NUMBER FORTY-SIX

EXTRAVAGANCE is the curse of mankind. It means spending all you earn and going into DEBT without having something SUBSTANTIAL in return.

There is the old saying: "It's only three generations from plow to plow." The father earns, his son spends; his son's son goes to work again.

When you have a GRIP on money, why not HOLD it.

## Healthful Kidneys

A WINTER NECESSITY

Health Talk No. 2

By JOHN DE JONGE, D. C.

The kidneys control the action of the skin and are the heat regulators of the body. During the season of the year when there are quick changes from the warmth of day to the chill of night, or the body must adapt itself to a change from the extreme of outdoor cold to indoor comfort, the kidneys sufferer is in constant danger.

Kidney weakness and inefficiency in adopting the body to sudden changes, is apt to cause lung congestion or pneumonia. Kidney weakness is due to pressure upon spinal nerves of the spine. By Chiropractic spinal adjustment this pressure of hard bone upon soft nerve tissue is lifted, and the nervous energy flows freely once more. After adjustment the kidney vigor comes back to normal and health follows as a matter of course.

## Backache and Kidney Trouble is now gone.

"Before taking Chiropractic adjustment I was bothered with my back and kidneys so badly that I could not sleep after two in the morning. Now I sleep all night, and my health is sound and vigorous once more."—MARION MORGAN, Chiropractic Research Bureau, Statement No. 1237 H.

## WINDOW DISPLAY OF UNUSUAL SIGNIFICANCE

ANOTHER FIRM OBSERVES ARMISTICE DAY IN A UNIQUE WAY

Photos of All the Gold Star Boys Is Displayed in Their Show Window

A window display that is of unusual significance, especially as we approach Armistice Day is the one gotten up by the Corner Hardware.

Both Mr. Van Tatenhove and Mr. Sierma have been working diligently for a week, gathering the photographs of the boys of Holland and vicinity who paid the supreme sacrifice.

These photographs have been very neatly arranged with the names of the hero soldier and also the name of the mother of the soldier.

Among the group will be found Willard G. Leenhouts, son of Dr. and Mrs. A. Leenhouts of this city, who was killed in France and whose name the Legion of Holland has honored by naming their post after him.

The hardware firm may not have been able to secure all the photographs of the heroes of Holland and vicinity, but the greater number have been obtained and these can now be seen in the window of the Corner hardware.

The photographs of the following soldiers have been secured: Joe Meidema, Cornelius Barkema, Mr. Dykstra, Joe Brieve, George Butterfield, Gus De Vries, John Knoll, Willard G. Leenhouts, George Prins, Tieman Schepel, Henry Walters, Clarence Weed, Carl Staplekamp, Marine Bishop, Arthur Volland, Joe Gunst.

## OTHERS BESIDES HARDING GOING TO TEXAS PARTY OF HOLLAND PEOPLE INSPECTING TEXAS LANDS

Several Holland people left the forepart of the week on an excursion trip to Texas. They are Paul Coster, C. Vander Huevel, G. Buis, Lucas Smith, and Isaac Kouw.

They will go via Kansas City, Oklahoma City, Dallas, Houston, Galveston and along the Gulf Coast line to the Rio Grande Valley, and may stop off at Point Isabel, where President-elect Harding is spending a few weeks' vacation.

The Stewart Land Company of Kansas City are running excursions every week to the valley which ten years ago was still a wilderness but now occupied by 300,000 northern people. The Stewart Land Co. claim that this is the richest valley in the United States, and in order to prove this they make special rates on their own trains to parties who wish to investigate the lands in that vicinity.

Consequently the Holland men are combining business with pleasure and will remain in Texas for at least ten days.

Whether they are to invest in real estate will no doubt be made known when they return.

## ROSES BLOOM IN GRAND HAVEN GARDEN NOW

Mrs. John Ver Duin of Clinton-st. Grand Haven, has one of the dearest old fashioned gardens in the city. In the summer it is a beauty spot and even in these late fall days is still alive with color. Mrs. VerDuin now has monthly roses in bloom that rival in beauty, in size and in perfume those of the midsummer season. Passersby often comment on the good lady's wonderful garden which is one of the show places of the neighborhood. Roses in November has everything else beat thus far.

## ARRESTED FOR CROSSING THE PARK FLOWER BEDS

LOCAL MAN PAYS FINE AND COSTS FOR THIS OFFENSE

Park Commissioner J. Van Bragt arrested Herbert Mentenk for crossing tulip beds in Centennial Park. The practice of crossing the grass and power beds has become quite general and the park commissioner made the arrest as a nexample to others. Other arrests will follow unless the practice is stopped. Mentenk appeared before Justice Van Schelven and paid a fine of \$2 and costs of \$3.70.

The park commissioner has planted a large number of tulips for next spring and some of these are being destroyed by pedestrians who do not keep to the walks. Since mere warnings do not seem to help, arrests have been resorted to to stop the practice.

## SINGLE LOAD OF FOXES WAS WORTH \$20,000.00

SEVENTEEN ANIMALS BROUGHT FROM MUSKEGON TO STOCK FARM HERE

Local Men Start in Business One Mile North of Holland

The Holland Silver and Black Fox Company is the name of a new firm that has just begun its career near Holland. The ranch of this concern is located about a mile north of the Grand Haven bridge on the West Michigan Pike. The farm is four hundred feet square and is surrounded by a woven wire fence eight feet high.

On the ranch are a large number of fox coops, underground burrows, underground nests for breeding purposes, and a large amount of other equipment needed on a well stocked fox farm.

The members of the new company are Dave Blom, Arend Smith, Lee De Feyter, Ed De Feyter of Holland, and James Kelley and Mr. Alberts of Muskegon. Kelley and Alberts have been successfully conducting a large fox farm near Muskegon and they are thoroughly familiar with the business.

On Monday Wallace Kuite, James Kelley and Arend Smith drove thru from Muskegon to Holland with a load of seventeen silver and black fox with which the farm was stocked. The money value of this single truck load of fox was about \$20,000. The fur of the black fox and silver fox are extremely valuable. The company in Muskegon recently sold a single pelt for \$2,200. This however was a somewhat unusual price, due to the fact that fur was a practically perfect one of its kind.

The owners of the new fox farm invite the public to come and see it. There are certain times of the year when visitors are not allowed near the place. That is during breeding time, and these precautions are taken because the fox kill their young if they are frightened.

A fox farm is something new in this section and it is expected that the ranch will attract a considerable number of visitors.

## CHARGED WITH STEALING FROM G. & M. S. S. LINE

ONE PLEADS GUILTY; OTHER SAYS HE IS NOT GUILTY

Raymond Bose and Adolph Macholz, were arrested by the local police on the charge of stealing several articles of freight that were missing from the Graham & Morton Steamers. The articles in question were candy and cigars, shipped by Sears-Roebuck & Co.

Both men were arraigned before Justice Van Schelven this morning and Adolph Macholz pleaded guilty but Bose states that he knows nothing of the theft and is not guilty.

His hearing has been set for tomorrow.

## G. H. MAY NOT BE ABLE TO DEDICATE NEW SOLDIERS' MONUMENT

SHAFT IS INCOMPLETE AND IS NOT PUT TOGETHER

It is very doubtful that the new \$5000 soldiers' monument will be dedicated at Grand Haven on armistice day unless the committee wishes to do the job while the shaft is still incomplete. The celebration takes place tomorrow and the Grand Haven Tribune has the following to say on the matter

"Up to the present time the committee has been unable to get into touch with those who were to erect the memorial shaft on the Court House ground. The sections of the monument are all here, but it is very doubtful if it can be placed in time for the ceremonies Thursday. As a result all plans are held in abeyance concerning this feature of the day's program."

## "BOB WHITE" SAID TO BE FINE EXTRAVANGANZA

The November Division of the Woman's Literary Club will present on No. 18 and 19 at the club house a pastoral extravaganza, "Bob White," said to be exceptionally clever, and excellent from an artistic standpoint. The play is by Willard Spencer, and it is presented, by special permission, by the John B. Rogers Producing Co., under the direction of Orpha M. Wilcox. The extravaganza will be enacted, for the most part, by local talent of recognized ability, while the Rogers Co. will furnish costumes and appropriate scenery.

## COUNTY AGENT WAS WELL PLEASED WITH

FFSTIVAL WRITEUP WANTS TO CONVEY THAT THE EXHIBITION IS ABSOLUTELY FREE

The farmers of Ottawa County are to have a festival Friday in the Vischer block as has been stated before. M. C. P. Milholm, Ottawa Co. Farm Agent, states that he is well pleased with the writeup but wishes us to state that the exhibit is absolutely free and that citizens of Holland are especially invited to attend. The exhibition will be held in the store formerly occupied by the Cook Bros. Music store and will relate to products raised on the farm and a specialty is to be made of wheat exhibits and poultry products.

