## Selecting New Alderman Held Over For People

NEXT PRIMARY WILL MEAN ELECTION FOR TWO ALDERMEN AND A VOTE ON TANNERY PROPERTY

Board of Public Works Settle With Injured Child; Felt It a Moral Obligation

There were many things of interest and importance transpiring at a meeting of the common council last evening. There were a few present who expected that a selection of a new alderman would be made, but the matter was postponed. The two candidates whose names were presented at the last meeting were Joe White and Bert Hanning, a former alderman. On several ballots the vote stood 5 and 6, and seemed to be there to stay indefinitely.

On advice of Atty. Elbern Parsons it was decided to defer the selection of a new alderman in the fourth ward indefinitely—in fact, the aldermen have decided to wait until the spring primaries, and then let the people decide who their new alderman will be. Atty. Parsons stated that under the charter the selection of an alderman had been deferred altogether too long and it was his opinion that anyone selected at this late date would be assuming his seat illegally and in that event any important questions upon which such an alderman voted might bring a cloud on any action the council might make. At least there might be room for court action in such a case. According to the charter any vacancy must be filled within 30 days and the attempt to select one had gone way beyond that time, and if seems that City Atty. Parsons views it as a legal matter, he considered more safe to wait until the alderman was elected by the people, and we feel that the common council can struggle along very well with 11 aldermen present. This will mean that next spring two aldermen will be named in the fourth ward.

Another matter to come up was the old question of buying the tannery property between Pine and Maple Aves. and also the parcel north of 8th St., just across the way. There are many uses to which this property can be put, and what the proposal will be is given further in this article. The matter was brought up again by Ald. Kalkman. The city owns a house on West 9th St., that formerly belonged to an old artist by the name of Warner. His pictures adorn the walls in the City Hall. Anyway, the old couple have long since passed away, and the house belongs to the city. It is in a very poor state of repair, and the city extended them while they were still living. The city has an offer for this house.

Some question as to the cost of paving was brought up by H. D. Koster; another man refused to pay for the widening of the street because he did not have the money to pay; a matter of a suit in which the city is involved also came up; and Ald. Brouwer gave a report upon his meeting with the police board relative to the destruction of property. He stated his reception by the board was most cordial and he would just as soon meet with them again.

Anyway, all these matters and several more are found in the official council proceedings, compiled by Oscar Peterson, City Clerk, given below.

## OFFICIAL COUNCIL PROCEEDINGS

Holland, Mich., October 20, 1937.

The Common Council met in regular session and was called to order by Mayor Geerlings.

Present: Mayor Geerlings, Aldermen Kleis, Drinkwater, Kalkman, Oudemool, Brouwer, Steffens, Huyser, Bultman, Vogelsang, Smith and the Clerk.

Devotions led by Mayor Henry Geerlings.

Minutes read and approved.

Petitions and Accounts. Clerk presented several applications for Building Permits. Nos. 532-547.

Granted, subject to approval of City Engineer and Fire Chief.

Clerk Oscar Peterson presented communications from certain bars petitioning the Council to take such action as may be necessary in order to prevent the enforcement of certain rules, recently adopted by the organized barbers of the County regarding working hours.

Accepted and filed.

Reports of Standing Committees. Committee on Ways and Means reported having met with the City Attorney and the Board of Public Works relative to an agreement and settlement with Dena Spykman who was injured in a sewer-cleaning machine quite some time ago. Committee called upon the City Attorney to explain more fully the agreement proposed. City Attorney Parsons stated that since Dena Spykman is a minor child, any bills for doctor's services or hospitalization would become a charge against the father, and while he had informed the Board that in his opinion there was no legal liability on the part of the City, the Board felt, however, that it was morally responsible to assume these bills. The agreement provided for the payment of certain doctor and hospital bills together with an amount of \$350.00 for a future operation on the child's arm if such an operation became necessary within the next few years. The total cost of the operation would be \$1,000.00.

HAVE TRUCK TO FIGHT FIRE. Allegan county conservation officers now have mechanical equipment with which to fight fire. A new fire fighting truck was delivered last week and is now ready for use throughout the county. The truck will be kept at the fire tower just west of Allegan.

## FIND HEN PHEASANT BEHIND HUB CAP. HUNTER FINED \$17

Philip Mayette, 27 years old, 511 West Clay avenue, Muskegon, was reported by conservation officers at Ionia to have been arrested yesterday for possession of a dead hen pheasant, and was fined \$17 and costs. Officers said they found the bird stowed away behind the large hub cap plate of his new car.

## DEER ARE PLACED AT RESETTLEMENT CAMP

Deer hunters and those who don't hunt but appreciate the beauty of the most graceful creature of the wild will be able to see deer at any time if they care to visit the camp of the Resettlement Administration at Lake Allegan.

The two little fawns, which attracted so much attention at the Allegan county fair have been taken to the camp and are on exhibition there. A wire inclosure and shelter have been built adjacent to the canteen and in addition to the two fawns there, another pair is expected from the north. Jack and Jill are the names given the first pair.

## BIRDS' FLIGHT DIFFER ACCORDING TO SPECIES

William Beebe, well known naturalist, says that the flight of birds is as characteristic as the walk of individual human beings, adding that science has not learned yet why different species have their own styles of flying.

## May Not Carry Loaded Gun In Car

Loaded shotguns or rifles may not legally be kept or transported in or on an automobile under Michigan law as changing laws at any time, reads the department of conservation. The reminder is given to all sportsmen who wish to keep within the law during the fall hunting season. It is not legal for a hunter to stand or ride on the running board of his car with a loaded shotgun or rifle. Conservation officers who found hunters thus breaking the law last season were forced to take them into custody. The law states that hunting guns should be unloaded both in the magazine and in the barrel when placed or carried in or on an automobile.

## PIKE SCARCE IN BIG LAKES OF MICHIGAN

Pike fishing has not been as poor in years on the Muskegon Lake and Muskegon River as during the present season. No one seems to know the reason as for years the lake and river have been a favorite spot for wall-eyes. In similar complaints have been heard in regard to pike fishing in other lakes in Michigan.

When the pike are biting in Muskegon Lake it is not unusual to see 500 fishermen out in boats, especially on Sunday morning. Muskegon Lake connects with Lake Michigan and it is known that netting operations have been carried on an extensive scale for several years. Many nets have been confiscated by conservation officers and officers arrested made. Only a few years ago conservation officers discovered that illegally caught pike were being shipped in large lots to the market in Chicago.

Mr. and Mrs. Gerrit De Weerd, East 28th St., announce the birth of a daughter, Margery Anne, born Oct. 17 at Holland hospital.

Attorney Clarence Lokker of Holland was in Elkhat, Indiana, on business Wednesday.

At Holland hospital four baby girls were born Wednesday, the first arriving at 12:30 a. m. The first child was the daughter of Mr. and Mrs. Joseph Moore, 330 West 16th St. A daughter was born to Mr. and Mrs. Everett Vanden Brink of rural route No. 4 at 4 p. m. At 6:20 the daughter of Mr. and Mrs. Frank Barbin, Jr., 227 West 21st St., arrived. A daughter was born to Mr. and Mrs. Clarence Olin of 710 Park St. St. Joseph, Michigan, at 6:25.

Miss Cora Van Koevring and Mrs. Frank Tebow and son of Chicago spent the first of the week here as guests of their parents, Mr. and Mrs. John Van Koevring. They also attended the funeral of their uncle, Henry Brink, at Holland on Tuesday.—Zeeland Record.

Mrs. Mabel Vanden Berg, executive secretary of the Ottawa County Chapter of American Red Cross, is in receipt of a letter from Cary T. Grayson, chairman of the American Red Cross, which advises that the central committee has appropriated \$100,000 for relief work in China. The money will be used for medical supplies and services. No active campaign will be conducted here for donations but contributions will be received here by Mrs. Vanden Berg and forwarded to the national office.

## Entrance to Holland Harbor As It Appears From "Bald Head"

## Improvement Of Harbor Brings Out Discussion

ADVISE SAND-SUCKER TO PUT SAND AND SILT ON SHORE LINE

Fishermen Were Also Present and are Not Opposed to Building a Harbor

It was a fine gathering of men who extended a hearty welcome Friday evening to Col. W. H. Holcomb of the U. S. War Department, who is stationed at Milwaukee. Mr. Holcomb, who was attending the Great Lakes meet at Grand Haven during the day, an organization to which the city of Holland also belongs, expressed the desire that he, too, would like to visit Holland.

Captain Austin Harrington, hearing of his desire, got in touch with the harbor board of this city, and with the Chamber of Commerce and William M. Connelley, the director, made the arrangements for a dinner at the Tavern, where Mr. Holcomb was given a hearty reception, and this fine gentleman was surely pleased over the welcome he received.

He returned to Milwaukee highly elated, and in his grip he carried away the proverbial wooden shoes, similar to ones other guests have taken home with them. Mr. Connelley made some thorough plans, and was the toastmaster of the evening, a position he always fills with excellent taste, diplomacy, with plenty of delightful repartee.

Landlord Lillard and his able staff had prepared an excellent fish dinner of sea foods, and this, too, was appreciated by the guest, the mayor and city council, the harbor board, officers of the Holland Fish and Game Club, interested manufacturers and businessmen, and some intimate friends.

Mayor Geerlings gave an address of welcome after the repast; then Mr. Connelley called upon the following speakers: Mayor Henry Geerlings; Congressman Carl E. Mappes, Ben Mulder, chairman of the Harbor Board; Captain Austin Harrington; Charles French of the Holland Evening Sentinel; Henry Boersma, of the Holland Furnace Co.; Albert Hyma, supervisor of Holland township; Carl Harrington; George Heneveld, Supervisor of Park Township; Andrew Klompars, Andrew Hyma, Henry Vander Schel, all members of the Harbor Board. Other speakers were S. H. Houtman of the local post office; Joe Kramer, president of the Chamber of Commerce; C. C. Wood, local real estate man; Jacob Lieverse, president of the Holland Fish and Game Club; Joe Rhea, and Cornelius Van Dyke, all belonging to that organization.

It was pleasing to have those Fish and Game men there, since there was a great deal of agitation that water became muddy and "roily" because of this dredging and was harmful to fishing. All these men, however, made it understood very emphatically that they were for harbor improvements first, last and all the time, but they stressed the fact that they would like to have the dredging done in a manner that would cause the least stir-up of the silt and ooze.

It has always been the supposition that the material dredged up should be laden in scows and be pulled out into Lake Michigan, and then dumped instead of dumping the load in deep pockets within Black Lake. Charles Kirchen brought out a very telling point against dumping the silt into Lake Michigan. He stated that the dumping of this silt would pollute all our Lake Michigan bathing beaches, where a million and a half people come annually, and to destroy these bathing beaches would be a real calamity.

Col. Holcomb brought out a point that was very convincing—namely, that the real stirring-up of silt and mud occurs when the dredge scoops up from the bottom several scoopsful in a minute. The dumping of a scow at intervals creates far less "roily" water than does the scooping, and, of course, we all know that the scooping must be done within the harbor, or no turning basin or a wider channel could be created.

There is considerable harbor work to be done here next spring, and hundreds of thousands of dollars are to be spent by the government. In fact, the turning basin will be made 600 feet, which is now 400 feet, and the new channel to the harbor's mouth will be made 200 feet wide. This will accommodate the larger barges that have been coming here with pig-iron, coal, wood pulp, and other freights. Formerly 350- and 400-foot boats entered this port; however, during the past two years several enterders that are 500 feet long, and new dredging projects will not only accommodate these boats for draft, but for length as well. These larger steamers had a great deal of difficulty in turning at the local docks here, and on negotiating the turn more mud and silt was kicked up in an hour than all the stir a dredge would make in a day.

Anyway, when this dredging is completed this port will accommodate all these large freighters easily, and this port will get more of them, knowing that there is a deep and wide channel and a large turning basin in which the boats can be handled without difficulty.

The crux of the entire harbor matter seems to be just what method would be the best to use in order not to stir up the water and at the same time come within reason as to expense. Col. Holcomb made it plain that the government was not so much concerned with method was used, whether that be by scooping it out with a dredge and dumping it, or by sucking it out and depositing it on the shore, making higher land and possibly more land.

This method was used at Douglas when the new highway was built from Saugatuck to Douglas, and this job not only scooped out Kalamazoo Lake at that point, but also gave plenty of new earth to fill the swamp and build the embankments that were necessary to extend the new U. S. 31, together with the building of the viaduct at Douglas.

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

Leech and Stevens, "Ten Nights in a Bar Room" played at Lyceum Opera House, Holland, before a large crowd. The play depicts the evils of rum. Note:—The two outstanding plays that were annual events at this opera house were: "Uncle Tom's Cabin" and the above named play. The opera house stood on the site of the City Mission on East 8th St., and it was the only public building Holland had. It was provided with a small stage and the chairs were of the kitchen variety. It had a small gallery and was used for about one road show a month. It was also utilized for public meetings, caucuses, and political meetings during campaigns. There was a balcony over the entrance, upon which the city band played to attract patrons to what was going on inside. It was burned some thirty years ago.

The old, original Boston ideal Uncle Tom's Cabin Co. is billed for a play at Lyceum Opera House, October 19. They bring their own band and orchestra and there will be plenty of bloodhounds and donkeys present. "Uncle Tom," "Topsy," and "Little Eva" will also be in the parade.

At the Holland Fair, Meyer-Brouwer, R. Kanters & Sons, Singer Sewing Machine Co. and Cappon-Bertsch Leather Co. had the best displays in the Art Hall. Note: Meyer-Brouwer at that time was a partnership of furniture, pictures, wall paper and musical instruments. This partnership was dissolved and James A. Brouwer took the furniture end of the enterprise and continued to do business in a frame building at the old stand. The fine brick building of today is the outgrowth of this enterprise. Mr. Brouwer is still the head and is at his post everyday. Mr. Meyer and son, Albert, toy, the music end and moved across the street. Today Meyer's Music House is in a fine emporium on West Eighth street and Al Meyer and his son, Fred, are conducting the enterprise. The Rokus Kanters & Sons hardware is out of business long ago. It was located in the Kanters block on East Eighth street. The Cappon-Bertsch Leather Company is too well known to need any review.

### TWENTY-FIVE YEARS AGO TODAY

B. L. Scott, prominent lumberman and identified for years with the Scott-Lagers Lumber Co., died at his home at the corner of 19th street and Central ave., of cancer. He was in a Chicago hospital but stated he wished to be taken home before he died. Mr. Scott and his associates had a great deal to do with the building of Holland. Many of the homes were erected by the firm of which he was the head. Note: The firm is still in existence and John Koiker, who has been with the enterprise for nearly 30 years, is now in charge. The remains of Mr. Scott were taken to New York state where he was born.

Neal Ball, champion ball player of Holland, who was released by Cleveland to Boston, has been lucky. He will receive his full share through the winning of the American League pennant by Boston this fall. Note:—Older citizens will remember Neal Ball thirty years ago as Holland's ace ball player, when the local team swept everything before it—even State

could a scoop and dump dredge, since the shore line is so close that placing a sucker-dredge in position to the shore would be comparatively cheap because of the short distance. However, the con-

demum must know that land is available in this purpose, scooping the entire lake where the shore is to be dug and at the turning basin north of the docks at the foot of 8th St.

Col. Holcomb in his discourse did not promise anything that he could not fulfill. His statements were positive and honestly made. He stated that if a government dredge was used of the type of the General Meade and the silt and sand had to be hauled out into Lake Michigan, that not only would it be more expensive to make those long hauls, but progress on the harbor digging would be halted or because of bad weather, or if the dredge could not be hauled out into Lake Michigan, dredging would stop but the expense would go on just the same, amounting to at least \$600 a day.

He stated that by careful estimation this extra cost would not be much less than \$45,000. This would cut down the Holland appropriation just that much and chances are the present appropriation would not be large enough to complete the projects contemplated. A cheaper way, of course, would be to dredge the silt, load it on dump scows, and dump the silt into a large pocket 50 feet deep, which is still available in Black Lake, or rather, Lake Macatawa. Then comes the sand-sucker method, placing the deposits along the shore line, already fully stated.

Mr. Holcomb, although fully aware what Holland and its citizens desire, could give no promise of what method would be used. He stated that this winter bids would be opened for this work from private contractors doing dredging work, and the method used would largely be decided by what the figures in the different bids show. All things being equal, the contractor with the lowest bid, regardless of methods, but bringing the same results, would most likely

Those named by Mayor Geerlings include Jacob Lieverse, president, and S. H. Houtman, vice president, representing the fish and game club, and Aldermen Ben Steffens, Peter Huyser and Jacob Bultman.

If enough of these spots can be found it would appear that the sucker-type of dredge could handle the project more economically than

league teams. When an all-American big league team came to Grand Rapids, the Holland team was selected to battle with them at Reed's Lake. It turned out to be a 10-inning game, with the score 2-1 in favor of the big leaguers, who all admitted they surely had been in a ball game that day—in fact, they were stunned and surprised. Neal Ball was the only one of two baseball players who ever made a triple play unassisted. That was when he was with Cleveland.

The tug-of-war between the freshmen and the sophomores through Black River resulted in a victory to the former. The highlight of the pull was the coaching of Mayor Nicodemus Bosch, who was whooping it up for the "freshies," notwithstanding the fact that his son Leon was on the opposite side, and the success of the freshmen meant that the Mayor's son would be pulled through the river, which is just what happened. Note:—Dr. Leon Bosch is today a prominent physician in Grand Rapids, and the "washout" his father, the Mayor, helped give him didn't dampen his spirits for success. Mr. Bosch comes to Holland often to visit the parental home.

Louis Jalving, living on the Alpena Road, brought into the city a quart of fine, large strawberries. That, in the latter part of October, is surely unusual.

William J. Olive, district manager of the Franklin Life Insurance Co., has paid the widow of B. L. Scott local lumberman, \$4,000 represented in an insurance policy in that company.

### FIFTEEN YEARS AGO TODAY

Fifteen dollars in gold has been awarded to the parents who brought the largest families to the Holland Fair on Thursday. The gold awards were divided as follows: 1st, \$7.50; 2nd, \$5.00; and 3rd, a \$2.50 gold piece. The first prize went to Mr. and Mrs. Albert Klinger, 119 W. 13th St., Holland. They brought 12 children, the oldest 32 and the youngest 13. The father works in the Holland Furnace Co. The second prize went to Mr. and Mrs. Bert Riemersma, R. R. 4, Holland, who brought 11 children, the oldest 23, and the youngest 3. Third prize of \$2.50 went to Mr. and Mrs. M. Poppema, 240 E. 17th St., who brought a family of 10, the oldest 19 years, and the youngest 16 months. Besides the gold the different families were rewarded their admission to the fair, and were given free admission to all the attractions. Note:—It is evident that everyone of these families were Hollanders. Another feature is plain—namely, that a similar contest could not again be staged, since the government has corralled all the gold, and gold pieces are out of circulation since the depression.

