Merchants May Have Blow-Out Next Month

DEMONSTRATION MAY BE PUT ON WHEN STREETS ARE COMPLETED

There is a possibility that there may be a demonstration on River Avenue and Eighth street when these thoroughfares are again in good shape.

The matter was brought up before the Merchants' Association, several members expressing opinion as to the advisability of having a regular blow-out, provided of course there is no delay in completing Eighth street.

The improvement on River Ave. is practically completed, the old rails have been taken out, and Contractor Olson has done a fine job in replacing the brick, making it practically a new street.

Eighth street is another matter for there are many complications, bigger mains are being laid, electric wiring is being placed in conduits, poor waterway connections are being renewed, the brick had to be taken out, the concrete base had to be bored out, the old curbing had to be sledged out, and the

ZEELAND WOMAN DIES AT NINETY YEARS

One of Zeeland's oldest, if not the oldest, pioneer settlers passed away Thursday, September 27th, when Mrs. R. Osewaarde died at her home one mile east of Zeeland at the age of ninety years, eight months and thirteen days.

The funeral services were held at the home and at the First Reformed church of Zeeland, Saturday, September 29th, Rev. J. Van Peursem officiating. Interment was made in Zeeland Cemetery.

mess had to be carted out.

Of course everything will depend upon the weather. Heavy rains mean no work, but if everything is favorable Contractor Olson believes that November 15 will see the job completed.

The matter of blow-out will be left to the executive committee to decide and this will depend largely on how the job progresses. It is doubtful if such a program would be put on if it extends into the Christmas holiday season.

It is expected that if the jubilee bands will be out, there will be a parade of some kind, possibly a sale in some of the stores, and the entire countryside will be invited.

New Highways Means Money In County Coiffers

OTTAWA BEACH TO HAVE A LARGER OVAL. POSSIBLY ANOTHER STATE PARK WILL BE LOCATED NEAR HOLLAND

Austin Harrington's Good Roads Report Brings Applause From Merchants

At the request of the Merchants' Association, Austin Harrington, chairman of the Ottawa County Road Commission, gave some idea of what Holland could expect in the way of new road improvements, and also what had been done in the way of road building in Ottawa County during the past year.

One project is assured for early next season, and that is a mile of concrete from the fairgrounds east by the cemetery property beyond the airport. This will mean an excellent road also to the new cemetery property that the Common Council has just purchased.

Mr. Harrington stated that it is more than likely that M-21 passing through Zeeland will be diverted at the brick yard, following the old Holland interurban road bed straight to this city entering Holland on Fairbanks Ave., near Yonkers Creek.

The plans are to build this highway south connecting up with 16th or 17th streets, thus diverting all the heavy truck traffic, preventing it from coming over Eighth street. Tourists with light cars avoid the truck roads as much as possible and naturally would come through the city.

Mr. Harrington pointed out that the highway between Allegan and Holland was now supervised by the state and that there would be a concrete road connecting the two cities before two years are up, which would mean another truck line for this city and a mile of maintenance paid by the state in this city.

Mr. Harrington stated further that the new trunk line going east of Saugatuck through Fillmore and Laketown, entering Holland at First Avenue, surely had not been abandoned, as some would think. There has been tremendous opposition in Saugatuck because this trunk line would not go direct to that city, but the plans now are to take the kinks out of the highway entering into Saugatuck, for which many public spirited citizens of that village have donated the land.

But just the same the project of continuing the other trunk line east of Saugatuck straight to Holland will be a fact within a few years, Mr. Harrington contends.

Mr. Harrington believes that a few people in Saugatuck are shortsighted claiming they are benefited by the heavy through traffic and tremendous tandem trucking.

Statistics show that resorters who go out for pleasure avoid these highways whenever they can, and these are the money spenders and not the truck drivers who simply hasten through and wear out roads. Tourists negotiate highways and by-ways for pleasure, if these are good, and Saugatuck would be benefitted rather than injured.

This trunk line, however, would benefit Holland for it would mean another hard surface road into the city through a fertile stretch of farming country and this road would cost us not a penny. Since this road is taken over by the state, this would also mean another mile of trunk line maintenance within the city of Holland.

Relative to the Tennessee Road extending from Ottawa Beach north, this too is being taken up under the Covert Act and the names of a large proportion of property owners benefited by this road have been secured. This new road will connect up with a road 200 feet wide extending to Lake Michigan given by George Getz of Lakewood Farm, in exchange for the 66-foot road at the end of the Alpena highway.

Mr. Harrington states that Mr. Getz is to pay for the concrete and that Park township and Ottawa county receive by far the best end of the bargain for it will receive practically the width of three roads for one, allowing parking space for hundreds of cars and at the Lake Michigan end of the road is a beautiful grove that can be used for picnic parties.

Mr. Harrington also hinted that Mr. Getz might have 500 feet more on Lake Michigan right near that spot that could be turned into a public park. Mr. Harrington stated that the more public parks Holland has in its vicinity, the better it will be for the city.

He says that Michigan folks and tourists who come here by automobile are recreation hungry. They want to get to and in Lake Michigan. No sooner is a state park opened and there is a jam.

Ottawa Beach was as dead as a door-nail until the new scenic highway through Waukazoo to the oval was completed. Mr. Harrington stated that they find now after a single season that the oval isn't near large enough and plans are now on foot to have it enlarged.

It has been a breathing spot, not only to Holland, but to the entire countryside and large automobile parties have been coming from Grand Rapids and intermediate points, for their evening dips, returning the same night.

Mr. Harrington has also stated that a great many have asked him who paid for the new highway extending west from Agnew to Lake Michigan near Grand Haven, which is to be a beautiful scenic drive through the hills. People seem to think that the county paid for this but the facts are that Ottawa county pays only 5 per cent and the property owners pay 80 per cent and the state the balance. Mr. Harrington stated that this 5 per

Did Al Smith's Ears Burn At Noon Wednesday

EXCHANGE CLUB HAD UNIQUE WAY OF CHOOSING SPEAKER'S SUBJECT

PRESIDENT OF HILLSDALE COLLEGE RIPS UP SMITH'S ARGUMENTS ON LIQUOR QUESTION

During the noon luncheon at the Exchange Club the members and a score of invited guests were privileged to hear a speaker of note, in the person of Dr. W. B. Spencer, president of Hillsdale College.

He came with three messages up his sleeve, the first was "Education," the second "Modern Youth" and the third "An Analysis of Governor Al Smith's Liquor Policy."

Since the Exchange Club is non-political it was up to the members to choose which subject they wished to hear expounded. Former mayor, Abe Stephan, a personal friend of the speaker, who properly introduced him, put the matter to a vote and in unison the call was for subject three, defining candidate Smith's liquor policy, and they sure heard an arraignment such as they have never heard before and possibly will not again during this campaign.

Dr. Spencer said in part as follows:

"I like to speak on education for I have spent most of my life in this world and believe I know something about this subject."

"I also am familiar with modern youth for my every day work is among the young folks. But you have chosen subject three, an analysis of Smith's liquor policy."

"You seem unanimous on that and I do not know whether it is because you are wet or whether you are dry. (laughter)"

"Contrary to the opinion of some, I believe that the liquor question is the paramount issue, and that persons more than platforms are vital matters to take into consideration."

"This is best demonstrated when candidate Smith repudiated the Democratic platform on the liquor question, substituting his own. He was nominated, not before."

