When Fair Was Located On Black Lake

**FAIR HISTORY REFLECTS WITH
INTERESTING DETAIL—31
DIRECTORS SIT DOWN
TO FISH DINNER**

**PRESIDENT HARRINGTON,
TOASTMASTER, INSISTED
EVERYONE PRESENT
TO SAY A FEW
WORDS**

The officials and directors of the Community Fair always look forward to the annual spread that never fails to materialize after a successful exhibition.

The Masonic ladies last Friday evening prepared a wonderful fish dinner and covers were laid for thirty-two at the Masonic temple, and every place was filled but one, George Cabell being the only director absent since he was compelled to go on a business trip to South Bend.

Secretary Vandebunte after reading the minutes of the preceding meeting, gave a tentative financial report which was very flattering and shows that despite bad weather conditions, the fair is not "in the red" but has a comfortable balance to fall back on.

President Harrington called on the thirty-one present to give a two minute talk each, and different phases of the fair were discussed. Judging from the many words of praise spoken, it was evident that M. J. Vandebunte, the newly elected secretary, has more than made good and his return to that office next year is a foregone conclusion.

B. A. Mulder of the News, who came as an invited guest was asked to give an historical review of Holland's first fair and the highlights as these relate to other fairs. Apparently the directors were pleased with the discourse for they resolved to have this historic resume published and have copies sent to each director.

The fair chronology follows below:

Gentlemen:

I understand that every one invited to this annual community fair dinner is supposed to say a few words, and no one is exempt.

I do not wish to impose upon your time but nevertheless I thought it rather appropriate to give a resume embracing some fair history. Time forbids to give a review covering 44 years of Holland Fair chronology, although this does not doubt bubble over with interesting details. I fear that even what I am about to give will take up more time than is allotted to me but I hope that this historic sketch will not be boring and as I will endeavor to make it as concise as possible, striking some of the high spots only: I will confine myself mostly as to how and when and where the first fair was started.

A half century ago Holland had no community gatherings and folks from the countryside were not called together for a week's session, fraternizing with the town folks, as they do now at our annual fairs.

The nearest Holland came to a fair was in the form of an old fashioned market day when farmers from far and near came to town with their best cattle and to often with their worst, and displayed them on the public streets. These cattle were tied to long ropes fastened from hitching post to hitching post.

It was a bawdy and sale and the horse trader thought it a day of great profits. Horse headquarters was on Market street, now Central avenue, mostly around the Boone, Ed. Harrington and Nibbelink livery barns.

There was a small trading center at the east end on Fish street, now Columbia avenue, at what was known as the old Haverlake livery, located where the City Garage now stands.

A Market Day always brought its aftermath in court. Saloon brawls were hourly occurrences between city toughs and Drenthe Boeren. And a bad horse trade generally brought an airing in the local courts. THIS MUCH FOR MARKET DAY.

It was this unsatisfactory way of holding intercourse with our neighbors that, finally brought the idea of a community fair to the attention of the public.

The first preliminary meeting was held in 1885, in the DeGroot wet office at the invitation of L. Mulder, my father. Dr. O. E. Yates presided at this meeting. He is well known to the older folks, having been mayor of Holland, and his home was located where the city hall now stands. Arend Visser was secretary and it was the sense of the meeting that notices be sent to prominent farmers and fruit growers calling for a meeting a week later.

A committee was appointed to get data on what constituted an agricultural association and how such an affair was to be conducted. This committee was composed of Dr. Yates, Mr. Visser, Dan Bertsch, L. Mulder, Wm. Rogers, editor of the Holland City News, and Jacob Kuite, Sr.

This public meeting, also held at the DeGroot wet office, brought 50 enthusiastic farmers and a number of local citizens. Finance then, as always, was the stickler and plans were devised to sell memberships as follows: 1 year, \$1.00; 5 years, \$5.00; 10 years, \$10.00; \$25.00 life. Each membership carried with it five tickets to the fair, and believe us these memberships were the bone of the lives of fair officials who came later, for it seemed that everyone had a membership or two and there were more dead heads filling into the grounds every year than there were paid admissions and the directors, years after the fair had been established, found they were paying for dead horse and a lot of it.

Anyway, this second meeting brought about the organization un-

KILLS RATTLESNAKE ON SCHOOL GROUNDS

Daniel Gyzzen and Gerald Vander Beek murdered a little rattlesnake on the school grounds at Hudsonville. Prof. Harkema saw it properly embalmed and immersed in a jar of denatured alcohol in the laboratory where the youngsters can have a good view of the rattlesnake. It had two rattles and a button.

Unusual Death Of Mink At Highland Park

**TRAPPING SET FOR MUSK-
RATS IN OTTAWA COUNTY
NOV. 15 TO DEC. 15**

Inquiries are coming to the county clerk, Wm. C. Wilds, and deputy game warden, Frank Solberg, relative to the new trapping law which makes it necessary for trappers to secure a special license. Previously they were allowed to trap on a hunter's license.

Licenses are on sale now at the Court House for \$1 to set 20 traps. For each additional trap up to 100, the maximum number for any one trapper is a charge of 10 cents a trap is made.

The muskrat season is from Nov. 15 to Dec. 15, which some trappers claim too early to get the rats at their best. The state furnishes metal tags for each trap and any found without tags are illegal and will be picked up by the game warden. It is unlawful to use fire arms.

Last season was a closed one. This year prospects are good for catches although the time is short. After the war, pelts sold as high as \$4. Years ago they brought 10 cents. The market has not been established for this year but the demand for this animal is heavy. The muskrat is dyed and sold as American seal and is in great demand for fur coats for women.

A beautiful mink that had been dead but a short time, and whose coat was in beautiful condition, was found on the lake shore just south of Highland Park by a local man recently. No evidence of its having been shot or killed were noticed.

Onion Smell Put Zeeland Police Wise

**TRAIL THIEVES AND SECURE
THE LOOT; OFFENDER NOW
HELD ON A \$5,000.00
BOND**

The Zeeland Record in its issue of Thursday boosts the stock of the Zeeland police force. The article indicates that our neighboring sleuths have long noses for onion smell and they don't need any "Tear-gas" to round up onion thieves for onion tears will suffice. Under the caption, "Zeeland Police Use Noses for Smelling Onions," the Record says as follows:

"Zeeland police officers pulled another pretty little piece of business last Wednesday night when Officer Fred Bosma spotted a suspicious looking touring car and incidentally jotted down the license number. The car looked suspicious because it was a touring car and was loaded to the top with onions. Fred thought it was proper to haul onions on a truck in the daytime instead of late at night by a touring car. The car kept moving and Fred was afraid so he could not get sight of the driver's face so he kept the license number for future reference.

"Not very late the next morning John A. Ver Hage called Officer Ed Ryenga and reported the loss of about seventy-five bushels of onions which he had sold to the A. La Huis Company. The day previous these onions had been prepared for hauling, all set in crates belonging to the La Huis Company. Time had been short and all the onions were not ready, so they were left to be completed the next day. When Mr. Ver Hage came there Thursday morning the onions, crates and all, were gone. Officer Bosma immediately connected the missing onions with the license number of the suspicious touring car. The records showed that this car was owned by Gerrit P. Wyngarden of Holland, and after arrangements had been made with the sheriff's department at Grand Haven, both Deputies Ryenga and Bosma went over and arrested Wyngarden. He stoutly denied any knowledge of the affair, and his wife also continuously maintained that Mr. Wyngarden had been home all that night. An examination of the car showed that it had very carefully been swept out, showing no trace whatsoever of onions. They, however, had not figured with a hole worn into one of the cushions and when Officer Ryenga inserted his hand into this hole and brought forth two plump specimens of the leak family, Wyngarden's denials fell on deaf ears. He was then taken before Justice Brusse and taken to the county jail.

"All attempts to secure a confession were fruitless until Monday, after charges had been reduced to that of receiving stolen property, when Wyngarden confessed that he had stolen the onions from the Ver Hage farm.

"While the sheriff and prosecutor were engaged in pumping their prisoner, the Zeeland police were not idle. They followed out several leads and finally located 53 crates and two barrels filled with onions in the basement of Knoll's Market at Holland, Mr. Knoll declaring that Wyngarden had rented this basement space from him. After Ryenga and Ver Hage had established their find they went directly to the sheriff's office where they were met by the information that Wyngarden had just confessed to a reduced charge, thus saving himself from a penalty much heavier. He was released on bonds of \$5,000.

"Wyngarden has been convicted on felony charges once or twice before and he will soon be liable to the penalties of the habitual criminal act, which makes it mandatory for a judge to pronounce a life imprisonment sentence."

