QUEEN WILHELMINA APPOINTS NEW MAN

JACOB STEKETEE HAS BEEN SELECTED CONSUL OF THE NETHERLANDS IN PLACE OF GEO. BIRKHOFF.

Grand Rapids Man Receives Signal Honor from Queen Wilhelmina

After serving 14 years as vice-consul of The Netherlands for Michigan, Jacob Steketee of Grand Rapids has received the honor of an appointment from Queen Wilhelmina of Holland as consul of a new district comprising the states of Michigan and Minnesota.

Mr. Steketee has served as vice consul for Michigan since the death of his father, John Steketee, who was appointed vice consul 30 years ago, serving under Consul George Birkhoff, of Chicago. The latter died last August and since that time the district has been divided, Michigan and Minnesota being made into one district. Jacob Steketee receiving the honor of being named consul. A. Fenkema of Minneapolis has been appointed vice consul for Minnesota under Consul Steketee.

While the appointment was made through the recommendation of Consul Birkhoff before his death when the division was contemplated, the influence of Dr. John Loudon, the minister of foreign affairs of the Netherlands, was instrumental for the immediate appointment.

Otto P. Kramer was in Grand Rapids today.

GORDEN VS. VAN DYKE

FRED GORDEN OF CROCKERY NAMED FOR COUNTY TREASURER. BELOW THE NEWS PUBLISHES THE FIGHT BY ROUNDS

Jake Van Dyke Of Holland Township Strongest Contender But Could Not Win Out

Fred Gordon, former supervisor of Crockery received the necessary 14 votes to make him the candidate for county treasurer, to fill the vacancy caused by the death of Nicholas Essenburg of this city at the meeting of the Republican County convention here yesterday afternoon in Grand Haven.

There was a lively fight on for this position and Gordon was not elected until on the fourteenth ballot. Then he just received the exact number of votes necessary to appoint him. Jake Van Dyke of Holland Township during the first balloting seemed the likely candidate and he gave Gordon a hard race throughout. At one time he received as many as eleven votes but his backers could get no more than that. Former city treasurer Claude Vander Veen was another strong contender. The final vote was Gordon—14, Van Dyke 7 and Vander Veen 5.

Jacob Glerum presided over the meeting as county chairman and Jno. Van Anrooy was at the secretary's desk. Mr. Glerum appointed Fred Averill and Ben Mulder to act as the tellers of the vote.

An opinion by telephone Wednesday morning from Atty. General Fellows at Lansing was to the effect that neither Mr. Glerum or Mr. Van Anrooy could cast a ballot in the election, and they were simply officiating in the conduct of business.

Zeeland City sent down a committeeman to take the place of James Cook, whose death occurred this week, in the person of John Meyerling. The seating of Mr. Meyerling brought a protest from Dan F. Pagelsen of Grand Haven who put up the argument that the selection of Mr. Meyerling was illegal. Finally by a vote of 17 to 8 it was decided to leave the matter of the seating of Mr. Meyerling with Prosecuting Attorney Osterhaus and a ten-minute recess was taken to give the county attorney time to draft an opinion in the matter. Mr. Osterhaus could find nothing in the law to prevent the committee from seating the Zeeland man and advised that he be seated. This was also the opinion of Attorney Van Duren. Those who fought for the seating of Meyerling were Pelgrim, Van Duren, Lugers and Mulder.

Below you will find the compiled statement of how the vote stood on each ballot taken from the first to the fourteenth when Fred Gordon of Crockery received the required number of votes to place him on the ballot to fill the vacancy caused by the death of Mr. Essenburg.

The Vote

First Ballot:—Van Dyke, 7; Van Der Veen, 5; Gordon, 8; Huizenga, 5; Coburn, 1.

Second Ballot:—Van Dyke, 9, Van Der Veen, 5; Gordon, 9; Huizenga, 3.

Third Ballot:—Van Dyke, 9; Van De Veen, 5; Gordon, 11; Huizenga, 1.

Fourth Ballot:—Van Dyke, 11; Van Der Veen, 5; Gordon, 10.

Fifth Ballot:—Van Dyke, 11; Van Der Veen, 5; Gordon, 11.

Sixth Ballot:—Van Dyke, 10; Van De Veen, 5; Gordon, 11.

Seventh Ballot:—Van Dyke, 10; Van Der Veen, 5; Gordon, 10; H. K. Boer, 1.

Eighth Ballot:—Van Dyke, 9; Van Der Veen, 5; Gordon, 12.

Ninth Ballot:—Van Dyke, 11; Van Der Veen, 5; Gordon, 10.

Tenth Ballot:—Van Dyke, 10; Van Der Veen, 5; Gordon, 10; H. Van Der Warf, 1.

Eleventh Ballot:—Van Dyke, 10; Van Der Veen, 6; Gordon, 10.

Twelfth Ballot:—Van Dyke, 8; Van Der Veen, 7; Gordon, 11.

Thirteenth Ballot:—Van Dyke, 9; Van Der Veen, 5; Gordon, 12.

Fourteenth Ballot:—Van Dyke, 7; Van Der Veen, 5; Gordon, 14.

Herman Vanden Brink, city treasurer of Holland, was not a contender for the Republican candidate for county treasurer when the county committee met yesterday afternoon in Grand Haven to appoint a man to fill the vacancy caused by the death of Nicholas Essenburg of this city. Mr. Vanden Brink at first announced himself as being in line for the position but later he withdrew in favor of the other candidates.

HOLLAND MAY HAVE A GREAT WHITE WAY

HOSPITAL PROPOSITION TURNED DOWN BY THE COUNCIL

Motion Pictures Must Be Better In The Holland Movies

Under the direction of chairman pro tem, Ald. Congleton, the council meeting passed off smoothly and quickly last evening. Many important matters were brought up and disposed of. Mayor Bosch was present at the meeting for the first time for three meetings. His voice is still weak and he could not deliberate over the meeting. Alderman Slagh was absent last night.

Some of the most important things brought up last evening were the appointment of Simon Kleyn to fill the vacancy on the Board of Supervisors caused by the death of Nicholas Essenburg, introduction of plans and specifications for a boulevard system of lights, mayors message on motion picture shows and the discouragement of the new hospital project. Besides these matters other important business was transacted.

Get Gas Connection In A Hurry

After the submission of a petition to the council by the Gas Company to be allowed to make connections to two new homes—which was allowed it was proposed that in the future the Committee on Streets and Crossings be given the power of allowing the Gas Company to make connections with homes not on paved streets without first asking for the consent of the council. This was decided upon by the council. In the past when people asked for gas connections the matter was held up until the consent of the council was gained. This sometimes delayed the work for two weeks. In the future the Gas Company can make the connections immediately.

Hospital Bills Not Paid

Miss M. Barendse asked the city to take care of bills incurred by the police at her hospital. The department it seems brought men to her hospital in the north side of the lake for care, who were brought there by the city police and last night she requested the council to have a committee meet with her and settle the matter. The matter was referred to the committee on Ways and Means.

Some time ago city officials informed Miss Barendse that injured men brought there who were city charges were to be cared for at the expense of the city. She said that the bill against Mr. Fairchild of Chicago who attempted suicide in Centennial Park sometime ago by shooting himself had been rejected. Mr. Fairchild was brought there by the local police. The man recovered after all possible care had been given him but the bill for this care was rejected by the city and also by the county. Certainly some way should be found to take care of such bills without putting a woman to all kinds of trouble.

Municipal Hospital Proposition Turned Down By The Council

A petition signed by several prominent Holland businessmen and physicians was submitted to the council last night requesting that the people of Holland be given a chance to vote on the proposition of raising \$15,000 for the purpose of either buying or building a municipal hospital in this city. After some argument the petition was filed, which means that it has been turned down.

Ald. King supported by Drinkwater was in favor of having the question put as it was but Mayor Bosch spoke in favor of dropping it. Prins and Congleton asked for a more definite statement of plans while Alderman Harrington said it was not a large enough sum and said that if the sum was raised to \$25,000 he would be in favor of putting it to the vote of the people at the election Nov. 3.

Naberhuis Gets Winter Vacation
On request of City Engineer Naberhuis the common council last night decided to give him a leave of absence for the balance of the year without pay under condition that he return if called on urgent business by the council.

Sometime ago the city engineer handed in his resignation to the council but the council refused to release him at that time. He decided to wait until later when the summer work was completed and things straightened out in his office. He will continue to work for the council after his leave of absence expires according to the present plans. Mr. Naberhuis is planning to go to Florida where he has a chance to put through a deal with considerable profit to himself.

NEWS from the COUNTY

ZEELAND

Rev. and Mrs. P. P. Cheff entertained several of their friends at the Colonial Cafe Saturday evening in honor of Dr. and Mrs. B. J. Masselink who recently returned from a several years stay in middle Africa. Those present were Dr. and Mrs. B. E. Masselink, of Kalamazoo, Dr. and Mrs. B. J. Masselink of Africa, Mr. and Mrs. John Wickers, Mr. and Mrs. H. Van Benneam and Dr. and Mrs. J. Masselink all of Zeeland.

Mrs. B. J. and Mrs. B. Masselink, favored the party with some very beautiful vocal selections.

