## APPRECIATION

WE are indeed sincerely thankful, and appreciate to the fullest extent the wonderful way in which our patrons and friends of Holland and vicinity did cooperate with us in making the opening of our new store, on Wednesday, an unqualified success.

Q The large number who called at our public invitation demonstrates conclusively that the public was indeed interested.

Q We hope and trust that our new development has met your fullest approval, and judging from the many kindly comments heard on every hand your expectations have been fully met.

Q We also wish to thank publicly the many friends and business institutions who kindly remembered this firm with beautiful baskets of flowers. It was indeed thoughtful of them, and we are deeply appreciative. Flowers were sent by:—

Burnham, Stoepel & Co., Detroit, Mich.  
Columbia Phonograph Co., Chicago, Ill.  
Spencer-Duffy Co., Grand Rapids, Mich.  
Furniture City Uph. Co., Grand Rapids, Mich.  
Grand Rapids Bedding Co., Grand Rapids, Mich.  
Mr. Smith, representative of the Simmons Bedding Co.  
Challenge Refrigerator Co., Grand Haven, Mich.  
Holland Furniture Co., Holland, Mich.  
Ottawa Furniture Co., Holland, Mich.  
West Michigan Furniture Co., Holland, Mich.  
Thompson Mfg. Co., Holland, Mich.  
Van den Berg Bros. Furniture Co., Holland, Mich.  
Mrs. Arend Visser, Holland, Mich.

Thursday evening, Nov. 5, the Wolverine Four, of Grand Rapids, will render a miscellaneous program in the Holland Christian high school auditorium. The program, as usual, will consist of quartet numbers, duets, solos, readings and a sketch entitled, "Traffic Violators." Last year their sketch was "Applying for a Driver's License." This year they will show what the driver did who last year applied for the license. The sketch will be composed of eight characters, the two famous Dutchmen taking the most important parts.

The quartet numbers this year will be the best they have ever given, consisting of both sacred and secular numbers. The quartet seems to be in a great demand this year. They have been booked for entertainments every week up to Christmas, giving concerts as far away as Chicago. Because of this great demand due to past achievements, they intend to give only the best in order that their programs may still increase in value.

It is evident that they again will be greeted next week by a large audience, for the tickets are selling as fast as they ever did. Last year many were turned away from both programs. Tickets are for sale at Selles Jewelry and Deur & Zwemer Hdw. Both of these places will be glad to accommodate any one desirous of making reservations. Seats will be reserved only by sections.

LOCAL FIRM PUT  
ON NEW TYPE OF  
TALKING MACHINE

MEYERS MUSIC HOUSE GIVE  
PRIVATE DEMONSTRATION  
AT WARM FRIEND TAV-  
ERN TONIGHT

One of the outstanding musical events of the season will be a private demonstration of a new and revolutionary type of talking machine, to be given before prominent citizens, musicians, music teachers, educational authorities and newspaper representatives by the Meyer Music House, Victor dealers, at the Warm Friend Tavern this evening at 8 o'clock.

Said by acoustical experts and musical authorities to be not less than 100 per cent more efficient than any previous development in the reproduction of sound from a record, the new instrument, known as the Orthophonic Talking Machine, is to make its public debut here Monday, November 2. The private demonstration has been arranged to give leaders in local musical circles an opportunity to hear the instrument before it makes its formal bow.

Developed upon the same basic principles which made possible one-distance telephone communication, the Orthophonic Talking Machine is described as a mechanical instrument which reproduces accurately practically the entire range of musical sound. Its outstanding virtue is said to be the elimination of all unusual vibrations which marred reproduction in old-type instruments, and the extraordinarily faithful preservation of tone color. Notes which, heretofore could not be reproduced at all, or were so distorted as to be unpleasant or almost unrecognizable, are now said to be given forth by the Orthophonic instrument in all their true beauty.

Instruments which in the past have been the despair of the talking-machine laboratories, are now recorded and reproduced with uncanny accuracy, say experts who have heard the new instrument. The piano reproduction is that of the real instrument, with all its magnificent range. The harp can be distinguished clearly, the drums weave their resonant background and the various other instruments preserve their true individuality, while blending with fidelity in the ensemble.

Following tonight's private demonstration, a big public presentation of the Orthophonic Victrola will take place at the Meyer Music House Monday, November 2nd, opening at 10 A. M., and continuing until 4:30 P. M.

At both the private demonstration tonight, and the public presentation Monday, the Orthophonic instrument will be played in comparison with the old-type instrument, to give its hearers an accurate conception of the vast musical advance that has been made.

## NOORDELOOS

Rev. J. Zeewy preached his farewell sermon to a large audience here Sunday. He moved to Kalamazoo the early part of this week. A congregational meeting was held at the church Monday evening for the purpose of calling a new pastor. A call was extended to Rev. Struyck of Grand Rapids. Mr. Gerrit G. Groenewoud, the county school superintendent, visited the school here last Wednesday.

Mr. Arie Vogel is at present employed on the farm of Peter Bronksma.

Mr. and Mrs. John Meyerling visited with Mr. and Mrs. Herman Bultema last Thursday.

Tuesday morning two of Mr. Walter Bosch's cows disappeared from his pasture near Dorpsdijk. He was fortunate in locating them the same afternoon.

## EAST HOLLAND

As soon as the weather becomes favorable the Noordeeloos school baseball team will play the North Holland team.

John Kemme recently purchased a new corn grinder.

Paul Schilleman auctioned the sale of John Boerma at North Holland, Wednesday.

The Noordeeloos school will be closed Thursday and Friday of this week because of the state teachers' institute at Grand Rapids.

Almon Brandt recently purchased a Ford truck to use on his milk route.

Herman Janssen will teach the catechism classes at Noordeeloos as long as they are without a pastor.

The Noordeeloos school children enjoyed a most delightful time at their party Wednesday. A short program was given by some of the children, after which several stunts were pulled off. Then of course the children enjoyed the eats.

## PUBLIC AUCTIONS

On Wednesday, October 28, 1925, at Peter Terpstra's, 1 mile south and 1/2 mile west of West Olive at 10 o'clock.

On Wednesday, November 4, 1925, at Harm Ranges, 1 1/2 miles west and 1/4 mile north of Olive Center at 10 o'clock A. M.

On Friday, October 30, 1925, at Benj. Vos, located on the Bee Line road between Holland and Hamilton at 10 o'clock A. M.

On Tuesday, November 3, 1925, at All Van Raalte, 1 mile north 1/4 mile east of West Olive, at 10 o'clock fast time.

On Thursday, October 29, 1925, at William Streun, 1 1/2 mile south of 32nd street and Central avenue or 1 mile east and 1/2 mile north of Graafschap at 10 o'clock A. M.

Milo De Vries of De Vries and Dornbos left for Chicago on a business trip.

JUDGE CROSS  
GIVES LESSON IN  
AUTO DRIVING

MAKE CONVINCING CHARGE  
WHEN ACTING AS JUDGE  
IN DAMAGE SUIT

Judge Cross gave a charge recently in Allegan county while acting in judgment when a damage suit was being tried, arising from an automobile collision that had taken place some time before, that would be well for all careless drivers to read. He surely could glean a lesson from this charge.

It is regretted that more motorists could not have been present to see the Allegan Gazette and take some of it to themselves.

Anyways the charge of Judge Cross was in substance that many drivers at least act on the theory that they can drive on a "hook line road or through traffic street without regard to the drivers entering from a side road. He explained to the jury that, when a driver on a trunk-line road or a driver on other roads coming from the right hand of one entering the road, have a right to expect that they will have the right of way if both cars arrived at the same time, and they must drive at the rate of the road and have the car under proper control and must drive at a speed that reasonable under the conditions. When two motorists are both to blame, neither can recover. It is the duty of a driver when approaching a "crossing to drive in the manner in which an ordinarily prudent man would proceed, and have his car under suitable control. The presence of bushes or other things interfering with vision would require that the driver proceed with his car under such control that he can reasonably stop the same when a driver ran into a tree fallen on the road at a curve and complained that the sun blinded him, evidence that came up in the case in question. Judge Cross pointed out that he should have proceeded at a speed that reasonably safe in rounding the curve and should have his car under reasonable control. If blinded by the light he should have adjusted his windshield or stopped the car. A driver on the left side of the street assumes all the danger from "such experiment." It is well for motorists to remember that they are never exempt from the requirement of reasonable speed and control over the car at all times, these depending on the circumstances.

NOORDELOOS PASTOR  
GOING TO KALAMAZOO  
CHURCH SOON

The Kalamazoo Gazette tells of Noordeeloos pastor coming to Kalamazoo and the church he is to serve. The Gazette says:

"The Rev. John Zeewy of Noordeeloos, Mich., a community near Holland, is expected to come to Kalamazoo about Nov. 1 as pastor of the First Christian Reformed church on South Burdick-st. The pulpit has not been filled by a regular pastor since a split in the church last winter brought about the removal of the Rev. Henry Dunhof, now head of the Protestant Christian Reformed organization here.

"The church building now occupied by the First church was erected in 1911. It has seats for 850 persons. Membership of the church is now about 84 families. With Sunday school attendance of about 120, Rev. S. Weland, a retired pastor, is head of the women's society of the church.

This society was organized in 1869 and the church at that time was located at Walnut and John streets. It was this church that founded the John street school, first classes being conducted in the basement of the church.

For some time, however, the school has been under the management of a separate association.

LOCAL SCHOOL  
STUDENTS TO TRY  
FOR NEW PRIZES

Students in the public schools of this city are already making preparations to compete for the various prizes that are going to be given by at least a half dozen Holland citizens.

The prizes are really worth while and the awarding around commencement time causes considerable interest.

This year a new award for Bible study has also been added as will be noticed in the following list of prize winners:

George E. Kollen Memorial Prize for Public Speaking, \$25; first, \$15; second, \$10.

Mrs. George E. Kollen Prize for Home Economics, \$25; first, \$15; second, \$10.

Henry G. Gierlings Prize for Civics, \$15; first, \$10; second, \$5.

Frederic M. Miles Prize for Commercial Law, \$15; first, \$10; second, \$5.

George Mool Prize for Manual Training and Mechanical Drawing, \$5; Manual Training, \$5; Mechanical Drawing, \$5.

Abraham Lincoln Medal Prize, \$5.

B. D. Keppel prize for Bible study (for grade school) \$50.

J. A. Van Putten prize for some phase of life insurance, \$25.

New Prize for 1926

Mr. Joe Koolker of the Geo. H. Hutzenga jewelry store is contributing \$25 to a prize for Bible students in the Senior course.

The qualifications for the award of this new prize have not yet been set. Holland high students are setting high standards of attainment and are grateful to citizens for their interest in good school work.

DR. DAVIDSON  
INSTALLED AT  
HOPE CHURCH

MANY GO TO HOPE CHURCH  
TO LISTEN TO IMPRESSIVE  
SERVICES

Dr. Shannon of Chicago Delivers  
Eloquent Sermon, Dr.  
Kulzenga Gives Charge

Despite the inclement weather of last evening a large number gathered at Hope church the occasion being the installation of Rev. Thomas W. Davidson, D. D., who came to Holland from the Reformed church on the Heights in Brooklyn, N. Y.

The sermon given by Dr. F. E. Shannon of Chicago, and the charge by Dr. John E. Kulzenga of Holland were very impressive.

Said Dr. Shannon, "I want my minister to be human but not too human." The minister should maintain contact with his people, avoiding at the same time the danger of a loss of dignity and spiritual power.

Other essential qualities of a "good minister," said the Chicago pastor, are a comprehensive view of modern life, a well read mind, and an awareness of the dignity and difficulty of his task. "Only one is linked up with the eternal. He can be truly up with the time." Know all literature in order better to interpret the Divine lit-

erature, was the speaker's exhortation. The grandeur minister's task lies in its difficulty and spiritual character.

Rev. John E. Kulzenga, Professor of Practical Theology at Western Theological Seminary very happily addressed both the new pastor and the congregation. The speaker declared his satisfaction in the fact that "the root of the matter" was in the heart and the life of Dr. Davidson. Speaking to the members of the church, Dr. Kulzenga continued "You must want the gospel and want it with your whole heart." Both Dr. Shannon and Dr. Kulzenga bore testimony to the unique power and simplicity of the Bible.

Rev. J. C. De Vinney, pastor of the First M. E. church of Holland, congratulated the new pastor upon coming to a city of such fine religious standards and high moral ideals as Holland. He welcomed Dr. Davidson into the fellowship of Holland's ministers and the greater fellowship of the gospel.

The program follows: Rev. D. D. Ellerbrook, President of the Classis of Holland, presiding; Hymn, No. 2—"Come Thou, Almighty King." (Charles Wesley) Gloriana; scripture reading and invitational prayer, Rev. Paul H. Hinkamp, professor of Philosophy, Hope college; reading of form, Rev. D. D. Ellerbrook, president of Classis; installation prayer, Rev. H. Hoopers, D. D., professor of Old Testament Literature, Western Theological Seminary; response by choir "Bow Down Thine Ear." (Shelley) Hope Church choir; sermon, Rev. F. E. Shannon, D. D., Central Church, Chicago, hymn, No. 469, vs. 1, 2, 4, "We Bid Thee Welcome." (Montgomery) Jackson; charge to minister and people, Rev. John E. Kulzenga, D. D., Professor of Practical Theology, Western Theological Seminary; hymn, No. 452, vs. 1, 2, 4, "Lord, pour Thy Spirit." (Montgomery) Board; five minute greetings from Sister churches, Rev. J. C. De Vinney, pastor First M. E. church; prayer and benediction, the pastor.

