You can't judge the brutality of some people by the horsepower of their automobiles.

Cornelius Vander Nagle was arrested by Officer Sietkete Thursday evening on a drunk charge. When arraigned before Justice Van Duren Friday morning Vander Nagle was let off on a 90 day suspended sentence.

D. W. Wadsworth, formerly of Fennville, living two miles east of Bangor has the finest block of 50 Stark apple trees in Michigan. One tree packed nine barrels—seven of fancy and two of No. 1, with less than one half bushel that did not go in. This was not the best tree, but it was close to the packing table and easy to keep tab on. The whole orchard of 375 trees is well worth anyone's time in going to see.

The Farmer's Mutual Fire Insurance Company of Allegan and Ottawa Counties have just issued their annual report and assessment for another year. The company's losses for the year have been 77 and it is interesting to note that three fourths of them were caused by lightning. If that be the case why is not the lightning rod peddler on hand and doing a thriving business.

A well known citizen from a neighboring city went into his booth Tuesday and not seeing the name of his favorite candidate on the ballot but only the names of several electors whom he had never heard of. This excited his ire and he wrote in a bold scrawl across the list of names "Where in h— is Taft?" and then proceeded to boast of his feat to his pals. And when his vote came up to be counted, it was thrown out because it is unlawful to put any distinguishing marks on the ballot.

Mr. and Mrs. John Crane, Mr. and Mrs. A. J. Staring and Miss Dora Staring went to Grand Rapids last week Wednesday to attend the funeral of Mrs. Frank Tenn who was found dead in bed Monday morning. Her maiden name was Minnie Elliot. She was a former resident of Douglas and a student of the Saugatuck High school. She was 36 years of age and was known by many in this vicinity and Douglas who were much grieved to receive the sad news.

For the second time this month, the question of the sanity of George Breur, will come before the probate court. Breur was recently examined by Grand Haven physicians after a petition for his commitment to the asylum had been made by his father but the doctors declared that he was sane. Following his arrest last Monday on a charge of theft he was brought before Justice Van Duren for examination on the charge Friday and the examination was postponed two weeks in order that a second attempt may be made to have him adjudged insane.

A peculiar accident happened in Watson last Saturday. Lon Kent killed a couple of roosters, using a rifle to shoot them. One bullet cut off a bird's head, then glanced on the clay ground and went through an inch board on the barn two rods distance, struck a pitchfork handle and glanced into the abdomen of a horse standing in a stable. Dr. Hare was called and probed for the bullet but could not find it. The horse died and a post mortem showed the bullet had reached the animal's heart.

Five Mission study classes were organized at Hope College two for the college department and three for the preparatory. Dr. Dubbink and Wm Walvoord will lead the college classes in the study of "Comparative Religions" and "Social Evil of the Non-Christian World" respectively. The class in "India and Christian Opportunity" will be led by A. T. Laman. H. Vruwink will have a class in "Heroes of the Mission Field" and J. Warnshuis in "Effective Workers in Needy Fields."

At the opening of the November term of the Ottawa circuit court which convened Monday before Judge Padgham three criminal cases were begun. Pearl Congdon, accused of arson in connection with the burning of the ferry boat Holiday at Macatawa park in September, was arraigned and stood mute. The case will be taken up next Monday. Henry Gildner, charged with a violation of the liquor laws, and Frank Reader, charged with larceny, pleaded guilty, and will be sentenced Monday, when the court reconvenes.

Born, to Att. rney and Mrs. G. W. Kooyers—a son

Mr. and Mrs. R. Van Zwaluwenberg, 321 Central avenue, yesterday celebrated the 53rd anniversary of their marriage. Their children and grandchildren helped them celebrate. The aged couple have lived in Holland and vicinity practically all of their married life.

Rudolph Nichols of Chicago, formerly a student of Hope College and now a medical student at the state University, was elected president of his class, the Junior Medics last week. Mr. Nichols is well known in Holland. He was prominent in every feature of college life while pursuing studies here.

Rev. J. Hoekje, pastor of the Reformed church at Gelderland, near this city, is seriously ill. Miss Hannah Hoekje who was teaching school at McKee, Kentucky, was called home. Advised by his physician to take a rest, Rev. Hoekje will move his family to this city and live here in retirement until he shall have regained his health.

During his visit here Saturday, Judge F. H. Williams of Allegan purchased a registered Holstein cow and calf from the Kingsley Bassett farm. Frank is the owner of the best Holstein herds in this part of the state and will soon be known the country over as a breeder of this famous class of dairy animals. After closing up his probate court work he will be actively identified with the First State bank of Allegan, of which he is vice-president, but he will carry his farm as a sort of "side line."

Another effort will be made to carry Allegan county for local option next spring. A meeting of representatives from various townships—forty-five in all—met at the Methodist church last week Thursday to consider the matter and get things started. Rev. J. W. Vickrs called the gathering to order and was elected secretary, with Chas. B. Welch of Douglas temporary chairman. Rev. W. R. Kitzmiller of Hopkins offered prayer, after which R. N. Holsapple of Grand Rapids, assistant superintendent of the Michigan Anti-saloon league, gave a short address and outlined the plans of campaign. After adoption of a resolution to proceed to organize for a campaign, the following permanent organization was effected: President, Chas. B. Welch; vice-president, Sherman Moore; secretary, Rev. Wm. Lucas; treasurer, F. L. Chichester. Canvassers were appointed for the townships and \$150 was pledged by the delegates. Petitions to the board of supervisors asking for submission of the question at the spring election will be circulated, and there is no question but what enough signatures will be obtained and the board act favorably.

Kalamazoo and Muskegon are bidding against each other in an attempt to land the Chr. Ref. Theological Seminary and John Calvin Junior College, which have outgrown their modest quarters on Madison avenue in Grand Rapids. The great growth of the college in the past few years renders new and larger quarters a necessity. There is still room on the Grand Rapids site for more buildings, but the recent action of the synod of the Chr. Ref. Church in making the John Calvin Junior School a full ranking collegiate institution in two years time makes the question of a campus one which must be dealt with ultimately. The board of trustees, which is made up of Reys, J. Manni, F. Doezman, Prof. F. Ten Hoor, and S. S. Postma and Prof. A. J. Rooks of the college, has been inspecting the sites offered in Kalamazoo and Muskegon and are favorably impressed with the conditions at Kalamazoo, where the buildings and fourteen acre site of the old Michigan Woman's Seminary may be secured for a nominal price of \$100,000, when the value is at least twice that sum. The Muskegon board of trade has offered the colleges a free site of ten acres, and is now investigating the possibility of a better offer. Decision will be made by the board at its meeting on December 16. The course when the schools are raised to full collegiate ranking, will be a four years "prep" and four years collegiate, as is the case at Hope and other colleges, and its graduates will rank with those of any other institution. The collegiate course is at present but two years.

You may have observed that an office-seeker is a man who shakes the voter's hand before the election and shakes the voter afterward.

On account of the District meeting of the Foreign Missionary Society of the Methodist church, held in Grand Rapids Tuesday and Wednesday, the Holland Auxiliary will meet Friday p. m. at 2:30 at the home of Mrs. Frank Robinson, 9th St.

The first number of the Hope College lecture course will be given next Thursday evening at Carnegie Hall. Victor's Venetian Band of some 30 pieces will open the season. This band comes in a special car and is one of the best in the country. For all music lovers this is the strongest number of the lecture course.

Sheriff Woodbury was in the city yesterday and had cards printed offering a reward for information about a horse and rig belonging to Sth Nibbelink. A stranger, who gave his name as Smith, hired the rig and failed to return it. The Sheriff's description of the outfit follows: A dark bay horse, weighing about 1100 pounds, with three white feet. Rig was a red top buggy, newly painted, with one front spoke slightly damaged.

The largest deal in onions ever made in Western Michigan was closed the past week by the Yuille-Miller company and Loveland & Hinyan company, who took over the crop of yellow and red Globe grown by A. M. Todd of Kalamazoo on his 2,000 acre farm at Mentha. Mr. Todd raised a crop this year of 50,000 bushels, but this was only one field product on his big muck farm. The onions are all topped by machinery and cured in a model storage warehouse. His crop of cabbage was immense this season, and the bulk of it was consigned to Yuille-Miller company. Mr. Todd also raised a fine crop of mint besides his various field products.

The improvements in the Interurban waiting room have been completed. The old dispatch system has been discontinued and all the cars are run on the schedule. The waiting room has very much the appearance of the waiting room at Grand Rapids, with the ticket window in the rear. Steam heat has been installed in place of the stove. Henry Kraker put in the heating apparatus and the work is very satisfactory. Mr. Kraker has gone into the plumbing business in this city only recently but is already enjoying a good patronage. He is located at River and Ninth streets and does plumbing, heating and general repairing. He carries in stock all the usual plumbing outfits.

Word has been received in this city of the marriage of Mrs. Nellie Whelan and William Weihe at Miami, Florida, on Thursday October 29. Mr. and Mrs. Weihe intend to spend the winter at Palm Beach, Florida returning to Michigan in the Spring. Both Mr. and Mrs. Weihe are well known in this city. Mr. Weihe has for the past few summers conducted the Park grocery at Macatawa and the bride is the daughter of Mrs. M. A. Ryder of Macatawa Park hotel.