## GRAND HAVEN CITY PLANS

PRIVATE OWNERSHIP OF THE BEACH PROPERTY DECRIED; CITY MAY TAKE ACTION

The purchase of property fronting the shore of Lake Michigan by Ed Peters and G. W. Tuxberry from the Monroe estate, and the proposed platting into city lots is bidding fair to stir up a vigorous campaign in behalf of a city plan in Grand Haven. Many protests have already been made to the city council against permitting the woods and hills fronting the lake and harbor to pass into private hands. It is likely that an organized effort may be made soon to have the city of Grand Haven condemn and take over practically all of this territory to be devoted to public use.

The city recently purchased more than 500 feet of Lake Michigan beach north of and adjoining Highland Park, to be closed to private ownership for ever and dedicated to the use of the public. A concrete boulevard will eventually be constructed along the beach from Highland Park via the shore of the harbor in the city. Next year plans call for a parking place for 500 autos directly in front of the bluffs and right down on the beach. The concrete driveway to the beach has already been completed.

## HOLLAND AGAIN INTERESTED IN TOURISTS' ASSOCIATION

GIVES CASH TO AID TOWARDS BOOSTING MICHIGAN RESORTS

Members of the Association Get Steel Signs Showing They Belong

The Michigan Tourist and Resort association will open a Chicago office early next season in an effort to divert resort and tourist traffic into Michigan. The association has adopted a budget of \$30,000.00 of which \$16,000 has already been pledged.

Holland's civic organizations have taken a live interest in this association for the reason that this city and its resorts are located on two pikes, the main artery of which is the West Michigan Pike, known on the automobile map as road No. 11.

Individuals in Holland have donated repeatedly toward this cause.

Last year Holland gave \$600 thru individuals, and this year another donation was given, Mr. A. H. Landwehr being the man who is looking after the subscription list.

Other names appearing on the list giving donations are Graham & Morton line \$200; Holland Interurban \$100; Macatawa Park, \$100; Ottawa Beach, \$100; Saugatuck \$300, and Pere Marquette R'y \$2,000.

Members are to be presented with steel signs which can be placed upon display giving them a membership for 20 years. These signs will show the tourists that certain men are backing up these projects and should be given first consideration in a business way.

The Michigan Resorts are being advertised in a hundred odd papers throughout the West and South, showing the advantages of the Michigan resorts as a playground for a summer vacation, and Michigan is getting an enormous lot of publicity from these papers in other states.

The Michigan Tourists association in its news sheet to the newspapers state that the association is getting out an automobile map. Herein Holland again receives some publicity as the sheet states that on the inside of a booklet of which several thousand will be issued, a general map of the state is to be shown.

Following this there will be strip maps, ranging in length showing from 80 to 100 miles, the first map to start at New Buffalo, continuing north, for instance, to Holland. This map is to be an open one, showing the official state highway numbers, mileage, and if possible, the kind and condition of roads.

On the margin of this map and opposite the name of the town will be printed the names of the hotels, the boarding houses and garages of those who are members of this Association.

This map continuing in sections northward will show both what we know as the West Michigan Pike and the Mackinaw Trail, also other state highways in Western Michigan, as well as the roads in the upper Peninsula.

## TELS HOW MANY STOCK FRAUDS ARE WORKED

WM. WESTVEER READS PAPER ON "FRENZIED FINANCE" BEFORE SOCIAL PROGRESS CLUB

Drawing a vivid picture of fraudulent stock promotion schemes such as are victimizing millions of people in this country each year, William Westveer Tuesday evening before the Social Progress Club read an interesting paper on "Frenzied Finance." The meeting was held at the home of Mr. and Mrs. Arnold Mulder. Mr. Westveer first drew a picture of the wide extent to which certain groups of individuals in America control, through money and the power it brings, many of the processes by which life in this country is governed. And then he told of the methods of the fraudulent stock promotion concerns.

Since the war, with money easy, these concerns have harvested a rich crop. The sum of money lost each year by American people in these schemes is so enormous that the human imagination can hardly grasp it. The desire to get rich quick is at the bottom of most of the losses, the writer declared, and the only way to safeguard oneself against them is never to invest except on the advice of persons one has confidence in, no matter how alluring the stock schemes may look on paper.

The Gold Star mothers of Grand Haven are to march in the large parade staged at the county seat tomorrow.

There are two cases of influenza in Zeeland.

### ARMISTICE DAY BRINGS UNIQUE DISPLAY

A window display that is attracting considerable attention can be found in the Van Ark Furniture store window on West 8th street.

Mr. Wm. Deur who has charge of the window considered it an auspicious occasion to put on exhibit relics incident to the great war that will remind the soldiers and the American citizens of the great Peace Day that we are to celebrate this week.

The display is appropriately topped off with a large photograph of the newly elected president Mr. Harding.

The exhibition endeavors to convey the home coming of one of our boys from France, and first night's sleep in a real comfortable bed, instead of in a dugout surrounded by his familiar companions, the rats and the cooties.

Surrounding the soldier's bed he sees in his dreams those things that he has captured while he was after the "boch" in France.

One interesting relic is a soldier's newspaper printed on the battlefield which announced in large black letters that peace has been declared. Millions of these were dropped from aeroplanes into the American lines and one of them was procured by a Holland boy.

Another interesting relic is a German camera and also a large array of pictures taken by this camera.

A little piece of iron, apparently of no great importance unless one knows the history of it, is part of a shell taken from the leg of one of our wounded Holland soldiers, who did valiant service at Chateau Thierry. The display does double duty from the fact that it is appropriate for Armistice day, but also is a reminder that it is time to renew our membership to the Red Cross, and by the way, let us not forget the "Rose of No-Man's Land."

A catalogue of the war museum owned by a Holland soldier, who does not wish to have his name mentioned, follows below:

German cigarette case, picture of German castle, German pipe, German high officer's belt, German camera, and pictures taken with this camera, German field glasses, German War Cross, German trench knife, German watch, stones from the Rhine, first news of the peace to our boys, (paper dropped from aeroplanes,) American sword, small U. S. Calibers, small American shell, German shell, gas mask, German belt, French flare gun, German army spoon, U. S. hand grenade, a German helmet, piece of shell taken from a Holland boy's leg and an array rifle.

# MOTHER DENIES SHE OFFERED TO GIVE BABY AWAY

According to the mother of the now famous "rummage sale baby," it was what amounted to a breach of faith on the part of another woman that brought the baby into the limelight in Holland. The mother claims that she never gave the woman who appeared with the child at the Woman's Literary Club hall authority to offer to give her baby away. "Why, I never thought of such a thing," the mother declared; "when I saw in the paper that a mother had offered to give her baby away, I and my mother-in-law decided to go to the W. L. C. hall to take a look at it. And then later I discovered that it was my own baby that was meant."

The mother declares that she left the baby in the care of the woman who came to the club house with it, but that she had never given the woman authority to offer to give it away. "I told her some time ago," the mother said, "that I wished I could find a good family to care for him while I went out working, but I never thought of giving him away. Perhaps she misunderstood me and thought I was offering to give the child away."

The names of the mother and of the woman who came to the W. L. C. hall with the baby have never been made public, for obvious reasons. In fact, no one concerned in the affair knew the names, not even Mrs. G. J. Van Duren who offered to be a go-between. Mrs. Van Duren refused to learn the names because she wanted to be a wholly impersonal agent in the matter, and the newspapers did not learn the names either. The mother therefore did not get any direct notoriety out of the matter, but she claims now that some of her neighbors and friends have spotted her and have connected her with the affair. Hence she wants to state emphatically that she was not in any way responsible for the offering of the baby to those in charge of the rummage sale; but somewhat illogically, under the circumstances, she refused to have her name revealed.

# WEDDED AT THE HOME OF BRIDE

A simple home wedding in which Miss Joerens Stengerda, daughter of Mr. and Mrs. H. Stengerda, and John Rooks, son of Mr. and Mrs. Peter Rooks, both of this city were principals, took place Thursday evening at 8 o'clock at the home of the bride's parents on West Nineteenth street. The ceremony was performed by the Rev. Zwier of the Maple Avenue Christian Reformed church. Only immediate relatives and friends were present.

Mr. and Mrs. Rooks left Friday noon for a brief honeymoon to Chicago and other points. They will make their home on East 18th street.

# TO RAISE FUNDS FOR PLAYGROUND EQUIPMENT

A meeting of the executive committee of the Parent-Teachers' club of the Froebel school was held at the home of Mr. and Mrs. Bert Slagh Friday evening. The object of the meeting was to complete arrangements for an auction sale which will be held in the Junior High school Friday evening, Nov. 19th, for the purpose of raising funds sufficient to finish paying for the newly installed battery of 21 swings. A special committee was appointed with Mrs. Able Smeenge as chairman to arrange for a full supply of baked goods and candy and other things. Orchestra music and other special entertaining features have been provided for.