As pastor-elect of Hope church, Dr. Davidson has for the past month been in charge of the services, and his coming has made a lasting impression, not alone with the members of the church but with those who have come in contact with him, socially or in a business way.

Mr. Davidson has a wonderful personality, and Holland as well as Hope church, welcomes him and his family.

Dr. Davidson both as a pulpitist and a mixer during week days, has already endeared himself very generally to our people.

The new pastor of Hope has always been in close touch with Hope College, and this is one of the reasons for his coming here.

Dr. Davidson's education and early training have fitted him, especially for Hope church pulpit. Dr. Davidson is Scotch-Irish by birth, born in Belfast half a century ago, Belfast, the cradle of some of America's greatest preachers. His mother was a pious Quaker, who early inspired in her son a love for the Christian ministry. Educated at the great liter-

THOUSANDS VISIT  
WHEN FURNITURE  
STORE OPENS

NEARLY 9,000 SOUVENIRS GO  
TO HAPPY PATRONS AT  
DE VRIES AND DORNBOSS  
OPENING

Despite the uninviting weather and the bad roads in the rural districts, the formal opening of the new De Vries and Dornbos furniture emporium was a wonderful success. Some conception can be gained from the number who called when it was shown that 8,750 souvenirs were disposed of.

The children were especially pleased, each one of the 3,250 calling receiving a buzzer.

The management had a special arrangement to take care of the children. They were immediately taken up to the fifth floor by the elevator, and from there to the toy room where the buzzers were dolled out. Naturally they had a glimpse of this toy wonderland, and were already expressing their hopes for Christmas.

More than 1,500 souvenirs were given to men who called, and nearly 3,000 tokens went to the ladies.

Mr. Dornbos of the local firm stated that he saw visitors present from Hamilton, Saginaw, Ganges, Zealand, and from as far away as Allegan and Grand Haven.

He stated that he is doubtful whether the crowd could have been handled had the weather been deal.

Mr. J. Nutter, the head of several furniture and refrigerator factories, and who was traveling here with his wife and daughter to Florida stated this was the finest opening that he had every attended in a city the size of Holland, and he commented especially upon the cheerfulness of the crowd, and the able and diplomatic way in which these large numbers were handled.

A check on the crowd was kept in a way at the elevator door, and it was found that 4,631 had taken a trip up by 8 o'clock. It is stated however the larger proportion leisurely went from floor to floor by way of the stairs.

Taking it all in all the opening of De Vries and Dornbos furniture store was a great success, and the members of the firm were the recipients of a most wonderful display of flowers. These were placed on tables at intervals thruout the building.

Those who sent flowers in large baskets are the following: Burnham, Stoepel & Co., Detroit, Mich.; Columbia Phonograph Co., Chicago, Ill.; Spencer-Duffy Co., Grand Rapids, Mich.; Furniture City Uph. Co., Grand Rapids, Mich.; Grand Rapids Bedding Co., Grand Rapids, Mich.; Mr. Smith, representative of the Simmons Bedding Co., Grand Haven, Mich.; Holland Furniture Co., Holland, Mich.; Ottawa Furniture Co., Holland, Mich.; West Michigan Furniture Co., Holland, Mich.; Thompson Mfg. Co., Holland, Mich.; Vanden Berg Bros. Furniture Co., Holland, Mich.; Mias, Arend Vischer, Holland, Mich.

POLICE HELP REGULATE  
CROWD AT STORE OPENING

Part of the afternoon the crowd at the De Vries and Dornbos store opening was so great that the management had to call on the local police department in order to get the crowd moving properly.

On two of the floors, especially in the music room where the orchestra was playing, the congestion was so great that it prevented a moving thru the building as had been arranged.

Good naturedly the police started things moving, and as good naturedly the crowd complied.

The first chimney fire of the season at Grand Haven gave the fire department a run to the home of Daniel Systma at 1123 Franklin street Tuesday night. There was no damage. The big pump truck is being dismantled before having its body installed on a Reo chassis, recently purchased by the city.

Dr. Davidson has a strong love and sympathy for children and youth, as is evidenced by the fact that he has been the means, in five years, of increasing twenty-fold the attendance at Sunday School in his Brooklyn church. Further, finding that 80,000 children in his city were untaught in Sunday school and by other religious means, he organized all the churches into a body taking upon itself to have school children instructed in Bible for an hour each week.

Dr. Davidson was attracted to Holland and Hope for many reasons, some of them being the academic atmosphere that pervades our lovely city, the fine schools, and most of all, Hope College and the Western Theological Seminary, as well as the character of his Holland audiences. All provoked in him an irresistible urge to go to Holland and cast his lot with the Reformed church in the West. That he will work harmoniously and sympathetically with the other churches in this city need no argument.

CONTRACT LET  
THE SEWAGE DISPOSAL PLANT

ALL BIDS FOR SEWER SYSTEM  
REJECTED BY COUNCIL  
WEDNESDAY NIGHT

Will Re-advertise That Division of the Hope of Securing A Better Figure

The contract for the erection of the new sewage disposal plant with the elimination of three miles or items and the decision to re-advertise for bids for the sewer system—that constituted the action of the common council Wednesday night at an adjourned meeting held for that purpose.

The contract for the sewerage plant proper, Division "B," was awarded to Hay-Wenker Construction Co. of South Bend at a price of \$113,744, with three items omitted. The council will re-advertise for bids on Division "A," to be opened at nine A. M., December 16.

The following resolution was offered by Ald. Laappe, and was passed by a unanimous vote:

October 28, 1925.  
To the Honorable, the Mayor and the Common Council of the City of Holland, Michigan:

Gentlemen:—

After several meetings of the Commission, together with the engineers, and after a careful study of the bids submitted, the Sewerage Commission decided at a meeting held in the city hall on October 28th, 1925, to approve the recommendation of Engineers Pearson Greeley & Hansen, which were as follows:

1. That all bids received for Division "A," comprising intercepting sewers, be rejected.  
2. That the Common Council re-advertise for bids on Division "A," on specifications heretofore adopted with slight modification as recommended by the Engineers.  
3. That the contract for the construction of sewage treatment works proper, Division "B," be installed.

Item B-14—Brick wall around settling tank.  
Item B-15—Screen type of covering over the sludge drying beds.  
Item B-20—Planting and seeding around treatment works.

be awarded to Hay-Wenker Construction Co., of South Bend, Ind. at its bid price of \$113,744.00.

It is understood that the item eliminated under Division "B," may be added by the Common Council if and when the funds are available.

4. That the contract for the furnishing of pumping equipment, Division "C," be awarded to The American Well Works of Aurora, Illinois, at its bid price of \$5400.

5. That the contract for the furnishing of chlorinating apparatus be awarded to Wallace & Tiernan Co. of Newark, New Jersey, at its bid price of \$700.

That the above recommendations as submitted to the Sewerage Commission by Pearson, Greeley & Hansen were approved and ordered referred to the Common Council.

Respectfully submitted,

RBC-CV. Secretary.

The decision to re-advertise for bids on Division "A," was arrived at to secure better terms on it. There were only two bids on this division. The low bid of \$66,000 was low enough to bring the amount well within the limits of the bond issue, but unfortunately the firm that made this bid made a rather high bid on Division "B," the sewerage plant proper. The firm was asked if they were willing to bid on "Division A," generally, in which case the bid would have been awarded to them last night. But they refused to split their contract.

The firm that received the contract for the plant was considerably higher on Division "A." The council therefore decided to re-advertise this division. It is believed that the new figure will be well within the necessary limits.

There was almost no debate on the question of passing the resolution, a number of the aldermen asked for information but all seemed to feel that the sewerage commission and their engineer advisors had given the matter the most conscientious consideration and that their recommendation merited adoption. Mayor Kammeraad so advised in a brief talk to the aldermen and his single vote was registered against the proposal.

The items that were eliminated from Division "B" are not strictly speaking essentials. They are more or less decorative and would have been desirable if there had been funds for them. However, it is possible to add them at any time when the funds should be available.

BODY OF WOMAN KILLED  
IN FLORIDA ARRIVES

The remains of Mrs. Ruth Brouwer, well known Grand Haven woman, who met her death in a automobile accident in Miami, Florida, last Thursday night, were received at Grand Haven from the south on Friday afternoon. Funeral services will be held from the home of Mrs. Brouwer, 315 South Fifth-st., on Saturday afternoon at three o'clock. The services will be in charge of the Rev. Garis pastor of the Second Christian Reformed church. Mrs. Brouwer is the widow-in-law of James A. Brouwer, Holland.

## MAYOR KAMMERAAD TODAY ANNOUNCES PERSONNEL OF NEW HOSPITAL BOARD

Mayor Kammeraad Monday announced the appointments to the hospital building committee, that was provided for by the action of the common council at the time when they ratified the plan of a hospital on the unit plan with funds to be provided out of the savings of the board. The committee will be composed of the following:

Three members of the board of public works—Walter Leung, president of the board, James DeYoung, and Arthur Van Duren.

Two members of the hospital board—C. M. McLean, president of the hospital board, and G. J. Dickman.

Two members of the common council—G. M. Laepple, chairman of the ways and means committee, and Charles Dykstra, alderman from the fifth ward.

One member of the chamber of commerce—H. Landwehr, president of the chamber of commerce.

The mayor of Holland—N. Kammeraad.

The last named member of the committee is the only one who was not appointed by the mayor. The mayor was added to the committee by the action of the common council last Wednesday night when the aldermen decided to increase the number on the committee from five to nine. That motion included a provision that the mayor should be an active member of the committee and not merely an ex officio member as he would otherwise have been by virtue of his office. As an ex officio member he would not have any vote but by virtue of the aforesaid action he will have equal powers with the other members of the committee and can vote on all questions that come up before the committee.

Mayor Kammeraad has taken twenty of time to appoint his committee because he wished to make the committee as representative of all the interests of the people of Holland as was possible within the limitations of the resolution that instructed him to make the appointments. His instructions were to choose three from the board of public works, two from the hospital board and two from the common council, but since those boards are the first place are representative of the people of Holland the appointments on this new body automatically take on this same character.

In appointing the representative from the citizenship at large Mayor Kammeraad said today that he had chosen Mr. Landwehr because of his business standing and personal ability and also because he is the head of the largest body of business and professional men in the city, namely the chamber of commerce. This body is back of the hospital plan and the mayor felt Mr. Landwehr was the ideal man to represent the citizenship at large on the new board.

Mayor Kammeraad is charged with calling the first meeting of the new hospital building committee and he expects to do so in the very near future so that the board can organize and begin active work looking to the erection of the new institution. At the first meeting the committee will be expected to name a chairman and other officers and to make general plans on which to proceed with its task.

## CELEBRATE THEIR SILVER WEDDING

Mr. and Mrs. Alva J. Fairbanks celebrated their silver wedding anniversary on Saturday night at their home at 273 West 14th St. Only the immediate relatives and a few friends were present. The total number of guests was 55 and a three-course luncheon was served. A delightful program was given and Mr. and Mrs. Fairbanks were the recipients of many beautiful gifts.

## TRIPLETS CAME TO THE RESSEGUES

Three tiny pink-faced babies beside their 22-year-old mother are attracting hundreds of visitors to the little two-room home of Mr. and Mrs. Frank Ressegue where the stock called last Sunday with the second triplets to arrive in Muskegon.

"We're proud of them," the mother answers the singular question of all. The father also is very proud because the mother and her three babies are all well. The Ressegues have two other children, David Monroe, 3, who is too young to understand what it's all about, and Ida Mae, 3, who is willing to give up her little bed to the new babies.

"We had lots of fun naming them," the mother smiled. "The eldest we called Junior Frank, the next Beverly Jane and the youngest Raymond Evan. Altogether they weighed 16 1/2 pounds."

Mrs. Ressegue is of a family of 20, while her husband was one of 23 children, six of which were triplets.

THE STUDENT BODY OF THE local elementary Saturday morning voted against sending a delegate to a meeting of the Inter-Seminary Student Union of the Chicago district, to be held October 26 at Chicago. In all probability delegates will be sent to another conference at Grand Rapids in the near future.

## KEEFER'S RESTAURANT IS TEMPORARILY CLOSED

For the next ten days Keefe's Restaurant will be closed for remodeling and redecoration. A new floor will be put in and many other new fixtures will be added to the present equipment. Bernard Keefe came to Holland eleven years ago and has built up an excellent business in his present location. The announcement will be made thru the local papers when the cafe will re-open.

## HOLLAND TALENT GOES TO GRAND HAVEN

Holland will have its delegation attending the W. C. T. U. convention at Detroit next month. In fact delegates from every section of Michigan from which a total state membership of 14,000 is derived, will join more than 1,000 delegates from other states in making the national convention of the Woman's Christian Temperance Union Nov. 11-19 the largest national gathering of the organization ever held.

It is the fifty-first convention of the organization and the first to be held in Michigan in many years. Miss Anna A. Gordon, national president, has called upon 58 auxiliary unions of the national W. C. T. U. to send delegates.

