## Merchants of Holland Feel Jubilant

NOW HAVE ONE OF FINEST  
STREETS IN THE STATE  
OF MICHIGAN

IN SPITE OF CONTINUOUS BAD  
WEATHER, CONTRACTOR  
OLSON MADE RAPID  
STRIDES

Holland's main street is no longer a mere thoroughfare, but a complete and beautiful boulevard as well as a thoroughfare. The fact, and motorists can appreciate the full length of the street.

There has been six weeks of inconvenience when in many instances access was gained to stores through back yard entry ways, but the merchants as a whole have been patient and have given full co-operation and encouragement to Contractor Olson and his men who in spite of the most adverse weather conditions built Holland one of the best thoroughfares in the state.

The paving crew was on the job early and late, stood ready to jump in between showers and often worked drenched to the skin in order to advance the street's completion a few yards farther.

The finishing touches were put on the street Monday night and Tuesday morning the motor cars were rolling over, as before.

Eighth street seems wider, even if it isn't. It is estimated, however, that it will accommodate double the traffic it formerly did.

The curb on both sides is nicely rounded off to conform with the rest of the pavement, giving two feet more of turning space on each side in the place of the deep gutter that was there before.

The double street track in the center of the street largely eliminated the use of this part of the street. Drivers avoided this part of the street in order to get away from the grooves in the street made by the rails, in which the wheels of the car would become stuck and slew out dangerously when jerked from the grooves.

With the rails intact it simply meant two narrow lanes to travel over on each side of the highway. Now every foot of the highway is available, even the curbing.

Early in the year Mayor Brooks and common council followed the national trend to do work of a public nature when work was a little scarce. Holland has certainly contributed to this policy, and has paved at least four big streets, and many street ends, and laid several thousand feet of water mains and brought about the installation of water, wiring and sewer connections for private use incident to every new paving job.

An average of more than \$2,000.00 a week was paid in labor, not figuring the wages paid for the installation of private connections.

It is figured that the extra payroll of nearly \$3,000.00 weekly, because of the city's public program.

Mr. Olson has personally supervised most of Holland's paving and the city has been more than satisfied.

The city has done its own curb laying under the supervision of Mr. Dalman but naturally the entire job of paving and curb laying was under the supervision of city engineer Jacob Zuidema, who has been a very busy man.

No sooner had Mayor Brooks been elected to office when he advocated the taking up of the old brick pavement that had done duty for thirty years, and his plans received the endorsement of the members of the common council and of the merchants along the street as well.

There were several preliminary meetings, a public hearing, and while there were some differences of opinion as to what kind of pavement should be laid, the final outcome was for sheet asphalt, a highway that can easily be repaired if damaged in any way.

The final arrangement was that the property owners should pay twenty-five per cent of the cost and the city, seventy-five per cent. The total cost of the street is \$51,000. The city laid new storm sewers costing \$15,000 and the board of public works laid a new water main costing \$8,000. The new curb type of traffic lights and police telegraph system will cost \$6,500 when completed.

"DIEK" SAYS RADIO COMPANY NOT A PUBLIC PULSE FEELER

Special writer Fitzgibbon in the Detroit News of Sunday has this to say about J. G. Diekema and a radio campaign:

"Radio broadcasting in the campaign of 1928, observes Chairman Gerrit J. Diekema, of the Republican State Central Committee, who has directed many campaigns for his party since the 90's, has created a situation unlike any in previous presidential election years. The registration would seem to indicate a large interest in the campaign. It exceeds that of 1924, when the total vote in Michigan for President was 1,160,419. An unlimited number of electors are hearing by radio the ablest national political orators, not to mention the lesser ones on down to the bush leaguers. Yet there is no way of telling whether the reaction is favorable or otherwise. No applause or cheering. No noises of any kind. Far different than if the listeners were limited to those in a hall for then there can be no mistake as to what the crowd thinks of the speech. As to whether a radio speech is a check or a vote-winning effort is largely a guess. This is what Chairman Diekema means when he says that the radio has created a puzzling situation in the 1928 campaign.

## Men of Reformed Church to Hear Dr. Buswell

CHURCH, ZEELAND, WEDNES-  
DAY EVENING, NOV. 7

Dr. J. O. Buswell, Jr., of Wheaton College, Wheaton, Illinois, will be the principal speaker at the Reformed church classis of Holland and Zeeland.

Dr. Buswell will give a lecture Wednesday evening, November 7, at 7:30 o'clock in the First Reformed church at Zeeland.

Dr. Buswell made such a lasting impression at the recently held Ottawa County Sunday School Association convention at Forest Grove that those back of this movement felt that all men connected with the Reformed churches of Holland, Zeeland and vicinity would be materially benefited should they hear him.

Rev. John Van Peursem, Rev. Prins of Forest Grove and M. J. Jonker of Holland are the committee men in charge.

A cordial invitation is extended to the men of the church, and a large audience is expected to be present.

GRAND RAPIDS CHURCH  
CALLS HOLLAND PASTOR

Rev. J. De Haan, Jr., pastor of Ninth Street Christian Reformed church for three years, has received a call from Neland Avenue church, Grand Rapids. He would succeed Rev. D. H. Krommings, who was elected to a professorship in Calvin seminary by the general synod of the Christian Reformed Church in America at its biennial session here in June. Mr. De Haan came here from Lamont.

PORCH LIGHTS PREVENT  
MANY HALLOWEEN  
PRANKS

Folks in the residence districts avoided a great deal of Halloween annoyance Wednesday night by leaving the front and rear porch lights lighted until late in the night and when the young celebrators were snug in bed. They were a daring lot who would venture on a well lighted porch but the homes in the dark received a double "ghost" dose. There seemed to be more masquerading in the streets than usual this year. The police report no arrests and Chief Van Ry states that on the whole it was an orderly Halloween.

OTTAWA MAN HELD AFTER  
RAID BY STATE OFFICERS

Samuel Mahder, living in Grand Haven township, one-half mile east of Agnew, was held under \$1,000 bond on arraignment before Justice C. E. Burr on charges of manufacture and sale of intoxicating liquor. Examination has been set for Thursday. Mahder's arrest and arraignment followed a raid Saturday night by state police, operating under a search warrant. Officers reported finding 400 gallons of wine and liquor, 345 pints of homebrew and 150 gallons of grape mash, in addition to hops, raisins and sugar.

BRYAN'S SON IS NOT SUP-  
PORTING HOOVER, IT  
APPEARS

Newspaper dispatches state that in a statement made by William J. Bryan, Jr., he denies that he would support Hoover. A few days ago newspapers about the country stated that young Bryan was supporting the Republican candidate. The denial followed soon afterward, it appears.

Ottawa county state police arrested Charles Johnson of Muskegon Wednesday for fleeing from a liquor raid made recently at his home outside of Muskegon. Johnson has two homes and was keeping quiet at the other when officers located him up. He was arrested at Muskegon.

## Holland Lines Make Hit at Furniture Mart

BUSH & LANE, LIMBERT, HOL-  
LAND AND DUTCH WOOD-  
CRAFT GET FRAISE

Bush & Lane Makes its First  
Appearance in Furniture Field

The Grand Rapids Herald opens up the wholesale furniture season with an exposition issue devoting an entire section to furniture news and with page announcements. In this issue the Holland furniture products came in for considerable favorable publicity.

In the first place the Herald tells of the first furniture exhibit put on by the Bush & Lane Co. of Holland as a side line, and pictures the manager, E. P. Stephan and Jim De Pree in charge of the sales department. Further, they say the following:

BUSH & LANE  
A newcomer in the Grand Rapids market, a newcomer in the furniture business will be found in the November market, on the third floor of the Waters-Klingman building where Bush & Lane Piano company will be showing its initial line of bedroom furniture. The furniture will be different from anything heretofore shown. While it is not in any way extreme in design, the effort has been made to make it unusual in the kinds of woods and veneers used in its construction.

"The Bush & Lane plant in Holland is one of the most wonderfully equipped plants in the country. For years it has been manufacturing high grade pianos known everywhere. In launching into the bedroom furniture field, it is putting its excellent equipment and organization to work to the best of advantage insuring a splendid product made with the most modern facilities.

"At the head of the bedroom furniture department is E. P. Stephan who is one of the best known men in the furniture business and was for some years president of the National Association of Furniture Manufacturers. Mr. Stephan has a most enviable reputation as a production manager and knows the trade unusually well.

