GOOZEN WAIVES EXAMINATION IN EMBEZZLE CASE

**Zeeland Pastor Provides
Bond as Ex-Treasurer
Faces Smith**

**Arraignment Is Scheduled
for Friday Morning
Before Miles**

Berend H. Goozen, 68, 234 Central Ave., Zeeland, former Zeeland treasurer, waived examination to a charge of embezzlement on arraignment at 1:20 p.m. yesterday before Municipal Judge Raymond L. Smith.

Bond was set at \$3,000 and was immediately furnished by the Rev. William Hilmer, pastor of Zeeland Second Reformed church.

Upon waiving examination, Goozen's case was certified to Ottawa circuit court and his arraignment before Judge Fred T. Miles was set for Friday at 10 a.m.

The former city treasurer was formally arrested at his home in Zeeland at about 11 a.m. by Police Chief Fred Bosma of Zeeland and Deputy Sheriff Edward Brouwer of Holland. The officers left word that they would return for him later in time for his appearance in court at 1 p.m.

As former city treasurer, Goozen was formally charged with embezzling \$50 of Zeeland city funds May 15, 1940.

The complaint was signed by Prosecutor Howard Fant Tuesday afternoon and a warrant was issued for Goozen's arrest. The warrant was first turned over to the sheriff's department which in turn submitted it to the Zeeland chief of police for service.

Shortly after 1 p.m., Goozen accompanied by the two officers, appeared in court at the city hall. Mayor Nicholas Frankena, John Hollema, chairman of the Zeeland common council finance committee, and Rev. Hilmer appeared at the arraignment.

Due to his deafness which made conversation impractical, Goozen was permitted to read the complaint. Judge Smith then gave him a note which explained that he could waive or demand examination and other particulars.

After reading the note, Goozen's only comment was:

"I'll waive examination."

It was indicated that Goozen would enter a guilty plea when he appears for arraignment Friday.

Mayor Frankena revealed a shortage in Goozen's accounts last Sept. 18 after his successor, Nick Tanis, had been unable to strike a balance. Goozen reportedly admitted to the mayor and other city officials that he had been misappropriating city funds for nine years.

The amount of the shortage was said to have totaled approximately \$12,000. Zeeland common council Monday night employed the auditing firm of Maihofer, Moore, De Long and Kragt of Holland to make an audit to determine the losses.

GRID PLAYERS HURT IN CRASH

**G.H. Trio Injured as Auto
Goes in Ditch on Dead
End Highway**

Grand Haven, Oct. 9 (Special)—Two Grand Haven football players of this year's team and one from last year's team were injured about 8:30 p.m. Wednesday in an auto accident.

The car in which they were riding apparently was racing with another vehicle on Griffin St. and came to the dead end at the south city limits, knocked down a "dead end" sign, ran into a deep ditch and practically demolished the car of the driver, James Bergman, 19, of Ferrysburg, a star player on the 1940 squad. He suffered a fracture of the right pelvis.

Riding with Bergman were Pat McFadden, 17, guard on the team, who suffered scalp wounds and likely will be unable to play any more this year; Eugene Hale, 17, halfback and star punter, who suffered a slight scratch on the hand and will be able to play Saturday at Grand Haven against Kalamazoo; and David Patten of Muskegon, who was uninjured.

Bergman and McFadden are confined in Municipal hospital. Occupants of the other car have not been definitely identified by local police. Bergman was given a traffic summons for failing to have his car under control.

HOPE HELD FOR ACCUSED YOUTH

Grand Haven, Oct. 9—The story of an orphan boy, reared during his formative years by a maiden foster mother who has left him considerable property, but who never knew the restraining influence of a male parent, was unfolded to Probation Officer Jack Spangler in his investigation of John J. Cellem, 18, Kalamazoo, who pleaded guilty to larceny of an automobile Monday in Ottawa circuit court.

Mr. Spangler who learned that John got into trouble with Kalamazoo authorities and was taken into juvenile court soon after the death of his foster mother, believes he can be rehabilitated as the boy had an excellent record at the state vocational school. To this end, Mr. Spangler is seeking cooperation of Judge Fred T. Miles and other authorities in placing John in the Boy's Town at St. Johns. He believes proper environment and supervision of men there, will fit the youth to handle the considerable real estate he will inherit from his foster mother upon attaining his 21st birthday.

The boy's life story is packed with tragedy. He does not recall his own parents, his first recollections being of an orphanage from which he was taken by his foster mother. She died after he had been in her home 12 years. Then John got into trouble, was sent to the vocational school where he had an exemplary record. Later after an attack of infantile paralysis slightly crippled his right side, John enrolled in the C. C. C. and was assigned to Camp Grand Haven.

After having been at camp only a brief interval, he and another Kalamazoo enrollee are alleged to have driven away an automobile owned by Charles Dykstra of Spring Lake.

Cellem's companion who told the officers he was 17 years old when arrested Friday in Kalamazoo, was returned to Kalamazoo to face probation violation in juvenile court when it was found he was but 15 and had misrepresented his age to gain admission to the C. C. C. According to state police, the boys abandoned the Dykstra car in Jackson when it ran out of gasoline, then hitch hiked to Kalamazoo.

Local Vets Want Legion AEF Sanction Rescinded

**Resolution Assails Action
Taken at Convention
in Milwaukee**

Holland Legionnaires today had joined other mid-western legion posts in condemning the action of the national American legion convention at Milwaukee in endorsing the policy of sending American troops to foreign countries.

Willard G. Leenhouts post No. 6 of Holland adopted a resolution of condemnation at a meeting here Wednesday night and demanded "that said action be rescinded."

The resolution was presented by a resolution committee, composed of Alfred C. Joldersma, chairman, Tony Den Uyl and Charles Van Duren, who were appointed at a previous meeting to consider the controversy.

Only favorable discussions were heard on the motion and no opposing votes were cast against adoption of the resolution, it was reported.

Mr. Joldersma said today that a copy of the resolution will be forwarded to the legion's national headquarters in Indianapolis.

The local legion post feels that the resolution "which was adopted at the Milwaukee convention in September was 'railroaded' through and that it is contrary to a 23-year stand of the American legion in opposing another American expeditionary force."

In a recent address before the Milwaukee Junior Chamber of Commerce, Gov. Julius P. Heil of Wisconsin charged that President Roosevelt controlled the legion convention and that Secretary of Navy Frank Knox and Civilian Defense Director Fiorello

During September fifty-four building permits were filed. One application failed to give a figure of cost. This permit is for the construction of a doctor's office building by Drs. John K. and William Winter on 10th St., east of Central Ave.

This year's nine-month total of \$540,413.80 is \$27,855.80 ahead of the 1940 total of \$512,558 and is \$254,920.65 in excess of the 1939 nine-month figure of \$285,493.15.

Value of the six homes amounted to \$20,600. Three of the applications provided for construction of garages at a cost of \$450.

The largest number of applications in any classification came under re-roofing of homes with 23 applications at a cost of \$3,110.65.

There were seven applications each for interior and exterior remodeling of homes at a cost of \$1,140 and \$1,040 respectively.

Chicago Bass-Baritone Pleases Century Club

John Macdonald, bass-baritone of Chicago, distinguished young singer of rich endowments, delighted members and guests of the Century club with an artistically arranged and presented song recital in the home of Mr. and Mrs. W. J. Olive Monday night.

The program was the first on the Century club schedule. Henry Winter club president, presided and extended greetings on behalf of the 1941-42 season.

Mr. Macdonald, graduate of Northwestern university, and a member of the Chicago City Opera company, has distinguished himself in various musical fields. His pleasing personality, splendid diction and sympathetic interpretation of his well chosen numbers, brought an enthusiastic response from his listeners.

The singer opened his program with an Italian song of the 17th century "Star Vico," by Salvatore Rosa, continuing with the Old English "Sweet Nymph," arranged by Leo Sowerby; the Bach, "The Radiant Sun in Distant West," sung in English; and "O Liebliche Wange," by Johannes Brahms.

For his second group Mr. Macdonald sang Rachmaninoff's "The Island," "Talley Ho," by Leon; "Song of the Evening Star," by Wagner; and "A Dream," by Grieg.

Three Shakespearean songs, arranged by Roger Quilter composed his next group. They were "Come Away Death," "Mistress Mine," and "Blow, Blow Thou Winter Wind."

Four Negro spirituals were included in the final group of songs, in which Mr. Macdonald was especially effective. Classed by the singer as "real" spirituals, were Burleigh's "Were You There," "Go Down Moses." Two so-called pseudo-spirituals were "Sweet Little Jesus Boy," and "Jericho" by Robert McGimsey.

Mission Society Hears Seminary Student

Henry Mow, student at Western Theological seminary, was guest speaker at a meeting of the Missionary society of Trinity Reformed church Thursday, Oct. 2, in the church parlors. He told about his work during the summer months among the Indians at Winnipeg and Macey, Neb.

These reservations, Mr. Mow said, are inhabited by the Winnebago and Amaha tribes. The Indian of today is living in a period of transition. MEN AND TURKEYS ARE TIRED AFTER FOUR-MILE JAUNT

A unique spectacle was seen on roads south of Holland recently when Mannes Knoll, a hatcheryman, and his helpers herded a flock of 1,300 turkeys four and a half miles from Graafschap to a place two miles south of Castle park.