High lights of the program being arranged for the big law enforcement rally were announced by the local bureau this week. General L. C. Andrews, assistant secretary of the treasury, and Mrs. Gordon Whit, president of the Canadian W. C. T. U., are among the outstanding speakers. Other orators on the program, including Senator Belle Kearney, of Mississippi; Miss McCorkindale, of Australia; Miss Michi Sembongi, of Japan; and Miss Amy Spaulding, recently returned from Spain, will give prohibition sidelights of the various countries they represent.

A feature of Youths' Night, at Cass Technical high school, November 14, will be the presentation of a patriotic roll which W. C. T. U. leaders say will carry the signatures of 1,000,000 children who have signed the total abstinence pledge.

Miss Nina Lamkin, of Detroit, and Mrs. Mabel Gardner of Royal Oak, are in charge of the pageant to be presented that evening. Every state in the union is to be represented in the patriotic parade which will feature the pageant.

## H. H. SHOWING BITTER PILL TO SWALLOW

Heinie Martin, sport writer for the Grand Rapids Herald, seems very much disappointed owing to the wonderful showing made by Hinga's men in the football game played between Holland high and Grand Rapids South at Grand Rapids which resulted in a tie game. Heinie says:

"Take a thundering crash out of a clear sky a Holland high school eleven swept through the ranks of a determined South high outfit and left in its wake a 6 to 0 tie to the utter astonishment of 2,000 Red and Blue rooters who had assembled in Island park Saturday afternoon in hopes of seeing their idols stage a brilliant comeback after their scoreless struggle with Muskegon a week ago."

"It was a bitter disappointment to the South High followers who were groping feebly at a mile of a chance to share in the 1925 state crown. Players and fans alike saw their final opportunity of a split in the state title blown to bits as the second successive scoreless tie was recorded on the South High gridiron ledger."

"Saturday night, 500 Holland rooters, who had accompanied their team here, wended their way homeward, frantically joyous. They had come to see their heroes battle the highly touted state champions. They had hoped Holland would at least make a credible showing and hold the locals to a low count. Their expectations were more than fulfilled, so their elation was not without justification."

## DISTRICT SCHOOL CLUB MEETS

The opening meeting of the P-T club was held at District No. 2 school Friday evening, a very large attendance being present. Those who took part in the program were: Readings, Dr. Edwards, Mrs. Michener-Huizen and Miss Tien; "Uncle Tom's Whiskers," by Geo. Hofmeyer, J. Sagers, Jerry Hofmeyer, Henry Van Durt and Mrs. Takken; "Uncle Moses and Aunt Mandy," by two dummies; songs were sung by Mrs. J. Sagers, Mrs. E. Fairbanks, Mrs. J. Kleis and Henry Van Durt. Very fine music was furnished by Louis and Eugene Fairbanks.

After the program an auction was held in charge of Henry Sagers and the proceeds will be for the welfare work of the association. Refreshments were served by Mrs. George Hofmeyer and her committee.

John Dalden, farmer residing near Allegan was winner to the extent of \$4,000 in his damage suit for \$10,000 against Oscar Stevens, alleged snorter of Mrs. Dalden. Dalden claimed Stevens was stealing his wife's affections and also asked damages for injuries incurred in an alleged fist fight encounter with Stevens. The circuit court jury on Saturday night hearing the case brought in a verdict giving Dalden \$2,000 for assault and \$2,000 as heart balm.

## Holland Poultry Show Expects To Have 4,000 Birds

The Holland Poultry association is planning the biggest show in the history of the association to be held in December in connection with the 25th anniversary of its organization.

A souvenir premium book compiled by Seeley Brouwer will be issued within a few weeks and many cups and prizes will be awarded. The recent Holland fair featured its poultry department with approximately 4,000 chickens and it is expected most of those who exhibited there will enter birds in the new show.

Ottawa county has become the leading poultry section of the country which is reflected in the annual shipment of more than 6,000,000 chicks from here to all over the United States. This year the Holland association will hold the show in the new Holland armory.

## PURE WHITE GEESSE ARE SHOT NEAR NEW RICHMOND

Ex-Mayor James Michen and Donald Dickenson of Fennville shot three white geese in the Kalamazoo river bottoms near New Richmond, ten miles south of Holland, Monday afternoon. This is the first time in years in this vicinity any of these geese has been shot. Some of the sportsmen at first called them white brants. The geese were pure white, tipped black at the extremities of the wings and weighed 15 pounds. The bird, it is said, usually is found in the northeast part of the continent and always has been very rare here. Many of the hunters have viewed them and said they never had seen any like them before.

## Holland Farmer Steals Back Value Of Apples In Tools

Farmers are not always the losers from depredations by motorists. The story was told Friday of one farmer in the fruit belt southwest of Holland who profited when wis matched wits.

He spotted two motorists entering his orchard for some fruit. They had no permits and simply helped themselves. They were not hogish and limited their loot to a peck of choice apples. The farmer, however, had received more than his loss.

When the motorists departed they drove slowly by the house and good naturedly yelled at the owner that they had helped themselves to a sample of his fruit.

The farmer smilingly retorted, "That's all right. While you helped yourself to my fruit I helped myself to your tools. I'm well satisfied. Good day! Come again!"

## SKETCHES LIVES OF FOUR WOMEN

A fair attendance and a good program is the record of the W. C. T. U. meeting on Friday. Mrs. Arthur Visscher rendered two vocal numbers "The Perfect Prayer," by Riley, and "The Old Road," by Scott.

Mrs. De Vinney gave some outstanding facts on the report of the Federal Council of Churches on the benefits of prohibition and the criticism of said report by officers in the Anti-Solon League. Miss Katherine Post had charge of the main program, sketching the life and work of four prominent temperance women, Miss Frances Willard, Miss Anna Gordon, Anna Howard Shaw and Mrs. Walker Haysborn. The speaker also affirmed that there was less drinking among college and university students as evidenced by the football game she attended in Madison. Even in the city of Milwaukee and other places in supposed wet Wisconsin there is very little evidence of drinking, she said.

## IS SURPRISED BY HER FRIENDS

A surprise party was given in honor of Miss Mildred Slaght Thursday night at the home of her parents, Mr. and Mrs. Dick Slaght, 93 E. 16th-st. Those present were: Charlotte Karl, Gertrude Steker, Mildred Slaght, Stub Wiersma, Foster Mack, Elmer Oudemolen, Dave Wiersma, Harold Slaght. Games were played and a two course luncheon was served. A very pleasant evening was enjoyed by all.

A proposed amendment to the constitution, initiated by 1925 legislature, providing for the removal of the limit on the number of consecutive terms a sheriff may hold office does not permit sheriffs who are in their second term to run for a third term in the November, 1926, elections, the attorney general ruled Saturday. An opinion was asked for by W. E. Lewis of Hart. Inasmuch as the proposed amendment will be voted upon by the electors in the 1926 general election and sheriffs will have to run for their next term in the election there is no probability, even if the amendment is adopted, of its governing next year, the attorney general held.

After jailing her husband on an assault and battery charge, Julia Stubro of Hudsonville has advertised an auction next Wednesday to dispose of her household and farm property. When Stubro's 29-day term is up he not only will have no home but must go before court again to answer to a liquor violation charge. Mrs. Stubro appeared at Justice F. F. McEachron's office last week and said she had been doing most of the farm work, while her husband stayed in the house and drank. She charged him with having beaten her and displayed cuts and bruises as evidence.

## UNKNOWN IS KILLED BY P. M. TRAIN

An unidentified man was killed shortly after 1 o'clock Saturday noon at Boyd's crossing about 4 miles south of this city. The man appears to be about 35 years of age and was poorly dressed. Section hands discovered the body lying in a switch located near the entrance to the siding. From all indications the man was riding the humpers' and in some way lost his balance and was pulled under the cars. The body was horribly mangled, both legs being severed and parts of the body being strewn along the track for at least a quarter of a mile. Coroner Vandewater was called to the scene but the accident having occurred in Allegan county had no authority to act. A justice ordered the body removed to the Dykstra morgue where coroner Benson and Sheriff Lugten viewed it Saturday night.

All efforts to find some marks of identification have failed but of the men asked for not one was identified. Sunday morning, after seeing the body, that the man had spent Friday night in the local jail. At that time he was in company with an elderly man who carried a cane. The man told the officers that they were on their way to Fennville to pick apples. An effort is now being made to locate this elderly man in hopes that he may know the name and residence of his traveling companion. Trammien says that the men asked for not one was identified.

Since no one came to identify the man the remains were buried in the potters' field at Graafschap cemetery Monday morning. This burying grounds was chosen since the accident occurred in Allegan county and no doubt that county will have to pay the costs of interment.

## ONE TOWN NOT YET IN SCOUT BODY

The completion of the reorganization of the boy scout movement in Ottawa county finds every community in the county, with the exception, in the organization. The exception is the city of Zeeland, which did not feel ready as yet to join the movement when the officials of the organization called there to interest the people in the work. There are however many boy scout enthusiasts in Zeeland and it is expected that in a short time Zeeland will join the procession and make the movement in Ottawa county unanimous.

Even Allendale has joined the movement or at least has signified its desire to join. At the meeting Friday night in Holland, when the organization was completed, Allendale was represented by its teacher, Mr. Lam, and announcement was made that Allendale would join the movement as soon as the necessary arrangements could be made.

The new name of the organization, "The Wolverine Council," was chosen in deference not to the wishes of the growers who compose the board of directors but in deference to the boys who will make up the personnel of the boy scouts in Ottawa. It was pointed out that a name is needed that will appeal to the imagination of the boys. "The Ottawa Council" would have been an ideal name if it had not been for the fact that there is another "Ottawa Council" in this district, namely in Ottawa county, Illinois. It is an Indian name and therefore appropriate as a name for the scouts.

"The Wolverine Council" was chosen because it suggests wild life, good lore, and at the same time is the nickname of the state of Michigan. The objection that the Wolverine is not native to the state of Michigan and that moreover he is a pesky animal good for nothing but to be exterminated is counterbalanced by the fact that custom has made the name familiar and undelivered its undesirable connotations.

As soon as the scout executive has been engaged the work in Ottawa county can go forward in full tilt.

## SUIT OF \$20,000 TO BE FILED FOR INJURIES

Mrs. James R. Stevenson of Spring Lake lies seriously injured in a Grand Haven hospital, and her husband Monday was making plans to start a \$20,000 damage suit in circuit court against the bridegroom operator of an automobile that smashed into his car on Grand Haven road Sunday night, injuring Mrs. Stevenson.

Mrs. Stevenson was an expectant mother and the husband, following a consultation with a Grand Haven surgeon Sunday announced he would start suit immediately.

Stevenson failed to get the name of the driver of the bridal car, which was wrecked on turning over or after the collision. The groom said he had been married in Grand Rapids Saturday afternoon and was enroute to Muskegon with his bride and the wedding party.

Police believe they have broken up a ring of overcoat thieves that has been operating on the University of Michigan campus last year and this fall, with the arrest Saturday of John Clark, Detroit.

Clark was arrested after he had been detected in the theft of a coat in one of the university buildings and was captured later in an exciting chase across the campus. Arraigned before Circuit Judge George W. Sample, Clark was sentenced from one to five years in Jackson state prison, a two-year term being recommended by the court.

## WOLVERINE COUNCIL NAME OF NEW OTTAWA COUNTY BOY SCOUT ORGANIZATION

The organization of the new boy scout movement in Ottawa county was completed Friday evening at a meeting of the scout council of the different branches in the county. The meeting was held at the Western Friend Tavern and a group of 22 men took part in the deliberations.

The Ottawa county organization is to be known as the Wolverine Council of Boy Scouts. That name was chosen out of a number of names suggested.

Holland was designated as headquarters for the Wolverine Council and the scout executive will conduct his work throughout the county from this city. Rev. James J. De Kraker, pastor of the Presbyterian church of Grand Haven, was named president of the Wolverine council by a unanimous vote of the representatives of the different localities represented. The other officers elected Friday night were: first vice president, Chester L. Beach of Holland; two second vice presidents, E. P. Little of Coopersville and Frank Scholten of Spring Lake; treasurer, C. E. Drew of Holland.

In accepting the office of president of the Wolverine council, Rev. Mr. De Kraker made the statement that he considered scout work in Ottawa county as of extremely great importance by reason of the fact that he looked upon it as Christianity put into actual practice. He declared that he was accepting the position with the understanding that the scout executive whoever he might be, would be an active member of some church. He added that he was not suggesting whether that should be a Protestant, Catholic or Jewish church but that he should belong to some church and not only be enrolled on the books of the church but be active in the work of the church. This proviso, he said, he was making because he felt that the scout executive would determine the attitude of the scout masters and scout masters in turn would determine the attitude of the boys under their care.

The scout constitution was adopted Friday night and application for a scout charter for the Wolverine council was formally made. A budget was adopted and a number of other matters were transacted at the meeting.

The most important immediate business to come up before the Wolverine council will be the hiring of a scout executive. The council delegated to the president the power to appoint a committee composed of members of the various localities represented to interview applicants for the position and to pick a man within the limits set by the constitution. There are a number of applications on file and one of the applicants will probably be named in the near future.

The Holland members of the Ottawa county board are: Chester L. Beach, C. E. Drew, B. P. Donnelly, Con DePree, N. Kammeraad, Dick Boter, George Mool, and Frank Essenberg.

