THE SUPERVISORS HELP THE OTTAWA POULTRY RAISERS

The Holland Poultry association members are pleased with the action of the Ottawa county board of supervisors who awarded them \$300 to help the cause of poultry raising in Ottawa county along. A great many other matters were taken up by the board.

The members this week received the reports of the various committees to whom petitions were referred in the opening days of the meetings and are now passing on some of the petitions upon recommendations of the committees.

Among the largest appropriations are that for \$100,000 for the road commission, the state taxes amounting to \$12,767.12. The Michigan Resort and Tourist Association received \$800.00 they having asked for \$1,000.00.

Another \$200 for apary inspection and eradication of bee disease was allowed. The Poultry Association of Holland received \$300, Grand Haven \$200 and Zeeland \$200. This is to be used for the rental of buildings for poultry shows and in no way to be used for premiums, ribbons or prizes.

The Agricultural office was given an addressograph and mimeograph. A recommendation was adopted for the continuing of the Home Demonstration Agent with salary fixed at \$900 and mileage and expense \$900, making a total of \$1,800; \$141 was allowed for the Michigan State Tax Conference and the following were elected to attend this conference: Jas Chittick, Gerritt, Ynema, Chris Nibbelink.

The Michigan Aid Society at St. Joe was given \$600. Detroit, \$100.00. The drain commissioner revolving fund of \$1,000 was passed and the Soldiers Relief, a small sum for immediate use in emergencies given \$300.

Wm. Connelly was appointed county road commissioner and the following to the board of county canvassers: E. J. Prum, Zeeland; Adrian Knight, Robinson and Philip Reister, Conklin.

The most important matter to be considered at this session possibly is the tuberculosis sanatorium and this will be taken under consideration some time this week.

RED CROSS MAKES ANNUAL REPORT

Washington, Oct. 21.—A "great national phalanx of preparedness" has been set up by the American Red Cross to grapple with relief work such as that recently necessitated by the southern Florida hurricane.

Thus the organization, in its annual report describes the numerous Red Cross chapters that have grown up over the country. The report, covering the fiscal year ending last June 30, added:

"Red Cross chapters generally have been increasingly vigorous in perfecting strong, alert disaster relief committees," and consequently "a very large portion of the U. S. is covered with this disaster preparedness plan. With unflinching accuracy and speed these chapters have moved into action when disaster has struck their communities. Chapters are studying their local disaster hazards more carefully."

During the fiscal year, the Red Cross participated in 40 disasters, including 62 within the U. S. The year was the first since the World war that the organization was not called upon to serve in some great disaster, the New Jersey mudslide, explosion, the Louisiana hurricane and the Florida storm all having occurred since June 30.

For disaster relief in the United States the organization spent \$3,871,827 during the year, \$229,000 of which was furnished by Red Cross chapters. A total of \$33,075 was expended for foreign disaster work.

For operations in connection with the mid-west tornado, which killed 800 and left approximately 30,000 homeless, the report stated \$2,961,158 as expenditures during the fiscal year, which brought the total spent in this disaster to \$3,297,537.

Declaring that the community as well as state and national authorities are looking more and more to the Red Cross as the "disaster agency best equipped by organization and experience to handle their relief and rehabilitation problem," the report outlined preparedness plans carried out during the year and called attention to the forthcoming tenth annual roll call for Red Cross membership in November as an opportunity to help the organization advance in efficiency.

Stage Director Is Important

Undoubtedly the most important person concerned in the production of plays is the stage director. Upon him devolve all the details of the staging, the lighting, the construction of the scenery, and the tempo of the performance. He is the king pin in the whole dramatic structure and without efficiency in that department a play is not worth while.

John Ellis has staged all the productions of the Broadway Players in Grand Rapids when the Wright Players open at Powers on Sunday evening, Oct. 24th, a new director will have charge in person of Earl Dwire, who has been engaged to stage all the presentations to be made in Grand Rapids by this new organization. Mr. Dwire is recognized as a man of ideas and ability to carry them into execution. He has staged many New York productions and for several seasons directed the productions of Vaughn Glaser. In addition to being a capable director he is a splendid actor. He plays almost any kind of a role. He was the original Witzel in the New York production of "White Cargo," and played the character for three seasons. He will arrive in Grand Rapids next week to prepare for the opening production of the Wright Players.

A regular meeting of the Willard G. Leenhouts Post, American Legion, will be held at the armory, Wednesday evening. The new officers will be installed, the band boys will give a report of their trip to Philadelphia and refreshments will follow.

JURY FINDS MODERN YOUTH NOT GUILTY IN GANGES CHURCH TRIAL

"Not guilty" was the verdict of the jury in the "trial" of modern youth Sunday evening at the Ganges Baptist church at Ganges. After listening to the evidence and arguments of the prosecution, which held that modern youth is more immoral and irresponsible than the youth of former generations, and then that of the defense, which held to the contrary, the jury was not long in rendering its verdict in behalf of the defense.

Modern youth was represented as "prisoners at the bar of justice" by Thayer Fisher and Miss Alice Leverage. The prosecutor was Warren Pratt and the attorney for the youth of today was Mrs. Helen Kitchen. Those assisting at witnesses for the people were: Mrs. Lucy Kingsbury, Mrs. Chas. Green, Vernon Miller and Miss Marie Leverage. Those for the defense were Mrs. Roy Fisher, Miss Thelma Kiernan and Guy Fisher.

MEETING OF THE RESORT DIRECTORS HAS BEEN CALLED

Local officers and directors of the Michigan Tourist and Resort association have been notified by Secretary Hugh J. Gray that the first regional meeting of the new board of directors will be held at the Elks Club, Tuesday noon, Oct. 26, at the Elks Temple.

The meeting will be under the auspices of the Rotary and Kiwanis clubs and will include the supervisors of the five counties in this section of Western Michigan and most of the business men in the area. W. J. Hobbs, secretary of the Traverse City Chamber of Commerce and a member of the executive committee of the Michigan Tourist and Resort association has assisted Secretary Gray in arranging for the meeting.

Secretary Gray informed the officers and directors in his communication that this is to be the first of a series of regional meetings planned for different parts of western Michigan for the purpose of letting the people of this region know of the work of the state association.

Favorable action on the part of the boards of supervisors of the northern counties is sought at this time by the state organization which this week was voted the regular appropriation of \$2,000 from Muskegon county for the purpose of advertising western Michigan throughout the middle west.

Members of the newly formed Development League of Western Michigan have been invited to attend the Traverse city meeting as well as any other which will be held throughout Western Michigan.

GRAND HAVEN TO TAKE A VOTE ON THE WATER ISSUE

The electors of Grand Haven will be asked to vote on the question of issuing water extension bonds at the coming November election.

At the regular fall election on November 2, there will be submitted a special ballot to Grand Haven voters, who will decide whether or not the city will issue bonds for \$15,000 for the purpose of building water filtration extensions in the city water system.

It will be necessary that a three-fifth majority of all the votes cast be in favor of the bonding proposition to carry it.

The filtration plant is a most necessary step in providing an adequate and safe water supply for Grand Haven. Consulting engineers and hydraulic experts have surveyed the Grand Haven situation and all are of the opinion that the filtration system is the only possible solution of the water problem there.

Careful estimate has been made of all costs, and because of the advantageous location at Grand Haven, the cost of establishing a modern and adequate plant which will assure a permanent solution of the water problem, is kept down.

Grand Haven has had considerable difficulty with its water supply. Often sand filters in the pipes and clogs things up and on several occasions ice has also troubled at the intake pipes. Good water and enough of it has been a live question at Grand Haven for some time.

Margaret Borck, of Grand Haven who is in the nurses training school at Blodgett hospital, Grand Rapids, was operated on for appendicitis at that hospital Thursday afternoon. The reports are that she is resting comfortably. Miss Borck is a daughter of Mr. and Mrs. George C. Borck of Grand Haven township and a graduate from the Grand Haven high school with the class of 1926.

Rev. J. Wessink of Pella, Iowa, is visiting with his mother-in-law, Mrs. Elizabeth Vanden Tak. Rev. Wessink was here for the conference of the Reformed churches and represented Central College of Reformed church in Pella, Ia., of which he is president.

Sheriff Kamferbeek of Ottawa county has circulated a petition asking that the state police detachment be kept in this section. Since it was announced that the state police were to aid in changing automobile titles, we want to see the state police here.

—C. D. M. in Muskegon Chronicle.

Mr. and Mrs. Paul Van Vulpel and Mr. and Mrs. Leonard Kaurz have left on a trip to northern Michigan. They will be away about five days.

Mr. Ted Van Oosterhout will leave for Great Lakes Naval Training Station from there he will be transferred to the Naval Training Station at Norfolk Va.

Mr. and Mrs. S. Lapish and Mr. and Mrs. B. Hahing will motor to Benton Harbor where they will spend the week-end as the guests of Mr. and Mrs. Warren Allerton.

CURTAIN RINGING DOWN UPON THE INTERURBAN R'Y

The Grand Rapids Herald published a foreclosure sale, a legal notice informing the public that the Grand Rapids, Holland and Chicago railway was to be sold at public auction on Wednesday of this week at the north front door of the Kent county court house at Grand Rapids at 10 o'clock A. M. central standard time. That means that the curtain is going down on a public service company practically on its 25th anniversary, for 25 years ago work was started on this line between Holland and Grand Rapids, then known as the Grand Rapids, Holland and Lake Michigan Railway Co.

Great things were expected from this line. The road was built to vSaugatuck, the right of way had been purchased to South Haven, and the plans were gradually to work towards Chicago. Some of the roadbeds had been graded South of Douglas but the work there was halted more than 20 years ago and nothing further came of the extension.

To keep the Holland Interurban going seems to be a hopeless proposition. A committee from the Holland chamber of commerce, consisting of Mayor Kammeraad, City Attorney McBride, Secretary Peter Prins, G. J. Diekmann and Con. De Weert, made a special trip to Grand Rapids to make an investigation but the Holland line seemed to be so involved and so losing so rapidly that it seems to be a hopeless cause.

Attorneys from Detroit have also been in Holland, representing certain bond holders, and have made many inquiries, not alone in Holland, but in Grand Rapids as well. It is understood that they have been conferring with supervisors in different townships thru which the road passes. Although they did not make their business known fully, it was understood that they were getting facts preparatory to attending the sale of the road. It is stated that the parties interested thus far have signified a willingness to continue operations on the road for thirty days after the sale, and in that way other means of transportation can be provided for and thus the districts now served will not be without transportation altogether. Those on the inside held out a slender hope that the line might continue for some time longer but this seems very doubtful.

No doubt Holland will feel lost for a time with no street cars coming through and residents at Macatawa and the resorts along the way will be handicapped considerably. But the coming of the automobile seems to have put the finishing touches on interurban lines generally.

Every interurban in Michigan is in the hands of receivers and while in a measure the death blow to the interurbans can be laid to, the buses and truck lines, the private cars have put the biggest crimp in steam and electric transportation business in this and other states.

It is estimated that there are 4,000 cars in Holland. People going to Grand Rapids use their own cars, going more quickly than they would by interurban. Many load up with freight coming back, when 15 years ago these same people made their trip by street car and had their bundles come by package express or interurban freight.

The trucks simply gave the interurbans the knockout blow, but the real damage was done, especially in the passenger business by private cars.

NEW PRISON IS LARGEST IN THE WORLD, IS CLAIM

The final section of concrete wall to surround the enclosure of the new Michigan state prison, four miles north of Jackson, was to be poured today, it is announced by H. L. Hulbert, superintendent of construction. The wall reaches 34 feet above the ground level and exclusive of cell blocks, which will form a portion of the barrier, will be about a mile in length.

Temporary guard houses have been placed on the completed wall, with towers placing a large part of the enclosure under wall control. The thickness of the wall varies from 24 inches at the base to 14 inches at the top and the structure has been carried from 11 to 19 feet underground.

Every 50 feet four steel columns run from four feet below ground to the top, while seven-inch steel bars are imbedded in the concrete at intervals of 18-inches.

Groups of prison officials and penologists from the outside states and even from foreign countries have visited the prison site to inspect the wall construction. Mr. Hulbert stated, Five men from Berlin, Germany, spent a day at the site a few days ago, he said.

The new prison, with its 5,180 individual cells, will be the largest in the world, Mr. Hulbert declared. Since work was started on the site in June, 1924, the state has spent \$1,825,000 for construction purposes, he disclosed. Legislative appropriations for the project have totalled \$1,900,000 and appropriations for six more years of work will be required, according to the construction superintendent's statement.

SAVINGS IN HOLLAND BANKS NEAR SIX MILLION

Holland's three banks have now reached the peak in their history. The total resources approximate \$9,809,637.43. Total savings deposits amount to \$5,502,935.28. The banks each are capitalized at \$100,000 and each has a surplus of \$100,000 and the combined undivided profits, including reserve funds for taxes, interest and depreciation, amount to \$247,708.93.

The woman's missionary society of the Fourth Reformed church happily surprised their president, Mrs. J. F. Heenstra, last Wednesday afternoon on the occasion of her birthday. An enjoyable time was spent together and a substantial birthday gift completed the glad occasion.

GRAND HAVEN PROMISED NEW STATION SHORTLY

President Alfred of the Pere Marquette railroad Co. headed a delegation to Grand Haven Tuesday noon on a tour of inspection of the line and a committee of interested citizens conferred with the party for some time concerning the plans and site for a new depot to be erected there. Construction will start soon, it was stated.

WILL DISCUSS FUTURE CITIZENS

The W. C. T. U. will hold its regular meeting on Friday afternoon at 2 o'clock in the W. L. C. hall. The devotions will be in charge of Mrs. Edith Walvoord. Mrs. John Kouiker will sing a solo. Dr. A. Pieters, president of the Voters' Information Club, will give a short talk on the amendments that are to be voted on on election day.

The address of the afternoon will be given by Miss Minnie K. Smith, principal of the junior high school, on the subject, "The Children and the Future Citizenship." A piano and xylophone duet will be given by Marjorie and Thomas Selby. Refreshments will be served by Mrs. Mary Steketee and committee. All women are invited.

GREATNESS OF GREAT NOVELS IS PAPER'S THEME

(By Ruth van Bach Van Duren)

At the second meeting of the Woman's Literary club on Tuesday, Mr. Arnold Mulder gave the second of his talks on the novel and Miss Cornelia Nettinga entertained with two very lovely solos.

On Oct. 26th Mrs. J. C. Rhea and Mrs. Sears McLellan will report on the state of convention of the federation of women's clubs. At the following meeting Miss Mildred Tans of Kalamazoo will give a recital and Mrs. George Kollen will have charge of the music.

Why is a great novel great? Mr. Mulder answered this question by reviewing the tests he himself applies to literature. He cleared the way to his premises by discounting those crotchety ego-centrics who comprise the impressionistic school of criticism and rule it with such profound ultimata as, "I like it, therefore it is great," or "I dislike it, therefore it is not great."

Next we must give credit to this school for their influence in breaking down the rigid exclusions of dogmatic academicians.

Mr. Mulder's tests were four: First: richness of mental soil, i.e., the fertility and depth of the author's mind; his assimilated and limited background of culture and experience. Second: the substance of the novel itself; interpretation in terms of honesty and inevitability; illumination of the significant and universal in life. Third: the characterization of genuine human beings as opposed to the representation of automatons. Fourth: the strings of the author's will like a parade of Tony Sarg's marionettes.

Fourth: the incorporation of a distinctive and distinguished style.

Guy de Maupassant once said of novelists, "The public cry out to us, 'Consume me. Amuse me. Make me dream. Arouse my sympathy. Make me dream. Make me laugh. Make me think.' Chosen spirits alone ask of the artist, 'Make me something beautiful in the form which best suits you, according to your temperament.'" This is the road to creative greatness in the novel. As Mr. Mulder stated in his comparisons, the author can give only what is within him. If his mind is rich and deep in experience he will give immortal form to truth and beauty as he sees it, even as Dean Swift did in his memorable satire, "Gulliver's Travels." If his mind is shallow, the saccharine platitudes of a "Black Beauty" emerge.

While the author is truly the instrument of his art, he has no ax to grind, no reform to inaugurate. He becomes as a delicate seismograph, recording the tremors of earth itself. He respects his characters, he does not intrude himself to manipulate them and the result is a "Favorite Saga" or "The Growth of the Soil." In comparison, no stretch of the imagination can contrive the works of authors like Harold Bell Wright, Gene Stratton Porter, or James Oliver Curwood to contain the substance of life. Their characters might be drawn from a card index or a standardized as a Ford car and their parts are as readily interchangeable. Yet a sentimental public continues to pay them handsome royalties for to-day.

Mr. Mulder, as do all good critics, has no room for objective integrity in criticism. He distinguishes between the ethical and aesthetic in judgment of character in fiction. How often are otherwise honest people misled in their literary judgments by confusing goodness and greatness. Moral or ethical goodness is not essential to greatness in aesthetic, for as Mr. Mulder pointed out, Satan in "Paradise Lost" is a much greater character than God, for Milton's conception of him was artistically richer and greater.

That style need not be inherent in a great novel is proven in the work of Theodore Dreiser. On the other hand that style alone can achieve greatness is also false, despite the claims of certain schools of stylists who would ignore substance. Nevertheless, it would seem that even Dreiser would better interpret life to a wider audience if he could control his clumsiness and redundancy and yet retain his cumulative effect. One is inclined to sympathize with Mr. Mulder's anecdote of a university professor, who, becoming impatient in his attempt to read Joseph Conrad fired a bullet at the book. Finding it stuck fast half way through, he exclaimed, "There, that shows it, even a bullet couldn't get beyond chapter thirteen of this blankety blank dull novel."

Mr. Mulder left with his audience, four excellent tests by which to judge both the ancient and modern novel, four basic rules for the development of literary taste and the discernment of greatness in contemporary fiction.

The barber shop of John Litvack has been moved from 440 First Ave. to 222 W. 18th street.

AUCTION SALE

GEO. H. HUIZINGA & CO., Jewelers, announce one of the most sensational money-raising and stock reduction sales ever held in Western Michigan.

\$50,000 STOCK

of fine Diamonds, Watches, such as Gruens, Elgins, Walthams, Hamiltons and Howards; Silverware, in Rogers, Community, Heirloom Plate, other standard plates and sterling; Pearl Beads, Mesh Bags, Solid Gold and Gold-filled Jewelry. Silver Holloware in all standard makes, will be offered at Public Auction.

Everything Must Be Sold

There will be nothing reserved during this great money-raising sale. YOUR greatest opportunity to buy now for your Christmas presents and other needs at your own price from a stock guaranteed by 22 YEARS of honorable dealings. THOUSANDS OF BARGAINS AWAIT YOU. DON'T LOSE OUT.

We Must Raise at Least \$25,000

to enable us to continue our policy of buying for CASH and selling for less. The sale will close just as soon as this amount is reached.

The Mere Announcement of This Event

is sufficient guarantee to our thousands of friends and customers who have known us during our 22 YEARS in business of the rich bargains to be had in this stupendous money-raising campaign.

Come! Bid! Buy! Save!

TWO SALES DAILY---2.30 P. M.---7.30 P. M.

Our Reputation of 22 Years

for fair and honorable dealings is back of every purchase and we guarantee entire satisfaction to every buyer.

Sale Starts Thursday, October 21, at 2:30 p. m.

Store will be closed Tuesday and Wednesday to arrange the stock and fixtures for the sale.

FREE SOUVENIRS to the first 40 ladies to enter to enter the store at 2:30 p. m.

Also other presents at every afternoon and evening sale and a Beautiful Diamond Ring Absolutely FREE the last day of the sale.

GEO. H. HUIZINGA & CO.

6 E. 8th St., Holland, Mich.

You can save real money at this Great Sale

SPORTING

INGA-POINTS FOR GRAND HAVEN GAME

Although one of the biggest games on the schedule is listed for Saturday afternoon, when Holland High meets Grand Rapids South, each Hinga is pointing his men to the annual battle with Grand Haven. The early preparation is all forced upon the local men as Elenbas and Exo are not in shape for practice and most probably Holland will play without their captain and South. Paulus it into the Benton Harbor affair, it not in his usual position at end. Sunday and Dr. Weert will be the care of the flanks while Paul will be run in the vacant back half back. Hinga will not take any chances on injuries to either to or Elenbas and that means at all times change near the line play until Grand Haven shows its play on Nov. 10.

The Allegan game is in between two encounters but Coach Smith will not probably call for hard battle. Inasmuch as every one figures at Holland would rather beat and Haven than any other team, such as possible for that day, with will come here with strong force. With Holland at full strength the game would be a snap-up, but with cripples, Holland is not to be figured as a favorite in this. This does not mean that the Holland side are not going to win, but that the odds are against it. South started poorly, but me to life against Belding and on, 7-0. Then the Gettings came along over Grand Haven, springing a surprise. Last week-end, uskegon was held to a 12-0, ore. This score does not tell how big Redmond team was, rough the South line. The Mus were ready to score in the quarter when they fumbled on a 5 yard line. South was powerful against their opponents, but a break in the last period that early gave them a chance to score. However, with the ball 3 yards from goal, the Red line ran up all caused them to lose ground every play until they lost the ball. J. Boelens, Discoll and polstra are the real out-standing on the South team, with Cummings, the little dusky that beat Grand Haven, also holding quite a reputation. The Holland line has seen the main stay, and if the boys in stop South's attack, they will in, as Holland will most probably ore. South will bring not only a strong team but a fine lot of roots.

HOPE PLAYED FINE GAME AT ALBION

Through the game of chance as same correspondent who wrote for the Sentinel in the game between Hope and Albion, consequently the local people did not get a fair report of the fracas, which according to the Hope coach was more of an even battle than a score indicates. The Cornell said Monday night, that although Hope was downed the game played a whole of a game and he best team did not win. Cornell said before the big Detroit game did not seem to be in a complimentary state of mind, but he gave the Hope players a big boost and declared that they looked good at the breaks were all against them. One of the Methodist touch-downs was the result of a punt that rolled between B. Japings' legs and rested on Hope's ten yard line where an Albion player fell in it. Hope gained quite consistently through the game, netting 35 yards on the second play of the game, a cross-back, B. Japings' and luck kept the orange and blue men from scoring in the last period when the worked the oval to within the five yard strip.

