## Tannery Site Is Discussed At Council Meet

ALDERMAN SMITH SAYS CITY  
ALREADY HAS 2/3 OF A  
MILLION IN UNTAXABLE  
PROPERTY

Alderman Prins Wants to Know  
Why the Report Should Have  
Been Given at this Time

Alderman Frank L. Smith, chairman of a special committee appointed by Mayor Henry Geerlings to obtain the figures on how much untaxable property the city owned and how much it would cost the city to fix up the proposed tannery property between Pine and Maple Avenues and north of 8th Street, at the meeting last night gave his estimate as \$443,470 as land not taxable within the city limits. "This," Mr. Smith said, "does not include the so-called 'island' purchased by the city at the head of the bay which is entered in our harbor and other prospective improvements of a civic nature, nor the farm property on East 16th Street, at one time intended for a cemetery, nor the unoccupied school property, which belongs to the Board of Education." He added that the committee had obtained their figures from a contractor as to the cost of improving the tannery property after it was once acquired. The figures which Mr. Smith gave to the council were that the blasting of the concrete abutments and foundations and the removal of these from the tannery property would cost approximately \$8,000. The cost of filling in the property up to street level from city engineer's figures would be approximately \$3,500. These two items would total \$11,500. This does not include the laying of a sidewalk the full length of the south side of the property. The cost of the property, according to the bond issue, for the two parcels would be \$16,500. This would be augmented by an annual cost of \$500 which is now received in taxes on the property.

When the report was read, Ald. Kalkman, who has been sponsoring the purchase of that property for some time, said, "Ald. Smith is trying to throw a monkey wrench in the wheel. If we don't buy this property, where will we ever be able to build a civic auditorium or a bandshell? They are trying to scare the people into voting against buying the tannery property." Alderman Smith then took the floor again, and said, "We are not trying to throw a monkey wrench in the wheel, but are rather trying to inform the people on how much property they already own, and what it costs them. The committee pointed out that purpose worked best thereon, and that was the understanding before the matter ever was sanctioned to be brought to the vote of the people."

Ald. Oudemool said, "My opinion is that the cost of \$11,500 to fix up that tannery property is a conservative estimate. The council should be responsible for informing the people of these facts." Ald. Oudemool suggested that the committee should be thanked for their report rather than be attacked for the report that they made. Ald. Kalkman then said the property should not be filled because eventually the fill would be removed when a building was put on the property. He suggested that the property should be used as a parking space until some better use is found for it.

Ald. Huyser said, "Ald. Kalkman is attempting to argue for the buying of the property. The committee was only asked to report on the situation of city-owned property, and what it will cost to improve the tannery property after we own it. The question on the floor is what we should do with this report. We should inform the taxpayers before we load them with another debt."

Ald. Brouwer then expressed his opinion that, "The committee only desired to give the taxpayers the correct information and not to throw cold water on the proposition. However, in fairness, we should state that there is not another piece of property of this size in the city that is available."

Ald. Brouwer said he was always in favor of the tannery and would let the people decide, and they would vote their sentiments at the fall election.

Ald. A. P. Kleis made inquiry as to the disposition of the natural waterway running through the property. "If a sidewalk was built would the waterway be closed?" he asked. City Engineer Jacob Zuidema said there but that it was closed, means of an outlet would have to be provided.

Ald. Prins, after all the discussion, wanted to know why this report should have been brought in at this time, which was of a discouraging nature. He asked specifically what the purpose of the report was. He was told that before the matter was submitted at all, several aldermen insisted that they had no objection to put the matter to a vote of the people again, but the public should be informed about the whole matter, the direct and indirect cost, and also the finding out of how much untaxable property the city already possessed.

Ald. Kalkman then moved that the report of the committee be accepted and published. The motion was carried by a unanimous vote. The committee who compiled the report were: Ald. Frank L. Smith, chairman, Ed. Brouwer, and Peter Huy-

## Wife Of Zeeland Artist Will Continue Studio

FORMER HOLLAND PHOTO-  
GRAPHER DIES AT ZEELAND

Edward J. MacDermid, for more than three decades a citizen of Zeeland, died at his home on Tuesday, at the age of 73 years. Before going to Zeeland, Mr. MacDermid was a photographer in Holland, located in the building now occupied by the Holland Shoe Hospital east of the Warm Friend Tavern, which for many years was headquarters for Holland's first photographer, the late B. P. Higgins. For many years that building was used by photographers.

Mr. MacDermid moved from Holland in 1891 to Zeeland, and was employed by the late Gerrit Tromp, who ran a very popular photographic studio at Zeeland. This studio was located on the site of the present Nykamp Food Market. Later he purchased the interest of Mr. Tromp, and conducted the enterprise alone for four years. He sold the business in 1895 to the late William Van Koevoering, and for ten years operated a studio at Georgia, Alabama, Florida, New York state, and in the Carolinas.

He is one of the men who was at the Buffalo Exposition when the assassin was shot. The assassin was a young anarchist named Sholoshov. Before coming to Zeeland in 1898, he had done commercial photography at Grand Rapids, especially among the furniture men. In 1908 Mr. and Mrs. MacDermid moved back to Zeeland and re-purchased the photograph studio of Mr. Van Koevoering, and they have been citizens of Zeeland ever since. Mr. MacDermid was always considered an artist, and built up a reputation for fine work which extended far beyond Zeeland. His studio will be continued under Mrs. MacDermid, assisted by Miss Jennie Karsten and Mr. N. De Vries, who were associated there for a number of years.

Mr. MacDermid was born at Burrell, Ontario, where he was reared to manhood. As a young man he moved to Reed City, Mich., together with the other members of his family. He soon came to Grand Rapids where he became an understudy in photography, which has been his vocation throughout his life.

May 22, 1886, he was united in marriage with Miss Pearl Spalding at Howe, Indiana, and settled in Grand Rapids.

The funeral services will be held at Langeland Funeral Home at two o'clock this Friday afternoon, Rev. Richard J. Vanden Berg officiating, and interment will take place in Zeeland cemetery.

He is survived by Mrs. MacDermid, one son and one daughter, Vern MacDermid of Cleveland, Ohio, and Mrs. Florence Willson of Montvale, New Jersey; and seven grandchildren; also two sisters, Mrs. Jennie E. Smith of San Francisco, Calif., and Mrs. Maude Lester of Grand Rapids.

Ald. Drinkwater again spoke upon his favorite subject, the old hospital. He moved that the city rent the property to the rear of this building to a party who will sell Christmas trees from it. His motion was approved. He then read the council that the water must be drained in this building, and that the drinking fountain about the city must be taken up. These actions were delegated to the building committee with the power to act. Mr. Drinkwater is the efficient chairman of this committee.

Ald. Drinkwater mentioned that the election inspectors for the November elections should be appointed. The following men were appointed and approved for the positions: 1st ward, Alvin Brandt; 2nd ward, John Wolman; 3rd ward, Peter Brusse; 4th ward, Wm. Lawrence; 5th ward, 1st precinct, David Damstra, 2nd precinct, Fritz Yonkman; 6th ward, Marvin Stegelder.

Ald. Brouwer moved that the council pass a motion of approval of the Holland Community Chest drive. His motion was supported by Ald. Smith, and unanimously approved.

In other business before council, Ald. Albert P. Kleis reported that the special committee named to investigate the protest that the basement church of the Orthodox Baptist church, Pine Avenue and 19th St. is an "eyesore" is making "progress."

Mrs. Cornelius W. Dornbos of Pine Ave. attended session of the convention of Christian Reformed Young Women's Federation in Muskegon Friday.

Dr. John Sterenberg, George Tinsell, Jerry Houting, K. Trapp and Glenn Mannes' hunting went east of Holland and brought home fine bags of pheasants.

Dr. H. P. Harme is in New York City where he flew by plane. He is attending sessions of the American College of Surgeons. He will be back Saturday.

The committee mentioned about 50 separate parcels of land, ranging from \$40 to \$200,000. The latter was the land and buildings of the Board of Public Works not including the equipment. The sewage disposal plant was put in for \$75,000, and the city hall and abutting two houses to the south, also city property, at \$85,000. The latter figure of the city hall is surely most reasonable. A building of that type could not be erected for \$100,000 today.

Other figures given were: hospital at \$160,000; new standpipe at \$50,000; Kollen Park at \$30,000; Centennial Park at \$40,000; and Prospect Park at \$8,000.

Sixty Years Ago Today

Another one of those dangerous operations was performed as several times heretofore on Rev. Rolf Pieters of this city by Dr. De Camp of Grand Rapids. The wonderfully strong constitution of Rev. Pieters and his recuperative powers have hitherto carried him through, and he is again recovering fast at this time. The old Van Raalte "Big Pillar" church pulpit directly after the retirement of Dr. Van Raalte, our founder. It was Rev. Pieters who delivered the funeral address over the remains of Dr. Van Raalte. Rev. Pieters lived on East 10th St. in a brick house which stood for many years after and until the present parsonage was built. Dr. Albertus Pieters of the Western Theological Seminary is a son among other children—one daughter today is a missionary in Japan about to retire.

