## Health of Nose, Throat and Lungs

Health Talk No. 1

By JOHN DE JONGE, D. C.

The health of the nose, the throat and the lungs is important at this season of the year. Nasal stoppage is not only unpleasant, but dangerous. Sore throat interferes with digestion and unless quickly mastered, infects the system. Lung ailments are responsible for more deaths than any other single group.

All these forms of weakness are caused by slight or serious displacement of joints of the spine in the region at the base of the neck. The trouble may be aggravated by bad or stooping position. Chiropractic spinal adjustments remove the pressure upon the spinal nerves to these organs, and with this pressure removed, the healthful condition of nose, throat and lungs becomes a certainty.

### No Return of Trouble after more than a Year

"I suffered untold misery from asthma and catarrh, ever since I was a girl. I could not lie down at night. I tried one doctor after another, and every patent medicine I heard about. About sixteen months ago I started Chiropractic adjustments and became well. It is now more than a year since, and I have had no return of the ailment."—Matilda J. Sears, Chiropractic Research Bureau, Statement No. 1238H.

## GRAND HAVEN IS ADVERTISING ARMISTICE DAY

SENDING OUT PUBLICITY TO EVERY PART OF THE

COUNTY  
Dedication of Ottawa County Memorial Will Be Held

Leo C. Lillie, chairman of Armistice Day Committee, American Legion, Grand Haven, Mich., is getting busy in sending out advertising matter announcing big doings in Grand Haven on that day.

The large soldiers' monument on Court House Square will be dedicated on Thursday, November 11, and the advertising matter states that a wonderful parade and a football game, will follow the dedicatory exercises and in the evening a Union religious service will be held.

The monument cost upwards of \$5000 and was authorized by the Board of Supervisors last year and represents a memorial given by the citizens of Ottawa county in order to in a small way show their appreciation for the heroic efforts displayed by the sons of Ottawa county during the great world strife in France and Belgium.

## DR. J. O. SCOTT RE-TURNS FROM THE WEST

"NO USE STARTING OUT THERE. THE WEST IS FLAT"

Scott Sold Everything Here To Locate in Washington Changes His Plans

"Michigan, My Michigan" is sung in the hearts of others besides being printed in the text books of several Michigan school books or voiced in the halls of the state capital when that body adjourns every two years.

Dr. J. O. Scott a month ago sold everything he had, his home, his business and his cottages and with his car he made a trip west in order to locate finally in Washington, where he had a brother living. Mr. Scott's family was to follow later for their new home in the west.

However circumstances arose that the doctor had not figured on. After making a record-breaking trip to Seattle, a distance of nearly 3000 miles negotiated in thirteen days the doctor immediately began casting about to see what the outlook was to start up in his line. He found the West dead in a business way, with thousands of men out of work.

The big government ship yards created by virtue of the war were idle and all the auxiliary establishments that had sprung up around it as feeders from these large government plants also went "haywire" after the war stopped.

The result is that the West today is in rather a bad way considering all its extra working men, who naturally are out of a job with no jobs in sight.

Dr. Scott states that for the present the West is flat and he does not advise people to leave a sure thing in Michigan for an uncertainty in the West. This together with the fact that the mother of Mrs. Scott namely Mrs. Heasley had died during the doctor's absence and because the family for that reason would sooner stay in Michigan, this ultimately changed the plans of the Scotts and the doctor has decided to locate in Grand Rapids.

A miscellaneous shower was given in honor of Miss Ella Cook, who is to be a November bride, last Wednesday night. The evening was spent in games. Prizes were won by Ella Westenhoeck, Minnie Oling, Mrs. A. Ringwald and Mildred Slag. Those present were Hazel Pond, Minnie Oling, Gertrude Brandt, May Van Slooten, Mrs. Ringwald, Geneva Oosting Minnie Oling Betty Galla, Carolyn Konigsburg, Ella Westenhoeck, and Mildred Slag. The bride-to-be received many beautiful and useful gifts.

## HOLLAND TO HAVE AN EXHIBIT OF UNUSUAL IMPORTANCE

FARMERS WILL HAVE AN EXHIBIT IN THIS CITY NEXT WEEK FRIDAY

Prizes Will Be Given to Winners in Wheat and Poultry Contest

Holland is to have a festival staged by the farm bureau of Ottawa county that should receive more attention by us than simply knowing the fact that it is going to happen.

An exhibit is going to be staged in which many farmers are expected to show certain products that are raised up the farm.

Whether this exhibit is going to be large or small we do not know, but County Agent Milholm was in the city today making further arrangements.

Anyway, whatever the exhibit may be, Holland citizens should take an interest in what their rural neighbors are doing, and should take in the exhibit and fraternize with the agriculturalists, showing that they take an interest in their affairs. After all, we're pretty closely bound together and a mutual co-operation will benefit both.

This time the farmer has something to show from which we can draw some valuable lessons no doubt.

Possibly later, we can show the farmer something that may be of interest to him. At least the interest should not be one-sided, therefore let us welcome him when he comes with his agricultural show.

The festival will be held on Friday, November 12, and the exhibition will be at 40 E. 8th street, below Visschers' law office, in the room formerly occupied by the Cook Bros. Music store.

The purpose of the exhibit is to encourage production of better quality grains, vegetables and poultry varieties of grains together with the products and to locate the best local owners so that better seeds may be obtained.

Local millers of flour are co-operating by offering as prizes for the best bread made from their flour a 50lb sack to the winner and 25 lbs. to second best. Exhibits must be in place by ten o'clock a. m. on the day of the exhibition.

The prize winning samples of the grains will be sent to compete at the International Livestock Exposition and Grain Show to be held in Chicago soon.

Judges have been selected from another county in order that no partiality may be shown.

Premiums will not be large but a first and second will be awarded on the best quality of grains, vegetables and poultry production display.

One of the features will be an egg exhibit. The most uniform-shap and colored dozen winning. This being a large poultry center will make this feature interesting.

Remember the date, Friday, November 12, and the location in the store formerly occupied by the Cook Music House.

