BIG PARADE ON HALLOWEEN IS ARRANGED HERE

Expect Several Thousand Children Will March, Attend Party

Full Program Scheduled at Annual Event in Riverview

Halloween observance in Holland Friday night will be city-wide as more than 3,400 youngsters are expected to turn out for the big parade in the downtown district and the party which will follow at Riverview park.

This is the fourth annual party for local children to be held by the Holland Junior Chamber of Commerce and the committee in charge of this year's event which is headed by John Van Dyke and Frank Bolhuis, Jr., was engaged today in making final arrangements for Friday night's party.

The program will get under way at 6 p.m. Friday when all children will report on West Eighth St. between River and Maple Aves. to line up for the parade through the downtown business district. At 6:15 p.m., the preliminary judging will be done as the costumed children line up for the parade.

The parade at 6:30 p.m. will move east on Eighth St. to Columbia Ave., then north on Columbia to the entrance of Riverview park where the program will be given.

The committee is asking children to join their school groups in the parade which forms as follows:

Holland high school band on Eighth St., west of the police headquarters and No. 1 fire engine house; Lincoln school, behind high school band; Washington school on Eighth St. in front of the Eaton building; Froebel school, on Eighth St., east of Pine Ave.; clowns on Eighth St., west of Pine Ave.; Beechwood school, behind the clowns. Other schools will form in the following order on Eighth St. between Pine and Maple Aves.: St. Francis de Sales, American Legion band, Federal school, Van Raalte, Longfellow, East Junior and Junior high schools.

Signs will be posted to indicate the location of each school group in the parade. Jaycee members who will be in charge of the various school groups follow: Lincoln school, George Copeland; Washington school, Herman Vander Leek; Froebel, Harold Yonker; Beechwood, Phil Van Hartesveldt; St. Francis de Sales, Art Smith; Federal, Leroy Naber; Van Raalte, George Heeringa; Longfellow, William Meengs; East Junior high school, Steve Waskerwitz; and Junior high school, Bob Gordon.

Only children above the third grade will be considered in the costume contest. Children are urged by the committee to be on time for the parade and parents are invited to witness the parade as it moves through the downtown district.

To be eligible for prizes to be awarded in the costume contest, costumed children must join their school group on West Eighth St. before 6:15 p.m. As the weather may be cool Friday night, parents are requested to see that their children are dressed warmly.

The program at the park will start at approximately 7 p.m. when the Holland high school band will appear on the field for a 15-minute program under direction of Eugene F. Heeter.

Roy E. Young and Leonard (Pee-nie) Dailey, local entertainers, assisted by Wallace (Sunny) Kuite, Preston Brown, Herbert Bodreau, Rex Young and Henry Heeringa as additional clowns will provide entertainment.

Parents are urged to see that their children leave soap and wax at home. The merchants and parents have cooperated with the J. C. C. to make this party a success through their contributions to the chain-of-dimes drive and the children can show their appreciation by refraining from soaping windows and damaging property, Mr. Van Dyke said today.

In the event the weather will not permit the staging of the party, it will be postponed until Monday night. If the party is to be postponed, it will be announced by blowing the fire whistle at 5:30 p.m. sharp. This will be the new whistle and not the old mocking bird whistle.

Melvin Van Tatenhove, president of the Holland Jaycees, announced today that Arthur C. Cahow of Muskegon, state vice-president, will be present Friday night to present the various awards.

Grand Haven, Oct. 30 (Special).—The Grand Haven fire department was called at 12:20 a.m. Oct. 28 as a car driven by Ceb Wesolowski of Chicago backed into and knocked down a street light, punching a hole in the gasoline tank of the car and causing sparks from the broken light wiring to ignite the gasoline.

The driver had just had the tank filled at a station at Washington and Seventh Sts. No one was injured. The car was not badly damaged.

ARCHERS NEAR DEER SEASON

All Allegan County Will Be Open Saturday for Arrow Hunt

Lansing, Oct. 30.—All Allegan county will be thrown open to Michigan archers Saturday morning for the 14-day bow-and-arrow deer season in which killing of both bucks and does will be legal, state conservation officials announced Tuesday.

It was indicated that many persons believe only 20,000 acres in the middle of the county will be open. However, state game men emphasize archers may hunt anywhere in Allegan county where they can obtain permission from land-owners.

The special firearm season on does, which will get under way Dec. 1, will be limited to some 20,000 acres.

Both archers and hunters using firearms in Allegan's two seasons must check in and out any deer they take. Archers will be required to check in and report kills at the Swan creek reserve headquarters. Firearm hunters in the special doe season later will check in and out at Dunningville.

TWO ARE HELD FOR ROBBERIES

Man and Girl of Ottawa Said to Admit Series of Entries

Grand Haven, Oct. 30 (Special).—Leroy Francis, 27, and Mrs. Dorothy Westley, 20, both of route 1, Grand Haven, arraigned Monday before Justice George V. Hoffer on charges of breaking and entering in the daytime, waived examination and were bound over to circuit court to appear Saturday morning.

Charged with breaking into the home of Mrs. Anna Tripp of Robinson township Oct. 22, they told Sheriff William Beeve they also had entered three cottages, those of Fannie Wyma and George Robinson in Port Sheldon township and William Fant in Grand Haven township, in which they took blankets, rugs, fishing and hunting equipment, pillows, etc., part of which was sold and some given away.

They also admitted stealing a bicycle on a Holland street about a month ago. The couple was arrested at the southern limits of Grand Haven while parked in a truck.

Officers had been advised where the loot was sold and given away and are confident that the stolen goods, valued at approximately \$300, will be recovered.

Mrs. Westley is the former Dorothy Molengraaf of Holland and resided on East Fifth St. Anno Slaughter, 26, of Grand Rapids, was fined \$15 and costs of \$6.85 or 20 days in the county jail by Justice Hoffer on Monday on a charge of Conservation Officer Forrest Lavy that on Oct. 19 in Georgetown township he refused to show his hunting license to the owner of the property on which he was hunting. Slaughter is arranging to pay the \$21.85.

PUMPER TRUCK TO ARRIVE SATURDAY

The new pumper truck for the Holland fire department is expected to arrive here sometime Saturday from the Columbus, O., plant of the Seagraves Corp.

Larry Davis, mechanic for the company, arrived in Holland late Wednesday. He and Joe Ten Brink, one of the drivers at the No. 1 engine house, left late in the evening for Columbus, O., to drive the new pumper truck through to Holland.

Purchase of the new 1,000 gallon pumper was approved by common council at its April 16 meeting. The contract called for its delivery within 90 days but due to the national defense program completion and delivery of the truck was delayed.

Because of the inability of the company to obtain an end loading freight car to ship the truck by railroad to Holland, it was decided to drive the vehicle through.

Rev. and Mrs. E. H. Smith and Children

The Rev. and Mrs. E. H. Smith, African missionaries, who are shown here with their children, Alys Jean, 6, and Paul Edgar, 3, are en route to New York and expect to sail the latter part of the week for Africa aboard the S.S. West Hamshaw, an American boat which will sail directly to Africa.

When the Smiths departed from Holland a few days ago, they were uncertain concerning their passage, but subsequent telegrams received here have assured relatives and friends that passports and passage have been secured.

The children will remain with their maternal grandparents, Mr. and Mrs. John Breen, 245 West 15th St., while their parents reengage in mission work at the Lupine mission in Nigeria supported by Ninth Street Christian Reformed church of this city. It was two years ago that the Christian

Reformed denomination opened a field in Africa and a short time ago the local church took action to support the Smiths.

Mrs. Smith, the former Nell Breen, has been a missionary in Africa for the past 11 years. She was married to Mr. Smith more than seven years ago. Their daughter was born in England but their son was born in Africa.

Mr. Smith, a native Britain, was ordained into the ministry at a service in Ninth Street Christian Reformed church on Oct. 7 and now returns to the African mission as an ordained minister for the first time. The present furlough was his second visit to America. A farewell reception for the couple was held Oct. 10 in Ninth St. church of which Mrs. Smith has always been a member.

JACKSON TERM IS DECREED FOR HOLLAND YOUTH

Raterink Is Sentenced to Serve From Five to Fifteen Years

Local Man Is Placed on Probation on Drunk Driving Count

Grand Haven, Oct. 30 (Special).—Bernard George Raterink, 20, 9 West Ninth St., Holland, who was found guilty last Oct. 17 by an Ottawa circuit court jury of taking indecent liberties with a five-year-old Holland girl, was sentenced to serve from five to 15 years in Southern Michigan prison at Jackson Saturday by Judge Fred T. Miles.

The court recommended that Raterink remain in prison for at least two years and longer until prison officials are satisfied that Raterink is "a safe man to be released."

