MEMORIAL IS ASSURED FOR THE COUNTY'S DEAD

RESOLUTION CALLS FOR APPROPRIATION FOR MEMORIAL FOR BOYS

Ottawa County Supervisors Show a Patriotic Appreciation For Sacrifice of Men of Old Ottawa

Ottawa county will pay fitting honor to the men of old Ottawa who died in the service of their country in the late war. The memory of the men who fell on the fields of France and the men whose lives were snuffed out by death in the camp hospitals both in America and overseas, was honored Tuesday afternoon when the board of supervisors voted to adopt the report of the special memorial committee and the building committee of the board of supervisors. This report recommended the appropriation of not to exceed \$5000 to be expended for a fitting memorial to the men of Ottawa county who gave their lives for the flag.

The report of the committee was based on the committee's investigation of a plan and design of a memorial calling for the erection of a marble pillar with bronze tablets containing the names of the dead heroes on the north lawn of the court house. A decorative concrete walk will lead around the memorial shaft. By this means the memory of these men will be perpetuated, and the shaft will stand as proof of a measure at least of the appreciation of the gratitude of their home county for what these men did.

The report of the committee was brought up for a second consideration upon a motion of Leo C. Lillie who asked its adoption. The report recommending the appropriation for the memorial was signed by James Chittick, H. A. Vander Warf, P. C. Northouse, D. M. Cline and M. F. Donahue. The report was first submitted last week and was referred back to the committee, because of the fact that it was believed he recommendation should be concurred in by the committee on buildings and grounds.

The matter was recalled from the committee, and the report signed by the joint committees was presented. The vote on the question of the memorial registered but two opposing votes, Grady Lubbers of Zeeland and Simon Kleyn of Holland.

MEMORIAL DRIVE GOING WELL IN HOLLAND

The fourth day of the Roosevelt Memorial drive closed in Holland tonight with a very substantial sum subscribed. No definite figures could be given by those in charge of the drive by reason of the fact that the solicitors have not yet made their reports, and so no official estimate could be made. Those at the head of the movement know however from unofficial reports that Holland is responding to the appeal for the funds and they are confident that if the other four days of the drive continue at the same rate as the first two Holland will reach its quota of \$800.00.

The schools of Holland are taking a big part in the drive. The pupils are doing their full share and are not only contributing for themselves but are carrying the news of the campaign to their families.

Perhaps most enthusiastic in the drive are the Boy Scouts. Roosevelt's out of door gospel has captured the imaginations of the Boy Scouts and they are taking a leading part in the work of raising Holland's quota for the Memorial Fund.

The managers of the manufacturing institutions are taking the matter up with their men and there is considerable rivalry among the factories. It is expected that a considerable amount in small contributions will be raised in the factories. The business men are being taken care of by a committee of solicitors who are visiting many of the places of business for subscriptions.

If there should be persons in the city who wish to subscribe but who are not visited, full opportunity will be given to them to contribute their money. They can take the money either to one of the three banks or they can send it by mail to A. L. Cappon or Henry Winter.

Gilbert T. Haan of the Model Drug store is on a trip to Chicago and Milwaukee.

Irwin Lubbers, 17, enroute to India to carry on work in Hope High school, has been stranded in London. He has been informed that he may consider himself fortunate if he leaves for India within the next six months. Mr. and Mrs. John Gebhard, also of Hope are traveling companions to Mr. Lubbers and they find themselves in the same unfortunate dilemma.

HOLLAND WILL GO BACK TO THE OLD TIME

THE CLOCK MUST BE SET BACK ONE HOUR ON NEXT SUNDAY

It Is About the Only Thing Left For The People of This City To Do

Next Sunday, October 26, it is time to again change the clock.

There has been considerable agitation pro and con, relating to this matter, but a workable solution has not yet been thought of.

City folks wish to save the situation and retain the long evenings in the summer, but this is found to be impracticable in the winter time.

It has been suggested to leave the clock as it is now, and adopt the eastern time, but this would be very undesirable from the fact that even now the mother must begin getting the children ready for school in darkness, and remember that until December 21, the days will be getting shorter constantly, and after that period, considerable time must elapse before the days again begin to lengthen.

This is only one obstacle that stands in the way of retaining the present time. There are others. The railroads refuse to adopt anything but Central time, which in the middle west is regulated by law, and as the railroads are run by the government, the running time is going to be governed by this law.

Because of this fact this rule also applies to all federal, state and county offices.

The postoffice for instance would be governed by Central time, and this would apply to any other government office in the state of Michigan. The principal cities have been trying to find a way to adopt Eastern time, but have given it up as a hopeless task.

Grand Rapids and Holland are closely allied and for that reason we would have much in common when it comes to time.

At a recent meeting of the Grand Rapids city commission, it was decided to turn the hands of the clock back one hour on October 26 and thus comply with the federal and state laws and so obviate hopeless confusion in time.

The matter of time was called to the attention of the mayor and the common council of the city of Holland by a representative of this paper, and the city fathers too, advised that Holland turn the hands of the clock back to where these were last March, and possibly by next spring a solution for those nice long summer evenings at home can be worked out.

The suggestion made by this paper that all business start at six o'clock instead of seven and all the work cease in the shops at 4 o'clock instead of five beginning next March, was looked upon with favor by the Holland common council. Of course the employees and the employers and the Holland business men should be consulted in a matter of this kind before definite steps could or would be taken on the proposition.

The city naturally would have to abide by the wishes of the majority.

400 FARMERS PLEDGE TO SUPPORT NEW HOLLAND INSTITUTION

The Holland Milk Products Company Is Getting Fine Backing.

Things look bright for the Holland Milk Products company. This was very apparent at a meeting held in Zeeland when four hundred farmers pledged to bring their milk supply to the Holland company in the future.

This is an unusual condition and shows that the new Holland concern is starting off very auspiciously.

The main factor in a plant of this kind is to get the milk. If this is forthcoming the success of such a plant under good management, is assured. D. L. Hagerman was on hand to tell the farmers of the advantages derived from an institution of this kind, and gave them some very valuable points about milk and milk products which they had never heard of before.

It is certainly very gratifying to the new company and to the citizens of Holland to know that 400 farmers from the vicinity of Zeeland, have contracted to bring their produce to the Holland company.

The new company should and will give the farmer his just deserts and an honest price for his milk supply at all times.

Mr. Boonstra and Mr. Van Heijstama, both of Zeeland are constantly at the plant north of the city and are putting it in shape in order to receive the milk. The products Company may be running full blast by January 1st.

With twenty-five employees added to the pay roll of a new institution and scores of farmers coming to the city, Holland can well be proud of our latest substantial, diversified industry.

Mr. and Mrs. Henry Bilkert announce the birth of a daughter at Velore, India. They will soon return to their home in Bahrien, Arabia. Mr. Bilkert graduated from Hope College in 1914.

D. L. Hagerman county farm agent of Grand Haven was in the city on business yesterday.

GRAND HAVEN CITY OFFICIALS WANT MORE MONEY

GRAND HAVEN ALSO HAVING SALARY TROUBLES.

Charter Blocks Living Salaries To Officers As Workmen Get Boosts.

Grand Haven Tribune.—City charters which definitely and steadfastly fix the salaries of city officers, without taking into consideration the increase in the living expenses which may mount up to unforeseen figures, are not as desirable as they used to be. The Grand Haven city charter is a good example of the kind which is likely to kick back as a boomerang against the efficiency of the future city government. Because the city charter contains definite provision as to how much salary a city officer shall receive regardless of changing conditions and emergencies, the city clerk of Grand Haven, upon whom rests a tremendous amount of detail and responsibility is not making as much out of his salary, as some of the men, who are employed at daily labor. It is necessary to pay as high as \$120 per month for labor in some cases to get the work done. The clerk draws a salary of \$1200 per year. And the charter won't let him receive any more than that.

He is not the only city officer in the same boat. The city manager regardless of his efficiency may receive \$2500 per year and no more. This is the lowest salary now paid by any city having a city manager. The city treasurer receives for his work \$750 per year and the city assessor, one of the most important jobs in the city, may have but \$800. No margin is left for the rewarding of good service in any of these positions. The officer may take it or leave it just as he pleases. In most cities, where similar conditions prevail they are leaving it. There is no reason to believe that Grand Haven will be immune from the perfectly proper desire of a man to better his condition.

At a meeting of the city council last night all of the salaries of the regular employees were increased ten per cent. Up to this time the increase in salaries since 1915 has been thirty per cent and ten per cent, the increase allowed last night, makes a total of forty-three per cent increase in salaries.

As the city charter provides a limit to the salary of the city manager, the city clerk the city treasurer and the city assessor, their salaries remain the same as in 1915. If they had been raised in proportion to the other city employees their salaries would be as follows:

City manager, \$3,575.00 city clerk, \$1,716.00; city treasurer, \$1,072.50; city assessor, \$1,144.00. They are at present receiving the following salaries. City manager, \$2,500.00; city clerk, \$1,200.00; city treasurer, \$750.00; city assessor, \$80.00.

OTTAWA FARM BUREAU ISSUES PREMIUM LIST FOR SEED AND CROP EXHIBIT NEXT WEDNESDAY

The program of the Farm Bureau meeting and crop exhibit to be held at Coopersville, Wednesday, Oct. 29, will include two of the most prominent agricultural speakers available in Michigan. J. W. Nicholson, farm crops specialist for the college and secretary of the Michigan Crop Improvement Association will be present to discuss the latest development in the improvement of farm crops and the work the Agricultural College is doing in bringing out new and better varieties of grains.

N. C. Bingham, secretary of the Michigan State Farm Bureau, will be present to discuss the work of the state farm bureau and the relation of this association to the county farm bureau.

The final arrangements have been made for the use of the I. O. O. F. hall and the upper part will be used for the program which begins at 11:00 o'clock.

