George Getz to Give Exhibits to Dutch Museum

WILL ALSO DEAL LIBERALLY
WITH SUPERVISORS WITH
ADDED LAND FOR TUN-
NEL PARK

The editor of the News has received from George F. Getz of Lakewood Farm and Chicago a letter that will be of considerable interest to the Dutch Museum authorities, since it will add many exhibits that will be intensely interesting, taken from his collection in the large building on his estate on Lake Michigan.

Your editor has also been deeply interested in fostering a project that will add 850 feet of fine woodland and bathing beach to the new tunnel park, which is overtaxed with eight-seers and tourists during the entire summer season. The popularity of this place of recreation has just begun, and even on this 200 feet as high as twenty picnics a day have been staged. The advantage derived by augmenting this popular resort by more than 800 feet, or more than four times as large as it is now, can well be imagined.

If Ottawa county acquires that property for an enlarged Ottawa county park it will be a boon to every community in this county. Tunnel Park has become very popular with localities in eastern and northern Ottawa county. Church and other organizations, as well as thousands of individuals, make Tunnel Park their picnic grounds, and family reunions are scheduled far in advance.

With Tunnel Park as small as it is today, arrangements must be made in advance for accommodations. The addition of 800 feet of woods and Lake Michigan bathing beach will extend the facilities more than four times as much as the area now affords. Anyway, this question is now being taken up by a supervisors' committee, of which Mayor Henry Geerlings is chairman.

In the letter from George Getz, which follows below, all is fully told relative to the exhibits which George F. Getz wishes to donate to the museum:

GEORGE F. GETZ
McCormick Building
Chicago

October 21, 1937

Mr. Ben Mulder,
Holland City News,
Holland, Michigan.

I have read with much interest your article regarding Tunnel Park, which is very fine and the situation was handled very well indeed and carries out the facts of the situation very nicely.

I have just advised the county supervisors through Mr. Cross, that if the supervisors decide to take over the property in question that I would allow the county to pay for same in any manner they saw fit—over as long a time as they might desire and at whatever rate of interest they might think fair. Of course, this would be subject to the legality of the situation which would have to be approved by Judge Cross.

In the same paper, published Thursday, October 14th, you show a picture of the sinking of the Alpena off Holland fifty-seven years ago. I read this article with a great deal of interest. Many years ago I started a little museum of my own in Holland, with many trophies from my African hunting trips and the war relics which I brought back from France in 1918. I have in that collection the Goodrich Steamship Company sign of the Alpena, with the history of the accident framed alongside of it. I believe this was given to me, as you say in your article, by Mr. C. E. Brown, Sr., and I would be very glad to give it to the museum in Holland if they should like to have it. You may offer it to them and advise me if they would like to have it.

I may have some other things in my museum which they might like to have to complete their collection, such as war relics which I picked up during the World War while I was in France. Perhaps there are other things there that might be of interest to them. I would appreciate it if you would take this matter up with the museum people.

If they would be interested in having some of the things someone could meet me at Lakewood some time during the next two or three weeks, before I go south for the winter. After hearing from you, I will advise them what day I will be at Lakewood and they can come out and see what I have that would be of interest to them.

With my kindest regards and best wishes, I am
Very sincerely,
(Signed) GEO. F. GETZ.

Mr. J. J. De Valois, agricultural missionary stationed at the Arocl mission in India, and who is now on furlough, has returned to Holland after attending an agricultural conference at the University of Missouri. While in Holland Mr. De Valois is living at 174 West 15th St.

Approximately 500 students at Holland High, Christian High, and Hope College were given tuberculin tests during the past week by the Ottawa County health department. Friday, nurses visited the schools in question to check test results. Students showing positive tests will be X-rayed in November by the Michigan Tuberculosis association portable X-ray unit. Fifteen students took the test at Christian High, 242 at Holland High, and 300 at Hope College.

New patents granted in Washington, D. C., are: Spring Lake—Mark J. Goldberg, fuel injection valve; Holland—Justin H. Korte, "fifth wheel" construction.

Now It Is Quadruplet Deer—Dear Me!

A possible instance of a Michigan deer bearing and rearing quadruplet fawns, has been brought to the attention of the department of conservation here. A report has been received from John Christie, conservation officer at Laurium, that he saw a doe with four fawns while he was on patrol near the lake shore north of Calumet. "All of the fawns were of uniform size and exceedingly small for this time of the year," Christie reported. "There were no other deer in the locality that I could find. I patrolled a large area without seeing any other tracks."

Whitetailed deer sometimes produce triplet fawns in a single year, but there has been no authentic record of quadruplet fawns being born to a doe.

This State Has Many Anglers Records Show

MICHIGAN FAR IN LEAD IN
NUMBER OF FISHING TAGS
ISSUED IN 1936

Michigan was far in the lead of all other states in the total number of fishing licenses issued in 1936, but ranked well down in the list in the proportionate amount of revenue because of the low fishing license fees in effect in this state.

These data are brought out in the annual report on fishing licenses and revenue released by the United States Bureau of Fisheries, Washington, D. C.

The total number of fishing licenses issued in Michigan during 1936 exceeded the total sales in states where combination fishing and hunting licenses are sold, such as New York and Indiana.

Michigan's total fishing license sales came closer than ever before to the three-quarter-million mark, the federal report revealing that 620,814 resident fishing licenses, 35,522 annual non-resident fishing licenses and 76,004 special or "tourist" fishing licenses were sold by this state, or a total of 682,340 sales. The federal report, however, omits the number of non-resident "wife" licenses sold by Michigan, which was 36,777, making the total sales 669,119.

In the tabulation of resident fishing licenses Michigan was easily first with Minnesota, Illinois, California, Pennsylvania and Wisconsin following in that order. New York and Indiana have high license sales, but are considered in a different classification, inasmuch as the licenses sold in the states mentioned are combination fishing and hunting licenses.

Some of the data of the states leading in fishing license and combination fishing-hunting licenses are as follows:

Michigan: Revenue \$425,844.50
Resident licenses 520,814
Non-resident 35,522
Tourist 76,004

Minnesota: Revenue \$429,139.45
Resident licenses 464,621
Non-resident 73,881

Illinois: Revenue \$140,257.40
Resident licenses 336,811
Non-resident 2,012

California: Revenue \$608,515.50
Resident licenses 295,330
Non-resident 2,826
Alien 2,580

Pennsylvania: Revenue \$405,405.00
Resident licenses 261,939
Regular non-resident 2,081
Tourist 1,908

Wisconsin: Revenue \$369,517.80
Resident licenses 140,925
Non-resident 89,068

Of the states issuing combination fishing-hunting licenses, New York and Indiana were far in the lead. New York sold 469,844 "regular" licenses for 1936-1936, 662 alien licenses, 5,553 non-resident regular licenses and 2,281 non-resident combination licenses for a total revenue of \$986,264.82. Indiana sold 556,571 regular, 3,795 regular non-resident, 217 combination non-resident and 6,188 tourist licenses for a total revenue of \$337,685.79.