Raterink was arraigned in court on supplemental information charging him with being a second offender. The information alleged that the youth was convicted in Ottawa circuit court Nov. 21, 1938, of a charge of larceny from an office and on Nov. 26, 1938, he was sentenced to serve from three to four years at Jackson.

This larceny charge alleged he took \$2 on Nov. 12 from a milk bottle used by the Holland Lions club to accept contributions for its blind fund. Earlier in 1938 he was arrested for taking indecent liberties with a four-year-old girl.

Frank Williams, 28, 151 East 16th St., Holland, pleaded guilty to a charge of driving an automobile while intoxicated, second offense. Judge Miles released Williams on his own recognizance and permitted him to go home with his wife and family.

The court ordered Williams to report to the probation officer twice a month and he warned the Holland man that if the court hears of his drinking again he will be brought into court for immediate sentencing.

Williams was arrested on North River Ave. in Holland Oct. 17 by Holland police. He was convicted of the first offense May 29, 1936, in court of former Justice of Peace John Galien.

FAMILY TANGLE IS SOLVED IN LOCATING ANOTHER BROTHER

Mrs. Elmer De Boer, 164 East 10th St., who has been having an exciting time this year meeting long-lost brothers, is anticipating the climactic touch when she will meet the fourth and last member of family which was separated when the children were very young.

News of the third brother, Dick Droste, was received this morning in a letter from Dr. De Boer from Probate Judge Cora Vande Water of Grand Haven who was responsible last spring for the meeting of Mrs. De Boer and her twin brother, John A. Simmons of Battle Creek.

The judge's letter read in part: "I finally located your brother Dick. His address is 1115 Hudson, Detroit. He would like to meet you, but at the present time it is impossible for him to leave his work." She suggested that Mrs. De Boer write the "new" brother and make plans for a visit.

Mrs. De Boer said she would phone her brother in Battle Creek tonight to tell him the news and that they would probably go to Detroit for a visit within a short time.

The twins who were 28 years old on the Fourth of July met for the first time in more than 25 years one Sunday last April. At that time Mrs. De Boer, the former Dorothy Dekker, told her brother of a third member, Fred Smith, whom she had not seen or heard of for three years.

Just a few weeks ago on Oct. 5 Fred stopped off in Holland en route from Fort Monmouth, N. J., to Camp Monterey, Calif., and the three had their first real gabfest. At that time they speculated on the third brother, Fred, who was a corporal in the U. S. army, was released from service about two weeks after he returned to California. He plans to remain in California for the winter.

To Miss His 'Big Family' When He Ends Service on Saturday

Thirty years of service as a mail carrier in Holland will end Saturday, Nov. 1, for Cornelius (Neil) Sandy, 143 Central Ave., when his retirement becomes effective.

Mr. Sandy entered the postal service with the Holland post office on Dec. 16, 1910, and has been a carrier ever since that date. He has carried mail on his present route since May, 1912, the route including that portion of Holland north of Eighth St. and between Pine and Lincoln Aves.

The retiring mail carrier estimates that he walks about 13 miles each day or a total of about 3,900 miles per year. In the 30 years he has carried mail, Mr. Sandy estimates he has covered approximately 117,000 miles or more than four times the distance around the earth, figured at 25,000 miles.

"But mail carrying hasn't been the same for the past 10 years. People don't confide in their mail carriers as they did in years gone by. It used to be that some persons asked the mail carrier's advice on various problems and we had to supply all kinds of information, to others," he said.

Mr. Sandy sometimes regrets that he is retiring because he has considered those on his route "as one big family," and he feels that he will be losing some of his close friends because he won't be able to keep in contact with them.

"Years ago, I used to know all the children on my route by their first names. I could even call their dogs and other pets by name. But today, these children have grown up and many now have children of their own."

Mr. Sandy recalls the time when one woman on his route summoned him into her home one day and asked him to call a doctor as she was having a baby. On other occasions, Mr. Sandy sold insurance as a sideline and those on his route had such confidence in him that on one trip around his route he sold 23 policies.

Mr. Sandy has no plans for the future except that he might go to Florida this winter. He has been there in past years. But after 30 years of carrying mail in Holland, he feels that he is entitled to an indefinite vacation.

Mr. Sandy was born in Muskegon Oct. 28, 1882, to Mr. and Mrs. Charles Sandy. He came to Holland with his parents when he was 11 years old and attended school in this city.

His birthday last Thursday was marked with a small family gathering which was attended by his married daughter and her husband who live in Grand Rapids. A son who is a doctor in Flint was unable to be present with his family.

Incidentally, today is Mr. and Mrs. Sandy's 37th wedding anniversary. They were married in Holland Oct. 30, 1904. Mrs. Sandy being the former Miss Lena Exo.

They have one son, Dr. Kenneth R. Sandy of Flint, one daughter, Mrs. Eleanor Emaus of Grand Rapids, and two grandchildren.

Mr. Sandy is a member of the Methodist church and of the local unit of the Metropolitan club.

Nearly Nine Thousand Is Reported at Meeting of Workers

Hopes That Goal Will Be Reached Friday Are Maintained

Campaign workers present at today's noon luncheon in the Woman's Literary club building reported they had obtained \$8,747.34 in cash or pledges towards the \$16,000 goal of the 1941 Community chest campaign.

This amounts to 54.7 per cent of the goal which the workers will strive to reach by Friday noon when it is hoped a victory luncheon will be held at the Literary club.

Amounts and percentages of goals of the various divisions of the campaign, as reported today noon follow:

Individual gifts, \$1,440.70 or 63.3 per cent; special gifts, \$2,335.50 or 69.4 per cent; national corporations, \$1,089 or 51.4 per cent; industries and employees, \$2,619.25 or 36.9 per cent; public employees, \$476.47 or 119 per cent; schools and colleges, \$622.92 or 83 per cent; suburban, \$163.50 or 13.7 per cent.

Campaign workers reported they had received practically no rejections. They said contributors were giving as much as last year and in many instances they were increasing their donations as their incomes are greater now and world conditions have made them appreciative of benefits this country offers.

C. Neal Steketee, campaign chairman, urged all workers to be present Friday noon with complete reports. If the goal is reached by Friday noon, it will be the first time in the chest's history that a victory luncheon will have been held on a Friday of the campaign week.

The "huddle bucket" was passed among the chest workers at today's luncheon and more than a sufficient amount of money was gained to pay for the meal. The campaign workers pay for their own meals to keep down administrative costs.

All Community Chest workers are out to raise the balance needed to put the Community chest campaign over the top by the time of their Friday noon victory luncheon at the Woman's Literary club.

"All that is necessary to do this," Mr. Steketee said today, "is for each worker to see that every individual person whose card he has is contacted. A complete listing of the pledge cards in the workers' hands is at the Chest office and is being checked off as fast as the cards are turned in and we cannot stop until all pledge cards are returned and our goal is reached."

"We have a definite responsibility to the chest agencies who are depending on us for their support. In every case all teams which have completed their entire list have gone over the top and received their 100 per cent buttons. Very few turn-downs are being reported," and in many cases previous year's pledges are being increased.

Anyone who has not been contacted and wishes to donate to the chest may send his subscription by mail to the Community chest headquarters in the former Holland City State bank building, at Eighth St. and River Ave. or call phone 9212.

Chamber of Commerce Offers Social Calendar

The Chamber of Commerce is again offering its services to the various organizations of the city who give entertainments during the winter, through a calendar of events so that there will be no conflicting dates.

If churches, lodges, clubs or any other organization or group who may sponsor any festivity they expect the public to patronize will register their events at the office of the chamber, it will avoid the scheduling of more than one such activity on the same date. When considering a date for any event, contact the chamber and find out if there is any other entertainment going on at the time.

Artist Shows Pictures to Men of Hope Church

Lane K. Newberry, American artist, addressed approximately 80 members of the Hope church Men's club at their dinner-meeting in the church parlors Wednesday night. Cornelius Vander Meulen, club president, was in charge of the meeting.

Combining history with art, Mr. Newberry told the story of the Mormon trek from Illinois to Salt Lake City, displaying his paintings on a special easel with unique lighting effects. These pictures were painted a few years ago as the artist followed the Old Mormon trail and put on canvas what he imagined happened at important spots along the way.

COMPARES CITY, RURAL SCHOOLS IN THIS COUNTY

Vande Bunte Says Urban Systems Spend Twice Country Total

Grand Haven, Oct. 30 (Special)—In his annual report for the fiscal year 1940-41, to the board of supervisors, D. H. Vande Bunte, county school commissioner, revealed that a total of 5,208 boys and girls were attending rural public schools at the close of the past school year, 1940-41, in comparison with 2,976 boys and girls being trained in the city elementary schools of the county.