R. Japings out-kicked the Albion punters all the way and found out-weighed, kept a fine defense on the line. The long line of cripples that Coach Betche rallied over, was not as large as stated, as the local men say that nearly all the stars got a chance to show their ability. Albion seemed to have been in a rut with their early season reports showed them to be the best in the M. I. A. A. on paper, they started slowly over the first two games. However, now that are listed as possible victors over Kalamazoo, which boasts of a veteran team, that lost the championship by a point last season. Yslandt won that affair in the last few minutes of play when a touchdown and a goal gave them a 7-6 victory.

The local collegians were all out to practice Monday night and although only a light work-out was indulged in, they went into the practice that bodes well for the next opponents. Hope will have some nice new plays to spring on Detroit City College which plays here this week-end.

Hope will play Detroit City College here on Friday afternoon. The Schouten crew is out to win and the Detroit team will come here to maintain their record that says never has a Hope grid team defeated them. The boys learned a lot of football at Albion and will look like a new eleven against Detroit.

Special preparations will be made to announce the big scores again to the fans at South-Holland game. Michigan will play their old time rival, Illinois, and many will be anxious to watch the outcome of this battle.

Allegan has not lost a game this year. Damoth may bring some trouble here with his eleven, and Holland must have a bad game in their system. Every man has played out in the initial game in the word. There is a spirit of confidence in the Holland camp and hard to put down.

ELENBAS LOST IN HARD 2-0 GAME

Holland high dropped a hard fought game to Benton Harbor, Saturday afternoon at the city, the count being, 2-0. With a stiff breeze upsetting Hinga's well planned offense, which was over-head, the local backs were stumped, but made life miserable all during the pastime for the home aggregation. Tanis was especially efficient at gaining through the line and off tackle but the Benton Harbor flankers smothered the end runs of Breen, Tyse and Elenbas.

Not only did the game go on the wrong side of the ledger but fate again took its toll from the Hollanders. Lewie Elenbas being sent to the side-lines for a rest until the Grand Haven game which is three weeks away.

Holland took the ball in the first quarter and marched directly to the seven yard line where Elenbas elected to try for a touch-down instead of kicking up the game with a place kick. The second period again found Holland in fine shape to score but breaks were bad and the wind cut off the forward pass attack. The half ended with Holland on the home team's 15 yard stripe. Benton Harbor was unable to kick much ground. Their only gain on a well timed end around play. In the fourth quarter, the Harbarites got a break. They kicked with the wind and Paulus was forced to punt out from his own 20 yard line. The punt was blocked and rolled back across the line, Paulus being on it, but downed before the line for a safety. It was a serious blow for the local team, as they were superior nearly all the way and deserved at least a tie count.

The lineup: Benton Harbor—2 DeWeerd LE Hoskins Brown LG Lake Wassner LT Jacobs Brunson C Bernard Tibbits RG Westphal Roslene RT Deurr Sandy QRE Walker Breen Q Walker Tyse RH Osborn Tyse RH Colia Elenbas LH Stevens

Substitutions: Holland—Stekete for Roslene, Paulus for Elenbas. Benton Harbor—Chester for Collis. Referee—Hudson of Western State. Umpire—Limpie—Carey of Michigan. Head linesman—Corigan of Western State Normal.

HOPE TROUNCED BY ALBION, SCORE, 21-0

Albion college's football team showed a reversal of form over its previous games and won its last game 21-0. A score which was a triumph, downing Hope college by a score of 21-0.

Albion's goal was not threatened until late in the fourth quarter when with the ball on the Albion five yard line the Methodists held for downs.

The winners outplayed the Dutchmen in nearly every department of play, making fourteen first down to four for the losers and gaining nearly twice as much ground. R. Japings outpunted a trio of Albion kickers, getting off several long distance punts.

The best of the Albionites on the line while Capt. Williams, Goldberg, and Lowry shone in the backfield. R. Japings and his brother H. Japings looked the best for the visitors.

Neither team scored in the first quarter, both teams resorting to kicking on the first or second down.

In the second quarter Albion took the ball on their own 42 yard line. Line bucks by Goldberg and Lowry and end runs by Lowry and Carlsson together with a punt brought the ball to Hope's five yard line.

Capt. Williams went over for the touch-down and then kicked goal. The third quarter was practically even but in the final period Albion out over two more touchdowns in rapid succession.

Up to this time much interest has been shown in the Inter-patrol ribbon contest by the members of the scouts, the first session of our patrol leaders training course was held.

SCOUT NEWS BOY SCOUTS OF AMERICA

SCOUT LEADERS TO MEET

Scout leaders of the county will assemble next week for their first meetings of the season. The county leaders will meet in Holland on Monday evening, and the north county leaders in Grand Haven on Tuesday evening.

It is proposed that these sessions will be the beginning of a series of fellowship meetings of men who are so unselfishly giving a large amount of their time for Ottawa county boys.

The meeting programs will be divided into three parts; namely, fellowship, instruction, and round table discussions.

Here scoutmasters may assemble monthly to discuss their problems, learn the newest methods of leadership and enjoy the fellowship of one another.

To Train Troop Committees

The strength of the Scout movement rests on the committees both of the various troops. Every scout troop is sponsored by a church or some other established institution. The institution appoints a committee of five men to supervise for them the administration and activities of the troop.

The amount of time required of a committee man is not great, but it is very necessary that the interest and time that is required be given.

The Red Cross Roll Call which starts November 11 is one of the most important events of the year. Every scout is duty bound to assist in this great patriotic movement. The combined final session will be held in Grand Haven on November 23rd.

Red Cross Roll Call

GREATNESS OF GREAT NOVELS IS PAPER'S THEME

Mrs. Frank Charter of Holland has received an interesting letter describing the Florida storm at first hand. It was written by Geo. Ter Beek to his mother, Mrs. Isabel Ter Beek, who is in Georgia. Mrs. Ter Beek is a sister of Mrs. Charter and she has relayed the letter to the latter. It gives such a vivid description of the storm as seen by one who played a part in the work of rescue that it is here with printed for its general interest.

Dear Mother:— I received the money order and sure was glad to get it, as 30 cents would pay my entire week. I have been driving for the relief corps all week. To Hollywood, Hialeah, Ocala and the Beach. It is terrible.

There are a number of homes that have been completely destroyed. They are finding dead bodies every day. The home of Mr. and Mrs. Conner was destroyed. I have been living; you remember how it looked, well it is completely gone; all the furniture, clothes and everything. Excuse my writing—I am very tired and the only light I have is the moonlight to see by. I would like very much to leave here but I feel I am needed just now. During the first storm I got up at 2 A. M. and helped Bob Conner to save what we could which was very little. The wind lashed the rain around like a whip; it raised great welts on our faces and was blinding. And the lightning ripped and snapped across the sky, showing the roofs and trees and telephone poles, being lifted and tossed about like flakes of snow. Now and then the crash of a telephone pole would snap and toss against a house that could be heard above the howling of the wind and the snapping of the lightning. I never saw such lightning; it was terrible. Bob and I dashed from house to house and helped hold French doors and windows while others blocked them. The storm died down at 6:30 and I started down town to see how things were hit. I was stranded at 15 Ave. and 18th St. where Mr. and Mrs. Schilleman lived. I found a lady that had been out in the storm all night. I tried to get her to her home but the storm was too bad. You see, the second storm was even worse than the first, it taking roofs that had been loosened by the first storm. I got to a home of Mr. and Mrs. Schilleman and knelt. I watched three houses go down then big trees and poles began coming my way, so I crawled there to their home, or half a home, for there was not much left of it. There was a man and his wife there; also every now and then a part of the house would go down. The woman and the man and his wife seemed safe enough. When the storm let up some I started for town the second time. I got as far as 15th Ave. and then the river; the water was waist high. Big yards washed through docks and on shore. I could have waded into town, but high 3 feet deep so I swam the river. I landed at 8th Ave. at the 5th St. bridge. I finally reached my friends, found them safe then started back downtown to see if I could be of any help there. And there was a plenty to do; such a sight I never will forget. A few bodies here and there, the beautiful buildings wrecked, water rushing like mad over the streets. The only light was the flash of lightning. I helped all night and am still at it tired but thankful I escaped with only a torn finger and a bruised leg and a few scratches. I thought the world was here. My clothes are all gone—shoes and all, but I am still here and not much the worse for my experience. So glad, Mother, you were not here, that you waited; it all was for the best. Don't still stay with the same people with what is left we will start all over. They also escaped being hurt.

Well, mother dear, I am very tired and will close for this time. I will write again soon.

Geo. Ter Beek.

Washington, D. C., Oct. 16 (Special to The News)—One hundred per cent of the teachers of the public schools of Holland are enrolled in the National Education Association, according to a report received by Mr. J. W. Crabtree, secretary of the association.

The National Education Association was organized in 1857 thru its efforts the United States bureau of education was established. It has more than 100,000 members. It is the largest professional teachers association in the world and the greatest publisher of literature on education. Among the planks in its platform of service are: (1) A competent teacher in every public school position in the United States; (2) such inducements to enter the profession as will attract the most talented men and women; (3) the establishment of a department of education with a secretary in the president's cabinet; and (4) ratification of the constitutional amendment authorizing congress to regulate child labor.

Allegan is to have another hospital, known as the "Community hospital," to be operated by four leading physicians of that city.

Funeral services were held Saturday afternoon at 2 o'clock for Mrs. John J. Meuwissen, 81, who died as the result of a fall. She tripped on a rug in her home and fell, fracturing her hip.

South Ottawa county has sent a total of \$250.67 to Florida for the sufferers there. The money was collected through the agency of the Red Cross.

Mr. and Mrs. George Schuur of Grand Rapids are visiting their children in Zeeland and Holland for three weeks.

The Woman's Relief Corps will hold a birthday tea Thursday afternoon at the home of Mrs. Frank Bertsch at Beechwood.

Rev. H. A. Luten, pastor of the Immanuel Baptist church, will preach on "St. Paul's Conversion," Sunday morning and on "The Conversion of the Philippian Jailor" Sunday evening.

NOORDELOOS

The first meeting of the Noorde-loos Parent-Teachers' Association was held here last Friday evening. The school was crowded to capacity. The program consisted of the following numbers: Opening by Mr. Zonnebelt. Community singing, a reading by Dorothy Hoffstein, piano duet by Ruth and Esther Glerum. Dialogue, "Een law Oude" by Josephine and Ruth Buleman and an interesting talk by Mr. William Zonnebelt. A radio program was then given consisting of jokes and the singing of a few comical songs. Refreshments consisting of ice cream and cake were served by the committee.

Mr. Albert Pyle is the owner of last week's Chrysler coach purchased at a sale.

The young peoples catechism class has again started in Noorde-loos. The class meets every Friday night.

NORTH HOLLAND

The boys of our intermediate department of our local school had an indoor baseball game with the boys of the New Groningen school on Wednesday, which was held at 2 o'clock. The meeting was opened by the singing of hymns, and by scripture reading and prayer by the president, Mrs. Peter Douma.

Miss Sena Lievens and Miss Angeline Vinkenulder, the two delegates who attended the Bible conference at Grand Rapids, gave their reports. After a social hour the meeting adjourned at 4 o'clock.

The young peoples Bible class will start on this week Thursday evening at the chapel at 7:30 o'clock. Rev. Maatman invites all the young people to come out and meet with him.

Donkirk a 9-12 pound baby boy, on Friday, Oct. 15th. Miss Anna Looman from East Crisp is there as nurse.

Roger Schilleman, aged 9 years, 4 months and 3 days, son of Mr. and Mrs. Ed. Schilleman died at the home of his parents Mr. and Mrs. Ed. Schilleman on last Sunday morning at 1:30 o'clock, after an illness of several months. He is survived by his parents, two brothers, Elmer and Gale, and two sisters, Anna and Ruth. Funeral services were held on Wednesday at 1 o'clock at the home of his parents Mr. and Mrs. Ed. Schilleman, Rev. Arthur Maatman officiating.

Miss Metta and Katherine Kemme and their brother Claude Kemme attended the services here last Sunday.

Miss Bertha Lemmen, daughter of Mr. and Mrs. H. J. Lemmen, Knoll, son of Mrs. K. Knoll, residing near Olive Center, were united in marriage on last week Thursday afternoon at 2 o'clock at the home of the bride, Rev. J. Van Vleet officiating. In the presence of immediate relatives. In the same evening a reception was given to several of their friends. Mr. and Mrs. Knoll will reside in Holland.

Mr. J. Van Wyke traded his 40 acre farm a short distance from here with a Mr. Kruthoff from Holland for city property. They moved to their new place on last Wednesday.

A public auction will be held on the Funkes farm, formerly occupied by Mr. E. Miedema, on Friday, commencing at 10 o'clock. Mr. and Mrs. Funkes and family expect to move to Holland.

Mr. and Mrs. John W. Nienhuis with relatives from the association and people from here attended the parents and teachers meeting at the Fillmore school last week Thursday night, some also taking part in their program.

NOORDELOOS

Remember the Parent-Teachers' meeting to be held at the schoolhouse Friday night. Mr. Wm Zonnebelt will be the main speaker. A radio program will be given besides other dialogues, readings and songs. Refreshments will be served. Everybody is welcome.

The Noorde-loos boys played ball last Tuesday evening with the North Holland boys. The game ended with a score of 8 to 12 in favor of Noorde-loos. Last Thursday Noorde-loos played ball with the Drenthe boys. The game ended with a score of 7-8 in favor of Drenthe. Sometime in the near future they expect to play with East Crisp.

Ward Lightheart and family of Grand Rapids spent Sunday in Douglas.

NEW GRONINGEN

Zeeland Record—Death came very unexpectedly and suddenly to the home of Mr. and Mrs. Marvin Smith of New Groningen when it took the young wife and mother after one day's illness with appendicitis. She attained the age of 25 years lacking only one day.

It is only a few years since Mr. and Mrs. Smith were married and built themselves a new home on their farm and established a hatchery known as the Ottawa Hatchery, which they have operated very successfully. On last Thursday Mrs. Smith became seriously ill with appendicitis from the results of which she died on Friday.

She is survived by her husband, Marvin Smith; two children, Carloline Gertrude and Harvey Jay; her parents, Mr. and Mrs. Dick Mouw, three brothers, Raymond, Gerrit, and Harold Donald Mouw, still in the paternal home; two sisters, Mrs. Harold Kragt of New Groningen and Miss Gertrude Mouw at home.

The funeral services were held Tuesday at the home and at the Second Reformed church of Zeeland, Rev. R. Vanden Berg, her pastor, and Rev. D. M. Zwerf of Holland officiating. Interment was made in Zeeland cemetery.

DOUGLAS

Mrs. John Weiss and Mr. and Mrs. Arthur Vette and baby left last Tuesday for their home in California after an extended visit with their parents Mr. and Mrs. John Kremer.

Miss Mae Seaman left Friday for Hammond, Ind., to spend the winter with her parents Mr. and Mrs. John Kremer.

Mr. and Mrs. Geo. Van Os and son of Grand Rapids spent Sunday with Mr. and Mrs. Earl Chapman.

Mr. Bendixon and Mr. Falk of Chicago spent the week end at the Bendixon home.

Mr. Arthur Benoit and family of Grand Rapids, Mr. Jarrett Clark and family of Zeeland spent the week end with George and Louis Walz.

Mr. William Schultz and family of Grand Rapids visited relatives Sunday.

Mr. and Mrs. Adam Lowe of Lakewood, Ohio, are spending several days with their brothers George and Louis Walz.

Mr. Charles Wiegert returned to his home in Chicago Monday after a week's visit with his brother and family.

The basket factory has closed for the season.

Mr. and Mrs. James Wark have returned home after a week's visit with friends in Allegan and vicinity.

Miss Cecil Breidenstein and Mr. Max Bauman of Casco spent Sunday with the former's sister, Mrs. Clinton Ridley.

Mrs. Raymond Schilla, Mrs. Geo. Plummer and Mrs. Joseph Prentice and Mrs. Elhart were Allegan visitors last Saturday.

Miss Beatrice Wiegert has finished her season's work at the Telephone Central.

Mr. John Schrieber is spending several days with his father Mr. Thor Schrieber and sister Mrs. Geo. Morgan.

Mrs. Thor Schrieber attended the state convention of the O. E. S. at Saginaw last week.

Mr. John Craig of Mears, Mich., visited Mrs. B. Buckley last week and called on several friends whom he knew when a resident here a number of years ago.

Miss Lucilla Clifford of Bee Hive Rebekah Lodge last Wednesday evening.

The Degree Staff of Bee Hive Rebekah Lodge No. 48 went to South Haven last Thursday evening and put on the initiatory work

for the Van Buren County association.

Fennville O. E. S. will entertain the Allegan Co. association next Tuesday evening, Oct. 26.

The Holland Baking Co. have invited all their patrons to a banquet at the Warm Friend Tavern in Holland Wednesday evening, Oct. 20.

Mrs. Leon Truax spent one day last week with Mrs. Ben Rutgers in Holland.

Mrs. Ben Wiegert and daughter Beatrice are spending the week with relatives in Jackson, Tipton and Blissfield.

Mr. Charles Ash is spending the week with friends in Dundee. Mr. Pulver was a Buddy in the same company with Mr. Ask during their service over seas.

Mr. and Mrs. Geo. Morgan and Mr. Thor Schrieber accompanied John Schrieber to Chicago Saturday. Mr. John Schrieber has been their guest for several days returning to his home in South Dakota.

Mr. and Mrs. J. H. Lutz of Michigan City, Ind., were week end guests of Capt. and Mrs. Claude Ellis.

Mr. and Mrs. Wm. Ellison of Jackson spent Sunday in the Jas Dempster home. Mrs. Dempster returned to Jackson with them for a week's visit.

Ward Lightheart and family of Grand Rapids spent Sunday in Douglas.

Mrs. J. T. Norton spent Sunday in Detroit and returned to Rockford for a visit with her parents.

Mr. and Mrs. W. J. McVea spent last week in Chicago guests of friends.

Mr. and Mrs. John Derks entertained friends Sunday from Muskegon.

Mr. and Mrs. Daniels and children and Mrs. Nellie Wright of Detroit were week-end guests of Capt. and Mrs. Wm. Turnbull.

Mr. L. Schulam spent several days in Chicago with his family.

Exp. Nov. 6—10954 STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

At a session of said court, held at the Probate Office in the city of Grand Haven in said county, on the 19th day of October, A. D. 1926.

Present: Hon. James J. Danhof, Judge of

THINKS HOLLAND A GREAT NEED OF A SWIMMING POOL

Leo Peters, authorized Red Cross examiner in the life saving corps, has made a report on the swimming activities during the past summer. Mr. Peters is assisted in this work by Claude Ver Duin. The great need of the city, according to the report, is a swimming pool under the supervision of a guard. If Holland had such a pool the swimming population could easily be instructed in life saving methods, says Mr. Peters' report.

This is a quarterly report, the Red Cross requiring an authorized examiner to report on March 31, June 30, Sept. 30 and December 31. During the third quarter, covered by this report, three boys, eight girls and one man were taught beginners' swimming; 15 boys, three girls and two men were taught life saving; one boy, three girls and one woman were taught swimming classes; three boys and one girl life saving classes; six boys and ten girls life guard duty; talks given on life saving to 13 boys, five girls, three men, and one woman; life saving demonstrations, 11 boys and two girls.

The swimmers were: Lawrence Olinger, John Nystrom, William Bula, John Donnelly, Edward Landwehr, Richard Frobel, Melvin VanTatenhove, Howard Fant, Ronald Hamlin, William Du Maurice, Ottawa Zantel, Sander Kiles, Arnold Van Drent, Gerrit Weigend, Raymond Zielow, Warren Heusing, George Wierma, Claude VerDuin, Edward J. Strasma, Jas McKinney, Elliott Purson, James Dicksee, Donald Hamlin, Robert McCracken.

The beginners were: Victor Williams, Chas. B. Taylor, Robert Gallagher, Fred Kendall, Bobcock, Kenneth Gross, Lester Serier, Donald Te Roller, Harold Fairbanks, Gerald Kammeraad, Richard Russell, Eugene Shields, Frank Bolhuis, Paul Zook, Marion McCoy, William Hartman, Vernon Klomparsen, Gerald Deur, Albin Reuse, Jack Davis, William Bradley, Vaudie Vandenberg, John Frobel, John Good, Edward Gabel, Lloyd Custer, Gordon Hamelink, George Good, Leland Beach, Frank Visscher, Lindsay Miller, Harry Beekman, James Hardy, Albert Baker.

Office employee and line man, officer from the front office and from the back shop, engineer and operating man, are competing in the twelfth annual inspection party which is making a tour of the Pere Marquette Railway. The party, which comprises about 60 in all, left the Fort Street Union depot, Detroit early Monday morning, crossing into the western side of Michigan shortly before noon. The itinerary calls for five days' continuous traveling, from sunrise to sunset, the line between Detroit and Port Huron, and the Lacrosse branch was being inspected. The party returned to Holland Monday night where they took in the Allegan County fair and then crossed to White Cloud Tuesday, returning to Detroit from Petoskey on Wednesday. When the party reached the fruit belt of Michigan, they were remembered with choice samples of the products of the state's finest orchards.

Throughout the nine day tour the general offices of the railroad are virtually "on wheels", a corps of secretaries being of the party to assist the general officers in disposing of the work as it arises. Of course, the principal work is that of inspecting the completed work for the current year and awarding the markings in the various competitions. The cash prizes which are hung up in these contests, that arouse a certain friendly rivalry among the men, will be distributed later. These competitions include the condition of the roadbed and surface, signal and interlocking plants, the condition of the crossings and signs, station grounds, shops, repair tracks, etc.