Sunday evening Rev. C. P. Dame of Trinity Church will preach on the subject, "The Protestant Christian and His Government." In the sermon the pastor will touch upon the following practical questions: Should Protestant preachers be silent on politics? Is a Protestant who opposes a Catholic candidate a bigot? Is Protestantism intolerant? Has Protestantism been a blessing to America?

Both Tuesday and Wednesday have been confined to a short meeting in the morning. The infirmity and poor committee reported on the progress in rebuilding the county barn, destroyed by fire in August. The contract was let to the Coopersville Lumber Co. for \$7,055, the lowest bid. The equipment contract went to the Jones Mfg. Co. for \$1,492.25. The new barn will be T shaped, 32 by 40 and 40 by 80. A silo will be constructed costing \$672.50. Insurance on the old barn and stock amounted to \$8,000. The building will be completed by Dec. 1.

Wm. Connelly extended an invitation to the board to drive over the new Grand Haven Beach Road north of Grand River. This was accepted and the excursion will take place Thursday in a Greyhound bus. At the suggestion of the supervisors the tour will include the scenic drive in Muskegon County.

A communication asked a fixed salary for Daniel F. Pagelson, recently appointed a friend of the Court by prosecuting attorney C. C. Lokker and Judge O. S. Cross. The duties of this officer are to enforce delinquent payments decreed by the Circuit Court for the support and education of dependent minor children when parents have been divorced.

The soldiers relief report signed by C. N. Dickinson of Grand Haven, J. Henry Van Lente of Holland, and A. E. Stickley of Coopersville, showed disbursements of \$402.63 during the year. They ask for \$800 for the coming year.

All Set For U. S. Army Band Concert

**PARADE WILL BE FEATURE
WHEN BAND ARRIVES
TUESDAY**

Members of Willard G. Leenhouts Post, American Legion, surely deserve your support to put over successfully the staging of the U. S. Army Band concert at Carnegie Hall next Tuesday.

The boys have been untiring in their efforts and it is a big undertaking, and what is more, the proceeds, if there are any left, always go to some meritorious cause. Tickets are being reserved at John J. Rutgers store, West 8th St., now, and from all appearances, rain or shine, the concert will go over big.

This band was founded by General Pershing and went on a tour in United States and France, authorized by an act of congress. It is the nation's best and Holland is the first place in Michigan where it is to play.

The local legion, the Sea Scouts and possibly the Boy Scouts, are to meet the band at the Pere Marquette depot when they arrive on that day, and headed by the Holland High School band, a parade will be formed and going over Ninth St. to Central Avenue to Warm Friend Tavern.

Holland has not forgotten the U. S. Navy band of last year, and they are not going to miss the program this year when the Army Band, a larger organization, comes to this city. The band is under the direction of ranking officer, Stannard.

In the afternoon a concert is to be given for the children and in the evening of that day for the grown-ups. The Legion is being backed by the Holland Chamber of Commerce and they deserve the backing of every local citizen.

RECOVER BODY MEADE SAILOR

The tragic death in Lake Michigan of Arthur Shepherd, sailor on the U. S. dredge General Meade out of Grand Haven, was noted in services of the Elks' Lodge this week and a committee was appointed to draft resolutions in his memory.

Yesterday came news from Manistee that the body had been recovered over a week after he was lost from a small boat Oct. 1 while setting range lights near Portage Lake.

After serving the Superior Poultry Farm, Incorporated at Zeeland for the past three years as manager, C. J. De Koster resigned the position to accept the position as distributor for the Wayne Feed Company of Port Wayne, Ind., and he began work for this company this week. He has not at this time been allotted any definite territory, but he will probably have charge of all sales in one state.

Mr. De Koster has been manager of Superior Poultry Farm, Inc., since its organization in July, 1925. He is well known in Holland, having been identified with many of the poultry shows at both Holland and Zeeland.

Scientific temperance instruction as applied to schools, with contests planned for essays to be written by the fifth and sixth grades and the junior and senior high schools, will be fully explained by Mrs. Alice Van Ark of the Holland union.

Rev. John Bruggers of Coopersville, former pastor of the 6th Reformed church here, was called home from the synodical conference Thursday afternoon because of an accident to his wife. Mrs. Bruggers was putting up some curtains, and fell, breaking her left wrist. Rev. Bruggers took her to Grand Rapids where the fracture was set and an X-ray picture taken.

Mayor Ernest Brooks, Henry Becksoff and Fred T. Miles were in Grand Haven Thursday on business.

Mrs. Bert Cramer, 197 W. 14th is a guest of her mother, Mrs. J. Deur of Fremont.

Miss Ruth Mulder, 79 W. 15th street, was the guest of Mr. and Mrs. John Van Landegast at Muskegon for the past week.

Mr. and Mrs. W. A. Van Syckle of West 12th street have returned from a several weeks' motor trip through the east and Canada.

Encouraging reports have been received from Wynand Wichers, who has been confined to the Holland hospital for nearly four weeks for treatment.

The half-million tulip bulbs have been shipped from New York City and will arrive here in a few days. The bulbs are principally Darwin, in different colors and will bloom the latter part of May. Many bulbs have been purchased and those who want bulbs at the special wholesale price and have not ordered them may see John Arendshorst, Andrew Klompers, Dick Boter, or George Damson. These must be seen in person as no phone orders will be taken. John Van Braght, Park Superintendent, has already arranged for tulip beds in Centennial Park. The Legion and also the Lions Club will help in the planting. Instruction will be given to those buying bulbs, and ideas for laying out the beds.

HOLLAND FIRE 57 YEARS AGO TUESDAY

It was 57 years ago Tuesday that Holland was laid in ashes when a fierce forest fire was swept into the city by heavy winds. At least one-half of the town was burned and one old lady living alone on Maple street, near 10th, perished at that time. The anniversary of Holland's fire falls due simultaneously with the Chicago fire, which took the lives of many and wiped out millions in property, including the entire business and harbor districts. A cow kicking over a lantern at milking time caused the terrible disaster at Chicago. Do you want to remember the date of the Holland fire for future reference? It was on Oct. 9, 1871.

Zeeland Wants More Farmer Trade Is Claimed

**SAYS BAD ROADS LOST THE
OVERISEL-HAMILTON
TRADE**

The Zeeland Exchange Club has invited as its guests for next Monday's meeting, the road commissioners of Ottawa, Allegan, and Kent counties. The purpose is to discuss road projects planned for this locality and to obtain more co-operation in the routing of these roads.

The Exchange Club wishes to especially show Zeeland's appreciation of the Allegan road commission's act in completing the splendid new road linking Zeeland with Overisel. This also makes a continuous good road now available direct from here, through Overisel and Hamilton, to Allegan. In order to make this trip before, on account of the bad road conditions, it was necessary to go around by the way of Holland. It is also felt that Zeeland has for a number of years been going without a lot of farmer trade from the Overisel district on account of the bad stretch of road between the two towns.—Zeeland Record.

TWO FUNERAL SERVICES HELD SIMULTANEOUSLY

Two funeral services were held simultaneously Wednesday afternoon for Albert H. Bosch, Jamestown banker, in the Christian Reformed church at Zutphen. The main service was in charge of Rev. G. Timmer of Jamestown, and was in English, while Rev. H. Keegstra of Holland conducted the Dutch service. Rev. William Van Peursem of Zeeland spoke on behalf of the Zutphen congregation, of which Bosch had been an active member and officer for several years.

Two young men, G. Schrotenboer and John Boes of Zeeland have purchased the John Bouws dairy of that city. For the present they will continue the bottling works at the Bouws farm but will later move it to Zeeland.

BEN BROUWER PLANS 6TH ANNUAL APPLE SHOW

For the past six years the Peoples State Bank of Holland have been putting on an apple show in the lobby of that bank and this year is no exception.

Ben Brouwer, as usual is in charge and the new bank of the show will be put on to even better advantage.

The premium list is out and premiums ranging from \$2.00, first; \$1.50 second; \$1.00 third; according to varieties. This holds true in the standard varieties while in the commercial varieties the premiums are \$1.50 first; \$1.00 second and 50c third. There is also a miscellaneous variety.

It is expected that 52 varieties will be entered, ranging from Brother Jonathan's, Golden Russets, to Wolf Rivers and Winesaps. There are also King David's, not the long haired gentlemen from Benton Harbor.

Anyway the exhibit will be larger and more varied than the Peoples State Bank from Nov. 12th to 17th and will have more the appearance of a commission house than a banking institution.

The public naturally is welcome whether a patron of the bank or not. It is indeed an interesting show and one is surprised at the delicious clean fruit that is grown right at our very door.