"In charge of the sales department will be James DePree, another who knows the business and has been highly successful at it. Mr. DePree and Mr. Stephan are assembling a corps of salesmen which will make the Bush & Lane product known throughout the country. Some of the best known salesmen in the business are joining the staff and a bright future is expected."

The Holland Furniture Co., in charge of "Big and Little John" are given the following praise:

"During the last two or three markets, Holland Furniture company has made a spectacular success of its line of Colonial bedroom suites. That is not all it has (Continued on Last Page)

BERNE DE PREE  
KILLED AS RESULT  
OF A HALLOWEEN PRANK

Berne De Pree who lives with his parents, Mr. and Mrs. Jacob De Pree 3 miles southwest of this city died in Holland Hospital today as the result of a fractured skull said to have been caused through a scuffle in which a Halloween prank figure. The man upon whom the joke was supposed to have been played was George Oetman, a brother-in-law to the young De Pree and he blamed De Pree for urging youngsters to practice Halloween jokes upon him.

Just who is to blame for the accident is not fully cleared up. Any way an automobile key figured in the event as did a length of gas pipe which in some way struck the head of De Pree. An investigation made in order to place the blame in the affair. The De Pree family formerly resided on 21st street in this city.

E. C. Waldeck from the Grand Rapids City Mission will have charge of the services Sunday at the First Orthodox Baptist Church, located on Pine and 19th Sts.

A birthday dinner was given in honor of Mrs. C. H. Karsten at the home of Mrs. and Mrs. H. J. Karsten Wednesday evening.

### FIFTY YEARS AGO TODAY

E. Vander Veen celebrated his silver wedding Wednesday. The guests were many and the presents were beautiful.

Tuesday was a real political gala day in Holland. Governor Crosswell came to the city in the afternoon and spoke on the political issues of the day. His arrival was announced by the firing of cannon and music by the band. His speech was given in the old gymnasium at Hope college. Personally the chief executive made a fine impression—that of an honest old gentleman. His discourse was short and delivered in a very dignified manner; but very little enthusiasm was awakened by his efforts on "the stump." He was followed by Wm. Williams from Indiana who made a "rattling" speech interspersed by a vast number of jokes and stories of which his vocabulary seemed inexhaustible. He made many hard hits at the greenbackers and Democrats. To counteract this Republican rally the Greenbackers held a meeting that same evening in the Union school and attorney Sam Clay, an able speaker, rent the air with his eloquence. Note: Holland would not think of using school buildings today for political meetings nor would Hope college throw open its buildings to meetings of that nature. The Union school was located on the site of the present Froebel school and was burned forty-nine years ago. The cannon spoken of was owned by the city and was a relic of the Civil war. It was housed in a shed back of the town west corner of Centennial Park then commonly called "Public Square." This group of buildings were burned many years ago. The cannon was primed every Fourth of July morning and was shot off when men of note came to the city or when a president was inaugurated or when his death took place. The cannon blew up when it was hauled to Black Lake some 35 years ago.

Prof. Anderson of Hope college was drowned when he fell from a row boat and dragging parties failed to recover the body. The old method of shooting over the place where the body went down was resorted to. The result was an over load of leather scraps and sand which was too much for the old boy.

Benj. Van Raalte, Jr., lost his arm while demonstrating with a corn shredder on the farm of B. J. Albers of Overisel.

John Van Dyke died at his home at 11 west 10th street.

In a dramatic and musical entertainment given by Grace Church at Odd Fellow Hall the Bryman orchestra played the "Burning of the City."

HOLLAND HOST TO 800 BOYS  
NOV. 30 - DEC. 2

Holland will be host to about 800 boys, representing the western section of the older boys conference, to be held here Nov. 30 to Dec. 2. The boys are grouped under ages of 16 to 18 years and represent Christian Endeavor, Boy Scouts and H-Y organizations.

Local committees are sponsoring plans for providing entertainment for the boys in the homes of Holland citizens. Several of the churches have been assigned their quotas and a canvass soon will be made to obtain the required number of places.

No definite program has been announced as yet, but it is planned to centralize meetings in the Holland Armory, Woman's Literary clubhouse and First Reformed church, which are located within a block from each other. Prominent speakers will be listed to address the meetings and a program of sports likely will be arranged.

Miss Nellie Zwemer, who has been connected with foreign mission service in China for 37 years, will be due on furlough in 1929.

FIFTEEN YEARS AGO TODAY

At least \$25,000 is to be spent remodeling Ottawa Beach Hotel.

Henry Winter, assistant cashier of the Peoples State Bank was offered a fine position as State Bank examiner. The officials of the local bank persuaded Mr. Winter to remain with them, however. Anyway the position is very desirable and shows that State officials have great confidence in the Holland man and his ability as a banker is highly regarded in financial circles.

Rev. W. H. Vander Weir of East Saugatuck has accepted a call to the Maple Avenue Christian Reformed church of Holland.

A marriage license was issued to Ralph T. Hayden, 21, mechanic, and Lola St. Clair, 21, Holland. Note: Ralph has graduated from a mechanic to head of a large automobile concern and also a real estate dealer for full measures. He started doctoring "Lizzies" for Fred Jackson.

Marriage license was issued for Earl Peckley, 22, and Joyce M. Woodruff, 17, both of West Olive.

Mrs. Jacob Zuidema entertained the F. F. Club at her home, 95 west 15th street.

Hon. G. J. Diekema of Holland has been appointed by the government to act as one of the arbitrators to settle the differences between the conductors and trainmen's organizations and the Chicago, Burlington and Quincy Railroad. Mr. Diekema has accepted the appointment and wired Washington to that effect.

Last Sunday evening the pastor of Trinity Church, Rev. C. P. Dame preached the first sermon of a short Sunday evening series, entitled, "Three Young Men of Our Times." Next Sunday evening the pastor will preach the second sermon of the series, the subject being, "The Young Man Who is Handicapped by his Father's Religion." Young men and their fathers are invited to hear this sermon. Last Sunday evening there were many young people present in Trinity Church.

VRIESLAND BOY SHOOT  
HORSE ON HUNTING TRIP

Clifford Vander Wall, 15-year-old Vriesland lad, opened his hunting season in a way different from that of his fellow hunters. Young Vander Wall was trying out how straight his 22 rifle could shoot. Neighbor William Brinks horse was grazing nearby and Vander Wall drew sight on the horse and shot it. He then walked home. Wednesday Deputy Sheriff Ryeenga of Zeeland received a call from Brinks stating that his horse had been shot and had died during the night. Ryeenga located the boy and got a confession. The entire affair was settled when Vander Wall's father offered to replace the horse or settle according to a just value. The hunting season for young Vander Wall has closed.

Farm Doings  
In Ottawa  
County—Nov.

HUNTING SEASON AFFECTS  
NUMBER OF EXHIBITS AT  
FARM FESTIVAL—  
POULTRY MEETING  
SOON

A series of meetings have been arranged for poultrymen of Ottawa County by the agricultural agent for the purpose of presenting information on the necessity for sanitation in poultry houses to maintain health and to prevent disease. Mr. Leon Todd, poultry extension specialist, from the State College, will provide the instruction at the meetings which will be held as follows:

Nov. 7, 9:30 A. M., Judd Hill farm, Coopersville and 1:30 P. M., Scott Holmes farm, Nunica; Nov. 8, 9:30 A. M., Ray Kniohus farm, Crisp and 1:30 P. M., Townline Poultry Farm, Zeeland; Nov. 9, 9:30 A. M., Walter Van Dam, Forest Grove and 1:30 P. M., Henry Gerrits farm, Hudsonville.

The Farm Bureau Festival held at Allendale had a smaller exhibit than usual due probably to the fact that it was held on the first day of the hunting season. Outstanding exhibits were made by Hiram Yntema of Jamestown, who won the Schroeder corn cup for the best display of corn, Bert Sweet from Hudsonville and Harter and Reed wheat. Henry Wesselyk exhibited a field pumpkin which weighed 102 pounds.

In the women's exhibits, Mrs. M. Post, Lamont, and Mrs. John Horling, Hudsonville, carried off honors on canned vegetables, pies and bread.