The factory building of the Zeeland Ornamental Co., was burned to the ground about 5 o'clock Sunday morning. The building is but partly covered by insurance. The building was a frame building. Mr. Ver Planke, manager of the business was in the city on a visit. About midnight Saturday night the fire department was called out and extinguished a small fire in the ornamental Co. building. It was thought the fire was out when the department left, but some smoldering embers were very probably the cause of the fire later on.

Dr. Masselink of Zeeland only avoided running down, Lester, the 4-year-old child of Mrs. J. VanderMeulen, 3 E. Eleventh St., Saturday night by turning his machine into a trolley pole. The accident happened on Eighth street near Columbia avenue. Mr. Masselink escaped injury but his car was damaged. The child was struck a glancing blow but only received a few minor scratches. Dr. Masselink then took the child to its home and attended to its injuries.

The child was running along the sidewalk. Just as the doctor drove along it ran into the street directly in front of his machine.

Mrs. Wm. Moerdyke of Holland, is a guest at the home of her son P. T. Moerdyke on the corner of State street and Central avenue.

Mr. and Mrs. E. J. Mac Dermid made an auto trip to Reed City the first of the week.

Mr. and Mrs. E. Stadt of Grand Rapids spent Sunday at the home of S. Bouwens on Church street.

Mr. and Mrs. M. De Hoop of Grand Rapids returned to their home after a week's visit with relatives in the city.

Mr. and Mrs. Benj. and B. Masselink of Africa and Kalamazoo respectively, rendered a beautiful selection Sunday night at the services of the 1st Reformed church.

Mrs. M. Kolyn and daughter Anna of Holland were the guests at the home of R. La Huis over Sunday.

Frank De Bruyn who was hurt last week in an automobile accident in Grand Rapids, returned to Zeeland yesterday after having spent the last week in the St. Mary's Hospital in Grand Rapids. Mr. De Bruyn is improving nicely.

Clarence Boone from Grand Rapids is spending a few days in Zeeland visiting at the home of his parents, Mr. and Mrs. C. Boone of Lincoln street.

Mr. John Kleskamp from Olive was a business caller in Zeeland Tuesday.

Mr. Henry R. Wright from Grand Rapids spent yesterday in Zeeland on business.

Mr. and Mrs. Gerrit Walkote from Jonesville, Mich., spent the last part of the week visiting at the home of Dr. W. G. Heasley.

Owing to a delay in the delivery of material, the new tracks being laid on the private right of way of the G. R. H. & C. R'y in Zeeland will not be finished before the first of next week.

This section of track is probably one of the finest ever laid in this state, as rails of heavy weight, have been used and the poles and ties have been specially selected. Excepting on the curves where the track will be doubled the new right of way will be single track until later in the year when the entire street will be double-tracked. Haste necessitated by the desire of the city of Zeeland to lay a sewer line thru the center of the street now occupied by the old track, makes it impracticable at this time to construct more than a single track on the new right of way.

As soon as the new track is ready for operation the old track will be torn up and the main street of that city will cease to witness the busy whirl of interurban traffic.

GRAAFSCHAP

The Rev. M. Van Vessel, pastor of the Graafschap Christian Reformed church will celebrate the 27th anniversary of his ordination as minister of the gospel this month. Recently Mr. Van Vessel received a call from the First Christian Reformed church of Paterson, N. J.

NOORDELOOS

The Misses Jennie and Nellie Kuyers of Noordeloos spent the week with relatives in Muskegon and Fremont. They are at present the guests of Mr. and Mrs. John Balder of Fremont Michigan.

OVERISEL

There is a possibility that an electric road may connect Holland with Allegan and Kalamazoo taking in Salem, Hopkins, Monterey and other intervening towns of Overisel, ers along the line. A rousing meeting was held in Overisel and \$1000 was subscribed on the spot with which to help pay expenses toward getting the right of way near Overisel. Similar meetings were held in Salem and Hopkins. A committee was appointed consisting of Herman Hulsman, John Poppen, O. Schaap and Mr. Tien who went to Kalamazoo to confer with the Interurban authorities there and it was said that considerable headway has been made. This same committee also went to Salem and other towns on the prospective right of way to arouse enthusiasm towards bringing the project about.

The farmers are all enthusiastic and little difficulty will be experienced in getting the right of way, wherever desired. The farmers all have seen what a great benefit and convenience these interurban lines have been to other agriculturists about the state and they are doing everything possible to have the line go in the proximity of their home. There is no doubt but that an interurban from that direction will be a great benefit for Holland and every thing should be done by our businessmen's association and our board of trade to foster the coming of this road to this city.

SAUGATUCK

Because of the intercession of Congressman Hamilton it is probable that G. H. Sheridan, keeper of the lighthouse at Saugatuck, will be retained in his present position. The department of commerce had intended installing an automatic light at this station which would dispense with the need of a keeper. Mr. Sheridan was to be transferred to St. Joseph where he was to be made supply clerk. Citizens of Saugatuck protested. They claimed a keeper of the lighthouse was needed to give extra warnings in time of fog. Congressman Hamilton took the matter up with Assistant Secretary of Commerce Sweet. Inasmuch as the new automatic light may not be installed by October 15, the close of the present season, Mr. Sheridan in all probability will not be transferred this year, if at all.

The steamer Liberty, which has been running between Saugatuck and Grand Haven this fall for the Crosby line, brought in her last load of fruit Friday night. The steamer has about cleaned up all of the fruit at Saugatuck for the market, and will depart for her home port, Manitowoc, in a few days. Captain J. M. Clow is master of the craft.

MACATAWA PARK

S. Miller, of Macatawa, was in the city yesterday and when asked about the improvements under way at Macatawa, expressed his gratification with the progress made. He expects that before the rough weather of late fall comes the sea wall will be built as far as the bath house. It will take all next year to finish the job and when completed it will reach from a point just north of the Angle's Flight on the northern part of the park beach to the cottage of Mr. Adams on the south side.

The wall will be of very substantial construction, Frank Oosting, the Holland contractor, is in charge of the stone and cement work and as fast as he prepares the heavy cement slabs, Will Van Anrooy with his pile driver and sand sucker places them in position. Mr. Oosting has three gangs of men working and Mr. Van Anrooy has his full crew on the job. D. P. Perry of Chicago who acquired the Macatawa Park association about six years ago is in charge of the work and it is due largely to his efforts that the sea wall became a possibility.

The association is standing a portion of the expense and the cottage owners, both those on the beach and those on the hill, have also contributed, excepting in a few instances.

JAMES COOK PASSED AWAY AT MERCY HOSPITAL, CHICAGO FOLLOWING OPERATION

Has Been a Success in the Milling Business; Is Now Proprietor of Zeeland Milling Co.

James Cook, aged 53, ex-mayor of Zeeland, died Monday at Mercy hospital, Chicago, where he was taken for treatment several days ago. Mr. Cook had been ailing for some time and a few weeks ago went to Ann Arbor where after an examination, he was told that he had ulceration of the stomach. Following the Ann Arbor trip he went to Mercy hospital and was operated upon by Dr. Murphy four or five days ago.

Deceased lived in this city for a number of years, first being employed by W. H. Beach in his commission store and later by Mr. Beach in the milling business. He went from here to Morely, Mich., where he conducted a milling business, and about 12 years ago he bought the Zeeland Milling Co., which he converted into a prosperous enterprise.

Sunday night a telegram was received by relatives here that he was not expected to live and three of his brothers, Gerard, Rokus and Barney took the midnight train for Chicago. Monday morning they telephoned the news of his death. His wife, who was formerly Miss Anna Van der Ploeg, was constantly at his bedside until he passed away.

While in Holland, Mr. Cook was a member of Columbia Hose Co., No. 2. In Zeeland, previous to being elected mayor, Mr. Cook filled the office of alderman.

Besides his wife, he is survived by seven children. The brothers surviving are Cornelius, of Huntley, Mont.; Egbert, Hasty, Minn.; John, of Grand Rapids; Rokus, Holland township and Gerard, Barney and Herman of Holland.

The funeral of James Cook, ex-mayor of Zeeland, will be held this afternoon at one thirty o'clock from the home and at 2 o'clock from the Second Reformed church of Zeeland. The Rev. Benjamin Hoffman will officiate.

Rev. Henry J. Veldman of Holland will also officiate. The pallbearers will be six brothers of the deceased: Egbert of Minnesota; John of Grand Rapids, Rokus of Holland township and Gerard, Hefman and Barney of Holland.

The Zeeland fire department of which he was a member, attended the services in a body.

DOUGLAS

The Village of Douglas is taking a step to improve Union street and make a landing on the little lake. Union street lies parallel with the Devine & Weed dock and extends to the water. The plan is to make a public landing and continue the concrete walk from the Miot House to the water's edge. By having this public landing it will be possible for the ferry boats to make much quicker trips between the two towns and the West Shore as it will do away with the necessity of passing the swing bridge which often causes delay.

Steps have been taken to widen the street near the lake to give plenty of room for all purposes as in addition to having a public landing the village will have a place to dump the gravel to continue the improvement of the streets which has been begun in earnest.

Body of Hobo Killed in Zeeland Taken to Ann Arbor For Medical Research

The body of Eugene Gill, the hobo who was killed in a Pere Marquette railroad accident near Zeeland, Sept. 26, was taken today to Ann Arbor.