This county registration was divided as follows: Kindergarten, 587; first grade, 540; second, 579; third, 565; fourth, 606; fifth, 566; sixth, 547; seventh, 629; eighth, 589. Six hundred and 56 students were enrolled in rural high schools including 207 in the ninth grade, 195 in the 10th grade, 135 in the 11th grade and 106 in the 12th grade.

Corresponding figures for the county's three cities, Holland, Zeeland and Grand Haven, he reported, are as follows: Kindergarten, 308; first, 366; second, 314; third, 267; fourth, 396; fifth, 350; sixth, 299; seventh, 363; eighth, 313.

In the high school grades in the three cities there are 2,091 students, including 552 in the ninth grade, 540 in the 10th grade, 509 in the 11th grade and 490 in the 12th grade.

Mr. Vande Bunte reported that of this high school population 724 are non-resident students or boys and girls from the rural areas.

In the county, there are 85 one-teacher schools, 22 two-teacher schools, 10 three and four-teacher schools and four village schools. These employ 213 teachers under the direction of 435 school officers.

The school commissioner reported that the three cities employed 217 teachers under direction of 22 school officers. Total salaries paid the 213 rural teachers was \$204,505.28 or each approximately \$960 per year while the 217 city teachers received \$342,391.77 or each approximately \$1,577 per year.

Salaries of the three superintendents totaled \$13,250 or an average of \$4,417 per year. The salary paid the county superintendent or commissioner was \$2,000.

Mr. Vande Bunte's report shows that total receipts from all sources, including cash on hand but not including debt service, for the rural schools totaled \$427,560.10 and the total operating expenses were \$320,244.01. Total receipts for the city systems amounted to \$657,905.56 while total operating expenditures were \$538,247.92.

"You will notice that our urban friends spend approximately twice as much for the education of their children as do our rural people," he said.

Mr. Vande Bunte pointed out that the majority of residents in cities were willing to meet educational expenses and that it was the duty of county residents to maintain and improve the school standards in the rural sections.

"The serve these hundreds of boys and girls is our task. It requires the cooperation of every one of the teachers, school officers and parents. Thus any program of activities which will be adequate must include all these."

Mr. Vande Bunte explained how the teachers are aided through four rural teachers' clubs in the county, the benefits of the teachers' institute, accomplishments at several study groups, and advantages of the college extension classes. For school officers, a series of meetings was held in the townships and for parents and lay groups, information was supplied through P. T. A. groups, service clubs, grange meetings, etc.

To bring the work of rural schools before the public, window displays were arranged in Holland, Zeeland, Grand Haven and Coopersville in which each school presented a bird's eye view of its activities.

Activities of the school commissioner consisted of arranging these various functions, addressing various groups, serving on a special committee appointed by Dr. Eugene Elliott to study rural school problems, providing guidance to boys and girls who were reported as truants, judging of contests, issuing work permits to minors, checking census reports, reviewing and examining the annual financial and statistical reports, office conferences with boards, teachers and disgruntled mothers, writing a monthly bulletin, working with the allocation board and serving on various committees.

In his report, Mr. Vande Bunte listed eight needs of the rural schools as follows: (1) we must strive for a greater uniformity of textbooks throughout the county; (2) we are still hoping for the time when music and art may be made available for rural school children; (3) we must study the problem of transportation and provide equal opportunities for each child; (4) there is a need for parent education; (5) there is need for a county school library which will make available to the schools adequate reading materials; (6) there is need for more supervision and assistance than even one helping teacher and the commissioner can give; (7) there is need for an adequate program for the sub-normal group, crippled boys and girls and handicapped children; (8) the matter of providing adequate office space and facilities should be given careful attention.

At 'Kickoff' Dinner Where Chest Workers Formed Final Plans for Drive

"Today, more than ever before must we provide for our education for our boys and girls which will fit them to combat the evils which are threatening our democracy. We must provide them with more than the 3 R's—the horse and buggy days were good as long as they lasted but they have outgrown their effectiveness and so it is in our educational planning."

Y Groups Hear Talks on China

China and the Far East was the subject for both the YM and the YWCA meetings in Hope Memorial chapel Tuesday night as Dr. Albertus Pieters addressed members of the college YM and Miss Tena Holkeboer spoke of her experiences in China before YW meetings.

The versatile Dr. Pieters, missionary, author, teacher and minister, related his missionary experience and told of his part in a conspiracy trial in Korea when 23 Korean Christians were arrested as conspirators against the Japanese governor-general. A total of 106 of this group were convicted on false charges and 20 missionaries also were indicted. Dr. Pieters became a special news correspondent for an English language Japanese newspaper so that he could get on the inside of the trial.

He was more prominently a check-up interpreter for the missionary bodies. It took over a year for the trial finally to be culminated in favor of the missionaries and native Christians. Dr. Pieters also philosophized humorously on the missionary career, told how Korea came to be Japanese and why China's navy was negligible at the beginning of the present war.

A song service at the meeting was led by Arthur Johnson with John Muller as pianist. Elmer Van Edmond conducted devotions.

Miss Holkeboer, opening her talk with reminiscences of her own YW days at Hope college, brought out many interesting facts about the country and people of China, the missionary work there and the interesting Chinese women she has known. She told of China's greatness not only in population but also in area and of her ancient historical records which date back more than 4,000 years. "The Chinese are a worthwhile people who have a keen intellect and high ethical standards and ideals," she said.

Speaking of the great advances made in Chinese education during the last 70 years, she told of her own work in the school for girls at Amoy, and of its impressive white Christmas services and successful graduates. "Madame Chiang Kai Shek, wife of the great Chinese leader, is in the opinion of many, one of the greatest women in the world today," said Miss Holkeboer as she told of this woman's courage and her great love for her country. At one time she helped her husband by controlling the Chinese air force when no other capable person was available.

In conclusion, Miss Holkeboer told of the need for more workers to carry on in China and challenged her audience to present themselves as a "living sacrifice" to Christ. Winifred Rameau led devotions and conducted a song service. The speaker was introduced by Ann De Young. Special music was a vocal solo "Were You There?" sung by Betty Mulder accompanied by Ruth Van Bronckhorst.

Businesses Gain Despite Instability, Rotary Is Told

Investment Banker Says Fear of Future Should Be Eliminated

Paul I. Moreland, investment banker of Detroit, spoke to the Holland Rotary club in the Warm Friend tavern last Thursday on "the problems that confront the investor today."

Acting as program chairman in the absence of the club president, Dick Miles, introduced Mr. Moreland who stressed the fact that today's unstable business conditions were direct results of the war situation.

"However," he continued, "there are a few simple suggestions that can be offered pertaining to the problem of the investor as regards his outlook upon and participation in today's securities system. He must always remain as hardheaded as possible, within reason; he must keep both feet on the ground and not be subject to fear-mania, but always remember to look at things in a cold, business-like manner. If a man follows these suggestions faithfully and employs a program of diversified investment, it is quite certain that he won't be overly susceptible to difficult situations that come through faulty and careless moves."

Two guests were introduced to the club, Edwin R. Hondelink of Holland and Leon M. Kelhofer of Muskegon.

"The increasing timidity of the average investor," he continued, "can be accredited to a sort of fear psychology that comes through the medium of sensational newspaper statements. We have it now but not to such an extent as should cause undue worry or intimidation. Actually we have always had it. In 1940 we held a pessimistic outlook for 1941. Now in 1941 many are assuming that same pessimism towards 1942. This should and could, at least partially, be eliminated."

He mentioned another aspect facing the present-day investor, the old question of inflation. "It is appropriately interpreted," asserted Mr. Moreland, "by Dr. Edward Kimmer, the renowned 'money doctor of the world' who received universal acclaim for his work in the twenties of stabilizing the economic and industrial systems of various foreign countries. Dr. Kimmer's explanation says, in effect, that inflation occurs when there is too much money in a country in relation to the volume of goods being bought and sold."

"We have such potentialities in our country today, and inflation itself is actually beginning to appear. The question is, will the government control it and, if they will, can they?" In answering this question, it is safe only to say that inflation can be limited, probably somewhere just beneath the 100 per cent mark."

Erika Mann Has Latest News of Fifth Column

For the third successive year Erika Mann, who speaks here Nov. 13 in Hope Memorial chapel under the auspices of the Holland branch, American Association of University Women, returned to England during the summer for first-hand observation of war effort and war's effects.

In Europe at the outbreak of the war, she visited England in the summer of 1940 and was in London for the opening months of the aerial blitz against the British capital. Upon her return the daughter of Thomas Mann told reporters that she had observed little hatred of the Nazi war machine and a widespread different attitude towards the entire war effort. All this has changed, she pointed out in her first newspaper dispatch from England in the summer of 1941, remarking the stiffened and determined spirit of the British people to pay off the Nazis in their own coin and to win through to military victory.

