## Cleaner Air Objective For State

"Cleaner air for Michigan" is the foremost objective of the Michigan Air Pollution Control Commission, according to James A. Kelly of Dow Chemical Co., one of the two industrial representatives on the nine-member commission activated only two years ago.

Kelly made this statement Tuesday noon at a gathering of some 30 representatives of local industry at the luncheon in Hotel Warm Friend, sponsored by the Holland Chamber of Commerce.

Kelly said the aim of the new commission is to correct hazards and preserve the desirable aspects of living in this state, but added that as situations change and the control program is implemented that the commission is authorized to compel compliance when and if necessary, to be accomplished in a fair and equitable manner.

"What may be a pollution problem in one area is not necessarily a problem in another area," he explained. He said questionable odors, for instance, in an industrial area far from residential development do not constitute the same problem as similar odors wafting over a highly developed resort area.

Mist, vapors and gases are very much a part of the pollution problem, and the Michigan commission advocates control at the source of emission, he said. He explained that the commission has a highly competent staff conducting many meetings, and in some cases hearings, on problems involving power plants, cement plants, auto wrecking, asphalt, manufacturing, steel, coal and scrap dealers.

"We are sympathetic to the problems of industries," he said, "and we encourage industry to 'use us' in an effort to solve problems before they are forced to make corrective measures."

With nearly all states adopting some type of air pollution control, the argument of some industries threatening to move rather than spend large sums to control pollution is no longer valid, Kelly said. He spoke of ambient quality, a measurement of air pollutants, and the need for awareness and desire to promote clean air for Michigan.

The Michigan Air Pollution Control Commission consists of the commissioner of health, director of the Conservation Commission, director of the Agricultural Department, two government representatives, two industrial representatives and two members from the general public, one of whom is a doctor specializing in pulmonary diseases.

Charles Kupsky, chairman of the Chamber's industrial council, presided at the meeting.

## \$15,000 Sought In Damage Suit

GRAND HAVEN — A \$15,000 damage suit was filed in Ottawa Circuit Court Tuesday by a Holland law firm, Roper, Meyers and Hann, against a Grand Rapids attorney, Woodrow A. Yared, involving an Ottawa county resident, Mrs. Patricia Ayres.

Actual damages amounting to \$5,000 and \$10,000 punitive damages are sought by the Holland firm, plus \$27.39 costs involved in another suit.

Plaintiffs claim they represented the Ottawa woman in January, 1966, in connection with a real estate transaction in Ottawa county. They also claim the defendant abetted a breach of contract between Mrs. Ayres and the plaintiffs by arranging a settlement of a law suit with another party, without knowledge of the plaintiffs.

## Car Hits Greenhouse, Driver Is Ticketed

Ottawa sheriff's deputies ticketed David G. Blyker of Hudsonville for careless driving after a one-car crash off Barry St. near 24th Ave. at 10:05 p.m. Tuesday.

Deputies said Byker's car rounded a curve heading east on Barry St. and veered onto the shoulder of the road. By mistake Byker stepped on the gas pedal instead of the brake pedal and the car careened across the road, down an embankment and striking a greenhouse, deputies said.

## Two-Car Collision

Barbara Simpson, 25, of 129 East Ninth St., was cited by Holland police for failure to yield right of way and having no operators license on person after the car she operated collided with a car driven by Helen Marie Smolen, 40, of 1461 Waukazo Dr. at 11:25 a.m. Wednesday on River Ave. near Sixth St.

## Bronze Star Given Local Serviceman

SP/5 William Vanderwall who recently was awarded the Bronze Star for Valor in Vietnam is expected home the latter part of December and will return to college where he has enrolled in Northrop Institute of Technology, majoring in Aircraft Maintenance.

SP/5 Vanderwall whose wife resides at Willow Park Trailer Court in Holland, was awarded the Bronze Star with "V" device for heroism in connection with military operations against a hostile force on July 11 while he was serving as a Chaplain's Assistant at his unit's Quan Loi base camp.

In the early morning hours a Viet Cong force launched an intense small arms, automatic weapons, and recoilless rifle attack on the camp. Two armored vehicles on the perimeter were hit by recoilless rifle rounds. The crew members were either killed or wounded, thus creating a gap in the defensive perimeter.

Specialist Vanderwall unhesitatingly volunteered to assist in securing this sector of the perimeter. He assumed a forward position and began to place rifle fire onto the advancing insurgents. Seeing that his fire was having little effect on the enemy he climbed atop a disabled personnel carrier and removed the machine gun. Although he was continuously exposed to hostile fire, he remained in position and succeeded in driving back the Viet Cong.

SP/5 Vanderwall, son of Mr. and Mrs. George Vanderwall, 39 West 19th St. is serving with the 1st Battalion, 26th Infantry "Blue Spaders" 1st Infantry Division and was promoted to SP/5 on Aug. 31.

He entered the Army March 17, 1966, and completed his basic training at Fort Knox, Ky. on May 27. He arrived in Vietnam Feb. 10, 1967.

Luke Kuna, 73 West Eighth St., extend front of existing building, \$2,000 self, contractor.

T. Vander Ploeg, 132 East 29th St., enlarge rear porch, \$900; Dave Holkeboer, contractor.

Preston Bradley, 83 East 24th St., remodel kitchen, \$750; self, contractor.

Dan Brock, 617 Midway, fence, \$100; self, contractor.

Bernard Velthouse, 269 Dartmouth, panel garage and recreation room, \$300; self, contractor.

Holland Awning, 307 East Eighth St., addition to rear, \$3,000; John Mulder, contractor.

Conferees are scheduled as follows: Nov. 14-15, Dawson, Blackman and South Ward; Nov. 16-17, Clifford, Millgrove, Trowbridge Street, West Ward, Babylon and North Ward.

## Sight-in Session Set Saturday at Gun Club

Two sight-in sessions for Holland deer hunters are slated Saturday Nov. 4 and Nov. 11 at the Tulip City Rod and Gun Club grounds beginning at 12:30 p.m. The sight-ins have been held for the past several years and many deer hunters have taken advantage of the services.

## Purse Snatched

GRAND HAVEN — City police are investigating theft of a purse containing about \$450 at a drive-in cleaning establishment here about 7:30 p.m. Wednesday. Mrs. Tompkins of Spring Lake told police a lady about 16 years old snatched her purse from a chair while she was folding her laundry. She took chase and said she saw the culprit throw the purse to one of four boys in a group and all ran away.

FIRST LICENSE PLATE—Ignacio Guerrero, of 200 East 16th St., receives the first 1968 license plate to be issued by the Holland License Bureau from bureau manager Mrs. Frances Johnson Wednesday. Guerrero arrived at the bureau at 11:30 p.m. Tuesday only fifteen minutes ahead of Don Swieringo, of 39 Cherry St., (pictured at left). By the time the license bureau opened at

9 a.m. Wed., about 50 persons were standing in line in the rain to get their license plates. The new plates, which are green with yellow numbers, have the slogan "Great Lake State" replacing the old slogan of "Water-Winter Wonderland." Guerrero, who brought a thermos of coffee with him, slept in his car part of the time.

## Hope College Plans Blood Donor Clinic

Local residents are invited to participate in a blood donor clinic at Hope College Thursday from 11 a.m. to 5 p.m. in Carnegie gymnasium. Walk-ins are particularly welcome from 2 to 5 p.m.