Otto C. Koeh, of Grand Haven, has been selected as song leader for the University of Michigan band. He will lead the quartet in singing "Varsity," which will be a new part in the band performance. Clarion trumpeters will announce to the crowds the entrance of the band. Before beginning the march down the field, a quartet from the band proper will answer the call of the trumpeters and a parade will then start. The Michigan band will present several of the numbers on the university radio program to be broadcasted Oct. 27, and Mr. Koeh will sing several solos. Koeh is a member of Phi Mu Alpha musical fraternity.

## STUDENTS WILL TAKE PART IN CONTEST

The third prize essay of the American Chemical society will begin with the school year 1925-26. Six prizes of \$1000 will be awarded to undergraduate students of colleges and universities who write the best essays in accordance with the rules. Students who graduate in mid-year are also eligible to compete in this contest. No technical knowledge of chemistry is required by those who participate in this contest, which means that every Hope student is eligible whether she or he takes chemistry or not.

It has been the purpose of the contest to instill generally a live interest and appreciation of the subject and a realization of its importance to our national life.

A contestant may submit only one essay which shall not exceed 5,000 words. It must be confined to subjects selected by the American Chemical Society and must be written in ink or may be typewritten. All direct quotations must be enclosed in quotation marks. It must be in no later than February 1, 1925. For further particulars see Dr. Van Zyl who will be willing to give all necessary information.

## MUST STOP POLLUTION OF BLACK LAKE

A dispatch from the United Press from Lansing today states that the attorney general of Michigan will act against the Cappon-Bertsch Leather Co. and Heinz Pickle company, charging them with polluting Black River and Lake with industrial waste.

It is stated that action was taken because of the complaint of the Holland Game and Fish Protective Association and that the state department of conservation had sent its representatives to Holland, who spent a week investigating and brought back ample proof showing that these firms were violating under the law.

One of the assistant attorneys general of Michigan was here Tuesday to make further investigation and it is said that the contemplated action was to follow his coming.

It is stated, however, that Michigan is to be reasonable with these firms and the action will be brought more so that these firms will become active and do something to stop this waste matter from flowing into the waters of Black Lake.

The dispatch also mentions that Holland took a step in the right direction when it passed almost by a unanimous vote of the people a bond issue for sewage disposal plant costing nearly \$200,000.

Examination showed the water was unfit to sustain fish life 2,000 feet from the mouth of the city sewers. According to chemical analysis of waste from the Holland concerns, the material dumped into the river is much more harmful to fish life than the city waste.

The dispatch states that a representative of the tannery appeared before director of conservation John Baid this week and threatened to move their plant to another state, if Michigan acts to force installation of a waste reduction plant.

The latter part of this report seems to be without foundation, however, for an interview with Hinkley, the Holland manager of the Cappon-Bertsch Leather company, said that he company already has a large force of men working to bring about a condition that will stop further pollution of the water, and that he is endeavoring to do all in his power to restrain them out this condition.

Mr. Hoover, local manager of the H. J. Heinz company, said that the local company was also formulating plans to remedy conditions at the plant west of Holland on Black Lake.

He stated that it would take some time to bring this about but that a start was being made and it seems that is all the state of Michigan wishes and will not cause any undue hardship to any of these firms here or elsewhere. However, it appears that the conservation department is not only taking action against Holland but in several other lake cities where industrial waste has been allowed to flow in waters adjacent to the plants.

## TO IMITATE LOCAL R. C. PLAN

The director of Michigan headquarters of the Red Cross asked Mrs. G. J. Van Duren how she expected to conduct the Red Cross roll call this year. Mrs. VanDuren outlined her plan, namely to have the Legion men canvass Zeeland and Holland, to have the church ladies do the same in some communities and to have specially selected individuals in others, the plan being the same as was successfully followed other years.

H. L. Geddes, state roll call director, has written Mrs. Van Duren a letter endorsing the plan and suggests that some of the South Ottawa features may be adopted in other places. "We think your plan is a very complete one," he writes, and then he adds, "Miss Sterling who handles the small towns around Detroit has just read your letter and wishes to thank you for the idea of the florist which she will use in her small towns."

The "idea of the florist" refers to a Red Cross window display but on free of charge and voluntarily by the florist. The florist has placed in their store on East 8th St. The display showed a Red Cross nurse and many other Red Cross features. It attracted a great deal of attention.

## TEACHERS STAGE A BIG PARTY

"It's a way we have at school, sir, to drive bull cows away," was the song of the Holland Teachers' club Friday evening as they entered the Junior high school gymnasium which had been beautifully decorated with bunting, streamers and flags. The teachers themselves had been changed into strange beings such as clowns, witches, etc. The prize costumes were those of an old man and woman worn respectively by E. G. Hartman and Irene Baughman. Robert Evans proved to be the best artist and Gertrude Mahoney the most skillful diver. L. Nelson and G. Larson won prizes for their gastronomic abilities. All present voted this Halloween party with its clever fortune teller Nellie Dick, one of the most enjoyable ever staged by the Holland teachers' club.

## CANOE STILL WHERE INDIAN OWNER LEFT IT GENERATIONS AGO

On the edge of the big tamarack swamp on what is known as the old Bill Jones farm in Orleans township near Ionia, there can still be seen the remains of an old Indian canoe which has lain decayed for many years. As long as 50 years ago it was used by the children of the vicinity for play but never was dislodged from its original resting place. There have been numerous arrowheads picked up around these swamps, which extend from the inlet to Woodland lake.

## SHOWER GIVEN FOR BETTY VAN IWAARDEN

A kitchen shower was held at the home of Mr. and Mrs. A. Van Iwaarden in honor of Betty Van Iwaarden. Those present were: Johanna Vander Bie, John Van Iwaarden, Peggy De Young, Ben Mast, Betty Van Iwaarden, Marie Vander Bie, Johanna De Witt, Henrietta Boerman, Grace Vander Bie, James Van Iwaarden, Henrietta De Witt, Kathryn and Marie Van Iwaarden, Mr. and Mrs. P. Van Iwaarden, Florie Van Iwaarden, Mr. and Mrs. A. Van Iwaarden. Many useful gifts were received and games were played. Prizes were awarded to Ben Mast, Kathryn Van Iwaarden, Johanna Vander Bie, Paul Van Iwaarden, Henrietta De Witt, Florie Van Iwaarden, and Johanna De Witt. A pleasing luncheon was served and all had a good time.

## HOPE COLLEGE WOMEN'S LEAGUE HOLD MEETING

Seventy-five women from 48 reformed churches were present at the first meeting of the Hope College Women's League, which was held at Voorhees hall on Wednesday afternoon. One representative came all the way from Greenleaf, Minn., while Chicago and Morrison, Ill., Detroit, Kalamazoo, Grand Rapids, Grand Haven and Muskegon also sent delegations. Nearby committees contributed their quota.

Under the able leadership of the president, Mrs. C. J. Dregman, the routine business was quickly transacted. Dr. E. D. Dimmet expressed the thanks of the council and faculty of Hope College for the work of the churches of the girls' dormitory. "Until you women took hold of it," said Dr. Dimmet, "this was an institution; now it is a home. We wish to see the girls entrusted to our care develop into beautiful womanhood and you are fostering in them the love of home."

Mrs. W. H. Duffee, the dean of women, graciously offered the delegates "the keys of the dormitory," and invited them to inspect every part of it during the social hour. The treasurer, Mrs. George Huizenga, reported that all bills for the improvement of the dormitory as well as for the home for missionaries had been met, and a considerable sum was later added by the visitors from outside churches.

The delegates were greatly impressed with the handsome appearance of the dormitory due to the efforts of the women in the local churches and expressed their sincere appreciation by a rising vote. Plans were then laid for future activities.

The Hope College Women's League has begun its career under most favorable auspices, and with the co-operation assured by the outside delegates, the various churches of the particular synod of Chicago hopes to accomplish still greater things in the future. The next meeting takes place in May on Voorhees Day.

## SKUNKS ARE MAKING A RAID ON HOLLAND

About a week ago word came from Allegan that a "force" of skunks made a raid on the city of Allegan, which seemed rather unusual. However, Allegan is not the only city that can boast of a skunk population.

In the last few nights the odorous animals, whose fur is highly prized by the well dressed lady, made entrance into the city and soon open windows in the residence district were closed and neighbors went about hunting for skunks.

One was found in a neighborhood henry making away with the eggs; others were seen burrowing into the lawns, looking for angelforms, and now a report comes from West Olive from a trapper on the lakeshore who states that skunk are more plentiful than ever before. He said that on his way to Holland he counted six skunks that had been killed during the night by passing automobiles. He said the skunks, in attempting to cross the concrete, became dazed and blinded when the headlights strikes them and a few were captured. There were also found on the lawns in the residential district of the city.

## SISTER TO LOCAL MAN KILLED IN MIAMI, FLORIDA

Word has been received in this city telling of the tragic death of a Miami, Florida, Friday morning of Mrs. Ruth Brouwer, sister-in-law of James A. Brouwer, the furniture man of Holland. Mrs. Brouwer is a citizen of Grand Haven and left for the south with her daughter Eleanor several weeks ago.

Mr. Brouwer of Holland has not been advised of the details, the telegram simply stating that his relative had been severely injured in an auto accident, on the streets of Miami, and that death followed soon afterward.

The mother and daughter have spent the past several winters in Florida.

Mrs. Brouwer was one of the best known ladies in Grand Haven and was possessed of many friends there. Her husband, the late R. Brouwer was for many years a shoe merchant in that city. Surviving Mrs. Brouwer are her daughter, Eleanor, a son, William, who resides in Kalamazoo, and S. R. Brouwer of Milwaukee, who has the leading shoe store in the Milwaukee metropolis.

## LOCAL BANK AGAIN HOLDS APPLE SHOW

The past two years, the Peoples State Bank has put on an apple fair in the lobby of the bank and the exhibition took well with the general public. Thousands came to see what this section has to offer in the way of apples. Last year 144 exhibits were shown and these exhibits were neatly racked in pyramid style in order to show them to the best advantage. All the apples came from within a radius of six miles of the city and that in itself was an eye opener to the general public.

Benjamin Brouwer, treasurer of the Holland fair who is also one of the bank staff, is in charge of the exhibit again this year. The premium lists have already been sent out and judging from the requests for space even more entries will be made this year than last year. The bank officials expected this and that reason have nearly doubled the number of trays in which the apples are neatly packed and exhibited.

In the announcement the Peoples State Bank says:—

"The Peoples State bank has for the last few years given an annual apple show and we believe this has been of great educational value to Ottawa and Allegan counties. In fact Western Michigan in general. Our exhibitors have shown quality fruit only and by the appearance of the fruit that has been shown in the past, we feel that Michigan does not have to take a back seat for California or any other Western or Southern State. Great possibilities are in store for Michigan as a fruit state and with a little development for promotion in production, wonders can be worked."

"We are assured that you are as much interested in the development of fruit growing in our state as we are and we know that you will be pleased to look over our exhibit. There will be displayed the finest apples in the world, all grown within a radius of from 15 to 20 miles of Holland."

"This bank has always put emphasis on this great industry and it gives us pleasure to thus serve our community."

"The exhibit will be held at this bank from Nov. 24th to 14th, inclusive, and we will be open evenings from Nov. 10th to 14th from 7 to 9 p. m. so that it will be possible for those who cannot attend during the day to see our exhibit at night."

## MRS GEO. BENDER PASSES AWAY

Mrs. George Bender died Wednesday night at the Mayo Brothers hospital at Rochester after an operation that took place on Wednesday morning. She was 54 years old and is survived by her husband and three children: Will of Flint, Mae and Russell at home, also by one brother and two sisters.

Representative Carl E. Mapes of Grand Rapids was the principal speaker at the third annual clam bake Thursday at Port Sheldon under auspices of the Port Sheldon Beach association. Members of the board of supervisors of Ottawa county, city officials from Holland, Grand Haven and Grand Rapids and members of the Broadway Players, Grand Rapids theater stock company, were guests.

The bake was managed by William A. Lavett, a member of the Broadway Players. Clams and lobsters imported from New England, chickens, corn and potatoes were baked in a huge outdoor oven constructed by members of the association and were served to 200 persons. William Olman, treasurer of the Port Sheldon hotel, was toastmaster.

Mr. Mapes praised the friendly spirit which led the association to hold the bakes. He said he felt a close personal relationship with Port Sheldon because Mrs. Mapes' father, John Pike, was clerk of the Port Sheldon hotel more than a half century ago when the colony first sprang into being.

A telegram from Harry D. Jewell of Grand Rapids, who is in Florida, offered greetings. Mr. Jewell predicted Michigan would awaken to its opportunities as a resort state and the result would be a land boom clipping that are now under way in Florida.

Other speakers were: Fred H. Locke, city manager of Grand Rapids; Austin Harrington, chairman of the Ottawa county board of supervisors; David Kline of Spring Lake, chairman of the Ottawa county supervisors; and Abraham Angas, supervisor from Port Sheldon township, Ottawa county.

## DIES AT AGE OF SEVENTY-ONE

Mrs. John Riemersma, aged 71, died Thursday. She is survived by three daughters, Mrs. Lee Cummings, Mrs. John Fisch of Zeeland and Mrs. Fred Roseboom, and two sons, John of Grand Rapids and George of Sheboygan, Wis.

The funeral will be held Monday afternoon at 1:30 at the home of Mr. and Mrs. J. Fisch, 542 East Main-st., Zeeland.

