VOLUME NUMBER 50

Oct. 13 1921

NUMBER FORTY-ONE

EXTRAVAGANCE is the curse of mankind. It means spending all you earn and going into DEBT without having something SUBSTANTIAL in return.

There is the old saying: "It's only three generations from plow to plow." The father earns, his son spends; his son's son goes to work again.

When you have a GRIP on money, why not HOLD it.

Our Bank is a safe place for your money.

We invite YOUR Banking Business.

## 50 Years Ago Sunday Morning

Fifty years ago Sunday morning Holland woke up to find that fire had swept into the city and had consumed everything before it. Reliable insurance companies together with Dutch pluck laid the foundation for a future Holland.

Last week Ionia was visited by a million dollar fire.

You can never tell at what time a fire blast may come, but with proper insurance in reliable companies you are always safe.

Our companies have stood the test of years.

### PUBLIC AUCTION

Saturday, October 15, at 1 o'clock P. M. at the home of Mrs. Jacob Weersing, 49 Maple street, a little south of the Zeeland Furniture factory.

Thursday, October 20, 9 a. m. on the farm of Ed Veenstra, 1 mile west and 2 1/2 miles north of Borculo or 1 mile south of the Banner creamery in Olive township.

Friday, Oct. 21, at 1 p. m. standard time, on the farm of Fred Nelis, located 1 mile north and 1/2 mile west of Holland on the Alpena road.

Rummage sale will be held in the store next to the gas office October 27-28-29. Send articles for sale to Mrs. F. L. Lacaff, 20 East 23rd St., Mrs. E. P. Davis, 18 East 9th St., Mrs. John Dykstra, 29 E. 9th; Mrs. T. A. Boot, 62 W. 11th St.; Mrs. J. B. Hadden, 128 W. 11th; Mrs. Al Van Duren, 66 E. 12th

Coach Schouten's proteges opened the football season by taking the short end of a 30-0 score at the hands of the Hillsdale College elev-

## HOLLAND MAY HAVE A STATE PARK

YNTEMA'S WOODS EAST OF THE CITY IS BEING PROPOSED

Austin Harrington Brings the Matter Before the Board of Supervisors

Holland and vicinity may have the use of another park, that will be maintained by the State of Michigan. The spot is an ideal one comprising fifteen acres.

It is the beautiful woods a little over a mile from the city limits on the Zeeland road. The property is owned by the Yntema estate and it is said that it can be secured for \$5,000.

Austin Harrington, chairman of the county road commission brought the matter up at a recent meeting of the county road commissioners and these men agreed to appear before the board of supervisors in a body and do what they can to get this state park located.

Several of the supervisors of the North end have signified that they are in favor of the project and those at the South end naturally wouldn't throw any stones in the way of their own welfare.

If southern Ottawa is given this state park which is quite probable, the state will also maintain it and place it in proper shape. Holland being so near, it will be easy to light the park with electricity, and since the new wells are not over a quarter of a mile from the site, it would not be a difficult matter to carry the water to it.

This expense of course would be borne by the state and Holland would be paid for the current and the water supply.

A suitable plat would be made out of the park and proper places for tourists with their camping outfits would be provided for.

The park would naturally be governed by certain rules which tourists would have to follow but the state sees to it that all the necessary conveniences in the way of rest rooms are provided on the ground.

Sanitary conditions must prevail and this rule is imperative.

Let us hope that the board of supervisors can see their way clear to give this vicinity a state park.

## WILL CASE IS APPEALED TO CIRCUIT COURT

The will case of the late E. J. Harrington involving an estate of \$50,000, has been appealed by the attorneys of Harry Eagle, grandson of the late Mr. E. J. Harrington.

The will was made out as admitted to probate recently by Judge Danhof.

The grandson being dissatisfied with this procedure appealed the case to circuit court, where no doubt it will be fought out by the legal lights on both sides.

Eagle is being represented by Attorneys Smedley & Linsley of Grand Rapids, while the Harrington estate is being advised by Attorneys Robinson & Den Herder of Holland and Attorney Wilkes of Allegan.

## TO HOLD MASS MEETING ON THURS. DAY NIGHT

So enthused were the members of the Exchange club Wednesday noon over the address given by Mr. Horn the former Bolshevik who some time ago abandoned that cause and is now lecturing all over the country trying to counteract the propaganda that he and others like him spread in former years, that they decided to organize a mass meeting in the city hall Thursday evening to give every man in Holland an opportunity to hear him.

The meeting will be for men only and all employees as well as business men and manufacturers are cordially invited. But especially employees of factories since they had no opportunity to hear him Wednesday noon. The meeting is for men only and every effort will be made to provide room for all. But those who wish to hear this inspiring address are urged to come early since it will be a case of first come, first served.

Mr. Horn for eighteen years lectured in favor of radicalism. He spent eight months in a Siberian prison. The story of his life is thrilling and the lecture will be a great treat. It is free of charge and all men in the city are asked to come and hear it.

en. The score indicates that we were outclassed and there is little doubt but that we were. The redeeming feature was that every man fought to the finish. The Hillsdale men had the advantage of playing at home and, besides, our game was the second of the schedule. This means that they had gained some experience and team play through having worked together before playing us. Hope 0 0 0 0 Hillsdale 7 7 13 7-34

## A RUSSIAN RED CONVERTED TO TRUE AMERICANISM

SUFFERING IN RUSSIA BLINDED HIM TO SANE REASONING

Tells Exchange Club of Terrible Conditions in Russia

The members of the Exchange Club were given an unusual address at their luncheon Wednesday noon when Mr. Zalman Ber Horn Kalmanovitz of Russia gave one of the most impressive lectures on Bolshevism that the members were ever privileged to listen to.

The Russian was introduced by William Ten Cate, a Hollander, who for thirteen years has been in this country and who when he arrived could not speak a word of English. He however, handled the American language beautifully and demonstrates that he is an apt scholar.

He stated that Mr. Horn and himself are being sent out by the American Educational Association for the purpose of preaching to the employer as well as employee the real ideals of Americanism.

Mr. Ten Cate states that the rumbling of discontent underneath the surface is brought about because the employee and the employer are not closely enough allied and understanding should be better and their relationship should be more intimate. He stated that when he first came into this country he was not taken in 'taw immediately by the employers' class, but that the Bolshevik and the Socialist were right on hand to whisper words of dissention into his ears.

But by thorough investigation he found that that policy could never stand. Mr. Ten Cate says that ninety per cent of our laboring men are loyal American citizens, while ten per cent sow the seed of discontent among the 90 per cent, and by falsehood and propaganda and oftentimes truthful incidents relating to selfish bosses, bring about complicated labor conditions and dissatisfaction among the men. However if men are taught properly and are willing to investigate economic conditions they will find that our present industrial plan is far better than any newly proposed system being tried out in radical Russia and advocated by radical reformers in this and other countries.

Mr. Ten Cate at this juncture introduced Mr. Horn, who is an escaped radical from the land of the Czar. Mr. Horn is well educated, being a master of eight languages including the American language, which he speaks quite fluently. He began the story of his suffering, telling of how when he was 15 years old he was instilled with a hatred of the Czar's rule.

Tyranny was so pronounced that a common Russian might only read certain books, was barred from the schools, every word he spoke was listened to by spies, everywhere he walked the Czar's agents were following. Even technical violations of the Czar's rule brought twenty years at hard labor in Siberia. He tells of one book that he was reading depicting Queen Katherine which was under the ban in Russia. He states that while he was occupied with perusing the volume he heard footsteps near his window and with military tread the Czar's men were walking to and fro. Swiftly he threw the book into the fireplace and began to read his Bible.

Suddenly panes of glass were broken by the butts of guns and the Russian soldiers entered. They picked up every scrap of paper to be found in the place endeavoring to find evidence against the young man who was only 15 years old.

For thirty days they tortured him with questions and if these were not forthcoming quickly enough he was struck over the bare body with the lash.

Horn even at this tender age was so imbued with a hatred for the Czar's men that he joined a secret society called "The Flying tie".

The secret order is named after the weapon which the members of the order use to kill or wound despotic Czar's agents. It consists of a long wire with a heavy iron ball on each end. Russians are adepts in throwing these weapons with such accuracy that when a "flying tie" winds itself around the neck of an officer, it nearly severs the head from the body and when the Czar's agents received a volley of these, they threw their long coats over their heads and scurried for cover.

This society planned revenge upon the soldiers who did some very atrocious things, one in particular is so horrible to contemplate.

The Czar's force herded some 200 women, sweethearts and sisters into the market place stripped them of all their clothing, subjected them to torture and worse, thinking that possibly members of the secret society would defend their loved ones in a body.

The secret order however planned other means of revenge. During the Czar's birthday 300 of these soldiers celebrated the event by an over indulgence of vodka while in their barracks and the members of the society planted bombs under the soldiers' headquarters and blew them out of

## EXCHANGE CLUB TO BACK UP NEW HOSPITAL PROJECT

MEMBERS STATE THOSE OF MODEST MEANS MUST BE TAKEN CARE OF

The Holland Exchange club luncheon held yesterday noon was attended by 75 members and many guests.

City Attorney Mc Bride brought up the proposition that the club should take some action on the hospital project.

This motion was seconded and it was found that the members were unanimously in favor of giving it their hearty support.

Many of the prominent members of the club stated that they see the crying need of a new hospital, for while those who could afford it might easily find relief in a Grand Rapids or a Muskegon institution, those who were not so fortunately situated are absolutely deprived of such an opportunity because of the tremendous expense and the difficulty of friends and loved ones to get to those who are confined there.

It is considered that many of the poor suffer and possibly die for the reason that only emergency cases can be taken care of here because of the lack of room and equipment.

The members of the Exchange club feel that a hospital should be built that can take care of the rich and poor at a nominal expense, and those who are actually in great need can be given help free.

existence.

Horn was arrested on the supposition that he was instrumental in this work, and he was sent to Siberia for thirty years. He was chained to a wheelbarrow with a companion, but the companion died.

There being no blacksmith in the vicinity he had to remain chained to his dead friend for three days, sleeping with him at night and carrying him around in a wheelbarrow during the day, until a smithy was found. The marks of the chain were still plainly evident on the arms of the lecturer from Russia.

He also told of his thrilling escape from Siberia to the British Isles in a sauerkraut barrel. He then told how he preached socialism and radicalism all over England. He then heard of the "Land of the Free" and sailed for America and when he saw the Statue of Liberty a feeling came over him that he will never forget. He fell on his knees and thanked God that at last he had come to a country where equity and justice prevailed. He was doomed to disappointment however as the first to take him in tow when he reached New York was the American Bolshevik who pointed out that he had now to deal, not with one Czar, but with a thousand Czar's who made the laboring class their slaves.

At this juncture Mr. Horn said: "With the suffering that I went thru I could only see one ideal. The Bolshevik ideal, or whatever you may call it. That every man is born equal, and that private ownership is not logical and is unfair."

"I was fighting for an ideal that was false."

"I became rabid, and for 18 years I've been preaching this doctrine from the Atlantic to the Pacific coast. Really a nice sounding doctrine to the uneducated man, 'that he is the equal of every other man'."

"All men as being equal, does it not appeal to the common man? The division of this world's goods, is that not an appealing argument for the unsophisticated?"

"I preached that doctrine for many years, but thank God I have seen the light and now see the fallacy of such propaganda and am now endeavoring to undo the harm I have done during all these many years."

"I find that faithful service is the thing that is rewarded and should be rewarded. I find that captains of industry so-called are men of superior knowledge and who in their life time have been unflinching in their efforts and unflinching of themselves, never shirking work or duty and their reward is advancement and consequently wealth. In other words greater service gives greater reward. 'I believe that one of the remedies to better economic conditions is greater production. Greater production means more food, more clothing, more housing. Less production means that there will not be enough to go around."

"The radicals send out tons of reading matter and paid speakers to break down our American institutions and industries. The remedy is to get in closer touch with your fellow men. Tell them the truth of American institutions and industry."

"There should be a better understanding, there should be mutual co-operation, and the American workers should be given a thorough education in the economic conditions of this country's industrial life, and of course there should be fair play always."

"If our plan of government is built on the constitution of this great United States, all will be well with us, for it is the truest document ever written."

## HOLLAND GIRLS TO GRADUATE FROM BLODGETT HOSPITAL

EXERCISES TO TAKE PLACE AT ST. CECILIA AUDITORIUM

A class of 18 young ladies will graduate tomorrow evening from the class of the Marion Louise Withey Training School for Nurses, Blodgett Memorial Hospital, Grand Rapids.

Among this number are two young ladies from Holland, Mary M. Van Putten, daughter of Mr. and Mrs. Jacob Van Putten, Sr., South River avenue and Marion Sywassink also of this city.

Two former Holland girls are also found on this list, namely Miss Vivien Helene Mulder and Miss Eolyn Delores Mulder. Both the young ladies are daughters of Mrs. Charles L. Mulder of Chicago and are nieces of B. A. Mulder of the Sentinel and News.

The course at Blodgett hospital entails three years of hard work, but after their educational training is finished these graduates make exceptionally fine nurses.

The graduating exercises will be held Friday evening at St. Cecilia Auditorium after which a reception will be held from 9 until 11 o'clock.

## DUEL NOT GUILTY OF KILLING PHOTOGRAPHER

Allegan, Oct. 13.—After only 35 minutes deliberation, a jury in Judge Cross' court early Wednesday night found John Duell of Fennville, not guilty of the murder of James McClemons, photographer, on June 25 last.

Duell was said to have been the last man who saw McClemons alive. He was heard quarreling with McClemons a few minutes before the latter was killed, with some kind of a blun instrument. The state charged the murder was committed after a drinking orgy.

## MASONS WILL STAGE BIG NEW YEARS DANCE

At a special meeting of the Holland Masons the social activities of the lodge for the coming season were discussed.

It is decided to give an informal dance on Thanksgiving eve while the big annual event will be pulled off on New Years.

A third dance is to be given later on but the date has not yet been decided.

The New Year's dance will be the second annual ball given, and there is no doubt but that it will be an elaborate affair.

The committee appointed to take charge of the dances are: Merriek Hanchett, chairman John Vande Woude, L. Risto, R. Bosworth and E. Brooks.

While clearing the ground for the new golf course at the Spring Lake Country club Friday, Sandy Rogers of Spring Lake was so badly injured that he was removed to Elizabeth Hatton Memorial hospital for treatment. Mr. Rogers had his team on the grounds operating a windlass stump puller. In some manner the lever flew out of the puller, striking Mr. Rogers a terrific blow across the legs. The force of the blow turned him clear over in the air and he struck heavily on his head and shoulders. He was removed to the hospital, where it was found that his right leg between the knee and ankle had been fractured. A small fracture occurred in his left leg and his shoulder was badly bruised.

## FRESHMEN HAVE FIRST GET-TOGETHER

Once more according to the tradition and custom of their predecessors the Freshmen ventured forth after the most strenuous 'pull' ever recorded in Hope's annals, in quest of a better and more wholesome environment than that afforded by Black river. The first get-together of the Class of 1925 was a big success, an event long to be remembered by every member of the class.

While refreshments were being served, a very entertaining program was rendered, the main feature of which was 'Mr. Ryder and his readings.' The chaperone reminded us that bedtime was near at hand, and the entire mob crowded into the car for Holland. Upon arriving in Holland each sought his own (?) home, congratulating himself upon being a Freshman.

Monday morning the entire class made their appearance in green, which has been chosen as the official hue of the class. The little hats secured by the Student Council are to be worn until the beginning of Thanksgiving vacation. The same rule holds for the green ribbons which the girls are to wear. With the bobbing of green and yellow upon the Campus it seems as if Spring were coming.