The total number of licenses sold in the United States was 6,832,448 and the total revenue was \$8,002,897.31.

The collision occurred at 21st St. and Maple Ave. Floyd was taken to Holland hospital for treatment for facial cuts. Other occupants in the truck were Anna Prins, 5, and George Prins, 10. The truck turned over, and its occupants escaped through the floor.

Six Students Bear Faculty Member to Grave

PROMINENT THEOLOGIAN
AND DIVINE PASSES AT HIS
HOME IN HOLLAND

Dr. Henry Hospers, aged 68, professor of Old Testament Exegesis and Greek at Western Theological Seminary, who died from heart trouble last Monday afternoon at his home, 26 East 12th St., had won wide recognition among Reformed circles as a staunch defender of the faith and a capable preacher.

Until three weeks ago, Dr. Hospers had met his classes at the Western Theological Seminary. He had been connected with the local institution since 1918. Dr. Hospers was born in Pella, Iowa, and was a graduate of Hope College, and Northwestern Academy at Orange City, Iowa. He spent a year at the Free University at Amsterdam, The Netherlands, where he studied Calvinism under the late Dr. Abraham Kuiper, one of the great Dutch theologians. Later, he graduated from New Brunswick Theological Seminary. Dr. Hospers received his Doctor of Divinity degree from Hope College. He was a member of Hope Reformed church.

He has been pastor at Clymer Hill, N. Y., Gibberville, Wis., First Church of Englewood, Chicago, First Church of Roseland, Ill., Second Kalamazoo, and Second, Grand Rapids.

The funeral rites were held this Thursday afternoon at 1:30 at the home on East 12th St., Dr. E. J. Blekkink officiating, at Hope Church at 2:00 p. m., where Dr. S. C. Nettinga, head of the Western Theological Seminary, and Rev. James Weyer, pastor of First Reformed Church, officiated. Dr. Paul Hinkamp of Hope College faculty was in charge of the services at the grave, interment taking place in Oakhill Cemetery, Grand Rapids.

Six Western Theological Seminary students were the bearers, two from each of the three classes. Senior class—Edward Jurgens, John Van Harn; middle class—Albert Mansen, Gradus Aalberts; junior class—Russell Vander Bunte, and Reuben Angna.

The honorary pall bearers were faculty members of the Western Theological Seminary—Dr. E. J. Blekkink, president emeritus; Dr. S. C. Nettinga, president; Dr. John Vander Meulen; Dr. Albert Peters; Dr. J. R. Mulder; and Dr. Simon Blocker.

Survivors are the widow and three children, Roselof Hospers of Harrisburg, Pa.; Mrs. Harmon Der Herder of Zeeland, and the Rev. Henry O. Hospers of Utica, New York; two brothers, Isaac Hospers of Olin, Iowa, and the Rev. G. J. Hospers of East Williamson, New York; three sisters, Mrs. T. Rosendahl of Volga, S. D., Mrs. W. J. Duiker of Holland, and Miss Hendriene Hospers, missionary to the Indians at Dulce, New Mexico; and five grandchildren.

At a meeting of the faculty of the Western Theological Seminary yesterday afternoon, the following resolutions were adopted as a tribute to the memory of Dr. Henry Hospers, professor of Hebrew and Old Testament Exegesis at the seminary, who died Monday.

"Whereas it hath pleased Almighty God to remove from our fellowship our highly esteemed brother and co-worker, the Rev. Henry Hospers, D.D., professor of Hebrew Language and Literature, and

"Be it resolved: That we record our deep sense of loss at his departure. While Dr. Hospers' health had not been entirely satisfactory for the past three years, he was able to perform the duties of his high office with a sacrificial devotion, characteristic of his ministry. He began the new seminary year in September with high hope of rounding out another year of service. It was only three or four weeks when it became apparent that reserve strength was wanting to realize this hope. He met his classes for the last time Friday, Oct. 8. Then began the battle to regain his health which terminated with his entering into rest Monday, Oct. 25.

"The faculty has lost a friend and brother beloved; the students a revered teacher; the community a respected citizen; and the Reformed Church in America a grateful leader. We make grateful mention of our sense of his worth. It is the hearts of all who were associated with him in the work of God to pay tribute to his memory and to thank God for his fruitful ministry.

"Be it resolved also: That we extend our heartfelt sympathy to the bereaved widow and sons and daughter in their sad loss. We commend them to God and pray that they may be sustained by the riches of His grace in Christ Jesus."

The resolution in behalf of the seminary faculty, was signed by Dr. Jacob Vander Meulen and Dr. Simon Blocker.

It was decided to hold two meetings in January and in February.

Mrs. Jay H. Den Herder has returned to the city from Erie, Pa., where she had been for several weeks for the illness and death of her father.

News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

FIFTY YEARS AGO TODAY

The Great De Boe kept the crowd in suspense for nearly an hour yesterday during one of his inimitable performances on the slack wire. He was the recipient of considerable applause, and at the conclusion walked a tight rope stretched from the judge's lookout to the grandstand, across the race course at the Holland Fair. Note: Will De Boe was a Holland man. He learned the art of rope-walking at a pin show held on the common, near what was then the Fourth Ward school. Your editor was one of the performers doing the stunt of hanging on his heels from a trapeze—and the trapeze wasn't a flying one either. De Boe took to slack wire-walking as a boy. He went into vaudeville, and for many years played the theatre circuits of the nation and became nationally known. In his travels he married a slack wire performer and they created a team which took the vaudeville stage by storm. She was a beautiful woman, and on two occasions they were the principal features at the Holland Fair. That was when the fair was still at the west end of the city. Mr. De Boe was the son of the late Captain De Boe, one of the first commanders of the A. C. Van Raalte Post, G.A.R. The De Boe home was directly west of the city hall, and a storing station and garage for the Board of Public Works is now on the site.

The steamer, "Queen of the Lakes," a bitter rival of the steamer, "Macatwa," showed that this pleasure boat carried 45,224 passengers during the summer season. The "Queen of the Lakes" was a sidewheeler.