In the fog and smoke Friday night the steamer John Snapless bound from Oswego, N. Y., to Chicago with a cargo of 915 tons of coal, ran hard aground on the beach three miles north of Point Sauble life saving station about 8 o'clock. She was released Saturday morning at 2 o'clock by Pere Marquette steamer No. 6 after the life saving crew from the point had worked for four hours lightening the ship. She sustained no damage as the result of stranding and lost only about 30 tons of coal which was thrown over-board. The steamer is of 4,000 tons burden and the property of the Great Lakes & St. Lawrence Transportation company. It is thought that her compass must have wavered as she was going at full speed when she struck.

Seminary Notes.

The regular Adelphic meeting was postponed for a week. Next week the Association will spend an evening at the home of Rev. F. E. White of Saugatuck, one of its members.

Two new members were enrolled in the institution Wednesday, Mr. Carr of Kalamazoo and J. Douma of this city. Both will take up the studies with the Juniors. This brings the number of students to 22, Seniors, 7; Middlers, 7 and Juniors, 8.

Rev. J. Van Zomeran of Muskegon was on the campus yesterday shaking hands with friends.

The Seminary will next Sunday be represented as given: B. Rottschaefer, South Blendon; A. Steenga, 1st Grand Haven; W. Rottschaefer, Beverly; G. Hankamp, 3rd, Kalamazoo; H. Mollema, 2nd, Grand Haven; H. Pannuk, Beechwood.

Card of Thanks

We desire to publicly thank all who participated in the Republican demonstration, realizing that it was thru the effort and co-operation of all that it was made so grand, a success and especially we want to thank the different club organizations for their splendid work.

"The Servant in The House" At Powers

"The Servant in The House" which began at Powers Tuesday and will continue for the rest of the week, has been called the most daring play ever put on the American stage because its central figure is readily recognized as a reincarnation of the Christ. It is a damaging attack on the hypocrisies of conventional religion and conventional society. But the attack is directed against certain types of clergymen and not against the body as a whole. It assails abuses in all churches but it is not an attack on any established church or religion. And the truth of its keen satire is recognized and applauded by clergymen in every city and of all denominations. Above all the play is a delightful entertainment, which is the secret of its remarkable popular success. It is a modern comedy, constructed after the form of the old Greek drama, preserving the unities of time, place and action. It is the first of a series of seven plays which Charles Rann Kennedy is writing, each of which offers exactly seven characters, and in each of which there is but a single scene. It is almost as remarkable for its perfect dramatic construction as it is in its appeal to the better impulses of mankind. Through it the author plays on the emotions of an audience as a master violinist draws melody from a stradivarius. The play sparkles with brilliant comedy which forms a most acceptable antithesis to the big scenes of stirring pathos.

The story of the play tells of three brothers who meet, one morning in England for the first time in fifteen years. One has become a vicar in the Church of England; the second is a scavenger and a socialist; the third is the famous Bishop of Benares in India. The Indian Bishop, disguised as a butler, secures employment in the vicar's home which has been turned into a turmoil by domestic and church troubles. His influence is soon felt, and before the end of the play the servant becomes master of the household. The scavenger, who came to the Vicar's home with hatred in his heart, is completely metamorphosed and forgetting his creed of class against class, proves himself a man and a hero by fearlessly facing death to save his brothers and comrades.

MRS. W. T. BURNS

National Correspondent of R. C. Suffered from Nervousness and a General Breakdown--Caused by a Cold.

RESTORED TO HEALTH BY VINOL

"I caught a severe cold which it seemed impossible to get rid of. I became much run down, lost my appetite and flesh and felt nervous and irritable. Vinol was recommended, and certainly worked wonders for me; it increased my appetite and cured my cough and nervousness. I consider Vinol a wonderful remedy." Mrs. W. T. Burns, Memphis, Tenn.

Many people are in just her condition—all run down, hardly able to drag about, don't know what ails them. This is probably caused by a cold or cough which is hard to cure, overwork or too close confinement to business, and such people need Vinol.

Vinol is not a patent medicine, but contains the medicinal curative element found in fresh cods' livers, with all the oil eliminated and tonic iron added.

We ask every rundown, nervous, debilitated, aged or weak person in this place, and every person suffering from stubborn colds, hanging-on cough or bronchitis, to try Vinol on our offer to return money if it fails to give satisfaction. R. M. DePree & Co., Holland.

Save This, Anyway

Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night; painful and discolored urination, are readily overcome. Here is the recipe: Try it:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful dose after each meal and at bedtime.

A well-known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescription.

A Paying Investment

Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c. bottle of Dr. King's New Discovery; before that was half gone, the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at Walsh Drug store, 50c and \$1.00. Trial bottle free.

STATE TICKETS CAUSE SURPRISE

Contests for Governors Marked by Freak Voting.

DENEEN WINS IN ILLINOIS

RUNS FAR BEHIND NATIONAL TICKET, BUT IS VICTORIOUS.

Gov. Hughes Re-elected in New York—Indiana Chooses Democratic Head of State Ticket—Johnson Has Captured Minnesota and Davidson Wisconsin.

New York, Nov. 4.—Charles E. Hughes triumphed over his foes Tuesday and was re-elected governor of New York by a plurality of about 76,000. This he accomplished by cutting down the expected Democratic plurality below the Bronx.

Hughes came down to the city from up-state with an indicated plurality of about 121,000. Chanler's plurality south of High Bridge was approximately 68,000. The vote of two years ago was increased by about 150,000; Chanler surprised the Democratic leaders by an unexpectedly large vote in the rural districts, but lost tremendously in the city of Greater New York, where his followers had expected at least 100,000 plurality.

Gov. Hughes was serenaded Tuesday night by members of the Taft-Hughes league of Albany, who marched to the executive mansion with a band and a large crowd of people. The governor and Mrs. Hughes greeted them from the porch of the mansion. The crowd gave three cheers for Mrs. Hughes and the governor then stepped forward and in a short address said:

"Fellow Citizens: I thank you very heartily for coming to give me this greeting. The indications from the returns so far as they have been read are most gratifying. I am deeply rejoiced for the splendid victory for the national ticket. It is most inspiring, and I want to thank you all for the earnest work that you have done that has made possible our victory in this state. It has been a great pleasure to go from one end of the state to the other and meet directly so many of my fellow citizens and talk over with them the great questions in which we are interested, and I want to thank you all for the loyal support that you have given to the ticket. I thank you most heartily. This is a time when emotion gets the better of words and I would not trust myself to speak fully all that my heart would prompt me to say. Once more from the bottom of my heart—I thank you."

Deneen Wins in Illinois.

Springfield, Ill., Nov. 4.—Gov. Deneen has been re-elected in Illinois by a plurality of from 40,000 to 50,000, while Judge Taft has carried the state by more than 200,000.

Gov. Deneen ran about 150,000 behind the national ticket, and nearly that number behind the rest of the state ticket.

Adlai E. Stevenson carried Chicago, on the face of incomplete returns, by about 12,000, but Gov. Deneen's lead in the country towns of Cook county cut that down considerably.

Some surprises were furnished in the down-state counties. Livingston county, for instance, gave John G. Oglesby, Republican candidate for lieutenant governor, a plurality of 1,400 and then turned around and gave Stevenson a plurality of 300 over Deneen, a difference of 1,700 votes.

Deneen carried McLean county, Stevenson's home county, by about 500, and also carried Stevenson's home precinct. Taft carried the county by more than 3,000.

Republicans Win in Iowa.

Des Moines, Ia., Nov. 4.—The incomplete returns received at ten o'clock indicate that Taft has carried Iowa by a plurality now placed at 57,000. This is a tremendous falling off from the Roosevelt plurality of 158,000 of four years ago, but it represents only a slight falling off from the normal plurality. The entire Republican state ticket is elected, probably by about the same plurality.

Harris Beaten in Ohio.

Cincinnati, Nov. 4.—Though Taft carried Ohio by about 50,000, Harris, Republican candidate for governor, was defeated by Harmon (Dem.), by about 15,000 plurality.

Davidson Wins in Wisconsin.

Milwaukee, Nov. 4.—The Republican national and state tickets were victorious in Wisconsin Tuesday by a plurality estimated at 75,000. The congressional delegation, with one district to hear from, probably will remain about the same as two years ago, nine Republicans and two Democrats. The legislature, which will elect a United States senator to succeed Isaac Stephenson, will be overwhelmingly Republican, the returns indicating the election of 73 Republicans, 21 Democrats and six Social Democrats in the assembly, and 27 Republicans, four Democrats and two Social Democrats in the senate.

While Taft carried the city of Milwaukee by about 1,500, Aylward (Dem.) for governor led Davidson (Rep.) by about 1,800 votes.

Johnson Wins in Minnesota.

St. Paul, Minn., Nov. 4.—Incomplete returns indicate Gov. Johnson's

re-election by a majority of 10,000 to 15,000. The cities of St. Paul, Minneapolis and Duluth gave Johnson a plurality of about 20,000 over his Republican opponent, J. F. Jacobson, while the latter is running slightly ahead in the country districts, with about one-half of the rural vote to go from. Chairman Brown of the Republican state central committee still has hope that Jacobson may yet pull through on the country vote, but other Republican leaders concede Johnson's election.