Red Cross leaders emphasized the current need for blood since Ottawa county has been collecting only about 70 per cent of its assigned quota.

All Ottawa county residents are eligible to receive blood free of charge anywhere in the United States on Canada as the need arises simply by notifying the local Red Cross chapter of this need.

Hope College students are considered to be Ottawa county residents as long as they are attending college, regardless whether or not they are blood donors. For those students donating blood, there is a special benefit in that each student may receive blood for a year after graduation in whatever amount he may have donated while in residence as a student.

Hope College holds a donor clinic each year. In recent years it has competed with Albion College in recruiting blood donors, and any local residents who donate blood Thursday will be counted in the contest.

Donors may make appointments, if they desire, by calling the Red Cross chapter house located at 89 West 11th St.

## Local Ski Lodge To Open Dec. 15

Carousel Mountain, a ski lodge just south of Macatawa Park, will operate this year.

Lawrence Phillips, agent for the United Insurance Co. of America, informed the Holland Chamber of Commerce that plans call for opening Carousel Mountain to the public Dec. 15. Phillips has been operating the Carousel Mountain motel for the insurance company for the last two years.

Carousel Mountain opened in December, 1963, and was taken over by the insurance firm about two years ago following extensive court litigation.

Plans call for a membership drive in the near future, the Chamber of Commerce said.

## Three Arrested After Scuffle With Deputies

HAMILTON — Three Holland persons were arrested by state police after they allegedly got into a scuffle with Allegan sheriff's deputies at 9 p.m. Tuesday in Hamilton.

State police said Herman Kimber, 19, and his wife, Sue also 19, of 17 West 10th St., were charged with resisting arrest and obstructing a police officer. Kimber's older brother, Irwin, 22, of 170 1/2 West Ninth St., was arrested for being a disorderly person.

Troopers said the Kimbers slightly injured deputy Ray Clark in the scuffle. The sheriff's deputies apparently were called to Hamilton to answer a complaint, police said.

The Kimbers are being held in the Allegan jail.

Allegan deputies said three others were arrested for disorderly conduct. Charles Delp, 20, Hopkins; Terry Eding, 19, Hamilton, and Richard Sall, 19, Hamilton, were arraigned in Fennville Justice Jo Ann Moore's court Tuesday night and released on \$75 bond. They are to appear in Justice Court within two days, deputies said.

## Early Bird Breakfast Set Tuesday

Walter F. Keip, executive vice president of White Chapel Memorial Cemetery at Troy, Mich., will address the Early Bird breakfast of the Holland Chamber of Commerce Tuesday, Nov. 7, in Hotel Warm Friend.

His subject will be "What Price Service." Host is Restlawn Memorial Gardens. On the breakfast committee will be Russell Gilbert, Warren Willard, LaMonte Fineout, Clayton Ter Haar, Jerry Horne and William Murdoch.

## Driver Is Ticketed

Donald W. Grotenhuis, 42, of 90 East 37th St. was ticketed by Holland police for improper backing after the vehicle he was driving collided with a car operated by Edward Charles Shidler, 30, of route 3 on 32nd St. near US-31 at 12:54 p.m. Wednesday.

## Port Sheldon House Burns

An early morning fire completely destroyed the Francis Harris home at 14984 Crosswell St. in West Olive Friday.

Port Sheldon township firemen received the call at 6:50 a.m. from a neighbor who noticed the blaze burning through the walls of the wood-frame, one-story home.

Township Fire Chief Wells Penna said cause of the blaze was unknown; however, the fire broke out in the back of the house either in a bedroom or bathroom.

No one was in the house when the fire broke out. The family was reportedly somewhere in Northern Michigan. Penna said they had been notified of the fire.

Firemen who were at the scene until shortly after noon were unable to quell the flames to save the house area, but managed to save the attached garage. Penna said some contents were removed from the house.

According to Penna, there was some delay in relaying the fire call because their alert system was knocked out by the power failure in the area Friday morning.

Firemen were also hampered by the hazardous driving conditions and the heavy, wet snow.

## October Rainfall At 5.16 Inches; '67 Total Soars

It seemed like April. Rainfall during October in Holland measured 5.16 inches, according to Lynn P. Wheaton, official weather observer. The April total was 7.13 inches.

A total of .58 inch fell Tuesday and today, with .13 inch before 5 p.m. Tuesday and .45 inch since then.

Annual average rainfall for Holland is 33.04 inches. Precipitation so far this year is 39.32 inches including a record 10.66 inches in June and only .86 inch for February.

Precipitation by months follows: January, 4.13 inches; February, .86 inch; March, 1.38 inches; April, 7.13 inches; May, 1.29 inches; June, 10.66 inches; July, 4.12 inches; August, 2.05 inches; September, 2.64 inches; October, 5.16 inches.

The October meeting of Cub Scout Pack 3044 was held in Maplewood School Tuesday with Cubmaster Almer Tanis presiding. The cubs made Halloween Masks and awarded a button.

Graduating into Boy Scouts were Mike Tanis, Craig Smeenge, and James MacKechnie.

The next round table will be at Jefferson School on Nov. 7 at 7:30 and the next pack meeting will be Nov. 28. The project will be collecting different leaves.

Dens are as follows: Den I, Mrs. Andrew Naber, Den Mother — David Koppenaal, Andy Naber, Kurt Drooger, Dan Wise, Bill Smeenge, Roger Tanis, Mitchell Exo and Robert Overkamp.

Den II, Webeloo, Mr. and Mrs. Watson Lundie — James Spencer, Jerry Tanis, Dan Koppenaal, Harvey Walters, Gregory Lundie, Mike Boyd, Mark Overway and Scott Johnson.

Den III, Mrs. James MacKechnie, Den Mother — Delwyn Doezeman, Bill Boyd, Steven Strating, Bob Boersen, Dan Dirkse, James Olson and Steven Mc Neal.

Den IV, Mrs. Ita Heavener and Mrs. Oliver Dorn, Den Mothers — Glenn Heavener, Ricky Dykstra, Bill Pathuis, Dan Bolhuis, Dan De Fouw, Tom Dorn and Jody Myaard. Refreshments of cider and donuts were served.

## Man Slightly Injured In Two-Car Collision

Mary Jane Lucas, 17, of 10995 James St., Zeeland, was cited by Ottawa sheriff's deputies for failure to maintain assured clear distance after the car she operated collided with a car driven by Steven Jay Veldeheer, 29, of Belmont.

Veldeheer received minor injuries in the accident on Chicago Dr. near Paw Paw Dr. Wednesday at 7:53 a.m., deputies said.

## Mailboxes Smashed

GRAND HAVEN — The Ottawa County Sheriff's department reports that vandalism discovered Wednesday disclosed about 20 mailboxes and newspaper tubes were smashed in the Spring Lake area including Garfield St., Leonard Rd., 152nd and 130th Aves.

## Three-Car Collision

Holland police ticketed Irene Speet, 53, of 5924 Washington Blvd. for failure to yield right of way after the car she was driving collided with cars operated by Ronald Looman, 19, of 66 West 29th St. and James Keen, 42, of 3540 Baldwin St. at 4:37 p.m. Monday on River Ave. and 18th St.