The Holland City News is boosting for a boat line between Holland and Chicago. It gives several columns and figures why we should have a boat line; and one of the other big boosters in Holland was the late George P. Hummer, who, the files show, contributed several articles favoring a boat line, which eventually came.

Detroit won the baseball pennant in the American League, and the News has a crude picture of the Detroit team. Eleven of the team have large mustaches. The writer can just remember the excitement caused by the winning of the pennant by Detroit. The star in those days in the baseball firmament was a man by the name of Getzien. He was an invincible pitcher, and it was through his unusual skill that Detroit, in a measure, was a pennant winner. The name Getzien appears constantly in news columns and undoubtedly in a larger measure in the daily papers. Detroit played in the World Series against the St. Louis Browns.

Albert Rittinger of Drenthe drew first premium on a bull, at the Holland Fair, of \$400; G. Vande Kamp of Fillmore received the second premium of \$300; Ben Van Raalte received a premium of \$400 on a bull calf; and Albert Vander Haar, of Holland Township, \$200; M. Velhuis of Overisel received \$400 first premium on a Jersey cow; H. Vande Bunte of Forest Grove, first premium on a heifer; Wiepke Diekema received first premium on a Jersey calf. Mr. Diekema was the father of the late G. J. Diekema. A. B. Charter of Holland received a first premium of \$400 on a Holstein cow; Charles Fairbanks of Holland received second premium on a cow; G. Deur received first premium of \$200 on "native stock."

Last Sunday about noon, the old, and to many people in Holland, familiar steamer "A. C. Van Raalte" came into port and will run between here and Chicago for the balance of the season. The "Van Raalte" has been thoroughly overhauled and is a seaworthy steamer. We expect that she will receive enough patronage to warrant a permanent line of boats between Holland and the "garden city."

TWENTY-FIVE YEARS AGO

Two large brick columns with stone base and cap have been erected at the entrance of the walk leading to Graves Library on Hope College campus, as a memorial to the class of 1912. The class erected the columns with money raised by giving Zungwill's play, "The Melting Pot."

Contractor Frank Dyke has a gang of men busy on 15th St. breaking ground for the new high school. The full amount the high school will cost will be about \$110,000. There were 14 bidders.

George Kleyn, secretary of the Kleyn Lumber Co., died of heart trouble after an illness of four months. He was forty years of age. Note: Mr. Kleyn was a brother of Simon Kleyn of this city.

Dr. E. J. Blekkink retires from Third Reformed church as pastor. As a result the largest social ever given at that church came to say farewell to both Dr. and Mrs. E. J. Blekkink. At least 500 were present. William Vander Hart presided at the meeting, and the congregation presented Mr. Blekkink with a beautiful leather rocker, and Mrs. Blekkink with a handsome cut-glass vase. These gifts were presented by Attorney Arend Vischer, and both Dr. and Mrs. Blekkink, visibly affected, thanked the congregation for these kind remembrances. Note: Dr. Blekkink later became a member of the faculty of Western Theological Seminary.

The rural carriers received word in Holland that they were to receive \$1,000 a year instead of \$1,000. The act, passed by Congress, affects 30,000 rural mailmen throughout the nation.

J. Van Rhee of Fillmore brought the first load of sugar beets to the Holland Sugar Factory. A new pulp-drying department has been added to the factory equipment costing \$100,000. Pulp has been a boon to the farmers as this relates to feeding.

Herman L. Miller, living between Pennville and Holland, fell out of an apple tree, where he was found by his daughter, Edith, in an unconscious condition. He died some hours later.

Gilbert T. Haan of Holland has been named by the State Convention at Lansing as a presidential elector in the fifth district on the Bull-Moose ticket. Dr. William DeKline of Grand Haven was also appointed. Note:—It will be remembered that this convention elected "Teddy" Roosevelt as its head in Chicago during the same week that the late William Howard Taft was elected. The split in the Republican party at that time between Roosevelt and Taft meant the election of Woodrow Wilson.

Wm. Peeks, R.R. No. 6, Holland, guesses nearest to the number of peas in a fish jar exhibited in the show window of the Geo. Huizenga's Jewelry store. Peeks gave 7750. The correct number was 7736. Other close guesses were Jeanette Brink, Holland R. R. No. 6, 7765; Joseph Schipper, Fillmore, 7779; Mrs. J. Immink, Holland R. R. No. 9, 7713; Elizabeth Hoffman, 209 West 15th St., 7777. Seven hundred seventy five did him guessing, the largest being five million and the lowest three hundred. The prize was a 6-day mantle clock—still running we presume.

Secretary of the Holland Fair John Arendshorst has discovered a large gravel pit on the south end of the grounds. It is located on the edge of the race track and teams are already hauling gravel and roadways through the grounds are already being graveled. The gravel is also being used in concrete construction now going on there. The gravel is of average quality.

FIFTEEN YEARS AGO TODAY

Judge Orien S. Cross has the hearty approval of every true-blooded American when he eliminates those aliens who want to become citizens, but who claimed draft exemptions during the World War. In a "nutshell," the judge made it plain that a country good enough to live in is good enough to fight for. It was explained by the court to the five unsuccessful candidates, who failed in the military service, that the government in return for the many boons, which it grants to foreigners coming to its shores, asked that those who are prospective citizens defend the flag when called on, and not hold back on the grounds that they are foreigners. This is only a just policy, as the foreign-born residents here who have come to this country, which has been wrested from nature, was built up by the hearty pioneers who came and built these institutions amid the most primitive conditions and untold hardships. Judge Cross stated that these men who came later and enjoyed all these privileges, made possible by our forefathers, should carry on for the benefit of all when the country needs them. The great war proved a testing block for mankind and womanhood. Many stood the test; some were found wanting; and now Judge Cross is using these tests in granting citizenship. Those who failed in the test when the country needed them failed to get their citizenship papers.

Miss Cornelia Kaashoek, daughter of Mr. and Mrs. Adrian Kaashoek, 115 W. 17th St., was married Thursday night to Mr. William Pott, son of Mrs. K. Pott, at Central Ave. Christian Reformed church. Rev. B. H. Einink officiating. The bride was attended by Miss Gertrude Pott, sister of the groom, and the groom was attended by Peter Kaashoek, brother of the bride. Fred Orlert played the wedding march. There were 90 guests present.

A fire horse has been sold to John Boone of Holland for the sum of \$200. We are glad to hear that the faithful doberman, on duty always at many a fire in Holland, is in good hands and under the supervision of a man who knows as much about horses as any horse man in Western Michigan.