As turkeys, once they are grown, spend about 95 per cent of the time in the open, the flock was moved to the new location which affords greater protection from the weather. Mr. Knoll lost many turkeys at his home in a big storm last November.

The six men and the 1,300 turkeys started at 9 a.m. and reached their destination at 2:30 p.m. Both men and turkeys were very tired. The birds persisted in wandering and hiding in the ferns along the road and the herders were kept on the jump. The next day a few turkeys were found along the road but Mr. Knoll believes he has regained all of them. Since spring he has raised 100,000 poult and has on hand about 2,000 turkeys.

Guardsman Buss Kills Self While Riding in Detroit With Sweetheart

Apparently despondent over the refusal of his sweetheart to marry him before he returned to duty aboard a coast guard ship, Edward Buss, 21, former Holland resident, shot himself through the head with a revolver about 12:45 p.m. Sunday in Detroit.

He died almost instantly from the gunshot wound while riding in an auto with his sweetheart, Mrs. Joan Tibbard, a 23-year-old divorcee.

His body was taken to the Workman funeral home, 736 Burton Ave., SE, Grand Rapids, Sunday night. Funeral services were held from there at 2 p.m. Wednesday. Burial was in a Grand Rapids cemetery.

Buss, who enlisted in the U.S. coast guard service last May 29, was first sent to New Orleans

Edward Buss

and was transferred as a member of the crew of the U.S.S. Pequot stationed at Boston, Mass., had come home on a furlough.

He came to Holland Friday to visit his brother, Phillip (Bud) Buss who works here but lives at Zeeland.

Returning to Detroit, he met Mrs. Tibbard and they went for a drive in her automobile. According to the story she told Detroit police, Buss repeatedly asked her to marry him.

"I loved him very much. But I thought one of us might want to change our minds within the three years of his enlistment," she told police.

She said she tried to persuade him not to insist on the marriage until he had completed his three years enlistment.

"Well, if you won't marry me..." but the rest of his sentence was drowned out by the shot, she told police.

At the time she was driving along Marquette drive near Jefferson Ave. in downtown Detroit. Hysterical over the shooting, she drove immediately to Jefferson Ave. and notified two policemen in a squad car. Buss was dead when the officers reached his side.

Buss' mother, Mrs. Hadley Buss, and Mrs. Tibbard had gone to Boston last August to visit him and at that time they planned to be married. Because of the five-day waiting period in Massachusetts, they decided to wait until he obtained his furlough and be married in Detroit.

Buss was given a 10-day furlough last Sept. 30 and came immediately to Detroit to learn that Mrs. Tibbard had changed her mind about the marriage. He was scheduled to report back in Boston for duty this Friday.

Buss was born in Holland Dec. 26, 1919, to Mr. and Mrs. Hadley Buss, former Holland residents who now reside in Detroit. He attended school here and went through the 11th grade.

Besides the parents, he is survived by two brothers, Phillip Buss of Zeeland and Charles who resides with his parents in Detroit; and the grandparents, Mr. and Mrs. Lewis Spring of Grand Rapids.

Grand Haven, Oct. 9 (Special)—John Tupper, 66, 106 East 17th St., Holland, who was to appear in circuit court for arraignment on two charges of selling liquor to two minors—Paul Rooks and Burton Poest of Holland who pleaded guilty in circuit court Monday on a statutory charge—was unable to be present in court due to illness. He will probably appear for arraignment Friday.

Wilbur B. Klimp, who was to appear in court Monday for arraignment on a charge of unlawfully driving away an automobile, and who had told officers he was 17 years of age, was returned to Kalamazoo Monday afternoon by Sheriff Charles Struble of Kalamazoo county, and will appear in the Kalamazoo county probate court, from which court he is at present a probationer. Information received by officials from Kalamazoo said Klimp was only 15 years old. When asked why he gave the wrong age to officers he stated that when he joined a CCC camp it was necessary for him to be 17.

John J. Cellem, 18, of Kalamazoo, a partner of Klimp when they took a car belonging to Charles Dykstra of Spring Lake last Thursday, drove it to Kalamazoo where they ran out of gas, and then hitch-hiked to Kalamazoo, entered a plea of guilty upon arraignment in court Monday afternoon. His case will be disposed of Friday. Cellem had been in difficulty previously in Kalamazoo county and appeared in juvenile court there.

Thora Miller, 36, Route 5, Grand Rapids, who pleaded not guilty when she appeared Monday for arraignment on a charge of breaking and entering, appeared Monday afternoon in court and entered a plea of guilty to a charge of receiving property she knew had been stolen. Miss Miller's father, James Miller, resides in Waynesburg, Pa., and the court instructed Miss Miller to write her father asking whether he would be willing that she make her home with him and send her money for her fare to Pennsylvania. If this is done the court has intimated that Miss Miller will be allowed to go to the home of her father.

Grand Haven, Oct. 9 (Special)—Nine persons were arraigned before Judge Fred T. Miles in Ottawa circuit court last Monday on various criminal charges and eight of them entered guilty pleas and will appear in court Friday for sentencing.

Bernard Dykema, 17, 152 West 19th St., John Kouw, Jr., 17, 26 East 16th St., and Paul Rooks, 18, 105 West 21st St., all of Holland, were charged with statutory rape. They waived the reading of the information. The charge involves a 15-year-old girl, the alleged offense occurring last Sept. 5.

Mrs. Zora Griffin, 42, housekeeper at 152 West 19th St., Holland, was charged with drunk and disorderly conduct, third offense. The charge resulted from her arrest in Holland Sept. 16. Previous offenses occurred July 5, 1940, when she was sentenced to serve 30 days in jail and Aug. 29, 1941, when she paid a \$10 fine and costs.

Alvin Overway, 26, 339 West 14th St., Holland was charged with entering, without breaking, in the nighttime with intent to commit a statutory offense Sept. 28 at the home of Mr. and Mrs. Charles Bauman, 78 East 21st St., Holland, where Miss Joyce Van Lopik, 15, 9 East 21st St., Holland, was caring for the Bauman child. He told the court he first looked into the window, saw the girl and entered through a rear door.

Joshua Shagonaby, 46, an Indian who formerly lived in Holland but has been living in Allegan, and his son, Wilbur Shagonaby, 19, of Holland, were both charged with unlawfully driving away last July 18 in Holland an auto belonging to the Venhuizen Auto Co.

Joshua told the court he was drunk, otherwise he wouldn't have stolen the car. The court revoked his probation which was given him Jan. 12, 1939, for four years on a charge of breaking and entering. He is supposed to have paid \$96 court costs but up to the present time only \$19.50 had been paid. He appeared in court last March 31 on a charge of being drunk and disorderly but at that time the court continued his probation.

Wilbur told Judge Miles that he was more to blame for the theft of the car than his father. He also said he had been drinking beer before the car was stolen.

Lawrence Speece, 24, of Bellaire, O., was charged with unlawfully driving away an automobile last Sept. 18, belonging to Mrs. Leoria Van Dyke of Grand Haven. He told the court that he had been drinking at the time. Speece is married and has two children.

Clifford Poole, 47, Washington, O., was charged with breaking into the chicken coop of Fred Cross last Sept. 27 and taking 13 chickens. Thora Miller, 36, who has been living in a house trailer near an oil well in Tallmadge township, told the court she would plead guilty to cleaning the chickens, but that she would not plead guilty to entering the coop and stealing them.

The court ordered a not guilty plea entered and date for her trial will be set later. She told the court she and Poole had been in Grand Rapids early in the evening

where they had been drinking. En route home, she fell asleep, according to her story to Judge Miles, and did not know until later that Poole had stolen the chickens.

WILL BE ARRAIGNED IN WASHINGTON ON PROPAGANDA COUNT

New York, Oct. 9.—Having protested his "love" for the United States and put up \$15,000 bond to get out of jail, George Sylvester Viereck today prepared to go to Washington, where he must answer a federal indictment charging that he did not give the state department a complete list of his German propaganda activities.

He will be arraigned in Washington tomorrow. He was arrested at his home yesterday, after which the indictment, returned by a grand jury investigating Nazi propaganda, was unsealed.

It contained five counts, one that Viereck, 56, had failed to disclose that he helped to distribute literature sent out under the frank of undisclosed congressmen, when he registered as a foreign agent with the state department in 1939.

The other charges included accusations that he had financed committees to distribute pro-German and anti-British propaganda, and financed Fishers Hall, Inc., a New Jersey publishing house, for the same purpose.

FDR DECEITFUL ON RELIGION OF REDS: HOFFMAN

Assails Statements as He Flays Pledge of Men to British

Washington, Oct. 9.—While continuing with plans to send an AEF to Europe, President Roosevelt is treating the American public like children by his observations on religious conditions in Russia, Cong. Clare E. Hoffman of Allegan, Mich., said this week.

"The president," he stated, "told us that the 'four freedoms' must be carried to the uttermost ends of the earth, by force if necessary."

"Then he said we must become the ally of Russia, which, as everyone knows, denies freedom of worship and teaches that religion is a fraud; that there is no God."