## Local Man Killed in Collision

### Three Passengers Hurt in Head-on Car-Truck Crash

MONTROSE — A twenty-year-old Holland man was killed and three other Holland men injured in a head-on-car-truck collision at 10:45 a.m. Friday on M-57 one mile east of Montrose.

James P. Gumser, 20, of 283 West 28th St., was killed when his car was struck head-on by a semi-trailer truck, operated by James Kuk, 27, of Saginaw, which slid across the center line of M-57, Flint state police said.

Gumser died in the emergency room at Hurley Hospital in Flint. Three passengers in Gumser's car, Charles Bishop, 39, of route 5, Holland, James Van Kampen, 30, of 887 West 28th St., and Garth Stafford, 23, of 283 West 28th St., were all treated at the hospital for injuries. Bishop was admitted to the hospital in satisfactory condition with head lacerations and possible internal injuries. Stafford and Van Kampen were both treated and released.

State police said the truck slid out of control, after a car stopped suddenly before it, and struck the Gumser auto head-on. The truck driver was not injured.

Gumser, who was born in Holland, graduated from Holland High School in 1965. He was employed by L. E. Meyers Construction Co. in building power line towers in the Flint area.

Surviving are his wife, Barbara Van Liere Gumser; parents, Mr. and Mrs. D. W. Gumser; two sisters, Mrs. Louis (Sharon) Rutledge and Mrs. Jerry (Nancy) Kragt, all of Holland; one brother, Michael Gumser of Holland; maternal grandparents, Mr. and Mrs. William Carpenter and Mr. and Mrs. Clayton Smith, of Wayland; parental grandmother, Mrs. Minnie Gumser, of Holland; two nephews and several aunts and uncles.

## 12 More Qualify for 'E' Awards

A review of employee giving in the recently concluded Greater Holland United Fund-Red Cross campaign revealed that 12 additional employee groups qualified for the "E" Award for Outstanding Citizenship. This brings the total number of employee groups qualifying to 35, Carl Harrington, drive chairman, said.

The additional groups qualifying are employees of American Aerosols, Inc., James H. Campbell Plant, Consumers Power Co., Donnelly Mirrors, Inc., Lithibar Co., City Sign Co., Herrick Public Library, Netherlands Information Service, Peoples State Bank, Russ's Drive-In, 7-Up Bottling Company of Western Michigan, A. J. Cook Lumber Co., Ottawa Broadcasting Co. — Radio Station WJBL.

Jack Dykstra, president of the United Fund, said all employee groups who have won the "E" award will be asked to send a representative to the annual meeting of the Greater Holland United Fund to accept the awards.

The annual meeting will be held at 6:30 p.m. Tuesday, Nov. 14, at Holiday Inn. The Rev. E. M. Ruhlig heads the program committee.

## Local Man Has High Corn Yield

John Brink of Holland has been recognized for producing a 124 bushel per acre corn yield. This is double the Michigan state average for the past seven years. Altogether, Brink harvested 496 bushels from a measured four acres for his 124 bushel average.

To produce his yield, Brink used the single cross hybrid, planted in 40 inch rows, with 14,000 plants per acre at harvest. He fertilized with 100 pounds of actual nitrogen, 64 pounds of actual phosphate and 80 pounds of actual potash per acre.

Brink was presented with a documented yield award by Merrill Eady of Grant.

## Passenger Is Injured In Two-Car Collision

Holland police ticketed Bruce Alan Van Dam, 18, of 224 West 17th St. for failure to maintain assured clear distance after the car he operated collided with a car driven by Albert Robert Schorle, 56, of Fennville. Van Dam's passenger, Terry Caauwe, 18, of 380 East Fifth St. was slightly bruised in the accident at Eighth St. near College Ave. at 7:01 p.m. Tuesday.

## Supervisors Boost Some Salaries

ALLEGAN — Amendments tacked onto the proposed 1968 Allegan County budget will result in salary raises totaling \$8,212 for seven county officers.

The Allegan Board of Supervisors gave its final stamp of approval to the amended \$1,853,667 budget following a public hearing Thursday.

Before moving that salary raises be approved, county Finance Chairman Phillip Quade said, "Certain inequities should be corrected if we are to recognize our county officers as we should." Quade's motion was unanimously approved by the 38 supervisors present.

Approved raises will bring annual salaries up to \$9,000 for the county clerk; \$5,500 for the drain commissioner; \$7,000 for the friend of the court; \$9,000 to the county prosecutor and \$8,000 to the register of deeds, county treasurer and county sheriff.

Chester A. Ray, former Allegan County prosecuting attorney, election last November to serve as a second Allegan-Ottawa Circuit Judge, told supervisors Thursday he wished "to apologize for my appearance on behalf of county employees at Oct. 20 budget session." Ray explained that he had come before the board "to speak as an individual and friend, not as a judge."

Noting he did not desire "to take back anything I said," Ray continued "My name and title in headlines after my appearance here, made me realize I might have unintentionally embarrassed my public office."

"If I should come here again, it will be solely at your request and with out official status" he concluded.

Holland supervisor John Fonger discussed "the large county surplus." Ray had referred to last week. Quoting figures obtained from county treasurer James Boyce, Fonger stated there was a Sept. 30 cash balance on hand of \$666,000. Transfers to be made before year's end, Fonger explained, would subtract \$200,000 while expenses for the last quarter this year would take another \$150,000.

"We will close out 1967 with a \$300-\$350,000 surplus from which we still must appropriate \$185,000 to apply on the 1968 budget." An estimated surplus of around \$150,000 will remain at the end of next year, Fonger concluded.

County Probate Judge Dwight Cheever was unsuccessful in a last-minute bid for reconsideration of salaries for his juvenile and probate court staff members.

Ironically, Cheever's suggestion of raises for three major office holders — clerk, treasurer and sheriff — were followed although not to the extent the judge had recommended. He had said they should each receive \$10,000 annually.

In other business, supervisors unanimously approved a \$10,000 appropriation to set in motion a county-wide Civil Defense survey; turned down a request by Acting Health Dept. Director John Pahl for reclassification of county sanitarians; and raised county medical examiners' salaries from \$10 to \$20 per call.

In another important move, supervisors voted 26-12 to establish the office of full time assistant county prosecutor at an annual salary of \$6,000.

## Conservation Jobs Available

State Representative James S. Farnsworth (R-Plainville) today outlined the opportunities and requirements for high school graduates who wish summer employment with the State Conservation Department.

Farnsworth said that the deadline for submitting applications for the positions available next summer is Nov. 6. The department will accept telegrams of the intent to file from those who are not able to get the actual application in by the deadline.

Summer job opportunities are in the categories of Park Ranger B and Conservation Aide B. Both have salary ranges of \$203.20 to \$234.40 every two weeks. The majority of openings will be in the Park Ranger classification for work in State Parks throughout Michigan. Seasonal employment is available between March and November. The duration of the jobs varies from 2½ to 7 months. Written tests for applicants for the summer conservation employment will be held Dec. 9.

## Dutch Take 4th League Victory

An East Grand Rapids interception of a Holland pass set up the unexpected winning play for the Dutch as they nipped the Pioneers, 8-6, Friday night on a muddy Riverview Park field.

With 2:21 remaining in the game and final 6-6 score pending, Holland's senior quarterback, Chip Ridenour passed on a fourth and ten situation. Chuck Butz, East quarterback and safety man, intercepted the pass on the two yard line and was tackled in the end zone by Dave Gosselar for the winning safety.