The special train consists of three office cars, a dining car, a sleeper and an especially constructed inspection car having an open amphitheatre at the rear. In the party besides the members of the various committees are Messrs. Frank H. Alfred, president and general manager; C. S. Sikes, vice president and general auditor; Seward L. Merriam, general counsel; E. E. Cain, assistant to the president; A. L. Grandy, assistant to the president (Engineering); A. E. Badger, general superintendent; A. J. Minard, assistant general superintendent; E. D. Hawley, general superintendent of transportation; H. O. Halsted, superintendent of car service; W. C. Atherton, purchasing agent; R. A. Paterson, general freight agent; John Dunphy, general passenger agent; R. A. K. Patrick, general claim agent; W. J. Hargis, superintendent of freight claims; R. J. Williams, superintendent of motive power; C. K. Wood, assistant superintendent of motive power; F. L. Oliver, superintendent of motive power; C. K. Wood, assistant superintendent of motive power; F. L. Oliver, superintendent of motive power; C. K. Wood, assistant superintendent of motive power.

The principal divisional officers accompany the train over their respective divisions. The dining car crew usually serve meals for an average of 60 persons three times a day throughout the tour.

MICHIGAN GRAPE CROP BEATS OTHER STATES

Analysis just completed by state chemists show that the Michigan grape crop this year is of equal, higher quality than in New York, Ohio, or any of the principal grape producing states. J. D. Breck, director of the bureau of foods and standards of the state department of agriculture, announced. Chemists, working in the Paw Paw and Benton Harbor region, have found a sugar content running from 17 to 18 per cent. This indicates exceptionally fine quality. Mr. Breck said. The grape crop got off to a rather bad start, but plenty of sunbaked have developed the fruit, he stated.

The Star of Bethlehem, Chapter No. 40, O. E. S. invites all members and their friends to a two-cent social Thursday evening, October 31, at 7:30 o'clock at the Masonic temple. "Bring your pennies."

P. M. IS HANDLING MUCH FRUIT AND VEGETABLES

From Oct. 1 to 15 the Pere Marquette Railway Co. loaded from western Michigan 202 cars of fruit and vegetables under refrigeration, mostly celery and grapes, and 288 cars under ventilation.

CLUB IN FAVOR OF PLAYGROUND

One hundred thirty members of the Longfellow P.T. club held the first meeting of the year Tuesday evening. Grinning pumpkin faces, black cats, witches and goblins greeted one as he entered the building, while branches and cornstalks gave an outdoor appearance to the assembly room. Mr. George Schulling and Mr. George Pelgrim spoke on the need of a community playground, and in the business meeting that followed it was voted that the club go on record in favor of such a playground. Community singing led by Mr. John Vandervliet opened and closed the meeting.

A very pleasing feature of the program was the entertainment, consisting of readings and solos given by Alice Beter, Loreta Schulling, Gertrude Baker and Jeanette Herman. The new teachers, the Misses Bernice Berry, Ann Linden, Frances Spoelstra, Marion Carlson, and the old teachers, the Misses Gertrude Mahaffey, Gladys Keck, Janice Barendrecht, and Dora Strowenjas, were introduced by the new president, Mr. Sp. Hoptman. The subject of giving short plays for the coming year was discussed and a volunteer committee was asked for. Refreshments, consisting of delicious cake and coffee, were in charge of Miss Strowenjas and her committee.

DR. WILDER GIVES ADDRESS AT THE COLLEGE SERVICES

On Tuesday morning at 11 o'clock the students of Hope college assembled in Winants chapel for the third meeting of the week of prayer. Dr. Dimmet introduced Dr. Robert P. Wilder who is to be the speaker for the remaining meetings of prayer week. The subject of Dr. Wilder's talk was "Temptation." There is not a human being, said Dr. Wilder, who has not been tempted. Even Jesus, when he was on earth, was tempted. The speaker gave many illustrations of the different ways people may be tempted and how temptation may be overcome. The fight for character is a real fight and it makes a great difference whether or not one yields to temptations. In talking about yielding, the speaker brought in the quotation from the Bible which says, "Be sure your sin will find you out." It can be found out in many different ways, no matter how the individual tries to cover it up. Very often the kind of life which a person lives can be seen in his features. But, he said, even though we all are tempted and even though we often yield, it is possible to win over temptation. There are different ways by which the fight may be won but the main one is asking Jesus for help. Christ did not yield when he was tempted and if we will but ask Him for help, He will be willing to meet us half way. There are many men and women who say that a life of victory is possible through Christ. Dr. Wilder's talk was interesting as well as very helpful.

LOCAL WOMEN TAKE PART IN CLUB PROGRAM

Miss Ethelyn Metz was the entertainer at the meeting of the Grand Haven Drama club. The Grand Haven Drama club, of which Metz of Holland is a leader, of marked ability and delightful personality. She was assisted in one number by Mrs. Edw. De Pree, also of Holland, and Mrs. Michelson of Grand Rapids, accompanied at the piano by Mrs. C. C. Hopkins, of another contributing factor to the program.

"Miss Metz read several numbers showing her mastery of dialect and her insight into the character of the Irishman, Frenchman, German and Italian in the clever things she read for the company. The arrangement of her light and laughable things coming first, closing her work with the long and difficult poem 'Robert of Sicily,' from Longfellow's Wayside Inn Tales, accompanied by a beautiful setting of music by Rooster Cole, a musician of Chicago.

"This music was intensely interesting as Mrs. De Pree's interpretations were in entire sympathy with the reader."

OFFERS REWARD FOR HIS HUNTING DOG

Murvell Houting is offering \$15 reward for the return of his hunting dog. The young son, 3 years old, is attached to the animal and is never so happy as when he is playing with the dog. The little 32-year-old woke up one morning, ate his breakfast, ran out of doors, then called his pet, but there was no response. "Tut," the dog's name, is a pedigreed beagle hound. Someone had unfasted the chain to which the dog was attached and coaxed it away, and the animal has not been seen since. The older Houting cannot hunt without his dog distracted because of the loss of his playmate.

The contract for construction of the new \$65,000 school at Saugatuck has been awarded by the school board to a Mr. Pearson of Benton Harbor, who will begin work at once. This is the second bid taken on this school. The first bid was rejected for the reason that the building price did not come within the amount voted for.

Funeral services were held at Saugatuck Monday afternoon for Mrs. Jennie Huff, 61, longtime resident of that place, who died Saturday. Mrs. Huff's husband died a few years ago. A son, Dr. Robert Huff of Chicago; her aged father, Robert Close, and a brother, Ward Close of Grand Rapids, survive.

FIELD STAFF OF BOY SCOUTS HAS BEEN ORGANIZED

The field staff, composed of district, city and sectional commissioners of the Ottawa county council, met in Grand Haven and discussed their duties and outlined plans for developing the scout troops of the county to the most effective running order. Scout Commissioner C. L. Beach presided.

All of the districts of the county now occupied by the scout movement have district commissioners with their respective districts. Each of the two larger sections who direct all scout activities have city commissioners who direct the activities distinctive to their own particular cities. Each district is further divided into sections of two to four troops each in charge of a sectional commissioner.

Starting the first of next month each troop will be visited every month by the sectional commissioner, every two months by the city commissioner, every three months by the district commissioner, and annually by the county commissioner. The scout executive will have no definite schedule but will go where and when he is needed. Periodical visits will also be paid by the various leaders to troop committee chairmen and pastors of churches. This will provide a regular check and will be a great assistance to scoutmasters.

Cornelius Bergen, Theodore Hilder, and Thomas Keating have been appointed sectional commissioners for the city of Holland. Mr. Bergen is a former scoutmaster of several years' experience. Hilder is at present scoutmaster of troop 9, and Keating is scoutmaster of troop 8. With a broad scout experience back of them, they will be able to render a great service to scoutmasters of Holland troops.

District Commissioner Frank Lievens has announced their assignments as follows: Bergen, Troop 7, Third Reformed church; Troop 11, Sixth Reformed church; Troop 17, Episcopal church; Hilder, Troop 6, First Reformed church; Troop 9, Hope Reformed church; Troop 13, Trinity Reformed church; Keating, Troop 8, Catholic church; Troop 10, Methodist church.

JURY FAILS TO AGREE IN CASE OF A FRANCIC

Anton Francic of Robinson township appeared in Justice Cook's court of Grand Haven for trial Tuesday at 1 o'clock on the charge of driving a car while intoxicated. The jury composed of Gust Thieleman, Henry Ringleberg, Ben Middag, John Welsh, Henry Casenir and George Schneider was drawn and a large number of witnesses appeared for the people and for Francic.

The trial lasted about three hours during which time the case was thoroughly gone over. C. E. Misner appearing for the respondent, Prosecutor Fred T. Miles of Holland for the people.

The jury took the case and after an hour's deliberation could arrive at no decision. The new trial was set for next Monday, Oct. 25, at 1 o'clock in the Justice court again.

TRIANGLE MEET IS ANNOUNCED

Prof. Irwin J. Lubbers, coach of debating at Hope college, has announced Feb. 11 as the date for a triangular meet with Central Michigan Normal here and Olivet there and Feb. 25 with Albion here and Alma there.

Invitations for debate also have been received from Randolph, Macon college, at Ashland, Va. Culver, Stockton college, at Canton, Mo., and Capital university at Columbus, O., and other schools outside of the state. It is possible some of them may find a place on the program.

Hope's veteran debaters include Bruns, Wabeke, Ten Cate, Mulder, Tuttle and Burggraaf. The first meeting will be held this week.

WOMEN'S GAD- DING GETS THEM INTO TROUBLE

Suits charging trespass on the case, but involving slander, were filed in Muskegon circuit court by Atty. J. E. Turner for Rev. G. N. Harness, pastor of the Forest Avenue Church of Christ of Muskegon, against five married women in his congregation. Defendants in the suits, which are for \$5,000 damages each, are Mary McMillan, Viola Schooley, Erma Kent, Linda Peugh and Nellie Pettit. The suits were started by summons.

The declaration will say, according to Mr. Turner, that the women have circulated stories, regarding the minister's keeping company with members of the congregation. He is not married.

Rev. Harness came to Muskegon in 1924 from the state of Washington and since that time the church has erected one unit of a church which, when completed, will have cost \$100,000. It is understood that the church board is backing the pastor, and advised filing of the suits.

THREE ARE HURT IN TWO AUTO SMASHES

Mr. and Mrs. John Van Leuven narrowly escaped serious injury when their automobile was ditched near the Holland Country club on the Zeeland road. The machine tumbled down a 10-foot embankment and the occupants were stunned by the blow, but soon revived.

Van Leuven suffered two fractured ribs and Mrs. Van Leuven minor bruises.

Stephen Wolters of Park township suffered severe bruises when his wagon was struck by an automobile driven by Ernest Brenner of Saginaw on the park road, near Bertsch's Old Dutch farm. The machine crashed into the vehicle with such force that Wolters was thrown forward, falling between the horses, one of which suffered fatal injuries. The other horse was bruised severely.

TO GET HIGHEST GRADE IN THE SCOUTING LIST

Forrest Bailey, scoutmaster of troop 5 of Grand Haven Methodist church, will be elevated to the grade of eagle scout at the county boy scout court of honor to be held in the court house in Grand Haven Tuesday evening. This is the highest grade in scouting, and is awarded after a scout has qualified for twenty-one merit badges, including first aid, life saving, swimming, personal health, public health, cooking, camping, civics, first study, pathfinding, pioneering, and athletics or physical development. A number of merit badges, first class and second class awards, will also be made, and several will be promoted to the rank of patrol leader.

After the formal ceremonies Miss Fosmore of the Grand Haven public schools will give instructions on the merit badge subject. Troop three, in charge of Scoutmaster Harry Kirk, will have a charge of the entertainment. All N. W. district troops and several from the S. W. district are planning to attend as units. A large attendance of the general public is desired. The program will be found interesting and their presence will be a big encouragement to the scouts.

COMMENTS ON PROPOSED CHANGE IN TRUNK LINE

Zeeland Record—Last week in our news columns appeared an article outlining what is probable to occur in the way of relocating M-51 between Zeeland and Holland and this was by no way an idle dream.

The state highway department can be depended upon to choose what they deem to be the most direct and economical route, and that this route has some merit most of us will concede.

From what we have heard since there will be considerable opposition in both Zeeland and Holland, but whether there will be united opposition has not become any more apparent than that the road will actually be built there.

The construction of this new road would mean additional and better drainage through the section to the north and east of the city. It would open up considerable building development along its course, and it would open up some very desirable acreage for public grounds, for parks and such purposes. The "Brummett's woods" would become an elegant spot for a tourist camp and the additional drainage would fit it for splendidly.

Whether the re-location is established on this proposed route does not particularly interest the Record but this is about the time that we should be considering the wisdom of supporting or opposing it and not wait until after the road-building contract is let.

WANT HOLLAND BOXERS AT THE LEGION SHOW

The American Legion posts of Allegan and South Haven report that the boxing show to be held Thursday and Friday nights, Nov. 4 and 5, and the armory in South Haven promises to be a good one. Entries have been coming in from most of the towns in the two counties and the fight card predicts the best sporting event of the year in that locality.

Most of the boxers who carried away titles in the tournament held in Allegan in April are entered in this tournament and will defend their Allegan county championships.

This tournament is being held under the strict amateur athletic union rules and is an official sanctioned amateur show. Capable of feats are in charge and the contestants who enter can feel confident that the best of service in every respect will be given them.

The preliminaries will be held Thursday night and the finals on Friday night. Holland should enter several boxers in this tournament as there is capable material in this vicinity that would make a good showing in the tournament.

Seat reservations or general information concerning the show can be obtained by writing or phoning W. H. Long, Jr., General Chairman of the Boxing Show, Allegan, or George Crowe, Assistant Chairman, care of the Armory, South Haven.

A delightful kitchen shower was given in honor of Miss Kathryn Aldering at the home of Miss Maxine Deur Friday evening. The rooms were beautifully decorated in halloween colors. A three-course luncheon was served. Those present were: Ruth Drucker, Ruth Van Coeveren, Beatrice Timmer, Pearl Tanis, Elsie Steinfert, Zera Vrieling, Anne Alderink, Aleta Harmsen, Maxine Deur, Kathryn Aldering, Geraldine Tuis. Many beautiful and useful gifts were received.

OTTAWA JOINS THE BORER FIGHT HERE TO SAVE THE CORN

C. P. Milham, Ottawa County Agricultural agent has recently returned from Detroit where he attended the National Corn Borer Show which is said to have had the finest and largest exhibit of dairy cattle ever collected in one place for exhibition purposes.

This exhibit gotten together by the Michigan State College and Federal government was a mighty source of education and interest to anyone interested in cattle raising or dairy products.

Another subject under discussion was the deadly corn borer. This pest may not be so well known outside of farming interests but its deadly effects are liable to change the entire output of many a farm, for when once it gets a start there has been no way to overcome or stamp it out, thus effecting business of many kinds.

The borer is a small white worm which works itself up the stalk of the corn laying it flat in a little while and ruining it for development or further growing. This pest which has already appeared in some parts of Michigan and Ohio and Canada, is drawing the attention of farmers more and more as it is realized if the pest gets into a community it practically means that the farmers must look to some other crop and give up the growing of corn.

Already there is a state law which makes it necessary for all corn left in the spring beyond May 15th to be burned if not shredded or in a silo. At this time the moths begin to hatch and the deadly work of laying eggs and hatching the worm begins.

An elaborate experiment station which works itself up the stalk of the corn laying it flat in a little while and ruining it for development or further growing. This pest which has already appeared in some parts of Michigan and Ohio and Canada, is drawing the attention of farmers more and more as it is realized if the pest gets into a community it practically means that the farmers must look to some other crop and give up the growing of corn.

To date there has been no report of the pest in Ottawa county but it is said there was a load of corn shipped into Muskegon last week from Ohio which was infected. If this is so Mr. Milham feels sure that its evil results will certainly show up in the coming season. If there are the slightest signs of the borer found by any farmer in this community Mr. Milham asks that he report immediately to him.

Protection is only possible in concerted action and if the first signs are entirely eradicated there may be some hope of keeping away from this very devastating evil.

Mr. Milham stated today if the borer ever gets into a section it is absolutely necessary for the farmers to find a different crop. This in time will do great harm to the cattle raising and dairying interests and effect a community in the thousands and thousands of dollars lost. The areas in this state which are already effected lie around Saginaw coming this way as far as Calhoun county. A strict quarantine is placed on the corn produced in this section and any coming from one part of the state can be restricted but it is the foreign shipments which we have no power over. Already this has attacked farms in Ohio and unless mighty steps are taken the corn crop of the state of Michigan is in great danger. This is getting to be a real danger and agents all over the state are realizing perhaps more than the farmers just what it means should the borer get a foot hold. To date there has been a steady increase in its progress and nothing has been found that effects the worm in its deadly march.

MUSKEGON WANTS A PURCHASING AGENT

A recommendation probably will be made to the county board of supervisors of Muskegon, during the present session that County Clerk Oscar Berg be authorized to act as purchasing agent for the county.

At present each department does its own buying, and many supervisors are of the opinion that the county loses a large sum of money annually because of the lack of centralized buying.

Vote for Republican State Candidates on November 2

For GOVERNOR

They Understand State Problems

A vote for Republican candidates is a vote for progress—Roads, Conservation, Sound Government.

Republican State officers can best serve Michigan because they are affiliated with the party that is in national power.

Fred W. Green typifies the ideals which the people of the State desire to find in a Governor—he is the man the people want.

The affairs of the State in all departments including administrative, legislative, and judicial are assured intelligent, conscientious, vigorous attention by the election of the Republican nominees of 1926.

EIGHT WOMEN OF HOLLAND GET DIPLOMA FOR NURSING

Miss Nell R. Lemmer, county nurse, has awarded diplomas to eight women of North Holland, who successfully passed the examination in home hygiene and care of the sick.

Those receiving diplomas are Mrs. Peter Siersema, Mrs. George Syers, Mrs. George Nienhuis, Mrs. Henry Redder, Mrs. Harry Vinke, Mrs. Markus Vinke, Mrs. B. Ter Haar and Mrs. Kamphuis.

SUPERVISORS ON ROAD TRIP

Thursday morning the Ottawa county board of supervisors left the court house in motor cars for a trip over the county and system. This trip included the bridge at Bridge street which is the biggest project ever handled by the Ottawa County Road Commission. The supervisors were the guests of the Road Commission. The roads outlined for snow removal were also called to their attention.

All formal work of the board was dismissed and the regular routine resumed on Friday.

ALLEGAN TEACHERS' CLUB TO BE THE INVITED GUESTS OF ROTARIANS

Acceptance has been tendered the Rotary club on behalf of the Allegan Teachers' club by Miss Dorothy Manahan, president, of an invitation to attend a 7 o'clock dinner at the Otsego County Club next Monday Oct. 18. Dr. J. H. Van Nese is chairman of Rotary committee. The teachers' club will be represented at the state federation of teachers' clubs at Albion, Oct. 15 and 16 by Miss Ruth Noggles and Miss Dorothy Manahan.

ALLEGAN LEADS IN ONION SHIPMENTS

Allegan county led the state in onion shipments in 1925-26 onion deal by R. H. Shoemaker, federal and state market reporter. Hooper, a small shipping point near the center of the Gunn lake district, was foremost in shipments with 334 cars, followed by Martin with 166.

Newaygo county, with 155 cars, was second in total crop movements, Grant shipping 153 of these. Kent and Ottawa counties tied for third place with 11 cars each. Grand Rapids, with 49 cars, placed fifth in the list of individual shipping points.

Total car lot shipments of Michigan onions during the 1925-26 season were 1,206 as compared with 1,337 the previous shipping season. Michigan consumed 438 cars. Detroit consumed 301 cars. Ohio and Pennsylvania took 129 cars each, while Illinois purchased 85 and New York 83 cars.

Shoemaker's summary lists the destinations of all Michigan shipments, indicating the crop was distributed in 27 states and 140 markets in those states.

The Grand Rapids Press of Monday gives Holland's Centennial Park a glowing write-up, picturing a portion of it, including the fountain in the center. The Press states that this seven acre plot in the heart of Holland was the gift of Dr. Van Raalte and that when the nation celebrated its centennial with an exposition at Philadelphia in 1876, 50 years ago, Holland changed the name of its public square to Centennial park.

MAKE PLANS FOR CANVASS FOR THE SCOUT PROGRAM

At an enthusiastic meeting of the city boy scout committee the pre-organization of the committee for preliminary steps were taken for the coming year and for the canvass for the city's quota to the county boy scout fund. Scouting in Ottawa is now on a firm basis and Holland as the largest city in the county is taking a prominent part in the work.

It was decided to appoint twenty members as the new city boy scout committee for the coming year. This committee will be in charge of the arrangements for the canvass and of other scout matters in Holland, being a part of the county committee that guides the work of scouting in Ottawa.

The new committee is composed of Dick Beter, Ranson Everett, Wm. Arendshorst, Con. De Pree, John Van Tatenhove, Alfred Joldersma, August Heuser, V. R. Hunsford, Andrew Klomparsen, John Luidens, Nick Kammeraad, A. H. Landwehr, George Pelgrim, Sears McLean, George Mool, Arnold

Mulder, Fred Bos, T. N. Robinson, Vance Mape, and Jim De Pree. C. L. Beach was elected chairman of the meeting. Walter Hitter vice chairman, Alfred Joldersma treasurer, and Wm. Arendshorst secretary.

Plans were discussed for the annual canvass to secure the city's quota that is to be contributed to the county organization for carrying on the work the coming year. The financial report covering the past year was read and it was found that there was at the close of the year a balance of \$169.66. The organization endorsed the sea scout program and it was decided that the officers be empowered to use up to \$75 for the advancement of sea scouting.

Detailed plans for raising Holland's quota will be drawn up and it seems likely that Holland will come across as usual for this cause. The scout program in Ottawa since scouting was reorganized has been more successful than anyone dared to hope and the scout movement is popular here.

A Democratic rally and political meeting to be held in Press hall of Grand Rapids Saturday night, Oct. 29 will be addressed by Sen. Woodbridge N. Ferris, William A. Comstock and Gerrit Masselink. Democratic candidates for governor and lieutenant governor, respectively.

A Penny A Day Keeps The Burglars Away

His Insurance Burned With the House

He was thoughtful enough to insure his home, his furniture, his car and his life, but he forgot to safeguard his papers. Now, he is trying to straighten out his affairs and collect from the insurance company. All this uncertainty and trouble could have been eliminated for the cost of about a cent a day, or less, if he had had foresight enough to protect his papers in a safety deposit box in our strong vaults.