Rev. A. Keizer of Holland will conduct the morning and afternoon services next Sunday in the Christian Reformed church at Drenthe. The evening services will be in charge of the regular pastor.

Coach Bud Hinga is driving his squad hard for the Holland-Creston battle to be staged here Saturday, the first meet between the two teams on the gridiron. Holland is expecting a hard battle, but the squad is working intensively and hopes to gain a victory. The men have taken on new spirit and their drawn battle with Benton Harbor last week and Capt. Tanis is hitting his real stride. Coach Hinga has some fine players in Tanis, Japinga, Tyse, Bonnett, Korstanje, Nettinga, Van Zanden and Damson.—Grand Rapids Press.

Approximately 100 cups and silver trophies are to be awarded in the various departments. Lectures and moving pictures are on the program each day of the festival. The grounds are open from 10 a. m. to 11 o'clock in the evening of the four days of the show, which closes Saturday night.

Holland, Zeeland, Grand Haven, in fact all of Ottawa and Allegan county citizens should show their interest by driving up to the fair grounds and viewing this wonderful exhibition. You cannot realize its magnitude unless you see it.

Judge W. C. Young of Dayton, O., and Judge W. H. Lapp, secretary of the Poultry Research Society of America, arrived today to help finish the judging of birds.

SOME COMMON TARIFF FACTS

The protective tariff is the basis on which the prosperity of our farmers and industrial workers largely depends. It stands between our standards of wages and living and cheap foreign labor production. It should be common knowledge that practically everything the farmer uses is sold him in a free trade market. Practically everything of importance which he raises he sells in a protected market. American farmers sell the bulk of their produce at home. If we did away with the tariff and allowed the American manufacturing market to be crippled by cheap labor, foreign production, it would mean unemployment or low wages and poor living conditions for millions of our industrial workers. This would restrict the great home farm market and farmers would be offering to sell to those who were short of money to buy. A reasonable tariff is our insurance for still greater industrial and agricultural growth, which means national solidity, prosperity and contentment.

WHITE SHEEP AND BLACK

The Democratic party publishes a little book to prove that "Republican prosperity is a myth." It says most of the business depression in United States history has occurred while the Republicans were in power. That reminds you of the question, "Why do white sheep eat more than black sheep?" The answer is, "Because there are more white sheep." The Republicans have been in power nearly all the time.

What is the use of issuing a book calling prosperity a myth when the owners of 24,000,000 automobiles and the millions of men earning double what they earned a few years ago know the statement to be UNTRUE?

The difficult job of the Democratic party this year is to fight successfully GENUINE PROSPERITY and the Coolidge plurality of 7,000,000.

Instead of preaching hard times, Democrats should promise to make this PROSPEROUS country MORE prosperous.

That would be intelligent politics.—Chicago American.

"WHITE SISTER" & "WINGS" TWO THEATRE OFFERINGS

The offerings at the local theatres are unusual and varied during next week.

Lillian Gish's triumphant success, "The White Sister," an inspirational production for Metro-Goldwyn-Mayer comes to the Holland Theatre on October 17-18-19 in a gala revival.

"The White Sister" was made in Italy with the co-operation of the Italian government. It has been characterized as one of the most beautiful films ever screened.

In addition to the superb acting of Miss Gish, who plays the role in which Viola Allen starred so successfully on the speaking stage, "The White Sister" has many thrilling and spectacular scenes. The eruption of Mt. Vesuvius supplies the climax for this powerful picture.

A picture of aviators made by aviators. This is "Wings," Paramount's wartime epic of the air at the Colonial theatre on October 15-19.

The story came from the pen of John Monk Saunders, an instructor in the United States Air corps during the war. It was directed by William Wellman, who served with the Lafayette Squadron.

The greatest compliment ever given to a motion picture company by the war department has been bestowed upon Paramount for its war epic of the air "Wings."

A memorial to cost \$100,000 and dedicated to the famous Second Division will be erected in Washington. Because of their accuracy, still pictures from the photoplay are to be used as models in constructing the huge memorial.

Paramount constructed an exact duplicate of a sector of St. Michel in order to obtain the spectacular battle shots which climax "Wings" and these so impressed war department officials that they asked permission of Jesse L. Lasky to model from the stills.

BUS TO PARK RUNNING ON WINTER SCHEDULE

The busses to Macatawa Park and back are running on winter schedule, and have been for some time. The changes from the summer schedule were not great in most instances except in some of the early morning and evening buses.

Busses now leave the Tower Clock for the park at 5:45, 7:00, 8:15, 11, 12, 2:00, 3:00, 4:00, 5:10, 6:10, and 10:00 P. M.

Busses leave the park for the city at 6:10, 7:25, 8:40, 11:30 A. M. and 12:30, 1:30, 2:30, 3:30, 4:30, 5:40, 6:40, and 10:30 P. M.

The first two busses from the park each morning run on to the north side to accommodate those who work there.

The mothers and teachers of the First Reformed church primary department met Tuesday evening and two selections were sung by a quartette composed of Mrs. Alyda Wernhuis and the Misses Jennie Vries, Willem Vande Bunte and Alida Vande Werf and Mrs. Edith Walwood and Miss Jennette West-

For once, the weather bureau admits that the popular impression of the weather has been correct. It reports that the temperature in September was below normal.

A local young bride called up the meat market yesterday for some vitamins without the liver, not caring a great deal for liver.

Says John Vander Ploeg, the Shady Lawn man: "If a chrysanthemum is a Mum and a gladiolus is a Glad, we naturally expect a pansy's nickname to be Panta."

A Holland Exchangeite burst forth: "That man Spencer sure raised Hell with Smith." Yes, there were a few burning remarks.

Diekema will conduct his Michigan campaign this fall as Apostle Paul would. The doubting Republican Thomases will then surely see the light.

The ideal of connecting Holland up with natural gas, it appears, has already been asphyxiated.

A cross wire message intended for a Holland beauty shoppy: "I want my hair shingled and my face plastered." Ordering feminine building material, possibly.

Even if the schoolboy is a little lame on historic dates, he can generally run off the football schedule of the varsity, to say nothing of the schedules of Holland High and Hope College.

POULTRY SHOW AT FAIRGROUNDS TONIGHT

The first annual festival of the Greater Ottawa County Poultry association, which opened Wednesday at the Holland fairground and will be featured with a four-act play, typifying the successful management of poultry on Friday evening and will open to the public. It will show how pure bred birds are maintained how poor layers are culled, comfortable housing, well-balanced rations, and records on feeds making the greatest profit.

APPROPRIATION FOR CEMETERY ROAD MADE

At the October session of the board of supervisors the annual road budget was reduced from \$100,000 to \$89,500. Included in the budget is \$20,000 for nearly a mile of pavement east on 16th street extending beyond the fairgrounds and Holland's cemetery property to and including the airport. The reduction was made since the county had to rebuild the large barns that were recently burned at the county poor farm.

The present form of road maintenance was adopted in 1911 when the assessed valuation was \$26,000,000. Since then it has increased to \$61,002,824, or approximately 135 per cent. The bonded indebtedness in 1911 was \$600,000 and this year is \$498,000, with \$50,000 in the sinking fund to apply on this total.

The mileage in 1911 was 206 miles as against 253.1 miles of which 166.6 is county road and 86.5 miles state road. 30 miles of the county road is paved with concrete and the remainder, 136.6 miles, is graveled.

The first assessment district project was begun in 1917, and since then 10 projects involving 36 miles of paving has been undertaken with bonds outstanding of \$611,209.70.

A nursery of 10,000 trees is maintained, by the county, for planting along the roadside. The county has also invested about \$150,000 in equipment and buildings.

BURLINGTON TIMES COMMENTS AS FOLLOWS ON THE BAND

The American Legion rendered a great service to Burlington by its presentation of the United States Army Band yesterday afternoon and evening at the Memorial auditorium.

The city takes a tremendous interest in bands, several local ones being successful. The musicians received an enthusiastic ovation. They deserve a hearty welcome and applause. Some of the selections played sent thrills, that come once in a life-time, down the spines of the fortunate listeners. A good band is both exulting and exalting and makes, for the time being, every man a patriot.

To hear such band as the United States Army Band is an education and in inspiration. Thanks are again extended to the American Legion.—Burlington Times.

The Fennville Fruit exchange has started its run of Greening apples, the first of the fall and winter apples being packed this year. McIntosh apples, one of the best eating apples raised in Michigan, will be in line for packing, the latter part of this week, and will be a good crop here.