The dinner will be served during the noon hour by the Coopersville Grange and the afternoon will be given over to the study of the exhibits and the remainder of the program together with a business meeting which will include the election of officers and appointment of committeemen for the coming year and all farmers, whether farm bureau members or not are cordially invited to attend this meeting and also to exhibit some of the choicest products of their farm.

Through the cooperation of the organizations of the county the good premiums have been offered for 1st, 2nd and 3rd prizes of the various exhibits.

The exhibits must be in the hands of the secretary before eleven o'clock of the day of the meeting. No entry fee is required, and the only provisions are that the specimens be of this year's growth and grown within the boundaries of the country. Frank C. Hambleton of Coopersville has been named secretary of the farm bureau under whose auspices the conference and exhibit is to be held. Particulars concerning the meeting, and premium lists may be procured from him.

Through the cooperation of the granges, farmers' club and gleaners arbors, together with other associations, sufficient funds have been provided to permit the officials of the farm bureau to arrange a better seed exhibit. The object is an effort to bring together the best types of grasses, grains, legumes, tubers and horticultural products, in order that the varieties may be studied.

CLAIMS TO HAVE SEEN THE ALPENA LAST

HOLLAND MAN WRITES OF TERRIBLE EXPERIENCE SAILING STEAMER BELOIT

Mata Was Tied to the Wheel to Save Him From Washing Overboard

Mr. E. F. Hiler who lives on E. Twelfth street was a lake captain years ago and also went thru the terrible storm that wrecked the Alpina sailing his little schooner Beloit.

A vivid sea story is here depicted by Mr. Hiler:

"If you think best to give the readers of the News a history of the terrible experience that the little 2-masted schooner Beloit went thru from the time she left Fruitport 5 P. M. Oct. 16, 1880 until her arrival in Chicago at noon Oct. 18 as told by her captain on her return trip to Fruitport, you may do so."

"The captain's story.—The 16th of Oct., 1880 the Beloit left Fruitport 5 P. M. loaded with railroad ties in tow of a tug down Spring Lake to Grand Haven out on Lake Michigan. We saw the steamer Alpina lying at her dock as we passed by, she lay deep in the water showing she must have had a heavy deckload of freight and being a side-wheeler she had to stow her freight on the deck. We dropped the tug, made all snug for the trip to Chicago. It was a beautiful evening, warm and pleasant. By 11 o'clock we had made about 20 miles and in the meantime we saw the lights of the steamer Alpina as she passed us about 10:30. Without a doubt we were the last ones to see the Alpina or her lights."

"The barometer was falling fast, and from all indications we were in for a bad storm."

"I made everything snug and headed back for Grand Haven, seeing the storm was on us, I took in all the canvas. Of the crew of five, myself and mate lashed to the wheel, the other two seamen and cook were fastened in the little cabin. Under bare poles we tore along, seeing there was no chance whatever to make Grand Haven, I decided to keep to the lake and trust to the little schooner to pull us through."

"By this time the sea and wind were making things lively for us. The deck load of ties began to go and soon but a few were left on deck and the waves moved faster than the boat, being deep in the water, the sea would pile up at the stern and more and more water would come aboard. We two at the helm had our hands full to guide the vessel and keep her from breaking to. Once in the trough of the sea and we were gone. The gallant little vessel answered her helm in a way that gave us hope. The waves were by this time mountains and valleys. The vessel rolled and plunged. Part of the time under water, but the staunch little ship would rise up, shake herself and rush on again. So it was for hours. How the vessel kept afloat in such a raging sea was a miracle. About this time the cook had managed to make some coffee. We wanted it bad and the cook pushed the slide top stairway open to pass out the coffee just as an enormous wave broke over the stern. A mass of water poured into the cabin knocking the cook across the cabin nearly drowning him. I managed to push back the slide door making it fast again and from that time on for hours we had no food of any kind, nor were we able to be relieved at the helm. It was now day, the lake as far as we could see was one mass of tumbling water—no let up from the wind either. We sighted a steamer and kept within sight of her for some time. I afterwards learned it had made Ludington harbor safely. Our only hope was to keep the Beloit away from shore."

"From this time on we were driven nearly to the bottom of Lake Michigan. The wind shifted to the northwest and drove the Beloit toward Milwaukee, Wis. The shift of wind made trouble for the vessel, but she lived thru it. When near Milwaukee we were caught in another storm and were again driven toward the foot of the lake. It was now Sunday evening. The wind had abated and the sea went down, and we finally got out some canvas and headed for Chicago where we arrived Monday noon. It was a great surprise for the owners, for they had given us up for lost. Three years later the Beloit was lost on the Beach at Michigan City. Total loss, but the crew was saved."

About 200 were present at the Van Raalte Ave. P. T. club Friday evening. A few minutes were given to business during which Mr. Winstrom was elected president. An interesting program of Community singing was rendered and enjoyed. Presentation of new teachers, readings by Russel Damstra; piano solo by Geo. Vander Borg; remarks by Mr. Woldring, president of Lincoln P. T. school club; educational pictures and the prices were showed. Coffee and cake were served by the refreshment committee.

Prof. E. D. Dimment, president of Hope College is on the sick list. We will all hold our breaths while the food prices fall and pinch ourselves to be certain that we are awake.

A ZOO IS LOTS SAFER, JOHN CORBIN OF MUSKOGON.

John Corbin of Muskogon longed for the woods. He wanted to flit with the birds and hunt nuts with squirrels. So he got an early start one Sunday morning and hiked for a day with nature. Now John was a city man and that is why when he saw a cute little "lamb" grazing in a nearby meadow, he stopped to stroke it. But the "lamb" wasn't feeling well. It turned suddenly, lowered its head and charged. John sailed over the fence, made a beautiful tail spin and landed smack against a tree. Next time, he says, he'll know what is "lamb" and what is "goat."

LOCAL ORCHESTRA IS VERY POPULAR

So far this year Lacey's orchestra has played 27 engagements in Saugatuck, nine in Leland's hall, and 18 at the big Pavilion. Their work for the winter season will be resumed at Leland's hall soon and a contract has already been made to begin at the big Pavilion about May 1st, or as soon next season as the weather will permit. The orchestra has a number of open dates for the season of 1919-20 which may be secured by those applying first.

ANNOUNCING A THIMBLE PARTY

(Contributed by the ladies of the October and December Divisions of the W. L. C.)

Nobody loves a fat man,
But fat women are now in demand;
For the Literary Club needs money
To pay off the debt now on hand.
So all the ladies of Holland
Are invited for Friday at three,
To come to the Literary Club rooms
And pay an unusual fee.
So come bring your thimbles with you,
And as many pennies in your hand,
To pay to the one who asks you
As much as the inches of your waist band.

SOLDIERS OF THREE WARS AT MEETING

A gathering of civil war, Spanish American and World War soldiers was held at the residence of Mr. and Mrs. W. G. Tisdale at Saugatuck.

The banquet featured the army rations of '61-'65, consisting largely of coffee, beans, crackers and doughnuts, gotten up in such an attractive style by Mrs. Tisdale as to leave the guests under the impression that they were partaking of a six course dinner. It was finely prepared and most efficiently served.

Many incidents of the three wars, so widely separated in years were given by participants in the events they related. These were all highly interesting and entertaining.

FARMERS OF ALLEGAN HAVE DIFFICULTY BUT SETTLE

Wednesday morning the assumption case of Walter W. Staley, Boyd Staley, his next friend, of Allegan county, vs. Leonard Brender, was begun before a jury. In the afternoon the case was settled, defendants paying complainant \$850 with no costs attached. Young Staley was injured on the Brender farm in 1917 while assisting in threshing, though the defendants claimed he was not employed by them. While taking off a belt, which was tight, the young man slipped and fell on a board receiving permanent injury. At the conclusion of this case the court took a recess until next Monday.

SUGAR BEET SEED SHORTAGE FOR 1921 PLANTING, WARNING.

Shortage of sugar beet seed in the United States for the 1921 planting will be serious unless the beet sugar companies and seed growers in this country arrange immediately for the production of a large part of their sugar beet requirements for that year.

This statement by the United States department of agriculture is based upon unofficial but reliable reports from representatives of beet sugar companies and agents who have recently visited the sugar beet seed producing countries of Europe. "The sugar beet situation for 1921 is serious because of the limited production of sugar beet seed in Europe as compared with former years, because of the increased activity in beet sugar production in European countries, and because of the increased acreage planted to beets in this country in recent years," the department says.

"The present indications are that there is sufficient sugar beet seed, either imported or domestic, now in the hands of nearly all of the beet sugar companies in the United States to take care of the entire acreage to be planted to sugar beets in 1920, but that there is very little foreign sugar beet seed now available for importation and that foreign production in the immediate future will be limited."

LUGERS SCHOOL HAS WOMAN MODERATOR

The Woman's Literary club now has three members who are members of boards of education. The announcement of the appointment of Mrs. C. H. McBride as member of the Holland City board brought to light the fact that another member Mrs. Albert Diekema, has been a member of the board of education of the Lugers school in Laketown township since July.

Mrs. Diekema was elected to that office at the regular election and has been serving since. She is one of the first woman moderators of rural school boards in this section of the state.

WHEN INDIANS AND PIGEONS FILLED THESE PARTS

Leaving in Long Single Files. An intensely interesting story is given for publication by H. H. Hutchins of Pennville who in some private papers of the late D. H. Hall found some interesting Allegan County history around Saugatuck and Ganges and the Kalamazoo River. Hall was the second white child born on the Kalamazoo, in 1845. He died 1916 and was general looked up on as a man who longed to live close to nature. His story below would indicate that fact.