## FORMER HOLLAND MAN DIES IN BATTLE-CREEK

Word has been received in Holland of the death in Battle Creek of William Nye, formerly of Holland. The Nye family lived here some twenty years ago. The deceased was a brother of Father Nye of the St. Francis church, who died here a year or two ago.

## VALUE OF A LEG IS NOW ESTABLISHED BY AL- LEGAN COUNTY JURY

Value of a right leg was fixed at \$5,000 by a jury in Judge Orie S. Cross' circuit court at Allegan Wednesday when it awarded that amount of damages to 16-year-old Floyd Voss of Otsego township in his suit against Chaney Stranahan.

About a year ago Stranahan went to the Voss home to collect rent and as he was turning his car around in the yard of the home his foot slipped from the brake pedal and he struck Voss, breaking the boy's right leg in two places. Later gangrene set in and it was necessary to amputate the limb. Court action was brought through Floyd's mother, Mrs. Bertha Voss, as his guardian.

## TOPEKA PAPERS PRAISE WORK OF LOCAL MAN

Earl Kardux, formerly of Holland and now with the music department of Washburn college, Topeka, Kansas, is making a name for himself in Topeka. Recently he staged a concert and the Topeka papers lauded his work enthusiastically. One of them said: "Earl Kardux, lyric tenor of the Washburn college school of music, gave his first Topeka recital last evening before an audience that nearly filled MacVicar chapel. Mr. Kardux is an artist in every sense of the word. Not only is his beautiful voice, but he understands thoroughly the art of tone production and knows how to color the tone to the meaning of the music. He is fully familiar with the styles of the various schools from which his program is drawn and gives to each the treatment it needs."

"His voice is a true lyric tenor, beautiful in quality and with a wide range. It is a large voice, a virile voice, but one that can give expression to tender moods as well as more vigorous ones. His latissimo is especially lovely. There is seemingly no limit to his high tone."

Another paper said in part: "The most polished of programs was sung for a charmed audience Thursday evening when Earl Kardux, lyric tenor, appeared at MacVicar chapel on Washburn campus."

"Spontaneous salutes of applause greeted the singer after each group of songs. He graciously sang encores following 'O Lovely Night' by Ronald, and his final number, 'Take Joy Home.'"

"The effortless ease, the versatility of voice and his personal charm will make Mr. Kardux a favorite with Topeka concert goers. His first program has established him as a finished artist."

## ARE REMEMBERED ON ANNIVERSARY

On Tuesday evening, Oct. 20th, Mr. and Mrs. Harry Beekman of 91 E. 24-st. celebrated their fifth wedding anniversary. Children, grandchildren and brothers and sisters were in attendance. The rooms were beautifully decorated in gold and white.

The bride and groom of fifty years ago were well remembered. They received from the employees of Bush and Lane Piano factory, of which Mr. Beekman is a member, a beautiful and valuable gift.

The children and brothers and sisters presented them with purses of gold. It was a happy occasion and was enjoyed by all who were there.

## CHILD VICTIM IN SERIOUS CONDITION

Reports from the Hatton hospital Wednesday afternoon indicated that the infant son of Frank Pouch killed in the auto accident last Sunday and Mrs. Pouch who is lying in the hospital with severe injuries, was worse and is now in critical condition. Mrs. Pouch was reported slightly better.

Funeral services for Frank Pouch and Virginia Brown were to be held Wednesday afternoon from the Kiel mortuary and Mrs. Pouch requested in the morning that she be allowed to see her husband and child before they were laid away. This was granted and she was brot down on a stretcher. Later she was taken to a physician's office for an X-ray picture.

## WOMAN DIES DURING FUNERAL OF HUSBAND

While the funeral of Klaas Branderhorst was being held at the North Street Christian Reformed church in Zeeland, Mich., last week Wednesday afternoon, Mrs. Branderhorst died at her home one mile north of Zeeland on the Borculo road. Mr. Branderhorst died of pneumonia at the age of 71 and his wife succumbed to the same disease at the age of 66 at the moment when her husband's funeral was in progress.

The deceased are survived by three sons and one daughter. The funeral of Mrs. Branderhorst was held Sunday afternoon at 1 o'clock at the North St. Christian Reformed church in Zeeland.

The Biology club of Holland high elected the following officers for the ensuing year:

President, Cornelius Koopman; Vice President, Marie Kuite; Secretary, Lester Vander Werf; Treasurer, Roy Mool; Social Com., Hermine De Koning; Custodian, Willis Arnold.

The Lamp Fire Girls of Junior high named the following officers: President, Vivian Van Arnooy; Vice President, Loretta Schilling; Secretary, Evelyn Van Dyke; Treasurer, Charlotte Koolek.

## TELLS ABOUT BY-PRODUCTS OF ROTARY

"The By-Products of Rotary," was the subject of a stirring address delivered Thursday noon by Dr. Charles E. Barker, who spent the day in Holland lecturing to various organizations. The meeting was held in the main dining room of the Warm Friend Tavern and incidentally Dr. Barker eulogized the hotel as one of the finest he knew in any city under \$5,000. In Dr. Barker's case that means a good deal as he has traveled constantly for about eight or nine years and has been in nearly every city in the land.

The three main by-products of Rotary, Dr. Barker said, are education, the application of the golden rule to business, and service. These three benefits are not provided for in the Rotary constitution and they were not particularly in the minds of the founders but they have become of perhaps even greater value than the things that were aimed at, because they have come almost unconsciously.

Rotarians all over the country are meeting other Rotarians who are Catholics or Jews or Protestants or men of no church affiliations and the intimacy of work in Rotary has taught all these men of different religious beliefs to respect the convictions of one another and to forget their prejudices.

It was at one time supposed that the golden rule could not be applied to business but Rotarians all over the world have done it and so it is becoming the rule rather than the exception, the speaker asserted.

But the greatest by-product of Rotary is the spirit of service to others. That is the essence of Rotary, the spirit of service to others. Rotary has many other aims and ideals but its spirit is expressed in service.

## LOCAL OFFICERS APPROVE TRAFFIC CODE FOR CITIES

Attorney Arthur Van Duren and Alderman Charles Dykstra were the Holland representatives who attended the Michigan State conference on Streets and Highway Safety at Grand Rapids. A traffic code for the adoption of Michigan cities was approved and no doubt Holland aldermen will soon receive a copy of this document and if the city officials co-operates the same as other cities, and their is little doubt of that, Holland will have a traffic ordinance soon that will be honored and followed by all Michigan motorists. Mayor Kammeraad is backing up this new law to the fullest extent.

The law as passed there is interesting several other states and is of special interest to the Hoover conference, the secretary of which, Ernest Greenwood, was present and was the principal speaker at the luncheon meeting.

"No greater mistake could be made than the effort to write into the motor vehicle law every conceivable and minute detail for the control of the use of automobiles and of motor traffic," said Mr. Greenwood. "Conditions which have brought about the necessity for legislative action with regard to the use of automobiles are comparatively new. They change daily. Unless the motor vehicle commissioner or other official in charge of safety on the streets can change technical regulations he is facing an impossible task."

"Legislation is inflexible. It takes but a few moments to write a provision into the law and sometimes years to erase it."

"Sound measures of uniformity throughout the nation is imperative. This does not mean some particular law or model laws should be adopted by every state legislature, but it is possible to construct a schedule of principles, which if incorporated will produce uniformity."

"After all this entire effort to reduce the number of fatal and non-fatal accidents on our streets and highways must depend upon the enforcement of adequate laws. The responsibility for enforcement is divided between the police and the courts. I believe the courts should have the power to revoke or suspend licenses as penalty when in the judgment of the court it is necessary for the protection of the community."

Mr. Greenwood emphasized the necessity of cities and towns giving accurate data on traffic, especially accidents, saying that sending in false reports only leads the issue and retards progress.

"The whole trend of our present day civilization has been away from the intense competition of the past," he said, "and is toward an era in which all may co-operate to secure the greatest good for the greatest number. Conferences such as this are significant. They indicate a recognition of the fact that safety on the streets and highways in the last analysis is your job and mine."

There were 122 delegates from different cities present. The real fight now is ahead for the purpose is to have the code adopted individually by every city and town in Michigan with such changes as necessary to meet strictly local conditions.

## ARE TOLD ABOUT WORK OF GRENFELL

The October meeting of the American Legion Auxiliary, which was held Wednesday, Oct. 21, was well attended and much enjoyed. It was announced that the next district meeting would be held in Zeeland on Wednesday, Oct. 28, and all members who can attend are asked to notify Mrs. Jay Den Herder before Monday noon. Excellent music was furnished by a quartet from Hope college, composed of Clyde Geerlings, Ruth Hyma, Rutherford Huzenga, and Ruth Marcott, who gave two popular numbers and responded to an encore.

Mrs. William J. Olive reviewed "The Story of Grenfell" of the Labrador" by Wallace, and in a very realistic manner Mrs. Olive told her audience of Grenfell's boyhood near the sea in England, his medical work in college and his religious enthusiasm aroused by a Moody revival meeting which made him want to do practical Christian work. Then six years of experience on fishing vessels on the North sea followed, excellent preparation for his life work in Labrador. There he first worked along the coast; then as he discovered the need of the people on shore he established hospitals for them and now has two orphanages, schools, a nursing station and four hospitals. Mrs. Olive told very dramatically his experience as a doctor on an ice floe and very pathetically the story of the poor little Eskimo boy whose preventable sickness and death aroused the doctor to the need of the orphanages. The members of the auxiliary greatly enjoyed this inspiring review and appreciated Mrs. Olive's story in giving it to them.

## PASTOR REMEM- BERED WITH A PURSE

On the occasion of the 6th anniversary of the beginning of the pastorate of Rev. J. H. Bruggers at the Sixth Ref. church, a congregational social was held at the church last week Wednesday evening. The pastor was presented with a substantial purse by the congregation, the presentation speech being made by S. Vanden Berg.

Other numbers on the program were: selection by a male quartet, talk on "Progress" by Rev. Mr. Bruggers; talk on the history of the Sixth Reformed church, by Rev. G. De Jonge of Zeeland; selection by the choir, selection by a male quartet.

Mr. De Jonge in his talk recalled the fact that he late Dr. J. W. Beardslee, sr., preached the first sermon in the sectional Sixth Reformed church building and that the second sermon was preached by Mr. De Jonge. Rev. John Van Strien was the first pastor and the church started with a membership of 42.

## TELLS OF DEVEL- OPMENT OF GAS AND ELECTRICITY

Al Visscher, Public Utilities man from Ann Arbor, and an engineer of prominence, spoke before the members of the Exchange Club at Warm Friend Tavern Wednesday noon.

Mr. Visscher was introduced by City Attorney Charles H. McBride, who is a personal friend.

Mr. Visscher gave the history of the development of both electricity and gas, and stated that our civilization followed in the wake of public service companies, and that our cities were built around them. He pointed out how practically every modern convenience with gas, light, telephone, water and so forth was secured by public service companies and that every citizen was in constant need of what the public service companies had to sell, and the Public Service Companies on the other hand, are in need of the patronage of the people and most of all the good will of the people.

Mr. Visscher gave the history of Edison's inventions and how even learned people and scientists considered him crazy when he contended that light and sound could go over the same wire at the same time.

Edison's inventions of the electric light and his improvements on the telephone and telegraph service demonstrated that Edison knew what he was talking about.

Mr. Visscher spent some time in telling of Michigan's water power, and how it should be conserved, and also dwelt at some length on smoke nuisance in larger cities.

He stated that the common impression was the big manufacturing concerns were responsible for the smoke, but he said that is far from the truth, for the reason that business men everywhere are conserving their coal supply, and are saving money because they burn the smoke, and gas that goes up the chimney by virtue of improved stoking facilities.

Smoke nuisance Mr. Visscher stated was caused from the smoke of the chimneys of thousands of dwellings. He stated that only 6% of all coal that goes into a furnace in a dwelling is beneficial to the consumer, with nothing but ashes to show. The rest of the 94% composed of gas coke, and coal tar products are wasted.

He stated the time was coming when the heating of a house would be more economically done than it is today.

Henry Ten Have, who was injured at the Holland-St. Louis Co. is improving nicely.

Mr. and Mrs. Ray Nelms and Harold Sligher motored to Grand Rapids to see the football game between Holland and Grand Rapids.

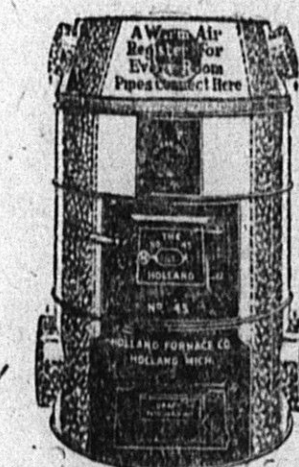

# Here's a Suggestion!

Sometimes, for all you know, you may want to sell your house. When that time comes, how would you like to take a tip from experienced real estate dealers?

Well, anyway here's what they are doing in many cities: They advertise the location of the property, number of rooms, and whenever possible: "Heated by a Holland Furnace."

We often receive lists of these ads from our Branch Managers, and of course, we enjoy the evidence of personal pride on the part of our men.