Q The sum of three dollars rents a deposit box to which you have the key. In it your bonds, insurance papers, your property papers and your valuables are safe from fire and from the burglar.

Q Feel secure by renting a box for less than a penny a day. What cheaper insurance could you possibly have for your valuables?

DESCRIBES HOW THINGS LOOK NOW IN MIAMI, FLA.

Henry Luidens of the First State bank has received a letter from Prof. A. Raap, who now lives in Miami, Fla. It contains such a full description of the storm and of how things are in that city now that it is printed herewith:

Miami, Fla., Oct. 3, 1926

Dear Friends: Things look altogether different from the way they did a little more than two weeks ago. This morning we attended church and celebrated communion. Our pastor took for his text, "And He took the cup, and gave thanks." I referred to the recent storm. Miami took the cup, and judging by the way people act and things are being done—it took the cup in the right way. Everybody is busy. Signs are posted, reading, "Every white or black able-bodied man is supposed to work. Idlers will be arrested. And believe me, everybody is working. Two weeks ago the streets were one tangled mass of telegraph poles, wires, wreckage, trees even scows and boats, nearer to the bay-front; today the streets are clean. Three days after the storm the city water supply was turned on already. Only a few days later downtown had electricity and last Friday we, although we live 28 blocks west, could put away our old lamps again too. Roofs are being repaired, piles of wreckage burned, and it will not be long when most signs of the storm have disappeared. Trees are being replanted, straightened, or chopped down. Nature is doing its best to bring out new leaves and flowers, and although Miami has for the time being lost some of its beauty, a few years will restore it and Miami will be as beautiful as ever. And the city is still with us. Our northern friends write us about cold, wet weather; we have once more June in Miami.

And people whose houses were ruined have found new quarters and insurance offices are busy writing tornado insurance. It is true as it ever was, "As the half breed roars, he is dead, men die put." And Miami has learned another lesson. It has learned how to build in the future. Our steel enforced skyscrapers did not suffer, with the exception of the 20 story Meyer-Kiser building, which is twisted so badly that it has been condemned. It is being torn down. To give you a description of all the damage done is not possible. The Literary Digest gives you a fairly true description. Big boats in the harbor were thrown upon the shore, and even against buildings a quarter of a mile away. Beautiful yachts were totally wrecked. Between Miami and Coconut Grove, along the bay, you will see them in the yards of beautiful homes along the ridge. Bricked away, the Deering Estate have lost much of their beauty to the time being but within a short time a great deal of it will be restored.

A large number of people who lost their little homes altogether or partly need help, and we are glad that northern states and cities, thru the Red Cross, come to the rescue. I think the middle class suffers especially. Their buildings are badly damaged, they need money for rebuilding, banks are unable to help, because those who had some money left withdrew the last cent to help themselves. And still every Miami feels that he has to do whatever he can to help his neighbor. Northern friends come to the rescue and as a result Miami is coming back to its own and is inviting its winter visitors to come and to enjoy its climate as they have done in the past.

I shall try to answer the questions you asked in your appreciated letter. Why did we not wire sooner that we were safe? To prevent the rain from doing more damage than we had already suffered we donned our working clothes on Sunday morning and went upon the roof to cover uncovered parts with roofing paper. Then we dragged out our water-soaked carpets and did other things absolutely necessary. And we kept working every day. Dr. Raap and Dr. Filipe reported for duty to do relief work, and just to give you an idea how they were kept busy, I wish to say that my son and Dr. Snyder were put in charge of the relief work and worked every day until midnight and even till three o'clock in the morning when Dr. Bunden health commissioner of Chicago, was here with his staff of Chicago doctors, he said: "We came with definite orders to report to the chief medical officers of the stricken area and we have obeyed those orders. The support of Dr. Snyder and Dr. Raap was in a large measure responsible for whatever success we may have attained in Miami. This city owes these doctors and their associates great credit for the work they have done."

And Dr. Filipe placed in charge of the relief work in the Orange Glade Schoolhouse, two blocks from our home, and kept busy for a week relieving the injured and inoculating people against typhoid. He vaccinated between 400 and 500 a day. We received a wire from our folks in Chicago on Tuesday, inquiring as to whether we were safe. We wired back at once, but they did not get a reply till Wednesday evening. On Wednesday morning I went downtown, mailed letters and sent messages to you and to others. We are thankful that we are safe and it is a mystery to us that not more people got killed.

The wind blew from 100 to 130 miles an hour; accompanied by rain. We expected a strong wind, because the papers reported that a hurricane was heading for Miami, but we did not expect anything like this. At about 2:30 a. m. tiles were flying, screens and awnings went, and at about 5 a. m. a church across the street from us was demolished, the roof flying over a cottage and into the next street. The awnings of our garage apartment went and some of our tile. When the lull came at about 7 a. m. we looked outside and felt thankful that we had not suffered more. But one hour later the hurricane came back from the opposite direction. The wind had blown from the N. E., now it came from the south, and struck the front of the building. Soon our solar system (350 gallons) crashed and the roof cement blocks began to fall and the whole cupola and

THREE SCHOOLS ARE TIED FOR THE HONORS

Much interest is being shown in the grade school soccer tournament. This has been in progress for some time and it is in full swing now. Games are developing some warm contests and the teams are evenly matched that the Lincoln, Longfellow and Froebel schools are at present tied for first honors.

WOMEN BAND TOGETHER TO GET HOME AGENT

A petition signed by 82 women of Wayland township was presented to the board of supervisors of Allegan county Wednesday asking employment of another home demonstration agent. It was represented there were over 800 club members in the county. A petition was presented asking for an appropriation of \$2,100 to aid in supporting a county farm bureau agent. Both were referred to the committee on special appropriations.

The board passed a resolution that two and one-half mills be added to the county road tax this year. This does not include the Covert road tax.

It was decided to transfer one and one-half miles of road in Gun Plains township and one and three-quarters miles in Martin township to the county road system. It cost the county \$1,035 to pay the traffic officer's salary since the June session of the board. The report showed \$189 collected from fines and \$51.75 from fees.

part of the roof was torn away and blown a block from the house. Cement blocks were driven a block by the storm before they reached the ground. Rain poured in, soaked the ceilings and furniture. The whole building shook and everything was in a state of confusion. But our building was put up strong and withstood the terrible hurricane. Of course, we suffered and it will take considerable money to rebuild everything, but we were safe. Others were killed and lost everything. Grand Rapids did not suffer much. Owings blown away, windpanes broken, and the ceiling in one room damaged.

They (Dr. Snyder, Dr. Raap, Mrs. Raap and the doctor's technician, Miss Mary Zelle) left last Friday morning for Chicago, Detroit, and Greensburg, Pa., to return within three or four weeks. I told them to be sure to call on you and he promised me he would do so.

storm broke. Retired at the usual time, got up at about 2 a. m. and set in fear and trembling in the darkness (water had been turned off and also electricity) till the morning. Carpenters are busy getting our house repaired; we have cleared up all the wreckage and within a few days our place will look as beautiful as ever.

You ask about the causeway between Miami and Miami Beach. Of course, both causeways were badly damaged. First, the wind from the N. E. blew all the water south and when the wind turned it came back with tremendous force, driving boats on the land and against and over the causeway, smashing everything. I have not been to the Beach yet; Mrs. Raap and Mrs. Filipe crossed the causeway this past week to see the damage done to Miami Beach. It has suffered very much, but many reports sent up north were exaggerated. In places the water was as high as the eaves of homes and people climbed as high as possible to escape from drowning.

Mr. and Mrs. Vander Lei called on us this week. Their house is not completely wrecked, but damaged like many others. I was told that Mr. Nibelink's house did not suffer very much. We carried no tornado insurance. Comparatively few people were insured against tornadoes. The losses are estimated at about 100 million dollars or higher, and only \$7,500,000 tornado insurance.

Whether the small islands are wrecked? They suffered as all the rest of the country, but not worse. Churches were damaged as well as other buildings, some more, others less.

Are thousands leaving Miami? A number of people are leaving. This however is not so bad. They are people who have no other interests here than to make money and make it easily. They complained loudly that they lost everything, which meant perhaps their clothes and they go and Miami is not sorry to see them leave. The city will be better without them.

We can imagine the orders you were kept busy answering phone calls. It showed that we still have many friends in Holland, who are interested in us and this we appreciate. Show them our nice home and tell them it is still here. Yesterday I met Mr. P. Dalenberg. He told me that the roof of his beautiful home had blown off, that every thing was water-soaked and that they lived in a tent for the time being.

Mr. and Mrs. Myron Boekema arrived here just before the storm. They are safe and happy.

How long was it cloudy after the storm? On Saturday afternoon the wind abated, and the rain stopped and on Sunday morning the sky was clear.

The people of Miami have suffered badly. The whole state of Florida has suffered. But we are not downhearted. A greater Miami will be built upon its ruins. Thousands of visitors as in former years will escape the cold northern winters to enjoy the wonderful climate of the south. Florida will continue to grow and to prosper. It needs the aid of the north at present, it is already ready to stretch out its hands to help others in other parts of the country, who have suffered on account of rains and storms and tornadoes. We are getting ready to give you all a hearty welcome during the coming winter.

A. Raap.

ZEELAND WOMAN DIES AFTER A FALL

Mrs. John J. Meuwissen of Zeeland, 61, is dead as the result of injuries suffered a few weeks ago when she fell over a rug in her home, fracturing her leg at the hip. Her husband is one of the pioneers of Zeeland located there in 1847. Funeral services were held Friday.

SUSPECTS FROM HERE HEED BY CHICAGO COPS

Sheriff Kamferbeck received word Thursday that Orville and J. LeValley had been taken by the Chicago police and answered to the description of the burglars who rifled the Lamont and Spring Lake stores last week. All the booty was found and the police are holding it there for recovery by the owners.

The men were arrested in Chicago but turned over to the United States marshal on the federal charge under the Dyer act, which makes it a federal crime to take stolen cars from one state to another.

Several confessions from these men prove them to have been mixed up in several bad deals in the state it is alleged. They confessed to being the men who escaped from Toledo and who escaped from the deputy, taking his gun away from him. The deputy was afterwards dismissed by Sheriff Smith for not taking sufficient help with him when making his arrests. They had stolen a car at that time but it was not the same one they had when they pulled the Lamont job.

They also confessed to having rifled the Lamont store, three miles south of Coopersville belonging to E. W. Smith of Grand Rapids, stealing about \$125 worth of things, including a Victrola and some guns.

The men will be dealt with by the federal law and possibly by the Lower federal court before answering to the last charge. This probably will be sufficient to hold the robbers for some time and the Ottawa county charge might be dropped.

It is not known yet whether the gang pulled the Coopersville job or not but it seems more than likely, the sheriff said Thursday.

OTTAWA CARES FOR PATIENTS ON INSANE LIST

The report on the insane recently submitted to the board of supervisors of Ottawa county shows the number of cases coming through the Probate court to have been nine cases, 6 females, and 3 males, all of which are still being cared for except one female who died.

There were admitted to state institutions during the year ending Oct. 1, 1925, 14 cases, 6 females and 8 males. Of this number one female was paroled, 2 females died and 5 females are still there. One male died, 1 male paroled, 1 escaped and 3 males are still there.

There are 16 patients in all chargeable to Ottawa County being within the one year provision. The cases are supported at the Kalamazoo State hospital and the State Psychopathic hospital at Ann Arbor. The rate at Kalamazoo is fixed at \$1.02 per day, per capita and the rate at the State Psychopathic hospital is fixed at \$2.00 per week per capita. The amount to be raised the coming year is the sum of \$7,900, this includes transportation and medical examinations for the insane for the coming year.

STARTS CLASS FOR YOUNG MEN

The Y. M. C. A. gymnasium class for working boys is getting under way and opportunity is being given young men to join. Mr. Moody is in charge of the class and meetings are held every Tuesday and Thursday evening from seven to nine o'clock. Gymnastics and basketball make up the program. Twenty-eight have already enrolled and more are expected. Any working young man can join.

GREYHOUND DRIVER CLEARED OF SPEED CHARGE

William Holtz of Muskegon a driver of one of the Greyhound buses, was placed on trial in Justice Bernard Cook's court of Grand Haven on Wednesday at 1 o'clock, charged with speeding on the night of September 23rd.

Holtz was found guilty after a trial lasting about three hours, the jury being out not more than five minutes.

Holtz was spotted near Holland by Deputy Wm. Van Etta who testified that the driver was going so fast he could not stop him until he finally stopped at the station.

Mrs. Geneva Oosting riding with Van Etta at the time testified to the same speed of 50 miles.

Helen Sanford, clerk at the station, she testified as to the conversation at the station in which Holtz admitted he was going pretty fast but to escape the headlights of a car behind him.

Joe Riley of Muskegon was the counsel for the respondent, the prosecuting attorney Fred T. Miles testimony was given to the jurors.

We were at home when the acting for the police. A case made obscurely possibly by some of the who quickly disposed of it.

PHOTOGRAPHS INTERIOR OF STOMACH FOR FIRST TIME

Berlin, Oct. 15.—The interior of the stomach has been photographed for the first time by Dr. Hans Elsnar, head of the Charity Polyclinic. At a general meeting of stomach specialists Dr. Elsnar described how he overcame the difficulty illuminating the interior of the stomach in order to make the photograph. This was done by the employment of a high powered optical system and replacing the gastroscope's white lamp with a blue one.

Mr. and Mrs. John DeBoer entertained the seminary students at a supper in honor of their son, William's 14th birthday. Those present were Messrs. Rensie Dykstra, Peter Van Kull, Dr. J. J. DeBoer, Mr. Schuttenhede, Mr. J. J. Jonker.

TWO AUTOMOBILES ARE STOLEN AT GRAND HAVEN

Two automobiles have been stolen from Grand Haven this week, one belonging to Alex Sadow of N. Seventh street. The machine is said to have been parked on Washington and the owner came to find it missing. The car has been located at Caledonia and Sheriff Kamferbeck's men are going after it. Fred Strahsburg reported the loss of his Buick, license number 431-154, touring car with winter tires. The car was found near Marne, in a ditch in a damaged condition. It was reported.

PLAN TO CLEAR OTTAWA COUNTY ROADS OF SNOW

The annual report of the board of county road commissioners of Ottawa county was submitted to the board of supervisors in the opening meeting of the October session this week. The report covers in detail the work accomplished through the season from October 1925 to October 1926 and imparts general information regarding the county road system and the administration of the board.

The report outlines the program planned for the ensuing year and sets forth the financial condition of the department as is required by the law. The latest report included \$100,000 which is somewhat less than the usual two mills.

The newest plan of the commissioners is for the removal of snow from many of the non-trunk line roads during the coming winter. The plan living at the crossroads who have access to the city and towns as well as his neighbor who may possibly live on the state cared for main trunk line. At a joint session of the commissioners in the general budget, a system of eighty-six miles of heavily traveled roads was decided on for the first year's attempt. The items of \$20,000.00 for maintenance, and \$18,000.00 for equipment in the general budget, contented \$10,000 for labor and equipment for snow removal. It should be realized that this is twenty miles more than the total mileage of trunk line in this county. This is a big job and just how far reaching and successful depends on the nature and snow fall of the coming winter.

One of the most serious maintenance problems which seems to grow worse each year is the break up of some of our best gravel roads when the frost is going out. The pounding of the increasingly heavy traffic each year compacts the earth to greater depth than formerly and frost accordingly penetrates to a greater depth. This is aggravated by the removal of snow which provides penetration. Up to the present time a blanket of protection against frost paving seems to be the only solution of this problem.

The road budget for the ensuing year is \$100,000. The assessment district of Covert road tax is lower than last year by \$15,869.25. Some of the amounts to be raised for the various projects planned for the ensuing year are as follows: Concrete on Alpena road, \$20,000; bridge and culverts on Bridge-st. road, \$5,000; Nunica paving from the Grand Trunk tracks to M-16, \$7,000; Conklin, filling sinkhole, \$2,500; culvert at Vriesland, \$687.28; equipment and maintenance, \$20,000; county farm culverts, grading and gravel in Polkton township, \$10,000; Fruitport, to supplement paving account, \$2500; Byron, extension of concrete pavement, \$14,862.72.

George Green and Cameron Crammer, who were charged in Allegan county with transporting and selling intoxicating liquor, are out of jail and are back in Holland. The young men succeeded after a week to secure bail. The two men figured in an auto accident near Fennville resulting in the injuring of several people, one an old lady who is still in a South Haven hospital.

Allegan county road commission is planning road work for 1927 and Holland is one of the specially interested townships. Two on township line between Laketon and Saugatuck townships, one and three fourths miles on township line between Fillmore and Manlius townships. Also three and three fourths miles over road from Hamilton to Overisel village in Heath and Overisel village townships this is to be passed on by the board as a separate appropriation by the board of supervisors this week.

Secretary A. E. Lampen is sending out notices to members of the Holland Exchange club announcing that a regular meeting of the club will be held at noon Wednesday, at Warm Friend Tavern. Earl H. Dickey, president of the Grand Rapids Exchange club and manager of the Michigan Bell Telephone Co., will be the speaker. Mr. Dickey, it is understood, is a forceful speaker.

TWO AUTOS ARE WRECKED ON WAVERLY ROAD

Two automobiles in which several people were riding collided at the intersection of M-51 and the Waverly road one mile east of Holland Tuesday night, causing injury to several persons and badly shaking the others.

One car was a Star, the other a Ford coupe. The Star was driven by Ed Dykema of Zeeland and the Ford by Clarence Westbroek of Holland. Dykema was returning home from Holland where he had visited his son, Peter, at Holland hospital. When he approached the intersection of the Waverly road the Westbroek car was approaching, and thru some violation of road rules it is stated the smash was brought about. The Dykema car was struck about the rear end and was badly damaged. Dykema's car was thrown around by which it came.

The Royal Neighbors will not hold a meeting Thursday night on account of going to the convention at Grand Rapids.

REPORT SHOWS PENSIONERS IN OTTAWA COUNTY

The reports filed with the board of supervisors by Judge of Probate James J. Danhof, include the Widows' pension and Dependents report and in the county for 1925 and 1926. These reports have some very interesting data and when read should give one a good idea of just what amounts are spent for these items in this country.

There are at present 119 cases with 350 dependents on the Pension list. The average payment every four weeks is \$2,565.65 apportioned among the cities and townships as follows:

Township Amount Pensioners

Allendale none none

Blendon none 5

Chester none none

Crookney \$12 1

Georgetown \$60 3

Gr. Haven Twp. \$32 1

Holland \$1.98 8

Janestown \$1 4

Olive \$132 6

Port Sheldon \$60 3

Polkton \$50 2

Robinson \$64 2

Zeeland Twp. \$42 2

S. L. Twp. \$42 3

Wright \$44 2

Zeeland City \$68 2

G. H. City \$416 23

Holland \$1,013 48

\$2,491 119

GRANDVILLE HAS NEW PRESIDENT

Hiram M. Jenison is Grandville's new village president. He replaced E. L. Prentice who has left Grandville. The new president after appointment took over the reins of the village government and will head the council from now on until next spring—if not then re-elected.

Mr. Jenison is quite familiar with the work involved, having served as village trustee on two different occasions for two year periods, in all four years.

He has been a resident of Grandville since 1905, is a night school graduate and has successfully conducted the Grandville Business Men's association and is active in fraternal work.

He is eminently qualified for the arduous responsible duties of village president and no doubt the community will be benefited by his storehouse of knowledge and general ability.

A shipment of 1,000,000 narcissus bulbs has been received by Burmeister & Hartung, nurserymen of Onekama, Mich. It was there a year previous to being

planted for sale in hothouses. Efforts have been made to grow narcissus bulbs all over the United States because of the embargo on imported bulbs which went into effect at the beginning of this year because of diseased bulbs coming from France, Holland and England, the principal sources of supply. Of the experiments conducted by a leading wholesale florist, bulbs grown by Burmeister & Hartung proved the best, according to information received in the shipment of 1,000,000 bulbs for planting. The climate at Onekama, tempered by Lake Michigan, is believed to be much like the European home of the narcissus.

standing, its nature and cause, will be made free and proper medicines will be furnished at a reasonable cost to those selected as favorable cases for treatment.

Children must be accompanied by their parents and married ladies by their husbands.

Address: Medical Laboratory, 330 Boston Block, Minneapolis, Minn. Oct. 14-21HCN.

COMING TO HOLLAND

THE PROGRESSIVE DOCTORS' SPECIALIST

Treating Diseases Without Surgical Operation

At the Bristol Hotel, Friday, October 29

Office Hours: 10 A. M. to 4 P. M.

ONE DAY ONLY

Returning every three months

FREE CONSULTATION

The Progressive Doctors' Specialist is licensed by the State of Michigan; a graduate of one of the best universities; twenty-five years of practical experience; comes well recommended; will demonstrate in the principal cities methods of preventing many diseases, such as goitre, consumption, etc., and also methods of treating diseases of long standing by means of medicines, diet and hygiene, thus saving many people from a dangerous and expensive surgical operation.

This specialist is an expert in diagnosis and will tell you the exact truth about your condition. Only those who have a good chance to regain their health will be treated, so that every one who takes treatment will bring their friends at the next visit.

Some of the diseases treated: Diseases of the stomach, bowels, liver, blood, blood vessels, skin, kidneys, bladder, heart, lungs, eye, ear, nose, throat, scalp, enlarged veins, leg ulcers, rheumatism, high blood pressure, tumors, enlarged glands, goitre, piles, nerves, weakness, or exhaustion of the nervous system, giving rise to loss of mental and bodily vigor, melancholia, discouragement and worry, undeveloped children, either mental or physical, and all chronic diseases of men, women and children that have baffled the skill of the family physician.

A diagnosis of any disease of long

standing, its nature and cause, will be made free and proper medicines will be furnished at a reasonable cost to those selected as favorable cases for treatment.

Children must be accompanied by their parents and married ladies by their husbands.

