to a man but the Holland team displayed superiority both in the open game and straight football. South High had the advantage of having played two games this season while this was Holland's first game. The local team looked like a team of veterans and played like a well-oiled machine. Coach Martin deserves great credit for whipping into shape such a team having had only four letter men back at the opening of school. N. Vanden Brink, the new quarterback, showed expert generalship thruout the entire game.

Two touchdowns came on mixtures of the open and straight game while the other was due to South's failure to cover a forward pass. Johnny Vanden Brink intercepting and scooting 55 yards through an open field to the goal line.

The game started off like an interesting affair. South won the toss and chose to defend the east goal. Holland kicked to South's 30 yard line. South was penalized 15 yards for holding.

Finch carried the ball 25 yards. Holland's left end, but Holland held and South rumbled, recovering the ball eight yards and Snyder three in-line plunges and Holland was penalized five yards for offside play.

South Line Holds
Holland got the ball when South fumbled, but the South line held like a stone wall and Holland lost the ball. Most of the play in the first quarter was in Scott's territory, although at one time South was within ten yards of Holland's goal. Holland held for downs and made slight gains through end runs. South was penalized again for offside playing. The quarter ended with the score 0 to 0.

In the second quarter South buckled the Holland line time after time for no gains. South punted to Holland's five yard line and after the third down Holland punted out of bounds on its own 35 yard line. South took the ball and Robinson went ten yards through tackle. The ball was carried to Holland's 10 yard line and the visitors took it when South failed to make its downs. Holland also was unable to gain and punted.

Holland tried a forward pass and it was good for 35 yards. After a futile attempt to buck South's line Holland made another 10 yards on a forward throw from Hill.

The ball went over on South's 30 yard line and the half ended with the ball near the middle of the field. Score, Holland 0; South 0.

At the beginning of the second half things began going differently. South kicked off and Holland lost the ball on downs, South carrying it to Holland's 15 yard line on straight football. Robinson tried a place kick but the ball went wide and was Holland's ball on its own 20 yard line.

After slight gains Holland punted to South's 10-yard line. South attempted a punt but Holland blocked it and recovered the ball on South's 12 yard line. Lordahl in two plunges took the ball to South's one yard line and Ted Vanden Brink put it across. Vanden Brink missed goal. Score, Holland 6, South 0.

Holland kicked off to South's 20 yard line and the Wrenn squad failed to gain punting out of bounds on Holland's 35 yard line. Holland worked the leather to South's 35 yard line where a fumble gave the ball to Grand Rapids. The quarter ended with the ball in South's territory. Score: Holland 6, South 0.

Penalty is Disastrous

In the fourth quarter Holland worked the ball to within six yards of South's goal on a completed forward pass, Hill to Ted Vanden Brink and an end run by Johnny Vanden Brink. At this point South was penalized 5 yards for offside, bringing the ball to within one yard of its goal line, from which point Lordahl carried it over. Ted Vanden Brink kicked goal. Score: Holland 13, South 0.

Holland kicked off and South attempted a forward pass, which lacked possible completion owing to the fact that there was nobody in a position to receive the throw. Another forward pass was attempted and Johnny Vanden Brink intercepted it, running 55 yards for a touchdown. Ted Vanden Brink failed at goal. The ball zigzagged over the field during the remainder of the game, neither goal being in danger. Final—Holland 19, South 0.

In a preliminary to the Holland-South game the South Reserves, defeated Holland Reserves 7 to 6. Summary of South-Holland game.

or so much thereof as may be necessary to create a sinking fund sufficient to redeem the above bonds at maturity and said taxes in the sums above mentioned are now so levied for the years above mentioned; and said taxes or so much thereof as may be necessary shall be assessed and collected in each of the above years, and said taxes shall be applied only to the purpose named.

BE IT FURTHER RESOLVED, That all moneys collected from the above taxes together with any and all other moneys which the Council may appropriate for the payment of the principal or interest of the above bonds, shall be paid into a separate fund to be known as "Series A Hospital Bonds," Sinking Fund, which fund is hereby established.