The Allendale Farmers Club placed a very attractive display of fruits, grains, grasses, vegetables and the Berlin Farm Bureau arranged a neat commercial display. Following dinner, Club Robert Addy and David Woodman addressed the exhibitors on dairy feeding practices and the value of organization to agriculture. Agricultural Agent Millham announced the awards and told of the work of boys and girls clubs.

## MARSH FIRE SETTERS —LOOK OUT!

Morris Kuite, deputy game warden, states that he will arrest any person or persons caught setting fire to marshes in the vicinity of Holland or anywhere in Ottawa County.

Marshes are now state refuges for wild life, and a fire in them is especially harmful to quail and muskrats.

Violators of the state law, covering marsh fires, will be severely dealt with. Mr. Kuite states, for fires do more damage to quail than any "pot-shooter."

TO ELECT FAIR DIRECTORS

The annual meeting of the Community Fair Association at Holland is to be held next Thursday evening at 7:30 o'clock in the office of Secretary Vande Bunte, over Lokker-Rutgers Clothing store.

At the meeting either new directors are elected or old ones re-elected, besides its officers as are named at that time.

A complete financial report will be submitted by the secretary and treasurer and such other business will be transacted that will properly come before the meeting.

How News is  
Gathered For  
Large Dailies

EXCHANGE CLUB MEMBERS  
GIVEN A REAL TREAT BY  
UNITED PRESS MAN

An unusual program was given the members of the Holland Exchange club and their guests Tuesday noon, when C. C. McCabe, of the United Press, gave an illustrated lecture on how world news is gathered. Everybody is familiar with the finished product of the news as it appears in the papers but few realize what steps are necessary to collect and distribute this news, but Mr. McCabe was there to give this information through moving pictures, followed by a lecture.

The United Press representative came at the invitation of G. F. French of the Holland Evening Sentinel. The local daily is receiving the world's news through this agency and the local newspaper men found that the United Press had an excellent program that would be entertaining not alone, but extremely educational as well. Mr. French introduced Mr. McCabe and both he and the Sentinel man were given a vote of thanks after the program was completed.

The pictures at the Strand Theatre showed United Press correspondents busy as bees in every country and in every climate. They were seen in the trenches during the Chinese warfare, within the zone of activity. They were found busily interviewing Premier Mussolini in Italy or Secretary Kellogg on the peace treaty. They were perched on the rear end of a special train carrying President and Mrs. Coolidge, or sought out Herbert Hoover. They came in droves from Downing street, London, to get thru first wire on the England-France naval treaty, that caused a world-wide upheaval in official circles. They were evident at all the national sports as the pictures indicated, in fact the sources of world news seemed to be alive with newspaper representatives.

Mr. McCabe showed newspaper activity in Japan, South America and United States and, of course, this country has them all beaten, although South America can boast of some very live and up-to-date newspapers and newspaper plants.

The United Press served more than 900 newspapers in the United States and gets its news transmitted within 2 second from New York to Los Angeles and in a few minutes from the ends of the earth, so to speak.

Mr. McCabe explained how the news was transmitted to the Holland Sentinel, for instance, by means of receiving machines that brought out the copy automatically in typewritten form ready for the printer.

Mr. Carley, local theatre man, donated the use of the Strand Theatre after the luncheon at Warm Friend Tavern and was given a vote of thanks by the gathering.

DIEKEMA SEES A GREAT  
REPUBLICAN LANDSLIDE

Herbert Hoover will be elected president Nov. 6 in a landslide unprecedented in the political history of this country.

Guy Fred W. Green, Arthur H. Vandenberg, and the entire State Republican ticket will be elected by the usual Republican majorities increased in total by the largest vote in the history of the state.

These are the predictions of Gerrit J. Diekema, chairman of the Republican State Central Committee, in a statement issued from state headquarters at Lansing, Wednesday. Mr. Diekema based his predictions so far as Michigan is concerned on information he has obtained in trips during the last three weeks into all sections of Michigan.

HOLLAND WOMEN GO  
TO AID OF MOTHERS

The Ladies' Aid Society of Third Reformed church will launch a nursery project for the benefit of mothers, who wish to attend the services Sunday morning. Rev. and Mrs. J. M. Martin will open their home for the purpose and competent help has been enlisted to take care of the babies and little children from 1 month to 3 years old. This will be the first nursery experiment to be tried by a Holland church.

Mr. and Mrs. J. Kolenbrander of East Saugatuck have moved to this city to make their future home.

## Election Results May Be Known Early Tuesday

STRAW VOTE SEEMS TO INDICATE THAT HOOVER HAS THE POLL

Holland will no doubt have several places to get returns

Election night, next Tuesday, is to be a great night, and Holland folks will be taken up with nothing else but to listen to returns.

The Holland Merchants Association were to have their regular meeting that night; the chairman, Dick Boter, had it postponed one week because of election.

Holland and Ottawa county will cast the heaviest vote in its history. That is indicated in the absent voter ballots asked for thus far. Already 110 have been sent from Holland alone to different parts of the country, some going as far as Florida and California and at least 50 more are expected to call.

At the request of the common council, city clerk Peterson wrote to the factory heads, asking them to co-operate in giving their men and women employees ample time to vote. The request was made to allow men to "knock off" work from eleven o'clock to one, or from 12 o'clock to two, in the middle of the day when voting isn't so heavy, and the officials are complying readily.

Women are requested to vote in the morning and there is some talk of dismissing the schools at ten o'clock to one o'clock so older children can take care of younger ones at home where this is necessary, giving the mothers two voting hours in the morning.

County Clerk Wilds states that requests for more ballots are coming from every precinct in the county, and 6000 extras have been printed to meet this demand. For the fifth ward Holland, the largest in the city, 1600 ballots have been printed. Wright township was apportioned 800 ballots and the township clerk asked for 200 more.

It appears that in Allegan county the same condition prevails, the call for absent voter ballots is tremendous.

In the city of Grand Rapids more than 1200 absent voter ballots have been asked for, treble the amount of any previous election.

There is all sorts of election doing going, the rounds, however, the Literary Digest straw vote coming from a certain class in this country shows a decided majority in favor of Herbert Hoover, the Republican candidate.

On the other hand, the Chicago American poll taken from an altogether different class, many from the labor centers, also shows a majority in favor of Hoover over Al Smith.

This poll is taken by Hearst chain of papers covering practically the entire nation. It seems that Herbert Hoover is even stronger than this poll indicates. Farmers are poor straw voters and the proportion of straw votes from the rural districts in this poll is very small. But the farmer can be banked on largely to vote the Republican ticket. There may be a bad spot here and there but the vast majority of the farmer vote will be found in the Hoover column next Tuesday night.

It may be that Hoover's election may become known early in the evening next Tuesday. For should Hoover carry Connecticut, Massachusetts, and New Jersey, there will be nothing to it, even though New York, Al Smith's state is lost, although the Republican National Committee does not concede New York to Smith by any manner of means.

The battle ground is in the east, the Republicans feel that the west will take care of itself with the exception of Wisconsin. Should the three above named eastern states fall Hoover, the final result of the election will be late in coming in, and it may be until the next day before an official report will be given as to who the winners will be.

## Holland Man Meets Gruesome Death On 8th St.

WAS PINCHED TO DEATH BETWEEN TWO HEAVY TRUCKS

William Eding, 35, proprietor of a novelty plant at Zeeland, was fatally injured Tuesday morning when he was caught between the rear end of his own truck and the radiator of one driven by M. Van dehaer of the American Express Co.

Eding was unloading spindles for the P. J. Osborne Co. when the other truck skidded on the icy street, crushing him. He was taken to Holland hospital, where he died soon after the accident.

Officer Dave O'Connor was on the scene of the accident almost instantly, as were Sol Clark and Cleveland Wood, colored men, who were doing some repairing work near that spot.

Mr. Eding never regained consciousness during the trip in the police car to Holland hospital, and gasping for breath as he arrived there, he passed on.

Mr. Eding is a well known citizen of Holland, living on Columbia Avenue, but formerly lived in Zeeland where he is still in the manufacturing business doing wood turning. He was an active member of the Sixth Reformed church, teaching a Sunday School class, was a member of the choir, and acted in other official capacities.

Mrs. Eding broke down completely when she was advised of her husband's death, and is under the care of a physician.

Mr. Eding is survived by a wife, and by a boy and a girl, still very young, namely Warren and Elaine. Also one brother, Jacob Eding of Hamilton, who conducts an automobile service shop.