A class reunion of a class in the old Laketown school of long ago was held yesterday at the home of Mrs. George Klomparsen, 204 West 13th street. The party included: Mrs. John Spyker of Grand Rapids, Mrs. John De Weerd of Central Park, Mrs. John Klomparsen and Mrs. Edward Reimink of Graafschap, Mrs. John Van Zanten of Holland, and the hostess, Mrs. George Klomparsen of Holland.

The Woman's Bible class of the First Methodist church of which Mrs. Fred T. Miles is teacher, met at the church Tuesday afternoon. Mrs. Atwood presided at the meeting, devotionals led by Mrs. E. Markham, and refreshments were served by Mrs. Brightwell's committee.

When Fair Was Located On Black Lake

(Continued from page 1)

course of an hour, going fairward. You will notice that all through the News scribe wrote in multiples of sixes.

Meyer and Brouwer, furniture and music dealers, were exhibitors in the art hall, and Al Meyers and his music house has not missed a Holland Fair in all these 44 years. Mr. Brouwer is the founder of the James A. Brouwer Furniture Store. The News also spoke of the Cappon-Bertsch Leather Company having a display of all its leather products.

Holland having no band, the Otsego band, considered the best in Western Michigan, furnished the music at the first fair.

D. J. Dornink, a book dealer of Grand Rapids, entered an old Dutch bible as an exhibit among the antiques, this book being 349 years old and still lives even though its former owner has passed on.

It appeared also that the first year premium money was hard to pay for Secretary Visscher sent out notices as follows: "That all premium holders who intended not to donate them to the fair association must call at the office Saturday, or forego payment."

Apparently Attorney Van Duren, as a youngster, was a poultry fancier for in the list of premiums it is stated that Artie Van Duren had won first premium on guinea fowls, and Willie Kremers, oldest son of the late doctor, second on rabbits.

J. H. Boone received first premium on the best span of horses, Charles W. Fairbanks on lambs, Ben Van Raalte, Sr., on heifers, Wilbert Harrington on sweet corn, George Souter on celery and beans, H. J. Klomparsen on buckwheat, Jacob Kuite on the fatted calf, and E. Boone of Zeeland on the best two-year old bull, John Schepers of Overisel pulled down the first on two-year stallion, John Wabeke of North Holland the best bushel of peas, John A. Kooyers the second display of vegetables, Ben Van Raalte the best exhibit of farm implements, and Miss Kitty Doeburg the finest painting on velvet, also Jennie Kanter's, sofa pillow; Mrs. Geo. Sipp, pillow sham; Mrs. Gerrit Van Schelven, rich-rack work.

These are only a few picked at random from several printed columns.

The fair was conducted at the west end for five years, and moved to the present location thirty-nine years ago.

THAT MUCH FOR THE FIRST ANNUAL FAIR. However, there are a few memories and features appealing to a young mind that I would like to add to this review, at least these things appealed to me at that time.

Holland was more of a race horse town then than now. That is to say in so far as local horses are concerned. Practically all of the racing was done by horse flesh from local stables and these horses were recognized the country over. The first great horses were Turk and Montague Boy, owned by Dr. Bill Van Patten. The doctor's stables were located on west 8th street, where the old West Michigan Laundry now stands.

In competition to these horses was Roy owned by Tony DeKruif and a Mr. Caten of Zeeland. A homely beast was Roy with a head like a chestnut but oh! how that horse could go! And what a rivalry there was between Zeeland and Holland! Then there was Maggie B owned by the Boone's and apparently there was a horse by the name of Nibbelink's Black for the tail end of a song at that time went something like this "For Nibbelink's Black will sweep the track, Just wait'll the clouds roll by, Stockyard Billy, a gray from Muskogon was also a contender for honors at the earlier fairs. A fellow by the name of Tom Moran was considered the star jockey at the Holland Fair and other race meets here. He was the king-bee at the stables.

Turk was first owned by Sheriff John Vaupell who sold the racer to Doc Van Patten. For a number of years, the horse was owned by A. C. Van Raalte, now living on East 16th street and was shipped to Florida some 20 years ago where it died. Other horses racing here were: Luther B. and Midget of Allegan, Nellie M., Steve, Monroe's horse of Grand Haven and Butcher Boy of Muskegon.

Holland's best and later horse, of course, was McKinley owned by H. Boone and driven by Doc and John Boone. This horse was known the world over and I believe the best time made by this gelding was at Reesville, 2:07 1/4. This Holland product raced the nation's largest Circuits and established Holland's claim to being a race horse town.

Doc Boone corrects me in this, stating the best time was made the week following the Reesville race, when McKinley turned the mile at 2:06 1/4 at Providence, R. I. McKinley died 17 years ago, he states.

THAT MUCH FOR RACING.

I remember too that the Holland City News placed a job press on exhibition in the art hall thirty-nine years ago and the merchants kept the press busy printing hand bills for distribution at the fair.

I also recollect that A. Westerhof, the old milk peddler, who had his vegetable gardens in the fork on River avenue, where the Christian High School now stands, always won first premium on his vegetables.

I remember that Arthur Baumgartel formerly of this city put on a display of stuffed birds that was the wonder of the entire countryside. These are now in the Hope College museum.

Also that Jan Albers, Holland's first clock maker, showed a mechanical clock with weather indicators and pictured the moon, quarter, half or full, according to the periods. There also were mechanical figures doing stunts. This clock was especially appealing to me although I became merely a poor newspaper man rather than a good clock maker.

News as follows: "The Pioneers Department was a success as far as it extended. The log house was constantly filled with curious spectators. Many relics of 'Ye Olden Days' were displayed. There were old pictures, old books, farming tools of the crudest make, kitchen utensils, household articles such as old tea kettles, flatirons, chairs, spinning wheels, fire tongs, tobacco boxes, candle holders and candle molds, old cradles and many more things to numerous to mention. The old pioneer, Teunis Keppel, was in charge and when we called he was busy preparing a Dutch meal consisting of 'spek', beans, potatoes, and black Dutch rye bread. The log house as a whole, was very unique as well as antique."

Other features that stand out in my memory were a few of the special attractions, and let me say these were few. One in particular was a slack wire performance put on by Bill De Boe, son of the late Captain De Boe. The family lived on west 11th street, on what is now City Hall property. Bill put on quite a stunt and later became prominent in vaudeville, playing in the large circuits. He later married a lady wire walker and the pair did the Holland fair for four or five years. Bill received his first inspiration performing in a back lot pin shoot put on by the boys of our neighborhood.

There was also a bicycle race. There were only two bikes in town, one owned by John Cappon and the other by Casey Vander Heuvel. Not like the bikes of today, but the high step-ladder kind with the big wheel in front and the small wheel behind and shaped much like a kangaroo. Anyway, John was the fastest rider and Casey could do the most stunts. This surely was an interesting feature to the youngsters.

I would be telling an untruth if I said that those fair trips, posting bills advertising the fair, had slipped my memory. That would be impossible, except possibly the morning after the night before. Those were popular trips. No autos in those days but three seated rig well loaded with chicken salad, paste pills, brushes, and other things, especially other things. The trip started at six o'clock in the morning and wound up at midnight. But the fair was well advertised wherever the gang went, and the posters were put up fairly straight especially early in the morning. The official song of the day was dedicated to the president of the association and believe me we would sing it in fact the bill poster's quartet rendering it better and better as the day advanced. The song was entitled "Fingers and Toes" and ran something like this—

"I'd rather have fingers and toes, I'd rather have eyes and a nose, I'd rather have hair on the top of my head, Than to go where the Wurtzberger flows."

As Dr. Nykerk would say, "Not very classical." Rather silly today I feel but a Holland Fair memory just the same.

More seriously, my mind goes back to the late Dr. Vandenberg of North Holland, a quiet unassuming director, but a hard worker nevertheless, always ably assisted by his estimable wife, and Mike Bos, a strict but just gate man, who never allowed them to slip by. And the lovable Otto Schaap of Zeeland, who was our president for a number of years. How could one forget the late John Murry, who for nearly a quarter of a century officiated as time-keeper in the judges' stand at the track?

A great epoch in the history of the fair was sixteen years ago. This was when Abe Stephan was secretary and when Holland's friend George Getz took a special interest in the exhibition, built a building in which he housed his "zoo" and also his horticultural display. George put on the first camel race ever seen in Michigan, and surely these "ships of the desert" brought a tremendous crowd into the grandstand. Mr. Getz also helped to finance the Community Fair's first real big art hall.

The first airplane attraction was put on 15 years ago by a Mr. Weeks and the plane sure was a crude looking machine as pictured in the News at that time. There were several balloon ascensions at different times; good, bad and indifferent.

The governors I remember who visited the fair were John T. Rich, Cyrus G. Luce (the farmer governor), Edwin D. Winans (Michigan's first Democratic governor), Hazen S. Pingree, Alex J. Groesbeck and Fred W. Green.