"To soften the people's animosity toward such an alliance, the president last week said Russia did have freedom of religion. To that statement Bishop Raymond J. Wade, head of the Methodist Detroit area, replied that the president's observations on Russia's religious policies was 'obviously untrue' and 'utterly misleading.'"

"Then the president, forced to admit the inaccuracy of his statement that Russia did have freedom of worship, issued another statement, which a Washington paper headlined as follows: 'President Hopes Soviet Will Grant Religious Rights.'"

"Why should the president attempt to deceive us? Most school children know Russia's record of persecution of priests and ministers; of the destruction of churches; of the denial of opportunity to worship."

"Returning from a trip to Europe, a writer for the Detroit Free Press, which supports the president's foreign policy, tells us that we must send more than two million fighting men across the seas, if we are to accomplish the president's purpose of invading Germany, destroying Hitler."

"If that is what the people want; if they are willing to pay the price and offer to the war gods, to the advocates of international trade, a sacrifice of another two million or more American men, then so be it. But, until congress declares war, I shall do everything I can to prevent the sending of another AEF to Europe, while, at the same time, doing everything possible to aid this country in its national defense program."

"That the president is determined to send an AEF to Europe is shown by his statement on page 45 of Collier's of Oct. 4, where he said that we had pledged our 'man power'—note that, 'man power'—to aid Britain, and by his further statement in Collier's of Oct. 11 that: 'It has now become apparent that the very physical security of the United States is at stake.'"

"Its physical safety and independence are being threatened." Obviously, an incorrect statement.

"Not a single military expert here or elsewhere believes that statement. Every one has said in no unmistakable terms that Hitler could not successfully invade the United States."

NEW TRIAL ASKED

Grand Haven, Oct. 9 (Special)—A motion for a new trial has been filed in circuit court in the case against Milton Leonard English, manager of a Grand Haven Store. English, 34, was convicted by a circuit court jury Sept. 23 of a statutory charge involving a 15-year-old Grand Haven girl.

The Newspaper Is Everybody's Business

(An editorial on the newspaper by D. W. Grandon, editor and publisher of the Sterling, Ill., Daily Gazette.)

A wise man once said that "every man knows two businesses—he believes he does—his own and the newspaper's."

In truth, the average citizen knows little or nothing about the newspaper. He sees none of its mechanics. He only knows that every evening, rain or shine, in summer or winter, an alert boy places it upon his porch at a certain specified time. He has no conception of how it was built, any more than he has of the electricity which furnishes the light by which he reads it. He has gotten so accustomed to it that it has become a part of his every-day life. He realizes what it means to him only when it fails to arrive.

The average citizen reads his newspaper day after day, disagrees occasionally with its editorial policy, gets a silent chuckle out of its occasional errors, roars like the Bull of Bashan when something in which he is interested is omitted, bellows strenuously when his favorite comic is omitted, threatens to cancel his subscription at the least cause or provocation—then calls the office and protests in ten minutes after school, or the press breaks down, and he fails to find his paper in its accustomed place the moment he is ready to read. He complains bitterly if every minute detail of his favorite lodge meeting is not chronically in full, but criticizes vociferously if an extra line is given to his neighbor's organization. When he runs for office he solicits his paper's support; if he fails to get it, he says he would rather have it against him than for him.

When a man—or woman—becomes interested in a movement of any kind, he immediately solicits the support of his newspaper. If he receives it, he takes it as a matter of course; if he doesn't, it rankles forever in his heart. He knows nothing of the news value of his offerings. He fails to realize that publication of his story may offend a large group of readers, result in the cancellation of an advertising contract or may even bring about a suit for libel.

A newspaper is the historian of a community. As Henry Ward Beecher once said, "Newspapers are the schoolmasters of the common people." A newspaper chronicles the births of a community's citizens, follows them through life, forgets their failures and exults over their success. It is the comforter when death knocks at the door. It follows them into foreign lands and heralds their triumphs to the world. It takes the place of the daily letter from home and brings joy and happiness to many a homesick boy and girl in other climes.

Knowing the power of the press, a newspaper becomes fair prey for every propagandist, both amateur and professional. It turns down daily double the amount of matter that it prints because, microscopically examined, much of this matter is in the interest of some sort of propaganda. Written by highly paid men and women, this propaganda is frequently so cleverly written that only a person skilled in detecting such things is able to find the poison hidden therein.

The newspaper—the Fourth Estate. To revert to Beecher again, "That endless book, the newspaper, is our common glory." Today we exult in its triumphs; tomorrow it is the wrapper for the garbage from our kitchen. It is never completed. As fast as one issue is printed, another is on its way. The men and women who have spent a lifetime in its compilation know the least about it. Only those who enjoy criticism—and their name is Legion—know how a newspaper should be conducted.

Federal duck stamps were bought by 1,225,000 hunters in 1939.

COOL TOWARD WINDSOR

A Washington correspondent
who has made a reputation for his
ability to probe below the surfaces
of life reports that the Canadians
in Washington were noticeably
cool toward the Duke of Windsor
during the recent visit of His Royal
Highness. This news man hint-
ed that this coolness represented
the attitude of a large section of
the people of Canada, New Zealand
and Australia. He went further
still; he asserted that a substantial
body of English public opinion feels
the same way. He quoted the Win-
nipeg Free Press, which in turn
quoted the London Economist, to
the effect that the Duke of Win-
dor is the symbol of a class in En-
gland that has brought the people
of that country to the brink of dis-
aster.

In 1939, just before the opening
of the war, Louis Bromfield, pub-
lished a little book, "England, a
Dying Oligarchy." Bromfield said
as an American essentially the
same thing the London Economist
now says from the English point of
view. For long years before the
war people were in the saddle in
England, in government, in busi-
ness, in social life, who were look-
ing out for their own class. They
were the Stanley Baldwins, the
Neville Chamberlains, and many
other figures. A few of the leaders
had intellectual vitality, but the
social and economic influence of
their class was such that it helped
all sorts of people to get into par-
liament and thus to become the
rulers of their intellectual superi-
ors.

The English people as a whole
have magnificently redeemed their
country and their government un-
der the stress of "blood, sweat and
tears." Louis Bromfield would al-
most certainly not say today of
England as a nation what he said
of the "dying oligarchy" in 1939.
For the English people, as distin-
guished from a small ruling clique,
have cleaned house, and are con-
tinuing to clean house. Essentially
they are in far less danger from
the Nazis than they were from
their own ruling clique a few years
ago. That danger is past; the En-
glish people are once more a demo-
cratic people.

But individuals of the former
ruling bloc remain—some of them
in power. The more democratic
nations of the British Empire, such
as Canada and New Zealand and
Australia, see the picture as a
whole in clear relief. The Cana-
dians, almost certainly, have
nothing against the Duke of Win-
dor personally; they probably re-
gard him as at worst merely in-
nocuous. But he is a symbol of that
class in England whose superior-
ity complex made it possible for
an American of 1939 to call En-
gland, with some justice, a "dying
oligarchy." Those Canadians were
cool toward the symbol they de-
spised and feared, not toward the
man. That was a display of intelli-
gence on the part of the Canadians
that deserves respect.

THE CHURCH INVITES YOU

Enlarging Fraternity
It is almost impossible to avoid
a self-centered religion when one
has no active regular share in the
corporate worship of a larger re-
ligious fellowship. Friedrich von
Hugel used to tell of the sense of
common need and of common love
that came to him as he prayed
through his rosary or listened to
the mass while kneeling next to
some Irish peasant. For this per-
son and millions of others, what-
ever their place in man's petty or-
der of rank, would that very day
perform the same act of love and
devotion before a Father in whose
loving regard each was of equal
worth.

Why not accept the invitation
and go to church next Sunday?

BLOOMS IN FALL

A spirea bush has been reported
in bloom at the Joe Overway home
at 280 West 16th St. Local bar-
bers who met at the Overway
home Monday night suggested that
the bush's second growth might
be due to the tonsorial influence of
Barber Overway.

thorized for defense into weapons

Christ Our Savior

Matthew 20:25-28; Luke 19:1-10

By Henry Geerlings

It was a part of God's eternal
purpose to send His son into the
world. The incarnation may have
surprised some people, but it was
no surprise to God. But there were
large groups who were longing and
looking for a Savior. Even many
to whom no special revelation had
been vouchsafed left the need of
divine help and were swift to ac-
cept Jesus when the news of his
birth was brought to them. The
world began to take a sharp turn
upward with the coming large
number to make the earth a better
place to live in.

Sin reduced mankind to a state
of importance and helplessness.
Jesus would not have come to suf-
fer what He did had He discerned
enough strength in us to do this
work. What He saw as He looked
down on us was a desperate need.
We were not rising, but falling.
We were not climbing upward, but
slipping downward. All our skills,
inventions and organizations pro-
vided no substantial hope of our
making any spiritual ascent. Christ
did not come to enact a needless
spectacle before the gaze of an as-
tonished world. He came to put
within our reach a great possibili-
ty which otherwise would have
eluded our grasp eternally.