**THE ROTARY CLUB IS BACKING HOSPITAL PROJECT**

At a recent meeting of the Rotary club of Holland it was the sense of the members present that all should back the new hospital project to the fullest extent. The sentiment prevailed that every man, woman and child in and near Holland should be interested in making the Holland hospital large enough and good enough in every respect. Long ago we recognized the importance of having adequate Life Saving stations on our shores, and yet we are only now awaking to the more important life saving stations—hospitals—right where we live the year around.

Dr. R. H. Nichols, president of the Rotarians, gave a synopsis at the Rotary club meeting, of the splendid accomplishments of our present small hospital, and pointed out the great needs of an extension of the present work. He asserted, further as an example, that although the total cost would be quite a large sum, it would mean only four dollars a year for five years to the man owning \$3500 worth of property.

As Dr. Nichols put it, it is absolutely impossible for people of modest means to employ trained nurses in the home—yet in the hospital everyone can have this service, and under the best of conditions. Not a soul can be admitted to our hospital, now, except for surgery. There is no room for the great clinical, medical, and experimental work, that is so essential in modern life. Surely the prevention of serious maladies is at least as important as the cure. And it is easy enough to see that the very treatment that our doctors want to make possible in our hospital is what will prevent much of the surgery.

Everyone can well afford to get behind the movement of a large and better hospital.

"Juvenile crime reaches high tide in the summer time," says a statement issued from the office of the Michigan Sunday School Association. The reasons for this fact and suggestions for a remedy are promised as features of the 61st State Sunday school convention to be held at Kalamazoo October 26-28. Week day instruction in religion, night schools for the training of teachers of religion, high school credit for bible study, English bible courses in academic and collegiate institutions—these are among the subjects to which the platform addresses and round table discussions will give attention. A chorus under the direction of Prof. H. C. Maybee of the Kalamazoo State Normal, lectures on religious pedagogy by President D. W. Kurtz of McPherson College, technical conferences by leaders from the adjoining states, are among the features announced.

A thorough reorganization of the state association on an interdenominational basis is completed. A state wide conference of the county officers is the opening event on the morning of the 26th. At this conference Ottawa county will respond to the subject, "The Grace of Presiding." Among the speakers on the program the succeeding days will be Mr. A. Lahuis of Zeeland and Dr. S. M. Zwemer, Egypt.

Dr. Charles Barker, scheduled to talk to the men of Holland tonight at Winants chapel, received cheer after cheer Monday morning from the high school students who came out to hear him. It is a day that will be long remembered at Holland high school for the inspiration that has been thoroughly aroused in the hearts of his listeners.

Every woman who hears him this afternoon and every man who will hear him this evening will be better for it tomorrow. Best of all, it is fun to hear him—it is actually an educational picnic. The doctor's humor and his force as a speaker are excellent. He holds his audience spellbound from his first word to his last.

Dr. Barker has spoken to more high school students than any other living man. Supt. Fell said during the address Monday morning, "If I had the power to choose between giving a million dollars apiece to all of our students and influencing them to take Dr. Barker's advice, I'd choose the latter without hesitation."

The doctor proves that success is a matter of paying the price. He showed the students a simple, common-sense route to success, and ways to test themselves as they go along. His examples, clear and complete, will not soon be forgotten.

By all means, men of Holland, hear Dr. Barker tonight at 8 o'clock.

John M. Christpell, aged 73 years, died Wednesday evening at the home of his son Frank on East 7th street. Mr. Christpell had been ill for some time.

He was born in New York State and came to Michigan many years ago. During the civil war he served in a Michigan regiment, and he has been a resident of Holland for many years. He was a tanner by trade.

The deceased is survived by the following children: Mrs. Nora Howard, Charles of Lake City, Mich., Frank, John and Fred of Holland, William of Mayville, N. Y., and Mrs. Helen Fisher of Peoria, Ill. The funeral will be held Saturday afternoon at 2 o'clock from the home of the deceased at 24 West First St., Rev. Mr. Kingsbury, pastor of the Wesleyan Methodist church officiating.

**CITY HAS BIG FAMILY TO TAKE CARE OF**

The family of a convict must eat and have a house to live in and must wear clothes just like other people, and the poor department of the city of Holland has found that when the law takes the breadwinner away, it is up to the city to foot the bills. No one has yet figured out a way of getting around this difficulty.

Jim Verone was recently sent to prison by Judge Cross for a year. The sentence is considered entirely just and the demands of justice dictated that Verone should satisfy the law by serving time. But as is so often the case in this imperfect world, he is not the only one to suffer; and in this particular instance more suffer than is usually the case, because Verone has a family of a wife and eight children. The oldest of the children is only 13 years, and the other seven follow in rapid succession as to age and size.

It is now up to the city of Holland to feed and clothe and house this large family and it is going to amount to a pretty sum before the husband has served all his time. The officials of the poor department have already extended aid and in these days of high prices it is going to be a man sized job to keep all the children in shoes and dresses and suits, and John Vandenberg, city director of the poor, is making an appeal to the people of Holland to help.

His idea is to make a collection of clothing and shoes from the public and to use to keep the family warm during the winter. Anyone who wishes to give some discarded clothing for this purpose may leave them at the police headquarters or else may call up Mr. Vandenberg and he will cheerfully call at the home to get the bundle. Clothes are needed for boys and girls ranging from infancy to 13 years of age.

**NO CAUSE FOR ACTION IS FOUND BY OFFICERS**

Under-Sheriff Jack Spangler of Ottawa county completed his investigation into the death of Edward Wood, who died as a result of burns sustained while asleep in his bed room in Perryburg. The undersheriff had heard many rumors and reports as to habits of the victim, but is convinced that as far as the circumstances surrounding his death are concerned there is nothing which requires action. Wood had worked the night before and had retired in the morning to sleep. It is believed that he may have been smoking in bed just before he dropped off to sleep, and that fire smoldered in the bed clothing.

Some confusion has occurred concerning the victim's names. In Perryburg he was known as Ed Wood, while many believed his right name to be Van Houten. His widow stated to Officer Spangler that her husband's name formerly had been Van Houten, but that he had had it legally changed in the courts to Wood. He had always been known as Wood since his residence in Perryburg.

**COMMITTEE CHOSEN TO CONFER WITH PHONE MANAGER**

Gerrit Hennevelt, representing the farmers west of the city, John Y. Huizenga, representing the farmers east of the city, either Henry Boever or Wm. Vander Belt, on behalf of the farmers of Fillmore, and one other man representing the farmers of the North Holland district will serve as a committee to visit Gran Rapids some time during this week to present to General Manager Tarte of the Citizens' Telephone Company the result of a series of meetings held this week in school houses in the vicinity of Holland in regard to the raise in the telephone rental. The final meeting of the series will be held Monday evening in the school house at North Holland, and the conference with Mr. Tarte will be held as soon after that as an appointment can be made.

The protest of the farmers is in the form of a resolution in which the persons who have signed it pledge themselves to discontinuing their subscription to the Citizens' phone unless the rate remains the same. This brief resolution has been presented at the three public meetings that have been held, and so far more than a hundred signatures have been secured. At the meeting next Monday evening the resolution will again be presented with a view of securing still more signatures.

Armed with this resolution, the representatives of the farmers will go to Grand Rapids to put the matter up to the general manager of the company. There is some difference of opinion as to whether those who join in the movement will merely discontinue their telephones or whether they will open negotiations with another telephone company. The formal resolution makes no mention of any other phone, but merely declares that those who have signed it will discontinue the Citizens' phone if the rates are raised.

Jacob Japina, manager of the Union bar on River avenue has now placed two box bowling alleys in his place of business, ready for the lovers of this indoor sport.

Mrs. W. I. Hayden of Alpena, Michigan has been visiting her mother, Mrs. H. Roseboom, 14 E. 6th St.

**COMMON COUNCIL**

Holland, Mich., Sept. 30, 1921. The Common Council met in special session in the absence of the Mayor was called to order by President Protem Brieve.

Present—President Protem Brieve, Alds. Laaple, Kammeraad, Brinkman, Damstra, Wiersma and Vander Hill and the Clerk. The clerk reported that the meeting was called for the purpose of purchasing cement.

On motion of Ald. Kammeraad. Resolved, That the matter of acceptance of bids on cement tabled by the council at a meeting held Friday, August 26, 1921, be and the same hereby is taken from the table.

Carried. On motion of Ald. Kammeraad. Resolved, That the several bids on cement submitted by the committee on Street and Crosswalks at a meeting of the Council held Friday, August 26, 1921, be and the same hereby are rejected.

Carried. The committee on Streets and Crosswalks submitted several bids for 350 barrels of cement, and reported that the bid of Bohus Lumber & Mfg. Co. 175 bbls, and Van Vorst & Barendse 175 barrels at the price stated.

Adopted all voting aye.

Adopted.

RICHARD OVERWEG, City Clerk.

**COMMON COUNCIL**

Holland, Mich., Oct. 5, 1921.

The common council met in regular session in the absence of the mayor was called to order by President Protem Brieve.

Present—Pres. Protem Brieve, Alds. Blue, Vander Brink, Laaple, Kammeraad, Lawrence, Damstra, Wiersma and Vander Hill and the Clerk. The minutes of the last two meetings were read and approved.

Petitions and Accounts. The Western Union Telegraph Co. petitioned for permission to erect a non-union building sign at the Western Union Office, No. 21 E. 8th street, size 36 x 72 inches. Referred to the street committee with power to act.

Charles Kluge petitioned to come under the compulsory sewer ordinance, being ordinance No. 308, and presented agreement, waiving service of notice and everything else necessary to come under said ordinance, and have his premises described as Lot 5 of Block 10, 10th street, connected with the sewer.

Accepted and granted.

The clerk presented communication from the Willard Road Construction Company stating that the company is fully insured by compensation policy with the General Accident, Fire and Life Assurance Co. and submitted an affidavit to that effect.

Filed.

Reports of Standing Committees.

The committee on streets and crosswalks reported recommending that the clerk be instructed to return to Willard Road Construction Co. the certified checks which accompanied their bids for the paving of 1st street from Maple and Van Raalte avenues, and 11th street between Lincoln Avenue and Gerrit street and Gerrit street from 11th to 12th street.

Adopted.

The committee on claims and accounts reported having examined the following claims and recommended payment thereof:

Holland Gas Co., 104.33  
Anna Vander Lugt, ass't clerk 14.00  
C. H. Me Bride, attorney 20.00

Accepted and the Treasurer ordered charged with the amount.

The City Engineer reported the following amounts due the Willard Road Construction Company on their paving contract \$5,709.10 on the Ninth St. paving, \$5323.73 on the W. 18th St. paving No. 3, and \$1436.50 on the East Ninth St. paving.

Adopted and a warrant ordered issued for the city treasurer in payment of the amounts.

The City Engineer reported plans and estimate of cost of draining and otherwise improving River avenue from 12th to 17th

streets and 17th street from River to Ottawa avenues with curb and gutter approaches piping, catch basins and manholes. Total estimated cost \$13,533.80.

Adopted and ordered filed in the clerk's office for public inspection and the clerk instructed to give notice that the Council will meet at the council rooms on Wednesday November 2, 1921, 7:30 P. M. to hear objections and suggestions of said proposed improvement.

Ald. Dykstra here appeared and took his seat.

The clerk reported that, pursuant to instructions he had given notice of the numbering and filing in his office of the special assessment roll for the paving and otherwise improving of Ninth Street from Van Raalte to Lincoln Avenue and of the time for reviewing same and that no objections have been filed in the Clerk's office.

The Clerk further reported that pursuant to instructions he had given notice of the inspection of the special assessment roll for delinquent scavenger bills and for sewer connections in the sanitary district when ordered to be made by the common council, and the time and place for reviewing said rolls and that no objections to same have been filed in the clerk's office.

On motion of Ald. Damstra.

Resolved, that the foregoing special assessment rolls be and the same hereby are confirmed.

The Board of Assessors submitted special assessment roll for the paving of 18th St. from First to Van Raalte Avenues, and also special assessment roll for sidewalk construction.

On motion of Ald. Damstra.

The rolls were ordered filed in the clerk's office and numbered and the clerk instructed to give notice that the council and board of assessors will meet at the council rooms on Wednesday, November 2, 1921, 7:30 P. M. to review said assessments, at which time and place opportunity will be given all persons interested to be heard.

Dated: Holland, Michigan, October 10, 1921.

RICHARD OVERWEG, City Clerk.

310-13-20-27 1921

**NOTICE OF SPECIAL ASSESSMENT**

Sidewalk Construction

To D. W. Dills, Fred Stratton and all other persons interested.

TAKE NOTICE—That the roll of the special assessment heretofore made by the Board of Assessors for the purpose of defraying the cost of the sidewalk construction of the city of Holland, is now on file in my office for public inspection.

Notice is hereby given that the Common Council and Board of Assessors will meet at the Council Rooms on Wednesday, November 2, 1921, at 7:30 o'clock P. M. to review said assessments, at which time and place opportunity will be given all persons interested to be heard.

Dated: Holland, Michigan, October 10, 1921.

RICHARD OVERWEG, City Clerk.

310-13-20-27 1921

**NOTICE TO CREDITORS**

STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

In the matter of the Estate of HENRIKKE J. YE SLIGT, Deceased.

Notice is hereby given that four months from the 5th of October, A. D. 1921, have been allowed for creditors to present their claims against said deceased to said court of examination and adjustment, and that all creditors of said deceased are required to present their claims to said court, at the probate office in the city of Grand Haven, in said county on or before the 5th day of February, A. D. 1922, and that said claims will be heard by said court on Tuesday the 7th day of February A. D. 1922 at ten o'clock in the forenoon.

Dated Oct. 5, A. D. 1921.

JAMES J. DANHOF, Judge of Probate.

Expires Oct. 29—No. 9143

STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

In the matter of the Estate of ULEKE DE VRIES, Deceased.

Leo De Vries having filed in said court his petition praying that the administration of said estate be granted to Rogus DeVries or to some other suitable person. It is ordered, That the 7th day of November A. D. 1921 at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing in the Holland City News, a newspaper printed and circulated in said county.

JAMES J. DANHOF, Judge of Probate.

A true copy—

Cora Vande Water, Register of Probate.

Expires Oct. 2

## POPULAR HOLLAND GIRL MARRIES CHI- CAGO PHYSICIAN

Cards are out announcing the marriage of Dr. Stuart Yntema, son of Mr. and Mrs. Gerrit Yntema of Forest Grove and Miss Jean Bazan, daughter of Mr. and Mrs. M. C. Bazan, 100 West 9th street, Holland.

The marriage was very much unexpected at this time, and occurred while Miss Bazan was visiting in Chicago.

The young people had been engaged for some months, and it was understood that Mr. Yntema was to depart soon for Honolulu. Therefore the happy young couple quietly slipped away to the beautiful Fourth Presbyterian church on North Michigan avenue, where the Rev. John Timothy Stone on the morning of Sept. 17 solemnly performed the wedding ceremonies while the organist of the church presided at the big pipe organ in this mammoth church edifice.

After the marriage vows had been said, the eminent divine smilingly gave them his blessing, and the two lone figures quietly left the sanctuary to start out in life together.

Miss Jean Bazan is one of Holland's popular young ladies, and former pupil in the Holland high school. She is a graduate from the Holland business college and for four years was connected with the bookkeeping staff of the Holland Furnace Co. For the past year she has been in Jacksonville, Fla., and in the spring made a tour of the Eastern states, visiting Boston, Philadelphia, New York and Washington.