The band concert collection, taken up in behalf of the American Legion band during the last concert of the season, was rather unique. The band had been playing faithfully all summer and the last was a sort of benefit from the general public. Well, there were thousands present and a large percentage said their thanks in pennies. A basket was brought in, into play and, believe it or not, there were 287 pennies, 365 nickels, 257 dimes, 119 quarters, 37 50-cent pieces, 1 check for \$5.00, 2 checks for \$10.00, 3 checks for \$25.00, 3 \$5.00 bills, and 14 \$1.00 bills. We say, "Thank you," for the last 8 brackets, but a whole season's concert for one penny, or a "jitney" is mighty cheap for fifteen high class concerts in a beautiful park. It can be said that the Holland business men later contributed liberally. They are called on often, and always respond to the call.

During the Boy Scout camp at Port Sheldon, presided over by William Slater, high school physical director, it was decided to show the 36 boys in camp a real sun-

Former Holland Publisher Is Taken By Death

ADRIAN NAGELKIRK,
ONCE CONNECTED
WITH THE NEWS, HELD
TODAY

Adrian Nagelkirk, better known to his many friends in Holland as "Jan," who for thirty years was publisher of the Creston News and Grand Rapids, passed away Monday afternoon in Butterworth hospital, where he had gone October 6 for surgical treatment.

Mr. Nagelkirk had lived in Holland since he was a lad, and became an apprentice in the old Holland office, the first Dutch publication in this city, which was taken over by De Grootendijk some 45 years ago. It was then published by William Benjamin, a venerable printer of this city.

"Jan" always said that he got tired of school and took his first job in a printing shop at \$1.50 a week. He graduated from The Holland office as a job printer, and then took a position in the Holland City News job shop. A half century ago he, with the late John B. Mulder, became publisher of the Holland City News under the name of Mulder and Nagelkirk. This partnership remained for about two or three years, when it was dissolved. Shortly afterward—in fact 46 years ago—the Holland City News was taken over by Ben Mulder and the late Charles L. Mulder, who passed away 34 years ago.

Mr. Nagelkirk then moved with his family to Grand Rapids; was a "type stickler" on the old Grand Rapids Eagle, when all type setting was done by hand, since the linotype had not yet been invented. After leaving the Grand Rapids Eagle composing room he worked on the Morning Press and the Grand Rapids Democrat, and was for a time foreman on the Michigan Tradesman, still conducted by the venerable E. A. Stowe.

In 1905 he purchased the Creston News, a neighborhood publication, and since that time he has operated this plant. Associated with him is Miss Mildred Nagelkirk, who is not only able, but was relied upon largely by the father in getting out his publication. Mr. Nagelkirk was very civic-minded and did a great deal for his community and Creston Heights, the neighborhood in which he lived.

Although living in Grand Rapids for more than 45 years, he was still loyal to Holland, where he spent his boyhood days. He and his family lived at the Holland resorts a greater part of the summer, and he seldom failed to call on friends in the city at least four or five times a year. He was always a most welcome visitor at the Holland City News office, where hours were spent in reminiscing.

Funeral services are being held this Thursday afternoon at 2:00 p. m. from the Creston Funeral Home, where the remains were taken last Monday.

He is survived by his wife, Wilhelmina Nagelkirk, also a former Holland resident; a son, Fred Nagelkirk of Grand Rapids; three daughters, Mrs. Jacob Sikkenma, Ann Bullen of Kalamazoo and Miss Mildred Nagelkirk, who has been associated with him in the management of the Creston News, and several grandchildren, Clarence Sikkenma and Lois Jean Bullen, both of Grand Rapids.

He was a member of the Knights of Pythias and the Michigan Press association.

A poll of the camp was taken to find out how many of the boys had seen a sunrise before, and the astonishing fact developed that only four had ever seen a sunrise, and two of these had seen it within the past week in camp, where they were on guard duty early in the morning.

The Willard G. Leenhouts Post American Legion band held Holland Friday evening for the trip to "Dixie." The Legionnaires left in a special coach from Holland at 5:30 for New Orleans, where they will be in one of the divisions of the large parade on Wednesday. The "Creston City," surrounded by leaves to keep out the Mississippi at flood stage, is one of the most interesting large cities in the United States. The band members who went to New Orleans to the National Legion convention, not members of the band, accompanied the party to New Orleans to attend the National Convention: Herman Van Ark, Benj. Lievens, Samuel Bosch, Jack Knoll, John Emmink, Edw. Oonk, Tom Halley, M. Barends, Richard Nyland, Gerrit Rooks, H. Prins, and Marshall Irving. Ben Mulder of the News and Sentinel also accompanied the party to New Orleans.

Mrs. John P. De Pree, formerly Miss Della Fox, arrived here the past week from Colbert, Washington, to spend some time with her brothers and sisters, Mr. and Mrs. Corey Dykewell and Mr. and Mrs. Bert De Pree, and other relatives in Zeeland, Holland and Grand Rapids. Mr. and Mrs. De Pree were formerly residents of Zeeland but have lived in Washington for more than thirty years.—Zeeland Record.

ZEELAND TURNS ON MUNI- CIPAL ELECTRIC CURRENT

During the last week the Zeeland municipal electric plant has been furnishing electricity for lighting the streets. Monday morning the current was turned into the streetlight wires and the light bulbs sprang into life. The lights were turned on all day while the necessary tests were made by the engineers, and by Tuesday evening the inspection had been completed so that the city officers felt safe in taking over the lighting of the city streets, and the Consumers Power Company, which has been furnishing the current here since 1916, was notified to discontinue the service.

ZEELAND PASTOR RECEIVES CALL TO GRAND RAPIDS

Rev. William Kok of Zeeland announced to his congregation on Sunday morning that he was in receipt of a call from the Franklin Street Chr. Ref. Church of Grand Rapids to become its pastor. He also announced that he had not yet made his decision and asked the congregational prayers. Rev. Kok has been pastor of the First Chr. Ref. Church of Zeeland for the past ten years, and during his pastorate has proved very successful in his ministrations and the church has progressed materially in spite of the economic depression in recent years.

REFORMATION DAY MASS MEETING IN HOLLAND NEXT MONDAY

A Reformation Day mass meeting will be held Monday, November 1, in the Fourteenth St. Christian Reformed Church, at 7:45 p. m. It is sponsored by Holland League of Young Ladies Societies and Holland League of Young Men's Societies.