Address: Medical Laboratory, 330 Boston Block, Minneapolis, Minn. Oct. 14-21HCN.

Locals

Rev. C. P. Dame of Trinity Reformed church will preach on the subject "His Uncompromisingness" next Sunday evening. This is a sermon of the series, "The Man Everybody Ought to Know."

Mr. Frederick Erickson of Grand Rapids and Miss Kathryn Van Lopp were married by Rev. Wm. Mussink, pastor of the Fourteenth Street Christian Reformed church.

Lester Plaggenmeyer has returned to his home in Holland after being confined to a Grand Rapids hospital for some time.

The Holland Poultry association will hold a very important meeting tonight at 7:45 at the city hall. Dog fanciers are also invited to discuss the coming bench show.

Mr. and Mrs. Thomas Powers, formerly of Holland now Williams Port, Massachusetts, are visiting in the city. Mr. Powers is connected with the Armour Leather company of that city.

Mr. and Mrs. Wynand Wichers and Mr. and Mrs. Henry Winter have returned from Los Angeles, Calif., where they attended the national bankers convention. They made many interesting side trips in the west during the past three weeks.

Orrie De Graff of Spring Lake is exhibiting three giant banana squash weighing a total of 115 pounds. These squash are 45 lbs weight for the largest and 35 pounds each for the two smaller squash.

An echo of the state parents-teachers' convention held in Holland last spring is still heard. The fourth ward teachers association of Grand Haven, thru its secretary, gave a glowing account of the convention at the opening of that club for fall activities.

The G. Haven police arrested the following for small traffic offenses such as no lights, etc. The following have appeared at the city hall and paid their dollar fines. Harold Lett, William Melcher, George Morrison, Sam Cuti, Irvn Heksel and Tom Kieft.

Election of officers of the Fourteenth Street Christian Reformed church will soon be held. The retiring elders are: P. De Goede, G. J. Stegenda, and W. Venhuizen. The retiring deacons are: C. R. Ash and N. Dykema.

Sunday morning at the Central Park church the pastor, Rev. F. J.

Van Dyk, will preach a sermon on the subject, "Moral Worship." This will be the third in a series of sermons on "Religion and Morality." The sermon subject for the evening service will be "Abiding Joy." There will be special music at both services and all who come to worship at Central Park are assured of a hearty welcome.

Yesterday morning the committee on public health of the Ottawa County Board of Supervisors recommended the retention of Miss Nell Lemmer as county nurse with a raise of \$100 in salary. The present salary is \$2800.00 which includes transportation and expenses.

The first slight snow of the season came down at midnight Wednesday night but disappeared as soon as it came to earth. Thursday morning the weather was warmer again and the weatherman promises a better weather for the balance of the week.

SPORTING EDITOR

TO TALK ON DOGS
The meeting of the Holland Poultry Association will be of unusual importance, for the reason that Jay J. Garlough, business manager of the Modern Poultry Breeder and at one time editor of the Sportsman's Review, Sportsman's Digest and a periodical called Cutting, will speak.

He will confine a great deal of his talk especially to the coming dog bench show next December in which hunting dogs, in fact every other kind of dog will be under discussion.

Mr. Andre of the G. E. Conkey company will speak on poultry and poultry feeding. There will also be movies Secretary Brower states. It will be an interesting meeting to the public generally, and all are invited to the city hall tonight at 7:45.

ZEELAND
Miss Maggie Vredeveld, who has been employed as clerk at the LaHuis Co. store, during the past three years, has resigned her position, and Miss Myrtle Huyser of Jorolou is filling the vacancy.

Herman Enshin, who submitted to an amputation of his right leg at the hip at Butte hospital five weeks ago, has recovered sufficiently so that he was taken to his home during the past week.

Benjamin N. Veneklasen is recovering from an attack of blood poisoning.

Mrs. Wm. H. North of Dallas, Texas, is visiting at the home of her cousins, Mr. and Mrs. Benj. C. Van Lo at their home on East Central avenue.

Born to Mr. and Mrs. Ed Ozinga, South State street, Zeeland, a daughter; to Mr. and Mrs. Lawrence Rozzac, Robinson township, twins, a son and a daughter; to Mr. and Mrs. Arie Hop, Beavertown, a daughter.

Mr. and Mrs. M. Westrate and Mr. and Mrs. B. Lampen of Holland were visitors last week.

Henry Arends has moved from the residence of James Wagenaar on East Main street into the residence of Peter Elenbaas on the same street this week, and B. J. Fynever has moved from Holland into the living rooms vacated by Mr. and Mrs. Arends.

An interesting piano recital was given by some of Peter Pluim's piano pupils at his home No. 18 W. 12th St., Holland. The rooms were decorated throughout with baskets of the flowers which made a very attractive appearance. Those from Zeeland who participated in the recital are the Misses Marie Kulte, Margaret Dornbos, Myrtle Meyer, Henrietta Buter, Grace Kleinjans, Sena Boelens, Emma Tjepkema, Emma Postma, Janet Wildschut and Fenna Schipper and Mr. Ivan De Pree. After the program refreshments were served to ninety pupils and friends.

HAMILTON
The following Holland folks were Hamilton visitors recently. Dr. and Mrs. Corney Fisher and daughter Mildred.

Hamilton folks who visited in Holland recently are Mr. and Mrs. Wm. Ten Brinke. Andrew Lohman has resigned as manager of the Farm Bureau Co-operative association. Another manager has not yet been secured.

Mr. and Mrs. Lavette Callahan entertained the following guests within the fortnight: Mr. and Mrs. Dayton Callahan and family, Mr. and Mrs. Lyman Callahan and family, Mr. and Mrs. Emerson Callahan, all of Decatur, and Mr. and Mrs. James Root of Lawton, and Mr. and Mrs. Charles Grotemut of Kalamazoo.

Mrs. Benj. Rankins pleasantly entertained the members of the Young Ladies Missionary society of the First church recently. Mrs. Rankins knows how to entertain is the opinion of those present.

Miss Margaret Roggen is the only fourth grade pupil to make a perfect record in spelling during the first month of the opening of the Hamilton schools.—Allegan News.

Hamilton school have finished up with examinations much to the relief of the pupils.

High school pupils are in charge of all lecture course tickets for a very excellent course during the fall and winter.

The first real frost came early Sunday morning. Those, who were up in time, saw Mother Nature all dressed up in white. It certainly was a beautiful sight. However, she has been exceptionally well-dressed all summer and these fall days she is putting on some gorgeous colors.

Mr. Edwin J. Lohman and Miss Jennie Overbeek were quietly married at the parsonage of the First Reformed church last week Wednesday. Mr. Lohman has purchased the Andrew Lohman farm and the young couple will reside there. Congratulations!

The Missionary society of the American church will give a cafeteria dinner next Thursday evening from 6 to 7:30. A program will be given also beginning at 7:30.

Rev. John H. Straks, pastor-elect of the Overisel church, will have charge of the services in that church next Sunday.

Rev. Potter and elder Lee Slotman, Rev. Roggen and elder G. J. Boks attended the Synodical Conference at Holland last week. Several motored to the city on Tuesday and Wednesday evenings to hear Dr. Lane from London, Eng.

Reports have just reached Hamilton of the marriage of Mrs. John Poll to Mr. K. of North Holland. Mrs. Poll formerly resided east of Hamilton.

About 25 ladies of the First Reformed church visited at the home of Mrs. Henry Brower, Sr., at Overisel last week Wednesday afternoon. Mrs. Brower is a member of the local missionary society.

A handsome tray with sugar bowl and creamer were presented her at the close of the social hour.

A baby boy was born to Mr. and Mrs. Louis Poll last week.

Mr. and Mrs. Geo. Nakken and children from Kalamazoo visited the home of their parents Mr. and Mrs. Louis Vander Meer last Sunday. Mrs. Nakken will remain for a week to renew old acquaintances.

Ben Brink of Grand Rapids visited his big brother John during the past week-end.

Remember the sale of baked and made goods at the Community hall next Friday. The sale will begin at 2 o'clock sharp.

The Andrew Lubbers family of Saugatuck visited friends in Hamilton Sunday.

Prof. Arthur Kaechle gave a very fine talk on "The Ideals in the Constitution" at the C. E. meeting of the First church last Sunday evening, giving a brief history of the Constitution itself and emphasizing the six ideals contained in the Preamble.

Henry Boerigter, son of Mr. and Mrs. Geo. Boerigter, had the misfortune to break his leg, while working in one of the factories at Holland.

Mr. John Glerum, Cornelia Glerum and Mrs. Lyle Stevens motored from Battle Creek last Friday to spend the day at the home of Mr. and Mrs. Ben Tanis.

Marvin Koolker is busy putting a basement under his house. Marvin is doing the work himself and

making a fine improvement. He will have a neat and up-to-date home when he is thru.

The Kiddies had a great day last Monday. One of the local stores put on a special sale of masks. There was a rushing business all day and as a result a great many strange faces appeared on the streets. It is reported that some of the older people received a scare.

The Zalsma restaurant is being remodeled. Zalsma with the aid of his able wife is making the business go and in so doing is filling a great need of this village.

Mrs. Marvin Koolker, Mrs. Dan Koolker and Miss Mary Koolker were school visitors last week.

Mrs. H. Tanis returned from an extended visit with her children at Salem and other places.

Mrs. N. Nies and daughters Sarah and Hattie were Sunday visitors at the G. J. Fokkert home and attended services here.

Mr. and Mrs. John Van Nieuwland visited Rev. and Mrs. Roggen last Tuesday. Mr. Van Nieuwland was so well pleased with Hamilton's products that he loaded his Ford truck with fruit and potatoes before returning to Holland.

School report for the last month: Percentage of attendance, 88.2 per cent; Total number tardy 15; Total number absent, 30; Average daily attendance, 135.5.

The Sophomores of the high

school will hold a Halloween party next week Wednesday evening, Oct. 27.

Clarence Greenheide and George Caswell were chosen reporters this week.

CORRESPONDENCE ON PAGE 3

ZEELAND SUFFERS A \$20,000 FIRE ON MONDAY EVENING

Zeeland was awakened at midnight Monday when an alarm of fire was sent in which proved to be the plant of the Van Lopik Knitting company that has been doing business in Zeeland for the past ten years. The business was conducted by G. Van Lopik and his son C. Van Lopik, and was incorporated. The son stated that because of the sudden cold they had fired the furnace for the first time this season and also left a little fire for the night in order to have it warm for the employees in the morning.

All indications show that the fire started in the furnace room and ate its way between the partitions to the two floors above. Fire was discovered coming thru the roof at 12:30 o'clock and the Zeeland fire department was soon on the job, and according to Chief Blom of Holland, who visited the place Tuesday morning, the Zeeland firemen surely did an excellent job of fire fighting, considering that the building was an old wooden structure, filled with combustible material. Their efforts not only saved a large part of the building of the company but prevented the fire from spreading to other wooden buildings nearby.

The second story and the basement, used as stock rooms and for finished materials are practically a total loss. The place is filled with large spools of yarn of various colors which the company converted into knit goods commonly seen in lot and gift shops and in clothing and dry goods stores. This large stock of yarn is saturated with water and reeking with smoke and can hardly be put into new goods should the factory resume operation. The knitting machines on the second floor are in better shape as fire did very little damage in the machine department.

The factory building at one time was the Second Reformed church of Zeeland. Later it was used by the Third Christian Reformed church for the same purpose, and finally it was turned into a community hall which was not patronized and then the Van Lopik Knitting mills put their manufacturing establishment into it.

The concern employs about 155 people, men and women, and these naturally will be thrown out of employment for a time and until the factory is rebuilt, which has not yet been decided by the owners.

The last order received by the company found on the spindle at one of the machines was one from P. S. Boter & Co. of Holland. The manager gave a rather dry smile when his attention was called to it, and said that Dick Boter would have to wait for some time before he could have his order filled.

The building in question was 90 feet long and 30 feet wide two stories and a basement. The Van Lopiks have not yet made plans for the future.

Rev. Mr. Van Vessum, pastor of the First Christian Reformed church of Zeeland has announced his acceptance to a call to Comstock. He has served the present charge about 12 years.

For many years he was secretary of the Christian Reformed Sunday schools of the middle west resigning at the last meeting. Before going to Zeeland, he served the Graafschap church.

RAIN HURTS OTTAWA COUNTY CELERY CROP

Much celery is dried because of blight spraying seems to have done little good so far. The celery crop was very promising until recently. The blight was brought on by the heavy rains in this district in the past few weeks.

Farmers, however, and compensation for their loss in the celery fields with a good crop of onions. Thousands of sacks of onions are being shipped from the county most every day and are bringing a good price. Farmers in Hudsonville especially are complaining.

FLINT MAN IS TAKEN HOME IN AMBULANCE

The Boer ambulance of Grand Haven took Albert McComb from Hatton hospital to his home in Flint and although very badly injured made the journey in the comfortable ambulance with not much discomfort.

Mr. McComb was injured a week ago in an automobile accident which occurred on M-11 when Albert Plant ran into a Willys Knight driven by a man named Williams from Fremont. McComb was seriously injured and at first it was thought he would not live. He sustained a broken shoulder, leg, arm and crushed chest, but despite this he was delighted to get to his home and felt his recovery would be very much quicker, than in a strange hospital.

AGED LADY DIES SUNDAY IN OLIVE; ILL BUT A SHORT TIME

Mrs. Marian Cox, aged 83, died Sunday at the home of her daughter, Mrs. George Colebaugh of West Olive. The deceased, whose birthplace was in Chicago where she had spent the greater part of her life had made her home with the daughter for some time. She is survived by her daughter and a son, William Cox of Danville, Ill. Also twenty grandchildren and nine great-grandchildren. Funeral services were held Wednesday at one o'clock from the Colebaugh home with burial in the Grand Haven township cemetery.

LOCAL JEWELER RETURNS FROM EUROPEAN TRIP

Miss Mary Pieper, manager of the Pieper Jewelry store, on West 8th-st., Holland, has returned from a four months' European trip. On her passage back Miss Pieper experienced only one day of rough weather of the eleven days on her trip. She arrived in New York last Friday morning at 2:00 o'clock, having left Rotterdam on the 29th of September at 7:00 in the morning. The steamer, Rotterdam, also touched at Boulogne, France, and Southampton, England, picking up tourists returning to America.

She stopped off at a few places of interest in America before reaching home. Miss Pieper embarked from New York on the 12th of June and visited with relatives in The Hague, Goes and in the provinces of Noord Holland and Zeeland, and in Germany, where she spent several weeks. She visited the industrial centers as well as the picturesque places of note attractive to tourists. After leaving France, she spent a week in Switzerland and also a few weeks in Italy, which she states proved to be the most attractive country in which she stopped. Historic places in Belgium, especially Waterloo, were on her itinerary and especially the memorable scenes of the World War campaigns in France, as well as Paris.

After the World War, changes in industrial and social conditions are almost as rapid and extreme as in America, Miss Pieper states. Divergence of opinion on political, social and religious topics is more frequently and openly discussed, and is especially undergoing a great change. Farms are being operated by large syndicates or corporations on a division of labor and efficiency basis said Miss Pieper.

In most of the countries the natives are excellent hosts to tourists making every effort to have visitors enjoy themselves, but at the same time they do place the most inflated value on the simplest service, Miss Pieper states. Of course, as American money is incomparable in value above the currency in circulation and the impression abroad is that we have just oodles of it, they make no pretense of hesitating to charge all they dare, which is not a little, said Miss Pieper.

OTTAWA COUNTY HEN NOW LEADS IN LAYING CONTEST
A report from M. S. C. shows that on the last lap with a 9 egg lead, the pen of White Leghorn hens entered by J. Pater & Son of Hudsonville Tuesday appeared to be almost certain winners in the fourth international egg laying contest at Michigan State College. The contest ends Saturday night.

The finish of this contest is the most spectacular of the four so far held at the college. Leadership in the race has been in doubt for some weeks. The Hudsonville birds speeded up production after the half-way mark had been passed gradually working their way up from tenth to second place.

Mr. and Mrs. F. H. Oosting and two sons, Melvin and Robert, will for Glendale, California the 20th of Oct. where they will reside for the winter. The trip was made by auto.

SHERIFF AGAIN NABS DISTURBERS AT THE CHURCHES

Sunday night Sheriff Kamferbeek and state police were called to quell a disturbance in a country district where the lawless element seems to be getting away from the usual good judgment of law abiding citizens and creating no end of trouble for the citizens of that community around Beaverdam.

The sort of thing has been going on all summer and the sheriff is making every effort to arrest and apprehend these marauders. This gang obstructed the highways, accosted girls, and made things so uncomfortable that the officers were called.

WINS CASE, NOW THREATENS DAMAGE SUIT

A case in court in Allegan Friday has prospects of developing into a damage suit against the accused. John Meyer of Graafschap, Mich., is being taken to Boston, Mass., put into Gr. Haven Friday evening and remained in port long enough for the ship's company to get something to eat ashore. While the yacht is well equipped for preparing meals on side, the sea was a bit too rough to permit getting a meal comfortably aboard, and it was decided to run into a snug harbor for a good substantial lunch.

RETURN AFTER A WEEK WITH PARENTS

Mr. and Mrs. Carroll Van Ark have returned to New York city after spending a week with Mr. Van Ark's parents, Mr. and Mrs. Henry Van Ark. Mr. Van Ark is publicity manager for the Federal Brands company, makers of the Kolster radio and the famous radio compass. He went to Chicago to put on a booth at the Chicago radio show for his company, and took the opportunity for a visit with his parents. Mr. Van Ark has an office in the Woolworth building in New York.

Mrs. Frank Bertsch has been secured again to conduct the Red Cross roll call at Beechwood.

City Clerk Richard Overway was in Grand Haven on business Friday.

PRODUCT OF LOCAL CONCERN USED IN CANADIAN BUILDING

Many Holland people who have toured through Canada this summer will recognize this picture of the Royal Carriage which is prominently located in the city of Montreal. Not only is it the largest garage in Canada, but it is one of the most interesting 'car hotels' in all of America.

What makes it particularly interesting to Holland tourists is the fact that it is built of Duntile, a product made with the machines sold by the local W. E. Dunn Mfg. Co. There are many other large buildings in Montreal built with Duntile, including one of the important public schools.

The Royal Carriage has set a new standard in its construction and in its services. Every convenience is provided for the car owner, many Holland people having availed themselves of the unusual services while visiting the Canadian city. In a book issued by this garage all the conveniences and services are listed, and it certainly appears that a car gets as much attention as does a guest in a hotel.

TO HOLD EVANGELISTIC CONFERENCE HERE

Arrangements have been made by Rev. J. A. Van Dyke, of the Berean church, for an evangelistic Bible conference all day Thanksgiving day in the local church. There will be three sessions, at 9:30 in the forenoon, two o'clock in the afternoon and seven at night. Lunch will be from 12 to 2 and dinner from 5 to 7. Some good speakers are being booked for the conference.

HUNTING LICENSE MUST BE CARRIED BY THE HUNTERS

Next Monday the season on hunting pheasants opens and local hunters are warned by game wardens and the officials of the Game & Fish Protective association to be sure to carry their hunting licenses. The wardens are not anxious to make arrests and they do not wish to get hunters into trouble but they have given their oath to enforce the law and the law requires them to arrest persons out hunting who cannot show their licenses.

Since all local hunters are advised to be sure to have their licenses with them, ready to show at any time when a warden demands it. This will save trouble.

YACHT STOPS IN G. H. HARBOR ON LONG TRIP

Grand Haven Tribune.—The sixty foot gasoline yacht "Eveline" bound from Saugatuck, Mich., to Boston, Mass., put into Gr. Haven Friday evening and remained in port long enough for the ship's company to get something to eat ashore. While the yacht is well equipped for preparing meals on side, the sea was a bit too rough to permit getting a meal comfortably aboard, and it was decided to run into a snug harbor for a good substantial lunch.

The Eveline departed soon after noon and headed north, expecting to reach Ludington or Mantua by night. It is not the intention of the owner to run nights when it can be avoided. The yacht is being taken to Boston by Captain Leonard Britten of Saugatuck, well known lake marine man, as the skipper. On board are the owners Mr. and Mrs. Norman Bonter of Denver, and Mr. and Mrs. Clarence Lynds who are making the voyage with them.

The little craft will go down the lakes to Buffalo, entering the large canal and crossing the state side via the Hudson river. From New York the craft will proceed along Long Island Sound, and up the coast to Boston.

Dr. and Mrs. W. P. Scott and Mrs. Harry Van Zee motored to Chicago Saturday to spend a few days there.

ASKS CHILDREN TO KEEP OFF TULIP BEDS

Park Superintendent Van Bragt is issuing his annual appeal to all children to stay off the flower beds in Centennial Park. The tulips have been planted again and if the children wish to enjoy the beautiful flowers next spring they must keep off the flower beds. Stepping on the beds injures the bulbs.

Mr. Van Bragt is asking particularly the teachers in the schools to co-operate with him and to impress on the children the necessity of keeping off the flower beds. He asks the parents also to help. The children do not mean to injure the flowers but are merely thoughtless. But a little co-operation from all has done wonders in the past and the park superintendent is asking the same all this year.

THE STATE POLICE ARE TO REMAIN IN OTTAWA COUNTY

The state police, located in Ottawa county since May as more or less of an experiment in this section, are to be permanently located in Grand Haven and hereafter this post will be considered as a year around post, providing the board of supervisors are willing to provide winter quarters for the men.

Capt. Swarvada of Lansing was in Grand Haven Saturday and notified the road commission of this decision. The matter will be placed before the supervisors this week and they will undoubtedly accede to the small demand of the state.

The troopers are all paid by the state, the only cost to the county is the quarters. The present location is ideal for this station and has been, through the summer tried out satisfactorily. Located at the junction of M-11 and M-16, two of the most heavily traveled trunklines in the state, its strategic position has been proven quite conclusively.

The state police have made a splendid reputation for themselves in the manner in which they have conducted their station, the quick efficient manner in which they have always responded to calls, the careful patrolling of the highways and the aid they have rendered to stranded motorists and those in trouble. Especially have they been courteous to women in difficulties with car trouble, many times changing tires and aiding in other ways.