BE IT FURTHER RESOLVED, That the moneys assessed and collected as above set forth constituting said "Series A Hospital Bonds" Sinking Fund shall be used for the purpose of paying the principal and interest of said above described bonds as above provided and only for that purpose.

BE IT FURTHER RESOLVED, That said bonds shall be signed by the Mayor and the City Clerk, and to be negotiated at such times and in such manner as the Common Council may direct, but at a price not less than the par value thereof.

WHEREAS IT IS NECESSARY and the Common Council deems it advisable to submit the proposition of raising said amount by the issuing of bonds, to the vote of the electors of the city:

THEREFORE, Be It Further Resolved: First, That the proposition to raise the amount of One Hundred Seventy-five Thousand (\$175,000) Dollars by loan and to issue bonds of the City of Holland, and to use herefor determined and proposed and set forth, and to be payable at the time and in the manner hereinbefore set forth, be submitted to the vote of the electors of the city of Holland at a special election, to be held on Tuesday the first day of November, A. D. 1921, and said day is hereby designated a Special Election for such purpose.

Second, That the substance of the question thus submitted be printed upon a separate ballot, and be set forth substantially in form and words as follows:

"Shall the City of Holland raise by loan the sum of One Hundred Seventy-five Thousand (\$175,000) Dollars to be used for the purpose of erecting and equipping a municipal hospital suitable for the needs of the city, and the purchasing of a new site should the Common Council determine to change the present hospital location, and shall the bonds of the City of Holland, one hundred seventy-five in number to be termed "Series A Hospital Bonds," be issued therefor in denominations of One Thousand (\$1,000.00) Dollars each and to be numbered from one to one hundred seventy-five, both inclusive, and to be payable as follows: Bonds Nos. 1 to 5 inclusive Five Thousand (\$5000) Dollars Sept. 1, 1926; Bonds Nos. 6 to 10 inclusive Five Thousand (\$5000) Dollars, Sept. 1, 1927; Bonds Nos. 11 to 15 inclusive Five Thousand (\$5000) Dollars, Sept. 1, 1928; Bonds Nos. 16 to 20 inclusive Five Thousand (\$5000) Dollars, Sept. 1, 1929; Bonds Nos. 21 to 25 inclusive Five Thousand (\$5000) Dollars, Sept. 1, 1930; Bonds Nos. 26 to 31 inclusive Six Thousand (\$6000) Dollars, Sept. 1, 1931; Bonds Nos. 32 to 37 inclusive Six Thousand (\$6000) Dollars, Sept. 1, 1932; Bonds Nos. 38 to 43 inclusive Six Thousand (\$6000) Dollars, Sept. 1, 1933; Bonds Nos. 44 to 49 inclusive Six Thousand (\$6000) Dollars, Sept. 1, 1934; Bonds Nos. 50 to 55 inclusive Six Thousand (\$6000) Dollars, Sept. 1, 1935; Bonds Nos. 56 to 62 inclusive Seven Thousand (\$7000) Dollars, Sept. 1, 1936; Bonds Nos. 63 to 69 inclusive Seven Thousand (\$7000) Dollars, Sept. 1, 1937; Bonds Nos. 70 to 76 inclusive Seven Thousand (\$7000) Dollars, Sept. 1, 1938; Bonds Nos. 77 to 83 inclusive Seven Thousand (\$7000) Dollars, Sept. 1, 1939; Bonds Nos. 84 to 90 inclusive Seven Thousand (\$7000) Dollars, Sept. 1, 1940; Bonds Nos. 91 to 96 inclusive Eight Thousand (\$8000) Dollars, Sept. 1, 1941; Bonds Nos. 97 to 104 inclusive Eight Thousand (\$8000) Dollars, Sept. 1, 1942; Bonds Nos. 105 to 114 inclusive Eight Thousand (\$8000) Dollars, Sept. 1, 1943; Bonds Nos. 115 to 122 inclusive Eight Thousand (\$8000) Dollars, Sept. 1, 1944; Bonds Nos. 123 to 130 inclusive Eight Thousand (\$8000) Dollars, Sept. 1, 1945; Bonds Nos. 131 to 139 inclusive Nine Thousand (\$9000) Dollars, Sept. 1, 1946; Bonds Nos. 140 to 148 inclusive Nine Thousand (\$9000) Dollars, Sept. 1, 1947; Bonds Nos. 149 to 157 inclusive Nine Thousand (\$9000) Dollars, Sept. 1, 1948; Bonds Nos. 158 to 166 inclusive Nine Thousand (\$9000) Dollars, Sept. 1, 1949; Bonds Nos. 167 to 175 inclusive Nine Thousand (\$9000) Dollars, Sept. 1, 1950; together with interest at the rate of six per cent per annum, payable semi-annually on the first day of March and September of each year."