## SAUGATUCK WANTS TO PROTECT RESORTERS FROM FIRE

SUGGESTS THAT A CHEMICAL ENGINE BE INSTALLED FOR RURAL EMERGENCIES

Citizens of Saugatuck and Douglas are bringing up a matter that is not half bad, that is it wants to buy a chemical fire extinguisher and install it on a speedy auto to be used in extinguishing fires in a hurry should these occur in the resort district or in neighboring farm houses. The fire apparatus would be centrally located and the expenses would be defrayed by a subscription list passed among the farmers and resorters in the territory.

The plan suggested is to have the machine mounted on a small truck chassis, ready to go anywhere within a radius of several miles instantly when an alarm by telephone is received. Had such an engine been available at the time of the fire at Batavia resort when a loss of \$15000 was sustained the cost of a fire fighting device of this kind would have been saved on the go in.

Fire is the rural resident's constant horror. Without water pressure he can do little to fight it. And the village fire department if sent to the scene is equally helpless for the same reason.

## ALDERMEN INVITED TO LEGION BANQUET

The Willard G. Leenhouts Post, American Legion, sent an invitation to the Common Council to attend the Armistice Day Banquet on the evening of November 11. The invitation included the aldermen, the city engineer and other attaches of the council, together with their wives. The banquet will be held on the 2nd floor of the Wolverine Garage.

The aldermen passed a resolution accepting the invitation in the friendly spirit it was given and declaring that the aldermen and their wives would be on hand and would be ready to do justice to the feast the service men are providing.

## BELLS AND WHISTLES WILL ANNOUNCE ARMISTICE DAY

ALL BUSINESS WILL BE SUSPENDED NEXT WEEK ON THURSDAY

Big Meeting to Be Held in Carnegie Gymnasium Hall, Following Parade

Next Thursday, November 11, will be a Red-Letter day for the American Legion of this vicinity and also for all soldiers and sailors who did their great part in the great World War.

This is the third Armistice Day observed in this city. The first took place when the boys were not yet with us to take part in these celebrations. The second was celebrated with most of the boys back at home, but with some left behind who will never return.

This year the Willard Leenhouts Post of the American Legion is taking the celebration upon their shoulders, and are asking the citizens to co-operate and celebrate with them.

All are falling in line and next Thursday every business place in the city will be closed in honor of the young men of Holland and vicinity who went forth from here to preserve the honor and integrity of this great nation.

The program for the day will officially start at 11 o'clock in the morning, and all factory whistles will herald the fact that Armistice Day celebration has begun. All church bells will chime in with soothing notes of peace and good-will.

Promptly at 2 o'clock a parade will be formed at Centennial Park, and all American Legionnaires and also those soldiers and sailors who are not members will gather together, and a parade will be formed, headed by the American Legion band. Other bands to appear in the line of march will be the Holland Martial band and the Holland Furniture company band.

The parade will start at the city Hall, going north on River avenue, east on 8th street to Columbia avenue, south on Columbia avenue to Carnegie Hall, where a big public mass meeting will be held, to which all the citizens of Holland and vicinity are welcome.

Mayor E. P. Stephan was chosen as chairman of the day and Dr. J. E. Kuizenga will deliver the principle address.

At six o'clock an elaborate banquet will be served on the second floor, over the Wolverine garage, which is exclusively for the American Legion together with the Women's auxiliary of the Legion and invited guests.

The entertainment committee have been working diligently on a program which they are keeping a secret, however, they are promising many surprises to the participants.

Governor Sleeper in a proclamation has declared Armistice Day a legal holiday and the mayor and Common Council have graciously fallen in line and have also declared the day one that should be remembered together with our other great and significant holidays.

## FINANCIAL REPORT TO BE PRESENTED AT ANNUAL MEETING

DIRECTORS AND SECRETARY TO BE CHOSEN

The annual meeting of the South Ottawa and West Allegan Agricultural society (Holland Fair) will be held at the city hall on Monday the 8th day of November at 2 P. M. for the purpose of electing directors for the ensuing year and transacting such other business as may come before the meeting.

The annual report will be one of the flattering features of the meeting which will be presented by the efficient secretary, John Arendshorst. The secretary will also come up for re-election and he should be retained by a unanimous vote if he will serve on the job longer.

## ALDERMEN SLEEPY; COUNCIL MEETING SHORT

WAS BRIEFEST SESSION SO FAR IN THE PRESENT ADMINISTRATION

The members of the common council were apparently sleepy as an aftermath of the election and were hence in a hurry to get through with the council meeting Wednesday evening, so that they might hit the hay at a timely hour. The regular meeting of the council lasted about half an hour, the shortest one held so far in the present administration.

The aldermen by virtue of their position were election officials on Tuesday and they worked until far into the night getting the returns tabulated. And after that they naturally stayed around to make sure that there would not be a flop, a la Hughes, in the election returns the next morning. So they were about ready to quit last night when the regular council meeting came and cut it short.

M. Thompson of Allegan township was killed while working in a gravel pit near the Jewett farm today, when he was buried under two feet of gravel.

## 1200 CROWD

KNICKERBOCKER TO HEAR MORRISEY

The musical recital given at the Knickerbocker Wednesday evening was the event of the season. Miss Marie Morrissey, contralto and Walter Chapman, were at their best and by their graceful winning manners together with their unusual talent won the hearts of all present. The recital was given by the Thos. Edison Co. and staged by E. J. Pruim, their representative for Ottawa Co. The Edison Phonograph "The Phonograph With a Soul" was the center attraction and all confessed that the Edison is the phonograph that really Re-creates the human voice and all musical instruments.

The House was crowded to the doors but in spite of the large audience the order was perfect.

## LOCALS

Thursday morning Harding led in Michigan by 422,769, and Groesbeck by 350,771. Tennessee has broken from the solid south and voted republican Tuesday.

The Citizens Telephone Co. and the W. U. Telegraph Co. were very prompt in their services in getting returns to the different centers where returns were being received. The service was kept up until 1 o'clock, long after it was conceded that Harding and Coolidge, republican presidential and vice presidential candidates had been elected overwhelmingly.