# LEGION MEMBERS WILL HAVE CHARGE OF ROLL CALL

The Willard G. Leenhouts Post, American Legion, has this year asked the Red Cross for the privilege of making the annual Red Cross membership enrollment for them. The Legion members in this way wish to express their appreciation of the work of the Red Cross during the war. The Legion will do all the necessary work and will place as many as possible on the list in this city.

The membership fee this year as always is one dollar. The Legion will make a house to house canvass of the city, and will also concentrate their efforts on the factories where all will be given an opportunity to enroll. For this purpose ward captains have been appointed, and factory captains will also be named. Each captain will choose his own helpers in his own ward or factory, the only restriction being that the helpers shall be chosen from among the membership of the Legion. Each captain will work out his own campaign in his own territory.

Born to Mr. and Mrs. H. W. Dornbos—a girl.

# THIEVES ENTER FOUR GARAGES IN HOLLAND

After breaking into three garages in Holland on the night between Saturday evening and Sunday morning, auto thieves finally succeeded in getting a car in the fourth garage they entered. On Sunday morning three astonished auto owners found their cars in the street, while a fourth discovered that his car was gone.

The thieves first apparently attempted to take the car William Dinkeloo owns, 214 E. 8th street. They broke the lock on the door and pushed the car to the street, but they couldn't get it started because of carburetor trouble and they left it standing on the street.

The next place visited was Anthony Rosbach, Lincoln avenue. Here also the door was broken open, but Mr. Rosbach had taken the precaution of taking the key of his car into the house, and so the thieves could not get the car started.

Then they went to the home of L. Knoll, also on Lincoln avenue. They pushed his car out of the garage to the street and pushed it for about a block in an attempt to get it started, but fortunately for Mr. Knoll there was something wrong with the engine that prevented the thieves from going off with the machine.

They were finally successful at the home of Girard Cook, 117 East 14th street. Here they found the garage door unlocked and the key of the car in the machine. They pushed the car to the street and apparently had no difficulty in getting it started. On Sunday morning Mr. Cook discovered his garage open and the car gone.

The stolen car is a Maxwell, 1920 model. It was purchased in November of last year. It is a 5-passenger car. Mr. Cook Monday offered a reward of \$50 for information leading to the return of his car. One mark of identification is a dent in the right front fender.

The police department was immediately notified and every effort is being made to trace the car. A report came to the Holland police department that on Sunday night a Dodge car had been stolen in Zeeland.

# VOTES BEFORE LEAVING FOR CALIFORNIA

Mrs. P. H. McBride left Friday for California to spend the winter there. In spite of her advanced age, Mrs. McBride is making the long trip to the Pacific coast all alone. She is making the trip along the Santa Fe route and her destination is Long Beach. It is there that the McBrides used to spend the winters before the death of the late P. H. McBride.

Mrs. McBride expects to spend four or five months there, returning to Holland in the spring. She remained in Holland as late as this fall because she wanted an opportunity to vote last Tuesday.

# "BILLY SUNDAY OF JAPAN" TO BE HERE THURSDAY

Thursday evening Nov. 11, at 7.45 the "Billy Sunday of Japan," Rev. Paul Kanamori, will deliver an address in the Third Reformed church. Rev. Kanamori comes here under the auspices of the Ministers' Union of this city and vicinity, and Rev. James Chyzels and Rev. J. H. Bruggers form the committee to make the arrangements. The general public is invited.

Rev. Kanamori has won a world-wide reputation as an evangelist. Altho he is known as the "Japanese Billy Sunday," those who have heard him declare that he should be known as the "Japanese Moody," as he is not spectacular, like Sunday, but rather preaches in the manner of Moody.

Kanamori embraced the Christian religion in 1876 and for many years did evangelistic work in Japan. Later as a result of reading higher criticism he broke with the Christian religion and from 1891 to 1913 he was not connected with any church but lectured for the Japanese government on economics.

In 1914, after the death of his wife, he once more embraced Christianity, and after a year with the Salvation Army, launched out into evangelistic work for himself, doing so under the auspices of the Congregational denomination.

In the last three and a half years he has visited in Japan and elsewhere 305 places, has held 812 meetings with the co-operation of forty different missions and 503 congregations of different denominations. The total attendance has been 313,400, and he is accredited with 58,338 conversions.

The Grand Trunk car ferry Milwaukee brought in a cargo of eighty tons of meat. This class of cargo usually carried in ice cars is rapidly becoming a feature of the local car ferry traffic. Shortened distances and quick service are responsible for this highly desirable freight coming this way.—Grand Haven Tribune.

# PROCLAMATION TO THE PEOPLE OF HOLLAND

In memory of Holland's dead who gave their lives in the World war as well as in honor of the living who offered their lives for their country if the need should arise, I hereby proclaim Armistice Day, Nov. 11, a legal holiday in Holland. I earnestly request that on that day the bells and whistles in the city be sounded at 11 o'clock in the forenoon in celebration of the event that brought an end to the war two years ago.

I further ask all citizens to display flags from their residences and places of business, and that all the stores, factories, schools, and other public and private institutions be closed for the day so that the day may be devoted to commemorating the greatest single event in the present generation.

In celebrating the signing of the Armistice I request that the people of Holland refrain from undue boisterousness. The event we are to celebrate Thursday was filled with solemn significance and the carnival spirit is out of keeping with its true meaning.

As a city and as individuals we should all devote the day to returning in memory with great thankfulness and quiet joy to the hour that marked the end of the greatest war in history.

E. P. Stephan, Mayor.

# COULD ALMOST CIRCLE STATE WITH STICKERS

Enough Christmas seals have been ordered by the Michigan Anti-tuberculosis Association for use in Michigan during the Christmas Seal Sale from Dec. 1 to Dec. 11 to reach if placed end to end, across the state from Lake Michigan to Lake Huron, and lengthwise through the state from the Indiana border to the Straits of Mackinac.

Or if the seals were laid end to end in the upper peninsula there would be enough to provide a border along the entire boundary of that section of the state.

The number of Seals to be offered for sale in this state is 30,000,000 and if all these are sold it will mean a per capita sale in Michigan of nearly ten. And in buying this number Michigan will not be doing more than other states expect to do.

Enough Christmas Seals have been printed and distributed by the National Tuberculosis Association to the state organizations in the 48 states to reach more than half way around the world if the seals were laid end to end. Nine hundred million Seals have been distributed among the forty-eight state organizations and the more than eleven hundred local anti-tuberculosis societies in this country. If placed in a row, these Seals would measure fifteen thousand miles.

Approximately nine Seals have been prepared for every inhabitant in the United States. In addition, an attractive health bond will be used in the Christmas Seal sale, this bond guaranteeing to the purchaser returns in individual and community health.

In Michigan work on the preparations for the December sale has been in progress for some time. Throughout the United States more than one hundred thousand workers will be engaged on the sale. The seals will sell for one cent a piece as in previous years, and the proceeds will be used to finance the anti-tuberculosis work during 1921.