There is one Savior and only
one. That thought should arrest
our attention. If a man has a dozen
matches he does not much care if
he wastes one or two in kindling
the fire. He still has a number left.
But if he has only one, how he
guards the flickering flame until
the fire has been started. If there
were a dozen ways of salvation we
could set a few of them aside and
still have a good chance of enter-
ing into the kingdom. But there is
only one way. Christ never said
that He was a door, a shepherd, a
way. There are no others. That is
why He insisted on men receiving
Him and believing Him. There is
no alternative.

Christ saves us at infinite cost.
It must be that we are sobered in
the presence of Calvary. There can
be no dry eyes there. Our ransom
price was no trifle. The gold in
all the mines could not save us.
Tears, though they flow like rivers,
could not save us. The efforts of
all the angels that surround God's
throne could not save us. Christ
saves us, but He lost his life in do-
ing so. He is not only one more
figure on the crowded canvas of
the ages. He is the central figure
because His hands were wounded
and His side pierced for us.

No matter how humble or de-
praved a man is God always re-
joices when He repents. We have
our ways of classifying people, but
His ways are not our ways. He
has placed an immeasurable value
on the outcast. No one has wan-
dered so long or gone so far that
He does not want him to return.
Jesus does more than meet us half
way. He travels as far as sin has
led us. We say that Jeremiah dis-
covered the significance of an in-
dividual soul, but Jesus carried
the prophet's discovery further. It
is safe to say Christ would have
come to earth to bear and suffer
all He did, had there been but one
soul to save. The reason the Shep-
herd searched through all the
darkness and peril for His sheep
was not chiefly because of the in-
vestment He had in it, but rather
because of the affection he had
for it. God could out of the stones
raise up a new generation but it
is because of His love that He
saves us and continues His search
until we cease our wandering.

Jesus saves us from the guilt
and penalty of sin. He frees us
from them. No man can live with
them and be happy and safe. They
have in them the seeds of ruin. If
the coming of Christ recognized
the value of the soul, it also recog-
nized the dreadful character of
evil.

He also saves from the power of
sin. We do not need to be under
its dominion. It is a factor with
which we shall always have to reckon,
but a diminishing and doomed one.
We may live better today than we
did yesterday, and better tomor-
row than today. The good in us
is to increase, the evil to decrease.
Many people believe in the for-
giveness of sin who do not believe
in the power to overcome sin.

Then, too, He saves us from the
awful fear which sometimes gnaws
at the heart, and from a sense of
loneliness and uselessness in the
world and from death which by
His plan becomes a gateway to a
larger life.

Abiding gratitude is due Him
who saves us from all harm and
blesses us with His presence and
peace. There is none other we owe
a fraction of the praise He de-
serves.

Mayor Speaks to Local
Legion Boy Scout Troop

Boy Scout troop No. 26, spon-
sored by the Holland American
Legion post, marked the observa-
nce of Fire Prevention week
with a special program Tuesday
night which included an address
by Mayor Henry Geerlings.

Mayor Geerlings stressed fire
prevention as especially important
at this time in the country's na-
tional defense emergency. He
ranked carelessness as the chief
cause of destructive fires in Amer-
ica.

Sea Scout Commissioner Ches-
ter LaShagway presented a num-
ber of facts on the causes of fire
and methods scouts could use to
combat them.

HOLLAND
IN 1912A genuine surprise was sprung
on the people of Holland last night

when the common council, in spe-
cial session to elect a member of
the Board of Police and Fire
Commissioners to succeed C. Ver
Schure, decided upon Prof. John
E. Kuizenga of Hope college, be-
gan a news item in the Saturday,
March 2 issue of the Holland Daily
Sentinel published in 1912.

By a unanimous vote of those
present last night at the annual
meeting of the Board of Trade,
Austin Harrington was elected
president of the board for the com-
ing year. When the choice of a vice
president was brought up, George
E. Kollen was immediately chosen
for the position. Raymond Viss-
cher was unanimously elected sec-
retary and Henry Geerlings who
has acted as treasurer of the
board since the death of Mr.
Mokma was chosen to serve in
that capacity for the coming year.

First place in the Woman's
State Oratorical contest held at
Olivet yesterday afternoon and
second place in the Men's Contest
held at the same place last even-
ing was the record Hope College
made. Miss Irene Staplekamp of
the Senior class was the winner
of the state contest. This year was
the first time Hope college has
ever sent a representative to the
Woman's contest and the result if
for that reason all the more grati-
fying. Her subject was "The So-
cialism of the Individual." Hessel
Yntema won second place in the
men's contest. Miss Sue Wang, the
Chinese student of Albion college
won second place in the contest
with her oration "China's Crisis."

The winner of the men's contest
was also a student of Albion col-
lege. Roy C. Robinson was given
first place. Willis L. Osborn of
Olivet college won third place.
This is the fifth consecutive year
that Albion college has taken first
place in the state contest.

Believing that the people of Hol-
land and the adjoining townships
do not sufficiently appreciate the
benefits that accrue to them from
the resorts surrounding Maca-
taw Bay, the Holland Board of
Trade has decided to make an at-
tempt to arouse interest in these
resorts by offering a series of
prizes for the best essays on the
subject, "Benefits That Our Sum-
mer Resorts are to the City of
Holland and Adjoining Town-
ships." Following are the prizes
offered: 1st prize, \$25 in gold;
second prize \$15 in gold; third prize
\$10 in gold.

Born to Mr. and Mrs. Ralph
Ten Have, 177 West Fourteenth
street a son.

The Hope college students took
things into their own hands this
morning when they decided that
their good record at Olivet last
Friday night at the Michigan State
Oratorical contest merited a day's
vacation, began an article in the
Monday, March 4 issue. Nor were
the college authorities seriously
opposed to the day off for the
students since they knew the en-
thusiasm had to find an outlet
somehow. The boys and girls next
proceeded to secure a cutter and
a rope about a block long. Piling
the orators, Miss Irene Staple-
kamp, Hessel Yntema, and Prof.
Nykerk and Miss Katharine S.
Moore, instructors in elocution,
into the cutter, the students, some
three hundred strong took hold of
the rope and marched down Eighth
street in triumphal procession.

At his home on East Eighth
street today William Benjamin,
the oldest and at one time the best
known printer in Holland, cele-
brated his 80th birthday anniversary.

Prof. John E. Kuizenga has ac-
cepted the position tendered him
last Friday night by the common
council as member of the Board
of Police and Fire Commissioners.

William Botsford, who for the
past six years has clerked at the
Pere Marquette freight depot has
severed his connection with the
Pere Marquette company and ac-
cepted a position with the Graham
and Morton Transportation Co.

John De Kraker returned from
Lansing today where he attended
the convention of the State
Threshermen's association which
has been in session there for sev-
eral days.

The announcement was made
yesterday to the congregation of
the Ebenezer Reformed church of
East Holland that the Rev. Law-
rence Dykstra, pastor of Grace
Reformed church of Grand Rapids,
had accepted the call to the East
Holland church.

This morning John Wolterink, a
member of the senior class of the

Western Theological seminary re-
ceived a call from the Reformed
church of Clymer Hill, New York.

Henry Mulder, second officer
on the U. S. E. D. dredge, Gen.
Meade is spending a two weeks
vacation with relatives and friends
in this city.

Mrs. C. E. Thompson and daugh-
ter, Helen, have returned from
Canada where they have been vis-
iting relatives for a month.

Twenty-six was the average
number of merchants who attend-
ed the meetings of the Mer-
chants association during the past
year. The association has a mem-
bership of eighty and in his annual
report last night President Beeuw-
kes declared that 26 was not a
large enough average in view of
the work the association was try-
ing to do for the merchants of
Holland and was actually accom-
plishing. This appeared in the
Tuesday, March 5 issue.

Mr. and Mrs. Stokke of the
Fischer farm gave a large surprise
party for their uncle, Mathias
Knudsen. The occasion was his
67th birthday anniversary.

At a meeting of the Republican
city committee held last evening
Gerard Cook was appointed chair-
man of the committee to take
place of Henry Geerlings who had
resigned. The city committee fur-
thermore made provisional plans
for the holding of the Republican
caucus.

The Holland Merchants' asso-
ciation last night went on record
as in favor of closing the stores on
the annual day of prayer which this
year comes on the thirteenth day of
March. Previously Henry Vander
Ploeg had secured the signatures
of a large percentage of the Hol-
land merchants pledging them-
selves to close their places of busi-
ness on that day.

Saturday the Pere Marquette
railroad opened its right of way to
Ottawa Beach. Soon preparations
will begin for the opening of the
resort which doubtless will take
place some time in June.

Friends of the Rev. and Mrs.
John Van Ess have been appre-
ciated of their safe arrival in Bushra,
Arabia. Mr. Van Ess has been con-
nected with the Arabian mission
for eight years and was here on
furlough last year.

Reformed church in Muskegon.

Vander Helde have gone to Grand
Rapids where they will make their
home.

John Plasman has returned to
Chicago after spending a few days
vacation with relatives and friends
in the city.

Miss Maude Davis arrived from
Manistee this morning.

Robinson Couple Nears Golden Anniversary

Mr. and Mrs. Fred Graham who have lived practically all of their lives in Robinson township, observed open house at their farm home on Oct. 8 in celebration of their golden wedding anniversary.