"He appoints as his chief lieutenant John Raskob, a pronounced wet. This leads me to believe that persons rather than platforms are to be given the greatest consideration."

"To my way of thinking the prohibition question overshadows all other issues in this campaign. Mr. Smith claims that the liquor law is not being enforced, that it is not possible to enforce it. I wish to take issue with Mr. Smith on this statement."

"In the pre-Volstead days I lived in a comparatively small town that could boast eighty saloons. There were practically no closing hours. The latch string to the back door was always open, even though the blinds in front were drawn. There was no respect for the sabbath day to keep it holy. The wise ones were served."

"Mr. Smith speaks of bootlegging as a modern term. I know that bootlegging existed even in the saloon days and filled the gap when saloons were closed for a few hours. There were thousands of speak-easies in Detroit and other large cities."

"Mr. Smith claims that the non-enforcement of the liquor law brings about disrespect for other laws. He does not dwell on other laws that are broken. Disregard for the traffic law and the red light kills 25,000 people in the United States in one year and makes thousands of others. Mr. Smith does not dwell on that fact—it does not suit his purpose."

"There is a Sunday law prohibiting the opening of theaters the playing of baseball and kindred amusements which is especially violated most flagrantly in the state where Al Smith is governor. In fact, there is not even an attempt to enforce it."

"Mr. Smith does not mention disrespect for law in this respect. But applies it only to his pet issue, the liquor law, since it suits his purpose. He has little concern when it comes to the others."

"It is often mentioned that youths get more liquor than usual. I wish to contradict that contention for I know first-hand what is going on among the children, and I want to say that there are many adults drinking as there are young folks. When you see an intoxicated youngster you often find the example in the home of the parent who asks leniency for the boy or girl 'for they always have liquor in the house.'"

"Mr. Smith contends that the moral fibre of youth has been broken down because of liquor sold that can't be cured. He fails to point out that loose and inferior movies, the automobile, the style of dress or rather the lack of it, can be blamed at least in part for loose morals which I am prone to believe are not as serious as pictured in his pet liquor arguments."

"I lived in an Ohio town once, when on Independence Day the drunks were layed in a row behind the livery barns. If the Fourth of July crowd was big there were two and possibly three rows. There is no such drunken condition now in that city which has grown much larger. In fact holidays or regular days, there is no drunkenness to speak of."

"I have visited many places from coast to coast and have studied this question first-hand. I say there is less drinking by all odds today than with the open saloons. Just let your minds go back ten years ago right in Holland and ask yourselves that question."

"Mr. Smith speaks of personal liberty in one breath and deprecates the violation of law in another. What else is the violation of law doing but taking personal liberties?"

OTTAWA COUNTY GETS \$10,772 LICENSE MONEY

Counties of the state will receive \$1,306,726 as their share of the automobile license tax for the quarter ending Sept. 30, according to a report completed by Frank Fitzgerald, business manager. The quarter is one of the lightest of the year. Many motorists confronted with the necessity of purchasing plates wait until after Sept. 1, when half rates go into effect. Ottawa's share that will arrive in a few days is \$10,772.

Church Could Not Hold S. S. Delegates

GEORGE SCHULING OF HOLLAND IS AGAIN NAMED PRESIDENT

At Least 200 from Holland Go to Forest Grove

The Ottawa County Sunday School convention at Forest Grove was an unusual success, with 325 delegates registering. At the evening session there were nearly a thousand packed in the church edifice used for that purpose and at least 200 were turned away, since there was not even standing room left. More than 200 from Holland motored to Forest Grove and there were some who were turned away, with the others.

Dinner and supper was served to 600 during the day. The program as it was given in full in last week's issue of the News was practically carried out to the letter. Resolutions were drawn up eulogizing Mr. A. LaHuis, who met death in a terrible accident with Mrs. LaHuis. Mr. LaHuis spent many years of his life in active Sunday school work not only in the county, but also in the state.

George Schuling of Holland was again named president by a unanimous vote and Anthony Nienhuis, also of this city, was re-elected secretary and treasurer. J. C. Lehman of Grand Haven was made first vice-president and E. J. Walbrink of Coopersville, second vice-president.

Other nominations were as follows: Home Dept. and Cradle Roll, Miss Helene De Maagd, Coopersville; Children's Division, Mrs. E. Walvoord, Holland; superintendent of young people's division, Prof. E. Lubbers, Holland; assistant superintendent, Mrs. A. Koelman, Zeeland; adult division, Rev. H. Dykhouse, Eastmanville; educational, Prof. E. Winter, Holland; administration, Mr. D. Damstra, Holland; missionary, Miss H. Warnhuis, Holland; and music, Mr. J. Vanderluis, Holland.

The executive committee will designate the place for the county convention next year at their meeting held in November, following the state Sunday School convention. They will also appoint the district superintendents at that time.

Secretary Nienhuis in his report gave some interesting details as to this relates to Sunday Schools. He stated that 15 Sunday Schools were added in the county this year and the total number now is 90. The number of teachers is 1390 and the total enrollment is 15,788, average attendance is 12,725. Here is a fine record when it can be said that approximately 78.80 per cent of the county's population find their way into some Sunday School. Ottawa County has 66 week day Bible schools with an enrollment of 7,818. Holland and vicinity have 33 schools, 627 teachers and officers, 7,668 pupils and an average attendance of 5,902. Zeeland and vicinity has 10 schools, 187 teachers and officers, 2,293 scholars, and an average attendance of 2,058.

He wet to have their drinks and he wants to dry out states that want to be dry. How about the personal liberty of those that want to drink in a dry state?

"He wants states to vote their own liquor laws. If this is constitutional, then why not counties, townships, cities and wards? The same relationship holds true one to the other but with such a condition prevailing, how could liquor ever be cured?"

"This method has been tried again and again, and found to be a dismal failure."

"We suppose for instance that Ohio, Indiana and Illinois would vote wet and Michigan would vote dry. Then with the dripping Canadian border to the north, what a chance for the bootlegger. The liquor law would be difficult to enforce in Michigan and the price would be appalling."

"He speaks of government control and going away with the saloon, thru government dispensaries and so on but whoever heard of a man taking a drink of ginger ale away from the drug store to enjoy it, or an ice cream soda? No, gentlemen, it is simply an entering wedge to bring back the corner saloon."

"It will not solve the saloon question. The saloon will not be a dead thing, but will rear its head again. They talk about respectable saloons and respectable government stores—who would run these stores? Christian men? Never! Men of clean morals? No, sir! These places would be conducted by men of easy morals, men of low mentality, men of questionable integrity."

"Gentlemen, fools we would be, beyond expression if we went back to the old condition."

"I want to say that I have children. I want to save those children from the liquor evil that has brought nothing but degradation for centuries back. And I am here to say that I am not selling the birthright of my loved ones for a mess of pottage."

Wm. J. Olive, president of the Exchange Club, opened the meet-

Holland Is Interested In Poultry

IF SOME ARE NOT, THEY SURELY SHOULD BE

Ottawa County's Poultry Show at Holland, October 10-13.

Twenty-five years ago Ottawa County was no more a poultry center than was any other community in Michigan. A few scrub hens on the farm, some scraggly pullets in the city to eat the family scrap, hens as "old as the hills" too tough to be eaten, and so on, that was all that this locality could boast of.

