## Both Murderers Are Sentenced For Life Term

JUDGE MILES DECLARES WALLACE McCafferty GUILTY FROM BENCH

The trial of the second murderer of the bridge tender, Frank Wallert of Grand Haven, was declared guilty from the bench a few minutes after the arguments of Prosecutor Dethmers for the people, and Attorney Leo C. Lillie for the defendant had been made.

The case, up to the time of the arguments by the attorneys, is found elsewhere in this issue. Last

week, it will be remembered, Wallace McCafferty was found guilty by a jury of murder in the first degree. All the testimony as this relates to the killing of the bridge tender at Grand Haven, was fully given.

Wildorf, the second man in the case, was then tried before Judge Fred T. Miles of Holland, after the accused man had waived be-

ing tried by a jury. Judge Miles heard the testimony of the latter part of last week and postponed the case until Thursday morning to hear the arguments by the attorneys. These lasted until 3:45 o'clock Thursday afternoon and the judge pronounced the man guilty almost immediately after the evidence was in and the attorneys had presented their case.

He then ordered both convicted men to appear before him and they were brought in by the sheriff and his deputies, handcuffed, and thereupon Judge Miles sentenced both to life imprisonment at Marquette.

der of Frank Wallert, stated that he would make a motion in circuit court for a new trial giving as his reasons prejudicial instruction from the court and barring manslaughter as a theory upon which to base a verdict. In case the new trial is denied an appeal will be made to the supreme court, he stated. A transcription of the testimony has already been ordered.

Mr. Roy McFall, who has been seriously ill at her home on Holland route 2, for the past two weeks, is slowly improving.

Mr. and Mrs. Jake Kole and family of 130 East Eighteenth street have moved to a residence at 140 East Eighteenth street.

The Holland Labor association will meet tonight, Friday, at 7:30 o'clock in the city hall.

## THE FLAG

In keeping with the spirit of Hope's 1933 Homecoming it is desirable that the merchants of Holland display the American flag on Friday and Saturday, October 13 and 14. Your co-operation will be greatly appreciated by the students and returning alumni of Hope.

### FARM CO-OPERATION

We often hear the saying "We cannot do without the farmer," and that is largely true. It seems, however, there could be a more close knit relationship between the agriculturalist and the city man. Holland can point to an outstanding example at this time.

The old sugar mill has been reopened and has created not only a diversified crop, but a new market for the farmer. Holland has been able to put that over in behalf of the farmer and in behalf of itself. It is a mutual proposition. The Holland City News feels that the farmer here can aid the city man and themselves as well by aiding this sugar making institution.

It is very essential that sugar beets be raised close at home, thus alleviating freight rate burdens and the beet grower can receive almost instant attention from the sugar mill field man. We urge farmers of Ottawa and Allegan counties to contribute to this enterprise by contracting a modest acreage for the raising of beets next year. You simply cannot lose on the proposition for it is a cash crop and the chances for a crop failure are remote compared with other crops.

The Lake Shore Sugar company is not a Holland enterprise alone, it is an enterprise for the entire country side—everyone benefits. A beet crop means cash on hand at a time when you most need it. It is expected that \$200,000 will be paid to farmers at the local sugar mill. Why not be in on this disbursement by setting aside a small acreage for beets together with your other crops.

In the olden days the sugar mill as well as the Heinz Company lifted many a mortgage from a farm through beets and pickles and the latter company is doing just that today. The News believes that those days are here again through a diversified crop of this character. Surely the farmer cannot go wrong in giving the beet a tryout.

The News has always felt that there could be a closer relationship between country and city folks. There seems to be a reserve that is almost timid between one class and the other. That complex exists more or less everywhere, but it has been rather pronounced in Holland. We believe that through our Chamber of Commerce and other civic organizations we could be helpful in aiding the agriculturalist in alleviating and in solving some of their problems. Too often the farmer suffers in silence, not knowing how to tackle these problems.

An "across-the-table" talk between city and rural men, not with a blare of trumpets or with a banquet, but with small groups doing constructive committee work would undoubtedly do wonders. Today the farmer and city man are practically strangers for 364 days in a year with the farm institute on the lone day left for fraternization. There is so much room for improvement here and why not take this matter up seriously. The sugar mill is the entering wedge to break up this boundary line between country and city. Since the advent of the automobile a city limits has become a misnomer. A county today has grown into one vast community and the denizens thereof have everything in common. That being the case, let us extend our community spirit for miles around rather than over a few city blocks.

### PLACE \$50 TAX ON BAKERY TRUCKS ENTERING ALLEGAN

Allegan News—That out-of-town bakeries delivering their products in Allegan by truck, will be asked to pay a tax of \$50 for each truck that uses the streets of the city, was indicated Monday night by members of the city council when first steps to tax such trucks were taken at the instigation of owners of Allegan bakeries in an effort to protect home owned business.

Before final action of the matter is taken, however, ordinances dealing with taxing trucks for use of city streets that are being used in neighboring cities, are to be gathered and submitted to the council so that a similar type may be devised for Allegan.

In several of the surrounding communities, it is reported, trucks hauling in products from outside those communities are heavily taxed to protect local firms and the adoption of a similar plan here is contemplated.

Allegan already is taxing laundry trucks for the privilege of using the streets of the city and a tax undoubtedly will be placed on bakery trucks at the next meeting of the council. These taxes, however, do not apply to truckers of farm produce and are strictly for bakery and laundry trucks.

Several other matters were considered by the council, among them being the ordering of a halt on wood-cutting at the site of the municipal dam until book accounts are brought up to date and the employment of a bookkeeper to assist M. F. Feather, city clerk.

## Hope Annual Pull On Black River To Day

LOCAL COLLEGE ANNOUNCES HOME COMING PARADE THIS EVENING

Beginning Thursday afternoon with the Freshman-Sophomore field day contests and climaxing on Saturday afternoon with the Alma-Hope game at Riverview Park, the Hope College Homecoming of 1933 will be celebrated in a week-end crowded full of events which feature every organization on the campus.

As a grand finale of the struggle between the two undergraduate classes on Thursday, the tug-of-war, scheduled for Friday afternoon, will again draw the spotlight to the classes of '36 and '37. The struggle this year will be a fierce one, since last year the '36 group upset tradition by pulling the '35 students through Black River.

On Friday evening, in one of the outstanding annual Homecoming attractions, there will take place the usual float parade to be sponsored by the five sororities and the five fraternities located on the campus. A decorated float representing each of these organizations will parade down River avenue, Eighth street, and College avenue; then all students and Hope patriots will follow the parade back to Carnegie Gymnasium for a short program which features the awarding of the pull and float prizes. At the close of this program the crowd will gather outside on the campus for a gigantic bonfire party meeting in anticipation of the next day's game.

A large attendance is expected at Riverview Park on Saturday, when Hope meets Alma for her first conference game of the season. The Hope eleven will go into the game with the determination to get a good take-off on winning the M. I. A. championship for 1933.

All day Saturday, "open house" will be held at the fraternity houses and sorority rooms, as well as at Van Vleck and Voorhees halls. Entertainment for their alumni in the form of dinners, luncheons, teas, and programs has been planned by the fraternities and sororities.

Henry Kuizenga of Holland, general chairman for this year's Homecoming, states that everything is in readiness for a gala week-end. The program on Friday evening which will precede the bonfire party meeting, has been planned by Lois De Pree of Kalamazoo, Amory, China, and will include, in addition to the two prize awards, a couple of brief humorous skits directly related to campus life and some music by the brass quartet, which is in charge of Paul Fugazzotto, of Newburg, New York.

### 51 PER CENT OF CITY TAXES REPORTED PAID

About 51 per cent of the city taxes at Grand Haven has been paid, according to William Byl, city treasurer. The total amount to be paid is \$102,365.12 and the final date for payment without penalty is October 20. The city council recently advanced the final payment to October 20 to allow taxpayers all the leeway possible. It is expected there will be a large amount of the balance paid within the next ten days.

### STORY & CLARK WHISTLE BLOWS TO BRING 50 MEN NOW EMPLOYED TO WORK

(Grand Haven Tribune) The whistle of the Story & Clark piano factory blew this morning for the first time in several months. The sound of it attracted wide attention in the city. Charles Haack, in charge, explained that the whistle will be used to bring the 50 men employed there to the factory more promptly, and will probably be heard each day at 8 a. m.

He stated that a cutting order for 200 pianos had been received from headquarters in Chicago, but no orders for shipment of pianos. The factory has been operating on a very limited basis since August 1, and there is no increase over what has been done during the past six weeks, Mr. Haack stated.

### POSTMASTER SHIFTING OFFICE FROM TREASURY TO POSTAL DEPARTMENT

Postmaster George L. Olsen has been engaged in changing over the administration of the Grand Haven post office from the treasury department of the United States to the postal department. The change does not affect the functioning of the department but necessitates a change in administration work.

Postmaster Westover of Holland stated that this change was also made in this office October 1. Mr. and Mrs. John G. Rutgers of 94 East Thirtieth street observed their fiftieth wedding anniversary this Thursday. Mr. and Mrs. Rutgers resided in Graafschap many years ago. Mr. Rutgers served as the first cashier of the Peoples State bank. Mrs. Rutgers is slowly improving after being ill for some time.

Rev. H. Bouma, pastor of Fourteenth Street Christian Reformed church, will begin a series of sermons Sunday evening on the subject, "The Clinic of God's Word." Topics arranged are "Judgment Beginning at the House of God," "The Fool," "The Snug Church Member," "Lamping People," "Slow Christians," "Rash Discipleship," "Near but not In," "Unbelief of God's People," "Consecrated Christians," and "The Glorious Life."

### FIFTY YEARS AGO TODAY

According to the Council Proceedings Ed Vaupell received a monthly salary of \$25.00 for being Holland's marshal. Note: Before being a marshal he became a harness maker like his father. After being marshal he became sheriff and after being sheriff he became a harness maker again. First his harness shop was located across from the Holland Theatre, later, where Spaulding has his shoe emporium. That, by the way, is the Vaupell building.

Dr. Berkhoff of Oostburg, Wis., has moved to Overisel, buying out the practice of Dr. O. E. Yates, who will move to Holland. Note: Dr. Yates became a prominent physician here and a public spirited citizen. He was elected mayor of Holland repeatedly, his family was prominent socially and his daughters, as well as Mrs. Yates, were talented musical artists. They lived in a large vine-covered house in a sunken garden on the site of the City Hall.

The new postage stamp, "The father of our country," has put in its appearance in Holland. George is there in fine shape with the hatchet and cherry tree missing. Note: This 2c stamp is still the leading seller in our postal service and has been all these years.