Since the accident happened Zeeland authorities have been trying to locate relatives of the man. He said he was from New York and that he was going from St. Louis to Cincinnati, Ohio, when he was fatally injured. Relatives could not be located in either of these places.

ARTHUR KIEFT, ARRESTED ON SUSPICION, TRIES TO END LIFE IN HOLLAND JAIL

Was Out On Parole And It Is Thought That He Did Not Want To Go Back To Ionia

Arthur Kieft, the eighteen year old Holland boy now on probation from the Ionia State Reformatory, tried to commit suicide in the city jail shortly after three o'clock Friday afternoon by hanging himself. He made a rope by tearing a blanket into stripes. He was found in an unconscious condition and close to being dead by Lawrence De Witt, driver at the No. 1 engine house, who happened to go into the jail. His feet were touching the floor and it is supposed he stood on a bunk and fell forward with the noose around his neck. Dr. Tuttle was summoned and it is thought that the boy will fully recover.

He was arrested Friday morning on suspicion of doing the burglary jobs in Holland. Kieft stoutly denied doing the jobs and claimed he knew nothing about them. However chief of police Van Ry gained evidence that he had stolen a bottle of toilet water from Smith's Drug store and this Kieft admitted. Complaint was made against him charging larceny of a store in the day time, which is a State's prison offense.

Kieft has had all the chance that a person could have to make good since his return from Ionia. He has not worked much this summer and twice before this Chief of Police Van Ry got the goods on him for stealing from stores during the summer, but each time he was released on his promise that he would quit stealing. Once he was caught stealing from Nick Dykema's store and once he took money from the Socialist Headquarters. Mr. Dykema was appointed the boy's "next friend" and was also partly instrumental in getting him out of Ionia.

Kieft was suspected of breaking into the Standard Milling Co. Thursday because the person who broke in cut his right hand in breaking the window. This was shown by blood marks on the drawers. Kieft has two fresh scratches on his right hand. He claims he fell down Thursday night in an alley and cut his hand.

The toilet water taken from Smith's drug store Thursday was found in his room by the officers. His mother said she had never seen it before, but Kieft at first claimed that the toilet water was given him by a friend and that he had it since 1913.

He admitted the theft later when Chief of Police Van Ry discovered that the toilet water had been stolen from Smith's Drug store Thursday evening.

Young Kieft was taken to the county jail in Grand Haven to serve 30 days there for stealing a bottle of toilet water from Smith's drug store. He was arraigned before Justice Sooy on this charge late Friday afternoon and he pleaded guilty. He was given a straight jail sentence.

The present predicament of young Kieft is more serious than it would be under ordinary circumstances because of the fact that he was out on parole, secured some months ago when he was released from Ionia prison. He was serving a term at Ionia from six months to 14 years, and in six weeks his parole requirements would have expired. If he had kept out of trouble till then his arrest would not have been as serious as it is now. It is possible that he may now be sent back to Ionia to serve out his fourteen year sentence. Moreover, the chances are that he would find it hard to secure another parole now if sent back to Ionia.

Young Kieft involved another in his difficulty Friday afternoon when arraigned. He gave as his excuse for taking the toilet water that he had been under the influence of liquor. When pressed for information as to where he got the liquor he said, that he had furnished the money to Peter Stystra. Kieft claimed that Stystra procured 36 bottles of beer and that he and Stystra and two others drank this between four and six o'clock in the afternoon. A warrant was issued Saturday for the arrest of Stystra on the charge of furnishing liquor to a minor.

Stystra was arraigned before Justice Sooy about three o'clock Saturday. He demanded an examination which was held Tuesday afternoon at two o'clock in the City Hall, and was bound over to Circuit Court.

MRS. P. IHRMAN IS CHOSEN PRESIDENT OF SCHOOL ORGANIZATION

The first meeting of the Parents Teachers Club of the Van Raalte Avenue school was held Friday afternoon. The program consisted of a solo by Hazel Albers, a dramatization of "The Three Bears" by some of the children in the second grade, and a very interesting and helpful paper by Mrs. George E. Kollen.

Mrs. Kollen emphasized the responsibility of parents in providing a real home for the child, where his needs and ambitions are satisfied in a sympathetic way. She also showed how a lack of co-operation between parents and teachers may hinder the teacher's opportunity of inspiring ideals of morality and social efficiency.

After the program, the following officers were elected:

President, Mrs. P. Ihrman; Vice President, Miss Blanche Cathcart; Secretary and Treasurer, Mrs. M. Van Slooten; Chairman of Program Committee, Miss W. Kerrinias; Chairman of Social Committee; Mrs. M. Van Dyke; Press Reporter, Lotie E. Withers.

Keep the Kidneys Well

Health is Worth Saving, and Some Holland People Know How to Save It.

Many Holland people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill-health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Holland citizen's recommendation.

Mrs. W. Lawrence, 268 Van Raalte Avenue, Holland, says: "I was troubled greatly by dull pains through my kidneys and an almost constant headache. Doan's Kidney Pills removed these troubles, strengthening my kidneys and toning up my system. I am glad to again praise Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lawrence had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

DOGS SHAKE HUNDRED OF CHICKENS TO DEATH IN ZEELAND

When John L. Timmer, residing northeast of Zeeland arose early one morning he discovered dead chickens lying about the door yard and upon investigation 130 were found. The poultry had been killed during the night apparently, and it had all the appearances of being the work of dogs. The hen house was left open during the night and it would seem that the dogs went in and carried out the chickens. In the meantime shaking the life out of them, as the chickens were only slightly mutilated. It is reported that John Wabeke and C. Klosterman, residing southeast of the city lost several from their flocks recently in the same manner. Saturday evening when James Kossen returned home from shopping in the city a visit had been made to his flock, 52 having been dispatched. John Brummel lost 19 from his flock and Wm. Ossewaarde lost 7, last week.

NOTORIOUS LOCAL CHARACTER DEMANDED THAT HE BE REMOVED FROM BLACK LIST

Board Members Give Him The Laugh and Refuse to Listen To His Threats Monday Night

"Slick" Van Oort the man who has repeatedly made his bluffs that the officers were afraid of him, tried one of his bluff games on the police board Monday. He came in just before the board was ready to meet, with the intention of getting off the "black list". Two of the board members asked if he had his application made out, because in order to get off from the black list, certain regulations have to be complied with, but these regulations were not to the liking of the notorious "Slick". He says "My woman will tell you if you go there that she wants me off from there, but she won't sign a blank. You fellows may have your rules but that doesn't say that I'm going to follow them and if you don't let me off, I will be worse than I ever was before." Whereupon one of the members of the board pointing to Frank Van Ry said "Go it Slick he'll take care of you when you start. None of your bluffs go here." Thereupon he began to brow-beat some of the members but was given a scant attention and was told that he had gone far enough. However "Slick" is determined that he will be taken off the "black list" without going through the rules laid down by the police board. This of course is impossible and it is very doubtful after what occurred Monday that he will ever get off at all by consent of this board.

J. A. BECKER FORMER HOLLAND FLOUR MILL MAN GIVES AID TO BOY HE NEARLY KILLED WITH AUTO

Harry Richards, a messenger boy who was run down by an automobile driven by John Becker, of Ada, former manager of the City Mills of this city, Friday night shortly before 11 o'clock on North Division avenue, Grand Rapids, just off of Monroe avenue, is confined to his home on the West Leonard street road, suffering from concussion of the brain, although his condition is not considered serious.

Immediately after striking the boy, Mr. Becker stopped his automobile and remained with him nearly half an hour until he recovered sufficiently to insist on going home alone. W. S. Farran, who witnessed the accident, took the boy in charge after Mr. Becker left and took him to his home, where he soon became unconscious and a physician was called to attend him.

Learning of the serious condition of the boy, Mr. Becker drove his automobile to this city yesterday morning and is seeing that everything possible is being done for him.

According to Mr. Farran and others who witnessed the accident, Mr. Becker did not leave the boy lying in the street and hurry away, as reported.

HOLLAND FAIR MAKES GOOD PROFITS OVER AND ABOVE WAS THE AMOUNT MADE

Fair This Year Was Great Financial Success; Exact Figures Given Out by Secretary

In round numbers the big Holland fair made \$4,874.24 this year—a fine record. Exact figures are at hand as Secretary Stephan has kept an itemized account of every bill and of every source of income. A condensed statement follows. This shows total receipts of \$9,425.76; total expenses actually incurred in running the fair \$4,551.52; permanent improvements, \$4,387.59; cash on hand \$486.65.

One very gratifying item will be noticed, and that is the one showing an income of \$805 from the new art hall. In former years the income 000 nothing). And this income, which will come each year for five years, will more than pay the yearly interest on the new investment. The item showing that the dining hall was run at a loss requires a little explanation.

Figured in the expense of running it were the meals furnished to the officials, judges, members of the bands and others who had to be taken care of by the association. If these meals were charged for, the dining hall would have shown a small profit.