Said Mr. Hall: "My first recollection of wild bird life was, the birds were here without number. While living with mother at the Wallin tannery (northeast of Saugatuck), I awoke one morning and heard the damdest racket I ever heard, and was told it was wild pigeons that had just come in. They nested there and the people would cut down a tree and get from forty to fifty squabs. The habit of these birds was to hatch a nest of two, then lay more eggs in the same nest and let the first brood hatch the second pair. The crops of the squabs would be filled with little beech sprouts just started to grow from the beechnut. We cleaned the young pigeons and put them down in brine for future use. We did not disturb the older ones, as we did not want them, though they could be had by the thousands.

"When the pigeons were migrating the flocks were so dense that they would cast shadows on the ground and were almost sufficient to hide the sun. The flight would continue for probably half an hour, only to be followed by another. Pigeon hunters made it their business to trap them with nets. They would strew grain on the ground, tie a few birds to stakes pull on a string attached to the stool-pigeon to make him flutter and attract the flock that was flying over. When the ground was well covered with birds they would trip the net by pulling another string and the net was so arranged that it would fly over and cover the lot, the trapper being concealed under a booth made of green brush.

"Sometimes they would light in a areas of wheat fields and break over large areas of the grain. The birds were killed by pinching their heads, were put into barrels without dressing, and shipped. I don't remember to what market.

"Migration south, I should say, began about September and the northern flight began about May. "Ducks, geese, and blackbirds migrated in great numbers, but not to the extent in numbers as did the pigeons.

"Indians, too, were migrating in the early days. They came around in their canoes from Mackinaw in the fall; would hunt, fish, and trap all winter, and in the spring they went back north. The old buck would go out on a hunt and when he killed a deer he hung it up, went to camp, and sent the squaws out to bring it in.

"The Indians brought in calico and beads to trade for provisions. They no doubt got the merchandise in exchange for their furs.

"When a white girl got a squaw calico dress she was attired in pleasing style. The women wore their dresses in Mother Hubbard style of make and a blanket or shawl as a covering for the head and shoulders.

"The Indian name for corn was 'opin'; flour, 'napanee'; meat, 'weos'; deer, 'sucsee'; etc. (I would explain as above, deer was 'sucsee' and venison 'sucsee weos'; hog was 'cucuss' and pork 'cucuss weos'; or deer meat and hog meat accent on the last word.)

"The Indians always made maple sugar before going north in the spring. By stirring continually they would make a sugar quite similar to our brown sugar. When the whites bought sugar of the Indians they melted it to cleanse it, as the Indian boys used to swim in the store-trough before the sap was boiled down.

"Small packages were put up in birch-bark dishes called 'mokirks'. Sugar was 'sisboquette' (accent the last syllable). In their migrations they always traveled in Indian file, or in a row, one behind the other."

WHOLE ROAD PROGRAM PASSED

The complete road program presented to the board of supervisors by the county road commission was passed Saturday morning. The program went thru by a nearly unanimous vote all but one supervisor voting for it, showing the confidence that the board has in the judgment of the county road commission. The one dissenting vote was by Supervisor Tripp of Robinson township.

The passing of this program means that the Grand Haven road will be concreted completely, the new road to Grand Rapids will be completed and there will be a new Grand Haven bridge north of Holland. Several other roads are included.

Knickerbocker vaudeville Thursday, Friday and Saturday night.

MAN STOLE \$93.00 FROM RAILWAY EXPRESS COMPANY

The local police have been working on a case in which an envelope containing \$93 was taken by an employee from a desk at the Pere Marquette depot. Suspicion pointed to Richard Bennett and Chief Van Ry followed up the clues surrounding the case and confronted the young man with the evidence.

Bennett admitted taking the money on the night of Oct. 4. He was immediately taken before Justice G. Van Schelven and was bound over to circuit court on the charge of Grand larceny and is now in the county jail where he will remain until the November term of circuit court.

Bennett was a night man at the American Railway Express office at the depot.

PICKED UP AUTO THIEF IN HOLLAND

Nelson Hand took it into his head to go to Chicago with his best girl. So he picks up the first car he saw parked and flivvers his "lady love" to the "Windy City" after his money was gone he came home but his best girl refused to go back and stayed in "Chi." In the meantime the Muskegon police sent out information relating to the stolen auto and the man and the Ford sedan were spied on the street by Officers O'Connor and Steketee. The man was gathered in, admitted his crime to Chief of Police Van Ry and the Muskegon authorities were on hand shortly afterwards and took Hand to Muskegon for trial. He claimed that he was on his way back home.

FARMER OF ALLEGAN COUNTY IS SERIOUSLY INJURED

Albert Meyers, living on the Hooker road, in Allegan county, was seriously injured when his team ran away. He was drawing cornstalks and the horses became frightened and ran into the barn. Mr. Meyers was on the side of the rack as the wagon caught between the building and the rack. He was brought to Robinson hospital at Allegan where an X-ray photograph was taken. It showed the hip broken and internal injuries were sustained. His condition is critical.

FORMER HOLLAND SENTINEL MAN GETS MARRIED

Miss Mary Lysaght of Grand Haven and James O. Deto of Holland, were married Saturday morning at St. Patrick's church. Nuptial high mass was sung by the Rev. D. J. Hyland. Mr. and Mrs. Edward Fritz attended the bride and groom. After the ceremony a wedding breakfast was served to the immediate relatives at the home of the bride's mother. Mr. and Mrs. Deto left on a short wedding trip after which they will reside in Flint.

Mr. Deto, it will be remembered was associated with the Sentinel about seven years ago when he left for Chicago University where he was studying when the war started. He immediately enlisted and was only recently discharged, having the rank of First Lieutenant.

He entered Fort Sheridan as a second lieutenant. Mrs. Deto is the daughter of the late Capt. Lysaght who was captain of the Grand Haven Coast Guards and for years has been a well known figure in marine circles.

Mr. Deto is a son of Mr. and Mrs. Oliver Deto of Holland and is a representative of the Holland Furnace company.

JURY NAMED FOR NOVEMBER TERM OF COURT

Although it would seem that the August term of court had but recently closed, the preparations are already under way for the opening of the regular November term, which will open the first Monday in November, or to be definite, Nov. 2. While the calendar for the session has not as yet been issued, it is large and the jury will no doubt be kept busy.

This has been a very busy year also for Prosecuting Attorney F. T. Miles. He has scarcely come thru with the biggest court calendar in Ottawa's history, when a second large one is staring him in the face.

In the list of jurors selected for the regular panel, there appears the name of but one Grand Havenite, E. L. Behm of the Fifth ward. The selection is made by drawing, however, and it happened that the Grand Haven names remained in the box.

Six men from Holland were chosen for duty this term, representing each ward of the city, and the complete selection follows:

Grand Haven, 5th Ward, E. L. Behm; Holland, 1st ward, John Ter Beek; second ward, Johannes Van Dyke; third ward, Peter F. Douma; 4th ward, James Zeerip; 5th ward, John Erickson; 6th ward, John Vander Heide; Zeeland city, John Staal; Allendale Twp., Asa Brown; Blendon, Henry A. Avink; Chester, J. Gillhespy; Crocker, F. D. Allison; Georgetown, Otto Bajema; Grand Haven, Wm. Donahue; Philip Vogel, Holland; Jamestown, Clemens Rodanhsler; Olive Cornelius Baumann; Park, Peter Belen; Polkton, Emmet Culligan; Robinson, Alfred Bryant; Spring Lake, John Bremer, Jr.; Tallmadge, Henry Parks; Wright, John Lothschuty; Zeeland, George De Hoop.

ACCEPTS CALL TO OVERISEL CHURCH

Rev. M. A. Stegeman, formerly of this city, now pastor of the Reformed Church at Cleveland, Ohio, has announced to the consistory of the Overisel Reformed Church that he has accepted the call extended to him by that church recently. The announcement was made last Sunday to the congregation. Rev. Stegeman is a graduate of Hope College and the Western Theological Seminary. He is the first pastor called by the Overisel church since the departure of Rev. J. Steunenberg who left a few weeks ago.

RIEMERSMA'S AUTO LICENSE IS REVOKED BY THE STATE

Following a hearing Tuesday Secretary of State Vaughn revoked for nine months the automobile license of Richard Riemersma of West Olive, Ottawa county. Riemersma was charged with driving his automobile while intoxicated and with a failure to stop his car after running down a woman.

It will be remembered that the man not only ran down a lady at "Dead Man's Curve" on the pike road but also smashed up a other auto and was found in a stupor in the rear of his Ford.

SECOND BOOK OF SERIES PUBLISHED

The second of a series of catechetical books written by Dr. J. E. Kuizenga of the Western Theological Seminary has just been published. The first of the series was entitled "Stories About Jesus" and the new volume is called "Stories About Jesus' Church." These will be followed by others, it is announced in this week's issue of The Leader, on Old Testament History, and the series will be completed by one on the Bible as a whole.

The present publication contains 26 lessons and is a book of 103 pages bound in paper.

MAIL MAN RUN OVER BY FORD

Jacob Geerlings, Holland's veteran mail carrier, is having his share of misfortunes these days. About a week ago he underwent a painful operation for the removal of a swollen gland in his neck, and he is still wearing the bandages of that operation. But he had returned to work and Monday morning while on his regular beat, he was run over by a Ford car. The car was that of John DePree, a truck farmer. Mr. Geerlings was on the corner of Eighth and Central Monday morning, when the Ford car came straight for him. While he tried to dodge, the Ford dodged in the same direction, knocking Geerlings down to the pavement.

The front wheel went over his chest and the two back wheels went over his legs. Bystanders immediately offered to carry him to a doctor's office, but Mr. Geerlings refused. He continued his mail route, and later visited a physician who patched up with iodine the bruises he had received, of which there were a considerable number about his body. The driver of the car admitted that it was the third day he had driven a car and that he was not as yet very familiar with it.

ABOVE ALL, HE LOVED AMERICA!

A man is an American and nothing else, or he is not an American at all.