Ten chickens were given away at the big trap shoot held at the Holland fair grounds recently. Some very good scores were made. For instance, Dick De Waard led the field with percentage of 100, he scored three chickens. Henry Koop came in second with a score of 96 and received two chickens. Neal De Waard landed third honors with a score of 92, receiving one chicken. Four more chickens were awarded to Roy Wiese, 84; Henry Van Eyck, 80; Vance Mape, 72; and Sam Althuis, 68. Dick Van Tatenhove had a 60 score and Carl Bigge, 52.

Miss Ruth Keppel and Mr. and Mrs. A. C. Keppel have returned to Holland from Traverse City, where they were the guests of Mrs. William Votruba and Mrs. Clarence Samuelson for a few days. The latter are both daughters of Mr. and Mrs. Keppel. "Music of the Netherlands" was a lecture presented to the Traverse City Women's Club by Miss Keppel during her stay there.

Only a handful of feathers was left to Fred Oldemulders, West 21st St. today as proof that he had shot a pheasant at a recent hunt. Mr. Gerrit Schutzen of Graafschap accompanied Mr. Oldemulders. The latter thought he had shot two cock pheasants. However, when he opened the door, he found one of the birds seated on the back seat. He made a dive for the bird, but procured only a handful of feathers. The bird flew out of the open door.

The season's first social meeting of the Holland society for the Hand of Hearing was held Wednesday night at the home of Mrs. Gerrit A. Vos, 8 West 17th street, with 21 members present. The society is contemplating purchasing a group hearing device, which will enable all to hear lectures and musical numbers. Refreshments were served and informal games played. Lip reading classes are scheduled to be held Tuesday and Friday evenings starting Oct. 26, in Holland high school.

Van Raalte PTA met last Tuesday evening in the Van Raalte Building. About 90 members were present and partook of the refreshments served by Mrs. Gerrit Scholten and committee, and attended the program, which featured a talk on the hobby of collecting rocks, petrified wood, and fossils by Sid Spanstra of Grand Rapids. Group singing was directed by C. J. De Koster, who also led in prayer. Several selections were sung by the high school girls' sextet. A piano solo by Miss Marjorie Steketee, and two readings by Miss Vivian Tardiff were also included in the program.

Miss Johanna Witteveen, daughter of Mr. and Mrs. Oscar Witteveen of Hardevyk, became the bride of Benjamin Wolters, son of Mr. and Mrs. John Wolters, 11 E. 15th St. Tuesday evening in a ceremony solemnized at the parsonage of the Sixteenth St. Christian Reformed church. The Rev. Peter Jonker officiated. Miss Gertrude Wolters, sister of the groom, and Henry Witteveen, brother of the bride, were attendants. The couple will reside at 82 East 14th St.

Mrs. Elizabeth Bouwman and children of Holland and Mrs. N. E. Lanning and baby of Grand Rapids called on Mrs. M. Van Spyker at her home on S. Elm St., Zeeland, Thursday.

## Cemetery Ass'n's Of Michigan To Hold Meet Here

CONVENTION OCCURS NEXT MONDAY WITH 50 DELEGATES PRESENT

The State Convention of the American Cemetery Owners Association, a national organization, will hold its convention in Holland next week Monday, October 25. It is stated that at least 50 delegates will be present and several more will come with the delegates. Headquarters are to be in Warm Friend Tavern, and the business meetings are to be held in the ballroom on the 6th floor of the Tavern. Mayor Henry Geerlings is to give an address of welcome at the opening session at 10:00 Monday morning.

There will be considerable business transacted at this morning meeting. Subjects will be business management of cemetery associations, landscaping, permanent maintenance, and kindred subjects as this relates to memorial parks of this type. This association embraces cemeteries such as Holland's Restlawn Cemetery, patterned after Forest Lawn in California. There is a large grouping of these cemeteries throughout the nation, and an association of members of the various cemeteries of this type come under the head of the American Cemetery Owners Association. Michigan's auxiliary organization is the one to meet in Holland.

Charles Van Zyl, president of Restlawn, will also give an address of welcome after Mayor Geerlings, who invites them to accept the hospitality of our city. Judge Weston, Detroit, who is president of Michigan Memorial Park Association, will be one of the speakers on the program.

At 11:30 a motorcade of automobiles will take the delegates, their wives, and others, to Restlawn Cemetery, East of the city, for inspection. During the noon hour luncheon will be prepared in the large dining hall at Warm Friend Tavern.

The local organization is preparing a program that will be a feature during the luncheon hour. Dr. William Westra, one of the officials of Restlawn, has promised to have a bevy of "klompen-dancing" maidens give these pleasing features, so popular during the Tulip Festival. This will be largely new to the outside delegates and undoubtedly they will be elated when they see that part of the program.

The singing tower at Restlawn is nearly completed. Mr. Van Zyl states, and will be entirely finished and the scaffolding taken away by Armistice Day, November 11. It is expected that the local association will then put on a program and invite everyone to inspect not only the tower, but the memorial park. Former Alderman, Neil De Cook, and sons, are the builders, and Mr. Van Zyl says that the tower is one of the most imposing east of the Mississippi River.

Miss Ruth Keppel and Mr. and Mrs. A. C. Keppel have returned to Holland from Traverse City, where they were the guests of Mrs. William Votruba and Mrs. Clarence Samuelson for a few days. The latter are both daughters of Mr. and Mrs. Keppel. "Music of the Netherlands" was a lecture presented to the Traverse City Women's Club by Miss Keppel during her stay there.

## IMPORTANT MATTERS IN THIS ISSUE

In this issue of the Holland City News there appears a complete annual statement of the expenditures in all departments of the City of Holland. It occupies more than two pages and readers have the privilege of scanning these figures on Holland's expenditures, indebtedness, special assessments, and those matters that concern this city's financial set-up. It is a good copy to save, and anyone wanting an extra copy can obtain them either at the City Clerk's office or at the Holland City News office without charge.

## TWO CONFESSED ROBBERS SENTENCED IN ALLEGAN

Two confessed armed robbers were sentenced here Wednesday by Circuit Judge Fred T. Miles. They robbed LaVerne Newton, Plainville watchman, of \$20 Oct. 3, and must each serve terms of 7½ to 15 years in Jackson prison. They are John W. DeGroot, 24, and Louis F. Papineau, 27, who were caught in Grand Rapids Monday when Newton recognized them on the street.

## ARTIST ENTERTAINS MEMBERS OF LITERARY CLUB

Thelma Jensen, talented young Chicago soprano, entertained a large gathering of members and friends at the Woman's Literary Club Tuesday afternoon. Adrienne Cooper, also of Chicago, was her accompanist.

English, French, Italian, and German songs were presented by the singer. According to word released by Mrs. Kenneth V. DePre, club president, Miss Jensen has been offered a role by the Chicago Opera Co. for the current season. Arrangements for the tea served to 250 members and guests, were made by Mrs. E. P. McLean and Mrs. C. H. McBride. Gay autumn leaves were used as table decorations.

## REV. GREENWAY ASKED TO CONDUCT MEETINGS AT CHURCH IN HOLLAND

Rev. Leonard Greenway has been invited to conduct a series of inspirational services at the Trinity Reformed church in Holland. The services will be held on four consecutive Thursday evenings beginning next week.

## LOCAL PARK AND OVAL THIRD IN STATE WITH 1,291,000 VISITORS THIS SUMMER

Counting 323,000 visitors to its woodland reaches during the past summer, Muskegon state park was shown in a report made public at Lansing to have played a prominent part in Greater Muskegon's increased tourist and resort business for 1937. The rise in attendance was 32,000 persons more than visited the park in 1936, a factor due principally to enlarged parking and camping facilities, state officials believe. Similar development in all Michigan state parks, the announcement said, contributed to a combined increase of nearly three-quarters of a million more persons visiting Michigan recreation centers than during the previous year.

Holland state park, with an increase of more than 300,000 visitors to a total of 1,291,000 by mid-September, led all other state parks in percentage of gain and park authorities attribute much of it to the improvements made there in parking convenience.

Grand Haven state park showed the largest attendance with a total of 1,744,000 by Sept. 18, the last date to which figures have been compiled. This represents an increase over last year of 95,000. Bay City park gained 36,000 to a total of 1,536,000 during the same period to rank third highest. Muskegon's record placed it in fourth place, while East Tawas park was visited by 232,000 persons or 38,000 more than a year ago.

The total attendance for all of the parks up to Sept. 18, was 9,318,141 compared with 8,995,995 at the same time in 1936.

Lack of funds may prevent any further improvements of a major extent at Holland state park, next year, it was pointed out here yesterday by Walter J. Kingcott of Lansing, superintendent of state parks.

Mr. Kingcott, who came here to survey sanitary conditions at the oval, said, however, that plans are being made to increase the electrical service to provide additional outlets for trailers. The entire wiring service may be altered, he said.

"The people today want all the latest convenience while on camping trips," he explained, "even though about two-thirds of the campers still use tents." A large addition was made to the state park in time for the 1937 season, but it was so constantly in use that few realized its extent. William M. Connelley, Chamber of Commerce manager, said in discussing with Mr. Kingcott the increase in attendance at the park this year.

The Adult Bible class of Bethel Church held its annual business meeting Wednesday evening. P. Wierda, president of the class, took charge of the meeting which opened with prayer by the Rev. C. A. Stoppels, pastor of the church. Newly-elected officers followed: president, J. De Groot; secretary, Mrs. E. Gerritsen; treasurer, Mrs. H. Sprick; and assistant secretary, treasurer, Mrs. P. Roelofs.

Mr. and Mrs. Peter O. Kramer left Saturday morning for Florida, accompanied by Miss Clyde Pillham, who will attend the Ringling School of Art in Sarasota. Sarasota is the winter quarters for the great Ringling-Barnum and Bailey Circus. Mr. Kramer for many years was a Holland mailman.

## "From Natural Causes"

\*\*\*

The findings of the experts who investigated the Hindenburg disaster at Lakehurst, and who have just made their informal report in Munich, make no reference to any of the early suggestions of sabotage, which clearly they consider without substance.

They say that the tragedy was the result of a coincidence of five factors, none of which would have been fatal had it been present without the others.

There was an accumulation of inflammable gas in the rear part of the ship. Rain had dampened the stern of the vessel in particular. When about to land, the dirigible presented an especially large surface to the rain. The storm modified suddenly and considerably the ship's incline. The rain dampened the mooring mast, made it a good conductor, and probably lightning did the rest.

In short, the experts conclude that the explosion was the result of a combination of natural causes hard to foresee, and, in the considerable part, extremely difficult to prevent.

And that probably is all the world ever will know about what happened to the greatest of all Zeppelins in a few fatal seconds late one May afternoon.

## People Like to Sing

\*\*\*

Interviewed on the subject of his success in getting movie theater audiences to join in community singing, a well-known band leader said that he believes people like to sing in large groups. He thinks everyone has "a bit of the performer in him."

Any wife who has listened to the whistlings and warblings of her husband in the shower or at his shaving mirror of a morning will agree with this observation. Others who will find it sound are

those who like to join in the hymn-singing at church.

Timid souls, who know their voices will never get them grand opera contracts, will try a tune when they are alone, or when their possible sour notes will go unheeded in a chorus of amateurs.

An army may travel on its stomach, but it also marches on its vocal chords. In that case community singing is a definite factor in keeping up morale. Right now, according to reports, new battle songs are being written in China.

Even in their native temples the Chinese are confidently singing of their "war of resistance," which is to protect their territorial integrity and their national existence.

The degree of music in the average soul may not be great. Yet there is real satisfaction in getting the music out of one's system, especially under cover of a crowd.

## LOOK FOR OUTSTANDING PROGRAM AT CITY MISSION

Revival services will be held in the Holland City Mission beginning Monday, October 25 through Saturday, October 30. The Rev. McCoy Bynum will present the main address of the evening services, and various ministers, representing the different denominations in Holland, will have charge of the devotions. The meetings are held under the auspices of the Young People's Fellowship Club of Holland.

Songs will be sung and inspirational special music will be rendered at each meeting. The meetings will start promptly at 7:30 p. m., and the public is invited to attend. On Tuesday evening, Oct. 26th, the Gospel Ensemble of Grand Rapids will be present to render the gospel in song and testimony. The Ensemble is composed of men and women who have banded together under one leader and under one cause, to propagate the gospel through song and testimony. The group has been in Holland previously, and has been well-received.

The Rev. McCoy Bynum is an enthusiastic worker among young people, and is an evangelist from Alabama. At present, he is field-secretary of the Young People's Fellowship Clubs of Michigan. His wife will also be present, and will render several readings with all the charm which only a southern voice can master.

Mrs. John E. Telling of Sunset Terrace has left for Chicago to spend a few days.

A son was born Monday in Holland hospital to Mr. and Mrs. William Nyboer, 140 West 16th St.

Holland Men  
Appointed by  
SupervisorsAllocation to Care for Relief  
Regardless of State Measure

Ottawa county will collect its entire five mill tax allocation for 1938, providing \$204,826.20 at an equalized valuation of \$40,965,241. This amount is believed sufficient to finance county operations including welfare regardless of whether the proposed referendum on the new state welfare setup goes through or not.

The session adjourned to Nov. 2 when the work of making up the budget will be undertaken after the issue of the referendum is decided. The final day for filing petitions for a referendum on the tax setup is Oct. 29. The proposal to collect the entire tax allocation was offered by Mayor Henry Geerlings of Holland and carried 14 to 9. Opposing supervisors wished to wait until the session reopened and spread the amount actually needed.

Gerrit Zaagman of Grand Haven was reelected superintendent of the poor for a three year term. Other poor commissioners are Simon Klein of Holland and John Lubben of Coopersville. Martin Bauma of Lamont was elected school examiner for the unexpired term of Charles Veldhuis, formerly of Coopersville, who has moved from the county. He will hold office until October, 1938. Titus Pluis of Zeeland township was reelected school examiner for the two year term.

The poor commissioner's report was adopted except the portion asking \$5,000 for operation and maintenance of the infirmary and other functions of the commission. The appropriation is to await the making up of the budget.

The report of the committee of agriculture that Leo R. Arnold and Mrs. Grace Vander Kolk be continued as agricultural agent and home demonstration agent respectively, was adopted and \$50 was voted for 4-H club attendance at the national stock judging contest in Chicago this year. This will defray the expense of having the lads go.

The board appropriated \$300 to the Berlin fair association and \$200 to the Hudsonville fair association, the money in both cases to be used to pay premiums. It is understood there is to be no money gambling at the Berlin fair, otherwise no more grants.

JACOB SCHAAP, RESIDENT OF HOLLAND, PASSES AT 53 YEARS

Funeral services for Jacob Schaap 53, who died at his home, 743 State Street at 6:00 p. m. Tuesday, following a liver ailment, will be held Friday at 2:30 p. m. at the Schaap residence, the Rev. A. H. Herckenrath officiating. Mr. Schaap, affiliated with the Elm Valley Milk Co., has been in the retail milk business in Holland for the past 34 years.

The passing of Mr. Schaap marked the passing of the first milkman in Holland to adopt milk pasteurization processes and bottle milk in the modern manner. Mr. Schaap was a native of Fillmore township, Allegan County, where he was born July 27, 1884, to Mr. and Mrs. Otto J. Schaap.

Mr. Schaap, John Jipping, Art Schaap, John Schaap, and Ed Helder established the Elm Valley Milk Co. in 1922. Reukus Ryngaert and Henry Grotenhuis later bought out the interests of Ed Helder and John Schaap. The trusteeship of the company was held by Mr. Schaap from the organization of the company to the present.

The widow, one daughter, Mrs. Russell Looman of Zeeland; four sons, Marvin of Cornelia, Ga.; Donald and Harold of Holland, and Jay Irwin at home; three sisters, Mrs. Reukus Ryngaert of Holland, and Mrs. Michmerhuizen of Holland, and Mrs. John Geerlings of Hoppers, Iowa; a sister-in-law, Mrs. Johanna Schaap of this city; four brothers, John and William of East Holland, and three grandchildren survive.

Pall bearers are Henry Grotenhuis, John Jipping, Albert Klomparens, John Barenan, James Barenan and Benjamin Speet, all business associates.

Hudsonville won from Martin, Allegan Co., 13 to 7. Line plunges led to the local victory while Martin scored its only tally on a pass. Vander Molen and Nyevenhuis scored the touchdowns for Hudsonville. Dijkstra's line plunging featured. William and Young stood out for Martin.

## Hope's 1937 Pull Thru Black River

Betty Van Putten, wearing sophomore insignia, is shown aiding David De Pree and Allison Vandenburg. Anxious spectators can be seen cheering the boys on to their ultimate victory.

—Hope College Anchor  
"Pot, Frosh!" the victorious sophomores shout at the freshmen whose ego was deflated at the annual pull last Friday afternoon in the Black River, and the latter are now obliged to cede to the command. The pull lasted about an hour and a half, but the actual continuous pulling took twenty-two minutes.

Class spirit was high due to the sundry inter-class activities which had occurred the previous day. The north side of the river was quite obviously the freshman side because of the profusion of their traditional green. Orange, the sophomore color, predominated on the south side of the river.

Jack Schouten, physical director, and Andy Vollink, Student Council president, supervised the pull, while Phil Abell and Mart Timmer acted as coaches for the sophomore and freshman classes, respectively.

The pull began at approximately four o'clock at the sound of a whistle. The fellows were allowed five minutes to dig a hole wherein they could brace themselves. After a few minutes' rest, the pull was in progress. Both sides were reluctant to exert their team at the beginning and thus become exhausted too soon. The freshman and sophomore girls fed the teams sugar, chocolate, and lemon, the

latter to quench the fellows' thirst. The frosh had a slight advantage at the beginning, but when the actual tug of war started the sophomores had the greatest endurance and with a steady heaving, they finally managed to drag the weary frosh team through the cold, muddy river. Both teams were completely worn out.

The reason for the record time in Friday's pull was due to the newly revised tug o' war rules. In these new regulations pulling was done in spasms with timely rest periods in which any previous gain was lost. After an hour of this prolonged pulling the original rules of the tug o' war were put back into effect, and then for about 20 minutes the fans were treated to some pulling based on brawn instead of brain. After this episode it is most likely that future tugs will be held in this manner.