Dr. George Goris of the Fuller Ave. Christian Reformed Church of Grand Rapids will give an address. He is considered a good speaker, a clear thinker, and is vitally interested in youth problems. His address promises to be interesting and inspirational.

Besides the address of Dr. Goris, the program will consist of community singing, a Vesper solo by Miss Labadie Sharpe of Zeeland, and a vocal solo by Clarence Vogelzang. Miss Gertrude Beckman will be the organist. The chairman of the meeting will be Dr. Danhof, president of the Young Men's League. An offering will also be taken.

All young people are cordially invited.

SPECIAL MISSION SERVICES

Special Revival services were held at the mission every night since Monday and will continue through Saturday. At each meeting a minister, representing some denomination of the churches of Holland, led the devotions, and special music was offered. Rev. McCoy Bynum spoke at each meeting.

Last Wednesday evening the devotions were led by Rev. F. Vander Wiede, and a vocal duet was rendered by Misses Jean Mokma and Betty Van Klink. This Thursday evening the devotions were in charge of Rev. J. Vanderbeek, while The Fellowship Club trio and the Weener children entertained with music.

On Friday evening Mr. George Trotter will lead devotions and John Swierenga will offer a cornet solo. Saturday evening Mr. Trotter will again lead devotions and the Young People's Fellowship Club Trio will provide the music. All services begin at 7:30 p. m., but will be preceded by special prayer services at 7:00 p. m.

HOLLAND CITY NEWS

(Established 1872)
32 W. 8th St.
HOLLAND, MICHIGAN

Entered as Second Class Matter at the postoffice at Holland, Mich., under the act of Congress, March 3rd, 1879.

Community Chest

Holland's Community Chest drive is to begin next Monday, November 1, and it is hoped by the committee that the drive will be completed before the end of that week. There has been considerable publicity given as to the need of this drive, and elsewhere will be found the causes for which \$14,000 will be collected, through which to continue the many paramount benevolent projects, to which these collected funds will be put.

At least three items are for the welfare of our youth—namely, the Boy Scouts, the Girl Scouts, and last but not least, the Baby Clinic. These causes tug directly at the heartstrings, for these boys and girls are our boys and girls, and youth, especially in these troublesome times, beset by dangerous pitfalls and with so many avenues leading in the wrong direction, need our every attention; and the wholesome programs inaugurated by both the Boy and Girl Scout movements, are elevating and commendable.

The slogan adopted by the Community Chest committee is, "Be a Good Neighbor." We would stress this a little more as far as youth is concerned by saying: "Be a Good Parent."

The work of the Civic Health Committee, through the local Women's Literary Club, is well known. The past year at least 1,000 visits by mothers with their babies have been taken care of at the local clinic, and advice on feeding these little ones properly has been given, and has prevented much unnecessary illness. That surely is a commendable undertaking and a very deserving cause.

The Salvation Army, of which the local organization is a part, is known throughout the civilized world, and their activities for good are likewise well known.

That wonderful Red Cross needs no urging. That "Angel of Mercy" is at the apex of the list. In times of war the Red Cross nurse is behind the firing line; in times of flood their activity, and their heroic effort, of which we have had a concrete example recently, is indelibly impressed upon our minds and hearts. When pestilence stalks, the Red Cross nurse walks side by side with death. The Red Cross surely deserves to be in the grouping of the Community Chest for human needs.

"Be a Good Neighbor."

A New Use for Old Statues

The British Government is reported to be considering pulling down some 600 bronze statues in London and using the metal for armament purposes.

The statues are described as "monstrosities."

Whether they would be any less monstrous if turned into implements of war is something for the pacifists to wrangle over.

The fact is that a great many statues in our own fair and patriotic land, as well as in other countries, do little credit, from an artistic point of view, to the memories of the meritorious dead to whom they were erected.

The United States has had a few sculptors, but not enough to do all the sculpting that our National penchant for putting up statues to the great and the near-great has demanded.

As a consequence, if we ever run short of bronze or marble or granite, we can pull down a few thousand "monstrosities" and put them to better use.

Bravery Is Not Enough

(Chicago American)

Capt. B. H. Liddell Hart, an Englishman, is one of the foremost military critics of his time.

He has studied the capture of Bilbao by the Spanish rebel forces and finds it was caused by "a decisively superior technical appliance"—the airplane.

It was useless, he says, for the Basques to attempt to hold their trenches and fortified positions when they could be and were bombed out of them from the air.

Victory came when the rebels obtained mastery of the air and sent over the "superior technical appliances" to which the defenders had no reply.

As a military critic, Capt. Liddell Hart takes into little consideration the old strengths in war—bravery, fighting spirit, the will to win. Because, unless backed by modern "material," they cannot prevail.

What now prevails is the machine—and notably the airplane.

May the American people and their leaders learn FROM Spain, not LIKE Spain.

MISS SCHILSTRA AND LORENZO MEENGES WED AT ZEELAND WEDDING

The marriage of Miss Daisy E. Schilstra, daughter of Mrs. William Schilstra, to Lorenzo Meenges, son of Mrs. John G. Meenges of Grand Rapids, was solemnized at an 8 o'clock ceremony Friday evening at the First Reformed church. The double ring service was read before an altar banked with palms, ferns and chrysanthemums by the Rev. Chester Meenges of Atwood, brother of the groom, with Dr. John Van Peursem assisting.

An organ recital of wedding music was played before the ceremony by Miss Ruth Hietf, of Henry Borst sang "Because" by D'Harde, lot and "O Perfect Love" by Burleigh.

The bride, who was given away by her cousin, Don Rypma of Holland, wore her mother's wedding dress of double ivory marquisette fashioned with full embroidered collar caught in folds at the waistline. Her finger tip veil of tulle was attached to a coronet of tiny pearls. She carried a shower bouquet of white roses, sweet peas and sweet william.

Mrs. William O. Baron, the bride's only attendant, chose a gown of old gold taffeta with puffed sleeves and bouffant skirt trimmed with brown. She carried a colonial bouquet of Talisman roses.

William O. Baron attended the groom, and Jay Rolland Kapenga of Holland and Wallace G. Schilstra were ushers. Mr. and Mrs. George Meenges completed the wedding party as master and mistress of ceremonies.

Following the ceremony a reception was held for the 150 guests in the church parlors.

Mr. and Mrs. Meenges have left on a short motor trip to Indiana. For traveling the bride chose a knit dress and beige coat with brown accessories. They will be at home in Zeeland after Nov. 1.