The success of the fair this year, surpassing as it has, that of any previous exhibition, will without a doubt prove an incentive for a still greater display next year, and here is hoping that the present efficient, hustling corps of officers can be prevailed upon to continue in charge of affairs. Former Governor Warner Slated To Oppose Townsend

That Fred M. Warner, former governor of Michigan will be a candidate for the U. S. senate against C. E. Townsend two years from now is next thing to certain. That Fred M. Warner is popular, too is manifested at every state convention or political meeting or banquet of any sort he attends. No man received greater applause than Warner when he was escorted to the platform in Kalamazoo. But since his retirement from office he has been content to work in the ranks of the party. That has made him even more popular than heretofore.—G. R. Herald.

HOLLAND MAY HAVE AN AUTO-MOBILE FACTORY AFTER ALL

Windows In Dearborn Factory Are Replaced and Machinery Is Being Shipped In

Mr. Spenny who for the past year has been contemplating the establishment of an automobile factory in Holland seems to have at last started to do something along that line, although little hopes were held out by Holland people after being disappointed repeatedly. But it seems as if there is something doing from the fact that the Spenny Co., is replacing the broken windows of the Dearborn plant and has also ordered considerable hardware, lumber and other accessories to be used in remodeling. Besides, some machinery has been shipped from Chicago and is now at the factory.

This activity is the best indication that something is materializing in the long-looked for automobile plant. We understand that the Spennys have been working for the past six months on plans to establish the factory in Holland and the plan has progressed slowly. However, at last they feel that the plans have developed to such an extent that in a short time their hopes of starting the plant here will be realized.

Holland will be only too glad to add the Spenny Manufacturing plant to our list of industries and also to welcome the promoters as residents of our city.

Mrs. C. V. R. Gilmore of Holland who has been president of the conference for 14 years, will preside over the sessions.

RYDERS CONTEST MOTHERS WILL

The appeal of Charles Ryder in the contested will case involving the will of Mrs. Mary Ryder, formerly of Macatawa Park and well known in Holland, came up for hearing in the court of Judge Brown in Grand Rapids Friday. A question of law came up in connection with the hearing of Friday morning and the attorneys on both sides were given two weeks in which to file briefs, thus delaying the final disposition of the matter.

The estate of Mary Ryder involves some \$16,000. The will was contested by Mrs. Whele, formerly Nellie Ryder. In the probate court Mrs. Ryder won out, whereupon Charles Ryder took an appeal in at attempt to have the will of his mother stand. The hearing on this appeal came up Friday morning, resulting in postponement because of a question of law involved.

ZEELAND DEFEATS HOLLAND

The Zeeland ball team added another victory by defeating the Holland Independents 12 to 0 Thursday. The Holland lads were entirely outplayed by the Zeeland boys. Wyn-garden the Zeeland pitcher pitched one of his best games Thursday, allowing Holland few hits. Spriggs Te Roller caught for Zeeland.

Nykamp and Steffens were the Holland pitchers. Steffens relieved Nykamp in the fifth inning. Fik was the Holland catcher. There were more fans attending yesterday's game than ever before. The game played Thursday was the first of a series of three games to be played between Zeeland and Holland. Holland's team will be strengthened today by some new players.

The Holland battery for Friday is one familiar to most baseball fans of Holland. Coxie Smith is scheduled to catch and Johnnie Vos to take the mound. Babe Woudring is also in Holland's lineup. He plays second base.

Strawberries are Selling in Allegan at 25c Per Quart

Mr. J. G. Prestage, the Allegan county nurseryman, has of late, marketed in Allegan, a considerable number of crates of the Progressive autumn-bearing strawberries, getting from 20 to 25 cents per quart for them. He has a few acres of the variety from which he sells plants as well as fruit. The berries are of good size, fine flavor and perfectly ripened.

An autumn crop of strawberries is no longer an experimental or accidental "freak" thing, for this variety and one or two others are so fully developed and established that presently they will appear plentifully in market.

Despite the abundance of other fruits at this season, strawberries will be no less popular in autumn than in summer.

THAT FERRIS LETTER

(Political Adv.) Was Mr. Miles treated fairly when Mr. Osterhaus used the Governor's letter to him as if it were a third term endorsement? If he was not treated fairly, it is not too late to correct the mistake which can be done Nov. 3. Let the Governor's letter to Mr. Miles answer: Sept. 3, 1914.

My dear sir:—

I have your letter of August 21, I cannot answer for Mr. Grant Fellows. I never dreamed that my letter to Mr. Osterhaus would be used as campaign material. It is true that the last sentence of my letter reads "You can use these letters as you see fit,"—but you know, as well as I know, that I did not entertain a campaign notion when I made that expression. It was done solely on the basis of telling the truth as I saw it. I am exceedingly sorry that the letter has been injected into the campaign. I should not have given Mr. Osterhaus permission to do this had he asked it. I do my level best to attend to my own business.

I appreciate the support I have received from the citizens of Michigan, regardless of their political affiliations.

Regretting that you have been annoyed and hurt, I remain, Very sincerely yours, WOODBRIDGE N. FERRIS. Mr. Fred T. Miles, 8 East Eight street, Holland, Michigan.

GRAHAM AND MORTON CHANGE TIME

The Graham & Morton boats, beginning last Sunday night leaves the Holland dock at 8 o'clock sharp and they will not stop at the Interurban pier. Beginning last Sunday night, the boats will make the run to Chicago via St. Joseph.

Considerable lake traffic is still in store for the local company, and it is likely that the navigation season will not close for some seven or eight weeks, at least if the weather conditions are favorable.

Sewer Drainage From High School To Cost \$400.

On motion of Ald. King, chairman of the committee on sewers, drains and water courses the plans and specifications for a sewer drain age from the new High School were adopted by the council. The work including service drains will cost \$400. Of this sum and \$250 will be paid by the school and \$150 by the city.

Bosch Attacks Motion Picture Shows

In a message to the council last night Mayor Bosch protested against the kind of pictures being shown in the local motion picture houses and urged the council to take some action to protect the children of Holland from seeing pictures of crime, debauchery, indecency and suggestiveness, which he claims have been shown in Holland. The matter was referred to the committee on ways and means and it is very likely, considering the fact that alderman Prins, chairman of this committee spoke in favor of it, that this committee will recommend that an ordinance be drawn up making it a misdemeanor for any proprietor of a motion picture house to show any pictures of crime, indecency, etc. Mayor Bosch spoke on the floor in favor of having a Board of Censorship to inspect the pictures before they are shown.

The Message from the Mayor is as follows:

(Official)

Holland Mich., Oct. 7, 1914.
To the Honorable the Common Council of the City of Holland, Gentlemen:

It should always be the aim, during the administration of any Mayor of the City of Holland, to use his office for the betterment of his city, and of the people who are fortunate to claim such city as their home. This has been sought to be brought about in various ways in our own city, and I feel that I have been able to accomplish much for the city with the help I have had from the Common Council.

The city of Holland is a cosmopolitan city, and yet it is also a religious city, as is well evidenced by the number of churches in our midst and the regularity with which the people attend religious services, and this tends to the development of our city along religious and moral lines. This is in fact one of the peculiar conditions which distinguishes us from many other cities in the State.

In view of this fact, and that our people are so largely religious in their views, sentiments and tendencies, it would seem to me that it particularly behooves us for that reason, among many others, to see to it that our amusements are kept within pure and moral bounds.

I am not criticizing any amusement or form of amusement, which is innocent or which does not interfere directly or indirectly, with the rights of others but I do criticize and feel that I am but doing my duty, in criticizing certain forms of amusement, which may be innocent enough in themselves, but which are used in such a way as to corrupt the morals of our people and particularly our youth. I am referring to the present day picture show or "movies", and while I concede that many of the pictures are good, and instructive, and perhaps most of those shown in our city are innocent, yet I have had the matter forcibly called to my attention that some of the pictures are decidedly bad, and have an evil influence upon the minds of the patrons of these places, particularly the minds of the young, which are ever ready to receive the effect of evil thought and impressions.

The State law prohibits some of these pictures, but it is the old story that "familiarity breeds contempt," and it has become so common that it tolerated under the impression that it is "all right." I refer to pictures which represent crime, in its various forms, indecency, etc. Some of these are being shown from time to time, and in the future should be suppressed. We all know that the influence of such pictures must be bad, and that we shall reap the results of permitting such pictures to be shown in a way that may bring tears of regret to some of us. Now is the time to curb this practice, and put an immediate stop to it.

I would recommend that some action be taken by this body to in the future prohibit the showing of any pictures of crimes, indecency, debauchery, and any suggestive pictures, and that hereafter only such as come well within the legal and strictly moral limitations shall be permitted.

Respectfully submitted,
Nicomachus Bosch,
Mayor.

May Have Boulevard Lights

City Clerk Richard Overweg announced to the council last night that the Board of Public Works have submitted plans and specifications for installing boulevard lights on Eighth street from the Pere Marquette dock to the Graham and Morton Boat dock and on River Avenue from Seventh Street to Thirteenth Street. The proposition was referred to the committee on Lighting, and the committee on Ways and Means. On inquiry the News learned that according to plans and specifications the costs of construction a boulevard system of lighting as proposed will cost \$94.15 for each pole with lights erected. There will be 140 poles making a total cost of \$13,180.35. The cost of maintenance will be \$28.00 per pole each year. It is planned to have some of the lights lit until 10 o'clock in the evening and to keep some burning all night. Certainly Holland needs a boulevard lighting system. City's one-half the size of Holland have

hem installed and even Grand Haven is made beautiful at night by their fine system.