Returns so far received indicate that Taft's plurality will be between 80,000 and 100,000.

St. Louis, Nov. 4.—Chairman Dickey of the Republican state committee, claimed Hadley's election as governor but declined to give figures. State Chairman Rubey of the Democratic committee, asserted that Cowherd's plurality was safe. He estimated it at 15,000 to 20,000 and asserted that Senator Stone won the senatorial fight by "a large plurality."

Michigan Governorship in Doubt.

Detroit, Mich., Nov. 4.—While Taft has carried Michigan by a majority estimated at about 100,000, the election for governor is in doubt with Hemans (Dem.) leading Gov. Warner (Rep.) by 7,000 to 10,000. Many country districts in which Warner expects a heavy vote have not reported. Hemans has broken into the Republican upper peninsula by carrying Marquette City. There are no early indications of pronounced Democratic gains in the legislature.

Indiana Votes for Taft.

Indianapolis, Ind., Nov. 4.—For the first time since Thomas A. Hendricks was elected governor on the Democratic state ticket and U. S. Grant received the electoral vote of the state for the Republican national ticket, Indiana has given a plurality to the Republican candidate for president William H. Taft, and elected Thomas R. Marshall, Democratic candidate for governor. Whether Marshall will carry the rest of the state ticket with him is a matter of conjecture. According to the latest estimate Mr. Taft received a plurality of about 15,000 and Mr. Marshall was victorious over James E. Watson, Republican candidate, by about 8,000.

The congressional representation from this state will be nine Republicans and four Democrats.

The legislature is in doubt, Marion county, with its 12 members of the legislature, went heavily Democratic for the county ticket and carried down with it the Republican legislative candidates and possibly Congressman Jesse Overstreet. One of the Republican leaders who has been looking after the election of state legislators conceded that the "lawmaking body is very close, but he adhered to the opinion that the lead the Republicans have in the 17 holdover senators will save it to the Republicans on joint ballot, and insure the re-election of Senator James A. Hemenway.

Missouri Senatorial Fight.

Kansas City, Mo., Nov. 4.—Scattering returns from throughout Missouri indicate that Senator William J. Stone is receiving a larger vote than Joseph W. Folk, the present governor of Missouri, for United States senator. The next legislature will be Democratic. Only Democratic ballots count in the contest between Stone and Folk.

The Spirit of the Leaders

The great Republican victory of last Tuesday is another endorsement by the American people of the principles of the party that has been in power almost uninterruptedly since the days of Lincoln. On the eve of election Mr. Bryan said that even if he was defeated on the morrow, he would not have lived in vain, that he had given an impulse to honest politics, and that he had helped to create a sentiment in favor of reform. Mr. Taft might have uttered these same words in perfect sincerity, and with absolute truth as Mrs. Bryan uttered them in perfect sincerity and with absolute truth. Both are splendid men, and the splendid record of Mr. Taft and the no less splendid strivings of Mr. Bryan have been conducive toward emancipating the minds of the American people from the bonds of unthinking partisanship. Both of these men have always tried to make men see the truth, and the truth will make them free. The American people have said through their ballots, that the best interests of the country demand that Taft should continue his great work of championing the cause of national honesty and political integrity in the presidential chair, and Bryan in private life. But the work of both is the same, to lead the American people to a higher plane of citizenship.

"With malice toward none and with charity for all," has been the motto of the campaign just closed. And today the American people feel that this very charity they exercised toward each other has ennobled them as a people and has made more sacred that citizenship, the betterment of which both Mr. Taft and Mr. Bryan are making their life work.

A Step in the Right Direction.

Before the election of Tuesday the Republican and Democratic City Committees made an agreement that neither party would use rigs to get voters to the polls, and neither party would have challengers at the voting places. It was an experiment in which party had as much to lose as the other. But the experiment worked admirably and both Democrats and Republicans speak of it as a reform. The voters did not stay at home just because they were not driven to the polls in a rig. The results showed that there were only about 40 more on the registration lists than came to the polls. It is a step in the right direction that the political organizations in this city have recognized the fact that a voter who is not interested enough to go to the polls of his own volition is not worth the trouble of being driven there in a rig.

The absence of challengers and "button-holers" at the polls was also a great improvement over the old way. The average voter is too intelligent to require a final suggestion from a would be local political light before he goes into the booth. Taken all in all the election in Holland was characterized by the same spirit of intelligent tolerance, shown all over the country. In this respect the election Tuesday was a triumph for all parties.

The Citizens Telephone Company made a distinctive hit by throwing the results as received over their wires on a screen. A large crowd that could not gain entrance to Prices Auditorium or the Idea Theater eagerly watched the screen from the street.

The President's Thanksgiving Day Message

Once again the season is at hand when according to the ancient custom of our people it becomes the duty of the president to appoint a day of prayer and of thanksgiving to God. Year by year this nation grows in strength and worldly power. During the century and a quarter that has elapsed since our entry into the circle of independent peoples we have grown and prospered in material things to a degree never known before and not now known in any other country.

The 13 colonies which struggled

along the sea coast of the Atlantic and were hemmed in within a few miles of tidewater with the Indian-haunted wilderness, have been transformed into the mightiest republic which the world has ever seen. Its domains stretch across the continent from one to the other of the two greatest oceans and it exercises domination alike in the Arctic and tropic regions. The growth in wealth and population has surpassed even the growth in territory. Nowhere else in the world is the average of individual comfort and material well being as high as in our fortunate land.

For the very reason that in material well-being we have thus abounded, we owe it to the Almighty to show equal progress in moral and spiritual things. With a nation, as with the individuals who make up a nation, material well being is an indispensable foundation. But the foundation avails nothing by itself. That life is wasted and worse than wasted, which is spent in piling, heap upon heap, those things which minister merely to the pleasure of the body and to the power that rests only on wealth. Upon material well-being as a foundation must be raised the structure of the lofty life of the spirit, if this nation is properly to fulfill its great mission and to accomplish all that we so ardently hope and desire for.

The things of the body are good; the things of the intellect better; but best of all are the things of the soul, for in the nation as in the individual in the long run, it is character that counts. Let us therefore, as a people set our faces resolutely against evil and with broad charity, with kindness and good will toward all men, but with unflinching determination to smite down wrong, strive with all the strength that is given us for righteousness in public and in private life.

Now, therefore, I, Theodore Roosevelt, president of the United States, do set apart Thursday, the twenty-sixth day of November next, as a day of general thanksgiving and prayer, and on that day I recommend that the people shall cease from their daily work and in their homes and churches, meet devoutly to thank the Almighty for the many and great blessings they have received in the past and to pray that they may be given strength so to order their lives as to deserve a continuation of these blessings in the future.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this thirty-first day of October in the year of our Lord, one thousand nine hundred and eight, and of the independence of the United States, the one hundred and thirty-third.

THEODORE ROOSEVELT
By the President, Alvy A. Adee,
Acting Secretary of State.

The backbone of every community is its merchants. They pay the bulk of taxes, support charitable and philanthropic institutions and it is they who are called upon to contribute means whereby public demonstrations and celebrations are held. The churches call upon them for support in their various enterprises and there is not an undertaking of any proportions or of any merit which is not almost solely dependent upon the generosity of our business men. And yet, knowing these things, many people patronize outside business houses which bleed the town of its resources and give nothing in return.

Letter From Thief

Saturday morning Miss Gertrude Wabeke received through the mails an anonymous post card from Saginaw, which there is reason to believe was sent by the burglar who recently robbed the home of her father, Jacob Wabeke, 75 Central Avenue. The communication is as follows:

Miss Gertrude Wabeke,
75 Central Avenue.

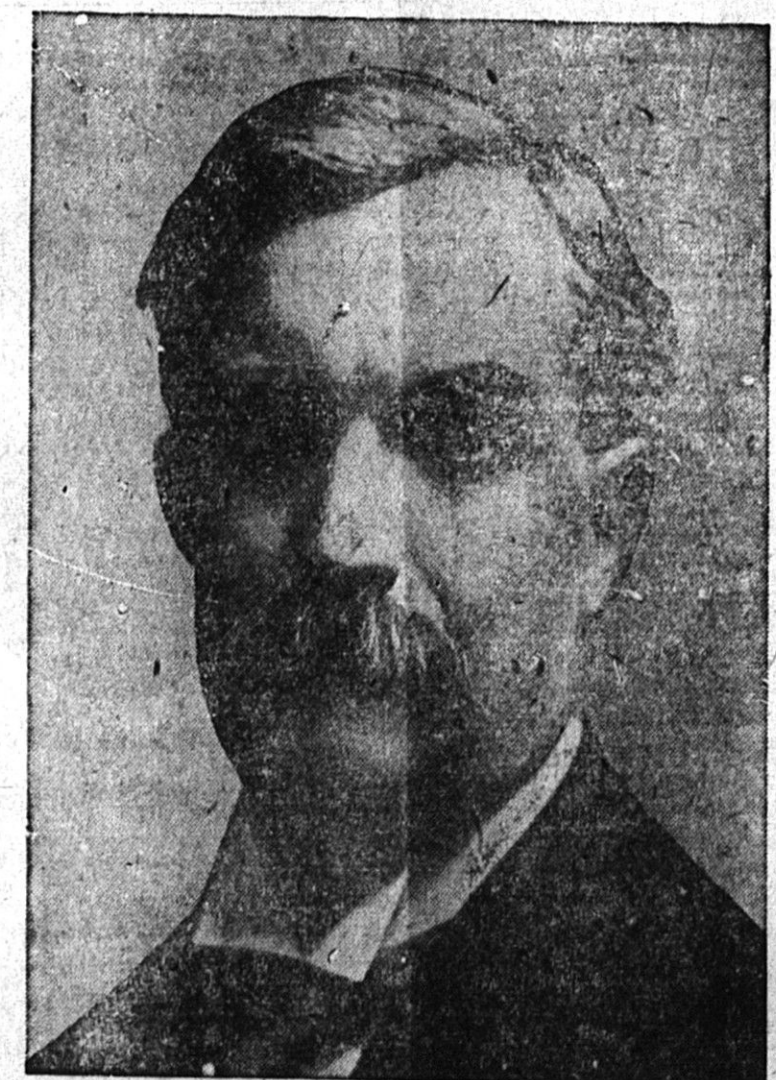

How is your watch? Dandy! Did you find the hammer, etc. Am having the time of my life.