Alderman Brieve, chairman of the committee on poor, reported to the council Wednesday night that the sum of \$66 had been expended for temporary aid the past two weeks.

The common council, by a formal vote, Wednesday evening concurred unanimously in the action of the board of public works in engaging R. B. Champion as superintendent at a salary of \$5,000.

John Arendshorst of Holland, E. J. Pruim of Zeeland and Philip Reister of Conklin have been appointed the new board of county canvassers. These men will canvass the big vote just cast and make an official report.

"Groesbeck gave me a good trimming yesterday but forgot my hair, I'll have to have that trimmed this morning," Woodbridge N. Ferris, defeated candidate for governor informed George Nagle, his barber at Big Rapids, as he stepped into the barber chair shortly after 8 o'clock. "I expect to wire him my congratulations when I get through here."

## LOCAL FIRM FINISHES GARAGE AT BYRON CENTER

The large building of the Holleman DeWeerd Auto Co. at Byron Center is nearing completion. The contractor now estimates that the entire building will be completed and ready for occupancy November 15.

The firm is reaping some of the benefits of building through allotments of cars. On August 1st, 1920, their contract was increased 25%, the highest increase given by the branch to any dealer in Western Michigan.

R. O. De Weerd, manager of the firm states, "We have never been able even through the winter months to get as many Ford cars as we could dispose of. Our volume of business this year approaches \$400,000. If the Ford Motor Co. could give us the cars next year we are certain our sales will approach the million dollar mark."

"We have been fortunate this year to get extra allotments due to our building program. We have assurances now of another substantial increase Jan. 1, 1921. Long, tedious waits by Ford buyers has curtailed our business. If, like other car dealers we could make immediate deliveries from our floor, car sales with us would double or treble."

# SCHOOL AMENDMENT IS SNOWED UNDER BY THE BALLOTS

HOLLAND, GRAND HAVEN AND  
REST OF THE COUNTY GIVE  
BIG "NO" VOTE

Reports From All Over State Tell  
Same Story on This  
Issue

Holland was in unison with the rest of the state of Michigan in snowing under the school amendment and so was the rest of Ottawa county. Throughout the county the school amendment was hit hard by the voters. The vote by wards in Holland on this question was:—

Holland Vote		
	Yes	No.
First Ward.....	268	464
Second Ward.....	81	118
Third Ward.....	242	435
Fourth Ward.....	280	533
Fifth Ward.....	167	641
Sixth Ward.....	78	400
Totals .....	1116	2691

On this question Grand Haven voted as follows by wards:

Grand Haven Vote		
	Yes	No
First Ward.....	150	236
Second Ward.....	228	263
Third Ward.....	158	297
Fourth Ward.....	147	324
Fifth Ward.....	107	210
Totals .....	790	1330

Details on the school amendment have not yet come from many of the country precincts in the county, but they voted substantially in the same ratio on it as did the cities. Holland township as an example returned 130 yes votes on the amendment and 592 no votes. Spring Lake township gave 206 votes in favor of the amendment and 352 no votes. The other townships may be presumed to be on about the same basis, so that the amendment is literally snowed under in Ottawa.

And the votes throughout the state seem to have told the same story. The reports indicate that the amendment was given such a decisive blow throughout the state that it is doubtful whether it will ever be resurrected.

The very first precinct gave opponents of the measure a good-sized lead which steadily increased.

According to election officials the huge number of votes cast during the day can be traced largely to the school issue. Many ballots in western Michigan, especially, were marked for the school amendment while other issues were ignored.

Practically every other county that has been heard from has given a majority against the proposed school amendment, on the face of incomplete returns.

Even Wayne county voting precincts so far reporting showed a plurality against the amendment of two votes to one. It was in Wayne county that the most energetic fight on the amendment was waged.

## OTTAWA STRONG FOR HARDING AND GROESBECK HEADS OF REPUBLICAN TICKET

GET BIG VOTE IN THIS  
COUNTY

Holland and Grand Haven Both Give  
G. O. P. Very Big  
Pluralities

Ottawa county gave its traditional Republican vote on Tuesday. Wednesday noon 19 out of 29 precincts in the county had reported. These 19 gave Harding a total of 6,437 and Cox 1,686. The same 19 precincts gave Groesbeck 4,617 and Ferris 1,936.

In Holland the vote by wards on president and governor was as follows:

Harding	Cox	Groesbeck	Ferris
616	157	532	252
150	44	136	67
573	108	453	268
682	162	570	291
700	130	586	248
423	43	377	103
3144	644	2654	1229

In Grand Haven city the vote by wards on Harding and Cox and Groesbeck and Ferris was as follows:

Harding	Cox	Groesbeck	Ferris
313	98	268	209
363	152	425	201
403	62	358	140
398	107	353	178
247	59	229	89
1729	478	1633	817

The rest of the county voted about the same way on the national and state heads of the ticket. The exact totals for the entire 29 precincts in the county will probably not be known for some days, as some returns will not come in for some time. But the vote in Holland and Grand Haven give a good idea of the proportion throughout the county, judging from returns in some of the county precincts.

# The Next President and Vice President of This Nation.

## "President" Harding to the American People

### FROM PRESIDENT-ELECT HARDING'S STATEMENT ON HIS ELECTION:

"I am happy to utter my gratitude. But I am not exultant. It is not a personal victory. It is a renewed expression of confident Americanism and a national call to the Republican party. It is all so serious, the obligations are so solemn that, instead of exulting, I am more given to prayer to God to make me capable of playing my part and that all these calls to responsibility may meet the aspirations and expectations of America and the world."

## HOLLAND CASTS TOTAL VOTE OF 4090

### WAS LARGEST VOTE IN CITY'S HISTORY; MOSTLY RE- PUBLICAN

Holland City on Tuesday cast a total vote of 4,090. This is without exception the largest vote ever cast in this city, although that was of course to be expected in view of the fact that the women had the ballot for the first time in a presidential election. The total enrollment in Holland when the registration closed a week or two ago was approximately 4,500, so that not all the voters in the city took the trouble to go to the polls to express their wishes.