Our soda fountains have gone into winter quarters. No more ice cream until next June.

Mrs. H. Schuitema of Graafschap was killed in a run-away while she and her husband were returning from church with horse and wagon.

John Ausicker of Lake Shore lost two of his children through Scarlet fever, now raging near Vantura.

### TWENTY-FIVE YEARS AGO TODAY

Hon. G. J. Diekema now has opposition for Congress in the person of Rev. F. Jenkins, pastor of the M.E. Church of Holland. He was nominated by the Prohibitionists at the Eagle Hotel convention at Grand Rapids.

Bert Greenwies has accepted a position at the Nykerk grocery and meat market, corner Central Ave. and 13th St. Note: No, it wasn't our own Dr. J. B. for he was already a sonographer at Hope, just back from Oxford, England. Imagine Prof. Nykerk a meat cutter anyway!

Mrs. William Wiese, living at Vriesland, gave a noble example of heroism last Saturday in her attempt to save the life of her two-year-old boy. Mrs. Wiese saw the little one fall in an open cistern. She jumped in immediately, water which reached over her shoulders; seizing the child she held him over her head for several hours until finally a searching party found them there with the woman almost ready to give up of exhaustion.

### OFFER TO DROP CHARGE AGAINST NUDEST HEADS IF THEY WILL "SCRAM"

Prosecutor Welborne S. Luna of Allegan county announced today that he had offered to dismiss all charges against Fred C. Ring of Kalamazoo and Mrs. Ring in connection with their operation of a nudist camp near Allegan on condition that they agree to move their colony out of Allegan county. Counsel for the Rings said the two principals would be in Allegan this afternoon for a conference that probably would decide whether they would accept the prosecutor's offer or insist that the case go to trial.

### HOLLAND SHOULD BECOME DOCK MINDED

(Grand Haven Tribune) The freighter "Oscar J. Linge" will arrive here today, carrying bulk freight consisting of a load of cement which will be trucked to the Robbins storage house on Water street and then sent to the paving job on the airline road from Fruitport to Nunica. This is the fourth trip the Linge has made to Grand Haven this season. A large number of local men are employed each time the ship comes into port.

The "Hild," hailing from Sweden, arrived in port Saturday noon with 20,000 gallons of cod liver oil which was unloaded here and then trucked by the Vyn Co. trucks to Grand Rapids. The ship landed at noon and went out about 6 p. m. bound for Chicago.

The "Diamond Alkali," 565 foot coal boat, arrived in port yesterday morning at 4 a. m. and left port about 10 a. m. She delivered between 9,000 and 10,000 tons of coal at the Netring dock. She arrived from South Haven where she discharged half of her load before coming in here.

Mayor Bosch, Harrington, "Klomp," Prins, Wrieden, Brooks, Vander Schel and Mulder of the Harbor Board—Isn't it time to become dock-minded in Holland?

Nearly twenty members of the Holland High school faculty enjoyed a "color tour" through New Richmond, Fenville, Douglas and Saugatuck yesterday. They concluded the tour with dinner in Saugatuck.

### FIFTEEN YEARS AGO TODAY

Marriage license—John Kolvoord, Jr., Hamilton; Miss Minnie Lohman of Manlius, Allegan county.

Miss Jennie R. Kanters, one of the most beloved women of this city, passed away. She has been identified with city library work for a number of years. The News devoted nearly a column to her death at the time. Out of respect to this noble woman who was helpful in nearly every civic organization in Holland, Mayor Nicodemus Bosch ordered the City Hall closed on the afternoon of the funeral and that the flag be placed at half mast for that day. She was the daughter of Rokus Kanters, one of the early mayors of Holland.

John A. Willerdink, an old pioneer of the Van Raalte colony, fell to the floor of his home, dying of heart failure. He came here a year after Van Raalte arrived and was a member of the first church built here, later becoming allied with the First Reformed Church, where he was active for 55 years. Note: His daughter, Mrs. Dirk Dykstra, is a missionary in Arabia with her husband.

Attorney Clarence Lokker, who enlisted with the aviation corps, is ill with the Spanish Influenza. It is feared pneumonia may develop. Mr. Lokker was a basketball star at Hope.

Note:—Clarence had a mighty close call but is now city attorney and must be alright.

The Great Lakes "Jackie" band is in town making it "peppy" for a time, drumming up folks to buy Liberty Bonds. They also went to Allegan, Zeeland and Grand Haven. G. J. Diekema was in charge of the patriotic meeting here at the Knickerbocker Theatre. Speeches were also made by Mayor Bosch, A. H. Landwehr and Thomas N. Robinson. Major Goble responded for the band.

Sixteen deaths of pneumonia are reported at Camp Custer. Among the names in the list of soldiers is John Olsen of Holland. It is said 5,000 patients have "Spanish Flu" in this camp.

Mr. and Mrs. Charles S. Dutton and family left for California today to make their future home. Note: Mrs. Dutton has long since passed away. The Duttons were the first real florists in Holland. The family still lives in California. Mrs. Dutton was the daughter of the late Mr. and Mrs. Henry D. Post, American pioneers here. Mr. Post was Holland's first postmaster.

### MARRIED TUESDAY, YOUNG COUPLE TO OPERATE ZEELAND BAKERY

A very simple wedding ceremony was performed in Holland on Tuesday, when Mr. Cornelius Ooms and Miss Helen Olgers were united in marriage. Rev. H. Van Dyke of Holland performed the ceremony at the home of the bride's mother, Mrs. B. Olgers. Mr. Lambert Olgers and Miss Ila Potter acted as the best man and bridesmaid.

Mrs. Ooms has been at the head of the Latin, English and public speaking department in the Plainwell High school for the last four years. During the last two weeks she was honored at several social functions in Plainwell.

Mr. Ooms is opening a new bakery in Zeeland. He has had extensive baking experience in Holland and in the East. His home is in Chicago. Mr. and Mrs. Ooms will operate the Zeeland Home bakery in the building that has been known as the Dykema Tailor shop. Their home will be in the apartments above the bakery.

### JUDGE MILES SUPPORTS PROBATION OFFICER

Judge Fred T. Miles of Holland appeared before the board of supervisors yesterday to indorse the work of Jack Spangler, appointed probation officer April 11, 1932, and to urge the board to appropriate a sufficient salary to him so that he can devote his entire time to the work. Sentiment for a regularly paid probation officer was strong two years ago when several meetings were held in Holland calling attention to the needs for such an officer. The matter was referred to the committee on county officers.

It is expected the board will fix the annual budget, appoint a school commissioner and a member of the old age pension board and take care of several other important matters later in the week.

### ALLEGAN COUNTY WOMAN SUING NEIGHBOR FOR \$5,000

Mrs. Mae Groth of Bravo, Allegan county, has brought suit in circuit court against Mrs. Nettie Touhy, a neighbor, for \$5,000 damages. She alleges the latter acted in the setting fire to the home owned by James Bradley, of Chicago.

## Will Road Board Take Over Co. Drain Office?

MANY REQUEST FOR HELP BEFORE SUPERVISORS VAN ARK OF HOLLAND ASKS FOR BOND REPORT

A complete report on the outstanding bonds of Ottawa county was requested by the Ottawa county board of supervisors yesterday following a report from that committee that the Ottawa county road commission report, read yesterday, be filed. The motion was made by Peter Van Ark of Holland. It was estimated by members of the board in the discussion that ensued that there is a total of \$800,000 in bonds outstanding which does not include interest. The only indebtedness this county has is for road construction.

Reports from the various departments of the county continue to be received and read before the board this morning. Among them the soldiers' relief commission, county treasurers' report, superintendents of the poor.

Requests for appropriations were received from the Evangeline Home in Grand Rapids; Michigan Tourist and Resort association, Michigan Children's Aid society, and Sheriff Ben Rosema requested a raise in salary for his son, Maurice Rosema, who is at present receiving \$25 per month as court officer. Mr. Rosema pointed to the large number of duties that the officer attends to and the assistance he is to the sheriff's department and the circuit court.

The soldiers' relief commission requested an appropriation of .2 of a mill, the legal limit according to the state law totaling about \$10,000 for the coming year. The report showed that about \$10,000 had been spent during the past year in the care of 307 families. (Continued on Page 4)

### NEW PASTOR AT METHODIST EPISCOPAL CHURCH ARRIVES

Rev. Thomas G. R. Brownlow, new pastor of the First Methodist Episcopal church, has arrived in Holland with his family and is now well established in the parsonage next door. Mr. Brownlow occupied the pulpit for the first time last Sunday and was greeted by very large audiences. Many representative men from the other churches have paid their respects and attended church there last Sunday. We find Dr. Brownlow a most pleasing personality and we are excitedly pleased to have him and his family become a part of this community.

### REVEREND THOMAS G. R. BROWNLOW

REVEREND THOMAS G. R. BROWNLOW

cedingly pleased to have him and his family become a part of this community.

Rev. Brownlow started his ministerial career very near Holland, namely Saugatuck, and today he is serving both the Holland and the Saugatuck churches, he having received the assignment during the state conference of the Methodist Church held at Benton Harbor.

Mr. Brownlow's last charge was the Second Street Methodist Episcopal church at Grand Rapids. During his pastorate there a \$10,000 building program was completed and the church property was much enhanced. The membership, too, has more than doubled under his divine leadership.

Rev. Brownlow was born in Canada and educated in the Toronto schools, graduating from high school.

He attended Albion college and took post-graduate work at Toronto Bible college, where he received his B.D. and D.D. degrees. He has served churches at Eaton Rapids, four years; Scottville, four years; Alma, four years; Cadillac, five years; Lansing, four years; and Grand Rapids, three years. Rev. and Mrs. Brownlow have an eight-year-old daughter, Nancy Isabella.

### CURRENT EVENTS

I see that the Sales Tax idea was begun B. C. (Before Comstock) and I also see that the Vets of Foreign Wars are going to have a dance November 11, A. D. (Armistice Day).

Bernie Grinwis has a state car; that is, his horn makes an ILL-NOISE; his license is "CAN-TUCKY"; his engine is "MISS-AGAIN"; and after he gave it "DAKOTA" paint it needed he didn't have enough to pay his "TEXAS."

Miss Holleman is acclaimed and elected editor again; her paper is "The Anchor" and that ought to HOLD you for a while. (HOPE you get the DRIFT.)

I see Geneva is also worried about the NRA (Nations' Required Armaments). Japan's NRA is "No Russian Alliance"; Germany's NRA is "Nazis Request Arms"; England's NRA is "Never Respect America"; and right now most of us have NRA trouble (No Real Assets). The NRA drive to BUY NOW shows results but most of us are broke BY NOW.