Morris Vandelaar, who lives on Route 10, Holland, claims he was driving very slowly, but not withstanding, his truck slipped over the wet pavement, and he lost control. Just a few weeks ago the American Railway Express discarded the horses that have always been a part of the hauling equipment and were replaced by motor trucks. Naturally, with the horses the accident would never have occurred.

Coroner Vande Water called an inquest almost immediately and these men inspected the body at the Dykstra funeral home. The final session will be called sometime next week. The jurors are Ed. Vautten, Jacob Lievesse, J. A. Van Putten, Ed. Brower, Wm. Vissers and Jess Ridenour, who was selected as foreman.

The funeral services are to be held this Friday afternoon at the home, 337 Columbia Avenue and at 2 o'clock from the Sixth Reformed Church with Rev. John H. Brugers, former pastor, now of Coopersville, officiating. Interment will be in the Pilgrim Home Cemetery.

The 130 pound pressure caused the pipe to push apart at one of the joints before the water reached the other end. Simon Klein of the board of public works, was present to see the result. Work of repairing the line will be started at once, and when finished it will give better fire protection.

The Macatawa park truck owned by Ronad Rosie, proprietor of the garage, broke from its parking space and ran down the hill to the Lake Michigan front where it is lying near the water, about 20 feet down the grade. The brakes failed to retain their hold and it ran down the walk almost to the little bridge connecting with the outer walk along the Lake Michigan front, then toppled on its side to the right. No one was in the truck at the time.

Judging by the shooting going on in the woods, the reports do not surprise us. One of the Nimrods, however, got a real thrill. Having discovered a couple of pheasants he hastened around some brush. In his hurry, he failed to see a stump, which tripped him up, but he saved himself from a fall by leaning on his gun. The resulting noise started the pheasants and the young man banged away at them. There was a tremendous explosion but the gun had disappeared. He shouted to his companion that he could not find his gun. Together they tramped down the high brush. It was found several feet from the spot with part of the barrel gone.

## Haven High's Figure Strong on Holland Game

TRIBUNE DOPES HINGA'S TEAM AS A STRONG ONE

From Grand Haven Tribune of last week Friday before Havenites were slaughtered 20 to 0 by the Creston High Polar Bears: "Indications point to the Grand Haven-Creston game at Island Park, Grand Rapids, Saturday as being easily the equal of the second game between Union and Catholic. The Polar Bears tied the Unionites in a hard fought tussle and South was lucky to edge out a win over them 7 to 0. Holland of course took the measure of the Crestonites but that is no disgrace as the Woodenshoes boast a powerful aggregation this year and have knocked down everyone except Benton Harbor whom they tied and Muskegon Heights got a 13 to 12 win.

"Incidentally, Holland is the outfit that the Cohrans must face after their battle with Creston this week. The sandy surface of Waterworks Park at Holland will be the battleground for the Ottawa County classic this year.

"After Holland they are just as 'worse,' Benton Harbor and Muskegon Heights coming here on successive Saturdays. All told the game this Saturday, while not 'doped' as a local victory, promises to be about as easy a game as there is in prospect for the Cohrans during the rest of the year. The schedule this year, while it did not appear so tough at first, is about as hard as one as any Grand Haven team has ever taken on and is way ahead of the schedules for Class B eleven. Outside of Shelby and Zeeland who are class C, the only class B outfit the local's faced was Normal High of Kalamazoo."

Friday evening at 8:30, Dr. L. Huienga will give a stereopticon lecture on "Leprosy in China and the East, including Palestine," at the Sixteenth Street Christian Reformed Church. The public is invited. Collection for missions.

The money is to be used for a trip to Copenhagen to attend a world Lutheran convention.

Dr. and Mrs. H. Kuiper will leave Holland Friday morning and after spending the week in Grand Rapids will go to Chicago where they will locate. Dr. Kuiper has accepted the call to the Fourth Christian Reformed Church of Roseland, Chicago. They have been guests at the home of their sister, Miss Dena Kuiper.

Grand Rapids members of the Associated Photographers of Grand Rapids and Western Michigan held their monthly meeting at the Warm Friend Tavern Thursday, the group assembling at the Lacey Studio after dinner to study and demonstrate photography. They expect to send a display of photographs to the annual meeting of the Photographers' Association of America which is to be held in Buffalo the week of May 5th, 1929.

Mrs. Jacob Geerlings of Holland and Mrs. William Dalman of Montello Park were hostesses to a Halloween party held Wednesday night at the home of Mrs. Geerlings, 35 East 12th St.

## HOLLAND HIGH WINS OVER IONIA BY 13-0 SCORE

Riverview Park was crowded Saturday with football fans to see Holland High and Ionia fight it out on the gridiron.

Although the team from the governor's town was a peppy, scrappy eleven, and hasn't been defeated for three years, the Holland High team took their measure by a 13-0 score.

The victory meant a parade after the game, headed by the Holland band and practically every high school fan followed Heeter and his band about town through Centennial Park. It was plainly evident that Holland had won a glorious victory.

Japings and Tanis, offensively and defensively were shining lights for the Ringmen. Tanis got the first marker and Japings added the goal point with a perfect placement. Nettinga got the second touchdown, but Japings was smothered as he sought to pass.

## REFORMED CHURCH RECEIVES 50 YEN FROM KAMA SUWA, JAPAN

The board of foreign mission in the Reformed Church in America has received one gift for the extension of its work, which is considered one of the outstanding contributions in recent years.

The gift came from a small self-supporting church in the town of Kami Suwa, located in the North Japan mission, and organized more than 30 years ago. It represented 50 yen, equivalent to \$25 in American coin.

The little church not only made this donation in appreciation of what the Reformed Church in America had meant to it, but it also celebrated the centenary of the denomination with special services.

The collection was taken after the delivery of a sermon by Rev. Henry V. E. Stegeman, a former Holland citizen and a graduate of Hope college and Western Theological seminary.

Egbert Groeters, 12 North River avenue, was accidentally struck by a car being driven by N. D. Walgren yesterday afternoon. ## Holland Lines Make Hit at Furniture Mart

Continued from Page One

been making by any manner of means for it has been bringing out some very striking, yet conservative Moderne, as well as the usual staple lines in many period designs. Economies in production have made it possible for Holland Line to offer some highly attractive opportunities which dealers have not been slow to grab at and make the most of. The result has been most gratifying to the "Two Johns" who are responsible for it.

"Not only has Holland been running with full crews and full time all this year, but earlier in the year it completed a splendid addition to the factory in Holland, Mich. Now in order to keep pace with the production demands, it is erecting still another addition.

"In the November market the showing of the Holland line will be especially attractive both from the standpoint of design, construction and finish and also from the standpoint of price appeal. Holland furniture, as everybody knows, is well made, well designed and well finished. It is mighty good furniture, but production methods are such as to make possible low cost figures which are reflected back to the dealer when he comes in to buy.

"John Vanderveen, 'Big John,' has long been the head of the company and there are mighty few who come to the Grand Rapids market who do not know him. John Van Leeuwen, 'Little John,' is running the sales end of the business and being a brother-in-law of Big John, goes to explain a splendid team which is making a spectacular success of this well established bedroom line, one of the best known in the market. In the November market the line will present some surprises which no dealer should overlook. He'll be sorry if he does."

The Van Raalte craft at the Charles P. Limbert Co. is chronicled as follows:

CHARLES P. LIMBERT CO.

"Among the new developments in dining furniture design and construction is what the Charles P. Limbert company of Holland, Mich. has announced as 'the most advanced feature to be revealed at the November market'—a great improvement in the interior appointments of their case pieces—the first new contribution in 500 years to the serviceability and convenience of dining furniture.

"The showrooms of the Charles P. Limbert company, eighth floor, Pantlind Exhibition building, will this season be a mecca for visiting buyers—new floor arrangements to display the line to better advantage, new groupings to assist in making selections, new ideas worked out in strikingly beautiful dining room suites in greater variety than ever before.

"Represented among the new creations by Van Raalte craftsmen will be the time-honored periods—the Gothic, Renaissance, the seventeenth and eighteenth century English styles in walnut, mahogany and oak. Noteworthy among the new features will be the artistic combinations of rare cabinet woods and a wealth of fine carving.

"The American moderne has not been overlooked—there will be a number of charming moderne suites, so zestful and clever, so colorful and refreshingly different that they will not fail to command immediately favorable attention."