Although I have never been an official of the fair, and this is not a lightning rod remember, I have played around the edges at different times, helping to collect concession money, announcing free attractions, taking charge of the bands, and also had a hand in the publicity.

And, by the way, on several occasions we brought the old Holland Drum Corps to the fair and our pay consisted of a concession stand. When business was dull the drum and fife was started on the inside of the stand and the coffee and sandwich trade soon perked up again.

The Community Fair has never had a fire, nor were there ever any fatal accidents. The most dangerous accident occurred three years ago when Johnny Moll, the driver, was kicked in the head by his horse, the accident occurring in front of the grandstand. The popular driver was laid up for nearly six months.

The secretaries I remember most vividly are A. Visscher, John Kirkoff, Nick Whelan, A. Bosman, William Orr, Abe Stephan, Ed Brouwer, Geo. Van Duren and John Arendshorst. And who could forget our genial Mr. Vande Bunte now at the helm.

If I ever become old and gray, I will never forget Captain Harrington and his proverbial cane, and Ben Brouwer, our faithful treasurer.

It seems that the fair would not be complete if the old gentleman Koiker was not identified in some way. His services have been augmented by the services of his son, John. This family has always been closely connected with the organization.

connected with this fair but time forbids to mention them all. Not alone are these found in Holland but in Zeeland and other places as well.

These men and the directors of today are live wires. The success and continued growth of the Community Fair bears this out.

I take real pleasure in mentioning these names—Austin Harrington, Martin C. Ver Hage, Benjamin Brouwer, M. J. VandeBunte, Andrew Klomparsen, John Fris, Abel Postma, John Van Tatenhove, Gerrit Yntema, John Arendshorst, James Nibbelink, G. J. Deur, D. F. Boonstra, Henry Harrington, Ted Moerdyke, Wm. C. Vanden Berg, Marinus Van Zoeren, Gerrit Du Mez, George Cable, C. P. Milham, H. Kooiker, John Kooiker and Jacob Lokker, members of our present board of directors.

In closing, I wish to thank Capt. Harrington, Bill Vanden Berg, John Van Tatenhove in fact all of you for the many kind words said in my behalf. I feel that you are overestimating my part as a fair booster and the praise should be scattered mutually.

You ask me why I take an interest in the fair? It is one of the many community benefits and a place where one can serve. Service is one of the debts we owe this wonderful Holland. We are all indebted to it.

I believe that service, is doing something constructive that you are not asked to do. I believe that courtesy and service go hand in hand. Courtesy opens many doors, service keeps them open.

WAUKAZOO

Death came to Mrs. Fred Van Wieren early Sunday morning, at the Holland Hospital, after she had submitted to a serious operation. Mrs. Van Wieren was fifty-one years old and lived at Waukazoo. The funeral took place Tuesday afternoon, relatives gathered at the home at 1:30 and the friends and neighbors gathered at the church—Christian Reformed church at 2 o'clock. SEVERE CASES MADE

Easy by the X-Ray

WHEN a severe case is brought to me, a case that without the X-Ray would seem hopeless, it is possible to get good results after making an X-Ray plate photograph of the un-
seen condition of the spine.

Usually after an X-Ray has been taken, there is a rapid change for the better in evidence. All the organs of the body are dependent for health and nerve tone upon the spinal condition and that is the reason why chiropractic spinal adjustments are correcting diseases of the eyes, ears, throat, lungs, stomach, liver, heart, kidneys, bowels and lower organs.

NORTH HOLLAND

Mrs. Harry Boerman recently celebrated her twenty-fourth birthday anniversary at the home of her parents, Mr. and Mrs. Jake Boeve. The guests participating in the happy affair included: Mr. and Mrs. Gerit Boeve and children, Teunis Plaggenmars, Mr. and Mrs. Frank De Young and daughter, Mr. and Mrs. Jacob Boeve and children, and Mr. and Mrs. Harry Boerman and daughter. The honoree received numerous gifts by which to remember the day. A luncheon was served the guests before they departed for home.

Harold Bosch, 21, son of Jacob Bosch of North Holland, accidentally was shot in the head Monday afternoon, the bullet striking a bone near the temple. Bosch had shot some pigeons Saturday and went out into the barnyard to kill another. He stumbled and fell, the muzzle of the rifle pointing toward his head. Medical aid was summoned and the bullet was extracted. Indications point to his recovery.

Mrs. Ray Knooihuizen, Mrs. George Nienhuis, Mrs. John Nienhuis and Mrs. A. J. Bosman attended the Woman's Mission Conference in Grand Rapids Friday.

In a game of prisoners goal, the teams of Noordloos and North Holland school each won a game.

The Ralph Veenhoven family attended the wedding of a niece in Allendale, Thursday.

Mrs. A. Bosman attended the wedding of her niece, Gertrude Brower last week.

HAMILTON

Real estate business in this community seems to be flourishing. A few days ago, John Joosbeems bought the Henry Brower property in the south end and has already started improvements. John Brink the lumber man, is building a splendid home on the lots which he recently purchased. Last week, Harry Lampen closed a deal by which he becomes the owner of the lots lying south of the Henry Nyenhuis store. He intends to put up a large building which will be used in connection with his hardware and implement store. Harry has been very successful in his business and finds present quarters too small.

Mrs. Wm. Ten Brink and daughter Julia spent the past week-end with relatives in Holland.

Several of the local ladies were in Grand Rapids last Friday attending the Women's Missionary Conference which was held in the Bethel Reformed Church in that city. Mrs. John Kronmeyer, Mrs. John Brink, Mrs. J. A. Roggen and Henrietta Huijzena were the delegates of the First Church, while Mrs. Lee Slotman, Mrs. H. J. Porter and Mrs. John Illig sent by the American Reformed church.

Mr. and Mrs. Wm. Borgman, Mr. and Mrs. J. J. Borgman and Mrs. Thomas of Kalamazoo were the guests of Mrs. Nellie Borgman last Sunday. Ben Koolker, Hamilton's genial

and popular milkman, has put up another silo on his farm in order to give his patrons even more efficient service than he has done in the past. Ben can perhaps claim a record of putting up and filling a silo in as much as he bought the silo on Monday morning and on Friday the silo had not only been completed, but filled as well.

Mr. and Mrs. Andrew Lohman and Mrs. Jacob Schaap motored to Lansing last week.

Mrs. Merle Hutchinson and children of Detroit were week end guests at the H. M. Slotman home.

Dorothy Knoll of Holland is visiting Mr. and Mrs. Jack Nieboer for several days.

Mr. and Mrs. Fred Mason went to Goebel last week to attend the 15th wedding anniversary of Mr. and Mrs. Chas. Lewman.

Mrs. Ben Bouman is compelled to remain at home as a result of a sprained knee.

Mr. and Mrs. John Brink motored to Grand Rapids Monday on business.

Mrs. Lee Slotman spent Saturday and Sunday at the home of Mr. and Mrs. C. Rose at Grand Rapids.

Gerald Hagelskamp is sporting a new Ford roadster. We notice several of the folks now go to Holland via the town line.

Mr. and Mrs. Harold Michershuizen were guests of Mr. and Mrs. Garret Sale last Sunday.

Jacob Eding is finding it harder to keep the law of supply than the law of demand. Last Saturday, he received three more orders for new Fordas. After L. F. Haailey had driven away with the last car on hand.

Mrs. Bredaway of Pine Creek visited at the home of Geo. Kolean last week Thursday.

Mr. and Mrs. Geo. Schutmaat and son, Wayne, and Mrs. M. A. Hoff returned Friday from a month's visit in Florida and southern states. On their way south they visited the Lincoln Memorial, the Mammoth cave in Kentucky, Mt. Lookout at Chattanooga, Tenn. From there they drove to Daytona Beach, St. Augustine and spent several days at Sarasota. Fortunately the storm was past when they arrived. They found a great number of trees obstructing the highways. In Orlando and Sanford, considerable damage was done to crops such as celery and citrus and communities were without electricity. Property damage in general in the places which they visited was not large. George said that the weather was "uncomfortably warm" and quite rainy.

CITES MOSES' TABERNACLE IN BAZAR BAN

FORMER HOLLAND PASTOR SAYS CROSS AND RUMMAGE SALES FAIL TO MIX IN CHRISTIANITY

Because he can find no place in the scriptures where the cross and a rummage sale mix to the advancement of Christianity, Rev. A. H. Waalkes, pastor of the Garfield Park Reformed church, Grand Rapids, a former Holland minister, urges his congregation to maintain itself without engaging in commercial ventures. If his request causes embarrassment he offers to resign.