Dr. Yntema was a former student at Hope College, is a graduate of the University of Chicago and also of Rush Medical college.

He is now resident physician of the Cook county Psychopathic Hospital, 221 South Ashland Boulevard, Chicago, Ill.

After December, Mr. Yntema intends to go to Honolulu to do interne work at the Queen's hospital, the largest institution on the island, and when he goes he will take his bride with him to the isle of tinkling waterfalls, stately palms, and tropical moons.

## HOUSES MUST HAVE NUMBERS AND MAIL BOXES

The postoffice department has ordered an investigation in each city to ascertain how many houses are not numbered and are not provided with suitable receptacles for mail. Confusion, delay and errors are caused by lack of numbers and proper receptacles, especially when substitute carriers are on duty. No particular style or type of receptacle is required, and it may consist either of a slot in the door or a conveniently located box of any suitable material. As a preliminary step, on Oct. 19, 1921, the city carriers will be required to report all dwellings and business places on their routes not properly numbered and equipped with receptacles or slot in the door, so that further action can be taken to remedy the defects.

House numbers enable carriers to avoid errors and delay in the delivery of mail, and mail receptacles insure prompt and safe delivery of mail in the absence of occupants.

## WILLITE PAVING JOB IS FINISHED IN HOLLAND

Saturday marked an end of paving operations of the Willite Construction company in Holland. The last yard of Willite was placed Saturday, and the force of men made ready to pull stakes and move to Alpine, Mich. where Mr. K. B. Olsen, who superintended the job here will have charge of the laying of five miles of Willite, eighteen feet long, put in jointly by Kent county and the federal government.

The total amount of Willite laid in Holland the past summer is 24,939 square yards. This includes 18,440 square yards on Ninth street, 3,449 square yards on 18th street, and 2,900 square yards on East Ninth-st. and Gerritsen avenue.

The Willite Construction Co. started excavation work in Holland on June 27. Work was delayed somewhat at first by a strike which necessitated stopping for about ten days. The laying of asphalt began on Aug. 25 and was rushed to completion since that time.

How much of the labor and material came from Holland is shown by the fact that the Willite Company's checking account at one of the local banks showed a total amount paid out to Holland men and Holland firms of a little over \$20,000.

Commenting on the statement sometimes made that Willite is desirable paving provided it wears, Mr. Olsen explained that Willite is nothing else than a standard asphalt which has been in use for a great many years, plus an admixture of copper which prevents it from cracking and from getting too soft. Its wearing qualities are the same as a standard asphalt, he declares, and it will not crack as easily as the other types of asphalt.

Mr. Olsen is an experienced hand at his job. He has laid pavements in ten states and there are now streets in 27 cities that were put down by him.

## NEW PARTNERSHIP IS FORMED IN THIS CITY

A few days ago a new partnership was formed in which Earnest Brooks becomes associated with the law firm of Attorney Raymond Vischer, whose offices are located in the Visscher Block.

Altho Mr. Brooks is not an attorney he will assume the duties in the insurance department.

Mr. Vischer found that the law business took up the greater part of his time and in order to give more attention to this part of the work he will be relieved of the insurance end of the business by Mr. Brooks. Mr. Brooks has handled insurance, real estate and brokerage transactions for many years, and therefore it will be easy for him to adapt himself to his new position.

Mr. Brooks has been closely identified in this city with American Legion work and has taken a decided interest in the boy scout movement.

The Visscher family have been in the insurance business for the past 40 years, the late Mr. Arend Visscher alligning himself during that time with some of the oldest and strongest all American companies in existence. At the death of the father, nearly a year ago, the son, Raymond Visscher took up the work where the sire left off and in order to extend and develop this branch of the business, Mr. Brooks was induced to take up this work.

## HIGH SCHOOL FRESHMEN INITIATED FRIDAY NIGHT

The first and greatest event of the school year took place Friday night in the high school when the Freshmen were initiated into the social life of the school. The three upper classes and the faculty acted as hosts and hostesses. The unique feature of the entertainment was a tour of the principal points of interest in Holland, with Cornelius Houtman as the guide and Elton Hansen as chauffeur. The guests formed into groups, each named after a car. After the words of welcome to the Freshmen by principal J. J. Hemersma and an appropriate reply by Willard, Vande Water, president of the Freshman class, the parade started.

Following the road guide the first stop was made at the postoffice on 309 Third St. where Maurine La Caffé the postmistress, scattered gossip from the postcards and participated in a holdup, in which Jim, the postman became the hero. The police court had a regular chief, Harry Albus, and a courageous patrolman, George Damson, who conducted trials in an exemplary manner. The Colonial theater, Clyde Geerlings, manager—had on a good peppy comedy aided by the best orchestra in the city. Even the Hope College Museum was exhibited by its curator, Martha Schumacher. The photographs on display at Lacey's studio did credit to the imagination of the artist, Kathryn Keppel.

Visitors inspected the kindergarten of Washington school where Dorothy Dick acted as teacher and were struck with admiration at the realistic way in which High school students acted the part of kindergarteners. The city library in charge of Anna Meengs, Benders' Dock, where Mary Nykerk, reigned as captain, the bowling alley, Robert Flemming proprietor, and the high school senior play directed by LaVerne Essenberg were admired and applauded. The latter especially was up to the usual high standard of senior plays.

At 9:40, the autos concentrated at the cafeteria, where Pinky Mersen presided as chef, and were royally entertained. A peppy mass meeting in preparation for the game with Central closed the celebration.

## HARVEST SALE IS BIG SUCCESS

The three days' Harvest Sale are over, and the business men of Holland are more than pleased, and the thousands of patrons are more than satisfied.

Holland's streets had the appearance of a veritable bundle parade. Especially the ladies were seen lugging home all they could carry.

It is hard to ascertain which was really the big day, Wednesday or Thursday. Most of the merchants say Wednesday, while not a few claim that Thursday for them was the best.

Friday made a bad beginning because of the heavy rains during the night and early in the morning, but despite the weather, buying was very brisk, and tho it did not prove up to the first two days, it was far better than the business men had expected considering the weather conditions.

There is no doubt but that another sale will be held some time next year, which will be handled much along the same lines as the Harvest sale. This fall.

## GIVES SHOWER FOR OCTOBER BRIDE

Mrs. Fred Stoltz entertained Friday evening with a miscellaneous shower in honor of Mrs. Dena Blok, who is soon to become an October bride. A two course luncheon was served; and the evening was pleasantly spent in games and music. Prizes were won by Mrs. Tom Butler and Mrs. John Essenberg. Mrs. Blok received many useful and costly gifts. Those present were the Mesdames W. Dalman, Tom Butler, Ben Steffens, Geo. Tinkholt, Henry Geerts, Isaac Kouw, J. Bremer, John Essenberg, Fred Schermer, Fred Kieft, Fred Stoltz, and the Misses Jennie Koppelaar, Gertrude Blok, Cornelia Blok.

Grand Haven High meets Big Rapids high at Grand Haven Saturday afternoon.

## FIRE DESTROYS LARGE FISHING PLANT AT GRAND HAVEN

Buildings and nets forming a portion of the fishing plant operated by Caleb Ver Duin at Grand Haven harbor were totally destroyed Thursday morning in a spectacular fire which lighted up the sky with lurid light sent hundreds of people flocking to the river front to watch the battle against the flames. The property is located on the bank across the river from the foot of Howard street, and while it was impossible for most spectators to get near the blaze, the crowds had almost an unobscured view of it from this side of the stream.

The first alarms were sounded at before eight o'clock when the tugs Urger and Johnson moored at their docks on the opposite side of the river began blowing fire whistles. An alarm was sent to Grand Haven fire department, and altho the Second ward truck made the run, there was no way of reaching the fire with the city fire equipment. Some of the department were ferried across the river and did what they could toward saving endangered property.

The U. S. Engineer department gasoline tug got into action immediately and did excellent service in towing the fishing craft moored at their docks away from the danger of the flames. The tug also carried volunteers from this side to help check the blaze.

Volunteers, many of them fishermen, fought the flames with buckets of water and succeeded in saving several surrounding buildings. The U. S. Coast Guard Crew came up the river from the station in the big surf boat and immediately rendered all of the assistance possible in preventing the spread of the fire.

Nothing definite could be ascertained as to the origin of the fire. It was believed that someone had visited the property late in the afternoon and might have dropped a lighted cigar. It was reported that children had built a bon fire on the shore near the fish plant and that sparks from that fire had ignited the buildings. At any rate the flames gained headway so rapidly that there was no chance to save any of the property stored in the buildings. The fire seemed to start in the net house and spread almost immediately to the ice house and the net reels in the rear.

Fishermen had just finished mending up and packing away many of the nets for the winter. There were a few nets on the reels, but volunteers were able to save some of these by hurried work. In the main net house there was also considerable furniture and equipment for the plant. One Ver Duin lost a compass valued at about \$50 and about \$50 worth of other property.

A gasoline fishing tug operated by the fishing firm and all of the row boats and small craft were towed out of danger. Fire started in the small dock houses several times but was extinguished by bucket brigades.

Nets destroyed by the flames in the Ver Duin house are valued at fully \$3000. Buildings burned could probably not be replaced for \$1500 or more. Because of the location of the buildings insurance rates are high and protection is hard to get. It is estimated that he coverage will not exceed \$1200.

A fishing plant of Peter Fase is located just a few feet unriver from the Ver Duin plant. The direction of the wind out this plant directly in the path of the flames. Coast Guards and volunteers however, saved the buildings and the gasoline fishing tug owned by that firm was towed out of reach of the flames.

## AUTOISTS MUST HAVE LIGHTS BURNING ON SIDE STREETS

Thursday night Chief Van Ry sent out several deputies into the side streets, especially in the resident district to take the numbers of cars that were found parked without head and tail lights burning. More than a score of violators were called into police headquarters Friday morning and altho no arrests were made or fines imposed, the chief pointed out the dangers that the traveling public is subjected to when accidents occur on the dark streets that are made still more dark in the resident district because of the many trees.

Those motorists who did appear were treated very kindly and took the advice graciously, feeling that the demand for lights was a protection to their own property.

The police department is not going to ask motorists to light their lights on River avenue and Eighth St. for the reason that these are well illuminated to eliminate all danger and this will especially be true when the boulevard lights are switched on a few weeks from now.

The chief also believes that this is a useless waste to motorists in battery energy. But on the dark streets it is a different matter, for public safety is jeopardized, and head and tail lights must remain lighted after dark, while cars are parked there.

While the chief has been nice to the offenders up to this time, he wishes thru this article to warn the motorists that from now on, offenders, if found guilty, will have to contribute to Holland's library fund by way of a fine.

lights is not by city ordinance, but is the regulation of head and tail a state law regulating automobiles.

## CITY SAVES MONEY FOR PROPERTY OWNERS

That Holland is the only city he has ever laid paving in which builds its own curb and gutter for the paved streets was the statement made today by K. B. Olsen, in charge of the paving job just completed here by the Willite Construction Co. Mr. Olsen has laid streets in 27 cities and this was the first time that he had met with a town that did this work for itself.

"And it is done by your engineer's force at a considerable saving," said Mr. Olsen. In order to see what the difference would be, the Willite Construction company made an estimate of costs for the curb and gutter on Ninth street and found that it would have been 19 cents more a foot than the job cost with the city doing the work. That means a saving of nearly \$10 for every property owner along the street who has a fifty foot lot.

The work can be done so cheaply by the city because the price of foremen to superintend the job is eliminated, City Engineer Zuidema assuming that responsibility. And the work is as well done as any construction company could do it, according to Mr. Olsen.

## W. C. T. U. MEMBERS HEAR NAT. CONVENTION ECHOES

The W. C. T. U. held its regular meet Friday afternoon at the home of Mrs. D. Boter with a goodly number present. Mrs. A. Walvoord had charge of the devotion, reading the 139th Psalm. Mrs. Lacaff gave a piano solo "Autumn," and as an encore number "To a Waterlily" by Edward Mac Dowell. Current events were given by Mrs. Boskka and Mrs. E. Markham.

Interesting reports from the National convention were given by Mrs. Blekking. Mrs. Post and Mrs. W. E. Van Dyke. Plans were made for the annual reception to be held at the 3rd Reformed church Oct. 21, chairman of the social committee being Mrs. Van Dyke, and chairman of the decoration committee, Mrs. C. Shaw. Each member is asked to bring a guest. The teachers of the public schools are also to be guests. Tea and cake were served by Mesdames Dressel, Clark, Essenberg, Rosene and Wilson.

## CITY OF GRAND RAPIDS IS NOW IN DRYDOCK

The S. S. City of St. Joseph will go into winter quarters at Benton Harbor Monday. The S. S. City of Grand Rapids is now in dry dock at South Chicago, where the hull is being scraped and painted. It is the first time this ship has been in dry dock in two years.

The short fruit crop this season has been reflected in the late shipments. Records show the Graham & Morton line carried 195,000 less packages less in September than a year ago at that time, altho earlier shipments were better this year than last.

## FIGURES IN ACCIDENT ON PIKE ROAD

A motor car driven by H. S. Nichols of Grand Haven, and farm wagon, owned by Frank Garbrecht of West Olive, collided on west Michigan Pike in a heavy rainstorm Saturday. Mr. Garbrecht was thrown out and badly shaken up. Mr. Nichols took him home although his car was damaged. The Nichols car had just made the turn in the pike when the wagon upon which no lights were visible, loomed suddenly in its path. Mr. Nichols set his brakes but the wet pavement caused the car to skid into the other vehicle. Mr. Garbrecht's horses broke from their harness and bolted. They were found later several miles from the scene.

Mr. Nichols was returning from Holland after taking in the Holland-Central High Schools' football game.

Mr. and Mrs. John De Weerd from Zeeland were the guests of Mr. and Mrs. Frank Rhoda, 152 West 16th St.

## Stomach Health is Reason for Joy

Health Talk No. 26

By JOHN DE JONGE, D. C.

The ability to eat without being reminded of the fact by stomach pains or other discomfort is one of the joys of life. This does not imply that a man must live to eat. It simply means that the man or woman with a good stomach is fortunate. Food can be enjoyed and forgotten, while other activities of life are carried forward.

There are many forms of stomach trouble, some of which are not due to stomach weakness, but to the weakness of other organs in the alimentary tract, which includes the liver and other intestinal organs. When any of the alimentary organs are out of order, it may effect the stomach.

## Chronic Nervous Dyspepsia is no Longer Present

"For a period of five months attacks of nervous dyspepsia made life a nightmare. I took every form of treatment without relief until I tried chiropractic. After two months I was well and am more healthful today than ever before."—L. Klarman, Chiropractic Research Bureau, Statement 1231 C.

CONSULTATION IS WITHOUT CHARGE.

# REGISTRATION NOTICE!

NOTICE IS HEREBY GIVEN, that the Board of Registration of the City of Holland will meet at the places hereinafter designated on

## Saturday, October 22, 1921

Between the hours of 8 o'clock a. m. and 8 o'clock p. m. for the purpose of completing the list of the qualified voters of the several wards of said city.

FIRST WARD—Second story of Engine House No. 2, 106 E. 8th Street

SECOND WARD—No. 145 River Ave.

THIRD WARD—Basement Floor, City Hall, Cor. River Ave. and 11th Street

FOURTH WARD—Polling Place, 301 First Avenue

FIFTH WARD—Polling Place, Cor. Central Avenue and State Street

SIXTH WARD—Basement Floor, Van Raalte Ave. School Building, on Van Raalte Avenue between 19th and 20th Sts.