Grading Late In Starting

Contractors Ter Beek and Bronkhorst who have the job for grading 22nd, last evening were granted 30 days' grace in getting started and finishing the job when they explained to the council that some tools they have ordered have not yet arrived. Under their contract they were supposed to commence the work, Oct. 1.

A petition was submitted to the council asking for the grading of 27th Street. This was referred to the committee on Streets and Crosswalks.

Junk Dealers Ordinance Passed

The ordinance providing that all junk dealers be compelled to take out a license from the city and give bond in order to do business was passed last night by the council. This ordinance was brought up at the meeting three weeks ago and was then printed in the News. Today the ordinance can be found in full under legal council proceedings in another part of this paper. Alderman King proposed that church rummage sales be exempt from these conditions as prescribed in the ordinance but he was not supported. Now church societies when they wish to have a rummage sale must first get the consent of the council.

Appoint Supervisor on 19th Ballot.

Considerable difficulty was experienced by the council in appointing a supervisor to fill the vacancy caused by the death of Nicholas Essenburg. Simon Kleyn received the appointment on the 19th ballot with Frank Brieve polling the second largest number of votes. The appointment is only for the balance of this year as Essenburg was elected last spring for one year only.

From the first Kleyn and Brieve were the popular candidates and most ballots were Kleyn 5, Brieve 4. However during the balloting aldermen tried out other men by giving them votes. The following received votes for the office besides Kleyn and Brieve: Dick Miles, J. De Kooy, O. J. Hansen, Wm. Lawrence, H. Pilgrim, Jr., H. Winter, Ben Mulder and even United States Marshal N. J. Whelan, who could not lawfully hold the office if it was given to him, received votes.

Adjourn Until Monday Night

When the council adjourned last night it was until next Monday night when a special meeting will be held to consider the ordinance relative to the forcing of Sewer connections.

Items Of Interest

John Vander Helde petitioned the council last night for a license to operate a bowling alley at 70 East Eighth Street. Referred to the committee on licenses.

Aldermen Prins reported the expenditure of \$150 for temporary aid to the poor during the past three weeks.

A request from the Board of Police and Fire Commissioner for a postponement of the proposed Tipping ordinance was concurred in and filed.

The following tests of gas during the past three weeks were reported by City Engineer Naberhuis: Number of tests, 34; highest, 667; lowest, 569; average, 607.7. Out of the 34 tests 17 were below 600.

It was suggested by Alderman Steketee that Fire Marshal Blom be asked to name a day as "cleanup day" when people can build fires in their yards and burn the old rubbish and leaves.

Registration places for the coming election will be the same as at other election. It was proposed holding registration in the No. 1 engine house in the Second ward.

COUNTRY PAPERS TO RAISE PRICE

Daily newspapers in the smaller cities of the Middle West probably will cost more beginning October 1. The European war is responsible for the proposed increase.

The war has sent the price of print paper higher than it has been in many years. Other materials used by newspaper publishers cost more now than formerly. Publishers are face to face with new conditions.

At a meeting of the Inland Daily Press Association in Chicago the question of raising the price of papers was discussed and sentiment was almost unanimous in favor of it.

As one member put it: "In order to preserve the progress of the press and keep within a reasonable profit the price must be increased."

The Inland Daily Press Association membership covers eight states—Missouri, Kentucky, Minnesota, Indiana, Wisconsin, Michigan, Iowa and Illinois.

GROWING POTATOES IN SAWDUST

A half bushel of sawdust, a dash of chemical solution and fifteen potatoes carefully enveloped with the sawdust will enable the average householder to grow a bushel of tubers on his housetop or in his cellar within sixty days. This process, says the Chicago Record Herald, has been discovered and elaborated. Moreover, the grower will have no potato bugs to contend with, he will have no turning over of the soil at certain intervals, and there will be no contest with grubworms.

The product of this process is termed the "vineless potato," from the fact that grown under these apparently unnatural conditions, there is no surface vegetation. Because of this each potato buried in the sawdust is enabled to produce at least twelve normal-sized tubers.

Operating on the theory that the presence of surface vegetation was only a method of securing nourishment, and in reality sapped the vitality of the tuber, the discoverer experimented more than six years and found he could overcome this seemingly natural course on the part of the plant by supplying it artificially with its needs.

By employing sawdust, peat, straw or any other earth product that would permit of the circulation of air, moisture and heat and the application of solutions of various salts, he discovered that a single potato would multiply itself by attaching to itself from twelve to sixteen other potatoes of approximately the same dimensions without throwing

off any of its energy above ground. Packed in loosely arranged bins permitting the free access of air and arranged in rows 6 inches above each other, with an allowance of 1 cubic foot of sawdust to the seedling the discoverer has demonstrated the rapidly of growth and the proportions that the potatoes may attain by showing that within sixty days fifteen potatoes will produce a bushel. In the character of his experiments and the success that has attended them the discoverer has the indorsement of Luther Burbank, the eminent horticulturist and botanist.

FROM THE PRESIDENT OF A COLLEGE

After hearing the Weatherwax Brothers Quartet, Dr. Frank E. Hirsch, president of Charles City College, Iowa, had this to say:

"Having listened to the Weatherwax Quartet on various occasions and again yesterday evening in the concert at the Opera House, I desire to express my appreciation of the high quality of their work. The points that appeared to me the most pleasing yesterday evening were the strength of the separate voices and the agreeable harmony and blend as they joined in the quartet. The readings were well given and were enjoyable because they represented both the serious and the humorous in proper variety."

BROWNWALL GAS ENGINE CO.

NOW IN OPERATION AND SHOWS SIGNS OF SPLENDID GROWTH.

The Brownwall Gas Engine and Pulley Co., which moved to this city from Lansing a short time ago is now in operation and business is rushing. The machinery was installed and active work of running the plant was commenced about two weeks ago. Since then orders have come in so fast and the concern has so much back business neglected necessary for a time in moving that extra office help was needed.

This plant is starting in Holland with two years of business and advertising, secured while the concern was located in Lansing. This shows its result in business coming in every day. The concern is yet new and is far from having reached its full capacity for business. It left Lansing because of cramped quarters. In the factory here there is plenty of room for operation and for growth.

THIRD WARD HAS NO CONSTABLE?

Herman Waltman Claims He Has Not Resigned Or Been Discharged; Van Hatten Appointed By Council.

According to City Attorney Van Duren, sometime this week or in the near future the case will be tried which will determine who is constable of the third ward, Herman Waltman or Gerrit Van Hatten. It will also decide whether or not the Mayor has the power to discharge a man from office when he is elected by the people.

The case rose some time ago when Waltman was placed on the "black list". At that time Mayor Bosch demanded that Waltman give up his star as constable of the third ward. This Waltman claims he did not do, but that he left his star with Chief of Police Van Ry with the understanding that he could get it again. The council took action on the matter as if Waltman had been discharged and appointed Gerrit Van Hatten as constable of the third ward.

Waltman was released from the "black list" shortly after this. He then secured his star from Chief of Police Van Ry on a repleve, which was served by Deputy Sheriff Dornbos.

Since then Waltman has been acting as constable for the third ward in spite of the fact that Van Hatten was appointed by the council. Waltman has served papers for local attorneys and did other matters pertaining to the office.

It is the contention of Waltman's attorneys that Waltman did not resign and that the only other way he can be removed from office is by the recall or discharge by the Governor of the state.

FIRST MEETING OF NEW YEAR OF LITERARY CLUB DREW GOOD ATTENDANCE

President, Mrs. Oggel Welcomes Members and Reviews Work

The Ladies Literary club held the first meeting of the new year in the club rooms Tuesday afternoon. The first number was the singing of our national hymn "The Star Spangled Banner," by the club. The president, Mrs. Oggel gave the address of welcome. She carried out the thought that motion was the law of life so that if we did not advance we would retrograde. She briefly reviewed the work done last year by the ladies of the Civic Circle. This year a new committee on Educational Legislation has been created whose duty will be to bring before the club bills with which we as a club of women will be vitally interested and recommend our support either for or against such bills before the legislature. Also an Entertainment committee has been appointed to conduct entertainments during the year, the proceeds to be used towards the new building. Mrs. Oggel welcomed the new members saying that in numbers there is strength and inspiration. With pride she mentioned that one of the members, Mrs. George E. Kollen, had been elected as a member of the Board of Education.

After paying tribute to Mrs. Stone by telling of the services held in her honor last week in Kalamazoo, Mrs. Hall read a very interesting paper on "A Visit to Havana." Having personally made the trip she was able to add many touches not found in ordinary reading. Much stress was laid upon the difference in temperature of the climate in Havana than in Michigan cities during the winter months which accounts for their different modes of living, and the variety of fruits and vegetation as well as the different kinds of animals. Many funny incidents were narrated.

Among the places visited was the

cemetery where the victims of the Maine were buried where they viewed the splendid monuments. They arrived two weeks too early to witness the official burial of the Maine. Mesdames Kollen, De Merell, Burd and Hadden were called upon to add to the paper, they having made the trip to Havana also.

Miss Grace Browning sang "After" by Mrs. Beach, which was thoroughly appreciated and heartily encored.