A quarter of a century ago such organizations as the Holland Poultry Association and a similar body in Zeeland, through publicity and personal work, started a poultry raising campaign of education.

It is doubtful whether Holland fully realizes the gigantic proportions this poultry industry has grown into. It is so scattered, and that may be one of the reasons. But the investment in Holland and Zeeland alone will mount into the millions, and the number employed more than a thousand, and the amount of business distributed for other needs to different lines of trade is tremendous.

Holland should get back to Ottawa County's greatest poultry show, that is to open at the fair grounds here next week, October 10-13. It will be the largest poultry exhibit and that of other pet stock, including rabbits, pigeons, etc., that has ever been put on in Michigan.

Encourage these men by patronizing it, urge others to go. You'd never stop talking to boost along a new factory or any other enterprise but this is even a larger industry than any we have here, and it is diversified, bringing business to the city folks as well as money to the farmers.

In the premium list just issued which is replete with poultry information, the reason for this combined exhibition is given. Amalgamated in this union are the Holland, Zeeland and Grand Haven associations.

The program is printed elsewhere in this issue and the fore word as set forth by the officers of this association follows:

Ottawa County's Greater Poultry Association is the result of a combine of the three poultry associations of Ottawa County. Each Association in the county has known for a number of years that it could not do justice to the exhibitional part of the poultry industry, and has, therefore, like a number of larger corporations in America, formed a combine of all the poultry associations in Ottawa County.

Ottawa County's Greater Poultry Association is a business organization. No place has been left open for "petty" affairs nor for "hobbies" which are not directly beneficial to the poultry industry of Ottawa County and the entire United States.

The officers and directors of this association are men who are managers and owners of corporations and privately owned poultry institutions, ranging in their assessed values from \$100,000.00 down to the smaller city lot fancier. This assures equal consideration for every one in the poultry business, regardless whether they are engaged in it for profit or pastime.

Ottawa County's Greater Poultry Association is not in existence to fill the crave for some "hobby." The cost of staging some "hobby" exhibition has mounted to such an extent that it is no longer permissible. Therefore it has risen into the Business Class, and each show or Festival must be conducted purely along business lines.

Each exhibitor will find the above named facts carried out completely and, therefore, we recommend this show-festival to the Poultry World and to our many Poultry friends. We know that you will be well pleased and anxious to come again next year.

10,000 ATTEND FEDERAL BAKERY OPENING

The opening to the public of the Federal Baking Company on West 17th street was an unusual success. During the three days nearly 10,000 folks passed through the building.

On Holland Day there were more than 4000, on Zeeland day better than 3000 came and today more than 2500 came from the countryside to see the new plant.

The officials of the company are Merrick Hanchett, secretary and manager; Dick Miles, president; B. Trimpe, vice president; Henry P. Kleis, treasurer, and John Welting of Zeeland. They were presenting the guests, showed them how fancy pastry and fine bread was baked under the most cleanly and most approved sanitary conditions.

A bag of fresh steaming doughnuts was given each of the guests. It appeared that the ladies were especially interested for they came in large numbers.

Thoughtful friends also filled the place with beautiful bouquets and baskets of flowers, incident to the opening.

Mr. Hanchett states that even though the opening days are over the latch string is always hanging out, and the public is invited to come at any time, in fact it is a standing invitation.

AMERICA'S CROSS OF FIRE

A fire prevention artist aptly pictured a great cross amid a sea of flames. Upon the cross he lettered the word CARELESSNESS and called the completed sketch "America's Great Cross." There is a fire every minute of every day somewhere throughout the length and breadth of our land.

If, from above, we could photograph simultaneously all the fires that rage in the course of a year, America would indeed appear as a sea of flames. Two companion crosses, however, should be reared alongside the first one and be labeled False Economy in Building Construction and False Economy in Fire Protection. These factors, with carelessness, are largely responsible for our shameful annual fire loss which amounted to nearly \$500,000,000 in 1927.

The organizations that are endeavoring to "lift America's great cross from her shoulders" advocate an all-year fire prevention campaign, but special efforts are put forth during Fire Prevention Week, which this year falls on October 7th to 13th. An intensive program at that time aims to center public interest upon the things people should practice all year to make America safer against fire.

BEAGLE CLUB TO HOLD ANNUAL FIELD TRIALS AT ALLEGAN OCT. 8-13

The Ninth annual field trials and specialty show of the Wolverine Beagle club will be held here Oct. 8 to 13. This is the sixth year Allegan has had the event. There will be a two couple pack stake Sunday. The specialty show will be held in one of the buildings of the fair grounds and the kennels will be at the fair grounds also.

It is expected that between 200 and 300 dogs will be entered. Entries may be made up to the time of drawing.

BOYS AND GIRLS ORGANIZE FOR WINTER WORK

Now is the time for schools and communities to organize for winter club work. For boys winter work in handicraft, making useful things from wood with carpenter tools. Requirements are that members be between 10-20 years of age; must make a bench book and any five of the thirty-four articles listed in first year work; keep an accurate record of costs; write a story of the work and make an exhibit at some fair. Local clubs must consist of at least 5 members and have a local leader in charge. Anyone interested should write the agricultural agent, C. P. Milham at Grand Haven.

HOLLAND MERCHANTS WILL NOT TOUCH NATURAL GAS

A request was made that the merchants at their meeting Tuesday give an expression to piping up with the natural gas fields at Muskegon.

The merchants present did not seem very enthusiastic, in fact they tabled the matter immediately. Merchants seemed to feel that the gas supply at Muskegon was an unknown quantity and was not at all assured that the supply would last, and Holland would find itself without gas.

They believed that the Holland Gas Co. was entitled to a fair shake and they seemed fed up on broken streets which the piping of this gas might require.

Bass Fingerlings Replanted in Lake

HOLLAND SPORTSMEN REAP FRUIT OF SEINING OPERATIONS

Reaping the first fruits of its carp seining work in Black Lake last winter, the Holland Game and Fish Protective Association has just planted 40,000 large mouth black bass fingerlings in Black Lake and River.

The fingerlings were reared in the association's artificial pond on the Zealand road near New Groningen, and are a healthy lot.

The club is now building a new pond directly south of the first one and in full view from the Highway. It will be used to rear thousands of blue gills. The new pond is 300 by 350 feet.

The seining took place Wednesday under the supervision of state men, headed by Henry Schuil, of Grand Rapids, and men from the Holland Game Fish Protective Assn. in the persons of Joe Rhea, the president, Jake Lievesse, secretary, Peter Lievesse, Geo. Bender and others.

FROST NIPS GRAPE VINES BUT CROP IS UNHARMED

A damaging frost nipped corn, pumpkins and "burned" the leaves of grapes, says County Farm Agent Milham. The big grape crop around Spring Lake was not harmed, however. Farmers in this section expect a 90 per cent yield. Early pickings have been made, but the bulk of the crop will not come in for a week.

The Holland sea scouts have just installed a second power boat, 36 feet long to their equipment. The boat is a gift of the Herpolsheimer company of Grand Rapids and a new 25-horsepower motor has been installed by the officers.

Mrs. Dirk Dykstra and Miss Nettie R. De Jong have been honored with life memberships of the board of foreign missions in the Reformed Church in America by the Woman's Missionary society of First Reformed church of Holland, of which both are honorary members. Miss De Jong, who is a daughter of Rev. and Mrs. J. P. De Jong of this city, recently returned from China, where she served as a missionary of the Presbyterian denomination for many years. She was forced to flee from her station last year because of hostilities and she came here on special furlough. Mrs. Dirk Dykstra left Holland last month for Arabia, where she and her husband have served the Reformed Church in America for 22 years. She is supported by the local church, of which her father was one of the pioneer members and officers.