The driving on the trunk lines has been much improved through the patrolling of these highways and the judgment which the officers have used in arresting for speed and other offences has proved that they are not arbitrary simply because they are officers of the law but use judgment that makes their arrests worthy ones.

Intoxicated drivers have been more scarce since the state police have been busy and offenders are severely dealt with.

Holland has seen considerable of the state police this summer. This city and the highway north is included in their beat and when here, such as the Getz picnic, Victorian week, and Holland fair, the state police were very much in evidence. There has been the finest co-operation between the Ottawa county sheriff's department and the state men and this can also be said as far as the Holland police department is concerned.

READS A PLAY TELLING STORY OF BOOTLEGGER

Reading one of the newer three-act plays, "The Fall Guy," by James Gleason and George Abbott, by Mrs. E. J. Yeomans delightfully entertained the Century club Monday evening when it met at the home of Mr. and Mrs. Henry Geerlings. Mrs. Yeomans' play and the musical numbers in charge of Mrs. Martha Robbins blended harmoniously into an artistic and a highly entertaining program.

"The Fall Guy" is strictly up to the minute in that it is the story of a young husband who is made the victim in a bootlegger's plot. The play has a great deal of humor as well as some pathos, and there are a number of tense situations that keep the audience on edge. The portrayal of the bootlegger appears particularly difficult but Mrs. Yeomans handled him with ease and assurance, as she did the more familiar characters in the play. Realistic character portrayal was one of the triumphs of the entertainer of the evening and the story was developed naturally and with the kind of art that conceals art.

The musical program consisted of two vocal solos, "Mary Gray," and "Mexican Love Song" the latter by LaForge, sung by Mrs. Jeanette J. K. Brumbaugh, and three violin solos by Miss Ruth Keppel, Chopin's "Nocturne," arranged by Auer, "Spanish Dance," and "Londonderry Air," assumed by Kreidler Mrs. Martha Robbins was the accompanist for both of the musicians.

The township of Laketon Allegan county reported to the board of supervisors that it had returned \$8000 to the county road commission to be held for future road work in that township. The township is what is known as a bonded township and it was decided to care for the surplus in this way.

GLAMOR ABOUT PERSONALITY OF LYRIC SOPRANO

The early experiences of those fortunate ones whose names are household words, whether they be musical or literary, are always a topic of interest to the reader. The glamor of the unusual attends such, and perhaps more often if they be opera stars. Art seems to set one apart, as it were, and the most trifling details become of value when allied to any one of prominence.

Edith Mason, lyric soprano of the Chicago Civic Opera company, tells interesting things about her early life, and how an incident was the motivating influence that caused her to become a singer. Probably there are hundreds of young girls in the United States today who would make any sacrifice to hear a performance of Miss Mason in the Chicago Civic Opera company, and it will be of interest to these to learn that not so many years ago Edith Mason had the same ambition anent another star, namely Emmy Destinn, who was called the greatest Mme. Butterfly of her time. When a girl she attended the famous Ogeeta School in Philadelphia, and even at that time (she was twelve years old) she was imbued with the idea of excelling the others in her class. To reward her success her mother decided to take the little girl to the opera, which happened to be Mme. Butterfly with Destinn and the famous Caruso. Vague dreams that had been floating through her head materialized as she sat enthralled in the sorrows of the hapless Butterfly, and then and there she made up her mind that before she died she also would sing Butterfly. Although she kept it a secret from her mother, from that time her ambitions crystallized into the one of becoming a singer in opera, and she has made good her resolve.

Needless to go through the long process by which she arrived, but today the name of Edith Mason is known throughout the world. She has sung in most of the principal opera houses in Europe and America, and the critics have exhausted their vocabularies in telling of the beauty of her voice. The opera that was the means of her career, "Mme. Butterfly," is one of those in which she excels, and for which naturally she has an extreme fondness. Those that have been fortunate enough to hear her in this role will never forget the sonorous sweetness of the entrance music for Butterfly, or the wonderful "D' in Alt with which Miss Mason finishes her entrance phrase. She is a shining example of what the American girl can attain to when she makes up her mind to do so. Miss Mason's concert on Oct. 22 will mark an epoch in music in our city. She will appear at Carnegie Hall at 8:15 P. M.

Chief of Police Arthur Smith and Inspector Wallstead of the Muskegon Heights police department have been made defendants in a \$10,000 damage suit brought by Jesse Carpenter, former patrolman who was discharged last spring by Smith for "conduct unbecoming an officer."

Carpenter failed to turn in keys to stores on his beat after his discharge from the department and it was necessary to bring him into police court on a civil warrant before the keys were turned over. It is understood that he says he was not given an opportunity to turn in the beat keys.

The police have until Nov. 16 to enter a return on the summons. Carpenter was recently arrested at White Cloud on a charge of violating the prohibition law. The case was nolle prossed, but Judge Barton scored the defendant in open court before he was released.

SUE OFFICERS AT HEIGHTS

A regular meeting of the Holland Poultry association will be held on Thursday night at the city hall when there will be moving pictures and a good speaker.

Dog fanciers are also invited to be at the poultry show meeting at 7:45 for the purpose of discussing a winter dog bench show to be in operation in December. This is to be an interesting meeting the coming Thursday evening.

POULTRY ASS'N TO HOLD REGULAR MEET THURSDAY

WOULD WIPE OUT CHURCH DEBT OF HOPE REF. CHURCH

On Thursday night of last week Hope church members and attendants gathered in the church parlors for a good-fellowship meeting and to discuss the welfare of the church. A most delicious supper was served by the Women's Aid society, after which Dr. J. E. Kullman made an inspirational address in which he likened the church to a radio relay station because it serves as the medium by which God communicates with man.

G. M. McLean, who presided at the meeting, then called for discussion of the financial matters of the church. Speaking on this subject, Con De Pree urged that immediate steps be taken to formulate a plan to pay the mortgage debt of Hope church. He showed forcibly and clearly the unwisdom and poor business judgment of burdening the church budget with a heavy annual interest charge when, with a concerted effort by the entire membership, the debt could be raised and this done without any loss of interest.

In advance of any definite action by the meeting the women's aid society, through their president, Mrs. J. S. Dykstra, pledged themselves to pay \$2,000, or approximately 20 per cent of the total amount to be raised, which action was greatly applauded.

After this discussion a motion was passed unanimously that the committee of representative men of the church arrange for another meeting and a meeting of the entire congregation for Thursday, Oct. 23. At this meeting a definite plan for debt retirement is to be presented for adoption.

FORMER ZEELAND YOUNG PEOPLE ARE MARRIED

Their many friends at Zeeland were greatly surprised when they learned the happy news that two of its young people had unknown to anyone there entered into wedlock.

The parties are Mr. Russell Van Dyke and Miss Geneva Austin. Mr. Van Dyke is the oldest son of Mr. and Mrs. Isaac Van Dyke of Zeeland and Miss Austin is the oldest daughter of Rev. C. L. Austin, former pastor of the Second Reformed church of Zeeland.

Mr. Van Dyke is now employed with the Eastman Kodak Co. at Rochester, N. Y., and Miss Austin is teaching in the high school at Zeeland. The ceremony was performed by Rev. De Jonge of that city on Saturday evening, October 20. They will make their home in Rochester.

SISTER OF FORMER LOCAL WOMAN PASSES AWAY

Miss Katherine Connell of Grand Haven township died at Mercy hospital, Muskegon, at the age of 61 years old. She was the sister of Mrs. Abbey Van Raalte, formerly of Holland, and they lived together in this city for a number of years.

Miss Connell comes from an old and well known family and had lived in Ottawa county most of her life. She is survived by her sister, Mrs. Abbey Van Raalte and a brother, Thomas Connell of Portland, Oregon and a number of nieces and nephews.

The funeral was held on Saturday morning at nine o'clock from St. Patrick's church and burial was in Lake Forest cemetery in Grand Haven.

ALLEGAN L. O. T. M. ELECTS NEW OFFICERS

The Allegan county association, L. O. T. M., at a recent meeting in Plainwell elected: Past commander, Corn. Ernie, Cresson; commander, Morris Benjamin, Allegan; lieutenant commander, Mrs. Honsacker, Plainwell; P. E., Mabel Barber, of Plainwell; P. K., Jennie Jewett, of Allegan; chaplain, Inez Lett, Plainwell.

Pointers on Singing

By J. Jans Helder, Singing Teacher

Every Thursday in Holland. Studio 54 Graves Place.

How to Support the Voice.

We often hear the remark: "After I sing a short time, my voice becomes hoarse." This has a direct bearing on the subject in question.

Every uneducated voice is supported in a greater or lesser degree by the throat. In order to relieve the throat, support must be furnished by the diaphragm. Every singer of note uses the same means of support regardless of method. Vocalizing means little unless we establish a correct basis for tone. Next to the subject of breathing, the support of the voice is the most important problem for the student to consider.

DR. ROBERT P. WILDER

Dr. Robert P. Wilder, general secretary of the Student Volunteer Movement of America, will be in Hope College during the week of prayer, beginning October 17.

Mr. Wilder seldom goes on a speaking tour but he was prevailed upon to come to Hope. He devotes his whole time to leading students into Christian service; in fact, Dr. Wilder is one of the founders of the movement.

PARK TOWNSHIP WILL HAVE TWO VOTING PRECINCTS

Park township after this will have two election precincts instead of only one. Although Park is not an abnormally large township, the two-precinct system has been established because of the peculiar topography of the township. The north and south sides are separated by Black Lake and it was necessary for half of the people to travel a long distance around the lake to vote.

So the booth at Vaukzoo will remain as precinct No. 1 and another booth has been established at Central Park for the people living on the south side of the lake. The question arose as to whether the people on the south side would have to re-register in order to vote in November. The law holds that it will not be necessary unless the township board calls for a re-registration and publishes formal notice to that effect.

BACKS THANKS WITH CHECK FOR HOLLAND

It often happens that some organization meeting in Holland expresses a warm appreciation for the hospitality shown by Holland and its people. Not Captain D. H. Smith, of the city of Holland, but he backed it up with cash. Saturday he sent Mayor N. Kammeraad a check for \$50 to be used for some purpose in Holland. Mayor Kammeraad has not yet decided what the money is to be used for but he will ask the advice of the common council on this matter.

In the letter accompanying the check Captain Smith wrote: "My dear Mr. Mayor: As a slight token of my esteem would you be good enough to accept my enclosed check for \$50 to be applied to the welfare fund of the city of Holland."

I was sorry I did not see you again before the convict ship left your model city. I wanted to tell you personally how much my crew and myself appreciated the numerous courtesies extended to us during our very enjoyable stay. It is regrettable that we could not stay longer. We had already extended our visit far longer than we originally intended and it was difficult to tear ourselves away from such a friendly people.

You are to be congratulated on the city's hospitality and while we cannot hope to return to Holland with the convict ship, allow me to assure you and my friends in Holland that we will always welcome them should they again come across the convict ship in their travels.

Again thanking you,
Yours very truly,
Captain D. H. Smith.

MANY MOTOR TO GRAND HAVEN TO TALK FOR NEW HOSPITAL

In looking over the crowd at the Ottawa county court house Friday many motorists were noted down of those who were present to aid in bringing about the establishing of a tuberculosis hospital somewhere in Ottawa county. Some Holland people may have been overlooked, as it was difficult to check them, but the following were among those who took the trouble to go to Grand Haven and help: Dr. D. G. Cook, Mayor Kammeraad, Charles H. McBride, Mrs. G. J. McKenna, Miss Al-Koertge, Father Ryan John J. Rutgers, Thomas Robinson, Charles Drew, W. A. Lenz, Frank Lye, Ben Lye, James DePree, Gilbert Haan, G. De Pree, Jacob Zwart, Henry Kriekard, Robert Felt, Dick Bower, George Clements, Ray Bosworth, Charles Kirchen, James McLean, Wm. Stephen, E. A. Tanner, Henry Bosch, Henry Dykema, J. H. Nylkerk, Charles Corbett, B. P. Donnelly, Charles Kari, Bert Gids, G. Van Schelven, J. B. Mulder, Richard Overway, and B. A. Mulder.

Analysis just completed by state chemist shows that the Michigan grade corn this year is of equal or higher quality than that of New York, Ohio or any of the principal grain producing states. J. D. Breck, director of the bureau of department of agriculture announced Saturday, Chemists working in the Paw Paw and Benton Harbor region have found a sugar content running from 17 to 18 per cent. This indicates exceptionally fine quality.

Miss Clara Helder and Charles Kuyers were united in marriage Saturday evening. They will make their home in Holland at 165 E. 16th Street.

BOARD OF SUPERVISORS DEFERS ACTION ON THE OTTAWA TB SANATORIUM

The board of supervisors of Ottawa county did not take a vote on the question of a tuberculosis hospital for this county Friday afternoon, as was expected. The Holland delegation and those from other parts of the county had departed after making a plan to the board at a meeting held in the court room.

B. P. Donnelly, who was chairman of the delegation, urged strongly that the board take a vote that afternoon and not to delay, for delay meant death to many where it might mean life if a hospital were available.

At the afternoon session there was a great deal of private talk about the visiting delegation, but there was no discussion publicly on the part of any of the members any further than that a motion was made to defer action until some time next week, the day and hour not being mentioned.

A tuberculosis hospital will mean the expenditure of about \$150,000 and \$50,000 annually for maintenance. A great deal of this would be paid, however, by patients coming from other counties to seek relief.

Ottawa county is now paying more than \$25,000 for patients who are sent elsewhere, since there is no hospital of that kind in this county.

More than fifty interested citizens from Holland motored to Grand Haven Friday morning in order to make a plea for a tuberculosis hospital in Ottawa county. The board of supervisors' meeting in the court house sent notice that they would give Holland citizens, as well as citizens of other parts of the county, a hearing on this question.

The civic clubs of this city are all backing this project and the Rotary club especially has been prominent in starting the movement and the Exchange club is co-operating.

B. P. Donnelly was spokesman of the large Holland committee and stated that as christian people, after receiving doctors' reports, reports from county nurses, and after giving the whole matter a thorough investigation, those fostering the project saw the tremendous need of a hospital of that kind.

Mr. Donnelly pointed out that there were 200 tuberculous people in Ottawa county today, and according to statistics six times that many were in constant touch with the 200, and every death meant two more deaths later on.

He stated that these figures brought alarm to the investigators and Holland's delegation being there was not a matter of selfishness but to get a tuberculosis sanatorium built somewhere in the county, regardless of where.

Mr. Donnelly stated that we are spending money to keep our cattle and dogs healthy. We shoot and bury them. "We can't do that with our loved ones," he said, "and our plea is that you take action at this October session and save those dear ones who are takers of their care and cannot be for lack of facilities."

Mr. J. C. Leman, head of the Grand Haven Welfare League, pointed out the great necessity for such a hospital. He said Muskegon had a hospital for a great many Grand Haven patients but they couldn't do this constantly, for they would be neglecting their own people.

The Grand Haven man wanted the board to take action immediately, stating it was their humane duty.

Dr. J. B. Nykerk, dean of Hope College, made a stirring plea for the hospital. He stated that he had only one family of a family of seven children who had died within three years of tuberculosis, one giving the disease to another. This was a good many years ago, he said, but a tuberculosis hospital would help them. He said it was our duty to help the unfortunate who are crying for help and to protect others who come in daily contact with them and are subjected to the disease, said Mr. Nykerk.

Dr. C. G. Addison of Grand Haven said that the board of supervisors had spent much money to curb typhoid, small pox and kindred diseases, and he knew that the board would not be niggardly in helping to chain the most dreaded of all diseases, consumption.

Miss Alma Koertge, Holland's city nurse, made a wonderful plea for the hospital. She related many pathetic incidents that came up in her everyday work, showing how some fathers and mothers begged to have their children sent to Howell or to some other institution that might offer a cure, but there were no beds available and many had to wait for months until it was too late.

Miss Koertge was supported in this by the city nurse at Grand Haven, Miss Lemmer. Miss Koertge's plea brought tears to the eyes of many of those present and it was noticeable that even the supervisors were affected.

Charles Kirchen of the West Michigan Furniture Co., stated that we owe this to the unfortunate who are not so well blessed with this world's goods as some others; they should receive the same care as those that can help themselves and he said further that he as a manufacturer was willing to bear his share of the burden in taxation. He stated that conservation of life is the greatest thing in life.

Dr. D. G. Cook, health officer of Holland, stated that Ottawa county now had 19 patients at Muskegon and two at Grand Rapids sanatorium. He stated that this is now paying \$3.00 a day for their keep daily. That would be on the basis of \$24,000 annually, he said. Dr. Cook pointed out that this scarcely made an impression on those who really needed care and would be willing to ask for care if their loved ones were only nearby, where folks with limited means could come to visit them frequently.

Miss Lander of Grand Haven told of an appalling situation in that city that was brought to light when a clinic was held September 2. She said in all 160 cases were examined, 73 of whom were children. Fifty-two were bad cases and 23 suspected. She said in many cases there was a pathetic condition, and her experience had been that the most essential person in the family, the one who carries the burden, was the mother who dies, and then the problem of who takes care of the children is a vital question. She cited 8 deaths in Grand Haven during the year, where life might have been saved through proper treatment.

James De Pree, who has had a great deal to do with chemical research, told of his experience with hundreds of health boards in different cities in the United States from Maine to California. He explained the nature of the germ, why it works havoc on persons and passes others off. He pointed out that eradication of the disease could only be brought about by lack of contact between a sick person and those who are well. The only way to prevent this was to segregate the sick ones by means of a tuberculosis hospital.

Mrs. A. H. Bos, of the Grand Haven family that demonstrates conclusively that contact spreads the disease. She stated that tuberculosis entered the family and took away all the children at home but a sister and herself, who were compelled to go out early and make a living elsewhere, and are the only survivors and both are well today, while the others have long since passed away.

Henry Vander Warf, a staunch supporter of a tuberculosis hospital, who was a supervisor from Holland, told one of the most pathetic stories as tears were coursing down his cheeks. It is doubtful whether there is a parallel case with that given by Mr. Vander Warf. He stated that thirteen members of the Vander Warf family had died of tuberculosis and one of these was his only son, who was taking care of his mother. He stated that this little boy would not have been reaped had there have been a tuberculosis hospital in Ottawa county where members of his family might have been placed, and the disease fought intelligently.

B. A. Mulder of Holland, cited incidents in the Mulder family showing where one patient passed away who did not get a sanatorium treatment while another who was sent to Howell many years ago is well and living today. He said that the Holland newspapers have been fighting constantly to eradicate this disease and are wholeheartedly for an Ottawa county tuberculosis sanatorium. He pointed out that Arnold Mulder, of the Sentinel, had been a champion of an institution of that kind for years and had done a great deal locally and in the state in a campaign of health education.

CORNELIUS DOSKER HEADS REFORMED MEN'S UNION

Grand Rapids Herald—Rev. Daniel A. Polling, associate pastor of Marble Collegiate church of New York City, and president of the United Society of Christian Endeavor, will speak at the first annual banquet which Reformed church laymen will hold Nov. 18 in the Gilbert building ball room. It is expected 500 will be present at this dinner. The general committee of the Reformed Men's Union has selected these officers:

President, Cornelius Dosker; first vice president, John N. Trompen; second vice president, Marinus Den Herder; third vice president, Dr. P. J. Kriekard; secretary, Herman Versputti; treasurer, William Hapten.

BOYS ARRESTED FOR ENTERING OLIVE GARAGE

August Knut, 16, and Henry Knut, 12, were arrested by Deputy Sheriff Elbert Beekman at their home in West Olive on the charge of breaking into Peck's Garage in that place last week. Among the articles that were taken were tires, tools, spark plugs and other automobile accessories. The gum machine was also broken open and both the gum and the pennies taken out.

The boys were arraigned before Justice Den Herder Saturday forenoon. They admitted that they had broken into the garage and Justice Den Herder referred them to the juvenile court, as the boys are under age. Judge James J. Danhof will have to decide what is to be done with them.

HOLLAND INTERURBAN NOT THE ONLY ONE IN BAD

A conference between D. P. Abernethy, Boston, legal representative of the bondholders of the Grand Rapids, Grand Haven & Muskegon R'y., and other attorneys for the bond holders with representatives of the Grand Rapids Transit company, receiver for the railway company, will be held early this week. A conference also may be held with Judge Fred M. Raymond of the U. S. District court at Grand Rapids relative to plans for the line.

DISABLED FRUIT BOAT PICKED UP IN THE LAKE BY STEAMER ALABAMA

The fruit packet Seahawk, disabled by the breaking of a bolt in her engine, was picked up in Lake Michigan by the steamer Alabama on her way from Chicago to Grand Haven.

The boat, 65 feet long and about 75 tons is used to carry grapes from St. Joseph to Milwaukee. She was found drifting in midlake about midnight and after two trials Capt. Stuffer of the Alabama succeeded in getting a line to her. This was difficult, due to the heavy sea running. The Seahawk's captain, Julius McCann and his brother, Emmet McCann of Beaver Island, was six sailors were aboard with 1,700 baskets of grapes.

The Alabama was four hours late.

OPENS OFFICE IN THIS CITY

The Massachusetts Mutual Life Insurance company, represented locally by Miss Julia Kiste, has opened offices in the First State Bank Bldg., through the courtesy of I. Marshall, Jr., Associated with Miss Kiste is Miss Anna Borgman, who has been with the company for the past fifteen years.

The Massachusetts Mutual Life Insurance Company is regarded as one of the three outstanding life insurance companies in America today and the company's enviable record together with its policy should ensure the local agency splendid success.

AUTO COLLISION CAUSES DISPUTE

There was a bad little smashup on Columbia Avenue and 12th St., at about 7 o'clock Friday night when Raymond Boodyk of Holland drove his Ford car into the rear end of Ray Teerman's Essex. The front end of the Ford was a mess and the rear end of the Essex was a little the worse for wear, with both wheels broken.

Officer Bontekoe was soon on the job and the dispute as to who was to blame was in progress before the two men involved. Boodyk was arguing that Teerman was going too fast, but it would be a difficult matter to prove to a jury that Boodyk, who drove in the rear end of the Essex, wasn't going just a little faster.