Rev. Waalkes pointed out to his flock that Moses, Bezalel and Aholiab raised funds for the tabernacle in the wilderness without selling tickets for manna suppers, without holding rummage sales and without engaging in bazaars and other activities now used for church promotion and encouragement of social life.

The pastor, further explaining his position, said, "the root of evil in church fairs and all commercial methods of obtaining money for the Lord's work is that they defraud the people of a blessing that God wants to give and that can come only from faith-filled, free-will offerings."

THIEVES ENTER SCHOOL STORES IN ALLEGAN; TAKE GOODS AND MONEY

Four neighborhood grocery stores and the high school building at Allegan were entered by robbers last night or early this morning and between \$25 and \$50 was taken from each of the stores. Sheriff Ben Lugten and deputies are investigating. The stores were those of Arthur Hare on Ely St., the Garlock grocery on Paw Paw hill and the Oakwood grocery near the cemetery. Coach A. John Damoth's desk in the high school was broken into, but nothing was taken. Small change in the cash drawers and merchandise was the loot from the grocery stores.

He had his dearest wish granted when he became one of Holland High faculty members. "Our high school is the best in the state," says Mr. Holkeboer, and he is going to do his level best to keep it so.

Mr. and Mrs. James Ryder celebrated their tin wedding on Saturday evening. The Phoenix Hotel presented a lively scene and the guests were kept up until a very late hour. Mr. Ryder's popularity as a landlord is still on the increase. Note: The hotel in question was located between Eighth and Ninth streets at Lincoln Ave. It was a large frame building, 3 stories, and served mostly railroad men. After Mr. Ryder's death Mrs. Ryder conducted the hotel, later taking charge of Hotel Macatawa and for a time Hotel Holland. She was nationally known as an innkeeper.

The schooner Wm. Bates, owned by Capt. John Thompson, of Holland, was wrecked one mile north of Holland Harbor. On Sunday morning the wind was blowing a gale while the schooner was still 40 miles from the port. The vessel was running under double reefed canvas when the schooner sprang a terrible leak under her bow; filled within a few minutes, capsized, rolled the mainmast overboard, lost her yawl, dumped her deckload and then righted herself again. She hit with her nose so deep in the water that it was necessary to let her anchor run out, which lightened her a little. The ship drifted ashore with the men clinging to the rigging where they remained for eight hours and were taken off by small boats, in terrible condition. The vessel went to pieces on the beach but part of the load of oak lumber belonging to E. J. Harrington and Pete Pfantstiel came ashore and was salvaged. The boat carried no insurance.

CHANGE DATE OF HOLLAND MEETING

The all-state meeting of the Michigan Conservation Congress will be held at Holland next week, October 15 and 16, instead of this week on the 9 and 10, as previously announced, according to Fred Rhea, president of the Holland Fish and Game Protective Association, host for the Michigan delegates. Mr. Rhea explained that the committee on arrangements was not able to complete all the necessary details for the original dates and, therefore, the advance was made.

A new automobile license was also on the cards in October, 1903. Owners were required to place their initials on the "lamps" of their machines and they objected. Most of them were willing to place their initials on the body of the car, but not on the lights. One owner, who had driven in New York, pointed out that there numbers and initials were placed on a board fastened to the rear of the machine at the bottom, and he proposed this innovation for Michigan.

Some of these so-called diamonds are as large as dove's eggs.

Jamestown Banker Drops Dead Friday

ALBERT H. BOSCH WAS ONE OF LEADING RESIDENTS OF OTTAWA COUNTY

The many friends and relatives of Albert H. Bosch of Jamestown were shocked Friday to learn of his sudden death from a heart attack.

Mr. Bosch was one of the best known county residents, taking an active part in Ottawa affairs during the 60 years of his life. He was at one time a state representative and served many years as a supervisor. He is well known as an auctioneer throughout the rural districts. He was also township clerk for a number of years, secretary of the Ottawa-Allegan Farmer's Mutual Insurance Co., and served as cashier of the Jamestown bank since it was organized ten years ago, also acting as its president.

Mr. Bosch was in Grand Rapids when death came, and feeling ill on the way he hastened to the home of his sister, and when he arrived there he was taken with a severe attack, falling on the floor. A doctor was hastily called and pronounced Mr. Bosch dead.

He is survived by his wife and daughters, Mrs. Edward Ulberg of Forest Grove, Miss Marion and Miss Jeanette at home. He has been a resident of Jamestown for 12 years.

The funeral was held Wednesday from the Zuthphen Christian Reformed church, Rev. G. Timmer of the Jamestown Reformed church officiating.

Six years ago Mr. Bosch lost a son by drowning in Mud lake while the father was attending the general synod at Orange City, Ia.

LAMBERTUS BEEUWKES CELEBRATES HIS 81ST BIRTHDAY

The 81st birthday of Lambertus Beuwkes was appropriately but quietly celebrated last Saturday at the home of his son Fred, 112 East 9th street. Notwithstanding, many friends called and he was thoughtfully remembered by a large number of them.

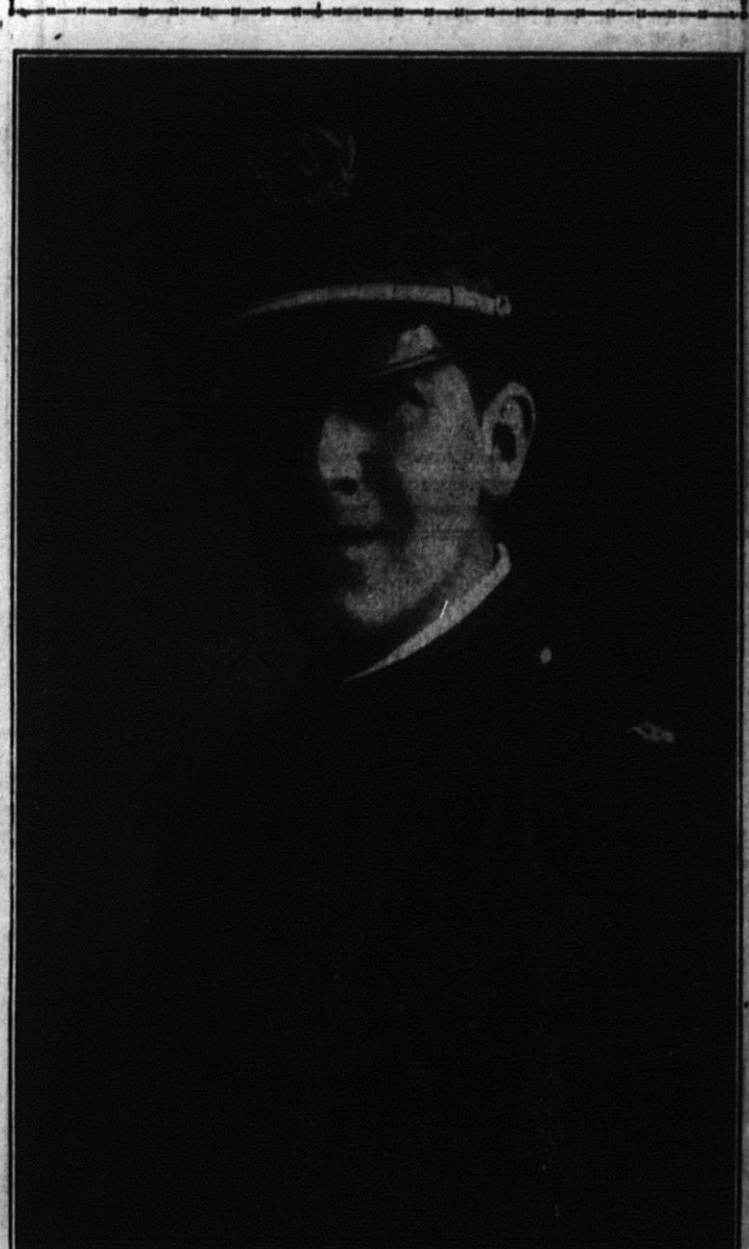

Mr. Beuwkes was a tin and copper-smith of the old school, and was employed in this capacity in the earlier days in practically every hardware store in the city. That was in the day when pails, boilers and cooking utensils were made right at home.

In later years, he was employed at the Holland Furnace Co., but retired about four years ago, taking a well-deserved rest. He was with the Kanters Hardware store, located where the Yonkers Plumbing Co. is now, this firm dissolving under the name of Kanters & Standard. He was also employed in what is now the Corner Hardware Co.

Mr. Beuwkes' daughter, Mrs. Len C. Hardie of Rockford, Mich., and son Fred Beuwkes of Holland joined in making the anniversary a memorable one.