Of the total vote cast there were 2,363 straight Republican votes, 457 straight democratic votes, and 47 straight socialist votes. The rest of the ballots were split between the two major parties, with a scattering few going to the Socialists, Farmer-Labor, Prohibition.

By wards in Holland the total vote in the city as well as the straight votes on Republican, Democratic and Socialist parties was as follows:

	Total	Rep.	Dem.	Soc.
826	467	111	12	
231	119	29	10	
736	382	75	2

## FOREST GROVE REF. CHURCH RAISES FLAG FOR CROSS WORKERS

As in the days of the Great World War, when service flags, containing a star for each soldier entering into U. S. service, were raised, even so the Reformed churches of America are raising service flags or banners of white satin and blue, with a star for each missionary or minister who has left to enter upon missionary or ministerial work.

Forest Grove had an occasion to proudly raise its banner when another one of their number namely Miss Alice Smallegan, a graduate of Hope College was given a farewell

reception before leaving for India where she will work side by side with her sister. Forest Grove has an enviable record when it comes to giving her sons and daughters as field workers in the Reformed church of America.

Below is a short resume of its record:

There are two gold stars for Rev. Koppes Klooster who died in 1913 and for Mrs. Dena (V. D. Wall) Klooster who died in 1903. The seven blue stars are for Rev. S. Vanden Berg, who is a minister in New York; Rev. John M. Vander Meulen, who when his father was pastor of this congregation, entered upon his studies; Dr. Edward J. Strick, who left in 1911 for Amoy, China, where he is a medical missionary; Mrs. Jennie (Pikaart) Vruwink, who spent some years among the Apache Indians at Fort Sill, Oklahoma, and at the present time, with her husband, Rev. H. Vruwink, is ministering to the spiritual needs of the congregation of the Second Reformed church in Grand Haven; Rev. Alex Van Bronkhorst, who left in September, 1916, as an evangelist missionary to Japan and is now stationed in Saga; Mrs. Nellie (Smallegan) Van Vranken, who left for India in 1917, and is stationed in Tindavum; and Miss Alyce Smallegan, who will join her sister and brother-in-law.

After a short talk by Rev. Vander Linden, Rev. Vruwink of Holland, gave the address. Miss Smallegan also gave a short talk on "Why I decided to go as a missionary." Closing prayer was offered by Rev. Vander Linden, and the benediction was pronounced by Rev. Vruwink. After the singing by the assembly refreshments were served and a social hour followed.

Cornelius R. Wierenga, junior and James J. Burggraaf, senior, have been awarded honors in the single tennis tournament in Western seminary. A tournament in doubles is being arranged.

## JURY PANEL HAS NO WORK IN NOVEMBER

There is no work ahead in circuit court for the November jury panel and the court has ordered the entire jury excused from duty. County Clerk Orrie J. Sluiter following the instructions of the judge in sending out notices to the jurors summoned for the present term not to report.

The discharge of the jury results from the lack of criminal cases ready for trial. There were a number of cases scheduled for trial at the November term, but for various sufficient reasons they were not ready to come to trial, and the few remaining cases were put over the term.

Judge Cross set November 16 as the opening day for the work of the November term. This will also be naturalization day and a large class of applicants for citizenship has been notified to be present to interrogate the applicants.

The November term of the court opened Monday afternoon and time was taken up in arranging the calendar, and placing the cases. A number of arraignments were also made. Liquor cases predominated in the arraignments Monday and the majority of those who appeared entered pleas of guilty. Jacob Reims, who was charged with violation of the liquor law, stood mute and a plea of not guilty was entered by the order of the court.

Jacob Mersman, pleaded guilty to the information which charged him with having six pints of beer in his possession. Adrian Vander Bie also pleaded guilty to the same charge.

The Holland trio, Lloyd and Mildred Roberts and Arrie Van Slooten appeared for arraignment. Roberts and Van Slooten both entered pleas of guilty to having liquor in their possession. Mildred Roberts entered a plea of not guilty of having liquor in her possession, but pleaded guilty to the charge of furnishing a drink to Albert Kuiper.

## NOVEMBER DIVISION TO PUT ON "BOB WHITE"

The November Division of the Woman's Literary Club has just completed arrangements for a public entertainment to be given on November 18 and 19 in the W. L. C. hall. Mrs. J. S. Dykstra is the chairman of this division and she has secured the John B. Roger Producing Company of Chicago to put on one of its best musical fantasies "Bob White". The best local talent in the city, both histrionic and musical, has been secured to give the play an effective production. There will be a good many musical numbers scattered through the entertainment, and the whole will have a distinct flavor of comedy.

This division of the Woman's Literary Club a year ago put on very successfully a musical comedy, "Oh, Oh, Cindy."

## HOLLAND MAN FORCED TO PAY ALIMONY

Harm Zuverink was arrested in South Bend, Indiana, at the instance of the Holland police, and was brought to Holland by Officers Steketee. The charge against Zuverink was that he did not pay alimony that he had been ordered by the court a year ago to pay. The divorce was secured about a year ago, and at the present time Zuverink was \$490 behind in his payments. Under a law passed in 1917 the failure to pay alimony is declared a felony, and the man was arrested under the provisions of that law.

He appeared before Justice Van Schelven and paid up partly. The amount due, Mrs. Zuverink, including interest, was over \$500. Zuverink has given security for payment of the balance.

## CLOSED SEASON ON BLUE GILLS IS NEW PLAN

Closed season for blue-gills, a resident anglers license and placing the minimum size for perch and bluegills at six or seven inches instead of five are provisions to be included among bills which will be introduced at the next session of the legislature. This announcement is made by Seymour Bower, superintendent of the State Fish commission.

"Bluegills are a fish which protect their beds and there should be a closed season on them during spawning," says Mr. Bower. "The present limit of five inches for blue-gills and perch, we also consider to be too small."