The sophomores rode home in glory, shouting and waving at the defeated frosh from their highly decorated cars and truck. Eighth Street was congested with honking cars and gay collegiates within a few minutes after the pull. The fellows rushed to the dorm to drag the pull rope through the building but the efforts were unsuccessful due to the precautions of Miss Lichty and the freshman girls, who had hastily locked the doors.

MOVIE GUEEN SUCCESSFUL  
LAST NIGHT; WILL REPEAT  
TONIGHT, FRIDAY

The Lion's Club Benefit show, "Movie Queen" was presented to a large audience Thursday evening in the Masonic Temple. The actors did the parts with great skill and the local movies were enjoyed by everyone. "Movie Queen" offers the greatest variety of entertainment possible—a moving picture, stage show, style show and dancing choruses.

The story of the show is that of little Mary Brown from Holland who is unwittingly shipwrecked to fame and the coveted title of movie queen by her press agent and producers. The stage show gives the highlights of her Hollywood experience and at the end finds her about to go on a vacation with her new friends—of course, her vacation is to be in Holland. The movies show her experience pictures, a shopping tour of the city, school pictures, gangster scenes and of course, the final love scene with a close-up which would compare favorably with topnotchers in the movies. Jerry Houting was exceptionally good as the announcer.

The cast of the stage show features 60 local people. James Botter was particularly good as Jimmy Cain, press agent and leading man in the show. He is ably supported by Miss Carmie Coster, as Mary Brown, the movie queen. The cast was given in full in last week's News.

## Comedy

Robert Evans as Mr. Goldstein of Goldstein, Goldstein and Goldstein, Inc., and Lem Harris, as Monsieur Flowers, the effeminate dress designer, vied for first honors in comedy. Mr. Evans is especially well cast in his role and Mr. Harris with his dangleing lavender handkerchief never failed to get a laugh at his every entrance. Madame Ma Brownski got her share of laughs as the little town busybody, who finally ran all Hollywood. Corrine Baker as the glamorous Marlena Starbo "out-Garboed" Garbo and deserves special commendation in her excellent portrayal of her role.

## Dancing Choruses

The dancing choruses were also well received. With two week's rehearsal, local high school girls put on a performance which was practically professional. The military tap was especially flashy and colorful using 16 girls in one line.

## Style Show

Jean's Shoppe sponsored the lovely style show, in which some sixteen gowns and wraps were modeled. Both the manikins and merchandise shown were exceptionally beautiful. The style show offers an excellent opportunity for viewing what the well-dressed lady is wearing this fall.

## "Movie Queen" will be repeated

again tonight at 8:15 p. m. in the Masonic Temple. It is being sponsored by the Lion's Club, the funds being used for the benefit of the blind.

SCARLET FEVER CASES  
WATCHED IN OTTAWA

Ottawa county health authorities are watching four new cases of scarlet fever, reported from Allendale and Jamestown, to prevent spread of the disease. Dr. Ralph Ten Have, health commissioner, said there was no cause for immediate alarm.

WHO IS OUT OF WORK?  
UNCLE SAM WANTS  
TO KNOW

Mayor Henry Geerlings Monday announced a committee to cooperate with the federal government in conducting Holland's part in the national census of the unemployed and partly employed.

The committee is composed of Jacob Bultman, John Elenbaas, John Van Tatenhove, Jacob Frys, C. A. French, Ben Mulder, E. E. Fell, the Rev. William Van't Hof, the Rev. Lambertus Van Laar, the Rev. W. G. Flowerday, Mrs. Kenneth De Pree, Major Clare Edwards, Miss Alma Koertje, Miss Deborah Veneklaasen, Mrs. Mabel Vandenberg, E. P. Slotter and Postmaster L. J. Vanderburg.

The committee includes representatives of common council, war veterans groups, merchants, publishers, schools, churches, welfare groups and women's organizations. "Congress has decreed and President Roosevelt has outlined a plan for taking a national census of the unemployed and partly unemployed," Mayor Geerlings said.

"This census, calculated to give a quick and adequate picture of unemployment conditions in the United States will be conducted through the facilities of the Post Office department by the distribution of blanks to all the thirty-million American men between Nov. 16 and 17. The unemployed and partly unemployed are expected to fill out these blanks and return them to their local postmasters by midnight of Nov. 20, after which the Post Office representatives will conduct further checks to eliminate duplication. "I have been asked to appoint a committee to cooperate with the government. An accurate picture of unemployment conditions is desired and I am making an appeal to our citizens to cooperate in the undertaking."

The committee is scheduled to select its own force of assistants for the census, Mayor Geerlings explained. However, details of the canvass will not be determined until receipt of additional information from Washington. This is expected here in the next few days.

POLICE DEPARTMENT DOES  
MUCH IMPORTANT WORK  
AT MEETING

Upon report of Commissioner Andrew Hyma to the board of police and fire commissioners last Monday evening, at a regular session, that Harold Yonker had told him that the police department did not allow him to place another in front of his drug store on West Eighth St. the Holland police department will in the future inspect all signs and advise as to the security of their fastenings.

If Mr. Yonker's request would be granted, it developed, a city ordinance would be violated, which holds signs to a certain size and place. Fire Chief Cornelius Blom was empowered to carry on inspection of signs and to act in the matter, if necessary, upon motion of Commissioner Hyma. He was informed, however, that the matter came under the jurisdiction of the police department, after which he withdrew his motion.

Commissioner Cornelius Steketee informed the board that Dr. Hodgen of Grand Rapids had been consulted in regard to the condition of the knee of Lieut. Ben Kalkman recently injured. Dr. Hodgen placed a cast on Mr. Kalkman's leg. Slight improvement is noticeable.

A communication from common council was read by City Clerk Oscar Peterson which requested the police department to order weighing of coal trucks at random to determine correct weights. New built-proof glass was ordered installed in the new police car. Justice of Peace John Galien announced collection of fees amounting to \$22.90 for the month of September.

GOLDEN ANNIVERSARY OF  
STAR OF BETHLEHEM

Wednesday night, Oct. 27, will feature the golden anniversary celebration of the Star of Bethlehem Chapter, No. 40, Order of Eastern Star, at the Woman's Literary Club building. Associate matron, Mrs. Dorothy Yelton, Mrs. Mary Hansen, Mrs. Grace Morris, and Mrs. Louella White comprise the local committee. Chapters of Ottawa County, Muskegon, and Kalamazoo will be invited to the celebration. A banquet will precede the evening program, at which Mrs. Stella Clark of Chicago and Frank Oosting of Holland will receive life memberships in the organization.

## MRS. SARAH E. BYRNS' RITES MONDAY

Mrs. Sarah Elisha Byrns, 92, resident of Holland for about the past 40 years, died at her home at 519 West 16th st., Friday night. She was the widow of the man who built Byrns' parlors for the First Methodist church.

The body was taken to Appleton, Wis., for burial Monday. She is survived by a brother, H. P. Ming of Moscow, Ida.; a sister-in-law, Mrs. Abbie Ming of Holland; and a very close friend, Mrs. Maud Bowen of Grand Rapids, who lived with her.

Arrested about 7:30 P. M. Monday, after having been found in an alleged intoxicated condition on Central Ave. by police, Frank Aquilar, 35, paid fine and costs of \$10 Tuesday, after pleading guilty to charges of disorderly conduct before Justice of Peace, Raymond L. Smith. Aquilar had been employed as farm hand in Fillmore township, Allegan county.

An automobile fire at 12th St. and Columbia Ave., at 1:20 p. m. Tuesday, brought out the Holland fire department. The fire had been extinguished when firemen arrived.

Mrs. Henry E. Van Kampen, 69, died at 9:30 a. m. on Tuesday, following an illness of four months. The husband; a daughter, Mrs. John Vos of Woodland Park, Colo.; a son, Andrew Hekkers of Colorado Springs, Colo.; four grandchildren; and two sisters, Mrs. Jennie Carson of Holland, and Mrs. Nellie Boone of Lakewood Blvd., survive. Funeral services were delayed pending word from Colorado relatives.

Dr. and Mrs. Wynand Wichers and Dr. and Mrs. S. C. Netting attended the 100th anniversary commemoration service Sunday at Fairview Reformed Church, Fairview, Illinois. This church is the oldest Reformed church west of the Alleghenies. Dr. Wichers preached at the morning service and Dr. Netting at the evening service. Rev. Victor Maxam, former pastor of Third Reformed Church of this city, is pastor of the Fairview church. Dr. Netting also preached at the morning service at the Raritan, Illinois, Reformed Church, where Rev. John Den Ouden, a Western Seminary graduate last May, is pastor.

The party composed of Mr. and Mrs. Louis Van Appledorn of rural route No. 5, and Mr. and Mrs. Henry Meeuwse of Virginia Park, has returned to Holland after a two-week motor trip through the West. While in New Mexico, Mr. Van Appledorn and Mr. Meeuwse visited the hospital of the Rehoboth mission, which has been established at Rehoboth for the Navajo Indians by the Christian Reformed Church of America. Numerous interesting adventures were recounted by the party after their return.

At a meeting of society superintendents and presidents Monday night at Sixth Reformed church, Peter Bol was named general supervisor of Intermediate Christian Endeavor work. Mr. Bol, George Steggers, and Miss Ella Brink were appointed as a committee to draw up a new constitution by Nov. 7.

Contract for the new boiler at the Fifth St. power plant was awarded to the Wicks Boiler Co. of Saginaw for \$28,612 at a regular meeting last Monday night of the board of public works. The contract calls for delivery in 85 days. The boiler will be of 585 horsepower capacity. Contract for the installation of the stoker has not as yet been made.

Lois Van Paasen, daughter of Mr. and Mrs. Herman Van Paasen of 227 W. 20th St., was married Monday evening to Clarence W. Bouman by Rev. L. Van Laar, pastor of Prospect Park Christian Reformed Church. After a brief trip, the couple will be at home at 646 Michigan Ave. Mr. Bouman is employed in the local office of the Armour Leather Co.

Six persons were fined for traffic violations in the city during the past week. Harold Borr, Franklin Wolf, and Walter Scheibach were fined \$5 each for speeding; Edward Ham was assessed a \$3 fine for failure to stop for a through street. R. B. Bultman and Robert Cole each paid \$3, the former for having no driver's license, and the latter for parking with motor running.

A very pretty wedding took place in Milwaukee when Geneva Houting, daughter of Mr. and Mrs. John Houting, formerly of Holland, was wedded to Mr. Milton Shaefer, son of Mrs. Elsa Shaefer, also of Milwaukee. The service was read by Rev. Richard Vanderluis, pastor of the First Reformed Church, after which a dinner and a reception was given at the Ambassador hotel. Those from Holland who attended the nuptials were: Mr. and Mrs. Murvel Houting, Mr. and Mrs. Jerry Houting, Mr. and Mrs. James De Koster, Mr. and Mrs. Peter De Kraker, Mr. and Mrs. Egbert Gerretsen, Mrs. John Berkompas, Miss Jean Houting, Miss Lois De Koster, Miss Marie Lemmen, Miss Helen Van Koor, and Mr. Harvey Zoel. Mr. and Mrs. Shaefer have left on a wedding trip to Florida after which they will make their home in Milwaukee.

Faculty Wives Club of Hope College held its first meeting of the year at the home of Mrs. Don Zwemer, 323 E. 13th St., last Monday afternoon. The group was entertained at tea by Mrs. Zwemer and Mrs. Roland Shackson.

Parents, teachers and all others interested in teen-age boys and girls are invited to attend these meetings at 2:00 P. M. at the Ganges M. E. Church and at 8:00 P. M. at the Griswold Auditorium, Allegan. The aim of this discussion, "The Adolescent and His Companions," is to help boys and girls make happier adjustments in growing up. November 16, January 18 and March 22 are the dates announced by Mary E. Bullis, Home Extension Agent, for later meetings of this series.

The Girls' Society of the First Chr. Ref. Church, Zeeland, entertained with a shower for Mrs. Wm. Machiels and Mrs. Elmer Plaggenmars, two recent brides, at the Plaggenmars home in Holland, Tuesday evening. The young brides were each presented with a gift.

## JOHN FRIS OF ZEELAND SELLS HIS BUSINESS

John Fris, a former Holland man, sold his "variety store" in Zeeland to Edgar Vaughan of Pontiac. Mr. Fris, who has been one of the principal business men there, is now retiring from the merchandising interests of that community after operating the place as a "Nickel and Dime Store" the past thirty-four years, and many regrets are expressed because of his retirement from Zeeland business circles. He has accepted the position as salesman for a woolen goods company in Milwaukee. He will retain his home in Zeeland, but his work will keep him away a great deal of the time.

Mr. Vaughan expects to completely overhaul the entire place and he will add a large new line of merchandising goods ranging in price from 5 cents to \$1.00, making a complete and up-to-date variety store. Besides this, Mr. Vaughan will continue at the old stand, but there will be considerable remodeling of the building. Mr. Benjamin Van Eenennaam, the owner of the building, is now installing a modern new front in it and the interior will be completely redecorated to brighten up the premises.

Mr. Vaughan, the new proprietor, will move his family to Zeeland in the near future and will make his home in the residence now occupied by Mr. Harmon Den Herder on East Central Ave. Mr. and Mrs. Vaughan have three children, Edgar, Charles, and William. Mr. John Fris, when his father was living, was associated with him in the Zeeland news stand in Holland years ago. Today his brother, Jacob Fris, is proprietor of Fris Book Store on West 8th St.

LARGE CROWDS GATHER TO TAKE IN THE SPECIAL FEATURES STAGED THREE DAYS

(Zeeland Record)

The Zeeland Home-coming and Fall Festival again is history for Zeeland, the festivities closing at a late hour on last Friday evening. As usual, the sponsors are highly satisfied with the results, which indicate that similar festivals will be held in the future. In spite of the advanced season, the weather turned out to be quite ideal for the purpose, and the visitors responded liberally during the three days set aside as festival days. Especially was there a large crowd on Friday, the last evening, Friday, rolling up the largest estimated attendance, which was variously placed up to five thousand.

Among the principal features of the home-coming were the parades staged immediately following the noon-day hour, when soon the streets were lined with spectators along the line of march. The first two days the parade comprised the industrial and commercial forces, and other features, and the final day was devoted to the public schools parade, which was unique and probably the most interesting. Special recognition should be given the high school band, which under the direction of Mr. Carl Senob rendered excellent performance on each of the three days of parade showing.

According to reports the concessionists were well pleased with the results of the three days, and the venture was financially self-sustaining.

Another of the strong features of the event was the amateur hour contest staged on Friday evening, which was participated in by a number of local young folks, at which many awards were made. Special recognition should be given to the Holland high school band for its fine appearance and performance during Thursday's parade, as well as the Grandville Drum Corps. Both rendered excellent service and are worthy of special thanks by the citizens of Zeeland.

## OLD PIONEER PASSES AT EIGHTY YEARS

Death came Wednesday morning for Albert Bloemers, 80, who has resided in Holland all his life. His whole life had been spent on his farm on rural route No. 3, east 16th St. Mr. Bloemers was the only son of Mr. and Mrs. John Derk Bloemers, who came with Van Raalte in 1847. Mr. Bloemers was married in 1880 in the Ebenezer Reformed Church, to the former Teuntje Schaap, the late Dr. Henry Dosker officiating.

Three sons, Chris Bloemers of Ottawa Station, Jacob Bloemers of West Olive, and Dr. John D. Bloemers of South St. Paul, Minnesota; Mrs. Herbert Van Den Berg, a daughter, 15 grandchildren, and five great grandchildren survive. Pall bearers at the funeral service, which will be held Saturday at 2:00 p. m. at the home, with the Rev. N. J. Monsma of Ninth Street Christian Reformed Church officiating, will be six grandsons of the deceased: Paul, Phillip, Herbert, Albert and William Bloemers, and Albert Baumann. Dykstra Funeral Home was in charge of the funeral with burial in Fairlawn cemetery.

## OVERISEL

The Mission Circle of the Reformed Church will sponsor an Evening Program, Oct. 27, at 8:00 p. m. Mr. and Mrs. De Valois from Katpadi, India, will speak and show slides, picturing their work. Music, both vocal and instrumental, will be furnished by Mr. and Mrs. J. Barckel of Zeeland. Collection will be taken for Missions. Everybody welcome!

Born to Mr. and Mrs. Glenn Nykerk at Drayton Plains, a daughter, named Carolyn Jay, on Oct. 18.

Women's Missionary Society was held Thursday afternoon. Rev. H. W. Pyle had charge of this meeting.

The choir meets at the home of Mrs. H. W. Pyle, who is the director, this Friday evening.

Some men of the church will hold a huckling party for John Bronkhorst in the near future. They have also cut his corn.

Mr. and Mrs. Velds of South Holland, Illinois, spent the week end at the Koopman home.

The children of Mr. J. H. Koopman, one of our honored citizens, held open house for him in honor of his 80th birthday last week Thursday. In the afternoon many of his intimate friends and neighbors came to bring their congratulations and in the evening the brothers and sisters came. The day proved to be a very happy one. For his age Mr. Koopman is still enjoying good health.

The Men's Adult Sunday School Class of the Reformed Church, together with their wives, spent last week Friday evening with their fellow class member, Mr. George Pieters, who has been confined to his home for the past few years. The time was pleasantly spent and refreshments were served. The class presented Mr. Pieters with an electric shaving outfit. In the near future they expect to hold a corn-husking bee at his place.

Jay H. Den Herder returned from Erie, Pa., Tuesday morning, where he attended the funeral of his father-in-law. Mrs. Den Herder remained in Erie and is visiting there with her sister, Miss Faith McCormick.

## NEW CELERY HOUSE BEING BUILT ON 1500-ACRE TODD FARM

A new celery house is being built on the site of the building that was destroyed by fire recently. It is cross-shaped, with total length of 74 feet and width of 68 feet, the ends of the extensions being 36 feet, each with a 20-foot driveway. The building is of cement block construction, the work being done by Cecil Rosenow and the electric wiring by Ed Nickerson. It is expected to be ready in three weeks.

## Destroy Sex When Dressing Game in the Woods

Do not dress out pheasants, squirrels, rabbits or other small game until you get home! That is the advice conservation officers throughout the state are instructed to pass to small game hunters this month. The game laws expressly forbid sportsmen to clean their game in the field in such a way as to prevent proper identification of sex or species.