The police at Saginaw have been notified by Chief of Police Kamferbeck and will keep a sharp lookout for the thief in that city.

How Holland Stood by Diekema

Diekema's belighted—not in the first place because he received a majority in the Fifth District of over 5000, but because his own city stood by him so loyally. The city of Holland gave him a plurality of 685. This vote from the neighbors of Congressman Diekema means that he is loved and respected in his home town. The boys in the factory, the laborers on the street, the merchants and clerks, all classes are represented by the handsome vote of confidence in him because they know he will represent all, the poor and the rich. Mr. Diekema wishes to express a special word of thanks to the citizens of Holland for their loyal support.

Colony From Holland—A large colony from Holland is expected in Monroe County, next Winter. The Rochester Democrat says that while the exact number coming is not known, it must be large, since Col. J. G. Klinek has made a purchase of more than 400 acres of land in anticipation of their arrival. The land is situated in the town of Brighton and embraces the farms of Austin Crittenden, Samuel Pike, Phillip Myers, T. A. Crittenden, Warren White and others. The Colonel represents that he has paid about \$100,000 for these farms. All the contracts for them are in his

name. When the colonists arrive the lands will be sold to the highest bidder among them. This is probably the largest purchase of real estate ever made in Monroe County.

WHAT YOU SAW 30 YEARS AGO

Just as we went to press last week we received the dreadful news of shipwrecks along our coast, and in the confusion the schooner Woodruff was reported to be at Grand Haven, when it should have been at White Lake, and two men were drowned instead of one. The loss of the bark J. H. Rutter of Ludington was the worst of the season. A great amount of property was lost, and if it had not been for the herculean efforts of some of our gallant sailors

and lifeboat men, many lives would have been lost off that harbor.

We are informed by one of our Fillmore friends "that the citizens of that township met on Tuesday last and appointed a committee to inquire in to the report concerning John H. Bergman, some few having made the statement that they knew where said John H. Bergman is, and that he can be brought here alive. The following are the gentlemen entrusted with the job: Hiram Lucas, Henry Lubbers, Gerrit Mokma, Cornelius Locker, Jr., Gerrit Jurink." This is a good way of procedure, and we trust from the information that reached us that this piece of scandal is in a fair way of being completely cleared up. Look out for more revelations.

Early last Saturday morning the telephone construction gang arrived in this city and immediately set to work dressing the poles, and otherwise preparing for the construction of our telephone exchange. By Thursday the poles were all set and ready for the wire, which was rapidly put on. Mr. Glass the gentleman in charge of the work, expects to have our exchange in running order by to-night or Monday forenoon. We will then have one of the finest little exchanges in the State. The poles, hung with the numerous wires, add greatly to the appearance of our town,—makes things look rather metropolitan.

Between two and three o'clock yesterday morning our people were awakened by the distant wail of a steam whistle, shortly followed by the alarming cry of Fire! Fire! Fire! Ever since the big fire of 1871 our people have been more or less on the alert for this cry of fire at this season of the year, and especially when the wind is blowing a little "fresh." It is not to be wondered at then that with the gale of Tuesday and Wednesday in mind, and the fire alarm breaking in on the slumbers of the people, that they were more or less frightened at this time. The alarm was occasioned by a fire in the tannery of the old Holland Leather company which was recently purchased by the Cappon & Bertsch Leather company. The tannery was entirely consumed by the flames together with all the stock it contained. From those who were on the spot first we are led to believe that the fire originated in the engine room, as that part of the building was a complete mass of flames when first discovered.

One of our physicians made a bet with a photographer of the city that if Ford was defeated he would ride him in a wheelbarrow on Eighth street, from Market to Cedar street. The bet will probably be paid some time next week, and a collection will be taken up from the spectators to heal his wounded feelings.

The installation of Dr. J. W. Beardslee as professor of Biblical Languages and Literature in the Western Theol Seminary of the Reformed Church in America, took place in this city in Hope Church Wednesday evening. The board of superintendents of the seminary met in special session Wednesday afternoon, with the avowed object of electing a third instructor as lector. Upon reviewing the financial situation, and the additional burden involved in the appointment, the board concluded to postpone the matter until April.

The position of lector, with the prospective promotion to a full professorship, may be inferred to be a very desirable one, from the fact that several names are being prominently mentioned in connection therewith: such as Rev. H. E. Dosker, of this city; Rev. E. Winter, D. D., of Grand Rapids; Rev. Jas. F. Zwemer, principal of N. W. Academy at Orange City, Ia.; Rev. A. T. Huizenga, of New Paltz, N. Y.; Rev. P. Moerdyk, D. D. of Chicago, and others.

Hope College mourns the death of one who for a series of years was its respected President; the Faculty deplore the absence of a genial co laborer; and the students miss in their faithful teacher a devoted and kind hearted friend. Prof. Scott is no more, his familiar face will no longer be met upon our streets.

At the close of the college year last summer Prof. Scott sought the repose and seclusion of his cottage at Macatawa Park. Here he found relief but only temporary. He returned to his home too weak to resume his labors of the lecture room, although fondly clinging to the hope of an ultimate recovery, which hope he entertained until about two weeks ago. He died Tuesday, Oct. 31, at 5:30 a. m., aged 70 years. Worn out in body, he had not been so long enough to be a burden to himself. The funeral took place on Thursday afternoon. After a brief service at the home, on Ninth street, the remains were escorted to Hope church by the students, faculty and council

of Hope College and Western Theol Seminary the clergy of the city and neighboring places, mayor and common council and board of education, members of the press and near friends. In the church the services were conducted by Prof. J. W. Beardslee. The scripture lesson was read by Rev. E. Winter, D. D., of Grand Rapids; prayer by Rev. E. A. Collier of Kinderhook, N. Y., and short addresses by Rev. N. Williamson of South Bend, Ind., Rev. H. G. Birchby, the pastor, Rev. D. Broek of Grandville, and Prof. J. W. Beardslee. "Nearer my God to Thee" and "Lead kindly Light," were impressively rendered by the choir. The floral offerings, especially those contributed by the students were appropriate and beautiful.

At the close of the service the remains were conveyed to the depot, and with the 4:25 train conveyed east to Shawangunk, N. Y., where the interment will take place on Sunday and the remains be laid at rest in the family plot.

The Grammar School Hall of Hope College, located at the foot of the Van Vleck hall, was practically gutted by fire that broke out Friday eve. The cause is laid to a kerosene lamp, that ignited the ceiling. It was a hard task for the department to extinguish the flames, as the material used for deadening the sound, between the ceiling and the floor, was largely of a combustible nature. The building was erected, or rather enlarged to its present size in '74, and was used for society and recitation purposes. The loss is not a heavy one, financially and is covered by insurance. The building will be repaired as soon as the damage has been adjusted. In the meanwhile the situation causes some inconvenience, as the institution has never had any spare recitation rooms.

Our Fleet Coming to Amoy

Rev. A. L. Warnshuis, of Amoy, China, who is spending his year's furlough in this city, is the writer of the following article in the Intelligencer—Ed.

Amoy is the only port in China which will be visited by the American battleship fleet, and great preparations have been made for its reception. One of the royal princes, and the Viceroy of Foochow, Canton and Nanking will represent China at the reception which the government announces "in view of the existing friendly relations between the two nations, the Chinese government has decided to make the reception in every way worthy of the occasion." From the programs that have been published, it appears that China is straining every nerve in rivalry with Japan to show their guests the greatest honor. The fleet is due to arrive in Amoy on Oct. 29, for a week's stay, during which no day is to be allowed to pass without some particular device for the diversion of the American sailors. The temple has been repaired, the roads to all places of interest have been put in good repair, and a large house has been built for the accommodation of the admiral and his staff. Some of China's few troops will be reviewed by the American officers. In order to further fittingly mark the conspicuous occasion, and so that the officers and men of the American navy shall have something more tangible than a memory of the visit of the battleship squadron to Chinese waters, the Chinese government has cast 200 gold medals, each costing \$30, for distribution among the officers, and 7,200 silver medals for the men. The medals are engraved with intertwined American and Chinese flags. The design is said to be a particularly pleasing one, the decoration being very substantial.

