### — Builders of Homes —

We are builders of homes, large and small. We also make extensive repairs to homes, remodel homes, make homes safe against fire by repairing or rebuilding chimneys and in other ways safeguard the home owner. We build more pretentious buildings also: stores, churches, factory buildings. Should you contemplate building or remodeling, ask us for figures. We heartily endorse Fire Prevention Week. It urges folks to be careful, not for one week only, but constantly.

### CHIEF BLOM OBSERVES 54TH ANNIVERSARY

It is rather appropriate during fire prevention week to mention two things. One, that in the month of October Chief Blom has been a member of the fire department in different capacities for 54 years and a chief for more than three decades. He is also commemorating his birthday, which falls due during the same month.

Chief Blom believes that "an ounce of caution and carefulness brings about a pound of fire prevention." It is through constant vigilance of the chief and his men that have kept fire losses in Holland to a minimum. The writer has known Chief Blom as long as he has been in the department. No matter what other vocations he may have had, he always thinks in terms of fire department, safety measures, and improving the system. This same spirit is reflected, and has always been reflected, in the two volunteer fire departments we have. Those men are always "on their toes." Their pay is small, but that doesn't enter in. They love this work. In fact, they are abcessed with a feeling that the fire department comes first. They are imbued with a will to give their best always. Monetary considerations are secondary, but the safety of the city is paramount.

Holland's fire department is our first-line insurance, but Holland will not have a repetition of 1871, when a forest fire and a strong wind swept its embers into an unprotected city, and the appalling story has been repeated often through the columns of this paper. A new Holland was built up from the ashes of a stricken city. Each year we see about us newer indications of continued progress, and with fire-fighting forces such as Holland has, and which will be improved continually with improved equipment, the city of Holland can be pointed to as the community safe from Moloch—the god of fire.

### More Danger of Fire in Winter

A graph prepared by the National Board of Fire Underwriters shows that fire losses usually increase at an alarming rate from September to December. "The reason for this is obvious," states the Board. "People start their stoves and furnaces as soon as cool weather arrives; in many cases neglecting to check over their heating plants. As a result, there is an epidemic of serious fires from defective equipment."

Soot-loaded chimneys are a major hazard. It is important to check up on chimneys for cracks and holes, and to clean the flues every year. Flue linings are essential for safety. Also, sagging, rusted smoke pipes cause trouble. Sparks may fly out and start a fire. Don't take this chance! Install a new pipe a safe distance from combustibles. Another cause is overheated stoves and furnaces, the result of poor maintenance and faulty operation. If you don't get as much warmth as you should, the heater is probably out of order. You should consult a heating expert. Never "force" the fire in cold weather. Keep your heating plant clean and in good repair. Use metal containers for hot ashes.

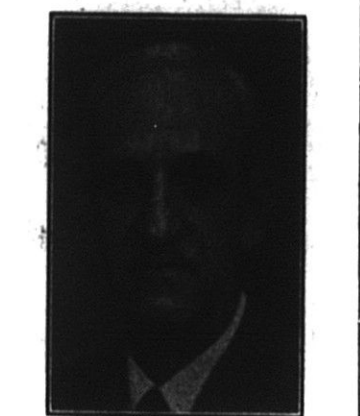

For safety's sake check your heating equipment now, before real cold weather sets in. Lack of time will make it impossible to contact all retail stores here in the plan to offer tulip bulbs, under the Charles Kerr Co. proposition, at 29 for 39 cents, the secretary-manager of the Chamber of Commerce said today. He asked merchants who are not contacted and who wish to cooperate in the program to increase private plantings here to call the Chamber of Commerce.

### Mayor Geerling's Message on "Fire Prevention"

The nation from coast to coast is, this week, observing "Fire Prevention Week." The entire seven days are devoted to how we can minimize or prevent fires which cause so much loss of life and property throughout the country. It is well known that 80 per cent of the fires that leave devastation in their wake could be prevented by being more careful and more thoughtful. Carelessness is the best ally of the "fire brand."

Holland has been blessed, since it has not been visited by any disastrous fires during the last few years. This, in a measure, can be attributed to the painstaking nature of our citizenry. Cleanliness is also one of our attributes. Our home surroundings show that we are a "clean up, spruce up" community.

It is known far and wide that

HON. HENRY GEERLINGS

Holland is one of the cleanest cities in the nation. There is no better preventative from fires than that fact. If we keep up our reputation, remember that our efficient fire department, with its fine personnel and able chief and good equipment, will do the rest when emergencies arise. They have never failed and will not fail if our citizens continue to take seriously not only "Fire Prevention Week," but "Fire Prevention Year," for we must be constantly vigilant in order that fire will not find us unawares and unprepared.

Fire in nearly every case is a waste, in which there is no salvage; and if we can prevent them, we are rendering a real service to the community and setting an example to our neighbors as well.

I would like to impress upon the mind of every citizen the need of constant vigilance.

HENRY GEERLINGS, Mayor.

### HOLLAND LADY PASSES AT 83 YEARS

Death came to Mrs. Mary Bowman, 83, at the home of her son-in-law and daughter, Mr. and Mrs. Ray Poppe, at Charlotte. Mrs. Poppe lived in Holland for 40 years, and eighteen years ago she moved to Charlotte to live with her children. Mr. Poppe, who was formerly with the Holland Evening Sentinel, has been with the Charlotte Tribune for the past 25 years. Many years ago Mrs. Bowman conducted a restaurant in this city. Funeral services were held this Thursday afternoon at 2 o'clock from the Nibelink and Notter mortuary, and interment took place in Pilgrim Home cemetery. The remains arrived from Charlotte Tuesday morning.

Surviving are the following children: Mrs. Helen Rogers of Ann Arbor, Mrs. Edwin Moore of Grand Ledge, Bert Bowman of New Orleans, Edward of Greenville and Mrs. Poppe of Charlotte, and eight grandchildren.

Dr. E. J. Blekkink will officiate.

The funeral services for little Marjorie Ann, 11 months old daughter of Mr. and Mrs. Gerrit De Weerd, 162 E. 26th Street, will take place this Friday afternoon at 2 o'clock from the Langeland mortuary on West 16th Street. Rev. N. Monma, pastor of the Ninth Street Christian Reformed church, officiating with interment in Pilgrim Home cemetery. She is survived by her parents, a sister, Jett Ellen, a paternal grandfather, H. P. De Weerd of Holland, and maternal grandparents, Mr. and Mrs. John Shoemaker of Zeeland.

John H. Vander Meulen, son of Mr. and Mrs. Cornelius Vander Meulen, 198 W. 11th St., received honorable mention in connection with a contest conducted by a magazine for the best architectural plan for a modern house. The contest was nation wide in scope, and there were nearly 1,000 contestants. Mr. Vander Meulen received \$50. He was graduated from the University of Michigan last June, and is now connected with a prominent architect's office at Battle Creek.