It appears that Dutch Woodcraft wins its way in the furniture field according to the Herald. The Dutch Craft Co., it will be remembered is the old Zeeland Furniture Co., for many years managed by the old G.A.R. veteran, the late C. Van Loo, but now owned by Holland men.

DUTCH WOODCRAFT SHOPS

"One line in the Grand Rapids market that has come rapidly to the front in the brief time it has been established, is the Dutch Woodcraft shops of Zeeland, showing its line on the ninth floor of the Pantlind Exhibition building.

"This line of living room novelties is most distinctive and unusual, but at the same time very practical indeed. In design and construction and finish it is as fine as one could wish and its popularity has already been proved by the fact that all during the summer and thus far this fall the factory in Zeeland, which is by no means a small plant, has been running to capacity. Zeeland is the home of hundreds of those splendid Dutch craftsmen who know wood working and take a great pride in it. It is this class of skilled men who are making Dutch Woodcraft line.

John Vanderveen, who is the big boss of the Holland Furniture company, is the head of the Dutch Woodcraft shops, and John Van Leeuwen, who handles the sales end of Holland Furniture company, is likewise handling the sales of Dutch Woodcraft shops."

An oil well located in Muskegon district, and financed by Ottawa County capital proved to be a gusher and ran a flow of between two and four thousand barrels a day, until it was capped and the gas flow is estimated at 15,000 cubic feet a day. The company is known as the Victor Oil Company and Joe Victor of Holland is president and Alex Van Zanten, Dick Boter, Andrew Klomprens, Joe Korker, Walter Victor and Nicholas Hoffman, Sr. of this city are members of the board of directors.

Mrs. Kate Bremer, 68, died Wednesday at the home of her son in Beaverdam. Surviving are three sons, William of Beaverdam and Gerrit and Arnd of North Holland. Funeral Saturday afternoon at 1 o'clock at Beaverdam Christian Reformed church. Interment will be in East Saugatuck cemetery.

## TWENTY HOPE CANDIDATES BATTLING FOR DEBATING PLACES; CALVIN OPPONENT

Hope's debating schedule lists four contests with topic of the abolition of the jury system.

Dates thus far arranged are: Feb. 8, Hope's negative team at Ypsilanti, and Kalamazoo's negative team at Hope; Feb. 22, Hope's affirmative team at Calvin and Alma's affirmative team at Hope. Other debating teams also will clash with Hope.

Prospects loom bright for strong teams, even though Visser, McCarril and Bloomers, veterans of last season are lost. Verhey, Steketee and other members of former teams have returned and will form a strong nucleus around which to develop able candidates. Twenty candidates have entered for positions.

A coed team may be organized to compete with the men's team, but not for interscholastic meets.

## In the tradition of Lincoln, the Republican Party offers Herbert Hoover for President.

True to the spirit of Democracy, the Republican Party turns again to a man of the people for a successor to Lincoln, the rail-splitter, Grant, the tanner, and Garfield of the tow-path—to a blacksmith's son, an Iowa orphan and country schoolboy, raised by his own efforts and his own merits, to a plane of distinction in more fields of usefulness, than any man the nation has ever been privileged to place in the White House.

It presents a civilian with the military knowledge of a trained soldier. It presents an executive who has already remodeled Federal administration, simplified its machinery, destroyed its red-tape worms, reduced the cost and expanded the scope of departmental action.

It offers a humanitarian whose heart has never questioned a race or a creed—and a loyal citizen pledged by platform, record and declaration against the hazard of foreign entanglement.</

**MUSIC ANGLING VIE**  
WITH EACH OTHER  
AS SONGSTER'S HOBBY

Most persons have a hobby and former Mayor John Vandersluijs has two. One ranks as high as the other, even though widely different. His two hobbies are music and fishing.

When it comes to music, Vandersluijs career covers an unbroken period of 58 years in choir service. He made his debut in the musical world as a member of the First Reformed church (now Central) in Grand Rapids, and seven years of training won for him the promotion to choir director, which position he held for 12 years. He directed the choir in the Third Reformed church here more than 30 years without remuneration, and since has carried on the same work in Sixth Reformed church.

He has gripped him for years and he seldom returns home without fish.

There will be club rooms in front together with kitchens and rest rooms for men and women, and at the back will be a large lodge room. Because of the floor space of the building, the Pythians will have an opportunity to secure ideal quarters for all their activities.

**Grand Haven Tribune—Mrs. E. Davis, Route 8, Kalamazoo, who attended last week's football game here, writes Miss Margaret R. Vanden Berg, 1150 Washington street, calling attention to the disgraceful conduct of juvenile rosters toward the Kalamazoo Normal team.**

Misses were thrown at the players as they entered their bus at the grounds and they were again jeered at the school on re-entering the vehicle after changing. An instructor drove one bunch of hoodlums away but others gathered. Adults and a policeman nearby made no effort to break up the nuisance which was termed insulting to the visiting players and a disgrace to Grand Haven's sportsmanship.

MR. HOOVER AND COL. LINDBERGH

CALLING the election of Herbert Hoover a supreme importance to the nation, Charles A. Lindbergh wired the Republican candidate as follows:

"I have recently flown to Saint Louis to register. The more I see of this campaign the more strongly I feel that your election is of supreme importance to the country. Your qualities as a man and what you stand for regardless of party make me feel that the problems which will come before our country during the next four years will be best solved under your leadership."

To this telegram Mr. Hoover replied:

"I wish to express my deep appreciation of your message. The confidence of me, of your character brings both encouragement and inspiration to me."

**Wages and Bread**

Our real wages and our standards of living are the highest in the world and I am speaking of real buying power—HERBERT HOOVER in his Newark Speech.

**Built Foreign Trade**

To restore and increase employment, one of the first decisions of the Administration was to build up our foreign trade.—HERBERT HOOVER in his Newark Speech.

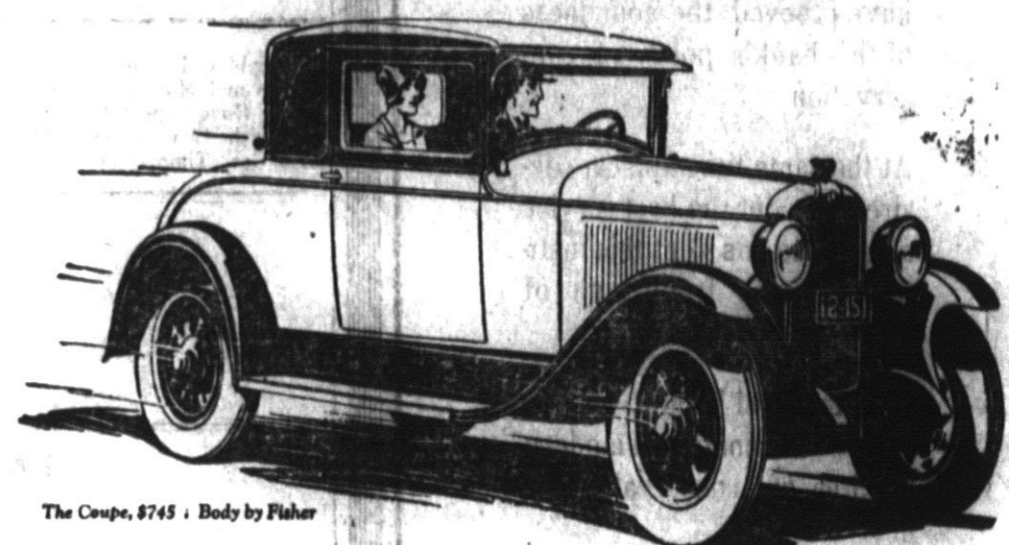

**An Amazing Success**  
because  
of all it offers for \$745

There can be only one reason for the amazing success of today's Pontiac Six. It must be the finest, most attractive six-cylinder car ever offered for as little as \$745.

Scores of exclusive features substantiate this claim. Smart bodies by Fisher—a 186-cubic inch engine—the cross-flow radiator—the G-M-R cylinder head—the AC fuel pump... all these are offered by Pontiac and by no other six so low in price.

Why shouldn't such a six attract buyers in ever-increasing throngs? Why shouldn't today's Pontiac Six enjoy unquestioned leadership of its field?