Ferdinand Pecora's investigation of Dillon Read's loan to South America's republic is getting pretty hot (Bolivia me).

Secretary WOODIN will soon tell us about Currency Inflation and the value of the dollar. (Perhaps we may soon be using WOODIN money instead of silver, and we'll have SHAVING accounts with "TWO BY FOUR" per cent interest, and instead of BANK books we'll have PLANK books handled by the directors as BOARD who will only pay us FREE per cent.) (No wonder Roosevelt started his reforestation idea.)

### I WISH

I WISH Miss Hoekje would hurry teaching laboratory work in Journalism so we could read all of the paper again. (Right now it's going at a fast CLIP and they have to CUT IT OUT.) (Well, anyway, I've got my Gillette razor blades hidden in a good spot.)

I WISH the girl next door would quit singing "The End of a Perfect Day." To me it's "The Beginning of An Awful Night."

I WISH I knew why my girl sent me a green tie and hat. (Perhaps I was a FRESH MAN the other night.)

I WISH Mallards were as plentiful as Coots. (If a young duck is a duckling, I suppose a young COOT is a COOTIE.) (At least the one late the other night tasted LOUSY.)

I WISH someone would answer the question "WHO'S AFRAID OF THE BIG BAD WOLF?" so we wouldn't have to hear it any longer, and at the same time I wish some of the singers of "The Last Round-up" were included in it.

### INFANTILE PARALYSIS IS REPORTED IN CROCKERY

A case of infantile paralysis was reported to the Ottawa county health unit today from Crockery township when Steven Girls, seven years old, was definitely designated as having the disease. The case at this point does not appear to be a serious one.

This is the first case to be reported in this county in two years, a record that the health unit points to as among the highest in the state.

Fred Smith, from Robinson township, reported that his little child had been bitten by a dog that also attacked a cow and a horse and later died. The child is being treated for rabies, the serum being furnished by the state and administered through the Ottawa county health unit.

### SOCIAL PROGRESS CLUB OPENS SEASON WITH DINNER

The 1933-34 season of the Social Progress club was ushered in Tuesday evening at the home of the club president, S. J. Jenckes, 214 West Twelfth street, when the members were served a delicious dinner by Mrs. Jenckes, assisted by the Misses Mary Good and Lucile Kardux.

The spirit of good fellowship which was manifested proved that the summer vacation had in no degree robbed the members of any of the genuine comradeship for which the Social Progress club has long been celebrated.

The club looks forward to a season of more than ordinary interest due to the momentous matters, local, national and international, which now exist, many of which will be covered by the papers presented to and the discussions thereof by the members in their bi-weekly meetings, which are to be held throughout the coming winter.

The paper Tuesday evening was presented by Professor Egbert Winter of Hope college whose subject was social control. In his usual scholarly and masterful manner Professor Winter handled his subject clearly and intelligently and the discussions which followed showed plainly the appreciation of the entire group.

After a pleasant and profitable evening the club adjourned to meet on Tuesday evening, October 24, at the home of Mr. Randall C. Bosch, 196 West Tenth street.

## Big Mass Meet At Armory Next Week Thursday

EXCHANGE CLUB TO FOSTER A SUGAR WEEK IN HOLLAND

The Holland Exchange club will bring to Holland next week Mr. Sherman Rogers for a four-day NRA campaign. He will arrive at the Tavern on Sunday evening and will meet with the Exchange club at its special meeting on Monday, noon, October 16. On Tuesday he expects to talk to all the high school and college students in this city and in Zeeland High school. Representatives of the other clubs in the city will be invited to meet with the Exchange on Monday. On Wednesday, it is planned to hold a joint meeting of the various city clubs to follow up the Monday meeting. The series of meetings will wind up with a big public mass meeting in the Armory on Thursday evening under the auspices of the Exchange club and the national guard. Captain Henry Geerds has offered the use of the Armory and will put a military atmosphere around the exercises as the national guard is sworn to uphold the government in its campaign.

Mr. Rogers is considered the most dynamic speaker on the American platform today. He is chairman of the group of speakers sent out in the National Recovery crusade, sponsored by the National Exchange clubs. He comes without any expense to the local club. It is hoped that the people of Holland and vicinity will enjoy and take advantage of this wonderful opportunity of hearing this dynamic speaker and co-operate with our government in its recovery campaign.

The Holland Exchange club, at its last regular meeting on Wednesday noon, October 11, endorsed heartily the efforts being put forth in our city to put on Sugar Week and help boost our local sugar interests. A committee was appointed to co-operate with the local committee in carrying out this worthy project. Albert Koppel was made the chairman of the committee.

Two years ago, while Dr. Westrate was president, the Holland Exchange club adopted as one of its projects the granting of fifty (\$50) dollar scholarships to Hope college students who in the judgment of President Wiersma and a committee from the club are considered worthy and in need of the same. "Bud" Hinga is the chairman of the club committee.

Rev. H. Terkurst, guest speaker, made a fine appeal for the Boy Scouts. It was deemed best by the club, upon advice of its committee, to include the Boy Scouts under the community chest, and that but one drive be made in the city instead of several. The club promised its loyal support to the chest board in case such a drive is to be made.

The committee on Boy Scouts is composed of Joe Geerds, Joe Kramer and "Bud" Hinga.

The committee on Sugar Week includes Albert Koppel and Alderman A. Kleis and Jack Knoll.

The Hope college scholarship committee consists of "Bud" Hinga, George Pelgrim, Frank Lieverse, Dick Boter and Jake Fris.

### HOLLAND, CLASS A TEAM, FAVORED TO BEAT FINCH LADS IN NIGHT GAME

All indications are that the Lowell high school football team's string of 31 consecutive victories will be broken tonight, Friday, when it will meet the Holland High school team at Lowell in a night game beginning at 7:30.

Despite Lowell's great record it does not expect to compete with its extra experience and weight. Coach Ronald Finch states

## New Treasure

Fifty-six years ago Thomas A. Edison devised the first "talking machine," which was to be developed as the phonograph, gramophone, and victrola. Within the last eight years the hobbyists have discovered that the records which were played on the old machines have value and rarity. There is now an International Record Collectors' Club which scouts in second-hand stores and among offerings to charity for discarded records.

The perfection of the machinery for playing records has had an effect upon the collections. Today there is no electrically powered machine for playing the cylinder records, which are consequently cherished less. Similarly the five-inch zinc disks invented in the middle '90s cannot be clearly played on speedy modern machines. Yet there are "rare," "antique" and "historical" records enough to give zest to the hunt. Prices are going up, too, for such items as a recording of the Liebestod made 20 years ago by Olive Fremstad. The excitement of record collecting are heightened by the fact that if a master record has been destroyed exact duplication is impossible; and moreover the records themselves are fragile. Old record catalogues are desirable, also, particularly for tracing recordings. The New York public library is at present engaged in making a catalogue of all important recordings from the invention of the phonograph to our times.

## The Peculiar Habit of the American People

One of the queer things about American politics, when you stop to think about it, is the habit we seem to have developed in the past few years of making up our minds on things all in a bunch.

The current vote on prohibition repeal is an example.

Prohibition was voted into the constitution without a hitch. If the action of the state legislatures can be taken as a gauge—and it is hard to see why it can't—acceptance of the need for prohibition was pretty general from coast to coast. And now prohibition is going out in the same way. Wet states like New York, dry ones like Maine, Iowa and Arkansas—they're all going the same way.

It has been the same way in Presidential elections. Not since 1916 has there been a close one. The rest have all been landslides. Evidently, when we make up our minds on something, we make them up almost unanimously.

# 2,100 ACRE TRACT TAKEN OVER BY NEW G. H. HUNTING CLUB

Residents of the western section of Grand Haven township have formed a hunting club called the Little Pigeon Improvement association. The club controls a 2,100 acres of fine hunting ground bounded by US-31 on the east, Sunset Terrace on the north, Pigeon creek road on the south, and the shore of Lake Michigan to the west.

The land is being posted against hunting or trespassing except for members. Meetings have been held at Grand Haven township hall to organize and officers elected are John Ellman, president; Joseph Coch, vice president, and Joseph Dommers, secretary and treasurer. The association has as its aim the establishment of a hunting territory in this section of the county where the general public, through payment of a membership fee, will hunt on protected ground, kept systematically stocked with game. The season on pheasants has been closed by the club in order to build up the pheasant field, but rabbits, partridge and quail may be shot in season.

Those desiring membership are requested to see George Marhauser, Mr. Dommers, Frank Hendrych, supervisor of Grand Haven township; Bruno Schroeder, Mr. Ellman, or George Edwards.

## Voorhees Girls Wake To Hear Cosmos Songs

Shots rang out upon the night air and serene atmosphere of Voorhees Hall, on the night of October 5. Thinking it another bank robbery, for which Holland seems to have become known, many of the girls, especially the freshmen, huddled in their rooms to await developments. Some of the braver seniors, however, cautiously ventured out, and it was the first serenade, given by the young men of the Cosmopolitan Society. Once that fact circulated, there was a noisy rush toward the various windows, from which the program might be enjoyed.

The boys opened the program by singing the society song, "Lazy-bones" came next, and it is said that even the boys at Van Vleet could hear this. Richard Schaftner played a trombone solo. Linden Lindsay entertained with a humorous imitation of Sir Harry Lauder, rendered in song, and assisted by the chorus of boys. Next the new members were introduced and it was found that Wisconsin had an especially large representation. Lastly the boys sang "Merrily We Roll Along," and as the sounds of their voices faded into the distance, the girls, thrilled and happy, went back to their rooms and to some more sleep.

The girls at Voorhees like these serenades, they break the usual dignity and peace of that institution, and a change is always beneficial.

## Editor Appoints Anchor Staff

At a meeting of the Anchor Staff, which was held at the home of Professor and Mrs. D. Ritter on Wednesday evening, October 4, Gertrude Holleman, editor-in-chief, announced the new staff for the school paper.

The new staff has been divided into three departments—the editorial department, headed by Sherwood Price; the news department, headed by Ralph Danhof; and the business department, in charge of Vivian Behrman. Sherwood Price will be assisted by Ruth Burkett who will have charge of a social column, designed to take the place of the formal write-ups of the regular fraternity and sorority meetings. Instead, all the social functions and special achievements of the various organizations on the campus will receive recognition in this column.

Ether Harris and John Henderson have orders to catch hold of any item of special interest and turn it into the editor's desk for publication. They are Hope's new feature writers.