By order of the Board of Registration,

RICHARD OVERWEG, City Clerk.

Dated Holland, Mich., September 29, 1921.

## LOCALS

A Ford and a sedan figured in a head-on collision on the Zeeland road near the Holland township town hall Sunday evening. Both cars were rather badly smashed and they were hauled into town by the Ford Service department. The sedan was driven by A. Vanden Bosch of Zeeland and the Ford was occupied by Edward Breen and Mr. Johnson of Allendale, and Miss Josephine Strong and another young lady from Holland. No one was injured.

Mrs. H. J. Kollen has turned over her beautiful and commodious home on 16th street to the board of foreign missions of the Reformed denomination to serve as a residence for missionaries on furlough from the orient. Some furnishings are included in the gift. The transfer will be completed this week. Mrs. Kollen is the mother of Mrs. Albertus Pieters, who has been engaged in mission work in Japan for about thirty years.

Miss Elda T. Van Putten and Miss Minnie Amelia SyWassink have been appointed by the board of foreign missions of the Reformed church as missionaries to the orient subject to the final test in medical examinations. Both are graduates of Hope college. Miss VanPutten whose engagement recently was announced to Bernard D. Hakken of Grand Rapids, will go to Arabia and Miss SyWassink has been slated for Japan. They will leave for their respective fields in about a year.

The Freshmen green caps have arrived and the first year men at Hope College are displaying their colors by wearing them. The girls still wear green ribbons.

America's invitation to Holland to participate in the forthcoming conference on far eastern questions in Washington today was handed to the Dutch foreign minister by William Phillips, American minister to the Netherlands.

The chorus selected from the different Christian Reformed churches in this city met Thursday night for practice at the 9th street church. There are nearly fifty in the mixed chorus. These singers are preparing for the state Sunday School convention to be held in Holland on Oct. 21.

Rev. H. G. Ozanne who has been taking Prof. B. Meinecke's place at Hope College during the latter's leave of absence for a year, left Friday with his family moving to Hesperia, Mich., where he will be in charge of the M. E. church. Mr. Ozanne motored from Holland to his new field of endeavor.

Mrs. Clara Elferdink, Mrs. Jennie Damson and Mrs. Ida Chapman returned home Thursday after attending the W. R. C. convention of the 5th district at Otsego. All the delegates reported a delightful time. The next convention will be held at Allegan.

Maurice Hanna of the Strand theater has been in Jackson, Michigan, the greater part of the week where he attended the meeting of the Michigan Exhibitors Association. The session was one of the most important and interesting ever held in the state, and exhibitors from all over the state were present. The whole trend of the sentiment of the session was toward better pictures and a further improvement in the world's newest art, the screen.

The outlook for a big sugar beet crop is very promising and it is expected that the crop will fully equal last year's crop. With two weeks of seasonable weather the beets will be ready for harvest. Manager C. M. McLean of Holland-St. Louis Sugar Co. states a big season's run is in prospect. The total acreage for the three plants at Holland, St. Louis and Decatur, Ind., is approximately 20,000.

A warning for all persons to be ware of fakers soliciting funds in the name of the Salvation Army has been sent out by Brigadier Samuel Withers, head of the Salvation Army activities in Michigan. It has been reported that in certain towns and cities persons posing as Salvation Army officers have sought funds in the name of the army. The Salvation Army hopes to raise all its funds through its advisory boards and for this reason plans but one campaign a year in each community and that fact will be made known in time thru the state papers.

Sometimes you lose when you win. This was the experience of one Holland fan at the game Saturday, who bet a Grand Rapids sideline a dollar bill that Holland would still make a touchdown. The game was nearly over and the Hollander thinking that all chances had gone glimmering ordered the payment of the dollar was turned over. Holland's Ted made his famous goal, but the Grand Rapids famous money (?) had departed with the sport to which he was not entitled.

A serious automobile accident happened on Central Ave. and 17th-st. Saturday night. The young son of George Albers with a new Buick Six smashed into the Ford of G. J. Deur of Holland township. Mr. Deur was severely cut by glass from a broken windshield, and his daughter, Maxine sustained a sprained ankle. The Buick car is pretty well battered up, while the Deur car also sustained broken fenders, radiator and headlight.

Mr. and Mrs. S. A. Haight and sons returned home from Kalamazoo Sunday evening where they were called to attend the funeral of Mrs. Haight's father who passed away at the home of his son, Willis. Chubb, after a lingering illness of several months. For the past 13 weeks he had been confined to his bed. Mr. Chubb was 83 years old last May.

Henry H. M. Vanderheide suffered two fractured ribs and severe bruises when he fell from a roof on the farm of Reinert Knap at Baverdam.

Harry Nichols and Kingsburg Scott, editors and publishers of the Grand Haven Tribune were in Holland Saturday on the sidelines, rooting lustily for the Holland team. Both men admit that the Holland boys handled themselves like sportsmen, and are surely a scrappy bunch.

Mr. and Mrs. Isaak Kuiper and their daughter, of Sheldon, Ia., who left last May for a pleasure trip to Vriesland, the Netherlands, arrived in Holland at midnight Sunday night and are the guests of Mr. and Mrs. L. Smith, 325 Central avenue. They expect to return to their home in Iowa within a few days.

A Holland football enthusiast offered \$5 to any local boy who made a touchdown in Saturday's game. Ted Vanden Brink was successful and received the five.

George Vande Woude was a hero at school Monday, he receiving the worst in the melee with Grand Rapids Central High Saturday. The lad fought bravely notwithstanding the fact that today he is being supported by two "wooden legs."

Prohibition has been the cause of the greatest increase in the market price of grapes in the southwestern Michigan "grape belt" according to H. P. Bannon, representative of a large fruit exchange with headquarters at Benton Harbor. F. W. Emerson, secretary-treasurer of the Berrien county farm bureau, expressed the same opinion. Grapes sold for \$25 a ton in that vicinity a few years ago before advent of prohibition it was pointed out. Last year the price went to \$140 a ton. This season, due to business conditions, the price was slightly lower.

Ed Rapp of Grand Haven was driving along Pennoyer avenue in the rain Thursday night when he rushed into the rear end of a motor car alleged to have been parked headed into a driveway. The driver of the car escaped uninjured. Otto Vanek and his sister, who were riding in the car were both injured the latter suffering a sprained ankle and fainting from fright. Vanek was cut about the face and arms and legs.

At a meeting of the Christian Psychopathic Hospital Ass'n Thursday night in the First Christian Reformed church in Grand Rapids, the retiring directors, J. Dykema, Rev. G. Hankamp, Rev. J. H. Heemstra, Dr. D. Scholten and Chris Vandenburg were re-elected. The financial statement rendered showed a deficit of \$10,000 for the past year. Rev. J. F. Heemstra of Holland, vice-president of the association, and Rev. P. Jonker, Jr., of Grand Rapids, spoke.

A Grand Haven business controversy was settled in circuit court when Judge Cross entered findings in favor of George Gasses and restraining Kelir Razek from operating a pool room at 1450 Washington St. in that city and from interfering with Gasses or his wife in the operation of their pool room.

Last night was the stormiest night on Lake Michigan so far this season. There was such a big sea on that the steamer "St. Joseph" did not leave port at Benton Harbor. The "St. Joseph" was put on the triangular run Friday and the "City of Grand Rapids" was laid up in drydock. Many other vessels of the other transportation companies did not venture out of port last night.

Chestnuts have arrived in the city and local stores are selling all kinds of them. There are a big supply of the nuts on the Allegan city market and they are all homegrown. Growers get 20c a pound for them, fully \$10 a bushel. This is somewhat more than was paid formerly in the U. S. Metal sign posts will next season take the place of wooden ones now bearing the numbers of state highways. There will also be metal signs giving the distances between towns. Similar ones will be placed at intersections of state roads.

Born to Mr. and Mrs. Dewey J. Huijenga, R. No. 10, an eleven pound boy.

The extension work on the big oval at Highland Park, at Grand Haven, has been completed and within two weeks will be opened to the public. The present capacity of the oval was found to be too small and so the park board increased it by making a 50 foot extension around the inner side. During last summer it was possible to park more than 400 cars around the oval and next season twice as many will be accommodated.

The completed registration at Western State Normal shows the heaviest enrollment in the history of the institution, the total number of students in attendance being 1506 of which 1284 are in the normal department and 222 in Normal high school. This is an increase of 37 per cent over last year. Several Holland students are now studying at the normal and Prof. John Hoekje of this city is an instructor there.

A miscellaneous winter shower was given Monday evening at the home of Janet Van Tongeren in honor of Cora Vander Werf who is to be a bride of this month. Many useful and beautiful gifts were received by the bride-to-be. Those present were: Anna Witvliet, Minnie Verhouwe, Ella Brink, Nellie Wilters, Jennie Prins, Evelyn Ewald, Maabel Pieters, Anna Luidens, Mrs. Ratering, Cora Vander Werf, and Janet Van Tongeren.

Hundreds of persons assembled in Third Reformed church Monday afternoon to pay a last tribute to the memory of Rev. James F. Zwemer, who died last week. The services were conducted by Rev. E. J. Blekkink, vice-president of Western Seminary; Rev. G. De Jonge of Zeeland, for many years Zwemer's associate on the editorial staff of De Hope; Rev. James M. Martin, pastor of 3rd church, and Rev. James Weyer, pastor of First church. The services were very impressive.

At least fifty Holland folks went to Muskegon Monday night either to participate in or witness the missionary pageant so successfully staged under the direction of Miss Henrietta Warnshuis of this city. The pageant has been staged at the 3rd Reformed church and at the high school in this city and also at Battle Creek and Monday was greeted by a large audience at the Congregational church in Muskegon. The following persons loaded their automobiles with passengers: Dick Boter, Andrew Steketee, Abel Smeenge, Mrs. Teunis Prins, Jake Lokker, John Van Tatenhove, and Joe Van den Brink.

The October meeting of the Home Missionary society of the Methodist church will be held next Saturday at the McClellan cottage at Virginia Park. Those not coming by auto take the 9:55 car or any later car during the day. A short business session will be held in the afternoon. Bring pieces of quilts or carpet rags for rugs. A picnic dinner and supper will be served. Visitors are cordially welcome. Gentlemen are especially invited.

Had Holland had Grand Haven's ends in action against Central high at Holland Saturday the score would have been different. The Blue and Gold flankers altho comparatively inexperienced have shown real form in the three games played thus far this year. Holland ends repeatedly failed to get down on punts allowing the Centralites to block them off.—G. H. Tribune.

A week end party was held at WaGo-See cottage at McLaren Lake, about 25 guests being present. Out of town guests were Mr. and Mrs. J. Essenbagger and daughters Viola and Marion Virginia of Holland, and Mr. and Mrs. Ray Knoll and children of Muskegon.

A Grand Rapids gardener has dug from his patch a potato with four legs, a long neck, a head slightly turned and a bushy tail—in both size and appearance very much like a weasel. And as for the story itself as Hamlet said, "Methinks it is very much like a whale."

Mrs. E. J. Blekkink and Mrs. V. L. Dibble were the delegates of the Woman's Literary club of Holland to the 27th annual meeting of the Michigan State Federation of Women's clubs that opened in Grand Rapids Tuesday. A considerable number of other members of the local club attended the convention unofficially.

Supt. E. E. Fell left Tuesday for Lansing, Ann Arbor and Monroe on business for the Holland schools. He will be gone the rest of this week.

There will be staff practice of Rebekah Lodge on Friday evening of this week.

The Trinity church C. E. Society held a social in the church parlors Monday night. About 150 members and guests attended. A varied and pleasing program was rendered, followed by refreshments and a social time.

Second Reformed church of Jamestown has extended a call to Rev. John Van Zomeren, pastor of Trinity Reformed church, Grand Rapids.

Mrs. A. M. Galentine, left Tuesday for Saginaw, where she is in attendance at the O. E. S. convention. Mrs. Helen Doane and Mrs. Abbie Ming accompanied her as delegates.

The Western Theological Seminary faculty and the students marched in a body to attend the funeral services of Dr. James F. Zwemer, president of the institution.

A. H. Landwehr is trying out his beautiful new Lincoln car. It is one of the finest machines in this vicinity.

Henry Kraker is driving a new Chevrolet Sedan purchased thru the Hyden-Kardux Auto Co.

Mr. and Mrs. John Vaupell motored to Muskegon Monday where they were the guests of friends.

Holland now numbers among its citizens a near centenarian, Mrs. Jane Ackersock, 99 years old, who has recently moved here from Hamilton. Five generations are represented. Mrs. Ackersock became a widow for the fourth time five years ago, when her last husband died. Two of her husbands served in the civil war. She has had eight children altogether of whom only two daughters are now living. Although she has been confined to her bed for the past 18 months on account of feebleness due to old age she has a remarkable retention of all her faculties. Mrs. Ackersock takes great pride in the fact that none of her descendants has ever been arrested.

The Grand Haven crowd rooted for Holland Saturday as loyally as tho the Blue and Gold were opposing Central. A big chunk of Central money offered on the grounds was taken by Grand Haven men. Central rooters were so confident of an overwhelming victory over Holland, that they offered bets that Central would score 25 points more than Holland. They won the bet, but had not that little Holland player fumbled the ball on the goal line after completing a beautiful forward pass the Grand Haven crowd would have come back plastered with greenbacks.—Grand Haven Tribune.

Miss Catherine Selles of 77 E. 18th street entertained on her 13th birthday. Those present were Maxine Vanden Bosch, Harriet Plaggemars, Bernice Bucus, Anna Peters, Myrtle Bucus, Ruth Bartels, Dorothy De Goede, Josie Mokma, Bertha Prins and Marion Kammeraad. Refreshments were served and games were played. Harriet Plaggemars and Ruth Bartels were the prize winners. Many useful gifts were received.

Mrs. C. H. Mc Bride was in Grand Rapids Tuesday to attend the annual convention of the Michigan State Federation of Women's clubs.

Seth Nibbelink has returned from a trip thru the southeastern states, his destination being North Carolina.

John Vander Heide who was arrested by Deputy Sheriff Johnson on the charge of bootlegging was bound over to circuit court by Justice Wm. Brusse. VanderHeide was sick and could not put in his appearance. Daniel Ten Cate appeared for his client however and listened to the testimony of Arthur Streuly, who was brought here from Ionia, by Officer Johnson, as a witness. Streuly is now serving time at the Ionia Reformatory for stealing automobile tires from cars at Saugatuck. He was sentenced from six months to five years and was taken back after appearing in the Vander Heide case.

According to the budget submitted by the Allegan city board of education of the county board of supervisors, \$89,000 will be required to operate the city schools for the coming year. While this exceeds the amount asked for last year by ten thousand dollars the increased valuation will practically maintain the same tax rate.

A big Nash service truck loaded with groceries and owned in Grand Rapids driven by Bernard Cook of Grand Haven, came together at the county seat. Both were wrecked. Cook was uninjured. Charles Edmonds, sitting beside him was thrown through the windshield, but not injured.

William Jennings Bryan, the Great Commoner, many times nominee for the presidency on the Democratic ticket and for a time secretary of state during President Wilson's administration, is going to be in Grand Haven early in the spring to give a lecture. He comes under the auspices of the Exchange club of that city.

Del Souther was in Grand Rapids for the last few days where he underwent a serious operation on his nose. When a boy of 14 years his nose was broken by the sweep of a stump machine on his father's farm. Now after forty years it was found that the operation was necessary, and Dr. Paterson, it is said, successfully performed the operation.