Fifty Years Ago Today

Burglars, between Saturday night and Monday morning, entered the saloon, "Rose Bud," on River St., cracked the safe and carried away \$450, the Saturday night receipts. The burglary was noticed when H. D. McDuffies, of Allegan, who recently purchased the place from Mr. Blom, Sr., opened the doors Monday. The sample rooms looked like very much writhed "rose bud," to be sure, powder smoke blackening the walls. Two Allegan county men who were seen hanging about the place for a few days were held for examination.

Be sure to go to C. Blom, Jr.'s, confection shop and get one of his cool summer drinks he calls "milk shakes." Note: Those were the mother of malted milks, only they were shaken up with a sort of teeter-totter on a wheel turned by hand. Wish I had one now.

Attorney Philip Padgham of Allegan made the run for attorney general of Michigan on the Republican ticket. He was defeated at the state convention. Note: Later he made the run for circuit judge of Ottawa and Allegan counties and held the office for nearly 20 years. He was followed by Judge Orie C. Cross of Allegan, now of the law firm of Diekema, Cross & Ten-Cate, and held the office for 18 years and now the judge is Fred T. Miles of Holland, who is serving his second term of 6 years.

The terrible condition of the Grand Haven road north of the bridge has brought action. This week you might have seen a procession of teams passing over by scow. Already a mile of road, the worst part, has been graveled toward North Holland, and this man. For years this was the finest home in Holland and is still beautiful.

George Zuverink, Jr., the young man who was implicated, when his best girl, Jeanne Maat, age 22, of Holland, was swept from the running board, fell to the pavement, and was almost instantly killed Oct. 8, was bound over to circuit court on a negligent homicide charge after he had had his hearing before Justice Galien. He was held on that charge, although the manslaughter charge was not entertained by the justice.

It will be remembered that the two were celebrating with others at the Louis Dykstra home, where a marriage had taken place. Zuverink was going downtown late in the evening during that celebration. His girl objected to it, and tried to prevent him from going by jumping on the running board. Zuverink testified that he did not know that Miss Maat was on the running board and was not aware of it until she knocked on the window, and not until that time did he apply the brakes, the suddenness of which, it is alleged, made her lose her balance and fall to the pavement on her face, bringing a skull fracture from which she died almost instantly. Police officers who had placed Zuverink in a cell in the city jail testified that the young man was so broken up that the local officers used extra precaution to keep him from self-destruction.

Attorney for the defendant, Clarence Lokker, asked that the charges be dismissed; however, upon motion of prosecuting attorney John R. DeWitt, Zuverink was bound over to circuit court for trial and was released on \$500 bail. The case has been set for November 6.

Dr. Bill Van Putten received a telegram from Tommy Moran, his jockey, stating that his horse, "Turk," was won first money in the 2:30 class at the race at Logan, Ohio. Note:—Next to McKinley, "Turk" was the most noted horse in Holland's race horse days. The Van Putten stable was where the Holland Printing Co. and the Sentinel buildings now are and the bakery store is the present Banner Bakery building on River Ave.

Forty Years Ago Today

Letters from the Spanish war front to parents were received from Santiago, Cuba, from William and Charles Riler. The latter filled a column of space. They tell of their march over railroad tracks, bad roads and undergrowth while shells from the Spanish fort dropped everywhere. In one instance they saw two American soldiers killed. In the meanwhile, Sampson's American fleet was keeping up a terrific fire on the fort and reduced it to ruins, firing long after the fort had been silenced. The letters are indeed interesting.

The Holland boys who fought in the Spanish-American war have arrived at Island Lake, where they will stay for a short time and will then be mustered out of the U. S. service, with an honorable discharge. Gov. Hazen S. Pingree welcomed the boys. A large committee, headed by Mayor G. W. Moksma, is preparing a homecoming for the Holland soldiers. Ex-mayors on the committee were Isaac Cappon, Wm. H. Beach and George P. Hummer.

John H. Van Lente at the Spanish war front writes his father. He, too, tells about the hungry mosquitoes for northern blood. He, too, had taken an ocean bath and likes it better than Lake Michigan. He tells of the foreman of a gang of negroes who got sunstroke and died—the thermometer registering 120 in the shade. John's last letter was from Ernest DeFevery, county of state convention and there was oratory a plenty.

## Holland Girl Makes Good In Railroad Work

MISS DOROTHY CLEMENTS IN  
CHARGE OF NEW DEPARTURE  
ON BURLINGTON SYSTEM

The Baltimore and Ohio magazine, the official publication of the B.&O. and the P. M. railroads, publishes a picture of Miss Dorothy Clements, daughter of Mr. and Mrs. George Clements, 166 W. 15th Street. Mr. Clements, it will be remembered, was the head of the Pomeroy Printing Company here for a quarter of a century, and until it moved back to Chicago. Miss Clements was born in this city, a graduate of Holland high school, and studied at Hope College, and was one of Holland's popular young ladies.

She left this city and was successful in new fields. The magazine mentioned above publishes the following story relative to the work Miss Clements is doing which appears to be a new field being tried out in one of the big systems.

DOROTHY CLEMENTS, BURLINGTON TECHNOLOGIST

An interesting Burlington woman working in a new field for women in railroading is Dorothy Clements, technologist. Emma Chicago, a passenger representative, and Verna McPeak is the Burlington's supervisor of passenger train service. (Stories on both of these have appeared in previous issues.) Then there are the train hostesses on the Zephyr trains, concerning whom volumes could be written. (And much has been written; we regret that space limitation forbids reprint of an interesting story of their qualifications and duties.) Laboratory technique, according to Miss Clements, is highly recommended as a fascinating field to those interested in biological science. After receiving her A. B.

Peter Smith of North Holland figured in an exciting runaway when his wheel broke from his wagon and he was dragged along for several rods by the lines, which finally broke. One of the little girls fell from the wagon but the other stuck bravely and was unhurt. The accident was caused by a Holland interurban running into the wagon. Herman Damson, the drayman, caught the horses near the West Michigan Laundry on West 8th St.

C. Blom, Sr., has sold his residence on Pine Ave. and 11th St. to Harmanus Boone; consideration, \$5,000. Mr. Blom is raising the old "Rose Bud Saloon" on River Ave. and will put up a double store and live with his family on the second floor. Note: The building on River Ave. is still the property of the Blom family. The house in question was built by the late John J. Cappon (son of the founder of the tannery here) shortly after his marriage. It was considered the last word in houses at that time. Attorney Orie C. Cross lives in it today. The second floor residence built by Mr. Cappon was the one on Maple River Ave. and 11th St., now owned by William J. Olive, local insurance man. For years this was the finest home in Holland and is still beautiful.

Miss Dorothy Clements, degree from Michigan State College, Dorothy took a secretarial course which has been invaluable even in her present work. After two years' business experience she took a year's post-graduate work in chemistry at Hope College, Holland, Mich., then began practical training in laboratory technique in the laboratory of Jackson Park Hospital, Chicago. Thence to Grace Hospital, Detroit, where she was secretary to the pathologist, did emergency work, had charge of the clinic laboratory, and attended lectures. After about eight months she was put in charge of the Biochemistry and Serology Department and gained much excellent experience while training students.

A year and a half ago Dorothy became associated with the Chicago, Burlington and Quincy Railroad Medical Department. "I have thoroughly enjoyed my associates and the work entailed in opening a new department," she says. "Since its establishment on August 3, 1936, the laboratory has completed 18,525 tests consisting of urinalyses, blood counts, Kahn and Eagle tests, smears, coagulation time, blood sugar, basal metabolism, electrocardiograms, sputum examinations, kidney function tests and all of which shows that there is a definite need for a laboratory in connection with a railroad Medical Department."

Albert Brink, 255 Lincoln Ave., was confined in Holland hospital, recovering from the effects of being overcome by gas at his home Saturday night. He has been discharged from the local institution as better. It was reported that George Zuverink, 266 Lincoln Ave., broke into his home and discovered him lying on the floor. Local police were called and removed him to the hospital. A resident in an upstairs apartment smelled gas and notified Zuverink.

Miss Lida Rogers, for many years head of the biology department of Holland high school, is confined to Holland hospital with illness. She is somewhat improved.

Today, Friday, will be a red-letter day for the boys and girls in East Junior high school; for today has been set for the soap-box automobile race. It will be held at 4 o'clock, and it is stated that 34 students will participate. The derby will be staged on College Avenue, of course traveling north, beginning at 22nd and 23rd streets. The finish line will be between 20th and 21st streets. The car must be of home construction, using wheels of less than 10 inches in diameter. Miss Glendora Lowe and Miss Vander Heuvel made their own cars, and it is said their work is excellent. Miss Vander Heuvel's car has a metal steering gear which she welded herself.

Clarence Jalving will show motion pictures at a meeting of the XL class of Third Reformed church this Friday evening at 7:45 o'clock at the home of Mrs. E. Slooter, 206 West 11th St.