The win gave the Dutch sole possession of second place in the Valley - Coast Conference with a 4-1 league mark.

The Pioneers fired first in the game with :54 remaining in the first half. East moved from the Holland 29 to the one-yard line in ten plays, before Butz plunged into the end zone on a quarterback sneak. The pass attempt was no good, giving the Pioneers a 6-0 lead at the half.

At the end of the third period East Grand Rapids lost the ball on downs and was forced to punt from their own 24. But a bad snap from center was recovered by Holland tackle, Bob Ver Hoef on the East 12. On third down Phil Schaap, 5'6" senior halfback, displaying his usual fine running, scurried around right end from the nine yard line for the tally. Ridenour's pass for the point after was incomplete, knotting the score at 6-6.

Several fumbles throughout the game impaired good field positions and scoring opportunities about equally for both teams, though Holland took the advantage in fumbles recovered, 7 to 3.

On the opening series of downs, the Dutch moved the ball from their own 40 to the East 18 following a 20 yard kickoff return by Tom Diemarsma, defensive halfback, only to fumble the ball. East fumbled on an equally good scoring opportunity on the Holland 15 yard line midway in the second quarter, only two plays after taking a Holland punt.

In the fourth quarter East unsuccessfully tried two quick kicks on third downs in an effort to gain better field position. After the first kick Holland lost the ball on downs. Following their second punt on third down Schaap ran it back for a 23-yard return. But a roughing the kicker penalty returned the ball to the Pioneers, who again lost the ball three plays later on a fumble. Gosselar recovered the fumble which set up the succeeding plays for the Holland safety.

After the game coach Dave Kemper had high praise for his team. "Our kids hit hard and came through for us, especially Mark Bonnette and Rod Klingenburg."

One East player, halfback Steve Nobel, was injured in the game and was taken to Holland Hospital.

## Modern Dance Program Features AAUW Meeting

"A Happening Through Modern Dance," provided an entertaining program for the Holland branch of the American Association of University Women Thursday night in Durfee Hall. It was presented by Mrs. Robert De Bruyn Jr. of Zeeland and Hope College senior dance students.

"We live in a world of movement," Mrs. De Bruyn said. "Man shows life through movement either planned or spontaneous. To compose a dance, we employ three body movements—twisting, bending and stretching—in combination. There are eight basic locomotive movements: walking, running, leaping, hopping, skipping, sliding, jumping and galloping."

Students demonstrating dance

movements were Louise Verhoek, Helen Ver Hoek, Mary Ann Gilder and Sue Van Wyk. The finale was a rendition in dance of the legend, "The Owl and the Pussycat," showing how a composition is dictated by story and music.

Artist Mary Porter demonstrated another way of interpreting an idea through painting, encouraging members to create on canvas their versions of a theme.

Mrs. Stuart Padnos, president, welcomed 33 new members, all of whom received corsages from their sponsors.

The contemporary painting group will meet Nov. 20 at the home of Mrs. Lowell Heneveld. The contemporary reading group will meet Nov. 13 at the home of Mrs. William Comber.

Several trips to art shows are being planned by the Arts Group. There will be a trip to Grand Rapids Nov. 10 to the Art Gallery, and another on Jan. 12. On March 4, the Picasso Show in Chicago at the Art Institute will be viewed by the group. Anyone desiring information on these trips may call Mrs. Morris Reed.

Members are asked to bring pieces of sculpture, either copies or originals, to the November meeting. They may be brought early to the meeting or contact Margaret Van Vyven.

Mrs. William Hillegonds headed the social committee, assisted by Mrs. Garrell Adler, Mrs. M. E. Bennett and Mrs. Dan Boone.

## Chapter Earns \$1,840 for MDA Fund

A total profit of \$1,840.22 was realized by the local chapter of Muscular Dystrophy Association of America at a benefit auction held Tuesday evening at Van Hill Sales Pavilion. More than 400 attended.

Donations for the cause were given by merchants from Holland, Zeeland, Jenison and Hudsonville. Some gift certificates also were donated.

Plans are now being completed for the annual house-to-house canvass to be held in the Holland and Zeeland areas on Nov. 9 when hundreds of marchers will be out to collect funds. A large number of Hope College students are volunteering for the canvass as well as church groups.

It was pointed out that as yet there is no curve of effective treatment for Muscular Dystrophy but work is being conducted in more than 100 research centers throughout the United States and a few foreign countries. Funds are being used for patient service and research.

Ottawa County at present has 17 patients.

## Questers Tour Antique Shop in Grand Rapids

Wednesday 11 members of the Jane Steketee Chapter of Questers took a field trip to Grand Rapids.

Dr. Clifford Nelson, owner of Heirloom House, took members on a tour of his antique shop which contains a selective and distinctive choice of antiques, many of which came from some of Michigan's oldest and finest homes. Dr. Nelson told the history behind many of his antiques.

Prior to the trip, members met for dessert at the home of Mrs. Albert Kraai in Grand Rapids.

Mrs. Fred Coleman conducted a short business meeting. The Nov. 15 meeting will be held in the home of Mrs. Hollis Northuis.

## Panthers Lose, 13-0 In O-K Game

Wyoming Park's football team turned two first half breaks into touchdowns here Friday night and defeated West Ottawa, 13-0 in a game played in the snow and mud at the West Ottawa field.

The victory was Wyoming's fifth in six O-K Red Division League games while the setback was West Ottawa's third in five league games. The Panthers are 4-3 overall.

Two punt situations resulted in setting up touchdowns for the Vikings. The first came on a high pass from center and the second on a blocked kick.

After West Ottawa took the opening kickoff and couldn't move the ball the Panthers prepared to punt from the 15-yard line.

The pass from center was high and the ball bounced into the end zone. Punter Gord Prins retrieved and ran to the two-yard line where he was dumped.

Jim Wicht ran two dive plays of a yard each, scoring on the second one.

Early in the second quarter with the Panthers on their own 12 Prins had a punt blocked by Chuck Breen who fell on the ball in the end zone. Fred Stalsonburg kicked the extra point.

That concluded the scoring. Wyoming ended the first half on the West Ottawa 10 on Tom Miller's 40-yard run. A fine tackle by the last man, Chuck Kleis, between Miller and the goal line prevented the touchdown.

West Ottawa has a second period drive stopped on the Wyoming 16 when Greg Dalman fumbled and the Vikings recovered.

In the third period the Panthers were stalled on the Wyoming 14 when they failed to make a first down. Another threat was stopped when Wyoming intercepted a pass on its 41.

Wyoming was back on its 13 late in the third quarter but a roughing the kicker penalty gave the Vikings a first down. This was followed by a pass interference penalty a few plays later and helped Wyoming get to the Panthers' 35 the Vikings' deepest second half penetration.

The losers controlled the ball most of the time running 52 plays to 35 for Wyoming.

Commenting on the contest, Coach Ron Wetherbee said "The defense improved a great deal this week but we made a couple of big mistakes that resulted in touchdowns. If we keep improving we will give Godwin a real battle next week."

## District PTA Group Hears Sligh

Group sessions, addresses and other educational features geared to the challenging theme of "Coping With Frustrations, Apathies and Pressures" marked the seventh annual West Michigan PTA Conference Thursday afternoon and evening on the campus of Holland High School.