2-Door Sedan, \$745; Sport Roadster, \$745; Phaeton, \$775; Cabriolet, \$795; 4-Door Sedan, \$825; Sport Landau Sedan, \$875. All prices at factory. Check U.S. Pontiac delivered prices—they include lowest handling charges. General Motors True Payment Plan available at minimum rate.

## IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

By Rev. P. B. Fitzwater, D. D.  
Dean, Moody Bible Institute of Chicago  
(c. 1922, Western Publishing Co.)

### Lesson for November 4

#### WORLD'S TEMPERANCE SUNDAY

LESSON TEXT—Romans 13:1-14. GOLDEN TEXT—Love thy neighbor as thyself. PRIMARY TOPIC—Obedience to Law. JUNIOR TOPIC—Obedience to Law. INTERMEDIATE AND SENIOR TOPIC—Reasons for Prohibition. YOUNG PEOPLE AND ADULT TOPIC—Standing for Law Enforcement.

1. The Christian's Obligation to the State (vv. 1-7). The believer in Christ is a citizen as well as a Christian. Intelligent Christians will be loyal to the state as well as to the church. Failure to recognize this has brought Christianity into disrepute in many quarters.

2. Obedience to rulers (vv. 1-4). This obligation is upon all Christians. The reason is that civil government is ordained of God and rulers are His representatives. To refuse obedience to civil authority is to resist God. This does not mean that a Christian at the behest of the state should do that which is inherently wrong. Submission to rightly constituted authority is the law of the believer's life, not only because God is the source of civil authority, but because it was ordained for beneficent ends.

3. The spirit in which the Christian renders obedience to rulers (vv. 5). He should regard it as his obligation, not merely because it serves a good purpose, but because it is morally right. It is a conscientious obligation to obey lawful rulers.

4. Method of expressing this obedience (vv. 6, 7). (1) In the payment of personal and property taxes. The citizen who enjoys the benefits of government is morally bound to support it.

(2) Payment of duty upon merchandise and license fees. The business exchange between nations must be regulated. For such regulations expense is incurred, for which benefit the citizen should pay.

(3) Veneration of magistrates ("fear to whom fear"). Those who have the fear of God in their hearts will venerate their rulers, God's representatives.

(4) "Honor to whom honor." This means that civil officers should be honored because of the ministry they perform.

5. The Christian's Question to His Fellow Citizens (vv. 8-10). This is summed up in the word "love." This obligation is perpetual. The only debt which is right to owe is that of love. The discharge of this obligation forbids:

(1) Defrauding in matters of property (v. 8).

(2) It forbids going into debt with no certainty of being able to meet one's obligation.

(3) It forbids defrauding in matters of moral purity (v. 9). Where the life is under the power of love, adultery cannot be committed.

(4) It forbids murder.

(5) It forbids coveting.

(6) It forbids the working of any ill to one's neighbor.

6. The Supreme Motive Governing the life of the Christian (vv. 11-14). The attitude of the Christian is that of eager expectancy. There is no time for slumber or indifference. The time of salvation is drawing near. The salvation here mentioned is not that which we obtain in justification and sanctification, but is that which we get when our redemption is completed in glorification at the second coming of Christ. Redemption is threefold:

1. Justification through faith in the blood of Jesus.

2. Sanctification through the obedience of the Word.

3. Glorification, when the fullness of redemption shall be realized at Christ's second coming.

The reasons for the attitude of expectancy are that the night of Christ's absence is far spent and the day of his glorious appearing is at hand. The proper conduct in view of this is:

1. To put off the works of darkness (v. 12), which are revelling, drunkenness, chambering, wantonness, strife and jealousy. The child of light will not walk in drunken carousals, will not practice licentious acts and debauchery, neither engage in strife, nor be under the spell of jealousy.

2. Put on the armor of light (v. 12).

The figure here is of the Roman soldier who arose from sleep and put off his slumber robes and put on his gleaming armor.

3. Put on the Lord Jesus Christ (v. 14).

This means to enthronize Jesus Christ as the Lord of the life, to bring the life under His control. No provision is to be made for the flesh, no forethought is to be given to that which the carnal nature desires.

**At the price of ordinary gasoline**

Keep a record—watch your expenses—make comparisons—see for yourself how much LESS it costs to run your car on 400 "Extra Dry" than any other gasoline that sells at the regular price.

Full mileage from every gallon. Yes—and that's only one of the many good results you may expect from this superior gasoline. Instant starting in any weather—swift getaway when the green light flashes—acceleration that thrills and exhilarates—and in addition to all this, a cleaner, sweeter-running motor with less expense for valve grinding and general overhauling.

The reason is plain—Shell Gasoline is refined by a revolutionary process that takes only the most volatile elements from the crude. It is extra dry, which means it is ALL gasoline. Every drop vaporizes—every particle is converted into power—there are no impurities or greasy particles to clog up the spark plugs, pass the pistons unburned and dilute the oil in the crankcase.

Treat your car to this better gasoline. You will find it on sale at all Shell yellow-red service stations and Shell Dealers at the regular price—not one cent extra for its extra quality, or the extra service it will give you.

Nervous and Chronic Conditions

The NERVES control the action and reaction of your system thru their NERVOUS IMPULSES.

Overstimulation (Impulses more rapid and of greater volume) leaves a feeling of being unstrung or so called NERVES. You have heard of it! A sudden shock, grief, worry, accident, overwork, etc. may result in this overstimulation, thus forcing certain organs involved to work overtime so to speak.

Now under stimulation (Impulses less rapid and of less volume), leaves a feeling of dullness or lack of so called pep. It may affect just one organ or a group of them. One individual being everlastingly troubled with his stomach, another his entire digestive system. Try what one will the condition seems to persist and is known as a CHRONIC CONDITION.

Therefore both conditions revert back to the problem of NERVE IMPULSES. Bring them back to normal and these conditions will not persist.

### HOLLAND, WEST OLIVE ZEELAND SCOUT TROOPS RECEIVE HONOR RATING

Troop 17 of the Holland Episcopal Church has achieved honor place in the troop rating contest among the Ottawa-Allegan scout troops for the past month.

The troop scored 100 percent and is therefore rated as a red star troop. They are entitled to carry a large red star on their troop flag, and each individual member on his uniform.

Clinton McNeal is scoutmaster. Since he took the office about six months ago the troop has experienced a steady growth.

The scores of other troops that were rated in the month's contest are as follows: Troop 1, Grand Haven Presbyterian Church, 44.96; Troop 2, West Olive Community, 38.28; Troop 3, Grand Haven Episcopal Church, 38.37; Troop 4, Coopersville Community, 68.75; Troop 5, Grand Haven Methodist Church, 38.02; Troop 6, Holland First Reformed Church, 65.80; Troop 8, Holland Catholic Church, 60.36; Troop 9, Holland Hope Reformed Church, 57.14; Troop 14, Spring Lake Community, 57.58; Troop 16, Grand Haven Second Christian Reformed Church, 39.22; Troop 21, Zeeland Community, 43.44; Ship 18, Holland Seascouts, 58.21; Troop 22, Beechwood School Holland, 42.09.

### ZEELAND

Anthony Koolman of Zeeland drove Harold Weersing, Lloyd Plews, Gilbert Plasman, Junior Van Dyke and Donald Koolman, Zeeland scouts to Ann Arbor Saturday to usher at the football game.

Junior Van Dyke is the first Zeeland boy scout to become first class. His record of advancement has been exceptionally commendable, according to area scout officials. Bertram Lubin has been appointed to succeed Scout Scholten in the office of senior patrol leader. Lubin also has a record of rapid advancement. He is a star scout and is promoted from the office of patrol leader.

The proposed new charter for Zeeland was placed before the citizens November 1st. The plans are to place the new instrument before the people in ample time for thorough consideration before the election December 3rd. The new charter as now formulated is of the commission type with the city manager plan. If this form is accepted the old aldermanic system will be discarded. The plan also is to retain the mayor in the same capacity he holds under the present charter, except he will not serve on the board of supervisors unless chosen by the commissioners. Several other changes were brought before the public when the new instrument was placed before the people.

### Two Books

Dr. S. M. Zwemer, former missionary to Arabia and Egypt, Hope Alumnus, has published two new books, "The Glory of the Cross" and "Across the World of Islam."

### ANOTHER PRIZE FOR BIBLE DEPARTMENT

Hope college has been highly favored of late with prize offers in its Bible department.