Fred Graham served on the board of supervisors for 14 years. He was elected to the board from Robinson township 18 years ago and served as chairman for two years. Four years ago he left the group after having served on many of the most important committees including finance, good roads, county officers and others.

Soft spoken, with a winning personality, Mr. Graham assumed the role of a Henry Clay the great compromiser, in many heated debates on the board and his good judgement, wise counseling and withal a friendly attitude made him a leader on the board as long as he served. He was always a champion for good roads and it was partially through his influence that Ottawa county became a leader in permanent highway construction in western Michigan.

He served for many years as secretary of the former Banner Creamery, an organization that flourished in the county and served many farmers in this section. He was superintendent of the former Methodist church Sunday school for years, and his wife was a devoted teacher in the school. Recently they joined the Grand Haven Presbyterian church.

Mrs. Graham is a native of Robinson, born there 69 years ago. Mr. Graham was born near Brockville, Ont., and came to the township with his family when he was seven years old. He has since lived on the ancestral farm and it was here the couple was married 50 years ago. Mr. Graham is 74 years old, son of the late Thomas Graham, one of the pioneers of this county. They have one daughter, Mrs. Charles Moe, Muskegon; five grandchildren and a great grandson, who was named after his great grandfather and who is the pride and joy of his great grandparents.

Local Club Women Hear Challenging Lecture

Mrs. Carveth Wells, in a challenging and entertaining lecture before more than 200 members of the Woman's Literary club Tuesday afternoon, appealed for unity in defense of this country and the freedom of its people, "with every ounce of our strength." The occasion was the annual fall luncheon of the club, held in the main dining room of the Warm Friend tavern, with Mrs. George A. Pelgrim, new club president, presiding.

Mrs. Wells, who has traveled extensively with her famous explorer husband, took as her subject, "The New Asia," drawing upon her experiences and observations made during a recent trip to Japan, Korea, Manchukuo, China, Hong Kong and Singapore.

Taking issue with the isolationists, Mrs. Wells said that this country cannot possibly be defended without supplies from other countries. Modern implements of war have changed, and modern standards of living "require our contact with the Far East," she stated.

Singapore, first line of defense in the Far East, protects the supply of tin, rubber and other vital materials needed by the United States. The average person little realizes the dependence of this country on the Far East, the speaker said.

Military strategists, in her opinion, should call Japan's bluff and do it now before Russia is exhausted. With the issue of an ultimatum, she believes the Japanese would back down. If not, "it wouldn't take long to settle the Japanese navy," she declared.

"This country has the highest standard of living of any in the world, and our freedoms are well worth fighting for. The most important question for all, is to be a united nation. We can have family wars in time of peace, but when threatened from without, we must stand together," Mrs. Wells observed.

Many of Mrs. Wells' experiences, as related in a frank and engaging manner, proved good entertainment for her listeners.

In extending greetings to the club on the occasion of the opening of its 43rd year, Mrs. Pelgrim contrasted the present membership of 380 and the varied activities to the early days, as she commented on the steady growth through the years.

She made a brief resume of work done by certain club committees during the summer, and announced a meeting of the Civic

Health committee for 1:45 p.m. next Tuesday in the club house tearoom, and the first meeting of the newly formed Child Study group Tuesday, 1:30 p.m. in the club house auditorium. Mrs. Carveth Wells' lecture will be the speaker at the regular club meeting next Tuesday.

Attractive decorations for the luncheon were arranged by Mrs. L. G. Stallkamp and Mrs. Arthur Visscher, and included a profusion of garden flowers in low bowls on tables and in the window recesses.

Mrs. Paul E. Hinkamp presented the Club Collect as an invocation. Arrangements for the luncheon were made by Mrs. William Reagan, assisted by division chairmen. Officers and directors of the club served as hostesses.

Pearline Couple Will Mark 55th Wedding

Allendale, Oct. 9 (Special) — Mr. and Mrs. Roelof Dragt of Pearline will celebrate their 55th wedding anniversary today by holding open house in the afternoon and evening.

Mr. and Mrs. Dragt are the parents of a son, Herman, who with his wife and daughter, Della Mae, are living with them. Mr. Dragt came to this country from The Netherlands when a young man and settled in Grand Rapids. He soon found employment with a farmer, Jesse Woodbury, in Allendale. There he met his bride-to-be, Miss Aldrink, the daughter of the late Mr. and Mrs. Herman Aldrink.

Mrs. Dragt also was a native of The Netherlands and migrated to this country with her parents when she was three years old. They settled in Graafschap and later moved to Allendale, living on the farm now owned by Mr. and Mrs. John Van Dyke.

They were married in the Allendale Christian Reformed church with the Rev. William Heyns officiating. Rev. Heyns was Allendale's first pastor. Mr. Dragt purchased a farm, now owned by Mr. and Mrs. George Bosch, which at that time was a dense forest. With hard labor and undaunted courage he soon cleared a spot for his new home and after erecting it met with his first disappointment when fire destroyed it before they occupied it. After rebuilding, the couple lived there until they moved to a farm in Pearline where they now reside.

Mr. and Mrs. Dragt are members of the Christian Reformed church which Mr. Dragt served as a consistory member for many years. He also served on the Ottawa county board of supervisors for nine years, on the Curry district school board for 27 years and was township treasurer for two years. He served as a board member many years of the Allegan Telephone Co. and the former Allendale Creamery Co.

Mr. Dragt is 81 and Mrs. Dragt 76. They have retired and have left the farm activities to their son and family. Both are in comparatively good health. Five years ago they celebrated their golden anniversary.

HAMILTON MAN IS 91 YEARS OLD

Hamilton, Oct. 9 (Special) — Hein Brower, one of the oldest inhabitants of this vicinity, celebrated his 91st birthday anniversary last Friday at his home. His children and several other relatives and friends called on him during the afternoon and evening.

He was born on Oct. 3, 1850, in Fillmore, the son of the late Gerrit J. Brower and Mrs. Brower, who were pioneer settlers in the vicinity of Overisel, arriving

Hein Brower

from The Netherlands in the year 1847 by sail boat.

His early life was spent in the parental home in Overisel, where the family settled after a few years of residence in Fillmore. Upon his marriage to Miss Johanna Timmerman of Fillmore, the couple moved to Hamilton on a farm at the north village limits where he has resided for more than 63 years. Mrs. Brower passed away five years ago.

Six children were born to Mr. and Mrs. Brower of whom four are living. Mrs. Ben Lugten, Mr. Henry Brower, Mrs. James Lohman and Mrs. Ben Rankens, all of Hamilton. There are 10 grandchildren and six great grandchildren. One brother, Herman Brower of Holland, survivor with him of this pioneer family of nine children.

Mr. Brower was the promoter of the organization of the local First Reformed church and is one of the few surviving charter members. He was throughout the years engaged in the activities of the church and served as an elder for many years, besides holding other prominent positions.

His health has been unusually good for a person of such advanced age. During the past summer he has still been able to assist with the farm work and he may be seen walking the half mile into town very frequently.

His farm home more than 60 years ago was set in the midst of a wooded lot and he has seen many changes since his arrival here. Wooded sections have given way to clearings and populated streets, and a lumbering town has been changed into a beautiful, thriving village.

Clerk presented communication from Liquor Control Commission requesting the Council to pass upon the application of Wilma Lyons for license to operate a tavern and sell beer, etc. at 147 River Ave. This is a request for transfer from Glenn R. Gillespie.

Approved.
Clerk presented affidavit signed by Jennie De Vries filling claim against the city of Holland in the sum of \$300.00 for an injury sustained on the 14th day of Aug., 1941 by a fall on the sidewalk near the intersection of River Ave. and 9th St. It is claimed that the fall was caused when the heel of her shoe dropped into a hole in the side walk and thereby throwing her violently to the ground and breaking a bone in her foot.

City Attorney Lokker reported that he was familiar with this claim since a letter had first been written by Mrs. De Vries stating that she had been hurt in an accident. From this first letter, it appeared that the hole in the sidewalk was on the southeast corner of River Ave. and 9th St. and he with the city engineer had gone over these walks but could not find any place in which the walks were in a dangerous condition. Mr. Lokker also reported having later received a letter from her attorneys and he then outlined our charter provisions relative to what was necessary if they wished to file a claim, and apparently this claim was the result of what he had told them.

Mr. Lokker further stated that upon receiving this affidavit, he

had made another inspection of the walks together with the city inspector and again no dangerous condition was found.

Mr. Lokker stated that under the law a city is required to keep its walks in a reasonably safe condition and the supreme court has ruled that in cases where a 2-inch depression in the walk has been found, it has not been considered a dangerous condition. Mr. Lokker further stated that he was sure that the walks in Holland are in as good or better condition than in most cities and that he was satisfied that no dangerous condition existed which would entitle them to claim for damages.

Claim denied.

Mission Conference in Overisel Is Successful

With a cordial hospitality that opened the homes of the community to the overflow crowd attending the ninth annual fall conference of the Women's Missionary union of the classis of Holland on Wednesday, the Reformed church of Overisel again set a record for missionary zeal.