Group sessions on such timely topics as professional negotiations, counseling, PTA effectiveness, juvenile delinquency and fiscal reform provided stimulating challenges for some 300 PTA leaders from some 10 counties in Western Michigan including Grand Rapids, Benton Harbor and Muskegon.

Addressing the evening session was Charles R. Sligh Jr. of Holland, founder of the Sligh-Lowry Co. and past president of the National Association of Manufacturers. His subject was "How PTA People Can Help Solve Community Problems."

As possible helpful projects, he advanced Grade School Junior Achievement, described as a small business in which a youngster would learn to think creatively and learn about business while learning the basic concepts of rights, responsibilities, dignity and freedom. He also suggested MIND, Inc., (Methods of Intellectual Development) in which low achievers would spend from 8 to 9 a.m. before school every day in an industrial plant where children could become adults in an industrial environment.

In this experimental program at Argo Community High School outside Chicago, Sligh said after two months each student moved ahead a year and four months in arithmetic achievement. The same program could be duplicated for adults.

He also spoke of an NAM program which started three years ago with the selection of 10 dropouts from the slums, all of them now gainfully employed.

"I feel sure business people will be glad to cooperate in similar ventures in your localities, as many have done in other communities. There is no lack of job opportunities, only a lack of skills, and business people are anxious and willing to help PTA's put such programs into operation."

On broader educational concepts of concern to PTA's, Sligh advocated analysis, study and research in the best possible utilization of school monies and pointed to the dangers of overspending inherent in life today, spending that produces deficits which jeopardize local communities and the welfare of the people. He also warned of inflation (U. S. currently paying \$37 million a day in interest on debt) and said this inflation affects mainly teachers, retired persons and those on fixed incomes.

"What do we do about lawlessness and disrespect for constituted authority? What about student riots, nonstudent riots, muggings, juvenile gangs and mob rule? Can we expect young people to grow up with a respect for others when they see government employees, industrial workers, firemen, nurses, truckers, policemen, and yes, teachers, striking unlawfully?"

"I believe in the right to strike. Businessmen must run their plants with proper regard for their workers, their customers and their competitors. We must set examples that prove to the young people that might does not make right, and that unlawful acts committed in concert with others cannot go unpunished."

"The answers are not easy. One answer is moral action on the part of each individual. This is no magic wand and at best will be a long term fight. But we'd better start, and start right now! Our forefathers left us a great heritage. Are we going to leave our children a greater heritage?" he asked.

Sligh's address followed a supper in the fieldhouse featuring barbecued chicken supervised by Jerry Adler.

The afternoon keynote address was given by Dr. Russell Kleis, associate professor of adult and higher education at Michigan State University. Holland School Supt. Donald L. Ihman brought greetings.

## Open House Honors Harvin Essenburgs

Warrant Officer and Mrs. Harvin J. Essenburg were honored at an open house given by his parents, Mr. and Mrs. Harvin J. Essenburg will be home at 630 Azalea Ave. on Saturday from 7 to 9 p.m.

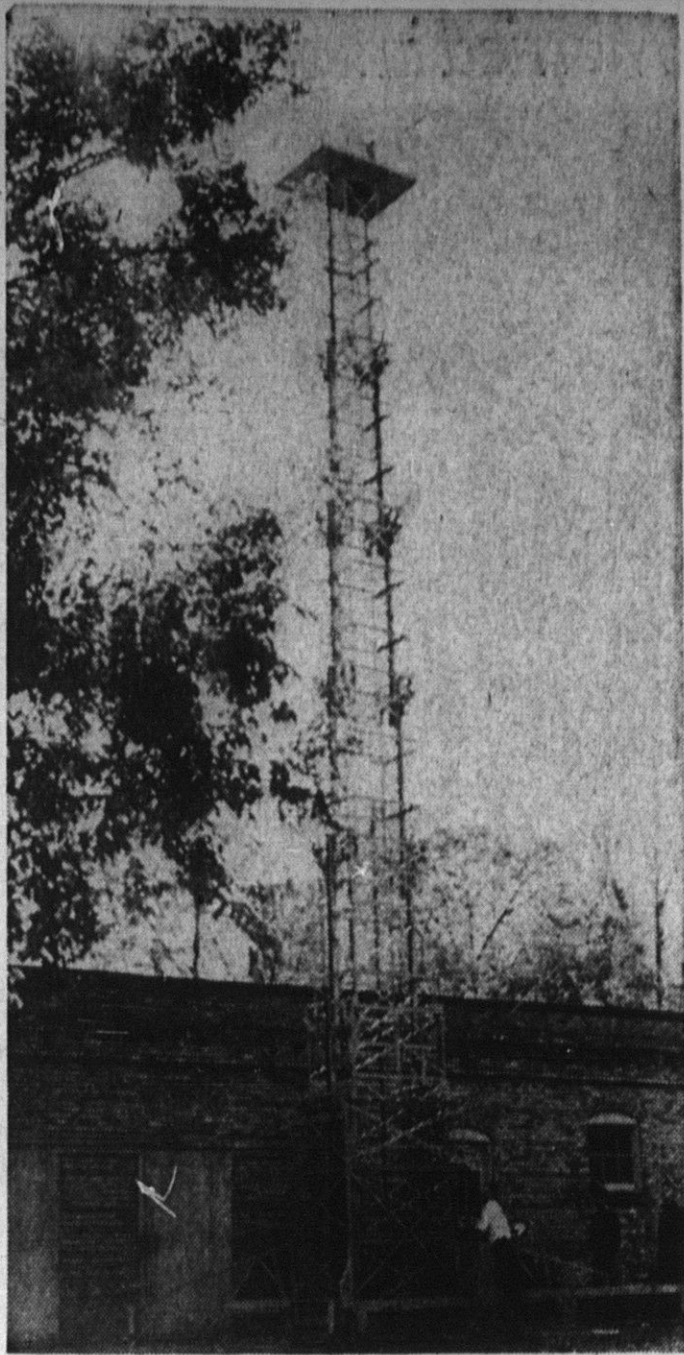

The couple is in Holland prior to Warrant Officer Essenburg leaving for Vietnam. Mrs. Essenburg will reside in Baltimore, Md., while her husband is away.

Friends and relatives are invited to the open house.

The occasion for the presentations was the West Michigan Bottling Co.'s annual outing for all employees.

**TOWERING TELESCOPING SCAFFOLD** — Patrick Donnelly, production scheduler for the Lithibar Company, operates the hoist control on the recently constructed "Telescoping Scaffold." The scaffold is just under its peak height of 55 feet. The Lithibar Company finished assembling the machine last week and will prepare it for shipment to the Bureau of Prisons, Springfield, Mo., where it will be used in maintenance work. (Sentinel photo)

## Lithibar Company Finishes 55-Foot High Scaffold

Employees of the Lithibar Company of Holland recently completed assembly operations on a "Telescoping Scaffold," a skyscraper machine that towers 55 feet at full elongation.

Patrick Donnelly, production scheduler, said the electric powered scaffold was designed by Economy Engineering of Chicago. With the completion of the two-month construction task, it is scheduled for shipment this week to the Bureau of Prisons, Springfield, Mo., where it will assist in maintenance work, Donnelly said.