Walter Savage, 10 son of Mrs. Margaret Savage, 353 College Ave., was injured Friday night when he fell to the pavement while jumping from the running board of an automobile. He was taken to Holland hospital.

## NEW MANAGER OF TULIP TIME

At a recent meeting the tulip time committee selected S. H. Houtman of the staff of the Holland Post Office as the manager of the Tulip Festival. Mr. Houtman is better known to his host of friends as "Sip." He is a natural-born artist, has played an important part in local theatricals, stage setting, etc., and was the builder of the first Netherlands village which took so well during that Tulip Festival.

But his crowning achievement was the planning of Klein Nederland which took visitors and local folk by storm. This exhibition gives room for much elaboration and extension. Mr. Houtman is also a good manager as well as an exceptional federal employee. Mr. Houtman was selected from a long list of other applicants. He surely will make good. In the planning of Klein Nederland he surrounded himself with several other good local artists, and their combined work brought this creation picturing the "land of dykes."

HOPE MEN'S CLUB TO SEE  
OLYMPIC GAMES

The fall activities of the Men's Club of Hope Church will begin next week Wednesday at 8:30 at Hope Church parlors. This will be a dinner without speakers. Thank goodness for that! However, there is a treat in store for the fans of the last Olympic games held in Germany, in which American teams won top honors, will be shown. The spread is in charge of the women of Hope Church, and they know how to put on a real palatable meal. Come on, men, let's go! Mr. Henry S. Maents and committee are in charge of arrangements.

WIFE OF SUPERVISOR PASSES  
AWAY

Mrs. Neil De Cook, age 63, wife of former alderman and supervisor, De Cook, died suddenly Tuesday morning of heart failure at her home on Central Avenue and 15th Street. She is a member of the Star of Bethlehem, chapter O. E. S., and of the Christian Science Society.

Miss Eleanor Duffy, daughter of Mr. and Mrs. J. Frank Duffy of Washington, D. C. is convalescing in a Washington, D. C. hospital following an appendectomy Saturday night. Mrs. Duffy is in the care with her daughter, who is a student at Visitation convent in Washington.

Mrs. Mabel Vanden Berg, executive secretary of the Ottawa County Red Cross chapter, and Mrs. Henrietta Kaatz of Grand Haven, executive secretary of North Ottawa county, will go to Kalamazoo Tuesday to attend a conference planned for the coming annual roll call.

The Woman's Guild of Grace Episcopal Church will hold a rummage sale this week Saturday, October 22, beginning at 9 o'clock at the parish hall on West 9th St. near River Avenue.

Ted Baker, of the Baker Beverage, while hunting near Pennville, succeeded in bagging a cock pheasant Saturday.

Neal Sysma, "Ken" Woldring, and Ralph James had their game bags well filled with pheasants, shooting down their limit early.

John Olt, who has been ill at his home, 56 West 16th St., for at least a month, is reported to be in an improved condition.

Mr. and Mrs. Nick Hofsteen of Holland left for Madison, Wis., to visit their son and daughter-in-law, Dr. and Mrs. Leslie Hofsteen. They will also visit in Green Bay, Wis., and will return in about a week.

## "Chest Drive" Organization About Complete

ALFRED C. JOLDERMA AND  
CHESTER VAN TONGEREN  
CO-CHAIRMEN SPECIAL  
GIFTS DIVISION

Alfred C. Jolderma and Chester Van Tongeren will head the important Special Gifts Division of the Community Chest campaign as co-chairmen. This division will solicit contributions from the larger donors, both individuals and companies. All donors who regularly give \$50.00 or more will be contacted by this committee. It is expected that approximately 60% of the total quota will be raised by the Special Gifts Division. Last year, under the chairmanship of Henry S. Maents, approximately \$9,000 was raised. This division will start work at once and the committee expects to have many of their subscriptions in during the coming week. It is necessary to start this campaign before the general campaign as in many cases it is necessary to have meetings of the directors before the amount donated by the larger companies is decided upon. Other members of this committee will be chosen at a meeting tonight.

Mr. Van Tongeren is a native of Holland. He is a graduate of Holland high school and attended Hope College until the time of the World War when he left to join the 8th Division of the regular army. He played center on the Hope College basketball team for three years and later played the same position on the 8th Division basketball team. After the close of the war he entered the business world and in 1924 founded the Dutch Novelty Company and novelties. Starting from a very small beginning, the company has prospered to the extent that it now gives employment to approximately 200 people in Holland. They have recently purchased and remodeled their present plant on River Ave. and do a nation-wide business. Mr. Van Tongeren is past-commander of the American Legion, a member of the board of directors of the Exchange Club, the Chamber of Commerce and the Salvation Army. He is a member of Trinity Reformed Church; is married and has three children.

Mr. Alfred Jolderma, who will team up with Mr. Van Tongeren in heading the Special Gifts Division, came to Holland thirty-two years ago. He was graduated by Holland high school and by Holland Business College in his home state. He was employed by the Holland City State Bank for one year and then entered the U. S. Chemical Warfare Service. After being discharged he returned to Holland and was associated with the P. S. Beter Company for six years. He then went into the clothing business in Grand Haven and later returned to the Holland City State Bank with whom he was associated for thirteen years. He is now cashier of the Holland State Bank.

Mr. Jolderma is married and is the father of a son who is a junior in the college. He is treasurer of the Chamber of Commerce, a member of the American Legion Band and was State Treasurer of the American Legion for five years. He is vice-commander of the 40 & 8 Club and is a member of the board of directors of the local chapter of the American Red Cross.

A meeting of all Division Chairmen and the Campaign Committee were held at the Chamber of Commerce headquarters the Holland City State Bank building last evening at which time captains and personnel were chosen for each of the divisions. These captains in turn will select their team members, and the total number of workers is expected to reach 150. Other activities relative to the "Chest" drive will be found on the next page of this issue.

Bernard De Pree was elected president of the Men's League of Third Reformed church at the annual business meeting of the league in the church parlors. Bernard Arendshorst was elected president; Gerald Bolhuis and Simon Meuwissen, treasurer. Al Van Lente, retiring president, presided at the business meeting following the supper. Music was furnished by the Hope college girls' trio, accompanied by Mrs. W. C. Snow. About 80 were present. The speaker for the evening was Dr. John M. Hepler of the Michigan Department of Health who spoke on the topic, "Scientific Prevention of Occupational Diseases." He described these diseases and told what is being done to prevent them.

Ed De Feyter brought down a pheasant in the first hour, out near Macatawa Saturday. He is a local freeman.

Mrs. Ed Vaupell, 57 E. 18th St., received word that her sister, Mrs. Minnie Reisdorf, age 76, wife of Dr. Albert Reisdorf of Grand Haven, pioneer dentist, died suddenly at the home of her daughter, Mrs. Lee Lynde of Detroit, where she was visiting. Mrs. Clarence Poppen, formerly of Holland, now of Reading, Mich., is also a sister.

At the annual meeting of the West Michigan Yachting association, held recently at the Meritens hotel in Grand Rapids, O. W. Lowry of Macatawa Bay was elected secretary-treasurer.

Merrick Hanchett and Tony Last, of Holland, have been attending the national bakers' convention in Grand Rapids.

The Rev. E. Paul McLean, Hope College professor on leave of absence for this semester, underwent a major operation in St. Luke's hospital in Chicago on Monday morning. His condition is reported to be satisfactory.

American airlines have taken a very sensible step to prevent accidents during the cold weather flying season.

They have agreed to stop competitive flying when weather conditions are dangerous.

All rival lines, that is to say, will cancel scheduled flights on a specified route if the dispatcher for any line using that route decides flying conditions are not safe.

Safety is what the airlines seek, safety for their property and for the lives and property of passengers and shippers, and they have discovered that most crashes that have hampered the growth of their business have occurred during periods of difficult flying weather.

The decision to pool their interests in this connection, and not to gamble with death in an effort to beat the others, should have the effect of still further increasing public confidence in plane travel.

**The Only Means Left**

A treaty between the United States and Canada is the only way to save the Great Lakes fisheries from disaster, according to the United States Commissioner of Fisheries.

Assuming that this is true, why not negotiate the treaty?

The Great Lakes fisheries provide a livelihood for thousands of commercial fishermen in Canada and the states bordering on the lakes, as well as sport for those who fish as a pastime.

They also provide highly-prized fresh water fish for the national diet.

As a result of conflicting laws in Canada and the states around the lakes, Great Lakes fish resources have failed to receive the protection necessary to keep them from dwindling dangerously in the direction of extinction for certain species.

Obviously it is not in the interest of commercial or amateur fishermen or anyone else that the Great Lakes fisheries should be destroyed by lack of adequate control over them.

All other means of protecting the fisheries having failed, why not try, as a last resort, an international agreement between the governments of the United States and Canada?

**Uncle Sam Getting Tough**

Baiting marshes to attract wild ducks for shooting purposes can be a pretty tough offense. Uncle Sam proved this when he secured a conviction of a man in Venice, Ohio, for conspiracy to violate the Migratory Bird Laws by placing feed out in a commercial hunting marsh that he and others operated near Lake Erie. The conviction brought a fine of \$1,500 and costs. He is also placed under probation for five years and the marsh cannot be used for commercial shooting for the next three years.