The Order of the Eastern Star has been holding their 72nd annual convention at the Civic Auditorium, Grand Rapids. A banquet seating 1,200 was arranged for. There was also a style show and the city of Grand Rapids provided other entertainments for their guests. Star of Bethlehem chapter No. 40, O.E.S., was represented by Mrs. Mary Hanson, Mrs. Luella White and Norman Simpson. Mrs. Eldon Dick and Miss Lida Rogers are delegates from the Holland chapter No. 429, O.E.S.

Applicants for marriage licenses have been filed by the county clerk by Gerald Appleborn, 28, Holland, and Tracy Hall, 24, Holland; Willis Vander Zwaag, Holland, and Josephine Slag, Holland. Mrs. Vera Meyer, 110 East 8th St., who underwent a recent operation in Holland hospital, was reported improving.

### ALLEGAN COUNTY

Woudwyk.

Miss Retta Meyer, daughter of Mr. and Mrs. Henry Meyer of Graafschap, was united in marriage to John Jansen, Jr., son of Mr. and Mrs. John Jansen of Holland, in a simple ceremony performed in the Christian Reformed church parsonage at Graafschap, the Rev. Harry Blystra officiating. The double ring service was used. Miss Gertrude Jansen and John Meyer were the attendants. The bride was gown in a wedding dress of embroidered white organdy over white satin. Cut on princess lines, with long train, the dress featured long sleeves puffed at the shoulder. Tiny buttons were used from the stand-up collar to the waistline in the back. She wore a fingertip veil with cap trimmed with orange blossoms and valley lilies. A face veil was worn during the ceremony. Her sandals were white satin, and she carried a white leather Bible, the gift of her mother. The bridesmaid wore a floor length gown of peach lace, with silver sandals. Following the ceremony, a reception was held at the home of the bride's brother and sister-in-law, Mr. and Mrs. John H. Meyer, for 35 guests. Those from out-of-town included Mr. and Mrs. Leonard Baron and son, Julian, Mr. and Mrs. Hugh Croff of Grand Rapids; Mr. and Mrs. Ralph Meyer of Peoria, Ill. Born in Graafschap, the bride has recently been employed at the Heinz company here. The groom is employed by the Globe Oil company. After a wedding trip into northern Michigan, the couple will be at home in their newly furnished apartment at 43 West 19th st. For traveling Mrs. Jansen wore a wine costume suit, with matching accessories.

Mr. and Mrs. Chester Van Tongeren, 574 Central Ave., and Mr. and Mrs. Ray N. Smith, 645 Michigan Ave., left this morning by motor route for New York city. They expect to be back Sunday.

Mrs. O. Peterson of Spring Lake was surprised Thursday afternoon at the home of her daughter, Mrs. John De Witt, 128 West 16th St., on the occasion of her 76th birthday anniversary. A lunch was served and Mrs. Peterson was presented with a gift. Those present were Mrs. Fred Peterson, Mrs. Percy Peterson, Mrs. A. Van Lier, Mrs. C. Van Lier, Mrs. Henry Schrotenboer, Mrs. John De Witt, Mrs. Lester Kramer, Mrs. John Kampen, Mrs. Gerrit Strabbing, Miss Orma Schrotenboer and Mrs. Peterson.

A pig weighing 150 pounds, and belonging to the Harris brothers on the Taylor farm south of town was hit by Lyle Hoyt's car Sunday afternoon. Help was called and the pig was partly dressed at once to save the meat.

Homer Strickfaden of Fennville writes from Hawaii, that his enlistment in the U. S. army has expired, and he was to sail from Honolulu Thursday, Oct. 6. Homer has been stationed at Schofield Barracks with the 11th Field Artillery for the past two years, and for a year previous had been located at Marfa, Texas, with the Field Artillery.

The fall meeting of the Allegan County Eastern Star Association will be held in Fennville Tuesday, Oct. 25. Sessions will be held in the Masonic hall and will include afternoon programs. The hostess chapter will be Bethel chapter No. 173. Supper will be served by Rebeccah lodge at Odd Fellows hall.

Atty. John R. Dethmers of Holland spoke at the Lee township Republican Club, and urged that young people take a leading part in our national affairs. He complimented the club on opening its meetings with prayer. Claud Cap-pock and Frank Osburn favored with music. The committee for Oct. 19 is Frank Low, Frank Thomas and Fred Radikopf.

In an item of forty years ago in the Fennville Herald it states: "The Free Silver party nominated a county ticket, with John A. Pieters of Fennville for county treasurer, Alva Tracy of Glenn for state representative." Note: Mr. Pieters was formerly from Holland and he married a Holland girl, namely Miss Maggie Boone. He was the brother of Dr. Albertus Pieters.

A special meeting of Bruner-Freese Unit No. 137, American Legion Auxiliary, for the purpose of installing officers for the coming year, was held at Saugatuck. There were 20 present, including one guest and some prospective members. After enjoying a delicious potluck supper the meeting was called by President Myrtle Sewers and was then turned over to the installing officer, Mrs. Lillian Morris. The following officers were installed for the coming year: President, Mrs. Mayme Force; 1st vice-president, Mrs. Frances Goshorn; 2nd vice-president, Mrs. Hilda LaViolette; secretary, Miss Edna Boyce; treasurer, Miss Florence Sewers; chaplain, Mrs. Nellie Pear; historian, Mrs. Lillian Morris; sergeant-at-arms, Mrs. Hattie Goshorn. ## ELECTRIC WIRING DONE CORRECTLY IS A SAFETY MEASURE

This is fire prevention week, but if it is only for one week it would be of little avail. During this week it is stressed from press and radio how to make it a fire prevention year, for that after all is the important thing.

Proper electric wiring is a very essential thing according to state district inspector, Henry Looman of Holland. In an interview he said, "I want to state briefly what our job is to see that the materials go into electrical installations in homes and other buildings are safe for use. We check on the quality of workmanship to see that the materials are installed so they will give long service and be reasonably free from fire and shock hazards. We inspect to see if wires are of proper quality and suitable size and that fuses or circuit breakers are provided to protect the wires. We also see that switches, sockets, and outlets are of safe quality and are properly connected."

When a family comes to live in a new house that has been inspected and approved by our department, they should find all of the electrical things adequately safe. All houses and buildings have to be inspected by our department before current can be turned on. We feel that our inspection work is in the interest not only of the people who are to live in the house, but also of the whole community, because a fire that starts in any house might spread. Our contacts are chiefly with electrical contractors. It's unfortunate that we do not have closer contact with the public so we can talk about electrical things more often. If that were possible I'm sure that we could do a more effective job. However, we do talk safety wherever we get a chance. If we had enough manpower, we'd make periodic follow-up inspections in all homes. Then we could point out to householders conditions which should be corrected. It's unfortunate that we don't have enough men. Under the circumstances, the best we can do is

to tell people, every time we get a chance, about the proper use of their electrical things, in the hope that they will make their own inspections. We know that people wouldn't intentionally create hazards in their own homes, but they often do so without realizing it. If you could come along with me Mr. Mulder to visit in some of these homes, as I occasionally do, you would be surprised to see the handyman additions and repairs that are made. Some of these changes are not very hazardous, but on the other hand, many of them, done by inexperienced persons, are anything but safe. There is a difference between patching up a broken-down piece of furniture and patching up the electrical system. While the handyman may think that he is doing a safe job, it may well be that he had introduced some weakness which may lead to trouble later."