James Nettinga will turn in the copy for a new column featuring news from other colleges in Michigan, while Joan Walvoord will write up news of Hope's alumni. Ralph Danhof will be assisted by Murray Rogers, who has already proved himself to be an experienced makeup editor. Victor Turdo will surrender his former position as organization editor to assume the duties as rewrite man. The new organization heads are Beatrice Visser, Marian Wray, and Margaret Dregman. Under these organization heads the news will be turned in by a group of experienced reporters in Margaret Robinson, Lenore Sikken, Lester Van Tatenhove, John Leland and Marie Kool. Earl Vander Pool will cover all the athletic events for the Anchor.

The business department with Vivian Behrman at its head, is to remain unchanged.

Hope's journalists are eager to improve, and under the direction of its faculty adviser, Professor D. Ritter, the staff plans to organize a journalism class which will meet every Monday evening at 7:00 P.M.

Rev. Clarence Schipper, resident of Zeeland and a recent graduate of Western Theological seminary, has accepted the call extended him to become pastor of the Reformed church of Ireton, Iowa. Schipper will begin work in his first charge November 1. He is the son of Mr. and Mrs. John Schipper of Zeeland.

Four residents of Holland are attending the national convention of women's home missionary societies of Methodist Episcopal churches, which opened today in Danville, Illinois. They are Mrs. Lem Harris, Mrs. Cecil White, Miss Mae Bender and Mrs. Etta Whitman. The convention will continue until Monday.

## Volunteers Plan Convention At Local Chapel

STATE BANDS MEET FOR TWO-DAY SESSION

Hope College will be the host of the Michigan State Student Volunteer Union, Saturday and Sunday, October 14-15. The union has had no convention since 1930 and it is with keen anticipation that the State Volunteers are looking forward to these meetings.

The theme of the convention is Proverbs 29:18. "Where there is no vision the people perish." The Hope College Volunteer Band has drawn a program that promises rich blessing and experience for all who attend. Dr. James M. Gray, president of the Moody Bible Institute will be the principal speaker. Besides being an internationally known Bible scholar and teacher, he is a favorite with young people. Another interesting speaker that the Band has scheduled is Dr. A. Pieters, director of the missionary course of the Western Theological Seminary.

The Sunday morning watch will be led by The Reverend C. W. Meredith, pastor of the Wesleyan Methodist Church in Holland. Professor Talmage Bittkofer will be the convention song leader. He is the director of music at the Moody Bible Institute and song-leader of the Moody Memorial Church in Chicago. Under his direction singing becomes an inspiration.

Dr. Henry Beets of Grand Rapids will be the speaker at the convention dinner on Saturday night, October 14. His subject will be "The Sixfold Vision of Christ—Our Supreme Need."

The Union extends a cordial welcome to the student body and faculty of Hope to attend the convention sessions. There will be no registration fee. The following is the convention schedule:

Again Hope College has an enrollment which constitutes representatives from many states. At the head of the list is Michigan with 302 students. New York state follows with 89, and close behind is Illinois with 22 students enrolled. The other states represented are Wisconsin, Iowa, Ohio, New Jersey, Kentucky, Kansas, Pennsylvania, Tennessee, South Dakota, West Virginia, and Washington. Japan sends two representatives and China one. One of the two students from Arabia who attended Hope last year has returned. One other representative from Japan, who was with us last year, has not returned to the college this year.

Miss Myrtle Lampen and Miss Albertha Geers entertained with a miscellaneous shower Tuesday evening in honor of Miss Isla Mae Potter, who will become the bride of Lambert Olgers, graduate of Western Theological seminary. # RESIDENT OF HIGHLAND PARK ROBBED OF \$6,500 DURING CHICAGO VISIT

Mrs. Rene Seligman, a resident of Highland Park, Grand Haven, who spends a large portion of the year here, was robbed of about \$6,500 worth of jewels while in Chicago recently. Mrs. Seligman was in company with Mr. and Mrs. L. L. Parker of Chicago with whom she was staying and Miss Mona Maehl of Chicago and the jewelry worn by the three women at the time of the holdup is reported to have been worth \$25,000.

Two gunmen fired to curb the machine driven by Parker as he attempted to let Miss Maehl out of the car. By reversing the machine he got away without the robbers firing several shots after him. He halted his car at North avenue, and told the women to take stock of their jewels which were hidden about their persons. As the party stood on the sidewalk a young man, accompanied by a girl, stopped his car, got out and said "That was a close call with those robbers. I saw it."

He conversed for a time, then helped the women back into Parker's car. When the party reached the Parker home Mrs. Seligman discovered her loss.

Asserting her belief that the young man who had talked with them managed to take the jewels, which were bundled in a handkerchief, while helping Mrs. Seligman into the car, Miss Maehl returned to a club where they had been and found him among the crowd of several hundred.

He was identified as a professional gambler.

## LOCAL ENTERPRISING FIRM TAKES NATIONAL DRUGGISTS BY STORM WITH COLORFUL DISPLAY

Undoubtedly the saying is true "You do not know what is being created in your own town." If you want to see evidence of that go to the Model Drug Store, where you will see the greatest pharmaceutical display ever witnessed in Holland.

The way this display came to this city was through the De Pree company and the efforts of Willis Diekema, the manager. For the past two years Mr. Diekema and his aids have been rejuvenating all San-Tox packages, more than 300 different varieties, and the color schemes and the pictorial features are works of art and indicative of the remedies that are in the packages. For instance brown tablets or solution has a brown color scheme on the packages. Pink pills for pale people are done up in light packages with a pink complex and effervescent salts is portrayed in a bubbling and sparkling glass. Pied Piper, with his flute, leading the rats out of the village, according to the nursery rhyme, is portrayed on a compound of rat poison. And so down the line. Each color and each picture has its significance.

It took two years for the De Pree Company to bring about this transformation from what is known as the "Blue Line." Blue is still very much in evidence as is the well known trade mark of the nurse, but blue is not the predominating color.

Just recently the De Pree company was represented at the druggists' convention in Chicago, where 5,000 national druggists gathered. Headquarters were at the Sherman House and the same display now in the Model Drug Store was on exhibition in the exhibition hall of the hotel, and pardon the slang phrase—the druggists "simply went wild" over the arrangement of this wonderful collection of home remedies and tablet preparations.

The pyramided formation and the step fashion arrangement with bottles and packages and colors all fitting in and blending must have been a tremendous job. But the subject matter in pictures and colors was the work of a genius. The display is to be at the Model Drug Store during the next ten days. It would be worth your while to drop in and see this pharmaceutical fair in variegated colors occupying a third of the building and you can at the same time gain some idea of what at least one manufacturing plant in Holland is doing.

# APPLE TREES BLOOM ON MICHIGAN ROAD

Grand Rapids Herald—"Spring rains" in October seem to have fooled the apple trees on a farm on Elborn Ave., just off Michigan road, according to G. Van Loo. Mr. Van Loo reported to The Herald yesterday that apple trees on his farm were in bloom, and he suggests a blossom tour out Elborn Ave., in competition with the Autumn Color tour.

## HOLLAND HAS REASON TO BE PROUD OF ITS MANUFACTURING

Elsewhere in this issue an article appears relative to a pharmaceutical display made at Chicago by one of our manufacturing plants.

Just recently circulars have been sent out that the printing business pays out annually \$115,000 and employs 112 persons, of which the Holland City News will have more to say later.

On page 2, section 2, of this issue there appears seven wonderful display announcements of the H. J. Heinz Company, internationally known as the firm making "57 varieties" of wonderful foodstuffs. It will make you feel hungry simply to look at that page. But Holland is especially proud to see this nation-wide advertising campaign through press and radio because our city forms a part of the foundation that makes all this possible.

The H. J. Heinz Company has been one of our mainstays industrially for more than thirty years. The management has been quiet and unassuming, tending to their own business, but efficiency, dignity and courtesy have always been dominant features. As we know the Holland plant the adage "cleanliness is next to Godliness" is an unbreakable rule in this Holland establishment.

Mr. J. A. Hoover, the genial manager and Holland's friend, has been an enterprising citizen for a number of years and has the love and respect of the entire community.

We again say it is gratifying for in these announcements are depicted more of Holland's products from

# the farm and from Holland labor.

Howard Heinz correctly defines the intimate relationship for good that the H. J. Heinz Company holds as this relates to the housewife when he says:

"The House of Heinz is a kitchen, not a factory. The first Heinz product was grated horseradish, grated to save housewives the time and toil of grating it for themselves. That was our start, and from that start we have gone forward. Today we do 57 kitchen tasks for housewives—to save them kitchen-time and kitchen-toil. Today we bring help to housewives all around the world. Today, in the Heinz kitchens, we go on making the housewife's world a happier place to live in."

Tune in on Josephine Gibson's "Hostess Counsel" broadcasts, sponsored by Heinz' 57 varieties, for the newest appetizing menu and recipe news, Monday, Wednesday and Friday morning, over your nearby NBC station.

# AN INVITATION TO THE PUBLIC OF HOLLAND

The Model Drug Store invites you to a special exposition of the new San-Tox and Nurse Brand Products, to be held at our Store commencing Friday, October 13th.

We have long felt that the people of Holland would welcome an opportunity to become better acquainted with ALL the products manufactured locally, and since so many important changes and additions have been made to the SAN-TOX line in recent months, this seems to be a very opportune time for a special local exposition.

We shall greatly appreciate your attendance, even if purely as a matter of community interest. This display will clearly demonstrate that there is no reason why you can not conveniently patronize a home industry the growth of which will help to create employment, build our City, and benefit us all.

## REMODELING OF BUILDING REMINDER OF "KOFFIE KLEETZ"

The remodeling of the first floor of the old Boston restaurant is a reminder of the old "Koffie Kleetz" days over which Nick Hoffman, the genial restaurateur, who has just retired, presided for so many years. The place is going through a tremendous transformation and will be turned into an up-to-date grocery and food store. The entire front has been taken out and Fred R. Turnbull, noted store front designer of Grand Rapids, made designs for this building. Contractor Abel Postma has a force of men at work installing the front and remodeling the interior of the building. A building permit has been granted by the common council and the rejuvenation will cost in the neighborhood of \$1,000.

Attention will also be paid to the lighting arrangement and the Kawneer Alumilite Construction is to be used in the new front. The building will be ready for occupancy some time during October. The occupants are to be the Thomas Wholesale Grocery Co., and C. Thomas, the manager, is having the remodeling and general repairs done. Mr. Thomas conducted groceries here some six years ago.

Mr. Abel Postma who was awarded the contract, has possibly installed more fine store fronts in Holland than any man in the city. In the good old days Mr. Postma received his share of the building programs in Holland and vicinity and his artistic handiwork is evidenced throughout Holland.