() YES.
() NO.

Now therefore, notice is hereby given, that in pursuance of said resolution the aforesaid proposition of raising such sum of One Hundred Seventy-Five Thousand Dollars by loan and of issuing the bonds of the city therefor, in the manner and for the purpose as therein set forth, will be submitted to a vote of the electors of the city at the special election to be held on Tuesday the first day of November, A. D. 1921, and that at said election each elector voting on said question shall designate his vote on the ballot containing said proposition by a cross mark (x) placed in the [] opposite the word "Yes" or in the square [] opposite the word "No" as he may elect.

Notice is further hereby given that said election will be held in the several wards of the said City of Holland, at the places designated by the Common Council as follows:

A FIFTH OF PROPERTY OWNERS PAY CASH

MORE THAN \$10,000 COLLECTED ON NINTH STREET PAVING JOB

About one-fifth of the property owners along Ninth street elected to pay for the new paving in cash instead of stringing the pavements over a period of five years. For the first time since the city began to have paving done, the council decided to give the property owners a chance to pay cash, thus saving the interest charges on the money over the five year period.

Last night at the council meeting the city clerk reported that a total in principal had been received of \$10,420.51, which is approximately a fifth of the cost of the whole job. The new plan has worked out very satisfactorily and it is likely that in the future it will be followed on all paving jobs.

OTTAWA COUNTY MAN DIES OF HIS BURNS IN THE HOSPITAL

WAS FOUND LYING UNDRESSED IN BED, WHICH WAS ALL AFLAME

Ed Van Houten of Ferrysburg, known more generally as Ed Wood, died at Elizabeth Hatton Memorial Hospital, Grand Haven, late yesterday afternoon from the effects of burns, which he had suffered earlier in the day. When the man was brought to the hospital shortly after noon, he was so badly burned that little hope was held out for his recovery.

Van Houten was rescued from the flames at about noon yesterday by John Katt, who conducts a grocery store next door to the Van Houten home. Mr. Katt stated that he noticed smoke issuing from the windows of the bed room occupied by Van Houten. Believing the house to be on fire, the groceryman rushed in.

Mr. Katt found the rooms full of smoke but could not at first locate the flames. Going into the bed room he found Van Houten lying in a bed which was all on fire. In spite of the dense smoke he managed to get the sleeper out of the house. Van Houten was then unconscious, presumably from the dense smoke.

The man was sleeping in his under clothing, and this clothing was almost completely burned away about the legs. Neighbors, who assisted in the rescue realized immediately the man was in serious condition. As soon as he appeared to be reviving somewhat in the fresh air, he was rushed to the hospital where he died late yesterday afternoon.

Many rumors were afloat around Ferrysburg concerning the circumstances under which Van Houten died. However little tangible evidence could be obtained and the theory is that the bed was set on fire by a cigarette which Van Houten may have been smoking. So many stories grew out of the affair, that Under Sheriff Spangler went to Ferrysburg to make complete investigation of the affair.