SPECIAL TREATMENT BRINGS BLOSSOMS IN EARLY FEBRUARY

Tulips and daffodils from February to May are possible for any householder willing to spend a few minutes in the fall and during the winter. How to do the job is described by C. E. Wildon, specialist in floriculture at Michigan State college.

"All hardy Dutch bulbs are easily forced," says professor Wildon. "Florists and nurserymen now have supplies which should be planted this fall in six- or seven-inch 'three-quarter' standard pots or azalea pots.

"A fibrous well drained garden loam can be enriched with not more than one-fifth well rotted cow manure. A few stones for drainage in the bottom of the pot should be covered with soil filling half the pot. Then place the bulbs a half inch apart, using six to 10 bulbs in each pot."

These pots then are filled with soil and firmed by pressing down between the bulbs with the tips of the fingers. A small label in each pot will denote variety.

Thorough watering should be the next step. After draining, the pots should be placed in a sheltered position out of doors and watered as often as necessary. After freezing weather, the pots should be covered with two to three feet of leaves or straw.

In early February the pots can be brought in a few at a time for a succession of bloom. They should be placed in a window in the coolest part of the house. Tulips, hardy narcissi, crocus, lily of the valley and hyacinths may be treated by the same process.

HOLLAND SPEEDS WORK ON NEW WATER TANK

Constructing of the new 50,000 gallon water tank at Washington and Twenty-eighth Sts. in Holland is proceeding rapidly.

The elevated tank is mounted on 10 iron standards placed on cement piers. Each pier will weigh 485,300 pounds. The center pier, which contains an apartment for the various valves and chambers, will withstand a pressure of 1,137,000 pounds. The tank itself will be 68 feet high while the cement piers and standards will bring the total height to nearly 100 feet.

The tank is being constructed by the Chicago Bridge & Iron Works. The Frank Dyke Co. of Holland constructed the piers.

CITY RESCUE MISSION EXPLAINS ITS POSITION IN DRIVE

Because of the various inquiries as to why the City Rescue Mission of Holland was not listed under the Community Chest, the Board of Directors desire to make the following announcement, namely:—"The City Mission had already outlined its program for the year 1937 and 1938 and had partly entered upon their program, consisting of Inspiration, Evangelism and a Memorial for Miss Nellie Churchford's Home Coming and their Campaign for funds for the year 1938. They had leased their building and set their budget and plans have been made to put on a drive for funds commencing the 15th day of November.

Communication

"The Board believes that in making this announcement, the citizens of Holland, knowing the character of the Mission's work as founded by Miss Nellie Churchford and developed in the spirit of sacrifice and loving service, continued after her departure by a Board of responsible members of the same spirit, have a right to expect the same loyal response in both a Memorial and Financial support and with this in view, the Board wishes to call your attention to the fact that the City Mission is a part of the program and work accomplished during the past year and the program planned for the coming year.

"The work of the Holland City Rescue Mission during the past year has grown from month to month and has taken on new life and an increased interest. They have an average Sunday School attendance of approximately 180 and during the first nine months of this year approximately 22,000 people have attended 176 regular services; 521 visits have been made to homes, hospitals, jails, the sick and those in distress during this period, approximately 622 pieces of clothing have been given to the needy besides furniture, beds, bedding and dishes, which have been given to the Mission for that purpose. None of these have been sold but given freely and confined to Holland people and the surrounding community. Nothing, which has been sent in, has ever been sold or sent out of the city. Once each year, during Thanksgiving Day, from 200 to 300 needy children and their parents are given of which is donated by Holland people and once each year, at Christmas time, approximately the same number are given a Christmas treat and supplied with baskets.

"The Mission is not a church and has no membership but keeps up a steady Evangelistic Campaign and during the past nine months have secured such evangelists as Walter McDonald, Dr. H. Ironsides and Edward Boone and family, and the results that have been accomplished through their work is praised by local churches, from whom they receive the finest cooperation in this kind of work.

"For the coming months, arrangements have been made to have the Rev. John Lanting, formerly of Holland, conduct a series of special meetings from November 8th to November 12th; the Home Coming and Memorial Services to Nellie Churchford, founder of the Mission, on December 4, 5 and 6, which is to be followed by a week of meetings conducted by Dr. Harry Hager, pastor of Bethany Reformed church, Chicago, Illinois. Holland needs this Mission and the Board of Directors, the Superintendent and Committees realized this, which has resulted in the formation of the aforementioned program.

"The Mission is under the management of an incorporated ecclesiastical body, the members of the board being: George Schuiling, president; Wm. Arendshorst, Dick Meenges, J. A. Hoover, R. H. Muller, Nelson A. Miles directors, and George W. Trotter, Supt.; the mission is managed by a committee composed of Wm. Modders, Gerrit Barendse, John De Boer, R. H. Muller, George Schuiling, George Trotter and officers of the Sunday School, who are: H. J. Boone, Superintendent; John De Boer, Asst. Supt.; Nick Ver Hey, Secy.; Walter Kruthoff, Treas.; Gerrit Barendse, Recording Secretary."

A tour of Restlawn Memorial park on M-21, east of Holland, was held here in the morning, followed by luncheon at 1 p. m. The remainder of the time was spent in speaker sessions and handling business before the convention.

The address of welcome was given by Mayor Henry Geerlings, who also invited the delegates to visit the city's various industrial plants.

Charles Van Zyl, president of the Holland Memorial Park association, added a few words of welcome and discussed his experiences in the local field. Charles Hollowell, local salesman, spoke.

William Isner of Niles, state secretary, gave a talk on the conditions as he had found them in the state and also told of some of his experiences in the Holland area.

The principal speaker was P. B. Warr, president of the Glen Eden Lutheran Memorial park, Detroit, who chose as his topic, "Lotted to Death."

CHILDREN GO HIKING BUT CAUSE WORRY

When five-year-old Karel Mari Kleinhessel, daughter of Dr. and Mrs. J. Harvey Kleinhessel, of Waukegon, decided to walk home from Holland, accompanied by three-year-old Laverne Berkompas, East Ninth St., three hours of worry and city-wide search resulted.

The Kleinhessel girl was visiting with her grandparents, Mr. and Mrs. John S. Dykstra, 29 East 9th St. Local police, boy scouts, and finally state police undertook the search. The two children were finally found, about 6:45 p. m., Monday, about three hours after they turned up missing, by Julius Kleinhessel, uncle of the girl, and Philip Bloemers of Hope College, employee at the Dykstra Funeral home. The children were found on the highway, approximately one-half mile west of the airport, on the way to the Kleinhessel home. They had walked about four and one-half miles.