The News might add that Holland has been rather fortunate be-

cause of the small number of fires that improper wiring might bring. This in part is due to Inspector Looman; however, before Mr. Looman was on the job, the inspection was done by the Board of Public Works, and the credit must be given to the late Guy Pond, the late Chuck TerBeek, and the present superintendent, Abe Nauta, all of the Board of Public Works. These men were rigid in their inspections, but because Holland has had a good record along these lines is not the reason for being lax. The good record must be kept up, and it will add materially to a fire prevention year.

## INSIST ON HAVING ALL NEW INSTALLATIONS INSPECTED

## OBSERVE THESE SIMPLE SAFETY RULES:

- 1-NEVER RUN Cords under rugs.
- 2-DO NOT PLACE cords in door jams.
- 3-CORDS SHOULD NEVER be run over radiators or steam pipes.
- 4-NEVER leave heating appliances connected when not in use.
- 5-DO NOT disconnect appliances by pulling on the cord.
- 6-CORDS SHOULD NEVER be used as a substitute for permanent and properly installed wiring.
- 7-CORDS should be examined regularly.
- 8-INSIST on approved, labeled cord with appliances, lamps, and cord attachments.
- 9-BE SURE to have all electrical repairs and wiring made by a competent electrical contractor.
- 10-HAVE ALL WIRING inspected by an electrical inspector.

## Insurance Agency Plays Part in Holland History

THE McBRIDE Insurance Agency is one that dates back to Holland's disastrous fire of '71 and the Chicago fire that same year. The Insurance companies that paid the fire losses of that year throughout the United States are still in existence and paying losses today.

The history of the McBride Agency is inter-

woven with the history of the city of Holland. Fire records show that this agency has paid losses in all of the major fires of the City of Holland and vicinity.

GOOD NEWS for HOLLAND!

An Important Announcement by Holland's Chamber of Commerce

Through the courtesy of the Charles Karr Company, headquarters of the nationally famous Spring-Air Mattress, the Holland Chamber of Commerce is able to make available to the residents of Holland a large quantity of fine imported tulip bulbs at price far below their regular cost. This offer comes as result of the Karr Company purchase of over Three Million tulip bulbs for distribution by over 1,500 Spring-Air dealers throughout the United States and Canada. They have very generously passed on to the citizens of Holland, through the Chamber of Commerce, an unprecedented opportunity to take advantage of the amazing low price at which their millions of bulbs have been purchased. In their last shipment an extra quantity of bulbs was included for this purpose.

This is strictly a non-profit offering, made solely for the purpose of enhancing Holland's fame as America's Tulip City. Next May we want Holland to be ablaze with more tulips than ever before. The City is doing its share; now comes your golden opportunity to plant tulips in your own yard unstintingly. The chances are that never again will such an extraordinary bargain offer come your way—so make the most of it, now. The bulbs are of the finest varieties, large blooming size, and imported from The Netherlands. Packaged twenty bulbs to the box, making a gorgeous rainbow mixture. Don't delay—this is the time to be planting the bulbs.

Now You Can Make Your Yard a Tulip Fairyland—Make Holland Still More Famous as America's Tulip City. Do Your Planting NOW!

### PHASANTS GIVE UP LIBERTY FOR COOPS

Three pheasants, reared by the 4-H Pheasant Club in Calhoun county, know when they're well off. When released by B. E. Henry, the birds took off in apparent enthusiasm for liberty, but scarcely 10 minutes later, they came running back to their coops. Henry decided to keep them "prisoners" until after the hunting season.

### At Least 300,000 Guns Are Ready For Oct. 15th

Pheasant-Rabbit Lid Off This Week Saturday

Hunters of Holland and vicinity are preparing for the big hunt of the season in which nearly every hunter participates.

Like eager dogs on leash, 300,000 hunters in Michigan are waiting for the coming of Saturday the 15th—it is then that the lid lifts for pheasants, grouse and rabbits in the Lower Peninsula, through to October 31. From every big city automobiles will stream out on the highways in the hours of the morning. In many a country village hunters will get up early to bag their limit of birds before breakfast. Throughout the State men and women will sally forth into the fields and forests, some bent on game, others merely carrying the gun as an excuse to get out into the open.

The crop of game birds and rabbits is a good one, according to all preliminary reports. With the larger number of hunters, however, the supply will have to be divided more. Sportsmen who have the foresight to speak for their hunting grounds before the season opens will have the advantage over those who have to search for uncrowded fields on Saturday and Sunday. Of all the hunters, only the squirrel shooters will be disappointed. Squirrels have complete protection this year.

Pheasants—2 in day, 4 in possession, 6 for season.

Ruffed grouse—5 in day, 10 in possession, 25 for season.

Prairie chicken and sharp-tailed grouse—5 in day, 10 in possession (combined), and 25 for season.

No season extends after Oct. 31, while the upper peninsula season closed yesterday.

The season on the varying hare also opens throughout all of the lower peninsula Oct. 15 to continue through Dec. 31. The rabbit season in the upper peninsula opened Oct. 1 to continue through Jan. 31.

The daily bag limit on hares and rabbits is 5, possession 10 (combined) and 50 for the season.

Patty Van Duren, 24-year-old daughter of Mr. and Mrs. Morris Van Duren, 109 West 23rd St., is recovering from an emergency appendectomy in Holland hospital.

### City Mission Also In List To Be Cared For

PLANS FOR DRIVE FOR COMMUNITY CHEST ARE RAPIDLY BEING PERFECTED

The goal in Holland's annual Community Chest drive, Oct. 31 to Nov. 5, will be \$16,000, it was announced today, following adoption by the board of directors of budgets of nine organizations which will share in the funds.

Approved by the board were the following agencies and their amounts:

American Red Cross, \$2,500; Boy Scouts, \$3,250; Camp Fire girls, \$1,000; Salvation Army, \$3,900; Michigan Children Aid society, \$450; Michigan Crippled children's fund, \$350; City Rescue Mission, \$2,400; Goodfellow's foundation, \$800; Civic Health committee, \$750; contingent fund, \$600; total, \$16,000.

These are all worthy causes and it is indeed gratifying to know that the old City Mission, established by the late Miss Nellie Churchford, has also been included by the committee.

Four new agencies—the Goodfellow's foundation, City Mission, crippled children's fund and children's aid society—will be included in the drive this year.

This year's goal represents a \$2,000 increase over the goal set in the 1937 campaign.

Budgets were approved, after careful scrutiny by the chest's budget committee, in accordance with the respective needs of the agencies.

O. W. Lowry, president of the board, emphasized that each individual request was examined in the light of minimum requirements, the hope being that the total quota will be over-subscribed so that agencies which wish to expand their services or promote new projects, after approval by the board, will be able to do so.