"A bill is to be introduced in legislature providing a resident license for anglers, though it is likely that the measure cannot be adopted. It is declared that most of the sportsmen of the state and members of the various sportsmen's clubs favor such a law. But the general public is against it."

Mr. Bower states that should a license plan be adopted it would not be necessary for the state to provide any appropriation for their work. Hatcheries could be enlarged and better work conducted by the department. Last year the non-resident fishing licenses brought in over \$50,000.

Shipping from fish hatcheries is ended for the year. During the year hatcheries were operated at Sault Ste. Marie, Harrietta in Wexford county, Paris, Comstock Park, Drayton Plains in Houghton and at Grayling. Next summer a start will be made at the new hatcheries in Oren, north of Petoskey, Hastings, Harrisville and near Benton Harbor.

## WILL SET ASIDE IN ALLEGAN COURT

The Marty will case, which has been occupying the attention of the circuit court at Allegan during the past two weeks, was brought to a close Friday afternoon when the jury returned a verdict setting aside the will. The case has caused a great deal of comment and interest, the public, laying aside the technicalities of the law, being well nigh unanimous in its sympathy for Pearl Marty, contestant of the will of her grandmother, Mrs. Margaretta Marty. Mrs. Marty went to the Kalamazoo asylum in February, 1918, as a voluntary patient. After a time she returned to the city, and on June 4, the same year, Judge J. Ford Stratton adjudged her a mentally incompetent person and appointed C. R. Wilkes her guardian. About two months later the will was made in which Mr. Wilkes was named administrator and trustee of the estate, the use of which was left to the granddaughter, Pearl Marty, at whose death the property should go to her body heirs, if there were any living; otherwise it was to be divided between the next kin of the grandparents, Mr. and Mrs. Frank Marty. Pearl Marty started proceedings in the probate court to break the will and Judge Stratton called Judge Van Horn of Kalamazoo to hear the

case. After listening to a portion of the testimony he certified the case to the circuit court. It was given to the jury about 11 o'clock in the morning and at about 3 o'clock the verdict was announced, the same day. Miss Marty is the only direct heir, and her next move will be to apply to the probate court for an administrator and have the estate probated in the usual way in the absence of a will. She will inherit all of the estate, valued at about \$35,000.

## LOCAL GIRL TO WED KANSAS MAN

At a very beautiful luncheon given Saturday noon by Miss Ethel Dykstra at her home, 29 East 9th street, announcement was made of the engagement of her sister, Miss Marie Dykstra, to the Rev. Ray Anderson Eusden of Lawrence, Kansas. The color scheme of the luncheon was lavender and yellow, and the favors were corsage bouquets of violets and baby chrysanthemums, each of which bore a tiny card with the names of the engaged couple. Covers were laid for 24 guests.

Miss Dykstra, who is one of the city's most popular and talented young musicians, has been teaching until this year at Kingfisher College, Oklahoma, and it was during her first year there that she met Mr. Eusden, who was then a professor at the college.

Rev. Mr. Eusden studied at Grinnell College and Chicago and Yale Universities, and, after spending two years abroad with the Marines, also studied at the Universities of London and Oxford. The wedding will take place early next year.

## CAPPOON TURNS FROM BACK TO A GREAT FLANKER

Grand Haven Tribune—Cappon, the former high school player, who is now a member of Yosts' Michigan Varsity football squad, is playing his first year of college football this year, and is making good. His performance in the Michigan-Illinois game Saturday was commented upon

favorably by many sport writers.

A. J. Cook of Grand Haven, formerly a member of the Tribune staff, who is now a student of the law department in the University of Michigan, writes interestingly of the former Holland player:

"Cappon, the old Holland High man, is proving to be a star at his end position. He was a backfield man, but Yost, or his assistants, have turned him into a flanker and a dandy one he is. We had one of the Illinois men men, tackle, up to the house Saturday night and he spoke highly of Cappon. Carey, Illinois' end, who is a marvel with a capital M, declared Cappon to be the best end he has ever played against. 'Cappy' nearly killed Bobby Fletcher the Illinois quarterback with an open field tackle in the second half."

Mrs. George Schuiling narrowly escaped electrocution when the current in an electric flat iron she was using shot through her body and she was unable to release her hand from the handle. As she fell to the floor the cord was pulled out of the socket and this, it is believed saved her life. Mrs. Schuiling was alone in the house. She soon revived.

The Zeeland band is a fortunate organization. This band has been receiving aid from the common council of Zeeland for several years. At the last meeting the clerk was ordered to draw up another agreement for 1921 and 1922. The Ottawa band plays weekly concerts and those evenings are events in Zeeland and besides the players are a talented set of musicians. It is hoped the Holland council will again remember the local Legion band next year and no doubt they will.

## SAYS NEW CHANNEL WOULD SOLVE THE SEWAGE PROBLEM

Judge J. C. Everett of Waukegon, contributes the following suggestions about the sewage disposal problem:

To the Editor:—I want to congratulate the City Council upon having taken the first constructive steps toward the solution of the sewage problem of Holland. While this doesn't directly affect me I consider myself so much a resident of Holland that anything that will work for the welfare of this city arouses my interest. Of course, all resort property is affected by the pollution of the waters of Black Lake, which east of Evanston Point is rapidly becoming a sink-hole and is consequently arousing disgust in the many summer resorters that we bring to Holland from all over the country. It would be to the very marked advantage of Holland if the admiration of these people could be aroused and they could go back home singing the praises of beautiful Black Lake. God made Black Lake Beautiful; man is rapidly making it an abomination. Because of my feeling I make bold to suggest a solution of the sewage problem, to which I have given considerable thought, but not more than have the leading citizens of Holland.

As I wrote you on a former occasion, by the dumping of the sewage of Holland and Zeeland into Black river and spreading it over the great marsh that lies partly within the city limits of Holland, the sanitary condition of Holland is greatly lowered and the health of the people consequently threatened. An epidemic might start on the shores of this marsh and could very easily and very rapidly go through the more densely populated parts of the city. It is also a fact that medium sized cities like Holland are always more unsanitary than either large cities or small villages. In the village the problem is simple and is easily handled; in the large city the problem is complex, but from necessity the people are compelled to handle it or die. But in a city that is larger than a village and smaller than the large municipality, the cost of the undertaking very frequently prevents the work being done and the people become impressed with the idea that they can get along with the same conditions as a city which answered very well when they constituted a village.