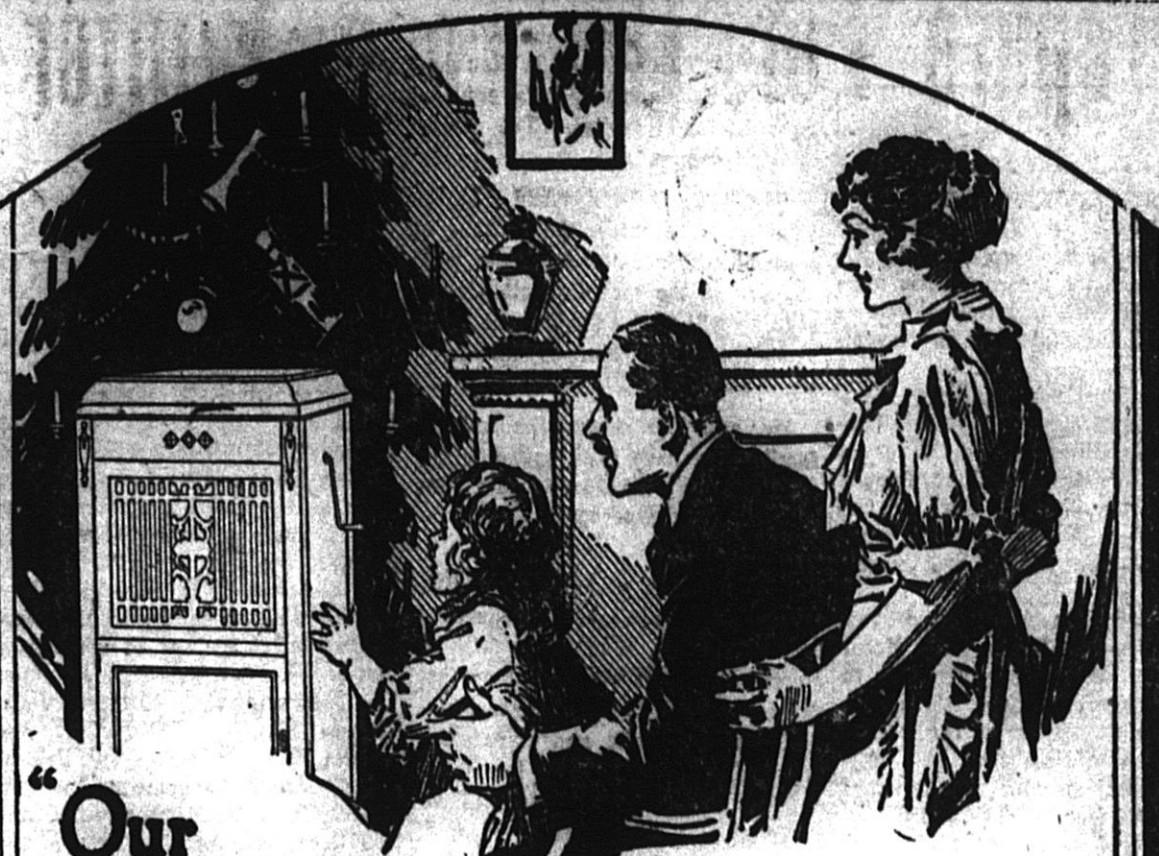

# MAKING A DRIVE FOR 600 MEMBERS

At a meeting of the H. O. H. held Friday evening in the I. O. O. F. hall, Frank Brieve, the newly elected president, was the presiding officer and gave his inaugural address. Anthony Van Ry gave an address on "Co-Operation," in which he made a plea to all to help swell the membership of this order. The goal set is 600 members and he asked all to help reach it before October, 1921, when the club year ends. This address was given in the Holland language by Vice-President Cornelius Woldring as interpreter. P. F. Koopman read a paper on "The Art of Growing," touching mainly on the protective features of the H. O. H.

A system of encouraging attendance was adopted by drawing numbers from a hat, the holder of the lucky number to receive \$2.50 if he is present. Past President Fred Kamferbeek won the number Friday night, but since he was not present the \$2.50 will be added to that of next month, making the prize for that time \$5.

A membership drive for the H. O. H. is now on. The member securing six or more members by December 3rd will be given \$5 by the Peoples State Bank, through Asst. Cashier Alex Van Zanten. A specially good program is being prepared for the December 3rd meeting.

The Misses Kate and Margaret Massa were Grand Rapids visitors on Saturday.

# "Our Budget Plan will bring the New Edison this Xmas!"

THIS is the time of the year when our Budget Plan is most helpful. You ought to come in right away and find out what it can do for you.

In the first place, it will put a New Edison beside your Christmas tree, (how the family will rejoice!)

In the second place, it will stretch your Christmas dollar so that you'll hardly feel the purchase.

The Budget Plan treats the New Edison as an essential of life, such as a home, and arranges payments on the sound "time" principle. It combines modern business practice with thrift.

This way of treating a dollar actually makes it go farther. Let us explain how the Budget Plan brings the longed-for New Edison for what an extremely ordinary gift would cost,—and makes 1921 thrift pay for the balance.

## LOCALS

Ray Walker of Waverly can beat all the late fruit growers. He has bushes of ripe raspberries; also some with green ones and several bushes with blossoms and that on November 10.

The county clerk of Allegan county has issued licenses to Louis Lohman of Hamilton; Fannie Dekker of East Saugatuck; to John Poppen and Jeanette Slotman, both of Overisel and to Harry Pall of Hamilton and Jennie Vos of East Saugatuck.

The Venhuizen Auto Co. delivered the following Dodge Bros. Motor cars this week: one delivery car to Joseph Rowan, manager of the Ottawa Sales Co., a touring car to Mrs. E. Looman of Hamilton.

Six hundred persons will be asked to give \$5 each for the financing of the Muskegon Community chorus, an organization of over 500 voices which is singing every Sunday at the new armory at Muskegon.

Miss Cora Van Koeving, who has been doing missionary work in New Mexico has returned to her home in Zeeland, owing to illness.

The Woman's Christian Temperance Union met Friday afternoon at the home of Mrs. John Kooiker, 12 West 12th street. A large number of members and guests were present. The program was in charge of Mrs. H. W. Smith who gave an interesting talk on "Purity". The devotions were in charge of Mrs. E. Markham. The tea committee was composed of Mrs. J. Weed, Mrs. B. Harris and Mrs. George Haas.

A Zeeland pastor is certainly beloved by his congregation. Rev. H. Harmelink last week was given a purse of \$556 and this week the First Reformed church of Zeeland gave him an automobile. The congregation no doubt is very thoughtful in these gifts, first presenting him with the upkeep of a car and later giving him the real thing. Mr. Harmelink is a graduate of Hope college and the Western Theological seminary.

A miscellaneous shower was held Thursday evening in honor of Miss Amanda Pathuis at the home of Mrs. H. Te Roller, 184 East 5th street. About 30 girl friends of the bride-to-be were present. Games were played and the prizes that were won were presented to Miss Pathuis. Miss Pathuis received many useful and valuable gifts. Refreshments were served by the hostess, assisted by Mrs. Frank Harmsen and Miss Gertrude Woodruff.

Att. Arthur Van Duren was celebrating his 47th birthday Saturday and is treating his friends at the "Coffee Kletz". Mr. Van Duren is just as old as his friend Governor-elect Groesbeck, who no doubt is celebrating two occasions today, namely his election and the day of his birth. Mr. Van Duren and the new governor were in the same class at the U. of M. law school.

Miss Esther Mulder of Fennville is spending the week end with her father Mr. J. B. Mulder. Miss Mulder is instructor at the high school there.

Mrs. W. Zylstra returned from a two months' visit in Holland, Zeeland and Grand Rapids.—G. H. Tribune.

Perch are running big, one hundred large fellows were caught on Friday at Macatawa by Wm. Vander Ven, Ben Brower and Bert Hulsebos. No Van isn't going to catch them, he found he had too many friends.

It is estimated that more than 100 automobiles came from Muskegon Saturday loaded with fans taking in the Muskegon-Holland game. Besides these cars two large "Rubber Neck" wagons accommodating 30 each also hove into sight. After the game Holland streets were simply congested with automobiles and the jolly noise makers with their decorated cars gave one the impression that a carnival was holding sway in the city. Scores of Muskegon folks stayed over the week end and Saturday night both theaters were packed with Holland and Muskegonites vying with one another. No one had a crow coming as the score was 0 to 0.

The Misses Georgiana Westhook and Mildred Kuizenga of Muskegon came Saturday to attend the Muskegon-Holland High football game and spent Saturday night and Sunday the guests of Miss G. Marcelle Galentine on East Eighth-st.

Miss Vera Risto has returned to Chicago where she will resume her course, training for a registered nurse degree.

Mr. Ferris' home county, Mecosta, gave him 557 more votes than the next highest Democratic candidate. Yet Mr. Ferris was beaten in the county by 815. When elected Governor in 1912, Mr. Ferris carried Mecosta county by 701, and at his re-election in 1914 his plurality was 300.

Zeeland high school has adopted the student government during study hours.

Miss Jane Ellander returned home after visiting in Grand Haven and at Harlem.

Automobiles owned by Attorney Raymond Visscher and T. Kruithof, were badly damaged in a collision near Holland hospital. The drivers escaped injury.

Sheriff-elect Del Fortney asks the local press to thank the citizens of Holland and vicinity for their loyal support at the recent election. He says he will try and merit the confidence placed in him by making a No. 1 sheriff.

Mr. and Mrs. Arend Smith and family who have been spending the summer at Waukazoo left for Chicago Monday to spend the winter there.

All the places of business in Holland are to be closed on Thursday Armistice Day. The stores will be closed all day, it was announced today by some of the merchants. Practically every public and private institution in the city will be closed on Thursday, and the day will be observed as a holiday here.

Holleman-DeWeerd Auto Co. says advertising pays, and this combined with the efficient salesmanship of Ben Lanning, the record for selling Fords was smashed Saturday. The salesman's order book shows one sedan, one coupe, two roadsters, one touring car, and secondhand Dodge. These orders were secured for the Holland establishment and do not include orders at the other branch houses at Zeeland and Byron Center.

Sheriff Dornbos reached home on Saturday morning with Nick George-cakes wanted on a perjury charge in this county, upon the allegation that he swore to the affidavit in securing a license to marry Mildred Winchester aged 16 of Grand Rapids. Mr. George-cakes stated that the girl told him she was 18 years old and that he was not familiar with the details connected with securing a marriage license in America. He came from Greece only four years ago. He was arraigned before Justice Dickinson and waived examination. He was bound over to circuit court under a \$500 bond. The girl was taken to her home in Grand Rapids by her mother.

The P.T. club of the Lincoln school will hold a meeting Wednesday evening at 7:30 o'clock. It will be a patriotic meeting, coming as it does on the eve of Armistice Day. A good program has been prepared. Music will be provided by the Van Dyke orchestra. A large attendance is desired. Refreshments will be served.