Mrs. Nicodemus Bosch has returned from New York City, having accompanied her son and daughter-in-law, Dr. and Mrs. Leon Bosch of Grand Rapids. Dr. Bosch has been attending meetings of the National College of Surgeons there.

Mr. and Mrs. Herman Minnema and Mr. and Mrs. Chester Shagway attended the football game between Notre Dame and Illinois at South Bend Saturday.

ZEELAND WILL ALSO GET AN AUTO LICENSE EXAMINER

The county officers committee of the supervisors now in session recommended to the board that Sheriff Frank Van Etta send a man to Zeeland City once each week to issue driver's licenses. Hiram Robinson, who was hired for the work of examinations over the county last June at \$100 per month, will be delegated to the work and carry out the policy established to visit Coopersville, Holland and Zeeland once a week. Investigations showed the deputy has not gone to Zeeland as Zeeland officers expressed a wish that they be allowed to issue the licenses at any time they were applied for instead of on but one day per week. A request for payment for issuing about 500 licenses, brought to the board earlier in the week, was refused by the board on recommendation of the committee. The matter was reconsidered later with the result the board approved the last recommendation of the committee.

**Brusse-Dyke Marriage Outstanding Fall Social Event**

A very impressive wedding service took place at Grace Episcopal church Saturday evening when Miss Ruth Elaine Brusse, daughter of Mr. and Mrs. Julius J. Brusse, was wed to Marvin Paul Dyke, son of Mr. and Mrs. Martin Dyke of Grand Haven before an altar lighted by a seven-branch candelabra.

The bride was beautiful, gowned in ivory transparent velvet, cut on princess lines, with a small train and a fingertip veil, falling from a Juliet cap of braided velvet. She carried a prayer book bound in white leather morocco. Miss Jacqueline Karman of Lansing, maid of honor, was gowned in paprika velvet in princess style. She carried a loose bouquet of bronze snap-dragons and pom-poms and wore a Juliet cap of gold. Nelson Dyke attended his brother as groomsmen. R. A. Miller of Detroit and Vernon Hertz ushered.

At least 100 guests gathered in the church edifice listening to the impressive Lohengrin wedding march by Wagner as the processional, after which the marriage vows were said, and the recessional wedding march by Mendelssohn closed the ceremonies. Mrs. Leonard Kuite presided at the pipe organ, the console being simply decorated with yellow and white chrysanthemums. Following the ceremonies at the church, the guests were received by the bride couple, their parents, and attendants at the home of the bride's grandfather, former Mayor Henry Brusse, 69 W. 12th st. Mrs. Julius J. Brusse, mother of the bride, was gowned in brown velvet, simply made, and wore a corsage of tallman roses. Mrs. Dyke, mother of the groom, wore a gown of black crepe, with a corsage of pink roses. In the home, flowers were evident in profusion. Dominant were the dahlias, in variegated colors.

The lace covered table from which the buffet luncheon was served was centered with a large three-tiered wedding cake bearing a miniature bride and groom and flanked by white candles in classic white holders.

As a going-away costume Mrs. Dyke wore a dress of rust crepe, a hip-length cape of beaver, and wedding accessories. After a short wedding trip the couple will be at home in Holland.

Out of town guests at the wedding were Mr. and Mrs. Orrie Brusse of New York City, Dr. and Mrs. John Karman of Charlotte, Miss Martha Soloth of Grand Rapids, Mr. and Mrs. Norman Cobb of St. Joseph, Mr. and Mrs. Walter Sutton of Grand Rapids, Mr. and Mrs. R. A. Miller of Detroit, Mr. and Mrs. Howard Miller of Detroit, Mr. and Mrs. John Hoffman of Jackson, Mr. and Mrs. Carl Hoffman of Allegan, Miss Violet Griffin of Chicago, and Wedell J. Allgaier of Kalamazoo.

Before her marriage the bride was entertained by several of her friends. Mrs. Vernon Hertz honored her at a linen shower at her home at Waukasoo, Mrs. Martin Dyke gave a miscellaneous shower, Mrs. Harold White was hostess at an emergency shelf shower, Mrs. Herbert Goods gave a personal shower, and Mrs. Miles Baskett entertained at a luncheon.

**REPUBLICAN COMMITTEE MEETS IN GRAND HAVEN**

Several Holland persons went to Grand Haven to attend a meeting of the Ottawa county executive Republican committee meeting at Republican headquarters.

Those in the party were John R. Dethmers, John Galien, Arthur Van Duren, Henry Cook, James Marcin, Mrs. Andrew Hyma, Mrs. John Koolker, Nelson A. Miles, Russell Klaasen, Raymond L. Smith and Ben Mulder. The first three are members of the executive committee while the others are members of the general committee. Plans for the fall campaign and organization were discussed.

Cecil J. Burch, 35, of Milwaukee, Wis., reported to have been engaged in work here, pleaded guilty to a charge of operating a motor vehicle while under the influence of intoxicating liquor on his arraignment this forenoon before Justice of Peace Raymond L. Smith. He was assessed a fine and costs of \$71.55 which he arranged to pay. Burch was arrested about 6 p.m. on North River Ave. by local police.

**DEATH TAKES OLD MERCHANT AT AGE OF 77**

Matthew Witvliet died early Thursday evening at his home, 280 River Avenue. Mr. Witvliet has been in ill health for some time.

He was born in Grand Haven on June 22, 1861, but came to Holland early in life and spent 65 years in this city, the greater part of the time as a local merchant. For many years he was on the sales force of Isaac Goldman Clothing Co., who was associated with Mr. Sterns of Kalamazoo. He also conducted a hardware store before that time in a frame building just west of where the Ollie's Sport Shop now is. Later he had become associated with the John G. Rutgers Clothing Co., but of late years he retired. He was a devout member of the First Reformed church, and for many years has been identified with the Men's Adult Bible class, serving his class as the president.

Funeral services were held Monday at 1:30 at the home on River Avenue, which were private, and the rites at First Reformed church were held at 2:00, with Rev. James Weyer officiating. Interment took place in the family plot in Pilgrim Home cemetery. The body lay in state at the Witvliet residence Sunday where friends were privileged to pay their respects.

The funeral arrangements were in charge of the Dykstra Funeral Home. The pallbearers were: Henry P. Zwemer, Cornelius Hop, Henry R. Brink, John G. Krommeyer, Anthony Nienhuis, and Thomas A. Rosendahl. The floral tributes were many and beautiful.

Surviving are the widow; three daughters, Mrs. Gervert Den Helder of Grand Rapids and Mrs. Wallace J. Kuite and Miss Anne Witvliet of Holland; three grandchildren; and three sisters, Mrs. Jane Verecke of Zeeland, Mrs. Albert De Groot of Loveland, Colo., and Mrs. Cornelius Van Hattamsa of Zeeland.

**SECOND ESCAPER FOUND NEAR IONIA**

Police officers Saturday captured Walfrid Kangas, 19, second of two Michigan reformatories inmates who escaped over the north wall at Ionia last week.

Both escapers had been termed dangerous by prison officials.

Warden Garrett Hevns, of Holland, said the two slipped away from a group of prisoners lining up on the first floor of the rotunda preparatory to marching to chapel for confession. Their absence was noted by a guard almost immediately and while grounds and buildings were being searched, the pair took a long board from the furniture factory and ran to the north wall, climbed to the top and dropped 30 feet to the ground outside while a guard was shooting at them.

Moyer was sentenced in March, 1937, to serve 6 to 12 years for robbery armed. Kangas was serving 7 1/2 to 20 years for assault and an automobile theft.

A party was given in honor of Mr. and Mrs. James Lankheet on the occasion of their 15th wedding anniversary Thursday evening at their home on East 23rd st. Games were played and prizes were awarded to Mrs. H. Dams and John Bareman. A two-course lunch was served after which the honored couple was presented with a gift. Those present included Mr. and Mrs. Matt Borr, Mr. and Mrs. John Bareman, Mr. and Mrs. Herman Dams, Mr. and Mrs. Edward Post, Mr. and Mrs. Gerrit Veurink, Mr. and Mrs. Adrian Veele and Mr. and Mrs. Gerrit Wolbert.

**POLICE WANT TO SELL ANOTHER MACHINE GUN**

The police have a machine gun that it wishes to sell. As the matter came up before the police board, it was found that the weapon was an antiquated model. The only man who could handle the gun is Earnest Bear, and he ought to know—he has been a soldier long enough. It was advised by Commissioner Stoketoe to use the money to buy automatic rifles or new target practice pistols.