After the meeting the Board of Directors served tea and wafers in the dining room.

FIRST MEETING OF M. E. CHURCH MISSIONARY SOCIETY HELD THURSDAY AT HOME OF MRS. A. G. GOWDY

The foreign Missionary Society of the M. E. church met Thursday afternoon at the home of the president, Mrs. A. G. Gowdy. The devotions were conducted by Mrs. Welton, and Mrs. A. G. Gowdy, presided. The study book adopted for the year is one of Mary Schaeffler Labaree's works, entitled "The Child in the Midst." The first chapter was ably reviewed Thursday by Mrs. Eugene Fairbanks. She graphically contrasted some of the pitiful conditions that surround childhood in heathen lands with the more bright and cheerful conditions that confront the children in our own land. She said that in some countries fresh air is looked upon as the worst enemy of children.

Mrs. J. Elferdink conducted the question box. Since this meeting was an anniversary meeting of child work by the society it was fitting that children should take part in the program. Two groups of four little girls each, and one group of four little boys sang, and Master Lewis Fairbanks gave two recitations.

Mrs. Gowdy and Mrs. Austin Fairbanks were elected as delegates and Mrs. Winter and Mrs. Bekken alternates to the District meeting in Grand Rapids, October 29 and 30. Refreshments were served.

Allegan Gazette.—The Allegan band made a very favorable impression at the Holland fair last week and according to Holland people and papers was a decidedly pleasing feature of the Friday doings. A much larger band was there from Grand Haven but they were not the experienced and skilled players that represented Allegan. They were showered with various courtesies by the Holland business men. An amusing incident in connection with the trip to Holland had to do with one of the greatest admirers the Allegan band has. He is "Buster" Cook, the intelligent white bulldog belonging to Grover C. Cook, one of the players. Just as the train was about to leave the Pere Marquette depot Buster started to climb on with the players. A man grabbed him and held him until the train was almost out of the yards. Being released he started after the train and ran as hard as he could all the way up the hill. He caught the train on top of the hill and when it stopped for a cwitch, and jumped up on the steps of the rear coach. He was not to be left at home. When the train arrived in Holland he placed himself just ahead of the band where he is so often found and proudly trotted along down the street. Later the band boys bought a large pink ribbon for his neck and they put a small flag on his stub tail. He was a drum-major then sure enough.

WHAT YOU SAW IN THIS PAPER THIRTY FIVE YEARS AGO

Among the most important items spread on the minutes of the Common Council proceedings of Tuesday night, we notice a petition of Mr. E. F. Sutton to have his liquor tax paid back to him, because he cannot get bondsman required by the new liquor law; which was laid on the table. Also, a petition by the residents of Ninth street, between Fish and Land streets, to have part of Ninth street repaired in conjunction with the efforts of the railroad company; granted, to be done under the supervision of the street commissioner. Also, a petition from several members of Fire Co. No. 2, for a mass meeting to lay before the citizens the pressing need of a better water supply, in default of which we are liable to see the whole city burn down once more. (Thursday last was the 5th anniversary of the big fire.)

Mr. J. Posma, aged 22 years, of Graafschap, Mich., was killed very suddenly, on Monday last, at Muskegon, Mich., by a lumber pile falling on him. His remains were taken through this city to be interred at Graafschap, where most of his relatives reside.

THIRTY YEARS AGO

The largest political demonstration in this city of this campaign was the one of last Thursday night. The streets were full of people who desired to witness the torchlight procession which was large and consisted of one hundred members of the Cleveland and Hendricks club and about twenty-five members of the Zeeland club. The local club marched to the train at 6:45 and received the visitors and then the procession was formed with the Zeeland Cornet Band at the head. The line of march was through Eighth Street to River and along south River to Twelfth street and back again to Lyceum hall. The column was in charge of Joe Allen and Jake Van Putten who were mounted on horseback. At the hall fully six hundred people were present and listened with attention to the speaker, Hon. J. B. Brown, of Indiana, who "cut" the republican party to his best ability. He touched upon the traffic question and is undoubtedly what is called "a tariff for revenue democrat," as his remarks upon that question had a decided drift in that direction; he explained the unjust relations existing between capital and labor and thought that the question needed democratic legislation. The speech as a whole had a solid democratic ring. The meeting disbursed at 9:30 and the Zeeland visitors were escorted to the train which they took for home.

TWENTY FIVE YEARS AGO

Heavy frost Thursday evening. It looks now as if the "canal" would be a "go" after all. The black River bridge is a length completed. It presents a handsome appearance, and is a great improvement over the old structure. In the three year old stake race at Grand Rapids last week, Dr. Van Putten's black mare, Vendetta, won the race, distancing the entire field. Mr. W. H. Finch brought an onion to this office this week which he grew in his garden. It threw our paper weight completely in the shade. It weighed exactly two pounds and five ounces. Next! Dr. Van Putten's horse, Montague Boy, captured first money in the 2:40 class at Grand Rapids fair last week. He won the third, fourth and fifth heats. In the stallion race Turks came in third. The fleet footed trotter Maggie B. won the free for all race at Three Rivers last Thursday in three straight heats. Best time 2:34 1/4. There were five good horses in the race including Henry Middleton, with a mark of 2:26.

TWENTY YEARS AGO

William J. Trott entered upon his duties as general superintendent of the "City Water and Light Station" on Monday, the 1st inst. The display of the wind-signals in this city has been transferred from Engine House No 1, to the hardware store of Kanters Brothers, and will be continued until the close of navigation to be resumed in the spring. Ed. Pieters, one of Hope's boys, has received a \$500 scholarship at Cornell University N. Y. The steamer Chicora had an encounter with a drifting log in the canal at Benton Harbor, and has gone into dry dock.

A branch of the Chicago Supply Co., has been opened in this city in the Vennema store. A Michmerhuizen, Tommie Lanning and others are on the road as local agents soliciting county trade.

Allie Van Raalte received a telegram this morning from Will Kellogg that his horse "Turk" had made three straight heats at Eaton county races, held at Charlotte, Thursday. His best time was 2:27 and was made on a muddy track. This beats his record at the Holland races by one second.

A salt water salmon weighing forty-seven pounds was caught at Marquette recently. These fish have never been known to come further inland than Niagara Falls, but this one who must have been of an investigating turn of mind came through the Welland canal and then followed his nose way up the lakes.

FIFTEEN YEARS AGO

Now the football cranks will have an excellent opportunity to get a line on the Holland eleven, for they will play the College boys, 4:00 this

afternoon. It will be good practice for the big game next Wednesday when they will meet the crack punters of Allegan at the Fair Grounds. Following is the line up for to-morrow's game: Van Putten, left end; Hyink, left tackle; Green, left guard Howell, center; Bosman, right guard; Damson, right end; Davidson, quarterback; Van Houte, left half back; Steketee, right half-back De Pree, fullback.

John Kramer, B. Van Raalte and Postmaster Van Schelven expected to attend the twenty-fifth Infantry re-union at Three Rivers, October 4 and 5.

TEN YEARS AGO

The masquerade ball and carnival given at the Olympia Pavilion last Friday night was a great success, over 200 attending. Vaudie and Ribs were the hits of the evening and kept the crowd mirthful. Good music was furnished by Breyman's orchestra.

WORK ON NORTH RIVER AVENUE WAS FINISHED FRIDAY

Is Now A Fine Street and of Value To City

The North River avenue paving job was completed Friday night and that street, at one time an eyesore, and in such poor condition that it interfered seriously with traffic along one of the main outlets from the city, is now one of the finest streets in the city. The job was done in record breaking time. It took sixteen and a half days of actual work. The length of the street paved is 4300 feet. It is built of asphalt macadam two and a half inches deep over a six inch base of macadam, making a very servicable as well as a very durable street.

While the street was being built a passage way was constantly kept open for traffic, the street being the only one entering the city from that direction. Over this street comes perhaps the heaviest traffic and the improvement is expected to mean much to local business men.

PETER SAKKERS HAS GAINED FREEDOM FROM INSANE ASYLUM; MASSE RE- CAPTURED

Peter Sakkers of Holland has escaped from the Kalamazoo State hospital. He made his escape with another man, who was recaptured immediately, but Sakkers is still at large and it is thought he may come to Holland. Gus Masse of Holland who escaped the early part of the week from this institution was recaptured shortly after he ran away. Men like Sakkers and Masse are given much liberty at the hospital as they are not violent and can do work. Although they are in an enclosure they have many chances to escape.

ALLEGAN FAIR MAKES MONEY.

Takes In Close to \$5,000

Allegan Gazette—That is what the gross receipts of the fair were roughly estimated at Sunday night. Treasurer W. H. McCann based this estimate upon a few figures. Wednesday, gate and grandstand receipts were roughly, \$1,400; Thursday, \$1,900; and Friday, \$1,000. It is pretty safe to say that from the concessions and other sources will come \$700, enough to make the total, \$5,000. It is quite possible that it will be more. The good old Allegan fair is not a failure. It will long prospect as a high-class institution of instruction, inspiration, recreation and general pleasure.

HOLLAND HIGH DEFEATED GRAND RAPIDS CENTRAL RESERVES 21 TO 0

DEFEATED GRAND RAPIDS CENTRAL RESERVES 21 TO 0 SATURDAY.