Dr. E. J. Blekkink of the Western Theological Seminary left on Tuesday morning for New York to attend a conference of the American Bible society. He will be gone a week. Mrs. Blekkink left Tuesday for Ann Arbor to spend a week with their daughter Ruth who is a student at the University.

State Troopers Walker and Ritter co-operating with the sheriff's department of Ottawa county, arrested Joe Patrick on a charge of manufacturing whiskey at his home in Crookery township. A still capable of making 15 gallons of whiskey was taken besides some mash and whiskey. Patrick was arraigned before Judge Dickinson and bound over to circuit court under \$500 bonds which he furnished.

John Baker of Waverly R. R. No. 11 set out some Charles I strawberry plants during the month of August. Today he brought to this office some berries which were nearly fully developed. Owing the fact that these plants were not of the Ever-bearing variety, Mr. Baker thinks this is some record.

Miss Anna Tietema left for Miami, Fla., Monday where she will spend the winter.

With 7,234 cases of diphtheria reported in Michigan from Jan. 1 to November 5, this disease, which was more prevalent in Michigan during 1918 than in any other state in the union or country in the world, now shows an increase of 30 per cent over last year and two and one-half times the average for the past 12 years, states Dr. R. M. Olin, state health commissioner.

A cablegram was received by the mother of Miss Tena Holkeboer, stating that she had arrived safely in China.

The Misses Ruth and Mabelle Mulder and J. B. Mulder and B. A. Mulder motored to Grand Rapids Monday afternoon.

The automobile owned by John Shoemaker, a Zeeland shoe merchant was stolen Sunday evening while he was attending church services at the Third Reformed church. No trace has been found of the missing machine.

Albert Steggink, aged 92, died at Muskegon Monday morning at the home of his son John Stegink. The funeral will be held from the house of C. Den Herder at Vriesland at 1:30 o'clock and 2 o'clock from the Vriesland church, Rev. G. De Jonge, officiating.

John Nyland, living on rural route No. 8 contributes this latest egg story—19 White Leghorn hens laid 4,035 eggs in one year—an average of about 212 for each hen. Nyland says he gave his hens just ordinary feed and used nothing to force laying.

Eugene Bliss of Sunfield, lost a gold band ring while loading beets and was much surprised when it was returned to R. M. Bascom, who had charge of the beet station, it having been found when the car was unloaded at Lansing.—G. R. Press.

Dan Maunsen of Grand Haven was mistaken for a rabbit Sunday afternoon while out hunting with his brother-in-law, Abe Reindeer, and was shot in the legs. Reindeer said he could see something moving in the brush which he thought looked like a rabbit and fired at it without making further investigation. Maunsen's wounds are not considered serious as the dense underbrush prevented much of the charge taking effect.

Mrs. Janna G. De Boe dies Tuesday morning at her home 116 West 14th street at the age of 53. She is survived by her husband, Johannes De Boe, and four children, John, Gertrude, Jacob and Cornelius. The funeral will be held on Friday at 1:30 from the home and at two o'clock from the 16th street Christian Reformed church. Friends are requested to omit flowers.

Mrs. Anna Smith dies Tuesday morning at her home at 220 West 11th street at the age of 21 years. She is survived by her husband, John J. Smith, and her parents. The funeral will be held Friday afternoon at 1:30 from the home, Rev. Wayne and Rev. Heemstra officiating.

Rev. John Y. Brook of Plainfield, N. Y. will preach in the Third Reformed church Sunday, November 14. Mr. Brook was traveling west and incidentally expressed the desire to preach in the church served by his father for so many years. Mr. Brook is a graduate of Hope College. There are two sons of the late Rev. Brook; one is Albertus who married a Holland girl by the name of Grace Yates, and the gentleman who is to preach in this city Sunday is a second son.

### FORMER MEMBER OF HOPE FACULTY DIES THURSDAY

At 5 o'clock Thursday afternoon at the family home east of the city on the Zeeland road death came to Prof. D. B. Yntema, for many years a member of the faculty of Hope College, and affiliated closely during a large part of his life with the business interests of Holland. Prof. Yntema had been in poor health for about three years with chronic bronchitis. Last Monday he was taken seriously ill and death came Thursday afternoon. Prof. Yntema was born on May 31st, 1851, in Vriesland, a few miles east of Zeeland, where the Yntema family homestead was. He received his education at Hope college, and later took a year's work at the Michigan State Normal School at Ypsilanti, winning his Master's degree from that institution.

His first position was that of superintendent of schools of St. Johns, Michigan. This position he held for sixteen years. The high esteem in which he was held in that community was shown a few years ago when St. Johns dedicated a large elm tree to him, marking it with a field border on which a copper plate with an appropriate inscription was placed.

In 1893 he accepted the position of professor of physics and chemistry at Hope College, which he held for 23 years, after which he retired from active school work. During the latter part of his term of service at the local institution the physics and chemistry departments were separated. Prof. Yntema keeping charge of the former.

Prof. Yntema was one of the promoters of the Holland-St. Louis Sugar company and served for many years as a member of the board of directors and of the executive committee. He was also one of the promoters of the Peoples State Bank serving as director until last year when he retired. Another local institution that he helped to establish and which he served as a director was the Standard Grocer & Milling Co. He was a director of this concern at the time of his death.

He is survived by his wife, five sons and one daughter. The children are: Hessel, at present doing postgraduate work at Harvard, and holding a position of Asst. Professor of Political Science at the University of Michigan; Leonard, doing postgraduate work in Chemistry at the University of Illinois; Clara, teacher of Latin at Kenosha, Wis.; Theodore, Dwight, and Chester, students at Hope College.

A brief memorial service was held in Prof. Yntema's honor Friday morning at the chapel exercises at Hope College, President E. D. Dimment giving an informal address.

The funeral was held Monday afternoon at 2:30 o'clock at the home. Rev. P. P. Cheff, pastor of Hope church, of which church Prof. Yntema was a member, conducted the services assisted by Prof. Paul E. Hinkamp, college pastor at Hope College, the institution Prof. Yntema served for 23 years.

### EAST SAUGATUCK MAN INVENTED FARM DEVICE

Herman Tucker, an East Saugatuck man, has invented a device that is expected to become a great boon to farmers as is a hay loader or the hay-unloading devices. Tucker's invention does for grain and corn what the other devices do for hay. It unloads the bundles of grain or corn and places them in any part of the barn desired.

It is a steel contrivance very simple in construction. Instead of the fork in the hay-loading device, it has a little platform on which the bundles of grain or corn can be laid. Then by means of cables and pulleys the bundle is carried to any part of the barn or to any part of a stack.

A boy can operate the machine, and it also eliminates one man on the stack or in the barn. By the old method two men are needed, one in front to catch the bundles and one behind to pack them. But the new device carries them direct to the back.

The device has been patented and has been given a great number of rigid tests under all possible conditions that might conceivably arise in any barn or in connection with the building of any grain or corn stack. And the tests have so far all been satisfactory, so that the owner now claims he has worked out something that has long been needed on the farm.

Mr. Tucker has not fully decided how he will develop the patent, whether he will sell it to a farm implement manufacturing concern on a royalty basis or whether he will manufacture the device himself.

### STILL ANOTHER GARAGE ENTERED BY AUTO THIEVES

The story of the breaking into four garages in Holland on the night between Saturday and Sunday brought out the fact that there was still another garage broken into. But in this case the thieves had so far miscalculated that they broke into a garage that was a garage in appearance only.

Mr. R. Sybesma, living on E. 9th street, has a garage that he uses as a woodshed, since he has no car. The thieves entered the building thru a window and then opened the door. They drank the milk in a bottle standing on the back porch and threw the bottle in the yard. On Sunday morning when Mr. Sybesma discovered that the shed had been entered he assumed that it was the work of young boys, but Monday night when he learned that four other garages had been entered he came to the conclusion that the same gang entered his place.

### C. G. STATION TO STAY OPEN TO YEAR'S END

Although navigation out of this port closes this week, the last vessel of the Graham & Morton line leaving Holland on Thursday evening, the United States Coast Guard will stay on the job for a considerable while. No orders have as yet been received by Captain Van Weelden in regard to closing the station, and the captain does not expect orders from headquarters of the Twelfth Coast Guard district until the latter part of November or probably the early part of December. And even after orders come the station will probably remain open for some time.

During the past three or four years the station at Macatawa has remained open each season until the last day of December, and unless there is a radical reversal of policy this year, that will again be the closing date. The place will then remain closed until March first, which is always the opening date.

With the closing of navigation the members of the coast guard have a lightening of responsibility, but there are always other craft that go in and out of the harbor from time to time, and these are under the protection of the life savers. November moreover is one of the worst months of the year for storms, and one of the months when a lot of work, somewhat dangerous sometimes falls to the lot of the coast guard.