The Holland City News can lay just claim to being one of the oldest if not the oldest tenant in the city of Holland. This newspaper has occupied the second floor of this same block, namely the Boot & Kramer building, for 41 years and this locality has become home to them.

Legionnaires and auxiliary members of Zeeland enjoyed a pot-luck supper Friday evening in the city hall. This was the last meeting to be held in the city hall, where meetings have been held since the organization of both the Legion and auxiliary and the party was in the nature of a farewell. Following supper a program was presented, after which games were played.

He also visited his brothers, Herman and William, who are attending the Presbyterian Theological seminary in Chicago. Herman Janssen returned with him to spend a few days at the home of his mother, Mrs. Lena Janssen of North State street.

## EBENEZER

Ebenezer Reformed church at East Holland is sponsoring plans for the fiftieth anniversary of the dedication of its church edifice Nov. 16 with special services afternoon and evening. There will be a homecoming for all who have been affiliated with the congregation and former residents of that vicinity.

The church was organized in 1866 with the late Rev. J. Kuiper as its first pastor. None of the charter members are living. The edifice was destroyed by fire in 1883 and the present building was dedicated in the fall of that year. Efforts will be made to obtain former pastors to speak at the festivities. These are: Rev. H. J. Pietenpol of Iowa, Rev. James Weyer of Holland, Rev. Garrett Flikema of Kalamazoo, Rev. Richard Roseboom of Denver, Rev. Albert H. Strabbing of Holland, and Rev. Josias Meulendyke of Rochester, New York, who has been an ordained Reformed minister since 1876 and the oldest living graduate of Hope college and Western Theological seminary. It was during his pastorate the first edifice was burned.

Rev. J. P. Schortinghuis assumed the pastorate four years ago upon his graduation from Western Theological seminary. The congregation numbers 129 members and 57 families. Members of the present consistory are Elders John Van Leeuwen, John Schaap, John E. Naber, Henry DeWitt; deacons, Aaron Bronwyke, Henry Mulder, Herman Kortering, Arthur Boeve.

Accepted and filed. Clerk presented petition from residents in vicinity of the ice houses on W. 16th St., again requesting removal of these buildings. The petitioners claim the building to be infested with termites. They further contend that it is a fire hazard and an eyesore and for these reasons should be torn down.

Referred to Ald. Brieve, Chairman of Civic Improvement Committee. Mayor suggested that the whole Council act as a committee. It was the contention of the Mayor that if it was true that termites infested this building, it should be torn down for this reason if for none other. Carried.

Reports of Standing Committees Street Committee reported that the grading in the Chamber of Commerce Sub-Div. is about completed, and recommended that further work of this nature should be undertaken in order to furnish work for the unemployed. In this connection, it was recommended that 24th St., from Michigan to Washington Ave., and Raalte Ave., from 24th to 32nd Sts., be graded, and that the cost be assessed against the abutting property owners in five equal installments, payments to begin two years after the completion of the grading.

Adopted, all voting aye. St. Committee further recommended that some grading be done on Lake St., from Washington Blvd. to 9th St.

Adopted. Mayor Bosch recommended in this connection that it might be advisable to have Van Raalte Ave. paved from 9th to 17th Sts., or possibly farther south. The Mayor suggested that a petition be circulated to get the views of the property owners along this street on the matter.

Adopted. Sewer Committee reported having met with the B.P.W. relative to the construction of the sewer in Fairbanks Ave., from 11th to 4th Sts. They further reported that since Fairbanks Ave. is the boundary between the City and Township, that it would be necessary for some arrangement to be made relative to the connection charge for residents living outside the city. The Committee further reported that at arriving at such figure, the Board estimated this cost would run somewhere between \$12.00 and \$15.00 per year per benefit.

There was considerable discussion as to the advisability of going ahead with this sewer, and on motion of Ald. Thomson, seconded by Kleis,

Clerk was instructed to request the B.P.W. to proceed with the necessary plans and specifications so that the sewer may be put in.

Van Zoeren, Chairman of Ways and Means Committee, reported that some time ago a recommendation had been presented by the Auditing firm which recently audited the city's books that a new accounting system be installed for the City Clerk and City Treasurer's offices, which system would

be more suitable for present day needs.

Referred to Ways and Means Committee with instructions to make an investigation and report back to the Council at next regular meeting.

It was further reported that the Committee had met with the B.P.W. and inasmuch as a new system would be a great convenience to them, they were willing to stand half of the cost of installing such new system.

Ord. Committee reported for introduction an ordinance relative to amending our present Building Ordinance.

The ordinance had been introduced previously, and on motion of Ald. Kleis, seconded by Prins, The Ordinance was now referred to the General Order of the Day, to be taken up in a Committee of the Whole.

Baker, who has been operating the Baker Transfer Co. on W. 10th St., over which there has been considerable complaint, has voluntarily moved from this location and is now located on W. 9th St., in the building with Ed. Leeuw. Mr. Lokker further stated that he felt Mr. Baker should be commended for his action in voluntarily complying with the request of the Council to find another location.

The claims approved by the Library Board in the sum of \$142.28; Hospital Board, \$234.26; Park & Cemetery Board, \$793.40; Police & Fire Bldg., \$750.92; B.P.W., \$15,048.47, were ordered certified to the Council for payment. (Said claims on file in Clerk's office for public inspection.)

Ald. Prins, supported by Kleis, recommended that the Art hall and horse barns be auctioned off.

Ald. Van Zoeren, seconded by Van Lente, recommended to the Cemetery Board that only the E 1/2 of the N 1/2 of the Fairgrounds property be developed at this time. Carried.

Clerk presented communication from the B.P.W. requesting authority to engage competent engineers to prepare an estimate of cost of the necessary improvements at the Sewage Disposal plant as proposed in the contemplated N.R.A. loan. Granted.

General Order of the Day On motion of Ald. Kleis, the Council went into the Committee of the Whole on the General Order, whereupon the Mayor called Ald. Huyser to the Chair. After some time spent therein, the Committee arose and through its chairman reported having had under consideration an ordinance amending our present Building Ordinance, asked concurrence therein and recommended its passage. On motion of Ald. Kleis, seconded by Prins, The report of the Committee was adopted and the Ordinance placed on the order of "Third Reading of Bills."

## Will Road Board Take Over Co. Drain Office?

(Continued from Page One)

including 1187 persons. There were 12 men sent to the Michigan Soldiers' home in Grand Rapids and one was sent to the American Legion hospital at Battle Creek. Dr. A. E. Stickley of Coopersville, chairman of the commission, addressed the board and pointed to the continued need in this county.

A communication was read from the state emergency relief commission calling attention to the ruling that names on the welfare lists were not to be made public.

The report of the superintendent of the poor requested an appropriation of \$1,600. Gerrit Zaagman, member of the commission, explained the need for rehabilitating the sewage system there which has been approved by the state health department, calling for \$1,600. He believed this improvement should be made at this time when possibly welfare labor could be employed. An item for \$1,000 for board was discussed, Charles E. Misner calling attention to the small amount charged to fathers of illegitimate children in this county as compared to other counties. The fund is one that has been accumulating in the general fund of the county and the superintendents suggest it be made a separate fund with which to meet demands of the kind.

The total receipts from townships and cities for the support of the county infirmary is \$18,740; the sale of products on the farm are estimated at \$659.78, leaving a balance of \$1,600 to be appropriated by the county.

Grand Haven spent \$4,395.67 for the care of inmates at the infirmary during the fiscal year; Spring Lake, \$1,446.43; Holland City, \$2,261.76; Robinson township, \$791.79; Grand Haven township, \$209.86; Crocker township, \$648.86.

Benjamin Brower requested that copies of the soldiers' relief commission and the county treasurer be made for each supervisor.

It was suggested that the drain commission be combined with the Ottawa county road commission, thus doing away with a drain commissioner. According to state law the two departments are separate units. This will be rather hard on Commissioner George Bork. Other articles on the board of supervisors are found elsewhere in this issue.

Austin Harrington, chairman of the board, reported that the estimates and plans for the Lake Shore road and the Jamestown road, which were to have been presented to the board for their final approval, would have to be sent to Lansing again before they would be in shape to be passed upon by the board.

Report on Health Unit. Dr. Ralph Ten Have made a report on the Ottawa county health unit which has been established since January 1, 1931.

C. P. Milham asked the co-operation of the supervisors in interesting rural residents who are being pressed by financial conditions and the probable loss of their property to sign a petition asking the federal court to appoint a conservator commissioner for Ottawa county, who serves under federal employment. He outlined the assistance it would be to the farmer faced with foreclosure. It takes the signature of 15 residents to secure such a commissioner, he stated.

Fritz Jonkman of Holland, recently appointed director of work relief in this county, requested the co-operation of the several supervisors in finding public work of some type which might be done in his immediate territory.

The report of the auditing committee was made. A representative of the Starr commonwealth requested the usual assistance.

The Zeeland Hatchery association asked for an appropriation of \$250 for educational purposes. This was referred to the agricultural committee.

After election of county officers and committee reports, the board of supervisors adjourned this noon until tomorrow to give the members of the good roads committee the opportunity to go to Lansing this afternoon in the interest of the proposed lake shore and Jamestown road projects. Members of the commission made the trip at their own expense.

J. Truis of Zeeland was named school examiner this morning, winning over J. Vander Ven of Holland on the fourth ballot. Simon Kleyn of Holland was again named superintendent of the poor, and Mrs. Martha Van Koeveering, who resides near Zeeland, was elected to the old age pension commission. Other members of the latter group are Probate Judge Cora Vande Water and Mrs. Anna Poppen of Holland.

Henry Slaughter's suggestion that the county allow a discount on all taxes that are paid before Jan. 10 was tabled until tomorrow. Mr. Slaughter contended that public utilities offered a reduction for prompt payment, and that the county should also offer some premium.

## MRS. G. J. DIEKEMA ADDRESSES LOCAL CLUB

Mrs. G. J. Diekema, formerly of Holland and now of Ann Arbor, addressed the members of the Woman's Literary club Tuesday on the subject, "Looking Around."

The speaker pointed out that disarmament is being discussed by organized groups all over the country at the present time and that the whole world is wondering whether it can get anywhere with the problem of justice and international friendship, so that she felt that her theme should follow these universal lines of thought.

Mrs. Diekema indicated that people find in the world what they are looking for, and if they take their home town environment with them wherever they go and never see foreigners except according to home-town standards they will never get the wider view of humanity so necessary to peace and international understanding.