The Holland High school football team again demonstrated its superior gridiron work when it defeated the Grand Rapids Central Reserves, 21 to 0 on the 19th street Athletic field Saturday afternoon. The locals had a walk-away the entire game. Straight bucks and end smashes proved to be the best ground gainers for Holland. Forward passes were not worked with much success and were sometimes worked at the wrong time. Never once did the Grand Rapids team threaten the Holland goal and the locals found it an easy matter to hold them for downs even though the visitors had the "beef" in their favor.

Touchdowns were made by Ashley, Sirrine and Cappon. Bosman showed splendid kicking ability by booting the ball between the poles after each touchdown.

AEROPLANE DAMAGED AT ZEE- LAND AND FLIGHTS WERE CALLED OFF

While making a short aeroplane flight in Zeeland Saturday morning, Sekest was slightly injured and his machine was damaged so much that it had to be taken to Chicago for repairs. The other proposed air flights were therefore also called off. Sekest was making a flight Saturday to make up for the flights that did not come off as scheduled the first day of the Farm Festival. The truck under the machine broke and the aeroplane landed on its nose, badly smashing the machinery. Sekest received scratches on his forehead but his injuries were not serious.

It was not until 4:40 Friday afternoon that the first flight of the Festival was made. The aeroplane was scheduled to go up each morning but the machinery was out of order so that it was impossible to give the exhibition flight. At 4:40 the machine was finally ready and it stayed in the air some 50 minutes.

Twenty babies were entered in the baby contest.

First prize was awarded to Mrs. Benjamin Ter Haar of Holland, the judges returning her baby the prettiest child by a vote of 4 to 1. Mrs. William Schilstra's baby of Zeeland won second prize. The judges were Mesdames Henry Rief, A. Lamar, D. F. Boonstra, J. Stegeman and G. Van Koevering.

Miss Margaret Miller was awarded first prize for the prettiest decorated express cart in the parade in which seven were entered.

"LIVE WIRE" BIBLE CLASS IN CHARGE OF M. E. FUNCTION

The "Live Wire Bible Class" of the M. E. Church was in charge of a reception given Friday night for the pastor and family. A splendid program was given and delicious refreshments were served. A large number of people were present, both members of the M. E. church and of other churches, showing the popularity of the pastor and his family in whose honor the function was given. In the addresses many kind words were spoken, showing that the work of Mr. Esveid is fully appreciated here.

The program opened with a violin solo by Grace Klomparens. This was followed by a song by the congregation, devotions by T. R. Binns, trombone solo by Henry Poppen, remarks by the chairman, A. H. Boylan, anthem by the choir, remarks by F. T. Miles, addresses by the Rev. J. Van Peursem and Dr. A. F. Bruske, response by the Rev. J. W. Esveid, piano solo by Miss Stella Grand, vocal solo by John De Groot and a violin solo by Gerrit De Weerd.

H. O. H. CONCORDIA ELECTS OFFICERS AND TRANSACTS OTHER BUSINESS

At the annual meeting of the H. O. H. Concordia held Friday night the officers re-elected were W. M. Orr, President and C. Van Dyke, treasurer. New officers elected were Peter F. Koopman, secretary, and Lewis Laman, Member of the Board of Directors. The yearly report showed that the organization is steadily growing both financially and in membership. The treasurer's report showed that during the year \$1500 had been paid out in benefits and that a balance of \$2500 remain in the treasury.

The meeting Friday night was well attended. All seemed well pleased with the work of the society during the past year.

POUNDMASTER VER WY TO ROUND DOGS UP THIS MONTH.

All unlicensed dogs in the city, but especially those that make their place of habitation in the Fifth ward will have to look out during the next four weeks, according to announcement made by Poundmaster Ver Wy this morning. Ver Wy is going after them with redoubled energy during the next four weeks and he believes that when he hands in his report to the city clerk on November 1, he will have the scalps of a score or more of canines figuratively hanging from his belt.

During the month of September, Ver Wy has killed thirteen unlicensed dogs. During the last five months Ver Wy has killed on an average of 15 dogs a month. But he expects to beat that record considerably the coming month. He has already gathered in a number of dogs in the fifth ward but there are many more for which a license tag has not been duly provided. These he will now round up. Practically all the unlicensed dogs in the other four wards have been captured, according to Ver Wy. Most of Ver Wy's work is done during the night.

MIKE O'BRIEN'S LEG BROKEN IN TWO PLACES; FEAR BONES ARE SMASHED

Accident Occured While Building Zeeland Track

Mike O'Brien of this city, working on the section gang of the Holland Interurban laying new tracks at Zeeland, sustained a broken leg in two places and it is feared that the bones are badly smashed. A heavy piece of rail that was being moved from a flat car got away and fell on his leg. The rail weighed a ton. He was taken to St. Mary's Hospital in Grand Rapids but the leg was so badly swollen Thursday that the extent of the injury could not be determined.

Cleo Harrington was struck a light blow on the ankle by the falling rail and was compelled to quit work.

received a telephone call and on investigation, revealed the fact that Emma, the 9-year-old daughter of Mr. and Mrs. James Vanden Berg, 20 West 27th street has been taken down with diphtheria.

Emma Vanden Berg was a playmate of the little Achteroff girl who died a short time ago from this disease and it is supposed that that was the source of infection.

Monday the last quarantine for diphtheria was lifted and Dr. Godfrey was patting himself on the back because this dreaded disease had been driven out.

LEFT PARIS TO ESCAPE BULLETS; PULLED OUT OF BLACK LAKE HERE

To come to this country from Paris to escape the flying bullets and then narrowly escape being drowned is the experience of a young man who was pulled out of Black Lake near the Skinner Boat Livery by Hype Van Oort, a life saver.

The young man was in company with two Mr. Stearns of Allegan. He has just been over from the old country two weeks and the only English words he can say are "Thank you." These were very fitting.

SECRETARY MOODY COMMENCED WORK OF ORGANIZING FACTORY GROUPS FOR Y. M. C. A. WORK

Grammar School Boys Use Gymnasium Saturday Morning; Full Equipment Here soon

The preliminary work of organizing the Y. M. C. A. group was brought about Monday night at a meeting of the Y. M. C. A. rooms. This group has taken the name of S. G. W. group in honor of the founder of the Y. M. C. A., Sir George Williams. The motto adopted is So We Go. The following are the officers elected: President, Louis Den Uyl; vice-president, Henry Vander Schel; treasurer, Peter Hamelink; secretary, Simon Den Uyl.

Chairmen were appointed for religious, educational, social and physical work as follows: Religious, Henry Vander Schel; Educational, Bert Vanden Berg; Social, Jake Fris; Physical, Gus De Vries.

The preliminary work of organizing the various factory groups was started Monday by Secretary Moody of the Y. M. C. A. at the Holland Shoe factory. After a brief explanation of the way the Association expects to work through the factories the following committee was unanimously chosen to formulate further plans and promote the work outlined. The men chosen were Oscar Peterson, John H. Haan, Rue Burch, Ben Veltman, George Bachs, Clarence Weed and Burke Taylor. This committee of men will get together in a few days and make a factory program.

In speaking of the matter this morning, Mr. Moody said "our policy for this year calls for a similar committee in each of the factories. We are receiving the best of co-operation from all sources and the indications are that before the year is over each factory will have such an organization."

Grammar school boys numbering over a hundred made use of the high school gymnasium Saturday morning. The work will be under the supervision of the Y. M. C. A. Percy Osborn, Gordon Oltmans, Paul McLean, Elmer Kruideneer, Bert Van Ark, John Post, and George De Witt are rendering service to the association by assisting on the floor. The only requirement for the use of the gymnasium is that the boys must be ten years or over and must provide themselves with rubber soled shoes. As there are so many boys that desire to make use of the gymnasium it has been found necessary to divide the work in two classes the younger boys using the floor from 8:30 to 10 and the older boys from 10 to 11:30. The boys report an enjoyable time with the showers, baths. Parents should encourage rather than discourage a good bath after the exercise in the gymnasium.

Word has been received that the equipment which has been purchased for the gymnasium is on the way and it is hoped that regular work will start in the gymnasium for all next week Monday. Monday and Thursday evenings are to be the regular nights for the employed men and Saturday is to be used as a special game night.

A group of young men working in the stores are planning to get together on Thursday evening at the Y. M. C. A. Rooms to formulate plans for a group organization. A cordial invitation is extended to all young men in the stores or offices to come.

The membership fee in the Y. M. C. A. is \$1. The gymnasium fee has been placed in the reach of all. This is \$2.50. Total expense for one year then will be \$3.50. Can you invest in anything better at eight cents a week?

M. E. CHURCH LADIES HAVE PREPARED A GOOD LECTURE COURSE FOR THIS WINTER

The first number of the M. E. church lecture course will be given Monday evening, Oct. 12 at 8 o'clock p. m. The season tickets for the four numbers of the course have been placed at \$1, and no reserved seats will be sold. Single tickets 35c cents.

The celebrated Taormina Trio will appear Monday evening. It is headed by Vincenzo Gullota, a violinist of rare ability, of whom the London World says:

"He has a very assured, sensitive and delicate talent for music; plays beautiful and subtle expression and understands the desire of the composer he interprets."