The \$16,000 goal must be reached to enable the agencies to fulfill their essential services and obligations, he stressed.

Inclusion of the new agencies will expand the chest's plan of "give once and give for all," Mr. Lowry pointed out.

The Goodfellow's foundation and the City Mission administer to local needs in their respective fields. The crippled children's fund and the children's aid society are state-wide in scope and their inclusion in the chest indicates Holland's wish to not only look after its own, but to be a "good neighbor" by accepting its obligation to contribute to the human needs of those unfortunate in neighboring communities, it was said.

Both state organizations, however, have helped and are at present helping many Holland families. Their work as well as the work of other member organizations will be given in detail as the drive progresses.

Clarence Jalving, treasurer, announced at a recent meeting that all organizations in this year's chest have been paid in full for their 1937-38 budgets. There still remains about \$700 in unpaid pledges. He urged payments of these amounts due so that the books may be closed for the fiscal year, ending Oct. 31. Payment may be made with Mr. Jalving at the Peoples' State Bank.

There will also be a speaking campaign in connection with the community chest drive, and Rev. Paul E. Hinkamp of Hope faculty will not only speak, but will head the committee of speakers. Churches, civic clubs, lodges, parents-teachers association, and kindred groups will be contacted. Rev. W. J. Flowerday of the Methodist Episcopal church will assist Mr. Hinkamp. Mr. Flowerday, who has been in Holland for two years, has endeared himself to the citizens outside of his church and has aided in many causes of religious and civic scope in this city. Paul Hinkamp has been a public spirited citizen from the time he came to Holland 20 years ago, and can always be found in the front ranks, fighting for civic good in his city. One of these causes in which he has taken an interest is the Good Fellows foundation sponsored by the Exchange club, where money is raised each year for the benefit of unfortunate children who need tonsils removed or treated.

Ald. Edward Brouwer has been appointed chairman of the industrial employees division, one of the six main divisions of the Community Chest drive, Oct. 31 to Nov. 5. William Tahaney, chairman of the campaign committee announced yesterday. Mr. Brouwer's division is charged with the responsibility of contacting all factory employees and he will appoint one man to have charge of the solicitation in each of the factories.

The factories solicitation will be made on the four-hour system used successfully in many other cities. Under this system it is suggested that each employee contribute four hours' wages, one hour's wages to be deducted from four consecutive paychecks. Mr. Brouwer will appoint captains who, in turn, will appoint their factory representatives. He feels sure that they will be able to exceed their last year's quota in this department.

Mr. Brouwer has lived in Holland since he was 13 years of age and is head of the Edward Brouwer Printing Co. which he founded 12 years ago. He spent four years in the Michigan legislature, five years as a member of the board of police and fire commissioners and is now serving his second year as third ward alderman. He served as secretary of the Holland Poultry association for 17 years and recently was chairman of the committee for advertising and supplies for the local SALES-MEAN-JOBS crusade.

Mr. and Mrs. J. Hoover and daughter, Miss Francis, returned from Bowling Green, Ohio, where they spent the week end.

### Can't Something Be Done About This?

### Supervisors Hold Big Meet Of This Year

A ROAD COMMISSIONER TO BE NAMED; FIXING AMOUNT OF SALARIES AND BUDGET COMES UP

The Ottawa county board of supervisors convened for the October session this week at the court house. Grand Haven, beginning the most important session of the year when the annual budget is adopted, salaries for county officers are fixed, taxes are apportioned and appropriations are made.

Henry Slaughter, chairman of the finance committee, stated, after the floor, that the county has lived within its budget for the past year for the first time in many years and he anticipated that the balance in the general fund would just about carry the county through until March when the present year's taxes are paid.

The board set late Thursday afternoon for election of a member of the road commission, superintendent of the poor and a school examiner. William Ver Duin's term of six years expires at this time and it is expected he will be a candidate for reelection. Fred Berens, Blenden township, presented a petition as a candidate and also Abe Verecke of Zeeland. The term of John Lubben, Coopersville, as superintendent of the poor, expires another three-year term. The school examiner's term is for two years. He has no opposition.

Ask Resort Funds  
William Stribley and E. P. Stephan, secretaries of the Grand Haven and Holland Chamber of Commerce, appealed to the board for an appropriation of \$1,000 for the West Michigan Tourist & Resort association. The representatives explained the work of the association and how it has increased the tourist business a thousand fold in Western Michigan during the last five years. The request was filed with the finance committee.

Jay Cowing, Jenison, county be inspector, requested the usual appropriation of \$150. He also presented two cases of strained honey to the board to "sweeten" it.

Mrs. Miriam Brackenbury, field secretary of the Starr Commonwealth school for boys, requested the usual appropriation of \$400 and Allan D. Swain, Grand Rapids, appealed for the Michigan Children's Aid society for the usual amount of \$400. These requests were all turned over to the finance committee.

Carl Bowen, county engineer, presented the annual report of the road commission which is the 28th report published in pamphlet form. The improvements completed during the year include 14.4 miles of road grading; 44.1 miles of road ditching; 40.5 miles of graveling; six new culverts less than 10-foot span; three culverts over 10-foot span; two bridges with a span of 50 feet or more; eight culverts repaired; four bridges repaired; 4.4 miles of road brushing and 1.8 miles of cleaning county drains on highways.

The funds set up in WPA will be exhausted the latter part of October. Because of the continued increase in men assigned to WPA and lack of local units to provide projects a county wide grading, graveling and drainage project totaling \$220,479.50 has been submitted to the federal government, the report stated. The federal government's percentage of cost is 74 per cent. Because of the flood conditions in the county last February a large amount of repair work to culverts, bridges and roads was necessary.

Frank Hendrych gave a report on the conservation work in the county, and cited the inauguration of a conservation district in seven townships as the result of work done by the committee.

The annual report of the road commissioners was presented in booklet form by Carl T. Bowen, county engineer. Gas and weight tax receipts for the year totaled \$251,630.43 of which \$125,815.22 was credited the county road fund.

Outstanding county road bonds total \$393,000 and Covert road bonds total \$65,000 of which \$48,000 mature next year. The road commission reported on its construction activity and the report noted that 400 workers of about half the county WPA load were employed on road commission projects.

Gerrit Yntema of Zeeland asked refund of inspecting officer's fees for 597 automobile driver's license applications, made out by Zeeland officers for parties residing outside of Zeeland city. This was referred to the committee on county officers. A proposal to place a soft drink vending machine in the court house was referred to the building and grounds committee.

### DEALER PRE-DATES LICENSE AS FAVOR; PAYS \$25 IN FINE

Don't ask your sporting goods dealer to pre-date your hunting license to keep you out of the doghouse. Doing so may land him in the jail-house. Here is a story that actually happened:

A customer came into the store of a Western Michigan dealer and asked for a fishing license to be dated the day before so that he could be convicted of fishing that day. The dealer's sympathies were aroused. He issued the permit as requested. He did not know that instead of the wife, Conservation Officer Edward Clock was suspicious. Clock had found the angler fishing without a license, claiming he "left it home in his other coat."