Conservation authorities say that the violation of the section of the law forbidding this type of offense has been common during past hunting seasons. On being arrested, the violator usually insisted he was not acquainted with the law and that he was innocent of intent to violate.

## Did Ringneck Follow Dog?

Mr. and Mrs. Russell DeWitt of Lansing are wondering if there isn't some kind of affinity between their little spaniel, "Toddy," and ringnecked pheasants. The dog was taken on a training trip recently and helped flush 20 pheasants. When his owners brought him back to the city they were surprised to find a wild hen pheasant strutting around in the dogs pen. The pheasant later flew away.

Mr. and Mrs. C. Windemulder and Mr. and Mrs. Kammeraad of Holland were guests of Mr. and Mrs. Wm. Wetherbee, Thursday, at their home on W. Washington St., Zeeland.

Improvement Of Harbor Brings Out Discussion

(Continued from page 1)

be the bidder to get the contract. Mr. Holcomb stated his case clearly; he wanted to do what Holland desired to have him do; but he did not step beyond his province, but the entire audience was pleased because of the way he approached his subject and the concise and clear way in which he explained all the ramifications of this harbor improvement. It surely was a harmonious gathering, where petty differences played no part, and this in a large measure was because of Col. Holcomb's fine personality and the honest way in which he explained the subject in hand.

For the information of those present Congressman Carl Mapes told about the allotment that is coming to Holland for these improvements. Mr. Mapes said that on July 1, 1937, there was on hand for this harbor an unexpended balance of \$159,684.51, including \$156,500 allotment made during last July.

He reported that this fund is to be applied in the following manner: Accounts payable, \$1,835.67; new work, deepening outer and inner channels and enlarging turning basin to project dimensions from May, 1938, to September, 1939, \$125,000; maintenance, operation of U. S. Hopper Dredge Meade, October, 1937, to April, 1938, \$19,348.84; large stone for raising south stone mound connection between outer and inner piers, with United States plant, fall of 1937, \$13,500.

An interesting report of the evening was when toastmaster Connelly presented Col. Holcomb with a pair of wooden shoes, and Cong. Carl Mapes with a beautiful plaque composed of a wheel of a boat, in which was artistically painted a vessel under full sail. Andrew Klomparsen had a badge pinned on him as being the best preparator. This naturally brought a gale of laughter, but regardless of whether he is or isn't, he is mighty loyal to this cause.

The musical treat was when little Miss Vivian Tardiff gave a "klomp dance" with variations, one of them being a toe dance, which is extremely difficult. She was accompanied on the piano by Miss Alice Mae Houtman, who also ably rendered the music while the banquet was in progress. Just before the guests were seated Alderman Peter Huyser offered a fervent prayer.

A list of those present were: Col. Holcomb, Mr. Connelly, Mayor Geerlings, Rep. Mapes, City Clerk Oscar Peterson, C. C. Wood, George Heneveld, Albert Hyma, Dick Miles, W. A. Butler, C. A. French, Charles Kirchen, Henry Vander Schel, Cornelius VanDyke, Carl Harrington, Joseph Kramer, Austin Harrington, Ben Mulder, City Attorney Elbern Parsons, Ald. Peter Huyser, Ald. Frank Smith, S. H. Houtman, Ald. James A. Drinkwater, Ald. Cornelius Kalkman, Ald. Ben Steffens, Ald. Jacob Bultman, Jacob Lieverse, John DeWilde, Andrew Klomparsen, Ald. A. P. Kleis, Andrew Hyma, J. C. Rhea, Don Jesiek, Vaudie Vandenberg, Henry Boersma and John Arendshorst.

"It Pays to Get Our Prices"

Harbor association during the round table discussions recently opening the convention in the Hotel Ferry, Grand Haven.

It was suggested that boats of the Chris-craft type be installed in harbors for rescue work where maximum speed was important. Commander Gordon MacLane, chief of staff of the Chicago division of the U. S. Coast Guard, declared, however, that the coast guard is bringing out a new fast rescue craft which would be able to function also in heavy seas, and that he hopes to have these introduced in the harbors of this region.

Several suggested the advisability of patrols on the beaches of lake front parks.

Lieut. Col. George L. Olsen, chairman of the Grand Haven harbor commission, as president of the association, presided at the morning session. Speakers listed for the afternoon session included in addition to Commander MacLane, Guy B. Skinner, of Milwaukee, superintendent of 12 district lighthouses; and Lieut. Col. W. H. Holcomb, chief of United States Army engineers in this area, of Milwaukee.

Other delegates present during the session were Alex J. Wallace and John G. Cox, from St. Joseph; City Commissioner W. W. Richards of Muskegon; Ben Mulder of Holland; E. A. Hopperstead, White Lake, and R. G. Leever and G. M. Pickell, South Haven. Col. Olsen and William L. Stribley, secretary of the association, represented Grand Haven.

At the conclusion of the annual meeting of the West Michigan Harbor association held in Grand Haven resolutions were adopted which will be sent to headquarters of the U. S. Coast Guard recommending some changes in the routine of the coastguardsmen at the several stations.

The first suggestion is that night patrols in the summer time be abandoned, the time to be used for wider and more frequent patrols of the beaches during the day time, especially in resort and park sections, where thousands gather for recreation.

The second one is: That coastguardsmen be deputized so as to give them authority to prevent people from going into the lake during a heavy surf and from going out in small boats when it is considered dangerous.

The suggestions were made by Lieut. Col. Olsen and were unanimously adopted by the group.

Officers of the association were all reelected including: Lieut. Col. George L. Olsen, president; Lee A. Musser, South Haven, vice president; William Stribley, secretary and treasurer.

G. W. Mac Lane, Chicago division U. S. Coast Guard, Chicago, addressed the meeting in the afternoon on phases of the service talking particularly on the need for quick action in saving of life, especially during the summer when there are many on the beaches that are inexperienced in lake swimming and general conditions.

William Stribley outlined the federal legislation in years past creating port districts and the purposes of the law to stimulate port interests. He told of the success of some sections that have acted under the present law.

Selecting New Alderman Held Over For People

(Continued from page 1)

tal amount of the bills, therefore, was approximately \$1,000.00, and it was the desire of the Board of Public Works to enter into an agreement with Mr. Spykman for the payment of these bills. It was the recommendation of the Ways and Means Committee that the Mayor and City Clerk be authorized to sign such an agreement and settlement with Mr. Spykman.

Adopted. The City Attorney further explained that in order to close the matter entirely, it might be necessary to have a guardian appointed, and then reach an agreement with the interested parties together with the Probate Judge so as to definitely dispose of the matter at this time. However, this was a matter for a little later consideration.

Ways and Means Committee reported having received an offer of \$675.00 from Mr. Bert Snot for the former Warner property at 243 W. 9th St. Committee recommended that this offer be accepted unless a more satisfactory one is received, land further recommended that the property be advertised and offered for sale on Nov. 17, 1937.

Adopted.

Street Committee reported that when the Budget was prepared last spring, an item was included for a sand spreader, and recommended that this equipment be purchased at this time. This equipment can be purchased at a price of \$275.00, and the Committee recommended that the City Engineer be authorized to place the order.

Adopted.

Street Committee to whom had been referred the matter of a storm sewer on Mich. Ave., near 32nd St., reported having contacted the State Highway Department and they agreed to stand 60% of the cost of putting in such sewer. It was the recommendation of the Committee that the City Engineer be instructed to go ahead with the work.

Adopted.

Claims and Accounts Committee reported having examined claims in the amount of \$10,627.15.

Alderman Ed. Brouwer to whom had been referred the complaint of Ald. Kalkman relative to the lack of co-operation on the part of the Police Department to apprehend

those persons who are destroying City property at the Riverview Park Grand Stand, reported having met with the Police Board and discussed this matter very thoroughly. Committee reported that apparently there was a misunderstanding between the Chief and Ald. Kalkman since the records of the Police Department show that they have handled this matter in an efficient manner.

Adopted.

Mayor Geerlings reported that several members of the Council had met with the Harbor Board and other interested parties from the Fish and Game Club relative to dredging operations in Lake Macatawa. Mayor reported that the Board of Assessors covering the paving of Van Raalte Ave. from 20th to Lake St., and in Lake St. from Van Raalte Ave. to Wash. Blvd., and in 10th St. from Van Raalte Ave. west to the Pere Marquette Ry. right-of-way, and of the time and place for reviewing said Roll and to hear objections, if any are presented.

Clerk further presented affidavit of publication of such notice.

Mr. Simon Van Oosterhout appeared before the Council and objected to the assessment on the grounds that he had paid for the paving of 9th St. which assessment has recently been paid in full. It was explained by City Attorney Parsons and City Engineer Zuidema, that the assessment levied against Mr. Van Oosterhout's property and others on 9th St. where the pavement has been widened from 28 to 40 feet, represents only the additional width or 6 feet on each side of the street.

Mr. Van Oosterhout further stated that inasmuch as he was unable to obtain work, he would not be able to pay for this paving.

Referred to Ways and Means Committee.

Mr. H. D. Koster also appeared before the Council relative to the assessment that had been spread for the Van Raalte Ave. Paving. Mr. Koster stated that he had been led to believe that the cost would be less than it actually is, and this was his only complaint. He further asked for information relative to the rate of interest that would be charged if the assessment is spread over a 10-year period. Mr. Koster was informed that no definite rate had been established and could not be until the bonds were sold. He was informed, however, that the rate charged the property owners would be the same as the rate for which

Communications from Boards and City Officers

The claims approved by the Hospital Board in the sum of \$1,082.50; Library Board, \$215.76; Park and Cemetery Board, \$1,766.61; Police and Fire Board, \$3,015.23; Board of Public Works, \$30,001.06; were ordered certified to the Council payment. (Said claims on file in Clerk's office for public inspection.)

Allowed.

Board of Public Works reported the collection of \$30,371.82; City Treasurer, \$5,712.92 for miscellaneous items, and \$192.10 for Summer tax collections.

Accepted.

Board of Public Works submitted plans, specifications and estimate of cost of constructing a sanitary sewer in Lincoln Ave. between 16th and 17th Sts., and in 17th St. from Lincoln Ave. to Pere Marquette Ry. Co. right-of-way, and in 16th St. from Lincoln to Fairbank Aves. Total estimated cost, \$7,858.04.

Approved and date for hearing set for Wednesday, November, 17, 1937.

Clerk Peterson presented com-

munication from the Board of Public Works relative to a request from Joe Victor and others for a Gas and Oil lease from the City of Holland covering several city-owned properties. The communication stated that among several city-owned properties for which a lease is desired, is the land on East 8th St., where a pumping station is located. The Board stated that it was not in favor of leasing any of its properties for this purpose because of the danger of water contamination if drilling were done in any of these localities.

Action of Board approved and leases denied.

Clerk reported that pursuant to instructions, he had given notice of the Special Assessment Roll spread by the Board of Assessors covering the paving of Van Raalte Ave. from 20th to Lake St., and in Lake St. from Van Raalte Ave. to Wash. Blvd., and in 10th St. from Van Raalte Ave. west to the Pere Marquette Ry. right-of-way, and of the time and place for reviewing said Roll and to hear objections, if any are presented.

Clerk further presented affidavit of publication of such notice.

Mr. Simon Van Oosterhout appeared before the Council and objected to the assessment on the grounds that he had paid for the paving of 9th St. which assessment has recently been paid in full. It was explained by City Attorney Parsons and City Engineer Zuidema, that the assessment levied against Mr. Van Oosterhout's property and others on 9th St. where the pavement has been widened from 28 to 40 feet, represents only the additional width or 6 feet on each side of the street.

Mr. Van Oosterhout further stated that inasmuch as he was unable to obtain work, he would not be able to pay for this paving.

Referred to Ways and Means Committee.

Mr. H. D. Koster also appeared before the Council relative to the assessment that had been spread for the Van Raalte Ave. Paving. Mr. Koster stated that he had been led to believe that the cost would be less than it actually is, and this was his only complaint. He further asked for information relative to the rate of interest that would be charged if the assessment is spread over a 10-year period. Mr. Koster was informed that no definite rate had been established and could not be until the bonds were sold. He was informed, however, that the rate charged the property owners would be the same as the rate for which

the bonds were sold. Since there were no other objections raised, it was moved by Alderman Huyser, seconded by Bultman, That the assessment Roll be confirmed. Adopted, all voting Aye.

Motions and Resolutions

City Attorney Parsons reported that he had started suit for a bill owing the Hospital for one Sophie Schipper who lives in Allagan, and in this connection he stated that there was other litigation pending in this case and that Attorneys Clare Hoffman and Thomas Mahan have requested that the City take an assignment of their claim so that the matter could all be handled in one suit. It was the recommendation of the City Attorney that this matter be referred to the Committee on Ways and Means together with himself for disposition.

Adopted.

Alderman Kalkman presented a communication from the Armour Leather Co. offering to sell to the City of Holland its property in the City on W. 8th St. for an amount of \$16,000.00.

It was moved by Ald. Kalkman, seconded by Drinkwater, That the matter of purchasing this property be put up to a vote of the people at the spring Primary in 1938.

In this connection, Wm. Connelly, Director of the Chamber of Commerce, who was present, stated that there had been some discussion on the part of the Tulip Time Committee for the acquisition of this property. Mr. Connelly further stated that it was his understanding that this matter would be referred to a committee so that the different uses to which this property might be put, could be considered.

A substitute motion was offered by Ald. Bultman, seconded by Kleis, That the matter be referred to the Civic Improvement Committee.

Adopted.

Adjourned.

Oscar Peterson, City Clerk.

Dental Clinic  
Moves From Here  
To Grand HavenDr. Staughton Returns, Opens  
Office at Central School Building

Dr. J. O. Staughton will remove his dental clinic work from Holland to Grand Haven this week and will have an office in the Central grade school building on Sixth street.

Nearing completion of approximately eight months of dental clinic work among the students of the schools of Holland and vicinity Dr. J. O. Staughton has been making his plans to move his clinic to Grand Haven where he will continue during his stay at Holland.

Dr. Staughton opened his clinic work similar to that carried out in the Junior high school building at Holland last Feb. 1. From Grand Haven he will go to Hudsonville and on completing his work there he will return to Holland.

This dental clinic is sponsored by the Children's Fund of Michigan, benevolent and charitable organization, created in 1929 by the late Senator James Couzens with an outright gift of \$10,000,000 to the children of Michigan.

Stipulation of this bequest was that the money along with the interest shall be expended within a period of 25 years. The work of the fund may be divided into five main divisions—child health, child welfare, child guidance, research and miscellaneous gifts with emphasis being placed on child health.

Dr. Staughton reported that for the fiscal year, extending from May 1, 1936, until May 1, 1937, he administered examinations to 7,993 students in the county schools. Of this total 3,154 were given clinical work. The dentist reported that there were 2,615 extractions and 3,310 fillings provided for by him during the past fiscal year.

The purpose of the dental clinic is to provide free dental inspection to all students. If the students' parents are not financially able to carry out the recommendations of the dentist by sending their child to family dentists, then a special committee passes on the merits of the case, with a result that the student thus receives free dental work.

Dr. Staughton said that his appointments average between 250 and 270 per month. Of these examinations 90 per cent of the students require some sort of dental treatment.

His district includes only Ottawa county. He has been engaged in this sort of work in Ottawa county for the past two years.

The first clinic was held at Holland Oct. 7, 1935. After visiting Grand Haven and Hudsonville, Dr. Staughton returned to Holland in February.