The nine-foot two-inch fully compact structure is hoisted by a series of chains and sprockets and lengthens into eight frames that total 55 feet including the rectangular cage.

One of the many ingenious safety devices featured for the scaffold is that the four balanced braces cannot be tilted without disconnecting the power.

According to Donnelly, the cage can support up to 500 pounds in a 25 mile-an-hour wind and hoist control can be maintained from either the cage or the ground.

## Vows Spoken in Church

Mr. and Mrs. Kurt Marlink

Miss Darlynda Jeanne Sundin became the bride of Kurt Marlink in an afternoon ceremony performed by the Rev. Floyd G. Bailey on Oct. 21 in the Wesleyan Methodist Church.

The bride is the daughter of Mr. and Mrs. Donald F. Sundin, 238 West 29th St. Parents of the groom are Mr. and Mrs. Richard Marlink of 669 Goldenrod.

For the ceremony the chancel was decorated with candelabra tied with lemon leaves on olive green and ice blue bows, and altar bouquets of fall chrysanthemums.

Mrs. Gordon Dekker played traditional wedding music and Miss Patricia Huff, cousin of the bride, was soloist.

Given in marriage by her father, the bride chose a floor-length cage of clipped chauntilly lace, featuring bracelet-length sleeves and was trimmed with bands of white bridal satin, over a sheath of ice blue tissue taffeta. Her shoulder-length veil of English illusion was held by a pearl trimmed lace and satin bow. She carried a crescent bouquet of blue tipped french mums, centered with a white orchid.

Miss Lynn Lee, maid of honor, was attired in a floor-length A-line gown of olive green silk crepe. The gown featured an

empire bodice with wide ecru lace and blue velvet edging the hem and trumpet sleeves. She wore a bouffant veil of olive green tulle held in place by a crepe bow and carried a fugi mumm tipped with blue.

Dawn Sundin, sister of the bride, carried the rings in a nosegay of blue tipped french mums. She was attired in a gown identical to that worn by the bride. All the gowns were designed and made by the bride's mother.

David Marlink, brother of the groom, was best man. David Sundin, brother of the bride and Douglas Marlink, brother of the groom, lit the candles. Paul and Phillip Huff seated the guests.

A reception was held in Bosch's Restaurant in Zeeland. Mr. and Mrs. P. Ray Gemmen were master and mistress of ceremonies. Nadine Slayer and Mrs. John Grosshaur III served punch. Mrs. Paul Huff and Miss Lynda McClellan attended the gift room and Miss Nancy Hill registered the guests.

The newlyweds honeymooned in Northern Michigan. The bride is employed at Sears and will reside with her parents. The groom is serving in the Army.

The groom's parents entertained at a rehearsal dinner at Jack's Restaurant.

#### PRINCIPLE OR FEAR?

The nation has been torn recently by week-long anti-draft demonstrations which frequently turned into riots. The principle at stake is said to be a moral one: the rioters claim they have the moral right—nay, duty—to protest the drafting of young men to fight an immoral war. They may well be right.

But sometimes one has the sneaking suspicion that some of the righteous, moral indignation is a camouflage for fear and cowardice, for a reluctance to be brought under the stern discipline of military life. The reason this suspicion occurs is that those who are protesting stand to gain something personally pleasant if their principle is recognized and acted upon; and they stand to lose nothing if they get the nation and the government to agree.

Long years ago the ancient philosopher Socrates was also engaged in a conflict of principles. He insisted on going around Athens probing into people to find the integrity of their motivations and was finally warned to keep his mouth shut or be executed. He was genuine about his principle, kept on talking, and got what the people promised him.

But Socrates knew what he was doing. He said that a man could never be a very effective proponent of a principle if he stood to gain by its recognition. That's why he never took a government job — it left him free to criticize the government. He could remain a disinterested critic.

Far be it from us to say that all the young folk who are protesting the draft are not morally committed to their point of view. It just seems that they should recognize that they are not the most effective proponents of their views; they are interested critics and have too much to gain. It's just possible that their opposition is fear and laziness hiding behind the skirts of principle.

Hosea: God Speaks Through Tragedy  
By C. P. Dame

Some people look upon life as a school. In school we learn. Experience teaches us that many people have been taught valuable lessons by tragedies, trials and troubles. God uses tragedy to give us a deeper, spiritual insight, and a greater faith.

I. We learn through tragedy. "The word of the Lord came unto Hosea, the son of Beeri"—these words speak of a great fact, telling us that God spoke to a man—gave him a message. Hosea prophesied many years, some scholars say about 60 or 70 years to his people, the northern nation, during the reigns of four kings of Judah and of Jeroboam —, king of the northern nation who ruled from 782 to 743 B. C. Hosea began his long ministry shortly after the close of the ministry of Amos. The two prophets differed much. Amos was blunt and stern; Hosea was sensitive and tender-hearted. Both lived in a time of prosperity for the rich. Morals were bad, religion powerless, leadership was selfish and the future looked dark. Hosea preached to a backsliding nation.

Three of the twelve minor prophecies are narrative—Jonah, Habakkuk and Hosea. The words, "And the Lord said to Hosea, Go, take unto thee a wife of whoredom" need explanation. Three interpretations are offered. Some think that God told Hosea to marry an immoral woman and he obeyed. The second is that the prophet invented the parable to illustrate God's love for a faithless people—it is an allegory. The third is, which is most commonly accepted, that Hosea married a chaste wife but she became immoral and broke the prophet's heart. This man's unhappy marriage made him understand how God felt to Israel, a faithless nation.

II. Faithlessness hurts. Hosea was the father of the first child who was named, Jezreel, which means, "God sows" or "God scatters." This name speaks of judgment. Two more children were born of these Hosea was not the father. The second child, a daughter was called, Lo-ruhama, which means "no mercy" or "not pitied" and the third child's name was Lo-ammi, which means "not my people" or "no kin of mine." Very likely the birth of the last child caused the prophet to see the hopeless situation and he sent his wife away or she may have run off with her illicit lover. The marriage collapsed. Since that day many have fallen apart and wounded hearts and hurt children.

III. Love is costly. God told Hosea to seek and find his faithless wife and he did. She had been sold into slavery, perhaps she had become a temple of Baal prostitute. "So I brought her to me for fifteen pieces of silver, and for an homer of barley, and for a half homer of barley." The prophet brought her home and put her on probation.

As a faithless wife hurt Hosea, the prophet and husband, so Israel hurt God, by its faithlessness. Note the two words used to describe the nation's sin—adultery and harlotry. The adulteress seeks satisfaction in unlawful relationships. Harlotry is "the sin of prostituting high possessions for the sake of hire or gain." God's people were guilty of both sins. In spite of the nation's sins God kept on loving the nation. God showed His love for erring and sinful mankind in sending Christ into the world to die for us. Today God is still seeking wayward and lost sinners. The church that is engaged in this ministry represents God.

## Dutchmen Drop Third MIAA Game

Kalamazoo College, a team that hadn't been able to score a touchdown in their last three games, tallied a pair within three minutes of each other, then played alert defense to defeat Hope 14-7 in a football game Saturday on a muddy Riverview Park turf.

The triumph was the first in MIAA competition for the Hornets and put Kalamazoo, Hope and Adrian in a three-way tie for last place with 1-3 record. Overall Hope is 2-5.