Leading the member societies with an annual contribution of more than \$1,000 to the women's boards of missions of the Reformed church in America, Overisel also leads in stars on her service flag denoting Christian workers gone out from that church. This perhaps accounted for the increase in the offerings of the conference, so that it was possible to send \$125 to the treasurer of the Women's Board of Domestic Missions and a like amount to the Woman's Board of Foreign Missions, besides about \$65 to the support of a bed in a hospital in Arabia.

The conference opened at 10 a.m. when Mrs. E. E. Heeren of Vriesland, president of the union, gave the keynote of the program in its emphasis on the victorious Christ having the preeminence in one's life. This note was echoed by the speakers which included Mrs. Barnerd M. Luben of Kurume, Japan, Mrs. Theodore Zwemer of Chittor, India, Miss Tena Holkeboer of Amoy, China, Mrs. John R. Kemper of Chiapas, Mexico, and the Rev. John Keuning of Dulce, New Mexico, with Miss Laura Boyd representing Hope college and Mrs. Henry Harmeling of Chicago speaking for the women's boards of missions.

Mrs. Luben in leading the morning's devotional period stressed the fact that "in all these things we are more than conquerors through Him that loved us." She gave numerous instances of men and women that had, in spite of handicaps and persecution, made their way from defeat to victory. Mrs. Kemper, in her afternoon meditation, emphasized being a good soldier in the army of the Lord, mighty in battle. Her very attitude bespoke the joy that inspires recruits to the good fight.

In giving a bird's-eye view of the successful project and program of the Indian work in Dulce, New Mexico, Rev. John Keuning used the appeal of the good neighbor—good Samaritan—policy. He showed how these Jicarilla Apaches had been inspired with "the will to live." Mrs. Zwemer felt the joy of being able to tell people of India what God is like in Jesus Christ, and also the responsibility of making Christians all over the world feel that they belong together.

Bomb-shelled, war-torn, sin-sick China was vividly pictured by Miss Holkeboer, who closed her address with an impassioned appeal that Christian women should be stirred "to work, to give, but most of all, to pray." American youth need the torch of liberty but even more the open Bible, stressed Miss Boyd, in pleading for our own church school, which gives knowledge to make good citizens and wisdom to guide Christian youth.

The board's representative, Mrs. Harmeling, gave a resume of the work accomplished in the mission fields during the past year and also told of the goals which the boards hope to reach during the coming months. These included the China centenary fund to celebrate 100 years of mission work in that country, and memorial gifts for board members and mission workers who have recently been taken by death. The critical situation in Japan was stressed, and announcement made of the work on home bases taken up by missionaries from that country now in America.

Besides the speakers, Mrs. Edw. Koeppel and the Rev. and Mrs. Henry Poppen, missionaries from China, were also present, and Mr. Poppen was privileged to give his parting message before he, with the Rev. Veenchoten, leave for that country again on Friday of this week.

The prayers and benedictions of the Rev. Henry W. Pyle, pastor of the Overisel church and of the Rev. Anthony Van Harn of the church of East Overisel, closed the morning and afternoon sessions. Offertory prayers were given by Mrs. G. Koopman of Overisel and Mrs. H. D. Strabbing of Hamilton.

Music was furnished by a trio composed of the Mesdames Stanley Wolters, Gerald Kleinheksel, and Wallace Folkert, and a solo was sung by Miss Ruth Ann Poppen, with Mrs. Folkert and Mrs. Kleinheksel at the organ.

Officers for 1942 include Mrs. E. E. Heeren, president; Mrs. Laura Boyd, vice-president; Mrs. Dick Vander Meer, secretary; Mrs. Bernard Bosman, assistant secretary; Mrs. Peter Naber, treasurer; Mrs. John Schumacher, assistant treasurer; and Miss Hanna G. Hoekje, permanent clerk.

The conference accepted the invitation of Hope Reformed church, Holland, to hold its tenth annual gathering there in October of 1942.

MEETER SHOWS NEED OF PEACE AMID CONFLICT

Combat Will Continue to End of Time, He Tells AFRYWS

In addressing an overflowing crowd in Hope Memorial chapel Wednesday night on "Peace Amid Conflict," the theme of the AFRYWS convention which will conclude its two-day session here today, Dr. Henry H. Meeter, professor of Bible at Calvin seminary in Grand Rapids, began by illustrating how the craving for peace is latent in every human heart.

"As Christians, we should seek to promote peace," Dr. Meeter said, adding that the Christian church is the most efficient pacifist society known to mankind. "Nevertheless," he said "conflicts in the political, economic and social worlds and struggles with hostile forces of nature will continue to exist, despite our efforts to promote peace, until the end of time."

He sketched peace amid conflict rather than an illusory peace after all conflict will have ceased. "The specific nature of the peace which we favor is not a peace at any price, the peace of the man who would shirk his duty to society to gain selfish personal advantage," he said. "It is not the peace of the man who fails to cite any danger, even when it is threatening to engulf him. Rather it is the peace of mind which comes to the man who pursuing his line of duty, preserves a mental balance and poise and peaceful tranquility amid the greatest trials," Dr. Meeter stated.

He recommended a peace that will prove effective because it tends to quiet fears by pointing to resources which can nullify the danger. "These resources," he said, "are far greater than the threatening danger itself, and moreover a method that makes for peace because it infuses into the mind a power foreign to the man himself and injects a dynamic power into the soul which transforms cowards into heroes and fills the heart with peace and courage."

Dr. Meeter said the lack of such peace among Christians today was due to the lack of a virile faith and the making of prime interests in such things, good enough in themselves and in their proper places, as business, sports, home, social status and failing to place God at the very center of life's interests. His solution to this problem was a return to God and placing "first things first."

He concluded his address with an appeal to the AFRYWS, an organization which carries this very ideal of a God-centered life in its banner, to keep the eye of faith upon God, thus possessing that peace which comes from above to become a beacon and an inspiration to many others in this present emergency for God and home and country.

Miss Johanna Timmer of Grand Rapids, federation president, presided. The Rev. D. H. Walters of Holland led the song service and the Rev. Daniel Zwier led devotions. Greetings were extended by Richard Postma of Grand Rapids, president of the AFRYMS, and by Prof. Clarence De Graaf of Holland, president of the Holland-Zeeland League of Young Men's societies. The closing prayer was given by Dr. J. T. Hoogstra of Holland.

MORE REBELS SHOT OR SENT TO PRISON

Berlin, Oct. 9.—D.N.B., official German news agency, reported today in a dispatch from Prague that nine more Czechs had been sentenced to death, bringing the total for the past 24 hours to 23.

Fourteen persons were reported sentenced and executed at Prague yesterday. The nine sentenced today have not yet been executed, D.N.B. said.

Refugee Yugoslav sources in London estimated 180,000 Serbs and Jews have been imprisoned, tortured or killed in Yugoslavia. Russian reports said 1,000 more Poles have been shot, 60,000 sent to prison and another batch of 540,000 sent to Germany for forced labor.

Endeavor Activities Get Under Way in Holland

Activity schedules of the Holland Christian Endeavor union were distributed among the various young people's societies throughout the city Sunday evening. The programs this year are more elaborate than usual with pastel blue covers and containing messages by the union president and pastor counselor, along with the Christian Endeavor pledge and list of union officers.

Plans are going forward for sponsoring the appearance of Pruth McFarlin, Negro tenor, who will present a vespere recital Sunday, Oct. 19, at 4 p.m. in Third Reformed church. The tenor appeared here in a recital in Hope Memorial chapel a year ago and attracted a large following.

Endeavorers interested in participating in the annual play sponsored by the union are asked to meet for try-outs tonight at 7:30 p.m. in the home of Mrs. Nina Daugherty who will direct the production. The play selected this year is "The Mender," a comedy-drama by Edward E. Rose.

Several persons took part in the meeting of the Young People's society of First church Sunday night. Betty Fryer served as chairman and conducted devotions. The topic, "Seven-Day Christian," was divided into several sub-topics. Genevieve Bussies spoke on "Begin With the Lord's Day" and Charles Knothulzen on "Taking Christianity to School." "Being a Christian at Work" was the subject of a talk by Lorraine Inderbitzen and "Christ the Unseen Guest in the Home" was Delbert Vander Haar's subject. Lois Potter spoke on "Remembering to be Christian in our Recreation and Amusements." The Rev. Nicholas Gosselink coordinated the topics in a final talk.

The first meeting of the Junior Christian Endeavor society of Fourth church was held Sunday afternoon under the supervision of Miss Nelia De Groot. Mrs. A. Knoll and Mrs. H. Van Dyke. Thirty children were present. Plans for the coming year were taken up. Officers elected were Beverly Vischer, president; Abelenne De Roos, vice president; Jane Mary Vischer, secretary; Kenneth Baumann, treasurer, and Judith Vischer, assistant secretary and treasurer. The vice president will lead next week.

All five societies of Sixth Reformed church resumed their meetings for the year Sunday afternoon and evening.

The new junior society connected with the 34th Street Reformed chapel had a party Saturday in the home of the sponsor, Winifred Dykstra. Games and relay races were conducted and prizes were awarded to Beatrice Michmershuizen, Roger Jipping, Delores Langejans, and Virginia Poll. Cake and ice cream were served to 36 boys and girls.