Holland High's New Band Leader

HOLLAND BAND LEADER TO DIRECT ARMY BAND

The high school has a full-time band and orchestra leader in the person of Eugene Field Heeter. Mr. Heeter comes from Ohio and is a graduate of the Ohio University at Athens, and comes highly recommended.

He is not only a song leader, but a good violin player as well as a director.

Mr. Heeter will feel honored next week Tuesday afternoon, when the U. S. Army Band plays at Carnegie Hall. The high school director will be privileged to lead the big band in one number and Captain Stannard of Washington, D. C. will likewise lead the Holland High School band in one number.

The high school organization will come fully uniformed, greeting the

members of the big band founded by Pershing immediately after the war, which took a special act of congress to do.

This band is even better than the Navy Band of last year, if that is possible. Holland is the first place in Michigan where it plays.

The advance agent stated that seldom does the band come to a city of the size of this, but they had heard how Holland had appreciated the Navy Band, the diligent way the local Legion Post had backed a project of this kind that they took a chance.

There are 43 musicians in the Army band, 16 soloists. Tickets for the children's matinee are limited in number and it is expected they will soon be sold out. They can be secured at the J. J. Rutgers Clothing Store.

OTTAWA SAVES ON FEDERAL PRISONERS

Sheriff Kamferbeck Makes Money Because of Them Being Sent Here

Due to efforts of Sheriff Fred Kamferbeck, federal prisoners sentenced from Grand Rapids have been sent to the Ottawa County Jail and the amount for the past year paid by the government has more than paid for the entire amount spent to feed the prisoners and night lodgers according to the sheriff's report made Sept. 30 at the close of the first year of such service.

The report shows there were 19 federal prisoners confined at the county jail in the past year with sentences varying from two to eight months. The government pays 75 cents per day for each prisoner, the county and not the sheriff getting the fees. The total amount received during the year was \$1,380.10. The total amount expended for foodstuffs for all jail inmates, including the county prisoners and night lodgers, for the past year was \$1,197.24, making a balance of \$200.86 which remained from the federal money, and goes into the county treasury.

Formerly under the old fee system, the sheriff received from the county a certain amount per meal to feed each prisoner. The cheaper he fed them, the greater the surplus for the sheriff. Now under the salary system the county buys and pays for the foodstuffs under the supervision of the sheriff, the county actually paying for the amount consumed by the prisoners.

It is with much satisfaction that the sheriff will make his report to the supervisors when they convene next week as proof that in taking federal prisoners the county is considerably enriched, paying for three good meals for the prisoners daily at an average cost per prisoner of approximately 30 cents.

NOW'S THE TIME TO START FISHING

The autumn is the sportsman's most bountiful season. It brings the hunter into his glory, and happy days to the fisherman.

When the leaves begin to turn and the sunrise is tinged with the breath of frost, the appetites of fish enter into compatible keeness. Their diffidence of the dog days, when they lay in deep water has passed. They are combative, voracious, ready to rend, eager to destroy the bait that flashes before them.

Bass fishing in particular enters into its happiest phase in September. The big fellows smash willingly at the artificial minnow—something they are loath to do in August. Many anglers prefer the fall to the spring because of the absence of mosquitoes. They carry on the sport until snow flies.

Many Oakland County lakes that seem fishless in mid summer yield a surprising quota of bronze-blacks and pike in September. The restoration of appetite plus the departure of summer cottagers and canoeists, is the reason. Outboard motors, always a disturbing factor, have been taken back to the city. The waters are left once more to the fish and their fellow creatures.

Perch fishing, too, is full of rewards in the autumn. The big perch are in shallower water, which necessitates less manipulation of the oars, and are far less finicky. The absence of the broiling sun, which leaves a painful after-glow to the arms and shoulders, is an other important item in making fall fishing enjoyable.

BANKS ADOPT SERVICE CHARGE

A committee of the Van Buren County Bankers' Club, consisting of one representative from each bank in the county, met at Bangor recently and unanimously adopted a service charge on small, unprofitable checking accounts and also a charge for each check overdrawing a depositor's account and a charge to cover the cost of collecting bond coupons and other services of a similar nature. The bankers state that these services have in the past caused them a considerable expense and they believe it is time they followed the example set by the city banks and stop, in a measure, the losses caused by such services.

28 STUDENTS ENROLL FROM OTHER SCHOOLS

Holland High School is very glad to welcome the twenty-six new students who came from other schools and are now enrolled in this school. As usual most of these come from Hamilton, which is represented by nine pupils. However, Elgin, Illinois; Grand Rapids, Michigan; South India; Moweaqua, Illinois; Grand Junction, Michigan; North Holland; Lake Haven, Pennsylvania; Sunnyside School, Holland; La Porte, Ind.; Saugatuck; and St. Francis, Wisconsin are represented also.

BENTON HARBOR AND HOLLAND BATTLE TO SECOND 7 TO 7 TIE

History repeated itself at Benton Harbor Saturday afternoon, when Holland High School and Benton Harbor played to a 7 to 7 tie, duplicating last year's results at Holland. Both teams scored in the final quarter after each had shown a lack of strong offensive drive for the first three quarters. Benton Harbor scored first.

Chuck Benard, defensive star of the game, blocked Tanis' punt and fell on the ball on Holland's 30-yard line. Enders hit the line for two yards. On the next play Goldstein, quarterback, called a criss-cross scoring play and ran around the weak side for 28 yards and a touchdown. Stevens kicked for the extra point.

Four minutes later Holland opened up an irresistible forward passing attack after a 15-yard penalty on Benton Harbor for holding had given Holland the ball on the 30-yard line. Japanga made a wide end run for a gain of only three yards. Japanga completed a pass to Tanis for a gain of 10 yards, 17 to go.

Japanga passed to Korstanje for a gain of nine yards. Tanis carried the ball a yard for first down. Japanga passed again to Korstanje, who ran six yards to score. Tanis added the extra point by a place kick. Holland continued its furious passing attack, but the time was too short and the attack failed to carry the ball across.

A GREAT ACHIEVEMENT

IMPROVED COLD WEATHER PERFORMANCE

Resulting from the

CROSS-FLOW RADIATOR

The cross-flow radiators in the cooling systems of the Pontiac Six and the Oakland All-American Six reduce to a minimum losses of water and alcohol. An automatic thermostat prevents water circulation until the engine reaches correct operating temperature. As a consequence the engine warms up quickly and less chocking is needed, reducing dilution of crankcase oil. Because of the protection the cross-flow radiator provides against losses of water and alcohol, the Pontiac Six and the All-American Six require less attention in winter than other cars. This is only one of the many advancements which only the Pontiac Six and the All-American Six provide.

Confidence in Shell Motor Oil is well placed

It is the kind of oil you would expect Shell to make—sturdy, long-lived, dependable

Shell Motor Oil is backed by the resources and reputation of Shell. It is worthy of the name it bears—worthy to be the companion of Shell Gasoline in your car. Shell-made from start to finish, this dependable oil was developed for the strenuous demands of modern high-speed driving—and is more than equal to the task.

Painstaking thoroughness is evident at every stage in production—for example, the crude oils forming the base of Shell Motor Oil are picked for their rich lubricating properties. The Shell refining process operates only at a low temperature and thus preserves the natural heat resistance of the oil.

Trust your motor car investment to Shell Motor Oil—it stands the gaff—protects every moving metal part in your engine—relieves you of all worries about lubrication. Shell service stations and dealers have it in just the right grade for your car.