The 13th birthday anniversary of Bob Prins, son of Mr. and Mrs. Peter N. Prins, was the occasion for a theater party Friday evening. Bob Snow, son of W. C. Snow, also celebrated his 14th birthday anniversary with a theater

**Community Chest Activities Drive Oct. 31-Nov. 5****HOLLAND WOMAN IN CHARGE OF POSTER CONTEST IN "CHEST DRIVE"**

A contest to determine which Holland school boy most closely resembles the "Thanks for the Break, Neighbor" boy on the poster of the Community Chest campaign will be conducted in Holland's public and parochial schools. The winner in this contest will receive a two weeks' free vacation at Camp Ottawa which is conducted by the Ottawa-Allegan council of Boy Scouts at Peit lake. The second prize will be one week's vacation at the same camp. Each school will nominate three boys to be chosen by the teachers of the school.

His "Twin" Sought

The contest is in charge of Mrs. W. J. Olive and Mrs. Charles K. Van Duren, co-chairmen, of the women's committee for the Community Chest campaign. They announced today that the judges for the contest will be Mrs. Kenneth De Pree, Mr. Joseph Moran and David Boyd. The final selection will be made Wednesday, Oct. 26, at 4 p. m. in Holland high school auditorium at a public meeting.

Other members of the women's committee in charge of the contest are Mrs. C. Bergen, Mrs. J. J. Good, Mrs. P. Van Dornen, Mrs. Lloyd Heasley and Miss Ruth Nibbelink. In addition to the work of supervising the contest, the women's committee has charge of the distribution of posters in schools, factories, churches and business places, as well as making arrangements for the meals to be served to campaign workers at the Women's Literary club during the campaign.

The campaign will begin with an opening dinner Monday night, Oct.

31, rather than a breakfast on Monday morning. This meeting will be attended by all workers. Lunches will be served Wednesday noon, Thursday noon and Friday noon.

The serving of meals will be under the supervision of the Civic Health committee, under the direction of Mrs. Good, Mrs. Bergen, Mrs. Van Dornen, Jr., and Mrs. Heasley. Final arrangements were made for the serving of meals at a meeting of the women's committee at Community Chest headquarters yesterday.

Both Mrs. Olive and Mrs. Van Duren have been exceedingly helpful in making preparations for the coming campaign as they were in last year's campaign. They have been largely responsible for the cooperation and interest given the drive by the women's organizations of the city.

**CITY CLERK NAMED HEAD OF PUBLIC OFFICES DIVISION OF CHEST DRIVE**

City Clerk Oscar Peterson will head the public offices division which is one of the six major divisions of the Community Chest campaign to be held Oct. 31 to Nov. 5. This division will have charge of solicitation of all public employees and is to be divided as follows: Board of public works, police and fire department, parks and cemeteries, street department, city and county officers in the city hall. Mr. Peterson will appoint one man to have charge of each of these departments. He had charge of the solicitation of these offices in last year's drive and he believes that, with the addition of the City mission and other agencies which will make the campaign all-inclusive this year, he will be able to increase his quota over last year's subscriptions. Mr. Peterson was born here and has lived in Holland all his life. He is a graduate of Holland high school and worked with the old interurban company for 15 years. He has held his present position of city clerk for 11 years. He has been a member of the Chamber of Commerce since its inception and was formerly a member of the Holland Community Chest board. He has been active in various civic enterprises.

**HEADS LARGEST DIVISION IN HOLLAND'S CHEST DRIVE**

C. C. Wood, has been appointed chairman of the individual gifts division in the coming Community Chest campaign, it was announced today by William Tahaney, campaign committee chairman.

This is the largest division of the six major divisions and embraces all general solicitations not covered by one of the other special divisions. Mr. Wood will have four lieutenants under him, yet to be named, each of whom will have three team captains who, in turn, will have some eight or ten men. Thus Mr. Wood will have a total of almost 100 men working under him. These men will work in pairs wherever practicable in calling on prospects. Their territory will be divided geographically so that the work of each pair of workers will be confined to a compact area.

Mr. Wood was graduated by William Jewell college in Liberty, Mo., from where he went to Chicago to become athletic director at the Harvard School for Boys. He came to Holland in 1927 and was associated with the Ottawa Furniture Co. Following this he entered the real estate business in 1928.

Since coming to Holland he has taken a very active part in all civic affairs. He is a member and past-president of the Exchange club, he has served a term as commissioner of the Boy Scouts and for one year has had charge of the annual Red Cross roll call. He is serving his third year as director of the Chamber of Commerce in which organization he has been chairman for six years. He is also director of the North Shore Community club and put on the air show under the sponsorship of this club during the last Tulip Time festival. Mr. Wood is a member of Hope Reformed church.

**BOTER HEADS OUT-OF-TOWN UNIT IN CHEST DRIVE HERE**

The Community Chest campaign committee announced the appointment today of Dick Boter as chairman of the out-of-town corporations division for the coming drive. This division will have the solicitation of all local firms with main offices elsewhere than in Holland.

Mr. Boter plans to contact the local manager of each of these companies, of which there are more than 80, in order to influence them to communicate with their main offices expressing their desire to contribute to the chest. Most of the local branch managers have expressed their feeling that it is as much the duty of their company to contribute to local needs as it is of their local competitors and nearly all of these companies recognize this responsibility. Added to the appeal of the branch manager and the chest will be a letter sent out from the headquarters office to the company managers whenever the local branch manager desires it.

Mr. Boter is well known as one of the leading merchants of this city. He was born in The Netherlands and has been in business in Holland for 31 years. He has been a member of the Chamber of Com-

merce since its organization, he has served as president for three years and recently was elected vice-president. He is a member of First Reformed church and was active in the recent Sales-Mean-Jobs crusade. Mr. and Mrs. Boter have two sons: James, who is associated in business with his father; Peter, recently graduated by the University of Michigan Law School, who is a practicing attorney in Holland; and two daughters, Mrs. A. E. Schwalter, of Elyria, Ohio, formerly home economics editor for the Detroit News; and Margaret, who is a teacher in Van Raaie school.

**SCHOOL DIVISION IN DRIVE IS HEADED BY PRINCIPAL RIEMERSMA**

John J. Riemersma will head the schools and colleges division in the coming Community Chest campaign; it was announced today by the campaign committee of which William Tahaney is chairman. Mr. Riemersma's division will have charge of solicitation of all teachers, principals and employees in the public and parochial schools as well as Hope college and Western Theological seminary.

Mr. Riemersma, known to his many friends as "Jock," is well known in the city, having been principal of Holland high school since 1919. He was born in Rochester, N. Y., and was graduated by Sioux City, Iowa, high school. He later attended Hope college and was graduated with the class of 1914. He attended the University of Michigan for a year of graduate work and returned to Holland to teach mathematics in the high school in 1915 and 1916. He joined the U. S. Engineers and was in France for two years during which time he attended the artillery school and received his commission as lieutenant in the coast artillery. At the close of the war, he spent five months in the German Army of Occupation at the end of which time he was called that he had been elected principal of Holland high school.

Mr. Riemersma married Madeline Van Putten in November, 1919. He has had graduate work in education in both the University of Michigan and the University of Wisconsin and received his master's degree in secondary education from the University of Michigan. He has served as a member of the Community Chest board for the past year, is past-president of the Exchange Club, past-president of the Century club and past-president of the State Principals association. He is at present serving as elder in the Hope Reformed church consistory and has been clerk of the consistory for 15 years.

Mr. and Mrs. Riemersma have brought up the two sons of Dr. Paul Harrison who has been a missionary in Arabia for nine years. One of the boys is attending Hope college and the other is a senior in high school.

**MERCHANTS WANT ALLEYS TO BE PATROLLED TO AVOID ROBBERIES**

Carl Burns, representing the Automotive Replacement Store on East 8th Street, appeared before the board and stated that his place had been robbed three times lately, and nearly \$200 in cash and merchandise was taken.

Arie De Visscher owns the store, and stated that he wanted police protection, and felt that he could not afford to bar the windows when police should patrol the alleys. He stated the place was robbed the same night that the Holland Theatre was robbed. Chairman John Donnelly pointed out that police were not supposed to patrol the alleys not properly lighted. Of course, they were going in at a disadvantage, and they were always subjected to injury or damage from an unseen hold-up man. Flood of light should flood the alleys and protect the patrolmen.

Burns states that he will contact merchants to see whether they would help pay for lights in alleys, which would not cost much more than 20c per month each. Chief Frank Van Ry said that when the alleys were built it was a haphazard affair, no building code and it is now difficult to drive through, and if alleys are to be patrolled, more men will be necessary.

Commissioner Kamferbeek advised that patrolmen going into alleys should be plain-clothes men since an officer with uniform is a target to desperate men. Commissioner Hyma said that patrolmen should be changed about from night to night and the time should also be changed, thus eliminating the appearance of an officer at a certain time and place.

Mrs. Frank Lievens and Mrs. John W. DeVries were hostesses Tuesday afternoon at the guest-day program of the Woman's Literary club, held in the club house. An interesting program of monodramas, entitled "Four Mothers," was presented by Myrtle Ross of Milwaukee, Wis. Miss Ross is a talented actress and singer, who has recently entered the new field of monodrama with exceptional success. Following the program, a social hour was enjoyed in the club tea room. Tea was served by a committee headed by Mrs. L. W. Schoon and Mrs. Andrew Hyma. Assisting will be the Mesdames James Bennett, Theodore Du Mes, Cecil Huntley, Louise Bradshaw, Bernard Keefe, Jr., Harold Tanis, William Nies, J. C. Ridenour, Ray Hoek, Ray Smith, H. J. Lucht, H. E. ## SUNDAY SCHOOL LESSON

October 23, 1938.