She served as correspondent for a number of American and Canadian magazines and newspapers this summer. In pre-Hitler Germany Miss Mann had studied for the stage under Max Reinhardt and while very young had appeared in various stage productions in Berlin, Munich, Hamburg, Dresden and other large cities. She wrote children's and travel books and also wrote, produced and acted in a satirical revue, "The Pepper Mill" which has had more than a thousand performances in various countries.

When Hitler came into power the Mann family was vacationing in Switzerland and never returned to Germany, although Erika did slip across the border in peasant disguise to rescue an important manuscript for her father. Since then she has spent long months in various parts of Europe, while making her home in the United States and completing citizenship requirements.

She was in Czechoslovakia during the Munich "crisis," visited Republican Spain when that nation was permitted to fall into Axis hands because of the so-called non-intervention policy, and lived in France and other nations of western Europe just before their plunge into war.

Miss Mann is the author of several books, much of her recent writing dealing with the pathetic and authentic stories of middle class Germans who refused to oppose Hitler's rise to power and yet were swept into discard by the Nazi machine after its triumph. Her subject here will be "The Fifth Column in Seven Countries."

HOLLAND CHEST DRIVE TO BRING BENEFIT TO ALL

Represents United Action for Common Good, Says Stokete

With Holland's Community chest drive to raise \$16,000 in full swing today, Campaign Chairman C. Neal Stokete emphasized that the chest represents united action for the common good of all.

"America today is combating all subversive forces that seek to undermine the traditions of democracy by which we live," he said. "The traditions which have made Holland with all America a blessed place in which to live and work have protected our homes and insured our liberties. Today more than at any other time in American history, there is a desperate need for unity, for a sense of individual and civic responsibility looking toward the protection and advancement of these traditions."

"There is no more certain or sounder way to dissipate and ridicule subversive trends than through united action for the common good, and one of the forces in this city which united all for the sole purpose of making this a better place in which to live is your Community chest."

"The chest is an American institution founded on the principle of voluntary participation, built for efficiency and economy, directed and guided by a voluntary board. Its function is to raise, collect and administer funds to finance operations of ten separate agencies."

"In this era of tense anxiety the chest member agencies deserve your consideration as a force for defense. They are working constantly to prevent delinquency, dependency, disease and despair and to build self-reliance in our neighbors of all ages."

"The preventive work accomplished today by chest agencies will tend to lower the tax bill. The cost of treating health problems in chest clinics is minor compared with the cost of hospitalization. The cost of maintaining group work, youth opportunity and leisure time activities in chest agencies is very small compared to the cost of delinquency."

"The chest has often been likened to a family. That likeness is a good one in it exemplifies family life at its best, coordinated and generous for the common good."

"Everyone in Holland benefits from Community chest agency services. The records of all agencies in the chest enable them to report annually the number of individuals served."

"Your contribution to the Community chest is truly a humanitarian gesture, economical and efficient, of the people, by the people and for the people."

REPORT LISTS COUNTY FUNDS

Grand Haven, Oct. 30 (Special) — Prior to adjournment last week of the October session of the board of supervisors, Fred H. Den Herder, county treasurer, submitted a report to the supervisors in which he revealed that the county treasurer's account for the month ending Sept. 30, 1941, totaled \$426,841.82.

Disbursement orders amounted to \$1,232,219.89 for a grand total of \$1,659,061.71.

Of the funds on hand, \$25,000 were on deposit in each of the commercial accounts in the Peoples State bank and Holland State bank, Holland, \$731.82 in the impounded county road fund of Peoples State bank, Holland, and \$50,000 in each of the time deposits of the two Holland banks.

The largest amount of the funds on hand was credited to the general fund, this amounting to \$221,660.74.

Mr. Den Herder also reported that \$2,404.50 is due the county from Park township as the unpaid balance of the T. B. patient fund for the fiscal year Oct. 1, 1940, through Sept. 30, 1941.

During the year Crockery township paid \$257 to erase its unpaid balance and Park township paid \$100 towards its account.

Mr. Den Herder reported all accounts are now paid in full except that of Park township which represents the amount due prior to Oct. 1, 1936. Since that date the county has assumed the obligations in compliance with a resolution adopted by the supervisors April 26, 1937.

The ledger account of the T. B. patient fund shows that its balance as of Oct. 1, 1940, was \$7,058.50 and that \$357 was paid in by units during the year to provide a ledger balance of \$7,415.50 as of Sept. 30, 1941.

More than 600 cows are listed in the organization. Any dairyman within 25 miles of Zeeland may join the association which owns selected Holstein, Guernsey and Jersey bulls.

L. R. Arnold, agricultural agent, states that this association was the second established in Michigan and should do much to raise the standard of dairy cattle in Ottawa farms.

TROOPS STAGE HONOR COURT

A beautifully staged Indian ceremony presented by troop 6 was the feature of the district court of honor held at troop 6 headquarters in First Reformed church, Monday night.

A number of senior scouts, together with the scoutmaster and assistants, all arrayed in elaborate Indian head dresses and other finery designed by themselves, entered the council ring to the slow beat of a tom tom. The council ring was surrounded by trees, Indian tepees and displays of archery equipment and Indian handicraft which gave the whole an authentic cast.

John Van Eerden of troop 7's committee and Howard Topp, accompanied by John Mooi, led the group in singing.

F. H. Benjamin received the five-year training award from John Van Tatenhove, member of troop 6's committee and the executive board of the council. He was also presented with a commission as a field commissioner by the scout executive, Mr. Benjamin, who instructed troop 6 in the making of the Indian head dresses and other adornments, will be available for teaching Indian lore and other handicraft to troops of the area.

New scouts welcomed at the court of honor included LeRoy Sybesma, Robert Van Dyke, Robert Feikema, Donald Harling and Roger Horn of troop 6 and Earl Nienhuis, John Macqueen, Alvin Wassink and Roger Kemper of troop 7. These were presented by Scoutmasters Elmore Van Lente and Albert Walters to boys of their own troop.

GUEST CAMERA CLUB WINS FIRST HONORS

Members of the Allegan Camera club and the Holland Camera club compared their photographic ability in a "landscape" competition Monday night at East Junior high school.

Top honors went to D. E. Alcock of the Allegan club with his "Winter's Blanket." Other places went to Holland club members, with Nelson Plagenhoef's "Nature's Mirror" taking second, Albert Bradford's "Time for Thinking" winning third and Clyde H. Geertling's "Shore Line" rating fourth position.

The meeting was concluded with the serving of cider and doughnuts. A committee composed of Mr. Bradford, Ernest F. Penna and Jarvin Klemme of Holland arranged the special affair. The Allegan club entertained the Holland group last summer.

Harrington School PTA Hears Prosecutor Fant

An appreciative audience met at the Harrington school Tuesday evening for the first regular PTA meeting of the school year. The invocation was offered by the Rev. F. J. Van Dyk and Miss Lorraine Nyland played a piano solo, "Melody of Love." Frank Essenberg of the Holland high school gave an informative and inspiring talk on the local Community Chest drive which was followed by a piano duet, "Flight of the Witches" by Russell with Miss Fruena Douwstra and Miss Nyland at the key board.

The guest speaker of the evening was the Ottawa County prosecuting attorney, Howard Fant, who gave an extremely interesting talk on "Juvenile Delinquency." He began by pointing out in a lucid way the difference in legal procedure with reference to those charged with misdemeanor and felonies above and below the ages of 17 years. He also read from the statute book of the laws of Michigan the legal definition of a juvenile delinquent and showed that it included a very broad scope of undesirable conduct. He brought this remarkable talk to a close by stressing the idea that the chief aim of the court was not revenge and retribution but rather reform and rehabilitation.

In the absence of the secretary, Mrs. H. W. Helmink, who is ill, Mrs. M. E. Stickle, the treasurer, read both her report and that of the secretary. More than 700 quarts of vegetables and fruits have been canned for the hot lunch project and a substantial sum is in the treasury assuring the continuance of the project for the coming weeks in spite of the fact that the surplus supplies are not as plentiful as they were last spring.

Mrs. Carl Van Raalte was named president in the place of Mrs. B. J. Paschal whose resignation was accepted because she and her family have moved out of the community. Miss Eunice Scholten was elected secretary to succeed Mrs. H. W. Helmink, who resigned because of illness. Albert Brinkman continues as vice president and Mrs. M. E. Stickle as treasurer.

Lunch was served in the school dining room with Mrs. Ben Nyland, Mrs. Walter Winstrom, Mrs. Harold Driscoll and Mrs. William Schurman as the hostesses.

The November meeting will be held in the afternoon in the form of a mothers tea.

Washington PTA Has Successful Meeting

More than two hundred members of the Washington Parent-Teachers association attended the first regularly scheduled meeting of the year Tuesday night in the school. As a feature of the program, the Rev. Marion de Velder, pastor of Hope Reformed church, reviewed several chapters of Dr. Bert I. Beverly's book, "In Defense of Children."