A recreation meeting was held in connection with the topic in Third Reformed Young People's Christian Endeavor society Sunday evening. Howard Van Egmond, president of the society, gave a talk on "Seven-Day Christians." Twenty-five were present.

The Junior and Junior-Intermediates met in the afternoon with 33 present. Howard Van Dahm led the older group and Sally Houting the younger, both on the topic, "When Jesus Went into the Synagogue." Leaders for next week are Billy Van't Hof and Janice Karsten. Contests for both groups will begin within the next two weeks.

SOO NAVIGATION IS PARTLY UNDER WAY WITH LOCKS CLEAR

Sault Ste. Marie, Oct. 9.—Partial navigation of ore shipments vital to defense was resumed through the Soo canal today after removal of a 120-ton locomotive which collapsed a steel railway bridge Tuesday.

Government wrecking crews, directed by army engineers, dislodged the engine from the broken arm of the steel and concrete bridge jamming the large Davis and Sabin locks. With a pontoon derrick, capable of lifting 170 tons, the engineers lifted the span enough to allow more than 100 ore-carrying vessels to pass through the locks.

M. N. McMillan, assistant general manager of the Canadian Pacific railways, said service would be resumed over the bridge "in about a month."

A few ships, of 18-foot draft or less, sailed through the American Poo lock, which was not damaged by the crash.

Fails in U.S., but Gets His Wings in Canada

Grand Rapids, Oct. 9.—Although he was "washed out" of the U. S. air force, Paul G. McDuffee is wearing pilot's wings today.

Reaching Tulsa field, Okla., after 22 months of training, McDuffee was rejected by the army this spring. He went across the border to Windsor, Ont., and joined the Canadian force Feb. 11.

He was one of nine U. S. men to be graduated by the No. 4 service flying school of the Royal Canadian air force Tuesday. He was given the rank of leading air-craftsman.

STEAL RELIEF FUNDS — Sheriff's officers today sought the thieves who last night broke into the social welfare office of the Lenawee county building and cracked a safe containing \$400, including hospitalization and child care funds.

WANT-ADS

OPEN DATE FOR DUTCH PERMITS WEEK END REST

Resting on their laurels, the Dutchmen of Hope college are taking things easy in preparation for the next game of Friday night, Oct. 17, when Grand Rapids University invades Riverview park.

The squad came out the tough Alma skirmish with only one injury, a broken nose sustained by Bill Hakken, veteran guard. Bill will be ready to go for the Lancer game.

Coach Bud Hinga was well pleased with the showing of his eleven against the powerful Alma Scots. The punting of Don De Fouw was the highlight of the game. Len Pape, reserve tackle, was transferred to the guard position and played a bang-up game at this post and is being intensively drilled for the position. In the ball carrying department, Hoots Rowan, reserve right halfback, impressed the coach and he is expected to push the regular ball-carriers.

Tuesday night a hard session of blocking and tackling was practiced by the Dutch. Last night, the blue reserve team battled the varsity in an hour scrimmage. The reserves showed a tremendous amount of drive and versatility of attack, while the varsity appeared weak at blocking. These difficulties will be ironed next week. The squad was given a rest for the remainder of the week-end and will be able to watch the annual clash between the freshmen and sophomores of Hope college in the yearly tug-of-war across Black river Friday afternoon.

DEFENSE PLANT TO BE ERECTED

Federal Loan of Over Six Million Is Approved for Industry

Grand Rapids, Oct. 9.—A defense plant which will employ 800 persons was assured for Grand Rapids today following approval in Washington Wednesday of a \$6,266,000 loan to Extruded Metals, Inc., of Belding.

The loan, announced by Federal Loan Administrator Jesse Jones, provides \$3,966,000 for machinery and equipment and \$2,300,000 for purchase of land and construction of buildings.

Expensive equipment is responsible for the seemingly-high loan for a plant which employs 800 workers, mostly skilled. John L. Barrett of Grand Rapids, president of the company, said.

Selection of a building site must be approved by the war department. The plant will produce hard, high-strength aluminum alloys to be used principally in construction of army planes.

Sixty-five acres will be required to accommodate the new plant, and nearness to power sources and convenience of other facilities will dictate choice of the building plot.

HIGHLY TOUTED SCOTS HELD TO 7-7 TIE BY HOPE

Both Teams Threaten in
Last Quarter; Deadly
Passes Hurdled

The Orange and Blue of Hope college was waving high Friday night, as the scrappy Dutchmen held the highly-touted Alma eleven to a 7-7 deadlock on the Scots' gridiron.

The Hingamen struck quickly in the first quarter on a bullet pass from Art Timmer to Dick Higgs. Alma came roaring back in the second quarter on a Tait-to-Kirby aerial to tie the score. Hope threatened seriously in the last quarter and an attempted field-goal by Roy Davis from the 18-yard line missed its mark. Twice, within the final quarter, the Dutchmen roared inside the Alma ten-yard line only to be thwarted by the forward wall of the Scots. In the final quarter, a serious bid was made by the Scots, and the game ended with the ball in Alma's possession on the Hope 9-yard line.

After five minutes of the first quarter, Hope started a drive from its own 45. Davis crashed center for 5 and Art Timmer sliced off tackle for 12 and a first down. An aerial from Timmer to George Slager and another to Dick Higgs placed the ball on the Alma 17. The threat was stopped by Hartt who intercepted a pass on his own 32. Not the least discouraged, Hope came surging back to score in two plays. Timmy hit tackle for 1 and then faded to the right, shot a pass to Dick Higgs on the 25, who romped over for the touchdown. The reliable Davis kicked the extra point.

In the second quarter, Alma shot the works. Starting on the 50, Battleship Tait made 15 on two tries, Kirby smashed center for a first down on the 21. Tait ripped through tackle for 11 and then rifled a pass to Tinker Kirby in the end-zone. Kirby calmly converted and the score was deadlocked.

As the second half started, the two teams traded blows, as the Dutchmen, with Timmer running brilliantly, ripped off two first downs, and the Scots came roaring back, mainly on a 25-yard aerial from Tait to McKeith which placed the ball on the Hope 35. His

threat was stopped when Higgs intercepted on the Hope 23. In the fourth quarter, Timmer returned a Alma punt to the 30 and the Dutch began to roll goalward. DeFouw crashed center for 2, Timmy skirled tackle for 9, Rowan picked up 6, and DeFouw carried the ball to the 13. Three plays failed and Roy Davis tried a field goal from the 25. The ball sailed wide and low of the cross bars. Nearing the end of the game, Bob Rowan fumbled on the Hope 19 and Alma recovered. King and Tait collaborated in making a first down on the 8. But the stalwarts on the Hope forward wall stopped the running game cold and the game ended with the ball on Hope's 9 in the Scots' possession with 3rd down and goal to go.

The entire forward wall for Hope played a whale of a game. Probably the outstanding linemen were Bill Hakken and reserve Len Pape. Hakken was in on almost every play and with Roy Davis was responsible for stopping the famous center smashes of the Alma backs. In the backfield, the deceptive running of Timmer was the feature, while Reserve Hoors Rowan showed a lot of drive and power. Defensively, Roy Davis backed up the line brilliantly with his vicious tackling.

For Alma, Battleship Tait, although scuttled by the Hope line-men, still starred in the backfield, aided by the generalship of Tinker Kirby. On the line, Keith Carey, giant end, and Captain Ed Baklar were constantly harassing the Hope runners.

Hope edged Alma in first downs, 10-9. The Dutchmen attempted 14 passes and completed 6, with 3 being intercepted. Alma tried 10 aerials and completed 8, with 2 being intercepted. On the whole, the game was spectacular with long runs and deadly passing featuring the game. The passing was spectacular because the ball was soggy on account of the damp gridiron.

The line-ups:
Hope: Morgan, RE; Bekken, RT; Hakken, RG; Tappan (C); C; Yeomans, LG; Vanderhill, LT; G. Slager, LE; Davis, Q; Timmer, LH; Higgs, RH; DeFouw, F.

Alma: Carey, RE; Baklarz (C); RT; Hicks, RG; Hartt, C; La Paugh, LG; Robertson, LT; Holmes, LE; Tullis, A; Hait, LH; Pink, RH; Cappaert, F.

Heights Score at Start to Win Over Hollanders, 13-0

Striking with precision and ferocity, the powerful Muskegon Heights eleven downed a fighting Holland squad, 13-0, Friday night under the arcs of Riverview park before a crowd of 2,500, including 1,000 staunch Heights rooters.

The Tigers, led by vicious running by Mike Regezi and Dick Homan, deadly blocking by the forward wall, and beautiful deception, crashed through the Dutch defense for two touchdowns in the initial quarter. After this disastrous beginning the Dutch settled down and battled the Tigers on even terms for the remainder of the game. However, the damage was done.