—Theodore Roosevelt

One flag, the American flag; one language, the language of the Declaration of Independence; one loyalty, loyalty to the American people. —Theodore Roosevelt

HE was found faithful over a few things and he was made ruler over many; he cut his own trail clean and straight and millions followed him toward the light :: He was frail; he made himself a tower of strength. He was timid; he made himself a lion of courage. He was a dreamer; he became one of the great doers of all time :: Men put their trust in him; women found a champion in him; kings stood in awe of him, but children made him their playmate :: He broke a nation's slumber with his cry, and it rose up. He touched the eyes of blind men with a flame and gave them vision. Souls became swords through him; swords became servants of God :: He was loyal to his country and he exacted loyalty; he loved many lands, but he loved

his own land best :: He was terrible in battle, but tender to the weak; joyous and fireless, being free from self-pity; clean with a cleanness that cleansed the air like a gale :: His courtesy knew no wealth, no class; his friendship, no creed or color or race. His courage stood every onslaught of savage beast and ruthless man, of victory, of defeat. His mind was eager, his heart was true, his body and spirit, defiant of obstacles, ready to meet what might come :: He fought injustice and tyranny; bore sorrow gallantly; loved all nature, bleak spaces and hardy companions, hazardous adventure and the zest of battle. Wherever he went he carried his own pack; and in the uttermost parts of the earth he kept his conscience for his guide.

Resolutions prepared by Hermann Hagedorn, Jr.

After serving for about thirteen years as driver of the Model Laundry, John W. Deur has resigned to take a position with the Harrington Coal Co. Mr. Deur will have charge of the north side office of this concern.

It isn't everywhere that one has the privilege of eating strawberries in mid-October. Harm Bottle of Grand Haven has a bed of Ever-bearing strawberries that are now in full bloom and is producing most luscious fruit. Mr. Bottle sent a box of these berries from his farm just south of the city to town the other day.

The West Michigan Pike through the township of Ganges will not be finished this season as had been thought, but only about half of it will be completed. The contractors are getting along well with the work, being able to take a sufficient amount of gravel from the shore of Lake Michigan.

Salway peaches were in market this week. This sort of peach is the last to ripen. The fruits are not very inviting in appearance, lacking color, but they are of good quality. They are unusually so this fall because of the length and warmth of the season. In some years they do not ripen enough to be eatable.

Judge Stratton of Allegan received this week sixteen English pheasants which he liberated in the ravine near his home. At present these wild birds came daily to the barn yard and feed with the chickens but no doubt will be listening to the "call of the wild" soon, when eventually they will be gun fodder for the hunters.

Dr. and Mrs. Henry W. Tuttle of Kingfisher, Okla., were the guests of Mr. and Mrs. John S. Dykstra. Tuesday. Dr. Tuttle is the president of Kingfisher College in which institution Miss Marie Dykstra is head of the department of piano and pipe organ. The Tuttle were on their way to attend the Congregational Church convention at Grand Rapids, and were taken to that city by auto by the Dykstras.

All the men of Hope church who can be present are invited by the pastor and his wife, Rev. and Mrs. P. P. Cheff, to attend a gathering at the parsonage on Friday evening to indulge in a friendly smoker and to discuss some plans for future movements in the church that will be presented to them. The host and hostess wish to include in their invitation all who can come, whether they are members of the church, or attendants, or interested specially in the work of this church without being in any way connected with it.

Cigarettes have been boosted 3 cents a package in Detroit "due to scarcity of tobacco and labor." Window glass is now going higher "due to scarcity of sand and labor."

In this month's issue of "Public Health," published by the State Board of Health, appears an article by Dr. A. Leenhouts of this city on "The Nose and Throat in their Relation to the General Health of the Body." The article was originally written for and published in "Michigan Out-of-Doors" but the editor of "Public Health" thought well enough of it to reprint it in that magazine.

An orchestra was organized at Hope College Monday evening with Prof. Bruno Meinecke as conductor and Mr. Dyke Van Putten as manager. There were 21 present at the initial meeting. Miss Susanna Hamelink will serve as accompanist.

The Teachers Training Class held its first meeting of the year Monday evening in the Third Reformed church. The enrollment was about 50. An invitation is extended to others who wish to take work of this kind to join the class. Miss Hannah Hoekje was elected 1st vice president.

Born to Mr. and Mrs. Steven Brunnink, Montello Park, Monday—a daughter.

Born to Mr. and Mrs. J. Plakke, 61 River Ave.—a daughter, Violet Marie.

Jerry Dykhuis, formerly of Holland now of Grand Haven, takes pride in a New Guinea wonder bean, which he grew in his garden this season. The vegetable is something new to this locality and measures over forty inches in length. One of these beans will feed several families.

Born to Mr. and Mrs. Clifford Hopkins, Monday morning—a baby boy.

Mrs. J. B. Mulder who has been confined at Butterworth Hospital for the past six weeks is improving slowly.

Rev. M. Van Vessel of Zeeland and Rev. J. B. Hoekstra of Midland, Park, N. J., simultaneously observed the 32nd anniversary of their ordination as ministers in their respective churches.

Herman Kiekentveld, of the Sentinel, who was operated on for appendicitis, is recovering rapidly.

C. M. McLean is making a tour of the different sugar plants of the state visiting Saginaw, Bay City, Petoskey, St. Louis and other cities where beet sugar factories are located.

Miss Vera Risto of Chicago is spending a short time at her home in this city.

Mrs. G. T. Haan was a Grand Rapids visitor Wednesday.

Mrs. Samuel M. Zwemer of this city has been secured by the Christian Endeavor society of Gibson to deliver an address on missions at the meeting of that society next Sunday evening at 7 o'clock. Mrs. Zwemer has chosen for her topic, "Missionary Work in Egypt." An invitation is extended to all from that section of Allegan county to attend the lecture.

The Grand Rapids Herald on Tuesday morning contains a cut of B. Steketee the veteran grocer and dry goods man of Holland. The following appears underneath the picture: "Bastian Steketee, who hopes to reach his semi-centennial, in Sunday School work before he retires, has not only taught Sunday School classes for 47 years, but has also taught all these years in the same church. Among his former pupils are ministers, missionaries, business and professional men, both in this country and abroad."

Harvey Alexander and family, of Grand Haven, will leave the coming week on an auto trip to Los Angeles, Cal. They will travel via the Santa Fe trail. Mr. Alexander expects to be back in the spring but it is possible that if the family like California they will remain out on the coast.

Mr. and Mrs. Isaac De Kraker celebrated their silver wedding anniversary Thursday evening at their home at 863 College avenue. The out of town guests were: Mrs. G. Harvey, Mr. and Mrs. John DeVries and family, Mr. and Mrs. John Hartger and family, Mr. and Mrs. E. De Vries and daughter Ruth, Mrs. Jay Dornbos, Mr. and Mrs. H. De Kraker and daughter, Dora and Katherine from Grand Rapids; Mrs. J. Vork and daughter Reka and Mr. and Mrs. G. Schrottenboer and Mr. and Mrs. H. Schrottenboer from Saugatuck.

Mrs. C. J. Den Harder of Grand Rapids, formerly of Vriesland, died at the home of her son, Marinus, at the age of 59 years. She is survived by her husband and two children, Mrs. J. Meengs, Jr. and Marinus, both of Vriesland. Funeral was held Saturday at one o'clock at the house and 2 o'clock at the Reformed church at Vriesland.

Nathaniel Robbins of Grand Haven and Con De Pree of Holland left Friday for a ten-days hunting trip to Aberdeen, S. D.

A marriage license has been issued in Allegan County for Henry Kalmink and Sena Ortman both of East Saugatuck.

The Misses Betty Nibbelink, Ruth Mulder, Gene Verschure and Wilma Nibbelink and Mr. Seth Nibbelink and James Nibbelink motored to Muskegon where they were the guests of Mrs. Jacob Nibbelink of that city.

The Forward Movement Club met Oct. 17 at the home of Mr. and Mrs. George Schuurman 46 East 16th St. Mr. Schuurman read a paper on the "Labor Problems of the Day." A lively discussion followed, showing the early need of educating the foreign immigrants. Refreshments were served by Mrs. Schuurman. The meeting adjourned at the usual hour every one reporting a good time.

Orlo Palmer, 206 East 13th St., is having a great deal of fun with a wireless apparatus that he has rigged up at his home. The other day he picked up four or five selections on the Victrola played in Chicago. He has picked up messages from as far away as New Mexico to the south and New Brunswick to the East.

Ex-Mayor John Vandersluis will conduct the song service at a 2-days session of the 41st annual Sunday school convention of Berrien county to be held in the Congregational church at Benton Harbor on Thursday and Friday, Oct. 30 and 31st. The program provides a song service for six different sessions.

P. H. McBride is quite seriously ill at his home on West 11th street. The old gentleman had intended to go to California with Mrs. McBride as was his custom, in fact the tickets were already purchased when illness prevented them from going. The McBrides will remain in Holland this winter.

Mrs. Wm. Burdick, aged 48 years died Saturday morning at her home at 37 East 19th street. The deceased is survived by her husband and three children.

The funeral of Mrs. Wm. Burdick was held Tuesday afternoon at 1 p. m. from the home, 37 E. 19th street. Rev. G. B. Fleming of the church officiated. Interment at Saugatuck.

Both fire departments were called out to a roof fire Sunday morning at 8 o'clock at the home of John Olert, West 14th St. The damage was slight.

John Meeuwse, formerly of New Holland, now of Grand Haven, working at the corner of 7th and Franklin streets, found a doll in his coat when he left work yesterday. John contends that he raised a big enough family and besides sent four of his sons out to fight during the big war.

—Grand Haven Tribune.

The Van Anrooy pile driver of Holland is engaged in driving the piling for the new state bridge, that

will be constructed across the channel into Spring Lake at Ferrysburg. The new bridge is a part of the project of the new highway through Ferrysburg built under the Covert act.