Just recently, the Ninth Reformed Church of Grand Rapids offered the "Anna Hydeman Memorial Bible Prize" of twenty-five dollars to the best freshman essay on "What Did Jesus Think of Himself?" Another prize of fifty dollars to be divided into a first prize of thirty dollars and a second award of twenty dollars has been offered to the winners of an oratorical contest of a religious nature.

Along with these, the most recent benefaction is a liberal donation by the First Reformed church of Englewood, Ill.

These bestowals certainly should inspire students to make the most of their college days.

### CAR WRECKED ON WAY TO HOLLAND

According to news received just recently, Neil and Christine Webb are now in Francis E. Willard Hospital, Chicago, Illinois, as a result of a serious auto accident in which they were participants. It occurred on Wednesday afternoon, Oct. 9, 1928, in Chicago, at the intersection of Cicero and Jackson Boulevard. Struck in the rear fender by an unwary truck driver, they were turned over one and a half times completely demolishing their new car. Christine suffered a broken collar bone and severely lacerated right hand which, it is found, may be a decided encumbrance to her piano playing. However all depends on the operation which is necessary to the hand. Neil fared a little better, coming out of the scrape with but minor bruises.

Immediately after the accident Mrs. Webb was summoned and she is now in Chicago with them. The two Hope students were returning to school from their home in Silvertown, British Columbia, Canada, and what their plans are further is not known.

### Hope College News

Missionaries on furlough from foreign lands will be speakers at various meetings of the Student Volunteers this year. The club's tentative plans for the fall include a survey of the different kinds of missionary work now being carried on in other countries.

The meetings are held from five to six every Friday afternoon in one of the society rooms. Although membership is limited to candidates for the mission field, the meetings are open to anyone interested in missionary work. Floyd Kleinjan is president of the group.

The members were favored lately by a talk by Mrs. Otte on "The Stone Wall of China." Mrs. Otte worked for many years in that country and has kept up with its development. Dr. Otte was one of the pioneers of medical missions and his life is exceedingly colorful and inspiring.

Arthur Smith, Jr., 30-month-old grandchild of Governor Smith, last week lifted up his small, lisping voice and sang "The Sidewalks of New York" for a "talkie" film at Albany. With Jefferson, the Great Dane, nearby he was not afraid. Nor was it "baloney" to him. He sang it earnestly, correctly, to the end.

Last Friday, in the first home game of the season, the Hope Freshman Football team walloped the Olivet yearlings for a 6-0 score. The game was loosely played thru-out, and was characterized by many fumbles. The teams were very well matched, with a slight edge in favor of Hope, perhaps. Up until the touchdown in the last quarter.

## Let's Keep This Advantage For Michigan

United States Senator A. H. Vandenberg

Senator Vandenberg is the Republican candidate to succeed himself. He has a powerful place in Washington which Michigan cannot afford to lose. Vice President Dawes says he knows no Senator "who has started so auspiciously or who gives such promise of statemanship" as Vandenberg. He has important committee places which can be reached only by the "Seniority" which he now enjoys. He has demonstrated that he is a dependable friend to Agriculture and to Labor and to Industry. He is Michigan's prime reliance in the fight for the St. Lawrence Waterway which means so much to our state. He is a man of unchallenged moral character and ideals and honor and integrity. He is one of the leading Constitutional Authorities in the United States. Michigan cannot afford to lose this advantage. Think of your own welfare when you vote for U. S. Senator. If you do, you will unhesitatingly vote for Vandenberg. (You have to vote for him TWICE—Long and Short Terms—because one follows the other.)

### FENVILLE ALSO HAS A SUCCESSFUL FRUIT EXCHANGE

J. Alden Barron the head, has built up a very excellent distribution system, car-lot shipments having reached forty-two markets, as far east as Montreal and west to Arkansas. The exchange has shipped 45 carloads of Bartlett pears, and 48 cars of Elberta peaches. The crop of winter apples is lighter than usual this year and is now being packed for an active market.

### GREAT LAKES SAILOR GETS LIFE SENTENCE

## FIRE PREVENTION DAY TO BE HELD NOVEMBER 14

Fire prevention week will be observed here November 14 when over sixty delegates from other cities will conduct work along that line, in the city hall. The inspections and exhibits are furnished by the Western Actural Bureau of Chicago.

A moving picture, "Flaming America," showing causes of fire, will be shown in all three of the local theatres on that day also.

The men will inspect local factories, mercantile buildings and any special fire hazards while in the city.

Supt. E. E. Fell will distribute inspection blanks in the schools to be filled out by the pupils at home, to get a checkup, as to the fire hazards about the home. The Chamber of Commerce is asking the co-operation of the parents in seeing that this is properly done.

## 500 CARS SHIPPED IN AND OUT OF FENVILLE

The village of Fenville is a paying freight center for the Pere Marquette R. R. Last month's earnings exceeded \$40,000, exactly 500 full carloads being handled in and out, besides an enormous amount of local freight. The bulk of this freight naturally is out going fruit.

## FENVILLE AT LEAST HAS A SUCCESSFUL CANNING FACTORY

The Fenville canning factory has completed a record-breaking pack of berries, cherries, peaches, plums, crab apples, and string beans and is now preparing for the pear canning season, which will run late into the winter. The local manager, M. C. Hutchinson, also has charge of the selling of all of the other plants at Benton Harbor, South Haven, and Gobles, and has been very successful in closing out a large percentage of their enormous packs which ran into the millions of dollars.

## JAIL BEST IN STATE SAYS LANSING OFFICER

Grand Haven Tribune — E. C. Nicholson, secretary of the State Welfare Commission, writes that he has found the Ottawa County jail in excellent condition during his inspections.

"It was spotlessly clean and in excellent sanitary condition. The prisoners were clean and expressed themselves as being well treated by the sheriff and his staff. We have not had a complaint from the jail or any citizen. There isn't a better kept jail in Michigan."

The letter congratulates the sheriff and his staff for their fine administration of the model institution.

## MILLIKEN-BENNETT

Miss Elzada Milliken of Almont, Mich., and J. A. Bennett of Holland, were married Wednesday at the home of the bride's parents, Rev. Lische, pastor of the Baptist church of that city performing the double ring ceremony, under an arch of furs and dahlias. The bride wore a white satin dress and white tulle veil with lace and carried a bridal bouquet. Edward Donovan and Miss Marjorie Reeser attended the groom and bride. Mrs. G. Van Dyke and Mrs. McHaffy of Holland were present at the wedding. The newlyweds will live in Holland, at corner of 10th street and Washington Blvd.

Mrs. James Van Otterloo, who has been visiting her daughter, Mrs. J. J. Dyke at Vogel Center the past month, has returned home, and was accompanied by little Frederick Dyke, who will spend a month in Holland.

C. W. Nibelink, city tax assessor has announced that the fall taxes will be 17 cents less than for the same period last year. The total for the year is \$35.62 compared with \$36.25 for last year, making the total tax this year 35 cents higher than 1927.

Rev. Joshua M. Hoogeboom, recent graduate of Western Theological seminary, at Holland, has issued a public challenge to churches in the Reformed Church in America to equal a record achieved by Clark Gilmore as choir member in the church at Fairview, Ill., in which field he recently was ordained as pastor. Mr. Hoogeboom believes Gilmore has established a denominational record as an active choir member for 64 years and still is on the job. The Fairview church is listed as the oldest Reformed church west of New York state.

## PICTORIAL LIFE OF HERBERT HOOVER

No. 13

By Satterfield

1. When the submarines brought America into the war, Hoover reported for duty in Washington.

2. Appointed food administrator, he faced the job of feeding one-third of the civilized world.

3. All groups and classes stood behind him and cooperated in the great task.

4. "Food will win the war" became the universal slogan. "Hooverize" became a household word.