The visit of the fleet to Amoy will attract the attention of our whole country to China, and in particular to this port, which possesses the finest harbor on China's coast. It should also remind the members of our Reformed Church of the missionary work that we have been doing there for 66 years. As we read in our daily papers of this visit to Amoy, we are reminded in various ways of the astonishing progress in almost every sphere of activity that China is making. There are tremendous forward movements there, and our missionary "Forward Movement" is absolutely necessary in order that China may not be sunk in atheistic materialism.

Library Books for W. L. C.

The Women's Literary club has received from the Michigan State library a number of valuable books to be used as reference works during their two years' study of England. The list includes Bancroft's "Story of King Alfred," "Chaucer" by T. Jenks; "Bacon" by R. W. Church; "Magna Carta" by Barrington; "Puritan Revolution" by Cardiner; "History of King Charles II." by Abbot; "Statesmen of Commonwealth" by J. Foster; "Edward the First" by Font; "London as an Art City" by Erskine; "War of the Roses" by J. C. Edgar; "History of England" by Hume; "Memoirs of Henry VIII" by H. W. Herbert; "Beginning of English Literature" by C. M. Lewis; "Tewksbury" by Mussey; "Early Tudors" by Moberly; "The Arthur of the English Poets" by Maynard; "History of English Literature" by Morley; "English Lands, Letters and Kings" by Mitchell; "Oxford" by Boase; "Saint Albans" by Perkin; "Winchester" by Sergeant; "Shakespeare" by Wendell; "Cardinal Wolsey" by Chreighton; "Queen of England" by Stricklands; "Heroes of the Crusades" by Blocks; "History of King Richard the First" by Abbot; "System of Shakespeare's Dramas" by D. J. Snider.

The list more than covers the work of this year which takes England up to the reign of William and Mary and more reference works will be added next year. Many of these books procured from the State library are books which are not found on the shelves of the ordinary library and the work of the club is made doubly interesting by these valuable helps.

Mrs. M. A. Sooy and Mrs. R. H. Post, librarians of the club have gone through the entire library very carefully and have spent several hours in selecting the best helps to those who have been assigned papers.

The same plan has been followed by Miss Jennie Kanter, city librarian with reference to the city library so the Women's Literary club is perhaps as well equipped for its work as any club of its size in Michigan.

Besides the reference works loaned by the state the club has from time to time purchased books and has now quite a substantial library of its own. Last year a complete set of John Lord's "Beacon Lights" in 15 volumes was added and the club also possesses much of the world's classic literature.

The State librarian requires each club loaning books to keep a careful record of the number of books loaned and how often they are used and the club making a good record of loans during the year is rewarded by being allowed a larger selection of books for the next year.

Benefit Entertainment.

William, the Conqueror, was the topic for discussion at the Woman's Literary club Tuesday afternoon. Miss Lena Kollen read an interesting paper telling the story of William's invasion of England and of the principal events of his reign. The paper was freely discussed by the club members.

The children of William the Conqueror were described by Mrs. J. B. Mulder. Historians seem to disagree on the number of William's children some giving him four sons, Robert, Richard, William Rufus, Henry and a daughter, Matilda, while others make no mention of Richard and speak of the daughter Adela.

Mrs. J. E. Telling sang very effectively, "Twice April" and the program closed with an able review of Bulwer Lytton's "Harold the Last of the Saxon Kings" by Mrs. R. N. De Merell.

The club is planning to hold a public entertainment in the near future, probably shortly after Thanksgiving. The program will be furnished entirely by club talent and the proceeds will go toward the home building fund. Further announcement will be made later.

Rev. Fles Preaches Farewell Sermon.

Selecting a pastor who was the recipient of a recent call from a sister church of the same city, the congregation of the First Christian Reformed church of Muskegon last Monday placed the Rev. Herman

Tuls, pastor of the First Christian Reformed church of Paterson, N. J., in a difficult position. The Rev. Mr. Tuls received the call from the Third Christian Reformed church just a fortnight ago. In the latter part of last week that congregation received notification from the pastor that he had duly received the official call and would make a reply before next Sunday.

Preaches His Farewell.

Before an audience that packed the church auditorium almost to suffocation, the retiring Rev. J. I. Fles, Sunday afternoon preached his farewell sermon. His parting words brought many a tear to the faces of those who had been led by the pastor for more than 18 years.

The retiring pastor created considerable surprise among his hearers when he stated that it was not his intention to retire from his profession, as many of the congregation had been led to believe from his recent action.

His statement that he will continue to preach the gospel is taken by the congregation to mean that, should he receive a call from smaller church he

Married in Secret.

Grand Haven, Nov. 4.—The news of the wedding of Miss Lillie McCluer of Spring Lake and Mr. William H. Pellegrom of Grand Haven has only just become known to the friends of the young people.

The marriage was performed by Justice Charles K. Hoyt in this city January 7, 1908 but the event has been kept the strictest secret, not even the closest friends of the young couple being aware of the wedding. The groom who is connected with VanTol & Ekkens is one of the best known young men in Grand Haven and has been prominent in local politics. The bride is a popular Spring Lake young woman with a host of friends in this city.

MAKES ASTONISHING CURES

Mi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back

Dyspepsia cannot be cured by taking a digester, such as pepsin, because pepsin simply digests your food artificially, and not all the food either, for it has no effect at all on starchy food, such as potatoes, rice, oatmeal, bread, etc.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Mi-o-na Tablets cure stomach troubles by putting strength and energy into the stomach. They quickly arouse the stomach from its inaction, and in a short time it is able to do its work properly.

Mi-o-na is successfully used in vomiting of pregnancy, in car and sea sickness.

And bear in mind that when the stomach is in good condition, constipation disappears, also nervousness, drowsiness, night sweats, heartburn, etc.

Walsh, the druggist, sells Mi-o-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them, or money back.

A healthy man is a king in his own right; an unhealthy man is an unhappy slave. Burdock Blood Bitters build up sound health—keep you well.

A Sure-enough Knocker

J. C. Goodwin, of Beldville, N. C., says: "Bucklen's Arnica Salve is a sure-enough knocker for ulcers. A bad one came on my leg last summer, but that wonderful salve knocked it out in a few rounds. Not even a scar remained." Guaranteed for piles, sores, burns etc., 25c. at Walsh Drug Co.'s drug store.

They Take The Kinks Out

"I have used Dr. King's New Life Pills for many years, with increasing satisfaction. They take the kinks out of stomach, liver and bowels, without fuss or friction." Says N. H. Brown, of Pittsfield, Vt. Guaranteed satisfactory at Walsh Drug Co.'s drug store, 25c.

Itch! Itch! Itch!—Scratch! Scratch! Scratch! The more you scratch the worse the itch. Try Doan's Ointment. It cures piles, eczema, any skin itching. All druggists sell it.

Accidents will happen, but the best-regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subdues the pain and heals the hurts.

De Pree Chemical Company's New Enterprise.

Branching out in a field not open to many firms of the western states The DePree Chemical company of this city has recently closed a contract with Wm. H. Power of Conneautville, Pa., for the entire marketing control of Kon Yot Lithia Bromide Water. This water is saline mineral water taken from a flowing well on the premises of Mr. Power, which flows from a depth of 2600 feet through solid rock and differs from all other so-called natural waters in that a teaspoonful in a half glass or more of water constitutes a dose. It is a medicinal water, not a table water.

This well was originally discovered by a tribe of Indians inhabiting the valley there and the water was named by Mr. Power after the chief of this Indian tribe who was named Kon Yaught. The water has been analyzed at the Case School of Applied Sciences at Cleveland, Ohio, and found to contain more lithium in grains per gallon than any other water on the market either in this country or in Europe. It was further found to contain potassium and sodium salts in such quantity as to be greatly beneficial in all cases of rheumatism, gout and other uric acid troubles. It is the strongest, natural aperient water on the market today and contains no injurious ingredients whatever.

Mr. Power had placed the water upon the market in a small way and the attention of the The DePree Chemical company was called to it through the favorable comment that was made upon it by physicians who had used it in their practice and also through people who had visited Conneautville for the purpose of taking treatment at the Hotel Power and Sanitarium located upon the property.

It is the intention of The DePree Chemical company to bottle this water here at their plant in this city and place it upon the market throughout the entire country. Through the successful introduction of their Formaldehyde Fumigators in almost every city in the United States they have placed themselves in touch with the medical profession and the drug trade very thoroughly and it is their intention to take advantage of this in the introduction of Kon Yot water everywhere.

The Hotel Power and Sanitarium located upon this property, of which mention has been made was built by Mr. Power several years ago when he acquired title and has been devoted entirely to the treatment of patients who have come there from all over. It is located in a beautiful valley surrounded by mountains and it is really an ideal resting place for

those who by reason of ill health or over work and other causes need rest and tonic treatment amid pleasant surroundings. These spacious bath rooms are fitted up to which Kon Yot water is pumped direct from the well. These baths have been very successful in the treatment of rheumatism, both sciatica and inflammation, eczema and various skin diseases. There are also very hot and steam rooms built according to the latest scientific methods, having every facility and convenience to properly care for and treat the diseases for which this water and baths are beneficial. Skilled male and female attendants are in charge.