Att. Jay Den Herder associated with the firm of Vischer and Robinson has moved from Zeeland to Holland and Mr. and Mrs. Den Herder will make their home at 209 College Avenue.

Arie Radder, one of Holland's "Polar Bears," arrived home Thursday. Radder left Russia with the other "Polar Bears," but he was held up in France until now by the medical authorities.

Born to Mr. and Mrs. Eldon W. Dick, 84 E. 9th St., Thursday evening—a boy.

Born to Mr. and Mrs. Benj. Baldus, a seven and a half pound girl. Mrs. Baldus was formerly Miss Irene Van Ark.

Mrs. Frank Hadden suffered a stroke at the home of her daughter Mrs. Merrick Hanchett.

Mrs. A. E. McClellan is critically ill due to a fall she suffered last week.

Little Margaret M. Dykema, the year-and-a-half-old daughter of Mr. and Mrs. J. Dykema, 231 E. 14th St. is dead at the home of her parents. The funeral was held Saturday afternoon at 2 o'clock. Rev. H. Hoeksema officiating.

DOUBLE HEADER IS SCHEDULED FOR SATURDAY

Football fans in Holland will be treated to a big double header next Saturday afternoon on the 9th St. grounds when Holland High faces the strong Union team of Grand Rapids and Hope clashes with the M. A. C. Freshman eleven. Not at all daunted by the two defeats inflicted by Kazoo and Alma, the Orange and Blue aggregation will make a big effort to come out on the big end of the score. "Pete" Prins and Van Hazel, injured in the Kalamazoo game, will no doubt be seen in Coach Brooke's lineup. For Saturday Coach Brookes has secured the service of Mr. Nelson of Holland, who played on the Brown University team for three years, to assist him into strengthening the line work.

Union will have no easy task on her hands Saturday if she expects to trim Holland High. Coach Horner's boys feel elated over their 47 to 3 victory at Plainwell Saturday and are confident that they can give the Union eleven the hardest game of the season.

The Holland-Union game will be called at 2 P. M. Admission to the two games will be fifty cents. Tickets are on sale at Van Tongeren's cigar store.

EVEN with the passing of his body, his spirit, unquenchable, leads the Nation on the long Trail to progress. His is an eternal example and influence for Americans of this and of succeeding generations.

Who of his countrymen can forget that strong and kindly face, that buoyant and earnest yet, always cheerful personality, that steadfast courageous and indomitable character?

We of his own time feel sure in the possession of the great leader, even though this bodily presence be taken away.

It seems but yesterday that we heard that loved voice sending forth its clarion notes, calling to patriotism, to courage and to duty.

In the great and unknown purposes of an Almighty power, it may be that his death at this critical time was beneficently planned that his work might be forever vitalized for his countrymen.

Much as America needed him in person, it needs him in spirit more.

It was perhaps less vital that we should be guided by his advice than inspired by an intensified sense of his vivid personality, his luminous mind, his sincerity of purpose and his power of decisive action.

Here is your opportunity to declare your Americanism; here is your opportunity to assist in perpetuating a remarkable leadership.

WHAT YOU SAW IN THIS PAPER THIS

THIRTY YEARS AGO
One hundred and thirty-eight students are attending Hope College.

Last Saturday afternoon Roy Scudder, 19, of Zeeland, was shot in the leg by the discharge of the weapon. Dr. J. E. Yates was called and extracted the ball and dressed the wound.

Married: By Rev. T. T. George, Sunday, October 12, 1914, Oscar S. Reed to Carrie M. Schaffer, both of Manlius, Allegan county, Michigan.

Married: By Rev. D. Brek, October 22, 1914, at the parsonage of the Third Reformed church, Mr. Aalt Riksen, to Miss Maatje Mastenbroek, both of the same time and place. Mr. Hendrikus Riksen to Miss Wopke Vander Veenen, all of Holland, Mich.

THIRTY YEARS AGO
A little daughter arrived last Monday toadden the hearts of Mr. and Mrs. J. De Kater.

A fourteen pound boy was born to Mr. and Mrs. L. Olsen last Wednesday evening. Joseph P. Johnson, of Frankfort and Miss Alvida M. Burk, of Holland, were married at Grand Haven on Thursday.

Fire destroyed Peter Buewida's barn at Zeeland with his horse, carriage, hay, and grain on Monday night. Loss \$1,000; no insurance.

TWENTY-FIVE YEARS AGO
Miss Martha M. Nyland, formerly of this city, was married at Grand Haven Wednesday, to Mr. John J. Gieson, clerk of the Stearns Wisconsin. The ceremony was performed by the Rev. J. J. Van Zanten.

James A. Brouwer has bought the old Deesburg place, on 9th street.

D. J. DeJonge of this city was married at Zeeland on Wednesday, by his brother, Rev. F. J. De Jonge to Miss Cornelia Van der Buis.

TWENTY YEARS AGO

Yesterday afternoon G. H. Abbott, living near Fenville, was struck and killed by the engine of passenger train No. 3, which arrives here from the south at 4:25 p. m. Mr. Abbott was on the track near the cattle guard this side of Fenville when he was struck by the engine. It appears that in attempting to pass the cattle guard, he became confused and stepped in front of the approaching train. Mr. Abbott was about 65 years of age.

Fred Kamferbeek sold his residence on 18th street to Mrs. Hoffman last Tuesday for \$700.

FIFTEEN YEARS AGO
A \$10,000 hotel will be erected for Charles Gould at Jensen Park.

Robert M. Moore died last Friday morning at his home on East 16th street, near the Fairgrounds, at the age of 72 years, after a long illness.

TEN YEARS AGO

Born to Mr. and Mrs. G. H. Meene of Zeeland—a son; to Mr. and Mrs. J. Masselink of Zeeland—a daughter; to Mr. and Mrs. Peter Vanden Bosch at Noordeloos—a daughter; to Mr. and Mrs. Martin De Haan, of Zeeland—a daughter.

Born to Mr. and Mrs. Gerrit Nagelhout of Crisp—a son; to Mr. and Mrs. Cornelius Jacobsen of Crisp—a son.

Miss Helene De Weerd, daughter of J. M. De Weerd, was united in marriage last Thursday evening to Dr. C. D. Freeman of Battle Creek, Rev. E. J. Blekkink performing the ceremony.

MONEY IS BEING MADE IN HOLLAND REAL ESTATE

Real estate is a strange commodity to handle. Holland has had many unusual cases of property fluctuation during the past nine months.

"A year ago you couldn't sell a house no matter how you tried, and vacant property you couldn't give away," said a real estate man.

This may be putting it a little strong but real estate men will tell you that city property was not moving even a little bit. Farm property was doing fine but Holland property was a drug on the real estate market at that time.

We lacked a little confidence in our own town, that was all, but since Jan. 1, 1919 this confidence has been restored and Holland has found itself.

However, coming down to real estate, there is a great deal of money being made these days in Holland by virtue of the scores of real estate transfers that occur weekly.

We recall in one instance where a man purchased a home one week and the next week he resold it for \$400 more than he paid for it. The stories that you hear, relating to real estate profits, range anywhere from \$50 to \$1,000 on a single bit of property.

But the most remarkable transfer is shown in the selling of the Holland Gelatin Works on the North Side. For years these buildings have been offered for sale for a song; in fact the price had been advertised repeatedly for the past five years and this was ridiculously low.

Just recently the plant was again advertised for sale, not at the flattering figures once offered a year or two ago. However a few days ago the plant was bought up by the Holland Milk Products Co.

Now Dick Boonstra, the manager, tells us that the new company was offered \$15,000 more for the plant than the price paid for it by the new company and that two different parties had tried to negotiate with him for the purchase of the plant. The Holland Milk Products Co. is not selling however, but will soon have the plant in shape for the making of condensed milk, cheese and other milk products.

TO FOLLOW HIS BROTHER IN PULPIT.

Rev. Minor Stegenga, graduate of Hope College, and brother of the late Rev. Andrew Stegenga of Grand Rapids who lost his life last summer as the result of an explosion of gas in his home, will follow his brother as pastor of the church he served.

Rev. Stegenga has wired the consistory of that church that he has accepted their call and will continue the work begun by his brother. Rev. Stegenga was a prominent Hope College student during his stay here and was a star athlete, while at the same time being a leader in most of the other college activities.

At a meeting of the congregation of Bethany Reformed church, at Grand Rapids, Oct. 30, a pastor will be chosen from a trio to succeed the Rev. James Wayer who came to Holland. The trio is composed of

WANT BETTER EQUIPMENT FOR CITY NURSE

The P.T. club of the Lincoln School held the first meeting of the year Tuesday evening when a very interesting program was rendered. The Club took an important step in unanimously voting in favor of a resolution that is to be presented to the board of education and to the common council asking that a Ford Coupe be furnished to City Nurse Miss Koertge for use in her work in this city.

A small car is considered an indispensable part of the equipment of a city nurse, and Holland in furnishing one will be only following the practice of other cities where public health nurses are employed. Washington school has also voted by a large majority in favor of this project. It will be presented to all the P.T. clubs in the city and it is expected that the demand on the part of the parents of the school children for it will be so stormy that all that is left for the city authorities to do is to follow the wishes of the constituency of the schools.

It is pointed out by those interested in the matter that Miss Koertge has demonstrated her value in safeguarding the health of children, and that it is poor economy not to provide her with the equipment needed to do her work effectively.

There was a large attendance at the meeting Tuesday evening and an address was delivered by Prof. Egbert Winter of Hope College on "Educating the Child." Talks were given by David Damstra and William Winstrom of the Van Raalte P.T. club, and a solo was sung by Miss Marie Ingham.

Moving pictures were shown as a part of the program, the pictures being cast on the screen by a new movie machine purchased by the different clubs. The Lincoln Club voted Thursday night by 97-13 votes to pay its share toward this machine. Music was furnished by the Van Dyke orchestra.