Playing in mud that measured four inches deep in spots, neither team could get an extended drive. While dominating all the statistics, Hope had numerous offensive attempts stymied by an alert Kalamazoo defense. The Hornets intercepted four Flying Dutchmen passes and recovered two fumbles.

Kalamazoo scored first in the closing minute of the first quarter after defensive tackle Mike Wilson intercepted a Hope pass and returned it 54 yards to the Flying Dutchmen's four. Two plays later halfback John Keck went the four yards into the end zone. Bob Lockwood kicked the first of two successful conversions.

Hope was forced to give up the football on the next series. On a fourth down quarterback Gary Frens punted to the Kalamazoo 39 only to have DeMonte Johnson return it to the Hope 32.

Kalamazoo picked up a first down before Keck fired a 21-yard scoring to end Lee Tichenor.

The Flying Dutchmen marched 74 yards in 15 plays on the next series with Frens climaxing the drive with a one-yard plunge into the end zone. Tom Pelon kicked the extra point.

Hope was stopped on the Kalamazoo three-yard line as the first half ended.

Neither team penetrated past their opponent's 30-yard line in the second half although Hope had one final opportunity in the closing minutes of the game before Kalamazoo's Bill Northrup intercepted a pass on his own 20 with 41 seconds left to play.

Hope halfback Keith Abel led all rushers with 75 yards in 27 carries while teammate Frank Lundell totaled 40 yards in 12 rushes. Keck was high for Kalamazoo with 38 yards in 11 tries.

Frens completed 14 of 36 passes for 99 yards with Pelon catching five for 45 yards.

## Branches Snap Under Heavy Mass

Power and Phone Service Interrupted In Many Localities

The first snowfall of the season fell on Holland Friday, piling up masses of heavy wet snow, snapping branches and cutting utilities in many areas. By midmorning, the soggy blanket was 2½ inches deep and the snow continued. Official temperature was 33 at 11 a.m.

Fallen branches were the main hazard in Holland Friday and it was apparent that many branches which survived the severe windstorm that hit Holland Tuesday night fell prey to the snow.

Holland Board of Public Works crews were out in full force repairing primary wires in some 40 isolated areas. Most of the calls came from the north side.

Bell Telephone also had crews restoring service in many areas. It was expected all repairs would be completed before midnight.

Consumers Power Co. reported a primary line down on Lakeshore Rd. near Riley about 7:30 a.m. cutting service to some 200 customers. Power was restored by 9 a.m.

Power was off for varying periods in the morning in West Ottawa High School, Pine Creek, Ventura and Lakewood elementary schools. Supt. Lloyd Van Raalte said children were not allowed on elementary playgrounds Friday morning because of the threat of falling limbs. Bus service was erratic because of hazardous road conditions. Children riding buses were cautioned to stay well to the side of the road when slippery conditions prevail.

Highway travel was hazardous during the early hours. There were five vehicles off the I-96 freeway between Holland and Saugatuck.

The street department kept close liaison with Holland police on whether plowing would be necessary. In the case of main streets, normal traffic kept streets clear. City trucks, equipped with underbody scrapers, patrolled city streets picking up fallen branches. Some parking lots were cleared.

Some city curbs had water accumulations caused by autumn leaves clogging the drains. Falling leaves also covered the snow.

## Zeeland

Mrs. Char Machiele will be leaving on Oct. 28 to join her husband, Boyd, in Germany. Boyd is stationed with the armed forces.

The RCYF convention will be held in Traverse City this year. "God the Father, Almighty, Creator" was the morning sermon of the Rev. John M. Hains of the Faith Reformed Church. "Stumbling Blocks on the Road to Heaven" was the title of the evening sermon. The girl's choir, under the direction of Mrs. Ray Eaton, furnished the special music.

The girl's choir sponsored an Ice Cream Social on Wednesday evening in the basement of the Faith Reformed Church. The proceeds will be used to purchase new robes for the 50 voice choir. The girls will be having their fall party on Oct. 30 at 6:30 in the church.

On Oct. 29 the Rev. George Beukema will be attending the Sunday evening service of Faith Church. Rev. Beukema, who works in the Cleveland "inner-city" will be presented with keys to an automobile, a gift from the congregation of Faith.

Mrs. Donna Raterink is visiting her son Darrell in Hawaii. Darrell is with the armed services.

Linda Van Vels has returned home from the hospital and is recovering at home from her recent automobile accident.

Harris Hoezee is now stationed at Fort Carson.

Dr. Oswald C.J. Hoffmann, well-known speaker of the Lutheran Hour, delivered a public address in commemoration of the 450th anniversary of the Reformation, entitled, "Martin Luther 450 Years Later." The message was delivered in the Calvin Seminary Chapel on Monday.

"Wheat and Tares" was the theme of the morning message presented by the Rev. Calvin Nieuwenhuis of the North Street Christian Reformed Church.

The evening message was entitled, "Our Sovereign Savior." Louis Heckman, representative of the Gideons, spoke briefly at the evening service.

Rev. Nieuwenhuis attended a Pine Rest pastors workshop this week.

On Sunday, the Rev. Nieuwenhuis will be filling a classical appointment to the Oakland Christian Reformed Church. Seminarian Jack Gray is scheduled to occupy the pulpit at North Street.

The Sunshine Ladies Group of North Street met on Tuesday evening. Mrs. Edgar Smith, who with her husband has served several terms on the Nigerian Mission field, was the speaker. A. Sneller was released from

**SEASON'S FIRST SNOWMAN**—These four children from the Howard G. Busscher family made their first snowman of the season Friday in their yard at 1150 Graafschap Rd. Ignoring adult exclamations of "wet and slushy," they bundled themselves in warm clothes for two outings in the

snow before noon. Shown (left to right) are Janice, 8, (hidden by her brother) Jim, 10, Randy, 6, and Phil, 9. All are students at West Side Christian Elementary School and had vacation because of teachers' Institute. Official records put snowfall at 2½ inches Friday. (Sentinel photo)

**BEAUTIFUL BURDEN**—Branches of this tree bend under the weight of heavy, wet snow that stealthily blanketed Holland area over night and measured 2½ inches

Friday. The first snowfall of the season caused many tree limbs and power and telephone lines to snap under its weight keeping utility workers busy Friday. (Sentinel photo)

## Wed in Wesleyan Church

Mr. and Mrs. Lloyd A. Pitsch

Wesleyan Methodist Church was the scene of wedding rites on Oct. 20 when Linda Ruth Johnson, daughter of Mr. and Mrs. Chester Johnson, 140 East 20th St., became the bride of Lloyd A. Pitsch, son of Mr. and Mrs. Stanley Pitsch, 43 West Gardner, Sparta.

Palms and ferns offset with candelabra and bronze and gold mums formed the background for the rites performed by the Rev. Floyd Bailey following organ music played by Mrs. Gordon Dekker. Birton Hilson was soloist.

Wedding attendants were Shirley Johnson, maid of honor; Mary Pitsch and Mrs. Norma Jacobs, bridesmaids; Laura Bambach, miniature bride; Gary Mixer, best man; Jeffrey Johnson, miniature groom; Randy Johnson and Mike Knowlton, ushers.

The bride, approaching the altar with her father, wore a floor-length A-line gown of luster satin with chantilly lace touched with sequins bordering the neckline and diamond-shaped chapel train which fell from the back waistline. Her elbow length veil of imported illusion was held by a capette of pearls.