Captain Van Weelden for the first time in many months has a full crew at present. During most of the season he was compelled to get along with at least three substitutes, but all the men are now enlisted men. Earlier in the year some of the life-savers found jobs in factories in Holland where the pay was better, but lately some factories have been laying off men, so that service in the Coast Guard is becoming more desirable from a financial point of view.

The Coast Guard at Macatawa gave its services during the summer in six drowning accidents, three at Macatawa and three at Holland.

### ATTENDS SAME MAN'S FUNERAL TWICE

Maurice W. Huyser, one of the pall bearers at the funeral of Gustave De Vries, the soldier whose body was brought home from France by the war department, also attended the funeral of the Holland boy in France, so that he had the curious experience of attending the funeral of the same man twice, with an interval of about two years between.

Huyser and DeVries were friends before they went to France. They volunteered at the same time, went to Chicago together, and later went to Florida together. Huyser was sent across first, but about two months later De Vries came across. Curiously he landed in the same camp as Huyser, and the two again became camp-mates and were much together.

When DeVries died of pneumonia Huyser attended his funeral as his closest friend in the camp, but he was not a pallbearer. Tuesday he again attended the boy's funeral, this time as a pall bearer.

### FIRST MEETING OF CITY Y IS HELD

The first regular meeting of the city Y was held Monday evening in the high school Gym. The older men's class was well represented; about 50 men were present and a goodly number paid up. They were given volley ball basketball and indoor ball and all enjoyed an hour of fun.

At 8:30 the younger men were given an opportunity to have their fun with basketball and indoor ball. No one will be allowed on the floor next week without a membership card. These cards can be secured at J. J. Rutgers Co. of Ray Knoolhuisen, secretary.

Miss Bettie Kraker, who has been confined to her home is reported as improving nicely.

### CAPPY CAPPON INJURED IN LAST SATURDAY'S GAME

Cappy Cappon has apparently made good with Yost's U. of M. team. He has been in every game since the season opened and in all of them he has shown superior qualities in his playing. He has not yet been placed in a position where the spectacular playing is being done, but it is the obscured work of Cappon that is winning football games for Ann Arbor.

There has not been a game played this season in which the Detroit and Chicago papers did not credit Cappon with bringing down men, who but for this fact would have brought the ball over the goal line. Invariably the sporting items will say "Cappon prevented the opponent from making gains, and the team was set back a certain number of yards," as the case may be.

The Detroit News-Tribune of Sunday mentioned the following:

"Michigan was the first to score in this great battle, which sent away 20,000 homecoming fans rejoicing and confident that Coach Wilce and his warriors will win the conference title. Neither eleven had scored in the opening period. In the second quarter Cappon of Michigan intercepted a forward pass in midfield, and ran to the Ohio three-yard line."

Relative to the Saturday game the Detroit Free Press goes on at length as it is supposed to be the banner game of the season, when the Wolverines will meet the Maroons of Chicago. It seems that the Maroons have several players out of commis-

sion and Ann Arbor is faring little better.

Among the injured players the name of Cappy Cappon also appears and apparently Coach Yost is doing his best to get Cappon into shape for the game Saturday. The Free Press says:

"Cappon was injured in the first half of the O. S. U. fray and had to be removed from the game. "Abe" Cohn took his place and did remarkably well considering the fact that his usual job is at full-back. Cappon was hobbling around town this morning and spent the greater part of the afternoon on Archie Hahn's rubbing table. It is not certain that he will be physically able to enter the line-up against the Maroons, but the trainer is working on him carefully and thinks he can get the star end ready by Saturday afternoon.

at his old place in the line Michigan will have two of the best tackles in the conference in Wieman and Capt. Goetz. At guard Dunne and Wilson should be able to hold their own, while Vick at center is one of the best pivot men in the West. Cappon and Goebel at ends have developed rapidly, their improvement is marked as one of the great achievements of the season."

## New Telephone Rates

THE Michigan State Telephone Company has been granted an increase in telephone rates of approximately 15%, effective as of November 1, 1920.

This authorization was received after the November bills were issued. The new rates will, therefore, be billed on the December bills, which statements will carry the increase for November as well as the new rate for December.

The proper charge for the month of November may be paid, however, if you so desire, with the November payment. Information as to the amount may be secured from the local telephone office.

## OTHER CITIES

LOOKING FOR WATER  
BESIDES HOLLAND

Allegan News—The city of Allegan is badly in need of water. The chairman of the city water committee investigated the situation last week and found the water in the well very low and this too when little sprinkling is being done. The wall in the well is crumbling and we are greatly in need of another well so that we can repair the old well. If such water condition prevailed at the home of our aldermen, or business people it would not be long before repairs would be made to save the well. Now, why should not the same business methods be applied to the business interests of the city? The water condition is alarming, we are told by men who know. A big fire and it would be impossible to cope with it. Every town that neglects her fire protection is sooner or later sorry and wiser. We need water far more than we need paying or in fact anything else. Let the council look the matter squarely in the face and do their duty. Give Allegan people who are paying a good rate for their water at least what they should have and the proper fire protection.

## HOPE RUNNERS WIN

## 3RD PLACE AT M. A. C.

The Hope Track team had its first try-out for running titles in the annual cross-country run at M. A. C. last Saturday. The local runners took third place, being out run only by the U. of M. and M. A. C., the two state institutions. The track covers a distance of 4 1/2 miles, and the race is open to the colleges of the state. The race was somewhat uneven, M. A. C. placing first, with U. of M. and Hope contending for second. The next place won by Albion marked a big margin of 18 points. Each school could place four men in the race, M. A. C. having 65 men from whom to select. A number of new men have come out for track work this year, and with the added interest exhibited in the X-country run, Hope will present keen competition for the cinder path honors next spring.

## BECOMES DISTRICT

SALESMAN OF BIG  
BOND HOUSE

Robert Leenhouts was in the city Friday in connection with the establishment of an agency in this territory for the American Bond and Mortgage Company of Chicago. The company established a branch in Grand Rapids a week or two ago at 112 Pearl street, with H. C. Hollister as manager. Mr. Leenhouts will serve the company as district salesman for this territory, including Holland, Zeeland and other towns along the interurban lines.

The company intends among other things, to engage in local financing ventures, thus affiliating itself with local industries in this part of Michigan. They will be ready to float loans for local concerns and do other service of this general nature. Mr. Leenhouts will make his home in Grand Rapids. The company he is affiliated with now has offices in Chicago, Des Moines, Davenport, Rockford, Columbus, Detroit, and Grand Rapids.

## "BOB WHITE"

SAID TO BE FINE  
EXTRAVAGANZA

The November Division of the Woman's Literary Club will present on No. 18 and 19 at the club house a pastoral extravaganza, "Bob White," said to be exceptionally clever, and excellent from an artistic standpoint. The play is by Willard Spencer, and it is presented, by special permission, by the John B. Rogers Producing Co., under the direction of Orpha M. Wilcox. The extravaganza will be enacted, for the most part, by local talent of recognized ability, while the Rogers Co. will furnish costumes and appropriate scenery.

"Bob White" has a smooth-running plot and is filled with musical numbers. The story deals with the adventures of two young millionaires who have lost a freak election but compelling them to masquerade as tramps for two months. They take refuge on the farm of an old Quaker who compels them to work for their keep. The fiancée of one of the unfortunates, hearing of their predicament, herself seeks employment as a milkmaid on the same farm, and in disguise forces from her future husband a truthful declaration of his love.

The entertainers are divided into "Groups," ranging from the "Colonial Dames" to the "Sweet Kids of Bubbleland." The cast and choruses are now being chosen.

R. A. Miller of the general freight office of the P. Marquette at Detroit spent Sunday with his parents, Mr. and Mrs. Miller on East Tenth-st.

Miss Sarah Van Dyke of the Sentinel and Miss Laurella Christoff were Grand Rapids visitors Friday.

HOLLAND BOY WHO  
DIED IN FRANCE  
BROUGHT HOME

The body of another Holland service man was expected to arrive home today, to be laid to rest in Pilgrim Home Cemetery as his permanent resting place, after having slept for two years in the soil of France. Mr. and Mrs. James De Vries received a telegram from the officials of the War Department on Thursday night that the body of their son, Gustave De Vries, had left New York city at ten o'clock Thursday morning and would arrive in Holland some time on Friday. About a week ago they received a message that the body had begun its journey from France and was due to arrive in New York in about a week.

Gustave De Vries was only 20 years old when he laid down his life in a camp in France. When the war broke out he was too young to be drafted, being only 19. But he volunteered. About January, 1918, he left Holland for New York, and a short time later he was sent to Florida. Shortly after he was sent across. He died of pneumonia less than a month before the Armistice was signed, death coming to him on October 14, 1918, after an illness of about two days.