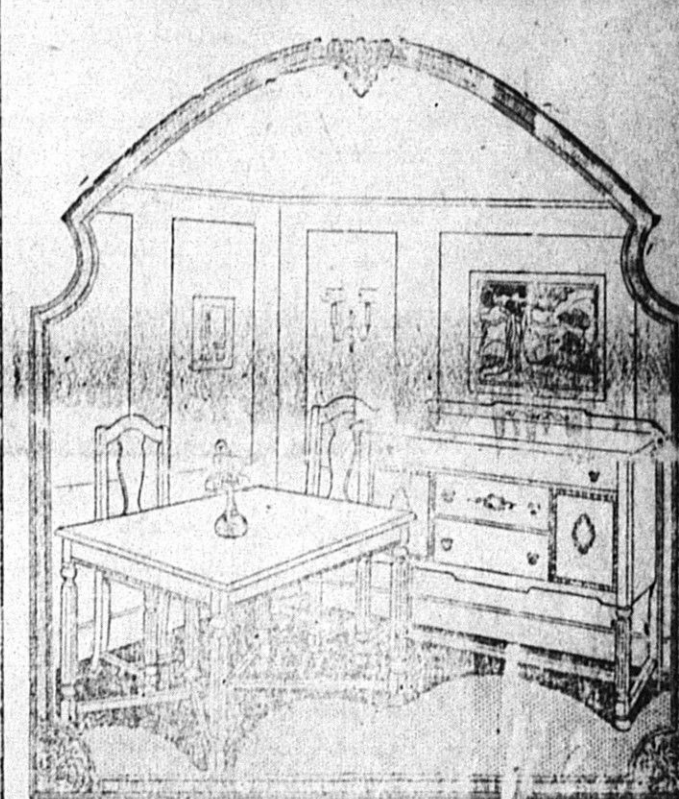

The convincing thing about it is all simply that no mention of other furnaces is to be found in these real estate lists.

### ZEELAND RECORD WELCOMES MICHIGAN PUBLISHERS TO ITS NEW HOME

#### G. H. INCREASES FIRE EQUIPMENT

Recently the Grand Haven fire department was authorized to purchase and now has installed a big new American LaFrance pumper, the same size as the one Holland has. But the department did not stop there. They have now purchased a new fire engine wagon two-ton chassis for the old chemical truck in use for the past decade by the fire department. The chassis was ordered this week after Chas. Pippel of the Grand Haven Fire Department and City Manager J. R. Taylor had conferred with the representatives of the Reo Motor Car company of Lansing.

#### HOUSE BOAT IS POPULAR

John Baker of Ottawa Beach is busy ferrying fishermen from Jensen Park to his houseboat from early morning until late at night, as perch are caught daily by the fishermen. The houseboat has space for 50 fishermen and every space has been taken since Mr. Baker opened it for business. There are all conveniences aboard, including Prof. Taylor with a full line of candy, tobacco and his famous hamburgers and coffee. Fishermen from Grand Rapids say it is the most convenient and best place that ever was put out on Black Lake, as there is a warm fire and plenty of good seats.

#### WAS INJURED IN AN ACCIDENT

Jacob Oosterbaan, who lives on the Zeeland road was injured Tuesday night while on his way home from work when he was run down by an automobile. Because there was no room in Holland hospital, the injured man was taken to the Leemans home on the Zeeland road near which the accident happened.

#### PRODUCTS WIN PRIZES IN PARIS

The Standard Grocer & Milling company received a cablegram Friday morning from the International Export Exposition at Paris, France, reading: "Gelfand products won five grand prizes." It was signed "Lesavoy." The Gelfand line consists of four products distributed by the local firm and handled by all merchants—namely, Thousand Island relish, Peppy Nut, and sandwich spread.

#### RETURN TO HOLLAND AFTER TEN MONTHS' ABSENCE

Mr. and Mrs. Wm. Slater have become residents of Holland after an absence of about ten months. They left last January for Chicago where Mr. Slater represented the West Michigan Furniture Co. He will continue in this capacity but will make his home in Holland after this. Mr. and Mrs. Slater are occupying a home at 20 East 23rd St. They arrived in town Friday night.

#### CLUBS HOLD ATTENDANCE CONTEST

A large number of Van Rantle parents proved their loyalty to the P.T. club by attending the meeting on Tuesday evening in spite of the dark wintry weather. Committees composed of parents of third grade children had charge of the program and social hour. Community singing was led by C. De Coster. Rev. Tans offered prayer. Margie Stolz gave two very pleasing reading selections. Rev. C. P. Dame's address was very inspiring. He deplored the loss of the virtues, modesty and reverence, in our present day, virtues which were quite prevalent in the days of our forefathers. He called attention to virtues, which are in our present day, and in greater extent than those who lived in past years. He said we have become a nation to whom strictness in countries look for pity, aid and sympathy. We also have a greater tolerance for others who may not believe as we do.

#### ALLEGAN MEN ARE ARRESTED IN HOLLAND

Russell Hindenach, a surveyor, was arrested by Deputy Sheriff Egbert Beckman on the charge of transporting liquor, and Fred Minner was arrested on the charge of having liquor in his possession. The arrests were made Wednesday when Beckman caught up with the men in an Allegan county car, the property of the county. The arrest was made on East 16th street in Holland.

### PUTS IN A BUSY DAY IN HOLLAND

Dr. Charles E. Parker, who was brought to Holland by the Holland Rotary club, delivered four Chas. Pippel addresses in this city Thursday. In the morning he spoke to 500 high school students, at noon he addressed the Rotary club, in the afternoon he spoke to the women of Holland at the W. L. C. and at night he appeared in Winans chapel and delivered an address to the men and the boys over 14.

It was a very busy day for the eloquent Rotary representative but he stood the ordeal well and he was met with a very enthusiastic response. After he had spoken in the high school an attempt was made to secure him for the Junior high school also, but time was lacking for this.

In the afternoon he spoke to the women of Holland on the subject, "A Mother's Responsibility to Her Daughter." A few men had also been personally invited by the speaker. At night his theme was "A Father's Responsibility to His Son."

Dr. Barker was President Taft's health advisor during the latter's four years in the White House and he is the author of a set of "Exercises for Men and Women." Stated briefly, they are as follows:

1. Bend body at hips, fists at knees—throw arms out and backward as far as possible while inhaling, and exhale while returning to position.
2. Rotate shoulders—inhale, raising shoulders and vice versa.
3. Clasp hands behind back—throw chest out and upward, shoulders back and inhale, and vice versa.
4. Breathing run.
5. Keeping knees stiff—lower hands to floor and return to chest.
6. For Spine
7. Swing the arms in a circle in front of the body, keeping the knees stiff and stretching upward as far as possible while raising arms.
8. For Liver
9. Feet apart as far as possible—keeping knees stiff—bend body from side to side, raising arms alternately over the head.
10. Gladstonian Exercise.
11. Tying Down Exercises: For Stomach and intestines—raise chin to chest and push hands along the limbs; vice versa.
12. Throw body to sitting position, keeping hips, knees and feet on floor.
13. Draw both knees back to chest and return to floor.
14. Raise both legs from the floor at the same time, keeping knees stiff.
15. Important Suggestions
16. Drink plenty of water in between meals. Eight to ten glasses per day.
17. Get into the habit of following the exercises with cool or cold bath. If one has plenty of blood a cold bath is best, otherwise only take a cool bath after exercises.
18. The best time to take these exercises is upon arising in the morning. However, they can be taken the last thing before going to bed at night, or during the day, but not immediately following any meal.
19. If you have a suspicion that your heart is not in good condition, before taking these exercises you should be examined by your family physician and follow his advice as to the way in which these exercises should be taken.
20. Remember that the only way to test the value of these exercises is to follow them regularly every day for about two months. By that time you will see the great value in performing them daily.

### FORMER CHRISTIAN REFORMED PASTOR MAKES ATTACK

Quirinus Breen, formerly a Christian Reformed minister in Grand Rapids but who left the church and the denomination because of the famous Dr. Janssen case, is delivering a lecture series in Grand Rapids. There is much interest in the series because the Janssen case is still the subject of discussion in many circles. Mr. Breen, who is now in business in Cincinnati, is reported in the Grand Rapids Herald as saying in his address:

"You have not investigated your own ideas or either when you say you are of God and our God of the devil," he told his audience. "You say you have the truth, and it is good enough for you. The fact is you dare not go out in search of new truth for fear it would knock over old ideas. If your faith can be shaken by a little science, it ought to be shaken and smashed to smithereens. The faith you have is satisfied with historical statements. Science comes along and shows those statements wrong and you have nothing."

"You of today are looking for fundamental things. Youth is crying for reality and certainty. But you observe one thing, youth is not asking the church for truth. This is an amazing thing. But the man who has a critical, probing, realistic turn of mind generally turns from the church. The reason why he turns away is clear. Regardless of whether he is right or wrong in his opinions it is his sincere conviction that he has asked the church the way to truth and it has replied in terms of definitions and formulas devoid of real content. Youth takes no man's word for anything so important as truth."

"The young man of brains will not have dogmas forced upon him. He must think for himself, and if youth did not think, nothing would ever happen. The same thing is happening in our day that happened in the days of the martyrs when men were burned at the stake for daring to stand for the truth. The same spirit of intolerance characterizes the church. The world's great truth-bringers were all thinkers. Moses, the prophets, Jesus, the apostles, and the orthodoxy of their day called them heretics."

"Leave the minds of men free for honest, critical thought. By forcing men to be quiet if they remain in the church you force them to be dishonest. I talked with one of your leaders not long ago and he said, 'There is no use trying to reason with me. My conclusions are all foregone.' Don't let men like that run your church; they will run us all out."

Bean; In the matter of petition of

### HOLLAND IS REMEMBERED IN ROAD BUDGET

The annual Ottawa county road budget that has just passed the board of supervisors carries with it an appropriation of \$18,500 that will be directly beneficial to Holland.

The entire budget of \$92,500, which by the way, is much smaller than last year, was passed without opposition. Economy of operation and the completion of all major road projects is probably more responsible for the reduction in the budget than their conditions. Concrete roads require less maintenance and at present, although the building program is not yet finished by any means, still the trunk lines are all paved and major county highways have been completed with concrete pavements of varying widths.

The maintenance fund for the coming year amounts to \$20,000 on the budget as compared with a much higher figure for last year. Large cuts in the cost were effected with the addition of more concrete pavements. Such savings effected in this way have amounted to \$11,500 in the entire road budget and speaks well for the efficiency of the road commission administration.

For machinery, land, buildings, \$9,500 was appropriated. This includes the new county garage at Holland to be built near the Grand Haven bridge on the north side. Also \$9,000 is on the budget for the Alpena Beach highway which was widened and finished late this bridge, more movement along the route from Grand Rapids will probably be asked for.

Chancery—John Olthave vs. Joe Boster; In the matter of the petition for dissolution of the Conklin Farmers Ass'n; P. Henry De Pree vs. Pruim's Music House; Frank Hryzkywa vs. Sanilaus Kiviatowski; Martin Vander Molen vs. S. Vander Kooy; Anna Iwerda vs. H. Wierda; Peter J. Oosting vs. Arthur J. Vore Dyke; T. P. Mulder vs. Clara Knoll; L. H. Osterhaus vs. Frank Walsh.

## COMMON COUNCIL

Holland, Mich., Oct. 5, 1925. The Common Council met in special session and was called to order by the Mayor.

Present: Mayor Kammeraad, Alds. Slaght, Kleis, Drinkwater, Brieve, Laepple, Hyma, Brinkman, Peterson, Van Zanten, Dykstra, Visser and Vancor Hill, and the clerk.

The reading of minutes and the regular order of business was suspended.

The mayor reported that the meeting was called for the purpose of receiving a communication from the B. P. W.

Mr. A. W. Duren, in behalf of the B. P. W., presented the following communication:

"At a meeting of the board of public works, held October 5, 1925, the following resolution was presented to the board:

"Whereas, the Board of Public Works of the City of Holland, has heretofore undertaken, as far as it could consistently do so, with due regard to the business and demands of the board, to assume any pay the bonded indebtedness, with the interest thereon, owing by the City of Holland; and

Whereas, the board feels that whenever possible new developments required by the city should be paid for on a current cost basis, rather than the further issuance of City bonds, as far as the same can reasonably be done; and

Whereas, the Board is of the opinion that a city or Municipal hospital is urgently needed in the city of Holland, and that it should be built and owned by the city rather than as a separate or private institution; and that if the city as a whole contributes to its construction, the sentimental effect at least will be much greater than if built by private subscription, even though it is later donated to the city; now therefore,

Be it resolved, by the board of public works of the city of Holland, that the board will undertake to finance the erection of a municipal hospital and for the city of Holland; the details to be later determined upon by a joint committee as the council may order and appoint, or by a committee agreed upon at a joint meeting of the board of public works, common council and the hospital board, said meeting to be called by the Common Council at such time as the council may order and direct."

The resolution was adopted by a majority of the board and ordered referred to the Common Council.

On motion of Ald. Laepple, Resolved that the Common Council accept the proposal from and concur in the resolution adopted by the B. P. W. and that a hospital be ordered constructed.

Said resolution prevailed all voting aye.

On motion of Ald. Laepple, Resolved that the Mayor appoint a committee of five to be charged with the construction of a hospital; said committee to consist of two members of the Board of Public Works, two members of the Hospital Board and one member of the Common Council.

Carried. Adjourned.

**RICHARD OVERWAY,**  
City Clerk.

## COMMON COUNCIL

Holland, Mich., Oct. 21, 1925. The Common Council met in regular session and was called to order by the Mayor.

Present: Mayor Kammeraad, Alds. Slaght, Kleis, Drinkwater, Brieve, Laepple, Hyma, Brinkman, Peterson, Van Zanten, Dykstra, Visser and Vancor Hill, and the clerk.