Our Day of Rest—Exodus 20:8-11; Luke 13:10-17.

Henry Geerlings

The only command in the decalogue which begins with the word "Remember" is the fourth. No doubt the divine writer realized there would be more danger of forgetting this than any of the others, and of yielding to the subtle temptations of caprice and convenience as an excuse for violating it. The word stands like a solitary sentinel in front of this solemn commandment, yet it has been chafed under the ancient Jew until the present day.

Jesus declared that the Sabbath was made for man, that is, for mankind. It is to be kept holy, that is, wholesomely, so that our threshold of nature, body, mind and soul, may benefit. No law more wise and merciful ever came from the loving heart of God. It is a law as all-embracing in its de-

## SALE IN FULL SWING

Undoubtedly, the upswing in business which is now apparent and has been for the past few months, is in a measure due to a great many leading business houses throughout the country, who began to place orders when employment was at low ebb. Holland's store manager, Harry Weiskamp, of the Montgomery-Ward stores, stated that his firm with its many stores early last summer planned ahead and placed tremendous orders for all types of merchandise. This was at a period when manufacturers were operating only part time. The huge Ward orders kept several factories humming, and through it many thousands received gainful employment. It is apparent that in this instance "Sales Meant Jobs," a campaign in which Holland also participated. The orders of last summer were in anticipation of the coming Ward Week which started yesterday. This is the outstanding week with all the Ward stores throughout the nation in which more than 500 items of high-grade merchandise in each store are placed at a price that is not only extremely attractive, but the merchandise is seasonal.

Montgomery-Ward has sent out large broadcasts of several pages at every door. If you haven't received one, call at the Montgomery-Ward store, Holland. Remember, the sale is now in full swing. WARD WEEK, HOLLAND.

sign as sunlight meeting the needs of king and peasant, master and servant, parent and child. The wisdom condensed in this commandment did not come from the Greeks, called the wisest of nations, for these words were written a thousand years before Socrates was born. It did not come from the Romans, masters of jurisprudence, for these words antedate the founding of Rome by seven hundred and fifty years. These words came from God and they embody the great law which runs through nature. Therefore it is of equal application to every nation on earth. The Sabbath is the savings bank of human existence. It conserves man's physical, mental, spiritual and eternal welfare.

Man has a body. Experience proves that the normal level of bodily energy cannot be maintained without the regular observance of a stated day of rest. We are like seven-day clocks that run down and have to be rewound. We are like musical instruments that play well for a time and get out of tune. We are storage batteries that leak their vital currents, and must be recharged. There never was an age when humanity needed this rest day more than now. Think of the fierce competition of modern business, and the relentless law of the survival of the strongest. Think of the feverish hustle and bustle of our American people. No one walks to business who can ride in an automobile, and he regrets there is no pneumatic tube by which he might be shot to his office or shop. When there, he does not write letters if he can telegraph, or telegraph if he can telephone, and regrets there is no occupation for his feet while waiting at the phone. There is magnetism in our oxygen which stimulates our blood and explains our American push and rush.

Man has a mind. We can ill afford to make light of God's merciful provision of this weekly arrest of physical and mental toil. Science supports the divine law by showing in the analysis of the blood, that during our application to work through the week we recover by the day's labor. Each morning finds one-sixth of an ounce lacking, so that a man is run down at the end of the week to the extent of that whole ounce of vitality. The Lord's day is a physiological necessity for the restoration of that one ounce. It is a sea voyage between the two continents of monotony and drudgery. When a man wipes the Sabbath out of his calendar he breaks a law of nature, and nature always squares accounts with broken law.

Man has a soul. A great jurist said some time ago, "In this strenuous age, our republic, instead of making light of one Sabbath, ought to have two each week, not only to repair its jaded nerves, but to tone up its moral sense." We have not fulfilled all the command when we have rested the body and diverted the mind. The soul has its rights, and not to recognize them is to leave our nature a truncated cone, the highest, finest part left undeveloped. Christ had a custom to go into the synagogue on the Sabbath day. That his soul might keep its tryst with God, have larger breathing space, clearer light, and glimpses of the center of the spiritual universe, in which our spirits join and have their being. If He needed that privilege, much more do we ordinary folks. The shell fishes on

the seashore live without water while the tide is out, but they depend upon the tide's return. If any of them are tossed by the waves beyond the reach of the tides, they die. Our souls are re-

freshed and nourished by communion with God in prayer, and the Lord's Day. It is then we lay hold of our best earnings, and stiffen them into fighting fibre for victorious warfare with the world.

"...to find a better thing or a better way"

An 1894 scene in the Bell Laboratories, birthplace of telephone progress.

Back of the high quality of telephone service you enjoy today in Michigan is the group of several thousand scientists and experts in the Bell Telephone Laboratories and at the headquarters of the American Telephone and Telegraph Company, whose sole job it is "to find a better thing or a better way."

The telephone employees who are engaged day by day in maintaining a high standard of telephone service are doing their part, and a most important part, in increasing the quality and keeping down the cost of service; but progress is assured by having a large group of scientists and experts devoted exclusively to seeking ways and means of making the service better and cheaper.

### TULIPS, TULIPS, TULIPS, EVERYWHERE TULIPS

At a meeting last night in conjunction with the Tulip Time of ficials, the Junior Chamber of Commerce board of directors adopted as one of their larger projects for the fall the encouragement of further tulip planting.

The project was divided into three objectives: the first, a concerted effort by costumed young ladies to canvas the entire city in the effort to sell bulbs for private gardens.

The second, the planting this fall of several thousand bulbs in pots, these potted blooms to be contracted for by local merchants for window display. If enough of these are sold, the Junior Chamber will assume the decoration of the street lamp posts with potted bloom at Tulip Time.

The third, the mass planting of tulips by manufacturers and organizations.

This is possible because the Karr Co. is offering 200,000 bulbs at wholesale prices.

After the results of these efforts, the two million tulips annually displayed and the Nelis gardens, and other gardens being created, Holland will surely have a riot of tulips, larger than ever before.

### Grand Haven's Finest Now One Year Old

Jerry A., Julian B. and Joel C., triplet sons of Mr. and Mrs. Adrian Wildrom of Grand Haven who were a year old on Oct. 11. They are in excellent health. They seemed to enjoy the experience of being photographed.

### BORN IN POVERTY BUT GRAND HAVEN AIDED PARENTS WHOSE "BLESSED EVENT" WAS TOO OVER ABUNDANT

It was a year ago that a Grand Haven married couple became the parents of triplets. They were happy, of course. However, after the first moments of excitement had passed, "hubby" began scratching his head and wondering where the added "crusts" were coming from to feed the new additions to the already large family, especially where the purse strings had already been stretched to almost the breaking point.

Well, Grand Haven, through its women's club, pointed out the way. The plight of the parents was soon noised around and a large party was staged for the triplets, in which businessmen as well as club members and citizens in general joined, and the little tots got everything from beds to baby food and besides, a liberal donation of cash.

The babies are now a year old and Grand Haven folks are again celebrating. The parents are Mr. and Mrs. Adrian Wildrom and the Wildrom boys, the only triplets at the "county seat" were one year

old on October 11. Jerry A., Julian B., and Joel C., who at birth weighed six pounds and 13 ounces, six pounds and three ounces and five pounds, respectively, are now well above the average weight. Julian is now the heaviest and weighs 23 pounds; Joels weighs 22 pounds and Jerry weighs 21 pounds.

Joel has four teeth and the other two have two each. Joel appears now to be the leader of the triplets as he is more agile and easily pulls himself up to a standing position. He also seems to be the leader when the three are at play.

Julian, who is the heaviest, is slower on his feet but he was the first one to say "Daddy." All of the babies now say "Daddy." "Mama," "bye-bye" and jabber in their own language which is still a mystery to the remainder of the household.

Jerry and Julian look very much alike with snapping black eyes, long dark curling hair and other characteristics almost identical. Joel has lighter hair and one can easily distinguish him from the other two although the babies are identical triplets.

Mrs. Wildrom said they have been very good with no illnesses outside of colds. They have been

brought up on schedule as modern babies are and have given little trouble. There are three little beds in their nursery, three high chairs, and three of almost everything that they use. Mr. Wildrom has made a three compartment seat for the automobile and they take their outings in the car as a baby carriage for triplets is too heavy to operate.

The little boys have been driven to Grand Rapids and Muskegon and wherever they go they are the object of interest. Hundreds of people have come to the Wildrom home, many of them entire strangers to the family, to see these beautiful children. When they were very small a glass door was arranged in the nursery so that people could see them without going into the room.

The children have been fed the finest foods on the market, some companies having furnished the foods free as endorsements of their excellence. Many fine presents have been given to the children and as they grow and develop they will always create interest and no doubt often will appear at public functions as "Grand Haven's triplets."