About 15 of the Royal Arch Masons were in attendance at a meeting held by the Grand Haven Royal Arch Tuesday evening. A general good time was enjoyed by all who were present.

The Macabee rally is to be held at Grand Haven Thursday, Oct. 13. The bus leaves the Boston restaurant at 9 o'clock. All officers and members are urged to be on hand as a good time is promised for all who go.

Dr. H. C. Wills has left for Chicago and he will not be in his office Saturday of this week, but he will be there on next Thursday.

Mrs. Edward Yoemans, of Great Falls, Montana, is a guest at the home of her parents, former mayor and Mrs. N. Bosch, West 12th St.

Ed Van Tatenhove was in Muskegon Monday night, attending the Mission pageant given by Holland talent.

Mrs. John S. Dykstra left Tuesday morning for Saginaw where she will be in attendance at the Eastern Star convention being held their this week.

Miss Bernice Brooks and Mrs. Walvoord were in Muskegon Monday where they attended a missionary pageant given by Holland talent under the direction of Miss Henrietta Warnshuis.

Mrs. C. R. Ash and son George Richard and Miss Minnie Vos have returned from a trip to Jackson.

Mrs. M. L. Smith and daughter, Mrs. J. L. Kreychie of Seattle, Wash., are visiting at the former's sister, Mrs. J. H. Purdy, West Thirteenth-st. Dr. L. E. Heasley of Jenison Park, left Monday morning for West Palm Beach, Fla., on business.

Mr. J. A. Hoover left Saturday for Pittsburg, Pa., to attend a convention of the officials of the H. J. Heinz Company.

Mrs. John Borgman, Miss Anna Borgman, and Miss Julia Kuite left Saturday for Niagara Falls where they will visit relatives.

Mrs. Anna Bogart and sons Richard L. and Carl H. of Kalamazoo are visiting at the home of Mr. and Mrs. L. Kline, 270 Lincoln avenue. Mrs. Bogart is a daughter of Mrs. Kline.

First snow of the season Wednesday morning but no sleighing.

Attorney Raymond Visscher and his partner, Earnest Brooks, motored to Grand Rapids on business Tuesday.

Hope College Football team will meet Alma at Alma and the Holland high will meet the St. Joe High at Holland Saturday.

Rev. Henry Schipper and family There will be staff practice of the Rebekah lodge on Friday evening of this week.

Judge James J. Danhof, drove to Holland Tuesday to attend the funeral of the late Dr. James F. Zwemer.—G. H. Tribune.

Holland high football eleven sustained several serious casualties in their game with Grand Rapids Central Saturday it was learned.

Roy Hill, right halfback is out of the game with a broken collarbone and dislocated shoulder. Damson will replace him, moving Haight to end. George Vander Woude suffered a sprained leg, but may be able to play next Saturday and Carl Van Raalte, guard, is nursing a bruised shoulder. Coach Martin is not bawling the defeat his favorites received at the hands of the beefy Centralites. He will, however, change his tactics for the contest with St. Joe Saturday. The City of David boys are reported to be weighty, but ponderous and Martin will abandon the smashing tactics which proved ineffectual with Central, and switch to a more open offensive, relying mainly on end runs and forward passes. Had he done this with the Grand Rapids boys Saturday, dopsters figure that the score would have told a different tale.—G. R. News.

## SOONER OR LATER

YOUR WILL must go into effect. That is if you have one. The trouble with putting off the making of a Will is, that you do not know how long it will be safe. The making of a Will is a simple matter once you get at it.

You are in constant touch with the subject of Wills and Trust Funds and are glad to advise.

Call at our office for the new booklet, "What you should know about Wills."

John Brinkman, A. Derks, and Bert Tinholt, rural carriers for the Holland postoffice, have left for Washington, D. C., to attend the national convention of rural letter carriers. Brinkman went to Washington as the delegate of the state of Michigan, having been appointed at the recent state convention of rural carriers. The convention will last about three days and it is of unusual interest in view of the fact that plans are on foot for the purchase of the national rural carriers' newspaper from a private concern, the different county organizations taking blocks of stock. Ottawa county, among others, has taken a considerable portion of the stock.

## BOY OF 19 FORGES CHECK FOR \$64.00

Peter Pelon, living on East 8th street, cashed a check at the First State Bank on August 26 for \$64.00 signed by William Grootenhuis, a farmer who had a deposit in the local bank. After cashing the check the young man skipped out, going to St. Joe.

Chief Van Ry located his man at that place and the police department of the Twin Cities held Pelon until Officer Bontekoe arrived, who brought the man back to Holland.

Pelon confessed to the crime, but as it is a circuit court offense, he could not plead guilty to the charge. He was therefore arraigned before Justice Van Schelven, who placed his bail at \$400.

Pelon was unable to give a bail bond and was therefore taken to the county jail where he will remain until the next session of circuit court.

It is stated that Pelon formerly worked on the farm of William Grootenhuis, and had received his wages by check.

It is surmised by the police that the imitated signature was made by using one of these wage checks as a copy to follow.

The bank authorities upon discovering the forgery immediately made out complaint asking for the young man's arrest.

At the regular meeting of the Board of Education Monday evening it was tentatively decided to put the matter of the erection of a new Junior high school up to a vote of the people some time about the middle of November or as soon as a fairly definite estimate of cost can be obtained. This decision was merely a confirmation of a decision reached by the board at the September meeting a month ago, at which it was decided to put the matter up to a vote of the people some time this fall. The board of education has been working on the problem of a new Junior high school for the past seven or eight months, and a committee composed of Dr. A. Leenhouts, Henry Geerlings, James A. Brouwer, Henry Winter and George Mooi has been making an intensive study of the situation. At the September meeting the board voted unanimously to go to the people with the project this fall.

There is absolutely no question in the minds of the board members of the necessity of increasing the room in the schools. The school attendance is increasing even faster than the general population, which increase is considerable. The present Junior high school is full and running over, so that two classes have to be housed in the basement of the Froebel school. The high school, which was built for 400 students is already accommodating over 500 and before the end of this year the attendance will be 570.

The plan is to have the proposed new Junior high school take care of the seventh, eighth and ninth grades. This will relieve the high school of the ninth grade, thus relieving the congestion in that building, and it will automatically relieve the pressure all through the grades. The buildings are so crowded now that it has become necessary to refuse the admission of a number of kindergartners who ordinarily would be in school now. And all the indications are that the congestion will increase rapidly.

The Social Progress Club began its year's work Tuesday evening with an interesting meeting at the home of former Mayor and Mrs. N. Bosch, West 12th street. Practically the full membership of the club was present as well as several visitors, and the evening was given over to a spirited discussion of international problems incubated by a strong paper by Prof. Wynand Wichers.

Mr. Bosch, as the newly elected president of the club, suggested a number of business matters for settlement and a change in the constitution was slated for the next regular meeting when it will be voted on. The Social Progress Club was organized in 1911 and it still has on its membership list all of the charter members.

The year's programs that began Tuesday evening will continue until the latter part of April, 1922, meetings being held every other week. The following are the subjects of the papers and the writers for the other meetings of the club year: "A Neglected Opportunity," Dr. A. T. Godfrey; "Tis—Taint," Sumt. E. E. Fell; "The Question Mark," Prof. Ebert; "Winter," Municipal Water Supply, R. B. Champion; "Pore!" Arthur Visscher; "A \$4,000,000 Lecture and the Man Who Wrote It," Wm. F. Vander Hart; "Industrial Peace," Thos. N. Robinson; "Michigan at Play," Dr. Ralph M. Waltz; "Banking," William J. Westover; "Efficiency Tests," Prin. J. J. Riemersma; "Twentieth Century Mythology," Arnold Mulder; "Present Day Problems," Henry Winter; "The Power of Credit," C. E. Drew; "The Constitution Among Friends," C. Vander Meulen; "Radium—Its Present Application and Possibilities in Medicine," Dr. A. Leenhouts; "The Slow March of Progress—Or Visions," Dr. F. N. Patterson; "The Home Beautiful," Nicodemus Bosch; "Leadership and Progress," Rev. P. P. Cheff.

## BOARD OF SUPERVISORS BANQUET IN HOLLAND

Every supervisor in Ottawa county with the exception of one, was in Holland Tuesday afternoon. At the invitation of the chairman, Austin Harrington, of the Ottawa County Road Commission, together with Secretary Connelly, the board was invited to ride over the recently built stretch of West Michigan Pike between Holland and Grand Haven.

Seven automobiles loaded to capacity arrived in Holland at 1:15, after the board had adjourned at noon and upon arrival Mr. Harrington saw to it that the solons of Ottawa were given an elaborate luncheon at Crawford's cafe.

After the banquet Mr. Harrington took the chair briefly stating the object of the meeting, asking Secretary Connelly to give a detailed report of work that had been accomplished during the year and the contemplated plans for the coming year.

The report is a very voluminous one covering several printed pages, and in a future article excerpts from this report, bearing on the roads in this vicinity, will be printed. These extracts will be found exceedingly interesting.

Ottawa county has done wonderful work on its roads within recent years and statistics show that the highways in this county are better, generally speaking than the highways in nine-tenths of the counties in the state. This fact is recognized by the state highway department who point to Ottawa county's road building as an example to follow.

Secretary Connelly pointed out that at the rate at which the road building is being done through the state on trunk lines, the \$50,000,000 voted by the people some four years ago will last about three years more. He therefore brought the facts forcibly to the members of the board that within the next three years Ottawa county must see to it that its trunk lines are completed.

He explained that the cost of the building of these trunk lines now, means that the state bears 75 per cent of the expense, while Ottawa county only assumes 25 per cent of the building cost.

But if Ottawa county does not get under the wire with its road building and complete its trunk lines, there will be no available money left in the appropriated fund to pay the seventy-five per cent.

Consequently the Ottawa county road commission has asked for an appropriation this year that will do much towards completing our trunk lines.

Former Mayor Louit of Grand Haven, who represents the state board, and knows of the road building that is going on, stated that Ottawa county should make as much progress as possible within the next few years, as he said that applications for trunk line mileage are coming in from every county and that these applications must be approved by the state commission before building can begin, and he considered it the best business policy to build the trunk lines as rapidly as possible in order not to be left in the cold after the appropriation was gone.

It is understood that the Ottawa county road commission has been wide awake on this matter and have already had their trunk line extensions and connections for next year, approved by the state department. This means that the 75 per cent of the total expenditures in Ottawa county will be approved by the state road department, provided of course the county puts up its 25 per cent.

The appropriation asked by the road commission from Ottawa county is \$150,000.00. Considerable of this will be spent around Holland.

The members of the board of supervisors each received a copy of the county road commissioners' report and the matter of approving of the road budget will no doubt come up next week.

Probably the Woman's Literary club rooms have never held a larger audience than that assembled Monday afternoon. Mrs. Gonzalez of Grand Rapids gave a talk on "Colonial Architecture and Historic Homes." The beginning of American architecture was shown in the one room, one story log cabin, which style was illustrated in that of Abraham Lincoln's birthplace. In 1670 the home with the overhanging roof began to be built and a second story put up.

The homes of many great men such as Longfellow, Lowell, Bryant, Emerson, Poe and others were also shown by the stereopticon. Harold Mc Cormick's residence at Lake Forest, Ill., and Biltmore, the Vanderbilt residence in North Carolina, were given as among the best types of modern architecture.

Mrs. D. B. K. Van Raalte, jr., then sang "My Heart at Thy Sweet Voice," from "Samson and Delilah." Mrs. C. M. Robbins accompanied at the piano.

Dr. Charles Barker received close attention as he told of "A Mother's Relation to Her Daughter." The mother's responsibility is much greater than that of the father. It is a woman's duty to take systematic exercises. The biggest mistake that a mother can make, is in letting a child save its own way.

There are two new members of the club, Mrs. Richard Martin, active, and Mrs. Henry Boss, associate.

## HOPE LECTURE COURSE DESERVES A BOOST BY CITIZENS

In former years before the war, Hope's lecture course was an event in Holland's activities.

Dr. Nykerk saw to it that such talent was secured which could not help but make these lecture courses numbers the most popular diversions Holland could boast of during the winter months.

Then the war came, and the talent sent out by the bureaus was in many instances inferior for the reason that many of the best artists were doing war work.

Uncle Sam's great army. The war naturally put a damper on all such entertainments and folks sort of got out of the habit of patronizing lecture courses.

Two years ago, Dr. Nykerk became very much discouraged over the outlook, and much more over the financial outcome of the course.

In the past he had given all his time and all the proceeds remaining toward benevolent causes. The Holland "Y" still has money in the bank which is eventually to go toward a "Y" building.

A half dozen pianos have been purchased for Hope College (our college) during the past number of years—all paid for because of Mr. Nykerk's lecture course efforts.

Two years ago the dean of the college had to go down in his own pockets, as he has often done before to make up a deficit.

Mr. Nykerk had thought for a time of withdrawing from the lecture course as his head, but no one in the city is more eminently fitted and knows where to find real talent, better than he.

He was therefore induced to take hold of this project for sometime longer.

With the old time spirit and following the plans of former years he has a course ready that will be hard to excel.

The sale of seats, the reservation of which will begin Friday, October 14, at Huizenga's Jewelry store, will indicate whether Holland appreciates Dr. Nykerk's past efforts.

## TEACHERS OF OTTAWA COUNTY TO MEET IN HOLLAND

Ottawa teachers will have the benefit of a two-day institute next week. The institute will be held in Grand Haven Tuesday, Oct. 18 and in Holland Wednesday Oct. 19. The first day's session will bring together the teachers in the northern section of

the county, and the South Ottawa teachers will attend the Holland institute on Wednesday.

The arrangements for the institute are in charge of Nelson R. Stanton, county commissioner of schools, of Ottawa county, under the sponsorship of the state department of education. Mr. E. E. Fell, superintendent of the Holland public schools, is making local arrangements here and Supt. L. H. Vanden Berg is arranging the final details for the institute in that city.

Both institutes will have the same conductor and speakers. Webster Pearce of Mount Pleasant will be the conductor and the instructors designated are Dr. F. H. Green of Pennington, N. J. and Prof. Harper Maybee of Kalamazoo, Michigan. All three are well known in the educational world and the Ottawa teachers will receive the benefits of some excellent instruction at the institutes.

The Holland Institute will open at 8:30 Wednesday morning and continue through the morning and afternoon. The sessions are open to the public and Commissioner Stanton has asked superintendents and principals to especially invite the attendance of high school students.

Commissioner Stanton also recommends that every school in the county be closed to permit the teachers to attend the institute either in Holland or in Grand Haven. This recommendation will undoubtedly be carried out, and the attendance is expected to be large at both sessions.

The institute sessions will be held here in the high school auditorium, and arrangement are being made for the attendance of every teacher in the Holland school system. Teachers from all sections of southern Ottawa will also be on hand for the day in this city Wednesday.

## GRAND RAPIDS MAN NOMINATED FOR REVENUE JOB

Holland is more than ordinarily interested in the announcement made Monday afternoon in Washington that Charles Holden of Grand Rapids has been nominated for the appointment of internal revenue collector for the western district of Michigan to take the place of Emanuel J. Doyle at the expiration of the latter's term of office. Attorney Arthur VanDuren of this city had been prominently mentioned for the place and it was believed by many here that he would

land this plum, which is considered one of the most desirable in the gift of the senators from Michigan.