Their entire property comprises about 500 acres, and they have their own dairies, raise their own vegetables, poultry, in fact everything required for the operation of this sanitarium is raised on the grounds.

The first shipment of this water is now on the way to Holland and the company hopes to have it ready to begin the introduction of it under their own label and in their own package in three or four weeks.

WHY SUFFER?

Breathe Hyomei and Kill the Loathsome Catarrh Germs.

Just as long as you have catarrh your nose will itch, your breath will be foul, you will hawk and spit, and you will do other disgusting things because you can't help yourself. The germs of catarrh have got you in their power; they are continually and persistently digging into and irritating the mucous membrane of your nose and throat. They are now making your life miserable; in time they will sap your entire system its energy, its strength, its vigor and vitality.

But their is one remedy that will kill the germ and cure catarrh, and that is Hyomei, the Australian dry air treatment.

Walsh the druggist, will guarantee Hyomei to cure catarrh, or money back. Don't delay this pleasant antiseptic treatment. Breathe in Hyomei and kill the germs.

Walsh will sell you a complete Hyomei outfit, including inhaler, for only \$1.00. It is also guaranteed to cure bronchitis, asthma, coughs, colds, hay fever and croup.

Results in Holland

Holland polled the largest vote in the history of the city at Tuesday's election. The weather was conducive to this unusual turnout and with political enthusiasm at highest pitch the voters began making for the polls as soon as the clock struck eight and it was a steady stream until the pole drier announced everything all off and the ballot box ordered sealed.

With no challengers, no ward workers, no rigs or wire-pulling of any sort, there was no chance for "technician" and during the entire day there was not the first instance of friction. The voters of Holland saw to it as a personal matter and simply voted.

Holland stood loyally by Gerrit J. Diekema at the polls yesterday and gave him a big boost toward another term in congress with a majority of 666.

Taft was Holland's choice by 452, and with Warner cut locally to the core, Lawton T. Hemans, Carried this city by 99 as the Democratic candidate for governor.

Holland Township Republican

Holland township went straight Republican giving the whole ticket a safe majority. Taft secured 215 over Bryan for president; Warner 126; Diekema 210; Bolt 157; VanRaalte 205; Kirby 206; Andre 170; McCracken 200; A. J. Ward, register of deeds, 201; Clark, county treasurer, 202; Co-burn, prosecutor, 203; A. Van Duren, C. C. commissioner, 205; Oosterhouse C. C. commissioner, 205; Dr. De Kline, coroner, 205; Dr. Cook, coroner 215; Peck, surveyor, 207.

The First Ward.

In the First ward with a total vote of 523, Warner and Hemans broke even with 232 each. The Prohibitionists secured 26 and the Socialists 12. Diekema got 321 and Sweet 138. Andre landed 260 and Van Putten 136. Bolt, Rep. for state senator, 232. Van Eyck, Dem., 177. For the legislature, VanRaalte 309, Mantling 149, Taft, 302, Bryan 152. Lieut-Gov. Kelley, Rep. 300; Sec. of State, Martindale, Rep. 203.

The Second Ward

Hemans carried the Second ward with 101 to Warner's 83. VanEyck gave Bolt a close run for state senator, Bolt getting 95 votes to Van Eyck's 83. Diekema got 103 to Sweet's 78. Jenkins landed 6 votes. The Republicans gave Van Raalte 99 and Mantling got 82 Democratic ballots. Van Putten beat Andre out in this ward for the sheriff's office, 103 to 82. It was 97 for Taft 86 for Bryan.

In the Third Ward.

Cornelius Andre is the Third ward's choice for sheriff, receiving 211 votes against Van Putten's 179. Bolt, state senator on the Republican ticket secured 239 votes and Van Eyck 171. D. B. K. Van Raalte landed 260 and Mantling 133. The state ticket went 181 for Warner and 223 for Hemans. Diekema secured 289 ballots and Sweet 116. Taft got 259 and Bryan 141 in the Third.

The Fourth Ward.

In the Fourth ward it was 265 for Taft, 184 for Bryan, while the Prohibitionists got away with 18 votes and the Socialists 19.

For governor, Warner was given 199 and Hemans piled up 163. For Sheriff Andre got 210 and Van Putten 263. Diekema went strong with 273 Sweet 161 and Jenkins polled 40 on the Prohibition ticket. For State senator Bolt, Rep., got 251 and Van Eyck Dem., 206. D. B. K. Van Raalte was given 232 and Mantling 181 for the legislature.

The Fifth Ward.

The "Old Fifth" was the only one to turn in a complete list of Republican pluralities. The Fifth Warders seemed to like Warner nearly as well as Taft, for the presidential nominee drew 263 against Bryan's 110, and the governor was close behind with 249 against Hemans' 223. Congressman Diekema ran away ahead with 328 while Sweet polled but 137.

The county and legislative candidates made a good showing also, little cutting of ballots showing up. Despite the fact, the Fifth ward was the last to finish the count. Van Raalte scored even honors with Diekema with 328 against 130 for Mantling. Bolt drew 316 to Van Eyck's 157. Andre showed the shortest plurality among the county candidates, polling 275 against Van Putten 181.

History of Diekema's Gift.

The historic cannon secured by Congressman Diekema for Grand Haven were formally mounted in Central park Saturday and the day was one of great festivity.

Congressman Diekema was the first speaker delivering a patriotic address which was brief but to the point.

Mrs. DeForest McNett read the history of the cannon and the old frigate New Orleans which follows:

portance in the War of 1812-13. When "John and Johnathan" had their little scrap, Uncle Sam in 1814 decided to build a frigate for Lake Ontario the "New Orleans." This watchdog was under the supervision of Henry Eckford, afterward in the services of the Turkish government. Of him the Sultan said: "How can America spare such a man?"

The "New Orleans" named in honor of General Jackson's victory at New Orleans, was to carry one hundred 10 inch guns, draw 25 feet of water and was to be 2200 tons burden. Her enormous frame was the wonder of the countryside.

Skilled naval experts took up their abode at the Harbor to assist in her completion. From dawn to dark the ceaseless ply of the hammer would have soon had the "New Orleans" ready for launching, when—the unexpected happened. "Peace hath her victories as well as war," for the treaty of peace in Dec. 1814 closed hostilities. But not until a month later did the work cease on receipt of the news. The armament of the frigate had been partly shipped by the government and was carefully stored.

The "New Orleans" should have been preserved, but in later years ruthless greed rent her sides for cedar filling and the historic craft disappeared in myriads of lead pencils.

But the story of the good "old ship and the ship house" which so long sheltered the unfinished "New Orleans" is a twice told tale. Two of the cannon intended for the frigate so long associated with the preparations for defense on our northern frontier, add a new interest to our beautiful Central Park. The Anglo-Saxon race have joined hands across the sea, and "John and Johnathan" war no more."

Throughout the County.

Ottawa county voters in the townships showed much less inclination to cut tickets than the city voters, and the normal Republican majorities were cut into very little. The entire Republican county ticket went thru, Jacob Van Putten making the best showing against the heavy G. O. P. vote. Cornelius Andre made a comfortable margin however.

E. P. Kirby is again probate judge, and the two Republican legislative nominees for the state legislature pulled through in easy style.

Out in Blendon township there was hardly a split ticket, Taft and Warner each landing 210, while Diekema went them two better. In Crocker township, Taft and Diekema landed 220 a piece, while the governor was cut to the tune of 16 votes.

DON'T LOSE YOUR HAIR

Parisian Sage Stops Falling Hair in Two Weeks, or Walsh Drug Co., will Refund Your Money.

Look at your comb. Hair coming out pretty fast, isn't it?

Getting so thin or top that you are commencing to feel rather feeble?

Perhaps you are even beginning to worry?

Don't worry; don't despair; don't lie awake nights; don't wait a day, but go to the drug store of Walsh Drug Co., and get a large bottle of Parisian Sage. It will only cost you but 50 cents, and before you will have used it a week you will say it is worth \$10.

The people in Holland and vicinity, and especially the readers of the Holland City News ought to know that Walsh Drug Co. guarantees Parisian Sage to stop falling hair, to cure dandruff, to stop itching scalp.

As a hair dressing, and especially for ladies of refinement, it has no equal anywhere. It has a most lightful yet delicate odor, which most hair tonics have not.

It will, in one week's time, change harsh, unattractive hair into lustrous and luxuriant hair. The women who use Parisian Sage never fail to add wonderfully to their attractiveness.

"I have used and seen used, several hair tonics and so-called renews, but never had any come to my notice that can ever compare with Parisian Sage. It leaves the hair clean, fluffy and silky, and does not leave one particle of stickiness."—Mrs. Ida Wilcox, hair-dresser, Coldwater, Mich.

ALL WRONG

The Mistake is Made by Many Holland Citizen.

Don't mistake the cause of backache.

To be cured you must know the cause.