The shiny new license did not go over so well when the angler finally showed it to Clock. When he asked the dealer about it, he readily admitted pre-dating the license and told why. But the law is strict about those things. The dealer was fined \$25.

### MERCURY HITS 83 DEGREES; HOTTEST OCT. 10 SINCE 1913

The temperature stood at 83 degrees Monday. It was within one degree of the all time record for the date and within two degrees of the all time record for this late in the season.

The warmest Oct. 10 was in 1913 when a temperature of 84 was recorded. The highest for this late in the season is an 85 which was recorded on an Oct. 11, 1928.

### SCHOOL BOARD PLACES AGE LIMIT ON KINDERGARTEN

At a meeting of the board of education at the office of the superintendent in the high school building, Mr. Fell in answering an inquiry put by the president, Fred Beuwick, as to the age limit of kindergarten pupils, stated that five years ago a resolution was adopted setting forth that a child who would be five years old in or before October could enter for the first semester. A child who would be five years old in or before February could enter the second semester. The plan before that was a five-year limit by the end of September, but this plan failed since so many exceptions were allowed. The entering of pupils now can be done without trouble.

Supt. Fell attended his first board meeting since his recent illness, and gave his thanks to the thoughtfulness of the members of the board for sending flowers. A card was also received and read by secretary Henry Geerlings from Mrs. Wm. Arendshorst from her husband also for flowers sent him. Mr. Arendshorst has been ill for nearly a month.

A fence twelve feet high on the east and north side of the playground at Washington school is in the course of erection. Part of the work is under WPA grant.

Two members of the board were absent, namely John Olet, who has been seriously ill at Holland hospital, and Wm. Arendshorst, who has been ill at his home. The trustees present were Al Van Lente, Albert Lampen, Mrs. Martha Kollen, Mr. C. De Koster, Mayor Henry Geerlings, and Fred Beuwick.

AN ORDINANCE NO. 385  
Chapter No. 64

Relative to the Control, Management, Preservation, Improvement, Regulation and Use of Pilgrim Home Cemetery of the City of Holland.

The City of Holland Ordains:

Sec. 1 This ordinance is adopted more particularly to provide for the control, management, preservation, improvement, regulation, and use of that part of the cemetery to be established on the south side of east sixteenth street, and comprising the property now owned by the City of Holland for cemetery purposes, but not heretofore platted, laid out and improved; provided, that all pertinent provisions hereof shall also apply to any and all other cemetery sites now owned by said City of Holland; and provided, further, that where the fair interpretation and enforcement of the provisions of this ordinance might tend to create a hardship, or condition not readily complied with, in the parts of the cemetery heretofore laid out and established, it shall be within the province and power of the Board of Park and Cemetery Trustees to forego compliance with the provisions hereof; and provided, further, that as to any cemetery grounds hereafter to be platted, laid out and improved, there shall be no variance from the terms of this ordinance.

Sec. 2 The entire cemetery, including the original cemetery and its additions, together with the cemetery acquired on the south side of east sixteenth street, and that part adjacent thereto, and on which work has begun for its development and improvement shall be known as "PILGRIM HOME CEMETERY."

Sec. 3 Every purchaser of a burial right in any cemetery plat, shall receive a certificate thereof, in such form as may be established by the Board of Park and Cemetery Trustees, to be executed in the name of the City of Holland, by the Mayor and City Clerk, and on such terms as the said Board may determine, subject to the approval of the Common Council of the City of Holland, and in which certificate it shall be provided that the same is and forever shall be subject to the ordinances of the City of Holland, then in force, or that may thereafter be regularly enacted, and the rules and regulations of the Board of Park and Cemetery Trustees then in force and effect, or such as may thereafter be regularly adopted by said Board, and approved by the Common Council of said City of Holland.

Sec. 4 No curbing, coping, paling, fence, or other enclosure shall be erected or constructed in any cemetery. Any such structure now existing shall not be disturbed, except by the Burial Right holder of any burial lot or space, and if removed by such owner shall not be rebuilt or replaced.

Sec. 5 Grade levels shall be fixed by the Board of Park and Cemetery Trustees, and when so established shall not be made higher or lower by any burial right owner. Any such grade may be altered by the Board of Park and Cemetery Trustees, but only after notice of its intention shall be given to the Common Council at least forty-five days before any work is done thereon, and not then, unless approved by said Common Council. All expense incurred in any such change of established grade shall be borne by the City of Holland. All graves shall be kept level with the established grade, and no grave shall be raised above of such level.

Sec. 6 Monuments, headstones and markers may be erected and placed, provided, that all such monuments, headstones and markers, shall conform to and comply with the rules and regulations of the Board of Park and Cemetery Trustees. No vaults above ground, or mausoleums shall be erected or constructed, in the cemetery, except in such place or places as shall be specially designated therefor in the plat of any part of cemetery of the City of Holland. In those parts of the cemetery heretofore laid out and platted vaults and mausoleums may be erected and constructed, provided that the place, plan, and material thereof shall be first approved by the Board of Park and Cemetery Trustees.

Sec. 7 In any part of the cemetery hereafter laid out and platted, no burial shall be permitted except in an underground vault, of concrete, or other material, of standard construction. This provision is declared to be necessary to maintain a grade when once established as herein provided. Except in such portion as shall be specially excepted herefrom on the plat.

Sec. 8 In any part of the cemetery hereafter laid out and platted, no walk or drive shall be laid or altered from such as are shown on the plat, except by order of the Common Council, after a notice shall have been given in the official paper of said City, for at least three weeks prior to the time when the Common Council shall meet to consider any such new or altered walk or drive, and at such time, any burial place owner in said plat shall be given the opportunity of being heard for or against any such discontinuance, alteration, or new walk or drive.

In those parts of the cemetery heretofore laid out and platted, the Board of Park and Cemetery Trustees, by an affirmative vote of four of its members may make such alterations, or discontinue any walk or drive, or establish any new walk or drive, as in its judgment is proper for the best care, preservation and improvement of such parts of the cemetery; provided, that no such change shall in any wise interfere with or encroach upon any interment or interments theretofore made.

Sec. 9 No body except that of a deceased human being shall be buried in the cemetery of the City of Holland. No more than one body shall be buried in any one grave, except in case of a mother and small child, two children dying at about the same time, or in such other or unusual cases as it shall seem to the Board to be proper under the circumstances.

Sec. 10 Burial spaces are for the owners, by certificate, and their families and relatives, legal or collateral. Owners may consent to the burial of any other person in any burial place held by such owners, but shall receive no remuneration therefor. Certificates shall not be assigned or transferred, except in case there has been no interment in said burial place, and then only after approval has been had from the Board of Park and Cemetery Trustees.