He is still working on the case this afternoon, and if rumors are backed with positive evidence of any irregularities, arrests will follow at once. Van Houten is said to have lived in Ferrysburg for about two years. He was employed at Johnson Brothers shops for a time, and of late is said to have been idle much of the time at times working nights on the Ferrysburg bridge.

"COLONY STONE" MARRED BY A RELIGIOUS PAINTER

"ONLY JESUS SAVES" SLOGAN PAINTED ON HISTORIC MARKER

Some person whose sense of the eternal fitness of things seems to be rudimentary, to put it mildly, has painted in large letters on the big stone erected by the roadside on the Zeeland road which marks the spot where the first settlers sojourned three-quarters of a century ago, the legend, "Only Jesus Saves." The religious slogan is painted in such large letters that it cannot very well escape the attention of passersby and it has been observed by thousands of autoists who have been passing the spot lately. As a bit of religious advertising, the painted slogan is doubtless unusually effective as it cannot very well be overlooked, but it is extremely doubtful if it has the effect that was apparently desired. A good many persons' reaction to the painted sign on that stone which was put up as a historical memorial is probably one of resentment. It defaces the stone with its conspicuous religiosity and it is very unlikely that it is edifying in its net effect, as it was doubtless intended to be.

The same person or persons who perpetuated this sign seem to be lacking a sense of humor as well as a sense of fitness. At least it is assumed that the job was done by the owner of a automobile that came thru Holland a few days ago, the back of which was adorned in large letters by the following slogan painted in the same color of paint as the sign on the stone: "After Death the Judgment." In view of the well known propensity of flivvers to run over people and further in view of the equally well known fact that such cases usually end in police court where judgment on such manslaughter cases is passed, the slogan on the back of this car was a fit candidate for a place in "Life" or "Judge" and to some minds at least carried an irresistible humorous connotation instead of the solemn implication that was doubtless intended.

He later became postal clerk in the Holland postoffice when the late William Ver Beek was postmaster. From the postoffice he was transferred to a postal position on the old C. and W. M. R'y running between Pentwater and Holland. He held this position for 25 years.

From Holland he was transferred to Grand Rapids where he was mail clerk on the G. R. & R'y for nearly 20 years.

After 52 years of constant service without even an extended vacation aside from a day now and then, Mr. Vinke was finally pensioned by the government and retired after more than a half century of unusually faithful service.

Sweet cider by the keg or barrel. M. Van Leeuwen, East Saugatuck, R. F. D. No. 1.

Considerable anxiety has been shown by corn growers due to damage to ear corn by a worm. Some hold the idea that the worm working on the ear is the dreaded European Corn Borer but such is not the case according to Mr. Milham, county agricultural agent.

The only remedy is planting early. It will be noted that late planted corn and softer sweet corns are more subject to attacks from the insect. Fall plowing of cornfields also will destroy large number of pupae.

In an item from the Grand Haven Tribune of 20 years ago "Grand Haven, with a team composed of Dickerson, Pete Tibald and Noblett of Grand Rapids, Fairfield of Allegan, White, Kreuger and Murphy of Muskegon and Vander Veen, O'Connell and Scott of this city, defeated Holland 12 to 10." Holland must have improved in the 20 years. The county-seaters can't do it now.

A birthday surprise was held in honor of Katherine Jane Kosten at her home at 169 E. 18th st. Games were played and delightful refreshments were served. About fourteen friends were present.

LIVE LONGER BY LIVING RIGHT.

If we would live longer, we must employ the very thing that we would live longer for—Happiness. An old grouch dries up pretty fast—the faster, the better, no doubt.

Let's live in homes that make us truly contented. Let's not fool ourselves as so many have done, hunting for pleasure. If we can be happy at all it will be right where we live. Let's make our home cozy, cheery, and wholesome.

To thousands of folks just like ourselves, it means a great deal to know that