PICTORIAL LIFE OF HERBERT HOOVER

No. 7

By Satterfield

1. Herbert Hoover entered Stanford University in 1891. Engineering was his goal.

2. Baseball was his favorite college sport, and he proved an expert at the strategy of the game.

3. His first field work as an engineer apprentice was in the Ozark Mountains, during college vacation.

4. Working his way through college he met Miss Lou Henry, now Mrs. Hoover. She promised to wait.

5. After college, Hoover studied the practical side of mining with pick and shovel in Nevada.

6. Promoted to be a field engineer, he made good at a variety of jobs in the sage brush.

7. He was sent to Australia to organize a group of mines there along American lines.

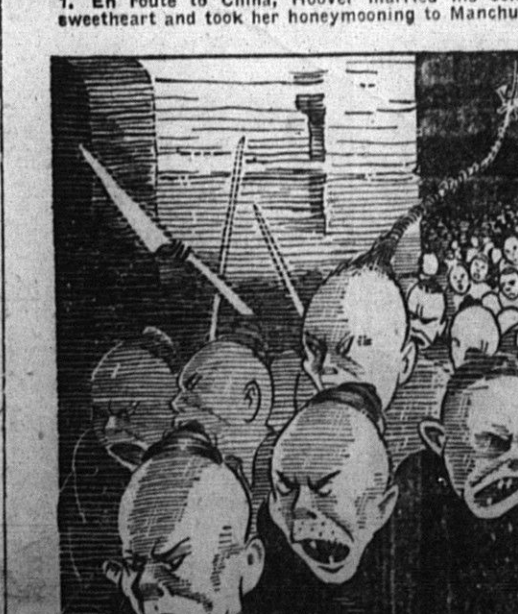

8. While at his desk in Australia there came a call to China. This appealed to Hoover's imagination.

9. En route to China, Hoover married his college sweetheart and took her honeymooning to Manchuria.

10. Rumors of discontent spread through Northern China. Violence threatened all foreigners.

11. When the Boxer uprising started, Hoover built defense works; Mrs. Hoover cared for the wounded.

12. Civil war ended Hoover's promising explorations in China, and he sailed with his wife for home.

MAYTAG BUYS HOUSE

WITHOUT NAILS

The house built without nails and brought to Lake Geneva, Wis., from Ceylon, after serving that island during the Columbian exposition has been sold by the heirs of John J. Mitchell, Chicago banker who with his wife was fatally injured in an automobile wreck last year.

F. L. Maytag, wealthy manufacturer of Newton, Ia., has purchased the showplace of this recent resort.

The house was built in Ceylon 40 years ago and is a replica of a Buddhist temple. It was fastened together with wooden pegs. Mitchell brought Ceylon workmen to the United States to remove the building from the Chicago Fair in 1893 and rebuild it at Geneva.

HOLLAND FOLK PARTICIPATE IN GRAND HAVEN WEDDING

One of the loveliest home weddings celebrated this fall was that of Miss Ruth Van Coevern and Mr. Robert Rooze, a son of Mr. and Mrs. E. Rooze of Grand Rapids, at the home of Mr. and Mrs. Niel McLachlin, 507 Lake avenue, Grand Haven, Friday night before a company of about 80 guests.

The ceremony was performed by Rev. Paul Van Eerden of the Reformed Church of Holland, a cousin of the groom, before a bower arranged in the bay window of the dining room where the double ring service was said.

The bridal party, which included the bride and groom, and their attendants, Miss Beatrice Timmer of Holland a cousin of the bride, John Rooze of Paterson, N. J., a cousin of the groom, and little Mary Jean Timmerman as ring bearer; another cousin advanced down the winding stairs to the bower to the strains of the Mendelssohn wedding march, played by Miss Catherine Rooze, a sister of the groom. Preceding the ceremony, Martin De Jong of Grand Rapids, accompanied by James De Young, sang "Oh Promise Me," and other selections.

The bride was never more lovely than when she appeared in her white satin frock made with tight bodice and full skirt, trimmed with ruffles of delicate lace, which was gathered in tiers on the full skirt of uneven hem line. Delicate pearl trimming held a cabochon at one side and a voluminous veil, held in place with pearls and orange blossoms, fell over her costume, forming a train of two yards as she advanced to the altar. White satin pumps and white hose completed her costume. She carried a shower bouquet of opelia roses and babies breath, tied with tulle ribbons, which fell to the hem of her dress.

The bridesmaid was lovely in a pink georgette gown made with bouffant skirt of uneven hem. The bodice was trimmed with brilliants and cut low in the neck with no sleeves. She wore a nude hose and pumps and carried a Solonial bouquet of pink roses. Little Miss Jean Timmerman wore a dainty little frock of figured chiffon and carried the rings in the heart of a lily.

Those present from Holland were Mr. and Mrs. B. Timmer and family, Rev. and Mrs. P. Van Eerden and family and Cora and Nellie Sturlyk.

Grand Haven Trib.—Mrs. Ben Timmer of Holland, entertained her niece, Miss Ruth Van Coevern of Grand Haven, whose marriage took place Friday night, at her home in Holland this week. The house and refreshment tables were decorated with quantities of all flowers and a beautiful array of gifts were presented to Miss Van Coevern. The guests from Grand Haven were Mrs. Gerrit Dornbos, Miss Jeanette Dornbos, Mrs. Henry Peterson, Mrs. John Peterson, Mrs. Hio Dornbos, Miss Jean York, Mrs. Niel McLachlin and Mrs. Jacob Dornbos of Spring Lake.

SPIRITUAL GIFTS

LESSON TEXT—1 Cor. 12:3-7, 11

13:1-8. GOLDEN TEXT—Now abideth
faith, hope, charity, these three; but
the greatest of these is charity.

PRIMARY TOPIC—Love is the
Best of All.

JUNIOR TOPIC—The Greatest
Thing in the World.

INTERMEDIATE AND SENIOR
TOPIC—The Greatest of All Gifts.

YOUNG PEOPLE AND ADULT
TOPIC—Spiritual Gifts.

Joel predicted a remarkable ef-
fusion of the spirit in Messianic
times (Joel 2:28, 29; cf. Acts 2:17,
18).

Before the crucifixion, Jesus
promised to send the Holy Spirit
to be the helper and guide of His
people. This was historically ful-
filled on the day of Pentecost. The
gifts of the Spirit were extended to
all classes. Not only were these
endowments marked by great pro-
fusion, but by great diversity. In
the exercise of these gifts con-
fusion would surely arise. Divine life,
suddenly poured into human na-
ture, stirred it to unusual power. In
view of the abuses and confusion
which are likely to arise from such
condition, it is highly important
that certain principles be set forth
for guidance and regulation.

I. The Infallible Criterion (1 Cor.

12:3).

The infallible test which deter-
mines whether gifts are spurious or
genuine is one's conception of
and attitude toward Jesus Christ.
Only those who recognize Him as
God manifest in the flesh, His vic-
ariously atonement on the cross, and
submit to Him as their Lord, can
be recognized as possessing the
gift of the Holy Spirit. Christ said
before leaving the earth that when
the Spirit came His supreme busi-
ness would be to testify to Him, to
take the things of Christ and show
them unto the people. The sound-
ness of the faith of a man is the
sign of this commission from God.
Regardless of eloquence or learn-
ing, the man who does not thus
view Christ should not be tolerated
as a teacher.

II. The Diversity of Spiritual

Gifts (1 Cor. 12:4-11).

In the church there are to be
found those possessing the gift of
wisdom, knowledge, faith, healing,
miracles, prophecy, discernment of
spirits, divers kinds of tongues and
the interpretation of tongues. What-
ever the form of the gift, they are
all manifestations of the same Holy
Spirit dwelling in the church for
the edification of the body.

III. The Unity of the Spirit's

Gifts (1 Cor. 12:12-30).

Christian unity is only possible
when effected by the one Holy
Spirit. This unity amidst diversity
is represented under the figure of
the human body. The church, which
is the body of Christ, is an organ-
ism as really as the human body.

1. The human body has many
members, each performing distinct
functions for the good of the body
(v. 12).

2. The members are mutually
related and independent (vv. 13-
17).

3. The place of each member is
determined by the choice of God
(v. 18).

4. The members which are least
attractive and least conspicuous are
most important (v. 21-23).

IV. Love the Spirit's Best Gift
(1 Cor. 12:13-13).

1. The pre-eminence of love (v.

13).

It transcends.

(1) Speaking with tongues.

(2) The gift of prophecy.

(3) Faith of the most vigorous
kind.

(4) Philanthropy of the most
generous sort.

(5) Heroic devotion leading to
martyrdom.

2. The attributes of love (vv. 4-7).

(1) Long-suffering and kind.

(2) Free from envy.

(3) Freedom from boasting.

(4) Decorous and well behaved.

(5) Unselfish.

(6) Does not give way to pas-
sion; is not quick tempered.

(7) Thinks no evil; does not im-
pute evil motives to others; is not
suspicious.

(8) Delights not in evil.

(9) Bearerth all things.

(10) Is truthful, hopeful and
firm.

3. The permanence of love (v.

8:13).

Prophecy as prediction will be
fulfilled. Prophecy as teaching
will be brought to an end in the
day when teaching is not needed.
Tongues shall cease, for as the lan-
guages of earth were caused by
God's judgment for sin, so shall
Christ's redemption bring the na-
tions back to one tongue. Knowl-
edge shall be done away with the
coming of a wider and nobler in-
telligence. The twilight will be
lost in day. Childhood shall be lost
in maturity. Love will always
abide, for God is love (v. 13).

5. The copulative value of

prophecy and tongues (14:1-25).

Prophecy is given the highest
place because it is to declare God's
message to men. Its primary mean-
ing is to foretell. To speak with
tongues means to speak in other
languages for the purpose of show-
ing the presence of God.