Mrs. Wildrom celebrated their birth with a party at her home, attended by nearly 100 citizens.

### CHURCH GROUPS TO HEAR INTERESTING TALK

A Bible Conference having "Prophecy and the Jews" for its central theme, will be held in Holland under the auspices of Immanuel Church, C. M. Beerhuis, pastor; the Wesleyan Methodist Church, Rev. C. W. Meredith, pastor, and the City Mission, Rev. George W. Trotter, Superintendent. The Conference will begin on Sunday, October 23rd and continue through Wednesday, October 26th. The speaker will be the Rev. H. B. Centz of Philadelphia, Pa., well-known evangelist and Bible teacher, a minister of the Presbyterian Church, U.S.A.

The Rev. Mr. Centz was born in Russia of Jewish parents, and was brought up and educated in the city of Odessa, in its day a center of culture and the seat of one of the famous European universities. On coming to the United States, he was brought to an acceptance of Jesus Christ through the ministry of the American Board of Missions to the Jews, the organization which he now represents in the capacity of field evangelist. For a period of nearly twenty-five years he has been active in Christian work in this country as well as in Europe. His travels on the Continent and in Russia, since the World War have given him a first-hand knowledge of international affairs.

Mr. Centz has lived both in Germany and Czechoslovakia and speaks with a sympathetic understanding of the problems and aspirations of these nations. With the present international upheaval for a background, Mr. Centz will speak on the following subjects: Sunday evening, "Can Hitlerism Destroy the Jews?"; Monday evening, "When Jews Saved the Church"; Tuesday evening, "What are the Jews Seeking?"; Wednesday evening, "The Jewish Passover and the Lord's Supper" illustrated with authentic emblems. All the evening meetings will be held in the Armory at 7:00 P. M. Special music will be furnished each evening.

There will be four afternoon meetings: Sunday afternoon at 2:30 in the City Mission, and Monday, Tuesday, and Wednesday afternoons in the Wesleyan Methodist Church. The General Theme of the afternoon meetings will be "The Gospel in the Book of Isaiah."

The Holland Chamber of Commerce is in receipt of a telegram from Charles R. Sligh, Jr., who was elected president of that organization Tuesday.

At the time of the board meeting, Mr. Sligh was in New York city on business and unable to attend the meeting. He was advised of his election by E. P. Stephan, secretary-manager.

"To say I am surprised is to put it mildly. I assure you it is my desire to do everything possible to deserve this honor. Please convey to the board my regret at not being able to attend meeting," read the telegram.

Harvey Maatman and Vern Scheerhorn were successful ninerods in the pheasant field.

### REV. HENRY TER KEURST OF- FICIATES AT A DOUBLE MARRIAGE

A double marriage ceremony was solemnized Saturday afternoon at the home of Rev. Henry D. Ter Keurst, 375 Central Avenue, pastor of the Trinity Reformed church, when Misses Myrtle Spyker and Lois Jane Spyker, daughters of Mr. and Mrs. John Spyker, Jr., 520 Washington Ave., became the brides of Ralph H. Jones and John Thomas Woltmann, respectively. The Rev. Ter Keurst, using the impressive double ring ceremony, officiated, with a group of immediate relatives and friends attending. A reception was held at the Spyker home immediately following the ceremony.

The newly-weds left on a week end trip to Chicago and returned Sunday night to make their home at 18 E. 12th St.

Mrs. Jones was attired in a dark blue suit with blue accessories, while Mrs. Woltmann wore a rust colored suit with brown accessories, and both wore corsages.

The sisters were born in Holland, are graduates of Holland high school, and were employed as stenographers, Mrs. Jones at the Dutch Novelty Shops, and Mrs. Woltmann at the Hollander Candy Co.

Mr. Jones, son of Mr. and Mrs. Ira M. Jones of Danville, Ind., and Mr. Woltmann, son of Mr. and Mrs. Arnold T. Woltmann of Nokomis, Ill., came to this city about two years ago, the former now employed as assistant manager of the Warm Friend Tavern, and the latter, who attended Illinois College and the University of Illinois, as salesman for the local J. C. Penney Co. Both young men are members of the Holland Junior Chamber of Commerce, and Mr. Woltmann has connections with the B.P.O.E. Lodge.

Out of town guests included Mr. and Mrs. Arnold T. Woltmann and son, Paul, of Nokomis, Ill., and Miss Janet Spyker and Kenneth Owen of Grand Rapids.

### "Home Coming" Parade For Hope Tonight Friday

FOOTBALL GAME WITH ALMA SATURDAY AT RIVERVIEW PARK—WINDUP IS BANQUET AT ARMY

Colorful parades, a rousing pep meeting, hard-fought football, and a spirited banquet highlight the annual Hope College Homecoming week end, as busy committees this week complete plans for the traditional event.

A general welcome is planned for the alumni on Friday afternoon by their society members but their first official recognition will be the parade of floats in the evening which will carry out the Alumni theme in their decoration. The parade, under the direction of co-chairmen Genevieve Nafe and Bob Wismeier, will form, a half hour before the starting time, on 10th Street in order that the six judges may at that time review all entries and choose the two winning floats: one sorority and one fraternity.

At 7:00 P. M. the parade, led by the band, will proceed on its line of march past the fraternity houses and the main streets. Its route, altered this year because of the new location of the Kniekerbocker house, is: north on College to 9th; east on 9th to Columbia; south on Columbia to 12th; west on 12th to Pine south on Pine to 13th; east on 13th to River; north on River to 8th; east on 8th to College; south on College to 12th; east on 12th to the practice field for disbandment; adjournment to Gymnasium for pep meeting.

As the parade passes each decorated fraternity house, three judges will rate them, according to workmanship, theme (either Alma or Alumni), and originality. The prizes for the floats and for the house will be awarded at the pep meeting.

Immediately following the parade, the pep meeting in the gym will take the spotlight. There, chairman Cliff Marcus presents the Hope "Organ Grinders" Band, new yell, alumni speaker, Coach Hinga, a pep (?) skit, and the awarding of the parade prizes.

On Saturday morning individual sororities take the program in hand with entertainment for their alumnae. Several affairs have been scheduled at the Warm Friend Tavern (see schedule). Also, alumni who have arrived late on the campus Friday night or on Saturday will be welcomed by Homecoming signs and decorations on the girls' dormitory and other parts of the campus.

At 1:30 Saturday afternoon the parade of floats forms again for a march through the town to the football field for the game. Led by the Hope band, the parade will proceed down 8th Street, to once more celebrate the Homecoming week end, and disband at River view Park, in time for the opening whistle.

After the game, all fraternity houses will be open to students and alumni. For the information of the alumni, the addresses are submitted with schedule.

Crowning the two-day festival will be the Alumni Banquet in the Holland Armory at 6:30 P. M. Saturday evening. Program Chairman Gordon Pleune has secured Randall Bosch, popular alumnae, for toastmaster. Toasts from students to alumni, and alumni to students, the Girls' Trio, Don Kramer and his vibraphone, John Palmer, freshman soloist, and the band complete the program. A steak dinner is promised by banquet chairman Bill Jacobs for the popular price of fifty cents. Tickets may be obtained from the college office.

Decorations at the football field will be done by chairman Althea Raffenaud, while campus decorations are in charge of chairman Jean Hoekje.

Saturday, Hope's football team will trot onto the field at River view Park in their first day-time appearance on the home grounds this season.

The occasion is a gala one, for the Dutchmen are meeting a highly-touted crew of Alma football players, who invade Holland in an effort to spoil a second consecutive homecoming celebration for the Dutch.

Alma last year, by a lone field goal booted by Don Smith, defeated Hope on Homecoming day in an otherwise evenly played ball game. The teams meet here again this year because the schedule was so arranged as the first round of a rotating MIAA seven-year schedule.

Both Hope and Alma are still mathematically in the race for the Michigan Intercollegiate Athletic Association football crown, but the team that loses the clash here Saturday will be definitely out of the race, and in all probabilities, that team will be relegated to at least third place.—Hope Anchor.

HOLLAND HENS WIN IN CONTEST

Holland is again advertised as a center for good hens. At the contest just ended at the Michigan State College, it is said that the pen of Reds, entered by Percy J. Osborne of this city, finished in first place for all breeds, for all Michigan breeders, and a first place for all heavy breeders for the entire contest, having laid 3,155 eggs for a total of 3,854 points for the 52-week contest. This was the only heavy breed to pass the 3,000 point mark, and they finished the contest 352 eggs and 577 points ahead of their nearest breed competitor.