These two elements have prevented Holland from taking any steps but now that the question has been taken up, I offer this solution:

First:—That a new channel for Black river be dredged running from the site of the new bridge on a straight line to the Waverly bridge. This channel should be forty or fifty feet wide and possibly twenty feet deep. The digging of this channel should not cost anything. The present marsh land is practically of no value. This channel would drain it and the excavated earth can be used for filling as far as it will go. The balance of the swamp can be easily filled from the adjacent sand hills. When this is done this property will be worth at least \$1,000 an acre for factory sites so that the cost of this work will be more than paid for by the increased value of the present marsh land. This cost can be charged back upon the present owners by special assessment or if for any reason they cannot stand the cost, then the city of Holland can buy the marsh, do the work and compensate itself with the increase in the value of the land. A special issue of bonds could be made against this property, redeemable from the proceeds of the sale of factory sites. With Black River turned into a deep flowing, confined river a sewage disposal station could be erected on its bank and the sewage so treated that it would run into the river as pure water. This not only would give you a stream of pure water, but it would wash out the east end of the bay and make the conditions entirely sanitary.

This is not a dream, and not an impractical project, because anyone who has had occasion to pass through Benton Harbor on the Pere Marquette has noticed the redemption of the swamp that lies on one side of the railroad track and its conversion into factory sites and the building of tremendous metal working plants that have been erected thereon in the last three or four years.

This scheme, gives in my mind, a solution of the sewage problem and at the same time furnishes a project that will pay for itself and, therefore, will be of no expense to the city. The city, of course, will have to issue its bonds for the cost in the first instance, but these bonds will be rapidly paid for by the sale of this highly improved factory property.

Very truly yours,  
John C. Everett.

## VANDER POEL GIVEN HEARING WEDNESDAY

George Vander Poel, who is charged with holding up Carl Harrington and taking his automobile away from him on a Sunday morning some weeks ago, had his hearing before Judge James Danhof in Grand Haven Wednesday forenoon. A petition has been received that Vander Poel be examined as to his sanity. Dr. Reynolds and Dr. Hofma were appointed by Judge Danhof and according to the opinion of Dr. Reynolds Mr. Vander Poel is insane in cycles.

The case was put over to next Wednesday forenoon at ten o'clock in Holland. Dr. Reynolds recommended that Vander Poel be sent to the psychopathic hospital at Ann Arbor with a view of having him treated. What will eventually be done with him will probably be decided next week when the case comes up in this city.

## OCTOBER MONTH MAKES RECORD IN TEMPERATURE

With but one exception the recent month of October was the warmest October in the history of the Ottawa county weather bureau. The mean temperature for the month was 57 degrees. This was exceeded in October 1879 when the month's average

was 56 degrees and was equalled in October 1900 when the month's average was again 57.

The highest temperature during October was 80 degrees on the 15th and the lowest temperature of the month was 34 degrees on the 29th. The precipitation for the month was 1.50 inches. This compared to a precipitation of 4.39 inches in October of 1919. The month was one of the driest Octobers in Ottawa in many years. Since the first of January there has been an accumulation deficiency in precipitation of over seven inches which would indicate that 1920 is a dry year in more respects than one.

There were eleven clear days in there were three thunder storms October, 10 partly and ten cloudy during the month.

### GIVE REPORTS OF FEDERATION MEETING

The program of the Woman's Literary Club was opened with two reports of the State Federation of Women's Clubs held recently at Saginaw. Mrs. S. R. McLean told bits of the various lectures that had impressed her. The president, Mrs. R. M. De Free told of the plans made for the betterment of the condition of the feeble-minded and of the women and juvenile offenders. The committees controlling these institutions should be increased from three to five members. Two should be women. There should be a dietitian in each public institution, especially in any that has charge of children. The health boards should be reformed. Michigan has more diphtheria cases than any other state. There are 400 women's clubs in Michigan, and only 23 own club houses.

Mrs. Aldworth gave an account of the life of Violet Oakley, an American mural decorator. Many copies of her work were shown. Mrs. D. B. K. Van Raalte jr., favored the

The "Little Clouds" by Logan and "Rest" by Cecil Forsythe. Mrs. Martha Robbins played the accompaniments. Mrs. Graham traced the progress of home art from the painted chopping bowls and crayon portraits of former days to the present. She showed many works of art done by Holland High and Junior High school pupils.

### THURSDAY, YEAR AGO THAT STEAMER HOLLAND SANK

Thursday marked the first anniversary of the loss of the Crosby line steamer City of Muskegon, formerly the "Holland", at Muskegon harbor when 19 persons went to their death. The tragedy was the worst which has occurred on the east shore. The steamer left Milwaukee one year ago Wednesday night and when she reached the east shore on the next morning, the wind was blowing a hurricane, and the tremendous seas were sweeping in at the harbor mouth.

The side-wheeler, which was once the "City of Holland" was caught on a giant wave and hurled against the south pier. The guards caught on the timber work of the pier and in twenty minutes the entire upper works of the ship had been torn off and reduced to wreckage. Quick action on the part of the officers of the ship saved all but 19 of the 37 men, boys of the crew and the 35 passengers.

After an investigation the U. S. Steamboat Inspectors exonerated Capt. Edward Miller of all blame for the accident. Among the victims was Mrs. Kate Johnston of Ferrysburg, mother of the chief engineer of the boat, Grant Johnston, who was making a trip with her son. Mrs. Johnston's body was recovered only last Sunday and laid to rest in the family lot in Spring Lake.

The wreckage from the lost ship has been cleared away and the iron hull has been removed from the channel at Muskegon, taking away all visible traces of the tragedy of a year ago.