Chuck Gomery opened the contest by kicking off to Gene DeWitt of Holland who returned to the Dutch 37. Ploegsma was forced to punt on the third down and the Heights started from the 30. Homan, with terrific drive, smashed center on two successive plunges for 14 yards. Regezi hit right tackle for 5, but a penalty stopped the Heights march and Gomery punted out on the Dutch 18. On the first play came the break of the game. Vern Kraai fumbled and Bill Thornberry, alert flanker, pounced on the ball on the Holland 14. On the second play, surrounded by blockers, Thornberry swept over the right side of the Dutch line on an end-around to score unopposed. Homan missed the try for the extra point and the score read, Muskegon Heights, 6, Holland, 0.

After receiving the next kickoff, the Tigers started from their own 38. A holding penalty set the Tigers back to the 25. Then in seven plays, the powerful Heights swept across the last stripe for the second touchdown. Regezi passed to Fortenbacher and to Thornberry for 20 and 7 yards respectively. Thornberry grabbed another pass for 37 yards to the Dutch 10. Richardson was stopped, Regezi hit tackle in two plays to the one-foot line, and Brongersma, on a reverse, went over for the score. Homan converted and the Heights led, 13-0.

After two plays, Holland was again forced to punt and Muskegon Heights began again from its own 49. Mike Regezi went through a big hole in the center of the Dutch forward wall and romped 28 yards to the Dutch 23. However, the Holland stands were given something to cheer about, as the Dutch line rose to stop the challenge and the attack bogged down on the 26. Just before the end of the first half, the Dutch registered its initial first down of the contest, on a penalty and an 8-yard jaunt by Walt Milewski, reserve back.

The first half was marked by the power and deception of the Muskegon Heights versatile eleven and the Dutch didn't have a chance to get started.

The second half began as a repetition of the first, as the Tigers started a sweep down the field the first time they laid hands on the pigskin. But Lloyd Heneveld stepped into the breach and intercepted an aerial on the 43-yard line of Holland, and the Dutch began to move. DeWitt hit tackle for 3 and then, Ken Rotman faded and tossed an aerial to Heneveld for 14 yards and a first down on the 36. A holding penalty momentarily halted the determined Dutch, but this was nullified by a 10-yard dash by DeWitt and a 12-yard pass, Rotman to Kraai. DeWitt made it a first down on the 23. Then, Gene hit tackle for six and Kraai again snatched a pass for a first down on the 9. Two line plays failed because of a decided lack of blocking and Kelley, a Tiger reserve, came up with an interception on the 2-yard line to end the threat.

But, the Dutch retorted, chiefly on passes by Ken Rotman to Kraai for 18 yards and to Oosterbaan for 14 to the Heights 16. However, Rotman failed to make a first down by inches and the ball was retaken by Heights on its own 11. This was the last serious threat of the Dutchmen. Led by Jack Wier-

senberger, the Muskies came back but serious 15-yard penalties for clipping and holding nullified two successive gains of 45 yards, and 50 yards. Then, with 5 minutes of playing time remaining, Chuck Gomery, from modified punt formation, rammed right tackle, before Gene DeWitt downed him on the Holland 14. The blocking on this play was superb. But the Dutch rose up to stop the running attack cold and took the ball on downs on the 9. Rotman then boomed a 54-yard kick to take the Maroon and Gold out of danger. The game ended with Muskegon Heights in possession on its own 33.

Except for the first quarter, the game was played evenly. The hard-driving off-tackle smashes of DeWitt featured the running attack for the Dutch, while the pitching of Ken Rotman to Vern Kraai and Lloyd Heneveld brightened the aerial game. On the line, although battered by the hard-charging Tigers, the play of Willis Steur, Clarence Maatman, and Lloyd Heneveld stood out. Considering that the Dutch forward wall was out-weighted 10 pounds to the man, the entire line performed creditably.

From the Heights array of runners, Mike Regezi and Dick Homan were the big guns that consistently ripped through the Holland forward wall. Doing yeoman work on the forward wall in opening holes and tackling, were Bob Johnson, Captain Art LeRoux, and Bill Thornberry.

The Tigers made 12 first downs to Holland's 8. The Dutch hit 5 complete aerials out of 17, the Tigers 4 out of 8. In penalties, the Heights were set back the astounding total of 110 yards, while the Dutch had 20 yards against them. Holland only fumbled once, but this proved costly, and the Dutch pounced on two Tiger misplays to stop threats.

The line-ups:
Holland: Kraai (C), LE; Groters, LT; ZanZyl, LG; Van Lente, C; Maatman, RG; Vanderkuy, RT; Heneveld, RE; Rotman, Q; DeWitt, LH; Ploegsma, RH; Vanderbunte, F.

Muskegon Heights: Thornberry, LE; Joe Tomorsky, LT; Ruzicka, LG; Julius Tomorsky, C; Johnson, RG; Le Roux (C), RT; Fortenbacher, RE; Gomery, G; Regezi, LH; Brongersma, RH; Homan, F. Officials: Referee, Wheeler; umpire, Rich; head linesman, Barnard.

The Muskegon Heights reserves showed power and drive in downing the Dutch reserves in an afternoon tilt by the same score, 13-0. Heights scored in the first period on a fumble and in the third on a sustained march.

**TWO FACE CHARGES
FOLLOWING WRECK**

Grand Haven, Oct. 9 (Special)—Edward Spoelma of Grand Haven was sentenced to serve five days in the county jail by Justice George V. Hoffer on Monday upon his plea of guilty to a charge of drunken driving.

He also paid a \$50 fine and costs of \$8.45. Otto Emmeneger, 26, also of Grand Haven, was sentenced to serve 10 days in the county jail upon his plea of guilty to a charge of being drunk and disorderly.

The charges against the two resulted from their arrests Saturday about 4 p.m. by State Troopers Kent Lumbard and John Antonelli following an automobile accident on M-104, just east of Spring Lake in front of Curve Crest tavern.

Spoelma is alleged to have run into a parked car in front of the tavern, while the owner of the car, Willard North, of route 2, Spring Lake, was in the tavern. After the accident both Spoelma and Emmeneger, who was riding with Spoelma, sought to fight with those near the scene, police said.

STEPHAN CITES ADVANTAGES OF C. OF C. TO CITY

Holland Business Growth
Pointed Out in Talk
to Kiwanians

Advantages of a Chamber of Commerce to a city were outlined by E. P. Stephan, secretary-manager of the Holland Chamber of Commerce, in an address, "Why a Chamber of Commerce," which he delivered today noon in the Warm Friend tavern to members of the Holland Kiwanis club.

"The Chamber of Commerce office is the information bureau of a city," he said. "The stranger tourist, resorter come here for information. Industrialists, commercialists, professionalists who are considering locating somewhere write to the Chamber of Commerce. Name a city in the United States that is alive and prospering and you will find there an active Chamber of Commerce."

Concerning the local organization, Mr. Stephan said Holland has 77 industries and 14 truck lines which make the city and are the avenues of its financial life. Because of this growth and development of the factories, the city has 177 retail stores, 15 chain stores, 39 gasoline stations, 17 auto dealers, 15 beauty shops, 21 doctors, 15 dentists, 41 food stores, 22 restaurants and eating places, he said.

"The Chamber of Commerce serves them all and, but for a Chamber of Commerce, many of them would not be here. There is no fanfare or pyrotechnics about a Chamber of Commerce but every day and all the time it is quietly working for the welfare of the city."

"A Chamber of Commerce is an organization of business men and others who share their points of view to promote commerce and industry and those general interests of the community which affect commerce and industry or with reference to which people engaged in commerce and industry should concern themselves."

"It is distinctly and decidedly a community enterprise, and being considered such, it is solicited, advised, criticized by all, non-members as well as members, such as no other organization is subject to."

"Most of the criticism comes from non-members who do not understand the work and purpose of the Chamber of Commerce."

"Labor, especially, is suspicious of the Chamber of Commerce. It is commonly reported among many of them that the chamber is an adjunct of the manufacturers association, helping them to maintain a low wage scale. This is silly and untrue. In the first place, the manufacturers in our city are not organized, so there can not be a manufacturers association. In the second place, more than three-fourths of its members are commercial and professional men, who would not support the chamber if such was the fact. Bigger payroll means more business for them."

"My predecessor, William C. Connelly, was cursed with rumors of this kind. When the Garrard foundry opened, it was commonly reported that he went there and

told them to reduce their wage scale. He had written, it was said, to General Motors, asking them to refrain from offering high wages. Both were untrue. Mr. Connelly did not take the time or trouble to refute these reports. On account of this unfair and unjust gossip, he finally resigned and the Chamber of Commerce lost the most dynamic secretary it has had up to the present day.

"I wasn't in office one year but a story was spread amongst the factory workers that I had contacted the Chris-Craft Co. and told them not to pay the high scale of wages they had announced. I did not let that go by unchallenged. I forced the two men who had made the statement to come in my office and confronted them with what I was told. They both denied it, but it was somebody else whose name they did not know, who had said this."

"They knew the man if they saw him, and they would bring him in. I told them if they would do this I would give them \$10. I never heard from them. I gave publicity to the whole affair in The Sentinel Sept. 20, 1939, giving the source of my information and the names of the two men involved and the folly of the story. This had the effect that the secretary of a labor organization came in the office and told me that the article was read at their meeting the night before and heartily endorsed and approved."

"However, it did not entirely stop rumors of this sort. Every now and then some one will still