Sec. 11 No wire or iron work, seats, vases, or urns shall be allowed on lots; provided that this section shall not apply to any part of the cemetery heretofore platted and laid out; and where there are any such, the same shall be kept in good repair, and well painted. If not so kept in repair and painted, the Board shall have the power and authority to order the same removed on ten days notice, and if not then repaired or painted, to remove the same from the cemetery, and neither the Board or the City of Holland shall be liable for any such removal.

Sec. 12 The Board of Park and Cemetery Trustees may, from time to time, and by a majority vote of the members of said Board, make and adopt such rules and regulations calculated to secure and promote the general object of this ordinance, and for the proper care, preservation, and improvement of the cemetery of the City of Holland, and for the purpose of effecting the purpose and intent of the Charter of the City of Holland, and this ordinance; provided, that no rule or regulation shall be inconsistent with said Charter or this ordinance; and provided, further, that no such rule or regulation shall be effective until first approved by the Common Council of the City of Holland, which said approval shall be by a vote of a majority of the aldermen elect of said City, and such vote to be taken only at a regular meeting of the Common Council or at an adjourned regular meeting, or a special meeting regularly called for the express purpose of acting on any such rules and regulations as shall have been presented by the Board of Park and Cemetery Trustees.

Sec. 13 Any person, who by himself, his clerk, servant, agent or employee, shall violate or cause to be violated, any of the provisions of this ordinance, or any of the rules and regulations of the Board of Park and Cemetery Trustees, regularly adopted and approved, on conviction thereof, shall be punished by a fine of not less than five dollars, nor more than one hundred dollars, and the costs of prosecution, or by imprisonment in the City jail of the City of Holland, or County jail of Ottawa County, for a period of not less than five days nor more than ninety days, or both such fine and imprisonment, in the discretion of the court or magistrate before whom such conviction shall be had.

Sec. 14 This ordinance shall be known as the "Cemetery Ordinance" and shall be designated as Chapter No. 64, of the Revised and Consolidated Ordinances of the City of Holland.

Sec. 15 This ordinance shall take effect twenty days after its passage.

Passed Oct. 7, 1938.

Approved Oct. 8, 1938.

Attest:  
OSCAR PETERSON, City Clerk.

Mr. Loyer was first stationed at Holland, then transferred to the Grand Haven station and retransferred to the local station since entering the coast guard service.

Alex Kazelskis, 28, of Grand Rapids, who was found guilty last Sept. 19 by an Ottawa circuit court jury of a charge of negligent homicide, was placed on two years' probation by Judge Fred T. Miles of Holland. Terms of the probation are that he must pay court costs of \$150 in 30 days, and leave intoxicating liquors alone. His driver's license was revoked for one year. Charge against Kazelskis, result of the death of Albert Eisen of Holland last May 23 when struck by Kazelskis' automobile at Eighth St. and Maple Ave.

Approximately 3,000 pounds of carp, which were caught recently, were being packed today for shipment to Detroit where they will be sold. It was announced today by the Holland Fish and Game Club.

An explanation of the welfare laws on the ballot in the referendum at the November election, was given by State Sen. Ernest C. Brooks of Holland at a meeting of Ottawa county Democrats held at party headquarters at Eighth St. and College Ave. Senator Brooks called attention to their value to Michigan municipalities as evidenced by reports from the American Municipal Association convention in Chicago where these laws received special consideration. He stated that Michigan's laws were labeled by the organization's president as a model for a nation-wide study of means to cut welfare budgets for all cities. He urged voters to vote "yes" on the welfare referendum "because the laws provide for local control of welfare administration, simplification of administration through re-organization of agencies; a Michigan agency to cooperate with the social security board to handle old age assistance and mothers' pensions. At the business session, the executive committee appointed Ray Kronmeyer, Holland township, as president and chairman of the Jeffersonian club of Holland to succeed John Swets, who found that he could not continue to serve in that position because of other business. The following committees were appointed: Publicity, John Bremer, chairman; Free Kamferbeek and Frank Cherven; finance, John Dykema, William Buis and Russell Haight; speakers: Senator Brooks, John Good and Mr. Swets. A meeting is being held again this Thursday night.

Mrs. Harold Raffenaud of 119 West 16th St., who recently returned from a summer in Europe, told of her experiences at a meeting of the Young People's Fellowship of Grace Episcopal church Sunday evening. FORMER LOCAL MAN IS MARRIED IN CHICAGO

Miss Margaret Mary Vaughan of Chicago, daughter of Mr. and Mrs. James Vaughan, and Hector H. Munro of Michigan City, Indiana, son of Mrs. Hilda Martin of Holland, were united in marriage Saturday, Oct. 1 at 10:30 o'clock at St. Agnes Church in Chicago. Father Kilbriene officiated in a single-ring ceremony.

Attendants at the wedding were Miss Agnes Vaughan, sister of the bride, maid of honor; Miss Alice Munro, sister of the bridegroom, and Miss Katherine Vaughan, another sister of the bride, bridesmaids; Edward Sheehan of Chicago, best man; Charles Martin, brother of the groom, and John Vaughan, brother of the bride, ushers.

The bride wore a wedding gown of white satin fashioned with a full skirt and train. Her finger-tip veil was held in place by a coronet of orange blossoms. She carried an ivory prayer book with a shower of lilies-of-the-valley.

The maid of honor wore a gown of dusty rose satin. Her bouquet was of roses and pink sweet peas. The bridesmaids wore gowns of robin's egg blue satin and carried bouquets of roses and blue sweetpeas. Mrs. Vaughan, mother of the bride, chose a dress of teal blue crepe, and Mrs. Martin, the groom's mother, wore a dress of black lace. Both wore corsages of carnations and roses.

After the ceremony a wedding breakfast was served to near relatives and friends at the home of the bride's parents. In the evening, a reception was held for 250 guests. Those attending from Holland were Mrs. Martin, Miss Alice Munro, Charles Martin, and Harold McIntyre. Mrs. J. Koolman of Grand Rapids, an aunt of the bridegroom was also present.

Mr. Munro was born in Nevada, but came to Holland about 16 years ago. He is a graduate of Holland high school and attended Hope College for two years. He is now a coastguardsman at Michigan City. The couple left on a two-weeks' wedding trip. For going away, the bride chose a dress of teal blue wool with black accessories.

The H.O.H. Benefit society held its annual meeting at the Odd Fellows' hall. C. Woldering, president, refused re-election and the society elected the following: Anthony Nienhuis, president; Bert Vande Poel, secretary, and John Galien, trustee, for a term of three years. Treasurer Alex Van Zanten gave a printed financial report showing that over \$1,600 had been paid in the past year for sick benefit and \$650 for death claims. The society is in a flourishing condition. The organization also voted to have a banquet next February as has been the custom for the last two years, and to have a membership drive before that time.