### AUTOMOBILE STRUCK BY P. M. TRAIN

A quartet of rabbit hunters came very near death Monday afternoon at about 5:30 at the Pere Marquette crossing on Eighth street when a P. M. Passenger train backed into them as they were crossing the track. The men were Martin VanderBie, John Hoffman, Wm. Van Anrooy and Julius Brusse and they were in Mr. Hoffman's Nash car.

The rear coach of the passenger train suddenly backed up as the auto was crossing the track, catching the front of the auto and causing a damage of about \$150. Some of the men received very slight injuries. A second or two later the coach would have struck the auto squarely in the middle which would probably have meant a serious tragedy.

### HORSE IMPALED ON HITCHING POST

An unusually gruesome accident happened Saturday noon on the corner of Seventh street and River Av. when a young horse belonging to Tom Kraai of North Holland impaled itself upon a hitching post in front of the De Grondwet office. The horse took fright when an auto passed, reared up into the air and came down on the hitching post which entered its body.

The animal was immediately shot by Officer Stoketee and put out of its misery.

### ZEELAND ALSO TO CELEBRATE ARMISTICE DAY

Zeeland is also to hold an Armistice Day celebration. Joint committees consisting of members of the Gilbert D. Karsten Post American Legion and business men of that city are working enthusiastically to put on attractions that will draw the crowds to Zeeland on that day. The feature attractions start off with a grand parade at 10 o'clock in the forenoon. This parade promises to eclipse anything of this kind ever attempted heretofore in Zeeland. Each section of the parade will be led by a band. Among the entries to date for the parade are included Ex-soldiers and Sailors of the World War, Veterans of the Spanish-American and Civil wars, city officials, speakers, children of the Zeeland public schools, fire department, cavalry troop, artillery troop, allegorical floats, groups of employees from the local industries, district schools in the vicinity of Zeeland, and several organizations will be represented in the marching column.

The afternoon will be taken up with patriotic speeches, moving pictures for the public, boxing matches, horse races, wrestling matches, automobile race, military drills, and competitive games. The Military Court and the Military Police will be on the job all day. The general idea is to have the carnival spirit prevail during the afternoon and evening as it did in France on November 11, 1918. This committee has taken great pains to secure only clean wholesome attractions that will in no way discredit the Zeeland Post of the American Legion under whose auspices the celebration is being worked out. The streets and business places will be gaily decorated for the occasion.

### HIGH SCHOOL STUDENTS HOLD SPIRITED ELECTION

A most instructive experience was the election held in Holland high school Tuesday forenoon. Students cast their ballots in practically the same way in which adults voted at the polls, using instruction ballots.

Before the balloting began, Principal Riemersma gave opportunity to the students to express their opinions. These speeches were wholly extempore and voluntary and they were full of vigor. Katherine Koppel, Frank De Young and Herman Vande Water spoke for Harding, Maurine La Caff, Lester Elferdink, Wm. Nies, Martha Barkema, and J. Wabeke for Cox and the League of Nations. George Luidens spoke in favor of Ferris for governor, and Hartger Borgman for Groesbeck.

Miss Ross of the history department explained the amendments to the students, and Supt. E. E. Fell explained the regular ballot.

A great deal of interest was shown in the balloting and the talks were of a high calibre, showing that the young students had read the papers and had posted themselves on the issues of the campaign. The speakers had not been coached in any way and they did not know that there would be an opportunity to speak. But when the chance was given many gave talks that would have done credit to adult speakers.

The vote on president and governor stood as follows: Harding, 320; Cox 121; Debs 7; Watkins 4. Ferris received 182 high school votes for governor and Groesbeck 144. Mapes received 299 for congress and Jarvis 68. Kooyers received 266 for state representative and Bigge 128. On the amendments the students voted as follows: First amendment 326 yes and 109 no; second, 403 yes and 33 no; third, 362 yes and 68 no; fourth, 300 yes and 135 no; fifth (the school amendment) 226 yes and 207 no.

### HOPE STUDENTS ARE STRONGLY REPUBLICAN

That the Hope College students are overwhelmingly Republican was shown by election held there Tuesday. The balloting was done on instruction ballots, the vote being taken on president, governor and congressmen.

The following result was announced Tuesday afternoon when the vote was counted: National-Republican 210; Democrat 39; Socialist 14; Prohibition 1; Farm-Labor 1. State-Groesbeck 150; Ferris 99; Socialist 14; Prohibition 1; Farmer-Labor 1. Congress-Mapes 216; Jarvis 33.

### MOUNTAINS OF SUGAR BEETS AT THE LOCAL SUGAR FACTORY

Beets are arriving at the Holland Sugar plant in every conceivable way. The Pere Marquette is sending in strings of loaded cars. The Holland Interurban is adding its large shipments and the farmers for miles around are hauling the big roots to the sugar mill. The factory buildings are literally buried with beets. From these enormous mountains of sugar beets large steam shovels are scooping them into the slicing shoots and in due time from the other end of the factory the sugar comes forth.

### OTHERS WANT A NEW DEPOT TOO

In an effort by the citizens of Muskegon Heights to force the Pere Marquette Railroad company to install a depot in that city a hearing will be held at Lansing before the state public utilities commission Nov. 4th to which the city will send a group of influential men, urging that the commission force the railroad to erect such a waiting station and depot in the Heights. Four sites have been offered to the railroad for the erection of the station.

### PASTORS' UNION HOLDS MEETING ON MONDAY

The Pastor's Union, an organization of ministers of Holland, Zeeland and vicinity, held a meeting Monday afternoon in this city at which thirteen pastors were present. Rev. W. Van Kersen read a paper on the subject, "The Missionary Outlook in the Light of the War," a review of a book by Robert Speer on that theme. A talk was given by Mr. Smith, Ottawa County Y. M. C. A. secretary, on the need of work in Holland and throughout the county. The ministers' organization appointed a committee to look into this work and determine what the ministers can do to support it.

A committee consisting of Rev. James Ghysels of the Ninth-st. Christian Reformed church and Rev. J. H. Bruggers of the Sixth Reformed church was appointed to make arrangements for the reception of Rev. Paul Kanamori of Japan. Rev. Kanamori is a famous evangelist, known as the "Japanese Billy Sunday," who is now touring America. He will speak in Holland on the evening of November 11.