The appointment of Mr. Holden comes as a surprise to all, even to those who had kept in close touch with the situation. Holden had never been mentioned for the place in any of the advance dope and his name was not in the list of probable contenders for the place. State Representative George W. Welsh has often been mentioned as Mr. VanDuren's strongest opponent for the position, and the appointment of Holden also leaves him in the cold. It had been unofficially understood that Mr. Holden was probably slated for the postmastership in Grand Rapids, but his appointment for the internal revenue job indicates that there has been a rearrangement of the cards all along the line.

When seen, Mr. VanDuren had no comment to make on the appointment. "It's all in the game," he said good humoredly. The nomination of Mr. Holden was a surprise to him as it was to others in touch with the situation.

Mr. Holden, residing in Grand Rapids at 621 Madison ave. S.E., is an old Grand Rapids resident who has long headed one of the leading insurance agencies of that city. He has always been an active, working republican. At one time he was president of the Lincoln club. He served one term in the state legislature in 1895.

There are in Ottawa county approximately 1,000 persons of ten years of age or over who cannot write either in English or in any other language.

This interesting fact was contained in a report on illiteracy of the Census bureau made public Wednesday. An illiterate, according to the Census Bureau, is any person of ten years or over who is unable to write either in English or in any other language. The percentage for Ottawa county is 2.0, and while the population of Ottawa is approximately 50,000, this county has about a thousand illiterates.

Taking the native born whites alone, it is found that only one-half of one per cent of them are illiterate; while taking the foreign born whites alone it is found that 7.4 per cent of them are illiterate.

Allegan county has a lower illiteracy than Ottawa. In that county the percentage for the population as a whole is 1.7. Taking the native

born whites as a whole, the percentage is 0.7, and taking the foreign born whites as a whole the percentage is 1.9. Muskegon, to the north of Ottawa has a total illiteracy population of 1.9, while Kent, to the east of us, has an illiteracy population of 2.9.

Another set of census figures made public Wednesday shows a percentage of foreign-born white citizens in Ottawa county in 1920 as compared with 1910. In this county the percentage of foreign born whites has decreased during the past decade. In 1910 it was 21.4 of the total population; in 1920 it was 17.1.

In Allegan county the percentage of foreign-born white has also decreased. In 1910 it was 10.6 and in 1920 it was 8.9. In Muskegon county it was 24.6 in 1910 and 18.3 in 1920. In Kent it was 22.4 in 1910 and 18.8 in 1920.

## ATTRACTIONS ON LYCEUM COURSE ARE ANNOUNCED

Talent Has Been Especially Well Selected.

## SURE TO PLEASE EVERYONE

Lyceum Course Part of Modern Community Life—Ticket Sale Should Be Large.

The attractions for this season's Lyceum course have been definitely announced. The course is an especially excellent one and the sale of season tickets should be large.

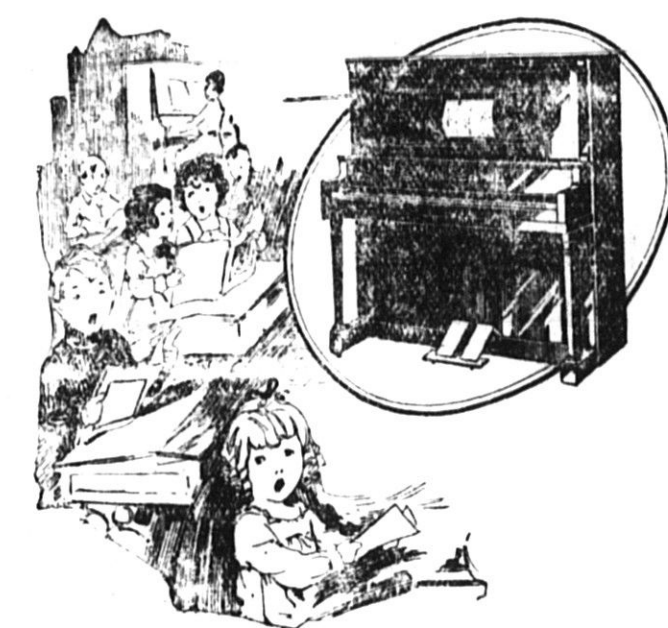

The attractions on the course are all to be furnished by the Republic Bureau, and this means that they are sure to please everyone.

Lyceum courses, with their informative, inspirational lectures and good, clean amusement, are an integral part of modern community life, and there is no question but that the local course will be splendidly received.

The numbers on the course are as follows:

Elise Baker Co.,	October 20
Dr. E. A. Ott	December 19
President Southwick	January 19
Fine Arts quartet	February 8

# Big Piano Sale

AT THE

# MEYER

MUSIC  
HOUSE

MUSIC smooths out the little home worries. It chases gloom and fosters happiness. Music brings gladness to the heart and keeps folks feeling young.

The new PLAYER PIANO will fill your home with happy smiling faces.

If you have delayed buying a piano or player piano because of "price"—now is the time to buy.

Every year we rent a large number of pianos at the resorts. You profit by the rent they have earned. This saving deducted from the low prices at this store, permits you to secure a piano at a very low price.

Do not delay. Come now while you have a good selection.

## TWO CARS DAMAGED NEAR WOMAN'S LITERARY CLUB

Deputy Sheriff Oscar Johnson ran into two cars at the Woman's Literary Club House Thursday evening. The young peoples' dance was in progress at the club rooms and both sides of the narrow street were lined with cars the full length of the block from 9th to 10th streets on Central avenue.

In trying to miss two cars that had no tail lights burning, the deputy swung into the Van Verst and the Nies cars.

The Van Verst car had a fender and a running board smashed, while the Nies car sustained minor damages.

The deputy sheriff investigated the light situation immediately and he together with others found that of the 14 cars parked under the trees only three tail lights were burning.

The deputy came through during the heavy rain and the cars parked at an angle on both sides of the street left barely room enough for other machines to pass through.

It is on the side streets where the danger of collision lies when a tail light is not burning on dark nights.

A few nights ago a vigilance committee of Citizens in Gr. Rapids were deputized by City Manager Loucks and Chief of Police Abbot Carroll, and they rounded up over 300 motorists who had been parking on side streets without a tail-light burning. These men gathered together at police headquarters where they were notified to appear. All expected a fine, but instead they were compelled to listen to a friendly talk by two city officials, telling them of the danger they were subjecting the public to when they thoughtlessly forgot to switch on the rear light of their cars.

While on River and 8th street these lights are not necessary, on the side streets, it should not be forgotten as it is absolutely dangerous to a driver who is traveling and damaging to the car that gets hit, while it is parked.

## MRS. GILMORE AGAIN HEADS THE WOMEN'S MISSIONARY UNION

With some eighty churches represented, the Woman's Missionary Union of the Reformed church, including delegates from churches from all over Western Michigan, gathered in the First Reformed church Thursday in one of the most successful gatherings of its kind ever held here. The church was packed to the doors at all three meetings.

Mrs. C. V. R. Gilmore, president for the past twenty-three years, ever since the Union was organized, was re-elected president. The vice-presidents named are Mrs. Henry Vruwink of Grand Haven, Mrs. B. Van Zyl of Grandville, and Mrs. J. M. Bruggers of Holland. Mrs. E. J. Blekkink was re-elected secretary, and Mrs. J. N. Trompen of Grand Rapids, treasurer.

The collection taken Thursday at the three meetings was unusually large, the total amounting to \$492.76.

The programs at the three meetings were carried out as scheduled with the exception that Miss Nellie Zwemer could not appear on account of the death of her brother, Dr. Jas. F. Zwemer. Her place in the morning was taken by Mrs. G. Hondelink of Rochester N. Y., and in the afternoon by Rev. James Moerdyke of Arabia. Other speakers in the afternoon were Rev. F. De Jong of McKee, Ky., and Miss Jeanette Westveer. The evening speakers were Mrs. T. Knox, Warwick, N. Y., and Mrs. DeWitt Knox of New York City. All the addresses were of high caliber and interest.

Some very fine musical numbers helped to give still greater interest to the program. In the morning Dr. C. V. R. Gilmore sang "The Gloria," accompanied by Mrs. Robbins. In the afternoon Miss Evelyn Keppel sang a beautiful solo, with violin obligato by Miss Ruth Keppel, "Open the Gates of the Temple," and in the evening the choir of the First Reformed church gave two selections, "Ho, Everyone that Thirsteth," and "Behold the Day Cometh."

The church was beautifully and effectively decorated with banners and posters. The ladies of the First Reformed church provided dinner and supper to about sixty delegates, and provided coffee at noon to about 450. The woman's class of First church had fitted up their class room as a rest room, and this feature was much appreciated. The W. L. C. kindly placed their building at the disposal of the women and this act of courtesy and friendliness was also greatly appreciated.

## HARDWARE DEALERS HOLD SOCIAL MEETING

The hardware dealers of Holland, Zeeland, Jamestown, Ovesmel, Pennville, Saugatuck, and other neighboring places held a get-together meeting Tuesday evening at Crawford's Place in Holland. This was the first meeting of its kind and it was decided to make it an annual event.

Henry De Pree, of the DePree Hardware Co. acted as chairman of the meeting, and the speakers were Mr. Davis of Cleveland, O., and Mr. Lee of Muskegon. A very enjoyable and profitable evening was spent. Mr. DePree was named chairman again for next year, and Mr. M. C. Ver Hage, mayor of Zeeland, was named vice chairman.

## NOTED MUSICAL COMPANY TO GET WARM RECEPTION

From all appearances it seems that the Elsie Baker Co., due to appear at the Carnegie Gymnasium on October 20, is going to receive a hearty reception. The many favorable comments made in regard to this opening number indicate that the fortunate selection of this company is met with hearty approval. The high quality of this company seems to arouse the keenest interest. The city of Holland itself is bountifully supplied with many good musicians and music lovers, a fact for which Holland is noted. Now, with a singer coming who has a nation-wide reputation, her appearance is looked forward to. In the past there has never been a company here that surpassed the general run of musicians, but this year Dr. J. B. Nykerk has secured a company which far exceeds the general class. The phonograph records of Miss Baker are played in many homes of the city. Mr. Durieux, a cellist, who comes with her, is also a noted player. If present indications are at all reliable, this company will undoubtedly meet with a large audience.

## SOPHOMORES ARE VICTORS IN ANNUAL TUG OF WAR

Hope's class of 1925 Friday gave the Sophomores one of the most stubborn and heroic fights that was ever seen waged in a tug of war across Black river here. The Frosh were stationed on the south bank and the Sophomores on the north, with Riemersma and Prins as anchor men. Each team was composed of 25 men. At 4:21 Coach Schouten gave the first signal for the big pull. The heavy rope started to sway back and forth and after three minutes of strenuous pulling from both ends, almost over the river's center. At least both sides were much in earnest and before resuming the pull Coach Schouten took three men from each side to make allowance for the knot. The Freshies showed themselves to be real sports when they also dipped their end of the rope into the river, after the one end had been taken thru the river for mending. With

## Auction Sale

Friday afternoon, Oct. 21, at 1:00 Standard time will be held at the farm of Fred Nelis, one mile north and one and one half miles west of Holland on the Alpena Road. The following articles will be sold: two horses; 1 hay rake; 1 riding cultivator; 1 plow; 4 cream cans; 1 survey; 1 buggy; soup barrels; 3 cows; 1 corn cutter; 1 hand cultivator; 1 horse plow; small tools; 1 galvanized water tank; 1 hayson; 1 beam scale; 1 250 lb. scale; 1 file and sprayer; 1 seed drill; 1 mower; 2 h. p. gas engine; 250 corn shocks; chickens. Terms, Oct. 1, 1922; sums under \$5 cash. 4% discount for cash.

H. Lagers & Son Auctioneers. O-10-12-21

## PROPOSED IMPROVEMENT OF WEST NINETEENTH STREET

Notice is hereby given that at a meeting of the Common Council of the City of Holland held Wednesday September 21, 1921, the following resolutions were adopted:

Resolved, That 19th street from the center line of First Avenue to the West line of Columbia Avenue, be graded, drained, and otherwise improved together with the construction of a combined curb and gutter, and a six inch waterbound macadam base, and that such improvement shall include the construction of the necessary manholes, catch basins, and approaches in said portion of said street, said improvement being considered a necessary public improvement; that such improving be done in accordance with the plans, diagrams and profile of the work prepared by the City Engineer and now on file in the office of the City Clerk; that the cost and expense of such improvement with the necessary curbing, gutters, cross-walk, manholes, catch

basins and approaches as aforesaid be paid partly from the General Street Fund of the City of Holland and partly by special assessment upon the lands lots and premises abutting upon that part of 19th street from the center line of First Avenue to the west line of Columbia Avenue as follows:

Total estimated cost of improvement including cost of surveys, plans, assessment and cost of construction, \$32,866.34; and that the entire amount of \$32,866.34 be levied by special assessment upon the lots and lands and premises abutting upon said part of 19th street according to the provisions of the city charter; provided however, that the cost of improving the street intersections where said part of 19th street intersects other streets be paid from the General Street Fund of the city; that the lands, lots and premises upon which said special assessment shall be levied, shall include all the lands, lots and premises abutting on said part of said street in the city of Holland; also the street intersections where said part of 19th street intersects other streets; all of which lots, lands and premises as herein set forth to be designated and declared to constitute a special assessment district to defray that part of the cost of improving part of 19th street in the manner hereinbefore set forth, said district to be known and designated as the "Nineteenth Street Special Assessment District No. 2 in the City of Holland."

Resolved, That the City Engineer and the City Clerk for public examination and that the clerk be instructed to give notice thereof of the proposed improvement and of the district to be assessed thereby, by publishing notice of the same for two weeks and that Wednesday the 19th day of October, A. D. 1921 at 7:30 o'clock p. m. he and he is hereby determined as the time when the council will meet at the council room to consider any suggestions or objections that may be made to said assessment district, improvement, diagram, profile and estimate of cost.

Richard Overweg, City Clerk.  
Dated Holland, Mich., Sept. 26th, 1921.  
Sept. 29-Oct. 6-13

## UNDERTAKING JOHN S. DYKSTRA, 40 EAST EIGHTH Street. Citizens phone 1267-2r.

Clerk's Office, Holland, Mich.

September 29, 1921

## TO THE ELECTORS of the City of Holland:--

You will please take notice that at a meeting of the common council of the city of Holland, held on Friday, the 23rd day of September A. D. 1921, the following preamble and resolutions were duly adopted, viz.:

WHEREAS, the present hospital owned and operated by the City of Holland, is wholly inadequate, and

WHEREAS, the Common Council deems it necessary for the general welfare and health of the inhabitants of the city, that additional hospital facilities be provided:

THEREFORE, for the purpose of erecting and equipping a municipal hospital suitable for the needs of the city, and the purchasing of a new site should the Common Council so decide, it is hereby resolved:--

First. That the Common Council shall erect and equip a municipal hospital, and provide a suitable site therefor should the common council determine to change the present hospital location at an estimated cost to the city of Holland of not to exceed One Hundred Seventy Five Thousand (\$175,000) Dollars.