Michigan has long been noted for its high record White Leghorns and this is the first time that a heavy breed pen has finished in first place for all Michigan breeders at the Michigan contest. The Hamilton farm, White Leghorns, finished in second place for all Michigan breeders, laying 3,108 eggs for 3,248 points, while other leading Michigan Leghorn breeders finished as follows: Northland farms, Grand Rapids, 2,728 eggs for 2,853 points. Caballs Poultry farm, Zeeland, 2,350 eggs for 2,432 points. Royal Poultry farm, Zeeland, 2,697 eggs for 2,812 points. W. S. Hannah and Sons, Grand Rapids, 1,510 eggs for 1,702 points. Grand Poultry farm, Zeeland, 2,674 eggs for 2,743 points. Foreman Poultry farm, Lowell, 2,738 eggs for 2,872 points. Contest pens consist of 13 birds and in computing the records for the 1937-1938 contest the eggs laid by all 13 birds were counted. Prior to the present contest, the totals for the winning pen were figured on the basis of the ten highest hens in each pen, rather than on all eggs laid by all birds. The ten highest hens in Osborne's winning pen laid 2,598 eggs for a total of 2,778 points, which is the highest record made by any heavy breed pen at a Michigan contest in recent years, the former high record for a ten bird heavy breed pen being 2,563 points and was made by a Massachusetts entry of Reds in 1936.

The Michigan egg laying contest is the only official contest of its kind in the midwest, and leading poultry breeders from California and New Hampshire send their best birds, breeders from 15 states and Canada being represented. This is the first time that Holland birds have won over all heavy breeds in this nation-wide competition, and is also the first time that Holland birds have finished first for all breeds for all Michigan entries.

REGULARITY OF BAKERS' DELIVERIES HAILED

"Newspapers and milk alone can attempt to vie with daily bakery deliveries," Mr. Schumaker, president of the American Bakers' association pointed that in larger communities bread, milk and newspapers have about an equal coverage, but that in many rural communities the milkman is not needed, the daily newspaper gives way to the local weekly, and daily bread is the only winter and summer daily service. Approximately 100,000 motor cars, 10,000 horses and wagons, and 350,000 retail outlets have a part in this distribution," said Mr. Schumaker, "and it is becoming better systematized every year." Mr. Schumaker stated that the cost of distributing bakery products must of necessity be variable, dependent on the distance covered from the bakery. The bakers' production costs, however, have been trending upwards. For instance, increased taxes and labor costs during the past eight years have added from \$2.50 to \$3.00 to the cost of turning a barrel of flour and the other necessary ingredients into bakery products. There are further added costs due to the large services desired by the consumer, such as the slicing and wrapping of bread, etc. In spite of these increased production costs, the American baker continues to supply the nation's bread at a cost lower than in any other country. And to get right down to the facts, the interest the consumer-American bakers make the best bread in the world.

Unfinished Business

The Clerk, Oscar Peterson, reported having received a request from Mr. John Schouten of Hope College for permission to block off East 12th street, between College avenue and Columbia avenue for a skating party to be held on Tuesday evening from 7:30 to 9:30 p.m. Granted.

The Clerk called the attention of the Council members to a notice from the County Clerk, Wm. Wilds, relative to a School of Instruction for election inspectors on Wednesday afternoon, October 19, at 2 p.m. at the Court House in Grand Haven. The Clerk recommended that at least one alderman from each ward attend this meeting and as many other election officials as can do so.

It was the consensus of opinion of the Aldermen present that as many of them should go as can possibly spare the time. Alderman Ed Brouwer called attention to the fact that Alderman Frank Smith had been instrumental in securing considerable information relative to the amount of property now owned by the City of Holland, and recommended that he be chairman of a committee to put this information in such form that it could be given out to the public as a guide to assist them in determining how they wish to vote on the proposition to purchase the Tannery property.

## Man 100 Years Old Intimate Friend of Congressman Mapes

Hendrickus Nagengast, 100 years old, most venerable voter in the fifth congressional district, and Rep. Carl E. Mapes who has served the district more than a quarter of a century. They became voters the same year.

### CENTENARIAN AND CONGRESSMAN BEGAN VOTING AT SAME TIME MEETING REVEALS

(Grand Rapids Herald)

Hendrickus Nagengast wanted to shake hands with his congressman the other day, and Rep. Carl E. Mapes wanted to shake hands with the oldest voter in his district. So they got together.

It was just after Mr. Nagengast had celebrated his 100th birthday anniversary, which occurred last Sunday, with special programs at Fifth Reformed church and the Holland Union Benevolent association home, Fulton st., Grand Rapids, where he has been a resident 22 years.

Despite the difference in their ages, the congressman and the oldest voter in the community began voting at the same time.

Mr. Nagengast, who came from

The Netherlands to the United States and Grand Rapids in 1880, got his citizenship papers in 1896. And that was the year Mr. Mapes, age 21, was being graduated from Olivet college, to go to the University of Michigan and a career in politics that led him into the Michigan legislature and then, 26 years ago this fall, to election to the seat in congress that he has occupied ever since.

The congressman found the centenary amazingly alert to what is going on, even though he's been blind for seven years, and they had a nice chat.

"No, not about politics, entirely," Mr. Mapes said. "A Republican?"

Oh, I guess he's always been a Republican," he said. "He wouldn't be surprised, he said, if the old gentleman voted for him every time he's stood for election. They didn't go into that, though. They just shook hands and talked things over."

legislator and the son of Dr. Sharon Thoms, former missionary. Because of Dr. Thoms' work with the royal family of Arabia he received a write-up in the "Commentator" magazine of last September. He spoke of this experience last Wednesday night and concluded his address with a challenge to the young people to work on the mission fields. Dr. Cantine compared the leveling of bread to the slow process of spreading the Bible in Arabia.

The outline of the work of the entire Reformed Church was given by Dr. J. Harvey Murphy who made a plea to the church as a whole to rededicate themselves to the task in store for them.

Special music for the evening was furnished by a large chorus of combined choirs of the churches in the Holland classic, the civic chorus and the Hope College chapel choir. They sang, "Holy Art Thou," by Handel, and "Gloria in Excelsis" by Mozart under the direction of Professor Kenneth R. Osborn. Mrs. W. Curtis Snow was at the piano and Miss Dorothy

Vanden Bout, of Hope College, at the organ.

The morning and afternoon sessions of the Women's Missionary union of the classic of Holland, Reformed Church in America were held at the Fourth Reformed Church the same day and were part of the day's program. The financial report showed that Trinity church had given the highest amount of money in annual gifts with a total of \$940.00 and that Overisel had been second with \$926.85.

Presiding over both sessions was Mrs. Wynand Wichers who introduced the principle speakers of the day. Mrs. Edgar F. Romig, of New York, president of the Women's Board of Foreign Missions, gave an inspirational talk to the 600 ladies present, using as her text, "Ye know the grace of our Lord Jesus Christ." She commended the missionary mothers for the beauty of their sacrifice. Mrs. Rbmig also conducted memorial services for Miss Anna F. Bacon, late treasurer of the board, and Mrs. John S. Allen, former corresponding secretary.

Mrs. George W. Laug, of Macy, Neb., spoke of her work among the Omaha Indians. She stated that conditions of law evasion, drunkenness and immorality are the largest stumbling blocks in the progress of the gospel among these people and stated specific cases in her talk. The missionary work at the Mary Lott Lyles hospital for women and children at Madanapalle, South India was explained by Miss Harriet Brumler, missionary nurse. The hospital has 80 beds, an outpatient dispensary, a training school for India's girl nurses, and girl guiding groups similar to our campfire organizations. Her talk enabled one to see the greatness of the work that the Reformed church is carrying on in its foreign fields and was a great challenge to the women of the Reformed church.

The budget for the year 1939 was explained by Mrs. James Wayner, vice president of the Women's Board of Foreign Missions for the Particular Synod of Chicago. The union went on record as favoring the transfer of its support to a new evangelistic field in China, since Miss Jennie Pieters, former missionary, has been granted retirement by the board.

Devotional periods were led by Mrs. William Moordyk, missionary nurse in Amarah, Iraq, and Mrs. Sharon J. Thoms, teacher in the United Mission in Mesopotamia. Mrs. P. E. Hinkamp was in charge of the literature table.

Officers for the 1939 meeting which will be held in the Second Reformed church of Jamestown are: president, Mrs. Charles Stoppena, B. Dyle, Overisel; secretary, Mrs. Ellen Ruud, Holland; treasurer, Mrs. Isaac Scherpenisse, Hamilton. Mrs. George Huizenda will be collector for the Arabian Bed.

The young people also played a part in the day's "With One Accord" program. More than 100 of them gathered in the First Methodist church to attend a banquet preceding the evening meeting in the Hope Memorial chapel. Dr. Raymond B. Drukker, secretary of the Youth Fellowship movement of the Reformed church gave the main address.

The entire day was a red letter day in the history of the Reformed church and an inspiration to many.

## SUNDAY DINNER

## Suggestions

By CORA ANTHONY  
Director of the A&P Kitchen

FRESH pork is now very reasonable with the sharpest reductions to be noted in fresh hams and loins. Beef and lamb are also reasonable. Poultry prices continue low though egg prices are higher, as is common at this season. The chief fruits commonly available are apples, bananas, cranberries, grapes and the citrus family.

Among the vegetables, cabbage and cauliflower are outstanding in value, spinach is very cheap and green beans, broccoli, Brussels sprouts, and peas moderately priced.

Three reasonable dinner menus follow.