From all appearances the whole matter will be taken into court, but in the meantime the local police are making a thorough investigation of speed and other reasons for the collision.

OLD FAMILY COMMEMORATES ANNIVERSARY

The home of Mr. and Mrs. Dick Elenbaas, sr., in Zeeland was the happy scene Thursday of a family reunion, when they celebrated the 35th anniversary of their marriage. Only their children and grandchildren participated with the parents on this happy occasion. The family consists of the following: Mr. and Mrs. D. Elenbaas, sr., parents; Mr. and Mrs. Ralph and Mrs. Mary Timmerman and daughter of Wall Street, Zeeland; Mr. and Mrs. Dick Elenbaas, jr., two daughters and a son, on the old homestead one mile northeast from Zeeland; and Mr. and Mrs. Anthony A. Elenbaas and one daughter of Grand Rapids.

Dick Elenbaas, sr., and Miss Kate Elzinga, daughter of D. Elenbaas, both of Zeeland, were married 35 years ago and immediately settled on the old farm homestead, while their parents, Mr. and Mrs. Anthony Elenbaas and family retired to make their home on Harrison street in Zeeland. They conducted the farm for twenty-nine years, having purchased it during the interim. Six years ago they moved to Zeeland when the farm was turned over to their elder son, Dick Elenbaas, Jr., now operating the place, diseases, consumption.

A number of persons from Holland became greatly incensed Saturday night when they did not the good Samaritan act but did not so much as receive a "Thank you" for it. Since the person who was guilty of this rudeness said he was from Holland, the men who helped him are wondering that he could live in this city without being influenced by his surroundings to the extent of having learned the most elementary rules of courtesy. Unfortunately they do not know his name.

The Holland people had stopped at about 5:30 Saturday night near Paris corners on the Saugatuck road to give aid in an automobile accident in which Mrs. Mary Jaques of Grand Rapids was injured. The car had skidded on the slippery pavement and had tumbled over into the ditch. Mrs. Jaques suffered a sprained ankle and a bruised forehead. She was hurried to Holland hospital and was later taken to her home in Grand Rapids.

A considerable number of cars soon collected on the spot and while help was being given to the Grand Rapids woman on more than one occasion a Tudor sedan. The driver was going so fast that he could not stop in time and in applying the brakes suddenly, his car also skidded and went into the ditch, turning over completely.

The rescuers from Holland went to this second victim with more than one stick of dynamite. His car had been damaged in the least, not even the glass having been broken. Like good sports the bystanders rolled up their sleeves and set the car back on its wheels, to the great damage of their clothes and at the expenditure of a great deal of effort.

When the car was once more right side up and the owner noticed that it was in running condition, he stepped into the driver's seat, turned on the gas and showed the astonished helpers his tail light without saying a word except that he had to hurry to his work in Holland. "A person like that really deserves to have his leg broken, at the very least," one of the helpers remarked.

The Goodrich Transit company pressed the City of Holland into service on the Benton Harbor-Chicago run Friday night to move an unprecedented volume of grapes. This vessel and the City of Saugatuck, regularly on the course, carried 62,000 jumbo baskets of grapes.

Schedules Announced For Inspection Tour Of Pere Marquette

Schedules have been completed and the various committees organization tour of the Pere Marquette for the twelfth annual inspection tour of the Pere Marquette Railway system, which will start from Forst street station, Detroit, Monday at 6:30 a. m. The party will proceed to Grand Rapids, thence over the Chicago division as far as Porter, including the La-Crosse branch, which constitutes the first day's run. President Frank H. Alfird will head the party.

The train will tie up for the night at Holland, covering the Allegan and Pentwater line on Tuesday. Wednesday will be devoted to an inspection of the Potomac, Grand Rapids line, returning to Detroit, where the inspection of the Canadian division is scheduled for Thursday and the Port Huron-Grand Rapids City line for Friday, completing the first week's itinerary.

On Monday, Oct. 25, the inspection will be resumed from Saginaw where the train will leave at 6:30 a. m. for Ludington and Manistee. That night the run will leave at 6:30 a. m. for Ludington and Manistee. That night the run will be made as far as Port Huron, ready to leave the following morning over the line from Port Huron to Elmdale via Saginaw. The annual meeting of the officers of the inspection party will be held at Grand Ledge on that evening. The following day the party will leave Grand Ledge at 7 a. m. and cover the "coolest" lines of the district, including Howard City, Ionia and Big Rapids. On Thursday, Oct. 28, the final day of the inspection, the party will leave Bay City in the early morning and run as far as the Ottawa yards, Toledo, the party disbanding at Detroit.

DR. S. M. ZWEMER BACK IN THIS COUNTRY

Dr. Samuel M. Zwemer arrived at New York in the latter part of September. He is now residing at Princeton where he is to give a course of lectures in the Seminary. His address there is 44 Alexander street.

The Big Three

Most men have three marks or interests, - their families, - their homes and their bank accounts. The happiness of the one and the realization of the second depend largely on the bank account. The accumulation of a bank account is a simple matter if it is given the attention and regular care it deserves.

Save with us, we will gladly help you.

One of the 3197 Clothcraft Retailers whose combined purchasing power makes possible exceptional Clothing values.

APPEAL CASE IS ARGUED IN THE SUPREME COURT

The case of the people vs. Kenneth Campbell charged with negligent homicide which was tried in the Ottawa County Circuit court in March has been taken to the supreme court of this state at Lansing and Thursday was argued before the court by the attorneys.

The points upon which the case was argued were an error in charging the jury and the admissibility of testimony which the defense claims the judge erred in admitting in evidence. Gerrit J. Diekema of Holland and Louis Osterhaus of Grand Haven are attorneys for the defense, while Prosecutor Fred T. Files argued the case for the people.

This is the second negligent homicide case to be sent to the Supreme court from Ottawa county, the other being the nineteen year old high school lad, Ralph Daugherty of Muskegon who on the retrial was found not guilty.

The outcome of the supreme court decision will determine the future of the case. If returned he case may come up in the January term.

GRAND RAPIDS MAN IS ARRESTED BY GRAND HAVEN OFFICERS

Phillip Klintonworth of Grand Rapids was in custody Friday morning on a capias warrant arising out of a case brought by Edward C. Smith of Grand Haven. Klintonworth, a summer chawyer, was taken to the Grand Haven jail for a few hours until the 1,000 bond could be arranged for the date of hearing fixed in the circuit court at Grand Haven on a civil action for Saturday, October 30th.

JUDGE DANHOFF GIVES CHANCE TO OTTAWA BOYS

Judge James Danhof of the probate court held the hearing of Ernest Thompson and Donald Lyndon, all Grand Haven high school boys, on Thursday afternoon, the boys associated with an offense of week ago when four boys took car from Potter's garage driving it to Chicago.

The boys received a severe talking to from the court, in which Judge Danhof stated he was going to put them on probation and give them a chance to go straight, but if they fail to do so, he would pay the damage to the car which amounted to \$250 added to the costs of the court.

They are to report once a month to John Bryce of Grand Haven and Charles Gray of Spring Lake probation officers and give a good account of themselves at this time. The boys agreed to pay for their car and will start immediately to try to earn the money.

The boys' boys associated in the same crime were sent a week ago to the State School at Lansing. This was their second offense, but due to the fact this was the Thompsons' and Lyndon's first offense the judge decided to give them a chance and pretty well solved by the whole affair, they have promised to walk the straight and arrow path.

NEW FACTORY HEADS IN G. H.

Entertained at the luncheon of the Merchants' Institute on Wednesday were the manager and executives of the new Kinzie Manufacturing company at Grand Haven, which has lately taken over the Home Shirt factory to establish as a branch of their Chicago business. Mr. Eugene Klauber, general manager and superintendent, Irving J. Apple, Leo Perry and Isaac Bernstein were all present listening with great attention to the fine address made by Mr. Vardaman. At the close of the talk Mr. Klauber invited Mr. Vardaman to come over to Chicago at any time he could. He thoroughly agreed with the things brought out in the talk and expressed himself after the luncheon.

The men at Grand Haven to get the things shaped up preparatory to opening the plant. Help is the big factor and satisfactory help is needed. The Chamber of Commerce will receive communications from all persons desiring to get in touch with this new organization. They plan to start with sixty girls and want to increase rapidly, the maximum being about 300 employees.

SKY LIGHTED BY DISPLAY OF BRIGHT LIGHTS

A beautiful display of northern lights was seen in the heavens Thursday night that had an unusually beautiful and peculiar effect with the brilliant moonlight and cloud effects. Shafts of light with a hint of color shot the heavens that might have been interested in days of old as a path to heaven itself.

The signs that weather experts attach to this phenomenon which has never been satisfactorily explained by scientists, is that cold weather is coming. This can't be wrong at this season, but be that as it may the light and effects Thursday night were of startling beauty and magnificence.

MAKE DOLLS AND SCRAP BOOKS FOR MISSION FIELD

A meeting of the Daughters of the King S. S. class of 9th St. Chr. ch. church was held Thursday evening at the home of Mrs. Ruth Topp. The evening was spent in dressing dolls and making scrap books, which will be sent to the mission. Those present were: Angie Bogger, Anna Straatman, Minnie Link, Janet Holkeboer, Mrs. Top Mrs. Grace Rutgers, Mrs. Jorie Top, Mrs. Cornelia Van Meulen and Wilma Beukema. Refreshments were served.

ILLINOIS IS A GOOD APPLE CUSTOMER

Illinois is the greatest market for Michigan apples according to the federal bureau of agricultural economics of the Michigan department of agriculture. Out of 6,000 cars shipped out of the state in 1925-26 shipping season, Illinois took 2,131 cars. Michigan consumed 1,16 cars of which number Detroit took 423 besides a great quantity transported by truck. Fennville and the cities of the state in the number of carload shipments.

FIRE DRILLS PROVE QUICK ACTION AT ALL OF THE ALLEGAN SCHOOLS

In the fire drills given in the Allegan schools during fire prevention week, the Dawson building made the best record, the 270 children clearing the building in 35 seconds. The time required by the 347 children of the school was one and one-half minutes; 207 junior high, one minute, 139 North ward pupils, 32 1-2 seconds; and the 51 children of the South ward, one and one-half minutes.

Mr. Leo Balvaard has returned to his home in New York after a few weeks' visit at the home of Miss Henrietta Doorn, West 18 St.

COMMON COUNCIL

Holland, Mich., Oct. 6, 1926

The common council met in regular session and was called to order by the mayor.

Present: Mayor Kammeraad, Alds. Kleis, Westing, Brive, Drinkwater, Laeppe, Hyma, Peterson, Dykstra, Van Zanten, Vander Hill, and Vissers, and acting clerk Laeppe.

In the absence of Clerk Overway, Ald. Laeppe was appointed Acting Clerk.

Devotions were conducted by Dr. Davidson.

The minutes of the last meeting were read and approved.

Petitions and Accounts

Clerk presented communication from Chas. P. Lambert Co. relative to storm sewer in 6th St. east of Columbia Ave.

Referred to the Committee on Sewers, Drains and Water Courses.

Clerk presented Warrant Deeds of Martin Bol and wife to the City of Holland covering all that part of 25th St. bet. First and Maple Aves. which has not been deeded to the city.

Accepted and ordered recorded. Peter D. Leikas petitioned for license to conduct a Pool & Billiard room at 174-176 River Ave. and presented bond with the Hartford Accident & Indemnity Co. as sureties.

Referred to the Committee on Licenses with power to act.

De Kraker & De Koster petitioned for permission to move the building from 184 River Ave. to vacant lot abutting same immediately north.

Granted.

Harvey Grover and others petitioned for the construction of sidewalk on the north side of 17th St. from Harrison Ave. west to and including Lot 16, Thomas Add.

Referred to the Committee on Sidewalks.

GENERAL ELECTION

To the Qualified Electors of the CITY OF HOLLAND,
STATE OF MICHIGAN

Notice is hereby given, that a GENERAL ELECTION will be held in said city on

Tuesday, Nov. 2, 1926

At the places in the several Wards or Precincts of said City as indicated below, viz.:

- 1st Ward-2nd Story of Engine House No. 2,
106 East 8th St.
- 2nd Ward-2nd Story of Engine House No. 1,
West 8th St.
- 3rd Ward-G. A. R. Room, Basement floor, City
Hall, Cor. River Ave. and 11th St.
- 4th Ward-Polling Place 301 First Ave.
- 5th Ward-Polling Place, Cor. Central Ave. and
State St.
- 6th Ward-Basement floor, Van Raalte Ave. School
house, Van Raalte Ave., between 19th and
20th sts.

For the purpose of voting for the election of the following officers, viz.:

STATE—Governor; Lieutenant Governor; Secretary of State; State Treasurer; Auditor General; Attorney General; Justice of the Supreme Court (to fill vacancy) for the term ending the thirty-first day of December, nineteen hundred twenty-nine.

CONGRESSIONAL—One Representative in Congress for the Congressional District of which said Township forms a part.

LEGISLATIVE—One Senator in the State Legislature for the Senatorial District of which said township forms a part; one Representative in the Legislative district of which said township forms a part.

COUNTY—Sheriff; County Clerk; County Treasurer; Register of Deeds; Prosecuting Attorney; Circuit Court Commissioner; Drain Commissioner; Two Coroners; and a County Surveyor;

PROPOSITIONS, IF ANY

Notice Relative to Opening and Closing of the Polls

Act 351—Part IV—Chapter VIII, Public Acts of 1925.

Sec. 1. On the day of any election the polls shall be opened at seven o'clock in the forenoon, or as soon thereafter as may be, and shall be continued open until five o'clock in the afternoon and no longer: PROVIDED, That in townships the Board of Inspectors of Election may, in its discretion, adjourn the polls at twelve o'clock noon, for one hour, and that the township board in townships and the legislative body in cities and villages may, by resolution adopted fifteen days prior to the election and published with the notice of the election, provide that the polls shall be opened at six o'clock in the forenoon and may also provide that the polls be kept open not later than eight o'clock in the evening of the same day.

THE POLLS of said Election will open at 7:00 o'clock a. m. and will remain open until 5:00 o'clock p. m. of said day of Election.

RICHARD OVERWAY, City Clerk

Dated Oct. 1, A. D. 1926

LEGION BAND HAD A GOOD TIME ON THEIR TRIP EAST

(By Ray Knoolhuizen)
The Holland Legion band left last Saturday, Oct. 9th, via Greyhound, for Grand Rapids and then took the Pere Marquette to Detroit and then boarded the Baltimore & Ohio train for Philadelphia. The Legion band of 26 pieces and 3 Legionaires made the trip, and everyone enjoyed it to the uttermost.

On Monday the band attended the sesqui-centennial exposition at Philadelphia, which was really the greatest sight ever witnessed by the band, but of course no one could ever expect to see such a sight as this in one day, as there isn't a thing missing on that huge grounds. It is surely worth seeing and the band only wished they could have spent a week there. The department of fine arts at the sesqui was worth the trip alone, as some of the world's best pictures were there.

On Tuesday was the big parade day and it was the biggest parade ever seen by Philadelphia. It started at 1 o'clock Tuesday afternoon and finished at the sesqui grounds at 7:45, so you can get an idea of how long it was. There were about 75 bands and 100 drum corps in the line of march, besides all the Legionaires, floats, nurses, etc. There were 23 airplanes overhead and 2 big dirigibles, one of which was the Los Angeles the TC-5. There were about 200,000 Legionaires in gala and military attire in the line of march.

At the reviewing stand in the big stadium at the sesqui-centennial were the following figures of renown: General Pershing, Vice-president Dawes and the Mayor of Philadelphia, Mr. Kendrick, and J. R. Quigg, national commander of the legion. Seven French war veterans who served under old Glory marched from Panama. 35 Indians from Arizona, 250 legionaires from Florida, and three legionaires from Canada. Connecticut was there with 1000 in the line of march. The Sioux City Post led the big parade and every state was represented.

The city was very beautifully decorated for the occasion. One of the most beautiful spectacles in the big parade was the display of massed flags of the Pennsylvania legionaires, where between two and three hundred American flags were in massed formation a beautiful sight. The only regret the band has is that they wished Holland could have seen the parade, as it is impossible to give the whole parade in one article of this size. On Wednesday a part of the band spent the day in New York City, which was only a two hour ride from Philadelphia and took in the sights of the metropolis, visiting such sights as the Statue of Liberty, Ellis Island, Battery Park, Brooklyn Bridge, Manhattan Bridge, Queensboro Bridge, U. S. Custom House, Equitable Bldg., Singer Bldg., Wall street, Liberty Tower, Barkus Trust Co., Woolworth bldg., City Hall, The Battery Chinatown, Flat Iron bldg., Times bldg., Metropolitan Life Ins. bldg., Broadway, 5th Ave., Hotel Astor, Waldorf Astoria, and Riverside Drive.

On Thursday the band was locally entertained by the Holland Furnace company and was given a sight seeing trip thru the city of Philadelphia, which was surely appreciated by the band as they have never before seen the city right. On Friday part of the band went to Washington for the day and also enjoyed seeing that beautiful city. Its sights were immense, not to say the least. The places visited there were: New National Museum, Post Office, U. S. Government Printing Office, Washington Auditorium, Municipal bldg., New Agricultural bldg., U. S. Capitol, Lincoln Memorial, Washington monument, Pan American Bldg., U. S. State and War Dept. Bldg., U. S. Treasury, Union Station, Library of Congress, White House, Bureau of Printing and Engraving, Grant Park, Ford Theatre, Radio Station WCAP, St. Johns Church, homes of Wilson and Dewey, Herbert Hoover, Taft, Francis Scott Key home of the National Geographic society, and also its park and many other places, too numerous to mention.

On Saturday the band took in Detroit, Mich., and Canada, and last but not least, Holland. In all the band visited nine different states and Canada: Ohio, Pennsylvania, Washington, New Jersey, New York, Maryland, Delaware, Virginia, Michigan and Canada.

The band feels very grateful to Holland and its citizens and Philadelphia surely knows Holland has a band. The convention next year will no doubt be held in Paris. It has been a real outing and a rare treat for the band, and last but not least, the band visited the Arlington cemetery and saw the grave of the Unknown Soldier. A trip to this cemetery is worth any one's time and money and it surely is a wonderful sight.

BOY DIES IN NORTH HOLLAND

Roger Schilleman, nine year old son of Mr. and Mrs. Edward Schilleman, died Saturday night at the home of his parents at North Holland. Besides his parents, two brothers and two sisters survive: Elmer, Gale, Anna and Ruth. The funeral will be held Wednesday afternoon at one o'clock at the home in North Holland and at 1:30 at the North Holland Reformed church, Rev. Arthur Mastman officiating. Interment will be in the North Holland cemetery.

EMPLOYEES OF FACTORIES TO HAVE EYES EXAMINED

The optometrist convention held in Holland a week ago seems to have borne fruit. The International Optical company has appointed John Pieper of Holland to make an examination of the eyes of the employees at the Holland Shoe Co., and it is understood that this examination may be carried further in other institutions in Holland.

This one factory will take about two weeks for examination and for that reason Mr. Pieper will be away from his office in the mornings of those two weeks. The rest of the day he will be found in his place of business as usual.

WOMAN RUN DOWN BY AUTO GETS BROKEN ARM

When Mrs. Albertus Wentzel was coming home from church at nine o'clock Sunday night she was run down by an automobile at River avenue and Fifteenth street. Others coming home from church noticed the woman in great agony and helped her to the walk. A physician was hurriedly called and it was found that an arm was broken. Mrs. Wentzel is the wife of the janitor of the Christian school and lives at 64 West 15th street.

OTTAWA WOMAN ADDS TO KENT CO. MUSEUM

A valuable collection of old guns has been given to the Kent Scientific museum by Mrs. Orilla Stark of Marne, Ottawa county. An old Harper's Ferry musket, dating from 1818, is perhaps the most valuable weapon in the collection, which includes eight rifles and muskets, seven pistols and eight revolvers, six of which are Colts. Many of the pieces are models made by Mrs. Walker's stepfather, I. C. Walker, who as a gunsmith in Berlin, now Marne, many years ago did considerable experimenting to determine the practicability of various types of pistols and muskets.

An unusual outfit Mr. Walker invented to facilitate loading of rifles that shot a ball and patch is included in the gift. It is a rectangular board about 6x4 inches, having 28 holes filled with balls ready wrapped in patches. The ball could be rammed through the hole in the board into the rifle muzzle while the hunter pursued his game. A small compartment at the top of the board with a spring opening contained the caps. The apparatus was held at the waist by a strap over the shoulder.

FIRST MEETING OF PRAYER WEEK HELD ON SUNDAY

The first meeting of the week of prayer at Hope College was held on Sunday evening. Roy Nattress, president of the Y. M. C. A., took part and after a few hymns had been sung, Russell Barnhart, Harriet Heneveld and William Ooms led in prayer. After singing one more hymn Dr. A. Pieters took charge and gave the address of the evening. He took his text from the first chapter of John, the 12th verse.

Dr. Pieters started by expressing his appreciation for again being able to lead the first meeting of prayer week. In his talk the leader pointed out the fact that the greatest happening in the world history was the coming of Jesus Christ. The letters A. D. and B. C. indicate a distinction between moral and spiritual life.

The great tragedy of the world, said he, was that Jesus had not been received by all in the world. But there were some who did receive and to these was given the right and power to become children of God. The right to become children of God means three things: 1st a new relation to God; 2nd a new power from God; 3rd a new destiny with God.

In his conclusion Dr. Pieters made a plea that Jesus be given the precedence in the lives of all. His final thought was that all concentrate on prayer week and help make it a success.

GIRLS' STORY SOUNDS FISHY

A story has been going thru the state press that members of the crew of the Convict ship "Success" kidnapped two Grand Rapids girls found in Grosse Pointe. According to the girls' story, the girls were thrust into an automobile by two men in sailors' uniforms while they were in Holland late in the week. The ship and its crew left Holland for Muskegon on Monday morning at 7 o'clock and surely none of the crew could possibly be accused of such a crime that, according to the story, took place in Holland on Wednesday night of that same week, three days after the ship left.