Declarations were led by Rev. Jas. Martin.

The minutes of the last meeting were read and approved.

On motion of Ald. Laepple, the regular order of business was suspended and the council proceeded to open bids for the construction of the Intercepting Sewers and Sewage Treatment Plant.

The several bids were referred to the committee on ways and means and the sewage disposal commission.

On motion of Ald. Laepple, the council took a recess of ten minutes for the purpose of giving the committee an opportunity to consult the engineers relative to the tabulation of the several bids.

After recess, the Council having been called to order,

On motion of Ald. Laepple, Resolved, that when the council adjourns it adjourn until Oct. 28, 1925, 7:30 P. M. for the purpose of hearing the report relative to and the awarding of the contract for the construction of the Intercepting Sewers and Sewage Treatment Plant.

Carried.

On motion of Ald. Laepple, The Council here resumed the regular order of business.

**Petitions and Accounts**

Peter Maas applied for permit to construct a brick building, 52x114 feet, at an estimated cost of \$30,000, at the southwest corner of River Avenue and Tenth St.

Granted.

Walker C. Kruijthof petitioned to come under the Compulsory Sewer Ordinance.

Granted.

Jacob Jacobs petitioned for license to engage in the business of constructing sidewalks and presented bond with H. Van Tongeren and John Jacobs sureties.

Bond and sureties approved and license granted.

Clerk presented communication from the League of Michigan Municipalities relative to the convention to be held in the city of Muskegon on Oct. 28, 29 and 30.

On motion of Ald. Peterson, Resolved that the usual procedure in the appointment of delegates to the Convention be followed.

Anna Mae Tyse, do 39.90  
Mrs. P. J. Marjale, do 90.00  
Dora Schermer, do 127.82

Carried. Clerk presented the following communication signed by Joe E. White and P. James Boer:

"We, the undersigned, have purchased the piece of property which is bounded on the north by the south line of Cherry St., on the south by the center line of 24th St., on the west by the east line of Michigan Avenue, and on the east by the west line of the Plat of Lawndale Court.

We propose to lay it out into lots and have same platted as shown on the attached blue print.

As shown on the blue print, our plan includes a street running north and south through the block, and about 300 feet west of Lawndale Court.

If this meets with the approval of the Common Council, we will proceed with the platting. Our plan, when completed, will dedicate to the public, for street purposes, the above mentioned street which will be 66 ft. wide and also the north half of 24th street between Michigan Ave. and the Plat of Lawndale Court.

We are submitting this matter for your consideration at this time, so that we may be assured of its approval when submitted in proper form at a future meeting of the Common Council."

Referred to the committee on streets and crosswalks and city engineer.

M. Goldman petitioned for license to engage in the business of junk dealer and dealer in second-hand goods at 155 E. 8th St., and presented bond with Henry Winter and Benj. Brower sureties.

Referred to the committee on Licenses with power to act.

**Reports of Standing Committees**

The Committee on Streets and Crosswalks reported as follows:

"Your committee on streets and crosswalks was informed regarding the street which Mr. White and Mr. Boer proposes to run through the property which they have purchased and are about to plat. We have gone over the proposition very carefully. We can see no objection to running this street as proposed, and we are therefore now ready to recommend that the common council approve their plat when same shall be presented in proper form, providing that it corresponds with the blue print which they have submitted this evening."

Adopted.

The committee on claims and accounts reported having examined the following claims and recommended payment thereof:

C. W. Carter Co., snowplows 114.66

Jac. VerHouw, do 23.00  
City treas, postage 1.00

Allowed and warrants ordered issued.

The committee on poor reported presenting the report of the director of the poor for two weeks ending October 21, 1925, in the sum of \$131.00.

Accepted and filed.

The committee on licenses to whom was referred the application of P. G. Cole for license to operate motor buses, reported recommending that the same be granted upon the payment of \$40.00 to cover the balance of the fiscal year.

Adopted.

The committee on Ordinances to whom was referred the application of the Wolverina Garage for permission to erect an electric sign of greater dimensions than provided for in the electric sign ordinance, reported that they believe that the provisions as provided for by the ordinance are liberal and that the dimensions of sign provided for in same correspond with those of other cities, and therefore, recommended that the petition for the placing of said sign be denied.

Adopted.

**Communications from Boards and City Officers**

The following claims approved by the Library Board, Oct. 19, 1925, were ordered certified to the common council for payment:

B. P. W. light 9.36  
H. R. Hunting Co., books 3.46  
Wagenvoerd & Co., binding 63.10  
Continental Chm. corp., wax 38.25  
H. R. Brink, supp 1.15  
Librarian of Congress, cards 6.29  
Gaylord Bros., supplies 91.22  
Fris Book Store, books 23.50  
Agnes Tyse, services 23.50

Allowed and warrants ordered issued.

B. P. W. reported the collection of \$21,279.06 light, water and main sewer fund collections; Justice Van Schelven, \$329.15, ordinance fines and officers fees; city treas., parking fees, etc.

Accepted and the Treas. ordered charged with the amounts.

**Motions and Resolutions**

Ald. Slaght reported that he believed the council was rather hasty in the appointment of a committee for the construction of a hospital at the last regular meeting of the council and believed that because of the enormity of the proposition, it would be advisable to increase the membership of said committee and recommend that the same be increased by nine by adding to same the Mayor, one Alderman, one member of the B. P. W. and one citizen, said committee to be appointed.

Adopted.

On motion of Ald. Slaght, Resolved that the common council adjourn until October 28, 1925, 7:30 P. M. for the purpose of hearing the report relative to and the awarding of the contract for the construction of the Intercepting Sewers and Sewage Treatment Plant.

Carried.

On motion of Ald. Laepple, The Council here resumed the regular order of business.

**Petitions and Accounts**

Peter Maas applied for permit to construct a brick building, 52x114 feet, at an estimated cost of \$30,000, at the southwest corner of River Avenue and Tenth St.

Granted.

Walker C. Kruijthof petitioned to come under the Compulsory Sewer Ordinance.

Granted.

Jacob Jacobs petitioned for license to engage in the business of constructing sidewalks and presented bond with H. Van Tongeren and John Jacobs sureties.

Bond and sureties approved and license granted.

Clerk presented communication from the League of Michigan Municipalities relative to the convention to be held in the city of Muskegon on Oct. 28, 29 and 30.

On motion of Ald. Slaght, The report was adopted and the recommendations therein contained ordered carried into effect.

Attorney Van Duren reported that Peter Maas had informed him that he had gone to the expense of approximately \$66 in connection with the sale to the city of the property at the corner of River Ave. and 12th-st., and asked that he be reimbursed for approximately one-half the amount.

On motion of Ald. Vander Hill, Resolved that the city pay the said Peter Maas the sum of \$33.00 as per his request.

Said resolution did not prevail.

The mayor informed the council that at a meeting of the Uniform Traffic Council is to be held at Grand Rapids, October 22, and deemed it advisable to appoint delegates to attend said meeting, whereupon

On motion of Ald. Laepple, Ald. Dykstra and Attorney Van Duren were appointed as such delegates.

Adjourned until October 28, 1925.

**RICHARD OVERWAY,**  
City Clerk.

Ellen McWaters, Plaintiff,

vs.

Albert McWaters, Defendant.

ORDER OF PUBLICATION—NON-RESIDENT

At a session of said court held at the court house in the city of Grand Haven, Michigan, on the 11th day of September, 1925.

Present: Hon. Orien S. Cross, Circuit Judge.

It is satisfactorily appearing to this court by affidavit on file that the defendant Albert McWaters, is not a resident of the state of Michigan, but that said defendant's last known residence and postoffice address is Moose Jaw, Province of Saskatchewan, Canada, on motion of Charles H. McBride, Attorney for the plaintiff.

It is ordered that the said defendant, Albert McWaters, cause his appearance to be entered in this case within three months from the date of this order, and in case of his appearance, that he cause his answer to the plaintiff's bill of complaint to be filed and a copy thereof to be served upon the plaintiff's attorney within twenty days after service on him of a copy of said bill and notice of this order, and that in default thereof, said bill be taken as confessed by said non-resident defendant.

And it is further ordered that hereof, the said plaintiff cause a notice of this order to be published in the Holland City News, a newspaper printed and published and circulated in said county of Ottawa; that such publication be continued once each week for six successive weeks, or that plaintiff cause a copy of this order to be served personally on said non-resident defendant, at least twenty days before the time above prescribed for his appearance.

And it is further ordered that the said plaintiff cause a copy of this order to be mailed to said defendant at his last known postoffice address, by registered mail, and a return receipt demanded, at least thirty days before the time herein prescribed for the appearance of the defendant.

PROPOSED LATERAL SEWER

Eleventh Street West from Van Raalte Avenue.

City of Holland, Michigan.

City Clerk's Office, October 16, 1925

Notice is hereby given that the Common Council of the city of Holland, Michigan, at a session held Wednesday, October 7, 1925, adopted the following resolution:

Resolved, that a lateral sewer be constructed in Eleventh street west from Van Raalte Avenue, that said lateral sewer be laid at the depth and grade, and of the dimensions prescribed in the diagram, plan and profile for same adopted by the Common Council of the city of Holland, October 7, 1925, and now on file in the office of the Clerk; and that the cost and expense of constructing such lateral sewer be paid partly from the general fund of said city and partly by special assessment up the lands, lots and premises of private property owners abutting upon said part of Eleventh street and being adjacent to said lateral sewer assessed according to the benefits thereto determined as follows:

Total estimated cost of lateral sewer, \$10,970.

Amount to be raised by special assessment on adjacent private property according to benefits received as determined by the Common Council, \$876.53.

Amount to be paid from the general sewer fund \$144.17.

That the lands, lots and premises upon which said special assessment shall be levied shall include all private property adjacent to said lateral sewer as hereinbefore mentioned, all of which private lots, lands and premises are hereby designated and declared to constitute a special sewer assessment district to defray that part of the cost and expense of constructing a lateral sewer in said part of Eleventh street in the manner hereinbefore set forth, as determined by the Common Council and as hereinbefore set forth, said district to be known and designated as "West Eleventh street special sewer assessment district."

Resolved, further, that the city clerk be instructed to give notice of the proposed construction of said lateral sewer and of the special assessment to be made to defray that part of the expense of constructing said lateral sewer according to diagram, plan and estimate on file in the office of said City Clerk, and of the district to be assessed thereby by publication in the Holland City News for two weeks, and that, Wednesday, the 4th day of November, 1925 at 7:30 o'clock p. m. be and is hereby determined as the time when the Common Council and the Board of Public Works will meet at the council rooms to consider any suggestions or objections that may be made to the construction of said sewer to said assessment and assessment district, and to said diagram, plan, plat and estimates.

RICHARD OVERWAY,  
City Clerk.

Oct. 15-22-29-1925

Mrs. George Tackaberry, age 74, died Wednesday at the home of her daughter, Mrs. Resseguie.

The funeral was held Friday afternoon at two o'clock at the Dykstra chapel, Miss Nellie Churchford officiating.

## NOTICE OF LETTING OF DRAIN CONTRACT

Notice is hereby given, That I, Henry Siersma, County Drain Commissioner of the County of Ottawa, State of Michigan, will, on the 4th day of November A. D. 1925, at the residence of William Por, Jr., in section 28 in the Township of Holland, in said county of Ottawa at nine o'clock in the forenoon of that day, proceed to receive bids for the construction of a certain Drain known and designated as "The No. 24 and Branch Drain," located and established in the Township of Holland in said county.

Said drain is divided into four sections as follows, each section having the average depth and width as set forth: All stations are 100 feet apart.

Section No. 1 beginning at station No. 32 at the lower end of said drain and extending to station No. 26, a distance of 1200 feet, and having an average depth of 3 feet, and 6-10 width of bottom four feet.

Section number 2 beginning at station number 26 and extending to station number 10, a distance of 1000 feet, having an average depth of 3 feet and 4-10 width of bottom 3 feet.

Section number 3 beginning at station number 10 and extending to station number 6, a distance of 1,000 feet, having an average depth of 2 feet and 3-10 width of bottom 3 feet.

Section number 4 beginning at station number 6 and extending to station number 18 a distance of 1,800 ft., having an average depth of 3 feet and 6-10 width of bottom two feet.

Said job will be let by sections. The section at the outlet of said Drain will be let first, and the remaining sections in their order up stream, in accordance with the diagram now on file with the other papers pertaining to said Drain, in the office of the County Drain Commissioner of the County of Ottawa, to which reference may be had by all parties interested, and bids will be made and received accordingly. Contracts will be made with the lowest responsible bidder giving adequate security for the performance of the work in the manner hereinbefore stated and also, that at such time of letting from nine o'clock in the forenoon until five o'clock in the afternoon the assessment for benefits and the lands comprised within the No. 24 and Branch Drain Special Assessment Districts will be subject to review.

And you and each of you, Owners and persons interested in the aforesaid lands, are hereby cited to appear at the time and place of such letting as aforesaid, and be heard with respect to such special assessments and your interests in relation thereto, if you so desire.

## LOCAL

The Goodrich Transit Co. at Grand Haven will discontinue the Sunday night boat to Chicago. Buses now leave Grand Haven for Chicago Monday, Wednesday and Friday at 9:15 P. M. Central Standard time.