The bride was graduated from Davenport School of Business and is employed as an accountant at Mapes Insurance Firm of Grand Rapids. The groom is a student at Davenport School of Business.

The groom's parents entertained with a rehearsal dinner at Sirlin Village.

## Port Haven P-T Meeting Held

The Port Haven PTA from the Connell and Agnew Schools held a bake goods auction for the first meeting of the year Monday. Henry Klukos and William Brolick were auctioneers.

Teachers were also introduced including Mrs. Ralph Van Volkinberg; kindergarten: Mrs. Wilber Husted, first and second grades; Mrs. Dorothy Bolthouse, third and fourth grades; Miss Alice Brook, fifth grade. Douglas Brondyke is the principal at both schools.

Mrs. William Brolick and Mrs. Virgil Houle are in charge of the saving stamp program. Mrs. George Reiss and Mrs. Charles Winters are hospitality chairmen; Mrs. William Prelesnik has charge of the membership, and Mrs. John Frost, publicity.

Room mothers this year are Mrs. Stanley Palmquist, Mrs.

Richard Underhill, Mrs. William Van Slooten, and Mrs. Henry Klukos.

Mrs. Husted's room won the room attendance.

Coffee was served following the meeting with Mrs. Charles Winters and Mrs. John Frost as co-hostesses.

**Snow Delays Paving Of South Shore Dr.**

Friday's early snowfall caused a delay in resurfacing a part of South Shore Dr. which has been torn up for several weeks for installation of a sewer interceptor. Detours remained in effect.

Friday's plans had called for paving South Shore Dr. from the Y to Graafschap Rd. and on 16th St. from the Y to Crescent Ave.

The sewer line is being installed on the south side of South Shore Dr. There also are excavations on the north side of South Shore Dr. from Lugers Rd. to Allen Dr. for a water line.

## Allegan County Expands Public Health Services

ALLEGAN—Expanded health services for children in county schools this year were announced today by the Allegan County Health Department.

These services are in the field of vision, hearing, TB tests and immunizations, and a clinic for mental and emotional problems.

In vision testing program, technicians who are trained by the Michigan Department of Public Health are visiting half of the schools each year. This gives each child a screening test for visual acuity every year. Children who fail the test are referred to their doctors for further examination.

The hearing program also is on a two year basis with trained technicians making the tests and scheduling retests for children with known hearing problems. Children who are found to have defective hearing are examined by an otologist free of charge and referred for further treatment and recommendations to a doctor of the family's choice.

Children also are skin tested every other year for tuberculosis and all school personnel as well as teachers, bus drivers, cooks and crossing guards receive the test.

Positive reactors are placed on the TB roster and are notified each year to have x-rays when the mobile unit is at the Allegan County Health Department.

A clinic for mental and emotional problems of school children is held in the health department each Thursday and appointments may be made by parents or teachers for any child who has problems of this nature by calling the department. Skilled psychologists and social workers of the Kalamazoo child guidance clinic are available to advise and counsel parents and children.

Immunization clinics for booster shots will be scheduled in the schools later this year. According to state law, children must be protected against communicable disease before they enter school. Booster shots are necessary only 7-10 years thereafter.

Public health nurses visit schools to provide any health services of counseling teachers may request. They also are available for preschool roundups and for educational resource material, films and talks on health services for PTAs, churches and other social groups.

The film, "Quarter Million Teenagers," also is available for showing students on the high school level and for service organizations. The film is designed to provide teachers with help

## Overflow Crowd Attends Christian High Dedication

More than 1,650 persons attended the open house and dedication of the new Holland Christian High School Monday night and large crowds are expected again Wednesday when "Community Night" is staged.

Dr. William Spoelhof, president of Calvin College, spoke at the dedicatory service in the 800-seat auditorium. The dedication was also viewed by many others in the school on closed circuit television.

Noting the date was one day prior to the 450th anniversary of the Protestant Reformation, Dr. Spoelhof recalled Martin Luther and how he had pointed to the necessity of Christian education.

Speaking on Psalm 20:5 "... in the name of our God we will set up our banners," Dr. Spoelhof set up three banners, a trademark, hallmark and benchmark.

He pointed to the trademark a "unified as school of learning" while the hallmark was a quality Christian education, integrated and relevant and the benchmark was "Christ, the key of all knowledge, concluding that "we must not only dedicate but rededicate ourselves to this noble cause."

Presentation of the keys to the building was made by Cornelius Van Sweden, representing the James K. Haveman, architect, to Russ Michmerhuizen, chairman of the planning and construction committee.

Howard Johnson, president of the board of trustees, accepted the building. He noted the building of 100,000 square feet had

been built at a construction cost per square foot of \$12.

Raymond Holwerda, Christian High Principal for 30 years, called the building a "masterpiece."

On behalf of the faculty and administration, Holwerda said "we dedicate and consecrate our service to your children and above all to our God, remaining loyal to the Christian school motto Soli Deo Gloria - To God Be the Praise." Holwerda recognized 14 graduates of the 1914 eighth grade Holland Christian class.

Supt. Mark Vander Ark introduced special guests including former superintendent Bert P. Bos and Edward Wolters, Dr. Clarence De Graaf and Albert Muyskens, teachers in the 1920 original Holland Christian High School.

Also introduced were members of the board of education, the planning and construction committee, contractors, school principals and Dr. Henry Trienzenberg of the National Union of Christian Schools.

Mrs. Ruth Kaasboek Rus played a piano selection and Mrs. Mary Wolters Vander Hill sang. The Holland Christian Choir, directed by Tom Vanden Berg, sang two selections.

The Rev. Charles Steenstra, pastor of the Faith Christian Reformed Church, gave the invocation and the prayer of dedication was given by Dr. Bastian Kruithof, professor of Bible at Hope College.

Theodore Hoeksema past president of the board of trustees, presided and Arthur Spoelstra was organist.

## \$2,041.54 Is Collected For UNICEF

Young people from Holland churches collected \$2,041.54 when they went trick or treating for UNICEF Monday night, according to Mrs. J. A. Veldman of Third Reformed Church.

Mrs. Veldman coordinated efforts for the 11th annual collection in Holland with Miss Charlotte Heinen from Hope Reformed Church.

Monday's collection surpassed the \$1,906.17 collected last year.

Mrs. Veldman reported some areas were not contacted Monday, but representatives from City Mission would be seeking contributions tonight. They, as the collectors Monday night, are to be carrying the official UNICEF containers and persons are asked to give only to them.

Others not contacted may make contributions through their churches, marking the envelope for UNICEF, or sending their donation to Miss Heinen, Mrs. Keane or Mrs. Veldman at their respective churches.

## Patrolman Sees Low-Flying UFO

Holland patrolman Paul De Boer reportedly spotted an unidentified flying object early Monday while driving east on 48th St. near Lincoln Ave.

The bright orange object which resembled a half moon "only three times as big," according to De Boer, was reported at 4 a.m. today.

When he approached the UFO, De Boer said, it began moving eastward at about the same speed as the police cruiser. The patrolman said he lost sight of the object when he stopped the car to view the object flying low enough at times to travel below the height of tree tips.

De Boer said he lost sight of the UFO only to view it later near M-40 travelling east at a faster rate of speed. He said he then watched it until it disappeared over the horizon.