Second. That it is hereby determined and proposed that the said amount of One Hundred Seventy Five Thousand (\$175,000) Dollars, be raised by loan and that for the purpose of said loan the bonds of the city of Holland be issued in the sum of One Hundred Seventy Five Thousand (\$175,000) Dollars, in the manner as follows to-wit: One hundred seventy-five bonds with interest coupons attached thereto, said bonds to be designated as "Series A Hospital Bonds," and to be respectively numbered from one to one hundred seventy-five (175) inclusive and to be of like date, amount and interest excepting due dates, and to be payable as follows: Five Thousand (\$5000) Dollars, Sept. 1, 1926; Five Thousand (\$5000) Dollars, Sept. 1, 1927; Five Thousand (\$5000) Dollars, Sept. 1, 1928; Five Thousand (\$5000) Dollars, Sept. 1, 1929; Five Thousand (\$5000) Dollars, Sept. 1, 1930; Six Thousand (\$6000) Dollars, Sept. 1, 1931; Six Thousand (\$6000) Dollars, Sept. 1, 1932; Six Thousand (\$6000) Dollars, Sept. 1, 1933; Six Thousand (\$6000) Dollars, Sept. 1, 1934; Six Thousand (\$6000) Dollars, Sept. 1, 1935; Six Thousand (\$6000) Dollars, Sept. 1, 1936; Seven Thousand (\$7000) Dollars, Sept. 1, 1937; Seven Thousand (\$7000) Dollars, Sept. 1, 1938; Seven Thousand (\$7000) Dollars, Sept. 1, 1939; Seven Thousand (\$7000) Dollars, Sept. 1, 1940; Eight Thousand (\$8000) Dollars, Sept. 1, 1941; Eight Thousand (\$8000) Dollars, Sept. 1, 1942; Eight Thousand (\$8000) Dollars, Sept. 1, 1943; Eight Thousand (\$8000) Dollars, Sept. 1, 1944; Eight Thousand (\$8000) Dollars, Sept. 1, 1945; Nine Thousand (\$9000) Dollars, Sept. 1, 1946; Nine Thousand (\$9000) Dollars, Sept. 1, 1947; Nine Thousand (\$9000) Dollars, Sept. 1, 1948; Nine Thousand (\$9000) Dollars, Sept. 1, 1949; Nine Thousand (\$9000) Dollars, Sept. 1, 1950; the bonds to draw interest at the rate of six per cent per annum, payable semi-annually on the first day of March and the first day of September, or each year, both principal and interest to be paid at the office of the Treasurer of the City of Holland, and

That for the purpose of paying the interest on the above bonds as the same become due, there shall be annually levied on the taxable property of the said city of Holland, and annually assessed and collected, the following taxes:

In the year 1922 accrued interest at the rate of six per cent on \$175,000 from the date of issue.

In the year 1923 the sum of \$10,500.00.

In the year 1924 the sum of \$10,500.00.

In the year 1925 the sum of \$10,500.00.

In the year 1926 the sum of \$10,500.00.

In the year 1927 the sum of \$10,500.00.

In the year 1928 the sum of \$9,900.00.

In the year 1929 the sum of \$9,900.00.

In the year 1930 the sum of \$9,900.00.

In the year 1931 the sum of \$9,900.00.

In the year 1932 the sum of \$8,400.00.

In the year 1933 the sum of \$8,280.00.

In the year 1934 the sum of \$7,920.00.

In the year 1936 the sum of \$7,200.00.

In the year 1937 the sum of \$6,780.00.

In the year 1938 the sum of \$6,360.00.

In the year 1939 the sum of \$5,940.00.

In the year 1940 the sum of \$5,520.00.

In the year 1941 the sum of \$5,100.00.

In the year 1942 the sum of \$4,620.00.

In the year 1943 the sum of \$4,140.00.

In the year 1944 the sum of \$3,660.00.

In the year 1945 the sum of \$3,180.00.

In the year 1946 the sum of \$2,700.00.

In the year 1947 the sum of \$2,160.00.

In the year 1948 the sum of \$1,620.00.

In the year

## CHIEF AND MEN ROUNDED UP 40 TAIL LIGHT OFFENDERS

Chief Van Ry and squad made a Sunday night raid on side streets looking for offenders of the tail light law and found that at least forty were subject to arrest and most of them being autos parked near the churches.

Stickers were placed on the windshields of the cars where lights were out instructing the owners to all at police headquarters Monday morning.

The rooms in the city hall were pretty well packed with many of our citizens and Chief Van Ry in a kindly way pointed out to them the dangers of not having lights lighted and asked them to co-operate with the police department by obeying the law in the future.

The department has had some new stickers printed, embracing four violations, parking, parking tail-light parking on angle.

Back of these four sentences squares are placed. The patrolman when he finds a car that is not parked according to any one of these four rules, will place a sticker on the windshield of that car and indicate by a cross in the square which of the four rules have been violated.

The usual instruction of calling at headquarters with the dates and signature of the patrolman completes the ordering of the new sticker.

Mr. Van Ry demands that autoists do not park at an angle on the side streets for the reason that these avenues are too narrow.

On River and Eighth street however where parking naturally is the heaviest, motorists are requested to park at an angle which facilitates backing out, and at the same time giving more room for cars.

## CLUB FAVORS HOSPITAL ON THE PRESENT SITE

The Forward Movement club had a very interesting meeting at the home of Alderman Jack Blue Friday night. Among other things the subject of the new hospital proposition was presented by John Homfield. After a lively discussion the following resolutions were unanimously adopted by the club:

"Whereas the council of the city of Holland is planning to submit to the voters of the city the proposition of building a new hospital and bonding the city for \$175,000 for this purpose, and whereas we, the members of the Forward Movement Club believe that our city needs additional hospital room and equipment, and, whereas we believe that the expenditure of the above named sum for this purpose will add quite a burden to the majority of our tax payers, therefore,

"Be it resolved, that we the members of the Forward Movement club go on record as favoring the building of additional room and equipment to our present hospital, which is so beautifully located, but do not favor the expenditure of such a large sum for a new hospital on other ground not so centrally located, and be it further resolved that this resolution be spread upon the minutes of this club and copies sent for publication to the Holland Sentinel, Holland City News and De Grandwet."

The next meeting of the club will be held at the home of John Homfield 196 W. 13th St. on Oct. 21st.

Sheriff Fortney and Deputy Sheriff Oscar Johnson of Holland arrested John Ingerovoli, an Italian at Paw Paw, Michigan. The Italian belongs to an automobile stealing ring in Chicago and was out on bail. He jumped his bail coming to Michigan. Mr. Johnson has his man locked up in the Holland city jail and a detective from Chicago is on his way here to take the man back.

## FOOT BALL GAME HAS LARGEST AT- TENDANCE IN HISTORY

The attendance at Waterworks park Saturday afternoon to see the football game between Holland high and Grand Rapids Central High was the largest in history, more than 2700 fans passing in thru the gate.

The bleachers and sidelines were filled long before the game began and every available spot where a person could conveniently stand was occupied.

Grand Rapids brought out more than 400 rooters decked out in yellow and white, the colors of the school. One hundred fans came from Grand Haven, including the entire team from Grand Haven high school, who were on the side lines watching the tactics of both teams closely for the reason that the county seaters will have to meet both teams within the next few weeks.

Notwithstanding their defeat of 34 to 7, Holland is mighty proud of its high school team. As far as playing football is concerned, as far as the scientific points of the game go, Holland high played all around the Grand Rapids "bruisers."

Walker in the Herald explains it all in a few lines when he says: "Somebody is the only word which describes Central's attack. Not only did they smash their way thru the Holland line, but they smashed a number of the players also."

Holland doesn't play football in

that way. It doesn't have to kill their opponents first, and then walk over them. Therefore we are more than pleased with Holland's defeat, than had they won as Central high did.

The Holland boys resembled pigmies as compared with the Central lineup. One man on the Grand Rapids team weighed 223 pounds, while the largest man in the Holland team did not begin to compare in size with the smallest man on Central's team. It was a case of steam roller, sheer weight, and brute strength ploughing aside, everything in its path.

The Grand Rapids papers at least give the Holland boys some credit for their wonderful work when they say:

"As to the losers they played a grand game and went down before a heavier team with colors flying. Every inch of ground gained by the Central warriors was hotly contested. In the last quarter with the score 34 to 0 against his team, with two minutes to play and no chance to win, quarterback Ted Vanden Brink, ran a punt back through the entire Central team for the only score Holland made during the day. It was a beautiful run by a fine player."

"In the aerial game the Wooden Shoes outclassed Central as badly as Uptons team outclassed them on the straight football. Time after time passes were thrown with unerring direction for gains ranging from 5 to 45 yards. It seemed to make no difference how well they were covered the Holland boys would get the ball and hold it."

"If it was not for Holland's wonderful fighting spirit the score would have been twice as large. Central scored in the first three minutes of play and two minutes later picked up a fumble and scored again. Then, to cap the climax, Holland carried the ball from her own goal line to Central's 35 yard line on three plays. On the next down a beautiful pass, Vanden Brink to Van Zanten, was completed, only to have the end fumble the ball when he was tackled on the goal line. It was enough to take the heart out of any team, but it was after all this that Vanden Brink made his long run for the score."

"Holland has as game and as good a bunch of players for their weight as any coach could ask for. The trouble was that they were out of their class. Ted Vanden Brink was the shining light of the Wooden city bunch on offense. He is a heady player and ran his team in fine shape. Damstra played well, in fact, the whole team was in the game every minute and worked hard all the time."

It is admitted by the Grand Rapids fans that this is the first real opposition the Grand Rapids Giants have had thus far this year, and they received plenty of that. The officials of the game were: Referee—Churn. Umpire—O'Donnel; Headlinesman—Earnest Brooks. Time of periods, 15 and 12."

The game by plays follows below:

To start the game, Holland kicked to Smith, who returned it 5 yards. Palmer and Sieswerda each made 5 and Bill Mathewson added 3 more. Palmer punted it on Holland's 10 yard line. Lordahl made three and Ted Vanden Brink made two more through the line. Hill failed to gain and Weersing punted to Sieswerda, who returned the ball 12 yards before being thrown. Palmer made six through Holland's right side and Sieswerda made five more. Thornquist made four, but a pass. Thornquist to Smith, was incomplete. Bill Matheson made ten and Palmer 11 in two tries through the line. Bill Mathewson made 2 more and Thornquist scored on the next play from the quarterback's position. Palmer kicked the goal.

Central Scores Again.

Van Dam kicked off to Lordahl, who returned the ball 20 yards before he was tackled. Vanden Brink passed to Hill for 5 and then a pass was incomplete. They tried another, however, and netted first down. Another pass made six and then one was grounded. Weersing punted outside of Central's 25 yard line. Sieswerda made five and Palmer punted to Holland's 35 yard line. A pass was incomplete and on the next play Matheson recovered a fumble and raced 40 yards for the second score. Palmer kicked for the goal. Score, Central 14, Holland 0.

Lordahl caught Van Dam's kick off on the 5 yard mark and returned it 15 yards. A pass, Vanden Brink to Hill failed and Vanden Brink threw the next one to Damson that netted nine yards. Holland could not gain and Weersing punted to Matheson. Thornquist added two more but on the next play Central was penalized for having its backfield in motion when the ball was passed. A pass to Smith was incomplete. Bill Matheson got away for a 22 yard run. Thornquist 5 and Palmer 1 more. Bill Matheson made 3, and Sieswerda made its first down off Holland's 8 yard line. Holland was offside and was penalized half the distance to her goal line. Thornquist scored on a line plunge and Palmer missed the goal. Score Central 20, Holland 0.

Vanden Brink received the kick-off and returned the ball 20 yards. On the first play a pass was incomplete and then Hill made 3 yards. Another pass was attempted but was intercepted by Van Dam as the quarter ended. Score at the end of the first quarter, Central 20, Holland 0.

After grounding two passes Palmer punted to Vanden Brink, who came back 5 yards. Three short passes netted 20 yards. The fourth pass was intercepted by Smith. Bill Matheson made two and Thornquist three more. J. Vanden Brink went in for Damstra at right for Holland. Palmer punted to J. Vanden Brink and he was downed where he caught

it. Hill made one thru the line and then Weersing punted to Sieswerda who dropped it but recovered and ran 15 yards. Palmer punted on the first down and Hill gained five thru Central's right side. Lordahl made two more and Weersing punted outside Central's 20 yard line. Palmer punted on first down to Ted Vanden Brink, who fumbled, and was knocked out when he recovered the ball. He stayed in the game. Van Dam intercepted a forward pass and on the first play Bill Matheson made 20 through Holland's left side. Thornquist made two more and then Bill Matheson ran 18 on a fake play, Palmer scored and kicked the goal. Score: Central 27; Holland, 0.

### Central Penalized

Lordahl recovered the kickoff and returned it 20 yards. A line play failed and then J. VandenBrink made four. Weersing punted to Sieswerda and Central was penalized 15 for holding. Palmer punted on the first down to J. Vanden Brink, who was downed in his tracks. Two plays thru the line gained three yards and Weersing kicked to Thornquist, who came back 10 yards. Sieswerda made six through the line and Palmer kicked to Ted Vanden Brink. Smith made a beautiful tackle and nailed him in his tracks. A pass to J. Vanden Brink was good for ten as the half ended. Score at the end of the first half: Central 27; Holland 0.

Van Dam kicked off to Ted Vanden Brink, who fumbled but recovered. Lordahl gained two but Hill fumbled on the next play, and Bertsch recovered for Central. The ball was on Holland's 25 yard line. Palmer made seven and Thornquist made it first down on Holland's 12-yard line. Palmer made seven and Bill Matheson made two more. Thornquist made two and then failed to score from the one yard line when called through center and the ball went over. Ted VandenBrink made five on a fake punt and then Hill passed to Damstra for 45 yards. Ted Vanden Brink threw another to Van Zanten for 25 yards. Holland was penalized five for offside play and a pass to Ted Vanden Brink failed to gain anything. Central held and the ball went over when Holland could not make its yards. Bill Matheson made eight and Palmer made it first down in two tries. Bill Matheson made three more and Thornquist six. Thornquist made first down. Bill Mathewson gained 7 and then Holland held. Palmer's punt was blocked, but he recovered. The ball went over. Vanden Brink passed to Van Zanten, who fumbled when he was tackled on Central's goal line. It was a beautiful pass and a pretty, hard, clean tackle. Central recovered the ball behind her own goal line and the ball was carried out to the 20 yard mark and put in play. Palmer punted to Lordahl. Thornquist tackled him so hard that they were both knocked out on the play. They stayed in the game. Lordahl made three. A pass was incomplete and Weersing punted. Matheson made four and then two. Thornquist made two. Palmer punted to Ted Vanden Brink who ran back ten yards. Two line plays failed to gain and Weersing kicked to Sieswerda, who returned 12 yards. A pass, Thornquist to Sieswerda, for 12 more. Sieswerda was hurt on the play and was taken out. O'Connor took his place. Palmer's pass to Van Dam was intercepted as the quarter ended.

### Holland Tries Pass

Holland tried a pass on the first down but failed. Another was tried and intercepted by Bill Matheson, who ran 25 yards with it. Matheson made eight and Palmer gained five more. Palmer plunged through the line for eight yards and a score. He kicked goal. Score, Central 34, Holland 0.

Cornelius went in for Hondelink. Van Dam kicked off to Ted Vanden Brink who was downed by Thornquist after a run of 20 yards. Vanden Brink was laid out on the play, but stayed in the game. Weersing punted to O'Connor on the first down. The ball went over O'Connor's head but he recovered. Bill Mathewson made 9 and Thornquist made it first down. Bill Matheson made four and Palmer one. O'Connor made two and Palmer punted outside on Holland's 20-yd. line. Weersing punted on the first down to Central's 40 yard line. Bill Matheson made two and Thornquist 12. A pass was incomplete and Matheson gained five on the next play. Thornquist made it first down. Bill Matheson made three. Bassford went in for Barton and Frank Matheson for VanDam. Bill Mathewson made three more and Palmer attempted drop kick from Holland's 35 yard line failed. Weersing punted on the first down and O'Connor was downed in his tracks. Bill Matheson made three through the line. Two passes were tried, but they both failed. Palmer then punted to T. Van den Brink, who caught the ball on his own 15 yard line and ran thru the whole Central team for a touchdown. It was a beautiful run by a man who played a fine game thruout. Score, Central 34, Holland 7. Holland kicked off to O'Connor, who returned 15 yards. A pass was incomplete, but Bill Matheson made four on the next play. athenon made ten. Thornquist attempted a pass to Frank Matheson as the game ended.