TWO MORE GIFTS FOR HOPE ORGAN ANNOUNCED

Announcement of two more gifts to Hope's new memorial chapel was made today by college officials.

Dick E. Vanderveen of Holland and California has promised to install an antiphonal organ in the chapel balcony and Edward Freyling of Grand Rapids has offered to install a harp and celesta. These additions to the main organ complete an ensemble of nearly 4,000 pipes. Dr. Nykerk feels elated over the completeness of the music facilities to be available in the new chapel when it is completed. Arendshorst, father and sons, donated the new \$25,000 Skinner pipe organ, the best in Michigan. It will be remembered. Not only do these donors of the echo antiphonal and of the harp and celesta pay for these units, but also promise \$900 together for the up-keep of the parts.

This divided organ, consisting of a pedal organ, great organ, swell organ, choir organ, solo organ, and echo antiphonal organ will be connected with a four-manual console by electric power and action. The echo organ will be placed in the 2nd story of the S. W. tower.

Add to this musical installment the McLean chimes to be placed in the top-most story of the Magdalen tower, and you have as fine an equipment as can be found in any college or university.

LOSES TEETH LIBERTY AND HIS MACHINE

Drunken Driver Cracks Ribs in Bargain and is Assessed a Fine

Edwin Wood, 37 years old, had a serious accident Saturday night when he drove straight into a telephone pole in front of the residence of Clifford Pfaff just south of Spring Lake, ruining his sedan and injuring himself seriously.

Mr. Pfaff, disturbed by the crash, called the Ottawa county sheriff's office and officers immediately took charge of the man bringing him to Hatton Hospital, Grand Haven, where it was found he had lost six lower teeth and fractured two ribs.

The man had been drinking and Monday morning was arraigned on a charge of intoxication. He was fined \$100 and costs of \$12.85 which included an \$8 hospital bill. He was also sentenced to the county jail for 30 days. Liquor was found at the side of the car and the condition of the man told the story of the wreck. Wood is married and has three little children.

Little Bobby Carsell, three years old, 1888 Wood street, Muskegon, was knocked to the pavement on US-16 by Paul Barry driving toward Grand Haven, about three miles north of Ferrysburg. When picked up it was found his leg was fractured.

The child was crossing the pavement with his hand in his mother's when he suddenly darted into the path of the machine. He was rushed to the office of a local doctor.

Two cars collided on US-16 when a man by the name of Brown and another car filled with Grand Rapids people, whose names were not learned, struck. The wheel on one car and the windshield on the other were damaged. None of the occupants were injured.

A raid was made by the State Police, on E. Kloriter, a farmer in Muskegon Township, where two stills, four barrels of mash and two gallons of moon were taken. He was arraigned in Muskegon County and bound over to Circuit Court on bonds of \$1,000.

VOSS-DYKSTRA WEDDING TUESDAY

Miss Katherine Vos, daughter of Mr. I. Vos, 151 West 13th street, and Jack Dykstra, son of Mr. and Mrs. M. Dykstra of Pine Creek, were married by Rev. Hessel Bouma Tuesday evening before a background of palms and ferns.

The bride looked charming in a gown of white satin with a veil of tulle held in place by a wreath of orange blossoms and carrying a shower bouquet of bridal roses and swansonia. Her only attendant, Miss Margaret Vos, wore a costume of pale yellow crepe. Samuel Dykstra attended the groom.

Immediately preceding the ceremony, Mr. John H. Kole sang "Beloved, It is Morn" and "I Love You Truly," and Miss Hazel Lokker played the wedding march and incidental numbers during the service.

Six cousins of the bride served at the wedding dinner for the 75 guests present.

The newlyweds are now on a honeymoon trip to Washington, D. C., and upon their return will reside at 131 West 19th street.

FRUIT GROWERS EXPECT LIGHT YIELD OF APPLES

While the crop of peaches and pears this season is one of the best in recent years, indications are the yield of winter apples will

be light. Fruit growers blame the protracted cold weather in the first months of the year. The crop of early apples also is small as compared with average years. Heavy shipments of peaches and pears are being made from the fruit belt and the supply continues to exceed the demand. Home canners have put in store more peaches than for several years. The fruit is exceptional in quality.

Manuel P. Huyser and Eugene L. Huyser of South Lincoln avenue have returned home from an extended trip through the southern states, Mexico and Central America. This trip included a thirty-day trip in a row boat from Council Bluffs, Iowa to New Orleans, La.

OLD SOLDIER, YEARS AGO, WAS A HOLLAND GROCER

Peter DeVries, 35 East 9th St., a veteran of the Civil War and member of the A. C. Van Raalte Post, G. A. R., was pleasantly surprised on his eighty-fifth birthday by members of the Woman's Relief Corps who visited him and presented him with a large basket of flowers. Mr. DeVries is one of three, the only soldiers living belonging to this post. He, in the early days, was a local grocer in partnership with his brother, the late Peter DeVries. Their store was where the Bishop and Raffan and Shops are now located on River Ave. and 9th St. This was in the old peddle wagon days. Later he became associated with the G. Van Putten Grocery.

Long Distance Rates Are Surprisingly Low
For Instance:

for \$1.55

or less, between 4:30 a. m. and 7:00 p. m.,

You can call the following points and talk for THREE MINUTES for the rates shown. Rates to other points are proportionately low.

From Holland to:

Station-to-Station	Day Rate
Akron, Ohio	\$1.45
Bloomington, Ind.	1.40
Cincinnati, Ohio	1.45
Cleveland, Ohio	1.40
Columbus, Ohio	1.40
Rock Island, Ill.	1.40
Sault Ste. Marie, Mich.	1.45
Wapello, Iowa	1.55
Ashtabula, Ill.	1.55
Charleston, Ill.	1.40

The rates quoted are Station-to-Station Day rates, effective 4:30 a. m. to 7:00 p. m. Evening Station-to-Station rates are effective 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

A Station-to-Station call is one made to a certain telephone number rather than to some person in particular. If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone.

A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator

The main speaker Friday night will be President Shaw of Michigan State College.

ZEELAND

A speedy technical backfield that recognizes no obstacles in the way of its frequent advances on the Zealand goal, left the Ottawa county boys a crestfallen and disillusioned lot with little to console them in the story of their 25 to 0 defeat at Zealand Saturday. The Grand Rapids aggregation's colors are hoisted out a little higher in the esteem of Western Michigan football fans as the result of its strong triumph over a team that was rated highly and Zealand it must be said has a good team, but it appears a little off color Saturday.

NEW HOLLAND

There was a heavy frost here Sunday morning. Mrs. B. Vinkenmulder left for New Mexico where she will do missionary work among the Indian children.

Herman Plaggemars, son of Mr. and Mrs. Geo. Plaggemars, was wed to Miss Margaret Weener daughter of Mr. and Mrs. Kas Weener. The marriage took place Thursday afternoon, Rev. A. Maatman officiating. The happy couple will soon occupy their new home in this vicinity.

VIRGINIA PARK

It is almost time Taylor, the "hamburg king" began to get his fish shanties in shape for ice fishing.