Rev. James Wayer of the First Reformed church is president of the Pastors' Union and Rev. James Ghysels, secretary and treasurer.

### HOLLAND ARTISTS ENTERTAIN THE CENTURY CLUB

The Century Club was entertained Monday evening at the home of Mr. and Mrs. Arend Visscher. The program for the evening was in charge of the Misses Anthony, DePree, DeVries, Koly, Beach and Doesburg. This committee secured two Holland artists, Miss Metz and Major Willis Diekema who rendered a most delightful program of readings and music. Miss Metz read "Francesca's Love Affair" by Kate Douglas Wiggin, "King Robert of Sicily," with a piano accompaniment by Miss Marie Dykstra, and "Cinderella Dines." Major Diekema rendered "Oh Moon Upon the Water," by Cadman, "The Smuggler," by Rudyard Kipling, "Uncle Rome," Sidney Homer, and an Irish song "My Love Nell" by Fox. He was accompanied by Mrs. Robbins.

The refreshment committee consisted of Mrs. A. A. Visscher, Mrs. R. Visscher, Mrs. Durfee, and Mrs. J. Cappon.

### NOT WORTH MENTION SAYS A FORMER HOLLAND MAN

R. E. Werkman, formerly of Holland, writes from Crookston, Minn.: "I noticed in the News of Oct. 23, telling about the large potato Mr. Lucas Smith had received from McBain, Mich., weighing nearly 2 1/2 pounds, and it being the largest potato ever seen in Holland."

"Will you kindly inform your readers that some of the citizens of Holland have had the pleasure of seeing potatoes that weighed over 6 pounds, and not just one but many of them as I have had them on exhibition in Holland years ago. Mr. John Stephen, now living in your city, had charge of the exhibit part at the time. I am somewhat surprised that a potato weighing only 2 1/2 lbs. should be such a sight, as a potato weighing nearly four pounds was raised right here by one of the Holland farmers near Crookston in the Red River valley, this year."

### SEASON TICKETS FOR LECTURE COURSE ARE ON SALE NOW

Tickets for the entire Hope College Lecture Course including the three Redpath features as advertised are on sale at Huizenga's. Single tickets for the Harold Procter recital will be sold later. The management of the Lecture Course announces that it is their desire to give first opportunity to the regular patrons of the lecture course. After these have had ample time to secure their season tickets, the remaining seats will be placed on sale. While the first number as presented a few weeks ago was a disappointment to the public as well as to the management, the committee announces it does not hesitate in presenting the balance of the course. The quality of Redpath productions, as presented here in the past cannot be challenged and they are prepared to guarantee absolute satisfaction.

According to the report of officers of mission boards in the Reformed denomination, total contributions received for missions from churches during the first five months of the progress campaign were \$234,836.25. The boards expect the amount will exceed \$600,000, before the close of the present year. The boards continue their appeals for the liquidation of the emergency fund which on April 20 totaled \$182,304.00, but which at the present time has been reduced to \$101,190.11.

### ST. JOSEPH TAKES HOLLAND HIGH INTO CAMP

Last Saturday afternoon at St. Joe Holland's High football team suffered its first defeat of the season at the hands of St. Joseph High school. It was a hard game to lose as the local boys were confident of victory.

The causes for defeat were the frequent and costly fumbling of Coach Sweeney's men and the slippery clay field which handicapped the entire team. On two different occasions the Holland team were within striking distance of the goal when they fumbled and St. Joe recovered. At the crucial moments of the game Holland's line was unable to hold St. Joe's backfield men, and as a result St. Joseph scored its touchdowns. St. Joe made nine points in the last four minutes of play. The game began with Holland receiving the kickoff. A forward pass from Van Duren to Beuwkes netted 20 yards on the next play Holland fumbled and lost the ball. St. Joseph made first downs thru Holland's line. ## COMPANY HOLD HALLOWEEN PARTY

Everything from the ridiculous to the sublime was personified at the Holland Furnace Company's Halloween party at the Woman's Literary Club last Saturday night. The rooms were charmingly decorated. It was one of the most interesting masquerades ever given in Holland. Perhaps the cleverest disguise of all was Topsy of "Uncle Tom's Cabin," impersonated by Miss Ruth Lanning. The funniest man was Mr. Victor Cherven. He was the worst looking hobo ever seen in these parts, and consequently won the prize.

A comic policeman, Mr. Matt Pellegrom, did his worst to keep order while prepared entertainments were taking place, but since everything was in order on old Halloween eve, there was no order at all.

Among the most spectacular events of the evening was a witch scene taken from Shakespeare's Hamlet. The characters were Miss Anna Witvliet, Geneva Van Lente and Ella Van Putten.

Another feature which was much appreciated was a play entitled "The Nuts' Supper" given by Jay De Koning, Henry Boersma, Lester Cook and Ben Brinks. The fortune tellers and they were matchless in their profession, were Mrs. Nystrom and Mrs. Shiermann. Miss Selma Landwehr dressed as a Southern lassie, kept the whole crowd guessing until she was forced to remove her mask to partake of unusually good Halloween eats.

The grand march started about 10:30 o'clock and if anyone could have looked in on the hundred joyous, masked and costumed folks, as they stepped to the lively playing of Miss Henrietta De Weerd—the gayest, strangest, ugliest, ghostliest, and at the same time beautiful procession would have been observed.

### HOPE COLLEGE DEFEATED BY 46 TO 0 SCORE

The Hope football squad met with defeat when they faced Kalamazoo college last Saturday. The score was 46-0 in favor of Kalamazoo. The Kazoo team is recognized as one of the best among the colleges. The game however, was one of the cleanest and best played by the local team, with only a few casualties on the opponents' side. End runs featured the game, and ran up the score for the Kazoo gridders, and who were particularly strong there. Although the home team was outclassed by the veteran team, they made a splendid showing, as compared with other teams that have played Kazoo.