PARENTS-TEACHERS MEET IN WASHINGTON SCHOOL

The first meeting of the P.T. club of the Washington School Tuesday evening was a successful social event. The first part of the program consisted of songs and recitations by some of the little people of the Kindergarten and 1-2 grade, under the direction of the Misses Dickinson and Ewald. After the introduction of the teachers by the president of the club, Mr. Mooi gave a short and interesting talk on the equal responsibility of the parents and the teacher in the training of the child. A vocal solo was rendered by Miss Luella Tedrow which was greeted. Next Rev. Paul P. Cheff, of Hope church heartily endorsed the sentiments of Mr. Mooi's talk, after which the dominie gave an earnest speech on Col. Roosevelt. After a short business session, a social half hour was enjoyed, during which time, excellent cake and coffee was served by the refreshment committee.

MANY STICKERS PUT ON CARS

The police officials Tuesday evening went the rounds of the city to warn the automobilists that from now on all autos parked anywhere on the streets must display both front and rear lights. This is a state regulation and the local police department is obliged to enforce it. All autos that were parked anywhere in the city Tuesday evening were decorated with stickers announcing the fact that the lights must be displayed. This is true of the machines on Eighth street as well as those parked anywhere on the dark back streets.

Automobilists have got into the habit of parking their cars on 8th street without displaying their lights but the new state law makes no distinction and the police department has no alternative but to enforce the law.

Mrs. H. A. Morris of Saugatuck

has received from the war department three formal memorial documents regarding her son, Charles J. Frehe, who was killed in action in France on June 6, 1918. The first is the regular war service certificate issued by the department. One of the others is a memorial of the Marine Corps, signed by the major general commandant, the last being a memorial certificate of the U. S. army, signed by Gen. Pershing.

Only fifteen countries of Michigan have each a larger Red Cross membership than has Allegan county. We have 11,300 members. A campaign for membership and the raising of \$655,000 in the state at large is soon to begin. It is hoped to have it completed by Nov. 11. Allegan county's allotment has not yet been stated to the county chapter—Allegan Gazette.

SUPERVISORS GET INTO WORK OF SESSION WITH A VENGEANCE THIS TERM.

The Ottawa county board of supervisors is wading into the mass of business accumulated for the October sessions, with a vengeance. Two sessions were held Tuesday and a great deal of business was cleaned away. Committees have reported rapidly and action by the board has been called for in a number of matters. During the last day or two the report of the work done by the county agricultural agent has been received and the office as conducted by D. L. Hagerman has been endorsed, and continued for another year.

Monday the board received the report of Miss Grace Hitchcock, county home demonstration agent for Ottawa county. An endorsement of her work was made with the recommendation that the office be continued with an appropriation of \$500, of which \$300 is to be used for salary and \$200 for expenses. The board agreed with the request. The supervisors are also considering the plan of establishing a juvenile detention home in the county.

Authorization has been made for another agreement with Dornbos concerning the salary and conduct of the jail. The report of the committee on equalization is also before the board, and will get final action within a day or two.

CENTRAL PARK PIANIST GIVEN A SURPRISE

The choir of the Central Park Reformed church held their regular choir practice meeting Tuesday evening, but before the work of the evening had ended the gathering resolved itself into a surprise party in honor of the pianist, Miss Johanna Van Zoeren. The meeting was held at the home of Miss Georgiana Lugers.

The members of the choir showed their appreciation of the work of Miss Van Zoeren by presenting her with a beautiful electric reading lamp. Refreshments were served. In the games that formed amusement for the prizes were won by Herman Cook, Raymond Cook and Hattie Brinkman.

SUPERVISORS REFER REPORT OF MEMORIAL.

At Saturday's meeting of the board of supervisors the report on the county memorial for the soldiers who died in the service in the late war, was submitted recommending that the county appropriate funds for the purpose. Supervisor Vander Warf moved that the report be not adopted and Leo C. Lillie, city attorney of Grand Haven, made a spirited protest against rejecting the recommendation. The matter was finally referred back to the committee.—Grand Haven Tribune.

RECENT BRIDE IS GIVEN SURPRISE

Tuesday evening the officers of the Royal Neighbors surprised the former Oracle, Mrs. Mary Harmon-Mullinger. The officers expressed their appreciation of the work done by Mrs. Mullinger and the surprise was for the purpose of giving her an appropriate farewell reception. Mrs. Mullinger, who became a bride recently, is soon to leave Holland to make her home in Chicago. Mrs. Ming, in behalf of the officers, presented her with a beautiful string of pearl beads. Then, in honor of the recent wedding, there was plenty of rice throwing and congratulations. Music and cards formed the amusement for the evening and refreshments were served.

BIG VAUDEVILLE THURSDAY FRIDAY AND SATURDAY NIGHTS

Sam Miller is again putting on three nights of exceptionally fine vaudeville, Thursday, Friday and Saturday nights. He has secured six big acts for three nights. He secured See the program on the last page.

REDUCE INTERURBAN FARE TO GRANDVILLE TO 10 CENTS.

The fare on the Michigan Railroad's Holland line has been reduced as far as Central avenue, Grandville, the new fare to that point being 10 cents, the rate in effect before the increase to 14 cents. The rate from the city limits to that point is now eight cents instead of six.

The new schedule conforms to recent reduction in fares to Wyoming Park, Elmbrook, Ivanrest, Hamilton and Higgins avenue, just east of Grandville. The company volunteered this last change.

FORMER HOLLAND MAN IN AUTO SMASH.

John Timmer and his family formerly of Holland now of Grand Rapids escaped injury Sunday afternoon when their automobile was struck by a car driven by Carl Higley of Conklin while driving near the Highlands Country club.

Both cars were going in the same direction. Higley attempted to pass the Timmer auto. He had nearly cleared Timmer's car when an approaching car made him swerve to the side of the road. He struck the front wheel of Timmer's auto, forcing it into an eight-foot ditch, where it turned over.

In Timmer's auto were, besides himself, two adults and four children. None of the party was hurt. After righting the automobile they proceeded on their way.

LET US TELL YOU THE STORY OF CHIROPRACTIC

Chiropractic, the drugless Health Science, which has solved the Health Problems of hundreds of thousands, is less than a quarter of a century old. The first chiropractic adjustment was given by the D. D. Palmer, in September, 1895. A few years later B. J. Palmer, D. C. Ph. C. developed it into a well defined non-therapeutical Science, Art and Philosophy that had no resemblance to any therapeutical method.

Right from the very start the results obtained were so wonderful that its growth became phenomenal. At the present time there are ten thousand practitioners located in every part of the globe and hundreds of thousands of rich people are being daily benefited by taking Chiropractic Spinal Adjustments. Students from twenty eight foreign countries are now studying at the Palmer School where the total enrollment is one thousand two hundred students. And all this in less than a quarter of a century. Investigate the principles of this Science.

Give the world the once over

LISTEN, fellows, to some story. Many a man when he gets to be 40, misses something. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, it's too late.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling. "Shove off!" He wants men for his Navy. He's inviting you! It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—sights at the six continents—that's its business. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore-leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off! - Join the U. S. Navy

MRS. GEO. W. LYNDON DIES IN HOSPITAL

After an illness of some duration Mrs. George W. Lyndon of Chicago and Waukegan died Wednesday evening at the Blodgett Memorial Hospital in Grand Rapids. Mrs. Lyndon for many years past has spent her summers at "Lyndonhurst" at Waukegan. She has a host of very close friends in Holland.

Mrs. Lyndon was formerly Miss Kate Birkoff, a sister of the late George Birkoff, Jr. Her first husband was John Scully.

The deceased is survived by her husband, George W. Lyndon, a prominent Chicago business man, and one daughter, Mrs. Dorothy Powers.

HOW SOON THOSE BUTCHERS SQUEEL

Market men of Kalamazoo are already complaining because of their inability to dispose of their stocks of meat. Farmers and townspeople alike are enjoying fried squirrels and squirrel pies, so that sales of beef and pork are dormant.

The squirrel season is of short duration, but is followed by the opening of the rabbit season, and those animals are said to be particularly plentiful this year.

POLICE SCOUTS ROUND-UP BIKES STOLEN IN GRAND HAVEN

The police department of Grand Haven has uncovered what looks like a wholesale bicycle stealing plot. The arrest of John Kenny, whose name was afterwards learned to be Ed. Schwreck of Chicago, was the key to the situation which the police have been trying to solve for some time. Friday afternoon the police arrested Albert Mann, an employee of the Fountain Specialty company, who admitted being implicated with Schwreck in the theft of a number of bicycles.

The two come from Chicago, and lived in Grand Haven township. Mann told the officers where to locate some stolen wheels, and a total of six bikes were rounded up by Officer Spangler. Three of the wheels had been sold to farmers in the vicinity and parts of three others were found on the premises. The three wheels were recovered and parts of the others will all probably be restored soon.

In a locked chest among the possessions of the two men the officers found several suits of underclothing, athletic sweaters, cartons of cigars, etc., after dinner mints, etc. Both men admitted they had been arrested in Chicago, the officers state.

They both appeared in Justice Wachs' court where they were sentenced to a term of 90 days in jail.

COLLEGE GIRLS FORM NEW SOCIETY

With the large increase in the enrollment at Hope College, this year there seemed to be a new enthusiasm created and this in time forced the new girls to realize that a new girls' literary society should be organized.

There were only two when the term opened, the Sorosis and Delphi both flourishing organizations.

The freshmen girls then convened and formed a new body and are calling themselves "The Sibylline" Literary Society.

The girls adopted the motto: "Not only to seek learning, but also all things that accompany it."