B. Rosendahl and family are now members of this community, having moved from Holland in their new home.

Leaves are just beginning to turn rather late this season.

The heavy frost of Sunday did little damage to crops in this vicinity.

Week-end resorters still come to the Holland resorts in large numbers.

The first fall meeting of the Virginia park community club was held Friday evening at the new school house with a good attendance present. The temporary president, Howard Brumbaugh, presided at the meeting. Exercises were given by the children and community singing enjoyed. A business meeting will be held next month at which time plans will be made for the programs of the coming year.

HAMILTON

Mrs. E. Brunson, president of the Allegan County council of Religious Education was in Hamilton last Sunday to address the Sunday schools of the local churches. She described the work being done in the county in relation to the work by the state organization and made a strong appeal for support of the work.

Ben Tanis and family spent the week end visiting relatives in Battle Creek.

Little Eunice Potter escaped serious injuries when struck by a car last Friday evening. It seems that she had been playing with children across and ran across the street. While crossing the street she ran directly in front of a car driven by Donald Dangremond. Quick work on the part of Donald, however, saved her.

Mr. La Barge is very seriously ill at his home.

GIBSON

Traces of oil have been discovered in several sections on the farms of Harrison Hopeman, Ray Flanner and Benjamin Wolters near Gibson. The oil has seeped through the ground to the surface and has killed all vegetation in those sections. A Kalamazoo firm has leased 1,000 acres of land and drilling operations may be started if the farmers will help meet the expense.

Gibson is in the middle of its fruit season. Apple crop is not so good, the peach crop is much better than usual with prices not so high.

There was a heavy white frost here Sunday morning, but the season is far advanced to do much damage to crops.

The officers and executive committee of Gibson Parent-Teachers' Association met at the home of Mr. and Mrs. Charles Robinson. Mr. Robinson will retire as president, and Mrs. Ruth Boyce will take up the duties of President for the coming year. The good of the Association was discussed and later refreshments were served. The Gibson Parent Teachers' Association will hold the first meeting of the year this Friday evening at the school house.

Other speakers included Ed J. Anderson of Plainfield, Fred Wade of Saugatuck and Postmaster Charles Bassett of Fennville.

The Fennville Fruit exchange already this season has packed and shipped more fruit than in the entire year of 1927. This record breaking volume is due principally to the large crop of peaches in this section. One grower, George Duval, harvested 6,000 bushels of Elbertas. Several other orchards produced more than 3,000 bushels. Pear shipments are running ahead of last season, the exchange having billed out 60 carloads. The end of the crabapple pack is in sight. Prospects are for a light crop of fall and winter apples. There will be an acute shortage of Northern Spies and Kings, growers declare, but this is partly offset by a good crop of Baldwins. The quality, it is believed, will be better than in several years.

Rev. Winfield Burggraaf, who recently returned from Europe, spent the week-end at Zeeland at the home of Mr. and Mrs. John H. Bosch of East Central Ave. He will leave for Milwaukee the latter part of this month, where he has accepted a call from the Reformed church to become its pastor.—Zeeland Record.

Girls' Glee Club Elects Members

GLADYS HUIZENGA IS NEW PRESIDENT

Under Mrs. Fenton's guiding hand, the Women's Glee Club is starting on their new year's work, and it promises to be a red letter year in the history of the Club. They began activities by electing officers:

President—Gladys Huizenga.
Vice-Pres.—Myra Ten Cate.
Secretary—Suzanne Schoep.
Treasurer and Business Manager—Hazel Palmer.

After the election of these officers the following new members were voted in, increasing the membership to a total of 21:

Wilhelmina Walvoord, Ruth Bolhuis, Evelyn Albers, Margaret Otte, Migo Vase, Anne Heyboer, Loretta Schulling, K. De Hagen, Gertrude Rudd, Ruth Hoppers, Hilda Aiken.

There are many projects in view which, if undertaken, will make a busy year for the girls, and if successful, will bring much honor to Hope. Probably the first time we shall have an opportunity to hear them—officially—will be soon after Christmas when they expect to give a concert.

The big event, of course, is the envied and enviable trip East that is being planned for the early Spring. This is the goal which the girls have set for themselves and, judging by the way they are going after it, they'll reach it. A scholastic average of 85 must be maintained by everyone so that no one is indifferent to school work is allowed to slip.

During the month of May there will be a State Contest at Lansing in which our girls are going to enter. We wish them our heartiest good luck and co-operation as they get under way for this year's work.

The Men's Glee Club has not as yet been re-organized for this year's work. Watch the Anchor for the data on them next week.

LOCAL MEN HEAD NEW CORPORATION

A corporation has been organized in Holland, capitalized with \$150,000 under the firm name of the Karr Company, with general office in the city of Holland.

The Karr's have for sometime manufactured a bed spring of their own invention that is finding a tremendous sale in hotels and hospitals. A national campaign of advertising has been started.

The product up to this time has been manufactured in different cities of the United States, east and west, thus saving heavy freight charges and selling directly in centers where there are big demands.

The board of directors of the company is composed of G. J. Diekmann, Henry Winter, Dr. J. B. Nykerk, Gerrit Geerds, and Charles D. Karr. The officers are: Charles D. Karr, president and treasurer; Henry Winter, vice president; Gerrit Geerds, secretary.

YOUNG COUPLE WED AT BORCULO

Two marriages the same week in one family. That was the surprise sprung on Mr. and Mrs. John A. Bosch of Borculo when their son, John A. Bosch, on Friday night was united in marriage with Miss Gertrude Vereke of Beaverdam. The young couple quietly went to Borculo where Rev. K. W. Fortuin performed the ceremony at the parsonage, and declared them husband and wife. Mrs. Bosch is a daughter of Mr. and Mrs. David Vereke. The young couple will make their home in Beaverdam.

HOLLAND FISH AND GAME CLUB INCORPORATE

The Holland Game and Fish Protective Association voted to incorporate the club with the state as a non-profitable organization at their Tuesday night meeting. Joseph Rhea, president, said this change was made due to advice from Thomas N. Robinson, attorney for the club. It was deemed advisable as they own property valued at \$8,000.

The motion read by Peter Dulyea showed that officers were allowed to act for the club in the matter of incorporation and the changing of the official name, the proposed name being the Holland Fish and Game Club.

Henry W. Ten Broek of Grand Rapids, former president of West Michigan Game and Fish Protective association gave an address on "Sportsmanship."

HOLLAND GOES OVER THE TOP FOR FLOOD SUFFERERS

As has been predicted, Holland would not fail in its duty to aid the flood sufferers in the south. The city and vicinity, including Zeeland and other outlying places have gone way over the quota and a total of \$1359.00 has been subscribed. A few stragglers are still making deposits.

Mrs. G. J. Van Duren, head of the Red Cross Chapter here, is receiving much old clothing, and this is being shipped as fast as it comes in.

At Grand Haven a total of \$861.20 has been subscribed for North Ottawa.

The U. S. Army Band at the Capitol

MUCH ACTIVITY TO PUT OVER ARMY BAND

There was much enthusiasm at the American Legion meeting Wednesday night to put over the U. S. Army Band Concert to be given at Carnegie Hall, Tuesday, October 16th.

Jack Knol, chairman of the band committee reports that much advertising matter has been distributed and indications are for a full house on that night.

He notices the folks are still referring to the U. S. Navy Band concert of last year as the best they have ever heard. The Army Band is still larger.