It is wrong to imagine relief is cure. Backache is kidneyache.

You must cure the kidneys.

A Holland resident tells you how

J. W. Flieman, wagon maker and painter, 83 River street, Holland, Mich., says: I suffered a great deal from dull pains in the small of my back and at times, sharp, shooting twinges would dart through my loins. Sometimes I could hardly stoop or lift anything and if I sat down in a chair, it was only with difficulty that I was able to arise as my muscles and joints were so very stiff. I consulted physicians and they told me that I had lumbago, but after using their remedies and finding that they were not helping me, I decided to give Doan's Kidney Pills a trial. I procured a box at H. R. Doesburg's drug store and after using them a short time all my troubles disappeared and I was positively cured. This occurred over four years ago and I can conscientiously say that I have not suffered the slightest symptoms of kidney trouble since that time. I have recommended Doan's Kidney Pills to a great many people and will continue to do so.

TAFT WINS BIG VICTORY

Republican Candidate Overwhelmingly Choice of Country.

BRYAN MEETS THIRD DEFEAT

SPEAKER CANNON RE-ELECTED BY A VOTE LITTLE SHORT OF THE NORMAL.

Solid South Faithful to Democratic Nominee—City of Lincoln and State of Nebraska Also Give Him Majority, But So-Called "Doubtful" States Are in Republican Column.

New York, Nov. 4.—William Howard Taft of Ohio, Republican, has been elected twenty-seventh president of the United States, and James Schoolcraft Sherman of New York has been chosen vice-president. This is the outcome of one of the most remarkable political campaigns in the history of the republic.

William Jennings Bryan of Nebraska, the Democratic candidate, went down in the third defeat of his life's ambition to occupy the White House. Among the more significant results were the re-election to congress of Speaker Cannon and Chairman Sereno

WILLIAM HOWARD TAFT

SAFELY REPUBLICAN

Senate and House Remain in Control of Party.

VICTORY FOR "JOE" CANNON

Speaker of the House Has Majority in His District of About 8,000—Democrats Have Not Made Gains They Hoped For—Summary of Results.

Chicago, Nov. 4.—Latest election returns indicate that the house of representatives is still heavily Republican, with a majority on division of 49. The Republican membership in the Sixty-first congress is 218, while the Democrats show only 173. The membership of the house is 391, and the majority necessary for control is 196. Gains were made by the Republicans in North Carolina, Iowa and New York. The Democrats gained one district in Illinois, the Eighth, where Thomas Gallagher was elected to succeed Congressman McGavin. Republicans gain a district in Pennsylvania heretofore held by Democrats.

Speaker Cannon was re-elected by a majority of from 6,000 to 10,000. Congressmen Hepburn, Hull, Dalzell, Payne and other leaders of national importance who had hard fights were all successful.

The districts on which the Democrats relied to increase their present strength have, in most instances, returned Republicans.

Practically No Change in Senate.

The senate will show practically no change in political complexion, the Republicans retaining a large majority. The membership of the senate is 92, the hold-over members number 61 (43 Republicans and 18 Democrats). The election of 17 Republicans and

13 Democrats, as seems probable from the returns giving the make-up of the various legislatures which elects senators, would show the strength of the two leading parties in the senate to be: Republicans, 60; Democrats, 31; doubtful, 1.

State Legislature Republican.

The next Illinois state legislature will be Republican again. The greatest surprise in the state fight came in the defeat of State Senator Orville F. Berry for re-election in the Thirty-second district. He was defeated by James F. Gibson (Dem.).

Berry was head of the "senate combine" and was recognized as the successor of Daniel Campbell, as the leader after Campbell's retirement to accept the postmastership of Chicago.

Cannon Re-Elected.

Danville, Ill., Nov. 4.—Joseph G. Cannon has been re-elected to congress by a plurality considerably above the normal. Returns are still incomplete, but enough figures have been obtained to show that he will probably have a plurality of at least 10,500. This is estimated to be in the different counties in his district as follows: Vermilion, 6,000; Iroquois, 1,500; Kan-kakee, 2,000; Edgar, 700; Clark, 200; and Cumberland, 100. The result has been something of a surprise even to the friends of Mr. Cannon. The fight made against him by various church organizations, the Anti-Saloon League and organized labor, coupled with the fact that the Democrats had for the first time since 1863 a complete organization in this district, led the Republicans to believe that Mr. Cannon's plurality would not be over 3,000.

Hepburn Re-Elected in Iowa.

Des Moines, Ia., Nov. 4.—The indications are that the entire delegation in congress will be Republican, a gain of one over two years ago. There is a close race in the Sixth district between Hamilton, present incumbent (Dem.), and Kendall (Rep.).

The indications are that Cummings has defeated Lacey for the United States senatorship.

Taft's plurality in Iowa is announced as 57,000.

It looks now, I think, as if I must have underestimated it. The returns have exceeded my expectations.

"The plurality in Indiana will be less than I expected. That in Illinois is far more than anticipated. And so it goes: where one state has not quite come up to the figures I had expected some other state has gone far beyond. The latest returns from Maryland indicate that we have carried that state by about 8,000 to 10,000 and that is more than I believed it would give.

Taft Congratulates Hitchcock.

Cincinnati, Nov. 4.—Judge Taft at 9:10 p. m. sent the following telegram to Frank H. Hitchcock: "I am delighted to hear the favorable returns from all parts of the country, especially New York, and I wish to express my gratitude to you for the work which you have done and felicitate you on the accuracy with which you foretold the result indicating a clear grasp and wonderful political knowledge of the situation.—William H. Taft."

Gov. Hughes wired Judge Taft at 8:30 o'clock: "Heartiest congratulations on your splendid victory." Chairman Hitchcock was heard from as early as 6:30 o'clock. He said: "Heartiest congratulations on magnificent vote."

Daniel J. Keefe sent this message: "Congratulations on your splendid victory. Labor voters appreciate and recognize their real friends."

LANDSLIDE FOR TAFT—HOWELL.

Georgia Democratic Leader Comments on the Result.

Atlanta, Ga., Nov. 4.—At 10:20 Tuesday night, Clark Howell, national Democratic committeeman from Georgia, conceded the election of Mr. Taft. Mr. Howell gave the Associated Press the following statement: "It is a landslide for Taft. Mr. Bryan has made a wonderful campaign, but he could not overcome the prevailing idea that business conditions would be adversely affected by Republican defeat. It is now up to the Republicans to make good their pledge to restore prosperity, for to that pledge they must attribute their success more than anything else. Mr. Taft is a big, broad, patriotic American, and he will be fair and just to the south."

Returns Received in Havana.

Havana, Nov. 4.—The election returns were received at the newspaper offices, Camp Columbia, the Officials' club and the American club. Gov. Magoon held a reception at the palace, which was attended by many American and Cuban officials, and at which the returns were read. Early in the evening the governor sent congratulatory messages to the president-elect.

Race Track Enemy Re-Elected.

New York, Nov. 4.—Otto G. Foelker, the state senator who arose from a sick bed to go to Albany last spring and cast the deciding ballot which made possible the passage of Gov. Hughes' anti-race track betting laws, was elected to congress Tuesday from the Third district (Brooklyn) as a Republican.

Payne to Introduce New Tariff Bill.

Auburn, N. Y., Nov. 4.—The election of Sereno E. Payne, chairman of the ways and means committee in the house of representatives means that Mr. Payne will organize the tariff work of the next congress and will introduce the new tariff bill.

James S. Sherman.

E. Payne of the house committee on ways and means; the election of Representative W. S. Cowherd as governor of Missouri, which therewith returns to the "solid south," and the re-election for a third term of Gov. John Johnson, democrat, in Minnesota.

One of the results surpassing the most sanguine hopes of most Republicans was Mr. Taft's carrying the greater city of New York by a plurality which approached 10,000. Furthermore, his plurality in New York state will be approximately 189,334, exceeding by nearly 14,000 Roosevelt's big plurality of 1904.

Only second in point of general interest was the victory of Gov. Charles B. Hughes, who was re-elected by a plurality estimated as well above 75,000 over the vote cast for his Democratic opponent, Lieut. Gov. Chanler. While Greater New York gave a plurality for Taft, it gave Chanler a margin of 56,843.

With 31 United States senators to be elected by legislatures chosen now or earlier in the fall. The Republicans will retain their control of both houses of congress.

Mr. Taft carried practically every so-called doubtful state except Nebraska, where Mr. Bryan was victorious. Mr. Bryan carried Nevada and Montana, in addition to the solid south, which includes Missouri.

Republican Pluralities Reduced.
Some of the figures relating to the Republican slump in certain states regarded as certainly Republican, are little short of amazing. Pennsylvania's immense plurality of over 500,000 four years ago has been cut in two. Illinois, which gave Roosevelt 305,000 in 1904, has gone for Taft by about 170,000. The highest claim of the Republicans for Indiana is 15,000 as against a plurality of 93,000 for Roosevelt.