After showing that the underlying impulse of people is to be friendly, Mrs. Diekema went on to point out what a powerful organ the press has been in the past to disrupt that feeling of good will between nations. "The time has come," she said, "to manage the press in the direction of peace and disarmament." She bemoaned the fact that many are taking the attitude that humanity cannot be changed and that war cannot be outlawed, and urged that people must be cured of this fear and must have faith in the new project of international good will. She indicated that people are not following the standards set up by Christ unless they believe that this better world can be brought about.

Following Mrs. Diekema's address, Mrs. Kollen spoke a few words of approval for the sentiments expressed and moved that the Woman's Literary club send to the peace conference, which will meet in Geneva next week, a cablegram indicating that the club has gone on record as favoring disarmament.

At the opening of the meeting, Mrs. Arthur Vischer, accompanied by Mrs. W. Curtis Snow, sang two selections from Chamaeud, "Love Song," and "Were I Gardener."

## Bitter 'n' Sweets

By Frank L. Ashley  
A PROPOSAL

I never ran around and drank  
A lot of beer;  
I never robbed a baby's bank,  
So it seems queer  
That I should be destined to live  
My life, alone,  
When some nice girl could surely  
Give me moral tone.

I wish I knew some girl on whom  
I could depend—  
One who knew how to use a broom  
And who could mend  
My shirts and socks and underwear  
When they are torn;  
It's really more than I can bear—  
I'm so forlorn.

There must be some girl on this earth  
To heed my plea:  
Someone to bring a little mirth  
And joy to me;  
Give me a blonde, or you can make  
It a brunette;  
I'm not particular—I'll take  
What I can get. V. E.

The first Parent-Teacher meeting of the year is to be held Tuesday, October 17, at 7:45 in the high school gymnasium. The program committee has arranged an interesting and varied program. The main feature of the evening

will be an address by Mr. C. Lloyd Goodrich, former deputy superintendent of public instruction. Mrs. Hattie Crogan returned the first of the week to her home in Plymouth, Wisconsin, after spending six weeks here visiting her children, Mr. and Mrs. Kenneth Folkersma, at their home on East

Cherry Court. She was accompanied by her children as far as Chicago. Mrs. John Schamper of Holland and Mrs. Jacob De Vries of Portland, Michigan, spent Tuesday here as guests of Mr. and Mrs. Thomas Kraai at their home on East Cherry court.

The following Boy Scouts of the Second Reformed church attended the Notre Dame football game on Saturday: Randall Claver, Orrin Elenbaas, Vernon Post, Jack De Kruif, Kenneth Winstrom, Edward Schultema, Francis Fairbanks, Glen Van Volkenburgh and Gordon Holleman.

## Want Hunters To Send Bird Information

TALLY CARDS ARE DISTRIBUTED BY CONSERVATION OFFICER KUIE

Michigan bird hunters again are being asked to submit their field observations and hunting results to the Department of Conservation through the use of tally cards. The tally cards, now being distributed through the upper and lower peninsulas by conservation officers, provide for the listing of information about pheasants, prairie chickens and ruffed grouse. In Holland, Maurice Kuite is the man to see.

In past years thousands of hunters have filled out the cards and submitted them to the Lansing office or to a conservation officer. Through the compilations made from these cards, and letters sent in by observers and hunters, the Game Division of the Department is able to obtain a fairly accurate account of the hunting and relative abundance or scarcity of the birds in the various parts of the state.

The cards ask for the hours hunted, birds seen, birds bagged and the number of cock and hen pheasants seen each day of the hunting season.

Those interested are invited to send in additional information or suggestions which may be helpful in understanding the upland bird situation in the state. Those in the upper peninsula, who know the sharp tail grouse well enough to distinguish it clearly from the prairie chicken are especially urged to send in information as to the range and abundance of the sharp tail grouse.

RALPH VAN LENTE  
HEADS CIVIC CHORUS

The Holland Civic chorus held its opening meeting Monday evening in Hope Memorial chapel. The election of officers was held which resulted as follows: Ralph Van Lente, president; Martin Dykema, vice president; Jack Bos, treasurer; and Mrs. A. Buter, secretary. Approximately 100 were present at the first meeting. The officers were nominated by a committee composed of John Van Appledorn, Mrs. H. Waller, Mrs. A. Klompars and Miss Vera Johnson.

The chorus aims to enroll over 200 members to sing in the annual presentation of Handel's "Messiah," which it will give with orchestra accompaniment as a Christmas entertainment.

Albert Buter was appointed to the patron committee, who will solicit patron memberships.

The chorus, directed by Prof. W. Curtis Snow, and accompanied by Mrs. Snow, will meet every Monday evening from 7 to 8 o'clock at the chapel.

SPRING LAKE OBTAINS  
ITS FIRST SNOWFLOW

At the last meeting the Spring Lake village council purchased a snowflow, the first the village ever has boasted. There are about six or seven miles in the village that will be cleared as the county clears Savage Ave., a part of US-16.

A committee, including William Hammond, Andrew Peterson, Geo. Geeling and Peter Freeno, will go to Saginaw Friday to investigate the progress of the sewage disposal plans and the details of the loan from the government. It is estimated the cost will be about \$20,000.

The city hall was turned over to the schools for basketball this winter.

QUILT ON DISPLAY

Grand Haven Tribune—A beautiful quilt is being exhibited in the window of the Addison-Baltz store made by Mrs. Jacob DeWitt of this city. It was exhibited at a Century of Progress and contains 25 yards of material and 220 hours were employed to make it.

AFTER THE ALLEGAN POSTMASTER'S SCALP

Allegan Gazette—Some "hungry and thirsty" Democrat lately made a movement to displace Postmaster Ferris of this city. He sent into Democratic headquarters a charge that Mr. Ferris has been guilty of "pernicious political activity" which is the phrase usually employed when it is determined that some Republican official shall be displaced. The charge was not signed. There is in this city no man more aloof from politics than is Mr. Ferris. He attends strictly to the duties of his office and has no other connection. Republicans have never displaced a Democratic postmaster until expiration of his term. There have been three such cases, those of Charles H. Adams, John Bracken, and Claude Firestone. Some prominent Democrats have no sympathy with this unknown accuser.

Mrs. Lewis Spoelman, age 50, of Hudsonville, died Saturday at Holland hospital. Surviving are the husband, five children, Grace, Winnie, Simon and Cornelius, at home, and John of South Blenheim. Funeral services were held at 1 p. m. Tuesday at the home and at 1:30 in the Christian Reformed church at Beaverdam. Burial was at Georgetown.

Austin Harrington gave six bushels of tomatoes to the Junior High economics class and this was augmented by another couple bushel from Mr. Morris. This will enable poor students to "catchup."

Miss Hendrina Kragt entertained the Happy Hour 4-H clothing club at her home Saturday afternoon. Games were played and refreshments were served. The next meeting will be held at the home of Miss Ethel Dams.

## ALLEGAN FINANCES IN BETTER CONDITION

According to an informal report made today before the board of supervisors by Samuel J. Hanna, finance committee, Allegan's financial condition is considerably improved over a year ago.

While the poor fund deficit totaled \$15,401.20 last October, a deficit of only \$7,166.79 is now noted. The general fund deficit increased to \$40,441.77 over \$40,448.20 of a year ago. Yet a total of \$62,150 is tied up in county banks at present in comparison to only \$13,000 so held last year. The county owes approximately \$65,000, according to Hanna.

There is an approximate tax delinquency of 25 per cent, he says.

## CROCKERY TWP. MAN DEMANDS EXAMINATION ON CHARGE OF ASSAULT

Edgar Wagener of Crockery township is being held in the county jail, in lieu of \$150 bail, charged with assault and battery. He demanded an examination which was set for Monday, Oct. 6, at the office of Prosecutor John R. Dethmers. Complaint was made by Mrs. Linette Eike that she and her mother, Mrs. Mary Yeatter, were attacked by the defendant and Mrs. Yeatter was said to have been seriously hurt.

The quarrel arose over some wood which the plaintiffs held on their property and which the defendant claims he had a right to. Charles Brown, Holland township, was given 30 days in the county jail as an accomplice of Ray Romeyn's in a breaking and entering job at a gas station in Holland, made several months ago. Both cases were held before Justice Paul Behm on Saturday afternoon.

## Second Step In Murder Case At Grand Haven

MOVING PICTURES PLAY PART  
IN GRAND HAVEN MURDER  
CASE

After convicting his partner, Wallace McCafferty, for the murder of bridge tender Frank Wallace at Grand Haven, William Wildorf is being tried before Judge Fred T. Miles without a jury which he waived. All the testimony is in and Judge Miles has been hearing the arguments by attorneys today.

During the taking of testimony moving pictures were shown by the defense reenacting Wildorf's supposed actions from the time he saw Wallace's lantern, as he was coming along the track north to the swing bridge, until Wildorf has crossed the swamp leading to the rear of the Kiddie Kover plant and returned back to the trestle where he was found by Trooper Coykendall, state police officer.

The pictures were shown in the vault of the county clerk before Judge Miles, the officers, Mrs. Wildorf, the mother of the defendant, reporters, the clerk of the court and attorneys. Leo Lillie, defense attorney, explained that the time consumed by Wildorf as he left the place on the tracks, where he said he stood when he saw Wallert coming, until he reached the rear of the Kiddie Kover was about four minutes.

Wildorf was shown walking with the sheriff at about the pace Wildorf said he took that night. The distance is about 1165 feet. While hiding behind the factory, Wildorf said he heard the sound of two heavy blows.

A map and other pictures showing where Wildorf was picked up by the officer and the points where the clubs lay were also received as evidence.

The testimony of the many witnesses brought on by the people in the McCafferty trial up to the time of the assault was accepted by the defense.

The testimony of the second trial will evidently center on Wildorf's actions after he and McCafferty walked to the railroad tracks to meet Wallert.

Trooper Coykendall testified that he found Wildorf sitting on the support of the trestle which is somewhat lower than the tracks, and that he had been drinking. Wildorf seemed surprised at the news of the attack, he stated. The officer asked him where he got the pants and Wildorf replied that he had found them.

Sheriff Rosema testified that Wildorf told him he had found the pants in a hobo camp but as they were clean and pressed the sheriff accused him of lying.

On cross-examination of Coykendall, Sgt. Baugh and William Mieras, all three admitted that they had never heard that Robert Lytle, who assisted Wallert that night, had said that Wallert told him that he was assaulted by a couple of "bums."

The sheriff stated that Lytle had told him that Wallert had been held up by two men and that was the reason for their continued search after Wildorf had been arrested by the state police.

Wildorf denied to the officers that he had been with McCafferty on Sunday, Aug. 27, the day of the murder, Sheriff Rosema testified and later refused to tell where McCafferty lived.