*Your Voice is You*

There is a peculiar quality in each human voice that is so individual that the very personality of the speaker is given out.

How often do your friends say to you, "Oh, I knew you by your voice?"

For this reason long-distance telephone conversations have an emphatic value aside from the convenience of an immediate reply to questions and the opportunity for discussion.

Send your own voice over the Long Distance wire in all important transactions and it is as if you had been present yourself. This is the satisfying way—the modern way to transact your affairs.

The following information about different classifications of Long Distance calls will aid you in using the telephone most economically and efficiently.

1. If you will talk to any person answering the telephone, the toll charge will be about one-fifth less than as if you had asked for a particular person at that address.
2. Such service between 8.30 P. M. and Midnight costs only about one-half the day rates and between Midnight and 4.30 A. M. it costs only about one-fourth the day rates.
3. Particular person calls are those in which you ask to talk with a particular person in another city. On this class of calls a report charge is made if the person asked for cannot be communicated with through no fault of the Telephone Company. This charge is not made if the connection is established. The report charge amounts to about one-fifth of the particular person rate.
4. Charges can be reversed only on particular person calls.

Call the Long Distance Operator. She Will Connect You.

### LOCALS

We sometimes wonder what Dr. Nykerk would find to talk about if there weren't any Spiritualists, Christians, Scientists, or 'Fatty' Arbuckles.

Hope College Anchor. Try him on the ladies, hypnotism, transmission of thought, or sugar stocks.

The Exchange club is growing so rapidly that its membership is already filled. The club can take in 75 members and yesterday three members applied who could not be admitted as the quota had been reached. These men are placed upon the waiting list for something to turn us so that they may be admitted. A dropping out of a member or a death in the ranks would make them eligible to fill vacancy.

Grand Haven people who saw Grand Rapids Central high defeat Holland high Saturday were convinced of the fact that Grand Haven has a battle on its hands when the Blue and Gold meets Holland High next month. Holland was defeated by the sheer weight of the Central team by a score of 34 to 7 but no team ever put up a pluckier fight. Holland has the stuff for a fast snappy team, and the way the Hollanders get away with their passes is a menace to any team. If Grand Haven figures on anything like an easy time with that Holland team now is a good time to become disillusioned.—G. H. Tribune.

A party consisting of Fred Bloeker, James Drown, Henry Barringer and Harry Kieft of Grand Haven will leave by auto for Miami Florida. The tourists are well provided for the long journey and have camp equipment of all kinds. They expect to spend the winter in Florida returning to Michigan next spring.

Not many of our readers know that Ottawa county has a town by the name of Spoonville. Would be great place for a summer resort.

Mrs. I. A. Kelley and son who have been staying at their summer home on route 1 for the past 4 months have returned to their home in Louisville, Ky.

Dr. John E. Kuizenga has returned from Rochester, Minn., where Mrs. Kuizenga is confined at Mayo Hospital. He states that Mrs. Kuizenga is doing as well as can be expected.

If leaves do not fall any faster than they do this fall they still will be falling this coming winter. Few people remember the time when the foliage remained so summery so late in the fall. The reason for this no doubt is that we have had little or no frost up to this time.

The first real frost of the season occurred last night. The frost comes at a time when no damage could possibly be done and is an exceptionally fine thing for sugar beets. The beets have been getting altogether too much rain to ripen past and steady dry weather will aid to mature the beets giving them a higher sugar content.

The mayor of Benton Harbor says that city is "going to be run on the basis of the ten commandments henceforth," thus aiming a knock-out blow at the prize fight industry there.

On Sunday evening Rev. R. Bolt of Graa'schap will speak in the 1st Reformed church of Zeeland in the Holland language. It will be a 25th anniversary sermon recalling the establishment of the mission by the Christian Reformed church in the Indian field of the Southwest.

Dr. Fred Yonker, who took up his residence in this city about two months ago, has made extensive improvements on his home just west of the North St. Chr. Ref. Church where he also has his office. Dr. Yonker is a "fellow well met" and we are pleased to admit him to the circle of our friends and neighbors. The doctor was formerly from Holland—Zeeland Record.

Invitations are out announcing the golden anniversary of Mr. and Mrs. Isaac H. Fairbanks to be celebrated at their home at 27 West 13th street on Saturday, October 22 from 3 to 5 p. m. The invitations are very appropriately printed in gold. Mr. and Mrs. Fairbanks were married shortly after the great fire which consumed Holland on October 9, 1871. The children who will aid them in celebrating this event are Mr. and Mrs. Arthur G. Baumgartel, Mr. and Mrs. H. Howard Lane, Mr. and Mrs. Milo I. Fairbanks, Mr. and Mrs. W. C. Vanden Berg, and Mr. Edson Fairbanks.

### AT THE STRAND

History, romance and tragedy are blended into an awe-inspiring and thrilling spectacle in George Kleine's gigantic photodrama, "Quo Vadis," which is being presented today only at the Strand. It has created a sensation wherever it has been shown. The scenes are actually taken in and around Rome, Italy. The beautiful love story of the Pagan Vinitius, for the Christian girl Livia, is related with remarkable fidelity. Among the thrilling scenes are, feeding of the Christians to the lions; Ursus, the giant, in the arena at Rome twisting a gigantic bull by the horns until its neck broken; the mighty Roman Chariot races; the ancient tradition of Gladiators fighting and slaying each other; the weakling Nero, fiddling and making merry while Rome the eternal city burn to the ground. It is a spectacle so stupendous no one should miss the opportunity to see it.

### URGES HOLLAND TO REMEMBER DATE OF FOUNDING

A suggestion made by this paper a few days ago that Holland should get busy for the celebration of the 75th anniversary of the founding of Holland has not yet resulted in any definite action, but that readers are beginning to think about the subject is shown by a letter of Anthony Rosbach, printed below. Other communications on the subject and suggestions as to what form the celebration should take are cordially welcomed. Mr. Rosbach's letter follows:

Editor—

As one of the sons of the pioneers

I wish to express my appreciation of your efforts to arouse public interest in the 75th anniversary of the founding of our city. That the colonization of Western Michigan in 1847 by the Hollanders was of great importance in the development of our country cannot be gainsaid. The impulse which led to the settling of New England by the Pilgrim Fathers found its counterpart here; and as the influence of the Pilgrims has been felt thruout our history, so will the character of our sturdy pioneers leave its impress upon the future. To allow the commemoration of this important event to go by default would be indefensible and the time left to make adequate preparations is none too long.

The idea of erecting a statue of Dr. Van Raalte, or of an allegorical group representative of the brave men and noble women who founded this colony or both is worthy of consideration. Other cities have their monuments and statues while in our community there is a painful dearth of memorials to remind the coming generations of the sacrifices made in their behalf. The suggestion has also been made that the wealth of historical material collected by former postmaster Van Schelven be published in book form as a memorial edition. However, whatever form the celebration may take, the spiritual motive which animated the fathers as well as the material heritage wrought for their posterity, should receive recognition. Let not our Diamond Jubilee pass by unnoticed. Anthony Rosbach.

### OTTAWA FARMERS TO GIVE GRAIN OR CASH

Representatives of the Grange Gleaners, Farmers' clubs and the Farm Bureau met in Coopersville Monday to hear Mr. Eddy explain the conditions in Armenia and to organize for the purpose of furnishing Ottawa county's quota for the Near East Relief.

Ottawa's quota in grain or cash is \$2,688, and is lower than that of other counties in this territory. Michigan is endeavoring to raise \$100,000 or its equivalent in grain, for the Armenians and other sufferers of the Near East.

In this great work it is expected that all dealers in grain will assist in the work and that all farmers will contribute to assist the starving people in the territory between the Turkish and Russian possessions. Farmers may contribute grain or cash and will be given a receipt to the credit of the Near East Relief.

As this is the first appeal of the kind ever made to the farmers as a class it is going to prove whether American agriculture will rise to assist the less fortunate in the world and assist in carrying the oldest race of Christian people through the winter.

Representatives of the farm organizations arranged for the following: Grand, Fred Woodward, Coopersville; P. J. Gleaners, Frank Schomaster, Hudsonville; R. J. Farmers Clubs, Erwin Parish, West Olive; Farm Bureau, William Berger, Jenison; and C. P. Milham, agricultural agent.

All donations should be made before November 1, and details will be published later.

### PUBLIC AUCTION

A public auction will be held on Friday, Oct. 21, 1921, at 10 o'clock a. m., on the farm of C. Mast, which is located 1 mile west, and 1 mile south and 1/4 mile west from North Holland, or 2 1/4 miles west of Noordeloos. The following will be offered for sale—1 team of horses weight about 2,700 lbs. 8 and 9 years old; 1 set of work harness; 4 cows, one fresh, one due to be fresh the last of this month, one due to be fresh the 10th of December and one to be fresh the 1st of May. One heifer calf 6 months old; 75 chickens. Between 7 and 8 ton of hay; quantity of straw, wheat, rye and oats, six acres of corn in the shock and some fodder; about 75 bushels of corn in the ear; 50 bushels of oats; 1 new John Deere Binder; 1 wagon and box; 1 gravel box; 1 hay rack; one 2-horse riding cultivator; one walking cultivator; 1 plow; 1 mowing machine; 1 hay rake; 1 spring tooth harrow; 1 50 egg incubator; 1 grindstone; 1 watering tank; 3 cream cans; 2 soup barrels; 2 swarms of bees and many other articles too numerous to mention.

Lunch at noon.  
Terms—Below \$5 cash, over \$5 eleven months on bankable notes 6% off for cash.

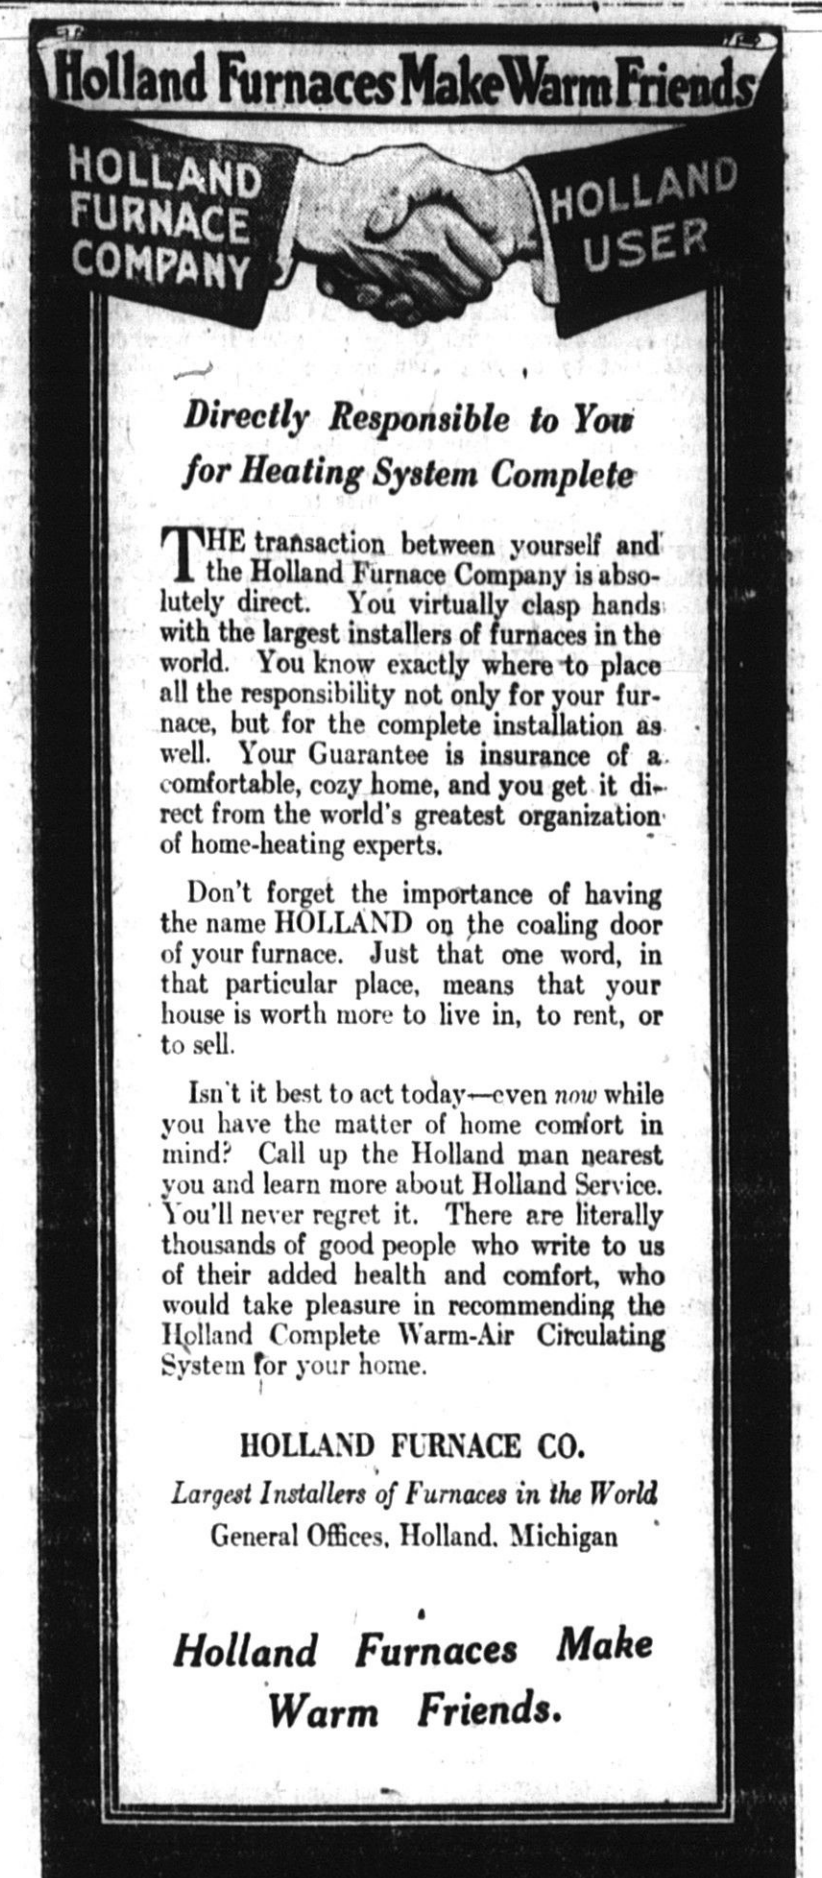

### HAMILTON NEWS

A call was extended to Rev. Dyk-huyzen of Hingham, Wis., by the 1st Reformed church Monday evening at a congregational meeting.

John Vander Kolk has sold his race horses to John Slotman of Dunningville.

A number of our people attended the conference at Holland Monday. Chester De Boer of California is employed at the flour mill. Mr. and Mrs. Henry Lohman will move to Monterey. Mr. and Mrs. Henry Ver Hulst and

Mrs. Bert Borkman and children moved to Kalamazoo. John Ver Hulst of Oakland visited at the home of H. Tanis. Louis Vander Meer will have water works put in his house. Sketee of Holland will do the job.