Ruth Gregg-Jones, a pianist of remarkable brilliance and faultless technique, will assist Mr. Gullota and Miss Georgia Sullivan, reader will give several elocutionary selections.

FIVE MEN CHARGED WITH ASSAULT WITH INTENT TO DO GREAT BODILY HARM

Henry Veldheer Said He Was Assaulted; Fred Scherhorn and John Ryzenga Pay Fines

A lively mixup of last Saturday night will very probably end in the Ottawa County Circuit court. Henry Veldheer, a clerk employed at H. P. Kleis' grocery has made complaint before Justice Robinson against John De Boer, Edward and Milton Mattman and Harry and William Mulder charging them with assault with intent to do great bodily harm less than the crime of murder. Warrants have been issued but the men have not yet been taken by the police.

Veldheer's side of the story is that he was on his way home Saturday night when he was attacked and struck in the face with a lump of coal, alleged to have been thrown by Harry Mulder. This happened near the Pere Marquette depot. The cause of the trouble is said to be an old grudge but again it is also alleged that there is a woman in the case.

Fred Scherhorn paid a fine and costs of \$13.50 and John Ryzenga paid a fine and costs amounting to \$5 when they were arraigned before Justice Socy Monday afternoon charged with being disorderly under the city ordinance. Al Timmer of Central Park was arrested in connection with these young men but he has not yet been arraigned.

These boys were arrested for engaging in a fight late Saturday evening in the rear of the postoffice. As the boys explained it in court 'there was a woman in the case' and the feud has lasted three weeks. On the evening of Sunday, Sept. 27, Scherhorn attacked Timmer but was repulsed with a glass gun that looked exactly like the real article. This did not improve Scherhorn's feeling toward Timmer. The boys fought it out and Timmer won. Scherhorn would not stand for this so he beat up Timmer.

Chief of Police Van Ry is determined to discourage fighting as much as possible. When the first would-be pugilists get a stiff fine in the future men are apt to think of what it will cost them the next morning when someone invites them to "come into the alley and have it out."

BRIDE THE WRONG GLERUM

Reads Account of Psychological Marriage License; Says It's New One on Him.

County Clerk Glerum read the Grand Rapids Thursday evening in all placid composure until he came to a psychological explanation of the procuring of a marriage license in Grand Rapids by a Grand Rapids man, George M. Crothers and a Miss Nellie Glerum, of Holland, whose father was pointed out as the county clerk himself. Needless to say the county clerk blinked his eyes for a second, then realized that he was figuring some misunderstanding or other. There is a little Nellie Glerum in the county clerk's family, but she is barely 12 years of age. Then he happened to remember a distant relative in Holland whose name had been the same, which explained the mistake to the county scribe, but not the writer's ability to jump at conclusions. He does not know whether he is the victim of a joke, or if the article was just one of those that just blossom out.

The point of the story was that the couple did not procure their marriage license from the alleged father who is a master hand at issuing the same. Mr. Glerum received many congratulatory telephone calls Friday morning from various friends in Grand Haven, all whom however, were merely extending the joke.

Anyway Clerk Glerum says he does not carry any of the psychological brand in stock for Ottawa county, and in fact he doesn't know as how he'd try to sell anybody one. But as they have them in Kent county, it is alright, providing of course it is no cut rate proposition.—G. R. Tribune.

Five Men Wanted On Serious Charge Cannot Be Found Have Skipped Out

John De Boer, Harry and William Mulder and Milton and Edward Mattman, the five men wanted in this city on a charge of assault and battery on Henry Veldheer with intent to do great bodily harm, are now out of the city and arrests have not been made. As soon as the men can be located by the police they will be brought up to answer to this charge.

ELECTS OFFICERS AND MAKES PLANS FOR LARGE MEMBERSHIP

The Men's Adult Bible class of the Maple Avenue Christian Reformed church held its annual business meeting at the home of Henry Steketee Thursday. The officers that served the past year were re-elected, as follows: Pres. Geo. W. Deur; Vice Pres., H. Bontekoe; Secretary, Henry Steketee; Treas., H. Custer.

A new plan was adopted to increase membership and attendance. A number of members being unable to buy a Bible commentary, it was decided to keep the contributions to the end of the year and to purchase as many copies of Barnes' commentary on the New Testament as the sum would warrant. At the end of the year each member who has an attendance record of forty times during the year to his credit is to receive a number. The first 6 or last 6 or more numbers drawn from a box, depending on how large the sum at the disposal of the class is, are to be awarded commentaries.

POLICE BOARD WILL GET AFTER THOSE WHO WILL NOT PAY FOR BREAKING DEARBORN WINDOWS

Although the case against the 22 lads who broke windows in the old Dearborn plant has appeared to be laying dormant, this however, is not the case. City Attorney Van Duren is pushing the charges against the individual and already three of them have decided to pay the sum of \$10 the amount deemed just by the board of police and fire commissioners.

There are ten however, who have openly boasted that they would not pay a cent. The board has decided to give these a little longer time to think it over and if they then do not show a willingness to pay for the property that they so willfully destroyed, the police department will show no more leniency but will prosecute the case to the limit. Bluff don't go with the board but a fair and amicable settlement is all the Police board asks for and this it intends to get.

HOPE COLLEGE LECTURE COURSE TICKETS SELLING FAST ON THE PROGRAM ONE OF MERIT

Hope College Lecture Course is receiving a fine reception at the hands of the Holland people. A finer course could not have been arranged and local people who have heard different of the coming numbers are united in their approval of this year's selections. The two lecturers Bishop Hughes and Dr. Cadman are often remarked upon as being worth the price of the entire course, which leaves out of consideration such high priced musical organizations as the Evelyn Scotney and the Weatherwax Bros. quartet.

Helen Ware and Margaret Stahl are known to many Holland people and are highly recommended. This array of entertainers is worthy of every bit of support it is receiving and no one can afford to be without season tickets. Tickets are on sale at Hardie's or by the sales' committee.

APPLY SLOAN'S FREELY FOR LUMBAGO

Your attacks of Lumbago are not nearly so hopeless as they seem. You can relieve them almost instantly by a simple application of Sloan's Liniment on the back ad loins. Lumbago is a form of rheumatism, and yields perfectly to Sloan's, which penetrates quickly all in through the sore, tender muscles, limbers up the back and makes it feel fine. Get a bottle of Sloan's Liniment for 25 cents of any druggist and have it in the house—against colds, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

HESSEL YNTEMA INFORMS HIS PARENTS BY CABLEGRAM THAT HE ARRIVED IN LIVERPOOL

Prof. and Mrs. D. B. Yntema Thursday received a cablegram that their son, Hessel S. Yntema, had arrived safely in Liverpool, England. Mr. Yntema is this year's Michigan Rhodes scholar and he will spend three years in study at Oxford University. From Liverpool he will go immediately to the great English University to take up his work there. Because of the war the journey was postponed to the last minute and his family here anxiously awaited the telegram announcing his safe arrival.

IN OPEN LETTER MILES TELLS WHY HE IS A CANDIDATE FOR PROSECUTOR ON THE PROGRESSIVE TICKET

Many reasons have been urged up on me why I should be and remain a candidate for prosecuting attorney this Fall. Among those that have appealed to me are the following:

(1) The light vote in August; only about one-third of the voters voted in August;

(2) The primary system was new, and a large per cent. of the ballots were destroyed, thus defeating the will of the people;

(3) My attitude on two questions many people believe, has raised an issue that should be squarely placed before the people of the County. They relate to the liquor question and to Sunday baseball question. While there are many other minor questions, these two have been most prominent in the discussion for and against me.

Relative to these two questions. I have decided to state to the people of the County exactly my position. As to the liquor question, I have for a number of years believed, and still do believe that the manufacture and sale of intoxicating liquors as a beverage is not sound public policy, and ought to be prohibited; but that is not the question at issue. My attitude is not different I believe, than that of Mr. Osborn, Mr. Ferris or Mr. Pattengill. If elected Prosecuting attorney, I should have no power or right to abolish a business that is legitimate. When a dealer has complied with the law and secured his license, as I view it, he is engaged in a legitimate business and entitled to the protection that the law affords and should comply with the laws made for the regulation of his business. I should neither persecute nor favor any man on account of or because of his business. I have never handled a case for or on behalf of a liquor dealer, and I do not expect to ever handle one. I would not defend a case under the civil damage act. I would prosecute any person who sold liquor to children but I would not defend them. Any man engaged in legitimate business is entitled to a square deal; but I would not favor any man, whatever his business. If elected Prosecuting Attorney of this County, I shall be absolutely free to prosecute crime. I shall do it to the best of my ability without malice and only for the purpose of securing justice.

Relative to my attitude on the Sunday baseball question, there can be but one answer. Law is made for the protection of the Sabbath Day, should be and would be enforced according to their spirit. I should expect my life and conduct to uphold that principle.

Because these questions are raised concerning me, I think it would be only fair to the people of this County that all candidates for this position should fairly state to the people their attitude on these questions. Then the voters could decide who they wish to support.

For the reasons above set forth, I allow my name to stand where it has been voluntarily placed on the progressive ticket as a candidate for prosecuting attorney.

FRED T. MILES.