GUNS TO BE DESTROYED BY POLICE

In the future any air guns taken by police in Holland on property-destruction complaints, will be destroyed, according to word released by Police Chief Frank Van Ry. Formerly guns which were confiscated by local police were held a month but, since so many complaints of needless destruction of home and factory windows have come to police, more drastic action has proved necessary.

Confiscated shotguns and other firearms will be disposed of in the same manner, according to a current word received from Deputy Sheriff William Van Eita. Most air rifle offenders, it was pointed out, are under age, and prosecution for them would mean juvenile court trial and probation.

Hunters were urged to take more discriminate aim, since, in a farm near Holland, a shotgun charge recently broke the window of the house with a woman occupant seated close by.

A COMEDY "THE TAKE OFF" TO BE STAGED

The sophomore class of Holland high school is putting on a three-act comedy, entitled "The Take Off", Nov. 22 and 23. FORMER HOLLAND MAN TRANSFERRED TO DIFFERENT COAST GUARD STATION

Chief Boatswain's Mate, Fred Wendel, Jr., formerly of Holland, in charge of the Grand Haven U.S. coast guard station, has received orders for transfer to South Manitou Island station, effective Nov. 1.

Boatswain Harrison S. Haas, a native of South Manitou Island who has been officer in charge of that station for several years, has been transferred to Grand Haven.

Officer Wendel has been at the Grand Haven station for nearly two years. He has been starting in the service for 13 years starting at the Holland coast guard station. He followed Chief Boatswain William E. Preston who was transferred to the 10th district headquarters office. Mr. Wendel and his family, including twin girls, have made their home at Grand Haven harbor station since they came. They assisted with the entertainment of the men from the 11th and 10th districts who were there at the time of the U. S. Coast Guard water fete Aug. 3, 4, and 5, and contributed much to the happiness of the crews who went to the station on arrival to start the races from the station. They also entertained the crews from Chicago and Buffalo at the time of the surfboat rowing race between picked crews from the 9th, 10th and 11th districts.

While there have been no serious marine accidents off Grand Haven harbor since Mr. Wendel has been there he has contributed to saving life many times. His men are always in readiness to go into the lake, especially in the summer time when there are many pleasure craft coming in and out of the harbor. He has also made several rescues of men in the fishing fleet off that port.

The special committee of County supervisors which is investigating the proposal to enlarge Tunnel Park, northwest of the city, which is county-owned property, plans to meet either next Tuesday or Wednesday with the Ottawa County Board of Supervisors at Grand Haven. Tuesday afternoon the committee, together with other interested parties, met for a dinner meeting at the Warm Friend Tavern to discuss the situation. They were guests of the local Chamber of Commerce, William M. Connelly, manager, presiding. If the plan goes through, either the property on the south or the north, or both pieces will be bought from Mr. Gets, present owner.

The committee is composed of Mayor Henry Geerlings of Holland, Mayor Richard L. Cook of Grand Haven, Mayor Gerrit Yntema of Zeeland, Charles Loving of Jamestown, chairman of the board, and Henry Slaughter of Coopersville. William Brusse, Holland city supervisor; George Heneveld, Park

FACULTY MEMBER OF UNIVERSITY OF CHICAGO ADDRESSES HOLLAND WOMEN

Dr. Percy H. Boynton, English professor at the University of Chicago, addressed approximately 175 members of the Woman's Literary club Tuesday afternoon on the tendencies of the times as revealed by American literature. "Social Institutions in American Literature" was his topic, in which he constantly referred back to his theme, "The Market, the Square Deal, the New Deal, and Other Deals."

All types and forms of literature, the speaker asserted, follow the trend of social tendencies. Dr. Boynton referred to the labor sit-

uation, collective bargaining, satire in writing, and various other phases and angles of the present socio-economic set-up.

Mrs. Kenneth V. De Pree, president of the club, introduced the speaker. Miss Ruth Nibbelink presented a report at the gathering on the convention of the West Central district of the Michigan State Federation of Women's clubs, recently held in Grand Rapids.

Mary Master Needham of Grand Rapids will present next week's lecture on "The Place of the United States in World Affairs." A tea for new members will be a feature of the meeting.

Holland Chamber of Commerce announced Wednesday that much concern was being expressed over the condition of M-21 between Vriesland and Jenison. Grandville has started a movement in an effort to get the State Highway Commissioner Murray D. Van Wagoner to create a reconstruction project on the trunkline. A letter was received from J. John Pape, chairman of the good roads committee of the Roosevelt Park Boosters association, by the local Chamber of Commerce, pledging the committee's support, and stressing engineering problems connected with reconstruction.

Two thousand graduates of Hope College during the past week received the first issue of the Alumni Bulletin, mailed Tuesday. The bulletin was dedicated to the memory of the late Dr. J. B. Nykerk. The eight-page publication was compiled by the publication committee, composed of C. Vander Meulen, Willard Wichers, and Paul Brouwer all of Holland and Harold Klaasen was responsible for the art work. Greetings by Dr. Wynand Wichers, president of Hope College, and also of Mayor Henry Geerlings were included.

FORMER POND MASTER OF HOLLAND KILLED BY ACCIDENT

Jacob Kole, 66, 162 West 19th St., former dog-warden, and Joseph Schuit, 24, of Hudsonville, died Monday as a result of two different accidents.

Mr. Kole died at 8:10 p. m., at Holland hospital of double skull fracture, following his being struck by an automobile at 16th St., near the Holland Shoe Co., about 11:30 p. m. Saturday. He was unconscious until death resulted. An unsuccessful operation to relieve pressure of the fracture on the brain was carried out about 4 p. m. Monday. Coroner Gilbert Vande Water is withholding his verdict, pending a conference with Prosecutor John Dethmers. Raymond Vos, 19, son of Gerrit Vos, rural route No. 6, was driver of the car which struck Mr. Kole.

The widow, Mrs. Charlotte Kole; three sons, William Kole of Hudsonville, Dale Kole of Chicago, and Clifford Kole of Holland; four daughters, Mrs. Vern Hoover, Mrs. Herbert Dyke, Mrs. Joel St. Johns and Mrs. Willis Van Wieren, all of Holland and 17 grandchildren survive.

Private services were held Thursday from the home at 1:30 p. m., and public services were held at 2 p. m. from Nibbelink-Notcher chapel, the Rev. C. A. Stoppels officiating. Burial was in Forest Grove Cemetery.