Charles Salisbury, Ottawa Co. deputy sheriff and Mrs. Salisbury, are celebrating their 24th wedding anniversary. They were married in Lamont.

P. P. Stephan of the Holland Furniture Co. will return Saturday from an extended trip thru the South including North and South Carolina, Kentucky and Tennessee. Mr. Stephan is especially interested in going over some of the lumber districts there.

The toxin-antitoxin treatment for the prevention of diphtheria, which was so universally taken by students last year, is again being administered. The new pupils and those deferring action last year reported at the city hall Tuesday. The board of health and school nurse co-operate in this movement.

With but one exception in the political history of the state, Rep. Gerrit W. Kooyers, of Holland, has served more consecutive terms in the legislature than any other representative. He was former Rep. James Jerome, Detroit.

Mr. and Mrs. John J. Cappon are planning to go to California on Nov. 18 to stay for the winter.

Ben Severance of the class of 1929 of Hope College, has been editor-in-chief of the Freshman edition of the Hope College Anchor next week. Mr. Severance, who is very capable of handling the edition, has had a year's experience as a journalist. Before coming to Hope, Mr. Severance was editor-in-chief of the Madison and Orange, the local pa-

per of the Holland High school. The following week the Sophomores will put out an issue of the Anchor with their own staff.

## NORTH HOLLAND

Mr. Neal Bosch, who has been employed on the farm of Mr. John Kemme for the past four years, has taken a chance and is at present employed by Harry Plaggenmaars at Zeeland.

Miss Margaret and Krystall Weener from this place and Dorothy, John and Chester Weener from Crisp, were entertained at the home of their uncle and aunt Mr. and Mrs. Joe Westrate on last Tuesday evening.

Mr. Tom Kraai while on his way to Grand Haven last week Monday choked his "Ford" car and while endeavoring to crank it, he fractured his arm in two places. He was taken home and medical aid summoned. Mr. Kraai had planned on commencing work at the St. Louis Sugar beet factory located at Holland that same night, but his plans have been shattered for some time.

Mr. Ed Schilleman of local store keeper had the hollow wire lighting system installed in his home last week Wednesday.

Mrs. Ray Knooihuizen was called to Grand Rapids on account of the serious illness of her father, Mr. C. McIntyre, who is at present at the Bledgett hospital at that city having had an operation recently. At this writing he is somewhat improved, although his recovery is very doubtful.

Mr. Henry Lemmen resident east from here is busy digging about his house getting ready for a "Heime" furnace, which will be installed in the near future.

Mr. Harold Van Dyke, youngest son of Mr. and Mrs. Jacob Van Dyke, residing southwest from here, was taken to the Holland hospital on last week Thursday, where he submitted to an operation for appendicitis, his appendix having already ruptured. At this writing his condition is very favorable. Harold is a junior at our local high school.

Miss Nella Slagh, daughter of Mr. and Mrs. John Slagh, was honored by a miscellaneous shower given at the home of Mrs. Arthur Slagh. A dainty two course luncheon was served. Those present were: Ada Weener, Dorothy Weener, Margaret and Krystall Weener, Mrs. John Nienhuis, Mrs. Jack Vander Hill, Joe Jippenga, Mrs. Gerrit Lemmen, Sarah Nies, Jillette Gillette, Mageline Slagh, Anna Diekema, Mrs. John Slagh and Nella Slagh. She was the recipient of many beautiful and useful gifts. Prizes were won by Miss Joe Jippenga, Mrs. Gerrit Lemmen and Mrs. Jack Vander Hill. All had a fine time.

Holy Baptism will be observed in our local church next Sunday. The Ottawa county nurse visited our public schools on last week Wednesday afternoon. Each pupil was given a letter stating the necessity of being immunized against diphtheria and were asked to fill out a blank if interested so plans can be made to have a doctor come in a short time to give them their first "shot" in the immunization process.

The correspondents of the different territories of the "Zeeland Record" received invitations last week to attend the "Printer's Convention" held in Zeeland last Friday, Oct. 23. Several editors and their wives were also present. Shortly afternoon they all were invited to the Legion hall where a dainty three course luncheon was served them by Mr. Weiling and his assistants. Attorney J. N. Clark acted as toastmaster followed by different talks by editors, a tour which they again returned to the "Zeeland Record" office where Mr. MacDermid the photographer took a picture of the happy crowd. After this different points of interest were shown them such as Mead Johnson Co., Superior Hatchery, Grandview Hatchery, The Colonial Mfg. Co., and the G. Moeke & Sons Lumber Co. This took up all of the afternoon and at 6 o'clock a dinner was given to the visiting editors and their wives, when they were the guests of the Exchange Club. The day proved to be a grand success and honor is given to Mr. Van Koning for the work he is progressing at Zeeland.

Mr. Martin Diepenhorst has purchased a "Star" Coupe for his "Watkins" route.

## HOLLAND

Mr. Ed Leeuw and Miss Ter Haar left on a hunting trip where they will enjoy themselves for a few days.

Mrs. Henry Ter Haar, Miss Brown and Mrs. Jake Dekker left on a motor trip. The latter will stay at Detroit while the former two will spend a few days at Mt. Clemens visiting with some relatives of Miss Brown.

## DOUGLAS

Mr. Fred Mast and family moved to Belding Saturday where Mr. Mast has employment.

Mr. and Mrs. Bert Eaton spent several days last week in Detroit with her sister.

Mr. Herman Wicks of Flint and Mr. Carl Wicks and family of Grand Rapids spent the week-end with their parents Mr. and Mrs. Fernando Wicks.

Mrs. W. C. Craine returned home Thursday from a visit with Mr. Craine in Chicago.

Mr. George Perry and family of Bridgman spent the week-end with their daughter Mrs. Leonard Durham.

Mr. George Van Os and family of Grand Rapids spent the week-end with Mr. and Mrs. Earl Chapman.

Mr. and Mrs. Harold Landen of Kalamazoo spent the week-end with their parents Mr. and Mrs. W. Bruner.

Miss Vernice Benson of Dunningville spent the past week with her aunt Mrs. Henry Schultz.

Mr. and Mrs. Luts of Michigan City spent the week-end with Capt. and Mrs. Claude Ellis.

## ZEELAND

Mr. and Mrs. Peter Rose and Mr. and Mrs. John Rose from Muskegon, called at the home of their uncle and aunt Mr. and Mrs. G. H. Vogel at Noordeloos on Saturday afternoon.

Mr. J. C. Westrate from Holland has bought the coal business formerly owned by Charlie Diepenhorst located on 6th St. at Holland.

Rev. John Zeeuw from Noordeloos is planning on moving his family and household goods to Kalamazoo this week, where he will have charge of a new congregation at that city. His church was filled to its capacity Sunday when he delivered his farewell sermon.

Special services were held at the Noordeloos church last week Wednesday evening, which were conducted by Rev. Ahlers, and on the Sunday night previous by a Rev. Struck from Grand Rapids.

Dr. C. E. Boone left last Friday noon for Urbana where he attended the contemplated Michigan and Illinois football game on Saturday. Boone was not in his office on Friday and Saturday afternoon.

Mr. and Mrs. Ozinga were very pleasantly surprised at their home on West Main street when their children and grandchildren came to help them celebrate their 40th wedding anniversary. The children and grandchildren were Mr. and Mrs. E. Ozinga, Mrs. Martha Ozinga, Mr. and Mrs. M. Hoeksema, Mr. and Mrs. John Ozinga, Mr. and Mrs. John De Boer, Mr. and Mrs. Edward Cook, Mrs. Lena Ozinga and five grandchildren. Mr. and Mrs. Ozinga were presented with a fine gift by the family and wished many returns of this happy occasion. After having spent a social hour together and partaking of dainty refreshments, they returned to their respective homes.

The members of the Ladies' Aid Society of the First Christian Reformed church of Zeeland, accompanied by their president, Rev. M. Van Vessum enjoyed a trip to Grand Rapids where they were entertained as the guests of Mrs. A. Kampen, a former member and resident of Zeeland. A fine program was given by the ladies and a good lunch was served by Mrs. Kampen. A most pleasant time was enjoyed by all. The trip was made via the Greyhound bus line.

The meeting of the Zeeland Exchange club called Monday evening to consider boy scout movement came to definite action. It was decided to have a qualified speaker at some meeting, soon to be held, tell all there is to the movement, after which time more definite action can be taken. Whether the work already done by the public school inspectors will be discontinued in its favor has not been decided.

## NOORDELOOS

(Too late for last week)  
Last Sunday the services at the Noordeloos Christian Ref. Church were conducted by Rev. Struck of Grand Rapids. Services last Wednesday were conducted by Rev. Ohlers.

Rev. J. Zeeuw will preach his farewell sermon Sunday, Oct. 25.

The children of both rooms of the Noordeloos School are looking forward to a Halloween party next Wednesday afternoon. A short program will be rendered after which they hope to have a pleasant time by playing some interesting games and denjoying some good things to eat. The program committee of the Noordeloos P-T fathers association are busy preparing an excellent program for the next meeting which is to be held November 13.

Last Wednesday evening Mr. Herman Bultema was pleasantly surprised at his home. The occasion was his 50th birthday anniversary. Those present were the Messrs and Mesdames Gerrit Rooks, Will Rooks and daughter, Henry Van der Linde of Holland, Able J. Nienhuis, Bert Knooihuizen and Gaug' ter' of North Holland, Henry Smith and son Willard and Josephine Bultema from Grand Rapids. Mr. Bultema from Noordeloos and Mr. Gerrit Rooks from Zeeland. Dainty refreshments were served and all departed at a late hour reporting a very good time.

Clarence Van Haltsma and Miss Martha Bos were united in marriage in the presence of immediate relatives last Thursday at six o'clock. Rev. John Van Dyke performed the ceremony.

Ben Poest has purchased a new corn husker and is busy husking corn in this vicinity.

Mr. and Mrs. John Vader Velde and son Earl Junior visited with Mr. and Mrs. Albert Pyle Sunday.

Born to Mr. and Mrs. Claude Hoffman on Wednesday, October 14th, a ten pound baby girl named Isabelle. Mr. Hoffman has rented the 40 acre farm of Gus Kemme for the ensuing year.

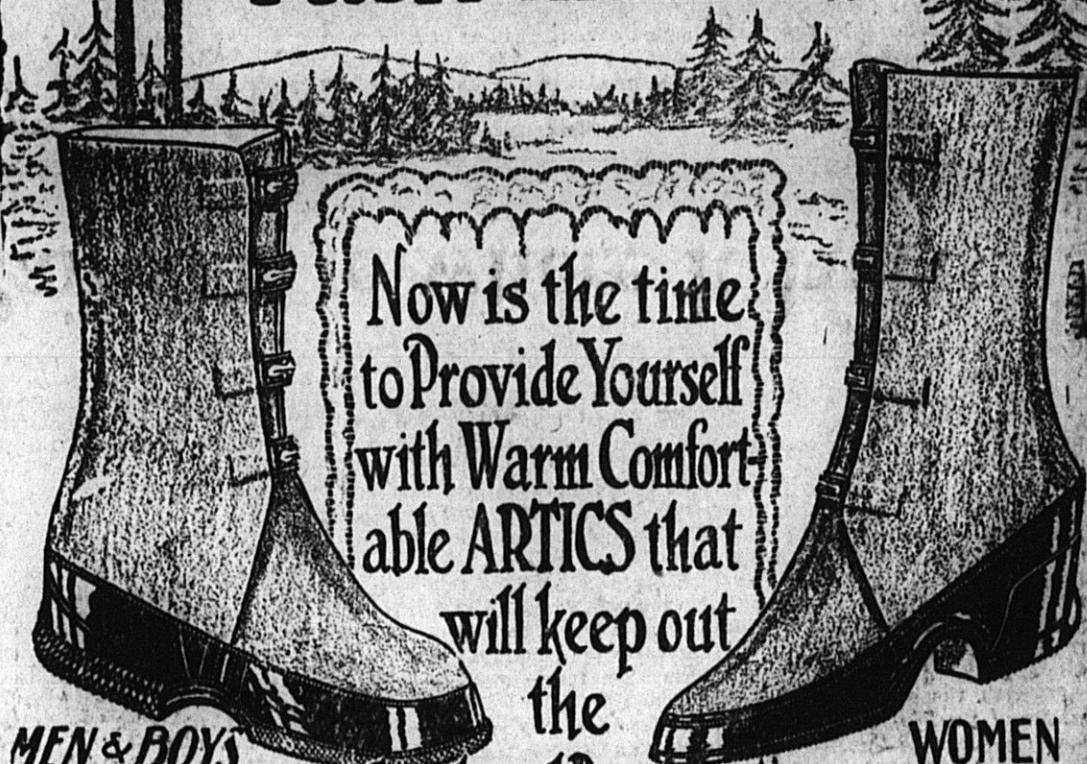

Mrs. Boertje of Beaverdam is visiting with her children, Mr. and Mrs. John Kemme.

The last job of threshing in this locality was finished this week. Mr. Henry Kuipers and George Wolterling having threshed their oats and several loads of buckwheat. So there is no reason why the people in this vicinity should not enjoy real buckwheat cakes for breakfast this winter.

Mr. Nell Bosch, after a continuous service of nearly four years has left the employ of Mr. John Kemme to work for Mr. Harry Plaggenmaars at the street paving job in Zeeland.

Mr. Hoffman has installed a new light plant in his poultry farm at Noordeloos.