The new society possesses some unusual talent and promises to do great things upon the Hope Campus this year. The following officers were elected at the first meeting: President, Wilma Meyer; vice-pres., Jennie Van Dyk; Sec., Florence Moore; Treas., Ethel Leenhouts; K. of A., Swantina De Jonge.

MAY SUPPORT A SERBIAN ORPHAN

The first meeting of the season of the Elizabeth Schuyler Hamilton chapter, D. A. R., was held Wednesday afternoon at the home of Miss Cotton, 93 West 14th St. Interesting reports of the state conference held at Lansing were given by Miss Cotton and Mrs. A. T. Godfrey. At the conference Madam Growitch, wife of the Serbian minister to the U. S., urged each chapter of the D. A. R. to support a Serbian war orphan at a cost of \$72 a year. It was voted that the corresponding secretary of the local chapter correspond with the chapters at South Haven and Allegan in regard to the action they intended taking in this matter.

The music of the afternoon was furnished by Mrs. Robbins who delighted her audience with the Magic Fire Scene, arranged by Brassin, responding to an encore with Paderevski's Minuet.

After the meeting, a social hour was enjoyed, Miss Cotton and Mrs. Robbins serving as hostess.

Herbert Schumacher, Gerrit De Weerd and Harvey Fairbanks, pupils of Prof. P. P. Weid, gave a violin recital at the Malek conservatory, Grand Rapids, last Sunday. They played before a very critical audience of music teachers, and members of the St. Cecilia. Their playing was applauded with great enthusiasm. The accompanists were Gerard Hanchett, Margaret De Weerd and Miss Cada, the latter being from the Malek conservatory.

Mr. and Mrs. G. M. Laeppe left for Niagara Falls Saturday morning for a week's visit.

ALL CHURCHES NOW SUPPLIED WITH PASTORS

After having been without a pastor for about a year, the Fourth Reformed church received notice Sunday that the call the congregation had, extended to Rev. J. F. Heemstra of Roseland, Ill., had been accepted by that pastor. Rev. Heemstra is well known in Holland. He is a graduate of Hope College and for many years has spent his summers at his cottage at Central Park. Mr. Heemstra will be the successor to Rev. M. E. Broekstra who about a year ago accepted a call to a church in Englewood, Ill. Since then the local church has issued several calls all of which were unsuccessful.

With the acceptance of the call of the Fourth Reformed church by the Roseland pastor, all the churches in Holland are again supplied with pastors. Only a short time ago there were several congregations that were without ministers, and a few months ago there was something of an exodus of pastors from the local pulpits to other fields of work.

But during the past week, two churches were supplied by the installation of new pastors, and soon the only other church that was without a pastor will be supplied when Rev. Heemstra arrives here. The church that had perhaps more difficulty than any other to secure a regular pastor, the Sixth Reformed on Lincoln avenue, was also successful recently and secured a pastor from Orange City, Ia.

Unless some of the men now serving the local churches leave before long, all the Holland churches will be supplied with regular pastors before winter arrives.

NOTED MISSIONARY TO SPEAK HERE

A special treat is in store for those who are interested in foreign missions when next Sunday morning Miss Edith May Bell, a returned missionary from Africa, will give a missionary address in the Methodist church. Miss Bell is said to be an exceptionally interesting speaker and the local church was able to secure her because of the fact that she will be in this part of the state the coming week.

The Grand Rapids District convention of the Woman's Foreign Mission Society will be held in Muskegon Thursday, and Friday of this week. Miss Bell is to attend this convention and it is because of this that the local church was able to secure her. There will be special music, and the public is cordially invited to attend.

ROOSEVELT MEMORIAL CAMPAIGN WILL OPEN IN HOLLAND MONDAY

The Roosevelt Memorial Committee held a meeting to make plans for a brief intensive campaign to raise the quota that has been assigned to Holland for the big fund that is to be raised throughout the nation with which to erect a fitting Memorial to Mr. Roosevelt. The quota for Ottawa County is \$2,500 and the quota to be raised in this city is \$800. This sum is to be raised in one week. The campaign opened last Monday, October 20, and it will close on Saturday evening, Oct. 27.

The Holland city committee is almost identical with the war board. At the meeting committees were appointed to take charge of different parts of the campaign. Prof. J. B. Nykerk has been placed in charge of taking subscriptions at Hope College. Henry Winter and Supt. E. E. Fell will be in charge of the work in the public schools. The factories will be canvassed by John Kelley and A. L. Cappon. The business men will be visited by C. A. Bigge, Jacob Lokker and Niel Sandy.

The plan in Holland, as elsewhere, is to make this thoroughly a popular subscription. Roosevelt's services were given to the whole nation and he was distinctly a champion of the masses. And it is planned to secure the money for the Memorial, not in large amounts from a few rich men, which would not mean much, but in millions of small amounts.

Mayor Bosch has issued the following proclamation in regard to the campaign next week:

Whereas:—His Excellency, the Governor of Michigan, has directed the attention of the people of Michigan to the nation-wide movement to provide suitable memorials to the late Theodore Roosevelt, and

Whereas:—The citizens of Holland will wish to cooperate with all other communities in our commonwealth in furthering the aims and purposes of this highly commendable undertaking, by the contribution of their efforts and their gifts;

I, therefore, Mayor of the City of Holland, take pleasure in urging the cordial cooperation of every man, woman and child in the city, without regard to their party affiliations, in order that there may be a full expression of our esteem for the Great American and our desire to assist in perpetuating his memory, in order that the principles of Americanism of which he was the outstanding exponent, may be preserved to future generations.

I suggest that the people of Holland observe, by means of special exercises in the schools and a general public assemblage in the evening of the twenty-seventh day of October, the anniversary of Roosevelt's birth.

NICHOLAS BOSCH,
Mayor of Holland, Mich.

Is Your Money Earning More Than It Did 5 Years Ago?

Many investors are holding securities purchased in the past, which yield a comparatively low income based on present scale of values.

Often we are able to recommend changes in their investments which increase the safety of their funds, and yield them one, two or more per cent greater annual returns.

If you will list your securities and send the memorandum to us, we will give you our impartial judgment as to whether your holdings can be strengthened, and if so, how.

This is without obligation.

HILLIKER, PERKINS, EVERETT & GEISTERT INVESTMENT BANKERS GRAND RAPIDS

ANNUAL RECEPTION OF LOCAL W. C. T. U. HELD FRIDAY

At the annual reception of the Woman's Christian Temperance Union held at the M. E. church Friday, the following program was given: Mrs. E. J. Blekkink, presiding; singing, "Battle Hymn of the Republic"; Devotions, Rev. G. B. Fleming; solo, "Because He Loves Me So," Rev. Fleming; "The W. C. T. U." Mrs. R. N. De Merell; music, "Life's Lullaby" "Sorter Miss You" Mrs. R. M. Waltz; "Our Children," Prof. W. Winter of Hope College.

Prof. Winter began his talk by telling the story of "Limp" a young lad who was handicapped in life by being born a cripple, and lost heart, through the lack of sympathy and understanding from his playmates and parents, to try longer to do anything. Then this boy was saved to a life of usefulness by accidentally meeting a man who did understand the poor boy's problems, and who lovingly directed the child aright. Prof. Winter presented a stirring picture of "American Home Life of Today" and urged the many mothers present to make it their first duty to know their own children and to guide them with strong hand if necessary, in the forming of habits that make for character building. He called attention to the most dangerous age of a boy, or girl, the years of 12 to 14 and made an earnest plea for united effort to protect the home through the training of the children.

Mrs. De Merell spoke briefly of the W. C. T. U. organization of Christian women banded together for the protection of the home, the abolition of the liquor traffic and the triumph of the golden rule in custom and in law. It is neither partisan nor sectarian. Its motto "For God and Home and Every Land" suggests the breadth of its work and the depth of its patriotism. It is most appropriately called "Organized Mother Love." It is organized in every state, territory and dependency of the United States and in over 50 nations of the world, with a membership of more than half a million. Its badge, a knot of white ribbon, is symbolic not only of purity and peace but it includes the correlated reforms that center in protection of the home, chief among them being the education of the young.

Mrs. De Merell gave a list of the things accomplished by this society and outlined its plans for the future explaining the reason for and the aims of the great "Jubilee Drive" to raise a million dollars and to secure a million members conducted by the National W. C. T. U.

The reception was in charge of a committee of which Mrs. Etta Whitman was chairman. The rooms were tastefully decorated; the national

colors, the white of the Union, and the suffrage yellow, being used with a profusion of cut flowers.

RECOMMENDS THAT THERE BE AN EARLY VOTE ON THE SUBJECT

The so-called "gas question" that has been with us for years, sometimes in a quiescent state, sometime in acute form, again sprang to a somewhat vigorous life Saturday when Mayor Bosch addressed a formal communication to the people of Holland on this theme. The address follows: To the Citizens of Holland:

During my absence from the city, the Michigan Public Utilities Commission announced a new temporary gas rate of \$1.40 net. I did not have time to prepare a message to the council on the subject for this week's meeting, and it will be three weeks before there is another regular meeting. Hence I am giving this message through the columns of the News, which otherwise would naturally have been made to the aldermen.

Regardless of what the people's sentiments may be on the question, I believe it is well that those sentiments should be crystallized into something a little more definite than the case at present. We do not know what the permanent rate to be fixed by the Utilities Commission will be. But whatever it will be, there should be some expression of the sentiment of the people of Holland with regard to it. If it should not be satisfactory to the people, this dissatisfaction should be expressed in a tangible way. And the rate might not be satisfactory even though it is based entirely on the just needs of the situation. It is conceivable, for instance, that the people of Holland would be willing to pay as high a rate or even a higher rate for gas manufactured by themselves than for gas manufactured by a private concern.