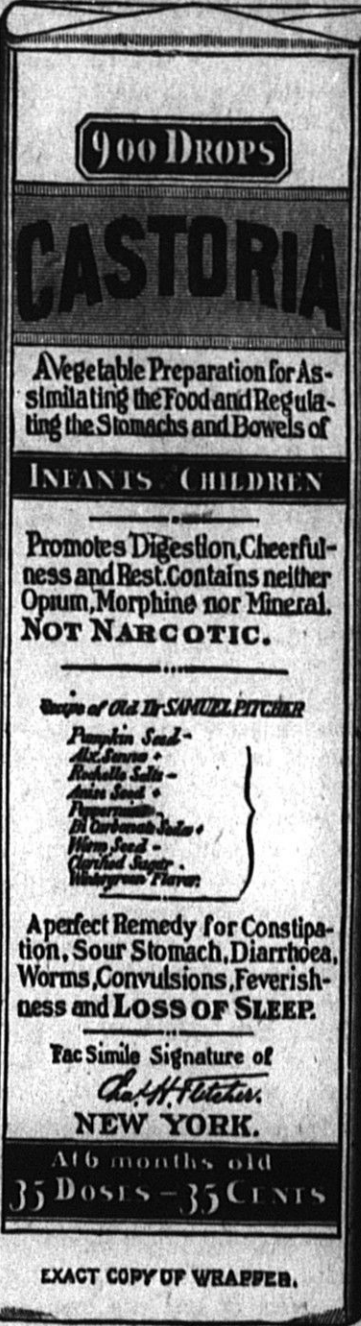

Iowa, which gave Mr. Roosevelt 158,000 plurality in 1904, has dropped down to about 57,000 for Taft. The return of Missouri to the Democracy on the presidential ticket wiped out a Republican plurality of 25,000 four years ago. Massachusetts, New York and New Jersey were striking exceptions to the generally reduced Republican pluralities.

Chairman Hitchcock's Statement.
Chairman Frank H. Hitchcock of the Republican national committee made the following statement:

"The returns speak for themselves. There seem to be no longer any doubtful states. The electoral vote will show that my estimate was correct.

BASNET BALL

Both the Lyceum Rink and Prices Rink are to be represented by girls basket ball teams this winter. Both teams have started practice and some hot contests can be expected between the two teams.

INDOOR BASE BALL

The Interurban indoor base ball team has been re-organized again. The team will play its home games in the Lyceum roller rink and will also use that building for practice. Everyone interested in indoor base ball is invited to try out for the team.

The second team of the local High school lost a hard fought game to the Austins of Grand Rapids in that city Saturday afternoon. The game was a curtain raiser for the game between Grand Rapids High and Big Rapids. The score was 6 to 0. The Austins come here for a return game later in the sea-

Marine News.

The stone boats "Ida Corning" "Duncan City" and the tug "Torrent" have cleared for Sturgeon Bay. They will return later with more stone for the south breakwater. The "Duncan City" will bring back the barge "Empire State" which has been carrying stone all summer.

Work on the breakwater and also on the south pier is progressing nicely and will continue as late as the weather permits. About half of the 1200 feet of new pier work has been completed and the rest of it will be finished in the spring.

The past season has been a very quiet one at the station in fact none of the Lake Michigan crews have been kept very busy this summer.

Big wrecks are not at all common on Lake Michigan any more. The sailing craft which used to get into trouble so often, have passed and larger and stronger craft have taken their place. The boats no longer pile up on the beach while attempting to make the harbor in a storm, and if they do, they are usually stout enough to outlast the gale without breaking up and endangering the lives of those aboard. While there is not always a great deal to do, the crew is always ready to act upon the instant of an emergency.

These came frequently during the resort season, upsets of the over-cruised racing yachts being common. Not a fatality resulted from the mishaps of this nature on Black lake in 1908.

Demands Return of Loved Pastor.

Pure Food Laws Must Be Obeyed.

The recent announcement of certain standards relative to food products in the States supporting a pure food law by the Association of Agricultural Chemists and national and State Food and Dairy department is especially interesting in Michigan in view of the recent decision of Judge Wiest, of this place, in the suit of Armour & Co. This suit, it will be remembered was decided against the packing company, which maintained that it had the right to use cereals in its products and could not be compelled to label the packages as such. The resolutions adopted govern the preparation for the market of sausage, ice cream, soft drinks and oysters.

The list has just been made public. The resolutions, as adopted prescribed that sausage, if up to the standard, must be built up of meat products and that if it contains cereals and added water it must be labeled to show the percentage of all these ingredients.

The practice was prohibited of adding ice or water to shucked oysters, intending to lower the quality and bringing them under the terms of the adulterated food law.

Ice cream, it was held, must contain at least 14 per cent of milk fat and be made of cream and sugar with or without natural flavoring. If nuts they must be clean and mature. If gelatine is added, or any vegetable gum, the package must be labeled to show the contents.

The sale of soft drinks and other food products containing soap bark or cocaine is prohibited. Caffeine as an

of Cod Liver Oil is the means of life and enjoyment of life to thousands: men, women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food when you hate it and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c. bottle of Dr. King's New Discovery; before that was half gone, the cough was all gone. This winter the same happy result has followed: a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." The return game against Grand Haven that was to be played here next Saturday has been cancelled by the local High school.

The Holland Lyceum will play their first game against the Grand Haven Battalions Monday evening. The locals have been doing some hard practicing and expect to put up a good game. The team will line up as follows: guards, Deto and Robinson; center, Knutson or Williams; forwards, Rottcher and T. Roller. The team deserves patronage as it is arranging a high class schedule with the intention of showing the local rooters some good games during the coming winter. A curtain raiser game will be played beginning at seven thirty o'clock. The games will be played in the Lyceum rink which has been fitted up for basket ball.

The game scheduled between Hope college and Ferris Institute of Big Rapids for last Saturday was postponed by the big Rapids team on account of injuries sustained by three members of their team until next Saturday.

The Holland High school football team has been disbanded owing to difficulties in securing games with other interscholastic institutions and now the "Holland Juniors" are in the field for games with any of the Western Michigan teams averaging not more than 130 pounds. the best known Christian Reformed churchmen in the country, from the pulpit, that the body may be forced to reinstate him.

The First Christian Reformed church is one of the largest churches of the denomination in this country, the congregation numbering over 1,500. Five large new churches have been started from this body in the past few years. Unalred, Rev. Mr. Fles has carried on the work and beloved and almost worshipped by the congregation, he has occupied the pulpit even when severely ill, sometimes falling insensible in the pulpit. Ever since forcing a resignation from the minister, the consistory has been in hot water, and has been attacked many times by members of the congregation.

Mr. Fles is a member of the consistory of the national Christian Reformed body; is correspondent of the emeritus board, treasurer of the National Christian Reformed Jewish mission, head of the classical commission of the Muskegon classis, a member of the home mission committee, and holds seven other high positions. He has preached in this country, in Wisconsin, Iowa and Michigan, and has been connected with the local church for 19 years.

He was born June 2, 1848, in Aalten, Gelderland. His father was a Jewish rabbi, controlling the Jews of the Netherlands for 30 years. He then turned Christian and left the country. His son was forced to earn his way through school by working outside of school hours in the shops. For 16 months, at the age of 19, he was a soldier in the regular army.

ingredient for soft drink is prohibited as dangerous to the health of children.

It was also declared that the practice of treating fish, sardines, bacon, and sausages with "liquid smoke" must be abolished. This is a substance used for the purpose of smoking meats.

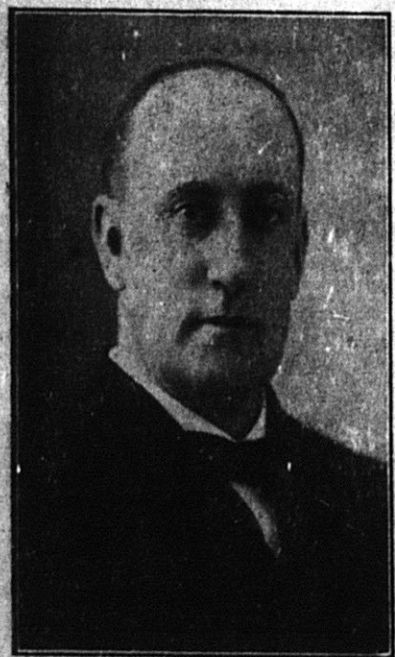

A Dutch Lullaby in

the Record-Herald

[The following little ditty winding up with the well known Dutch lullaby appeared in last Sunday's Record-Herald. The writer, Mary Van Derburgh, is doubtless a Hollander and it was a pleasant surprise to see the good old Dutch lullaby receive recognition in a great metropolitan paper like the Record Herald—Ed] Petrus, Deitric, and little Jan Were all the sons of a stout Dutch Van. Annetje, Tryntje, and Bettie, These were all his daughters, too. In the happy month of May Forth they wander, blithe and gay. Through the groves and meadows flowery, Till they reach the famous Boerderij. There each little man and woman Gathers the sweet "pinksterbloemen." Cheeks like roses from their walk, In their arms the fragrant stalk; In their gowns a "winkelhauk" Home they hasten in the gloaming, Where the vronw waits their coming. Tucks them in their trundle-beds, Crooning soft above their heads:

"Trip a trop a tronjes
De varkens in de bobnjes,
De koetjes in de klaver,
De paardens in de haver,
De eenjes in de waterplass,
So groot mijn kleine Joris was!"