In his review, Rev. de Velder stated that the book is a common-sense guide to the rearing of children, and that Dr. Beverly, who is a nationally known pediatrician, stressed throughout the book a child's need for affection and a feeling of security in the home.

the attitude of the parents to the child, and to each other, being of great importance in avoiding behavior problems in the child, and social maladjustments in later life.

In his book, Dr. Beverly asserted that a good school gives the child an opportunity to learn to read, write, and speak correctly, to know about the world in which he lives, to acquire a knowledge of himself and his social relationships, to acquire a love of country, and ultimately, to find somewhere in the things he touches upon his own life's work.

Mrs. Kenneth DePree, president of the organization, presided at the meeting. C. A. Roos led the devotions. Miss Joyce Van Oss, local high school student, gave a brief talk on the work carried on with Community Chest funds, and urged generous support to the Chest campaign.

Prior to the meeting, an informal pot luck supper was served. Mrs. William Aldrich and Mrs. Norman Simpson were in charge of arrangements. The following room representatives assisted: Mesdames Albert Schaafsma, Lester Kuyper, Harvey Kleinhekel, Gertrude Bos, Louis Schoon, Herbert Pollock, Philip Strengthol, Chas. The hall was filled to capacity and after a pot-luck supper a program of instrumental music, songs and humorous skits was presented by members of the various locals. A representative of the state agricultural department showed a two-reel movie on farming for defense.

EDITOR WHITELEY ACCUSES

Harry H. Whiteley, a member
of the state conservation commis-
sion and editor of the Dowagiac
Daily News, accuses Governor Van
Wagoner editorially of wishing to
Hitlerize the commission. Mr.
Whiteley did not use the ugly
word, "Hitlerize," but that was
plainly what his criticism implied.
The governor said in a speech that
he wished to put "new blood" into
the commission. Whiteley an-
swered that the governor's aim is to
make the commission subservient to
his own political machine. And
what else is that than Hitlerizing
the commission?

The force of such a criticism ob-
viously depends on the character
of the man making it. Mr. White-
ley's record is such that what he
says deserves respectful attention
on the part of all those who are
more interested in conservation
than in politics. It is true that the
Dowagiac man is a Republican,
hence a member of a party hostile
to Van Wagoner. But on the other
hand, Mr. Whiteley was an enthu-
siastic conservationist long before
Governor Van Wagoner attained
power. And also, he has again and
again put conservation ahead of
politics. He was for years one of
the most loyal supporters of Wil-
liam H. Loutit, of Grand Haven—
a Democrat who also put conserva-
tion ahead of politics. Whiteley
has worked for and fought for con-
servation at the expense of his
own personal and political inter-
ests. His record is evidence that on
the question of conservation he is
on the square.

On this same question of con-
servation Governor Van Wagoner
does not inspire the same con-
fidence. He replaced Mr. Loutit,
the ablest and most loyal conserva-
tionist Michigan has ever had,
with "new blood." It is not at all
necessary to deprecate Mr. Loutit—
his successor in order to condemn
the governor's action. The ap-
pointment of an inexperienced
man for one who was unusually
experienced and well qualified was
so obviously political in its intent
that the present charge of politi-
cism made by Whiteley is unusu-
ally easy to believe. The people
of Michigan should not easily forgive
Van Wagoner for dragging the
conservation commission into politi-
cism by dropping the pilot that
nearly all sportsmen's clubs in the
state, Holland's included, backed.
It is in the very nature of things
that a public man should wish to
get political control of such a body
as the conservation commission.
Such control is an important ele-
ment in his personal political
machine. The Whiteley charge
would be plausible even if there
was nothing else to make it seem
so.

THE CHURCH INVITES YOU

President James Rowland Ang-
ell, of Yale University says, "The
task of turning people as individu-
als from malice, cruelty and self-
ish lust is a task which religion
can most easily perform and hard-
ly any other agency can make a
real beginning."

We long for a change in human
society in which is eliminated mal-
ice, cruelty and lust, the root
causes of the world conflicts and
of social upheavals. Here then is
the call for each individual to take
up the question of religion and do
something about it.

The church is a band of individ-
uals working at this job. Why not
accept the invitation and go to
church next Sunday?

Evening and part-time schools
in the U.S. have an estimated en-
rollment of 1,850,000.

Sin and Its Consequences
Galatians 6:7, 8; I John 1:5, 2:6
By Henry Geerlings

Nowhere does one find a plainer
statement of the unvarying effects
of one's acts and conduct than in
the epistle to the Galatians. Noth-
ing is gained by deceiving our-
selves. We cannot get away with
anything. God is not to be evaded.
He cannot be defied. There are in-
escapable results from the way one
makes response to them. A man
will reap exactly what he sows.
One cannot plant one thing and
expect to get something else. The
individual who sows to gratify his
physical desires will reap the de-
struction resulting therefrom. But
the one who sows, making spiritual
investment, will reap eternal life
from the Spirit. One may choose
what he will plant. That privilege
is his. One makes him take good
or evil. One need suppose he can
select the outcomes. They are in
the process and are inevitable.

That goes for nations as well as
for individuals. We see the effect
in nations right now. We cannot
choose selfishness without accept-
ing war. We cannot choose imperi-
alism without asking for blood-
shed. We cannot choose blatant
nationalism, not in any country,
even our own, without taking its
results. We cannot decide for war
without deciding for famine, pesti-
lence and terror.

Now it is a well-established fact
that there is something wrong with
us, with every one of us. There
have been denials of this in all
time. John met with such denials.
He was not slow to give his opin-
ion about such an attitude. He said
that to affirm that we have no sin
is simply to deceive ourselves, to
reveal the fact that the truth is
not in us. In other words the bet-
ter we know ourselves the keener
will be the sense of sin. This is a
sense of sin. This is a sense we
all should have. However, we must
likewise say that there are differ-
ent kinds of senses of sin. There is
a sense which is unduly introspec-
tive or more properly speaking,
there is an undue introspection
which results in a morbid state of
mind in view of what the soul,
turned in upon itself, thinks it sees.
It is one thing to have an aware-
ness of the fact that one is not
right with either God or man and
to be sorry about it, it is quite
another to have this same aware-
ness and to induce a kind of
spiritual melancholia. It does not
lead to the health of the soul to
induce moods and to feel that one
is nearer God because he has them.

No study on sin would be com-
plete without reference to the clear
bold pronouncements of all the pro-
phets. Never did any group of men
strike so hard at sin. The prophets
are unique in the whole drama of
history. Considering all times, all
countries, all peoples, there were
unique and astounding voices. That
man of such insight, courage, and
passion for righteousness should
spring up, as it were, almost out
of the very earth, in one nation
over a period of years will never
be accounted for except by be-
lieving that there were in their
time no less a part of the plan of
God than was Christ in His time.

And they speak! With what de-
nunciating fire! Yet at the same
time with what eagerness for the
unitedness of man and God in love.
Jeremiah has always thought to
be the gentler of the prophets in
so far as any of them was gentle.
But he was never tricked into be-
lieving that human nature was
without a terrifying obstinacy. He
is sometimes called the sensitive
prophet. He felt the burden of hu-
man waywardness. He may have
been overly pessimistic when he
said that the heart is deceitful
above all things and exceedingly
corrupt. There is more in the hu-
man heart than ugliness. Candid
observation of men and women re-
veals much good as well as bad.
But there can be no sliding over
the fact of the mighty power of
wrong. The frank facing of that
fact is often the first step in build-
ing new men and creating a new
era of good.

When we move to the New
Testament we find there the same
unqualified denunciation of sin as
in the Old Testament. Both John
the Baptist and Jesus stressed re-
pentance and rejection of sin. Je-
sus distinguished pointedly be-
tween the breaking ceremonial law
often thought to be the worst kind
of sin by the Jews and sin from
within. No one can deny the force
of His teachings at this point. He
was a profound analyst of person-
ality. He went deep. He studied hu-
man motives. He got at the well-
springs of the mind and heart.

The apostle Paul, when he wrote
to the churches, had much to say
about moral frailty. He saw cities
in their glaring iniquity. He knew
the shocking character of paga-
nism. Unbelief, prideful reasoning,
wilful living had given way to cor-
rupt acts. All of his teachings can
be summarized in the terse state-
ment that the wages of sin is
death; but the free gift of God is
eternal life.

grin Wedding march as the bridal

Woman's Club Informed About Chinese Textiles

Since the word "research" when
translated into Chinese has come
to mean "to spy out," Miss Bar-
bara W. Tinker of Ann Arbor, who
addressed members of the Wo-
man's Literary club Tuesday after-
noon on "A Collector's Luck in
China," found her passport grant-
ing her two years of research in
China spelling trouble with many
of the authorities, as she traveled
on foot and by sedan chair
throughout the cities and villages
of that war-torn country.