Aaron S. Moore, 64, died at 4:10 a.m. Saturday at his home, 27 West 15th St., following an illness of two months, resulting from a stroke of paralysis. Funeral services and burial was held Tuesday at Three Oaks. Mr. Moore was born in Laporte, Ind., July 7, 1864, to Mr. and Mrs. Robert Moore. He was a member of Trinity Reformed church. He moved to Holland about 35 years ago to accept employment with the former Bush and Lane Piano Co. He was employed by the West Michigan Furniture Co. until ill health forced his retirement. He is survived by the widow, Mrs. Jennie Moore; one son, Kenneth Moore of Hollywood, Calif.; one daughter, Alice, at home; one brother, Reeves Moore of Rolling Prairie, Ind.; three sisters, Mrs. Frank Walters of Michigan City, Ind., Mrs. Mary Smith of Free Soil, and Mrs. Elizabeth McNeil of Bellingham, Wash.

A surprise shower in honor of Miss Marian De Fouw, who will be an October bride, was held recently in the home of Miss Marie Van Raalte. Miss De Fouw was presented with many attractive gifts. Games were played during the evening, and prizes were given to the bride-to-be, and the Misses Beatrice Denten, Marjorie Galbraith, June De Fouw, Jennie Brink and Ruth Linsey. A lunch was served. Others to attend the party were the Misses Gertrude Wise, Bessie Williams and Fannie Styf, Mrs. Fred Bos, Mrs. Stella De Vries, Mrs. John Van Raalte, and John Gutknecht. Those unable to be present included Miss Margaret Gutknecht, Joe Lubbers, Miss Evelyn Steinfort, and the Misses Vivian and Irene Harkema.

A choral society was organized last night in Central Avenue Christian Reformed church with about 40 members enrolled. The Rev. H. D. Walters was chosen as the leader and director. During the business meeting it was decided to meet every Friday evening at 8 o'clock. The new officers include Nicholas Wassink, treasurer, and Pearl Ten Harsel, secretary. The remainder of the evening was spent in singing a few selections. H. Brink closed the meeting with prayer. No meeting will be held next week due to the Young Women's League convention being held in Muskegon.

Man From Spring Lake Is Missing From His Home

LAKETOWN MAN HAS ALSO DISAPPEARED; SEEN ON CITY STREET

Owen Collins, 48 years old, living in Spring Lake township near Lloyds bayou, has been missing from his home since Saturday and up to noon today no trace has been found as to where he may be or what may have befallen him.

Sheriff Frank Van Etta, state police and Coast Guardsmen have been engaged since Saturday

LATER—COLLINS A SUICIDE; BODY FOUND

The body of Owen J. Collins, 47, fox farm operator who had been missing since Oct. 1, was found about noon Saturday in a summer cottage east of Spring Lake. Authorities announced that Collins had committed suicide by taking poison. A note found near the body read:

"Goodbye all. Recent incidents make life unbearable. I have a terrible desire to be with mother." The note was signed "Owen."

Friends of the family said the "recent incidents" mentioned in the note referred to Collins' ill health. Discovery of the body was made by Mrs. J. A. Board, of Chicago who came here Saturday to open her summer cottage for the week end. She found Collins' corpse on a cot. Coroner W. B. Bloemendahl said the man apparently had been dead several days.

Collins was the son of Philander Collins of Byron township and was well known in western Michigan. His home was on Lloyd's bayou which had been dragged repeatedly by coast guardsmen in an effort to find his body.

searching the woods, the shores of the bayou and river, and dragging the waters but they have found nothing to indicate the whereabouts of the man.

According to the officers, a brother Dan Collins, with whom Owen Collins lives, stated that he had been recuperating from a serious attack of influenza and suffered from fainting spells, which led officers to believe that he might have fallen into the water near the home.

Collins' car is in the garage, his boat is tied up at its usual place, his pocketbook was found in the home together with his glasses and a notebook which he usually carried, was lying on the floor, apparently having dropped from his pocket.

The family said he retired Friday night as usual with no indications of illness or despondency. He was known to have risen at 5:30 a. m. on Saturday, which was his usual custom.

He and his brother have operated a fox farm near Lloyds bayou for a number of years and he was known to farmers in the township and people in the village. After the family missed him Saturday, officers were notified and search was begun. Sunday the Coast Guard crew was called and they dragged the waters of the bayou for several hours.

The officers today are contacting friends and relatives where it is believed he might have gone in the hope that he is alive and well.

Collins was never married and had lived with his brother and family since they started the fox farm several years ago. He was apparently dressed in his work clothes as these are the only articles which are missing from the home. No footprints were found by the officers to indicate in what direction he might have gone, they reported.

John Kvorka, resident on rural route No. 1, Holland in Laketown township, Allegan county, reported yesterday that his brother, Andrew Kvorka, 68, has been missing from his home since Sept. 23. He offered a reward of \$5 to the person who finds the missing man and returns him to his home.

drew Kvorka reported an acquaintance saw his missing brother on Eighth St., Holland two days after his disappearance. It was thought he might have gone to Chicago, but relatives stated he was not there.

The missing man is described as being about five feet tall and has a white beard about a foot long. He cannot speak English.

Andrew Kvorka disappeared from his brother's home the latter part of August and was found wandering along the road near Crisp by Deputy Sheriff William Van Etta and William Kruthoff. At that time they found a large amount of cash, negotiable trust certificates and a deposit book for a Chicago bank, showing deposits between \$800 and \$900.

John Kvorka reported that his brother had given him money to him for safe keeping and believed Andrew had no money when he left home the second time. He made his home with his brother, John, for the past three years, going there from Chicago.

Myron Bogaard and friend Miss Angeline Dupon were the supper guests Sunday evening of the former's cousins, Mr. and Mrs. Albert Brinks.

James Brinks, who is employed by Gerrit Hunderman, and Mr. and Mrs. Ralph Brinks of Zutphen motored to McBain last week Friday to attend the 40th wedding anniversary to Mr. and Mrs. Dick Brinks.

The Junior Aid Society held its social gathering in the basement of the church Thursday evening. A program was carried out and lunch was served by Mrs. J. De Weerd and Mrs. Henry Gort.

Friends and relatives were informed of the death of Lambert Brouwer at Zeeland last week.

The approval of a grant of \$25,515 for use in constructing a new bathhouse and sanitary sewers at Holland State park has been made. The balance of the money to complete the project will be provided by the state department of conservation. It has been estimated that the entire project will cost approximately \$60,500. The state's share will be approximately \$35,000.

JOHNSON APPEARS VICTOR FOR FIFTH DISTRICT CONGRESSMAN CANDIDATE ON DEMOCRATIC TICKET

It appears that Tunis Johnson, cigar manufacturer of Grand Rapids, was victorious over Rev. James W. Hallwood in the final recount of the election.

Final Ottawa figures, added to Kent figures, show the candidates running as follows:

|               |       |
|---------------|-------|
| Kent county   | 4,031 |
| Ottawa county | 4,518 |
| Hallwood      | 4,166 |
| Kent county   | 336   |
| Ottawa county | 4,502 |

This table shows that Johnson lost seven votes, while Hallwood lost five in Ottawa county on the last recount. Original returns in Ottawa county had given 341 to Hallwood and 494 for Johnson. Corrected totals were Hallwood, 336; Johnson, 497. Errors were found in Spring Lake township, Grand Haven first and fifth wards, and Holland first, fourth and sixth wards.