DIES AT AGE OF SIXTY-NINE

Mrs. Berendena Eka, aged 69, passed away this morning at six o'clock at her home, 75 E. 19th St., after an illness of six months. She is survived by four daughters: Mrs. John Faber, Holland Mrs. James Derks, Zeeland; the Misses Lena and Dena at home. The latter is employed at Ebelink's Floral store. The funeral was held Wednesday at 2 o'clock, private for relatives, and at Gospel Hall at 2:30.

RODEHEAVER TO COME TO HOLLAND DURING DECEMBER

Arrangements have been made for a gospel concert to be given in Holland by the famous Homer Rodeheaver, the well known Billy Sunday chorus leader. The Maple Avenue Young Men's society is the organization that has secured the promise from Rodeheaver that he will come to Holland. Mr. Rodeheaver will give a concert in Grand Rapids this week and many expect to make the trip to that city to hear him. But the middle of December it will be possible to hear him here.

The exact date has not yet been announced and the place also will be decided on later. It is certain that a large audience will hear the well known chorus leader.

FENVILLE CHORAL CLUB PLANS PUBLIC CONCERT

Several musically inclined residents have organized a choral club at Fenville. Miss Marcia Bassett is the president; Miss Maud Turbison, vice-president Mrs. W. J. Hutchinson, secretary and librarian; Mrs. Arthur Pahn, publicity manager. The club meets each Thursday night for practice, and it is expected that a public concert will be given in the near future.

NOTICE!

Proposed Amendments To The Constitution

NOTICE is hereby given to the Qualified Electors that at the time and places of holding the next GENERAL ELECTION in each of the several voting precincts of said County, on

Tuesday November 2

A. D. 1926

There will be submitted at said election five proposed Amendments to the Constitution of Michigan as follows:

PROPOSED AMENDMENT TO THE CONSTITUTION

Relative to

Compensation of members of the Legislature of Michigan.

Amendment to Section 9 of Article V of the Constitution relative to the compensation of members of the legislature.

SEC. 9. The compensation of the members of the Legislature shall be twelve hundred dollars for the regular session. When convened in extra session their compensation shall be ten dollars per day for the first twenty days and nothing thereafter. Members shall be entitled to ten cents per mile and no more for one round trip to each regular and special session of the Legislature by the usually traveled route. Each member shall be entitled to one copy of the laws, journals and documents of the Legislature of which he is a member, but shall not receive, at the expense of the State, books or newspapers not expressly authorized by this Constitution.

YES ☐

NO ☐

PROPOSED AMENDMENT TO THE CONSTITUTION

Relative to

Term of office of County Sheriffs.

Amendment to Section 5 of Article VIII of the Constitution relative to the term of office county sheriffs.

Sec. 5. The sheriff shall hold no other office. He shall be elected at the general election for the term of two years. He may be required by law to renew his security from time to time and in default of giving such security, his office shall be deemed vacant. The county shall never be responsible for his acts.

YES ☐

NO ☐

PROPOSED AMENDMENT TO THE CONSTITUTION

Relative to

Creation of Metropolitan Districts.

Amendment to Article VIII of the Constitution relative to the creation of metropolitan districts by cities, villages or townships.

Sec. 31. The Legislature shall by general law provide for the incorporation by any two or more cities, villages or townships, or any combination or parts of same, of metropolitan districts comprising territory within their limits, for the purpose of acquiring, owning and operating either within or without their limits as may be prescribed by law, parks or public utilities for supplying sewage disposal, drainage, water, light, power or transportation, or any combination thereof, and any such district may sell or purchase, either within or without its limits as may be prescribed by law, sewage disposal or drainage rights, water, light, power or transportation facilities. Any such districts shall have power to acquire and succeed to any or all of the rights, obligations and property of such cities, villages and townships respecting or connected with such functions or public utilities: Provided, That no city, village or township shall surrender any such rights, obligations or property without the approval thereof by a majority vote of the electors thereof voting on such question. Such general law shall limit the rate of taxation of such districts for their municipal purposes and restrict their powers of borrowing money and contracting debts. Under such general law, the electors of each district shall have power and authority to frame, adopt and amend its charter upon the approval thereof by a majority vote of the electors of each city, village or township, voting on such question, and through its regularly constituted authority, to pass all laws and ordinances relating to its municipal concerns, subject to the constitution and general laws of this State.

YES ☐

NO ☐

PROPOSED AMENDMENT TO THE CONSTITUTION

Relative to

Condemnation of excess land and property for boulevards, streets, etc.

Amendment to Article XIII of the Constitution relative to condemnation of excess land and property for boulevards, streets, etc.

Sec. 5. Subject to this Constitution the Legislature may authorize municipalities, subject to reasonable limitations, to condemn and to take the fee to more land and property than is needed in the acquiring, opening and widening of boulevards, streets and alleys, or for any public use, and after so much of the land and property has been appropriated for any such needed public purpose, the remainder may be sold or leased with or without such restrictions as may be appropriate to the improvement made. Bonds may be issued to supply the funds to pay in whole or in part for the excess property so appropriated, but such bonds shall be in alien only on the property so acquired and they shall not be included in any limitation of the bonded indebtedness of such municipality.

YES ☐

NO ☐

REVISION OF THE CONSTITUTION

Shall the constitution of this state be revised and a convention called therefor?

YES ☐

NO ☐

NOTICE is further hereby given that the place for voting upon the above Amendments to the Constitution in each of the several wards and precincts of the City will be the same as for the General November Election, and the hours for voting upon said Amendments will be the same as for voting upon all other matters at said election.

Clerk of said City,

Locals

Benj. H. Rosema, candidate for sheriff on the Republican ticket, has been in Holland for the past few days fixing up his political fences. Rosema, who came from Ferrisburg, was undersheriff during 1923 and '24.

A marriage license was issued in Kent county for Oscar Schuelke, 24, Grand Rapids, and Catherine Materink, Hudsonville.

Mr. and Mrs. Frank Oosting left here Saturday for Hollywood, California, to spend the winter. They are stopping at Kalamazoo for a few days.

Albert Mullienbelt, who was arrested near Muskegon, Allegan county, on a liquor charge, was found guilty and will be sentenced later by Judge Cross.

Lane Van Putten and daughter of Detroit, formerly of Holland, were in this city Saturday to attend the funeral of Mrs. C. Verschure. Mr. Van Putten is a brother of Mrs. Verschure.

Now it is reported a two hundred foot highway is to be constructed from Michigan City, Ind., to Milwaukee, Wisconsin, passing around Chicago to avoid the congested traffic of that city.

The Fennville high school is to follow the plan of other schools and get out a school annual. The name for the book has not yet been selected. It will be issued June 1st.

The Saugatuck post of the American Legion has received large donations of canned fruits and jellies and a committee was to take a truckload of these and also fresh fruits to the legion hospital at Battle Creek Sunday.

Miss Fanny Knoll, accompanied by her brother Bert and Thomas Eversman, have returned home after a two weeks' motor trip through the East. The places of interest visited were Philadelphia, Princeton, New York City, and the Niagara Falls.

Miss Ada Plaggenmeyer of Los Angeles, Calif., who has been visiting with Mr. and Mrs. E. Zwemmer, has returned to her home. She will make stop-off visits at Denver and San Francisco while en route to Los Angeles.

The Congregational Ladies' Aid of Saugatuck elected officers for the ensuing year as follows: President, Mrs. Sara Sheridan; vice president, Mrs. John Koning; secretary, Mrs. James Brown; treasurer, Cornelia Koning.

Mr. J. Van Horn, local manager of the Van den Berg Bros. Furniture store, will leave Holland about Jan. 1st to take complete charge of the floor covering department at the Grand Rapids store.

John Meyerling of Graafschap, who was charged with taking fire and other auto accidents from a garage in that village, was acquitted by a jury in Allegan county Friday.

Allegan is again at logger-heads about the change of time. Working men want to keep the daylight saving time and business men want to go back to central standard time. The courthouse clock is already set back and Judge Cross says court will be opened in accordance with the hands on the clock in the tower. The Judge of Probate will also hold court sessions accordingly and the other county officers will be opened in accordance with Allegan courthouse time.

The Allegan county board of supervisors is paying no attention to Allegan's squabble on time changing. The courthouse clock is already set back and Judge Cross says court will be opened in accordance with the hands on the clock in the tower. The Judge of Probate will also hold court sessions accordingly and the other county officers will be opened in accordance with Allegan courthouse time.

Chief Blom of the Holland fire department and his son Niel Blom were called upon to do some fire fighting in Park township a few days ago. While they were motoring out on some other business taking them over Muskegon drive they noticed flames issuing from the cottage of Vernon Cook. There was no time to call on Holland for help, so Mr. Blom, finding a garden hose near, played this small stream on the flames and the fire was soon extinguished. Mrs. Cook was on her way to a neighboring phone to call for help from Holland when she noticed the chief coming.

Mrs. J. D. Kanters left Friday for Buffalo, N. Y., called there by the serious illness of her sister.

Herman Sluiter of Zeeland and Miss Esther Boeve of East Holland were united in marriage at South Bend, Indiana. They will make their home in this city on East 13th street.

Lou Bensley, Rotarian of Traverse City, was a guest at the Holland Rotary Thursday. Rev. Dr. Willis, pastor of the 1st Methodist Episcopal church in Holland, gave a very inspiring address.

Allegan P-T associations were addressed by Mrs. Maude V. Weaver, president of the Kent county P-T association council Wednesday evening at the Federated church. Her talk was greatly appreciated.

The Saugatuck Woman's club has elected the following officers: President Mrs. Ruth Leland; vice president, Mrs. Rhea Jackson; secretary, Mrs. Margaret Daily; treasurer, Mrs. Ruby Talken.

Ell Thompson, Otsego, was found guilty by a circuit court jury on Thursday of violation of the liquor laws. He will be sentenced later by Judge Cross.

Muskegon's annual automobile show will be held Feb. 15 to 19, inclusive, this year. The board of directors of the Muskegon Automobile Trade association voted Thursday.

Henry Mead died at his home in Douglas at the age of 83. He lived in Saugatuck township for nearly 40 years. Surviving are the widow and three children.

POLICE DOG CAUGHT
IN ACT OF STEALING
BOTTLES OF MILK

Caught stealing bottles of milk, a handsome police dog was a prisoner today in the kennels of the Wisconsin Humane society at Milwaukee.

An early riser saw the dog leap upon the rear porch of a home, seize a bottle of milk in his mouth and dash away. He took refuge under and old barn, where he was later trapped and demonstrated his skill in removing caps from bottles.

A large pile of empty bottles under the barn were taken as evidence while the thief was held for identification.

SAYS HALF
HAS NOT YET
BEEN TOLD

In a letter to Mrs. G. J. VanDuren, Red Cross secretary, Miss M. E. Thoburn, chapter service secretary of the midwestern branch, says:

"Just this morning a disaster relief worker, who has been stationed in Florida and is here en route to the Illinois flood district, says that the half has not been told of the Florida disaster. The truck farmers' means of livelihood has been wiped out, many of the citrus groves, and the chief industries of Florida outside of tourists, are still under water and the people of the particular town where she was stationed which was a well-to-do community said that they wanted Red Cross help and that they needed it."

NIECE OF JAS. A. BROUWER
DIES IN CHICAGO, ILLINOIS

Mrs. Kate Van Lonkhuijzen, wife of Rev. J. Van Lonkhuijzen formerly of Grand Rapids, died Thursday at her home in Chicago. She was 44 years old. Besides her husband she is survived by six children and a sister, Mrs. H. R. Gezon of Grand Rapids.

Funeral services were held in the First Christian Reformed church of Chicago Monday morning and services were also held at the Burton Heights Christian Reformed church at 2 o'clock Tuesday afternoon. Burial was in Woodlawn cemetery. Mrs. Lonkhuijzen is the niece of James A. Brouwer of this city. Mrs. Van Lonkhuijzen was formerly Miss Kate Dykstra.

ALLEGAN CO.
IS FREE FROM
TB CATTLE NOW

Allegan county is now free from tuberculous dairy cattle. It is entitled to receive ten cents premium per hundred pounds on the hogs which it ships to the big slaughter houses in such cities as Chicago and Detroit. The reason for this is that hogs contract tuberculosis from cattle which they follow or from the skim-milk from infected cattle. The packer buys the hogs "as is" and takes the chance that the inspector may find lesions of tuberculosis or other disease when he comes to make his inspection, but a discovery means that the carcass is consigned at once to the rendering tank and is not sold as human food. Packers claim that this loss amounts to approximately ten cents per hundred pounds and they are glad to pass this on to the hog raiser who lives in a tuberculous area.

The department of agriculture has found it difficult to trace infected hogs back to the farm from which they were shipped after they have mixed with other arrivals at the yards. Lately it has developed a new method which is expected to expedite the work of tracing his porcine majesty to his original abode. He is forced through a narrow chute, and in passing meets a tattoo artist who quickly marks him with an indelible design which stays with him even to the meat shop's marble slab. Although the tattooed hog will mean nothing to the purchaser of pork it will assist the department's tuberculosis sleuth to warn the farmer of the presence of the disease in his herd and give him opportunity to eliminate it.

SURVEY WILL
BE MADE FOR
CHURCH WORK

Plans have been completed for the purpose of making a complete religious survey of the villages of Spring Lake and Ferrysburg. Under the auspices of the churches of Spring Lake, ten committees have been appointed to cover the work. Information cards have been distributed covering the information desired in the survey. Beginning Friday and continuing for a week these committees will call at every home in the two villages for the purpose of tabulating the religious status of these two communities.

The religious survey has been put across in many villages and cities with remarkable results. With the constant changing and shifting of the population it is difficult for the churches to know the complete religious condition of the community. With the rapid growth of Spring Lake and Ferrysburg it goes without saying that the survey will reveal many interesting statistics.

The committee responsible for the survey is made up of the following: Dr. C. Mulder, of the First Reformed church, Rev. E. Boers, pastor of the Christian Reformed church, Rev. W. Aitken, pastor of the Baptist church and Rev. A. Meegs, pastor of the Presbyterian church.

MARK BROWN PASSES AWAY
AT ELIZABETH HATTON HOSPITAL

Mark Brown, 72 years of age, passed away at the Elizabeth Hatton Memorial hospital in Grand Haven. Mr. Brown was a single man and had no relatives except two nieces, Mrs. George Stitz of Spring Lake and Mrs. Edward Salver of Grand Rapids. Other relatives reside at Harvard, Michigan.

Deceased was born in New York state but had been a resident of Grand Haven for the last four years and was employed by the city. The remains were taken to Harvard for burial Saturday afternoon.

T. B. SANATORIUM
PROBLEM TAKES
MANY TO G. HAVEN

A number of auto loads of persons from Holland went to Grand Haven Friday forenoon to attend the hearing before a board of supervisors of the proposed sanatorium issue. Many here are interested in the matter and they went to Grand Haven to show by their presence that they think Ottawa county needs a sanatorium.

At first there was an idea that it might be feasible to join with Allegan county in the erection of a hospital.

The committee appointed to look into this matter met on August 31st in Holland and after going into the matter thoroughly decided that it was not feasible for the two counties to join in the matter but that each county should work out its own problem.

The investigation showed there were 200 active cases of tuberculosis in this county reported. There are 21 cases in Holland and ten in Grand Haven and the balance in the smaller towns and rural districts. Ottawa county now has 24 cases in the Muskegon sanatorium, two in Grand Rapids and one in the Heibedsen hospital, Colorado. The twenty-four cases in Muskegon are costing the county and individuals thousands of dollars. All these hospitalized cases are receiving county or city aid.

The estimated cost of a 50 bed sanatorium for Ottawa county fully equipped would be \$150,000. The cost of maintenance would be from \$50,000 to \$60,000 per annum. Inasmuch as under Act 177 Public acts of 1925, not more than one mill on each dollar of assessed valuation a this county can be raised in one year, for this purpose it would take three years before the required amount was at hand.

The committee submitting the report, the public health committee of the board, recommends that a committee be appointed to pick out a suitable location for such a sanatorium and report at the next October session. They also recommend the funds for the sanatorium be raised in three years. The committee is composed of Hugh E. Lillie, Henry Vander Warf and George Mauhauser.

STORE IN ALLEGAN
COUNTY IS ROBBED
THE SECOND TIME

The hardware store of Carl O. Jones of Otsego, was burglarized Sunday night when all the guns and ammunition in stock were stolen. Entrance was effected by breaking a plate glass door with a two by four. About three weeks ago ammunition and other small articles were taken. There are no clues.

FOOTBALL FANS
TO GET CHANCE
AT A ROOM

Ann Arbor, Oct. 15, Holland followers of University of Michigan sports, principally those who come here each fall to see the Yostmen play home football games, are due for better hotel accommodations.

For those who attend the weekend games, after which they plan to remain at hotels here, in plain view of the win-or-lose collegiate celebrations, have, in the past, experienced difficulty in securing reservations at Ann Arbor hotels. It is said, it is pointed out, that such disappointments are due to the unusually large number that seek, but seldom get reservations at hotels on days games are played here, and that Ann Arbor's hotel facilities at the present time are said to be inadequate on such occasions.

Within a year, to a great extent, if not wholly, that condition here is to be no more.

Such was the gist of the announcement made today by the Michigan Hotel Realty Corporation, of this city, which already has secured options on downtown property, at the corner of East Huron and Fourth streets, on which it will erect a nine-story gray stone building, to be known as the "Michigan Hotel" at a cost estimated at \$1,000,000.

STATE HEALTH BODIES
TO MEET IN MUSKEGON

Through the efforts of Dr. W. C. Reineking, director of the Muskegon County Tuberculosis hospital, and the convention bureau of the chamber of commerce, three state conventions have been secured for Muskegon to be held in October, 1927. The three bodies to meet there are the Michigan Tuberculosis association, the Michigan Trudeau society and the Michigan Sanitarium association. The three organizations will meet separately, but will unite for two or more addresses by nationally prominent speakers.

LOCAL GIRL

WEDS MAN FROM
TRAVERSE CITY

A quiet wedding was solemnized Thursday evening at 8 o'clock in the home of Mr. and Mrs. E. E. Rich when their daughter Martha was married to Dr. L. S. Wilhelm, son of Mr. and Mrs. A. J. Wilhelm of Traverse City. Dr. J. C. Willis of the Methodist Episcopal church performed the ceremony.

Miss Rich is a well known Holland girl. She is a graduate of Holland high school and of the school of occupational therapy at Kalamazoo. Dr. Wilhelm is a graduate of the University of Michigan.

Dr. and Mrs. Wilhelm are taking a three weeks' auto trip through the eastern and southern states and upon their return will reside in Traverse City.

The out of town guests included Mr. and Mrs. A. J. Wilhelm of Traverse City, Mr. and Mrs. C. G. Loase of Sparta, Mrs. Claribel Ewing, Mr. and Mrs. C. A. Sweet, Mr. Frank Sweet of Grand Rapids.

Attorney and Mrs. Clarence Lokker motored to St. Louis, Mo., for a week.

Henry Oosting, who is studying at M. S. C., will spend the weekend with his parents at 111 East 22nd St.

FORMER HOLLAND
MAN SEEKS DIVORCE IN
KENT COUNTY

Paul Estelle, who filed a bill for divorce in Kent circuit court yesterday against Mrs. Hilda Murphy Estelle, also began a \$5,000 suit against Stephen Church whom he charges with alienation of Mrs. Estelle's affections. A capias was issued against the defendant.

Estelle and his wife were married July 16, 1908, at Holland. They have two children.

SHEPHERD BOY
FROM GALILEE
TO SPEAK HERE

On Monday evening, November 1, the people of Holland will have an opportunity to hear Mr. Stephen A. Haboush, known as "The Shepherd Boy from Galilee," in his travelogue entertainment, "Jerusalem and the East," at Carnegie hall at 8 p. m. By means of motion pictures costumes, music, lecture and tapsteries, Mr. Haboush, a 20th century Galilean, can bring people in touch with the enchanted east from the minarets of Damascus to the sacred shrines of Jerusalem.

Mr. Haboush is a native Galilean and an American citizen. He was born on the hills about the Sea of Galilee and in his youth tended his father's flocks. Just as every Galilean boy has done since the days when Jesus walked among men. He came to America and worked his way through an American university. Recently he returned to the land of his birth and there personally took motion pictures of the scenes and people of the holy land. He returned to America with his message. He has written for magazines and newspapers and lectured before great audiences in some of the famous churches and universities in America.

This entertainer and lecturer of rare power and eloquence comes to Holland under the auspices of the Holland Christian Endeavor Union.

YACHT LEAVES SAUGATUCK
VIA THE LAKES FOR BOSTON

The large pleasure yacht "Eveline" which has been recently purchased from Capt. Hungerford of Chicago by Norman Bonner of Denver, started on a long trip Thursday from Saugatuck harbor. Mr. Bonner was accompanied by Mrs. Bonner and Mr. and Mrs. Clarence Lynds, and a picked crew of sailors. They will go to Boston via the Great Lakes and canals and may, if the seas are not too rough, go on to Florida.

R. Kraak of Zeeland, figured in a double accident while crossing Main st. in Zeeland. He was knocked down by one machine and before he could regain his feet a second car operated by D. Olsen and coming from the opposite direction, rode over his right arm, causing a fracture at the wrist.

GERRIT TER BEEK

JOHN TER BEEK

ANNOUNCEMENT

Two Popular Local Young Men
Acquire an Active Interest
and Management of
Furniture Store
On or About
Nov. 1st.

Friends of the Ter Beek Brothers, Gerrit and John, will be glad to learn that they have purchased an active interest in Van den Berg Bros. Furniture Store, 23-25 W. Eighth St.

Both the brothers have been meeting the people of Holland in other capacities for several years -- and are well known both in business and in social circles in and about Holland.

Active management of Van den Berg Bros. Furniture Store will be taken over on or about Nov. 1st, at which time they plan to set aside one day as OPEN HOUSE DAY for their many friends as well as present patrons.

Announcement of this event will be made soon -- and the Ter Beek Bros. promise to make it very interesting. They are whispering about "Hidden Prizes" -- and "Old Time Treasure Hunt." Souvenirs for the Ladies, Cigars for the Men, etc.