5. The armistice brought peace, but Hoover was faced with finding an outlet for surplus goods.

6. He turned his attention to economic restoration of Europe and relief of starving millions.

7. On a visit to Poland, 50,000 children paid him a personal tribute of thanks and praise.

8. But mostly he was in Washington, working night and day on reorganization of America and the world.

9. In the Spring of 1927, Hoover was appointed chairman of Mississippi Flood Relief.

10. His personal direction in this emergency job brought order out of chaos.

11. The Department of Commerce since 1921 stands as a beacon light to the whole world.

12. Into History's pages are yet to be written the final works of this man who does big things.

## Properly Cooked Food Means Pleasant Home

### OTTAWA COUNTY'S FOOD HOME DEMONSTRATOR TELLS REASON WHY

The Home Demonstration Agent, Mrs. Ruth D. Morley, announces a series of six nutrition lessons for the women in the southern part of the county to open October 12 with an organization meeting in the High School in Zeeland at ten o'clock followed by an open meeting at two o'clock for group members. Florence L. Becker, nutrition specialist of the extension service of M. S. C., will meet with the leaders in the morning for the organization of local leader groups and training in leadership. At two o'clock an illustrated lecture on "Food Needs, The Difference" will be given to group members and others interested. Leaders and group members from both the Jamestown and Zeeland centers will meet together for the first demonstration. Plans will be made later for the division of the groups into centers.

According to Miss Becker, people in this state and elsewhere are beginning to realize the value of good food, well selected and are eager for the nutrition information from the extension department of the U. S. D. A. Efficiency and happiness depend upon health and well-being—and who doesn't want to be healthy and happy? It is amazing to note how good disposition and good health go hand in hand. Upon the mother then who provides the food, rests the responsibility for the health and happiness of her family. She may plan her meals wisely, serve them simply and create a charming home atmosphere, or conduct a quick lunch, tin-can proposition which will go far toward a dissatisfied feeling with home life.

In our study of foods, we want to keep away from fads. We should swing neither to the all vegetable diet nor to the all meat and milk diet but steer a middle course that will supply us with energy and building foods to such an extent that tonics and laxatives will be unnecessary. This series of nutrition lessons will include food preparation demonstrations which will be repeated before local groups by nutrition leaders. The subjects are as follows: fruit and milk puddings, meat extenders and substitutes, salads and vegetable cookery. This is the first time an attempt has been made to combine actual suggestions for preparing foods with help in selection from a health standpoint.

Miss Becker has just recently come to Michigan State College from New York State where she did home demonstration agent work for four years. She has a master of science degree in nutrition from Cornell University and this last summer took more graduate work at Columbia.

## VOTERS LIKE LINCOLN

### BETTER THAN WILSON

Ottawa county voters who go to the polls and vote for president November 6 will notice that the portrait of Woodrow Wilson has been dropped this year from the head of the Democratic column, a position it had occupied on every ballot for eight years. The Democratic central committee decided to place only the American flag at the head of the Democratic column. The Republican ballot will, as usual, carry the portrait of Abraham Lincoln. When Democratic secretary Kavanaugh was asked to explain why Wilson's portrait was not to be used, he said: "You see, a lot of people took a look at those ballots and thought they were voting for Abraham Lincoln and Woodrow Wilson, and Lincoln was getting most of the votes."

## SOCIALIST LABOR PARTY NEARLY WENT BY THE BOARD

Despite its failure to file nomination petitions for candidates at the primary election, the Socialist-Labor Party, one of the three oldest parties on the Michigan Ballot, will have a ticket this year, the state board of canvassers announced. They attempted to remedy their oversight in this year's primary filings by having party members write in a ballot heading and list of candidates at the primary election. The state officers making up the board of canvassers ruled that the procedure was regular and a Socialist-Labor ticket will appear on the November ballot.

### Motions and Resolutions

On motion of Ald. Hyma, The following persons were appointed inspectors of National Election to be held Nov. 6, 1928:

1st Ward—Simon Kleyn.  
2nd Ward—Jas. A. Drinkwater.  
3rd Ward—Ray Knooihuizen.  
4th Ward—Wm. Lawrence.  
5th Ward—Chas. S. Dykstra.  
6th Ward—Herman Steggerda.

There was considerable discussion in regard to the ability of the Election Inspectors to properly accommodate the electors at the coming November election. And the City Clerk was instructed to address a communication to the principal manufacturing establishments in the city asking their co-operation by giving their employees two hours during noon hour in which they can vote or else close their factories at 3 o'clock, thereby avoiding the last-minute rush. The matter was also discussed in regard to whether any elector should be allowed to vote after 5 o'clock p. m. if he was present and in line at that time, and

It was the consensus of opinion of the Council (after receiving a ruling from the City Attorney) that a policeman should be present at each of the polling places and placed at the end of line in waiting, at 5 o'clock p. m. and any elector who should arrive after 5 o'clock, would not be permitted to get in line and vote.

Ald. Hyma brought up the matter relative to Medicine Shows exhibiting in the City similar to the one put on by Madame Elene during this past summer, and the Council decided that any show of a similar nature applying for a license in the future, should be referred to the License Committee for decision as to whether or not a license should be granted.

On motion of Ald. Jonkman, The advertising sign of the Holland Boot Shop, that was stretched across River Ave. opposite his place of business, was ordered taken down at once, and the City Clerk was also instructed not to permit any advertising signs placed in the City Hall or other public buildings.

Ald. Vandenberg brought up the matter of the collapse of the bleachers at Riverview Athletic Field during last Saturday's football game, and asked the City Attorney if the City would be liable in case of injury to anyone occupying said bleachers. City Attorney ruled that the City would be liable, and

On motion of Ald. Vandenberg, RESOLVED, that Ald. Jonkman, Chairman of the Building Committee, should inspect these bleachers and require the High School authorities to construct them in a manner to prevent any such accident in the future.

Adjourned.

Oscar Peterson, City Clerk.

A. D. 1928

There will be submitted at said election, three proposed Amendments to the Constitution of Michigan as follows:

Relative to Fixing legislative territory and districts.

Amendments to Section 3 of Article V of the Constitution relative to fixing legislative territory and districts.

Sec. 3. The house of representatives shall consist of not less than sixty-four nor more than one hundred members. Representatives shall be chosen for two years and by single districts, which shall contain as nearly as may be an equal number of inhabitants and shall consist of convenient and contiguous territory; but no township or city shall be divided in the formation of a representative district, except that when a city is composed of territory in more than one county, it may be divided at the county line or lines: And provided, That in the case of cities hereafter organized or created or territory annexed to an existing city, the territory thereof shall remain in its present representative district until the next apportionment. When any township or city shall contain a population which entitles it to more than one representative, then such township or city shall elect by general ticket the number of representatives to which it is entitled. Each county, with such territory as may be attached thereto, shall be entitled to a separate representative when it has attained a population equal to a moiety of the ratio of representation. In every county entitled to more than one representative, the board of supervisors shall assemble at such time and place as shall be prescribed by law, divide the same into representative districts equal to the number of representatives to which such county is entitled by law, and shall cause to be filed in the offices of the secretary of state and clerk of such county a description of such representative districts, specifying the number of each district and population thereof according to the last preceding enumeration.

Relative to Acquiring land and property for boulevards, streets and alleys.

Amendment to Article XIII of the Constitution relative to acquiring land and property for boulevards, streets and alleys.

Sec. 5. In exercising the powers of eminent domain and in taking the fee of land and property that is needed for the acquiring, opening and widening of boulevards, streets and alleys, municipalities shall not be limited to the acquisition of the land to be covered by the proposed improvement, but may take such other land and property adjacent to the proposed improvement as may be appropriate to secure the greatest degree of public advantage from such improvement. After so much of the land and property has been appropriated for any such needed public purpose, the remainder may be sold or leased with or without such restrictions as may be appropriate to the improvement made. Bonds may be issued to supply the funds to pay in whole or in part for the property so appropriated, but such bonds shall be a lien only on the property so acquired and they shall not be included in any limitation of the bonded indebtedness of such municipality.

Relative to Compensation of members of the legislature.

Amendment to Section 9 of Article V of the Constitution relative to compensation of members of the legislature.

Sec. 9. The compensation of the members of the legislature shall be three dollars per diem during the term for which they are elected, and they shall receive no further compensation than as specified in this section for service when the legislature is convened in extra session. Members shall be entitled to ten cents per mile and no more for one round trip to each regular and special session of the legislature by the usually traveled route. Each member shall be entitled to one copy of the laws, journals and documents of the legislature of which he is a member, but shall not receive, at the expense of the state, books, newspapers or perquisites of the office not expressly authorized by this constitution.

NOTICE is further hereby given that the place for voting upon the above Amendments to the Constitution in each of the several Wards and Precincts of the City will be the same as for the General November Election, and the hours for voting upon said Amendments will be the same as for voting upon all other matters at said election.