Miss Tinker, who had majored
in Chinese art while working on
Chinese textiles in the museum of
anthropology to earn her degrees
at the University of Michigan,
while continuing this study in the
Orient, lived in Peking, that city
of Chinese, Russians, Manchus,
Tibetans, and now also Japanese,
a few blocks from the imperial
palace and not too far from the
Temple of Heaven.

Around Chengtu in Szechuan,
where the universities are now
located, she worked in the mu-
seum and also among the common
people, from whom the collector
obtained many of the pieces of
blue cross-stitch embroidered cot-
ton and grasscloth pieces which
she exhibited.

"To any collector of pottery or
painting or tapestry, each piece
gives a deeper understanding of
human nature," said the speaker.
"Each piece is like a beacon,
giving meaning to the present and
shedding light on the future. Each
piece is a part of a human drama
— an adventure in living."

Miss Tinker showed her audi-
ence the elaborate bed hanging
used for a wedding, a quilt for the
marriage bed, pillow covers, a
handkerchief and a baby's bib, all
in the most intricate designs and
interesting patterns, depicting
flowers such as orchids, fruits such
as the pomegranate, animals and
birds, especially the phoenix,
which rises from the fire in resur-
rected form. These are done in
vegetable dyes and often require
many years of careful labor. Each
design has some meaning and of-
ten reference to some event in
history, she explained.

The three most interesting
places for a collector to visit, ac-
cording to Miss Tinker, are the
market where old clothes are trad-
ed, bought and sold; the thieves'
market, where stolen goods are
disposed of; and the temple fairs,
held every month, with pageants
and shows and a market for the
sale of embroideries, tapestries,
socks of all colors, antiques of
many kinds and the inevitable
gold fish.

The traveler said that when she
started for America she had
twelve boxes of textiles for the
University museum, and that she
experienced much delay because
the boxes were often placed on
twelve different busses and in
Hongkong had to be placed in
paw in order for her to get the
piece of a cable home.

The lecturer closed with a trib-
ute to the people of China who,
she said, showed the tragedy of
war in their faces, but still had
the courage and strength to laugh
and hope. This made the audience
relate her experience to those of
Pearl Buck, whom the speaker
had quoted as saying, "The Chi-
nese are not a strange, far-away
people, fighting in a strange war,
but folks just like us."

Mrs. George A. Pelgrim presid-
ed. The secretary reminded those
who had articles for the rummage
sale on Saturday, to bring them to
the club house not later than
Thursday. Mrs. Henry Steffens,
speaking for the A. A. U. W., an-
nounced the lecture by Erika
Mann, Thursday, Nov. 13. Gordon
Gird of Hope college, appeared to
plead for generosity in contribu-
tions to the Community Chest
campaign.

The drama workshop held a
meeting before the club session.
A general board was appointed to
include Mrs. William Winter,
chairman, Mrs. E. C. Brooks,
secretary, Mrs. Henry Steffens,
treasurer, and Mesdames George
E. Kollen, Raymond Fehring and
Howard Morrell. Mrs. Edward
Donivan and Mrs. David Prybil
are co-chairmen of a reading com-
mittee to select a public play for
January. Mrs. C. J. Dregman and
Mrs. Ervin Hanson were named
chairmen of the club program in
April. The group has been asked to
cooperate with the Netherlands
museum in the celebration of St.
Nicholas Day, Dec. 6, when Dutch
customs will be dramatized.

Next Tuesday the Child Study
group will meet at 1:45 p.m. to
hear Mrs. Howard Bigelow of Kal-
amazoo, expert on family prob-
lems, and the regular club meeting
will feature Miss Amy Loomis,
charming actress and reader. The
committee on philanthropy will at
that time receive gifts for their
projects.

In a ceremony on last Thurs-
day at the home of the bride's
mother on route 3, Miss Janet
Bosch, daughter of Mrs. Anthony

kerk Christian Reformed church

mony at 7:30.

Preceding the ceremony, Miss
Clarene Bakker, friend of the
bride, sang "O Promise Me" and
immediately following the service
she sang "God Will Take Care of
You" and the Rev. Heynen sang
"Because" accompanied by Mrs.
Heynen.

As the bridal party assembled,
Mrs. Harvey Bosch played the
Bridal Chorus from Lohengrin and
during congratulations she played
"Jesus Saviour Pilot Me."

Vows were spoken before an
arch trimmed with rose buds and a
white veil surrounded with palms,
ferns, October roses and baskets
of dahlias.

The bride was attired in a gown
of white satin with a high neck
line with braid trim. Her long full
skirt extended into a square train.
A double tiered finger tip veil
of illusion was shirred into a tara
of orange blossoms and seed
pearls. She carried a shower bou-
quet of white roses and chrys-
anthemums.

Wedding refreshments were
served by Mrs. C. De Vries, Miss
Henrietta Bosch and Miss Etta
Haverdink to 30 guests.

Following the reception the cou-
ple left for a northern wedding
trip. For traveling the bride wore
beige light weight wool with
brown accessories.

For her daughter's wedding,
Mrs. Bosch wore a navy blue dress
with lace trim and a corsage of
red roses. The grooms mother
wore Cadet blue with a corsage of

Twelve Hope Seniors Listed in Who's Who

Twelve Hope college seniors
have won the honor of having
their biographies listed in the
1941-42 edition of Who's Who
Among Students in American Uni-
versities and Colleges, according
to word received here from pub-
lication officials. Marguerite Had-
den, Maie Clonan, John Hains,
Blaise Leval, Margaret Nagy, Cor-
nelius Pettinga, Beth Marcus, Wil-
liam Tappan, Lorraine Timmer,
Marian Tyse, Charles Stoppels
and Kenneth Vanden Berg are the
seniors awarded the coveted hon-
ors this year.

Conceived over nine years ago,
and first published in 1934, the
motivating idea behind the pro-
ject has been to serve as an out-
standing honor to students and to
establish a reference volume of
authoritative information on the
great body of American college
students. Selections are based up-
on character and general reputa-
tion among students and faculty,
scholarship, leadership in extra-
curricular activities and potential-
ities of future usefulness to busi-
ness and society.

The purpose of Who's Who is to
serve as an incentive for students
to get the most out of their col-
lege careers, as a means of com-
pensation to students for what
they have already done, as a stan-
dard measurement for students
comparable to such agencies as
Phi Beta Kappa and the Rhodes
Scholarship award, and as a re-
commendation to the business
world.

All students in this year's list-
ing have been active in social
groups, served as leaders of var-
ious campus organizations and
maintained a good scholastic re-
cord.

COUNTY BUDGET FOR NEXT YEAR TO BE REDUCED

Total Approved by Board of Supervisors Less by \$2,358

Grand Haven, Oct. 30 (Special).—The Ottawa county board of supervisors at a meeting here on last Thursday, adopted the county's 1942 budget which calls for a total expenditure of \$209,507.21.

The amount is \$2,358.96 less than last year's budget of \$211,866.17. Anticipated receipts for 1942 have been set at \$30,000 which include \$25,000 in fees and \$5,000 in dog taxes, leaving \$179,507.21 to be raised by taxation. Amount raised by taxation this past year was \$178,442.54.

Various items in the budget follow: Appropriations, \$2,400; Adressograph, \$850; board of supervisors, \$8,000; circuit court, \$3,990; circuit court commissioner, \$50; coroners, \$1,000; county agriculture agent, \$2,100; county clerk, \$1,600; county treasurer, \$4,660.50; court house and grounds, \$4,705; conservation, \$1,000; drain commissioner, \$915; election, \$3,000; health, \$28,473; home demonstration, \$500; hospitalization, \$1,300; justice court, \$3,500; miscellaneous, \$2,625; national reemployment, \$150; probate court, \$4,789; probation officer, \$540; prosecuting attorney, \$750; register of deeds, \$3,125; road commissioners, \$1,800; salaries, \$53,560; school commissioner, \$3,765; sheriff, \$7,675; state institutions and quarterly settlements, \$3,000; soldiers relief commission, \$1,000; tax allocation commission, \$300; county roads and county parks, \$22,500; county social welfare, \$32,500; county drain tax, \$1,134.71.