Wildorf told the officers at first that he had been at the Construction Materials company and was walking back when he was found by the state officers, testimony showed.

The written statement telling of Wildorf's action that night which was given to Sheriff Rosema after the arrest was submitted as an exhibit for the people.

Mrs. Wallert is attending the trial as well as Mrs. Wildorf, mother of the defendant.

William Wildorf was the chief witness in the defense who repeated the story he had given to the officers following his arrest on the night in question. He maintained that he became frightened when he saw Wallert coming north on the tracks leading to the trestle and he said to Wallace McCaf-

## COUNTY CLERK, JAIL INSPECTORS REPORT AT OPENING OF IMPORTANT SESSION

The board of supervisors met at the court house, Grand Haven, Monday morning for the first day of the six-day session scheduled in October for determining the annual budget, and arranging the taxes and apportionments for the various cities and townships of the county.

There were two reports made today: one from the county clerk, the other from the jail inspectors. A request was read from the Michigan Tourist and Resort Association for funds to carry on the work. It was referred to the finance committee.

A communication was read from the state showing that this county will be assessed \$29,095.59 for state taxes.

Peter Damstra from Holland moved that all reports coming before the board at this session be filed with the clerk or presented to the board not later than 10 a. m. on Oct. 11. It was approved.

The county clerk's report, a long one, showed the total disbursement of the general fund for last year to have been \$178,223.59. Total receipts to the county clerk's office were \$387,783.73. The various county office receipts and the disbursements were itemized, making a very detailed report.

The report on the county jail showed Sheriff Rosema to have the building in excellent condition. There were 159 confinements there during the past six months for 48 offenses. The inspection was made Sept. 21.

The board adjourned to meet on Tuesday at 10 a. m. and in the meantime the various committees of the board went into committee meetings for business delegated to them.

Funeral services for Mrs. Harm Weaver, formerly a resident of Graafschap, were held last Friday in Fremont, where she had lived for more than 50 years.

Forty, his partner, "Here comes Frank. I'm going to beat it." McCafferty, he said, replied, "Are you turning yellow?"

Wildorf stated that he paid no attention to the remark from McCafferty while walking through marsh leading to the Kiddie Kover plant and hid behind it until he heard two distinct thumps. He then returned to the scene but McCafferty was gone and so was Wallert. He stated that he did not hear any cries from Wallert.

The next time he saw McCafferty was at the examination of the two in Justice court.

Conflicting testimony was given by the officers, including Sheriff Rosema, Emil Klumpel and Trooper Coykendall, regarding Wildorf's actions leading up to the assault.

Wildorf told them he had not seen McCafferty all day Sunday, that he had been in Central Park, that he had been at the Construction Materials company and that he had found the pants he had with him, in a hobo camp.

Wildorf explained to Judge Miles that at the time he had made those statements he was not clear on anything as he had been drinking on Saturday night and Sunday and he always suffered loss of memory when in that condition.

His memory appeared to be clear on points made in the written statement but was foggy on those that conflicted with the testimony of the officers.

Leo C. Lillie maintained that it would have been impossible for his client to have swung the heavy club with the pants under his arm. Maurice Rosema, court officer, demonstrated that he could hold the pants under his arm and wield the heavy club with force sufficient to have knocked down a man.

Wildorf was returned to the county jail, where he will remain until Thursday when the arguments are made. It is expected that Wallace McCafferty will also remain at the jail and will be sentenced by Judge Miles after the Wildorf case is decided.

Judge Miles explained that he would not be able to hear the case earlier than a week on account of being out of the city and engaged in other cases set for certain days.

The arguments were set for today, Thursday.

## BEEF DELIVERY TO HOLLAND FACTORY

Farmers who are growing sugar beets for the Holland plant are planning to begin a systematic and orderly delivery of beets Monday, October 16. Beets will be delivered at the same rate they are processed after a few days' supply has been stored in the yards. The purpose of this kind of delivery is to secure the most sugar possible from each ton of beets. To store a large quantity of beets in the yards would result in loss of sugar by spoilage.

The growers and the Lake Shore Sugar Company share equally in the returns from sugar, beet pulp and molasses produced. By the middle of November the growers will complete harvesting the beet crop. At this time any beets not delivered will be placed in piles on the farm, covered with beet tops and corn fodder and held until such time as they may be delivered to the plant.

Experience has proven that beets so treated will keep in good condition indefinitely.

## Marriage Vows By Daughter of Publisher

FRENCH-BUTLER WEDDING  
CEREMONIES SAID AT THE  
HOME OF BROTHER

(Holland Evening Sentinel)

Miss Dorothy Ruberta French, daughter of Mr. and Mrs. C. A. French of Holland, and Wilford Butler of Grand Rapids, son of Mr. and Mrs. W. J. Butler of Standish, were united in marriage Saturday evening at the home of J. D. French, brother of the bride, and Mrs. French.

The ceremony, which took place before an improvised altar of palms and ferns, was performed by the Rev. E. Paul McLean of Hope college. Tall bunches of pink and white chrysanthemums stood on either side of the archway of palms while white candles in tall candelabra threw a mellow light on the wedding party.

Miss Eleanor Hansen of Chicago was maid of honor. Mr. Butler was attended by Garvey Rice of Detroit. The bride was given in marriage by her father.

A delicate hue of blue satin fashioned the bride's gown, with a full skirt which fell to the floor with an even hemline. The bride wore shoes to match her gown and carried a bridal bouquet of white roses, white sweet peas and swainsons.

Miss Hansen was gown in pale pink satin and wore shoes of the same hue. Her bouquet consisted of pink roses and swainsons. Mrs. French, the bride's mother, wore a gown of black chiffon, while Mrs. Butler was dressed in black crepe. Both mothers wore shoulder bouquets of roses and swainsons.

Montie Emmerson, violinist, accompanied by Gerald Henschel on the piano, furnished the music, playing Mendelssohn's wedding march for the processional.

A reception followed the ceremony, after which supper was served to 65 guests.

Mrs. Butler has lived with her parents in Holland for about a year, coming here from Chicago. She is a graduate of Michigan State college, where she was a member of Sigma Kappa sorority.

Mr. Butler is Grand Rapids manager for a trucking firm.

After the wedding supper, Mr. and Mrs. Butler left for a short motor trip, following which they will make their home in Grand Rapids. For her wedding trip, Mrs. Butler wore a bottle green ensemble trimmed with monkey fur. A brown hat, and brown accessories completed the traveling costume.

A number of friends and relatives from out of town attended the ceremony, among them the bridegroom's parents; his brother, C. H. Butler, and Mrs. Butler of Detroit; his sister, Mrs. Fred H. Jones, Mr. Jones and their daughter, Onalee of Flint; and Mrs. J. L. Wakeman of Detroit.

Mr. and Mrs. George B. M. Tower and Mr. and Mrs. W. Earl Lakey of Muskegon were present for the ceremony while Mr. and Mrs. Wilbur S. Barnes, Mrs. Cora Gay Trowbridge and Dr. and Mrs. J. A. Vanden Bosch attended from Grand Rapids.

Among the guests from Lansing were Mrs. Adelaide Northam, Mrs. Katherine Sheehan, Miss Grace Harvey, Miss Ruth McLeellan, Mr. and Mrs. Percy Gram, Mr. and Mrs. William Gram and Mrs. Jennie McEwain, Randall French of Chicago, brother of the bride, and Mrs. James B. Foote of Jackson, mother of Mrs. J. D. French, were among the guests.

Editor's note: Miss French is the daughter of Mr. Charles A. French, publisher of the Holland Evening Sentinel.

About 150 Boy Scouts from this area attended the Notre Dame-Kansas football game at South Bend, Ind., Saturday.

Among those from Holland who recently attended the Century of Progress exposition in Chicago were Miss Caroline Hawes and Miss Bernice Bishop, Mr. and Mrs. Ray Young and Harry Bronkhorst, the Misses Jeanette, Lydia and Margaret Brink, Marie and Jeannette Bareman, Geneva Alderink and Marian Lambers, Mr. and Mrs. John Boeve and son Donald, Mr. and Mrs. Andrew J. ## Railroad Jack Spoke Before Exchange Club

THE MAN WITH MOST WONDERFUL MEMORY "PASSED OUT"; MEMORY GONE

"Railroad Jack," the wandering human history book, is dead at Ann Arbor, and college boys in all parts of the country who collected beads through his photographic memory are grieved to hear about it.

His real name was Harry Cooper, but few knew that. He plied his trade mostly in college towns, and he could tell when Mircabeau was born, how old Croesus was when he died, the age of Mary, Queen of Scots, the length of Peter the Great's Whiskers—all without so much as consulting a notebook.

He made his headquarters at the University of Michigan and a few days ago his body was found in an abandoned building near Coldwater, in the southwestern part of the state. Physicians said he apparently died of heart failure. He was 79.

"Railroad Jack" could remember anything he ever read. He had a "photographic" mind, and when he once read a historical date, he never forgot it. Students, who were his greatest favorites, took up collections to keep him in clothing. Henry Ford once gave him an automobile to continue his wandering "paved history lessons." Hundreds of beads were collected by calling in "Railroad Jack" to reveal the historical date in question. He roamed to most of the college towns in the country, always returning here, to a shack he called "home."

"There are 100,000 characters in history," said "Railroad Jack," and I can tell something about 5,000 of them. The average person can't name more than 100."

He often said he took the name "Railroad Jack" because he knew a man once who worked on the railroad. He could tell his questioners on which side of the track the depot was located in any town in Michigan, but that's all he knew about railroads.

Not long ago he said he had killed his body, after death, to the University of Michigan medical school.

"I want anatomists to examine my brain," he said, "so they can find out what gives me the power to remember."

For thirty-seven years he wandered through the country in his gaudily decorated truck, earning his living by standing on street corners answering questions about history.

"What use is my knowledge?" he said once, after demonstrating that he had memorized the calendar for 60 years back. "Well, I make a living. And I meet a lot of nice people."

"Railroad Jack," about 7 years ago, spent a few days in Holland as guest of the Exchange and Rotary clubs and spoke in several places in Holland during his stay. He sure was a strange character and very interesting.

WELFARE HEAD PAYS  
COUNTY COMPLIMENT;  
HOLLAND NOT SO HOT

Grand Haven Tribune—A. E. Westfall, district director of state welfare and in charge of the western half of Michigan, was in the city yesterday. He complimented the Ottawa County Emergency Relief committee on the simplicity of the organization and the low cost of conducting the overhead.

He particularly complimented Grand Haven on the initiative displayed in procuring work for the welfare men as indicated by the large proportion of work relief paid out here as compared with direct relief. The reports for August show that this city paid out one-fifth as much as Holland for direct relief.