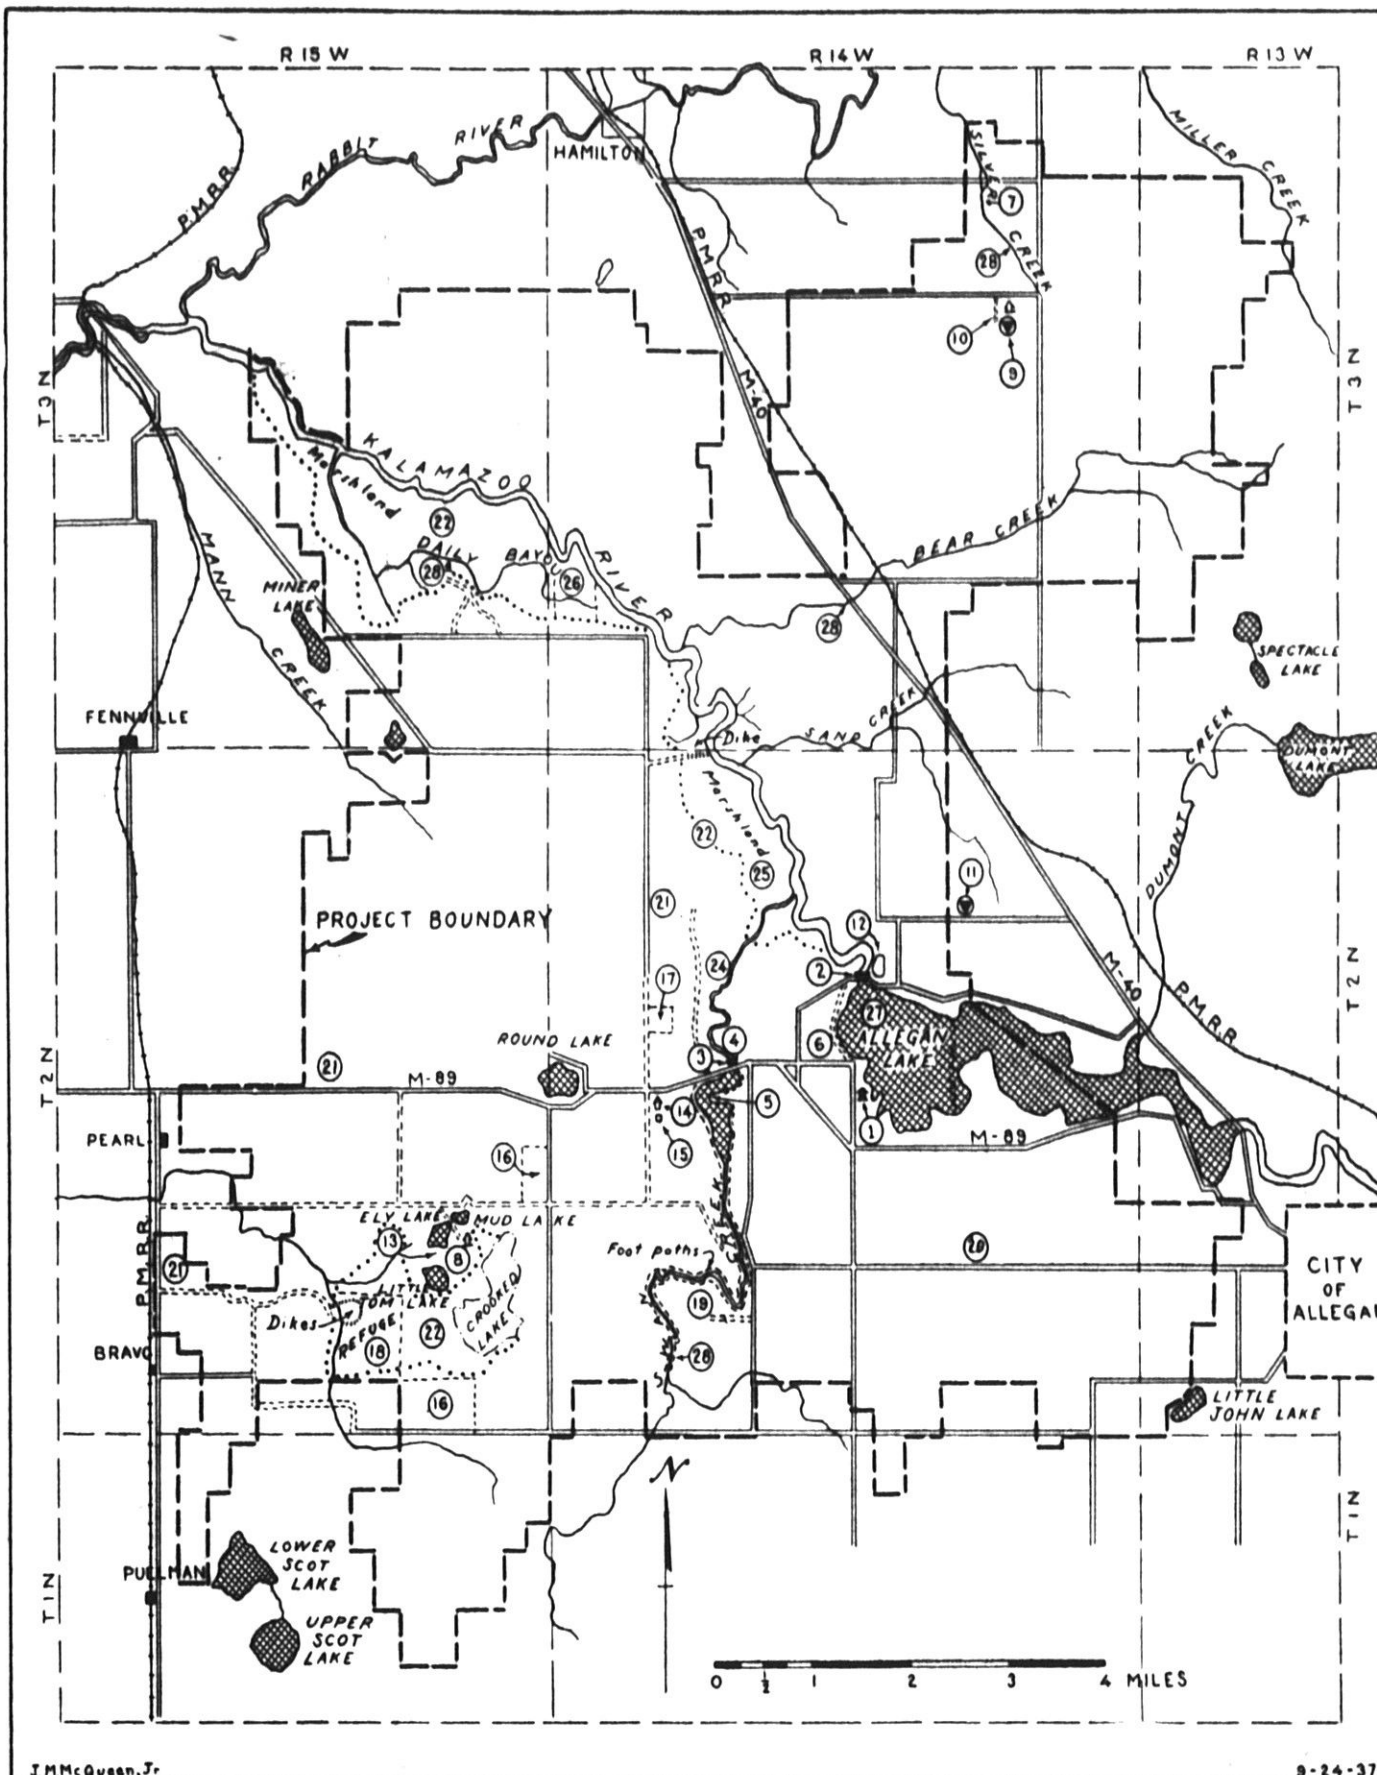

## SPORT NEWS

Ferris Institute of Big Rapids, played Hope College to a scoreless tie last week Saturday at Big Rapids. This week Saturday the Hingham travel to Kalamazoo to face Kalamazoo College. The undefeated and unscathed Hope team and the Kalamazoo team are strong contenders for this year's M.I.A.A. title. Special buses are scheduled to take a large group of students and townspeople to the Celery City. On November 6, Hope plays its Homecoming game at Riverview Park with Alma.

After a week's rest, Holland High meets Kalamazoo St. Augustine at Riverview stadium this Saturday. The Breenmen are undefeated so far this season. Their game with Kalamazoo Central at Kalamazoo on October 3 ended in a 13-13 tie, however. On October 30, the Dutchmen meet Muskegon Heights on the local field.

Mr. and Mrs. J. Thomas Mahan, 90 West 11th St., have returned from a week-end trip to Sault Ste. Marie.

## Allegan County Converted Into A Fine Resort And Hunting Grounds

Farm Security Area In  
Allegan

The above map is an unusual

one. The dotted area shows what has been done in Allegan county in the way of conservation by the government: what Allegan County has done in the way of dam-building, which created Allegan Lake, which never existed until three years ago. It is evident from the map that our neighbor, Allegan County, has transformed a large part of the county from a poor land or "grub oak" section to what may eventually be a profitable resort section. The little lakes, new dams and places of interest are well-defined. Of course, this only represents the farm security area in that county where the government has been at work, augmented by what the city of Allegan has done for itself, and also projects which have been fostered by the Conservation Department of the State of Michigan.

Not so long ago the Holland City News published a picture of the large, new Allegan Dam, which is located at No. 2 in the map. Three weeks ago this publication published a second picture of another dam at Swan Creek, No. 3, which

created another small lake for fishing, and as a bathing beach. The State of Michigan has put in a rearing pond—No. 12 on the map. The fire towers, to detect fires in forests, also a Conservation project, are all well defined.

Not all the lakes in Allegan County are shown—only the area designated in this article. Sizeable Hutchinson Lake, just outside of Fennville, is not found in the map. Neither is Kelly's Lake at Castle Park or Goshorn Lake at Gibson; nor is the Saugatuck-Douglas resort area shown. We mention this fact to show that with these old resort districts, not marked, augmented by the new resort district recently created, that Allegan County can now certainly be called a summer resort county. It is naturally blessed with Lake Michigan, as is Ottawa County, and of course, that is the paramount advantage of any resort district.

You will notice the Kalamazoo river is well marked, as is Rabbit river, closely associated with Hamilton, our near neighbor. Rabbit river runs through the village; it has recently been crossed by a substantial concrete bridge; and the river also furnishes some water power to this locality. The Kalamazoo river borders are also

shown with dotted lines, and that is where at least 800 deer constantly live, and the family has multiplied from two dozen to approximately 300.

Not so long ago part of the herd skipped across-country to Hamilton and made a meal on some crunchy celery. Well, that wasn't much of a leap from Kalamazoo river, a distance of about four miles, according to the map gauge.

The map also gives the location of that celebrated nudist camp, several of whom Judge Miles sent to jail. So, you see, the bare facts given in this map are intensely interesting.

The Holland City News is indebted to the Allegan Gazette for the use of this map and the descriptive matter which is found below: (1) Lakeview Construction Camp; (2) Allegan City Power Dam; (3) Swan Creek Dam; (4) Swan Creek Parking Area; (5) Swan Creek Bathing Beach and Picnic Site; (6) Lakeview Picnic Site; (7) Silver Creek Picnic Site; (8) Ely Lake Lookout Tower; (9) Hamilton Lookout Tower; (10) Watchman's Cabin; (11) Plainview Lookout Tower; (12) Fish Bearing Pond; (13) Ely Lake Picnic Site and Bathing Beach; (14) Administration Building; (15) Equipment and

Storage Warehouse; (16) Rabbit Experimental Area; (17) Squirrel Experimental Area; (18) Waterfowl Refuge; (19) Project Nursery; (20) Wind Erosion Control; (21) Forest Planting; (22) Ottawa Wildlife Area; (23) Picnic Grounds at former Nudist Camp; (24) Reformer Experimental Farm; (25) Refuge for Wild Geese; (26) Lake Allegan; (27) Lake Improvement. The above area, illustrated through a map of the Farm Security area, formerly known as the Resettlement, shows lakes, streams and marshes which will be popular during the coming wildfowl hunting season. However, some of the areas are closed to hunting.

Allegan Lake is partially closed, from the first narrows to the dam. The narrows can be plainly seen on the accompanying map. A goose refuge has been established on the Kalamazoo river and is shown under the number of 26. A wildfowl sanctuary also has been established at Crooked Lake. All lands closed to hunting will be posted by the Farm Security administration.

Some land in the area is under private ownership. Most of this also is posted against shooting.

The map is presented by The Gazette for the convenience of sportsmen who hunt the area.

Heart Trouble  
Cause of Many  
County DeathsThere Were 993 Births and 607  
Deaths in Ottawa County  
During 1936

The seventh annual report of the Ottawa County Health unit, presented to the board of supervisors by Dr. Raylyn Ten Have, just issued, gives some interesting and valuable statistics on births, deaths, causes of deaths, general sanitation and the preventive work that has been done by the health unit staff over Ottawa county during the year 1936.

There were 993 births in the county of which 511 were males and 482 were females, an increase of 44, which makes a birth rate of 16.8 per thousand population. There were 607 deaths, an increase of 63 over 1935. The rate per thousand population is computed on a population of 59,176.

Heart disease leads in the causes of death, 93 having died from chronic myocarditis degeneration. Cancer is the second highest cause with 89 deaths. The largest number of deaths, 167, occurred between 70-79 years. Whooping cough rates as one of the principal causes of deaths among infants.

During the year there were 1971 cases of communicable diseases under the supervision of the health department. In connection there were 3558 services rendered to active cases and 2853 to contact cases. Approximately 53 per cent of the school children in Ottawa county are vaccinated against smallpox with about the same number immunized against diphtheria.

## 36 TB Cases Now

At present there are 36 adult cases of tuberculosis of which 16 are hospitalized. Tuberculin testing among children, teachers and college students followed by x-ray clinics has proved to be one of the most worthwhile activities of the unit. The program is financed largely through the sale of Christmas seals and does not require a drive or make inroads in community chest funds or require an appropriation from the county.

The campaign against venereal diseases has aided immensely in educating the public to the menace of syphilis and gonorrhea and erasing much of the secrecy surrounding these diseases. During the year there were 117 cases reported with 72 services rendered.

Maternal hygiene, infant hygiene, pre-school hygiene, school hygiene have been among the major projects of the unit with work similar to that carried out in infection.

At present there are 81 crippled children under supervision and 482 services were rendered in behalf of these crippled children. Through the courtesy of the Grand Haven and Zeeland Rotary clubs many of these children have been transported to clinics in Grand Rapids.

Dental hygiene has been offered with an excellent program supported by the Children's Fund of Michigan. The general policy is determined by a local dental committee composed of school superintendents, local dentists, members of the health committee of the board of supervisors, nursing staff, health officer and the special dentist. Clinics have been located in Grand Haven, Holland and Hudsonville as three places most centrally located. There were 2278 teeth extracted and 5071 teeth filled besides other work done.

Sanitation campaigns have resulted in the adoption of milk and food ordinances being passed by this city and Spring Lake. Spring Lake and Park townships have adopted rules and regulations controlling sources of nuisances.

**Build Public Opinion**  
To build up sound public opinions relative to question of public and private health, large amounts of literature have been distributed, lectures have been given and articles have been published in the year the services of the health department are being used to a larger extent, the report concludes.

DEN HERDER-DASS WEDDING  
TODAY

(Grand Haven Tribune)

Announcement has been made of the wedding of Miss Ruby Dass, daughter of Mr. and Mrs. Gus Dass of Bridgman, Mich. to James Den Herder, son of Mr. and Mrs. John Den Herder, which will take place at a church in Bridgman on Thursday, Oct. 21, at 11 a. m. Those who will go from this city are Mr. and Mrs. John H. Den Herder, Mr. and Mrs. Edward Roberts and Fred Den Herder. Mr. and Mrs. Marvin Den Herder, former residents who are now living in Holland will also attend.

Mr. Den Herder is well known in Grand Haven where he graduated from the local schools and was employed at times in the treasurer's office when his father was county treasurer. He graduated from Western State college and for the past two years has been employed at Bridgman as the school coach and a history teacher.

The bride-elect has lived in Bridgman all of her life and is employed as a cashier in one of the large stores in Benton Harbor. The couple will go on a brief honeymoon to return to Bridgman where they will make their home.

The groom was born in Holland, the parents being Holland residents before Mr. John Den Herder became county treasurer.

## CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced open competitive examinations as follows: Associate referee manager, \$3,200 a year; assistant referee manager, \$2,600 a year; junior referee manager, \$2,000 a year; Bureau of Biological Survey, Assistant in home economics information, \$2,600 a year; Bureau of Home Economics, Inclosure at Holland Post Office—Mr. Klein.

HENRY E. BRINK SUC-  
CUMBS IN LAKE CITY

Funeral services were held Tuesday at 1:30 p.m. from the Nibbelink-Notter funeral chapel for Henry E. Brink, 65, who died at noon, Friday, in Lake City, near Cadillac, where he had gone last week. Burial was in Graafschap cemetery.

Mr. Brink was employed the past summer at the docks of the Chicago, Duluth and Georgian Bay Co., at the foot of 16th st. He divided his time in Holland and Lake City. Surviving are two daughters, Mrs. Herman Alken of Lake City and Miss Jeanette Brink of Holland; two sons, Egbert and Herbert, of Holland; a brother, Lucas E. Brink of Holland, and a sister, Mrs. John VanCovering of Zeeland, and eight grandchildren.

PLEADS GUILTY HERE  
TO SERIOUS CHARGE  
IN CIRCUIT COURT

Michael Sterzer, 56, Nunica, employed as a night watchman at Grand Haven pleaded guilty to taking indecent liberties with a female child when arraigned in circuit court before Judge Fred T. Miles. He will be sentenced later and was remanded to the county jail as he failed to produce bonds of \$1,000 set by Justice Matthew Locke.

Museum Will Be  
Available To  
Local Pupils

WILLARD WICHERS AND HIS STAFF WILL ASSIST SCHOOL AUTHORITIES IN MAKING EXHIBITS AN AUXILIARY TO REGULAR COURSE OF STUDY

In a very short time a new feature is to be introduced into the Holland school system. Nearly four thousand children in the local schools will participate in an expansive educational program of a type never before put on in this city. The program is launched jointly by The Netherlands Pioneer and Historical Foundation, and by the superintendents of the three local school systems: Mr. E. E. Fell of the public schools; Mr. John A. Swets of the Christian schools, and the Rev. Father John M. Westdorp of the Catholic school system.

It involves visits by groups of children to the Dutch Museum. The children will attend during school hours with their teachers, and will be admitted free. A different type of program will be presented to each group—early elementary, later elementary, junior high, and senior high.

Illustration and comparison will be the methods employed in explanation in the various fields. Work will be in the subjects of geography, literature, art, history, and science. The teachers themselves will suggest the ideas to be incorporated, which, in turn, will be based on the needs of their courses. It is hoped by sponsors of the scheme that the museum will eventually become as much a part of group life as the public library. Work will be correlated for study by committees of teachers from the three school systems involved in the venture.

TROOPERS PROVE TACT WITH  
MULE ON US-31

Trooper William Grace and Trooper William Middleton of the Grand Haven state police post showed they could handle mules as well as motorcycles last night. A motorist showed up at the post and reported a horse on the highway of US-31 near the Muskegon-Ottawa line. The troopers went out to remove the horse but a mule. The animal was finally induced to spend the night in a neighboring barn and today the officers are seeking its owner.

TWIN BABY GIRL DIES IN  
GRAND HAVEN AFTER BIRTH

Harriet Johan, one of twins born yesterday about 4:30 p. m. to Mr. and Mrs. Jacob Achterhoff at their home, 523 Madison street, Grand Haven, died soon after birth and was buried with graveside rites today in Lake Forest. The other twin, unnamed yet, is reported doing well. Beside the parents, the following survive: four brothers and sisters and three grandparents.

MARRIAGE MILL IN COUNTY  
WORKING OVERTIME, WITH  
475 LICENSES SO FAR

The marriage mill is gaily turning in Ottawa county as evidenced by the number of marriage licenses applied for at the county clerk's office. To date there have been 475 licenses issued in comparison with 385 this time last year. The total number at this time now exceeds by 15 the total marriage licenses issued during the whole of 1936.

On Oct. 29 the new marriage law goes into effect which will henceforth require a doctor's certificate from each applicant, following a physical examination, giving to the person a clean bill of health before a license can be issued.

The morning the following applications for licenses were filed at the clerk's office from Russell A. Dykema, 25, Holland and Elsie Dekker, 27, Holland; Glendon Pickard, 20, Muskegon Heights and Cornelia Nuimer, 18, Grand Haven; Harold Holman, 23, Zeeland and Susie Wolters, 26, Holland; John Walters, Jr., 60, Holland and Ida Tisch, 62, Grand Rapids; Arthur Bronson, 20, Holland and Harriet Margaret VanWieren, 19, Holland; Anthony Grebowski, 28, Grand Haven and Kathrine Hrometz, 23, Grand Haven.

Dr. and Mrs. Andrew Gansevoort and daughter Hendrene of Chicago, Ill., were the week end guests of Mr. and Mrs. D. J. Te Roster at their home at 99 E. 14th St.

### LOCAL NEWS

Women's Guild of Grace Episcopal Church will hold a rummage sale in the Parish Hall, Saturday, October 23, beginning at 9:00.