Former Commander, Al Joldersma, who is in charge of the tickets appointed four teams, captained by legionnaires. Dr. Wm. Weststrate, Harry Kramer, Ben Lievens and E. O. Holingvain. The captains were furnished with tickets, have picked their teams and the scrap for the most sales is on.

Members of the Chamber of Commerce ticket committee were also present and supplied with tickets.

Members of Willard G. Leenhouts Post feel that in bringing the U. S. Army Band to Holland, they are putting over one of the

biggest musical feats that Holland has ever known.

The city has much musical talent and appreciates nothing but the best, and they will be privileged to hear just that.

In government competition the Army Band won over both the Navy and Marine Bands, and are considered to be the leading band of the country today.

Tickets may be purchased at the J. J. Rutgers Clothing store, and reservations will also be handled by them.

FOUR TYPES OF MEN

Prof. Egbert Winter of Hope college spoke to the members of the Willard Leenhouts post Wednesday evening, telling them of four types of men. He stated that one type was of little good to the community, in fact they obstructed progress. Another type were easily led, harmless in themselves but easily influenced by leaders who were unscrupulous and these two factors were largely responsible for the crime wave. The fourth type is the one who does something for the community, for the state and for the nation. These men were builders and the backbone of the country. He said he believed that the American Legion boys were made of that kind of material.

OTTAWA INCREASES SNOW REMOVAL EQUIPMENT

The Ottawa county road commission has authorized the purchase of \$6,000 worth of snow removal equipment to facilitate the already efficient service on the county and state roads maintained for the past two years. A 10-ton tractor and a carload of snow fence were among the items.

The Christian Reformed Sunday School association of the middle west, that held a meeting in Fremont last Thursday, decided to discontinue its relations with the Michigan Council of Religious Education. TWO OLD LADIES OVER 80 YEARS BREAK LEGS

Mrs. Sarah Clark, aged 83, of Casco township, Allegan county, was brought to the home of her daughter, Mrs. L. D. Clark, Sunday evening suffering with a broken leg. The aged woman slipped on a tomato skin on her kitchen floor while alone in her home about nine o'clock Sunday morning. It was one o'clock before she was found. She is slowly improving. Mrs. Clark is one of five sisters, the youngest of whom is 75 years old. They are Mrs. Laura Ketchum of Holland, 75; Mrs. Lucy Earl of Carp Lake, 81; Mrs. Elvira Hall of Pullman, 86; Mrs. Mary Gile of Cheshire, 88.

An accident almost similar occurred at Nunica, Ottawa county, when Mrs. Hagon, 85 years of age, fell and broke her hip while visiting at the home of her son, George Hagon, in Muskegon. She is in Hackley Hospital in a very serious condition with not much hopes for her recovery. On the same day her grandson, Russell Moore, fell from his wheel and broke his arm above the elbow.

THIEVES KILL JAMESTOWN CATTLE IN WOODS

John Buwaldo who runs a meat market and does string butchering in Jamestown, sold a fat heifer to a customer who knew just the condition of the heifer a few days ago. Buwaldo and his customer went down to the woods pasture where the heifer was supposed to be feeding and found that some person had caught the animal, tied her to a tree and killed her. The thief had taken all but the head, skin and lower legs. It was a job indicating the perpetrator was a skilled butcher.

Buwaldo believes he knows who did the job and hopes to mail the thief with evidence. In the meantime the rest of his fat cattle are being carefully watched by a man with a shotgun.

HOLLAND MERCHANT PRODUCES COXCOMB WITH 15-INCH BLOOM

William Venhuizen of the Huizenga Coal company of River avenue has on display the largest coxcomb ever grown in this vicinity. The plant is of the bushy variety, about two feet high, the leaves starting with the smallest on top and gradually becoming larger toward the bottom. The flower on the plant is dark red in color and measures 15 inches long and about 3 or 4 inches across.

Venhuizen raised the plant from ordinary seed along the highway past his home in Holland township. He also takes pride in a large bed of various flowers.

SEVERE CASES MADE Easy by the X-Ray

WHEN a severe case is brought to me, a case that without the X-Ray would seem hopeless, I have found it possible to get good results after making an X-Ray plate. The X-Ray plate photographs the unseen condition accurately, and when the abnormal position of spinal bones is known, it is comparatively easy to make the proper adjustments.

Usually after an X-Ray has been taken, there is a rapid change for the better in evidence. All the organs of the body are dependent for health and nerve tone upon the spinal condition and that is the reason why chiropractic spinal adjustments are correcting diseases of the eyes, ears, throat, lungs, stomach, liver, heart, kidneys, bowels and lower organs.

It's Either Success or Failure

A successful financial career invariably begins with a savings account early in life. Start to teach your children the lesson of thrift even in their school days. Teach them to work between hours at odd jobs, advising them to bank what they earn in that way.

And I had the same chance as John

Do not let them spend it all like this fellow did. In his advancing years he complains bitterly because he did not save as did his associates.

Do as this man has done. He saved first as a boy and later as a man, and finally became a captain of industry.

Thrift taught during youth sticks with the grown man. You can trace hundreds of such cases right here in Holland, where early saving has brought financial independence.

Hope To Meet Olivet Squad

On Saturday of this week Hope will meet Olivet college at River-view stadium in the first game of the season. Incidentally it will be the first home game and the first association game.

Given the breaks of the game Hope can and will win. But the team needs loyal supporters. No team can play at home if the crowd is not behind it. So let's all be there and help the boys along with our rooting and yelling.

Olivet is a traditional rival and is coming with a good team and will be backed by loyal boosters. Come out and help start the football season with a bang.

HOLLAND DEFEATS KALAMAZOO, 13-7, IN EXCITING GAME

Holland high school defeated Kalamazoo 13 to 7 in an exciting game at Kalamazoo, Saturday afternoon. After holding Central in the shadow of the Holland goal in the first quarter, a pass, Japinga to Korstanji put the ball over and Tanis kicked for the extra point. Early in the final period, Holland scored again, Korstanji going 30 yards for his second touchdown after intercepting a Kalamazoo pass. Allen to Everhardus, for a 40-yard gain. Everhardus added the extra point.

Prof. Arthur Kaechele and family have moved to Allegan, where Mr. Kaechele fills a position as teacher in Allegan High.

Holland is Interested In Dill Pickles

DEMAND NOW EXCEEDS SUPPLY, IT IS NOTED

Because of the H. J. Heinz Co. and the many pickle growers in this vicinity this item from the Chicago Tribune should be interesting when it states that millions of pickles—in fact 6,000,000 lbs.—were eaten last year by Americans. The National Association of Pickle Packers, meeting at the Palmer house, Chicago, is authority for the statement.

"The dill pickle," J. J. Sutphen, secretary of the association, informs, "is more and more becoming the favorite member of the wanted species. A few years ago the public cared little for the dill, knew little about it, but our packers find it extremely difficult to get enough dills for our containers."

PASS MACATAWA FIRE CASE

Since the attorney general's office at Allegan has not announced a decision in the case of George Everest, Grand Rapids, accused of arson in the Macatawa fire, the case was passed again when called for trial in Judge Orien S. Cross' court at Allegan Monday.

THIEVES VISIT ONION FARM THIRCE; TAKE BACK CRATES ONCE

John L. Schut, an onion grower by thieves. The first time the prowlers took six crates of onions that were topped, sorted and ready for market. The following night they returned part of the empty crates and took four more that were full and ready for market. On their next visit they failed to return any crates but took four more.