Hallwood was critical Wednesday evening of a ruling that prevented recount of votes in three Holland and one Zeeland precincts, because of lack of proper seals and other technical errors.

Deceased Vote Didn't Enter In

Early in the recount it was found that one vote hadn't been counted—that of Mrs. Mary Grooters, 87 years, of Grand Haven, who had cast her vote through an absent ballot which was mailed, and died before September 13. Because of the lady's death before election it was considered that her vote was void. Others advanced the theory that the lady could vote and had voted and the ballot should be counted. However, with the turn of events in the entire recount covering Ottawa and Kent counties, it made little difference how the dead lady voted. It was quite a coincidence nevertheless.

William B. Miller, age 40, an oil field worker, pleaded guilty to intoxication before Justice Nicholas Hoffman and was assessed a fine and costs of \$6.45, which he paid.

## ZEELAND MAN INJURED IN AUTO MIX-UP

John Kemme, a former resident of Zeeland, was seriously injured in an automobile accident, when the car he was driving left the road on a turn near Ravenna and then turned over three times before it came to rest.

He was taken to Hackley Hospital, Muskegon, where it was determined that he had suffered a skull fracture and several severe bruises. Several hours after the accident he was still in a semi-conscious condition, and it will be some time before the outcome can be definitely determined.

Although reports on the accident are meager, it seems that he was traveling rapidly as he approached a curve in the highway, and striking some loose gravel, his car got out of control.

Mr. Kemme, who is fifty-four years of age, lived on a farm four miles north of Zeeland, just off the Borculo road, all his life, until about two years ago when he moved to Grand Haven. He was now employed by the Lake Shore Sugar Co., Holland as field man, and was on this job when the accident occurred. He is the youngest member of the pioneer Kemme family and is well known in this community.

## HORSE-AND-BUGGY DAYS COMING BACK

The old gag has it, that when a dog bites a man it is no news; but when a man bites a dog it is news; but here is a new one.

In this age when everyone is crazy about buying automobiles it is no news when some one buys a car; but when one buys a top buggy it is again news. Well, Wm. Nykamp sold two buggies within the past two weeks. One was a used buggy while the other was a new one. It must be that the "horse-and-buggy days" are really returning.—Zeeland Record.

## OTTAWA COUNTY

The marriage of Miss Gertrude Berdine De Vries, daughter of Mr. and Mrs. De Vries of Holland, and Clarence Waterway, son of Mr. and Mrs. Henry Waterway of Harderwijk, was solemnized at the home of the bride's parents Tuesday evening. The Rev. P. D. Van Vliet of Crisp officiated. Vows were exchanged under a white arch with large baskets of fall flowers on each side. Miss Josephine De Vries of Zeeland, the bride's aunt, played the Lohengrin wedding march. The bride wore a floor-length gown of white with blue tulle and a short jacket, was attended by Mrs. Henry Gort of Drenthe, sister of the bridegroom, who wore a white dress. The bridegroom was dressed in a white suit. The bride's bouquet was made of white carnations and baby chrysanthemums and the attendant carried white carnations. Gordon De Vries, the bride's brother, was best man. A reception was held for 30 guests including the relatives and friends. Mr. and Mrs. Waterway left early Wednesday morning for Wisconsin.

The Home Economics group of North Holland held a meeting at the home of Mrs. Peter Sierma for the purpose of electing officers for the coming year. The following were chosen: Mrs. John Weststrate, president; Mrs. Willis Bosch, vice-president; Mrs. Benjamin Van Doornik, secretary-treasurer; Mrs. Fred Koster, group leader; Mrs. Henry Slag, recreational leader. Following the business meeting, refreshments were served by the hostesses, Mrs. B. Bosman and Mrs. C. Sas, assisted by Mrs. P. Sierma. Gifts were presented to the leaders of the group for the 1937-38 term in appreciation for the work they have done during the past year. Another meeting of the group was held Wednesday evening, Oct. 12, at the home of Mrs. Bert Slag. Nutrition is the course to be taken this year.

## SUNDAY DINNER Suggestions

By CORA ANTHONY

Director of the A&amp;P Kitchens

CAULIFLOWER is at its October best and is comparatively cheap. It is not cheap enough for restricted budgets, cabbage is both cheap and good. At this season a dinner of fresh pork, which is now very reasonable, with mashed sweet or white potatoes, cabbage or cauliflower and either apple sauce or apple pie cannot be improved on.

Citrus fruits are a good value. Meats and poultry are very reasonable, particularly beef, lamb, pork and young chickens and turkeys. Butter continues to be very reasonable.

Three menus made up of seasonable foods follow.

**Low Cost Dinner**  
Braised Shoulder Lamb Chops with Carrots  
Mashed Potatoes  
Bread and Butter  
Tea or Coffee

**Medium Cost Dinner**  
Boiled Tongue with Raisin Sauce  
Baked Potatoes  
Bread and Butter  
Apple Pie  
Tea or Coffee

**Very Special Dinner**  
Fruit Cup  
Baked Ham  
Cauliflower with Lemon Butter  
Crabapple Jelly  
Green Salad  
Chocolate Ice Cream  
Coffee

The regular issue of the Woman's Day, a monthly publication sponsored by the Atlantic & Pacific Tea Co., is now available and copies can be secured at 2c each at any Holland, Ottawa, or Allegan county A&P food stores. Ask for your copy.

A meeting of the Allegan County Rural Letter Carriers association will be held in the Community church in Hopkins Saturday night. A pot-luck supper is scheduled at 6:30 p. m.

## V.F.W. News

Next regular meeting Thursday October 27 in the V.F.W. hall. Ladies Auxiliary meets same evening in the G.A.R. room, city hall.

The committee on Armistice Day Banquet reports that they are making arrangements for a bigger and better banquet this year.

Everybody out next meeting to see what's going on and to hear the final report on the Armistice Day banquet.

Now that the cool weather is setting in let's turn out 100 per cent. It's time for our annual round-up.

Peter Hardenberg is still confined to the Hines hospital, Hines, Ill. Drop a card to a fellow comrade.

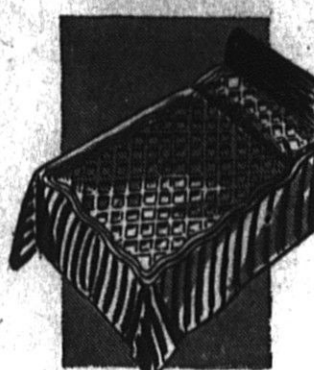

Remember, if you were in the A.E.F. you belong in the V.F.W., so let's get after some of those overseas men. At least one new member a meeting wouldn't be half bad.

All members on the Fun Party committees should not forget to turn out when it's their turn to serve on a Friday evening.

Our old pal Adolph suggests we start a bowling team. How about it? Would be alright if they would.

n't forget to take their finger out of the ball and slide down the alley with it. Don't forget our big Fun Party Friday nights at 8 p. m. The public shuffle player, but he says he will lie invited.