The 1942 budget also provides for increases in salaries for various county employees. Among those receiving increases in pay are the following:

Country agriculture agent's clerk, from \$1,040 to \$1,100; Madge Bresnahan, county nurse, from \$1,936 to \$2,136; Martha Allen, county nurse, from \$1,600 to \$1,800; Elma Olewinski, county nurse, from \$1,600 to \$1,800; Ermyl Manni, county nurse, from \$1,600 to \$1,800; S. P. Nelson, county sanitarian, from \$2,100 to \$2,200; deputy register of probate, from \$900 to \$910; probate clerk, from \$900 to \$910; clerk to county clerk, from \$900 to \$910; county house custodian from \$1,300 to \$1,360; school commissioner clerk, from \$600 to \$800; county helping teacher, from \$1,200 to \$1,500; register of deeds clerk, from \$900 to \$1,000; register of deeds clerk, from \$740 to \$820.

Miss Charlotte Bottje, former clerk in the register of deeds office, has been appointed assistant deputy register of deeds and her salary was increased from \$1,080 to \$1,200 per year.

Under appropriations made in the new budget, the county treasurer will be allowed five extra clerks at a salary of \$910 each per year. These clerks were hired last year under an appropriation of \$4,550 for extra clerical help in the treasurer's department.

In submitting the budget to the supervisors, the committee on finance and budget recommended that the salary as fixed for the sheriff will include the use of his personal cars within the county and that he will be allowed five cents per mile for the use of his car on official business outside the county. He will also be allowed to retain the over diem and mileage paid by the state for conveying prisoners.

The committee also recommended that monies appropriated for clerical help for the prosecuting attorney will be paid to him to be disbursed by him as he sees fit. All county officers will be allowed five cents per mile for the use of their personal car on official business, the committee further recommended.

The budget shows that certain items have been increased, others reduced, some that were in the 1941 budget were eliminated and new ones have been added.

Out of the county park funds the deficit of \$1,849 for North Shore park, near Grand Haven, will be paid and \$250 will be paid for necessary engineering, the balance of which will go to complete the improvements at Tunnel Park. North Shore park will be further improved later.

A report of the county officers' committee relative to the investigation of the dog tax fund in which there was a shortage of \$730.65 during the administration of former Sheriff William Van Etta in 1939 and 1940, was made to the board which revealed that \$1,557 in delinquent taxes had been paid. The committee completely exonerated the former sheriff and said it found that everything was satisfactory.

The board passed a resolution, following a suggestion made by the state auditors, whereby all bills, including fees, and all claims paid out in the sheriff's department, will be handled the same as the other departments so that apparent deficits will not appear.

Fourth Choir Has Party After Rehearsal

Following its regular rehearsal Wednesday, Oct. 22, the choir of Fourth Reformed church gathered for a Halloween party. A scavenger hunt provided most of the entertainment.

The appointment places Lamb on the Michigan State college extension staff.

Gerald Bosch of Zeeland, who taught in Beechwood school for one year, succeeds Mr. Lamb as school principal. Peter Hamel, whose parents are missionaries in the Dutch East Indies, is teaching the classes formerly taught by Bosch.

Other appointments, according to the United Press, include: Muskegon, Oceana, Newaygo, and Mecosta counties—Stanley Allen Mahaffey, teacher, Coopersville-Fremont public schools.

Mr. Lamb, head of Beechwood school the past seven years, is a native of Ohio. He came to Michigan in 1909 to reside at Ottawa station. After nine years on the farm he took special training and became a teacher and served in Pine Creek and New Groningen schools before going to Beechwood in 1929 where he served five years as principal before becoming superintendent.

His boyhood farm experience is coupled with his active 4-H club work for the past 10 years. The Beechwood club had virtually no equipment at its start. It now has more than \$400 in equipment, including power saws and tools.

"Imagine me,
steering a
Destroyer!"

"And I've had two pay raises
in only eight months! I'll say
you can't beat Uncle Sam's Navy!"

YOU couldn't ask for a greater thrill than that which a fellow gets when he comes back home wearing a trim Navy uniform. The folks crowd around. They all want to know where you've been, what you've done. And man, do you have stories to tell!

GREATEST LIFE IN THE WORLD

You're proud. And you should be. For you've been leading the greatest life in the world. And it's a thrill to tell about it, too. A thrill to see the admiration in the eyes of the One and Only Girl as you tell about the first time you steered a Destroyer. Or handled a P.T. Boat at more than 45 miles per hour. Or stepped out in front of your shipmates to receive your first promotion.

And with that promotion came an increase in pay. And there were more to come. Second Class. First Class. And then Chief Petty Officer. Many might even go to Annapolis. Or to Pensacola with the flying cadets!

Exciting? You bet, and fun too. Something doing all the time. Real he-man's stuff. Boxing. Baseball. Football. Swimming. AND MOVIES... previews, too!

HOPE SCORES IN FIRST QUARTER TO DOWN DALES

Protects Six-Point Margin In Evenly-Fought Fray at Riverview

On a 23-yard pass from Dick Higgs to Bud Karel midway in the first quarter, Hope college scored and then spent the remainder of the game repulsing the fast-charging backs of Hillsdale to win, 6-0, Friday night in a well-played game at Riverview park.

Hillsdale garnered 13 first downs to the Dutch's 11. In the air, the Hingamen were superior, connecting on 5 aerials out of 10 attempts, while the Dales completed 3 out of 10. The Dales intercepted two aerials, while the Dutch grabbed one, and 15 yards were paced off against Hope to 10 for Hillsdale. The game was clean and hard-fought, with two evenly-matched teams pitted against each other.

Hillsdale started to move immediately after the kick-off. Bill Johnston crashed over left tackle for 5, then Jack Cornell, on a lateral, traveled 16 yards to the Hope 35. At this point the Hope line, led by Marty Bekken and Bud Morgan, rose up to stem the tide and the Dutch took over on the 35. A partly blocked punt was recovered by George Vander Hill for a first down on the Hope 41. Then the Dutch really moved to score in six plays. Bud Karel smashed over right tackle for 13, Higgs was stopped cold, but Don DeFouw tossed a completed aerial to George Slager for 11 yards and a first down on the 35 off Hillsdale. DeFouw hit center for 4, Dick Higgs faded to the right, threw a pass to Karel on the 23, and the fleet back scampered over for the score. Roy Davis attempted placement was wide.

Early in the second quarter, the Dales were in possession on the Hope 44, after a beautiful run-back of a punt by Johnson. Burr Manby went straight through the center for 9 yards, then shot a pass to Johnston good for 16 yards to the 21. The threat was stopped after two plays as Billy Tappan intercepted Wright's pass on the Hope 10. After a brilliant 24-yard dash over right tackle by Karel, an aerial tossed by Higgs was intercepted by Manby on the 35 and Hillsdale started to move. Cornell ripped over center for 3, and Wright made it a first down by circling left end for 8. Two reverses, with Manby carrying the ball, netted 9 yards to the 16. On the next play, Manby fumbled and the Hope line pounced on the ball. The alertness of the line throughout the game was the factor that defeated the Dales.

With the half drawing to a close, the Blue and White made one last futile bid. The Dales started on the Hope 41. Cornell hit tackle for 2, Johnston struck through the center of the line for 18 yards and a first down on the 21. Wright circled left end for 5, and Manby hammered over center for 7 to the 11. Manby then hit over right tackle to the 7 and the gun sounded to end the half.

After a Hillsdale punt went into the end-zone, the Dutch put on a sustained drive. Bud Karel rolled 24 yards to the 44, then DeFouw tossed a pass to George Slager for 11 yards and a first down on the 44 yard line of the Dales. On two plays, Higgs and DeFouw picked up 5, and Karel whipped a pass to Higgs for 6 to the 35. Another pass, Higgs to Slager, netted 22 yards and a first down on the 13. DeFouw drove through center for 3, and then Bob Manby stepped in to intercept Karel's pass on his own 5 and raced back to the 29. After the exchange of punts, the Dales were in possession of the pigskin on the Hope 35. After a 7-yard loss, the Dales took to the air, and a pass, Wright to Konas, netted 22 yards to the 20. Cornell and Wright collaborated to make a first down on the 9. Two plays placed the ball on the one. The Hope line rose up to throw Cornell for no gain, and a fourth down pass sailed over the end-zone and the threat was stopped. After DeFouw lofted a good punt to his own 43, the Dales marched for the last time. Running plays by Prudden, Wright, and Manby advanced the ball to the 6. Here, Marty Bekken broke through to toss Wright for a 10-yard loss, and the last Dales threat was gone with the wind.

The Dutch blocked and tackled with deadly precision last night. Although outplayed, Hope showed the stuff, by taking advantage of every misplay and break in the game. On the line, the play of Marty Bekken was by far the most outstanding feature of the game. Marty was aided by steller play by Len Dick, George VanderHill, and Bud Morgan. In backing up the forward wall, Roy Davis did a masterful job. In the running department, the backfield performed well as a unit. The hard, shifty running of Bud Karel was the standout in the backfield. Great things can be expected from this lad in the future. The work of Don DeFouw in the punting capacity featured and the steady running of Dick Higgs aided in keeping the Dales on the alert.