It meant a loss of nearly \$25. Schut says he would appreciate the return of the empty crates.

GRAND HAVEN EASILY BEATS SHELBY, 19 TO 0

Grand Haven high displayed considerable improvement Saturday in defeating Shelby high school eleven, 19 to 0. Grand Haven led at the half 6 to 0. Pittinger going over for the first touchdown. Shortly after the start of the third period Peters got off a 40-yard run for the second touchdown.

HOLLAND HIGH HAS LIGHTEST ELEVEN IN HISTORY OF SCHOOL

Holland school came through its hard game with Kalamazoo Central in good shape last Saturday. Coach Bud Hinga's boys, who average only 151 pounds on the line, played their heavy opponents to a standstill at the Celery City.

The work of Capt. Tanis in backing up the line was especially noteworthy, as was the work of the two 145-pound tackles, Norlin and Zwemer. Louis Japinga, the 4th of the Japinga tribe, gained more ground than both teams put together. It is hoped that Bonnette who was hurt in practice last Wednesday, the only veteran halfback, will be in shape for the Benton Harbor fray.

This year's team is perhaps the lightest that has ever represented Holland on the gridiron. Six of the regular eleven weigh less than 150 pounds, but with the drive played in the first two games Holland will be able to hold her own on the gridiron this fall.

ANNOUNCES SPEAKERS FOR MISSION CONFERENCE HERE

Mrs. E. J. Blekkink of Holland, secretary of the Woman's Missionary union for Reformed churches in western Michigan, has announced the speakers for the annual conference to be held Friday, Oct. 5, in Bethel Reformed church, Grand Rapids. Mrs. James E. Graham and Mrs. Cornelius Kuiper will represent the women's boards as speakers at the morning session and Mrs. Henrietta Beyers and Mrs. Bernard Hakken, on furlough from Arabia, will speak in the afternoon. Other missionaries so rich with an atmosphere of worship.

SAUGATUCK

Ten Saugatuck residents are plaintiffs in circuit court here against J. R. Latta of the Motor Camps, Inc., and the Fruit Growers' State Bank of Saugatuck. The plaintiffs claim that Latta acting as president and agent of the Motor Camps company, secured subscriptions from them on the claim that his company intended to purchase valuable property in Saugatuck and establish a camp, one of a series through the country. Latta, it is charged, promised his company would deposit a sum equal to that subscribed in Saugatuck in the bank and establish a trust fund. Defendants have allowed the option to expire, it is charged, and the property can not now be secured. Plaintiffs are Adolph Zeitsch, Stephen L. Newnam, William R. Takken, Edwin House, Ray Freeman, Richard Newnam, Dominique Leoci, Mark Reid, Elmer E. Weed and Rose R. Phelps.

The City Public Library was a very popular place during the summer with visitors as well as local patrons making use of it. The circulation for the past six months was 27,690 volumes, an average of 178 a day, including 150 books taken out by non-resident people. Many tourists stopped at the library and asked for information about the city. Centennial Park being the main attraction which received numerous compliments as well as the way the city is kept so clean.

STUDENT BODY GIVES CHAPEL THE "ONCEOVER"

At the first meeting of Hope's student body this year in Carnegie Hall last Wednesday, Dr. Dimment invited the Hopes to walk over to the new chapel after adjournment, and see for themselves just how attractive the building promises to be at completion. A large number of people took advantage of this visiting day, and soon the Memorial Chapel was cluttered with groups of admirers, who gazed about and above at the artistry of the Gothic interior. Some even climbed into the balcony via a temporary ladder stairway, and from this vantage point the length, lines, and arches of the hall were clearly discernible. The new organ will be eagerly greeted when it plays its first hymn in these surroundings so rich with an atmosphere of worship.

One group of students ventured into the tower at the southwest corner of the structure, where ladders lead to the several levels of this highest point. From the roof of this tower one can look through the crosses and carvings and see all the hills about the city. Black Lake and the sand dunes at Lake Michigan were plainly seen. One Sophomore, with great courage, picked his way to the little minaret which is, no doubt, the highest point in the city.

AUTO CRASHES INTO 2 DEER, DRIVER HURT

Deer have become so common in the Upper Peninsula that they are a menace to the automobile driver. Lawrence Tucker, Iron Mountain newspaperman, was injured when the car he was driving ran into the ditch near here and turned over twice, after striking a deer. Tucker was unaccompanied. He was taken to a hospital suffering from a gash on the temple.

Tucker was rounding a curve when two deer darted across the road so suddenly the driver was unable to avoid a collision.

MISSING CITY CHECK FOUND IN A MAIL CAR

Grand Haven Tribune—A mystery long bothering the Grand Haven city Clerk's office was cleared up this morning when a message came from J. R. McWhorter, post office inspector at Chicago returning a check for \$1,064.59, drawn to the C. L. Ryley Coal Co. of Lexington, Ky., dated Jan. 23, 1927. It was found back of some steam pipes when a mail car sent to the railroad shops at Indianapolis was being overhauled. The envelope has been opened. Undoubtedly the size of the check frightened the would-be taker and it was hidden. Considerable annoyance was experienced at the City Hall when the check failed to arrive in Kentucky. After some time a duplicate check was issued. A duplicate here of the first check convinced city officers it had gone out.

THE "ROSE WINDOW"

Facing College avenue the new chapel will have the most beautiful "Rose Window" in this part of the country. No one here has seen the glass, which is to be paid for by the profits made by the class of '16 from its fifty year anniversary pageant and donations by members of that class. It is not, as the term "Rose Window" would imply, a rose colored window, or one with roses in the design, but is so called on account of the shape, which is round, and divided, resembling petals.

Among other notable offerings which will grace our chapel comes a promise from the class of '28 for a grand piano.

The Cackling Geese May Have Saved Rome

BUT CACKLING HENS WILL NOT SAVE THE EGG PRODUCTION

A barking dog does not bite, they say, and by the same token a cackling hen don't lay, according to poultry experts at M. S. C.

Modern hens are becoming short on cackle and long on production, if the records of the International Egg Laying Contest, being conducted at Michigan State College are to be taken as evidence, the head of the poultry department declares.

A White Leghorn belonging to the Lafayette Poultry Farms, Lafayette, Indiana, laid an egg each day for 116 consecutive days. Other White Leghorns owned by W. S. Hannah and Sons, Grand Rapids, and by the Kemptville Agricultural School, Kemptville, Ontario, produced an egg on each of 107 consecutive days.

One bird in the contest has produced 298 eggs in 47 weeks and 20 hens may reach the 300 mark before the contest closes October 31. The Leghorns lead on total production for high pen but the heavier breeds are proving that owners of these breeds will have plenty of material for omelets.

The contest which is closing is the sixth one held at East Lansing, and the seventh will start on November 1.

MERCHANTS' SERVICE BUREAU GROWING

Norman Cobb, secretary and manager of the Merchants' Service Bureau of Holland, gave an able report of the condition of that organization before the Merchants' Association Tuesday night.

He stated that a year ago last June there were 76 members in the association and that today there are 143 with the prospects of 30 or 40 more.

He stated that the association was playing a little close on finance although that was largely caused by the lack of membership, but with the membership now nearly 100 percent, the bureau will soon be self sustaining.