Mrs. Mary Stingle of Grand Rapids and William Peeks, rural route No. 5, Holland, were treated in Holland hospital for injuries about 5:30 p.m., Sunday. The two were injured in an automobile accident on US-31A, just south of Holland. The accident was investigated by Deputy Sheriff William Van Etta. The automobile driven by Peeks said to have skidded into the Stingle machine, when Stingle attempted a U-turn on the highway.

Betty Kalkman was pleasantly surprised Friday evening, the occasion being her fifteenth birthday anniversary. The mother, Mrs. K. C. Kalkman, entertained with a three-course luncheon. Music and buncos were enjoyed by the guests, prizes going to Dorothy Fisher, Grace Schrotenboer and Ray Bush. Guests were Betty Kalkman, Alice Achterhof, Dorothy Fisher, Donald Switek, Ray Bush, Gerard Cook, Elmer De Maat, Don Smeenge, Gladys Grissen, and Grace Schrotenboer. Carl Vander Wier, Lois Vander Werf and Harvey Klompars of Muskegon were unable to be present.

Mrs. A. Rutgers and Mrs. Bert Jacobs presented a birthday party last Saturday afternoon for Miss Alberta Jacobs, who celebrated her 12th birthday anniversary. Vivian Dalman and Wilma Rutgers were awarded prizes at the two-course luncheon. Those in attendance were Kathleen Barkel, Vivian Dalman, Joyce Rutgers, Norma Kalmink, Mary Lemmen, Betty June Plum, Alberta Jane Jacobs, Jean Van Langevelde, Jean Rowan, Audrey Kalmink, Wilma Rutgers, Louise June Por, and Eloyce Smith.

Application for a building permit was filed last Thursday with City Clerk Oscar Peterson at the city hall by Hubert Pelgrim, 68 West 12th st., re-roof house with asphalt roofing, \$150.

Bertal Slagh, in charge of the Holland license bureau, received information, Saturday, from Secretary of State Leon D. Case that the state department has shortened the time required to secure automobile titles. He stated that care in making application will make it still shorter in securing the necessary title. Mr. Slagh said that the biggest mistake of the motorist in making application for new title of an automobile which he has purchased second hand is that applications are sent to Lansing incomplete. His suggestion was that they be first inspected at the local license bureau, this service to be done free of charge to the applicants. This will eliminate any delays that may result through the filing of an incomplete application. Another defect is failure of the applicant for title of a used car to enclose the \$1 fee for transfer of the plates. This fee is imposed by law; no titles will be transferred until plates also are registered in the names of the new owners of the cars involved. In every case when correct applications for titles are received in Lansing, titles are mailed out that same day. Approximately 20 per cent of the applications are returned for correction.

### SOCIETY NEWS

Mrs. Harry Klompars of rural route No. 1 was surprised last Monday afternoon, on the occasion of her birthday anniversary. She was presented with many lovely gifts. A social time was spent and a two-course lunch was served.

The October meeting of the Philathea class was held last Wednesday evening at the home of Mr. and Mrs. George Damson, 145 West 23rd St., with 45 members present. Supper was served by a committee headed by Miss Marian Working. Devotions were in charge of Miss Mame Ewald. Mrs. Ray Lamb, vice-president, presided at the business session. The program was planned by Mrs. Neil Houtman and consisted of interesting talks by the Misses Bessie Denon, Martha Bird and Mrs. Harry Harrington. At the November meeting, husbands of members will be guests and will provide the entertainment. The group presented Mrs. Damson with a token of appreciation.

Mrs. Albert Diekema was hostess, last Thursday, at her home on West 10th St., to members of her embroidery club. A social afternoon was followed by refreshments. Eighteen were present.

The home of Mr. and Mrs. John Volkers of East Saugatuck was the scene of a beautiful wedding Thursday evening, Oct. 7, when their daughter, Florence, was united in marriage to Theodore Derksen of Mr. and Mrs. Dick Derks of Graafschap. The Rev. S. P. Mierma performed the ceremony at 8 o'clock before an arch decorated with autumn leaves and flowers with a wedding bell suspended from the arch. The bride was beautiful in a floor-length gown of old rose satin with silver accessories. The couple was attended by Miss Frances Volkers, sister of the bride, and Albertus Derks, brother of the groom. Lohengrin's Wedding March was played by Miss Geneva Etterbeek. A three-course lunch was served to relatives and friends. Mr. and Mrs. Derks will make their home in Graafschap. Mr. Derks is employed at General Motors Co. in Grand Rapids.

A happy reunion of two sisters after 47 years took place in Richmond, Va., on Oct. 3, when Mrs. Grace Shoemaker Howell of Jenison greeted her sister, Mrs. Maud Butler.

Shoemaker Butler, at the latter's home at 3413 Decatur St., Richmond, Va. Mr. and Mrs. Howell left two weeks ago for a trip in the eastern and southern states, visiting her sister and family en route. Mrs. Howell had never seen any of her sister's children, who number eight. Five of them with their husbands, wives and children spent Sunday evening in a grand reunion. Mrs. Maud Butler was married in Grand Rapids, Jan. 16, 1890, and Mrs. Howell was married Feb. 19, 1890, at Jenison. Mrs. Butler left shortly for Tennessee and after remaining there for a time moved to Texas, later moving to Richmond, where she has lived for the past 25 years. Mrs. Howell moved to Grandville where she has lived in and around the vicinity most of her life. It was in Grandville where the two sisters said goodbye to go into their separate paths of life which crossed this month for the first time in 47 years. Mrs. Howell has two sons. Mrs. Butler is 64 years old and Mrs. Howell is 62 years. Mr. and Mrs. Howell have returned home. They were accompanied by Mr. and Mrs. Arthur Sadler of Grandville.

Mrs. G. Ver Hoef and Miss Wilma Ver Hoef were hostesses, last Thursday evening, at a miscellaneous surprise shower given in honor of Miss Marguerite Ver Hoef, a bride-to-be. She was presented with many useful and beautiful gifts. The evening was spent in playing games with prizes awarded to Mrs. Lawrence Vander Zwag, Miss Jennie Assink, Mrs. C. Van Alburg and Henrietta Assink. A two-course lunch was served.

Word has been received here of the engagement of Miss Mary Elizabeth Dixey, daughter of Mr. and Mrs. William B. Dixey of Belle Harbor, Long Island, and Middleburgh, N. Y., to Lester S. Vander Werf, son of Dr. and Mrs. Seth Vander Werf, of Holland. The date of the wedding has not been set. Mr. Vander Werf, a graduate of Hope college, is at present studying for his master's degree at Columbia university, majoring in English and dramatics. He has been soloist in All Saints Cathedral in Albany, N. Y., for the past five years and is singing at St. Mary's Cathedral in New York city at the present time. For the past three years he has taught in Middleburgh. Miss Dixey is an alumna of the Northfield seminary at Northfield, Mass.

The marriage of Miss Anna Veurink, daughter of Mr. and Mrs. Walter Veurink of rural route No. 3, and John Bosch, son of Mr. and Mrs. Gerrit Bosch, also of rural route No. 3, was solemnized at a simple service Saturday night, October 9, at the parsonage of Niekerk Christian Reformed church. The Rev. Martin Bolt performed the double ring ceremony. The bride was attired in a gown of raspberry chiffon, ankle length, with black accessories. She carried a mixed bouquet of white roses, swainsons, lilies of the valley and sweet peas. The couple were attended by Mr. and Mrs. James Kapenga, sister and brother-in-law of the bridegroom. Mrs. Kapenga also wore a gown in raspberry shade. Mr. and Mrs. Bosch left on a motor trip to California and will be at home after Nov. 10 in Holland. The bride is employed at Heinz Co. and the bridegroom at the Armour Leather Co.

Mrs. George Hofmeyer entertained at her home, south of the city, recently in honor of her granddaughter, Miss Geraldine Hofmeyer, who will be an October bride. The party was in the form of an "every day of the week shower." Rooms were decorated with flowers, yellow and white streamers, and a large decorated umbrella under which the bride-to-be was showered with many useful and beautiful gifts. The remainder of the evening was spent in playing games after which a two-course lunch was served.

### SUNDAY SCHOOL LESSON

October 24, 1937.

Christian Renewal—Titus 3:1-11.

Henry Geerlings

Titus was one of Paul's trusted emissaries. He was sent to troublesome churches repeatedly to restore peace and order. Evidently he was a strong personality and tactful.

He was in Crete when this letter was written. He was there in an official capacity to perfect the organization of the Christian church in the island.

Paul warns against unchristian literature that was extant in Crete and he sketches the duties of different classes of Christians. The teaching of the epistle is that the gospel is a manifestation of the grace of God toward man, which gives power to live a holy and useful life. God has done something for men and He expects something of men.

The grace of God has made it possible for man to live a full life. That is the gift of His love. And His demand is that men accept this gift and appropriate its rich blessings. He expects Christians to manifest the abundant life here and now.

Now faith in Christ ought to make a difference in our lives. But does it? All around us we know men who belong to no church and profess no faith in Christ. They are our neighbors and our companions, even our friends. And they are loyal citizens, good husbands and fathers, honest merchants. Measured by all the customary and conventional standards of morality, they are as good as we are, who belong to church and confess Christ as our Saviour. What difference then does Christianity make in our lives? If we lost it, would we really miss it greatly, or would others observe our loss? If we have it and keep it, does it manifest itself in our lives?

In primitive Christianity faith in Christ transformed men and women. That fact is stamped upon every page of the New Testament. They became new creatures. Whatever it was that God did for men, it was a present possession and not a future prospect. The abundant life had its continuation and consummation in heaven, but it had its glorious beginning here on earth. There on the island of Crete the grace of God made it possible for men to become transformed in their character and conduct. Even so it must be today. That is why we turn for our guidance and inspiration to Paul's letter to Titus, in which the apostle stresses the fullness and richness of life which God has made possible for men through Christ.

Now those whom Christ has saved from sin are made heirs according to the hope of eternal life. But the transformation has reference to the present as well as the future. Our hope of heaven is not the chief difference between Christians and non-Christians. That, unfortunately, is true of some professed followers of Christ. Their religion is mainly a transportation to heaven when they die and not a matter of transformation of character and conduct while they live. The lesson, however, lends no countenance to such a perversion of religion. It speaks very plainly of what God expects here and now

## HEAVEN FROM PENNIES

FOR LESS THAN A PENNY PER MEAL PER PERSON YOU CAN COOK ELECTRICALLY

1¢

When you do things electrically, the cost is measured in pennies. That is why you should call upon this servant to do more and more things for you. In cooking, especially, can electricity do wonders with pennies for payment. It can turn your hot, stuffy kitchen into a place of cool, clean comfort; it can rid you of that bedraggled "kitchen look" by banishing the fume-laden air; it can make your food tastier and healthier—all at an economy greater than you imagine.

... and that's Heaven

Yes, electricity is cheap—and when used for cooking it becomes cheaper still. So turn to this modern way of cooking: do as smart housewives everywhere are doing, and switch to electric cooking. See the beautiful new ranges, and get all of the low-cost facts—now.

## LOCAL NEWS

The Holland Furnace Co. has announced through the Chamber of Commerce that Holland harbor will be the winter mooring place of a lake freighter owned by D. Sullivan and Co., Chicago. The last cargo, consisting of 2500 tons of pig iron, will arrive here in December and the vessel making the run will remain here for the winter. Scrap iron from Duluth and Houghton and pig iron from South Chicago and Toledo have been delivered regularly throughout the season to the Holland Furnace Co. over the Harrington docks.

Plans for the purchase of class rings and arrangements for a party were made at a meeting of the Junior class of Christian high Friday morning. Richard De Ridder, president, presided. J. Holwerda and J. Pott are sponsors.

A truck belonging to Arie Tjalma, rural route No. 2, Holland,

stolen Oct. 8 at his home, was found abandoned on a street in Grand Rapids, according to a report from the sheriff's department, Saturday.

The local delegation of Boy Scouts who served as ushers at the Minnesota-Michigan football game Saturday included Harvey Hop and four scouts of Troop No. 9, Holland; Jack Spangler and six scouts of Troop No. 1, Grand Haven; M. H. Mickle and six scouts of Troop No. 97, Wayland; Frank Wicks and four scouts of Troop No. 129 of Saugatuck.

Orien S. Cross, Holland attorney, transacted business in Ann Arbor last Thursday.

## NEW GRONINGEN

Recently both the Primary and the Grammar rooms and their teachers Miss Jansen and Mr. Luitsema and Mr. J. Peterson went on a nature hike. The school was dismissed at eleven o'clock. They returned about 3 o'clock very tired but admitted having had a good time. Some fine nature history was absorbed in the "great outdoors." Last Tuesday the school closed at 2:30 to permit the pupils to attend the parade of the Sunday School Convention in Holland. Many participated.

John Robert Bos was absent from school a few days last week due to having his tonsils removed. Bert Schutema has been confined to his bed because of illness. He is again attending school.

A very important school board meeting was held Monday.

## Keeler Finds Life in South Exciting

—Hope College Anchor

Richard F. Keeler, '37, teaching in Barcelona, Puerto Rico, will be allotted twenty days off for malaria! He expects to remain on the island for two years, taking special work at the University of Puerto Rico on Saturdays and during the summer.

Dick teaches junior high school students in Barcelona, but lives in Manati, a few miles away, where all teachers live, for Barcelona is a malaria town. He has already experienced earthquakes and barely escaped a hurricane.

His native nationalist students, vividly interested in local politics, have threatened Keeler. Evidently their attitude toward the United States government is not very amicable. Dick received his position through the Department of the Interior, and he is already in direct line for promotion. He is fast learning Spanish.

Manati is about five miles from San Juan. The mountain ranges run north and south on the island and in the valleys tobacco, sugar cane, coconuts, bananas and other fruits are raised. Huge oranges sell for three for a penny. Living expenses are low, but cleanliness is almost an unknown virtue among the native population. Dick has been inoculated and tested for typhoid and many other prevalent diseases. The average temperature of the island is 70 degrees, but it has hovered around ninety much of the time that Dick has been there.

## ZEELAND

Funeral services held Monday at 2 p. m. from the DeBryn home on Main St. for John De Vree, 69, of Jenison, who died early last Friday morning in Zeeland hospital where he had been confined ten days. He is survived by a sister, Mrs. Robert De Bruyn Sr. of Zeeland, and nieces and nephews. The Rev. R. J. Vanden Berg of Zeeland and Dr. G. J. Hehulius of Holland, former pastor of Grandville, officiated. Burial was in Grandville cemetery.

Born to Mr. and Mrs. Benjamin Zwagerman, N. Fairview road, Zeeland, a son, Donald Glenn, on Wednesday; to Mr. and Mrs. Harold Goodyke, Borculo, a son, Howard Glenn; to Mr. and Mrs. Alvin Jager, Hudsonville, at the Zeeland hospital, a daughter, Sandra Joyce, Friday; to Mr. and Mrs. Arend Vereke, Beaverdam, a daughter, Dorothy Ann.

Allegan and Zeeland high school eleven played a 7-7 tie at Zeeland, Friday, staging a strong second half comeback after a poor first half start. Zeeland scored in the opening two periods but Allegan came back to tie the count.

Miss Julie Den Herder, daughter of George Den Herder of Zeeland, graduated from Presbyterian hospital in Chicago the past week. She is a graduate of Zeeland high school and Hope college and has taken a complete nursing course at the hospital the past four years. Her sister, Miss Nella Den Herder, was in attendance at the graduation exercises and has just accepted a position at the Marshall Field department store in Chicago.

Miss Esther Kamerling was honored at a miscellaneous shower Wednesday given by Miss Velma Whitehead and Miss Myrtle Van den Bosch at the Whitfield home in Zeeland. Guests were employees of the S. S. Kresge Co. Gifts were presented to the bride-to-be. Buncos were played, prizes were awarded and refreshments were served. Those present included Misses Antoinette Bratt, Kathryn Selles, Jeanette Blok, Henrietta Van Huis, Mrs. Crites, Mrs. Dorothy Myaard, Florence Vork, Grace Brinks, Marjorie Mast, Dorothy van Bosch, Doris Bergett, Dorothy Hult, Frances Priest, Gertrude Roseboom, Anne Harrington, Mrs. Mable Banks, Viola De Witt, the hostesses and the guest of honor, Miss Kamerling who is to be a bride is a Holland girl.

Mrs. Louis Vollink, 47, wife of one of the Vollink brothers who operate a general store in Borculo, died suddenly last Thursday afternoon, while cleaning house at her home, which adjoins the store. She dropped dead in the yard. Surviving are the husband, six children, Grace, Gradius, Sadie, Gerald, Louis and Kenneth, all of Borculo; three brothers, Gerrit Schrottenboer of Holland, Gradius Schrottenboer of Zeeland, and John of Forest Grove; four sisters, Mrs. H. Koop of Borculo, Mrs. Joe Elenbaas of Vriesland, Mrs. Minnie Langhuis of Zeeland and Mrs. Henry Grissen of Holland. Funeral services were held Monday afternoon at the home and from the Borculo Christian Reformed church. The Rev. A. De Vries officiated and burial was in Borculo cemetery.

When a glove on his left hand became entangled in a cable, drawing his hand between the cable and pulley, Joseph Engelman of rural route No. 8 received severe lacerations to the index and second fingers of his left hand, while he was working at the Lake Shore Sugar Co. plant, where he is employed. He was released after being received treatment at Holland hospital.

**LOCAL NEWS**

Mrs. P. Zimmer of Hebron, Neb., and her brother, John Kroeze of Tecumseh, Neb., are making a visit with relatives and friends in Holland and vicinity.

The Eunice Aid Society will sponsor a baked goods sale at the DeVries & Dornbos Furniture Store on Saturday, October 23, at 1:00 P. M.

H. Pott of 106 East 17th st., celebrated his 82nd birthday anniversary, Saturday. He came to this country in 1891 and has lived in this city 33 years. Prior to coming to Holland, he lived in Chicago.

Four students from Holland are included in the 187 students of Michigan who have enrolled this fall at Northwestern university at Evanston, Ill. The total enrollment of the university is now approximately 6,500 full time students, coming from every state in the union and 18 foreign countries. The Holland students include Robert Arendhorst, 645 State St., music; Eugene Peters, 181 West 11th St.; dental; Helen Gertrude Sprietsma, 63 West 11th St., commerce; and Florence Margaret Vandenberg, 27 West 13th St., liberal arts. Others from this locality include Rex Wayne Orton, Allegan, law; James Thomson Billing, Grand Haven, liberal arts; Edward Bugielski, Grand Haven, commerce; and John J. Mulder, Jr., Grand Haven, commerce. A total of 25 of Grand Rapids have enrolled.