Hillsdale brought a scrappy, well-coached team to Holland. The forward wall charged hard and tackled cleanly. The work of Duane Horst, Elmer Lagg, and Bob Manby stood out on the line. In the backfield, the running of Cornell, Johnston, and Wright presented to Holland fans some of the hardest running seen in these parts for some time. Except

for alert football on the part of the Dutch and a few tough breaks the outcome of the game might have been different. The victory gave Hope a record of one win and one tie. Hillsdale suffered its 3rd conference defeat all by the margin of one touchdown.

Seven Championships for Cheff's Horse This Year

Seven championships represents the 1941 record of Chicle's Play, a five-year old bay mare, owned by Col. Theodore P. Cheff of Hazelbank, vice-president and general manager of the Holland Furnace Co.

Latest honors came at a recent charity horse show in Fort Wayne, Ind. When the two days show was concluded Mr. Cheff's Chicle's Play had taken a major honor in the \$250 hunter stake, besting outstanding entries in this event.

(The above picture of Mr. Cheff and his favorite horse, Chicle's Play, was taken at the Fort Wayne show.)

Chicle's Play and Set Fair, another horse owned by Mr. Cheff, also placed first in the pairs of hunters event. Mr. Cheff rode his championship horse in both events while James Helder, also of Holland, was up on Set Fair for the pairs of hunters.

During the 1941 season, Chicle's play has won championships at horse shows in South Bend, Ind., Jackson, Grand Rapids, Kalamazoo, Lansing and Battle Creek in addition to the honors gained at Fort Wayne.

Among the various events in which Chicle's Play has been entered are the horse shows at Castle park and at Waukazoo. No show was held at Waukazoo this season, however.

Chicle's Play was foaled by Miss Chicle and sired by Ladkin. The mother is a foal of Rumpus and sired by Chicle while the father was a colt of Lading and sired by Fair play.

STOCK EXHIBIT TO LURE MANY

Chicago, Oct. 30—Progress in live stock breeding on American farms has been spectacularly demonstrated for the past four decades in the annual renewals of the country's largest live stock show, the International Live Stock exposition and horse show, which will be held this year Nov. 29 to Dec. 6 in the International amphitheatre at the Chicago Stock yards.

This year's session is expected to attract an attendance of between four and five hundred thousand visitors and a showing of more than 12,000 head of beef cattle, draft horses, sheep, and swine—the best in this country and Canada.

According to the management, they will represent 26 different breeds, comprising three kinds of beef cattle, 11 breeds of sheep, seven of swine, and five of draft horses. There will also be a wide variety of pleasure horses and ponies in the horse shows.

An all-inclusive farm crops show, the world's largest, is an annual feature of the exposition. Known as the International Grain and Hay show, it has been staged for the past 22 years in connection with the Chicago exposition.

The fourth annual national sheep shearing contest will be staged in two divisions, one open to all competitors, the other to farm youths under 21 years old. Cash prizes will be awarded to the ranking winners in each event.

Live stock entries for the exposition will be accepted until Nov. 1, and that the deadline for crops show entries is Nov. 10.

EXPECT BIGGER DONATIONS FOR HOLLAND CHEST

Stekete Says Some Hope Agencies Can Expand Their Work

From early reports received on the progress of the Community chest campaign to raise \$16,000, which opened on Monday with a hope that the goal will be reached by Friday, it was indicated that many individuals and companies will increase their donations this year, C. Neal Stekete, reported.

Several persons have expressed the desire that the 10 participating agencies expand their activities. Mr. Stekete said. The Community chest, he explained, is giving only minimum amounts to these agencies for their programs but increased contributions and donations will enable them to expand their programs of relief work, character building and the like.

In explaining the operations of the Community chest, Cornelius Vander Meulen, president of the board of directors, pointed out that most persons have little conception as to how the various agencies come within the scope of the chest.

"No agency is admitted to the Community chest until its work has been minutely studied from the beginning. It must be worthy and remain worthy to stay in the chest," he said.

The various agencies, he said, sign agreements with the board of directors that they will submit monthly reports, showing how they are spending the monies which are allocated to them. They also agree to submit annual budgets in advance of each year's campaign, showing how they plan to spend the money during the ensuing year. These budgets are studied carefully by committees before being approved by the directors.

Their books are audited annually to determine whether the money has been spent as the agency agreed, Mr. Vander Meulen said.

One term of their agreement is that the agency will not conduct

FREAKISH RAINBOW ON LAKE MACATAWA

A freakish reflection of the sun was the only explanation five fishermen could give today for the rainbow they saw in Lake Macatawa Saturday morning.

The five anglers were on the dock at Kollen park when the colorful arc, about 200 feet long, appeared and played upon the glass-like smoothness of the water for about three-quarters of an hour. Decreasing from its sides to the middle, the bow gradually vanished.

Peter Smith, 379 Central Ave., one of the fishermen, said there was no rainbow in the sky. The sun was shining brightly.

Mr. Smith, who is 72, said that in all his years on the lake he had never seen such a display. Several other anglers who have fished for years here agreed that the "lake" rainbow was the first they had ever witnessed.

Many Hear Masselink in Reformation Day Talk

Dr. Edward Masselink, pastor of the La Grave Avenue Christian Reformed church of Grand Rapids, listed four principles in his Reformation day address Monday night in Central Avenue Christian Reformed church before more than 1,000 young people, in a meeting sponsored by the Holland-Zeeland leagues of the Young Men's and Young Women's societies.

In speaking on "The Reformation and Its Message," Dr. Masselink listed the sovereignty of God, justification by faith, universal priesthood of believers, and absolute authority of God's Word as his four points.

The Rev. D. H. Walters directed a song service and conducted the devotional period. A massed chorus under the direction of D. Lam, sang "Remember Now Thy Creator," Adams, "Gloria in Excelsis," Mozart, "Jesus Savior Pilot Me," Geibel, and "Onward Christian Soldiers," Shelley.

Dr. Masselink opened his address by saying what an inspiration Martin Luther would have received if he were present for the service he would have enjoyed the singing. "There was no singing as we had tonight before the Reformation," the speaker said. "One time when Luther was very sad, thinking his cause was lost, he passed a cottage and heard children singing their prayer to God, also for Martin Luther, and he turned to his friend and said, 'We have won. The children are praying for us.'"

The time of the Reformation was much like today, Dr. Masselink stated. Two great discoveries preceded it—discovery of America and the discovery of a new route to India via the Cape of Good Hope. That had a profound effect resulting in people moving from the farm to the cities.

Previous to the Reformation, the speaker added, there was an intellectual awakening which resulted in the Renaissance which produced humanism. Beside it there was a spiritual awakening which resulted in the Reformation. About this time, gun powder was invented culminating in concentration of powers and the appearance of different nations. Through it the feudal system was destroyed. There was a crumbling of the church of Rome, the very foundations were crumbling. Dr. Masselink added, "So today, the church is disintegrating."

In discussing the sovereignty of God, Dr. Masselink said "John Calvin was born in 1509 in France. His parents wanted him to be a priest. When in Paris he became interested in law and wanted to become a jurist. He was led to the Bible by one of his relatives and he found God suddenly as a great king, a great God or governor."

The three other principles were founded by Luther who, according to the speaker, was born 20 years before Calvin in Germany. He had several spiritual experiences and when he was in a monastery he found God. Luther wanted peace and chastised and submitted himself to rules only to find peace with God. He was sent to Rome and there visited the sacred stairway to find peace with God, saying prayers as he ascended. He thought of the words, "The just shall live by faith."

Luther went back to Wittenberg, the speaker said, and at the Wittenberg university where he was a professor he lectured on the Romans and about the righteousness of God. While studying earnestly about righteousness he suddenly discovered the righteousness of God, justification by faith without merit.

Then John Tetzel came to Wittenberg to sell indulgence so that the people could buy forgiveness for their sins, the speaker related. When Luther realized that Tetzel was coming, he wrote 95 theses vigorously protesting Tetzel's theories. By so doing Luther wiped away the wrong principle of the universal priesthood of the church. Thus were the people liberated so that they could go to God in prayer directly instead of through the priests.

In reviewing his fourth principle, Dr. Masselink related how all the dignitaries and papal legate assembled to discuss Luther's documents. The diet demanded that he recant his writings. Luther, after deliberation, said he would only recant if they could prove it was contrary to God's word. Luther placed himself squarely on God's word. Though excommunicated by the church and announced as an enemy of the state, Luther held fast knowing he was doing God's will.

In the decade from 1930 to 1940 only 35 U.S. cities showed population gains of as much or more than 25 percent.

Nettles claimed that another car drove across the highway in front of his truck, causing him to lose control of the car as he rounded the curve. His truck rolled three times for a distance of 600 feet before it came to a halt on the wrong side of the highway.