There is an increasing amount of work to be done on this committee, of which Mayor Lionel Heap is chairman. There is no compensation for members of the committee and many hours work each week is donated to this program. Accurate accounts must be kept of the amounts of money coming into the county from the state and federal government and how it is distributed to the various cities and townships in the county.

THIEVES STEAL CAR AND  
LOOT AT SAUGATUCK  
GARAGE

Two robberies, one of a garage in Shelbyville and the second the theft of an automobile at Saugatuck, were reported Wednesday morning to the sheriff's office and an investigation by Sheriff Fred Miller and Deputy Ed Clock revealed that twenty-six batteries were taken.

Thieves gained entrance to the garage, owned by R. Fowler, by taking out a small pane of glass, nine by twelve inches, from a window, through which they crawled and passed out the batteries. That there were more than was indicated by the number of batteries taken, two of them being new, two slightly used and 22 junked ones.

The robbery at the garage occurred some time late Tuesday night and a car undoubtedly was used to haul the batteries away.

The second theft reported Tuesday night came from George Clinckenberg of Saugatuck, who informed members of the local sheriff's office that his car had been taken from his garage. The automobile was a coupe, model '31, and bore the license of 951-592. It has not been recovered.

13 BECOMES 3 ON OCT INJURED HOPE GRID STAR'S BACK

Eddie Damson, left end on Hope's grid squad, has eliminated the first numeral of the figure 13 from his Jersey on the practice field as a result of frequent injuries. Damson at first ridiculed the unlucky number as superstitions, but when he suffered repeated injuries in practice he changed his mind.

## Hope College News

"Heave! Heave! Heave!" and with the sound of the coach's theme song the "pull" begins. Eighteen determined Sophomores will be doing their utmost to pull eighteen straining Freshmen through the "drunk." The river banks on either side will be crowded with eager watchers, so sympathetic that they "heave" with their team and spend so much of their energy in enthusiastic encouragement, that they're as exhausted as the team itself when it's all over.

Let us observe the interesting aspect which the forthcoming contests have assumed! On the pull teams the average weight for the Sophs is 160 pounds, while the Fresh is about 165. But pulling isn't all a matter of beef and brawn, so don't get "cocky," you Freshmen! A pull is done scientifically, and it is the rhythmic machine-like pull-team that brings eighteen fellows up from their pits like jack rabbits out of burrows, to slither down the gravel bank, and into the muddy water below!

The Frosh have everything on their side to encourage them in that, first of all, they have a heavy team captained by "Vic" Notter. They outweigh the Sophs, and then too, they seem to be an exceedingly energetic class, for Freshmen.

The Sophomores, captained by Deon Dekker, last year anchor man, haven't any reason to be discouraged, either! What with last year's victory behind them, veterans on the team, an unconquered Senior class supporting them, and their natural superiority of Sophomores over Freshmen, they should win!

Now, as Professor Hinga would say, "The Point I'm getting at is this!" It should be a fine "Pull" this Friday.

## GAME IS INITIAL M.I.A.A. TILT OF SEASON

Alma College will again provide the opposition in an M. I. A. A. game for Hope's Homecoming football attraction at Riverview Park next Saturday afternoon.

Last year when the Scots performed in a like capacity they were evened by the Hope eleven 9-0. Down though this year the visitors will not have the services of Borton, their all-M. I. A. A. halfback, they will present a combination of veterans and promising sophomores, which should give the

## Dutchmen some trouble.

The upstate college had their last championship in 1930, and before that held undisputed titles '23, '26, '27 and '29.

Like Hope, the Alma eleven is composed in the major part of home town boys; however, Bill Bushnell, a veteran halfback, hails from Detroit Southeastern. Al Glance, a promising sophomore from Fordson, is holding down the fullback position. Fern (Cactus) Erickson, brother of Cliff Erickson of the championship team in 1930, is a candidate for a halfback position. The town boys include Gordon Clark, end; Leroy Block, quarterback; Willem Block, end; Bob Lahner, end; Bob Fairchild, guard; Mel Fuller, tackle; Davis Glance, guard; Joe Vitek, tackle, and Ronald Bacon, guard.

Other members of the squad are: Stan Bussard of Three Rivers, center; Russ Hubbard of Traverse City, tackle; Herb Estes of Perry, guard; Hughes Noble of Howell, end; Sam Belfore of Kinde, guard; Art Boynton of Grand Rapids, guard; and Bruce York of Belding, end.

## ALUMNI NEWS

With the celebration of Homecoming within the next few days we're expecting to see many of the alumni on the campus.

This week we can proudly add one more name to the list of active teachers. Laurence Hollebrands has a position in New Haven, just north of Detroit.

We're glad to know Edith Cunnean has obtained a place at Hopsheimer's department store in Grand Rapids.

The past week Ruth Shrieber was in Holland and dropped in at the dorm, but unfortunately, Mrs. Durfee was out for the afternoon and found only her calling card.

Those who have gone back to Med. school are John Stryker, Bill Winter, Ed Tellman, Louis Seuder, Carl Walwood, Roy Mool and Harm Bloemers, but we're hoping some will find time to come back this week-end.

Marion Anderson, class of '31, is now the private secretary for Senator Lily at Lansing.

AFTER an interval when it has been scarce and high, iceberg lettuce is again plentiful, cheap and of very fine quality. Hearts of lettuce with a variety of salad dressings are popular throughout the fall and winter.

Many kinds of apples are in market—Jonathans and Delicious for eating, McIntosh for either eating or cooking and Rome Beauties for baking. Cranberries are again in market. They are priced extremely low. Cranberry juice cocktail is a pleasant change from tomato and is easily made.

Fall vegetable markets are well supplied with both native produce and some from other growing sections including the far south and west.

Potatoes are fine and plentiful but even so, the variety offered by macaroni, spaghetti or noodles is often appreciated.

Forty-seven dollars and fifty cents was added to the township treasury this week through a Control Commission. This represents 95 per cent of the fees paid by beer license holders in Ganges township. Under the provisions of the state beer act this percentage of all license fees is returned to the community from which they come. In forwarding the voucher William J. Nagel, managing director of the commission, pointed out that the people of the state, through reduction in state taxes, derive revenue from the excise stamps on legal beer, in addition to the license fees paid by retailers and wholesalers. "Every bottle of illegal beer deprives the state of badly needed revenues," Nagel said. He also called attention to the fact that the sale of beer by unlicensed vendors works a hardship on those who have paid the state for a license. Nagel asked the co-operation of local officials and the public generally in preventing the manufacture and sale of illegal beverages. Saugatuck township also received \$95.00.

## An Advertising Review of More Than Passing Interest Given At Warm Friend Tavern

The lobby of Warm Friend Tavern Friday evening might have been mistaken for a downtown thoroughfare or the entrance to a large service station. Gasoline pumps, pyramided oil products and an array of automotive necessities were on display.

Invitations had been sent out to all the Gulf employees in this vicinity, some 200 of them, and 150 Holland friends, who were the guests of the Vandenberg Bros. Oil company for the evening at the Tavern.

It is well known that the local company is allied with the large Gulf Refining Company and this company has made a departure in advertising that is both unique, instructive and entertaining. The Gulf folks at a tremendous expense have gone in the scenario field and have produced a talking picture entitled "Profits." For the employees of the company the picture shown in the large dining hall must have been helpful indeed for it showed conclusively how to conduct a service station, what to do and what not to do to bring profits to the concern. The picture undoubtedly was also enlightening to more than 100 business men in other lines of trade for the wrong and right business methods were so pronounced that with common "horse sense" the fundamentals could be applied to any business to desired advantage.

The picture opens with the appearance of the vice president of the Gulf Refining Co., Mr. W. V. Hartmann, a venerable dignified looking gentleman, who gives a preface of the picture. The scene opens in an ordinary service station, where the boss and employee have become disheartened and beset by bills and obligations. The place is a sloven looking affair, the floor being littered with heaps of old tires, wiping rags, a host of meaningless calendars, and no specializing of merchandise.

The man in charge is about to give up when he calls up his brother, an up-to-the-minute clothing merchandiser, who applies up-to-date business methods in his own affairs. He tells his brother oil man not to be discouraged, that he will drop in to look over conditions and incidentally see his mother who is living in that city.

The brother arrives and finds rather an obstinate man to deal with, but step by step he points out the dirty service station the meaningless advertising matter of goods already sold out, the disorderly tire rack, the heap of litter, the incorrect bookkeeping system, the untidy surroundings of the building and the weather-beaten station itself.

In the next reel things begin to happen. The interior of the building is made as neat as a pin, dirty overalls are replaced with present-

able clothing, the interior of the building is re-decorated, the exterior is given a pleasing color scheme—in fact there is such a transformation that the Gulf Refining representative, who drops in at intervals, is almost stunned by the rejuvenated gasoline and oil products emporium. Signs and advertising that were inconspicuously placed around the station were then placed where they should be to do the most good. This change was also reflected in the interior of the building.

Then the subject of advertising matter and how to advertise and how best to approach a customer going beyond the sale of gasoline. These by-plays with motorists driving up were not only interesting and instructive but created several amusing incidents.

The matter of specialization in oil products, and standardization, selling nothing but the best, and discarding obsolete lines was pictured very forcibly.

Naturally this being a Gulf picture the Gulf products were paramount in the pumps, on the shelves and in the sales talks. The sequel to the entire rejuvenation picture as this relates to this and many, many other oil stations were the accrued profits that the helpful brother found on the right side of the ledger in course of time. The suggestions of the brother, who was altogether in a different line, shows conclusively that all business can be run successfully if the fundamentals are properly applied.

William C. Vandenberg, head of the local company, in his usual pleasing manner, welcomed the more than 300 guests present and at the conclusion invited all to sit down to a wonderful Dutch lunch in the Dutch room of the Tavern. Brother Vandenberg was very much in evidence, placing the guests in the large dining hall and looking after their comforts.

The music was furnished by Ed Stephan at the piano and Attorney Arthur Van Duren led in community singing, after the picture presentation. Art's ability as a song leader was rather a surprise to the local citizens present.

The picture "Profits," had been presented in Grand Rapids the evening before and when projected in Holland Friday evening several from abroad came to see it, including Charles F. Richardson and party of South Bend, Indiana. Mr. Richardson is head of the Continental Service Co. of Northwestern Indiana. The master of ceremonies was R. E. Hyner of Toledo, Ohio, state representative of the Gulf Refining Co.; also H. J. Davidson, advertising manager of Toledo, and W. L. Lipka of White Lake.