A meeting of registered barbers of Ottawa County was held Monday night in Warm Friend Tavern for purposes of studying the state's new barber law, which will become effective on Oct. 29. H. Blackley of Grand Haven opened the meeting. E. Working of Holland was chairman. Recommendations were adopted by the barbers to be sent to the state board. Prohibition of window

**EAGLES INITIATE NEW MEMBERS AT MEETING HERE**

Upwards of 200 members of the Fraternal Order of Eagles from the organizations' fifth district, were in Holland Monday night to attend a meeting held at the Eagles hall on East Eighth St.

Honored guests were W. A. Seigmiller of Owasco, state chaplain; John Geber of Grand Rapids, state president; Robert Gilmore of Muskegon Heights, state vice president; and each appeared on the program. Mr. Seigmiller talked on the achievements of the order in mothers' pension, old age pension, and workmen's compensation legislation.

Cities represented were Muskegon, Muskegon Heights, Grand Haven, Grand Rapids and Holland. Nicholas Vander Leest, worthy president of the Holland lodge, said the meeting was one of the largest of the year for Holland.

A class of approximately 20 candidates were initiated into the lodge by the Holland degree team. Refreshments were served at the close of the meeting.

The Eagles will hold an important meeting on Tuesday, October 26 at the Eagle Hall where Grand Worthy Chaplain William A. Seigmiller of Owasco will address the group on the advantages of affiliating with the lodge.

Several candidates will be presented and visitors are expected from aeries in Muskegon, Muskegon Heights, Holland and Grand Rapids.

Mr. Seigmiller will speak especially on the recent activities in the social-justice program of the fraternal order. The meeting is a part of the fraternity's national drive to put its membership over the million mark.

The F. O. E. has been able to back successfully such social legislation as mothers' pension, workmen's compensation and old age pensions because of the ever-increasing size and constant zeal of its membership. Mr. Seigmiller states.

**TRAVERSE CITY PAPER  
PRAISES HOLLAND ARTIST**

The Traverse City Record Eagle of Saturday, Oct. 16, gives a detailed story on the opening of the Traverse City Women's Club when Miss Ruth Keppel of Holland was honored with opening the program.

In the article of some length the Record-Eagle has the following on Miss Keppel:

Mrs. Robert Linsley, program leader, introduced Miss Ruth Keppel of Holland, Michigan. Mrs. Lois Samuelson, Reuben Barnett, and Master Billy Votruba, the latter a nephew of Miss Keppel. Each was dressed in a Dutch costume, the women very charming in their white caps, full skirts and wooden shoes.

In her discussion of "Music in the Netherlands" Miss Keppel said that Americans, even the better educated, have little opportunity to study Holland and the Dutch people. During a period of unusual prosperity in the Fourteenth Century, the School of Flemish Musicians came into being. Through their influence instrumental music developed, particularly in the church for it was the one stable social organization of that time. There were three periods in the development of this school; that of preparation, of technical skill and artistic results.

During the reformation with its religious fanaticism, music was banned and its development waned. But Holland may well be proud of its less-lauded musicians as well as its artists among them Rembrandt, or its statesmen as William of Orange.

The first group of violin compositions played by Miss Keppel, accompanied on the piano by Reuben Barnett, was by unknown Dutch composers of the eighteenth century and have recently been collected by the government from private owners in Amsterdam, included: "Andante," "Moderate," "Minuet."

A Dutch Lullaby in the native tongue was sung by Mrs. Lois Samuelson.

Two movements, the "Allegro Molto Appassionato" and "Andante" from Mendelssohn's "Concerto in E Minor" was played with real artistry by Miss Keppel. As her closing number she gave a beautiful interpretation of Schubert's "Ave Maria." Mr. Barnett was the accompanist.

Hostesses for the day were Mrs. W. H. Holdsworth, Mrs. Norman W. Lund and Mrs. Robert Lincoln Kelley.

**HOLLAND GIRL PARTNER IN ZEELAND BEAUTY SHOP**

During the past week a new place of business opened up in the form of the Lois-Kay Beauty Shoppe in the State Commercial & Savings Bank Building, Zeeland. The name of the firm is taken from the first names of the two proprietors, Lois Wyngarden and Kay Glanton. These two young ladies became acquainted three years ago while attending the Alba Beauty Academy of Grand Rapids and after a few years experience have started a place together of their own. Miss Wyngarden formerly owned a shoppe in Holland. The Lois-Kay Beauty Shoppe is beautifully furnished with all new modern equipment to take care of all lines of cosmetology. Miss Wyngarden is the daughter of Mr. and Mrs. Henry Wyngarden of Vriesland, and Miss Glanton the daughter of Mr. and Mrs. Harry D. Glanton of Lawndale Court, Holland.

Possession of a hen pheasant cost William Prelesnik, 21 years old of West Olive \$50 fine and \$6.85 costs in Justice Fred Workman's court at Spring Lake. Prelesnik, arrested by Conservation Officer Ira A. dressograph and the committee was to talk with officials in county owning the machine. Hunter Herkool of Crocker is chairman and Dick E. Smallenag of Jamestown and Mayor Richard L. Cook of Grand Haven are members of the committee.

**OTTAWA SUPERVISORS  
CONSIDER PURCHASE OF  
NEW ADDRESSOGRAPH**

A committee appointed from the supervisors to consider purchase of an addressograph for the court house, began investigating today. City Clerk J. N. Peol explained this working of Grand Haven's addressograph and the committee was to talk with officials in county owning the machine. Hunter Herkool of Crocker is chairman and Dick E. Smallenag of Jamestown and Mayor Richard L. Cook of Grand Haven are members of the committee.

**Veteran Ottawa  
Supervisor Taken  
Ill at Session**

Cornelius Roosenraad, veteran member of the Ottawa county board of supervisors, was taken ill suddenly at the court house, Grand Haven, after arriving from his home in Zeeland to attend a session of the board. He was removed to the county clerk's office until a physician arrived. Mr. Roosenraad had recovered sufficiently by noon to insist that he would stay for the afternoon session of the board, although it was against the advice of his physician.

Mr. Roosenraad, who is about 82 years old, has served a total of 28 years on the board. He is probably Zeeland's best known citizen, principally due to the number of people he has aided. Many of Zeeland's older residents, particularly those of Holland descent, always "talked with Cornelius Roosenraad about it" before taking any important business step. He had attended meetings every day last week. Last June, Mr. Roosenraad missed the sessions of the board due to a stroke from which he had apparently recovered.

Louis B. Dalman, assistant city engineer, underwent an appendectomy in Holland hospital last Thursday morning.

**OTTAWA COUNTY**

A large truck loaded with crude oil for transportation from the Holland-Burns oil field, Salem township, Allegan county overturned Friday afternoon at the Oakland Creamery corner, three miles northwest of Burnips. The name of the driver of the truck, owned by Devonian Oil Corp., was not learned, but he is reported to have escaped injuries. The truck was being driven north on the highway and was attempting to turn west when the accident occurred.

Old neighbors and friends surprised Benjamin Lugers, Sr., last Monday evening at his home at Lugers Crossing, the occasion being his 77th birthday anniversary. Mr. B. E. Walters rendered an original poem at the event, Dutch psalms were sung, and refreshments were served, after which Gerrit Heneveld closed with prayer. Henry Lugers, Sr., John Lambers, Mr. and Mrs. B. E. Walters, Mr. and Mrs. G. Heneveld and son Adrian, Mr. and Mrs. G. Klompars, William Lubbers, G. J. Rutgers, and the guest of honor attended.

**ALLEGAN COUNTY**

At the October meeting of the Parent-Teachers association of the Gibson school all officers were re-elected to serve another term. The officers include: Mrs. Frank Lundholm, president; Erick Hall, secretary, and Mrs. Erick Hall, treasurer. In the absence of the president, Mr. Hall presided at the business meeting. Appointment of various committees was postponed until the November meeting.

Mrs. James Boyce, Jr., retiring chairman of the entertainment committee, announced the program which included a vocal duet entitled "My Little Buck-a-roo" by Marjory Boyce and Helen Hartzer, accompanied by Mrs. Morris; vocal selections by the Saugatuck high school band, and an illustrated lecture by Mr. De Boer of Beechwood who showed pictures of his travels through the west.

Miss Irene Bauhahn and Miss Esther Sather, assisted by Mrs. Olaf Sundin served the refreshments.

A 65-year-old Saugatuck resident, Morris Kool, died Monday morning at University hospital, after a long illness. He is survived by his daughter, Mrs. Hattie Johnson of East Saugatuck; a son, Arthur Kool of East Saugatuck; four sisters, Mrs. Victor Eekelkraut of Fennville, Mrs. Harm Slenk of Holland, Mrs. Ben Tucker, Holland, Mrs. Henry Schroteboer, East Saugatuck; and two brothers, Henry A. Kool of East Saugatuck, and Henry Kool of New Richmond. Lanceland Funeral Home here had charge of funeral arrangements.

Funeral services for Mrs. Johanna G. Doreer, 75, of Gibson, were held last Wednesday at 1:30 p.m. at the Gibson home, with burial in Graafschaap cemetery. The elderly woman is survived by two daughters, Fannie and Marie Dogger of Gibson, two sons, Simon of Gibson and Abraham of Central Park; Mrs. Mary Elferdink, a stepmother; two sisters, Mrs. Martin Wabeke of Holland, and Mrs. Henry Kooyers of Fennville township, and two grandchildren, Mrs. Clyde Hollis of Comstock Park and Harry C. Dogger of Grandville.

Miss Helene Slikkers, daughter of Mr. and Mrs. Dick Slikkers of Hamilton, who recently became the bride of Arthur De Witt, son of Mr. and Mrs. Peter De Witt of Zeeland, was honored at a shower last week, given by her mother. Those attending were Mrs. John De Jongh, Mrs. Harvey Eemink, Mrs. Joe Zuverink, Mrs. John De Witt, Mrs. Gerrit Keizer, Mrs. Cornelius De Witt, Mrs. Peter De Witt, Mrs. Henry Menken, Misses Jean and Harriet Slikkers, Myrtle Tizman, Dorothy Bouwman, Jennie DeJongh, and Luey and Alma Kammeraad. Misses Sena Oetman, Cora and Anna Hamm, Dora Rutgers, and Mrs. Kenneth Dolan were also invited.

Six Fennville pupils are enrolled in Michigan State College. In all in Allegan county 31 students are attending. The total in the college at East Lansing is 5,181 students. Fennville sends the following: Robert Schaeffer, Andrew Johnson, Arnold Green, Albert Crane, Donald Johnson and Charles Atwater.

**ZEELAND**

Trial of Glimmer Ter Haar, Zeeland, was held in the court of Justice J. N. Clark, Tuesday, on a charge of assault and battery on John Bodde, also of Zeeland. Prosecutor John Dethmers presented the case of the state. On last Sept. 4, the assault is alleged to have occurred.

He paid a fine of \$25.50.

During the past week, among other business changes is the leasing of the Geerlings Brothers Oil Station on the corner of Elm and Washington Streets, Zeeland, to Gradus Vollink of Borculo. Mr. Vol-

link will continue the sale of Socony-Vacuum products and will also retain the services of Martin Lampen who has been attendant at that station for the past several years. In leasing their station to Mr. Vollink, Geerlings Brothers are leaving the retail selling of gasoline and will devote their entire time to wholesaling Socony-Vacuum products. The territory in which they are distributors has been greatly increased to include that south of M-50, west of Grandville to Lake Michigan and the northern part of Allegan county. Holland is included in their district.

**JAMESTOWN**

Ed Vander Brink spent the past week visiting relatives in Grand Rapids.

Mr. Maynard Van Noord is confined to his home with illness. Dr. Rues motored to Ann Arbor on Saturday.

The PT-A meeting was held at the school house for the first time on Friday evening.

Miss Ella Ensing was a supper guest of Mr. and Mrs. John Vander Kooij of East Jamestown on Sunday evening.

A new home is being erected for Mr. and Mrs. John Lambers. Miss Josie Overzeu is confined to her home with illness. Miss Julia Grit is assisting with the house work.

The Annual Golden Chain Union banquet will be held at the Second Reformed church at Zeeland on November 2.

The Christian Endeavor Society met Sunday evening with Mr. Jacob Tigelaar as the leader. The topic for discussion was "Are We Controlled by Propagandists?"

A surprise birthday party was held at the home of Mr. Bert W. Ensing celebrating his 60th birthday anniversary. Those present were Mr. and Mrs. Orrie Tams of Grand Rapids; Mr. and Mrs. William Albrecht of Hudsonville; Mr. and Mrs. Leonard Van Ess, Mr. and Mrs. William W. Suggestions**

By ANN PAGE

EGGS are an outstanding value considering the season and, unlike most foods, they are cheaper this year than last. Meats are again higher. Egg dishes alone or combined with cheese make appetizing and inexpensive dinner or supper dishes.

A bumper crop of apples makes this fruit an excellent one to use freely, especially as oranges are high. For variety bananas and grapefruit may be chosen.

As frost strikes many sections of the country the supply of home grown vegetables must be supplemented with those from the south and west. Seasonable foods make up the following menus:

### CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced open competitive examinations as follows: Associate geophysicist, \$3,200 a year, and assistant geophysicist, \$2,600 a year. Special agricultural economic writer, \$3,800 a year, Bureau of Agricultural Economics. Cottonseed technologist, \$3,800 a year, Bureau of Agricultural Economics. Full information may be obtained from D. Klein, Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city.

### FORMER HOLLAND RESIDENT IMPROVING

Arthur Van Duren, Holland attorney, has received word that his daughter, Mrs. Catherine Knutson of Grand Rapids, who has been ill for the past few weeks, is improving. Mrs. Knutson fell down the steps at her home about three weeks ago and suffered severe cuts on her right wrist in which three tendons were cut in two. The injury caused a blood clot to form on her left leg, Mr. Van Duren said. She has been returned to her home after spending a week in a Grand Rapids hospital for treatment of her injuries.

### OSBORN MISTAKEN FOR INDIAN GUIDE

Former Governor Chase S. Osborn still chuckles over his being mistaken for an Indian by three General Motors executives from Flint, who were fishing recently on Duck Lake near the Osborn summer home on Duck Island.

Mr. Osborn was rowing to visit friends on a houseboat, when he met the Flint fishermen. Conversa-

tion followed and one of the men remarked, "If you were not an Indian, I would have mistaken you for Governor Osborn. You look just like the picture of the Governor printed recently when he pulled in that big sturgeon. Maybe, you are the Indian guide that caught the fish in the first place."

Governor Osborn laughed, but did let the Flint men go on believing he was an Indian.

### SKUNKS CAN BE TAKEN THE YEAR AROUND

A year-around open season on skunks becomes effective in Michigan Oct. 29. On that date the general game laws, as amended by the 1937 legislature, will go into effect throughout the state. As a result of one of the changes made by the legislature, the skunk will be removed from the protected list and a special open season of from Nov. 1 to Jan. 31, allowed under the old law, eliminated. Until Oct. 29, however, the skunk can neither be shot or trapped legally in Michigan.

### It Makes One Dizzy

Whatever it may bring in the way of enjoyment, summer is always a season of confusion and worry for the motorist who ventures beyond familiar bounds, to battle the multitudinous traffic rules which rise up to plague him. What should be the simple becomes so complex with the progress from one community to another that he is a particularly well-poised driver who at the end of a day does not find himself in a daze from trying to observe speed limits that seldom are twice alike, figuring out how to make proper turns, and studying the many other regulations embodied in a forest of roadside and overhead signs.

It is a sorry commentary on lack of community cooperation that there has been no greater progress toward simplicity after all these years of agitation.

Nor does there appear to be any hope of relief as long as each village and city and state continues to be a law to itself.

Only with nationwide regulation of traffic, it seems, will there come a relief that is desirable from the driver's viewpoint and which will materially assist in cutting down human slaughter.

Why nation-wide driving regulations have not been inaugurated long ago is difficult to conjecture. Driving everywhere is much the same and such regulations codified and simplified would then be the same from Maine to California and it would be the law of the land—regulations all drivers would understand and by the same token all traffic officers would "speak the same language."

### DISTINGUISHED ARTIST TALKS TO CLUB HERE

Carl Hoerman, distinguished artist of the Saugatuck art colony, addressed members of the Woman's Literary club, Tuesday afternoon, in the first meeting to be held in the club house this year. There was a large attendance.

In his talk on art, Mr. Hoerman said that great artists are famous because they stimulate the brain. They record scenes glorified through emotion. The mission of the artist is to capture the spirit in his larger paintings to the club for the winter months was graciously accepted by Mrs. Kenneth De Pree, president of the club, who presided.

The speaker said that architecture must be the basis of all successful painting and in explaining the composition of a picture used one of his lovely dove pictures to illustrate that there must be rhythm and sequence with the proper use of light and shadow.

Mr. Hoerman's offer to loan two of his larger paintings to the club for the winter months was graciously accepted by Mrs. Kenneth De Pree, president of the club, who presided.

Mrs. J. E. Telling announced the Community Chest drive to be staged here Nov. 1-5.

Mrs. W. C. Snow and Mrs. D. B. K. Van Rastle attended an organ recital Wednesday evening, in Ann Arbor, by Marcel DuPre, famous French organist.

### Another Barrel Making Machine Invented at Grand Haven

Patents have been applied for by T. A. McMahon, William Glazat and William Hierholzer, Grand Haven, on a barrel making machine which they claim will manufacture 15 to 20 absolutely tight barrels an hour. A working model of the machine was used to turn out a two-gallon barrel some time ago and the inventors, who have worked on it several years during spare time, are awaiting the granting of their patent. They are employed at the Deak Engine Co.

The machine, hydraulically operated, will exert a pressure up to 50 tons, enough to make an absolutely tight barrel without use of cat tails or butt flagging as it is known in the cooperage industry.

Barrels are made by forming the steamed staves into a drum within the machine. Equal pressure is exerted by a number of steel forms which close in. Grooves are cut by a special cutting gear, at the top, the machine turning over on a pivot to allow the same operation on the bottom of the drum. Pressure is then loosened on the staves, the heads inserted and the staves tightened again. After this operation the hoops are put on, remaining in place under the slight expansion of the staves when the pressure is removed.

The new barrel making machine was designed by Mr. McMahon two years ago with Mr. Hierholzer, an engineer, making the drawings. Mr. Glazat, shop superintendent and an employee of the company many years, was consulting engineer.