When the government offered to bring the bodies of soldiers home if parents wished it, Mr. and Mrs. De Vries decided to have their son sent for, and as a result a flag draped coffin was Friday on its way from New York city to Holland to find a last resting place here.

The dead soldier is survived by his parents and one sister, Antoinette. Gustave De Vries is the third Holland boy giving his life for America on foreign soil to be returned to this city. The other two were Joseph Brieve and Tiemon Schepel, who died in Russia and were laid to rest in Holland some months ago.

The body of Gustav De Vries, the Holland ex-service man who died in France in October, 1918, arrived in Holland Friday evening at 11 o'clock coming from Chicago, whither a large group of bodies from France had been shipped by the government as a distributing point. With the body of the Holland soldier came 740 other bodies, to be scattered all over the middle west.

The Willard G. Leenhouts Post, American Legion, was on duty to receive the soldier's body when it arrived here. During the day after it became known that the Holland soldier's body was on the way from New York and was expected to arrive in the city on Friday, the officials of the Legion got busy and appointed a complement of guards who went to the Pere Marquette station to be there when the flag-draped coffin was put off the train.

The former Yanks escorted the body to the G. A. R. Hall where it now lies in state. The guard of the Legion watches the body night and day in true military fashion. The doors of the hall are open night and day. All the military honors were paid to the Holland boy both before the funeral and at the funeral itself.

G. H. CHURCHES TO  
JOIN IN GREAT  
NIGHT SERVICE

Grand Haven clergy will join in a great union memorial service which will be held at the armory at Grand Haven on Armistice night, as a closing feature of the great armistice day celebration which has been planned for Grand Haven on November 11. The churches have arranged for the meeting in response to the invitation of the American Legion committee, who expressed the wish that a memorial service might conclude the program for Armistice day.

The memorial service will be held at the armory at 7:30 Thursday evening and the program has been arranged entirely by the Ministerial association, all details having been left to the members of that organization by the American Legion committee.

Mrs. Anna Mulder, 243 West 13th street, died Friday at her home at the age of 53 years. The deceased is survived by her husband, John M. Mulder, one son Marinus, and two daughters, Jeannette and Jennie. The funeral was held on Tuesday, November 9 at 2 o'clock from the home and at 2:30 from the Fourteenth-street Christian Reformed church, Rev. J. Hoeksema, of Grand Rapids officiating.

Miss Gertrude Bezon was a Grand Rapids visitor Saturday.

## EAST HOLLAND

A pretty wedding was solemnized Thursday afternoon at the home of Mr. Herman Roeka, when his daughter Jeannette Marie was united in marriage to Cornelius De Vries. The bride was groomed in Navy Blue and carried a bouquet of carnations and ferns. Rev. J. Goewillem performing the ceremony before an altar of evergreens. Miss Grace Jansen played the Wedding March, Misses Clara and Cornelia Roeka were in charge of the gift room. Miss Tena De Vries was Mistress of ceremonies. Mrs. Peter Kareten, and Miss Grace Boeve had charge of the dining room.

**PHYSICIAN AND HOLLAND GIRL ARE UNITED IN MARRIAGE**  
Miss Emma Calbert was united in marriage to Dr. J. J. Meussen on the 28th day of October in Detroit at the Presbyterian church. Dr. and Mrs. Meussen will spend their honeymoon in New York. Friends of the couple in this city have just received announcements of the marriage.

Graham and Morton Season  
Is About to Close

The Graham & Morton Transportation Company announced Saturday that the transportation season between Holland and Chicago is about to close. The last boat of the season left Chicago for Holland on Wednesday evening, November 10, and the last boat out of here will leave Holland on Thursday evening, November 11.

PIONEER DIES ON  
FRIDAY EVENING

James Meussen, aged 71 years, died at his home at 514 College Av. on Friday evening at 10:30 o'clock. Mr. Meussen had been a citizen of Holland for 48 years. He was born in the city of Zeeland. The deceased is survived by three children, Mrs. Con De Pree, Mrs. Percy Osborne, and Miss Katherine Meussen, all of this city. Mrs. Meussen died a few months ago. The funeral was held on last Monday afternoon at 3:30 from the home, Rev. James Ghyssels, pastor of the Ninth Street Christian Reformed church officiating.

LOOK FOR FINE CONCERT  
ON FRIDAY EVENING

In presenting Mr. Harold Procter, the Irish tenor, and supporting artists, Miss May Reese, violinist and Miss Fleta Lawrence, pianist, the Hope College Lecture course predicts that Holland music lovers will find this company meeting or surpassing every expectation.

Mr. Procter has sung in concert and oratorio work throughout the British Isles, singing under such men as Hans Richter, Gaul and other great English composers. For two years he was tenor soloist at the Temple Baptist church, Los Angeles, the largest church west of the Mississippi.

The outstanding feature of Mr. Procter is not only the beauty and power of his voice, but also the purity with which he speaks his words. Words on high notes are sung as clearly and finely as those in lower registers.

He will visit Holland Friday evening at Carnegie Gym. and will be assisted by a violinist and pianist.

HEIR TO \$1,000,000  
FIGHTS WILL WHICH  
GIVES HIM NOTHING

A battle over the will of Sarah Mann, of Muskegon, widow of the late Alexander V. Mann, millionaire lumberman of Western Michigan, opened Friday in Muskegon county circuit court.

William H. Mann, who was left \$1,000,000 by his father, is contesting the will of his mother, who left about \$1,000,000 to be equally divided between her sister and Miss Frances Veldman, a companion.

Ex-Mayor Vanderauluis was in Grand Rapids on business Friday.

Miss Ella Van Putten spent the week-end visiting Dorothy Schermer at her home in Vriesland, Michigan.

and George Bowker, and Charles Bowker, and their respective unknown heirs, and the unknown heirs of Jan Trimpie, and their respective devisees, legatees and assigns, Defendants.

Present, The Hon. Orien S. Cross Circuit Judge.

Upon filing the bill of complaint in this cause, it appearing that it is not known and that the plaintiffs after diligent search and inquiry have been unable to ascertain whether the defendants, the unknown heirs of Joel Bowker and George Bowker, and Charles Bowker, and their respective unknown heirs, and the unknown heirs of Jan Trimpie, and their respective devisees, legatees and assigns, are living or dead, or where they may reside, if living, or whether the title, interest, claim lien or possible right to the real estate, hereinafter described has been assigned to any person or persons, or if dead, whether they have representatives or heirs living or where some or any of them reside, or whether such title, interest, claim, lien or possible right to the said following described real estate, has been disposed of by Will, and that plaintiffs have been unable after diligent search and inquiry to ascertain the names of said persons, included as defendants, herein.

NOW THEREFORE on motion of Dickema, Kollen & Ten Cate, attorneys for plaintiffs, it is ordered that the defendants, the unknown heirs of Joel Bowker and George Bowker and Charles Bowker, and their respective unknown heirs, and the unknown heirs of Jan Trimpie, and their respective devisees, legatees and assigns, and every one of them shall enter their appearance in this cause within three months from the date of this order and that within twenty days, plaintiffs shall cause this order to be published in the Holland City News, a newspaper, printed, published and circulated in Holland, Ottawa County Michigan, and that such publication shall continue once each week for six weeks in succession.

The above entitled cause concerns title to the following described property located in the township of Park, Ottawa County, Michigan, as follows:  
All that part of lot number one (1) in Section Thirty-six (36) Township five (5) north of Range Sixteen (16) West, which lies north of the center of the highway running through said lot one (1) in a southeasterly direction, and being commonly known and described as Lake Street, said parcel of land containing about eighteen and twenty-two hundredths (18.22) acres of land.

Dated, Grand Haven, Mich., Oct. 8th, A. D. 1920.  
ORIEN S. CROSS  
Circuit Judge.

Mr. and Mrs. Nathaniel Robbins of Holland, were guests Sunday of Nathaniel and Mr. Mrs. Hunter S. Robbins—G. H. Tribune.

At the congregational meeting held Tuesday evening in the Christian Reformed church of Jamestown it was decided to install a pipe organ in the church. The cost of the same with electric motor to amount to about \$2,000, the sum having been raised by subscription. The instrument will be installed within four months.

A football game between the "A" and "B" classes of Hope College is scheduled to take place on the nineteenth street football grounds on Thursday afternoon.

The members of the Grand Haven Exchange club will don overalls and old clothes next Wednesday afternoon, Nov. 17, and go to work repairing the road through Duncan park, Grand Haven's beautiful natural park. No appropriation for putting this road into condition for automobiles is available and the Exchange club notified Dr. Edward Hofma, chairman of the Duncan park trustees, that they would be on the grounds next week with picks and shovels and motor trucks. The woman's club will serve lunch to the workers during the afternoon on the job.

COUNTY CASTS  
BIG VOTE FOR  
THE CANDIDATES

To be exact a total of 13,585 votes were cast in Ottawa county, at the presidential election Tuesday, November 2. The board of county canvassers are now finishing up the tail-end of the official count and it was expected that the canvass would be completed by Tuesday night and ready for signing. The canvassers found a tremendous task awaiting them, when they went into session on Friday morning.