Mr. Schuit died at 9:30 p. m., Monday, at Butterworth hospital, Grand Rapids, as a result of an accident in Grand Rapids Sunday morning. The widow, Mrs. Johanna Schuit; the parents, Mr. and Mrs. Jacob Schuit, and two sisters, Jennie and Gertrude, all of Hudsonville, survive. Burial was in Georgetown cemetery, the Rev. John De Jong of Hudsonville Protestant Reformed church, officiating.

Coroner Gilbert Vande Water, following an investigation into the death of Jacob Kole, 66, 162 West 19th St., who died as a result of injuries sustained last Saturday night in an automobile accident, Wednesday returned a verdict of accidental death. No inquest will be held. Charges have not been filed against Raymond Vos, 19, rural route No. 6, driver of the car which figured in the fatal accident.

Justin Busscher, 345 West 17th St., pleaded guilty Tuesday to a charge of passing an automobile illegally, when arraigned before Justice of Peace J. N. Clark of Zeeland. Fine of \$18.20 was assessed and paid. He was scheduled to have been tried on a reckless driving charge, but when he was called for trial, pleaded guilty to the above charge instead.

MANUFACTURERS AND BUSINESSMEN BACK COMMUNITY CHEST DRIVE

Business men, manufacturers, and merchants welcome with enthusiasm the return of the local Community Chest drive. They believe that this will put an end to the recent influx of solicitations for various charitable causes.

Hart and Cooley, through its general manager, H. S. Covell, announced the subscription of its entire sum for local charities to the Chest fund. Among other donors who are contributing generously, and who are highly enthusiastic about the plan are Howard Lillard, manager of the Warm Friend Tavern, who pledged the full support of the local institution; Dick Botter, prominent local business man; Jack Dekker, local automobile dealer, and Charles R. Sligh, Jr., president of the Charles R. Sligh Co., who asserted, "We intend to call together our employees, and explain the campaign and its purposes to them. We will urge them to give generously, although all contribution is voluntary, and there will be no pressure. At no other time during the year will anyone be allowed to solicit funds in our plant. The reaction of the men whom we have approached on this plan has been most favorable."

The Community Chest Board requests the privilege of announcing its program to the public through the medium of the local press.

At a meeting of the Board, held October 12, 1937, the following budget was adopted:

Red Cross \$3,000.00

Boy Scouts 3,000.00

Camp Fire Girls 750.00

Salvation Army 3,900.00

Civic Health Committee 1,000.00

Administration Expense 1,000.00

Contingent Emergency Fund 750.00

Total \$14,000.00

The estimates of the requirements of the various organizations included in this year's Chest Campaign have been carefully considered. Each organization included has furnished a detailed statement of expenditures of previous years and of the services rendered. They have also submitted a definite program of the work contemplated by such organizations for the ensuing year and its cost. The allotments to these various organizations were made by the Board upon the basis of those records.

Each of the above organizations has a record of social service in the past that establishes a convincing claim upon the Community for financial support.

THE SHADOW

WHICH MAKES EVERY WOMAN YEARN FOR RELIEF FROM KITCHEN DRUDGERY

The thought of growing older before your years, of becoming dull and haqqard, ... a shadow of your younger attractive self; ... that's the shadow which dogs your footsteps when you toil over an out-dated stove in a hot and stuffy kitchen. It's an ill-becoming shadow, made all the more distressing by the discomfort of the drudgery of cooking, cleaning, working in a kitchen that gives one that wilted "kitchen look."

Switch to Electric Cooking — AND WATCH THE SHADOW DISAPPEAR

Cast that shadow aside, stay fresh and unfatigued... let electricity do your cooking. Let it give you a clean, cool kitchen; ... a place of comfort and pure, fresh air. Let it cut your work to a minimum; ... giving you time for enjoying a fuller life. Let it cook your food, ... easier, tastier, healthier. And without let it save you money! Electricity is cheap; ... there is no sensible reason for not enjoying its advantages.

SUNDAY SCHOOL LESSON

October 31, 1937
The Moral Issue in the Drink Problem—Galatians 5:16-24

Henry Geerlings

The fundamental principle of the Christian man; but it is a liberty which binds and controls him absolutely. In writing this letter to the Galatians, he was addressing a group of congregations which was composed of people especially dear to him. It was among those people he with Barnabas had labored for considerable time during the first missionary journey. With Silas he had covered the same district on his second missionary journey. They were therefore his first love and held in special affection because of his continued effort in their behalf. What he says by way of admonition must therefore be considered as the earnest words of one who, like a father, loves these, his spiritual children.

Paul declares that Christians are no longer under the law but under liberty. The word is a big word. It means much but often is misinterpreted. Some people think liberty means that a man can do anything he pleases. This is not true. Liberty is not the absence of obedience but it is the greatest obedience. The American who enjoys the largest liberty is the one who obeys the laws of the land. The highest liberty a man can enjoy is the liberty to restrain his own desires and curb his own self-will.

Liberty does not only consist in obeying the laws of the land but in obedience to the laws of health and life. The man who over eats or over drinks is violating the law of liberty. No man can put poisonous alcoholic drinks into his system and claim that he is thereby using his liberty. Alcohol has been found to be a poison and it is just as wrong to poison the body with alcohol as to destroy it with a more deadly drug. The use of alcoholic drinks except for medicinal or sacramental purposes is a violation of the law of the land or the law of liberty.

The highest standard of all morality is the morality which is the result of a man's free choice. He who is merely restrained from doing that which is wrong or harmful by some fear is at heart guilty of the sin. To the man who knows the right and loves it, the law has no attractions. He could not be enticed to indulge. The idea is repellent. We can readily see that the liberty to choose between two acts or two courses confers upon the individual the high privilege of restraining his personal desires. This is true in every form of indulgence.

Now the greatest thing in our lives is not personal liberty, but personal love. The question is not what have I a right to do; but what does love demand of me. We are to love our neighbors as ourselves and should do nothing of ourselves which by any chance may work harm to our neighbor. "My liberty leaves off where the rights of another begin," said Victor Hugo. No man can claim that his liberty extends to that which injures or harms his fellow man. No human being is free from the operation of the law of God that makes men interdependent. "No man liveth to himself." To try to do so is to fly in the face of all God's teachings and of Christ's example. Selfishness is a sin so heinous that God and man cry out against it.

The man who sees his fellow man in physical danger and is in a position to aid, if he fails to do so, is condemned in the public mind and in some instances is held guilty before a bar of justice of a crime. This being true concerning the physical safety of a fellow-man, how much more it should be concerning his moral and spiritual well-being.