This is the second barrel invention in north Ottawa. Some time ago a manufacturing plant was started in Grand Haven for barrel making and some Holland capital is invested.

### FISH CATCH CHILDREN; MAN CATCH FISH

The mysterious under-water attacks on children bathing in the new municipal beach at Mt. Clemens, Mich., have been brought to an end by a conservation officer with ordinary fisherman's luck. Earl Goff, the conservation officer, was summoned by authorities after several children had been attacked and bitten on the legs. Goff examined the injuries and then expressed the belief they had been caused by a catfish. He set a night line of 40 hooks at the scene of the attacks, using old cheese as bait. Within 10 minutes after the line was set, Goff caught a catfish weighing four and one-half pounds. Six hours later he caught another catfish, also weighing four and one-half pounds. No additional attacks on children have been reported.

### WEB WORMS REPORTED NEAR BYRON CENTER

Another outbreak of web worm infestation in new alfalfa seedling is reported from a farm in the southeastern part of the county, near Byron Center. The first recorded case was on the Meyer farm in Allendale township. The Ottawa county agent stated that there may be others, and urges that farmers be on the watch for worms. How to treat this pest can be found out by writing the Ottawa County Farm Agent, Mr. Arnold at the Court House, Grand Haven, Mich.

### OTTAWA REPAIRING OLD SCOUT CAMP AT PORT SHELDON

Work has been started on improving Camp McCarthy, the Ottawa county Boy Scout council camp. The camp site is located on Lake Michigan about seven miles south of Grand Haven in Port Sheldon township. It was a gift of Mr. and Mrs. Pat McCarthy.

Although the camp has not been used in several years, the council camping committee of the Ottawa-Allegan unit is repairing it for use as a short-term camp. The present mess hall, which has been deteriorating on the shifting beach sands, will be removed and made into another bunkhouse, to be built in conjunction with the present building, which serves as a bunkhouse.

Holland Scouts are building a short-term camp at Virginia Park to replace one destroyed in the Waukazo woods two years ago. Plans of the camping committee call for two short-term camps in Allegan county.

### THREE GRAND HAVEN MEN HOLD 33RD ANNUAL BIRTHDAY DINNER

G. A. Bottje of Grand Haven, former prominent merchant who retired many years ago; Olaf Nelson, former city alderman, and Charles Worsfold, custodian at the Elks club, held their 33rd annual joint birthday dinner party yesterday at the home of Mr. Bottje. Mr. Bottje was 84 years old yesterday, Mr. Nelson 72 years old and Mr. Worsfold, a mere 60. The trio began the celebrations in 1904 and they and their wives have gotten together for the dinner party every October 1 since.

### OFFICERS SELECTED BY SAUGATUCK CLUB

The Pokagon club, composed of Saugatuck business men, has elected officers as follows: President, E. S. Parrish; vice president, L. H. Waugh; secretary, D. J. Jinetie; treasurer, F. E. Force.

### EVER SEE A GROUND PEACH?

(Coopersville Observer)

Last Friday John Seekman brought a ground peach to The Observer office. It so happens that this is the first one we have seen, and we venture the opinion that there are many others in the same predicament.

The ground peach grows on a vine similar to a melon, but cannot be eaten raw. Mr. Seekman has four hills in his garden, and he says that he has 16 "peaches" on one hill. He secured the seed a year ago from a sister in Zealand.

### TO PLANT FISH IN COUNTY LAKES SOON

The planting of probably more than 250,000 bass, bluegills, and trout will begin about the middle of this month, Floyd Harter, member of the Conservation League of Allegan county, stated this week. The organization will cooperate with J. Marks, superintendent of the Wolf Lake hatchery, who is in charge of the plantings, and the members are now awaiting word from him as to when the work will be done.

The fish will be taken from the Wolf Lake hatchery and the bass rearing pond at Trowbridge and the bluegill rearing pond at the Allegan municipal dam. With the addition of the latter, the planting is expected to be greatly increased this year, from that of last year.

### Nearly 1,000 "Ringnecks" to Be Let Loose

Approximately 780 ringnecked pheasants reared at the state game farm near Mason last spring and summer will be released by the department of conservation in favorable pheasant areas of southern Michigan following the upland bird hunting season this fall. During the summer the department released 834 pheasant "breeders." A sufficient number of this year's hatch of young pheasants, approximately 1,200, is being kept at the game farm to keep up the breeding stock.

### Twin Colts Set All Time Record

Michigan livestock seems to be bidding for prolific hordes, if the record of a horse on the farm of Irving Taylor, Perry, Michigan, is an indicator.

Twin colts are unusual, but a six-year-old mare owned by Taylor already has had three sets of twins in three successive years.

In 1935 the mare gave birth to a male and female, but these were weak and died. In 1936 another male and female set of twins was born and these are still on the farm. May 26 this year another set of twins arrived, again roan in color and male and female and healthy.

No record like this has ever been known, says George A. Brown, head of the animal husbandry department at Michigan State College. Harry Moxley, horse specialist in Brown's department, concurs. The sire is a pure bred Belgian kept on the farm. The mother is a grade Belgian.

A son, Richard Taylor, owns one o each of the sets of twins. He is a 4-H club boy and recently purchased a pure bred ally to enlarge his activity in 4-H club work.

More unusual features which make the Taylor animals eligible to a "believe it or not" involve some extra feet. One of the 1936 twins has one extra foot, now small in comparison with the normal feet and in no way crippling the animal. The other 1936 twin was born with four extra feet but the pasterns absorbed them during growth.

The striped gopher, a lesser member of the squirrel family is just as busy gathering stores for the winter. This little fellow never drinks. He does not have to worry about water. Observers say that the gopher never stores food that will spoil. About the middle of September, he says goodbye to the sunlight, crawls into his burrow below the frostline, and shuts his eyes for one of the longest sleeps among the animals.

### BROTHERS MEET FOR FIRST TIME SINCE FAIR IN '35

Henry Chadwick of Binghamton, N. Y., visited his brother, Alexander, at his home in Wayland last week, meeting for the first time since the World fair in 1933 at Chicago. Of a family of five boys and two girls, these brothers are all who remain. Mr. and Mrs. Henry Chadwick came to Michigan to visit the University of Michigan at Ann Arbor to enter their grandson in the university. Henry Chadwick is 81 years old and his brother, Alexander, is 85.

### DU VALL OF PENN. VILLE NAMED PRESIDENT OF SENIOR CLASS

The senior class of the Pennville high school has elected as their president Crawford Du Vall; vice-president, Amelia Kinslarski; secretary, Lillian Woody; treasurer, Paul Pohly. Leo Van Tassel is class sponsor. Junior officers are William Cresson, president; Irvin Carter, vice-president; Dorothy Brooks, secretary; Shirley Nabbert, treasurer. Sponsors, Carson Beffert and Miss Florence Rothfuss. Other class elections scheduled for Monday evening were postponed.

### Flint Hotel Loses Saloon Era Relic

Flint's last relic of the saloon era which gave birth to "The Face on the Barroom Floor" has been erased by the advance of business. Strongly reminiscent of that famous old poem was the picture painted about 50 years ago on the wall of the old Bryant hotel, in what is now downtown Flint.

The story is that an elderly man of distinguished mien approached the proprietor late one night with the request for a job to provide him with lodging for a few nights and a drink or two. However, this gentleman was offering to do no menial labor such as washing dishes.

Instead he would paint such a picture "as was never seen in these parts" for his keep, he said. There was a blank wall in the back bar that could stand a little touching-up to hide the fly specks. So the artist went to work. The wall was large, so he made the painting big—some 80 feet in length and about 10 feet wide.

With the crude paints and brushes he could find he created a Rhine river scene that, it is said, delighted the bartenders and patrons no end. The transient painter remained in the hotel several weeks, farmers coming from miles around to see the painting and its creator.

Eventually the hotel was closed and the structure converted into stores. Last year, the two upper floors were declared dangerous when cracks in the outer walls appeared and were removed.

Now the old back-bar is the storage room for a credit clothing store. Recently, the proprietor, Manny Salter, decided to remodel and refinish the room. Regrettably, specked "Rhine Scene."

Mrs. Kenneth V. DePree and Miss Ruth Nibbelink, official delegates of the Woman's Literary club planned to attend sessions of the annual convention of the West Central district, Michigan State Federation of Women's clubs in Grand Rapids on Thursday and Friday. Sessions are being held in East Congregational church. Many local club members expected to attend some of the sessions.

## No Lean Period For Mr. Squirrel These Fall Days

Plenty of Nuts This Year and "Believe Us" They are Storing Them Right Now

Squirrels are busy gathering and burying nuts these days. They are following their instincts for storing food against those lean days of early spring when they have to depend upon their caches to survive. Every fine morning during the nut season, you may see squirrels busy burying nuts one at a time in little holes which they dig right in the open, without any landmark at all. Gray squirrels prefer hickory nuts, none too plentiful these days. Fox squirrels get along nicely with acorns.

If there is a hickory tree near you, there is practically a certainty of gray squirrels being on hand. Hickory nuts are their favorite food. They like them so well that they can scarcely wait for the nuts to ripen, and sometimes cut them down while they are still green. Gray squirrels are natural forest planters. Ernest Thompson Seton estimates that a single squirrel may bury as many as 10,000 nuts in a season.

Hickory Trees Planted Obviously they do not require nearly one-half of them for food. Hickory nuts, walnuts and hickory nuts will not take root from the surface of the ground like acorns. They must be planted or they dry up before their shell can burst.

For that reason it is almost safe to say that nearly every hickory tree was planted at one time by a squirrel. The squirrel meant to come back for the nut, but didn't. The fox squirrel like the gray, stores nuts in hundreds of thousands of pockets, under leaves or in the ground, usually one nut at a time. Red squirrels do not do this. They are sharp and do not. They may find them taking the seeds out of pine cones anywhere in the North country. Where there are no spruce or pine trees, there are few red squirrels.

Chipmunk Busy Too Autumn brings great activity to the chipmunk. This little fellow is active from daybreak to sunset during the harvest time. That is his season. He loads up his pouches, placing a kernel first on one side, then on the other, until they hold as much as two heaping tablespoons. The food goes into holes for later use. He likes corn and nuts. He can carry as many as four acorns in each cheek pouch. He bites the sharp end off the hickory nuts before putting them in his pouches. During the coldest weather, from October to March, the chipmunk sleeps, hence his food caches are really meant for early spring.

The striped gopher, a lesser member of the squirrel family is just as busy gathering stores for the winter. This little fellow never drinks. He does not have to worry about water. Observers say that the gopher never stores food that will spoil. About the middle of September, he says goodbye to the sunlight, crawls into his burrow below the frostline, and shuts his eyes for one of the longest sleeps among the animals.

Referred to the Street Committee.

Clerk presented the following applications for license to conduct eating houses: Mrs. Margaret Hallet, 47 E. 13th st.; Mrs. Elizabeth Kirchner, 17 W. 9th st.

Granted.

Reports of Standing Committees

Street Committee reported recommending the purchase of an additional compressor and other necessary equipment to be installed on the new 1937 Studebaker truck.

It was reported that if this truck were equipped in this manner that the snow plows could be exchanged from one truck to another as needed. The cost of this equipment is approximately \$106.00, and the Committee recommended that it be purchased.

Adopted.

Claims & Accounts Committee reported having examined claims in the amount of \$5,454.08.

Allowed.

Committee on Public Buildings reported that the Hospital Board had received bids on the painting of the outside of the hospital, and recommended that the contract be awarded to F. E. Kammeraad. The price quoted was \$367.00, and further, that a deduction of \$40.00 could be made from this price if the extras were omitted. These extras consist of painting on the roof of the building.

It was moved by Ald. Brouwer, 2nd by Smith.

That the recommendation of the Hospital Board be adopted. Carried.

Committee on Public Buildings reported that the cement block garage in the rear of the city-owned residence at the corner of River ave. and 12th st., is in need of repairs.

On motion of Ald. Kalkman, 2nd by Drinkwater.

Referred back to the Committee on Public Buildings for investigation.

Ald. Brouwer reported for information of the Committee that it was his understanding that the Doctors who have a lease on this building do not use this garage, and in view of this fact, it might be advisable to have the building removed entirely rather than repaired.

Ordinance Committee gave notice that it will introduce at a later meeting an amendment to our present ordinance governing Pool and Billiard Halls and Bowling Alleys.

Reports of Special Committees

Ald. Brouwer, chairman of the special committee appointed to investigate the complaint of Dick Homkes relative to an injury sustained sometime ago, reported progress.

City Attorney Parsons reported that he had been in conference with the Board of Public Works relative to the City of Holland entering into an agreement with the father of Dena Spykman who was injured by a sewer-cleaning machine sometime ago.

The City Attorney reported that it was his opinion that the City is not liable for this injury. However, the Board of Public Works felt as though it should pay the necessary doctor and hospital bills, and perhaps compensate Mr. Spykman for the injury to his daughter. It was the recommendation of the City Attorney that the matter be referred to the Committee on Way & Means.

Adopted.

Mayor Henry Geerlings reported that he had met with the Board of Public Works and discussed the necessity of an additional traffic light on River ave. Mayor stated that the Board of Public Works would be agreeable to financing a part of the expense of such a light if the City would get permission from the State Highway Department to have it erected. The Mayor recommended that the matter be referred to the Committee on Public Lighting.

Adopted.

Communications from Boards and City Officers

delinquent scavenger bills, sidewalk construction, and sewer and water connections.

Filed in Clerk's office and hearing set for Wednesday, Nov. 3, 1937.

Clerk reported that pursuant to instructions he had given notice of the proposed construction of the following lateral sewers: Lincoln ave. and 30th st., West 22nd st. No. 4, and Washington ave. and 29th st., and of the time and place for hearing objections if any to the construction of said sewers. Clerk further reported that no objections had been filed in his office.

Plans, specifications, etc. adopted and sewers ordered constructed.

Clerk presented communication from the Board of Public Works that the selection of an auditor to audit the books and records for the ensuing year be determined at an early date.

Referred to Ways and Means Committee.

Clerk presented report from City Inspector Wiersema giving a resume of his activities during Sept. Accepted and filed.

Clerk presented communication from the Police Board recommending to the Council that they request the Park Board to remove shrubbery at the intersections of Maple ave. and 17th st., and Maple ave. and 18th st. This request is being made since the high shrubbery at these intersections obscures motorists' view and makes driving hazardous.

Approved and Clerk instructed to make such request to the Park Board.

Clerk presented communication from the Appeal Board informing the Council that said Board refused to approve the request from the Vandenberg Bros. Oil Co. for a permit to erect a gasoline filling station on the n. w. corner of River ave. and 10th st.

It was moved by Ald. Bultman, 2nd by Smith.

That the action of the Board be approved.

Ald. Brouwer, however, stated that in his opinion an oil station on this corner should be permitted. It was his contention that it would be safer from a traffic standpoint to have an oil station on this corner than to erect a commercial building that would obstruct the view and make driving more hazardous.

A substitute motion was offered by Ald. Brouwer, 2nd by Kalkman.

That the communication from the Appeal Board be tabled.

This motion, however, was lost by Ayes and Nays as follows:

Ayes: Aids. Prins, Kalkman and Brouwer—3.

Nays: Aids. Kleis, Drinkwater, Oudemool, Steffens, Huyser, Bultman, Smith and Vogelzang—8.

The original motion of Ald. Bultman that the action of the Board be approved and sustained, was then adopted.

Ald. Vogelzang reported having received a complaint from Simon De Boer who operates a filling station on the Northeast corner of Michigan ave. and 32nd st. The complaint registered by Mr. De Boer is in regard to not having proper storm sewer facilities to carry off the water.

Referred to Street Committee for investigation.

Ald. Vogelzang reported that in talking to different people and also with the coal dealers, it was his opinion that it would be a good thing for all concerned to have the Police Department go out and stop different coal trucks and have them brought in and weighed. Mr. Vogelzang stated that it was his opinion that the coal dealers all give an honest weight. Nevertheless, he felt that it would meet with the approval of many citizens and give confidence to all concerned if a checkup were made periodically on the weights of coal that were delivered about the City.

Clerk instructed to write the Police Department requesting them to make such checkup.

Ald. Prins reported recommending copies be printed of our present City Charter. In this connection, it was brought out that there are no further copies available of the old Charter. However, since the old Charter was adopted many amendments have been passed, and in order to bring our Charter up-to-date, he felt it would be a good thing to have all of these amendments properly inserted and new copies printed.

It was the further recommendation of Ald. Prins that the Council appoint a committee to act with the City Attorney and City Clerk in taking care of this matter.

Adopted. Mayor appointed as such committee: Aids. Oudemool, Brouwer and Steffens.

Ald. Brouwer reported that he had received complaints relative to the smoke nuisance caused by the firing of the City Hall boilers and recommended that the matter be referred to the Public Building Committee for investigation.

In this connection, it was stated that the only way to eliminate the smoke if soft coal is to be burned, would be to install stokers, and the Committee was instructed to look into this matter as well.

Adopted.

Ald. Kalkman reported that the City is constantly being annoyed due to the fact that the property around the Grandstand is being destroyed. It was reported that windows and sashes are frequently broken and other damage done about the Ball Park. Ald. Kalkman further reported that the City has been unable to secure proper co-operation from the Police Department in stopping this destruction of property, and recommended that a committee be appointed to meet with the Police Board to see if something can be done about it.

Adopted. Mayor appointed as such committee: Aids. Brouwer, Smith and Bultman.

Unfinished Business

Clerk reported that the selection of an alderman to fill the vacancy caused by the resignation of Ald. Damsen would be in order since this matter was deferred at the last meeting of the Council.

On motion of Ald. Bultman, 2nd by Oudemool.

The Council proceeded by ballot for the selection of such new alderman. In this connection, the Clerk presented a petition signed by several voters in the 4th Ward recommending the appointment of Mr. Joe White.

Ald. Steffens presented the name of former Alderman Bert Habing.

Mayor appointed Ald. Oudemool and Smith as tellers.

On the 1st ballot, Mr. Bert Habing received 6 votes and Mr. Joe white, 5. Since 7 votes are required to select an alderman, it was moved by Ald. Steffens, 2nd by Vogelzang.

That the matter be postponed for two weeks. The motion was LOST.

Two additional ballots were taken, and in both cases, Mr. Habing received 6 votes and Mr. White, 5.

It was then moved by Ald. Kleis, 2nd by Huyser.

That the matter of selecting an alderman be deferred for two weeks.

Carried.

Adjourned.

HKT. Oscar Peterson, City Clerk.