Be that as it may, I recommend an expression of popular opinion on the subject at a date before the permanent rate is accepted. I ask that the people think the matter over carefully, no matter which side of the question they favor, and that they be ready to register their opinions at the ballot box if the rate fixed by the Commission does not meet with satisfaction. Such a vote if taken at all, should not be postponed long. The whole thing should be settled and cleared out of the way during a time when there is no political city campaign on, so that the question may be decided on its merits and may not be vitiated by political considerations.

I personally favor such a popular expression of opinion and I am confident that the common council will be ready to establish the necessary machinery for it, if the people of Holland so desire.

Respectfully submitted,
Nicomedeus Bosch, Mayor.

G. & M. START TRI-WEEKLY BOAT TRIPS

A tri-weekly transportation service was announced Friday by the Graham & Morton Co., to take effect last Sunday, Oct. 19.

The steamer City of St. Joseph was laid up last Sunday for the season which has been the largest in a number of years, both in point of service and freight transportation.

On the new schedule the City of Grand Rapids will be put into use.

FORMER LOCAL PASTOR DEAD IN IOWA

A telegram was received in Holland Monday morning announcing the death of Rev. Jacob Van Houte, former pastor of the First Reformed church. The message was from Boyden, Ia., in which city Rev. Van Houte was pastor of a Reformed church at the time of his death. The message came too late to be announced in the local churches Sunday, although death came to the former Holland man Sunday noon.

Rev. Van Houte was one of the best liked pastors who ever served in Holland. It was sixteen years ago that he left this city, having served here for eight years. He came here 24 years ago from South Holland, Ill. After leaving Holland he took a pastorate in the Fourth Reformed church of Grand Rapids, which church he served for four years. Then he went to Boyden, Ia. where he remained until his death.

Mr. Van Houte returned to Holland a year or two ago to take a prominent part in the celebration in connection with the seventieth anniversary of the founding of the 1st Reformed church. He had an exceptionally large number of friends in this city, among the older set of people who came into close contact with him during the years that he was here as pastor and good citizen.

Rev. Van Houte was born in the Netherlands and received his education there, graduating from one of the prominent theological schools of that country. During the World's Fair in Chicago, he together with G. J. Diekema, was one of the speakers on "Holland Day."

ALLEGAN HEALTH OFFICERS ALSO TO GO TO LANSING

The Board of Supervisors of Allegan county who are in session at the present time passed unanimously the idea of all city and county health officers of Allegan going to Lansing with the rest of the officials from all the other counties, Ottawa included, and get the information desired as how best to combat the "Flu" the coming winter.

A motion presented to the Board carried to allow \$5 per day in addition to expenses, to all delegates from the county, who attend the health conference in Lansing this week.

Sam Doll of South Dakota has been in Holland visiting his brother G. Doll. Mr. Doll has returned to South Dakota where he resides.

Expires Nov. 1—8254

STATE OF MICHIGAN—The Probate Court for the County of Ottawa. At a session of said court, held at the probate office in the city of Grand Haven, in said county, on the 18th day of October, A. D. 1919.

Ben Halstead, who has been employed as engineer at the Chas. P. Lambert Co. for the past one and a half years, has resigned. Mr. Halstead has accepted a position as engineer with the Carnation Milk Co. of Chicago, Ill.

Sam Miller, manager of the Knickerbocker has secured six big vaudeville acts for the local theater. The play house will be open tonight, Friday and Saturday night. See program on page four of this issue.

A farewell party was given Miss Emily Langenberg, manager of the Postal Telegraph Co., by her classmates of the M. E. Sunday School Monday evening at the home of Mr. and Mrs. A. J. Bickford, 254 Pine. Games were played, and refreshment were served. After that Mrs. Harry Harrington, on behalf of the class, presented Miss Langenberg with a beautiful souvenir spoon.

WM. J. GARROD PASSES AWAY TUES- DAY MORNING

After an illness of a little more than a week, Mr. William J. Garrod died Tuesday morning at 3 o'clock at his home at 94 West 13th street. Mr. Garrod had been afflicted with heart trouble for some time and it took an acute form a little over a week ago, ending in death Tuesday morning.

Mr. Garrod was born in London, England, on March 7, 1860. In 1867, at the age of seven, he came to America with his widowed mother and two sisters. He went to school here and as a boy of sixteen he went to Allegan where he became a druggist's apprentice in the Snedaker Drug store. By close study and hard work he made himself one of the best informed pharmacists in Allegan, and later when he came to Holland he was frequently consulted as an authority on these subjects by druggists here. He formed a partnership in Allegan under the firm name, "Garrod & Messenger," and later conducted a pharmacy himself known as the Wm. J. Garrod Drug store.

In 1893 he was married to Miss Ruby Sherwood of Allegan.

Coming to Holland with his wife about twenty years ago he became manager of the Waverly Stone Co., which position he occupied for several years, later going into the general insurance business which he conducted until his death.

While managing the Waverly Stone Co., many beautiful buildings were erected in this and other cities with the stone taken from the Waverly Stone quarries and these stand as monuments to the company and its manager, Mr. Garrod. Among these imposing structures can be numbered Grave hall, and Winants Chapel, Holland City State Bank, Waverly Building, De Merrell, Hall blocks and several other about the city.

Mr. Garrod was identified with a number of business movements in Holland, chiefly of which was the organization of the Holland & Chicago Steamship company, which later became the Graham & Morton Transportation Co. He was one of the set of local business men who organized the line and built the first steamboats that operated between Holland and Chicago, among them the "City of Holland."

For many years Mr. Garrod was a member of the Park Board and in this capacity he shares to a large extent the credit for Holland's system of beautiful parks. At the time of his death he was president of this

board. During the war he served faithfully and expertly in the capacity of Fuel Director for this section of Ottawa County. He was a member of the board of directors of the First State Bank. In the course of his residence here he became a member of Hope church, and he has for many years been a member of the Century Club.

The deceased is survived by his wife, Ruby Sherwood Garrod, and two sisters, Mrs. Kate G. Post, of Holland and Mrs. Frank Gilbert of El Paso, Texas.

The funeral was held Thursday afternoon at one o'clock from the home, 94 West 13th street, Rev. P. P. Cheff, pastor of Hope Church officiating. Interment took place in Oakwood cemetery, Allegan.

LOCALS

A special matinee for school children will be held on Tuesday, October 28, beginning at 4 o'clock. Kilties band with all its special features will be at the Knickerbocker at that time. A nice clean show for the school children of the city of Holland is assured by Sam Miller.

The flags on the city hall and on the First State Bank are at half mast today in respect to the late W. J. Garrod, whose funeral is being held this afternoon. Mr. Garrod was chairman of the City Park Board and was also one of the directors of the First State Bank. The Holland City State Bank and the Peoples State Bank also joined the First State Bank in closing this afternoon during the funeral services.

A pretty wedding was solemnized at the home of Mr. and Mrs. Frank Nelson, 121 Ryerson St. Grand Rapids, when Clara Mattison, sister of Mrs. Nelson and daughter of Mr. and Mrs. A. H. Mattison, of Virginia Park, was united in marriage to Ralph E. Bloon. Rev. H. E. Walker of St. Paul's Methodist church officiated. Ella Harrington was bridesmaid and John Jameson was best man. The bride was charmingly gowned in blue georgette crepe and wore a corsage bouquet of sweet peas, while the bridesmaid wore a dainty gown of pink satin and wore sweet peas. Mr. and Mrs. Frank Nelson were master and mistress of ceremonies, it also being their tenth wedding anniversary. After the ceremony a wedding dinner was served to forty of the relatives and near friends. The guests from here were Mr. and Mrs. Walter Mattison, Mr. and Mrs. A. H. Mattison, Mrs. H. Harrington and daughters and Mrs. Frank Badgrow. The couple will spend a few days at the home of the bride's parents at Virginia Park and will be at home to their friends after Nov. 1 at 121 Ryerson St., Grand Rapids, Michigan.

Ford

THE UNIVERSAL CAR

There are more than 3,000,000 Ford cars in daily operation in America. This is a little better than half of all the motor cars in use in the country. There is a very potent and profitable reason in this why you should buy Ford cars for your business and for your personal use. It is a demonstrated fact that Ford cars have, in every line of human desire so far as motor

The Logic Of Facts

cars are concerned, best satisfied their owners with the service given. They must be safe; they must be comfortable; they must be always reliable; they must be convenient and they must be economical, or they wouldn't be so tremendously popular with all classes of people. To meet the enormous demand, the big Ford Factory expects to turn out one million cars during this fiscal year. The labor situation and the shortage of material are curtailing production. You will get your car by placing your order early.

Runabout, \$500; Touring car, \$525; Touring car with starter, \$600; Coupe, \$750; Sedan, \$875; Truck Chassis, \$550; Truck Chassis with Pneumatic Tires, \$590. These prices are f. o. b. Detroit and do not include Freight or Federal Tax.

Leave your order with any of the following dealers and be assured of two things: First, the earliest possible delivery; Second, an after service that has the strongest commendation and endorsement of the Ford Motor Company as being a reliable, satisfactory and economical service.

COATS and SUITS

For LADIES and JUNIORS

The crispness of Autumn seems somehow to have been woven into the rich and colorful fabrics of which these distinctive models are fashioned.

Frosted Chinchilla, Tinseltone, Twill, Lustrolla, Silvertone, Chamileon Cord, Radio Twill, Duvet de Laine, Serge, Broadcloth, Poplin, Tricotine and Heather Mixture, these are only a few of the exceptionally beautiful materials in which the present season's PRINTZESS models are developed. We feel ourselves unusually fortunate in being able to offer this season so varied an assortment of materials from which to make your selection. So wide a choice of style is offered that individual taste may be freely exercised. Unusually interesting are the clever adaptations the designers have made of Parisian modes. Certainly you must see them. They are ready now for your selection and if your choice is a PRINTZESS, you may have that comforting feeling excellence of material, expertness of tailoring, and correctness of style are assured.

Ladies and Juniors Coats