The board had its sessions in a room on the third floor at the court house, far away from any interruptions, and remained practically buried from the world all day Friday and Saturday, and late into Saturday night. An adjournment was taken over Monday and the canvassers returned to duty on Tuesday to complete the count.

The canvassing board consisting of John Arendshorst of Holland, E. J. Primm of Zeeland and Philip Reister of Conklin and Orrie J. Shuter, county clerk, acting as secretary, have found that Ottawa county cast 13,585 votes in the recent election, which is probably the largest vote ever cast here.

The official count of the vote on county officers had not been completed and reduced to figures when the board took its adjournment. There is every assurance however that the Republican county officers went over the mark by a tremendous score.

The count already made gives an idea at least, as to how Ottawa county voted. The vote on the presidential ticket in the whole county was as follows: Harding electors 10,566; Cox electors, 2396; Debs Socialist electors, 207; Prohibition electors 182; Single Tax electors, 182; Farm Labor electors 41; Socialist Labor 23.

Alexander J. Groesbeck made a fine run for governor in Ottawa county as the following vote on governor, already counted; Groesbeck Republican, 9,490; Ferris, Democratic, 3,762; Blumenberg, Socialist 169; Johnston, Prohibitionist 113; Markley, Socialist Labor, 20; Jeffries, Single Tax 31.

OLD SAILOR TYPE

IS NOW EXTINGUISHED

REPLACED BY MEN OF PURPOSE AND AMBITION

Where is the drunken sailor of yesterday who jettisoned his wages over a devious course along the water front and sought fistcuffs with the world?

He is gone from the Great Lakes and in his stead has come a serious, clear-visioned person who carried a bank-book instead of a bun; a person with a definite ambition who reads books and is studying to improve his position.

Though prohibition has resulted in the disappearance from the Great Lakes of some sailors who came up annually from salt water, a marked improvement is noted by the Lake Carrier's Association in the prosperity and general welfare of the present day dry sailors.

In former years it was not unusual for men to leave their boats during the middle of the season and spend their entire wages. Large numbers now remain with the same ship thruout the navigation season, sailors no longer return to their boats in port shaky and red-eyed, they are sober, alert and ready for business.

A fact more significant than the foregoing is the complete absence of fatal accidents this season due to intoxication. During the wet regime deaths among seamen who fell from ladders or docks while intoxicated were frequent occurrences. Many were lost overboard.

A FOOT BALL GAME  
WORTH SEEING

Last Saturday before the largest crowd of the season the Muskegon High school football team were held to a scoreless tie by the light, but fast and scrappy Holland High team.

Approximately five hundred Muskegon supporters accompanied the team, with the expectation of seeing Holland's scalp added to their list of victories thus making a sure claim to the state championship. But in this they were sorely disappointed for they underestimated the spirit and fight of Sweeney's men, who played the greatest defensive game ever seen on the local gridiron. The game began with Holland receiving. On the kickoff Lordahl received the ball to thirty yard line. Holland made ten yards thru Muskegon's line on four plays, but were held for downs on their own forty-five yard line. Muskegon by straight football carried the ball to Holland's 20 yard line where Holland held. Holland was forced to punt, Cook was downed on the 50 yard line, Muskegon again plowed thru Holland's line to Holland's thirty yard line, where Muskegon was penalized 15 yards for holding, Bowles being the offender. On the next play Muskegon lost the ball. Holland failed to make their downs and were forced to punt. Muskegon again made a mad rush for Holland's goal but were held on Holland's thirty yard line. An attempted drop kick by Muskegon failed by inches. On three plays Holland failed to gain and were forced to punt. The half ended with the ball in Muskegon's possession on Holland's 25 yard line.

The second half was practically a repetition of the first half with Holland playing a strong defensive game. Muskegon had a splendid opportunity to score, when Bovik fumbled a pretty forward pass on Holland's five yard line. An attempt to score a drop kick also failed. In the last quarter Holland by a few trick plays advanced the ball to Muskegon's thirty yard line, where a drop kick by Van Duren failed. Muskegon resorted to the aerial attack in the last quarter but failed to carry the ball within distance. The Muskegon team made first downs repeatedly, but lacked the necessary punch to score when the opportunity presented itself. Both teams were penalized frequently for holding offense and delaying the game, Muskegon receiving 55 yards and Holland 45 yards as penalties. In Cook and Bowles, Muskegon has the two best backfield men in the state, their playing was the outstanding feature of the game. Great credit must be given to the Holland line who held like a stone wall when their goal was threatened. For Holland, Capt. De Free, Beeuwkes and Vanden Brink were the individual stars.

Lineups and Summary:

| Holland     | Muskegon     |

Next Saturday November 13, Holland High will meet its old rival, Grand Haven on the local gridiron.

The Grand Haven team is exceptionally strong this year and are determined to avenge their former defeat. Due to their victory over South, whom they defeated by a larger score than did Holland, the county seat boys are confident they will defeat the local team. Sweeney realizes the importance of this game and will not send the Holland team into the game overconfident. The Reserves from both schools will play the preliminary.

HOLLAND FURNACE

RELIEF SOCIETY

HOLDS MEETING

The Holland Furnace Co. Relief Society held its annual meeting at Woodman Hall, Wednesday night. The Relief Society is an organization of Holland Furnace Co. factory employees, which has only one object as its basis for existence. That object is to give relief to an employee when he is stricken with sickness or accident that prevents work. This object builds a spirit of co-operation among the men.

Mr. A. H. Landwehr the first speaker stated that the election shows one thing above all others, and that is that people are practically of one mind on the biggest issues of the day, and that such a condition could mean nothing but a public confidence in the future. The Holland Furnace Co., he said, is setting out without delay, to establish about 40 new branches, and altho it is going to be a little harder to sell all goods than it has been during the era of tremendous shortage, his company is likely to need another factory before many months. He stated that, altho it is true that everyone in the organization will be called upon to work harder than ever, that opportunities will be greater than ever. Every man will have a chance for advancement. There will be two conditions for each man to meet. First, he must be ready for the bigger job; second, he must have a man ready to fill the place that he is to climb from.

The feeling between the company and its men is excellent, for it is entirely evident that every employee has the same hopes and beliefs in the company that the management has.

Mayor Stephan congratulated the Relief Society on the splendid spirit it and told several very amusing stories. Mr. Van Vyven, Mr. Carrier and Paul Vander List gave a number of good songs. Mr. VanVyven's were especially entertaining. Mr. Raacht, a company salesman from Ft. Wayne, recited a poem which caused great enthusiasm, and then addresses were made by Mr. Kolla and Dr. A. Leenhouts. Refreshments were served by the Mrs. VanderList, Welton, Tanis, Boylan and Brower. Music was furnished by the Warm Friends band.

Finally Mr. Binns, one of the men who has been receiving benefit from the Relief Society for nearly a year, got up and thanked the society for their true brotherhood and honest-to-goodness 'Warm Friendship.'

The officers elected for the coming year were as follows:

President—Bert Welton; Vice-president—Joe Dore; Secretary—Harry Koop; treasurer—A. H. Boylan.

# "A BIRD IN THE HAND"

Yes that's an old saying, but what can be applied to birds can no doubt also apply to DOLLARS

you know that Money don't grow on bushes

and you are not always able to catch the ELUSIVE DOLLARS

WE HOWEVER HAVE A SCHEME that will not fail to bring Dollars to you unassisted. You don't even need to go looking for them.

YOU who contemplate buying a Ford car next year should pay strict attention to a proposition we have to offer.

IN THE FIRST PLACE you know that the Ford Motor Co. has made a substantial reduction this year from the regular price of their car. The present price has astonished the automobile world and has sent contemplating auto buyers hurrying in order that they may place their orders.

BUT WE STILL HAVE AN ADDED SURPRISE IN STORE. The Ford Motor Co. has doubled our Ford allotment during November and December. It has been most difficult in the past for us to fill promptly the stack of orders filed ahead, but this added consignment each month has given us a wider latitude for selling and imbues us with added "pep" to increase our sales during the winter months.

Therefore you who contemplate buying a Ford next spring or summer, why not think of it now and derive the benefits and pleasures for several months free and without cost to you?

HERE IS OUR PLAN. On all Ford sales made now and paid for in cash we will allow the purchaser 4 per cent interest on his purchase covering a period of four months. Should the purchaser want time on the payment of a new Ford we will accept a note with sureties bearing no interest until March 1st 1921.

Do you grasp the proposition? First you get the benefit of the reduction recently given by Mr. Ford, and further you have the choice of two ways to pay for it. In one instance we hand you back 4 per cent interest when you pay the cash and in the other instance you get the car by giving a non-interest bearing note payable March 1, 1921.

And besides the weather man says we are to have an open winter and see the fun you would miss by waiting.