NEXT SUNDAY IS CHRISTIAN ENDAVOR RALLY DAY IN MICHIGAN

Over eight-hundred Christian Endeavor societies in Michigan will observe Christian Endeavor rally day on Sunday, October 7th, this day will be inaugurated the year's program of work, which places emphasis on evangelism, world peace, and Christian citizenship. In countless Michigan churches rally conferences and special meetings will be held, and church services conducted by youth.

Radio station WJR of Detroit will broadcast from 5:30 to 6 o'clock this Sunday evening a memorial in song to Dr. Frances E. Clark founder of Christian Endeavor. In addition, the Michigan Christian Endeavor Union will present the favorite songs of outstanding Christian Endeavor conventions.—Holland Sentinel.

Raymond Romeyn was held to await the action of the next term of circuit court by Justice Cornelius De Keyser Tuesday morning on two liquor charges. The case was heard at the city hall and Mr. Romeyn was represented by legal counsel as was the state. The charges were the selling and the furnishing of intoxicating liquor. Louis Taylor was brought from the county jail at Grand Haven to appear as witness for the state in the examination.

A stray steer, roaming down River Ave and into 8th street Sunday, was cornered near the armory after diligent work done by the Holland policeman. Officer Van Hoff tried a little plain and fancy work with a lariat but met with no success in capturing the animal.

A Menace to Children

Remove this menace to the health and cleanliness of children by installing the Gas-Fired Home Incinerator. It burns garbage or rubbish wet or dry; cinerates! It burns garbage clean and sanitary. Keeps premises and basement clean and sanitary. Makes the home more desirable; adds to its sales value. The ONLY incinerator with the improved Inner Drier Pipe which DRIES all contents so they burn up quickly. It is smoke-tight, odor-tight; Will not clog. Needs no watching.

400 EXTRA DRY

SHELL GASOLINE

Enjoy the thrill of extra power ... without extra cost!

A filling of 400 "Extra Dry" is like adding extra cylinders to your motor. There's a thrill about driving with this gasoline that ordinary fuel can't give you. Get-away is no longer an empty phrase ... it really means something. Hills that were formerly a burden become just a challenge ... a challenge that can be met victoriously with something in reserve.

The Shell refining process is responsible for the added driving pleasures 400 "Extra Dry" brings. It is a discriminating method which eliminates all the sluggish, greasy elements and retains only the most volatile, live and responsive parts. Every drop vaporizes instantly...every particle is converted into power...you get full mileage from every gallon.

Until you have tried 400 "Extra Dry" Shell Gasoline you have deprived yourself of the thrill which comes from motoring at its best...and remember, this extra pleasure can be realized without one cent extra cost.

It had been stripped of license plates, tail light, spotlight and other accessories. He was stopped on a downtown street at Grand Rapids for not having a tail light and ordered into police headquarters for lacking license plates. Sgt. Charles D. Winslow, on duty at headquarters informed him to put on a tail light and install some temporary license plates until he could get new ones.

Four members of the A. C. Van Raalte Post, G. A. R. possess the distinction of being the sole survivors of two regiments. The men are: Peter DeVries and Joos Verplanke, who served with Company I, 25th Michigan infantry, and John R. Douma and Matthew Notter, who served with the 24th infantry. Notter and Douma were numbered among five young men, untrained to take the places of five drafted married men and enlisted for service. The other were Gerardo after the festivities, he found it

MARKED with beauty Everlasting

WE WOULD all keep a beautiful memory. Can there, then, be a more fitting tribute to those we loved than a memorial that will last to the end of the world?

A Guarantee Bond protects the purchaser of a Guardian Memorial forever. Time cannot touch this "stone everlasting." The most delicate carving retains its beauty always.

When you are thinking about a memorial, we shall be pleased to show you the Guardian designs we have on display.

Registration NOTICE For General Election Nov. 6th, 1928

To the Qualified Electors of . . . Ward, Precinct No... of the City of Holland, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned City Clerk, will upon any day except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said City not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Third Saturday before any regular, special, or official primary election and the day of such election.

The last day for General Registration does not apply to persons who vote under the Absent Voters' Law. [See Registration by Affidavit.]

Oct. 20, 1928--Last Day for General Registration by personal application for said election.

Notice is hereby given that I will be at City Clerk's Office, City Hall, —ON—

Oct. 13 and Oct. 20, 1928

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION, and REGISTERING such of the qualified electors in said CITY as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election shall be entered in the registration book.

Registration by Affidavit

Sec. 10—Registering of Electors: Regular Session of 1925—Any absent voter, as defined in this act, whose name is not registered and who shall claim the right to vote by absent voter's ballot at any election or primary election, may at the time of making application for absent voter's ballot, present to the City Clerk an affidavit for registration which shall be in substantially the following form:

Affidavit For Registration

STATE OF MICHIGAN, ss. County of . . .

I, . . . being duly sworn, depose and say that I am a citizen and duly qualified elector of the . . . Ward of the City of . . . in the county of . . . and State of Michigan; that my postoffice Address is No. . . . street . . . or R. F. D. No. . . . P. O. . . . that I am now registered as an elector therein and that I am voting by absent voter's ballot at the election (or primary election) to be held upon the . . . day of . . . 192 . . . the application for which ballot accompanies this application; that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute; that I make the following statements in compliance with the Michigan Election Law. Age . . . Race . . . Birthplace . . . Date of naturalization . . . I further swear or affirm that the answers given to the above questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Taken, subscribed and sworn to before me this . . . day of . . . 192 . . . My Commission expires . . . 192 . . . Signed . . . Notary Public in and for said County, State of Mich.

Note—If this acknowledgement is taken outside of the State, the Certificate of the Court that the person taking the acknowledgement is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election, or primary election, and shall UNDER OATH, state that he or she is a resident of such precinct and has resided in the WARD TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or bodily infirmity of himself or herself, or some member of his or her family or owing to his or her absence from the City on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Provided, That any city may provide by its charter or by resolution approved by a majority of the members of its legislative body for the registration of such sick and absent voters on the last Saturday preceding any election or primary election at the places of voting in the several voting districts of such city, instead of on election or primary election day.

Provision in Case of Removal to Another Precinct

Any registered and qualified voter who has REMOVED from ONE ELECTION PRECINCT of a Ward to another election precinct of the same Ward shall have the right, on any day previous to election day, on application to the City Clerk, to have his or her name transferred from the registration book of the precinct from which he or she THEN RESIDES. Such elector shall have the right to have such transfer made on ELECTION DAY, or Primary election day, by obtaining from the board of inspectors of election of the precinct from which he or she HAS REMOVED a CERTIFICATE OF TRANSFER, and presenting the said certificate to the BOARD OF ELECTION INSPECTORS OF THE PRECINCT IN WHICH HE OR SHE THEN RESIDES.

Dated Sept. 15, A. D. 1928

Concrete floors will reduce our costly fire bill.

Popular sentiment has demanded that our modern hotels, apartment houses, schools, theatres and office buildings be fire safe throughout. To be thoroughly fire safe a building should have concrete floors beneath the hard wood, linoleum, carpeting or other surfacing. If we demand fire safe construction in larger buildings we should also demand it in our homes.

A large proportion of residence fires start in the basement. Concrete first floors will prevent them from spreading to the upper rooms. In addition, concrete floors prevent structural sagging and plaster cracking.

May we tell you about them?
